[9] In all parts of the Roman Empire, however, Justinian’s method was as follows. Picking out the basest men, he would sell to them at a great price the offices that were to be corrupted by them; [10] for no man of decency or any degree of intelligence would think for a moment of paying out his own money in order to buy the privilege of plundering those who had done no wrong. [11] Then, after collecting this money from those who were making the bargain with him, he would confer upon them authority to treat their subjects in any way they pleased. [12] As a result of this, they were destined, after ruining all the districts under their jurisdiction, along with their entire population, to be very rich themselves from that time on. [13] These men, then, borrowed from the bank at a staggering rate of interest the amount of the prices they had paid for the cities, paid it to the man who had made the sale, and then, as soon as they reached their cities, proceeded to inflict upon their subjects every form of misery, having no concern for anything else than how they might meet their obligations to their creditors and themselves be rated thenceforth among the

most wealthy, seeing that this business involved neither danger nor disgrace for them, but actually conferred upon them a certain amount of glory, in proportion to the number of those falling into their clutches whom they were able without any justification to kill and to plunder. [14] For the titles of “murderer” and “brigand” came to be regarded by them as equivalent to “energetic”! [15] All these office-holders, however, whom Justinian observed to be abounding in wealth, he bagged on trumped-up charges and straightway wrested from them absolutely all their fortunes.

[16] But later he promulgated a law that all who sought the offices should take an oath that in very truth they would themselves be innocent of all theft, and that they would neither give nor take anything for the sake of the office. [17] And he laid upon them all the curses which have been mentioned by men of most ancient times, in case anyone should depart from the written terms. [18] Yet when the law had been in force not yet a year, he himself, disregarding the written terms and the curses and the disgrace which would ensue, proceeded more fearlessly than before to negotiate the prices of the offices, not in secret, but in the public square of the market-place. [19] And those who purchased the offices proceeded, though under oath, to pillage everything still more than before.

[20] And later on he hit upon still another device, one transcending all report. He decided that he would no longer sell, as formerly, those offices which he considered most valuable both in Byzantium and the other cities, but he sought out hired agents and put them in office, instructing them, for a wage of whatever it was, to deliver to him all their plunder. [21] And they, having taken their pay, proceeded to collect and carry off everything from the whole country quite fearlessly, and a hireling authority was thus going the rounds and, in the guise of the office, plundering the subjects. [22] Thus the Emperor, making his calculations with nice exactness, kept putting in power constantly those who were in very truth the vilest rascals in the world, and he always succeeded in tracking down the abominable creatures he wanted. [23] Indeed, when he appointed the first set of rogues to office and the licence of power brought to light their inherent villainy, we were in truth astonished that man’s nature had room for depravity so great. [24] But when those who at some later time succeeded them in office were able to surpass these men by a very wide margin, men wondered among themselves how it was that those who formerly seemed most base were now outdone by their successors to such a degree that they now seemed to have been men of high character in their dealings, and the third group, in turn, overshot the second in every manner of wickedness, and after them still others, by their innovations in crime, caused an honourable name to be attached to their predecessors. [25] And with the long continuance of the evil all men have finally been taught by facts that whereas man’s natural depravity is wont to grow beyond all limits, yet when it is nourished by the instruction of predecessors, and when, through the influence of the licence which complete immunity inspires, it is lured on to wreak foul injuries

upon all who fall in its path, then it seems invariably to attain to so great a bulk that not even the imagining of its victims is able to measure it.

[26] Such was the state of affairs for the Romans, as touching their magistrates. And many a time, when a hostile army of Huns had enslaved and plundered the Roman domain, the generals of Thrace and Illyricum, after purposing to attack the retreating enemy, recoiled when they saw a letter from the Emperor Justinian forbidding them to make the attack upon the barbarians, they being necessary to the Romans as allies against the Goths, it might be, or against some other enemy. [27] As a result of this, these barbarians used to plunder and enslave the Romans in those parts as enemies, and then, taking with them their prisoners and the rest of their plunder, they would retire to their own homes as friends and allies of the Romans. [28] And often some of the farmers of that region, moved by the loss of their children and women, who had been reduced to slavery, gathered in a body, attacked the retreating foe, and succeeded in slaying many of them and in capturing their horses together with all the booty; then, however, they found themselves involved in serious difficulties. [29] For certain men, sent out from Byzantium, saw fit to maul and mutilate their bodies and to impose fines upon them without the least compunction, until they gave up all the horses which they had wrested from the barbarians.

When the Emperor and Theodora had destroyed John the Cappadocian, they wished to appoint someone to his office in his stead, and they made it their common task to find some man of the baser sort, looking about to find such a tool of their tyranny and investigating thoroughly attitude of the candidates, to the end that they might be able still more speedily to ruin their subjects. [2] Now as a temporary measure they put in John's place in the office Theodotus, a man who, though not of good character, had never proved able to please them completely. [3] After this they went about investigating every possibility. And unexpectedly they found a certain money-changer named Peter, a Syrian by birth, called by the surname of Barsymes. He had years before sat at the table where bronze coins are exchanged and was gaining most shameful returns from this business, contriving his theft of the ha'pennies with great skill and always baffling his customers by the swiftness of his fingers. [4] For he was clever enough to steal freely the possessions of those who fell in with him, and when caught, to give his oath and to cover the sin of his hands by the impudence of his tongue. [5] And when he had been enrolled as a member of the Pretorian Guard, he became so outrageous that he was exceedingly pleasing to Theodora and he gave her readiest assistance in the perplexing details of her wicked enterprises. [6] So they immediately released Theodotus from the office to which he had been appointed after the Cappadocian, and they appointed thereto Peter, who accomplished everything to the liking of them both. [7] For though he deprived the soldiers on active service of all their pay, he was never seen to be moved by either shame or fear, nay, he even offered the offices for sale to a still greater extent than had been done before, and by making them less honourable he used to sell them to men who did not hesitate to carry on this unholy business, giving explicit permission to those who purchased the offices to treat the lives and property of their subjects as they wished. [8] For a bargain was straightway concluded between him and the man who had paid down the price of the office that gave the latter full licence to plunder and pillage. Thus from the capital of the State there issued the traffic in human lives, and there Peter negotiated the contract for the destruction of the cities, [9] while in the highest courts and in the public square of the market-place there paraded a legalized brigand, who described his business as the recouping of the monies put up as the price of office, there being no hope that his misdeeds ever would be punished. [10] And among all those who served this magistracy as subordinates, a numerous and notable company, he always drew to himself the basest men. [11] But herein not he alone was guilty, but rather all who have assumed this office before and since.

[12] And a similar abuse was practised also in the office of the Magister, as he is called, and among the Palace officials who are wont to attend to the service that has to do with the treasures and with the funds known as privata

and the administration of the patrimonium, and, broadly speaking, in all the regular offices established not only in Byzantium but also in the other cities. [13] For since the time when this tyrant took charge of affairs, in each office the revenues which belonged to the minor officials were regularly claimed, without just reason, sometimes by Justinian himself, and sometimes by the man who held the office; and the men who served under their orders, being extremely poor, throughout this whole period were compelled to work under most servile conditions.

[14] Now at one time a very great quantity of grain had been transported to Byzantium, but after the largest part of this had rotted already, he himself consigned it in proportionate quantities to each several city of the East, though it was not suitable to be eaten by man; and he consigned it, not at the price at which the finest grain is wont to be sold, but at a much higher price, and it was necessary for the purchasers, after spending very great sums of money to meet the very oppressive prices, to throw the grain into the sea or a sewer. [15] And since a huge supply of sound grain which had not yet rotted also lay in storage there, he decided to sell off this too to the very large number of the cities which were in some need of grain. [16] For in this way he made double the money which the Treasury had previously paid to the tributary states for this same grain. [17] But the next year, when the crop of the grains was no longer bountiful to the same degree, the grain-fleet arrived in Byzantium with less than was needed, and Peter, being at a loss because of this situation, decided to buy from the farm-lands of Bithynia and Phrygia and Thrace a great supply of grain. [18] And the inhabitants of these regions were compelled to transport with great labour the cargoes to the sea and to convey them to Byzantium at great peril, and to receive from him the small amounts which passed for prices; and the loss for them mounted up to such a figure that they were glad to be permitted to present the grain to a government warehouse and to deposit a further payment for the privilege. [19] This is the burden which they are accustomed to call "requisition." But when even thus the supply of grain in Byzantium had not become sufficient to meet the need, many made bitter complaints of the situation to the Emperor. [20] And at the same time pretty nearly all the men in military service, seeing that they had not received their usual pay, gave themselves over to tumults and disturbances throughout the city. [21] So the Emperor seemed at last to be vexed with the man and wished to relieve him of his office both on account of these facts which have been mentioned and also because he had heard that a prodigious amount of money had been hidden away by him, which, as it chanced, he had filched from the Government. And this was true. [22] But Theodora would not permit her husband to act; for she had an extraordinary affection for Barsymes on account of his depravity, as it seems to me, and because he was exceedingly efficient in bringing ruin upon the citizens. [23] For she herself was a very ruthless person and completely filled with inhuman cruelty, and she required that her minions should conform as closely as possible to herself in character.

[24] But they say that she was put under a spell by Peter and shewed him favour against her will. [25] For this Barsymes had shewn an exceptional interest in sorcerers and in the evil spirits, and he had a great admiration for the Manichaeans, as they are called, and never hesitated to stand forth openly as their champion. [26] And yet, even when the Empress heard of these reports, she did not abate her good-will towards the man, but she saw fit to both protect and cherish him even more on this account. [27] For she too from childhood on had consorted with magicians and sorcerers, her habits of life seeming to lead her in this direction, and throughout her life she retained her faith in such things and always based her confidence upon them. [28] And it is also said that the way she made Justinian tractable was not so much by cajoling him as by applying to him the compulsion of the evil spirits. [29] For this man was not so right-minded or just a person or so steadfast in virtue as to be at any time superior to attempts upon him of the kind just mentioned, but, on the contrary, while conspicuously susceptible to the appeal of bloodshed and money, yet he found it easy enough to yield to those who tried to cozen and flatter him. [30] But even in those matters in which he took particular interest he used to reverse his position for no real reason and he had become absolutely like a cloud of dust in instability. [31] For this reason none of his relatives, and none of his acquaintances in general, ever based any confident hope on him, but, on the contrary, he had become subject to constant shiftings of his opinion as regards what he was to do. [32] Thus, being easily accessible to the sorcerers, as has been said, he very readily became tractable in the hands of Theodora also; and chiefly for this reason the Empress loved Peter exceedingly as being an expert in such matters. [33] So the Emperor removed him only with difficulty from the office which he previously held, but at the insistence of Theodora he not long afterwards appointed him Master of the Treasuries, dismissing from this office John, who chanced to have assumed it only a few months earlier. [34] Now this man was a native of Palestine, and a very gentle and good person, who neither was skilled in opening ways to wrongful gain nor ever had maltreated any man in the world. [35] In fact, the whole populace loved him with extraordinary devotion. And just for this reason he did not satisfy Justinian and his spouse at all, for as soon as they unexpectedly discovered among their subordinates any man of high character, losing their heads and being vexed to the utmost, they eagerly sought by any and every means to push him out of the way at the earliest possible moment.

[36] It was in this way, at any rate, that Peter succeeded this John and took charge of the imperial treasuries, and he once more became the chief cause of great calamities for all. [37] For he cut off the greater part of the payment which it had been ordained from of old should be given by the Emperor each year to many in the guise of a "consolation," and he himself, meanwhile, by improper means, grew rich on the public money and kept handing over a portion of it to the Emperor. [38] And those who had been stripped of their money sat about in great sorrow, since he saw fit also to issue the gold coinage, not at its usual

value, but reducing its value materially, a thing which had never been done before.

[39] Such were the dealings of the Emperor in the matter of the magistrates. And I shall next proceed to tell how, in each division of the Empire, he ruined those who owned the lands. [40] Now it was sufficient for our purpose, in mentioning a short time ago the magistrates sent out to all the cities, to note also the sufferings of the common people. For the owners of land were the first whom these magistrates oppressed and plundered; but even so all the remainder of the story shall be told.

First of all, though it had been customary from ancient times that each successive Emperor should make, not once, but many times, a donation to all their subjects of the arrears of their debts to the Treasury, in order, on the one hand, to prevent the destitute and those who had no means of paying these arrears from being strangled regularly, and, on the other hand, to avoid providing the tax-gatherers with pretexts in case they should try to denounce those who, though subject to the tax, owed nothing in arrears, this man, for a period of thirty-two years, has done nothing of the kind for his subjects. [2] And for this reason it was necessary for the destitute to go away and in no case to return again. [3] And the denouncers kept harassing the more respectable farmers by holding over them the threat of an accusation, alleging that they had for a long time been paying their tax at a lower rate than that imposed upon their district. [4] For the poor wretches had to fear not only the new payment of the tax, but also the possibility that they might be weighed down by the burden of taxes for so great a number of years for which they owed nothing. [5] In any case, many men actually handed over their property either to the blackmailers or to the Treasury and went their ways. [6] Furthermore, though the Medes and Saracens had plundered the greater part of the land of Asia, and the Huns and Sclaveni and Antae the whole of Europe, and some of the cities had been levelled to the ground, and others had been stripped of their wealth in very thorough fashion through levied contributions, and though they had enslaved the population with all their property, making each region destitute of inhabitants by their daily inroads, yet he remitted the tax to no man, with the single exception that captured cities had one year's exemption only. [7] And yet if he had seen fit, as did the Emperor Anastasius, to remit to captured cities all their taxes for seven years, I think that even thus he would not have been doing all he should have in view of the fact that, although Cabades had gone his way without doing the least damage to the buildings, yet Chosroes had not only fired every structure and razed it to the ground, but had also inflicted greater sufferings upon his victims. [8] And now to these men to whom he remitted this ridiculously small portion of the tribute, as to all the others likewise — men who had often supported the attacks of the Median army, and though Huns and Saracens had continuously ravaged the lands of the East, and though not less terribly the barbarians in Europe were also wreaking such destruction every day and unceasingly — to these men, I say, this Emperor shewed himself from the first more savage than all the barbarians together. [9] For through "buying on requisition" and what are called "imposts" and "pro-rated assessments," the owners of the land were immediately, once the enemy had withdrawn, reduced to ruin. [10] Now what these terms are and what they mean I shall proceed to explain.

[11] The owners of property are compelled to provision the Roman army in proportion to the tax levied upon each owner, the deliveries being made, not where the season of the year at which the requisition is to be filled permits, but where the officials find it possible and have determined, and in making these requisitions no enquiry is made to see whether the farmers happen to have the required provisions on their land. [12] Thus it comes about that these wretched men are compelled to import provisions for both soldiers and horses, buying them all at very much higher prices than they are to receive, and that, too, in a market which, if it so happens, may be at a great distance from their farms, and then to haul back these provisions to the place where the army chances to be, and they must measure out these supplies to the Quartermasters of the army, not in the way accepted by all the world, but just as the Quartermasters wish. [13] And this is the thing which is called “buying on requisition,” and the result of it has been that all the owners of farms have been bled to death. [14] For by this process they are compelled to pay their annual tax not less than tenfold, seeing that it has often fallen to their lot, not only to furnish supplies directly to the army, as stated, but also, on top of what they have suffered that way, to transport grain to Byzantium; for not alone Barsymes, as he was called, has dared to perpetrate this outrage, but even before him the Cappadocian, and later on those who succeeded Barsymes in the dignity of this office.

[15] Such in a general way was “buying on requisition.” But the term “impost” is used to describe a kind of unforeseen ruination that falls suddenly upon the owners of land and destroys root and branch their hope of a livelihood. [16] For this is a tax on lands that have become abandoned or unproductive, the owners and farmers of which have already had the misfortune either to perish altogether or, abandoning their ancestral estates, to be now living in wretchedness because of the woes imposed upon them by reason of these imposts; and they do not hesitate to impose it upon any who have not yet been ruined altogether.

[17] Such is the meaning of the term “impost,” a term which with good reason gained its widest currency during the period in question. But as for the “pro-rated assessments” — to dispose of the subject in the fewest possible words — the matter is about as follows. [18] That the cities should be subjected to many damaging exactions at all times and particularly during this period was inevitable; as to the motives that led to their imposition and the manner of their application, I forbear to discuss them on this occasion, lest my treatise become interminable. [19] These assessments were paid by the owners of the lands, each paying an assessed sum in proportion to the tax regularly levied upon him. [20] But trouble did not stop here; on the contrary, when the plague came, seizing in its grip the whole civilized world and especially the Roman Empire, and wiping out most of the farmers, and when for this reason the lands, as one might expect, had become deserted, the Emperor shewed no mercy to the owners of these lands. [21] For he never relaxed his exaction of the

annual tax, not merely as he imposed it upon each separate person, but also exacting the share which fell to his deceased neighbours. [22] And in addition they also had to stand all the other exactions which I mentioned a moment ago as always falling upon those who were cursed with the ownership of farms, and over and above all these things, they had to house the soldiers, in the best and most expensive of their rooms and to wait upon them, while they themselves throughout this whole time lived in the meanest and the most dilapidated of their outhouses.

[23] All these evils kept constantly afflicting the people during the reign of Justinian and Theodora, for it so happened that neither war nor any other of the greatest calamities subsided during this time. [24] And since we have made mention of rooms for billeting, we must not pass over the fact that the owners of the houses in Byzantium, having to turn over their dwellings there as lodgings for barbarians to the number of about seventy thousand, not only could derive no benefit from their own property, but were also afflicted by these other disagreeable conditions.

Nor assuredly is his treatment of the soldiers to be consigned to silence; for over them he put in authority the most villainous of all men, bidding them collect from this source as much as they could, and these officers were well aware that the twelfth part of what they should thus procure should fall to them. [2] And he gave them the title of "Logothetes." And these each year devised the following scheme. According to a law the military pay is not given to all alike year after year, but when the men are still young and have only recently joined the army, the rate is lower, while for those who have been in service and are now at about the middle of the muster-roll, it grows larger. [3] But when they have grown old and are on the point of being discharged from the army, the pay is very much more imposing, to the end not only that they may, when in future they are living as private citizens, have sufficient for their own maintenance, but may also, when it is their lot to have completely measured out the term of life, be able to leave from their own property some consolation to the members of their households. [4] Thus time, by continuously promoting the soldiers who are lower down in the scale to the rank of those who have died or been discharged from the army, regulates on the basis of seniority the payments to be made from the Treasury to each man. [5] But the Logothetes, as they are called, would not allow the names of the deceased to be removed from the rolls, even when great numbers died at one time from other causes, and especially, as was the case with the most, in the course of the numerous wars. Furthermore, they would no longer fill out the muster-rolls, and that too for a long period. [6] And the result of this practice has proved unfortunate for all concerned — first, for the State in that the number of soldiers in active service is always deficient; secondly, for the surviving soldiers, in that they are elbowed out by those who have died long before and so find themselves left in a position inferior to what they deserve, and that they receive a pay which is lower than if they had the rank to which they are entitled; and, finally, for the Logothetes, who all this time have had to apportion to Justinian a share of the soldiers' money.

[7] Furthermore, they kept grinding down the soldiers with many other forms of penalties, as though to requite them thus for the dangers incurred in the wars, charging some with being "Greeks," as though it were wholly impossible for any man from Greece to be a decent man, others with being in the service without an order from the Emperor, even though they could shew, on this point, an imperial order, which, however, the Logothetes with no hesitation had the effrontery to denounce; and others still they accused on the ground that for some days they had chanced to be absent from their comrades. [8] Later on also some of the Palace Guards were sent out through the whole Roman Empire, and ostensibly they were in search of any among the armies who were quite unsuitable for active service; and they dared to strip the belts

from some of these as being unfit or too old, and these thereafter had to beg their bread from the pious in the public square of the market-place, so that they became a constant cause for tears and lamentation on the part of all who met them; and from the rest they exacted great sums of money, to the end that they might not suffer the same fate, so that the soldiers, broken in manifold ways, had become the poorest of all men and had not the slightest zest for warfare. [9] It was for just this reason that the Roman power came to be destroyed in Italy. Indeed, when Alexander the Logothete was sent thither, he had the effrontery to lay these charges without compunction upon the soldiers, and he tried to exact money from the Italians, alleging that he was punishing them for their behaviour during the reign of Theoderic and the Goths. [10] And it was not alone the soldiers who were oppressed by destitution and poverty through the conduct of the Logothetes, but also the subordinates who served all the generals, formerly a numerous and highly esteemed group, laboured under the burden of starvation and dire poverty. [11] For they had not the means wherewith to provide themselves with their customary necessities.

[12] And I shall add one further item to those I have mentioned, since the subject of the soldiers leads me thereto. The Roman Emperors in earlier times stationed a very great multitude of soldiers at all points of the Empire's frontier in order to guard the boundaries of the Roman domain, particularly in the eastern portion, thus checking the inroads of the Persians and the Saracens; these troops they used to call *limitanei*. [13] These the Emperor Justinian at first treated so casually and so meanly that their paymasters were four or five years behind in their payments to them, and whenever peace was made between the Romans and the Persians, these wretches were compelled, on the supposition that they too would profit by the blessings of peace, to make a present to the Treasury of the pay which was owing to them for a specified period. And later on, for no good reason, he took away from them the very name of regular troops. [14] Thereafter the frontiers of the Roman Empire remained destitute of guards and the soldiers suddenly found themselves obliged to look to the hands of those accustomed to works of piety.

[15] Another group of soldiers, no fewer than three thousand five hundred in number, had been assigned originally to the guarding of the Palace; these are called *Scholarii*. [16] And the Treasury has been accustomed from earliest times always to pay these higher wages than all others. These men were picked for their excellence by earlier Emperors, being recruited for this honour from among the Armenians. [17] But since the time when Zeno succeeded to the throne, the way has been open for all, both cowards and wholly unwarlike men, to achieve the honour of this title. [18] And as time went on, even slaves, by putting up a bribe, could purchase admission to this service. So when Justinus took over the Empire, this Justinian appointed many to this honourable service, thus securing for himself great amounts of money. [19] But when at length he observed that there was no longer any vacancy in these

ranks, he added to their number two thousand recruits, and these they used to call “supernumeraries.” [20] But when he himself took over the Empire, he shook off these supernumeraries with great speed, giving them no payment whatever.

[21] But for those included in the regular body of the Scholarii he devised the following. When it was to be expected that an army would be sent against Libya or Italy or Persia, he would issue orders to them to pack up as though to take part in the expedition, though he knew well that they were not at all fit for active service, and they, in terror, remitted their pay to him for a specified period in order that this might not be done. And it so happened that this befell the Scholarii many times. [22] And Peter also, during the whole time while he held the office of Magister, as it is called, was constantly harassing them every day with unheard-of thefts. [23] For while he was indeed a mild man and not at all versed in offering insult, at the same time he was the biggest thief in the world and absolutely filled with shameful avarice. This Peter has been mentioned also in the previous books as having carried out the murder of Amalasuntha, daughter of Theoderic.

[24] And there are also others in the Palace held in much higher esteem, for the Treasury is accustomed to allow them a higher wage on the ground that they on their part have paid larger amounts for the name of belonging to the service; these are called Domestici and Protectores, and from ancient times they have been unpractised in deeds of war. [25] For it is only for the sake of rank and for the appearance of the position that they are wont to have themselves enrolled among the Palace corps. And from ancient times some of these have had their residence in Byzantium, some in Galatia and some in other places. [26] But these too Justinian was constantly intimidating in the manner described, thus compelling them to relinquish the pay which belonged to them. And this shall be explained in summary. [27] There was a law that every four years the Emperor should present to each one of the soldiers a specified sum of gold. [28] So every fourth year they used to send messengers throughout every part of the Roman Empire and present five gold staters to each soldier. [29] And there could not be any failure in this matter at any time or by any means. But since the time when this man took over the administration of the State, he has neither done such a thing nor purposed to do it, though a period of thirty-two years has passed already, so that men have even come to forget this practice to some extent.

[30] And I shall pass on to explain still another of his methods of plundering his subjects. Those who mount guard or handle dispatches for the Emperor and the officials in Byzantium, or who perform any other service whatsoever, are assigned at first to the lowest ranks, and as time goes on they advance steadily to fill the places of those who have died or retired, and each of them keeps moving up from the rank he has held until such time as he mounts the topmost step and attains to the highest attainable point of this career. [31] For those who have achieved this high rank a salary has been assigned from of

old, so huge that each year they gather in more than one hundred centenaria of gold, and it has come about that not only they themselves are cared for in old age but that many others also share with them, as a general thing, the assistance derived from this source, and the affairs of the State have in this way advanced to a high point of prosperity. [32] But this Emperor, by depriving them of practically all these revenues, has brought woes upon them and the rest of mankind. For poverty laid hold upon them first and then passed on through the rest who previously had had some share of their benefit. [33] And if anyone should calculate the loss which fell upon them from this source over a period of thirty-two years, he would arrive at the measure of the amount of which it was their misfortune to be deprived.

Thus were the men in service mishandled by this tyrant. And I shall now proceed to tell of his treatment of merchants and sailors and craftsmen and traders in the market-place and, through these, of all the others. [2] There are two straits on the two sides of Byzantium, the one at the Hellespont between Sestus and Abydus and the other at the mouth of the sea called Euxine, where is the place named Hieron. [3] Now on the Strait of the Hellespont there was no public Customs House at all, but a certain magistrate commissioned by the Emperor was stationed at Abydus, watching to see whether any ship bearing arms went towards Byzantium without the Emperor's permission, and also whether anyone was putting out from Byzantium without carrying a permit and seals from the men who have this function (for it is illegal for anyone to put out from Byzantium without being released by the men who serve the office of the official known as the "Magister"), and collecting from the masters of the ships a toll which was felt by no one, but which was, as it were, a sort of payment claimed by the man who held this office as compensation for his labour. [4] But the man dispatched to the other strait had always received his salary from the Emperor, and he watched with great care for the things which I have mentioned and, in addition, to see whether anything was being conveyed to the barbarians who are settled along the Euxine Sea, of a sort which it is not permitted to export from the land of the Romans to their enemies. This man, however, was not permitted to accept anything from those who sailed that way. [5] But since the time when the Emperor Justinian took over the Empire, he has established a public Customs House on each strait, and sending out regularly two salaried officials, although he did provide the salary agreed upon, yet he directed them to use every means in their power to make a return to him from that source of as much money as possible. [6] And they, being concerned only with demonstrating to him their loyalty towards him, finished by plundering from the shippers the entire value of their cargoes.

[7] Such were the measures he took at each of the two straits. And at Byzantium he hit upon the following plan. He gave a commission to one of his intimates, a Syrian by birth named Addaeus, instructing him to secure for him some profit from the ships which put in at that port. [8] And he from that time on would not allow any boat which put in to the harbour of Byzantium to depart from there unmolested, but he either penalized the ship-masters the value of their ships or else compelled them to put back to Libya and Italy. [9] And some of them were unwilling either to take on a return cargo or to continue any longer in the maritime business, but were glad enough to get off by burning their own boats straightway. [10] All those, however, who were obliged to make their living from just this occupation would first collect treble charges from the importing merchants and thereafter continue to take on

cargoes; and as for the merchants, their way out of the difficulty was to make good their own loss at the expense of those who purchased the goods; and thus it came about that the Romans were being starved to death by every device.

[11] Such is the way things were going as regards the administration of affairs. But I think that I should not omit to mention also what was done by the imperial pair with reference to the small coinage. [12] For while the money-changers formerly were accustomed to give to those who bargained with them in exchange for one gold stater two hundred and ten obols, which they call pholleis, these persons, contriving private gain for themselves, had it arranged that only one hundred and eighty obols should be given for the stater. In this way they cut off a seventh part of the value of every gold coin . . . of all men.

[13] But when these sovereigns had brought most of the merchandise under the control of the monopolies, as they are called, and every single day were strangling those who wished to buy anything, and only the shops where clothing is sold were left untouched by them, they devised this scheme for that business also. [14] Garments made of silk had been wont from ancient times to be produced in the cities of Beirut and Tyre in Phoenicia. [15] And the merchants and craftsmen and artisans of these stuffs had lived there from ancient times, and this merchandise was carried thence to the whole world. [16] And when, in the reign of Justinian, those engaged in this trade both in Byzantium and in the other cities were selling this fabric at an excessive price, excusing themselves with the statement that at the time in question they were paying the Persians a higher price than formerly, and that the customs-houses were now more numerous in the land of the Romans, the Emperor gave everyone the impression that he was vexed with this, and he made a general provision by law that one pound of this stuff should not cost more than eight gold pieces. [17] And the penalty appointed for those who should transgress this law was to be deprived of all the money they had. This seemed to the people altogether impossible and out of the question. For it was not possible for the importing merchants, having bought these cargoes at a higher price, to sell them to the dealers for less. [18] Therefore they no longer cared to engage in the importation of this stuff, and they gradually disposed of the remainder of their cargoes by rather furtive methods, selling no doubt to certain of the notables who found a satisfaction in making a shew of such finery through the lavish expenditure of their money — or, in a certain sense, they were obliged to do so. [19] And when the Empress became aware of these transactions through the whisperings of certain persons, though she did not investigate the gossip that was going round, she immediately took the entire cargoes away from the men and, in addition, imposed upon them a fine of a centenarium of gold. . . . But this particular business is under the control, among the Romans at least, of the official in charge of the imperial treasures. [20] Consequently, having appointed Peter surnamed Barsymes to this position not long afterwards, they indulged him in doing execrable things. [21] For while he required all other men strictly

to observe the law, the craftsmen of this trade he required to work for himself alone, and he would sell dyes, no longer furtively but in the public square of the market-place, at the rate of no less than six gold pieces the ounce for the ordinary quality, but more than twenty-four pieces for the imperial dye which they are wont to call holoverum. [22] And while he produced large sums from that source for the Emperor, he himself gained still more without being observed, and this practice, which began with him, has always continued. [23] For he alone, up to the present time, is established, with no attempt at concealment, as both importer and retailer of this merchandise. [24] Consequently the importers who in former times had engaged in this trade both at Byzantium and in the other cities, on sea and on land, now had to endure, as was to be expected, the hardships arising from this procedure. [25] And in the other cities practically the whole population found itself suddenly reduced to beggary. For the mechanics and the hand-workers were naturally compelled to struggle with hunger, and many in consequence changed their citizenship and went off as fugitives to the land of Persia. [26] But always the Master of the Treasures stood alone as sole manager of this business, and while he did consent to deliver to the Emperor a portion of its profits, as has been said, he carried off the greater portion for himself and was enriching himself through public calamities. So much then for this.

We shall now tell how he succeeded in destroying the marks of distinction and all the things which confer honour and beauty both in Byzantium and in every other city. [2] First he decided to abolish the rank of rhetor; for he straightway deprived the rhetors of all their competitive prizes in which they had formerly been wont to revel and take great pride when they had discharged their function as advocates, and he ordered those at variance with one another to litigate directly under oath; and being thus scorned, the rhetors fell into great despondency. [3] And after, as has been said, he had taken away all the properties of the Senators and of the others who were considered prosperous, both in Byzantium and throughout the whole Roman Empire, there was nothing left for this profession thereafter other than to remain idle. [4] For men possessed nothing of any value whatsoever, concerning which they might dispute with one another. Immediately, thereafter, having become few in number instead of many and being everywhere held in no esteem at all though they had formerly been most highly esteemed, they were oppressed by extreme poverty, as was to be expected, and in the end gained nothing from their profession except insults alone.

[5] Nay more, he also caused physicians and teachers of free-born children to be in want of the necessities of life. For the allowances of free maintenance which the former Emperors had decreed should be given to men of these professions from the public funds he cancelled entirely. [6] Furthermore, all the revenues which the inhabitants of all the cities had been raising locally for their own civic needs and for their public spectacles he transferred and dared to mingle them with the national income. [7] And thereafter neither physicians nor teachers were held in any esteem, nor was anyone able any longer to make provision for public buildings, nor were the public lamps kept burning in the cities, nor was there any other consolation for their inhabitants. [8] For the theatres and hippodromes and circuses were all closed for the most part — the places in which, as it happened, his wife had been born and reared and educated. And later he ordered these spectacles to close down altogether, [9] even in Byzantium, so that the Treasury might not have to supply the usual sums to the numerous and almost countless persons who derived their living from them. [10] And there was both in private and in public sorrow and dejection, as though still another affliction from Heaven had smitten them, and there was no laughter in life for anyone. [11] And no other topics whatever arose in the conversation of the people, whether they were at home or in the market-place or were tarrying in the sacred places, than disasters and calamities and misfortunes of novel kind in surpassing degree.

[12] Such was the situation in the cities. And that which remains to be told is worth recounting. Two Consuls of the Romans were chosen each year, the one in Rome and the other in Byzantium. [13] And whoever was called to this

honour was sure to be required to spend more than twenty centenaria of gold on the State, a small portion of this being his own money but the most of it supplied by the Emperor. [14] This money was distributed to those whom I have mentioned and to those, as a general thing, who were altogether destitute of means of subsistence, and particularly to performers on the stage, and thus provided constant support for all civic undertakings. [15] But since the time when Justinian took over the Empire, these things were no longer done at the appropriate seasons; but although at first a Consul was appointed for Romans after a long interval, yet finally the people never saw that official even in a dream, and consequently mankind was being most cruelly pinched by a kind of poverty, since the Emperor no longer provided his subjects with what they had been wont to receive, but kept on depriving them in every way and everywhere of what they still possessed.

[16] Now how this despoiler has been swallowing up all the public monies and how he has been fleecing the members of the Senate of their property, both individually and all of them in common, has, I think, been sufficiently described. [17] And how he has circumvented by blackmailing methods the others likewise who are reputed to be prosperous, and has succeeded in robbing them of their money, this I consider to have been told by me quite adequately; aye, and the soldiers and those who serve all the magistrates and those who serve in the Palace as guards, and the farmers and the owners and masters of lands, and those whose profession is oratory, — nay more, the shipping-merchants and the owners of ships and the sailors, and the mechanics and day-labourers and the tradesmen of the market-place and those who derive their living from performances on the stage, and, furthermore, all the other classes, I may say, which are reached by the damage which issues from this man.

[18] And we shall proceed forthwith to tell how he treated the beggars and the common folk and the poor and those afflicted with every form of physical handicap; for his treatment of the priests will be described in my subsequent books. [19] First of all, having taken control, as has been said, of all the shops and having established what are called the monopolies of all the most indispensable goods, he proceeded to exact from the whole population more than threefold the usual prices. [20] Now as to his other doings, inasmuch as they have seemed to me past counting, I, for my part, could not aspire to catalogue them even in an endless narrative; but I will say that from the purchasers of bread he stole most cruelly at all times, men who, being manual labourers and impoverished and afflicted with every physical handicap, could not possibly avoid buying bread. [21] For in order to realize from this source as much as three centenaria each year, he required that the loaves should be both more expensive and full of ash; for this Emperor did not hesitate to resort to even so impious an act of shameful covetousness as this. [22] And those who were charged with this office, using this pretext as an excuse for contriving some private gains, did indeed find it easy to attain great wealth of a sort, but

in so doing they were constantly, strange as it seemed, creating for the poor a man-made famine in times of abundance; for it was absolutely forbidden that any man should import even corn^o from elsewhere, but it was required of all that they should buy and eat these loaves.

[23] And though they saw that the city's aqueduct had been broken and was delivering only a small fraction of the water into the city, they took no notice of the matter and would not consent to spend any money on it whatever, in spite of the fact that a great throng of the people, bursting with indignation, was always gathered at the fountains, and that all the baths had been closed. And yet he squandered a great mass of money for no good reason on buildings over the sea and other senseless structures, building new ones in all parts of the suburbs, as if the palaces in which all the earlier Emperors had been content to live throughout their lives could not contain his household. [24] Thus it was not from motives of economy, but in order to effect the destruction of human beings, that they saw fit to neglect the building of the aqueduct, for no man in the whole world since the beginning of time has been more ready than this Justinian both to acquire money basely and then immediately more foolishly to squander it. [25] Of the two resources, then, namely food and drink, which had been left to those in extreme destitution, both were used by this Emperor to their injury, as I have stated, since he made the one, namely water, impossible to get, and the other, bread, far more expensive to buy.

[26] And he treated thus not only the beggar class of Byzantium, but also, in some instances, those who lived elsewhere, as will immediately be told by me. [27] For when Theoderic captured Italy, he left where they were those who were serving as soldiers in the Palace at Rome, in order that at least a trace of the ancient polity might be preserved there, leaving each man a small daily wage; and these soldiers were very numerous. [28] For the *Silentiarii*, as they are called, and the *Domestici* and the *Scholarii* were among them, though in their case nothing military remained except the name of the army, and this pay which barely sufficed to maintain them; and Theoderic commanded that this custom be transmitted to their offspring and descendants. [29] And to the beggars who had their station beside the Church of Peter the Apostle, he ordered that the Treasury should for ever supply each year three thousand measures of corn. These pensions all these beggars continued to receive until Alexander, called "Snips," arrived in Italy. [30] For this man decided immediately, without any hesitation, to abolish them all. Upon learning this, Justinian, Emperor of the Romans, put the stamp of his approval upon this course of action and held Alexander in still higher honour than formerly. During this journey Alexander did the following disservice to the Greeks also.

[31] The outpost at Thermopylae had from early times been under the care of the farmers of that region, and they used to take turns in guarding the wall there, whenever it was expected that some barbarians or other would make a descent upon the Peloponnesus. [32] But when Alexander visited the place on the occasion in question, he, pretending that he was acting in the interests of

the Peloponnesians, refused to entrust the outpost there to the farmers. [33] So he stationed troops there to the number of two thousand and ordained that their pay should not be provided from the imperial Treasury, but instead he transferred to the Treasury the entire civic funds and the funds for the spectacles of all the cities of Greece, on the pretext that these soldiers were to be maintained therefrom, and consequently in all Greece, and not least in Athens itself, no public building was restored nor could any other needful thing be done. [34] Justinian, however, without any hesitation confirmed these measures of “Snips.”

[35] So then these matters were moving on in the manner described. But we must now proceed to the subject of the poor in Alexandria. There had been a certain Hephaestus among the rhetors there, who took over the government of Alexandria, and while he did put an end to the factional strife of the populace, shewing himself an object of terror to the factious, he had brought upon all the inhabitants of the city the utter extreme of extreme misfortune. [36] For straightway bringing all the shops of the city into what is called the monopoly, he would permit none of the merchants to engage in this business, but having, alone of them all, become himself a retailer, he would sell every kind of merchandise, obviously gauging their price by the arbitrary power of his office, and the city of Alexandria was like to burst with anger because of the scarcity of the necessities of life — a city where, in former times, all things had been exceedingly cheap even for those in extreme poverty; and he pinched them particularly in the matter of the bread. [37] For he did all the buying of grain from the Egyptians himself, permitting no one else to purchase so much as a single peck, and thus he determined the size of the loaves and the price of bread just as he wished. [38] Thus in a short time he acquired for himself fabulous wealth and fulfilled the Emperor’s desire in this matter. [39] And while the populace of Alexandria, through fear of Hephaestus, endured their plight in silence, the Emperor, out of respect for the money that kept coming in to him constantly, loved the man exceedingly.

[40] And this Hephaestus, in order that he might be able still more to captivate the Emperor’s mind, contrived this further scheme. [41] Diocletian, a former Emperor of the Romans, had decreed that a huge amount of grain be given by the Treasury every year to the needy among the Alexandrians. [42] And the populace, having distributed this grain among themselves in the first instance, have transmitted this custom to their descendants even down to the present day. [43] But Hephaestus, from the time in question, wrested from those destitute of the necessities of life as much as two million measures annually and placed it in the warehouses of the State, writing to the Emperor that these people had until now been receiving the grain wrongfully, and not to the advantage of the public interest. [44] And consequently the Emperor confirmed the action and held him in still greater favour, and those of the Alexandrians who had this one hope of a livelihood suffered most cruelly as a result of this inhumanity.

XXVII

Now the deeds done by Justinian were so many in number that all eternity would not be able to suffice for the account of them. [2] But it will suffice for me to collect and mention some few examples from the whole number by which his whole character will be clearly revealed to men of future generations also: that he was a dissembler and cared not either for God or for priests or for laws, nor for the populace, though in seeming it was favoured by him, nor, further, for any decency whatsoever nor for the advantage of the State or for any benefit that might accrue to it, or that his actions might be able to find some excuse, nor did any consideration weigh with him other than simply and solely the snatching of all the money there was in the world. And I shall begin with this last.

[3] The Emperor designated a chief priest over the Alexandrians, Paulus by name. And it chanced that a certain Rhodon, a Phoenician by birth, at that time held sway in Alexandria. [4] This man he instructed to support Paulus with all zeal in everything, so that not one of his orders might remain unfulfilled. [5] For in this way he thought he should be able to win the adherence of the heretics among the Alexandrians to the Council of Chalcedon. [6] There was a certain Arsenius, a native of Palestine, who had been serviceable to the Empress Theodora in a very important matter, and from this circumstance he had acquired great power and a vast amount of money and had achieved the dignity of the Senate, although he was an utter scoundrel. [7] This man was, in fact, a Samaritan, but in order not to lose the power he held, he had seen fit to adopt the name of a Christian. [8] His father and brother, however, relying upon this man's power, had continued on in Scythopolis, preserving their ancestral faith, and, under instructions from him, they were working outrageous wrongs upon all the Christians. [9] Consequently the citizens rose against them and killed them both with a most cruel death, and many evils came to pass for the people of Palestine from that cause. [10] And at that time neither Justinian nor the Empress did Arsenius any harm, though he had been the chief cause of all the difficulties, but they did forbid him to come to the Palace any longer; for they were being harassed most persistently by the Christians on account of this matter. [11] This Arsenius, thinking to gratify the Emperor, not long afterwards set out in company with Paulus for Alexandria, in order to assist him in other matters and in particular to help him with all his might to bring about obedience on the part of the Alexandrians. [12] For he declared that at the time when he had the ill-fortune to be excluded from the Palace, he had not neglected the study of all the doctrines of the Christians. [13] But this annoyed Theodora; for she pretended to go against the Emperor in this, as I have stated previously. [14] So when Paulus and Arsenius had arrived at Alexandria, Paulus delivered to Rhodon a certain deacon named Psoes to be put to death, claiming that he

alone was the obstacle which prevented him from executing the Emperor's decisions. [15] And Rhodon, acting under the guidance of the Emperor's messages, which were both frequent and exceedingly urgent, decided to torture the man. And he died at once when racked by the torture. [16] Now when word of this came to the Emperor, he immediately, at the very vehement insistence of the Empress, set everything in motion against Paulus and Rhodon and Arsenius, as if he had forgotten utterly the instructions which he had given to these very men. [17] So he appointed Liberius, one of the Patricians of Rome, as Governor of Alexandria and he sent some of the notable priests to that city to make a review of the situation, among them being the Archdeacon of Rome, Pelagius, assuming the rôle of the Chief Priest Vigilius, as he had been ordered to do by Vigilius. [18] And when the murder had been proved, they immediately removed Paulus from his priesthood; and when Rhodon fled to Byzantium, the Emperor cut off his head and confiscated all his property to the Treasury, although the man displayed thirteen letters which the Emperor had written to him urging and earnestly insisting and commanding that he support Paulus in all things and not oppose him in anything whatsoever, to the end that he might be able to execute the Emperor's decisions touching the faith. [19] And Liberius, by the will of Theodora, impaled Arsenius, and the Emperor saw fit to confiscate his property, although he had no charge to bring against him other than that he consorted with Paulus.

[20] Now as to whether these things were rightly done by him or otherwise I cannot say, but the reason why I have recounted these things I shall declare immediately. [21] Paulus some time later came to Byzantium and offered the Emperor seven centenaria of gold, demanding that he receive back the priesthood, on the ground that it had been illegally wrested from him. [22] And Justinian accepted the money courteously and kept the man in honour, and he agreed to make him Chief Priest of Alexandria immediately, though another held that honour, just as if he did not know that he himself had both slain and robbed of their property men who had lived with him and had dared to serve him. [23] So the Augustus was taking up the matter with great vehemence and enthusiasm, and Paulus was definitely expected to resume the priesthood in any case. [24] But Vigilius, who was now present, absolutely refused to yield to the Emperor if he should issue such a command. For he said that he could not possibly cancel his own vote — meaning the opinion rendered by Pelagius. [25] Thus this Emperor had no concern for anything except to be for ever depriving others of money. And another incident shall be told, as follows.

[26] There was a certain Faustinus, born in Palestine, a Samaritan by descent, but under the constraint of the law he had espoused the name of Christian. [27] This Faustinus had risen to the senatorial rank and was ruler of the land; but a little later he was removed from this office and came to Byzantium, where some of the priests began to slander him, alleging that he was observing the rites of the Samaritans and basely mistreating the

Christians living in Palestine. [28] And Justinian appeared to be furious and deeply resentful on this account, that while he was ruling over the Romans the name of Christ should be insulted by anyone. [29] So when the Senate made an investigation of the matter, they penalized Faustinus with banishment because of the Emperor's importunity. [30] But the Emperor received from him all the money he wanted and immediately recalled the decision which had been made. [31] So Faustinus, once more in possession of his former dignity, consorted with the Emperor, and when he was appointed Overseer of the Imperial Domains in Palestine and Phoenicia, he felt more free to put through all the measures that were in accord with his own wishes. [32] As to the methods, then, by which Justinian saw fit to defend the claims of the Christians, although it is not much that we have related, yet it is possible to form a conclusion from it, brief though it be. [33] And how without any hesitation he shattered the laws when money was in sight shall be disclosed very briefly.

XXVIII

There was a certain Priscus in the city of Emesa who had a great natural ability in imitating the handwriting of others, and he was a very clever artist at this evil business. [2] Now it happened that the Church of Emesa had a good many years before become the heir of one of the notables. [3] The man in question was of patrician rank, one Mammianus by name, a man of distinguished family and great wealth, [4] and during the reign of Justinian Priscus investigated all the families of the above-named city, and if he found any persons who both abounded in wealth and were capable of sustaining great losses of money, he would carefully trace out their ancestors, and when he chanced upon old letters of theirs, he made many documents purporting to have been written by them, in which they promised to pay to Mammianus large sums of money on the ground that they had received this as a deposit from him. [5] And the total amount acknowledged in these forged documents amounted to no less than a hundred centenaria. [6] And selecting the writing of a certain man who had been wont to have a seat in the market-place at the period when Mammianus was alive, a man who had a great reputation for truth and for virtue in general, and who used to execute all the documents of the citizens, sealing each personally with his own writing (such a person the Romans call *tabellio*), Priscus, after making a marvellous imitation of this man's writing, delivered the documents to those who administered the affairs of the Church of Emesa, they having promised that a share of the money to be derived from that source should fall to him. [7] But since the law stood in the way, which provided that all ordinary cases should be subject to a thirty-year limitation, yet some few cases, including cases involving mortgages, should be extended to include a period of forty years, they hit upon the following expedient. [8] Coming to Byzantium and paying out great sums of money to this Emperor, they besought him to co-operate with them in accomplishing the destruction of the citizens who had been found guilty of nothing. [9] And he, after he had got the money, without the least hesitation published a law that Churches should be debarred from prosecuting their claims, not after the regular period of time, but after the lapse of full one hundred years, and providing that this should be valid, not in Emesa alone, but throughout the whole Roman Empire. [10] And to arbitrate this question for the people of Emesa he designated a certain Longinus, an energetic man and very powerful in body, who later also held the office of Mayor of Byzantium. [11] And those who managed the affairs of the Church lodged, to begin with, a case for two centenaria, based on the documents mentioned, against one of the citizens, and they immediately secured the man's conviction, since he was utterly unable, both because of such a lapse of time and because of his ignorance of what had been done at the time in question, to make any defence whatever. [12] And all men were filled with great sorrow, and above all the most notable

among the men of Emesa, as being all equally exposed to the denouncers. [13] And since the evil was by now spreading out over the majority of the citizens, it so happened that a providence of God, one may say, occurred as follows. [14] Longinus commanded Priscus, the author of this mischief, to bring together before him all the documents, and when he declined to do so, he struck him with great violence. [15] And he, unable to support the blow of a very strong man, fell on his back, and by this time trembling and in a state of panic he suspected that Longinus knew entirely what he had done and so confessed the truth; thus the entire deviltry was brought to light and the denouncing ceased.

[16] Yet these constant and daily tamperings with the laws of the Romans were not the only harm he did, but the Emperor also took pains to abolish the laws which the Hebrews honour. [17] If it ever happened, for instance, that the year in its recurring rounds brought on the Feast of the Passover before the festival of the Christians, he would not allow the Jews to celebrate this at the proper time nor to make any offering to God at that feast nor to perform any of the rites customary among them. [18] And many of them used to be brought to trial as having tasted the flesh of lambs at this time by those who were in positions of authority, and these punished them by heavy fines, arraigning them for violation of the laws of the State. [19] And though I know well of countless other such actions on the part of Justinian, I shall not add anything, for an end must be set to my discourse. For the man's character will be disclosed with sufficient clearness by what has been said.

That he was insincere and a dissembler I shall straightway make clear. The Liberius whom I have just mentioned he dismissed from the office he held and appointed in his place John surnamed Laxarion, an Egyptian by birth. [2] And when Pelagius, who was a very close friend of Liberius, learned of this, he enquired of the Emperor whether the report about Laxarion was true. [3] And he straightway denied the report, insisting that he had not done any such thing, and he put in his hands a letter to Liberius, instructing him to hold on to this office most firmly and by no means to relinquish it. [4] For it was not his will, he said, to remove him from the office at the present time. And John had an uncle in Byzantium named Eudaemon, who, having risen to senatorial rank and having acquired great wealth, was for a time administrator of the Emperor's personal estate. [5] This Eudaemon, upon hearing the statements we have mentioned, also enquired of the Emperor whether his nephew's office was secure. [6] Whereupon the Emperor denied what he had written to Liberius and wrote a letter to John instructing him to lay claim to the office with all his might; [7] for, he said, he on his part had not planned any change regarding it. And John, having been convinced by these statements, commanded Liberius to retire from his official quarters as having been dismissed from his office. [8] But Liberius refused absolutely to obey him, he also obviously having been led to do so by the Emperor's letters. [9] So John armed his followers and proceeded to attack Liberius, while the latter, together with his supporters, prepared for resistance. And a fight took place in which many were killed, including John himself, the holder of the office. [10] Liberius was therefore immediately summoned to Byzantium, Eudaemon urging this step vigorously, and the Senate, making a determination of the facts in the case, acquitted the man on the ground that the outrage had occurred while he was not an aggressor, but was acting in self-defence. [11] But the Emperor did not drop the matter until he had punished him by a fine of money, imposed secretly.

[12] It was in this wise, in sooth, that Justinian knew how to tell the truth and practised straightforwardness of speech! But it is not, I think, inopportune to add a matter that is incidental to this narrative. For this Eudaemon died not long afterwards, having neither disposed of his estate by will nor made any statement whatever, although he had many relatives surviving. [13] And at about the same time a certain man, Euphratas by name, who had been overseer of the Palace eunuchs, departed this life, leaving a nephew but without having made any disposition of his estate, which was very great. [14] And the Emperor seized both these estates, of his own arbitrary act making himself the heir and giving not a farthing to any of the lawful heirs. [15] Such respect for the law and for the kinsmen of his intimates was shewn by this Emperor! [16] In the same way he had seized the property of Eirenaeus who had died a long time before, although he had not a shadow of a claim to it.

[17] And the incident directly connected with those just mentioned, which occurred at about the same time, I could not pass by in silence. There was a certain Anatolius who held chief place in the senatorial roster of Ascalon. This man's daughter had been duly married by one of the Caesareans, Mamilianus by name, a man of a very notable house. [18] And the girl was an heiress, since she was the only child of Anatolius. [19] Now it had been prescribed by ancient law that whenever a Senator of any one of the cities should depart this life without leaving male children, the fourth part of the property left by this man should be given to the Council of the city, while the natural heirs of the deceased should enjoy the rest; but the Emperor here too gave evidence of his own true character, for he happened to have promulgated a law recently, which arranged matters in just the opposite way, providing, namely, that when a Senator died without male issue, his natural heirs should receive the fourth part of his estate but that all the rest should be taken over by the Treasury and entered in the roster of the city's Senate. [20] And yet never since the creation of man has either Treasurer or Emperor been empowered to share in senatorial property. [21] So while this law was in force, the final day of life came upon Anatolius, and his daughter divided the estate with the Treasury and the Council of the city in accordance with the law, and both the Emperor himself and the magistrates in charge of the roster of Ascalon wrote letters to her releasing her from the counter-claim in this matter, since they had received their due correctly and justly. [22] Later on Mamilianus also departed this life, the man who had been son-in-law to Anatolius, and he left a single daughter, who alone acquired her father's estate, as was to be expected. [23] But later on she too, while her mother still survived, reached the term of her life, having been married to one of the notables but having become mother of neither female nor male child. [24] But Justinian seized upon all the property forthwith, letting fall the amazing statement that for the daughter of Anatolius, now an old woman, to be enriched by her husband's and her father's money was an impious thing! [25] But in order that the woman might not henceforth be assigned to the ranks of the beggars, he ordered that this woman should receive a gold stater each day, as long as she lived, inserting in the document by means of which he had plundered all this money the statement that he relinquished the stater for the sake of piety: "For it is my custom," he said, "to do whatever is pious and righteous."

[26] But concerning these matters it suffices to give these facts, that my account may not lead to surfeit, since it is not possible for any human being to mention them all. [27] But that he has taken no account even of any adherent of the Blues, who were supposed to be his favourites, when money was at stake, I shall now make clear. [28] There was a certain Malthanes in Cilicia, son-in-law of that Leon who held, as mentioned above, the office of Referendarius as it is called. [29] This man he directed to put a stop to the acts of violence in Cilicia. And laying hold of this pretext, Malthanes committed outrageous wrongs upon the majority of the Cilicians, and as he plundered their money,

he sent some to the tyrant, while he saw fit to enrich himself with the remainder. [30] Now all the rest endured their misfortunes in silence, but such of the men of Tarsus as were Blues, being bold in the licence which the Emperor's favour gave them, heaped many insults upon Malthanes in the public market-place when he was not present among them. [31] And when Malthanes learned this, he straightway came to Tarsus by night, bringing a large force of soldiers, and sending them around to the houses at early dawn, he ordered them to take lodgings therein. [32] And the Blues, thinking this to be a raid, defended themselves as well as they could. And many other mishaps took place in the darkness, but the worst was that Damianus, a member of the Senate, fell by a shot from a bow. [33] Now this Damianus was the patron of the Blues there. And when news of this came to Byzantium, the Blues were angry and raised a great tumult throughout the city, and they plagued the Emperor about the matter exceedingly, and they vilified Leon and Malthanes roundly together with most terrible threats. [34] And the Emperor pretended to be no less angry than they at what had happened. So he straightway wrote a letter ordering an investigation and punishment of the public acts of Malthanes. [35] But Leon, by handing over to him a vast quantity of gold, caused him to give up at once both his anger and his fondness for the Blues, and though the matter had remained uninvestigated, when Malthanes came into the Emperor's presence in Byzantium, the latter received him with great friendliness and held him in honour. [36] But when he went out from the Emperor's presence, the Blues, who had been watching for him, rained blows upon him in the Palace, and they would have destroyed him had not some of them prevented it, these being the men who chanced to have already received money in secret from Leon. [37] And yet who would not call that State most pitiable in which an Emperor, having accepted a bribe, left the briber's crimes uninvestigated, and factionists, on the other hand, while the Emperor was there in the Palace, dared without any compunction to set upon one of the magistrates and to commit an unjust attack upon him? [38] As for punishment, however, none was inflicted on account of these misdeeds, either upon Malthanes or upon his assailants. From these things, if anyone should wish, let him estimate the character of the Emperor Justinian.

And as to the question whether Justinian had any consideration for the welfare of the State, the things he did to the public post and to the spies will be illuminating. [2] For the Roman Emperors of earlier times, by way of making provision that everything should be reported to them speedily and be subject to no delay, — such as the damage inflicted by the enemy upon each several country, whatever befell the cities in the course of civil conflict or of some unforeseen calamity, the acts of the magistrates and of all others in every part of the Roman Empire — and also, to the end that those who conveyed the annual taxes might reach the capital safely and without either delay or risk, had created a swift public post extending everywhere, in the following manner. [3] Within the distance included in each day's journey for an unencumbered traveller they established stations, sometimes eight, sometimes less, but as a general thing not less than five. [4] And horses to the number of forty stood ready at each station. And grooms in proportion to the number of horses were detailed to all stations. [5] And always travelling with frequent changes of the horses, which were of the most approved breeds, those to whom this duty was assigned covered, on occasion, a ten-days' journey in a single day, and accomplished all those things which have just been mentioned; and furthermore, the owners of the land everywhere, and particularly if their lands happened to lie in the interior, were exceedingly prosperous because of this system. [6] For every year they sold the surplus of their crops to the Government for the maintenance of horses and grooms, and thus earned much money. [7] And the result of all this was that while the treasury regularly received the taxes assessed upon each man, yet those who paid the taxes received their money but also again immediately, and there was the further advantage that the State business has been accomplished.

[8] Now in earlier times this was the situation. But this Emperor first of all abolished the post from Chalcedon as far as Daciviza and compelled all the couriers, much against their will, to proceed from Byzantium directly to Helenopolis by sea. [9] When they make the passage, then, in small boats of the kind the folk are accustomed to use in crossing the strait, in case a storm happens to descend upon them, they come into great danger. For since the haste which is obligatory keeps urging them on, it is impossible for them to watch for the right weather and wait for the next calm. [10] And, in the second place, while on the route leading into Persia he did allow the previous arrangement to stand, yet for all the rest of the East as far as Egypt he allowed one station only for each day's journey, using not horses, however, but mules and only a few of them. [11] It is no wonder, consequently, that the things which take place in each country, being reported both with difficulty and too late to give opportunity for action and behind the course of events, cannot be dealt with at all, and the owners of the lands, with crops rotting on their hands

and going to waste, continually lose all their profits.

[12] And the matter of the spies is as follows. Many men from ancient times were maintained by the State, men who would go into the enemy's country and get into the Palace of the Persians, either on the pretext of selling something of by some other device, and after making a thorough investigation of everything, they would return to the land of the Romans, where they were able to report all the secrets of the enemy to the magistrates. [13] And they, furnished with this advance information, would be on their guard and nothing unforeseen would befall them. And this practice had existed among the Medes also from ancient times. Indeed Chosroes, as they say, increased the salaries of his spies and profited by this forethought. [14] For nothing that was happening among the Romans escaped him. Justinian, on the other hand, by refusing to spend anything at all on them blotted out from the land of the Romans even the very name of spies, and in consequence of this action many mistakes were made and Lazica was captured by the enemy, the Romans having utterly failed to discover where in the world the Persian king and his army were. [15] Nay more, the State had also been wont from ancient times to maintain a great number of camels, which followed the Roman army as it moved against an enemy and carried all the provisions. [16] And in those days neither were the farmers obliged to provide transportation nor did the soldiers find themselves in want of any of the necessities; but Justinian abolished these too, practically all of them. So now-a-days, when a Roman army proceeds against the enemy, none of the needful measures can possibly be taken.

[17] Now the most important affairs of the State were going on badly in this fashion. And there is no harm in mentioning also one of Justinian's absurdities. [18] There was among the orators of Caesarea a certain Evangelus, a man of no little distinction, who, since the breeze of fortune had blown favourably for him, had become owner of other property and especially of much land. [19] And later on he even purchased a village on the seashore, Porphyreon by name, paying three centenaria of gold. Learning of this, the Emperor Justinian immediately took the place away from him, giving him some small portion of its value, with the remark that it would never comport with the dignity of Evangelus, an orator, to be the owner of such a town. [20] But I shall say nothing more about these matters, now that I have, after a fashion, made mention of them.

[21] And among the innovations of Justinian and Theodora in the administration of the Government there is also the following. In ancient times the Senate, as it came into the Emperor's presence, was accustomed to do obeisance in the following manner. Any man of patrician rank saluted him on the right breast. [22] And the Emperor would kiss him on the head and then dismiss him; but all the rest first bent the right knee to the Emperor and then withdrew. [23] The Empress, however, it was not at all customary to salute. But in the case of Justinian and Theodora, all the other members of the Senate and those as well who held the rank of Patricians, whenever they entered into their

presence, would prostrate themselves to the floor, flat on their faces, and holding their hands and feet stretched far out they would touch with their lips one foot of each before rising. [24] For even Theodora was not disposed to forego this testimony to her dignity, she who acted as though the Roman Empire lay at her feet, but was by no means averse to receiving even the ambassadors of the Persians and of the other barbarians and to bestowing upon them presents of money, a thing which had never happened since the beginning of time. [25] And while in earlier times those who attended upon the Emperor used simply to call him "Emperor" and his consort "Empress," and used to address each one of the other magistrates in accordance with his standing at the moment, [26] yet if anyone should enter into conversation with either one of these two and should use the words "Emperor" or "Empress" and fail to call them "Master" or "Mistress," or should undertake to use any other word but "slaves" in referring to any of the magistrates, such a person would be accounted both stupid and too free of tongue, and, as though he had erred most grievously and had treated with gross indignity those whom he should by no means have so treated, would leave the imperial presence.

[27] And whereas in former times very few persons entered the Palace, and that too with difficulty, yet since the time when these succeeded to the throne, both magistrates and all others together remained constantly in the Palace. [28] And the reason was that in the old days the magistrates were permitted to do what was just and lawful according to their own judgment. [29] Hence the magistrates, being occupied with their own administrative business, used to remain in their own lodgings, and the subjects of the Emperor, since they neither saw nor heard of any act of violence, bothered him, as was to be expected, very little. [30] But these rulers, always drawing all matters into their own hands to the ruin of their subjects, compelled everybody to dance attendance upon them in most servile fashion; and it was possible to see, practically every day, all the law-courts, on the one hand, for the most part empty, but at the Emperor's Court, on the contrary, one would find crowds and insolence and mighty pushing and all the time nothing but servility. [31] And those who were supposed to be intimate with the royal pair, standing there continuously the entire day and regularly during the greater portion of the night, being without sleep and without food at the usual hours, were done to death, and this was all that their seeming good fortune amounted to. [32] And when at length they were set free from all this, the poor fellows would quarrel with each other over the question of what had become of the money of the Romans. [33] For whereas some maintained that it was all in the possession of the barbarians, others said that the Emperor kept it shut up in a large number of special rooms. [34] So when Justinian either, if he is a man, departs this life, or, as being the Lord of the evil spirits, lays his life aside, all who have the fortune to have survived to that time will know the truth.

Appendix I. The Factions of the Hippodrome in Constantinople

The following account of the strange nature and the pernicious activity of the Green and the Blue Factions, derived, it would appear, from the four parties of the Roman Circus, is taken from Bury's edition of Gibbon, *Decline and Fall of the Roman Empire*, IV.^[220] ff.

“Constantinople adopted the follies, though not the virtues, of ancient Rome; and the same factions which had agitated the circus, raged with redoubled fury in the hippodrome. Under the reign of Anastasius, this popular frenzy was inflamed by religious zeal; and the Greens, who had treacherously concealed stones and daggers under baskets of fruit, massacred, at a solemn festival, three thousand of their Blue adversaries. From the capital this pestilence was diffused into the provinces and cities of the East, and the sportive distinction of the two colours produced two strong and irreconcilable factions which shook the foundations of a feeble government. The popular dissensions, founded on the most serious interest, or holy pretence, have scarcely equalled the obstinacy of this wanton discord, which invaded the peace of families, divided friends and brothers, and tempted the female sex, though seldom seen in the circus, to espouse the inclinations of their lovers or to contradict the wishes of their husbands. Every law, either human or divine, was trampled under foot, and as long as the party was successful, its deluded followers appeared careless of private distress or public calamity. The licence, without the freedom of democracy, was revived at Antioch and Constantinople, and the support of a faction became necessary to every candidate for civil or ecclesiastical honours. A secret attachment to the family or sect of Anastasius was imputed to the Greens; the Blues were zealously devoted to the cause of orthodoxy and Justinian, and their grateful patron protected, above five years, the disorders of a faction whose seasonable tumults overawed the Palace, the Senate, and the capitals of the East.”

Appendix II. The Christian Heresies

It was the intention of Procopius to write a book on the subject of the doctrines of Christianity and the long and often bitter debates in the course of which these were formulated, as definitely stated in Chap. xi. of the *Secret History* — a promise which he repeated in the eighth book of the *Histories*, xxv.13. It is most unfortunate that he was prevented from fulfilling this promise, for his point of view was that of a liberal who was puzzled by the earnestness with which his contemporaries entered into the discussion of these matters (*cf.* Chap. xi. and Book V.iii.6). For the whole Roman world was deeply agitated by the discussions of the churchmen, and all, even the man in the street, and often the women, held decided opinions and beliefs which they were more than ready to defend. Even the Emperor himself, as well as the Empress, felt called upon to support the cause of orthodoxy, and they were constantly concerned either to persuade or to force all dissenters into conformity (Chap. xiii.).

The numerous and varied heresies which had developed already are themselves sufficient evidence of the important place which Christianity held in the consciousness of the people. The Arian heresy had been definitely condemned by the Council of Nicaea (A.D. 325), but it was not extinguished by an edict, and it persisted long after the time of Justinian. Other less important heresies mentioned by Procopius were those of the Eunomians, the Sabbatiani and the Montani. Other groups at variance with the state religion were the Manichaeans, devotees of an independent religion, though often regarded as a perversion of Christianity, the Samaritans, whose creed was older than that of Christianity, and the Polytheists, who seem to have included, for Procopius, the adherents of the ancient religions of Greece and of Rome.

As to doctrine, the Arians maintained that the three Persons of the Trinity are not of the same substance: that the Son is indeed like the Father, but not identical in essence. Their central tenet was expressed in the Greek word *homoiousion* as contrasted with the *homoousion* of the doctrine of Athanasius which became orthodox through the adoption of the Nicene Creed. The Eunomians similarly held that God alone is ungenerate. The Montani were led by Montanus, assisted by two pious women, who claimed the gift of prophecy and announced that the end of the world was imminent, a belief which probably consoled them in their act of self-immolation (Chap. xi.). The Sabbatiani were an offshoot of the Novatiani; for heresies sprang from other heresies as well as from the central body of belief. This group had originated in a contested election and developed independent doctrines only after their schism. The Manichaeans and the Samaritans were monotheistic but had a theology independent of the Christian system. The Polytheists of course had no body of doctrine as such.

These and many other heresies which Procopius did not have occasion to mention were both defended and attacked with great violence, and the consequent disputes held the active interest of the civilized world for many centuries before and after the age of Justinian. See Hastings, *Encyclopaedia of Religion and Ethics*, or Smith and Wace, *Dictionary of Christian Biography*.

Appendix III. The Statue of Domitian (Chap. viii.)

The statement of Procopius that a devoted wife performed the gruesome act described in this passage is devoid of support, as well as extremely improbable. The evidence in the case is well presented by D. Bassi in a note in the (posthumous) edition of the *Secret History* by Comparetti (1928). The note follows, in translation.

“No ancient historian records the details, evidently legendary, which Procopius is pleased to recount. The legend, which is pathetic enough, is based on two supposed facts which really are both very distressing, but false and purely imaginary, and both entirely deprived of historical consistency. Domitian was not hacked to pieces, but was murdered in his chamber by conspirators, first receiving a wound in the groin, then, in the scuffle which followed, seven other wounds which finished him. His body was not piously buried by his wife Domitia, who instead co-operated with the conspirators to accomplish the murder. This pious office was fulfilled by the nurse of the murdered man, Phyllis by name, who, with the assistance of common undertakers, took charge of the body privately, performed his last rites at his villa on the Via Latina and then, after it had been cremated, deposited the ashes in the tomb of the Flavian family together with those of Julia, daughter of Titus, of whom she had also been nurse.

“With regard to these facts recorded by most authoritative historians, such as Suetonius, Dio Cassius and others, there cannot be any doubt. Still, the fact remains, equally incontestable, of the bronze statue of Domitian extant at the time of Procopius on the slope of the Capitol standing on the right of those ascending from the Forum; this statue, apart from being the only one of that Emperor remaining erect, because all the others had been demolished by order of the Senate, presented also the singular characteristic of being composed entirely of many pieces cleverly set together, but still always easily distinguishable. These facts, which the people at Rome explained at that time (four centuries and a little more since the murder of Domitian) by the pathetic little story which Procopius ingenuously recounts in the form in which it had been related to him, ought to be, and can be, explained rationally, taking into account what the historians say of what followed at Rome immediately after the murder of Domitian. The news of the murder was heard with indifference by the people, says Suetonius; not so by the army, which was most outraged by it and immediately started an agitation demanding that the murdered Emperor should receive divine honours and that the murderers should be tracked down and severely punished. Held with difficulty to allegiance to their commanders, the troops finally obtained what they sought. The Senate, on the other hand, which Domitian had always slighted and abused, received that news with a burst of joy and exultation, and immediately^o ordered that the statues of the hated Emperor should be taken off the walls and thrown on the

ground, and that all memory of him should be cancelled, abolished, and destroyed. These orders were carried out punctually, beginning, surely, with the statues nearest the Senate, the largest of which was the famous equestrian statue of colossal proportions which dominated the middle of the Forum, described and praised by Statius. Demolished and broken up into fragments, the huge mass of gilded bronze was forthwith put out of sight. Other smaller statues which stood in the vicinity of the Forum and of the Capitol were taken down and destroyed. One bronze statue of Domitian of natural size must have occupied a position in the neighbourhood of the temple of his father Vespasian on the slopes of the Capitol. That statue also was knocked over and reduced to fragments. However, all the fragments of that statue were gathered up by pious hands, probably soldiers, and secretly preserved. When, then, at a later time the fury of the Senate was abated, and the army, always faithful to the memory of that Emperor, obtained what they had persistently sought for, namely, that those responsible for the assassination be apprehended, tried and punished, they without hesitation formed the purpose of setting up the broken statue, the fragments of which had been religiously preserved. They rebuilt the statue with strong cement, but not so as to conceal the joints, so that everyone could see, as Procopius saw, that it was composed of a quantity of pieces set together. The statue, thus fabricated, was set up in the open on the slope on the right as one went from the Forum to the Capitol, that is, at a short distance from the Senate, and it stood there to record visibly the savage orders of destruction issued by the Senate and punctually carried out, particularly because that statue, thus fabricated, was the only one of the many of that Emperor which remained, or, better, that could be again set up. The Senate, which certainly had not repented of having given those orders, still did not dare to oppose that act of the powerful praetorians, who were devoted to Domitian and who, in spite of the disapproval of the good Nerva, had vindicated Domitian by killing with their own hands the principal authors of the assassination of that tyrant, quietly let matters take their course, and could not be displeased that there remained for future ages that evidence and testimony of the just action performed by them on the statues of that infamous sovereign.

“Thus tolerated by the Senate, this single statue of the abhorred Domitian, the story of which was familiar to all, remained intact up to the time of Procopius in that very much frequented spot. It was regarded as a curiosity and of such small material value that even the barbarians, Vandals and Goths, allowed it to stand. In fact the respect shewn by those tribes must have been due chiefly to the pious legend which the popular imagination could have created in the course of time regarding that statue and the fragments of which they noticed that it was composed, ignorant, as it was, of the true and genuine facts of history. Little by little they saw in that statue the tyrannical Domitian torn to pieces by the popular fury and the good and virtuous action of his widow who was loved and respected by the Senate, which granted to her the

right to collect and put together the scattered members of her husband and to give burial to the body thus assembled. And when the wonderful widow, having got together the body of her husband in this way and with her own hands, had summoned the artisans, she commissioned them to make a statue of bronze exactly like the murdered sovereign's body, composed as it was of many pieces, then took that statue and set it up on the slope of the Capitol; and the Senate permitted her to do all this and did not refuse its approval. It cannot be denied that this story is pretty, moving and also edifying. This could have figured in the *Gesta Romanorum Moralisata* or in other similar medieval collections of edifying tales. The widow devoted to the memory of the husband, good or bad, who, surmounting grave difficulties, accomplishes his burial, is an appealing character of various legends and tales of every region; one of the many is that of the famous matron of Ephesus, narrated by Petronius. Procopius, who had noticed the remarkable similarity of the features of Domitian and those of Justinian, recounts the tale of that single surviving statue of Domitian without taking the trouble to investigate whether the account was history or legend. In any case that statue unquestionably represented Domitian and that was enough for him; nor could he go wrong. In his judgment Justinian was just as worthy to be butchered and cut into pieces as, according to the tale, was Domitian, who also resembled him in countenance."

THE BUILDINGS OF JUSTINIAN

Translated by H. B. Dewing

Believed to be an incomplete work, due to evidence of the surviving version being a draft with two possible redactions, this text is formed as a panegyric on Justinian's building activity in the Byzantine Empire. It has been conjectured that the first book dates to before the collapse of the first dome of Hagia Sophia in 557, though some scholars argue it is possible that it postdates the building of the bridge over the Sangarius in the late 550's. Though *The Buildings of Justinian* informs us of no further information regarding Belisarius, it adopts an entirely different attitude towards Justinian. He is presented as an idealised Christian emperor, who built churches for the glory of God and defences for the safety of his subjects, demonstrating particular concern for the water supply. Justinian is also reported to have built new aqueducts, as well as restoring those that had fallen into disuse.

Theodora, who had died before the work was written, is mentioned only briefly, yet Procopius' praise of her beauty is fulsome. The panegyric was likely written at Justinian's behest, however, and it is doubtful that the sentiments expressed are sincere. Due to the flattering nature of the text, historians have identified several discrepancies between claims made by Procopius and other primary sources. A primary example is shown when Procopius records the reign of Justinian commencing in 518, which was actually the start of the reign of Justin I, Justinian's predecessor and uncle. This discrepancy can be seen as part of Procopius' panegyric method, allowing him to credit buildings constructed under the rule of Justin I as Justinian's accomplishments. Likewise, Procopius falsely credits Justinian for the extensive re-fortifications made in the cities of Tomis and Histria in Scythia Minor, along the Danubian frontier, which were in actuality the accomplishments of Anastasius I, predecessor of Justin I.

Tremissis of Emperor Justin I (450-527), who was Byzantine Emperor from 518 to 527. He rose through the ranks of the army and ultimately became its emperor, in spite of the fact he was illiterate and almost 70 years old at the time of accession.

BOOK I.

[1] [1] It is not because I wish to make a display of skill, nor through any confidence in my eloquence, nor because I pride myself on my personal knowledge of many lands, that I have set about writing this record; for indeed I had no grounds for venturing so bold an intention. [2] Yet the thought has many times occurred to me, how many and how great are the benefits which are wont to accrue to states through History, which transmits to future generations the memory of those who have gone before, and resists the steady effort of time to bury events in oblivion; and while it incites to virtue those who from time to time may read it by the praise it bestows, it constantly assails vice by repelling its influence. [3] Wherefore our concern must be solely this — that all the deeds of the past shall be clearly set forth, and by what man, whosoever he might be, they were wrought. And this, I believe, is not an impossible task, even for a lisping and thin-voiced tongue. [4] Apart from all this, history shews that subjects who have received benefits have proved themselves grateful toward their benefactors, and that they have repaid them with thank-offerings in generous measure, seeing that, while they have profited, it may be, for the moment only by the beneficence of their rulers, they nevertheless preserve their sovereigns' virtue imperishable in the memory of those who are to come after them. [5] Indeed it is through this very service that many men of later times strive after virtue, by emulating the honours of those who have preceded them, and, because they cannot endure censure, are quite likely to shun the basest practices. And the reason why I have made this preface I shall forthwith disclose.

[6] In our own age there has been born the Emperor Justinian, who, taking over the State when it was harassed by disorder, has not only made it greater in extent, but also much more illustrious, by expelling from it those barbarians who had from of old pressed hard upon it, as I have made clear in detail in the Books on the Wars. [7] Indeed they say that Themistocles, the son of Neocles, once boastfully said that he did not lack the ability to make a small state large. [8] But this Sovereign does not lack the skill to produce completely transformed states — witness the way he has already added to the Roman domain many states which in his own times had belonged to others, and has created countless cities which did not exist before. [9] And finding that the belief in God was, before his time, straying into errors and being forced to go in many directions, he completely destroyed all the paths leading to such errors, and brought it about that it stood on the firm foundation of a single faith. [10] Moreover, finding the laws obscure because they had become far more numerous than they should be, and in obvious confusion because they disagreed with each other, he preserved them by cleansing them of the mass of their verbal trickery, and by controlling their discrepancies with the greatest firmness; as for those who plotted against him, he of his own volition

dismissed the charges against them, causing those who were in want to have a surfeit of wealth, and crushing the spiteful fortune that oppressed them, he wedded the whole State to a life of prosperity. [11] Furthermore, he strengthened the Roman domain, which everywhere lay exposed to the barbarians, by a multitude of soldiers, and by constructing strongholds he built a wall along all its remote frontiers.

[12] However, most of the Emperor's other achievements have been described by me in my other writings, so that the subject of the present work will be the benefits which he wrought as a builder. They do indeed say that the best king of whom we know by tradition was the Persian Cyrus, and that he was chiefly responsible for the founding of the kingdom of Persia for the people of his race. [13] But whether that Cyrus was in fact such a man as he whose education from childhood up is described by Xenophon the Athenian, I have no means of knowing. [14] For it may well be that the skill of the writer of that description was quite capable, such was his exquisite eloquence, of coming to be a mere embellishment of the facts.^a But in the case of the king of our times, Justinian (whom one would rightly, I think, call a king by nature as well as by inheritance, since he is, as Homer says, "as gentle as a father"), if one should examine his reign with care, he will regard the rule of Cyrus as a sort of child's play. [16] The proof of this will be that the Roman Empire, as I have just said, has become more than doubled both in area and in power generally, while, on the other hand, those who treacherously formed the plot against him, going so far even as to plan his assassination, are not only living up to the present moment, and in possession of their own property, even though their guilt was proved with absolute certainty, but are actually still serving as generals of the Romans, and are holding the consular rank to which they had been appointed.

[17] But now we must proceed, as I have said, to the subject of the buildings of this Emperor, so that it may not come to pass in the future that those who see them refuse, by reason of their great number and magnitude, to believe that they are in truth the works of one man. [18] For already many works of men of former times which are not vouched for by a written record have aroused incredulity because of their surpassing merit. And with good reason the buildings in Byzantium, beyond all the rest, will serve as a foundation for my narrative. [19] For "o'er a work's beginnings," as the old saying has it, "we needs must set a front that shines afar."

[20] Some men of the common herd, all the rubbish of the city, once rose up against the Emperor Justinian in Byzantium, when they brought about the rising called the Nika Insurrection, which has been described by me in detail and without any concealment in Books on the Wars. [21] And by way of shewing that it was not against the Emperor alone that they had taken up arms, but no less against God himself, unholy wretches that they were, they had the hardihood to fire the Church of the Christians, which the people of Byzantium call "Sophia," an epithet which they have most appropriately

invented for God, by which they call His temple; and God permitted them to accomplish this impiety, foreseeing^o into what an object of beauty this shrine was destined to be transformed. [22] So the whole church at that time lay a charred mass of ruins. But the Emperor Justinian built not long afterwards a church so finely shaped, that if anyone had enquired of the Christians before the burning if it would be their wish that the church should be destroyed and one like this should take its place, shewing them some sort of model of the building we now see, it seems to me that they would have prayed that they might see their church destroyed forthwith, in order that the building might be converted into its present form. [23] At any rate the Emperor, disregarding all questions of expense, eagerly pressed on to begin the work of construction, and began to gather all the artisans from the whole world. [24] And Anthemius of Tralles, the most learned man in the skilled craft which is known as the art of building, not only of all his contemporaries, but also when compared with those who had lived long before him, ministered to the Emperor's enthusiasm, duly regulating the tasks of the various artisans, and preparing in advance designs of the future construction; and associated with him with another master-builder, Isidorus by name, a Milesian by birth, a man who was intelligent and worthy to assist the Emperor Justinian. [25] Indeed this also was an indication of the honour in which God held the Emperor, that He had already provided the men who would be most serviceable to him in the tasks which were waiting to be carried out. [26] And one might with good reason marvel at the discernment of the Emperor himself, in that out of the whole world he was able to select the men who were most suitable for the most important of his enterprises.

[27] So the church has become a spectacle of marvellous beauty, overwhelming to those who see it, but to those who know it by hearsay altogether incredible. For it soars to a height to match the sky, and as if surging up from amongst the other buildings it stands on high and looks down upon the remainder of the city, adorning it, because it is a part of it, but glorying in its own beauty, because, though a part of the city and dominating it, it at the same time towers above it to such a height that the whole city is viewed from there as from a watch-tower. [28] Both its breadth and its length have been so carefully proportioned, that it may not improperly be said to be exceedingly long and at the same time unusually broad. And it exults in an indescribable beauty.

[29] For it proudly reveals its mass and the harmony of its proportions, having neither excess nor deficiency, since it is both more pretentious than the buildings to which we are accustomed, and considerably more noble than those which are merely huge, and it abounds exceedingly in sunlight and in the reflection of the sun's rays from the marble. [30] Indeed one might say that its interior is not illuminated from without by the sun, but that the radiance comes into being within it, such an abundance of light bathes this shrine. [31] And the face itself of the church (which would be the part which faces the

rising sun, that portion of the building in which they perform the mysteries in worship of God) was constructed in the following manner. [32] A structure of masonry (oikodomia) is built up from the ground, not made in a straight line, but gradually curving inward on its flanks and receding at the middle, so that it forms the shape of half a circle, which those who are skilled in such matters call a half-cylinder (hêmiky lindron); and so it rises precipitously to a height. [33] The upper part of this structure ends in the fourth part of a sphere (sphaira), and above it another crescent-shaped (mênœides) structure rises, fitted to the adjoining parts of the building, marvellous in its grace, but by reason of the seeming insecurity of its composition altogether terrifying. [34] For it seems somehow to float in the air on no firm basis, but to be poised aloft to the peril of those inside it. Yet actually it is braced with exceptional firmness and security. [35] On either side of this are columns arranged on the pavement; these likewise do not stand in a straight line, but they retreat inward in the pattern of the semicircle (hêmikyklon) as if they were yielding to one another in a choral dance, and above them hangs a structure of crescent shape (mênœides). [36] And on the side opposite the east is reared a wall containing the entrances (eisodoi), and on either side of this there stand in a semicircle (hêmikyklon) not only the columns themselves but also the structure above them, all this being very similar to the columns and structure I have just described. [37] And in the centre of the church stand four man-made eminences (lophoi), which they call piers (pessoï), two on the north side and two on the south, opposite and equal to each other, each pair having between them just four columns. [38] The piers (lophoi) are composed of huge stones joined together, carefully selected and skilfully fitted to one another by the masons, and rising to a great height. One might suppose that they were sheer mountain-peaks. [39] From these spring four arches (apsides) which rise over the four sides of a square, and their ends come together in pairs and are made fast to each other on top of these piers (lophoi), while the other portions rise and soar to an infinite height. [40] And while two of the arches rise over empty air, those namely on the east and the west sides, the other two have under them certain structural elements (oikodomia), including a number of rather small columns. [41] Upon the crowns of the arches rests a circular structure (kykloterês oikodomia), cylindrical (strongylon) in shape; it is through this that the light of day always first smiles. [42] For it towers above the whole earth, as I believe, and the structure is interrupted at short intervals, openings having been left intentionally, in the spaces where the perforation of the stonework takes place, to be channels for the admission of light in sufficient measure. [43] And since the arches where they are joined together are so constructed as to form a four-cornered plan, the stonework between the arches produces four triangles (trigôna). [44] And while each supporting end (krêpis) of a triangle, having been contracted to a point by the coming together of each pair of arches, makes the lower point an acute angle, yet as the triangle rises and its width is extended by the intermediate surface, [45] it ends in the

segment of a circle (kykloterês) which it supports, and forms the remaining angles at that level. And upon this circle rests the huge spherical dome (sphairoeidês tholos) which makes the structure exceptionally beautiful. [46] Yet it seems not to rest upon solid masonry, but to cover the space with its golden dome (sphaira) suspended from Heaven. [47] All these details, fitted together with incredible skill in mid-air and floating off from each other and resting only on the parts next to them, produce a single and most extraordinary harmony in the work, and yet do not permit the spectator to linger much over the study of any one of them, but each detail attracts the eye and draws it on irresistibly to itself. [48] So the vision constantly shifts suddenly, for the beholder is utterly unable to select which particular detail he should admire more than all the others. [49] But even so, though they turn their attention to every side and look with contracted brows upon every detail, observers are still unable to understand the skilful craftsmanship, but they always depart from there overwhelmed by the bewildering sight. So much, then, for this.

[50] It was by many skilful devices that the Emperor Justinian and the master-builder Anthemius and Isidorus secured the stability of the church, hanging, as it does, in mid-air. Some of these it is both hopeless for me to understand in their entirety, and impossible to explain in words; I shall record only one of them for the present, from which it should be possible to gain an impression of the strength of the whole work. [51] It is as follows: The piers (lophoi) which I have just mentioned are not constructed in the same way as other structures, but in the following manner. The courses of stone were laid down so as to form a four-cornered shape, [52] the stones being rough by nature but worked smooth; and they were cut to the angles when they were destined to form the projecting corners of the sides of the pier, but when they chanced to be assigned to a position between the angles, they were cut in rectangles (tetrapleuron). [53] These were held together neither by lime (titanos), which they call "asbestos", nor by asphalt, the material which was the pride of Semiramis in Babylon, nor by any other such thing, but by lead (molibdos) poured into the interstices (telma), which flowed about everywhere in the spaces between the stones and hardened in the joints (harmonia), binding them to each other. [54] Thus were these parts constructed; but let us proceed to the remaining portions of the church.

The whole ceiling is overlaid with pure gold,^b which adds glory to the beauty, yet the light reflected from the stones prevails, shining out in rivalry with the gold. [55] And there are two stoa-like colonnades (stoai), one on each side, not separated in any way from the structure of the church itself, but actually making the effect of its width greater, and reaching along its whole length, to the very end, while in height they are less than the interior of the building. [56] And they too have vaulted ceilings (orophê tholos) and decorations of gold. One of these two colonnaded stoas has been assigned to men worshippers, while the other is reserved for women engaged in the same

exercise. [57] But they have nothing to distinguish them, nor do they differ from one another in any way, but their very equality serves to beautify the church, and their similarity to adorn it. [58] But who could fittingly describe the galleries (*hyperôa*) of the women's side (*gynaikonitis*), or enumerate the many colonnades and the colonnaded aisles (*peristylai aulai*) by means of which the church is surrounded? [59] Or who could recount the beauty of the columns (*kiones*) and the stones with which the church is adorned? One might imagine that he had come upon a meadow with its flowers in full bloom. [60] For he would surely marvel at the purple of some, the green tint of others, and at those on which the crimson glows and those from which the white flashes, and again at those which Nature, like some painter, varies with the most contrasting colours. [61] And whenever anyone enters this church to pray, he understands at once that it is not by any human power or skill, but by the influence of God, that this work has been so finely turned. And so his mind is lifted up toward God and exalted, feeling that He cannot be far away, but must especially love to dwell in this place which He has chosen. [62] And this does not happen only to one who sees the church for the first time, but the same experience comes to him on each successive occasion, as though the sight were new each time. [63] Of this spectacle no one has ever had a surfeit, but when present in the church men rejoice in what they see, and when they leave it they take proud delight in conversing about it. [64] Furthermore, concerning the treasures of this church — the vessels of gold and silver and the works in precious stones, which the Emperor Justinian has dedicated here — it is impossible to give a precise account of them all. But I shall allow my readers to form a judgment by a single example. [65] That part of the shrine which is especially sacred, where only priests may enter, which they call the Inner Sanctuary (*thysiastêrion*), is embellished with forty thousand pounds' weight of silver.

[66] So the church of Constantinople (which men are accustomed to call the Great Church), speaking concisely and merely running over the details with the finger-tips, as it were, and mentioning with a fleeting word only the most notable features, was constructed in such a manner by the Emperor Justinian. [67] But it was not with money alone that the Emperor built it, but also with labour of the mind and with the other powers of the soul, as I shall straightway shew. [68] One of the arches which I just now mentioned (*lôri* the master-builders call them), the one which stands toward the east, had already been built up from either side, but it had not yet been wholly completed in the middle, and was still waiting. [69] And the piers (*pessoï*), above which the structure was being built, unable to carry the mass which bore down upon them, somehow or other suddenly began to crack, and they seemed on the point of collapsing. [70] So Anthemius and Isidorus, terrified at what had happened, carried the matter to the Emperor, having come to have no hope in their technical skill. [71] And straightway the Emperor, impelled by I know not what, but I suppose by God (for he is not himself a master-builder),

commanded them to carry the curve of this arch to its final completion. "For when it rests upon itself," he said, "it will no longer need the props (*pessois*) beneath it." [72] And if this story were without witness, I am well aware that it would have seemed a piece of flattery and altogether incredible; but since there are available many witnesses of what then took place, we need not hesitate to proceed to the remainder of the story. [73] So the artisans carried out his instructions, and the whole arch then hung secure, sealing by experiment the truth of his idea. [74] Thus, then, was this arch completed; but in the process of building the other arches, indeed, those namely which are turned toward the south and the north, the following chanced to take place. [75] The so-called *lōri* had been raised up, carrying the masonry of the church, but everything underneath was labouring under their load, making the columns (*kiones*) which stood there throw off tiny flakes, as if they had been planed. [76] So once more the master-builders were dismayed at what had happened and reported their problem to the Emperor. [77] And again the Emperor met the situation with a remedy, as follows. He ordered them immediately to remove the upper parts (*akra*) of the masonry which were strained, that is, the portions which came into contact with the arches, and to put them back much later, as soon as the dampness of the masonry should abate enough to bear them. [78] These instructions they carried out, and thereafter the structure stood secure. And the Emperor, in this way, enjoys a kind of testimonial from the work.

[2] [1] Before the Senate House there happened to be a sort of market-place, which the people of Byzantium call the *Augusteum*. In that place there is a structure of stones, which is made up of not less than seven courses, laid in a rectangle, all fitted to each other at their ends, but each course being narrower than that beneath, and set back, with the result that each of the stones becomes, from the way it is set, a projecting step, so that people assembled there sit upon them as upon seats. [2] And at the top of the stones there rises a column of extraordinary size, not a monolith, however, but composed of large stones in circular courses, cut so as to form angles on their inner faces, and fitted to one another by the skill of the masons. [3] And finest brass, cast in panels and garlands, covers the stones on every side, both serving to bind them securely, and covering them with adornment, and giving the shaft throughout, but particularly at the base and the capital, the appearance of a column. [4] This brass, in its colour, is softer than pure gold, and its value is not much less than that of an equal weight of silver. [5] And on the summit of the column stands a gigantic bronze horse, facing toward the east, a very noteworthy sight. He seems about to advance, and to be splendidly pressing forward. [6] Indeed he holds his left foot in the air, as though he^o were about to take a forward step on the ground before him, while the other is pressed down upon the stone on which he stands, as if ready to take the next step; his hind feet he holds close together, so that they may be ready whenever he decides to move. [7] Upon this horse is mounted a colossal bronze figure of the Emperor. And the figure is habited like Achilles, [8] that is, the costume he wears is

known by that name. He wears half-boots and his legs are not covered by greaves. [9] Also he wears a breastplate in the heroic fashion, and a helmet covers his head and gives the impression that it moves up and down, and a dazzling light flashes forth from it. [10] One might say, in poetic speech, that here is that star of Autumn. And he looks toward the rising sun, directing his course, I suppose, against the Persians. [11] And in his left hand he holds a globe, by which the sculptor signifies that the whole earth and sea are subject to him, yet he has neither sword nor spear nor any other weapon, but a cross stands upon the globe which he carries, the emblem by which alone he has obtained both his Empire and his victory in war. [12] And stretching forth his right hand toward the rising sun and spreading out his fingers, he commands the barbarians in that quarter to remain at home and to advance no further. So much, then, for this statue.

[13] The church called after Eirenê, which was next to the Great Church and had been burned down together with it, the Emperor Justinian rebuilt on a large scale, so that it was scarcely second to any of the churches in Byzantium, save that of Sophia. [14] And between these two churches there was a certain hospice, devoted to those who were at once destitute and suffering from serious illness, those who were, namely, suffering in loss of both property and health. [15] This was erected in early times by a certain pious man, Samson by name. And neither did this remain untouched by the rioters, but it caught fire together with the churches on either side of it and was destroyed. [16] The Emperor Justinian rebuilt it, making it a nobler building in the beauty of its structure, and much larger in the number of its rooms. He has also endowed it with a generous annual income of money, to the end that through all time the ills of more sufferers may be cured. [17] But by no means feeling either a surfeit or any sort of weariness in shewing honour to God, he established two other hospices opposite to this one in the buildings called respectively the House of Isidorus and the House of Arcadius, the Empress Theodora labouring with him in this most holy undertaking. [18] All the other shrines which this Emperor dedicated to Christ are so numerous and so great in size, that it is impossible to write about them in detail. [19] For neither the power of language, nor the whole span of eternity, would suffice us to make a catalogue and by name descant upon each one of these. It will suffice us to have said thus much.

[3] [1] We must begin with the churches of Mary the Mother of God. For we know that this is the wish of the Emperor himself, and true reason manifestly demands that from God one must proceed to the Mother of God. [2] The Emperor Justinian built many churches to the Mother of God in all parts of the Roman Empire, churches so magnificent and so huge and erected with such a lavish outlay of money, that if one should see one of them by itself, he would suppose that the Emperor had built this work only and had spent the whole time of his reign occupied with this alone. [3] But now, as I said, I must describe the sanctuaries of Byzantium. One of the churches of the Mother of

God he built outside the fortifications in a place called Blachernae (for to the Emperor's credit there must also be reckoned the buildings erected by his uncle Justinus, since Justinian administered the government also during his uncle's reign on his own authority). This church is on the sea, a most holy and very stately church, of unusual length and yet of a breadth well proportioned to its length, both its upper and its lower parts being supported by nothing but sections of Parian stone which stand there to serve as columns. [4] And in all the other parts of the church these columns are set in straight lines, except at the centre, where they recede. [5] Anyone upon entering this church would marvel particularly at the greatness of the mass which is held in place without instability, and at the magnificence which is free from bad taste.

[6] He dedicated to the Virgin another shrine in the place called Pegê. In that place is a dense grove of cypresses and a meadow abounding in flowers in the midst of soft glebe, a park abounding in beautiful shrubs, and a spring bubbling silently forth with a gentle stream of sweet water — all especially suitable to a sanctuary. [7] Such are the surroundings of the sanctuary. But the church itself is not easy to describe in such terms as it deserves, nor can one readily form a mental vision of it, nor do it justice in whispering speech. [8] It must suffice to say only this, that it surpasses most shrines both in beauty and in size. [9] Both these churches were erected outside the city-wall, the one where it starts beside the shore of the sea, the other close to the Golden Gate, as it is called, which chances to be near the end of the line of fortifications, in order that both of them may serve as invincible defences to the circuit-wall of the city. [10] Also in the Heraeum, which they now call the Hieron, he built a church to the Mother of God which it is not easy to describe.

[11] In that section of the city which is called Deuteron he erected a most holy and revered church to St. Anna, whom some consider to have been the mother of the Virgin and the grandmother of Christ. [12] For God, being born a man as was His wish, is subjected to even a third generation, and His ancestry is traced back from His mother even as is that of a man. [13] Not far from this same church, near the last street within the city, he built a very imposing shrine to the martyr Zoê.

[14] He found a shrine of the Archangel Michael in Byzantium which was small and very badly lighted, utterly unworthy to be dedicated to the Archangel; it was built in earlier times by a certain patrician senator, quite like a tiny bedroom of a dwelling-house, and that, too, of the house of one who is not very prosperous. [15] So he tore this down, even to the lowest foundations, so that no trace of its earlier unseemliness might remain. [16] And increasing its size to the proportions which it now displays, he transformed it into a marvellously beautiful building. [17] For the church is in the form of a rectangle (tetrapleuron), and the length appears not much greater than the width. And at either end of the side which faces the east a thick wall was perfectly constructed of many fitted stones, but in the middle it is drawn back so as to form a recess. [18] On either side of this rise columns of naturally variegated

hues which support the church. The opposite wall, which faces approximately the west, is pierced by the doors which lead into the church.

[4] [1] His faith in the Apostles of Christ he displayed in the following manner. First he built a church of Peter and Paul, which had not previously existed in Byzantium, alongside the imperial residence which in former times was called by the name of Hormisdas. [2] For he had contrived that this building, which was his private residence, should both seem to be a palace, and by the magnificence of its structure be as handsome as one; and when he became Emperor of the Romans he joined it to the Palace proper. [3] There too he built another shrine to the famous Saints Sergius and Bacchus, and then also another shrine which stood at an angle to this one. [4] These two churches do not face each other, but stand at an angle to one another, being at the same time joined to each other and rivalling each other; and they share the same entrances (eisodoi) and are like each other in all respects, even to the open spaces (kraspeda) by which they are surrounded; and each of them is found to be neither superior nor inferior to the other either in beauty or in size or in any other respect. [5] Indeed each equally outshines the sun by the gleam of its stones, and each is equally adorned throughout with an abundance of gold and teems with offerings. [6] In just one respect, however, they do differ. For the long axis (mêkos) of one of them is built straight, while in the other church the columns stand for the most part in a semi-circle (hêmikyklos). [7] But whereas they possess a single colonnaded stoa, called a narthex because of its great length, for each one of their porches (prothyra), they have their propylaea (propylaia) entirely in common, and they share a single court (aulê), and the same doors leading in from the court (metauloi thyrαι), and they are alike in that they belong to the Palace. [8] These two churches are so admirable that they manifestly form an adornment of the whole city, and not merely of the Palace.

[9] Afterwards, as shewing very special honour to all the Apostles together, he did as follows. There was in Byzantium from ancient times a church dedicated to all the Apostles; but having by now been shaken by the passage of time, it had fallen under the suspicion that it would not continue to stand. [10] This the Emperor Justinian pulled down entirely, and he was at pains not simply to restore it, but to make it more worthy both in size and in beauty. [11] He carried out his effort as follows. Two straight lines were drawn, intersecting each other at the middle in the form of a cross, one extending east and west, and the other which crossed this running north and south. [12] On the outside these lines were defined by walls on all of the sides, while on the inside they were traced by rows of columns standing above one another. At the crossing of the two straight lines, that is to say at about the middle, there was set aside a place which may not be entered by those who may not celebrate the mysteries; this with good reason they call the "sanctuary" (hierateion). [13] The two arms (pleurai) of this enclosure which lie along the transverse line are equal to each other, but the arm which extends toward the

west, along the upright line, is enough longer than the other to make the form of the cross.^a [14] That portion of the roof which is above the sanctuary, as it is called, is built, in the centre at least, on a plan resembling that of the Church of Sophia, except that it is inferior to it in size. [15] The arches, four in number, rise aloft and are bound together in the same manner, and the circular drum (kykloteres) which stands upon them is pierced by the windows, and the dome (sphairoeides) which arches above this seems to float in the air and not to rest upon solid masonry, though actually it is well supported. [16] Thus, then, was the central portion of the roof constructed. And the arms of the building, which are four, as I have said, were roofed on the same plan as the central portion, but this one feature is lacking: underneath the domes (sphairikon) the masonry is not pierced by windows. [17] And at the time when this shrine was completed by him, the Apostles made it manifest to all men how they delight in the honour shewn them by the Emperor and glory in it exceedingly. [18] At any rate the bodies of the Apostles Andrew and Luke and Timothy, which previously had been invisible and altogether concealed, became at that time visible to all men, signifying, I believe, that they did not reject the faith of the Emperor, but expressly permitted him to see them and approach them and touch them, that he might thereby enjoy their assistance and the safety of his life. This was made known in the following way.

[19] The Emperor Constantius had built this church in honour of the Apostles and in their name, decreeing that tombs for himself and for all future Emperors should be placed there, and not for the rulers alone, but for their consorts as well; and this custom is preserved to the present day. Here also he laid the body of his father Constantine. [20] But neither did he give any intimation whatever that the bodies of the Apostles were there, nor did any place appear there which seemed to be given over to the bodies of the holy men. [21] But when the Emperor Justinian was rebuilding this shrine, the workmen dug up the whole soil so that nothing unseemly should be left there; and they saw three wooden coffins lying there neglected, which revealed by inscriptions upon them that they contained the bodies of the Apostles Andrew and Luke and Timothy. [22] And the Emperor himself and all the Christians saw these with the greatest joy, and having arranged a procession in their honour and a festival, and having performed the customary holy rites over them and having put the coffins in order, they laid them once more in the ground, not leaving the place unmarked or solitary, but piously ordaining that it be dedicated to the bodies of the Apostles. [23] And it is plain, as I have said, that it was in requital for this honour which the Emperor shewed them, that these Apostles appeared to men on this occasion. [24] For when the Emperor is pious, divinity walks not afar from human affairs, but is wont to mingle with men and to take delight in associating with them.

[25] Who could pass over in silence the Church of Acacius? This had fallen into ruin, and he took it down and rebuilt it from the foundations, so as to make it a building of marvellous size. It is carried on all sides on columns of

astonishing whiteness, and the floor is covered with similar stone, from which such a brilliant light is reflected that it gives the impression that the whole church is coated with snow. [26] And two stoas are thrown out in front of it, one of them making a court (peristylus), the other facing the market-place. [27] I have almost omitted to mention that martyr's shrine which is dedicated to St. Plato, a truly holy and much revered building, not far from the market-place which bears the name of the Emperor Constantine; also the church dedicated to the martyr Mocius, to which all other shrines yield in size. [28] There is also the resting-place of the martyr Thyrsus, and likewise the precinct of St. Theodore, situated outside the city at a place called Rhesium, as well as the sanctuary of the martyr Thecla, which is hard by the harbour of the city which chances to bear the name of Julian, and that of St. Theodota in the suburb called Hebdomum. [29] All these our present Emperor built from the foundations during the reign of his uncle Justinus, and they are not easy to describe in words, and one cannot admire them sufficiently when they are seen. [30] But the Church of St. Agathonicus now draws my narrative and constrains me, though I no longer have the voice or the words to do justice to it. So I must content myself with mention of this church, and leave it to others to describe its beauty and its magnificence in every detail — others whose power of utterance is fresh and not yet wholly spent.

[5] [1] There are other shrines also, both in the place called Anaplus and on the shore of the opposite continent, which he found in a condition unworthy to be dedicated to any of the saints, as well as along the inlet which the inhabitants call Ceras, after Ceroessa, the mother of Byzas, the founder of the city; and in all these he displayed a munificence altogether befitting an Emperor, as I shall presently shew, after first explaining how the sea adorns Byzantium.

[2] Besides the city's other blessings the sea is set most beautifully all about it, forming curving bays, contracting into narrow straits, and spreading into a great open sea; and thus it makes the city exceptionally beautiful, and offers the quiet shelter of harbours to navigators, thereby abundantly providing the city with the necessities of life and making it rich in all useful things. [3] For in reality there are two seas embracing it, the Aegean on the one side and the sea called the Euxine on the other; these unite with each other to the east of the city, and rushing together as they mingle their waves, and pushing back the solid land by this invasion, they beautify the city as they surround it. [4] So it is encircled by three straits which open into one another, so disposed that they both adorn and serve the city, all of them most delightful for sailing, each a pleasurable sight for the eye, and very commodious for anchorage. [5] And the middle one of them, coming down from the Euxine Sea, flows straight toward the city, as though to beautify it, and on either side of it the two continents are placed. [6] And it is pressed in by their banks, so that it ripples and seems to plume itself because it approaches the city mounted upon both Asia and Europe. [7] One would imagine that he was looking upon a river moving

toward him with gentle current. And the strait which lies on the left of this is confined by its shores on either side for a very great distance, displaying the woods and the lovely meadows and all the other details of the opposite shore which lie open to view from the city. [8] Then from that point it broadens as it is thrust away from the city toward the south, and carries the coast of Asia very far from the city. [9] Yet the wash of the sea continues to envelop the city up to its western boundary. The third strait, which branches off from the first toward the right, commencing at Sycae, as it is called, extends for a very great distance along the side of the city which faces the north, and terminates in the bay which forms its end. [10] Thus the sea forms a garland about the city; the remainder of the city's boundary is formed by the land which lies between the two arms of the sea, and is of sufficient size to bind together there the crown of waters. [11] This bay is always calm, being so fashioned by nature that it is never roiled, just as if limits were set there for the turbulent waters and all billows were excluded from that area so as to do honour to the city. [12] And in winter, even should violent winds chance to fall upon the open spaces of the sea and upon the strait, as soon as ships reach the entrance to the bay, they proceed for the rest of the way without a pilot and are anchored without precautions. [13] For the circuit of the bay extends to a distance of more than forty stades, and furnishes anchorage throughout its whole extent; so that when a ship anchors there the stern rides upon the sea while the prow rests upon the land, as if the two elements contended with each other to see which of them would be able to render the greater service to the city.

[6] [1] Such is the nature of this bay. And the Emperor Justinian adorned it with buildings on all sides and thus made it still more notable. [2] On the left of the bay he found the martyr's shrine of St. Lawrence, which previously had been without a ray of light and practically filled with darkness, and he remodelled it, to speak briefly, and consecrated it in the form in which it is now seen. [3] Over against this, in the quarter called Blachernae, he built the Church of the Virgin which I just described. [4] Further on he established a shrine to St. Priscus and St. Nicholas, an entirely new creation of his own, at a spot where the Byzantines love especially to tarry, some worshipping and doing honour to these saints who have come to dwell among them, and others simply enjoying the charm of the precinct, since the Emperor forced back the wash of the sea and set the foundations far out into the water when he established this sanctuary.

[5] At the far end of the bay, on the ground which rises steeply in a sharp slope, stands a sanctuary dedicated from ancient times to Saints Cosmas and Damian. When the Emperor himself once lay seriously ill, giving the appearance of being actually dead (in fact he had been given up by the physicians as being already numbered among the dead), these Saints came to him here in a vision, and saved him unexpectedly and contrary to all human reason and raised him up.^a [6] In gratitude he gave them such requital as a mortal may, by changing entirely and remodelling the earlier building, which

was unsightly and ignoble and not worthy to be dedicated to such powerful Saints, and he beautified and enlarged the church and flooded it with brilliant light and added many other things which it had not before. [7] So when any persons find themselves assailed by illnesses which are beyond the control of physicians, in despair of human assistance they take refuge in the one hope left to them, and getting on flat-boats they are carried up the bay to this very church. [8] And as they enter its mouth they straightway see the shrine as on an acropolis, priding itself in the gratitude of the Emperor and permitting them to enjoy the hope which the shrine affords.

[9] Across the bay the Emperor built a martyr's shrine which had not existed before, by the very strand of the bay, and dedicated it to the martyr Anthimus. [10] The foundations of the shrine are washed by the caressing flow of the sea in an altogether charming manner. [11] For the incoming waves do not rise up with a roar and break on the stones there, nor do the breakers thunder aloud like those of the sea and divide and break up in a foaming mass, but the water comes forward gently, and silently touches the land and then quietly draws back. [12] And extending back from the beach is a smooth and very level court (aulê), adorned on all sides with marbles and with columns and glorying in its view over the sea. [13] Beyond this is a stoa with the church inside rising in the form of a quadrangle to a great height and made beautiful by the charm of its stones and by the gold applied to them. [14] And the length exceeds the width only by the extent of the sanctuary, where alone the sacred mysteries may be performed, along the side which faces towards the east. So much, then, for this.

[7] [1] Beyond this, just about at the opening of the bay, was built a Church of the Martyr Eirenê. This entire church was constructed by the Emperor on such a magnificent scale that I, at least, could not possibly do it justice. [2] For seeking to rival the sea in lending beauty to the land about the gulf, he set all these shrines, as in an encircling necklace, round about it. But since I have mentioned this Church of Eirenê, it will not be amiss for me at this point to recount also the incident which happened there. Here from ancient times were buried the remains of no fewer than forty holy men; these had chanced to be Roman soldiers who served in the Twelfth Legion, which in ancient times had been posted in the city of Melitenê in Armenia. [4] So when the masons were excavating in the place which I have just mentioned, they found a chest shewing by an inscription that it contained the remains of these very men. [5] And God brought to light this chest, which thus far had been forgotten, with an express purpose, partly to assure all men that He had accepted the Emperor's gifts most gladly, and partly because He was eager to repay this great man's beneficence with a greater favour. [6] It chanced that the Emperor Justinian was suffering from a grievous affliction, since a dangerous discharge had set in at the knee and caused him to be tortured with pain; and for this he himself was chiefly responsible. [7] For during all the days which precede the Feast of Easter, and which are called days of fasting, he observed

a severe routine which was unfit not only for an Emperor, but for any man who was concerned in any way with state affairs. [8] Indeed he had gone two whole days quite without food, and that too while rising regularly from his bed at early dawn and keeping watch over the State, and constantly managing its affairs by word and deed from early dawn to midday and equally into the night. [9] And although he went to his couch late in the night, he immediately rose again, as if he could not endure his bed. [10] And when he did take nourishment, he abstained from wine and bread and other foods and ate only herbs, and those, too, wild ones thoroughly pickled with salt and vinegar,^b and his only drink was water. [11] Yet he never took a sufficiency even of these, but whenever he did take a meal, he merely tasted these foods he liked and then left them before he had eaten enough. [12] Hence, then, his malady gathered strength and got beyond the help of the physicians, and for a long time the Emperor was racked by these pains. [13] But during this time he heard about the relics which had been brought to light, and abandoning human skill, he gave the case over to them, seeking to recover his health through faith in them, and in a moment of direst necessity he won the reward of the true belief. [14] For as soon as the priests laid the reliquary on the Emperor's knee, the ailment disappeared entirely, driven out by the bodies of men who had been dedicated to the service of God. And God did not permit this to be a matter of dispute, for he shewed a great sign of what was being done. [15] For oil suddenly flowed out from these holy relics, and flooding the chest poured out over the Emperor's feet and his whole garment, which was purple. [16] So this tunic, thus saturated, is preserved in the Palace, partly as testimony to what occurred at that time, and also a source of healing for those who in future are assailed by any incurable disease.

[8] [1] Thus was the bay called the Horn given distinction by the Emperor Justinian. And by erecting buildings he elaborated into a thing of great beauty the shores of the other two straits which I have just mentioned, in the following manner. [2] There happened to be two sanctuaries dedicated to the Archangel Michael, standing opposite one another on either side of the strait, the one at the place called Anaplus, on the left bank as one sails toward the Euxine Sea, the other on the opposite shore. [3] The men of ancient times called this point Proöchthi, because, I suppose, it projects far out from the shore-line there, but now it is called Brochi, for with the passage of time names are corrupted through the ignorance of local residents. [4] And the priests of these two shrines, seeing them utterly dilapidated by time and having become fearful that they would fall in upon them at any moment, petitioned the Emperor to restore both of them to their ancient form. [5] For it was not possible, during the reign of this Emperor, for any church either to be built for the first time or to be restored when it had fallen into disrepair except with imperial funds, not alone in Byzantium, but in every part of the Roman Empire. [6] So the Emperor no sooner had found this pretext than he at once tore them both down to the foundations, so that none of their previous

untidiness was left. He rebuilt the one at Anaplus in the following way. [7] By a stone quay he made the shore-line there curve inward to form a sheltered harbour and he transformed the sea-beach into a market. [8] For the sea at that point is very calm, and makes possible trading with the land. [9] And the sea-traders tie up their skiffs along the stone quay and from their decks exchange their merchandise for the products of the land. [10] Behind this shore-market extends the court (aulê) in front of the church. In colour this court resembles beautiful marbles and snow. [11] Those who promenade here delight in the beauty of the stones, while they rejoice in the view of the sea and revel alike in the breezes wafted from the water and in those that descend from the hills which tower over the land. [12] A circular (enkyklios) stoa surrounds the church and is lacking only on the side towards the east. In the centre stands the church, adorned with stones of an infinite variety of colours. [13] The roof soars aloft in the form of a dome (tholos). How could any man do justice to the work in describing the lofty stoas, the secluded buildings within the enclosure, the charm of the marbles with which both walls and pavements are everywhere arranged? [14] In addition to these an extraordinary amount of gold has been applied to every part of the shrine and looks just as if it had grown upon it. [15] This same description can be applied equally well to the shrine of John the Baptist, which the Emperor Justinian recently dedicated to him at Hebdomum, as it is called. [16] For these two shrines happen to resemble each other closely, except that the shrine of the Baptist chances not to be on the sea.

[17] Now the Church of the Archangel in the place called Anaplus was built in this way. [18] And on the opposite bank is a site somewhat removed from the sea, naturally level and raised to a height by courses of stone. [19] There has been built the other shrine of the Archangel, a work of extraordinary beauty and unrivalled in size, and because of its magnificence worthy both of Michael, to whom it is dedicated, and of the Emperor Justinian, who dedicated it. [20] Not far from this place he restored in the same way a holy shrine of the Virgin which had fallen into disrepair a long time before, and it would be a long task to study this building and describe in words its majesty. But here follows the long-awaited portion of my narrative.

[9] [1] On this shore there chanced to have been from ancient times a remarkable palace. This the Emperor Justinian has dedicated wholly to God, exchanging immediate enjoyment for the reward of piety thereby obtained, in the following manner. [2] There was a throng of women in Byzantium who had carried on in brothels a business of lechery, not of their own free will, but under force of lust. [3] For it was maintained by brothel-keepers, and inmates of such houses were obliged at any and all times to practise lewdness, and pairing off at a moment's notice with strange men as they chanced to come along, they submitted to their embraces. [4] For there had been a numerous body of procurers in the city from ancient times, conducting their traffic in licentiousness in brothels and selling others' youth in the public market-place and forcing virtuous persons into slavery. [5] But the Emperor Justinian and the

Empress Theodora, who always shared a common piety in all that they did, devised the following plan. [6] They cleansed the state of the pollution of the brothels, banishing the very name of brothel-keepers, and they set free from a licentiousness fit only for slaves the women who were struggling with extreme poverty, providing them with independent maintenance, and setting virtue free. This they accomplished as follows. [7] Near that shore of the strait which is on the right as one sails toward the Sea called Euxine, they made what had formerly been a palace into an imposing convent designed to serve as a refuge for women who repented of their past lives, [8] so that there through the occupation which their minds would have with the worship of God and with religion they might be able to cleanse away the sins of their lives in the brothel. [9] Therefore they call this domicile of such women "Repentance," in keeping with its purpose. [10] And these Sovereigns have endowed this convent with an ample income of money, and have added many buildings most remarkable for their beauty and costliness, to serve as a consolation for the women, so that they should never be compelled to depart from the practice of virtue in any manner whatsoever. So much, then, for this.

[11] As one goes on from there toward the Euxine Sea, a certain sheer promontory is thrust out along the shore-line of the strait, on which stands a martyr's shrine of St. Panteleemon, which had been carelessly built to begin with and had suffered greatly from the long passage of time; this the Emperor Justinian removed completely from the spot and in its place built in a very magnificent manner the church which now stands on this site, and he thus preserved to the martyr his honour and at the same time added beauty to the strait by setting these shrines on either side of it. [12] Beyond this shrine, in the place called Argyronium, there had been from ancient times a refuge for poor persons who were afflicted with incurable diseases. [13] This, with the passage of time, had already fallen into a state of extreme disrepair, but he restored it with all enthusiasm, so that it should provide a lodging for those who suffered in this way. And there is a certain promontory named Mochadium near the place which is now called Hieron. [14] There he built another church to the Archangel, one of peculiar sanctity and inferior in esteem to none of the shrines of the Archangel which I have just mentioned.

[15] He also dedicated a shrine to the martyr Tryphon which was finely built at a great cost of labour and of time so that it became an object of altogether indescribable beauty, in a street of the city which is named Pelargus. [16] Furthermore he dedicated a shrine to the martyrs Menas and Menaeus in the Hebdomum. And on the left as one enters the gate which is known as the Golden Gate, this Emperor found a martyr's shrine of St. Ia, fallen in ruins, which he restored with all sumptuousness. [17] Such were the labours accomplished by the Emperor Justinian in connection with the holy places in Byzantium; but to enumerate all the sacred edifices which he built through the length and breadth of the whole Roman Empire is a difficult, nay, an altogether impossible task. [18] However, when it becomes necessary for us to

mention any city or district by name, the sanctuaries in that place shall be recorded at the proper point.

[10] [1] So the churches, both in the city of Constantinople and in its suburbs, were built as stated by the Emperor Justinian; but it is not easy to recount in my narrative each one of the other buildings erected by him. [2] But to speak comprehensively, the majority of the buildings and the most noteworthy structures of the rest of the city, and particularly of the Palace area, had been burned and razed to the ground when he undertook to rebuild them and to restore them all in more beautiful form. [3] Yet it has seemed to me not at all necessary at the present time to recount these in detail, for they all been described with care in my Books on the Wars. At this point, only this shall be set down, that this Emperor's work includes the propylaea (propylaia) of the Palace and the so-called Bronze Gate as far as what is called the House of Ares, and beyond the Palace both the Baths of Zeuxippus and the great colonnaded stoas and indeed everything on either side of them as far as the market-place which bears the name of Constantine. [4] And besides these he remodeled the building known as the House of Hormisdas, which is close by the Palace, so altering and transforming it altogether into a more noble structure as to be really in keeping with the royal residence, to which he joined it, making it greater in width and consequently much more admirable.

[5] And there is before the Palace a certain market-place surrounded by columns (peristylus), which the people of Byzantium call the Augustaeum. This I have mentioned previously when in the account of the Church of Sophia I described the bronze statue of the Emperor commemorating the work, set upon a very tall column made of fitted blocks. [6] To the east of this market-place stands the Senate House, surpassing description by reason of its costliness and every element of its construction, the work of the Emperor Justinian. [7] There the Senate of the Romans assembles at the beginning of the year and celebrates an annual festival, observing always the ancient tradition of the State. [8] Six of its columns stand in front of it, two of which have between them the wall of the Senate House which faces the west, while the four others stand a little beyond it; all of them are white in colour, and in size, I believe, they are the largest of all columns in the whole world. [9] And the columns form a porch (stoa) which carries a roof curving into a vault (tholos), and the whole upper portion of the colonnade is adorned with marbles which rival the columns in their beauty, and the roof is wonderfully set off by a great number of statues which stand upon it.

[10] Not far from this market-place is the residence of the Emperor, and practically the whole Palace is new, and, as I have said, was built by the Emperor Justinian; but it is impossible to describe it in words and it must suffice for future generations to know that it happens to be entirely the work of this Emperor. [11] We know the lion, as they say, by his claw, and so those who read this will know the impressiveness of the Palace from the vestibule (protomenisma). So this entrance, which they call Chalkê, is of the following

sort. [12] Four straight walks stand in a quadrangle (tetragonos) rising heaven-high, equal to each other in all respects except that those which face south and north, respectively, are both slightly shorter than the others. [13] At each corner there projects a sort of structure (anastasis) of very carefully worked stones, ascending with the wall from the ground to its very top, having four sides, to be sure, but joined to the wall on one side, not detracting from the beauty of the structure, but actually adding a sort of grace to it by the harmony of the similar proportions. [14] Above them rise eight arches, four of which support the roof which curves over the centre of the whole structure in the form of a suspended dome (sphairoeidês), while the others, two toward the south and two toward the north, rest upon the adjoining walls and lift on high the vaulted (tholos) roof which is balanced between them. [15] And the whole ceiling boasts of its pictures, not having been fixed with wax melted and applied to the surface, but set with tiny cubes of stone beautifully coloured in all hues, which represent human figures and all other kinds of subjects. [16] The subjects of these pictures I will now describe. On either side is war and battle, and many cities are being captured, some in Italy, some in Libya; and the Emperor Justinian is winning victories through his General Belisarius, and the General is returning to the Emperor, with his whole army intact, and he gives him spoils, both kings and kingdoms and all things that are most prized among men. [17] In the centre stand the Emperor and the Empress Theodora, both seeming to rejoice and to celebrate victories over both the King of the Vandals and the King of the Goths, who approach them as prisoners of war to be led into bondage. [18] Around them stands the Roman Senate, all in festal mood. This spirit is expressed by the cubes of the mosaic, which by their colours depict exultation on their very countenances. [19] So they rejoice and smile as they bestow on the Emperor honours equal to those of God, because of the magnitude of his achievements. And the whole interior of the building, as far as the mosaics above, is clothed with handsome marbles, not only the upright surfaces, but the whole of the pavement as well. [20] Some of these marbles are of Spartan stone which rivals the emerald, while some simulate the flame of fire; but the most of them are white in colour, yet the white is not plain, but is set off with wavy lines of blue which mingle with the white. So much, then, for this.

[11] [1] As one sails from the Propontis up toward the eastern side of the city, there is on the left a public bath. This is called Arcadianae, and it is an ornament to Constantinople, large as the city is. [2] There this Emperor built a court (aulê) which lies outside the city, and it is always open to those who tarry there for promenades and to those who anchor there as they are sailing by. [3] This is flooded with light when the sun rises, and when it passes on toward the west it is pleasantly shaded. And the unruffled sea flows quietly about this court, encircling it with its stream, coming in from the Pontus like a river, so that those who are promenading can actually converse with those who are sailing by. [4] For the sea preserves its depth even though it reaches up

to the very foundations of the court and so is navigable there for ships, and by reason of the deep calm which prevails it brings together those on land and those on the sea so that they can converse with each other. [5] Such, then, is the side of the court which borders on the sea, adorned by the view over it, and breathed upon by the gentle breezes which come from it. [6] Columns and marbles of surpassing beauty cover the whole of it, both the pavement and the parts above. And from these gleams an intensely brilliant white light as the rays of the sun are flashed back almost undimmed. [7] Nay more, it is adorned with great numbers of statues, some of bronze, some of polished stone, a sight worthy of a long description. One might surmise that they were the work of Pheidias the Athenian, or of the Sicyonian Lysippus or of Praxiteles. [8] There also the Empress Theodora stands upon a column, which the city in gratitude for the court dedicated to her. [9] The statue is indeed beautiful, but still inferior to the beauty of the Empress; for to express her loveliness in words or to portray it in a statue would be, for a mere human being, altogether impossible. The column is purple, and it clearly declares even before one sees the statue that it bears an Empress.

[10] I shall now describe the labours which were carried out here by this Emperor to ensure an abundant water-supply. In the summer season the imperial city used to suffer from scarcity of water as a general thing, though at the other seasons it enjoyed a sufficiency. [11] Because that period always brings droughts, the springs, running less freely than at the other seasons, used to deliver through the conduits a less abundant flow of water to the city. [12] Wherefore the Emperor devised the following plan. At the Imperial Portico, where the lawyers and prosecutors prepare their cases, as well as all others who are concerned with such matters, there is a certain very large court (aulê), very long, and broad in proportion, surrounded by columns (peristylōs) on the four sides (tetrapleuron), not set upon a foundation of earth by those who constructed it, but built upon living rock. [13] Four colonnaded stoas surround the court, standing one on each side. Excavating to a great depth this court and one of the stoas (that which faces toward the south), the Emperor Justinian made a suitable storage reservoir for the summer season, to contain the water which had been wasted because of its very abundance during the other seasons. [14] For receiving this overflow of the aqueduct when its stream is spilling over, this cistern both furnishes a place for the water which for the moment can find no space, and provides a supply for those who need it when water becomes scarce. [15] Thus the Emperor Justinian made provision that the people of Byzantium should not be in want of fresh water.

[16] He has also built palaces at various places, completely new ones, one at the Heraeum, which they now call Hieron, and another at the place called Jucundianae. But I could never adequately describe in fitting words either their magnificence and their exquisitely detailed workmanship or their massive bulk. [17] It will be sufficient to say simply that they are regal and that they were built under the personal supervision of the Emperor and with the

help of his skill, while nothing was disregarded, excepting only money. The sum of this indeed was so great that it cannot be computed by any reckoning.

[18] There too he skilfully contrived a sheltered harbour which had not existed before. Finding a shore which lay open to the winds from two directions and to the beating of the waves, he converted it into a refuge for voyagers in the following way. [19] He prepared great numbers of what are called "chests" or cribs, of huge size, and threw them out for a great distance from the shore along oblique lines on either side of the harbour, and by constantly setting a layer of other chests in regular courses upon those underneath he erected two very long walls, which lay at an angle to each other on the opposite sides of the harbour, rising from their foundations deep in the water up to the surface on which the ships float. [20] Then upon these walls he threw rough-cut stones, which are pounded by the surf and beat back the force of the waves; and even when a severe storm comes down in the winter, the whole space between the walls remains calm, a single entrance being left between the breakwaters for the ships to enter the harbour. [21] In that place also he erected holy shrines, as I have already recounted, and stoas and markets and public baths, and practically all the other types of buildings, so that this quarter is in no way inferior to the Palace-quarter within the city. [22] And he also constructed another harbour on the opposite mainland, in the place which bears the name of Eutropius, not far distant from this Heraeum, executed in the same manner as the harbour which I have just mentioned.

[23] Now building operations carried out by the Emperor Justinian in the imperial city, to describe them in the briefest terms, were about such as I have recounted. The one detail which remains to be mentioned here I shall straightway set forth. [24] Since the Emperor maintains his residence here, it results from the very magnitude of the Empire that a throng of men of all conditions comes to the city from the whole world. [25] Each of them is led to come either by some errand of business or by some hope or by chance; and many indeed come whose affairs are not in a happy state at home, in order to petition the Emperor; and all these become residents of the city because of some compulsion which is either urgent, imminent, or threatening. [26] And in addition to their other difficulties, it comes about that these persons are also in want of quarters, being unable to pay the hire of any stay here. [27] This difficulty the Emperor Justinian and the Empress Theodora solved completely for them. For very close to the sea, in the place called Stadium (for in ancient times, I suppose, it was given over to games of some kind), they built a very large hospice, destined to serve as a temporary lodging for those who should find themselves thus embarrassed.

BOOK II.

[1] [1] All the new churches which the Emperor Justinian built both in Constantinople and in its suburbs, and all those which, having been ruined by the passage of time, he restored, as well as all the other buildings which he erected here, have been described in the preceding Book. [2] From this point we must proceed to the defences with which he surrounded the farthest limits of the territory of the Romans. Here indeed my narrative will be constrained to halt painfully and to labour with an impossible subject. [3] For it is not the pyramids which we are about to describe, those celebrated monuments of the rulers of Egypt, on which labour was expended for a useless show,^a but rather all the fortifications whereby this Emperor preserved the Empire, walling it about and frustrating the attacks of the barbarians on the Romans. And it seems to me not amiss to start from the Persian frontier.

[4] When the Persians retired from the territory of the Romans, selling to them the city of Amida, as I have related in the Books on the Wars, the Emperor Anastasius selected a hitherto insignificant village close to the Persian boundary, Daras by name, and urgently set about enclosing it with a wall and making it into a city which should serve as a bulwark against the enemy. [5] But since it was forbidden in the treaty which the Emperor Theodosius once concluded with the Persian nation, that either party should construct any new fortress on his own land where it bordered on the boundaries of the other nation, the Persians, citing the terms of the peace, tried with all their might to obstruct the work, though they were hard pressed by being involved in a war with the Huns. [6] So the Romans, observing that they were for this reason unprepared, pressed on the work of building all more keenly, being anxious to get ahead of the enemy before they should finish their struggle with the Huns and come against them. [7] Consequently, being fearful by reason of suspicion of the enemy, and continually expecting their attacks, they did not carry out the building with care, since the haste inspired by their extreme eagerness detracted from the stability of their work. [8] For stability is never likely to keep company with speed, nor is accuracy wont to follow swiftness. [9] They therefore carried out the construction of the circuit-wall in great haste, not having made it fit to withstand the enemy, but raising it only to such a height as was barely necessary; indeed they did not even lay the stones themselves carefully, or fit them together as they should, or bind them properly at the joints with mortar. [10] So within a short time, since the towers could not in any way withstand the snows and the heat of the sun because of their faulty construction, it came about that the most of them fell into ruin. So were the earlier walls built at the city of Daras.

[11] The Emperor Justinian perceived that the Persians, as far as lay in their power, would not permit this outpost of the Romans, which was a menace to them, to stand there, but they would of course assault it with all their might,

and would use every device to conduct siege operations on even terms with the city; and that a great number of elephants would come with them, and these would bear wooden towers on their shoulders, under which they would stand, supporting them like foundations; and worse still, that they would be led about wherever the enemy needed them and would bear a fortress which would follow along wherever, according to the judgement of their masters, it should happen to be needed; [21] and that the enemy would mount these towers and shoot down upon the heads of the Romans inside the city, and attack them from a higher level; that, furthermore they would raise up artificial mounds against them, and would bring up all manner of siege-engines. [13] And if any misfortune should befall the city of Daras, which was thrown out like an earthwork before the whole Roman Empire and was obviously placed as a threat to the enemy's land, the disaster for us would not stop there, but a great part of the State would be seriously shaken. For these reasons he wished to surround the place with defences in keeping with its practical usefulness.

[14] First of all he rendered the wall (which, as I have said, was very low and therefore very easy for an enemy to assault) both inaccessible and wholly impregnable for an attacking force. [15] For he contracted the original apertures of the battlements by inserting stones and reduced them to very narrow slits, leaving only traces of them in the form of tiny windows, and allowing them to open just enough for a hand to pass through, so that outlets were left through which arrows could be shot against assailants. [16] Then above these he added to the wall a height of about thirty feet, not building the addition upon the whole thickness of the wall, lest the foundations should be overloaded by the excessive weight which bore upon them, so that the whole work would suffer some irreparable damage, but he enclosed the space at that level with courses of stones on the outside and constructed a colonnaded stoa (stoa) running all around the wall, and he placed the battlements above this portico, so that the wall really had a double roof throughout; and at the towers there were actually three levels for the men who defended the wall and repelled attacks upon it. [17] For at about the middle of each tower he added a rounded structure (sphairikon schêma) upon which he placed additional battlements, thus making the wall three-storeyed.

[18] Then he observed that it had come about that many of the towers, as I have said, had fallen into ruin in a short time, yet it was entirely out of the question to pull them down, since the enemy were constantly in the neighbourhood watching their opportunity and continually scouting to see whether they might not find some part of the defences dismantled at any time. But he hit upon the following plan. [19] He left these towers in place, and outside each of them he cleverly erected another structure in the form of a rectangle, which was built securely and with every possible care, and thus, by means of a second set of defences, he safely enclosed those parts of the wall which had suffered. [20] But one of the towers, called the "Tower of the Guard," he pulled down at a favourable moment and rebuilt so that it was

safe, and everywhere he removed the fear which had arisen from the weakness of the circuit-wall. [21] He also wisely added sufficient height, in due proportion, to the outworks. [22] And outside these he dug a moat, not in the way in which men are wont to make them, but only for a short distance and in a novel manner; and the reason for this I shall explain.

[23] The greater part of the defences, as it happens, are in general unapproachable for an attacking party, since they do not stand on level ground and offer no favourable opportunity for assault to an approaching force; but they stand along a steep slope of a rough and precipitous character, where it is not possible for a mine to be dug or for any attack to be made. [24] But on the side which is turned toward south, the soil is deep and soft and consequently easy to mine, so that it makes the city assailable on this side. [25] So in that place he dug a crescent-shaped moat, with sufficient breadth and depth and extending to a great distance, and joined either end of this to the outworks and filled it amply with water, rendering it altogether impassable for the enemy; and on its inner side he set up another outwork. On this the Romans take their stand and keep guard in time of siege, freed from anxiety for the circuit-wall and the other outwork which is thrown out before the main wall. [26] And it happened that between the main wall and the outwork, at the gate which faces toward the village of Ammodius, there lay a great mound of earth, under cover of which the enemy were able to be in large measure unobserved while making mines against the city under the circuit-wall. [27] This mound he removed from the spot and he cleared up the place thoroughly, and thus frustrated any secret attack on the wall by the enemy.

[2] [1] Thus did he construct these fortifications. He likewise made reservoirs for water both in the space between the circuit-wall and the outworks and also close by the church which is dedicated to the Apostle Bartholomew, situated toward the west. [2] And a river also flows from a suburb of the city which is •two miles distant from it and is called Cordes. [3] On either side of it rise two cliffs which are exceedingly rugged. This river flows down between the heights on either side of it all the way to the city, carried along the bases of the mountains, and for just this reason it cannot be turned aside or tampered with by the enemy; [4] for there is no flat ground where they might be able to turn it from its course. And it is drawn into the city in the following way. [5] They have constructed a large channel extending out from the circuit-wall, and covered the mouth of the conduit with a great number of the thickest possible iron bars, some upright and some horizontal; and thus they have arranged that the water can enter the city without endangering the fortifications. [6] In this way the water flows into the city and fills its reservoirs and then is conducted wherever the inhabitants wish, and finally flows out at another part of the city, the opening for its discharge being made like that by which it enters the city. [7] And winding about the plain near by, it used to make the city easy to besiege; for it was not a difficult matter, thanks to the bountiful supply of water, for the enemy to encamp there. [8] So in order that this should not happen the Emperor

Justinian took the situation under careful consideration, seeking diligently to find some remedy for the condition. [9] And God provided the solution for the impossible problem which confronted him, settling the matter out of hand and saving the city without the least delay. This took place as follows.

[10] One of the men serving in the army in this place, either in consequence of a dream or led to do it of his own accord, gathered a great throng of the workmen who were engaged in the building operations and bade them dig a long trench within the circuit-wall, shewing them a certain spot where he said that they would find sweet water welling up from the recesses of the earth. [11] He made the pit in the form of a circle •fifteen feet across and drove it down to a great depth. [12] This pit proved to be the salvation of the city, not indeed by any foresight of these workmen, but an event here, which would have been a disaster, turned out entirely to the advantage of the Romans, all on account of the pit. [13] For during this time extraordinarily heavy rains fell, and the river, which I just mentioned, rose in high flood before the circuit-wall and no longer flowed in its usual bed, and it became so swollen that neither the opening by which it entered the city nor the conduit could contain it as formerly. [14] So it backed up and gathered its stream against the wall, rising to a great height and depth; in some places it was stagnant, but elsewhere it was rough and turbulent. [15] Consequently it broke through the outer defences and levelled them at once, and it also carried away a great portion of the main wall, and forcing open the gates and flowing in a mighty stream it spread over practically the whole city, and it circulated through the market-place and the streets and even through the houses, sweeping onward a great mass of furniture and wooden utensils and other such objects; then plunging into this pit it disappeared underground. [16] Not many days later it emerged near the confines of Theodosiopolis, reappearing in a place •about forty miles from the city of Daras, and it was recognised by the objects which it had carried off from the houses of that city; for the whole of the rubbish came to light there. [17] And since then, in times of peace and in prosperity, this river has flowed into the centre of the city and filled the storage-reservoirs with water to overflowing and then has been borne out of the city by the exits made for this purpose by those who built the city, as I have just explained. [18] And it waters the land in that region and is always eagerly welcomed by all those who dwell round about. But whenever a hostile army comes up to besiege the city, they close the exits through the iron bars by means of sluice-gates (katarraktais), as they are called, straightway forcing the river, by this artificial constraint, to alter its course and change its exit, and they conduct it to the pit and the chasm which leads away from it. [19] And as a result of the enemy are hard pressed by lack of water and are compelled immediately to abandon the siege. Indeed Mirrhanes, the Persian general during the reign of Cabades, came there to lay a siege, but was compelled by all these difficulties to retire after no long time without having accomplished anything. [20] And Chosroes himself, a long time later, came there for the same purpose with a great army and undertook

to attack the city. [21] But finding himself in straits for want of water, and viewing the imposing height of the circuit-wall, which he suspected was quite impregnable, he changed his purpose and departed, marching straight for the Persian territory, outwitted by the foresight of the Roman Emperor.

[3] [1] These projects, then, were carried out as I have said by the Emperor Justinian at the city of Daras. I shall now relate how he brought it about that this city should never again suffer such damage from the river, a matter in which God manifestly assisted his effort. [2] There was a certain Chryses of Alexandria, a skillful master-builder, who served the Emperor in his building operations and built most of the structures erected in the city of Daras and in the rest of the country. [3] This Chryses was away at the time when the disaster caused by the river befell the city of Daras, and after he heard the news he went to his bed in distress over the misfortune. And he saw a vision as follows. [4] It seemed in his dream that a certain creature of enormous size and in other respects too mighty to resemble a man, prescribed and gave directions for a certain device which would be able to prevent the river from again running wild to the ruin of the city. [5] He immediately surmised that the suggestion came from God, and wrote an account of the device and of the vision and sent it to the Emperor, shewing by a sketch the instructions received from the dream. [6] It chanced that not long before this a messenger had come to the Emperor from the city of Daras, who reported to him all the damage which had been caused by the river. [7] Thereupon the Emperor was greatly perturbed and deeply grieved by what had happened, and he straightway summoned the eminent master-builders Anthemius and Isidorus, whom I have mentioned previously. [8] And he communicated the details of what had happened and enquired of the men what contrivance could possibly be made, so that no such calamity might again befall the city. Each of them gave some suggestion which seemed to himself well adapted to the situation. But the Emperor, obviously moved by a divine inspiration which came to him, though he had not yet seen the letter of Chryses, devised and sketched out of his own head, strange to say, the very plan of the dream. [9] However, while their opinion was still unsettled, and it was not clear to them what should be done, they adjourned the conference. [10] And three days later there came a man who shewed to the Emperor the letter of Chryses and the drawing of the device of the dream. [11] The Emperor again summoned the master-builders, and bade them to call to mind their previous thoughts on this problem. [12] And they repeated all the details in order, both what they had devised themselves and what the Emperor had daringly proposed should be done. [13] Then the Emperor shewed them the man who had been sent by Chryses, and his letter, and told them of the vision of what was to be done which had been seen in the dream, and the sketch which had been made, and caused them to marvel greatly, as they considered how God becomes a partner with this Emperor in all matters which will benefit the State. [14] So the Emperor's plan won the day, while the wisdom and skill of the master-builders yielded place to it. [15] And

Chryses again went to the city of Daras, with instructions from the Emperor to carry out with all zeal the scheme which had been described, just as the intimation of the dream had dictated. And he carried out the instructions in the following manner.

[16] At a place •about forty feet removed from the outer fortifications (proteichisma) of the city, between the two cliffs between which the river runs, he constructed a barrier (antiteichisma) of proper thickness and height.

[17] The ends of this he so mortised into each of the two cliffs, that the water of the river could not possibly get by that point, even if it should come down very violently. [18] This structure is called by those skilled in such matters a dam (phraktes) or flood-gate (aris), or whatever else they please. [19] This barrier (antiteichisma) was not built in a straight line, but was bent into the shape of a crescent, so that the curve, by lying against the current of the river,

might be able to offer still more resistance to the force of the stream. [20] And he made sluice-gates (thyrides) in the dam, in both its lower and its upper parts, so that when the river suddenly rose in flood, should this happen, it would be forced to collect there and not go on with its full stream, but discharging through the openings only a small volume of the excess accumulation, would always have to abate its force little by little, and the city-wall would never suffer damage. [21] For the outflow collects in the space which, as I have said, extends for •forty feet between the dam and the outer fortifications, and is under no pressure whatever, but it goes in an orderly fashion into the customary entrances and from there empties into the conduit (ochetagogia). [22] And the city gate itself, which the river had earlier burst open by its sudden pressure, he removed from that place, and he walled up with very large stones the place which it had formerly occupied, because lying on level ground, as it did, it was easily reached by the river when it was in flood. [23] And he set this gate near by at a place higher up where the circuit-wall was on a steep slope, to which the river could not possibly come. Thus were these works carried out by this Emperor.

[24] And there was a great difficulty regarding water for the people living in this city. For they had neither any spring welling up there, nor water conveyed about the streets of the city by a conduit (ochetos); neither was it stored there in any cisterns; but while those very near whose streets the river flowed drew their drinking-water without any trouble because of its proximity, those whose homes chanced to be very far from the river's course, were obliged to choose one of these two alternatives — either to take a vast deal of trouble in order to obtain drinking-water at all, or to perish of thirst. [25] But the Emperor Justinian built a great conduit by which he led the water about to every part of the city, and thus relieved the straits of the inhabitants. [26] Furthermore, he constructed two shrines, both the Great Church, as it is called, and the Church of the Apostle Bartholomew. He also built numerous barracks for the soldiers, in order that they might cause no annoyance whatever to the inhabitants.

[27] Likewise both the wall and the outworks of the city of Amida, which

had been built long before, and, because of their age, seemed likely to fall in ruins, he not long afterwards replaced by new structures and thus restored the safety of the city. [28] All else that he did in the fortresses which chance to be within the territory of these cities I shall now proceed to relate.

[4] [1] As one goes from Daras into the Persian country there lies on the left a territory which cannot be traversed at all by waggons or even by horses, extending to a distance of about two days' journey for an unencumbered traveller and ending in a steep and precipitous bluff which is called Rhabdios.

[2] And on both sides of this road leading to Rhabdios the Persian territory stretches out to a very great distance. [3] At first I was amazed at this, and I made enquiry of the natives how it came about that a road and district which belonged to the Romans had land of the enemy on either side of it; and some of them explained that the place had belonged to the Persians at one time, but that at the petition of the Persian King one of the Roman Emperors had handed over a certain vine-producing village near Martyropolis and had received this place in exchange for it. [4] Rhabdios stands on precipitous and wholly wild rocks, which rise there to an astonishing height. [5] And beneath it is a place which they call the Field of the Romans, I suppose because they marvelled, at first, that though this lies in the midst of Persian territory, it belongs to the Romans. [6] This Field of the Romans lies on flat ground, and is very productive of the crops which grow on corn^o-lands. [7] One might conjecture this also from the circumstance that Persian territory surrounds the place on every side.

[8] There is a fortress in Persia of very great note, Sisauranon by name, which the Emperor Justinian once captured and levelled to the ground, taking captive a great throng of Persian horsemen along with their leader Bleschames. [9] This is separated from the city of Daras by a journey of two days for an unencumbered traveller, and is about three miles distant from Rhabdios. [10] At first this region was unguarded and was of no consequence whatever to the Romans. For it had never been garrisoned nor had it been fortified, and it had not received any other care from them. [11] Indeed it was to the Persians that those who farmed the "Field" which I just mentioned paid fifty staters annually, just as though they were paying ordinary taxes, on condition that they might possess their own lands free from fear and be able to profit by the crops which grew upon them. [12] But the Emperor Justinian arranged to alter all this for their benefit. He encircled Rhabdios with a wall built along the crest of the rocks which rise there, thus making the place inaccessible for the enemy, that is, with the assistance of nature. [13] Then, since those who dwelt there had a scanty supply of water — for no spring was to be found on the summit of the rocks — he constructed two cisterns and dug channels into the rock there in many directions, so that he made many reservoirs for water, in order that when the rain-water collected in these the inhabitants might be able to use them in security, and then they might not be captured easily when hard pressed for lack of water.

[14] And all the other forts which lie in the mountains, forming a line from there and from the city of Daras all the way to Amida, namely Ciphas and Sauras and Margdis and Lournês and Idriphthon and Atachas and Siphriûs and Rhipalthas and Banasymeôn, and also Sinas and Rhasios and Dabanas, and all the others which have been there from ancient times, and which had previously been fenced about in most ridiculous fashion, he rebuilt and made safe, transforming them to their present aspect as to both beauty and strength, and making them impregnable, so that actually they are thrown out as a mighty bulwark to shield the land of the Romans. [15] In that place there is a lofty mountain towering to the sky, exceedingly steep and altogether inaccessible. [16] And in the plain below the soil lies deep and soft, an excellent surface for plowing and extremely good for pasture, for it is covered with a great abundance of forage. [17] There are numerous villages along the foot-hills of the mountain, inhabited by people who are indeed happy in their possession of the necessities of life, but would be easy to capture, if anyone should attack them. [18] This situation the Emperor Justinian corrected for them by building a fort on the very tip of the mountain, so that they might store their most valuable property there and also, fleeing thither, save themselves whenever the enemy should come against them; and this fort is named Basileôn. [19] Furthermore, he carefully rebuilt the forts about the city of Amida which had been enclosed by mud walls and were entirely at the mercy of the enemy, and he so transformed them all that they were perfectly secure. [20] Among these are Apadnas and the little town of Virthon; for it is not easy to mention all separately by name. [21] But, to speak briefly, he has made impregnable at the present time all the places which previously lay exposed to assailants. And as a result of this, Mesopotamia is manifestly inaccessible to the Persian nation.

[22] But I must not pass by in silence the device which he hit upon in the fort Baras which I have just mentioned. It so happened that inside the fort there was no water at all, for this Baras was built on the steep slope of a very high mountain. [23] Outside the fort, however, at a very great distance, there was a spring at the foot of the mountain, beyond the slope; but it had seemed inadvisable to enclose this within the fortifications of the stronghold, so that no part of the defences might lie on level ground and so be easy to capture. Therefore he devised the following plan. [24] He bade them dig within the fortifications until they came approximately to the level of the plain. And when this work was completed according to the Emperor's instructions, water was found there, contrary to all expectation, running in from the spring. Thus not only is the fortress placed in a position of safety, but it proves to be properly situated as regards water also.

[5] [1] In the same way he restored the circuit-wall of Theodosiopolis, which stands on the River Aborrhâs as a bulwark of the Roman Empire; for time had succeeded most completely in breaking it down, so that it afforded no assurance of safety to the people there, but rather kept them all in a constant state of terror for fear that it would fall upon them in the not distant future.

But this Emperor rebuilt the greater part of the wall and thus succeeded effectually in checking the inroads of the Persians at least on the Mesopotamian border.

[2] The work that he carried out in Constantina is also worthy of mention. Formerly the circuit-wall of this city was of such a height that it could be scaled with a ladder, and its whole method of construction made it easy to attack, built as it was by men of former times in a casual sort of way. [3] Indeed the towers were so widely separated that if any attackers advanced to make an assault upon the space between them, the defenders posted on the towers had no means of driving them back. Moreover the wall had suffered from the passage of time, and for the most part had come to be not very far from a state of collapse. [4] Furthermore, the outworks (proteichisma) protecting the city were of such a sort that they looked like a wall built for the purpose of attacking it (epiteichisma). In fact their thickness had not been made more than three feet, and even that was held together with mud, the lower courses for a short space being built of hard stone suitable for making mill-stones (lithos mylites), but the upper portion consisting of so-called "white stone" (leukolithos), which is untrustworthy and very soft. So the whole place was easy for assailants to capture. [5] But the Emperor Justinian rebuilt with new masonry those portions of the circuit-wall which had suffered, particularly the parts which faced the west and the north. [6] And in all parts of the defences he inserted a new tower between each pair of towers, and consequently all the towers stood out from the circuit-wall very close to one another. [7] Also he added greatly to the height of the whole wall and of all the tower, and thus made the defences of the city impregnable to the enemy. [8] And he also built covered approaches (anodoi) to the towers, and made them three-storied (triôrophoi) by adding courses of stones curved in the form of vaults (tholoi); thus he made each one of them a pyrgo-castellum, as it was called and as it actually was. [9] For they call forts castella in the Latin tongue. Furthermore, Constantina in former times used to suffer terribly for want of water. [10] Outside the city, about a mile away, there are springs of sweet water and then a very large grove planted with trees which reach to the sky; but within the walls, where the streets happen to be sloping, and not level, the city had been without water from early times, and the inhabitants always suffered from thirst and from the great difficulty of obtaining water. [11] But the Emperor Justinian brought the stream within the wall by means of an aqueduct, and adorned the city with ever-flowing fountains, so that he might justly be called its founder. All this, then, is what was done by the Emperor Justinian for these cities.

[6] [1] And there was a Roman fortress beside the Euphrates River on the frontier of Mesopotamia at the point where the Aborrhas River mingles with the Euphrates, into which it empties. [2] This is called Circesium, and was built by Emperor Diocletian in ancient times. [3] And our present Emperor Justinian, finding it dilapidated through the passage of time and neglected besides and in

general unguarded, transformed it into a very strong fortress and brought it about that it became a city conspicuous for its size and beauty. [4] For Diocletian, when he constructed this fortress, did not surround it with a wall on all sides, but carried out the construction of the circuit-wall only as far as the River Euphrates, and he finished off the work at each of the two ends with a terminal tower, but after that he left that side of the site wholly unwallled, believing, I suppose, that the water of the river would serve as a protection for the fort on that side. [5] However, as time went on, the terminal tower which faced toward the south was undermined by the ceaseless wash of the water, and entirely wrecked, and it became evident that, unless someone brought help with the greatest speed, it would collapse immediately. [6] Then appeared the Emperor Justinian, entrusted by God with this commission, to watch over the whole Roman Empire and, so far as was possible, to remake it. [7] Indeed he not only preserved the damaged tower by rebuilding it with hard stone, such as would be suitable for making mill-stones, but he also enclosed the entire unwallled side of the fortress with a wall of the greatest strength, thus doubling its stability by adding the protection given by the circuit-wall to that afforded by the river. [8] In addition to this, he added very strong outworks to the defences of the city, and especially where the junction of the two rivers forms a triangle he thus made any attack by the enemy impossible. [9] And he stationed here a commander of select troops, one whom they call a Duke or "leader," who was to be stationed there permanently, and he thus constituted the place an adequate bulwark of the government of the State. [10] The bath, too, which serves the common use of all the people living in the city, had become entirely useless because of the incursion of the river, with the result that it was no longer capable of providing its usual service; and so he transformed it to its present state of splendour. [11] For all the receptacles which previously were poised on solid masonry and were destined to serve the purposes of the bath (it is beneath these that fire is kept burning, and they are wont to call them cauldrons) — all these, he found, had already been exposed to the invasion of the water, and consequently the bath had been rendered useless; so he strengthened with courses of stone all that had formerly been poised there, as I have explained, and built another structure above it, where the river cannot reach it, and thus he restored to the troops there the enjoyment which they gained from the bath. In such a way was the work at Circesium carried out by this Emperor.

[12] Beyond Circesium is an ancient fort, Annoucas by name, whose wall, which he found a ruin, the Emperor Justinian rebuilt in such magnificent style that thereafter it took second place in point of strength to no single one of the most notable cities. [13] In the same way those forts which lie about the city of Theodosiopolis, some of which had previously been without walls, while some were wallled with mud and the ridiculous construction that goes with mud-work, like a wall made of loose stones, he made truly formidable, as they now are, and altogether unapproachable for their assailants; [14] these include

Magdalathôn with two others which chance to be on either side of it, and two named Thannourios, one large and one small, and Vimisdeôn, and Themeres, as well as Vidamas, Dausarôn, Thiolla, Phichas and Zamarthas, and, one may say, all the rest. [15] And there was a certain spot near the larger Thannourios at which the hostile Saracens, after crossing the Aborrhâs River, had complete freedom to resort, and making that their headquarters they would scatter through the thick leafy forest and over the mountain which rises there, and then they would descend with impunity upon the Romans who lived in the places round about. [16] But now the Emperor Justinian has built a very large tower of hard stone at this point, in which he has established a very considerable garrison, and thus has succeeded completely in checking the inroads of the enemy by devising this bulwark against them.

[7] [1] Such were the works of the Emperor Justinian in Mesopotamia. And it is necessary for me at this point in my narrative to mention Edessa and Carrhae and Callinicum and all the other towns which chance to lie in that region, for these too are situated between the two rivers. [2] The city of Edessa is situated on a river of small volume, Scirtus by name, which collects its water from a wide area and flows into the middle of the city. [3] And after leaving the city, it flows on further, after it has furnished the city with an abundant supply, effecting its entrance and its exit through channels in the wall constructed by men of former times. [4] On one occasion this river, swollen by heavy rains, rose to an altogether extraordinary height and came upon the city as if bent on destroying it. [5] Consequently it levelled to the ground a large part of the outworks and of the circuit-wall and covered practically the whole city, doing irreparable damage. For in a moment it wiped out completely the finest of the buildings and caused the death of one third of the population. [6] But the Emperor Justinian immediately not only restored all the ruined parts of the city, including the church of the Christians and the structure called Antiphorus, but also made effective provision that such a calamity should not occur again. [7] For he succeeded in making a new channel for the river before the circuit-wall, circumventing it by the following device. [8] The land on the right of the river was formerly both flat and low, while on the left stood a steep hill, which did not permit the stream to turn aside at all or deviate from its customary course, but drove it against the city by sheer compulsion; for on the right there was nothing to check it when it rushed straight towards the city. [9] So he cut down this whole hill, and while making the land on the left of the river hollow deeper than its own bed, on the right he set up a huge wall of stones, each a load for a waggon, so that as long as the river flowed with its usual temperate stream, the city would never be deprived of its benefit, but whenever by any chance it rose to a great height and overflowed, a moderate portion of it would flow as usual into the city, while the excess of the stream would pass under constraint into the channel devised by Justinian and be led behind the hippodrome which is not far away, thus being vanquished, contrary to all expectation, by human skill and foresight. [10]

In addition to this, he also compelled the river to follow a practically straight course after it gets inside the city, and above it he raised a structure resting on either bank so that it could not be diverted from its course, and he thus not only preserved the benefit which the city gained from the river, but also freed the city from the fear of it. [11] Moreover, it happened that the main wall of Edessa and its outworks had suffered from the passage of time no less than they had from the flood and for the most part were fit only to be called ruins. [12] Therefore the Emperor rebuilt both of them and made them new and much stronger than they had been formerly. [13] And a certain section of the circuit-wall of Edessa contains a fort outside of which rose a hill, which stood very close by and commanded the city spread out beneath it. [14] The inhabitants of early times, perceiving that this hill constituted a threat to the city-wall, had brought it inside the circuit-wall, so that it might not render the city vulnerable. [15] But by this they caused the city to be actually much more vulnerable, for a very small cross-wall, lying on the exposed ground, was an easy thing to capture even for children playing at storming a wall. [16] So after this had been torn down, another wall was built on the crest of the hill, the work of the Emperor Justinian, which did not have to fear any attack to be made from a higher position, and this descended along the slope as far as the level ground at either end and was joined to the circuit-wall.

[17] Furthermore, he also took down the walls and the outworks of Carrhae and of the city of Callinicum, which were falling into ruin because of their great age, and once more made them, as they now are, entire and completely invulnerable. [18] He also surrounded with very strong walls the fortress at Batnae which previously had been unwallled and neglected, and transformed it into the fine condition in which it is now seen.

[8] [1] So these structures were erected by the Emperor Justinian in the manner which I have described in Mesopotamia and in Osroenê, as it is called. [2] And I shall describe the fashion in which his work was carried out on the right of the Euphrates River. [3] The other boundaries between the Romans and the Persians are in general of such a sort that the territories of the two peoples are adjacent to each other, and both peoples push out from their own territory and either fight with each other or compose their differences, as people will whenever nations differing in customs and in government hold any land on a common boundary. [4] However, in the territory anciently called Commagenê, but now known as Euphratesia, they do not live close to each other at all. For a land which is altogether bare and unproductive separates the Roman and the Persian territory for a great distance, and this contains nothing worth fighting for. [5] Both of them, however, have built forts carelessly of unbaked brick in the desert which chances to lie nearest to the land which they inhabit; [6] these forts never suffered attack from their neighbours, for both peoples lived there without enmity, since they possessed nothing which their adversaries might desire. [7] The Emperor Diocletian had built three forts, such as I have described, in this desert, one of which, Mambri by name, had fallen

into decay in the long course of time and was restored by the Emperor Justinian.

[8] At a distance of •about five miles from this fort on the road to Roman territory, Zenobia, wife of Odonathus, who was ruler of the Saracens in that district, once founded a small city in earlier times and gave her name to it; [9] for the name she gave it was Zenobia, as was fitting. But the long period of time that had elapsed since those events had reduced its circuit-wall to a ruin, since the Romans were quite unwilling to take care of it, and thus it had come to be altogether destitute of inhabitants. [10] So it was possible for the Persians freely, whenever they wished, to get into the middle of Roman territory before the Romans had word of the hostile inroad. [11] But the Emperor Justinian rebuilt Zenobia completely and he filled it quite full of inhabitants, and he stationed there a commander of select troops and a thoroughly adequate garrison, and made it a bulwark of the Roman Empire and a frontier barrier against the Persians; [12] indeed he did not simply restore its previous form, but he actually made it very much stronger than it was before. [13] It is surrounded by cliffs which stand very close to the city, and for this reason it was possible for the enemy to shoot down from their summits upon the heads of the defenders of the circuit-wall. [14] This he was anxious to prevent, and so he built a certain additional structure on the top of the circuit-wall, at precisely the place where the cliffs are nearest, designed to serve permanently as a shelter for the men fighting there. Such a structure they call “wings” (ptera), because it appears to droop, as it were, from the wall. [15] However, it is impossible to describe all that the Emperor accomplished at Zenobia, since, seeing that it occupies a site far removed from any neighbour and on this account is sure to be always in danger, and that it is unable to secure succour because there are no Romans who live near at hand, the Emperor considered the city worthy, as well he might, of his unceasing attention above all other places. Nevertheless I shall describe a few of the things that were done there.

[16] By the side of Zenobia flows the Euphrates River, passing to the east of it and coming very close to the circuit-wall on that side; but since high mountains rise beside the river at this point, the stream cannot spread out at all, but by reason of the proximity of these mountains and because it is constrained by its banks, which are hard, it would gather its stream into an extraordinarily narrow space whenever it chanced that rains caused it to rise in flood, and would pour out against the wall and immediately rise, not only about the foundations but even as far as the battlements. [17] And when the wall had once been soaked through by the water, the result was that the river loosened the courses of stones and thereafter the wall stood upon a dangerous conglomeration of stones. [18] But he constructed a huge protective wall (probolos) of hard stone of equal length with the circuit-wall, and caused this to check at that point the turbulence of the river when it rose, and so freed the wall entirely from harm from this source, even should the river rise to a great height in its most violent state. [19] He also found that portion of the city’s

circuit-wall which faces the north dangerously weakened by the passage of time; so he first took it down, along with the outworks, clear to the ground, and then rebuilt it, yet not as it had been before, for at that point the buildings of the city had been especially crowded, causing trouble to those who lived there. [20] But he went beyond the place where the foundations of the circuit-wall and the outworks had formerly stood, even beyond the moat itself, and there he built the wall, which is a remarkable sight in itself and exceptionally beautiful, thus materially increasing the area of Zenobia. [21] Furthermore, a certain hill stood very close to the city on the side toward the west, from which it was possible for the barbarians, whenever they attacked the city, to shoot down with impunity upon the heads of the defenders, and even upon the heads of those who stood in the middle of the city. [22] So the Emperor Justinian connected the fortifications with this hill on both sides, and thus brought it inside Zenobia; and he escaped the whole hill throughout, so that no one might climb it to work harm from there, and placed another fortification on its summit and thus made the city altogether inaccessible to those who wished to assault it. [23] For beyond the hill it chanced that the ground is very low and for this reason it is impossible for the enemy to approach it at all closely. [24] And immediately above the depression rise the mountains which face toward the west. Yet this Emperor did not provide only for the safety of this city, but he erected churches there and barracks for the military forces; [25] nay more, he added to it public baths and stoas. For all these operations the master-builders Isidorus and John gave their assistance — John a Byzantine and Isidorus a Milesian by birth, nephew of the Isidorus whom I have mentioned before. Both of them were young men, but they displayed a natural ability beyond their years, and they had come to their full maturity with their experience in the Emperor's undertakings.

[9] [1] After Zenobia is the fortress of Sura, situated on the Euphrates River, which had such contemptible defences that when Chosroes, on one occasion, attacked, it did not hold him off for so much as a half-hour, but was captured immediately by the Persians. [2] This too, like Callinicum, was rebuilt by the Emperor Justinian, who surrounded the entire fortress with a very stout wall, which he strengthened by outworks and thus brought it about that it should no longer yield to the enemy's assaults.

[3] There is a certain church in Euphratesia, dedicated to Sergius, a famous saint, whom men of former times used to worship and revere, so that they named the place Sergiopolis, and they had surrounded it with a very humble wall, just sufficient to prevent the Saracens of the region from capturing it by storm. [4] For the Saracens are naturally incapable of storming a wall, and the weakest kind of barricade, put together with perhaps nothing but mud, is sufficient to check their assault. [5] At a later time, however, this church, through its acquisition of treasures, came to be powerful and celebrated. [6] And the Emperor Justinian, upon considering this situation, at once gave it careful attention, and he surrounded the church with a most remarkable wall,

and he stored up a great quantity of water and thus provided the inhabitants with a bountiful supply. [7] Furthermore, he added to the place houses and stoas and the other buildings which are wont to be the adornments of a city. [8] Besides this he established there a garrison of soldiers who, in case of need, defended the circuit-wall. [9] Chosroes, indeed, the King of the Persians, made a great effort to capture the city, sending a great army to besiege it; but because of the strength of the defences he accomplished nothing and abandoned the investment.

[10] The Emperor bestowed the same careful attention on all the towns and forts which lie on the farthest borders of Euphratesia, namely Barbalissus and Neocaesarea, and Gaboulôn, as it is called, and the Pentacomia which is on the Euphrates River, and Europus. Also he found the walls of the place called Hemerium to be in part carelessly built and of unsafe construction and in part actually to consist of nothing but mud, while the place suffered from great scarcity of water, so that it was in every way an object of contempt to the enemy; so he razed it to the ground and immediately rebuilt it all carefully with courses of very hard stone, rightly giving the work generous proportions of both breadth and height, and he fashioned many cisterns for water in all parts of the defences, filling all these amply with rain-water; moreover, he established a large garrison there and so brought about the state of security which we now see there, and made the city's dominance sure. [11] And if one should consider these fortresses very carefully, disregarding all the other useful works of the Emperor Justinian, he would say that it was solely for this purpose that he succeeded to the imperial power, since God unceasingly provides for the safety of the Roman people.

[12] In addition to these he also found Hierapolis, which happens to be the first of all the cities of that region, lying exposed to those who wished to attack it, and by his prudent foresight he assured its safety. [13] Previously it had enclosed a large tract of barren land, and consequently was undefended; so he relieved it of this senseless expanse and made the circuit-wall shorter as well as more safe, reducing it to a measure calculated to meet the actual need of the situation, and thus bringing it about that the city is among the strongest of the present day. [14] Here too he conferred the following benefit. An unfailing supply of drinking-water springs up from the recesses of the earth in the midst of the city and makes a broad lake there. [15] And whenever an enemy chances to lay siege to the place, this water proves the salvation of the city; but in good times the lake becomes unnecessary to it, because abundant water is brought in from outside. [16] And as time went on, the inhabitants of the place, having enjoyed a long-continued peace and experiencing no need, treated this spring with neglect. For in times of prosperity human nature knows not how to take thought against ills not yet at hand. [17] So they kept filling the lake constantly with pollution, both swimming and washing clothes in it and throwing all manner of rubbish into it. . . .

[18] There were also two other towns in this district of Euphratesia, Zeugma

and Neocaesarea, which went by the name of fortified towns, but were enclosed by fortifications resembling walls of loose stones. [19] And because these were made too low when they were built, they were accessible to the enemy without any effort, since they could leap upon them without fear, while their extreme narrowness made them impossible to defend, since the garrison of the town had no place whatever where they might stand and carry on the defence. [20] But the Emperor Justinian surrounded these places too with real walls of adequate breadth and height, and he made them strong in their other equipment, and so brought it about that they are justly called cities and are too well built for hostile attacks.

[10] [1] He also turned his attention to the cities which had been captured by Chosroes. (This was when that barbarian ignored the oaths he had sworn at the time of the “endless peace” and the money given him to secure this peace; when he was filled with malice against the Emperor Justinian because he had become master of Italy and of Libya by conquest, and was moved less by the obligation of his oaths than by his rage at the Emperor’s successes. So he watched for the right time, and when the greater part of the Roman army was away in the West, he invaded the Roman territory without any previous notice, before the Romans could hear of the approach of the enemy). So the Emperor Justinian transformed these cities to such a state of safety and beauty that they are all much more prosperous at the present time than they were formerly, and no longer need either be fearful of the inroads of the villainous barbarians, or apprehensive for any reason of their attacks.

[2] Above all he made Antioch, which is now called Theopolis, both fairer and stronger by far than it had been formerly. [3] In ancient times its circuit-wall was both too long and absolutely full of many turnings, in some places uselessly enclosing the level ground and in others the summits of the mountain, and for this reason it was exposed to attack in a number of places. [4] But the Emperor Justinian, contracting this wall as would best serve the need, carefully remade it so as to guard, not the same districts as before, but only the city itself. [5] As for the lower part of the circuit-wall, where the city was dangerously spread out (since it lay in a soft plain and could not be defended because of a superfluity of wall), he changed its course by drawing it inward as much as possible, it having gained protection by being compressed. [6] And the River Orontes, which had flowed past the city, as it formerly was, in a winding course, he thrust over so that it ran in a new bed, hugging the circuit-wall. [7] He did this by winding the stream round again by means of an artificial channel as near the wall as possible. In this way he both relieved the city of the danger arising from its excessive size and recovered the protection afforded by the Orontes. [8] And by building other bridges there he furnished new means of crossing the river; and after changing its stream for as great a distance as was necessary, he then restored it to its former course. [9] The upper part, in the mountainous portion, he managed as follows: on the summit of the mountain which they call Orocassias there happened to

be a rock outside the wall and very close to it, nearly matching in height the circuit-wall in this place and making it quite vulnerable. [10] It was from this point in fact that the city was taken by Chosroes, as is related in my description of the event. The region within the circuit-wall was for the most part bare and difficult to traverse, [11] for high rocks and impassable ravines divide up that district, so that the paths from that place have no outlet. Thus the wall there is just as if it belonged to some other city and not to Antioch at all. [12] So he bade a long farewell to the rock, which, being close to the wall, was fiendishly devised to make the wall easy to capture, and decided to build the defences of the city as far away from it as possible, having learned from the experience of events the folly of those who had built the city in former times. [13] Moreover he made quite level the region within the wall, which formerly had been precipitous, building ascents there which would in the future be passable, not only for men on foot, but for cavalry, and would even serve as waggon-roads. [14] He also built baths and reservoirs on these hills inside the wall. And he dug a cistern in each tower, remedying by means of rain-water the want of water which had previously existed there.

[15] It is proper to describe also what he did with the torrent which comes down from these mountains. Two precipitous mountains rise above the city, approaching each other quite closely. [16] Of these they call the one Orocassias and the other is called Staurin. Where they come to an end they are joined by a glen and ravine which lies between them, which produces a torrent, when it rains, called Onopnictes. This, coming down from a height, swept over the circuit-wall and on occasion rose to a great volume, spreading into the streets of the city and doing ruinous damage to those who lived in that district. [17] But even for this the Emperor Justinian found the remedy, in the following way: Before that part of the circuit-wall which happens to lie nearest to the ravine out of which the torrent was borne against the fortifications, he built an immense wall or dam, which reached roughly from the hollow bed of the ravine to each of the two mountains, so that the stream should no longer be able to sweep on when it was at full flood, but should collect for a considerable distance back and form a lake there. [18] And by constructing sluice-gates in this wall he contrived that the torrent, flowing through these, should lose its force gradually, checked by this artificial barrier, and no longer violently assault the circuit-wall with its full stream, and so overflow it and damage the city, but should gently and evenly glide on in the manner I have described and, with this means of outflow, should proceed through the channel wherever the inhabitants of former times would have wished to conduct it if it had been so manageable.

[19] This, then, was what the Emperor Justinian accomplished concerning the circuit-wall of Antioch. He also rebuilt the whole city, which had been completely burned by the enemy. [20] For since everything was everywhere reduced to ashes and levelled to the ground, and since many mounds of ruins were all that was left standing of the burned city, it became impossible for the

people of Antioch to recognise the site of each person's house, when first they carried out all the debris, and to clear out the remains of a burned house; and since there were no longer public stoas or colonnaded courts in existence anywhere, nor any market-place remaining, and since the side-streets no longer marked off the thoroughfares of the city, they did not any longer dare to build any house. [21] But the Emperor without any delay transported the debris as far as possible from the city, and thus freed the air and the ground of all encumbrances; then he first of all covered the cleared land of the city everywhere with stones each large enough to load a waggon. [22] Next he laid it out with stoas and market-places, and dividing all the blocks of houses by means of streets, and making water-channels and fountains and sewers, all those of which the city now boasts, he built theatres and baths for it, ornamenting it with all the other public buildings by means of which the prosperity of a city is wont to be shewn. He also, by bringing in a multitude of artisans and craftsmen, made it more easy and less laborious for the inhabitants to build their own houses. [23] Thus it was brought about that Antioch has become more splendid now than it formerly was. [24] Moreover, he built there a great Church to the Mother of God. The beauty of this, and its magnificence in every respect, it is impossible to describe; he also honoured it with an income of a very large sum. [25] Moreover, he built an immense Church for the Archangel Michael. He made provision likewise for the poor of the place who were suffering from maladies, providing buildings for them and all the means for the care and cure of their ailments, for men and women separately, and he made no less provision for strangers who might on occasion be staying in the city.

[11] [1] In the same manner he also repaired the circuit-wall of the city of Chalcis, which had been faultily built in the first place and had been wrecked by the years; he restored this along with the outworks and rendered it much more defensible than before, and gave it the form which we now see.

[2] There was a certain utterly neglected fortress in Syria, Cyrus by name, which the Jews built in early times, when they have been carried off as captives from Palestine into Assyria by the army of the Medes and were released much later by King Cyrus; and for this reason they named the place Cyrus, paying this tribute of gratitude to their benefactor. [3] And as time went on this place came to be neglected in general and remained altogether without walls. [4] But the Emperor Justinian, both out of his forethought for the safety of the State, and at the same time shewing especial honour to the Saints Cosmas and Damian, whose bodies lie close by even up to my day, made Cyrus a flourishing city and one of great note through the safety afforded by the strongest possible wall, by the greatest strength of its garrison, by the size of its public buildings, and by the imposing scale of its other appointments. [5] The interior of this city had been destitute of water from ancient times; outside of it there had been a certain extraordinary spring which provided a great abundance of water fit for drinking, yet it was utterly useless to the

inhabitants of the city, since they had no means of drawing water from the spring except with great toil and danger. [6] For it was necessary, in order to get to it, for them to make use of circuitous paths, since a steep and altogether impassable area lay between; thus they could easily fall into the hands of the enemy if they should happen to lie in ambush. [7] So he dug a channel outside the city all the way to the spring, not allowing it to be seen, but concealing it as carefully as possible, and thus he provided the inhabitants with a supply of water without toil or risk.

[8] Also he restored the entire circuit-wall of the city of Chalcis, which had fallen down to the ground and anyhow was unsuitable for defence, by means of exceptionally stout masonry, and he strengthened it with outworks. [9] Furthermore, he improved the other towns and forts of the Syrians in the same manner and made them altogether objects of envy.

[10] Thus did the Emperor Justinian assure the safety of Syria. And there is a city in Phoenicia by Lebanon, Palmyra by name, built in a neighbourless region by men of former times, but well situated across the track of the hostile Saracens. [11] Indeed it was for this very reason that they had originally built this city, in order, namely, that these barbarians might not unobserved make sudden inroads into the Roman territory. [12] This city, which through lapse of time had come to be almost completely deserted, the Emperor Justinian strengthened with defences which defy description, and he also provided it with abundant water and a garrison of troops, and thus put a stop to the raids of the Saracens.

BOOK III.

[1] [1] Thus the Emperor Justinian strengthened the territory of the East with fortifications, as I have set forth in the preceding Book. And since I began at the Persian frontier of the Roman Empire in describing the defences built by him, it has seemed to me not inappropriate to pass on from there to Armenia, which adjoins Persia from the city of Amida as far as the second Theodosiopolis. [2] But now that I am about to mention the buildings of that region, it seems to me highly opportune to describe first how this Emperor brought the Armenians out of a very precarious way of life into their present state of complete safety. [3] For it was not by means of buildings alone that he saved these subjects of his, but also by his foresight in other matters, as I shall presently shew. But I must go back a little to begin.

[4] The Armenians of ancient times used to have a king of their own race, as is recorded by those who have written the history of the earliest period. [5] And when Alexander of Macedon overthrew the King of the Persians, the Persians remained quietly in subjection, but the Parthians rose against the Macedonians and overcoming them in the struggle, drove them out of the country and gained the territory as far as the Tigris River, and the Persian state remained subject to them after that for five hundred years, until Alexander, son of Mamaea, became Emperor of the Romans. [6] At one time, one of the kings of the Parthians appointed his brother, Arsaces by name, King of the Armenians, as the history of the Armenians declares. I say this lest anyone think the descendants of Arsaces are Armenians. [7] At least peace continued between them for these five hundred years because of the kinship. And the King of the Armenians had his seat in Greater Armenia, as it was called, being subject to the Roman Emperor from an early period; but at a later time two sons were born to a certain Arsaces, King of Armenia, Tigranes and Arsaces by name. [9] When this king was about to reach the end of his life, he made a will in which he made both of the boys his successors in the kingdom, not assigning an equal weight of power to each of them, but leaving to Tigranes a four-fold portion. [10] So the father Arsaces, having made this disposition of the royal power, departed from the world, but his son Arsaces, being resentful and angry because his portion proved to be inferior, laid the matter before the Roman Emperor, hoping that by using every device he might destroy the power of his brother and nullify his father's purpose as being unjust. [11] At that time Theodosius, son of Arcadius, who was still quite a boy, was ruling over the Romans. And Tigranes, fearing the vengeance of the Emperor, placed himself in the power of the Persians and handed over his kingdom to them, considering it preferable to live as a private individual among the Persians, than to make a fair settlement with his brother and with him to rule over the Armenians righteously and justly. [12] Arsaces meanwhile still feared the hostility of the Persians and of his brother and resigned his own kingship in

favour of the Emperor Theodosius, on certain conditions which I have described in the Books on the Wars. [13] And for a time the territory of the Armenians was fought over by the Romans and the Persians, but at length they reached an agreement that the Persians should hold the portion of Tigranes and the Romans that of Arsaces. [14] On these conditions a truce was agreed upon by both sides and thereafter the Roman Emperor always appointed a ruler for the Armenians, whomever he wished and whenever he wished. [15] And they used to call this ruler even to my time the Count of Armenia.

[16] Such a government, however, was not able to repel the attacks of its enemies, since it had at its disposal no regular troops, and therefore the Emperor Justinian, observing that Armenia was always in a state of disorder and was, for this reason, an easy prey for the barbarians, abolished this form of administration and placed a general in charge of Armenia and assigned to him military forces sufficient to withstand the inroads of the enemy. [17] Such was the disposition he made for Greater Armenia, as it is called, but in the other Armenia, which extends inside of the Euphrates River as far as the city of Amida, five Armenian satraps held the power, and these offices were always hereditary and held for life. [18] However, they received the symbols of office only from the Roman Emperor. It is worth while to describe these insignia, for they will never again be seen by man. [19] There is a cloak made of wool, not such as is produced by sheep, but gathered from the sea. [20] Pinnos the creature is called on which this wool grows. And the part where the purple should have been, that is, where the insertion of purple cloth is usually made, is overlaid with gold. [21] The cloak was fastened by a golden brooch in the middle of which was a precious stone from which hung three sapphires by loose golden chains. [22] There was a tunic of silk adorned in every part with decorations of gold which they are wont to call plumia. [23] The boots were of red colour and reached to the knee, of the sort which only the Roman Emperor and the Persian King are permitted to wear.

[24] Roman soldiers, however, never fought under the orders of the king of the Armenians or of the satraps, but these rulers conducted their wars independently. [25] But at a later time, during the reign of Zeno, some of the satraps decided to array themselves openly with Illus and Leontius, who had revolted against the Emperor. [26] Consequently, when the Emperor had reduced Leontius and Illus to subjection, he left in the former status only one satrap, who held a very inferior province which was not of any importance, in the region called Belabitinê; all the others he removed and no longer permitted them to transmit the office to those connected with them by kinship, but he ordained that on each occasion different men of the Emperor's choosing should succeed to these offices, just as is the rule in all the other offices of the Romans. [27] Even so, these officials were not in command of Roman soldiers, but only of a few Armenians, as had been customary previously, with the result that they were unable to repel the attacks of an

enemy. [28] And when this came to the knowledge of the Emperor Justinian, he immediately did away with the title of Satrap and appointed over these provinces two Dukes, as they are called; [29] and he put under them a very large force of regular Roman troops to assist them in guarding the Roman frontier. He also built strongholds for them as follows.

[2] [1] I shall start from the places in Mesopotamia, so that my account may proceed in order from the points which I have described previously. One of the rulers of the Armenian provinces, whom they call Duke, he established in the city called Martyropolis, and the other in a stronghold which they call Citharizôn. [2] And I shall make clear just where in the Roman Empire these places actually are. In the part of Armenia called Sophanenê there is a certain city known as Martyropolis which lies on the very bank of the Nymphius River, quite close to the enemy, because the Nymphius River at that point divides the Roman from the Persian territory. [3] For across the river lies the territory of Arxanenê, which has been subject to the Persians from early times. Even so the city had been neglected by the Romans and lay always exposed to these barbarians. [4] In consequence of this, indeed, Cabades, King of the Persians, invaded the Roman territory during the reign of Anastasius, directing his march by way of Martyropolis, since it lay a little more than a one-day's journey from Amida for an unencumbered traveller. [5] And as if he were still dealing with some minor detail of his journey, an incidental task of his campaign, he captured this city out of hand, not by storming the wall or by making any kind of assault or siege, but simply by sending an announcement that he would arrive. [6] For the inhabitants of the city, knowing well that they would not be able to hold out even for one short moment against the attacking force, when they learned that the army of the Medes had arrived close by, immediately approached Cabades in company with Theodorus, who at that time was Satrap of Sophanenê, clothed in his robes of office, and placed themselves and Martyropolis at his disposal, bearing in their hands the public taxes of two years. [7] And Cabades was pleased with this and withheld his hand from the city and from the whole district, as belonging to the Persian Kingdom, and he let the people go unharmed, neither inflicting any damage nor changing the form of the government, but he appointed Theodorus himself their Satrap, entrusting to him, since he had shewn himself not indiscreet, the tokens of the office, with the intention that he watch over the land for the Persians. [8] Then he led his army forward, captured Amida by siege, and marched back into the land of Persia, as I have related in the Books on the Wars. [9] And the Emperor Anastasius, understanding that it was not possible to defend Martyropolis from hostile assault, since it had no defences, not only shewed no resentment against Theodorus and the people of Sophanenê, but actually expressed deep gratitude to them for their action. [10] Indeed the circuit-wall of this Martyropolis was really about four feet in thickness, while it was only twenty feet high. In consequence, the wall could not only be easily assaulted by the enemy if they stormed it or brought up their siege

engines, but it was quite easy for them simply to scramble over it.

[11] Therefore the Emperor Justinian devised the following plan: Outside the circuit-wall he dug a trench, and laying foundations there he built a second wall with a thickness of four feet, leaving a space of four feet between the two walls; and he raised the new wall also to a height of twenty feet and made it in all respects equal to the first. [12] Then, by throwing stones and mortar into the space between the two walls, he brought this work to perfection by forming one solid structure with a thickness of twelve feet. [13] Above this he added, in about the same thickness, the same height which the earlier wall had had. [14] He also constructed admirable outworks for the city and all the other things without exception on which a city's defences are based.

[3] [1] As one goes westerly from Martyropolis, there is a place called Pheisôn, which is also situated in Armenia, in the section called Sophanenê, a little less than a day's journey distant from Martyropolis. [2] Beyond this place, at about the eighth milestone, precipitous and altogether impassable mountains come together to form two passes, very close to each other, which they are wont to call cleisurae. And when travellers go from Persarmenia to Sophanenê, either from the Persian territory itself or by way of the fortress of Citharizôn, it is necessary for them to get there by way of these two passes. [4] The natives call the one of them Illyrisum and the other Saphchae. [5] And for the purpose of checking the enemy's advance in that region, these places were, as it happened, worth making thoroughly defended and well equipped in every way. Yet they remained altogether unguarded by the men of earlier times. [6] But the Emperor Justinian, by establishing admirable forts at Pheisôn and in the passes and posting in them invincible garrisons, has made this region altogether inaccessible to the barbarians. Such were the things done by the Emperor Justinian in the territory called Sophanenê.

[7] And at the place named Citharizôn, which is in Asthianinê, as it is called, he established a fortress which had not existed before, a huge and extraordinarily impregnable stronghold, situated in a hilly region. [8] He also brought into it an abundant supply of water and made all other proper arrangements for the inhabitants, and stationed there the second of the Dukes, as I have said, with a very numerous garrison of soldiers. And he thereby guaranteed the safety of the Armenian provinces.

[9] As one goes from Citharizôn to Theodosiopolis and the other Armenia, the land is called Chorzanê; it extends for a distance of about three days' journey, not being marked off from the Persian territory by the water of any lake or by any river's stream or by a wall of mountains which pinch the road into a narrow pass, but the two frontiers are indistinct. [10] So the inhabitants of this region, whether subjects of the Romans or of the Persians, have no fear of each other, nor do they give one another any occasion to apprehend an attack, but they even intermarry and hold a common market for their produce and together share the labours of farming. [11] And if the commanders on either side ever make an expedition against the others, when they are ordered to do

so by their sovereign, they always find their neighbours unprotected. [12] Their very populous towns are close to each other, yet from ancient times no stronghold existed on either side. [13] It was possible, therefore, for the Persian King to proceed by this route with comparative ease and convenience in passing through into Roman territory, until the Emperor Justinian blocked his way in the following manner. There was a town in the middle of this region named Artalesôn [14] which he surrounded with a very strong wall and converted into an impregnable fortress; and he stationed there detachments of regular troops which by his orders were always to be commanded by an officer whom the Romans, in the Latin tongue, call a Dux. By these measures he fortified the whole of that remote frontier.

[4] [1] These things were accomplished by the Emperor in the manner described. I shall now go on to tell about all the other works which by his diligence he executed in the other Armenia. [2] The city of Satala had been in a precarious state in ancient times. For it is situated not far from the land of the enemy and it also lies in a low-lying plain and is dominated by many hills which tower around it, and for this reason it stood in need of circuit-walls which would defy attack. [3] Nevertheless, even though its surroundings were of such a nature as this, its defences were in a perilous condition, having been carelessly constructed with bad workmanship in the beginning, and with the long passage of time the masonry had everywhere collapsed. [4] But the Emperor tore all this down and built there a new circuit-wall, so high that it seemed to overtop the hills around it, and of a thickness sufficient to ensure the safety of its towering mass. [5] And he set up admirable outworks on all sides and so struck terror into the hearts of the enemy. He also built a very strong fortress not far from Satala in the territory called Osroenê.

[6] There was a certain fortress in that region erected by men of ancient times on the crest of a precipitous hill, which in early times Pompey, the Roman general, captured; and becoming master of the land by his victories, he strengthened this town materially and named it Coloneia. [7] This also the Emperor Justinian, finding that it had suffered much through the ravages of so long a time, restored with all his resources. [8] Furthermore, by granting great sums to the inhabitants of this region he brought it about that everywhere on their own land either new defences were built or those which had fallen into decay were restored. [9] Thus practically all the fortifications which can be found there are, as it happens, the work of the Emperor Justinian. [10] In that region also he constructed the forts called Baiberdôn and Areôn. He likewise restored Lysiorium, which had already fallen into ruin, as well as Lytatarizôn. [11] And at the place which they call Germani Fossatum he built a new fort. Furthermore, he rebuilt the walls of Sebasteia and Nicopolis, cities of Armenia, for they were all on the point of collapsing, having suffered from the long passage of time, and he made them new. [12] He also carried out the building of churches and monasteries there. In Theodosiopolis he dedicated a church to the Mother of God, and he restored monasteries in the place called

Petrios and in Coucarizôn. [13] In Nicopolis he built the monastery named after the Forty-five Saints, and in Bizani a church to the martyr George. [14] And close to Theodosiopolis he restored a monastery named after the Forty Martyrs.

[15] There was in antiquity a certain town in Lesser Armenia, as it is called, not far from the Euphrates River, in which a detachment of Roman soldiers was posted. [16] The town was Melitenê, and the detachment was called a "legion." In that place the Romans in former times had built a stronghold in the form of a square, on level ground, which served adequately as barracks for the soldiers and provided a place where they could deposit their standards. [17] Later on, by decision of the Roman Emperor Trajan, the place received the rank of a city and became the metropolis of the province. [18] And as time went on, the city of Melitenê became large and populous. But since the people were no longer able to live inside the fortifications (for it was reduced to a small space, as I have said) they settled in the adjoining plain, and here their shrines have been erected and the residences of the magistrates and their market-place, and all the other places for the sale of goods, and all the streets and stoas and baths and theatres of the city, and whatever else contributes to the embellishment of a great city. [19] In this way it came about that Melitenê was for the most part unwallled. Accordingly the Emperor Anastasius undertook to surround the whole of it with a wall; [20] before, however, he had carried out his purpose he fulfilled the measure of his life. But the Emperor Justinian built about it on all sides a very strong wall and made Melitenê a mighty stronghold for the Armenians and a thing of beauty.

[5] [1] These works he built in the Armenia which is on the right of the Euphrates River; and I shall go on to tell what was done by him in Greater Armenia. [2] When Theodosius, the Emperor of the Romans, took over the dominion of Arsaces, as I have just related, he built on one of the hills a fort which was easy for assailants to capture, and he named it Theodosiopolis. [3] This city Cabades, who was then King of Persia, captured in passing when he was marching on Amida. [4] The Roman Emperor Anastasius not much later built a city there, enclosing within the circuit-wall the hill on which stood the fortress of Theodosius. [5] And he gave his own name to the city, yet he was quite unable to obliterate that of Theodosius, the earlier founder; for although familiar names are wont constantly to be changed by men for new, nevertheless the older names cannot easily be relinquished. [6] This wall of Theodosiopolis was of adequate extent, but it did not rise to a height proportionate to its thickness. [7] In fact it attained a height of only about thirty feet, and for this reason it had proved to be very easy for an enemy to capture by assault, particularly for the Persians. [8] In other ways too it was vulnerable; for it was protected neither by outworks nor by a moat. [9] Indeed, there was actually a certain elevation which came very close to the city and overtopped the circuit-wall. Consequently the Emperor Justinian took the following measures to meet the situation. First of all he dug a very deep ditch

all around, making it very like the ravines between lofty mountains. [10] Next he sliced off the elevated ground, so transforming it as to make a series of impassable cliffs and of gulches affording no outlet. And in order that the wall might be exceptionally high and altogether impregnable, in case anyone should attack it, he added all the details which he had incorporated in the fortifications of Daras. [11] For he made the embrasures quite narrow, just wide enough for the defenders to be able to shoot from them, and by adding courses of stones he built thereon a storey like a gallery all round, and then cleverly added other embrasures above them; and surrounding the wall with outworks on all sides he made it much like the circuit-wall of Daras, fashioning each tower as a strong fortress. [12] Here he stationed all the troops and the General of the two Armenias, and thus he made the Armenians thenceforth too strong to be afraid of the attacks of the Persians.

[13] In Bizana, however, nothing was done by this Emperor, for the following reason. This town lies on level ground, and about it for a great distance stretch plains suitable for cavalry manoeuvres, and there are many pools of standing water there. [14] Consequently it is not only very open to the enemy's attack, but most unhealthy for the inhabitants. [15] For these reasons he passed over this town and in another situation built a city bearing the Emperor's own name, a very noteworthy and altogether impregnable place, in the district called Tzumina, which is •three miles removed from Bizana, situated on very precipitous ground and enjoying excellent air.

[6] [1] These, then, are the things which the Emperor Justinian did in Armenia. And it has seemed to me not inappropriate to record at this point in my account what he did for the Tzani, for they are neighbours of the Armenians. [2] From ancient times the Tzani have lived as an independent people, without rulers, following a savage-like manner of life, regarding as gods the trees and birds and sundry creatures besides, and worshipping them, and spending their whole lives among mountains reaching to the sky and covered with forests, and cultivating no land whatever, but robbing and living always on their plunder. [3] For they themselves are not skilled in cultivating the soil, and their country, at least where it is not occupied by the steepest mountains, is hilly. [4] These uplands are not rolling hills, neither do they provide soil such as would produce harvests, if one should cultivate them, but they are excessively rough and extremely hard and altogether unfavourable to any crops. [5] It is not possible either to irrigate the land or to harvest corn;° one cannot find meadow-land in that region, indeed even the trees which grow in Tzanica bear no fruit and are entirely unproductive, for seasons do not regularly follow one another, and the earth is not visited at one period by a cold wet season, while at another the sun's heat quickens it, but the land is held in the grip of an endless winter and buried under everlasting snows. [6] For this reason the Tzani in ancient times used to live in independence, but during the reign of the present Emperor Justinian they were defeated in battle by the Romans under the general Tzittas, and abandoning the struggle they all

straightway yielded to him, preferring the toilless servitude to the dangerous liberty. [7] And they immediately changed their belief to piety, all of them becoming Christians, and they altered their manner of life to a milder way, giving up all brigandage and always marching with the Romans whenever they went against their enemies. [8] And the Emperor Justinian, fearing that the Tzani at some time might alter their way of life and change their habits back to the wilder sort, devised the following measures.

[9] Tzanica was a very inaccessible country and altogether impossible for horses, being shut in on all sides by cliffs and for the most part by forests, as I have said. [10] As a result of this it was impossible for the Tzani to mingle with their neighbours, living as they did a life of solitude among themselves in the manner of wild beasts. [11] Accordingly he cut down all the trees by which the routes chanced to be obstructed, and transforming the rough places and making them smooth and passable for horses, he brought it about that they mingled with other peoples in the manner of men in general and consented to have intercourse with their neighbours. [12] After this he built a church for them in a place called Schamalinichôn, and caused them to conduct services and to partake of the sacraments and propitiate God with prayers and perform the other acts of worship, so that they should know that they were human beings. [13] And he built forts in all parts of the land, assigned to them very strong garrisons of Roman soldiers, and gave the Tzani unhampered intercourse with other peoples. [14] I shall now tell where in Tzanica he built these forts.

[15] It happens that a certain point in that land forms the meeting-place of three roads; for the boundaries of the Romans and the Persarmenians and the Tzani themselves begin here and extend out from this point. [16] Here he constructed a very strong fortress which had not existed previously, Horonôn by name, making it the mainstay of the peace of the region. [17] For the Romans were first able to enter Tzanica from that point. Here too he established a military commander called a Duke. [18] And at a place two days' journey distant from Horonôn, where the territory of the Tzani who are called Ocenitae commences (for the Tzani are divided into many tribes), there was a sort of stronghold built by men of former times, Chartôn by name, which long before had already become a ruin through neglect. [19] This the Emperor Justinian restored, and he caused a large population to live there and to preserve order in the country. [20] And as one goes from there towards the east, there is a precipitous ravine which extends around to the north; here he built a new fortress, Barchôn by name. [21] Beyond this at the foot of the mountain are folds where the cattle of the Ocenite Tzani, as they are called, find shelter; and they breed these cattle, not in order to plough the earth — for the Tzani are altogether indolent and averse to the tasks of husbandry, as I have said, and they neither plough nor perform the other labours of husbandry — but in order to have a constant supply of milk and to eat their flesh. [22] Beyond the foothills of the mountain, where the place called Cena lies in the level country,

as one goes approximately westward there is a fort named Sisilissôn; this had been built in ancient times, but, with the passage of time, had come to be deserted; so the Emperor Justinian restored it and established there a sufficient garrison of Roman soldiers, just as in all the others. [23] And as one goes on from that fort, there is a certain place on the left, towards the north, which the natives call Longini Fossatum, because in earlier times Longinus, a Roman general, an Isaurian by birth, had made an expedition against the Tzani on one occasion and built his camp there. [24] In that place this Emperor built a fortress called Bourgousnoes, one day's journey distant from Sisilissôn. [25] This fort of Sisilissôn too was rendered very strong by this same Emperor, as was stated a little above. [26] From there begins the territory of the Coxyline Tzani, as they are called; and here has now made two forts, one called Schamalinichôn and the other is the one they call Tzanzacôn; and here he posted another military commander.

[7] [1] These things, then, were done by the Emperor Justinian in Tzanica. In the land beyond this which lies along the Euxine Sea there is a city named Trapezus; and since there was a scarcity of water in that city, the Emperor Justinian built an aqueduct which they call the Aqueduct of the martyr Eugenius, and thus he put an end to the scarcity for the inhabitants of this place. [2] Both there and in Amaseia he restored most of the churches, which had been damaged by the long passage of time. [3] And beyond the confines of Trapezus there is a place called Rhizaeum which he restored himself, throwing about it a novel system of defences which surpass any description or report of them. [4] For it was so fashioned as to be inferior in point of size and safety to no one of the cities on the Persian frontier.

[5] He also built a fortress in Lazica named Losorium, and he fortified the mountain-passes of the country which they are wont to call cleisurae, with the purpose, of course, that the enemy might be shut off from the entrance into Lazica. [6] Nay more, he restored the Christian church in Lazica, which was old and had become weakened in its masonry. [7] He likewise founded Petra in Lazica, an admirable city, which the Lazi through their own folly handed over to the Persians, bringing Chosroes there with a great army; but the Romans prevailed over the Persians in the struggle and killed a part of the enemy and made the rest captive and razed the city, so that the barbarians might not again be able, by coming there, to work mischief, all of which has been set forth by me in the Books on the Wars. [8] In the same place I have explained how the Romans dismantled two fortresses, Sebastopolis and Pityûs, on the opposite coast as one goes from Lazica to the Maeotic Lake, because they had heard that Chosroes was eager to send an army with men to take possession of these fortresses. [9] But at a later time the Emperor Justinian restored the whole of Sebastopolis and made it impregnable by means of its circuit-wall and other defences, adorned it with streets and with various buildings besides, and produced the present city, which is remarkable among the cities of the world for its beauty and its size.

[10] Moreover, in the case of the coastal cities Bosphorus and Chersôn, which lie on the shore there beyond the Maeotic Lake and the Taurians and Tauroscythians, at the extremity of the Roman Empire, he found that the walls had fallen completely into ruin, and he made them remarkably beautiful and thoroughly safe. [11] In that region he built two fortresses, that called Aloustou and the one among the Gorzoubitae. [12] He strengthened the defences of Bosphorus particularly, which in ancient times had been a barbarous city lying under the power of the Huns, but which he himself had brought under Roman sway. [13] And there is a certain region along the coast there called Dory, where Goths have lived from ancient times, those namely who had not followed Theoderic when he went into Italy, but remained there of their own accord, and even up to my day they are on terms of alliance with the Romans. And they march with the Romans against their enemies whenever the Emperor so wishes. [14] Their number comes to three thousand, and they are both excellent soldiers and skilfull tillers of the soil, and the most hospitable people in the world. [15] The land of Dory itself lies on high ground, yet it is neither rough nor hard, but good soil and productive of the best crops. [16] However, Emperor built no city or fortress in any part of this land, since the men of the country would not suffer themselves to be confined in any fortified places but always lived most happily in an open plain. [17] But wherever the region seemed easily accessible to assailants, he shut off these approaches with long walls and thereby freed the Goths from fear of invasion. So much, then, for this.

[18] There is a certain city on the coast of the Euxine Sea, inhabited by Thracians, Anchialus by name, which properly we should mention in describing the land of Thrace. [19] But since in the present place our treatise has enumerated the buildings of this Emperor along the shore of the Euxine Sea, it is in no way inappropriate to describe at this point in our narrative what he built at this town of Anchialus. [20] At that place, then, natural springs of warm water bubble forth, not far from the city, providing natural baths for the people there. [21] The Emperors of earlier times used to allow this place to remain unwallled from ancient times, though such a host of barbarians dwelt near by; [22] and sick persons used to visit the place, gaining relief at the cost of danger. [23] Therefore the Emperor Justinian made it a walled city, as it now is, and thus made the cure free from danger. [24] So the strongholds of the East, as well as those of Armenia and Tzanica, and those on both shores of the Euxine Sea, were thus built by the Emperor Justinian. [25] From this point we must proceed to the buildings which he erected in the rest of Europe.

BOOK IV.

[1] [1] To cross a great sea in an ill-appointed ship is a miserable task, I think, beset with the greatest dangers. And it is the same thing to recount the buildings of the Emperor Justinian with impotent words. [2] For through the greatness of his mind this Emperor has accomplished things which surpass description, in buildings no less than in practically all other matters. [3] And in Europe, being consumed by the desire to make his services fit the magnitude of the need which existed for them, he has carried out works which are not easy to enumerate or simple to describe in writing. [4] For these works have been executed with due regard for the nearness of the Ister River and for the consequent necessity imposed by the barbarians who threaten the land. [5] For it has as neighbours nations of Huns and of Goths, and the regions of Taurus and of Scythia rise up again it, as well as the haunts of the Sclaveni and of sundry other tribes — whether they are called by the writers of the most ancient history Hamaxibian or Metanastic Sauromatae, and whatever other wild race of men really either roams about or leads a settled life in that region. [6] And in his determination to resist these barbarians who were endlessly making war, the Emperor Justinian, who did not take the matter lightly, was obliged to throw innumerable fortresses about the country, to assign to them untold garrisons of troops, and to set up all other possible obstacles to an enemy who attacked without warning and who permitted no intercourse. [7] Indeed it was the custom of these peoples to rise and make war upon their enemies for no particular cause, and to open hostilities without sending an embassy, and they did not bring their struggles to an end through any treaty or cease operations for any specified period, but they made their attacks without provocation and reached a decision by the sword alone. But still we must proceed owing to the remainder of our story. [8] For when we have begun a task it will be better to go through to the end in any fashion whatever than to depart leaving it unfinished. [9] Certainly my action would not be free from blame, if, after our Emperor has performed the work, I for my part, should shrink from telling of what he has done. [10] But now that we are on the point of enumerating the buildings of this Emperor in Europe, it is proper first to make a few observations regarding this land.

[11] There is a narrow arm or bight which is pushed out from the Adriatic Sea, as it is called, and strays away from the remainder of the sea and goes up into the mainland, and dividing the continent for a great distance it forms the Ionian Gulf, having on the right the Epirotes and the other peoples of that region and on the left Calabria; then, being compressed into a narrow inlet for a very long way, the sea bounds practically the whole continent. [12] And the River Ister, flowing higher up, and opposite the sea, makes the land of Europe an island, as it were. [13] In that region this Emperor built many noteworthy buildings. [14] Indeed he fortified the whole of Europe so safely that he

rendered it inaccessible to the barbarians who live beyond the Ister River.

[15] But I must commence from the native land of the Emperor, to which of all places must be given first rank in all other respects, and with this I must begin my present account. [16] For to this land alone is it given to rejoice and swell with pride and enjoy the solemn dignity of having bred and presented to the Romans an Emperor whose works it is impossible to tell in words or to record in writing.

[17] Among the Dardanians of Europe who live beyond the boundaries of the Epidamnians, close to the fortress which is called Bederiana, there was a hamlet named Taurisium, whence sprang the Emperor Justinian, the founder of the civilised world. [18] He therefore built a wall of small compass about this place in the form of a square, placing a tower at each corner, and caused it to be called, as it actually is, Tetrapyrgia. [19] And close by this place he built a very notable city which he named Justiniana Prima (this means “first” in the Latin tongue), thus paying a debt of gratitude to the home that fostered him. [20] Yet all Romans should have shared this debt among themselves, for this land nourished a common saviour for all of them. [21] In that place also he constructed an aqueduct and so caused the city to be abundantly supplied with ever-running water. [22] And many other enterprises were carried out by the founder of this city — works of great size and worthy of especial note. [23] For to enumerate the churches is not easy, and it is impossible to tell in words of the lodgings for magistrates, the great stoas, the fine market-places, the fountains, the streets, the baths, the shops. [24] In brief, the city is both great and populous and blessed in every way — a city worthy to be the metropolis of the whole region, for it has attained this rank. [25] It has also been allotted to the Archbishop of Illyricum as his seat, the other cities conceding this honour to it, as being first in point of size. Thus this city has won honour for the Emperor in requital for his favour; [26] for while it prides itself upon its foster-son, he for his part takes a corresponding pride in that he built the city. But this will be enough for me to tell; [27] indeed it is impossible to describe everything in detail, for since the city is the Emperor’s own, any account of it necessarily falls short of the reality.

[28] He also rebuilt the entire fortress of Bederiana and made it much stronger. And there was a certain city among the Dardanians, dating from ancient times, which was named Ulpiana; [29] he tore down most of its circuit-wall, for it was seriously damaged and altogether useless, and he added a very great number of improvements to the city, changing it to its present fair aspect; and he named it Justiniana Secunda [30] (*secunda* is the Latin word for second). Near it he built another city where none had existed before, which he called Justinopolis from his uncle’s name. [31] Furthermore, he found the walls of Sardica and Naïso polis, as well as those of Germaê and of Pantalia, in ruins from the passage of time, and he built them up securely and made them such that they could defy the enemy. [32] Between these he built three small forts, Cratiscara and Quimedaba and Roumisiana. Thus he raised these cities from

their foundations. [33] And wishing, as he did, to make the Ister River the strongest possible line of first defence before them and before the whole of Europe, he distributed numerous forts along the bank of the river, as I shall soon describe, and he placed garrisons of troops everywhere along the shore, in order to put the most rigid check upon the crossing of the barbarians there. [34] But even after he had completed all these precautions, he was still uneasy because of the uncertainty of human plans; and since he reflected that if it should ever be possible for the enemy to break through somehow, they would then fall upon fields which would be entirely unguarded, would enslave the whole population, from the youths upwards, and would plunder all their property, he did not leave their common safety to depend upon the forts along the river alone, but he also provided individual safeguards for them; [35] for he made the defences so continuous in the estates that each farm either has been converted into a stronghold or lies adjacent to one which is fortified; and he did this both here and in New Epirus, as it is called, and in Old Epirus. [36] Here too he built the city of Justinianopolis, which formerly was called Adrianopolis.

[37] And he restored Nicopolis and Photicê and the place called Phoenicê. These two towns, namely Photicê and Phoenicê, stood on low-lying ground and were surrounded by stagnant water which collected there. [38] Consequently the Emperor Justinian, reasoning that it was impossible for walls to be built about them on foundations of solid construction, left them just as they were, but close to them he built forts on rising ground which is exceedingly steep. [39] There was a certain ancient city in this region, abundantly supplied with water and endowed with a name worthy of the place; for it was called Euroea from ancient times. [40] Not far from this Euroea a lake spreads out with an island in its midst upon which rises a hill. [41] And a break is left in the lake just large enough so that a kind of approach to the island remains. [42] The Emperor moved the inhabitants of Euroea to this place, built a very strong city, and put a wall about it.

[2] [1] Beyond the whole of Epirus and Aetolia and Acarnania, as one skirts the coast, one comes to the Crisaean Gulf and the Isthmus and Corinth and the other parts of Greece. These regions made demands upon his very utmost wisdom. [2] And above all else one might wonder at the number of walled cities with which he fortified the Roman Empire. For he made provision for all of them and especially for the by-paths up the mountains at Thermopylae. [3] First of all he raised the walls there to a very great height. For the mountains which rise in that region were easy to capture, if one should assault them, they being not really walled, but simply supplied with what appeared to be a cornice of masonry. [4] On all these walls he even placed double battlements, and he likewise carried out this same improvement in the fortress which had stood there from an ancient date, carelessly constructed, as it was, by men of former times. [5] For he built it up to an adequate height and made the ramparts double. [6] In addition to this he also devised for the fort, which

was entirely without water, a storage-cistern for rain-water. [7] Furthermore, he carefully walled off many paths up the mountains which previously had been both unguarded and unwalled. [8] One might marvel with good reason at the Persian King for spending so much time there and finding only a single narrow path, and that too with the help of Grecian traitors, while in fact there are many unwalled routes there which are practically waggon-roads. [9] The sea, washing the base of the mountains, continually made new ascents from this point; and since glens and impassable ravines abound there, it seemed to the men of ancient times impossible to close up thoroughly with walls the openings which had been made by nature; and because of their reluctance to undertake a difficult task, they carelessly abandoned their safety to chance, basing their hope of salvation on the assumption that the barbarians would be ignorant of the road. [10] For since men always shrink from hard work, they imagine that what has seemed very difficult to them will not be easy for any others. [11] So no man will any longer dispute the assertion that the Emperor Justinian has shewn himself most provident and most exceptionally careful as compared with all other men who have ever lived, seeing that even the sea, though it comes close to the mountains and surrounds them and beats against them, has not proved an obstacle sufficient to prevent the foundations from being securely laid in the midst of the surging water and on the wet sand, or to forestall the most striking union of the most opposite elements, which are thus forced to yield to man's skill and to bow to his superior power. [12] Yet this Emperor, even after joining the forests and the glens to each other, and fastening the sea to the mountain, and encircling all Greece with strongholds, did not stop his zeal for his subjects, but he also constructed many forts inside the wall, planning for all the contingencies which sway man's fortune, [13] so that if these walls in any manner or at any time chanced to be captured, the garrisons might still be maintained in the fortresses. [14] Furthermore, he placed granaries and reservoirs of water in safe places everywhere and established there about two thousand soldiers as a garrison, a thing which not one of the former Emperors has done in all time. [15] For these walls were entirely unguarded from early times even to my day, and some of the peasants from the neighbourhood, when the enemy came down, would suddenly change their mode of life, and becoming makeshift soldiers for the occasion, would keep guard there in turn; and because of their inexperience in the business they, together with Greece itself, proved an easy prey to the enemy, and on account of this niggardliness the country through its whole extent lay open to the oncoming barbarians.

[16] Thus did the Emperor Justinian secure the defences at Thermopylae. And in all the cities outside the pass, which in that region are sufficiently numerous, he very carefully built strong walls, both at Saccus and Hypatê and Coracii and Unnum and Baleae and at Leontarium, as it is called. [17] At Heraclea he did as follows. As one descends from Illyricum into Greece, one is confronted by two mountains which rise very close together for a long

distance, forming between them a narrow pass of the sort which they are wont to call cleisurae. [18] A small stream comes down between them, in the summer season flowing with pure drinking-water from the mountains which rise there and forming a tiny brook. [19] Whenever it rains, however, an exceedingly deep and very violent torrent billows down, gathering its volume chiefly from the streams which course down from the mountain peaks thereabout. [20] At that point it was possible for the barbarians with no difficulty to effect an entrance both against Thermopylae and into that part of Greece. [21] But on either side of the pass there had been two fortresses from early times, on the one side the city of Heraclea, which I have just mentioned, and on the other, separated by no small distance, Myropoles, as it is called. [22] Both these fortresses had lain in ruin from ancient times, so the Emperor Justinian rebuilt them and closed the pass with a very strong cross-wall which he made fast to each of the two mountains, thus blocking the entrance for the barbarians, and the stream when it is in flood is now forced to form a pond inside the wall and then to flow over it and go on wherever it chances.

[23] He also rendered secure all the cities of Greece which are inside the walls at Thermopylae, renewing their circuit-walls in every case. [24] For they had fallen into ruin long before, at Corinth because of terrible earthquakes which had visited the city; and at Athens and Plataea and the towns of Boeotia they had suffered from the long passage of time, while no man in the whole world took thought for them. [25] But he left nothing vulnerable or unguarded, for after vigilantly caring for the safety of his subjects, he felt convinced that even if the barbarians should chance to overrun the country about Thermopylae, they would, as soon as they learned that after surmounting this obstacle they would have gained no advantage (the rest of Greece having been fortified at every point), give up immediately in despair, knowing that it would be necessary for them to besiege each individual city. [26] For when expectation is prolonged, it cannot endure the strain, nor does it even desire a profit which is delayed; but it simply abandons the contingent chance of success through waiting.

[27] When the Emperor Justinian, after he had accomplished all this, learned that all the cities of the Peloponnesus were unwalled, he reasoned that obviously a long time would be consumed if he attended to them one by one, and so he walled the whole Isthmus securely, because much of the old wall had already fallen down. [28] And he built fortresses there and established garrisons. In this manner he made all the towns in the Peloponnesus inaccessible to the enemy, even if somehow they should force the defences at Thermopylae. Thus were these things done.

[3] [1] There was a certain city in Thessaly, Diocletianopolis by name, which had been prosperous in ancient times, but with the passage of time and the assaults of the barbarians it had been destroyed, and for a very long time it had been destitute of inhabitants; and a certain lake chanced to be close by which was named Castoria. There is an island in the middle of the lake, for

the most part surrounded by water; [2] but there remains a single narrow approach to this island through the lake, not more than fifteen feet wide. [3] And a very lofty mountain stands above the island, one half being covered by the lake while the remainder rests upon it. [4] Wherefore this Emperor passed over the site of Diocletianopolis, since it was manifestly easy of access and had long been in a state of collapse, as has been stated, and built a very strong city on the island, and, as was right, he allowed it bear his own name. [5] Furthermore, he restored the circuit-walls of Echinaeus and of Thebes and Pharsalus and of all the other cities of Thessaly, including Demetrias and Metropolis, as it is called, and Gomphi and Tricca, making them safe and strong, since they had all suffered with the passage of time and could be captured easily, if anyone should attack them.

[6] But now that we have reached Thessaly, let us direct our account at once to Mt. Pelion and the Peneus River. [7] This river flows from Mt. Pelion with a gentle stream which encircles and beautifies the city of Larissa; Phthia is no longer in existence, this being the work of the long passage of time. [8] And this river flows on with a very easy descent all the way to the sea. The country is indeed productive of all kinds of crops and has a surfeit of drinking-water, yet the inhabitants of the region could not derive the least enjoyment from these things because they were in a state of constant terror and ever expected the barbarians to fall upon them, since there was no stronghold anywhere in this district where they might take refuge and find safety. [9] Even Larissa and Caesarea, since their defences had suffered excessively, had come to be practically unwallled. [10] But the Emperor Justinian made the defences of both very strong, and in this way brought the blessings of true prosperity to the region. [11] And not far away rise precipitous mountains, covered with lofty trees — the home of the Centaurs. [12] This was the spot where the battle of the Lapiths took place against the race of the Centaurs, as our myths have it from of old, childishly pretending that in early times a strange race of men existed, compounded of the nature of two creatures. [13] Ancient times have also left a certain testimony to the myth in a name applied to a fort in the mountains there; for the place is called Centauropolis even to my day. [14] The wall of this fort, which had already fallen down, as well as the fortress of Eurymenê, near by, which was in the same state, was rebuilt and strengthened by the Emperor Justinian. [15] This Emperor restored also many other forts in Thessaly, the names of which I shall include a little further on in the list of towns in Macedonia which have been provided with walls.

[16] But now, in order that no portion of Greece may be left unmentioned, we must go to the island of Euboea, for it stands close to Athens and Marathôn. [17] This island of Euboea is thrown out into the sea in front of Greece, and it looks as if it had been cut off somehow from the mainland, having been one with the continent formerly, but later split off by a strait. [18] An arm of the sea breaks the continent there near the city of Chalcis, collecting itself in a narrow stream and being compressed by its banks to the

breadth of a brook. [19] The portion of land which is thus cut off forms an island, and the strait is called Euripus. [20] Such then is Euboea; and a bridge over the strait is formed by a single timber laid across it. This the natives put in place whenever they wish, and thus they seem to be mainlanders when they cross on foot to the opposite shore; but when they remove it and cross the strait in boats, they become islanders again, so that by the placing or removal of one timber they may either walk or go in boats . . . they call the enclosed portion Pallenê. [1] The natives in ancient times had closed the entrance with a cross-wall, with which they had linked together the two seas; and they had built there a city which in former times they called Potidaea, but now Cassandria. [22] But time so ruined all the buildings in this place that a Hunnic tribe, in overrunning that region not long ago, destroyed the city and the wall without fear, quite as if they were doing something just by the way, though since the world began they had never stormed a wall. [23] But this too provided the Emperor Justinian with an opportunity to display his skill and his magnanimity. [24] For, by always bringing his wisdom to bear in circumventing the difficulties he meets with, he straightway uses beneficent measures, thus transforming the greatest disasters into a happier state of affairs. [25] So in this way he brought it about that both the city of Pallenê, which stands as a bulwark of the whole region, and the cross-wall at the entrance of the peninsula, became manifestly impregnable and able to defy any who should wish to attack them. [26] These things, then, were done by him as his service to Macedonia.

[27] Not far from Thessalonica flows a certain river, Rhechius by name, which wanders through a goodly land of deep soil and then empties into the sea near by. [28] The river flows with a steady current, the water is calm and drinkable, and the ground is level with many ploughed fields and bottom-lands with good pasturage. [29] In these respects the land is blessed, but it used to be completely exposed to the barbarians, having neither fortress nor any other defence in a space of forty miles. [30] Consequently the Emperor built a new fort of great strength beside the mouth of the Rhechius River, near the shore of the sea, and it has been named Artemisium.

[4] [1] It is proper to tell also how many other strongholds he constructed in this part of Europe. If we were making this catalogue of the forts in this region — those namely which were constructed by the Emperor Justinian — for the benefit of some other nations of men who lived far away, with a different form of government, in some place where the record would lack the testimony of witnesses, I know well that my account would seem fabulous and altogether incredible because of the mere number of the forts built. [2] But as matters stand, since these things are to be seen at no great distance, and visitors from these regions are very numerous in our midst, let us, boldly telling the truth, well vouched for as it is, proceed with unbounded confidence to enumerate without any hesitation all the forts which the Emperor Justinian has built throughout the regions which I have just described, either by restoring those

fortifications which were in ruins or by contriving new walls. [3] It will be preferable to set them all down together in catalogue form so that my narrative may not become utterly irksome by interspersing a crowd of place-names here and there in it.

[5] [1] Thus did the Emperor Justinian fortify the whole interior of Illyricum. I shall also explain in what manner he fortified the bank of the Ister River, which they also call the Danube, by means of strongholds and garrisons of troops. [2] The Roman Emperors of former times, by way of preventing the crossing of the Danube by the barbarians who live on the other side, occupied the entire bank of this river with strongholds, and not the right bank of the stream alone, for in some parts of it they built towns and fortresses on its other bank. [3] However, they did not so build these strongholds that they were impossible to attack, if anyone should come against them, but they only provided that the bank of the river was not left destitute of men, since the barbarians there had no knowledge of storming walls. [4] In fact the majority of these strongholds consisted only of a single tower, and they were called appropriately “lone towers,” and very few men were stationed in them. [5] At that time this alone was quite sufficient to frighten off the barbarian clans, so that they would not undertake to attack the Romans. [6] But at a later time Attila invaded with a great army, and with no difficulty razed the fortresses; then, with no one standing against him, he plundered the greater part of the Roman Empire. [7] But the Emperor Justinian rebuilt the defences which had been torn down, not simply as they had been before, but so as to give the fortifications the greatest possible strength; and he added many more which he built himself. [8] In this way he completely restored the safety of the Roman

Empire, which by then had been lost. And I shall explain how all this was accomplished.

[9] The River Ister flows down from the mountains in the country of the Celts, who are now called Gauls; and it passes through a great extent of country which for the most part is altogether barren, though in some places it is inhabited by barbarians who live a kind of brutish life and have no dealings with other men. [10] When it gets close to Dacia, for the first time it clearly forms the boundary between the barbarians, who hold its left bank, and the territory of the Romans, which is on the right. [11] Consequently the Romans apply the term Ripesia to this part of Dacia, for *ripa* signifies bank in the Latin tongue. [12] Accordingly they had made a beginning by building on the bank there in ancient times a city, by name Singidunum. [13] This the barbarians captured in time, and they immediately razed it, leaving the place quite destitute of inhabitants. [14] They did precisely the same thing to most of the other strongholds. [15] But the Emperor Justinian restored the entire city and surrounded it with a very strong fortification, and thus made it once more a famous and important city. [16] And he set up another new fortress of exceptional strength about eight miles distant from Singidunum, which they call by the appropriate name of Octavus. [17] Beyond it was the ancient city of Viminacium, which the Emperor rebuilt entire and made new, for it had long before been ruined down to its uttermost foundations.

[6] [1] As one goes on from Viminacium there chance to be three strongholds on the bank of the Ister, Pinci and Cupi and Novae. [2] These were formerly both single in construction and when named were single towers. But now the Emperor Justinian has greatly increased the number of the houses and enlarged the defences at these places, and thereby has properly given them the rank of cities. [3] And opposite Novae in the mainland on the other side of the river, had stood from ancient times a neglected tower, by name Literata; the men of former times used to call this Lederata. This the present Emperor transformed into a great fortress of exceptional strength. [5] After Novae are the forts of Cantabaza, Smornês, Campsês, Tanata, Zernês, and Ducepratium. And on the opposite side he built a number of other forts from their lowest foundations. [6] Farther on is the so-called Caput Bovis, the work of the Roman Emperor Trajan, and beyond this is an ancient town named Zanes. [7] And he placed very strong defences around all these and so made them impregnable bulwarks of the State. [8] And not far from this Zanes there is a fort, Pontes by name. The river throws out a sort of branch there, and after thus passing around a certain small portion of the bank, it turns again to its own stream and is reunited with itself. [9] It does this, not of its own accord, but compelled by human devices. [10] The reason why the place was called Pontes, and why they made this forced diversion of the Ister at this point, I shall now make clear.

[11] The Roman Emperor Trajan, being of an impetuous and active temperament, seemed to be filled with resentment that his realm was not unlimited, but was bounded by the Ister River. [12] So he was eager to span it

with a bridge that he might be able to cross it and that there might be no obstacle to his going against the barbarians beyond it. [13] How he built this bridge I shall not be at pains to relate, but shall let Apollodorus of Damascus, who was the master-builder of the whole work, describe the operation. [14] However, the Romans derived no profit from it subsequently, because later on the bridge was completely destroyed by the floods of the Ister and by the passage of time. [15] At the same time Trajan built two forts, one on either side of the river; the one on the opposite bank they named Theodora, while the one in Dacia was called Pontes from the work — [16] for the Romans call a bridge pontem in the Latin tongue. But when boats reached that point, the river was no longer navigable, since the ruins and the foundations of the bridge lay in the way; and it is for this reason that they compel the river to change its course and to go about in a detour, so that they may keep it navigable even beyond that point. [17] Both these forts had suffered so much from the passage of time, and more still from the assaults of the barbarians, that they had come to be utterly destroyed. [18] And the Emperor Justinian restored Pontes, which is on the right of the river, providing it with new and thorough impregnable defences, and thus re-established the safety of Illyricum. However, the fort on the other side of the river, the one which they call Theodora, he considered in no way worthy of his attention, exposed as it was to the barbarians there. But the strongholds which now stand beyond Pontes he himself built new; these are named Mareburgou and Susiana, Harmata and Timena, and Theodoropolis, Stiliburgou and Halicaniburgou.

[19] There was a certain small town near by, Acues by name, which had fallen partly into decay; this the Emperor put in order. [20] Beyond that lay Burgonobore and Laccoburgo, and the fortress called Dorticum, utterly effaced by time, which he made into a fort now very strong. [21] And he remodelled a stronghold called Judaeus, which had consisted of a single tower, and made it a splendid fortress in name and in fact. [22] Nor did he neglect the fort named Burgualtu, which previously was desolate and wholly without inhabitants, but also surrounded with a new circuit-wall another place which they call Gombes. [23] Also he rebuilt the defences of Crispas, which had suffered with the passage of time, likewise Longiniana and Ponteserium, an exceptionally fine piece of work. [24] In Bononia and Novus he restored the parapets which had crumbled. And all the parts of the city Ratiara which had collapsed he re-erected. [25] He improved many other places in accordance with their particular needs, either making very small places large, or curtailing their size where it was excessive, so that they might not be easy for an enemy to attack either because of excessive smallness or because of too great size; thus, for example, Mocatiana, which previously was a single tower standing alone, he converted into the more complete fortress which it now is. [26] On the other hand, the fortress of Almou, which used to cover a large area, he brought into small compass and thus made it safe and able to defy the assaults of the enemy. [27] In many places, finding a single tower standing by itself and

therefore an easy prey for assailants, he converted it into a very strong fortress; [28] this he did, for example, with Tricesa and Putedis. Furthermore, he restored in a marvellous way the damaged defences at Cebzus. At Bigranâ he constructed a fortress which had not existed before, and very close to it a second one, Onus by name, where a single tower had previously stood. [29] And not far away there were the bare foundations of a city which in early times used to bear the name of Augustes. [30] But now, still bearing its ancient name, though all made over new by the Emperor Justinian and quite complete, it knows a rather numerous population. [31] Also he restored the damaged portion of the defences of Aëdabê, and put in order the city of Varianaa which had long lain in ruins. In addition, he built a wall around Valeriana, which previously had no defences.

[32] Furthermore, he gave his attention to towns which do not lie upon the bank of the river but stand at a great distance from it — towns which were about to fall in ruins for the most part — and he encircled them with walls which are practically impregnable. [33] These places are named Castra Martis and Zetnucortou and Iscus. And an ancient fort named Hunnôn, on the bank of the river, he treated as worthy of attention in all respects and particularly in the matter of its circuit-wall. [34] There is a certain place not far removed from this fort of Hunnôn where there are two fortresses, one on either side of the Ister River, the one in Illyricum named Palatiolum, and the one on the other side, Sycibida. [35] These, which had been ruined by time, the Emperor Justinian restored and thereby checked the incursions of the barbarians of that region; and beyond them he built a fort at an ancient stronghold which was named Utôs. [36] And at the extremity of the Illyrian territory he built a fort named Lapidarias, and he transformed into a notable fortress a single tower which had stood alone, called Lucernariaburgou. [37] These then were the works executed by the Emperor Justinian in Illyricum. Yet it was not with buildings alone that he fortified this land, but he also established very considerable garrisons of troops in all the strongholds and thereby warded off the assaults of the barbarians.

[7] [1] Such, then, are the strongholds of Illyricum along the Ister River. But we must now go on to the fortified towns of Thrace, those namely which were built by the Emperor Justinian along the river-bank there. [2] For it has seemed to me not improper, after first describing the coast of that region, then to take up also the record of what he did in the interior. [3] First, then, let us proceed to Mysia, the home of men whom the poets call hand-to-hand fighters, for their country borders upon Illyricum. [5] So beyond that place which they call Lucernariaburgou the Emperor Justinian built the fortress Securisca, a new work of his own. Beyond this he restored the parts of Cyntodemus which had suffered. And still further on he built a city which had not existed previously, and this he named Theodoropolis, after the Empress. [6] Furthermore, he preserved the fortresses called Iatrôn and Tigas by building anew the parts which had suffered, and to the fort of Maxentius he added a tower, which he

thought it needed. [7] And he built the fort of Cyntôn which had not existed before. Beyond this is the stronghold Trasmarscas. Just opposite this, on the other bank of the river, Constantine, Emperor of the Romans, once built with no small care a fort, Daphnê by name, thinking it not inexpedient that the river should be guarded on both sides at this point. [8] As time went on, the barbarians destroyed this entirely; but the Emperor Justinian rebuilt it, beginning at the foundations. [9] And beyond Trasmarscas is the stronghold Altenôn and one which they call Candidiana, destroyed long before by the same enemy, which he repaired with all the care that they deserved. [10] And there are three forts, Saltupyrus, Dorostolus and Sycidaba, one after the other along the bank of the Ister, which the Emperor put in order by carefully repairing such parts of each one as had suffered. [12] He displayed a similar care in the case of Questris, which lies back from the river. And Palmatis, which was cramped for space, he enlarged and made very much broader, though it is not on the bank of the river. [13] Close to this he built also a new fort named Adina, because the barbarian Sclaveni were constantly laying concealed ambuscades there against travellers, thus making the whole district impassable. [14] He likewise built the fortress of Tiliciôn and a stronghold which lies to its left.

[15] Such was the condition of the fortresses of Mysia on the bank of the Ister River, as well as those near it. [16] Next I shall proceed to Scythia; there the first fortress is the one named for St. Cyril, of which the Emperor Justinian rebuilt with care those portions which had suffered with time. [17] Beyond this from ancient times there was a stronghold, Ulmitôn by name, but since the barbarian Sclaveni had been making their ambuscades there for a great length of time and had been tarrying there very long, it had come to be wholly deserted and nothing of it was left except the name. [18] So he built it all up from the foundations and thus freed that region from the menace and the attacks of the Sclaveni. [19] Beyond this is the city of Ibida, whose circuit-wall had suffered in many places; these he renewed without delay and made the city very strong. [20] And beyond it he built a new fortress, a work of his own, which they call Aegissus. At the extremity of Scythia lies another fortress, Halmyris by name, a great part of which had become manifestly insecure, and this he saved by rebuilding it. [21] All the other strongholds also within the bounds of Europe are worthy of mention.

[8] [1] All the building that was done by the Emperor Justinian in Dardania, Epirus, Macedonia and the other parts of Illyricum, also in Greece and along the Ister River has already been described by me. [2] Next let us go to Thrace, laying down as the fairest foundation, as it were, for our narrative the environs of Byzantium, since this city is preëminent in Thrace not only because of its power, but also by reason of its natural site, planted as it is on Europe like a kind of acropolis and finally setting a guard over the sea which divides it from Asia. [3] I have already described in the preceding narrative all the buildings of the city itself, including the work which was done for the shrines, both inside

and outside the walls of Constantinople. I shall now proceed from that point.

[4] In a suburb of the city there is a fortress which they call Strongylum from the form in which it is built. [5] The road which leads from that point to Rhegium was for the most part uneven; and if rain chanced to fall it became a bog and was difficult for travellers to get through. [6] But now this Emperor has paved it with blocks of stone each large enough to load a waggon and so has made it altogether practicable and easy. [7] In length, this road extends all the way to Rhegium and its breadth is such that two waggons, going in opposite directions, have no lack of room. [8] The paving-stones are exceptionally coarse, so that you would expect them to be mill-stones; and they are of goodly size. Consequently each one covers much ground and stands very high. [9] They are very carefully worked so as to form a smooth and even surface, and they give the appearance not simply of being laid together at the joints, or even of being exactly fitted, but they seem actually to have grown together. So much, then, for this.

[10] There chances to be a kind of lake very close to this place called Rhegium, into which pour streams that flow from the adjacent uplands. [11] This lake extends as far as the sea so that in the very narrow tongue of land between them they have a common shore. [12] Both sea and lake wash against this shore as their waters roll against its opposite sides, and they bellow against each other as they constantly rush straight on towards one another, sharing a common beach. But when they come very close, they check their flow and turn upon themselves, just as if they had fixed their limits there. [13] However, there is a place where the waters mingle, having a sort of strait between them, and it is uncertain to which of them belongs the water of the strait. [14] Neither does the current of the sea always flow into the lake nor does the lake continuously empty into the sea; but when heavy rains have fallen, and when the south wind has been blowing, the water of the channel seems to flow out from the lake, [15] but if the wind comes from the north, the sea seems to be flooding into the lake. At this point, moreover, the sea is shallow for a considerable distance, with the exception of a very small space where the depth is great. [16] Indeed this is so narrow that it is called Myrmex. The strait which joins the sea and the lake, as I have said, was crossed in ancient times by a wooden bridge, with great danger for those passing that way, because they were often destroyed together with the bridge-timbers if they happened to collapse. [17] But now the Emperor Justinian has carried the bridge on a huge arch built of picked stones, and thus he has made the crossing there free from danger.

[18] Beyond Rhegium is a certain city named Athyras, whose inhabitants he found suffering from extreme scarcity of water; this difficulty he remedied for them by building a reservoir there, in which by storing at just the right time the unnecessary excess of water, he dispensed it as needed to the inhabitants. He also rebuilt such parts of the circuit-wall as had suffered.

[19] Beyond Athyras is a certain place which the inhabitants call Episcopia.

[20] The Emperor Justinian, perceiving that this lay exposed to the assaults of the enemy, and that a large expanse of country here was altogether unguarded, since no stronghold at all existed, built a fortress in that place; and he built the towers there, not in the customary manner, but as follows. [21] At regular intervals a structure is built out from the circuit-wall, very narrow at first, but finally spreading out to a great breadth; on this in each case a tower was erected. [22] Thus it is impossible for the enemy to get close to the wall anywhere, because when they get into a precarious position between the towers they are easily shot at from both sides and from above by the guards there and are destroyed. [23] The gates too he did not place in the customary position between the towers, but at an angle, in the narrow part of the projection which runs out from the wall, where they could not be seen by the enemy but were masked behind the towers. [24] In that place Theodore, a very clever man who held the office of silentarius, was of service to the Emperor. [25] Thus were these fortifications built. And it is proper, proceeding thence to the long walls, to explain them briefly.

[9] [1] The Sea, commencing from the Ocean and from Spain, goes on in a single direction, approximately eastward, keeping Europe on its left as far as Thrace, but at that point it divides itself and while one portion goes towards the East, another part of it turns gradually, at an oblique angle, and forms the Euxine Sea, as it is called. [2] When it reaches Byzantium, it makes a bend about the eastern portion of the city, as if rounding a turning-post, and bending much more obliquely, it runs in the form of a strait, turning the front and back portions of Thrace into an isthmus, as one would expect. [3] This does not mean that the sea is divided here into two separate bays, as is wont to happen at other isthmuses, but it circles round in a marvellous way, from two sides surrounding Thrace and especially all the suburbs of Byzantium. [4] The people there build and adorn their suburbs, not only to meet the actual needs of life, but they display an insolent and boundless luxury and all the other vices that the power of wealth brings when it comes to men. [5] And they accumulate much furniture in their houses and make it a point to keep costly objects in them. Thus, when it comes about that any of the enemy overrun the land of the Romans suddenly, the damage caused there is much greater than in other places, and the region is then overwhelmed with irreparable calamities. [6] The Emperor Anastasius had determined to put a stop to this and so built long walls at a distance of not less than forty miles from Byzantium, uniting the two shores of the sea on a line where they are separated by about a two-days' journey. [7] By this means he thought that everything inside was placed in security. But in fact this was the cause of greater calamities. For neither was it possible to make safe a structure of such great length nor could it be guarded rigorously. [8] And whenever the enemy descended on any portion of these long walls, they both overpowered all the guards with no difficulty, and falling unexpectedly upon the other people they inflicted loss not easy to describe.

[9] But the Emperor rebuilt those portions of these walls which had suffered, and making the weak parts very strong for the sake of the guards, he added the following devices. [10] He blocked up all the exits from each tower leading to those adjoining it; [11] and he built from the ground up a single ascent inside each individual tower, which the guards there can close in case of emergency and scorn the enemy if they have penetrated inside the circuit-wall, since each tower by itself was sufficient to ensure safety for its guards. [12] Also inside these walls he diligently made provision for safety, not only doing what has just been mentioned, but also restoring all the parts of the circuit-wall of the city of Selymbria which happened to have been damaged. [13] These things then were done by the Emperor Justinian at the long walls.

[14] The well-known city of Heraclea which is situated on the coast near by, the ancient Perinthus — which in former times men regarded as the first city of Europe, though it now takes a place second to Constantinoplea — suffered cruelly from lack of water in recent times. This was not because the country about it had no water, nor yet because this matter was neglected by the ancient builders of the city (for Europe has an abundance of springs and the men of ancient times were careful to build aqueducts), but because Time, following its custom, had destroyed the city's aqueduct, since it either failed to notice that its masonry had become enfeebled by age, or else was leading the people of Heraclea to their own destruction through their neglect of it; and the city was nearly left depopulated for this reason. [15] And Time was having the same effect upon the palace there, a very admirable building. [16] But when the Emperor Justinian saw the city, he in no careless fashion, but rather in a manner befitting an Emperor, flooded it with crystal-clear drinking-water, and he, far from permitting the city to be deprived of the honour of its palace, rebuilt it throughout.

[17] One day's journey distant from Heraclea was a town on the coast named Rhaedestus, well situated for the voyage to the Hellespont, with a good harbour well adapted for the business of the sea, so that merchant vessels could put in and unload their cargoes very conveniently and then put out to sea again with no difficulty after loading their freight. But it lay exposed to the barbarians, who sometimes overran that region in unexpected raids, because it was not protected even by makeshift defences nor was it naturally difficult of access. [18] Consequently the place came to be disregarded and neglected by the merchants through fear of the risk. [19] But now the Emperor Justinian has not only provided for the safety of the place but has also saved all those who dwell round about. [20] For he erected at Rhaedestus a city which is not only strongly defended by its wall, but is also of extraordinary size. [21] Hither on occasion all those who dwell near by flee for refuge when the barbarians fall upon them, and they thus save themselves and their property.

[10] [1] Such were the works carried out by the Emperor Justinian at Rhaedestus. I shall go on to tell what he did in the region of the Chersonese. [2] The Chersonese extends out from all that portion of Thrace. It projects boldly

into the sea and seems to be pressing onward, giving the impression that it is advancing toward Asia. [3] It has a single projecting point at the city of Elaeus, and this divides the sea into two parts, while the promontory itself is cut off from the rest of the mainland by the water, and curves inward before the advancing sea to form the so-called Gulf of Melas. [4] The remainder of it almost forms an island, acquiring a name appropriate to the shape which it assumes, for it is called Chersonese, most likely because it is prevented only by a tiny isthmus from being altogether an island. [5] At this isthmus the men of former times built a cross-wall of a very casual and indifferent sort which could be captured with the help of a ladder, [6] because, I suppose, they thought they were building an earthen wall around a casually placed garden-plot, and so built it of meagre dimensions and rising only slightly from the ground. [7] And facing the sea at either side of the isthmus they constructed wretched little bastions, of the sort which people are wont to call “moles,” and with these they closed the gap between the water and the circuit-wall, not with the expectation of repelling attacking forces at this point, but rather in order to invite them to effect an entrance; so contemptible did they make them and so easy to capture for any who should attack. [8] But they thought they had set up a kind of invincible bulwark against the enemy and so decided to regard everything inside this circuit-wall as requiring no further protection, for there actually was neither fort nor any other stronghold on the Chersonese, though it extends to a length of almost three day’s journey. [9] Indeed the enemy, while overrunning the land of Thrace recently, did actually undertake to force the entrance by the beach, and frightening off the guards there they leaped inside just as if they were playing a game, and they got inside the defences with no trouble.

[10] So the Emperor Justinian, with his constant solicitude for the safety of his subjects, did as follows. [11] First of all he demolished completely the old wall, so that not so much as a trace of it was left. [12] And he straightway erected another wall, upon the same ground, very broad and rising to a great height. [13] Above the battlements a set-back vaulted structure in the manner of a colonnaded stoa makes a roof to shelter those who defend the circuit-wall. [14] And other breastworks resting upon the vaulted structure double the fighting for those who lay siege to the wall. [15] Furthermore, at either end of the wall, at the very edge of the sea, he made bastions (proboloi) extending far out into the water, which were joined to the wall and rivalled its defences in height. [16] He also cleared the moat outside the wall and dug it out very thoroughly, adding a great deal to its width and to its depth. [17] Furthermore, he stationed detachments of soldiers on these long walls, sufficient to offer resistance to all the barbarians if they should make any attempt upon the Chersonese. [18] And after he had made all this firm provision for its safety, he also built additional strongholds for the people inside; [19] so that if (God forbid) any mischance should befall the long walls, the inhabitants of the Chersonese would none the less be in safety. [20] For he surrounded the city of

Aphrodisias with very strong defences, though it had been unwalled for the most part before that, and he put walls around the city of Ciberis which was lying dismantled, and provided it with inhabitants. [21] He also built there baths and guest-houses and numerous dwellings, and all the other things which make a city notable. [22] Furthermore, he provided Callipolis, as it is called, with a very strong wall, a city which had been left unwalled by the men of earlier times because of the faith which was placed in the long walls. [23] There too he built storehouses for grain and for wine amply sufficient for all the wants of the soldiers in Chersonese.

[24] There was a certain ancient city opposite Abydus, Sestus by name, which again had been carelessly planned in earlier times and had no defences. [25] A certain very steep hill towers above it, on which he built an altogether inaccessible fortress, which cannot possibly be taken by any assailant. [26] And it happens that at no great distance from Sestus is situated Elaeus, where a precipitous rock rises from the sea, culminating in a lofty headland which is a natural fortress. [27] So this Emperor built a fort there too, which is hard to get past and altogether impregnable for assailants. [28] Furthermore, he founded the fortress at Thescus on the other side of the long wall, strengthening it by means of an especially strong circuit-wall. Thus he ensured the safety of the inhabitants of Chersonese from every side.

[11] [1] Beyond the Chersonese stands the city of Aenus, which bears the name of its founder; for he was Aeneas, as they say, son of Anchises. [2] The circuit-wall of this place was easy to capture not only because of its lowness, since it did not rise even to the necessary height, [3] but because it offered an exposed approach on the side toward the sea, whose waters actually touched it in places. [4] But the Emperor Justinian raised it to such a height that it could not even be assailed, much less be captured. [5] And by extending the wall and closing the gaps on every side he rendered Aenus altogether impregnable. [6] Thus the city was made safe; and yet the district remained easy for the barbarians to overrun, since Rhodopê from ancient times had been lacking in fortifications. [7] And there was a certain village in the interior, Vellurus by name, which in wealth and population ranked as a city, but because it had no walls at all it constantly lay open to the plundering barbarians, a fate which was shared by the many fields lying about it. [8] Our Emperor made this a city and provided it with a wall and made it worthy of himself. [9] He also took great pains to put in order all such parts of the other cities in Rhodopê as had come to be defective or had suffered with time. [10] Among these were Trajanopolis and Maximianopolis, where he restored the parts of the bastions which had become weak. Thus were these things done.

[11] The city of Anastasiopolis in this region was indeed walled even before this, but it lay along the shore and the beach was unprotected. Consequently the boats putting in there often fell suddenly into the hands of the barbarian Huns, who by means of them also harassed the islands lying off the coast there. [12] But the Emperor Justinian walled in the whole sea-front by means of

a connecting wall and thus restored safety both for the ships and for the islanders. [13] Furthermore, he raised the aqueduct to an imposing height all the way from the mountains which rise here as far as the city. [14] And there is a certain ancient town in Rhodopê, Toperus by name, which is surrounded for the most part by the stream of a river, but had a steep hill rising above it. As a result of this it had been captured by the barbarian Scлавени not long before. [15] But the Emperor Justinian added a great deal to the height of the wall, so that it now overtops the hill by as much as it previously fell below its crest. [16] And he set a colonnaded portico with a vaulted roof on its wall, and from this the defenders of the city fight in safety against those attacking the wall; and he equipped each one of the towers so as to be a strong fort. [17] He also secured the interval between the circuit-wall and the river by shutting it off with a cross-wall. These things, then, were done by the Emperor Justinian as I have said.

[18] And I shall describe all the fortresses which were made by him through the rest of Thrace and through what is now called Haemimontum. [19] First of all he built with great pains those parts which were lacking, and those which had suffered, in Philippopolis and Beroea, and also at Adrianopolis and Plotinopolis, (for these happened to be very vulnerable), though they lay close to many tribes of barbarians. [20] And in all parts of Thrace he established countless fortresses, by which he has now made entirely free from devastation a land which formerly lay exposed to the inroads of the enemy. These fortresses, so far as I recall them, are as follows:

BOOK V.

[1] [1] The buildings erected by the Emperor Justinian in all Europe have been recorded, as far as possible, in the preceding Book. We must now go on to the remaining parts of Asia. [2] All the fortifications of cities and the fortresses, as well as the other buildings which he erected throughout the East, from the boundary of Persia as far as the city of Palmyra, which chances to be in Phoenicia by Lebanon — these, I think, have been sufficiently described by me above. [3] So at present I shall tell also of all that was done by him in the rest of Asia and in Libya, either in fortifying, or in repairing the roads where they were difficult to travel and wholly beset with dangers (sometimes, because mountains towered above them, where they were too steep, sometimes where, since there was a river near by, travellers were caught in it and drowned), or, finally, in repairing all the parts of cities which had become defective — all this I shall proceed to tell, beginning at this point.

[4] There chanced to be a certain place before the city of Ephesus, lying on a steep slope hilly and bare of soil and incapable of producing crops, even should one attempt to cultivate them, but altogether hard and rough. [5] On that site the natives had set up a church in early times to the Apostle John; this Apostle has been named “the Theologian,” because the nature of God was described by him in a manner beyond the unaided power of man. [6] This church, which was small and in a ruined condition because of its great age, the Emperor Justinian tore down to the ground and replaced by a church so large and beautiful, that, to speak briefly, it resembles very closely in all respects, and is a rival to, the shrine which he dedicated to all the Apostles in the imperial city, which I have described above.

[7] This, then, was done at Ephesus by this Emperor. And on our neighbouring island of Tenedos he made provision for the welfare of the imperial city and of those who labour on the sea, which I shall describe immediately, with the following introductory observation. [8] The sea at the Hellespont flows in a very narrow channel, since the two continents at that point approach very close to each other and form the beginning of the strait at Sestus and Abydos; and when ships which are holding a direct course for Constantinople reach that point, they cast anchor. [9] And it is impossible for them to go further unless they have a wind blowing from the south. [10] So when the grain fleet from Alexandria reaches that point, if the wind blows favourably for them, those having this business in charge bring their ships into the harbours of Byzantium in a short time; then, after discharging their cargoes, they depart with all speed, so that before the winter season they may complete a second or even a third voyage. [11] And those of them who wish to do so, also take on a return cargo of merchandise from that place before they sail back. [12] If, however, the wind blew against them at the Hellespont, it came about that both the grain and the ships had to lie there rotting. [13] The

Emperor Justinian took this situation under consideration, and made a clear demonstration that nothing could prove impossible for man, even though he have the greatest difficulties to contend with. [14] For on the island of Tenedos, which is very close to the strait, he contrived a granary large enough to allow the whole fleet to unload, •in breadth not less than ninety feet and in length two hundred and eighty feet, and rising to a very great height. [15] And since the time when this was built by the Emperor, whenever the carriers of public grain reach that point and are impeded by adverse winds, they deposit their cargoes in this storehouse, and bidding a happy farewell to the north wind and the west, they make ready for the next voyage. [16] And they for their part go straightway about their business, and at a later time, when the voyage from there to Byzantium comes to be practicable, those who are assigned to this office convey the grain from Tenedos in other ships.

[2] [1] There is a certain city in Bithynia which bears the name of Helen, mother of the Emperor Constantine, for they say that Helen was born in this village, which formerly was of no consequence. [2] But Constantine, by way of repaying the debt of her nurture, endowed this place with the name and dignity of a city. However, he has built there nothing in a style of imperial magnificence, but, though the place remained outwardly as it had been before, it will now boast merely of the title of city and pride itself in the name of its foster-child Helen. [3] But our Emperor, as if seeking to excuse his imperial predecessor's want of propriety, first of all observed that the city was suffering from shortage of water and was cruelly oppressed by thirst, and so he improvised a marvellous aqueduct and provided it with an unlooked-for supply of water, sufficient for the people there not only to drink but also to use for bathing and for all the other luxuries in which men indulge who have an unstinted supply of water. [4] Besides this he made for them a public bath which had not existed before, and he rebuilt another which was damaged and lay abandoned, and already lay in ruin because of the scarcity of water which I have mentioned and because of neglect. [5] Nay more, he built here churches and a palace and stoas and lodgings for the magistrates, and in other respects he gave it the appearance of a prosperous city.

[6] Close to this city flows a river which the natives call Dracon from the course which it follows. [7] For it twists about and winds from side to side, reversing its whirling course and advancing with crooked stream, now to the right and now to the left. Consequently it is actually necessary for those visiting there to cross it more than twenty times. [8] Thus it has come about that many have lost their lives when the river has risen in sudden flood. [9] Furthermore, a dense wood and a great expanse of reeds which grew there used to obstruct its exit to the sea and made it more troublesome for the regions round about. [10] Indeed, not long ago, when it had been swollen by heavy rains, it backed up and rose in flood and spread far out over the land and caused irreparable damage. [11] For it ruined many districts, uprooted vines and even olive trees and countless other trees of all sorts, trunks and all, not

sparing the houses which stood outside the circuit-wall of the city and inflicting other severe losses upon the inhabitants. [12] And feeling compassion for them, the Emperor Justinian devised the following plan. He cleared off the woods and cut all the reeds, thus allowing the river a free outlet to the sea, so that it might no longer be necessary for it to spread out. And he cut off in the middle the hills which rise there, and built a waggon-road in places which formerly were sheer and precipitous; [13] and in this way he made the crossing of the river for the most part unnecessary for those who dwelt there. Also he placed two very broad bridges over this river, and in consequence everyone now crosses it without danger.

[3] [1] And it is proper to tell of the benefits which he also bestowed upon Nicaea in Bithynia. First of all, he restored the entire aqueduct, which was completely ruined and was not satisfying the need, and thus he provided the city with abundant water. [2] Then he built churches and monasteries, some for women and some for men. [3] And the palace there, which already had in part collapsed, he carefully restored throughout; and he also restored a bath at the lodgings of the *veredarii*, as they are called, which had lain in ruin for a long time. [4] To the west of this city and very close to it a torrent is wont to smite almost everything, making the road there altogether impassable. [5] A bridge had been built over it by the men of earlier times, which, as time went on, was quite unable to withstand the impact of the torrent, since it had not been properly constructed, as it chanced; and finally it yielded to the pressure of the surge and was swept away with it without leaving a trace in the spot where previously it had stood. [6] But the Emperor Justinian planted another bridge there of such height and breadth, that the previous bridge seemed to have been only a fraction of the new one in point of size; and this bridge rises high above the torrent when it is in flood and keeps in perfect safety those passing that way.

[7] In Nicomedia he restored the bath called Antoninus, for the most important part of it had collapsed, and because of the great size of the building it had not been expected that it would be rebuilt. [8] And that great river which they now call the *Sagaris*, rushing down, as it does, with its impetuous stream and having a great depth at the centre and broadening out till it resembles a sea, had always been, since the world began, left untouched by a bridge; instead they lash together a great number of skiffs and fasten them together cross-wise, and people venture to cross these on foot, as once the Persian host, through fear of Xerxes, crossed the Hellespont. [9] But even this is not without danger for them, for many a time the river has seized and carried away all the skiffs, together with their cables, and thus put a stop to the crossing of travellers. [10] But the Emperor Justinian has now undertaken the project of building a bridge over the river. Having already begun the task, he is now much occupied with it; and I know well that he will complete it not long hence, finding my assurance in this — that God coöperates with him in all his labours. [11] Indeed it is for this reason that no project of his has failed of

fulfilment up to the present time, though in the beginning he has seemed in many cases to be undertaking impossible things.

[12] There is a certain road in Bithynia leading from there into the Phrygian territory, on which it frequently happened that countless men and beasts too perished in the winter season. [13] The soil of this region is exceedingly deep; and not only after unusual deluges of rain or the final melting of very heavy snows, but even after occasional showers it turns into a deep and impassable marsh, making the roads quagmires, with the result that travellers on that road were frequently drowned. [14] But he himself and the Empress Theodora, by their wise generosity, removed this danger for wayfarers. [15] They laid a covering of very large stones over this highway for a distance of one half a day's journey for an unencumbered traveller and so brought it about that travellers on that road could get through on the hard pavement. These things, then, were done by the Emperor Justinian in this way.

[16] A natural spring of hot water bubbles up in Bithynia, at a place known as Pythia. [17] This spring is used as a cure by many and particularly by the people of Byzantium, especially those who chance to be afflicted by disease. [18] There indeed he displayed a prodigality befitting an Emperor. He built a palace which had not been there before, [19] and made a public bath supplied by the hot water which rises there. And by means of an aqueduct he conveyed to this place springs of drinking-water which gush forth at a very great distance, and thus abated the lack of sweet water which previously had prevailed there. [20] In addition to this, he enlarged and made much more notable both the Church of the Archangel and the infirmary for the sick.

[4] [1] There is a river in Galatia which the natives call Siberis, close to the place called Sycae, •about ten miles from Juliopolis toward the east. [2] This river often rose suddenly to a great height and caused the death of many of those travelling that way. [3] The Emperor was disturbed when these things were reported to him, and he put a stop to the evil thenceforth by bridging the river with a strong structure capable of resisting the stream when in flood, and by adding another wall in the form of a jetty on the eastward side of the bridge; such a thing is called a promachon or breakwater by those skilled in these matters. [4] He also built a church to the west of the bridge to be a refuge for travellers in the winter season. [5] As to this Juliopolis, its circuit-wall used to be disturbed and weakened by a river which flows along its western side. [6] This Emperor, however, put a stop to that, by setting up a wall flanking the circuit-wall for a distance of •not less than five hundred feet, and in this way he preserved the defences of the city, which were no longer deluged by the stream.

[7] In Cappadocia he did the following. The city of Caesarea there has been from ancient times very large and populous. But it was surrounded by a wall which, by reason of its immoderate extent, was very easy to attack and altogether impossible to defend. [8] For it embraced a great expanse of land which was not at all necessary to the city, and by reason of its excessive size it

was easily assailable by an attacking force. [9] High hills rise there, not standing very close together, but far apart. These the founder of the city was anxious to enclose within the circuit-wall so that they might not be a threat against the city; and in the name of safety he did a thing which was fraught with danger. [10] For he enclosed within the walls many open fields and gardens as well as rocky cliffs and pasture-lands for flocks. [11] However, even at a later time the inhabitants of the place decided not to build anything in this area, but it remained exactly as it had been. [12] Even such houses as did chance to be in this district have continued to be isolated and solitary up to the present day. [13] And neither could the garrison maintain a proper defence in keeping with the extent of the wall, nor was it possible for the inhabitants to keep it in repair, seeing that it was so large. And because they seemed to be unprotected, they were in constant terror. [14] But the Emperor Justinian tore down the unnecessary portions of the circuit-wall and surrounded the city with a wall which was truly safe, and made defences which would be thoroughly impregnable in case of attack; and then he made the place strong by the addition of a sufficient garrison. Thus did he guarantee the safety of the inhabitants of Caesarea in Cappadocia.

[15] There was a certain fortress in Cappadocia, Mocusus by name, situated on level ground, but it had sunk into such a state of disrepair that part of it had fallen down and the rest was on the point of doing so. [16] All this the Emperor Justinian pulled down, and he built a very strong wall to the west of the old fortress, on a site which lay above a very steep slope and was quite inaccessible if anyone should try to attack it. [17] There too he built many churches and hospices and public baths and all the other structures that are the mark of a prosperous city. [18] Consequently it rose even to the rank of a metropolis, for thus the Romans call the leading city of a province. These things, then, were done in Cappadocia.

[5] [1] As one goes from the city of Antioch, which is now called Theopolis, into Cilicia, there is a suburb lying very close to the road, Platanôn by name; and not far from this city lay a path which had long been compressed into a very narrow track by the overhanging mountains; and after being washed by rains for a long time it was destroyed for the most part and afforded only dangerous passage to travellers. [2] When the Emperor Justinian heard of this, he took the matter under careful consideration and straightway found a remedy for the trouble. [3] He spent a sum of money past reckoning, cutting through, for a great distance, all the mountains which rose there to a great height and overcoming impossible obstacles; and he constructed a waggon-road, contrary to all reason and expectation, making flat and open ground of what had previously been broken by precipices, thereby clearly demonstrating that nothing could prove impossible for a man of discerning judgment who was ready to disregard expense. This, then, was done as I have said.

[4] There is in Cilicia a certain city called Mopsuestia, said to be the work of that ancient seer. Alongside this flows the Pyramus River, which, while it

adds beauty to the city, can be crossed only by a bridge. [5] But as much time passed it came about that the greater part of the bridge had suffered; indeed it seemed to be on the point of falling at any moment and for this reason death faced those who crossed it. [6] Thus a structure which was devised by men of former times for the preservation of life came, by reason of the negligence of the authorities, to be a source of great danger and a thing to be feared. [7] But our Emperor with great care set right all the damaged parts and once more restored the safety of the bridge and of those who crossed it, and caused the city to plume itself again, and without risk, on the river's beauty.

[8] Beyond it there is a certain city named Adana, on the eastern side of which the Sarus River flows, coming down from the mountains of Armenia. [9] The Sarus is navigable and quite impossible for men on foot to ford. So in ancient times an enormous and very notable bridge was constructed here. It was built in the following fashion. [10] At many points in the river piers of massive blocks of stone were reared upon its bed, built to a great thickness and forming a line extending across the entire width of the stream and in height rising far above high water. [11] Above each pair of piers spring arches which rise to a great height, spanning the open space between them. The portion of this masonry which chanced to be below the water and so was constantly battered by its powerful current had, in a space of time beyond reckoning, come to be mostly destroyed. [12] So the whole bridge appeared likely after no long time to fall into the river. It had come to be always the prayer of each man who crossed the bridge that it might remain firm if only during the moment of his crossing. [13] But the Emperor Justinian dug another channel for the river and forced it to change its course temporarily; and then getting the masonry which I have just mentioned free from the water and removing the damaged portions, he rebuilt them without any delay and then returned the river to its former path, which they call the "bed." Thus then were these things done.^a

[14] At Tarsus, the Cydnus River flows through the middle of the city. It appears that in general it had caused no damage at any time, but on one occasion it chanced that it did cause irreparable loss, for the following reason. [15] It was about the time of the spring equinox, and a strong south wind which arose suddenly had melted all the snow which had fallen through the winter season, blanketing practically the whole Taurus range. [16] Consequently streams of water were pouring down from the heights everywhere and each of the ravines discharged a torrent, and both the summits and the foothills of the Taurus mountains were deluged. [17] So by reason of this water the Cydnus rose in flood, for the streams kept pouring their water into it, since it was close to the mountains, and it was further swollen by heavy rains which fell at the same time; consequently the river flooded and immediately wiped out completely all the suburbs which were situated to the south of the city. Then it went roaring against the city itself, and tearing out the bridges, which were small, it covered all the market-places, flooded the streets, and wrought havoc

by entering the houses and rising even to their upper storeys. [18] Night and day the whole city continued in this critical and uncertain situation, and it was only tardily and at length that the river subsided little by little and returned once more to its accustomed level. [19] When the Emperor Justinian learned of this, he devised the following plan. First he prepared another bed for the river above the city, in order that the stream might be separated there into two parts and might divide its volume so that only about half of it should flow toward Tarsus. [20] Then he made the bridges very much broader and so strong that the Cydnus in flood could not sweep them away. Thus he brought it about that the city stands forever freed from fear and from danger.

[6] [1] Such were the works of the Emperor Justinian in Cilicia. And in Jerusalem he dedicated to the Mother of God a shrine with which no other can be compared. [2] This is called by the natives the “New Church”; and I shall explain of what sort it is, first making this observation, that this city is for the most part set upon hills; however these hills have no soil upon them, but stand with rough and very steep sides, causing the streets to run straight up and down like ladders. [3] All the other buildings of the city chance to lie in one group, part of them built upon a hill and part upon the lower level where the earth spreads out flat; but this shrine alone forms an exception. [4] For the Emperor Justinian gave orders that it be built on the highest of the hills, specifying what the length and breadth of the building should be, as well as the other details. [5] However, the hill did not satisfy the requirements of the project, according to the Emperor’s specifications, but a fourth part of the church, facing the south and the east, was left unsupported, that part in which the priests are wont to perform the rites. [6] Consequently those in charge of this work hit upon the following plan. They threw the foundations out as far as the limit of the even ground, and then erected a structure which rose as high as the rock. [7] And when they had raised this up level with the rock they set vaults upon the supporting walls, and joined this substructure to the other foundation of the church. [8] Thus the church is partly based upon living rock, and partly carried in the air by a great extension artificially added to the hill by the Emperor’s power. [9] The stones of this substructure are not of a size such as we are acquainted with, [10] for the builders of this work, in struggling against the nature of the terrain and labouring to attain a height to match the rocky elevation, had to abandon all familiar methods and resort to practices which were strange and altogether unknown. [11] So they cut out blocks of unusual size from the hills which rise to the sky in the region before the city, and after dressing them carefully they brought them to the site in the following manner. [12] They built waggons to match the size of the stones, placed a single block on each of them, and had each wagon with its stone drawn by forty oxen which had been selected by the Emperor for their strength. [13] But since it was impossible for the roads leading to the city to accommodate these waggons, they cut into the hills for a very great distance, and made them passable for the waggons as they came along there, and thus

they completed the length of the church in accordance with the Emperor's wish. [14] However, when they made the width in due proportion, they found themselves quite unable to set a roof upon the building. [15] So they searched through all the woods and forests and every place where they had heard that very tall trees grew, and found a certain dense forest which produced cedars of extraordinary height, and by means of these they put the roof upon the church, making its height in due proportion to the width and length of the building.

[16] These things the Emperor Justinian accomplished by human strength and skill. But he was also assisted by his pious faith, which rewarded him with the honour he received and aided him in this cherished plan. [17] For the church required throughout columns whose appearance would not fall short of the beauty of the building and of such a size that they could resist the weight of the load which would rest upon them. [18] But the site itself, being inland very far from the sea and walled about on all sides by quite steep hills, as I have said, made it impossible for those who were preparing the foundations to bring columns from outside. [19] But when the impossibility of this task was causing the Emperor to become impatient, God revealed a natural supply of stone perfectly suited to this purpose in the near by hills, one which had either lain there in concealment previously, or was created at that moment. [20] Either explanation is credible to those who trace the cause of it to God; [21] for while we, in estimating all things by the scale of man's power, consider many things to be wholly impossible, for God nothing in the whole world can be difficult or impossible. [22] So the church is supported on all sides by a number of huge columns from that place, which in colour resemble flames of fire, some standing below and some above and others in the stoas which surround the whole church except on the side facing the east. Two of these columns stand before the door of the church, exceptionally large and probably second to no column in the whole world. [23] Here is added another colonnaded stoa which is called the narthex, I suppose because it is not broad. [24] Beyond this is a court with similar columns standing on the four sides. From this there lead doors to the interior (*metauloi thyrai*) which are so stately that they proclaim to those walking outside what kind of sight they will meet within. Beyond there is a wonderful gateway (*propylaia*) and an arch (*apsis*), carried on two columns, which rises to a very great height. [25] Then as one advances there are two semi-circles (*hemikykla*) which stand facing each other on one side of the road which leads to the church, while facing each other on the other side are two hospices, built by the Emperor Justinian. One of these is destined for the shelter of visiting strangers, while the other is an infirmary for poor persons suffering from diseases. [26] And the Emperor Justinian endowed this Church of the Mother of God with the income from a large sum of money. Such were the activities of the Emperor Justinian in Jerusalem.

[7] [1] In Palestine there is a city named Neapolis, above which rises a high mountain, called Garizin. [2] This mountain the Samaritans originally held; and they had been wont to go up to the summit of the mountain to pray on all

occasions, not because they had ever built any temple there, but because they worshipped the summit itself with the greatest reverence. [3] But when Jesus, the Son of God, was in the body and went among the people there, He had a conversation with a certain woman who was a native of the place. And when this woman questioned Him about the mountain, He replied that thereafter the Samaritans would not worship on this mountain, but that the true worshippers (referring to the Christians), would worship Him in that place; and as time went on the prediction became a fact. [4] For it was not possible that He who was God should not utter truth. [5] And it came about as follows. During the reign of Zeno, the Samaritans suddenly banded together and fell upon the Christians in Neapolis in the church while they were celebrating the festival called the Pentecost, and they destroyed many of them, and they struck with their swords the man who at that time was their Bishop, Terebinthius by name, finding him standing at the holy table as he performed the mysteries; and they slashed at him and cut off the fingers from his hand; and they railed at the mysteries, as is natural for Samaritans to do, while we honour them with silence. [6] And this priest straightway came to Byzantium and appeared before the ruling Emperor and displayed what he had suffered, setting forth what had happened and reminding the Emperor of the prophecy of Christ; and he begged him to avenge all that had been done. [7] The Emperor Zeno was greatly disturbed by what had happened, and with no delay inflicted punishment in due measure upon those who had done the terrible thing. He drove out the Samaritans from Mt. Garizin and straightway handed it over to the Christians, and building a church on the summit he dedicated it to the Mother of God, putting a barrier, as it was made to appear, around this church, though in reality he erected only a light wall of stone. [8] And he established a garrison of soldiers, placing a large number in the city below, but not more than ten men at the fortifications and the church. [9] The Samaritans resented this, and chafed bitterly in their vexation and deplored their condition, but through fear of the Emperor they bore their distress in silence. [10] But at a later time, when Anastasius was holding the imperial office, the following happened. [11] Some of the Samaritans, incited by a woman's suggestion, unexpectedly climbed the steep face of the mountain, since the path which leads up from the city was carefully guarded and it was impossible for them to attempt the ascent by that route. [12] Entering the church suddenly, they slew the guards there and with a mighty cry summoned the Samaritans in the city. [13] They, however, through fear of the soldiers, were by no means willing to join the attempt of the conspirators. [14] And not long afterwards the governor of the district (he was Procopius of Edessa, a man of learning) arrested the authors of the outrage and put them to death. [15] Yet even after that no thought was taken for the fortifications, and no provision for proper defence was made at that time by the Emperor. [16] But during the present reign, although the Emperor Justinian has converted the Samaritans for the most part to a more pious way of life and has made them Christians, he left the old fortifications

around the church on Garizin in the form in which it was, that is, merely a barrier, as I have said; but by surrounding this with another wall on the outside he made the place absolutely impregnable. [17] There too he restored five shrines of the Christians which had been burned down by the Samaritans. Thus, then, have these things been done.

[8] [1] In what was formerly called Arabia and is now known as “Third Palestine,” a barren land extends for a great distance, unwatered and producing neither crops nor any useful thing. A precipitous and terribly wild mountain, Sina by name, rears its height close to the Red Sea, as it is called. [2] There is no need at this point in my account to write a description of that region because everything has been set forth in the Books on the Wars, where I gave a full description of the Red Sea and what is called the Arabian Gulf, as well as of the Ethiopians and Auxomitae and the tribes of the Homerite Saracens. At that point I shewed also in what manner the Emperor Justinian added the Palm Groves to the Roman Empire. [3] Therefore I omit mention of these things, that I may not acquire a reputation for bad taste. [4] On this Mt. Sina live monks whose life is a kind of careful rehearsal of death, and they enjoy without fear the solitude which is very precious to them. [5] Since these monks have nothing to crave — for they are superior to all human desires and have no interest in possessing anything or in caring for their bodies, nor do they seek pleasure in any other thing whatever — the Emperor Justinian built them a church which have dedicated to the Mother of God, so that they might be enabled to pass their lives therein praying and holding services. [6] He built this church, not on the mountain’s summit, but much lower down. [7] For it is impossible for a man to pass the night on the summit, since constant crashes of thunder and other terrifying manifestations of divine power are heard at night, striking terror into man’s body and souls. [8] It was in that place, they say, that Moses received the laws from God and published them. [9] And at the base of the mountain this Emperor built a very strong fortress and established there a considerable garrison of troops, in order that the barbarian Saracens might not be able from that region, which, as I have said, is uninhabited, to make inroads with complete secrecy into the lands of Palestine proper.

[10] Thus, then, were these things done. All that he did in the monasteries of this region and throughout the rest of the East I shall now record in the form of a summary.

BOOK VI.

[1] [1] Thus were these things done by the Emperor Justinian. And at Alexandria he did the following. The Nile River does not flow all the way to Alexandria, but after flowing to the town which is named from Chaereüs, it then turns to the left, leaving aside the confines of Alexandria. [2] Consequently the men of former times, in order that the city might not be entirely cut off from the river, dug a very deep canal from Chaereüs and thus by means of a short branch made the river accessible to it. There too, as it chanced, are the mouths of certain streams flowing in from Lake Maria. [3] In this canal it is by no means possible for large vessels to sail, so at Chaereüs they transfer the Egyptian grain to boats which they are wont to call diaremata, and thus convey it to the city, which they are enabled to reach by way of the canal-route, and they deposit it in the quarter of the city which the Alexandrians call Phialê. [4] But since it often came about that the grain was destroyed in that place by the people rising in sedition, the Emperor Justinian surrounded this district with a wall and so prevented the damage to the grain. [5] Thus were these things done by the Emperor Justinian.

But inasmuch as our account has now led us to Egypt, the close neighbour of Libya, let us now set forth how many things were done by him there also, since this Emperor found all Libya too lying under the power of barbarians and joined it to the remainder of the Roman Empire.

[6] The Nile River, flowing out of India into Egypt, divides that land into two parts as far as the sea. The land, thus divided by the stream, is thenceforth designated by two separate names: [7] the region on the right of the river is called Asia as far as Colchian Phasis, which divides Asia from the continent of Europe, or even all the way to the Cimmerian Strait and the River Tanaïs. [8] In regard to this question those who are learned in these matters are in conflict with one another, as has been made clear in the Books on the Wars in the course of my description of the sea called Euxine. [9] And the land on the left of the Nile bears the name of Libya as far as the Ocean, which on the west marks the boundary between the two continents by sending out a certain arm which opens out into this sea of ours. [10] All the rest of Libya has received several different names, each region being designated, presumably, by the name of the people who dwell there. [11] However, the territory extending from the confines of Alexandria as far as the cities of Cyrenê, comprising the Pentapolis, is now the only region which is called by the name of Libya. [12] In that territory is a city one day's journey distant from Alexandria, Taphosiris by name, where they say that the god of the Egyptians, Osiris, was buried. [13] In this city the Emperor Justinian built many things, and in particular the residences of the magistrates and baths.

[2] [1] The greatest part of this land of Libya chanced to have been desert, which was in general neglected. [2] Yet our Emperor takes thought for this land

also with watchful care, so that it might not have the ill fortune to suffer anything from inroads of the Moors who inhabit the adjoining country; and to this end he established there two strongholds with garrisons, one of which they call Paratonium,^o while the other, which lies not far from the Pentapolis, has received the name Antipyrgum. [3] And the Pentapolis is removed from Alexandria by a twenty days' journey for an unencumbered traveller. [4] In this region of Pentapolis the Emperor Justinian surrounded the city of Teuchira with very strong fortifications. [5] The circuit-wall of Bernicê he rebuilt from its lowest foundations. [6] In that city he also built a bath for the use of the people. [7] Furthermore, on the extreme boundary of the Pentapolis which faces the south, he constructed fortresses in two monasteries which bear the names Agriolodê and Dinarthisum; [8] and these stand as bulwarks against the barbarians of that region, so that they may not come down stealthily into Roman territory and suddenly fall upon it.

[9] There is a certain city there, Ptolemaïs by name, which in ancient times had been prosperous and populous, but as time went on it had come to be almost deserted owing to extreme scarcity of water. [10] For the great majority of the population, driven by thirst, had moved from there long ago and gone wherever each one could. [11] Now, however, this Emperor has restored the city's aqueduct and thus brought back to it its former measure of prosperity. The last city of Pentapolis towards the west is named Boreium. [12] Here the mountains press close upon one another, and thus forming a barrier by their crowding, effectively close the entrance to the enemy. [13] This city, which had been without a wall, the Emperor enclosed with very strong defences, thus making it as safe as possible for the future, together with the whole country round about it.

[14] And there are two cities which are known by the same name, each of them being called Augila.^a [15] These are distant from Boreium about four days' journey for an unencumbered traveller, and to the south of it; and they are both ancient cities whose inhabitants have preserved the practices of antiquity, for they all were suffering from the disease of polytheism even up to my day. [16] There from ancient times there have been shrines dedicated to Ammon and to Alexander the Macedonian. [17] The natives actually used to make sacrifices to them even up to the reign of Justinian. [18] In this place there was a great throng of those called temple-slaves. But now the Emperor has made provision, not alone for the safety of the persons of his subjects, but he has also made it his concern to save their souls, be thus he has cared in every way for the people living there. [19] Indeed he by no means neglected to take thought for their material interests in an exceptional way, and also he has taught them the doctrine of the true faith, making the whole population Christians and bringing about a transformation of their polluted ancestral customs. [20] Moreover he built for them a Church of the Mother of God to be a guardian of the safety of the cities and of the true faith. So much, then, for this.

[21] The city of Boreium, which lies near the barbarian Moors, has never been subject to tribute up to the present time, nor have any collectors of tribute or taxes come to it since the creation of man. [22] The Jews had lived close by from ancient times, and they had an ancient temple there also, which they revered and honoured especially, since it was built, as they say, by Solomon, while he was ruling over the Hebrew nation. [23] But the Emperor Justinian brought it about that all these too changed their ancestral worship and have become Christians, and he transformed their temple into a church.

[3] [1] Beyond these lie the Great Syrtes, as they are called. And I shall explain what their form is and why they are given this name. [2] A sort of shore projects there, but is itself divided by the influx of the sea, and being hidden by the water it seems to disappear and to retreat back into itself; and it forms by its curve a very long crescent-shaped gulf. [3] The chord of the crescent extends to a distance of four hundred stades, but the perimeter of the crescent amounts to a six-days' journey, [4] for the sea, thrusting itself inside of this arm of the mainland, forms the gulf. [5] When a ship driven by the wind or wave gets inside the opening and beyond the chord of the crescent, it is then impossible for it to return, but from that moment it seems "to be drawn" (*suresthai*) and appears distinctly to be dragged steadily forward. From this fact, I suppose, the men of ancient times named the place Syrtes because of the fate of the ships. [7] On the other hand, it is not possible for the ships to make their way to the shore, for submerged rocks scattered over the greater part of the gulf do not permit sailing there, since they destroy the ships in the shoals. [8] Only in small boats are the sailors of such ships able to save themselves, with good luck, by picking their way amid perils through the outlets.

[9] Here are the boundaries of Tripolis, as it is called. It is inhabited by the barbarian Moors, a Phoenician race. Here too is a city, Cidamê by name; [10] and in it live Moors who have been at peace with the Romans from ancient times. All these were won over by the Emperor Justinian and voluntarily adopted the Christian doctrine. [11] These Moors are now called *pacati*, because they have a permanent treaty with the Romans; for peace they call *pacem* in the Latin tongue. [12] Tripolis is a twenty-days' journey from the Pentapolis for an unencumbered traveller.

[4] [1] Next after this comes the city of Leptis Magna, which in ancient times was large and populous, though at a later time it came to be deserted for the most part, being through neglect largely buried in sand. [2] Our Emperor built up the circuit-wall of this city from the foundations, not however on as large a scale as it was formerly, but much smaller, in order that the city might not again be weak because of its very size, and liable to capture by the enemy, and also be exposed to the sand. [3] At present, indeed, he has left the buried portion of the city just as it was, covered by the sand heaped up in mounds, but the rest of the city he has surrounded with a very strongly built wall. [4] Here he dedicated to the Mother of God a very notable shrine, and built four

other churches. [5] Furthermore, he rebuilt the palace, which had been built here in early times and now lay in ruins, the work of the ancient Emperor Severus, who was born in this place and so left this palace as a memorial of his good fortune.

[6] Now that I have reached this point in the narrative, I cannot pass over in silence the thing which happened in Leptis Magna in our time. When the Emperor Justinian had already taken over the imperial authority, but had not yet undertaken the Vandalic War, the barbarian Moors, those called Leuathae, overpowered the Vandals, who were then masters of Libya, and made Leptis Magna entirely empty of inhabitants. [7] While they were tarrying for a time with their leaders on hilly ground not far from Leptis Magna, they suddenly saw a flame of fire in the middle of the city. [8] Supposing that local enemies had got in there, they ran to the rescue with great speed. [9] Finding no one there, they took the matter to the soothsayers, who, by an inkling of what has since happened, predicted that Leptis Magna would soon be inhabited again. [10] Not long after that the Emperor's army came and occupied both Tripolis and the rest of Libya, gaining ascendancy over both the Vandals and the Moors in the war. However, I shall return to the point at which I digressed from my account.

[11] In this city the Emperor Justinian also built public baths, and he erected the circuit-wall of the city from its lowest foundations, and by means both of the baths and of all the other improvements gave it the character of a city. [12] The barbarians who live close by, those called Gadabitani, who up to that time were exceedingly addicted to what is called the Greek form of atheism, he has now made zealous Christians. [13] He also walled the city of Sabrathan, where he also built a very noteworthy church.

[14] There are two cities at the extremity of this land, Tacapa and Girgis, between which lie the Lesser Syrtes. [15] There a thing happens every day which is truly wonderful. The sea, compressed into a narrow space, forms a crescent-shaped gulf, just as I have said happens at the other Syrtes. [16] The sea comes up on the mainland more than a day's journey for an unencumbered traveller, but towards evening it returns again, leaving the shore there dry as on other coasts. [17] The sailors put out over the mainland, which is temporarily transformed into a sea, and during the day they sail as far as possible by the usual means, but in the late afternoon they make preparations to bivouac as if on land, having certain long poles in readiness. [18] As soon as they observe that the water is threatening to draw back, with no delay they leap out of the ships holding the poles and dragging them along. [19] At first they swim, and then they stand as soon as the water does not rise above their faces. [20] And they plant the ends of their poles in the earth as soon as it has become dry or is on the point of becoming so, and they set them upright so as to prop up the boat from both sides and keep it upright, in order that it may not fall over to either side and be crushed. [21] On the following day, at early dawn, the mainland again transforms itself into the sea with its rolling waves, and the

boats are lifted and float away. [22] The sailors meanwhile remove the poles at just the right moment and proceed to sail once more. [23] This goes on without any variation, but every day the alternation of the elements takes place.

[5] [1] After Tripolis and the Syrtes, let us go on to the rest of Libya. [2] We must begin from Carthage, which chances to be the largest and the most noteworthy of the cities in this region, prefacing our account with the remark that when Gizerich and the Vandals acquired Libya, a device occurred to them which was both pernicious and worthy of barbarians. [3] They reasoned that they would be better off if all the towns of the region should be without walls, so that the Romans might not capture any of them and thus be able to harm the Vandals. [4] So they immediately tore down all the walls to the ground. All the barbarians, as a general thing, are very keen in planning damage to the Romans, and they are very swift in executing whatever they decide upon. [5] Only Carthage and a few other places were left by them just as they were, for they declined to concern themselves with these, and left them for time to destroy. [6] But the Emperor Justinian (although no man approved of his purpose and all actually shuddered at the undertaking, and only God furthered the project and promised help and support) sent Belisarius and an army against Libya; and he broke the power of Gelimer and the Vandals, killing many and making the rest captives, as I have recounted in the Books of the Wars. [7] He restored all the dismantled strongholds in Libya, every one of them, and he also added a great many new ones himself.

[8] First, then, he cared for Carthage, which now, very properly, is called Justinianê, rebuilding the whole circuit-wall, which had fallen down, and digging around it a moat which it had not had before. [9] He also dedicated shrines, one to the Mother of God in the palace, and one outside this to a certain local saint, Saint Prima. [10] Furthermore, he built stoas on either side of what is called the Maritime Forum, and a public bath, a fine sight, which they have named Theodorianae, after the Empress. [11] He also built a monastery on the shore inside the circuit-wall, close to the harbour which they call Mandracium, and by surrounding it with very strong defences he made it an impregnable fortress.

[12] These things, then, were done by Justinian at modern Carthage. In the surrounding region, which is called Proconsularis, there was an unwallled city, Vaga by name, which could be captured not only by a planned attack of the barbarians, but even if they merely chanced to be passing that way. [13] This place the Emperor Justinian surrounded with very strong defences and made it worthy to be called a city, and capable of affording safe protection to its inhabitants. [14] And they, having received this favour, now call the city Theodorias in honour of the Empress. [15] He also built in this district a fortress which they call Tucca.

[6] [1] In Byzacium there is a city on the coast, Adramytus by name, which has been large and flourishing from ancient times, and for this reason it won the name and rank of metropolis of the region, since it chances to be first in

point of size and, in general, of prosperity. [2] The Vandals had torn the circuit-wall of this city down to the ground, so that the Romans might not be able to use it against them. And it lay conveniently exposed to the Moors when they overran that region. [3] Nevertheless, the Libyans who lived there tried to make provision, so far as they could, for their own safety, and so they made a barricade out of the ruins of the walls and joined their houses together; [4] and from these they would fight against their assailants and try to defend themselves, though their hope was slight and their position precarious. [5] So their safety always hung by a hair and they were kept standing on one leg, being exposed to the attacks of the Moors and to the neglect of the Vandals. [6] However, when the Emperor Justinian became master of Libya by conquest, he put an exceedingly massive wall about the city and stationed there an adequate garrison of troops, thus giving the inhabitants assurance of safety and enabling them to disdain all enemies. [7] For this reason they now call the place Justinianê, thus repaying the Emperor for their deliverance and displaying their gratitude simply by the adoption of the name, since they had no other means by which they could requite the Emperor's beneficence, nor did he himself wish other requital.

[8] There was also a certain other town on the coast of Byzacium which the inhabitants used to call Caputvada. At that point the Emperor's fleet landed and there the troops first set foot on the land of Libya, when they made the expedition against Gelimer and the Vandals. [9] In that place also God revealed that marvellous and indescribable gift to the Emperor which I have described in the Books on the Wars. [10] For although the locality was exceedingly arid, so that the Roman army was very hard pressed by lack of water, the ground, which previously had been completely dry, sent up a spring at the place where the soldiers were building their stockade, [11] for as they dug, the water began to gush forth. So the earth threw off the drought which prevailed there, and transforming its own character became saturated with drinking-water. [12] Because of this circumstance they built a satisfactory camp in that place and spent that night there; and on the next day they prepared for battle and, to omit what intervened, took possession of Libya. [13] So the Emperor Justinian, by way of bearing witness to the gift of God by means of a permanent testimony — for the most difficult task easily yields to his wish — conceived the desire to transform this place forthwith into a city which should be made strong by a wall and distinguished by its other appointments as worthy to be counted an impressive and prosperous city; and the purpose of the Emperor has been realized. [14] For a wall has been brought to completion and with it a city, and the condition of a farm land is being suddenly changed. [15] And the rustics have thrown aside the plough and lead the existence of a community, no longer going the round of country tasks but living a city life. [16] They pass their days in the market-place and hold assemblies to deliberate on questions which concern them; and they traffic with one another, and conduct all the other affairs which pertain to the dignity of a city.

[17] This then was done in Byzacium on the sea. In the interior of this land and to its farther parts, where barbarian Moors live hard by, he built very powerful outposts against them, because of which they are no longer able to overrun the Roman dominion. [18] He surrounded each one of the cities with very strong walls, since they stand on the rim of the territory; these bear the names Mammes, Teleptê and Cululis. He also constructed a fort which the natives call Aumetra, and in these places he stationed trustworthy garrisons of troops.

[7] [1] In the same way he assured the safety of the land of Numidia by means of fortifications and garrisons of soldiers, each one of which I shall now mention. [2] There is a mountain in Numidia which is called Aurasius, such as chances to be found nowhere else at all in the civilized world. [3] For this mountain rises steeply to a towering height and its perimeter extends to a distance of about three days' journey. It offers no path as one approaches it, having no ascent except over cliffs. [4] But after one gets to the top there is deep soil and level plains and easy roads, meadows good for pasture, parks full of trees and plough-land everywhere. [5] Springs bubble out from the cliffs there, their waters are placid, there are rippling rivers which flow chattering along, and strangest of all, the grain-fields and the trees on this mountain produce crops which are double in size compared with those which are wont to grow in the rest of Libya. Such is the condition of Mt. Aurasius. [6] The Vandals held it originally along with the rest of Libya, but the Moors wrested it from them and settled there. [7] The Emperor Justinian, however, expelled from there the Moors, and Iaudas who ruled over them, and added this mountain to the rest of the Roman Empire. [8] As a precaution in order that the barbarians might not again make trouble by getting a foothold there, he fortified cities about the mountain which he found deserted and altogether unwallled. I refer to Pentebagae and Florentianae and Badê and Meleum and Tamugadê, as well as two forts, Dabusis and Gaeana; also he established there sufficient garrisons of soldiers, thus leaving to the barbarians there no hope of attacking Aurasius. [9] The district beyond Aurasius, which had not been under the Vandals at all, he wrested from the Moors. There he walled two cities, Fricê and Sitifis. [10] At the cities situated in the rest of Numidia, the names of which follow, he set up impregnable defences: Laribuzuduôn, Paraturôn, Cilana, Siccaveneria, Tigisis, Lamfouaomba, Calamaa, Medara, Medela; [11] besides these, two forts, Scilê and Foscala. So much, then, for this.

[12] There is a city on the island Sardô, which is now named Sardinia, called by the Romans Traiani Forum. [13] This Justinian has supplied with a wall which it did not have before, but instead it lay exposed to the island Moors, who are called Barbaricini, whenever they wished to plunder it.

[14] And at Gadira, at one side of the Pillars of Heracles, on the right side of the strait, there had been at one time a fortress on the Libyan shore named Septum; this was built by the Romans in early times, but being neglected by the Vandals, it had been destroyed by time. [15] Our Emperor Justinian made it

strong by means of a wall and strengthened its safety by means of a garrison. [16] There too he consecrated to the Mother of God a noteworthy church, thus dedicating to her the threshold of the Empire, and making this fortress impregnable for the whole race of mankind.

[17] So much for these things. There can be no dispute, but it is abundantly clear to all mankind, that the Emperor Justinian has strengthened the Empire, not with fortresses alone, but also by means of garrisons of soldiers, from the bounds of the East to the very setting of the sun, these being the limits of the Roman dominion. [18] As many, then, of the buildings of the Emperor Justinian as I have succeeded in discovering, either by seeing them myself, or by hearing about them from those who have seen them, I have described in my account to the best of my ability. [19] I am fully aware, however, that there are many others which I have omitted to mention, which either went unnoticed because of their multitude, or remained altogether unknown to me. [20] So if anyone will take the pains to search them all out and add them to my treatise, he will have the credit of having done a needed work and of having won the renown of a lover of fair achievements.

APPENDIX I.

THE EQUESTRIAN STATUE OF JUSTINIAN IN THE AUGUSTAEUM (BUILDINGS, I.II.5-12)

A drawing of this statue, made at the behest of the traveller and antiquary Cyriacus of Ancona when the monument still existed in the early fifteenth century, is preserved in Budapest; it has been published and discussed most recently by G. Rodenwaldt in the *Archäologischer Anzeiger*, 1931, S-^[334] (the reproduction used as the frontispiece of the present volume was made from his illustration). Rodenwaldt sees, in the description of the statue as σχῆμα Ἀχιλλεῖον^o and in Procopius's comment that it represented the Emperor ἡρωϊκῶς, evidence of the interest in the antique conception of the Roman Empire which can be perceived in Justinian's legal policy and in his various efforts for the renovatio of the Imperium Romanum. Justinian, however, can hardly, in Rodenwaldt's opinion, have actually been accustomed to wear the costume in which he was depicted.

There may be a question as to precisely what the significance of the statue may have been, beyond the interpretation of it which Procopius gives. Was the statue intended simply to shew the Emperor in the *costume* of Achilles, or was it designed to depict him in the *character* of Achilles? The word σχῆμα which Procopius uses would favour the second interpretation, though it could support the first also; but his use of this word might easily have been purely fortuitous, and the point cannot be pressed too far. There is also the question whether the representation of Justinian in this fashion reflects only the Emperor's own personal interest in antiquity, expressing itself in a conscious revival of ancient imperial symbolism, or whether the statue represents instead a particular expression of an official conception of the Emperor and his functions which was current at that time. It is always possible, of course, that the statue simply represents an artistic tradition, so that in this case it would be this tradition (possibly even the artist's choice) which was chiefly or solely responsible for the way in which the Emperor was depicted.

Without further knowledge it does not seem proper to adopt any one of these interpretations to the exclusion of the others. There happens to be evidence (unknown to Rodenwaldt) that at least on one occasion, half a century previously, an "Achilles costume" was actually worn, in rather unusual circumstances. The usurper Basiliscus, who reigned as Emperor for twenty months in A.D. 475-476, was persuaded by his wife the Augusta Zenonis to give preferment and high office to her lover Armatus, a young fop who was the Emperor's nephew. A historian of the time tells how this advancement elated the young man beyond all measure, so that he imagined himself to be a man of valour and rode about in the costume of Achilles. This episode may or may not be taken to shew that the "costume of Achilles" was

considered to be specifically an imperial dress; it is to be noted that the word used to describe it is σκευή, “dress,” and not σχῆμα as in the case of Justinian. The incident certainly indicates that the costume was thought to be especially appropriate to a brave commander; our knowledge does not seem sufficient, however, to permit us to find in the episode a definitive explanation of Justinian’s appearance in this manner in the statue.

The origin of the costume, the characteristic part of which seems to be the headdress, is not clear, though further evidence on this point may eventually come to light. The evidence that an “Achilles costume” was worn by Armatus helps to eliminate a difficulty which Rodenwaldt encountered in this connection. The elder Pliny (*Nat. Hist.*, XXXIV.) states that “nude statues holding a spear, modelled after young men in the gymnasium, were called Achillean.” Rodenwaldt thought it necessary to suppose that the term “Achillean” indicated that there was some connection between the nude statues described by Pliny and the armed costume described by Procopius, but he had to admit that it is difficult to see precisely what such a connection might be. The episode of Armatus now indicates that the passage in Pliny has nothing to do with the matter, and that the origin of the costume is to be sought elsewhere.

APPENDIX II

A valuable review of the original edition of this volume was published by D. S. Robertson, *Classical Review*, LV (1941), p-84 (cited here as "Robertson"). A number of the corrections and improvements suggested by Robertson are discussed below; but examination of all of the emendations proposed by him would go beyond the scope of the present Appendix.

P. ix, n. 1. Bury's *History of the Later Roman Empire* has been reprinted by Dover Publications, New York, 1958.

Pp. ix-xv. For further studies of the composition of the Buildings, see G. Downey, "The Composition of Procopius, *De aedificiis*," *Transactions of the American Philological Association*, LXXVIII (1947), p-183; idem, "Notes on Procopius, *De aedificiis*, Book I," *Studies Presented to D. M. Robinson on his Seventieth Birthday*, II (St. Louis, 1953), p-725.

P. xiv. On the work of the "master-builders," see G. Downey, "Byzantine Architects: Their Training and Methods," *Byzantion*, XVIII (1946-48), p-118.

P. xvi. For a further study of some of the architectural terms discussed here, see G. Downey, "On Some Post-Classical Greek Architectural Terms," *Transactions of the American Philological Association*, LXXVII (1946), p-34.

P. xix. Professor Conant's study was published in the *Bulletin of the Byzantine Institute*, I (1946), p-78.

P. 7. With Procopius' observations on Cyrus, compare Eusebius of Caesarea, *Life of Constantine*, 1, 7.

P. 9. On the topography and monuments of Constantinople, and Justinian's buildings there, see now the two volumes of R. Janin, *Constantinople byzantine* (Paris, 1950), and *Les églises et les monastères* (in: *La géographie ecclésiastique de l'empire byzantin. I^{ère} partie, Le siège de Constantinople et le patriarcat oecuménique*, tome III, Paris, 1953). On the latter volume, see the review by G. Downey, *Speculum*, XXVIII (1953), p-899. On Justinian's building programme, see G. Downey, "Justinian as a Builder," *Art Bulletin*, XXXII (1950), p-266.

P. 11. On the meaning of the word Sophia in the name of the church, see G. Downey, "The Name of the Church of St. Sophia in Constantinople," *Harvard Theological Review*, LII (1959), p-41.

P. 11, lines 10-11. Robertson (p-80) points out that a more accurate translation would be "giving it a designation most appropriate to God."

P. 21, § 44. On the description of the pendentives, see the comment of

Robertson, .

P. 21, § 46. It should be noted that the reading of the MSS., $\sigma\epsilon\iota\rho\tilde{\alpha}$ meaning “suspended from heaven with the golden chain,” is a reminiscence of Iliad, VIII, 19.

P. 24, n. 1. On the use of cramps and lead, see also Diodorus Siculus, II, 8. 2.

P. 29. See K. J. Conant, “The First Dome of St. Sophia and its Rebuilding,” *Bulletin of the Byzantine Institute*, I (1946), p–78.

P. 31, n. 1. On the meaning of *pestoi*, see Robertson, pp.79–80.

P. 37, § 19. As Robertson points out () the meaning might be “my whole lifetime,” rather than “the whole span of eternity.”

P. 39, n. 1. Reference should be made to the description of the Blachernae, below, I, vi, 3.

P. 41, § 8. On the phrase “in beauty and in size,” see W. J. Verdenius “ $\kappa\acute{\alpha}\lambda\lambda\omicron\varsigma$ καὶ μέγεθος,” *Mnemosyne*, ser. 4, vol. II (1949), p–298.

P. 43, § 12. Robertson points out () that the meaning is, “For God, having chosen his own manner of becoming man . . .” (that is, by birth from the Virgin Mary).

P. 45, § 3. It has been suggested by G. Downey, *Classical Philology*, XLIII (1948), p–45, that the words $\epsilon\pi\epsilon\iota\tau\alpha$ through $\pi\alpha\rho\alpha\kappa\epsilon\acute{\iota}\mu\epsilon\nu\omicron\nu$ (“and then also another shrine which stood at an angle to this one”) are to be deleted as the addition of a scribe. For further study of the passage see A. Frolov, *Byzantinoslavica*, X (1949), p–132.

P. 51, § 14. This may be translated more accurately, “That portion of the roof which is above the sanctuary, as it is called, is built to resemble the Church of Sophia — in the centre at any rate — except that it is inferior to it in size.”

P. 53, n. 1. See G. Downey, “The Builder of the Original Church of the Apostles at Constantinople,” *Dumbarton Oaks Papers*, VI (1951), p–80, and J. Vogt, “Der Erbauer der Apostelkirche in Konstantinopel,” *Hermes*, LXXXI (1953), p — 117.

P. 53, § 21. “Masons” is a more accurate translation than “workmen.” On the clearing of a site preparatory to building a church, see Eusebius, *Ecclesiastical History*, X, iv, 60; see also his *Life of Constantine*, III, 27.

P. 59. See P. Ulyott and O. Ilgaz, “The Hydrography of the Bosphorus: An Introduction,” *Geographical Review*, XXXVI (1946), p–66.

P. 63, § 5. On this church of Sts. Cosmas and Damian, see L. Deubner, *Kosmas und Damian* (Leipzig, 1907), , n. 2.

P. 73, § 10. The text, as Robertson points out (p–82), appears to be defective. The meaning seems to be that the court in front of the church was constructed

with variegated marbles which in their colour resembled both ripe fruits and snow.

P-127. Robertson observes () that the paragraph division should be between § 6 and § 7, rather than between § 7 and § 8. § 7 means “And I can give further proof that Persian territory surrounds the place on every side.”

P. 149, §§ 8 ff. Excavations at Zenobia have shown that the account of Procopius is surprisingly accurate; see J. Lauffray, *Annates archéologiques de Syrie*, I (1951), p ff.

P. 151, § 11. As Robertson notes () the meaning is “detachments of soldiers” rather than “select troops.”

P. 155, § 24. A Frolov, *Revue des études slaves*, XXV (1949), , with note 4, takes this passage to mean, not that Justinian erected churches and barracks, but that he built “temples” for the military insignia. However, it may not seem altogether certain that this interpretation is in keeping with the context.

P. 157, § 3. On Sergiopolis and the cult of St. Sergius, see A. Poidebard and R. Mouterde, “A propos de S. Serge,” *Analecta Bollandiana*, LXVII (1949), p-116.

P. 164, n. 1. See Byzantion, XIV (1939), p-378. For the history of Antioch in the time of Justinian, see G. Downey, *A History of Antioch in Syria* (to be published by the Princeton University Press, 1961).

P. 177, § 10. On Justinian’s work at Palmyra, see H. Seyrig, “Antiquités syriennes,” *Syria*, XXVII (1950), .

P. 199, § 15. As Robertson observes (), the text as it stands means “There was a certain town in what was once called Lesser Armenia...” On the basis of Wars, I, xvii, 21, Robertson proposes to emend the text thus: ἐν τοῖς Ἀρμενίοις τὸ παλαιὸν [less-than]μὲν Λευκοσόροις, νῦν δὲ > μικροῖς καλουμένοις . . . This improves the passage but it does not seem an indispensable change. See A. H. Krappe, “The Leucosyrians,” *Armenian Quarterly*, I (1946), p-107.

P. 205, n. 1. On the Lazi and the Tzani, see G. Moravcsik, “Byzantine Christianity and the Migrating Magyars,” *American Slavic Review*, V (1946), .

P. 217, § 12. As Robertson notes () the meaning is “which has been barbarized for a long time.”

P. 321, § 16. Robertson notes () that the meaning is not “go straightway about their business,” but “return to their own countries.”

P. 340, § 20. For an inscription recording the construction of an earlier bridge, see H. Grégoire, “Inscriptions historiques byzantines,” *Byzantion*, IV, (1927/8), p–468.

P. 343. In the *Life of Sabas* by Cyril of Scythopolis (§ 73, ed. E. Schwartz, *Texte und Untersuchungen*, XLIX, pt. 2, 1939) it is recorded that a μηχανικός named Theodoros was sent by Justinian to Jerusalem to build the new Church of the Virgin.

P. 365, § 11. Robertson observes () that the meaning is not “the only religion which is called by the name of Libya,” but “the only religion which is still called by the bare name of Libya.”

The Wars of Justinian

BOOK I.

Προκόπιος Καισαρεὺς τοὺς πολέμους ξυνέγραψεν οὕς Ἰουστινιανὸς ὁ Ῥωμαίων βασιλεὺς πρὸς βαρβάρους διήνεγκε τοὺς τε ἐφούς καὶ ἐσπερίους, ὥς πη αὐτῶν ἐκάστω ξυνηγέσθῃ γενέσθαι, ὥς μὴ ἔργα ὑπερμεγέθῃ ὁ μέγας αἰὼν λόγου ἔρημα χειρωσάμενος τῇ τε λήθῃ αὐτὰ καταπρόηται καὶ παντάπασιν ἐξίτηλα θῆται, ὥνπερ τὴν μνήμην αὐτὸς ὥετο μέγα τι ἔσεσθαι καὶ ξυνοῖσον ἐς τὰ μάλιστα τοῖς τε νῦν οὖσι καὶ τοῖς ἐς τὸ ἔπειτα γενησομένοις, εἴ ποτε καὶ αὐθις ὁ χρόνος ἐς ὁμοίαν τινὰ τοὺς ἀνθρώπους ἀνάγκην διάθοιτο. [2] τοῖς τε γὰρ πολεμῆσειουσιν καὶ ἄλλως ἀγωνιουμένοις ὄνησιν τινα ἐκπορίζεσθαι οἷα τέ ἐστιν ἡ τῆς ἐμφεροῦς ἱστορίας ἐπίδειξις, ἀποκαλύπτουσα μὲν ὅποι ποτὲ τοῖς προγεγενημένοις τὰ τῆς ὁμοίας ἀγωνίας ἐχώρησεν, αἰνισσομένη δὲ ὁποῖαν τινὰ τελευτὴν τοῖς γε ὥς ἄριστα βουλευομένοις τὰ παρόντα, ὥς τὸ εἰκός, ἔξει. [3] καὶ οἱ αὐτῷ ξυνηπίστατο πάντων μάλιστα δυνατὸς ὢν τάδε ξυγγράψαι κατ' ἄλλο μὲν οὐδέν, ὅτι δὲ αὐτῷ ξυμβούλῳ ἡρημένῳ Βελισαρίῳ τῷ στρατηγῷ σχεδὸν τι ἅπασιν παραγενέσθαι τοῖς πεπραγμένοις ξυνέπεσε. [4] πρέπειν τε ἡγεῖτο ῥητορικῇ μὲν δεινότητι, ποιητικῇ δὲ μυθοποιῖαν, [5] ξυγγραφῇ δὲ ἀλήθειαν. ταῦτά τοι οὐδέ του τῶν οἱ ἐς ἄγαν ἐπιτηδείων τὰ μοχθηρὰ ἀπεκρύψατο, ἀλλὰ τὰ πᾶσι ξυνενεχθέντα ἕκαστα ἀκριβολογούμενος ξυνεγράψατο, εἴτε εὖ εἴτε πη ἄλλη αὐτοῖς εἰργάσθαι ξυνέβη. [6] Κρεῖσσον δὲ οὐδέν ἢ ἰσχυρότερον τῶν ἐν τοῖσδε τοῖς πολέμοις τετυχηκότων τῷ γε ὥς ἀληθῶς τεκμηριουῖσθαι βουλομένῳ φανήσεται. [7] πέπρακται γὰρ ἐν τούτοις μάλιστα πάντων ὢν ἀκοῇ ἴσμεν: θαυμαστὰ οἷα, ἣν μὴ τις τῶν τάδε ἀναλεγομένων τῷ παλαιῷ χρόνῳ τὰ πρεσβεῖα διδοίη καὶ τὰ καθ' αὐτὸν οὐκ ἀξιοίη θαυμαστὰ οἶεσθαι. [8] ὥσπερ οὖν ἀμέλει τοὺς μὲν νῦν στρατευομένους ἔνιοι καλοῦσι τοξότας, ἀγχεμάχους δὲ καὶ ἀσπιδιώτας καὶ τοιαῦτα ἄττα ὀνόματα τοῖς παλαιοτάτοις ἐθέλουσι νέμειν, ταύτην τε τὴν ἀρετὴν ἐς τοῦτον ἐληλυθέναι τὸν χρόνον ἥκιστα οἴονται, ἀταλαιπώρον γε καὶ τῆς πείρας ἀπωτάτω τὴν περὶ αὐτῶν ποιούμενοι δόξαν. [17] λελέξεται δὲ πρῶτον ἀρξαμένοις μικρὸν ἄνωθεν ὅσα Ῥωμαίοις ξυνηνέχθη καὶ Μήδοις πολεμοῦσι παθεῖν τε καὶ δρᾶσαι.

Ἦνικα τὸν βίον Ἀρκάδιος ὁ Ῥωμαίων βασιλεὺς ἐν Βυζαντίῳ τελευτᾷ ἤμελλεν ἦν γάρ οἱ παῖς Θεοδόσιος οὐπω τοῦ τιθοῦ ἀπαλλαγείς, διηπορεῖτο ἄμφι τε τῷ παιδί καὶ τῇ βασιλείᾳ, εὖ θέσθαι ἄμφω ὡς ἥκιστα ἔχων. [4] Ὀνώριον γάρ οἱ τὸν θεῖον ἐπαρκέσειν οὐδαμῇ ἤλπισε, πονηρῶν ἤδη τῶν Ἰταλίας πραγμάτων ὄντων. [5] οὐδὲν δὲ ἥσσον καὶ τὰ ἐκ Μήδων αὐτὸν ξυνετάρασε, δεδιότα μὴ οἱ βάρβαροι οὗτοι τῆς τοῦ αὐτοκράτορος καταθέοντες ἡλικίας ἀνήκεστα ἔργα Ῥωμαίους δράσωσιν. [6] ἐς ταύτην Ἀρκάδιος τὴν ἀμνηχανίαν ἐμπεπτωκώς, καίπερ οὐ γεγονῶς εἰς τὰ ἄλλα ἀγχίνους, βουλευέται βουλὴν ἥτις οἱ τὸν τε παῖδα καὶ τὴν ἀρχὴν διασώσασθαι εὐπετῶς ἴσχυσεν, εἴτε κοινολογησάμενος τῶν λογίων τισίν, οἷοι πολλοὶ βασιλεῖ παρεδρεύειν εἰώθασιν, ἢ θείας τινὸς ἐπιπνοίας αὐτῷ γενομένης. [7] διαθήκης γὰρ διαθεῖς γράμματα, διάδοχον μὲν τῆς ἡγεμονίας ἀνείπε τὸν παῖδα, ἐπίτροπον δὲ αὐτῷ κατεστήσατο Ἰσδιγέρδην τὸν Περσῶν βασιλέα, ὃν δὴ πολλὰ ἐν ταῖς διαθήκαις ἐπέσκηψε Θεοδοσίῳ τὴν βασιλείαν σθένει τε καὶ προνοίᾳ πάσῃ ξυνδιασώσασθαι. [8] Ἀρκάδιος μὲν ὧδε τὴν τε ἀρχὴν καὶ τὰ οἰκεῖα διοικησάμενος ἐτελεύτησεν: Ἰσδιγέρδης δὲ ὁ Περσῶν βασιλεὺς, ἐπεὶ τὸ γράμμα τοῦτο ἀπενεχθὲν εἶδεν, ὦν καὶ πρότερον ἐπὶ τρόπου μεγαλοφροσύνη διαβόητος ἐς τὰ μάλιστα, ἀρετὴν ἐπεδείξατο θαύματός τε πολλοῦ καὶ λόγου ἀξίαν. [9] τὰς γὰρ Ἀρκαδίου ἐντολὰς ἐν ἀλογία οὐδεμιᾷ ποιησάμενος εἰρήνην τε ἀφθόνῳ χρώμενος διαγέγονεν ἐς Ῥωμαίους τὸν πάντα χρόνον καὶ Θεοδοσίῳ τὴν ἀρχὴν διεσώσατο. [10] αὐτίκα γοῦν πρὸς Ῥωμαίων τὴν βουλὴν γράμματα ἔγραψεν, ἐπίτροπός τε οὐκ ἀπαρνούμενος Θεοδοσίῳ βασιλέως εἶναι καὶ πόλεμον ἐπανατεινόμενος, ἦν τις αὐτῷ ἐς ἐπιβουλὴν ἐγχειροίη καθίστασθαι. [11] Ἐπεὶ δὲ Θεοδόσιος μὲν ἀνὴρ τε ἐγεγόνει καὶ

ἡλικίας πόρρω ἀφίκτο, Ἰσδιγέρδης δὲ νουσήσας ἐξ ἀνθρώπων ἠφάνιστο, ἐπῆλθε μὲν ἐς Ῥωμαίων τὴν γῆν Οὐαραράνης ὁ Περσῶν βασιλεὺς στρατῷ μεγάλῳ, ἔδρασε δὲ οὐδὲν ἄχαρι, ἀλλ' ἄπρακτος ἐπανήλθεν εἰς τὰ οἰκεῖα τρόπῳ τοιῷδε. [12] Ἀνατόλιον τὸν τῆς ἑω στρατηγὸν Θεοδόσιος ὁ βασιλεὺς πρεσβευτὴν ἐς Πέρσας μόνον αὐτὸν ἐτύγγανε πέμψας· ὃς ἐπειδὴ ἀγχιστα ἐγεγόνει τοῦ Μήδων στρατοῦ, ἀποθρόσκει μὲν τοῦ ἵππου μόνος, πεζῇ δὲ βαδίζων ἐπὶ Οὐαραράνην ἦει. [13] καὶ αὐτὸν Οὐαραράνης ἰδὼν τῶν παρόντων ἀνεπυθάνετο ὅστις ποτὲ ὁ προσίων εἶη. οἱ δὲ τῶν Ῥωμαίων εἶναι στρατηγὸν ἔφασαν. [14] καταπλαγεῖς οὖν τῷ ὑπερβάλλοντι τῆς τιμῆς ὁ βασιλεὺς αὐτὸς στρέψας τὸν ἵππον ὀπίσω ἀπήλαυνε, καὶ οἱ ἅπας ὁ τῶν Περσῶν λεῶς εἵπετο. [15] γενόμενος δὲ ἐν γῇ τῇ οἰκεῖα τὸν τε πρεσβευτὴν ζὺν φιλοφροσύνῃ πολλῇ εἶδε, καὶ τὴν εἰρήνην ξυνεχώρησεν οὕτως ὥσπερ Ἀνατόλιος αὐτοῦ ἔχρηξεν, ἐφ' ᾧ μέντοι μηδέτεροι ἐν χωρίῳ οἰκεῖν ἐν γειτόνων τοῖς τῶν ἐτέρων ὀρίοις ὄντι ὀχύρωμα νεώτερόν τι ἐργάζονται. οὗ δὴ αὐτοῖς ἐξειργασμένου ἐκάτεροι τὰ οἰκεῖα ὅπῃ ἐβούλοντο ἔπρασσον.

Χρόνῳ δὲ ὕστερον Περόξης ὁ Περσῶν βασιλεὺς πρὸς τὸ Οὐννων τῶν Ἐφθαλιτῶν ἔθνος, οὗσπερ λευκοὺς ὀνομάζουσι, πόλεμον περὶ γῆς ὀρίων διέφερε, λόγου τε ἄξιον στρατὸν ἀγείρας ἐπ' αὐτοὺς ἦει. [2] Ἐφθαλίται δὲ Οὐννικὸν μὲν ἔθνος εἰσὶ τε καὶ ὀνομάζονται, οὐ μέντοι ἀναμίγνυνται ἢ ἐπιχωριάζουσιν Οὐννων τισὶν ὧν ἡμεῖς ἴσμεν, ἐπεὶ οὔτε χώραν αὐτοῖς ὁμορον ἔχουσιν οὔτε πῃ αὐτῶν ἀγχιστα ὤκνηται, ἀλλὰ προσοικοῦσι μὲν Πέρσαις πρὸς βορρᾶν ἄνεμον, οὗ δὴ πόλις Γοργῷ ὄνομα πρὸς αὐταῖς που ταῖς Περσῶν ἐσχατιαῖς ἐστίν, ἐνταῦθα δὲ περὶ γῆς ὀρίων διαμάχεσθαι πρὸς ἀλλήλους εἰώθασιν. [3] οὐ γὰρ νομάδες εἰσὶν ὥσπερ τὰ ἄλλα Οὐννικὰ ἔθνη, ἀλλ' ἐπὶ χώρας ἀγαθῆς τινος ἐκ παλαιοῦ ἰδρυνται. [4] ταῦτά τοι οὐδέ τινα ἐσβολὴν πεποιήνται πώποτε ἐς Ῥωμαίων τὴν γῆν ὅτι μὴ ζὺν τῷ Μήδων στρατῷ. μόνοι δὲ Οὐννων οὗτοι λευκοὶ τε τὰ σώματα καὶ οὐκ ἄμορφοι τὰς ὄψεις εἰσίν. [5] οὐ μὴν οὔτε τὴν δίαιταν ὁμοίotropον αὐτοῖς ἔχουσιν οὔτε θηρίου βίον τινὰ ἤπερ ἐκεῖνοι ζῶσιν, ἀλλὰ καὶ πρὸς βασιλέως ἐνὸς ἄρχονται καὶ πολιτείαν ἔννομον ἔχοντες ἀλλήλοις τε καὶ τοῖς πέλας ἀεὶ ὀρθῶς καὶ δικαίως ξυμβάλλουσι, [6] Ῥωμαίων τε καὶ Περσῶν οὐδέν τι ἥσσον. οἱ μέντοι εὐδαίμονες αὐτοῖς φίλους ἐταιρίζονται ἄχρι ἐς εἴκοσιν, ἂν οὕτω τύχοι, ἢ τούτων πλείους, οἷπερ αὐτοῖς ξυμπόται μὲν ἐς ἀεὶ γίνονται, τῶν δὲ χρημάτων μετέχουσι πάντων, κοινῆς τινος ἐξουσίας αὐτοῖς ἐς ταῦτα οὔσης. [7] ἐπειδὰν δὲ τῷ αὐτοῦς ἐταιρισμένῳ τελευτῆσαι ξυμβαίῃ, τούτους δὴ τοὺς ἄνδρας ζῶντας ζὺν αὐτῷ ἐς τὸν τάφον ἐσκομίζεσθαι νόμος. [8] Ἐπὶ τούτους τοὺς Ἐφθαλίτας τῷ Περόξῃ πορευομένῳ ξυμπαρῆν πρεσβευτῆς, ὃς δὴ ἔτυχε πρὸς βασιλέως Ζήνωνος παρ' αὐτὸν ἐσταλμένος, Εὐσέβιος ὄνομα. Ἐφθαλίται δὲ δόκησιν παρεχόμενοι τοῖς πολεμίοις ὅτι δὴ αὐτῶν κατωρρωδηκότες τὴν ἑφοδὸν ἐς φυγὴν ὥρμηται, ἦσαν δρόμῳ ἐς χώρόν τινα ὄνπερ ὄρη ἀπότομα πανταχόθεν ἐκύκλουν, συχνοῖς τε καὶ ἀμφιλαφείσιν ἐς ἄγαν καλυπτόμενα δένδροις. [9] ἐντὸς δὲ τῶν ὀρῶν προϊόντι ὡς πορρωτάτῳ ὁδὸς μὲν τις ἐφαίνετο ἐν μέσῳ εὐρεῖα ἐπὶ πλεῖστον διήκουσα, ἑξοδὸν δὲ τελευτῶσα οὐδαμῇ εἶχεν, ἀλλ' ἐς αὐτὸν μάλιστα τὸν κύκλον τῶν ὀρῶν ἔλγηε. [10] Περόξης μὲν οὖν, δόλου παντὸς

ἀφροντιστήσας οὐκ ἔννοῶν τε ὥς ἐν γῇ ἄλλοτρίᾳ πορεύοιτο, ἀνεπισκέπτως ἐδίωκε. [11] τῶν δὲ Οὐννων ὀλίγοι μὲν τινες ἔμπροσθεν ἔφευγον, οἱ δὲ πλεῖστοι ἐν ταῖς δυσχωρίαις διαλαθόντες κατὰ νότου ἐγένοντο τοῦ τῶν πολεμίων στρατοῦ, οὐπω τε αὐτοῖς ἐβούλοντο ἔνδηλοι εἶναι, ὅπως δὴ τῆς ἐνέδρας πόρρῳ χωρήσαντες ἐντὸς τε τῶν ὄρων ἐπὶ πλεῖστον γεγενημένοι μηκέτι ὀπίσω ἀναστρέφειν οἷοί τε ὦσιν. [12] ὥνπερ οἱ Μῆδοι αἰσθόμενοι ἥδη γὰρ καὶ τι τοῦ κινδύνου ὑπέφαινεν αὐτοὶ μὲν δέει τῷ ἐκ Περόζου τὰ παρόντα σφίσι ἐν σιωπῇ εἶχον, Εὐσέβιον δὲ πολλὰ ἐλιπάρουν παραίνεσιν ἐς τὸν βασιλέα ποιήσασθαι μακρὰν ἀπολελειμμένον τῶν οἰκείων κακῶν, βουλευέσθαι μᾶλλον ἢ θρασύνεσθαι οὐκ ἐν δέοντι, καὶ διασκοπεῖσθαι ἣν τίς ποτε μηχανὴ ἐς σωτηρίαν φέρουσα εἴη. [13] ὁ δὲ Περόζῃ ἐς ὅσιν ἐλθὼν τύχην μὲν τὴν παροῦσαν ὥς ἥκιστα ἀπεκάλυψεν, ἀρξάμενος δὲ μυθοποιῆας λέοντά ποτε τράγῳ ἔφασκεν ἐντυχεῖν δεδεμένῳ τε καὶ μηκωμένῳ ἐπὶ χώρου τινὸς οὐ λίαν ὑψηλοῦ, ἐπὶ θοίνῃ δὲ αὐτοῦ τὸν λέοντα ἐφιέμενον ὀρμῆσαι μὲν ὥς ἀρπάσσοντα, ἐμπεσεῖν δὲ ἐς κατώρυχα βαθεῖαν μάλιστα, ὁδὸν κυκλοτερῇ ἔχουσαν στενὴν τε καὶ οὐ πεπερασμένην ἰδέξοδον γὰρ οὐδαμῇ εἶχεν, ἣν δὴ οἱ τοῦ τράγου κύριοι ἐξεπίτηδες τεχνησάμενοι ὑπερθεῖν τῆς κατώρυχος τὸν τράγον τεθείκασι τῷ λέοντι ποδοστράβην ἐσόμενον. [14] ταῦτα Περόζης ἀκούσας ἐς δέος ἦλθε μή ποτε Μῆδοι ἐπὶ πονηρῷ τῷ σφετέρῳ τὴν δίωξιν ἐπὶ τοὺς πολεμίους πεποιήνται. καὶ πρόσω μὲν οὐκέτι ἔχῳρει, μένων δὲ αὐτοῦ τὰ παρόντα ἐν βουλῇ ἐποιεῖτο. [15] Οὐννοι δὲ ἥδη ἐπόμενοι ἐκ τοῦ ἐμφανοῦς τοῦ χώρου τὴν εἴσοδον ἐν φυλακῇ εἶχον, ὅπως μηκέτι οἱ πολέμιοι ὀπίσω ἀπελαύνειν οἷοί τε ὦσι. [16] καὶ οἱ Πέρσαι τότε δὴ λαμπρῶς ἠσθημένοι οὗ ἦσαν κακοῦ ἐν συμφορᾷ ἐποιοῦντο τὰ παρόντα σφίσι, διαφεύξεσθαι τὸν κίνδυνον ἐν ἐλπίδι οὐδεμιᾷ τὸ λοιπὸν ἔχοντες. [17] ὁ δὲ τῶν Ἐφθαλιτῶν βασιλεὺς πέμψας παρὰ Περόζην τῶν οἱ ἐπομένων τινάς, πολλὰ μὲν αὐτῷ θράσους πέρι ἀλογίστου ὠνείδισεν, ἀφ' οὗ δὴ αὐτόν τε καὶ τὸ Περσῶν γένος κόσμῳ οὐδενὶ διαφθείρειεν, ἐνδώσειν δὲ καὶ ὥς τὴν σωτηρίαν Οὐννους αὐτοῖς ἐπηγγέλλετο, ἣν γε αὐτόν τε Περόζης προσκυνεῖν βούλοιο, ἅτε δεσπότην γεγενημένον, καὶ ὄρκους τοὺς σφίσι πατρίους ὁμνὺς τὰ πιστὰ δοίη μήποτε Πέρσας ἐπὶ τὸ Ἐφθαλιτῶν ἔθνος στρατεύσασθαι. [18] ταῦτα ἐπεὶ Περόζης ἤκουσε, μάγων τοῖς παροῦσι κοινολογησάμενος ἀνεπνυθάνετο εἰ τὰ ἐπαγγελλόμενα πρὸς τῶν ἐναντίων ποιητέα εἴη. [19] οἱ δὲ μάγοι ἀπεκρίναντο τὰ μὲν ἀμφὶ τῷ ὄρκῳ ὅπῃ οἱ βουλομένῳ ἐστὶν αὐτὸν διοικήσασθαι, ἐς μέντοι τὸ ἕτερον σοφία περιελθεῖν τὸν πολέμιον. [20] εἶναι γὰρ αὐτοῖς νόμον τὰς τοῦ ἡλίου ἀνατολὰς προσκυνεῖν ἡμέρᾳ ἐκάστη. [21] δεήσειν οὖν αὐτὸν τηρησαντα ἐς τὸ ἀκριβὲς τὸν καιρὸν συγγενέσθαι μὲν ἅμα ἡμέρᾳ τῷ τῶν Ἐφθαλιτῶν ἄρχοντι, τετραμμένον δὲ πρὸς ἀνίσχοντα ἥλιον προσκυνεῖν: ταύτῃ γὰρ ἂν ἐς τὸ ἔπειτα τῆς πράξεως τὴν ἀτιμίαν φυγεῖν δύναιτο. [22] Περόζης μὲν οὖν ἀμφὶ τε τῇ εἰρήνῃ τὰ πιστὰ ἔδωκε καὶ τὸν πολέμιον προσεκύνησε καθάπερ τῶν μάγων ἢ ὑποθήκη παρήγγελλεν, ἀκραιφνεῖ δὲ παντὶ τῷ Μήδων στρατῷ ἐπ' οἴκου ἄσμενος ἀνεχώρησε.

Χρόνῳ δὲ οὐ πολλῷ ὕστερον ἀλογήσας τὰ ὁμοιοσμένα τίσασθαι Οὐννους τῆς ἐς αὐτὸν ὕβρεως ἤθελε. [2] πάντας οὖν αὐτίκα ἐκ πάσης γῆς Πέρσας τε καὶ ξυμμάχους ἀγείρας ἐπὶ τοὺς Ἐφθαλίτας ἦγε, τῶν παιδῶν ἓνα μὲν Καβάδην

ὄνομα μόνον ἀπολιπὼν ἡνικαυτα γὰρ ἡβηκῶς ἔτυχέ, τοὺς δὲ λοιποὺς ἅπαντας ἐπαγόμενος τριάκοντα μάλιστα. [3] Ἐφθαλῖται δὲ αὐτοῦ τὴν ἔφοδον γνόντες ἀχθόμενοι τε οἷς δὴ πρὸς τῶν πολεμίων ἡπάτηντο τὸν βασιλέα ἐκάκιζον, ἅτε προέμενον Μήδοις τὰ πράγματα. [4] καὶ ὃς αὐτῶν ζὺν γέλῳτι ἐπυνθάνετο τί ποτε ἄρα σφῶν προέμενος εἶη, πότερον τὴν γῆν ἢ τὰ ὄπλα ἢ ἄλλο τι τῶν πάντων χρημάτων. [5] οἱ δὲ ὑπολαβόντες οὐκ ἄλλο οὐδὲν πλὴν γε δὴ ὅτι τὸν καιρὸν ἔφασαν, οὗ τᾶλλα πάντα ἡρτῆσθαι ξυμβαίνει. [6] οἱ μὲν οὖν τοῖς ἐπιούσιν ὑπαντιάζειν πάσῃ προθυμία ἤζισον, ὁ δὲ αὐτοὺς μὲν ἔν γε τῷ παρόντι ἐκώλυνεν. οὐ γάρ πω σαφές τι ἀμφὶ τῇ ἐφόδῳ ἰσχυρίζετο γεγονέναι σφίσιν, ἐπεὶ οἱ Πέρσαι ἔτι ἐν γῇ τῇ οἰκείᾳ τυγχάνουσιν ὄντες· μένων δὲ αὐτοῦ ἐποίει τάδε. [7] ἐν τῷ πεδίῳ ἧ ἔμελλον Πέρσαι ἐς τὰ Ἐφθαλιτῶν ἦθη ἐσβάλλειν χώραν πολλήν τινα ἐπὶ πλεῖστον ἀποτεμών, τάφρον εἰργάσατο βαθεῖαν τε καὶ εὗρους ἱκανῶς ἔχουσας, ὀλίγον τινα ἐν μέσῳ ἀκραιφνῇ χῶρον ἀπολιπὼν ὅσον ἵππων ὁδῷ ἐπαρκεῖν δέκα. [8] καλάμους τε τῇ τάφρῳ ὑπερθεῖν ἐπιθείς καὶ γῆν ἐπὶ τοὺς καλάμους συναμηςάμενος, ταύτῃ ἐπιτολῆς ἔκρυπεν, Οὕνων τε τῷ ὀμίλῳ ἐπέστελλεν, ἐπειδὴ ἐνθένδε ὀπίσω ἀπελαύνειν μέλλωσι, διὰ χώρου τοῦ χέρσου ἐς ὀλίγους σφᾶς ξυναγαγόντας σχολαιτέρους ἰέναι, φυλασσομένους ὅπως μὴ ἐς τὰ ἐσκαμμένα ἐμπίπτειν· [9] τοὺς δὲ ἄλας ἄκρου σημείου τοῦ βασιλείου ἀπεκρέμασεν ἐς οὓς τὸν ὄρκον Περόξης ὥμοσε πρότερον, ὃν δὴ ἀλογήσας εἶτα ἐπὶ Οὕνους ἐστράτευσεν. [10] ἔως μὲν οὖν ἐν γῇ τῇ σφετέρᾳ τοὺς πολεμίους ἤκουεν εἶναι, ἡσυχῇ ἔμενεν, ἐπεὶ δὲ αὐτοὺς ἐς Γοργῶ πόλιν ἔμαθεν ἀφικέσθαι πρὸς· τῶν κατασκόπων, ἥπερ ἐν τοῖς ἐσχάτοις Περσῶν ὁρίοις τυγχάνει οὕσα, ἐνθένδε τε ἀπαλλαγέντας ὁδῷ ἐπὶ σφᾶς ἦδη ἰέναι, αὐτὸς μὲν τῷ πλείονι τοῦ στρατοῦ τῆς τάφρου ἐντὸς ἔμεινεν, ὀλίγους δὲ πέμψας ὀφθῆναι μὲν τοῖς ἐναντίοις ἐν τῷ πεδίῳ ἐκέλευε μακρὰν ἀποθεῖν, ὀφθέντας δὲ μόνον εἶτα ἀνὰ κράτος φεύγειν ὀπίσω, ἐν μνήμῃ τὰς αὐτοῦ ἐντολὰς ἀμφὶ τῇ κατῶρυχι ἔχοντας, ἡνίκα δὴ αὐτῆς ἄγχιστα ἴκοιντο. [11] οἱ δὲ κατὰ ταῦτα ἐποίουν, καὶ ἐπεὶ τῆς διώρυχος ἀγχοτάτῳ ἐγένοντο, ἐς ὀλίγους σφᾶς ξυναγαγόντες διέβησαν ἅπαντες καὶ τῷ ἄλλῳ στρατῷ ἀνέμειγνυντο. [12] οἱ δὲ Πέρσαι ξυνεῖναι τῆς ἐπιβουλῆς οὐδαμῇ ἔχοντες κατὰ κράτος ἐν πεδίῳ λίαν ὑπτιῷ ἐδίωκον, θυμῷ πολλῷ ἐς τοὺς πολεμίους ἐχόμενοι, ἔς τε τὴν τάφρον ἐμπεπτώκασιν ἅπαντες, οὐχ οἱ πρῶτοι μόνον, ἀλλὰ καὶ ὅσοι ὀπισθεν εἶποντο· [13] ἅτε γὰρ τὴν δίωξιν ζὺν θυμῷ μεγάλῳ, καθάπερ ἐρρήθη, ποιούμενοι, ὥς ἥκιστα ἦσθοντο τοῦ κακοῦ ὃ δὴ ξυντετύχηκε τοῖς ἔμπροσθεν ἰοῦσιν, ἀλλ' ὑπὲρ αὐτοὺς ζὺν τοῖς ἵπποις τε καὶ δόρασιν ἐμπεπτωκότες ἐκείνους τε, ὥς τὸ εἰκός, ἔκτειναν καὶ αὐτοὶ οὐδέν τι ἥσσον ξυνδιεφθάρησαν. [14] ἐν οἷς καὶ Περόξης ἦν ζὺν παισὶ τοῖς αὐτοῦ ἅπασιν. καὶ αὐτὸν μέλλοντα ἐς τὸ βάραθρον τοῦτο ἐμπεσεῖσθαι φασὶ τοῦ τε δεινοῦ ἡσθῆσθαι καὶ τὸ μάργαρον, ὃ οἱ λευκότατόν τε καὶ μεγέθους ὑπερβολῇ ἔντιμον ἐξ ὧτὸς τοῦ δεξιοῦ ἀπεκρέματο, ἀφελόντα ῥῖψαι, ὅπως δὴ μή τις αὐτὸ ὀπίσω φοροίῃ, ἐπεὶ ἀξιοθέατον ὑπερφυῶς ἦν, οἷον οὐπὼ πρότερον ἐτέρῳ τῷ βασιλεῖ γέγονεν, ἐμοὶ μὲν οὐ πιστὰ λέγοντες. [15] οὐ γὰρ ἂν ἐνταῦθα γενόμενος τοῦ κακοῦ ἄλλου ὁτουοῦν ἐς φροντίδα ἦλθεν, ἀλλ' οἶμαι τό τε οὕς αὐτῷ ἐν τούτῳ ξυγκεκόφθαι τῷ πάθει καὶ τὸ μάργαρον ὅπη ποτὲ ἀφανισθῆναι. [16] ὅπερ ὁ Ῥωμαίων βασιλεὺς τότε πρίασθαι πρὸς τῶν

Ἐφθαλιτῶν ἐν σπουδῇ ποιησάμενος ἥκιστα ἴσχυσεν. οὐ γὰρ αὐτὸ εὐρέσθαι οἱ
βάρβαροι εἶχον, καίπερ πόνῳ πολλῷ τὴν ζήτησιν ποιησάμενοι. φασὶ μέντοι
Ἐφθαλίτας εὐρομένους αὐτὸ ὕστερον τῷ Καβάδῃ ἀποδόσθαι. [17] Ὅσα δὲ ἀμφὶ
τῷ μαργάρῳ τούτῳ Πέρσαι λέγουσιν εἰπεῖν ἄξιον· ἴσως γὰρ ἂν τῷ καὶ οὐ
παντάπασις ἄπιστος ὁ λόγος δόξειεν εἶναι. [18] λέγουσιν οὖν Πέρσαι εἶναι μὲν
ἐν τῷ κτενὶ τὸ μάργαρον τοῦτο ἐν θαλάσῃ ἢ ἐν Πέρσαις ἐστί, νήχεσθαι δὲ
τὸν κτένα τῆς ταύτης ἡιόνος οὐ πολλῷ ἄποθεν· ἀνεωγένοι τε αὐτοῦ ἄμφω τὰ
ὄστρακα, ὧν δὴ κατὰ μέσον τὸ μάργαρον εἰστήκει θέαμα λόγου πολλοῦ
ἄξιον. ἄλλο γὰρ αὐτῷ εἰκασθῆναι οὐδαμῇ ἔσχεν οὔτε τῷ μεγέθει οὔτε τῷ
κάλλει ἐκ τοῦ παντὸς χρόνου. [19] κύνα δὲ θαλάσσιον ὑπερφυᾶ τε καὶ δεινῶς
ἄγριον ἐραστὴν τοῦ θεάματος τούτου γενόμενον ἔπεσθαι κατ' ἵχνος αὐτῷ,
οὔτε νύκτα ἀνιέντα οὔτε ἡμέραν, ἀλλὰ καὶ ἡνίκα τροφῆς ἐπιμελεῖσθαι
ἀναγκασθεῖν, ἐνταῦθα μὲν τι περισκοπεῖσθαι τῶν ἐδωδίων, εὐρόντα δέ τι καὶ
ἀνελόμενον ἐσθίειν μὲν ὅτι τάχιστα, καταλαβόντα δὲ αὐτίκα δὴ μάλα τὸν
κτένα θεάματος αὐθις τοῦ ἐρωμένου ἐμπίπλασθαι. [20] καί ποτε τῶν τινα
γριπέων φασὶ τὰ μὲν ποιούμενα ἐπιδεῖν, ἀποδειλιάσαντα δὲ τὸ θηρίον
ἀποκνῆσαι τὸν κίνδυνον, ἔς τε τὸν βασιλέα Περόξην ἅπαντα τὸν λόγον
ἀνενεγκεῖν. [21] ἃ δὴ τῷ Περόξῃ ἀκούσαντι πόθον φασὶ τοῦ μαργάρου γενέσθαι
μέγαν, πολλαῖς τε ἀπ' αὐτοῦ θωπείαις τὸν ἀσπαλιέα τοῦτον καὶ ἀγαθῶν
ἐλπίσιν ἐπᾶραι. [22] ὃν δὴ ἀντιτείνειν αἰτουμένῳ δεσπότη οὐκ ἔχοντα λέγουσι
τάδε τῷ Περόξῃ εἰπεῖν· Ὡς δέσποτα, ποθινὰ μὲν ἀνθρώπῳ χρήματα,
ποθεινοτέρα δὲ ἢ ψυχῇ, πάντων μέντοι ἀξιώτατα τέκνα. [23] ὧν δὴ τῇ στοργῇ
ἀναγκασθεῖς φύσει ἴσως ἂν τις καὶ πάντα τολμήσειεν. ἐγὼ τοίνυν τοῦ τε
θηρίου ἀποπειράσεσθαι καὶ τοῦ μαργάρου σε κύριον· [24] θήσεσθαι ἐλπίδα
ἔχω. καὶ ἢ μὲν κρατήσω τοῦ ἀγῶνος τούτου, εὐδηλον ὥς ἐν τοῖς καλουμένοις
ὀλβίοις τὸ ἐνθένδε τετάξομαι. σέ τε γὰρ πᾶσιν ἀγαθοῖς με δωρήσεσθαι ἅτε
βασιλέων βασιλέα οὐδὲν ἀπεικός, καὶ ἐμοὶ ἀποχρήσει, καίπερ οὐδέν, ἂν οὕτω
τύχοι, κεκομισμένῳ, τὸ δεσπότη εὐεργέτην τοῦ ἐμοῦ γεγενῆσθαι. [25] εἰ δὲ ἐμὲ
δεῖ τῷ θηρίῳ τούτῳ ἀλῶναι, σὸν δὴ ἔργον ἔσται, ὃ βασιλεῦ, τοὺς παῖδας τοὺς
ἐμοὺς θανάτου τοῦ πατρώου ἀμείψασθαι. [26] οὕτω γὰρ ἐγὼ μὲν καὶ
τετελευτηκὼς ἐν τοῖς ἀναγκαιοτάτοις ἔμμισθος ἔσομαι, σὺ δὲ ἀρετῆς δόξαν
ἀποίσῃ μείζω. τὰ παιδία γὰρ ὠφελῶν εὖ ποιήσεις ἐμὲ ὅσπερ σοι τῆς
εὐεργεσίας τὴν χάριν οὐδαμῇ εἶσομαι. αὕτη γὰρ ἂν εὐγνωμοσύνη ἀκίβδηλος
γένοιτο μόνη ἢ ἐς τοὺς ἀποθανόντας ἐπιδειχθεῖσα.' [27] τοσαῦτα εἰπὼν
ἀπηλλάσσετο. καὶ ἐπεὶ ἐς τὸν χώρον ἀφίκετο ἵνα δὴ ὁ τε κτεὶς νήχεσθαι καὶ ὁ
κύων αὐτῷ εἴθιστο ἔπεσθαι, ἐνταῦθα ἐπὶ πέτρας ἐκάθητό τινας,
καιροφυλακῶν εἰ πως ἔρημόν ποτε τὸ μάργαρον τοῦ ἐραστοῦ λάβοι. [28]
ἐπειδὴ δὲ τῷ κυνὶ τάχιστα τῶν τινι ἐς τὴν θοίνην οἱ ἐπιτηδεῖως ἐχόντων
ἐντετυχηκέαι ξυνέπεσε καὶ περὶ τοῦτο διατριβὴν ἔχειν, ἀπολιπὼν ἐπὶ τῆς
ἀκτῆς ὁ ἀλιεὺς τοὺς οἱ ἐπὶ ταύτῃ δὴ ἐπομένους τῇ ὑπουργίᾳ εὐθὺς τοῦ κτενὸς
σπουδῇ πολλῇ ἦει, καὶ αὐτοῦ ἤδη λαβόμενος ἔξω γενέσθαι κατὰ τάχος
ἠπειγετο. [29] οὗ δὴ ὁ κύων αἰσθόμενος ἐβοήθει ἐνταῦθα. ἰδὼν τε αὐτὸν ὁ
σαγηνευτής, ἐπεὶ καταλαμβάνεσθαι τῆς ἡιόνος οὐ μακρὰν ἔμελλε, τὸ μὲν
θήραμα ἠκόντισεν ἐς τὴν γῆν δυνάμει τῇ πάσῃ, αὐτὸς δὲ ἀλούς διεφθάρη οὐ

πολλῷ ὕστερον. [30] ἀνελόμενοι δὲ τὸ μάργαρον οἱ ἐπὶ τῆς ἀκτῆς λελειμμένοι τῷ τε βασιλεῖ ἀπεκόμισαν καὶ τὰ ξυνενεχθέντα πάντα ἐσήγγειλαν. [31] τὰ μὲν οὖν ἀμφὶ τῷ μαργάρῳ τούτῳ τῇδε, ἥπερ ἐρρήθη, Πέρσαι ξυνενεχθῆναι φασιν. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἐπάνειμι. [32] Οὕτω μὲν Περόξης τε διεφθάρη καὶ ξύμπασα ἡ Περσῶν στρατιά. εἰ γάρ τις οὐκ ἐμπεπτωκὼς ἐς τὴν διώρυχα ἔτυχεν, ὁδε ὑπὸ τῶν πολεμίων ταῖς χερσὶ γέγονε. [33] καὶ ἀπ' αὐτοῦ νόμος τέθεται Πέρσαις μὴ ποτε σφᾶς ἐν γῇ πολεμία ἐλαύνοντας διώξιν ποιεῖσθαι τινα, ἣν καὶ κατὰ κράτος τοὺς ἐναντίους σφίσι τραπῆναι ξυμβαίη. [34] ὅσοι μέντοι Περόξη οὐ ξυστρατεύσαντες ἐν χώρᾳ τῇ αὐτῶν ἔμειναν, οὗτοι δὴ βασιλέα σφίσι Καβάδην εἵλοντο τὸν νεώτατον Περόζου υἱόν, ὅσπερ τηνικαῦτα περιῆν μόνος. [35] τότε δὴ Ἐφθαλίταις κατήκοοι ἐς φόρου ἀπαγωγὴν ἐγένοντο Πέρσαι, ἕως Καβάδης τὴν ἀρχὴν ἰσχυρότατα κρατυνόμενος φόρον αὐτοῖς ἀποφέρειν τὸν ἐπέτειον οὐκέτι ἤξιον. ἥρξαν δὲ Περσῶν οἱ βάρβαροι οὗτοι ἐνιαυτοὺς δύο.

Μετὰ δὲ Καβάδης ἐπὶ τὸ βιαιότερον τῇ ἀρχῇ χρώμενος ἄλλα τε νεώτερα ἐς τὴν πολιτείαν εἰσήγε καὶ νόμον ἔγραψεν ἐπὶ κοινὰ ταῖς γυναιξὶ μίγνυσθαι Πέρσας· ὅπερ τὸ πλῆθος οὐδαμῇ ἤρεσκε. διὸ δὴ αὐτῷ ἐπαναστάντες παρέλυσάν τε τῆς ἀρχῆς καὶ δήσαντες ἐν φυλακῇ εἶχον. [2] καὶ βασιλέα μὲν σφίσι Βλάσιν τὸν Περόζου ἀδελφὸν εἵλοντο, ἐπεὶ γόνος μὲν οὐδεὶς ἔτι ἄρρην Περόξη, ὅσπερ ἐρρήθη, ἐλέλειπτο, Πέρσαις δὲ οὐ θέμις ἄνδρα ἐς τὴν βασιλείαν καθίστασθαι ἰδιώτην γένος, ὅτι μὴ ἐξιτήλου παντάπασιν γένους τοῦ βασιλείου ὄντος· [3] Βλάσης δὲ τὴν βασιλείαν παραλαβὼν Περσῶν τε τοὺς ἀρίστους ξυνέλεξε καὶ τὰ ἀμφὶ τῷ Καβάδῃ ἐν βουλῇ ἐποιεῖτο· τὸν γὰρ ἄνθρωπον ἀποκτινύναι οὐκ ἦν βουλομένοις τοῖς πλείοσιν. [4] ἔνθα δὴ πολλαὶ μὲν ἐλέχθησαν γνῶμαι ἐφ' ἐκάτερα φέρουσαι, παρελθὼν δὲ τῶν τις ἐν Πέρσαις λογίμων, ὄνομα μὲν Γουσαστάδης, χαναράγγης δὲ τὸ ἀξίωμα· εἶη δ' ἂν ἐν Πέρσαις στρατηγὸς τοῦτό γέ, πρὸς αὐταῖς που ταῖς ἐσχατιαῖς τῆς Περσῶν γῆς τὴν ἀρχὴν ἔχων ἐν χώρᾳ ἢ τοῖς Ἐφθαλίταις ὁμορὸς ἐστί, καὶ τὴν μάχαιραν ἐπιδείξας ἢ τῶν ὀνύχων τὰ προὔχοντα Πέρσαι εἰώθασιν ἀποτέμεσθαι, μῆκος μὲν ὅσον δακτύλου ἀνδρός, πάχος δὲ οὐδὲ τριτημόριον δακτύλου ἔχουσαν· 'Ταύτην ὁρᾶτε,' εἶπε, [5] 'τὴν μάχαιραν, βραχεῖαν παντάπασιν οὖσαν· αὕτη μέντοι ἔργον ἐν τῷ παρόντι ἐπιτελεῖν οἷα τέ ἐστίν, ὅπερ εὖ ἴστε ὀλίγῳ ὕστερον, ὃ φίλτατοι Πέρσαι, μυριάδες δύο τεθωρακισμένων ἀνδρῶν ἐξεργάζεσθαι οὐκ ἂν δύναιντο.' ὁ μὲν ταῦτα εἶπε, [6] παραδηλὼν ὥς, ἦν μὴ Καβάδην ἀνέλωσιν, αὐτίκα πράγματα Πέρσαις περιὼν παρέξει. [7] οἱ δὲ κτεῖναι ἄνδρα τοῦ βασιλείου αἵματος οὐδ' ὅλως ἔγνωσαν, ἀλλ' ἐν φρουρίῳ καθεῖρξαι ὅπερ τῆς Λήθης καλεῖν νενομίκασιν. [8] ἦν γάρ τις ἐνταῦθα ἐμβληθεὶς τύχη, οὐκέτι ὁ νόμος ἐφίησι μνήμην αὐτοῦ εἶναι, ἀλλὰ θάνατος τῷ ὀνομακώτῃ ἢ ζημία ἐστί· διὸ δὴ καὶ τὴν ἐπωνυμίαν ταύτην πρὸς Περσῶν ἔλαχεν. [9] ἅπαξ δὲ ἡ τῶν Ἀρμενίων ἱστορία φησὶ νόμου τοῦ ἀμφὶ τῷ Λήθης φρουρίῳ παραλελῶσθαι τὴν δύναμιν Πέρσαις τρόπῳ τοιῷδε. [10] Πόλεμός ποτε Πέρσις τε καὶ Ἀρμενίοις ἀκήρυκτος γέγονεν εἰς δύο καὶ τριάκοντα ἔτη ἐπὶ Πακουρίου μὲν Περσῶν βασιλεύοντος, Ἀρμενίων δὲ Ἀρσάκου Ἀρσακίδου ἀνδρός. τούτῳ τε τῷ πολέμῳ μηχανομένῳ κεκακῶσθαι μὲν ἐς ἄγαν

ἀμφοτέρους ξυνέβη καὶ διαφερόντως τοὺς Ἀρμενίους. [11] ἀπιστία δὲ πολλῇ ἐς ἀλλήλους ἐχόμενοι ἐπικηρυκεύεσθαι παρὰ τοὺς ἐναντίους οὐδέτεροι εἶχον. ἐν τούτῳ δὲ Πέρσας τετύχηκε πόλεμον πρὸς ἄλλους βαρβάρους τινὰς οὐ πόρρω Ἀρμενίων ὤκημένους διενεγκεῖν. [12] οἱ τε Ἀρμένιοι ἐν σπουδῇ ἔχοντες ἐπίδειξιν ἐς Πέρσας τῆς ἐς αὐτοὺς εὐνοίας τε καὶ εἰρήνης ποιήσασθαι, ἐσβαλεῖν ἐς τούτων δὴ τῶν βαρβάρων τὴν γῆν ἔγνωσαν, δηλώσαντες τοῦτο πρότερον Πέρσαις. [13] ἀπροσδόκητοί τε αὐτοὶ ἐπιπεσόντες σχεδόν τι ἅπαντας ἡβηδὸν ἔκτειναν. ὃ τε Πακούριος τοῖς πεπραγμένοις ὑπερησθείς, πέμψας παρὰ τὸν Ἀρσάκην τῶν οἱ ἐπιτηδεῖων τινὰς τὰ τε πιστὰ οἱ παρασχόμενος τὸν ἄνθρωπον μετεπέμψατο. [14] καὶ ἐπεὶ παρ' αὐτὸν Ἀρσάκης ἀφίκετο, τῆς τε ἄλλης αὐτὸν φιλοφροσύνης ἡξίωσε καὶ ἅτε ἀδελφὸν ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ ἔσχε. [15] καὶ τότε μὲν ὄρκους δεινотάτοις τὸν τε Ἀρσάκην καταλαβὼν καὶ αὐτὸς οὐδέν τι ἥσσον ὁμωμοκῶς ἢ μὴν εὖνους τε καὶ ξυμμάχους Πέρσας τε τὸ λοιπὸν καὶ Ἀρμενίους ἀλλήλοις εἶναι, αὐτίκα δὴ αὐτὸν ἐς τὰ πατρία ἦθη ἀφῆκεν ἰέναι. [16] Χρόνῳ δὲ οὐ πολλῷ ὕστερον διέβαλον τὸν Ἀρσάκην τινὲς ὡς δὴ πράγμασι νεωτέροις ἐγγχειρεῖν βούλοιο. οἷσπερ ἀναπεισθεὶς ὁ Πακούριος αὐτῆς αὐτὸν μετεπέμπετο, ὑπειπὼν ὅτι δὴ αὐτῷ τι κοινολογεῖσθαι ὑπὲρ τῶν ὅλων ἐπιμελὲς εἴη. [17] καὶ ὅς οὐδέν τι μελλήσας ἐς αὐτὸν ἦλθεν, ἄλλους τε τῶν ἐν Ἀρμενίῳ μαχιμωτάτων ἐπαγόμενος καὶ Βασσίκιον ὅσπερ αὐτῷ στρατηγός τε καὶ ξύμβουλος ἦν· ἀνδρίας τε γὰρ καὶ ξυνέσεως ἐπὶ πλείστον ἀφίκετο. [18] εὐθὺς οὖν ὁ Πακούριος ἅμφω, τὸν τε Ἀρσάκην καὶ Βασσίκιον, πολλὰ ὀνειδίζων ἐκάκιζεν, εἰ τὰ ὁμωμοσμένα ἡλογηκότε οὕτω δὴ τάχιστα ἐς ἀπόστασιν ἴδοιεν. οἱ δὲ ἀπηνουῖντό τε καὶ ἀπώμνουν ἐνδελεχέστατα μηδὲν σφίσιν αὐτοῖς βεβουλεῖσθαι τοιοῦτο. [19] τὰ μὲν οὖν πρῶτα ὁ Πακούριος αὐτοὺς ἐν ἀτιμίᾳ ἐφύλασεν, ἔπειτα δὲ τῶν μάγων ἀνεπυνθάνετο ὃ τί οἱ ποιητέα ἐς αὐτοὺς εἴη. [20] οἱ δὲ μάγοι τῶν μὲν ἀρνούμενων καὶ οὐ διαρρήδην ἐληλεγμένων καταγινώσκειν οὐδαμῇ ἐδिकाίου, ὑποθήκην δὲ αὐτῷ τινα ἔφραζον, ὅπως ἂν Ἀρσάκης αὐτὸς ἄντικρυς αὐτοῦ κατηγορεῖν ἀναγκάζοιτο. [21] τὸ γὰρ τῆς βασιλικῆς σκηνῆς ἔδαφος κόπρῳ καλύπτειν ἐκέλευον, ἥμισυ μὲν ἐκ τῆς Περσῶν χώρας, θάτερον δὲ ἥμισυ ἐκ τῆς Ἀρμενίας. καὶ ὁ βασιλεὺς κατὰ ταῦτα ἐποίει. [22] τότε δὴ οἱ μάγοι τὴν σκηνὴν ὅλην μαγείαις τισὶ καταλαβόντες ἐκέλευον τὸν βασιλέα ξὺν τῷ Ἀρσάκῃ τοὺς περιπάτους ἐνταῦθα ποιεῖσθαι, ἐπικαλοῦντα τοῖς τε ξυγκεϊμένοις καὶ ὁμωμος μένοις λυμήνασθαι. [23] δεῖν δὲ καὶ αὐτοὺς τῷ διαλόγῳ παραγενέσθαι. οὕτω γὰρ ἂν τῶν λόγων μάρτυρες ἀπάντων εἶεν. αὐτίκα γοῦν ὁ Πακούριος τὸν Ἀρσάκην μεταπεμψάμενος διαύλους ἐν τῇ σκηνῇ ξὺν αὐτῷ ἐποιεῖτο, παρόντων σφίσιν ἐνταῦθα τῶν μάγων, καὶ ἀνεπυνθάνετο τοῦ ἀνθρώπου ὅτου δὴ ἔνεκα τὰ ὁμωμοσμένα ἡλογηκῶς εἶτα Πέρσας τε καὶ Ἀρμενίους αὐτῆς τρίβειν ἀνhekέστοις κακοῖς ἐγχειροῖ· [24] ὁ δὲ Ἀρσάκης, ἕως μὲν ἐν τῷ χώρῳ οἱ λόγοι ἐγίνοντο οὗ δὴ ὁ χοῦς ἐκ γῆς τῆς Περσίδος ἐπέκειτο, ἀπηνεῖτό τε καὶ ὄρκους τοῖς δεινотάτοις πιστούμενος ἀνδράποδον ἰσχυρίζετο εἶναι Πακουρίου πιστόν· [25] ἐπειδὴ δὲ μεταξὺ λέγων ἐς τῆς σκηνῆς τὸ μέσον ἀφίκετο, ἵνα δὴ κόπρου τῆς Ἀρμενίας ἐπέβησαν, ἐνταῦθα οὐκ οἶδα ὅτῳ ἀναγκασθεὶς λόγους μὲν τούτους ἐπὶ τὸ θρασύτερον

ἐξαπινάϊως μεταβιβάζει, ἀπειλῶν δὲ τῷ τε Πακουρίῳ καὶ Πέρσαις οὐκέτι ἀνίει, ἀλλὰ τίσασθαι αὐτοὺς ἐπηγγέλλετο ὕβρεως τῆσδε ἐπειδὰν αὐτὸς αὐτοῦ τάχιστα κύριος γένοιτο. [26] καὶ ταῦτα λέγων τε καὶ νεανιευόμενος ἐποιεῖτο τὸν περίπατον ὅλον, ἕως ἀναστρέψας ἐς κόπρον αὐθις τὴν ἐκ γῆς τῆς Περσίδος ἀφίκετο. ἐνταῦθα γὰρ πάλιν ὥσπερ τινὰ παλινφδιαν ἄδων ἰκέτης τε ἦν καὶ οἰκτροὺς τινας τῷ Πακουρίῳ προὔφερε λόγους. [27] ἐπεὶ δὲ ἐς χοῦν αὐθις τὸν Ἀρμενίων ἦλθεν, ἐς τὰς ἀπειλὰς ἀπεχώρησε. καὶ πολλάκις οὕτω μεταβληθεὶς ἐφ' ἐκάτερα ἔκρυψε τῶν οἱ ἀπορρήτων οὐδέν. [28] τότε δὴ οἱ μὲν μάγοι κατέγνωσαν αὐτοῦ ἔς τε τὰς σπονδὰς καὶ τοὺς ὅρκους ἡδικηκέναι. Πακούριος δὲ Βασιικίου μὲν τὸ δέρμα ἐκδείρας ἀσκόν τε αὐτὸ πεποιημένους καὶ ἀχύρων ἐμπλησάμενος ὅλον ἀπεκρέμασεν ἐπὶ δένδρου τινὸς ὑψηλοῦ λίαν. [29] τὸν μέντοι Ἀρσάκην ἀποκτείνειν γὰρ ἄνδρα τοῦ βασιλείου αἵματος ὄντα οὐδαμῇ εἶχεν ἐν τῷ τῆς Λήθης φρουρίῳ καθεῖρξε. [30] Χρόνῳ δὲ ὕστερον τῶν τις Ἀρμενίων τῷ τε Ἀρσάκῃ ἐν τοῖς μάλιστα ἐπιτηδεῖων καὶ οἱ ἐπισπομένων ἐς τὰ Περσῶν ἦθη ἰόντι, Πέρσαις ἐπὶ τι ἔθνος ἰοῦσι βαρβαρικὸν ξυνεστράτευσεν: ὃς δὴ ἀνὴρ τε ἀγαθὸς ἐν τῷ πόνῳ τούτῳ, ὀρῶντος Πακουρίου τὰ ποιούμενα, γέγονε καὶ τῆς νίκης αἰτιώτατος Πέρσαις. [31] διὸ δὴ αὐτὸν ὁ Πακούριος ὃ τι ἂν βούλοιο αἰτεῖσθαι ἡξίου, ἰσχυρισάμενος ὅτι δὴ οὐδενὸς πρὸς αὐτοῦ ἀτυχήσει. [32] ὁ δὲ ἄλλο οἱ οὐδὲν γενέσθαι ἡξίου ἢ ὥστε τὸν Ἀρσάκην ἐν ἡμέρᾳ μιᾷ θεραπεῦσαι ἢ βούλοιο. [33] τοῦτο τὸν βασιλέα ἠνίασε μὲν ἐς τὰ μάλιστα, εἰ λύειν νόμον οὕτω δὴ παλαιὸν ἀναγκάζοιτο, ὅπως μέντοι παντάπασιν ἀληθίζεται, ξυνεχώρει τὴν δέησιν ἐπιτελεῖν γενέσθαι. [34] ἐπεὶ δὲ βασιλέως ἐπαγγεῖλαντος γέγονεν ἐν τῷ τῆς Λήθης φρουρίῳ, ἡσπάσατο μὲν τὸν Ἀρσάκην, ἄμφω δὲ ἀλλήλοιον περιβαλόντε ἐθρηνησάτην τε ἡδύν τινα θρῆνον καὶ ἀπολοφυραμένῳ τὴν παροῦσαν τύχην μόλις ἀπ' ἀλλήλοιον διαλύειν τὰς αὐτοῦ χεῖρας ἐκάτερος ἔσχεν. [35] ἐπεὶ δὲ τῶν ὀδυρμῶν ἐς κόρον ἐλθόντες ἐπαύσαντο, ἔλουσε μὲν ὁ Ἀρμένιος τὸν Ἀρσάκην καὶ τᾶλλα οὐκ ἀπημελημένως ἐκόσμησε, σχῆμα δὲ αὐτῷ περιθέμενος τὸ βασιλείον ἐπὶ στιβάδος ἀνέκλινεν. [36] ἐνταῦθ' αὖτε τοὺς παρόντας Ἀρσάκης βασιλικῶς εἰστία ἥπερ εἴωθει τὰ πρότερα. [37] ἐν ταύτῃ τῇ θοίνῃ πολλοὶ μὲν ἐπὶ κύλικι λόγοι ἐλέγχθησαν οἵπερ τὸν Ἀρσάκην ἱκανῶς ἤρεσκον, πολλὰ δὲ ἄλλα ἐς μέσον ἦλθεν ἅπερ αὐτῷ ἐν ἡδονῇ ἦν: μηχανομένου τε τοῦ πότου ἄχρι ἐς νύκτα τῇ πρὸς ἀλλήλους ὁμιλίᾳ ὑπερφυῶς ἦσθησαν, μόλις δὲ ἀλλήλων ἀπαλλαγέντες διελύθησαν, [38] καταβεβρεγμένοι τῇ εὐπαθείᾳ. τότε δὴ λέγουσι τὸν Ἀρσάκην εἰπεῖν ὥς ἡμέραν τὴν ἡδίστην διατελέσας ἐν ταύτῃ τε ξυγγενόμενος τῷ ποθεινοτάτῳ ἀνθρώπων ἀπάντων, οὐκ ἂν ἔτι ἐκὼν γε εἶναι ὑποσταίῃ τὰ φλαῦρα τοῦ βίου, [39] καὶ ταῦτα εἰπόντα μαχαίρᾳ ἑαυτὸν διαχειρίσασθαι ἦνπερ ἐν τῇ θοίνῃ ἐξεπίτηδες κεκλοφῶς ἔτυχεν, οὕτω τε αὐτὸν ἐξ ἀνθρώπων ἀφανισθῆναι. [40] τὰ μὲν οὖν κατὰ τοῦτον δὴ τὸν Ἀρσάκην ἢ τῶν Ἀρμενίων συγγραφὴ λέγει ταύτῃ, ἥπερ ἐρρήθη, κεχωρηκέναι, καὶ τὸν νόμον τότε ἀμφὶ τῷ τῆς Λήθης φρουρίῳ λελύσθαι. ἐμοὶ δὲ ὅθενπερ ἐξέβην ἰτέον.

Καθειρχόμενα δὲ τὸν Καβάδην ἐθεράπευεν ἡ γυνὴ ἐσιοῦσά τε παρ' αὐτὸν καὶ τὰ ἐπιτήδεια ἐσκομίζουσα: ἦν δὴ ὁ τῆς εἰρκτῆς ἄρχων πειρᾶν ἤρξατο: ἦν γὰρ τὴν ὄψιν ἐς τὰ μάλιστα εὐπρεπής. [2] ὅπερ ἐπεὶ ὁ Καβάδης παρὰ τῆς

γυναικὸς ἔμαθεν, ἐκέλευσεν ἐνδιδόναι αὐτὴν τῷ ἀνθρώπῳ ὃ τι βούλοιο
χρησθαι. οὕτω δὴ τῇ γυναικὶ ἐς εὐνὴν ξυνελθὼν ὁ τοῦ φρουρίου ἄρχων
ἠράσθη τε αὐτῆς ἔρωτα ἐξαισίον οἶον, [3] καὶ ἀπ' αὐτοῦ ξυνεχώρει παρὰ τὸν
ἄνδρα τὰς εἰσόδους ποιῆσθαι, ὅπῃ ἂν αὐτῇ βουλομένη εἴη, καὶ αὐτῆς ἐνθένδε
ἀπαλλάσσεσθαι, οὐδενὸς ἐμποδὼν ἵσταμένου. ἦν δέ τις τῶν ἐν Πέρσαις
λογίμων Σεόσης ὄνομα, Καβάδῃ ἐς τὰ μάλιστα φίλος, [4] ὃς ἀμφὶ τὸ φρούριον
τοῦτο διατριβὴν εἶχε, καιροφυλακῶν εἰ πως αὐτὸν ἐνδοθεν ἐξελέσθαι
δυνήσεται. [5] διὰ τε τῆς γυναικὸς τῷ Καβάδῃ ἐσήμαινεν ὥς ἵπποι τέ οἱ καὶ
ἄνδρες ἐν παρασκευῇ τυγχάνουσιν ὄντες τοῦ φρουρίου οὐ μακρὰν ἄποθεν,
δηλώσας τι χωρίον αὐτῷ. [6] καὶ ποτε νυκτὸς ἐπιλαβούσης ἀνέπεισε τὴν
γυναῖκα Καβάδης ἐσθῆτα μὲν αὐτῷ τὴν οἰκείαν δοῦναι, τὰ δὲ αὐτοῦ
ἀμπεχομένην ἱμάτια ἐπὶ τῆς εἰρκτῆς ἀντ' αὐτοῦ καθῆσθαι, οὐπὲρ ἐκεῖνος
ἐκάθητο. [7] οὕτω μὲν οὖν Καβάδης ἀπηλλάσσετο ἐκ τοῦ δεσμοτηρίου.
κατιδόντες δὲ αὐτὸν οἷς ἡ φυλακὴ αὕτη ἐπέκειτο τὴν γυναῖκα ὑπετόπαζον
εἶναι: ταῦτά τοι οὔτε κωλύειν οὔτε ἄλλως αὐτὸν ἐνοχλεῖν ἔγνωσαν. [8] ἅμα τε
ἡμέρᾳ τὴν γυναῖκα ἐς τὸ δωμάτιον ἐν τοῖς τοῦ ἀνδρὸς ἱματίοις ἰδόντες καὶ
μακρὰν ἀπολελειμμένοι τοῦ ἀληθοῦς ῥοντο Καβάδην ἐνταῦθα εἶναι. ἥ τε
δόκησις αὕτη ἐν ἡμέραις συχαῖς ἤκμαζεν, [9] ἕως Καβάδης πόρρῳ που τῆς
ὁδοῦ ἐγεγόνει. τὰ μὲν οὖν ἀμφὶ τῇ γυναικὶ ξυνενεχθέντα, ἐπεὶ ἐς φῶς ἡ
ἐπιβουλὴ ἦλθε, καὶ ὄντινα αὐτὴν τρόπον ἐκόλασαν, ἐς τὸ ἀκριβὲς οὐκ ἔχω
εἰπεῖν. οὐ γὰρ ὁμολογοῦσι Πέρσαι ἀλλήλοις: διὸ δὴ αὐτὰ λέγειν ἀφίημι. [10]
Καβάδης δὲ λαθὼν ἅπαντας ξὺν τῷ Σεόσῃ ἐς Οὐννους τοὺς Ἐφθαλίτας
ἀφίκετο, καὶ αὐτῷ τὴν παῖδα γυναῖκα ὁ βασιλεὺς γαμετὴν δίδωσιν, οὕτω τε
στράτευμα λόγου πολλοῦ ἄξιον ἅτε κηδεστῇ ἐπὶ Πέρσας ξυνέπεμψε. [11] τούτῳ
τῷ στρατῷ Πέρσαι ὑπαντιάζειν οὐδαμῇ ἤθελον, ἀλλὰ ἄλλος ἄλλῃ ἐς φυγὴν
ῥορμηντο. [12] ἐπεὶ δὲ ὁ Καβάδης ἐν τῇ χώρᾳ ἐγένετο ἔνθα ὁ Γουσσαναστάδης
τὴν ἀρχὴν εἶχεν, εἶπε τῶν ἐπιτηδείων τισὶν ὥς χαναράγγην καταστήσεται
ἄνδρα ἐκεῖνον, ὃς ἂν αὐτῷ Περσῶν πρῶτος ἐκείνῃ τῇ ἡμέρᾳ ἐς ὅσιν ἦκων
ὑπουργεῖν βούλοιο. [13] εἰπὼντι τέ οἱ μετέμελεν ἤδη τοῦ λόγου, ἐπεὶ νόμος
αὐτὸν ἐσῆει, ὃς δὴ οὐκ ἔῃ Πέρσαις ἐς τοὺς ἀλλοτρίους τὰς ἀρχὰς φέρεσθαι,
ἀλλ' οἷς ἡ τιμὴ ἐκάστη κατὰ γένος προσήκει. [14] ἔδεισε γὰρ μὴ τις ἴκοιτο ἐς
αὐτὸν πρῶτος τῷ χαναράγγῃ οὐ ξυγγενῆς ὢν, τὸν τε νόμον ἀναγκάζηται λύειν
ὅπως αὐτὸς ἀληθίζηται. [15] ταῦτα δὲ οἱ ἐν νῷ ἔχοντι ξυνέβη τις τύχη ὥστε μὴ
τὸν νόμον ἀτιμάζοντι ἀληθεῖ εἶναι. ἔτυχε γὰρ πρῶτος Ἀδεργουδουνβάδης ἐς
αὐτὸν ἦκων, νεανίας ἀνὴρ, ξυγγενῆς τε ὢν τῷ Γουσσαναστάδῃ καὶ
διαφερόντως ἀγαθὸς τὰ πολέμια. [16] ὃς δὴ δεσπότην τε προσεῖπε Καβάδην καὶ
βασιλέα προσεκύνησε πρῶτος, ἐδεῖτό τε οἱ ἅτε δούλῳ ὃ τι βούλοιο χρησθαι.
[17] Καβάδης οὖν ἐν τοῖς βασιλείοις οὐδενὶ πόνῳ γενόμενος, ἔρημόν τε
Βλάσπην τῶν ἀμυνομένων λαβὼν ἐξετύφλωσε, τρόπον δὴ ὅτῳ τυφλοὺς οἱ
Πέρσαι ποιεῖν τοὺς κακούργους εἰώθασιν, ἔλαιον ἔψοντες καὶ αὐτὸ ὥς
μάλιστα ζέον ἐς τοὺς ὀφθαλμοὺς οὕτι μύοντας ἐπιχέοντες, ἢ περόνην τινὰ
σιδηρὰν πυρακτοῦντες ταύτῃ τε τῶν ὀφθαλμῶν τὰ ἐντὸς χρίοντες, καὶ τὸ
λοιπὸν ἐν φυλακῇ εἶχεν ἄρξαντα Περσῶν ἐνιαυτοὺς δύο. [18] καὶ τὸν μὲν
Γουσσαναστάδην κτείνας τὸν Ἀδεργουδουνβάδην ἀντ' αὐτοῦ κατεστήσατο ἐπὶ

τῆς τοῦ χαναράγγου ἀρχῆς, τὸν δὲ Σεόσῃν ἀδρασταδάραν σαλάνην εὐθὺς ἀνεῖπε. δύναται δὲ τοῦτο τὸν ἐπὶ ἀρχαῖς τε ὁμοῦ καὶ στρατιώταις ἅπασιν ἐφεστῶτα. [19] ταύτην ὁ Σεόσης τὴν ἀρχὴν πρῶτός τε καὶ μόνος ἐν Πέρσais ἔσχεν· οὔτε γὰρ πρότερον οὔτε ὕστερόν τινι γέγονε· τὴν τε βασιλείαν ὁ Καβάδης ἐκρατύνατο καὶ ζὺν τῷ ἀσφαλεῖ διεφύλαξεν. ἦν γὰρ ἀγχίνους τε καὶ δραστήριος οὐδενὸς ἦσσαν.

Ὀλίγῳ δὲ ὕστερον χρήματα Καβάδης τῷ Ἐφθαλιτῶν βασιλεῖ ὥφειλεν, ἅπερ ἐπεὶ ἀποτινύναι οἱ οὐχ οἷός τε ἦν, Ἀναστάσιον τὸν Ῥωμαίων αὐτοκράτορα ἤτει ταῦτα οἱ δανεῖσαι τὰ χρήματα· ὁ δὲ κοινολογησάμενος τῶν ἐπιτηδείων τισὶν ἐπυνθάνετο εἰ γέ οἱ ταῦτα ποιητέα εἴη. [2] οἷπερ αὐτὸν τὸ συμβόλαιον ποιεῖσθαι οὐκ εἶων. ἀζύμορον γὰρ ἀπέφαινον εἶναι βεβαιότεραν τοῖς πολεμίοις χρήμασιν οἰκείους ἐς τοὺς Ἐφθαλίτας τὴν φιλίαν ποιήσασθαι, οὓς δὴ ἐς ἀλλήλους ξυγκρούειν ὅτι μάλιστα σφίσιν ἄμεινον εἶναι. [3] διὸ δὴ Καβάδης ἐξ αἰτίας οὐδεμιᾶς ἔγνω ἐπὶ Ῥωμαίους στρατεύεσθαι. καὶ πρῶτα μὲν αὐτάγγελος Ἀρμενίων τῇ χώρᾳ ἐπῆλθε, καὶ αὐτῆς τὰ πολλὰ ἐξ ἐπιδρομῆς ληισάμενος ἐς Ἀμιδαν πόλιν ἐν Μεσοποταμίᾳ κειμένην ἐκ τοῦ αἰφνιδίου ἀφίκετο, ἧς δὴ χειμῶνος ὥρᾳ ἐς πολιορκίαν καθίστατο. [4] Ἀμιδηνοὶ δὲ στρατιωτῶν μὲν, ἅτε ἐν εἰρήνῃ καὶ ἀγαθοῖς πράγμασιν, οὐ παρόντων σφίσι, καὶ ἄλλως δὲ ἀπαράσκευοι παντάπασιν ὄντες, ὅμως τοῖς πολεμίοις ὡς ἥκιστα προσχωρεῖν ἤθελον, ἀλλὰ τοῖς τε κινδύνοις καὶ τῇ ταιλαιπωρίᾳ παρὰ δόξαν ἀντείχον. [5] Ἦν δὲ τις ἐν Σύροις ἀνὴρ δίκαιος, Ἰάκωβος ὄνομα, ᾧ τὰ ἐς τὸ θεῖον ἐς τὸ ἀκριβὲς ἦσκητο. οὗτος ἐν χωρίῳ Ἐνδιήλων, διέχοντι Ἀμίδης ἡμέρας ὁδῷ, πολλοῖς ἔμπροσθεν χρόνοις αὐτὸν καθεῖρξεν, ὅπως δὴ ἀδεέστερον τὰ ἐς τὴν εὐσέβειαν μελετᾶν δύνηται. [6] καὶ αὐτοῦ οἱ ταύτῃ ἄνθρωποι ὑπουργοῦντες τῇ γνώμῃ δρυφάκτοις τισὶ περιέβαλον, οὐ ξυνημμένοις μέντοι, ἀλλὰ χωρὶς πεπηγόσιν ἀλλήλων, ὥστε ὁρᾶν τε τοὺς προσιόντας καὶ ξυγγίνεσθαι οἷόν τε εἶναι. [7] καὶ στέγος τι αὐτῷ ἐτεκτῆναντο βραχὺ ὑπερθεν, ὅσον ὄμβρους τε καὶ νιφετοὺς ἀποκρούεσθαι. ἐνταῦθα οὗτος ὁ ἀνὴρ ἐκ παλαιοῦ καθήστο, πνίγει μὲν ἡ ψύχει ὡς ἥκιστα εἰκων, σπέρμασι δὲ τισιν ἀποζῶν, οἷσπερ οὐ καθ' ἡμέραν, ἀλλὰ χρόνου πολλοῦ σιτίζεσθαι εἰώθει. [8] τοῦτον οὖν τὸν Ἰάκωβον τῶν τινες Ἐφθαλιτῶν καταθέοντες τὰ ἐκεῖνη χωρία εἶδον, καὶ τὰ τόξα σπουδῇ πολλῇ ἐντεινάμενοι βάλλειν ἤθελον. πᾶσι δὲ ἀκίνητοι αἱ χεῖρες γεγонуῖαι τὰ τόξα ἐνεργεῖν οὐδαμῇ εἶχον. [9] ὅπερ ἐπεὶ ἐν τῷ στρατοπέδῳ περιφερόμενον ἐς Καβάδην ἦλθεν, αὐτόπτης γενέσθαι τοῦ ἔργου ὁ Καβάδης ἐβούλετο, ἰδὼν τε ἐν θάμβει μεγάλῳ ζὺν Περσῶν τοῖς παροῦσιν ἐγίνετο, καὶ τὸν Ἰάκωβον ἐλπάρει ἀφεῖναι τοῖς βαρβάροις τὸ ἔγκλημα. ὁ δὲ ἀφῆκέ τε λόγῳ ἐνὶ καὶ τὰ δεινὰ τοῖς ἀνθρώποις ἐλέλυντο. [10] Καβάδης μὲν οὖν· αἰτεῖν τὸν ἄνδρα ἐκέλευεν ὅ τι ἂν αὐτῷ βουλομένῳ εἴη, χρήματα οἰόμενος αὐτὸν μεγάλα αἰτήσειν, καὶ τι καὶ νεανιεσάμενος ὡς οὐδενὸς πρὸς αὐτοῦ ἀτυχῆσει. [11] ὁ δὲ οἱ τοὺς ἀνθρώπους ἐδεῖτο χαρίζεσθαι ὅσοι ἐν τῷ πολέμῳ τούτῳ καταφεύγοντες παρ' αὐτὸν ἴκωνται. ταύτην Καβάδης τὴν δέησιν ἐπιτελῇ ἐποίει καὶ γράμματα ἐδίδου τῆς ἀσφαλείας ἐνέχυρα. πολλοὶ γοῦν πανταχόθεν ξυρρέοντες ἐνταῦθα ἐσώζοντο· περιβόητος γὰρ ἡ πρᾶξις ἐγένετο. ταῦτα μὲν ὧδέ πη ἔσχε. [12] Καβάδης δὲ Ἀμιδαν πολιορκῶν κριὸν τὴν

μηχανὴν πανταχόσε τοῦ περιβόλου προσέβαλε. καὶ Ἀμιδηνοὶ μὲν τὴν ἐμβολὴν αἰεὶ δοκοῖς τιςιν ἐγκαρσίαις ἀνέστελλον, ὁ δὲ οὐκ ἀνῆκεν, ἕως ταύτη ἀνάλωτον εἶναι τὸ τεῖχος ἔγνω. [13] πολλάκις γὰρ ἐμβαλὼν καθελεῖν τι τοῦ περιβόλου ἢ κατασεῖσαι ἤκιστα ἴσχυσεν, οὕτως ἀσφαλῶς ἡ οἰκοδομία τοῖς δειμαμένοις τὸ παλαιὸν εἵργαστο. [14] τούτου δὲ Καβάδης ἀποτυχὼν, λόφον τινὰ χειροποίητον ἐπιτείχισμα τῇ πόλει ἐποίει μέτρῳ πολλῷ ὑπεραίροντα τοῦ τείχους τὸ μῆκος, οἳ τε πολιορκούμενοι ἐντὸς τοῦ περιβόλου ἀρξάμενοι κατώρυχα μέχρι ἐς τὸν λόφον ἐποίουν, καὶ λάθρα ἐνθένδε τὸν χοῦν ἐκφοροῦντες κενὰ ἐπὶ πλεῖστον τὰ ἐντὸς τοῦ λόφου εἰργάσαντο. τὰ μέντοι ἐκτὸς ἐφ' οὗπερ ἐγεγόνει σχήματος ἔμενεν οὐδενὶ αἴσθησιν παρεχόμενα τοῦ πρασσομένου. [15] πολλοὶ μὲν οὖν Πέρσαι ὥσπερ ἐπ' ἀσφαλοῦς ἀναβαίνοντες ἐν τε τῇ ἄκρᾳ ἐγένοντο καὶ βάλλειν ἐνθένδε κατὰ κορυφὴν τοὺς ἐν τῷ περιβόλῳ διεννοοῦντο. τοῦ δὲ ὀμίλου δρόμῳ ἐπιρρέοντος ἐμπεσῶν ὁ λόφος ἐκ τοῦ αἰφνιδίου σχεδὸν τι ἅπαντας ἔκτεινε. [16] Καβάδης δὲ τοῖς παροῦσιν ἀπορούμενος τὴν προσεδρεῖαν διαλύειν ἔγνω, καὶ τῷ στρατοπέδῳ ἀναχωρεῖν ἐς τὴν ὑστεραίαν ἐπήγγειλε. [17] τότε δὴ οἱ πολιορκούμενοι, ἅτε τοῦ κινδύνου ἀφροντιστήσαντες, πολλὰ τοὺς βαρβάρους ξὺν γέλῳ ἀπὸ τοῦ περιβόλου ἐτόθωζον. [18] καὶ τινες ἐταῖραι ἀνελκύσασαι κόσμῳ οὐδενὶ τὴν ἐσθῆτα Καβάδῃ ἄγχιστά που ἐστηκότι ἐδείκνυν ὅσα τῶν γυναικῶν γυμνὰ φανῆναι ἀνδράσιν οὐ θέμις. [19] ὅπερ κατιδόντες οἱ μάγοι τῷ τε βασιλεῖ ἐς ὅψιν ἦλθον καὶ τὴν ἀναχώρησιν ἐκώλουν, ξυμβαλεῖν ἰσχυρίζομενοι τῷ γεγονότι ὡς ἅπαντα Καβάδῃ Ἀμιδηνοὶ τά τε ἀπόρρητα καὶ κρυπτόμενα οὐκ ἐς μακρὰν δεῖξουσιν. οὕτω μὲν τὸ Περσῶν στρατόπεδον αὐτοῦ ἔμεινεν. [20] Ἡμέραις δὲ τῶν τις Περσῶν οὐ πολλαῖς ὕστερον ἄγχιστα τῶν πύργων τινὸς ἐκβολὴν ὑπονόμου παλαιοῦ εἶδεν οὐ ξὺν τῷ ἀσφαλεῖ κεκαλυμμένην, ἀλλὰ χάλιξι σμικραῖς τε καὶ οὐ λίαν συχναῖς. [21] νύκτωρ τε μόνος ἐνταῦθα ἦκων καὶ τῆς εἰσόδου ἀποπειρασάμενος ἐντὸς τοῦ περιβόλου ἐγένετο. ἅμα δὲ ἡμέρᾳ τὸν πάντα λόγον Καβάδῃ ἀπήγγειλε. καὶ ὅς τῃ ἐπιγινομένη νυκτὶ κλίμακας ἐν παρασκευῇ ποιησάμενος ξὺν ὀλίγοις τισὶν ἐνταῦθα ἦλθε. καὶ τις αὐτῷ δεξιὰ ξυνηνέχθη τύχη τρόπῳ τοιῷδε. [22] τὸν πύργον, ὃς δὴ τοῦ ὑπονόμου ἀγχοτάτῳ ἐτύγχανεν ὢν, φυλάσσειν τῶν Χριστιανῶν οἱ σωφρονέστατοι ἔλαχον, οὓσπερ καλεῖν μοναχοὺς νενομίκασιν. τούτους ἐορτὴν τινα τῷ θεῷ ἄγειν ἐνιαύσιον ἐκείνῃ τῇ ἡμέρᾳ τετύχηκεν. [23] ἐπεὶ τε ἡ νύξ ἐπεγένετο, ἅπαντες, ἅτε κόπῳ μὲν πολλῷ διὰ τὴν πανήγυριν ὀμιλήσαντες, μᾶλλον δὲ τοῦ εἰθισμένου σιτίων τε καὶ ποτοῦ ἐς κόρον ἐλθόντες, ὕπνον τινὰ ἡδύν τε καὶ πρᾶον ἐκάθευδον καὶ ἀπ' αὐτοῦ ὡς ἤκιστα τῶν ποιουμένων ἠσθάνοντο. [24] Πέρσαι γοῦν διὰ τοῦ ὑπονόμου ἐντὸς τοῦ περιβόλου κατ' ὀλίγους γενόμενοι ἐς τὸν πύργον ἀνέβαινον, καὶ τοὺς μοναχοὺς καθεύδοντας ἔτι εὐρόντες, ἔκτειναν ἅπαντας. [25] ὅπερ ἐπεὶ Καβάδης ἔγνω, τὰς κλίμακας τῷ τείχει τούτου δὴ ἄγχιστα τοῦ πύργου προσῆγεν. [26] ἡμέρα δὲ ἦν ἡδῆ. καὶ τῶν Ἀμιδηνῶν οἱ ἐν πύργῳ τῷ ἐχομένῳ ἐφύλασσον, αἰσθόμενοι τοῦ κακοῦ, κατὰ τάχος ἐβοήθουν ἐνταῦθα. [27] ὠθισμῷ τε πολλῷ ἐπὶ πλεῖστον ἀμφοτέρω ἐς ἀλλήλους ἐχρῶντο, καὶ τὸ πλέον ἤδη Ἀμιδηνοὶ ἔχοντες τῶν τε ἀναβεβηκότων πολλοὺς ἔκτεινον καὶ τοὺς ἀπὸ τῶν κλιμάκων ἀνέστελλον, καὶ τοῦ ἀπεῶσθαι τὸν κίνδυνον οὐ μακρὰν

που ἐγένοντο. [28] ἀλλὰ Καβάδης αὐτὸς τὸν ἀκινάκην σπασάμενος καὶ αὐτῷ αἰεὶ δεδισσόμενος ἐς τὰς κλίμακας ὁρμῶν οὐκ ἀνίει τοὺς Πέρσας, θάνατός τε ἦν ἡ ζημία τοῖς ἐνθένδε ἀναστρέφειν τολμῶσι. [29] διὸ δὴ πλήθει πολλῷ οἱ Πέρσαι καθυπέρτεροι τῶν ἐναντίων γενόμενοι ἐνίκησάν τε αὐτοὺς τῇ μάχῃ καὶ κατὰ κράτος ἡ πόλις ἤλω ὀγδοηκοστῇ ἀπὸ τῆς πολιορκίας ἡμέρᾳ. [30] φόνος τε Ἀμιδηνῶν πολὺς ἐγεγόνει, ἕως ἐσελαύνοντι ἐς τὴν πόλιν Καβάδῃ τῶν τις Ἀμιδηνῶν γέρων τε καὶ ἱερεὺς προσελθὼν εἶπεν ὡς οὐ βασιλικὸν τὸ φονεῦν τοὺς ἡλωκότας εἶη. [31] Καβάδης μὲν οὖν θυμῷ ἔτι ἐχόμενος ἀπεκρίνατο, ‘Διὰ τί γάρ μοι πολεμεῖν ἔγνωτε;’ ὁ δὲ ὑπολαβὼν αὐτίκα ἔφη, ‘Ὅτι δὴ ὁ θεὸς οὐχ ἡμετέρα γνώμη, ἀλλὰ σὴ ἀρετὴ παραδιδόναι σοι Ἀμιδαν [32] ἥθελε.’ τούτῳ τῷ λόγῳ Καβάδης ἡσθεὶς κτείνειν οὐδένα τὸ λοιπὸν εἶασεν, ἀλλὰ τὰ τε χρήματα ληΐζεσθαι Πέρσας ἐκέλευε καὶ τοὺς περιόντας ἐν ἀνδραπόδων ποιεῖσθαι λόγῳ, καὶ αὐτῷ ἐξελεσθαι ἅπαντας αὐτῶν τοὺς δοκίμους ἐπέστελλεν. [33] Ὀλίγῳ δὲ ὕστερον χιλίους ἐπὶ τῇ φυλακῇ ἐνταῦθα λιπὼν ἄρχοντά τε αὐτοῖς ἐπιστήσας Γλῶνην, ἄνδρα Πέρσην, καὶ τῶν Ἀμιδηνῶν ἀνθρώπους τινὰς ὀλίγους οἰκτρούς, οἱ δὴ ἐς τὴν δίαιταν ὑπηρετήσειν Πέρσαις ἔμελλον, αὐτὸς παντὶ τῷ ἄλλῳ στρατῷ τοὺς ἡλωκότας ἔχων ἐπ’ οἴκου ἀπήλανεν. [34] ἐς τούτους δὲ τοὺς αἰχμαλώτους φιλανθρωπία ἐχρήσατο βασιλεῖ προεπούση: χρόνου γὰρ ὀλίγου εἰς τὰ οἰκεῖα ξύμπαντας ἀφῆκεν ἰέναι, [35] τῷ δὲ λόγῳ ἀπέδρασαν αὐτόν, ὃ τε Ῥωμαίων βασιλεὺς Ἀναστάσιος ἔργα ἐς αὐτοὺς ἐπεδείξατο ἀρετῆς ἄξια: φόρους τε γὰρ τοὺς ἐπετεῖους ἐς ἑτὴ ἐπτὰ ξύμπαντας ἀφῆκε τῇ πόλει καὶ αὐτοὺς κοινῇ τε καὶ ἰδίᾳ ἕκαστον πολλοῖς τισιν ἀγαθοῖς ἐδωρήσατο, ὥστε αὐτοῖς λήθην τῶν ξυμβεβηκότων πολλὴν γενέσθαι. ἀλλὰ ταῦτα μὲν χρόνῳ τῷ ὕστερῳ ἐγένετο.

Τότε δὲ βασιλεὺς Ἀναστάσιος πολιορκεῖσθαι μαθὼν Ἀμιδαν στρατεύμα κατὰ τάχος διαρκὲς ἐπεμψεν. ἄρχοντες δὲ ἦσαν μὲν κατὰ συμμαχίαν ἐκάστων, στρατηγοὶ δὲ ἅπασιν ἐφεστήκεσαν τέσσαρες, Ἀρεόβινδός τε, Ὀλυβρίου κηδεστής, τοῦ ἐν τῇ ἐσπερίᾳ βεβασιλευκότος ὀλίγῳ πρότερον, [2] τῆς ἐφάς δὲ τότε στρατηγὸς ἐτύγχανεν ὢν: καὶ τῶν ἐν παλατίῳ ταγμάτων ἀρχηγὸς Κέλερ ‘μάγιστρον Ῥωμαῖοι τὴν ἀρχὴν καλεῖν νενομίκασιν’: ἐτι μὴν καὶ οἱ τῶν ἐν Βυζαντίῳ στρατιωτῶν ἄρχοντες, Πατρίκιός τε ὁ Φρῦξ καὶ Ὑπάτιος ὁ βασιλέως ἀδελφιδοῦς: οὗτοι μὲν τέσσαρες στρατηγοὶ ἦσαν. [3] ξυνῆν δὲ αὐτοῖς καὶ Ἰουστίνος, ὃς δὴ ὕστερον Ἀναστασίου τελευτήσαντος ἐβασίλευσε, καὶ Πατρικιόλος ξὺν Βιταλιανῷ τῷ παιδί, ὃς ὅπλα ἀντάρας Ἀναστασίῳ βασιλεῖ οὐ πολλῷ ὕστερον ἐτυράννησε, καὶ Φαρεσμάνης Κόλχος μὲν γένος, διαφερόντως δὲ ἀγαθὸς τὰ πολέμια, καὶ Γοδίδικλὸς τε καὶ Βέσσας, Γότθοι ἄνδρες, Γότθων τῶν οὐκ ἐπισπομένων Θεουδερῖχῳ ἐς Ἰταλίαν ἐκ Θράκης ἰόντι, γενναῖοι τε ὑπερφυῶς ἄμφω καὶ τῶν κατὰ τὸν πόλεμον πραγμάτων ἐμπείρω, ἄλλοι τε πολλοὶ καὶ ἄριστοι εἶποντο. [4] στρατεύμα γὰρ τοιοῦτό φασιν οὔτε πρότερον οὔτε ὕστερον ἐπὶ Πέρσας Ῥωμαίοις ξυστῆναι. οὗτοι μέντοι ἅπαντες οὐκ ἐς ταῦτό ἀγυγερμένοι οὐδὲ στρατεύμα ἐν ποιησάμενοι ἦσαν, ἀλλ’ αὐτοὺς ἕκαστος τοῖς κατ’ αὐτὸν στρατιώταις ἐξηγεῖτο ἐπὶ τοὺς πολεμίους. [5] χορηγὸς δὲ τῆς τοῦ στρατοπέδου δαπάνης Ἀπίων Αἰγύπτιος ἐστάλη, ἀνὴρ ἐν πατρικίῳ ἐπιφανὴς τε καὶ δραστήριος ἐς τὰ μάλιστα, καὶ αὐτὸν βασιλεὺς

κοινωνὸν τῆς βασιλείας ἐν γράμμασιν ἀνεῖπεν, ὅπως οἱ ἐξουσία εἴη τὰ ἐς τὴν δαπάνην ἢ βούλοιτο διοικήσασθαι. [6] Ὁ μὲν οὖν στρατὸς οὗτος χρόνῳ τε ξυνελέγοντο καὶ σχολαίτεροι ἐπορεύοντο. διὸ δὴ τοὺς βαρβάρους ἐν γῇ τῇ Ῥωμαίων οὐχ εὔρον, ἐπεὶ ἐξ ἐπιδρομῆς οἱ Πέρσαι τὴν ἑφοδὸν ποιησάμενοι αὐτίκα δὴ ἐς τὰ πάτρια ἦθη ἀνεχώρησαν ζὺν πάσῃ τῇ λείᾳ. [7] τῶν δὲ στρατηγῶν οὐδεὶς ἐς πολιορκίαν τῶν ἐν Ἀμίδῃ ἀπολελειμμένων ἐν τῷ παρόντι καθίστασθαι ἤθελε· πολλὰ γὰρ ἐσκομίσασθαι σφᾶς τὰ ἐπιτήδεια ἔμαθον· ἀλλ' ἐς τῶν πολεμίων τὴν χώραν ἐσβολὴν ποιήσασθαι ἐν σπουδῇ εἶχον. [8] οὐ μὴν ἐπὶ τοὺς βαρβάρους κοινῇ ἦσαν, ἀλλὰ χωρὶς ἀλλήλων στρατοπεδευόμενοι ἐπορεύοντο. ταῦτα Καβάδης μαθὼν ἄγχιστα γάρ που ἐτύγγανεν ὧν ἐς τὰ Ῥωμαίων ὅρια κατὰ τάχος ἐλθὼν ὑπηντίαζεν. [9] οὐπω μέντοι Ῥωμαῖοι τῷ παντὶ στρατῷ Καβάδην ἰέναι ἐπ' αὐτοὺς ἔμαθον, ἀλλὰ Περσῶν ᾤοντο στρατεύμα βραχὺ τι ἐνταῦθα εἶναι. [10] οἱ μὲν οὖν ἀμφὶ Ἀρεόβινδον ἐστρατοπεδεύσαντο ἐν χωρίῳ Ἀρζάμων, ἀπέχοντι Κωνσταντίνης πόλεως δυοῖν ἡμέραιν ὁδόν, οἱ δὲ ἀμφὶ Πατρίκιον καὶ Ὑπάτιον ἐν χωρίῳ Σίφριος, ὅπερ Ἀμίδης πόλεως οὐχ ἦσσαν ἢ πεντήκοντα καὶ τριακοσίους σταδίους ἀπέχει. Κέλερ γὰρ οὐπω ἐνταῦθα ἀφῆκτο. [11] Ἀρεόβινδος δὲ ἐπειδὴ Καβάδην παντὶ τῷ στρατῷ ἐπίνειαι σφίσιν ἐπύθετο, ἀπολιπὼν τὸ στρατόπεδον ζὺν τοῖς ἐπομένοις ἅπασιν ἐς φυγὴν ὥρμητο καὶ ἐς Κωνσταντίναν δρόμῳ ἐχώρει. [12] ἐπελθόντες δὲ ὀλίγῳ ὕστερον οἱ πολέμοι ἐρημον ἀνδρῶν αὐτοῖς χρήμασι τὸ στρατόπεδον εἶλον. ἐνθεν τε κατὰ τάχος ἐπὶ Ῥωμαίων τὸ ἄλλο στρατεύμα ἦσαν. [13] οἱ δὲ ἀμφὶ Πατρίκιον καὶ Ὑπάτιον Ἐφθαλίταις ἐντυχόντες ὀκτακοσίους οἱ τοῦ Περσῶν στρατοῦ ἔμπροσθεν ἦσαν, σχεδόν τι ἅπαντας ἐκτεῖναν. [14] οὐδὲν δὲ ἀμφὶ τῷ Καβάδῃ καὶ τῇ Περσῶν στρατιᾷ πεπυσμένοι, ἅτε νενικηκότες, ἀδεέστερον τῇ διαίτῃ ἐχρῶντο. τὰ γοῦν ὅπλα καταθέμενοι ἄριστον σφίσιν ἡτοίμαζον. ἤδη γὰρ τῆς ἡμέρας ὁ καιρὸς ἐνταῦθα ἦγε. [15] ρύαξ δέ τις ἔρρει ἐν τούτῳ τῷ χώρῳ, ἵνα Ῥωμαῖοι τὰ κρέα καθαίρειν ἤρξαντο οἷς δὴ σιτίζεσθαι ἔμελλον. [16] τινὲς δὲ ἀχθόμενοι τῷ πνίγει καὶ λοῦσθαι ἤξιον, ταύτῃ τε ταραχθὲν τὸ τοῦ ρύακος ὕδωρ πρόσω ἐχώρει. Καβάδης δὲ τὰ ἐς τοὺς Ἐφθαλίτας ξυμπεσόντα μαθὼν ἐπὶ τοὺς πολέμιους κατὰ τάχος ἦει· [17] κατιδὼν τε συγκεχυμένον τὸ τοῦ ρύακος ὕδωρ καὶ ξυμβαλὼν τὸ ποιοῦμενον ἔγνω ἀπαρασκευoὺς τοὺς ἐναντίους εἶναι, καὶ κατὰ κράτος ἤδη ἐπ' αὐτοὺς ἐλαύνειν ἐκέλευεν. αὐτίκα τε αὐτοῖς ἐστιωμένοις τε καὶ ἀνόπλοις οὗσιν ἐπέστησαν. [18] Ῥωμαῖοι δὲ οὐκ ἐνεγκόντες τὴν ἑφοδὸν ἐς ἀλκὴν μὲν τὸ παράπαν οὐκ ἔβλεπον, ἔφευγον δὲ ὡς ἕκαστός πῃ ἐδόνατο, καὶ αὐτῶν οἱ μὲν καταλαμβανόμενοι ἔθνησκον, οἱ δὲ ἀνιόντες εἰς τὸ ὄρος ὃ ταύτῃ ἀνέχει ἐρρίπτουν αὐτοὺς κατὰ τὸ κρημνῶδες ζὺν φόβῳ καὶ θορύβῳ πολλῷ. [19] ὅθεν δὴ οὐδένα σεσῶσθαι φασι, Πατρίκιος δὲ καὶ Ὑπάτιος κατ' ἀρχὰς τῆς ἐφόδου διαφυγεῖν ἴσχυσαν. ἔπειτα δὲ Καβάδης, Οὐννων πολεμίων ἐς γῆς τὴν αὐτοῦ ἐσβεβληκόντων, παντὶ τῷ στρατῷ ἐπ' οἴκου ἀνεχώρησε, πόλεμόν τε μακρὸν πρὸς τὸ ἔθνος τοῦτο ἐς τῆς χώρας τὰ πρὸς ἄρκτον διέφερεν. [20] ἐν τούτῳ δὲ καὶ τὸ ἄλλο στρατεύμα Ῥωμαίων ἦλθε, λόγου μέντοι ἄξιον οὐδὲν ἔδρασαν, ὅτι δὴ αὐτοκράτωρ τοῦ πολέμου κατέστη οὐδεὶς, ἀλλ' ἴσοι πρὸς ἀλλήλους οἱ στρατηγοὶ ὄντες ἀντεστάτουν τε ἀλλήλων ταῖς γνώμαις καὶ γίνεσθαι ἐν τῷ

αὐτῷ οὐδαμῇ ἤθελον. [21] Κέλερ δὲ ζὺν τοῖς ἐπομένοις Νύμφιον ποταμὸν διαβὰς ἐσβολὴν τινα ἐς τὴν Ἀρζανηνὴν ἐποιήσατο. [22] ἔστι δὲ ὁ ποταμὸς οὗτος Μαρτυροπόλεως μὲν ἀγχολάτω, Ἀμίδης δὲ ὅσον ἀπὸ σταδίων τριακοσίων. οἱ δὲ ληισάμενοι τὰ ἐκείνη χωρία ἐπανήλθον οὐ πολλῷ ὕστερον. δι' ὀλίγου τε ἡ ἐπιδρομὴ αὕτη ἐγένετο.

Μετὰ δὲ Ἀρεόβινδος μὲν ἐς Βυζάντιον ὡς βασιλέα μετὰπεμptos ἦλθεν, οἱ δὲ λοιποὶ ἐς Ἀμίδαν ἀφικόμενοι χειμῶνος ὥρα ἐς πολιορκίαν καθίσταντο. καὶ βία μὲν ἐλεῖν τὸ χωρίον, καίπερ πολλὰ ἐγκεχειρηκότες, οὐκ ἔσχυσαν, λιμῷ δὲ τοῦτο ποιεῖν ἔμελλον: πάντα γὰρ τοὺς πολιορκουμένους τὰ ἐπιτήδεια ἐπιλελοίπει. [2] ἀλλ' οἱ στρατηγοὶ οὐδὲν πεπυσμένοι ἀμφὶ τῶν πολεμίων τῇ ἀπορίᾳ, ἐπειδὴ τοὺς στρατιώτας τῇ προσεδρεῖα καὶ τῷ χειμῶνι ἀχθόμενους ἐώρων, ἅμα δὲ καὶ Περσῶν στράτευμα ἐπὶ σφᾶς ἤξειν οὐκ εἰς μακρὰν ὑπετόπαζον, τρόπῳ ὅτῳ δὴ ἐνθένδε ἀπαλλάσσεσθαι ἐν σπουδῇ εἶχον. [3] οἱ τε Πέρσαι, οὐκ ἔχοντες τίνες ἂν ἐν τοῖσδε τοῖς δεινοῖς γένοιτο, τὴν μὲν ἀπορίαν τῶν ἀναγκαίων ἐς τὸ ἀκριβὲς ἔκρυπτον, δόκησιν παρέχοντες ὡς πάντων σφίσι τῶν ἐπιτηδείων ἀφθονία εἴη, ἐς δὲ τὰ οἰκεῖα ζὺν τῷ εὐπρεπεῖ λόγῳ ἀναχωρεῖν ἤθελον. [4] γίνονται οὖν ἐν ἀμφοτέροις λόγοι, ἐφ' ᾧ δὴ Πέρσαι λίτρας χρυσίου χιλίας λαβόντες ἀποδώσουσι Ῥωμαίοις τὴν πόλιν. ἐκάτεροί τε ἄσμενοι τὰ ζυγκείμενα ἐπιτελῇ ἐποιοῦν, τὰ τε χρήματα λαβὼν ὁ τοῦ Γλώνου υἱὸς Ἀμίδαν Ῥωμαίοις παρέδωκε. Γλώνης γὰρ ἤδη ἐτετελευτήκει τρόπῳ τοιῷδε. [5] Οὐπὼ μὲν στρατοπεδευσαμένων ἐνταῦθα Ῥωμαίων, Ἀμίδης δὲ πόλεως ὄντων οὐ μακρὰν ἄποθεν, τῶν τις ἀγροίκων, ὅσπερ εἰώθει ἐς τὴν πόλιν ἐσιῶν λάθρα ὄρνις τε καὶ ἄρτους καὶ τῶν ὡραίων πολλὰ τῷ Γλώνῃ τούτῳ ἀποδίδοσθαι χρημάτων μεγάλων, Πατρικίῳ τῷ στρατηγῷ ἐς ὅψιν ἐλθὼν Γλῶνην οἱ ἐς χεῖρας παραδώσειν ζὺν Πέρσαις διακοσίους ὑπέσχετο, ἣν τινος ἀμοιβῆς ἐλπίδα λαβὼν παρ' αὐτοῦ εἶη. [6] ὁ δὲ αὐτῷ ἅπαντα ὅσα ἦν βουλομένῳ ὑποσχόμενος ἔσεσθαι τὸν ἄνθρωπον ἀπεπέμψατο. καὶ ὅς τὰ τε ἱμάτια δεινῶς διαρρήξας καὶ δεδακρυμένῳ ἑοικῶς ἐς τὴν πόλιν εἰσῆλθε. [7] παρά τε τὸν Γλῶνην ἦκον τὰς τε τρίχας τίλλων, 'Ετύγχανον μὲν, ὧ δέσποτα,' εἶπεν, 'ἅπαντά σοι ἐκ τοῦ χωρίου τάγαθὰ φέρων, ἐντυχόντες δὲ στρατιῶται Ῥωμαῖοι 'καὶ γὰρ που ἐς τὰ ταύτη χωρία κατ' ὀλίγους περιιώντες τοὺς οἰκτροὺς ἀγροίκους βιάζονται πληγὰς τέ μοι οὐ φορητὰς προσετρίψαντο καὶ πάντα ἀφελόμενοι οἱ ληστὰς ὥχοντο, οἷς δὴ ἐκ παλαιοῦ Πέρσας τε δεδιέναι καὶ τοὺς γεωργοὺς βιάζεσθαι νόμος. [8] ἀλλ' ὅπως, ὧ δέσποτα, σαντῷ τε καὶ ἡμῖν καὶ Πέρσαις ἀμύνης. ἦν γὰρ ἐς τῆς πόλεως τὰ προάστεια κυνηγετήσων ἦς, θήραμά σοι οὐ φαῦλον ἔσται. κατὰ πέντε γὰρ ἡ τέτταρας οἱ κατάρatoi περιιώντες λωποδυτοῦσιν.' ὁ μὲν ταῦτα: [9] εἶπεν. ἀναπεισθεὶς δὲ ὁ Γλώνης τοῦ ἀνθρώπου ἀνεπυνθάνετο πόσους ποτὲ Πέρσας οἰεταὶ οἱ ἐς τὴν πρᾶξιν ἱκανοὺς ἔσεσθαι. [10] ὁ δὲ πεντήκοντα μὲν ἀποχρήσειν οἱ μάλιστα ἔφη: οὐ γὰρ ἂν αὐτῶν πλείοσί ποτε ἢ κατὰ πέντε ὁδῷ ἰοῦσιν ἐντύχοιεν, τοῦ δὲ μηδὲν ἀπροσδόκητον σφίσι ζυμβῆναι οὐδὲν τι χεῖρον καὶ ἑκατὸν ἐς τὸ ἔργον ἐπαγαγέσθαι: ἦν δὲ καὶ τούτων διπλασίους, τῷ παντὶ ἄμεινον. βλάβος γὰρ ἀνθρώπῳ ἐκ τοῦ περιόντος οὐκ ἂν γένοιτο. [11] Γλώνης μὲν οὖν ἱππέας διακοσίους ἀπολεξάμενος τὸν ἄνθρωπον σφίσιν ἐξηγεῖσθαι ἐκέλευεν. [12] ὁ δὲ

ἄμεινον ἰσχυρίζετο εἶναι αὐτὸν ἐπὶ κατασκοπῇ στέλλεσθαι πρότερον, καὶ ἦν ἔτι ἐν χωρίοις τοῖς αὐτοῖς περιούοντας Ῥωμαίους ἰδὼν ἀπαγγεῖλη, οὕτω δὴ ἐν δέοντι ποιεῖσθαι τὴν ἐξοδὸν Πέρσας. εὖ τε οὖν εἰπεῖν ἔδοξε τῷ Γλῶνῃ καὶ αὐτοῦ ἀφιέντος ἐστέλλετο. [13] παρὰ τε τὸν στρατηγὸν Πατρίκιον ἦκων ἅπαντα ἔφραζε· καὶ ὃς τῶν δορυφόρων τῶν αὐτοῦ δύο καὶ στρατιώτας χιλίους ξὺν αὐτῷ ἔπεμψεν. [14] οὓς δὴ ἀμφὶ κώμην Θιλασάμων σταδίους τεσσαράκοντα Ἀμίδης διέχουσαν ἐν νάπαις τε καὶ χωρίοις ὑλώδεσιν ἔκρυψε, καὶ αὐτοῦ μένειν ἐν ταύταις δὴ ταῖς ἐνέδραις ἐπέστελλεν, ἔς τε τὴν πόλιν δρόμῳ ἐχώρει. [15] καὶ τῷ Γλῶνῃ ἔτοιμον εἰπὼν τὸ θήραμα εἶναι, αὐτῷ τε καὶ τοῖς διακοσίοις ἐξηγήσατο ἐπὶ τὴν τῶν πολεμίων ἐνέδραν. ἐπειδὴ τε διέβησαν τὸν χώρον οὐ προλοχίζοντες Ῥωμαῖοι ἐκάθηντο, Γλῶνῃν τε καὶ Πέρσας λαθὼν ἅπαντας, ἔκ τε τῆς ἐνέδρας τοὺς Ῥωμαίους ἀνέστησε καὶ αὐτοῖς τοὺς πολεμίους ἐπέδειξεν. [16] οὐσπερ ἐπειδὴ ἐπὶ σφᾶς ἰόντας κατεῖδον Πέρσαι, κατεπλάγησάν τε τῷ ἀπροσδοκῆτῳ καὶ ἀμυχανία πολλῇ εἶχοντο. οὔτε γὰρ ὀπίσω ἀπελαύνειν οἰοί τε ἦσαν, κατὰ νότου ὄντων σφίσι τῶν ἐναντίων, οὔτε πῃ ἐτέρωσε φεύγειν ἐν γῇ πολεμία ἐδύναντο. [17] ἐκ δὲ τῶν παρόντων ὡς ἐς μάχην ταξάμενοι τοὺς ἐπιόντας ἡμύνοντο, τῷ τε πλήθει παρὰ πολὺ ἐλασσούμενοι ἡσσήθησάν τε καὶ ξὺν τῷ Γλῶνῃ ἅπαντες διεφθάρησαν. [18] ὅπερ ἐπειδὴ ὁ τοῦ Γλῶνου υἱὸς ἔμαθε, περιαλήσας τε καὶ τῷ θυμῷ ζέων ὅτι δὴ τῷ πατρὶ ἀμύνειν οὐκ εἶχε, τὸν Συμεώνου νεῶν ἔκαυσεν, ἀγίου ἀνδρός, ἵνα δὴ ὁ Γλῶνης κατέλυε. [19] καίτοι ἄλλην τινὰ οἰκοδομίαν οὔτε Γλῶνης οὔτε Καβάδης, οὐ μὴν οὐδὲ Περσῶν τις ἄλλος οὔτε καθελεῖν ἔγνω οὔτε τῷ ἄλλῳ ἀφανίζειν τρόπῳ ἐν γε Ἀμίδῃ ταύτης ἐκτός. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἐπάνειμι. [20] Οὕτω μὲν Ἀμίδαν Ῥωμαῖοι τὰ χρήματα δόντες ἀπέλαβον δύο ἐνιαυτοῖς ὕστερον ἢ πρὸς τῶν πολεμίων ἐάλω. καὶ ἐπεὶ ἐν ταύτῃ ἐγένοντο, ἥ τε αὐτῶν ὀλιγορία καὶ Περσῶν τὸ καρτερὸν τῆς διαίτης ἐγνώσθη. [21] σιτίων γὰρ τῶν ἐνταῦθα λελειμμένων τὸ μέτρον καὶ βαρβάρων τῶν ἐξεληλυθότων τὸν ὁμιλον λογισάμενοι, ἐπτὰ μάλιστα ἡμερῶν ἡύρισκον δαπάνην ἐν τῇ πόλει ἀπολελεῖσθαι, καίπερ Γλῶνου τε καὶ τοῦ ἐκείνου παιδὸς ἐνδεεστέρως ἢ κατὰ τὴν χρεῖαν πολλοῦ χρόνου ἐνδιδόντος τὰ σιτία Πέρσαις. [22] Ῥωμαίοις γὰρ τοῖς ἐν τῇ πόλει, ὥσπερ μοι προδεδήλωται, ξὺν αὐτοῖς μείναςιν οὐδὲν τὸ παράπαν χορηγεῖν ἔγνωσαν, ἐξ ὅτου οἱ πολέμιοι ἐς τὴν πολιορκίαν κατέστησαν, οἱ δὲ ἐς βρώσεις ἀήθεις τὰ πρῶτα ἐλθόντες τῶν τε οὐ θεμιτῶν ἀψάμενοι πάντων, [23] εἶτα τελευτῶντες καὶ ἀλλήλων ἐγεύσαντο. διὸ δὴ ἐξηπατημένοι τε πρὸς τῶν βαρβάρων οἱ στρατηγοὶ ἦσθοντο καὶ τοῖς στρατιώταις τὴν ἀκρασίαν ὠνείδιζον, ὅτι δὴ ἀπειθεστέρους αὐτοὺς παρεχόμενοι σφίσι, παρὸν δορυαλώτους Πέρσας τε τοσοῦτους τὸ πλῆθος καὶ Γλῶνου τὸν υἱὸν σὺν τῇ πόλει ἐλεῖν, οἱ δὲ τὰ Ῥωμαίων χρήματα ἐς τοὺς πολεμίους μετενεγκόντες αἰσχὸς τε ἀνεδήσαντο μέγα καὶ Ἀμίδαν ἀργυρώνητον πρὸς Περσῶν ἔλαβον. [24] ὕστερον δὲ Πέρσαι, τοῦ πρὸς Οὐννους πολέμου σφίσι μηχανομένου, ἐς σπονδὰς Ῥωμαίοις ξυνίασιν, αἵπερ αὐτοῖς ἐς ἐπτὰ ἔτη ἐγένοντο, Κέλερός τε τοῦ Ῥωμαίου καὶ Ἀσπεβέδου τοῦ Πέρσου αὐτὰς ποιησαμένων, ἐπ' οἴκου τε ἀμφοτέρω ἀναχωρήσαντες ἡσυχῇ ἔμενον. [25] οὕτω μὲν, ὥσπερ ἐρρήθη, ἀρξάμενος ὁ Ῥωμαίων τε καὶ Περσῶν πόλεμος ἐς τότε ἐτελεύτα. τὰ δὲ ἀμφὶ

πύλας τὰς Κασπίας ζυνενεχθέντα ἐρῶν ἔρχομαι.

Τὸ Κιλικῶν ὄρος ὁ Ταῦρος ἀμείβει μὲν τὰ πρῶτα Καππαδόκας τε καὶ Ἀρμενίους καὶ τῶν Περσαρμενίων καλουμένων τὴν γῆν, ἔτι μέντοι Ἀλβανούς τε καὶ Ἰβήρας, καὶ ὅσα ἄλλα ἔθνη αὐτόνομά τε καὶ Πέρσαις κατήκοα ταύτη ὄκνηται. [2] ἐξικνεῖται γὰρ ἐς χώραν πολλήν, προϊόντι δὲ αἰεὶ τὸ ὄρος τοῦτο ἐς μέγα τι χρήμα εὐρους τε καὶ ὕψους διήκει. [3] ὑπερβάντι δὲ τοὺς Ἰβήρων ὄρους ἀτραπὸς τίς ἐστίν ἐν στενοχωρίᾳ πολλῇ, ἐπὶ σταδίους πεντήκοντα ἐξικνουμένη. [4] αὕτη δὲ ἡ ἀτραπὸς ἐς ἀπότομόν τινα καὶ ὅλως ἄβατον τελευτᾷ χώρον. δίδος γὰρ οὐδεμία τὸ λοιπὸν φαίνεται, πλὴν γε δὴ ὅτι ὥσπερ τινὰ χειροποίητον πυλίδα ἐνταῦθα ἡ φύσις ἐξεῦρεν, ἡ Κασπία ἐκ παλαιοῦ ἐκλήθη. [5] τὸ δὲ ἐνθένδε πεδία τέ ἐστιν ἱππήλατα καὶ ὑδάτων πολλῶν ἀτεχνῶς ἔμπλεα, καὶ χώρα πολλὴ ἱππόβοτός τε καὶ ἄλλως ὑπτία. [6] οὗ δὴ τὰ Οὐννων ἔθνη σχεδόν τι ἅπαντα ἵδρυται ἄχρι ἐς τὴν Μαῶντιν διήκοντα λίμνην. [7] οὗτοι ἦν μὲν διὰ τῆς πυλίδος ἧς ἄρτι ἐμνήσθην ἴωσιν ἐς τὰ Περσῶν τε καὶ Ῥωμαίων ἦθη, ἀκραιφνέσι τε τοῖς ἵπποις ἴασι καὶ περιόδῳ τινὶ οὐδαμῇ χρώμενοι οὐδὲ κρημνώδεσιν ἐντυχόντες χωρίοις, ὅτι μὴ τοῖς πεντήκοντα σταδίοις ἐκείνοις οἷσπερ εἰς τοὺς Ἰβηρίους ὄρους, ὥσπερ ἐρρήθη, διήκουσιν. [8] ἐπὶ ἄλλας δὲ τινὰς ἐξόδους ἰόντες πόνῳ τε πολλῷ παραγίνονται καὶ ἵπποις οὐκέτι χρῆσθαι τοῖς αὐτοῖς ἔχοντες. περιόδους τε γὰρ αὐτοὺς περιεναίαι πολλὰς ἐπάναγκες καὶ ταύτας κρημνώδεις. [9] ὅπερ ἐπειδὴ ὁ Φιλίππου Ἀλέξανδρος κατενόησε, πύλας τε ἐν χώρῳ ἐτεκτήνατο τῷ εἰρημένῳ καὶ φυλακτήριον κατεστήσατο. ὁ δὲ ἄλλοι τε πολλοὶ προϊόντος χρόνου ἔσχον καὶ Ἀμβαζούκης, Οὐννος μὲν γένος, Ῥωμαίοις δὲ καὶ Ἀναστασίῳ βασιλεῖ φίλος. [10] οὗτος Ἀμβαζούκης, ἐπειδὴ ἔς τε γῆρας ἀφίκτο βαθὺ καὶ τελευτᾶν ἔμελλε, πέμψας παρὰ τὸν Ἀναστάσιον, χρήματά οἱ δοθῆναι ἤτει, ἐφ' ᾧ τό τε φυλακτήριον καὶ πύλας τὰς Κασπίας ἐνδώσει Ῥωμαίοις. [11] βασιλεὺς δὲ Ἀναστάσιος ὁδρᾶν γὰρ ἀνεπισκέπτως οὐδὲν οὔτε ἡπίστατο οὔτε εἰώθει λογισάμενος ὅτι οἱ στρατιώτας ἐνταῦθα ἐκτρέφειν ἀδύνατα ἦν ἐν χωρίῳ ἐρήμῳ τε ἀγαθῶν ἀπάντων καὶ οὐδαμῇ ἐν γειτόνων ἔχοντι ἔθνος Ῥωμαίοις κατήκοον, χάριν μὲν τῷ ἀνθρώπῳ τῆς ἐς αὐτὸν εὐνοίας πολλὴν ὠμολόγει, τὸ δὲ ἔργον τοῦτο οὐδενὶ λόγῳ προσίετο. [12] Ἀμβαζούκης μὲν οὖν οὐ πολλῷ ὕστερον ἐτελεύτα νόσῳ, Καβάδης δὲ βιασάμενος τοὺς αὐτοῦ παῖδας τὰς πύλας ἔσχεν. [13] Ἀναστάσιός τε βασιλεὺς, ἐπειδὴ ἐγένοντο αὐτῷ αἱ πρὸς Καβάδην σπονδαί, πόλιν ἐδείματο ἐν χωρίῳ Δάρας ὀχυράν τε ὑπερφυῶς καὶ λόγου ἀξίαν, αὐτοῦ βασιλέως ἐπώνυμον. [14] ἀπέχει δὲ αὕτη πόλεως μὲν Νισίβιδος σταδίους ἑκατὸν δυοῖν δέοντας, χώρας δὲ ἡ τὰ Ῥωμαίων τε καὶ Περσῶν διορίζει ὀκτῶ καὶ εἴκοσι μάλιστα. [15] Πέρσαι δὲ κωλύειν τὴν οἰκοδομίαν σπουδὴν ἔχοντες οὐδαμῇ ἴσχυον ἀσχολία τῇ ἐς πόλεμον τὸν Οὐννικὸν πιεζόμενοι. [16] ἐπειδὴ τε αὐτὸν τάχιστα Καβάδης κατέλυσε, πέμψας παρὰ Ῥωμαίους ἡτιᾶτο πόλιν αὐτοὺς οἰκοδομήσασθαι ἄγχιστά που τῶν σφετέρων ὁρίων, ἀπειρημένον τοῦτο ἐν τοῖς Μήδοις τε καὶ Ῥωμαίοις ξυγκειμένοις τὰ πρότερα. [17] τότε μὲν οὖν Ἀναστάσιος τὰ μὲν ἀπειλῶν, τὰ δὲ φιλίαν τε τὴν ἐς αὐτὸν προτεινόμενος καὶ χρήμασιν οὐ φαύλοις δωρούμενος, παρακρούεσθαι τε καὶ τὴν αἰτίαν ἐκλύειν ἠθέλε. [18] καὶ πόλιν δὲ ἄλλην ταύτη ὁμοίαν ἐν Ἀρμενίοις ὁ βασιλεὺς οὗτος ἀγχοτάτω

ἐδείματο τῶν Περσαρμενίας ὀρίων, ἥ κώμη μὲν ἐκ παλαιοῦ ἐτύγχανεν οὔσα, πόλεως δὲ ἀξίωμα μέχρι ἐς τὸ ὄνομα πρὸς Θεοδοσίου βασιλέως λαβοῦσα ἐπώνυμος αὐτοῦ ἐγεγόνει. [19] ἀλλ' Ἀναστάσιος τείχει αὐτὴν ὀχυρωτάτω περιβαλὼν πράγματα Πέρσαις οὐδὲν τι ἦσσαν ἢ διὰ τῆς ἐτέρας παρέσχετο: ἐπιτειχίσματα γὰρ αὐτῶν τῇ χώρᾳ γέγονεν ἄμφω.

Ἀναστασίου δὲ ὀλίγω ὕστερον τελευτήσαντος Ἰουστίνος τὴν βασιλείαν παρέλαβεν, ἀπεληλαμένων αὐτῆς τῶν Ἀναστασίου ξυγγενῶν ἀπάντων, καίπερ πολλῶν τε καὶ λίαν ἐπιφανῶν ὄντων. [2] τότε δὴ μέριμνά τις Καβάδῃ ἐγένετο μὴ τι Πέρσαις νεωτερίσωσιν ἐς τὸν αὐτοῦ οἶκον, ἐπειδὰν τάχιστα αὐτὸς τελευτήσῃ τὸν βίον, ἐπεὶ οὐδὲ ἀντιλογίας χωρὶς ἐς τῶν παίδων τινὰ παραπέμψαι τὴν ἀρχὴν ἔμελλε. [3] τῶν γὰρ οἱ παίδων τὸν πρεσβύτατον Καόσῃν τῆς μὲν ἡλικίας ἔνεκα ἐς τὴν βασιλείαν ὁ νόμος ἐκάλει, ἀλλὰ Καβάδῃν οὐδαμῇ ἤρεσκεν. ἐβιάζετο δὲ τὴν τε φύσιν καὶ τὰ νόμιμα ἢ τοῦ πατρὸς γνώμη. [4] Ζάμην δέ, ὃς τὰ δευτερεῖα ἐφέρετο, τοῖν ὀφθαλμοῖν τὸν ἕτερον ἐκκεκομμένον ἐκώλυνεν ὁ νόμος. ἐτερόφθαλμον γὰρ ἢ ἄλλῃ τινὶ λώβῃ ἐχόμενον οὐ θέμις Πέρσαις βασιλέα καθίστασθαι. [5] Χοσρόην δέ, ὃς αὐτῷ ἐκ τῆς Ἀσπεδέδου ἀδελφῆς ἐγεγόνει, ὑπερηγάπα μὲν ὁ πατήρ, ὁρῶν δὲ Πέρσας σχεδόν τι εἰπεῖν ἅπαντας τεθηπότας τὴν Ζάμου ἀνδρείαν ἣν γὰρ ἀγαθὸς τὰ πολέμια καὶ τὴν ἄλλην ἀρετὴν σέβοντας, ἔδεισε μὴ Χοσρόῃ ἐπαναστάντες ἔργα ἀνῆκεστα ἐς τὸ γένος καὶ τὴν βασιλείαν ἐργάσωνται. [6] ἔδοξεν οὖν αὐτῷ ἄριστον εἶναι τὸν τε πόλεμον καὶ τὰς τοῦ πολέμου αἰτίας διαλυῖσαι Ῥωμαίοις, ἐφ' ᾧ Χοσρόῃς παῖς ἐσποιοτὸς Ἰουστίνῳ βασιλεῖ γένοιτο: οὕτω γὰρ οἱ μόνως τὸ ὀχυρὸν ἐπὶ τῇ ἀρχῇ διασώσασθαι. διὸ δὴ πρέσβεις τε ὑπὲρ τούτων καὶ γράμματα ἐς Βυζάντιον Ἰουστίνῳ βασιλεῖ ἔπεμψεν. [7] ἐδήλου δὲ ἡ γραφὴ τάδε: 'Οὐ δίκαια μὲν πεπονθέναι πρὸς Ῥωμαίων ἡμᾶς καὶ αὐτὸς οἶσθα, ἐγὼ δὲ ὑμῖν τὰ ἐγκλήματα πάντα ἀφεῖναι παντελῶς ἔγνωκα, ἐκεῖνο εἰδώς, ὥς οὗτοι ἂν μάλιστα τῶν ἀνθρώπων νικῶεν, οἳ γε, προσόντος αὐτοῖς τοῦ δικαίου, εἴτα ἐλασσοῦμενοι ἐκόντες εἶναι τῶν φίλων ἡσθῶνται. [8] χάριν μέντοι αἰτοῦμαι σε ὑπὲρ τούτων τινά, ἢ ἂν οὐχ ἡμᾶς αὐτοὺς μόνον, ἀλλὰ καὶ τὸ ἐκατέρου ὑπήκοον ἅπαν ἕξ τε τὸ ξυγγενὲς συνδέουσα καὶ τὴν ἀπ' αὐτοῦ ὡς τὸ εἰκὸς εὐνοίαν, ἐς κόρον δὴ πού τῶν τῆς εἰρήνης ἀγαθῶν καταστήσασθαι ἱκανὴ εἴη. [9] λέγω δὲ ὅπως ἂν Χοσρόην τὸν ἐμόν, ὃς μοι τῆς βασιλείας διάδοχος ἔσται, εἰσποιοτὸν παῖδα ποιήσαιο.' [10] Ταῦτα ἐπεὶ ἀπενεχθέντα Ἰουστίνος βασιλεὺς εἶδεν, αὐτὸς τε περιχαρὴς ἐγένετο καὶ Ἰουστινιανὸς ὁ βασιλέως ἀδελφιδοῦς, ὃς δὴ αὐτῷ καὶ τὴν βασιλείαν ἐκδέξασθαι ἐπίδοξος ἦν. [11] καὶ κατὰ τάχος ἐς τὴν πρᾶξιν ἡπειρόσθην τὴν ἐσποίησιν ἐν γράμμασι θέσθαι ἢ νόμος Ῥωμαίοις, εἰ μὴ Πρόκλος ἐκώλυσεν, ὃς βασιλεῖ τότε παρήδρευε τὴν τοῦ καλουμένου κοιαιστωρος ἀρχὴν ἔχων, ἀνὴρ δίκαιός τε καὶ χρημάτων διαφανῶς ἀδωρότατος. [12] διὸ δὴ οὔτε νόμον τινὰ εὐπετῶς ἔγραφεν οὔτε τι τῶν καθεστώτων κινεῖν ἤθελεν, ὃς καὶ τότε ἀνταίρων ἔλεξε τοιάδε: [13] 'Νεωτέροις μὲν ἐγχειρεῖν πράγμασιν οὔτε εἴωθα καὶ ἄλλως δέδοικα πάντων μάλιστα, εὖ εἰδὼς ὅτι ἐν τῷ νεωτεροποιῷ τό γε ἀσφαλὲς οὐδαμῶς σώζεται. [14] δοκῶ δὲ μοι, εἰ καὶ λίαν τις ἦν περὶ ταῦτα θρασύς, ἀποκνήσαι ἂν ἐς τήνδε τὴν πρᾶξιν: καὶ κατορρωδῆσαι τὸν ἐξ αὐτῆς σάλον: [15] οὐ γὰρ ἄλλο οὐδὲν οἶμαι ἔν γε τῷ

παρόντι ἡμῖν ἐν βουλῇ εἶναι ἢ ὅπως ἂν τὰ Ῥωμαίων πράγματα Πέρσαις εὐπρεπεῖ παραδοίμεν λόγῳ, οἳ γε οὐκ ἐγκρυφιάζοντες οὐδὲ παραπετάσμασί τισι χρώμενοι, ἀλλὰ διαρρήδην ὁμολογοῦντες τὸ βούλευμα, οὕτως ἀνέδην ἀφαιρεῖσθαι τὴν βασιλείαν ἡμᾶς ἀξιοῦσι, τῷ μὲν τῆς ἀπάτης φανερῶ τὴν ἀφέλειαν προῖσχύμενοι, λόγῳ δὲ ἀναιδεῖ τὴν ἀπραγμοσύνην προβεβλημένοι. [16] καίτοι χρῆν ἐκάτερον ὑμῶν ταύτην τῶν βαρβάρων τὴν πείραν παντὶ ἀποκρούεσθαι σθένει· σὲ μὲν, ὃ βασιλεῦ, ὅπως δὴ μὴ Ῥωμαίων εἴης βασιλεὺς ὕστατος, σὲ δέ, ὃ στρατηγέ, ὅπως ἂν μὴ σαυτῷ ἐς τὴν βασιλείαν ἐμποδὼν γένοιτο. [17] τὰ μὲν γὰρ ἄλλα σοφίσματα λόγου ὡς ἐπὶ πλεῖστον σεμνότητι καλυπτόμενα ἴσως ἂν που καὶ ἐρμηνέως τοῖς πολλοῖς δέοιτο, αὕτη δὲ ἄντικρυς ἐκ προοιμίων εὐθύς ἢ πρεσβεία τῷ Ῥωμαίων βασιλεῖ Χοσρόην τοῦτον, ὅστις ποτὲ ἐστὶ, κληρονόμον εἰσποιεῖν βούλεται. [18] οὕτωςί γάρ μοι περὶ τούτων διαλογίξεσθε· φύσει τοῖς παισὶ τὰ τῶν πατέρων ὀφείλεται, οἳ τε νόμοι τῷ διαλλάσσουντι ἀλλήλοις ἀεὶ ἐν πᾶσιν ἀνθρώποις μαχόμενοι ἐνταῦθα ἐν τε Ῥωμαίοις καὶ πᾶσι βαρβάροις ξυνίασί τε καὶ ξυνομολογοῦντες ἀλλήλοις κυρίους ἀποφαίνουσι τοὺς παῖδας εἶναι τοῦ τοῦ πατρὸς κλήρου. ὥστε τὰ πρῶτα ἐλομένους ὑμῖν πάντα λελείπεται τὰ λοιπὰ ξυγχωρεῖν. [19] Πρόκλος μὲν τοσαῦτα εἶπε. βασιλεὺς δὲ καὶ ὁ βασιλέως ἀδελφιδοῦς τοὺς τε λόγους ἐνεδέχοντο καὶ τὸ πρακτέον ἐν βουλῇ ἐποιοῦντο. [20] ἐν τούτῳ δὲ καὶ ἄλλα Καβάδης γράμματα πρὸς Ἰουστίνον βασιλέα πέμψας, ἄνδρας τε αὐτὸν στεῖλαι δοκίμους ἡξίου, ἐφ' ᾧ τὴν εἰρήνην πρὸς αὐτὸν θήσονται, καὶ γράμμασι τὸν τρόπον σημῆναι καθ' ὃν ἂν αὐτῷ τὴν τοῦ παιδὸς εἰσποίησιν θέσθαι βουλομένῳ εἴη. [21] καὶ τότε δὴ Πρόκλος ἔτι μᾶλλον ἢ πρότερον τὴν Περσῶν πείραν διέβαλλε, μέλειν τε αὐτοῖς ἰσχυρίζετο ὅπως δὴ τὸ Ῥωμαίων κράτος σφίσιν αὐτοῖς ὡς ἀσφαλέστατα προσποιήσωνται. [22] καὶ γνώμην ἀπέφαινε τὴν μὲν εἰρήνην αὐτοῖς αὐτίκα δὴ μάλα περαίνεισθαι, ἄνδρας δὲ τοὺς πρώτους ἐκ βασιλέως ἐπ' αὐτῇ στέλλεσθαι, οὓς δὴ δεήσει πυνθανομένῳ τῷ Καβάδῃ καθ' ὃ τι δεῖ τὴν ἐσποίησιν Χοσρόῃ γενέσθαι, διαρρήδην ἀποκρίνασθαι ὅτι δεῖ ὡς βαρβάρῳ προσήκει, δηλῶν ὅτι οὐ γράμμασιν οἱ βάρβαροι τοὺς παῖδας ἐς ποιοῦνται, ἀλλ' ὅπλων σκευῇ. [23] οὕτω τοίνυν τοὺς πρέσβεις Ἰουστίνος βασιλεὺς ἀπεπέμψατο, ἄνδρας τοὺς Ῥωμαίων ἀρίστους ἔψεσθαι σφίσιν οὐκ ἐς μακρὰν ὑποσχύμενος, οἳ τὰ τε ἀμφὶ τῇ εἰρήνῃ καὶ τῷ Χοσρόῃ ὡς ἄριστα διοικήσονται. [24] γράμμασί τε Καβάδην κατὰ ταῦτόν ἡμείνατο. στέλλονται τοίνυν ἐκ μὲν Ῥωμαίων Ὑπάτιος, Ἀναστασίου τοῦ πρόην βεβασιλευκότος ἀδελφιδοῦς, πατρίκιός τε καὶ ἀρχὴν τῆς ἑωτὴν στρατηγίδα ἔχων, καὶ Ῥουφῖνος ὁ Σιλβανοῦ παῖς, ἐν τε πατρικίοις ἀνὴρ δόκιμος καὶ Καβάδῃ ἐκ πατέρων αὐτῶν γνώριμος· [25] ἐκ Περσῶν δὲ ἀνὴρ δυνατώτατός τε καὶ ἐξουσία πολλῇ χρώμενος, ὄνομα μὲν Σεόσης, ἀδρασταδάρην σαλάνης δὲ τὸ ἀξίωμα, καὶ Μεβόδης, [26] τὴν τοῦ μαγίστρου ἔχων ἀρχήν. οἳ δὴ ἐς χῶρόν τινα ξυνιόντες ὅς γ' ἦν τὴν Ῥωμαίων τε καὶ Περσῶν διορίζει, ἀλλήλοις τε συγγινόμενοι ἔπρασσον ὅπως τὰ τε διάφορα διαλύσουσι καὶ τὰ ἀμφὶ τῇ εἰρήνῃ εὖ θήσονται. [27] ἦκε δὲ καὶ Χοσρόης ἐς ποταμὸν Τίγρην, ὅς δὴ πόλεως Νισίβιδος διέχει δυοῖν ἡμέραιν ὁδῷ μάλιστα, ὅπως, ἐπειδὴν τὰ ἐς τὴν εἰρήνην ἐκατέροις δοκῇ ὡς ἄριστα ἔχειν, αὐτὸς ἐς Βυζάντιον στέλλοιτο. [28] πολλοὶ μὲν

οὐν καὶ ἄλλοι λόγοι πρὸς ἀμφοτέρων ὑπὲρ τῶν ἐν σφίσι διαφόρων ἐλέγοντο, καὶ γῆν δὲ τὴν Κολχίδα ἢ νῦν Λαζικὴ ἐπικαλεῖται Σεόσης ἔλεγε Περσῶν κατήκοον τὸ ἀνέκαθεν οὖσαν βιασαμένους λόγῳ οὐδενὶ Ῥωμαίους ἔχειν. [29] ταῦτα Ῥωμαῖοι ἀκούσαντες δεινὰ ἐποιοῦντο, εἰ καὶ Λαζικὴ πρὸς Περσῶν ἀντιλέγοιτο. ἐπεὶ δὲ καὶ τὴν ἐσποίησιν ἔφασκον δεῖν γενέσθαι Χοσρόῃ οὕτως ὥσπερ βαρβάρῳ προσήκει, οὐκ ἀνεκτὰ Πέρσαις ἔδοξεν εἶναι. [30] ἐκάτεροι οὖν διαλυθέντες ἐπ' οἴκου ἀνεχώρησαν, καὶ Χοσρόης ἄπρακτος πρὸς τὸν πατέρα ἀπιὼν ὥχετο, περιώδυνός τε ὢν τοῖς ζυμπεσοῦσι καὶ Ῥωμαίους εὐχόμενος τῆς ἐς αὐτὸν ὕβρεως τίσασθαι. [31] Μετὰ δὲ Μεβόδης μὲν τὸν Σεόσιν διέβαλλε Καβάδῃ, ὡς δὴ ἐξεπίτηδες, οὗ οἱ ἐπιτεταγμένον πρὸς τοῦ δεσπότη, τὸν Λαζικῆς λόγον προθείη, τὴν εἰρήνην ἐκκρούων Ὑπάτιῳ τε κοινολογησάμενος πρότερον, ὃς δὴ βασιλεῖ τῷ οἰκείῳ εὐνοϊκῶς ὡς ἥκιστα ἔχων τὴν τε εἰρήνην καὶ τὴν Χοσρόου ἐσποίησιν ἔργῳ ἐπιτελῇ οὐκ ἐῴη γενέσθαι, πολλὰ δὲ καὶ ἄλλα κατηγοροῦντες οἱ ἐχθροὶ τὸν Σεόσιν ἐς δίκην ἐκάλουν. [32] Περσῶν μὲν οὖν ἡ βουλὴ ζῦμπασα φθόνῳ μᾶλλον ἢ νόμῳ ζυνειλεγμένοι ἐδίκάζον. τῇ τε γὰρ ἀρχῇ οὐ ζυνειθισμένη σφίσιν αὐτοῖς ἐπιεικῶς ἤχοντο καὶ τῷ τρόπῳ τοῦ ἀνδρὸς χαλεπῶς εἶχον. [33] ἦν γὰρ ὁ Σεόσης χρημάτων μὲν ἀδωρότατος καὶ τοῦ δικαίου ἐπιμελητῆς ἀκριβέστατος, ἀλαζονείας δὲ νόσῳ ἐχόμενος οὐδὲν ὁμοίως τοῖς ἄλλοις ἀνθρώποις. ζυμφυὲς μὲν γὰρ εἶναι δοκεῖ τοῖς Περσῶν ἄρχουσι τοῦτό γε ἐν δὲ τῷ Σεόσῃ καὶ αὐτοὶ ὦντο ὑπερφυῶς ἐς τὰ μάλιστα τὸ πάθος ἀκμάσαι. [34] ἔλεγον δὲ οἱ κατήγοροι ταῦτά τε ἅπερ μοι προδεδήλωται καὶ ὡς ἥκιστα τῷ ἀνθρώπῳ βουλομένῳ εἶν ἐν τῷ καθεστῶτι τρόπῳ βιοτεῖν ἢ περιστέλλειν τὰ Περσῶν νόμιμα. [35] καινὰ τε γὰρ αὐτὸν δαιμόνια σέβειν καὶ τελευτήσασαν ἔναγχος τὴν γυναῖκα θάψαι, ἀπειρημένον τοῖς Περσῶν νόμοις γῇ κρύπτειν ποτὲ τὰ τῶν νεκρῶν σώματα. [36] οἱ μὲν οὖν δικασταὶ θάνατον τοῦ ἀνθρώπου κατέγνωσαν, Καβάδης δὲ ὥσπερ μὲν ξυναγοῦντι ἅτε φίλῳ τῷ Σεόσῃ ἐφέκει, ἐξελέσθαι δὲ αὐτὸν οὐδαμῇ ἤθελεν. [37] οὐ μὴν οὐδὲ ὅτι αὐτὸν δι' ὀργῆς ἔχοι ἐξήνεγκεν, ἀλλὰ τῷ λόγῳ παραλύειν τοὺς Περσῶν νόμους οὐκ ἐβούλετο, καίπερ ζῳάγρια τῷ ἀνθρώπῳ ὀφείλων, ἐπεὶ οἱ Σεόσης αἰτιώτατος γέγονε βιώναι τε καὶ βασιλεῖ εἶναι. οὕτω μὲν ὁ Σεόσης καταγνωσθεὶς ἐξ ἀνθρώπων ἠφάνιστο. [38] ἡ δὲ ἀρχὴ ἐξ αὐτοῦ ἀρξαμένη ἐς αὐτὸν ἐτελεύτησεν. ἕτερος γάρ τις ἀδρασταδάραν σαλάνης οὐδεὶς γέγονε. καὶ Ῥουφίνος δὲ Ὑπάτιον ἐς βασιλεῖα διέβαλλε. [39] διὸ δὴ αὐτόν τε παρέλυσεν τῆς ἀρχῆς βασιλεύς, καὶ τῶν οἱ ἐπιτηδεῖων τινὰς πικρότατα αἰκισάμενος οὐδὲν ὑγιὲς ἐν ταύτῃ τῇ διαβολῇ τὸ παράπαν εὔρε, κακὸν μέντοι οὐδὲν Ὑπάτιον ἄλλο εἰργάσατο.

Εὐθὺς δὲ Καβάδης, καίπερ ἐν σπουδῇ ἔχων ἐσβολὴν τινα ἐς τῶν Ῥωμαίων ποιῆσθαι τὴν γῆν, οὐδαμῇ ἰσχυσεν, ἐπεὶ αὐτῷ ἐναντίωμα τοιόνδε ζυνηνέχθη γενέσθαι. [2] Ἰβηρες οἱ ἐν τῇ Ἀσίᾳ οἰκοῦσι πρὸς αὐταῖς που ταῖς Κασπίαις ἴδρυνται πύλαις, αἵπερ αὐτοῖς εἰσι πρὸς βορρᾶν ἄνεμον. καὶ αὐτῶν ἐν ἀριστερᾷ μὲν ἐχομένη πρὸς τὰς ἡλίου δυσμὰς Λαζικὴ ἐστίν, ἐν δεξιᾷ δὲ πρὸς ἀνίσχοντα ἡλιον τὰ Περσῶν ἔθνη. [3] οὗτος ὁ λεῶς Χριστιανοὶ τέ εἰσι καὶ τὰ νόμιμα τῆς δόξης φυλάσσουνσι ταύτης πάντων μάλιστα ἀνθρώπων ὧν ἡμεῖς ἴσμεν, κατήκοοι μέντοι ἐκ παλαιοῦ τοῦ Περσῶν βασιλέως τυγχάνουσιν ὄντες.

[4] τότε δὲ αὐτοὺς ἤθελε Καβάδης ἐς τὰ νόμιμα τῆς αὐτοῦ δόξης βιάζεσθαι. καὶ αὐτῶν τῷ βασιλεῖ Γουργένῃ ἐπέστελλε τὰ τε ἄλλα ποιεῖν ἢ Πέρσαι νομίζουσι καὶ τοὺς νεκροὺς τῇ γῇ ὡς ἥκιστα κρύπτειν, ἀλλ' ὄρνισί τε ῥιπτεῖν καὶ κυσὶν ἅπαντας. [5] διὸ δὴ Γουργένης προσχωρεῖν Ἰουστίνῳ βασιλεῖ ἤθελε τὰ τε πιστὰ ἡξίου λαβεῖν ὡς οὐποτε Ἰβηρας καταπροήσονται Πέρσαι Ῥωμαῖοι. [6] ὁ δὲ ταῦτά τε αὐτῷ ξὺν προθυμίᾳ πολλῇ ἐδίδου καὶ Πρόβον τὸν Ἀναστασίου τοῦ βεβασιλευκότος ἀδελφιδοῦν, ἄνδρα πατρίκιον, ξὺν χρήμασι πολλοῖς ἐς Βόσπορον ἔπεμψεν, ἐφ' ᾧ στρατεύμα Οὐννων χρήμασιν ἀναπεύσας Ἰβηρσι πέμψη ἐς ξυμμαχίαν. [7] ἔστι δὲ πόλις ἐπιθαλασσία ἡ Βόσπορος, ἐν ἀριστερᾷ μὲν ἐσπλέοντι τὸν Εὐξείνιον καλούμενον πόντον, Χερσῶνος δὲ πόλεως, ἡ γῆς τῆς Ῥωμαίων ἐσχάτη ἐστίν, ὁδῷ διέχουσα ἡμερῶν εἴκοσιν. ὧν δὴ τὰ ἐν μέσῳ ἅπαντα Οὐννοι ἔχουσιν. [8] οἱ δὲ Βοσπορίται αὐτόνομοι μὲν τὸ παλαιὸν ὄκουν, Ἰουστίνῳ δὲ βασιλεῖ ἑναγχος προσχωρεῖν ἔγνωσαν. [9] ἐπεὶ δὲ Πρόβος ἐνθένδε ἄπρακτος ἀνεχώρησε, Πέτρον στρατηγὸν σὺν Οὐννοις τισὶν ἐς Λαζικήν βασιλεὺς ἔπεμψε Γουργένῃ ὅση δύναμις ξυμμαχήσοντα. [10] ἐν τούτῳ δὲ Καβάδης στρατεύμα λόγου πολλοῦ ἄξιον ἐπὶ τε Γουργένῃ καὶ Ἰβηρας ἔπεμψε καὶ στρατηγὸν ἄνδρα Πέρσην, οὐαρίζην μὲν τὸ ἀξίωμα, Βόην δὲ ὄνομα. [11] ὁ τε Γουργένης ἐλάσσων ὀφθεῖς ἢ φέρειν τὴν Περσῶν ἔφοδον, ἐπεὶ οἱ τὰ ἐκ Ῥωμαίων οὐχ ἱκανὰ ἦν, ξὺν Ἰβήρων τοῖς λογίμοις ἅπασιν ἐς Λαζικήν ἔφυγε, τὴν τε γυναῖκα καὶ τοὺς παῖδας ξὺν τοῖς ἀδελφοῖς ἐπαγόμενος, ὧν δὴ Περάνιος ὁ πρεσβύτατος ἦν. [12] ἐν δὲ τοῖς Λαζικῆς ὁρίοις γενόμενοι ἔμενον, ταῖς τε δυσχωρίαις φραζάμενοι τοὺς πολεμίους ὑφίσταντο. [13] Πέρσαι δὲ αὐτοῖς ἐπισπόμενοι οὐδὲν ὅ τι καὶ λόγου ἄξιον ἔπρασσον, τοῦ πράγματος σφίσι διὰ τὰς δυσχωρίας ἀντιστατοῦντος. [14] Ἐπειτα δὲ οἱ τε Ἰβηρες ἐς Βυζάντιον παρεγένοντο καὶ Πέτρος ἐς βασιλέα μετὰπεμπτos ἦλθε, καὶ τὸ λοιπὸν βασιλεὺς Λαζοῖς οὐ βουλομένοις ξυμφυλάσσειν τὴν χώραν ἡξίου, στρατεύμα τε καὶ Εἰρηναῖον ἄρχοντα πέμψας. [15] ἔστι δὲ φρούρια ἐν Λαζοῖς δύο εὐθὺς εἰσιόντι ἐκ τῶν Ἰβηρίας ὁρίων, ὧν ἡ φυλακὴ τοῖς ἐπιχωρίοις ἐκ παλαιοῦ ἐπιμελὴς ἦν, καίπερ ταλαιπωρία πολλῇ ἐχομένοις, ἐπεὶ οὔτε σίτος ἐνταῦθα οὔτε οἶνος οὔτε ἄλλο τι ἀγαθὸν γίνεται. [16] οὐ μὴν οὐδέ τι ἐτέρωθεν ἐσκομίζεσθαι διὰ τὴν στενοχωρίαν οἷόν τέ ἐστιν, [17] ὅτι μὴ φερόντων ἀνθρώπων. ἐλύμοις μέντοι τισὶν ἐνταῦθα γιγνομένοις εἰθισμένον σφίσιν οἱ Λαζοὶ ἀποζῆν ἴσχουν. [18] τούτους ἐξαναστήσας ἐνθένδε βασιλεὺς τοὺς φρουροὺς, στρατιώτας Ῥωμαίους ἐκέλευεν ἐπὶ τῇ φυλακῇ τῶν φρουρίων καθίστασθαι. [19] οἷς δὴ κατ' ἀρχὰς μὲν ἐπιτήδεια μόλις Λαζοὶ ἔφερον, ὕστερον δὲ αὐτοῖ τε πρὸς τὴν ὑπουργίαν ἀπεῖπον καὶ Ῥωμαῖοι τὰ φρούρια ταῦτα ἐξέλιπον, οἱ τε Πέρσαι πόνῳ αὐτὰ οὐδενὶ ἔσχον. ταῦτα μὲν ἐν Λαζοῖς γέγονε. [20] Ῥωμαῖοι δέ, Σίττα τε καὶ Βελισαρίου ἡγουμένων σφίσιν, ἐς Περσαρμενίαν τὴν Περσῶν κατήκοον ἐσβαλόντες χώραν τε πολλὴν ἐλήρισαντο καὶ Ἀρμενίων πάμπολυ πλῆθος ἀνδραποδίσαντες ἀπεχώρησαν. [21] τούτῳ δὲ τῷ ἄνδρι νεανία μὲν καὶ πρῶτον ὑπηνήτα ἦσθιν, Ἰουστινιανοῦ δὲ στρατηγοῦ δορυφόρῳ, ὃς δὴ χρόνῳ ὕστερον ξὺν Ἰουστίνῳ τῷ θεῷ τὴν βασιλείαν ἔσχεν. ἐτέρας δὲ ἐσβολῆς Ῥωμαίοις ἐς Ἀρμενίαν γεγεννημένης Ναρσῆς τε καὶ Ἀράτιος παρὰ δόξαν ὑπαντιάσαντες ἐς χεῖρας ἦλθον. [22] οἱ οὐ πολλῷ ὕστερον ἐς Ῥωμαίους

τε αὐτόμολοι ἴκοντο καὶ ξὺν Βελισαρίῳ ἐς Ἰταλίαν ἐστράτευσαν, τότε μέντοι τοῖς ἀμφὶ Σίτταν τε καὶ Βελισάριον ξυμβαλόντες τὸ πλεόν ἐσχον. [23] εἰσέβαλε δὲ καὶ ἀμφὶ πόλιν Νίσιβιν ἄλλη Ῥωμαίων στρατιά, ἣς Λιβελάριος ἐκ Θράκης ἦρχεν. οἱ φεύγοντες εὐθυωρὸν τὴν ἀναχώρησιν ἐποιήσαντο, καίπερ οὐδενὸς σφίσιν ἐπεξίοντος. [24] διὸ δὴ Λιβελάριον μὲν παρέλυσε τῆς ἀρχῆς βασιλεὺς, Βελισάριον δὲ ἄρχοντα καταλόγων τῶν ἐν Δάρας κατεστήσατο. τότε δὴ αὐτῷ ξύμβουλος ἠρέθη Προκόπιος ὃς τάδε ξυνέγραψε.

Χρόνῳ δὲ οὐ πολλῷ ὕστερον Ἰουστίνος βασιλέα τὸν ἀδελφιδοῦν Ἰουστινιανὸν ξὺν αὐτῷ ἀνειπὼν ἐτελεύτησε, καὶ ἀπ' αὐτοῦ ἐς μόνον Ἰουστινιανὸν ἡ βασιλεία ἦλθεν. [2] οὗτος Ἰουστινιανὸς ἐκέλευε Βελισάριον δείμασθαι φρουρίον ἐν χωρίῳ Μίνδουος, ὃ πρὸς αὐτοῖς ἐστὶ τοῖς Περσῶν ὁρίοις, [3] ἐν ἀριστερᾷ ἐς Νίσιβιν ἰόντι. ὁ μὲν οὖν σπουδῇ πολλῇ τὰ βασιλεῖ δόξαντα ἐπιτελῇ ἐποίει, τό τε ὀχύρωμα ἐς ὕψος ἤδη πολυανθρωπία τεχνιτῶν ἦρετο. [4] Πέρσαι δὲ ἀπεῖπον μὴ οἰκοδομησάσθαι περαιτέρω μηδέν, οὐ λόγους μόνον, ἀλλὰ καὶ τοῖς ἔργοις διακωλυταὶ ἀπειλοῦντες οὐκ ἐς μακρὰν ἔσεσθαι. [5] ταῦτα ἐπεὶ βασιλεὺς ἤκουσεν ὅτι γὰρ οἷός τε ἦν Βελισάριος Πέρσας ἐνθένδε τῷ παρόντι στρατῷ ἀποκρούεσθαι, ἄλλην τε στρατιὰν ἐπήγγελλεν αὐτόσε ἰέναι καὶ Κούτζην τε καὶ Βούζην, οἱ τῶν ἐν Λιβάνῳ στρατιωτῶν ἦρχον τότε. τούτῳ δὲ ἀδελφῷ μὲν ἐκ Θράκης ἦσθιν, νέῳ δὲ ἅμφῳ καὶ οὐ ξὺν τῷ ἀσφαλεῖ τοῖς πολεμίοις εἰς χεῖρας ἰόντε. [6] ἐκάτεροι μὲν οὖν ξυλλεγέντες ἐπὶ τὴν οἰκοδομίαν ἀθρόοι ἦσαν, Πέρσαι μὲν αὐτὴν παντὶ σθένει διακωλύσοντες, Ῥωμαῖοι δὲ τοῖς τεκταινομένοις ἐπαμυνόντες. [7] μάχης δὲ καρτερᾶς γενομένης ἡσῶνται Ῥωμαῖοι, φόνος τε αὐτῶν πολὺς γέγονε, τινὰς δὲ καὶ ἐζώγησαν οἱ πολέμιοι. [8] ἐν τούτοις ἦν καὶ Κούτζης. οὓς δὴ οἱ Πέρσαι ἅπαντας ἐς τὰ οἰκεῖα ἦθη ἀπαγαγόντες, δήσαντές τε τὸν ἅπαντα χρόνον ἐν σπηλαίῳ καθεῖρξαν, καὶ τοῦ φρουρίου τὴν οἰκοδομίαν οὐδενὸς ἔτι ἀμυνομένου εἰς ἔδαφος καθεῖλον. [9] Ὑστερον δὲ βασιλεὺς Ἰουστινιανὸς στρατηγὸν τῆς ἔω Βελισάριον καταστησάμενος, στρατεύειν ἐπὶ Πέρσας ἐκέλευεν. ὁ δὲ στρατιὰν λόγου πολλοῦ ἀξίαν ἀγείρας ἐς Δάρας ἦλθε. [10] καὶ οἱ Ἑρμογένης ξυνδιακοσμήσων τὸν στρατὸν ἐκ βασιλέως ἀφίκετο, τὸ τοῦ μαγίστρου ἀξίωμα ἔχων, ὃς Βιταλιανῷ παρήδρευε πρότερον ἠνίκα βασιλεῖ Ἀναστασίῳ πολέμιος ἦν. [11] καὶ Ρουφῖνον δὲ πρεσβευτὴν βασιλεὺς ἐπεμψεν, ὃν δὴ ἐν Ἰεραπόλει τῇ πρὸς τῷ Εὐφράτῃ ποταμῷ μένειν, ἕως αὐτὸς σημήνη, ἐκέλευε. λόγοι γὰρ ἤδη πολλοὶ ἀμφοτέροις ἀμφὶ τῇ εἰρήνῃ ἐγίνοντο. [12] ἄμφω δὲ τις Βελισαρίῳ τε καὶ Ἑρμογένει ἀπήγγελλεν ὡς Πέρσαι ἐσβάλλειν ἐπίδοξοί εἰσιν ἐς γῆν τὴν Ῥωμαίων, πόλιν Δάρας αἰρήσειν ἐν σπουδῇ ἔχοντες. [13] οἱ δὲ ταῦτα ἀκούσαντες τὰ ἐς τὴν παράταξιν ἐξηρτύοντο ὧδε. τῆς πύλης ἡ πόλεως Νισίβιδος καταντικρὺ κεῖται οὐ μακρὰν ἄποθεν, ἀλλ' ὅσον λίθου βολήν, τάφρον βαθεῖαν τινα ὥρυξαν, διεξόδους πολλὰς ἔχουσιν. οὐκ ἐπ' εὐθείας μέντοι ἡ τάφρος ἦδε ὀρώρυκτο, ἀλλὰ τρόπῳ τοιῷδε. [14] κατὰ μὲν τὸ μέσον βραχεῖα τις ἐγεγόνει εὐθεῖα, ἐφ' ἐκάτερα δὲ αὐτῆς ὀρθαὶ κεραῖαι πεποιήντο δύο, ἕς τε τὰ πέρατα ταῖν ὀρθαῖν κεραῖαιν αὐθις τὰς τάφρους ἐπὶ πλείστον εὐθείας ἐξῆγον. [15] οἱ μὲν οὖν Πέρσαι οὐκ ἐς μακρὰν στρατῷ πολλῷ ἦλθον, ἐν τῇ Ἀμμώδιος χωρίῳ, πόλεως Δάρας μέτρῳ εἴκοσι σταδίων ἀπέχοντι, [16]

ἑστρατοπεδεύσαντο ἅπαντες. ἄρχοντες δὲ ἄλλοι τε ἦσαν καὶ Πιτυάξης καὶ Βαρεσμανᾶς ἑτερόφθαλμος. στρατηγὸς δὲ εἷς ἅπασιν ἐφειστήκει, Πέρσης ἀνὴρ, μυρράνης μὲν τὸ ἀξίωμα οὕτω γὰρ τὴν ἀρχὴν καλοῦσι Πέρσαι, Περόξης δὲ ὄνομα. [17] ὃς δὴ αὐτίκα παρὰ Βελισάριον πέμψας τὸ βαλανεῖον ἐν παρασκευῇ ἐκέλευε ποιεῖσθαι· λουῖσθαι γὰρ οἱ ἐνταῦθα τῇ ὑστεραίᾳ βουλομένῳ εἶναι. [18] διὸ δὴ Ῥωμαῖοι τὰ ἐς τὴν ξυμβολὴν καρτερώτατα ἐξηρτύοντο, ὥς ἡμέρᾳ τῇ ἐπιγενησομένη μαχοῦμενοι. [19] Ἄμα τε ἠλίῳ ἀνίσχοντι τοὺς πολεμίους ἐπὶ σφᾶς προϊόντας ὀρῶντες ἐτάζαντο ὧδε. εὐθείας μὲν τὰ ἔσχατα τῆς ἀριστερᾶς ἢ ἔνερθεν ἦν τῆς ὀρθῆς κεραίας μέχρι ἐς τὸν λόφον ὃς αὐτῇ ἀνέχει, Βούζης εἶχε ξὺν ἱππεῦσι πολλοῖς καὶ Φάρας Ἑρουλος ξὺν ὁμογενέσι τριακοσίοις· [20] ἐν δεξιᾷ δὲ αὐτῶν τῆς τάφρου ἐκτὸς κατὰ τὴν γωνίαν ἦν ἢ τε ὀρθὴ κεραία καὶ ἢ ἐνθένδε εὐθεῖα ἐποίει, Σουνίκας τε ἦν καὶ Αἰγάν, Μασσαγέται γένος, ξὺν ἱππεῦσιν ἑξακοσίοις, ὅπως, ἦν οἱ τε ἀμφὶ Βούζην καὶ Φάραν τραπεῖεν, αὐτοὶ πλάγιοι κατὰ τάχος ἰόντες κατὰ νότου τε τῶν πολεμίων γινόμενοι τοῖς ἐκείνῃ Ῥωμαίοις ἀμύνειν εὐπετῶς δύνωνται. ἐπὶ θάτερα δὲ τρὸψ τῷ αὐτῷ ἐτετάχατο· [21] τῆς μὲν γὰρ εὐθείας τὰ ἔσχατα ἱππεῖς πολλοὶ εἶχον, ὧν Ἰωάννης τε ὁ Νικήτου ἦρχε καὶ Κύριλλός τε καὶ Μάρκελλος· ξυνὴν δὲ αὐτοῖς καὶ Γερμανὸς καὶ Δωρόθεος· ἐς γωνίαν δὲ τὴν ἐν δεξιᾷ ἱππεῖς ἐτάζαντο ἑξακόσιοι, ὧν Σίμμας τε καὶ Ἀσκὰν Μασσαγέται ἦρχον, ἵνα, ὅπερ εἴρηται, τῶν ἀμφὶ τὸν Ἰωάννην τρεπομένων, ἂν οὕτω τύχη, αὐτοὶ ἐνθένδε ἐξανιστάμενοι κατὰ νότου τῶν Περσῶν ἴωσι. [22] πανταχῇ δὲ τῆς τάφρου οἱ τε τῶν ἱππέων κατάλογοι καὶ ὁ πεζὸς στρατὸς ἴστατο. ὧν δὴ ὀπισθεν οἱ τε ἀμφὶ Βελισάριον καὶ Ἑρμογένην κατὰ μέσους εἰστήκεσαν. [23] ὧδε μὲν Ῥωμαῖοι ἐς πεντακισχιλίους τε καὶ δισμυρίους ξυνιόντες ἐτάζαντο, Περσῶν δὲ ὁ στρατὸς μυριάδες μὲν τέσσαρες ἱππέων τε καὶ πεζῶν ἦσαν, ἐφεξῆς δὲ ἅπαντες μετωπηδὸν ἴσαντο, ὥς βαθύτατον τῆς φάλαγγος τὸ μέτωπον ποιησόμενοι. [24] χρόνον μὲν οὖν πολὺν μάχης ἐς ἀλλήλους οὐδέτεροι ἦρχον, ἀλλὰ θανυμάζουσί τε τὴν Ῥωμαίων εὐκοσμίαν Πέρσαι ἐφύκεσαν καὶ ὃ τι χρήσονται τοῖς παροῦσιν ἀπορουμένοις. [25] Τῆς δὲ ἡμέρας ἀμφὶ δείλην ὀψίαν μοῖρά τις τῶν ἱππέων οἱ κέρας τὸ δεξιὸν εἶχον, ἀποσχισθέντες τοῦ ἄλλου στρατοῦ, τοῖς ἀμφὶ Βούζην τε καὶ Φάραν ἐπῆλθον. [26] οἱ δὲ ὀπίσω κατὰ βραχὺ ὑπεχώρησαν. Πέρσαι δὲ αὐτοὺς οὐκ ἐδίωξαν, ἀλλ' αὐτοῦ ἔμενον, κύκλωσιν, οἷμαι, πρὸς τῶν πολεμίων τινὰ δείσαντες. μετὰ δὲ Ῥωμαῖοι μὲν οἱ φυγόντες ἐκ τοῦ αἰφνιδίου πρὸς αὐτοὺς ὥρμησαν. [27] οἱ δὲ οὐχ ὑποστάντες τὴν ἔφοδον ὀπίσω ἀπήλυνον ἐς τὴν φάλαγγα, καὶ αὖθις οἱ τε ἀμφὶ Βούζην καὶ Φάραν ἐν χώρᾳ τῇ οἰκεῖᾳ ἐτάζαντο. [28] ἐν τούτῳ τῷ ἔργῳ Περσῶν ἐπτὰ ἔπεσον, ὧν δὴ τῶν σωμάτων Ῥωμαῖοι ἐκράτησαν, καὶ τὸ λοιπὸν ἡσυχάζοντες ἐν τάξει ἐκάτεροι ἔμενον. [29] εἷς δὲ ἀνὴρ Πέρσης νεανίας, ἄγχιστα τοῦ Ῥωμαίων στρατοῦ τὸν ἵππον ἐλάσας, προῦκαλεῖτο ἅπαντας εἴ τις οἱ βούλοιο ἐς χεῖρας ἰέναι. [30] καὶ τῶν μὲν ἄλλων ὑποστῆναι τὸν κίνδυνον ἐτόλμα οὐδεῖς, Ἀνδρέας δὲ ἦν τις ἐν τοῖς Βούζου οἰκεῖοις, οὐ στρατιώτης μὲν οὐδὲ τι ἀσκήσας τῶν κατὰ τὸν πόλεμον πώποτε, παιδοτρίβης δὲ καὶ παλαιίστρα τινὶ ἐν Βυζαντίῳ ἐφεστηκώς. [31] διὸ δὴ καὶ τῷ στρατῷ εἶπετο, ἅτε τοῦ Βούζου σώματος ἐν βαλανεῖῳ ἐπιμελούμενος, γένος δὲ Βυζάντιος ἦν. οὗτος ἐθάρσησε μόνος, οὔτε

Βούζου οὔτε ἄλλου ὁτουοῦν ἐπαγγείλαντος, αὐτόματος τῷ ἀνθρώπῳ ἐς μονομαχίαν ἐπεξίεναι. φθάσας δὲ τὸν βάρβαρον ἔτι περισκοπούμενον ὅπη ὀρμήσεται, παρὰ μαζὸν τὸν δεξιὸν τῷ δόρατι παίει. [32] ὁ δὲ πληγὴν ἀνδρὸς ἰσχυροῦ λίαν οὐκ ἐνεγκὼν ἐκ τοῦ ἵππου ἐς ἔδαφος πίπτει. καὶ αὐτὸν Ἀνδρέας μαχαίρᾳ τινὶ βραχείᾳ ὥσπερ ἱερεῖον ὑπτίως κείμενον ἔθυσσε, κραυγὴ τε ὑπερφυῆς ἔκ τε τοῦ περιβόλου καὶ τοῦ Ῥωμαίων στρατοπέδου ἦρθη. [33] Πέρσαι δὲ τῷ γεγονότι περιαληγῆσαντες ἕτερον εἰς τὴν αὐτὴν πρᾶξιν ἱππέα καθῆκαν, ἀνδρεῖον μὲν καὶ μεγέθους σώματος πέρι εὖ ἦκοντα, οὐ νεανίαν δέ, ἀλλὰ καὶ τινος τῶν ἐν τῇ κεφαλῇ τριχῶν πολὺν ὄντα. [34] ὃς δὴ παρὰ τὸ τῶν πολεμίων στράτευμα ἐπιών, ἐπὶ πλείστον δὲ τὴν μάστιγα σείων ἢ παίειν τὸν ἵππον εἰώθει, Ῥωμαίων τὸν βουλόμενον ἐς μάχην ἐκάλει. [35] οὐδενὸς δὲ οἱ ἐπεξιόντος, Ἀνδρέας αὐθις ἅπαντας λαθὼν ἐς μέσον ἦλθε, καίπερ αὐτῷ πρὸς τοῦ Ἑρμογένους ἀπειρημένον. [36] ἄμφω γοῦν τοῖς δόρασιν ἐς ἀλλήλους θυμῷ πολλῷ ἐχόμενοι ὥρμησαν, καὶ τὰ τε δόρατα τοῖς θώραξιν ἐρεισθέντα δεινῶς ἀπεκρούσθη οἱ τε ἵπποι ἐς τὰς κεφαλὰς ἀλλήλοις συγκρούσαντες ἔπεσόν τε αὐτοὶ καὶ τοὺς ἐπιβάτας ἀπέβαλον. [37] τῷ δὲ ἄνδρι τούτῳ ἄγχιστά: πη πεσόντε ἀλλήλῳιν ἐξανίστασθαι σπουδῇ πολλῇ ἄμφω ἡπειγέσθην, ἀλλ' ὁ μὲν Πέρσης τοῦτο δρᾶν, ἅτε οἱ τοῦ μεγέθους ἀντιστατοῦντος, οὐκ εὐπετῶς εἶχεν, Ἀνδρέας δὲ προτερήσας 'τοῦτο γὰρ αὐτῷ ἢ κατὰ τὴν παλαιίστραν μελέτῃ ἐδίδου τῷ τε γόνати ἐξανιστάμενον αὐτὸν ἔτυψε καὶ αὐθις εἰς τὸ ἔδαφος πεσόντα ἔκτεινε. [38] κραυγὴ τε ἐκ τοῦ τείχους καὶ τοῦ Ῥωμαίων στρατοῦ οὐδέν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον, ἦρθη: καὶ οἱ μὲν Πέρσαι ἐς τὸ Ἀμμώδιος τὴν φάλαγγα διαλύσαντες ἀνεχώρησαν, οἱ δὲ Ῥωμαῖοι παιανίσαντες ἐντὸς τοῦ περιβόλου ἐγένοντο. [39] ἤδη γὰρ καὶ ξυνεσκόταζεν. οὕτω τε ἀμφοτέροι τὴν νύκτα ἐκείνην ἠϋλίσαντο.

Τῇ δὲ ὑστεραίᾳ Πέρσαις μὲν στρατιῶται μύριοι ἐκ Νισίβιδος πόλεως μετάπεμπτοι ἦλθον, Βελισάριος δὲ καὶ Ἑρμογένης πρὸς Μιρράνην ἔγραψαν τάδε, 'Πρῶτον ἀγαθὸν τὴν εἰρήνην εἶναι ὠμολόγηται παρὰ πάντων ἀνθρώπων οἷς τι καὶ κατὰ τὸ [2] βραχὺ λογισμοῦ μέτεστιν. ὥστε ἦν τις διαλυτῆς αὐτῆς γένοιτο, τῶν κακῶν αἰτιώτατος ἂν οὐ τοῖς πέλας μόνον, ἀλλὰ καὶ ὁμογενέσι τοῖς αὐτοῦ εἴη. στρατηγὸς μὲν οὖν ἄριστος οὗτος ἐκείνός ἐστιν, ὃς δὴ ἐκ πολέμου εἰρήνην διατίθεσθαι ἱκανὸς πέφυκε. [3] σὺ δὲ τῶν πραγμάτων εὖ καθεστῶτων Ῥωμαίοις τε καὶ Πέρσαις πόλεμον ἐπάγειν ἡμῖν αἰτίαν οὐκ ἔχοντα ἔγνωκας, καίπερ ἐκατέρου μὲν βασιλέως εἰρηναῖα βουλευομένου, πρέσβεων δὲ παρόντων ἡμῖν ἐν γειτόνων ἤδη, οἱ δὴ τὰ διάφορα τῇ ἐς ἀλλήλους ὁμιλίᾳ οὐκ εἰς μακρὰν διαλύσουσιν, ἢ μὴ τι ἀνήκεστον ἐκ τῆς σῆς ἐφόδου ξυμβαῖνον ταύτην ἡμῖν ἀναστέλλειν τὴν ἐλπίδα ἰσχύσει. [4] ἀλλ' ἅπαγε ὅτι τάχιστα τὸν στρατὸν ἐς τὰ Περσῶν ἦθη, μηδὲ τοῖς μεγίστοις ἀγαθοῖς ἐμποδῶν ἴστασο, μὴ ποτε Πέρσαις, ὡς τὸ εἰκός, εἴης τῶν ξυμβησομένων [5] δεινὸν αἴτιος.' ταῦτα ἐπεὶ Μιρράνης ἀπενεχθέντα τὰ γράμματα εἶδεν, ἀμείβεται ὧδε, 'Ἐποίησα ἂν τὰ αἰτούμενα, τοῖς γεγραμμένοις ἀναπεισθεῖς, εἰ μὴ Ῥωμαίων ἡ ἐπιστολὴ ἐτύγχανεν οὔσα, οἷς τὸ μὲν ἐπαγγέλλεσθαι πρόχειρόν ἐστιν, ἔργῳ δὲ τὰ ἐπιγγεγμένα ἐπιτελεῖν χαλεπώτατόν τε καὶ κρεῖσσον ἐλπίδος, ἄλλως τε ἢν καὶ ὄρκοις τισὶ κυρώσῃτε τὰ ξυγκείμενα. [6] ἡμεῖς μὲν

οὖν πρὸς τὴν ὑμετέραν ἀπειπόντες ἀπάτην, ἐν ὅλοις ἠναγκάσμεθα παρ' ὑμᾶς ἥκειν, ὑμεῖς δέ, ὦ φίλοι Ῥωμαῖοι, μηδὲν ἄλλο τὸ λοιπὸν οἴεσθε ἢ πολεμητέα ὑμῖν ἐς Πέρσας εἶναι. ἐνταῦθα γὰρ ἡμᾶς ἢ τεθνάναι ἢ καταγρηράσκειν δεήσει, ἕως ἔργω τὰ δίκαια πρὸς ἡμᾶς θήσεσθε.' τοσαῦτα μὲν καὶ ὁ Μιρράνης ἀντέγραψεν. [7] αὐθις δὲ οἱ ἀμφὶ Βελισάριον ἔγραψαν ὧδε, 'Οὐ πάντα χρή, ὦ βέλτιστε Μιρράνη, τῇ ἀλαζονείᾳ χαρίζεσθαι, οὐδὲ τοῖς πέλας ἐπιφέρειν ὄνειδη τὰ μηδαμόθεν προσήκοντα. [8] Ρουφῖνον γὰρ ἐπὶ πρεσβείᾳ ἦκοντα οὐκ ἄποθεν εἶναι ἡμεῖς τε εἶπομεν ζῦν τῷ ἀληθεῖ καὶ αὐτὸς οὐκ ἐς μακρὰν εἴσῃ. [9] γλιχομένοις δὲ ὑμῖν πολεμίων ἔργων ἀντιταξόμεθα ζῦν θεῷ, ὃν ἡμῖν ἐν τῷ κινδύνῳ ξυλλήψεσθαι ἴσμεν, ἡγμένον μὲν τῇ Ῥωμαίων ἀπραγμοσύνῃ, ἀλαζονείᾳ δὲ τῇ Περσῶν νεμεσήσαντα καὶ οἷς ἐπὶ τὴν εἰρήνην προκαλουμένοις ἡμῖν εἶτα ἀντιτείνειν ἐγνώκατε. [10] ἀντιταξόμεθα δὲ τὰ γεγραμμένα παρ' ἐκατέρων ἀπ' ἄκρων σημείων [11] ἐς τὴν ξυμβολὴν ἀναψάμενοι.' τοσαῦτα μὲν ἡ γραφὴ ἐδήλου. Μιρράνης δὲ καὶ αὐθις ἀμείβεται ὧδε, 'Οὐδὲ ἡμεῖς ἄνευ θεῶν τῶν ἡμετέρων ἐς τὸν πόλεμον καθιστάμεθα, ζῦν αὐτοῖς δὲ παρ' ὑμᾶς ἤξομεν, οὐσπερ τῇ ὑστεραίᾳ Πέρσας ἐς Δάρας ἐσβιβάσειν ἐλπίδα ἔχω. [12] ἀλλὰ μοι τό τε βαλανεῖον καὶ ἄριστον ἐν παρασκευῇ τοῦ περιβόλου ἐντὸς γινέσθω.' ταῦτα οἱ ἀμφὶ Βελισάριον ἀναλεξάμενοι παρεσκευάζοντο ἐς τὴν ξυμβολήν. [13] Τῇ δὲ ἐπιγενομένη ἡμέρᾳ Πέρσας ἅπαντας περὶ ἡλίου ἀνατολᾶς ξυγκαλέσας Μιρράνης ἔλεξε τοιάδε, 'Οὐκ ἄγνωσθ' ὡς οὐ λόγοις τῶν ἡγουμένων, ἀλλ' ἀρετῇ τε οἰκείᾳ καὶ τῇ ἐς ἀλλήλους αἰδοῖ θαρσεῖν ἐν τοῖς κινδύνοις εἰώθασι Πέρσαι. [14] ὁρῶν δὲ ὑμᾶς διαλογιζομένους τί δήποτε οὐ συνειθισμένον Ῥωμαίοις πρότερον ἄνευ θορύβων τε καὶ ἀταξίας εἰς μάχην ἰέναι, οἱ δὲ ζῦν κόσμῳ τινὶ ἔναγχος οὐδαμόθεν σφίσι προσήκοντι Πέρσας ἐπιόντας ὑπέστησαν, τοῦδε εἵνεκα παραίνεσιν ποιεῖσθαι τίνα εἰς ὑμᾶς ἔγνωκα, ὅπως μὴ δόξη οὐκ ἀληθεῖ χρωμένοις ὑμῖν σφαλῆναι συμβαίῃ. [15] μὴ γὰρ οἴεσθε Ῥωμαίους ἀμείνους τὰ πολέμια ἐκ τοῦ αἰφνιδίου γενέσθαι μηδὲ ἀρετῆς τι ἢ ἐμπειρίας κεκτῆσθαι πλέον, ἀλλὰ καὶ δειλοὺς αὐτοὺς γεγονέναι μᾶλλον ἢ τὰ πρότερα ὄντες ἐτύγχανον: οἳ γε οὕτω Πέρσας δεδίασιν ὥστε οὐδὲ τάφρου χωρὶς ἐς τὴν φάλαγγα καθίστασθαι τετολμήκασιν. [16] οὐδὲ ζῦν ταύτῃ μάχῃ τινὸς ἤρξαν, ἀλλ' ἐπεὶ ἐς χεῖρας αὐτοῖς οὐδαμῶς ἤλθομεν, ἄσμενοί τε καὶ κρεῖσσον ἐλπίδος τὰ πράγματα σφίσι κεχωρηκέναι οἰόμενοι ἐπὶ τὸ τεῖχος ἐχώρησαν. [17] διὸ δὴ αὐτοῖς οὐδὲ ζυντεταράχθαι τετύχηκεν, οὐπω εἰς κίνδυνον πολέμου ἐλθοῦσιν. ἣν δέ γε ἡ μάχη ἐκ χειρὸς γένηται, ὀρρωδία τε αὐτοὺς καὶ ἀπειρία περιλαβοῦσαι ἐς ἀκοσμίαν τὴν συνήθη, ὥς τὸ εἰκός, καταστήσουσι. [18] τὰ μὲν οὖν τῶν πολεμίων τοιαῦτά ἐστιν: ὑμᾶς δέ, ὦ ἄνδρες Πέρσαι, τοῦ βασιλέων βασιλέως ἡ κρίσις εἰσίτω. [19] ἣν γὰρ μὴ ἐπαξίως τῆς Περσῶν ἀρετῆς ἐν τῷ παρόντι ἀνδραγαθίζοισθε, κόλασις ὑμᾶς οὐκ [20] εὐκλεῆς περιστήσεται.' οὕτω μὲν Μιρράνης παρακελευσάμενος ἐπὶ τοὺς πολεμίους τὸ στράτευμα ἤγε. Βελισάριος δὲ καὶ Ἑρμογένης πρὸ τοῦ περιβόλου πάντας Ῥωμαίους ἀγείραντες παρεκελεύσαντο ὧδε, [21] 'Ὡς μὲν οὐκ εἰσὶ παντάπασιν ἀνίκητοι Πέρσαι οὐδὲ κρείσσους ἢ θνήσκειν ἐπίστασθε δὴ που, μάχῃ τῇ προτέρᾳ σταθμώμενοι: ὥς δὲ τῇ τε ἀνδρίᾳ καὶ σώματος ἰσχυρί περιόντες αὐτῶν, μόνω

ἡττᾶσθε τῷ τοῖς ἄρχουσιν ἀπειθέστεροι εἶναι, [22] οὐδεῖς ἂν ἀντείποι. ὅπερ ἐπανορθοῦν πόνῳ οὐδενὶ ὑμῖν πάρεστι. τὰ μὲν γὰρ τῆς τύχης ἐναντιώματα σπουδῇ ἐπανορθοῦσθαι οὐδαμῶς πέφυκε, γνώμη δὲ τῶν οἰκείων κακῶν ῥαδίως ἂν ἀνθρώπῳ ἰατρὸς γένοιτο· [23] ὥστε ἦν τῶν παραγγελλομένων κατακούειν ἢ βουλομένοις ὑμῖν, αὐτίκα δὴ ἀναδήσεσθε τὸ τοῦ πολέμου κράτος. οἱ γὰρ οὐκ ἄλλῳ τῷ ἢ τῷ ἡμετέρῳ ἀκόσμῳ θαρσοῦντες ἐφ' ἡμᾶς ἤκουσι. [24] σφαλέντες δὲ καὶ νῦν τῆς τοιαύτης ἐλπίδος ὁμοίως τῇ προλαβούσῃ ξυμβολῇ ἀπαλλάξουσιν. καὶ τὸ πλῆθος τῶν πολεμίων, ὃ μάλιστα δεδίττονται, [25] ὑμᾶς ὑπερφρονεῖν ἄξιον. τὸ γὰρ πεζὸν ἅπαν οὐδὲν ἄλλο ἢ ὄμιλός ἐστιν ἀγροίκων οἰκτρῶν, οἱ ἐς τὴν παράταξιν ἐπ' ἄλλῳ οὐδενὶ ἔρχονται ἢ τεῖχός τε διορύττειν καὶ τοὺς τεθνεῶτας σκυλεύειν καὶ τᾶλλα τοῖς στρατιώταις ὑπηρετεῖν. [26] διὸ δὴ ὅπλα μὲν οἷς ἂν καὶ τοὺς ἐναντίους ἐνοχλοῖεν οὐδαμῇ ἔχουσι, τοὺς δὲ θυρεοὺς τοιοῦτους τὸ μέγεθος προβέβληνται μόνον ὅπως αὐτοὶ πρὸς τῶν πολεμίων ἥκιστα βάλλωνται. [27] οὐκοῦν ἄνδρες ἀγαθοὶ ἐν τῷδε τῷ κινδύνῳ γενόμενοι οὐκ ἐν τῷ παρόντι μόνον Πέρσας νικήσετε, ἀλλὰ καὶ τῆς ἀπονοίας κολάσετε, ὥς μήποτε αὐθις εἰς γῆν τὴν Ῥωμαίων στρατεύσονται.' [28] Ταύτην Βελισάριός τε καὶ Ἑρμογένης τὴν παραίνεσιν ποιησάμενοι, ἐπειδὴ Πέρσας ὁδῷ ἰόντας ἐπὶ σφᾶς εἶδον, τρόπῳ τῷ προτέρῳ κατὰ τάχος τοὺς στρατιώτας διέταξαν. [29] καὶ οἱ βάρβαροι παρ' αὐτοὺς ἤκοντες μετωπηδὸν ἔστησαν. οὐχ ἅπαντας μέντοι Πέρσας ὁ Μιρράνης ἀντίους τοῖς πολεμίοις, ἀλλὰ τοὺς ἡμίσεις ἔστησε, τοὺς δὲ ἄλλους ὀπισθεν μένειν εἵασεν. [30] οἱ δὴ τοὺς μαχομένους ἐκδεχόμενοι ἔμελλον ἀκμῆτες ἐπιθήσεσθαι τοῖς ἐναντίοις, ὅπως αἰεὶ ἐκ περιτροπῆς ἅπαντες μάχωνται. [31] μόνον δὲ τὸν τῶν ἀθανάτων λεγομένων λόχον ἡσυχῇ μένειν, ἕως αὐτὸς σημήνῃ, ἐκέλευεν. [32] αὐτός τε κατὰ μέσον τοῦ μετώπου ταξάμενος, Πιτυάζην μὲν τοῖς ἐν δεξιᾷ, Βαρεσμανᾶν δὲ τοῖς ἐς τὸ ἀριστερὸν κέρας ἐπέστησεν. οὕτω μὲν ἀμφοτέροι ἐτετάχατο. Φάρας δὲ Βελισαρίῳ τε καὶ Ἑρμογένει παραστὰς εἶπεν, [33] 'Οὐδέν μοι δοκῶ ἐνταῦθα ξὺν τοῖς Ἑρούλοις μένων τοὺς πολεμίους ἐργάσασθαι μέγα: ἦν δὲ κρυπτόμενοι ἐς τὸ κάταντες τοῦτο, εἶτα, ἐπειδὴ ἐν τῷ ἔργῳ γένωνται Πέρσαι, διὰ τοῦδε τοῦ λόφου ἀναβαίνοντες ἐκ τοῦ αἰφνιδίου κατὰ νότου αὐτῶν ἴωμεν ὀπισθεν βάλλοντες, τὰ ἀνῆκεστα αὐτοὺς, ὥς τὸ εἰκός, δράσομεν.' ὁ μὲν ταῦτα εἶπε, καὶ ἐπεὶ τοὺς ἀμφὶ Βελισάριον ἤρεσκε, κατὰ ταῦτα ἐποίησε. [34] Μάχης δὲ ἄχρι ἐς ἡμέραν μέσσην οὐδέτεροι ἦρχον. ἐπειδὴ δὲ τάχιστα ἢ μεσημβρία παρόφηκεν, ἔργου οἱ βάρβαροι εἶχοντο, τοῦδε εἵνεκα ἐς τοῦτον τῆς ἡμέρας τὸν καιρὸν τὴν ξυμβολὴν ἀποθέμενοι, ὅτι δὴ αὐτοὶ μὲν σιτίοις ἐς δείλην ὀψίαν χρῆσθαι μόνον εἰώθασιν, Ῥωμαῖοι δὲ πρὸ τῆς μεσημβρίας, ὥστε οὐποτε ῥοντο αὐτοὺς ὁμοίως ἀνθέξειν, ἦν πεινώσιν ἐπιθῶνται. [35] τὰ μὲν οὖν πρῶτα τοξεύμασιν ἐχρῶντο ἐς ἀλλήλους ἐκάτεροι, καὶ τινὰ τὰ βέλη τῷ πλήθει ἀχλὺν ἐπὶ πλεῖστον ἐποίησε, ἐκ τε ἀμφοτέρων πολλοὶ ἐπιπτον, πολλῷ δὲ συχνότερα τὰ τῶν βαρβάρων βέλη ἐφέρετο. [36] ἐν περιτροπῇ γὰρ αἰεὶ ἀκμῆτες ἐμάχοντο, αἰσθῆσιν τοῦ ποιουμένου τοῖς πολεμίοις ὥς ἥκιστα παρεχόμενοι, οὐ μέντοι οὐδὲ ὥς Ῥωμαῖοι τὸ ἔλασπον εἶχον. πνεῦμα γὰρ ἐνθὲνδε ἐπίφορον ἐπὶ τοὺς βαρβάρους ἐπιπεσὸν οὐ λίαν αὐτῶν τὰ τοξεύματα ἐνεργεῖν εἶα. [37] ἐπεὶ δὲ ἅπαντα ἐκατέρους τὰ βέλη ἤδη

ἐπιλελοίπει, τοῖς τε δόρασιν ἐς ἀλλήλους ἐχρῶντο καὶ ἡ μάχη ἔτι μᾶλλον ἐκ χειρὸς ἐγεγόνει. Ῥωμαίων δὲ κέρας τὸ ἀριστερὸν μάλιστα ἔκαμνε. [38] Καδισηνοὶ γάρ, οἱ ταύτῃ ξὺν τῷ Πιτυάξῃ ἐμάχοντο, πολλοὶ ἐπιβεβοηθηκότες ἐξαπιναιῶς ἐτρέψαντό τε τοὺς πολεμίους καὶ φεύγουσιν ἐγκείμενοι ἰσχυρότατα συχνοὺς ἔκτεινον. [39] ὁ δὲ κατιδόντες οἱ ξὺν τῷ Σουνίκα τε καὶ Αἰγάν, δρόμῳ πολλῶ ἐπ' αὐτοὺς ἦσαν. πρῶτοι δὲ οἱ τριακόσιοι ξὺν τῷ Φάρα Ἑρουλοὶ ἐξ ὑψηλοῦ κατὰ νώτου τῶν πολεμίων γενόμενοι, ἔργα θαυμαστὰ ἐς τε τοὺς ἄλλους καὶ τοὺς Καδισηνοὺς ἐπεδείκνυντο. [40] οἱ δὲ ἐπεὶ καὶ τοὺς ἀμφὶ τὸν Σουνίκαν πλαγίους ἤδη ἀνιόντας ἐπ' αὐτοὺς εἶδον, ἐς φυγὴν ὥρμηντο. [41] τῆς δὲ τροπῆς λαμπρᾶς γενομένης, ἐπειδὴ ἀλλήλοις ξυνέμιζαν οἱ ταύτῃ Ῥωμαῖοι, γέγονε φόνος τῶν βαρβάρων πολὺς. [42] καὶ αὐτῶν κατὰ κέρας τὸ δεξιὸν οὐχ ἥσσους ἢ τρισχίλιοι ἐν τούτῳ τῷ πόνῳ ἀπέθανον, οἱ δὲ λοιποὶ ἐς τὴν φάλαγγα μόλις καταφυγόντες ἐσώθησαν. [43] Ῥωμαῖοί τε οὐκέτι ἐδίωκον, ἀλλ' ἐν τῇ παρατάξει ἐκάτεροι ἔστησαν ἀντίοι ἀλλήλοις. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [44] Μιρράνης δὲ ἄλλους τε πολλοὺς καὶ τοὺς ἀθανάτους λεγομένους ἅπαντας ἐς μέρος τὸ ἀριστερὸν λάθρα ἐπεμψεν. οὗς δὲ κατιδόντες Βελισάριός τε καὶ Ἑρμογένης, τοὺς ἀμφὶ Σουνίκαν τε καὶ Αἰγάν ἐξακοσίους ἐς γωνίαν τὴν ἐν δεξιᾷ ἐκέλευον ἰέναι, οὗ δὲ οἱ ξὺν τῷ Σίμμα τε καὶ Ἀσκὰν ἴσταντο, καὶ αὐτῶν ὀπισθεν τῶν Βελισαρίῳ ἐπομένων πολλοὺς ἔστησαν. [45] Πέρσαι μὲν οὖν οἱ κέρας τὸ ἀριστερὸν εἶχον Βαρεσμανᾶ ἡγουμένου σφίσι ξὺν τοῖς ἀθανάτοις ἐς τοὺς κατ' αὐτοὺς Ῥωμαίους δρόμῳ ἐσέβαλλον. οἱ δὲ οὐχ ὑποστάντες τὴν ἔφοδον ἐς φυγὴν ὥρμηντο. [46] τότε δὲ οἱ τε ἐν τῇ γωνίᾳ Ῥωμαῖοι καὶ ὅσοι αὐτῶν ὀπισθεν ἦσαν, σπουδῇ πολλῇ ἐπὶ τοὺς διώκοντας ἦσαν. [47] ἅτε δὲ τοῖς βαρβάροις ἐγκάρσιοι ἰόντες, διεῖλον αὐτῶν δίχα τὸ στράτευμα, καὶ τοὺς μὲν πλείστους ἐν δεξιᾷ εἶχον, τινὰς δὲ καὶ ἐγκαταλειφθέντας ἐν ἀριστερᾷ ἐποίησαντο. ἐν τοῖς καὶ τὸν τοῦ Βαρεσμανᾶ τὸ σημεῖον φέροντα ξυνέπεσεν εἶναι, ὃν δὲ ὁ Σουνίκας τῷ δόρατι ἐπελθὼν παίει. [48] ἤδη τε Πέρσαι οἱ ἐν τοῖς πρώτοις διώκοντες, αἰσθόμενοι οὗ ἦσαν κακοῦ, στρέψαντές τε τὰ νῶτα καὶ τὴν δίωξιν καταπαύσαντες ἐπ' αὐτοὺς ἦσαν, καὶ ἀπ' αὐτοῦ ἀμφίβολοι πρὸς τῶν πολεμίων ἐγίνοντο. [49] ξυνέντες γὰρ τῶν ποιουμένων οἱ φεύγοντες ἀνέστρεφον αὐθις. οἱ τε γοῦν ἄλλοι Πέρσαι καὶ ὁ τῶν ἀθανάτων λόχος, κεκλιμένον τε τὸ σημεῖον ἰδόντες καὶ ἐς τὸ ἔδαφος καθειμένον, ἐπὶ τοὺς ἐκεῖνῃ Ῥωμαίους ξὺν τῷ Βαρεσμανᾶ ὥρμησαν. [50] Ῥωμαῖοι δὲ ὑπηντίαζον. καὶ πρῶτος Σουνίκας τὸν Βαρεσμανᾶν ἔκτεινέ τε καὶ ἐκ τοῦ ἵππου ἐς τὸ ἔδαφος ἔρριψε. καὶ ἀπ' αὐτοῦ ἐς δέος μέγα οἱ βάρβαροι ἐμπεπτωκότες ἀλκῆς μὲν οὐκέτι ἐμέμνηντο, ἀκοσμία δὲ πολλῇ ἐχόμενοι ἔφευγον. [51] καὶ αὐτῶν Ῥωμαῖοι κύκλωσιν τινα ποιησάμενοι πεντακισχιλίους μάλιστα ἔκτειναν. οὕτω τε τὰ στρατόπεδα παντάπασιν ἐκινήθη ἐκάτερα, Περσῶν μὲν ἐς ὑπαγωγὴν, Ῥωμαίων δὲ ἐς τὴν δίωξιν. [52] ἐν τούτῳ τῷ πόνῳ ὅσοι δὲ πεζοὶ ἐν τῷ Περσῶν στρατεύματι ἦσαν, ῥίπαντές τε τοὺς θυρεοὺς καὶ καταλαμβάνόμενοι κόσμῳ οὐδενὶ πρὸς τῶν πολεμίων ἐκτείνοντο. Ῥωμαίων μέντοι ἡ δίωξις δι' ὀλίγου ἐγένετο. [53] Βελισάριος γὰρ καὶ Ἑρμογένης περαιτέρω ἰέναι οὐδαμῇ εἶων, δέισαντες μὴ τινὶ ἀνάγκῃ Πέρσαι ὑποστραφέντες τρέψωνται αὐτοὺς οὐδενὶ λόγῳ διώκοντας, ἱκανόν τε αὐτοῖς

κατεφαινετο την νικην ακραιφνῇ διασώσασθαι. [54] μακροῦ γὰρ χρόνου Ῥωμαίων τῇ μάχῃ ἐκείνῃ τῇ ἡμέρᾳ ἡσσήθησαν Πέρσαι. οὕτω μὲν ἀπ' ἀλλήλων ἐκάτεροι διεκρίθησαν. [55] Πέρσαι δὲ οὐκέτι μάχην ἐκ τοῦ εὐθέος ἐς Ῥωμαίους διενεγκεῖν ἤθελον. ἐγένοντο μέντοι ἀμφοτέροις τινὲς ἐξ ἐπιδρομῆς ἔφοδοι, ἐν αῖς οὐκ ἔλασσαν Ῥωμαῖοι ἔσχον. τὰ μὲν οὖν στρατόπεδα ἐν Μεσοποταμίᾳ τῇδε ἐφέρετο.

Καβάδης δὲ ἄλλο στράτευμα ἐς Ἀρμενίαν τὴν Ῥωμαίων κατήκοον ἔπεμψε. τὸ δὲ στράτευμα τοῦτο Περσαρμενίων τε καὶ Σουνιτῶν ἦσαν, οἱ δὲ Ἀλανοὶς εἰσιν ὄμοροι. Οὐννοὶ τε αὐτοῖς οἱ Σάβειροι καλούμενοι τρισχίλιοι ξυνῆσαν, μαχιμώτατον ἔθνος. [2] στρατηγὸς δὲ Μερμερόης, Πέρσης ἀνὴρ, ἅπασιν ἐφειστήκει. οἵπερ ἐπειδὴ Θεοδοσιουπόλεως τριῶν ἡμερῶν ὁδῷ διεῖχον, ἐνστρατοπεδευσάμενοί τε ἔμενον ἐν Περσαρμενίων τῇ χώρᾳ καὶ τὰ ἐς τὴν ἐσβολὴν ἐξηρτύοντο. [3] ἐτύγχανε δὲ Ἀρμενίας μὲν στρατηγὸς Δωρόθεος ὢν, ἀνὴρ ξυνετός τε καὶ πολέμων πολλῶν ἔμπειρος. Σίττας δὲ ἀρχὴν μὲν τὴν στρατηγίδα ἐν Βυζαντίῳ εἶχε, παντὶ δὲ τῷ ἐν Ἀρμενίοις στρατῷ ἐφειστήκει. [4] οἱ δὲ στράτευμα πολεμίων γνόντες ἐν Περσαρμενίοις ἀγείρεσθαι, δορυφόρους δύο εὐθὺς ἔπεμψαν ἐφ' ᾧ διασκοπήσαντες ἅπασαν σφίσι τῶν πολεμίων τὴν δύναμιν ἐσαγγεῖλωσιν. [5] ἄμφω τε ἐν τῷ στρατοπέδῳ τῶν βαρβάρων γενόμενοι καὶ ἅπαντα ἐς τὸ ἀκριβὲς κατανοήσαντες ἀπηλλάσσοντο. [6] ὁδῷ τε ἰόντες ἐξ τι τῶν ἐκείνῃ χωρίων Οὐννοις πολεμίοις ἀπροσδόκητοι ἐντυγχάνουσιν. ὑφ' ὧν ἄτερος μὲν, Δάγαρις ὄνομα, δεθείς ἐξωγρήθη, ὁ δὲ δὴ ἄλλος φυγεῖν τε ἴσχυσε καὶ τοῖς στρατηγοῖς τὸν πάντα λόγον ἀπήγγειλεν. [7] οἱ δὲ ἅπαν τὸ στράτευμα ἐξοπλίσαντες, τῶν πολεμίων τῷ στρατοπέδῳ ἐκ τοῦ αἰφνιδίου ἐπέστησαν. [8] οἱ τε βάρβαροι τῷ ἀπροσδοκῆτῳ καταπλαγέντες οὐκέτι ἐς ἀλκὴν ἐβλεπον, ἀλλ' ἔφευγον ὡς ἕκαστός πῃ ἐδύνατο. ἐνταῦθα Ῥωμαῖοι κτείναντές τε συχνοὺς καὶ τὸ στρατόπεδον ληισάμενοι αὐτίκα δὴ ὀπίσω ἀπῆλθον. [9] Μερμερόης τε ξύμπασαν ἀγείρας τὴν στρατιὰν οὐ πολλῷ ὕστερον ἐς γῆν τὴν Ῥωμαίων ἐσέβαλλε, καὶ καταλαμβάνουσι τοὺς πολεμίους ἀμφὶ Σάταλαν πόλιν. οὗ δὲ ἐνστρατοπεδευσάμενοι ἐν χωρίῳ Ὀκτάβῃ ἡσύχαζον, ὅπερ τῆς πόλεως ἐξ τε καὶ πεντήκοντα σταδίου ἀπέχει. [10] Σίττας μὲν οὖν χιλίους ἐπαγαγόμενος ὀπισθεν τῶν τινος λόφων ἐκρύπτετο, οἳτοι πολλοὶ Σάταλαν τὴν πόλιν ἐν πεδίῳ κειμένην κυκλοῦσι. [11] Δωρόθεον δὲ ξὺν τῷ ἄλλῳ στρατῷ ἐντὸς τοῦ περιβόλου ἐκέλευε μένειν, ἐπεὶ ἐν τῷ ὁμαλῷ τοὺς πολεμίους ὑφίστασθαι οἷοί τε εἶναι οὐδαμῇ ὥντο, οὐχ ἦσσαν ἢ τρισμυρίους ὄντας, αὐτοὶ μόλις ἐς τὸ ἥμισυ ἐξικνούμενοι. [12] τῇ δὲ ἐπιούσῃ ἡμέρᾳ οἱ βάρβαροι ἄγχιστα τοῦ περιβόλου γενόμενοι, κύκλωσιν αὐτοῦ ποιεῖσθαι τινα ἐν σπουδῇ εἶχον. ἄφνω δὲ κατιδόντες τοὺς ἀμφὶ Σίτταν ἐξ ὑψηλοῦ ἤδη ἐπ' αὐτοὺς καταβαίνοντας, καὶ αὐτῶν ξυμμετρεῖσθαι τὸ πλῆθος ἤκιστα ἔχοντες, ἅτε κονιορτοῦ ὥρα θέρους πολλοῦ ἐγκειμένου, πολλῷ τε πλείους ὥντο εἶναι καὶ τῆς κυκλώσεως κατὰ τάχος ἀφέμενοι ἐς ὀλίγον τινα ᾠων αὐτοὺς ξυναγαγεῖν ἠπείγοντο. [13] φθάσαντες δὲ Ῥωμαῖοι καὶ διελόντες σφᾶς αὐτοὺς ἐς ξυμμορίας δύο ἀναχωροῦσιν ἐκ τοῦ περιβόλου ἐπέθεντο, ὅπερ ἐπειδὴ ἅπας εἶδεν ὁ Ῥωμαίων στρατός, ἐθάρσησάν τε καὶ δρόμῳ πολλῷ ἐκ τοῦ περιβόλου ξυρρέοντες ἐπὶ

τοὺς ἐναντίους ἐχώρησαν. [14] μέσους δὲ αὐτοὺς καταστησάμενοι εἰς φυγὴν ἔτρεψαν. πλήθει μέντοι, ὥσπερ ἐρρήθη, τῶν πολεμίων οἱ βάρβαροι ὑπεραίροντες ἔτι ἀντεῖχον, ἥ τε μάχη καρτερὰ ἐγεγόνει καὶ ἐκ χειρὸς ἦν. [15] ἀγχιστρόφους δὲ τὰς διώξεις ἐποιοῦντο ἐς ἀλλήλους ἐκάτεροι, ἐπεὶ ἰππεῖς ἅπαντες ἦσαν. ἐνταῦθα Φλωρέντιος Θραῦξ, καταλόγου ἱππικοῦ ἄρχων, εἰς μέσους ὁρμήσας τοὺς πολεμίους καὶ αὐτῶν τὸ στρατηγικὸν σημεῖον ἀρπάσας, ἐπικλίνας τε αὐτὸ ὡς μάλιστα, ὀπίσω ἀπήλυνε. [16] καὶ αὐτὸς μὲν καταληφθεὶς τε καὶ κρουρηθεὶς αὐτοῦ ἔπεσε, τῆς δὲ νίκης Ῥωμαίοις αἰτιώτατος γέγονεν. ἐπεὶ γὰρ τὸ σημεῖον οἱ βάρβαροι οὐκέτι ἐώρων, ἐς ἄκοσμίαν τε πολλὴν καὶ ὀρρωδίαν ἐμπεπτωκότες ὑπεχώρησάν τε καὶ γενόμενοι ἐν τῷ στρατοπέδῳ ἡσύχαζον, [17] πολλοὺς ἐν τῇ μάχῃ ἀποβαλόντες. τῇ τε ὑστεραίᾳ ἐπὶ οἴκου ἅπαντες ἀνεχώρησαν οὐδενὸς σφίσις ἐπισπομένου, ἐπεὶ μέγα τε καὶ λόγου πολλοῦ ἄξιον ἐφαίνετο εἶναι τῷ Ῥωμαίων στρατῷ βαρβάρους τοσοούτους τὸ πλῆθος ἐν τε τῇ σφετέρᾳ χώρᾳ ἐκεῖνα πεπονθέναι ἅπερ μοι ὀλίγῳ ἔμπροσθεν εἴρηται, καὶ ἐς τὴν πολεμίαν ἐμβεβληκότας ἀπράκτους τε καὶ οὕτω πρὸς τῶν ἐλασσόνων ἡσημένους ἀπαλλαγῆναι. [18] Τότε καὶ Περσῶν χωρία ἐν Περσαρμενίοις Ῥωμαῖοι ἔσχον, φρούριόν τε τὸ Βῶλον καὶ τὸ Φαράγγιον καλούμενον, ὅθεν δὴ τὸν χρυσὸν Πέρσαι ὀρύσσοντες βασιλεῖ φέρουσιν. [19] ἐτύγχανον δὲ καὶ ὀλίγῳ πρότερον καταστρεψάμενοι τὸ Τζανικὸν ἔθνος, οἱ ἐν γῇ τῇ Ῥωμαίων αὐτόνομοι ἐκ παλαιοῦ ἴδρυντο: ἅπερ αὐτίκα ὄντινα ἐπράχθη τρόπον λελέξεται. [20] Ἐκ τῶν Ἀρμενίας χωρίων ἐς Περσαρμενίαν ἰόντι ἐν δεξιᾷ μὲν ὁ Ταῦρός ἐστιν, ἔς τε Ἰβηρίαν καὶ τὰ ἐκείνῃ ἔθνη διήκων, ὥσπερ μοι ὀλίγῳ ἔμπροσθεν εἴρηται, ἐν ἀριστερᾷ δὲ κατάντης μὲν ἐπὶ πλεῖστον ἀεὶ προῖοῦσα ἡ ὁδὸς γίνεται, καὶ ὄρη ἀποκρέμαται λίαν ἀπότομα νεφέλαις τε καὶ χιόσι κεκαλυμμένα τὸν πάντα αἰῶνα, [21] ἔνθεν ἐξῶν ποταμὸς Φάσις φέρεται ἐς γῆν τὴν Κολχίδα. ταύτῃ τὸ ἐξ ἀρχῆς βάρβαροι, τὸ Τζανικὸν ἔθνος, οὐδενὸς κατήκοοι ὤκνητο, Σάνοι ἐν τοῖς ἄνω χρόνοις καλούμενοι, ληστείαις μὲν χρώμενοι ἐς τοὺς περιοίκους Ῥωμαίους, δίαιταν δὲ σκληρὰν ὑπερφυῶς ἔχοντες καὶ τοῖς φωρίοις ἀεὶ ἀποζῶντες: οὐ γάρ τι ἐς βρῶσιν αὐτοῖς ἀγαθὸν ἢ γῇ ἔφερε. [22] διὸ δὴ αὐτοῖς χρυσίον τακτὸν ἀνὰ πᾶν ἔτος ὁ Ῥωμαίων βασιλεὺς ἔπεμπε, ἐφ' ᾧ δὴ μήποτε λήϊσονται τὰ ἐκείνῃ χωρία. [23] οἱ δὲ καὶ ὄρκους τοὺς σφίσι πατρίους ὑπὲρ τούτων ὁμνύντες καὶ τὰ ὁμομοσμένα ἐν ἀλογίᾳ ποιοῦμενοι ἀπροσδόκητοί τε ἐμπίπτοντες ἐκ τοῦ ἐπὶ πλεῖστον ἐκακούργουν οὐκ Ἀρμενίους μόνον, ἀλλὰ καὶ τοὺς αὐτῶν ἐχομένους Ῥωμαίους μέχρι ἐς θάλασσαν, δι' ὀλίγου τε τὴν ἑφοδὸν πεποιημένοι εὐθὺς ἐπ' οἴκου ἀπεκομίζοντο. [24] καὶ Ῥωμαίων ἴσως ἐντυχόντες στρατῷ ἡσῶντο μὲν τῇ μάχῃ, ἀλώσιμοι δὲ παντάπασιν οὐκ ἐγίνοντο χωρίων ἰσχύϊ. μάχῃ τοίνυν ὁ Σίττας αὐτοὺς πρὸ τοῦδε τοῦ πολέμου νικήσας, ἐπαγωγὰ τε πολλὰ ἐς αὐτοὺς εἰπὼν τε καὶ πράξας, [25] προσποιήσασθαι παντελῶς ἴσχυσε. τὴν τε γὰρ δίαιταν ἐπὶ τὸ ἡμερώτερον μεταβαλόντες ἐς καταλόγους αὐτοὺς Ῥωμαϊκοὺς ἐσεγράψαντο, καὶ τὸ λοιπὸν ζῆν τῷ ἄλλῳ Ῥωμαίων στρατῷ ἐπὶ τοὺς πολεμίους ἐξίσαι. τὴν τε δόξαν ἐπὶ τὸ εὐσεβέστερον μετέθεντο, ἅπαντες Χριστιανοὶ γεγεννημένοι. τὰ μὲν οὖν ἀμφὶ τοῖς Τζάνοις ταύτῃ πη ἔσχεν. [26] Ὑπερβάντι δὲ τὰ αὐτῶν ὅρια φάραγξ ἐστὶ

βαθείᾳ τε καὶ λίαν κρημνώδης, μέχρι ἐς τὰ Καυκάσια ὄρη διήκουσα. ἐνταῦθα χωρία τε πολυανθρωπότατά ἐστι καὶ ἄμπελός τε καὶ ἡ ἄλλη ὁπόρα διαρκῶς φύεται. [27] καὶ μέχρι μὲν ἐς τριῶν ἡμερῶν ὁδὸν μάλιστα Ῥωμαίοις ἢ φάραγξ αὕτη ὑποτελῆς τυγχάνει οὔσα, τὸ δὲ ἐνθένδε οἱ Περσαρμενίων ὄροι ἐκδέχονται, οὗ δὴ καὶ τὸ τοῦ χρυσοῦ μέταλλόν ἐστιν ὅπερ Καβάδου δόντος ἐπετρόπευε τῶν τις ἐπιχωρίων Συμεώνης ὄνομα. [28] οὗτος ὁ Συμεώνης, ἐπειδὴ ἀμφοτέρους ἐς τὸν πόλεμον ἀκμάζοντας εἶδε, Καβάδην τῆς τῶν χρημάτων προσόδου ἀποστερεῖν ἔγνω. [29] διὸ δὴ αὐτόν τε καὶ τὸ Φαράγγιον Ῥωμαίοις ἐνδοὺς οὐδετέρους τὸν ἐκ τοῦ μετάλλου χρυσὸν ἀποφέρειν ἤξιον. [30] Ῥωμαῖοι μὲν γὰρ οὐδὲν ἔπραττον, ἀποχρῆν σφίσιν ἡγούμενοι ἀπολωλέναι τοῖς πολεμίοις τὴν ἐνθένδε φοράν, Πέρσαι δὲ οὐχ οἷοι τε ἦσαν ἀκόντων Ῥωμαίων τοὺς ταύτῃ ὥκημένους ἀντιστατούσης τῆς δυσχωρίας βιάζεσθαι. [31] Ὑπὸ δὲ τοὺς αὐτοὺς χρόνους Ναρσῆς τε καὶ Ἀράτιος, οἱ Βελισαρίῳ καὶ Σίττα ἐν Περσαρμενίων τῇ χώρᾳ κατ' ἀρχὰς τοῦδε τοῦ πολέμου ἐς χεῖρας ἦλθον, ὥσπερ ἔμπροσθέν μοι δεδήλωται, ξὺν τῇ μητρὶ αὐτόμολοι ἐς Ῥωμαίους ἦκον, καὶ αὐτοὺς Ναρσῆς ὁ βασιλέως ταμίας ἐδέξατο Ῥερσαρμένιος γὰρ καὶ αὐτὸς γένος ἐτύγχανε χρήμασί τε αὐτοὺς δωρεῖται μεγάλοις. [32] ὅπερ ἐπειδὴ Ἰσαάκης, ὁ νεώτατος αὐτῶν ἀδελφός, ἔμαθε, Ῥωμαίοις λάθρα ἐς λόγους ἐλθὼν Βῶλον αὐτοῖς τὸ φρούριον, ἄγχιστά πη ὄν τῶν Θεοδοσιουπόλεως ὁρίων, παρέδωκε. [33] στρατιώτας γὰρ ἐγγύς πη ἐπέστελλε κρύπτεσθαι, οὓς δὴ τῷ φρουρίῳ νύκτωρ ἐδέξατο, μίαν αὐτοῖς λάθρα ἀνακλίνας πυλίδα: οὕτω τε καὶ αὐτὸς ἐς Βυζάντιον ἦλθεν.

Οὕτω μὲν Ῥωμαίοις τὰ πράγματα εἶχε. Πέρσαι δὲ πρὸς Βελισαρίου ἐν Δάρας ἡσσημένοι τῇ μάχῃ οὐδ' ὥς ἐνθένδε ἀναχωρεῖν ἔγνωσαν, ἕως Ῥουφίνος, ἐπεὶ ἐς ὅσιν τὴν Καβάδου ἦλθεν, ἔλεξεν ὧδε, “Ἐπεμψέ με, ὦ βασιλεῦ, ὁ σὸς ἀδελφὸς μέμψιν δικαίαν μεμφόμενος, ὅτι δὴ Πέρσαι ἀπ' οὐδεμιᾶς αἰτίας ἐς γῆν τὴν αὐτοῦ ἐν ὅπλοις ἦλθον. [2] καίτοι βασιλεῖ μεγάλῳ τε καὶ ἐς τόσον ξυνέσεως ἦκοντι ἐκ πολέμου εἰρήνην πρυτανεῦσαι μᾶλλον ἢ πρέποι ἢ τῶν πραγμάτων εὖ καθεστώτων ταραχὴν οὐ δέον αὐτῷ τε καὶ τοῖς πέλας προστρίβεσθαι. [3] οἷς δὴ καὶ αὐτὸς εὐελπὶς ὢν ἐνθάδε ἀφῆμαι, ὅπως τὸ λοιπὸν ἀμφοτέροις τὰ ἐκ τῆς εἰρήνης ἀγαθὰ εἴη.” Ῥουφίνος μὲν τοσαῦτα εἶπε. [4] Καβάδης δὲ ἀμείβεται ὧδε, “Ὡ παῖ Σιλβανοῦ, μηδαμῶς ἀντιστρέφειν τὰς αἰτίας πειρῶ, πάντων ἐξεπιστάμενος μάλιστα ταραχῆς ἀπάσης αἰτιωτάτους γεγενέσθαι τοὺς Ῥωμαίους ὑμᾶς. πύλας γὰρ τὰς Κασπίας ἡμεῖς ἐσχομεν ἐπὶ τῷ Περσῶν τε καὶ Ῥωμαίων ἀγαθῷ, βιασάμενοι τοὺς ἐκείνῃ βαρβάρους, ἐπεὶ Ἀναστάσιος ὁ Ῥωμαίων αὐτοκράτωρ, ὥς που καὶ αὐτὸς οἶσθα, παρὸν αὐτὰς χρήμασιν ὠνεῖσθαι, οὐκ ἠθέλεν, ὅπως μὴ στράτευμα εἰς πάντα τὸν αἰῶνα ἐνταῦθα ἔχων χρήματα μεγάλα ὑπὲρ ἀμφοτέρων προῖεσθαι ἀναγκάζεται. [5] ἐξ ἐκείνου τε ἡμεῖς στρατιὰν τοσαύτην τὸ πλῆθος ἐνταῦθα καταστησάμενοι καὶ ἐς τὸν παρόντα χρόνον ἐκτρέφοντες δεδώκαμεν ὑμῖν τό γε κατὰ τοὺς ἐκείνῃ βαρβάρους μέρος ἀδῆτον τὴν χώραν οἰκεῖν, ξὺν. πολλῇ ἀπραγμοσύνῃ τὰ ὑμέτερα αὐτῶν ἔχουσιν. [6] ὥσπερ δὲ οὐχ ἱκανὸν ὑμῖν τοῦτο γε, καὶ πόλιν μεγάλῃν Δάρας ἐπιτείχισμα Πέρσαις πεποίησθε, καίπερ διαρρήδην ἐν ταῖς σπονδαῖς ἀπειρημένον ἄσπερ Ἀνατόλιος πρὸς Πέρσας ἔθετο: καὶ ἀπ' αὐτοῦ

δυοῖν στρατοπέδοιν ἀνάγκη πόνοις τε καὶ δαπάνῃ κεκακῶσθαι τὰ Περσῶν πράγματα, τὸ μὲν, ὅπως μὴ Μασσαγέται τὴν ἀμφοτέρων γῆν ἄγειν τε καὶ φέρειν ἀδεῶς δύνωνται, τὸ δέ, ὅπως ἂν τὰς ὑμετέρας ἐπιδρομὰς ἀναστέλλοιμεν. [7] ὑπὲρ ὧν ἔναγχος μεμφομένων ἡμῶν, δυοῖν τε τὸ ἕτερον ἀξιούντων παρ' ὑμῶν γίνεσθαι, ἢ ἐξ ἀμφοτέρων τὸν ἐς πύλας τὰς Κασπίας στρατὸν στέλλεσθαι, ἢ πόλιν Δάρας καταλύεσθαι, τῶν μὲν λεγομένων τὴν μάθησιν οὐ προσίεσθε, κακῶ δὲ μείζονι κρατύνασθαι τὴν ἐς Πέρσας ἐπιβουλὴν ἔγνωτε, εἴ τι μεμνήμεθα τῆς ἐν Μίνδουος οἰκοδομίας· καὶ νῦν δὲ Ῥωμαίοις ἐλετὰ μὲν τὰ τῆς εἰρήνης, αἰρετὰ δὲ τὰ ὅπλα, ἢ τὰ δίκαια πρὸς ἡμᾶς τιθεμένοις, ἢ ἀπ' ἐναντίας αὐτῶν ἰοῦσιν. [8] οὐ γὰρ τὰ ὅπλα καταθήσουσι πρότερον Πέρσαι, πρὶν δὴ αὐτοῖς Ῥωμαῖοι ἢ τὰς πύλας δικαίως τε καὶ ὀρθῶς ξυμφυλάξουσιν, ἢ πόλιν Δάρας καταλύσουσι.' [9] τοσαῦτα Καβάδης εἰπὼν τὸν πρεσβευτὴν ἀπεπέμψατο, παραδηλώσας ὥς οἱ βουλομένῳ εἶη χρήματά τε πρὸς Ῥωμαίων λαβεῖν καὶ τὰς τοῦ πολέμου καταλύειν αἰτίας. [10] ἅπερ Ῥουφῖνος ἐς Βυζάντιον ἦκων βασιλεῖ ἡγγεῖλεν. οὗ δὴ οὐ πολλῶ ὕστερον καὶ Ἑρμογένης ἀφίκετο, καὶ ὁ χειμῶν ἔληγε, καὶ τέταρτον ἔτος ἐτελεύτα Ἰουστινιανῶ βασιλεῖ τὴν αὐτοκράτορα ἀρχὴν ἔχοντι.

Ἄμα δὲ ἦρι ἀρχομένῳ στρατεύμα Περσῶν Ἀζαρέθου ἡγουμένου ἐσέβαλεν ἐς Ῥωμαίων τὴν γῆν. ἦσαν δὲ πεντακισχίλιοι τε καὶ μύριοι, ἱππεῖς ἅπαντες. καὶ αὐτοῖς Ἀλαμούνδαρος ὁ Σακκίκης ξυνην, πάμπολύν τινα ὁμιλον Σαρακηνῶν ἔχων. [2] αὕτη τε Πέρσαις ἢ ἐσβολὴ οὐ καθάπερ εἰώθει ἐγένετο· οὐ γὰρ ἐς τὴν Μεσοποταμίαν ἐσέβαλλον ὥσπερ τὰ πρότερα, ἀλλ' ἐς τὴν πάλαι μὲν Κομμαγηνήν, τανῦν δὲ καλουμένην Εὐφρατησίαν, ὅθεν δὴ οὐ πώποτε Πέρσαι πρότερον, ὅσα γε ἡμᾶς εἰδέναι, ἐπὶ Ῥωμαίους ἐστράτευσαν. [3] ὅτου δὲ ἔνεκα Μεσοποταμία τε ἡ χώρα ἐκλήθη καὶ οἱ Πέρσαι τῆς ἐς ταύτην ἐφόδου ἀπέσχοντο ἐρῶν ἔρχομαι. [4] Ὅρος οὐ λίαν ἀπότομον ἐν Ἀρμενίοις ἐστί, Θεοδοσιουπόλεως μὲν δύο καὶ τεσσαράκοντα σταδίοις διέχον, τετραμμένον δὲ αὐτῆς πρὸς βορρᾶν ἄνεμον. καὶ πηγαὶ δύο ἐνθὲνδε ἐξίσαισι, ποταμοὺς δύο ποιοῦσαι αὐτίκα, Εὐφράτην μὲν ἢ ἐν δεξιᾷ, ἢ δὲ δὴ ἑτέρα Τίγρην ὄνομα. [5] τούτοις ἄτερος μὲν, ὁ Τίγρης, οὔτε περιόδοις τισὶ χρώμενος οὔτε ὑδάτων ὅτι μὴ ὀλίγων οἱ ἐπιγινόμενων, [6] εὐθὺς Ἀμίδης πόλεως κάτεισι. καὶ αὐτῆς ἐς τὰ πρὸς βορρᾶν ἄνεμον προϊὼν χωρεῖ ἐς τῶν Ἀσσυρίων τὴν χώραν. ὁ δὲ δὴ Εὐφράτης φέρεται μὲν κατ' ἀρχὰς ἐπὶ τινὰ χῶρον ὀλίγον, εὐθὺς δὲ προϊὼν ἀφανίζεται, οὐχ ὑπόγειος μέντοι γινόμενος, ἀλλὰ τί οἱ ξυμβαίνειν θαυμάσιον οἶον· ὑπὲρ γὰρ τοῦ ὕδατος τέλμα ἐπὶ πλείστον βαθὺ γίνεται, [7] μῆκος μὲν ὅσον ἐπὶ σταδίους πεντήκοντα, εὐρὸς δὲ εἴκοσι· καὶ καλάμων φύεται πολὺ τι χρῆμα ἐν τῷ πηλῶ τούτῳ. [8] ἐς τόσον δὲ σκληρὸς τις ὁ χοῦς ἐνταῦθα ἐστὶν ὥστε τοῖς ἐντυγχάνουσιν οὐδὲν ἄλλο δοκεῖν ἢ ἡπειρον εἶναι. ἐπ' αὐτῷ τοίνυν ξυμβαίνει οὐδὲν δεδιότας πεζοὺς τε καὶ ἱππέας πορεύεσθαι. [9] καὶ μὴν καὶ ἄμαξαι παρίασιν ἐνθὲνδε πολλαὶ ἡμέρας ἐκάστη, ἀλλ' οὐδὲν τὸ παράπαν ἰσχύουσι κινεῖν τι ἢ ἐξελέγχειν τοῦ τέλματος. [16] τούτων τε Ὀρέστη ἐξειργασμένων οὐδὲν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον, τὴν νόσον ἀκμάζειν. αἰσθόμενον δὲ τὸν ἄνθρωπον ὡς οὐκ ἐπιτηδεῖως ταῦτα τῷ μαντεῖῳ ποιοίῃ, ἅπαντα αὐθις περιόντα διασκοπεῖσθαι καὶ χῶρόν τινα ἐν Καππαδόκαις εὑρεῖν τῷ ἐν Ταύροις τὰ μάλιστα ἐμπεφύκει. [17] ὄνπερ καὶ ἐγὼ πολλάκις ἰδὼν ἠγάσθην τε ὑπερφυῶς καὶ μοι ἐδόκουν ἐν Ταύροις εἶναι. τό τε γὰρ ὄρος τοῦτο ἐκείνῳ ἀτεχνῶς ἔοικεν, ἐπεὶ κἀνταῦθα ὁ Ταῦρός ἐστι, καὶ ὁ ποταμὸς Σάρος τῷ ταύτῃ Εὐφράτῃ εἰκάζεται. [18] πόλιν τε οὖν ἀξιοθέατον ὠκοδομήσατο ἐνταῦθα Ὀρέστης καὶ νεῶς δύο, τὸν ἕτερον μὲν τῇ Ἀρτέμιδι, τὸν δὲ ἄλλον τῇ ἀδελφῇ Ἰφιγενείᾳ, οὗς δὴ Χριστιανοὶ ἱερὰ σφίσι πεποιήνται, τῆς οἰκοδομίας οὐδὲν τὸ παράπαν μεταβαλόντες. [19] αὕτη καλεῖται καὶ νῦν ἡ χρυσὴ Κόμανα, τῆς Ὀρέστου κόμης ἐπώνυμος οὖσα, ἣν δὴ ἐκείνον ἐνταῦθα φασιν ἀποκειράμενον διαφυγεῖν τὸ ἄρρώστημα. [21] Ἐκ τε γὰρ τῶν ἐν Ταύροις Ἀρμενίων καὶ χώρας τῆς Κελεσηνῆς ποταμὸς Εὐφράτης ἐν δεξιᾷ ῥέων γῆν τε πολλὴν περιβάλλεται, καὶ ποταμῶν οἱ ἄλλων τε ἀναμιγνυμένων καὶ αὐτοῦ Ἀρσίνου ὃς δὴ ἐκ τῶν Περσαρμενίων καλουμένων πολὺς φέρεται, μέγας τε, ὡς τὸ εἶκος, γεγεννημένος ἐς τοὺς πάλαι μὲν Λευκοσύρους, νῦν δὲ Ἀρμενίους μικροὺς καλουμένους χωρεῖ, ὧν δὴ πόλις πρώτη Μελιτηνὴ λόγου πολλοῦ ἀξία ἐστί. [24] ἢ τε γὰρ ἄχρις Ἀμίδης πόλεως Ἀρμενία πρὸς

ἐνίων ὠνόμασται, Ἐδεσσά τε ζὺν τοῖς ἀμφ' αὐτὴν χωρίοις Ὀσροηνῇ τοῦ Ὀσρόου ἐπώνυμός ἐστιν, ἀνδρὸς ἐνταῦθα βεβασιλευκότος ἐν τοῖς ἄνω χρόνοις ἡνίκα Πέρσαις οἱ ταύτῃ ἄνθρωποι ἔνσπονδοι ἦσαν. [25] Πέρσαι οὖν ἐπειδὴ πρὸς Ῥωμαίων Νίσιβιν τε πόλιν καὶ ἄλλα ἅττα Μεσοποταμίας χωρία ἔλαβον, ἡνίκα ἐπὶ Ῥωμαίους στρατεύειν ἔμελλον, χώραν μὲν τὴν ἐκτὸς Εὐφράτου ποταμοῦ ἐν ὀλιγοῖα ποιούμενοι, ἐκ τοῦ ἐπὶ πλεῖστον ἄνυδρόν τε καὶ ἀνθρώπων ἔρημον οὖσαν, ἐνταῦθα δὲ πόνῳ οὐδενὶ ἀγειρόμενοι, ἅτε ἐν χώρα οἰκείᾳ τε καὶ πολεμίᾳ τῇ οἰκουμένη ἄγχοτάτῳ οὔσῃ, ἐνθὲνδε τὰς ἐσβολὰς αἰεὶ ἐποιοῦντο. [26] Ἡνίκα δὲ ἡσσηθείς ὁ Μιρράνης τῇ μάχῃ καὶ τοὺς πλείστους ἀποβαλὼν τῷ ἄλλῳ στρατῷ ἐς τὰ Περσῶν ἦθη ἀφίκετο, ποινῆς ἔτυχε πρὸς βασιλέως Καβάδου πικρᾶς. [27] κόσμον γὰρ ἀφείλετο αὐτὸν ὃν δὴ ἀναδεῖσθαι τῶν ἐν τῇ κεφαλῇ τριχῶν εἰώθει, ἐκ τε χρυσοῦ καὶ μαργάρων πεποιημένον. ἀξίωμα δὲ τοῦτο ἐν Πέρσαις μέγα μετὰ γε τὴν βασιλέως τιμὴν. [28] ἐνταῦθα γὰρ οὔτε δακτυλίῳ χρυσῷ οὔτε ζώνῃ οὔτε περόνῃ χρῆσθαι οὔτε ἄλλῳ ὁφιοῦν θέμις, ὅτι μὴ ἐκ βασιλέως ἀξιοθέντι. [29] Καὶ τὸ λοιπὸν ὁ Καβάδης ἐν βουλῇ εἶχεν ὄντινα τρόπον αὐτὸς ἐπὶ Ῥωμαίους στρατεύοι. Μιρράνου γὰρ σφαλέντος οὕτως ὥσπερ ἐρρήθη, ἐπ' ἄλλῳ οὐδενὶ τὸ θαρρεῖν εἶχε. [30] καὶ οἱ ἐπὶ πλεῖστον ἀπορουμένῳ Ἀλαμούνδαρος ὁ τῶν Σαρακηνῶν βασιλεὺς προσελθὼν εἶπεν 'Οὐ πάντα, ὃ δέσποτα, χρεῶν ἐστὶ πιστεύειν τῇ τύχῃ οὐδὲ τοὺς πολέμους οἶεσθαι δεῖν κατορθοῦν ἅπαντας. οὐδὲ γὰρ εἰκὸς τοῦτο γε οὐδὲ ἄλλως ἀνθρώπειον, ἀλλὰ καὶ ἀξύμφορος αὕτη μάλιστα τοῖς αὐτῇ ἐχομένοις ἢ ἐννοιά ἐστι. [32] διὸ δὴ οὐκ ἔχοντες αἰεὶ ἐπὶ τῇ τύχῃ τὸ θαρρεῖν ἄνθρωποι οὐκ ἐκ τοῦ εὐθέος ἐς κίνδυνον πολέμου καθίστανται, κἂν τῷ παντὶ τῶν πολεμίων ὑπεραίρειν ἀνχῶσιν, ἀλλ' ἀπάτῃ τε καὶ μηχαναῖς τισὶ περιελθεῖν τοὺς ἐναντίους ἐν σπουδῇ ἔχουσιν. [35] ταῦτα γὰρ πολλάκις πρὸς τῶν ἐπὶ κατασκοπῇ ἐς ταύτας ἐσταλμένων Σαρακηνῶν ἤκουσα. [36] ἐνθα δὴ καὶ πόλιν Ἀντιόχειαν εἶναι φασι, πλούτῳ τε καὶ μεγέθει καὶ πολυανθρωπίᾳ πρῶτην πόλεων ἀпасῶν τῶν ἐν τοῖς ἐφίοις Ῥωμαίοις οὔσαν· ἡ δὲ ἀφύλακτός τε καὶ στρατιωτῶν ἔρημός ἐστιν. [37] οὐ γὰρ ἄλλου οὐδενὸς τῷ ταύτης δήμῳ ὅτι μὴ πανηγύρεων τε καὶ τρυφῆς μέλει καὶ τῆς ἐν θεάτροις αἰεὶ πρὸς ἀλλήλους φιλονεικίας. [38] ὥστε ἦν ἐκ τοῦ ἀπροσδοκίτου ἐπ' αὐτοὺς ἴωμεν, τὴν τε πόλιν αἰρήσειν ἡμᾶς ἐξ ἐπιδρομῆς οὐδὲν ἀπεικὸς καὶ μηδενὶ ἐντυχόντας πολεμίων στρατῷ εἶτα ἐπανελθεῖν ἐς τὰ Περσῶν ἦθη, οὐπω πεπυσμένων τὰ ξυμπεσόντα τῶν ἐν Μεσοποταμίᾳ

στρατιωτῶν. [39] ὕδατος δὲ ἢ ἄλλου του τῶν ἐπιτηδείων ἀπορίας περὶ μηδέν σε εἰσίτω: ἐγὼ γὰρ τῷ στρατῷ ἐξηγήσομαι ὅπῃ ἂν δοκῇ ἄριστα εἶναι.’ [40] Ταῦτα ἀκούσας Καβάδης οὔτε ἀντιτείνειν οὔτε ἀπιστεῖν εἶχεν. ἦν γὰρ Ἀλαμούνδαρος ξυνητάτος τε καὶ τῆς κατὰ πόλεμον ἐμπειρίας εὖ ἤκων, Πέρσαις τε πιστὸς ἐς τὰ μάλιστα καὶ διαφερόντως δραστήριος, ὃς δὴ ἐς πεντήκοντα ἐνιαυτῶν χρόνον ἐς γόνυ ἐλθεῖν τὰ Ῥωμαίων ἐποίησε πράγματα. [41] ἐκ γὰρ τῶν Αἰγύπτου ὀρίων ἀρξάμενος καὶ μέχρι ἐς Μεσοποταμίαν ληιζόμενος τὰ ἐκείνη χωρία, ἥγέ τε καὶ ἔφερεν ἐφεξῆς ἅπαντα, καίων τε τὰς ἐν ποσὶν οἰκοδομίας καὶ τοὺς ἀνθρώπους κατὰ πολλὰς ἀεὶ μυριάδας ἀνδραποδίζων, καὶ αὐτῶν τοὺς μὲν πλείστους ἀποκτείνων οὐδενὶ λόγῳ, τοὺς δὲ ἄλλους ἀποδιδόμενος χρημάτων μεγάλων. [42] ἀπῆντα δὲ οἱ τῶν πάντων οὐδεῖς. οὐ γὰρ ποτε ἀνεπισκέπτως ἐποιεῖτο τὴν ἔφοδον, ἀλλ’ οὕτως ἐξαπιναίως τε καὶ αὐτῷ ἐς τὰ μάλιστα ἐπιτηδεύς, ὥστε ὁ μὲν ἤδη ὡς τὰ πολλὰ ξὺν τῇ λείᾳ πάσῃ ἀπιὼν ὄχρετο, οἱ δὲ στρατηγοὶ τε καὶ στρατιῶται πυνθάνεσθαι τε τὰ ξυμπεσόντα καὶ ἀγείρεσθαι ἐπ’ αὐτὸν ἤρχοντο. [43] ἦν δὲ πού αὐτὸν καὶ καταλαβεῖν τύχη τινὶ ἔσχον, ἀλλ’ ἔτι ἀπαρασκευοῖς τε οὔσι καὶ οὐ ξυντεταγμένοις ἐπιπεσὼν τοῖς διώκουσιν ὁ βάρβαρος οὗτος ἔτρεπέ τε καὶ διέφθειρεν οὐδενὶ πόνῳ, καὶ ποτε τοὺς διώκοντας στρατιώτας ξὺν τοῖς ἄρχουσιν ἐξώγρησεν ἅπαντας. [44] Τιμόστρατος δὲ ἦν ὁ Ῥουφίνου ἀδελφὸς καὶ Ἰωάννης ὁ τοῦ Λουκᾶ παῖς, οὓς δὴ ἀπέδοτο ὕστερον, πλοῦτον αὐτῶν οὐ φαῦλον οὐδὲ τὸν τυχόντα περιβαλλόμενος. [45] καὶ τὸ ξύμπαν εἰπεῖν χαλεπώτατός τε καὶ δεινότατος οὗτος ἀνὴρ γέγονε Ῥωμαίοις πολέμιος πάντων μάλιστα. αἴτιον δὲ ἦν ὅτι Ἀλαμούνδαρος μὲν βασιλέως ἀξίωμα ἔχων ἀπάντων μόνος τῶν ἐν Πέρσαις Σαρακηνῶν ἦρχε, παντὶ τε τῷ στρατῷ οἷός τε ἦν ἀεὶ τὴν ἔφοδον ποιεῖσθαι ὅπῃ βούλοιο τῆς Ῥωμαίων ἀρχῆς: [46] οὐδεῖς δὲ οὔτε Ῥωμαίων στρατιωτῶν ἄρχων, οὓς δοῦκας καλοῦσιν, οὔτε Σαρακηνῶν τῶν Ῥωμαίοις ἐνσπόνδων ἡγούμενος, οἱ φύλαρχοι ἐπικαλοῦνται, ξὺν τοῖς ἐπομένοις Ἀλαμουνδάρῳ ἀντιτάξασθαι ἱκανῶς εἶχεν: ἐν χώρᾳ γὰρ ἐκάστη τοῖς πολεμίοις οὐκ ἀξιόμαχοι ἐτετάχατο. [47] διὸ δὴ βασιλεὺς Ἰουστινιανὸς φυλαῖς ὅτι πλείσταις Ἀρέθαν τὸν Γαβαλᾶ παῖδα ἐπέστησεν, ὃς τῶν ἐν Ἀραβίῳ Σαρακηνῶν ἦρχεν, ἀξίωμα βασιλέως αὐτῷ περιθέμενος, οὐ πρότερον τοῦτο ἐν γε Ῥωμαίοις γεγονὸς πάποτε. [48] Ἀλαμούνδαρος μέντοι οὐδὲν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον, τὰ Ῥωμαίων πράγματα ἔφθειρεν, Ἀρέθα ἐν πάσῃ ἐφόδῳ τε καὶ ἀγωνίᾳ ἢ ἀτυχοῦντος ὡς μάλιστα ἢ καταπροδιδόντος ὡς τάχιστα. οὐ γὰρ πω σαφές τι ἀμφ’ αὐτῷ ἴσμεν. ταύτῃ τε ξυνέβη Ἀλαμουνδάρῳ, οὐδενός οἱ ἀντιστατοῦντος, ἐπὶ μήκιστον τὴν ἐφάν ληίζεσθαι πᾶσαν, ἐπεὶ καὶ μακροβιώτατος ἀτεχνῶς γέγονε.

Τούτου οὖν τότε τοῦ ἀνδρὸς τῇ ὑποθήκῃ ἦσθεις Καβάδης ἄνδρας πεντακισχιλίους τε καὶ μυρίους ἀπολεξάμενος Ἀζαρέθην αὐτοῖς ἄνδρα Πέρσῃν ἐπέστησε διαφερόντως ἀγαθὸν τὰ πολέμια, καὶ σφίσιν Ἀλαμούνδαρον τῆς πορείας ἐξηγεῖσθαι ἐκέλευεν. [2] οἱ δὲ τὸν Εὐφράτην ποταμὸν διαβάντες ἐν Ἀσσυρίοις, γῆν τε πορευθέντες τινὰ ἔρημον ἀνθρώπων, ἄφνω ἐς τῶν Κομμαγηνῶν καλουμένων τὴν χώραν παρὰ δόξαν ἐσέβαλλον. [3] αὕτη τε πρώτη ἐνθένδε Περσῶν ἐσβολὴ ἐς γῆν τὴν Ῥωμαίων ἐγένετο, ὅσα γε

ἡμᾶς ἀκοῇ ἢ τρόπῳ τῷ ἄλλῳ ἐπίστασθαι, καὶ πάντα Ῥωμαίους τῷ ἀπροσδοκίῳ κατέπληξεν. [4] ἃ δὴ ἐπεὶ Βελισάριος ἔμαθε, τὰ μὲν πρῶτα διηπορεῖτο, μετὰ δὲ βοηθεῖν κατὰ τάχος ἔγνω. φυλακὴν τε αὐτάρκη ἐν πόλει ἐκάστη καταστησάμενος, ὅπως μὴ Καβάδης τε καὶ στράτευμα τῶν πολεμίων ἄλλο ἐνταῦθα ἰόντες ἀφύλακτα τὸ παράπαν εὐρήσουσι τὰ ἐπὶ Μεσοποταμίας χωρία, αὐτὸς τῷ ἄλλῳ στρατῷ ὑπηντίαζεν, Εὐφράτην τε ποταμὸν διαβάντες σπουδῇ πολλῇ πρόσω ἐχώρουν. [5] ὁ μὲν οὖν Ῥωμαίων στρατὸς ἐς δισμυρίους μάλιστα πεζοὺς τε καὶ ἱππέας ξυνήει, καὶ αὐτῶν Ἰσαυροὶ οὐχ ἦσσαν ἢ δισχίλιοι ἦσαν. [6] ἄρχοντες δὲ ἱππέων μὲν ἅπαντες ἦσαν οἱ τὰ πρότερα τὴν ἐν Δάρας μάχην πρὸς τε Πέρσας καὶ Μιρράνην διήνεγκαν, πεζῶν δὲ τῶν τις δορυφόρων Ἰουστινιανοῦ βασιλέως, Πέτρος ὄνομα. [7] τοῖς μέντοι Ἰσαύροις Λογγίνος τε καὶ Στεφανάκιος ἐφειστήκεσαν. ἐνταῦθα δὲ καὶ Ἀρέθας αὐτοῖς ξὺν τῷ Σαρακηνῶν στρατεύματι ἦλθεν. [8] ἐπεὶ τε ἐς Χαλκίδα πόλιν ἀφίκοντο, ἐνστρατοπεδευσάμενοι αὐτοῦ ἔμενον, ἐπεὶ τοὺς πολεμίους ἐν χωρίῳ Γαββουλῶν εἶναι ἐπύθοντο, δέκα καὶ ἑκατὸν σταδίοις Χαλκίδος διέχοντι. [9] ὁ δὴ γνόντες Ἀλαμούνδαρος τε καὶ Ἀζαρέθης τὸν τε κίνδυνον κατορρωδήσαντες, ἐπίπροσθεν οὐκέτι ἐχώρουν, ἀλλ' ἐπ' οἴκου αὐτίκα δὴ ἀποχωρεῖν ἔγνωσαν. αὐτοὶ τε γοῦν Εὐφράτην ποταμὸν ἐν ἀριστερᾷ ἔχοντες ὀπίσω ἀπήλυνον καὶ ὁ Ῥωμαίων στρατὸς ὀπισθεν εἶπετο. [10] ἐν τε τῷ χώρῳ οὗ δὴ οἱ βάρβαροι ἐς νύκτα ἐκάστην ἠυλίζοντο, αἱ Ῥωμαῖοι τῇ ἐπιγινομένῃ νυκτὶ ἔμενον. [11] Βελισάριος γὰρ ἐξεπίτηδες ὁδὸν τινα πλεῖω πορεύεσθαι τὸ στράτευμα οὐδαμῇ εἶα, ἐπεὶ οἱ οὐκ ἦν βουλομένῳ τοῖς πολεμίοις ἐς χεῖρας ἰέναι, ἀλλ' ἀποχρῆν ᾧετο σφίσι Πέρσας τε καὶ Ἀλαμούνδαρον ἐς γῆν τὴν Ῥωμαίων ἐσβεβληκότας, εἶτα ἐνθὲνδε οὕτω δὴ ἀποκεχωρηκότας, [12] ἀπράκτους εἰς τὰ οἰκεῖα κομίζεσθαι. διὸ δὴ ἅπαντες αὐτῷ λάθρα ἐλοιδοροῦντο, ἄρχοντές τε καὶ στρατιῶται, ἐκάκιζε μέντοι αὐτὸν ἐς ὅσιν οὐδεῖς. [13] Τελευτῶντες δὲ Πέρσαι μὲν ἐν τῇ τοῦ Εὐφράτου ἡϊόνι ἠυλίσαντο ἢ δὴ πόλεως Καλλινίκου ἀντιπέρας ἐστίν. ἐνθὲνδε γὰρ διὰ χώρας πρὸς οὐδενὸς ἀνθρώπων οἰκουμένης πορεύεσθαι ἔμελλον, οὕτω τε τῆς Ῥωμαίων γῆς ἀπαλλάσσεσθαι. [14] οὐ γὰρ ἔτι διεννοοῦντο ἰέναι ὥσπερ τὰ πρότερα, τῆς τοῦ ποταμοῦ ὄχθης ἐχόμενοι. Ῥωμαῖοι δὲ διανυκτερεύσαντες ἐν πόλει Σούρων ἐνθὲνδε τε ἐξαναστάντες, καταλαμβάνουσι συσκευαζομένους ἤδη ἐς τὴν ἄφοδον τοὺς πολεμίους. [15] ἑορτὴ δὲ ἡ Πασχαλία ἐπέκειτο ἡμέρᾳ ἐπιγεννησομένη τῇ ὑστεραίᾳ, ἣν δὴ σέβονται Χριστιανοὶ πασῶν μάλιστα, ἡμέρᾳ τε τῇ ταύτης προτέρᾳ σιτίων τε καὶ ποτοῦ ἀπεχόμενοι οὐ διημερεύειν νενομίκασιν μόνον, ἀλλὰ καὶ πόρρω που νήστευσιν τῶν νυκτῶν ἰέναι. [16] τότε οὖν ἅπαντας Βελισάριος ὀργῶντας ἐπὶ τοὺς πολεμίους ὀρῶν, ταύτης τε ἀποστῆσαι τῆς γνώμης ἐθέλων ταῦτα γάρ οἱ καὶ Ἑρμογένης ἐγίνωσκεν ἄρτι ἐπὶ πρεσβείᾳ ἐκ βασιλέως ἦκων τοὺς παραγενομένους ἅπαντας ξυγκαλέσας ἔλεξε τοιάδε· Ποῖ φέρεσθε, [17] ἄνδρες Ῥωμαῖοι, ἢ τί πεπονθότες κίνδυνον αἰρεῖσθαι ὑμῖν αὐτοῖς οὐκ ἀναγκαῖον βουλεύεσθε; μίαν εἶναι νίκην ἀκίβδηλον οἶονται ἄνθρωποι τὸ μηδὲν δεινὸν πρὸς τῶν πολεμίων παθεῖν, ὅπερ ἡμῖν ἐν γε τῷ παρόντι δέδωκεν ἢ τε τύχῃ καὶ ἡμῶν τὸ κατὰ τῶν ἐναντίων δέος. [18] οὐκοῦν ἢ ἀπόνασθαι τῶν παρόντων ἀγαθῶν ἄμεινον ἢ παρελθόντα ταῦτα ζητεῖν.

Πέρσαι γὰρ πολλαῖς μὲν ἐλπίσιν ἡγμένοι ἐπὶ Ῥωμαίους ἐστράτευσαν, πάντων δὲ τανῶν ἐκπεπτωκότες ἐς φυγὴν ὤρμηνται. [19] ὥστε ἦν οὐχ ἐκόντας αὐτοὺς μεταβάλλεσθαι μὲν τῆς ἐς τὴν ὑπαγωγὴν γνώμης, ἐς χεῖρας δὲ ἰέναι ἡμῖν αὐτοῖς ἀναγκάσωμεν, νενικηκότες μὲν πλεόν τὸ παράπαν οὐδὲν ἔξομεν. [20] τί γὰρ ἂν τις τὸν γε φεύγοντα τρέποι; σφαλέντες δὲ ἴσως τῆς τε ὑπαρχούσης στερησόμεθα νίκης, οὐ πρὸς τῶν πολεμίων ἀφαιρεθέντες, ἀλλ' αὐτοὶ ταύτην προέμενοι, καὶ τῇ βασιλείῳ γῇ τὸ τοῖς πολεμίους ἐκκεῖσθαι τῶν ἀμυνομένων χωρὶς τὸ λοιπὸν δώσομεν. [21] καίτοι καὶ τοῦτο ἐνθυμεῖσθαι ὑμᾶς ἄξιον, ὥς τῶν ἀναγκαίων, οὐ τῶν αὐθαιρέτων κινδύνων ξυναίρεσθαι ὁ θεὸς ἀεὶ τοῖς ἀνθρώποις φιλεῖ. [22] χωρὶς δὲ τούτων τοῖς μὲν οὐκ ἔχουσιν ἂν ὅπη τραπέειν ἀνδραγαθίζεσθαι οὐχ ἐκουσίους ξυμβήσεται, ἡμῖν δὲ πολλὰ τὰ ἐναντιώματα ἐς τὴν ξυμβολὴν τετύχηκεν εἶναι. [23] πεζῇ τε γὰρ βαδίζοντες πολλοὶ ἤκουσι καὶ νήσταις ἅπαντες τυγχάνομεν ὄντες. ἀφίημι γὰρ λέγειν ὥς τινες οὐπω καὶ νῦν πάρεσι.' Βελισάριος μὲν τοσαῦτα εἶπεν. [24] Ὁ δὲ στρατὸς ἐς αὐτὸν ὑβρίζον οὐ σιγῇ τινι οὐδὲ ἐν παραβύστω, ἀλλ' αὐτῷ ἐς ὄψιν ξὺν κραυγῇ ἦκοντες μαλθακὸν τε καὶ τῆς προθυμίας διαλυτὴν ἐκάλουν, ὃ δὴ καὶ τῶν ἀρχόντων τινὲς ξὺν τοῖς στρατιώταις ἡμάρτανον, ταύτῃ τὸ εὐτολμον ἐνδεικνύμενοι. [25] καὶ αὐτῶν τῷ ἀναισχύντῳ καταπλαγεὶς Βελισάριος ἀντιστρέψας τὴν παραίνεσιν ἐγκελευομένῳ τε ἥδη ἐπὶ τοὺς πολεμίους ἐώκει καὶ διατάσσοντι ἐς παράταξιν, ἔφασκέ τε ὥς οὐκ εἰδεῖη μὲν αὐτῶν τὴν ἐς τὸ μάχεσθαι προθυμίαν τὰ πρότερα, νῦν δὲ θαρσεῖν τε καὶ ξὺν ἐλπίδι τῇ ἀμείνوني ἐπὶ τοὺς πολεμίους ἰέναι. [26] καὶ τὴν φάλαγγα μετωπηδὸν ποιησάμενος διέταξεν ὧδε. ἐς κέρας μὲν τὸ ἀριστερόν πρὸς τῷ ποταμῷ τοὺς πεζοὺς ἅπαντας ἔστησεν, ἐς δὲ τὸ δεξιόν, ἧ δὴ ὁ χῶρος ἀνάντης ἦν, Ἀρέθαν τε καὶ τοὺς ξὺν αὐτῷ Σαρακηνοὺς ἅπαντας, αὐτὸς δὲ ξὺν τοῖς ἱππεῦσι κατὰ μέσον εἰστήκει. οὕτω μὲν Ῥωμαῖοι ἐτάξαντο. [27] Ἀζαρέθης δὲ ἐπεὶ ξυνιόντας ἐς παράταξιν τοὺς πολεμίους εἶδε, τοιάδε παρεκελεύσατο 'Πέρσας μὲν ὄντας ὑμᾶς μὴ οὐχὶ τοῦ βίου τὴν ἀρετὴν ἀνταλλάξασθαι, ἦν τις αἴρεσιν ἀμφοῖν διδοίη, οὐδεὶς ἂν ἀντείποι. [28] ἐγὼ δέ φημι οὐδ' ἂν βουλομένοις ἐφ' ὑμῖν εἶναι τούτοις ποιεῖσθαι τὴν αἴρεσιν. οἷς μὲν γὰρ ἐξὸν διαφυγοῦσι τὸν κίνδυνον ξὺν τῇ ἀτιμίᾳ βιοῦν, οὐδέν, ἦν γε βούλονται, ἀπεικὸς ἀντὶ τῶν βελτίστων ἐλέσθαι τὰ ἥδιστα, οἷς δὲ τὸ θνήσκειν ἐπάνανγκες, ἧ ξὺν τῇ εὐκλείᾳ πρὸς τῶν πολεμίων, ἧ πρὸς τοῦ κρατοῦντος ἐς τὴν κόλασιν αἰσχυρῶς ἀγομένοις, πολλὴ ἄνοια μὴ πρὸ τῶν αἰσχίστων ἐλέσθαι τὰ κρεῖσσω. [29] ὅτε τοίνυν ταῦτα οὕτως ἔχει, προσήκειν ὑμᾶς ἅπαντας οἶμαι μὴ τοὺς πολεμίους μόνον, ἀλλὰ καὶ δεσπότην τὸν ὑμέτερον ἐν νῷ ἔχοντας, οὕτως ἐς μάχην τήνδε καθίστασθαι.' [30] Τοσαῦτα καὶ Ἀζαρέθης παρακελευσάμενος ἀντίξουν τοῖς ἐναντίοις τὴν φάλαγγα ἔστησε, Πέρσας μὲν τὰ ἐν δεξιᾷ ἔχοντας, Σαρακηνοὺς δὲ τὰ εὐώνυμα. καὶ αὐτίκα μὲν ἐς χεῖρας ἀμφοτέρωθεν ἦλθον. [31] ἦν δὲ ἡ μάχη καρτερὰ μάλιστα. τά τε γὰρ τοξεύματα ἐκατέρωθεν συχνὰ ἐπὶ πλεῖστον βαλλόμενα φόνον ἀμφοτέρων πολλὸν ἐποίει, καὶ τινες ἐν μεταίχμιῳ γινόμενοι ἔργα ἐς ἀλλήλους ἐπεδείκνυντο ἀρετῆς ἄξια, μᾶλλον δὲ Πέρσαι ἐκ τῶν τοξευμάτων πολλοὶ ἔθνησκον. [32] τὰ μὲν γὰρ αὐτῶν βέλη συχνότερα μὲν ἀτεχνῶς ἦν, ἐπεὶ Πέρσαι τοξόται τε σχεδὸν τί εἰσιν ἅπαντες καὶ πολὺ θᾶσσον ἢ οἱ ἄλλοι ξύμπαντες ἀνθρώποι ποιεῖσθαι τὰς βολὰς

ἐκδιδάσκονται, [33] ἐκ δὲ τόξων μαλθακῶν τε καὶ οὐ λίαν ἐντεταμένον βαλλόμενα θώρακι ἴσως ἢ κράνει ἢ καὶ ἀσπίδι ἐντυχόντα Ῥωμαίου ἀνδρὸς ἀπεκαυλίζετο τε καὶ λυπεῖν τὸν προσπίπτοντα οὐδαμῇ εἶχε. [34] Ῥωμαίων δὲ τὰ τε τοξεύματα βραδύτερα μὲν ἐς αἰεὶ ἐστίν, ἅτε δὲ ἐκ τόξων σκληρῶν τε ὑπεράγαν καὶ δεινῶς ἐντεταμένων βαλλόμενα, προσθεῖη δὲ ἂν τις καὶ πρὸς ἀνδρῶν ἰσχυροτέρων, πολλῶ ἔτι μᾶλλον ἢ οἱ Πέρσαι οἷς ἂν ἐντύχοιεν εὐπετῶς σίνονται, ὅπλου οὐδενὸς ἐμποδὼν αὐτῶν γινομένου τῇ ρύμῃ. [35] ἤδη μὲν οὖν τῆς ἡμέρας αἱ δύο παρωγῆκεσαν μοῖραι, καὶ ἡ μάχη ἔτι ἀγγώματος ἦν. τότε δὲ ξυμφρονήσαντες ὅσοι δὴ ἄριστοι ἐν τῷ Περσῶν στρατεύματι ἦσαν, ἐσήλαυνον ἐς τῶν πολεμίων τὸ δεξιὸν κέρας, οὗ δὴ Ἀρέθας τε καὶ οἱ Σαρακηνοὶ ἐτετάχατο. [36] οἱ δὲ οὕτω τὴν φάλαγγα διαλύσαντες δίχα ἐγένοντο, ὥστε καὶ δόξαν ἀπήνεγκαν ὅτι δὴ Πέρσαις τὰ Ῥωμαίων πράγματα προὔδοσαν. τοὺς γὰρ ἐπιόντας οὐχ ὑποστάντες αὐτίκα ἐς φυγὴν ἅπαντες ὥρμηντο. [37] οἱ γοῦν Πέρσαι διαρρήξαντες οὕτω τὴν τῶν ἐναντίων παράταξιν, κατὰ νότου εὐθὺς τῆς Ῥωμαίων ἵππου ἐγένοντο. Ῥωμαῖοι δὲ κεκμηκότες ἤδη τῇ τε ὁδῷ καὶ τῷ πόνῳ τῆς μάχης νήστεις τε ἅπαντες ἐς τόδε τῆς ἡμέρας ὄντες, καὶ πρὸς τῶν πολεμίων ἐκατέρωθεν ἐνοχλούμενοι, οὐκέτι ἀντεῖχον, ἀλλ' οἱ μὲν πολλοὶ φεύγοντες ἀνὰ κράτος ἐς τοῦ ποταμοῦ τὰς νήσους ἀγχιστὰ που οὔσας ἐχώρησαν, τινὲς δὲ καὶ αὐτοῦ μένοντες ἔργα θαυμαστά τε καὶ λόγου πολλοῦ ἄξια τοὺς πολεμίους εἰργάσαντο. [38] ἐν τοῖς καὶ Ἀσκὰν ἦν, ὃς δὴ πολλοὺς μὲν κτείνας τῶν ἐν Πέρσαις δοκίμων, κρεουργηθεὶς δὲ κατὰ βραχὺ μόλις ἔπεσε, λόγον αὐτοῦ πολλὴν τοῖς πολεμίοις ἀπολιπών. καὶ ξὺν αὐτῷ ἄλλοι ὀκτακόσιοι ἄνδρες ἀγαθοὶ γενόμενοι ἐν τῷ πόνῳ τούτῳ ἀπέθανον, οἱ τε Ἰσαυροὶ ξὺν τοῖς ἄρχουσι σχεδὸν ἅπαντες, οὐδὲ ὅπλα ἀνταίρειν τοῖς πολεμίοις τολμήσαντες. [39] ἀπειρία γὰρ τοῦ ἔργου τούτου πολλῇ εἶχοντο, ἐπεὶ ἄρτι τῆς γεωργίας ἀφέμενοι ἐς κίνδυνον πολέμου κατέστησαν, [40] ἀγνώτα σφίσι τὰ πρότερα ὄντα. καίτοι μάλιστα πάντων αὐτοὶ ἔναγχος ἐς τὴν μάχην ἀγνοία πολέμου ὀργῶντες Βελισαρίῳ τότε τὴν δειλίαν ὠνείδιζον. οὐ μὴν οὐδὲ Ἰσαυροὶ ἅπαντες, ἀλλὰ Λυκάονες οἱ πλεῖστοι ἦσαν. [41] Βελισάριος δὲ ξὺν ὀλίγοις τισὶν ἐνταῦθα μείνας, τέως μὲν τοὺς ἀμφὶ τὸν Ἀσκὰν ἀντέχοντας ἐώρα, καὶ αὐτὸς ξὺν τοῖς παροῦσι τοὺς πολεμίους ἡμύνατο: [42] ἐπεὶ δὲ αὐτῶν οἱ μὲν ἔπεσον, οἱ δὲ ὅπη ἐδύναντο ἐς φυγὴν ὥρμηντο, τότε δὴ καὶ αὐτὸς ξὺν τοῖς ἐπομένοις φυγὼν ἐς τῶν πεζῶν τὴν φάλαγγα ἦλθεν, οἱ ξὺν τῷ Πέτρῳ ἔτι ἐμάχοντο, οὐ πολλοὶ ὄντες, ἐπεὶ καὶ αὐτῶν ἔτυχον φυγόντες οἱ πλεῖστοι. [43] ἐνθα δὴ αὐτός τε τὸν ἵππον ἀφῆκε καὶ πάντας αὐτὸ δρᾶν τοὺς ἐπομένους ἐκέλευε, πεζοὺς τε ξὺν τοῖς ἄλλοις τοὺς ἐπιόντας ἀμύνασθαι. [44] Περσῶν δὲ ὅσοι τοῖς φεύγουσιν εἶποντο, δι' ὀλίγου τὴν δίωξιν ποιησάμενοι, εὐθὺς ἐπανῆκον, ἔς τε τοὺς πεζοὺς καὶ Βελισάριον ξὺν τοῖς ἄλλοις ἅπασιν ὥρμηντο. οἱ δὲ τὰ νῶτα ἐς τὸν ποταμὸν τρέψαντες, ὅπως μὴ τις αὐτοῖς πρὸς τῶν πολεμίων κύκλωσις γένοιτο, ἐκ τῶν παρόντων τοὺς ἐπιόντας ἡμύνοντο. [45] αὐθὺς τε ἡ μάχη καρτερὰ γέγονε, καίπερ οὐκ ἐξ ἀντιπάλου τῆς δυνάμεως οὔσα. πεζοὶ τε γὰρ καὶ λίαν ὀλίγοι πρὸς ξύμπασαν ἐμάχοντο τὴν Περσῶν ἵππον. οὐ μέντοι αὐτοὺς οἱ πολέμιοι οὔτε τρέπεσθαι οὔτε ἄλλως βιάζεσθαι εἶχον. [46] ἐν χρῷ τε γὰρ ἀλλήλοισι ἐς ὀλίγον αἰεὶ ξυναγόμενοι καὶ ὥς ἰσχυρότατα ταῖς ἀσπίσι

φραζάμενοι, ἔβαλλον μᾶλλον ἐς τοὺς Πέρσας ἐπιτηδείως ἢ αὐτοὶ πρὸς ἐκείνων ἐβάλλοντο. [47] πολλάκις τε ἀπειπόντες οἱ βάρβαροι ἐπ' αὐτοὺς ἤλαυνον, ὥς ξυνταράζοντές τε καὶ διαλύσοντες τὴν παράταξιν, ἀλλ' ἄπρακτοι ἐνθένδε ὀπίσω αὐθις ἀπήλυνον. [48] οἱ γὰρ ἵπποι αὐτοῖς τῷ τῶν ἀσπίδων πατάγῳ ἀχθόμενοι ἀνεχαιτίζοντό τε καὶ ἐς ταραχὴν ζὺν τοῖς ἐπιβάταις καθίσταντο. διαγεγوناσί τε οὕτως ἑκάτεροι ἕως ἐγεγόνει τῆς ἡμέρας ὧσέ. [49] νυκτὸς δὲ ἤδη ἐπιλαβούσης Πέρσαι μὲν ἐς τὸ στρατόπεδον ἀνεχώρησαν, Βελισάριος δὲ ὀλκάδος ἐπιτυχὼν ζὺν ὀλίγοις τισὶν ἐς τοῦ ποταμοῦ τὴν νῆσον κατήρην, οὗ δὴ καὶ οἱ ἄλλοι Ῥωμαῖοι νηχόμενοι ἤλθον. [50] τῇ δὲ ὑστεραία Ῥωμαῖοι μὲν ὀλκάδων σφίσιν ἐκ Καλλινίκου πόλεως παραγενομένων πολλῶν ἐς αὐτὴν ἐκομίσθησαν, Πέρσαι δὲ τοὺς νεκροὺς ἐσκυλευκότες ἐπ' οἴκου ἅπαντες ἀνεχώρησαν. οὐ μὴν τοὺς σφετέρους νεκροὺς τῶν πολεμίων ἐλάσσους εὗρον. [51] Ἀζαρέθης δέ, ἐπεὶ ζὺν τῷ στρατῷ ἐς Πέρσας ἀφίκετο, καίπερ ἐν τῇ μάχῃ εὐημερήσας, ἀχαρίστου Καβάδου μάλιστα ἔτυχεν ἐξ αἰτίας τοιαύσδε. [52] νόμος ἐστὶ Πέρσαις, ἡνίκα ἐπὶ τῶν πολεμίων τινὰς στρατεύεσθαι μέλλωσι, τὸν μὲν βασιλέα ἐπὶ θρόνου τοῦ βασιλείου καθῆσθαι, κοφίνους δὲ οἱ πολλοὺς ἐνταυθὰ πη εἶναι, καὶ παρεῖναι μὲν τὸν στρατηγὸν ὃς δὴ τῷ στρατῷ ἐπὶ τοὺς ἐναντίους ἐξηγήσεσθαι ἐπίδοξός ἐστι, παριέναι δὲ τὸ στράτευμα τοῦτο ἐς τοῦ βασιλέως τὴν ὄψιν κατ' ἄνδρα ἓνα, καὶ αὐτῶν ἕκαστον βέλος ἐν ἐς τὰς ταρπὰς ρίπτειν, μετὰ δὲ αὐτάς μὲν τῇ βασιλέως σφραγίδι κατασεσημασμένας φυλάττεσθαι, ἐπειδὰν δὲ ἐς Πέρσας ἐπανίοι τὸ στράτευμα τοῦτο, τῶν στρατιωτῶν ἕκαστον ἐκ τῶν ἀρρίχων ἐν ἀναιρεῖσθαι βέλος. [53] ἀριθμοῦντες οὖν τῶν βελῶν ὅσα πρὸς τῶν ἀνδρῶν οὐκ ἀνήρηται, οἷς ἐπίκειται ἡ τιμὴ αὕτη, ἀγγέλλουσι τῷ βασιλεῖ τὸ πλῆθος τῶν οὐκ ἐπανηκόντων στρατιωτῶν, ταύτη τε ὅσοι ἐν τῷ πολέμῳ τετελευτήκασιν ἐνδηλοὶ γίνονται. [54] οὕτω μὲν οὖν Πέρσαις ὁ νόμος ἐκ παλαιοῦ ἔχει. ἐπεὶ δὲ Ἀζαρέθης ἐς ὄψιν τῷ βασιλεῖ ἤλθεν, ἀνεπυνθάνετο αὐτοῦ ὁ Καβάδης εἴ τι χωρίον παραστησάμενος Ῥωμαϊκὸν ἦκοι, ἐπεὶ ζὺν τῷ Ἀλαμουνδάρῳ ὡς Ἀντιόχειαν καταστρεφόμενος ἐπὶ Ῥωμαίους στρατεύσειεν. ὁ δὲ Ἀζαρέθης χωρίον μὲν ἐλεῖν οὐδὲν ἔφασκε, Ῥωμαίους δὲ καὶ Βελισάριον μάχῃ νενικηκέναι. [55] Καβάδης μὲν οὖν παριέναι τὸ ζὺν τῷ Ἀζαρέθῃ ἐκέλευε στράτευμα, ἔκ τε τῶν ταρπῶν βέλος ἕκαστος ἀνιρῆιτο ἥπερ εἰώθει. [56] πολλῶν δὲ ἀπολελειμμένων βελῶν ὠνειδίξε τε τῷ Ἀζαρέθῃ ὁ βασιλεὺς τὴν νίκην καὶ ἐν τοῖς ἀτιμοτάτοις τὸ λοιπὸν εἶχε. τὰ μὲν οὖν τῆς νίκης ἐς τοῦτο ἐτελεύτα τῷ Ἀζαρέθῃ.

Ἐννοια δὲ τότε Ἰουστινιανῷ βασιλεῖ γέγονεν Αἰθιοπίας τε καὶ Ὀμηρίτας ἐπὶ τῷ Περσῶν πονηρῷ ἐταιρίσασθαι. ὅπῃ δὲ τῆς γῆς οἱ ἄνθρωποι οἶδε ᾧκῃνται καὶ καθ' ὃ τι αὐτοὺς Ῥωμαίοις ξυνοίσειν βασιλεὺς ἡλίπισεν, ἐρῶν ἔρχομαι. [2] τὰ Παλαιστίνης ὅρια πρὸς ἀνίσχοντα ἡλίον ἐς θάλασσαν τὴν Ἐρυθρὰν καλουμένην διήκει. [3] αὕτη δὲ ἡ θάλασσα ἐξ Ἰνδῶν ἀρχομένη ἐνταῦθα τελευτᾷ τῆς Ῥωμαίων ἀρχῆς. καὶ πόλις Αἰλὰς καλουμένη πρὸς τῇ ταύτης ἡϊόνι ἐστίν, ἐνθα ἡ θάλασσα, ὥσπερ μοι εἴρηται, ἀπολήγουσα πορθμός τις ἐς ἄγαν στενὸς γίνεται. καὶ αὐτὸν ἐνθένδε ἐσπλέοντι ἐν δεξιᾷ μὲν ὄρη τὰ Αἰγυπτίων πρὸς νότον ἄνεμον τετραμμένα ἐστίν, ἐπὶ θάτερα δὲ χώρα ἔρημος ἀνθρώπων ἐπὶ πλεῖστον διήκει πρὸς βορρᾶν ἄνεμον, ἥ τε γῆ αὕτη τῷ ἐσπλέοντι ἐκατέρωθεν ὁρατὴ γίνεται, μέχρι ἐς τὴν Ἰωτάβην καλουμένην νῆσον, Αἰλᾷ πόλεως σταδίους οὐχ ἥσσον ἢ χιλίους διέχουσιν. [4] ἐνθα Ἑβραῖοι αὐτόνομοι μὲν ἐκ παλαιοῦ ᾧκῃντο, ἐπὶ τούτου δὲ Ἰουστινιανοῦ βασιλεύοντος κατήκοοι Ῥωμαίων γεγέννηται. [5] πέλαγος δὲ τὸ ἐνθένδε μέγα ἐκδέχεται. καὶ γῆν μὲν τὴν ἐν δεξιᾷ οἱ ταύτῃ ἐσπλέοντες οὐκέτι ὁρῶσιν, ἐς μέντοι τὴν εὐώνυμον νυκτὸς αἰεὶ ἐπιγινομένης ὁρμίζονται. [6] ἐν σκότῳ γὰρ ναυτίλλεσθαι ἐν ταύτῃ δὴ τῇ θαλάσῃ ἀδύνατά ἐστιν, ἐπεὶ βράχους αὐτὴν ἔμπλεων ἐπὶ πλεῖστον ξυμβαίνει εἶναι. [7] ὅρμοι δὲ εἰσιν ἐνταῦθα πολλοὶ οὐ χερσὶν ἀνθρώπων, ἀλλὰ τῇ φύσει τῶν χωρίων πεποιημένοι, καὶ ἀπ' αὐτοῦ τοῖς πλέουσιν οὐ χαλεπὸν ἐστίν ὅπῃ παρατύχοι ὁρμίζεσθαι. Ταύτην δὴ τὴν ἡϊόνα εὐθὺς μὲν ὅρους τοὺς Παλαιστίνης ὑπερβάντι Σαρακηνοὶ ἔχουσιν, [8] οἱ ἐν τῷ φοινικῶνι ἐκ παλαιοῦ ἱδρυνται. [9] ἐστὶ δὲ ὁ φοινικῶν ἐν τῇ μεσογείᾳ ἐς χώραν κατατείνων πολλήν, ἐνθα δὴ ἄλλο τὸ παράπαν οὐδὲν ὅτι μὴ φοίνικες φύονται μόνον. [10] τούτῳ τῷ φοινικῶν βασιλεῖᾳ Ἰουστινιανὸν Ἀβοχάραβος ἐδωρήσατο, ὁ τῶν ἐκεῖνι Σαρακηνῶν ἀρχων, καὶ αὐτὸν βασιλεὺς φύλαρχον τῶν ἐν Παλαιστίνῃ Σαρακηνῶν κατεστήσατο. [11] ἀδῆλόν τε τὴν χώραν διεφύλαξε τὸν ἅπαντα χρόνον, ἐπεὶ τοῖς τε ἀρχομένοις βαρβάροις καὶ οὐδὲν τι ἥσσον τοῖς πολεμίοις φοβερός τε αἰεὶ Ἀβοχάραβος ἔδοξεν εἶναι καὶ διαφερόντως δραστήριος. [12] τῷ μὲν οὖν λόγῳ τὸν φοινικῶνα βασιλεὺς ἔχει, μετεῖναι δὲ αὐτῷ τῶν ταύτῃ χωρίων οὐδ' ὅπωςτιοῦν δυνατά ἐστι. [13] γῆ τε γὰρ ἀνθρώπων παντελῶς ἔρημος καὶ ἀτεχνῶς ἀνυδρὸς ἐν μέσῳ οὕσα ἐς δέκα ἡμερῶν ὁδὸν διήκει, καὶ αὐτὸς λόγου ὅτουοῦν ἄξιος ὁ φοινικῶν οὐδαμῇ ἐστίν, ἀλλ' ὄνομα δώρου ὃ τε Ἀβοχάραβος ἔδωκε μόνον καὶ βασιλεὺς εὖ εἰδὼς ἔλαβε. τὰ μὲν οὖν ἀμφὶ τῷ φοινικῶνι ταύτῃ πῃ ἔχει. [14] τούτων δὲ τῶν ἀνθρώπων ἄλλοι Σαρακηνοὶ ἐχόμενοι τὴν ἀκτὴν ἔχουσιν, οἱ δὲ Μαδδῆνοὶ καλοῦνται, Ὀμηριτῶν κατήκοοι ὄντες. [15] οἱ δὲ Ὀμηρίται οὗτοι ἐν χώρᾳ τῇ ἐπέκεινα ᾧκῃνται πρὸς τῇ τῆς θαλάσσης ἡϊόνι. ὑπὲρ τε αὐτοὺς ἄλλα ἔθνη πολλὰ μέχρι ἐς τοὺς ἀνθρωποφάγους Σαρακηνοὺς ἱδρῦσθαι φασί. [16] μεθ' οὓς δὴ τὰ γένη τῶν Ἰνδῶν ἐστίν. ἀλλὰ τούτων μὲν περὶ λεγέτω ἕκαστος ὥς πῃ αὐτῷ βουλομένῳ ἐστίν. [17] Ὀμηριτῶν δὲ καταντικρὺ μάλιστα ἐν τῇ ἀντιπέρας ἡπεῖρῳ Αἰθίοπες οἰκοῦσιν, οἱ Αὐξωμίται ἐπικαλοῦνται, ὅτι δὴ αὐτοῖς τὰ βασιλεία ἐστίν ἐν πόλει Αὐξωμίδι. [18] καὶ θάλασσα ἡ ἐν μέσῳ ἐστίν ἀνέμου μετρίως ἐπιφόρου ἐπιπεσόντος ἐς πέντε ἡμερῶν τε καὶ νυκτῶν διάπλουν διήκει. [19] ταύτῃ γὰρ καὶ νύκτωρ ναυτίλλεσθαι νενομίσκασιν, ἐπεὶ βράχους

ἐνταῦθα οὐδαμῇ ἐστίν· αὕτη πρὸς ἐνίων ἢ θάλασσα Ἐρυθρὰ κέκληται. τὰ γὰρ ταύτης ἐκτὸς ἐκπλέοντι ἄχρι ἐς τὴν ἡϊόνα καὶ Αἰλὴν πόλιν Ἀραβικὸς ὠνόμασται κόλπος. [20] χώρα γὰρ ἡ ἐνθένδε ἄχρι τῶν Γάζης πόλεως ὁρίων Ἀραβία τὸ παλαιὸν ὠνομάζετο, ἐπεὶ καὶ τὰ βασιλεία ἐν τοῖς ἄνω χρόνοις ἐν Πέτραις τῇ πόλει ὁ τῶν Ἀράβων βασιλεὺς εἶχεν. [21] ὁ μὲν οὖν τῶν Ὀμηριτῶν ὄρμος ἐξ οὗ ἀπαίροντες εἰώθασιν ἐς Αἰθίοπας πλεῖν Βουλικάς ὀνομάζεται. [22] διαπλεύσαντες δὲ αἰεὶ τὸ πέλαγος τοῦτο καταίρουσιν ἐς τῶν Ἀδουλιτῶν τὸν λιμένα. Ἀδουλις δὲ ἡ πόλις τοῦ μὲν λιμένος μέτρῳ εἴκοσι σταδίων διέχει ἑτοσούτῳ γὰρ διείργεται τὸ μὴ ἐπιθαλάσσιος εἶναι, πόλεως δὲ Αὐξώμιδος ὁδῷ ἡμερῶν δώδεκα. [23] Πλοῖα μέντοι ὅσα ἐν τε Ἰνδοῖς καὶ ἐν ταύτῃ τῇ θαλάσῃ ἐστὶν οὐ τρόπῳ τῷ αὐτῷ ὥπερ αἱ ἄλλαι νῆες πεποίηνται. οὐδὲ γὰρ πίσση οὐδὲ ἄλλῳ ὀτρωοῦν χρίονται, οὐ μὴν οὐδὲ σιδήρῳ διαμπερὲς ἰόντι ἐς ἀλλήλας αἰσανίδες ξυμπεπῆγασιν, ἀλλὰ βρόχοις τισὶ ξυνδέδενται. [24] αἴτιον δὲ οὐχ ὅπερ οἱ πολλοὶ οἴονται, πέτραι τινὲς ἐνταῦθα οὔσαι καὶ τὸν σίδηρον ἐφ' ἑαυτὰς ἔλκουσαι ἑκμήριον δέ· ταῖς γὰρ Ῥωμαίων ναυσὶν ἐξ Αἰλᾶ πλεούσαις ἐς θάλασσαν τήνδε, καίπερ σιδήρῳ πολλῷ ἡρμοσμέναις, οὔποτε τοιοῦτον ξυνηνέχθη παθεῖν, ἀλλ' ὅτι οὔτε σίδηρον οὔτε ἄλλο τι τῶν ἐς ταῦτα ἐπιτηδείων Ἰνδοὶ ἢ Αἰθίοπες ἔχουσιν. [25] οὐ μὴν οὐδὲ πρὸς Ῥωμαίων ὠνεῖσθαι τούτων τι οἰοί τε εἰσιν, νόμῳ ἅπασι διαρρήδην ἀπειρημένον. [26] θάνατος γὰρ τῷ ἀλόντι ἢ ζημία ἐστί. τὰ μὲν οὖν ἀμφὶ τῇ Ἐρυθρᾷ καλουμένῃ θαλάσῃ καὶ χώρα ἡ αὐτῆς ἐφ' ἐκάτερα ἐστὶ ταύτῃ πῃ ἔχει. [27] Ἐκ δὲ Αὐξώμιδος πόλεως ἐς τὰ ἐπὶ Αἰγύπτου ὅρια τῆς Ῥωμαίων ἀρχῆς, οὗ δὴ πόλις ἡ Ἐλεφαντίνη καλουμένη οἰκεῖται, τριάκοντα ὁδὸς ἡμερῶν ἐστὶν εὐζώνῳ ἀνδρὶ. [28] ἐνταῦθα ἔθνη ἄλλα τε πολλὰ ἰδρυταὶ καὶ Βλέμυες τε καὶ Νοβάται, πολυανθρωπότατα γέννη. ἀλλὰ Βλέμυες μὲν ταύτης δὴ τῆς χώρας ἐς τὰ μέσα ὥκηνται, Νοβάται δὲ τὰ ἀμφὶ Νεῖλον ποταμὸν ἔχουσι. πρότερον δὲ οὐ ταῦτα ἐγγόνει τὰ ἔσχατα τῆς Ῥωμαίων ἀρχῆς, ἀλλ' ἐπέκεινα ὅσον ἐπτὰ ἐτέρων ἐπίπροσθεν ὁδὸν ἡμερῶν· [29] ἡνίκα δὲ ὁ Ῥωμαίων αὐτοκράτωρ Διοκλητιανὸς ἐνταῦθα γενόμενος κατενόησεν ὅτι δὴ τῶν μὲν ἐκείνῃ χωρίων ὁ φόρος λόγου ἄξιος ὥς ἥκιστα ἦν, ἐπεὶ στενὴν μάλιστα τὴν γῆν ἐνταῦθα ξυμβαίνει εἶναι ἑτέρας γὰρ τοῦ Νεῖλου οὐ πολλῷ ἀποθεν ὑψηλαὶ λίαν ἀνέχουσιν τῆς χώρας τὰ λοιπὰ ἔχουσι, στρατιωτῶν δὲ πάμπολύ τι πλῆθος ἐνταῦθα ἐκ παλαιοῦ ἰδρυτο, ὥνπερ ταῖς δαπάναις ὑπερφυῶς ἄχθεσθαι συνέβαινε τὸ δημόσιον, ἅμα δὲ καὶ Νοβάται ἀμφὶ πόλιν Ὅασιν ὥκημένοι τὰ πρότερα ἡγόν τε καὶ ἔφερον ἅπαντα ἐς αἰεὶ τὰ ἐκείνῃ χωρία, τούτους δὴ τοὺς βαρβάρους ἀνέπεισεν ἀναστῆναι μὲν ἐξ ἡθῶν τῶν σφετέρων, ἀμφὶ ποταμὸν δὲ Νεῖλον ἰδρύσασθαι, δωρήσασθαι αὐτοὺς ὁμολογήσας πόλεσι τε μεγάλαις καὶ χώρα πολλῇ τε καὶ διαφερόντως ἀμείνονι ἥσπερ τὰ πρότερα ὥκηντο. [30] οὕτω γὰρ ὤρετο αὐτοὺς τε οὐκέτι τὰ γε ἀμφὶ τὴν Ὅασιν ἐνοχλήσειν χωρία καὶ γῆς τῆς σφίσι δεδομένης μεταποιουμένους, ἅτε οἰκείας οὔσης, ἀποκρούσεσθαι Βλέμυάς τε, ὥς τὸ εἶκος, καὶ βαρβάρους τοὺς ἄλλους. [31] ἐπεὶ τε τοὺς Νοβάτας ταῦτα ἤρεσκε, τὴν τε μετανάστασιν αὐτίκα δὴ μάλα πεποίηντο ἥπερ ὁ Διοκλητιανὸς σφίσι ἐπέστελλε, καὶ Ῥωμαίων τάς τε πόλεις καὶ χώραν ξύμπασαν ἐφ' ἐκάτερα τοῦ ποταμοῦ ἐξ Ἐλεφαντίνης πόλεως ἔσχον. [32] τότε δὴ ὁ βασιλεὺς οὗτος αὐτοῖς τε καὶ Βλέμυσιν ἔταξε

δίδοσθαι ἀνὰ πᾶν ἔτος ῥητόν τι χρυσίον ἐφ' ᾧ μηκέτι γῆν τὴν Ῥωμαίων ληίσωνται. [33] ὅπερ καὶ ἐς ἐμὲ κομιζόμενοι οὐδέν τι ἦσσαν καταθέουσι τὰ ἐκείνη χωρία. οὕτως ἄρα βαρβάρους ἅπαντας οὐδεμία μηχανὴ διασώσασθαι τὴν ἐς Ῥωμαίους πίστιν ὅτι μὴ δέει τῶν ἀμυνομένων στρατιωτῶν. [34] καίτοι καὶ νῆσόν τινα ἐν ποταμῷ Νεῖλῳ ἄγχιστά πη τῆς Ἑλεφαντίνης πόλεως εὐρὼν ὁ βασιλεὺς οὗτος φρούριόν τε ταύτῃ δειμάμενος ὀχυρώτατον, κοινούς τινας ἐνταῦθα νεῶς τε καὶ βωμοὺς Ῥωμαίοις τε καὶ τούτοις δὴ κατεστήσατο τοῖς βαρβάροις, καὶ ἱερεῖς ἐκάστων ἐν τῷ φρουρίῳ τούτῳ ἰδρύσατο, ἐν τῷ βεβαίῳ τὴν φιλίαν αὐτοῖς ἔσσεσθαι τῷ μετέχειν τῶν ἱερῶν σφίσις οἰόμενος. [35] διὸ δὴ καὶ Φίλας ἐπωνόμασε τὸ χωρίον. ἄμφω δὲ ταῦτα τὰ ἔθνη, οἳ τε Βλέμνες καὶ οἱ Νοβάται, τοὺς τε ἄλλους θεοὺς οὕσπερ Ἕλληνες νομίζουσι πάντας, καὶ τὴν τε Ἰσιν τὸν τε Ὅσιριν σέβουσι, καὶ οὐχ ἥκιστα γε τὸν Πρίαπον. [36] οἱ μέντοι Βλέμνες καὶ ἄνθρώπους τῷ ἡλίῳ θύειν εἰώθασι. ταῦτα δὲ τὰ ἐν Φίλαις ἱερὰ οὗτοι δὴ οἱ βάρβαροι καὶ ἐς ἐμὲ εἶχον, ἀλλὰ βασιλεὺς αὐτὰ Ἰουστινιανὸς καθελεῖν ἔγνω. [37] Ναρσῆς γοῦν, Περσαρμένιος γένος, οὗ πρόσθεν ἄτε ηὔτομοληκότος ἐς Ῥωμαίους ἐμνήσθην, τῶν ἐκείνῃ στρατιωτῶν ἄρχων τὰ τε ἱερὰ καθεῖλε, βασιλέως οἱ ἐπαγγείλαντος, καὶ τοὺς μὲν ἱερεῖς ἐν φυλακῇ ἔσχε, τὰ δὲ ἀγάλματα ἐς Βυζάντιον ἔπεμψεν. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἐπάνειμι.

Ὑπὸ τοὺς χρόνους τοῦ πολέμου τοῦδε Ἑλλησθεαῖος ὁ τῶν Αἰθιοπῶν βασιλεὺς, Χριστιανὸς τε ὢν καὶ δόξης τῆσδε ὡς μάλιστα ἐπιμελούμενος, ἐπειδὴ Ὀμηριτῶν τῶν ἐν τῇ ἀντιπέρασ ἡπείρῳ ἔγνω πολλοὺς μὲν Ἰουδαίους ὄντας, πολλοὺς δὲ δόξαν τὴν παλαιὰν σέβοντας ἦν δὴ καλοῦσιν Ἑλληνικὴν οἱ νῦν ἄνθρωποι, ἐπιβουλῇ μέτρον οὐκ ἐχούσῃ ἐς τοὺς ἐκείνῃ Χριστιανούς χρῆσθαι, στόλον τε νηῶν καὶ στρατεύμα ἁγείρας ἐπ' αὐτοὺς ἤλθε, καὶ μάχῃ νικήσας τὸν τε βασιλέα καὶ τῶν Ὀμηριτῶν πολλοὺς ἔκτεινεν, ἄλλον τε αὐτόθι Χριστιανὸν βασιλέα καταστησάμενος, Ὀμηρίτην μὲν γένος, ὄνομα δὲ Ἑσιμφαῖον, φόρον τε αὐτῷ τάξας Αἰθίοψι φέρειν ἀνὰ πᾶν ἔτος, ἐπ' οἴκου ἀνεχώρησε. [2] τούτου τοῦ Αἰθιοπῶν στρατοῦ δοῦλοί τε πολλοὶ καὶ ὅσοι ἐπιτηδεῖως ἐς τὸ κακουργεῖν εἶχον τῷ μὲν βασιλεῖ ἔπεσθαι οὐδαμῇ ἤθελον, αὐτοῦ δὲ ἀπολειπόμενοι ἔμενον ἐπιθυμία τῆς Ὀμηριτῶν χώρας· ἀγαθὴ γὰρ ὑπερφυῶς ἐστίν. [3] Οὗτος ὁ λεῶς χρόνῳ οὐ πολλῷ ὕστερον ξὺν ἐτέροις τισὶν Ἑσιμφαίῳ τῷ βασιλεῖ ἐπαναστάντες, αὐτὸν μὲν ἐν τινὶ τῶν ἐκείνῃ φρουρίων καθεῖρξαν, ἕτερον δὲ Ὀμηρίταις βασιλέα κατεστήσαντο, [4] Ἀβραμον ὄνομα. ὁ δὲ Ἀβραμος οὗτος Χριστιανὸς μὲν ἦν, δοῦλος δὲ Ῥωμαίου ἀνδρὸς ἐν πόλει Αἰθιοπῶν Ἀδούλιδι ἐπὶ τῇ κατὰ θάλασσαν ἐργασίᾳ διατριβὴν ἔχοντος. [5] ἃ δὴ Ἑλλησθεαῖος μαθὼν τίσασθαι τε Ἀβραμον ὁμοῦ τοῖς ξὺν αὐτῷ ἐπαναστᾶσι τῆς ἐς τὸν Ἑσιμφαῖον ἀδικίας ἐν σπουδῇ ἔχων, στρατεύμα τε τρισχιλίων ἀνδρῶν καὶ ἄρχοντα τῶν τινα ξυγγενῶν τῶν αὐτοῦ ἐπ' αὐτοὺς ἔπεμψεν. [6] οὗτος ὁ στρατὸς οὐκέτι ἐθέλοντες ἐπ' οἴκου ἐπανιέναι ἀλλ' αὐτοῦ ἐν χώρᾳ ἀγαθῇ μένειν, κρύφα τοῦ ἄρχοντος τῷ Ἀβράμῳ ἐς λόγους ἦλθον, ἐς τε ξυμβολὴν καταστάντες τοῖς ἐναντίοις, ἐπειδὴ ἐν τῷ ἔργῳ ἐγένοντο, κτείναντες τὸν ἄρχοντα τῷ τε τῶν πολεμίων στρατῷ ἀνemiγγυντο καὶ αὐτοῦ ἔμενον. [7] θυμῷ δὲ πολλῷ Ἑλλησθεαῖος ἐχόμενος καὶ ἄλλο στρατεύμα ἐπ' αὐτοὺς

ἔπεμψεν, οἱ δὲ τοῖς ἅμφι τὸν Ἀβραμον ἐς χεῖρας ἐλθόντες παρὰ πολὺ τε ἡσηθέντες τῇ μάχῃ ἐπὶ οἴκου εὐθὺς ἀνεχώρησαν. δέισας τε τὸ λοιπὸν ὁ τῶν Αἰθίοπων βασιλεὺς ἐπὶ τὸν Ἀβραμον οὐκέτι ἐστράτευσεν. [8] Ἑλλησθεαίου δὲ τελευτήσαντος φόρους Ἀβραμος ὡμολόγησε φέρειν τῷ μετ' αὐτὸν τὴν Αἰθίοπων βασιλείαν παραλαβόντι, οὕτω τε τὴν ἀρχὴν ἐκρατύνατο. ἀλλὰ ταῦτα μὲν χρόνῳ τῷ ὑστέρῳ ἐγένετο. [9] Τότε δὲ Ἰουστινιανὸς ὁ βασιλεὺς ἐν μὲν Αἰθίοψι βασιλεύοντος Ἑλλησθεαίου, Ἑσιμιφαίου δὲ ἐν Ὀμηρίταις, πρεσβευτὴν Ἰουλιανὸν ἔπεμψεν, ἀξίων ἅμφω Ῥωμαίοις διὰ τὸ τῆς δόξης ὁμόγνωμον Πέρσαις πολεμοῦσι ξυνάρασθαι, ὅπως Αἰθίοπες μὲν ὠνούμενοί τε τὴν μέταξαν ἐξ Ἰνδῶν ἀποδιδόμενοί τε αὐτὴν ἐς Ῥωμαίους, αὐτοὶ μὲν κύριοι γένωνται χρημάτων μεγάλων, Ῥωμαίους δὲ τοῦτο ποιήσῃσι κερδαίνειν μόνον, ὅτι δὴ οὐκέτι ἀναγκασθήσονται τὰ σφέτερα αὐτῶν χρήματα ἐς τοὺς πολεμίους μετενεγκεῖν· αὕτη δὲ ἐστὶν ἡ μέταξα ἐξ ἧς εἰώθασι τὴν ἐσθῆτα ἐργάζεσθαι ἣν πάλαι μὲν Ἕλληνες Μηδικὴν ἐκάλουν, τανῦν δὲ σηρικὴν ὀνομάζουσιν, Ὀμηρίται δὲ ὅπως Καῖσὸν τὸν φυγάδα φύλαρχον Μαδδηνοῖς καταστήσονται καὶ στρατῷ μεγάλῳ αὐτῶν τε Ὀμηριτῶν καὶ Σαρακηνῶν τῶν Μαδδηνῶν ἐσβάλῃσιν ἐς τὴν Περσῶν γῆν. [10] ὁ δὲ Καῖσὸς οὗτος γένους μὲν ἦν τοῦ φυλαρχικοῦ καὶ διαφερόντως ἀγαθὸς τὰ πολέμια, τῶν δὲ τινα Ἑσιμιφαίου ξυγγενῶν κτείνας ἐς γῆν ἔφηνεν ἢ δὴ ἔρημος ἀνθρώπων [11] παντάπασιν ἐστίν· ἐκάτερος μὲν οὖν τὴν αἴτησιν ὑποσχόμενος ἐπιτελεῖ ποιήσειν τὸν πρεσβευτὴν ἀπεπέμψατο, ἔδρασε δὲ αὐτοῖν τὰ ὡμολογημένα οὐδέτερος. [12] τοῖς τε γὰρ Αἰθίοψι τὴν μέταξαν ὠνεῖσθαι πρὸς τῶν Ἰνδῶν ἀδύνατα ἦν, ἐπεὶ αἰεὶ οἱ Περσῶν ἔμποροι πρὸς αὐτοῖς τοῖς ὅρμοις γινόμενοι οὐδὲν τὰ πρῶτα αἰ τῶν Ἰνδῶν νῆες καταΐρουσιν, ἅτε χώραν προσοικοῦντες τὴν ὁμορον, ἅπαντα ὠνεῖσθαι τὰ φορτία εἰώθασι, καὶ τοῖς Ὀμηρίταις χαλεπὸν ἔδοξεν εἶναι χώραν ἀμειψαμένοις ἔρημόν τε καὶ χρόνου πολλοῦ ὁδὸν κατατείνουσιν ἐπ' ἀνθρώπους πολλῶ μαχιωτέρους ἰέναι. [13] ἀλλὰ καὶ Ἀβραμος ὕστερον, ὅτε δὴ τὴν ἀρχὴν ὡς ἀσφαλέστατα ἐκρατύνατο, πολλάκις μὲν Ἰουστινιανῷ βασιλεῖ ὡμολόγησεν ἐς γῆν τὴν Περσίδα ἐσβάλλειν, ἅπαξ δὲ μόνον τῆς πορείας ἀρξάμενος ὀπίσω εὐθὺς ἀπεχώρησε. τὰ μὲν οὖν Αἰθίοπων τε καὶ Ὀμηριτῶν ταύτη Ῥωμαίοις ἐχώρησεν.

Ἐρμογένης δὲ τότε, ἐπειδὴ τάχιστα ἢ πρὸς τῷ Εὐφράτῃ μάχῃ ἐγένετο, παρὰ Καβάδην ἐπὶ πρεσβείᾳ ἦκων, ἐπέραιεν οὐδὲν τῆς εἰρήνης πέρι ἧς ἔνεκα ἦλθεν, ἐπεὶ αὐτὸν οἰδαίνοντα ἔτι ἐπὶ Ῥωμαίους εὔρε· διὸ δὴ ἄπρακτος ἀνεχώρησε. [2] καὶ Βελισάριος βασιλεῖ ἐς Βυζάντιον μετάπεμπτos ἦλθε περιηρημένος ἦν εἶχεν ἀρχὴν, ἐφ' ᾧ ἐπὶ Βανδύλους στρατεύσειε. [3] Σίττας δέ, Ἰουστινιανῷ βασιλεῖ τοῦτο δεδογμένον, ὡς φυλάζων τὴν ἐφ' ἣν ἐνταῦθα ἦλθε. [4] καὶ Πέρσαι αὐθις στρατῷ πολλῷ ἐς Μεσοποταμίαν, Χαναράγγου τε καὶ Ἀσπεβέδου καὶ Μερμερόου ἡγουμένων σφίσιν, ἐσέβαλον. [5] ἐπεὶ τε αὐτοῖς ἐτόλμα οὐδεὶς ἐς χεῖρας ἰέναι, Μαρτυρόπολιν ἐγκαθεζόμενοι ἐπολιόρκουν, οὐδὲν Βούζης τε καὶ Βέσσας τεταγμένοι ἐπὶ τῇ φυλακῇ ἔτυχον. [6] αὕτη δὲ κεῖται μὲν ἐν τῇ Σοφανηγῇ καλουμένῃ χώρᾳ, πόλεως Ἀμίδης τεσσαράκοντά τε καὶ διακοσίους σταδίους διέχουσα πρὸς βορρᾶν ἄνεμον· πρὸς αὐτῷ δὲ Νυμφίῳ τῷ ποταμῷ ἐστίν, ὃς τὴν τε Ῥωμαίων γῆν καὶ Περσῶν διορίζει. [7] οἱ μὲν οὖν

Πέρσαι τῷ περιβόλῳ προσέβαλλον, οἱ δὲ πολιορκούμενοι κατ' ἀρχὰς μὲν αὐτοὺς ἀνδρείως ὑφίσταντο, οὐ διὰ πολλοῦ δὲ ἀνθέξειν ἐπίδοξοι ἦσαν. [8] ὃ τε γὰρ περιβόλος ἐπιμαχώτατος ἦν ἐκ τοῦ ἐπὶ πλεῖστον καὶ πολιορκία Περσῶν ῥᾶστα ἀλώσιμος, αὐτοὶ τε τὰ ἐπιτήδεια οὐ διαρκῶς εἶχον, οὐ μὴν οὐδὲ μηχανὰς οὐδὲ τι ἄλλο ἀξιόχρεων καθ' ὃ τι ἀμύνωνται. [9] Σίττας δὲ καὶ ὁ Ῥωμαίων στρατὸς ἐς χωρίον μὲν Ἀτταχᾶς ἦλθον, Μαρτυροπόλεως ἑκατὸν σταδίοις διέχον, ἐς τὰ πρόσω δὲ οὐκ ἐτόλμων ἰέναι, ἀλλ' αὐτοῦ ἐνστρατοπεδευσάμενοι ἔμενον. [10] ξυνῆν δὲ αὐτοῖς καὶ Ἑρμογένης αὐθις ἐπὶ πρεσβείᾳ ἐκ Βυζαντίου ἦκων. ἐν τούτῳ δὲ τοιόνδε τι ξυνηέχθη γενέσθαι. [11] Κατασκόπους ἐκ παλαιοῦ ἐν τε Ῥωμαίοις καὶ Πέρσαις δημοσίᾳ σιτίζεσθαι νόμος, οἱ δὴ λάθρα ἰέναι παρὰ τοὺς πολεμίους εἰώθασιν ὅπως περισκοπήσαντες ἐς τὸ ἀκριβὲς τὰ πρασσόμενα εἶτα ἐπανιόντες τοῖς ἄρχουσιν ἐσαγγείλωσι. [12] τούτων πολλοὶ μὲν εὐνοία, ὥς τὸ εἰκός, χρῆσθαι ἐς τοὺς ὁμογενεῖς ἐν σπουδῇ ἔχουσι, τινὲς δὲ καὶ τοῖς ἐναντίοις προΐενται τὰ ἀπόρητα. [13] τότε οὖν ἐκ Περσῶν κατάσκοπός τις ἐς Ῥωμαίους σταλὲς ἐς ὅσιν τε Ἰουστινιανῷ βασιλεῖ ἦκων, ἄλλα τε πολλὰ ἐξεῖπεν ἐν τοῖς βαρβάροις πρασσόμενα καὶ ὥς γένος Μασσαγετῶν ἐπὶ τῷ Ῥωμαίων πονηρῷ αὐτίκα δὴ μάλα ἐς τὰ Περσῶν ἦθη ἐξίσαι, ἐνθένδε τε ἐς Ῥωμαίων τὴν γῆν ἰόντες τῷ Περσῶν στρατῷ ἔτοιμοί εἰσιν ἀναμίγνυσθαι. [14] ὁ δὲ ταῦτα ἀκούσας, πείραν τε ἤδη τοῦ ἀνθρώπου ἀληθείας περὶ ἐς αὐτὸν ἔχων, χρήμασιν αὐτὸν ἀδροῖς τισι χαρισάμενος πείθει ἔς τε τὸ Περσῶν στρατόπεδον ἰέναι ὃ δὴ Μαρτυροπολίτας ἐπολιόρκει, καὶ τοῖς ταύτῃ βαρβάροις ἀγγεῖλαι ὅτι δὴ οἱ Μασσαγέται οὗτοι χρήμασιν ἀναπεισθέντες τῷ Ῥωμαίων βασιλεῖ μέλλουσιν ὅσον οὐπω ἐπ' αὐτοὺς ἦξιν. [15] ὁ δὲ κατὰ ταῦτα ἐποίει, ἔς τε τὸ τῶν βαρβάρων στρατόπεδον ἀφικόμενος τῷ τε Χαναράγγῃ καὶ τοῖς ἄλλοις ἀπηγγέλλε στρατεύμα Οὐννων πολεμίων σφίσιν οὐκ ἐς μακρὰν ἐς τοὺς Ῥωμαίους ἀφίξεσθαι. [16] οἱ δὲ ἐπεὶ ταῦτα ἤκουσαν, κατωρρώδησάν τε καὶ ἐπὶ τοῖς παροῦσι διηποροῦντο. [17] Ἐν τούτῳ δὲ ξυνέβη πονήρως τῷ Καβάδῃ νοσῆσαι τὸ σῶμα, καὶ Περσῶν ἓνα τῶν οἱ ἐν τοῖς μάλιστα ἐπιτηδαιοτάτων καλέσας, Μεβόδην ὄνομα, ἐκοινολογεῖτο ἀμφὶ τε τῷ Χοσρόῃ καὶ τῇ βασιλείᾳ, δεδιέναι τε Πέρσας ἔφασκε μὴ τι τῶν αὐτῷ βεβουλευμένων ἀλογῆσαι ἐν σπουδῇ ἔξουσιν. [18] ὁ δὲ οἱ τῆς γνώμης τὴν δήλωσιν ἐν γράμμασιν ἀπολιπεῖν ἠξίου, θαρσύνοντα ὥς οὐ μὴ ποτε αὐτὴν ὑπεριδεῖν τολμήσωσι Πέρσαι. [19] Καβάδης μὲν οὖν ἄντικρυς διετίθετο βασιλέα Χοσρόην Πέρσαις καθίστασθαι. τὸ δὲ γράμμα ὁ Μεβόδης αὐτὸς ἔγραφε, καὶ ὁ Καβάδης αὐτίκα ἐξ ἀνθρώπων ἠφάνιστο. [20] καὶ ἐπεὶ τὰ νόμιμα πάντα ἐπὶ τῇ τοῦ βασιλέως ταφῇ ἐγεγόνει, ὁ μὲν Καόσης τῷ νόμῳ θαρσῶν ἐπεβάτευε τῆς τιμῆς, ὁ δὲ Μεβόδης ἐκώλυε, φάσκων οὐδένα χρῆναι αὐτόματον ἐς τὴν βασιλείαν ἰέναι, ἀλλὰ ψήφῳ Περσῶν τῶν λογίμων. [21] καὶ ὃς ἐπέτρεπε ταῖς ἀρχαῖς τὴν περὶ τοῦ πράγματος γνώσιν, οὐδὲν ἐνθένδε ἔσεσθαι οἱ ἐναντίωμα ὑποτοπάζων. [22] ἐπεὶ δὲ ἅπαντες οἱ Περσῶν λογίμοι ἐς τοῦτο ἀγηγεμένοι ἐκάθηντο, τὸ μὲν γράμμα ὁ Μεβόδης ἀναλεξάμενος τὴν Καβάδου ἀμφὶ τῷ Χοσρόῃ ἐδήλου γνώμην, ἀναμνησθέντες δὲ τῆς Καβάδου ἀρετῆς ἅπαντες βασιλέα Πέρσαις αὐτίκα Χοσρόην ἀνείπον. [23] Οὕτω μὲν ὁ Χοσρόης τὴν ἀρχὴν ἔσχεν. ἐν δὲ

Μαρτυροπόλει Σίττας τε καὶ Ἑρμόγενης ἀμφὶ τῇ πόλει δειμαίνοντες, ἀμύνειν γὰρ κινδυνευοῦση οὐδαμῇ εἶχον, ἐπεμνάν τινας ἐς τοὺς πολεμίους, οἱ τοῖς στρατηγοῖς ἐς ὅσιν ἐλθόντες ἔλεξαν τοιαύδε [24] ‘Λελήθατε ὑμᾶς αὐτοὺς βασιλεῖ τε τῷ Περσῶν καὶ τοῖς τῆς εἰρήνης ἀγαθοῖς καὶ πολιτείᾳ ἑκατέρω ἐμποδῶν οὐ δέον γινόμενοι. πρέσβεις γὰρ ἐκ βασιλέως ἐσταλμένοι τανῦν πάρεσιν, ἐφ’ ᾧ παρὰ τὸν Περσῶν βασιλέα ἰόντες τὰ τε διάφορα διαλύσουσι καὶ τὰς σπονδὰς πρὸς αὐτὸν θήσονται· ἀλλ’ ὡς τάχιστα ἐξανιστάμενοι τῆς Ῥωμαίων γῆς ξυγχορεῖτε τοῖς πρέσβεσι πράσσειν ἢ ἑκατέροις ξυνοίσειν μέλλει. [25] ἔτοιμοι γὰρ ἐσμεν ὑπὲρ τούτων αὐτῶν καὶ ὁμήρους διδόναι ἄνδρας δοκίμους, ὡς δὴ ἔργῳ οὐκ εἰς μακρὰν ἐπιτελῇ ἔσται.’ Ῥωμαίων μὲν οἱ πρέσβεις τοσαῦτα εἶπον. [26] ἐτύγγανε δὲ καὶ ἄγγελος ἐκ τῶν βασιλείων ἐς αὐτοὺς ἦκων, ὃς δὴ αὐτοῖς τετελευτηκέναι μὲν Καβάδην ἐσήγγελλε, Χοσρόην δὲ τὸν Καβάδου βασιλέα καταστῆναι Πέρσαις, [27] ταῦτη τε τὰ πράγματα ἠρωῆσθαι σφίσι. καὶ ἀπ’ αὐτοῦ τοὺς Ῥωμαίων λόγους οἱ στρατηγοὶ ἄσμενοι ἤκουσαν, ἅτε καὶ τὴν Οὐννων ἔφοδον δεῖσαντες. Ῥωμαῖοι μὲν οὖν ἐν ὁμήρων λόγῳ εὐθὺς ἔδοσαν Μαρτίνον τε καὶ τῶν Σίττα δορυφόρων ἓνα, Σενέκιον ὄνομα· Πέρσαι δὲ διαλύσαντες τὴν προσεδρεῖαν εὐθύωρον τὴν ἀναχώρησιν ἐποιήσαντο. [28] οἱ τε Οὐννοι οὐ πολλῷ ὕστερον ἐσβαλόντες εἰς γῆν τὴν Ῥωμαίων, ἐπεὶ τὸν Περσῶν στρατὸν ἐνταῦθα οὐχ εὗρον, δι’ ὀλίγου τὴν ἐπιδρομὴν ποιησάμενοι ἐπ’ οἴκου ἀπεκομίσθησαν ἅπαντες.

Αὐτίκα δὲ καὶ Ρουφῖνός τε καὶ Ἀλέξανδρος καὶ Θωμᾶς ὡς ξὺν Ἑρμογένει πρεσβεύοντες ἦλθον, παρὰ τε Περσῶν τὸν βασιλέα πάντες ἀφίκοντο ἐς ποταμὸν Τίγρην. [2] καὶ αὐτοὺς μὲν Χοσρόης ἐπειδὴ εἶδε, τοὺς ὁμήρους ἀφῆκε. τιθασσεύοντες δὲ Χοσρόην οἱ πρέσβεις ἐπαγωγὰ τε πολλὰ ἔλεξαν καὶ Ῥωμαίων ὡς ἥκιστα πρέσβεσι πρέποντα. [3] οἷς δὴ χειροῆθης ὁ Χοσρόης γενόμενος τὴν μὲν εἰρήνην πέρας οὐκ ἔχουσιν δέκα καὶ ἑκατὸν κεντηναρίων ὁμολόγει πρὸς αὐτοὺς θήσεσθαι, ἐφ’ ᾧ δὴ ὁ τῶν ἐν Μεσοποταμίᾳ στρατιωτῶν ἄρχων μηκέτι ἐν Δάρας τὸ λοιπὸν εἶη, ἀλλ’ ἐν Κωνσταντίνῃ τὸν ἅπαντα χρόνον διαγένοιτο ἥπερ καὶ τὸ παλαιὸν εἶθιστο· φρούρια δὲ τὰ ἐν Λαζικῇ οὐκ ἔφη ἀποδώσειν, καίπερ αὐτὸς τό τε Φαράγγιον καὶ Βῶλον τὸ φρούριον δικαίων πρὸς Ῥωμαίων ἀπολαβεῖν. [4] ἔλκει δὲ λίτρας τὸ κεντηνάριον ἑκατὸν, ἀφ’ οὗ δὴ καὶ ὠνόμασται. κέντον γὰρ τὰ ἑκατὸν καλοῦσι Ῥωμαῖοι. [5] τοῦτο δὲ οἱ δίδοσθαι τὸ χρυσίον ἡξίου, ὡς μήτε πόλιν Δάρας Ῥωμαῖοι καθελεῖν ἀναγκάζονται μήτε φυλακτηρίου τοῦ ἐν πύλαις Κασπίαις μεταλαχεῖν Πέρσαις. [6] οἱ μέντοι πρέσβεις τὰ μὲν ἄλλα ἐπὶνουν, τὰ δὲ φρούρια ἐνδιδόναι οὐκ ἔφασκον οἷοί τε εἶναι, ἣν μὴ βασιλέως ἀμφ’ αὐτοῖς πύθωνται πρότερον. [7] ἔδοξε τοίνυν Ρουφῖνον μὲν ὑπὲρ τούτων ἐς Βυζάντιον στέλλεσθαι, τοὺς δὲ ἄλλους, ἕως αὐτὸς ἐπανή, μένειν. καὶ χρόνος ἡμερῶν ἑβδομήκοντα Ρουφίνῳ ξυνέκειτο ἐς τὴν ἄφιξιν. [8] ἐπεὶ δὲ ὁ Ρουφῖνος ἐς Βυζάντιον ἀφικόμενος βασιλεῖ ἀπήγγελλεν ὅσα Χοσρόη ἀμφὶ τῇ εἰρήνῃ δοκοῦντα εἶη, ἐκέλευσε βασιλεὺς κατὰ ταῦτα σφίσι τὴν εἰρήνην ξυνίστασθαι. [9] Ἀλλ’ ἐν τούτῳ φήμη τις οὐκ ἀληθὴς ἤκουσα ἐς τὰ Περσῶν ἦθη βασιλέα Ἰουστινιανὸν ἠγγελλεν ὀργισθέντα Ρουφῖνον κτείνειν. οἷς δὴ Χοσρόης ξυνταραχθεὶς τε καὶ θυμῷ πολλῷ ἤδη ἐχόμενος τῷ παντὶ στρατῷ ἐπὶ Ῥωμαίους ἦει. Ρουφῖνος δὲ οἱ

μεταξὺ ἐπανήκων ἐνέτυχε πόλεως Νισίβιδος οὐ μακρὰν ἀποθεν. [10] διὸ δὴ αὐτοὶ τε ἐν τῇ πόλει ταύτῃ ἐγένοντο καί, ἐπεὶ τὴν εἰρήνην βεβαιοῦν ἐμελλον, τὰ χρήματα οἱ πρέσβεις ἐνταῦθα ἐκόμιζον. [11] ἀλλ' Ἰουστινιανῷ βασιλεῖ τὰ Λαζικῆς φρούρια ξυγκεχωρηκότες μετέμελεν ἤδη, γράμματά τε ἀντικρὺς ἀπολέγοντα τοῖς πρέσβεσιν ἔγραφε μηδαμῶς αὐτὰ προΐεσθαι Πέρσαις. [12] διὸ δὴ Χοσρόης τὰς σπονδὰς θέσθαι οὐκέτι ἠξίου, καὶ τότε Ῥουφίνῳ ἔννοιά τις ἐγένετο ὥς ταχύτερα ἢ ἀσφαλέστερα βουλευσάμενος ἐς γῆν τὴν Περσῶν τὰ χρήματα ἐσκομίσειεν. [13] αὐτίκα γοῦν ἐς τὸ ἔδαφος καθῆκε τὸ σῶμα, κείμενός τε πρηνὴς Χοσρόην ἰκέτευε τὰ τε χρήματα σφίσι ξυμπέμψαι καὶ μὴ ἐπὶ Ῥωμαίους εὐθὺς στρατεῦειν, ἀλλὰ ἐς χρόνον τινὰ ἕτερον τὸν πόλεμον ἀποτίθεσθαι. [14] Χοσρόης δὲ αὐτὸν ἐνθένδε ἐκέλευεν ἐξανίστασθαι, ἅπαντά οἱ ταῦτα χαριεῖσθαι ὑποσχόμενος. οἱ τε γοῦν πρέσβεις ξὺν τοῖς χρήμασιν ἐς Δάρας ἦλθον, καὶ ὁ Περσῶν στρατὸς ὀπίσω ἀπήλανε. [15] Καὶ τότε μὲν Ῥουφίνον οἱ ξυμπρεσβεύται δι' ὑποψίας τε αὐτοὶ ἐς τὰ μάλιστα ἔσχον καὶ ἐς βασιλέα διέβαλλον, τεκμαιρόμενοι ὅτι δὴ οἱ ἅπαντα ὁ Χοσρόης ὅσα ἔχρηξεν αὐτοῦ ἀναπεισθεὶς ξυνεχώρησεν. [16] ἔδρασε μέντοι αὐτὸν διὰ ταῦτα βασιλεὺς οὐδὲν ἄχαρι. χρόνῳ δὲ οὐ πολλῷ ὕστερον Ῥουφίνος τε αὐτὸς καὶ Ἑρμογένης αὐτῆς παρὰ Χοσρόην ἐστέλλοντο, ἔς τε τὰς σπονδὰς αὐτίκα ἀλλήλοις ξυνέβησαν, ἐφ' ᾧ ἑκάτεροι ἀποδώσουσιν ὅσα δὴ ἀμφοτέρω χωρία ἐν τῷδε τῷ πολέμῳ ἀλλήλους ἀφείλοντο, καὶ μηκέτι στρατιωτῶν τις ἀρχὴ ἐν Δάρας εἶη· τοῖς τε Ἰβηρσιν ἐδέδοκτο ἐν γνώμῃ εἶναι ἢ μένειν αὐτοῦ ἐν Βυζαντίῳ, ἢ ἐς σφῶν τὴν πατρίδα ἐπανιέναι. ἦσαν δὲ πολλοὶ καὶ οἱ μένοντες καὶ οἱ ἐπανιόντες ἐς τὰ πάτρια ἦθη. [17] οὕτω τοίνυν τὴν τε ἀπέραντον καλουμένην εἰρήνην ἐσπέισαντο, ἔκτον ἤδη ἔτος τὴν βασιλείαν Ἰουστινιανοῦ ἔχοντος. [18] καὶ Ῥωμαῖοι μὲν τό τε Φαράγγιον καὶ Βῶλον τὸ φρούριον ξὺν τοῖς χρήμασι Πέρσαις ἔδοσαν, Πέρσαι δὲ Ῥωμαίοις τὰ Λαζικῆς φρούρια. καὶ Δάγαριν δὲ Ῥωμαίοις ἀπέδοσαν Πέρσαι, ἀντ' αὐτοῦ ἕτερον κεκομισμένοι οὐκ ἀφανῆ ἄνδρα. [19] οὗτος ὁ Δάγαρις χρόνῳ τῷ ὑστέρῳ πολλάκις Οὐννους ἐς γῆν τὴν Ῥωμαίων ἐσβεβληκότας μάχαις νικήσας ἐξήλασεν. ἦν γὰρ διαφερόντως ἀγαθὸς τὰ πολέμια. τὰς μὲν οὖν πρὸς ἀλλήλους σπονδὰς τρόπῳ τῷ εἰρημένῳ ἀμφοτέρω ἐκρατύναντο.

Εὐθὺς δὲ βασιλεῖ ἑκατέρῳ ἐπιβουλὴν γενέσθαι ξυνηνέχθη πρὸς τῶν ὑπηκόων· ὄντινα μέντοι τρόπον αὐτίκα δηλώσω. Χοσρόης ὁ Καβάδου ἄτακτός τε ἦν τὴν διάνοιαν καὶ νεωτέρων πραγμάτων ἐραστής ἄτοπος. [2] διὸ δὴ αὐτός τε αἰεὶ ἐμπλεως ταραχῆς τε καὶ θορύβων ἐγένετο καὶ τῶν ὁμοίων τοῖς ἄλλοις ἅπασιν αἰτιώτατος. [3] ἀχθόμενοι οὖν αὐτοῦ τῇ ἀρχῇ ὅσοι ἐν Πέρσαις δραστήριοι ἦσαν, ἕτερον σφίσι βασιλέα καταστήσασθαι ἐκ τῆς Καβάδου οἰκίας ἐν βουλῇ εἶχον. [4] καὶ ἦν γὰρ αὐτοῖς πολὺς τις πόθος τῆς Ζάμου ἀρχῆς ἦν δὴ ὁ νόμος αἰτία τῆς τοῦ ὀφθαλμοῦ λώβης, ὥσπερ μοι ἐρρήθη, ἐκώλυε λογισάμενοι ἠῦρισκον σφίσιν αὐτοῖς ἄμεινον εἶναι Καβάδην μὲν τὸν αὐτοῦ παῖδα καὶ τῷ πάππῳ ὁμώνυμον ἐς τὴν ἀρχὴν καταστήσασθαι, Ζάμην δέ, ἅτε τῷ παιδί ἐπίτροπον ὄντα, διοικεῖσθαι ὅπῃ βούλοιο τὰ Περσῶν πράγματα. [5] γενόμενοί τε παρὰ τὸν Ζάμην τό τε βούλευμα ἐξήνεγκαν καὶ προθυμία πολλῇ ἐγκελευόμενοι ἐς τὴν πρᾶξιν ἐνήγον. καὶ ἐπεὶ τὸν ἄνδρα ἢ βουλὴ ἤρεσκεν, ἐς

καιρὸν τῷ Χοσρόῃ ἐπιθήσεσθαι διενοοῦντο. ἔκπυστος δὲ ἡ βουλὴ μέχρι ἐς τὸν βασιλέα γεγεννημένη τὰ πρασσόμενα διεκώλυσε. [6] Ζάμην τε γὰρ αὐτὸν ὁ Χοσρόης καὶ τοὺς αὐτοῦ τε καὶ Ζάμου ἀδελφούς ἅπαντας ξὺν γόνῳ παντὶ ἄρσενι ἔκτεινε, καὶ Περσῶν τῶν δοκίμων ὅσους τῶν ἐπὶ αὐτῷ βεβουλευμένων ἢ ἄρξαι ἢ μεταλαχεῖν τρόπῳ δὴ ὅτῳ τετύχηκεν. ἐν τοῖς καὶ Ἀσπεβέδης ἦν ὁ τῆς Χοσρόου μητρὸς ἀδελφός. [7] Καβάδην μέντοι τὸν Ζάμου υἱὸν αὐτὸς μὲν κτείνειν οὐδαμῇ εἶχεν. ἔτι γὰρ ὑπὸ χαναράγγῃ τῷ Ἀδεργουδουνβάδῃ ἐτρέφετο. αὐτῷ δὲ χαναράγγῃ τὸν παῖδα τοῦτον ὄνπερ ἐθρέψατο ἐπέστελλε διαχρήσασθαι. οὔτε γὰρ τῷ ἀνδρὶ ἀπιστεῖν ἐδικαίου οὔτε ἄλλως αὐτὸν βιάζεσθαι εἶχεν. [8] ὁ μὲν οὖν χαναράγγης, ἐπεὶ τὰς Χοσρόου ἐντολάς ἤκουσε, περιαλήσας τε καὶ ἀποκλαύσας τὴν συμφορὰν ἐκοινολογεῖτο τῇ γυναικὶ καὶ Καβάδου τίτθῃ ὅσα οἱ ὁ βασιλεὺς ἐπιστελλεῖε. δακρύσασα δὲ ἡ γυνὴ καὶ τῶν γονάτων τοῦ ἀνδρὸς λαβομένη, ἔχρηζε τέχνη μηδεμιᾶ Καβάδην κτείνειν. [9] βουλευσάμενοι οὖν ἐν σφίσιν αὐτοῖς ἐλογίσαντο κρυπτόμενον μὲν ὡς ἀσφαλέστατα τὸν παῖδα ἐκτρέφειν, τῷ δὲ Χοσρόῃ κατὰ τάχος σημῆναι ὡς οἱ ὁ Καβάδης ἐξ ἀνθρώπων ἀφανισθεῖη. [10] καὶ τῷ τε βασιλεῖ κατὰ ταῦτα ἐσήμαινον τὸν τε Καβάδην οὕτως ἀπέκρυσαν ὥστε τούτου γε παρείχοντο οὐδενὶ αἰσθῆσιν, ὅτι μὴ Οὐαρράμη τε τῷ σφετέρῳ παιδί καὶ τῶν οἰκετῶν ἐνί, ὃς δὴ αὐτοῖς πιστότατος ἐς τὰ μάλιστα ἔδοξεν εἶναι. [11] ἐπεὶ δὲ προϊόντος τοῦ χρόνου ἐς ἡλικίαν ὁ Καβάδης ἦλθε, δείσας ὁ χαναράγγης μὴ τὰ πεπραγμένα ἐς φῶς ἄγοιτο, χρήματά τε τῷ Καβάδῃ ἐδίδου καὶ αὐτὸν ἀπαλλαγέντα ἐκέλευε διασώζεσθαι ὅπῃ οἱ φεύγοντι δυνατὰ εἴη. τότε μὲν οὖν Χοσρόην τε καὶ τοὺς ἄλλους ἅπαντας ταῦτα διαπεπραγμένους ὁ χαναράγγης ἐλάνθανε. [12] Χρόνῳ δὲ ὕστερον ὁ μὲν Χοσρόης ἐς γῆν τὴν Κολχίδα στρατῷ μεγάλῳ ἐσέβαλλεν, ὡς μοι ἐν τοῖς ὀπισθεν λόγοις γεγράφεται. [13] εἶπετο δὲ αὐτῷ ὁ τούτου δὴ τοῦ χαναράγγου υἱὸς Οὐαρράμης, ἄλλους τε τῶν οἰκετῶν ἐπαγόμενος καὶ ὃς αὐτῷ τὰ ἐς τὸν Καβάδην ξυνεπιστάμενος ἔτυχεν: ἐνταῦθα τῷ βασιλεῖ Οὐαρράμης τὰ ἀμφὶ τῷ Καβάδῃ ἅπαντα ἔφραζε, καὶ τὸν οἰκέτην ἐφ' ἅπασιν οἱ ὁμολογοῦντα παρείχετο. [14] ταῦτα ἐπεὶ ὁ Χοσρόης ἔγνω, τῷ τε θυμῷ ἤδη ὑπερφυῶς εἶχετο καὶ δεινὰ ἐποίεῖτο εἰ πρὸς δούλου ἀνδρὸς τοιαῦτα ἔργα πεπονθῶς εἶη, οὐκ ἔχων τε ὅπως οἱ ὑποχείριον τὸν ἄνδρα ποιοίῃ, ἐπενόει τάδε. [15] ἡνίκα ἐκ γῆς τῆς Κολχίδος ἐπὶ οἴκου ἀναχωρεῖν ἔμελλε, γράφει τῷ χαναράγγῃ τούτῳ ὅτι δὴ αὐτῷ βεβουλευμένα εἶη παντὶ τῷ στρατῷ ἐς γῆν τὴν Ῥωμαίων ἐσβάλλειν, οὐκ ἐν μιᾷ μέντοι τῆς χώρας εἰσόδῳ, ἀλλὰ δίχα ποιησαμένῳ τὸ Περσῶν στράτευμα, ὅπως οἱ ἐντός τε καὶ ἐκτός ποταμοῦ Εὐφράτου ἐπὶ τοὺς πολεμίους ἢ ἐσβολὴ ἔσται. [16] μιᾷ μὲν οὖν τῆς στρατιᾶς μοῖρα ἐς τὴν πολεμίαν αὐτόν, ὡς τὸ εἰκός, ἐξηγήσεσθαι, ἐτέρῳ δὲ οὐδενὶ ἐνδιδόναι τῶν αὐτοῦ δούλων ἴσα τῷ βασιλεῖ ἐν ταύτῃ δὴ τῇ τιμῇ ἔχειν, ὅτι μὴ αὐτῷ χαναράγγῃ τῆς ἀρετῆς ἕνεκα. [17] δεῖν τοίνυν αὐτὸν μὲν ἐν τῇ ἀποπορείᾳ κατὰ τάχος οἱ ἐς ὅσιν ἐλθεῖν, ὅπως αὐτῷ κοινολογησάμενος ἅπαντα ἐπιστέλλοι ὅσα ξυνοίσειν τῇ στρατιᾷ μέλλοι, τοὺς δὲ ξὺν αὐτῷ ὀπισθε κελεύειν ὁδῷ ἰέναι. [18] ταῦτα ἐπεὶ ὁ χαναράγγης ἀπενεχθέντα εἶδε, περιχαρὴς γεγρονῶς τῇ ἐς αὐτὸν τοῦ βασιλέως τιμῇ μακράν τε ἀπολελειμμένος τῶν οἰκείων κακῶν, αὐτίκα τὰ ἐντεταλμένα ἐπιτελῇ ἐποίει. [19] ἐν δὲ τῇ ὁδῷ ταύτῃ

ἀντέχειν τῷ πόνῳ οὐδαμῇ ἔχων ἦν γάρ τις γέρων ὁ ἀνὴρ μάλιστα τὸν τε χαλινὸν μεθεὶς τοῦ ἵππου ἐκπίπτει καὶ οἱ τὸ ἐν τῷ σκέλει ὁστέον ἐρράγη· διὸ δὴ αὐτῷ ἐπάναγκες ἦν ἐνταῦθα θεραπευομένῳ ἡσυχῇ μένειν, ἔς τε τὸ χωρίον τοῦτο τῷ βασιλεῖ ἦκοντι ἐς ὧσιν ἦλθε. [20] καὶ αὐτῷ Χοσρόης ἔφασκε ξυστρατεύειν σφίσιν οὕτως ἔχοντι τοῦ ποδὸς ἀδύνατα εἶναι, ἀλλὰ χρῆναι αὐτὸν ἔς τι τῶν ἐκεῖνι φρουρίων ἰόντα τῆς πρὸς τῶν ἱατρῶν ἐπιμελείας ἐνταῦθα τυχεῖν. [21] οὕτω μὲν ὁ Χοσρόης τὴν ἐπὶ τῷ θανάτῳ τὸν ἄνθρωπον ἀπεπέμψατο, καὶ ζὺν αὐτῷ ὀπισθεν εἶποντο οἵπερ αὐτὸν ἐν τῷ φρουρίῳ ἀπολεῖν ἔμελλον, ἄνδρα ἐν Πέρσαις ἀήττητον στρατηγὸν ὄντα τε καὶ λεγόμενον, ὅσπερ ἐπὶ δώδεκα ἔθνη βαρβάρων στρατεύσας ἅπαντα Καβάδῃ βασιλεῖ παρεστήσατο. [22] τοῦ δὲ Ἀδεργουδουνβάδου ἐξ ἀνθρώπων ἀφανισθέντος, Οὐαρράμης ὁ παῖς τὸ τοῦ χαναράγγου ἀξίωμα ἔσχε. [23] χρόνῳ δὲ οὐ πολλῷ ὕστερον εἴτε Καβάδης αὐτός, ὁ τοῦ Ζάμου υἱός, εἴτε τις ἄλλος ἐπιβατεύων τοῦ Καβάδου ὀνόματος ἐς Βυζάντιον ἦλθε· Καβάδῃ μέντοι βασιλεῖ τὴν ὧσιν ἐμφερέστατος ἦν. [24] καὶ αὐτὸν Ἰουστινιανὸς βασιλεὺς ἀμφιγνοῶν μὲν, ἅτε δὴ Καβάδου βασιλέως υἱὸν, ζὺν φιλοφροσύνῃ πολλῇ ἐν τιμῇ ἔσχε. τὰ μὲν οὖν ἀμφὶ Πέρσας τοὺς Χοσρόῃ ἐπαναστάντας ἐγένετο ὧδε. [25] Ὑστερον δὲ καὶ τὸν Μεβόδην ὁ Χοσρόης διεχρήσατο ἐξ αἰτίας τοιαύσδε. τῶν τι σπουδαίων διαχειρίζων, παρόντι τῷ Ζαβεργάνῃ ἐπέταττε τὸν Μεβόδην καλεῖν· ἐτύγχανε δὲ τῷ Μεβόδῃ ὁ Ζαβεργάνης διάφορος ὢν· ὃς δὴ παρ' αὐτὸν ἀφικόμενος εὗρισκε μὲν στρατιώτας τοὺς αὐτῷ ἐπομένους διέποντα, ἔλεγε δὲ ὅτι δὴ αὐτὸν ὡς τάχιστα ὁ βασιλεὺς καλοίῃ. [26] καὶ ὁ μὲν αὐτίκα μάλα, ἐπειδὴν τὰ ἐν ποσὶ διάθηται, ἔψεσθαι ὡμολόγει, ὁ δὲ τῷ ἐς αὐτὸν ἔχθρῳ ἡγμένος ἀπήγγελλε Χοσρόῃ ὡς οὐ βούλοιο Μεβόδης ἐν τῷ παρόντι ἤκειν, φάσκων οἱ τινα ἀσχολίαν εἶναι. [27] θυμῷ τοίνυν ὁ Χοσρόης ἐχόμενος, στείλας τῶν οἱ ἐπομένων τινὰ παρὰ τὸν τρίποδα τὸν Μεβόδην ἐκέλευεν ἰέναι. ὃ τι δὲ τοῦτό ἐστιν, αὐτίκα δηλώσω. [28] τρίπους σιδηροῦς πρὸ τῶν βασιλείων ἐσαεῖ ἔστηκεν. ἐπειδὴν οὖν τις τῶν Περσῶν πύθεται ὅτι δὴ αὐτῷ ὁ βασιλεὺς χαλεπῶς ἔχοι, τοῦτ' αὖτε οὔτε πῃ ἐς ἱερὸν καταφυγεῖν θέμις οὔτε ἀλλαχόσε ἰέναι, ἀλλὰ παρὰ τοῦτον καθημένῳ τὸν τρίποδα τὴν βασιλέως προσδέχεσθαι ψῆφον, τῶν πάντων οὐδενὸς φυλάσσειν αὐτὸν ἀξιοῦντος. [29] ἐνταῦθα ὁ Μεβόδης ἐν σχήματι οἰκτρῷ ἐκάθητο ἡμέρας πολλὰς, ἕως τις αὐτὸν Χοσρόου ἐπαγγείλαντος λαβὼν ἔκτεινεν. ἐς τοῦτό τε αὐτῷ τὰ τῆς ἐς Χοσρόην εὐεργεσίας ἐχώρησεν.

Ὑπὸ δὲ τοὺς αὐτοὺς χρόνους ἐν Βυζαντίῳ στάσις τῷ δήμῳ ἐκ τοῦ ἀπροσδοκίτου ἐνέπεσεν, ἥ μεγίστη τε παρὰ δόξαν ἐγένετο καὶ ἐς κακὸν μέγα τῷ τε δήμῳ καὶ τῇ βουλῇ ἐτελεύτησε τρόπῳ τοιῷδε. [2] οἱ δῆμοι ἐν πόλει ἐκάστη ἐς τε Βενέτους ἐκ παλαιοῦ καὶ Πρασίνους διήρηντο, οὐ πολλὺς δὲ χρόνος ἐξ οὗ τούτων τε τῶν ὀνομάτων καὶ τῶν βάθρων ἔνεκα οἷς δὴ θεώμενοι ἐφεστήκασιν, τὰ τε χρήματα δαπανῶσι καὶ τὰ σώματα αἰκισμοῖς πικροτάτοις προΐενται καὶ θνήσκουσιν οὐκ ἀπαξιοῦσι θανάτῳ αἰσχίστῳ· [3] μάχονται δὲ πρὸς τοὺς ἀντικαθισταμένους, οὔτε εἰδότες ὅτου αὐτοῖς ἔνεκα ὁ κίνδυνός ἐστιν, ἐξεπιστάμενοι τε ὥς, ἦν καὶ περιέσωνται τῶν δυσμενῶν τῇ μάχῃ, λελεῖνεται αὐτοῖς ἀπαχθῆναι μὲν αὐτίκα ἐς τὸ δεσμοτήριον, αἰκίζομένους δὲ τὰ ἔσχατα

εἶτα ἀπολωλέναι. [4] φύεται μὲν οὖν αὐτοῖς τὸ ἐς τοὺς πέλας ἔχθος αἰτίαν οὐκ ἔχον, μένει δὲ ἀτελεστέον ἐς τὸν πάντα αἰῶνα, οὔτε κήδει οὔτε ξυγγενεῖα οὔτε φιλίας θεσμῷ εἶκον, ἣν καὶ ἀδελφοὶ ἢ ἄλλο τι τοιοῦτον οἱ ἐς τὰ χρώματα ταῦτα διάφοροι εἶεν. [5] μέλει τε αὐτοῖς οὔτε θείων οὔτε ἀνθρωπειῶν πραγμάτων παρὰ τὸ ἐν τούτοις νικᾶν, ἣν τέ τι ἀσέβημα ἐς τὸν θεὸν ὑφ' ὅτου οὖν ἀμαρτάνηται ἣν τε οἱ νόμοι καὶ ἡ πολιτεία πρὸς τῶν οἰκειῶν ἢ τῶν πολεμίων βιάζονται, ἐπεὶ καὶ τῶν ἐπιτηδείων σπανίζοντες ἴσως κὰν τοῖς ἀναγκαιοτάτοις ἀδικουμένης αὐτοῖς τῆς πατρίδος, οὐ προσποιοῦνται, ἣν γε αὐτοῖς κεῖσθαι τὸ μέρος ἐν καλῷ μέλλῃ: οὕτω γὰρ τοὺς συστασιώτας καλοῦσι. [6] μεταλαγχάνουσι δὲ τοῦ ἀγους τούτου καὶ γυναῖκες αὐτοῖς, οὐ τοῖς ἀνδράσιν ἐπόμεναι μόνον, ἀλλὰ καὶ τούτοις, ἂν οὕτω τύχοι, ἀντιστατοῦσαι, καίπερ οὔτε εἰς τὰ θέατρα τὸ παράπαν ἰοῦσαι οὔτε τῷ ἄλλῳ αἰτίῳ ἠγγμένοι: ὥστε οὐκ ἔχω ἄλλο τι ἔγωγε τοῦτο εἰπεῖν ἢ ψυχῆς νόσημα. ταῦτα μὲν οὖν ταῖς τε πόλεσι καὶ δήμῳ ἐκάστω ὧδέ πη ἔχει. [7] Τότε δὲ ἡ ἀρχή, ἡ τῷ δήμῳ ἐφειστήκει ἐν Βυζαντίῳ, τῶν στασιωτῶν τινὰς τὴν ἐπὶ θανάτῳ ἀπήγε. ξυμφορήσαντες δὲ καὶ σπείσάμενοι πρὸς ἀλλήλους ἐκάτεροι τοὺς τε ἀγομένους ἀρπάζουσι καὶ ἐς τὸ δεσμοτῆριον αὐτίκα ἐσβάντες ἀφιᾷσιν ἅπαντας ὅσοι στάσεως ἢ ἐτέρου του ἀλόντες ἀτοπήματος ἐδέδεντο. [8] καὶ οἱ μὲν ὑπηρεταί, ὅσοι τῇ τῆς πόλεως ἀρχῇ ἔπονται, ἐκτείνοντο οὐδενὶ λόγῳ, τῶν δὲ πολιτῶν εἴ τι καθαρὸν ἦν ἐς τὴν ἀντιπέρας ἡπειρον ἔφευγον, καὶ τῇ πόλει πῦρ ἐπεφέρετο, ὡς δὴ ὑπὸ πολεμίοις γεγεννημένη. [9] καὶ τὸ ἱερὸν ἡ Σοφία τό τε βαλανεῖον ὁ Ζεῦξιππος καὶ τῆς βασιλείας αὐλῆς τὰ ἐκ τῶν προφυλαίων ἄχρι ἐς τὸν Ἄρεως λεγόμενον οἶκον καυθέντα ἐφθάρη, ἐπὶ τούτοις τε ἅμφω αἱ μεγάλαι στοαὶ μέχρι τῆς ἀγορᾶς ἀνήκουσαι ἡ Κωνσταντίνου ἐπώνυμός ἐστιν, εὐδαιμόνων τε ἀνθρώπων οἰκίαι πολλαὶ καὶ χρήματα μεγάλα. [10] βασιλεὺς δὲ καὶ ἡ συνοικοῦσα καὶ τῶν ἀπὸ βουλῆς ἔνιοι καθεῖρξαντες σφᾶς αὐτοὺς ἐν παλατίῳ ἡσύχαζον. ξύμβολον δὲ ἀλλήλοις ἐδίδοσαν οἱ δῆμοι τὸ νίκαι, καὶ ἀπ' αὐτοῦ ἐς τότε τοῦ χρόνου ἡ κατάστασις ἐκείνη προσαγορεύεται. [11] Τότε τῆς μὲν αὐλῆς ἑπαρχος Ἰωάννης ἦν ὁ Καππαδόκης, Τριβουνιανὸς δὲ, Πάμφυλος γένος, βασιλεῖ ἀρεδρος: κοιαίστωρα τοῦτον καλοῦσι Ῥωμαῖοι. [12] τούτοις ἄτερος, Ἰωάννης, λόγων μὲν τῶν ἐλευθερίων καὶ παιδείας ἀνήκοος ἦν. οὐ γὰρ ἄλλο οὐδὲν ἐς γραμματιστοῦ φοιτῶν ἔμαθεν, ὅτι μὴ γράμματα, καὶ ταῦτα κακὰ κακῶς γράψαι: φύσεως δὲ ἰσχυρὴ πάντων γέγονε δυνατώτατος ὣν ἡμεῖς ἴσμεν. [13] γινῶναι τε γὰρ τὰ δέοντα ἱκανώτατος ἦν καὶ λύσιν τοῖς ἀπόροις εὐρεῖν. πονηρότατος δὲ γεγονὼς ἀνθρώπων ἀπάντων τῇ τῆς φύσεως δυνάμει ἐς τοῦτο ἐχρήτο, καὶ οὔτε θεοῦ λόγος οὔτε ἀνθρώπων αὐτὸν αἰδῶς τις ἐσήει, ἀλλὰ βίους τε αὐτῷ ἀνθρώπων πολλῶν ἀπολλύναι κέρδους ἔνεκα καὶ πόλεις ὅλας καθελεῖν ἐπιμελὲς ἦν. [14] χρόνου γοῦν ὀλίγου χρήματα μεγάλα περιβαλόμενος, ἐς κραιπάλην τινὰ ἐκλελάκτικεν ὅρον οὐκ ἔχουσαν, ἄχρι μὲν ἐς τὸν τοῦ ἀρίστου καιρὸν ληιζόμενος τὰς τῶν ὑπηκόων οὐσίας, μέθη δὲ τὸ λοιπὸν καὶ σώματος ἔργοις ἀσελγέσιν ἡσχολημένος: [15] κατέχειν δὲ ἑαυτὸν οὐδαμῇ ἴσχυεν, ἀλλὰ τὰ τε βρώματα μέχρι ἐς τὸν ἑμετον ἥσθιε καὶ τὰ χρήματα κλέπτειν μὲν ἦν ἐς αἰεὶ ἔτοιμος, προῖεσθαι δὲ καὶ δαπανᾶν ἐτοιμότερος. Ἰωάννης μὲν οὖν τοιοῦτός τις ἦν. [16] Τριβουνιανὸς δὲ φύσεως

μὲν δυνάμει ἐχρήτο καὶ παιδείας ἐς ἄκρον ἀφίκετο τῶν κατ' αὐτὸν οὐδενὸς ἦσσαν, ἐς δὲ φιλοχρηματίαν δαιμονίως ἐσπουδακῶς οἷός τε ἦν κέρδους ἀεὶ τὸ δίκαιον ἀποδίδοσθαι, τῶν τε νόμων ἡμέρα ἐκ τοῦ ἐπὶ πλεῖστον ἐκάστη τοὺς μὲν ἀνῆρει, τοὺς δὲ ἔγραφεν, ἀπεμπολῶν τοῖς δεομένοις κατὰ τὴν χρεῖαν ἐκάτερον. [17] Ἔως μὲν οὖν ὁ δῆμος ὑπὲρ τῶν ἐν τοῖς χρώμασιν ὀνομάτων τὸν πόλεμον πρὸς ἀλλήλους διέφερον, λόγος οὐδεὶς ἦν ὣν οὗτοι ἐς τὴν πολιτείαν ἡμάρτανον· ἐπεὶ δὲ ξυμφρονήσαντες, ὥσπερ ἐρρήθη, ἐς τὴν στάσιν κατέστησαν, ἔκ τε τοῦ ἐμφανοῦς ἀνὰ πᾶσαν τὴν πόλιν ἐς αὐτοὺς ὕβριζον καὶ περιόντες ἐζήτουν ἐφ' ᾧ κτείνωσι. διὸ δὴ βασιλεὺς ἐταιρίζεσθαι τὸν δῆμον ἐθέλων ἄμφω τῆς ἀρχῆς ἐν τῷ παραντίκῳ παρέλυσεν. [18] καὶ Φωκᾶν μὲν, ἄνδρα πατρίκιον, ἔπαρχον τῆς αὐλῆς κατεστήσατο, ξυνετώτατόν τε καὶ τοῦ δικαίου ἐπιμελεῖσθαι ἱκανῶς πεφυκότα· Βασιλείδην δὲ τὴν τοῦ κοιαιστώρος ἀρχὴν ἔχειν ἐκέλευεν, ἔκ τε ἐπιεικείας γνῶριμον ἐν πατρικίοις ὄντα καὶ ἄλλως δόκιμον. [19] οὐδὲν μέντοι ἦσσαν ἢ στάσις ἐπ' αὐτοῖς ἤκμαζε. πέμπτη δὲ ἀπὸ τῆς στάσεως ἡμέρα περὶ δείλην ὀψίαν Ἰουστινιανὸς βασιλεὺς Ὑπατίῳ τε καὶ Πομπηίῳ τοῖς Ἀναστασίου τοῦ βεβασилευκότος ἀδελφιδοῖς οἰκαδε ὡς τάχιστα ἐπέσκηπτεν ἵεναι, εἴτε τι νεώτερον πράσσεσθαι πρὸς αὐτῶν ἐς σῶμα τὸ οἰκεῖον ὑποτοπήσας εἴτε καὶ αὐτοὺς ἢ πεπρωμένη ἐς τοῦτο ἦγεν. [20] οἱ δέ, ὅπερ ἐγένετο, δείσαντες μὴ σφᾶς ὁ δῆμος ἐς τὴν βασιλείαν βιάζοιτο, ἔφασαν οὐ δίκαια ποιήσῃν εἰ σφῶν τὸν βασιλέα παρήσουσιν ἐς τοσόνδε κίνδυνον ἦκοντα. [21] ταῦτα ἀκούσας Ἰουστινιανὸς βασιλεὺς ἔτι μᾶλλον ἐς τὴν ὑποψίαν ἐνέπιπτε, καὶ αὐτοὺς αὐτίκα μάλᾳ ἐκέλευεν ἀπαλλάσσεσθαι. οὕτω γοῦν οἰκαδε τῷ ἄνδρῳ τούτῳ ἐκομιζέσθην καί, τέως μὲν νύξ ἐτύγγανεν οὔσα, ἐνταῦθα ἡσυχάζετην. [22] Τῇ δὲ ὑστεραίᾳ ἅμα ἡλίῳ ἀνίσχοντι ἔκπυστα ἐς τὸν δῆμον ἐγένετο ὡς ἀμφοτέρῳ ἀπηλλαγήτην τῆς ἐν παλατίῳ διατριβῆς. ἔτρεχον οὖν ἐπ' αὐτοὺς ὁ λεῶς ἅπας, βασιλέα τε Ὑπάτιον ἀνηγόρευον, καὶ αὐτὸν ὡς παραληψόμενον τὰ πράγματα ἐς τὴν ἀγορὰν ἦγον. [23] ἡ δὲ Ὑπατίου θυγὴ Μαρία, ξυνετή τε οὔσα καὶ δόξαν ἐπὶ σωφροσύνῃ μεγίστην ἔχουσα, εἶχετο μὲν τοῦ ἀνδρὸς καὶ οὐ μεθίει, ἐβόα δὲ ὀλολυγῇ τε χρωμένη καὶ τοῖς ἐπιτηδείοις ἅπασιν ἐγκελευομένη, ὡς αὐτὸν τὴν ἐπὶ θανάτῳ οἱ δῆμοι ἄγοιεν. [24] ὑπερβιαζομένου μέντοι τοῦ ὁμίλου, αὕτη τε οὐχ ἐκούσα μεθῆκε τὸν ἄνδρα καὶ αὐτὸν ὁ λεῶς οὐτὶ ἐκούσιον ἐς τὴν Κωνσταντίνου ἀγορὰν ἦκοντα ἐς τὴν βασιλείαν ἐκάλουν, καὶ 'οὐ γὰρ ἦν αὐτοῖς οὔτε διάδημα οὔτε τι ἄλλο ὣν δὴ βασιλέα περιβάλλεσθαι νόμος' στρεπτόν τινα χρυσοῦν ἐπὶ τῇ κεφαλῇ θέμενοι βασιλέα Ῥωμαίων ἀνεῖπον. [25] ἤδη δὲ καὶ τῶν ἐκ βουλῆς ξυνιόντων, ὅσοι οὐκ ἀπολειφθέντες ἐτύγγανον ἐν τῇ βασιλειῶς αὐλῇ, πολλοὶ μὲν ἐλέγοντο γινῶμαι ὡς αὐτοῖς ἰτέον ἀγωνιούμενοι ἐς παλάτιον· [26] Ὡριγένης δέ, ἀνὴρ ἐκ βουλῆς, παρελθὼν ἔλεξε τοιάδε 'Τὰ μὲν παρόντα ἡμῖν, ὧ ἄνδρες Ῥωμαῖοι, πράγματα μὴ οὐχὶ πολέμῳ διακριθῆναι οὐχ οἷόν τε. πόλεμος δὲ καὶ βασιλεία τὰ μέγιστα τῶν ἐν ἀνθρώποις ἀπάντων ὠμολόγηται εἶναι. [27] τῶν δὲ δὴ πράξεων αἱ μεγάλαι οὐ βραχύτητι καιροῦ κατορθοῦσθαι θέλουσιν, ἀλλ' εὐβουλία τε λογισμῶν καὶ πόνοις σωμάτων, ἅπερ ἄνθρωποι ἐς χρόνου μῆκος ἐνδείκνυνται. [28] ἦν μὲν οὖν ἐπὶ τὸν πολέμιον ἵοιμεν, ἐπὶ ξυροῦ μὲν ἀκμῆς τὰ πράγματα ἡμῖν στήσεται, περὶ δὲ τῶν ὅλων ἐν βραχεὶ διακινδυνεύσομεν χρόνον, τῶν δὲ

ἀποβήσεσθαι μελλόντων ἔνεκα τὴν τύχην ἢ προσκυνήσομεν ἢ μεμψόμεθα πάντως. [29] τὰ γὰρ τῶν πραγμάτων ὀξύτατα ἐς τὸ τῆς τύχης ὥς τὰ πολλὰ περιίσταται κράτος. ἦν δὲ σχολαίτερον τὰ παρόντα διοικησώμεθα, οὐδὲ βουλομένοις παρέσται ἡμῖν Ἰουστινιανὸν ἐν παλατίῳ λαβεῖν, ἀλλ' ἀγαπήσει ὥς τάχιστα ἦν τις αὐτὸν ἐφ' ἡ φυγεῖν. [30] ἀρχὴ γὰρ περιορωμένη καταρρεῖν εἶωθεν, ἀποληγούσης αὐτῇ τῆς ἰσχύος ἐς ἡμέραν ἐκάστην. ἔστι τοίνυν ἡμῖν βασιλεία ἕτερα, Πλακιλλιανᾶι τε καὶ τὰ Ἑλένης ἐπώνυμα, ὅθεν χρὴ βασιλέα τόνδε ὀρμώμενον τὸν τε πόλεμον διενεγκεῖν καὶ [31] τὰ ἄλλα διοικήσασθαι ἢ ἄμεινον ἔξει.' Ὠριγένης μὲν τοσαῦτα εἶπεν. οἱ δὲ δὴ ἄλλοι, ὅπερ φιλεῖ ὁμιλος ποιεῖν, ὀξύτερόν τε ἀντελαμβάνοντο καὶ τὸ παραυτίκα ὦντο ξύμφορον εἶναι, καὶ οὐχ ἥκιστα γε Ὑπάτιος 'χρὴν γὰρ οἱ γενέσθαι κακῶς' τῆς ἐπὶ τὸν ἱππόδρομον ὁδοῦ ἐκέλευεν ἡγεῖσθαι. τινὲς δὲ φασιν ἐξεπίτηδες αὐτὸν ἐνταῦθα ἦκειν, βασιλεῖ εὐνοϊκῶς ἔχοντα. [32] Οἱ δὲ ἀμφὶ τὸν βασιλέα ἐν βουλῇ ἦσαν, πότερα μένουσιν αὐτοῖς ἢ ταῖς ναυσὶν ἐς φυγὴν τρεπομένοις ἄμεινον ἔσται. καὶ λόγοι μὲν πολλοὶ ἐλέγοντο ἐς ἑκάτερα φέροντες. [33] καὶ Θεοδώρα δὲ ἡ βασιλὶς ἔλεξε τοιάδε 'Τὸ μὲν γυναῖκα ἐν ἀνδράσι μὴ χρῆναι τολμᾶν ἢ ἐν τοῖς ἀποκνοῦσι νεανιεύεσθαι, τὸν παρόντα οἶμαι καιρὸν ἥκιστα ἐφεῖναι διασκοπεῖσθαι εἴτε ταύτῃ εἴτε ἄλλῃ πῃ νομιστέον. [34] οἷς γὰρ τὰ πράγματα ἐς κίνδυνον τὸν μέγιστον ἦκει, οὐκ ἄλλο οὐδὲν εἶναι δοκεῖ ἄριστον ἢ τὰ ἐν ποσὶν ὥς ἄριστα θέσθαι. [35] ἡγοῦμαι δὲ τὴν φυγὴν ἔγωγε, εἴπερ ποτέ, καὶ νῦν, ἦν καὶ τὴν σωτηρίαν ἐπάγεται, ἀξύμφορον εἶναι. ἀνθρώπῳ μὲν γὰρ ἐς φῶς ἦκοντι τὸ μὴ οὐχὶ καὶ νεκρῷ γενέσθαι ἀδύνατον, τῷ δὲ βεβασιλευκότῳ τὸ φυγάδι εἶναι οὐκ ἀνεκτόν. [36] μὴ γὰρ ἂν γενοίμην τῆς ἀλουργίδος ταύτης χωρὶς, μὴδ' ἂν τὴν ἡμέραν ἐκείνην βίωην, ἐν ἣ με δέσποιναν οἱ ἐντυχόντες οὐ προσερούσιν. εἰ μὲν οὖν σώζεσθαι σοι βουλομένῳ ἐστίν, ὧ βασιλεῦ, οὐδὲν τοῦτο πρᾶγμα. [37] χρήματα γὰρ τε πολλὰ ἔστιν ἡμῖν, καὶ θάλασσα μὲν ἐκείνη, πλοῖα δὲ ταῦτα. σκόπει μέντοι μὴ διασωθέντι ξυμβήσεται σοι ἥδιστα ἂν τῆς σωτηρίας τὸν θάνατον ἀνταλλάξασθαι. ἐμὲ γὰρ τις καὶ παλαιὸς ἀρέσκει λόγος, ὥς καλὸν ἐντάφιον [38] ἢ βασιλεία ἐστίν.' τοσαῦτα τῆς βασιλίδος εἰπούσης, θάρσος τε τοῖς πᾶσιν ἐπεγένετο καὶ ἐς ἀλκὴν τραπόμενοι ἐν βουλῇ ἐποιοῦντο ἢ ἂν ἀμύνεσθαι δυνατοὶ γένοιτο, ἦν τις ἐπ' αὐτοὺς πολεμήσων ἴοι. [39] οἱ μὲν οὖν στρατιῶται ξύμπαντες, οἱ τε ἄλλοι καὶ ὅσοι ἀμφὶ τὴν βασιλέως αὐλὴν ἐτετάχατο, οὔτε τῷ βασιλεῖ εὐνοϊκῶς εἶχον οὔτε ἐς τὸ ἐμφανὲς ἔργου ἔχεσθαι ἠθέλον, ἀλλὰ τὸ μέλλον ἐκαπαδόκουν ὅπῃ ἐκβήσεται. [40] πᾶσαν δὲ τὴν ἐλπίδα ἐν Βελισαρίῳ τε καὶ Μούνδῳ ὁ βασιλεὺς εἶχεν, ὧν ἄτερος μὲν, Βελισάριος, ἄρτι ἐκ τοῦ Μηδικοῦ ἐπανήκων πολέμου τὴν τε ἄλλην θεραπείαν δυνατὴν τε καὶ λόγου ἀξίαν ἐπήγετο καὶ δορυφόρων τε εἶχε καὶ ὑπασπιστῶν πλῆθος ἐν τε ἀγῶσι καὶ τοῖς τοῦ πολέμου κινδύνοις τὰς μελέτας πεποιημένον. [41] Μούνδος δέ, Ἰλλυριῶν στρατηγὸς ἀποδεδειγμένος, τύχῃ τινὶ ξυνεκύρῃσε βαρβάρους Ἑρούλους ἐπαγαγόμενος κατὰ τινα χρεῖαν ἐς Βυζάντιον μετάπεμπος ἦκειν. [42] Ὑπάτιος μὲν οὖν ἐπειδὴ εἰς τὸν ἱππόδρομον ἀφίκετο, ἀναβαίνει μὲν αὐτίκα οὐδ' ἄρ' ἡ βασιλέα καθίστασθαι νόμος, κάθηται δὲ ἐς τὸν βασιλείου θρόνον, ὅθεν αἰὲ βασιλεὺς εἰώθει τὸν τε ἱππικὸν καὶ γυμνικὸν θεᾶσθαι ἀγῶνα. [43] ἐκ δὲ παλατίου Μούνδος μὲν διὰ πύλης ἐξῆι, ἔνθα δὴ ὁ κοχλίας ἀπὸ τῆς καθόδου

κυκλοτεροῦς οὔσης ὠνόμασται. [44] Βελισάριος δὲ τὰ μὲν πρῶτα εὐθὺ αὐτοῦ τε Ὑπατίου καὶ θρόνου τοῦ βασιλείου ἀνέβαινεν, ὥς δὲ ἐς τὸ πλησίον οἴκημα ἦλθεν οὗ δὴ στρατιωτῶν φρουρὰ ἐκ παλαιοῦ ἐστίν, ἐβόα τοῖς στρατιώταις ἐγκελευόμενος ἀνοιγνύναι οἱ τὴν θύραν ὡς τάχιστα ὅπως ἐπὶ τὸν τύραννον ἴοι. [45] δεδογμένον δὲ τοῖς στρατιώταις μηδετέρῳ ἀμύνειν ἕως αὐτῶν ἄτερος λαμπρῶς νικῶν, ὥς ἥκιστα ἐπαῖειν δοκοῦντες διεκρούσαντο. [46] ἀναστρέψας οὖν Βελισάριος ὡς βασιλέα, διεφθάρθαι ἰσχυρίζετο σφίσι τὰ πράγματα. [47] νεωτερίζειν γὰρ ἐς αὐτὸν τοὺς στρατιώτας οἱ τὴν παλατίου φρουρὰν ἔχουσιν. ἐκέλευεν οὖν αὐτὸν βασιλεὺς ἐπὶ τὴν καλουμένην Χαλκὴν καὶ τὰ ἐνταῦθα προπύλαια ἰέναι. [48] ὁ δὲ δὴ μόλις καὶ οὔτε κινδύνων οὔτε πόνων μεγάλων χωρὶς δι' ἐρειπίων τε καὶ χωρίων ἡμιφλέκτων διεξιὼν ἐς τὸ ἱππικὸν ἀναβαίνειν. [49] καὶ ἐπειδὴ παρὰ τὴν Βενέτειον ἐγεγόνει στοάν, ἥ τοῦ βασιλέως θρόνου ἐν δεξιᾷ ἐστίν, ἐβούλευσε μὲν ἐπὶ πρῶτον αὐτὸν Ὑπάτιον ἰέναι, βραχείας δὲ οὔσης ἐνταῦθα πυλίδος ἥ ἀπεκέκλειστό τε καὶ ὑπὸ τῶν ἐντὸς Ὑπατίου στρατιωτῶν ἐφυλάσσετο, κατωρρώδησε μὴ οἱ ἐν στενῷ πονομένῳ ὁ δῆμος ξυνεπιθέμενος αὐτόν τε καὶ τοὺς ἐπομένους ἅπαντας διαφθείραντες ῥᾶόν τε καὶ ἀπονώτερον ἐπὶ βασιλέα χωρήσωσι. [50] λογισάμενος οὖν ὥς οἱ ἐπὶ τὸν δῆμον ἰτέον ἐστίν, οἱ ἐν τῷ ἱπποδρόμῳ ἐστήκεσαν, πλήθει τε ἄμετροι καὶ μετὰ πολλῆς ἀκοσμίας ὑπ' ἀλλήλων ὠθούμενοι, ἀπὸ τοῦ κολεοῦ τὸ ξίφος ἀράμενος τοῖς τε ἄλλοις κατὰ ταῦτα ποιεῖν ἐπαγγεῖλας, δρόμον τε καὶ κραυγῇ ἐπ' αὐτοὺς ἦει. [51] ὁ δὲ δῆμος, ἅτε δὴ ἐν ὁμίλῳ καὶ οὐκ ἐν τάξει ἰστάμενοι, ἐπειδὴ στρατιώτας εἶδον τεθωρακισμένους τε καὶ δόξαν πολλὴν ἐπὶ τε ἀνδρία καὶ πολέμων ἐμπειρίᾳ ἔχοντας, καὶ τοῖς ξίφεσιν οὐδεμιᾷ φειδοῖ παίοντας, ἐς φυγὴν ὥρμηντο. [52] κραυγῆς δὲ πολλῆς, ὥς τὸ εἰκός, γεγεννημένης, πλησίον που ἐστήκως Μοῦνδος καὶ βουλόμενος ἔργου ἔχεσθαι ἦν γὰρ τις τολμητῆς καὶ δραστήριος, ἀπορούμενος δὲ ἥ χρήσεται τοῖς παροῦσιν, ἐπειδὴ ἔτεκμήρατο ὡς Βελισάριος ἐν τῷ πόνῳ εἴη, εὐθὺς ἐπὶ τὸ ἱπποδρόμιον διὰ τῆς εἰσόδου ἥ Νεκρὰ καλεῖται εἰσβάλλει. [53] τότε δὴ ἐκατέρωθεν οἱ Ὑπατίου στασιῶται κατὰ κράτος πλησόμενοι διεφθείροντο. ἐπεὶ δὲ ἡ τροπὴ λαμπρὰ ἐγεγόνει καὶ φόνος ἦν ἥδη τοῦ δήμου πολὺς, Βοραΐδης τε καὶ Ἰουστός, Ἰουστινιανοῦ βασιλέως ἀνεψιοί, χεῖρας αὐτοῖς οὐδενὸς ἀνταίρειν τολμῶντος, καθεῖλόν τε ἀπὸ τοῦ θρόνου Ὑπάτιον καὶ αὐτὸν ἐσαγαγόντες βασιλεῖ ἅμα Πομπήῳ παρέδωκαν. [54] θνήσκουσί τε τοῦ δήμου πλέον ἢ τρισμῦριοι ἐν ταύτῃ τῇ ἡμέρᾳ. βασιλεὺς δὲ αὐτοὺς ἐν φυλακῇ χαλεπῇ ἐκέλευεν εἶναι. [55] ἐνταῦθα Πομπήιος μὲν ἐδάκρυνε τε καὶ ἄξια ἐλέου ἐφθέγγετο: ἦν γὰρ δὴ ὁ ἀνὴρ πραγμάτων τε καὶ κακῶν τοιούτων ἥκιστα ἔμπειρος: Ὑπάτιος δὲ αὐτὸν πολλὰ ὀνειδίσας οὐκ ἔφη χρῆναι τοὺς οὐκ ἐν δίκῃ ἀπολουμένους ὀδύρεσθαι. [56] ἀρχὴν τε γὰρ ὑπὸ τοῦ δήμου ἄκοντας βιασθῆναι, καὶ οὐκ ἐπὶ κακῷ τοῦ βασιλέως ὕστερον ἐς τὸ ἱπποδρόμιον ἀφικέσθαι. κτείναντες δὲ οἱ στρατιῶται τῇ ὕστεραίᾳ ἐκάτερον, ἐς θάλασσαν καθῆκαν τὰ σώματα. [57] βασιλεὺς δὲ αὐτῶν τε τὰ χρήματα ἐς τὸ δημόσιον ἀνάγραπτα ἐποιήσατο καὶ ἄλλων τῶν ἐκ βουλῆς ἀπάντων οἱ δὴ τὴν γνώμην ξὺν αὐτοῖς ἔθεντο. [58] ἔπειτα μέντοι τοῖς τε ἄλλοις ἅπασι καὶ τοῖς Ὑπατίου καὶ Πομπηίου παισὶ τὰ τε ἀξιώματα οἷς πρότερον ἐχρῶντο ἀπέδωκε καὶ τῶν χρημάτων ὅσοις τῶν ἐπιτηδείων τινὰς

οὐκ ἔτυχε δωρησάμενος. ἐς τότε μὲν Βυζαντίῳ ἡ στάσις ἐτελεύτα.

Τριβουνιανὸς δὲ καὶ Ἰωάννης τῆς τιμῆς οὕτω παραλυθέντες χρόνῳ ὕστερον ἐς ἀρχὰς τὰς αὐτὰς κατέστησαν ἄμφω. [2] ἀλλὰ Τριβουνιανὸς μὲν ἔτη πολλὰ ἐπιβιὸς τῇ τιμῇ ἐτελεύτησε νόσῳ, ἄλλο οὐδὲν ἄχαρι πρὸς οὐδενὸς παθὼν. ἦν γὰρ αἰμύλος τε καὶ τᾶλλα ἡδὺς καὶ τῆς φιλοχρηματίας τὸ νόσημα ἐπισκιάσαι ἱκανώτατος τῆς παιδείας περιουσία. [3] Ἰωάννης δὲ ᾧ πᾶσι γὰρ ἀνθρώποις βαρὺς τε ὁμοίως καὶ χαλεπὸς ἦν, πληγὰς τε τοῖς προσπίπτουσιν ἐντεινόμενος καὶ τὰ χρήματα ἀπαξάπαντα λόγῳ οὐδενὶ ληϊζόμενος· δέκατον ἔτος τὴν ἀρχὴν ἔχων τὴν δίκην ὀρθῶς καὶ δικαίως τῆς ἐς τὴν δίαιταν παρανομίας ἐξέτισε τρόπῳ τοιῷδε. [4] Θεοδώρα ἡ βασιλὶς ἤχθητο αὐτῷ πάντων μάλιστα. καὶ ὅς τῇ γυναικὶ προσκεκρουκῶς οἷς ἡμάρτανε, θωπεῖα μὲν αὐτὴν ἡ χάριτι μετελθεῖν ὥς ἡκιστα ἔγνω, ἐς ἐπιβουλὴν δὲ αὐτῇ ἐκ τοῦ ἐμφανοῦς καθιστάμενος ἐς τὸν βασιλέα διέβαλλεν, οὔτε τὴν τύχην ἐρυθριῶν οὔτε τὴν στοργὴν αἰσχυνόμενος ἦν περ ἐς αὐτὴν ὁ βασιλεὺς εἶχεν ἐξαισίαν οἷαν. [5] αἰσθομένη δὲ ἡ βασιλὶς τῶν ποιουμένων κτεῖναι μὲν διενοεῖτο τὸν ἄνθρωπον, μηχανῇ δὲ οὐδεμιᾷ εἶχεν, ἐπεὶ λόγον αὐτοῦ Ἰουστινιανὸς βασιλεὺς ἐποιεῖτο πολύν. [6] γνοὺς δὲ Ἰωάννης τὴν τῆς βασιλίδος ἐς αὐτὸν γνώμην ἐν δείμασι μεγάλῳ ἐγένετο. [7] ἐπειδὴν τε ὡς καθευδήσων ἐς τὸν κοιτῶνα ἴοι, τῶν τινα βαρβάρων ἐπιστήσεσθαι οἱ ὡς ἀπολοῦντα ὑπώπτευεν ἐς νύκτα ἐκάστην, ὑπερκύπτων τε ἀεὶ ἐκ τοῦ δωματίου καὶ τὰς εἰσόδους περισκοπῶν ἄπνους ἔμενε, καί περ ἐταιρισάμενος δορυφόρων τε καὶ ὑπασπιστῶν χιλιάδας πολλὰς, οὐ γεγονὸς ὑπάρχων τινὶ πρότερον τοῦτο γε. [8] ἀλλ' ἐπιλεησμένος ἅμα ἡμέρα θείων τε καὶ ἀνθρωπείων δειμάτων ἀπάντων, ὄλεθρος αὐθις κοινῇ τε καὶ ἰδίᾳ πᾶσι Ῥωμαίοις ἐγένετο. καὶ φαρμακεῦσι μὲν τὰ πολλὰ ὠμίλει, μαντείαις δὲ ἀσεβέσιν ἐς ἀεὶ χρώμενος τὴν αὐτοκράτορα αὐτῷ τερατευομέναις ἀρχὴν, ἀεροβατῶν τε καταφανὴς ἦν καὶ μετέωρος ἀρθεὶς ταῖς τῆς βασιλείας ἐλπίσι. [9] τῆς μέντοι πονηρίας αὐτῷ καὶ τῆς ἐς τὴν δίαιταν παρανομίας οὐδὲν οὔτε ἐλώφα οὔτε ὑπέληγε. [10] καὶ τις αὐτῷ θεοῦ λόγος τὸ παράπαν οὐκ ἦν, ἀλλὰ καὶ εἴ που εἰς ἱερὸν ὡς εὐξόμενός τε καὶ διανυκτερεύσων ἐνταῦθα ἴοι, οὐδὲν ὁμοίως τοῖς Χριστιανῶν ἡθεσιν ἔπραττεν, ἀλλὰ τριβώνιον ἐνδιδυσκόμενος ἱερεῖ πρέπον τῆς παλαιᾶς δόξης ἦν νῦν Ἑλληνικὴν καλεῖν νενομίκασι, λόγους οὐχ ὁσίους τινὰς οὐσπερ ἐμεμελετήκει ἀπεστομάτιζεν ἀνὰ πᾶσαν τὴν νύκτα ἐκείνην, ὅπως οἱ ἢ τε βασιλέως διάνοια ἔτι μᾶλλον ὑποχειρία εἴη καὶ αὐτὸς κακῶν γενοίτο ἀπαθὴς πρὸς πάντων ἀνθρώπων. [11] Ἐν τούτῳ δὲ Βελισάριος Ἰταλίαν καταστρεψάμενος βασιλεῖ ἐς Βυζάντιον ξὺν Ἀντωνίνῃ τῇ γυναικὶ μετάπεμπος ἦλθεν, ἐφ' ᾧ ἐπὶ Πέρσας στρατεύσειε. [12] καὶ τοῖς μὲν ἄλλοις ἅπασιν ἐντιμὸς τε καὶ λόγου πολλοῦ ἄξιος, ὥς τὸ εἰκός, ἦν, μόνος δὲ Ἰωάννης αὐτῷ χαλεπῶς εἶχε καὶ πολλῇ ἐπιβουλῇ ἐς αὐτὸν εἶχετο, κατ' ἄλλο μὲν οὐδέν, ὅτι δὲ αὐτὸς μὲν τὸ ἐκ πάντων ἔχθος ἐφ' ἑαυτὸν εἶλκε, Βελισάριος δὲ πάντων εὐδοκιμῶν μάλιστα ἔτυχεν· ἐπὶ αὐτῷ τε γενομένης τῆς Ῥωμαίων ἐλπίδος αὐθις ἐπὶ Πέρσας ἐστράτευσε, τὴν γυναικα ἐν Βυζαντίῳ ἀπολιπών. [13] Ἀντωνίνα δὲ ἡ Βελισαρίου γυνὴ ἦν γὰρ ἱκανωτάτη ἀνθρώπων ἀπάντων μηχανᾶσθαι τὰ ἀμήχανά χαριεῖσθαι τῇ βασιλίδι βουλευσαμένη ἐπενόει τοιαῦδε. ἦν τῷ Ἰωάννῃ θυγάτηρ Εὐφημία,

δόξαν μὲν ἐπὶ σωφροσύνῃ πολλὴν ἔχουσα, νέα δὲ κομιδῇ, καὶ ἀπ' αὐτοῦ λίαν εὐάλωτος, ἦν δὴ ὁ πατὴρ ὑπερηγάπα, ἐπειδὴ καὶ μόνῃς αὐτῆς ἐγεγόνει πατήρ. [14] ταύτην ἡ Ἀντωνίνα τιθασσεύουσα ἐς ἡμέρας συχνὰς προσποιήσασθαι τε ἅτε φίλην ἐνδελεχέστατα ἴσχυσε καὶ τῶν αὐτῇ ἀπορρήτων μεταδιδόναι οὐκ ἀπηξίου. [15] καὶ ποτε αὐτῆς οἱ μόνῃς ἐν τῷ δωματίῳ παρούσης ὁδύρεσθαι τύχας τὰς παρούσας ἐπλάσσετο, ὅτι δὴ Βελισάριος εὐρυτέραν ποιησάμενος τὴν Ῥωμαίων ἀρχὴν πλείονι μέτρῳ ἢ πρότερον οὔσα ἐτύγγανε, βασιλεῖς τε δορυαλώτους δύο καὶ πλούτου τοσοῦτόν τι χρήμα ἐς Βυζάντιον ἀγαγών, ἀχαρίστου Ἰουστινιανοῦ ἔτυχε: τὰ τε ἄλλα ὡς οὐ δικαίαν οὔσαν τὴν πολιτείαν διέβαλλε. [16] περιχαρὴς δὲ τῷ λόγῳ γενομένη ἡ Εὐφημία 'δέει γὰρ τῷ ἐκ τῆς βασιλίδος καὶ αὐτῇ τῇ παρουσίᾳ ἀρχῇ ἡχθετὸ 'Καὶ τοῦδε μέντοι, ὦ φιλτάτη,' ἔφη, 'ὕμεις αἵτιοι, ὅτι δὴ παρὸν ὑμῖν [17] τῇ δυνάμει οὐ βούλεσθε χρῆσθαι.' ὑπολαβοῦσα δὲ ἡ Ἀντωνίνα 'Οὐ γὰρ οἰοί τέ ἐσμεν, ὦ θύγατερ,' εἶπεν, 'ἐν στρατοπέδῳ νεωτέροις ἐγχειρεῖν πράγμασιν, ἦν μὴ τοῦ ἔργου ζυνεπιλάβωνται ἡμῖν τῶν ἐνδον τινές: ἀλλ' εἴπερ ὁ σὸς πατὴρ ἠθελε, ῥᾶστα ἂν ἐς τήνδε τὴν πρᾶξιν καθιστάμενοι ὅσα ἦν τῷ [18] θεῷ βουλομένῳ ἐπράσσομεν.' ἀκούσασα ταῦτα Εὐφημία προθύμως μὲν ὑπέσχετο ἐπιτελῇ ἔσσεσθαι, ἀπαλλαγεῖσα δὲ ἐνθένδε τὸ πρᾶγμα ἐπὶ τὸν πατέρα εὐθὺς ἦνεγκε. [19] καὶ ὅς τῷ λόγῳ ἡσθεῖς 'ταύτην γὰρ οἱ ὁδὸν ἔς τε τὰ μαντεῖα καὶ τὴν βασιλείαν ὑπετόπαζε φέρειν τὴν πρᾶξιν' εὐθὺς μελλήσει οὐδεμιᾷ ὠμολόγησε, πράσσειν τε τὴν παιδα ἐκέλευεν ὅπως τῇ ὑστεραίᾳ ἐς λόγους τῇ Ἀντωνίνῃ αὐτὸς ζυμμίξῃ καὶ τὰ πιστὰ δοίῃ. [20] μαθοῦσα δὲ Ἀντωνίνα τὴν Ἰωάννου γνώμην καὶ ὡς ἀπωτάτω τὸν ἄνθρωπον τῆς τοῦ ἀληθοῦς ἀπαγαγεῖν ἐννοίας ἐθέλουσα, νῦν μὲν ἔφη οἱ ζυγγενέσθαι αὐτὸν ἀξύμφορον εἶναι, μὴ τις ὑποψία μεταξὺ ἐπιγενομένη διακωλῶσαι τὰ πρασσόμενα ἱκανὴ εἴη: μέλλειν δὲ αὐτίκα δὴ μάλα ἐς τὴν ἔω παρὰ Βελισάριον στέλλεσθαι. [21] ἐπειδὴν οὖν ἐκ Βυζαντίου ἀπαλλαγεῖσα ἐν τῷ προαστείῳ γένηται 'ὁ δὴ Ῥουφινιανὰ μὲν ὀνομάζεται, Βελισαρίου δὲ ἴδιον ἐτύγγανεν ὄν, ἐνταῦθα τὸν Ἰωάννην ὡς ἀσπασόμενόν τε καὶ προπέμψοντα ἤκειν, καὶ τοὺς τε λόγους περὶ τῶν ὅλων ποιήσασθαι καὶ τὰ πιστὰ λαβεῖν τε καὶ δοῦναι. ταῦτα εἰποῦσα εὐ τε τῷ Ἰωάννῃ εἶπεῖν ἔδοξε καὶ ἡμέρα τακτὴ ἐπὶ τῇ πράξει διώριστο. [22] ἥ τε βασιλὶς τὸν πάντα λόγον παρὰ τῆς Ἀντωνίνης ἀκούσασα ἐπὶ μὲν τὰ βεβουλευμένα, ἐγκελευομένη δὲ πολλῶν ἔπι μᾶλλον ἐς τὴν προθυμίαν ἐνήγεν. [23] Ἐπειδὴ τε ἡ κυρία παρῆν, ἀσπασαμένη μὲν ἡ Ἀντωνίνα τὴν βασιλίδι ἐκ τῆς πόλεως ἀπηλλάσσετο, ἐν τε Ῥουφινιανᾷς ἐγένετο, ὡς τῇ ὑστεραίᾳ τῆς ἐπὶ τὴν ἔω ὁδοῦ ἀρξομένη, οὗ δὴ καὶ Ἰωάννης τὰ ζυγκείμενα ἐπιτελέσων ἐς νύκτα ἦλθεν. [24] ἡ δὲ βασιλὶς διαβάλλουσα πρὸς τὸν αὐτῆς ἄνδρα τὰ πρὸς τοῦ Ἰωάννου ἐπὶ τῇ τυραννίδι πρασσόμενα, Ναρσὴν τε τὸν εὐνοῦχον καὶ Μάρκελλον τὸν τῶν ἐν παλατίῳ φυλάκων ἄρχοντα ἐς Ῥουφινιανὰς ζὺν στρατιώταις πολλοῖς ἔπεμψεν, ἐφ' ᾧ διερευνησάμενοι τὰ πρασσόμενα, ἦν τὸν Ἰωάννην πράγμασι νεωτέροις ἐγχειροῦντα εὐρήσῃ, κτείναντες εὐθὺς τὸν ἄνθρωπον ἐπανήξουσι. [25] καὶ οἱ μὲν ἐπὶ τῷ ἔργῳ τοῦτοφ' ἐστέλλοντο. φασὶ δὲ βασιλεῶν τῶν ποιουμένων αἰσθόμενον τῶν τινα Ἰωάννη ἐπιτηδεῖων παρ' αὐτὸν πέμψαι, ἀπεροῦντα αὐτῷ μηδαμῇ τῇ Ἀντωνίνῃ ἐντυχεῖν λάθρα. [26] Ἰωάννης δὲ 'χρῆν γὰρ αὐτῷ γενέσθαι κακῶς' τὴν βασιλέως

ὑποθήκην ἐν ἀλογία πεποιημένους, ἀμφὶ νύκτα μέσῃν τῇ Ἀντωνίνῃ ξυνέμιξεν αἵμασιδς πού τινος ἄγχιστα, ἧς δὴ ὀπισθεν καθίσασα ἐτύγχανε τοὺς ἀμφὶ Ναρσῆν τε καὶ Μάρκελλον, ὅπως τῶν λεγομένων ἀκούσειαν. [27] ἐνταῦθα Ἰωάννης μὲν ἀφυλάκτῳ στόματι τὰ ἐς τὴν ἐπιθέσιν ὠμολόγει τε καὶ ὄρκοις δεινοτάτοις ἀπισχυρίζετο, Ναρσῆς δὲ αὐτῷ καὶ Μάρκελλος ἐκ τοῦ αἰφνιδίου ἐπέστησαν. [28] θορύβου δέ, ὡς τὸ εἰκός, γενομένου οἱ τοῦ Ἰωάννου δορυφόροι ἄγχιστα γάρ πη ἐστήκεσαν παρ' αὐτὸν αὐτίκα ἐγένοντο. [29] καὶ αὐτῶν τις Μάρκελλον, οὐκ εἰδὼς ὅστις ποτὲ ἦν, ξίφει ἐπληξεν, οὕτω τε Ἰωάννης διαφυγεῖν ξὺν αὐτοῖς ἴσχυσεν ἔς τε τὴν πόλιν κατὰ τάχος ἀφίκετο. [30] καὶ εἰ μὲν εὐθὺς ἐλθεῖν παρὰ βασιλέα ἐθάρσησεν, οἶμαι ἂν, οὐδὲν ἐπεπόνθει πρὸς αὐτοῦ ἄχαρι· νῦν δὲ καταφυγὼν ἐς τὸ ἱερὸν δέδωκε τῇ βασιλίδι κατ' ἐξουσίαν τῇ ἐς αὐτὸν ἐπιβουλῇ χρῆσθαι. [31] Τότε μὲν οὖν ἐξ ἐπάρχων ιδιώτης γενόμενος ἐς ἕτερον ἐνθένδε ἀναστὰς ἐκομίσθη, ὅπερ ἐν τῇ προαστείῳ Κυζίκου πόλεως ἴδρυται, — Ἀρτάκην καλοῦσι Κυζικηνοὶ τὸ προάστειον. ἐνταῦθα ἱερέως οὐ τι ἐκούσιος περιβέβληται σχῆμα, οὐκ ἐπισκόπου μέντοι, ἀλλ' ὄνπερ καλεῖν πρεσβύτερον νενομίκασιν. [32] ὁ δὲ ἱεουργεῖν ἥκιστα ἤθελεν, ὡς μὴ ποτε αὐτῷ ἐμπόδιον εἴη ἐς τὰς ἀρχὰς αὐθις ἰέναι· τῶν γὰρ ἐλπίδων μεθίεσθαι οὐδαμῇ ἤθελε. τὰ δὲ χρήματα ἐς τὸ δημόσιον ἀνάγραπτα εὐθὺς γέγονεν. [33] ὢν δὴ αὐτῷ μοῖραν βασιλεὺς πολλὴν ἤφιει· [34] ἔτι γὰρ τῇ ἐς αὐτὸν φειδοῖ εἵχετο. ἐνταῦθα παρῆν τῷ Ἰωάννῃ ἀφροντιστήσαντι μὲν κινδύνων ἀπάντων, χρήματα δὲ περιβεβλημένῳ μεγάλα, ὅσα τε αὐτὸς ἐτύγχανε κρύψας καὶ ὅσα βασιλέως γνώμῃ παρ' αὐτῷ ἔμεινε, τρυφᾷν τε κατ' ἐξουσίαν καὶ τὰ παρόντα ἡγεῖσθαι λογισμῷ σώφρονι εὐδαίμονα εἶναι. [35] διὸ δὴ καὶ πάντες Ῥωμαῖοι ἐπὶ τῷ ἀνθρώπῳ ἀτεχνῶς ἤχθοντο, ὅτι δὴ πονηρότατος γεγονῶς δαιμόνων ἀπάντων, βίον παρὰ τὴν ἀξίαν εὐδαιμονέστερον ἢ πρότερον ἔχοι. [36] ἀλλ' ὁ θεός, οἶμαι, οὐκ ἠνεγκεν ἐς τοῦτο τὴν τίσιν Ἰωάννῃ ἀποκεκρίσθαι, ἐπὶ μέγα τε αὐτῷ τὴν κόλασιν ἐξηρτύετο. ἐγένετο δὲ ὧδε. [37] Ἦν τις ἐν Κυζίκῳ ἐπίσκοπος Εὐσέβιος ὄνομα, χαλεπὸς ἅπασι τοῖς ἐντυγχάνουσιν Ἰωάννου οὐδὲν τι ἦσσαν· τοῦτον Κυζικηνοὶ βασιλεῖ διαβάλλοντες ἐς δίκην ἐκάλουν. [38] ἐπεὶ δὲ οὐδὲν ἦνυον, δυνάμει αὐτοὺς περιελθόντος Εὐσεβίου πολλῇ, ξυμφρονήσαντες νεανῖαι τινὲς ἐν τῇ Κυζίκου ἀγορᾷ κτείνουσιν. [39] ἐτύγχανε δὲ Ἰωάννης τῷ Εὐσεβίῳ διάφορος γεγονῶς μάλιστα, καὶ ἀπ' αὐτοῦ ἢ τῆς ἐπιβουλῆς ὑποψία ἐς αὐτὸν ἦλθε. [40] στέλλονται τοίνυν ἐκ βουλῆς ἄνδρες διερευνησόμενοι τὸ μῖasma τοῦτο· οἱ δὴ τὸν Ἰωάννην πρῶτα μὲν ἐν δεσμοτηρίῳ καθεῖρξαν, ἔπειτα δὲ ἄνδρα ἔπαρχον μὲν δυνατὸν οὕτω γενόμενον, ἐς πατρικίους δὲ ἀναγραφέντα καὶ ἐς τῶν ὑπάτων ἀναβεβηκότα τὸν δίφρον, οὗ μεῖζον εἶναι οὐδὲν ἔν γε τῇ Ῥωμαίων πολιτείᾳ δοκεῖ, ἔστησάν τε γυμνόν, ἅτε ληστήν τινα ἢ λωποδύτην, καὶ ξαίνοντες κατὰ τοῦ νότου πολλὰς εἰπεῖν τὰ βεβιωμένα ἠνάγκαζον. [41] καὶ τοῦ μὲν Εὐσεβίου φόνου αἵτιος Ἰωάννης οὐ λίαν ἐξελέλεγκτο, ἐφ' οἷον μέντοι ἢ τοῦ θεοῦ δίκη ποινὰς αὐτὸν τῆς οἰκουμένης ἐσπραττομένη. [42] ἔπειτα δὲ τὰ χρήματα πάντα ἀφελόμενοι γυμνὸν ἐς τὴν ναῦν εἰσεβίβασαν, ἱμάτιον ἓν, καὶ τοῦτο τραχὺ κομιδῇ, ἀμπεχόμενον, ὀβολῶν ὠνηθὲν ὀλίγων τινῶν, οἱ τε αὐτὸν παραπέμποντες ὅπῃ ἂν ἢ ναὺς ὀρμισθεῖν ἐκέλευον ἄρτον ἢ ὀβολοὺς ἐκ τῶν προσπιπτόντων αἰτεῖσθαι. [43] οὕτω τε

πτωχεύων πανταχόθι τῆς πορείας τῆς Αἰγύπτου ἐς τὴν Ἀντινόου κομίζεται. καὶ τρίτον τοῦτο ἔτος αὐτὸν ἐνταῦθα καθεύρξαντες τηροῦσιν. [44] ὁ δέ, καίπερ ἐν τοιοῦτοις γεγινώς πάθειεν, οὐδὲ τὴν τῆς βασιλείας ἐλπίδα μεθῆκεν, ἀλλὰ καὶ Ἀλεξανδρέων τινάς, ἅτε τῷ δημοσίῳ χρυσίον ὀφείλοντας, διαβαλεῖν ἔγνω. Ἰωάννην μὲν οὖν τὸν Καππαδόκην δέκα ἐνιαυτοῖς ὕστερον αὕτη τῶν πεπολιτευμένων κατέλαβε τίσις.

Τότε δὲ βασιλεὺς στρατηγὸν τε τῆς ἐφ᾽ αὐθις Βελισάριον κατεστήσατο καὶ ἐς Λιβύην πέμψας τὴν χώραν ἔσχεν, ὥσπερ ἐν τοῖς ὀπισθεν λελέξεται λόγοις. [2] ὅπερ ἐπεὶ ἔς τε Χοσρόην καὶ Πέρσας ἦλθε, δεινῶς ἥσχαλλον, καὶ αὐτοῖς τὴν εἰρήνην ἐς Ῥωμαίους πεποιημένοις μετέμελεν ἤδη, ὅτι δὴ αὐτοῖς τὴν δύναμιν ἐπὶ μέγα χωρεῖν ἤσθοντο. [3] πέμψας τε ὁ Χοσρόης ἐς Βυζάντιον πρέσβεις, ζηγγαίρειν τε Ἰουστινιανῷ τῷ βασιλεῖ ἔφασκε, καὶ τὸ μέρος λαβεῖν ξὺν γέλῳτι δῆθεν τῶν ἐκ Λιβύης λαφύρων ἡξίου, ὅτι δὴ οὐκ ἂν ποτε Βανδύλων τῷ πολέμῳ περιέσεσθαι ἴσχυεν, [4] εἰ μὴ αὐτῷ Πέρσαι ἐσπείσαντο. τότε μὲν οὖν Χοσρόην Ἰουστινιανὸς χρήμασι δωρησάμενος, τοὺς πρέσβεις οὐκ εἰς μακρὰν ἀπεπέμψατο. [5] Ἐν δὲ πόλει Δάρας τοιόνδε τι ξυνέβη γενέσθαι. Ἰωάννης τις ἦν ἐνταῦθα ἐν καταλόγῳ τεταγμένος πεζῶν: οὗτος οὐχ ἀπάντων οἱ ξυμφρονούντων στρατιωτῶν, ἀλλ' ὀλίγων τινῶν, τυραννίδι ἐπιθέμενος τὴν πόλιν ἔσχεν. [6] Ἐν τε παλατίῳ καθήμενος ὥσπερ ἐν ἀκροπόλει, τὴν τυραννίδα ἐκρατύνετο ἡμέρα ἐκάστη. [7] καὶ εἰ μὴ Πέρσας ἔχεσθαι εἰρήνης ἐς τοὺς Ῥωμαίους τηνικαῦτα ξυνέβη, ἀνήκεστα ἂν ἐνθένδε Ῥωμαίοις ἐγγένοιε κακά. νῦν δὲ τοῦτο ἐκώλυσεν φθάσασα, ὥσπερ μοι ἐρρήθη, ἡ ζύμβασις. [8] ἡμέρα δὲ ἀπὸ τῆς τυραννίδος τετάρτη ξυμφρονήσαντες στρατιῶται γνώμη Μάμαντός τε τοῦ τῆς πόλεως ἱερέως καὶ Ἀναστασίου τῶν δοκίμων τινὸς πολιτῶν, ἐς τὸ παλάτιον μεσημβρίας ἀκμαζούσης ἀνέβησαν, κρύψας ἕκαστος ὑπὸ τῷ ἱματίῳ ξιφίδιον. [9] καὶ πρῶτα μὲν ἐν τῇ μεταύλῳ θύρᾳ τῶν δορυφόρων εὐρόντες ὀλίγους τινάς εὐθὺς ἔκτειναν. ἔπειτα δὲ καὶ εἰς τὸν ἀνδρῶνα ἐσβάντες τοῦ τυράννου ἤπτοντο: τινὲς δὲ φασιν οὐ τοὺς στρατιώτας αὐτὸ πρῶτους εἰργάσθαι, ἀλλ' αὐτῶν ἔτι μελλόντων τε ἐν τῇ μεταύλῳ καὶ κατωρρωδηκότων τὸν κίνδυνον, τῶν τινα ἀλλαντοπωλῶν ξὺν αὐτοῖς ὄντα ἐσπηδῆσαι τε ξὺν τῇ κοπίδι καὶ τῷ Ἰωάννῃ ἐντυχόντα ἀπροσδοκῆτως παῖσαι. [10] καὶ τὸν οὐ πληγέντα μὲν καιρίαν πληγὴν, ξὺν θορύβῳ δὲ πολλῷ φεύγοντα, ἐς τούτους δὴ τοὺς στρατιώτας ἐμπεσεῖν ἄφνω. [11] οὕτω τε τοῦ ἀνθρώπου αὐτοὺς ἀψαμένους πῦρ μὲν αὐτίκα τῷ παλατίῳ ὑφάψαντας καῦσαι, ὥς μὴ τις ἐλπίς ἐνθένδε ἀπολειφθεῖη τοῖς τὰ νεώτερα πράγματα πράσσουνσιν, αὐτὸν δὲ ἐς τὸ δεσμωτήριον ἀπαγαγόντας δῆσαι. [12] καὶ αὐτῶν τινα δεῖσαντα μὴ οἱ στρατιῶται περιεῖναι τὸν τύραννον γνόντες πράγματα τῇ πόλει αὐθις παράσχονται, κτεῖναι τε τὸν Ἰωάννην καὶ τούτῳ δὴ τῷ τρόπῳ τὴν ταραχὴν παῦσαι. τὰ μὲν οὖν ἀμφὶ ταύτῃ τῇ τυραννίδι τῇδε ἐχώρησεν.

BOOK II.

ΥΠΕΡ ΤΩΝ ΠΟΛΕΜΩΝ ΛΟΓΟΣ ΔΕΥΤΕΡΟΣ

Χρόνος δὲ οὐ πολλῶ ὕστερον ὁ Χοσρόης μαθὼν ὡς καὶ Ἰταλίαν Βελισάριος Ἰουστινιανῷ βασιλεῖ προσποιεῖν ἤρξατο, οὐκέτι κατέχειν οἶός τε ἦν τὴν διάνοιαν, ἀλλὰ σκήψεις ἐπινόειν ἤθελεν ὅπως δὴ λόγῳ τινὶ εὐπρεπεῖ τὰς σπονδὰς λύσειεν. [2] ὑπὲρ ὧν κοινολογησάμενος Αλαμουνδάρῳ ἐκέλευεν αὐτὸν ξυμπορίζεσθαι πολέμου αἰτίας. [3] ὁ δὲ Ἀρέθᾱ ἐπικαλέσας ὅτι αὐτὸν περὶ γῆς ὁρίων βιάζοιτο, ἐς χειράς τε αὐτῷ ἐν σπονδαῖς ἦλθε καὶ γῆν τὴν Ῥωμαίων ἐπὶ ταύτῃ τῇ σκῆψει καταθεῖν ἤρξατο. [4] ἔφασκέ τε ὡς αὐτὸς οὐ λύει τὰς Περσῶν τε καὶ Ῥωμαίων σπονδὰς, ἐπεὶ αὐτὸν ἐς ταύτας οὐδέτεροι ἐσεγράψαντο. [5] καὶ ἦν δὲ οὕτως. οὐ γάρ τις πώποτε Σαρακηνῶν λόγος ἐν σπονδαῖς γέγονεν, ἅτε ξυνεχομένων τῷ Περσῶν τε καὶ Ῥωμαίων ὀνόματι. [6] αὕτη δὲ ἡ χώρα, ἣ δὴ πρὸς ἐκατέρων τότε Σαρακηνῶν ἀντελέγετο, Στράτα μὲν κέκληται, Παλμύρας δὲ πόλεως πρὸς νότον ἄνεμον τέτραπται, δένδρον μὲν ἣ τι τῶν ἐν τοῖς ληίοις ἀγαθῶν οὐδαμῇ φέρουσα ἡλιοκαυστος γὰρ ὑπερφυῶς ἐστί, προβάτων δέ τιςιν ἐκ παλαιοῦ ἀνειμένη νομαῖς. [7] Ἀρέθας μὲν οὖν Ῥωμαίων ἰσχυρίζετο εἶναι τὸν χώρον, τῷ τε ὀνόματι τεκμηριούμενος οὗ δὴ πρὸς πάντων ἄνωθεν ἔτυχε Στράτα γὰρ ἡ ἐστρωμένη ὁδὸς τῇ Λατίνων καλεῖται φωνῇ καὶ μαρτυρίαις παλαιοτάτων ἀνδρῶν χρώμενος. [8] Αλαμούνδαρος δὲ φιλονεικεῖν μὲν ὑπὲρ τοῦ ὀνόματος ἦκιστα ἐδικαίου, μισθοὺς δὲ οἱ τοῦ ἐνταῦθα νομοῦ ἐκ παλαιοῦ ἔφασκε τοὺς τὰ πρόβατα κεκτημένους διδόναι. [9] διὸ δὴ βασιλεὺς Ἰουστινιανὸς Στρατηγίῳ τε πατρικίῳ ἀνδρὶ καὶ τῶν βασιλικῶν θησαυρῶν ἄρχοντι, ἄλλως δὲ ξυνετῷ καὶ εὐπατρίδῃ, ἔτι μέντοι καὶ Σούμμῳ τῶν ἐν Παλαιστίνῃ στρατιωτῶν ἡγήσαμένῳ, τὴν τῶν ἀντιλεγομένων ἐπέτρεψε δίαιταν. [10] ὁ δὲ Σοῦμμος Ἰουλιανοῦ ἀδελφὸς ἦν, ὃς ὀλίγῳ ἔμπροσθεν ἐς Αἰθιοπίας τε καὶ Ὀμηρίτας ἐπρέσβευσε. [11] καὶ αὐτοῖν ἄτερος μὲν, Σοῦμμος, μὴ χρῆναι Ῥωμαίους καταπροΐεσθαι τὴν χώραν ἡξίου, Στρατήγιος δὲ βασιλέως ἐδεῖτο μὴ χώρας τινὸς ἔνεκα βραχείας τε καὶ ὡς ἦκιστα λόγου ἀξίας, ἀλλὰ ἀγόνου τε καὶ ἀκάρπου παντάπασιν οὔσης, Πέρσαις πολεμῆσαι οὐ σκῆψεις τοῦ πολέμου χαρίζεσθαι: βασιλεὺς μὲν οὖν Ἰουστινιανὸς ταῦτα ἐν βουλῇ ἐποιεῖτο, καὶ χρόνος πολὺς ταύτῃ δὴ τῇ διαίτῃ ἐτρίβη. [12] Χοσρόης δὲ ὁ Περσῶν βασιλεὺς λελύσθαι πρὸς Ἰουστινιανοῦ τὰς σπονδὰς ἔφασκε, πολλὴν ἐπιβουλὴν ἐς οἶκον τὸν αὐτοῦ ἄρτι ἐνδειξαμένου, οἷς δὴ ἐταιρίζεσθαι Αλαμούνδαρον ἐν σπονδαῖς ἐνεχείρησε. [13] Σοῦμμος γὰρ ἔναγχος ἐπὶ διαίτῃ δῆθεν τῷ λόγῳ παρ' αὐτὸν ἦκοντα ἐπαγγελίαις αὐτὸν περιελθεῖν μεγάλων χρημάτων, ἐφ' ᾧ προσχωρήσει Ῥωμαίοις, γράμματά τε προΐσχετο ἃ δὴ πρὸς Αλαμούνδαρον ὑπὲρ τούτων Ἰουστινιανὸς βασιλεὺς ἔγραψε. [14] καὶ πρὸς Οὐννων δὲ τινὰς ἰσχυρίζετο αὐτὸν ἐπιστολὴν πέμψαι, ἐγκελευομένην αὐτοῖς ἐσβαλεῖν τε ἐς τὴν Περσῶν γῆν καὶ τοῖς ἐκείνη χωρίοις ἐπὶ πλεῖστον λυμήνασθαι. ἦν δὴ οἱ τοὺς Οὐννους αὐτοὺς ἔφασκεν ἐγχειρίσαι ἐς ὅψιν ἐλθόντας. [15] ταῦτα μὲν Χοσρόης ἐπικαλῶν Ῥωμαίοις τὰς σπονδὰς λύειν διενοεῖτο. εἰ μέντοι ταῦτα λέγοντί οἱ ἀληθίζεσθαι ξυνέβαιεν, οὐκ ἔχω

εἶπεῖν.

Ἐν τούτῳ δὲ Οὐίτιγισ, ὁ τῶν Γότθων ἡγούμενος, ἤδη τῷ πολέμῳ κεκακωμένος, πρέσβεις δύο παρ' αὐτὸν ἔπεμψεν, ἀναπέισοντας ἐπὶ Ῥωμαίους στρατεύεσθαι, οὐ Γότθους μέντοι, ὅπως μὴ κατάδηλοι αὐτόθεν γινόμενοι ξυγγέωσι τὰ πρασσόμενα, ἀλλὰ Λιγούρους ἱερεῖς, χρήμασιν ἀδροῖς ἐς ταύτην ἡγμένους τὴν πρᾶξιν. [2] ὢν ἄτερος μὲν ὅσπερ ἀξιώτερος ἔδοξεν εἶναι, δόκησίν τε καὶ ὄνομα ἐπισκόπου περιβεβλημένος οὐδὲν αὐτῷ προσήκον, ἐς τὴν πρεσβείαν καθίστατο, ὁ δὲ δὴ ἕτερος αὐτῷ ὑπηρετῶν εἶπετο. [3] ὁδῷ τε ἰόντες ἐς τὰ ἐπὶ τῆς Θράκης χωρία ἐταιρίζονται τινα ἐνθένδε Σύρας τε καὶ τῆς Ἑλληνίδος φωνῆς ἐρμηνέα σφίσιν ἐσόμενον, ἅπαντάς τε Ῥωμαίους λαθόντες ἐς τὰ Περσῶν ἦθη ἀφίκοντο. ἅτε γὰρ ἐν σπονδαῖς καθεστῶτες οὐκ ἐς τὸ ἀκριβὲς ταύτη ἐφύλασσον. [4] Χοσρόου τε ἐς ὅσιν ἐλθόντες ἔλεξαν τοιάδε· 'Τοὺς μὲν ἄλλους ἅπαντας, ὃ βασιλεῦ, πρέσβεις τῶν αὐτοῖς ἕνεκα ξυμφόρων ἐκ τοῦ ἐπὶ πλεῖστον ξυμβαίνει ἐς τὴν πρεσβείαν καθίστασθαι, ἡμᾶς δὲ Οὐίτιγισ ὁ Γότθων τε καὶ Ἰταλιωτῶν βασιλεὺς ἔπεμψε τοὺς λόγους ὑπὲρ τῆς σῆς ποιησομένους ἀρχῆς· καὶ αὐτὸν νόμιζε παρόντα σοι τανῦν φθέγγεσθαι τάδε. [5] εἴ τίς σε, ὃ βασιλεῦ, ξυνελὼν φαίη τὴν τε σὴν βασιλείαν καὶ πάντα ἀνθρώπους Ἰουστινιανῷ προέσθαι, ὀρθῶς ἂν εἶποι. [6] ὁ μὲν γὰρ νεωτεροποιός τε ὢν φύσει καὶ τῶν οὐδ' ὁπωσιτοῦν αὐτῷ προσηκόντων ἐρῶν, μένειν τε οὐ δυνάμενος ἐν τοῖς καθεστῶσι, γῆν μὲν ἅπασαν ξυλλαβεῖν ἐπεθύμησεν, ἐκάστην δὲ ἀρχὴν περιβαλέσθαι ἐν σπουδῇ ἔσχεν. [7] εἴτα 'οὐδὲ γὰρ Πέρσαις κατὰ μόνας ἐγγχειρεῖν ἴσχυεν οὐδὲ Περσῶν οἱ ἀντιστατούντων οἷός τε ἦν ἐπ' ἄλλους ἰέναι σὲ μὲν τῷ τῆς εἰρήνης παραπετάσματι ἐξαπατᾶν ἔγνω, τοὺς δὲ λοιποὺς βιαζόμενος μεγάλας δυνάμεις ἐπὶ τῇ σῇ ἀρχῇ ἐταιρίζεσθαι. [8] Βανδύλων μὲν οὖν ἤδη καθελὼν τὴν βασιλείαν καὶ Μαυρουσίους καταστρεψάμενος, Γότθων αὐτῷ φιλίας ὀνόματι ἐκποδῶν ἱσταμένων, χρήματά τε μεγάλα καὶ σώματα πολλὰ ἐπαγόμενος ἐφ' ἡμᾶς ἦκει. [9] ἐνδηλος δέ ἐστιν, ἦν καὶ Γότθους παντάπασιν ἐξελεῖν δύνηται, ὥς ξὺν ἡμῖν τε καὶ τοῖς ἤδη δεδουλωμένοις ἐπὶ Πέρσας στρατεύσει, οὔτε τὸ τῆς φιλίας ἐννοῶν ὄνομα οὔτε τι τῶν ὁμωμοσμένων ἐρυθριῶν. [10] ἔως οὖν ἔτι σοι λείπεται τις σωτηρίας ἐλπίς, μήτε ἡμᾶς ἐργάσῃ κακὸν περαιτέρω μηδὲν μήτε αὐτὸς πάθῃς, ἀλλ' ὅρα μὲν ἐν τοῖς ἡμετέροις κακοῖς ὅσα ὀλίγῳ ὕστερον ξυμβήσεται Πέρσαις, ἐνθυμοῦ δὲ ὥς Ῥωμαῖοι τῇ σῇ βασιλείᾳ εὖνοι μὲν οὐκ ἂν ποτε εἶεν, δυνάμει δὲ κρείσσους γενόμενοι οὐδὲν μελλήσουσι τὸ ἐς Πέρσας ἔχθος ἐνδείκνυσθαι. [11] ἐν δέοντι τοίνυν τῇ ἐξουσίᾳ χρῆσαι, μὴ παυσαμένην ἐπιζητήσης. λωφήσασα γὰρ ἢ τῶν καιρῶν ἀκμὴ ἐπανίεναι οὐδαμῶς πέφυκεν. ἄμεινον δὲ προτερήσαντα ἐν τῷ ἀσφαλεῖ εἶναι ἢ τῶν καιρῶν ὑστερηκότα τὰ πάντων αἰσχροτάτα πρὸς τῶν πολεμίων παθεῖν.' [12] Ταῦτα ἐπεὶ Χοσρόης ἤκουσεν, εὖ τέ οἱ παραινεῖν Οὐίτιγισ ἔδοξε καὶ λύειν τὰς σπονδὰς ἔτι μᾶλλον ἐν σπουδῇ εἶχε. φθόνῳ γὰρ ἐς Ἰουστινιανὸν βασιλέα ἐχόμενος, λογίζεσθαι ὥς ἥκιστα ἔγνω ὅτι δὴ πρὸς ἀνδρῶν Ἰουστινιανῷ βασιλεῖ δυσμενῶν μάλιστα οἱ λόγοι ἐς αὐτὸν γένοιντο. [13] ἀλλὰ τῷ βούλεσθαι ἐς τὸ πεισθῆναι αὐτόμολος ἦλθεν. ὁ δὴ καὶ ἐς τοὺς Ἀρμενίων τε καὶ Λαζῶν λόγους ὀλίγῳ ὕστερον ἔδρασεν ἅπερ μοι αὐτίκα μάλα λελέξεται. [14] καίτοι τοιαῦτα Ἰουστινιανῷ ἐπεκάλουν ἐγκλήματα,

ἄπερ ἂν εἰκότως βασιλεῖ γενναίῳ ἐγκώμια εἶη, ὅτι δὴ τὴν βασιλείαν τὴν αὐτοῦ μείζω τε ποιῆσαι καὶ πολλῷ ἐπιφανεστέραν ἐν σπουδῇ ἔχοι. [15] ταῦτα γὰρ καὶ Κύρῳ ἂν τις ἐπενέγκοι τῷ Περσῶν βασιλεῖ καὶ Ἀλεξάνδρῳ τῷ Μακεδόνι. ἀλλὰ γὰρ φθόνῳ τὸ δίκαιον οὐδαμῇ εἴωθε ξυνοικίζεσθαι. διὰ ταῦτα μὲν ὁ Χοσρόης τὰς σπονδὰς λύειν διανοεῖτο.

Ἐν τούτῳ δὲ καὶ ἄλλο τι γενέσθαι τοιόνδε ξυνέβη. Συμεώνης ἐκεῖνος, ὁ τὸ Φαράγγιον Ῥωμαίοις ἐνδούς, Ἰουστινιανὸν βασιλέα πείθει, ἔτι τοῦ πολέμου ἀκμάζοντος, κώμας αὐτὸν τισιν ἀνδρῶν Ἀρμενίων δωρήσασθαι. [2] κύριός τε τῶν χωρίων γενόμενος πρὸς τῶν αὐτὰ πάλαι κεκτημένων ἐξ ἐπιβουλῆς θνήσκει. [3] ἐξειργασμένου δὲ τοῦ κακοῦ οἱ τοῦ φόνου αὐτουργοὶ φεύγουσιν ἐς τὰ Περσῶν ἥθη. ἀδελφῷ δὲ ἦσθην δύο Περόζου παῖδε. βασιλεὺς τε ταῦτα ἀκούσας τὰς τε κώμας Ἀμαζάσπην παραδίδωσι τῷ Συμεώνου ἀδελφιδῷ καὶ ἄρχοντα κατεστήσατο Ἀρμενίοις αὐτόν. [4] τοῦτον τὸν Ἀμαζάσπην, προϊόντος τοῦ χρόνου, Ἰουστινιανῷ βασιλεῖ τῶν τις ἐπιτηδείων διέβαλλεν, Ἀκάκιος ὄνομα, κακουργεῖν τε ἐς Ἀρμενίους καὶ βούλεσθαι Πέρσαις ἐνδοῦναι Θεοδοσιούπολιν τε καὶ ἄλλα ἅττα πολίσματα. [5] ταῦτα εἰπὼν γνώμῃ βασιλέως Ἀκάκιος τὸν Ἀμαζάσπην δόλῳ ἔκτεινε, καὶ τὴν Ἀρμενίων ἀρχὴν δόντος βασιλέως ἔσχεν αὐτός. [6] πονηρὸς δὲ ὢν φύσει ἔσχε καθ' ὃ τι τὰ τῆς ψυχῆς ἦθη ἐνδείξοιτο. γέγονεν οὖν ἐς τοὺς ἀρχομένους ὁμότατος ἀνθρώπων ἀπάντων. [7] τὰ τε γὰρ χρήματα ἐλήλιζετο οὐδενὶ λόγῳ καὶ φόρου αὐτοῖς ἀπαγωγὴν οὐποτε οὔσαν ἐς κεντηνάρια τέσσαρα ἔταξεν. Ἀρμένιοι δὲ ἔφεριν γὰρ οὐκέτι αὐτὸν οἰοί τε ἦσαν κτείνουσι τε ξυμφρονήσαντες τὸν Ἀκάκιον καὶ ἐς τὸ Φαράγγιον καταφεύγουσι. [8] Διὸ δὴ Σίτταν ἐπ' αὐτοὺς ἐκ Βυζαντίου βασιλεὺς ἔπεμψεν. ἐνταῦθα γὰρ ὁ Σίττας διέτριβεν, ἐπειδὴ Ῥωμαίοις ἐγένοντο αἱ πρὸς Πέρσας σπονδαί. [9] ὃς δὴ ἐς Ἀρμενίους ἐλθὼν τὰ μὲν πρῶτα ἐς τὸν πόλεμον ὀκνηρῶς ἦει, τιθασσεύειν μέντοι καὶ ἐπὶ τὰ πρότερα ἦθη ἀντικαθιστάναι τοὺς ἀνθρώπους ἠπείγετο, πείθειν βασιλέα ὑποσχόμενος ἀφεῖναι αὐτοῖς τὴν καινὴν τοῦ φόρου ἀπαγωγὴν. [10] ἐπεὶ δὲ αὐτὸν βασιλεὺς τῆς μελλήσεως πολλὰ ὀνειδίζων ἐκάκιζεν, ἡγμένος ταῖς Ἀδολίου διαβολαῖς τοῦ Ἀκακίου παιδός, ἐνταῦθα ἦδη ὁ Σίττας τὰ ἐς τὴν ξυμβολὴν ἐξηρτύετο. [11] πρῶτον μὲν οὖν ὑποσχέσεσι πολλῶν ἀγαθῶν ἀναπείθειν τε καὶ ἐταιρίζεσθαι αὐτῶν τινὰς ἐνεχείρησεν, ὅπως αὐτῷ ῥάων τε καὶ ἀπονωτέρα ἢ ἐς τοὺς λοιποὺς ἐπικράτησις γένοιτο. [12] καὶ οἱ τὸ τῶν Ἀσπετιανῶν καλουμένων γένος, μέγα τε ὄν καὶ πολυάνθρωπον, [13] προσχωρεῖν ἠθέλε. πέμψαντές τε παρὰ τὸν Σίτταν ἐν γράμμασιν ἐδέοντο διδόναι τὰ πιστὰ σφίσιν, ὅτι δὴ, ἦν ἐν τῷ ἔργῳ τοὺς ὁμογενεῖς ἀπολιπόντες ἥξωσιν ἐς τὴν Ῥωμαίων παράταξιν, κακῶν παντάπασιν ἀπαθεῖς μείνωσι, τὰ σφέτερα αὐτῶν ἔχοντες. [14] ὁ δὲ αὐτοῖς ἄσμενός τε γράψας ἐν βιβλιδίῳ καθάπερ ἐδέοντο τὰ πιστὰ ἔδωκε, καὶ τὸ γράμμα κατασημνηάμενος ἐς αὐτοὺς ἔπεμψε. [15] θαρσῶν τε ὡς δι' αὐτῶν ἀμαχητὶ τοῦ πολέμου κρατήσῃ, τῷ παντὶ στρατῷ ἐς χωρίον Οἰνοχαλάκων ἦει, ἔνθα τοὺς Ἀρμενίους ἐστρατοπεδεῦσθαι ξυνέβαινε. [16] τύχῃ δέ τινα οἱ τὸ βιβλίον ἔχοντες ἐτέρᾳ ἰόντες ὁδῷ Ἀσπετιανοῖς ἐντυχεῖν οὐδαμῇ ἴσχυσαν. [17] μοῖρα μέντοι τοῦ Ῥωμαίων στρατοῦ ὀλίγοις τισὶν αὐτῶν ἐντυχόντες, οὐκ εἰδότες τε τὰ ξυγκείμενα, ὡς πολεμίους ἐχρήσαντο. [18] καὶ αὐτὸς Σίττας ἐν

σπιλαίῳ που παῖδάς τε αὐτῶν καὶ γυναῖκας λαβὼν ἔκτεινεν, ἢ τὸ γεγονός οὐ
ξυνιείς ἢ δι' ὀργῆς Ἀσπετιανούς ἔχων, ὅτι οἱ καθάπερ ξυνέκειτο οὐ
προσεχώρουν. [19] Οἱ δὲ θυμῷ ἤδη ἐχόμενοι ξὺν τοῖς ἄλλοις ἅπασιν ὡς ἐς
μάχην ἐτάξαντο. ἅτε δὲ ἐν δυσχωρίαις χαλεπαῖς τε καὶ κρημνῶδεσιν ἐκάτεροι
ὄντες οὐκ ἐν ἐνὶ χώρῳ ἐμάχοντο, ἀλλὰ διασκεδαννύμενοι ἐν τε ὑπωρείαις καὶ
φάραξι. τετύχηκεν οὖν τῶν τε Ἀρμενίων ὀλίγους τινὰς καὶ Σίτταν τῶν
ἐπομένων οὐ πολλοὺς ἔχοντα ἀλλήλων πη ἄγχιστα ἰέναι, φάραγος σφίσι
τινὸς μεταξὺ οὔσης. [20] ἱππεῖς δὲ ἦσαν ἐκάτεροι. ὁ μὲν οὖν Σίττας, ὀλίγων οἱ
ἐπισπομένων, ἐπὶ τοὺς ἐναντίους τὴν φάραγγα διαβάς ἤλαυνεν, Ἀρμένιοι δὲ
ὀπίσω ὑποχωρήσαντες ἔστησαν, καὶ ὁ Σίττας οὐκέτι ἐδίωκεν ἀλλ' αὐτοῦ
ἔμενεν. [21] ἄφνω δὲ τις τοῦ Ῥωμαίων στρατοῦ, Ἑρουλος γένος, διώξιν ἐπὶ
τοὺς πολεμίους πεποιημένος ἐνθὲνδε τε ξὺν θυμῷ ἀπελαύνων, παρὰ τοὺς ἀμφὶ
τὸν Σίτταν ἦλθεν. ἐτύγγανε δὲ ὁ Σίττας ἐς τὸ ἔδαφος τὸ δόρυ ἐρείσας· ὁ δὲ ὁ
τοῦ Ἑρούλου ἵππος ἐπιπεσὼν ξὺν πολλῇ ῥύμῃ κατέαξε. [22] τὸν τε στρατηγὸν
τοῦτο ἠνίασεν ἐς τὰ μάλιστα, καὶ αὐτὸν τῶν τις Ἀρμενίων ἰδὼν ἔγνω τε καὶ
Σίτταν αὐτὸν τοῖς ἄλλοις ἅπασιν ἰσχυρίζετο εἶναι. ξυνέβαινε γάρ οἱ ἐν τῇ
κεφαλῇ κράνος οὐκ εἶναι. διὸ δὴ τοὺς πολεμίους οὐκ ἔλαθε ξὺν ὀλίγοις τισὶν
ἐνταῦθα ἦκων. [23] Σίττας μὲν οὖν, ἐπεὶ ταῦτα τοῦ Ἀρμενίου λέγοντος ἤκουσε
καὶ τὸ δόρυ, ὥσπερ ἐρρήθη, οἱ ἀποκαυλισθὲν ἐς τὴν γῆν ἔκειτο, σπασάμενος
τὸ ξίφος τὴν φάραγγα διαβαίνειν εὐθὺς ἐνεχείρησεν. [24] οἱ δὲ πολέμοι σπουδῇ
πολλῇ ἐπ' αὐτὸν ἤλαυνον, καὶ τις αὐτὸν καταλαβὼν ἐν τῇ φάραγγι ξίφει ἐς
ἄκραν κεφαλὴν ἔτυψε πληγῇ ἐγκαρσίᾳ. καὶ τὸ μὲν βρέγμα ὅλον ἀφείλετο, [25]
τοῦ δὲ ὀστέου ὁ σίδηρος οὐδαμῇ ἤψατο. καὶ ὁ μὲν Σίττας ἔτι μᾶλλον ἢ
πρότερον πρόσω ἤλαυνεν, Ἀρταβάνης δὲ Ἰωάννου παῖς Ἀρσακίδης ὀπισθεν
ἐπιπεσὼν καὶ παίσας τῷ δόρατι ἔκτεινεν. [26] οὕτω τε ὁ Σίττας ἐξ ἀνθρώπων
ἠφάνιστο οὐδενὶ λόγῳ, ἀναξίως τῆς τε ἀρετῆς καὶ τῶν ἐς τοὺς πολεμίους αἰεὶ
πεπραγμένων, ἀνὴρ τό τε σῶμα ἐς ἄγαν καλὸς γεγονὼς καὶ ἀγαθὸς τὰ
πολέμια, στρατηγός τε ἄριστος τῶν καθ' αὐτὸν οὐδενὸς ἦσσαν. [27] τινὲς δὲ
φασὶ τὸν Σίτταν οὐ πρὸς τοῦ Ἀρταβάνου ἀπολωλέναι, ἀλλὰ Σολόμωνα, λίαν
ἐν Ἀρμενίοις ἀφανῆ ἄνδρα, τὸν ἀνθρώπον διαχρήσασθαι. [28] Τελευτήσαντος
δὲ Σίττα Βούζην βασιλεὺς ἐπὶ τοὺς Ἀρμενίους ἐκέλευσεν ἰέναι· ὃς ἐπεὶ
ἄγχιστά που ἐγένετο, ἔπεμψε πρὸς αὐτοὺς βασιλεῖ τε καταλλάξειν Ἀρμενίους
ὑποσχόμενος ἅπαντας καὶ ὑπὲρ τούτων ἐς λόγους οἱ ἐλθεῖν ἀξίων τῶν
δοκίμων τινάς. [29] οἱ μὲν οὖν ἄλλοι οὔτε πιστεύειν τῷ Βούζῃ εἶχον οὔτε τοὺς
λόγους ἐνδέχεσθαι τοὺς αὐτοῦ ἤθελον. ἦν δὲ τις αὐτῷ μάλιστα φίλος ἀνὴρ
Ἀρσακίδης, Ἰωάννης ὄνομα, Ἀρταβάνου πατήρ, ὃς δὴ τῷ Βούζῃ τότε ἅτε
φίλῳ θαρσύνσας ξὺν τε Βασσάκῃ τῷ κηδεστῇ καὶ ἄλλοις ὀλίγοις τισὶ παρ'
αὐτὸν ἦλθεν· οἱ δὲ ἐν χωρίῳ γενόμενοί τε καὶ αὐλισθέντες ἔνθα τῷ Βούζῃ τῇ
ὑστεραίᾳ ἐντυχεῖν ἔμελλον, ἦσθοντο ἐς κύκλωσιν πρὸς τοῦ Ῥωμαίων στρατοῦ
ἦκοντες. [30] πολλὰ μὲν οὖν τὸν Ἰωάννην Βασσάκης ὁ γαμβρὸς ἐλιπάρει
δρασμοῦ ἔχεσθαι. ἐπεὶ δὲ αὐτὸν πείθειν οὐκ εἶχε, μόνον ἐνταῦθα καταλιπὼν,
ξὺν τοῖς ἄλλοις ἅπασιν λαθὼν τοὺς Ῥωμαίους ὁδῷ τῇ αὐτῇ ὀπίσω αὐθις
ἀπήλαυνε. [31] Βούζης τε τὸν Ἰωάννην μόνον εὐρὼν ἔκτεινε, καὶ ἀπ' αὐτοῦ οὔτε
τινὰ ἐλπίδα ἐς Ῥωμαίους Ἀρμένιοι ξυμβάσεως περὶ τὸ λοιπὸν ἔχοντες οὔτε

[32] ὧν τότε οἱ πρῶτοι Χοσρόη ἐς ὅσιν ἐλθόντες ἔλεξαν τοιαύδε ‘Εἰσὶ μὲν ἡμῶν πολλοὶ Ἀρσακίδαι, ὧ δέσποτα, ἐκείνου Ἀρσάκου ἀπόγονοι ὃς δὴ οὔτε τῆς Πάρθων βασιλείας ἀλλότριος ἐτύγχανεν ὧν, ἡνίκα ὑπὸ Πάρθοις ἔκειτο τὰ Περσῶν πράγματα, καὶ βασιλεὺς ἐπιφανὴς γέγονε τῶν καθ’ αὐτὸν οὐδενὸς ἦσσαν. [33] πάρεσμεν δὲ τανῦν εἰς ὑμᾶς ἅπαντες δοῦλοί τε καὶ δραπέται γεγεννημένοι, οὐχ ἐκούσιοι μέντοι, ἀλλ’ ἡναγκασμένοι ὥς μάλιστα, τῷ μὲν φαινομένῳ ὑπὸ τῆς Ῥωμαίων ἀρχῆς, τῷ δὲ ἀληθεῖ λόγῳ ὑπὸ σῆς, [34] ὃ βασιλεῦ, γνώμης· εἴπερ ὁ τὴν ἰσχὺν τοῖς ἀδικεῖν βουλομένοις διδοὺς αὐτὸς ἂν φέροιτο καὶ τὴν αἰτίαν τῶν ἔργων δικαίως. εἰρήσεται δὲ μικρὸν ἄνωθεν ὅπως δὴ ἅπασι παρακολουθεῖν τοῖς πεπραγμένοις δυνήσεσθε. [35] Ἀρσάκης γὰρ ὁ τῶν προγόνων τῶν ἡμετέρων βασιλεὺς ὕστατος ἐξέστη τῆς ἀρχῆς τῆς αὐτοῦ Θεοδοσίῳ τῷ Ῥωμαίων αὐτοκράτορι ἐκὼν γε εἶναι, ἐφ’ ᾧ δὴ ἅπαντες οἱ κατὰ γένος αὐτῷ μέλλοντες πάντα τὸν αἰῶνα προσήκειν τὰ τε ἄλλα βιοτεύσουσι κατ’ ἐξουσίαν καὶ φόρου ὑποτελεῖς οὐδαμῇ ἔσονται. [55] ἔνθα δὴ ἐλέχθησαν μὲν γνῶμαι πολλαὶ ἐφ' ἐκάτερα φέρουσαι, τέλος δὲ πολεμητέα σφίσιν ἅμα ἦρι ἀρχομένῳ ἐπὶ Ῥωμαίους ἔδοξεν εἶναι. [56] ἦν γὰρ τοῦ ἔτους μετόπωρον, τρίτον καὶ δέκατον ἔτος Ἰουστινιανοῦ βασιλέως τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [57] οὐ μέντοι Ῥωμαῖοι τοῦτο ὑπώπτευν, οὐδὲ δὴ Πέρσας λύσειν ποτὲ τὰς ἀπεράντους καλουμένας σπονδὰς ᾤοντο, καίπερ Χοσρόην ἀκούσαντες τῷ τε σφῶν αὐτῶν βασιλεῖ ἐγκαλεῖν οἷς εὐημέρησεν ἐν ταῖς ἡλίου δυσμαῖς καὶ τὰ ἐγκλήματα ἐπιφέρειν ταῦτα ὧν ἄρτι ἐμνήσθην.

Τότε καὶ ὁ κομήτης ἀστήρ ἐφάνη, τὰ μὲν πρῶτα ὅσον εὐμήκης ἀνὴρ μάλιστα, ὕστερον δὲ καὶ πολλῷ μείζων. καὶ αὐτοῦ τὸ μὲν πέρας πρὸς δύοντα ἡλίον, ἡ δὲ ἀρχὴ πρὸς ἀνίσχοντα ἦν, [2] αὐτῷ δὲ τῷ ἡλίῳ ὀπισθεν εἶπετο. ὁ μὲν. γὰρ ἐν αἰγοκέρῳ ἦν, αὐτὸς δὲ ἐν τοξότη. καὶ αὐτὸν οἱ μὲν τινες ἐκάλουν ξιφίαν, ὅτι δὴ ἐπιμήκης τε ἦν καὶ λίαν ὀξεῖαν τὴν ἀρχὴν εἶχεν, οἱ δὲ πωγωνίαν, ἡμέρας τε πλείους ἢ τεσσαράκοντα ἐφάνη. [3] οἱ μὲν οὖν ταῦτα σοφοὶ ἀλλήλοις ὥς ἥκιστα ὁμολογοῦντες ἄλλος ἄλλα προῦλεγον πρὸς τούτου δὴ τοῦ ἀστέρος σημαίνεσθαι: ἐγὼ δὲ ὅσα γενέσθαι ξυνηνέχθη γράφων δίδωμι ἐκάστῳ τοῖς ἀποβεβηκόσι τεκμηριοῦσθαι ἢ βούλοιο. [4] μέγα μὲν εὐθὺς στράτευμα Οὐννικόν, διαβάντες ποταμὸν Ἰστρον, ξυμπάσῃ Εὐρώπῃ ἐπέσκηψαν, γεγονὸς μὲν πολλάκις ἤδη, τοσαῦτα δὲ τὸ πλῆθος κακὰ ἢ τοιαῦτα τὸ μέγεθος οὐκ ἐνεγκὸν πώποτε τοῖς ταύτῃ ἀνθρώποις. ἐκ κόλπου γὰρ τοῦ Ἰονίου οἱ βάρβαροι οὗτοι ἅπαντα ἐφεξῆς ἐλήισαντο μέχρι ἐς τὰ Βυζαντίων προάστεια. [5] καὶ φρούρια μὲν δύο καὶ τριάκοντα ἐν Ἰλλυριοῖς εἶλον, πόλιν δὲ τὴν Κασσάνδρειαν κατεστρέψαντο βίᾳ ἣν οἱ παλαιοὶ Ποτίδαιαν ἐκάλουν,

ὅσα γε ἡμᾶς εἰδέναι οὐ τειχομαχήσαντες πρότερον. [6] καὶ τὰ τε χρήματα ἔχοντες αἰχμαλώτων τε μυριάδας δυοκαίδεκα ἀπαγόμενοι ἐπ' οἴκου ἅπαντες ἀνεχώρησαν, οὐδενὸς σφίσιν ἐναντιώματος ἀπαντήσαντος. [7] χρόνῳ τε τῷ ὑστέρῳ πολλάκις ἐνταῦθα γενόμενοι ἀνῆκεστα ἐς Ῥωμαίους δεινὰ ἔδρασαν. [8] οἱ δὲ καὶ ἐν Χερρονήσῳ τειχομαχήσαντες, βιασάμενοι τε τοὺς ἐκ τοῦ τείχους ἀμυνομένους καὶ διὰ τοῦ τῆς θαλάσσης ῥοθίου τὸν περίβολον ὑπερβάντες ὃς πρὸς κόλπῳ τῷ μέλανι καλουμένῳ ἐστίν, οὕτω τε ἐντὸς τῶν μακρῶν τειχῶν γεγενημένοι καὶ τοῖς ἐν Χερρονήσῳ Ῥωμαίοις ἀπροσδόκητοι ἐπιτεσόντες, ἔκτεινάν τε πολλοὺς καὶ ἠνδραπόδισαν σχεδὸν ἅπαντας. [9] ὀλίγοι δέ τινες καὶ διαβάντες τὸν μεταξὺ Σηστοῦ τε καὶ Ἀβύδου πορθμόν, ληισάμενοι τε τὰ ἐπὶ τῆς Ἀσίας χωρία καὶ αὖθις ἐς Χερρόνησον ἀναστρέψαντες, ξὺν τῷ ἄλλῳ στρατῷ καὶ πάσῃ τῇ λείᾳ ἐπ' οἴκου ἀπεκομίσθησαν. [10] ἐν ἐτέρᾳ τε εἰσβολῇ τοὺς τε Ἰλλυριοὺς καὶ Θεσσαλοὺς ληισάμενοι, τειχομαχεῖν μὲν ἐνεχείρισαν ἐν Θερμοπύλαις, τῶν δὲ ἐν τοῖς τείχεσι φρουρῶν καρτερώτατα ἀμυνομένων διερευνώμενοι τὰς περιόδους παρὰ δόξαν τὴν ἀτραπὸν εὖρον ἢ φέρει εἰς τὸ ὄρος ὃ ταύτῃ ἀνέχει. [11] οὕτω τε σχεδὸν ἅπαντας Ἑλλήνας πλὴν Πελοποννησίων διεργασάμενοι ἀπεχώρησαν. [12] Πέρσαι δὲ οὐ πολλῷ ὕστερον τὰς σπονδὰς λύσαντες ἔργα Ῥωμαίους τοὺς ἐφ' οὓς εἰργάσαντο ἅπερ ἐγὼ αὐτίκα δὴ μάλα δηλώσω. [13] Βελισάριος ἐπεὶ τῶν Γόθων τε καὶ Ἰταλιωτῶν βασιλέα Οὐίτιγιν καθελὼν ζῶντα ἐς Βυζάντιον ἦνεγκεν. ὅπως δὲ ὁ Περσῶν στρατὸς ἐς γῆν τὴν Ῥωμαίων ἐσέβαλεν ἐρῶν ἔρχομαι. [14] ἠνίκα Χοσρόου πολεμῆσειντος Ἰουστινιανὸς βασιλεὺς ἦσθετο, παραίνεσίν τε ποιεῖσθαι τινα καὶ τῆς ἐγχειρήσεως αὐτὸν ἀπαγαγεῖν ἤθελεν. [15] ἐτύγχανε δέ τις ἐς Βυζάντιον ἦκων ἐκ Δάρας πόλεως, Ἀναστάσιος ὄνομα, δόξαν ἐπὶ ξυνέσει ἔχων, ὃς καὶ τὴν ἐν Δάρας ἐναγχοῦς γενομένην τυραννίδα καταλελύκει. [16] τοῦτον οὖν τὸν Ἀναστάσιον παρὰ Χοσρόην Ἰουστινιανὸς ἐπεμψε γράμματα γράψας: [17] ἐδήλου δὲ ἡ γραφὴ τάδε ἔϋνετῶν μὲν ἀνθρώπων ἐστὶ καὶ οἷς τὰ ἐς τὸ θεῖον ἱκανῶς ἦσκηται πολέμου φουομένας αἰτίας, ἄλλως τε καὶ πρὸς ἄνδρας τὰ μάλιστα φίλους, σθένει παντὶ ἀποτέμενεσθαι: ἀξυνέτων δὲ καὶ τὰ τοῦ θεοῦ σφίσιν αὐτοῖς ῥᾶστα ποιουμένων πολέμια μάχης τε καὶ ταραχῆς ἀφορμὰς οὐδαμῇ οὕσας ἐπιτεχνᾶσθαι. [18] εἰρήνην μὲν γὰρ καταλύσασιν ἐς πόλεμον ἰέναι οὐδὲν πρᾶγμά ἐστιν, ἐπεὶ τῶν ἐπιτηδευμάτων τὰ πονηρότατα καὶ τοῖς τῶν ἀνθρώπων ἀτιμοτάτοις εὐκολα τίθεσθαι ἢ τῶν πραγμάτων νενόμικε φύσις. [19] πόλεμον δὲ κατὰ γνώμην διαθεμένοις αὖθις ἐπὶ τὴν εἰρήνην χωρεῖν ἀνθρώποις οἶμαι οὐ ῥάδιον εἶναι. [20] καίτοι σὺ μὲν ἡμῖν γράμματα οὐκ ἐπίτηδες γεγραμμένα ἐπικαλεῖς, ταῦτά τε γνώμῃ αὐτονόμῳ τανῦν ἐρμηνεύειν ἐσπούδακας, οὐχ ἥπερ ἡμεῖς διανοηθέντες γεγράφαμεν, ἀλλ' ἢ σοὶ τὰ βεβουλευμένα ἐπιτελεῖν οὐκ ἄνευ τινὸς παραπετάσματος ἐφιεμένῳ ξυνοίσειν δοκεῖ. [21] ἡμῖν δὲ πάρεστιν Ἀλαμούνδαρον δεικνύναι τὸν σὸν γῆν ἐναγχος καταδραμόντα τὴν ἡμετέραν ἔργα ἐν σπονδαῖς διαπεπρᾶχθαι ἀνῆκεστα, χωρίων ἀλώσεις, χρημάτων ἀρπαγὰς, ἀνθρώπων φόνους τε καὶ ἀνδραποδισμοὺς τοσοούτων τὸ πλῆθος, ὑπὲρ ὧν σε οὐκ αἰτιάσθαι ἡμᾶς, ἀλλ' ἀπολογεῖσθαι δεήσει. [22] τὰ γὰρ τῶν ἡδικηκότων ἐγκλήματα αἰ πράξεις, οὐχ αἰ διάνοιαι, δηλοῦσι τοῖς πέλας. ἀλλὰ καὶ τούτων τοιούτων ὄντων ἡμεῖς μὲν

ἔχεισθαι καὶ ὥς τῆς εἰρήνης ἐγνώκαμεν, σὲ δὲ πολεμῆσειοντα ἐπὶ Ῥωμαίους ἀκούομεν ἀναπλάττειν αἰτίας οὐδαμόθεν ἡμῖν προσηκούσας. [23] εἰκότως: οἱ μὲν γὰρ τὰ παρόντα περιστέλλειν ἐν σπουδῇ ἔχοντες καὶ σφόδρα ἐγκειμένας ἀποσεύονται τὰς ἐπὶ τοὺς φίλους αἰτίας, οὓς δὲ ὁ τῆς φιλίας οὐκ ἀρέσκει θεσμός, καὶ τὰς οὐκ. οὔσας ἐφίενται πορίζεσθαι σκῆψεις. [24] ἀλλὰ ταῦτα μὲν οὐδὲ τοῖς τυχοῦσιν ἀνθρώποις, μὴ τί γε δὴ βασιλεῦσι, πρέπειν ἂν δόξειε. [25] σὺ δὲ τούτων ἀφέμενος σκόπει μὲν τὸ μέτρον τῶν ἐκατέρωθεν κατὰ τὸν πόλεμον ἀπολουμένων καὶ τίς ἂν εἴη τῶν ξυμπεσουμένων τὴν αἰτίαν φέρεσθαι δίκαιος, λογίζου δὲ τοὺς ὄρκους, οὓς δὴ ὁμοσάμενός τε καὶ τὰ χρήματα κομισάμενος, εἴτα ἀτιμάσας οὐ δέον τέχναις τισὶν ἢ σοφίσμασι παραγαγεῖν οὐκ ἂν δύναιο: τὸ γὰρ θεῖον κρεῖσσον ἢ ἐξαπαταῖσθαι πέφυκε πρὸς [26] πάντων ἀνθρώπων.’ ταῦτα ἐπεὶ ὁ Χοσρόης ἀπενεχθέντα εἶδεν, ἐν μὲν τῷ αὐτίκα οὔτε τι ἀπεκρίνατο οὔτε τὸν Ἀναστάσιον ἀπεπέμψατο, ἀλλ’ αὐτοῦ μένειν ἠνάγκαζεν.

Ἐπειδὴ δὲ ὁ μὲν χειμῶν ἤδη ὑπέληγε, τρίτον δὲ καὶ δέκατον ἔτος ἐτελεύτα Ἰουστινιανῷ βασιλεῖ τὴν αὐτοκράτορα ἀρχὴν ἔχοντι, Χοσρόης ὁ Καβάδου ἐς γῆν τὴν Ῥωμαίων ἅμα ἦρι ἀρχομένῳ στρατῷ μεγάλῳ ἐσέβαλε, τὴν τε ἀπέραντον καλουμένην εἰρήνην λαμπρῶς ἔλυνε. ἦει δὲ οὐ κατὰ τὴν μέσσην τῶν ποταμῶν χώραν, ἀλλὰ τὸν Εὐφράτην ἐν δεξιᾷ ἔχων. [2] ἔστι δὲ τοῦ ποταμοῦ ἐπὶ θάτερα Ῥωμαίων φρούριον ἔσχατον ὃ Κιρκήσιον ἐπικαλεῖται, ἐχυρὸν ἐς τὰ μάλιστα ὄν, ἐπεὶ Ἀβόρρας μὲν ποταμὸς μέγας ἐνταῦθα τὰς ἐκβολὰς ἔχων τῷ Εὐφράτῃ ἀναμίγνυται, τὸ δὲ φρούριον τοῦτο πρὸς αὐτῇ που τῇ γωνίᾳ κεῖται ἣν δὴ τοῖν ποταμοῖν ἡ μίξις ποιεῖται. [3] καὶ τεῖχος δὲ ἄλλο μακρὸν τοῦ φρουρίου ἐκτὸς χώραν τὴν μεταξὺ ποταμοῦ ἐκατέρου ἀπολαμβάνον τρίγωνον ἐνταῦθα ἀμφὶ τὸ Κιρκήσιον ἐπιτελεῖ σχῆμα. [4] διὸ δὴ ὁ Χοσρόης οὔτε φρουρίου ἐθέλων οὕτω δὴ ἐχυροῦ ἀποπειράσθαι οὔτε διαβαίνειν ποταμὸν Εὐφράτην διανοούμενος, ἀλλ’ ἐπὶ Σύρους τε καὶ Κίλικας ἰέναι, οὐδὲν διαμελλήσας, ἐπιπροσθεν τὸν στρατὸν ἤλαυνε, τριῶν τε σχεδόν τι ὁδὸν ἡμερῶν εὐζώνῳ ἀνδρὶ παρὰ τοῦ Εὐφράτου τὴν ὄχθην ἀνύσας πόλει Ζηνοβία ἐπιτυγχάνει: ἣν ἡ Ζηνοβία ποτὲ δειμαμένη τὴν ἐπωνυμίαν τῇ πόλει, [5] ὥς τὸ εἰκός, ἔδωκεν. ἣν δὲ ἡ Ζηνοβία Ὀδονάθου γυνή, τῶν ἐκείνῃ Σαρακηνῶν ἄρχοντος, οἱ Ῥωμαίοις μαίσις ἐνσπονδοὶ ἐκ παλαιοῦ ἦσαν. [6] οὗτος ὁ Ὀδονάθος ἀνέσώσατο Ῥωμαίοις τὴν ἐφάν ἀρχὴν ὑπὸ Μήδοις γεγεννημένην. ἀλλὰ ταῦτα μὲν ἐν τοῖς ἄνω χρόνοις ἐγένετο. [7] Χοσρόης δὲ τότε ἄγχιστά που τῆς Ζηνοβίας ἦκων, ἐπειδὴ τὸ χωρίον οὔτε ἀξιόλογον ἔμαθεν εἶναι καὶ τὴν χώραν κατενόησεν ἀοίκητόν τε καὶ πάντων ἀγαθῶν ἔρημον οὔσαν, δέισας μὴ τίς οἱ χρόνος ἐνταῦθα τριβεῖς πράξεισι μεγάλαις ἐπ’ οὐδενὶ ἔργῳ ἐμπόδιος εἴη, ἀπεπειράσατο μὲν ὁμολογίᾳ τὸ χωρίον ἐλεῖν. ὥς δὲ οὐδὲν προὔχῳρει, πρόσω κατὰ τάχος τὸν στρατὸν ἤλαυνεν. [8] Ὀδὸν τε αὖθις τοσαύτην ἀνύσας ἀφίκετο ἐς πόλιν Σούρων πρὸς τῷ Εὐφράτῃ ποταμῷ οὔσαν, [9] ἧς δὴ ἀγχοτάτω γενόμενος ἔστη. ἐνταῦθα δὲ τῷ ἵππῳ ξυνέβη ἐφ’ οὗ ὁ Χοσρόης ἐκάθητο χρεμετίσαι τε καὶ τῷ ποδὶ τὸ ἔδαφος κρούειν. ὃ δὴ οἱ μάγοι ξυμβalόντες ἀλῶσεσθαι τὸ χωρίον ἀπέφαινον. [10] ὁ δὲ στρατοπεδευσάμενος ἐπὶ τὸν περίβολον ὥς τειχομαχῆσων τὸ στράτευμα ἐπῆγεν. [11] ἐτύγχανε δὲ τις

ὄνομα μὲν Ἀρσάκης, Ἀρμένιος δὲ γένος, τῶν ἐνταῦθα στρατιωτῶν ἄρχων, ὃς τοὺς στρατιώτας ἐς τὰς ἐπάλξεις ἀναβιβάσας, ἐνθὲνδε τε μαχόμενος ἰσχυρότατα καὶ πολλοὺς τῶν πολεμίων κτείνας, τοξεύματι βληθεὶς ἐτελεύτησε. [12] καὶ Πέρσαι μὲν τότε ἦν γὰρ τῆς ἡμέρας ὅψῃ ὥς αὐθις τῇ ὑστεραίᾳ τειχομαχῆσοντες ἐπὶ τὸ στρατόπεδον ἀνεχώρησαν, Ῥωμαῖοι δὲ ἀπογνόντες, ἅτε τετελευτηκότος σφίσι τοῦ ἄρχοντος, ἰκέται διενοοῦντο Χοσρόου γενέσθαι. [13] τῇ οὖν ἐπιούσῃ ἡμέρᾳ τὸν τῆς πόλεως ἐπίσκοπον δεησόμενόν τε καὶ τὸ χωρίον ἐξαιτησόμενον ἔπεμψαν, ὃς τῶν ὑπηρετῶν τινὰς ἐπαγόμενος ὄρνις τε φέροντας καὶ οἶνον καὶ καθαροὺς ἄρτους, παρὰ Χοσρόην ἀφίκετο, ἐς δὲ τὸ ἔδαφος καθῆκεν αὐτὸν καὶ δεδακρυμένος ἰκέτευε φεῖδεσθαι ἀνθρώπων οἰκτρῶν καὶ πόλεως Ῥωμαίοις μὲν ἀτιμοτάτης, Πέρσαις δὲ ἐν οὐδενὶ λόγῳ οὔτε τὰ πρότερα γεγενημένης οὔτε ὕστερόν ποτε ἐσομένης· λύτρα τέ οἱ τοὺς Σουρηνοὺς δώσειν σφῶν τε αὐτῶν καὶ πόλεως ἥσπερ οἰκοῦσιν ἐπαξίως ὑπέσχετο. [14] Χοσρόης δὲ Σουρηνοῖς μὲν χαλεπῶς εἶχεν, ὅτι δὴ αὐτῷ πρῶτοι περιπεπωκότες Ῥωμαίων ἀπάντων οὔτε τῇ πόλει ἐδέξαντο ἐθελούσιοι, ἀλλὰ καὶ ἀνταίρειν οἱ ὅπλα τολμήσαντες πολὺν τινα δοκίμων Περσῶν ὄμιλον ἔκτειναν. [15] τὴν μέντοι ὀργὴν οὐκ ἐξήνεγκεν, ἀλλ' ὑπὸ τῷ προσώπῳ ἀκριβῶς ἔκρυπεν, ὅπως τὴν κόλασιν ἐς Σουρηνοὺς ποιησάμενος φοβερόν τε Ῥωμαίοις αὐτὸν καὶ ἄμαχόν τινα καταστήσεται. οὕτω γάρ οἱ προσχωρήσειν οὐδενὶ πόνῳ ὑπετόπαζε τοὺς ἐν ποσὶν αἰεὶ γενησομένους. [16] διὸ δὴ ζὺν τε φιλοφροσύνῃ πολλῇ τὸν ἐπίσκοπον ἐξανέστησε, καὶ τὰ δῶρα δεξάμενος παρείχετό τινα δόκησιν ὥς ἀμφὶ τοῖς Σουρηγῶν λύτροις αὐτίκα κοινολογησόμενος Περσῶν τοῖς λογίμοις εὖ τὴν δέησιν διαθήσεται. [17] οὕτω τε ζὺν τοῖς ἐπομένοις τὸν ἐπίσκοπον ἀπεπέμψατο οὐδεμίαν τῆς ἐπιβουλῆς αἰσθῆσιν ἔχοντα, καὶ οἱ τῶν ἐν Πέρσαις δοκίμων τινὰς παραπομποὺς ἐσομένους διήθεν τῷ λόγῳ ξυνέπεμψεν. [18] οὗς δὴ λάθρα ἐκέλευε μὲν ἰέναι ζὺν αὐτῷ ἄχρι ἐς τὸ τεῖχος, παρηγοροῦντας καὶ τισιν ἀγαθαῖς ἐπαίροντας ἐλπίσιν, ὥστε αὐτὸν καὶ τοὺς ζὺν αὐτῷ ἅπαντας χαίροντάς τε καὶ οὐδὲν δεδιότας τοῖς ἔνδον ὀφθῆναι. [19] ἐπειδὰν δὲ οἱ φύλακες ἀνακλίναντες τὴν πυλίδα τῇ πόλει αὐτοὺς δέχεσθαι μέλλωσι, λίθον τινὰ ἢ ξύλον τοῦ τε οὐδοῦ καὶ τῆς θύρας μεταξὺ ρίψαντες οὐ ξυγχωρεῖν ἐπιτίθεσθαι, ἀλλὰ καὶ αὐτοὺς τοῖς ἐπιθεῖναι βουλομένοις χρόνον δὴ τινα ἐμποδῶν ἴστασθαι· οὐκ εἰς μακρὰν γὰρ αὐτοῖς τὸν στρατὸν ἔψεσθαι. [20] Ταῦτα τοῖς ἀνδράσιν ὁ Χοσρόης ἐντειλάμενος ἐν παρασκευῇ τὸν στρατὸν ἐποιεῖτο, δρόμῳ τε χωρεῖν ἐπὶ τὴν πόλιν ὅταν αὐτὸς σημήνῃ ἐκέλευεν. [21] ἐπεὶ δὲ ἄγχιστα τοῦ περιβόλου ἐγένοντο, οἱ μὲν Πέρσαι τὸν ἐπίσκοπον ἀσπασάμενοι ἐκτὸς ἔμενον, οἱ δὲ Σουρηνοὶ περιχαρῇ γεγονότα τὸν ἄνδρα ὀρῶντες ζὺν τιμῇ τε πολλῇ προπεμπόμενον πρὸς τῶν πολεμίων, ἀφροντιστήσαντες δυσκόλων ἀπάντων τὴν τε πυλίδα ὅλην ἀνέωγον καὶ τὸν ἱερέα ζὺν τοῖς ἐπομένοις κροτοῦντές τε καὶ πολλὰ εὐφημοῦντες ἐδέξαντο. [22] ἐπεὶ τε ἅπαντες εἴσω ἐγένοντο, τὴν μὲν πυλίδα ὥς ἐπιθήσοντες οἱ φύλακες ὥθουν, οἱ δὲ Πέρσαι λίθον ὃς αὐτοῖς παρεσκεύαστο ἐν μέσῳ ἐρρίπτουν. [23] οἱ τε φύλακες ἔτι μᾶλλον ὥθουντές τε καὶ βιαζόμενοι ἐξικνεῖσθαι τῇ πυλίδι ἐς τὸν οὐδὸν οὐδαμῇ ἴσχυον. [24] οὐ μὴν οὐδὲ ἀνοιγνύναι αὐτὴν αὐθις ἐτόλμων, ἐπεὶ πρὸς τῶν πολεμίων αὐτὴν ἔχεσθαι

ἥσθοντο. τινὲς δὲ οὐ λίθον, ἀλλὰ ξύλον Πέρσας ἐς τὴν πυλίδα φασὶν ἐμβεβλήσθαι. [25] οὐπω δὲ Σουρηγῶν σχεδὸν τι τῆς ἐπιβουλῆς ἤσθημένων, παρῆν τε τῷ παντὶ ὁ Χοσρόης στρατῷ καὶ τὴν πυλίδα οἱ βάρβαροι βιασάμενοι ἀνεπέτασαν, δι' ὀλίγου τε κατὰ κράτος ἦλω. [26] εὐθὺς μὲν οὖν θυμῷ ὁ Χοσρόης ἐχόμενος τάς τε οἰκίας ἐλήισατο καὶ τῶν ἀνθρώπων πολλοὺς μὲν κτείνας, τοὺς δὲ λοιποὺς ἅπαντας ἐν ἀνδραπόδων ποιησάμενος λόγῳ πυρπολήσας τε ξύμπασαν τὴν πόλιν ἐς ἔδαφος καθεῖλεν. [27] οὕτω τε τὸν Ἀναστάσιον ἀπεπέμψατο, Ἰουστινιανῷ βασιλεῖ ἀπαγγέλλειν κελεύσας ὅπῃ. ποτὲ γῆς Χοσρόην τὸν Καβάδου ἀπολιπὼν εἶη. [28] Μετὰ δέ, εἴτε φιλανθρωπία εἴτε φιλοχρηματία ἐχόμενος, ἢ γυναικὶ χαριζόμενος ἦν δὴ ἐνθὲνδε δορυάλωτον ἐξελών, Εὐφημίαν ὄνομα, γυναῖκα γαμετὴν ἐποίησατο, ἔρωτα ἐξαΐσιον αὐτῆς ἐρασθεὶς ἣν γὰρ τὴν ὄψιν εὐπρεπὴς μάλιστα δρᾶν τι ἀγαθὸν ὁ Χοσρόης τοὺς Σουρηγῶν ἐγνώ. [29] πέμψας οὖν ἐς Σεργιούπολιν, τὴν Ῥωμαίων κατήκοον, ἢ Σεργίου ἐπιφανοῦς ἀγίου ἐπώνυμός ἐστι, πόλεως τῆς ἀλούσης ἕξ καὶ εἴκοσι καὶ ἑκατὸν σταδίοις διέχουσα, κειμένη δὲ αὐτῆς πρὸς ἄνεμον νότον ἐν τῷ βαρβαρικῷ καλουμένῳ πεδίῳ, Κάνδιδον τὸν ταύτῃ ἐπίσκοπον κεντηναρίοις δυοῖν δισχιλίους τε καὶ μυρίους ὄντας ὠνεῖσθαι τοὺς αἰχμαλώτους ἐκέλευεν. [30] ὁ δὲ ἑκρήματα γὰρ οἱ οὐκ ἔφασκεν εἶναι τὴν πρᾶξιν ἄντικρυς ἀνεδύετο. διὸ δὴ αὐτὸν ὁ Χοσρόης ἡξίου ἐν βιβλιδίῳ τὴν ὁμολογίαν ἀφέντα τοῦ δώσειν χρόνῳ τῷ ὑστέρῳ τὰ χρήματα οὕτω δὴ ὀλίγων χρημάτων πρίασθαι ἀνδράποδα τοσαῦτα τὸ πλῆθος. [31] Κάντιδος δὲ κατὰ ταῦτα ἐποίει, καὶ τὸ μὲν χρυσίον ὡμολόγησεν ἐνιαυτοῦ δώσειν, ὄρκους δεινोटάτους ὁμωμοκῶς, ζημίαν δὲ οἱ αὐτῷ δώρισε ταύτην, ἣν μὴ διδοίη χρόνῳ τῷ ξυγκειμένῳ τὰ χρήματα, διπλάσια μὲν αὐτὰ δώσειν, αὐτὸν δὲ ἱερέα μηκέτι εἶναι, ἅτε τὰ ὁμωμοσμένα ἡλογηκότα. [32] ταῦτα Κάντιδος ἐν γραμματείῳ γράψας τοὺς Σουρηγῶν ἅπαντας ἔλαβεν. [33] ὧν ὀλίγοι μὲν τινες διεβίωσαν, οἱ δὲ πλεῖστοι ἀντέχουν τῇ ξυμπεσοῦσῃ ταλαιπωρίᾳ οὐχ οἰοί τε ὄντες ὀλίγῳ ὕστερον διεφθάρησαν. ταῦτα διαπεπραγμένος Χοσρόης πρόσω ἐπῆγε τὸ στρατεύμα.

Ἐτύγχανε δὲ ὀλίγῳ ἔμπροσθεν βασιλεὺς ἀρχὴν τῆς ἑω τὴν στρατηγίδα διελὼν δίχα, καὶ τὰ μὲν ἄχρι ἐς ποταμὸν Εὐφράτην ἐς τὸ Βελισαρίου ἀπολιπὼν ὄνομα ὃς ξύμπασαν τὴν ἀρχὴν τὰ πρότερα εἶχε, τὰ δὲ ἐνθὲνδε μέχρι τῶν Περσικῶν ὁρίων τῷ Βούζῃ ἐπιτρέψας, ὃν δὴ ἀπάσης ἐπιμέλεισθαι τῆς ἐφ' ἀρχῆς, ἕως Βελισάριος ἐξ Ἰταλίας ἐπανήκοι, ἐκέλευε. [2] διὸ δὴ ὁ Βούζης ἅπαντα τὸν στρατὸν ἐπόμενον ἔχων τὰ μὲν πρῶτα ἐπὶ τῆς Ἰεραπόλεως ἔμενον· ἐπεὶ δὲ τὰ ξυμπεσόντα Σουρηγῶν ἔμαθε, ξυγκαλέσας τοὺς [3] Ἰεραπολιτῶν πρῶτους ἔλεξε τοιάδε Ὅϊς μὲν ἐξ ἀντιπάλου τῆς δυνάμεως πρὸς τοὺς ἐπιόντας ὁ ἀγὼν ἐστίν, ἐς χεῖρας τοῖς πολεμίοις ἐκ τοῦ εὐθέως καθίστασθαι οὐδὲν ἀπεικός, οἷς δὲ τῶν ἐναντίων πολλῷ τῷ διαλλάσσοντι καταδεεστέροις ξυμβαίνει εἶναι, μηχαναῖς τισι τοὺς πολεμίους περιελθεῖν μᾶλλον ξυνοίσει ἢ ἐκ τοῦ ἐμφανοῦς ἀντιτασσομένοις ἐς κίνδυνόν τινα προῦπτον ἰέναι. [4] ἡλικὸς μὲν οὖν ἐστίν ὁ Χοσρόου στρατὸς ἀκούετε δήπου. ἦν δὲ αὐτὸς μὲν πολιορκία ἡμᾶς ἐξελεῖν βούληται, ἡμεῖς δὲ ἀπὸ τοῦ τείχους τὸν πόλεμον διενέγκωμεν, ἡμᾶς μὲν τὰ ἐπιτήδεια ἐπιλείψειν εἰκός, Πέρσας δὲ ἅπαντα ἐκ τῆς ἡμετέρας

οὐδενὸς ἀντιστατοῦντος κομίζεσθαι. [5] ταύτη τε τῆς πολιορκίας μηχανομένης, οὐδὲ ἀρκέσειν τὸν περίβολον ταῖς τῶν πολεμίων ἐπιβουλαῖς οἶμαι, ὃν δὴ ἐπιμαχότατον πολλαχόσε τετύχηκεν εἶναι, καὶ τι Ῥωμαίοις τῶν ἀνηκέστων ξυμβήσεσθαι. [6] ἦν δέ γε μοῖρα μὲν τινι τοῦ στρατοῦ τὸ τῆς πόλεως φυλάξωμεν τεῖχος, οἱ δὲ λοιποὶ τὰς ἀμφὶ τὴν πόλιν ὑπωρείας καταλάβωσιν, ἐνθὲνδε καταθέοντες πῇ μὲν τὸ τῶν ἐναντίων στρατόπεδον, πῇ δὲ τοὺς τῶν ἐπιτηδείων ἔνεκα στελλομένους, ἀναγκάσουσι Χοσρόην αὐτίκα δὴ μάλα λύσαντα τὴν προσεδρεῖαν, τὴν ἀναχώρησιν δι' ὀλίγου ποιήσασθαι, οὔτε τὰς προσβολὰς ἀδεέστερον ἐπάγειν τῷ περιβόλῳ παντελῶς ἔχοντα οὔτε τι τῶν ἀναγκαίων στρατῷ τοσοῦτον πορίζεσθαι. [7] τοσαῦτα ὁ Βουζῆς εἰπὼν λέγειν μὲν τὰ ξύμφορα ἔδοξεν, ἔπραξε δὲ τῶν δεόντων οὐδέν. ἀπολέξας γὰρ εἴ τι ἐν τῷ Ῥωμαίων στρατῷ δόκιμον ἦν, [8] ἀπὼν ᾤχετο. καὶ ὅποι ποτὲ γῆς ἐτύγγανεν οὔτε τις τῶν ἐν Ἱεραπόλει Ῥωμαίων οὔτε ὁ τῶν πολεμίων στρατὸς μαθεῖν ἴσχυσε. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [9] Βασιλεὺς δὲ Ἰουστινιανὸς πυθόμενος τὴν Περσῶν ἔφοδον, Γερμανὸν μὲν εὐθὺς τὸν ἀνεψιὸν τὸν αὐτοῦ ξὺν θορύβῳ πολλῷ τριακοσίους ἐπομένους ἔχοντα ἔπεμψε, στρατὸν δὲ οἱ οὐκ ἐς μακρὰν ὑπέσχετο πολὺν ἔψεσθαι. [10] ἔς τε Ἀντιόχειαν ὁ Γερμανὸς ἀφικόμενος περιήλθε τὸν περίβολον ἅπαντα κύκλῳ, καὶ αὐτοῦ ἐχυρὰ μὲν ὄντα τὰ πολλὰ ἠϋρίσκε· τὰ τε γὰρ ἐν τῷ ὁμαλεῖ ποταμῷ Ὀρόντης παραρρεῖ ξύμπαντα τοῖς ἐπιούσιν ἄπορα ἐργαζόμενος, καὶ τὰ ἐν τῷ ἀνάντει χωρίοις κρημνώδεσιν ἀνεχόμενα ἐσβατὰ τοῖς πολεμίοις ὥς ἥκιστα ἦν, ἐν δὲ τῇ ἄκρᾳ γενόμενος, ἦν δὴ Ὀροκασιάδα καλεῖν οἱ ταύτη ἄνθρωποι νενομίκασιν, ἐπιμαχώτατον κατενόησεν ὃν τὸ κατ' αὐτὴν τεῖχος. [11] πέτρα γὰρ τυγχάνει τις ἐνταῦθα πη οὔσα, εὖρους μὲν ἐπὶ πλεῖστον ἱκανῶς ἔχουσα, ὕψος δὲ ὀλίγῳ τοῦ περιβόλου ἐλασσουμένη. [12] ἐκέλευεν οὖν ἢ τὴν πέτραν ἀποτεμνομένους βαθύν τινα βόθρον ἀμφὶ τὸ τεῖχος ἐργάζεσθαι, μὴ τις ἐνθὲνδε ἀναβησόμενος ἐπὶ τὸν περίβολον ἴοι, ἢ πύργον μέγαν τινὰ δειμαμένους ἐνταῦθα τὴν ἀπ' αὐτοῦ οἰκοδομίαν ἐνάψαι τῷ τῆς πόλεως τείχει. [13] ἀλλὰ τοῖς τῶν οἰκοδομῶν ἀρχιτέκτοσι ποιητέα τούτων ἐδόκει οὐδέτερα εἶναι. οὔτε γὰρ ἐν χρόνῳ βραχεῖ ἐπιτελῇ ἔσεσθαι οὕτως ἐγκειμένης τῆς τῶν πολεμίων ἐφόδου, ἀρχόμενοί τε τοῦ ἔργου τούτου καὶ οὐκ ἐς πέρας αὐτοῦ ἐξικνούμενοι οὐκ ἄλλο οὐδὲν ἢ τοῖς πολεμίοις ἐνδείζονται ὅπη ποτὲ τοῦ τείχους σφίσι πολεμητέα εἴη. [14] Γερμανὸς δὲ ταύτης δὴ τῆς ἐννοίας σφαλεῖς, τὰ μὲν πρῶτα στρατὸν ἐκ Βυζαντίου παραδοκῶν ἐλπίδα τινὰ ἐπ' αὐτῷ εἶχεν. [15] ἐπεὶ δὲ χρόνου τριβέντος συχνοῦ οὔτε τις ἐκ βασιλέως στρατὸς ἀφίκετο οὔτε ὅτι ἀφίξεται ἐπίδοξος ἦν, ἐς δέος ἦλθε μὴ ὁ Χοσρόης πυθόμενος βασιλέως ἀνεψιὸν ἐνταῦθα εἶναι, προυργιαιότερον ἄλλου ὅτουοῦν ποιήσεται Ἀντιόχειάν τε καὶ αὐτὸν ἐξελεῖν, καὶ ἀπ' αὐτοῦ τῶν ἄλλων ἀπάντων ἀφέμενος παντὶ τῷ στρατῷ ἐπ' αὐτὴν ἴοι. [16] ταῦτα καὶ Ἀντιοχεῦσιν ἐν νῶ ἔχουσι βουλὴν τε ὑπὲρ τούτων πεποιημένοις ξυμφορώτατον ἔδοξεν εἶναι χρήματα προεμένοις Χοσρόῃ κίνδυνον τὸν παρόντα διαφυγεῖν. [17] Μέγαν τοίνυν, τὸν Βεροίας ἐπίσκοπον, ἄνδρα ξυνετόν· ἐπιχωριάζων γὰρ αὐτοῖς ἐτύγγανε τότε Χοσρόου δεησόμενον πέμπουσιν, ὃς δὴ ἐνθὲνδε σταλεῖς καταλαμβάνει τὸν Μήδων στρατὸν Ἱεραπόλεως οὐ μακρὰν ἄποθεν. [18] Χοσρόῃ τε ἐς ὅσιν ἦκων πολλὰ ἐλιπάρει ἀνθρώπους

οἰκτεῖραι οἱ οὔτε τι ἐς αὐτὸν ἥμαρτον οὔτε τῇ Περσῶν στρατιᾷ οἰοί τε ἀντιτείνειν εἰσί. [19] πρέπει γὰρ ἀνδρὶ βασιλεῖ πάντων ἥκιστα τοῖς ὑποχωροῦσι καὶ οὐδαμῇ ἐθέλουσιν ἀντιτάσσεσθαι ἐπεμβαίνειν τε καὶ βιάζεσθαι, ἐπεὶ οὐδὲ τῶν νῦν δρωμένων βασιλικόν τι οὐδὲ γενναῖον αὐτῷ ἐργασθεῖν, ὅτι δὴ οὐ παρασχόμενος τῷ Ῥωμαίων βασιλεῖ βουλῆς τινα χρόνον, ὥστε ἢ τὴν εἰρήνην κρατύνασθαι, ὅπῃ ἂν ἐκατέρῳ δοκοίη, ἢ τὰ ἐς τὸν πόλεμον ἐκ συνθήκης, ὡς τὸ εἰκός, ἐξαρτύεσθαι, ἀλλ' οὕτως ἀνεπισκέπτως ἐπὶ Ῥωμαίους ἐν ὅπλοις ἔλθοι, οὐπω τοῦ σφετέρου βασιλέως ἐπισταμένου τὰ παρόντα σφίσι. [20] ταῦτα ὁ Χοσρόης ἀκούσας λόγῳ ξυνετῷ τὸν τρόπον ρυθμίζεσθαι ὑπὸ ἀμαθίας οὐδαμῶς ἴσχυσεν, ἀλλ' ἔτι μᾶλλον τὴν διάνοιαν ἢ πρότερον ἦρθη. [21] Σύρους τε οὖν ἠπέιλησε καταστρέψασθαι καὶ Κίλικας πάντας, καὶ οἱ τὸν Μέγαν ἐπεσθαι κελεύσας ἐς τὴν Ἱεράπολιν ἐπῆγε τὸ στρατεύμα. [22] οὗ δὴ ἀφικόμενός τε καὶ ἐνστρατοπεδευσάμενος, ἐπειδὴ τὸν τε περίβολον ὄχυρόν ὄντα εἶδε καὶ στρατιωτῶν ἔμαθε φυλακτῆριον διαρκῶς ἔχειν, χρήματα τοὺς Ἱεραπολίτας ἦτει, [23] Παῦλον ἐρμηνέα παρ' αὐτοὺς πέμψας. ὁ δὲ Παῦλος οὗτος ἐτέθραπτό τε ἐν γῇ τῇ Ῥωμαίων καὶ εἰς γραμματιστοῦ παρὰ Ἀντιοχεῦσιν ἐφοίτησεν, ἐλέγετο δὲ καὶ Ῥωμαῖος γένος τὸ ἐξ ἀρχῆς εἶναι. [24] οἱ δὲ μάλιστα μὲν καὶ ὡς ἀμφὶ τῷ περιβόλῳ δειμαίνοντες, χώραν περιβεβλημένῳ πολλὴν μέχρι ἐς τὸ ὄρος ὃ ταύτῃ ἀνέχει, ἔπειτα δὲ καὶ τὴν γῆν ἀδήωτον ἔχειν ἐθέλοντες, ὠμολόγησαν ἀργύρου σταθμὰ δισχίλια δώσειν. [25] τότε δὴ Μέγας ὑπὲρ τῶν ἐφ' ὧν ἀπάντων Χοσρόην ἱκετεῦων οὐκέτι ἀνίει, ἕως αὐτῷ ὁ Χοσρόης ὠμολόγησε δέκα τε χρυσοῦ κεντηνάρια λήψεσθαι καὶ πάσης ἀπαλλαγῆσεσθαι τῆς Ῥωμαίων ἀρχῆς.

Οὗτω μὲν οὖν ἐκείνῃ τῇ ἡμέρᾳ ὃ τε Μέγας ἐνθὲνδε ἀπαλλαγείς τὴν ἐπὶ τοὺς Ἀντιοχέας ἤλανε καὶ ὁ Χοσρόης τὰ λύτρα λαβὼν ἐς Βέροϊαν ἦει. [2] Βέροια δὲ Ἀντιοχείας μὲν καὶ Ἱεραπόλεως μεταξὺ κεῖται, δυοῖν δὲ ἡμερῶν ὁδῷ εὐζώνῳ ἀνδρὶ ἐκατέρας διέχει. [3] ὁ μὲν οὖν Μέγας ἄτε ζὺν ὀλίγοις τισὶ πορευόμενος ὀξύτερον ἦει, ὁ δὲ Περσῶν στρατὸς μοῖραν ἀεὶ τὴν ἡμίσειαν τῆς ὁδοῦ ἦνυε. [4] τετάρτῃ δὲ ἡμέρᾳ ὁ μὲν ἐς Ἀντιόχειαν, οἱ δὲ ἐς τὸ Βεροΐας προάστειον ἦλθον. [5] καὶ χρήματα Χοσρόης τοὺς Βεροιαίους τὸν Παῦλον στείλας εὐθὺς ἔπραττεν, οὐχ ὅσα πρὸς τῶν Ἱεραπολιτῶν ἔλαβε μόνον, ἀλλὰ καὶ τούτων διπλάσια, ἐπεὶ τὸ τεῖχος αὐτοῖς ἐπιμαχώτατον ὃν πολλαχῇ εἶδε. [6] Βεροιαῖοι δὲ ἠαυτοὺς γὰρ ἐπὶ τῷ περιβόλῳ οὐδαμῇ εἶχον ζὺν προθυμίᾳ μὲν ὑπεδέξαντο ἅπαντα δώσειν, δισχίλια δὲ δόντες ἀργύρου σταθμὰ, τὰ λειπόμενα διδόναι οὐκ ἔφασαν οἰοί τε εἶναι. [7] ἐγκειμένου τε σφίσι διὰ ταῦτα Χοσρόου, νυκτὸς ἐπιλαβούσης ἐς τὸ φρούριον ἅπαντες ὃ ἐν τῇ ἀκροπόλει ἐστὶ κατέφυγον ζὺν τοῖς ἄλλοις στρατιώταις, οἱ δὲ ἐνταῦθα ἐπὶ φυλακῇ ἐτετάχατο. [8] τῇ δὲ ἐπιούσῃ ἡμέρᾳ ἐστέλλοντο μὲν πρὸς Χοσρόου ἐς τὴν πόλιν τινὲς ἐφ' ὧν τὰ χρήματα λήψονται, οἱ δὲ ἄγχιστά πῃ τοῦ περιβόλου γενόμενοι κεκλεισμένους μὲν τὰς πύλας ἀπάσας εὗρον, ἀνθρώπων δὲ οὐδενὶ ἐντυχεῖν ἔχοντες τῷ βασιλεῖ τὰ παρόντα σφίσιν ἐσήγγελλον. [9] καὶ ὅς τῷ τείχει κλίμακας ἐπιθέντας ἀποπειρᾶσθαι τῆς ἀνόδου ἐκέλευεν, οἱ δὲ κατὰ ταῦτα ἐποίουν. [10] οὐδενός τε σφίσιν ἀντιστατοῦντος, ἐντὸς τοῦ περιβόλου γενόμενοι τὰς μὲν πύλας κατ' ἐξουσίαν ἀνέωγον, [11] ἐδέχοντο δὲ τῇ πόλει τὸν

τε στρατὸν ἅπαντα καὶ Χοσρόην αὐτόν. θυμῷ τε πολλῷ ὁ βασιλεὺς ἦδη ἐχόμενος τὴν πόλιν ὀλίγου δέοντος ἐνέπρησε πᾶσαν. ἐς δὲ τὴν ἀκρόπολιν ἀναβὰς ἐπὶ τὸ φρούριον τειχομαχεῖν ἔγνω. [12] ἐνταῦθα οἱ μὲν Ῥωμαίων στρατιῶται καρτερῶς ἀμυνόμενοι τῶν πολεμίων τινὰς ἔκτεινον, τῷ δὲ Χοσρόῃ εὐτύχημα μέγα τῷ τῶν πολιορκουμένων ἀξυνέτῳ γενέσθαι ξυνέβη, οἱ δὲ οὐ μόνον ἐς τὸ φρούριον τοῦτο, ἀλλὰ ξύν τε τοῖς ἵπποις καὶ ζώοις τοῖς ἄλλοις κατέφυγον, ταύτη τε τῇ σμικρολογίᾳ καταστρατηγηθέντες ἐς κίνδυνον ἦλθον. [13] μιᾶς γὰρ οὔσης ἐνταῦθα πηγῆς, ἵππων τε καὶ ἡμιόνων καὶ ζώων ἐτέρων οὐ δέον αὐτὴν ἐκπεπωκότων, ἀποξηρανθῆναι ξυνέβη τὸ ὕδωρ. Βεροιαίοις μὲν τὰ πράγματα ὧδέ πη εἶχεν. [14] Ὁ δὲ Μέγας εἰς Ἀντιόχειαν ἀφικόμενος ἀγγείλας τε ὅσα οἱ πρὸς Χοσρόην ξυνέκειτο, ἔργῳ ταῦτα ἐπιτελεῖν οὐδαμῇ ἐπειθεν. [15] ἐτύγγανε γὰρ Ἰουστινιανὸς βασιλεὺς Ἰωάννην τε τὸν Ῥουφίνου καὶ Ἰουλιανὸν τὸν τῶν ἀπορρήτων γραμματεᾶ πρέσβεις παρὰ Χοσρόην στείλας, ἀσηκρήτις καλοῦσι τὸ ἀξίωμα τοῦτο Ῥωμαῖοι: σήκηριτα γὰρ καλεῖν τὰ ἀπόρρητα νενομίκασιν. [16] οἱ δὲ ἐς Ἀντιόχειαν ἀφικόμενοι ἔμενον. Ἰουλιανὸς τε, τῶν πρέσβων ἄτερος, διαρρήδην ἀπεῖπεν ἅσασι χρήματα μὴ δίδοναι τοῖς πολεμίοις, μηδὲ τὰς βασιλέως ὠνεῖσθαι πόλεις, ἀλλὰ καὶ τῷ Γερμανῷ διέβαλλε τὸν ἀρχιερέα Ἐφραΐμιον, ἅτε τῷ Χοσρόῃ ἐνδοῦναι τὴν πόλιν ἐν σπουδῇ ἔχοντα. [17] διὸ δὲ Μέγας ἄπρακτος ἀνεχώρησεν. Ἐφραΐμιος δέ, ὁ τῆς Αντιοχείας ἐπίσκοπος, δέισας τὴν Περσῶν ἑφοδὸν ἐς Κίλικας ἦλθεν. [18] οὐ δὲ καὶ Γερμανὸς ἀφίκετο οὐ πολλῷ ὕστερον, ὀλίγους μὲν τινὰς ἐπαγόμενος, τοὺς δὲ πλείστους ἐνταῦθα ἐάσας. [19] Μέγας δὲ κατὰ τάχος ἐς Βέροϊαν ἦκων περιώδυνός τε τοῖς ξυμπεσοῦσι γενόμενος ἡτῆστο Χοσρόην εἰργάσθαι Βεροιαίους ἀνόσια ἔργα, ὅτι δὲ αὐτὸν μὲν ἐς Ἀντιόχειαν ὡς ἐπὶ ταῖς σπονδαῖς στείλειε, τῶν δὲ πολιτῶν οὐδὲν τὸ παράπαν ἡδικοτόων τά τε χρήματα ἐληίσατο καὶ ἠνάγκασε σφᾶς αὐτοὺς ἐν τούτῳ δὴ τῷ φρουρίῳ καθεῖρξαι, οὕτω τε τὴν πόλιν ἐμπρήσας ἐς τὸ ἔδαφος οὐ δέον καθεῖλε. [20] πρὸς ταῦτα ὁ Χοσρόης ἀπεκρίνατο ὧδε ‘Τούτων μέντοι, ὃ ἐταῖρε, αὐτὸς αἴτιος, ἐνταῦθα ἀναγκάσας ἡμᾶς διατρίψαι: οὐ γὰρ ἐν τῷ τεταγμένῳ καιρῷ, ἀλλὰ κατὰ πολὺν τούτου γε ὕστερήσας τανῦν ἀφίξει. [21] τῶν δὲ σῶν πολιτῶν τὴν ἀτοπίαν τί ἂν τις ἐπὶ πλείστον, ὃ βέλτιστε, μακρολογοίῃ; οἱ γε τακτὸν ἡμῖν ὁμολογηκότες ἀργύριον δώσιν ὑπὲρ τῆς σφῶν αὐτῶν σωτηρίας, οὐπὼ καὶ νῦν ἐπιτελεῖν οἴονται δεῖν τὰ ξυγκείμενα, ἀλλ’ ἀνέδην οὕτω χωρίου ἰσχυρὴ θαρσήσαντες περιορῶσιν ἡμᾶς ὡς μάλιστα ἠναγκας μένους ἐς φρουρίου πολιορκίαν, ὡς ὀρθὰς δῆπου, καθίστασθαι. [22] οὓς γε δὲ ἔγωγε ξὺν θεοῖς ἐλπίδα ἔχω ὀλίγῳ ὕστερον τίσασθαι, καὶ Περσῶν τῶν μοι οὐ δέον πρὸ τοῦδε τοῦ τείχους ἀπολωλότων τὴν κόλασιν ἐς τοὺς αἰτίους ἐπιτελέσειν.’ [23] ὁ μὲν Χοσρόης τοσαῦτα εἶπεν, ὁ Μέγας δὲ ἀμείβεται ὧδε ‘Εἰ μὲν, ὅτι βασιλεὺς ἀνθρώποις οἰκτροῖς τε καὶ ἀτιμοτάτοις ταῦτα ἐπικαλεῖς, σκοπήσειεν ἂν τις, ἀνάγκη μηδὲν ἀντιλέγοντα τοῖς εἰρημένοις ὁμολογεῖν: τῇ γὰρ ἐξουσίᾳ τῇ ἄλλῃ καὶ τὸ τῷ λόγῳ κρατεῖν ἐπεσθαι πέφυκεν: [24] ἦν δὲ τῷ ἐξῆλθαι ἅλλα ἀποσεισαμένῳ τὸν ἀληθῆ λόγον ἐλέσθαι, οὐδὲν ἂν ἡμῖν, ὃ βασιλεῦ, δικαίως ἐπικαλεῖν ἔχοις: ὅπως δὲ ἅπαντα ἀκούσῃ πράως. [25] ἐγὼ μὲν γάρ, ἐπειδὴ ἅπερ Ἀντιοχεῦσιν ἐπήγγελλες, δηλώσω ἐστάλην, ἐβδομαῖός σοι ἐς ὅψιν ἦκων ὅ

τί ἂν γενέσθαι δύναίτο θᾶσσον; ταῦτά σοι ἐξειργασμένα ἐς πατρίδα τὴν ἐμὴν εὗρον. [26] οἱ δὲ δὴ πάντων ἤδη τῶν τιμιωτάτων ἐκστάντες, εἴτα ἐς τὸν περὶ ψυχῆς ἀγῶνα καθίστανται μόνον, κρείσσους, οἶμαι, γεγεννημένοι ἢ σοί τι τὸ λοιπὸν τῶν χρημάτων εἰσφέρειν. [27] τὸ γὰρ ἐκτινύναι τι τῶν οὐ παρόντων ἀνθρώπῳ ἂν οὐδεμία μηχανὴ γένοιτο. [28] πάλοι δὲ τοῖς ἀνθρώποις εὖ τε καὶ καλῶς διώρισται τὰ τῶν πραγμάτων ὀνόματα: ἐν οἷς καὶ τόδε ἐστίν, ἀγνωμοσύνης κεχωρίσθαι ἀσθένειαν. [29] ἡ μὲν γὰρ τρόπου ἀκολασία ἐς τὸ ἀντιτείνειν χωροῦσα μισεῖσθαι, ὥς τὸ εἰκός, εἴωθεν, ἡ δὲ τῷ τῆς ὑπουργίας ἀδυνάτῳ ἐς ταὐτὸ τοῦτο ἐκφερομένη ἐλεεῖσθαι ἱκανῶς πέφυκεν. [30] ἔασον τοίνυν ἡμᾶς ἅπαντα, ὧ βασιλεῦ, κληρωσαμένους τὰ χεῖριστα τοῦτο γοῦν φέρεσθαι παραμύθιον, τὸ μὴ δοκεῖν τῶν ξυμπεπτωκότων ἡμῖν αὐτοὺς αἰτίους γενέσθαι. [31] καὶ χρήματα μὲν σοι ὅσα λαβὼν ἔχεις διαρκεῖν οἴου, μὴ τῷ σῶ ταῦτα σταθμώμενος ἀξιώματι, ἀλλὰ τὴν Βεροιαίων σκοπῶν δύναμιν. [32] περαιτέρω δὲ ἡμᾶς βιάζου μηδέν, μὴ ποτε δόξης οἷς ἐγκεχείρηκας ἀδύνατος εἶναι: τὸ γὰρ ὑπερβάλλον ἀεὶ τῷ ἀμηχάνῳ τετίμηται: τὸ δὲ μὴ τοῖς ἀδυνάτοις ἐγχειρεῖν κράτιστον. [33] ταῦτα μὲν οὖν μοι ἀπολελογήσθω ἐν τῷ παραντίκῳ ὑπὲρ ἀνδρῶν τῶνδε. ἦν δέ γε τοῖς ταλαιπώροις ξυγγενέσθαι δυνατός εἴην, ἔχοιμι ἂν τι καὶ ἄλλο τῶν νῦν με λεληθότων [34] εἰπεῖν. τοσαῦτα τὸν Μέγαν εἰπόντα ὁ Χοσρόης ἐς τὴν ἀκρόπολιν ἀφῆκεν ἰέναι. ὃς δὴ ἐνταῦθα γενόμενος καὶ τὰ ξυμπεσόντα ἀμφὶ τῇ πηγῇ μαθὼν ἅπαντα, δεδακρυμένος τε παρὰ Χοσρόην αὖθις ἀφίκετο καὶ πρηνὴς κείμενος οὐδὲν μὲν Βεροιαίοις ἰσχυρίζετο ἀπολελεῖσθαι τῶν πάντων χρημάτων, μόνῃ δὲ οἱ τῶν ἀνθρώπων ἰκέτευε χαριεῖσθαι τὰ σώματα. [35] ταῖς τε τοῦ ἀνδρὸς ὀλοφύρσεσιν ὁ Χοσρόης ἡγμένος τὴν δέησιν ἐπιτελῇ ἐποιεῖτο, καὶ διομοσάμενος ἅπασιν τοῖς ἐν ἀκροπόλει τὰ πιστὰ ἔδωκε. [36] Βεροιαῖοι δὲ παρὰ τοσοῦτον κινδύνου ἐλθόντες, ἀπέλιπόν τε τὴν ἀκρόπολιν ἀπαθεῖς κακῶν καὶ ἀπιόντες ὄχοντο ὡς ἕκαστός πη: [37] ἐβούλετο. τῶν δὲ στρατιωτῶν ὀλίγοι μὲν αὐτοῖς τινες εἶποντο, οἱ δὲ πλεῖστοι ἐθελοῦσιοι παρὰ Χοσρόην αὐτόμολοι ἦλθον, ἐπικαλοῦντες ὅτι δὴ τὰς συντάξεις χρόνου μακροῦ σφίσι τὸ δημόσιον ὄφλε, καὶ ζῆν αὐτῷ ὕστερον ἐς τὰ Περσῶν ἦθη ἐχώρησαν.

Χοσρόης δὲ καὶ γὰρ οἱ Μέγας χρήματα ἔφασκεν οὐδαμῇ πεπεικέναι Ἀντιοχέας φέρειν παντὶ τῷ στρατῷ ἐπ' αὐτοὺς ἦει. [2] Ἀντιοχέων δὲ τινες μὲν ἐνθένθε ζῆν τοῖς χρήμασιν ἐξαναστάντες ἔφευγον ὡς ἕκαστός πη ἐδύνατο. ταὐτὸ δὲ τοῦτο διεννοοῦντο καὶ οἱ λοιποὶ ζύμπαντες, εἰ μὴ μεταξὺ ἦκοντες οἱ τῶν ἐν Λιβάνῳ στρατιωτῶν ἄρχοντες, Θεόκτιστός τε καὶ Μολάτζης, ζῆν ἐξακισχυλίους ἀνδράσιν ἐλπίσι τε αὐτοὺς ἐπιρρώσαντες διεκώλυσαν. [3] οὗ δὴ οὐ πολλῷ ὕστερον καὶ τὸ Περσῶν στράτευμα ἦλθεν. ἐνταῦθά τε διεσκηνημένοι ἐστρατοπεδεύσαντο ἅπαντες πρὸς τὴν Ὀρόντη τῷ ποταμῷ καὶ αὐτοῦ οὐ πολλῷ ἄποθεν. [4] Χοσρόης τε Παῦλον παρὰ τὸν περίβολον στείλας τοὺς Ἀντιοχέας χρήματα ἦτει, δέκα χρυσοῦ κεντηναρίων ἀπαλλαγῆσεσθαι ἐνθένδε, ἐνδηλὸς τε ἦν καὶ τούτων ἐλάσσω ἐπὶ τῇ ἀναχωρήσει ληψόμενος. [5] καὶ τότε μὲν ἦκοντες παρὰ τὸν Χοσρόην οἱ πρέσβεις, εἰπόντες τε ἀμφὶ τῇ διαλύσει τῆς εἰρήνης πολλὰ καὶ πρὸς ἐκεῖνον ἀκούσαντες ἀνεχώρησαν. [6] τῇ δὲ ἐπιούσῃ ἡμέρᾳ τῶν Ἀντιοχέων ὁ δῆμος εἰσὶ γὰρ οὐ κατεσπουδασμένοι,

ἀλλὰ γελοιούς τε καὶ ἀταξίᾳ ἱκανῶς ἔχονται πολλὰ ἐς τὸν Χοσρόην ὕβριζόν τε ἀπὸ τῶν ἐπάλλξεων καὶ ξὺν γέλῳ ἀκόσμῳ ἐτάθασον· [7] καὶ Παῦλον τοῦ περιβόλου ἐγγὺς ἦκοντα παραινούντά τε χρημάτων ὀλίγων σφᾶς τε αὐτοὺς καὶ τὴν πόλιν ὠνεῖσθαι, ὀλίγου ἐδέησαν τοξεύσαντες κτείνειν, εἰ μὴ προῖδὼν ἐφυλάξατο. διὸ δὴ ζέων τῷ θυμῷ ὁ Χοσρόης τειχομαχεῖν ἔγνω. [8] Τῇ οὖν ὑστεραίᾳ ἐπαγαγὼν ἅπαντας Πέρσας ἐπὶ τὸ τεῖχος ἄλλους μὲν ἄλλη προσβάλλειν τοῦ ποταμοῦ ἐκέλευεν, αὐτὸς δὲ τοὺς πλείστους τε καὶ ἀρίστους ἔχων κατὰ τὴν ἄκραν προσέβαλλε. ταύτῃ γάρ, ὥς μοι ἔμπροσθεν ἐρρήθη, ἐπιμαχάτατος ὁ περιβόλος ἦν. [9] ἐνταῦθα Ῥωμαῖοι ὀστενοτάτῃ γὰρ ἢ οἰκοδομία ἐτύγχανεν οὕσα ἐφ' ἧς ἰστάμενοι πολεμεῖν ἔμελλον ἐπενόησαν τάδε. δοκοὺς μακρὰς ἐς ἀλλήλους ξυνδέοντες μεταξὺ τῶν πύργων ἐκρέμων, οὕτω τε πολλῷ εὐρυτέρας δὴ ταύτας τὰς χώρας ἐποίουν, ὅπως ἔτι πλείους ἐνθένδε ἀμύνεσθαι τοὺς τειχομαχοῦντας οἷοί τε ὦσιν. [10] οἱ μὲν οὖν Πέρσαι ἰσχυρότατα ἐγκείμενοι πανταχόθεν τὰ τοξεύματα συχνὰ ἔπεμπον, ἄλλως τε καὶ κατὰ τὴν τῆς ἄκρας ὑπερβολήν. [11] οἱ δὲ Ῥωμαῖοι ἡμύνοντο δυνάμει πάσῃ, οὐ στρατιῶται μόνον, ἀλλὰ καὶ τοῦ δήμου εὐτολμότατοι νεανῖαι πολλοί. [12] ἐδόκουν δὲ οἱ τειχομαχοῦντες ἐνταῦθα ἐς τὴν μάχην ἐκ τοῦ ἀντιπάλου τοῖς πολεμίοις καθίστασθαι. ἡ γὰρ πέτρα, εὐρεῖα τις καὶ ὑψηλὴ οὕσα καὶ ὥσπερ ἀντιτεταγμένη τῷ περιβόλῳ καθάπερ ἐφ' ὁμαλοῦ εἶναι τὴν ξυμβολήν ἐποίει. [13] καὶ εἰ μὲν τις ἐθάρσησε τοῦ Ῥωμαίων στρατοῦ ξὺν τριακοσίοις ἕξω τε γενέσθαι τοῦ περιβόλου καὶ τὴν πέτραν ἐκείνην προτερήσας καταλαβεῖν ἐνθένδε τε τοὺς ἐπιόντας ἀμύνασθαι, οὐκ ἂν ποτε, οἶμαι, πρὸς τῶν πολεμίων ἐς κίνδυνόν τινα ἢ πόλις ἦλθεν. [14] οὐ γὰρ εἶχον ὅθεν ὁρμώμενοι τειχομαχοῖεν οἱ βάρβαροι, κατὰ κορυφὴν ἔκ τε τῆς πέτρας καὶ ἀπὸ τοῦ τείχους βαλλόμενοι· νῦν δὲ ἅ καὶ γὰρ ἔδει Ἀντιοχέας τούτῳ τῷ Μήδων στρατῷ ἀπολέσθαι οὐδενὶ τοῦτο ἐς ἐννοίαν ἦλθε. [15] τῶν μὲν οὖν Περσῶν, ἅτε Χοσρόου παρόντος σφίσι καὶ κραυγῇ ἐγκελευομένου μεγάλῃ, ὑπὲρ δύναμιν βιαζομένων καὶ οὐδένα τοῖς ἐναντίοις ἐνδιδόντων καιρὸν ὥστε διασκοπεῖσθαι ἢ φυλάσσεσθαι τὰς τοξευμάτων βολάς, τῶν δὲ Ῥωμαίων ἔτι μᾶλλον πληθεῖ τε πολλῷ καὶ θορόβῳ ἀμυνομένων, οὐκ ἐνεγκοῦσαι τὸ ἄχθος αἱ σχοῖνοι αἷς αἱ δοκοὶ ξυνδεδέατο, διερράγησαν ἐκ τοῦ αἰφνιδίου καὶ ξὺν ταῖς δοκοῖς ἅπαντες ὅσοι αὐταῖς ἐφεστήκεσαν ἐς τὸ ἔδαφος ἐξέπεσον πατάγῳ πολλῷ. [16] οὗ δὴ αἰσθόμενοι καὶ ἄλλοι Ῥωμαίων οἱ ἐκ πύργων τῶν ἐχομένων ἐμάχοντο, καὶ ξυμβάλλειν μὲν τὸ γεγονὸς οὐδαμῇ ἔχοντες, διεφθάρθαι δὲ ταύτῃ τὸ τεῖχος οἰόμενοι ἐς φυγὴν ὥρμηντο. [17] τοῦ μὲν οὖν δήμου νεανῖαι πολλοὶ ὅσοι τὰ πρότερα πρὸς γε ἀλλήλους στασιάζειν ἐν τοῖς ἵπποδρομίῳις εἰώθεσαν, ἐπειδὴ ἀπὸ τοῦ περιβόλου κατέβησαν, οὐδαμῇ ἔφευγον, ἀλλ' αὐτοῦ ἔμενον, οἱ δὲ στρατιῶται ξὺν τε Θεοκτίστῳ καὶ Μολάττῃ εὐθὺς ἐπὶ τοὺς ἵππους ἀναθορόντες οἱ δὴ ἐνταῦθα πῃ παρεσκευασμένοι ἐτύγχανον, ἐπὶ τὰς πύλας ἀπήλανον, Βούζην αὐτοῖς ἐπιθρυλοῦντες ξὺν στρατῷ ἦκειν, ἐθέλειν τε κατὰ τάχος δέξασθαι μὲν αὐτοὺς τῇ πόλει, ξὺν αὐτοῖς δὲ τοὺς πολεμίους ἀμύνασθαι. [18] ἐνταῦθα τῶν Ἀντιοχέων πολλοὶ μὲν ἄνδρες, γυναῖκες δὲ πᾶσαι ξὺν τοῖς παιδίοις ἐπὶ τὰς πύλας δρόμῳ πολλῷ ἦσαν· εἶτα πρὸς τῶν ἵππων ὠθούμενοι ἅτε ἐν στενοχωρίᾳ πολλῇ ἔπιπτον. [19] οἱ δὲ στρατιῶται τῶν ἐν ποσὶν οὐδενὸς τὸ

παράπαν φειδόμενοι ἔτι μᾶλλον ἢ πρότερον ὑπερθεῖν τῶν κειμένων ἅπαντες ἤλαυνον, γέγονε τε φόνος ἐνταῦθα πολὺς ἄλλως τε καὶ κατὰ τὰς πύλας αὐτάς. [20] Οἱ δὲ Πέρσαι, οὐδενὸς σφίσιν ἀντιστατοῦντος, κλίμακας ἐπιθέντες ἐπὶ τὸ τεῖχος οὐδενὶ πόνῳ ἀνέβαινον. ἐν τε ταῖς ἐπάλξεσι κατὰ τάχος γενόμενοι χρόνον τινὰ καταβαίνειν οὐδαμῇ ἤθελον, ἀλλὰ διασκοπούμενοις τε καὶ ἀπορουμένοις ἐφύκεσαν, ἐμοὶ μὲν δοκεῖ, προλοχίζεσθαι τὰς δυσχωρίας ἐνέδραις τισὶ τῶν πολεμίων ὑποτοπάζοντες. [21] τὰ γὰρ ἐντὸς τοῦ περιβόλου ἀπὸ τῆς ἄκρας εὐθὺς κατιόντι λοιπὸν ἀοίκητος χώρα ἐπὶ πλεῖστον ἐστὶ. πέτραι τε λίαν ὑψηλαὶ ἀνέχουσιν ἐνταῦθα καὶ τόποι κρημνώδεις. [22] ἔνιοι δέ φασι Χοσρόου γνώμη γεγονέναι τὴν μέλλησιν Πέρσαις. [23] ἐπειδὴ γὰρ τὴν τε δυσχωρίαν κατενόησε καὶ τοὺς στρατιώτας φεύγοντας εἶδεν, ἔδεισε μὴ τινὶ ἀνάγκῃ ἐκ τῆς ὑπαγωγῆς ἀναστρέψαντες πράγματα σφίσι παράσχωνται, ἐμπόδιοι τε γένωνται, ἂν οὕτω τύχοι, πόλιν ἐλεῖν ἀρχαίαν τε καὶ λόγου ἀξίαν καὶ πρῶτην Ῥωμαίοις οὖσαν τῶν κατὰ τὴν ἑω πασῶν πόλεων, πλούτῳ τε καὶ μεγέθει καὶ πολυανθρωπίᾳ καὶ κάλλει καὶ τῇ ἄλλῃ εὐδαιμονίᾳ. [24] οὗ δὲ, περὶ ἐλάχιστονος τᾶλλα ποιούμενος ἅπαντα, ἤθελε τοῖς Ῥωμαίων στρατιώταις καιρὸν ἐνδιδόναι, ὥστε κατ' ἐξουσίαν τῇ φυγῇ χρῆσθαι. διὸ δὴ καὶ ταῖς χερσὶ τοῖς φεύγουσι Πέρσαι σημαίνοντες ἐνεκελεύοντο φεύγειν ὡς τάχιστα. [25] οἱ μὲν οὖν στρατιῶται Ῥωμαίων ζῶν τοῖς ἄλλοις ἄρχουσιν ἀπίνοντες ὄχοντο ἅπαντες διὰ πύλης ἢ ἐπὶ Δάφνην ἄγει τὸ τῶν Ἀντιοχέων προάστειον· [26] ταύτης γὰρ μόνης, τῶν ἄλλων κατειλημμένων, ἀπέσχοντο Πέρσαι· τοῦ δὲ δήμου ὀλίγοι τινὲς ζῶν τοῖς στρατιώταις διέφυγον. [27] ἐπεὶ δὲ Πέρσαι ἅπαντας τοὺς Ῥωμαίων στρατιώτας εἶδον πρόσω χωρήσαντας, καταβάντες ἀπὸ τῆς ἄκρας ἐν μέσῃ πόλει ἐγένοντο. [28] ἐνταῦθα δὲ αὐτοῖς τῶν Ἀντιοχέων νεανῖαι πολλοὶ ἐς χεῖρας ἐλθόντες τὰ πρῶτα καθυπέρτεροι ἔδοξαν τῇ ζυμβολῇ εἶναι. ἦσαν δὲ αὐτῶν τινες μὲν ὀπλίται, οἱ δὲ πλεῖστοι γυμνοὶ καὶ λίθων βολαῖς χρώμενοι μόναις. [29] ὥσάμενοι δὲ τοὺς πολεμίους ἐπαιάνιζόν τε καὶ Ἰουστινιανὸν βασιλέα καλλίνικον, ἅτε νενικηκότας, ἀνέκραγον. [30] Ἐν τούτῳ δὲ Χοσρόης ἐν πύργῳ τῷ κατὰ τὴν ἄκραν καθήμενος τοὺς πρέσβεις ἐθέλων τι εἰπεῖν μετεπέμψατο. καὶ αὐτὸν τῶν τις ἀρχόντων, ὁ Ζαβεργάνης, οἰόμενος ζυμβάσεως περὶ βούλεσθαι τοῖς πρέσβεσιν ἐς λόγους ἰέναι, ἐς ὅψιν τε τῷ [31] βασιλεῖ κατὰ τάχος ἦλθε καὶ ἔλεξεν ὧδε· Ὁὐχὶ ταῦτά μοι δοκεῖς, ὦ δέσποτα, Ῥωμαίοις ἀμφὶ τῇ τούτων σωτηρίᾳ γινώσκειν. οἱ μὲν γὰρ καὶ πρὸ τῶν κινδύνων ὑβρίζουσιν ἐς τὴν βασιλείαν τὴν σὴν καὶ ἡσσημένοι τολμῶσί τε τὰ ἀμήχανα καὶ δρῶσι τοὺς Πέρσας ἀνήκεστα ἔργα, ὥσπερ δεδιότες μὴ τις αὐτοῖς παρὰ σοὶ φιланθρωπίας λελείπεται λόγος· σὺ δὲ τοὺς τε σώζεσθαι οὐκ ἀξιοῦντας ἐλεεῖν βούλει, καὶ φεῖδεσθαι τῶν οὐδαμῇ ἐθελόντων ἐσπούδακας. [32] οἱ δὲ προλοχίσαντες ἐν ἀλούσῃ πόλει τοὺς νενικηκότας ἐνέδραις τισὶ διαφθεῖρουσι, καίπερ ἀπάντων [33] αὐτοῖς πάλαι πεφηνότων στρατιωτῶν· ταῦτα ὁ Χοσρόης ἀκούσας, τῶν ἀρίστων πολλοὺς ἐπ' αὐτοὺς ἔπεμψεν, οἱ οὐκ ἐς μακρὰν ἐπανήκοντες οὐδὲν ζυμβῆναι φλαῦρον ἀπήγγελλον. [34] ἤδη γὰρ Ἀντιοχέας Πέρσαι βιασάμενοι πλήθει ἐτρέψαντο, καὶ γέγονε φόνος ἐνταῦθα πολὺς. οἱ γὰρ Πέρσαι οὐδεμιᾶς ἡλικίας φειδόμενοι τοὺς ἐν ποσὶν ἅπαντας ἠβηδὸν ἔκτεινον. [35] τότε φασὶ γυναῖκας τῶν ἐν Ἀντιοχεῦσιν ἐπιφανῶν δύο

Ἐνταῦθα ὁ Χοσρόης τοῖς πρέσβεσιν ἔλεξε τοιάδε· ‘Οὐκ ἔξω τοῦ ἀληθοῦς τὸν παλαιὸν λόγον οἶμαι εἶναι, ὅτι δὴ οὐκ ἀκραίφνῃ τάγαθὰ ὁ θεός, ἀλλὰ κεραννύων αὐτὰ τοῖς κακοῖς εἶτα τοῖς ἀνθρώποις παρέχεται. [5] καὶ τῶνδε οἱ ταλαίπωροι Ἀντιοχεῖς αἴτιοι, οἳ γε τειχομαχοῦντας μὲν οὐχ οἰοί τε γεγόνاسι Πέρσας ἀπώσασθαι, πρὸς δὲ νενικηκότας ἤδη καὶ αὐτοβοεῖ τὴν πόλιν ἐλόντας θράσει θανατῶντες ἀλογίστῳ ζυγομαχεῖν ἔγνωσαν. [6] πάντες μὲν οὖν οἱ Περσῶν δόκιμοι πολλὰ ἐνοχλοῦντες σαγηνεῦσαι τέ με τὴν πόλιν ἡξίουσιν καὶ ζύμπαντας διαφθεῖραι τοὺς ἡλωκότας, ἐγὼ δὲ τοὺς φεύγοντας ἐκέλευον εἰς τὴν ὑπαγωγὴν ἔτι μᾶλλον ὁρμᾶν, ὅπως ὅτι τάχιστα σώζοντο. τὸ γὰρ ἐπεμβαίνειν τοῖς ἡλωκόσιν οὐχ [7] ὅσιον.’ τοσαῦτα μὲν ὁ Χοσρόης τερατευόμενός τε καὶ διαθρυπτόμενος τοῖς πρέσβεσιν εἶπεν, οὐκ ἔλαθε μέντοι αὐτοὺς ὅτου ἔνεκα τὸν καιρὸν φεύγουσι τοῖς Ῥωμαίοις ἐνδοίῃ. [8] Ἦν γὰρ δεινότατος ἀνθρώπων ἀπάντων τὰ μὲν οὐκ ὄντα εἰπεῖν, τὰ δὲ ἀληθῆ ἀποκρύψασθαι, καὶ ὧν αὐτὸς ἐξημάρτανε τὰς αἰτίας τοῖς ἡδικημένοις ἐπενεγκεῖν· ἔτι δὲ ὁμολογήσαι μὲν ἔτοιμος ἅπαντα καὶ ὄρκῳ τὴν ὁμολογίαν πιστώσασθαι, λίαν δὲ τῶν ἔναγχος αὐτῷ ζυγκειμένων τε καὶ ὁμωμοσμένων ἐτοιμότερος ἐς λήθην ἀφίχθαι, καὶ χρημάτων μὲν ἔνεκεν ἐπὶ πᾶν ἄγος καθεῖναι τὴν ψυχὴν ἄοκνος, τῷ δὲ προσώπῳ σχηματίζεσθαι τὴν εὐλάβειαν ἀτεχνῶς ἔμπειρος, ἀφοσιοῦσθαι τε τῷ λόγῳ τὴν πρᾶξιν. [9] ὅς καὶ Σουρηνούς, πρότερον οὐδὲν τὸ παράπαν ἡδικοκότας, δόλῳ τε περιελθὼν καὶ τρώπῳ ἀπολέσας τῷ εἰρηνένῳ, ἐπειδὴ γυναῖκα κοσμίαν τε καὶ οὐκ ἀφανῆ ἀλικομένης τῆς πόλεως εἶδεν ἐκ χειρὸς μὲν τῆς ἀριστερᾶς πρὸς τοὺς τῶν βαρβάρων ἐλκομένην ξὺν πολλῇ βίᾳ, παιδίον δὲ ὅπερ αὐτῇ ἄρτι τοῦ τιτθοῦ ἦν ἀπαλλαγὴν ἀφεῖναι μὲν οὐ βουλομένην, ἔλκουσαν δὲ θατέρᾳ χειρὶ ἐμπεπτωκὸς εἰς τὸ ἔδαφος, ἐπεὶ οἱ ξυντρέχειν οὐχ οἷόν τε ἦν τοῦτον δὴ τὸν βίαιον δρόμον, τὸν οἰκεῖον κἀνταῦθα ἐνδέδεικται τρόπον. [10] φασὶ γὰρ αὐτὸν στενάξαντα δῆθεν τῷ λόγῳ, δόκησιν τε ὡς εἶη δεδακρυμένος παρεχόμενον τοῖς τότε παροῦσιν ἄλλοις τε καὶ Ἀναστασίῳ τῷ πρεσβευτῇ, εὐχᾶσθαι τὸν θεὸν τίσασθαι τὸν τῶν γεγονότων κακῶν αἴτιον. [11] Ἰουστινιανὸν δὲ τὸν Ῥωμαίων αὐτοκράτορα παραδηλοῦν ἤθελεν, ἐξεπιστάμενος ὅτι δὴ αὐτὸς αἰτιώτατος ἀπάντων εἶη. [12] τοσαύτη χρώμενος φύσεως ἀτοπία Χοσρόης

Περσῶν οἷς τὸ ἔργον ἐπέκειτο τοῦτο. [7] ἐλείφθησαν δὲ καὶ ἀμφὶ τὸ λεγόμενον Κεραταῖον οἰκίαι πολλαί, οὐκ ἐκ προνοίας ἀνθρώπων τινός, ἀλλ' ἐπεὶ ἔκειντό που πρὸς ἐσχάτοις τῆς πόλεως, ἐτέρας αὐταῖς οὐδεμιᾶς τινος οἰκοδομίας ξυναπτομένης, τὸ πῦρ ἐς αὐτὰς ἐξικνεῖσθαι οὐδαμῇ ἴσχυσεν. [8] ἐνέπρησάν τε καὶ τὰ ἐκτὸς τοῦ περιβόλου οἱ βάρβαροι, πλὴν τοῦ ἱεροῦ ὅπερ Ἰουλιανῷ ἀνεῖται ἁγίῳ, καὶ τῶν οἰκιῶν αἱ δὴ ἀμφὶ τὸ ἱερὸν τοῦτο τυγχάνουσιν οὔσαι. [9] τοὺς γὰρ πρέσβεις ἐνταῦθα καταλῦσαι ξυνέπεσε. τοῦ μέντοι περιβόλου παντάπασιν ἀπέσχοντο Πέρσαι. [10] Ὀλίγῳ δὲ ὕστερον ἦκοντες αὐθις παρὰ τὸν Χοσρόην οἱ πρέσβεις ἔλεξαν ὧδε, 'Εἰ μὴ πρὸς παρόντα σέ, ὦ βασιλεῦ, οἱ λόγοι ἐγίνοντο, οὐκ ἂν ποτε ῥόμεθα Χοσρόην τὸν Καβάδου ἐς γῆν τὴν Ῥωμαίων ἐν ὅπλοις ἦκειν, ἀτιμάσαντα μὲν τοὺς διομωμοσμένους σοι ἑναγχος ὄρκους, ὃ τῶν ἐν ἀνθρώποις ἀπάντων ὕστατόν τε καὶ ὀχυρώτατον εἶναι δοκεῖ τῆς ἐς ἀλλήλους πίστεώς τε καὶ ἀληθείας ἐνέχυρον, διαλύσαντα δὲ τὰς σπονδὰς, ὧν ἡ ἐλπίς ἀπολλέλειπται μόνῃ τοῖς διὰ τὴν ἐν πολέμῳ κακοπραγίαν οὐκ ἐν τῷ ἀσφαλεῖ βιοτεύουσιν. [11] οὐ γὰρ ἄλλο οὐδὲν τὸ τοιοῦτον εἶποι τις ἂν εἶναι ἢ τῶν ἀνθρώπων τὴν δίαίταν ἐς τὴν τῶν θηρίων μεταβεβλήσθαι. [12] ἐν γὰρ τῷ μηδαμῇ σπένδεσθαι τὸ πολεμεῖν ἀπέραντα λελείπεται πάντως, πόλεμος δὲ ὁ πέρας οὐκ ἔχων ἐξοικίζειν τῆς φύσεως τοὺς αὐτῷ χρωμένους ἐς αἰεὶ πέφυκε. [13] τί δὲ καὶ βουλόμενος πρὸς τὸν σὸν ἀδελφὸν ὀλίγῳ πρότερον γέγραφας ὡς αὐτὸς εἶη τοῦ λελύσθαι τὰς σπονδὰς αἴτιος; ἢ δῆλον ὅτι ὁμολογῶν κακόν τι παμμέγεθες εἶναι τὴν τῶν σπονδῶν λύσιν; [14] εἰ μὲν οὖν ἐκεῖνος οὐδὲν ἤμαρτεν, οὐ δικαίως τανῦν ἐφ' ἡμᾶς ἦκεις; εἰ δέ τι τοιοῦτόν τ' ἀδελφῷ τῷ σῷ εἰργάσθαι ξυμβαίνει, ἀλλὰ καὶ σοὶ μέχρι τούτου γε καὶ μὴ περαιτέρω διαπεπράχθω τὸ ἔγκλημα, ὅπως αὐτὸς κρείσσων εἶναι δοκῇ. ὁ γὰρ ἐν τοῖς κακοῖς ἐλασσούμενος, [15] οὗτος ἂν ἐν τοῖς ἀμείνοσι νικῶν δικαίως. καίτοι ἡμεῖς ἐξεπιστάμεθα Ἰουστινιανὸν βασιλέα μηδεπώποτε τῆς εἰρήνης ἀπ' ἐναντίας ἐληλυθέναι, καὶ σοῦ δεόμεθα μὴ τοιαῦτα ἐργάσασθαι Ῥωμαίους κακά, ἐξ ὧν Πέρσαις μὲν ὄνησις οὐδεμία ἔσται, σὺ δὲ τοῦτο κερδανεῖς μόνον, ἀνήκεστα ἔργα τοὺς ἄρτι σοι σπεισαμένους οὐ δέον εἰργάσθαι.' οἱ μὲν πρέσβεις τοσαῦτα εἶπον. [16] Χοσρόης δὲ ταῦτα ἀκούσας ἰσχυρίζετο μὲν τὰς σπονδὰς πρὸς Ἰουστινιανοῦ βασιλέως λελύσθαι· καὶ τὰς αἰτίας κατέλεγεν ὥσπερ ἐκεῖνος παρέσχετο, τὰς μὲν τινὰς καὶ λόγου ἀξίας, τὰς δὲ φαύλας τε καὶ οὐδενὶ λόγῳ ξυμπεπλασμένας· μάλιστα δὲ αὐτοῦ τὰς ἐπιστολάς τοῦ πολέμου αἰτιωτάτας ἡξίου δεικνύναι πρὸς τε Ἀλαμούνδαρον καὶ Οὐννους αὐτῷ γεγραμμένας, καθάπερ μοι ἐν τοῖς ἐμπροσθεν λόγοις ἐρρήθη. [17] ἄνδρα μέντοι Ῥωμαῖον ἐς τὴν Περσῶν γῆν ἐσβεβληκέναι ἢ πολέμια ἔργα ἐνδείξασθαι οὔτε λέγειν εἶχεν οὔτε δεικνύναι. [18] οἱ μέντοι πρέσβεις πῇ μὲν τὰς αἰτίας οὐκ ἐς Ἰουστινιανὸν ἀνέφερον, ἀλλ' ἐς τῶν ὑπουργηκότων τινάς, πῇ δὲ ὡς οὐχ οὕτω γεγονότων ἐπελαμβάνοντο τῶν εἰρημένων. [19] τέλος δὲ χρήματα μὲν οἱ πολλὰ ὁ Χοσρόης ἡξίου διδόναι Ῥωμαίους, παρῆναι δὲ μὴ τὰ χρήματα ἐν τῷ παραυτίκα μόνον παρεχομένους τὴν εἰρήνην ἐθέλιν ἐς τὸν πάντα αἰῶνα κρατύνασθαι. [20] τὴν γὰρ ἐπὶ χρήμασι γινομένην ἀνθρώποις φιλίαν ἀναλίσκομένους ἐκ τοῦ ἐπὶ πλεῖστον ξυνδαπανᾶσθαι τοῖς χρήμασι. [21] δεῖν τοίνυν Ῥωμαίους τακτόν τι φέρειν ἐπέτειον Πέρσαις. 'Οὕτω γὰρ αὐτοῖς,' ἔφη,

‘τὴν εἰρήνην Πέρσαι βέβαιον ἔξουσι, τὰς τε Κασπίας αὐτοὶ φυλάσσοντες πύλας καὶ οὐκέτι αὐτοῖς ἀχθόμενοι διὰ πόλιν Δάρας, ὑπὲρ ὧν ἔμισθοι καὶ αὐτοὶ ἐς αἰεὶ ἔσονται.’ ‘Οὐκοῦν,’ οἱ πρέσβεις ἔφασαν, [22] ‘ὑποτελεῖς Πέρσαι βούλονται Ῥωμαίους ἐς φόρου ἀπαγωγὴν ἔχειν.’ ‘Οὐκ, [23] ἀλλὰ στρατιώτας οἰκείους,’ ὁ Χοσρόης εἶπεν, ‘ἔξουσι τὸ λοιπὸν Πέρσας Ῥωμαῖοι, μισθὸν τῆς ὑπουργίας αὐτοῖς χορηγοῦντες ῥητόν: ἐπεὶ καὶ Οὐννων τισὶ καὶ Σαρακηνοῖς ἐπέτειον χορηγεῖτε χρυσόν, οὐ φόρου αὐτοῖς ὑποτελεῖς ὄντες, ἀλλ’ ὅπως ἀδήφωτον γῆν τὴν ὑμετέραν φυλάξωσιν ἐς τὸν πάντα [24] αἰῶνα.’ τοιαῦτα Χοσρόης τε καὶ οἱ πρέσβεις πολλὰ πρὸς ἀλλήλους διαλεχθέντες, ξυνέβησαν ὕστερον ἐφ’ ᾧ Χοσρόην ἐν μὲν τῷ παραυτίκα κεντηνάρια πεντήκοντα πρὸς Ῥωμαίων λαβόντα, πέντε δὲ ἄλλων φερόμενον ἐπέτειον ἐς τὸν πάντα αἰῶνα δασμόν, μηδὲν αὐτοὺς ἐργάσασθαι περαιτέρω κακόν, ἀλλ’ αὐτὸν μὲν ὁμήρους ἐπὶ ταύτῃ τῇ ὁμολογίᾳ παρὰ τῶν πρέσβεων κεκομισμένον τὴν ἀποπορείαν παντὶ τῷ στρατῷ ἐς τὰ πάτρια ἦθη ποιήσασθαι, ἐνταῦθα δὲ πρέσβεις παρὰ βασιλέως Ἰουστινιανοῦ στελλομένους τὰς ἀμφὶ τῇ εἰρήνῃ ξυνθήκας ἐν βεβαίῳ τὸ λοιπὸν θέσθαι.

Τότε ὁ Χοσρόης ἐς Σελεύκειαν, πόλιν ἐπιθαλασσίαν, Ἀντιοχείας τριάκοντα καὶ ἑκατὸν σταδίοις διέχουσαν ἦλθεν, ἐνταῦθ’ αὖτε Ῥωμαίων οὐδένα οὔτε εὐρὼν οὔτε λυμηνάμενος ἀπελούσατο μὲν ἐκ τῆς θαλάσσης τῷ ὕδατι μόνος, θύσας τε τῷ ἡλίῳ καὶ οἷσιν ἄλλοις ἐβούλετο, πολλὰ τε ἐπιθειάσας ὀπίσω ἀπῆλυνεν. [2] ἐς τε τὸ στρατόπεδον ἀφικόμενος, ἐπιθυμίαν οἱ ἔφασκε τίνα εἶναι τὴν Ἀπαμέων πόλιν ἐν γειτόνων οὔσαν οὐκ ἄλλου τοῦ ἔνεκα ἢ ἱστορίας θεάσασθαι. [3] ξυνεχώρουν τε οὐχ ἐκούσιοι καὶ τοῦτο οἱ πρέσβεις, ἐφ’ ᾧ μέντοι αὐτὸν θεασάμενόν τε τὴν πόλιν καὶ ἀργύρου χιλίας κομισάμενον ἐνθένδε λίτρας, οὐδὲν τι ἄλλο λυμηνάμενον ἀπελαύνειν ὀπίσω. [4] ἐνδῆλος δὲ ἦν ὁ Χοσρόης τοῖς τε πρέσβεσι καὶ πᾶσι τοῖς ἄλλοις ὅτι δὴ ἐς τὴν Ἀπάμειαν τοῦδε ἔνεκα στέλλοιτο μόνον, ὅπως δὴ τινος σκήψεως οὐκ ἀξιολόγου λαβόμενος αὐτὴν τε καὶ τὴν ἐκείνῃ χώραν ληίσηται. τότε μὲν οὖν ἐς Δάφνην ἀνέβη, τὸ Ἀντιοχείας προάστειον. [5] ἐνθα δὴ τό τε ἄλσος ἐν θαύματι μεγάλῳ ἐποιήσατο καὶ τὰς τῶν ὑδάτων πηγάς: [6] ἅμφω γὰρ ἀξιοθέατα ἐπικεικῶς ἐστί. καὶ θύσας ταῖς νύμφαις ἀπιὼν ὥχετο, ἄλλο μὲν οὐδὲν λυμηνάμενος, τοῦ δὲ ἀρχαγγέλου Μιχαὴλ τὸ ἱερὸν καύσας ξὺν ἐτέραις τισὶν οἰκίαις ἐξ αἰτίας τοιαύσδε. [7] Πέρσης ἀνὴρ ἵππῳ ὀχούμενος, ἐν τε τῷ Περσῶν στρατῷ δόκιμος καὶ Χοσρόῃ βασιλεῖ γνῶριμος, ἐς χῶρον κρημνώδῃ ἀμφὶ τὸν λεγόμενον Τρητὸν ἦλθε ξὺν ἐτέροις τισίν, οὓς δὴ τοῦ ἀρχαγγέλου Μιχαὴλ νεὼς ἐστίν, Εὐάριδος ἔργον. [8] οὗτος ἀνὴρ τῶν τίνα Ἀντιοχέων νεανίαν πεζόν τε καὶ μόνον κρυπτόμενον ἐνταῦθα ἰδὼν ἐδίωκε τῶν ἐτέρων χωρίς. ἦν δὲ κρεοπώλης ὁ νεανίας, [9] Αἰείμαχος ὄνομα. ὃς ἐπειδὴ καταλαμβάνεσθαι ἔμελλεν, ἐπιστραφεὶς ἐκ τοῦ αἰφνιδίου λίθῳ τὸν διώκοντα βάλλει, ἐπιτυχάνει τε τοῦ μετώπου ἐς τὴν παρὰ τὸ οὖς μήνιγγα. καὶ ὁ μὲν ἐς τὸ ἔδαφος εὐθὺς ἔπεσεν, ὁ δὲ αὐτοῦ τὸν ἀκινάκην σπασάμενος κτείνει τὸν ἄνδρα. [10] σκυλεύσας τε αὐτοῦ κατ’ ἐξουσίαν τὰ τε ὅπλα καὶ τὸν χρυσὸν ἅπαντα καὶ εἴ τι ἄλλο ἐτύγγανεν ἀμπεχόμενος, ἐπὶ τε τὸν ἵππον ἀναθορῶν πρόσω ἦλυνεν. [11] εἴτε δὲ τύχη εἴτε χωρίων ἐμπειρία χρησάμενος, λαθεῖν τε τοὺς πολεμίους καὶ διαφυγεῖν

παντελῶς ἴσχυσε. [12] ταῦτα ὁ Χοσρόης μαθὼν καὶ τοῖς ξυμπεσοῦσι περιαλλήσας, τῶν οἱ ἐπομένων τινὰς καῦσαι τὸν τοῦ ἀρχαγγέλου νεῶν οὐ πρόσθεν ἐμνήσθη ἐκέλευεν. [13] οἱ δὲ τοῦτον ἐκείνους εἶναι ἡγούμενοι ξὺν ταῖς ἀμφοτέρωθεν οἰκοδομίαις ἐνέπρησαν, ἐπιτελεῖς τε πεποιῆσθαι τὰς Χοσρόου ἐντολὰς ὄντο. ταῦτα μὲν δὴ οὕτως ἔσχε. [14] Χοσρόης δὲ παντὶ τῷ στρατῷ τὴν ἐπὶ Ἀπάμειαν ἦει. ἔστι δὲ ξύλον πηχυαῖον ἐν Ἀπαμείᾳ, τοῦ σταυροῦ μέρος ἐν ᾧ τὸν Χριστὸν ἐν Ἱεροσολύμοις ποτὲ τὴν κόλασιν οὕτι ἀκούσιον ὑποστῆναι ὁμολογεῖται, κατὰ δὴ τὸν παλαιὸν χρόνον ἐνταῦθα πρὸς Σύρου ἀνδρὸς κομισθὲν λάθρα. [15] καὶ αὐτὸ οἱ πάλοι ἄνθρωποι φυλακτῆριον μέγα σφίσι τε αὐτοῖς καὶ τῇ πόλει πιστεύοντες ἔσεσθαι θήκην αὐτοῦ ξυλίνην τινὰ πεποιημένοι κατέθεντο, ἣν δὴ χρυσῷ τε πολλῷ καὶ λίθοις ἐντίμοις ἐκόσμησαν, καὶ τρισὶ μὲν ἱερεῦσι παρέδωκαν, ἐφ' ᾧ ξὺν πάσῃ ἀσφαλείᾳ φυλάξουσιν, ἐξάγοντες δὲ ἀνὰ πᾶν ἔτος πανδημεῖ ἐν ἡμέρᾳ προσκυνοῦσι μᾶ. [16] τότε οὖν ὁ τῶν Ἀπαμέων λεώς, ἐπειδὴ τὸν Μήδων στρατὸν ἐπὶ σφᾶς ἐπύθοντο ἰέναι, ἐν δέῃ μεγάλῳ ἐγένοντο. Χοσρόην δὲ ἀκούοντες ὥς ἥκιστα ἀληθίζεσθαι καὶ παρὰ Θωμᾶν τὸν τῆς πόλεως ἀρχιερέα γενόμενοι ἐδέοντο τὸ τοῦ σταυροῦ ξύλον ἐπιδειῖναι σφίσι, ὅπως αὐτὸ ὕστατα προσκυνήσαντες τελευτήσωσιν. [17] ὁ δὲ κατὰ ταῦτα ἐποίει. τότε δὴ θέαμα ξυνηρέχθη λόγου τε καὶ πίστεως κρεῖσσον ἐνταῦθα γενέσθαι. τὸ μὲν γὰρ ξύλον ὁ ἱερεὺς φέρων ἐδείκνυνεν, ὑπερθεὶς δὲ αὐτοῦ σέλας πυρὸς ἐπεφέρετο καὶ τὸ κατ' αὐτὸν τῆς ὀροφῆς μέρος φωτὶ πολλῷ ὑπὲρ τὸ εἰωθὸς κατελάμπετο. [18] βαδίζοντος τε τοῦ ἱερέως πανταχῇ τοῦ νεῶ συμπροῇ τὸ σέλας, φυλάσσον ἀεὶ τὴν ὑπὲρ αὐτοῦ τῆς ὀροφῆς χώραν. [19] ὁ μὲν οὖν τῶν Ἀπαμέων δῆμος ὑπὸ τῆς τοῦ θαύματος ἡδονῆς ἐθαμβεῖτό τε καὶ ἐγεγῆθει καὶ ἔκλαιεν, ἥδη τε ἅπαντες ὑπὲρ τῆς σωτηρίας τὸ θαρσεῖν εἶχον. [20] ὁ δὲ Θωμᾶς, ἐπειδὴ περιῆλθε τὸν νεῶν ἅπαντα, καταθέμενος ἐν τῇ θήκῃ τὸ τοῦ σταυροῦ ξύλον ἐκάλυψε, καὶ τὸ σέλας ἐκ τοῦ αἰφνιδίου ἐπέπαυτο. μαθὼν δὲ τὸν τῶν πολεμίων στρατὸν ἄγχιστα πρὸς τῆς πόλεως ἦκειν, σπουδῇ πολλῇ παρὰ τὸν Χοσρόην ἀφίκετο. [21] καὶ ὅς ἐπει ἀνεπυνθάνετο τοῦ ἱερέως εἰ βουλομένοις τοῖς Ἀπαμεῦσιν εἴη ἀπὸ τοῦ περιβόλου ἀντιτάξασθαι τῷ Μήδων στρατῷ, ἀπεκρίνατο Θωμᾶς οὐδὲν τοῖς ἀνθρώποις τοιοῦτο ἐς ἐννοιαν ἦκειν. [22] 'Οὐκοῦν' ἔφη ὁ Χοσρόης 'δέξασθέ με τῇ πόλει ξὺν ὀλίγοις τισὶ πάσαις ἀναπεπταμέναις [23] ταῖς πύλαις.' ὁ ἱερεὺς εἶπεν 'Ἐπ' αὐτὸ γὰρ δὴ παρακαλέσων τοῦτο ἀφῆμαι.' ὁ μὲν οὖν στρατὸς ἅπας ἐστρατοπεδεύσαντο διεσκηνημένοι πρὸ τοῦ περιβόλου, [24] ὁ δὲ Χοσρόης ἄνδρας τῶν ἐν Πέρσαις ἀρίστων διακοσίους ἀπολεξάμενος ἐς τὴν πόλιν εἰσήλασεν. ἐπεὶ δὲ γέγονεν εἰσω πυλῶν, ἐπελάθετο ἐκὼν γε εἶναι τῶν αὐτῶν τε καὶ τοῖς πρέσβεσι ξυγκειμένων, καὶ τὸν ἐπίσκοπον ἐκέλευε δοῦναι οὐ χίλια μόνον ἀργύρου σταθμὰ οὐδὲ τούτων δεκαπλάσια, ἀλλὰ καὶ τὰ κειμήλια ὅσα δὴ ἐνταῦθα ἔτυχε κείμενα, χρυσᾶ τε καὶ ἀργυρᾶ ξύμπαντα, μεγάλα ὑπερφυῶς ὄντα. [25] οἶμαι δ' ἂν αὐτὸν καὶ τὴν πόλιν ὅλην ἀνδραποδίσασθαι τε καὶ ληίσασθαι οὐκ ἂν ἀποκνήσαι, εἰ μὴ τι θεῖον αὐτὸν ἐκ τοῦ ἐμφανοῦς διεκώλυσεν. [26] οὕτως αὐτὸν ἢ τε φιλοχρηματία ἐξέπλησσε καὶ ἔστρεφεν αὐτοῦ τὴν διάνοιαν ἢ τῆς δόξης ἐπιθυμία. [27] κλέος γὰρ οἱ μέγα τοὺς τῶν πόλεων ἀνδραποδισμοὺς ὄφειτο εἶναι, οὐδὲν τὸ παράπαν ποιούμενος εἰ

σπονδάς τε καὶ ξυνθήκας ἡλογηκώς τὰ τοιαῦτα ἐς τοὺς Ῥωμαίους ἐργάζεται. [28] ταύτην τε Χοσρόου δηλώσει τὴν γνώμην ἃ τε ἀμφὶ πόλιν Δάρας ἐν ταύτῃ δὴ ἐνεχείρησε τῇ ἀποπορείᾳ, ἐν πάσῃ ἀλογίᾳ ποιησάμενος τὰ ξυγκείμενα, καὶ ἃ Καλλινικησίους ὀλίγω ὕστερον ἐν σπονδαῖς ἔδρασεν, ἅπερ μοι ἐν τοῖς ὀπισθε λελέγεται λόγοις. ἀλλ' ὁ θεός, ὥσπερ εἴρηται, [29] Ἀπάμειαν διεσώσατο. ἐπεὶ δὲ τὰ κειμήλια ὁ Χοσρόης ξύμπαντα εἶλε καὶ αὐτὸν μεθύοντα ἤδη τῇ τῶν χρημάτων ἀφθονίᾳ ὁ Θωμᾶς εἶδε, τὸ τοῦ σταυροῦ ξύλον ξὺν τῇ θήκῃ ἐξενεγκὼν ἀνέωγέ τε τὴν θήκην καὶ τὸ ξύλον ἐνδεικνύμενος 'Ὁ κράτιστε βασιλεῦ' ἔφη 'ταῦτά μοι ἀπολέλειπται μόνᾳ ἐκ πάντων χρημάτων. [30] θήκην μὲν οὖν τήνδε 'χρυσῶ τε γὰρ κεκαλλώπισται καὶ λίθοις ἐντίμοις' φθόνος οὐδείς λαβόντα σε ξὺν τοῖς ἄλλοις ἅπασιν ἔχειν, τουτὶ δὲ τὸ ξύλον, σωτήριόν τε ἡμῖν καὶ τίμιόν ἐστι, τοῦτο, ἱκετεύω σε καὶ δέομαι, δός μοι.' ὁ μὲν ἱερεὺς τοσαῦτα εἶπε. ξυνεχώρει δὲ Χοσρόης καὶ τὴν δέησιν ἐπιτελῇ ἐποίει. [31] Μετὰ δὲ φιλοτιμίᾳ πολλῇ χρώμενος τὸν τε δῆμον ἐς τὸ ἵπποδρόμιον ἀναβαίνειν ἐκέλευε καὶ τοὺς ἡνιόχους ἀγωνίζεσθαι τὰ εἰωθότα σφίσιν. [32] οὗ δὴ καὶ αὐτὸς ἀναβὰς θεατὴς γενέσθαι τῶν ποιουμένων ἐν σπουδῇ ἐποιεῖτο. ἐπεὶ δὲ ἡκηκόει πολλῶ πρότερον Ἰουστινιανὸν βασιλέα χρώματος τοῦ Βενέτου, ὃ δὴ κυάνεόν ἐστιν, ἐκτόπως ἔρᾶν, ἀπ' ἐναντίας αὐτῷ κἀνταῦθα ἰέναι βουλόμενος ἤθελε τῷ πρασίνῳ τὴν νίκην ἀρμόσαι. [33] οἱ μὲν οὖν ἡνίοχοι ἀπὸ βαλβίδων ἀρξάμενοι ἔργου εἶχοντο, τύχῃ δέ τις τῷ τᾷ Βένετα ἐνδιδυσκομένῳ ἐγένετο παρελάσαντι ἐπίπροσθεν ἰέναι. [34] εἶπετο δὲ αὐτῷ κατὰ τὰς αὐτὰς ἀματροχιάς ὁ τὸ πράσινον ἀμπεχόμενος χρῶμα. [35] ὅπερ ἐξεπίτηδες ὁ Χοσρόης γεγονέναι οἰόμενος, ἡγανάκτει τε καὶ ξὺν ἀπειλῇ ἀνεβόα τὸν Καίσαρα προτερῆσαι τῶν ἄλλων οὐ δέον, ἐκέλευέ τε τοὺς προτέρους ἰόντας ἵππους ἐπέχεσθαι, ὅπως τὸ λοιπὸν κατόπισθεν γενόμενοι ἀγωνίζωνται: ὅπερ ἐπειδὴ οὕτως ἐπέπρακτο ὥσπερ ἐκεῖνος ἐκέλευε, νικᾶν οὕτως ὃ τε Χοσρόης καὶ μέρος τὸ πράσινον ἔδοξεν. [36] ἐνταῦθα τῶν τις Ἀπαμέων Χοσρόῃ ἐς ὅσιν ἦκων ἡτῆϊατο Πέρσῃν ἄνδρα ἐς τὴν οἰκίαν τὴν αὐτοῦ ἀναβάντα τὴν παῖδα οὖσαν παρθένον βιάζεσθαι. [37] ὁ δὲ ταῦτα ἀκούσας καὶ τῷ θυμῷ ζέων ἄγεσθαι τὸν ἄνδρα ἐκέλευε. καὶ ἐπεὶ παρῆν ἤδη, ἀνασκολοπισθῆναι αὐτὸν ἐν τῷ στρατοπέδῳ ἐπέστελλε. [38] γνούς δὲ ὁ δῆμος παντὶ σθένει ἀνέκραγον ἐξαισίον οἶον, πρὸς τῆς τοῦ βασιλέως ὀργῆς ὀργῆς τὸν ἄνθρωπον ἐξαιτούμενοι. Χοσρόης δὲ ὁμολόγησε μὲν αὐτοῖς τὸν ἄνδρα ἀφήσειν, λάθρα δὲ ἀνεσκολόπισεν οὐ πολλῶ ὕστερον. ταῦτα μὲν οὖν τῇδε διαπεπραγμένος παντὶ τῷ στρατῷ ὀπίσω ἀπῆλauen.

Ἐπεὶ δὲ ἐς Χαλκίδα πόλιν ἀφίκετο, Βεροίας πόλεως τέτρασι καὶ ὀγδοήκοντα σταδίοις διέχουσας, αὐθις ἐς λήθην τινὰ τῶν ξυγκειμένων ἦλθε, στρατοπεδευσάμενός τε τοῦ περιβόλου οὐ μακρὰν ἄποθεν, ἐπεμψε Παῦλον ἀπειλήσοντα Χαλκιδεῦσι πολιορκίᾳ τὴν πόλιν αἰρήσειν, εἰ μὴ τὴν τε σωτηρίαν ὦνιον κτήσονται τὰ λύτρα δίδόντες καὶ τοὺς στρατιώτας ὅσους ἐνταῦθα ξυμβαίνει εἶναι ξὺν τῷ ἡγεμόνι ἐκδοῖεν σφίσι. [2] Χαλκιδεῖς δὲ ἐς δέος μέγα πρὸς ἐκατέρου βασιλέως ἐμπεπτωκότες στρατιώτας μὲν ἀπώμοσαν ὡς ἥκιστα ἐπιδημεῖν σφίσι, καίπερ ἄλλους τε καὶ Ἀδόναχον τὸν τῶν στρατιωτῶν ἄρχοντα κρύψαντες ἐν οἰκίσκοις τίσιν, ὅπως μὴ τοῖς πολεμίοις ἐνδηλοὶ ᾧσι:

χρυσού δὲ κεντηνάρια δύο συλλέξαντες μόλις, ἐπεὶ πόλιν οὐ λίαν εὐδαίμονα ᾤκουν, τῷ τε Χοσρόῃ ζωάγρια δόντες τὴν τε πόλιν καὶ σφᾶς αὐτοὺς διεσώσαντο. [3] Ἐνθὲνδε οὐκέτι ὁ Χοσρόης ἐβούλετο τὴν ἀποπορείαν ἥπερ ἐληλύθει ποιήσασθαι, ἀλλ' Εὐφράτην τε ποταμὸν διαβῆναι καὶ χρήματα ὅτι πλεῖστα ἐκ Μεσοποταμίας ληΐζεσθαι. [4] γέφυραν οὖν ζεύξας ἀμφὶ Ὀββάνης τὸ χωρίον, ὅπερ τοῦ ἐν Βαρβαλισσῷ φρουρίου τεσσαράκοντα σταδίου ἀπέχει, αὐτός τε διέβη καὶ παντὶ τῷ στρατῷ ὡς τάχιστα διαβαίνειν ἐπέστελλεν, ὑπειπὼν μὲν τὴν γέφυραν τρίτῃ ἡμέρᾳ λύσεσθαι, τάξας δὲ καὶ τὸν τῆς ἡμέρας καιρόν. [5] καὶ ἐπεὶ παρῆν ἡ κυρία, τινὰς μὲν τοῦ στρατοῦ ἀπολελεῖσθαι μὴ πῶ διαβάντας ξυνέβαινεν, ὁ δὲ οὐδ' ὅτιοῦν ὑπολογισάμενος ἔπεμψε τοὺς τὴν γέφυραν διαλύοντας. [6] οἱ τε ἀπολειπόμενοι, ὡς ἕκαστός πῃ ἐδύνατο, εἰς τὰ πάτρια ἦθη ἀνέβαινον. Τότε δὴ φιλοτιμία τις Χοσρόῃ ἐσηῆλε πόλιν Ἑδεσσαν ἐξελεῖν. [7] ἐνήγε γὰρ αὐτὸν ἐς τοῦτο Χριστιανῶν λόγος καὶ ἔδακνεν αὐτοῦ τὴν διάνοιαν, ὅτι δὴ ἀνάλωτον αὐτὴν ἰσχυρίζοντο εἶναι ἐξ αἰτίας τοιαύσδε. [8] Αὐγαρος ἦν τις ἐν τοῖς ἄνω χρόνοις Ἑδέσσης τοπάρχης· οὕτω γὰρ τοὺς κατὰ ἔθνος βασιλεῖς τηρικαῦτα ἐκάλουν. ὁ δὲ Αὐγαρος οὗτος ξυνετώτατος ἐγεγόνει τῶν κατ' αὐτὸν ἀνθρώπων ἀπάντων, καὶ ἀπ' αὐτοῦ βασιλεῖ Αὐγούστῳ ἐς τὰ μάλιστα φίλος. [9] ἔνσπονδος γὰρ Ῥωμαίοις εἶναι βουλόμενος ἐς Ῥώμην τε ἀφίκετο, καὶ τῷ Αὐγούστῳ ἐς λόγους ἦκων οὕτω δὴ αὐτὸν τῆς ξυνέσεως τῷ περιόντι ἐξέπληξεν ὥστε οὐκέτι αὐτοῦ μεθίεσθαι Αὐγουστος τῆς ξυνουσίας ἐβούλετο, ἀλλ' ἦν τε αὐτοῦ τῆς ὁμιλίας εὐθύς διάπυρος ἐραστής, καὶ ἐπειδὴ ἐντόχοι, ἀπαλλάσσεσθαι αὐτοῦ οὐδαμῇ ᾔθελε. [10] χρόνος οὖν αὐτῷ ἐν ταύτῃ δὴ συχνὸς τῇ ἀποδημίᾳ ἐτρίβη. καὶ ποτε ἐς ἦθη πάτρια ἐθέλων ἰέναι πείθειν τε τὸν Αὐγουστον μεθεῖναι αὐτὸν ὡς ἥκιστα ἔχων, [11] ἐπενόει τάδε. ἐστάλη μὲν ὡς κυνηγετήσων ἐς τὰ ἐπὶ Ῥώμης χωρία· μελέτην γὰρ περὶ ταῦτα κατεσπουδασμένην τινὰ ἐτύγχανεν ἔχων. περιῶν δὲ χώραν πολλὴν συχνὰ τῶν ἐκείνῃ θηρίων ζῶντα ἐθήρα, καὶ χοῦν ἐκ τῆς γῆς ξυναμηςάμενος ἔφερεν ἐκ χώρας ἐκάστης· οὕτω τε ἐπανῆκεν εἰς Ῥώμην, τὸν τε χοῦν καὶ τὰ θηρία ἔχων. [12] ὁ μὲν οὖν Αὐγουστος ἐς τὸν ἱππόδρομον ἀναβὰς ἐκάθητο ἥπερ εἰώθει, Αὐγαρος δὲ οἱ ἐς ὄψιν ἦκων τὴν τε γῆν καὶ τὰ θηρία ἐπέδειξε, καταλέγων ἐκ ποίας ποτὲ χώρας ἢ τε γῆ ἐκάστη καὶ τῶν θηρίων τίνα ποτὲ εἶη. [13] ἔπειτα τὴν μὲν γῆν ἄλλην ἄλλῃ τοῦ ἱπποδρομίου ἐκέλευε θέσθαι, πάντα δὲ ἐς ταῦτ' ὅτι τὰ θηρία ξυναγαγόντας εἶτα ἀφεῖναι. [14] οἱ μὲν οὖν ὑπηρετοὶ κατὰ ταῦτα ἐποίουν. τὰ δὲ θηρία χωρὶς ἀλλήλων γενόμενα ἐς ἐκείνην ἐχώρει τὴν γῆν ἥ δὴ ἐκ τῆς χώρας ὅθεν εἰληπτο ἐτύγχανεν οὔσα. [15] καὶ ὁ μὲν Αὐγουστος ἐπὶ πλεῖστον τὰ ποιούμενα ἐς τὸ ἀκριβὲς ἔβλεπε, καὶ ἐθαύμαζε γε ὅτι δὴ τοῖς ζῴοις ἢ φύσις ἀδίδακτος οὔσα ποθεινὴν ποιεῖται τὴν πάτριον γῆν. Αὐγαρος δὲ αὐτοῦ τῶν γονάτων ἐκ τοῦ αἰφνιδίου λαβόμενος, [16] ‘Ἐμὲ δέ,’ εἶπε, ‘τίνα ποτὲ γνώμην ἔχειν, ὃ δέσποτα, οἶει, ὃ γυνὴ τέ ἐστι καὶ παιδία καὶ βασιλεία βραχεῖα μὲν, ἀλλ' ἐν γῇ τῇ πατρῴᾳ;’ [17] καὶ ὃς τῷ ἀληθεῖ τοῦ λόγου ἡσσηθεὶς τε καὶ βιασθεὶς ἀπιέναι τε ξυνεχώρει οὔτι ἐκούσιος καὶ προσαιτεῖσθαι ἐκέλευεν ὅτου ἂν δέηται. [18] ἐπεὶ δὲ τούτου Αὐγαρος ἔτυχεν, Αὐγούστου ἐδεῖτο ἱπποδρόμιόν οἱ δείμασθαι ἐν πόλει Ἑδέσση. ὁ δὲ ξυνεχώρει καὶ τοῦτο. οὕτω μὲν ἐκ Ῥώμης ἀπαλλαγείς Αὐγαρος ἐς Ἑδεσσαν ἦλθε. [19] καὶ

αὐτοῦ οἱ πολῖται ἀνεπυνθάνοντο εἴ τι φέρων ἀγαθὸν σφίσι· ἐκ βασιλείῳς
Αὐγούστου ἦκοι. ὁ δὲ ἀποκρινάμενος Ἑδεσσηνοῖς ἐνεγκεῖν ἔφη λύπην τε
ἀζήμιον καὶ χαρὰν ἀκερδή, τὴν τοῦ ἱπποδρομίου παραδηλῶν τύχην. [20] Χρόνῳ
δὲ ὕστερον πόρρω που ἡλικίας Αὐγαρος ἦκων νόσῳ ποδᾶγρας χαλεπῆς τινος
ὑπερφυῶς ἦλω. ταῖς γοῦν ὁδύναϊς ἀχθόμενος καὶ τῇ ἐνθένδε ἀκινήσιᾳ ἐπὶ
τοὺς ἰατροὺς τὸ πρᾶγμα ἤγεν, ἐκ πάσης τε γῆς ξυνέλεγε τοὺς περὶ ταῦτα
σοφοὺς ἅπαντας. [21] ὧν δὴ ὕστερον ὁ γὰρ οἱ ἄκεσιν τινα τοῦ κακοῦ ἐξευρεῖν
ἴσχυον ἀπέστη τε καὶ ἐς ἀμηχανίαν ἐμπεσὼν τύχας τὰς παρούσας ὠδύρετο. [22]
ὑπὸ δὲ τὸν χρόνον ἐκεῖνον Ἰησοῦς ὁ τοῦ θεοῦ παῖς ἐν σώματι ὧν τοῖς ἐν
Παλαιστίνῃ ἀνθρώποις ὠμίλει, τῷ τε μηδὲν τὸ παράπαν ἀμαρτεῖν πώποτε,
ἀλλὰ καὶ τὰ ἀμήχανα ἐξεργάζεσθαι διαφανῶς ἐνδεικνύμενος ὅτι δὴ τοῦ θεοῦ
παῖς ὡς ἀληθῶς εἶη: [23] νεκροὺς τε γὰρ καλῶν ἐξανίστη ὥσπερ ἐξ ὕπνου καὶ
πηροῖς τοὺς ὀφθαλμοὺς οὕτω τεχθεῖσιν ἀνέωγε, σώματός τε ὅλου λεύκας
ἐκάθηρε καὶ ποδῶν πῆρῳσιν ἔλυσε, καὶ ὅσα ἄλλα ἰατροῖς πάθῃ ἀνίατα
ὠνομασμένα ἐστί. [24] ταῦτα ἀπαγγελλόντων Αὐγαρος τῶν ἐκ Παλαιστίνης ἐς
τὴν Ἑδεσσαν ἐπιχωριαζόντων ἀκούσας, ἐθάρσησέ τε καὶ γράμματα πρὸς τὸν
Ἰησοῦν γράψας ἐδεῖτο αὐτοῦ ἀπαλλάσσεσθαι μὲν τῆς Ἰουδαίας καὶ τῶν
ἐνταῦθα ἀγνωμόνων ἀνθρώπων, αὐτῷ δὲ τὸ λοιπὸν ζυμβιοτεῦν. [25] ἐπεὶ
ταῦτα ὁ Χριστὸς ἀπενεχθέντα εἶδεν, ἀντέγραψε πρὸς τὸν Αὐγαρον, ὡς μὲν
οὐκ ἀφίξεται ἄντικρυς ἀπολέγων, τὴν δὲ ὑγίειαν τῷ γράμματι ὑποσχόμενος.
[26] φασὶ δὲ καὶ τοῦτο αὐτὸν ἐπειπεῖν, ὡς οὐδὲ ἡ πόλις ποτὲ βαρβάρους
ἀλώσιμος ἔσται. τοῦτο τῆς ἐπιστολῆς τὸ ἀκροτελεύτιον οἱ μὲν ἐκείνου τοῦ
χρόνου τὴν ἱστορίαν ζυγγράψαντες οὐδαμῇ ἔγνωσαν: οὐ γὰρ οὖν οὐδέ πῃ
αὐτοῦ ἐπεμνήσθησαν: Ἑδεσσηνοὶ δὲ αὐτὸ ξὺν τῇ ἐπιστολῇ εὐρέσθαι φασίν,
ὥστε ἀμέλει καὶ ἀνάγραφτον οὕτω τὴν ἐπιστολὴν ἀντὶ ἄλλου του φυλακτηρίου
ἐν ταῖς τῆς πόλεως πεποιήνται πύλαις. [27] γέγονε μὲν οὖν ὑπὸ Μήδοις χρόνῳ
τινὶ ὕστερον, οὐχ ἀλοῦσα μέντοι, ἀλλὰ τρόπῳ τοιῷδε. [28] ἐπειδὴ τὸ γράμμα
τοῦ Χριστοῦ Αὐγαρος ἔλαβε, κακῶν μὲν ὀλίγῳ ὕστερον ἀπαθὴς γέγονε,
συχνὸν δὲ τῇ ὑγιείᾳ ἐπιβιούς χρόνον ἐτελεύτησεν: ὅστις δὲ διεδέξατο τὴν
βασιλείαν τῶν αὐτοῦ παίδων, ἀνοσιώτατος γεγωνὼς ἀπάντων ἀνθρώπων,
ἀλλὰ τε πολλὰ ἐς τοὺς ἀρχομένους ἐξήμαρτε καὶ τὴν ἐκ Ῥωμαίων δεδιὼς
τίσιν προσεχώρησεν ἐκούσιος Πέρσαις. [29] χρόνῳ τε πολλῷ Ἑδεσσηνοὶ
ὕστερον ἀνελόντες τῶν βαρβάρων τοὺς σφίσι ἐνδημοῦντας φρουροὺς
ἐνέδοσαν Ῥωμαίοις τὴν πόλιν. αὐτῷ προσποιεῖσθαι ἐπιμελὲς ἐστί,
τεκμαιρόμενος οἷς ἐν τοῖς κατ' ἐμὲ χρόνοις γέγονεν, ἅπερ ἐν τοῖς καθήκουσι
λόγοις δηλώσω. [30] καὶ μοί ποτε ἔννοια γέγονεν ὡς εἰ μὴ ταῦτα ἅπερ ἐρρήθη ὁ
Χριστὸς ἔγραψεν, ἀλλ' ὅτι ἐς τοῦτο δόξης ἀνθρωποὶ ἦλθον, φυλάξαι διὰ τοῦτο
ἀνάλωτον ἐθέλει τὴν πόλιν, ὡς μήποτε αὐτοῖς πλάνης τινὰ σκῆψιν διδοίη.
ταῦτα μὲν οὖν ὅπῃ τῷ θεῷ φίλον, ταύτῃ ἐχέτω τε καὶ λεγέσθω. [31] Χοσρόη δὲ
τότε προὔργου διὰ ταῦτα ἔδοξεν εἶναι Ἑδεσσαν ἐξελεῖν. καὶ ἐπεὶ ἐς Βάτην
ἀφίκετο, πόλισμα μὲν βραχὺ καὶ λόγου οὐδενὸς ἄξιον, ἡμέρας δὲ ὁδῷ
Ἑδέσσης διέχον, ἐνταῦθα μὲν τὴν νύκτα ἐκείνην ἠλίσσατο, ὄρθρου δὲ βαθέος
παντὶ τῷ στρατῷ ἐπὶ τὴν Ἑδεσσαν ἤλαυνε. [32] καὶ αὐτοῖς ξυνέβη πλάνη
περιπεσοῦσι τῇ ὑστεραίᾳ ἐς τὸν αὐτὸν αὐλίζεσθαι χώρον: [33] ὅπερ αὐτοῖς

λέγουσι καὶ δις ξυμβῆναι. μόλις δὲ ἄγχιστα Ἐδέσσης γενομένων Χοσρόη
ρέυματός φασιν ἐς τὸ πρόσωπον ἐπιπεσόντος ἐπῆρθαι τὴν γνάθον. διὸ δὴ τῆς
μὲν πόλεως ἀποπειρᾶσθαι οὐδαμῇ ἤθελε, Παῦλον δὲ πέμψας χρήματα
Ἐδεσσηνοὺς ἤτει. [34] οἱ δὲ ἀμφὶ τῇ πόλει μὲν δεδιέναι ἤκιστα ἔφασκον, ὅπως
δὲ μὴ τοῖς χωρίοις λυμῆνται, ὠμολόγησαν δύο χρυσοῦ κεντηνάρια δώσειν.
καὶ ὅς τὰ τε χρήματα ἔλαβε καὶ διεσώσατο τὰ ξυγκείμενα.

Τότε καὶ γράμματα Χοσρόη βασιλεὺς Ἰουστινιανὸς ἔγραψεν, ἐπιτελέσειν
ὁμολογῶν τὰ τε αὐτῷ καὶ τοῖς πρέσβεσιν ἀμφὶ τῇ εἰρήνῃ ξυγκείμενα. [2] ἅπερ
ἐπεὶ ὁ Χοσρόης ἀπενεχθέντα εἶδε, τοὺς τε ὁμήρους ἀφῆκε καὶ συνεσκευάζετο
ἐς τὴν ἄφοδον, τοὺς τε Ἀντιοχέων αἰχμαλώτους ἀποδίδοσθαι ἅπαντας ἤθελεν.
[3] ὅπερ Ἐδεσσηνοὶ ἐπειδὴ ἔμαθον, προθυμίαν ἐπεδείξαντο ἀκοῆς κρείσσω. οὐ
γὰρ ἦν οὐδεὶς ὅς οὐ τὰ λύτρα ἐν τῷ ἱερῷ φέρων ὑπὲρ τούτων δὴ τῶν
αἰχμαλώτων κατὰ λόγον τῆς οὐσίας κατέθετο. [4] εἰσὶ δὲ οἷς καὶ μᾶλλον ἢ κατὰ
λόγον ταῦτα ἐπράσσετο. αἱ τε γὰρ ἐταῖραι τὸν κόσμον ἀφελοῦσαι, ὅσος
αὐταῖς ἐν τῷ σώματι ἦν, ἐνταῦθα ἐρρίπτουν, καὶ εἴ τῳ γεωργῷ ἐπίπλων ἢ
ἀργυρίου σπανίζοντι ὄνος ἢ προβάτιον ἦν, τοῦτο δὴ ἐς τὸ ἱερὸν σπουδῇ
πολλῇ ἦγεν. [5] ἀθροίζεται μὲν οὖν χρυσοῦ τε καὶ ἀργύρου καὶ ἄλλων
χρημάτων πάμπολυ πλῆθος, [6] δέδοται δὲ ὑπὲρ λύτρων οὐδέν. Βούζης γὰρ
ἐνταῦθα παρὼν ἔτυχεν, ὅς διακωλῦσαι τὴν πρᾶξιν ὑπέστη, κέρδος οἱ ἔσεσθαι
μέγα τι ἐνθένδε караδοκῶν. διὸ δὴ ὁ Χοσρόης τοὺς αἰχμαλώτους ἅπαντας
ἐπαγόμενος πρόσω ἐχώρει. [7] Καρρηνοὶ δὲ ἀπῆντων χρήματα πολλὰ
προτεινόμενοι: ὁ δὲ οὐ προσήκειν ἔφασκεν, ὅτι δὴ οἱ πλείστοι οὐ Χριστιανοί,
ἀλλὰ δόξης τῆς παλαιᾶς τυγχάνουσιν ὄντες. [8] Καὶ μὴν καὶ Κωνσταντινέων
χρήματα διδόντων ἐδέξατο, καίπερ φάσκων οἱ ἐκ πατέρων προσήκειν τὴν
πόλιν. ἐπειδὴ γὰρ Καβάδης Ἀμίδαν εἶλεν, Ἐδεσσάν τε καὶ Κωνσταντίναν
ἐξελεῖν ἤθελεν. [9] ἀλλ' Ἐδέσσης μὲν ἀγχοῦ γενόμενος τῶν μάγων
ἀνεπυνθάνετο εἴ οἱ ἀλώσιμος ἢ πόλις ἔσται, δεῖξας τῇ δεξιᾷ χειρὶ τὸ χωρίον
αὐτοῖς. [10] οἱ δὲ αὐτῷ τὴν πόλιν ἀλώσεσθαι οὐδεμιᾷ μηχανῇ ἔλεγον,
τεκμαιρόμενοι ὅτι δὴ τὴν δεξιάν αὐτῇ χεῖρα προτείνει, οὐχ ἀλώσεως ταύτη
οὐδὲ ἄλλου ὁτουοῦν χαλεποῦ ξύμβολον, ἀλλὰ σωτηρίας διδοίη. [11] καὶ ὅς
ταῦτα ἀκούσας, ἐπείθετό τε καὶ ἐπῆγεν ἐπὶ Κωνσταντίναν τὸ στράτευμα. [12]
ἐνταῦθα δὲ ἀφικόμενος ἐνστρατοπεδεύεσθαι παντὶ τῷ στρατῷ ὡς
πολιορκήσων ἐπέστελλεν. [13] ἦν δὲ Κωνσταντίνης ἱερεὺς τότε Βαράδοτος,
ἀνὴρ δίκαιός τε καὶ τῷ θεῷ ἐς τὰ μάλιστα φίλος, καὶ ἀπ' αὐτοῦ ἐνεργοῦσαν ἐς
ὃ τι βούλοιο αἰεὶ τὴν εὐχὴν ἔχων: οὗ καὶ τὸ πρόσωπον ἰδὼν ἄν τις εὐθὺς
εἵκασεν ὅτι δὴ τῷ θεῷ ἐνδεδεχέστατα κεχαρισμένος ὁ ἀνὴρ εἶη. [14] οὗτος ὁ
Βαράδοτος τηνικαῦτα παρὰ τὸν Καβάδην ἐλθὼν οἶνόν τε ἤνεγκε καὶ ἰσχάδας
καὶ μέλι καὶ καθαρὸς ἄρτους, καὶ αὐτοῦ ἐδέετο μὴ ἀποπειρᾶσθαι πόλεως ἢ
οὔτε λόγου ἀξία ἐστὶ καὶ πρὸς Ῥωμαίων ἀπημέλῃται λίαν, οὔτε στρατιωτῶν
φρουρὰν ἔχουσα οὔτε ἄλλο τι φυλακτήριον, ἀλλὰ τοὺς οἰκήτορας μόνους,
ἀνθρώπους οἰκτρούς. [15] ὁ μὲν ταῦτα εἶπε: Καβάδης δὲ αὐτῷ τὴν τε πόλιν
χαριεῖσθαι ὠμολόγησε καὶ τοῖς σιτίοις ἐδωρήσατο αὐτὸν ἅπασιν ὅσα οἱ τῷ
στρατοπέδῳ ἐς τὴν πολιορκίαν ἡτοίμαστο, μεγάλοις ὑπερφυῶς οὖσιν: οὕτω τε
ἀπηλλάσσετο ἐκ γῆς τῆς Ῥωμαίων. διὸ δὴ ὁ Χοσρόης ἐκ πατέρων οἱ

προσθήκειν ἡξίου τὴν πόλιν. [16] Ἐς Δάρας τε ἀφικόμενος ἐς πολιορκίαν καθίστατο. ἐνδοθεν δὲ Ῥωμαῖοι καὶ Μαρτῖνος ὁ στρατηγός 'καὶ γὰρ ἐνταῦθα ὦν ἔτυχε τὰ ἐς ἀντίστασιν ἐξηρτύνοντο. [17] δύο δὲ ἡ πόλις τείχεσι περιβέβληται, ὧν τὸ μὲν ἐντὸς μέγα τε καὶ ἀξιοθέατον ἀτεχνῶς ἐστίν 'ἐς ὕψος γὰρ διήκει πύργος μὲν ἕκαστος ποδῶν ἑκατόν, τὸ δὲ ἄλλο τείχος ἐξήκοντά, τὸ δὲ ἐκτὸς πολλῶ μὲν ἔλασσον συμβαίνει εἶναι, ἄλλως δὲ ἐχυρόν τε καὶ λόγου πολλοῦ ἄξιόν ἐστι. [18] τὸ δὲ μεταξὺ χωρίον εὖρος οὐχ ἦσσαν ἢ πεντήκοντα ἔχει ποδῶν: ἐνταῦθα εἰώθασι Δαρηνοὶ τοὺς τε βόας καὶ τᾶλλα ζῶα πολεμίων σφίσιν ἐγκειμένων ἐμβάλλεσθαι. [19] τὰ μὲν οὖν πρῶτα ὁ Χοσρόης προσβολὴν ποιησάμενος ἐς τὰ πρὸς ἐσπέραν τοῦ περιβόλου πλήθει τε βελῶν βιασάμενος, τὰς πύλας τείχους τοῦ βραχέος ἐνέπρησεν. [20] ἐντὸς μέντοι γενέσθαι οὐδεὶς τῶν βαρβάρων ἐτόλμησεν. ἔπειτα δὲ κατάρυχα ποιεῖσθαι λάθρα ἐς τὰ πρὸς ἔω τῆς πόλεως ἔγνω. ταύτη γὰρ μόνον ὀρύσσεσθαι ἡ γῆ οἷα τέ ἐστιν, ἐπεὶ τὰ ἄλλα τοῦ περιβόλου ἐπὶ πέτρας τοῖς δειμαμένοις πεποιήται. [21] οἱ γοῦν Πέρσαι ἀπὸ τῆς τάφρου ἀρξάμενοι ὥρυsson. ἥς δὴ βαθείας κομιδῇ οὔσης, οὔτε καθεωρῶντο πρὸς τῶν πολεμίων οὔτε αὐτοῖς τινα αἴσθησιν τοῦ ποιουμένου παρείχοντο. [22] ἤδη μὲν οὖν ὑπέδυσαν τὰ θεμέλια τοῦ ἐκτὸς τείχους, ἔμελλον δὲ καὶ κατὰ τὴν μεταξὺ χώραν ἑκατέρου περιβόλου γινόμενοι ὀλίγῳ ὕστερον καὶ τὸ μέγα τείχος ἀμείψαντες τὴν πόλιν κατὰ κράτος ἐλεῖν, ἀλλ' 'οὐ γὰρ αὐτὴν ἔδει Πέρσαις ἀλῶναί εἰς ἐκ τοῦ Χοσρόου στρατοπέδου ἀμφὶ ἡμέραν μέσσην ἄγχιστά πη τοῦ περιβόλου μόνος ἀφίκετο, εἴτε ἄνθρωπος ὦν εἴτε τι ἄλλο ἀνθρώπου κρεῖσσον, δόξαν τε τοῖς ὀρθῶσι παρείχετο ὅτι δὴ τὰ βέλη ξυλλέγοι ἅπερ ἐκ τοῦ τείχους Ῥωμαῖοι ὀλίγῳ πρότερον ἐπὶ τοὺς ἐνοχλοῦντας βαρβάρους ἀφήκαν. [23] ταῦτά τε ποιῶν καὶ τὴν ἀσπίδα προβεβλημένους ἐρεσχελεῖν τε τοὺς ἐν ταῖς ἐπάλξεσι καὶ ζὺν γέλῳ τι τωθάζειν ἐδόκει. εἴτα φράσας αὐτοῖς τὸν πάντα λόγον ἐγρηγορέναι πάντας ἐκέλευε καὶ ὡς ἐνι μάλιστα τῆς σωτηρίας ἐπιμελεῖσθαι. [24] καὶ ὁ μὲν ταῦτα σημήνας ἀπιὼν ὄχρετο, Ῥωμαῖοι δὲ τὰ ἐν μέσῳ τείχους ἑκατέρου θορύβῳ πολλῶ καὶ ταραχῇ ἐκέλευον σκάπτειν. [25] καὶ Πέρσαι μέντοι οὐκ εἰδότες τὰ πρασσόμενα οὐδέν τι ἦσσαν ἔργου εἶχοντο. [26] τῶν μὲν οὖν βαρβάρων ὀρθὴν τινα ἔνερθεν ποιουμένων ὁδὸν ἐπὶ τὸ τῆς πόλεως τείχος, τῶν δὲ Ῥωμαίων τε Θεοδώρου γνώμη, ἐπὶ σοφίᾳ τῇ καλουμένῃ μηχανικῇ λογίου ἀνδρός, ἐγκαρσίαν τε τὴν διώρυχα ἐργαζομένων καὶ βάθους ἱκανῶς ἔχουσιν, ζυνέβη Πέρσας κατὰ μέσον τοῖν περιβόλοιν γεγεννημένους ἐκ τοῦ αἰφνιδίου ἐμπεσεῖν ἐς τὴν Ῥωμαίων κατάρυχα. [27] καὶ αὐτῶν τοὺς μὲν πρώτους Ῥωμαῖοι ἔκτειναν, οἱ δὲ ὀπισθεν φυγόντες κατὰ τάχος ἐς τὸ στρατόπεδον διεσώθησαν. διώκειν γὰρ αὐτοὺς ἐν σκότῳ Ῥωμαῖοι οὐδαμῇ ἔγνωσαν. [28] ταύτης οὖν τῆς πείρας ὁ Χοσρόης ἀποτυχὼν ἐλεῖν τε τὴν πόλιν μηχανῇ τὸ λοιπὸν οὐδεμιᾷ ἐλπίσας, τοῖς πολιορκουμένοις ἐς λόγους ἦλθε, χιλιά τε κεκομισμένοις ἀργύρου σταθμὰ ἐς τὰ Περσῶν ἦθη ἐχώρει. [29] ταῦτα ἐπεὶ βασιλεὺς Ἰουστινιανὸς ἔμαθεν, οὐκέτι τὰ ζυγκείμενα ἐπιτελῇ ποιήσῃν ἠθέλεν, ἐπικαλῶν Χοσρόῃ ὅτι δὴ πόλιν Δάρας ἐν σπονδαῖς ἐξελεῖν ἐνεχείρησε. ταῦτα μὲν ἐν τῇ πρώτῃ Χοσρόου ἐσβολῇ Ῥωμαίοις ζυνέβη, καὶ τὸ θέρος μὲν ἐτελεύτα.

Ὁ δὲ Χοσρόης πόλιν ἐν Ἀσσυρίοις δειμάμενος ἐν χώρῳ Κτησιφῶντος

πόλεως διέχοντι ἡμέρας ὁδῶ, Ἀντιόχειάν τε τὴν Χοσρόου αὐτὴν ἐπωνόμασε καὶ Ἀντιοχέων τοὺς αἰχμαλώτους ἐνταῦθα ξυνώκισεν ἅπαντας, οἷς δὴ βαλανεῖόν τε καὶ ἵπποδρόμιον κατεσκεύαζε καὶ ταῖς ἄλλαις τρυφαῖς ἀνείσθαι ἐποίει. [2] τοὺς τε γὰρ ἡνιόχους καὶ τοὺς τῶν μουσικῶν ἔργων τεχνίτας ἐκ τῆς Ἀντιοχείας καὶ τῶν ἄλλων Ῥωμαϊκῶν πόλεων ζὺν αὐτῷ ἦγεν. [3] ἔτι μέντοι καὶ δημοσίᾳ τοὺς Ἀντιοχέας τούτους ἐπιμελεστέως ἢ κατὰ αἰχμαλώτους ἐσίτιζεν ἐς πάντα τὸν χρόνον, καὶ βασιλικούς καλεῖσθαι ἠξίου, ὥστε τῶν ἀρχόντων οὐδενὶ ὑποχειρίους εἶναι ἢ βασιλεῖ μόνῳ. [4] εἰ δέ τις καὶ τῶν ἄλλων Ῥωμαίων δραπέτης γεγονὼς ἐς Ἀντιόχειαν τὴν Χοσρόου διαφυγεῖν ἴσχυσε, καὶ τις αὐτὸν ξυγγενῇ τῶν ταύτῃ ὥκημένων ἐκάλεσεν, οὐκέτι ἐξῆν τῷ κεκτημένῳ τὸν αἰχμάλωτον τοῦτον ἀπάγειν, οὐδ' ἦν τις τῶν λίαν ἐν Πέρσαις δοκίμων ὁ τὸν ἄνθρωπον ἐξανδραποδίσας τυγχάνοι. [5] Ἀντιοχεῦσι μέντοι τὸ ξυμβὰν ἐπὶ Ἀναστασίου βασιλεύοντος τέρας ἐς τοῦτο ἀποβὰν ἐτελεύτησε. τότε γὰρ ἀνέμου σκληροῦ Δάφνη τῷ προαστείῳ ἐκ τοῦ αἰφνιδίου ἐπιπεσόντος, τῶν κυπαρίσσων αἱ ταύτῃ ὑψηλαὶ ἀτεχνῶς ἦσαν ἐκ ῥιζῶν τῶν ἐσχάτων ἀνατραπῆσαι εἰς τὴν γῆν ἔπεσον, ὥσπερ ὁ νόμος ἐκτέμενεσθαι οὐδαμῇ εἶα. [6] ὀλίγῳ μὲν οὖν ὕστερον, ἡνίκα Ἰουστῖνος Ῥωμαίων ἦρχε, σεισμός τις ἐπιγεγόμενος ἐξαίσιος λίαν τὴν τε πόλιν κατέσεισε πᾶσαν καὶ τῶν οἰκοδομημάτων τά τε πλεῖστα καὶ κάλλιστα ἐς τὸ ἔδαφος εὐθὺς ἤνεγκε, καὶ λέγονται τότε τριάκοντα μυριάδες Ἀντιοχέων ἀπολωλέναι. [7] ἐν ταύτῃ δὲ τῇ ἀλώσει ξύμπασα ἡ πόλις, ὥσπερ μοι ἐρρήθη, διέφθαρται. τὸ μὲν οὖν Ἀντιοχέων πάθος τῇδε ἐχώρησε. [8] Βελισάριος δὲ βασιλεῖ ἐς Βυζάντιον ἐξ Ἰταλίας μετάπεμπος ἦλθε, καὶ αὐτὸν διαχειμάσαντα ἐν Βυζαντίῳ στρατηγὸν ἐπὶ τῇ Χοσρόην καὶ Πέρσας ἅμα ἦρι ἀρχομένῳ βασιλεὺς ἔπεμψε ἀρχοντάς τε τοὺς ἐξ Ἰταλίας ζὺν αὐτῷ ἦκοντας, ὧν δὴ ἓνα Βαλεριανὸν ἠγεῖσθαι τῶν ἐν Ἀρμενίοις καταλόγων ἐκέλευε. [9] Μαρτῖνος γὰρ ἔτυχεν εὐθὺς εἰς τὴν ἐφ' ὅσον σταλεῖς, καὶ διὰ τοῦτο Χοσρόης αὐτόν, [10] ὡς προδεδήλωται, ἐς Δάρας εὗρε. τῶν δὲ Γόθων Οὐίτιγίς μὲν ἐν Βυζαντίῳ ἔμεινεν, οἱ δὲ λοιποὶ ξύμπαντες ἐπὶ Χοσρόην σὺν Βελισαρίῳ ἐστράτευσαν. [11] τότε τῶν Οὐιτίγιδος πρέσβων ἄλλος μὲν, ὅσπερ τοῦ ἐπισκόπου ὀνόματος ἐπεβάτευεν, ἐν τοῖς Περσῶν ἦθεσι θνήσκει, ὁ δὲ δὴ ἕτερος αὐτοῦ ἔμεινεν. [12] ὅστις δὲ αὐτοῖς ἐρμηνεύς εἶπετο ἀνεχώρησεν ἐς Ῥωμαίων τὴν γῆν, καὶ αὐτὸν Ἰωάννης, ὃς τῶν ἐν Μεσοποταμίᾳ στρατιωτῶν ἦρχεν, ἀμφὶ τὰ Κωνσταντίνης ὅρια ξυλλαβὼν ἐς τὴν πόλιν εἰσαγαγὼν ἐν δεσμοτηρίῳ καθεῖρξεν, ὅσπερ οἱ ἐνταῦθα ἅπαντα ἀναπνυθανομένῳ τὰ πεπραγμένα ἐξήνεγκε. [13] ταῦτα μὲν οὖν τῇδε ἐχώρησε. Βελισάριος δὲ ζὺν τοῖς ἐπομένοις κατὰ τάχος ἦει, προτερῆσαι ἐν σπουδῇ ἔχων πρὶν τινα ὁ Χοσρόης ἐσβολὴν αὐθις ποιήσεται ἐς Ῥωμαίων τὴν γῆν.

Ἐν τούτῳ δὲ ὁ Χοσρόης ἐπὶ Κολχίδα τὸν στρατὸν ἦγε, Λαζῶν αὐτὸν ἐπαγομένον ἐξ αἰτίας τοιαύδε. [2] Λαζοὶ τὰ μὲν πρῶτα γῆν τὴν Κολχίδα ὥκουν, Ῥωμαίων κατήκοοι ὄντες, οὐ μέντοι ἐς φόρου ἀπαγωγὴν, οὐδέ τι ἄλλο ἐπαγγέλλουσιν αὐτοῖς ἐπακούοντες, πλὴν γε δὴ ὅτι ἐπειδὰν αὐτοῖς ὁ βασιλεὺς τελευτήσῃ, ξύμβολα τῆς ἀρχῆς τῷ διαδεξομένῳ τὴν βασιλείαν ὁ Ῥωμαίων βασιλεὺς ἔπεμπε. [3] τὰ δὲ τῆς χώρας ὅρια ζὺν τοῖς ἀρχομένοις ἐς τὸ ἀκριβὲς διεφύλασεν, ὅπως δὴ μὴ Οὐννοι πολέμιοι ἐξ ὅρου τοῦ Καυκάσου, ὁμόρου

σφίσιν ὄντος, διὰ Λαζικῆς πορευόμενοι ἐσβάλλωσιν ἐς γῆν τὴν Ῥωμαίων. [4] ἐφύλασσαν δὲ οὔτε αὐτοὶ χρήματα ἢ στρατιὰν πρὸς Ῥωμαίων δεχόμενοι οὔτε Ῥωμαίοις πη ξυστρατεύοντες, ἐπ' ἐμπορία δὲ τῇ κατὰ θάλασσαν πρὸς Ῥωμαίους ἀεὶ τοὺς ἐν πόντῳ ὥκημένους ἐργαζόμενοι. [5] αὐτοὶ μὲν γὰρ οὔτε ἄλας οὔτε σῖτον οὔτε ἄλλο τι ἀγαθὸν ἔχουσι, δέρρεις δὲ καὶ βύρσας καὶ ἀνδράποδα παρεχόμενοι τὰ σφίσιν ἐπιτήδεια ἐκομίζοντο. [6] ἐπειδὴ δὲ τὰ ἀμφὶ Γουργένει τῷ Ἰβήρων βασιλεῖ γενέσθαι ξυνέπεσεν, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, στρατιῶται Ῥωμαίων ἐπιχωριάζουσιν Λαζοῖς ἥρξαντο, οἷς δὴ οἱ βάρβαροι οὗτοι ἤχθοντο, καὶ πάντων μάλιστα Πέτρῳ τῷ στρατηγῷ, ἐπηρεάζουσιν τοῖς ἐντυγχάνουσιν εὐπετῶς ἔχοντι. [7] ὁ δὲ Πέτρος οὗτος ὠρμητο μὲν ἐξ Ἀρζαννηῆς, ἣ ἐκτὸς Νυμφίου ποταμοῦ ἐστὶ, Περσῶν κατήκοος ἐκ παλαιοῦ οὔσα, πρὸς Ἰουστίνου δὲ βασιλέως ἔτι παῖς ὢν ἠνδραπόδοιστο, ἠνίκα Ἰουστίνος μετὰ τὴν Ἀμίδης ἄλωσιν ξὺν τῷ Κέλερος στρατῷ ἐσέβαλλεν ἐς τὴν Περσῶν γῆν. φιλανθρωπία δὲ πολλῇ χρωμένου τοῦ κεκτημένου ἐς αὐτὸν ἐς γραμματιστοῦ ἐφοίτησε. [8] καὶ τὰ μὲν πρῶτα Ἰουστίνου γραμματεὺς γέγονεν, ἐπεὶ δὲ Ἀναστασίου τετελευτηκότος Ἰουστίνος τὴν βασιλείαν παρέλαβε Ῥωμαίων, ὁ Πέτρος στρατηγὸς γεγωνὺς ἐς τε φιλοχρηματίαν εἶπερ τις ἄλλος ἐξώκειλε καὶ ἀβελτερία πολλῇ ἐς ἅπαντας ἐχρήτο. [9] Ὑστερον δὲ βασιλεὺς Ἰουστινιανὸς ἄλλους τε ἐς Λαζικὴν ἄρχοντας ἐπεμψε καὶ Ἰωάννην ὃν Τζίβον ἐκάλουν, ἄνδρα ἐξ ἀφανῶν μὲν καὶ ἀδόξων ἀρχὴν γεγονότα, ἐς στρατηγίαν δὲ ἀναβεβηκότα κατ' ἄλλο οὐδὲν ἢ ὅτι πονηρότατός τε ἦν ἀνθρώπων ἀπάντων καὶ πόρους χρημάτων ἀδίκους ἱκανώτατος ἐξευρεῖν. ὃς δὴ ἅπαντα ἔσφηλέ τε καὶ συνετάραξε τὰ Ῥωμαίων τε καὶ Λαζῶν πράγματα. [10] οὗτος καὶ βασιλεῖα Ἰουστινιανὸν πόλιν ἀνέπεισεν ἐπιθαλασσίαν, Πέτραν ὄνομα, ἐν Λαζοῖς δεῖμασθαι: ἐνταῦθά τε ὥσπερ ἐν ἀκροπόλει καθήμενος ἦγέ τε καὶ ἔφερε τὰ Λαζῶν πράγματα. [11] τοὺς τε γὰρ ἄλας καὶ ὅσα ἄλλα φορτία Λαζοῖς ἀναγκαῖα ἐδόκει εἶναι, οὐκέτι φέρειν ἐς γῆν τὴν Κολχίδα τοῖς ἐμποροῖς ἐξῆν, ἢ ἄλλοθι ἐνθένδε ὠνεῖσθαι, ἀλλ' ἐν Πέτρῳ ξυστησάμενος τὸ δὴ καλούμενον μονοπώλιον αὐτὸς κάπηλός τε καὶ ξυμπάσης τῆς περὶ ταῦτα ἐργασίας ἐπιστάτης ἐγίνετο, ἅπαντα ὠνούμενός τε καὶ ἀποδιδόμενος Κόλχοις, οὐχ ἥπερ εἴθιστο, ἀλλ' ἥπερ ἐξῆν. [12] ἅμα δὲ καὶ ἄλλως οἱ βάρβαροι ἤχθοντο ἐπιχωριάζοντι αὐτοῖς οὐκ εἰωθὸς πρότερον τῷ Ῥωμαίων στρατῷ. ἃ δὴ οὐκέτι φέρειν οἱοί τε ὄντες Πέρσαις τε καὶ Χοσρόῃ προσχωρεῖν ἔγνωσαν, πρέσβεις τε αὐτίκα τοὺς ταῦτα διαπραζομένους κρύφα Ῥωμαίων παρ' αὐτοὺς ἐπεμψαν. [13] οἷς δὴ εἶρητο τὰ πιστὰ πρὸς Χοσρόου λαβοῦσιν ὅτι γε οὐποτε Λαζοὺς ἄκοντας ἐκδώσει Ῥωμαίοις, οὕτω δὲ αὐτὸν ξὺν τῷ Περσῶν στρατῷ ἐς τὴν χώραν ἐπαγαγέσθαι. [14] Ἀφικόμενοι τοίνυν ἐς Πέρσας οἱ πρέσβεις καὶ Χοσρόῃ λάθρα ἐς ὅψιν ἐλθόντες ἔλεξαν τοιάδε 'Εἴ τινας καὶ ἄλλους ἐκ τοῦ παντὸς χρόνου τῶν μὲν οἰκείων ἀποστάντας ὄντινα δὴ τρόπον, ἀνδράσι δὲ τὸ παράπαν ἀγνώσι προσκεχωρηκότας οὐ δέον αὐθις εὖ ποιούσα ἢ τύχη ὥς μάλιστα ἀσμένους ἐπὶ τοὺς πρὶν ἐπανήγαγεν ἐπιτηδεῖους, τοιοῦτους δὴ τινας καὶ Λαζοὺς, ὧς μέγιστε βασιλεῦ, [15] νόμιζε εἶναι. Κόλχοι γὰρ Πέρσαις σύμμαχοι τὸ ἀνέκαθεν ὄντες πολλὰ τε εἰργάσαντο αὐτοὺς ἀγαθὰ καὶ αὐτοὶ ἔπαθον: ὢν δὴ ἐν γράμμασι μνημεῖα πολλὰ ἡμεῖς τε ἔχομεν καὶ τοῖς

βασιλείοις τοῖς σοῖς ἐς τὸ παρὸν διασώζεται. [16] χρόνῳ δὲ ὕστερον τοῖς ἡμετέροις προγόνοις τετύχηκεν εἴτε παρ' ὑμῶν ἀμεληθεῖσιν εἴτε ἄλλου του ἔνεκα 'οὐ γὰρ ἔχομέν τι σαφὲς περὶ τούτων εἰδέναι Ῥωμαίοις ἐνσπόνδοις γενέσθαι. [17] καὶ νῦν ἡμεῖς τε καὶ ὁ Λαζικῆς βασιλεὺς δίδομεν Πέρσαις ἡμᾶς τε αὐτοὺς καὶ γῆν τὴν ἡμετέραν ὃ τι βούλοισθε χρῆσθαι. [18] δεόμεθα δὲ ὑμῶν οὕτως σκοπεῖσθαι περὶ ἡμῶν: εἰ μὲν οὐδὲν πρὸς Ῥωμαίων πεπονθότες δεινόν, ἀλλ' ἀγνωμοσύνη ἐχόμενοι κεχωρήκαμεν εἰς ὑμᾶς, τήνδε ἡμῶν εὐθύς ἀποσείσασθε τὴν ἱκετείαν, οὐδὲ ὑμῖν ποτε πιστοὺς ἔσεσθαι Κόλχους οἰόμενοι 'φιλίας γὰρ διαλελυμένης ὁ τρόπος τῆς μετ' ἐκείνην πρὸς ἐτέρους καθισταμένης ἔλεγχος γίνεται: [19] εἰ δὲ λόγῳ μὲν φίλοι Ῥωμαίων, ἔργῳ δὲ ἀνδράποδα γεγονότες πιστά, ἔργα πεπόνθαμεν πρὸς τῶν ἐφ' ἡμῖν τετυραννηκότων ἀνόσια, δέξασθε μὲν ἡμᾶς τοὺς πρόσθε ξυμμάχους, κτήσασθε δὲ δούλους οἷς φίλοις ἐχρήσθε, μισήσατε δὲ τυραννίδα πικρὰν οὕτως ἡμῖν ἐν γειτόνων ἐγγεγερμένην, τῆς δικαιοσύνης ἄξια πράσσοντες ἦν περιστέλλειν ἀεὶ πάτριον Πέρσαις. [20] οὐ γὰρ ὁ μηδὲν αὐτὸς ἀδικῶν δίκαιος, εἰ μὴ καὶ τοὺς ὑφ' ἐτέρων ἀδικουμένους ἔχων ἐν ἐξουσίᾳ ρύεσθαι πέφυκεν. [21] ἔνια δὲ εἰπεῖν ὧν τετολμήκασιν οἱ κατάρτοι Ῥωμαῖοι καθ' ἡμῶν ἄξιον. τῷ μὲν γὰρ ἡμετέρῳ βασιλεῖ τὸ σχῆμα μόνον τῆς βασιλείας ἀπολιπόντες, αὐτοὶ τὴν ἐξουσίαν ἐπὶ τῶν ἔργων ἀφήρηνται, καὶ κάθεται βασιλεὺς ἐν ὑπηρέτου μοίρᾳ, τὸν ἐπιτάττοντα στρατηγὸν δεδιώς: [22] στρατιᾶς δὲ ἡμῖν ἐπέστησαν πλῆθος, οὐχ ὅπως τὴν χώραν ἀπὸ τῶν ἐνοχλούντων φρουρήσουσιν 'οὐ γὰρ οὐδέ τις τῶν ὁμόρων ἡμᾶς πλὴν γε δὴ Ῥωμαίων ἠνώχλησεν, ἀλλ' ὅπως ἡμᾶς ὥσπερ ἐν δεσποτηρίῳ καθεῖρξαντες κύριοι τῶν ἡμετέρων γενήσονται. [23] λογιζάμενοι δὲ συντομωτέραν ποιήσασθαι τὴν τῶν ἡμῖν ὑπαρχόντων ἀφαίρεσιν, ὅρα, ὃ βασιλεῦ, [24] ἐς ὅποιαν τινὰ ἔννοιαν ἦλθον: τῶν ἐπιτηδείων ἃ μὲν περιττὰ παρ' ἐκείνοις εἶναι τετύχηκεν, ἀναγκάζουσιν οὐχ ἐκόντας ὠνεῖσθαι Λαζούς, ὅσα δὲ αὐτοῖς χρησιμώτατα φέρειν Λαζικὴ πέφυκεν, οἷδε ἀξιοῦσι δῆθεν τῷ λόγῳ παρ' ἡμῶν πρίασθαι, τιμῆς ἐκατέρωθι γνώμη τῶν κρατούντων ὀριζομένης. [25] οὕτω τε ζῦν τοῖς ἀναγκαίοις ἅπαν ἀφαιροῦνται τὸ χρυσίον ἡμᾶς, ὀνόματι μὲν τῷ τῆς ἐμπορίας εὐπρεπεῖ χρώμενοι, ἔργῳ δὲ ἡμᾶς ὡς ἐνὶ μάλιστα βιαζόμενοι. ἐφέστηκε τε ἡμῖν ἄρχων κάπηλος, τὴν ἡμετέραν ἀπορίαν ἐργασίαν τινὰ τῇ τῆς ἀρχῆς ἐξουσίᾳ πεποιημένος. [26] ἡ μὲν οὖν τῆς ἀποστάσεως αἰτία τοιαύτη τις οὕσα τὸ δίκαιον ἐφ' ἑαυτῆς ἔχει: ὅσα δὲ ὑμῖν αὐτοῖς ζυμφορα ἔσται δεχομένοις τὴν Λαζῶν δέησιν αὐτίκα ἐροῦμεν. [27] τῇ Περσῶν ἀρχῇ βασιλείαν ἀρχαιοτάτην προσθήσετε, μηκυνόμενόν τε ἀπ' αὐτῆς ἔξετε τὸ τῆς ἡγεμονίας ἀξίωμα, μετεῖναι δὲ τῆς Ῥωμαίων θαλάσσης ὑμῖν διὰ τῆς ἡμετέρας ξυμβήσεται χώρας, ἐν ἣ πλοῖά σοι, ὃ βασιλεῦ, ναυπηγουμένῳ βατὸν οὐδενὶ πόνῳ τὸ ἐν Βυζαντίῳ παλάτιον ἔσται. μεταξὺ γὰρ ἐναντίωμα οὐδὲν ἔστι. [28] προσθεῖη δ' ἂν τις ὥς καὶ ληίζεσθαι τοὺς ὁμόρους βαρβάρους τὴν Ῥωμαίων γῆν ἀνὰ πᾶν ἔτος ἐφ' ὑμῖν κείσεται. [29] ὅρεσι γὰρ τοῖς Καυκασίοις ἐπιτείχισμα μέχρι τοῦδε γεγονέναι τὴν Λαζῶν χώραν πάντως πού καὶ ὑμεῖς ξυνεπίστασθε. [30] ἡγουμένου τοίνυν τοῦ δικαίου, προσόντος δὲ τοῦ ξυμφέροντος, τὸ μὴ οὐχὶ τοὺς λόγους προσέσθαι οὐδεμιᾶς ἂν εὐβουλίας οἰόμεθα εἶναι.' τοσαῦτα μὲν οἱ πρέσβεις εἶπον. [31] Χοσρόης δὲ τοῖς λόγοις

ἡσθεῖς ἀμύνειν τε Λαζοῖς ὠμολόγησε καὶ τῶν πρέσβειων ἐπυνθάνετο εἰ οἱ στρατῷ μεγάλῳ ἐς γῆν τὴν Κολχίδα ἰέναι δυνατὰ εἴη. [32] πολλῶν γὰρ ἀπαγγελλόντων ἔφασκεν ἀκηκοέναι τὰ πρότερα δύσσοδον ἐπιεικῶς καὶ ἀνδρὶ εὐζῶνῳ τὴν χώραν εἶναι, κρημνῳδῇ τε ὑπερφυῶς οὖσαν καὶ δένδροις συχοῖς τε καὶ ἀμφιλαφέσιν ἐπὶ μακρότατον συνεχομένην. [33] οἱ δὲ οἱ ἰσχυρίζοντο παντὶ τῷ Περσῶν στρατῷ τὴν ἐκείνῃ ὁδὸν εὐπετὴ ἔσεσθαι, τέμνουσι μὲν τὰ δένδρα, ἐς δὲ τῶν κρημνῶν τὰς δυσχωρίας αὐτὰ ἐμβαλλομένους. [34] καὶ αὐτοὶ ὠμολόγουν τῆς τε ὁδοῦ ἡγεμόνες καὶ τοῦ ἔργου τούτου Πέρσαις ἔσεσθαι πρόπονοι. [35] ταύτῃ ὁ Χοσρόης ἐπιρμένους τῇ ὑποθήκῃ στρατιάν τε πολλὴν ἡγείρε καὶ τὰ ἐς τὴν ἑφοδὸν ἐξηρτύετο, οὕτε τὸ βούλευμα ἐς Πέρσας ἐξενεγκῶν, πλὴν γε δὴ οἷς τὰ ἀπόρρητα κοινολογεῖσθαι μόνοις εἰώθει, καὶ τοῖς πρέσβεσιν ἐπαγγείλας ὅπως τὰ πρassoμένα μηδενὶ φράσωσιν, ἀλλ' ἐς Ἰβηρίαν τῷ λόγῳ ἐστέλλετο, ὥς τὰ τῇδε καταστησόμενος πράγματα: ἔθνος γὰρ Οὐννικὸν ἐνταῦθα πῇ ἐπισκῆψαι τῇ Περσῶν ἀρχῇ ἐπεφήμιζεν.

Ἐν τούτῳ δὲ γενόμενος Βελισάριος ἐν Μεσοποταμίᾳ πανταχόθεν τὸν στρατὸν ἡγείρε, καὶ τινὰς ἐς τὰ Περσῶν ἦθη ἐπὶ κατασκοπῇ ἔπεμπε. [2] αὐτὸς δὲ τοῖς πολεμίοις ἐνταῦθα ὑπαντιάσαι βουλόμενος, ἥν τινα ἐσβολὴν ἐς Ῥωμαίων τὴν γῆν αὐθις ποιήσωνται, διεῖπτε τε αὐτοῦ καὶ διεκόσμει τοὺς στρατιώτας, γυμνοὺς τε καὶ ἀνόπλους ἐπὶ πλεῖστον ὄντας, κατωρρωδηκότας τὸ Περσῶν ὄνομα. [3] οἱ μὲν οὖν κατάσκοποι ἐπανήκοντες οὐδεμίαν τῶν πολεμίων ἰσχυρίζοντο ἐν τῷ παρόντι ἐσβολὴν ἔσεσθαι: πολέμου γὰρ Οὐννικοῦ ἀσχολίαν Χοσρόῃ ἐτέρωθι εἶναι. [4] Βελισάριος δὲ ταῦτα ἀκούσας παντὶ τῷ στρατῷ αὐτίκα ἐσβάλλειν ἐς τῶν πολεμίων τὴν γῆν ἤθελε. [5] καὶ οἱ Ἀρέθας τε ζὺν πολλῷ στρατῷ Σαρακηνῶν ἦλθε καὶ βασιλεὺς γράμματα γράψας ἐσβάλλειν κατὰ τάχος ἐς τὴν πολεμίων ἐπέστελλε γῆν. [6] ζυγκαλέσας οὖν ἅπαντας τοὺς ἄρχοντας ἐν Δάρας ἔλεξε τοιάδε Ἄπαντας ὑμᾶς, ὧ ξυνάρχοντες, πολέμων πολλῶν ἐμπείρους οἶδα, ξυνήγαγόν τε ἐν τῷ παρόντι, οὐχ ὅπως ὑπομνήσας ἢ παραίνεσίν τινα ποιησάμενος τὴν ὑμετέραν γνώμην ἐπὶ τοὺς πολεμίους ὀρμήσω ὅν γὰρ λόγου δεῖσθαι ὑμᾶς τοῦ ἐς εὐτολμίαν ἐνάγοντος οἶμαί, ἀλλ' ὅπως συμβουλὴν τινα ἔν γε ἡμῖν αὐτοῖς ποιησάμενοι ἐλώμεθα μᾶλλον ἢ περ ἂν δοκῇ βέλτιστά τε καὶ ἄριστα τοῖς βασιλέως πράγμασιν εἶναι. [7] πόλεμος γὰρ εὐβουλία πάντων μάλιστα κατορθοῦσθαι φιλεῖ. δεῖ δὲ τοὺς ἐς βουλὴν καθισταμένους αἰδοῦς τε καὶ φόβου παντάπασιν ἐλευθέραν ποιεῖσθαι τὴν γνώμην. [8] ὃ τε γὰρ φόβος, αἰεὶ τοὺς αὐτῷ περιπεπτωκότας ἐκπλήσσω, οὐκ ἔα τὴν διάνοιαν ἐλέσθαι τὰ κρείσσω, ἢ τε αἰδῶς ἐπισκιάζουσα τοῖς δόξασιν εἶναι ἀμείνοσιν ἐπὶ τὴν ἐναντίαν ἐκφέρει τὴν γνώσιν. [9] εἴ τι τοίνυν ἢ βασιλεῖ τῷ μεγάλῳ ἢ ἐμοὶ βεβουλευθῆναι ὑπὲρ τῶν παρόντων δοκεῖ, μηδὲν ὑμᾶς τοῦτο εἰσίστω. [10] ὁ μὲν γὰρ μακρὰν πού ἀπολελειμμένος τῶν πρassoμένων, [11] οὐκ ἔχει τοῖς καιροῖς ἀρμόσαι τὰς πράξεις: ὥστε φόβος οὐδεὶς ἀπ' ἐναντίας αὐτῷ ἰόντας τὰ ξυνοίσοντα ἐργάζεσθαι τοῖς αὐτοῦ πράγμασιν. [12] ἐμὲ δὲ ἄνθρωπόν τε ὄντα καὶ χρόνῳ μακρῷ ἐκ τῶν ἐσπερίων ἐνταῦθα ἐλθόντα μὴ οὐχὶ διαλαθεῖν τι τῶν δεόντων ἀδύνατον. [13] ὥστε οὐδὲν τὴν ἐμὴν γνώμην αἰδεσθέντας ὑμᾶς προσήκει διαρρήδην εἰπεῖν ὅσα ἂν ξυνοίσειεν ἡμῖν τε αὐτοῖς καὶ βασιλεῖ μέλλῃ. [14] τὸ

μὲν οὖν ἐξ ἀρχῆς ἐνθάδε ἦκομεν, ὃ ξυνάρχοντες, ὡς διακωλύοντες τὸν πολέμιον ἐσβολὴν τινα ἐς τὴν ἡμετέραν ποιήσασθαι, νῦν δέ, τῶν πραγμάτων ἡμῖν ἄμεινον ἢ κατ' ἐλπίδας κεχωρηκότων, πάρεστι περὶ τῆς ἐκείνου βουλευέσθαι. [15] ἐφ' ᾧ δὴ ξυνειλεγμένους ὑμᾶς δίκαιον, οἶμαι, οὐδὲν ὑποστειλαμένους εἰπεῖν ἅπερ ἂν ἄριστα τε δοκῇ καὶ ξυμφορώτατα ἐκάστω εἶναι.' [16] Βελισάριος μὲν τοσαῦτα εἶπε. Πέτρος δὲ καὶ Βούζης ἐξηγεῖσθαι τῷ στρατῷ οὐδὲν μελλήσοντα ἐπὶ τὴν πολεμίαν ἐκέλευον. ὧν δὴ τῇ γνώμῃ εἶποντο εὐθύς ὁ ξύλλογος ἅπας. [17] Ῥεκίθαγγος μέντοι καὶ Θεόκτιστος, οἱ τῶν ἐν Λιβάνῳ στρατιωτῶν ἄρχοντες, ταῦτά μὲν τοῖς ἄλλοις ἀμφὶ τῇ ἐσβολῇ βούλεσθαι καὶ αὐτοὶ ἔφασαν, δεδιέναι δὲ μὴ σφῶν ἐκλελοιπότων τά τε ἐπὶ Φοινίκης καὶ Συρίας χωρία, κατ' ἐξουσίαν μὲν Αλαμούνδαρος ταῦτα ληΐζεται, βασιλεὺς δὲ σφᾶς δι' ὀργῆς ἔχοι, ἅτε οὐ φυλάξαντας ἀδῆφτον τὴν χώραν ἧς ἦρχον, καὶ δι' αὐτὸ συνεισβάλλειν τῷ ἄλλῳ στρατῷ οὐδαμῇ ἤθελον. [18] Βελισάριος δὲ τῷ ἄνδρῳ τοῦτω ὡς ἥκιστα ἀληθῆ οἶεσθαι ἔλεγε. τοῦ γὰρ καιροῦ τροπὰς θερινὰς εἶναι. ταύτης δὲ τῆς ὥρας δύο μάλιστα μῆνας ἀνάθημα τῷ σφετέρῳ θεῷ Σαρακηνοὺς ἐς αἰεὶ φέροντας ἐν ταύτῃ ἐπιδρομῇ τινι οὐποτε χρῆσθαι ἐς γῆν ἀλλοτρίαν. [19] διὸ δὴ ἐξήκοντα ἡμερῶν ὁμολογήσας ξὺν τοῖς ἐπομένοις ἅμω ἀφήσειν, ἐκέλευε καὶ αὐτοὺς ξὺν τῷ ἄλλῳ στρατῷ ἔπεσθαι. Βελισάριος μὲν οὖν τὰ ἐς τὴν ἐσβολὴν σπουδῇ πολλῇ ἐξηρτύετο.

Χοσρόης δὲ καὶ ὁ Μήδων στρατὸς, ἐπειδὴ τὴν Ἰβηρίαν ἀμείψαντες ἐν τοῖς τῆς Λαζικῆς ὁρίοις, τῶν πρέσβεων σφίσιν ἡγουμένων, ἐγένοντο, τὰ δένδρα οὐδενὸς ἀντιστατοῦντος ἐκτέμνοντες, ἅπερ ἐνταῦθα συχνά τε καὶ δεινῶς ἀμφιλαφεῖ τε καὶ ὑψηλὰ ἐν χωρίοις κρημνώδεσιν ὄντα παντάπασιν ἄβατον τῇ στρατιᾷ τὴν χώραν ἐποίει, ταῦτά τε ἐς τὰς δυσχωρίας ἐρρίπτουν καὶ ὅλως εὐπετὴ τὴν ὁδὸν ἀπειργάζοντο. [2] ἀφικομένοις τε αὐτοῖς ἐς μέσσην Κολχίδα 'οὗ δὴ τά τε ἀμφὶ Μήδειαν καὶ Ἰάσονα οἱ ποιηταὶ γεγενῆσθαι μυθολογοῦσιν' ἐλθὼν Γουβάζης, ὁ Λαζῶν βασιλεὺς, προσεκύνησεν ἅτε δεσπότην Χοσρόην τὸν Καβάδου, αὐτόν τε οἱ ξὺν τοῖς βασιλείοις καὶ Λαζικὴν ἐνδιδοὺς ἅπασαν. [3] Ὅστι δὲ Πέτρα πόλις ἐπιθαλασσία ἐν Κόλχοις, πρὸς τῷ Εὐξείνῳ καλουμένῳ πόντῳ, ἣν δὴ φαῦλόν τι χωρίον τὰ πρότερα οὔσαν Ἰουστινιανὸς βασιλεὺς τῷ τε περιβόλῳ καὶ τῇ ἄλλῃ κατασκευῇ ἐχυράν τε καὶ ἄλλως ἐπιφανῇ κατεστήσατο. [4] ἐνταῦθα τὸ Ῥωμαίων στράτευμα εἶναι ξὺν τῷ Ἰωάννῃ μαθὼν ὁ Χοσρόης στρατιάν τε καὶ στρατηγὸν Ἀνιαβέδην ὡς αὐτοβοεὶ ἐξελοῦντας ἐπ' αὐτοὺς ἔπεμψε. [5] γνοὺς δὲ Ἰωάννης τὴν ἔφοδον οὔτε τοῦ περιβόλου τινὰ ἔξω γενέσθαι οὔτε ἀπὸ τῶν ἐπάλξεων φανῆναι τοῖς πολεμίοις ἐκέλευσεν, ἀλλὰ πᾶν ἐξοπλίσας τὸ στράτευμα πλησίον πού τῶν πυλῶν ἔστησεν, ἐπιστείλας σιγῇ ἔχεσθαι, μήτε ἦχον μήτε φωνὴν ἀφιέντας τινά. [6] οἱ γοῦν Πέρσαι ἄγχιστά που τοῦ περιβόλου γενόμενοι, ἐπεὶ οὐδὲν σφίσι πολέμιον οὔτε καθεωρᾶτο οὐτ' ἠκούετο, ἔρημον ἀνδρῶν εἶναι τὴν πόλιν, Ῥωμαίων αὐτὴν ἐκλελοιπότων, ἐνόμιζον. [7] διὸ δὴ ἔτι μᾶλλον ἀμφὶ τὸν περιβόλον ἦλθον, ὡς κλίμακας εὐθύς, ἅτε οὐδενὸς ἀμυνομένου, [8] ἐπιθήσοντες. πολέμιόν τε οὐδὲν οὔτε ὀρῶντες οὔτε ἀκούοντες, πέμψαντες παρὰ Χοσροὴν τὰ παρόντα σφίσιν ἐδήλουν. [9] καὶ ὅς τὸ μὲν πλεῖστον τοῦ στρατοῦ πέμψας πανταχόθεν ἀποπειρᾶσθαι τοῦ περιβόλου ἐκέλευε, κριῶ τε

τῇ μηχανῇ ἀμφὶ τὰς πύλας χρῆσθαι τῶν τινι ἀρχόντων ἐπέστελλεν, ἐν δὲ τῷ λόφῳ καθήμενος ὃς δὴ τῇ πολει ὡς ἀγχοτάτῳ ἐπίκειται, θεατῆς τῶν πρασσομένων ἐγένετο. [10] αὐτίκα δὲ Ῥωμαῖοι τὰς τε πύλας ἀνέκλινον ἐκ τοῦ αἰφνιδίου καὶ ἀπροσδόκητοι ἐπιπεσόντες πλείστους τῶν πολεμίων διέφθειραν, καὶ μάλιστα τοὺς ἀμφὶ τὸν κριὸν τεταγμένους: οἱ δὲ λοιποὶ μόλις ξὺν τῷ στρατηγῷ διαφυγόντες ἐσώθησαν. [11] θυμῷ τε ὁ Χοσρόης ἐχόμενος Ἀνιαβέδην ἀνεσκολόπισεν, ἅτε καταστρατηγηθέντα πρὸς τοῦ Ἰωάννου, καπήλου τε καὶ ἀπολέμου τὸ παράπαν ἀνδρός. [12] τινὲς δὲ οὐκ Ἀνιαβέδην, ἀλλὰ τὸν ἄρχοντα ὃς δὴ ἐφειστήκει τοῖς τὸν κριὸν ἐνεργοῦσιν, ἀνασκολοπισθῆναί φασιν. [13] αὐτὸς δὲ ἄρας παντὶ τῷ στρατῷ ἀγχιστά τε τοῦ Πέτρας περιβόλου ἀφίκετο καὶ στρατοπεδευσάμενος ἐς πολιορκίαν καθίστατο. [14] τῇ δὲ ὑστεραία κύκλῳ περιῶν τὸν περιβόλον, ἐπεὶ οὐ λίαν ἀξιόμαχον αὐτὸν ὑπώπτευσεν εἶναι, τειχομαχεῖν ἔγνω. τὸ τε στράτευμα ὅλον ἐνταῦθα ἐπαγαγὼν ἔργου εἶχετο, καὶ τοξεύειν ἅπαντας ἐπὶ τὰς ἐπάλξεις ἐκέλευε. [15] Ῥωμαῖοι δὲ ἀμυνόμενοι ταῖς τε μηχαναῖς καὶ πᾶσιν ἐχρῶντο τοξεύμασι. τὰ μὲν οὖν πρῶτα Πέρσαι, καίπερ συχνὰ κομιδῇ βάλλοντες, ὀλίγα τε Ῥωμαίους ἐλύπουν καὶ πολλὰ πρὸς ἐκείνων, ἅτε ἀφ' ὑψηλοῦ βαλλόμενοι, [16] κακὰ ἔπασχον. ἔπειτα δὲ καὶ γὰρ ἔδει Πέτραν Χοσρόῃ ἀλῶναι βληθεὶς Ἰωάννης τύχη τινὶ ἐς τὸν τράχηλον θνήσκει, καὶ ἀπ' αὐτοῦ οἱ ἄλλοι Ῥωμαῖοι ἐς ὀλιγορίαν ἀπάντων κατέστησαν. [17] τότε μὲν οὖν οἱ βάρβαροι ἐς τὸ στρατόπεδον ἀνεχώρησαν: ἤδη γὰρ καὶ ξυνεσκόταζε: τῇ δὲ ὑστεραίᾳ διώρυχα ἐπὶ τὸν περίβολον ἐπενόουν τρόπῳ τοιῷδε. [18] Πέτρα ἢ πόλις πῇ μὲν ἐκ θαλάσσης ἀπρόσοδος ἐστὶ, πῇ δὲ ἐκ πετρῶν ἀποτόμων, αἱ ταύτη πανταχόθεν ἀνέχουσιν: ἀφ' οὗ δὴ καὶ τὴν προσηγορίαν ἔλαχε ταύτην. [19] μίαν δὲ εἴσοδον ἐν τῷ ὁμαλεῖ ἔχει, καὶ ταύτην οὐ λίαν εὐρεῖαν: κρημνοὶ γὰρ αὐτῆς ἐφ' ἐκάτερα ἐξαίσιοι ἀποκρέμανται. [20] ἐνταῦθα προορώμενοι τὰ πρότερα οἱ τὴν πόλιν δειμάμενοι μὴ σφίσι τὸ ἐκείνῃ τοῦ περιβόλου μέρος ἐπίμαχον εἴη, τείχη μακρὰ παρὰ τὸν κρημνὸν ἐκάτερον τῆς εἰσόδου ἐπὶ πλεῖστον πεποιήνται. [21] τούτων τε τῶν τειχῶν ἐκατέρωθι πύργους ἐτεκτίναντο δύο, οὐχ ἥπερ εἰώθει, ἀλλὰ τρόπῳ ἐτέρῳ. [22] κενὸν γὰρ τὸ ἐν μέσῳ τῆς οἰκοδομίας χωρίον οὐδαμῇ εἶασαν, ἀλλ' ὅλους ἐκ γῆς ἄχρι ἐς ὕψος μέγα τοὺς πύργους λίθοις παμμεγέθεσιν ἀλλήλων ἐχομένοις εἰργάσαντο, ὅπως δὴ κριῶ ἢ μηχανῇ ἄλλῃ ὥς ἥκιστα κατασεοιοῦντο. τὰ μὲν οὖν Πέτρας τοῦ περιβόλου ταύτη πῇ ἔχει. [23] Πέρσαι δὲ λάθρα ἐς τὴν γῆν κατῶρυχα ποιησάμενοι ἔνερθεν θατέρου τῶν πύργων ἐγένοντο, τῶν τε λίθων ἐνθένδε πολλοὺς ἐκφοροῦντες, ξύλα ἐς τὴν ἐκείνων ἐτίθεντο χώραν, ἅπερ ὀλίγῳ ὕστερον ἔκαυσαν. [24] ἣ τε φλόξ κατὰ βραχὺ αἰρομένη, διέθρυσεν μὲν τὴν τῶν λίθων ἰσχύν, ὅλον δὲ τὸν πύργον κατασείσασα ἐκ τοῦ αἰφνιδίου ἐς τὸ ἔδαφος καθεῖλεν αὐτίκα. [25] Ῥωμαῖοι δὲ οἱ ἐν τῷ πύργῳ ἦσαν τοσοῦτον τῶν ποιουμένων ἦσθοντο πρότερον, ὅσον αὐτῷ μὴ ξυμπεσεῖν ἐς τὸ ἔδαφος, ἀλλὰ φυγόντες ἐντὸς τοῦ τῆς πόλεως περιβόλου γενέσθαι. [26] παρῇν τε ἤδη τοῖς πολεμίοις ἐν τῷ ὁμαλεῖ τειχομαχοῦσι πόνῳ ἐν οὐδενὶ τὴν πόλιν κατὰ κράτος ἐλεῖν. [27] διὸ δὴ κατωρρωδηκότες Ῥωμαῖοι τοῖς βαρβάροις ἐς λόγους ἦλθον, καὶ τὰ πιστὰ ὑπὲρ τε τῶν σωμάτων καὶ τῶν χρημάτων πρὸς Χοσρόου λαβόντες, σφᾶς τε αὐτοὺς

καὶ τὴν πόλιν ὁμολογία παρέδωσαν. οὕτω μὲν Πέτρων Χοσρόης εἶλε. [28] καὶ τὰ μὲν Ἰωάννου χρήματα λίαν ἄδρὰ εὐρὼν αὐτὸς ἔλαβε, τῶν δὲ ἄλλων οὐδενὸς οὔτε αὐτὸς οὔτε τις τῶν Περσῶν ἤφατο, ἀλλὰ Ῥωμαῖοι τὰ σφέτερα αὐτῶν ἔχοντες τῷ Μήδων στρατῷ ἀνεμίγνυντο.

Ἐν τούτῳ δὲ Βελισάριος τε καὶ ὁ Ῥωμαίων στρατός, οὐδέν τι πεπυσμένοι ὦν ταύτῃ ἐπράσσετο, κόσμῳ πολλῷ ἐκ Δάρας πόλεως ἐπὶ Νίσιβιν ἦεισαν. [2] ἐπειδὴ δὲ τῆς ὁδοῦ κατὰ μέσον ἐγένοντο, Βελισάριος μὲν ἐν δεξιᾷ τὸ στρατεύμα ἤγεεν, οὗ δὴ πηγαί τε ὑδάτων διαρκεῖς ἦσαν καὶ πεδῖον ἅπασιν ἐνστρατοπεδεύσασθαι ἱκανῶς ἔχον. [3] ἐνταῦθα τε στρατόπεδον ἐκέλευε ποιεῖσθαι ὅσον ἀπὸ σταδίων δύο καὶ τεσσαράκοντα Νισίβιδος πόλεως. [4] οἱ δὲ ἄλλοι ξύμπαντες ἐν θαύματι μεγάλῳ ἐποιοῦντο, ὅτι δὴ οὐκ ἄγχιστα πῇ ἐθέλοι τοῦ περιβόλου στρατοπεδεύεσθαι, τινὲς δὲ ὥς ἤκιστα οἱ ἐπεσθαι ἤθελον. [5] διὸ δὴ Βελισάριος τῶν ἀρχόντων τοῖς ἀμφ' αὐτὸν οὖσιν ἔλεξεν ὧδε Ἑμοὶ μὲν οὐκ ἦν βουλομένῳ ἐς ἅπαντας ὅσα γινώσκω ἐξενεγκεῖν. λόγος γὰρ ἐν στρατοπέδῳ περιφερόμενος οὐκ οἶδε τηρεῖν τὰ ἀπόρρητα, ἐπεὶ κατὰ βραχὺ προῖων μέχρι καὶ ἐς τοὺς πολεμίους ἐκφέρεται. [6] ὁρῶν δὲ τοὺς τε πολλοὺς ὑμῶν ἀταξία πολλῇ εἰκοντας καὶ αὐτὸν ἕκαστον αὐτοκράτορα τοῦ πολέμου ἐθέλοντα εἶναι, λέξω τανῦν ἐν ὑμῖν ὅσα χρῆν σιωπᾶν, ἐκεῖνο μέντοι πρότερον ὑπειπὼν, ὥς πολλῶν ἐν στρατιᾷ γνώμη αὐτονόμῳ χρωμένων γενέσθαι τι τῶν δεόντων ἀδύνατον. [7] οἶμαι τοίνυν Χοσρόην ἐφ' ἐτέρους ἰόντα βαρβάρους ὥς ἤκιστα φυλακῆς τινος αὐτάρκους χωρὶς τὴν οἰκείαν ἀπολιπεῖν γῆν, ἄλλως τε καὶ τήνδε τὴν πόλιν, ἥ πρώτη τε τυγχάνει οὕσα καὶ πάσης τῆς ἐκείνου γῆς προβεβλημένη. [8] ἐν ἧ στρατιώτας εὖ οἶδα ὅτι τοσοῦτους τε τὸ πλῆθος καὶ τοιούτους τὴν ἀρετὴν κατεστήσατο ὥστε ἱκανοὺς εἶναι ταῖς παρ' ἡμῶν ἐφόδοις ἐμποδὼν στήσεσθαι. καὶ τὸ παράδειγμα ἐγγύθεν ὑμῖν. [9] Ναβέδην γὰρ στρατηγὸν τούτοις ἐπέστησεν, ὃς δὴ μετὰ γε τὸν Χοσρόην αὐτὸν δόξῃ τε καὶ τῷ ἄλλῳ ἀξιώματι πρῶτος ἐν Πέρσαις εἶναι δοκεῖ. [10] ὃν ἐγωγε οἶμαι καὶ ἀποπειράσεσθαι τῆς ἡμετέρας δυνάμεως καὶ τὴν πάροδον ἡμῖν οὐδενὶ ἄλλῳ τρόπῳ ἢ μάχῃ τινὶ πρὸς ἡμῶν ἡσσηθέντα ἐνδώσειν. [11] εἰ μὲν οὖν ἄγχιστα πού τῆς πόλεως ἢ ξυμβολὴ εἶη, οὐκ ἐκ τοῦ ἀντιπάλου ἡμῖν τε καὶ Πέρσαις ὁ ἀγὼν ἔσται. [12] αὐτοὶ γὰρ ἐκ τοῦ ἐχυροῦ ἐπεξιόντες εὐημερήσαντές τε, ἂν οὕτω τύχῃ, ἐπὶ πλεῖστον θαρρήσουσιν ἐπιθήσεσθαι, καὶ ἡσσηθέντες εὐπετῶς διαφεύξονται τὴν ἡμετέραν ἐπιθέσιν. [13] δι' ὀλίγου γὰρ ἡμῖν ἢ διώξις ἔσται καὶ τῇ πόλει ἐνθὲνδε οὐδὲν γενήσεται βλάβος, ἦν τοῖς τειχομαχοῦσιν ἀνάλωτον οὕσαν στρατιωτῶν αὐτῆς ἀμυνομένων ὁρᾶτε δήπου. [14] ἦν δέ γε τῶν πολεμίων ἐνταῦθα ἡμῖν ἐς χεῖρας ἰόντων κρατήσωμεν, τὴν πόλιν ἐξελεῖν πολλήν τινα, ᾧ ξυνάρχοντες, ἐλπίδα ἔχω. [15] φεύγουσι γὰρ τοῖς ἐναντίοις πολὺν τινα δρόμον ἢ ἀναμιχθέντες εἰσω πυλῶν, ὥς τὸ εἰκός, ξυνεισπεσούμεθα, ἢ προτερήσαντες αὐτοὺς μὲν ἐφ' ἐτέρας τινὸς ἀναγκάσομεν τετράφθαι τε καὶ διαφυγεῖν χώρας, ἡμῖν δὲ αὐτοῖς Νίσιβιν τῶν ἀμυνομένων χωρὶς εὐάλωτον καταστήσομεν.' [16] Ταῦτα Βελισαρίου εἰπόντος οἱ μὲν ἄλλοι πάντες ἐπειθοντό τε καὶ ξὺν αὐτῷ στρατοπεδευσάμενοι ἔμενον. Πέτρος δὲ Ἰωάννην ἐταιρισάμενος, ὃς τῶν ἐν Μεσοποταμία καταλόγων ἄρχων μοῖραν οὐ φαύλην τινὰ τοῦ στρατοῦ εἶχεν, οὐκ ἄποθεν τοῦ περιβόλου, ἀλλ' ὅσον ἀπὸ

σταδίων δέκα ἔλθων ἡσυχή ἔμενε. [17] Βελισάριος δὲ τοὺς τε ζὺν αὐτῷ ὥς εἰς παράταξιν ἔστησε καὶ τοῖς ἀμφὶ τὸν Πέτρου ἐπέστελλεν ὥς ἐπὶ ξυμβολῇ παρατάσσεσθαι μέχρι αὐτὸς σημήνη, εὖ τε εἰδέναι ὥς οἱ βάρβαροι περὶ μεσημβρίαν ἐπιθήσονται σφίσιν, ἐκεῖνο δηλονότι ἐν νῷ ἔχοντες, ὅτι δὴ αὐτοὶ μὲν τροφῆς ἐς δεῖλιν ὀψίαν μεταλαγχάνειν εἰώθασι, Ῥωμαῖοι δὲ ἀμφὶ μεσημβρίαν. [18] Βελισάριος μὲν ταῦτα παρήνει· οἱ δὲ ζὺν τῷ Πέτρῳ ἐν οὐδενὶ τὰς ἐντολὰς ποιησάμενοι ἀμφὶ τε ἡμέραν μέσσην τῷ ἡλίῳ ἀχθόμενοι ἔστι γὰρ τὸ χωρίον ἐπικεικῶς αὐχμῶδες· τὰ τε ὅπλα κατέθεντο καὶ τῶν πολεμίων ἀφροντιστήσαντες σικύους ἐνταῦθά πη φυομένους κόσμῳ οὐδενὶ περιόντες κατήσθιον. [19] ὅπερ κατιδὼν ὁ Ναβέδης δρόμῳ πολλῷ ἐπῆγεν ἐπὶ αὐτοὺς τὸ Περσῶν στράτευμα. [20] Ῥωμαῖοι δὲ ὅτι γὰρ ἔλαθον αὐτοὺς ἐκ τοῦ περιβόλου ἐξιόντες οἱ βάρβαροι, ἐπεὶ καθεωρῶντο λαμπρῶς ἅτε ἐν πεδίῳ ὑπτίῳ ἰόντες· παρὰ τε Βελισάριον ἔπεμπον, ἀμύνειν σφίσι παρακαλοῦντες, καὶ αὐτοὶ τὰ μὲν ὅπλα ἀνελόμενοι, [21] ἀκοσμία δὲ καὶ θυρόβῳ ἐχόμενοι ὑπηγνιάζον. οἱ δὲ ἀμφὶ Βελισάριον, οὕτω παρὰ σφᾶς τοῦ ἀγγέλου ἀφικομένου γνόντες διὰ τοῦ κονιορτοῦ τὴν Περσῶν ἔφοδον, ἐβοήθουν δρόμῳ. [22] ἐπελθόντες τε Πέρσαι Ῥωμαίους οὐχ ὑποστάντας τὴν ἔφοδον πόνῳ οὐδενὶ ἐς φυγὴν ἔτρεψαν, ἐπιστόμενοι δὲ πεντήκοντά τε διέφθειραν καὶ τὸ τοῦ Πέτρου σημεῖον ἀρπάσαντες ἔσχον. [23] ἅπαντάς τε ἂν ἐν ταύτῃ δὴ τῇ διώξει ἔκτειναν ἐς οὐδεμίαν ἀλκὴν ὀρώντας, εἰ μὴ Βελισάριός τε καὶ ὁ ζὺν αὐτῷ στρατὸς καταλαβὼν διεκώλυσε. [24] πρῶτους γὰρ ἀπάντων ζὺν δόρασι μακροῖς τε καὶ συχοῖς Γότθους ἐπιόντας Πέρσαι οὐχ ὑπομείναντες ἐς φυγὴν ὥρμηντο. [25] ἐπιστόμενοί τε Ῥωμαῖοι ζὺν Γότθοις πεντήκοντα καὶ ἑκατὸν ἔκτειναν. διὸ ὀλίγου γὰρ τῆς διώξεως γενομένης οἱ λοιποὶ κατὰ τάχος ἐντὸς τοῦ περιβόλου ἐγένοντο. [26] τότε μὲν οὖν Ῥωμαῖοι ζύμπαντες ἐς τὸ Βελισαρίου στρατόπεδον ἀπεχώρησαν, οἱ δὲ Πέρσαι τῇ ἐπιγινομένη ἡμέρᾳ ἐν πύργῳ τινὶ ἔστησαν ἀντὶ τροπαίου τὸ Πέτρου σημεῖον, ἀλλ᾽ ἀντάς τε αὐτοῦ ἀποκρεμάσαντες τοῖς πολεμίοις ζὺν γέλῳτι ἐπετάθασον, ἐπεξιέναι μέντοι οὐκέτι ἐτόλμων, ἀλλὰ τὴν πόλιν ἐν τῷ ἀσφαλεῖ διεφύλασσον.

Βελισάριός τε Νίσιβιν ὁρῶν ἐχυρὰν ὑπερφυῶς οὔσαν, ἐλπίδα αὐτῆς οὐδεμίαν ἔχων ἀλώσεως πέρι, πρόσω ἰέναι ἠπείγετο ὅπως τι ἐξ ἐπιδρομῆς τοῖς πολεμίοις λυμήνηται. [2] ἄρας τοίνυν παντὶ τῷ στρατῷ ἐπίπροσθεν ἦει. ἀνύσαντές τε ἡμέρας ὁδὸν φρουρίῳ ἐνέτυχον ὃ Σισαυράνων καλοῦσι Πέρσαι. [3] ἐνταῦθα πληθὸς τε οἰκητόρων ἦν καὶ ἱππεῖς ὀκτακόσιοι Περσῶν ἄριστοι φυλακὴν εἶχον, οἷς ἀνὴρ δόκιμος, Βλησχάμης ὄνομα, ἐφειστήκει. [4] Ῥωμαῖοι δὲ ἄγχιστά πη τοῦ φρουρίου στρατοπεδευσάμενοι ἐς πολιορκίαν καθίσταντο, προσβολὴν τε τῷ περιβόλῳ ποιησάμενοι ἀπεκρούσθησαν, [5] πολλοὺς τῇ μάχῃ ἀποβαλόντες. τὸ τε γὰρ τεῖχος ἐς ἅγαν ἐχυρὸν ἐτύγγανεν ὃν καὶ οἱ βάρβαροι καρτερώτατα ἐνθένδε τοὺς ἐπιόντας ἡμύνοντο. διὸ δὴ τοὺς ἄρχοντας ἅπαντας ξυγκαλέσας [6] Βελισάριος ἔλεξε τοιάδε· Ἐμπειρία πολέμων πολλῶν, ἄνδρες ἄρχοντες, δέδωκεν ἡμῖν ἐν τοῖς τῶν πραγμάτων ἀπόροις προορᾶν τε τὰ ξυμβησόμενα καὶ δυνατοῖς εἶναι πρὸ τῶν δεινῶν ἐλέσθαι τὰ κρείσσω. [7] ἐπίστασθε τοίνυν πηλίκον ἐστὶ κακὸν στράτευμα ἐς γῆν πολεμίαν, πολλῶν μὲν ὀχυρωμάτων, πολλῶν δὲ μαχίμων ἐν τούτοις ἀνδρῶν ὀπισθεν

ἀπολελειμμένων, [8] πορεύεσθαι. ὅπερ καὶ ἡμῖν ἔν γε τῷ παρόντι τετύχηκεν. ἐπίπροσθεν γὰρ ἰοῦσιν ἡμῖν ἐνθένδε τε καὶ ἐκ Νισίβιδος πόλεως ἐπόμενοι λάθρα τῶν πολεμίων τινὲς ἐν χωρίοις, ὡς τὸ εἰκός, κακουργήσουσιν ἐπιτηδεῖως αὐτοῖς πρὸς ἐνέδραν ἢ καὶ ἄλλην τινὰ ἐπιβουλὴν ἔχουσιν. [9] ἦν δέ πη καὶ ἄλλος ἀπαντήσῃ στρατὸς εἰς τε μάχην καθιστῶνται, πρὸς ἐκατέρους μὲν ἡμῖν ἀνάγκη τετάξεσθαι, πάθοιμεν δ' ἂν οὕτω πρὸς αὐτῶν τὰ ἀνήκεστα: ἐὼ γὰρ λέγειν ὡς καὶ πταίσαντες ἐν τῇ ξυμβολῇ, ἂν οὕτω τύχοι, ἐπάνοδον ἐς Ῥωμαίων τὴν γῆν οὐδεμιᾶ μηχανῇ τὸ λοιπὸν ἔξομεν. [10] μὴ τοίνυν ἀλογίστω σπουδῇ χρώμενοι ἐφ' ἡμᾶς αὐτοὺς ἐσκυλευκότες φαινώμεθα, μηδὲ τῷ φιλονείκῳ τὰ Ῥωμαίων πράγματα βλάψωμεν. τόλμα μὲν γὰρ ἀμαθὴς ἐς ὄλεθρον φέρει, μέλλησις δὲ σώφρων ἐς τὸ σώζειν αἰετὸς αὐτῇ χρωμένους ἱκανῶς πέφυκεν. [11] ἡμεῖς μὲν οὖν ἐνταῦθα ἐγκαθεζόμενοι ἐξελεῖν πειρώμεθα τὸ φρούριον τόδε, Ἀρέθας δὲ ζῦν τοῖς ἐπομένοις ἐς τὰ ἐπὶ Ἀσσυρίας χωρία στελλέσθω. [12] Σαρακηνοὶ γὰρ τειχομαχεῖν μὲν εἰσιν ἀδύνατοι φύσει, ἐς δὲ τὸ ληΐζεσθαι πάντων μάλιστα δεξιοί. [13] συνεισβαλοῦσι δὲ αὐτοῖς καὶ στρατιῶται τῶν μαχίμων τινὲς, ὅπως αὐτοὶ τε, μηδενὸς μὲν ἐναντιώματος σφίσι φανέντος, τὰ ἀνήκεστα τοὺς προσπεσόντας ἐργάσωνται, ἦν δέ τι ἀπαντήσῃ πολέμιον, εὐπετῶς ἀναχωροῦντες εἰς ἡμᾶς σώζονται. [14] καὶ ἡμεῖς ἐξελόντες, ἦν θεὸς θέλῃ, τὸ φρούριον, οὕτω δὴ παντὶ τῷ στρατῷ Τίγρην ποταμὸν διαβαίνωμεν, οὐ δεδιότες μὲν τοὺς ὀπισθεν κακουργήσοντας, εὖ δὲ εἰδότες ὅπῃ ποτὲ τοῖς Ἀσσυρίοις τὰ πράγματα ἔχει. [15] Ταῦτα εἰπὼν Βελισάριος εὖ τε λέγειν ἅπασιν ἔδοξε καὶ τὸ βούλευμα εὐθὺς ἐπετέλει. Ἀρέθαν τε ζῦν τοῖς ἐπομένοις ἐπὶ Ἀσσυρίας ἐκέλευεν ἰέναι καὶ αὐτοῖς στρατιώτας διακοσίους τε καὶ χιλίους ξυνέπεμψεν, ὧν δὴ οἱ πλεῖστοι τῶν ὑπασπιστῶν τῶν αὐτοῦ ἦσαν, δορυφόρους αὐτοῖς ἐπιστήσας δύο, Τραϊανόν τε καὶ Ἰωάννην τὸν Φαγᾶν καλούμενον, ἅμφω ἀγαθοὺς τὰ πολέμια. [16] καὶ αὐτοῖς μὲν Ἀρέθα πειθομένοις ἅπαντα πράσσειν ἐπέστελλεν, Ἀρέθαν δὲ ἅπαντα ἐκέλευε τὰ ἐν ποσὶ ληισάμενον οὕτω τε ἐς τὸ στρατόπεδον ἐπανήκοντα ἀπαγγέλλειν σφίσιν ὅποιά ποτε δυνάμεως πέρι τοῖς Ἀσσυρίοις τὰ πράγματα εἴη. [17] οἱ μὲν οὖν ἀμφὶ τὸν Ἀρέθαν Τίγρην ποταμὸν διαβάντες ἐν Ἀσσυρίοις ἐγένοντο. [18] οὗ δὴ χώραν τε ἀγαθὴν εὐρόντες καὶ μακροῦ χρόνου ἀδήωτον, ταύτην τε ἀφύλακτον οὔσαν, ἐξ ἐπιδρομῆς πολλὰ ληισάμενοι τῶν ἐκείνῃ χωρίων χρήματα μεγάλα περιεβάλλοντο. [19] τότε δὲ Βελισάριος τῶν τινὰς Περσῶν ξυλλαβόν, ἐνδεῖν τοῖς ἐν τῷ φρουρίῳ τὰ ἐπιτήδεια παντελῶς ἔμαθεν. [20] οὐ γάρ, ὥσπερ ἐν Δάρας τε καὶ Νισίβιδι πόλει, ἐν δημοσίῳ τὰς ἐπετείους τροφὰς ἀποτίθεσθαι νενομίκασιν, ἀλλὰ πολεμίων στρατοῦ ἀπροσδοκῆτου σφίσιν ἐπιπεσόντος ἐσκομισάμενοί τι τῶν ἀναγκαίων οὐκ ἔφθισαν. [21] ἄφρων δὲ πολλῶν ἐς τὸ φρούριον καταφυγόντων, τῶν ἐπιτηδείων τῇ ἀπορίᾳ, ὡς τὸ εἰκός, ἐπέζοντο. [22] ἃ δὴ Βελισάριος γνούς Γεώργιον ἔπεμψεν, ἄνδρα ξυνετώτατόν τε καὶ τῶν ἀπορρήτων αὐτῷ κοινωνοῦντα, ἀποπειρασόμενον τῶν ἐν ταύτῃ ἀνθρώπων, εἴ πως ὁμολογίᾳ τινὶ δύναιτο τὸ χωρίον ἐλεῖν. [23] Γεώργιος δὲ παραίνεσίν τε ποιησάμενος καὶ πολλὰ ἐς αὐτοὺς ἐπαγωγὰ εἰπὼν, ἔπεισε τὰ πιστὰ λαβόντας ἀμφὶ τῇ σωτηρίᾳ σφᾶς τε αὐτοὺς καὶ τὸ φρούριον ἐνδοῦναι Ῥωμαίοις. [24] οὕτω Βελισάριος τὸ Σισαυράνων ἐλὼν τοὺς μὲν οἰκήτορας ἅπαντας,

Χριστιανούς τε καὶ Ῥωμαίους τὸ ἀνέκαθεν ὄντας, ἀθόφους ἀφῆκε, τοὺς δὲ Πέρσας ξὺν τῷ Βλησχάμῃ ἐς Βυζάντιον ἔπεμψε, καὶ τὸν τοῦ φρουρίου περίβολον ἐς ἔδαφος καθεῖλε. [25] βασιλεὺς τε οὐ πολλῶ ὕστερον τούτους τε τοὺς Πέρσας καὶ τὸν Βλησχάμην ἐς Ἰταλίαν Γότθοις πολεμήσοντας ἔπεμψε. τὰ μὲν οὖν ἀμφὶ τῷ Σισαυράνων φρουρίῳ ταύτῃ ἐχώρησεν. [26] Ἀρέθας δέ, δεῖσας μὴ τὴν λείαν πρὸς Ῥωμαίων ἀφαιρεθεῖν, οὐκέτι ἀναστρέφειν ἐς τὸ στρατόπεδον ἠθέλε. [27] πέμψας οὖν τῶν οἱ ἐπομένων τινὰς ἐπὶ κατασκοπῇ δῆθεν τῷ λόγῳ, ἐκέλευε λάθρα ὡς τάχιστα ἐπανήκοντας σημῆναι σφίσιν ὅτι δὴ πολὺς τις πολεμίων στρατὸς ἀμφὶ τοῦ ποταμοῦ τὴν διάβασιν εἶη. [28] διὸ δὴ Τραϊανῷ τε καὶ Ἰωάννῃ παρήνει ἐτέρα ἰοῦσιν ὁδῷ ἐπανήκειν ἐς Ῥωμαίων τὴν γῆν. [29] παρὰ μὲν οὖν Βελισάριον οὐκέτι ἦλθον, ἔχοντες δὲ ποταμὸν Εὐφράτην ἐν δεξιᾷ οὕτω δὴ ἐς Θεοδοσιούπολιν τὴν πρὸς τῷ Ἀβόρρᾳ ποταμῷ ἴκοντο. [30] Βελισάριος δὲ καὶ ὁ Ῥωμαίων στρατὸς οὐδὲν περὶ τοῦ στρατεύματος τούτου πυθόμενοι ἤσχαλλον, ἔς τε δέος καὶ ὑποψίαν οὔτε φορητὴν τινα οὔτε μετρίαν ἐμπίπτοντες. [31] χρόνου τε σφίσιν ἐν ταύτῃ δὴ τῇ προσεδρεῖα τριβέντος συχνοῦ ξυνέβη πολλοῖς τῶν στρατιωτῶν πυρετῷ δυσκόλῳ ἐνταῦθα ἀλῶναι: αὐχμηρὰ γὰρ Μεσοποταμία ἢ Περσῶν κατήκοος ὑπερφυῶς ἐστίν. [32] οὐπερ ἀήθεις ὄντες Ῥωμαῖοι καὶ διαφερόντως οἱ ἐκ Θράκης ὀρμώμενοι, ἐν χωρίῳ ἐκτόπως αὐχμῶδει καὶ καλύβαις τισὶ πνιγηραῖς ὥρα θέρους δίαιταν ἔχοντες, ἐνόσησαν οὕτως ὥστε ἡμιθνήτες τὸ τριτημόριον τοῦ στρατοῦ ἔκειντο. [33] ἅπας μὲν οὖν ὁ στρατὸς ἐνθένδε τε ἀπαλλάσσεσθαι καὶ ὅτι τάχιστα ἐς τὴν οἰκείαν γῆν ἐπανήκειν ἐν σπουδῇ εἶχον, μάλιστα δὲ ἀπάντων οἱ τῶν ἐν Λιβάνῳ καταλόγων ἄρχοντες, Ῥεκίθαγγός τε καὶ Θεόκτιστος, ὀρῶντες ὅτι δὴ καὶ ὁ χρόνος τὸ Σαρακηνῶν ἀνάθημα παρῳήκεν ἤδη. [34] Βελισαρίῳ γοῦν συχνὰ προσιόντες ἐδέοντο σφᾶς αὐτίκα ἀφεῖναι, μαρτυρόμενοι ὡς Ἀλαμουνδάρῳ τά τε ἐπὶ Λιβάνου καὶ Συρίας χωρία ἐνδόντες κάθηνται αὐτοῦ οὐδενὶ λόγῳ. [35] Διὸ δὴ Βελισάριος ἅπαντας ξυγκαλέσας τοὺς ἄρχοντας βουλὴν προὔθηκεν. [36] οὗ δὴ ἀναστὰς πρῶτος. Ἰωάννης ὁ Νικήτου υἱὸς ἔλεξε τοιάδε ᾿Αριστε Βελισάριε, στρατηγὸν μὲν οὔτε τὴν τύχην οὔτε τὴν ἀρετὴν ἐκ τοῦ παντὸς χρόνου γεγενῆσθαι τοιοῦτον οἶμαι οἶος αὐτὸς εἶ. [37] δόξα τε αὕτη οὐ Ῥωμαίων κεκράτηκε μόνον, ἀλλὰ καὶ βαρβάρων ἀπάντων. [38] ταύτην μέντοι βεβαιότατα διαφυλάξεις τὴν εὐκλειαν, ἣν γε ζῶντας ἡμᾶς ἐς Ῥωμαίων τὴν γῆν διασώσασθαι δυνατὸς εἶης: ὡς νῦν γε ἡμῖν τὰ τῆς ἐλπίδος οὐκ ἐν καλῷ κεῖται. οὕτωσί γάρ μοι περὶ τοῦδε τοῦ στρατοῦ σκόπει. [39] Σαρακηνοὶ μὲν καὶ οἱ τῶν στρατιωτῶν μαχιμώτατοι Τίγρην ποταμὸν διαβάντες, ἡμέραν οὐκ οἶδα ὀπόστην ἄνω ἐς τοῦτο τύχης ἀφίκοντο ὥστε οὐδὲ ἄγγελον πέμψαι τινὰ παρ' ἡμᾶς ἴσχυσαν: Ῥεκίθαγγός τε καὶ Θεόκτιστος ἀποπορεύσονται, ὡς ὁρᾷς δήπουθεν, αὐτίκα δὴ μάλα τὸν Ἀλαμουνδάρου στρατὸν ἐν Φοίνιζι μέσοις εἶναι οἰόμενοι, ἄγοντά τε καὶ φέροντα ζύμπαντα τὰ ἐκείνῃ χωρία. [40] τῶν δὲ λειπομένων οἱ νοσοῦντές εἰσι τοσοῦτοι τὸ πλῆθος ὥστε τοὺς θεραπεύσοντάς τε καὶ κομιοῦντας ἐς Ῥωμαίων τὴν γῆν ἐλάσσους αὐτῶν παρὰ πολὺ τὸν ἀριθμὸν εἶναι. [41] τούτων δὲ τοιούτων ὄντων, ἣν τι ξυμβαίῃ πολέμιον ἢ αὐτοῦ μένουσιν ἢ ὀπίσω ἰοῦσιν ἡμῖν ἀπαντῆσαι, οὐδ' ἂν τις ἀπαγγεῖλαι τοῖς ἐν Δάρας Ῥωμαίοις δύναιτο τὸ ξυμπεσὸν πάθος. [42] τὸ γὰρ

ἐπίπροσθὲ πη ἰέναι οὐδὲ λόγῳ οἶμαι δυνατόν εἶναι. ἕως οὖν ἔτι λείπεται τις ἐλπίς, τὰ ἐς τὴν ἐπάνοδον βουλευέσθαι τε καὶ πράσσειν ξυνοίσει. [43] τοῖς γὰρ ἐς κίνδυνον ἄλλως τε καὶ τοιοῦτον καθεστηκόσι μὴ τὴν σωτηρίαν διασκοπεῖσθαι, ἀλλὰ τὴν ἐς [44] τοὺς πολεμίους ἐπιβουλὴν πολλὴ ἄνοια.’ τοσαῦτα Ἰωάννης τε εἶπε καὶ οἱ λοιποὶ πάντες ἐπήνεσαν, ἕς τε θόρυβον καθιστάμενοι τὴν ἀναχώρησιν κατὰ τάχος ποιεῖσθαι ἠξίου. [45] διὸ δὴ Βελισάριος πρότερον τοὺς νοσοῦντας ἐν τοῖς ὑποζυγίοις ἐνθέμενος, [46] ὑπήγεν ὀπίσω τὸ στράτευμα. ἐπειδὴ τε τάχιστα ἐν γῇ τῇ Ῥωμαίων ἐγένοντο, ἅπαντα μὲν τὰ τῷ Ἀρέθᾳ εἰργασμένα ἔγνω, δίκην μέντοι λαβεῖν οὐδεμίαν παρ’ αὐτοῦ ἴσχυσεν, ἐπεὶ οἱ ἐς ὅψιν οὐκέτι ἦλθεν. ἡ μὲν οὖν Ῥωμαίων ἐσβολὴ ἐς τοῦτο ἐτελεῦτα. [47] Χοσρόῃ δὲ Πέτρᾳ ἐλόντι Βελισάριος ἐσβάλων ἐς γῆν τὴν Περσίδα ἠγγέλλετο καὶ ἡ ἀμφὶ πόλιν Νίσιβιν ξυμβολή, φρουρίου τε τοῦ Σισαυράνων ἢ ἄλλωσις, καὶ ὅσα Τίγρην ποταμὸν διαβὰν τὸ ξὺν τῷ Ἀρέθᾳ στράτευμα ἔπρασεν. [48] αὐτίκα τε φυλακὴν ἐν τῇ Πέτρᾳ καταστησάμενος, ξὺν τῷ ἄλλῳ στρατῷ καὶ Ῥωμαίων τοῖς ἀλοῦσιν ἐς τὰ Περσῶν ἦθη ἀπῆλυνε. [49] ταῦτα μὲν ἐν τῇ δευτέρᾳ Χοσρόου ἐσβολῇ ξυνηνέχθη γενέσθαι. Βελισάριος δὲ βασιλεῖ ἐς Βυζάντιον μετάπεμπος ἐλθὼν διεχείμαζεν.

Ἄμα δὲ ἦρι ἀρχομένῳ Χοσρόῃς ὁ Καβάδου τὸ τρίτον στρατῷ μεγάλῳ ἐς γῆν τὴν Ῥωμαίων ἐσέβαλλε, ποταμὸν Εὐφράτην ἐν δεξιᾷ ἔχων. [2] Κάνδιδος δέ, ὁ Σεργιουπόλεως ἱερεὺς, ἐπειδὴ τὸν Μήδων στρατὸν ἄγχιστά που ἦκειν ἐπύθετο, δείσας περὶ τέ οἱ αὐτῷ καὶ τῇ πόλει, ἐπεὶ χρόνῳ τῷ ξυγκειμένῳ Χοσρόῃ τὰ ὁμολογημένα ὥς ἦκιστα ἐπετέλεσεν, ἐν τῷ τῶν πολεμίων στρατοπέδῳ γενόμενος παρητεῖτο Χοσρόῃν μὴ οἱ διὰ ταῦτα χαλεπῶς ἔχειν. [3] χρήματα μὲν γὰρ οὐδεπώποτε αὐτῷ γεγονέναι, καὶ διὰ τοῦτο ἀρχὴν οὐδὲ βεβουλῆσθαι Σουρηνοὺς ῥύεσθαι, βασιλέα δὲ Ἰουστινιανὸν ὑπὲρ τούτων πολλὰ ἱκετεύσας ἀνόνητος αὐτοῦ γεγενῆσθαι. [4] Χοσρόῃς δὲ αὐτὸν ἐν φυλακῇ ἔσχε, καὶ τὸ σῶμα πικρότατα αἰκιζόμενος διπλάσια τὰ χρήματα, ἥπερ ξυνέκειτο, πράττειν ἠξίου. [5] ὁ δὲ αὐτὸν ἐς Σεργιούπολιν τινας ἱκέτευε πέμψαι τὰ κειμήλια ξύμπαντα τοῦ ἐνταῦθα ἱεροῦ ληγομένων. [6] καὶ ἐπεὶ κατὰ ταῦτα ὁ Χοσρόῃς ἐποίει, τῶν οἱ ἐπομένων τινὰ ὁ Κάνδιδος ξὺν αὐτοῖς ἔπεμψεν. [7] οἱ μὲν οὖν Σεργιουπολῖται τοὺς παρὰ Χοσρόου σταλέντας τῇ πόλει δεξάμενοι τῶν κειμηλίων πολλὰ ἔδοσαν, ἄλλο οὐδὲν σφίσιν ἀπολελειφθαι ἰσχυρίζόμενοι. [8] Χοσρόῃς δὲ ταῦτά οἱ ἀποχρῆν οὐδαμῇ ἔφη, ἀλλ’ ἕτερα τούτων πλείω λαβεῖν ἐδίκαιον. [9] πέμπει τοίνυν τινὰς τῷ μὲν λόγῳ διερευνησομένους ἐς τὸ ἀκριβὲς τὰ τῆς πόλεως χρήματα, ἔργῳ δὲ τὴν πόλιν καθέξοντας. [10] καὶ ἐπεὶ οὐκ ἔδει Σεργιούπολιν Πέρσαις ἀλῶναι, τῶν τις Σαρακηνῶν Χριστιανὸς μὲν, ταπτόμενος δὲ ὑπὸ Ἀλαμουνδάρῳ, Ἄμβρος ὄνομα, νύκτωρ παρὰ τῆς πόλεως τὸ τεῖχος ἦκων καὶ τὸν πάντα λόγον ἀγγείλας, ἐκέλευε Πέρσας τῇ πόλει μηδαμῇ δέξασθαι. [11] οὕτω τε οἱ παρὰ Χοσρόου σταλέντες ἄπρακτοι ἐς αὐτὸν ἐπανῆλθον, καὶ ὃς τῷ θυμῷ ζέων τὴν πόλιν ἐξελεῖν διανοεῖτο. [12] στράτευμα οὖν ἐς ἐξακισχιλίους στείλας ἐκέλευεν ἕς τε πολιορκίαν καθίστασθαι καὶ προσβολὰς τῷ περιβόλῳ ποιήσασθαι. [13] καὶ οἱ μὲν ἐνταῦθα γενόμενοι ἔργου εἶχοντο, Σεργιουπολῖται δὲ καρτερῶς μὲν τὰ πρῶτα ἡμύνοντο, ἔπειτα δὲ ἀπειπόντες τε καὶ κατωρρωδικότες τὸν

κίνδυνον ἐβουλεύοντο τοῖς πολεμίοις τὴν πόλιν ἐνδύοναι. [14] στρατιώτας γὰρ οὐ πλέον ἢ διακοσίους ἔχοντες ἔτυχον. ἀλλὰ Ἀμβρος, αὐθις παρὰ τὸν περίβολον ἐς νύκτα ἦκων, δυοῖν ἡμέραιν τὴν πολιορκίαν διαλύσειν Πέρσας ἔφασκε, τοῦ ὕδατος αὐτοὺς παντάπασιν ἐπιλιπόντος. [15] διὸ δὴ αὐτοὶ μὲν ἐς λόγους τοῖς πολεμίοις οὐδαμῇ ἦλθον, οἱ δὲ βάρβαροι δῖφει ἐχόμενοι ἐξανέστησάν τε καὶ παρὰ Χοσρόην ἀφίκοντο. Κάνδιδον μέντοι Χοσρόης οὐκέτι ἀφῆκε. [16] χρῆν γάρ, οἶμαι, αὐτὸν τὰ ὁμομοσμένα ἡλογηκότα ἱερέα μηκέτι εἶναι. ταῦτα μὲν οὖν τῇδε ἐχώρησεν. [17] Ἐπεὶ δὲ εἰς τὴν Κομμαγηνῶν χώραν ὁ Χοσρόης ἀφίκετο, ἦν καλοῦσιν Εὐφρατησίαν, ἐς λείαν μὲν ἢ χωρίου του ἄλωσιν τρέπεσθαι οὐδαμῇ ἤθελεν, ἐπεὶ τὰ ἐν ποσὶ μέχρι ἐς Σύρους τὰ μὲν ἐξελών, τὰ δὲ ἀργυρολογήσας πρότερον ἔτυχεν, ὥσπερ ἐν τοῖς ἔμπροσθεν λόγοις δεδήλωται. [18] γνώμην δὲ εἶχεν εὐθὺ Παλαιστίνης ἄγειν τὸ στράτευμα, ὅπως τὰ τε ἄλλα καὶ τὰ ἐν Ἱεροσολύμοις κειμήλια πάντα λήσῃται. χώραν γὰρ ταύτην ἀγαθὴν τε διαφερόντως καὶ πολυχρύσων οἰκητόρων εἶναι ἀκοῇ εἶχε. [19] Ῥωμαῖοι δὲ ἅπαντες, ἄρχοντές τε καὶ στρατιῶται, τοῖς μὲν πολεμίοις ὑπαντιάζειν ἢ τῇ παρόδῳ ἐμποδῶν ἵστασθαι τρόπῳ οὐδενὶ διεννοοῦντο, τὰ δὲ ὀχυρώματα καταλαβόντες ὡς ἕκαστος ἡδύνατο, ἀποχρῆν φοντο ταῦτά τε διαφυλάσσειν καὶ αὐτοὶ σώζεσθαι. [20] Γνούς δὲ τὴν Περσῶν ἔφοδον Ἰουστινιανὸς βασιλεὺς Βελισάριον αὐθις ἐπ' αὐτοὺς ἔπεμψεν. ὁ δὲ ἵπποις τοῖς δημοσίοις ὀχούμενος, οὓς δὴ βερέδους καλεῖν νενομίκασιν, ἄτε οὐ στράτευμα ζύν αὐτῷ ἔχων, τάχει πολλῷ ἐς Εὐφρατησίαν ἀφίκετο, Ἰούστος δέ, ὁ βασιλέως ἀνεψιός, ἐν Ἱεραπόλει ζύν τε τῷ Βούξῃ καὶ ἑτέροις τισὶ καταφυγὼν ἔτυχεν. [21] οἱ δὴ Βελισάριον οὐ μακρὰν ἄποθεν ἦκειν ἀκούσαντες γράμματα πρὸς αὐτὸν ἔγραφον: [22] ἐδήλου δὲ ἡ γραφὴ τάδε 'Καὶ νῦν ὁ Χοσρόης, ὥσπερ οἴσθ᾽ αὖτε καὶ αὐτός, ἐπὶ Ῥωμαίους ἐστράτευσε, στρατὸν μὲν πολλῷ πλείονα ἢ πρότερον ἄγων, ὅπῃ ποτὲ δὲ ἰέναι διανοούμενος οὐπὼ ἐνδηλος ὢν, πλήν γε δὴ ὅτι αὐτὸν ἄγχιστ' αὖτε ἀκούομεν εἶναι, χωρίῳ μὲν οὐδενὶ λυμηνάμενον, ὁδῷ δὲ αἰεὶ ἐπίπροσθεν ἰόντα. [23] ἀλλ' ἦκε παρ' ἡμᾶς ὅτι τάχιστα, εἴπερ οἶός τε εἴ λαθεῖν τὸ τῶν πολεμίων στρατόπεδον, ὅπως δὴ σῶς τε αὐτὸς βασιλεὺς ἔσῃ καὶ Ἱεράπολιν [24] ἡμῖν ξυμφυλάξης.' τοσαῦτα μὲν ἡ γραφὴ ἐδήλου. Βελισάριος δὲ οὐκ ἐπαινέσας τὰ γεγραμμένα ἐς Εὐρωπὸν τὸ χωρίον ἀφίκετο, ὃ πρὸς Εὐφράτη ποταμῷ ἐστίν. [25] ἐνθὲνδε τε περιπέμπων πανταχόσε τὸν στρατὸν ἠγείρει καὶ αὐτοῦ τὸ στρατόπεδον κατεστήσατο, ἄρχοντάς τε τοὺς ἐν Ἱεραπόλει ἡμείβετο τοῖσδε, 'Εἰ μὲν ἐφ' ἑτέρους ἀνθρώπων τινάς, ἀλλ' οὐ Ῥωμαίων κατηκόους ὁ Χοσρόης χωρεῖ, εὖ τε καὶ ὡς ἀσφαλέστατα ὑμῖν βεβούλευται ταῦτα: [26] οἷς γὰρ πάρεστιν ἡσυχῇ μένουσιν ἀπηλλάχθαι κακῶν, πολλὴ ἄνοια ἐς κίνδυνον οὐκ ἀναγκαῖόν τινα ἰέναι: εἰ δὲ νῦν ἐνθὲνδε ἀπαλλαγεῖς ὁ βάρβαρος οὗτος ἑτέρα τινὶ ἐπισκῆπυ βασιλέως Ἰουστινιανοῦ χώρα, καὶ ταύτῃ διαφερόντως μὲν ἀγαθῇ, φρουρὰν δὲ οὐδαμῇ στρατιωτῶν ἐχούσῃ, εὖ ἴστε ὅτι τὸ ζῆν τῇ ἀρετῇ ἀπολωλέναι τοῦ σεσῶσθαι ἀμαχητὶ τῷ παντὶ ἄμεινον. [27] οὐ γὰρ ἂν σωτηρία τοῦτό γε, ἀλλὰ προδοσία δικαίως καλοῖτο. ἀλλ' ἦκετε ὅτι τάχιστα ἐς τὸν Εὐρωπὸν, οὗ δὴ συλλέξας τὸ στράτευμα ὅλον ὅσα ἂν ὁ θεὸς διδῷ [28] ἐλπίδα ἔχω τοὺς πολεμίους ἐργάσασθαι.' ταῦτα ἐπεὶ ἀπενεχθέντα οἱ ἄρχοντες εἶδον, ἐθάρρησάν τε καὶ

Ἰουῆστον μὲν ξὺν ὀλίγοις τισὶν αὐτοῦ ἔλιπον ἐφ' ᾧ τὴν Ἱεράπολιν φυλάξουσιν,
οἱ δὲ λοιποὶ τῷ ἄλλῳ στρατῷ εἰς Εὐρώπὸν ἦλθον.

Χοσρόης δὲ μαθὼν Βελισάριον παντὶ τῷ Ῥωμαίων στρατῷ ἐστρατοπεδεῦσθαι ἐν Εὐρωπῇ, πρόσω μὲν ἐλαύνειν οὐκέτι ἔγνω, τῶν δὲ βασιλικῶν γραμματέων ἓνα, Ἀβανδάνην ὄνομα, δόξαν ἐπὶ ξυνέσει πολλὴν ἔχοντα, παρὰ Βελισάριον ἔπεμψε, τὸν στρατηγὸν ὁποῖός ποτε εἶη κατασκευόμενον, τῷ δὲ λόγῳ μεμψόμενον ὅτι δὴ βασιλεὺς Ἰουστινιανὸς τοὺς πρέσβεις ἐς Πέρσας ἥκιστα πέμψειεν, ἐφ' ᾧ τὰ ἀμφὶ τῇ εἰρήνῃ κατὰ τὰ ξυγκείμενα πρυτανεύσωσιν. ὅπερ μαθὼν Βελισάριος ἐποίει τοιαῦτα. [2] αὐτὸς μὲν ἐξακισχιλίους ἀπολεξάμενος ἄνδρας εὐμήκεις τε καὶ τὰ σώματα καλοὺς μάλιστα, μακρὰν που ἄποθεν τοῦ στρατοπέδου ὡς κυνηγετήσων ἐστάλη, Διογένην δὲ τὸν δορυφόρον καὶ Ἀδόλιον τὸν Ἀκακίου, ἄνδρα Ἀρμένιον γένος, βασιλεῖ μὲν αἰεὶ ἐν παλατίῳ τὰ ἐς τὴν ἡσυχίαν ὑπηρετοῦντα ὁ σιλεντιάρχους Ῥωμαῖοι καλοῦσιν οἷς ἡ τιμὴ αὕτη ἐπικείται, τότε δὲ Ἀρμενίων τινῶν ἄρχοντα, τὸν ποταμὸν διαβάνας ξὺν ἱππεῦσι χιλίοις περιεῖναι τὴν ἐκείνη ἡῖονα ἐκέλευε, δόκησιν αἰεὶ παρεχομένους τοῖς πολεμίοις ὡς, ἦν ἐθέλωσι τὸν Εὐφράτην διαβάντες ἐπὶ τὰ σφέτερα αὐτῶν ὁδῷ ἵεναι, οὐ μὴποτε ἐπιτρέψουσι. καὶ οἱ μὲν κατὰ ταῦτα ἐποίουν. [3] Βελισάριος δέ, ἐπεὶ τὸν πρεσβευτὴν ἄγχιστά πη ἐπέπυστο εἶναι, καλύβην ἐκ παχειῶν τινῶν σινδόνων πηξάμενος, ἦν δὴ παπυλεῶνα καλεῖν νενομίκασιν, ἐκάθητο ἐκεῖ, ὥσπερ ἐν χωρίῳ ἐρήμῳ, παραδηλὼν ὅτι δὴ οὐδεμιᾷ παρασκευῇ ἐνταῦθα ἦκοι. [4] τοὺς δὲ στρατιώτας διέταξεν ὥδε. τῆς μὲν καλύβης ἐφ' ἐκάτερα Θρᾶκές τε καὶ Ἰλλυριοὶ ἦσαν, Γότθοι δὲ μετ' αὐτοῦς, καὶ τούτων ἐχόμενοι Ἑρουλοὶ, μεθ' οὓς Βανδίλοι τε καὶ Μαυρούσιοι ἦσαν. [5] τοῦ τε πεδίου ἐπὶ πλεῖστον διήκον. οὐ γὰρ ἐστῶτες ἐπὶ χώρας αἰεὶ τῆς αὐτῆς ἔμενον, ἀλλὰ διεστηκότες τε ἀπ' ἀλλήλων καὶ περιπάτους ποιοῦμενοι παρέργως τε καὶ ὡς ἥκιστα κατεσπουδασμένως ἐς τὸν Χοσρόου πρεσβευτὴν ἔβλεπον. [6] εἶχε δὲ αὐτῶν οὐδεὶς οὔτε χλαμύδα οὔτε ἄλλην ἐπωμίδα τινά, ἀλλὰ χιτῶνας μὲν λινοῦς καὶ ἀναξυρίδας ἀμπεχόμενοι, εἴτα διεζωσμένοι ἐβάδιζον. [7] εἶχε δὲ τὴν τοῦ ἵππου μάλιστα ἕκαστος, ὅπλον δὲ τῷ μὲν ξίφος ἦν, τῷ δὲ πέλεκος, τῷ δὲ τόξα γυμνά. [8] δόκησιν τε παρείχοντο ἅπαντες ὅτι δὴ ἀφροντιστήσαντες τῶν ἄλλων ἀπάντων κυνηγετήσιν ἠπείγοντο. [9] ὁ μὲν οὖν Ἀβανδάνης Βελισαρίῳ ἐς ὅσιν ἦκων δεινὰ ποιεῖσθαι τὸν βασιλέα Χοσρόην ἔφη, ὅτι δὴ καθὰ ξυνέκειτο πρότερον οὐ πέμψει παρ' αὐτὸν τοὺς πρέσβεις ὁ Καῖσαρ 'οὕτω γὰρ τὸν Ῥωμαίων βασιλέα καλοῦσι Πέρσαι καὶ ἀπ' αὐτοῦ ὁ Χοσρόης ἠνάγκαστο ἐς γῆν τὴν Ῥωμαίων ἐν ὅλοις ἦκειν. [10] Βελισάριος δὲ οὔτε κατορρωδήσας, ἄτε πη ἄγχιστα ἐστρατοπεδευμένων βαρβάρων τοσοῦτων τὸ πλῆθος, οὔτε τῷ λόγῳ ἐς ταραχὴν τινα καταστάς, ἀλλὰ γελῶντί τε καὶ ἀνειμένῳ τῷ προσώπῳ ἀμείβεται 'Οὐ ταύτη' λέγων 'ἢ τῷ Χοσρόῃ τανῦν εἵργασται νενόμισται τοῖς ἀνθρώποις τὰ πράγματα. [11] οἱ μὲν γὰρ ἄλλοι, ἦν τι ἀντιλέγοιτο σφίσι τε καὶ τῶν πέλας τισί, πρεσβεύουσι μὲν ἐς αὐτοὺς πρότερον, ἐπειδὰν δὲ τῶν μετρίων μὴ τύχωσιν, οὕτω δὴ πολέμῳ ἐπ' αὐτοὺς ἴασιν. [12] ὁ δὲ γενόμενος ἐν μέσοις Ῥωμαίοις, εἴτα τοὺς ὑπὲρ τῆς εἰρήνης προτείνεται λόγους.' ὁ μὲν τοσαῦτα εἰπὼν τὸν πρεσβευτὴν ἀπεπέμψατο. [13] Ὁ δὲ παρὰ Χοσρόην γενόμενος παρήνει οἱ ὅτι τάχιστα ἀπαλλάσσεσθαι. [14] στρατηγῷ τε γὰρ ἐντυχεῖν ἔφη ἀνδρειοτάτῳ τε καὶ ξυνετωτάτῳ ἀνθρώπων ἀπάντων καὶ στρατιώταις οἴους

ἄλλους αὐτὸς οὐ πάποτε εἶδεν, ὧν δὴ τὴν εὐκοσμίαν θαυμάσειε μάλιστα πάντων, εἶναι τε οὐκ ἐξ ἀντιπάλου τοῦ κινδύνου αὐτῷ τε καὶ Βελισαρίῳ τὴν ἀγωνίαν, διαφέρειν δέ, ὅτι νικήσας μὲν αὐτὸς τὸν Καῖσαρος νικήσει δοῦλον, ἡσηθηεὶς δέ, ἂν οὕτω τύχοι, μέγα τι αἴσχος τῇ τε βασιλείᾳ πορίσεται καὶ τῷ Περσῶν γένει, καὶ Ῥωμαῖοι μὲν νενικημένοι ῥαδίως ἂν ἔν τε ὀχυρώμασι καὶ γῇ τῇ αὐτῶν διασώζοιντο, αὐτῶν δέ, ἣν γέ τι ἐναντίωμα ξυμβαίη, οὐδ' ἂν ἄγγελος διαφύγοι ἐς τὴν Περσῶν χώραν. [15] ταύτῃ ὁ Χοσρόης ἀναπεισθεὶς τῇ ὑποθήκῃ ἀναστρέφειν μὲν ἐς τὰ Περσῶν ἦθη ἐβούλετο, ἀμηχανία δὲ πολλῇ εἶχετο. [16] τὴν τε γὰρ διάβασιν τοῦ ποταμοῦ πρὸς τῶν πολεμίων φυλάσσεσθαι ὤφειτο καὶ ὁδῷ τῇ αὐτῇ, ἐρήμῳ ἀνθρώπων παντάπασιν οὕσῃ, ὅπισω ἀπελαύνειν οὐχ οἷός τε ἦν, ἐπεὶ ἅπαντα σφᾶς τὰ ἐπιτήδεια ἤδη ἐπιλελοίπει ἅπερ τὸ πρότερον ζῶν αὐτοῖς ἔχοντες ἐς γῆν τὴν Ῥωμαίων ἐσέβαλον. [17] τέλος δὲ πολλὰ λογισαμένῳ ξυμφορώτατόν οἱ ἔδοξεν εἶναι μάχῃ διακινδυνεύσαντι ἐς γῆν τε τὴν ἀντιπέραν ἥκειν καὶ διὰ χώρας πᾶσιν εὐθηνούσης τοῖς ἀγαθοῖς τὴν πορείαν ποιήσασθαι. [18] Βελισάριος δὲ εὖ μὲν ἡπίστατο ὥς οὐδ' ἂν δέκα μυριάδες ἀνδρῶν τὴν διάβασιν Χοσρόῃ ἀναχαιτίζειν ποτὲ ἱκαναὶ εἴεν: 'ὁ τε γὰρ ποταμὸς πολλαχῇ τῶν ταύτῃ χωρίων ναυσὶ διαβατὸς ὧν ἐπὶ πλείστον τυγχάνει, καὶ κρεῖσσον ἦν ἄλλως τὸ Περσῶν στράτευμα ἢ πρὸς πολεμίων ὀλίγων τινῶν τῆς διαβάσεως ἀποκεκλειῖσθαι: τοῖς δὲ ἀμφὶ Διογένην τε καὶ Ἀδόλιον σὺν τοῖς χιλίοις ἐπέστελλε τὰ πρῶτα περυνέαι τὴν ἐκείνῃ ἀκτὴν, ὅπως δὴ ἐς ταραχὴν ἀφασίᾳ τινὶ τὸν βάρβαρον καταστήσονται. [19] ὄνπερ δεδιζάμενος, ὥσπερ μοι ἐρρήθη, ἔδεισε μὴ τι αὐτῷ ἐμπόδισμα, ὥσπερ μοι ἐρρήθη, ἔδεισε μὴ τι αὐτῷ ἐμπόδισμα εἶη ἀπαλλάσσεσθαι ἐκ τῆς Ῥωμαίων γῆς. [20] λόγου τέ οἱ πολλοῦ ἄξιον ἐφαίνετο εἶναι ἐξελάσαι ἐνθένδε τὸν Χοσρόου στρατόν, οὐδεμιᾷ κινδυνεύσαντι μάχῃ πρὸς μυριάδας βαρβάρων πολλὰς ζῶν στρατιώταις λίαν τε ὀλίγοις οὗσι καὶ ἀτεχνῶς κατεπτηχόσι τὸν Μήδων στρατόν. διὸ δὴ ἐκέλευε Διογένην τε καὶ Ἀδόλιον ἡσυχῇ μένειν. [21] Ὁ γοῦν Χοσρόης γέφυραν σὺν πολλῷ τάχει πηξάμενος, ποταμὸν Εὐφράτην ἐκ τοῦ αἰφνιδίου διέβη παντὶ τῷ στρατῷ. [22] Πέρσαις γὰρ πόνῳ οὐδενὶ διαβατοὶ εἰσι ποταμοὶ ἅπαντες, ἐπεὶ αὐτοῖς ὁδῷ ἰοῦσιν ἀγκιστροειδῇ σιδήρια ἐν παρασκευῇ ἐστίν, οἷς δὴ ξύλα μακρὰ ἐς ἄλληλα ἐναρμόζοντες γέφυραν αὐτοσχεδιάζουσιν ἐκ τοῦ παραυτίκα ὅπῃ ἂν σφίσι βουλομένοις εἶη. [23] ἐπεὶ δὲ τάχιστα γέγονεν ἐν τῇ ἀντιπέραν ἡπείρῳ, πέμψας παρὰ Βελισάριον αὐτὸς μὲν Ῥωμαίοις κεχαρίσθαι τοῦ Μήδων στρατοῦ τὴν ἀναχώρησιν ἔφασκε, προσδέχεσθαι δὲ τοὺς παρ' αὐτῶν πρέσβεις, οὓς σφίσι παρέσεσθαι οὐκ ἐς μακρὰν ἄξιον εἶναι. [24] Βελισάριος δὲ παντὶ καὶ αὐτὸς τῷ Ῥωμαίων στρατῷ τὸν Εὐφράτην ποταμὸν διαβάς παρὰ Χοσρόην εὐθὺς ἐπεμψεν. [25] οἱ, ἐπεὶ παρ' αὐτὸν ἴκοντο, πολλὰ τῆς ἀναχωρήσεως ἐπαινέσαντες, πρέσβεις ἐς αὐτὸν ἤξουν παρὰ βασιλέως αὐτίκα δὴ μάλα ὑπέσχοντο, οἱ δὴ τὰ ἀμφὶ τῇ εἰρήνῃ ξυγκείμενα πρότερον ἔργῳ ἐπιτελῇ πρὸς αὐτὸν θήσονται. [26] ἡξιοῦν τε διὰ Ῥωμαίων ἅτε φίλων αὐτῷ τῇ πορείᾳ χρῆσθαι. ὁ δὲ καὶ ταῦτα ὑπεδέχετο ἐπιτελέσειν, εἴ τινά οἱ δοῖεν τῶν δοκίμων ἐν ὁμήρων λόγῳ ἐπὶ ταύτῃ τῇ ὁμολογίᾳ, ἐφ' ᾧ τὰ ξυγκείμενα πράξουσιν. [27] οἱ μὲν οὖν πρέσβεις παρὰ Βελισάριον ἐπανάγοντες τοὺς Χοσρόου λόγους ἀπήγγελλον, ὁ δὲ εἰς τὴν

Ἐδεσσαν ἀφικόμενος Ἰωάννην τὸν Βασιλείου παῖδα, γένει τε καὶ πλούτῳ πάντων τῶν Ἐδεσησίων διαφανέστατον, ὄμηρον τῷ Χοσρόῃ οὐτὶ ἐκούσιον εὐθὺς ἔπεμψε. [28] Ῥωμαῖοι δὲ Βελισάριον ἐν εὐφημίαις εἶχον, μᾶλλον τε σφίσιν ὁ ἀνὴρ ἐν τούτῳ εὐδοκιμῆσαι τῷ ἔργῳ ἐδόκει ἢ ὅτε Γελίμερα δορυάλωτον ἢ τὸν Οὐίτιγιν ἐς Βυζάντιον ἤνεγκεν. [29] ἦν γὰρ ὡς ἀληθῶς λόγου καὶ ἐπαίνου πολλοῦ ἄξιον, πεφοβημένων μὲν κὰν τοῖς ὀχυρώμασι κρυπτομένων Ῥωμαίων ἀπάντων, Χοσρόου δὲ στρατῷ μεγάλῳ ἐν μέσῃ γεγονότος Ῥωμαίων ἀρχῇ, ἄνδρα στρατηγὸν ζῆν ὀλίγοις τισὶ δρόμῳ ὅξει ἐκ Βυζαντίου μεταξὺ ἦκοντα ἀπὲν ἐναντίας τοῦ Περσῶν βασιλέως στρατοπεδεύσασθαι, Χοσρόην δὲ ἐκ τοῦ ἀπροσδοκίτου, ἢ τὴν τύχην ἢ τὴν ἀρετὴν τοῦ ἀνδρὸς δεῖσαντα ἢ καὶ τισιν ἐξαπατηθέντα σοφίσμασιν, ἐπίπροσθεν μηκέτι χωρῆσαι, ἀλλὰ τῷ μὲν ἔργῳ φυγεῖν, λόγῳ δὲ τῆς εἰρήνης ἐφίεσθαι. [30] Ἐν τούτῳ δὲ Χοσρόης ἀλογήσας τὰ ὁμολογημένα Καλλίνικον πόλιν οὐδενὸς τὸ παράπαν ἀμυνομένου εἶλε. ταύτης γὰρ τὸν περιβόλον ὀρῶντες Ῥωμαῖοι σαθρόν τε καὶ εὐάλωτον παντάπασιν ὄντα, μοῖραν αὐτοῦ ἀεὶ καθαιροῦντές τινα, νέα τινὶ ἀνενοῦντο οἰκοδομίᾳ. [31] τότε γοῦν μέρος τι αὐτοῦ καθελόντες, οὐπῶ δὲ τὸ λειπόμενον τοῦτο δειμιάμενοι, ἐπειδὴ τοὺς πολεμίους ἄγχιστά πη ἐπύθοντο εἶναι, τῶν χρημάτων ὑπεξαγαγόντες τὰ τιμώτατα, οἱ μὲν εὐδαίμονες αὐτῆς τῶν οἰκητόρων ἐς ἕτερα ἅττα ὀχυρώματα ἀπεχώρησαν, οἱ δὲ λοιποὶ στρατιωτῶν χωρὶς αὐτοῦ ἔμειναν. [32] καὶ γεωργῶν πάμπολόν τι χρῆμα ἐνταῦθα ξυνειλέχθαι συνέβη. οὐς ὁ Χοσρόης ἀνδραποδίσας ἅπαν ἐς ἔδαφος καθεῖλεν. [33] ὀλίγῳ τε ὕστερον τὸν ὄμηρον Ἰωάννην δεξάμενος, ἀπεχώρησεν ἐς τὰ πάτρια ἦθη. [34] Ἀρμένιοι τε οἱ τῷ Χοσρόῃ προσκεχωρηκότες, τὰ πιστὰ πρὸς Ῥωμαίων λαβόντες, ζῆν τῷ Βασσάκῃ ἐς Βυζάντιον ἦλθον. ταῦτα μὲν ἐν τῇ τρίτῃ Χοσρόου ἐσβολῇ Ῥωμαίοις γενέσθαι ξυνέβη, καὶ ὁ Βελισάριος βασιλεῖ ἐς Βυζάντιον μετάπεμπος· ἦλθεν, ἐφ' ᾧ ἐς Ἰταλίαν αὐθις σταλήσεται, πονηρῶν ἤδη παντάπασιν τῶν ἐκεῖνη πραγμάτων Ῥωμαίοις ὄντων.

Ὑπὸ δὲ τοὺς χρόνους τούτους λοιμοὶς γεγονεν, ἐξ οὗ δὴ ἅπαντα ὀλίγου ἐδέησε τὰ ἀνθρώπεια ἐξίτηλα εἶναι. ἅπασιν μὲν οὖν τοῖς ἐξ οὐρανοῦ ἐπισκῆπτουσιν ἴσως ἂν καὶ λέγοιτό τις ὑπ' ἀνδρῶν τολμητῶν αἰτίου λόγος, οἷα πολλὰ φιλοῦσιν οἱ ταῦτα δεινοὶ αἰτίας τερατεύεσθαι οὐδαμῇ ἀνθρώπῳ καταληπτὰς οὐσας, φυσιολογίας τε ἀναπλάσσειν ὑπερορίους, ἐξεπιστάμενοι μὲν ὡς λέγουσιν οὐδὲν ὑγιές, ἀποχρῆν δὲ ἡγούμενοι σφίσιν, ἦν γε τῶν ἐντυγχανόντων τινὰς τῷ λόγῳ ἐξαπατήσαντες πείσωσι. [2] τούτῳ μέντοι τῷ κακῷ πρόφασιν τινα ἢ λόγῳ εἰπεῖν ἢ διανοίᾳ λογίσασθαι μηχανὴ τις οὐδεμία ἐστί, πλὴν γε δὴ ὅσα ἐς τὸν θεὸν ἀναφέρεσθαι. [3] οὐ γὰρ ἐπὶ μέρους τῆς γῆς οὐδὲ ἀνθρώπων τισὶ γέγονεν οὐδέ τινα ὥραν τοῦ ἔτους ἔσχεν, ὅθεν ἂν καὶ σοφίσματα αἰτίας εὐρέσθαι δυνατὰ εἴη, ἀλλὰ περιεβάλλετο μὲν τὴν γῆν ζύμπασαν, βίους δὲ ἀνθρώπων ἅπαντας ἔβλαψε, καίπερ ἀλλήλων ἐς τοῦναντίον παρὰ πολὺ διαλλάσσοντας, οὔτε φύσεώς τινος οὔτε ἡλικίας φεισάμενον. [4] εἴτε γὰρ χωρίων ἐνοικήσει εἴτε νόμῳ διαίτης, ἢ φύσεως τρόπῳ, ἢ ἐπιτηδεύμασιν, ἢ ἄλλῳ ὅτῳ ἀνθρώπων ἄνθρωποι διαφέρουσιν, ἐν ταύτῃ δὴ μόνη τῇ νόσῳ τὸ διαλλάσσειν οὐδὲν ὦνησεν. [5] ἐπέσκηψε δὲ τοῖς μὲν ὥρᾳ

θήρους, τοῖς δὲ χειμῶνι, τοῖς δὲ κατὰ τοὺς ἄλλους καιροὺς. λεγέτω μὲν οὖν ὧς
πῃ ἕκαστος περὶ αὐτῶν γινώσκει καὶ σοφιστὴς καὶ μετεωρολόγος, ἐγὼ δὲ ὅθεν
τε ἤρξατο ἢ νόσος ἦδε καὶ τρόπῳ δὴ ὅτῳ τοὺς ἀνθρώπους διέφθειρεν ἐρῶν
ἔρχομαι. [6] Ἦρξατο μὲν ἐξ Αἰγυπτίων οἱ ὥκηνται ἐν Πηλουσίῳ. γενομένη δὲ
δίχα πῇ μὲν ἐπὶ τε Ἀλεξανδρείας καὶ τῆς ἄλλης Αἰγύπτου ἐχώρησε, πῇ δὲ ἐπὶ
Παλαιστίνους τοὺς Αἰγυπτίους ὁμόρους ἦλθεν, ἐντεῦθεν τε κατέλαβε τὴν γῆν
σύμπασαν, ὁδῶ τε αἰεὶ προϊοῦσα καὶ χρόνοις βαδίζουσα τοῖς καθήκουσιν. [7]
ἐπὶ ῥητοῖς γὰρ ἐδόκει χωρεῖν καὶ χρόνον τακτὸν ἐν χώρᾳ ἐκάστη διατριβὴν
ἔχειν, ἐς οὐδένας μὲν ἀνθρώπων παρέργως τῷ φθόρῳ χρωμένη, σκεδαννυμένη δὲ ἐφ' ἑκάτερα μέχρι ἐς τὰς τῆς οἰκουμένης ἐσχατίας, ὥσπερ
δεδοικυῖα μὴ τις αὐτὴν τῆς γῆς διαλάθοι μυχός. [8] οὔτε γὰρ νησὶν τίνα ἢ
σπῆλαιον ἢ ἀκρώρειαν ἐλίπετο ἀνθρώπους οἰκήτορας ἔχουσιν: ἦν δὲ πού τίνα
καὶ παρήλασε χώραν, ἢ μὴ ψαύσασα τῶν ταύτῃ ἀνθρώπων ἢ ἀμωσγέπως
αὐτῶν ἀψαμένη, ἀλλὰ χρόνῳ τῷ ὑστέρῳ αὐθις ἐνταῦθα ἐπανιοῦσα τῶν μὲν
περιοίκων, οἷς δὴ πικρότατα ἐπέσκηψε πρότερον, οὐδαμῶς ἤψατο, τῆς δὲ
χώρας ἐκείνης οὐ πρότερον ἀπέστη ἕως τὸ μέτρον ὀρθῶς καὶ δικαίως τῶν
τετελευτηκότων ἀπέδωκεν, ὅπερ καὶ τοῖς ἀμφ' αὐτὴν ὥκημένοις χρόνῳ τῷ
προτέρῳ διεφθάρθαι τετύχηκεν. [9] ἀρξαμένη δὲ αἰεὶ ἐκ τῆς παραλίας ἢ νόσος
ἦδε, οὕτω δὴ ἐς τὴν μεσόγειον ἀνέβαινε χώραν. δευτέρῳ δὲ ἔτει ἐς Βυζάντιον
μεσοῦντος τοῦ ἥρος ἀφίκετο, [10] ἐνθα καὶ ἐμοὶ ἐπιδημεῖν τηνικαῦτα ξυνέβη.
ἐγένετο δὲ ὥδε. φάσματα δαιμόνων πολλοῖς ἐς πᾶσαν ἀνθρώπου ἰδέαν ὥφθη,
ὅσοι τε αὐτοῖς παραπίπτοιεν, παίεσθαι ᾤοντο πρὸς τοῦ ἐντυχόντος ἀνδρὸς
ὅπῃ παρατύχοι τοῦ σώματος, ἅμα τε τὸ φᾶσμα τοῦτο ἐώρων καὶ τῇ νόσῳ
αὐτίκα ἠλίσκοντο. [11] κατ' ἀρχὰς μὲν οὖν οἱ παραπεπτοκότες ἀποτρέπεσθαι
αὐτὰ ἐπειρῶντο, τῶν τε ὀνομάτων ἀποστοματίζοντες τὰ θεϊότατα καὶ τὰ ἄλλα
ἐξοσιούμενοι, ὥς ἕκαστός πῃ ἐδύνατο, ἦνουν μέντοι τὸ παράπαν οὐδέν, ἐπεὶ
κὰν τοῖς ἱεροῖς οἱ πλείστοι καταφεύγοντες διεφθείροντο. [12] ὕστερον δὲ οὐδὲ
τοῖς φίλοις καλοῦσιν ἐπακούειν ἠξίου, ἀλλὰ καθερίζαντες αὐτοὺς ἐν τοῖς
δωματίοις, ὅτι δὴ οὐκ ἐπαῖοιεν προσεποιοῦντο, καίπερ ἀρασσομένων αὐτοῖς
τῶν θυρῶν, δειμαίνοντες δηλονότι μὴ δαιμόνων τις ὁ καλῶν εἴη. [13] τισὶ δὲ
οὐχ οὕτως ὁ λοιμὸς ἐπεγίνετο, ἀλλ' ὅσιν ὀνείρου ἰδόντες ταῦτ' οὗτο πρὸς
τοῦ ἐπιστάντος πάσχειν ἐδόκουν, ἢ λόγου ἀκούειν προλέγοντος σφίσιν ὅτι δὴ
ἐς τῶν τεθνηξομένων τὸν ἀριθμὸν ἀνάγραπτοι εἶεν. [14] τοῖς δὲ πλείστοις οὔτε
ὑπάρ οὔτε ὄναρ αἰσθημένοις τοῦ ἐσομένου εἶτα τῇ νόσῳ ξυνέβη ἀλῶναι. [15]
ἠλίσκοντο δὲ τρόπῳ τοιῷδε. ἐπύρεσσον ἄφνω, οἱ μὲν ἐξ ὕπνου ἐγηγερμένοι,
οἱ δὲ περιπάτους ποιοῦμενοι, οἱ δὲ ἄλλο ὅ τι δὴ πράσσοντες. [16] καὶ τὸ μὲν
σῶμα οὔτε τι διήλλασσε τῆς προτέρας χροιάς οὔτε θερμὸν ἦν, ἅτε πυρετοῦ
ἐπιτεσόντος, οὐ μὴν οὐδὲ φλόγῳσις ἐπεγίνετο, ἀλλ' οὕτως ἀβληχρὸς τις ἐξ
ἀρχῆς τε καὶ ἄχρις ἐσπέρας ὁ πυρετὸς ἦν ὥστε μήτε τοῖς νοσοῦσιν αὐτοῖς
μήτε ἱατρῷ ἀπτομένῳ δόκησιν κινδύνου παρέχεσθαι. [17] οὐ γὰρ οὖν οὐδέ τις
τελευτᾶν τῶν περιπεπτοκότων ἀπ' αὐτοῦ ἔδοξεν. ἡμέρᾳ δὲ τοῖς μὲν τῇ αὐτῇ,
τοῖς δὲ τῇ ἐπιγενομένη, ἐτέροις δὲ οὐ πολλαῖς ὕστερον βουβῶν ἐπῆρτο, οὐκ
ἐνταῦθα μόνον, ἐνθα καὶ τὸ τοῦ σώματος μόριον, ὃ δὴ τοῦ ἥτρου ἐνεβρῆν
ἐστι, βουβῶν κέκληται, ἀλλὰ καὶ τῆς μάλης ἐντός, ἐνίοις δὲ καὶ παρὰ τὰ ὅτα

καὶ ὅπου ποτὲ τῶν μηρῶν ἔτυχε. [18] Τὰ μὲν οὖν ἄχρι τοῦδε πᾶσιν ὁμοίως σχεδόν τι τοῖς τῇ νόσῳ ἀλισκομένοις ξυνέβαινε: τὰ δὲ ἐνθένδε οὐκ ἔχω εἰπεῖν πότερον ἐν τῷ διαλλάσσοντι τῶν σωμάτων καὶ ἡ διαφορὰ τῶν ξυμπιπτόντων ἐγένετο, ἢ ὅπη ποτὲ βουλομένῳ εἴη τῷ τὴν νόσον ἐπαγαγόντι. [19] ἐπεγίνετο γὰρ τοῖς μὲν κῶμα βαθύ, τοῖς δὲ παραφροσύνη ὀξεῖα, ἑκάτεροί τε τὰ πρὸς τὴν νόσον ἐπιτηδείως ἔχοντα ἔπασχον: οἷς μὲν γὰρ τὸ κῶμα ἐπέκειτο, πάντων ἐπιλελησμένοι τῶν εἰωθότων σφίσιν ἐς αἰὶ καθεύδειν ἐδόκουν. [20] καὶ εἰ μὲν τις αὐτῶν ἐπιμελοῖτο, μεταξὺ ἦσθιον, τινὲς δὲ καὶ ἀπημελημένοι ἀπορία τροφῆς εὐθὺς ἔθνησκον. [21] οἱ μέντοι τῷ τῆς παραφροσύνης ἀλόντες κακῷ ἀγρυπνία τε καὶ φαντασία πολλῇ εἶχοντο, καὶ τινὰς ὑποπτεύοντες ἐπιέναι σφίσιν ὥς δὴ ἀπολοῦντας, ἐς ταραχὴν τε καθίσταντο καὶ ἀναβοῶντες ἐξάσιον οἶον ἐς φυγὴν ὥρμητο. [22] οἱ τε αὐτοὺς θεραπεύοντες καμάτῳ ἀπαύστῳ ἐχόμενοι τὰ ἀνήκεστα ἐς αἰὶ ἔπασχον. [23] διὸ δὴ ἅπαντες αὐτοὺς οὐχ ἦσσαν ἢ τοὺς πονουμένους ῥηκτίζοντο, οὐχ ὅτι τῷ λοιμῷ ἐπέζοντο ἐκ τοῦ προσιέναι ὅτε γὰρ ἱατρῷ οὔτε ἰδιώτῃ μεταλαχεῖν τοῦ κακοῦ τοῦδε τῶν νοσοῦντων ἢ τῶν τετελευτηκότων ἀπτομένῳ ξυνέβη, ἐπεὶ πολλοὶ μὲν αἰὶ καὶ τοὺς οὐδὲν σφίσι προσήκοντας ἢ θάπτοντες ἢ θεραπεύοντες ταύτῃ δὴ τῇ ὑπουργίᾳ παρὰ δόξαν ἀντεῖχον, πολλοὶ δὲ τῆς νόσου ἀπροφασίστως αὐτοῖς ἐπιτεσοῦσης εὐθὺς ἔθνησκον, ἀλλ' ὅτι ταλαιπωρία πολλῇ εἶχοντο. [24] ἕκ τε γὰρ τῶν στρωμάτων ἐκπίπτοντας καὶ καλινδουμένους ἐς τὸ ἔδαφος ἀντικαθίστων αὐθις, καὶ ῥιπτεῖν σφᾶς αὐτοὺς ἐκ τῶν οἰκημάτων ἐφιεμένους ὠθοῦντές τε καὶ ἀνθέλκοντες ἐβιάζοντο. [25] ὕδωρ τε οἷς παρατύχοι, ἐμπεσεῖν ἤθελον, οὐ δὴ οὐχ ὅσον τοῦ ποτοῦ ἐπιθυμία ἔς γὰρ θάλασσαν οἱ πολλοὶ ὥρμητο, ἀλλ' αἷτιον ἦν μάλιστα ἡ τῶν φρενῶν νόσος. [26] πολὺς δὲ αὐτοῖς καὶ περὶ τὰς βρώσεις ἐγένετο πόνος. οὐ γὰρ εὐπετῶς προσιέντο ταύτας. πολλοὶ τε ἀπορία τοῦ θεραπεύοντος διεφθάρησαν, ἢ λιμῷ πιεζόμενοι, [27] ἢ ἀφ' ὑψηλοῦ καθιέντες τὸ σῶμα. ὅσοις δὲ οὔτε κῶμα οὔτε παραφροσύνη ἐνέπεσε, τοῦτοις δὴ ὁ τε βουβῶν ἐσφακέλιζε καὶ αὐτοὶ ταῖς ὀδύναις οὐκέτι ἀντέχοντες ἔθνησκον. [28] τεκμηριώσκει δ' ἂν τις καὶ τοῖς ἄλλοις ἅπασι κατὰ ταῦτά ξυμβῆναι, ἀλλ' ἐπεὶ ἐν αὐτοῖς ὥς ἥκιστα ἦσαν, ξυνεῖναι τῆς ὀδύνης οὐδαμῇ εἶχον, τοῦ πάθους αὐτοῖς τοῦ ἀμφὶ τὰς φρένας παραιρουμένου τὴν αἴσθησιν. [29] Ἀπορούμενοι γοῦν τῶν τινες ἱατρῶν τῇ τῶν ξυμπιπτόντων ἀγνοίᾳ τό τε τῆς νόσου κεφάλαιον ἐν τοῖς βουβῶσιν ἀποκεκρίσθαι οἰόμενοι, διερευνᾶσθαι τῶν τετελευτηκότων τὰ σώματα ἔγνωσαν. καὶ διελόντες τῶν βουβῶνων τινάς, ἄνθρακος δεινόν τι χρῆμα ἐμπεφυκὸς εὔρον. [30] Ἔθνησκον δὲ οἱ μὲν αὐτίκα, οἱ δὲ ἡμέραις πολλαῖς ὕστερον, τισὶ τε φλυκταίναις μελαίναις ὅσον φακοῦ μέγεθος ἐξήνθει τὸ σῶμα, οἱ οὐδὲ μίαν ἐπεβίον ἡμέραν, ἀλλ' εὐθυωρὸν ἅπαντες ἔθνησκον. [31] πολλοὺς δὲ καὶ τις αὐτόματος αἵματος ἐπιγινόμενος ἔμετος εὐθὺς διεχρήσατο. [32] ἐκεῖνο μέντοι ἀποφύνασθαι ἔχω, ὥς τῶν ἱατρῶν οἱ δοκιμώτατοι πολλοὺς μὲν τεθνήξασθαι προηγόρευον, οἱ δὲ κακῶν ἀπαθεῖς ὀλίγῳ ὕστερον παρὰ δόξαν ἐγίνοντο, πολλοὺς δὲ ὅτι σωθήσονται ἰσχυρίζοντο, οἱ δὲ διαφθαρῆσθαι ἔμελλον αὐτίκα δὴ μάλα. [33] οὕτως αἰτία τις ἦν οὐδεμία ἐν ταύτῃ τῇ νόσῳ ἐς ἀνθρώπου λογισμὸν φέρουσα: πᾶσι γάρ τις ἀλόγιστος ἀπόβασις ἐπὶ πλεῖστον ἐφέρετο, καὶ τὰ λουτρὰ τοὺς μὲν ὤνησε, τοὺς δὲ οὐδὲν

τι ἦσσαν κατέβλαψεν. [34] ἀμελοῦμενοί τε πολλοὶ ἔθνησκον, πολλοὶ δὲ παρὰ λόγον ἐσώζοντο. καὶ πάλιν αὖ τὰ τῆς θεραπείας ἐφ' ἐκάτερα τοῖς χρωμένοις ἐχώρει: καὶ τὸ ζύμπαν εἶπεν οὐδεμία μηχανὴ ἀνθρώπῳ ἐς τὴν σωτηρίαν ἐξεύρητο, οὔτε προφυλαξαμένῳ μὴ πεπονθέναι οὔτε τοῦ κακοῦ ἐπιπεσόντος περιγενέσθαι, ἀλλὰ καὶ τὸ παθεῖν ἀπροφάσιστον ἦν καὶ τὸ περιεῖναι αὐτόματον. [35] Καὶ γυναιξὶ δὲ ὅσαι ἐκύουν προὔπτος ἐγένετο τῇ νόσῳ ἀλικομέναις ὁ θάνατος. αἱ μὲν γὰρ ἀμβλίσκουσαι ἔθνησκον, αἱ δὲ τίκτουσαι ζὺν αὐτοῖς εὐθὺς τοῖς τικτομένοις ἐφθείροντο. [36] τρεῖς μέντοι λεχοῦς λέγουσι τῶν παίδων σφίσιν ἀπολομένων περιγενέσθαι, καὶ μιᾷς ἡδὴ ἐν τῷ τοκετῷ ἀποθανούσης τετέχθαι τε καὶ περιεῖναι τῷ παιδίῳ ζυμβῆναι. [37] Ὅσοις μὲν οὖν μεῖζον τε ὁ βουβῶν ἦρετο καὶ ἐς πύον ἀφίκτο, τούτοις δὴ περιεῖναι τῆς νόσου ἀπαλλασσομένοις ξυνέβαινεν, ἐπεὶ δῆλον ὅτι αὐτοῖς ἡ ἀκμὴ ἐς τοῦτο ἐλελωφῆκει τοῦ ἄνθρακος, γνῶρισμά τε τῆς ὑγείας τοῦτο ἐκ τοῦ ἐπὶ πλείστον ἐγένετο: οἷς δὲ ὁ βουβῶν ἐπὶ τῆς προτέρας ιδέας διέμεινε, τούτοις περιειστήκει τὰ κακὰ ὧν ἄρτι ἐμνήσθην. [38] τισὶ δὲ αὐτῶν καὶ τὸν μηρὸν ἀποξηρανθῆναι ξυνέβη, ἐφ' οὗ ὁ βουβῶν ἐπαρθεὶς ὡς ἥκιστα ἔμπυος γέγονεν. [39] ἄλλοις τε οὐκ ἐπ' ἀκραίῳ τῇ γλώσση περιγενέσθαι τετύχηκεν, ἀλλ' ἢ τραυλίζουσιν, ἢ μόλις τε καὶ ἄσχημα φθεγγομένοις βιῶναι.

Ἡ μὲν οὖν νόσος ἐν Βυζαντίῳ ἐς τέσσαρας διήλθε μῆνας, ἤκμασε δὲ ἐν τρισὶ μάλιστα. [2] καὶ κατ' ἀρχὰς μὲν ἔθνησκον τῶν εἰωθότων ὀλίγῳ πλείους, εἶτα ἔτι μᾶλλον τὸ κακὸν ἦρετο, μετὰ δὲ ἐς πεντακισχιλίους ἡμέρα ἐκάστη ἐξικνεῖτο τὸ τῶν νεκρῶν μέτρον, καὶ αὖ πάλιν ἐς μυρίους τε καὶ τούτων ἔτι πλείους ἦλθε. [3] τὰ μὲν οὖν πρῶτα τῆς ταφῆς αὐτὸς ἕκαστος ἐπεμελεῖτο τῶν κατὰ τὴν οἰκίαν νεκρῶν, οὓς δὴ καὶ ἐς ἀλλοτρίας θήκας ἐρρίπτουν ἢ λανθάνοντες ἢ βιαζόμενοι: ἔπειτα δὲ πάντα ἐν ἅπασιν ξυνεταράχθη. [4] δοῦλοί τε γὰρ ἔμειναν δεσποτῶν ἔρημοι, ἄνδρες τε τὰ πρότερα λίαν εὐδαίμονες τῆς τῶν οἰκετῶν ὑπουργίας ἢ νοσοῦντων ἢ τετελευτηκότων ἐστέρηντο, πολλαὶ τε οἰκίαι παντάπασιν ἔρημοι ἀνθρώπων ἐγένοντο. [5] διὸ δὴ ξυνέβη τισὶ τῶν γνωρίμων τῇ ἀπορίᾳ ἡμέρας πολλὰς ἀτάφοις εἶναι. Ἐς τε βασιλέα ἢ τοῦ πράγματος πρόνοια, [6] ὡς τὸ εἰκός, ἦλθε. στρατιώτας οὖν ἐκ παλατίου καὶ χρήματα νείμας Θεόδωρον ἐκέλευε τοῦ ἔργου τούτου ἐπιμελεῖσθαι, ὃς δὴ ἀποκρίσσει ταῖς βασιλικαῖς ἐφειστήκει, ἀεὶ τῷ βασιλεῖ τὰς τῶν ἰκετῶν δεήσεις ἀγγέλλων, σημαίνων τε αὐθις ὅσα ἂν αὐτῷ βουλομένῳ εἶη. ῥεφερενδάριον τῇ Λατίνων φωνῇ τὴν τιμὴν ταύτην καλοῦσι Ῥωμαῖοι. [7] οἷς μὲν οὖν οὐπω παντάπασιν ἐς ἐρημίαν ἐμπεπτωκότα τὰ κατὰ τὴν οἰκίαν ἐτύγχανεν, αὐτοὶ ἕκαστοι τὰς τῶν προσηκόντων ἐποιοῦντο ταφάς. [8] Θεόδωρος δὲ τὰ τε βασιλέως διδοὺς χρήματα καὶ τὰ οἰκεῖα προσαναλίσκων τοὺς ἀπημελημένους τῶν νεκρῶν ἔθαπτεν. [9] ἐπεὶ δὲ τὰς θήκας ἀπάσας αἱ πρότερον ἦσαν ἐμπίπλασθαι τῶν νεκρῶν ἔτυχεν, οἱ δὲ ὀρύσσοντες ἅπαντα ἐφεξῆς τὰ ἀμφὶ τὴν πόλιν χωρία, ἐνταῦθά τε τοὺς θνήσκοντας κατατιθέμενοι, ὡς ἕκαστός πη ἐδύνατο, ἀπηλλάσσοντο, ἔπειτα δὲ οἱ τὰς κατῳρυχας ταύτας ποιούμενοι πρὸς τῶν ἀποθνησκόντων τὸ μέτρον οὐκέτι ἀντέχοντες, ἐς τοὺς πύργους τοῦ περιβόλου ἀνέβαινον ὃς ἐν Συκαῖς ἐστι: [10] τὰς τε ὀροφὰς περιελόντες ἐνταῦθα ἐρρίπτουν τὰ σώματα οὐδενὶ κόσμῳ, καὶ ξυννήσαντες, ὥς πη

ἐκάστω παρέτυχεν, ἐμπλησάμενοί τε τῶν νεκρῶν ὡς εἶπεῖν ἅπαντας, [11] εἴτα ταῖς ὀροφαῖς αὐθις ἐκάλυπτον. καὶ ἀπ' αὐτοῦ πνεῦμα δυσῶδες ἐς τὴν πόλιν ἰὸν ἔτι μᾶλλον ἐλύπει τοὺς ταύτῃ ἀνθρώπους, ἄλλως τε ἢν καὶ ἄνεμός τις ἐκεῖθεν ἐπιφορος ἐπιπνεύσειε. [12] Πάντα τε ὑπερώφη τότε τὰ περὶ τὰς ταφὰς νόμιμα. οὔτε γὰρ παραπεμπόμενοι ἢ νενόμισται οἱ νεκροὶ ἐκομίζοντο οὔτε καταψαλλόμενοι ἥπερ εἰώθει, ἀλλ' ἱκανὸν ἦν, εἰ φέρων τις ἐπὶ τῶν ὤμων τῶν τετελευτηκότων τινὰ ἐξ τε τῆς πόλεως τὰ ἐπιθαλάσσια ἐλθὼν ἔρριπεν, οὗ δὴ ταῖς ἀκάτοις ἐμβαλλόμενοι σωρηδὸν ἔμελλον ὅπη παρατύχοι κομίζεσθαι. [13] τότε καὶ τοῦ δήμου ὅσοι στασιῶται πρότερον ἦσαν, ἔχθους τοῦ ἐς ἀλλήλους ἀφέμενοι τῆς τε ὀσίας τῶν τετελευτηκότων κοινῇ ἐπεμέλοντο καὶ φέροντες αὐτοὶ τοὺς οὐ προσήκοντας σφίσι νεκροὺς ἔθαπτον. [14] ἀλλὰ καὶ ὅσοι πράγμασι τὰ πρότερα παριστάμενοι αἰσχροῖς τε καὶ πονηροῖς ἔχαιρον, οἶδε τὴν ἐς τὴν δίαιταν ἀποσεισάμενοι παρανομίαν τὴν εὐσέβειαν ἀκριβῶς ἦσκουν, οὐ τὴν σωφροσύνην μεταμαθόντες οὐδὲ τῆς ἀρετῆς ἐρασταὶ τινες ἐκ τοῦ αἰφνιδίου γεγενημένοι. [15] ἐπεὶ τοῖς ἀνθρώποις ὅσα ἐμπέπηγε φύσει ἢ χρόνου μακροῦ διδασκαλία ῥᾶστα δὴ οὕτω μεταβάλλεσθαι ἀδύνατά ἐστιν, ὅτι μὴ θεοῦ τινὸς ἀγαθοῦ ἐπιπνεύσαντος· ἀλλὰ τότε ὡς εἶπεῖν ἅπαντες καταπεπληγμένοι μὲν τοῖς ζυμπίπτουσι, τεθνήξεσθαι δὲ αὐτίκα δὴ μάλα οἰόμενοι, ἀνάγκη, ὡς τὸ εἰκός, πάσῃ τὴν ἐπιείκειαν ἐπὶ καιροῦ μετεμάνθανον. [16] ταῦτά τοι, ἐπειδὴ τάχιστα τῆς νόσου ἀπαλλαγέντες ἐσώθησαν ἔν τε τῷ ἀσφαλεῖ γεγενῆσθαι ἥδη ὑπετόπασαν, ἅτε τοῦ κακοῦ ἐπ' ἄλλους ἀνθρώπων τινὰς κεχωρηκότος, ἀγχίστροφον αὐθις τῆς γνώμης τὴν μεταβολὴν ἐπὶ τὰ χεῖρω πεποιημένοι, μᾶλλον ἢ πρότερον τὴν τῶν ἐπιτηδευμάτων ἀτοπίαν ἐνδείκνυνται, σφᾶς αὐτοὺς μάλιστα τῇ τε πονηρίᾳ καὶ τῇ ἄλλῃ παρανομίᾳ νενικηκότες· ἐπεὶ καὶ ἀπισχυρισάμενος ἂν τις οὐ τὰ ψευδῆ εἴποι ὡς ἡ νόσος ἦδε εἴτε τύχῃ τινὶ εἴτε προνοίᾳ ἐς τὸ ἀκριβὲς ἀπολεξαμένη τοὺς πονηροτάτους ἀφῆκεν. ἀλλὰ ταῦτα μὲν τῷ ὑστέρω ἀποδέδεικται χρόνῳ. [17] Τότε δὲ ἀγοράζοντά τινα οὐκ εὐπετὲς ἐδόκει εἶναι ἔν γε Βυζαντίῳ ἰδεῖν, ἀλλ' οἰκοὶ καθήμενοι ἅπαντες ὅσοις ξυνέβαινε τὸ σῶμα ἐρρῶσθαι, ἢ τοὺς νοσοῦντας ἐθεράπευον, ἢ τοὺς τετελευτηκότας ἐθρήνουν. [18] ἦν δέ τις καὶ προϊόντι τινὶ ἐντυχεῖν ἰσχυσεν, ὃδε τῶν τινα νεκρῶν ἔφερεν. ἐργασία τε ζύμπασα ἦργει, καὶ τὰς τέχνας οἱ τεχνῖται μεθῆκαν ἀπάσας, ἔργα τε ἄλλα ὅσα δὴ ἕκαστοι ἐν χερσὶν εἶχον. [19] ἐν πόλει γοῦν ἀγαθοῖς ἅπασιν ἀτεχνῶς εὐθηνούση λιμός τις ἀκριβὲς ἐπεκώμαζεν. ἄρτον ἀμέλει ἢ ἄλλο ὅτιοῦν διαρκῶς ἔχειν χαλεπὸν τε ἐδόκει καὶ λόγου πολλοῦ ἄξιον εἶναι· ὥστε καὶ τῶν νοσοῦντων τισὶν ἄωρον ζυμβῆναι δοκεῖν ἀπορίᾳ τῶν ἀναγκαίων τὴν τοῦ βίου καταστροφὴν. [20] καὶ τὸ ζύμπαν εἶπεῖν, χλαμύδα οὐκ ἦν ἐνδιδυσκόμενόν τινα ἐν Βυζαντίῳ τὸ παράπαν ἰδεῖν, ἄλλως τε ἡνίκα βασιλεῖ νοσῆσαι ξυνέβη· καὶ αὐτῷ γὰρ ξυνέπεσε βουβῶνα ἐπῆρθαι, ἀλλ' ἐν πόλει βασιλείαν ἐχούσῃ ζυμπάσης τῆς Ῥωμαίων ἀρχῆς ἱμάτια ἐν ιδιωτῶν λόγῳ ἅπαντες ἀμπεχόμενοι ἡσυχῇ ἔμενον. [21] τὰ μὲν οὖν ἀμφὶ τῷ λοιμῷ ἔν τε τῇ ἄλλῃ Ῥωμαίων γῇ καὶ ἐν Βυζαντίῳ ταύτῃ πῃ ἔσχεν. ἐπέσκηψε δὲ καὶ ἐς τὴν Περσῶν γῆν καὶ ἐς βαρβάρους τοὺς ἄλλους ἅπαντας.

Ἐτύγχανε δὲ ὁ Χοσρόης ἐξ Ἀσσυρίων ἐς χωρίον Ἀδαρβιγάνων ἡκὼν πρὸς

βορρᾶν ἄνεμον, ἔνθεν διενοεῖτο ἐς τὴν Ῥωμαίων ἀρχὴν διὰ Περσαρμενίων ἐσβάλλειν. [2] τὸ μέγα πυρεῖον ἐνταῦθᾶ ἐστίν, ὃ σέβονται Πέρσαι θεῶν μάλιστα. οὗ δὴ τὸ πῦρ ἄσβεστον φυλάσσοντες μάγοι τὰ τε ἄλλα ἐς τὸ ἀκριβὲς ἐξοσιοῦνται καὶ μαντεῖα ἐς τῶν πραγμάτων τὰ μέγιστα χρῶνται. τοῦτό ἐστι τὸ πῦρ ὅπερ Ἑστίαν ἐκάλουν τε καὶ ἐσέβοντο ἐν τοῖς ἄνω χρόνοις Ῥωμαῖοι. [3] ἐνταῦθα σταλεῖς τις ἐκ Βυζαντίου παρὰ Χοσρόην ἀπήγγελλε Κωνσταντιανόν τε καὶ Σέργιον πρέσβεις ἐς αὐτὸν ἐπὶ τῇ ξυμβάσει αὐτίκα δὴ μάλα ἀφίξεσθαι. [4] ἦσθιν δὲ τῷ ἄνδρι τούτῳ ῥήτορέ τε ἄμφω καὶ ξυνετὼ ἐς τὰ μάλιστα, Κωνσταντιανὸς μὲν Ἰλλυριὸς γένος, Σέργιος δὲ ἐξ Ἑδέσσης πόλεως, ἡ ἐν Μεσοποταμίᾳ τυγχάνει οὕσα. [5] οὕς δὴ ὁ Χοσρόης προσδεχόμενος ἡσυχῇ ἔμενεν. ἐν δὲ τῇ πορείᾳ ταύτῃ Κωνσταντιανοῦ νοσήσαντος καὶ χρόνου τριβέντος συχνοῦ, τὸν λοιμὸν ἐπισκῆψαι Πέρσαις ξυνέπεσε. [6] διὸ δὴ Ναβέδης τηνικαῦτα ἐν Περσαρμενίοις τὴν στρατηγίδα ἔχων ἀρχὴν τὸν ἐν Δούβιος τῶν Χριστιανῶν ἱερέα βασιλέως ἐπαγγεῖλαντος παρὰ Βαλεριανὸν τὸν ἐν Ἀρμενίοις στρατηγὸν ἐπεμψεν, αἰτιασόμενόν τε τὴν τῶν πρέσβεων βραδυτῆτα καὶ Ῥωμαίους ἐς τὴν εἰρήνην ὀρμήσοντα προθυμίᾳ τῇ πάσῃ. [7] καὶ ὃς ξὺν τῷ ἀδελφῷ ἐς Ἀρμένιους ἦκων, τῷ τε Βαλεριανῷ ἐντυχόν, αὐτὸς τε Ῥωμαίοις ἅτε Χριστιανὸς ἰσχυρίζετο εὐνοϊκῶς ἔχειν καὶ οἱ βασιλέα Χοσρόην πείθεσθαι αἰεὶ ἐς βουλὴν πᾶσαν: ὥστε ἦν Ῥωμαίων οἱ πρέσβεις ἐς τὰ Περσῶν ἦθη ξὺν αὐτῷ ἔλθωσιν, οὐκ ἂν τι αὐτοῖς ἐμπόδισμα εἴη τοῦ τὴν εἰρήνην ὅπη βούλονται διαθήσεσθαι. [8] ὁ μὲν οὖν ἱερεὺς τοσαῦτα εἶπεν: ὁ δὲ τοῦ ἱερέως ἀδελφὸς Βαλεριανῷ ἐντυχόν λάθρα Χοσρόην ἐν μεγάλοις εἶναι κακοῖς ἔφασκε: τὸν τε γὰρ οἱ παῖδα τυραννίδι ἐπιθέμενον ἐπαναστῆναι, καὶ αὐτὸν ὁμοῦ ξὺν παντὶ τῷ Περσῶν στρατῷ τῇ νόσῳ ἀλῶναι: διὸ δὴ καὶ Ῥωμαῖοις τανῦν ἐς τὴν ξύμβασιν ἐθέλειν ἰέναι. [9] ταῦτα ἐπεὶ Βαλεριανὸς ἤκουσε, τὸν μὲν ἐπίσκοπον εὐθὺς ἀπεπέμψατο, τοὺς πρέσβεις οὐκ εἰς μακρὰν ὑποσχόμενος παρὰ Χοσρόην ἀφίξεσθαι, αὐτὸς δὲ τοὺς λόγους ἐς βασιλέα Ἰουστινιανὸν οὕσπερ ἠκηκόει ἀνήνεγκεν. [10] οἷς δὴ ὁ βασιλεὺς αὐτίκα ἠγμένοσ αὐτῷ τε καὶ Μαρτίνῳ καὶ τοῖς ἄλλοις ἄρχουσιν ὅτι τάχιστα ἐσβάλλειν εἰς τὴν πολεμίαν ἐπέστελλεν. εὗ γὰρ οἶδεν ὡς αὐτοῖς τῶν πολεμίων οὐδεὶς ἐμποδὼν στήσεται. [11] ἐκέλευε δὲ ξυλλεγέντας ἐς ταῦτό ἅπαντας οὕτω τὴν ἐσβολὴν ἐπὶ Περσαρμενίους ποιήσασθαι. ταῦτα ἐπεὶ ἀπενεχθέντα οἱ ἄρχοντες τὰ γράμματα εἶδον, ἅπαντες ὁμοῦ τοῖς ἐπομένοις ξυνέρρεον ἐς τὰ ἐπὶ Ἀρμενίας χωρία. [12] Ἦδη δὲ ὁ Χοσρόης ὀλίγῳ πρότερον τὸ Ἀδαρβιγάνων δέει τῷ ἐκ τῆς νόσου ἀπολιπὼν ἐς τὴν Ἀσσυρίαν παντὶ τῷ στρατῷ ἀπιὼν ὥχετο, ἔνθα δὴ οὕπῳ ἐνδεδημήκει τὸ τοῦ λοιμοῦ πάθος. Βαλεριανὸς μὲν οὖν Θεοδοσιουπόλεως ἄγχιστα ἐστρατοπεδεύσατο ξὺν τοῖς ἀμφ' αὐτὸν καταλόγοις, καὶ οἱ Ναρσῆς ξυνετάττετο Ἀρμένιους τε καὶ Ἑρούλων τινὰς ξὺν αὐτῷ ἔχων. [13] Μαρτίνος δὲ ὁ τῆς ἑω στρατηγὸς ξὺν τε Ἰλδίγερι καὶ Θεοκτίστῳ ἐς Κιθαρίζων τὸ φρούριον ἀφικόμενος ἐνταῦθᾶ τε πηξάμενος τὸ στρατόπεδον αὐτοῦ ἔμεινε: διέχει δὲ Θεοδοσιουπόλεως ὁδῷ τεττάρων ἡμερῶν τὸ φρούριον τοῦτο: ἵνα καὶ Πέτρος οὐκ εἰς μακρὰν ξὺν τε Ἀδολίῳ καὶ ἄλλοις τισὶν ἄρχουσιν ἦλθεν. [14] ἠγεῖτο δὲ τῶν ταύτῃ καταλόγων Ἰσαάκης ὁ Ναρσοῦ ἀδελφός. Φιλημουθ δὲ καὶ Βῆρος ξὺν Ἑρούλοις τοῖς σφίσιν

ἐπομένους ἐς τὰ ἐπὶ Χορζιανητῆς χωρία ἦλθον, τοῦ Μαρτίνου στρατοπέδου οὐ πολλῷ ἄποθεν. [15] Ἰουστὸς τε ὁ βασιλέως ἀνεψιὸς καὶ Περάνιος καὶ Ἰωάννης ὁ Νικήτου παῖς ζύν τε Δομνεντιόλῳ καὶ Ἰωάννῃ τῷ Φαγᾷ τὴν ἐπὶ κλησὶν ἐστρατοπεδεύσαντο πρὸς τῷ Φισῶν καλουμένῳ φρουρίῳ, ὅπερ ἄγχιστά πη τῶν Μαρτυροπόλεως ὁρίων ἐστίν. [16] οὕτω μὲν οὖν ἐστρατοπεδεύσαντο οἱ Ῥωμαίων ἄρχοντες ζύν τοῖς ἐπομένοις, ζηνῇ δὲ ὁ στρατὸς ἅπας ἐς τρισυρίους. [17] οὗτοι ἅπαντες οὔτε ἐς ταὐτὸ ζυνελέγησαν, οὐ μὴν οὔτε ἀλλήλοις ἐς λόγους ἦλθον. πέμποντες δὲ παρ' ἀλλήλους οἱ στρατηγοὶ τῶν σφίσιν ἐπομένων τινὰς ὑπὲρ τῆς ἐσβολῆς ἐπυνθάνοντο. [18] ἄφνω δὲ Πέτρος, οὐδενὶ κοινολογησάμενος, ζύν τοῖς ἀμφ' αὐτὸν ἀνεπισκέπτως ἐς τὴν πολεμίαν ἐσέβαλλεν. ὅπερ ἡμέρᾳ τῇ ἐπιγινομένη γνόντες Φιλημούθ τε καὶ Βῆρος, οἱ τῶν Ἑρούλων ἡγούμενοι, εὐθὺς εἶποντο. [19] ἐπεὶ τε ταῦτα οἱ τε ἀμφὶ Μαρτίνον καὶ Βαλεριανὸν ἔμαθον, τῇ ἐσβολῇ κατὰ τάχος ἐχρῶντο. [20] ἅπαντες δὲ ἀλλήλοις ὀλίγῳ ὕστερον ἀνემίγνυντο ἐν τῇ πολεμίᾳ, πλὴν Ἰούστου τε καὶ τῶν ζύν αὐτῷ, οἱ δὴ μακράν τε ἄποθεν, ὥσπερ ἐρρήθη, ἐστρατοπεδευμένοι τοῦ ἄλλου στρατοῦ, καὶ χρόνῳ ὕστερον τὴν ἐκείνων ἐσβολὴν γνόντες, καὶ αὐτοὶ μὲν ἐσέβαλλον ὡς τάχιστα ἐς τὴν κατ' αὐτοὺς πολεμίαν, ἀναμίγνυσθαι δὲ τοῖς ζυνάρχουσιν οὐδαμῇ ἔσχον. [21] οἱ μέντοι ἄλλοι ζύμπαντες ἐπορεύοντο εὐθὺ Δούβιος, οὔτε ληιζόμενοι οὔτε τι ἄλλο ἄχαρι πράσσοντες ἐς τὴν Περσῶν χώραν.

Ἔστι δὲ τὸ Δούβιος χώρα τις τὰ τε ἄλλα ἀγαθὴ καὶ ἀέρων τε καὶ ὑδάτων εὐεξίαν τινὰ διαρκῶς ἔχουσα, Θεοδοσιουπόλεως δὲ ὁδῷ ἡμερῶν ὀκτὼ διέχει. [2] καὶ πεδία μὲν ἐνταῦθα ἱππῆλάτα ἐστὶ, κῶμαι δὲ πολλαὶ πολυανθρωπότατοι ὄκνηται ἀγχοτάτω ἀλλήλαις καὶ πολλοὶ ἔμποροι κατ' ἐργασίαν ἐν ταύταις οἰκοῦσιν. [3] ἔκ τε γὰρ Ἰνδῶν καὶ τῶν πλησιοχώρων Ἰβήρων πάντων τε ὡς εἰπεῖν τῶν ἐν Πέρσαις ἐθνῶν καὶ Ῥωμαίων τινῶν τὰ φορτία ἐσκομιζόμενοι ἐνταῦθα ἀλλήλοις ζυμβάλλουσι. [4] τὸν τε τῶν Χριστιανῶν ἱερέα Καθολικὸν καλοῦσι τῇ Ἑλλήνων φωνῇ, ὅτι δὴ ἐφέστηκεν εἰς ὧν ἅπασιν τοῖς ταύτη χωρίοις. [5] Δούβιος δὲ ἄποθεν ὅσον εἴκοσι καὶ ἑκατὸν σταδίων ἐν δεξιᾷ ἰόντι ἐκ Ῥωμαίων τῆς γῆς ὅρος ἐστὶ δύσβατόν τε καὶ ἄλλως κρημνῶδες, καὶ κόμη τις ἐν δυσχωρίᾳ στενοτάτῃ κειμένη, Ἀγγλῶν ὄνομα. [6] οὗ δὴ ὁ Ναβέδης, ἐπειδὴ τάχιστα τῶν πολέμιων τὴν ἔφοδον ἔγνω, παντὶ τῷ στρατῷ ἀποχωρήσας χωρίου τε ἰσχυρῇ θαρσύνσας καθεῖρξεν αὐτόν. [7] καὶ ἡ μὲν κόμη ἐς τοῦ ὄρους τὰ ἔσχατα κεῖται, φρούριον δὲ ἐχυρὸν τῇ κόμῃ ταύτῃ ὁμώνυμον ἐν τῷ κρημνῷ ἐστίν. [8] ὁ γοῦν Ναβέδης λίθοις μὲν καὶ ἀμάξαις τὰς ἐπὶ τὴν κόμην ἀποφράξας εἰσόδους δυσπρόσοδον ἔτι μᾶλλον εἰργάσατο ταύτην. [9] ἐπίπροσθε δὲ τάφρον τινὰ ὀρύξας ἐνταῦθα τὸ στράτευμα ἔστησε, προλοχίσας οἰκίσκους τινὰς παλαιοὺς ἐνέδραις πεζῶν. ἐς τετρακισχιλίους δὲ ἄνδρας ἅπαν ζυνῇ τὸ Περσῶν στράτευμα. [10] Ταῦτα μὲν οὖν ἐπράσσετο τῇδε. Ῥωμαῖοι δὲ ἀφικόμενοι ἐς χῶρον ἡμέρας ὁδῷ Ἀγγλῶν διέχοντα, τῶν τινα πολέμιων ἐπὶ κατασκοπῇ ἰόντα λαβόντες ἐπυνθάνοντο ὅπῃ ποτὲ τανῦν ὁ Ναβέδης εἴη. καὶ ὅς ἀνακεχωρηκέναι τὸν ἄνδρα ἐξ Ἀγγλῶν παντὶ τῷ Μήδων στρατῷ ἔφασκεν. [11] ὁ δὴ ὁ Ναρσῆς ἀκούσας δεινὰ ἐποιεῖτο, καὶ τοῖς ζυνάρχουσιν τὴν μέλλῃσιν ὀνειδίζων ἐλοδορεῖτο. [12] ταὐτὸ δὲ τοῦτο καὶ ἄλλοι ἐποίουν, ἐς ἀλλήλους

ὕβριζοντες, καὶ τὸ λοιπὸν μάχης τε καὶ κινδύνου ἀφροντιστήσαντες ληΐζεσθαι τὰ ἐκείνη χωρία ἐν σπουδῇ ἐποιοῦντο. [13] ἄραντες τοίνυν ἀστρατήγητοί τε καὶ ἄτακτοι κόσμῳ οὐδενὶ ἐπίπροσθεν ἦσαν, οὔτε τι ἔχοντες σύμβολον ἐν σφίσιν αὐτοῖς, ἥπερ ἐν τοῖς τοιούτοις ἀγῶσιν εἶθισται, οὔτε πη διακεκριμένοι ἐν τάξει. [14] τοῖς γὰρ σκευοφόροις οἱ στρατιῶται ἀναμιγνύμενοι ἐπορεύοντο ὡς ἐπὶ ἀρπαγὴν ἐτοιμοτάτην ἰόντες χρημάτων μεγάλων. [15] ἐπεὶ δὲ Ἀγγλῶν ἀγχοῦ ἐγένοντο, πέμπουσι κατασκόπους, οἱ δὲ αὐτοῖς ἐπανιόντες ἀπήγγελλον τὴν τῶν πολεμίων παράταξιν. [16] οἱ δὲ στρατηγοὶ τῷ ἀπροσδοκῆτῳ καταπλαγέντες ἀναστρέφειν μὲν ζὺν στρατῷ τοσοῦτῳ τὸ πλῆθος αἰσχρόν τε καὶ ἄνανδρον ὅλως ὄντο εἶναι, τάξαντες δὲ ὡς ἐκ τῶν παρόντων εἰς τὰ τρία τέλη τὸ στράτευμα εὐθὺ τῶν πολεμίων ἐχώρουν. [17] Πέτρος μὲν οὖν κέρας τὸ δεξιὸν εἶχε, Βαλεριανὸς δὲ τὸ εὐώνυμον, εἰς δὲ τὸ μέσον οἱ ἀμφὶ Μαρτίνον ἐτάσσοντο. γινόμενοι δὲ ἀγχιστά πη τῶν ἐναντίων ἡσύχαζον, τὴν τάξιν σὺν ἀκοσμίᾳ φυλάσσοντες. [18] αἴτιον δὲ ἦν ἥ τε δυσχωρία κρημνώδης ὑπερφυῶς οὔσα καὶ τὸ ἐξ ὑπογούου διαταχθέντας ἐς τὴν μάχην καθίστασθαι. [19] ἔτι μέντοι καὶ οἱ βάρβαροι σφᾶς αὐτοὺς ἐς ὀλίγον ξυναγαγόντες ἡσυχῇ ἔμενον, περισκοπούμενοι τῶν ἐναντίων τὴν δύναμιν, προειρημένον αὐτοῖς πρὸς Ναβέδου χειρῶν μὲν ὡς ἥκιστα ἄρχειν, ἦν δὲ πη ἐπισκῆψωσιν οἱ πολέμιοι, κατὰ τὸ δυνατόν σφίσιν ἀμύνασθαι. [20] Πρῶτος δὲ Ναρσῆς ζὺν τε τοῖς Ἑρούλοις καὶ Ῥωμαίων τοῖς ἐπομένοις ἐς χεῖρας τοῖς πολεμίοις ἦλθεν, ὠθισμοῦ τε γενομένου ἐτρέψατο τοὺς κατ' αὐτὸν Πέρσας. [21] φεύγοντές τε οἱ βάρβαροι ἐς τὸ φρούριον ἀνέβαινον δρόμῳ, ἔνθα δὴ ἀλλήλους ἔργα ἀνῆκεστα ἐν τῇ στενοχωρίᾳ εἰργάζοντο. [22] καὶ τότε Ναρσῆς τε αὐτὸς τοῖς ἀμφ' αὐτὸν ἐγκελευσάμενος πολλῶ ἔτι μᾶλλον τοῖς πολεμίοις ἐνέκειτο, [23] καὶ Ῥωμαίων οἱ λοιποὶ ἔργου εἶχοντο. ἐξελθόντες δὲ ἐκ τοῦ αἰφνιδίου ἐκ τῶν κατὰ τοὺς στενωποὺς οἰκίσκων οἱ προλοχίζοντες, ὥσπερ ἐρρήθη, τῶν τε Ἑρούλων τινὰς κτείνουσιν, ἀπροσδόκητοι ἐπιτεσόντες, καὶ Ναρσῆν κατὰ κόρρης αὐτὸν παίουσι. [24] καὶ αὐτὸν Ἰσαάκης ὁ ἀδελφὸς καιρίαν τυπέντα ὑπεξήγαγε τῶν μαχομένων. ὃς δὲ ὀλίγῳ ὕστερον ἐτελεύτησεν, ἀνὴρ ἀγαθὸς ἐν τῷ πόνῳ τούτῳ γενόμενος. [25] ταραχῆς δέ, ὡς τὸ εἰκὸς, ἐνθένδε πολλῆς ἐς τὸν Ῥωμαίων στρατὸν ἐμπεσούσης, ἅπαν ὁ Ναβέδης ἐπαφῆκε τοῖς ἐναντίοις τὸ Περσῶν στράτευμα. [26] οἱ δὲ βάλλοντες ἐν τοῖς στενωποῖς ἐς πολεμίων πάμπολυ πλῆθος πολλοὺς τε ἄλλους εὐπετῶς ἔκτεινον καὶ διαφερόντως Ἑρούλους, οἱ ζὺν τῷ Ναρσῇ τὰ πρῶτα τοῖς ἐναντίοις ἐπιτεσόντες ἀφύλακτοι ἐκ τοῦ ἐπὶ πλεῖστον ἐμάχοντο. [27] οὔτε γὰρ κράνος οὔτε θώρακα οὔτε ἄλλο τι φυλακτῆριον Ἑρουλοὶ ἔχουσιν, ὅτι μὴ ἀσπίδα καὶ τριβώνιον ἀδρόν, ὃ δὲ διεζωσμένοι ἐς τὸν ἀγῶνα καθίστανται. [28] δοῦλοι μέντοι Ἑρουλοὶ καὶ ἀσπίδος χωρὶς ἐς μάχην χωροῦσιν, ἐπειδὴν δὲ ἄνδρες ἐν πολέμῳ ἀγαθοὶ γένωνται, οὕτω δὴ ἀσπίδας αὐτοῖς ἐφιασιν οἱ δεσπότες προβάλλεσθαι ἐν ταῖς ξυμβολαῖς. τὰ μὲν τῶν Ἑρούλων ταύτη πη ἔχει. [29] Ῥωμαῖοι δὲ οὐκ ἐνεγκόντες τοὺς πολεμίους ἀνὰ κράτος ἅπαντες ἔφευγον, οὔτε ἀλκῆς μεμνημένοι οὔτε τινὰ αἰδῶ ἢ ἄλλο τι ἐν νῷ ἀγαθὸν ἔχοντες. [30] Πέρσαι δὲ αὐτοὺς ὑποπτεύοντες οὐκ ἐς φυγὴν ἀναίσχυντον οὕτω τετράφθαι, ἀλλ' ἐνέδραις τισὶν ἐς αὐτοὺς χρῆσθαι, ἄχρι ἐς τὰς δυσχωρίας διώξαντες εἵτα ἀνέστρεφον, οὐ τολμῶντες ἐν

τῷ ὁμαλεῖ ὀλίγοι πρὸς πολλοὺς διαμάχεσθαι. [31] Ῥωμαῖοι μέντοι, καὶ διαφερόντως οἱ στρατηγοὶ πάντες, διώξιν ἐπὶ σφᾶς ἀεὶ ποιεῖσθαι τοὺς πολεμίους οἰόμενοι ἔφευγον ἔτι μᾶλλον, οὐδένα ἀνιέντες καιρόν, θέουσι μὲν τοῖς ἵπποις ἐγκελευόμενοι μάστιγι καὶ κραυγῇ, τοὺς δὲ θώρακας καὶ τὰ ἄλλα ὅπλα ῥιπτοῦντες σπουδῇ τε καὶ θορύβῳ ἐς ἔδαφος. [32] οὐ γὰρ ἀντιτάξασθαι καταλαμβάνουσιν αὐτοὺς ἐθάρσουν Πέρσαις, ἀλλ' ἐν μόνοις τοῖς τῶν ἵππων ποσὶ τὰς τῆς σωτηρίας ἐλπίδας εἶχον καί, τὸ ξύμπαν εἰπεῖν, τοιαύτη γέγονεν ἡ φυγὴ ὥστε τῶν ἵππων σχεδόν τι αὐτοῖς οὐδεὶς διεβίω, ἀλλ' ἡνίκα τοῦ δρόμου ἐπαύσαντο, πεσόντες εὐθὺς διεφθάρησαν. [33] καὶ πάθος τοῦτο μέγα Ῥωμαίοις οἷον οὐποτε πρότερον γέγονε. πολλοὶ τε γὰρ αὐτῶν ἔθανον καὶ πλείους ἔτι ὑπὸ τοῖς πολεμίοις ἐγένοντο. [34] ὅπλα τε αὐτῶν οἱ πολέμιοι καὶ ὑποζύγια ἔλαβον τοσαῦτα τὸ πλῆθος, ὥστε πλουσιώτερα δοκεῖν ἐκ τούτου γενέσθαι τοῦ ἔργου τὰ Περσῶν πράγματα. [35] Ἀδόλιος δὲ διὰ φρουρίου ἐν ταύτῃ δὴ τῇ ὑπαγωγῇ παριὼν ἐν Περσαρμενίοις κειμένου λίθῳ τε τὴν κεφαλὴν πρὸς τοὺς τῶν ταύτῃ ὤκημένων πληγεὶς αὐτοῦ διεφθάρη, οἱ τε ἀμφὶ τὸν Ἰουστον καὶ Περάνιον ἐσβαλόντες ἐς τὰ ἐπὶ Ταραύνων χωρία καὶ ὀλίγα ἄττα ληισάμενοι εὐθὺς ἐπανήλθον.

Τῷ δὲ ἐπιγινομένῳ ἔτει Χοσρόης ὁ Καβάδου τὸ τέταρτον ἐς γῆν τὴν Ῥωμαίων ἐσέβαλλεν, ἐπὶ τὴν Μεσοποταμίαν τὸ στράτευμα ἄγων. [2] αὕτη δὲ ἡ ἐσβολὴ τῷ Χοσρόῃ τούτῳ οὐ πρὸς Ἰουστινιανὸν τὸν Ῥωμαίων βασιλέα πεποιήται, οὐ μὴν οὐδὲ ἐπ' ἄλλων ἀνθρώπων οὐδένα, ὅτι μὴ ἐπὶ τὸν θεὸν ὄνπερ Χριστιανοὶ σέβονται μόνον. [3] ἐπειδὴ γὰρ ἐν τῇ πρώτῃ ἐφόδῳ Ἐδέσσης ἀποτυχὼν ἀνεχώρησε, πολλή τις ἐγεγόνει αὐτῷ τε καὶ μάγοις, ἅτε πρὸς τοῦ τῶν Χριστιανῶν θεοῦ ἡσσημένοις, κατήφεια. [4] ἦν δὴ παρηγορῶν ὁ Χοσρόης ἐν τοῖς βασιλείοις Ἐδεσσηνοὺς μὲν ἀνδραποδιεῖν ἠπεῖλυσεν ἅπαντας ἐς τὰ Περσῶν ἦθη, τὴν δὲ πόλιν μηλόβοτον καταστήσεσθαι. [5] παντὶ γοῦν τῷ στρατῷ ἀγχοῦ Ἐδέσσης γενόμενος, Οὔννων τῶν οἱ ἐπομένων τινὰς ἐπὶ τὸν τῆς πόλεως περίβολον ἔπεμψεν ὃς δὴ τοῦ ἵπποδρόμου καθύπερθέν ἐστιν, ἄλλο μὲν οὐδὲν κακουργήσοντας, πρόβατα δὲ ἀρπασομένους ἅπερ οἱ ποιμένες πολλὰ ἐνταυθὰ πη παρὰ τὸ τείχισμα στήσαντες ἔτυχον, χωρίου τε ἰσχυρὸν θαρσοῦντες, ὅτι δὴ ἄναντες ὑπερφυῶς ἦν, καὶ οὐποτε τολμήσειν τοὺς πολεμίους οἰόμενοι οὕτω πη ἄγχιστα τοῦ τείχους ἰέναι. [6] οἱ μὲν οὖν βάρβαροι τῶν προβάτων ἤπτοντο ἤδη, οἱ δὲ ποιμένες καρτερώτατα ἀμυνόμενοι διεκώλουν. [7] Περσῶν τε τοῖς Οὔννοις ἐπιβεβοηθηκότων πολλῶν, ἀγέλην μὲν ἐνθένδε ἀφελέσθαι τινὰ οἱ βάρβαροι ἵσχυσαν, Ῥωμαίων δὲ στρατιωτῶν τε καὶ τῶν ἀπὸ τοῦ δήμου ἐπεξεληθόντων τοῖς πολεμίοις, ἡ μὲν μάχη ἐκ χειρὸς γέγονεν, ἡ δὲ ἀγέλη αὐτόματος ἐς τοὺς ποιμένας ἐπανῆκεν αὐθις. [8] τῶν τέ τις Οὔννων πρὸ τῶν ἄλλων μαχόμενος μάλιστα πάντων ἠνώχλει Ῥωμαίους. [9] καὶ τις αὐτὸν ἀγροῖκος ἐς γόνυ τὸ δεξιὸν σφενδόνη ἐπιτυχὼν βάλλει, ὁ δὲ πρηνὴς ἀπὸ τοῦ ἵππου ἐς τὸ ἔδαφος εὐθὺς ἔπεσεν, ὃ δὴ Ῥωμαίους ἔτι μᾶλλον ἐπέρρωσεν. [10] ἥ τε μάχη πρῶτὴ ἀρξαμένη ἐτελεύτα ἐς μέσην ἡμέραν, ἐν ᾗ ἑκάτεροι τὸ πλεόν ἔχειν οἰόμενοι διελύθησαν. [11] καὶ Ῥωμαῖοι μὲν ἐντὸς τοῦ περιβόλου ἐγένοντο, οἱ δὲ βάρβαροι ἀπὸ σταδίων τῆς πόλεως ἐπὶ τὰ διεσκηνημένοι ἐστρατοπεδεύσαντο ἅπαντες. [12] Τότε ὁ Χοσρόης εἴτε τινὰ

ὄψιν ὀνείρου εἶδεν ἢ τις αὐτῷ ἔννοια γέγονεν, ὥς δις ἐγχειρήσας ἦν μὴ δυνατὸς εἶη Ἑδεσσαν ἐξελεῖν, πολλήν οἱ αἰσχύνην τινὰ περιβαλέσθαι ξυμβήσεται. [13] διὸ δὴ πολλῶν χρημάτων ἀποδόσθαι τὴν ἀναχώρησιν Ἑδεσσηνοῖς ἔγνω. [14] τῇ γοῦν ἐπιγινομένη ἡμέρᾳ Παῦλος ἐρμηνεύς παρὰ τὸ τεῖχος ἦκων ἔφασκε Ῥωμαίους χρῆναι παρὰ Χοσρόην σταλῆναι τῶν δοκίμων τινάς. [15] οἱ δὲ κατὰ τάχος τέσσαρας ἀπολεξάμενοι τῶν ἐν σφίσιν αὐτοῖς ἐπιφανῶν ἔπεμψαν. [16] οἷς δὴ ἐς τὸ Μήδων ἀφικομένοις στρατόπεδον ἐντυχὼν γνώμῃ βασιλέως ὁ Ζαβεργάνης ἀπειλαῖς τε πολλαῖς δεδιζόμενος ἀνεπυθάνετο αὐτῶν ὁπότερα σφίσιν αἰρετώτερα τυγχάνει ὄντα, πότερον τὰ ἐς τὴν εἰρήνην, ἢ τὰ ἐς τὸν πόλεμον ἄγοντα. [17] τῶν δὲ τὴν εἰρήνην ἐλέσθαι ἂν πρὸ τῶν κινδύνων ὁμολογούντων, ‘Οὐκοῦν,’ ἔφη ὁ Ζαβεργάνης, ‘ὠνεῖσθαι ὑμᾶς ταύτην ἀνάγκη χρημάτων πολλῶν.’ [18] οἱ τε πρέσβεις ἔφασαν τοσαῦτα δώσειν ὅσα παρέσχοντο πρότερον, ἥνίκα τὴν Ἀντιόχειαν ἐξελὼν ἐπ’ αὐτοὺς ἦλθε. [19] καὶ ὁ Ζαβεργάνης αὐτοὺς ξὺν γέλῳτι ἀπεπέμψατο, ἐφ’ ᾧ ἐνδελεχέστερα βουλευσάμενοι ἀμφὶ τῇ σωτηρίᾳ οὕτω δὴ αὐθις παρ’ αὐτοὺς ἔλθωσιν. [20] ὀλίγῳ τε ὕστερον μεταπεμψάμενος αὐτοὺς ὁ Χοσρόης, ἐπειδὴ παρ’ αὐτὸν ἴκοντο, κατέλεξε μὲν ὅσα τε πρότερον καὶ ὄντινα τρόπον ἐξηνδραπόδισε Ῥωμαίων χωρία, ἠπέιλησε δὲ τὰ δεινότερα Ἑδεσσηνοῖς πρὸς Περσῶν ἔσεσθαι, εἰ μὴ πάντα σφίσι τὰ χρήματα δοῖεν ὅσα τοῦ περιβόλου ἐντὸς ἔχουσιν: οὕτω γὰρ μόνως ἐνθὲνδε ἀπαλλαγῆσεσθαι τὸν στρατὸν ἔφασκε. [21] ταῦτα οἱ πρέσβεις ἀκούσαντες ὡμολόγουν μὲν παρὰ Χοσρόου τὴν εἰρήνην ὠνήσεσθαι, ἦν γε σφίσι μὴ τὰ ἀδύνατα ἐπαγγεῖλναι: τοῦ δὲ κινδύνου τὸ πέρας οὐδενὶ τῶν πάντων ἔφασαν πρὸ τῆς ἀγωνίας ἐνδηλον εἶναι. [22] πόλεμον γὰρ τοῖς αὐτὸν διαφέρουσιν ἐπὶ τοῖς ὁμολογουμένοις οὐ μὴ ποτε εἶναι. τότε μὲν οὖν ξὺν ὀργῇ ὁ Χοσρόης τοὺς πρέσβεις ἐκέλευεν ὅτι τάχιστα ἀπαλλάσσεσθαι. [23] Ἡμέρᾳ δὲ ἀπὸ τῆς προσεδρείας ὀγδὴ λόφον ἐπαναστῆσαι χειροποίητον τῷ τῆς πόλεως περιβόλῳ βουλόμενος, ἐπεὶ τὰ δένδρα ἐκτεμῶν αὐτοῖς φύλλοις πολλὰ ἐκ χωρίων ἐγγὺς πη ὄντων πρὸ τοῦ τείχους ἐν τετραγώνῳ ξυνέθηκεν, οὗ δὴ βέλος ἐκ τῆς πόλεως ἐξικνεῖσθαι ἀδύνατα ἦν, χοῦν τε πολὺν τινα ἀτεχνῶς ὑπερθεῖν τῶν δένδρων ξυναμυσάμενος μέγα τι χρῆμα λίθων ἐπέβαλλεν, οὐκ ἐχόντων εἰς οἰκοδομίαν ἐπιτηδεῖως, ἀλλ’ εἰκὴ τμηθέντων, ἐκείνου μόνου ἐπιμελούμενος, ὅπως δὴ ὁ λόφος ὅτι τάχιστα ἐς ὕψος μέγα ἐπαίροιτο. [24] καὶ ξύλα μακρὰ τοῦ τε χοῦ καὶ τῶν λίθων μεταξὺ ἐς αἰεὶ ἐμβαλλόμενος ἐνδεσμον ἐποιεῖτο τοῦ ἔργου, [25] ὅπως μὴ ὑψηλὸν γενόμενον ἀσθενὲς εἶη. Πέτρος δὲ ὁ Ῥωμαίων στρατηγὸς ἔνταῦθα γὰρ ξὺν Μαρτίνῳ καὶ Περανίῳ ἐτύγχανεν ὧν τοὺς ταῦτα ἐργαζομένους ἀναστέλλειν ἐθέλων Οὐννων τῶν οἱ ἐπομένων τινὰς ἐπ’ αὐτοὺς ἔπεμψεν. [26] οἱ δὲ πολλοὺς ἐκ τοῦ αἰφνιδίου ἐπελθόντες ἀνεῖλον, καὶ πάντων μάλιστα τῶν τις δορυφόρων, Ἀργήκ ὄνομα: [27] μόνος γὰρ ἐπὶ καὶ εἴκοσιν ἔκτεινε. τῶν μέντοι βαρβάρων φυλακὴν ἀκριβῆ τὸ λοιπὸν ποιουμένων, οὐκέτι ἐπεξίεναι τινὲς ἐπ’ αὐτοὺς ἔσχον. [28] ἐπεὶ δὲ προϊόντες ἐντὸς βέλους οἱ τεχνῖται τοῦ ἔργου τούτου ἐγένοντο, καρτερώτατα ἤδη ἀμυνόμενοι ἀπὸ τοῦ περιβόλου Ῥωμαῖοι τάς τε σφενδόνας ἐπ’ αὐτοὺς καὶ τὰ τόξα ἐνήργουν. διὸ δὴ οἱ βάρβαροι ἐπενόουν τάδε. [29] προκαλύμματα ἐκ τραγείων τριχῶν, ἃ δὴ

καλοῦσι Κιλίκια, πάχους τε καὶ μήκους διαρκῶς ἔχοντα, ἀρτήσαντες ἐκ ξύλων μακρῶν ἐπίπροσθεν αἰεὶ τὴν ἄγεσταν ἐργαζομένων ἐτίθεντο· οὕτω γὰρ τὸ ποιοῦμενον τῇ Λατίνων φωνῇ ἐκάλουν Ῥωμαῖοι. [30] ἐνταῦθα γὰρ οὔτε πυρφόροι οἱστοὶ οὔτε τὰ ἄλλα βέλη ἐξικνεῖσθαι εἶχον, ἀλλ' αὐτοῦ ἐπὶ τῶν προκαλυμμάτων ἀποκρουόμενα ζυμπαντα ἔμενε. [31] καὶ τότε Ῥωμαῖοι ἐς δέος μέγα ἐμπεπτωκότες τοὺς πρέσβεις παρὰ Χοσρόην σὺν θορύβῳ πολλῷ ἔπεμπον καὶ Στέφανον σὺν αὐτοῖς, ἔν γε τοῖς κατ' αὐτὸν ἰατροῖς λόγιον, ὃς δὴ Καβάδην τὸν Περόζου νοσοῦντά ποτε ἰασάμενος κύριος χρημάτων μεγάλων πρὸς αὐτοῦ γέγονεν. [32] ὃς δὴ, ἐπεὶ παρὰ Χοσρόην ζὺν τοῖς ἄλλοις ἐγένετο, ἔλεξεν ὧδε, 'Βασιλέως τὴν φιланθρωπίαν ἀγαθοῦ γνώρισμα πάντες ἐκ παλαιοῦ νενομίκασιν. [33] οὐκοῦν, ὦ κράτιστε βασιλεῦ, φόνους σοι καὶ μάχας ἐργαζομένῳ καὶ πόλεων ἀνδραποδισμοὺς τῶν μὲν ἄλλων ἴσως ὀνομάτων παρέσται τυχεῖν, τὸ δὲ ἀγαθὸν εἶναι δοκεῖν οὐ μήποτε ἔσται. [34] καίτοι πασῶν γε ἥκιστα χρὴν τῇ Ἐδεσσηνῶν πόλει παρὰ σοῦ τι ξυμβῆναι φλαῦρον. [35] ἐντεῦθεν γὰρ ἔγωγε ὥρμημαι, ὅσπερ σε τῶν ἐσομένων οὐδὲν προειδὼς ἐξέθρεψά τε καὶ τῷ πατρὶ τῷ σῷ ξύμβουλος γεγονώς, ἐφ' ᾧ σε τῆς ἀρχῆς διάδοχον καταστήσεται, σοὶ μὲν τῆς Περσῶν βασιλείας αἰτιώτατος γέγονα, τῇ δὲ πατρίδι τῶν παρόντων κακῶν. [36] οἱ γὰρ ἄνθρωποι τὰ πολλὰ τῶν ἀτυχημάτων σφίσιν αὐτοῖς ἐκ τοῦ ἐπὶ πλεῖστον τῶν ξυμβησομένων προστρίβονται. [37] ἀλλ' εἴ τίς σε τῆς τοιαύτης εὐεργεσίας εἰσέρχεται μνήμη, μηδὲν ἡμᾶς ἐργάσῃ περαιτέρω κακόν, ταύτην διδούς μοι τὴν ἀμοιβήν, ἐξ ἧς σοι, ὦ βασιλεῦ, τὸ μὴ δοκεῖν ὠμοτάτῳ εἶναι ξυμβήσεται.' Στέφανος μὲν τοσαῦτα εἶπε. [38] Χοσρόης δὲ οὐ πρότερον ἀπαλλαγῆσεσθαι ὠμολόγει ἐνθένδε, εἰ μὴ Πέτρον τε καὶ Περάνιον αὐτῷ παραδοῖεν Ῥωμαῖοι, ὅτι δὴ οἱ, δοῦλοί γε ὄντες πατρῷοι, τετολμήκασιν ἀντιτάξασθαι. [39] τοῦτο δὲ ἦν μὴ δρᾶν Ῥωμαίοις ἐν ἡδονῇ ἐστίν, ἀλλὰ δυοῖν αὐτοὺς ἐπάναγκες ἐλέσθαι τὸ ἕτερον, ἢ πεντακόσια κεντηνάρια χρυσοῦ σφίσι διδόναι, ἢ δέξασθαι τῇ πόλει τῶν οἱ ἐπιτηδεῖων τινάς, οἱ τὰ χρήματα διερευνησάμενοι ἅπαντα τὸν μὲν χρυσόν τε καὶ ἄργυρον, ὅσον δὴ ἐνταῦθα ξυμβαίνει εἶναι, κομίζοντες ἐς αὐτὸν ἦξουσι, [40] τᾶλλα δὲ τοὺς κυρίους ἑάσουσιν ἔχειν. ταῦτα μὲν ὁ Χοσρόης ἀπέρριπεν, Ἐδεσσαν ἐξελεῖν πόνῳ οὐδενὶ ἐλπίδα ἔχων. οἱ δὲ πρέσβεις ἅπαντα γὰρ σφίσιν ἀδύνατα ἔδοξεν εἶναι ὅσα ἐκεῖνος ἀπήγγελλε διαπορούμενοί τε καὶ λίαν ἀσχάλλοντες ἐπὶ τὴν πόλιν ἐβάδιζον. [41] ἐπεὶ τε ἐντὸς τοῦ περιβόλου γενόμενοι τὰ παρὰ Χοσρόου ἀπήγγελλον, θορύβου τε καὶ θρήνων ἡ πόλις ἔμπλεως ἐγένετο. [42] Ἡ μὲν οὖν τοῦ λόφου κατασκευὴ ἐπὶ τε ὕψος ἤρετο μέγα καὶ σπουδῇ πολλῇ ἐπίπροσθεν ἦει. Ῥωμαῖοι δὲ οὐκ ἔχοντες ὅ τι καὶ δράσουσι, πάλιν τοὺς πρέσβεις παρὰ Χοσρόην ἀπέστελλον. [43] οἵπερ ἐπειδὴ ἐν τῷ τῶν πολεμίων στρατοπέδῳ ἐγένοντο, περὶ τε τῶν αὐτῶν δεησόμενοι ἔφασκον ἦκειν, λόγου μὲν οὐδ' ὅπωςτιοῦν πρὸς Περσῶν ἔτυχον, ὕβρει δὲ καὶ θορύβῳ πολλῷ ἐνθένδε ἐξελαυνόμενοι ἐς τὴν πόλιν ἐχώρουν. [44] τὰ μὲν οὖν πρῶτα Ῥωμαῖοι τὸ κατὰ τὸν λόφον τεῖχος ἐτέρᾳ ἐνεχειρῶν οἰκοδομίᾳ τινὶ ὑπερβαλέσθαι· ὥς δὲ καὶ ταύτης τὸ Περσῶν ἔργον πολλῷ καθυπέρτερον ἐγίνετο ἤδη, τῆς μὲν οἰκοδομίας ἀπέστησαν, Μαρτίνον δὲ πείθουσι τὰ ἀμφὶ τῇ ξυμβάσει τρόπῳ δὴ ὅτῳ βούλοιο διοικήσασθαι. καὶ ὃς ἄγχιστα τοῦ τῶν

πολεμίων στρατοπέδου γενόμενος τῶν τισιν ἐν Πέρσαις ἀρχόντων ἐς λόγους ἦλθεν. [45] οἱ δὲ τὸν Μαρτίνον ἐξαπατῶντες εἰρηναῖα μὲν σφῶν τὸν βασιλέα βούλεσθαι ἔφασαν, αὐτὸν δὲ ὡς ἥκιστα οἶόν τε εἶναι τὸν Ῥωμαίων αὐτοκράτορα πείθειν τῆς πρὸς Χοσρόην φιλονεικίας ἀφέμενον τὴν εἰρήνην ποτὲ πρὸς αὐτὸν θήσεσθαι: [46] ἐπεὶ καὶ Βελισάριον, ὄνπερ τῇ τε δυνάμει καὶ τῷ ἀξιώματι πολὺ Μαρτίνου προὔχειν οὐδ' ἂν αὐτὸς ἀντείποι, πείσαι μὲν ἔναγχος τὸν Περσῶν βασιλέα, ὄντα δὴ πού ἐν μέσοις Ῥωμαίοις, ἐνθὲνδε ἀπαλλάσσεσθαι ἐς τὰ Περσῶν ἦθη, ὑποσχόμενον πρέσβεις τε παρ' αὐτὸν οὐκ εἰς μακρὰν ἐκ Βυζαντίου ἀφίξεσθαι καὶ τὴν εἰρήνην ἐν τῷ βεβαίῳ κρατύνασθαι, πρᾶξι δὲ τῶν ὁμολογημένων οὐδέν, ἀδύνατον γεγονότα τὴν Ἰουστινιανοῦ βασιλέως βιάσασθαι γνώμην.

Ἐν τούτῳ δὲ Ῥωμαῖοι ἐποιοῦν τοιάδε. διώρυχα ἐκ τῆς πόλεως ἐνερθεν τῶν πολεμίων τοῦ χώματος ἐργασάμενοι ἐκέλευον τοὺς ὀρύσσοντας μὴ μεθίεσθαι τοῦ ἔργου τούτου, ἕως ὑπὸ τὸν λόφον γένωνται μέσον. ταύτῃ γὰρ καῦσαι τὸ χῶμα τοῦτο διεννοοῦντο. [2] προϊούσης δὲ τῆς διώρυχος κατὰ τὸν λόφον μάλιστα μέσον πάταγός τις ἐς τῶν Περσῶν τοὺς ὑπερθεν ἐστῶτας ἦλθεν. [3] αἰσθόμενοι τε τοῦ ποιουμένου καὶ αὐτοὶ ἄνωθεν ἀρξάμενοι ἐφ' ἑκάτερα τοῦ μέσου ὥρυσσον, ὅπως λάβοιεν τοὺς ἐκείνη κακουργοῦντας Ῥωμαίους. [4] ὁ δὲ γνόντες Ῥωμαῖοι τούτου μὲν ἀπέσχοντο, χοῦν ἐπὶ τὸν κενωθέντα χῶρον ἐπιβαλόντες, ἐκ δὲ ἄκρου χώματος κάτωθεν, ὁ πρὸς τῷ τείχει ἐτύγχανεν ὄν, ξύλα τε καὶ λίθους καὶ χοῦν ἐκφορήσαντες καθάπερ οἰκίσκου σχῆμα εἰργάσαντο, πρέμνα τε δένδρων τῶν ῥᾶστα καιομένων ξηρὰ ἐνταῦθα ἐσέβαλλον, ἐλαίῳ τε καταβεβρεγμένα τῷ ἐκ κέδρου πεποιημένῳ καὶ θείῳ τε καὶ ἀσφάλτῳ πολλῇ. [5] καὶ οἱ μὲν ταῦτα ἐν παρασκευῇ εἶχον, οἱ δὲ Περσῶν ἄρχοντες πολλάκις ἐντυχόντες Μαρτίνῳ τοιαῦτα μὲν οἶα πέρ μοι εἴρηται διελέχθησαν, δόκησιν παρεχόμενοι ὡς τοὺς ἀμφὶ τῇ εἰρήνῃ ἐνδέξονται λόγους. [6] ἐπεὶ δὲ ὁ λόφος αὐτοῖς ἐτετέλεστο ἤδη, καὶ πλησιάζων μὲν τῷ περιβόλῳ τῆς πόλεως, ὕψει δὲ αὐτὸν πολλῷ ὑπεραίρων ἐπὶ μέγα ἐπῆρτο, Μαρτίνον μὲν ἀπεπέμψαντο διαρρήδην ἀπειπόντες τὴν ξύμβασιν, ἔργου δὲ ἔχεσθαι τὸ λοιπὸν ἔμελλον. [7] Διὸ δὲ Ῥωμαῖοι τῶν δένδρων τὰ πρέμνα εὐθὺς ἔκαυσαν ἅπερ ἐς τοῦτο ἡτοίμαστο. τοῦ δὲ πυρὸς μοῖραν μὲν τοῦ χώματός τινα καύσαντος, οὐπω δὲ διὰ παντὸς ἐξικνεῖσθαι ισχύσαντος, τὰ ξύλα δεδαπανῆσθαι πάντα ἔτυχεν. αἰεὶ γὰρ ἐσέβαλον ἐς τὴν διώρυχα ξύλα ἕτερα, οὐδένα ἀνιέντες καιρόν. [8] ἥδη δὲ τοῦ πυρὸς ἅπαν ἐνεργοῦντος τὸ χῶμα, καπνός τις ὑπερθεν πανταχῇ τοῦ λόφου ἐφαίνετο νύκτωρ, Ῥωμαῖοί τε οὐπω ἐθέλοντες αἰσθῆσιν τοῦ ποιουμένου Πέρσαις παρέχειν ἐπενόουν τάδε. [9] ἀνθράκων τε καὶ πυρὸς ἀγγεῖα μικρὰ ἐμπλησάμενοι, ταῦτά τε καὶ πυρφόρους οἰστοὺς τοῦ χώματος πανταχόσε συχνὰ ἔπεμπον: ἃ δὲ οἱ Πέρσαι, ὅσοι φυλακὴν ἐνταῦθα εἶχον, ξὺν πάσῃ σπουδῇ περιμόντες ἐσβέννουν καὶ ἀπ' αὐτοῦ φύεσθαι τὸν καπνὸν ᾤοντο. [10] προϊόντος δὲ τοῦ κακοῦ πλήθει μὲν πολλῷ ἐβοήθουν οἱ βάρβαροι, βάλλοντες δὲ αὐτοὺς, ἀπὸ τοῦ περιβόλου Ῥωμαῖοι πολλοὺς ἔκτειναν. [11] οὗ δὲ καὶ Χοσρόης ἀμφὶ ἡλίου ἀνατολὰς ἦλθε, καὶ οἱ τὸ πλεῖστον τοῦ στρατοῦ εἴπετο, ἕς τε τὸν λόφον ἀναβὰς πρῶτος ἔλαβε τοῦ κακοῦ αἴσθησιν. [12] ἐνερθεν γὰρ ἀπεφάνετο τοῦ καπνοῦ τὸ αἴτιον εἶναι, οὐκ

ἀφ' ὧν ἐσηκόντιζον οἱ πολέμοιοι, βοηθεῖν τε κατὰ τάχος ἐκέλευε τὸ στράτευμα ὅλον. [13] καὶ Ῥωμαῖοι θαρσοῦντες ἐς αὐτοὺς ὕβριζον, τῶν δὲ βαρβάρων οἱ μὲν τινες χοῦν, οἱ δὲ καὶ ὕδωρ ἐπιβάλλοντες ἥ ὁ καπνὸς διεφαίνετο, περιέσεσθαι τοῦ δεινοῦ ἡλπιζον, ἀνύειν μέντοι οὐδὲν οὐδαμῇ εἶχον. [14] ἥ τε γὰρ ὁ χοῦς ἐπιβληθείη, ταύτη μὲν ὁ καπνός, ὡς τὸ εἰκός, ἀνεστέλλετο, ἐτέρωθι δὲ οὐκ εἰς μακρὰν ἀνεδίδοτο, αὐτὸν τοῦ πυρὸς καὶ βιάζεσθαι τὴν ἐξοδὸν ὅπη δύναίτο ἀναγκάζοντος· τό τε ὕδωρ ἥ μάλιστα ἐπισκήψειε, πολλῶ ἔτι μᾶλλον τὴν τε ἄσφαλτον καὶ τὸ θεῖον καὶ τὸ θεῖον ἐνεργεῖν ἴσχυεν ἐπὶ τὴν ἐν ποσὶν ὕλην ἀκμάζειν ἐποίει, καὶ τὸ πῦρ ἐπὶ τὰ πρόσω αἰεὶ ἐνήγεν, ἐπεὶ τοῦ χώματος ἐντὸς οὐδαμῇ τοσοῦτον ἐξικνεῖσθαι τοῦ ὕδατος εἶχεν ὅσον τῷ ὑπερβάλλοντι κατασβέσαι τὴν φλόγα οἷόν τε εἶναι. [15] ὁ δὲ καπνὸς ἀμφὶ δεῖλιν ὀψίαν τοσοῦτος ἐγένετο ὥστε καὶ τοῖς Καρρηνοῖς καὶ ἄλλοις τισὶ πολλῶ ἐπέκεινα ὀκνημένοις ἐνδηλος εἶναι. [16] Περσῶν δὲ καὶ Ῥωμαίων πολλῶν ὑπερθεῖν ἀναβεβηκότων τοῦ χώματος, μάχης τε καὶ ὠθισμοῦ ἐνταῦθα ξυστάντος, ἐνίκων Ῥωμαῖοι. [17] τότε καὶ ἡ φλόξ λαμπρῶς ἐκδοθεῖσα ὑπὲρ τὸ χῶμα ἐφαίνετο, Πέρσαι δὲ τοῦ μὲν ἔργου τούτου ἀπέσχοντο. [18] Ἐκτὴ δὲ ἀπὸ ταύτης ἡμέρας, ὄρθρου βαθέος, μοῖρα τινὶ τοῦ περιβόλου λάθρα ἐπέσκηψαν κλίμακας ἔχοντες, οὗ δὴ τὸ φρούριον ἐπωνόμασται. [19] τῶν δὲ φυλακὴν ἐνταῦθα ἐχόντων Ῥωμαίων πρῶτόν τινα καθευδόντων ὕπνον, ἅτε τῆς νυκτὸς πρὸς πέρας ἰούσης, ἡσυχῇ τὰς κλίμακας τῷ τείχει ἐρείσαντες ἀνέβαινον ἥδη. [20] τῶν δὲ τις ἀγροίκων μόνος ἐργηγορῶς ἐν Ῥωμαίοις ἅπασιν ἔτυχεν, ὃς δὴ ξὺν βοῇ τε καὶ θορύβῳ πολλῶ ἅπαντας ἤγειρε. [21] καὶ μάχης καρτερᾶς γενομένης ἡσσωμένοι Πέρσαι, ἔς τε τὸ στρατόπεδον ἀνεχώρησαν, αὐτοῦ λιπόντες τὰς κλίμακας, ὥσπερ κατ' ἐξουσίαν Ῥωμαῖοι ἀνεῖλκον. [22] Χοσρόης δὲ ἀμφὶ ἡμέραν μέσσην πολλὴν τινα τοῦ στρατοῦ μοῖραν ἐπὶ τὴν μεγάλην καλουμένην πύλιν ὡς τειχομαχίσοντας ἔπεμψεν. [23] οἷς δὴ Ῥωμαῖοι ὑπαντίασαντες οὐ στρατιῶται μόνον, ἀλλὰ καὶ ἀγροῖκοι καὶ τοῦ δήμου τινὲς καὶ μάχῃ νικήσαντες παρὰ πολὺ τοὺς βαρβάρους ἐτρέψαντο. [24] ἔτι τε Περσῶν διωκομένων Παῦλος ἐρμηνεὺς παρὰ Χοσρόου ἦκων ἐς μέσους Ῥωμαίους ἀπήγγελλε Ῥεκινάριον ἐπὶ τῇ εἰρήνῃ ἐκ Βυζαντίου ἦκειν, οὕτω τε ἀμφοτέρω διελύθησαν. [25] ἥδη δὲ τισὶ πρότερον ἡμέραις ὁ Ῥεκινάριος ἐς τὸ τῶν βαρβάρων στρατόπεδον ἀφίκετο. [26] ἀλλὰ τοῦτο ἐς Ῥωμαίους ὡς ἦκιστα ἐξήνεγκαν Πέρσαι, караδοκοῦντες δηλονότι τὴν ἐς τὸ τεῖχος ἐπιβουλὴν, ὅπως, ἦν μὲν αὐτὸ ἐξελεῖν δύνωνται, μηδαμῇ ἐς τὰς σπονδὰς παρανομεῖν δόξωσιν, ἡσσηθέντες δέ, ὅπερ ἐγένετο, τὰ ἐς τὴν ζύμβασιν, Ῥωμαίων προκαλουμένων πρὸς αὐτάς, [27] θήσονται. ἐπεὶ δὲ Ῥεκινάριος ἐγένετο εἰσω πυλῶν, Πέρσαι μὲν ἡξίουσαν τοὺς τὴν εἰρήνην διοικησομένους παρὰ : Χοσρόην αὐτίκα δὴ μάλα ἰέναι, Ῥωμαῖοι δὲ σταλήσεσθαι πρέσβεις ἡμέραις τρισὶν ὕστερον ἔφασαν· ταυτὶ γὰρ σφίσι κακῶς τοῦ σώματος Μαρτίνον τὸν στρατηγὸν ἔχειν. [28] Εἶναί τε ὑποτοπάζων οὐχ ὑγιᾶ τὸν λόγον Χοσρόης τὰ ἐς τὴν παράταξιν ἐξηρτύετο. καὶ τότε μὲν πλίνθων πάμπολύ τι χρῆμα ἐπὶ τὸ χῶμα ἐπέβαλε, δυοῖν δὲ ὕστερον ἡμέραις παντὶ τῷ στρατῷ ὡς τειχομαχίσων ἐπὶ τὸν τῆς πόλεως περίβολον ἦλθεν. [29] ἐν τε πύλῃ ἐκάστη τῶν τινὰς ἀρχόντων καὶ μέρος τι τοῦ στρατεύματος καταστησάμενος ἅπαν τε τὸ τεῖχος

ταύτη περιβαλὼν κλίμακάς τε αὐτῷ καὶ μηχανὰς προσῆγεν. [30] ὀπισθεν δὲ τοὺς Σαρακηνοὺς ἅπαντας ξὺν τῶν Περσῶν τισιν ἔταξεν, οὐκ ἐφ' ᾧ τῷ περιβόλῳ προσβάλωσιν, ἀλλ' ὅπως ἀλικομένης τῆς πόλεως αὐτοὶ τοὺς φεύγοντας σαγηνεύσαντες λάβωσι. [31] τοιαύτη μὲν γνώμη τὸ στράτευμα ὁ Χοσρόης οὕτω διέταξε. τῆς δὲ μάχης πρῶτῃ ἀρξαμένης κατ' ἀρχὰς μὲν τὰ Περσῶν καθυπέρτερα ἦν. [32] πολλοὶ γὰρ πρὸς λίαν ὀλίγους ἐμάχοντο, ἐπεὶ τῶν Ῥωμαίων οἱ πλεῖστοι ἀνήκοοί τε τῶν ποιουμένων καὶ ἀπαράσκευοι παντάπασιν ἦσαν. [33] προιούσης δὲ τῆς ξυμβολῆς θορύβων τε καὶ ταραχῆς ἔμπλεως ἡ πόλις ἐγένετο, καὶ ξύμπαντες ἤδη αὐταῖς γυναιξὶ καὶ παιδαρίοις ἐπὶ τὸ τεῖχος ἀνέβαινον. [34] οἱ μὲν οὖν ἐν ἡλικίᾳ ξὺν τοῖς στρατιώταις καρτερώτατα τοὺς πολεμίους ἡμύνοντο, καὶ τῶν ἀγροίκων πολλοὶ ἐς τοὺς βαρβάρους ἔργα θαυμαστὰ ἐπεδείκνυντο. [35] παῖδες δὲ καὶ γυναῖκες ξὺν τοῖς γεγηρακόσι λίθους τε τοῖς μαχομένοις ξυνέλεγον καὶ τᾶλλα ὑπούργουν. [36] τινὲς δὲ καὶ λέβητας ἐλαίου πολλοὺς ἐμπλησάμενοι πυρὶ τε αὐτοὺς πανταχῇ τοῦ τεύχους ἐς διαρκῆ θερμήναντες χρόνον καὶ ζέον ὑπεράγαν τὸ ἔλαιον περιρραντηρίοις τισὶν ἐπιχέοντες ἔτι μᾶλλον τοὺς πολεμίους τοὺς τῷ περιβόλῳ προσιόντας ἐλύπουν. [37] ἤδη μὲν οὖν ἀπειπόντες οἱ Πέρσαι τὰ ὅπλα ἐρρίπτουν, τῷ τε βασιλεῖ ἐς ὄψιν ἐλθόντες πρὸς τὸν πόνον ἀντέχειν οὐκέτι ἔφασκον οἷοί τε εἶναι. [38] θυμῷ δὲ πολλῷ ὁ Χοσρόης ἐχόμενος καὶ ξὺν ἀπειλῇ ἐγκελευόμενος ἅπασιν ἐπὶ τοὺς πολεμίους ἐνήγεν. [39] οἱ δὲ κραυγῇ καὶ θορύβῳ πολλῷ τοὺς τε πύργους καὶ τὰς ἄλλας μηχανὰς τῷ τεύχει προσῆγον καὶ τὰς κλίμακας ἐπετίθεντο, ὥς τὴν πόλιν αὐτοβοεῖ ἐξαιρήσοντες. [40] τῶν δὲ Ῥωμαίων συχὰ τε βαλλόντων καὶ παντὶ σθένει ἀμυνομένων, τρέπονται μὲν κατὰ κράτος οἱ βάρβαροι, ἀναχωροῦντα δὲ τὸν Χοσρόην ἐτόθαζον Ῥωμαῖοι, ἐς τειχομαχίαν παρακαλοῦντες. [41] μόνος δὲ Ἀζαρέθης ἀμφὶ πύλας τὰς Σοῖνας καλουμένας ξὺν τοῖς ἐπομένοις ἐμάχετο, οὗ δὴ Τριπυργίαν καλοῦσι τὸν χώρον. [42] τῶν δὲ ταύτῃ Ῥωμαίων οὐκ ὄντων σφίσιν ἀξιωμαχῶν, ἀλλὰ καὶ πρὸς τὰς προσβολὰς ἀπειπόντων, ἤδη τὸ ἐκτὸς τεῖχος, ὃ δὴ καλοῦσι προτείχισμα, πολλαχῇ διελόντες οἱ βάρβαροι ἰσχυρότατα τοῖς ἐκ τοῦ μεγάλου περιβόλου ἀμυνομένοις ἐνέκειντο, ἕως αὐτοῖς Περάνιος ξὺν τε στρατιώταις πολλοῖς καὶ τῶν Ἐδεσσηνῶν τισιν ἐπεξήλθε μάχη τε νικήσας ἐξήλασε. [43] καὶ ἡ τειχομαχία πρῶτῃ ἀρξαμένη ἐτελεύτα εἰς δείλην ὀψίαν, ἀμφοτέροι τε τὴν νύκτα ἐκείνην ἡσυχῇ ἔμενον, Πέρσαι μὲν περὶ τε τοῖς χαρακώμασι δεδιότες καὶ σφίσιν αὐτοῖς, Ῥωμαῖοι δὲ λίθους τε ξυλλέγοντες ἐς τὰς ἐπάλξεις καὶ τᾶλλα ἐν παρασκευῇ τῇ πάσῃ ποιοῦμενοι, ὥς τῇ ὑστεραίᾳ μαχοῦμενοι τοῖς πολεμίοις ἐπὶ τὸ τεῖχος προσβαλοῦσιν. [44] ἡμέρα μὲν οὖν τῇ ἐπιγινομένη τῶν βαρβάρων οὐδεὶς ἐπὶ τὸν περίβολον ἦλθε, τῇ δὲ μετ' ἐκείνην μοῖρα μὲν τοῦ στρατοῦ Χοσρόου ἐγκελευομένου ταῖς Βαρλαοῦ καλουμέναις πύλαις ἐπέσκηψεν, ὑπαντιασάντων δὲ Ῥωμαίων αὐτοῖς ἡσσήθησάν τε παρὰ πολὺ τῇ μάχῃ καὶ δι' ὀλίγου ἐς τὸ στρατόπεδον ἀνεχώρησαν. [45] καὶ τότε Παῦλος ὁ Περσῶν ἐρμηνεὺς παρὰ τὸ τεῖχος ἦκων Μαρτίνον ἐκάλει, ἐφ' ᾧ τὰ ἐς τὴν ξύμβασιν διοικήσεται. [46] οὕτω τε Μαρτίνου τοῖς Περσῶν ἄρχουσιν ἐς λόγους ἐλθόντος ξυνέβησαν, καὶ πέντε κεντηνάρια πρὸς τῶν Ἐδεσσηνῶν ὁ Χοσρόης λαβὼν ἐν γράμμασιν αὐτοῖς τὴν ὁμολογίαν ἀπέλιπε τοῦ μηδὲν Ῥωμαίοις

περαιτέρω λυμήνασθαι, τὰ τε χαρακώματα πάντα ἐμπρήσας ἐπ' οἶκον ἀνεχώρησε παντὶ τῷ στρατῷ.

Ὑπὸ τὸν χρόνον τοῦτον Ῥωμαίων τετελευτήκασι στρατηγοὶ δύο, Ἰουστός τε ὁ βασιλέως ἀνεψιὸς καὶ Περάνιος ὁ Ἰβηρ, Ἰουστός μὲν νόσῳ διαφθαρεὶς, Περανίῳ δὲ συνέβη ἐν κυνηγεσίῳ τοῦ ἵππου ἐκπεπτωκότη διαρραγῆναι. [2] διὸ δὴ ἀντ' αὐτῶν βασιλεὺς ἐτέρους καταστησάμενος ἔπεμψε Μάρκελλον τε, τὸν ἀδελφιδοῦν τὸν αὐτοῦ ἄρτι γενειάσκοντα, καὶ Κωνσταντιανόν, ὃς δὴ ὀλίγῳ πρότερον ἅμα Σεργίῳ παρὰ Χοσρόην πρεσβεύων ἐστάλη. [3] ἔπειτα δὲ Ἰουστινιανὸς βασιλεὺς πρέσβεις παρὰ Χοσρόην ἐπὶ τῇ ξυμβάσει Κωνσταντιανόν τε καὶ Σέργιον ἔπεμψεν. [4] οἱ δὲ αὐτὸν καταλαμβάνουσιν ἐν Ἀσσυρίοις, οὗ δὴ πολίσματα δύο Σελεύκειά τε καὶ Κτησιφῶν ἐστί, Μακεδόνων αὐτὰ δειμαμένων οἱ μετὰ τὸν Φιλίππου Ἀλέξανδρον Περσῶν τε ἦρξαν καὶ τῶν ταύτῃ ἐθνῶν. [5] ἄμφω δὲ ταῦτα Τίγρης ποταμὸς διορίζει· οὐ γὰρ ἄλλην χώραν μεταξὺ ἔχουσιν. [6] ἐνταῦθα ἐντυχόντες Χοσρόῃ οἱ πρέσβεις ἠξίουσαν μὲν τὰ ἐπὶ τῆς Λαζικῆς χωρία Ῥωμαίοις ἀποδοῦναι, βεβαιότατα δὲ πρὸς αὐτοὺς τὰ ἀμφὶ τῇ εἰρήνῃ κρατύνασθαι. [7] Χοσρόης δὲ οὐ ῥάδιον αὐτοὺς ἔφασκεν εἶναι ἀλλήλοις ξυμβῆναι, ἣν μὴ τινα ἐκεχειρίαν θέμενοι πρότερον οὕτω τε ἀδεέστερον αἰεὶ ἐς ἀλλήλους φοιτῶντες τὰ τε διάφορα διαλύσουσι καὶ τὰ τῆς εἰρήνης ἐν τῷ ἀσφαλεῖ τὸ λοιπὸν θήσονται. [8] χρῆναι δὲ ὑπὲρ τῆς αἰεὶ ἐκεχειρίας χρήματά τε οἱ τὸν Ῥωμαίων αὐτοκράτορα δοῦναι καὶ τινα Τριβοῦνον ὄνομα ἱατρὸν πέμψαι, ἐφ' ᾧ οἱ ξυνδιατρίψει τακτόν τινα χρόνον. [9] ἐτύγγανε γὰρ ὁ ἱατρὸς οὗτος νόσου τε αὐτὸν ἀπαλλάξας χαλεπῆς πρότερον καὶ ἀπ' αὐτοῦ φίλος τε καὶ ποθεινὸς ἐς τὰ μάλιστα ὢν. [10] ταῦτα ἐπεὶ βασιλεὺς Ἰουστινιανὸς ἤκουσε, τὸν τε Τριβοῦνον καὶ τὰ χρήματα εὐθὺς ἔπεμψε ξυνιόντα ἐς κεντηνάρια εἴκοσιν. [11] οὕτω τε αἱ σπονδαὶ γεγόνασι Ῥωμαίοις τε καὶ Πέρσαις ἐς ἐνιαυτοὺς πέντε, δέκατόν τε καὶ ἕνατον ἔτος Ἰουστινιανοῦ βασιλέως τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [12] Ὀλίγῳ δὲ ὕστερον Ἀρέθας τε καὶ Ἀλαμούνδαρος, οἱ τῶν Σαρακηνῶν ἄρχοντες, πόλεμον πρὸς ἀλλήλους κατὰ μόνας διέφερον, οὔτε Ῥωμαίων οὔτε Περσῶν ἀμυνόντων σφίσι. [13] καὶ Ἀλαμούνδαρος μὲν ἓνα τῶν Ἀρέθα παίδων ἵππους νέμοντα ἐξ ἐπιδρομῆς ἐλὼν τῇ Ἀφροδίτῃ εὐθὺς ἔθυσε, καὶ ἀπ' αὐτοῦ ἐγνώσθη οὐ καταπροῖεσθαι τὰ Ῥωμαίων πράγματα Πέρσαις Ἀρέθαν. [14] μετὰ δὲ ξυνίασιν μὲν ἐς μάχην ἑκάτεροι παντὶ τῷ στρατῷ, νικῶσιν δὲ κατὰ κράτος οἱ ξὺν τῷ Ἀρέθῃ, τρεψάμενοί τε τοὺς πολεμίους πολλοὺς ἔκτειναν. καὶ παρ' ὀλίγον Ἀρέθας ἦλθε δύο τῶν Ἀλαμουνδάρου παίδων ζῶντας ἐλεῖν, οὐ μέντοι γε εἴλε. τὰ μὲν οὖν Σαρακηνῶν ταύτῃ πῃ εἶχεν. [15] Χοσρόης δέ, ὁ Περσῶν βασιλεὺς, ἐνδηλος γέγονε τὴν ἐκεχειρίαν νῶ δολερῶ πρὸς Ῥωμαίους πεποιημένος, ἐφ' ᾧ δὴ αὐτοὺς διὰ τὴν εἰρήνην ἀναπεπτωκότας λαβὼν ἀνήμεστόν τι ἐργάσεται. [16] τρίτῳ γὰρ τῆς ἐκεχειρίας ἐνιαυτῷ μηχανᾶται τοιάδε· ἦσθιν ἐν Πέρσαις ἀδελφοὶ δύο, Φάβριζός τε καὶ Ἰσδιγούσνας, ἀρχὰς μὲν περιβεβλημένω ἐνταῦθα μεγίστας καὶ ἄλλως λογισμῷ πονηροτάτῳ Περσῶν ἀπάντων καὶ δόξαν ἐπὶ τῇ δεινότητι καὶ κακοτροπίᾳ πολλὴν ἔχοντε. [17] βουλευσάμενος οὖν πόλιν Δάρας καταλαβεῖν ἐξ ἐπιδρομῆς καὶ Λαζικῆς ἐξοικίσει Κόλχους ἅπαντας, Πέρσας δὲ ἀντ' αὐτῶν οἰκήτορας καταστήσασθαι, τῷ ἄνδρῃ τούτῳ ἐς

ἄμφω τὰ ἔργα ὑπηρετήσοντας εἴλετο: [18] ἔρμαιον γὰρ καὶ λόγου πολλοῦ ἄξιον ἐφαίνετο εἶναι γῆν τὴν Κολχίδα σφετερισαμένῳ ἐν τῷ βεβαίῳ τῆς κτήσεως ἔχειν, ζύμφορον λογισαμένῳ τῇ Περσῶν ἀρχῇ κατὰ πολλὰ ἔσσεσθαι τοῦτο γε. [19] τὴν τε γὰρ Ἰβηρίαν ἐν τῷ ἀσφαλεῖ ἐς τὸ ἔπειτα ἔξειν, οὐκ ἂν ἔτι ἐχόντων Ἰβήρων ἐφ' οὐστinas ἀνθρώπων ἀποστάντες σωθήσονται: [20] ἐπειδὴ γὰρ οἱ τούτων δὴ λογιμώτατοι τῶν βαρβάρων ὁμοῦ Γουργένη τῷ βασιλεῖ ἐς ἀπόστασιν εἶδον, ὥσπερ μοι ἐν τοῖς ἔμπροσθε λόγοις ἐρρήθη, οὔτε βασιλέα σφίσι καταστήσεσθαι τὸ ἐνθὲνδε ζυνεχώρουν Πέρσαι οὔτε αὐτογνωμονοῦντες Περσῶν κατήκοοι Ἰβηρες ἦσαν, ἀλλ' ὑποψία τε καὶ ἀπιστία ἐς ἀλλήλους πολλῇ εἶχοντο. [21] ἐνδηλοῖ τε Ἰβηρες ἦσαν δυσανασχετοῦντές τε ἰσχυρότατα καὶ νεωτεριοῦντες οὐ πολλῷ ὕστερον, ἢν τινός ποτε καιροῦ λαβέσθαι δυνατοὶ εἶεν. [22] καὶ πρὸς Οὐννων τῶν Λαζικῇ προσοίκων ἀδῆωτον μὲν τὴν Περσῶν ἀρχὴν ἐς αἰὶ ἔσσεσθαι, ῥᾶον δὲ καὶ ἀπονώτερον αὐτοὺς τῇ Ῥωμαίων ἀρχῇ ἐπιτέμνειν, ἥνικα ἂν αὐτῷ βουλομένῳ εἴη: οὐ γὰρ ἄλλο οὐδὲν τοῖς ἐν Καυκάσῳ οἰκοῦσι βαρβάροις ἢ ἐπιτείχισμα Λαζικὴν εἶναι. [23] μάλιστα δὲ πάντων κατὰ τοῦτο ξυνοίσειν πρὸς Λαζικῆς ἐπικράτησιν ἠλπιζε Πέρσαις, ὅτι δὴ ἐξ αὐτῆς ὁρμώμενοι δυνήσονται οὐδενὶ πόνῳ καταθέοντες καὶ πεζῇ καὶ ναυσὶ τὰ ἐπὶ τοῦ Εὐξείνου καλουμένου πόντου χωρία Καππαδόκας μὲν καὶ τοὺς αὐτῶν ἐχομένους Γαλάτας καὶ Βιθυνοὺς παραστήσεσθαι, ἐξ ἐπιδρομῆς δὲ Βυζαντίους αἰρήσειν, οὐδενὸς σφίσιν ἀντιστατοῦντος. [24] τούτων μὲν δὴ ἔνεκα προσποιεῖσθαι Χοσρόης Λαζικὴν ἤθελεν, ἐπὶ Λαζοῖς δὲ τὸ θαρσεῖν ὡς ἥκιστα εἶχεν. [25] ἐπειδὴ γὰρ Ῥωμαῖοι ἐκ τῆς Λαζικῆς ἀνεχώρησαν, Λαζῶν τὸ πλῆθος τῇ Περσῶν ἀρχῇ ἐπεικῶς ἤχθετο. μονότροποι γάρ, εἴπερ ἄλλοι τινές, οἱ Πέρσαι εἰσὶ καὶ τὰ ἐς τὴν δίαιταν ὑπεράγαν σκληροί. [26] καὶ αὐτοῖς οἱ τε νόμοι δυσπρόσοδοί εἰσι πρὸς πάντων ἀνθρώπων καὶ τὰ ἐπιτάγματα οὐδαμῇ ἀνεκτά. πρὸς μέντοι Λαζοὺς καὶ διαφερόντως τὸ διαλλάσσον τῆς τε γνώμης αἰὶ καὶ τῆς διαίτης παρὰ πολὺ διαφαίνεται, ἐπεὶ Λαζοὶ μὲν Χριστιανοὶ εἰσι πάντων μάλιστα, Πέρσαις δὲ ἀπ' ἐναντίας αὐτῶν τὰ ἐς τὸ θεῖον ἅπαντα ἔχει. [27] χωρὶς δὲ τούτων ἄλλες μὲν τῆς Λαζικῆς οὐδαμῇ γίνονται, οὐ μὴν οὔτε σίτος οὔτε οἶνος οὔτε τι ἄλλο ἀγαθὸν φύεται. [28] ἐκ δὲ Ῥωμαίων τῶν παραλίῳν ἅπαντα ταῖς ναυσὶν ἐπεισέρχεται σφίσι, καὶ ταῦτα οὐ χρυσίον τοῖς συμβάλλουσι προῖεμένοις, ἀλλὰ δέρρεις τε καὶ ἀνδράποδα καὶ εἴ τι ἄλλο ἐνταῦθα κατὰ πολὺ περιεῖναι ξυμβαίνει. [29] τούτου τε, ὡς τὸ εἰκός, ἀποκεκλεισμένοι τὸ λοιπὸν ἡσχαλλον. ὧν δὴ ὁ Χοσρόης αἰσθόμενος προτερῆσαι ζὺν τῷ ἀσφαλεῖ, πρὶν τι ἐς αὐτὸν νεωτερίσειαν, ἐν σπουδῇ εἶχε. [30] καὶ οἱ βουλευομένῳ ξυμφορώτατον ἔδοξεν εἶναι Γουβάζην τὸν Λαζῶν βασιλέα ἐκποδῶν ὅτι τάχιστα ποιησαμένῳ Λαζοὺς ἐνθὲνδε πανδημεὶ ἀναστήσειν, οὕτω τε Πέρσας καὶ ἄλλα ἄττα ἔθνη ξυνοικεῖν ἐν ταύτῃ τῇ χώρᾳ. [31] Ταῦτα ὁ Χοσρόης βεβουλευμένος Ἰσδιγούσαναν ὡς ἐπὶ πρεσβείᾳ δῆθεν τῷ λόγῳ ἐς Βυζάντιον στέλλει, καὶ οἱ Περσῶν ἀριστίνδην ἀπολεξάμενος πεντακοσίους ξυνέπεμψεν, ἐπιστείλας σφίσι γενέσθαι μὲν ἐν πόλει Δάρας, ἐν οἰκίαις δὲ καταλῦσαι πολλαῖς, ταύτας τε νύκτωρ ἀπάσας ἐμπρῆσαι, καὶ Ῥωμαίων ἀμφὶ τὸ πῦρ τοῦτο ἡσχολημένων, ὡς τὸ εἰκός, ἀπάντων ἀνοιγνύναι μὲν τὰς πύλας εὐθύς, τῇ δὲ πόλει τὸ ἄλλο Περσῶν

στράτευμα δέξασθαι. [32] προείρητο γὰρ τῷ Νισίβιδος πόλεως ἄρχοντι στρατιωτῶν πλῆθος ἄγχιστά πη ἐγκρυφιάζοντι ἐν παρασκευῇ ἔχειν. οὕτω γὰρ αὐτοὺς ὤετο Χοσρόης οὐδενὶ πόνῳ Ῥωμαίους τε ἅπαντας διαχρήσεσθαι καὶ τὴν πόλιν Δάρας ἐν βεβαίῳ καταλαβόντας σχήσειν. [33] ἀλλὰ τις εὖ εἰδὼς τὰ πρασσόμενα, Ῥωμαῖος μὲν ἀνὴρ, αὐτόμολος δὲ ὀλίγῳ πρότερον ἐς Πέρσας ἦκων, τὸν πάντα λόγον Γεωργίῳ φράζει, ἐνταῦθα τότε διατριβὴν ἔχοντι, οὐ δὴ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην, ἅτε Περσῶν ἀναπεύσαντος τοὺς ἐν τῷ Σισαυράνων πολιορκουμένους φρουρίῳ σφᾶς αὐτοὺς ἐνδοῦναι Ῥωμαίοις. [34] Γεώργιος οὖν ἐν τοῖς Ῥωμαίων τε καὶ Περσῶν ὁρίοις ἀπαντήσας τῷ πρεσβευτῇ τούτῳ ἔφασκεν οὐ κατὰ πρεσβείαν τὰ ποιούμενα εἶναι, καὶ οὐ ποτε Πέρσας τοσοῦτους τὸ πλῆθος ἐν πόλει Ῥωμαίων αὐλίσασθαι. [35] χρῆν γὰρ τοὺς μὲν ἄλλους ἅπαντας ἐν χωρίῳ Ἀμμώδιος ἀπολιπεῖν, αὐτῷ δὲ ζῦν ὀλίγοις τισὶν ἐς πόλιν Δάρας ἐσιττῆτά εἶναι. [36] ὁ μὲν οὖν Ἰσδιγούσνας ἠγανάκτει τε καὶ δυσφορουμένῳ ἐφίκει, ἅτε περιυβρισμένος οὐ δέον, καίπερ ἐπὶ πρεσβείᾳ παρὰ τὸν Ῥωμαίων βασιλέα στελλόμενος. [37] Γεώργιος δὲ οἱ οὐ προσέχων τὸν νοῦν ἠγριωμένῳ διεσώσατο τὴν πόλιν Ῥωμαίοις. ζῦν γὰρ ἀνδράσιν εἴκοσι μόνοις τῇ πόλει τὸν Ἰσδιγούσναν ἐδέξατο. [38] Ταύτης οὖν τῆς πείρας ἀποτυχὼν ὁ βάρβαρος οὗτος ὡς πρεσβεύων ἐς Βυζάντιον ἦλθε, τὴν τε γυναῖκα καὶ θυγατέρας ἐπαγόμενος δύο· τοῦτο γὰρ ἦν αὐτῷ τὸ παραπέτασμα τοῦ ξυνεληλυθότος ὁμίλου, τῷ τε βασιλεῖ ἐς ὅψιν ἦκων ἀμφὶ μὲν τῶν σπουδαίων τινὶ οὐ μέγα οὐ μικρὸν ἰσχυσεν εἰπεῖν, καίπερ οὐχ ἦσσαν ἢ μῆνας δέκα κατατρίψας ἐν Ῥωμαίων τῇ γῇ. [39] τὰ μέντοι δῶρα παρὰ Χοσρόου, ἥπερ εἰθισται, καὶ γράμματα βασιλεῖ ἔδωκε, δι' ὧν ὁ Χοσρόης Ἰουστινιανὸν βασιλέα σημήναι ἠξίου εἴ οἱ τὸ σῶμα ὑγιείας πέρι ὡς ἄριστα ἔχοι. [40] τοῦτον μέντοι τὸν Ἰσδιγούσναν Ἰουστινιανὸς βασιλεὺς μάλιστα πρέσβειων ἀπάντων ὧν ἡμεῖς ἴσμεν ζῦν τε πολλῇ φιλοφροσύνῃ εἶδε καὶ διὰ τιμῆς ἱκανῶς ἠγαγεν. [41] ὥστε καὶ ἡνίκα δὴ αὐτὸν ἐσιτῆφῃ, Βραδούκιον, ὅσπερ αὐτῷ ἐρμηνεὺς εἶπετο, ζῦν αὐτῷ ἐπὶ τῆς στιβάδος κατέκλινε, πρᾶγμα πῶποτε οὐ γεγονὸς πρότερον ἐκ τοῦ παντὸς χρόνου. [42] ἐρμηνέα γὰρ οὐδὲ τῶν τινι καταδεεστέρων ἀρχόντων, μὴ τί γε δὴ βασιλεῖ ὁμοτράπεζον γεγονότα οὐδεὶς ποτε εἶδεν. [43] ἀλλὰ καὶ μεγαλοπρεπέστερον ἢ κατὰ πρεσβευτὴν τὸν ἄνδρα τοῦτον ἐδέξατό τε καὶ ἀπεπέμψατο, καίπερ ἐπ' οὐδενὶ ἔργῳ τὴν πρεσβείαν, [44] ὥσπερ μοι εἴρηται, πεποιημένον. ἦν γὰρ τις τὰς τε δαπάνας διαριθμῆσαιτο καὶ τὰ δῶρα ὅσα ἐνθένδε κεκομισμένος Ἰσδιγούσνας ἀπιὼν ὥχετο, πλεον αὐτὰ κατατείνοντα ἢ ἐς χρυσοῦ κεντηνάρια δέκα εὐρήσει. τὰ μὲν οὖν τῆς ἐς Δάρας πόλιν ἐπιβουλῆς τῷ Χοσρόῳ ἐς τοῦτο ἐτελεύτα.

Ἐς τε Λαζικὴν πρῶτα μὲν ξύλα παμπληθῇ ἐς νηδὼν ποίησιν ἐπιτηδείως ἔχοντα ἔπεμψεν, οὐδενὶ φράσας ἐφ' ὅτῳ δὴ αὐτὰ πέμπειεν, ἀλλὰ τῷ λόγῳ μηχανὰς ἐν Πέτρας τῷ περιβόλῳ καταστησόμενος ταῦτα ἔστελλεν. [2] ἔπειτα δὲ Περσῶν μαχίμους τριακοσίους ἀπολεξάμενος, Φάβριζόν τε, οὐπὲρ ἀρτίως ἐπεμνήσθην, αὐτοῖς ἐπιστήσας ἐνταῦθα στέλλει, ᾧ δὴ ἐπήγγελλε Γουβάζην ὡς λαθραϊότατα διαχρήσεσθαι· τὸ γὰρ ἐνθένδε αὐτῷ μελήσειν. [3] τὰ μὲν οὖν ξύλα ταῦτα ἐπεὶ ἐς Λαζικὴν ἐκομίσθη, κεραυνόβλητα ἐξαπινάϊως γενόμενα τετεφρῶσθαι ξυνέβη· Φάβριζος δὲ ζῦν τοῖς τριακοσίοις ἐς Λαζικὴν

ἀφικόμενος ἔπρασσεν ὥπως δὴ ἀμφὶ Γουβάζῃ τὰ πρὸς τοῦ Χοσρόου ἐπηγγελμένα ὑποτελοίη. [4] ἐτύγχανε δὲ τῶν τις ἐν Κόλχοις λογίμων, Φαρσάνσης ὄνομα, τῷ Γουβάζῃ προσκεκρουκῶς ἐς μέγα τέ οἱ ἀπ' αὐτοῦ ἐμπεπτωκῶς ἔχθος καὶ ὡς ἥκιστα θαρσῶν τῷ βασιλεῖ ἐς ὄψιν ἤκειν. [5] ὅπερ ἐπεὶ ὁ Φάβριζος ἔγνω, τὸν Φαρσάνσην μεταπεμψάμενος ἐκοινολογεῖτό τε καὶ τὸν ἅπαντα λόγον ἐξενεγκὼν ἀνεπυνθάνετο τοῦ ἀνθρώπου ὅπῃ οἱ ἐπιχειρητέα ἐς τὴν πρᾶξιν εἴη. [6] ἔδοξε τοίνυν σφίσιν ἐπὶ κοινῆς βουλευσαμένοις Φάβριζον μὲν ἐν Πέτρᾳ τῇ πόλει γενέσθαι, μεταπέμψασθαι δὲ Γουβάζην ἐνταῦθα, ὥπως οἱ ἀγγέλλοι ὅσα δὴ βασιλεῖ ἀμφὶ τῷ ξυνοίσοντι Λαζοῖς δοκοῦντα εἴη. [7] ἀλλ' ὁ Φαρσάνσης κρύφα τῷ Γουβάζῃ ἐσήμηνε τὰ πρασσόμενα. διὸ δὴ Γουβάζης παρὰ μὲν Φάβριζον οὐδαμῇ ἦλθεν, ἐκ δὲ τοῦ ἐμφανοῦς ἐς ἀπόστασιν εἶδε. [8] Φάβριζος δὲ Πέρσαις μὲν τοῖς ἄλλοις τοῦ ἐν Πέτρᾳ φυλακτηρίου ἐπιμελεῖσθαι πάσῃ δυνάμει ἐπέστελλε καὶ τὰ ἐς πολιορκίαν ὡς ἀσφαλέστατα ἐξαρτύεσθαι, αὐτὸς δὲ ξὺν τοῖς τριακοσίοις ἐπ' οἴκου ἄπρακτος ἀνεχώρησε. [9] Γουβάζης δὲ ἀνενεγκὼν ἐς Ἰουστινιανὸν βασιλέα τὰ παρόντα σφίσι τῶν μὲν τὰ πρότερα πεπραγμένων Λαζοῖς ἐδεῖτο συγγνώμονα εἶναι, ἀμῦναι δὲ σφίσι δυνάμει τῇ πάσῃ ἀπαλλαξείουσιν τῆς Μήδων ἀρχῆς. οὐ γὰρ κατὰ μόνας δυνήσεσθαι Κόλχους ἀποκρούσασθαι τὴν Περσῶν δύναμιν. [10] Ταῦτα ἐπεὶ βασιλεὺς Ἰουστινιανὸς ἤκουσε, περιχαρὴς γενόμενος ἄνδρας ἐπτακισχιλίους καὶ Δαγισθαῖον ἄρχοντα καὶ Τζάνους χιλίους ἐς ἐπικουρίαν Λαζοῖς ἔπεμψεν. [11] οἳ δὴ ἐν γῇ τῇ Κολχίδι γενόμενοι ἅμα Λαζοῖς τε καὶ τῷ Γουβάζῃ ἐνστρατοπεδευσάμενοι ἀμφὶ τὸν Πέτρας περίβολον ἐς πολιορκίαν καθίσταντο. [12] Περσῶν δὲ τῶν ἐνταῦθα ὄντων καρτερώτατα ἐκ τοῦ περιβόλου ἀμυνομένων, χρόνον τῇ προσεδρεῖα πολὺν τετρίφθαι ξυνέβη, ἐπεὶ καὶ τὰ ἐδώδιμα ἐναποθέμενοι σφίσιν οἱ Πέρσαις διαρκῶς ἔτυχον. [13] τούτοις δὲ ὁ Χοσρόης ξυνταραχθεὶς στρατιὰν πολλὴν ἰππέων τε καὶ πεζῶν ἐπ' αὐτοὺς ἔστελλεν, οἷς δὴ ἄρχοντα Μερμερόην ἐπέστησεν. ὥνπερ ὁ Γουβάζης αἰσθόμενος τῷ Δαγισθαίῳ ἐπικοινωνήσας βουλευσάμενος ἐποίει τάδε. [14] Βόας ὁ ποταμὸς ἔξεισιν ἄγχιστά πη τῶν Τζανικῆς ὁρίων ἐν Ἀρμενίοις οἳ δὴ ἀμφὶ τὸ Φαράγγιον ὥκηνται. καὶ τὰ μὲν πρῶτα ἐν δεξιᾷ ἐπὶ πλείστον χωρεῖ, βραχὺς τε ἰὼν καὶ πόνῳ οὐδενὶ γινόμενος ἐσβατὸς ἅπασιν ἄχρι ἐς χῶρον οὗ δὴ ἐν δεξιᾷ μὲν Ἰβήρων τὰ ὄρια ἐστὶ, καταντικρὺ δὲ τελευτᾷ ὅρος ὁ Καύκασος. [15] ἐνταῦθα ἔθνη ἄλλα τε πολλὰ καὶ Ἀλανοὶ τε καὶ Ἀβασγοὶ ὥκηνται Χριστιανοὶ τε καὶ Ῥωμαῖοι φίλοι ἐκ παλαιοῦ ὄντες, Ζῆχοι τε καὶ μετ' αὐτοὺς Οὐννοι, [16] οἳ Σάβειροι ἐπικαλοῦνται. ἐπειδὰν δὲ ὁ ποταμὸς οὗτος ἀφίκεται ἵνα δὴ τοῦ τε Καυκάσου καὶ Ἰβηρίας τὰ ὄρια ἐστὶν, ἐνταῦθα ἐπιγινόμενων οἳ καὶ ἄλλων ὑδάτων μείζων τε παρὰ πολὺ γίνεται καὶ Φᾶσις ἀντὶ Βόα τὸ ἐνθένδε καλούμενος φέρεται, ναυσίπορος γεγενημένος ἄχρι ἐς τὸν Εὐξείνιον καλούμενον πόντον, οὗ δὴ οἳ καὶ τὰς ἐκβολὰς ξυμβαίνει εἶναι, καὶ αὐτοῦ ἐφ' ἐκάτερα Λαζική ἐστίν. [17] ἀλλ' ἐν δεξιᾷ μὲν ξύμπασα ἐπὶ πλείστον ἡ χώρα πρὸς τῶν τῆδε ἀνθρώπων οἰκεῖται μέχρι τῶν Ἰβηρίας ὁρίων. [18] κῶμαί τε γὰρ αἱ Λαζῶν πᾶσαι τοῦ ποταμοῦ ἐντὸς ἐνταῦθά εἰσι καὶ πολίσματα ἐκ παλαιοῦ σφίσι ταύτῃ πεποίηνται, ἐν τοῖς Ἀρχαίοπολις, ἐχυρωτάτῃ οὖσα, Σεβαστόπολις τε ἐνταῦθα καὶ τὸ Πιτιοῦντος φρουρίον ἐστὶ Σκάνδα τε καὶ Σαραπανὶς πρὸς

τοῖς Ἰβηρίας ὁρίοις. πόλεις μέντοι ἀξιολογώταται ἐνταῦθα εἰσι Ῥοδόπολις καὶ Μοχλήρης. [19] τοῦ δὲ ποταμοῦ ἐν ἀριστερᾷ Λαζικῆς μὲν τὰ ὅρια ἐστὶ μέχρι ἐς ἡμέρας ὁδὸν εὐζώνῳ ἀνδρί, ἔρημον δὲ ξυμβαίνει ἀνθρώπων τὴν χώραν εἶναι. ταύτην προσοικοῦσι Ῥωμαῖοι τὴν χώραν οἱ Ποντικοὶ ἐπικαλοῦνται. [20] ἐν μὲν οὖν τοῖς Λαζικῆς ὁρίοις, ἔνθα δὴ ἄνθρωποι οὐδαμῇ ὤκνητο, Πέτραν Ἰουστινιανὸς ὁ βασιλεὺς τὴν πόλιν ἐν τοῖς κατ' ἐμὲ χρόνοις ἐδείματο. [21] οὐπερ Ἰωάννης, ὁ Τζίβος ἐπικαλούμενος, τὸ μονοπάλιον καταστησάμενος, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, αἴτιος τῆς ἀποστάσεως Λαζοῖς γέγονεν. [22] ἐκ δὲ Πέτρας πόλεως ἰόντι εὐθὺς πρὸς ἄνεμον νότον οἱ Ῥωμαίων ὄροι ἐκδέχονται, χωρία τε πολυάνθρωπα ἐνταῦθα ἐστὶ, τό τε Ῥιζαῖον καλούμενον καὶ Ἀθῆναι ἄλλα τε ἅττα μέχρι Τραπεζουντίων. [23] ἡνίκα μὲν οὖν ἐπηγάγοντο Χοσρόην Λαζοί, Βόαν ποταμὸν διαβάντες τὸν τε Φᾶσιν ἐν δεξιᾷ ἔχοντες ἐς Πέτραν ἦλθον, τῷ μὲν λόγῳ προνοήσαντες ὥς μὴ χρόνῳ τε καὶ πόνῳ πολλῷ διαπορθμεύεσθαι ἀναγκάζονται ποταμὸν Φᾶσιν, οὐ βουλόμενοι δὲ τὰ σφέτερα οἰκία Πέρσαις ἐνδείκνυσθαι. [24] καίτοι δύσοδος πανταχόθι Λαζικῇ ἐστὶν ἐντὸς τε καὶ ἐκτὸς ποταμοῦ Φάσιδος. [25] σκόπελοι γὰρ ὑπερφυεῖς ἐφ' ἐκάτερα τῆς χώρας ὄντες στενωποὺς ἐπὶ μακρότατον ἐνταῦθα ποιοῦνται: κλεισούρας ἐλληνίζοντες τὰς τοιαύτας ὁδοὺς Ῥωμαῖοι καλοῦσιν. [26] ἀλλ' ἐπεὶ τότε Λαζικῇ ἀφύλακτος ἐτύγχανεν οὔσα, ῥᾶστα δὴ ἐν Πέτρα ξὺν τοῖς ἡγεμόσι Λαζοῖς ἐγένοντο Πέρσαι. [27] Νῦν δὲ ὁ Γουβάζης μαθὼν τὴν Περσῶν ἔφοδον τῷ Δαγισθαίῳ ἐπέστελλε πέμψαι μὲν τινας οἱ φυλάξουσιν τὸν στενωπὸν ἰσχυρότατα ὅς ἐκτὸς Φάσιδος ποταμοῦ ἐστὶ, τὴν μέντοι προσεδρεῖαν ὥς ἥκιστα λύειν, ἕως τὴν τε Πέτραν καὶ Πέρσας τοὺς ἐνταῦθα ἐξελεῖν δύνωνται. [28] αὐτὸς δὲ παντὶ τῷ Κόλχων στρατῷ ἐς τὰ Λαζικῆς ἔσχατα ἦλθεν, ὥς τὸν ἐνταῦθα στενωπὸν διαφυλάξων δυνάμει τῇ πάσῃ. [29] ἐτύγχανε δὲ πολλῷ πρότερον Ἀλανοὺς τε καὶ Σαβείρους ἐς ξυμμαχίαν ἐπαγόμενος, οἵπερ ὁμολόγησαν κεντηναρίων τριῶν οὐχ ὅσον ἀδήωτον Λαζοῖς ξυμφυλάξειν τὴν γῆν, ἀλλὰ καὶ Ἰβηρίαν οὕτω καταστήσεσθαι ἀνδρῶν ἔρημον ὥς μηδὲ Πέρσαις ἐνθένδε τὸ λοιπὸν ἰέναι δυνατὰ ἔσεσθαι. ταῦτά τε σφίσι τὰ χρήματα βασιλέα Γουβάζης ὑπέσχετο δώσειν. [30] αὐτὸς μὲν οὖν ἀνενεγκὼν ἐς βασιλέα Ἰουστινιανὸν τὰ ξυγκείμενα τοῖς τε βαρβάροις τὰ χρήματα ταῦτα ἰκέτευε πέμπειν καὶ Λαζοῖς ἄγαν κεκακωμένοις παραγνυχὴν προέσθαι τινά. [31] ἔφασκε δὲ καὶ οἱ αὐτῷ τὸ δημόσιον τὰς συντάξεις ὀφείλειν ἐνιαυτῶν δέκα, ἐπεὶ ἐν τοῖς σιληντιαρίοις ἐν παλατίῳ τασσόμενος οὐδὲν κεκομισμένος ἐνθένδε εἶη, ἐξ οὗ δὴ ἐς γῆν τὴν Κολχίδα Χοσρόης ἦλθε. [32] βασιλεὺς δὲ Ἰουστινιανὸς ἐπιτελέσειν μὲν διενоеῖτο τὴν αἴτησιν, ἐπιγενομένης δὲ οἱ ἀσχολίας τινὸς οὐκ ἔπεμψε τῷ καθήκοντι χρόνῳ τὰ χρήματα. Γουβάζης μὲν οὖν ταῦτα ἐποίει. [33] Δαγισθαῖος δὲ ἦν γάρ τις νεανίας πόλεμόν τε διενεγκεῖν Μηδικὸν οὐδαμῇ ἀξιόχρεως τοῖς παροῦσιν οὐκ ἐπιτηδεῖως ἐχρήτο. [34] δέον οὖν ἀμέλει τὸ πλεῖστον τοῦ στρατοῦ ἐς τὸν στενωπὸν στείλαι, τάχα δ' ἂν που καὶ αὐτὸν τῷ ἔργῳ τούτῳ παραγενέσθαι, ἐς ἑκατὸν ἄνδρας, ὥσπερ τι πάρεργον διαχειρίζων, ἔπεμψε μόνους: αὐτὸς δὲ Πέτραν πολιορκῶν παντὶ τῷ στρατῷ οὐδὲν ἤνυσε, καίπερ τῶν πολεμίων ὀλίγων ὄντων. κατ' ἀρχὰς μὲν γὰρ οὐχ ἥσσους ἢ πεντακόσιοι καὶ χίλιοι ἦσαν, [35] πρὸς Ῥωμαίων δὲ καὶ Λαζῶν ἐν χρόνῳ πολλῷ

τειχομαχοῦντων βαλλόμενοι τε καὶ ἀρετὴν ἐπιδεικνύμενοι μάλιστα πάντων ὧν ἡμεῖς ἴσμεν, θνήσκουσί τε πολλοὶ καὶ σφίσιν ἐς ὀλίγους κομιδῇ ἀποκεκρίσθαι ξυνέπεσε. [36] Πέρσαι μὲν οὖν ἐς ἀπόγνωσίν τε καὶ ἀπορίαν ἐμπεπτωκότες ἡσυχῇ ἔμενον, Ῥωμαῖοι δὲ ἀμφὶ τὸ τεῖχος διώρυχα ἐν χώρῳ ὀλίγῳ πεποίηνται, ὃ τε ταύτῃ περίβολος εὐθὺς ἔπεσεν. [37] ἀλλὰ ξυνέβη τούτου διὰ τοῦ χώρου ἐντὸς οἴκημα εἶναι οὐδὲν τοῦ περιβόλου διεστηκός, ὃ δὲ ἐξικνεῖτο ἐς τὸ πεπτωκὸς ἐφεξῆς ὅλον: [38] καὶ ἀντὶ τοῦ τείχους πολιορκουμένοις γενόμενον ἐν τῷ ἀσφαλεῖ οὐδὲν τι ἦσσαν αὐτοὺς καθίστη. [39] ὅπερ Ῥωμαῖους ξυνταράζει οὐδαμῇ ἔσχεν. εὗ γὰρ εἰδότες ὥς αὐτὸ διὰ τοῦτο ἐτέρωθι ἐργαζόμενοι τὴν πόλιν ῥᾶστα αἰρήσουσιν, εὐέλπιδες πολλῶ ἔτι μᾶλλον ἐγένοντο. [40] διὸ δὴ ὁ Δαγισθαῖος βασιλεῖ μὲν τὰ ξυνενεχθέντα ἐδήλου, ἄθλα δὲ οἱ τῆς νίκης ἐν παρασκευῇ εἶναι προὔτειντο, σημήνας ὅσοις διὰ αὐτόν τε καὶ τὸν ἀδελφὸν τὸν αὐτοῦ χρῆν βασιλέα δωρήσασθαι: Πέρσαν γὰρ αἰρήσειν οὐ πολλῶ ὕστερον. [41] Πέρσαι μὲν οὖν Ῥωμαῖους τε καὶ Τζάνους καρτερώτατα τειχομαχοῦντας παρὰ δόξαν ὑφίσταντο, καίπερ ὀλίγοι ἀπολελειμμένοι ἐς ἄγαν. [42] ἐπεὶ δὲ Ῥωμαῖοι τειχομαχοῦντες οὐδὲν ἦνυον, ἐπὶ τὸ διορύσσειν αὐθις ἐτράποντο. ἐς τόσον τε τοῦ ἔργου τούτου ἀφίκοντο ὥς μηκέτι ἐπ' ἐδάφους τὰ τοῦ περιβόλου θεμέλια εἶναι, ἀλλ' ἐπὶ κενοῦ ἐκ τοῦ ἐπὶ πλεῖστον ἐστάναι, πεσούμενα, ὥς τὸ εἰκός, αὐτίκα δὴ μάλα. [43] καὶ εἰ μὲν Δαγισθαῖος εὐθὺς ἠθέλε πῦρ τοῖς θεμελίοις ἐνάψαι, οἷμαι εὐθυωρὸν σφίσι τὴν πόλιν ἀλῶναι: νῦν δὲ τὰς ἐκ βασιλέως καταδοκῶν ἐλπίδας μέλλων τε αἰεὶ καὶ τρίβων τὸν χρόνον ἡσυχῇ ἔμενε. ταῦτα μὲν οὖν ἐν τῷ Ῥωμαίων στρατοπέδῳ ἐπράσσετο τῇδε.

Μερμερόης δέ, ἐπεὶ τοὺς Ἰβηρίας ὄρους παντὶ τῷ Μήδων στρατῷ ἡμειψε, πρόσω ἐχώρει, ποταμὸν Μήδων στρατῷ ἡμειψε, πρόσω ἐχώρει, ποταμὸν Φᾶσιν ἐν δεξιᾷ ἔχων: διὰ γὰρ τῶν ἐπὶ Λαζικῆς χωρίων ἰέναι οὐδαμῇ ἠθέλε, τοῦ μή τί οἱ ταύτῃ ἐμπόδισμα ὑπαντιάσαι. [2] Πέτρην γὰρ πόλιν καὶ Πέρσας τοὺς ἐνταῦθα διασώσασθαι ἐν σπουδῇ εἶχε, καίτοι καὶ μοῖρά τις τοῦ περιβόλου καταπεπτώκει ἐξαπιναιῶς. [3] ἠώρητο γάρ, ὥσπερ μοι εἴρηται: ἄνδρες τε τοῦ Ῥωμαίων στρατοῦ ἐς πεντήκοντα ἐθελούσιοι ἐν τῇ πόλει γενόμενοι βασιλέα Ἰουστινιανὸν ἀνεβόων καλλίνικον. [4] ἡγεῖτο δὲ αὐτῶν νεανίας τις Ἀρμένιος γένος, Ἰωάννης ὄνομα, Θωμᾶ υἱός, ὃνπερ Γούζην ἐπὶ κλήσιν ἐκάλουν. [5] οὗτος ὁ Θωμᾶς πολλὰ τῶν ἀμφὶ τὴν Λαζικὴν ὀχυρωμάτων ἐδείματο, βασιλέως οἱ ἐπαγγείλαντος, καὶ τῶν ἐκείνῃ στρατιωτῶν ἥρξεν, ἔμφρων τε βασιλεῖ ἔδοξεν εἶναι. [6] ὁ μὲν οὖν Ἰωάννης, Περσῶν σφίσιν ἐς χεῖρας ἐλθόντων, πληγεὶς αὐτίκα ξὺν τοῖς ἐπομένοις ἐς τὸ στρατόπεδον ἀνεχώρησεν, ἐπεὶ οὐδεὶς οἱ τῶν ἐκ τοῦ Ῥωμαίων στρατοῦ ἕτερος ἀμύνων ἦλθε: [7] Πέρσης δὲ ἀνὴρ, Μιρράνης ὄνομα, ὅσπερ τοῦ ἐν Πέτρα φυλακτηρίου ἦρχεν, ἀμφὶ τῇ πόλει δείσας, Πέρσαις μὲν πᾶσιν ἐπέστελλε τῆς φυλακῆς ἐς τὸ ἀκριβὲς μάλιστα ἔχεσθαι, αὐτὸς δὲ παρὰ Δαγισθαῖον σταλὲς θῶπας τε καὶ ἀπατηλοὺς προὔτειντο λόγους, οὐδενὶ πόνῳ ὁμολογῶν οὐ πολλῶ ὕστερον ἐνδῶσειν τὴν πόλιν. ταύτῃ τε παρακρούσασθαι ἴσχυσεν, ὥς μὴ ἐς τὴν πόλιν αὐτίκα τῷ Ῥωμαίων στρατῷ ἐσιτητὰ εἶναι. [8] Οἱ δ' ἀμφὶ Μερμερόην ἐπειδὴ ἀφίκοντο ἐς τὸν στενωπὸν, ἐνταῦθα σφίσι τὸ Ῥωμαίων

φυλακτήριον ὑπηντίαζον ἐς ἑκατὸν ὄντες, καρτερῶς τε ἡμύνοντο, καὶ τοὺς τῆς εἰσόδου ἀποπειρωμένους ἀνέστελλον. [9] Πέρσαι δὲ οὐδαμοῦ ὑπεχώρουν, ἀλλὰ τοὺς κτεινομένους αἰεὶ ἕτεροι ἐκδεχόμενοι πρόσω ἐχώρουν, παντὶ σθένει τὴν εἵσοδον βιαζόμενοι. [10] θνήσκουσι μὲν Πέρσαι πλέον ἢ χίλιοι, κτείνοντες δὲ Ῥωμαῖοι ἀπεῖπον, τοῦ τε ὀμίλου σφᾶς βιαζομένου ὑπεχώρησάν τε καὶ ἐς τῶν ἐκείνη ὁρῶν τὰς ὑπερβολὰς ἀναδραμόντες ἐσώθησαν. [11] ταῦτα Δαγισθαῖος μαθὼν αὐτίκα τὴν προσεδρείαν διέλυσεν, οὐδὲν τῷ στρατῷ ἐπιστείλας, ἐπὶ Φᾶσίν τε ποταμὸν ἤλαυνε· καὶ οἱ Ῥωμαῖοι ζύμπαντες εἶποντο, τὰ σφέτερα αὐτῶν ἐν τῷ στρατοπέδῳ ἀπολιπόντες. [12] Πέρσαι δὲ τὰ ποιούμενα κατιδόντες τὰς τε πύλας ἀνέωγον καὶ ἐπεξελθόντες ἀμφὶ τὰς καλύβας τῶν πολεμίων ἤλθον, ὥς τὸ στρατόπεδον ἐξαιρήσαντες. [13] Τζάνοι δὲ οὐ γὰρ Δαγισθαῖῳ ἐπισπόμενοι ἔτυχον ἐβοήθουν ἐνταῦθα δρόμῳ, τρεψάμενοι τε πόνῳ οὐδενὶ τοὺς πολεμίους πολλοὺς ἔκτειναν. [14] Πέρσαι μὲν οὖν φεύγοντες ἐντὸς τοῦ περιβόλου ἐγένοντο, Τζάνοι δὲ ληισάμενοι τὸ Ῥωμαίων στρατόπεδον εὐθὺς τοῦ Ῥιζαίου ἐχώρησαν. ἔνθεν δὲ ἐς Ἀθήνας ἐλθόντες διὰ Τραπεζουντίων ἐπὶ οἴκου ἀπεκομίσθησαν. [15] Μερμερόης δὲ καὶ ὁ Μήσων στρατὸς ἐνταῦθα ἤλθον ἡμέρᾳ μετὰ τὴν Δαγισθαίου ὑπαγωγὴν ἐνάτη· οὗ δὴ ἀπολελεειμμένους ἐκ τοῦ Περσῶν φυλακτηρίου τραυματίας μὲν καὶ ἀπομάχους γεγεννημένους πεντήκοντα καὶ τριακοσίους εὖρον, ἀκραιφνεῖς δὲ πεντήκοντα καὶ ἑκατὸν μόνους· οἱ γὰρ ἄλλοι ἅπαντες ἐτεθνήκεσαν. [16] ὥνπερ τὰ σώματα οἱ περιόντες τοῦ περιβόλου ἐκτὸς οὐδαμῇ ἔρριψαν, ἀλλὰ τῷ τῆς ὁσμῆς δυσώδει ἀποπνιγόμενοι παρὰ δόξαν ἀντεῖχον, ὥς μή τινα ἐς τὸ πολιορκεῖν προθυμίαν τοῖς πολεμίοις, ἅτε τῶν πλείστων ἀπολωλότων σφίσι, παρέχωνται. [17] ὁ τε Μερμερόης ἐπιτωθάζων δακρύων τε καὶ θρήνων ἀξίαν Ῥωμαίων τὴν πολιτείαν ἔφασκεν εἶναι, οἷς γε δὴ ἐς τοῦτο ἀσθενείας περιεστήκει τὰ πράγματα, ὥς πεντήκοντά τε καὶ ἑκατὸν ἀτειχίστους Πέρσας μηδεμιᾷ μηχανῇ ἐξελεῖν δεδυνῆσθαι. [18] καὶ τοῦ μὲν περιβόλου ἀνοικοδομήσασθαι ὅσα καταπεπτώκει ἐν σπουδῇ ἐποιοεῖτο· ἐπεὶ δὲ οὔτε τίτανον ἐν τῷ παραυτίκα οὔτε τι ἄλλο τῶν ἐς τὴν οἰκοδομίαν ἐπιτηδείων ἐν παρασκευῇ εἶχεν, ἐπενόει τάδε. [19] θυλάκους λινοῦς, οἷς δὴ Πέρσαι τὰ ἐπιτήδεια σφίσιν ἐσεκομίσαντο ἐς γῆν τὴν Κολχίδα, ψάμμου ἐμπλησάμενος ἐς τῶν λίθων τὴν χώραν ἐτίθετο, οἱ δὴ ἐνταῦθα βαλλόμενοι ἀντὶ τοῦ τοίχου ἐγίνοντο. [20] καὶ τρισχιλίους μὲν τῶν μαχίμων ἀπολεξάμενος αὐτοῦ εἶασεν, οἷσπερ τὰ ἐδώδιμα οὐκ ἐς χρόνον κατέθετο μῆκος, ἐπιστείλας τοῦ περιβόλου τῆς οἰκοδομίας ἐπιμελεῖσθαι· αὐτὸς δὲ παντὶ τῷ ἄλλῳ στρατῷ ὀπίσω ἀπήλαυνεν. [21] Ἐπεὶ τέ οἱ ὁδῷ τῇ αὐτῇ ἐνθένδε ἰόντι οὐδεὶς τῶν ἀναγκαίων ἐγίνετο πόρος, ἅπαντα ἐν Πέτρᾳ λιπόντι ἅπερ ἐπιφερόμενος ἐξ Ἰβηρίας ὁ στρατὸς ἔτυχεν, ἄλλην τινὰ πορείαν ἰέναι διὰ τῶν ταύτῃ ὁρῶν διενοεῖτο, ἵνα δὴ ἀνθρώπους οἰκεῖν ἔμαθεν, [22] ὅπως ληιζόμενοι ἀποζῇν δύνωνται. ἐν ταύτῃ τῇ πορείᾳ τῶν τις ἐν Λαζοῖς λογίμων, Φοῦβελις ὄνομα, Πέρσας αὐλιζομένους ἐνήδρευσεν, Δαγισθαῖον ἅμα Ῥωμαίων δισχιλίους ἐπαγόμενος, οἱ δὴ τῶν Περσῶν ἐξ ἐπιδρομῆς ἵππους νέμοντάς τινας ἔκτειναν, ἵππους τε ληισάμενοι δι' ὀλίγου τὴν ἀναχώρησιν ἐποίησαντο. οὕτω μὲν ὁ Μερμερόης τῷ Μήδων στρατῷ ἐνθένδε ἦει. [23] Ὁ δὲ Γουβάζης, μαθὼν ὅσα δὴ Ῥωμαίοις ἐν τε τῇ

Πέτρα καὶ τῷ στενωπῷ ξυνηνέχθη γενέσθαι, οὐδ' ὥς ἔδιδευσεν, οὐδὲ τὴν ἐν τῷ κατ' αὐτὸν στενωπῷ φυλακὴν εἶασεν, ἐνταῦθα σφίσι τὴν κεφαλὴν τῆς ἐλπίδος οἰόμενος εἶναι. [24] ἐξηπίστατο γὰρ ὥς, ἦν καὶ Ῥωμαίους ἐκτὸς Φάσιδος ποταμοῦ βιασάμενοι Πέρσαι τὸν στενωπὸν διαβῆναι καὶ ἐν Πέτρα γενέσθαι δεδύνηται, οὐδὲν ἂν ἐνθὲνδε Λαζῶν τῇ χώρᾳ προστρίψαιντο βλάβος, Φᾶσιν διαβῆναι οὐδεμιᾷ μηχανῇ ἔχοντες, ἄλλως τε καὶ νηῶν οὐ παρουσῶν σφίσιν. [25] ὁ γὰρ ποταμὸς οὗτος βάθους μὲν εἴπερ τις ἄλλος ἰκανώτατα ἔχει, εὗρους δὲ ἐπὶ πλείστον διήκει. [26] τῆς μέντοι ρύμης αὐτῷ τοσοῦτον περίεστιν ὥστε δι' ἑς τὴν θάλασσαν ἐκβαλὼν ἐπὶ μακρότατον κατὰ μόνας χωρεῖ, οὐδαμῇ ταύτῃ ἐπιμιγνύμενος. ὕδωρ ἀμέλει πότιμον τοῖς ἐκείνῃ ναυτιλλομένοις ὑδρεύεσθαι πάρεστιν ἐν μέσῳ πελάγει. [27] καὶ φυλακῆρια μέντοι τοῦ ποταμοῦ ἐντὸς πεποιήνται πανταχόθι Λαζοί, τοῦ μηδὲ ναυσὶ διαπορθμευομένοις τοῖς πολεμίοις ἀπόβασιν ἐς τὴν γῆν εἶναι. [28] Βασιλεὺς δὲ Ἰουστινιανὸς Σαβεΐρων μὲν τῷ ἔθνει τὰ ξυγκείμενα χρήματα ἔπεμψε, Γουβάζην δὲ καὶ Λαζοὺς χρήμασιν ἄλλοις δεδώρηται. [29] ἐτύγχανε δὲ πολλῷ πρότερον καὶ ἄλλο στρατεύμα λόγου ἄξιον ἐς Λαζικὴν πέμψας, οἱ οὐπω ἀφικόμενοι ἐνταῦθα ἔτυχον. ἦρχε δὲ αὐτῶν Ῥεκίθαγγος ἐκ Θράκης, ἀνὴρ ξυνητός τε καὶ ἀγαθὸς τὰ πολέμια. ταῦτα μὲν οὖν ταύτῃ πη εἶχε. [30] Γενόμενος δὲ ὁ Μερμερόης ἐν τοῖς ὄρεσιν, ὥσπερ μοι εἴρηται, Πέτραν ἐνθὲνδε τῶν ἐπιτηδείων ἐμπιπλάναι ἐν σπουδῇ εἶχεν. ἐπαρκέσειν γὰρ τῷ ἐνταῦθα φυλακτηρίῳ ἐς τρισχιλίους ὄντι τὰ ἐδώδιμα οὐδαμῇ ᾧετο ἅπερ εἰσκομισάμενοι ξὺν αὐτοῖς ἔτυχον. [31] ἀλλ' ἐπεὶ τὰ ἐν ποσὶ σφίσι γινόμενα μόλις ἀπέχρη ἐς τὴν δαπάνην τῇ στρατιᾷ ταύτῃ, οὐχ ἥσσον ἢ τρισμυρίοις οὔσι, καὶ ἀπ' αὐτοῦ οὐδὲν ὅ τι καὶ λόγου ἄξιον πέμπειν ἐς τὴν Πέτραν οἰοί τε ἦσαν, λογισάμενος εὗρισκε σφίσιν ἄμεινον εἶναι τὸ μὲν πλεόν τοῦ στρατοῦ ἀπαλλάσσεσθαι ἐκ γῆς τῆς Κολχίδος, ὀλίγους δὲ τινὰς ἐνταῦθα μείναι, οἱ δὲ ἔμελλον τῶν ἐπιτηδείων οἷς ἂν ἐντύχοιεν πολλὰ μὲν ἐς τὸ ἐν Πέτρᾳ φυλακῆριον ἐσκομίζεσθαι, τοῖς δὲ ἄλλοις αὐτοὶ διαρκῶς χρῆσθαι: [32] ἄνδρας οὖν ἐς πεντακισχιλίους ἀπολεξάμενος αὐτοῦ εἶασεν, οἷς δὴ ἄρχοντας ἄλλους τε τρεῖς καὶ Φάβριζον κατεστήσατο. [33] πλείους γὰρ ἐνταῦθα λείπεσθαι οὐ οἱ ἔδοξεν ἐπάναγκες εἶναι, πολεμίων οὐδαμῇ ὄντων. αὐτὸς δὲ τῷ ἄλλῳ στρατῷ ἐς τὴν Περσαρμενίαν ἐλθὼν ἡσύχαζεν ἐν τοῖς ἀμφὶ Δούβιος χωρίοις. [34] Οἱ δὲ πεντακισχιλίοι, ἐπεὶ ἐγγυτέρω τῶν Λαζικῆς ἐσχάτων ἦλθον, παρὰ ποταμὸν Φᾶσιν ἐστρατοπεδεύσαντο ἅπαντες, ἔνθεν τε κατ' ὀλίγους περιούντες ἐληίζοντο τὰ ἐκείνῃ χωρία. [35] ὣν δὴ ὁ Γουβάζης αἰσθόμενος τῷ Δαγισθαίῳ ἐπέστελλε βοηθεῖν ἐνταῦθα σπουδῇ: δράσειν γὰρ σφίσι τοὺς πολεμίους κακόν τι μέγα δυνατὰ ἔσεσθαι. [36] ὁ δὲ κατὰ ταῦτα ἐποίει, παντὶ τε τῷ Ῥωμαίων στρατῷ ἐπίπροσθεν ἦει, ἐν ἀριστερᾷ ἔχων ποταμὸν Φᾶσιν, ἕως ἐς χώρον ἀφίκετο ἵνα δὴ οἱ Λαζοὶ ἐστρατοπεδεύοντο ἐν τῇ ἐτέρᾳ τοῦ ποταμοῦ ὄχθῃ. [37] ἐτύγχανε δὲ ταύτῃ ὁ Φᾶσις διαβατὸς ὢν, ὅπερ Ῥωμαῖοι μὲν καὶ Πέρσαι ἀπειρία τῶν ἐκείνῃ χωρίων ὥς ἥκιστα ὑπετόπαζον, Λαζοὶ μέντοι ἐξεπιστάμενοι ἐνταῦθα διέβησαν ἐξαπιναιῶς καὶ ἀνεμίγνυντο τῷ Ῥωμαίων στρατῷ: Πέρσαι δὲ ἄνδρας χιλίους τῶν ἐν σφίσι δοκίμων ἀπολεξάμενοι ἔπεμψαν, ὥς μὴ τις ἐπὶ τὸ στρατόπεδον κακουργήσων ᾖοι. [38] ὥνπερ δύο ἐπὶ κατασκοπῇ προτερήσαντες καὶ παρὰ δόξαν ἐς τοὺς πολεμίους

ἐμπεπωκότες τὸν πάντα λόγον ἐσήγγειλαν. [39] διὸ δὴ Ῥωμαῖοι τε καὶ Λαζοὶ τοῖς χιλίοις ἐξαπινάϊως ἐπέστησαν, οὐδεὶς τε αὐτῶν διαφυγεῖν ἔσχεν, ἀλλ' οἱ μὲν πολλοὶ διεφθάρησαν, τινὰς δὲ αὐτῶν καὶ ζωγρήσαντες οἱ τε ἀμφὶ Γουβάζην καὶ Δαγισθαῖον τό τε μέτρον τοῦ Μήδων στρατοῦ καὶ τὸ τῆς ὁδοῦ μῆκος μαθεῖν ἴσχυσαν, καὶ ὅπη ποτὲ αὐτοῖς τὰ παρόντα ἔχοι. [40] ἄραντες οὖν παντὶ τῷ στρατῷ ἐπ' αὐτοὺς ἦεσαν, διαριθμούμενοι ὅπως πόρρω που τῶν νυκτῶν ἐπιπέσοιεν σφίσι: τετρακισχίλιοι δὲ καὶ μύριοι ἦσαν. [41] οἱ μὲν οὖν Πέρσαι πολέμιον οὐδὲν ἐν νῷ ἔχοντες μακρόν τινα ὕπνον ἐκάθευδον: τὸν τε γὰρ ποταμὸν ἀπόρευτον ὄντο εἶναι καὶ τοὺς χιλίους, οὐδενὸς σφίσιν ὑπαντιάσαντος, [42] ἐπὶ μακρότατόν πη ὁδῷ ἰέναι. Ῥωμαῖοι δὲ αὐτοῖς καὶ Λαζοὶ ὀρθρου βαθέος ἀπροσδόκητοι ἐπιπεσόντες τοὺς μὲν ἔτι ὕπνον αἰρουμένους εὔρον, τοὺς δὲ ἄρτι ἐξ ὕπνου ἐγηνερμένους καὶ γυμνοὺς ἐπὶ τῶν στρωμάτων κειμένους. [43] διὸ δὴ αὐτῶν οὐδενὶ ἐς ἀλκὴν ἰδεῖν ξυνηνέχθη, ἀλλ' οἱ μὲν πλεῖστοι καταλαμβανόμενοι ἔθνησκον, τινὰς δὲ καὶ ἐζώγρησαν οἱ πολέμιοι, ἐν τοῖς καὶ τῶν ἀρχόντων ἓνα τετύχηκεν εἶναι, ὀλίγοι δέ τινες ἐν σκοτῷ διαφεύγοντες ἐσώθησαν. [44] τό τε στρατόπεδον Ῥωμαῖοι καὶ Λαζοὶ αἰροῦσι καὶ τὰ σημεῖα πάντα, ὅπλα τε πολλὰ καὶ χρήματα μεγάλα ἐλήισαντο, καὶ ἵππων τε καὶ ἡμιόνων μέγα τι χρήμα. [45] ἐπὶ μακρότατον δὲ τὴν δίωξιν ποιησάμενοι καὶ Ἰβηρίας πόρρω ἀφίκοντο. ἔνθα δὴ καὶ ἄλλοις τισὶ Περσῶν ἐντυχόντες πολλοὺς ἔκτειναν. [46] οὕτω μὲν ἐκ Λαζικῆς Πέρσαι ἀπήλλαξαν, Ῥωμαῖοι δὲ καὶ Λαζοὶ τὰ τε ἄλλα ἐπιτήδεια καὶ ἄλευρα παμπληθῇ ἐνταῦθα εὐρόντες ἅπαντα ἔκαυσαν ἅπερ ἐξ Ἰβηρίας οἱ βάρβαροι ἐπηγάγοντο ἐφ' ᾧ ἐς Πέτρان ἐσκομίσονται. [47] Λαζῶν τε πολλοὺς ἐλίποντο ἐν τῷ στενωπῷ, ὥς μηκέτι Πέρσαις ἐς Πέτρان τὰ ἐπιτήδεια ἐσκομίζεσθαι δυνατὰ εἶη, ζύν τε τῇ ἄλλῃ λεία καὶ τοῖς αἰχμαλώτοις ἀνέστρεφον. [48] καὶ τέταρτον ἔτος ἐτελεύτα Ῥωμαίοις τῆς ἐς Πέρσας ἐκεχειρίας, τρίτον καὶ εἰκοστὸν ἔτος Ἰουστινιανοῦ βασιλέως τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [49] Ἰωάννης δὲ ὁ Καππαδόκης ἐνιαντῷ πρότερον βασιλεῖ ἐς Βυζάντιον μετάπεμπος ἦλθε. τηνικάδε γὰρ Θεοδώρῃ τῇ βασιλίδι ἐπεγένετο ἡ τέλειος ἡμέρα τοῦ βίου. [50] τῶν μέντοι πρόσθεν ἀξιωματῶν ἀνασώσασθαι οὐδ' ὅτιοῦν ἔσχεν, ἀλλ' ἐπὶ τῆς ἀκουσίου τιμῆς ἱερεὺς ἔμεινε: καίτοι φάντασμα τῷ ἀνθρώπῳ ἐγεγόνει πολλάκις ὥς εἰς βασιλείαν ἀρίξεται. [51] φιλεῖ γὰρ τὸ δαιμόνιον, ὅπερ ἐς τοὺς ἀνθρώπους ὠραῖζεσθαι πέφυκεν, ἀπὸ μειζόνων τε καὶ ὑψηλοτέρων ἐλπίδων κρεμᾶν οἷς δὴ οὐκ ἐπὶ στερρᾷ φύσεως τὴν διάνοιαν ἐστάναι ξυμβαίνει. [52] καὶ τούτῳ γοῦν τῷ Ἰωάννῃ ἄλλας τε πολλὰς τερατολόγοι φαντάσεις ἐς αἰεὶ προὔλεγον καὶ ὥς χρῆν αὐτὸν τὸ τοῦ Αὐγοῦστου ἀμπίσχεσθαι σχῆμα. [53] ἦν δέ τις ἱερεὺς ἐν Βυζαντίῳ, Αὐγουστος ὄνομα, ὃς δὴ τῶν κειμηλίων τοῦ τῆς Σοφίας ἱεροῦ φυλακὴν εἶχεν. [54] ἥνικα τοίνυν Ἰωάννης ἀποθριζάμενος τῆς ἱερωσύνης ἠξίωτο βία, οὐ γὰρ ἦν αὐτῷ ἐσθῆς ἱερῇ πρέπουσα, τοῦτου δὴ τοῦ Αὐγοῦστου, ἐγγὺς πη ὄντος, τόν τε φαινόλην καὶ τὸν χιτῶνα ἐνδιδύσκεσθαι πρὸς τῶν τῷ ἔργῳ ἐφεστῶτων ἠνάγκαστο, ἐς τοῦτό τε αὐτῷ ἀπεκρίθη, οἶμαι, ἡ πρόρρησις.

BOOK III.

ΠΡΟΚΟΠΙΟΥ ΚΑΙΣΑΡΕΩΣ ΥΠΕΡ ΤΩΝ ΠΟΛΕΜΩΝ ΛΟΓΟΣ ΤΡΙΤΟΣ

Ὁ μὲν οὖν Μηδικὸς πόλεμος Ἰουστινιανῷ βασιλεῖ ἐς τοῦτο ἐτελεύτα: ἐγὼ δὲ ὅσα ἐξ τε Βανδίλους καὶ Μαυρουσίους αὐτῷ εἵργασται φράσω ἐρχομαι. λελέξεται δὲ πρῶτον ὅθεν ὁ Βανδύλων στρατὸς τῇ Ῥωμαίων ἐπέσκηψε χώρα. [2] ἐπειδὴ Θεοδόσιος ὁ Ῥωμαίων αὐτοκράτωρ ἐξ ἀνθρώπων ἠφάνιστο, ἀνὴρ δίκαιος ἐν τοῖς μάλιστα γεγωνὸς καὶ ἀγαθὸς τὰ πολέμια, διεδεξάσθην αὐτοῦ τὴν βασιλείαν ἅμφω τὰ παῖδε, Ἀρκάδιος μὲν ὁ πρεσβύτερος τὴν ἐφ' ἑαυτὸν μοῖραν, τὴν ἐσπερίαν δὲ Ὀνώριος ὁ νεώτερος. [3] διήρητο δὲ ὧδε τὸ Ῥωμαίων κράτος ἄνωθεν ἀπὸ τε Κωνσταντίνου καὶ τῶν αὐτοῦ παίδων, ὃς τὴν βασιλείαν ἐς Βυζάντιον μεταθέμενος μείζω τε τὴν πόλιν καὶ πολλῷ ἐπιφανεστέραν καταστησάμενος ἀπ' αὐτοῦ ἀφῆκε προσαγορεύεσθαι. [4] Περιλαμβάνει μὲν κύκλῳ τὴν γῆν ὠκεανὸς ἢ ζύμπασαν ἢ τὴν πολλήν: οὐ γάρ πω σαφές τι ἅμφ' αὐτῷ ἴσμεν: σχίζει δὲ αὐτὴν δίχα ἐς ἡπείρους δύο ἐκροή τις ἀπ' αὐτοῦ κατὰ τὴν ἐσπέρion εἰσβάλλουσα μοῖραν καὶ ταύτην δὴ ποιούμενη τὴν θάλασσαν, ἀπὸ Γαδεῖρων μὲν ἀρξαμένη, ἐς αὐτὴν δὲ τὴν Μαιῶτιν διήκουσα λίμνην. [5] ταύταιν ταῖν ἡπείροιον ἄτερα μὲν ἐν δεξιᾷ εἰσπλέοντι τὴν θάλασσαν μέχρι καὶ ἐς τὴν λίμνην Ἀσία κέκληται, ἀπὸ τε Γαδεῖρων καὶ τῆς ἐτέρας τῶν Ἡρακλέους στηλῶν. [6] Σέπτον καλοῦσι τὸ ἐκείνη φρούριον οἱ ἐπιχώριοι, λόφων τινῶν ἐπὶ τὰ φαινόμενων ἐνταῦθα: τὸ γὰρ σέπτον ἐπὶ τῇ Λατίνων φωνῇ δύναται. [7] ἡ δὲ ἀντιπέρας αὐτῇ ζύμπασα Εὐρώπῃ ἐκλήθη. καὶ ὁ μὲν ταύτῃ πορθμὸς τέτταρσι καὶ ὀγδοήκοντα σταδίοις μάλιστα ἡπειρον ἐκατέραν διείργει, τὸ δὲ ἐντεῦθεν πελάγεσι μεγάλοις ἀλλήλαιν διέχετον μέχρις Ἑλλησπόντου. [8] ταύτῃ γὰρ ξυνίασιν αὐθις ἀμφὶ Σηστόν τε καὶ Ἄβυδον, καὶ πάλιν ἐν τε Βυζαντίῳ καὶ Καλχηδόνι μέχρι τῶν πάλαι Κυανέων λεγομένων πετρῶν, οὗ καὶ νῦν Ἱερὸν ὀνομάζεται. ἐν τούτοις γὰρ δὴ τοῖς χωρίοις μέτρῳ δέκα σταδίων τε καὶ τούτου ἐλάσσονι διείργεσθον ἀλλήλαιν. [9] Ἀπὸ δὲ τῆς ἐτέρας τῶν Ἡρακλέους στηλῶν μέχρι ἐς τὴν ἐτέραν διὰ τῆς ἡϊόνος ἰόντι καὶ οὐ περιερχομένῳ κόλπον τε τὸν Ἴονιον καὶ τὸν Εὐξείνιον καλούμενον Πόντον, ἀλλ' ἔκ τε Καλχηδόνης ἐς Βυζάντιον ἔκ τε Δρυοῦντος ἐς ἡπειρον τὴν ἀντιπέραν καταίροντι, πέντε καὶ ὀγδοήκοντα καὶ διακοσίῳ ὁδὸς ἡμερῶν ἐστὶν εὐζώνῳ ἀνδρί. [10] τὰ γὰρ ἀμφὶ τὸν Εὐξείνιον Πόντον, ὃς ἐκ Βυζαντίου χωρεῖ εἰς τὴν λίμνην, ἅπαντα ἀκριβολογεῖσθαι ἀμήχανα ἦν, βαρβάρων τῶν ὑπὲρ ποταμὸν Ἰστρὸν, ὃν καὶ Δανούβιον καλοῦσι, Ῥωμαίοις βατὴν ἥκιστα ποιούμενων τὴν ἐκείνην ἀκτὴν, πλὴν γε δὴ ὅτι ἐκ Βυζαντίου μὲν ἐς τὰς τοῦ Ἰστρου ἐκβολὰς ἡμερῶν ἐστὶν ὁδὸς δύο καὶ εἴκοσι, ὥσπερ τῇ Εὐρώπῃ λογιζομένους ἐντιθέσθαι προσήκει. [11] κατὰ δὲ τὴν τῆς Ἀσίας μοῖραν, εἴη δ' ἂν ἐκ Καλχηδόνης ἐς ποταμὸν Φᾶσιν, ὃς ῥέων ἐκ Κόλχων κάτεισιν ἐς τὸν Πόντον, ἀνύεται τεσσαράκοντα ὁδὸς ἡμερῶν. [12] ὥστε ζύμπασα ἡ Ῥωμαίων ἐπικράτεια κατὰ γε τὴν ἐπὶ θαλάσῃ ὁδὸν ἐς ἐπὶ τὰς τεσσαράκοντα καὶ τριακοσίῳ ἡμερῶν ξύνεισι μέτρον, ἦν τις, ὅπερ εἴρηται, τὸν Ἴονιον κόλπον ἐς ὀκτακοσίους μάλιστα διήκοντα σταδίους ἐκ Δρυοῦντος διαπορθευῆται. [13]

ἡ γὰρ τοῦ κόλπου πάροδος ἐς ὁδὸν ἡμερῶν διήκει οὐχ ἥσσον ἢ τεσσάρων. τοσαύτη μὲν ἡ Ῥωμαίων ἀρχὴ κατὰ γε τὸν παλαιὸν ἐγένετο χρόνον. [14] Ἐπέβαλλε δὲ τῷ μὲν τὸ τῆς ἐσπερίας ἔχοντι κράτος Λιβύης τὰ πλεῖστα διήκοντα ἐς ἐνενήκοντα ὁδὸν ἡμερῶν: τοσοῦτον γὰρ τὸ ἐκ Γαδεῖρων ἐς τὰ ὄρια τῆς ἐν Λιβύῃ Τριπόλεως ἐστίν: ἐν δὲ δὴ τῇ Εὐρώπῃ πέντε καὶ ἑβδομήκοντα ὁδὸν ἡμερῶν ἔλαχε: [15] τοσαύτη γὰρ ἡ ἐκ τῆς ἐτέρας τῶν Ἡρακλεους στηλῶν ἐς κόλπον τὸν Ἰόνιον τυγχάνει οὖσα. προσθεῖη δὲ ἂν τις καὶ τὴν τοῦ κόλπου περίοδον. [16] βασιλεὺς δὲ ὁ τῆς ἑω ἡμερῶν εἴκοσι καὶ ἑκατὸν ὁδὸν ἐκληρώσατο ἐκ τῶν Κυρήνης ὁρίων τῆς ἐν Λιβύῃ μέχρι Ἐπιδάμνου, ἡ πρὸς αὐτῷ κεῖται τῷ Ἰονίῳ κόλπῳ, Δυρράχιον τανῦν καλουμένη, καὶ ὅση ἀμφὶ τὸν Εὐξείνιον Πόντον, ὡς ἔμπροσθεν εἴρηται, ὑπὸ Ῥωμαίοις ἐστί. [17] μῖς δὲ ἡμέρας ὁδὸς ἐς δέκα καὶ διακοσίους διήκει σταδίους, ὅσον Ἀθήνηθεν Μέγαράδε ἰέναι. οὕτω μὲν ἥπειρον ἑκατέραν οἱ Ῥωμαίων αὐτοκράτορες διείλοντο σφίσι. [18] τῶν δὲ δὴ νήσων Βρεττανία μὲν, ἡ ἐκτὸς στηλῶν τῶν Ἡρακλείων νήσων πασῶν μεγίστη παρὰ πολὺ οὖσα, μετὰ τῆς ἐσπερίας, ὡς γε τὸ εἰκός, ἐτάττετο μοίρας: ἐντὸς δὲ αὐτῶν Ἔβουσα, ὥσπερ ἐν Προποντίδι τῇ μετὰ τὴν ὠκεανοῦ ἐσβολὴν ἐν θαλάσῃ κειμένη, ἐς ἑπτὰ ἡμερῶν ὁδὸν μάλιστα διήκουσα, καὶ δύο ἀμφ' αὐτὴν ἕτεραι, Μαϊορίκα τε καὶ Μινωρίκα ἐπιχωρίως καλούμεναι. [19] τῶν δὲ κατὰ θάλασσαν νήσων ἐκάστη θατέρῳ τοῖν βασιλέοιν ἐπέβαλεν, ὡς αὐτῇ ἐντὸς πού τῶν ἐκείνου ὁρίων ξυνέβαινε κεῖσθαι.

Ὀνωρίου δὲ τὴν πρὸς ἡλίου δυσμαῖς ἔχοντος βασιλείαν βάρβαροι τὴν ἐκείνου κατέλαβον χώραν: οἵτινες δὲ καὶ ὅτῳ τρόπῳ, λελέξεται. [2] Γοτθικὰ ἔθνη πολλὰ μὲν καὶ ἄλλα πρότερόν τε ἦν καὶ τανῦν ἔστι, τὰ δὲ δὴ πάντων μέγιστα τε καὶ ἀξιολογώτατα Γότθοι τέ εἰσι καὶ Βανδίλοι καὶ Οὐισίγοτθοι καὶ Γήπαιδες. πάλαι μέντοι Σαυρομάται καὶ Μελάγχλαινοι ὠνομάζοντο: εἰσὶ δὲ οἱ καὶ Γετικὰ ἔθνη ταῦτ' ἐκάλουν. [3] οὗτοι ἅπαντες ὀνόμασι μὲν ἀλλήλων διαφέρουσιν, ὥσπερ εἴρηται, ἄλλω δὲ τῶν πάντων οὐδενὶ διαλλάσσουσι. [4] λευκοὶ τε γὰρ ἅπαντες τὰ σώματά εἰσι καὶ τὰς κόμας ξανθοί, εὐμήκεις τε καὶ ἀγαθοὶ τὰς ὄψεις, καὶ νόμοις μὲν τοῖς αὐτοῖς χρῶνται, [5] ὁμοίως δὲ τὰ ἐς τὸν θεὸν αὐτοῖς ἥσκηται. τῆς γὰρ Ἀρείου δόξης εἰσὶν ἅπαντες, φωνὴ τε αὐτοῖς ἐστὶ μία, Γοτθικὴ λεγομένη: καὶ μοι δοκοῦν ἐξ ἐνὸς μὲν εἶναι ἅπαντες τὸ παλαιὸν ἔθνος, ὀνόμασι δὲ ὕστερον τῶν ἐκάστοις ἡγησασμένων διακεκρίσθαι. [6] οὗτος ὁ λεὼς ὑπὲρ ποταμὸν Ἰστρον ἐκ παλαιοῦ ᾤκουν. ἔπειτα Γήπαιδες μὲν τὰ ἀμφὶ Σιγγιδόνον τε καὶ Σίρμιον χωρία ἔσχον, ἐντὸς τε καὶ ἐκτὸς ποταμοῦ Ἰστροῦ, ἔνθα δὴ καὶ ἐς ἐμὲ ἴδρυνται. [7] Τῶν δὲ δὴ ἄλλων Οὐισίγοτθοι μὲν ἐνθὲνδε ἀναστάντες τὰ μὲν πρῶτα ἐς ξυμμαχίαν Ἀρκαδίου βασιλέως ἀφίκοντο, χρόνῳ δὲ ὕστερον ὅτ' οὐ γὰρ οἶδε βαρβάροις ἐνδιατᾶσθαι ἢ ἐς Ῥωμαίους πίστις, ἡγουμένου αὐτοῖς Ἀλαρίχου, ἐς ἐπιβουλὴν ἑκατέρου βασιλέως ἐτράποντο, ἐκ Θράκης τε ἀρξάμενοι ξυμπάσῃ Εὐρώπῃ ὡς πολεμία ἐχρήσαντο. [8] βασιλεὺς δὲ Ὀνώριος πρότερον μὲν ἐν Ῥώμῃ καθῆστο, οὐδὲν ὅ τι καὶ πολέμιον ἐν νῷ ἔχων, ἀλλ' ἀγαπῶν, οἶμαι, ἦν τις αὐτὸν ἐν τοῖς βασιλείοις ἡσυχάζειν ἐφῆ. [9] ἐπεὶ δὲ οὐκ ἄποθεν οἱ βάρβαροι, ἀλλὰ πού ἐν Ταυλαντίοις εἶναι στρατῷ μεγάλῳ ἡγγέλλοντο, καταλιπὼν τὰ βασιλεία οὐδενὶ

κόσμῳ ἐς Ῥάβενναν φεύγει, πόλιν ἐχυρὰν ἐς αὐτόν που λήγοντα κειμένην τὸν Ἴονιον κόλπον. [10] εἰσὶ δὲ οἱ καὶ φασὶν αὐτόν τοὺς βαρβάρους ἐπαγαγέσθαι, στάσεως αὐτῷ πρὸς τῶν ὑπηκόων γεγενημένης, ἐμοὶ μὲν οὐ πιστὰ λέγοντες, [11] ὅσα γε τὸ τοῦ ἀνθρώπου ἐκλογίζεσθαι ἦθος. οἱ δὲ βάρβαροι, ἐπεὶ οὐδὲν σφίσιν ἀπὴντα πολέμιον, γίνονται ὁμότατοι ἀνθρώπων ἀπάντων. πόλεις τε γάρ, ὅσας εἶλον, οὕτω κατειργάσαντο ὥστε οὐδὲν εἰς ἐμὲ αὐταῖς ἀπολέλειπται γνώρισμα, ἄλλως τε καὶ ἐντὸς τοῦ Ἰονίου κόλπου, πλὴν γε δὴ ὅτι πύργον ἓνα ἢ πύλην μίαν ἢ τι τοιοῦτο αὐταῖς περιεῖναι ξυνέβη: [12] τοὺς τε ἀνθρώπους ἅπαντας ἔκτεινον, ὅσοι ἐγένοντο ἐν ποσίν, ὁμοίως μὲν πρεσβύτας, ὁμοίως δὲ νέους, οὔτε γυναικῶν οὔτε παίδων φειδόμενοι. ὅθεν εἰς ἔτι καὶ νῦν ὀλιγάνθρωπον τὴν Ἰταλίαν ξυμβαίνει εἶναι. [13] χρήματα δὲ ἅπαντα ἐλήσαντο ἐκ πάσης Εὐρώπης, καί, τό γε κεφάλαιον, ἐν Ῥώμῃ τῶν τε δημοσίων τῶν τε ἰδίων οὐδ' ὅτιοις ἀπολιπόντες ἐπὶ Γαλλίας ἐχώρησαν. τρόπῳ δὲ ὅτῳ Ῥώμην Ἀλάριχος εἶλεν, ἐγὼ δηλώσω. [14] Ἐπειδὴ χρόνος τέ οἱ πολὺς ἐν τῇ προσεδρεΐᾳ ἐτέτριπτο καὶ οὔτε βίᾳ οὔτε τινὶ μηχανῇ ἄλλῃ ἴσχυσε τὸ χωρίον ἐλεῖν, ἐπενόει τάδε. [15] τῶν ἐν στρατῷ νεανίων οὐπὼ γενειασκόντων, ἀλλ' ἄρτι ἡβηκότων, τριακοσίους ἀπολεξάμενος, οὐσπερ εὖ τε γεγονέναι καὶ ὑπὲρ τὴν ἡλικίαν ἀρετῆς μεταποιεῖσθαι ἠπίστατο, ἔφασκε μὲν αὐτοῖς κρύφα ὥς σφίσι τῶν ἐν Ῥώμῃ πατρικίων τινάς, ἅτε δούλοις οὗσι δῆθεν τῷ λόγῳ, δωρήσεσθαι μέλλοι. [16] παρήγγελλε δὲ ὥστε, ἐπειδὴ ἐν ταῖς ἐκείνων οἰκίαις τάχιστα γένωνται, πρῶτότητα πολλὴν καὶ σωφροσύνην ἐνδεικνυμένους ἅπαντα προθύμως ὑπηρετεῖν, ἅπερ ἂν αὐτοῖς πρὸς τῶν κεκτημένων ἐπικείμενα ᾗ: [17] ἔπειτα οὐ πολλῷ ὕστερον καὶ ἐν ἡμέρᾳ τακτῇ ἀμφὶ ἡμέραν μάλιστα μέσσην, ἀπάντων ἤδη τῶν αὐτοὺς ληψομένων ὕπνον, ὥς τὸ εἰκός, μετὰ τὰ σιτία αἰρουμένων, ἐν πύλῃ ἅπαντας τῇ Σαλαρίᾳ καλουμένῃ γενέσθαι, καὶ τοὺς τε φύλακας οὐδὲν προαισθομένους ἐξ ἐπιδρομῆς κτείνειν τὰς τε πύλας ἀνοιγνύναι ὥς τάχιστα. [18] ταῦτα ἐπαγγείλας Ἀλάριχος τοῖς νεανίαις, πρέσβεις αὐτίκα πρὸς τοὺς ἐκ βουλῆς ἔπεμψε, δηλῶν ὅτι ἀγασθεῖν μὲν αὐτοὺς τῆς ἐς τὸν σφῶν βασιλέα εὐνοίας, οὐκέτι δὲ τὸ λοιπὸν ἐνοχλήσει, τῆς τε ἀρετῆς καὶ πίστεως ἕνεκα, ἧς ἐς ἅγαν μεταποιεῖσθαι εἰσὶν ἐνδηλοί, ὅπως τε αὐτοῦ μνημεῖα παρ' ἀνδράσι καλοῖς τε καὶ ἀγαθοῖς σώζοιτο, οἰκέταις τισὶ δωρεῖσθαι βούλοιτο αὐτῶν ἕκαστον. [19] ταῦτα σημήνας καὶ τοὺς νεανίας οὐκ ἐς μακρὰν στείλας, συσκευάζεσθαι ἐς τὴν ἄφοδον τοὺς βαρβάρους ἐκέλευε, τούτου τε αἰσθησὶν Ῥωμαίοις παρεῖχεν. [20] οἱ δὴ τοὺς τε λόγους ἄσμενοι ἤκουσαν καὶ τὰ δῶρα δεξάμενοι ἐν πολλῇ εὐπαθείᾳ ἐγένοντο, ἕκαστάτῳ τῆς τοῦ βαρβάρου ἐπιβουλῆς ὄντες. [21] οἱ τε γὰρ νέοι τῷ εὐπειθέστεροι τοῖς κεκτημένοις εἶναι τὸ ὑποπτον ἀπεκρούοντο, τοῦ τε στρατοπέδου οἱ μὲν ἤδη ἐξανιστάμενοι τε καὶ διαλύοντες τὴν προσεδρεΐαν ἐφαίνοντο, οἱ δὲ ὅσον οὐπὼ ταῦτο τοῦτο ποιήσιν ἐπίδοξοι ἦσαν. [22] ἐπεὶ δὲ ἡ κυρία παρῆν, Ἀλάριχος μὲν ἅπαν ἐξοπλίσας τὸ στράτευμα ὥς ἐς τὴν ἄφοδον ἐν παρασκευῇ εἶχεν ἄγχις τῇ πύλῃ τῆς Σαλαρίας: ἐνταῦθα γὰρ ἐνστρατοπεδευσάμενος τῆς πολιορκίας κατ' ἀρχὰς ἔτυχε. [23] ξύμπαντες δὲ οἱ νεανίαὶ καιρῷ τῆς ἡμέρας τῷ συγκειμένῳ ἐς ταύτην δὴ τὴν πύλην γενόμενοι τοὺς τε φύλακας ἐκ τοῦ αἰφνιδίου ἐπελθόντες ἀπέκτειναν, τὰς τε πύλας ἀνακλίναντες κατ' ἐξουσίαν Ἀλάριχόν τε καὶ τὴν

στρατιὰν τῇ πόλει ἐδέξαντο. [24] οἱ δὲ τὰς τε οἰκίας ἐνέπρησαν αἱ τῆς πύλης ἄγχιστα ἦσαν, ἐν αἷς ἦν καὶ ἡ Σαλουστίου, τοῦ Ῥωμαίοις τὸ παλαιὸν τὴν ἱστορίαν γράψαντος, ἧς δὴ τὰ πλεῖστα ἡμίκαυτα καὶ ἐς ἐμὲ ἔστηκε: τὴν τε πόλιν ὅλην ληισάμενοι καὶ Ῥωμαίων τοὺς πλείστους διαφθείραντες πρόσω ἐχώρουν. [25] τότε λέγουσιν ἐν Ῥαβέννῃ Ὀνωρίῳ τῷ βασιλεῖ τῶν τινα εὐνούχων δηλονότι ὀρνιθοκόμον ἀγγεῖλαι ὅτι δὴ Ῥώμη ἀπόλωλε. καὶ τὸν ἀναβοήσαντα φάναί ‘Καίτοι ἔναγχος ἐδήδοκεν ἐκ χειρῶν τῶν ἐμῶν.’ εἶναι γὰρ οἱ ἀλεκτρυόνα ὑπερμεγέθη, [26] Ῥώμην ὄνομα: καὶ τὸν μὲν εὐνοῦχον ζυνέντα τοῦ λόγου εἰπεῖν Ῥώμην τὴν πόλιν πρὸς Ἀλαρίχου ἀπολωλέναι, ἀνενεγκόντα δὲ τὸν βασιλέα ὑπολαβεῖν ‘Ἀλλ’ ἐγωγε, ὦ ἐταῖρε, Ῥώμην μοι ἀπολωλέναι τὴν ὄρνιν ᾗθην.’ τοσαύτη ἀμαθία τὸν βασιλέα τοῦτον ἔχουσιν λέγουσι. [27] Τινὲς δὲ οὐχ οὕτω Ῥώμην Ἀλαρίχῳ ἀλῶναι φασιν, ἀλλὰ Πρόβην γυναικα, πλοῦτῳ τε καὶ δόξῃ ἔν γε τῇ Ῥωμαίων βουλῇ ἐπιφανεστάτην μάλιστα οὔσαν, οἰκτεῖραι μὲν λιμῷ τε καὶ τῇ ἄλλῃ κακοπαθείᾳ διαφθειρομένους Ῥωμαίους, οἳ γε καὶ ἀλλήλων ἤδη ἐγεύοντο: ὁρῶσαν δὲ ὡς πᾶσα αὐτοὺς ἐλπίς ἀγαθὴ ἐπιλελοιπεί, τοῦ τε ποταμοῦ καὶ τοῦ λιμένος ἐχομένου πρὸς τῶν πολεμίων, τοῖς οἰκέταις ἐγκελεύσασθαι νύκτωρ ἀνοιγνύναι τὰς πύλας. [28] Ἐπειδὴ δὲ Ἀλάριχος ἐκ Ῥώμης ἐξανίστασθαι ἔμελλεν, Ἄτταλον τῶν τινα εὐπατριδῶν βασιλέα Ῥωμαίων ἀνέϊπε, περιθέμενος αὐτῷ τό τε διάδημα καὶ τὴν ἀλουργίδα καὶ εἴ τι ἄλλο ἐς βασιλικὸν ἀξίωμα ἦκει. ἐπράσσε δὲ ταῦτα ὡς παραλύσων μὲν τῆς βασιλείας Ὀνώριον, παραδώσων δὲ ἅπαν Ἀττάλῳ τὸ ἐσπέριον κράτος. [29] τοιαύτη μὲν γνώμη Ἄτταλός τε καὶ Ἀλάριχος ἐπὶ Ῥαβένναν στρατῷ πολλῷ ἦσαν. ἦν δὲ ὁ Ἄτταλος οὗτος οὔτε αὐτός τι νοεῖν ἰκανὸς οὔτε τῷ εὖ εἰπόντι πεισθῆναι. [30] Ἀλαρίχου γοῦν ἦκιστα ἐπαινοῦντος ἐς Λιβύην στρατιᾶς χωρὶς ἄρχοντας ἐπεμψε. ταῦτα μὲν οὖν ἐπράσσετο τῇδε. [31] Βρεττανία δὲ ἡ νῆσος Ῥωμαίων ἀπέστη, οἳ τε ἐκεῖνη στρατιῶται βασιλέα σφίσι Κωνσταντῖνον εἵλοντο, οὐκ ἀφανὴ ἄνδρα. ὃς δὴ αὐτίκα στόλον τε ἀγείρας νηῶν καὶ στρατιὰν λόγου ἀξίαν ἐς Ἰσπανίαν τε καὶ Γαλλίαν ὡς δουλωσόμενος στρατῷ μεγάλῳ ἐσέβαλεν. [32] Ὀνώριος δὲ πλοῖα μὲν ἐν παρασκευῇ εἶχε, προσεδέχετο δὲ τὰς ἐκ Λιβύης τύχας, ὅπως, ἦν μὲν ἀποκρουσθεῖεν οἱ παρὰ Ἀττάλου σταλέντες, πλείοι τε αὐτὸς ἐπὶ Λιβύης καὶ μοῖράν τινα τῆς βασιλείας τῆς αὐτοῦ ἔχοι, ἦν δὲ ἀπ’ ἐναντίας αὐτῷ τὰ ἐκεῖνη πράγματα ἴοι, ἐς Θεοδοσίον τε ἵκοιτο καὶ σὺν αὐτῷ εἴη. [33] Ἀρκαδίου γὰρ ἤδη πολλῷ πρότερον τελευτήσαντος, Θεοδοσίος ἐκείνου υἱός, ἔτι παῖς ὢν κομιδῇ, εἶχε τῆς ἑω ἀρχήν. [34] ταῦτα Ὀνωρίῳ καταδοκοῦντι καὶ ἐν τρικυμίαις φερομένῳ τῆς τύχης εὐτυχήματα θαυμάσια ἡλίκᾳ ζυηνέχθη γενέσθαι. [35] φιλεῖ γὰρ ὁ θεὸς τοῖς οὔτε ἀγχίνους οὔτε τι οἰκοθεν μηχανᾶσθαι οἷσις τε οὔσιν, ἦν μὴ πονηροὶ εἶεν, ἀπορουμένοις τὰ ἔσχατα ἐπικουρεῖν τε καὶ ξυλλαμβάνεσθαι: ὁποῖον δὴ τι καὶ τῷ βασιλεῖ τούτῳ τετύχηκεν. [36] ἔκ τε γὰρ Λιβύης ὡς διαφθαρεῖεν οἱ Ἀττάλου ἄρχοντες ἄφνω ἠγγέλλετο, καὶ νηῶν πλῆθος ἐκ Βυζαντίου στρατιώτας ἔχουσαι ὅτι πλείστους ἐς ἐπικουρίαν αὐτῷ ἀφικομένους οὐ προσδεχομένῳ παρήσαν, διάφορός τε Ἀττάλῳ γεγωνὼς Ἀλάριχος τό τε τοῦ βασιλέως αὐτὸν ἀφαιρεῖται σχῆμα καὶ ἐν ιδιώτῳ ἤδη τελοῦντα μοῖρα ἐν φυλακῇ εἶχε. [37] μετὰ δὲ Ἀλάριχος μὲν τελευτᾷ νόσῳ, ὁ δὲ τῶν Οὐμισιγόθων στρατός, ἡγουμένου σφίσιν

Ἀδασούλφου, ἐπὶ Γαλλίας ἐχώρησαν, καὶ Κωνσταντῖνος μάχῃ ἡσσηθείς ζὺν τοῖς παισὶ θνήσκει. [38] Βρεττανίαν μέντοι Ῥωμαῖοι ἀνασώσασθαι οὐκέτι ἔσχον, ἀλλ' οὕσα ὑπὸ τυράννοις ἀπ' αὐτοῦ ἔμεινε. [39] Γότθοι δὲ τὴν ἐπὶ τοῦ Ἰστρου διάβασιν ποιησάμενοι Παννονίαν μὲν τὰ πρῶτα ἔσχον, ἔπειτα δὲ βασιλέως δόντος ὤκησαν τὰ ἐπὶ τῆς Θράκης χωρία. [40] ἐνταῦθα τε οὐ πολὺν διατρίψαντες χρόνον τῆς ἐσπερίας ἐκράτησαν. ἀλλὰ ταῦτα μὲν ἐν τοῖς περὶ τῶν Γότθων εἰρήσεται.

Βανδίλοι δὲ ἀμφὶ τὴν Μαιῶτιν ὤκημένοι λίμνην, ἐπειδὴ λιμῶ ἐπιέζοντο, ἐς Γερμανοὺς τε, οἱ νῦν Φράγγοι καλοῦνται, καὶ ποταμὸν Ῥήνον ἐχώρουν, [2] Ἀλανοὺς ἐταιρισάμενοι, Γοτθικὸν ἔθνος. εἴτα ἐνθένδε, ἡγουμένου αὐτοῖς Γωδιγίσκλου, ἐν Ἰσπανίᾳ ἰδρύσαντο, ἣ πρώτη ἐστὶν ἐξ ὠκεανοῦ χώρα τῆς Ῥωμαίων ἀρχῆς. τότε ξυμβαίνει Γωδιγίσκῳ Ὀνώριος ἐφ' ᾧ δὴ οὐκ ἐπὶ λύμῃ τῆς χώρας ἐνταῦθα ἰδρύσονται. [3] νόμου δὲ ὄντος Ῥωμαίοις, ἣν τινες οὐχ ὑπὸ ταῖς οἰκείαις χερσὶ τὰ σφέτερα αὐτῶν ἔχοιεν καὶ τρίβοιτο χρόνος εἰς τριάκοντα ἐνιαυτοὺς ἡκων, τούτοις δὴ οὐκέτι εἶναι κυρίοις ἐπὶ τοὺς βιασαμένους ἰέναι, ἀλλ' ἐς παραγραφὴν αὐτοῖς ἀποκεκρίσθαι τὴν ἐς τὸ δικαστήριον εἰσοδόν, νόμον ἔγραψεν ὅπως ὁ τῶν Βανδύλων χρόνος, ὃν ἂν ἐν γε τῇ Ῥωμαίων ἀρχῇ διατρίβοιεν, ἐς ταύτην δὴ τὴν τριακοντοῦτιν παραγραφὴν ἦκιστα φέροιτο. [4] Ὀνώριος μὲν, ἐς τοῦτό οἱ τῆς ἐσπερίας ἐληλαμένης, ἐτελεύτησε νόσῳ. ἐτύγχανε δὲ πρότερον ζὺν τῷ Ὀνωρίῳ τὴν βασιλείαν Κωνσταντίος ἔχων, τῆς Ἀρκαδίου τε καὶ Ὀνωρίου ἀδελφῆς Πλακιδίας ἀνὴρ, ὃς ἡμέρας τῇ ἀρχῇ ἐπιβιούς ὀλίγας, πονήρως τε νοσήσας εἴτα ἀπέθανεν, Ὀνωρίου ζῶντος, οὐδὲν οὔτε εἰπεῖν λόγου ἄξιον οὔτε πρᾶξαι ἰσχύσας· οὐ γὰρ αὐτῷ ἐπὶ ἥρκει ὁ χρόνος ὃν ἐν τῇ βασιλείᾳ ἐβίου. [5] τοῦτου δὴ τοῦ Κωνσταντίου παῖς Βαλεντινιανός, ἄρτι τοῦ τιτθοῦ ἀπαλλαγείς, ἐν τοῖς Θεοδοσίου βασιλείοις ἐτρέφετο, οἱ δὲ τῆς ἐν Ῥώμῃ βασιλέως αὐλῆς τῶν τινα ἐκείνη στρατιωτῶν, Ἰωάννην ὄνομα, βασιλέα αἰροῦνται. [6] ἦν δὲ οὗτος ἀνὴρ πρῶτός τε καὶ ξυνέσεως εὖ ἡκων καὶ ἀρετῆς μεταποιεῖσθαι ἐξεπιστάμενος. [7] πέντε γοῦν ἔτη τὴν τυραννίδα ἔχων μετρίως ἐξηγήσατο, καὶ οὔτε τοῖς διαβάλλουσι τὴν ἀκοὴν ὑπέσχεεν οὔτε φόνον ἄδικον εἰργάσατο ἐκὼν γε εἶναι οὔτε χρημάτων ἀφαιρέσει ἐπέθετο· ἐς δὲ βαρβάρους οὐδὲν ὅ τι καὶ πρᾶξαι οἷός τε ἐγεγόνει, ἐπεὶ οἱ τὰ ἐκ Βυζαντίου πολέμια ἦν. [8] ἐπὶ τοῦτον τὸν Ἰωάννην Θεοδόσιος ὁ Ἀρκαδίου στρατὸν πολὺν πέμψας καὶ στρατηγούς Ἀσπαρά τε καὶ Ἀρδαβούριον, τὸν Ἀσπαρος υἱόν, αὐτόν τε ἀφαιρεῖται τὴν τυραννίδα καὶ Βαλεντινιανῷ ἔτι παιδὶ ὄντι τὴν βασιλείαν παρέδωκε. [9] ζῶντα δὲ Βαλεντινιανὸς Ἰωάννην λαβὼν ἐν τε τῷ Ἀκυληίας ἵπποδρομίῳ τὴν ἐτέραν ταῖν χεροῖν ἀποκοπέντα εἰσήγεν ἐπόμευσέ τε ὄνῳ ὀχούμενον, καὶ πολλὰ παρὰ τῶν ἀπὸ σκηνῆς ἐνταῦθα παθόντα τε καὶ ἀκούσαντα ἔκτεινεν. οὕτω μὲν Βαλεντινιανὸς τὸ τῆς ἐσπερίας παρέλαβε κράτος. [10] Πλακιδία δὲ ἡ αὐτοῦ μήτηρ θηλυνομένην παιδείαν τε καὶ τροφὴν τὸν βασιλέα τοῦτον ἐξέθρεψέ τε καὶ ἐξεπαίδευσεν, καὶ ἀπ' αὐτοῦ κακίας ἔμπλεως ἐκ παιδὸς γέγονε. [11] φαρμακεῦσί τε γὰρ τὰ πολλὰ καὶ τοῖς ἐς τὰ ἄστρα περιέρχοις ὠμίλει, ἐς τε ἄλλοτρίων γυναικῶν ἔρωτας δαιμονίως ἐσπουδακῶς πολλῇ ἐχρήτο ἐς τὴν δίαίταν παρανομία, καίτερ γυναικὶ ξυνοικῶν εὐπρεπεῖ τὴν ὄψιν ἐς ἄγαν οὕση.

[12] ταῦτά τοι οὐδέ τι ἀνεσώσατο τῇ βασιλείᾳ ὧν ἀφῆρητο πρότερον, ἀλλὰ καὶ Λιβύην προσαπώλεσε καὶ αὐτὸς ἐφθάρη. [13] καὶ ἐπειδὴ ἐτελεύτησε, τῇ τε γυναικὶ ταῖς τε παισὶ δορυαλώτοις γενέσθαι ξυνέπεσε. γέγονε δὲ ὧδε τὸ ἐν Λιβύῃ πάθος. [14] Στρατηγὼ δύο Ῥωμαίων ἦσθην, Ἀετίος τε καὶ Βονιφάτιος, καρτερώ τε ὡς μάλιστα καὶ πολλῶν πολέμων ἐμπείρῳ τῶν γε κατ' ἐκείνον τὸν χρόνον οὐδενὸς ἦσσαν. [15] τούτῳ τῷ ἄνδρι διαφόρῳ μὲν τὰ πολιτικὰ ἐγενέσθην, ἐς τοσοῦτον δὲ μεγαλοψυχίας τε καὶ τῆς ἄλλης ἀρετῆς ἠκέτην ὥστε, εἴ τις αὐτοῖν ἐκάτερον ἄνδρα Ῥωμαίων ὕστατον εἴποι, οὐκ ἂν ἀμάρτοι: οὕτω τὴν Ῥωμαίων ἀρετὴν ξύμπασαν ἐς τούτῳ τῷ ἄνδρι ἀποκεκρίσθαι τετύχηκε. [16] τούτοις τὸν ἕτερον Βονιφάτιον ἢ Πλακιδία στρατηγὸν ἀπέδειξε Λιβύης ἀπάσης. τοῦτο δὲ οὐ βουλομένῳ ἦν Αετίῳ, ἀλλ' ἡκιστα γε ὡς αὐτὸν οὐκ ἀρέσκει ἐξήνεγκεν. οὐπὼ γὰρ αὐτοῖν ἡ ἔχθρα ἐς φῶς ἐληλύθει, ἀλλ' ὑπὸ τῷ προσώπῳ ἐκατέρῳ ἐκρύπτετο. [17] ἐπεὶ δὲ οἱ Βονιφάτιος ἐκποδὼν ἐγεγόνει, διέβαλεν αὐτὸν ἐς τὴν Πλακιδίαν ὡς τυραννοίη, ἀποστερήσας αὐτὴν τε καὶ βασιλέα Λιβύης ἀπάσης, ῥαδίον τε εἶναι αὐτῇ ἔλεγε τάληθές ἐξευρεῖν: ἦν γὰρ μεταπέμποιτο Βονιφάτιον ἐς Ῥώμην, οὐ μὴ ποτε ἔλθῃ. [18] ἐπεὶ δὲ ταῦτα ἤκουσεν ἡ γυνή, εὖ τέ οἱ εἰπεῖν Αετίος ἔδοξε καὶ κατὰ ταῦτα ἐποίει. προτερήσας δὲ Αετίος ἔγραψε πρὸς Βονιφάτιον λάθρα ὡς ἐπιβουλεύει αὐτῷ ἢ βασιλέως μήτηρ καὶ βούλοιο αὐτὸν ἐκποδὼν ποιήσασθαι. [19] καὶ οἱ τεκμήριον τῆς ἐπιβουλῆς προηγόρευεν ἔσεσθαι μέγα: ἐξ αἰτίας γὰρ οὐδεμιᾶς αὐτίκα μάλα μεταπέμπτως ἔσται. ταῦτα μὲν ἡ ἐπιστολὴ ἐδήλου. [20] Βονιφάτιος δὲ οὐκ ἀλογήσας τὰ γεγραμμένα, ἐπειδὴ τάχιστα παρῆσαν οἱ αὐτὸν ὡς βασιλέα ἐκάλουν, ἀπεῖπε τὸ μὴ βασιλεῖ τε καὶ τῇ αὐτοῦ μητρὶ ἐπακούειν, οὐδενὶ τὴν Αετίου ὑποθήκην ἐκφήνας. [21] Πλακιδία μὲν οὖν ὡς ταῦτα ἤκουσεν, Αετίον τε τοῖς βασιλέως πράγμασιν εὖνουν ἐς τὰ μάλιστα ὤρετο εἶναι καὶ τὰ ἀπὸ Βονιφατίου ἐν βουλῇ εἶχε. [22] Βονιφάτιος δὲ 'καὶ γάρ οἱ οὕτε βασιλεῖ ἐδόκει ἀντιτάξασθαι οἷω τε εἶναι ἐς Ῥώμην τε ἀπίνοντι οὐδεμία σωτηρία ἐφαίνεται βουλευέται ὅπως οἱ, ἦν δύνηται, ὁμαιχμία ἐς τοὺς Βανδύλους ἔσται, οἱ ἐν Ἰσπανίᾳ, ὡς πρόσθεν εἴρηται, οὐ πόρρῳ Λιβύης ιδρύσαντο. [23] ἔνθα δὴ Γωδιγίσκος μὲν ἐτεθνήκει, διεδέξαντο δὲ τὴν ἀρχὴν οἱ ἐκείνου παῖδες, Γόνθαρις μὲν ἐκ γυναικὸς αὐτῷ γαμετῆς γεγινώς, Γιζέριχος δὲ νόθος. [24] ἀλλ' ὁ μὲν ἔτι ἦν παῖς καὶ τὸ δραστήριον οὐ σφόδρα ἔχων, Γιζέριχος δὲ τὰ τε πολέμια ὡς ἄριστα ἐξήσκητο καὶ δεινότατος ἦν ἀνθρώπων ἀπάντων. [25] πέμψας οὖν ἐς Ἰσπανίαν Βονιφάτιος τοὺς αὐτῷ μάλιστα ἐπιτηδεῖους ἐκάτερον τῶν Γωδιγίσκου παιδῶν ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ προσεποιήσατο, ἐφ' ᾧ αὐτῶν ἕκαστον τὸ Λιβύης τριτημόριον ἔχοντα τῶν κατ' αὐτὸν ἄρχειν: ἦν δὲ τις ἐπ' αὐτῶν τινα ἰοὶ πολεμήσων, [26] κοινῇ τοὺς ἐπιόντας ἀμύνασθαι. ἐπὶ ταύτῃ τῇ ὁμολογίᾳ Βανδίλοι τὸν ἐν Γαδεῖροις πορθμὸν διαβάντες ἐς Λιβύην ἀφίκοντο καὶ Οὐισίγοτθοι ἐν τῷ ὑστέρῳ χρόνῳ ἐν Ἰσπανίᾳ ιδρύσαντο. [27] ἐν δὲ τῇ Ῥώμῃ οἱ Βονιφατίῳ ἐπιτηδεῖοι, τοῦ τε τρόπου ἐνθυμούμενοι τοῦ ἀνθρώπου ἐκλογιζόμενοί τε ἡλικὸς ὁ παράλογος ἦν, ἐν θαύματι μεγάλῳ ἐποιοῦντο, εἰ Βονιφάτιος τυραννοίη, τινὲς δὲ αὐτῶν Πλακιδίας ἐπαγγελλούσης ἐς Καρχηδόνα ἦλθον. [28] ἔνθα δὴ Βονιφατίῳ συγγενόμενοι τὰ τε Αετίου γράμματα εἶδον καὶ τὸν πάντα λόγον ἀκούσαντες

ἐς Ῥώμην τε ὡς εἶχον τάχους ἀνέστρεφον καὶ ὅπως αὐτῇ Βονιφάτιος ἔχοι ἀπήγγελλον. [29] καταπλαγεῖσα δὲ ἡ γυνὴ Ἀέτιον μὲν εἰργάσατο οὐδὲν ἄχαρι οὐδέ τι ὠνείδισεν ὣν αὐτῷ ἐς τὸν βασιλέως οἶκον ἐπέπρακτο, ἐπεὶ αὐτός τε δυνάμει μεγάλη ἐχρήτο καὶ τὰ τῆς βασιλείας πράγματα πονηρὰ ἤδη ἦν· τοῖς δὲ Βονιφατίου φίλοις τὴν τε Ἀετίου ὑποθήκην ἔφραζε καὶ πίστει παρεχομένη καὶ ὄρκια ἔχρηζεν αὐτῶν ὅπως τὸν ἄνδρα, ἦν δύνωνται, πείσουσιν ἐπανάκειν ἐς τὰ πατρία ἦθη, οὐ περιδόντα ὑπὸ βαρβάρους κειμένην τὴν Ῥωμαίων ἀρχήν. [30] ἐπεὶ δὲ ὁ Βονιφάτιος ἤκουσε ταῦτα, τῆς τε πράξεως αὐτῷ καὶ τῆς ἐς τοὺς βαρβάρους ὁμολογίας μετέμελε, καὶ αὐτοὺς ἐλπίζει μύρια πάντα ὑποδεχόμενος ἀπὸ Λιβύης ἀνίστασθαι. [31] τῶν δὲ οὐκ ἐνδεχομένων τοὺς λόγους, ἀλλὰ περιυβρίζεσθαι οἰομένων, ἐς χεῖρας αὐτοῖς ἐλθεῖν ἠναγκάσθη καὶ ἡσσηθεὶς τῇ μάχῃ ἐς Ἴππονερέγιον ἀνεχώρησε, πόλιν ὀχυρὰν ἐν Νουμιδία τῇ ἐπὶ θαλάσῃ κειμένην. [32] ἔνθα δὴ οἱ Βανδίλοι στρατοπεδευσάμενοι Γιζερίχου σφίσιν ἡγουμένου ἐπολιόρκουν· Γόνθαρις γὰρ ἤδη ἐτεθνήκει. φασὶ δὲ αὐτὸν πρὸς τοῦ ἀδελφοῦ ἀπολέσθαι. [33] Βανδίλοι δὲ τούτοις οὐχ ὁμολογοῦντες Γόνθαρίν φασιν ἐν Ἰσπανίᾳ πρὸς Γερμανῶν ξυλληφθέντα ἐν μάχῃ ἀνασκολοπισθῆναι, καὶ Γιζέριχον ἤδη αὐτοκράτορα ὄντα Βανδίλοις ἐς Λιβύην ἡγήσασθαι. [34] ταῦτα μὲν δὴ οὕτω πρὸς Βανδίων ἀκήκοα. χρόνου δὲ πολλοῦ διελθόντος, ἐπεὶ οὔτε βία οὔτε ὁμολογία τὸ Ἴππονερέγιον παραστήσασθαι οἷοί τε ἦσαν καὶ τῷ λιμῷ ἐπιέζοντο, τὴν προσεδρεῖαν διέλυσαν. [35] ὀλίγῳ δὲ ὕστερον χρόνῳ Βονιφάτιος τε καὶ οἱ ἐν Λιβύῃ Ῥωμαῖοι, ἐπεὶ αὐτοῖς ἔκ τε Ῥώμης καὶ Βυζαντίου πολὺς στρατὸς ἦλθε καὶ στρατηγὸς Ἀσπαρ, ἀναμαχέσασθαι τε ἤξιουν καὶ μάχης καρτερᾶς γενομένης παρὰ πολὺ ἡσσημένοι τῶν πολεμίων ὅπῃ ἕκαστος ἐδύναντο ἐς φυγὴν ὥρμηντο. [36] καὶ ὁ τε Ἀσπαρ ἐπ' οἴκου ἀπεκομίσθη καὶ Βονιφάτιος ὡς Πλακιδίαν ἀφικόμενος τὴν ὑποψίαν διέλυνεν, ὡς οὐκ ἐξ ἀληθοῦς αἰτίας ἐς αὐτὸν γένοιτο.

Τὴν μὲν δὴ Λιβύην οὕτω Βανδίλοι Ῥωμαίους ἀφελόμενοι ἔσχον. τῶν δὲ πολεμίων οὓς λάβοιεν ζῶντας ἐν ἀνδραπόδων ποιούμενοι μοίρα ἐν φυλακῇ εἶχον. [2] ἐν τούτοις δὲ καὶ Μαρκιανὸν ξυνέπεσεν εἶναι, ὃς ὕστερον τελευτήσαντος Θεοδοσίου τὴν βασιλείαν παρέλαβε. [3] τότε μέντοι Γιζέριχος ἐν τῇ βασιλέως αὐλῇ παρεῖναι τοὺς αἰχμαλώτους ἐκέλευεν, ὅπως οἱ εἰδέναι σκοπομένῳ ἐξῇ ὅτῳ ἂν δεσπότη αὐτῶν ἕκαστος οὐκ ἀπὸ τῆς αὐτοῦ ἀξίας δουλεύοι. [4] καὶ ἐπειδὴ ξυνελέγησαν αἵθριοι, ἀμφὶ ἡμέραν μέσσην ὥρᾳ θέρους ἀχθόμενοι τῷ ἡλίῳ ἐκάθηντο. ἐν αὐτοῖς δὲ καὶ Μαρκιανὸς ὅπου δὴ ἀπημελημένως ἐκάθευδε. [5] καὶ τις αὐτοῦ ἀετὸς ὑπερίπτατο, τὰ πτερά, ὡς λέγουσι, διαπετάσας, αἰεὶ τε μένων ἐν τῇ αὐτῇ τοῦ ἀέρος χώρα μόνον τὸν Μαρκιανὸν ἐπεσκίαζεν. [6] ἐκ δὲ τῶν ὑπεράφων τὸ ποιούμενον ἰδὼν Γιζέριχος, ἀγχίνους τις ὦν μάλιστα, θεῖόν τε εἶναι τὸ πρᾶγμα ὑπόπτεισε καὶ τὸν ἄνθρωπον μεταπεμψάμενος ἐπυνθάνετο αὐτοῦ ὅστις ποτὲ εἴη. [7] ὁ δὲ τῶν ἀπορρήτων Ἀσπαρι ἔφη κοινωνὸς εἶναι· δομέστικον δὲ τοῦτον τῇ σφετέρᾳ γλώσῃ καλοῦσι Ῥωμαῖοι. [8] ταῦτα Γιζερίχῳ ἀκούσαντι καὶ ξυμβαλλομένῳ μὲν τὸ τοῦ ὄρνιθος ἔργον, τὴν δὲ Ἀσπαρος δύναμιν ἐν νῷ ἔχοντι ὅση ἐν Βυζαντίῳ ἐχρήτο, καταφανὲς ἐγίνετο ὡς εἰς βασιλείαν ὁ ἀνὴρ ἄγοιτο. [9]

κτείναι μὲν οὖν αὐτὸν ἥκιστα ἐδικαίου, ἐκλογιζόμενος ὥς, ἦν μὲν ἐξ ἀνθρώπων αὐτὸν ἀφανίζει, εὐδηλον ἔσται ὥς οὐδὲν ἂν τὸ τῷ ὄρνιθι ποιηθὲν εἶη· οὐ γὰρ βασιλέα τῇ σκιᾷ θεραπεύοι, ὅς γε αὐτίκα δὴ ἀπολεισθαι ἐμελλέ, λόγῳ τε αὐτὸν οὐδενὶ κτείνει· ἦν δέ γε χρῆν ἐν τῷ ὑστέρῳ χρόνῳ βασιλεῦσαι τὸν ἄνθρωπον, οὐ μήποτε οἱ θανάτῳ καταληπτὸς ἔσται· τὰ γὰρ τοῦ θεοῦ ἐς βουλὴν ἤκοντα οὐκ ἂν δύναίτο ἀνθρώπου γνώμῃ κωλυτὰ εἶναι. [10] ὄρκοις δὲ αὐτὸν καταλαμβάνει ὥς, ἦν ἐπ' αὐτῷ ἔσται, οὔποτε πρὸς γε Βανδύλους ἐν ὅπλοις γένηται. οὕτω δὴ Μαρκιανὸς ἀφειμένος ἐς Βυζάντιον ἀφίκετο καὶ Θεοδοσίου χρόνῳ ὕστερον τελευτήσαντος ἐδέξατο τὴν βασιλείαν. [11] καὶ τὰ μὲν ἄλλα ζυμπαντα βασιλεὺς ἐγεγόνει ἀγαθός, τὰ δὲ ἀμφὶ Λιβύην ἐν οὐδενὶ ἐποίησατο λόγῳ. ἀλλὰ ταῦτα μὲν ἐν τῷ ὑστέρῳ χρόνῳ ἐγένετο. [12] Γιζέριχος δὲ τότε Ἀσπαρά τε καὶ Βονιφάτιον μάχῃ νικήσας πρόνοιάν τε ἐπιδειξάμενος ἀφηγήσεως ἀξίαν, τὴν εὐτυχίαν ὥς μάλιστα ἐκρατύνατο. [13] δέισας γάρ, ἦν καὶ αὐτῆς ἐκ τε Ῥώμης καὶ Βυζαντίου στρατὸς ἐπ' αὐτὸν ἴοι, μὴ οὐχ οἰοί τε ὧσιν οἱ Βανδίλοι τῇ τε ῥώμῃ καὶ τῇ τύχῃ ὁμοίᾳ χρῆσθαι, ἐπεὶ τὰ ἀνθρώπεια τοῖς τε θεοῖς σφάλλεσθαι καὶ τοῖς σώμασι φιλεῖ ἐλασσοῦσθαι, οὐχ οἷς εὐημέρησεν ἐπηρμένος, ἀλλ' οἷς ἔδεισε μέτριος γεγονώς, σπονδὰς πρὸς βασιλέα Βαλεντινιανὸν ποιεῖται ἐφ' ᾧ ἐς ἕκαστον ἔτος δασμοὺς ἐκ Λιβύης βασιλεῖ φέρειν, ἕνα τε τῶν παίδων Ὀνώριχον ἐν ὁμήρου μοίρᾳ ἐπὶ ταύτῃ δὴ τῇ ὁμολογίᾳ παρέδωκε. [14] Γιζέριχος μὲν οὖν ἐν τε τῇ μάχῃ ἐγένετο ἀνὴρ ἀγαθός καὶ τὴν νίκην ὥς ἀσφαλέστατα διεφύλαξε καὶ Ὀνώριχον τὸν παῖδα τῆς φιλίας αὐτοῖς ἐπὶ μέγα χωρούσης ἀπέλαβεν. [15] ἐν δὲ δὴ Ῥώμῃ Πλακιδία μὲν πρότερον ἐτελεύτα, ἔπειτα δὲ Βαλεντινιανὸς ὁ ταύτης υἱός, ἅπαις ἀρσενογόνου, θυγατέρε μέντοι αὐτῷ δύο ἐξ Εὐδοξίας τῆς Θεοδοσίου παιδὸς ἐγενέσθην. ὅτῳ δὲ τρόπῳ Βαλεντινιανὸς ἐτελεύτα, λέξων ἔρχομαι. [16] Μάξιμος τις ἦν ἐκ γερουσίας ἀνὴρ Ῥωμαῖος, ἐκ τῆς ἐκείνου Μαξίμου οἰκίας ὃν ὁ πρεσβύτερος Θεοδόσιος τυραννοῦντα καθελὼν ἔκτεινε· ὑπὲρ οὗ δὴ καὶ τὴν ἐνιαύσιον ἐορτὴν ἄγουσι Ῥωμαῖοι τῆς τοῦ Μαξίμου ἥσσης ἐπώνυμον. [17] οὗτος ὁ νεώτερος Μάξιμος γυναικὶ ζυνώκει σῶφρονί τε τὸν τρόπον καὶ τὸ κάλλος διαβοήτῳ ἐς ἄγαν οὔσῃ. διὸ δὴ αὐτῇ ἐς κοίτην ἐλθεῖν Βαλεντινιανῷ τις ἐπιθυμία ἐγένετο. [18] καὶ ἐπεὶ βουλομένῳ αὐτῇ ζυγγενέσθαι ἀμήχανα ἦν, ἐβούλευσέ τε ἀνόσια ἔργα καὶ ἐπιτελῇ ταῦτα ἐποίησε. [19] μεταπεμπάμενος γὰρ τὸν Μάξιμον ἐς παλάτιον ζὺν αὐτῷ ἐς τὸ πεττεῦειν καθίστατο, καὶ χρυσίον ῥήτῳ ἐτέτακτο ἢ ζημίᾳ τῷ ἥσσηθέντι· [20] νενικηκὼς δὲ ὁ βασιλεὺς ἐν τούτῳ τῷ ἔργῳ καὶ τὸν Μαξίμου δακτύλιον ἐνέχυρον τῷ ζυγκειμένῳ κεκομισμένος ἐς τὴν ἐκείνου οἰκίαν πέμπει, εἰπεῖν ἐπιστείλας τῇ γυναικὶ ὅτι δὴ αὐτὴν κελεύει Μάξιμος ὥς τάχιστα ἐς παλάτιον ἔκειν τὴν βασιλίδαν Εὐδοξίαν ἀσπασομένην. [21] καὶ ἡ μὲν τὸν λόγον τῷ δακτυλίῳ τεκμηραμένη Μαξίμου εἶναι ἐσβᾶσα εἰς τὸ φορεῖον κομίζεται ἐς τὴν βασιλέως αὐλήν. [22] λαβόντες δὲ αὐτὴν οἷς δὴ αὕτη ἐκ βασιλέως ἡ ὑπουργία ἐπέκειτο, εἰσάγουσιν εἰς τι δωματίον τῆς γυναικωνίτιδος μακρὰν ἄποθεν, οὗ δὴ αὐτῇ ὁ Βαλεντινιανὸς ἐντυχὼν οὕτῃ ἐκουσίαν βιάζεται. [23] ἡ δὲ μετὰ τὴν ὕβριν ἐς τοῦ ἀνδρὸς τὴν οἰκίαν ἐλθοῦσα δεδακρυμένη τε καὶ τῇ συμφορᾷ ὥς ἐν μάλιστα περιαλγοῦσα πολλὰς ἐπέβαλε τῷ Μαξίμῳ ἀράς, ἅτε τοῖς πεπραγμένοις τὴν

αἰτίαν παρασχομένῳ. [24] περιώδυνος τοῖνυν ὁ Μάξιμος τοῖς ξυμπεσοῦσι
γενόμενος αὐτίκα μὲν εἰς ἐπιβουλὴν τοῦ βασιλέως καθίστατο· ὥς δὲ τὸν
Ἀέτιον ἑώρα μέγα δυνάμενον, ὃς καὶ Ἀττίλαν ἄρτι ἐνενικήκει στρατῷ μεγάλῳ
Μασσαγετῶν τε καὶ τῶν ἄλλων Σκυθῶν ἐς τὴν Ῥωμαίων ἀρχὴν ἐσβαλόντα,
ἐνθύμιόν οἱ ἐγένετο ὥς οἱ Ἀέτιος ἐς τὰ πρᾶσσόμενα ἐμπόδιος ἔσται. [25] ταῦτά
τε διανοομένῳ ἄμεινον ἔδοξεν εἶναι τὸν Ἀέτιον ἐκποδῶν ποιήσασθαι
πρότερον, οὐδὲν ποιησαμένῳ ὅτι ἐς αὐτὸν περιέστηκε πᾶσα ἡ Ῥωμαίων ἐλπίς.
[26] τῶν δὲ ἀμφὶ τὴν βασιλέως θεραπείαν εὐνούχων εὐνοϊκῶς οἱ ἐχόντων,
ἀνέπεισε ταῖς αὐτῶν μηχαναῖς βασιλέα ὡς νεωτέρους πράγμασιν ἐγχειροίη
Ἀέτιος. [27] Βαλεντινιανὸς δὲ ἄλλῳ οὐδενὶ ὅτι μὴ τῇ Αἰτίου δυνάμει τε καὶ
ἀρετῇ τεκμηριώσας τὸν λόγον ὑγιᾶ εἶναι κτείνει τὸν ἄνδρα. [28] ὅτε δὴ καὶ
Ῥωμαίων τις ἔπος εἰπὼν ἠυδοκίμησεν. ἐρομένου γὰρ αὐτὸν βασιλέως εἰ οἱ
καλῶς ὁ τοῦ Ἀετίου θάνατος ἐργασθεῖν, ἀπεκρίνατο λέγων οὐκ ἔχειν μὲν
εἰδέναι τοῦτο εἴτε εὖ εἴτε πη ἄλλῃ αὐτῷ εἴργασται, ἐκεῖνο μέντοι ὡς ἄριστα
ἐξεπίστασθαι, ὅτι αὐτοῦ τὴν δεξιὰν τῇ ἐτέρᾳ χειρὶ ἀποτεμὼν εἴη. [29] Αἰτίου
γοῦν τελευτήσαντος Ἀττίλας, οὐδενὸς οἱ ἀντιπάλου ὄντος, Εὐρώπην τε
ξύμπασαν πόνῳ οὐδενὶ ἐληίζετο καὶ βασιλείαν ἐκατέραν ἐπακούουσιν ἐς
φόρου ἀπαγωγὴν ἔσχε. δασμοὶ γὰρ αὐτῷ πρὸς τῶν βασιλέων ἐπέμποντο ἀνὰ
πᾶν ἔτος. [30] τότε τῷ Ἀττίλᾳ πόλιν Ἀκυληίαν πολιορκοῦντι μεγάλην τε καὶ
ἀτεχνῶς πολυάνθρωπον, παραλίαν μὲν, ἐκτὸς δὲ κόλπου τοῦ Ἰονίου οὔσαν, [31]
τοιόνδε φασὶν εὐτύχημα ξυνενεχθῆναι. λέγουσι γὰρ αὐτόν, ἐπειδὴ οὔτε βία
οὔτε τῷ ἄλλῳ τρόπῳ οἷός τε ἦν τὸ χωρίον ἐλεῖν, πρὸς τε τὴν προσεδρεῖαν
ἀπειπεῖν, ἥδη ἐπὶ μακρότατον γεγεννημένην, καὶ ἅπαν κελεῦσαι τὸ στράτευμα
τὰ ἐς τὴν ἀναχώρησιν ἐν παρασκευῇ αὐτίκα δὴ μάλα ποιήσασθαι, ὅπως δὴ τῇ
ὑστεραίᾳ ἐνθένδε ἅπαντες ἐξανιστῶνται ἅμα ἢλίῳ ἀνίσχοντι. [32] ἡμέρᾳ δὲ τῇ
ἐπιγινομένη ἀμφὶ ἡλίου ἀνατολᾶς λύσαντας μὲν τὴν προσεδρεῖαν τοὺς
βαρβάρους τῆς ἀφόδου ἔχεσθαι ἤδη, ἓνα δὲ πελαργὸν ἐπὶ πύργου τινὸς τοῦ
τῆς πόλεως περιβόλου καλιάν τε ἔχοντα καὶ νεοττοὺς τρέφοντα ἐνθένδε ἐκ
τοῦ αἰφνιδίου ξὺν τοῖς τέκνοις ἐξαναστῆναι. [33] καὶ τὸν μὲν πατέρα πελαργὸν
ἵπτασθαι, τοὺς δὲ πελαργιδεῖς, ἅτε οὐπω ἐκπετησίμους παντάπασιν ὄντας, τὰ
μὲν αὐτῷ μετέχειν τῆς πτήσεως, τὰ δὲ ἐπὶ τοῦ νώτου τοῦ πατρὸς φέρεσθαι,
οὕτω τε ἀποπτάντας τῆς πόλεως ἐκαστάτω γενέσθαι. [34] ὁ δὲ Ἀττίλαν
κατιδόντα ἣν γὰρ δεινότατος ξυνεῖναι τε καὶ ξυμβαλεῖν ἅπαντὰ κελεῦσαι τὸν
στρατὸν αὐθις ἐν χώρῳ τῷ αὐτῷ μένειν, ἐπειπόντα οὐκ ἂν ποτε εἰκὴ ἐνθένδε
ἀποπτάντα ξὺν τοῖς νεοττοῖς τὸν ὄρνιν οἷχεσθαι, εἰ μὴ τι ἐμαντεύετο φλαῦρον
οὐκ εἰς μακρὰν τῷ χωρίῳ ξυμβήσεσθαι. [35] οὕτω μὲν τὸ τῶν βαρβάρων
στρατόπεδον αὐθις ἐς τὴν πολιορκίαν καταστῆναι φασι, τοῦ δὲ περιβόλου
μοῖραν τινα οὐ πολλῷ ὕστερον ἐκείνην ἢ τὴν τοῦ ὄρνιθος τούτου καλιάν
εἶχεν, ἀπὸ οὐδεμιᾶς αἰτίας ἐξαπιναιῶς καταπεσεῖν καὶ τοῖς πολεμίοις ταύτῃ
ἐσιτητὰ ἐς τὴν πόλιν γενέσθαι, οὕτω τε τὴν Ἀκυληίαν κατὰ κράτος ἁλῶναι. τὰ
μὲν οὖν ἀμφὶ τῇ Ἀκυληίᾳ ταύτῃ πη ἔσχε. [36] Ὑστερον δὲ καὶ βασιλέα οὐδενὶ
πόνῳ ἔκτεινε Μάξιμος καὶ τὴν τυραννίδα ἔσχε, τῇ τε Εὐδοξίᾳ ξυγγέγονε βία.
γυνὴ γὰρ ἥπερ αὐτῷ ξυνώκει τετελευτῇ οὐ πολλῷ πρότερον. καὶ ποτε αὐτῇ
ἐν τῇ κοίτῃ προσέφερε λόγον ὡς τοῦ αὐτῆς ἔρωτος εἵνεκα πάντα εἴη

διαπεπραγμένος ἃ εἴργαστο. [37] τὴν τε Εὐδοξίαν ἀχθομένην Μαξίμω καὶ πρότερον τίσασθαι τε αὐτὸν τῆς ἐς Βαλεντινιανὸν ἀδικίας ἐπιθυμοῦσαν ἔτι μᾶλλον εἰς αὐτὸν οἰδαίνειν ὁ λόγος ἐποίησεν, ἔς τε τὴν ἐπιβουλὴν ἐνήγγεν, ἐπεὶ τῷ ἀνδρὶ αὐτῆς ἔνεκα ξυμβῆναι τὴν συμφορὰν Μαξίμου λέγοντος ἤκουσε. [38] καὶ ἐπειδὴ τάχιστα ἡμέρα ἐγένετο, πέμπει ἐς Καρχηδόνα δεομένη Γιζερίχου τιμωρεῖν Βαλεντινιανῷ ὑπ' ἀνδρὸς ἀνοσίου διαφθαρέντι, αὐτοῦ τε ἀναξίως καὶ τῆς βασιλείας, καὶ αὐτὴν ρύεσθαι πάσχουσαν πρὸς τοῦ τυράννου ἀνόσια. [39] ἐπέσκηπτε δὲ ὡς φίλῳ τε καὶ ξυμμάχῳ ὄντι Γιζερίχῳ καὶ τηλικούδε πάθους ἐς οἶκον τὸν βασιλέως ξυμβάντος τὸ μὴ οὐχὶ τιμωρῷ γενέσθαι οὐχ ὀσίον ἔστιν. ἐκ Βυζαντίου γὰρ τιμωρίαν οὐδεμίαν ὤφετο ἔσεσθαι, Θεοδοσίου μὲν ἤδη ἐξ ἀνθρώπων ἀφανισθέντος, Μαρκιανοῦ δὲ τὴν βασιλείαν παραλαβόντος.

Γιζέριχος δὲ δι' ἄλλο μὲν οὐδέν, ὅτι δὲ αὐτῷ χρήματα μεγάλα ἔσεσθαι ὑπετόπαξε, στόλῳ πολλῷ ἐς Ἰταλίαν κατέπλευσεν. ἀναβὰς δὲ ἐς Ῥώμην, ἐπεὶ οὐδεὶς οἱ ἐμποδὼν ἔστηκε, τῶν βασιλείων ἐκράτησε. [2] Μάξιμον μὲν οὖν φεύγοντα Ῥωμαῖοι λίθοις βαλόντες διέφθειραν, καὶ τὴν τε κεφαλὴν τῶν τε ἄλλων μελῶν ἕκαστον ἀποτεμόμενοι διείλοντο σφίσι. [3] Γιζέριχος δὲ τὴν τε Εὐδοξίαν ἅμα Εὐδοκίᾳ τε καὶ Πλακιδίᾳ, ταῖς αὐτῆς τε καὶ Βαλεντινιανοῦ παισίν, αἰχμάλωτον εἴλε, χρυσοῦ τε καὶ τῶν ἄλλων βασιλέως κτημάτων πολὺ τι χρῆμα ἐν ταῖς ναυσὶν ἐνθήμενος ἐς Καρχηδόνα ἔπλει, οὔτε χαλκοῦ οὔτε ἄλλου ὁτουοῦν ἐν τοῖς βασιλείοις φεισάμενος. [4] ἐσύλησε δὲ καὶ τὸν τοῦ Διὸς τοῦ Καπιτωλίου νεῶν καὶ τοῦ τέγους τὴν ἡμίσειαν ἀφείλετο μοῖραν. τοῦτο δὲ τὸ τέγος χαλκοῦ μὲν τοῦ ἀρίστου ἐτύγγανεν ὄν, χρυσοῦ δὲ αὐτῷ ὑπερχυθέντος ἀδροῦ ὡς μάλιστα μεγαλοπρεπές τε καὶ θαύματος πολλοῦ ἄξιον διεφαίνεται. [5] τῶν δὲ μετὰ Γιζερίχου νεῶν μίαν μὲν, ἣ τὰς εἰκόνας ἔφερε, φασὶν ἀπολέσθαι, πάσαις δὲ ταῖς ἄλλαις οἱ Βανδίλοι ἐς τὸν Καρχηδόνας λιμένα κατήραν. [6] Εὐδοκίαν μὲν οὖν Γιζέριχος Ὀνωρίχῳ τῷ τῶν παίδων πρεσβυτέρῳ ξυνώκισε, τὴν δὲ δὴ ἑτέραν ἄνδρὶ γὰρ ξυνώκει Ὀλυβρίῳ, τῶν ἐν βουλῇ τῇ Ῥωμαίων δοκιμωτάτῳ ἅμα τῇ μητρὶ Εὐδοξίᾳ, ἐξαιτησαμένου βασιλέως, ἐς Βυζάντιον ἔπεμψεν. [7] ἤδη δὲ τὸ τῶν ἐφ' ὧν κράτος ἐς Λέοντα περιεστήκει, Ἄσπαρος ἐς τοῦτο αὐτὸν καταστησαμένου, ἐπειδὴ Μαρκιανὸς ἐξ ἀνθρώπων ἀπήλλακτο. [8] Ὑστερον δὲ Γιζέριχος ἐπενόει τοιάδε. τῶν ἐν Λιβύῃ πόλεων, πλὴν Καρχηδόνας, τὰ τεῖχη καθεῖλεν, ὡς ἂν μήτε αὐτοὶ Λίβυες τὰ Ῥωμαίων ἐλόμενοι ἔκ τε ἐχυροῦ ὀρμαῖσθαι καὶ νεωτερίζειν ἱκανοὶ εἶεν μήτε τοῖς ἐκ βασιλέως στελλομένοις ἐν ἐλπίδι ἔσται ὡς καὶ πόλιν καταλήψονται καὶ φρουρὰν ἐν αὐτῇ ποιησάμενοι πράγματα Βανδίλοις παρέξονται. [9] τότε μὲν οὖν εὖ τε ἔδοξε βεβουλεῦσθαι καὶ τὴν εὐημερίαν Βανδίλοις ὡς ἀσφαλέστατα διασώσασθαι, χρόνῳ δὲ τῷ ὑστέρῳ, ὅτε δὴ ἀτείχιστοι οὔσαι ῥᾶόν τε καὶ ἀπονώτερον πρὸς Βελισαρίου αἱ πόλεις αὗται ἠλίσκοντο, πολὺν τε γέλωτα ἤδη Γιζέριχος ὥφλε καὶ ἡ τέως δοκοῦσά οἱ εὐβουλία ἐς ἄνοιαν αὐτῷ ἀπεκρίθη. [10] ταῖς γὰρ δὴ τύχαις αἰεὶ τὰς δόξας ἐπὶ τοῖς πρότερον βεβουλευμένοις ξυμμεταβάλλεσθαι φιλοῦσιν ἄνθρωποι. [11] τῶν δὲ Λιβύων εἴ τι μὲν δόκιμον ἐτύγγανεν ὄν καὶ πλούτῳ ἀκμάζον, αὐτοῖς ἀγροῖς τε καὶ πᾶσι χρήμασιν ἐν ἀνδραπόδων μοίρᾳ παρέδωκε τοῖς παισίν Ὀνωρίχῳ τε καὶ

Γένζωνι. Θεόδωρος γὰρ ὁ νεώτατος ἐτελεύτα ἤδη, ἅπαις τὸ παράπαν ἄρρενός τε καὶ θήλεος γόνου. [12] Λίβυας δὲ τοὺς ἄλλους ἀφείλετο μὲν τοὺς ἀγρούς, οἱ πλεῖστοι τε ἦσαν καὶ ἄριστοι, ἐς δὲ τὸ τῶν Βανδύλων διένειμεν ἔθνος, καὶ ἀπ' αὐτοῦ κληροὶ Βανδύλων οἱ ἀγροὶ οὗτοι ἐς τὸδε καλοῦνται τοῦ χρόνου. [13] τοῖς δὲ δὴ πάλαι κεκτημένοις τὰ χωρία ταῦτα πένεσθαί τε ὡς μάλιστα καὶ ἐλευθέρους εἶναι ξυνέβαινε: ἦν δὲ αὐτοῖς ἐν ἐξουσίᾳ καὶ ὅποι βούλονται ἀπαλλάσσεσθαι. [14] καὶ τὰ μὲν χωρία ζύμπαντα, ὅσα τοῖς τε παισὶ καὶ τοῖς ἄλλοις Βανδύλοις Γιζέριχος παραδεδώκει, οὐδεμιᾶς φόρου ἀπαγωγῆς ὑποτελῆ ἐκέλευσεν εἶναι. [15] τῆς δὲ γῆς ὅση οἱ οὐκ ἀγαθὴ ἔδοξεν εἶναι, ἀφῆκε τοῖς πρότερον ἔχουσι, τσαῦτα ἐνθένδε τῷ δημοσίῳ φέρεσθαι τάξας ὥστε οὐδ' ὅτιον περιῆν τοῖς τὰ χωρία τὰ σφέτερα αὐτῶν ἔχουσιν. [16] ἔφευγον δὲ πολλοὶ καὶ ἐκτείνοντο. αἰτίαι γὰρ αὐτοῖς πολλαί τε καὶ χαλεπαὶ προσεφέροντο: [17] πασῶν δὲ μία μεγίστη δὴ ἐδόκει εἶναι ὅτι χρήματά τις οἰκεῖα ἔχων ἀπέκρυπτεν. οὕτω τοὺς Λίβυας πᾶσα ἰδέα ζυμφορᾶς περιέστη. [18] Τοὺς δὲ δὴ Βανδύλους τε καὶ Ἀλανοὺς ἐς λόχους καταστησάμενος, λοχαγοὺς αὐτοῖς ἐπέστησεν οὐχ ἦσσαν ἢ ὀγδοήκοντα, οὐσπερ χιλιάρχους ἐκάλεσε, δόκησιν παρέχων ἐς ὅκτῳ οἱ μυριάδας συνιέναι τὸν τῶν στρατευομένων λεών. [19] καίτοι οὐ μᾶλλον ἢ ἐς μυριάδας πέντε τὸ τῶν Βανδύλων τε καὶ Ἀλανῶν πλῆθος ἐν γε τῷ πρὶν χρόνῳ ἐλέγετο εἶναι. [20] ἔπειτα μέντοι τῇ τε κατὰ σφᾶς παιδοποιίᾳ καὶ ἄλλους βαρβάρους ἐταιρισάμενοι ἐς μεγάλην τινὰ πολυανθρωπίαν ἐχώρησαν. [21] τὰ δὲ τῶν Ἀλανῶν καὶ τῶν ἄλλων βαρβάρων ὀνόματα, πλὴν Μαυρουσίων, ἐς τὸ τῶν Βανδύλων ἅπαντα ἀπεκρίθη. [22] τότε δὲ Γιζέριχος Μαυρουσίους προσποιησάμενος, ἐπειδὴ Βαλεντινιανὸς ἐτελεύτησεν, ἀνὰ πᾶν ἔτος ἦρι ἀρχομένῳ ἔς τε Σικελίαν καὶ Ἰταλίαν ἐσβολὰς ἐποιεῖτο καὶ τῶν πόλεων τὰς μὲν ἀνδραποδίσας, τὰς δὲ καθελὼν ἐς ἔδαφος, ληισάμενός τε ἅπαντα, ἐπεὶ ἀνθρώπων τε ἡ χώρα καὶ χρημάτων ἔρημος ἐγεγόνει, ἐς τὸ τοῦ ἐφ' οὗ βασιλέως ἐσέβαλε κράτος. [23] Ἰλλυριοὺς οὖν ἐλθίζετο καὶ τῆς τε Πελοποννήσου τῆς τε ἄλλης Ἑλλάδος τὰ πλεῖστα καὶ ὅσαι αὐτῇ νῆσοι ἐπικεῖνται. αἰθὶς δὲ ἔς τε Σικελίαν καὶ Ἰταλίαν ἀπέβαινε, ἥγέ τε καὶ ἔφερεν ἐκ περιτροπῆς ἅπαντα. [24] καὶ ποτε αὐτὸν ἐς τὴν ναῦν ἐσβάντα ἐν τῷ Καρχηδόνοιο λιμένι, ἀνατεινομένων ἤδη τῶν ιστίων, φασὶν ἐρέσθαι τὸν κυβερνήτην ἐπὶ τίνας ποτὲ ἀνθρώπων ἰέναι κελεύοι. [25] καὶ τὸν ἀποκρινάμενον φάναι, δηλονότι ἐφ' οὗς ὁ θεὸς ὥργισται. οὕτως ἐξ οὐδεμιᾶς αἰτίας ἐφ' οὗς ἂν τύχοι ἐσέβαλλε.

Τῶνδε εἵνεκα τίσασθαι Βανδύλους βασιλεὺς Λέων βουλόμενος ξυνήγειρεν ἐπ' αὐτοὺς στρατεύμα: τοῦδε δὲ τοῦ στρατεύματος λέγουσι τὸ πλῆθος ἐς δέκα μάλιστα μυριάδας γενέσθαι. στόλον δὲ νεῶν ἐξ ἀπάσης τῆς πρὸς ἑω θαλάσσης ἀθροίσας πολλὴν ἐπεδείξατο μεγαλοφροσύνην ἔς τε στρατιώτας καὶ ναύτας, δεδιὼς μή τί οἱ ἐκ μικρολογίας ἐμποδῶν γένηται προθυμουμένῳ ἐς τοὺς βαρβάρους ἐπιτελέσαι τὴν κόλασιν. [2] φασὶ γοῦν αὐτῷ τριακόσια καὶ χίλια κεντηνάρια ἐπ' οὐδενὶ ἔργῳ δεδαπανῆσθαι. ἀλλ' ἐπεὶ οὐκ ἔδει Βανδύλους τῷ στόλῳ τούτῳ ἀπολωλέναι, αὐτοκράτορα τοῦ πολέμου ποιεῖται Βασιλίσκον, Βηρίνης τῆς γυναικὸς ἀδελφὸν ὄντα καὶ τῆς βασιλείας ἐκτόπως ἐρῶντα, ἦν οἱ ἥλπισεν ἀμαχητὶ ἔσεσθαι τὴν Ἀσπαρος προσποιησαμένην φιλίαν. [3] αὐτὸς γὰρ

Ἄσπαρ τῆς Ἀρείου δόξης μεταποιούμενος, ταύτην τε οὐκ ἐννοῶν μετατίθεσθαι, παρελθεῖν μὲν εἰς τὴν βασιλείαν οὐχ οἷός τε ἦν, καταστήσασθαι δὲ ἐς αὐτὴν ἕτερον εὐπετῶς ἴσχυσεν, ἤδη τε Λέοντι τῷ βασιλεῖ ὡς ἐπιβουλεύσει προσκεκρουκότι ἐπίδοξος ἦν. [4] λέγουσιν οὖν Ἄσπαρὰ τότε δεῖσαντα μὴ Βανδύλων ἡσσημένων ὁ Λέων ὡς ἀσφαλέστατα τὴν βασιλείαν κρατύνηται, πολλὰ Βασιλίσκου ἐπισκήψαντα παρακαταθέσθαι οἱ Βανδίλους τε καὶ Γιζέριχον. [5] Λέων δὲ ἤδη πρότερον Ἀνθέμιον, ἄνδρα ἐκ γερουσίας, πλούτῳ τε καὶ γένει μέγαν, βασιλέα τῆς ἐσπερίας καταστησάμενος ἐπεμψεν, ὅπως οἱ τὰ ἐς τὸν Βανδυλικὸν συλλήψεται πόλεμον. [6] καίτοι Γιζέριχος ἔχρηζε καὶ πολλὰ ἐλιπάρει Ὀλυβρίῳ παραδοθῆναι τὴν βασιλείαν Πλακιδία τῇ Βαλεντινιανοῦ παιδί ξυνοικοῦντι καὶ διὰ τὸ κῆδος εὐνοϊκῶς αὐτῷ ἔχοντι, ἐπειδὴ τε τούτου ἡτύχησεν, ἔτι μᾶλλον ὠργίζετο καὶ πᾶσαν τὴν βασιλέως γῆν ἐλίζετο. [7] ἦν δέ τις ἐν Δαλματία Μαρκελλιανὸς τῶν Ἀετίῳ γνωρίμων, ἀνὴρ δόκιμος, ὃς ἐπειδὴ Ἀέτιος ἐτελεύτησε τρόπῳ τῷ εἰρηνέῳ, βασιλεῖ εἴκειν οὐκέτι ἤξιον, ἀλλὰ νεωτερίσας τε καὶ τοὺς ἄλλους ἅπαντας ἀποστήσας αὐτὸς εἶχε τὸ Δαλματίας κράτος, οὐδενός οἱ ἐς χεῖρας ἰέναι τολμήσαντος. [8] τοῦτον δὴ τὸν Μαρκελλιανὸν τότε Λέων βασιλεὺς εὖ μάλα τιθασσεύων προσεποιήσατο, καὶ ἐς Σαρδῶ τὴν νῆσον ἐκέλευεν ἰέναι, Βανδύλων κατήκοον οὔσαν. ὁ δὲ αὐτὴν Βανδίλους ἐξελάσας οὐ χαλεπῶς ἔσχεν. [9] Ἡράκλειος δὲ σταλεις ἐκ Βυζαντίου εἰς Τρίπολιν τὴν ἐν Λιβύῃ νικήσας τε μάχῃ τοὺς ταύτη Βανδίλους τὰς τε πόλεις ῥαδίως εἴλε καὶ τὰς ναῦς ἐνταῦθα ἀπολιπὼν πεζῇ τὸ στρατεύμα ἐς Καρχηδόνα ἦγε. τὰ μὲν οὖν τοῦ πολέμου προοίμια τῇδε ἐφέρετο. [10] Βασιλίσκος δὲ τῷ παντὶ στόλῳ ἐς πόλισμα κατέπλευσε, Καρχηδόνος διέχον οὐχ ἥσσον ἢ ὀγδοήκοντά τε καὶ διακοσίους σταδίους Ἑρμοῦ δὲ νεῶς ἐνταῦθα ἐκ παλαιοῦ ἐτύγχανεν ὦν, ἀφ' οὗ δὴ καὶ Μερκούριον ὁ τόπος ἐκλήθη: οὕτω γὰρ τὸν Ἑρμῆν καλοῦσι Ῥωμαῖοι, καὶ εἰ μὴ ἐθελοκακήσας ἐμέλλησεν, ἀλλ' εὐθὺ ἐπεχείρησε Καρχηδόνος ἰέναι, αὐτὴν τε ἂν αὐτοβοεῖ εἴλε καὶ Βανδίλους ἐς οὐδεμίαν ἀλκὴν τραπομένους κατεδουλώσατο: [11] οὕτω Γιζέριχος Λέοντα ὡς ἄμαχον βασιλέα κατωρρώδησεν, ἐπεὶ οἱ Σαρδῶ τε καὶ Τρίπολις ἀλοῦσαι ἠγγέλλοντο καὶ τὸν Βασιλίσκου στόλον ἐώρα οἷος οὐδεὶς πῶ ἐλέγετο Ῥωμαίοις πρότερον γεγενῆσθαι. νῦν δὲ τοῦτο ἐκώλυσεν ἢ τοῦ στρατηγοῦ μέλλησις, εἴτε κακότητι εἴτε προδοσίᾳ προσγενομένη. [12] Γιζέριχος δὲ τῆς Βασιλίσκου ὀλιγωρίας ἀπολαύων ἐποίει τάδε. ὀπλίσας ἅπαντας ὡς ἄριστα εἶχε τοὺς ὑπηκόους ἐπλήρου τὰς ναῦς, ἄλλας τε κενὰς ἀνδρῶν καὶ ὡς τάχιστα πλεούσας ἐν παρασκευῇ εἶχε. [13] πέμψας δὲ πρέσβεις ὡς Βασιλίσκον ἐδεῖτο τὸν πόλεμον ἐς πέντε ἡμερῶν ὑπερβαλέσθαι χρόνον, ὅπως μεταξὺ βουλευσάμενος ἐκεῖνα ποιοίη ἃ δὴ μάλιστα βασιλεῖ βουλομένῳ εἴη. [14] λέγουσι δὲ αὐτὸν καὶ χρυσίου πολὺ τι χρῆμα κρύφα τῆς Βασιλίσκου στρατιᾶς πέμψαντα ταύτην δὴ τὴν ἐκεχειρίαν ὠνήσασθαι. [15] ἔπρασε δὲ ταῦτα οἰόμενος, ὅπερ ἐγένετο, πνεῦμα ἐπιφορον ἐν τούτῳ οἱ τῷ χρόνῳ γενήσεσθαι. [16] Βασιλίσκος δὲ ἢ Ἄσπαρι καθάπερ ὑπέστη χαριζόμενος ἢ τὸν καιρὸν χρημάτων ἀποδιδόμενος, ἢ καὶ βέλτιον αὐτῷ ἐνομίσθη, ἐποίει τε τὰ αἰτούμενα καὶ ἡσυχάζεν ἐν τῷ στρατοπέδῳ, τὴν εὐκαιρίαν προσδεχόμενος τῶν πολεμίων. [17] Οἱ δὲ Βανδίλοι,

ἐπειδὴ σφίσι τάχιστα τὸ πνεῦμα ἐγεγόνει, ὃ δὴ τέως καταδοκούντες ἐκάθητο, ἀράμενοι τε τὰ ιστία καὶ τὰ πλοῖα ἀφέλκοντες ὅσα αὐτοῖς ἀνδρῶν κενά, ὥσπερ μοι πρότερον εἴρηται, παρεσκεύαστο, ἔπλεον ἐπὶ τοὺς πολεμίους. [18] ὡς δὲ ἀγγχοῦ ἐγένοντο, πῦρ ἐν τοῖς πλοίοις ἐνθέμενοι, ἃ δὴ αὐτοὶ ἐφέλκοντες ἦγον, κεκολλημένων αὐτοῖς τῶν ιστίων, ἀφῆκαν ἐπὶ τὸ τῶν Ῥωμαίων στρατόπεδον. [19] ἅτε δὲ πλήθους ὄντος ἐνταῦθα νηῶν, ὅπη τὰ πλοῖα ταῦτα προσπίπτοιεν, ἑκαίον τε ῥαδίως καὶ αὐτὰ οἷς ἂν συμμίζαιεν ἐτοιμῶς ξυνδιεφθείροντο. [20] οὕτω δὲ τοῦ πυρὸς ἐπιφερομένου θόρυβός τε, ὡς τὸ εἰκός, εἶχε τὸν Ῥωμαίων στόλον καὶ κραυγῆς μέγεθος τῷ τε πνεύματι καὶ τῷ τῆς φλογὸς βόμβῳ ἀντιπαταγούσης μάλιστα, καὶ τῶν στρατιωτῶν ὁμοῦ τοῖς ναύταις ἀλλήλοις ἐγκελευομένων καὶ τοῖς κοντοῖς διωθουμένων τά τε πυρφόρα πλοῖα καὶ τὰς σφῶν αὐτῶν ναῦς ὑπ' ἀλλήλων διαφθειρομένας οὐδενὶ κόσμῳ. [21] ἤδη δὲ καὶ οἱ Βανδίλοι παρῆσαν ἐμβάλλοντές τε καὶ καταδύοντες καὶ αὐτοῖς ὅπλοις τοὺς διαφεύγοντας τῶν στρατιωτῶν ληιζόμενοι. [22] εἰσὶ δὲ οἱ καὶ ἄνδρες ἀγαθοὶ Ῥωμαίων ἐν τῷ πόνῳ τούτῳ ἐγένοντο, καὶ πάντων μάλιστα Ἰωάννης, ὑποστράτηγός τε ὢν Βασιλίσκου καὶ οὐδ' ὁπωστιοῦν τῆς ἐκείνου προδοσίας μεταλαχών. [23] περιστάντος γὰρ ὁμίλου πολλοῦ τὴν αὐτοῦ ναῦν, ἔκτεινε μὲν ἐπιστροφάδην ἀπὸ τοῦ καταστρώματος πολὺ τι τῶν πολεμίων πληθος, ὡς δὲ ἀλικομένης ἦσθετο τῆς νεῶς, ἤλατο ξὺν πάσῃ τῇ τῶν ὅπλων σκευῇ ἀπὸ τῶν ἱκρίων εἰς θάλασσαν. [24] πολλὰ μὲν οὖν αὐτὸν ἐλιπάρει Γένζων ὁ Γιζερίχου, πιστά τε παρεχόμενος καὶ σωτηρίαν προτεινόμενος, ὃ δὲ οὐδὲν ἤσسون ἐς θάλασσαν καθῆκε τὸ σῶμα, ἐκεῖνο μόνον ἀποφθεγξάμενος, ὡς οὐ μὴ ποτε Ἰωάννης ὑπὸ χερσὶ κυνῶν γένηται. [25] Ὁ μὲν δὴ πόλεμος οὗτος ἐς τοῦτο ἐτελεύτα καὶ Ἡράκλειος ἐπ' οἴκου ἀπεκομίσθη: Μαρκελλιανὸς γὰρ πρὸς τοῦ τῶν συναρχόντων ἀπώλετο δόλω. [26] Βασιλίσκος δὲ ἀφικόμενος ἐς Βυζάντιον ἱκέτης ἐκάθητο ἐς τὸ ἱερὸν Χριστοῦ τοῦ μεγάλου θεοῦ Ἰσοφίαν καλοῦσιν οἱ Βυζάντιοι τὸν νεών, ταύτην δὴ μάλιστα τῷ θεῷ πρέπειν τὴν ἐπωνυμίαν ἡγούμενοί, ἐξαιτησαμένης δὲ αὐτὸν Βηρίνης τῆς βασιλίδος τὸν μὲν κίνδυνον τοῦτον διέφυγεν, ἐς βασιλείαν δὲ τότε παρελθεῖν, ἥς δὴ ἔνεκα πάντα αὐτῷ εἴργαστο, οὐχ οἷός τε ἦν. [27] Λέων γὰρ βασιλεὺς οὐ πολλῷ ὕστερον Ἀσπαρά τε καὶ Ἀρδαβούριον ἐν παλατίῳ διέφθειρεν, ἐπεὶ οἱ θάνατον ἐπιβουλεύειν αὐτοὺς ὑπετόπησε. ταῦτα μὲν οὖν ἐγένετο τῇδε.

Ἀνθέμιος δὲ ὁ τῶν δυσμῶν αὐτοκράτωρ πρὸς τοῦ κηδεστοῦ Ῥεκίμερος διαφθαρεῖς ἐτελεύτα, Ὀλύβριός τε τὴν βασιλείαν ἐκδεξάμενος ὀλίγῳ ὕστερον χρόνῳ τὴν ὁμοίαν πεπρωμένην ἀνέπλησε. [2] τελευτήσαντος δὲ καὶ Λέοντος ἐν Βυζαντίῳ, παρέλαβε τὴν βασιλείαν Λέων ὁ Ζήνωνός τε καὶ Ἀριάδνης τῆς Λέοντος θυγατρὸς, ἐς ἡμερῶν ἔτι ὀλίγων που ἡλικίαν ἦκων. [3] αἰρεθέντος δὲ ξυμβασιλέως αὐτῷ τοῦ πατρός, αὐτίκα δὴ μάλα ὁ παῖς ἐξ ἀνθρώπων ἠφάνιστο. [4] ἄξιον δὲ καὶ Μαῖορίνου ἐπιμνησθῆναι, ὃς δὴ πρότερον ἔσχε τὸ ἐσπέριον κράτος. οὗτος γὰρ ὁ Μαῖορίνος, ξύμπαντας τοὺς πώποτε Ῥωμαίων βεβασιλευκότας ὑπεραίρων ἀρετῇ πάσῃ, τὸ Λιβύης πάθος οὐκ ἦνεγκε πρῶως, ἀλλὰ στρατιὰν ἐπὶ Βανδίλους ἀξιολογωτάτην ἀγείρας ἐν Λιγούροις ἐγένετο, αὐτὸς τῷ στρατῷ ἐπὶ τοὺς πολεμίους ἐξηγεῖσθαι διανοούμενος. [5] ἦν γὰρ ὁ Μαῖορίνος ἔς τε τοὺς ἄλλους πόνους καὶ οὐχ ἥκιστα ἐς τοὺς κινδύνους

ἄοκνος κομιδῇ. [6] οὐκ ἀξυμφορον δέ οἱ ἡγοούμενος εἶναι δύναμιν τε τὴν Βανδύλων καὶ τὸ Γιζερίχου ἦθος διερευνήσασθαι πρότερον καὶ ὅπη ποτὲ Μαυρούσιοι τε καὶ Λίβυες εὐνοίας τε ἢ ἔχθους πέρι ἐς αὐτοὺς ἔχουσιν, οὐκ ἄλλοις τισι πιστεύειν τὸ τοιοῦτον ἢ ὀφθαλμοῖς τοῖς αὐτοῦ ἔγνω. [7] πρεσβευτῆς οὖν ὡς δὴ ἐκ βασιλέως παρὰ τὸν Γιζερίχον ἐστάλη, ἄλλο τι αὐτῷ ὄνομα ξυμπεπλασμένον ἐπενεγκών. δείσας δὲ μὴ καταφανῆς γεγωνὸς αὐτός τε κακόν τι λάβῃ καὶ τὰ πρᾶσσόμενα διακωλύσῃ, μηχανᾶται τοιάδε. [8] τὰς ἐν τῇ κεφαλῇ τρίχας ἑαυτῷ διαβόητοι γὰρ ἦσαν ἐς πάντας ἀνθρώπους ὅτι δὴ οὕτω ξανθὰ εἶεν ὥστε χρυσῷ ἀκιδόλῳ εἰκάζεσθαι βαφῇ τινι χρύσεον ἐς τοῦτο ἐξεπίτηδες ἐξευρημένη ἐπὶ καιροῦ μεταβαλεῖν ἐς τὸ κυάνεον παντελῶς ἴσχυσεν. [9] ἐπεὶ δὲ Γιζερίχῳ ἐς ὄψιν ἦλθε, τὰ τε ἄλλα ὁ Γιζερίχος αὐτὸν ἐνεχείρει δειδίσσεσθαι καὶ ἅτε φίλον ἐπαγαγόμενος ἐς τὸ οἶκημα ἦλθεν οὐ δὴ τὰ ὄπλα ξυνέκειτο πάντα, πολλὰ τε καὶ ἀξιολογώτατα ὑπερφυνῶς ὄντα. [10] ἐνταυθὰ φασὶ τὰ ὄπλα κινηθέντα ἐκ τοῦ αὐτομάτου πάταγον οὐ μέτριον οὐδὲ τὸν τυχόντα ἀφεῖναι, καὶ τότε μὲν τῷ Γιζερίχῳ σεισμόν τινα γεγονέναι δοκεῖν, ἔξω δὲ γενομένῳ ἀμφὶ τε τῷ σεισμῷ ἀναπυθνομένῳ, ἐπεὶ οἱ τῶν ἄλλων οὐδεὶς ὠμολογεῖ, θαῦμα μὲν ἐπιτεσεῖν μέγα, οὐ μέντοι ξυμβαλεῖν τὸ γεγονὸς οἶω τε εἶναι. [11] ὁ μὲν οὖν Μαῖορίνος διαπεπραγμένος ἅπερ ἐβούλετο ἐπὶ Λιγυρίας ἀπεκομίσθη, καὶ τῷ στρατῷ πεζῇ βαδίζοντι ἐξηγούμενος ἐπὶ στήλας τὰς Ἡρακλείους ἦει, διαβαίνειν μὲν διανοοῦμενος τὸν ἐκείνῃ πορθμόν, ὁδῷ δὲ τὸ λοιπὸν ἐπὶ Καρχηδόνα ἐνθένδε ἰέναι. [12] ὥνπερ ὁ Γιζερίχος αἰσθόμενος καὶ ὅτι δὴ πρὸς Μαῖορίνου ἐν τῇ πρεσβείᾳ φενακισθεῖη, ἔς τε ὀρρωδίαν ἐμπεπτώκε καὶ τὰ ἐς τὸν πόλεμον ἐξηρτύετο. [13] οἱ τε Ῥωμαῖοι τεκμηριούμενοι τῇ Μαῖορίνου ἀρετῇ εὐέλπιδες ἤδη ἐγένοντο Λιβύην τῇ ἀρχῇ ἀνασώσασθαι. [14] ἀλλὰ μετὰ τὸ νόσφ' ὀφθαλμοῖς ἀλόντος ὁ Μαῖορίνος διαφθείρεται, ἀνὴρ τὰ μὲν εἰς τοὺς ὑπηκόους μέτριος γεγωνὸς, φοβερὸς δὲ τὰ ἐς τοὺς πολεμίους. [15] καὶ Νέπως δὲ τὴν βασιλείαν παραλαβὼν ὀλίγας τε ἡμέρας ἐπιβιούς ἐτελεύτησε νόσφ', καὶ Γλυκερίος μετ' αὐτὸν ἐς ταύτην δὴ προελθὼν τὴν ἀρχὴν τύχην τὴν ὁμοίαν ἀνέπλησε. μεθ' ὃν δὴ Αὐγουστος τὴν αὐτοκράτορα ἀρχὴν ἔλαβε. [16] βασιλεῖς μὲντοι καὶ ἄλλοι πρότερον ἐν τῇ ἐσπερίᾳ γεγόνασιν, ὥνπερ τὰ ὀνόματα ἐξεπιστάμενος ὡς ἥκιστα ἐπιμνήσομαι. [17] χρόνον τε γὰρ αὐτοῖς τῇ ἀρχῇ ὀλίγον τινὰ ἐπιβιῶναι καὶ ἀπ' αὐτοῦ λόγου ἄξιον οὐδὲν πεπραχέναι ξυνέπεσε. ταῦτα μὲν ἐν τῇ ἐσπερίᾳ ἐγένετο. [18] Ἐν δὲ Βυζαντίῳ ὁ Βασιλίσκος ὃν γὰρ ἔτι οἶός τε ἦν τὸν ἔρωτα τῆς βασιλείας βιάζεσθαι τυραννίδι ἐπιθέμενος ἐκράτησεν οὐδενὶ πόνῳ, Ζήνωνος ὁμοῦ τῇ γυναικὶ ἐς τὴν Ἰσαυρίαν, ἀφ' ἧς δὴ ὠρμᾶτο, διαφυγόντος. [19] ἔχοντι δὲ αὐτῷ τὴν τυραννίδα ἐνιαυτόν τε καὶ μῆνας ὀκτὼ οἱ τε ἄλλοι ὡς εἰπεῖν ξυμπαντες καὶ οἱ τῆς αὐλῆς στρατιῶται διὰ φιλοχρηματίας μέγεθος ἤχθοντο. [20] ὥν δὴ Ζήνων αἰσθόμενος στρατιάν τε ἀγείρας ἐπ' αὐτὸν ἦει. Βασιλίσκος δὲ στρατόν τε καὶ στρατηγὸν Ἀρμάτον ὡς ἀντιταξόμενος Ζήνωνι ἔπεμψεν. [21] ὡς δὲ πλησίον πρὸς ἀλλήλους ἐστρατοπεδεύσαντο, παραδίδωσιν Ἀρμάτος Ζήνωνι τὸ αὐτοῦ στράτευμα, ἐφ' ᾧ Βασιλίσκον τὸν αὐτοῦ υἱόν, κομιδῇ ὄντα παῖδα νέον, Καίσαρά τε καταστήσεσθαι καὶ τελευτῶντι διάδοχον τῆς βασιλείας ἀπολιπεῖν. [22] Βασιλίσκος δὲ πάντων ἔρηνος γεγωνὸς ἐς τὸ ἱερὸν καταφεύγει οὐπὲρ καὶ

πρότερον. καὶ αὐτὸν Ἀκάκιος, ὁ τῆς πόλεως ἱερεὺς, Ζήνωνι ἐνεχείρισεν, ἀσέβειάν τε αὐτῷ ἐπενεγκὼν καὶ ὡς πολλὰ τοῦ Χριστιανῶν δόγματος ξυνετάραξέ τε καὶ ἐνεόχμωσεν, ἐς τὴν Εὐτυχοῦς αἵρεσιν ἀποκλίνας, καὶ ἦν δὲ οὕτως. [23] Ζήνων δὲ αὐτῷ τὴν βασιλείαν παραλαβὼν καὶ τὴν ἐς Ἀρμάτων πίστιν ἀφοσιούμενος Βασιλίσκον τὸν αὐτοῦ παῖδα Καίσαρα καταστησάμενος, οὐ πολλῷ ὕστερον αὐτόν τε ἀφείλετο τὴν τιμὴν καὶ Ἀρμάτων ἔκτεινε. [24] Βασιλίσκον δὲ ὁμοῦ τοῖς τε παισὶ καὶ τῇ γυναικὶ πέμψας ἐς Καππαδοκίαν χειμῶνος ὥρα σιτίων τε καὶ ἱματίων καὶ τῆς ἄλλης ἐπιμελείας ἐρήμους ἐκέλευσεν εἶναι. [25] ἔνθα δὴ ψύχει τε καὶ λιμῷ πιεζόμενοι ἐς τε ἀλλήλους καταφεύγουσι καὶ τὰ φύλατα περιβαλόντες σώματα διεφθάρησαν. αὕτη τε Βασιλίσκον τῶν πεπολιτευμένων κατέλαβε τίσις. ἀλλὰ ταῦτα μὲν χρόνῳ τῷ ὑστέρῳ ἐγένετο. [26] Γιζέριχος δὲ τότε ἀπάτη τε περιελθὼν καὶ κατὰ κράτος ἐξελάσας, ὡς πρόσθεν εἴρηται, τοὺς πολεμίους, οὐδέν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον, ἥγέ τε τὰ Ῥωμαίων καὶ ἔφερε ζύμπαντα, ἕως αὐτῷ βασιλεὺς Ζήνων ἐς ὁμολογίαν ἀφίκετο σπονδαί τε αὐτοῖς ἀπέραντοι ξυνετέθησαν, μήτε Βανδίλους πολέμιόν τι ἐς τὸν πάντα αἰῶνα Ῥωμαίους ἐργάσασθαι μήτε αὐτοῖς πρὸς ἐκείνων ξυμβῆναι. ταύτας τε τὰς σπονδὰς Ζήνων τε αὐτὸς διεσώσατο καὶ ὃς μετ' ἐκείνον τὴν βασιλείαν παρέλαβεν Ἀναστάσιος. [27] διέμειναν δὲ καὶ ἐς Ἰουστινὸν αὐτοκράτορα. τούτου δὲ Ἰουστίνου ἀδελφιδοῦς ὢν Ἰουστινιανὸς διεδέξατο τὴν βασιλείαν. [28] ἐπὶ τούτου Ἰουστινιανοῦ βασιλεύοντος ὁ πόλεμος κατέστη ὅδε, τρὶς ἔτη ἐν τοῖς ὀπισθεν λελέξεται λόγοις. [29] χρόνον δὲ ὀλίγον Γιζέριχος ἐπιβιούς ἐτελεύτα πόρρῳ που ἤδη ἡλικίας ἦκων, διαθήκας διαθέμενος ἐν αἷς ἄλλα τε πολλὰ Βανδίλοις ἐπέσκηψε καὶ τὴν βασιλείαν ἀεὶ Βανδύλων ἐς τοῦτον ἰέναι ὃς ἂν ἐκ γόνου ἄρρενος αὐτῷ Γιζερίῳ κατὰ γένος προσήκων πρῶτος ὢν ἀπάντων τῶν αὐτοῦ συγγενῶν τὴν ἡλικίαν τύχοι. [30] Γιζέριχος μὲν οὖν ἄρξας Βανδύλων ἐπειδὴ Καρχηδόνας ἐκράτησεν ἔτη ἑννέα καὶ τριάκοντα, ἐτελεύτησεν, ὥσπερ εἴρηται.

Ὀνώριχος δέ, ὁ τῶν ἐκείνου παιδῶν πρεσβύτατος, διεδέξατο τὴν ἀρχήν, Γένζωνος ἥδη ἐξ ἀνθρώπων ἀφανισθέντος. ἐπὶ τούτου Ὀνωρίχου Βανδύλων ἄρχοντος πόλεμος αὐτοῖς πρὸς οὐδένα ἀνθρώπων, ὅτι μὴ ἐς Μαυρουσίους, ἐγένετο. [2] δεῖ γὰρ τῷ ἐκ Γιζερίχου ἡσυχάζοντες πρὸ τοῦ οἱ Μαυρούσιοι, ἐπειδὴ τάχιστα ἐκποδὼν αὐτοῖς ἐκεῖνος ἐγεγόνει, ἔδρασάν τε πολλὰ τοὺς Βανδίλους κακὰ καὶ αὐτοὶ ἔπαθον. [3] γέγονε δὲ Ὀνώριχος ἐς τοὺς ἐν Λιβύῃ Χριστιανοὺς ὁμώτατός τε καὶ ἀδικώτατος ἀνθρώπων ἀπάντων. [4] βιαζόμενος γὰρ αὐτοὺς ἐς τὴν Ἀρειανῶν μετατίθεσθαι δόξαν, ὅσους ἂν λάβοι οὐχ ἐτοίμως αὐτῷ εἰκοντας, ἑκαίε τε καὶ ἄλλαις θανάτου ιδέαις διέφθειρε, πολλῶν δὲ καὶ τὰς γλώσσας ἀπέτεμεν ἀπ' αὐτῆς φάρυγγος, οἳ ἔτι καὶ ἐς ἐμὲ περιόντες ἐν Βυζαντίῳ ἐχρῶντο ἀκραίφνει τῇ φωνῇ, οὐδ' ὅπως οἰοῦν ταύτης δὴ τῆς τιμωρίας ἐπαισθανόμενοι: ὢν δὴ δύο, ἐπειδὴ γυναιξὶν ἐταίραις πλησιάζειν ἔγνωσαν, [5] οὐκέτι φθέγγεσθαι τὸ λοιπὸν ἴσχυσαν. ἔτη τε ὀκτὼ Βανδύλων ἄρξας ἐτελεύτησε νόσῳ, Μαυρουσίῳ ἥδη τῶν ἐν τῷ Αὐράσιῳ ὄρει φηκμένων ἀποστάντων τε ἀπὸ Βανδύλων καὶ αὐτονόμων ὄντων ἔστι δὲ τὸ Αὐράσιον ἐν Νουμιδίᾳ τριῶν καὶ δέκα ἡμερῶν ὁδὸν μάλιστα Καρχηδόνας διέχον, τετραμμένον τε πρὸς μεσημβρίαν, οἳ οὐκέτι ὑπὸ Βανδίλοις ἐγένοντο,

οὐ δύναμένων Βανδύλων ἐν ὄρει δυσόδῳ τε καὶ ἀνάντει λίαν πόλεμον πρὸς Μαυρουσίους διενεγκεῖν. [6] Τελευτήσαντος δὲ Ὀνωρίχου τὸ τῶν Βανδύλων κράτος ἐς Γουνδαμοῦνδον ἦλθε τὸν Γένζωνος τοῦ Γιζερίχου. ἐς αὐτὸν γὰρ ὁ χρόνος ἔφερε τὰ πρωτεῖα τοῦ Γιζερίχου γένους. [7] οὗτος ὁ Γουνδαμοῦνδος πλείοσι μὲν πρὸς Μαυρουσίους ἐμαχέσατο ξυμβολαῖς, μείζοσι δὲ τοὺς Χριστιανοὺς ὑπαγαγὼν πάθειν ἐτελεύτησε νοσήσας, ἥδη που μεσοῦντος τοῦ δωδεκάτου τῆς ἀρχῆς ἔτους. [8] ἀδελφός τε αὐτοῦ Τρασαμοῦνδος παρέλαβε τὴν βασιλείαν, εἶδους τε καὶ ξυνέσεως ἐς τὰ μάλιστα καὶ μεγαλοψυχίας εὖ ἥκων. [9] τοὺς μέντοι Χριστιανοὺς ἐβιάζετο μεταβαλέσθαι τὴν πάτριον δόξαν, οὐκ αἰκίζόμενος τὰ σώματα ὥσπερ οἱ πρότεροι, ἀλλὰ τιμαῖς τε καὶ ἀρχαῖς μετιὼν καὶ χρήμασι μεγάλοις δωρούμενος, καὶ τοὺς ἀπειθοῦντας, ὁποιοῖ ποτε εἶεν, ἥκιστα γε εἰδέναι ποιούμενος. [10] εἰ δέ τινας λάβοι μεγάλοις ἁμαρτήμασιν ἐνόχους ἢ γνώμῃ γεγεννημένους, τούτοις δὴ μεταβαλλομένοις τὴν δόξαν μισθὸν προὔτιθει μὴ δοῦναι τὴν δίκην ὧν ἤμαρτον. [11] ἐπειδὴ δὲ ἡ γυνὴ ἐτελεύτα, οὐ γενομένη μήτηρ οὔτε ἄρσενος οὔτε θήλεος γόνου, κρατῦναι ὡς ἄριστα τὴν βασιλείαν βουλόμενος, ἐς Θεωδέριχον τὸν Γότθων βασιλέα πέμψας ἤτει οἱ γυναῖκα τὴν ἀδελφὴν Ἀμαλαφρίδαν διδόναι, ἣς δὴ ἄρτι ὁ ἀνὴρ ἐτεθνήκει. [12] ὁ δὲ οἱ καὶ τὴν ἀδελφὴν ἔπεμψε καὶ Γότθων δοκίμων χιλίους ἐν δορυφόρων λόγῳ, οἷς δὴ ὁμιλος θεραπείας εἶπετο ἐς πέντε μάλιστα χιλιάδας ἀνδρῶν μαχίμων. [13] ἐδωρήσατο δὲ τὴν ἀδελφὴν Θεωδέριχος καὶ τῶν Σικελίας ἀκρωτηρίων τριῶν ὄντων ἐνί, ὃ δὴ καλοῦσι Λιλύβαιον, καὶ ἀπ' αὐτοῦ ἔδοξεν ὁ Τρασαμοῦνδος πάντων δὴ τῶν ἐν Βανδύλοις ἡγήσαμένων κρείσσων τε εἶναι καὶ δυνατώτατος. [14] ἐγένετο δὲ φίλος καὶ Ἀναστασίῳ βασιλεῖ ἐς τὰ μάλιστα. ἐπὶ τούτου βασιλεύοντος ξυνέπεσε Βανδύλοις πάθος τι παθεῖν πρὸς Μαυρουσίῳ οἷον οὕτω πρὸ τοῦ ξυνηνέχθῃ γενέσθαι. [15] Καβάων ἦν τις ἄρχων τῶν ἀμφὶ Τρίπολιν Μαυρουσίῳ, πολέμων τε πολλῶν ἔμπειρος καὶ λίαν ἀγχίνους. οὗτος ὁ Καβάων ἐπειδὴ ἐπ' αὐτὸν στρατεύεσθαι Βανδύλους ἐπύθετο, ἐποίει τοιάδε. [16] πρῶτα μὲν τοῖς ὑπηκόοις ἐπήγγελλεν ἀδικίας τε πάσης καὶ βρώσεως ἐς τρυφὴν ἀγοῦσης καὶ πάντων μάλιστα γυναικῶν ξυνουσίας ἀπέχεσθαι: χαρακώματά τε δύο πεζόμενος ἐν θατέρῳ μὲν αὐτὸς ξὺν πᾶσιν ἐστρατοπεδεύσατο τοῖς ἀνδράσιν, ἐν δὲ δὴ τῷ ἐτέρῳ τὰς γυναῖκας καθεῖρξε, θάνατόν τε τὴν ζημίαν ἠπειλήσεν ἔσεσθαι, ἣν τις ἐπὶ τὸ τῶν γυναικῶν χαρακῶμα ἴοι. [17] μετὰ δὲ πέμψας ἐς Καρχηδόνα κατασκόπους ἐπέταττε τάδε: ἐπειδὴ οἱ Βανδύλοι ἐπὶ τὴν στρατείαν βαδίζοντες ἕξ τινα νεῶν ὑβρίσωσιν ὃν οἱ Χριστιανοὶ σέβονται, αὐτοὺς μὲν ἐφορᾶν τὰ γινόμενα: ἦν δὲ οἱ Βανδύλοι τὸ χωρίον ἀμείψωσιν, ἅπαντα ποιεῖν τὰναντία ἐς τὸ ἱερὸν ὧν ἐκεῖνοι δράσαντες οἷχονται. [18] ἐπειπεῖν δὲ αὐτὸν καὶ τοῦτό φασιν, ὡς ἀγνοοίῃ μὲν τὸν θεὸν ὃν Χριστιανοὶ σέβονται, εἰκὸς δὲ αὐτόν, εἴπερ ἰσχυρὸς ἐστίν, ὡς λέγεται, τίσασθαι μὲν τοὺς ὑβρίζοντας, ἀμῦναι δὲ τοῖς θεραπεύουσιν. [19] οἱ μὲν οὖν κατάσκοποι ἐς Καρχηδόνα ἐλθόντες ἡσύχαζον, τὴν παρασκευὴν τῶν Βανδύλων θεώμενοι: ἐπεὶ δὲ τὸ στράτευμα τὴν ἐπὶ Τρίπολιν ἦεσαν, σχήματα περιβεβλημένοι ταπεινὰ εἶποντο. [20] οἱ δὲ Βανδύλοι ὡς ἡμέρᾳ τῇ πρώτῃ ἠῴλισαντο, ἐς τῶν Χριστιανῶν τοὺς νεῶς τοὺς τε ἵππους τὰ τε ἄλλα ζῶα ἐσαγαγόντες, ὕβρεώς τε σὺνδεμῆς ἀπελείποντο καὶ αὐτοὶ ἀκολασίᾳ τῇ

σφετέρᾳ ἐχρήσαντο, τοὺς τε ἱερέας, οὓς ἂν λάβοιεν, ἐρράπιζόν τε καὶ ξαίνοντες κατὰ τοῦ νότου πολλὰς ὑπηρετεῖν σφίσιν ἐκέλευον ὅσα δὴ ἐπέχειν τῶν οἰκετῶν τοῖς ἀτιμοτάτοις εἰώθεσαν. [21] καὶ ἐπειδὴ τάχιστα ἐνθένδε ἀπηλλάγησαν, ἐποιοῦν οἱ τοῦ Καβάωνος κατάσκοποι ὅσα αὐτοῖς ἐπετέτακτο: τὰ τε γὰρ ἱερὰ ἐκάθησαν αὐτίκα τὴν τε κόπρον καὶ εἴ τι ἄλλο οὐχ ὁσίως ἐπέκειτο ξὺν ἐπιμελείᾳ πολλῇ ἀφελόμενοι, τὰ τε λύχνα ἔκαυσαν ἅπαντα καὶ τοὺς ἱερέας αἰδοῖ τε πολλῇ προσεκύνησαν καὶ τῇ ἄλλῃ φιλοφροσύνῃ ἡσπάσαντο: [22] ἀργυρίᾳ τε τοῖς πτωχοῖς δόντες οἱ ἀμφὶ τὰ ἱερὰ ταῦτα ἐκάθηοντο, οὕτω δὲ τῇ τῶν Βανδύλων στρατιᾷ εἶποντο. [23] καὶ ἀπὸ τούτου κατὰ τὴν ὁδὸν ξύμπασαν οἱ τε Βανδίλοι κατὰ ταῦτα ἡμάρτανον καὶ οἱ κατάσκοποι ἐθεράπευον. [24] ἐπεὶ δὲ ἀγχοῦ ἔσσεσθαι ἔμελλον, προτερήσαντες οἱ κατάσκοποι ἀγγέλλουσι τῷ Καβάωνι ὅσα Βανδίλοις τε καὶ σφίσιν ἐς τὰ Χριστιανῶν ἱερὰ εἴργαστο καὶ ὥς ἐγγὺς που οἱ πολέμοι εἶεν. [25] ὁ δὲ ἀκούσας ἐς τὴν ξυμβολὴν καθίστατο ὧδε. κύκλον ἀπολαβὼν ἐν τῷ πεδίῳ ἔνθα δὴ τὸ χαράκωμα ποιεῖσθαι ἔμελλε, τὰς καμήλους ἔρυμα τῷ στρατοπέδῳ ἐγκαρσίας ἐν κύκλῳ καθίστη, κατὰ δώδεκα μάλιστα καμήλους ποιησάμενος τὸ τοῦ μετώπου βάθος. [26] παῖδας μὲν οὖν καὶ γυναῖκας καὶ εἴ τι αὐτοῖς ἀπόμαχον ἦν ὁμοῦ τοῖς χρήμασιν ἐς μέσον ἐτίθετο, τὸν δὲ τῶν μαχίμων λεῶν ἐς τῶν ζώων ἐκείνων τοὺς πόδας ἐν μέσῳ φραξαμένους ταῖς ἀσπίσιν ἐκέλευεν εἶναι. [27] οὕτω δὲ Μαυρουσίοις ἐχούσης τῆς φάλαγγος οἱ Βανδίλοι ἐν ἀπόρῳ εἶχον θέσθαι τὸ παρόν: οὔτε γὰρ ἀκοντισταὶ οὔτε τοξόται ἀγαθοὶ ἦσαν οὔτε πεζοὶ ἐς μάχην ἰέναι ἠπίσταντο, ἀλλ' ἱππεῖς τε ἦσαν ἅπαντες, δόρασί τε ὥς ἐπὶ πλεῖστον καὶ ξίφεσ' ἐχρῶντο, καὶ ἀπ' αὐτοῦ ἀποθὲν τε οὐδὲν ἐργᾶ ζεσθαι κακὸν τοὺς πολεμίους οἰοῖ τε ἦσαν, ἢ ἢ ἵππος αὐτοῖς, ἀχθομένη τῇ τῶν καμήλων ὧσει ἐπὶ τοὺς πολεμίους ἦκιστα ἤγετο. [28] ἐπειδὴ ἔ' συχνὰ ἐς αὐτοὺς ἀκοντίζοντες ἐκ τοῦ ἀσφαλοῦς οἱ πολέμοι τοὺς τε ἵππους καὶ αὐτούς, αἳ πλῆθος ὄντας, οὐ χαλεπῶς ἔκτεινον, ἔφευγόν τε καὶ τῶν Μαυρουσίων ἐπεξιόντων οἱ μὲν πολλοὶ διεφθάρησαν, εἰσὶ δὲ οἱ καὶ ὑπὸ τοῖς πολεμίοις ἐγένοντο, ὀλίγοι τε κομιδῇ ἐκ τοῦ στρατοῦ τούτῳ ἐπ' οἴκου ἀπεκομίσθησαν. [29] ταῦτα μὲν Τρασαμούνδῳ παθεῖν πρὸς Μαυρουσίων ξυνέπεσεν ἐτελεύτα δὲ χρόνῳ ὕστερον ἐπτά τε καὶ εἴκοσιν ἔτη Βανδύλων ἄρξας.

Ἰλδέριχος δὲ Ὀνωρίχου τοῦ Γιζερίχου παῖς τὴν βασιλείαν παρέλαβεν, ὃς τὰ μὲν ἐς τοὺς ὑπηκόους εὐπρόσοδός τε ἦν καὶ ὅλως πρᾶος, καὶ οὔτε Χριστιανοῖς οὔτε τῷ ἄλλῳ χαλεπὸς ἐγεγόνει, τὰ δὲ ἐς τὸν πόλεμον μαλθακός τε λίαν καὶ οὐδὲ ἄχρι ἐς τὰ ὅτα τὸ πρᾶγμά οἱ τοῦτο ἐθέλων ἰέναι. [2] Ὅαμερ γοῦν ἀνεσιός τε ὦν αὐτῷ καὶ ἀνὴρ ἀγαθός τὰ πολέμια ἐστρατήγει ἐφ' οὓς ἂν στρατεύοιντο Βανδίλοι: ὃν δὲ καὶ Ἀχιλλέα Βανδύλων ἐκάλουν. [3] ἐπὶ τούτου Ἰλδερίχου ἡσσηθήσαν τε μάχῃ οἱ Βανδίλοι πρὸς Μαυρουσίων τῶν ἐν Βυζακίῳ, ὧν ἦρχεν Ἀντάλας, καὶ σφίσι ξυνηνέχθη Θευδερίχῳ τε καὶ Γότθοις ἐν Ἰταλίᾳ ἐκ τε συμμάχων καὶ φίλων πολεμίοις γενέσθαι. [4] τὴν τε γὰρ Ἀμαλαφρίδαν ἐν φυλακῇ ἔσχον καὶ τοὺς Γότθους διέφθειραν ἅπαντας, ἐπενεγκόντες αὐτοῖς νεωτερίζειν ἔς τε Βανδύλους καὶ Ἰλδέριχον. [5] τίσις μέντοι οὐδεμία πρὸς Θευδερίχου ἐγένετο, ἐπεὶ ἀδύνατος ἐνόμισεν εἶναι στόλῳ μεγάλῳ ἐς Λιβύην στρατεῦσαι, Ἰλδέριχος δὲ φίλος ἐς τὰ μάλιστα Ἰουστινιανῷ

καὶ ξένος ἐγένετο, οὐπω μὲν ἤκοντι ἐς βασιλείαν, διοικουμένῳ δὲ αὐτὴν κατ' ἐξουσίαν, ἐπεὶ οἱ ὁ θεῖος Ἰουστίνος ὑπέργηρως τε ὦν ἐβασίλευε καὶ τῶν κατὰ τὴν πολιτείαν πραγμάτων οὐ παντελῶς ἔμπειρος, χρήμασί τε μεγάλους ἀλλήλους ἐδωροῦντο. [6] Ἦν δὲ τις ἐν τῷ Γιζερύχου γένει Γελίμερ ὁ Γειλάριδος τοῦ Γένζωνος τοῦ Γιζερύχου πόρρω που ἡλικίας ἦκων μετὰ γε Ἰλδέριχον, καὶ διὰ τοῦτο ἐπίδοξος ὦν αὐτίκα μάλα ἐς τὴν βασιλείαν ἀφίξεσθαι· [7] ὃς τὰ μὲν πολέμια ἐδόκει τῶν καθ' αὐτὸν ἄριστος εἶναι, ἄλλως δὲ δεινός τε ἦν καὶ κακοήθης καὶ πράγμασί τε νεωτέροις καὶ χρήμασιν ἐπιτίθεσθαι ἀλλοτρίοις ἐξεπιστάμενος. [8] οὗτος ὁ Γελίμερ ἐπεὶ οἱ μέλλουσιν ἑώρα τὴν ἀρχὴν, οὐκ ἐδύνατο ἐν τῷ καθεστῶτι τρόπῳ βιοτεῦναι, ἀλλὰ τὰ βασιλέως ἔργα προσποιησάμενος ἐπεβάτευε τῆς τιμῆς, ἁώρου γε αὐτῷ οὔσης· καὶ Ἰλδέριχου δι' ἐπιείκειαν ἐνδιδόντος κατέχειν οὐκέτι οἷός τε ἦν τὴν διάνοιαν, ἀλλὰ Βανδύλων ἐταιρಿಸάμενος εἴ τι ἄριστον ἦν, ἀναπειθεὶ ἀφελέσθαι μὲν Ἰλδέριχον τὴν βασιλείαν, ὡς ἀπόλεμόν τε καὶ ἡσσημένον πρὸς Μαυρουσίων, καὶ Ἰουστίνῳ βασιλεῖ καταπροδιδόντα τὸ τῶν Βανδύλων κράτος, ὡς μὴ ἐς αὐτὸν ἐκ τῆς ἄλλης οἰκίας ὄντα ἡ βασιλεία ἦκοι· τοῦτο γὰρ οἱ βούλεσθαι τὴν ἐς Βυζάντιον πρεσβείαν διέβαλλεν, αὐτῷ δὲ παραδιδόναι τὸ Βανδύλων κράτος. οἱ δὲ ἀναπεισθέντες κατὰ ταῦτα ἐποιοῦν. [9] οὕτω δὴ Γελίμερ τῆς ἡγεμονίας ἐπιλαβόμενος Ἰλδέριχόν τε, ἑβδομον ἔτος Βανδύλων ἄρξαντα, καὶ Ὁάμερα καὶ τὸν ἀδελφὸν Εὐαγέην ἐν φυλακῇ ἔσχεν. [10] Ἐπεὶ δὲ ταῦτα Ἰουστινιανὸς ἤκουσεν, ἤδη τὴν βασιλείαν παραλαβὼν, πρέσβεις ἐς Λιβύην ὡς Γελίμερα πέμψας ἔγραψε τάδε· 'Οὐχ ὅσια ποιεῖς οὐδὲ τῶν Γιζερύχου διαθηκῶν ἄξια, γέροντά τε καὶ ζυγγενὴ καὶ βασιλέα Βανδύλων, εἴ τι τῶν Γιζερύχῳ βεβουλευμένων ὀφελός ἐστιν, ἐν φυλακῇ ἔχων, καὶ βία τὴν ἀρχὴν ἀφαιρούμενος, ἐξὸν αὐτὴν ὀλίγῳ ὕστερον χρόνῳ κατὰ νόμον λαβεῖν. [11] μήτε οὖν ἐργάσῃ περαιτέρῳ κακὸν μήτε τοῦ βασιλέως ὀνόματος ἀνταλλάξῃ τὴν τοῦ τυράννου προσηγορίαν, βραχεὶ προτερεύουσιν χρόνῳ. [12] ἀλλὰ τοῦτον μὲν, ἄνδρα ὅσον οὐπω τεθνηζόμενον, ἕα φέρεσθαι τῷ λόγῳ τὴν τῆς βασιλείας εἰκόνα, σὺ δὲ ἅπαντα πρᾶττε ὅσα βασιλέα πρᾶττειν εἰκός· προσδέχου τε ἀπὸ τοῦ χρόνου καὶ τοῦ Γιζερύχου νόμου μόνον λαβεῖν τὸ τοῦ πράγματος ὄνομα. [13] ταῦτα γὰρ σοὶ ποιοῦντι τά τε ἀπὸ τοῦ κρείττονος εὐμενῇ ἔσται καὶ τὰ παρ' ἡμῶν φίλια.' [14] Τοσαῦτα μὲν ἡ γραφὴ ἐδήλου. Γελίμερ δὲ τοὺς πρέσβεις ἀπράκτους ἀπέπεμψε, καὶ τὸν τε Ὁάμερα ἐξετύφλωσε τὸν τε Ἰλδέριχον καὶ Εὐαγέην ἐν μείζονι φυλακῇ ἐποιήσατο, ἐπικαλέσας φυγὴν ἐς Βυζάντιον μελετᾶν. [15] ὡς δὲ καὶ ταῦτα βασιλεὺς Ἰουστινιανὸς ἤκουσε, πρέσβεις ἐτέρους πέμψας ἔγραψε τάδε 'Ἡμεῖς μὲν οἰόμενοί σε οὐποτε τῆς ἡμετέρας συμβουλῆς ἀπ' ἐναντίας ἤξειν ἐγράψαμέν σοι τὴν ἐπιστολὴν τὴν προτέραν. [16] ἐπεὶ δὲ ἀρέσκει σοὶ τὴν βασιλείαν οὕτω κεκτηθῆσαι ὡς νῦν ἔχεις λαβὼν, ἀπόλαβε ὃ τι ἂν ἐξ αὐτῆς ὁ δαίμων διδῷ. [17] σὺ δὲ Ἰλδέριχόν τε καὶ Ὁάμερα τὸν πηρὸν καὶ τούτου τὸν ἀδελφὸν ὡς ἡμᾶς πέμπε, παραψυχὴν ἔχοντας ἦν ἔχειν εἰσὶ δυνατοὶ ὅσοι τὴν βασιλείαν ἢ τὴν ὄψιν ἀφῆρηνται· [18] ὡς οὐκ ἐπιτρέψομέν γε, ἦν μὴ ταῦτα ποιῆς. ἐνάγει γὰρ ἡμᾶς ἡ ἐλπίς ἦν εἰς τὴν ἡμετέραν φιλίαν ἔσχον. [19] αἶ τε σπονδαὶ ἡμῖν αἰ πρὸς Γιζερύχον ἐκποδὼν στήσονται. τῷ γὰρ ἐκδεξαμένῳ τὴν ἐκείνου βασιλείαν ἐρχόμεθα οὐ

πολεμήσοντες, ἀλλὰ τὰ δυνατὰ τιμωρήσοντες.’ [20] Ταῦτα Γελίμερ ἀναλεξάμενος ἡμείβετο τοῖσδε ‘Βασιλεὺς Γελίμερ Ἰουστινιανῷ βασιλεῖ. οὔτε βία τὴν ἀρχὴν ἔλαβον οὔτε τί μοι ἀνόσιον ἐς ξυγγενεῖς τοὺς ἐμοὺς εἵργασται. [21] Ἰλδέριχον γὰρ νεώτερα πράσσοντα ἐς οἶκον τὸν Γιζεριχου καθεῖλε τὸ τῶν Βανδύλων ἔθνος· ἐμὲ δὲ ὁ χρόνος ἐς τὴν βασιλείαν ἐκάλεσε, κατὰ γε τὸν νόμον τὰ πρεσβεῖα διδούς. [22] τὴν δὲ ὑπάρχουσαν ἡγεμονίαν αὐτόν τινα διοικεῖσθαι καλὸν καὶ μὴ ἀλλοτρίας οἰκειοῦσθαι φροντίδας. [23] ὥστε καὶ σοὶ βασιλείαν ἔχοντι τὸ περιέργῳ εἶναι οὐ δίκαιον· λύοντι δέ σοι τὰς σπονδὰς καὶ ἐφ’ ἡμᾶς ἰόντι ἀπαντήσομεν ὅση δύναμις, μαρτυρόμενοι τοὺς ὅρκους τοὺς Ζήνωνι ὁμωμοσμένους, οὗ τὴν βασιλείαν παραλαβὼν [24] ἔχεις.’ ταῦτα λαβὼν Ἰουστινιανὸς βασιλεὺς τὰ γράμματα, ἔχων καὶ πρότερον δι’ ὀργῆς Γελίμερα, [25] ἔτι μᾶλλον ἐς τὴν τιμωρίαν ἐπῆρτο. καὶ οἱ ἔδοξε καταλύσαντι ὡς τάχιστα τὸν Μηδικὸν πόλεμον ἐς Λιβύην στρατεῦσαι, καὶ ἣν γὰρ ἐπινοῆσαι τε ὀξὺς καὶ ἄοκνος τὰ βεβουλευμένα ἐπιτελέσαι παρὴν μὲν αὐτῷ μετὰπεμπτος ὁ τῆς ἐφ᾽ αὐτῷ στρατηγὸς Βελισάριος, οὐχ ὅτι ἐς Λιβύην στρατηγήσειν μέλλοι προειρημένον αὐτῷ ἢ ἄλλῳ ὀφθῆναι, ἀλλὰ τῷ λόγῳ παραλέλυτο ἧς εἶχεν ἀρχῆς. [26] γεγόνاسι δὲ αὐτίκα αἱ πρὸς Πέρσας σπονδαί, ὡς ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη.

Βασιλεὺς δὲ Ἰουστινιανός, ἐπεὶ οἱ τὰ τε οἶκοι καὶ τὰ ἐς τοὺς Πέρσας ὡς ἄριστα εἶχε, τὰ ἐν Λιβύῃ πράγματα ἐν βουλῇ ἐποίειτο. [2] ἐπεὶ δὲ ἐς τὰς ἀρχὰς ἐξήνεγκεν ὡς στρατιὰν ἀγείροι ἐπὶ Βανδύλους τε καὶ Γελίμερα, οἱ πλεῖστοι ἤδη ἐδυσχέραινον τε καὶ ἐν ξυμφορᾷ ἦσαν, τὸν τε Λέοντος τοῦ βασιλέως στόλον καὶ τὸ τοῦ Βασιλίσκου πάθος ἀνανεούμενοι τε καὶ ἀποστοματίζοντες στρατῷτας μὲν ὅσοι ἀπέθανον, χρήματα δὲ ὅσα τὸ δημόσιον ὥφλε. [3] μάλιστα δὲ ἤλγουν τε καὶ περιώδυνον τῇ μερίμνῃ ἐγίνοντο ὅ τε τῆς αὐλῆς ἑπαρχος, ὃν δὴ πρᾶιτωρα καλοῦσι Ῥωμαῖοι, καὶ ὁ τοῦ ταμείου ἡγούμενος καὶ ὅτῳ ἄλλῳ φόρου ξυλλογὴ δημοσίου ἢ βασιλικοῦ ἐπετέτακτο, λογιζόμενοι ὅτι αὐτοῖς εἰς τὴν τοῦ πολέμου χρεῖαν δεήσει ἅμετρα φέρουσιν οὔτε ξυγγνώμης τινὸς οὔτε ἀναβολῆς ἀξίους εἶναι. [4] τῶν δὲ στρατηγῶν αὐτὸς ἕκαστος στρατηγήσειν οἰόμενος κατωρρώδει τε καὶ ἀπώκνει τοῦ κινδύνου τὸ μέγεθος, εἰ οἱ ἀναγκαῖον εἴη διασωθῆναι ἐκ τῶν ἐν θαλάσῃ κακῶν στρατοπεδεύεσθαι μὲν ἐν τῇ πολεμίᾳ, ἐκ δὲ τῶν νεῶν ὀρμωμένῳ διαμάχεσθαι πρὸς βασιλείαν μεγάλην τε καὶ λόγου ἀξίαν. [5] οἱ δὲ στρατιῶται ἄρτι ἐκ πολέμου μακροῦ τε καὶ χαλεποῦ ἐπανάγοντες οὐπω τε ὅλη γλῶσση ἀγαθῶν τῶν κατὰ τὴν οἰκίαν γευσάμενοι ἐν ἀμυχανίᾳ ἐγίνοντο ἔς τε ναυμαχίαν ἀγόμενοι, ἣν οὐδὲ ἀκοῇ πρότερον παραλαβόντες ἐτύγχανον, καὶ ἀπὸ τῶν ἐφῶν ὀρίων στελλόμενοι ἐς τὰς τοῦ ἡλίου δυσμὰς, ἐφ’ ᾧ διακινδυνεύουσιν πρὸς τε Βανδύλους καὶ Μαυρουσίους. [6] οἱ δὲ δὴ ἄλλοι, ἅπερ ἐν ὁμίλῳ φιλεῖ γίνεσθαι, νεωτέρων πραγμάτων ἠθελον διὰ κινδύνων ἀλλοτρίων θεαταὶ γενέσθαι. [7] Βασιλεῖ μέντοι εἰπεῖν τι ἐπὶ κωλύμῃ τῆς στρατιᾶς οὐδεῖς, ὅτι μὴ ὁ Καππαδόκης Ἰωάννης, ἐτόλμησεν, ὁ τῆς αὐλῆς ἑπαρχος, θρασύτατός τε ὢν καὶ δεινότατος τῶν κατ’ αὐτὸν ἀπάντων. [8] οὗτος γὰρ Ἰωάννης, τῶν ἄλλων σιωπῇ τὰς παρούσας ὁδυρομένων τύχας, παρελθὼν ἐς βασιλέα ἔλεξε τοιάδε· ‘Τὸ πιστόν, ὦ βασιλεῦ, τῆς ἐς τοὺς ὑπηκόους τοὺς σοὺς ὁμιλίας τὴν παρρησίαν ἡμῖν

ἀναπετάννυσιν ὃ τι ἂν μέλλοι τῇ πολιτείᾳ τῇ σῇ ξυνοίσειν, ἦν καὶ μὴ πρὸς ἡδονὴν σοι τὰ λεγόμενά τε καὶ πρασσόμενα ἤ. [9] οὕτω γὰρ σοι κεράννυσι τῷ δικαίῳ τὴν ἐξουσίαν ἢ σύνεσις, ὥστε οὐ τὸν ὑπηρετήσαντα πάντως εὖνουν εἶναι ἡγῇ τοῖς σαυτοῦ πράγμασιν, οὐδὲ τῷ ἀντειπόντι χαλεπῶς ἔχεις, ἀλλὰ μόνῳ τῷ τῆς διανοίας ἀκραιφνεῖ πάντα σταθμώμενος ἀκίνδυνον ἡμῖν ἀπέδειξας πολλάκις τὸ τοῖς σοῖς ἀντιστῆναι βουλευμάσι. [10] τοῦτοις ἡγμένους, ὃ βασιλεῦ, κατέστην εἰς ξυμβουλὴν τήνδε, προσκρούσων μὲν τὸ παραντίκα ἴσως, ἂν οὕτω τύχη, ἐς δὲ τὸ μέλλον τὴν εὖνοιαν τὴν ἐμὴν καταφανῇ δείξων, ταύτης τέ σε μάρτυρα παρεξόμενος. [11] ἦν γὰρ ἀπειθὼν τοῖς λεγομένοις ἐξοίσεις ἐς Βανδίλους τὸν πόλεμον, μηκυνομένης σοι τῆς ἀγωνίας τὴν ἐμὴν παραίνεσιν εὐδοκιμῆσαι ξυμβήσεται. [12] εἰ μὲν γὰρ ὡς κρατήσεις τῶν πολεμίων τὸ θαρρεῖν ἔχεις, οὐδὲν ἀπεικός σε τά τε σώματα προῖεσθαι καὶ χρημάτων δαπανᾶν πλῆθος, καὶ τοὺς ὑπὲρ τῶν ἀγώνων ὑφίστασθαι πόνους: νίκη γὰρ ἐπιγενομένη πάντα καλύπτει τὰ τοῦ πολέμου πάθη. [13] εἰ δὲ ταῦτα μὲν ἐν τοῖς τοῦ θεοῦ γούνασι κεῖται, παραδείγμασι δὲ τῶν προγεγενημένων χρωμένους ἡμᾶς ἀνάγκη δεδιέναι τὸ τοῦ πολέμου πέρας, πῶς οὐχὶ τῶν ἐν τοῖς ἀγῶσι κινδύνων τὸ τὴν ἡσυχίαν ἀγαπᾶν ἄμεινον; [14] ἐπὶ Καρχηδόνα διανοῇ στρατεύειν, εἰς ἦν κατὰ μὲν τὴν ἡπειρον ἰόντι ὁδὸς τεσσαράκοντα καὶ ἑκατὸν ἡμερῶν ἐστί, πλέοντι δὲ ἀνάγκη τὸ πέλαιος ὅλον ἀμειψαμένῳ πρὸς τὰς ἐσχατίας τῆς θαλάσσης ἐλθεῖν. ὥστε τῶν ἐν τῷ στρατοπέδῳ ξυμβησομένων ἐνιαυσίον σοι δεῖσιν τὸν ἄγγελον ἡκεῖν. [15] προσθεῖη δὲ ἂν τις ὡς, ἦν μὲν κρατήσης τῶν πολεμίων, Λιβύης μεταποιεῖσθαι οὐκ ἂν δύναιο, τῆς τε Σικελίας καὶ Ἰταλίας ὑφ' ἐτέροις κειμένης; [16] ἦν δέ τι καὶ πταίσης, ὃ βασιλεῦ, λελυμένων ἤδη σοι τῶν σπονδῶν, εἰς τὴν ἡμετέραν τὸν κίνδυνον ἄξεις: ξυνελόντι τε εἰπεῖν οὔτε ἀπόνασθαι παρέσται σοι τῆς νίκης καὶ τὸ τῆς τύχης ἐναντίωμα λυμανεῖται τοῖς εὖ καθεστῶσι. [17] πρὸ τῶν πραγμάτων τὸ τῆς εὐβουλίας ὄφελός ἐστι. τοῖς μὲν γὰρ ἐπτακόσι τὸ μεταμελεῖσθαι ἀνόνητον, πρὸ δὲ τῶν δεινῶν τὸ μεταμανθάνειν ἀκίνδυνον. οὐκοῦν ξυνοίσει πάντων μάλιστα τὸ τοῖς καιροῖς ἐν δέοντι χρῆσθαι.' [18] Ἰωάννης μὲν τοσαῦτα εἶπεν. ἀποδεξάμενος δὲ βασιλεὺς τὴν ἐς τὸν πόλεμον προθυμίαν κατέπαυσε. τῶν δέ τις ἱερέων οὓς δὴ ἐπισκόπους καλοῦσιν, ἐκ τῆς ἐφ' ἡκῶν ἔφη ἐς λόγους τῷ βασιλεῖ ἐλθεῖν βούλεσθαι. [19] καὶ ἐπειδὴ αὐτῷ ξυνέμιξεν, ἔλεγεν οἱ τὸν θεὸν ἐπισκῆψαι ὄναρ γενέσθαι τε ὡς βασιλέα καὶ αὐτὸν αἰτιάσασθαι ὅτι δὴ Χριστιανούς τοὺς ἐν Λιβύῃ ρύεσθαι ἐκ τυράννων ὑποδεξάμενος εἶτα λόγῳ οὐδενὶ κατωρῶδῃσε: [20] 'Καίτοι αὐτός,' ἔφη, 'οἱ πολεμοῦντι [21] ξυλλήψομαι Λιβύης τε κύριον θήσομαι.' ταῦτα βασιλεὺς ἐπεὶ ἤκουσε, κατέχειν τὴν διάνοιαν οὐκέτι ἐδύνατο, ἀλλὰ τὴν τε στρατιὰν καὶ τὰς ναῦς ἡγειρεν, ὅπλα τε καὶ σιτία ἡτοίμαζε καὶ Βελισαρίῳ ἐν παρασκευῇ ἐπήγγελλεν εἶναι ὡς ἐν Λιβύῃ στρατηγήσοντι αὐτίκα μάλα. [22] Τρίπολιν δὲ τὴν ἐν Λιβύῃ τῶν τις ἐπιχωρίων Πουδέντιος ἀπὸ Βανδίων ἀπέστησε, πέμψας τε ὡς βασιλέα ἐδεῖτό οἱ στρατιὰν στείλαι: [23] πόνῳ γὰρ αὐτῷ τὴν χώραν οὐδενὶ προσποιήσιν. ὁ δὲ οἱ ἄρχοντά τε Ταττιμοῦθ καὶ στρατεύμα οὐ πολὺ ἔστειλεν. [24] ὁ δὲ ἑταιρισάμενος Πουδέντιος Βανδίων οὐ παρόντων τὴν τε χώραν ἔσχε καὶ βασιλεῖ προσεποίησε. τῷ δὲ Γελίμερι τιμωρεῖν βουλομένῳ Πουδέντιον

ἐναντίωμα ξυνέπεσε τότε. [25] Γώδας τις ἦν ἐν τοῖς Γελίμερος δούλοις, Γότθος τὸ γένος, θυμοειδής μὲν καὶ δραστήριος καὶ πρὸς ἰσχὺν ἱκανῶς πεφυκώς, εὐνοϊκῶς δὲ δοκῶν ἐς τὰ τοῦ δεσπότητος πράγματα ἔχειν. [26] τοῦτῳ τῷ Γώδᾳ ὁ Γελίμερ Σαρδῶ τὴν νῆσον ἐπέτρεψε, φυλακῆς τε ἕνεκα καὶ φόρον τὸν ἐπέτειον ἀποφέρειν. [27] ὁ δὲ τὴν ἀπὸ τῆς τύχης εὐημερίαν οὔτε καταπέψαι οὔτε τῇ ψυχῇ φέρειν οἷός τε ὢν τυραννίδι ἐπεχείρησε, καὶ οὐδὲ τὴν τοῦ φόρου ἀπαγωγὴν ἀποφέρειν ἔτι ἡξίου, ἀλλὰ καὶ τὴν νῆσον αὐτὸς Βανδύλων ἀποστήσας εἶχε. [28] καὶ ἐπεὶ ἦσθετο βασιλέα Ἰουστινιανὸν πολεμῆσειοντα ἐπὶ τε Λιβύην καὶ Γελίμερα, ἔγραψε πρὸς αὐτὸν τάδε: [29] ‘Οὔτε ἀγνωμοσύνη εἶκων οὔτε τι ἄχαρι πρὸς δεσπότητος παθὼν τοῦ ἐμοῦ εἰς ἀπόστασιν εἶδον, ἀλλὰ τάνδρὸς ἰδὼν τὴν ὠμότητα ἰσχυρὰν οἶαν εἰς τε τὸ ξυγγενὲς καὶ ὑπήκοον μετέχειν τῆς ἀπανθρωπίας οὐκ ἂν δόξαιμι ἐκὼν γε εἶναι. [30] ἄμεινον γὰρ βασιλεῖ δικαίῳ ὑπηρετεῖν ἢ τυράννῳ τὰ οὐκ ἔννομα ἐπαγγέλλοντι. [31] ἀλλ’ ὅπως μὲν συλλήψῃ μοι ταῦτα σπουδάζοντι, ὅπως δὲ στρατιώτας πέμποις ὥστε με ἀμύνεσθαι τοὺς ἐπιόντας ἱκανῶς ἔχειν.’ [32] Ταύτην βασιλεὺς ἄσμενος λαβὼν τὴν ἐπιστολὴν Εὐλόγιον πρεσβευτὴν ἔπεμψε καὶ γράμματα ἔγραψεν, ἐπαινῶν τὸν Γώδαν τῆς τε ξυνέσεως καὶ τῆς ἐς τὴν δικαιοσύνην προθυμίας, ξυμμαχίαν τε ἐπαγγελλόμενος καὶ στρατιώτας καὶ στρατηγόν, ὃς αὐτῷ ξυμφυλάξαι τε τὴν νῆσον οἷός τε εἴη καὶ τὰ ἄλλα ξυλλήψεσθαι, ὥστε αὐτῷ δύσκολον μηδὲν πρὸς Βανδύλων ξυμβῆναι. [33] Εὐλόγιος δὲ ἀφικόμενος εἰς Σαρδῶ εὗρισκε Γώδαν ὄνομά τε καὶ σχῆμα βασιλέως περιβαλλόμενον καὶ δορυφόρους προσποιησάμενον. [34] ὃς ἐπειδὴ τὴν βασιλέως ἐπιστολὴν ἀνελέξατο, στρατιώτας μὲν ἔφη ἐς ξυμμαχίαν ἐλθεῖν βουλομένῳ εἶναι, ἄρχοντος δὲ οὐ πάνυ χρήζειν. κατὰ ταῦτά τε πρὸς βασιλέα γράψας τὸν Εὐλόγιον ἀπεπέμψατο.

Ταῦτα βασιλεὺς οὕπῳ πεπυσμένος τετρακοσίους τε στρατιώτας καὶ ἄρχοντα Κύριλλον ὡς τὴν νῆσον ξυμφυλάξοντας Γώδᾳ ἡτοίμαζεν. [2] ἤδη δὲ ζὺν αὐτοῖς καὶ τὴν ἐς Καρχηδόνα στρατείαν ἐν παρασκευῇ εἶχε, πεζοὺς μὲν στρατιώτας μυρίους, ἱππέας δὲ πεντακισχιλίους, ἕκ τε στρατιωτῶν καὶ φοιδεράτων συνειλεγμένους. [3] ἐν δὲ δὴ φοιδεράτοις πρότερον μὲν μόνοι βάρβαροι κατελέγοντο, ὅσοι οὐκ ἐπὶ τῷ δοῦλοι εἶναι, ἅτε μὴ πρὸς Ῥωμαίων ἡσσημένοι, ἀλλ’ ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ ἐς τὴν πολιτείαν ἀφίκοντο: [4] φοῖδερα γὰρ τὰς πρὸς τοὺς πολεμίους σπονδὰς καλοῦσι Ῥωμαῖοι: τὸ δὲ νῦν ἅπασι τοῦ ὀνόματος τούτου ἐπιβατεύειν οὐκ ἐν κωλύμῃ ἐστί, τοῦ χρόνου τὰς προσηγορίας ἐφ’ ὧν τίθενται ἡκιστα ἀξιοῦντος τηρεῖν, ἀλλὰ τῶν πραγμάτων αἰεὶ περιφερομένων, ἧ ταῦτα ἄγειν ἐθέλουσιν ἄνθρωποι, τῶν πρόσθεν αὐτοῖς ὀνομασμένων ὀλιγοῦντες. [5] ἄρχοντες δὲ ἦσαν φοιδεράτων μὲν Δωρόθεός τε, ὁ τῶν ἐν Ἀρμενίοις καταλόγων στρατηγός, καὶ Σολόμων, ὃς τὴν Βελισαρίου ἐπετρόπευε στρατηγίαν: [6] ἑομέστικον τοῦτον καλοῦσι Ῥωμαῖοι. ὁ δὲ Σολόμων οὗτος εὐνοῦχος μὲν ἦν, οὐκ ἐξ ἐπιβουλῆς δὲ ἀνθρώπου τὰ αἰδοῖα ἐτύγγανεν ἀποτμηθεὶς, ἀλλὰ τις αὐτῷ τύχῃ ἐν σπαργάνοις ὄντι τοῦτο ἐβράβευσε: καὶ Κυπριανὸς καὶ Βαλεριανὸς καὶ Μαρτῖνος καὶ Ἀλθίας καὶ Ἰωάννης καὶ Μάρκελλος καὶ Κύριλλος, οὗ πρόσθεν ἐμνήσθην: [7] στρατιωτῶν δὲ ἱππέων μὲν Ρουφίνος τε καὶ Αἰγάν, ἕκ τῆς Βελισαρίου οἰκίας ὄντες, καὶ

Βαρβάτος καὶ Πάππος, πεζῶν δὲ Θεόδωρος, ὄνπερ Κτεάνον ἐπὶ κλησιν ἐκάλουν, καὶ Τερέντιός τε καὶ Ζαΐδος καὶ Μαρκιανὸς καὶ Σάραπισ. [8] Ἰωάννης δὲ τις ἐξ Ἐπιδάμνου ὁρμώμενος, ἡ νῦν Δυρράχιον καλεῖται, τοῖς τῶν πεζῶν ἡγεμόσιν ἅπασιν ἐφειστήκει. [9] τούτων ἀπάντων Σολόμων μὲν ἐφῶς ἐτύγχανεν ὢν ἐκ τῆς Ῥωμαίων ἐσχατιᾶς αὐτῆς, οὗ νῦν πόλις οἰκεῖται Δάρας, Αἰγὰν δὲ ἦν Μασσαγέτης γένος, οὓς νῦν Οὐννοὺς καλοῦσιν· [10] οἱ δὲ λοιποὶ σχεδόν τι ἅπαντες τὰ ἐπὶ τῆς Θράκης χωρία ᾤκουν. [11] εἶποντο δὲ αὐτοῖς Ἑρουλοὶ τετρακόσιοι, ὧν Φάρας ἦρχε, καὶ ξύμμαχοι βάρβαροι ἑξακόσιοι μάλιστα ἐκ τοῦ Μασσαγετῶν ἔθνους, ἵπποτοξόται πάντες· [12] ὧν δὴ ἡγοῦντο Σιννίων τε καὶ Βάλας, ἀνδρίας τε καὶ καρτερίας ἐς ἄκρον ἤκοντε. [13] ναῦς δὲ ἡ σύμπασα στρατιὰ πεντακοσίας ἦγε, καὶ αὐτῶν οὐδεμία πλέον ἢ κατὰ μυριάδας πέντε μεδίμων φέρειν οἷα τε ἦν, οὐ μὴν οὐδὲ ἔλασσον ἢ κατὰ τρισχιλίους. [14] ναῦται δὲ τρισμῦριοι ἐπέπλεον ἀπάσαις, Αἰγύπτιοί τε καὶ Ἴωνες οἱ πλεῖστοι καὶ Κίλικες, ἀρχηγός τε εἷς ἐπὶ ταῖς ναυσὶν ἀπάσαις Καλῶνμος Ἀλεξανδρεὺς ἀπεδέδεικτο. [15] ἦσαν δὲ αὐτοῖς καὶ πλοῖα μακρά, ὥς ἐς ναυμαχίαν παρεσκευασμένα, ἐνενήκοντα δύο, μονήρη μέντοι καὶ ὀροφὰς ὑπερθεν ἔχοντα, ὅπως οἱ ταῦτα ἐρέσσοντες πρὸς τῶν πολεμίων ἦκιστα βάλλουντο. [16] δρόμοντας καλοῦσι τὰ πλοῖα ταῦτα οἱ νῦν ἄνθρωποι· πλεῖν γὰρ κατὰ τάχος δύνανται μάλιστα. ἐν τούτοις δὴ Βυζάντιοι δισχιλίοι ἐπλεον, αὐτερέται πάντες· περίνεως γὰρ ἦν ἐν τούτοις οὐδεὶς. [17] ἐστέλλετο δὲ καὶ Ἀρχέλαος, ἀνὴρ ἐς πατρικίους τελῶν, ἥδη μὲν τῆς αὐλῆς ἑπαρχὸς ἐν τε Βυζαντίῳ καὶ Ἰλλυριοῖς γεγονώς, τότε δὲ τοῦ στρατοπέδου καταστάς ἑπαρχος· οὕτω γὰρ ὁ τῆς δαπάνης χορηγὸς ὀνομάζεται. [18] στρατηγὸν δὲ αὐτοκράτορα ἐφ' ἅπασι Βελισάριον βασιλεὺς ἔστελλεν, ὃς τῶν ἐφῶν αὐθις καταλόγων ἦρχε. [19] καὶ αὐτῷ πολλοὶ μὲν δορυφόροι, πολλοὶ δὲ ὑπασπισταὶ εἶποντο, ἄνδρες τε ἀγαθοὶ τὰ πολέμια καὶ τῶν περὶ ταῦτα κινδύνων ἀτεχνῶς ἔμπειροι. [20] γράμματά τε αὐτῷ βασιλεὺς ἔγραφε, δρᾶν ἕκαστα ὅπῃ ἂν αὐτῷ δοκῇ ἄριστα ἔχειν, ταῦτά τε κύρια εἶναι ἅτε αὐτοῦ βασιλέως αὐτὰ διαπεπραγμένον. βασιλέως γὰρ αὐτῷ ῥοπὴν τὰ γράμματα ἐποίει. [21] ὥρμητο δὲ ὁ Βελισάριος ἐκ Γερμανίας, ἡ Θρακῶν τε καὶ Ἰλλυριῶν μεταξύ κεῖται. ταῦτα μὲν οὖν ἐγίνετο τῇδε. [22] Γελίμερ δὲ Τριπόλεως τε πρὸς Πουδεντίου καὶ Σαρδοῦς πρὸς Γῶδα ἐστερημένος, Τρίπολιν μὲν ἀνασώσασθαι μόλις ἤλπισεν, ἀπωτέρω τε ᾠκημένην καὶ Ῥωμαίων ἥδη τοῖς ἀποστάσι ξυλλαμβανόντων, ἐφ' οὓς δὴ μὴ αὐτίκα στρατεύειν ἔδοξεν οἱ ἄριστα ἔχειν· ἐς δὲ τὴν νῆσον προτερῆσαι ἠπείγετο, πρὶν ἢ καὶ ἐς ταύτην ξυμμαχίαν ἐκ βασιλέως ἤκειν. [23] ἀπολέξας οὖν Βανδύλων χιλιάδας πέντε καὶ ναῦς εἴκοσι καὶ ἑκατὸν τὰς ἄριστα πλεούσας στρατηγὸν τε ἀποδείξας Τζάζωνα τὸν ἀδελφὸν ἔστελλε. [24] καὶ οἱ μὲν ἐπὶ Γῶδαν τε καὶ Σαρδὴν θυμῷ τε πολλῷ καὶ σπουδῇ χρώμενοι ἐπλεον, βασιλεὺς δὲ Ἰουστινιανὸς Βαλεριανόν τε καὶ Μαρτῖνον προτέρους ἔστελλεν, ἐφ' ᾧ προσδέξονται τὴν ἄλλην στρατιὰν ἐς τὰ ἐν Πελοποννήσῳ χωρία. [25] καὶ ἐπειδὴ ἐν ταῖς ναυσὶν ἄμφω ἐγενέσθην, ἐνθύμιον βασιλεῖ ἐγένετο ἐντέλλεσθαί τι αὐτοῖν· ὁ καὶ πρότερον ἐθέλοντα λέγειν ἀσχολία τις λόγων ἐτέρων τὴν διάνοιαν περιλαβοῦσα ἐξέκρουσε. [26] μεταπεμπάμενος οὖν αὐτῷ λέγειν ἔμελλεν ἃ ἐβούλετο, ἀλλὰ ξυμβalὼν εὗρισκεν ὥς οὐκ ἂν αὐτοῖν αἴσιον εἴη

τὴν πορείαν ἐκκόψαι. [27] ἐπεμπεν οὖν τινὰς ἀπεροῦντας αὐτοῖν μήτε ἀναστρέφειν ἐς αὐτὸν αὐθις μήτε ἐκ τῶν νεῶν ἀποβαίνειν. [28] οἱ δέ, ἐπεὶ τῶν νεῶν ἀγχοῦ ἐγένοντο, ἐκέλευον ξὺν βοῇ τε καὶ θορύβῳ πολλῷ μηδαμῶς ἀναστρέφειν, ἔδοξε τε τοῖς παροῦσιν οἰωνός τε εἶναι οὐκ ἀγαθὸς τὸ γινόμενον καὶ οὐποτε τῶν ἐν ταῖς ναυσὶν ἐκείναις τινὰ ἐκ Λιβύης ἐς Βυζάντιον ἐπανήξειν. [29] πρὸς γὰρ δὴ τῷ οἰωνῷ καὶ ἄρὰν ἐς αὐτοὺς ἤκειν ἐκ βασιλέως οὔτι ἐκόντος, ὥστε μὴ ἀναστρέφειν ὑπώπτευν. καὶ εἰ μὲν τις αὐτὰ ἐς τὸ ἄρχοντε τούτῳ, Βαλεριανόν τε καὶ Μαρτίνον, ξυμβάλλοιτο, οὐκ ἀληθῇ εὐρήσει τὰ ἐξ ἀρχῆς δόξαντα. [30] ἦν δέ τις ἐν τοῖς Μαρτίνου δορυφόροις Στότζας, ὃς δὴ καὶ βασιλεῖ πολέμιος ἔμελλεν ἔσεσθαι καὶ τυραννίδι ἐπιθέσθαι καὶ ἐς Βυζάντιον ἦκιστα ἀναστρέφειν, ἐφ' ὃν δὴ τὴν ἄρὰν ἐκείνην ὑποπτεύσειεν ἂν τις ξυνενεγκεῖν τὸ δαιμόνιον. [31] ἀλλὰ ταῦτα μὲν εἴτε αὐτῇ εἴτε πῃ ἄλλῃ ἔχει, ἀφήμι ἐκάστῳ ὅπῃ ἂν τις βούληται ἐκλογίζεσθαι. ὅπως δὲ ὁ τε στρατηγὸς Βελισάριος καὶ τὸ στράτευμα ἐστάλη, ἐρῶν ἔρχομαι.

Ἐβδομον ἤδη ἔτος τὴν αὐτοκράτορα ἀρχὴν ἔχων Ἰουστινιανὸς βασιλεὺς ἀμφὶ θερινὰς τροπὰς τὴν στρατηγίδα ἐκέλευσε ναῦν ὀρμίσασθαι ἐς τὴν ἀκτὴν ἢ πρὸ τῆς βασιλέως αὐλῆς τυγχάνει οὔσα. [2] ἐνταῦθα Ἐπιφάνιος ἀφικόμενος, ὁ τῆς πόλεως ἀρχιερεὺς, εὐξάμενός τε ὅσα εἰκὸς ἦν τῶν τινα στρατιωτῶν ἄρτι βεβαπτισμένον τε καὶ τοῦ Χριστιανῶν ὀνόματος μεταλαχόντα εἰς τὴν ναῦν εἰσεβίβασεν. οὕτω τοίνυν ὁ τε στρατηγὸς Βελισάριος καὶ Ἀντωνίνα ἡ γυνὴ ἔπλεον. [3] ξυνῆν δὲ αὐτοῖς καὶ Προκόπιος, ὃς τάδε ξυνέγραψε, πρότερον μὲν καὶ μάλα κατορρωδήσας τὸν κίνδυνον, ὅψιν δὲ ὀνείρου ἰδὼν ὕστερον ἢ αὐτὸν θαρσῆσαι τε ἐποίησε καὶ ἐς τὸ στρατεύεσθαι ὥρμησεν. [4] ἐδόκει γὰρ ἐν τῷ ὀνείρῳ εἶναι μὲν ἐν τῇ Βελισαρίου οἰκίᾳ, εἰσελθόντα δὲ ἀγγεῖλαι τῶν οἰκετῶν ἓνα ὡς ἡκοιέν τινες δῶρα φέροντες· καὶ Βελισάριον διασκοπεῖσθαι κελεύειν αὐτὸν ὅποιά ποτε εἴη τὰ δῶρα, καὶ αὐτὸν ἐν τῇ μεταῦλῳ γενόμενον ἄνδρας ἰδεῖν οἱ ἔφερον ἐπὶ τῶν ὤμων γῆν αὐτοῖς ἄνθεσι. [5] τούτους δὲ εἰς τὴν οἰκίαν εἰσαγαγόντα κελεῦσαι καταθεῖναι ἐν τῷ προστώῳ ἦν ἔφερον γῆν· οὗ δὴ Βελισάριον ἅμα τοῖς δορυφόροις ἦκοντα, αὐτόν τε κατακλίνεσθαι ἐν τῇ γῇ ἐκείνῃ καὶ τὰ ἄνθη ἐσθίειν, τοῖς τε ἄλλοις αὐτὸ δὴ τοῦτο ποιεῖν ἐγκελεύεσθαι, κατακλινομένοις τε σφίσι καὶ ἐσθίουσιν ὥσπερ ἐπὶ στιβάδος ἡδεῖαν κομιδῇ τὴν βρῶσιν φανῆναι. τὰ μὲν δὴ τῆς ὄψεως τοῦ ὀνείρου αὕτη πῃ ἔσχεν. [6] Ὁ δὲ ξύμπας στόλος τῇ στρατηγίδι νηὶ εἵπετο, καὶ προσέσχον Περίνθῳ, ἡ νῦν Ἡράκλεια ἐπικαλεῖται, ἔνθα δὴ πέντε ἡμερῶν χρόνος τῇ στρατιᾷ ἐτρίβη, ἐπεὶ βασιλεὺς ἵπποις ὅτι μάλιστα πλείστοις τὸν στρατηγὸν ἐνταῦθα ἐδωρεῖτο ἐκ τῶν βασιλικῶν ἵπποφορβίων, ἃ οἱ νέμονται ἐς τὰ ἐπὶ Θράκης χωρία. [7] ὅθεν δὴ ἀπάραντες Ἀβύδῳ προσωρμίσαντο, καὶ σφίσι ξυνέπεσε τῇδε διὰ τὴν νηνεμίαν ἡμέρας διατρίβουσι τέσσαρας πρᾶγμα τοιόνδε ξυνενεχθῆναι. [8] Μασσαγέται δύο τῶν τινα ἐταίρων ἐν τῇ ἀκρατοποσίᾳ ἐρεσχελοῦντα σφᾶς, ἅτε οἰνωμένῳ, ἀνελέτην. πάντων γὰρ ἀνθρώπων μάλιστα εἰσιν ἀκρατοπόται οἱ Μασσαγέται. [9] Βελισάριος οὖν αὐτίκα τῷ ἄνδρῳ τούτῳ ἐν τῷ κολωνῷ ὃς ἄγχι Ἀβύδου ἐστὶν ἀνεσκολόπισε. [10] καὶ ἐπειδὴ οἱ τε ἄλλοι καὶ οἱ τοῖν ἀνδροῖν ξυγγενεῖς ἐδυσχέραινον τε καὶ ἔφασκον οὐκ ἐπὶ τιμωρίᾳ οὐδ' ἐπὶ τῷ ὑπεύθυνον εἶναι Ῥωμαίων νόμοις ἐς ξυμμαχίαν ἤκειν· τὰ γὰρ δὴ σφῶν νόμιμα

οὐ τοιάσδε τῶν φόνων ποιεῖσθαι τὰς τίσεις', ξυνεθρύλλουν δὲ αὐτοῖς τὴν ἐς τὸν στρατηγὸν αἰτίαν καὶ στρατιῶται Ῥωμαῖοι οἷς δὴ ἐπιμελὲς ἐγεγόνει τῶν ἀμαρτανομένων μὴ εἶναι δίκας, τοὺς τε Μασσαγέτας καὶ τὸ ἄλλο στράτευμα ξυγκαλέσας Βελισάριος ἔλεξε τοιάδε: [11] 'Εἰ μὲν πρὸς ἄνδρας νῦν πρῶτον εἰς πόλεμον καθισταμένους οἱ λόγοι ἐγίνοντο, μακροῦ ἂν μοι ἐδέησε χρόνου λέξαντα πείσαι ὑμᾶς ἡλίκον ἐστὶν ἐφόδιον εἰς τροπαίου κτήσιν τὸ δίκαιον. [12] οἱ γὰρ οὐκ ἐξεπιστάμενοι τὰς τῶν τοιούτων ἀγώνων τύχας ἐν ταῖς χερσὶ μόναις οἴονται εἶναι τὸ τοῦ πολέμου πέρας. [13] ὑμεῖς δέ, οἱ πολλάκις μὲν νενικήκατε πολεμίους οὔτε τοῖς σώμασιν ἐλασσουμένους καὶ πρὸς ἀνδρίαν ἱκανῶς πεφυκότας, πολλάκις δὲ τῶν ἐναντίων ἐν πείρᾳ γεγέννησθε, οὐκ ἀγνοεῖτε, οἶμαι, ὥς μάχονται μὲν ἐξ ἐκατέρας ἀεὶ στρατιᾶς ἄνθρωποι, βραβεύει δὲ ὁ θεὸς ὅπως ποτὲ αὐτῷ δοκεῖ καὶ τὸ τοῦ πολέμου δίδωσι κράτος. [14] ὅτε τοίνυν ταῦτα οὕτως ἔχει, τὴν τε τοῦ σώματος εὐεξίαν καὶ τὴν ἐν τοῖς ὅπλοις ἐπιμέλειαν καὶ τὴν ἄλλην τοῦ πολέμου παρασκευὴν περὶ ἐλάσσονος προσήκει τοῦ τε δικαίου καὶ τῶν εἰς θεὸν ἠκόντων ποιεῖσθαι. [15] τὸ γὰρ μάλιστα ξυνενεγκεῖν τοῖς δεομένοις δυνάμενον μᾶλλον ἂν εἰκότως πρὸς ἐκείνων τιμῶτο. [16] πρῶτον δ' ἂν τοῦ δικαίου γένοιτο γνῶρισμα ἢ τῶν ἀδίκως ἀνηρηκότων ποινή. εἰ γὰρ τό τε δίκαιον καὶ τὸ ἄδικον κρίνειν τε καὶ ὀνομάζειν ἐκ τῶν εἰς τοὺς πέλας ἀεὶ πρασσομένων ἐπάναγκες, οὐδὲν ἂν γένοιτο μᾶλλον ἀνθρώπῳ τῆς ψυχῆς ἔντιμον. [17] εἰ δέ τις βάρβαρος, ὅτι τὸν ξυγγενὴ μεθύων ἀνεῖλεν, ἀξιοῖ συγγνώμονα ἔχειν τὴν δίκην, δι' ὃν ἀπολύεσθαι τὰς αἰτίας φησὶ χεῖρῳ εἰκότως εἶναι ποιεῖ τὰ ἐγκλήματα. [18] οὔτε γὰρ οὕτω μεθύειν ἄξιον ἄλλως τε καὶ τὸν ἐν στρατοπέδῳ βαδίζοντα, ὥστε ἀναιρεῖν τοὺς φιλάτους ἐτοίμως, ἀλλ' αὐτὴ γε ἡ μέθη, κἂν ὁ φόνος ἦκιστα ἐπιγένηται, ποινῆς ἀξία, τό τε ξυγγενὲς ἀδικούμενον περὶ πλείονος ἂν τῶν οὐ προσηκόντων ἐς τιμωρίαν τοῖς γε νοῦν ἔχουσι φαίνοιτο. [19] τὸ μὲν οὖν παράδειγμα καὶ ἡ τῶν πραττομένων ἀπόβασις ὅποια ποτὲ ἐστὶν ὁρᾶν πάρεστιν. [20] ὑμᾶς δὲ προσήκει μῆτε χειρῶν ἄρχειν ἀδίκων μῆτε τι φέρεσθαι τῶν ἀλλοτρίων: ὥς οὐ περιόψομαί γε οὐδὲ ὑμῶν τινα συστρατιώτην ἐμὸν ἡγήσομαι εἶναι, κἂν πάνυ φοβερὸς τοῖς πολεμίοις εἶναι δοκῇ ὅς ἂν μὴ καθαραῖς ταῖς χερσὶν ἐς τοὺς ἀντιπάλους δύνηται χρῆσθαι. [21] τὸ γὰρ ἀνδρεῖον οὐκ ἂν νικῶν μὴ μετὰ τοῦ δικαίου ταπτόμενον.' Βελισάριος μὲν τοσαῦτα εἶπεν. [22] ἡ δὲ στρατιὰ ξύμπασα, ἐπειδὴ τὰ τε λεγόμενα ἤκουσαν καὶ ἐς τὸ ἀνεσκολοπισμένῳ ἀνέβλεψαν, ἐς δέος τι ἀμήχανον ἦλθον καὶ σωφρόνως βιοτεῦειν ἐν νῷ ἔλαβον, ὥς οὐκ ἔξω κινδύνου μεγάλου ἐσόμενοι, ἦν τι οὐκ ἔννομον ποιοῦντες ἄλοϊεν.

Μετὰ δὲ ταῦτα ἐφρόντιζε Βελισάριος ὅπως τε ὁ ξύμπας στόλος ἀεὶ κατὰ ταῦτα πλέοι καὶ ἐς χωρίον ταῦτὸ προσορμίζοιτο. [2] ἦδει γὰρ ὥς ἐν μεγάλῳ στόλῳ, ἄλλως τε καὶ ἦν τραχεῖς σφίσιν ἄνεμοι ἐπιτέσοιεν, ἐπάναγκες ἀπολείπεσθαι τε τῶν νεῶν πολλάς καὶ σκεδάννυσθαι ἐς τὸ πέλαγος, οὐκ εἰδέναι τε αὐτῶν τοὺς κυβερνήτας ὅποιας ποτὲ τῶν ἔμπροσθεν ἀναγομένων ἔπεσθαι ἄμεινον. [3] λογισάμενος οὖν ἐποίει τάδε. τριῶν νεῶν, ἐν αἷς αὐτός τε καὶ ἡ θεραπεία ἔπλει, τὰ ἰστία ἐκ γωνίας τῆς ἄνω καὶ ἐς τριτημόριον μάλιστα ἔχρισε μίλτῳ, κοντοὺς τε ὀρθοὺς ἀναστήσας ἐν πρύμνῃ ἐκάστη ἀπεκρέμασεν

ἀπ' αὐτῶν λύχνα, ὅπως ἐν τε ἡμέρᾳ καὶ νυκτὶ αἱ τοῦ στρατηγοῦ νῆες ἐκδηλοῖ
εἶεν: αἷς δὴ ἔπεσθαι τοὺς κυβερνήτας ἐκέλευε πάντας. [4] οὕτω τε τῶν νεῶν
τῶν τριῶν ἡγουμένων παντὶ τῷ στόλῳ τετύχηκεν αὐτῶν οὐδεμίαν
ἀπολελεῖσθαι. ὅτε μέντοι ἐκ λιμένος ἀπαίρειν μέλλοιεν, ἐσήμαινον αὐτοῖς αἱ
σάλπιγγες τοῦτο. [5] Ἐκ δὲ Ἀβύδου ἀναχθεῖσιν αὐτοῖς ἄνεμοι σκληροὶ
ἐπιτεσόντες ἤγαγον εἰς τὸ Σίγειον. αὐθὶς τε νηνεμία χρησάμενοι σχολαίτεροι
ἐς Μαλέαν ἦλθον, ἔνθα δὴ αὐτοῖς ἡ νηνεμία ξυνήνεγκεν ἐς τὰ μάλιστα. [6] ἄτε
γὰρ ἐν στόλῳ μεγάλῳ καὶ ναυσὶν ὑπερμεγέθεσι, νυκτὸς ἐπιγενομένης, ἡ
στενοχωρία ξυνετάραιε τε ἅπαντα καὶ ἐς ἔσχατον κινδύνου ἤνεγκεν. [7]
ἐνταῦθα οἱ τε κυβερνήται καὶ οἱ ἄλλοι ναῦται ἀρετὴν ἐπεδείξαντο, βοῇ τε καὶ
πατάγῳ πολλῷ χρώμενοι καὶ τοῖς κοντοῖς διωθόμενοι, ἐμπείρως τε ἀπ'
ἀλλήλων τὰς διαστάσεις ποιοῦμενοι, ὥστε εἰ καὶ πνεῦμα ἐπίφορον ἢ καὶ ἀπ'
ἐναντίας αὐτοῖς ἐπεγένετο, μόλις ἂν οἱ ναῦται μοι δοκεῖ σφᾶς τε αὐτοὺς καὶ
τὰς ναὺς διεσώσαντο. [8] νῦν δὲ οὕτως ὥσπερ εἴρηται διαφυγόντες Ταινάρῳ
προσέμιξαν, ἡ νῦν Καινούπολις ἐπικαλεῖται. [9] εἶτα ἐνθὲνδε ὀρμηθέντες
Μεθώνη προσέσχον, εὐρὸν τε ὀλίγῳ πρότερον τοὺς ἀμφὶ Βαλεριανόν τε καὶ
Μαρτίνον αὐτόσε ἀφικομένους. [10] καὶ ἐπεὶ ἄνεμοι οὐκ ἐπέπνεον σφίσι, τὰς
μὲν ναὺς Βελισάριος ἐνταῦθα ὥρμισε, τὸ δὲ στράτευμα ἀπεβίβασεν ἅπαν, καὶ
ἀποβάντας τοὺς τε ἄρχοντας διεκόσμησε καὶ τοὺς στρατιώτας διέτασσε. [11]
ταῦτά τε αὐτοῦ διέποντος καὶ ἀνέμων ἥκιστα ἐπιγινομένων, ἐπῆλθε πολλοῖς
τῶν στρατιωτῶν νόσῳ διαφθαρῆναι ἐξ αἰτίας τοιαύδης. [12] Ὁ τῆς αὐλῆς
ἐπαρχος Ἰωάννης φλαυρὸς τε ἦν τὸν τρόπον καὶ οὕτω δυνατός εἰς τὸ
προσαγαγεῖν εἰς τὸ δημόσιον ἐπινοῆσαι χρήματα ἐπὶ λύμῃ ἀνθρώπων, ὥς οὐκ
ἂν ποτε ἔγωγε φράσαι ἱκανῶς ἔχοιμι. [13] ἀλλὰ ταῦτα μὲν καὶ ἐν τοῖς
ἔμπροσθεν λόγοις ἐρρήθη, ἡνίκα πρὸς τῆς ἱστορίας ἐς τόδε ἡγόμεν τοῦ λόγου.
[14] τὰ δὲ νῦν ὅτῳ ποτὲ τρόπῳ τούτους δὴ τοὺς στρατιώτας διεχρήσατο ἐρῶν
ἔρχομαι. [15] τὸν ἄρτον ᾧ δὴ μέλλουσιν ἐν τῷ στρατοπέδῳ οἱ στρατιῶται
σιτίζεσθαι, δις μὲν ἐπάναγκες ἐς τὸν πνιγέα εἰσάγεσθαι, ἐπιμελῶς δὲ οὕτως
ὀπταῖσθαι ὥστε ἐξικνεῖσθαι τε ἐπὶ πλεῖστον καὶ μὴ χρόνῳ βραχεῖ
διαφθεῖρεσθαι, τόν τε οὕτως ὀπτόμενον ἄρτον ἀνάγκῃ ἐλάσσῳ τὸν σταθμὸν
ἔλκειν: καὶ διὰ τοῦτο ἐν ταῖς τοιαύταις ἀρτοδοαίσις εἰώθασιν οἱ στρατιῶται
τοῦ συνειθισμένου σταθμοῦ τὸ τεταρτημόριον ἀποτέμνεσθαι. [16] Ἰωάννης οὖν
λογισάμενος ὅπως ἐλάσσῳ τε τὰ ξύλα καὶ τὸν μισθὸν τοῖς ἀρτοποιοῖς ἥσσονα
δοίη, καὶ ὅπως οἱ οὐκ ἐνδεῆς ὁ σταθμὸς εἴη, ὥμὸν ἔτι τὸν ἄρτον ἐς τὸ
δημόσιον βαλανεῖον ἐσκομίσας τὸν Ἀχιλλέα, οὗ δὴ ἔνερθεν τὸ πῦρ καίεται,
καταθέσθαι ἐκέλευσε. [17] καὶ ἐπειδὴ ἀμωσγέπως ὀπταῖσθαι ἐδόκει, ἐμβαλὼν
θυλακίοις ἐνθέμενός τε ἐν ταῖς ναυσὶν ἔστελλε. [18] καὶ ἐπεὶ ὁ στόλος ἐς
Μεθώνην ἀφίκετο, διαρρυέντες οἱ ἄρτοι ἐπανήκον αὐθὶς ἐς ἅλευρα, οὐχ ὑγιᾶ
μέντοι, σεσηπότα δὲ καὶ εὐρωτιῶντα καὶ τινα ὁσμὴν ἤδη βαρεῖαν φέροντα. [19]
ἐχορήγουν τε αὐτὰ τοῖς στρατιώταις πρὸς μέτρον οἷς προσέκειτο ἡ τιμὴ αὐτῇ,
χοίνιξί τε ἤδη καὶ μεδίμνοις τὴν ἀρτοδοαίαν ποιοῦμενοι. [20] τούτοις δὲ οἱ
στρατιῶται ὥρᾳ θέρους ἐν χωρίῳ αὐχμοὺς ἔχοντι σιτιζόμενοι ἐνόσησάν τε καὶ
αὐτῶν ἀπέθανον οὐχ ἥσσον ἢ πεντακόσιοι: ὁ δὲ καὶ τοῖς πλείοσι ξυμπεσεῖν
ἐμελλεν, ἀλλὰ Βελισάριος διεκώλυσεν, ἄρτους αὐτοῖς ἐπιχωρίους χορηγεῖσθαι

κελεύσας. βασιλεῖ δὲ τὸ πρᾶγμα δηλώσας αὐτὸς μὲν ἠυδοκίμησεν, οὐ μὴν
τινα τότε Ἰωάννη ζημίαν ἤνεγκε. [21] Ταῦτα μὲν δὴ οὕτως ἐγένετο. ἐκ δὲ
Μεθώνης ὀρμηθέντες ἀφίκοντο ἐς τὸν Ζακυνθίων λιμένα, ἔνθα δὴ ὕδωρ τε
ἐμβεβλημένοι ὅσον σφίσιν ἐξικνεῖσθαι ἔμελλε τὸ Ἀδριατικὸν πέλαγος
διαπλέουσι καὶ τὰ ἄλλα παρασκευασάμενοι ἔπλεον. [22] ἀνέμου δὲ σφίσι
μαλακοῦ τε καὶ νωθοῦ κομιδῇ ἐπιπνέσαντος ἐκκαιδεκαταῖοι κατέπλευσαν
τῆς Σικελίας ἐς χῶρον ἔρημον, οὗ τὸ ὄρος ἐγγὺς ἡ Αἴτνη ἀνέχει. [23] ἐν δὲ τῷ
διάπλῳ τούτῳ διατρίψασιν αὐτοῖς ὥσπερ εἴρηται, ξυνέπεσεν ἅπασι
διαφθαρῆναι τὰ ὕδατα, πλὴν γε δὴ οὗ Βελισάριός τε αὐτὸς καὶ οἱ ξυμπόται
ἔπινον. [24] τοῦτο γὰρ διεσώσατο μόνον ἡ Βελισαρίου γυνὴ τρώῳ τοιῷδε.
ἀμφορέας ἐξ ὕδατος πεποιημένους ὕδατος ἐμπλησαμένη οἰκίσκον τε ἐκ
σανίδων ποιήσασα ἐν κοίλῃ νηὶ ἔνθα δὴ τῷ ἡλίῳ ἐσιέναι ἀδύνατα ἦν, ἐνταῦθα
ἐς ψάμμον τοὺς ἀμφορέας κατέχωσε, ταύτη τε ἀπαθὲς τὸ ὕδωρ διέμεινε.
τοῦτο μὲν οὖν οὕτως ἔσχε.

Βελισάριος δέ, ἐπειδὴ τάχιστα ἐς τὴν νῆσον ἀπέβη, ἀπορούμενός τε
ἤσχαλλε καὶ ἔστρεφεν αὐτοῦ τὴν διάνοιαν τὸ μὴ εἰδέναι ἐπὶ τίνας ποτὲ
ἀνθρώπων τοὺς Βανδίλους ἶοι, ἢ ὁποίους ποτὲ τὰ πολέμια, μηδὲ ὅτῳ τρόπῳ ἢ
ὁπόθεν ποτὲ σφίσιν ὀρμωμένοις πολεμητέα εἴη. [2] μάλιστα δὲ αὐτὸν οἱ
στρατιῶται ξυνετάρασσον, κατωρρωδηκότες τε τὴν ναυμαχίαν καὶ προλέγειν
ἤκιστα αἰσχυρόμενοι ὥς, ἦν μὲν τις σφᾶς εἰς τὴν γῆν ἀποβήσκει, πειράσσονται
ἄνδρες ἀγαθοὶ ἐν τῇ μάχῃ γίνεσθαι, ἦν δὲ πολέμια πλοῖα ἐπ' αὐτοὺς ἶοι, ἐς
φυγὴν τραπήσονται: οὐ γὰρ οἱοί τε εἰσι πολεμίους τε ἀνδράσι καὶ ὕδασι
διαμάχεσθαι. [3] τούτοις οὖν ἅπασιν ἀπορούμενος Προκόπιον τὸν αὐτοῦ
πάρεδρον ἔστελλεν ἐς Συρακούσας, πεισόμενόν τε ἦν τινες τοῖς πολεμίους
ἐνέδραι εἰσὶ προλοχίζουσαι τὸν διάπλουν ἢ ἐν νήσῳ ἢ ἐν ἡπείρῳ, καὶ ὅπῃ μὲν
τῆς Λιβύης προσορμίσασθαι σφίσιν ἄμεινον ἂν εἴη, ὁπόθεν δὲ ὀρμωμένοις
τὸν πόλεμον πρὸς Βανδίλους διενεγκεῖν ξυνοίσει. [4] ἐπὰν δὲ τὰ ἐντεταλμένα
ποιοίῃ, ἐπανήκοντά οἱ ἐκέλευεν ἐς Καύκανα τὸ χωρίον ξυμμῖξαι, διακοσίους
μάλιστα σταδίους Συρακουσῶν διέχον, οὗ δὴ αὐτὸς τε καὶ ὁ ξύμπας στόλος
ὀρμίσασθαι ἔμελλε. [5] τῷ δὲ λόγῳ τροφὰς αὐτὸν ἔπεμπεν ὠνησόμενον, ἅτε
τῶν Γότθων ἀγορὰν σφίσιν ἐθελόντων διδόναι, δόξαν τοῦτο βασιλεῖ τε
Ἰουστινιανῷ καὶ Ἀμαλασοῦνθῃ τῇ Ἀταλαρίχου μητρί, ὅς τότε παῖς τε ὢν καὶ
ὑπὸ τῇ μητρὶ Ἀμαλασοῦνθῃ τρεφόμενος εἶχε τὸ Γότθων τε καὶ Ἰταλιωτῶν
κράτος. [6] ἐπειδὴ γὰρ Θεωδέρικος τετελευτήκει καὶ ἐς τὸν θυγατριδοῦν
Ἀταλάρικον, ὀρφανὸν τοῦ πατρὸς ἤδη πρότερον γεγονότα, ἡ βασιλεία ἦκε,
δειμαίνουσα ἡ Ἀμαλασοῦνθα περὶ τε τῷ παιδί καὶ τῇ βασιλείᾳ φίλον
Ἰουστινιανὸν ἐς τὰ μάλιστα ἐταιρಿಸαμένη τά τε ἄλλα ἐπήκουεν αὐτῷ
ἐπιτάττοντι καὶ τότε ἀγορὰν διδόναι τῷ στρατοπέδῳ ἐπηγγέλλετο καὶ ἐποίει
ταῦτα. [7] Γενόμενος δὲ ἐν ταῖς Συρακούσαις Προκόπιος καὶ ἀνδρὸς παρὰ
δόξαν ἐπιτυχὼν πολίτου μὲν οἱ καὶ φίλου ὑπάρχοντος ἐκ παιδός, ἐπ' ἐργασίᾳ
δὲ τῇ κατὰ θάλασσαν ἀπὸ παλαιοῦ ἐν Συρακούσαις ὤκημένου, ἐπύθετο ὅσων
ἔχρηζεν: [8] οὗτος γὰρ ὁ ἀνὴρ οἰκέτην αὐτῷ ἐπέδειξε, τριταῖόν οἱ ἐκείνη τῇ
ἡμέρᾳ ἐκ Καρχηδόνης ἦκοντα, ὅς δὴ ἔφασκεν ὥς οὐδέ τινα πρὸς Βανδίλων
ἐνέδραν τῷ στόλῳ ἔσεσθαι ἄξιον εἶναι ὑφορᾶσθαι. [9] πρὸς οὐδενὸς γὰρ

ἐκείνους ἀνθρώπων πεπύσθαι στράτευμα ἐπ' αὐτοὺς ἐν τούτῳ τῷ χρόνῳ ἵεναι, ἀλλὰ καὶ στρατεύσασθαι ὀλίγῳ ἔμπροσθεν ἐπὶ Γῶδαν εἴ τι ἐν Βανδίλοις δραστήριον ἦν. [10] καὶ διὰ ταῦτα Γελίμερα πολέμιον οὐδὲν ἐννοοῦντα, Καρχηδόνος τε καὶ τῶν ἄλλων ἀπάντων ὀλιγορηκότα τῶν ἐπὶ θαλάσῃ χωρίων, ἐν Ἑρμιόνη διατριβὴν ἔχειν, ἣ ἐστὶν ἐν Βυζακίῳ ἡμερῶν τεττάρων ὁδῷ τῆς ἡϊόνος διέχουσα: ὥστε πάρεστιν αὐτοῖς πλεῖν τε οὐδὲν δειμαίνουσι δύσκολον καὶ προσορμίζεσθαι ἔνθα ἂν αὐτοὺς τὸ πνεῦμα καλοίῃ. [11] ταῦτα Προκόπιος ἀκούσας τῆς τε χειρὸς τοῦ οἰκέτου λαβόμενος ἐπὶ τὸν λιμένα ἐβάδιζε τὴν Ἀρέθουσαν, ἔνθα δὴ οἱ τὸ πλοῖον ὠρμίζετο, πυνθανόμενός τε τοῦ ἀνθρώπου συχνὰ καὶ διερευνώμενος ἕκαστα. ἐσβὰς δὲ ξὺν αὐτῷ ἐς τὴν ναῦν αἵρεσθαι τε τὰ ἱστία ἐκέλευσε καὶ πλεῖν κατὰ τάχος ἐς Καύκανα. [12] καὶ ἐπεὶ ὁ τοῦ οἰκέτου δεσπότης ἐπὶ τῆς ἡϊόνος θαυμάζων εἰστήκει ὅτι οἱ οὐκ ἀπεδίδου τὸν ἄνθρωπον, ἀναβοήσας Προκόπιος, πλεούσης ἤδη τῆς νεῶς, παρητεῖτο μὴ οἱ χαλεπῶς ἔχειν: [13] χρῆναι γὰρ τὸν οἰκέτην τῷ τε στρατηγῷ συμμῖξαι καὶ ἐς τὴν Λιβύην τῷ στρατῷ καθηγησάμενον οὐκ ἐς μακρὰν εἰς τὰς Συρακούσας ἐπανήκειν, χρήματα μεγάλα περιβαλλόμενον. [14] Ἀφικόμενοι δὲ ἐς τὰ Καύκανα εὐρίσκουσιν ἅπαντας ἐν πένθει μεγάλῳ. Δωρόθεος γὰρ ὁ τῶν ἐν Ἀρμενίοις καταλόγων στρατηγὸς ἐνταῦθα ἐτετελευτήκει, πολὺν αὐτοῦ πόθον τῷ παντὶ στρατοπέδῳ ἀπολιπών. [15] Βελισάριος δέ, ἐπεὶ οἱ ὁ τε οἰκέτης ἐς ὄψιν ἦλθε καὶ τὸν πάντα λόγον ἔφρασε, περιχαρὴς γενόμενος καὶ Προκόπιον πολλὰ ἐπαινέσας, ἐκέλευσε σημῆναι τὸν ἀπόπλουν ταῖς σάλπιγξιν. [16] ἀράμενοί τε κατὰ τάχος τὰ ἱστία, Γαύλῳ τε καὶ Μελίτῃ ταῖς νήσοις προσέσχον, αἱ τὸ τε Ἀδριατικὸν καὶ Τυρρηνικὸν πέλαγος διορίζουσιν. [17] ἔνθα δὴ αὐτοῖς Εὐρου πολὺ τι πνεῦμα ἐπιπεσὼν τῇ ὑστεραίᾳ τὰς ναῦς ἐς τὴν Λιβύης ἀκτὴν ἤνεγκεν ἐς χωρίον, ὃ δὴ Κεφαλὴν Βράχους τῇ σφετέρᾳ γλῶσση καλοῦσι Ῥωμαῖοι. Καπούτβαδα γὰρ ὁ τόπος προσαγορεύεται, πέντε ἡμερῶν ὁδὸν εὐζώνῳ ἀνδρὶ Καρχηδόνος διέχων.

Ἐπεὶ δὲ τῆς ἡϊόνος ἀγχοῦ ἐγένοντο, τά τε ἱστία κατατίθεσθαι ὁ στρατηγὸς ἐκέλευε καὶ ἀγκύρας ἀπὸ τῶν νεῶν ἀπορριψαμένους ἀνακωχεῖν, τοὺς τε ἄρχοντας συγκαλέσας ἐς τὴν αὐτοῦ ναῦν ξύμπαντας βουλὴν ὑπὲρ τῆς ἀποβάσεως προὔθηκεν. [2] ἔνθα δὴ ἄλλοι τε λόγοι πολλοὶ ἐλέχθησαν ἐφ' ἑκάτερα φέροντες καὶ παρελθὼν Ἀρχέλαος ἔλεξε τοιάδε: 'Τοῦ μὲν στρατηγοῦ τὴν ἀρετὴν ἄγαμαι, ὅς καὶ γνώμη παρὰ πολὺ νικῶν ξύμπαντας καὶ τῆς ἐμπειρίας ἐπὶ πλεῖστον ἦκων, ἔχων τε τὸ κράτος αὐτός, ἐς μέσον μὲν τὴν βουλὴν προὔθηκε, κελεύει δὲ λέγειν ἡμῶν ἕκαστον, ὥστε ὅπῃ ἂν ἄριστα ἔχειν δοκῇ ἐλέσθαι ἡμῖν δυνατοῖς εἶναι, παρὸν αὐτῷ γινῶναι τε μόνῳ τὰ δέοντα καὶ κατ' ἐξουσίαν ἐξηγεῖσθαι ἢ βούλοιο. [3] ὑμῶν δέ, ὧ ἄνδρες ἄρχοντες 'οὐκ οἶδα ὅπως ἂν εἰποίμι εὐπετῶς', θαυμάσειεν ἂν τις ὅτι μὴ πρῶτος αὐτὸς ἕκαστος πρὸς τὴν ἀπόβασιν ἀπειπεῖν ἔσπευσε. [4] καίτοι ἐπίσταμαι ὥς τὸ εἰσηγεῖσθαι τι τοῖς ἐς κίνδυνον καθισταμένοις ὄνησιν μὲν τῷ παραινέσαντι οὐδεμίαν ἰδίᾳ φέρει, ἐς αἰτίαν δὲ ὥς τὰ πολλὰ περιίσταται. [5] οἱ γὰρ ἄνθρωποι καλῶς μὲν φερόμενοι εἰς τὴν ἰδίαν γνώμην ἢ τύχην ἀναφέρουσι τὰ πρασσόμενα, σφαλέντες δὲ τὸν παραινέσαντα αἰτιῶνται μόνον. [6] εἰρήσεται δὲ ὁμῶς. αἰτία γὰρ ὑποστείλασθαι τοὺς περὶ σωτηρίας βουλευομένους οὐχ ὅσιον. [7]

βουλεύεσθε ἐς τὴν πολεμίαν ἀποβαίνειν, ἄνδρες ἄρχοντες: τίνι λιμένι παρακαταθέσθαι τὰς ναῦς ἐννοοῦντες; ἢ τίνος πόλεως τείχει τὸ ἐχυρὸν ὑπὲρ ὑμῶν αὐτῶν ἔξοντες; [8] ἢ οὐκ ἀκηκόατε ὡς ταύτην μὲν τὴν ἀκτὴν ἐννέα ἡμερῶν ὁδόν, λέγω δὲ εἰς Ἰούκην ἐκ Καρχηδόνας, κατατείνειν φασίν, ἀλίμενόν τε παντελῶς οὐσαν καὶ τοῖς ἀνέμοις ὅθεν ἂν ἐπιπνεύσαιεν ἐκκειμένην; [9] τεῖχος δὲ οὐδὲν ἐς πᾶσαν Λιβύην ὅτι μὴ τὸ Καρχηδόνας ἀπολέλειπται, [10] τοῦτο Γιζερύχου βουλεύσαντος. προσθεῖη δὲ ἂν τις ὡς καὶ τούτῳ τῷ χωρίῳ ὕδωρ τὸ παράπαν ἐνδεῖν λέγουσι. φέρε γάρ, εἰ δοκεῖ, καὶ τι τῶν ἐναντίων ὑποθέμενοι τὴν διάγνωσιν ποιησώμεθα. [11] τοὺς γὰρ ἐς ἀγῶνας καθισταμένους μηδὲν προσδοκᾶν δύσκολον οὔτε ἀνθρώπινον οὔτε τῆς τῶν πραγμάτων φύσεως ἄξιον. [12] ἦν οὖν ἀποβεβηκότων ἡμῶν εἰς τὴν ἡπειρον χειμῶν ἐπιτέσοι, οὐκ ἀνάγκη δυοῖν θάτερον ταῖς ναυσὶ ξυμβῆναι, ἢ ὡς ἀπωτάτῳ διαφυγεῖν, ἢ ἐπὶ τῆς ἀκτῆς ἀπολωλέναι ταύτης; [13] εἴτα τίς ἡμῖν τῶν ἀναγκαίων γενήσεται πόρος; μηδεὶς ἐς ἐμὲ βλέπेतω τὸν τῆς δαπάνης χορηγὸν ἔπαρχον. ἀρχὴν γὰρ πᾶσαν τῆς ὑπουργίας ἐστερημένην ἐπάναγκες ἐς ὄνομά τε καὶ πρόσωπον ιδιώτου ἀποκεκρίσθαι. [14] ποῦ δὲ ἡμῖν τῶν ὄπλων τὰ περιττά καταθεμένοις ἢ ἄλλο τι τῶν ἀναγκαίων δέχεσθαι δεήσει προσιόντα τὸν βάρβαρον; ἀλλὰ ταῦτα μὲν οὐδὲ λέγειν καλὸν ὅπη ἐκβήσεται. [15] ἐγὼ δὲ ἡγοῦμαι χρῆναι ἡμᾶς εὐθὺ Καρχηδόνας ἰέναι. λιμένα γὰρ οὐ πλεῖον ἢ τεσσαράκοντα σταδίους αὐτῆς διέχοντα εἶναί φασιν, ὃν δὴ Στάγνον καλοῦσιν, ἀφύλακτόν τε παντάπασιν ὄντα καὶ πρὸς τὸν ἅπαντα στόλον ἱκανῶς πεφυκότα. ὅθεν δὴ ὀρμωμένοις ἡμῖν τὸν πόλεμον διενεγκεῖν οὐ χαλεπὸν ἔσται. [16] οἶμαι δὲ ἔγωγε ὡς Καρχηδόνας τε ἡμᾶς ἐξ ἐπιδρομῆς κρατήσιν εἰκός, ἄλλως τε καὶ μακρὰν αὐτῆς ἀπολελειμμένων τῶν πολέμιων, καὶ κρατήσασιν οὐδὲν τοῦ λοιποῦ μοχθηρὸν ἔσσεσθαι. [17] τὰ γὰρ ἀνθρώπεια πάντα κατελιγμένων τῶν κεφαλαίων καταρρεῖν οὐκ ἐς μακρὰν εἴωθεν. ὦν δὴ πάντων ἡμᾶς ἐνθυμουμένους τὰ βέλτιστα αἰρεῖσθαι προσήκει.’ Ἀρχέλαος μὲν τοσαῦτα εἶπε. [18] Βελισάριος δὲ ἔλεξεν ὥδε: ‘Μηδεὶς ὑμῶν, ὃ ξυνάρχοντες, ἐπιγνώμονος εἶναι τοὺς λόγους οἰέσθω, μηδὲ διὰ τοῦτο ἐν ὑστάτῳ εἰρῆσθαι, ὥστε αὐτοῖς ἔπεσθαι, ὅποιοί ποτ’ ἂν ὦσιν, ἀναγκαῖον ἅπασιν γίνεσθαι. [19] ὅσα μὲν γὰρ ὑμῶν ἐκάστῳ δοκεῖ ἄριστα εἶναι ἀκήκοα: προσήκει δὲ καὶ ἐμὲ ὅσα γινώσκω ἐς μέσον ἐξενεγκόντα οὕτω σὺν ὑμῖν ἐλέσθαι τὰ κρείσσω. [20] ἐκεῖνο δὲ ὑπομῆσαι ὑμᾶς ἄξιον, ὡς ὀλίγῳ πρότερον οἱ μὲν στρατιῶται δεδιέναι τε τοὺς ἐν τῇ θαλάσῃ κινδύνους ἄντικρυς ἔλεγον καὶ ὡς ἐς φυγὴν τρέψονται, ἦν ναὺς πολεμία ἐπ’ αὐτοὺς ἴοι, ἡμεῖς δὲ τὸν θεὸν ἡτοῦμεν γῆν τὴν Λιβύης καὶ τὴν ἐς ταύτην ἀπόβασιν εἰρηναίαν ἡμῖν ἐπιδεῖξαι. [21] τούτων δὲ τοιούτων ὄντων, ἀξυνέτων ἀνδρῶν ἡγοῦμαι εἶναι εὐχεσθαι μὲν παρὰ τοῦ θεοῦ λαβεῖν τὰ βελτίονα, δεδομένων δὲ αὐτῶν ἀποσεῖσθαι τε καὶ ἀπ’ ἐναντίας ἰέναι. [22] ἦν δὲ καὶ πλέουσιν ἡμῖν εὐθὺ Καρχηδόνας στόλος ἀπαντήσῃ πολέμιος, τοῖς μὲν στρατιώταις κατὰ κράτος φεύγουσι τὸ μὴ μεμπτοῖς εἶναι λελείψεται: ἀμάρτημα γὰρ προρρηθὲν τὴν ἀπολογίαν ἐφ’ ἑαυτοῦ φέρε: ἡμῖν δὲ καὶ διασωθεῖσιν οὐδεμία συγγνώμη. [23] πολλῶν δὲ ὄντων, ἦν ἐν ταῖς ναυσὶ μένωνμεν, δυσχερῶν, ἐκεῖνο μόνον ἱκανῶς, οἶμαι, λελέγεται, ὃ μάλιστα δεδίττεσθαι ἡμᾶς ἀξιοῦσι, τὸν χειμῶνα ἐπανασείοντες. [24] ἦν γάρ τις ἐπιτέσοι

χειμών, ἀνάγκη ταῖς ναυσίν, ὥσπερ φασί, δυοῖν ξυμβῆναι τὸ ἕτερον, ἢ πόρρω που τῆς Λιβύης διαφυγεῖν, ἢ ἐπὶ τῆς ἀκτῆς διαφθαρῆναι ταύτης. [25] τί τοίνυν ὥς ἐκ τῶν παρόντων ἐλομένοις ἡμῖν μᾶλλον ξυνοίσει; μόνας διεφθάρθαι τὰς ναῦς, ἢ αὐτοῖς ἀνδράσιν ἅπαντα ἀπολωλέναι τὰ πράγματα; χωρὶς δὲ τούτων νῦν μὲν ἀπαρασκεύους ἐπιπεσόντες τοῖς πολεμίοις κατὰ νοῦν, ὥς τὸ εἰκός, ἀπαλλάξομεν: τὰ γὰρ πολέμια τῷ ἀπροσδοκῆτῳ δουλοῦσθαι πέφυκε: [26] μικρὸν δὲ ὕστερον ἤδη τῶν πολεμίων ἐν παρασκευῇ γεγονότων ἐξ ἀντιπάλου ἡμῖν τῆς δυνάμεως ὁ ἀγὼν ἔσται. [27] προσθείη δὲ ἂν τις ὥς καὶ ὑπὲρ αὐτῆς ἴσως ἀγωνιεῖσθαι δεήσει τῆς ἀποβάσεως, ἐκεῖνά τε ζητεῖν ἢ νῦν παρόντα ἡμῖν ὥς οὐκ ἀναγκαῖα ἐς βουλὴν ἔρχεται. [28] ἦν δὲ καὶ χειμῶν τηνικαῦτα ἀγωνιζόμενοις ἡμῖν ἐπιγένηται, ὥς τὰ πολλὰ ἐν θαλάσῃ φιλεῖ γίνεσθαι, πρὸς τε τὰ κύματα καὶ τοὺς Βανδύλους διαμαχόμενοι μεταμαθεῖν τὴν εὐβουλίαν εἰσόμεθα. [29] φημί δὴ ἔγωγε χρῆναι ἀποβῆναι μὲν ἡμᾶς ἐς τὴν ἡπειρον αὐτίκα δὴ μάλα, ἵππους τε ἀποβιβάζοντας καὶ ὄπλα καὶ εἴ τι ἄλλο ἐς τὴν χρεῖαν ἡμῖν ἀναγκαῖον εἶναι οἴομεθα, τάφρον δὲ κατὰ τάχος ὀρύξαι καὶ χαράκωμα περιβαλεῖν οὐδέν τι ἥσσον ὅτου τις ἂν εἴποι τείχους εἰς ἀσφάλειαν ἡμῖν συντελέσαι δυνάμενον, ἐκεῖθεν δὲ ὀρμωμένους τὸν πόλεμον, [30] ἦν τις ἐπίοι, διενεγκεῖν. ἐπιλείπει δὲ ἡμᾶς ἄνδρας ἀγαθοὺς γινομένους τῶν ἐπιτηδείων οὐδέν. τοῖς γὰρ κρατοῦσι τῶν πολεμίων τὸ κυρίους εἶναι τῶν ἐκείνοις προσηκόντων ξυμβαίνει, καὶ ἡ νίκη πάντα περιβαλομένη τὰ χρήματα, ἔνθα ἂν κλίνη, κατατίθεσθαι πέφυκεν. ὥστε ὑμῖν ἢ τε σωτηρία καὶ ἡ τῶν ἀγαθῶν περιουσία ἐν ταῖς χερσὶ κεῖται.’ [31] Ταῦτα Βελισαρίου εἰπόντος ξυνέφασάν τε καὶ ἀπεδέξαντο ἅπας ὁ ξύλλογος, καὶ διαλυθέντες ὥς τάχιστα τὴν ἀπόβασιν ἐποίησαντο τρισὶ μάλιστα μηνσὶν ὕστερον ἢ αὐτοῖς ἐκ Βυζαντίου ὁ ἀπόπλους ἐγένετο. [32] καὶ δεῖξας τι χωρίον ἐπὶ τῆς ἡϊόνος ὁ στρατηγὸς τοῖς τε στρατιώταις καὶ ναύταις ἐκέλευε τὴν τε τάφρον ὀρύσσειν καὶ τὸ χαράκωμα περιβάλλεσθαι. [33] οἱ δὲ κατὰ ταῦτα ἐποίουν. ἄτε δὲ ὄχλου πολλοῦ ἐργαζομένου καὶ τοῦ φόβου τὴν προθυμίαν ἐγείροντος καὶ τοῦ στρατηγοῦ ἐγκελευομένου, αὐτῇ τῇ ἡμέρᾳ ἢ τε τάφρος ὀρώρυκτο καὶ τὸ χαράκωμα ξυντετέλεστο καὶ οἱ σκόλοπες κύκλῳ πανταχόθεν ξυνεπεπήχато. [34] ἔνθα δὴ καὶ τι τοῖς τὴν τάφρον ὀρύσσουσι τετύχηκε θαυμάσιον ἡλικόν. ὕδατος πολὺ τι χρῆμα ἢ γῆ ἀνῆκεν, οὐ γεγονὸς τοῦτο ἐν Βυζακίῳ πρότερον, ἄλλως τε καὶ τοῦ χωρίου ἀνύδρου ὄντος. [35] τοῦτο δὴ τὸ ὕδωρ ἐς πᾶσαν χρεῖαν τοῖς ἀνθρώποις καὶ τοῖς ἄλλοις ζῷοις ἐπήρκεσε. καὶ συνηδόμενος τῷ στρατηγῷ Προκόπιος ἔλεγεν ὥς οὐ διὰ τὴν χρεῖαν τῇ τοῦ ὕδατος περιουσίᾳ χαίροι, ἀλλ’ ὅτι οἱ ξύμβολον εἶναι δοκεῖ νίκης ἀπόνου καὶ τοῦτο σφίσι προλέγειν τὸ θεῖον. [36] ὅπερ οὖν καὶ ἐγένετο. τὴν μὲν οὖν νύκτα ἐκείνην οἱ στρατιῶται ξύμπαντες ἐν τῷ στρατοπέδῳ ηἰλίσσαντο, φύλακάς τε καὶ τὰ ἄλλα ἥπερ εἰώθει ποιοῦμενοι, πλήν γε δὴ ὅτι τοξότας πέντε ἐν νηὶ ἐκάστη Βελισάριος ἐκέλευσε μεῖναι φυλακῆς ἕνεκα, καὶ τοὺς δρόμωνας ἐν κύκλῳ αὐτῶν ὀρμίζεσθαι, φυλασσομένους μὴ τις ἐπ’ αὐτὰς κακουργήσων ἴοι.

Τῇ δὲ ὑστεραίᾳ, ἐπειδὴ τῶν στρατιωτῶν τινες ἐς τοὺς ἀγροὺς ἀναβαίνοντες τῶν ὥραιων ἥπτοντο, αὐτῶν τε τὰ σώματα ὁ στρατηγὸς οὐ παρέργως ἠκίσατο καὶ ξυγκαλέσας ἅπαντας ἔλεξε τοιάδε: [2] ‘Τὸ μὲν βιάζεσθαι καὶ τοῖς

ἀλλοτρίοις σιτίζεσθαι ταύτη μόνον ἐν γε τοῖς ἄλλοις καιροῖς μοχθηρὸν πεφυκέναι δοκεῖ, ὅτι τὸ ἄδικον ἐν αὐτῷ φέρεται: νῦν δὲ τοσοῦτον αὐτῷ τῆς δυσκολίας περίεστιν ὥστε, εἰ μὴ πικρὸν εἰπεῖν, τὸν τοῦ δικαίου λόγον περὶ ἐλάσσανος ποιησαμένους τὸν ἐντεῦθεν κίνδυνον ἡμᾶς ἡλικίος ποτέ ἐστιν ἐκλογίζεσθαι χρή. [3] ἐγὼ γὰρ ἐκείνῳ μόνῳ τὸ θαρρεῖν ἔχων εἰς τὴν γῆν ὑμᾶς ἀπεβίβασα ταύτην, ὅτι τοῖς Βανδύλοις οἱ Λίβυες, Ῥωμαῖοι τὸ ἀνέκαθεν ὄντες, ἄπιστοί τέ εἰσι καὶ χαλεπῶς ἔχουσι, καὶ διὰ τοῦτο ὥμην ὡς οὐτ' ἂν τι τῶν ἀναγκαίων ἡμᾶς ἐπιλείποι οὔτε τι ἐξ ἐπιδρομῆς κακὸν ἐργάσσονται ἡμᾶς οἱ πολέμιοι. [4] ἀλλὰ νῦν αὕτη ὑμῶν ἡ ἀκράτεια ταῦτα εἰς τοῦναντίον ἡμῖν μεταβέβληκε. τοὺς γὰρ Λίβυας δῆπου κατηλλάξατε τοῖς Βανδύλοις, εἰς ὑμᾶς αὐτοὺς ἤδη τὴν τούτων περιαγαγόντες δυσμένειαν. [5] φύσει γὰρ πρόσεστι τοῖς ἀδικουμένοις ἢ πρὸς τοὺς βιαζομένους ἔχθρα, καὶ περιέστηκεν ὑμῖν τῆς τε ὑμῶν αὐτῶν ἀσφαλείας καὶ τῆς τῶν ἀγαθῶν ἀφθονίας ὀλίγα ἄττα ἀργύρια ἀνταλλάξασθαι, παρὸν ὑμῖν παρ' ἐκόντων ὠνουμένοις τὰ ἐπιτήδεια τῶν κυρίων μῆτε ἀδίκους εἶναι δοκεῖν καὶ φίλους ἐκείνοις ἐς τὰ μάλιστα χρῆσθαι. [6] νῦν οὖν πρὸς τε Βανδύλους ὑμῖν καὶ Λίβυας ὁ πόλεμος ἔσται, λέγω δὲ ἔγωγε καὶ τὸν θεὸν αὐτόν, ὃν οὐδεὶς ἀδικῶν ἐς ἐπικουρίαν παρακαλεῖ. [7] ἀλλὰ παύσασθε μὲν τοῖς ἀλλοτρίοις ἐπιτηδῶντες, κέρδος δὲ ἀποσείσασθε κινδύνων μεστόν. [8] οὗτος γὰρ ἐκείνος ὁ καιρὸς ἐστιν ἐν ᾧ μάλιστα σωφροσύνη μὲν οἷα τε σώζειν, ἀκοσμία δὲ ἐς θάνατον φέρει. τούτων γὰρ ἐπιμελομένοις ὑμῖν ἵλεως μὲν ὁ θεός, εὖνους δὲ ὁ τῶν Λιβύων λεώς, καὶ τὸ τῶν Βανδύλων γένος εὐέφοδον ἔσται. [9] Τοσαῦτα εἰπὼν Βελισάριος καὶ τὸν ξύλλογον διαλύσας, ἐπεὶ ἤκουσε Σύλλεκτον πόλιν ἡμέρας ὁδὸν τοῦ στρατοπέδου διέχουσαν ἐπὶ θαλάσσῃ εἶναι ἐν τῇ ἐπὶ Καρχηδόνα φερούσῃ, ἥς τὸ μὲν τεῖχος ἐκ παλαιοῦ καθηρημένον ἐτύγχανεν, οἱ δὲ ταύτῃ ὤκημένοι τοὺς τῶν οἰκίων τοίχους πανταχόθεν ἀποφράξαντες διὰ τὰς τῶν Μαυρουσίων ἐπιδρομὰς περιβόλου ἐφύλασσαν σχῆμα, τῶν δορυφόρων ἓνα Βοριάδην ἅμα τῶν ὑπασπιστῶν τισιν ἔστελλεν, ἐπαγγείλας αὐτοῖς τῆς τε πόλεως ἀποπειρᾶσθαι καί, ἣν ἔλωσι, κακὸν μὲν μηδὲν ἐν αὐτῇ δρᾶσαι, ἐπαγγείλασθαι δὲ ἀγαθὰ μυρία, καὶ ὡς ἐπὶ τῇ αὐτῶν ἐλευθερίᾳ ἤκοιεν, ὥστε εἰσιτητὰ τῷ στρατῷ ἐς αὐτὴν γενέσθαι. [10] οἱ δὲ περὶ λύχνων ἀφὰς ἀγχοῦ τῆς πόλεως γενόμενοι ἐν φάραγγί τε λαθόντες διενυκτέρευσαν. ἔωθεν δὲ ἀγροίκων σὺν ἀμάξαις ἐς αὐτὴν εἰσιόντων ἐπιτυχόντες συνεισηλθόν τε σιωπῇ καὶ οὐδενὶ πόνῳ τὴν πόλιν ἔσχον. [11] καὶ ἐπεὶ ἡμέρα ἐγένετο, οὐδενὸς θορύβου ἡγήσαμένου, τὸν τε ἱερέα καὶ εἴ τι δόκιμον ἦν ζυγαλέσαντες τὰς τε τοῦ στρατηγοῦ ἐντολὰς ἀπήγγελλον, καὶ τὰς κλεῖς τῶν εἰσόδων παρ' ἐκόντων λαβόντες τῷ στρατηγῷ ἔπεμψαν. [12] Τῇ δὲ αὐτῇ ἡμέρᾳ καὶ ὁ τοῦ δημοσίου δρόμου ἐπιμελούμενος ἡτομόλησε παραδοὺς τοὺς δημοσίους ζύμπαντας ἵππους. ζυλληφθέντα δὲ καὶ τινα τῶν ἐς τὰς βασιλικὰς ἀποκρίσεις ἀεὶ στελλομένων, οὓς δὴ βερδιάριους καλοῦσι, κακὸν μὲν οὐδὲν ὁ στρατηγὸς ἔδρασε, χρυσῷ δὲ πολλῷ δωρησάμενος καὶ πιστὰ λαβὼν τὰς ἐπιστολὰς ἐνεχείρισεν ὥσπερ Ἰουστινιανὸς βασιλεὺς πρὸς Βανδύλους ἔγραψεν, ἐφ' ᾧ τοῖς Βανδύλων ἄρχουσι δοῦναι. [13] ἐδήλου δὲ ἡ γραφὴ τάδε: 'Οὐτε Βανδύλοις πολεμεῖν ἔγνωμεν οὔτε τὰς Γιζερίχου σπονδὰς λύομεν, ἀλλὰ τὸν ὑμέτερον τύραννον καθελεῖν ἐγχειροῦμεν, ὃς τῶν Γιζερίχου

διαθηκῶν ὀλιγορήσας τὸν μὲν βασιλέα ὑμῶν καθείρξας τηρεῖ, τῶν δὲ αὐτοῦ συγγενῶν οὓς μὲν σφόδρα ἐμίσει κατ' ἀρχὰς ἔκτεινε, τοὺς δὲ λοιποὺς τὰς ὄψεις ἀφελόμενος ἐν φυλακῇ ἔχει, οὐκ ἔδῳ θανάτῳ καταλῦσαι τὰς συμφοράς. [14] συλλάβεσθε τοίνυν ἡμῖν καὶ συνελευθεροῦτε ὑμᾶς αὐτοὺς οὕτω μοχθηρὰς τυραννίδος, ὅπως ἂν δύνησθε τῆς τε εἰρήνης καὶ τῆς ἐλευθερίας ἀπόνασθαι. ταῦτα γὰρ ὑμῖν παρ' ἡμῶν ἔσεσθαι πρὸς τοῦ θεοῦ τὰ [15] πιστὰ δίδομεν.' τοσαῦτα μὲν τὰ βασιλέως γράμματα ἐδήλου. ὁ δὲ ταῦτα παρὰ Βελισαρίου λαβὼν ἐξενεγκεῖν μὲν εἰς τὸ φανερόν οὐκ ἐτόλμησε, λάθρα δὲ τοῖς φίλοις ἐπιδείξας οὐδὲν ὅ τι καὶ λόγου ἄξιον διεπράξατο.

Βελισάριος δὲ ὡς ἐς παράταξιν ὥδε διακοσμήσας τὸ στράτευμα τὴν ἐπὶ Καρχηδόνα ἐβάδιξε. τῶν δ' ὑπασπιστῶν τριακοσίους ἀπολέξας, ἄνδρας ἀγαθοὺς τὰ πολέμια, Ἰωάννη παρέδωκεν, ὃς οἱ ἐπεμελεῖτο τῆς περὶ τὴν οἰκίαν δαπάνης: ὁπτίωνα τοῦτον καλοῦσι Ῥωμαῖοι. [2] ἀνὴρ δὲ ἦν Ἀρμένιος μὲν γένος, ξυνέσεως δὲ καὶ ἀνδρίας ἐς τὸ ἀκρότατον μάλα ἦκων. τοῦτον δὴ τὸν Ἰωάννην ἐκέλευσε τῇ στρατιᾷ ἡγεῖσθαι, οὐχ ἥσσον ἢ κατὰ εἴκοσι σταδίους διέχοντα, καὶ ἦν τι πολέμιον ἴδοι, κατὰ τάχος σημῆναι, ὅπως δὴ μὴ ἀπαράσκευοι ἐς μάχην καθίστασθαι ἀναγκάζονται. [3] τοὺς δὲ ξυμμάχους Μασσαγέτας ἐκέλευε τοσούτοις ἢ καὶ πλείοσι σταδίοις ἀπέχοντας αἰεὶ κατὰ τὸ ἀριστερόν μέρος τὴν πορείαν ποιεῖσθαι: αὐτὸς δὲ ὀπισθεν μετὰ τῶν ἀρίστων ἐβάδιζεν. [4] ὑπώπτευε γὰρ ἐκ τῆς Ἑρμιόνης Γελίμερα σφίσιν ἐπόμενον οὐκ ἐς μακρὰν ἐπιθήσεσθαι. κατὰ γὰρ τὸ δεξιὸν μέρος οὐδὲν ἦν δέος οὐ πόρρω τῆς ἡϊόνος πορευομένοις. [5] τοῖς δὲ ναύταις ἐπήγγελλε παρακολουθεῖν τε αἰεὶ καὶ τοῦ στρατεύματος μὴ πολὺν διεστάναι, ἀλλ' ἐπιφόρου μὲν γινομένου τοῦ πνεύματος χαλάσαντας τὰ μεγάλα ἰστία τοῖς μικροῖς, ἃ δὴ δόλωνας καλοῦσιν, ἐπεσθαι, λωφήσαντος δὲ παντελῶς τοῦ ἀνέμου βιάζεσθαι ὅσον οἰοί τε ὥσιν ἐρέσσουντας. [6] Εἰς δὲ Σύλλεκτον ἀφικόμενος Βελισάριος σῶφρονάς τε τοὺς στρατιώτας παρείχετο καὶ οὔτε ἀδίκων χειρῶν ἄρχοντας οὔτε τι ἀπὸ τρόπου ἐργαζομένους, αὐτὸς τε πραότητα καὶ φιланθρωπίαν πολλὴν ἐνδεικνύμενος οὕτω τοὺς Λίβυας προσεποιήσατο ὥστε τοῦ λοιποῦ καθάπερ ἐν χώρᾳ οἰκείᾳ τὴν πορείαν ποιεῖσθαι, οὔτε ὑποχωρούντων τῶν ταύτῃ ὤκημένων οὔτε τι ἀποκρύπτεσθαι βουλομένων, ἀλλὰ καὶ ἀγορὰν παρεχομένων καὶ τὰ ἄλλα τοῖς στρατιώταις ἢ βούλοιντο ὑπηρετούντων. [7] ὀγδοήκοντα δὲ σταδίους ἀνύοντες εἰς ἡμέραν ἐκάστην ἄχρι ἐς Καρχηδόνα διετελέσαμεν, ἢ κατὰ πόλιν, ἂν οὕτω τύχη, ἢ ἐν στρατοπέδῳ ἐκ τῶν παρόντων ὡς ἀσφαλέστατα αὐλιζόμενοι. [8] οὕτω γοῦν διὰ τε Λέπτης πόλεως καὶ Ἀδραμητοῦ ἐς Γράσσην τὸ χωρίον ἀφικόμεθα, πεντήκοντα καὶ τριακοσίους σταδίους Καρχηδόνας διέχον. [9] ἔνθα δὴ βασιλεία τε ἦν τοῦ Βανδύλων ἡγουμένου καὶ παράδεισος κάλλιστος ἀπάντων ὧν ἡμεῖς ἴσμεν. [10] ταῖς τε γὰρ κρήναις κομιδῇ κατάρρυντός ἐστι καὶ ἄλσους ἔχει πάμπολυ χρῆμα. ὁπώρας δὲ τὰ δένδρα μεστά ἐστι ξύμπαντα: ὥστε τῶν στρατιωτῶν ἕκαστος τὴν καλύβην ἐν δένδροις ὁπώρας ἐπήξατο καὶ τῶν καρπῶν τηνικάδε ὥραιων ὄντων ἐς κόρον μὲν αὐτῶν ἀφίκοντο πάντες, αἴσθησις δὲ σχεδὸν τι τῆς ὁπώρας ἐλασσομένης οὐ γέγονε. [11] Γελίμερ δέ, ἐπεὶ ἐν Ἑρμιόνη τὸ πρῶτον παρόντας ἤκουσε τοὺς πολεμίους, γράφει πρὸς τὸν ἀδελφὸν Ἀμμάταν ἐς Καρχηδόνα, Ἰλδέριχον μὲν καὶ ἄλλους, ὅσους εἶτε

κατὰ γένος εἴτε ἄλλως αὐτῷ προσήκοντας ἐν φυλακῇ ἔχει, ἀποκτινύναι, αὐτὸν δὲ τοὺς τε Βανδίλους καὶ εἴ τι ἄλλο μάχιμον ἐν τῇ πόλει ἦν ἐν παρασκευῇ ποιήσασθαι, ὅπως τῶν πολεμίων ἐν στενοῖς γενομένων ἀμφοὶ τὸ τῆς πόλεως προάστειον, ὃ Δέκιμον καλοῦσιν, ἀμφοτέρωθεν ξυνιόντας κυκλώσασθαι τε αὐτοὺς καὶ σαγηνεύσαντας διαφθεῖραι. [12] Ἀμμάτας δὲ κατὰ ταῦτα ἐποίει, καὶ τὸν τε Ἰλδέριχον, ξυγγενὴ ὄντα, καὶ Εὐαγέην ἀπέκτεινε καὶ τῶν Λιβύων ὅσοι αὐτοῖς ἐπιτήδαιοι ἦσαν. [13] Ὅαμερ γὰρ ἦδη ἐξ ἀνθρώπων ἠφάνιστο. τοὺς τε Βανδίλους ἐξοπλίσας, ὡς εἰς καιρὸν ἐπιθησόμενος, [14] ἐν παρασκευῇ ἐποίησατο. Γελίμερ δὲ ὀπισθεν, οὐ παρέχων ἡμῖν αἰσθησιν, εἵπετο, πλὴν γε δὴ ὅτι ἐν τῇ νυκτὶ ταύτῃ ἢ ἐν Γράσση ἠύλισάμεθα, κατάσκοποι ἐκατέρωθεν ἰόντες ξυνέμιξαν, πλῆξαντές τε ἀλλήλους ἐς τὸ σφέτερον στρατόπεδον ἐκάτεροι ἀπεχώρησαν, καὶ ταύτῃ γέγονεν ἡμῖν φανερόν οὐ πόρρω εἶναι τοὺς πολεμίους. [15] ἐνθὲνδε ἡμῖν πορευομένοις τὰς ναῦς ἐσορᾶν ἀδύνατα ἦν. πέτραι γὰρ ὑψηλαί, πόρρω τῆς θαλάσσης διήκουσαι, περίοδον τοῖς πλέουσι πολλῶ μέτρῳ ἐργάζονται, καὶ ἄκρα ἀνέχει, ἥς ἐντὸς τοῦ Ἑρμοῦ πόλισμά ἐστι. [16] Βελισάριος οὖν Ἀρχελάῳ τε τῷ ἐπάρχῳ καὶ Καλωνύμῳ τῷ ναυάρχῳ ἐπέστελλεν ἐς Καρχηδόνα μὲν μὴ καταίρειν, σταδίους δὲ ἀμφοὶ τοὺς διακοσίους ἀπέχοντας ἄχρι αὐτὸς καλέσῃ μένειν. [17] ἐκ δὲ Γράσσης ἐξαναστάντες τεταρταῖοι ἐς Δέκιμον ἀφικόμεθα, σταδίοις ἑβδομήκοντα Καρχηδόνος ἀπέχον.

Ἐν δὲ δὴ τῇ ἡμέρᾳ ταύτῃ Γελίμερ τὸν ἀνεψιὸν Γιβαμοῦνδον ἐκέλευεν ἅμα Βανδύλων δισχιλίους φθάνοντα τὸ ἄλλο στρατεύμα κατὰ τὸ εὐώνυμον μέρος ἰέναι, ὅπως Ἀμμάτας μὲν ἐκ Καρχηδόνος, Γελίμερ δὲ αὐτὸς ὀπισθεν, Γιβαμοῦνδος δὲ ἐκ τῶν ἐν ἀριστερᾷ χωρίων ἐς ταὐτὸ ξυνιόντες ῥᾶον δὴ καὶ ἀπονώτερον τὴν κύκλωσιν τῶν πολεμίων ποιήσονται. [2] ἐμοὶ δὲ τὰ τε θεῖα καὶ τὰ ἀνθρώπεια ἐν τῷ πόνῳ τούτῳ ἐπῆλθε θαυμάσαι, ὅπως ὁ μὲν θεός, πόρρωθεν ὁρῶν τὰ ἐσόμενα, ὑπογράφει ὅπῃ ποτὲ αὐτῷ τὰ πράγματα δοκεῖ ἀποβῆσθαι, οἱ δὲ ἄνθρωποι ἢ σφαλλόμενοι ἢ τὰ δέοντα βουλευόμενοι οὐκ ἴσασιν ὅτι ἔπταισάν τι, ἂν οὕτω τύχοι, ἢ ὀρθῶς ἔδρασαν, ἵνα γένηται τῇ τύχῃ τρίβος, φέρουσα πάντως ἐπὶ τὰ πρότερον δεδογμένα. [3] εἰ μὴ γὰρ Βελισάριος οὕτω διωκῆσατο τὴν παράταξιν, τοὺς μὲν ἀμφοὶ τὸν Ἰωάννην προτερῆσαι κελεύσας, τοὺς δὲ Μασσαγέτας ἐν ἀριστερᾷ τῆς στρατιᾶς ἰέναι, οὐκ ἂν ποτε διαφυγεῖν τοὺς Βανδίλους ἰσχύσαμεν. [4] καὶ τούτων δὲ οὕτω Βελισαρίῳ βεβουλευμένων, εἰ τὸν καιρὸν Ἀμμάτας διεφύλαξε καὶ μὴ τοῦτον τεταρτημορίῳ τῆς ἡμέρας μάλιστα ἐφθασεν, οὐκ ἂν ποτε οὕτω Βανδίλοι διεφθάρη τὰ πράγματα: [5] νῦν δὲ Ἀμμάτας πρὸ τερήσας ἀμφοὶ μέσσην ἡμέραν ἐς Δέκιμον ἦκε, μακρὰν ἀπολελειμμένων ἡμῶν τε καὶ τοῦ Βανδύλου στρατεύματος, οὐ τοῦτο μόνον ἀμαρτήσας, ὅτι οὐκ ἐν δέοντι ἀφίκετο χρόνῳ, ἀλλὰ καὶ τὸ Βανδύλου πλῆθος ἐν Καρχηδόνι ἀπολιπὼν, ἀπαγγείλας τε ὡς τάχιστα ἐς τὸ Δέκιμον ἦκειν, αὐτὸς ξυῖ ὀλίγοις καὶ οὐδὲ ἀριστίνδην ξυνειλεγμένοις τοῖς ἀμφοὶ τὸν Ἰωάννην ἐς χεῖρας ἦλθε. [6] καὶ κτείνε μὲν τῶν ἀρίστων δώδεκα ἐν τοῖς πρώτοις ἀγῶνι νικηζόμενους, πίπτει δὲ καὶ αὐτός, ἀνὴρ ἀγαθὸς ἐν τῷ ἔργῳ τούτῳ γενόμενος. [7] καὶ ἡ μὲν τροπὴ ἐπεὶ Ἀμμάτας ἔπεσε, λαμπρὰ ἐγεγονέει, φεύγοντες δὲ κατὰ κράτος οἱ Βανδίλοι ἀνεσόβουν ἅπαντας

τοὺς ἐκ Καρχηδόνης ἐς Δέκιμον ἰόντας. [8] ἐπὶ ρεῦοντο γὰρ οὐδενὶ κόσμῳ οὐδὲ ὡς ἐς μάχῃ ξυντεταγμένοι, ἀλλὰ κατὰ συμμορίας, καὶ ταῦτ' αὖ βραχείας: κατὰ τριάκοντα γὰρ ἢ εἴκοσιν ἦσαν [9] ὀρῶντες δὲ Βανδίλους τοὺς ἀμφὶ τὸν Ἀμμάταν φεύγοντας, καὶ οἰόμενοι τοὺς διώκοντας παμπλή' θεῖς εἶναι, τρέψαντες τὰ νῶτα συνέφευγον. [10] Ἰωάν' νης δὲ καὶ οἱ ξὺν αὐτῷ οἷς ἂν ἐντύχοιεν κτείνοντ' ἄχρι ἐς τὰς Καρχηδόνης πύλας ἀφίκοντο. [11] καὶ γέγονε φόνος Βανδίων ἐν τοῖς ἐβδομήκοντα στή' δίοις τοσοῦτος ὥστε εἰκάζειν τοὺς θεωμένους δις μυρίων πολεμίων τὸ ἔργον εἶναι. [12] Κατὰ δὲ τὸν αὐτὸν χρόνον Γιβραμοῦνδός τ' καὶ οἱ δις χίλιοι ἦκον ἐς Πεδίον Ἀλῶν, ὅπερ τεσσαράκοντα μὲν σταδίοις τοῦ Δεκίμου ἀπέχε' ἐν ἀριστερᾷ εἰς Καρχηδόνα ἰόντι, ἀνθρώπων δ' καὶ δένδρων καὶ ἄλλου ὅτου οὖν ἐρημόν ἐστι, τῆς τοῦ ὕδατος ἄλμης ἄλλο οὐδὲν ἐνταῦθα πλὴν τοὺς ἄλας ἐώσης γίνεσθαι: ἔνθα δὴ τοῖς Οὐννοις περιπεπτωκότες ἀπώλοντο πάντες. [13] ἦν δὲ τις ἐν τοῖς Μασσαγέταις ἀνὴρ, ἀνδρίας μὲν καὶ ἰσχύος εὖ ἦκων, ὀλίγων δὲ ἡγούμενος ἀνδρῶν οὗτος εἶχε γέρας ἐκ πατέρων τε καὶ προγόνων ἐν πᾶσι τοῖς Οὐννικοῖς στρατεύμασι πρῶτος εἰς τοὺς πολεμίους εἰσβάλλειν. [14] οὐ γὰρ ἦν θεμιτὸν ἀνδρὶ Μασσαγέτῃ προτύψαντι ἐν μάχῃ τῶν τινα πολεμίων λαβεῖν, πρὶν γε δὴ τινα ἐκ ταύτης τῆς οἰκίας ἐς τοὺς πολεμίους τῶν χειρῶν ἄρξαι. [15] οὗτος ἀνὴρ, ἐπεὶ τὰ στρατεύματα οὐ πόρρω ἀπ' ἀλλήλων ἐγένετο, ἐξελάσας τὸν ἵππον, τοῦ τῶν Βανδίων στρατοπέδου μόνος ὡς ἐγγυτάτῳ ἔστη. [16] οἱ δὲ Βανδίλοι, ἢ τὴν τοῦ ἀνδρὸς εὐψυχίαν καταπλαγέντες ἢ καὶ τι τοὺς πολεμίους ὑποτοπήσαντες ἐς αὐτοὺς μηχανᾶσθαι, οὔτε κινεῖσθαι οὔτε τὸν ἄνδρα βαλεῖν ἔγνωσαν. [17] οἶμαι δὲ αὐτοὺς οὐπώποτε Μασσαγетῶν μάχην ἐν πείρᾳ ἔχοντας, ἀκούοντας δὲ κομιδῇ μάχιμον τὸ ἔθνος εἶναι, οὕτω δὴ κατορρωδῆσαι τὸν κίνδυνον. [18] ἀναστρέψας δὲ ἐς τοὺς ὁμοφύλους ὁ ἄνθρωπος ἔλεξεν ὡς ὁ θεὸς σφίσιν ἔτοιμον βρῶσιν τοὺς ξένους τούσδε πέμπειν. [19] οὕτω δὴ ὁρμωμένους αὐτοὺς οἱ Βανδίλοι οὐχ ὑπέμειναν, ἀλλὰ λύσαντες τὴν τάξιν καὶ ἥκιστα ἐς ἀλκὴν ἰδόντες ἅπαντες αἰσχυρῶς διεφθάρησαν.

Ἡμεῖς δὲ τῶν γεγονότων οὐδ' ὅτι οὖν πεπυσμένοι ἐπὶ τὸ Δέκιμον ἦειμεν. Βελισάριος δὲ χώρον ἰδὼν ἐς στρατόπεδον ἱκανῶς πεφυκότα, πέντε καὶ τριάκοντα σταδίοις τοῦ Δεκίμου διέχοντα, χαράκῳ τε αὐτῷ περιέβαλεν εὖ μάλα πεποιημένον καὶ τοὺς πεζοὺς ἅπαντας ἐνταῦθα καταστησάμενος ἅπαν τε συγκαλέσας τὸ στράτευμα ἔλεξε τοιάδε: [2] 'Ὁ μὲν τῆς ἀγωνίας καιρὸς, ἄνδρες συστρατιῶται, ἤδη πάρεστιν: αἰσθάνομαι γὰρ προσιόντας ἡμῖν τοὺς πολεμίους: τὰς δὲ ναῦς ὡς πορρωτάτῳ ἡμῶν ἢ τοῦ τόπου φύσις ἀπήνεγκε: περιέστηκε δὲ ἡμῖν ἢ τῆς σωτηρίας ἐλπίς ἐν ταῖς χερσὶν οὔσα. [3] οὐ γάρ ἐστιν οὐ πόλις φιλία, οὐκ ἄλλο οὐδὲν ὀχύρωμα, ὅτῳ δὴ καὶ πιστεύσαντες τὸ θαρρεῖν ὑπὲρ ἡμῶν αὐτῶν ἔξομεν. [4] ἀλλ' εἰ μὲν ἄνδρες ἀγαθοὶ γενοίμεθα, εἰκὸς ἂν εἴη καὶ περιέσεσθαι ἡμᾶς τῷ πολέμῳ τῶν ἐναντίων: ἦν δὲ τι μαλακιζοίμεθα, λελειψεται ἡμῖν ὑπὸ Βανδίοις γεγενημένοις αἰσχυρῶς διεφθάρθαι. [5] καίτοι πολλὰ ἡμῖν ἐφόδια πρὸς τὴν νίκην ἐστί: τὸ τε δίκαιον, μεθ' οὗ πρὸς τοὺς δυσμενεῖς ἤκομεν 'τὰ γὰρ ἡμέτερα αὐτῶν κομιούμενοι πάρεσμεν, καὶ τὸ τῶν Βανδίων ἐς τὸν σφῶν αὐτῶν τύραννον ἔχθος. [6] ἢ τε γὰρ τοῦ θεοῦ ζυμμαχία τοῖς τὰ δίκαια προτεινομένοις προσγίνεσθαι πέφυκε,

καὶ στρατιώτης τῷ κρατοῦντι δύσοντας ἀνδραγαθίζεσθαι οὐκ ἐπίσταται. [7] χωρὶς δὲ τούτων ἡμεῖς μὲν Πέρσαις τε καὶ Σκύθαις τὸν ἅπαντα ὠμιλήσαμεν χρόνον, οἱ δὲ Βανδίλοι, ἐξ ὅτου Λιβύης ἐκράτησαν, οὐδένα πολέμιον ὅτι μὴ γυμνοὺς Μαυρουσίους τεθέανται. [8] τίς δὲ οὐκ οἶδεν ὡς ἔργου παντὸς μελέτη μὲν ἐς ἐμπειρίαν, ἀργία δὲ εἰς ἀμαθίαν φέρει; τὸ μὲν οὖν χαράκωμα, ὅθεν ἡμᾶς τὸν πόλεμον διαφέρειν δεήσει, ὡς ἄριστα ἡμῖν πεποιοῖσθαι ξυμβαίνει. [9] πάρεστι δὲ ἡμῖν τὰ τε ὅπλα καὶ τὰ ἄλλα πάντα ὅσα φέρειν οὐχ οἰοί τε ἐσμέν ἐνταῦθα καταθεμένοις ἰέναι, καὶ ἀναστρέψαντας ἂν ἐνθάδε ἡμᾶς οὐδὲν τῶν ἐπιτηδείων ἐπιλίποι. [10] εὖχομαι δὲ ὑμῶν ἕκαστον τῆς τε οἰκείας ἀρετῆς καὶ τῶν κατὰ τὸν οἶκον ἀναμνησθέντα οὕτω δὴ καταφρονήματι ἐπὶ τοὺς πολεμίους χωρεῖν.' [11] Τοσαῦτα εἰπὼν Βελισάριος καὶ ἐπευξάμενος τὴν τε γυναῖκα καὶ τὸ χαράκωμα τοῖς πεζοῖς ἀπολιπὼν αὐτὸς μετὰ τῶν ἰππέων ἀπάντων ἐξήλασεν. [12] οὐ γάρ οἱ ἐφαίνετο ἐν τῇ παρόντι ξύμφορον εἶναι τῷ παντὶ διακινδυνεύσαι στρατῷ, ἀλλὰ ξὺν τοῖς ἰππεῦσι πρῶτον ἀκροβολισαμένῳ καὶ ἀποπειρασαμένῳ τῆς τῶν πολεμίων δυνάμεως οὕτω δὴ τῷ ὅλῳ στρατεύματι διαμάχεσθαι. [13] στείλας οὖν ἔμπροσθεν τοὺς τῶν φοιδεράτων ἄρχοντας, σὺν τῷ ἄλλῳ στρατῷ καὶ τοῖς οἰκείοις δορυφόροις τε καὶ ὑπασπισταῖς αὐτὸς εἶπετο. [14] ἐπεὶ δὲ οἱ φοιδεράτοι ξὺν τοῖς ἡγεμόσιν ἐγένοντο ἐν τῇ Δεκίμῳ, ὁρῶσι τοὺς τῶν πεπτωκότων νεκρούς, δώδεκα μὲν ἐταίρους τῶν μετὰ Ἰωάννου, πλησίον δὲ αὐτῶν Ἀμμάταν καὶ Βανδύλων τινάς. [15] παρὰ δὲ τῶν ταύτῃ ὤκημένων τὸν πάντα λόγον ἀκούσαντες ἥσχαλλον, ἀπορούμενοι ὅπῃ αὐτοῖς χωρητέα εἴη. ἔτι δὲ αὐτῶν ἀπορουμένων καὶ ἀπὸ τῶν λόφων ἅπαντα περισκοπούμενων τὰ ἐκείνη χωρία, κονιορτός τε ἀπὸ μεσημβρίας ἐφαίνετο καὶ μικρὸν ὕστερον Βανδύλων ἰππέων πάμπολυ Χρῆμα. [16] καὶ πέμπουσι μὲν πρὸς πρὸς Βελισάριον, ὡς τάχιστα ἤκειν αἰτοῦντες, ἅτε δὴ σφίσιν ἐγκειμένων τῶν πολεμίων. τῶν δὲ ἀρχόντων ἅ γινώμαι δίχα ἐφέροντο. [17] οἱ μὲν γὰρ ἡξίουσαν τοῖς ἐπιοῦσιν ὁμόσε ἰέναι, οἱ δὲ οὐκ ἀξιόχρεων σφίσιν ἐς τοῦτο ἔφασκον εἶναι τὴν δύναμιν. [18] ταῦτα δὲ αὐτοῖς ἐς ἀλλήλους διαφιλονεικοῦσιν οἱ βάρβαροί· ἀγχοῦ ἐγένοντο ἡγουμένου αὐτοῖς Γελίμερος καὶ ὁδῷ χρησαμένου μεταξὺ ἧς τε Βελισάριος εἶχ' καὶ ἧς οἱ Μασσαγέται ἦκον οἱ Γιβαμούνδῳ ξυμμιζαντες. [19] λοφώδεις δὲ χῶροι ἐφ' ἐκάτερα ὄντες οὔτε τὸ Γιβαμούνδου πάθος ἰδεῖν οὔτε τὸ Βελισαρίου χαράκωμα ξυνεχώρησαν, οὐ μὴν οὐδ' τὴν ὁδὸν ἣν οἱ ἀμφὶ Βελισάριον ἐπορεύοντο. [20] ἐπεὶ δὲ ἀγχοῦ ἀλλήλων γεγόνασιν, ἕρις τῇ στρατῷ ἐκατέρῃ ἐνέπεσεν, ὁπότεροι τοῦ πάντων ὑψηλῷ τάτου τῶν ἐκείνη λόφων κρατήσουσιν. [21] ἐδόκε' γὰρ ἐνστρατοπεδεύσασθαι ἐπιτήδειος εἶναι, καὶ αὐτοὶ ἐκάτεροι ἐνθένδε ἡροῦντο τοῖς πολεμίοις εἰς χεῖρας ἰέναι. [22] προτερήσαντες δὲ οἱ Βανδύλοι τὸν τε λόφον καταλαμβάνουσιν ὥθισμῳ χρησάμενοι καὶ τρέπονται τοὺς πολεμίους, ἤδη φοβεροὶ αὐτοῖς γεγονότες. [23] φεύγοντες δὲ Ῥωμαῖοι ἐς χωρίον ἀφικνοῦνται σταδίους ἑπτὰ τοῦ Δεκίμου ἀπέχον, ἔνθα δὴ Οὐλίारιν τὸν Βελισαρίου δορυφόρον ξὺν ὑπασπισταῖς ὀκτακοσίοις τετύχηκεν εἶναι. [24] πάντες τε ὦντο ὡς σφᾶς οἱ ἀμφὶ τὸν Οὐλίारιν δεξάμενοι στήσονται τε καὶ ξὺν αὐτοῖς ὁμόσε ἐπὶ τοὺς Βανδύλους χωρήσουσιν· ἀλλ' ἐπεὶ ἅμα ἐγένοντο, παρὰ δόξαν ἤδη ξύμπαντες ἀνὰ κράτος τε ἔφευγον καὶ δρόμῳ τὴν ἐπὶ

Βελισάριον ἦσαν. [25] Ἐνθενδε οὐκ ἔχω εἰπεῖν ὃ τί ποτε παθὼν Γελίμερ, ἐν ταῖς χερσὶν ἔχων τὸ τοῦ πολέμου κράτος, ἐθελούσιος αὐτὸ τοῖς πολεμίοις μεθῆκε, πλὴν εἰ μὴ ἐς τὸν θεὸν καὶ τὰ τῆς ἀβουλίας ἀναφέρειν δεήσει, ὅς, ἡνίκα τι ἀνθρώπῳ συμβῆναι βουλευῆται φλαῦρον, τῶν λογισμῶν ἀνάμενος πρῶτον οὐκ ἔα τὰ ξυνοίσοντα ἐς βουλὴν ἔρχεσθαι. [26] εἴτε γὰρ τὴν διώξιν εὐθυωρὸν ἐποίησατο, οὐδ' ἂν αὐτὸν ὑποστῆναι Βελισάριον οἶμαι, ἀλλ' ἄρδην ἅπαντα ἡμῖν διαφθαρῆναι τὰ πράγματα: [27] τοσοῦτον δὴ τό τε τῶν Βανδύλων πλῆθος τό τε αὐτῶν κατὰ Ῥωμαίων δέος ἐφαινετο: εἴτε καὶ Καρχηδόνος εὐθὺ ἦλασε, τοὺς τε σὺν Ἰωάννῃ εὐπετῶς ἂν ἅπαντας ἔκτεινεν, οἳ γε κατὰ ἓνα καὶ δύο ἀφροντιστήσαντές τε καὶ περιπάτους ἐν τῷ πεδίῳ ποιοῦμενοι τοὺς κειμένους ἐσύλων. [28] καὶ τὴν πόλιν ξὺν τοῖς χρήμασι διασωσάμενος τῶν τε ἡμετέρων νεῶν οὐ πόρρῳ ἀφικομένων ἐκράτει καὶ ὅλην ἡμῖν ἀνέστελλε τοῦ τε ἀπόπλου καὶ τῆς νίκης ἐλπίδα. ἀλλὰ γὰρ ἔπραξε τούτων οὐδέτερα. [29] βάδην δὲ κατιῶν ἐκ τοῦ λόφου, ἐπεὶ ἐν τῷ ὁμαλεῖ ἐγένετο καὶ τὰδελοφὺ τὸν νεκρὸν εἶδεν, ἔς τε ὀλοφύρσεις ἐτράπετο καὶ τῆς ταφῆς ἐπιμελούμενος οὕτω δὴ τοῦ καιροῦ τὴν ἀκμὴν ἡμβλυνεν, ἥς γε οὐκέτι ἀντιλαβέσθαι ἐδύνατο. [30] τοῖς δὲ φεύγουσι Βελισάριος ἀπαντήσας στήναι κελεύει, κοσμίως τε ἅπαντας διατάξας καὶ πολλὰ ὀνειδίσας, ἐπειδὴ τὴν τε Ἀμμάτα τελευτὴν καὶ τὴν Ἰωάννου διώξιν ἤκουσε καὶ περὶ τοῦ χωρίου καὶ τῶν πολεμίων ἐπύθετο ὅσα ἐβούλετο, δρόμῳ ἐπὶ Γελίμερά τε καὶ Βανδύλους ἐχώρει. [31] οἳ δὲ βάρβαροι ἄτακτοί τε καὶ ἀπαράσκευοι ἤδη γεγονότες ἐπιόντας αὐτοὺς οὐχ ὑπέμειναν, ἀλλὰ φεύγουσιν ἀνὰ κράτος, πολλοὺς ἐνταῦθα ἀποβαλόντες, [32] καὶ ἡ μάχη ἐτελεύτα ἐς νύκτα. ἔφευγον δὲ οἱ Βανδύλοι οὐκ ἐς Καρχηδόνα οὐδὲ ἐς Βυζάκιον, ὅθενπερ ἦκον, ἀλλ' ἐπὶ τὸ Βούλλης πεδίον καὶ τὴν εἰς Νουμίδας ὁδὸν φέρουσαν. [33] οἳ μὲν οὖν ἄμφι τὸν Ἰωάννην καὶ οἱ Μασσαγέται περὶ λύχνων ἀφὰς εἰς ἡμᾶς ἀναστρέψαντες καὶ ἅπαντα τὰ ξυμβεβηκότα μαθόντες τε καὶ ἀναγγεῖλαντες σὺν ἡμῖν ἐν Δεκίμῳ διενυκτέρευσαν.

Τῇ δὲ ὑστεραίᾳ τῶν πεζῶν ἅμα τῇ Βελισαρίου γυναικὶ παραγενομένων ξύμπαντες τὴν ἐπὶ Καρχηδόνα ἐπορευόμεθα, ἔνθα δὴ περὶ δείλιν ὀψίαν ἦκοντες ἠὺλισάμεθα, καίτοι ἐκώλυεν οὐδεὶς ἐς τὴν πόλιν αὐτίκα ἐσελάσαι. οἳ τε γὰρ Καρχηδόνι' τὰς πύλας ἀνακλίναντες λύχνα ἔκαιον πανδημῇ καὶ ἡ πόλις κατελάμπετο τῷ πυρὶ τὴν νύκτα ὅλην ἐκείνην, καὶ τῶν Βανδύλων οἱ ἀπολελεειμμένοι ἐν τοῖς ἱεροῖς ἰκέται ἐκάθηντο. [2] ἀλλὰ Βελισάριος διεκώλυσε τοῦ μήτε ἐνέδραν σφίσι πρὸς τῶν πολεμίων γενέσθαι μήτε τοῖς στρατιώταις ἄδειαν εἶναι, ἅτε ἐν νυκτὶ λανθάνουσιν, ἐς ἄρπαγὴν τραπέσθαι. [3] ταύτῃ τῇ ἡμέρᾳ αἱ νῆες" εὗρου σφίσιν ἀνέμου ἐπιπεσόντος, ἐς τὴν ἄκραν ἀφίκοντο. καὶ οἱ Καρχηδόνιοι, ἡδὴ γὰρ αὐτὰς καθεώρων, τὰς σιδηρᾶς ἀλύσεις τοῦ λιμένος, ὃν δὴ Μανδράκιον καλοῦσιν, ἀφελόμενοι, εἰσιτητὰ τῷ στόλῳ ἐποίουν. [4] ἔστι δὲ ἐν τῇ βασιλέως αὐλῇ οἴκημα σκοτόους ἀνάπλεων, ὃ δὴ Ἀγκῶνα καλοῦσιν οἱ Καρχηδόνιοι, ἔνθα ἐνεβάλλοντο ἅπαντες οἳς ἂν χαλεπαῖνοι ὁ τύραννος. [5] ἐνταῦθα καθειργγμένοι ἐτύγγανον πολλοὶ τῶν ἐφών ἐμπόρων ἐς ἐκεῖνο τοῦ χρόνου. [6] τούτοις γὰρ δὴ ὁ Γελίμερ χαλεπῶς εἶχεν, ἐπικαλῶν ὥς δὴ αὐτοὶ βασιλέα ἐς τὸν πόλεμον ἐναγάγοιεν, ἔμελλόν τε διαφθαρῆναι πάντες, δόξαν τοῦτο Γελίμερι ἐκείνῃ τῇ ἡμέρᾳ ἧ Ἀμμάτας ἐν Δεκίμῳ ἀπέθανε: παρὰ

τοσοῦτον κινδύνου ἦλθον. [7] τοῦτου ὁ φύλαξ τοῦ δεσμοτηρίου, ἐπεὶ τὰ τε ἐν Δεκίμῳ πραχθέντα ἤκουσε καὶ τὸν στόλον εἶδε τῆς ἄκρας ἐντός, ἐσελθὼν ἐς τὸ οἶκημα πυνθάνεται τῶν ἀνδρῶν, οὐπω τὰγαθὰ πεπυσμένων, ἀλλ' ἐν τῷ σκοτῷ καθημένων καὶ караδοκούντων τὸν θάνατον, τί ποτε ἄρα βουλομένοις ἂν αὐτοῖς εἴη τῶν ὑπαρχόντων προεμένοις σεσῶσθαι. [8] τῶν δὲ ἅπαντα αἰρουμένων διδόναι ἂ βούλοιτο, ἄλλο μὲν οὐδὲν ἦτει τῶν πάντων χρημάτων, ἡξίου δὲ ἅπαντας ὁμνῦναι ὥς, ἣν διαφύγοιεν, καὶ αὐτῷ ἐν κινδύνοις γενησομένῳ ξυλλήψονται ὅση δύναμις. οἱ μὲν οὖν κατὰ ταῦτα ἐποίουν. [9] ὁ δὲ τὸν τε λόγον ἅπαντα ἔφραζε καὶ σανίδα ἐκ τοῦ πρὸς θάλασσαν ἀφελὼν μέρους προσιόντα τὸν στόλον ἐπέδειξε, τῆς τε εἰρκτῆς ἀφείς ἅπαντας ξὺν αὐτοῖς ἦει. [10] Οἱ δὲ ἐν ταῖς ναυσὶν ὄντες, οὐπω τι ἀκηκοότες ὧν ἐν τῇ γῇ ὁ στρατὸς ἔδρασε, διηποροῦντο, καὶ τὰ ἰστία χαλάσαντες ἔς τε τὸ Μερκούριον πέμπαντες τὰ ἐν Δεκίμῳ πραχθέντα ἔμαθον, καὶ περιχαρεῖς γενόμενοι ἔπλεον. [11] ἐπεὶ δὲ τοῦ πνεύματος σφίσιν ἐπιφόρου ὄντος ἀπὸ σταδίων πεντήκοντα καὶ ἑκατὸν Καρχηδόνης ἐγένοντο, Ἀρχέλαος μὲν καὶ οἱ στρατιῶται αὐτοῦ ὀρμίσασθαι ἐκέλευον, τὴν τοῦ στρατηγοῦ δεδιότες πρόρρησιν, οἱ δὲ ναῦται οὐκ ἐπέιθοντο. [12] τὴν τε γὰρ ἐκείνη ἀκτὴν ἀλίμενον εἶναι ἔφασκον καὶ χειμῶνα ἐπίσημον αὐτίκα μάλα γενήσεσθαι ἐπίδοξον εἶναι, ὃν δὴ οἱ ἐπιχώριοι Κυπριανὰ καλοῦσι. [13] προὔλεγον τε ὥς, εἰ ἐνταῦθα σφίσιν ἐπιγένηται, οὐδ' ἂν τῶν νεῶν μίαν διασώσασθαι δυνατοὶ εἶεν. καὶ ἦν δὲ οὕτως. [14] ἐν βραχεὶ οὖν τὰ τε ἰστία χαλάσαντες καὶ βουλευσάμενοι τοῦ μὲν Μανδρακίου πειράσασθαι οὐκ [15] ὥντο χρῆναι ἵτας τε γὰρ Βελισαρίου ἐντολὰς ὑπεστέλλοντο καὶ ἅμα τὴν ἐς τὸ Μανδράκιον εἴσοδον ταῖς ἀλύσεσιν ἀποκεκλειῖσθαι ὑπώπτευνον, ἄλλως τε καὶ τῷ παντὶ στόλῳ τὸν λιμένα ἐκείνον οὐχ ἱκανὸν εἶναι, τὸ δὲ Στάγνον σφίσιν ἐφαίνετο ἐν καλῷ κεῖσθαι ἵμέτρῳ γὰρ σταδίων τεσσαράκοντα Καρχηδόνης διέχει ἐμπόδιόν τε οὐδὲν ἐν αὐτῷ εἶναι καὶ πρὸς τὸν στόλον ἅπαντα ἱκανῶς πεφυκέναι. [16] ἐνθα δὴ ἀφικόμενοι περὶ λύχνων ἀφὰς ὀρμίσαντο πάντες, πλὴν γε δὴ ὅτι Καλώνυμος ἅμα τῶν ναυτῶν τισι, τοῦ τε στρατηγοῦ ἀφροντιστήσας καὶ τῶν ἄλλων πάντων, ἔς τε τὸ Μανδράκιον λάθρα ἀπέβη, οὐδενὸς κωλύσαι τολμήσαντος, καὶ χρήματα τῶν ἐπὶ θαλάσῃ ὤκημένων ἐμπόρων ξένων τε καὶ Καρχηδονίων διήρπασε. [17] Τῇ δὲ ἐπιγενομένη ἡμέρᾳ Βελισάριος τοὺς τε ἐν ταῖς ναυσὶ τὴν ἀπόβασιν ἐκέλευε ποιεῖσθαι καὶ ὅλον διακοσμήσας τὸ στράτευμα διατάξας τε ὥς ἐς μάχην ἐπὶ Καρχηδόνα ἐσήλανεν: ἐδεδίει γὰρ μή τις οἱ ἐνέδρα πρὸς τῶν πολεμίων ὑπαντιάσῃ. [18] ἐνθα δὴ πολλὰ μὲν τοὺς στρατιώτας ὑπέμνησεν, ἥλικα σφίσιν εὐτυχήματα γένοιτο, ἐπειδὴ σωφροσύνην ἐς Λίβυας ἐπέδειξαντο, πολλὰ δὲ παρήνεσε τὴν εὐκοσμίαν ἐν Καρχηδόνι ὥς μάλιστα διασώσασθαι. [19] Λίβυας γὰρ ἅπαντας Ῥωμαίους τὸ ἀνέκαθεν ὄντας γενέσθαι τε ὑπὸ Βανδίλοις οὐτι ἐθελουσίους καὶ πολλὰ πεπονθέναι πρὸς ἀνδρῶν βαρβάρων ἀνόσια. [20] διὸ δὴ καὶ βασιλέα ἐς πόλεμον καταστήναι Βανδίλοις, εἶναι τε οὐχ ὅσιον ξυμβῆναί τι πρὸς αὐτῶν ἄχαρι ἐς ἀνθρώπους ὧν τὴν ἐλευθερίαν ὑπόθεσιν ποιησάμενοι ἐπὶ Βανδίλους ἐστράτευσαν. [21] τοσαῦτα παραινέσας ἔς τε Καρχηδόνα εἰσῆλθε καί, ἐπεὶ πολέμιον σφίσιν οὐδὲν ἐφαίνετο, ἐς τὸ Παλάτιον ἀναβὰς ἐν τῷ Γελίμερος θρόνῳ ἐκάθισεν. [22] ἐνταῦθα ἐντυχόντες πολλῇ κραυγῇ Βελισαρίῳ

ἐμπόρων τ' ἡ πλῆθος καὶ ἄλλοι Καρχηδόνιοι ὅσοις ἐπιθαλάσσια τὰ οἰκία τετύχηκεν εἶναι, ἡτιῶντο ἀρπαγὴν σφίσι τῶν ὑπαρχόντων τῇ προλαβούσῃ νυκτὶ πρὸς τῶν ναυτῶν ξυμβῆναι. [23] ὁ δὲ Καλώνυμον ὄρκοις καταλαμβάνει ἢ μὴν ἅπαντα ἐς τὸ ἐμφανεῖ ἐνεγκεῖν τὰ φώρια. [24] Καλώνυμος δὲ ὁμόσας τ' καὶ τὰ ὁμωμοσμένα ἐν ἀλογίᾳ ποιησάμενος τ' μὲν παραυτικά τὰ χρήματα ἐληίσατο, χρόνῳ δ' οὐ πολλῷ ὕστερον τὴν δίκην ἔτισεν ἐς Βυζάντιον [25] νόσφ γὰρ ἀλοὺς τῇ καλουμένη ἀποπληξίᾳ καὶ τῶν φρενῶν ἔξω γενόμενος τῆς τε γλώσσης ἀπὸ τραγῶν τῆς αὐτοῦ, εἴτα ἀπέθανεν. ἀλλὰ ταῦτ' μὲν χρόνῳ τῷ ὑστέρῳ ἐγένετο.

Τότε δὲ Βελισάριος, ἐπεὶ ὁ καιρὸς ἐς τοῦτ' ἦγεν, ἄριστον σφίσι ἐκέλευε γενέσθαι οὗ δ' Γελίμερ τοὺς τῶν Βανδύλων ἡγουμένους ἐστῖαν εἰώθει. [2] Δέλφικα τὸν τόπον καλοῦσι Ῥωμαῖοι, ὃ τῇ σφετέρᾳ γλώσσῃ, ἀλλὰ κατὰ τὸ παλαιὸν ἐλληνίζοντες. ἐν Παλατίῳ γὰρ τῷ ἐπὶ Ῥώμῃς ἐνθα ξυνέβαινε στιβάδας τὰς βασιλέως εἶναι τρίπους ἐκ παλαιοῦ εἰστήκει, ἐφ' οὗ δὴ τὰς κύλικας οἱ βασιλέως οἶνοχόοι ἐτίθεντο. [3] Δέλφικ' δὲ τὸν τρίποδα καλοῦσι Ῥωμαῖοι, ἐπεὶ πρῶτον ἐν Δελφοῖς γέγονε, καὶ ἀπ' αὐτοῦ ἔν τε Βυζαντίῳ καὶ ὅπῃ βασιλέως εἶναι στιβάδα ξυμβαίνει Δέλφικα τοῦτο καλοῦσι τὸ οἶκημα, ἐπεὶ καὶ τ' βασιλέως οἰκία Παλάτιον ἐλληνίζοντες καλοῦσι Ῥωμαῖοι. [4] Πάλλαντος γὰρ ἀνδρὸς Ἕλληνας ἐν τούτῳ τῷ χωρίῳ οἰκήσαντος πρὸ Ἰλίου ἀλώσεως οἰκίαν τε λόγου ἀξίαν ἐνταῦθα δειμαμένου, Παλάτιον μὲν τὸ οἶκημα τοῦτο ἐκάλουν, ἐπεὶ δὲ τὴν αὐτοκράτορα παραλαβὼν ἀρχὴν Αὐγουστος ἐνταῦθα καταλύειν τὸ πρῶτον ἔγνω, Παλάτιον ἀπ' αὐτοῦ καλοῦσι τὸ χωρίον οὗ ἂν βασιλεὺς καταλύῃ. [5] ἐν Δέλφικι τοίνυν Βελισάριός τε ἦσθι καὶ εἴ τι ἐν τῷ στρατεύματι δόκιμον ἦν. [6] τετύχηκε δὲ τὸ τῇ προτεραιᾷ τῷ Γελίμερι γερονδὸς ἄριστον ἐν παρασκευῇ εἶναι. καὶ ταῖς τε βρώσεσιν αὐταῖς εἰστιάθημεν ἢ τε τοῦ Γελίμερος θεραπεία παρτίθει τε καὶ ὦνοχόει καὶ τὰ ἄλλα ὑπὸ ῥυγῃ. [7] παρῇν τε ἰδεῖν ὠραϊζομένην τὴν τύχην καὶ ποιουμένην ἐπίδειξιν ὥς ἅπαντά τε αὐτῆς εἶη καὶ οὐδὲν ἀνθρώπῳ ἴδιον γένοιτο. [8] Βελισαρίῳ δὲ ξυνηνέχθη ἐκεῖνῃ τῇ ἡμέρᾳ εὐδοκιμῆσαι ὥς οὔτε τῶν κατ' αὐτὸν οὐδενὶ πώποτε οὔτε τῶ ἄλλῳ τῶν ἐκ παλαιοῦ γεγονότων τετύχηκε. [9] τῶν γὰρ δὴ Ῥωμαίων στρατιωτῶν οὐκ εἰωθότων θορύβου χωρὶς ἐς πόλιν κατήκοον σφίσι οὐδ' ἂν κατὰ πεντακοσίους εἶεν ἄλλως τε καὶ ἐκ τοῦ ἀπροσδοκήτου ἰέναι, οὕτω δὴ κοσμίους ἅπαντας ὁ στρατηγὸς οὗτος τοὺς ἀρχομένους παρέσχετο ὥστε οὐδὲ ὕβριν τινὰ ἢ ἀπειλὴν γενέσθαι, [10] οὐ μὴν οὐδέ τι ἐμπόδισμα τῇ κατὰ τὴν πόλιν ἐργασίᾳ ξυνέβη, ἀλλ' ἐν ἀλούσει πόλει καὶ πολιτείᾳ μεταβαλούσῃ καὶ βασιλείᾳ ἀλλαξαμένη οὐδὲ τῶν ἀπὸ τῆς ἀγορᾶς ξυνέβη τινὸς τὴν οἰκίαν ἀποκεκλεισθαι, ἀλλ' οἱ γραμματεῖς τὰ βιβλίδια γράψαντες τοὺς στρατιώτας, ὥσπερ εἰώθει, ἐς τὰς οἰκίας εἰσήγαγον, αὐτοὶ τε ὄνιον ἀπὸ τῆς ἀγορᾶς τὸ ἄριστον λαβόντες ὥς ἐκάστῳ ἦν βουλομένῳ ἡσύχαζον. [11] Μετὰ δὲ Βελισάριος Βανδύλοις τε τοῖς ἐς τὰ ἱερὰ καταφυγοῦσι πιστὰ ἐδίδου καὶ τῶν τειχῶν ἐπεμελεῖτο. ἦν γὰρ ὁ Καρχηδόνης περίβολος οὕτω δὴ ἀπημελημένος ὥστε ἐσβατὸς ἐν χώροις πολλοῖς τῷ βουλομένῳ καὶ εὐέφοδος ἐγεγόνει. [12] μοῖρα γὰρ οὐκ ὀλίγη αὐτοῦ κατεπεπτώκει καὶ διὰ τοῦτο Γελίμερα οἱ Καρχηδόνιοι ἔφασκον ἐν τῇ πόλει οὐχ ὑποστῆναι. [13] οὐ γὰρ ἂν ποτε οἴεσθαι

χρόνῳ ὀλίγῳ οἷόν τε εἶναι τῷ περιβόλῳ τούτῳ τὴν ἀσφάλειαν ἀνασώσασθαι. [14] ἔλεγον δέ τι καὶ λόγιον παλαιὸν ἐν Καρχηδόνι πρὸς τῶν παιδίων ἐν τοῖς ἄνω χρόνοις εἰρῆσθαι ὥς τὸ γάμμα διώξει τὸ βῆτα, καὶ πάλιν αὐτὸ τὸ βῆτα διώξει τὸ γάμμα. [15] καὶ τότε μὲν παίζουσιν αὐτὸ τοῖς παιδίοις εἰρῆσθαι καὶ ἀπολελεῖσθαι ἐν αἰνίγματος ἀπορουμένου μοίρα, νῦν δὲ ἅπασιν ἀντικρυς φανερὸν εἶναι. [16] πρότερόν τε γὰρ Γιζέριχος Βονιφάτιον ἐξεδίωξε καὶ τανῦν Γελίμερα Βελισάριος. τοῦτο μὲν οὖν, εἴτε φήμη τις ἦν εἴτε λόγιον, ταύτη ἐχώρησε. [17] Τότε δὲ καὶ ὄναρ πολλοῖς μὲν πολλάκις ὀφθὲν πρότερον, ἄδηλον δὲ γεγονὸς ὅπῃ ἐκβήσεται, ἐς φῶς ἐληλύθει. ἐτύγχανε δὲ ὃν τὸ ὄναρ τοιόνδε. Κυπριανόν, ἅγιον ἄνδρα, μάλιστα πάντων οἱ Καρχηδόνιοι σέβονται. [18] καὶ αὐτῷ νεῶν τινα λόγου πολλοῦ ἄξιον πρὸ τῆς πόλεως ἰδρυσάμενοι παρὰ τὴν τῆς θαλάσσης ἡίονα τὰ τε ἄλλα ἐξοσιοῦνται καὶ ἄγουσιν ἐορτὴν ἣν δὴ Κυπριανὰ καλοῦσι, καὶ ἀπ' αὐτοῦ τὸν χειμῶνα οἱ ναῦται, οὐπὲρ ἐγὼ ἄρτίως ἐμνήσθην, ὁμωνύμως τῇ πανηγύρει προσαγορεύειν εἰώθασιν, ἐπεὶ ἐς τὸν καιρὸν ἐπισκῆπτειν φιλεῖ ἐφ' οὗ ταύτην οἱ Λίβυες ἄγειν ἐς αἰὲν τὴν ἐορτὴν νενομίκασι. [19] τοῦτον οἱ Βανδίλοι τὸν νεῶν ἐπὶ Ὀνωρίχου βασιλεύοντος τοὺς Χριστιανοὺς βιασάμενοι ἔσχον. [20] καὶ αὐτῶν ἐνθένδε ξὺν πολλῇ ἀτιμίᾳ τοὺς ἱερέας εὐθὺς ἐξελάσαντες αὐτοὶ τῶν ἱερῶν τὸ λοιπόν, ἅτε προσηκόντων Ἀρειανοῖς, ἐπεμελοῦντο. [21] ἀσχάλλουσιν οὖν διὰ ταῦτα καὶ διαπορουμένοις τοῖς Λίβυσι πολλάκις φασὶ τὸν Κυπριανὸν ὄναρ ἐπισκῆψαντα φάναι ἀμφ' αὐτῷ μεριμνᾶν τοὺς Χριστιανοὺς ἥκιστα χρῆναι: αὐτὸν γάρ οἱ προϊόντος τοῦ χρόνου τιμωρὸν ἔσεσθαι. [22] ἐπεὶ δὲ ὁ λόγος περιφερόμενος ἐς τοὺς Λίβυας ἅπαντας ἦλθε, καταδοκεῖν μὲν αὐτοὺς τίσιν ποτέ τινα τῶν ἱερῶν τούτων ἔνεκα ἐς τοὺς Βανδίλους ἀφίξεσθαι, οὐκ ἔχειν μέντοι τεκμηριῶσαι ὅπῃ ποτὲ αὐτοῖς ἢ τοῦ ὀνείρου ὄψις ἐκβήσεται. [23] νῦν οὖν, ἐπεὶ ἐς Λιβύην ὁ βασιλέως στόλος ἀφίκετο ἔπανιὼν γὰρ ἤδη ὁ χρόνος τῇ ὑστεραίᾳ τὴν πανήγυριν ἀγαγεῖν ἔμελλεν, οἱ μὲν τῶν Ἀρειανῶν ἱερεῖς, καίπερ Ἀμμάτα Βανδίλοις ἐς Δέκιμον ἡγησαμένου, τό τε ἱερὸν ἐκάθηραν ἅπαν καὶ τῶν ἐνταῦθα ἀναθημάτων τὰ κάλλιστα ἐκρέμων, καὶ τὰ λύχνα ἐν παρασκευῇ ποιησάμενοι τὰ τε κειμήλια ἐξενεγκόντες ἐκ τῶν ταμείων ἡτοίμαζον ἀκριβῶς ἅπαντα, ὥς περ αὐτῶν ἕκαστον ἐς τὴν χρειάν ἐπιτηδεῖως ἔχον ἐτύγχανε. [24] τὰ δὲ ἐν Δεκίμῳ οὕτως ὥσπερ μοι προδεδήλωται γενέσθαι ξυνέβη. [25] καὶ οἱ μὲν τῶν Ἀρειανῶν ἱερεῖς φεύγοντες ὄχοντο, Χριστιανοὶ δὲ οἷς τὰ ἐς τὴν δόξαν ὀρθῶς ἦσκηται, ἀφικόμενοι ἐς τοῦ Κυπριανοῦ τὸν νεῶν, τὰ τε λύχνα ἔκαιον ἅπαντα καὶ τῶν ἱερῶν ἐπεμελοῦντο ἥπερ αὐτοῖς τελεῖσθαι ταῦτα νόμος, οὕτω τε ἅπασιν ἃ δὴ προὔλεγεν ἢ τοῦ ὀνείρου ὄψις ἐγνώσθη. ἀλλὰ ταῦτα μὲν τῇδε ἐχώρησεν.

Οἱ δὲ Βανδίλοι λόγου παλαιοῦ ἀναμνησθέντες ἐθαύμαζον, ἐξεπιστάμενοι τὸ λοιπὸν ὡς ἀνθρώπων γε ὄντι οὐτ' ἂν ἄπιστός τις ἐλπίς οὔτε κτήσις βέβαιος γένοιτο. [2] ὅστις δὲ ἦν οὗτος ὁ λόγος καὶ ὄντινα ἐρρήθη τρόπον, ἐγὼ δηλώσω. [3] ἡνίκα Βανδίλοι κατ' ἀρχὰς τῷ λιμῷ πιεζόμενοι ἐξ ἡθῶν τῶν πατρίων ἀνίστασθαι ἔμελλον, μοῖρά τις αὐτῶν ἀπελείπετο, οἷς δὴ ὀκνήσει ἐχομένοις πρὸς ἡδονὴν Γωδιγίσκῳ ἐπισπένσθαι οὐκ ἦν. [4] προϊόντος δὲ χρόνου τοῖς τε μέιναισι τὰ ἐς τῶν ἐπιτηδείων τὴν ἀφθονίαν εὖ ἔχειν ἐδόκει καὶ Γιζέριχος ξὺν τοῖς ἀμφ' αὐτὸν Λιβύην ἔσχεν. [5] ὅπερ ἀκούσαντες οἱ Γωδιγίσκῳ οὐκ ἐπισπόμενοι ἔχαιρον, τῆς χώρας λοιπὸν ἰσχυρότατα σφίσιν ἐς τὸ ἀποζῆν διαρκούσης. [6] δείσαντες δὲ μὴ χρόνῳ τινὶ πολλῷ ὕστερον ἢ αὐτοὶ ὅσοι Λιβύην ἔσχον, ἢ οἱ τούτων ἀπόγονοι ὅτῳ δὴ τρόπῳ Λιβύης ἐξελαυνόμενοιο ἐπὶ ἀνῆλθον ἐς τὰ πάτρια ἦθη ὅτι γὰρ ποτὶ Ῥωμαίους αὐτὴν ἐς αἰεὶ περιόψεσθαι ὑπετόπαζον πρέσβεις ἐπεμψαν παρ' αὐτούς. [7] οἱ, ἐπεὶ Γιζὲ ρίχῳ ἐς ὅψιν ἦκον, συνήδεσθαι μὲν τοῖς ὁμογενεῖσιν οὕτω δὴ εὐημερήσασιν ἔφασκον, φυλάσσει δὲ περαιτέρῳ τὴν γῆν οὐχ οἷοί τε εἶναι ἥσπερ αὐτοὶ ὀλιγορηκότες ἐπὶ Λιβύης ἰδρύσαντο. [8] ἐδόξοντο οὖν, εἰ μὴ γῆς τῆς πατρώας μεταποιοῦνται κτήματι αὐτούς ἀνονήτῳ σφίσι δωρήσασθαι, ὅπῳ δὴ κύριοι τῆς χώρας ὡς ἀσφαλέστατα γεγενῆσθαι, ἦν τις κακουργήσων ἐπ' αὐτὴν ἴοι, ὅς ἢ ἥκιστα ἀπαξιοῦν ὑπὲρ αὐτῆς θνήσκειν. [9] Γιζερίχ' μὲν οὖν καὶ Βανδίλοις τοῖς ἄλλοις εὖ τε καὶ ἵ δίκαια λέγειν ἔδοξαν, καὶ ξυνεχώρουν ἅπαντα ὅς' οἱ πρέσβεις αὐτῶν ἔχρηζον. [10] γέρον δὲ τις ἀνὴρ ἐν αὐτοῖς δόκιμος καὶ δόξαν ἐπὶ ξυνέσει πολλῇ τινα ἔχων τὸ τοιοῦτον ἐπιτρέψειν οὐδαμῇ ἔφη τῶν γὰρ ἀνθρωπείων οὐδ' ὅτιοι ἐπὶ τοῦ ἀσφαλοῦς ἴστασθαι, ἀλλ' εἶναι αὐτοῖς ἐς τὸν πάντα αἰῶν' βέβαιοι μὲν τῶν ὄντων οὐδέν, τῶν δὲ οὐκ ὄντων οὐδέν ἀμήχανον. [11] ταῦτα ὁ Γιζέριχος ἀκούσας ἐπήνεσέ τε καὶ τοὺς πρέσβεις ἀπράκτους ἀπὸ πέμπεσθαι ἔγνω. τότε μὲν οὖν αὐτός τε καὶ ὁ παραινέσας ἅτε τὰ ἀμήχανα προορώμενοι, πρὸ πάντων Βανδίων γέλῳτα ὤφλον. [12] ἐπεὶ δὲ ταῦτ' ἅπερ ἐρρήθη ἐγένετο, μετέμαθόν τε τῶν ἀνθρωπείων πραγμάτων οἱ Βανδίλοι τὴν φύσιν καὶ σοφοῦ τὸ ἔπος εἶναι ἀνδρὸς ἔγνωσαν. [13] Τούτων μὲν οὖν Βανδίων οἱ ἔμειναν ἐν γῇ τῇ πατρώᾳ, οὔτε μνήμη τις οὔτε ὄνομα ἐς ἐμὴν σώζεται. ἅτε γάρ, οἶμαι, ὀλίγοις τισὶν οὖσιν ἢ βεβιάσθαι πρὸς βαρβάρων τῶν σφίσιν ὁμόρων ἢ ἀναμείχθαι οὐτι ἀκουσίῳς τετύχηκε, τό τε ὄνομα ἐς αὐτούς περ ἀποκεκρίσθαι. [14] οὐ μὴν οὐδ' ἡσσημένοις τότε πρὸς Βελισαρίου Βανδίων ἐννοια γέγονεν ἐς ἣν τὰ πάτρια ἐνθένδε ἰέναι. [15] οὐ γὰρ εἶχον ἐκ Λιβύης ἐκ τοῦ αἰφνιδίου, ἄλλως τε καὶ νεῶν οὐ παρουσῶν σφίσιν, ἐς τὴν Εὐρώπην κομίζεσθαι, ἀλλ' ἔτισαν ἐνταῦθα τὴν δίκην ἀπάντων ὧν περ ἐς Ῥωμαίους εἰργάσαντο καὶ οὐχ ἥκιστα ἐς Ζακυνθίους. [16] Γιζέριχος γάρ, ἐπισκήψας ποτὲ τοῖς ἐν Πελοποννήσῳ χωρίοις, Ταινάρῳ προσβαλεῖν ἐνεχείρησεν. ἐνθένδε τε κατὰ τάχος ἀποκρουσθεὶς καὶ πολλοὺς τῶν οἱ ἐπομένων ἀποβαλὼν ἀνεχώρησεν οὐδενὶ κόσμῳ. [17] διὸ δὴ τῷ θυμῷ ἔτι ἐχόμενος Ζακύνθῳ προσέσχε, καὶ πολλοὺς μὲν τῶν ἐν ποσὶ κτείνας, τῶν δὲ δοκίμων ἐς πεντακοσίους ἀνδραποδίσας δι' ὀλίγου ἀπέπλευσεν. [18] ἐπειδὴ τε γέγονεν ἐν μέσῳ τῷ Ἀδριατικῷ καλουμένῳ πελάγει, ἐνταῦθα κρεουργήσας τῶν πεντακοσίων τὰ σώματα, πανταχῇ τῆς θαλάσσης οὐδὲν ὑπολογισάμενος

ἔρριπεν. ἀλλὰ ταῦτα μὲν ἐν τοῖς ἄνω χρόνοις ἐγένετο.

Γελίμερ δὲ τότε χρήματά τε πολλὰ Λιβύων τοῖς γεωργοῖς προΐεμενος καὶ φιλοφροσύνῃ ἐς αὐτοὺς χρώμενος ἐπαγαγέσθαι πολλοὺς ἴσχυσεν. [2] οὗς δὴ ἐκέλευσε Ῥωμαίων τοὺς ἐς τὰ χωρία περιούοντας κτείνειν, χρυσίον τακτὸν ἐπὶ φόνῳ ἐκάστω τῷ ἀπολοῦντι ἐπικηρύξας. [3] οἱ δὲ πολλοὺς τοῦ Ῥωμαίων στρατοῦ ἔκτεινον, οὐ στρατιώτας μέντοι, ἀλλὰ δούλους τε καὶ ὑπηρέτας, οἱ δὴ χρημάτων ἐπιθυμία ἐς τὰς κόμας ἀναβαίνοντες λάθρα ἡλίσκοντο. [4] καὶ αὐτῶν τὰς κεφαλὰς οἱ γεωργοὶ παρὰ Γελίμερα φέροντες αὐτοὶ μὲν ἔμμισθοι γενόμενοι ἀπηλλάσσοντο, ὁ δὲ στρατιώτας ἀνηρηκέναι πολεμίους ὑπώπτευν. [5] Ἐνταῦθα τοῦ χρόνου Διογένης, ὁ Βελισαρίου δορυφόρος, ἔργα ἐπεδείξατο ἀρετῆς ἄξια. σταλεις γὰρ ἅμα τῶν ὑπασπιστῶν δύο καὶ εἴκοσιν ἐπὶ κατασκοπῇ τῶν ἐναντίων, ἐγένετο ἐν χωρίῳ δυοῖν ἡμέραιν ὁδὸν Καρχηδόνος διέχοντι. [6] τοὺτους δὲ τοὺς ἄνδρας οὐ γὰρ οἶοι τε ἦσαν οἱ τοῦ χωρίου γεωργοὶ κτείνειν ἀγγέλλουσι τῷ Γελίμερι ἐνταῦθα εἶναι. [7] καὶ ὃς τριακοσίους ἀπολεξάμενος Βανδύλων ἱππείας ἐπὶ αὐτοὺς ἔστελλε, ζῶντας ἅπαντας ἐπισκῆψας παρ' αὐτὸν ἀγαγεῖν. [8] λόγου γὰρ πολλοῦ ἄξιόν οἱ ἔδοξεν εἶναι Βελισαρίου δορυφόρον ζῆν ὑπασπισταῖς δύο καὶ εἴκοσι δορυαλώτους ποιήσασθαι. [9] οἱ μὲν οὖν ἀμφὶ Διογένην ἐς οἰκίαν ἐσεληλυθότες τινὰ ἐκάθευδον ἐν τῷ ὑπερφῶ, πολέμιον οὐδὲν ἐν νῷ ἔχοντες, οἱ γε μακρὰν ἀπεῖναι τοὺς ἐναντίους ἐπίθοντο. [10] οἱ δὲ Βανδίλοι ὄρθρου βαθέος ἐνταῦθα ἐλθόντες διαφθεῖραι μὲν τὰς ἐκείνη θύρας ἢ εἰς τὴν οἰκίαν εἰσελθεῖν νύκτωρ ἀζύμφορον σφίσιν ᾤοντο εἶναι, δέισαντες μὴ ἐς νυκτομαχίαν ἐμπεπτωκότες αὐτοὶ μὲν σφᾶς αὐτοὺς διαφθείρῳσιν, ἔξοδον δὲ πλείστοις τῶν πολεμίων ἐν σκότῳ, ἂν οὕτω τύχοι, παρέξωσιν. [11] ἔπρασσον δὲ ταῦτα τῆς δειλίας αὐτοῖς ἐκπλησσοῦσης τὸν νοῦν, παρὸν σφίσιν οὐδενὶ πόνῳ φέρουσί τε πυρὰ καὶ τούτων χωρὶς οὐχ ὅσον ἀνόπλους, ἀλλὰ καὶ γυμνοὺς παντάπασιν τοὺς πολεμίους ἐπὶ τῶν στρωμάτων λαβεῖν. [12] νῦν δὲ ἀμφὶ τὴν οἰκίαν ἅπασαν κύκλῳ καὶ διαφερόντως τὰς θύρας φάλαγγα ποιησάμενοι ἔστησαν ἅπαντες. [13] ἐν τούτῳ δὲ τῶν Ῥωμαίων στρατιωτῶν ἐνὶ ἐξ ὕπνου ἀναστῆναι ξυνέβη, ὅσπερ τοῦ θορύβου αἰσθόμενος ὢν δὴ οἱ Βανδίλοι φθεγγόμενοί τε ἐν σφίσιν αὐτοῖς λάθρα ἐποιοῦν καὶ ζῆν τοῖς ὅπλοις κινούμενοι, ξυμβαλεῖν τὸ ποιοῦμενον ἴσχυσε, καὶ τῶν ἐταίρων ἀνεγείρας σιωπῇ ἕκαστον τὰ πρασσόμενα φράζει. [14] οἱ δὲ Διογένης γνώμῃ τὰ τε ἱμάτια ἐνδιδύσκονται ἡσυχῇ ἅπαντες καὶ τὰ ὅπλα ἀνελόμενοι κάτω ἐχώρουν. [15] οὗ δὴ τοῖς ἵπποις τοὺς χαλινοὺς ἐπιθέμενοι ἀναθρόσκουσιν ἐπ' αὐτούς, οὐδενὶ αἰσθησιν παρεχόμενοι. παρὰ τε τὴν αὐλῆιον χρόνον τινὰ στάντες ἀνακλίνουσι μὲν ἐξαπινάϊως τὰς ταύτη θύρας, ἐξίασι δὲ εὐθὺς ἅπαντες. [16] οἱ μὲν οὖν Βανδίλοι ἔργου ἤδη ἐπ' αὐτοὺς εἶχοντο, ἦνυτον δὲ οὐδέν. οἱ γὰρ Ῥωμαῖοι ταῖς τε ἀσπίσι φραζάμενοι καὶ τοῖς δορατίοις ἀμυνόμενοι τοὺς ἐπιόντας σπουδῇ ἤλαυνον. [17] οὕτω τε Διογένης τοὺς πολεμίους διέφυγε, δύο μὲν τῶν ἐπομένων ἀποβαλὼν, τοὺς δὲ λοιποὺς σώσας. [18] πληγὰς μέντοι ἐν τῷ πόνῳ τούτῳ καὶ αὐτὸς ἔλαβεν ἐς μὲν τὸν αὐχένα καὶ τὸ πρόσωπον τρεῖς, ἀφ' ὧν δὴ παρ' ὀλίγον ἀποθανεῖν ἤλθε, κατὰ δὲ χειρὸς τῆς λαιᾶς μίαν, ἐξ ἧς οὐκέτι τῶν δακτύλων τὸν σμικρότατον ἐνεργεῖν ἴσχυσε. ταῦτα μὲν οὖν ὧδε γενέσθαι ξυνέβη. [19] Βελισάριος δὲ τοῖς τε περὶ τὴν οἰκοδομίαν τεχνίταις καὶ τῷ ἄλλῳ

ὀμίλῳ χρήματα μεγάλα προτεινόμενος τάφρον τε λόγου πολλοῦ ἀξίαν ἀμφὶ τὸν περίβολον ὥρυξε κύκλῳ, καὶ σκόλοπας αὐτῇ ἐνθέμενος συχνοὺς εὖ μάλα περιεσταύρωσε. [20] καὶ μὴν καὶ τὰ πεπονθότα τοῦ τείχους ἐν βραχέϊ ἀνφοδομήσατο χρόνῳ, θαύματος ἄξιον οὐ Καρχηδονίοις μόνον, ἀλλὰ καὶ αὐτῷ Γελίμερι γεγρονὸς ὕστερον. [21] ἐπειδὴ γὰρ δορυάλωτος ἐς Καρχηδόνα ἦκεν, ἠγάσθη τε ἰδὼν τὸ τεῖχος καὶ τὴν ὀλιγορίαν τὴν αὐτοῦ πάντων οἱ ἔφη γεγενέσθαι τῶν παρόντων αἰτίαν. ταῦτα μὲν Βελισαρίῳ ἐν Καρχηδόνι ὄντι κατείργαστο ὧδε.

Τρίζων δέ, ὁ τοῦ Γελίμερος ἀδελφός, τῷ στόλῳ ὃ ἔμπροσθεν εἴρηται ἐς Σαρδῶ ἀφικόμενος ἐς τὸν Καρανάλεως λιμένα ἀπέβη, καὶ τὴν πόλιν αὐτοβοεῖ εἶλε τὸν τε τύραννον Γώδαν ἔκτεινε καὶ εἰς τὸ ἀμφ' αὐτὸν μάχιμον ἦν. [2] καὶ ἐπεὶ ἐς γῆν τὴν Λιβύης τὸν βασιλέως στόλον ἤκουσεν εἶναι, οὐπω τι πεπυσμένος ὢν ταύτῃ ἐπέπρακτο, γράφει πρὸς Γελίμερα τάδε: [3] 'Γώδαν ἀπολωλέναι τὸν τύραννον ὑπὸ ταῖς ἡμετέραις γεγονότα χερσί, καὶ τὴν νῆσον αὐθις ὑπὸ τῇ σῇ βασιλείᾳ εἶναι, ὃ Βανδύλων τ' καὶ Ἀλανῶν βασιλεῦ, ἴσθι καὶ τὴν ἐπινίκιον ἐορτὴν ἄγε. [4] τῶν δὲ πολεμίων οἱ ἐτόλμησαν ἔξ τῇ ἡμετέραν στρατεύεσθαι, ἔλπιζε τὴν πείραν ἔξ τοῦτο ἀφίξεσθαι τύχης, ἐς ὃ καὶ πρότερον τοῖς ἐπὶ τοὺς προγόνους τοὺς ἡμετέρους στρατευσά[5] μένοις ἐχώρησε.' ταῦτα οἱ λαβόντες τὰ γράμματα, οὐδὲν πολέμιον ἐν νῷ ἔχοντες, κατέπλευσά[6] ἐς τὸν τῶν Καρχηδονίων λιμένα. [6] καὶ πρὸς τῷ φυλάκων παρὰ τὸν στρατηγὸν ἀπαχθέντες τὰ τ' γράμματα ἐνεχείρισαν καὶ περὶ ὧν τὰς πύστες ἐποιεῖτο ἐσήγγελλον, οἷς τε ἐθεῶντο καταπεπληγ[7] μένοι καὶ τεθηπότες τῆς μεταβολῆς τὸ αἰφνίδιον ἔπαθον μέντοι πρὸς Βελισαρίου οὐδὲν ἄχαρι. [7] Ὑπὸ δὲ τὸν αὐτὸν χρόνον καὶ ἕτερον ξυνηνέχθ[8] τοιόνδε. Γελίμερ ὀλίγῳ πρότερον ἢ ἐς Λιβύην τὴν βασιλέως στόλος ἀφίκετο ἐπεμψε πρέσβεις ἔξ Ἰσπανίαν ἄλλους τε καὶ Γοτθαῖον καὶ Φουσκίαν ἐφ' ὃ δὴ Θεῶδιν, τὸν τῶν Οὐσιγιόθων ἄρχοντα πείσουσιν ὁμαιχμίαν πρὸς Βανδύλου θέσθαι. [8] ὃ ἐπεὶ ἀπέβησαν εἰς τὴν ἡπειρον, τὸν ἐν Γαδεΐροι πορθμὸν διαβάντες, εὐρίσκουσι Θεῶδιν ἐν χωρὶ μακρὰν ἀπὸ θαλάσσης κειμένῳ. [9] ἀναβάντας δ' παρ' αὐτὸν τοὺς πρέσβεις ὁ Θεῶδιδι φιλοφροσύνη τε ἠξίωσε καὶ προθύμως εἰστία, ἐν τε τῇ θοῇ ἐπυνθάνετο δῆθεν ὅπῃ ποτὲ Γελίμερί τε καὶ Βανδύλοις τὰ πράγματα ἔχοι. [10] τούτων δὲ τῶν πρέσβεων σχολαίτερον ἐς αὐτὸν ἰόντων ἔτυχεν ἀκηκοὼς ἅπαντα ὅσα Βανδύλοις ξυνέπεσεν. [11] ὁλκάς γάρ μία ἐπ' ἐμπορίᾳ πλέουσα ἐκείνῃ τῇ ἡμέρᾳ ἣ τὸ στράτευμα εἰς Καρχηδόνα εἰσήλασεν, ἐνθὲνδε ἀναγομένη καὶ πνεύματος ἐπιφόρου ἐπιτυχοῦσα, [12] ἐς Ἰσπανίαν ἦλθεν. ὅθεν δὴ ὁ Θεῶδιδι μαθὼν ὅσα ἐν Λιβύῃ ξυνηνέχθη γενέσθαι ἀπέιπε τοῖς ἐμπόροις μηδενὶ φράζειν, ὥς μὴ ταῦτα ἔκπυστα ἐς τὸ πᾶν γένηται. [13] ἐπεὶ δὲ ἀπεκρίναντο οἱ ἀμφὶ τὸν Γοτθαῖον ἅπαντα σφίσιν ὥς ἄριστα ἔχειν, ἡρώτα ὅτου ποτὲ ἔνεκα ἦκοιεν. [14] τῶν δὲ τὴν ὁμαιχμίαν προτεινομένων ἐκέλευεν αὐτοὺς ὁ Θεῶδιδι εἰς τὴν παραλίαν ἰέναι: 'Ἐνθὲνδε γάρ,' ἔφη, [15] 'τὰ οἴκοι πράγματα ἀσφαλῶς εἴσεσθε.' οἱ δὲ πρέσβεις οὐχ ὑγιᾶ τὸν λόγον εἶναι, ἅτε οἰνωμένου τοῦ ἀνθρώπου, ὑποτοπήσαντες, ἐν σιωπῇ ἔσχον. [16] ἐπεὶ δὲ αὐτῷ τῇ ὕστεραίᾳ ξυγγεγόμενοι τὴν συμμαχίαν ἐν λόγῳ ἐποιοῦντο, καὶ ῥήματι αὐθις τῷ αὐτῷ ὁ Θεῶδιδι ἐχρήτο, οὕτω δὴ ξυνέντες νεώτερα σφίσιν ἐν Λιβύῃ

ξυμπεσεῖν πράγματα, οὐδὲν μέντοι ἀμφὶ Καρχηδόνι ἐν νῶ ἔχοντες, ἐς αὐτὴν ἔπλεον. [17] ἀγχοῦ τε αὐτῆς καταπλεύσαντες καὶ Ῥωμαίοις στρατιώταις περιτυχόντες ἐνεχείρισαν σφᾶς αὐτοὺς ὃ τι βούλοιντο χρῆσθαι. [18] ὁθεν ἐς τὸν στρατηγὸν ἀπαχθέντες καὶ τὸν πάντα λόγον ἀγγείλαντες ἔπαθον οὐδὲν πρὸς ἐκείνου κακόν. [19] ταῦτα μὲν οὖν οὕτω γενέσθαι τετύχηκε. Κύριλλος δέ, Σαρδοὺς τε ἀγχοῦ γενόμενος καὶ τὰ τῷ Γώδα ξυμπεσόντα ἀκούσας, ἐς Καρχηδόνα ἔπλει, ἔνθα τὸ τε Ῥωμαίων στράτευμα καὶ Βελισάριον εὐρὼν νενικηκότας ἡσύχαζε· καὶ Σολόμων παρὰ βασιλέα, ὅπως ἀγγείλῃ τὰ πεπραγμένα, ἐστέλλετο.

Γελίμερ δὲ ἐπεὶ ἐν πεδίῳ Βούλλης ἐγεγόνει, ὅπερ εὐζώνῳ ἀνδρὶ τεσσάρων ἡμερῶν ὁδῷ Καρχηδόνος διέχει, οὐ πολλῷ ἄποθεν τῶν Νουμιδίας ὁρίων, ἐνταῦθα Βανδίλους τε ξύμπαντας ἤγειρε καὶ εἴ τί οἱ φίλιον ἐν Μαυρουσίῳς ἐτύγχανεν ὄν. [2] ὀλίγοι μέντοι Μαυρούσιοι αὐτῷ ἀφίκοντο ἐς ξυμμαχίαν, [3] καὶ οὗτοι παντάπασιν ἄναρχοι. ὅσοι γὰρ ἔν τε Μαυριτανίᾳ καὶ Νουμιδίᾳ καὶ Βυζακίῳ Μαυρουσίῳν ἦρχον, πρέσβεις ὡς Βελισάριον πέμψαντες δοῦλοί τε βασιλέως ἔφασκον εἶναι καὶ ξυμμαχήσειν ὑπέσχοντο. [4] εἰσὶ δὲ οἱ καὶ τοὺς παῖδας ἐν ὁμήρων παρείχοντο λόγῳ, τὰ τε ξύμβολα σφίσι παρ' αὐτοῦ στέλλεσθαι τῆς ἀρχῆς κατὰ δὴ τὸν παλαιὸν νόμον ἐδέοντο. [5] νόμος γὰρ ἦν Μαυρουσίῳν ἄρχειν μηδένα, κἂν Ῥωμαίοις πολέμιος ᾗ, πρὶν ἂν αὐτῷ τὰ γνωρίσματα τῆς ἀρχῆς ὁ Ῥωμαίων βασιλεὺς δοίῃ. [6] ἅπερ ἤδη πρὸς Βανδίλων λαβόντες οὐκ ᾤοντο ἐν βεβαίῳ τὴν ἀρχὴν ἔχειν. [7] ἔστι δὲ τὰ ξύμβολα ταῦτα ῥάβδος τε ἀργυρᾷ κατακεχυρωμένη καὶ πῖλος ἀργυροῦς οὐχ ὅλην τὴν κεφαλὴν σκέπων, ἀλλ' ὥσπερ στεφάνῃ τελαμῶσιν ἀργυροῖς πανταχόθεν ἀνεχόμενος, καὶ τριβώνιον τι λευκὸν ἐς χρυσοῦν περόνην κατὰ τὸν δεξιὸν ὤμον ἐν χλαμύδος σχήματι Θετταλῆς ξυνίον, χιτῶν τε λευκὸς ποικίλματα ἔχων, καὶ ἀρβύλη ἐπίχρυσος. [8] Βελισάριος δὲ ταῦτά τε αὐτοῖς ἔπεμψε καὶ χρήμασι πολλοῖς αὐτῶν ἕκαστον ἐδωρήσατο. [9] οὐ μέντοι αὐτῷ ἐς ξυμμαχίαν ἀφίκοντο, οὐ μὴν οὐδὲ Βανδίλοις ἐπαμύνειν ἐτόλμησαν, ἀλλ' ἐκποδὼν ἀμφοτέροις στάντες ἐκαραδόκουν ὅπη ποτὲ ἢ τοῦ πολέμου τύχῃ ἐκβήσεται. ὧδε μὲν Ῥωμαίοις τὰ πράγματα εἶχε. [10] Γελίμερ δὲ τῶν τινα Βανδίων ἐς Σαρδῶ ἐπεμψεν, ἐπιστολὴν πρὸς Τζάζωνα τὸν ἀδελφὸν ἔχοντα. ὃς ἐς τὴν παραλίαν κατὰ τάχος ἐλθὼν ὀλκάδος τε ἀναγομένης ἐπιτυχόν, ἐς Καρανάλεως τὸν λιμένα κατέπλευσε καὶ Τζάζωνι τὴν ἐπιστολὴν ἐνεχείρισεν. ἐδήλου δὲ ἡ γραφὴ τάδε: [11] 'Οὐκ ἦν, οἶμαι, Γώδας ὁ τὴν νῆσον ἡμῶν ἀποστήσας, ἀλλὰ τις ἄτῃ ἐξ οὐρανοῦ ἐς Βανδίλους ἐπιπεσοῦσα. [12] σέ τε γὰρ ἐξ ἡμῶν καὶ Βανδίων τοὺς δοκίμους ἀφελομένη ἅπαντα συλλήβδην ἐκ τοῦ Γιζερίχου οἴκου τὰ ἀγαθὰ ἥρπασεν. [13] οὐ γὰρ ἐπὶ τῷ ἀνασώσασθαι τὴν νῆσον ἡμῖν ἐνθένδε ἀπῆρας, ἀλλ' ὅπως Λιβύης Ἰουστινιανὸς κύριος ἔσται. τὰ γὰρ τῇ τύχῃ δόξαντα πρότερον πάρεστι τανῶν ἐκ τῶν ἀποβάντων εἰδέναι. [14] Βελισάριος μὲν οὖν στρατῷ ὀλίγῳ ἐφ' ἡμᾶς ἤκει· ἡ δὲ ἀρετὴ ἐκ Βανδίων ἀπιοῦσα εὐθὺς ὥχετο, μεθ' ἑαυτῆς λαβοῦσα τὴν ἀγαθὴν τύχην. [15] Ἀμμάτας μὲν γὰρ καὶ Γίβαμοῦνδος πεπτώκασι, μαλθακιζομένων Βανδίων, ἵπποι δὲ καὶ νεώρια καὶ ξύμπας Ἰαβύη καὶ οὐχ ἥκιστα αὐτὴ Καρχηδὼν ἔχοντ'· ἤδη πρὸς τῶν πολεμίων. [17] ἀλλὰ σὺ τυραννίδα τε καὶ Σαρδῶ καὶ τὰς περὶ ταῦτα φροντίδας ἐάσας ὅτι τάχιστα παντὶ τῷ στόλῳ εἰς ἡμᾶς ἦκε. οἷς γὰρ ὑπὲρ τῶν κεφαλαίων ὁ κίνδυνος, τᾶλλα ἀκριβολογεῖσθαι ἀξίωμα. [18] κοινῇ δὲ τὸ λοιπὸν ἀγωνιζόμενοι πρὸς τοὺς πολεμίους ἢ τύχην τὴν προτέραν ἀνασώσόμεθα, ἢ κερδανοῦμεν τὸ μὴ ἀλλήλων χωρὶς τὰ ἐκ τοῦ δαιμονίου ἐνεγκεῖν δύσκολα.’ [19] Ταῦτα ἐπεὶ Τζάζων εἶδε τε ἀπενεχθέντα καὶ ἐς τοὺς Βανδίλους ἐξήνεγκεν, ἔς τε οἰμωγὰς καὶ ὀλοφύρσεις ἐτράποντο, οὐ μέντοι ἐκ τοῦ ἐμφανοῦς, ἀλλ’ ὥς ἐνὶ μάλιστα ἐγκρυφιάζοντές τε καὶ τοὺς νησιώτας λανθάνοντες σιωπῇ ἐφ’ ἑαυτῶν τὰ παρόντα σφίσιν ὠδύροντο. [20] καὶ αὐτίκα μὲν τὰ ἐν ποσίν, ὥς πη ἔτυχε, διαθέμενοι τὰς ναῦς ἐπλήρουν. [21] ἄραντες δὲ ἐνθένδε παντὶ τῷ στόλῳ τριταῖοι κατέπλευσαν ἐς τὴν Λιβύης ἀκτὴν ἢ Νουμίδας τε καὶ Μαυριτανοὺς διορίζει. [22] καὶ πεζῇ βαδίζοντες ἀφικνοῦνται ἐς τὸ Βούλλης πεδίον, οὗ δὴ ἀνεμίνυντο τῷ ἄλλῳ στρατῷ. ἐνταῦθα συχνὰ ἐλέου πολλοῦ ἄξια Βανδίλοις ξυνέβη, ἅπερ ἔγωγε οὐκ ἂν ἔτι φράσαι ἱκανῶς ἔχοιμι. [23] οἶμαι γὰρ εἰ καὶ αὐτῶν πολεμίων ἀνδρὶ θεατῇ γενέσθαι τετύχηκε, τάχα ἂν καὶ αὐτὸς Βανδίλους τε τότε καὶ τύχην τὴν ἀνθρωπεῖαν ᾠκτίσατο. [24] ὃ τε γὰρ Γελίμερ καὶ ὁ Τζάζων ἐπειδὴ ἀλλήλοιν τῷ τραχήλῳ περιβαλέσθην, μεθίεσθαι τὸ λοιπὸν οὐδαμῇ εἶχον, οὐδὲν μέντοι ἐς ἀλλήλους ἐφθέγγοντο, ἀλλὰ τῷ χεῖρε σφίγγοντες ἔκλαιον, καὶ Βανδίλων τῶν ξὺν Γελίμερι ἕκαστος τῶν τινα ἐκ Σαρδοῦς ἦκοντα περιβαλὼν κατὰ ταῦτα ἐποίει. [25] χρόνον τε συχνὸν ὥσπερ ἀλλήλοις ἐμπεφυκότες, ἡδονῆς τῆς ἐνθένδε ἀπώναντο, καὶ οὔτε οἱ ἀμφὶ Γελίμερα περὶ τοῦ Γῶδα ἔπει αὐτοὺς ἢ παροῦσα τύχη ἐκπλήξασα τὰ πρόσθεν σφίσι σπουδαιότατα δόξαντα εἶναι τοῖς ἤδη ἐς ἄγαν ἀπημελημένοις ξυνέτασεν οὔτε οἱ ἐκ Σαρδοῦς ἦκοντες ἐρωτᾶν τι ἡξίου ἀμφὶ τοῖς ἐν γε Λιβύῃ ξυνενεχθεῖσιν. ἱκανὸς γὰρ αὐτοῖς ὁ χῶρος τεκμηριῶσαι τὰ ξυμπεσόντα ἐγένετο. [26] οὐ μὴν οὐδὲ γυναικῶν ἢ παιδῶν ἰδίων λόγον ἐποιοῦντό τινα, ἐξεπιστάμενοι ὥς, ἦν τις αὐτοῖς ἐνταῦθα οὐκ εἶη, δηλὸν ὅτι ἡ ἐτελεύτα ἢ ὑπὸ τῶν πολεμίων ταῖς χερσὶ γέγονε. ταῦτα μὲν δὴ ταύτῃ πη ἔσχεν.

ΥΠΕΡ ΤΩΝ ΠΟΛΕΜΩΝ ΛΟΓΟΣ ΤΕΤΑΡΤΟΣ

Γελίμερ δέ, ἐπεὶ Βανδίλους ἅπαντας ἐς ταὐτὸ εἶδεν ἀγηγεμένους, ἐπῆγεν ἐς Καρχηδόνα τὸ στράτευμα. [2] γενόμενοι τε αὐτῆς ἄγχιστα τὸν τ' ὀχετὸν ἀξιοθέατον ὄντα διεΐλον, ὃς ἐς τὴν πόλιν ἐσηγε τὸ ὕδωρ, καὶ χρόνον τινὰ ἐνστρατοπεδευσάμενοι ὑπεχώρησαν, ὥς οὐδείς σφίσιν ἐπεξῆει τῷ πολέμῳ. [3] περιούντες δὲ τὰ ἐκείνη χωρία τῶν τε ὁδῶν ἐν φυλακῇ ἐποιοῦντο καὶ Καρχηδὸν πολιορκεῖν ταύτην ὥντο, οὐ μὴν οὔτε ἐλπίζοντ' οὐδὲν οὔτε τὴν γῆν ἐδήουν, ἀλλ' ὥς οἰκείας μετ' ἐποιοῦντο. [4] ἅμα δὲ καὶ προδοσίαν τινὰ ἐσεσθῆναι σφίσιν ἐν ἐλπίδι εἶχον Καρχηδονίων τε αὐτῶν καὶ Ῥωμαίων στρατιωτῶν ὅσοις ἢ τοῦ Ἀρείῳ δόξα ἦσκητο. [5] πέμψαντες δὲ καὶ ἐς τῶν Οὐννων τοὺς ἄρχοντας, καὶ πολλὰ ἐσεσθαι αὐτοῖς ἀγαθὸν πρὸς Βανδίων ὑποσχόμενοι, ἐδέοντο φίλους τ' καὶ ξυμμάχους γενέσθαι σφίσιν. [6] οἱ δὲ οὐδ' ἄλλοτερον εὐνοϊκῶς ἐς τὰ Ῥωμαίων πράγματ' ἔχοντες ἅτε οὐδὲ ξύμμαχοι αὐτοῖς ἐκούσιοι ἦκοντ'· ἔφασκον γάρ τὸν Ῥωμαίων στρατηγὸν Πέτρον ὁμωμοκότα τε καὶ τὰ ὁμωμοσμένα ἡλογηκότες οὕτω δὴ σφᾶς ἀπαγαγεῖν ἐς τὸ Βυζάντιον, λόγους τε τοὺς Βανδίων ἐνεδέχοντο καὶ ὠμολόγουν, ἐπειδὰν ἐν αὐτῷ τῷ ἔργῳ γένωνται, ξὺν αὐτοῖς ἐπὶ τὸ Ῥωμαίων στράτευμα τρέψεσθαι. [7] ταῦτα δὲ ἅπαντα Βελισάριος ἐν ὑποψίᾳ ἔχων ἠκηκόει γὰρ πρὸς τῶν αὐτομόλων, ἅμα δὲ καὶ ὁ περίβολος οὕτω ἐτετέλεστο ἅπας· ἐξιτητὰ μὲν σφίσιν ἐπὶ τοὺς πολέμους ἐν τῷ παρόντι οὐκ ᾔετο εἶναι, τὰ δὲ ἔνδον ὥς ἄριστα ἐξηρτύετο. [8] καὶ Καρχηδόνιον μὲν τινὰ, ὄνομα Λαῦρον, ἐπὶ προδοσίᾳ τε ἡλωκότα καὶ πρὸς τοῦ οἰκείου γραμματέως ἐληλεγμένον ἀνεσκολόπισεν ἐν λόφῳ τινὶ πρὸ τῆς πόλεως, καὶ ἀπ' αὐτοῦ ἐς δέος τι ἅμαχον οἱ ἄλλοι καταστάντες τῆς ἐς τὴν προδοσίαν πείρας ἀπέσχοντο. [9] τοὺς δὲ Μασσαγέτας δώροις τε καὶ τραπέζῃ καὶ τῇ ἄλλῃ θωπείᾳ μετιῶν ἡμέρᾳ ἐκάστη ἐξενεγκεῖν εἰς αὐτὸν ἔπεισεν ὅσα αὐτοῖς ὁ Γελίμερ ὑποσχόμενος εἶη, [10] ἐφ' ᾧ ἐν τῇ ξυμβολῇ κακοὶ γένωνται. ἔφασκον δὲ οἱ βάρβαροι οὗτοι οὐδεμίαν σφίσι προθυμίαν ἐς τὸ μάχεσθαι εἶναι· δεδιέναι γὰρ μὴ Βανδίων ἡσσημένων οὐκ ἀποπέμψονται Ῥωμαῖοι σφᾶς ἐς τὰ πάτρια ἦθη, ἀλλ' αὐτοῦ ἀναγκάζονται ἐν Λιβύῃ γηράσκοντες θνήσκειν· καὶ μὴν καὶ περὶ τῇ λείᾳ, μὴ ἀφαιρεθῶσιν αὐτήν, ἐν φροντίδι εἶναι. [11] τότε δὴ οὖν αὐτοῖς Βελισάριος πιστὰ ἔδωκεν ὥς, ἣν κατὰ κράτος Βανδῖλοι ἡσσηθεῖεν, αὐτίκα δὴ μάλα ἐς τὰ οἰκεῖα ξὺν πᾶσι λαφύροις σταλήσονται, οὕτω τε αὐτοὺς ὅρκους καταλαμβάνει ἢ μὴν πάσῃ προθυμίᾳ ξυνδιενεγκεῖν σφίσι τὸν πόλεμον. [12] Ἐπειδὴ τε ἅπαντ' αἱ οἱ ὥς ἄριστα παρεσκεύαστο καὶ ὁ περίβολος ἤδη ἀπείργαστο, ξυγκαλέσας ἅπαν τὸ στράτευμα ἔλεξε τοιάδε· [13] 'Παραίνεσιν μὲν, ἄνδρες Ῥωμαῖοι, οὐκ οἶδα ὅτι δεῖ ποιεῖσθαι πρὸς ὑμᾶς, οἳ γε οὕτω τοὺς πολέμους ἐναγχος νενικήκατε ὥστε Καρχηδὼν τε ἦδε καὶ Λιβύῃ ξύμπασα κτῆμα τῆς ὑμετέρας ἀρετῆς ἐστὶ, καὶ δι' αὐτὸ ξυμβουλῆς οὐδεμιᾶς ὑμῖν ἐς εὐτολμίαν ὁρμώσης δεήσει. τῶν γὰρ νενικηκότων ἥκιστα ἐλασσοῦσθαι φιλοῦσιν αἱ γυνῶμαι. [14] ἐκείνο δὲ μόνον ὑπομῆσαι ὑμᾶς οὐκ ἀπὸ καιροῦ οἶομαι εἶναι, ὥς, ἣν ὁμοίως ὑμῖν αὐτοῖς ἐν τῷ παρόντι

ἀνδραγαθίζοισθε, αὐτίκα δὴ μάλα τὸ πέρας ἕξει τοῖς μὲν Βανδύλοις τὰ τῆς ἐλπίδος, ὑμῖν δὲ ἡ μάχη. [15] ὥστε ὑμᾶς ὡς προθυμότατα εἰκὸς ἐς ξυμβολὴν τήνδε καθίστασθαι. ἡδὺς γὰρ αἰεὶ τοῖς ἀνθρώποις ἀπολῆγων τε καὶ εἰς καταστροφὴν βαδίζων ὁ πόνος. τὸν μὲν οὖν τῶν Βανδύλων ὁμιλον ὑμῶν διαλογιζέσθω μηδεῖς. [16] οὐ γὰρ ἀνθρώπων πλήθει οὐδὲ σωματῶν μέτρῳ, ἀλλὰ ψυχῶν ἀρετῇ φιλεῖ ὁ πόλεμος διακρίνεσθαι. εἰσὶτω δὲ ὑμᾶς τὸ πάντων ἰσχυρότατον τῶν ἐν ἀνθρώποις, ἡ ἐπὶ τοῖς πρassoμένοις αἰδώς. [17] αἰσχὺνη γὰρ τοῖς γε νοῦν ἔχουσι τὸ σφῶν αὐτῶν ἡσθᾶσθαι καὶ τῆς οἰκείας ἀρετῆς ἐλάσσους ὀφθῆναι. τοὺς γὰρ πολεμίους εὖ οἶδα ὅτι ὀρρωδία τε καὶ κακῶν μνήμη περιλαβοῦσαι ἀναγκάζουσι κακίους γενέσθαι, ἡ μὲν τοῖς φθάσασι δεδιττομένη, ἡ δὲ ἀνασοβοῦσα τὴν τοῦ κατορθώσκειν ἐλπίδα. [18] τύχη γὰρ εὐθύς μοχθηρὰ ὀφθεῖσα δουλοῖ τῶν αὐτῇ περιπεπωκότων τὸ φρόνημα. ὥς δὲ νῦν ἡμῖν ἢ πρότερον ὑπὲρ μειζόνων ὁ ἀγὼν ἐστίν ἐγὼ δηλώσω. [19] ἐν μὲν γὰρ τῇ προτέρᾳ μάχῃ τῶν πραγμάτων ἡμῖν οὐκ εὖ προϊόντων ἐν τῷ μὴ τὴν ἀλλοτρίαν λαβεῖν ὁ κίνδυνος ἦν, νῦν δέ, ἢν μὴ τῶν ἀγώνων κρατήσωμεν, τὴν ἡμετέραν ἀποβαλοῦμεν. [20] ὅσῳ τοίνυν τὸ κεκτῆσθαι μηδὲν τοῦ τῶν ὑπαρχόντων ἐστερηθῆσαι κουφότερον, τοσοῦτῳ νῦν μᾶλλον ἢ πρότερον ἐν τοῖς ἀναγκαιοτάτοις ὁ φόβος. [21] καίτοι πρότερον τῶν πεζῶν ἡμῖν ἀπολελειμμένων τὴν νίκην ἀνελέσθαι τετύχηκε, νῦν δὲ ἴλεῷ τε τῷ θεῷ καὶ τῷ παντὶ στρατῷ ἐς τὴν ξυμβολὴν καθιστάμενος κρατήσκειν τοῦ στρατοπέδου τῶν πολεμίων αὐτοῖς ἀνδράσιν ἐλπίδα ἔχω. [22] πρόχειρον οὖν ἔχοντες τὸ τοῦ πολέμου πέρας μὴ τινὶ ὀλιγωρία ἐς ἄλλον αὐτὸ ἀπόθησθε χρόνον, μὴ παραδραμόντα τὸν καιρὸν ἐπιζητεῖν ἀναγκάσῃσθε. [23] ἀναβαλλομένη γὰρ ἡ τοῦ πολέμου τύχη οὐχ ὁμοίως τοῖς καθεστῶσι χωρεῖν πέφυκεν, ἄλλως τε ἢν καὶ γνώμη τῶν αὐτὸν διαφερόντων μηκύνηται. [24] τοῖς γὰρ τὴν ὑπάρχουσαν εὐημερίαν προῖεμένοις τὸ δαιμόνιον αἰεὶ νεμεσᾶν εἴωθεν. εἰ δέ τις ἐννοεῖ τοὺς πολεμίους, παῖδάς τε καὶ γυναῖκας καὶ τὰ τιμιώτατα ὑπὸ ταῖς ἡμετέραις ὀρῶντας χερσί, τολμήσειν μὲν παρὰ γνώμην, κινδυνεύσειν δὲ παρὰ τὴν ὑπάρχουσαν αὐτοῖς δύναμιν, οὐκ ὀρθῶς οἶεται. [25] θυμὸς γὰρ ὑπεράγαν ἐν ταῖς ψυχαῖς ὑπὲρ τῶν τιμιωτάτων φυόμενος τὴν τε οὖσαν ἰσχὺν καθαιρεῖν εἴωθε καὶ τοῖς καθεστῶσιν οὐκ εἰς χρῆσθαι: ἃ δὴ πάντα λογιζομένους ὑμᾶς πολλῷ τῷ καταφρονήματι ἐπὶ τοὺς πολεμίους ἰέναι προσήκει.

Τοσαῦτα Βελισάριος παρακελευσάμενος ἰππέᾳ μὲν ἅπαντας, πλὴν πεντακοσίων, ἡμέρᾳ τῇ αὐτῇ ἔστειλε, τοὺς τε ὑπασπιστάς καὶ τὸ σημεῖον, ὃ δὲ βάνδον καλοῦσι Ῥωμαῖοι, Ἰωάννη ἐπιτρέψας τῷ Ἀρμενίῳ καὶ ἀκροβολίσασθαι ἐπιστείλας, ἣν καιρὸς γένηται. [2] αὐτὸς δὲ τῇ ὑστεραίᾳ ξὺν τῷ πεζῷ στρατῷ καὶ τοῖς πεντακοσίοις ἰππεῦσιν εἶπετο. [3] τοῖς δὲ Μασσαγέταις, βουλευσαμένῳ ἐν σφίσιν αὐτοῖς, ἔδοξεν, ὅπως δὴ εὐσυνθετῇ πρὸς τε Γελίμερα καὶ Βελισάριον δόξωσι, μήτ' μάχης ὑπὲρ Ῥωμαίων ἄρξαι μήτε πρὸ τοῦ ἔργου ἐς Βανδύλους ἰέναι, ἀλλ' ἐπειδὴν ὁποτέρας στρατῷ τῆς τὰ πράγματα πονηρὰ εἴη, τηνικαῦτα ξὺ τοῖς νικῶσι τὴν δίωξιν ἐπὶ τοὺς ἡσσωμένους ποιήσασθαι. ταῦτα μὲν οὖν τοῖς βαρβάρῳ ἐδέδοκτο τηδε. [4] ὁ δὲ Ῥωμαίων στρατὸς κατέλαβ' τοὺς Βανδύλους ἐν Τρικαμάρῳ στρατοπεδεύσας, τεσσαράκοντα καὶ ἑκατὸν σταδίους Καρχηὶ δόνος ἀπέχοντι. [5] ἐνθα δὴ μακράν που ἀπ' ἀλλήλων ἠύλισαντο

 τοῖς μετ' αὐτοῦ ἐκ Σαρδοῦς ἤκουσι παραίνεσιν ἰδίᾳ ποιεῖσθαι. [24] ὁ δὲ αὐτοῦς

ξυναγείρας μικρὸν ἄποθεν τοῦ στρατοπέδου ἔλεξε τοιάδε: ‘Βανδίλοις μὲν ἅπασιν, ἄνδρες συστρατιῶται, ὑπὲρ τούτων ὁ ἀγὼν ἐστὶν ὧν δὴ ἄρτίως λέγοντος τοῦ βασιλέως ἠκούσατε, ὑμῖν δὲ πρὸς τοῖς ἄλλοις ἅπασι καὶ πρὸς ὑμᾶς αὐτοὺς ἀμιλλᾶσθαι ξυμβαίνει. [25] νενικήκατε γὰρ ἑναγχος ὑπὲρ τῆς ἡγεμονίας ἀγωνιζόμενοι καὶ τὴν νῆσον ἀνεκτήσασθε τῇ Βανδύλων ἀρχῇ: ὑμᾶς οὖν μειζω ποιεῖσθαι εἰκὸς τῆς ἀρετῆς τὴν ἐπίδειξιν. [26] οἷς γὰρ ὑπὲρ τῶν μεγίστων ὁ κίνδυνος, μεγίστην εἶναι καὶ τὴν ἐς τὸ πολεμεῖν προθυμίαν ἀνάγκη. οἱ μὲν γὰρ ὑπὲρ τῆς ἡγεμονίας ἀγωνιζόμενοι ἡσηθηέντες, ἂν οὕτω τύχη, οὐκ ἐν τοῖς ἀναγκαιοτάτοις ἐσφάλησαν: [27] οἷς δὲ ὑπὲρ τῶν ὅλων ἡ μάχη, πάντως ὁ βίος πρὸς τὸ τοῦ πολέμου ρυθμίζεται πέρας. ἄλλως τε, ἦν μὲν ἄνδρες ἀγαθοὶ ἐν τῷ παρόντι γένησθε, βεβαιοῦτε ὑμῖν αὐτοῖς ἀρετῆς ἔργον τὴν τοῦ τυράννου Γῶδα γεγονέναι καθαίρεσιν: μαλακισθέντες δὲ νῦν καὶ τῆς ἐπὶ ἐκείνοις εὐδοξίας ὡς οὐδὲν προσηκούσης στερήσεσθε. [28] καίτοι καὶ ἄλλως ὑμᾶς γε εἰκὸς τῶν λοιπῶν Βανδύλων ἐν ταύτῃ πλεονεκτεῖν τῇ μάχῃ. [29] τοὺς μὲν γὰρ σφαλέντας ἡ προλαβοῦσα τύχη ἐκπλήσσει, οἱ δὲ οὐδὲν ἐπταικότες μετ’ ἀκραιφνοῦς τοῦ θάρσους ἐς τὸν ἀγῶνα καθίστανται. [30] κάκεῖνο δὲ οἶμαι οὐκ ἀπὸ τρόπου εἰρήσεται, ὥς ἦν τῶν πολεμίων κρατήσωμεν, τὸ πλεῖστον τῆς νίκης ὑμεῖς ἀναδήσεσθε μέρος, σωτήράς τε ὑμᾶς ἅπαντες τοῦ τῶν Βανδύλων καλέσουσιν ἔθνους. [31] οἱ γὰρ σὺν τοῖς πρότερον ἡτυχηκόσιν εὐδοκιμοῦντες εἰκότως αὐτοὶ τὴν ἀμείνω σφετερίζονται τύχην. [32] ταῦτα τοίνυν ἅπαντα λογιζόμενους ὑμᾶς φημι χρῆναι παῖδάς τε καὶ γυναῖκας ἀπολοφυρομένους κελεύειν θαρσεῖν τε ἤδη καὶ τὸν θεὸν ἐς ξυμμαχίαν παρακαλεῖν, καὶ θυμῷ μὲν ἐπὶ τοὺς πολεμίους ἰέναι τοῖς δὲ ὁμοφύλοις ἐς ταύτην ἡγεῖσθαι τὴν μάχην.’

Τοσαῦτα Γελίμερ τε καὶ Τζάζων παραινέσαντες ἐξῆγον τοὺς Βανδίλους, καὶ ἀμφὶ τὸν τοῦ ἀρίστου καιρὸν, οὐ προσδεχομένων Ῥωμαίων, ἀλλ’ ἄριστον σφίσι παρασκευαζόντων, παρήσαν καὶ παρὰ τὰς τοῦ ποταμοῦ ὄχθας ὡς ἐς μάχην ἐτάξαντο. [2] ἔστι δὲ ποταμὸς ὁ ταύτῃ ρέων ἀένναος μὲν, οὕτω δὲ τὸ ρεῦμα βραχὺς ὥστε οὐδὲ ὀνόματος ἰδίου πρὸς τῶν ἐπιχωρίων μεταλαγχάνει, ἀλλ’ ἐν ρύακος μοίρᾳ ὠνόμασται. [3] τούτου δὴ τοῦ ποταμοῦ Ῥωμαῖοι ἐς τὴν ἐτέραν ὄχθην ὡς ἐκ τῶν παρόντων παρασκευασάμενοι ἦκον καὶ ἐτάξαντο ὧδε. [4] κέρας μὲν τὸ ἀριστερὸν Μαρτῖνός τε κὶ Βαλεριανὸς καὶ Ἰωάννης καὶ Κυπριανὸς τε καὶ Αλθίας καὶ Μάρκελλος εἶχον καὶ ὅσοι ἄλλ’ οἰδοιράτων ἄρχοντες ἦσαν, τὸ δὲ δὴ δεξιὸν Πάππος τε καὶ Βαρβάτος καὶ Αἰγὰν καὶ ὅσοι τῶν ἱπικῶν καταλόγων ἦρχον. [5] κατὰ δὲ τὸ μέσον Ἰωάννης ἐτάσσετο, τοὺς τε ὑπασπιστάς καὶ δορυφόρους Βελισαρίου καὶ σημεῖον τὸ στρατηγικὸν ἐπαγόμενος. [6] οὗ δὴ καὶ Βελισάριος εἰς καιρὸν ζὺν τοῖς πεντακοσίοις ἱππεῦσιν ἀφίκετο, τοὺς πεζοὺς ὀπισθεν βάδην προσιόντας ἀπολιπών [7] οἱ γὰρ Οὐννοὶ ἅπαντες ἐν ἄλλῃ ἐτάξαντο χώρα εἰθισμένον μὲν σφίσι καὶ πρότερον ἦκιστα ἐπιμίγνυσθαι τῷ Ῥωμαίων στρατῷ, τότε δὲ καὶ ἐν νῷ ἃ προδεδήλωται ἔχουσιν οὐκ ἦν βουλομένοῖ ζὺν τῇ ἄλλῃ στρατιᾷ τάσσεσθαι. Ῥωμαίοις μὲ οὖν τὰ τῆς τάξεως ὧδε πη εἶχε. [8] Βανδύλων δ’ κέρας μὲν ἐκάτερον οἱ χιλιάρχοι εἶχον, ἕκαστός τ’ ἡγεῖτο τοῦ ἀμφ’ αὐτὸν λόχου, κατὰ δὲ δὴ τ’ μέσον Τζάζων ἦν ὁ τοῦ Γελίμερος ἀδελφός, ὀπισθεν δὲ οἱ Μαυρούσιοι ἐτετάχατο. [9] αὐτοὺς μέντοι ὁ Γελίμερ πανταχόσε περιῶν ἐνεκελεύετό τε καὶ ἐ’ εὐτολμίαν ἐνήγε.

προεῖρητο δὲ Βανδίοις ἅπας ᾧ μήτε δορατίῳ μήτε ἄλλῳ ὄπῳ οὖν ὄργανῳ ἐς
ξυμῖ βολὴν τήνδε, ὅτι μὴ τοῖς ξίφεσι, χρῆσθαι. [10] Χρόνου δὲ τριβέντος συχνοῦ
καὶ μάχης οὐδεν᾽ ἄρχοντος Ἰωάννης τῶν ἀμφ' αὐτὸν ὀλίγοι ἀπολέξας
Βελισαρίου γνώμῃ τὸν τε ποταμὸν διέβη καὶ ἐς τοὺς μέσους ἐσεβάλεν, ἔνθα δὴ
᾿ Τζάζων ὠθισμῷ χρησάμενος ἐδίωξεν αὐτούς [11] καὶ οἱ μὲν φεύγοντες ἐς τὸ
σφῶν αὐτῶν στρά τῶπεδον ἦκον, οἱ δὲ Βανδίλοι διώκοντες ἄχρι τὸν ποταμὸν
ἦλθον, οὐ μέντοι διέβησαν. [12] αὐθ' δὲ Ἰωάννης πλείους τῶν Βελισαρίου
ὑπασπιστῶ ἐπαγόμενος ἐς τοὺς ἀμφὶ τὸν Τζάζωνα ἐσεπήδης καὶ αὐθις
ἐνθένδε ἀποκρουσθεὶς ἐς τὸ Ῥωμαίῳ στρατόπεδον ἀνεχώρησε. [13] τὸ δὲ δὴ
τρίτον ξῖ πᾶσι σχεδὸν τοῖς Βελισαρίου τε δορυφόροις καὶ ὑπασπισταῖς τὸ
στρατηγικὸν σημεῖον λαβὼν τὴν ἐσβολὴν ἐποίησατο ξὺν βοῇ τε καὶ πατάγῃ
πολλῇ. [14] τῶν δὲ βαρβάρων ἀνδρείως τε αὐτοῦ ὑφισταμένων καὶ μόνους
χρωμένων τοῖς ξίφεσι γίνεται μὲν καρτερὰ ἢ μάχῃ, πίπτουσι δ' Βανδίων
πολλοὶ τε καὶ ἄριστοι, καὶ Τζάζων αὐτὸς ὁ τοῦ Γελίμερος ἀδελφός. [15] τότε δὴ
ἅπαν τὸ Ῥωμαίων στράτευμα ἐκινήθη καὶ τὸν ποταμὸν διαβάντες ἐπὶ τοὺς
πολεμίους ἐχώρησαν, ἣ τ' τροπὴ ἀρξαμένη ἀπὸ τοῦ μέσου λαμπρὰ ἐγεγόνει·
τοὺς γὰρ κατ' αὐτούς οὐδενὶ πόνῳ ἐτρέψαντ' ἕκαστοι. [16] ἃ δὴ ὀρῶντες οἱ
Μασσαγῆται κατὰ τὰ σφίσι συγκείμενα ξὺν τῷ Ῥωμαίων στρατῷ τὴν διώξιν
ἐποιήσαντο, οὐκ ἐπὶ πολλὸν μέντοι ἢ διώξας ἦδε ἐγεγόνει. [17] οἱ τε γὰρ Βανδίλοι
ἐς τὸ σφέτερον στρατόπεδον κατὰ τάχος εἰσελθόντες ἡσύχαζον καὶ οἱ
Ῥωμαῖοι, οὐκ ἂν οἰόμενοι ἐν τῷ χαρακώματι πρὸς αὐτούς διαμάχεσθαι οἷοί τε
εἶναι, τοὺς τε νεκροὺς ὅσοι ἐχρυσόφορον ἀπέδυσαν καὶ ἐς τὸ σφῶν αὐτῶν
στρατόπεδον ἀπεχώρησαν [18] ἀπέθανον δὲ ἐν ταύτῃ τῇ μάχῃ Ῥωμαίων μὲν
ἦσους ἢ πεντήκοντα, Βανδίων δὲ ὀκτακόσιοι μάλιστα. [19] Βελισάριος δέ,
τῶν πεζῶν οἱ ἀφικομένων ἀμφ' δεῖλιν ὀψίαν, ἄρας ὡς εἶχε τάχους παντὶ τῷ
στρατῷ ἦει ἐπὶ τὸ τῶν Βανδίων στρατόπεδον. [20] Γελίμερ δὲ γνοὺς
Βελισάριον ξὺν τε τοῖς πεζοῖς καὶ τῷ ἄλλῳ στρατῷ ἐπ' αὐτὸν αὐτίκα ἰέναι,
οὐδὲν οὔτε εἰπὼν οὔτε ἐντειλάμενος ἐπὶ τε τὸν ἵππον ἀναθρόσκει καὶ τὴν ἐπὶ
Νουμίδας φέρουσιν ἔφευγε. [21] καὶ αὐτῷ οἱ τε συγγενεῖς καὶ τῶν οἰκετῶν
ὀλίγοι τινὲς εἶποντο καταπεπληγμένοι τε καὶ τὰ παρόντα ἐν σιγῇ ἔχοντες. [22]
καὶ χρόνον μὲν τινα ἔλαθε Βανδίου ἀποδρὰς Γελίμερ, ἐπεὶ δὲ αὐτὸν τε
πεφευγέναι ἦσθοντο ἅπαντες καὶ οἱ πολέμιοι ἤδη καθεωρῶντο, τότε δὴ οἱ τε
ἄνδρες ἐθορύβουν καὶ τὰ παῖδιά ἀνέκραγε καὶ αἱ γυναῖκες ἐκώκουν. [23] καὶ
οὔτε χρημάτων παρόντων μετεποιοῦντο οὔτε τῶν φιλότατων ὀδυρομένων
σφίσιν ἔμελεν, ἀλλ' ἕκαστος ἔφευγεν οὐδενὶ κόσμῳ ὅπῃ ἐδύνατο. [24]
ἐπελθόντες δὲ Ῥωμαῖοι τό τε στρατόπεδον ἀνδρῶν ἔρημον αὐτοῖς χρήμασιν
αἰροῦσι καὶ ἐπιδιώξαντες τὴν νύκτα ὅλην ἄνδρας μὲν ὅσοις ἐντύχοιεν
ἐκτείνον, παῖδας δὲ καὶ γυναῖκας ἐποιοῦντο ἐν ἀνδραπόδων λόγῳ. [25] χρήματα
δὲ τοσαῦτα τὸ πλῆθος ἐν τούτῳ τῷ στρατοπέδῳ εὗρον ὅσα οὐδεπώποτε ἐν γε
χωρίῳ ἐνὶ τετύχηκεν εἶναι. [26] οἱ τε γὰρ Βανδίλοι ἐκ παλαιοῦ τὴν Ῥωμαίων
ἀρχὴν ληισάμενοι συχνὰ χρήματα ἐς Λιβύην μετήνεγκαν καὶ τῆς χώρας
αὐτοῖς ἀγαθῆς ἐν τοῖς μάλιστα οὔσης καρποῖς τε τοῖς ἀναγκαιοτάτοις ἐς ἄγαν
εὐθινοῦσης, τὰς τῶν χρημάτων προσόδους ξυνέβη, αἱ γε ἐκ τῶν ἐκείνη
γινομένων ἀγαθῶν ἡγείροντο, οὐκ ἐς ἑτέραν τινα δαπανᾶσθαι χώραν ἐμπορία

τῇ τῶν ἐπιτηδείων, ἀλλ' αὐτῶ ἄει οἱ τὰ χωρία κεκτημένοι προσεποιούντο ἐς πέντε καὶ ἐνενήκοντα ἔτη, ἐς οἷς δὴ Λιβύης ὃ Βανδίλοι ἦρξαν. [27] καὶ ἀπ' αὐτοῦ ἐς πάμπολ' ἡμεῖς ὁ πλοῦτος χωρήσας ἐκείνη τῇ ἡμέρᾳ ἐς τῶν Ῥωμαίων τὰς χεῖρας ἐπανήκεν αὐθις. [28] ἡ μὲν οὖν μάχη καὶ διώξις ἦδε καὶ τοῦ Βανδύλου στρατοπέδου ἡ ἄλωσις τρισὶ μηνσὶν ὕστερόν γεγενεν ἡ ὁ Ῥωμαίων στρατὸς ἐς Καρχηδόν' ἦλθε, μεσοῦντος μάλιστα τοῦ τελευταίου μηνός, ὃ Δεκέμβριον Ῥωμαῖοι καλοῦσι.

Τότε δὲ κατιδὼν Βελισάριος τὸ Ῥωμαίων στρῶ τευμα πλημμελῶς τε καὶ ξὺν πολλῇ ἄκοσμίῃ φερόμενον ἥσχαλλε, δειμαίνων τὴν νύκτα ὅλην μ' οἱ πολέμιοι, ξυμφρονήσαντές τε καὶ ἐπ' αὐτοῦ ξυνιστάμενοι, τὰ ἀνήκεστα αὐτοῦς δράσωσιν [2] ὅπερ εἰ γενέσθαι τρόπῳ ὅτῳ δὴ τηνικαυτ' ξυνέπεσεν, οἶμαι ἂν Ῥωμαίων οὐδένα διαφυγόντ' ταύτης δὴ τῆς λείας ἀπόνασθαι. [3] οἱ γὰρ στρῶ τιῶται πένητες ἄνθρωποι κομιδῇ ὄντες καὶ χρηρ' μάτων μὲν ἐς ἄγαν μεγάλων, σωμάτων δὲ ὥραιῳ τε καὶ ὑπερφυῶς εὐπρεπῶν κύριοι ἐκ τοῦ αἰφνιδίου γεγενημένοι κατέχειν τὴν διάνοιαν οὐκέτι ἐδύναντο οὐδὲ κόρον τινὰ τῶν σφίσι παρόντων εὐρεῖν, ἀλλ' οὕτως ἐμέθυον, καταβεβρεγμένοι τοῖς ὑπάρχουσιν εὐτυχήμασιν, ὥστε αὐτὸς ἕκαστος ἅπαντα ἄγων ἐς Καρχηδόνα ἀναστρέφειν ἐβούλοντο. [4] καὶ περιήρχοντο οὐ κατὰ συμμορίας, ἀλλὰ κατὰ ἓνα ἢ δύο, ὅπῃ ποτὲ αὐτοὺς ἡ ἐλπίς ἄγοι, ἅπαντα κύκλῳ διερευνώμενοι ἔν τε νάπαις καὶ δυσχωρίαις καὶ εἴ που σπήλαιον παρατύχοι ἢ ἄλλο ὅτιοῦν ἐς κίνδυνον ἢ ἐνέδραν ἄγον. [5] οὐδὲ γὰρ αὐτοὺς τῶν πολέμιων φόβος οὐδὲ ἡ Βελισαρίου αἰδῶς ἐσῆι οὐδὲ ἄλλο τῶν πάντων οὐδέν, ὅτι μὴ ἡ τῶν λαφύρων ἐπιθυμία, ταύτης τε ὑπερβιαζομένης ἐς ὀλιγωρίαν τῶν ἄλλων πάντων ἐτράποντο. [6] ἃ δὲ ἅπαντα ἐν νῶ ποιοῦμενος Βελισάριος ἐν ἀπόρῳ εἶχεν ἢ τὸ παρὸν θέσθαι. [7] ἅμα δὲ ἡμέρᾳ ἐπὶ λόφου τινὸς τῆς ὁδοῦ ἀγχοῦ εἰστήκει, τὴν τε οὐκέτι οὔσαν εὐκοσμίαν ἀνακαλούμενος καὶ πολλὰ πᾶσι στρατιώταις τε ὁμοῦ καὶ ἄρχουσι λοιδορούμενος. [8] τότε δὲ ὅσοις τετύχηκε πλησίον που εἶναι, καὶ μάλιστα οἱ τῆς Βελισαρίου οἰκίας ὄντες, τὰ μὲν ὑπάρχοντα σφίσι χρήματά τε καὶ ἀνδράποδα ξὺν τοῖς ὁμοσκήνοισι τε καὶ ὁμοτραπέζοις ἐς Καρχηδόνα ἔπεμπον, αὐτοὶ δὲ παρὰ τὸν στρατηγὸν ἰόντες τῶν σφίσι παραγγελλομένων κατήκουον. [9] Ὁ δὲ Ἰωάννην μὲν τὸν Ἀρμένιον ξὺν διακοσίοις ἐκέλευε Γελίμερι ἔπεσθαι, καὶ μήτε νύκτα μήτε ἡμέραν ἀνιέντας διώκειν, ἕως αὐτὸν ζῶντα ἢ νεκρὸν λάβοιεν. [10] ἐς δὲ Καρχηδόνα τοῖς ἐπιτηδείοις ἐπέστελλε, Βανδίλοις, ὅσοι ἐς τὰ ἄμφω τὴν πόλιν χωρία ἐν ἱεροῖς ἰκέται ἐκάθηντο, πιστὰ διδοῦσι καὶ τὰ ὅπλα, ὅπως μὴ τι νεωτερίσωσιν, ἀφελομένοις ἕς τε τὴν πόλιν ἐσαγαγοῦσιν ἔχειν, [11] ἄχρι αὐτὸς ἔλθοι. ξὺν δὲ τοῖς λειπομένοις πανταχόσε περιῶν τοὺς τε στρατιώτας σπουδῇ ἡγείρει καὶ Βανδίλοις τοῖς ἄει ἐν ποσὶ πίστεις ὑπὲρ σωτηρίας ἐδίδου. οὐ γὰρ ἔτι ἦν Βανδύλων οὐδένα ὅτι μὴ ἐν τοῖς ἱεροῖς ἰκέτην λαβεῖν. [12] ὧν δὲ τὰ ὅπλα ἀφαιρούμενος, ξὺν στρατιώταις φυλάσσουσιν ἐς Καρχηδόνα ἔστελλεν, οὐ διδοὺς καιρὸν σφίσιν ἐπὶ Ῥωμαίους ξυνίστασθαι. [13] καὶ ἐπεὶ ἅπαντά οἱ ὡς ἄριστα εἶχεν, ἐπὶ Γελίμερα καὶ αὐτὸς ξὺν τῷ πλείονι τοῦ στρατοῦ κατὰ τάχος ἦει. [14] ὁ δὲ Ἰωάννης ἐς πέντε ἡμέρας τε καὶ νύκτας τὴν διώξιν ποιησάμενος οὐ πόρρω ἀπὸ Γελίμερος ἤδη ἐγεγόνει, ἀλλὰ οἱ τῇ ὑστεραίᾳ ἔμελλεν ἐς χεῖρας

ιέναι. ἐπεὶ δὲ οὐκ ἔδει Γελίμερα Ἰωάννη ἀλῶναι, τύχης ἐναντίωμα ξυνηνέχθη τοιόνδε. [15] ἐν τοῖς ξὺν Ἰωάννη διώκουσιν Οὐλίαριν τὸν Βελισαρίου δορυφόρον τετύχηκεν εἶναι. [16] ἦν δὲ οὗτος ἀνὴρ θυμοειδὴς μὲν καὶ πρὸς ἀλκὴν ψυχῆς τε καὶ σώματος ἰκανῶς πεφυκώς, οὐ λίαν δὲ κατεσπουδασμένος, ἀλλ' οἶνω τε καὶ γελοίοις ὥς τὰ πολλὰ χαίρων. [17] οὗτος Οὐλίαριν ἡμέρα τῆς διώξεως ἕκτη οἶνωμένος ἀμφὶ ἡλίου ἀνατολὰς ὄρνιν τινὰ ἐπὶ δένδρου καθήμενον εἶδε, καὶ τὸ τόξον κατὰ τάχος ἐντείνας κατὰ τοῦ ὄρνιθος ἠφίει τὸ βέλος. [18] καὶ τοῦ μὲν ὄρνιθος ἀποτυγχάνει, Ἰωάννην δὲ ὀπισθεν ἐς τὸν αὐχένα οὔτι ἐκουσίως βάλλει. [19] ὁ δὲ καιρίαν τυπεὶς ἐξ ἀνθρώπων χρόνω ὀλίγῳ ὕστερον ἠφανίσθη, πολὺν αὐτοῦ πόθον βασιλεῖ τε Ἰουστινιανῷ καὶ Βελισαρίῳ τῷ στρατηγῷ καὶ Ῥωμαίοις ἅπασι καὶ Καρχηδονίοις ἀπολιπών. [20] ἀνδρίας τε γὰρ καὶ τῆς ἄλλης ἀρετῆς εὖ ἥκων, πρᾶόν τε τοῖς ἐντυγχάνουσι παρεῖχεν αὐτὸν καὶ ἐπιεικέστατον οὐδενὸς ἦσσαν. Ἰωάννης μὲν οὖν τὴν πεπωμένην οὕτως ἀνέπλησεν. [21] Οὐλίαρις δὲ ἐπεὶ ἐν ἑαυτῷ ἐγεγόνει, ἐς κώμην τινὰ πλησίον που οὔσαν καταφυγὼν ἐν τῷ κατὰ ταύτην ἱερῷ ἱκέτης ἐκάθητο. [22] οἱ δὲ στρατιῶται Γελίμερα διώκειν οὐκέτι ὥρμηντο, ἀλλ' Ἰωάννην μὲν ἕως περιῆν ἐθεράπευον, ἐπεὶ δὲ ἐκεῖνος ἐτελεύτησε, τά τε νομιζόμενα ἐς τὴν αὐτοῦ ὁσίαν ἐποιοῦν καὶ τὸν πάντα λόγον Βελισαρίῳ δηλώσαντες αὐτοῦ ἔμενον. [23] ὅς, ἐπειδὴ τάχιστα ἤκουσεν, ἐς τε τὸν Ἰωάννου τάφον ἀφίκετο καὶ τὸ ἐκείνου πάθος ἀπέκλαιεν. [24] ἀποκλαύσας δὲ καὶ περιαλγήσας τῇ πάσῃ συμφορᾷ πολλοῖς τε ἄλλοις καὶ χρημάτων προσόδῳ τὸν Ἰωάννου τάφον ἐτίμησε. [25] δεινὸν μέντοι Οὐλίαριν οὐδὲν ἔδρασεν, ἐπεὶ οἱ στρατιῶται Ἰωάννην σφίσιν ἐπισκῆψαι ὅρκους ἔφασκον δεινοτάτοις μηδεμίαν ἐς αὐτὸν γενέσθαι τίσιν ἅτε οὐκ ἐκ προνοίας τὸ μίasma ἐργασάμενον. [26] Ταύτῃ μὲν οὖν Γελίμερ διαφεύγει τὸ μὴ ὑπὸ τοῖς πολεμίοις ἐκείνῃ τῇ ἡμέρᾳ γενέσθαι. Βελισάριος δὲ αὐτὸν τὸ ἐντεῦθεν ἐδίωκεν, ἐς πόλιν τε Νουμιδῶν ἐχυράν, ἐπὶ θαλάσῃ κειμένην, ἀφικόμενος, δέκα ἡμερῶν ὁδῷ Καρχηδόνας διέχουσας, ἣν δὴ Ἴππονερέγιον καλοῦσιν, ἔμαθε Γελίμερα ἐς Παπούαν τὸ ὄρος ἀναβάντα οὐκέτι ἀλώσιμον Ῥωμαίοις εἶναι. [27] τοῦτο δὲ τὸ ὄρος ἐστὶ μὲν ἐν τοῖς Νουμιδίας ἐσχάτοις ἀπότομόν τε ἐπὶ πλείστον καὶ δεινῶς ἄβατον πέτραι γὰρ ὑψηλαὶ ἐς αὐτὸ πανταχόθεν ἀνέχουσι, κατῳκῆνται δὲ ἐν αὐτῷ Μαυρούσιοι βάρβαροι, οἱ τῷ Γελίμερι φίλοι τε καὶ ἐπίκουροι ἦσαν, καὶ πόλις ἀρχαία Μηδεὸς ὄνομα παρὰ τοῦ ὄρους τὰ ἔσχατα κεῖται. [28] ἐνταῦθα Γελίμερ ξὺν τοῖς ἐπομένοις ἡσύχαζε. Βελισάριος δὲ οὐδὲ γὰρ τοῦ ὄρους ἀποπειρᾶσθαι ἄλλως τε καὶ χειμῶνος ὥρα οἶός τε ἦν, ἔτι τέ οἱ τῶν πραγμάτων ἠωρημένων Καρχηδόνας ἀπολελεῖσθαι ἀξύνφορον ἐνόμιζεν εἶναι στρατιώτας τε ἀπολεξάμενος καὶ ἄρχοντα Φάραν τῇ τοῦ ὄρους προσεδρεία κατέστησεν. [29] ἦν δὲ ὁ Φάρας οὗτος δραστήριός τε καὶ λίαν κατεσπουδασμένος καὶ ἀρετῆς εὖ ἥκων, καίπερ Ἑρουλος ὦν γένος. [30] ἄνδρα δὲ Ἑρουλον μὴ ἐς ἀπιστίαν τε καὶ μέθην ἀνείσθαι, ἀλλ' ἀρετῆς μεταποιεῖσθαι, χαλεπὸν τε καὶ ἐπαίνου πολλοῦ ἄξιον. [31] Φάρας δὲ οὐ μόνος τῆς εὐκοσμίας ἀντείχετο, ἀλλὰ καὶ Ἑρουλῶν ὅσοι αὐτῷ εἶποντο. τοῦτον δὴ τὸν Φάραν ἐς τὸν τοῦ ὄρους πρόποδα Βελισάριος καθῆσθαι τὴν τοῦ χειμῶνος ὥραν ἐκέλευε καὶ φυλακὴν ἀκριβῆ ἔχειν, ὥς μήτε τὸ ὄρος ἀπολιπεῖν Γελίμερι δυνατὰ εἴη μήτε τι τῶν ἀναγκαίων

ἐς αὐτὸ ἐσκομίζεσθαι. [32] καὶ Φάρας μὲν κατὰ ταῦτα ἐποίει. Βελισάριος δὲ Βανδίλους ὅσοι ἐς Ἴππονερέγιον πρὸς τοῖς ἱεροῖς ἰκέται ἐκάθηντο, πολλοὶ τε καὶ ἄριστοι, ἀνέστησέ τε πιστὰ λαβόντας καὶ ἐς Καρχηδόνα ζὺν φυλακῇ ἐπεμψεν. ἐνταῦθα δὲ αὐτῷ καὶ τι τοιόνδε ξυμπεσεῖν ἔτυχεν. [33] Ἐν τῇ Γελίμερος οἰκία γραμματεὺς ἦν τις Βονιφάτιος Λίβυς, ἐκ Βυζακίου ὁρμώμενος, πιστὸς τῷ Γελίμερι ἐς τὰ μάλιστα. [34] τοῦτον δὴ τὸν Βονιφάτιον Γελίμερ κατ' ἀρχὰς τοῦδε τοῦ πολέμου ἐς ναῦν ἐμβιβάσας ἄριστα πλέουσας, ἐν ταύτῃ τε ἅπαντα τὸν βασιλικὸν πλοῦτον ἐνθέμενος ἐκέλευεν ἐς τὸν τοῦ Ἴππονερεγίου λιμένα ὁρμίζεσθαι, καὶ ἦν τὰ πράγματα σφίσιν οὐκ εὖ καθιστάμενα ἴδοι, τὰ χρήματα ἔχοντα πλεῖν κατὰ τάχος ἐς Ἰσπανίαν, παρὰ Θεῦδίν τε ἀφικέσθαι τὸν τῶν Οὐσιγιότθων ἡγούμενον, ἔνθα δὴ καὶ αὐτὸς διασώζεσθαι ἐκαραδόκει, πονηρὰς γινομένης Βανδίλοις τῆς τοῦ πολέμου τύχης. [35] Βονιφάτιος δέ, ἕως μὲν τὰ Βανδύλων ἐλπίδα εἶχεν, αὐτοῦ ἔμενεν· ἐπεὶ δὲ τάχιστα ἢ ἐν Τρικαμάρῳ μάχῃ καὶ τὰ ἄλλα ἅπερ ἐρρήθη ἐγεγόνει, ἄρας τὰ ἰστία ἔπλει καθάπερ οἱ ἐπέστελλε Γελίμερ. [36] ἀλλὰ πνεύματος αὐτὸν ἐναντίωμα εἰς τὸν τοῦ Ἴππονερεγίου λιμένα οὔτι ἐκούσιον αὐθις ἤνεγκεν. ὥς δὲ τοὺς πολεμίους ἀγχοῦ ἤδη που ἡκηκόει εἶναι, τοὺς ναύτας πολλὰ ὑποσχόμενος ἐλιπάρει ἐς ἄλλην τινὰ ἥπειρον ἢ νῆσον βιασαμένους ἰέναι. [37] οἱ δὲ 'οὐ γὰρ ἐδύναντο χεimiῶνος σφίσι χαλεποῦ λίαν ἐπιτεσόντος καὶ τὸ τῆς θαλάσσης ρόθιον ἄτε ἐν Τυρρηνικῷ πελάγει ἐς ὕψος μέγα ἐγείροντος', τότε δὴ αὐτοὶ τε καὶ Βονιφάτιος ἐς ἐννοιαν ἦλθον ὥς ἄρα ὁ θεὸς τὰ χρήματα Ῥωμαίοις διδόναι ἐθέλων τὴν ναῦν οὐκ ἐφή ἀνάγεσθαι. [38] μόλις μέντοι τοῦ λιμένος ἔξω γενόμενοι ζὺν κινδύνῳ μεγάλῳ τὴν ναῦν ἀνεκώχουν. [39] ὥς δὲ ἀφίκετο Βελισάριος εἰς τὸ Ἴππονερέγιον, πέμπει τινὰς παρ' αὐτὸν Βονιφάτιος. οὓς δὴ ἐν ἱερῷ καθῆσθαι ἐκέλευεν, ἐροῦντας μὲν ὥς πρὸς Βονιφατίου σταλεῖεν τοῦ τὰ Γελίμερος χρήματα ἔχοντος, ἀποκρυψομένους δὲ ὅπη ποτὲ εἴη, πρὶν γε δὴ τὰ πιστὰ λάβοιεν ὥς τὰ Γελίμερος χρήματα διδοὺς αὐτὸς ἀπαλλάξει κακῶν ἀπαθής, ἔχων ὅσα αὐτοῦ οἰκεῖα εἴη. [40] καὶ οἱ μὲν ταῦτα ἔπρασσον, Βελισάριος δὲ ἦσθη τε τῇ εὐαγγελίᾳ καὶ ὁμειῖσθαι οὐκ ἀπηξίου. [41] στείλας τε τῶν ἐπιτηδείων τινὰς τὸν τε Γελίμερος πλοῦτον ἔλαβε καὶ Βονιφάτιον ζὺν τοῖς χρήμασι τοῖς αὐτοῦ ἀφήκε, πάμπολύ τι χρῆμα τοῦ Γελίμερος συλήσαντα πλούτου.

Ἐπεὶ δὲ ἐς Καρχηδόνα ἀνέστρεφε, Βανδίλους τε ἅπαντας ἐν παρασκευῇ ἐποιεῖτο, ὅπως ἅμα ἦρι ἀρχομένῳ ἐς Βυζάντιον πέμψειε, καὶ στρατεύμα ἔστελλεν ἐφ' ᾧ ἀνασώσوينτο Ῥωμαίοις ἅπαντα ὧν Βανδύλοι ἦρχον. [2] Κύριλλον μὲν οὖν ζὺν πλήθει πολλῷ ἐς Σαρδῶ ἐπεμψε, τὴν Τζάζωνος κεφαλὴν ἔχοντα, ἐπεὶ οἱ νησιῶται οὗτοι ἥκιστα προσχωρεῖν Ῥωμαίοις ἐβούλοντο, δεδιότες τε τοὺς Βανδίλους καὶ οὐκ ἂν οἰόμενοι ἀληθῆ εἶναι ὅσα σφίσι ξυνενεχθῆναι ἐν Τρικαμάρῳ ἐλέγετο. [3] τούτῳ δὲ τῷ Κυρίλλῳ ἐπήγγελλε μοῖραν τοῦ στρατοῦ ἐς Κουρσικὴν πέμψαντα τῇ Ῥωμαίων ἀρχῇ τὴν νῆσον ἀνακτήσασθαι, Βανδύλων κατήκοον τὰ πρότερα οὖσαν, ἢ Κύρνος μὲν ἐν τοῖς ἄνω χρόνοις ἐπεκαλεῖτο, οὐ πόρρω δὲ ἀπὸ Σαρδοῦς ἐστίν. [4] ὁ δὲ ἐς Σαρδῶ ἀφικόμενος τὴν τε Τζάζωνος κεφαλὴν τοῖς ταύτῃ ᾠκημένοις ἐπέδειξε καὶ ἅμφω τὰ νήσω τῇ Ῥωμαίων βασιλείᾳ ἐς φόρου ἀπαγωγῇν

[5] ἔς δὲ Καισάρειαν τὴν ἐν Μαυριτανοῖς Βελισάριος Ἰωάννην ξὺν λόχῳ πεζικῷ οὗ δὴ αὐτὸς ἡγεῖτο ἐπεμψεν, ἥ ὁδῷ μὲν ἡμερῶν τριάκοντα εὐζώνῳ ἀνδρὶ Καρχηδόνος διέχει, ἐς Γάδειρά τε καὶ τὰς ἡλίου δυσμὰς ἰόντι· κεῖται δὲ ἐπὶ θαλάσσῃ, μεγάλη τε καὶ πολυάνθρωπος ἐκ παλαιοῦ οὗσα. [6] Ἰωάννην δὲ ἄλλον, τῶν οἰκείων ὑπασπιστῶν ἓνα, ἐς τὸν ἐν Γαδείροις πορθμὸν καὶ τὴν ἐτέραν τῶν Ἑρακλέους στηλῶν ἐπεμψε, τὸ ἐκείνῃ φρούριον, ὃ Σέπτον καλοῦσι, καθέζοντα. [7] ἐς δὲ τὰς νήσους αἵπερ ἀγχοῦ εἰσι τῆς ὠκεανοῦ ἐσβολῆς, Ἐβουσά τε καὶ Μαϊορίκα καὶ Μινορίκα ἐπιχωρίως καλούμεναι, Ἀπολλινάριον ἔστειλεν, ὃς ἐξ Ἰταλίας μὲν ὥρμητο, μεираκίον δὲ ὧν ἔτι ἐς Λιβύην ἀφῖκτο. [8] καὶ πολλοῖς χρήμασι πρὸς Ἰλδερίχου τότε Βανδύλων ἡγουμένου δεδορημένος, ἐπεὶ παρελέλυτο τῆς ἀρχῆς Ἰλδερίχος καὶ ἐν φυλακῇ, ὥσπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, εἶχeto, ἐς Ἰουστινιανὸν βασιλέα ξὺν Λίβυσι τοῖς ἄλλοις οἱ τὰ Ἰλδερίχου ἔπρασσον, ἰκετεύσων ἦλθε. [10] μετὰ δὲ καὶ ἐς Τρίπολιν Πουδεντίῳ τε καὶ Ταττιμουθὶ πρὸς τῷ ἐκείνῃ Μαυρουσίῳν πιεζομένοις στράτευμα πέμψας τὴν Ῥωμαίων δύναμιν ταύτῃ ἐπέρρωσε. [6] τοῦτο τὸ πάθος οὐκ ἐνεγκὼν Γελίμερ ἠπαρηκολούθει γὰρ ἐξ ἀρχῆς ἅπασιν ἐθελύνθη τε τὴν διάνοιαν καὶ πρὸς Φάραν ὡς τάχιστα ἔγραψε τάδε· [7] 'Εἴ τι καὶ ἄλλω τετύχηκε πώποτε τὰ δεινὰ καρτερήσαντι ἀπ' ἐναντίας ἰέναι τῶν πρόσθεν αὐτῷ βεβουλευμένων, τοιοῦτον δὴ τινα καὶ ἐμὲ νόμιζε εἶναι, ὃ βέλτιστε Φάρα. [15] οἱ μέντοι φίλοι ἀγχίνουν τε τὸν ἄνθρωπον ἐβούλοντο εἶναι καὶ ἅτε οἰκίας μὲν βασιλικῆς γεγονότα, εἰς βασιλείαν δὲ ἀναβεβηκότα, καὶ δύναμιν τε ἰσχυρὰν χρήματά τε μεγάλα ἐκ παιδὸς ἄχρι καὶ ἐς γῆρας περιβαλλόμενον, εἶτα εἰς φυγὴν τε καὶ δέος πολὺ ἐμπεσόντα καὶ κακοπάθειαν τὴν ἐν Παπούᾳ ὑποστάντα, καὶ νῦν ἐν αἰχμαλώτων λόγῳ ἦκοντα, πάντων τε ταύτῃ τῶν ἀπὸ τῆς τύχης ἀγαθῶν τε καὶ φλαύρων ἐν πείρᾳ γεγονότα, ἄλλου οὐδενὸς ἄξια τὰ ἀνθρώπινα ἢ γέλωτος πολλοῦ οἶεσθαι εἶναι. [16] περὶ μὲν οὖν τοῦ γέλωτος ὃν Γελίμερ ἐγέλα, λεγέτω ὥς πη ἕκαστος γινώσκει, [17] καὶ ἐχθρὸς καὶ φίλος. Βελισάριος δὲ ἐς βασιλέα ὥς Γελίμερ δορυάλωτος εἶη ἐν Καρχηδόνι ἀνενεγκὼν ἥτει ξὺν αὐτῷ ἐς Βυζάντιον ἀφικέσθαι. ἅμα δὲ αὐτόν τε καὶ Βανδίλους ἅπαντας οὐκ ἐν ἀτιμίᾳ ἐρύλασσε καὶ τὸν στόλον ἐν παρασκευῇ ἐποιεῖτο. [18] Πολλὰ μὲν οὖν καὶ ἄλλα ἐν τῷ παντὶ αἰῶνι ἤδη τε κρείσσω ἐλπίδος ἐς πείραν ἦλθε καὶ αἰεὶ ἦξει, ἕως ἂν αἱ αὐταὶ τύχαι ἀνθρώπων ᾧσι: [19] τὰ τε γὰρ λόγῳ ἀδύνατα δοκοῦντα εἶναι ἔργῳ ἐπιτελῆ γίνεται καὶ τὰ τέως ἀδύνατα φανέντα πολλάκις, [20] εἶτα ἀποβάντα θαύματος ἄξια ἔδοξεν εἶναι: εἰ μέντοι τοιαῦτα ἔργα πώποτε γεγενῆσθαι τετύχηκεν οὐκ ἔχω εἰπεῖν, τὸν Γιζερίχου τέταρτον ἀπόγονον καὶ τὴν βασιλείαν τὴν αὐτοῦ πλούτῳ τε καὶ στρατιωτῶν δυνάμει ἀκμάζουσας πρὸς πεντακισχιλίων ἀνδρῶν ἐπηλύδων τε καὶ οὐκ ἐχόντων ὅποι ὀρμίζοιντο ἐν χρόνῳ οὕτῳ βραχεῖ καταλελύσθαι. [21] τοσοῦτον γὰρ ἦν τὸ τῶν ἱππέων πλῆθος τῶν Βελισαρίῳ ἐπισπομένων, οἱ καὶ τὸν πόλεμον πάντα πρὸς Βανδίλους διήνεγκαν. τοῦτο γὰρ εἴτε τύχῃ εἴτε τινὶ ἀρετῇ γέγονε, δικαίως ἂν τις αὐτὸ ἀγασθεῖη. ἐγὼ δὲ ὅθενπερ ἐξέβην ἐπάνειμι.

Ὁ μὲν οὖν Βανδικὸς πόλεμος ἐτελεύτα ᾧδε. ὁ δὲ φθόνος, οἷα ἐν μεγάλῃ εὐδαιμονίᾳ φιλεῖ γίνεσθαι, ᾧδαιεν ἤδη ἐς Βελισάριον, καίπερ αὐτῷ οὐδεμίαν παρέχοντα σκῆψιν. [2] τῶν γὰρ ἀρχόντων τινὲς διέβαλον αὐτὸν ἐς βασιλέα, τυραννίδα αὐτῷ οὐδαμόθεν προσήκουσαν ἐπικαλοῦντες. [3] βασιλεὺς δὲ ταῦτα μὲν ἐς τὸ πᾶν οὐκ ἐξήνεγκεν, ἢ τὴν διαβολὴν ἐν ὀλιγωρίᾳ ποιησάμενος, ἢ καὶ βέλτιον αὐτῷ ἐνομίσθη. [4] Σολόμωννα δὲ πέμψας αἴρεσιν Βελισαρίῳ παρέσχετο ἐλέσθαι ὅποτέραν ἂν αὐτῷ βουλομένῳ εἶη, πότερα ξὺν Γελίμερί τε καὶ Βανδίλοις ἐς Βυζάντιον ἦκειν, ἢ αὐτοῦ μένοντι ἐκείνους στεῖλαι. [5] ὁ δὲ 'οὐ γὰρ ἔλαθον αὐτὸν ὃ ἄρχοντες τὴν τυραννίδα ἐπενεγκόντες' ἐς Βυζάντιον ἀφικέσθαι ἠπείγετο, ὅπως δὴ τὴν τε αἰτίαν ἐκλύσεται καὶ τοὺς διαβαλόντας μετελθεῖν δύνηται. ὅτῳ δὲ τρόπῳ τὴν τῶν κατηγορῶν πείραν

ἔμαθεν, ἐρῶν ἔρχομαι. [6] ὅτε δὴ τὴν διαβολὴν τήνδε ποιῆσθαι οἱ διαβαλόντες ἤθελον, δεισάντες μὴ σφίσιν ὁ τὴν ἐπιστολὴν μέλλων κομῆειν βασιλεῖ ἐν θαλάσῃ ἀφανισθεῖς τὰ πρᾶσσόμενα διακωλύσῃ, ἐν δύο γραμματεῖσι τὴν τυραννίδ' ἑγράψαντες, ἀγγέλους δύο ὡς βασιλέα ἐν ναυξ' δύο στέλλειν διενουῶντο. [7] τούτοις ἄτερος μὲν λαθὼν. ἐπλευσεν, ὁ δὲ ἕτερος ἐξ ὑποψίας δὴ τινος ἐν Μανδρακίῳ ἦλθον, καὶ τὰ γράμματα τοῖς λαβοῦσιν αὐτὸν ἐγχειρίσας ἔκπυστα ἐποίει τὰ πρᾶσσόμενα. [8] ταύτῃ τε μαθὼν Βελισάριος ἐς ὄψιν ἐλθεῖν τὴν βασιλέως, ὥσπερ ἐρρήθη, ἠπειγέτο. ταῦτα μὲν δὴ ἐν Καρχηδόνι ἐφέρετο τῇδε. [9] Μαυρούσιοι δὲ ὅσοι ἐν τε Βυζακίῳ καὶ Νουμιδία ὤκνητο, ἐς ἀπόστασιν τε ἐξ αἰτίας οὐδεμιᾶς εἶδον καὶ τὰς σπονδὰς διαλύσαντες χεῖρας ἀνταίρειν ἐξαπινάως Ῥωμαίοις ἔγνωσαν. καὶ τοῦτο οὐκ ἀπὸ τρόπου τοῦ οἰκείου σφίσιν ἐπράσσετο. [10] ἔστι γὰρ ἐν Μαυρουσίοις οὔτε θεοῦ φόβος οὔτε ἀνθρώπων αἰδώς. μέλει γὰρ αὐτοῖς οὔτε ὄρκων οὔτε ὁμῶν, ἦν καὶ παῖδες ἢ ἀδελφοὶ τῶν ἐν σφίσιν ἡγουμένων τύχῳσιν ὄντες. [11] οὐδὲ ἄλλω οὐδενὶ εἰρήνῃ ἐν Μαυρουσίοις, ὅτι μὴ τῶν πολεμίων τῶν κατ' αὐτῶν δέει κρατύνεται. ὅτῳ δὲ αὐτοῖς αἱ τε πρὸς Βελισάριον σπονδαὶ ἐγένοντο καὶ ὅτῳ διελύθησαν τρόπῳ, ἐγὼ δηλώσω. [12] ἥνικα ὁ βασιλέως στόλος ἐπιδόξος ἐγγένοιτο ὡς ἐς Λιβύην ἀφίξεται, δεισάντες οἱ Μαυρούσιοι μὴ τι ἐνθένδε κακὸν λάβωσι ταῖς ἐκ τῶν γυναικῶν μαντείαις ἐχρῶντο. [13] ἄνδρα γὰρ μαντεύεσθαι ἐν τῷ ἔθνει τούτῳ οὐ θέμις, ἀλλὰ γυναῖκες σφίσι κάτοχοι ἐκ δὴ τινος ἱερουργίας γινόμεναι προλέγουσι τὰ ἐσόμενα, τῶν πάλαι χρηστηρίων οὐδενὸς ἦσσαν. [14] τότε οὖν πυνθανομένοις αὐτοῖς, ὥσπερ ἐρρήθη, αἱ γυναῖκες ἀνέϊλον, στρατὸν ἐξ ὑδάτων, Βανδύλων κατάλυσιν, Μαυρουσίων φθοράν τε καὶ ἤτταν, [15] ὅτε Ῥωμαίοις ὁ στρατηγὸς ἀγένειος ἔλθοι. ταῦτα ἀκούσαντες οἱ Μαυρούσιοι, ἐπεὶ τὸ βασιλέως στράτευμα εἶδον ἐκ θαλάσσης ἦκον, ἐν δέει τε μεγάλῳ ἐγένοντο καὶ ξυμμαχεῖν Βανδύλοις ἥκιστα ἤθελον, ἀλλ' ἐς Βελισάριον πέμψαντες καὶ τὴν εἰρήνῃν, ὡς πρόσθεν δεδήλωται, κρατυνάμενοι ἡσύχαζόν τε καὶ τὸ μέλλον ὅπῃ ἐκβήσεται ἐκαπαρόκουν. [16] ἐπεὶ δὲ Βανδύλων τὰ πράγματα ἤδη ἐς πέρας ἀφῆκτο, πέμπουσιν ἐς τὸ Ῥωμαίων στράτευμα, διερευνώμενοι εἴ τις αὐτοῖς ἐν ἀρχῇ ἀγένειός ἐστιν. [17] ἐπεὶ δὲ ἅπαντας πώγωνος ἐώρων ἐμπιπλάμενους, οὐ χρόνον τὸν παρόντα τὸ μαντεῖον σημαίνειν σφίσιν ὄντο, ἀλλὰ πολλαῖς γενεαῖς ὕστερον, ταύτῃ τὸ λόγιον ἐρμηνεύοντες, ἢ αὐτοὶ ἤθελον. [18] αὐτίκα μὲν οὖν ἐς τὴν διάλυσιν τῶν σπονδῶν ὥρμητο, ἀλλὰ τὸ ἐκ Βελισαρίου δέος αὐτοὺς διεκώλυνεν. [19] οὐ γὰρ ποτε πολέμῳ Ῥωμαίων περιέσεσθαι, παρόντος γε αὐτοῦ, ἐν ἐλπίδι εἶχον. [20] ὡς δὲ τὴν ἄφοδον αὐτοῦ σὺν τοῖς ὑπασπισταῖς τοῖς αὐτοῦ καὶ δορυφόροις ποιῆσθαι ἤκουσαν, ἤδη τε τὰς ναῦς ὑπ' αὐτῶν τε καὶ Βανδύλων πληροῦσθαι ἐπύθοντο, τὰ ὅπλα ἐξαπινάως ἀράμενοι ἅπασαν κακοῦ ιδέαν ἐς τοὺς Λίβυας ἐπεδείξαντο. [21] οἱ γὰρ στρατιῶται ὀλίγοι τε ἐν ἐκάστῃ ἐσχατιᾷ χώρα καὶ ἔτι ἀπαράσκευοι ὄντες, καταθέουσιν οὐκ ἂν εἶχον πανταχόσε τοῖς βαρβάροις ἀνθίστασθαι, οὐδὲ τὰς ἐπεκδρομὰς συχνὰς τε καὶ οὐκ ἐκ τοῦ ἐμφανοῦς γινόμενας διακωλύσειν. [22] ἀλλ' ἄνδρες μὲν οὐδενὶ κόσμῳ ἐκτείνοντο, γυναῖκες δὲ σὺν παισὶν ἐν ἀνδραπόδων λόγῳ ἐγίνοντο, τά τε χρήματα ἐκ πάσης ἐσχατιᾷ ἤγετο καὶ φυγῆς ἢ χώρα ξύμπασα ὑπεπίπλατο. ταῦτα

Βελισαρίῳ ἤδη που ἀναγομένῳ ἠγγέλλετο. [23] καὶ αὐτὸς μὲν ἀναστρέφειν οὐκέτι εἶχε, Σολόμωνι δὲ διέπειν τὸ Λιβύης κράτος παρείχετο, ἀπολέξας καὶ τῶν ὑπασπιστῶν τε καὶ δορυφόρων τῶν αὐτοῦ μέρος τὸ πλεῖστον, ὥστε Σολόμωνι ἐπομένους Μαυρουσίῳ ὅτι τάχιστα τοὺς ἐπαναστάντας τῆς ἐς Ῥωμαίους ἀδικίας σὺν προθυμίᾳ πολλῇ τίσασθαι. [24] καὶ βασιλεὺς δὲ στρατιὰν ἄλλην Σολόμωνι ἐπεμψε, ξὺν Θεοδώρῳ τε τῷ ἐκ Καππαδοκίας καὶ Ἰλδίγερι· ὃς δὴ Ἀντωνίνης γαμβρὸς τῆς Βελισαρίου γυναικὸς ἦν. [25] ἐπειδὴ δὲ τῶν ἐπὶ Λιβύης χωρίων τοὺς φόρους οὐκέτι ἦν ἐν γραμματείοις τεταγμένους εὑρεῖν, ἥπερ αὐτοὺς ἀπεγράψαντο ἐν τοῖς ἄνω χρόνοις Ῥωμαῖοι, ἅτε Γιζερίχου ἀναχαίτισαντός τε καὶ διαφθείραντος κατ' ἀρχὰς ἅπαντα, Τρύφων τε καὶ Εὐστράτιος πρὸς βασιλέως ἐστάλησαν, ἐφ' ᾧ τοὺς φόρους αὐτοῖς τάξουσι κατὰ λόγον ἐκάστω. οἱ δὲ οὐ μέτριοι Λίβυσιν οὐδὲ φορητοὶ ἔδοξαν εἶναι.

Βελισάριος δὲ ἅμα Γελίμερ τε καὶ Βανδύλοις ἐς Βυζάντιον ἀφικόμενος γερῶν ἠξιώθη ἃ δὴ ἐν τοῖς ἄνω χρόνοις Ῥωμαίων στρατηγοῖς τοῖς νίκας τὰς μεγίστας καὶ λόγου πολλοῦ ἀξίας ἀναδησαμένοις διετετάχατο. [2] χρόνος δὲ ἀμφὶ ἐνιαυτοὺς ἑξακοσίους παρωχῇκει ἡδὴ ἐξ ὅτου ἐς ταῦτα τὰ γέρα οὐδεὶς ἐληλύθει, ὅτι μὴ Τίτος τε καὶ Τραϊανός, καὶ ὅσοι ἄλλοι αὐτοκράτορες στρατηγήσαντες ἐπὶ τι βαρβαρικὸν ἔθνος ἐνίκησαν. [3] τὰ τε γὰρ λάφυρα ἐνδεικνύμενος καὶ τὰ τοῦ πολέμου ἀνδράποδα ἐν μέσῃ πόλει ἐπόμεπυσεν, ὃν δὴ θρίαμβον καλοῦσι Ῥωμαῖοι, οὐ τῷ παλαιῷ μέντοι τρόπῳ, ἀλλὰ πεζῇ βαδίζων ἐκ τῆς οἰκίας τῆς αὐτοῦ ἄχρι ἐς τὸν ἵπποδρομον κἀνταῦθα ἐκ βαλβίδων αὐθις ἕως εἰς τὸν χῶρον ἀφίκετο οὗ δὴ ὁ θρόνος ὁ βασιλείος ἐστίν. [4] ἦν δὲ λάφυρα μὲν ὅσα δὴ ὑπουργία τῇ βασιλέως ἀνεῖσθαι εἰώθει, θρόνοι τε χρυσοὶ καὶ ὀχήματα οἷς δὴ τὴν βασιλέως γυναικᾶ ὀχεῖσθαι νόμος, καὶ κόσμος πολὺς ἐκ λίθων ἐντίμων ξυγκείμενος, ἐκπώματά τε χρυσᾶ, καὶ τᾶλλα ζύμπαντα ὅσα ἐς τὴν βασιλέως θοίνην χρήσιμα. [5] ἦν δὲ καὶ ἄργυρος ἔλκων μυριάδας ταλάντων πολλὰς καὶ πάντων τῶν βασιλικῶν κειμηλίων πάμπολύ τι χρῆμα ἅτε Γιζερίχου τὸ ἐν Ῥώμῃ σεσυληκότος Παλάτιον, ὥσπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ἐν οἷς καὶ τὰ Ἰουδαίων κειμήλια ἦν, ἅπερ ὁ Οὐεσπασιανοῦ Τίτος μετὰ τὴν Ἱεροσολύμων ἄλωσιν ἐς Ῥώμην ξὺν ἐτέροις τισὶν ἤνεγκε. [6] καὶ αὐτὰ τῶν τις Ἰουδαίων ἰδὼν καὶ παραστὰς τῶν βασιλέως γνωρίμων τινὶ 'Ταῦτα,' ἔφη, 'τὰ χρήματα ἐς τὸ ἐν Βυζαντίῳ Παλάτιον ἐσκομίζεσθαι ἀξύμφορον οἶομαι εἶναι. [7] οὐ γὰρ οἷόν τε αὐτὰ ἐτέρωθι εἶναι ἢ ἐν τῷ χώρῳ οὗ δὴ Σολομὼν αὐτὰ πρότερον ὁ τῶν Ἰουδαίων βασιλεὺς ἔθετο. [8] διὰ ταῦτα γὰρ καὶ Γιζερίχος τὰ Ῥωμαίων βασιλεία εἴλε καὶ νῦν τὰ Βανδύλων ὁ Ῥωμαίων [9] στρατός.' ταῦτα ἐπεὶ ἀνενεχθέντα βασιλεὺς ἤκουσεν, ἔδεισέ τε καὶ ζύμπαντα κατὰ τάχος ἐς τῶν Χριστιανῶν τὰ ἐν Ἱεροσολύμοις ἱερὰ ἐπεμψεν. [10] ἀνδράποδα δὲ ἦν τοῦ θρίαμβου Γελίμερ τε αὐτός, ἐσθῆτά πού τινα ἐπὶ τῶν ὤμων ἀμπεχόμενος πορφυρᾶν, καὶ τὸ ζυγγενὲς ἅπαν, Βανδύλων τε ὅσοι εὐμήκεις τε ἄγαν καὶ καλοὶ τὰ σώματα ἦσαν. [11] ὥς δὲ ἐν τῷ ἵπποδρόμῳ Γελίμερ ἐγεγόνει καὶ τὸν τε βασιλέα ἐπὶ βήματος ὑψηλοῦ καθήμενον τόν τε δῆμον ἐφ' ἐκάτερα ἐστῶτα εἶδε καὶ αὐτὸν οὗ ἦν κακοῦ περισκοπῶν ἔγνω, οὔτε ἀπέκλασεν οὔτε ἀνῶμωξεν, ἐπιλέγων δὲ οὐκ ἐπαύσατο κατὰ τὴν Ἑβραίων γραφὴν 'Ματαιότης ματαιοτήτων, τὰ πάντα

ματαιότης.’ [12] ἀφικόμενον δὲ αὐτὸν κατὰ τὸ βασιλέως βῆμα τὴν πορφυρίδα περιελόντες, πρηνῇ πεσόντ’ προσκυνεῖν Ἰουστινιανὸν βασιλέα κατηνάγκασαν τοῦτο δὲ καὶ Βελισάριος ἐποίει ἅτε ἱκέτης βασιλέως σὺν αὐτῷ γεγονώς. [13] βασιλεὺς τε Ἰουστινιανὸς καὶ ἡ βασιλὶς Θεοδώρα τοὺς Ἰλδερίχου παῖδας τε καὶ ἐγγόνους πάντας τε τοὺς ἐκ τῆς Βαλεντινιανοῦ βασιλείας συγγενείας χρήμασιν ἱκανοῖς ἐδώρησαντο, καὶ Γελίμερι χωρία οὐκ εὐκαταφρόνητα ἐν Γαλατία δόντες ὁμοῦ τοῖς συγγενέσιν ἐνταῦθα οἰκεῖν συνεχώρησαν. [14] ἔ πατρικίους μέντοι ἀνάγραφτος Γελίμερ ἤκιστ’ ἐγγέγονει, ἐπεὶ οὐ μετατίθεσθαι τῆς Ἀρείου δόξῃ ἤθελεν. [15] Ὀλίγῳ δὲ ὕστερον Βελισαρίῳ καὶ ὁ θρίαμβος κατὰ δὴ τὸν παλαιὸν νόμον ξυνετελέσθη. ἔ ὑπάτους γὰρ προελθόντι οἱ ξυνέπεσε φέρεσθ’ τε πρὸς τῶν αἰχμαλώτων καὶ ἐν τῷ δόφρῳ ὄχου μένῳ τῷ δῆμῳ ῥιπτεῖν αὐτὰ δὴ ἐκεῖνα τῷ Βανδύλων πολέμου τὰ λάφυρα. [16] τὰ τε γὰρ ἄργυρώματα καὶ ζώνας χρυσᾶς καὶ ἄλλ’ πλούτου Βανδυλικοῦ πολὺ τι χρῆμα ἐκ τῆς Βελισαρίου ὑπατείας ὁ δῆμος ἥρπασε, καὶ τ’ τῶν οὐκ εἰωθότων ἀνανεοῦσθαι τῷ χρόνῳ ἔδοξε ταῦτα μὲν δὴ οὕτως ἐν Βυζαντίῳ ἔσχε.

Σολόμων δὲ τὸ ἐν Λιβύῃ παραλαβὼν στράτευμα, ἐπηρμένων μὲν, ὡς προδεδήλωται, τῷ Μαυρουσίῳ, ἡωρημένων δὲ τῶν ὅλων πραγμάτων, ἐν ἀπόρῳ εἶχεν ἢ τὸ παρὸν θέσθαι. [2] τοὺς τ’ γὰρ στρατιώτας ἐν Βυζακίῳ καὶ Νουμιδίᾳ ὁ βάρβαροι ἀνηρκεῖναι καὶ πάντα ἄγειν τε καὶ φέρειν τὰ ἐκείνη ἠγγέλλοντο. [3] μάλιστα δὲ αὐτῷ τε καὶ Καρχηδόνα πᾶσαν συνετάραξε τὰ ἔ Αἰγὰν τε τὸν Μασσαγέτην καὶ Ρουφῖνον τὸν Θράκα ἐν Βυζακίῳ ξυνενεχθέντα. [4] ἄμφω γὰρ λογίμῳ ἐς ἄγαν ἔν τε τῇ Βελισαρίου οἰκίᾳ ἦσθιν καὶ τῷ Ῥωμαίων στρατεύματι, ἄτερος μὲν αὐτοῖν Αἰγὰν ἐν τοῖς Βελισαρίου δορυφόροις ταττόμενος ὁ δὲ ἕτερος ἅτε ἀπάντων εὐψυχότατος τὸ σημεῖον τοῦ στρατηγοῦ ἐν ταῖς παρατάξεσιν εἰωθὼς φέρειν, ὃν δὴ βανδοφόρον καλοῦσι Ῥωμαῖοι. [5] τότε γὰρ τούτῳ τῷ ἄνδρῳ ἱππικῶν καταλόγων ἠγουμένῳ ἐν Βυζακίῳ, ἐπειδὴ τοὺς Μαυρουσίους εἶδον τὰ τε ἐν ποσὶ ληιζομένους καὶ Λίβυας ἅπαντας ἐν ἀνδραπόδων λόγῳ ποιησαμένους, τηρήσαντες ἐν στενοχωρίᾳ ξὺν τοῖς σφίσιν ἐπομένους τοὺς τὴν λείαν παραπέμποντας, αὐτούς τε κτείνουσι καὶ τοὺς αἰχμαλώτους ἀφαιροῦνται πάντας. [6] ὡς δὲ οὗτος ὁ λόγος ἐς τῶν βαρβάρων τοὺς ἄρχοντας ἦκε, Κουτζίναν τε καὶ Ἑσδιλάσαν καὶ Ἰουρφούθην καὶ Μεδισινίσσαν, οὐ μακρὰν ταύτης δὴ τῆς στενοχωρίας ἀπέχοντας, χωροῦσιν ἐπ’ αὐτούς παντὶ τῷ στρατῷ περὶ δεῖλιν ὀνίαν. [7] Ῥωμαῖοι δέ, κομιδῇ τε ὀλίγοι ὄντες καὶ ἐν χώρῳ στενῷ ἐς μέσον μυριάδων πολλῶν ἀπειλημμένο ἀμύνεσθαι τοὺς ἐπιόντας οὐχ οἷοί τε ἦσαν. ἐνθ’ γὰρ ἂν τραπείεν, αἰεὶ κατὰ νώτου ἐβάλλοντό [8] τότε δὴ Ρουφῖνός τε καὶ Αἰγὰν ξὺν ὀλίγοις τισὶ ἐς πέτραι ἐγγὺς που οὔσαν ἀναδραμόντες ἐνθὲν τοὺς βαρβάρους ἡμύνοντο. [9] ἔως μὲν οὖν τῷ τόξῳ ἐχρῶντο, οὐκ ἐτόλμων σφίσιν ἐκ το εὐθέως εἰς χεῖρας ἔλθεῖν οἱ πολέμοι, ἀλλὰ τὰ αἰχμὰς ἐσηκόντιζον· ἐπεὶ δὲ τὰ βέλη ἅπαντ σφᾶς ἤδη ἐπιλελοίπει, οἱ τε Μαυρούσιοι αὐτῷ ἐς χεῖρας ἦλθον καὶ αὐτοὶ τοῖς ξίφεσιν ἐκ τῷ παρόντων ἡμύνοντο. [10] τοῦ δὲ πλήθους τῶν βαρβάρων βιαζομένου, Αἰγὰν μὲν κρεουργηθεὶς τ’ σῶμα ὅλον ἐνταῦθα ἔπεσε, Ρουφῖνον δὲ ἔ πολέμοι ἀρπάσαντες ἤγον. [11] αὐτίκα δὲ τῶν ἀρ’ χόντων εἰς Μεδισινίσσας, δείσας μὴ διαφυγῶν πράγματα σφίσιν αὐθις παρέχοι, τῆς τε

κεφαλῇ αὐτὸν ἀφαιρεῖται καὶ ταύτην ἐς τὰ οἰκεῖα λαβὼ ταῖς γυναιξὶ ταῖς αὐτοῦ ἔδειξε, μεγέθους τε ὑπὲρ βολῇ καὶ τριχῶν πλήθει ἀξιοθέατον οὖσαν [12] ἐπεὶ δὲ ἡμᾶς ὁ τῆς ἱστορίας λόγος ἐνταῦθ' ἤγαγεν, ἐπάναγκες εἰπεῖν ἄνωθεν ὅθεν τε τῇ Μαυρουσίῳ ἔθνη ἐς Λιβύην ἦλθον καὶ ὅπως ἐνταῦθα ὤκησαντο. [13] Ἐπειδὴ Ἑβραῖοι ἐξ Αἰγύπτου ἀνεχώρησα καὶ ἄγχι τῶν Παλαιστίνης ὁρίων ἐγένοντο Μωσῆς μὲν σοφὸς ἀνὴρ, ὃς αὐτοῖς τῆς ὁδοῦ ἡγήσατο. θνήσκει, διαδέχεται δὲ τὴν ἡγεμονίαν Ἰησοῦς ὁ τοῦ Ναυῆ παῖς, ὃς ἐξ τε τὴν Παλαιστίνην τὸν λεῶν τοῦτον εἰσήγαγε καὶ ἀρετὴν ἐκ τῷ πολέμῳ κρείττω ἢ κατὰ ἀνθρώπου φύσιν ἐπιδεικνύμενος τὴν χώραν ἔσχε. [14] καὶ τὰ ἐξ ὧν ἅπαντα καταστρεψάμενος τὰς πόλεις εὐπετῶ παρεστήσατο, ἀνίκητός τε παντάπασιν ἔδοξε εἶναι. [15] τότε δὲ ἡ ἐπιθαλασσία χώρα ἐκ Σιδῶνος μέχρι τῶν Αἰγύπτου ὁρίων Φοινίκη ξύμπας ὠνομάζετο. [16] βασιλεὺς δὲ εἷς τὸ παλαιὸν αὐτὴν ἐφειστήκει, ὥσπερ ἅπασιν ὁμολογεῖται οἱ Φοινίκων τὰ ἀρχαιότατα ἀνεγράψαντο. [17] ἐνταῦθ' ὤκνητο ἔθνη πολυανθρωπώτατα, Γεργεσαῖοι τῇ καὶ Ἰεβουσαῖοι καὶ ἄλλα ἅττα ὀνόματα ἔχοντάς οἱς δὴ αὐτὰ ἢ τῶν Ἑβραίων ἱστορία καλεῖ. [18] οὗτο ὁ λεῶς ἐπεὶ ἄμαχόν τι χρῆμα τὸν ἐπηλύτην στρατηγὸν εἶδον, ἐξ ἡθῶν τῶν πατρίων ἐξανα στάντες ἐπ' Αἰγύπτου ὁμόρου οὐσης ἐχώρησαν [19] ἔνθα χώρον οὐδένα ἱκανὸν σφίσιν ἐνοικήσασθα εὐρόντες, ἐπεὶ ἐν Αἰγύπτῳ πολυανθρωπία ἐκ παλαιοῦ ἦν, ἐς Λιβύην ἐστάλησαν. [20] πόλεις τῇ οἰκήσαντες πολλὰς ξύμπασαν Λιβύην μέχρι τῶν τῶν Ἡρακλείων ἔσχον, ἐνταῦθα τε καὶ ἐν τῇ Φοινίκῳ φωνῇ χρώμενοι ὤκνηται. [21] ἐδείμαντ δὲ καὶ φρούριον ἐν Νουμιδίᾳ, οὗ νῦν πόλις Τίγισι ἐστὶ τε καὶ ὀνομάζεται. [22] ἔνθα στῆλαι δύο ἐκ λίθων λευκῶν πεποιημέναι ἄγχι κρήνης εἰσὶ τῇ μεγάλῃ, γράμματα Φοινικικὰ ἐγκεκολλημέν' ἔχουσαι τῇ Φοινίκῳ γλῶσση λέγοντα ὧδε Ἡμεῖς ἐσμεν οἱ φυγόντες ἀπὸ προσώπου Ἰησοῦ [23] τοῦ ληστοῦ υἱοῦ Ναυῆ.' ἦσαν δὲ καὶ ἄλλ' ἔθνη ἐν Λιβύῃ πρότερον ὤκημένα, οἱ διὰ τὸ ἐκ παλαιοῦ ἐνταῦθα ἰδρῦσθαι αὐτόχθονες εἶνα ἐλέγοντο. [24] καὶ ἀπ' αὐτοῦ Ἀνταῖον, τὸν αὐτῷ βασιλέα, ὃς ἐν Κλιπέᾳ Ἡρακλεῖ ἐπάλαισε, τῇ γῆς υἱὸν ἔφασαν εἶναι. [25] χρόνῳ δὲ ὕστερον καὶ ὅσοι μετὰ Διδουὺς ἐκ Φοινίκης ἀνέστησαν ἅτε πρὸς ξυγγενεῖς τοὺς ἐν Λιβύῃ ὤκημένους ἀφίκοντο. οἱ δὲ αὐτοῖς Καρχηδόνα κτίσαι τε καὶ ἔχειν ἐθελούσιοι συνεχώρησαν. [26] προϊόντος δὲ τοῦ χρόνου ἢ τῶν Καρχηδονίων δύναμις μεγάλῃ ἐγένετο καὶ πολυάνθρωπος. [27] μάχης τε σφίς γενομένης πρὸς τοὺς ὁμόρους, οἱ πρότεροι, ὥσπερ ἐρρήθη, ἐκ Παλαιστίνης ἀφίκοντο καὶ τὰ νῦν Μαυρούσιοι καλοῦνται, ἐκράτησάν τε αὐτῶν ὃ Καρχηδόνιοι καὶ ὡς ἀπωτάτω οἰκεῖν Καρχηδόνας ἠνάγκασαν. [28] ἔπειτα δὲ Ῥωμαῖοι πάντων καθυπέρτεροι τῷ πολέμῳ γενόμενοι Μαυρουσίους μὲν ἐς τὰς ἐσχατίας τῆς ἐν Λιβύῃ οἰκουμένης χώρας ἰδρῦσαντο, Καρχηδονίους δὲ καὶ Λίβυας τοὺς ἄλλους κατηκόους σφίσιν ἐς φόρου ἀπαγωγὴν ἐποιήσαντο. [29] ὕστερον δὲ οἱ Μαυρούσιοι πολλὰς κατὰ Βανδύλων νίκας ἀνελόμενοι Μαυριτανίαν τε τὴν νῦν καλουμένην ἐκ Γαδείρων μέχρι τῶν Καισαρείας ὁρίων τείνουσαν καὶ Λιβύης τῆς ἄλλης τὰ πλεῖστα ἔσχον. τὰ μὲν δὲ τῆς Μαυρουσίῳ ἐν Λιβύῃ ἐνοικήσεως αὕτη πη ἔσχε.

Σολόμων δὲ τὰ ἐς Ῥουφῖνον καὶ Αἰγὰν ξυνενεχθέντα ἀκούσας τὸν τε πόλεμον ἐν παρασκευῇ ἐποιεῖτο καὶ πρὸς τοὺς Μαυρουσίων ἄρχοντας ἔγραψε

τάδε: [2] “Ἦδη μὲν καὶ ἄλλοις ἀνθρώπων τισὶν ἀπονενοῆσθαι τε καὶ ἀπολωλέναι τετύχηκεν, οἳ οὐδενὶ πρότερον τεκμηριῶσαι ἔσχον ὅτη ποτὲ αὐτοῖς τὰ τῆς ἀπονοίας ἐκβήσεται. [3] ὑμεῖς δέ, οἷς τὸ παράδειγμα ἐγγύθεν ἐκ τῶν συνοίκων ὑμῖν Βανδύλων ἐστὶ, τί ποτε ἄρα παθόντες χεῖράς τε ἀνταίρειν ἔγνωτε βασιλεῖ τῷ μεγάλῳ καὶ τὴν ὑμῶν αὐτῶν σωτηρίαν προέσθαι, [4] καὶ ταῦτα ὄρκους τε τοὺς δεινотάτους ἐν γράμμασι δόντες καὶ τοὺς παῖδας τοὺς ὑμετέρους τῶν ὁμολογημένων ἐνέχυρα παρασχόμενοι; [5] ἢ ἐπίδειξιν τινα ἐγνώκατε ποιῆσθαι, ὥς ὑμῖν οὔτε θεοῦ οὔτε πίστεως οὔτε τῆς συγγενείας αὐτῆς οὔτε τῆς σωτηρίας οὔτε ἄλλου ὅτουοῦν ἐστὶ τις λόγος; [6] καίτοι, εἰ τὰ ἐς τὸ θεῖον ὑμῖν οὕτως ἥσκηται, τίνι ξυμμάχῳ πιστεύοντες ἐπὶ τὸν Ῥωμαίων βασιλέα χωρεῖτε; [7] εἰ δὲ τοὺς παῖδας ἀπολοῦντες στρατεύεσθε, τί ποτέ ἐστιν ὑπὲρ ὅτου κινδυνεύειν βεβούλησθε; [8] ἀλλ’ εἰ μὲν ἤδη τις εἰσῆλθεν ὑμᾶς τῶν φθασάντων μετὰ μέλος, γράνατε ὅπως ὑμῖν εὖ τὰ πεπραγμένα θησόμεθα: εἰ δὲ τὰ τῆς ἀπονοίας ὑμῖν οὐπω λελώφηκε, δέξασθε Ῥωμαϊκὸν πόλεμον μετὰ τῶν ὄρκων οἷς ἐλωβήσασθε καὶ τῆς ἐς τοὺς παῖδας τοὺς ὑμετέρους ἀδικίας ὑμῖν προσίοντα.” [9] Τοσαῦτα μὲν Σολόμων ἔγραψεν. οἱ δὲ Μαυρουῖοι ἀπεκρίναντο ὧδε: ‘Βελισάριος μὲν ἐπαγγελίας μεγάλαις ἡμᾶς περιελθὼν ἔπεισε βασιλέως Ἰουστινιανοῦ κατηκόους εἶναι: Ῥωμαῖοι δὲ τῶν ἀγαθῶν ἡμῖν οὐδενὸς μεταδόντες λιμῷ πιεζομένους ἡξίουں φίλους τε ἡμᾶς καὶ ξυμμάχους ἔχειν. [10] ὥστε εἰκότως ἂν μᾶλλον ὑμῖν ἢ Μαυρουσίοις τὸ μὴ πιστοῖς καλεῖσθαι προσήκει. [11] λύουσι γὰρ τὰς σπονδὰς οὐχ ὅσοι ἀδικούμενοι ἐκ τοῦ ἐμφανοῦς τῶν πέλας κατηγοροῦντες ἀφίστανται, ἀλλ’ ὅσοι ὑποσπόνδους ἔχειν ἀξιοῦντές τινας εἶτα βιάζονται. [12] καὶ τὸν θεὸν πολέμιον σφίσι ποιοῦνται οὐχ οἱ ἂν τὰ σφέτερα αὐτῶν κομιούμενοι ἐφ’ ἐτέρους χωροῖεν, ἀλλ’ ὅσοι τῶν ἀλλοτρίων ἐπιβατεύοντες ἐς κίνδυνον πολέμου καθίστανται. [13] παίδων μέντοι ἔνεκεν ὑμῖν μελήσει, οἷς μίαν ἄγεσθαι γυναῖκα ἀνάγκη: ἡμᾶς γάρ, οἷς καὶ κατὰ πεντήκοντα, ἂν οὕτω τύχη, συνοικοῦσι γυναῖκες, παίδων οὐκ ἂν ποτε ἐπιλίποι γονή.’ [14] Ταῦτα ἀναλεξαμένην Σολόμωνι τὸ στράτευμα ὅλον ἐπὶ Μαυρουσίους ἐπάγειν ἔδοξε. διαθέμενός τε τὰ ἐν Καρχηδόνι πράγματα, παντὶ τῷ στρατῷ ἐς Βυζάκιον ἦει. [15] γενόμενος δὲ ἐς Μάμμης τὸ χωρίον, ἔνθα δὴ οἱ τέτταρες τῶν Μαυρουσίων ἄρχοντες ἐστρατοπεδεύσαντο ὧν ὀλίγῳ πρότερον ἐπεμνήσθην, χαράκῳ ἐποιήσατο. [16] ὄρη δὲ εἰσιν ἐνταῦθα ὑψηλὰ καὶ χωρίον ὁμαλὲς περὶ τὸν πρόποδα τῶν ὄρων, ἔνθα οἱ βάρβαροι παρασκευασάμενοι ἐς τὴν μάχην ἐποιοῦντο τὴν παράταξιν ὧδε. [17] κύκλον ἐκ τῶν καμήλων ταξάμενοι, ὅπερ καὶ τὸν Καβάωνα ἐν τοῖς ἔμπροσθεν λόγοις εἰργάσθαι ἐρρήθη, κατὰ δυοκαίδεκα μάλιστα τοῦ μετώπου βάθος ἐποιοῦν. [18] καὶ γυναῖκας μὲν ξὺν τοῖς παισὶ κατέθεντο τοῦ κύκλου ἐντός: ‘τοῖς γὰρ Μαυρουσίοις καὶ γυναῖκας ὀλίγας ξὺν τοῖς παισὶν ἐς παράταξιν ἐπάγεσθαι νόμος, αἵπερ αὐτοῖς χαρακώματά τε καὶ καλύβας ποιοῦσι, καὶ ἵπποκομοῦσιν ἐμπείρως, καὶ τῶν τε καμήλων τῆς τε τροφῆς ἐπιμελοῦνται: [19] καὶ θήγουσαι τὰ τῶν ὄπλων σιδήρια πολλοὺς σφίσι παραιροῦνται τῶν ἐν ταῖς παρατάξεσι πόνων.’ αὐτοὶ δὲ πεζοὶ ἐς μέσους τῶν καμήλων τοὺς πόδας ἴσταντο, ἀσπίδας τε καὶ ξίφη ἔχοντες καὶ δοράτια, οἷς ἀκοντίζειν εἰώθασιν. τινὲς δὲ αὐτῶν ἐν τοῖς ὄρεσιν ἔχοντες τοὺς ἵππους ἡσύχαζον. [20] Σολόμων δὲ τὸ μὲν ἥμισυ τοῦ

Μαυρουσίων κύκλου ὁ πρὸς τῷ ὄρει ἐτύγγανεν ὃν ἀφῆκεν, οὐδένα ἐνταῦθα καταστησάμενος. [21] ἔδεισε γὰρ μὴ κατιόντες τε οἱ ἐν τῷ ὄρει πολέμιοι καὶ οἱ ἐν τῷ κύκλῳ ἐπιστρεφόμενοι ἀμφιβόλους ἐν τῇ παρατάξει τοὺς ἐκείνη ταπτομένους ποιήσωνται. [22] ἐς δὲ τοῦ κύκλου τὸ λειπόμενον ὅλον ἀντιτάξας τὸ στράτευμα, ἐπειδὴ αὐτῶν τοὺς πολλοὺς εἶδε πεφοβημένους τε καὶ ἀθαρσοῦντας, διὰ τὰ ἐς Αἰγάν τε καὶ Ῥουφῖνον ξυνενεχθέντα, βουλόμενος ὑπόμνησιν ποιήσασθαι αὐτοῖς τοῦ θαρσεῖν ἔλεξε τάδε: [23] Ἄνδρες οἱ Βελισαρίῳ ξυστρατευσάμενοι, μηδεὶς ὑμᾶς τῶν ἀνδρῶν τῶνδε φόβος εἰσίστω, μηδέ, εἰ Μαυρούσιοι κατὰ μυριάδας πέντε συνειλεγμένοι Ῥωμαίων ἤδη πεντακοσίων ἐκράτησαν, τοῦτο ὑμῖν ἐν παραδείγματος μοίρᾳ γινέσθω. [24] ἀλλ' ἀναμνήσθητε μὲν τῆς ἀρετῆς τῆς ὑμετέρας, ἐκλογίζεσθε δὲ ὡς Βανδῖλοι μὲν Μαυρουσίων ἐκράτουν, ὑμεῖς δὲ Βανδῖλῶν ἀκονιτὶ κύριοι τῷ πολέμῳ γεγέννησθε, καὶ ὡς τοὺς τῶν μειζόνων κεκρατηκότας περὶ τῶν καταδεεστέρων πεφοβῆσθαι οὐ δίκαιον. [25] καίτοι πάντων ἀνθρώπων ἐς ἀγῶνα πολέμου φαυλότατον εἶναι δοκεῖ τὸ Μαυρουσίων ἔθνος. [26] γυμνοὶ τε γὰρ οἱ πλείστοί εἰσι καὶ αὐτῶν ὅσοι ἀσπίδας ἔχουσι, βραχείας τε ταύτας καὶ οὐκ εὖ πεποιημένας οὐδὲ ἀπωθεῖσθαι τὰ προσιόντα δυναμένας προβέβληνται. [27] καὶ τὰ δύο ταῦτα δοράτια ἀπορρίψαντες, ἦν μὴ τι δράσωσιν, [28] αὐτόματοι ἐς φυγὴν τρέπονται. ὥστε πάρεστιν ὑμῖν τὴν πρώτην φυλαξαμένοις τῶν βαρβάρων ὁρμὴν ἀνελέσθαι οὐδενὶ πόνῳ τὸ τοῦ πολέμου κράτος. [29] τῆς δὲ ὑμετέρας ὀπλίσεως ἡλικίον πρὸς τοὺς ἐναντίους τὸ διαλλάσσον ἐστὶν ὁρᾶτε δήπου. [30] καὶ τούτων ἔξω, ψυχῶν μὲν ἀρετὴ καὶ σωμάτων ἀλκὴ καὶ πολέμων ἐμπειρία καὶ τὸ θαρσεῖν, διὰ τὸ πάντας ἤδη νενικηκέναι τοὺς πολεμίους, ὑμῖν πρόσεστιν: οἱ δὲ Μαυρούσιοι τούτων ἀπάντων ἐστερημένοι μόνῳ τῷ σφῶν αὐτῶν ὁμίλῳ πιστεύουσι. [31] ῥᾶον δὲ ὀλίγοι ὡς ἄριστα παρεσκευασμένοι πλῆθος οὐκ ἀγαθῶν τὰ πολέμια νικῶσιν ἀνθρώπων ἢ πρὸς αὐτῶν ἡσῶνται. [32] τῷ μὲν γὰρ ἀγαθῷ στρατιώτῃ τὸ θαρσεῖν ἐφ' ἑαυτῷ πάρεστι, τῷ δὲ ἀνάνδρῳ τὸ τῶν συντεταγμένων πλῆθος ἐς ἐπισφαλῇ στενοχωρίαν ὡς τὰ πολλὰ περιίσταται. [33] καὶ μὴν καὶ καμῆλων τῶνδε ὑμᾶς ὑπερφρονεῖν ἄξιον, αἱ οὔτε ἀμύνειν τοῖς πολεμίῳις οἷά τί εἰσι καὶ πληγεῖσαι, ὡς τὸ εἰκός, μείζονος ταραχῆς τε καὶ ἀταξίας αἵται τούτοις γενήσονται. [34] καὶ τὸ προπετὲς ὃ διὰ τὸ πρότερον εὐημερῆσαι οἱ πολέμιοι κέκτηνται, ὑμῖν συναγωνιεῖσθαι ξυμβήσεται. [35] τόλμα γὰρ τῇ μὲν δυνάμει ξυμμετρομένη τάχα τι καὶ τοὺς αὐτῇ χρωμένους ὀνήσει, [36] ὑπεραίρουσα δὲ ταύτην ἐς κίνδυνον ἄγει. ὧν ἐνθυμούμενοι καὶ τῶν πολεμίων καταφρονοῦντες σιγὴν τε καὶ κόσμον ἀσκεῖτε: τούτων γὰρ ἐπιμελούμενοι ῥᾶν τε καὶ ἀπονώτερον τῆς τῶν βαρβάρων ἀκοσμίας κρατήσομεν.' ταῦτα μὲν Σολόμων εἶπεν. [37] Οἱ δὲ τῶν Μαυρουσίων ἄρχοντες ἐπειδὴ καὶ αὐτοὶ τοὺς βαρβάρους καταπεπληγμένους τὴν τῶν Ῥωμαίων εὐκοσμίαν εἶδον, βουλόμενοι αὐτῶν τὸ πλῆθος ἐπὶ τὸ θαρσεῖν αὐθις ἀντικαθιστάναι τοιάδε παρεκελεύσαντο: [38] Ὡς μὲν ἀνθρώπεια Ῥωμαῖοι σώματα ἔχουσι καὶ οἷα σιδήρῳ πλησσόμεν' εἴκειν μεμαθήκαμεν, ὃ ξυστρατιῶται, οἷς αὐτῶν ἔναγχος τοὺς πάντων ἀρίστους πῇ μὲν καταχωσθέντας τοῖς δόρασι τοῖς ἡμετέροις ἐκτεínaμεν, πῇ δὲ ἀρπάσαντες δορυαλώτους ἡμῶν αὐτῶν πεποιήμεθα. [39] τούτων δὲ τοιούτων ὄντων, ὡς καὶ

νῦν αὐτῶν τῷ πλήθει παρὰ πολὺ προέχειν αὐχοῦμεν ὁρᾶν πάρεσσι. [40] καὶ μὴν καὶ ὑπὲρ τῶν μεγίστων ἡμῖν ὁ ἀγὼν ἐστίν, ἢ Λιβύης πάσης κυρίοις εἶναι, [41] ἢ τοῖς ἀλαζόσι τοῖσδε δουλεύειν. ὥστε ἡμῖν ἀνάγκη ὡς μάλιστα ἐν τῷ παρόντι ἀνδραγαθίζεσθαι. οἷς γὰρ ὑπὲρ τῶν ὅλων ὁ κίνδυνος, μὴ οὐχὶ εὐψυχοτάτοις εἶναι ἀξύμφορον. [42] τῆς δὲ τῶν πολεμίων ὀπλίσεως ὑπερφρονεῖν ἡμᾶς προσήκει. ἦν τε γὰρ πεζῇ ἐφ' ἡμᾶς ἴωσιν, οὐκ εὐσταλεῖς ἔσονται, ἀλλ' ἡσηθήσονται τοῦ Μαυρουσίων τάχους, καὶ τὴν ἵππον αὐτοῖς ἢ τε τῶν καμήλων ὅψις ἐκπλήξασα καὶ τὸν ἄλλον τοῦ πολέμου θόρυβον ἢ τούτων κραυγὴ ὑπερηχοῦσα εἰς ἀταξίαν, ὥς γε τὸ εἰκός, καταστήσεται. [43] καὶ τὴν ἐς Βανδύλους νίκην εἴ τις ἐκλογιζόμενος μὴ ἀνταγωνίστους αὐτοὺς οἶεται εἶναι, γνώμης ἀμαρτάνει. [44] ἡ μὲν γὰρ τοῦ πολέμου ῥοπὴ τῇ τοῦ στρατηγοῦντος ἀρετῇ ἢ τύχῃ κρίνεσθαι πέφυκε· Βελισάριον δέ, ὃς τῆς Βανδύλων ἐπικρατήσεως αἴτιος γέγονεν, ἐκποδὼν νῦν ἡμῖν ἐστηκέναι πεποίηκε τὸ δαιμόνιον. [45] ἄλλως τε καὶ ἡμεῖς Βανδύλους πολλάκις νενικηκότες περιελόντες τε τὴν αὐτῶν δύναμιν, ἐτοιμότερόν τε καὶ ἀπονώτερον Ῥωμαίοις τὸ κατ' αὐτῶν πεποιήμεθα κράτος. [46] καὶ νῦν δὲ πολεμίων τῶνδε κρατήσιν, ἦν ἐν τῷ ἔργῳ ἀνδραγαθίζησθε, ἐλπίδα ἔχομεν.' [47] Τοσαῦτα καὶ οἱ Μαυρουσίων ἄρχοντες παρακελευσάμενοι τῆς ζυμβολῆς ἤρχον. καὶ τὰ μὲν πρῶτα πολλὴ ἀκοσμία ἐς τὸ Ῥωμαίων στράτευμα ἐγγέγονε. [48] οἱ γὰρ ἵπποι αὐτοῖς τῇ τε κραυγῇ καὶ τῇ ὄψει τῶν καμήλων ἀχθόμενοι ἀνεχαιτίζοντό τε καὶ ἀπορριπτοῦντες τοὺς ἐπιβάτας οὐδενὶ κόσμῳ οἱ πλεῖστοι ἔφευγον. [49] καὶ ἐν τούτῳ ἐπεκδρομὰς ποιοῦμενοι οἱ Μαυρούσιοι καὶ τὰ δοράτια ὅσα σφίσιν ἐν ταῖς χερσὶν ἦν ἀκοντίζοντες, θορύβου τε αὐτῶν ἐμπίπλασθαι τὸ στράτευμα ἐποίουν καὶ οὕτε ἀμυνομένους οὕτε ἐν τάξει μένοντας ἔπλησσαν. [50] ὕστερον δὲ Σολόμων, κατιδὼν τὰ πρᾶσσόμενα, ἔκ τε τοῦ ἵππου ἀποθρόσκει πρῶτος καὶ τοὺς ἄλλους ἅπαντας ἐς τοῦτο ἐνάγει. [51] καὶ ἐπειδὴ ἀπέβησαν, τοῖς μὲν ἄλλοις ἐνετέλλετο ἡσυχάζουσι καὶ τὰς ἀσπίδας προβαλλομένοις δεχομένοις τε τὰ παρὰ τῶν πολεμίων πεμπόμενα ἐν τῇ τάξει μένειν· αὐτὸς δὲ στρατιώτας οὐχ ἦσσαν ἢ πεντακοσίους ἐπαγόμενος ἐς τὴν τοῦ κύκλου ἐπέσκηψε μοῖραν. [52] οὕς δὴ τὰ ξίφη ἀνελομένους ἐκέλευε τὰς καμήλους αἱ ταύτη εἰστήκεσαν κτείνειν. [53] τότε Μαυρούσιοι μὲν ὅσοι ἐκείνῃ ἐτετάχατο ἐς φυγὴν ὥρμητο, οἱ δὲ ξὺν τῷ Σολόμωνι κτείνουσι καμήλους ἀμφὶ διακοσίας, αὐτίκα τε ὁ κύκλος, ἐπεὶ αἱ κάμηλοι ἔπεσον, [54] ἐσβατὸς Ῥωμαίοις ἐγένετο. καὶ αὐτοὶ μὲν δρόμῳ ἐς τὸ τοῦ κύκλου μέσον ἐχώρουν, ἔνθα αἱ Μαυρουσίων γυναῖκες ἐκάθηντο· οἱ δὲ βάρβαροι ἐκπεπληγμένοι ἐς τὸ ὄρος ὅπερ ἄγχιστα ἦν ἀποχωροῦσι, φεύγοντάς τε αὐτοὺς ξὺν πάσῃ ἀκοσμίᾳ ἐπισπόμενοι Ῥωμαῖοι ἔκτεινον. [55] καὶ λέγονται Μαυρουσίων μύριοι ἐν τούτῳ τῷ πόνῳ ἀποθανεῖν· γυναῖκές τε πᾶσαι ξὺν τοῖς παισὶν ἐν ἀνδραπύδων λόγῳ ἐγένοντο. [56] καὶ καμήλους οἱ στρατιῶται πάσας, ὅσας οὐκ ἔκτειναν, ἐλήισαντο. οὕτω τε Ῥωμαῖοι μὲν ξὺν πάσῃ τῇ λείᾳ ἐς Καρχηδόνα ἦσαν, τὴν ἐπινίκιον ἐορτὴν ἄζοντες.

οἱ δὲ βάρβαροι χρώμενοι θυμῷ πανδημεῖ ἐπὶ Ῥωμαίους αὖθις, οὐδένα σφῶν ἀπολιπόντες, ἐστράτευσαν, καὶ καταθεῖν τὰ ἐν Βυζακίῳ χωρία ἤρξαντο, οὐδεμιᾶς ἡλικίας τῶν σφίσι παραπιπτόντων φειδόμενοι. [2] ἄρτι τε Σολόμωνι

ἐς Καρχηδόνα ἐληλακότι βάρβαροι πλήθει μεγάλῳ ἐς Βυζάκιον ἐηλυθέναι
καὶ ληϊζεσθαι πάντα τὰ ἐκείνη ἡγγέλλοντο. ἄρας οὖν κατὰ τάχος παντὶ τῷ
στρατῷ ἐπ' αὐτοὺς ἦει. [3] γενόμενος δὲ ἐν Βουργάωνι, ἔνθα οἱ πολέμιοι
ἐστρατοπεδεύσαντο, ἡμέρας μὲν τινὰς ἀντεκάθητο, ὅπως, ἐπειδὴν τάχιστα ἐν
τῷ ὁμαλεῖ γένωνται οἱ Μαυρούσιοι, τῆς ξυμβολῆς ἄρχοι. [4] ὥς δὲ ἐκείνοι ἐν
τῷ ὄρει ἔμενον, διεῖπέ τε ὥς ἐς μάχην καὶ διεκόσμηι τὸ στράτευμα, οἱ δὲ
Μαυρούσιοι ἐς μὲν τὸ πεδῖον ἦκιστα Ῥωμαίοις τὸ λοιπὸν ἐς μάχην ἰέναι
διεννοοῦντο ἥδη γὰρ αὐτοὺς ἅμαχόν τι δέος ἐσθῆι, ἐν δὲ τῷ ὄρει ἡλιζον ῥᾶον
αὐτῶν περιέσεσθαι τῷ πολέμῳ. [5] ἔστι δὲ τὸ ὄρος ὁ Βουργάων ἐπὶ πλεῖστον
μὲν ἀπότομον καὶ τὰ πρὸς ἀνίσχοντα ἥλιον δεινῶς ἄβατον, τὰ δὲ πρὸς
ἐσπέραν εὐεφοδόν τε καὶ ὑπτίως ἔχον. [6] καὶ σκοπέλῳ ὑψηλῷ δύο ἀνέχετον
νάπην τινὰ ἐν μέσῳ σφῶν ἐργαζομένῳ, στενὴν μὲν κοιμίδι, ἐς βάθος δέ τι
ἄφατον κατατείνουσιν. [7] οἱ δὲ βάρβαροι τὴν μὲν ἄκραν τοῦ ὄρους ἀπέλιπον
ἀνδρῶν ἔρημον, οὐδὲν ἐνθένδε πολέμιον οἰόμενοι σφίσιν ἔσεσθαι: ὁμοίως δὲ
καὶ τὸν ἀμφὶ τὸν πρόποδα χώρον ἔλιπον οὗ δὴ εὐπρόσοδος ὁ Βουργάων ἦν. [8]
κατὰ δὲ τὰ μέσα στρατοπεδευσάμενοι ἔμενον, ὅπως, ἦν οἱ πολέμιοι ἐπὶ σφᾶς
ἀνιόντες μάχης ἄρξωσιν, αὐτοὶ ἡδη ὑπερθεὶν ἐκείνων γενόμενοι κατὰ κορυφὴν
βάλλωσιν. [9] ἦσαν δὲ αὐτοῖς ἐν τῷ ὄρει καὶ ἵπποι πολλοὶ ἢ ἐς φυγὴν
παρεσκευασμένοι, ἢ ἐς τὴν δίωξιν, ἦν τῆς μάχης κρατήσωσι. [10] Σολόμων δέ,
ἐπεὶ εἶδε τοὺς Μαυρουσίους οὐκέτι ἐν τῷ ὁμαλεῖ ἐθέλοντας διαμάχεσθαι, καὶ
ἅμα τῇ προσεδρεῖα τὸ Ῥωμαίων στράτευμα ἐν χωρίῳ ἐρήμῳ ἦχθετο, ἐς
χεῖρας ἐλθεῖν τοῖς πολέμοις ἐν Βουργάωνι ἡπείγετο. [11] ἰδὼν δὲ τοὺς
στρατιώτας καταπεπληγμένους τῷ τῶν ἐναντίων ὁμίλῳ πολυπλασίῳ ἢ ἐν τῇ
προτέρᾳ μάχῃ γεγεννημένῳ, ξυγκαλέσας τὸ πλῆθος ἔλεξε τοιάδε: [12] 'Τὸ μὲν
δέος ᾧ πρὸς ὑμᾶς οἱ πολέμιοι χρῶνται, οὐχ ἑτέρου τοῦ κατηγόρου δεῖται, ἀλλ'
αὐτεπάγγελτον ἐξελήλεγται τὴν οἴκοθεν ἐπαγόμενον μαρτυρίαν [13] ὁρᾶτε
γὰρ δὴ πού τοὺς ἐναντίους εἰς τόσας μὲν καὶ τόσας μυριάδας συνειλεγμένους,
οὐ τολμῶντας δὲ ἡμῖν εἰς τὸ πεδῖον καταβαίνοντας ξυμβαλεῖν, οὐδὲ πιστεύειν
ἐπὶ σφίσιν αὐτοῖς ἔχοντας ἀλλ' εἰς τὴν τοῦ χωρίου τούτου δυσκολίαν
καταφυγόντας. [14] ὥστε ὑμῖν οὐδέ τι ἐγκελεύεσθαι ἔν γε τῷ παρόντι
ἐπάνανγκες. οἷς γὰρ τὰ πράγματα καὶ ἡ τῶν πολέμιων ἀσθένεια τὸ θαρσεῖν
δίδωσιν, οὐδὲν οἶμαι τῆς ἐκ τῶν λόγων ὠφελείας προσδεῖ. [15] τοσοῦτον δὲ
ὑπομῆσαι ὑμᾶς δεήσῃ ὥς, ἦν μετὰ εὐψυχίας καὶ τήνδε τὴν ξυμβολὴν
διενέγκωμεν, λελείπεται ἡμῖν, Βανδύλων τε νενικημένων καὶ Μαυρουσίῳν εἰς
ταῦτ' οὐχί τύχης ἐληλακότων, τῶν Λιβύης ἀγαθῶν ἀπόνασθαι πάντων, οὐδὲν ὃ τι
καὶ πολέμιον ἐννοεῖν ἔχουσιν [16] ὅπως δὲ μὴ κατὰ κορυφὴν ὑμᾶς οἱ πολέμιοι
βάλλωσι, μηδέ τι ἐκ τοῦ χωρίου ἡμῖν γίνοιτο βλάβος, ἐγὼ προνοήσω.' [17]
Τοσαῦτα παρακελεύσάμενος Σολόμων, Θεόδωρον ἐκέλευεν, ὃς τῶν
ἐξκουβιτῶρων ἡγεῖτ'· οὕτω γὰρ τοὺς φύλακας Ῥωμαῖοι καλοῦσι, πεζοὺς
χιλίους ἐπαγαγόμενον ἀμφὶ δεῖλην ὄψιαν ἔχοντά τε καὶ τῶν σημείων τινὰ ἐς
τὰ πρὸς ἀνίσχοντα ἥλιον τοῦ Βουργάωνος λάθρα ἀναβῆναι, οὗ μάλιστα
δύσοδόν τε τὸ ὄρος καὶ σχεδόν τι ἀπόρευτον ἦν, ἐπιστείλας ὥστε, ἐπειδὴν
ἄγχι ἐς τὸν τοῦ ὄρους κολωνὸν ἴκωνται, ἐνταῦθα ἡσυχάζοντας τὸ λοιπὸν
διανυκτερεύειν, ἅμα τε ἡλίῳ ἀνίσχοντι καθύπερθε φαινομένους τῶν

πολεμίων καὶ τὰ σημεῖα ἐνδεικνυμένους βάλλειν. [18] ὁ δὲ κατὰ ταῦτα ἐποίει. καὶ ἐπεὶ πόρρω ἦν τῶν νυκτῶν, διὰ τοῦ κρημνώδους ἐγγὺς τοῦ σκοπέλου ἀφικόμενοι μὴ ὅτι Μαυρουσίους, ἀλλὰ καὶ Ῥωμαίους ἅπαντας ἔλαθον: [19] ἐς προφυλακὴν γὰρ τῷ λόγῳ ἐστέλλοντο, μὴ τις ἔξωθεν ἐς τὸ στρατόπεδον κακουργήσων ἴοι. ὄρθρου δὲ βαθέος Σολόμων παντὶ τῷ στρατῷ κατὰ τοῦ Βουργάωνος τὰ ἔσχατα ἐπὶ τοὺς πολέμιους ἀνέβαινε. [20] καὶ ἐπειδὴ πρῶτ' ἐγεγόνει ἐγγὺς τε οἱ πολέμιοι καθεωρῶντο, οὐκέτι γυμνὴν, ὥσπερ τὸ πρότερον, οἱ στρατιῶται τὴν τοῦ ὄρους ὑπερβολὴν ὀρῶντες, ἀλλὰ ἀνδρῶν τε ἀνάπλεων καὶ σημεῖα Ῥωμαϊκὰ ἐνδεικνυμένων ἥδη γὰρ καὶ ὑπέφαινε τι ἡμέρας' διηποροῦντο. [21] ἐπεὶ δὲ τῶν χειρῶν οἱ ἐν τῇ ἄκρᾳ ἦρχον, οἱ τε Ῥωμαῖοι τὸ στράτευμα οἰκεῖον εἶναι καὶ οἱ βάρβαροι ἐν μέσῳ τῶν πολέμιων γεγενῆσθαι ἠσθάνοντο, βαλλόμενοι δὲ ἐκατέρωθεν, καὶ οὐ παρὸν σφίσι τοὺς πολέμιους ἀμύνεσθαι, ἐς ἀλκὴν μὲν οὐκέτι ἔβλεπον, ἐς φυγὴν δὲ αὐτίκα ζύμπαντες ὥρμητο. [22] οὔτε δὲ ἐς τοῦ Βουργάωνος τὴν ὑπερβολὴν ἀναδραμεῖν ἔχοντες, πρὸς τῶν πολέμιων κατεχομένην, οὔτε ἐς τὸ ὁμαλὲς διὰ τοῦ πρόποδός πη ἰέναι, ἐνθένδε σφίσιν ἐπικειμένων τῶν ἐναντίων, ἐς τε τὴν νάπην καὶ ἐς τῶν σκοπέλων τὸν ἕτερον δρόμῳ πολλῷ ἦσαν, οἱ μὲν αὐτοῖς ἵπποις, οἱ δὲ καὶ πεζῇ. [23] ἅτε δὲ ὁμιλος πολὺς ἐν φόβῳ καὶ θορύβῳ μεγάλῳ φεύγοντες, σφᾶς τε αὐτοὺς ἔκτεινον καὶ ἐς τὴν νάπην βαθεῖαν κομιδῇ οὔσαν ἐσπίπτοντες ἀεὶ οἱ πρῶτοι ἔθνησκον, τοῖς μέντοι ὀπισθεν ἰοῦσιν οὐ παρείχοντο τοῦ κακοῦ αἴσθησιν. [24] ἐπεὶ δὲ τῶν τεθνεώτων ἵππων τε καὶ ἀνθρώπων ἡ νάπη ἔμπλεως γενομένη διάβασιν ἐκ τοῦ Βουργάωνος ἐς ὄρος ἐποίει τὸ ἕτερον, ἐνταῦθα ἐσώζοντο οἱ ὑπολειπόμενοι, διὰ τῶν σωμάτων τὴν πορείαν ποιοῦμενοι. [25] ἀπέθανον δὲ ἐν τούτῳ τῷ πόνῳ Μαυρουσίων μὲν μυριάδες πέντε, ὡς αὐτῶν ἰσχυρίζοντο οἱ περιόντες, Ῥωμαίων δὲ τὸ παράπαν οὐδεὶς, οὐ μὴν οὐδὲ πληγὴν τινα ἔλαβεν ἢ πρὸς τῶν πολέμιων ἢ τύχης αὐτῷ ξυμβάσης τινός, ἀλλ' ἀκραιφνεῖς πάντες τῆς νίκης ἀπώναντο ταύτης. [26] διέφυγον δὲ καὶ οἱ τῶν βαρβάρων ἡγούμενοι πάντες, πλην γε δὴ ὅτι Ἑσδιλάσας πίστεις λαβὼν Ῥωμαίοις αὐτὸν ἐνεχείρισε. [27] γυναικῶν μέντοι καὶ παίδων λείαν τοσαύτην τὸ πλῆθος Ῥωμαῖοι εἶλον ὥστε προβάτου τιμῆς παῖδα Μαυρουσίον τοῖς ὠνεῖσθαι βουλομένοις ἀπέδοντο. [28] καὶ τότε Μαυρουσίων τοὺς ὑπολειπομένους γυναικῶν τῶν σφετέρων τὸ λόγιον ἐσῆει, ὡς ἄρα τὸ γένος αὐτοῖς πρὸς ἀνδρὸς ἀγενεῖου ὀλεῖται. [29] Τὸ μὲν οὖν Ῥωμαίων στράτευμα ζύν τε τῇ λείᾳ καὶ τῷ Ἑσδιλάσᾳ ἐς Καρχηδόνα ἐσήλαννον τῶν δὲ βαρβάρων ὅσοις μὴ ἀπολωλέναι ξυμβέβηκεν, ἐν Βυζακίῳ μὲν ἰδρῦσθαι ἀδύνατα ἐδόκει εἶναι, ὅπως μὴ ὀλίγοι ὄντες πρὸς Λιβύων τῶν σφίσιν ὁμόρων βιάζωνται, ζύν δὲ ἄρχουσι τοῖς σφετέροις εἰς Νουμιδίαν ἀφικόμενοι ἰκέται γίνονται Ἰαῦδα, ὃς τῶν ἐν Αὐρασίῳ Μαυρουσίων ἦρχε. [30] μόνον δὲ Μαυρουσίων ἐν Βυζακίῳ διέμειναν ὧν ἠγεῖτο Ἀντάλας, ὃς δὴ ἐν τούτῳ τῷ χρόνῳ τὴν ἐς Ῥωμαίους πίστιν φυλάξας κακῶν ἀπαθῆς ζύν τοῖς ὑπηκόοις τοῖς αὐτοῦ ἔμεινεν.

Ἐν ᾧ δὲ ταῦτα ἐν Βυζακίῳ ἐγένετο, ἐν τούτῳ Ἰαύδας ὃς τῶν ἐν Αὐρασίῳ Μαυρουσίων ἦρχε, πλεόν ἢ τρισμυρίους ἄνδρας μαχίμους ἐπαγόμενος ἐλίζετο τὰ ἐπὶ Νουμιδίας χωρία, ἠνδραποδίζε τε τῶν Λιβύων πολλούς. [2]

ἐτύγχανε δὲ Ἀλθίας ἐν Κεντουρίαις τῶν ἐκείνη φρουρίων φυλακὴν ἔχων· ὃς τῶν αἰχμαλώτων τινὰς ἀφελέσθαι τοὺς πολεμίους ἐν σπουδῇ ἔχων ζὺν Οὐννοῖς τοῖς αὐτῷ ἐπομένοις, ἐβδομήκοντα μάλιστα οὖσιν, ἔξω τοῦ φρουρίου ἐγένετο. [3] λογισάμενός τε ὡς οὐχ οἷός τέ ἐστι πλήθει Μαυρουσίων τοσοῦτω ζὺν ἀνδράσιν ἐβδομήκοντα ἐς χεῖρας ἰέναι, στενοχωρίαν καταλαβεῖν τινα ἤθελεν, ὅπως ἂν δι' αὐτῆς ὁδῷ ἰόντων τῶν πολέμιων τῶν τινὰς αἰχμαλώτων ἀναρπάσαι δυνατὸς εἴη. [4] καὶ 'οὐ γάρ ἐστι τοιαύτη τις ἐνταῦθα ὁδός, ἐπεὶ πεδία ὑπτία πανταχῇ τῶν ἐκείνη χωρίων ἐστὶν ἐπενόει τάδε. [5] Πόλις ἐστὶ που πλησίον Τίγισις ὄνομα, τότε μὲν ἀτείχιστος οὖσα, κρήνην δὲ μεγάλην τινὰ ἐν στενοχωρίᾳ πολλῇ ἔχουσα. [6] ταύτην Ἀλθίας τὴν κρήνην καταλαβεῖν ἔγνω, λογισάμενος ὡς δίψῃ ἀναγκαζόμενοι ἐνταῦθα πάντως ἀφίζονται οἱ πολέμιοι· ἄλλο γὰρ ὕδωρ ἄγχιστά πη ὡς ἥκιστα ἐστὶ. [7] πᾶσι μὲν οὖν τὸ τοῦ πλήθους ἐκλογιζομένοις παράλογον ἔδοξε μανιώδης αὐτοῦ ἡ ἔννοια εἶναι. [8] οἱ δὲ Μαυρούσιοι κόπῳ τε πολλῷ καὶ πνίγει μεγάλῳ θέρους ὥρᾳ ὠμιληκότες, δίψῃ τε, ὡς τὸ εἶκός, ἀπ' αὐτοῦ μεγίστη ἐχόμενοι, παρὰ τὴν κρήνην δρόμῳ πολλῷ ἦλθον, οὐδὲν ἐναντίωμα ἐν νῷ ἔχοντες. [9] ἐπειδὴ δὲ τὸ ὕδωρ πρὸς τῶν πολέμιων ἐχόμενον εὗρον, ἀπορούμενοι ζύμπαντες ἔστησαν, τοῦ πλείστου τῆς ἰσχύος ἤδη δαπανηθέντος σφίσι τῇ τοῦ ὕδατος ἐπιθυμίᾳ. [10] διὸ δὴ Ἰαύδας τῷ Ἀλθίᾳ εἰς λόγους ἦκων τὸ τριτημόριόν οἱ δώσειν ὠμολόγει τῆς λείας, ἐφ' ᾗ δὴ Μαυρούσιοι πῶσιν ἅπαντες. [11] ὁ δὲ τὸν μὲν λόγον ἐνδέχεσθαι οὐδαμῇ ἤθελε, μονομαχεῖν δὲ πρὸς αὐτὸν ὑπὲρ τούτων ἠξίου. [12] τοῦ δὲ Ἰαύδα ταύτην δὴ δεξαμένου τὴν πρόκλησιν, ξυνέκειτο ἡσσηθέντος, ἂν οὕτω τύχη, τοῦ Ἀλθία Μαυρουσίους πιεῖν. [13] ἔχαιρέ τε ἅπας ὁ τῶν Μαυρουσίων στρατός, εὐέλπιδες ὄντες, ἐπεὶ Ἀλθίας μὲν ἰσχνός τε ἦν καὶ οὐ μέγας τὸ σῶμα, Ἰαύδας δὲ κάλλιστός τε ἦν καὶ μαχιμώτατος Μαυρουσίων ἀπάντων. [14] ἄμφω μὲν οὖν ἱππεῖς ἐτύγχανον ὄντες. ὁ δὲ Ἰαύδας τὸ δοράτιον ἠκόντισε πρῶτος, οὐπὲρ Ἀλθίας ἐπ' αὐτὸν ἰόντος χειρὶ λαβέσθαι τῇ δεξιᾷ παρὰ δόξαν ἰσχύσας Ἰαύδαν τε καὶ τοὺς πολεμίους κατέπληξε. [15] τῇ δὲ λαιᾷ χειρὶ τὸ τόξον ἐντείνας αὐτίκα, ἐπεὶ ἀμφιδέξιός ἦν, τὸν Ἰαύδα ἵππον βαλὼν ἔκτεινε. [16] πεσόντος τε αὐτοῦ ἵππον ἕτερον τῷ ἄρχοντι Μαυρούσιοι ἤγον, ἐφ' ὃν ἀναθορῶν Ἰαύδας εὐθὺς ἔφυγε· καὶ οἱ κόσμῳ οὐδενὶ ὁ τῶν Μαυρουσίων στρατὸς εἶπετο. [17] ὃ τε Ἀλθίας τοὺς τε αἰχμαλώτους καὶ τὴν λείαν ἀφελόμενος ζύμπασαν ὄνομα μέγα ἐκ τοῦ ἔργου τούτου ἀνὰ πᾶσαν Λιβύην ἔσχε. ταῦτα μὲν οὖν τῇδε ἐχώρησε. [18] Σολόμων δὲ ἐν Καρχηδόνι ὀλίγον τινὰ διατρίψας χρόνον, ἐπὶ τε ὅρος τὸ Αὐράσιον καὶ Ἰαύδαν ἐπῆγε τὸ στράτευμα, ἐπενεγκὼν αὐτῷ ὅτι, ἡνίκα ὁ Ῥωμαίων στρατὸς τὴν ἐν Βυζακίῳ ἀσχολίαν εἶχε, πολλὰ ἐλήμισατο τῶν ἐν Νουμιδία χωρίων. καὶ ἦν δὲ οὕτως. [19] ὥρμων δὲ Σολόμωνα ἐπὶ τὸν Ἰαύδαν Μαυρουσίων ἄρχοντες ἕτεροι, Μασσωνᾶς τε καὶ Ὀρταῖας, τῆς σφετέρας ἔχθρας ἔνεκα· Μασσωνᾶς μὲν, ὅτι οἱ τὸν πατέρα Μεφανίαν κηδεστὴς ὢν Ἰαύδας δόλῳ ἔκτεινεν, ὁ δὲ ἕτερος, ὅτι ζὺν τῷ Μαστίνα, ὃς τῶν ἐν Μαυριτανίᾳ Βαρβάρων ἡγεῖτο, ἐξελάσαι αὐτόν τε καὶ Μαυρουσίους ὧν ἦρχεν ἐκ τῆς χώρας ἐβούλευσεν, ἔνθα δὴ ἐκ παλαιοῦ ᾤκηντο. [20] ὁ μὲν οὖν Ῥωμαίων στρατὸς, ἡγουμένου αὐτοῖς Σολόμωνος, καὶ Μαυρουσίων ὅσοι σφίσιν ἐς ξυμμαχίαν ἦλθον, ἐστρατοπεδεύσαντο ἐς ποταμὸν Ἀβίγαν, ὃς τὸ

Αὐράσιον παραρρέων ἀρδεύει τὰ ἐκείνη χωρία. [21] τῷ δὲ Ἰαύδᾳ ἐς μὲν τὸ πεδῖον τοῖς πολεμίοις ἀντιτάξασθαι ἀξύμορον εἶναι ἐφαίνετο, τὰ δὲ ἐν Αὐρασίῳ ἐξηρτύετο ὅπη οἱ ἐδόκει τοῖς ἐπιούσιν ὡς δυσκολώτατα ἔσεσθαι. [22] τοῦτο δὲ τὸ ὄρος ἡμερῶν μὲν ὁδῷ δέκα καὶ τριῶν μάλιστα Καρχηδόνος διέχει, μέγιστον δὲ ἀπάντων ἐστὶν ὧν ἡμεῖς ἴσμεν. [23] ἡμερῶν γὰρ τριῶν ἐνταῦθα εὐζώνῳ ἀνδρὶ περίοδος ἐστὶ. καὶ τῷ μὲν ἐς αὐτὸ ἰέναι βουλομένῳ δύσοδόν τέ ἐστὶ καὶ δεινῶς ἄγριον, ἄνω δὲ ἦκοντι καὶ ἐν τῷ ὁμαλεῖ γενομένῳ πεδία τε φαίνεται καὶ κρῆναι πολλὰ ποταμούς τε ποιοῦσαι καὶ παραδείσων πολὺ τι χρῆμα θαυμάσιον οἶον. [24] καὶ ὁ τε σῖτος ὃς ἐνταῦθα φύεται ἢ τε ὀπώρα ἐκάστη διπλασία τὸ μέγεθός ἐστιν ἢ ἐν τῇ ἄλλῃ ἀπάσῃ Λιβύῃ γίνεσθαι πέφυκεν. [25] ἔστι δὲ καὶ φρούρια ἐνταῦθα πῇ ἀπημελημένα, τῷ μὴ δοκεῖν ἀναγκαῖα τοῖς ταύτῃ ὤκημένοις εἶναι. [26] ἐξ ὅτου γὰρ τὸ Αὐράσιον Μαυρούσιοι Βανδύλους ἀφείλοντο, οὐδεὶς πῶ ἐς αὐτὸ πολέμιος ἦλθεν οὐδὲ ἐς δέος τοὺς βαρβάρους κατέστησεν, ἀλλὰ καὶ πόλιν Ταμούγαδιν, ἢ πρὸς τῷ ὄρει ἐν ἀρχῇ τοῦ πεδίου πρὸς ἀνίσχοντα ἥλιον πολυάνθρωπος οὔσα ὤκητο, ἔρημον ἀνθρώπων οἱ Μαυρούσιοι ποιησάμενοι ἐς ἔδαφος καθεῖλον, ὅπως μὴ ἐνταῦθα ἢ δυνατὰ ἐνστρατοπεδεύσασθαι τοῖς πολεμίοις, ἀλλὰ μὴδὲ κατὰ πρόφασιν τῆς πόλεως ἄγχι ἐς τὸ ὄρος ἰέναι. [27] εἶχον δὲ οἱ ταύτῃ Μαυρούσιοι καὶ τὴν πρὸς ἐσπέραν τοῦ Αὐρασίου χώραν, [28] πολλήν τε καὶ ἀγαθὴν οὔσαν. καὶ τούτων ἐπέκεινα Μαυρουσίων ἔθνη ἕτερα ὤκνητο, ὧν ἦρχεν Ὀρταΐας, ὃς Σολόμωνι τε καὶ Ῥωμαίοις, [29] ὡς ἔμπροσθεν ἐρρήθη, ξύμμαχος ἦλθε. τούτου τοῦ ἀνθρώπου ἐγὼ λέγοντος ἤκουσα ὡς ὑπὲρ τὴν χώραν ἣς αὐτὸς ἄρχοι, οὐδένες ἀνθρώπων οἰκοῦσιν, ἀλλὰ γῆ ἔρημος ἐπὶ πλεῖστον διήκει, ταύτης τε ἐπέκεινα ἀνθρωποὶ εἰσιν οὐχ ὥσπερ οἱ Μαυρούσιοι μελανόχροι, ἀλλὰ λευκοὶ τε λίαν τὰ σώματα καὶ τὰς κόμας ξανθοί. ταῦτα μὲν δὴ ὧδέ πῃ ἔχει. [30] Σολόμων δὲ Μαυρουσίων τε τοὺς ξυμμάχους δωρησάμενος χρήμασι μεγάλοις καὶ πολλὰ παρακελευσάμενος παντὶ τῷ στρατῷ ἐς ὄρος τὸ Αὐράσιον ὡς ἐς μάχην διατεταγμένους ἀνέβαινεν, οἰόμενος ἐκείνῃ τῇ ἡμέρᾳ τοῖς τε πολεμίοις διὰ μάχης ἰέναι καὶ ἀπ' αὐτῶν διακρίνεσθαι, ὅπη ἂν ἡ βουλομένη τῇ τύχῃ. [31] οὐ γὰρ οὐκ οὐδὲ τροφάς, ὅτι μὴ ὀλίγας, σφίσι τε καὶ τοῖς ἵπποις τοῖς σφετέροις οἱ στρατιῶται ἐπήγοντο. [32] πορευθέντες δὲ ἐν δυσχωρίᾳ πολλῇ πεντήκοντα μάλιστα σταδίους ηὔλisanτο. [33] τοσαύτην τε ὁδὸν ἐς ἡμέραν ἐκάστην ἀνύοντες ἑβδομαῖοι ἀφικνοῦνται ἐς χῶρον ἔνθα φρούριόν τε παλαιὸν ἦν καὶ ποταμός τις ἀένναος. Ὅρος Ἀσπίδος τῇ σφετέρᾳ γλώσσει καλοῦσι Λατῖνοι τὸν χῶρον. [34] ἐνταῦθα σφίσι στρατοπεδεύεσθαι ἠγγέλλοντο οἱ πολέμιοι, καὶ ἐπειδὴ ἐν τῷ χωρίῳ τούτῳ ἐγένοντο πολέμιόν τε οὐδὲν ἀπήντα, στρατοπεδευσάμενοι καὶ ὡς ἐς μάχην παρασκευασάμενοι αὐτοῦ ἔμενον, ἡμερῶν τε αὐτοῖς ἐνταῦθα τριῶν χρόνος ἐτρίβη. [35] ὡς δὲ οἱ τε πολέμιοι τὸ παράπαν σφίσιν ἐκποδὼν ἴσταντο καὶ τὰ ἐπιτήδεια ἐπελελοίπει, ἐνθύμιον Σολόμωνι τε καὶ τῇ στρατιᾷ πάσῃ ἐγένετο, ὡς ἄρα τις πρὸς Μαυρουσίων τῶν ξυμμάχων ἐπιβουλὴ ἐς αὐτοὺς γίνοιτο: [36] οἱ γε, καίπερ οὐκ ἀμελετήτως τῆς ἐν Αὐρασίῳ πορείας ἔχοντες, ἐπιστάμενοί τε, ὡς τὸ εἰκός, ὅσα τοῖς πολεμίοις βεβουλευμένα ἐτύγγανεν, ἐς ἐκάστην μὲν αὐτοῖς ἡμέραν λάθρα ἐπειγόμενοι, ὥσπερ ἐλέγετο, πολλάκις δὲ καὶ κατασκοπῆς ἕνεκα ἐς αὐτοὺς πρὸς Ῥωμαίους

σταλέντες, οὐδὲν ἀγγεῖλαι ὑγῆς ἔγνωσαν, ὅπως δὴ μὴ προμαθόντες τροφάς τε σφίσιν ἐς χρόνον πλείω ἔχοντες ἐς ὅρος τὸ Αὐράσιον ἀναβαίνουιν καὶ τὰ ἄλλα παρασκευάσαιντο ὅπη ἄριστα ἔσεσθαι ἐμελλεν. [37] ὅλως δὲ ἐνέδραν σφίσι πρὸς ἀνδρῶν ξυμμάχων γεγενῆσθαι ὑποτοπήσαντες ἐς δέος ἦλθον, λογιζόμενοι ὡς ἄπιστοι λέγονται εἶναι Μαυρούσιοι φύσει, ἄλλως τε ἡνίκα Ῥωμαίοις ἢ ἄλλοις τισὶ ξυμμαχοῦντες ἐπὶ Μαυρουσίους στρατεύονται. [38] ὧν δὴ ἐνθυμηθέντες, ἅμα δὲ καὶ λιμῶ πιεζόμενοι, ἐνθὲνδε τε κατὰ τάχος ἀναχωροῦσιν ἄπρακτοι καὶ ἐς τὸ πεδῖον ἀφικόμενοι χαράκωμα ἐποίησαντο. [39] Μετὰ δὲ Σολόμων τοῦ στρατοῦ μοῖράν τινα φυλακῆς ἕνεκα ἐν Νουμιδία καταστησάμενος ἄχειμων γὰρ ἦδη ἦν ζῶν τοῖς ἐπιλοίποις ἐς Καρχηδόνα ἦει. [40] ἐνθα δὴ ἕκαστα διεῖπέ τε καὶ διεκόσμη, ὅπως ἅμα ἦρι ἀρχομένῳ πλείονι παρασκευῇ καί, ἣν δύνηται, ξυμμάχων Μαυρουσίων ἐκτὸς ἐπὶ τὸ Αὐράσιον αὐθις στρατεύοι. [41] ἅμα δὲ καὶ στρατηγούς τε καὶ στρατιὰν ἄλλην καὶ νηῶν στόλον ἐπὶ Μαυρουσίους ἐξηρτύετο οἱ ἐν Σαρδοὶ τῇ νήσῳ ἴδρυνται. [42] αὕτη γὰρ ἡ νῆσος μεγάλη μὲν ἐστὶ καὶ ἄλλως εὐδαίμων, ἐς τὰς δύο μάλιστα τῆς Σικελίας κατατείνουσα μοίρας ἡμερῶν γὰρ ὁδὸν εἴκοσιν εὐζώνῳ ἀνδρὶ τὸ τῆς γῆς περίμετρον ἔχει, Ῥώμης τε καὶ Καρχηδόνης ἐν μέσῳ κειμένη πρὸς Μαυρουσίων τῶν ταύτῃ ὤκημένων πιέζεται. [43] Βανδίλοι γὰρ τὸ παλαιὸν ἐς τούτους τοὺς βαρβάρους ὀργῇ χρώμενοι ὀλίγους δὴ τινας σὺν ταῖς γυναιξίν ἐς Σαρδῶ πέμπαντες ἐνταῦθα εἴρξαν. [44] χρόνου δὲ προϊόντος τὰ ὄρη καταλαμβάνουσιν ἡ Καρανάλεως ἐγγὺς ποῦ ἐστὶ, τὰ μὲν πρῶτα ληστείας ἐκ τοῦ ἀφανοῦς ἐς τοὺς περιοίκους ποιούμενοι, ἐπεὶ δὲ οὐχ ἥσσον ἐγένοντο ἢ τρισχίλιοι, καὶ ἐς τοῦμφανὲς καταθέοντες, λανθάνειν τε ἥκιστα ἀξιούντες ἅπαντα ἐλίζοντο τὰ ἐκείνη χωρία, Βαρβαρικῖνοι πρὸς τῶν ἐπιχωρίων καλούμενοι. [45] ἐπὶ τούτους δὴ τοὺς Μαυρουσίους ὁ Σολόμων ἐν τούτῳ τῷ χειμῶνι τὸν στόλον ἡτοίμαζε. ταῦτα μὲν οὖν ἐν Λιβύῃ ἐφέρετο τῇδε.

Ἐν δὲ Ἰταλία κατὰ τοὺς χρόνους τοὺς αὐτοὺς τάδε γενέσθαι τετύχηκε. Βελισάριος ἐπὶ Θεωδᾶτόν τε καὶ τὸ Γότθων ἔθνος πρὸς Ἰουστινιανοῦ βασιλέως ἐστέλλετο, καταπλεύσας δὲ ἐς Σικελίαν ταύτην δὴ τὴν νῆσον πόνῳ οὐδενὶ ἔσχεν. [2] ὄντινα δὲ τρόπον, ἐν τοῖς ὀπισθέν μοι λόγοις λελέξεται, ὅτε με ὁ λόγος ἐς τῶν Ἰταλικῶν πραγμάτων τὴν ἱστορίαν ἄγει. [3] νῦν γάρ μοι οὐκ ἀπὸ τρόπου ἔδοξεν εἶναι ξύμπαντα ἀναγραφάμενον τὰ ἐν Λιβύῃ ξυνενεχθέντα οὕτω δὴ ἐπὶ τὸν λόγον τὸν ἀμφὶ Ἰταλίαν τε καὶ Γότθους ἰέναι. [4] Τὸν μὲν οὖν χειμῶνα τοῦτον Βελισάριος μὲν ἐν Συρακούσαις, Σολόμων δὲ ἐν Καρχηδόνι διέτριψε. [5] καὶ τέρας ἐν τῷδε τῷ ἔτει ξυνηνέχθη γενέσθαι δεινότατον. ὁ γὰρ ἥλιος ἀκτίνων χωρὶς τὴν αἴγλην, ὥσπερ ἡ σελήνη, ἐς τοῦτον δὴ τὸν ἐνιαυτὸν ἅπαντα ἠφαίει, ἐκλείποντί τε ἐπὶ πλεῖστον ἐφείκει, τὴν ἀμαρυγὴν τὴν αὐτοῦ οὐ καθαρὰν οὐδὲ ἥπερ εἰώθει ποιούμενος. [6] ἐξ οὗ τε ξυμβῆναι τοῦτο τετύχηκεν, οὔτε πόλεμος οὔτε λοιμὸς οὔτε τι ἄλλο ἐς θάνατον φέρον τοὺς ἀνθρώπους ἀπέλιπε. χρόνος δὲ ἦν ὅτε δέκατον ἔτος Ἰουστινιανὸς τὴν βασιλείαν εἶχεν. [7] Ἄμα δὲ ἦρι ἀρχομένῳ, ὅτε οἱ Χριστιανοὶ ἐορτὴν ἦγον ἣν δὴ Πασχαλίαν καλοῦσι, στρατιώταις στάσις ἐν Λιβύῃ ἐνέπεσεν. ἡ ὅπως τε ἐφύη καὶ ἐς ὃ τι ἐτελεύτησεν, ἐρῶν ἔρχομαι. [8] Ἐπειδὴ Βανδίλοι ἡσσήθησαν τῇ μάχῃ, ὥσπερ μοι ἔμπροσθεν εἴρηται, οἱ Ῥωμαίων στρατιῶται τὰς αὐτῶν παιδᾶς τε καὶ

γυναῖκας ἐν γαμετῶν ἐποιήσαντο λόγῳ. [9] ἡ δὲ αὐτῶν ἐκάστη τὸν ἄνδρα ἐνήγε τῶν χωρίων τῆς κτήσεως μεταποιεῖσθαι ὣν αὐτὴ πρότερον κυρία ἐτύγγανεν οὕσα, οὐχ ὅσιον λέγουσα εἶναι, εἰ Βανδύλοις μὲν ξυνοικοῦσαι τούτων ἀπάναντο, τοῖς δὲ αὐτοὺς νενικηκόσιν ἐς γάμον ἐλθοῦσαι οὕτω δὴ τῶν σφίσιν ὑπαρχόντων στερήσονται. [10] ταῦτα δὲ οἱ στρατιῶται ἐν νῶ ἔχοντες Σολόμωνι εἴκειν οὐκ ᾤοντο χρῆναι τὰ Βανδύλων χωρία ἔς τε τὸ δημόσιον καὶ ἐς τὸν βασιλέως οἶκον ἐθέλοντι ἀναγράψασθαι, φάσκοντί τε ὡς τὰ μὲν ἀνδράποδα καὶ τὰ ἄλλα πάντα χρήματα τοῖς στρατιώταις ἐς λάφυρα ἰέναι οὐκ ἀπεικὸς εἶναι, γῆν μὲντοι αὐτὴν βασιλεῖ τε καὶ τῇ Ῥωμαίων ἀρχῇ προσήκειν, ἥπερ αὐτοῦ ἐξέθρεψέ τε καὶ στρατιώτας καλεῖσθαι τε καὶ εἶναι πεποίηκεν, οὐκ ἐφ' ᾧ σφίσιν αὐτοῖς τ' χωρία κεκτήσονται ὅσα ἂν βαρβάρους ἐπὶ βατεύοντας τῆς Ῥωμαίων βασιλείας ἀφείλιντο· ἀλλ' ἐφ' ᾧ ἐς τὸ δημόσιον ταῦτα ἰέναι, ὅθεν σφίς τε ξυμβαίνει καὶ τοῖς ἄλλοις ἅπασι τὰς σιτήσῃ κομίζεσθαι. [11] αὕτη μὲν τῆς στάσεως αἰτία ξυνέπεσε μία. καὶ ἐτέραν δὲ τινα ξυνηνέχθη γενέσθαι τοιάνδε, ἥ οὐδέν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον ἅπαντα ξυνταράξαι τὰ ἐν Λιβύῃ πράγματ' ἴσχυσεν. [12] ἐν τῷ Ῥωμαίων στρατοπέδῳ τῇ Ἀρείου δόξης οὐχ ἦσσαν ἡ χιλίους στρατιώτ' εἶναι ξυνέπεσαν: ὧν δὴ οἱ πολλοὶ βάρβαροι ἦσαν καὶ αὐτῶν τινες ἐκ τοῦ Ἑρούλων ἔθνους. [13] τούτῳ δὴ οἱ τῶν Βανδύλων ἱερεῖς ἐς τὴν στάσιν τὸ μάλιστα ὥρμων. οὐ γὰρ σφίσιν ἦν δυνατὰ τ' θεῷ ἐξοσιοῦσθαι τὰ εἰωθότα, ἀλλὰ ἀπεκέκλειντο καὶ μυστηρίων καὶ ἱερῶν ἀπάντων. [14] οὐ γὰρ εἴς βασιλεὺς Ἰουστινιανὸς ἄνδρα Χριστιανὸν ὃ μεταλαχόντα δόξης ὀρθῆς ἡ βαπτίσματι ἡ ἄλλῳ τῷ μυστηρίῳ χρῆσθαι. [15] μάλιστα δὲ αὐτοὺς, "Πασχαλία ἑορτὴ ξυνετάραξε, καθ' ἣν οὐχ οἷόν τε ἐγίνοντο τὰ σφέτερα αὐτῶν παιδία τῷ θεῷ βαπτίζειν λουτρῷ, ἡ ἄλλο τι ἐργάζεσθαι ἐξ ταύτης δὴ τὴν ἑορτὴν ἄγον. [16] ὥσπερ δὲ οὐχ ἱκανὰ ταῦτα τῷ δαιμονίῳ διαφθεῖραι τὰ Ῥωμαίων πράγματα ἐν σπουδῇ ἔχοντι, ξυνέπεσέ τι καὶ ἄλλο τοῖς τὴν στάσιν μελετῶσιν ἐφόδιον. [17] τοῦ γὰρ Βανδύλους, οὓς Βελισάριος ἐς Βυζάντιον ἤνεγκε, κατεστήσατο βασιλεὺς ἐς καταλόγους ἱππικοὺς πέντε, ὅπως ἐν πόλεσι ταῖς ἐφάις τὸν ἅπαντα ἰδρύσωνται χρόνον: οὓς καὶ Ἰουστινιανοὺς Βανδύλους καλέσας ἐκέλευσε ξὺν ναυσὶν ἐς τὴν ἕω κομίζεσθαι. [18] τούτων δὴ τῶν Βανδύλων στρατιωτῶν οἱ μὲν πλεῖστοι ἐς τὴν ἕω ἀφίκοντο καὶ τοὺς καταλόγους πληροῦντες ἐς οὓς διατετάχатаι. ἄχρι τοῦδε ἐπὶ Πέρσας στρατεύονται: οἱ δὲ ἄλλοι, ἀμφὶ τετρακοσίους ὄντες, ἐπεὶ ἐν Λέσβῳ ἐγένοντο, κεκολωμένον σφίσι τῶν ιστίων τοὺς ναύτας βιασάμενοι Πελοποννήσῳ προσέσχον. [19] ἐνθένδε τε ἀπάραντες ἐς Λιβύην κατέπλευσαν ἐν χωρίῳ ἐρήμῳ, οὗ δὴ τὰς ναῦς ἀπολιπόντες καὶ συσκευασάμενοι ἐς τὸ ὄρος τὸ Αὐράσιον καὶ ἐς Μαυριτανίαν ἀνέβησαν. [20] οἷς δὴ ἐπηρμένοι οἱ στρατιῶται οἷς ἦν ἐπιμελεία ἡ στάσις, ἔτι μᾶλλον ξυνίσταντο ἐν σφίσιν αὐτοῖς. [21] καὶ λόγοι τε πολλοὶ περὶ τούτου καὶ ὅρκοι ἤδη ἐν τῷ στρατοπέδῳ ἐγίνοντο. ἐπειδὴ τε τὴν ἑορτὴν ἄγειν ἔμελλον, ἀχθόμενοι τῇ κωλύμῃ τῶν ἱερῶν οἱ Ἀρειανοὶ σφόδρα ἐνέκειντο. [22] Ἐδοξέ τε αὐτῶν τοῖς κορυφαίοις ἐν τῷ ἱερῷ τῇ πρώτῃ τῆς ἑορτῆς ἡμέρᾳ, ἣν μεγάλην καλοῦσι, [23] Σολόμωνα κτείνειν. καὶ ἔλαθόν γε οὐδενὸς τοῦτο δὴ ἐξενεγκόντος τὸ βούλευμα. ἅτε γὰρ πολλῶν ὄντων τῶν τὰ δεινὰ βουλευομένων ὁ λόγος περιφερόμενος ἐς δυσμενῆ οὐδένα ἐξέπιπτε,

ταύτη τε λανθάνειν ἐξίσχυσαν, ἐπεὶ καὶ Σολόμωνος οἱ πολλοὶ δορυφόροι τε καὶ ὑπασπισταὶ καὶ τῶν οἰκετῶν οἱ πλεῖστοι ἐς ταύτην δὴ τὴν στάσιν ξυνετετάχατο τῇ τῶν χωρίων ἐπιθυμίᾳ. [24] ἡμέρας δὲ ἤδη τῆς κυρίας παρουσίας Σολόμων μὲν ἐν τῷ ἱερῷ ἐκάθητο, μακρὰν τῶν αὐτοῦ ἀπολελειμμένος κακῶν. [25] ἐσελθόντες δὲ οἷς τὸν ἄνδρα τοῦτον κτείνειν ἐδέδοκτο, νεύμασί τε ἀλλήλοις ἐγκελευσάμενοι, τῶν ξιφῶν ἤπτοντο, ἔδρασαν μὲντ' οὐδέν, ἢ τὰ τελούμενα τηρικαῦτα ἐν τῷ ἱερῷ αἰσχυρόμενοι, ἢ διὰ τὴν τοῦ στρατηγοῦ δόξαν ἐρυθριῶντες, ἢ καὶ τι θεῖον αὐτοὺς διεκώλυσεν. [26] Ἐπειδὴ δὲ τὰ τε ἱερὰ ἐκείνῃ τῇ ἡμέρᾳ ἤσκητο ἡδη καὶ οἴκαδε ἐκομίζοντο ἕκαστοι, ἀλλήλους ἡτιῶντο οἱ στασιῶται ἅτε μαλθακοὺς οὐκ ἐν δέοντι γεγενημένους, καὶ αὐθις ἀπετίθεντο ἐς τὴν ἐπιούσαν τὸ βούλευμα. [27] ὁμοίως δὲ καὶ τῇ ὑστεραίᾳ διαγεγονότες ἄπρακτοι ἐκ τοῦ ἱεροῦ ἀνεχώρησαν ἕς τε τὴν ἀγορὰν ἐλθόντες ἀλλήλοις ἐκ τοῦ ἐμφανοῦς ἐλοιδοροῦντο, αὐτὸς τε ἕκαστος μαλθακὸν τε τὸν πέλας καὶ τῆς ἐταιρίας διαλυτὴν ἀποκαλῶν τὴν ἐς Σολόμωνα αἰδῶ ὀνειδίζειν οὐκ ἀπηξίου. [28] διὸ δὴ οὐκέτι ἀκίνδυνον σφίσιν ὄντο ἔσσεσθαι τὴν ἐν Καρχηδόνι διατριβὴν ἅτε ἐς τὸ πᾶν ἐξενεγκόντες τὸ βούλευμα. [29] οἱ μὲν οὖν πολλοὶ τῆς πόλεως ἔξω κατὰ τάχος γενόμενοι τὰ τε χωρία ἐλθίζοντο καὶ Λίβυσιν οἷς ἂν ἐντύχοιεν ὡς πολεμίοις ἐχρῶντο· οἱ δὲ ἄλλοι ἐν τῇ πόλει διαμείναντες οὐ παρεῖχον αἴσθησιν ἧς εἶχον αὐτοὶ γνώμης, ἀλλ' ἀγνοεῖν τὰ βεβουλευμένα προσεποιοῦντο. [30] Σολόμων δὲ ἀκούσας ὅσα πρὸς τῶν στρατιωτῶν ἐν τῇ χώρᾳ ἐπράσσετο, ἐς θόρυβόν τε πολλὸν ἐμπεσὼν τοῖς ἐν τῇ πόλει ἐγκελευόμενος οὐκ ἀνέβη ἐς εὐνοίαν τὴν βασιλέως παρακαλῶν. [31] οἱ δὲ κατ' ἀρχὰς μὲν ἐνδέχεσθαι τοὺς λόγους ἐδόκουν, ἡμέρ' δὲ τῇ πέμπτῃ, ἐπεὶ τοὺς ἐξεληλυθότας ἐν βεβαίῳ τυραννεῖν ἤκουσαν, ἐς τὸν ἱππόδρομον ξυλλεγόντες ἕς τε Σολόμωνα καὶ τοὺς ἄλλους ἄρχοντας ἀνέδην ὕβριζον. [32] ἔνθα δὴ πρὸς Σολόμωνος σταλεις Θεόδωρος ὁ Καππαδόκης παρηγορεῖν τε καὶ τι θασσεύειν αὐτοὺς ἐνεχείρει, οὐδέν τι ἐπαῖοντας τῶν λεγομένων. [33] ἦν δέ τις Θεοδώρῳ τούτῳ δυσμένειά τε καὶ ἐπιβουλῆς ὑποψία ἐς Σολόμωνα. [34] διὸ δὴ οἱ στασιῶται στρατηγὸν τε αὐτὸν σφίσιν αὐτίκα τῇ βοῇ ἐψηφίσαντο, καὶ ζὺν αὐτῷ σιδηροφοροῦντες καὶ θορύβῳ πολλῷ χρώμενοι ἐς τὸ Παλάτιον κατὰ τάχος ἦκον. [35] ἔνθα δὴ Θεόδωρον μὲν ἕτερον, ὃς τῶν φυλάκων ἡγεῖτο, κτείνουσιν, ἄνδρα τῆς τε ἄλλης ἀρετῆς ἐπὶ πλεῖστον ἦκοντα καὶ διαφερόντως ἀγαθὸν τὰ πολέμια. [36] ἐπεὶ δὲ τοῦ φόνου τούτου ἐγέυσαντο, ἅπαντα ἡδὴ τὸν ἐν ποσὶν ἔκτεινον, εἴτε Λίβυν εἴτε Ῥωμαῖον, Σολόμωνι γνῶριμον εἴτε χρήματα ἐν χερσὶν ἔχοντα, ἐνθένδε τε ἐς τὸ ληΐζεσθαι ἀπεχώρησαν, ἀναβαίνοντες δὲ ἐς τὰς οἰκίας ἔνθα δὴ μὴ στρατιῶται ἡμύνοντο, ἅπαντα τὰ τιμιώτατα ἥρπαζον, ἄχρι νύξ τε ἐπιγενομένη καὶ μέθη τὸν πόνον διαδεξαμένη κατέπαυσε. [37] Σολόμων δὲ ἐς τὸ ἱερόν, ὃ ἐστὶ μέγα ἐν Παλατίῳ, καταφυγὼν ἔλαθεν, ἔνθα δὴ καὶ Μαρτίνος αὐτῷ ἀμφὶ δείλῃν ὀψίαν ἦλθεν. [38] ἐπεὶ δὲ οἱ στασιῶται πάντες ἐκάθευδον, ἐξελθόντες ἐκ τοῦ ἱεροῦ ἐς τὴν Θεοδώρου τοῦ ἐκ Καππαδοκίας οἰκίαν ἦλθον, ὃς αὐτοὺς δειπνήσαι τε οὐ τι προθυμouμένους ἠνάγκασε, καὶ ἐς τὸν λιμένα διακομίσας ἐς λέμβον νεῶς δὴ τινος ἐσεκόμισεν, ὃς δὴ ἐνταῦθα Μαρτίνῳ παρεσκευασμένος ἐτύγγανεν. [39] εἶποντο δὲ Προκόπιός τε, ὃς τάδε ξυνέγραψε, καὶ τῆς Σολόμωνος οἰκίας ἄνδρες πέντε μάλιστα. [40] σταδίου τε

τριακοσίους ἀνύσαντες ἀφίκοντο ἐς Μισοῦαν τὸ Καρχηδονίων ἐπίνειον, καὶ ἐπεὶ ἐγένοντο ἐν τῷ ἀσφαλεῖ, αὐτίκα Σολόμων ἐκέλευε Μαρτίνον ἐς Νουμιδίαν παρὰ Βαλεριανόν τε καὶ τῶν ξυναρχόντων τοὺς ἄλλους ἰέναι, πειρᾶσθαι τε, εἴ πως δύναίτο αὐτῶν ἕκαστος τῶν τινὰς γνωρίμων στρατιωτῶν ἢ χρήμασιν ἢ τρόπῳ ἐτέρῳ τῷ ὑπελθὼν ἐς εὐνοίαν τὴν βασιλέως μεταγαγεῖν. [41] καὶ πρὸς Θεόδωρον γράμματα ἔπεμπε, Καρχηδόνοσ τε ἐπιστέλλων ἐπιμελεῖσθαι καὶ τὰ ἄλλα διέπειν ὅπῃ ἂν αὐτῷ δοκῇ δυνατὰ εἶναι, αὐτὸς δὲ ξὺν Προκοπίῳ παρὰ Βελισάριον ἐς Συρακούσας ἀφίκετο. [42] ἅπαντά τε αὐτῷ ἀγγείλας ὅσα ἐν Λιβύῃ γενέσθαι ξυνέπεσεν, ἐδεῖτο κατὰ τάχος ἰέναι τε ἐς Καρχηδόνα καὶ βασιλεῖ ἀμῦναι πάσχοντι πρὸς στρατιωτῶν τῶν αὐτοῦ τὰ ἀνόσια. καὶ Σολόμων μὲν ταῦτα ἐποίει.

Οἱ δὲ στασιῶται τὰ ἐν Καρχηδόνι ἅπαντα ληισάμενοι ἕς τε τὸ Βούλλης ξυλλεγέντες πεδίον Στότζαν, τῶν Μαρτίνου δορυφόρων ἓνα, τύραννον σφίσιν εἵλοντο, ἄνδρα θυμοειδῆ καὶ δραστήριον, ἐφ' ᾧ τοὺς βασιλέως ἄρχοντας ἐξελάσαντες Λιβύης πάσης κρατήσουσιν. [2] ὁ δὲ ἅπαν ἐξοπλίσας τὸ στρατεύμα, ἐς ὀκτακισχιλίους μάλιστα ξυνίον, ἐπὶ Καρχηδόνα ἐπῆγεν, ὡς τὴν πόλιν αὐτίκα δὴ μάλα παραστησόμενος οὐδενὶ πόνῳ. [3] ἔπεμπε δὲ καὶ ἐς Βανδίλους τοὺς τε ἐκ Βυζαντίου σὺν ταῖς ναυσὶν ἀποδράντας καὶ ὅσοι οὐχ εἶποντο Βελισαρίῳ τὸ ἐξ ἀρχῆς, ἢ διαλαθόντες, ἢ ὅτι οἱ Βανδίλους τῆνικαῦτα παραπέμποντες ἐν λόγῳ αὐτοὺς οὐδενὶ ἐποιήσαντο. [4] ἦσαν δὲ οὐχ ἦσσαν ἢ χίλιοι, οἱ οὐκ ἐς μακρὰν τῷ Στότζᾳ ἐς τὸ στρατόπεδον ξὺν προθυμίᾳ ἦλθον. ἀφίκετο δὲ οἱ καὶ δούλων πολὺς τις ὄμιλος. [5] καὶ ἐπειδὴ ἐγένοντο Καρχηδόνοσ ἐγγύς, ἔπεμψεν ὁ Στότζας, κελεύων οἱ ὡς τάχιστα παραδοῦναι τὴν πόλιν, [6] ἐφ' ᾧ κακῶν ἀπαθείς μείνωσιν. οἱ δὲ ἐν Καρχηδόνι καὶ Θεόδωρος, πρὸς ταῦτα ἄντικρυς ἀπειπόντες, βασιλεῖ ὠμολόγουν Καρχηδόνα φυλάσσειν. [7] πέμψαντές τε παρ' αὐτὸν Ἰωσήφιον, τῶν τε βασιλέως φυλάκων γραμματέα οὐκ ἀφανῆ γεγονότα καὶ τῆς Βελισαρίου οἰκίας ὄντα, κατὰ χρεῖαν δέ τινα πρὸς αὐτοὺς ἐς Καρχηδόνα ἑναγχος ἐσταλμένον, ἠξίουεν μὴ σφᾶς περαιτέρω βιάζεσθαι. [8] Στότζας δέ, ἐπεὶ ταῦτα ἤκουσεν, Ἰωσήφιόν τε αὐτίκα ἔκτεινε καὶ ἐς πολιορκίαν καθίστατο. κατορρωδήσαντές τε οἱ ἐν τῇ πόλει τὸν κίνδυνον, σφᾶς τε αὐτοὺς καὶ Καρχηδόνα Στότζᾳ ἐγχειρίσαι ὁμολογία διεννοοῦντο. τὸ μὲν οὖν Λιβύης στρατόπεδον ἐφέρετο τῇδε. [9] Βελισάριος δέ, ἄνδρας ἀπολέξας τῶν αὐτοῦ δορυφόρων τε καὶ ὑπασπιστῶν ἑκατὸν καὶ Σολόμωνα ἐπαγόμενος, μιᾷ νηὶ ἐς Καρχηδόνα κατέπλευσε περὶ λύχνων ἀφάς, ἠνίκα τὴν πόλιν οἱ πολιορκοῦντες σφίσιν ἐγχειριεῖσθαι τῇ ὑστεραίᾳ ἐκαπαδόκουν. ἐν ἐλπίδι τε ταῦτα ἔχοντες τὴν νύκτα ἐκείνην ἠύλισαντο. [10] ἐπεὶ δὲ ἡμέρα τε ἐγεγόνει καὶ Βελισάριον παρεῖναι ἔμαθον, λύσαντες ὡς τάχιστα τὸ στρατόπεδον αἰσχυρῶς τε καὶ κόσμῳ οὐδενὶ ἐς φυγὴν ὥρμηντο. [11] Βελισάριος δὲ τοῦ στρατοῦ ἀμφὶ δισχιλίους ἀγείρας καὶ αὐτοὺς ἐς εὐνοίαν τὴν βασιλέως λόγοις τε ὀρμήσας καὶ χρήμασι πολλοῖς ἐπιρρώσας τὴν δίωξιν ἐπὶ τοὺς φεύγοντας ἐποιήσατο. [12] καὶ αὐτοὺς ἐς Μέμβρησαν πόλιν καταλαμβάνει, πεντήκοντα καὶ τριακοσίους σταδίους Καρχηδόνοσ διέχουσιν. [13] ἔνθα δὴ ἑκάτεροι στρατοπεδευσάμενοι ἐς μάχην παρεσκευάζοντο, οἱ μὲν ἀμφὶ Βελισάριον ἐς ποταμὸν Βαγράδαν, οἱ δὲ ἕτεροι ἐν χωρίῳ ὑψηλῷ τε καὶ

δυσκόλῳ τὸ χαράκωμα ποιησάμενοι. [14] ἔς γὰρ τὴν πόλιν οὐδέτεροι εἰσελθεῖν ἔγνωσαν, ἐπεὶ ἀτείχιστος οὕσα ἐτύγχανε. [15] τῇ δὲ ὑστεραία καθίσταντο ἐς τὴν ξυμβολήν, οἱ μὲν στασιῶται πλήθει τῷ σφετέρῳ πιστεύοντες, οἱ δὲ ἀμφὶ Βελισάριον ἄτε ἀφρόνων τε καὶ ἀστρατηγῆτων ὑπερφρονοῦντες τῶν πολεμίων. [16] ἃ δὲ Βελισάριος ταῖς τῶν στρατιωτῶν διανοαῖς ἐναποθέσθαι βουλόμενος βεβαίως ἅπαντας ξυγκαλέσας ἔλεξε τάδε: ‘Ἐλπίδος μὲν καὶ εὐχῆς ἦσσαν, ἄνδρες συστρατιῶται, βασιλεῖ τε καὶ Ῥωμαίοις τὰ πράγματα ἔχει. [17] ἐς ξυμβολήν γὰρ τανῦν ἤκομεν ἐξ ἧς οὐδὲ τὸ νικᾶν ἄκλαυστον ἔξομεν, ἐπὶ ξυγγενεῖς τε καὶ ξυντρόφους στρατεύοντες. [18] ἔχομεν δὲ τοῦ κακοῦ παραψυχὴν τήνδε, οἷς γε οὐ τῆς μάχης ἄρχοντες αὐτοί, ἀλλ’ ἀμυνόμενοι ἐς τὸν κίνδυνον καθιστάμεθα. [19] ὁ γὰρ ἐς τοὺς φιλτάτους τὴν ἐπιβουλήν ποιησάμενος καὶ τὸ ξυγγενὲς διαλύσας οἷς ἔδρασεν, οὐ πρὸς τῶν φίλων, ἦν ἀπόληται, θνήσκει, ἀλλ’ ἐν πολεμίου γεγονὼς μοῖρα τοῖς ἡδικημένοις ἐκτίνει τὴν δίκην. [20] πολεμίους δὲ καὶ βαρβάρους καὶ ὃ τι ἂν τις εἴποι δεινότερον εἶναι δείκνυσι τοὺς ἐναντίους οὐ Λιβύῃ μόνον ὑπὸ ταῖς τούτων χερσίν ἐς λείαν ἐλθοῦσα, οὐδὲ οἱ ταύτην οἰκοῦντες οὐ δέον παρ’ ἐκείνων ἀνηρημένοι, ἀλλὰ καὶ Ῥωμαίων στρατιωτῶν πλῆθος οὗς οἱ δυσμενεῖς οὗτοι κτείνειν ἐτόλμησαν, μίαν αὐτοῖς αἰτίαν τὴν ἐς τὴν πολιτείαν ἐπικαλέσαντες εὖνοιαν. [21] οἷς νῦν τιμωροῦντες ἐπ’ αὐτοὺς ἤκομεν, δυσμενεῖς εἰκότως τοῖς πάλαι φιλτάτοις γενόμενοι. [22] φύσει μὲν γὰρ οὐδένες τῶν πάντων ἀνθρώπων οἰκείως ἂν ἢ ἐναντίως ἀλλήλοις ἔχοιεν, αἱ δὲ πράξεις ἐκάστων ἢ τῷ ὁμοτρόπῳ ἐς ξυμμαχίαν ξυνάπτουσαι ἢ τῷ διαλλάσσουντι τῆς γνώμης ἐς τὸ δυσμενὲς διακρίνουσαι φίλους, ἂν οὕτω τύχοι, ἢ πολεμίους ἀλλήλοις ποιοῦσιν. [23] ὥς μὲν οὖν ἐπ’ ἀνθρώπους ἀνοσίους τε καὶ πολεμίους στρατεύομεν, ἱκανῶς ἔχετε: ὥς δὲ καταφρονεῖσθαι εἰσι παρ’ ἡμῶν ἄзιοι, ἐγὼ δηλώσω. [24] ὁμιλος γὰρ ἀνθρώπων οὐ νόμῳ συνιόντων ἀλλ’ ἐκ τοῦ ἀδίκου ξυνειλεγμένων ἀνδραγαθί. ζεσθαι ἤκιστα πέφυκεν, οὐδαμῶς τῆς ἀρετῆς τῷ παρανόμῳ ξυνοικίζεσθαι δυναμένης, ἀλλ’ ἀεὶ τῶν οὐχ ὁσίων ἀφισταμένης. [25] οὐ μὴν οὐδὲ τὴν εὐκοσμίαν φυλάξουσιν οὐδὲ τῶν ὑπὸ Στότζο παραγγελλομένων ἀκούσουσι. [26] τυραννίδα γὰρ ἄρτι καθισταμένην καὶ οὐπω τὴν τοῦ θαρσεῖν ἐξουσίαν λαβοῦσαν ὑπερορᾶσθαι πρὸς τῶν ἀρχομένων ἀνάγκη. [27] οὔτε γὰρ εὖνοία τετίμηται, ἐπεὶ μισεῖσθαι ἢ τυραννὶς πέφυκεν, οὔτε φόβῳ ἄγρ’ τοὺς ὑπὸ κήρους: ἀφείλετο γὰρ αὐτῆς τὴν παρρησίαν τὸ δεδιέναι. [28] ἀρετῆς δὲ καὶ εὐκοσμίας ἀπολελειμμένων τῶν πολεμίων ἡσσᾶσθαι πρόχειρον. πολλῷ τοίνυν, ὅπερ εἶπον, τῷ κατα φρονήματι ἐπὶ τούτῳδε ἡμᾶς τοὺς πολεμίους ἰένα προσήκει. [29] οὐ γὰρ τῷ πλήθει τῶν μαχομένων ἀλλὰ τάξει τε καὶ ἀνδρίᾳ φιλεῖ διαμετερεῖσθαι τὸ τοῦ πολέμου κράτος.’ [30] Βελισάριος μὲν τοσαῦτα εἶπε. Στότζας δ’ παρεκελεύσατο ὧδε: ‘Ἄνδρες οἱ ξὺν ἐμοὶ τῆς ἐς Ῥωμαίους δουλείας ἔξω γεγένησθε, μηδεὶς ὑμῶν ὑπὲρ τῆς ἐλευθερίας ἀπαξιούτω θνήσκειν, ἥς ἀνδρία τε καὶ τῇ ἄλλῃ ἀρετῇ τετυχήκατε. [31] οὐ γὰρ οὕτω δεινὸν τὸ τοῖς κακοῖς ξυγγηράσκοντα τελευτῆσαι τὸν βίον ὥς μετὰ τὴν τῶν δυσκόλων ἐλευθερίαν αὐθις ἐς αὐτὰ ἐπανήκειν. [32] ὁ γὰρ ἐν μέσῳ χρόνος τῆς ἀπαλλαγῆς γεύσας χαλεπωτέραν, ὧ γε τὸ εἰκός, τὴν συμφορὰν ἀπεργάζεται. [33] τούτῳ δὲ τοιούτων ὄντων ἐπάναγκες ὑμᾶς ἀναμνησθῆναι μὲν ὥς

Βανδίλους τε καὶ Μαυρουσίους νενικηκότες αὐτοὶ μὲν τῶν ἐν τοῖς πολέμοις ἀπάνασθε πόνων, κύριοι δὲ ἄλλοι τῶν λαφύρων γεγέννηται πάντων. [34] ἐκλογίζεσθε δὲ ὡς στρατιώταις οὖσιν ὑμῖν τὸν πάντα αἰῶνα ὁμιλεῖν τοῖς τοῦ πολέμου κινδύνους ἀνάγκῃ, ἢ ὑπὲρ τῶν βασιλεύως πραγμάτων, ἣν γε αὖθις ἐκείνῳ δουλεύητε, ἢ ὑπὲρ ὑμῶν αὐτῶν, ἣν τὴν ἐλευθερίαν διασώζητε ταύτην. [35] ὁπότερον δὲ ἀμφοῖν αἰρετώτερον, τοῦτο ἐλέσθαι ὑμῖν πάρεστιν, ἢ μαλθακιζόμενοι ἐν τῷ παρόντι, ἢ ἀνδραγαθίζεσθαι βουλομένοις. [36] ἀλλὰ μὴν κάκεῖνο εἰσιέναι ὑμᾶς προσήκει, ὡς ὅπλα κατὰ Ῥωμαίων ἀράμενοι, ἣν ὑπ' αὐτοῖς ἔσεσθε, οὐ μετρίων οὐδὲ συγγνωμόνων δεσποτῶν πειραθήσεσθε, ἀλλὰ πείσεσθε μὲν τὰ ἀνήκεστα, προσέσται δὲ ὑμῖν τὸ μὴ ἀδίκως ἀπολωλέναι. ὁ μὲν οὖν θάνατος ὅτῳ ἂν ὑμῶν ἐν τῇ μάχῃ ἀφίξηται ταύτῃ, δηλονότι εὐκλεῆς ἔσται: [37] βίος δὲ κρατήσασι μὲν τῶν πολεμίων αὐτόνομός τε καὶ τᾶλλα εὐδαίμων, ἡσσημένοις δὲ πικρὸν μὲν ἄλλο οὐκ ἂν εἴποιμι, τὴν ἐλπίδα δὲ ζύμπασαν εἰς τὸν ἐκείνων ἔλεον ἔχων. [38] ἡ δὲ ζυμβολὴ οὐκ ἐξ ἀντιπάλου τῆς δυνάμεως ἔσται. [39] τῷ τε γὰρ πλήθει παρὰ πολὺ ἡσσῶνται ἡμῶν οἱ πολέμοι καὶ ὡς ἥκιστα προθυμούμενοι ἐφ' ἡμᾶς ἴασιν, οὓς οἶμαι καὶ τῆσδε ἡμῖν εὐχεσθαι τῆς ἐλευθερίας μεταλαχεῖν.' τοσαῦτα μὲν καὶ ὁ Στότζας εἶπεν. [40] Ἵόντων δὲ ἐς τὴν ζυμβολὴν τῶν στρατοπέδων πνεῦμα σκληρόν τε καὶ δεινῶς λυπηρὸν κατ' ὄψιν ἐς τοὺς Στότζα στασιώτας ἐνέπεσε. [41] διὸ δὴ ἀζύμφορον σφίσιν ὄοντο εἶναι τὴν μάχην αὐτόθι ποιήσασθαι, δεδιότες μὴ τὸ πνεῦμα ὑπερβιαζόμενον τὰ μὲν τῶν πολεμίων βέλη ἐπὶ σφᾶς ἰθύνει, βελῶν δὲ τῶν σφετέρων ἢ ῥύμη ὡς μάλιστα ἀναστέλλοιτο. [42] ἄραντες οὖν ἐγκάρσιοι ἦσαν, λογιζόμενοι ὡς ἦν καὶ οἱ πολέμοι, ὡς τὸ εἶκος, μεταβάλλοιντο, ὅπως δὴ μὴ ὀπισθεν ὑπὸ σφῶν ἐνοχλοῖντο, κατὰ πρόσωπον αὐτοῖς τὸ πνεῦμα ἔσται. [43] Βελισάριος δέ, ἐπεὶ αὐτοὺς εἶδε τὴν τάξιν λιπόντας καὶ κόσμῳ οὐδενὶ περιόντας, αὐτίκα δὴ ἐκέλευε τῶν χειρῶν ἄρχειν. [44] οἱ δὲ ἀμφὶ Στότζαν ἐς ταραχὴν ἐκ τοῦ ἀπροσδοκίτου καταστάντες ξὺν ἀταξία πολλῇ, ὡς ἕκαστός περ ἐδύνατο, ἐς φυγὴν ὥρμηντο, ἐς Νουμιδίαν τε ἀφικόμενοι συνελέγοντο αὖθις. [45] ὀλίγοι μέντοι αὐτῶν ἐν τῷ πόνῳ τούτῳ ἀπέθανον, καὶ αὐτῶν οἱ πλεῖστοι Βανδίλοι ἦσαν. [46] διώξιν γὰρ Βελισάριος ἥκιστα ἐς αὐτοὺς ἐποίησατο, ἐπεὶ οἱ, λίαν τοῦ στρατεύματος βραχέος ὄντος, ἱκανὸν κατεφαίνετο, εἰ σφίσιν οἱ πολέμοι ἐν τῷ παρόντι νενικημένοι ἐκποδὼν στήσονται. [47] τοῖς δὲ στρατιώταις ἐδίδου τὸ χαράκωμα τῶν ἐναντίων διαρπάσασθαι, αἰρουσὶ τε αὐτὸ ἔρημον ἀνδρῶν. ἐνταῦθα εὔρηνται πολλὰ μὲν χρήματα, πολλαὶ δὲ γυναῖκες, ὧν δὴ ἕνεκα ὁ πόλεμος κατέστη ὁδε. ταῦτα Βελισάριος διαπεπραγμένος ἐς Καρχηδόνα ἀπήλαυνε. [48] καὶ οἱ τις ἐκ Σικελίας ἦκων ἀπήγγελλεν ὡς στάσις ἐν τῷ στρατοπέδῳ ἐπιτεσοῦσα τὰ πράγματα ἀνασοβεῖν μέλλοι, ἣν μὴ αὐτὸς κατὰ τάχος σφίσιν ἐπανήκων τὴν κωλύμην ποιήσεται. [49] καὶ αὐτὸς μὲν τὰ ἐν Λιβύῃ ὅπῃ ἐδύνατο διαθέμενος καὶ Καρχηδόνα Ἰλδίγερὶ τε καὶ Θεοδώρῳ παραδοὺς ἐς Σικελίαν ἦει. [50] Οἱ δὲ ἐν Νουμιδίᾳ Ῥωμαίων ἄρχοντες, ἐπεὶ τοὺς ἀμφὶ Στότζαν ἦκειν τε καὶ ξυλλέγεσθαι ἐνταῦθα ἤκουσαν, παρεσκευάζοντο ἐς παράταξιν, ἦσαν δὲ ἡγεμόνες φοιδεράτων μὲν Μάρκελλός τε καὶ Κύριλλος, καταλόγου δὲ ἱππικοῦ μὲν Βαρβάτος, [51] πεζῶν δὲ Τερέντιός τε καὶ Σάραπισ. Μαρκέλλῳ μέντοι ἐπήκουον ἅπαντες ἅτε Νουμιδίας τὴν

ἀρχὴν ἔχοντι. [52] ὃς ἐπεὶ ἐν χωρίῳ Γαζοφύλοις, δυοῖν μάλιστα ἡμέραιν ὁδῷ Κωνσταντίνης ἀπέχοντι, Στότζαν ξὺν ὀλίγοις τισὶν ἦκουσεν εἶναι, προτερῆσαι πρὶν τοὺς στασιώτας ἅπαντας ξυλληγῆναι βουλόμενος, κατὰ τάχος ἐπ' αὐτοὺς ἐπῆγε τὸ στράτευμα. [53] ὥς δὲ τὰ τε στρατόπεδα ἐγγὺς ἐγεγόνει καὶ ἡ μάχη ἔμελλεν ἐν χερσὶν ἔσεσθαι, μόνος ὁ Στότζας ἐς μέσους τοὺς ἐναντίους ἦκων ἔλεξε τοιάδε: [54] “Ἄνδρες συστρατιῶται, οὐ δίκαια ποιεῖτε ἐπὶ ξυγγενεῖς τε καὶ συντρόφους στρατεύοντες, ἐπ' ἄνδρας τε ὅπλα αἰρόμενοι οἱ τοῖς κακοῖς τοῖς ὑμετέροις καὶ τοῖς εἰς ὑμᾶς ἀδικήμασιν ἀχθόμενῳ βασιλεῖ τε καὶ Ῥωμαίοις πολεμεῖν ἔγνωσαν. [55] ἢ οὐ μέμνησθε ὥς ἐστέρησθε μὲν τῶν ἄνωθεν ὑμῖν ὀφειλομένων συντάξεων, ἀφῆρησθε δὲ τῶν πολεμίων τὰ λάφυρα, ἃ τῶν ἐν μάχαις κινδύνων ἄθλα ὁ τοῦ πολέμου τέθεικε νόμος; [56] καὶ τοῖς μὲν τῆς νίκης ἀγαθοῖς ἕτεροι τρυφᾷν ἐς τὸν ἅπαντα χρόνον ἡξίουں, ὑμεῖς δὲ ἐν οἰκετῶν ἔπεσθε μοῖρα; [57] εἰ μὲν οὖν ἐμοὶ χαλεπαίνετε, πάρεστιν ὑμῖν ἐς τόδε μὲν τὸ σῶμα τῷ θυμῷ χρῆσθαι, τὸ δὲ ἐς τοὺς ἄλλους διαφυγεῖν μίασμα: εἰ δέ μοι αἰτίαν οὐδεμίαν ἐπενεγκεῖν ἔχετε, ὥρα ὑμῖν ὑπὲρ αὐτῶν [58] ἀνελέσθαι τὰ ὅπλα.” ὁ μὲν οὖν Στότζας τοσαῦτα εἶπεν: οἱ δὲ στρατιῶται τοὺς τε λόγους ἐνεδέχοντο καὶ αὐτὸν πολλῇ εὐνοίᾳ ἠσπάζοντο. [59] κατιδόντες δὲ οἱ ἄρχοντες τὰ γινόμενα σιγῇ τε ὑπεχώρουν καὶ ἐς ἱερὸν ὃ ἐν Γαζοφύλοις ἦν καταφεύγουσι. Στότζας δὲ ἀμφοτέρα τὰ στρατόπεδα ἐς ἓν ξυλλαβὼν ἐπ' αὐτοὺς ἦει. καταλαβὼν τε ἐν τῷ ἱερῷ καὶ τὰ πιστὰ δοὺς ἅπαντας ἔκτεινε.

Ταῦτα ἐπεὶ βασιλεὺς ἔμαθε, Γερμανὸν τὸν ἀνεψιὸν τὸν αὐτοῦ, ἄνδρα πατρίκιον, ἐς Λιβύην ξὺν ὀλίγοις τισὶν ἔπεμψε. [2] καὶ Σύμμαχος δὲ αὐτῷ καὶ Δόμνικος, ἄνδρες ἐκ βουλῆς, εἶποντο, ἄτερος μὲν ἑπαρχός τε καὶ χορηγός τῆς δαπάνης ἐσόμενος, Δόμνικος δὲ τῷ πεζῷ στρατῷ ἐπιστατήσων. Ἰωάννης γὰρ ἐτελεύτα ἤδη νοσήσας, ᾧ δὴ ἐπέκειτο ἡ τιμὴ αὐτῇ. [3] ἐπειδὴ τε ἐς Καρχηδόνα κατέπλευσαν, τοὺς τε παρόντας σφίσι στρατιώτας ὁ Γερμανὸς ἠρίθμει καὶ τῶν γραμματέων ἀναλεγόμενος τὰ βιβλία οὗ πάντα ἀναγράφεται τῶν στρατιωτῶν τὰ ὀνόματα, εὗρισκε τὸ μὲν τριτημόριον τοῦ στρατοῦ ἓν τε Καρχηδόνι καὶ ταῖς ἄλλαις πόλεσιν ἄν, τοὺς δὲ ἄλλους ἅπαντας τῷ τυράννῳ ἐπὶ Ῥωμαίους ξυντεταγμένους. [4] μάχης μὲν οὖν διὰ ταῦτα οὐκ ἦρχε, τοῦ δὲ στρατοπέδου ἐπεμελεῖτο ὥς μάλιστα. λογισάμενός τε ὥς τῶν πολεμίων ξυγγενεῖς ἢ ὁμοσκήνους τοὺς ἐν Καρχηδόνι ἀπολελειμμένους ξυμβαίνειν εἶναι, ἄλλα τε πολλὰ ἐπαγωγὰ πᾶσιν ἐφθέγγετο καὶ σταλῆναι πρὸς βασιλέως ἐς Λιβύην αὐτὸς ἔφασκεν, ἐφ' ᾧ ἡδικημένοις μὲν στρατιώταις ἀμυνεῖ, κολάσει δὲ τοὺς ἀδικίας τινὸς ἐς αὐτοὺς ἄρξαντας. [5] ἅπερ οἱ στασιῶται πυνθανόμενοι κατ' ὀλίγους αὐτῷ προσχωρεῖν ἤρχοντο. καὶ αὐτοὺς ὁ Γερμανὸς τῇ τε πόλει ξὺν φιλοφροσύνῃ ἐδέχετο καὶ τὰ πιστὰ δοὺς ἐν τιμῇ εἶχε, τὰς τε συντάξεις αὐτοῖς τοῦ χρόνου ἐδίδου καθ' ὃν ἐπὶ Ῥωμαίους ἐν ὅπλοις ἦσαν. [6] ἐπεὶ δὲ ὁ περὶ τούτων λόγος περιφερόμενος ἐς ἅπαντας ἦλθε κατὰ πολλοὺς ἤδη τοῦ τυράννου ἀποτασσόμενῳ ἐς Καρχηδόνα ἐσήλαυνον. [7] καὶ τότε δὴ Γερμανὸς ἐξ ἀντιπάλου τῆς δυνάμεως ἔσεσθαι οἱ πρὸς τοὺς ἐναντίους τὴν μάχην ἐλπίσας τὰ ἐς τὴν παράταξιν ἐξηρτύετο. [8] Ἐν τούτῳ δὲ ὁ Στότζας τοῦ μὲν κακοῦ ἤδη αἰσθόμενος, δεδιὼς δὲ μή οἱ καὶ πλειόνων στρατιωτῶν τῇ ἀποστάσει ἔτι μᾶλλον τὸ στράτευμα ἐλασσοῦσθαι ξυμβαίῃ, διακινδυνεύειν τε

ἐν τῷ παραυτίκα ἠπείγετο καὶ τοῦ πολέμου ὀξύτερον ἀντιλαμβάνεσθαι. [9] καὶ ἦν γάρ τις αὐτῷ ἐκ τῶν ἐν Καρχηδόνι στρατιωτῶν ἐλπίς ἀποστάσεως πέρι, ὥτε το αὐτούς, ἦν πρὸ σφίσιν ἄγχιστα γένηται, πόνῳ οὐδενὶ αὐτομολήσιν, ἐς πάντας τὴν ἐλπίδα ἐξενεγκών· ταύτη τε αὐτούς μάλιστα ἐπιρρώσας παντὶ τῷ στρατῷ ἐπὶ Καρχηδόνα κατὰ τάχος ἦει. [10] γενόμενός τε αὐτῆς ἅπο σταδίων πέντε καὶ τριάκοντα, ἐστρατοπεδεύσατο τῆς θαλάσσης οὐ μακρὰν ἄποθεν, καὶ Γερμανὸς ἅπαν ἐξοπλίσας τὸ στράτευμα διατάξας τε ὥς ἐς μάχην ἐξῆγε. [11] καὶ ἐπεὶ τῆς πόλεως ἔξω ἐγένοντο, ἡκηκόει γὰρ ὅσα ἐν ἐλπίδι ὁ Στότζας εἶχε, ξυγκαλέσας ἅπαντας ἔλεξε τοιάδε· [12] ‘Ὡς μὲν οὐδὲν ἂν δικαίως, ὃ ξυστρατιῶται, βασιλεῖ μέψεσθε οὐδέ τι αἰτιάσεσθε τῶν εἰς ὑμᾶς αὐτῷ πεπραγμένων, οὐδεὶς ἂν, οἶμαι, τῶν πάντων ἀντείποι· [13] ὅς γε ὑμᾶς ἐξ ἀγροῦ ἦκοντας ξύν τε τῇ πῆρᾳ καὶ χιτωνίσκῳ ἐνὶ ξυναγᾶν ἐς Βυζάντιον τηλικούσδε εἶναι πεποίηκεν ὥστε τὰ Ῥωμαίων πράγματα νῦν ἐφ’ ὑμῖν κεῖσθαι. [14] ὥς δὲ οὐ περιυβρίσθαι μόνον, ἀλλὰ καὶ τὰ πάντων δεινότατα παρ’ ὑμῶν αὐτὸν πεπονθέναι τετύχηκε, [15] ξυνεπίστασθε καὶ ὑμεῖς δῆπουθεν. ὣν δὴ τὴν μνήμην ὑμῖν ἐς αἰεὶ βουλούμενος διασώζεσθαι τὰς τῶν ἐγκλημάτων αἰτίας ἀφῆκεν, ὄφλημα τοῦτό γε αὐτῷ μόνον ὀφείλεσθαι παρ’ ὑμῶν ἀξιῶν, τὴν ὑπὲρ τῶν πεπραγμένων αἰσχύνην. [16] ταύτη τοίνυν ἡγμένους ὑμᾶς μεταμανθάνειν τε τὴν πίστιν εἰκὸς καὶ τὴν πρόσθεν ἀγνωμοσύνην ἐπανορθοῦν. [17] μετὰμελος γὰρ ἐν δέοντι τοῖς ἐπταϊκόσιν ἐπιγινόμενος συγγνώμονας αὐτοῖς τοὺς ἡδικομένους ποιεῖν εἴωθεν, ὑπουργία τε εἰς καιρὸν ἐλθοῦσα τὸ τῶν ἀχαρίστων ὄνομα μεταβάλλειν φιλεῖ.’ [18] ‘Εὖ δὲ ὑμᾶς δεήσει κάκεῖνο εἰδέναί, ὥς, ἦν ἐν τῷ παρόντι εὖνοι μάλιστα βασιλεῖ γέννησθε, οὐδεμία τοῖς προλαβοῦσι λελείπεται μνήμη. [19] πᾶσα γὰρ πρᾶξις ἐφύκεν αἰεὶ τοῖς ἀνθρώποις ἐκ τῆς καταστροφῆς ὀνομάζεσθαι· ἀμάρτημά τε γεγονὸς ἅπαξ ἀποίητον μὲν οὐδ’ ἂν ἐν χρόνῳ τῷ παντὶ γένοιτο, ἐπανορθωθὲν δὲ πράξεισι τῶν αὐτὸ εἰργασμένων ἀμείνοσιν εὐπρεποῦς τε τῆς σιωπῆς ἐπιτυγχάνει καὶ ἐς λήθην ὥς τὰ πολλὰ περίσταται. [20] καίτοι, ἦν μὲν ὀλιγοῖά τινι ἐς τούτους δὴ τοὺς καταράτους τὰ νῦν χρήσησθε, ὕστερον δὲ πολλοὺς πολέμους ὑπὲρ Ῥωμαίων ἀγωνιζόμενοι τὸ κατὰ τῶν πολεμίων πολλάκις ἀναδήσησθε κράτος, οὐκ ἂν ἔτι ὁμοίως ἀνθυπουργηκέναι βασιλεῖ δόξαιτε. [21] οἱ γὰρ ἐν αὐτοῖς εὐδοκιμοῦντες οἷς ἡμαρτον εὐπρεπεστέραν τὴν ἀπολογίαν ἐς αἰεὶ φέρονται. τὰ μὲν οὖν ἐς βασιλέα ταύτη πη λογιζέσθω ὑμῶν ἕκαστος. [22] ἐγὼ δὲ οὔτε ἀδικίας τινὸς εἰς ὑμᾶς ἄρξας, ἐνδείζαμένός τε πάσῃ δυνάμει τὴν εἰς ὑμᾶς εὖνοιαν, καὶ τὰ νῦν καθιστάμενος ἐς κίνδυνον τόνδε, τοσοῦτον αἰτεῖσθαι ἅπαντας ἔγνωκα· μηδεὶς ξύν ἡμῖν ἐπὶ τοὺς πολεμίους παρὰ γνώμην χωρεῖτω. [23] ἀλλ’ εἴ τῳ ὑμῶν ἐκείνοις ἤδη βουλομένῳ ἐστὶ ξυντάττεσθαι, μηδὲν μελλήσας ξύν τοῖς ὅπλοις ἐπὶ τὸ τῶν ἐναντίων στρατόπεδον ἵτω, τοῦτο μόνον ἡμῖν χαριζόμενος, ὅτι οὐ λάθρα ἡμᾶς, ἀλλ’ ἐκ τοῦ ἐφανοῦς ἀδικεῖν ἔγνω. [24] τούτου γὰρ ἕνεκα οὐκ ἐν Καρχηδόνι, ἀλλ’ ἐν μεταίχμιῳ γενόμενος τοὺς λόγους ποιῶμαι, ὅπως ἂν μηδενὶ αὐτομολεῖν ἐς τοὺς ἐναντίους ἐθέλοντι ἐμπόδιος εἶην, παρὸν ἅπασι κινδύνου ἐκτὸς τὴν ἐς τὴν πολιτείαν ἐνδείκνυσθαι [25] γνώμην.’ Γερμανὸς μὲν τοσαῦτα εἶπε. ταραχὴ δὲ πολλὴ ἐν τῷ Ῥωμαίων στρατῷ γέγονεν, ἐπεὶ πρῶτος ἡξίου αὐτὸς ἕκαστος εὖνοιαν τε τὴν ἐς βασιλέα

τῷ στρατηγῷ ἐπιδείξασθαι καὶ ὄρκους δεινοτάτους ὑπὲρ τούτων ὁμείσθαι.

Χρόνον μὲν οὖν τινα ἐκάτεροι ἀλλήλοις ἀντικαθήμενοι ἔμενον. μετὰ δὲ οἱ στασιῶται οὐδὲν σφίσι προχωροῦν ἐνορῶντες ὧν προὔλεγε Στότζας, ἔδιδσαν τε ἅτε τῆς ἐλπίδος παρὰ δόξαν ψευσθέντες, καὶ τὴν τάξιν διαλύσαντες ἀνεχώρησαν, ἔς τε Νουμίδας ἀπήλυνον, οὗ δὴ αὐτοῖς αἱ τε γυναῖκες καὶ τὰ τῆς λείας χρήματα ἦσαν. [2] ἔνθα καὶ ὁ Γερμανὸς παντὶ τῷ στρατῷ οὐκ ἐς μακρὰν ἦλθε, τὰ τε ἄλλα παρεσκευασμένος ὡς ἄριστα καὶ ἀμάξας πολλὰς τῷ στρατοπέδῳ ἐπαγαγόμενος. [3] καταλαβὼν τε τοὺς ἐναντίους ἐν χωρίῳ ὃ δὴ Σκάλας Βέτερες καλοῦσι Ῥωμαῖοι, τὰ ἐς τὴν παράταξιν ἐξηρτύετο τρόπῳ τοιῷδε. [4] τὰς ἀμάξας μετωπηδὸν στήσας τοὺς πεζοὺς πάντας κατ' αὐτάς ἔταξεν, ὧν Δόμνικος ἦρχεν, ὅπως τὰ νῶτα ἐν τῷ ἀσφαλεῖ ἔχοντες θαρσύνωσι μᾶλλον. [5] τῶν δὲ ἰππέων ἄνδρας τε ἀρίστους καὶ τοὺς ἐκ Βυζαντίου ξὺν αὐτῷ ἦκοντας αὐτὸς ἐν ἀριστερᾷ τῶν πεζῶν εἶχε, τοὺς δὲ ἄλλους ἅπαντας ἐς κέρας τὸ δεξιὸν οὐ ξυντεταγμένους, ἀλλὰ κατὰ λόχους τρεῖς μάλιστα ἔστησε. [6] καὶ αὐτῶν Ἰλδίγερ μὲν ἐνὸς ἡγεῖτο, ἐτέρου δὲ Θεόδωρος ὁ Καππαδόκης, τοῦ δὲ λειπομένου, μείζονος ὄντος, Ἰωάννης ὁ Πάππου ἀδελφός, τέταρτος αὐτός. οὕτω μὲν Ῥωμαῖοι ἐτάξαντο. [7] Οἱ δὲ στασιῶται ἀντίξοι μὲν αὐτοῖς ἔστησαν, οὐκ ἐν κόσμῳ μέντοι ταξάμενοι, ἀλλὰ βαρβαρικώτερον ἐσκεδασμένοι. [8] εἶποντο δὲ αὐτοῖς οὐ μακρὰν ἄποθεν Μαυρουσίων μυριάδες πολλάι, ὧν ἄλλοι τε πολλοὶ καὶ Ἰαύδας καὶ Ὀρταῖας ἦρχον. [9] οὐ μέντοι ἅπαντες πιστοὶ τοῖς ἀμφὶ τὸν Στότζαν ἐτύγγανον ὄντες, ἀλλὰ πολλοὶ παρὰ Γερμανὸν πέμποντες πρότερον ὠμολόγουν, ἐπειδὴ ἐν τῷ ἔργῳ γένωνται, ξὺν τῷ βασιλέως στρατῷ ἐπὶ τοὺς πολεμίους τετάξεσθαι. [10] οὐ μὴν αὐτοῖς πιστεύειν παντάπασιν ὁ Γερμανὸς εἶχεν, ἐπεὶ ἄπιστον φύσει τὸ Μαυρουσίων γένος ἐστὶν ἐς πάντας ἀνθρώπους. [11] διὸ δὴ οὐδὲ ξὺν τοῖς στασιώταις ἐτάξαντο, ἀλλ' ὀπισθεν ἔμενον, παραδοκοῦντες τὸ ἐσόμενον, ὅπως ξὺν τοῖς νικήσουσι καὶ αὐτοὶ τὴν δίδωσιν ἐπὶ τοὺς ἡσσημένους ποιήσωνται. [12] Μαυρούσιοι μὲν τοιαύτη γνώμη οὐκ ἀναμιγνύμενοι τοῖς στασιώταις ὀπισθεν εἶποντο. [13] Στότζας δὲ ἄγχιστά πη τῶν πολεμίων γενόμενος, ἐπειδὴ σημεῖον τὸ Γερμανοῦ εἶδε, τοῖς παροῦσιν ἐγκελευσάμενος ἐπ' αὐτὸν ἦει. [14] Ἑρουλοὶ δὲ ὅσοι στασιῶται ἀμφ' αὐτὸν τεταγμένοι ἐτύγγανον, οὐδὲ εἶποντο, ἀλλὰ καὶ παντὶ σθένει ἐκώλυνον, φάσκοντες οὐκ εἰδέναι μὲν τὴν Γερμανοῦ δύναμιν, ὅποια ποτὲ ἐστίν, ἐξεπίστασθαι μέντοι ὡς οὐδαμῇ σφίσιν ἀνθέξουσιν ὅσοι ἐς κέρας τὸ δεξιὸν τῶν πολεμίων ἐτάξαντο. [15] ἦν μὲν οὖν ἐπ' ἐκείνους χωρήσαιεν, αὐτοὶ τε οὐχ ὑποστάντες ἐς φυγὴν τρέφονται καὶ τὸ ἄλλο στράτευμα, ὡς τὸ εἰκός, συνταράξουσιν: ἦν δέ γε σφᾶς ἀπωσάμενος Γερμανὸς τρέψηται, ἅπαντα σφίσι διαφθαρήσεται αὐτίκα δὴ μάλα τὰ πράγματα. [16] τούτοις ὁ Στότζας ἀναπεισθεὶς τοὺς μὲν ἄλλους τοῖς ἀμφὶ Γερμανὸν μάχεσθαι εἶασεν, αὐτὸς δὲ ξὺν τοῖς ἀρίστοις ἐπὶ τὴν Ἰωάννην καὶ τοὺς ξὺν αὐτῷ τεταγμένους ἦει. [17] οἱ δὲ οὐχ ὑποστάντες κόσμῳ οὐδενὶ ἐς φυγὴν ὥρμητο. οἱ τε στασιῶται πάντα μὲν τὰ σημεῖα αὐτῶν εὐθὺς ἔλαβον, φεύγοντας δὲ ἀνὰ κράτος ἐδίωκον, τινὲς δὲ καὶ ἐπὶ τοὺς πεζοὺς ἤλυνον, [18] ἥδη τε τὴν τάξιν ἐκλείπειν οἱ πεζοὶ ἤρξαντο. ἐν τούτῳ δὲ Γερμανὸς αὐτός τε τὸ ξίφος σπασάμενος καὶ ἅπαν τὸ ταύτη στράτευμα ἐς τοῦτο ὁρμήσας, πόνῳ τε πολλῷ τοὺς κατ' αὐτὸν στασιώτας

ἐτρέψατο καὶ δρόμῳ ἐπὶ τὸν Στότζαν ἐχώρησε. [19] τούτου δέ οἱ ἐνταῦθα τοῦ ἔργου καὶ τῶν ἀμφὶ Ἰλδίγερά τε καὶ Θεόδωρον ξυναραμένων, οὕτως ἀλλήλοις ἑκάτεροι ἀνεμίνγνυντο, ὥστε διώκοντες οἱ στασιῶται τῶν τινας πολεμίων ὑφ' ἐτέρων καταλαμβάνόμενοι ἔθνησκον. [20] τῆς τε ξυγχύσεως ἐπὶ μέγα χωροῦσης οἱ μὲν ἀμφὶ Γερμανόν, ὀπισθεν ἰόντες, ἔτι μᾶλλον ἐνέκειντο, οἱ δὲ στασιῶται ἐς πολὺ δέος ἐμπεπτωκότες οὐκέτι ἐς ἀλκὴν ἔβλεπον. [21] ἔνδηλοι μέντοι οὐδέτεροι οὔτε σφίσιν αὐτοῖς οὔτε ἀλλήλοις ἐγίνοντο. μᾶ τὴ γὰρ φωνῇ καὶ τῇ αὐτῇ τῶν ὅπλων σκευῇ οἱ πάντες ἐχρῶντο, οὔτε μορφῇ τινι οὔτε σχήματι οὔτε ἄλλῳ ὁπωσοῦν διαλλάσσοντες. [22] διὸ δὴ Γερμανοῦ γνώμῃ οἱ τοῦ βασιλέως στρατιῶται, ὅτου ἂν λάβοιντο, ἐπυνθάνοντο ὅστις ποτὲ εἴη: ἔπειτα, ἦν τις Γερμανοῦ στρατιώτης φήσειεν εἶναι, οὐκοῦν τὸ Γερμανοῦ ξύμβολον ἐκέλευον λέγειν, τοῦτο δὲ εἰπεῖν οὐδαμῇ ἔχοντα εὐθὺς ἔκτεινον. [23] ἐν τούτῳ τῷ πόνῳ τὸν Γερμανοῦ ἵππον τῶν τις πολεμίων λαθὼν ἔκτεινεν, αὐτός τε ὁ Γερμανὸς ἐς τὸ ἔδαφος ἐκπεσὼν ἐς κίνδυνον ἦλθεν, εἰ μὴ κατὰ τάχος οἱ δορυφόροι ἐσώσαντο, φραζάμενοί τε ἀμφ' αὐτὸν καὶ ἀναβιβάσαντες ἐφ' ἕτερον ἵππον. [24] Ὁ μὲν οὖν Στότζας ἐν τῷ θορύβῳ τούτῳ ξὺν ὀλίγοις τισὶ διαφυγεῖν ἴσχυσε. Γερμανὸς δὲ τοῖς ἀμφ' αὐτὸν ἐγκελευσάμενος εὐθὺ τοῦ τῶν πολεμίων στρατοπέδου ἐχώρησεν. [25] ἐνταῦθ' αἱ τῶν στασιωτῶν ὑπηντίαζον ὅσοι τοῦ χαρακώματος ἐπὶ τῇ φυλακῇ ἐτετάχατο. [26] μάχης τε ἀμφὶ τὴν αὐτοῦ εἴσοδον καρτερὰς γενομένης παρ' ὀλίγον μὲν οἱ στασιῶται ἦλθον τοὺς ἐναντίους ἀπώσασθαι, πέμψας δὲ ὁ Γερμανὸς τῶν οἱ ἐπομένων τινὰς κατ' ἄλλην ἀποπειρᾶσθαι χώραν τοῦ στρατοπέδου ἐκέλευεν. [27] οἱ δὴ οὐδενὸς ταύτῃ ἀμυνομένου ἐντὸς τοῦ χαρακώματος ξὺν βραχεῖ πόνῳ ἐγένοντο. [28] οἱ τε στασιῶται κατιδόντες αὐτοὺς ἐς φυγὴν ὥρμητο, καὶ Γερμανὸς παντὶ τῷ ἄλλῳ στρατῷ ἐσεπήδησεν εἰς τὸ τῶν πολεμίων στρατόπεδον. [29] ἐνταῦθα τὰ χρήματα οἱ στρατιῶται οὐδενὶ πόνῳ ἀρπάζοντες οὔτε τοὺς ἐναντίους ἐν λόγῳ ἐποιοῦντό τινι οὔτε τοῦ στρατηγοῦ ἐγκελευομένου ἔτι κατήκουον, παρόντων χρημάτων διὸ δὴ ὁ Γερμανός, [30] δέισας μὴ ξυμφρονήσαντες ὃ' πολέμιοι ἐπ' αὐτοὺς ἴωσιν, αὐτὸς ξὺν ὀλίγοις τισὶν ἐς τὸ χαρακώματος τὴν εἴσοδον ἔστη, πολλὰ τε ὀλοφυρόμενος καὶ τοὺς οὐδὲν ἐπαῖοντας ἐς εὐκοσμίαν παρακαλῶν. [31] τῶν δὲ Μαυρουσίων πολλοὶ τῆς τροπῆς οὕτω γεγενημένης τοὺς τε στασιώτας ἐδίωκον ἤδη καὶ ξὺν τῷ βασιλέως στρατῷ σφᾶς αὐτοὺς τάξαντες ἐλίζοντο τὸ τῶν ἡσημένων στρατόπεδον. [32] Στότζας δέ, κατ' ἀρχὰς μὲν ἐπὶ τῷ Μαυρουσίῳ στρατῷ τὸ θαρσεῖν ἔχων, ὡς ἀναμαχοῦμενος παρ' αὐτοὺς ἦλανεν. [33] αἰσθόμενος δὲ τῶν ποιουμένων, ξὺν ἑκατὸν ἀνδράσι διαφυγεῖν μόλις ἴσχυσεν. [34] αὐθις δὲ ἀμφ' αὐτὸν πολλοὶ ξυλλεγέντες ἐνεχείρισαν μὲν τοῖς πολεμίοις ἐς χεῖρας ἐλθεῖν, ἀποκρουσθέντες δὲ οὐδέν τι ἤσπον, εἰ μὴ καὶ μᾶλλον, Γερμανῷ ἅπαντες προσεχώρησαν. [35] μόνος δὲ ὁ Στότζας ξὺν Βανδίλοις ὀλίγοις τισὶν ἐς Μαυριτανοὺς ἀνεχώρησε, καὶ παῖδα τῶν τινος ἀρχόντων γυναικὰ λαβὼν αὐτοῦ ἔμεινε. καὶ ἡ μὲν στάσις αὕτη ἐς τοῦτο ἐτελεύτα.

Ἦν δὲ τις ἐν τοῖς Θεοδώρου τοῦ Καππαδόκου δορυφόροις, Μαξιμῖνος ὄνομα, πονηρὸς μάλιστα. [2] οὗτος ὁ Μαξιμῖνος, τῶν στρατιωτῶν πλείστους διομοσαμένους ἐπὶ τὴν πολιτείαν ξὺν αὐτῷ ἔχων, [3] τυραννίδι ἐπιθέσθαι

διενοεῖτο. ἔτι τε πλείους ἐταιρίζεσθαι ἐν σπουδῇ ἔχων ἄλλοις τε τὸ βούλευμα φράζει καὶ Ἀσκληπιάδῃ, ὥρμημένῳ μὲν ἐκ Παλαιστίνης, εὖ δὲ γεγονότι καὶ πρώτῳ τῶν Θεοδώρου ἐπιτηδείων. [4] ὁ γοῦν Ἀσκληπιάδης Θεοδώρῳ κοινολογησάμενος τὸν πάντα λόγον εὐθὺς Γερμανῷ εἰσαγγέλλει. [5] καὶ ὅς, οὐκ ἐθέλων ἔτι οἱ τῶν πραγμάτων ἡωρημένων ἐτέρας τινὸς ταραχῆς ἄρξαι, θωπεῖα μᾶλλον τινι τὸν ἄνθρωπον ἢ τιμωρία περιελθεῖν ἔγνω καὶ ὄρκοις αὐτὸν καταλαβεῖν τῆς ἐς τὴν πολιτείαν εὐνοίας. [6] ὃν τοίνυν εἰθισμένον ἅπανσι Ῥωμαίοις ἐκ παλαιοῦ μηδένα δορυφόρον τῶν τινος ἀρχόντων καθίστασθαι, ἦν μὴ δεινотάτους πρότερον ὄρκους παρεχόμενος τὰ πιστὰ δοίῃ τῆς ἐς αὐτόν τε καὶ τὸν βασιλέα Ῥωμαίων εὐνοίας, μεταπεμψάμενος τὸν Μαξιμῖνον τῆς τε εὐτολμίας αὐτὸν ἐπήγει καὶ δορυφορεῖν τὸ λοιπὸν οἱ ἐπέτελλεν. [7] ὁ δὲ περιχαρὴς γεγονὼς τῷ ὑπερβάλλοντι τῆς τιμῆς, ταύτῃ τε ῥᾶον αὐτῷ τὴν ἐπίθεσιν προχωρήσειν ὑποτοπάζων, τὸν τε ὄρκον ὑπέστη καὶ τὸ λοιπὸν ἐν τοῖς Γερμανοῦ δορυφόροις ταττόμενος τὰ τε ὁμωμοσμένα εὐθὺς ἀλογεῖν ἡξίου καὶ τὰ ἐς τὴν τυραννίδα πολλῷ ἔτι μᾶλλον κρατύνασθαι. [8] Ἡ μὲν οὖν πόλις ἑορτὴν τινα πανδημεὶ ἤγε, πολλοὶ δὲ τῶν Μαξιμῖνου στασιωτῶν ἀμφὶ τὸν τοῦ ἀρίστου καιρὸν ἐς Παλάτιον κατὰ τὰ σφίσι ξυγκείμενα ἦκον, οὗ δὴ ὁ μὲν Γερμανὸς τοὺς ἐπιτηδεῖους εἰστία, παρεστήκει δὲ τῇ θοίνῃ ξὺν τοῖς ἄλλοις δορυφόροις ὁ Μαξιμῖνος. [9] προϊόντος δὲ τοῦ πότου, εἰσελθὼν τις Γερμανῷ ἀπαγγέλλει στρατιώτας πολλοὺς κόσμῳ οὐδενὶ πρὸ τῆς αὐλείου θύρας ἐστῶτας αἰτιάσθαι συντάξεις χρόνου πολλοῦ τὸ δημόσιον σφίσιν ὀφείλειν. [10] καὶ ὅς τῶν δορυφόρων τοὺς πιστοτάτους ἐκέλευσε λάθρα τὸν Μαξιμῖνον ἐν φυλακῇ ἔχειν, αἰσθήσιν αὐτῷ τινα τοῦ ποιουμένου ὥς ἦκιστα παρεχομένους. [11] οἱ μὲν οὖν στασιῶται ξὺν τε ἀπειλῇ καὶ ταραχῇ ἐπὶ τὸν ἱππόδρομον δρόμῳ ἐχώρουν οἱ τε τῆς βουλῆς αὐτοῖς μετασχόντες κατὰ βραχὺ ἀγειρόμενοι ἐκ τῶν οἰκημάτων ἐνταῦθα ξυνέρρεον. [12] καὶ εἰ μὲν ξυλληγῆναι ἅπαντας ἐς ταῦτὸ ἔτυχεν, οὐκ ἂν τις, οἶμαι, [13] καταλύειν αὐτῶν τὴν δύναμιν εὐπετῶς ἔσχε: νῦν δὲ Γερμανὸς προτερήσας ἔτι ἀπολελειμμένου τοῦ πλείστου ὁμίλου ἅπαντας αὐτίκα τοὺς αὐτῷ τε καὶ βασιλεῖ εὐνοϊκῶς ἔχοντας ἐπ' αὐτοὺς ἐπεμψεν. [14] οἱ δὴ οὐ προσδεχομένοις τοῖς στασιώταις εἰς χεῖρας ἦλθον. οἱ δὲ οὔτε Μαξιμῖνον σὺν αὐτοῖς ἔχοντες, ὄνπερ σφίσιν ἐξηγήσεσθαι τοῦ κινδύνου ἐκαπαδόκουν, οὔτε τὸ πλῆθος ὀρῶντες αὐτοῖς, ἥπερ ᾤοντο, ξυλλεγόν, ἀλλὰ καὶ μαχομένους παρὰ δόξαν σφίσι τοὺς ξυστρατιώτας θεώμενοι καὶ ἀπ' αὐτοῦ ἐς ὀλιγορίαν ἐλθόντες ἡσσήθησάν τε ῥαδίως τῇ μάχῃ καὶ κόσμῳ οὐδενὶ ἐς φυγὴν ὥρμητο. [15] καὶ αὐτῶν οἱ ἐναντίοι πολλοὺς μὲν ἔκτεινον, πολλοὺς δὲ παρὰ Γερμανὸν ζωγρήσαντες ἤγον. [16] ὅσοι μέντοι οὐκ ἔφθησαν εἰς τὸν ἱππόδρομον ἦκοντες, οὐδεμίαν αἰσθήσιν τῆς ἐπὶ Μαξιμῖνῳ παρέσχοντο γνώμης. [17] Γερμανὸς δὲ αὐτοὺς μὲν διερευνᾶσθαι οὐκέτι ἡξίου, ἀνεπυνθάνετο δὲ εἰ Μαξιμῖνῳ ἐπειδὴ ὠμωμόκει, τὰ ἐς τὴν ἐπιβουλὴν ἦσκητο. [18] ἐληλεγμένον τε ὥς ἐν τοῖς αὐτοῦ δορυφόροις ταττόμενος τὴν ἐπίθεσιν ἔτι μᾶλλον ποιοίῃ, ἄγχιστά πη αὐτὸν τοῦ Καρχηδόνοιο περιβόλου ἀνεσκολόπισεν οὕτω τε τὴν στάσιν παντάπασιν καταλύειν ἔσχε. Μαξιμῖνου μὲν ἡ ἐπιβουλὴ ἐτελεύτησεν ὧδε.

Γερμανὸν δὲ ξὺν τε Συμμάχῳ καὶ Δομνίκῳ μεταπεμψάμενος βασιλεὺς Σολόμωνι αὐθις ἅπαντα Λιβύης τὰ πράγματα ἐνεχείρισε, τρισκαίδεκατον ἔτος

τὴν αὐτοκράτορα ἔχων ἀρχήν· στρατεύμα τε αὐτῷ παρασχόμενος καὶ ἄρχοντας ἄλλους τε καὶ Ρουφῖνον καὶ Λεόντιον, τοὺς Ζαῦνα τοῦ Φαρεσμάνου, καὶ Ἰωάννην τὸν Σισινιόλου υἱόν. [2] Μαρτῖνος γὰρ καὶ Βαλεριανὸς ἤδη πρότερον ἐς Βυζάντιον μετάπεμπτοι ἦλθον. [3] Σολόμων δὲ καταπλεύσας ἐς Καρχηδόνα καὶ τῆς Στότζα στάσεως ἀπαλλαγείς μετρίως τε ἐξηγεῖτο καὶ Λιβύην ἀσφαλῶς διεφύλασσε, διακοσμῶν τε τὸν στρατὸν καὶ εἴ τι μὲν ὑποπτον ἐν αὐτῷ εὔρισκεν, ἔς τε Βυζάντιον καὶ παρὰ Βελισάριον πέμπων, νέους δὲ στρατιώτας εἰς τὸν ἐκείνων ἀριθμὸν καταλέγων καὶ Βανδύλων τοὺς ἀπολελειμμένους καὶ οὐχ ἥκιστα γε αὐτῶν γυναῖκας ἀπάσας ὅλης ἐξοικίζων Λιβύης. πόλιν τε ἐκάστην περιέβαλε τείχει καὶ τοὺς νόμους ξὺν ἀκριβείᾳ φυλάξας πολλῇ τὴν πολιτείαν ὥς μάλιστα διεσώσατο. [4] καὶ ἐγένετο Λιβύῃ ἐπ' ἐκείνου χρημάτων τε προσόδῳ δυνατὴ καὶ τὰ ἄλλα εὐδαίμων. [5] Ἐπεὶ δὲ ἅπαντ' αἱ ὥς ἄριστα διετέτακτο, ἐπὶ τε Ἰαῦδαν καὶ τοὺς ἐν Αὐρασίῳ Μαυρουσίους αὖθις ἐστράτευε. [6] καὶ πρῶτα μὲν Γόνθαριν, τῶν δορυφόρων τῶν αὐτοῦ ἕνα, ἄνδρα ἀγαθὸν τὰ πολέμια, ξὺν στρατεύματι ἔπεμψεν. [7] ὃς δὴ ἐς Ἀβίγαν ποταμὸν ἀφικόμενος ἐστρατοπεδεύσατο ἀμφὶ Βάγαϊν, πόλιν ἔρημον. [8] ἐνταῦθά τε τοῖς πολεμίῳ ἐς χεῖρας ἐλθὼν καὶ μάχῃ ἡσηθεὶς ἔς τε τὸ χαράκωμα ἀποχωρήσας τῇ Μαυρουσίῳ προσεδρεῖα ἐπιέζετο ἤδη. [9] ἔπειτα δὲ καὶ αὐτὸς τῷ παντὶ στρατῷ ἀφικόμενος, ἐπειδὴ σταδίοις ἐξήκοντα· τοῦ στρατοπέδου ἀπεῖχεν οὗ Γόνθαρις ἡγεῖτο, χαράκωμά τε ποιησάμενος αὐτοῦ ἔμενε καὶ τὰ ξυμπεσόντα τοῖς ἀμφὶ Γόνθαριν ἅπαντα ἀκούσας μοῖράν τε αὐτοῖς τοῦ στρατοῦ ἔπεμψε καὶ θαρσοῦντας ἐκέλευε διαμάχεσθαι τοῖς πολεμίῳ. [10] οἱ δὲ Μαυρούσιοι καθυπέρτεροι ἐν τῇ ξυμβολῇ, [11] ὥσπερ ἐρρήθη, γενόμενοι ἐποιοῦν τάδε. Ἀβίγας ὁ ποταμὸς ρεῖ μὲν ἐκ τοῦ Αὐρασίου, κατιῶν δὲ ἐς πεδίον ἀρδεύει τὴν γῆν οὕτως ὅπως ἂν βουλομένοις ἢ τοῖς ταύτῃ ἀνθρώποις. [12] περιάγουσι γὰρ τὸ ρεῦμα τοῦτο οἱ ἐπιχώριοι ὅποι ποτὲ σφίσιν ἐς τὸ παραντίκα ξυνοῖσιν οἶονται, ἐπεὶ ἐν τῷδε τῷ πεδίῳ ἀπώρυγες συχναὶ τυγχάνουσιν οὔσαι, ἐς ἃς δὴ ὁ Ἀβίγας σχιζόμενός τε καὶ ἐς πάσας ἰὼν ὑπὸ γῆν φέρεται καὶ αὖθις ὑπὲρ γῆν διαφαίνεται, [13] ξυνάγων τὸ ρεῦμα. τοῦτό τε ἐπὶ πλείστον τοῦ πεδίου ξυμβαῖνον ἐν ἐξουσίᾳ τοῖς ταύτῃ ὥκημένοις τίθεται εἶναι, ἐπιβύσασι χώματι τοὺς ῥωχοὺς ἢ αὖθις αὐτοὺς ἀποκαλύψασι τοῖς ὕδασι τοῦ ποταμοῦ τοῦδε ὃ τι βούλονται χρῆσθαι. [14] τότε οὖν ἀπάσας οἱ Μαυρούσιοι τὰς ἐκεῖνη ἀπώρυγας ἀποφράξαντες ἀφῖασι τὸ ρεῦμα ὅλον φέρεσθαι ἀμφὶ τὸ τῶν Ῥωμαίων στρατόπεδον. [15] ἀφ' οὗ δὴ τέλμα βαθὺ γεγονὸς καὶ ἀπόρευτον ἐξέπληξέ τε αὐτοὺς ὅτι μάλιστα καὶ ἐς ἀπορίαν κατέστησε. [16] ταῦτα ἀκούσας Σολόμων κατὰ τάχος ἦει. οἱ δὲ βάρβαροι δείσαντες ἀναχωροῦσιν ἐς τοῦ Αὐρασίου τὸν πρόποδα. καὶ ἐν χώρῳ ὃν Βάβωσιν καλοῦσι, στρατοπεδευσάμενοι ἔμενον. ἄρας τε Σολόμων τῷ παντὶ στρατῷ ἐνταῦθα ἦκε. [17] καὶ τοῖς πολεμίῳ ἐς χεῖρας ἐλθὼν κρατήσας τε παρὰ πολὺ αὐτῶν ἐς φυγὴν ἔτρεψε. [18] καὶ ἀπ' αὐτοῦ οἱ Μαυρούσιοι μάχην μὲν ἐκ τοῦ ἀντιπάλου πρὸς Ῥωμαίους διενεγκεῖν ἀξύμφορον σφίσιν ᾤοντο εἶναι· οὐ γὰρ αὐτῶν περιέσεσθαι τῇ μάχῃ ἠλπίζον· ἐς δὲ τοῦ Αὐρασίου τὴν δυσχωρίαν ἐλπίδα εἶχον ἀπολέγοντας τῇ ταλαιπωρίᾳ Ῥωμαίους χρόνῳ ὀλίγῳ ἐνθένδε ἐξανίστασθαι ὥσπερ τὸ πρότερον. [19] οἱ μὲν οὖν πολλοὶ ἔς τε

Μαυριτανούς καὶ ἐς τοὺς πρὸς μεσημβρίαν τοῦ Αὐρασίου βαρβάρους ὄχοντο, Ἰαύδας δὲ ξὺν Μαυρουσίων δισφυρίοις ἐνταῦθα ἔμενεν. ἐτύγγανε δὲ φρούριον οἰκοδομησάμενος ἐν Αὐρασίῳ, Ζερβούλην ὄνομα. οὗ δὴ ἐσελθὼν σὺν πᾶσι Μαυρουσίοις ἡσύχαζε. [20] Σολόμων δὲ χρόνον μὲν τρίβεσθαι τῇ πολιορκίᾳ ἥκιστα ἤθελε, μαθὼν δὲ τὰ ἀμφὶ πόλιν Ταμουγάδην πεδία σίτου ἀκμάζοντος ἔμπλεα εἶναι ἐς αὐτὰ ἐπῆγε τὸ στράτευμα καὶ ἐγκαθεζόμενος ἐδήου τὴν γῆν. πυρπολήσας τε ἅπαντα ἐς Ζερβούλην τὸ φρούριον αὐθις ἀνέστρεψεν. [21] Ἐν δὲ τῷ χρόνῳ τούτῳ ὃ Ῥωμαῖοι ἐδήουν τὴν γῆν, Ἰαύδας καταλιπὼν Μαυρουσίων τινάς, οὓς μάλιστα ὄρετο ἐς τοῦ φρουρίου τὴν φυλακὴν ἱκανοὺς ἔσεσθαι, αὐτὸς ἐς τὴν τοῦ Αὐρασίου ὑπερβολὴν ξὺν τῷ ἄλλῳ στρατῷ ἀνέβη, ὅπως μὴ πολιορκουμένους ἐνταῦθα τὰ ἐπιτήδεια σφᾶς ἐπιλίποι. [22] χῶρόν τε εὐρὼν κρημοῖς τε πάντοθεν ἀνεχόμενον καὶ πρὸς ἀποτόμων πετρῶν καλυπτόμενον, [23] Τοῦμαρ ὄνομα, ἐνταῦθα ἡσύχαζε. Ῥωμαῖοι δὲ Ζερβούλην τὸ φρούριον ἐς τρεῖς ἐπολιόρκουν ἡμέρας. καὶ τόξοις χρώμενοι, ἅτε οὐχ ὑψηλοῦ ὄντος τοῦ τείχους, πολλοὺς τῶν ἐν ταῖς ἐπάλξεσι βαρβάρων ἔβαλλον. [24] τύχῃ δὲ τινι ξυνέπεσεν ἅπαντας Μαυρουσίων τοὺς ἡγεμόνας τούτοις δὴ ἐντυχόντας τοῖς βέλεσι θνήσκειν. [25] ἐπεὶ δὲ ὁ τε τῶν τριῶν ἡμερῶν χρόνος ἐτρίβη καὶ νύξ ἐπέλαβε, Ῥωμαῖοι μὲν οὐδὲν τοῦ θανάτου πέρι τῶν ἐν Μαυρουσίοις ἡγεμόνων πυθόμενοι διαλύειν ἐβουλεύοντο τὴν προσεδρεῖαν. [26] ἄμεινον γὰρ Σολόμων ἐφαίνετο ἐπὶ τε Ἰαύδαν καὶ Μαυρουσίων τὸ πλῆθος ἰέναι, οἰομένῳ, ἣν ἐκείνους πολιορκία ἐλεῖν δύνηται, ῥᾶόν τε καὶ ἀπονώτερον τοὺς ἐν Ζερβούλῃ βαρβάρους προσχωρήσειν σφίσιν. [27] οἱ δὲ βάρβαροι οὐκέτι ἀντέχουν τῇ προσεδρεΐᾳ οἰόμενοι, ἐπεὶ αὐτοῖς ἅπαντες ἤδη οἱ ἡγεμόνες ἀνήρηντο, φεύγειν τε κατὰ τάχος καὶ τὸ φρούριον ἀπολιπεῖν ἔγνωσαν. [28] αὐτίκα γοῦν ἅπαντες σιγῇ τε καὶ οὐδεμίαν τοῖς πολεμίοις αἰσθησιν παρεχόμενοι ἔφευγον, οἱ τε Ῥωμαῖοι ἐς τὴν ἀναχώρησιν ἅμα ἡμέρᾳ παρεσκευάζοντο. [29] καὶ ἐπειδὴ ἐν τῷ τείχει οὐδεὶς, καίπερ πολεμίων ἀναχωρούντων, ἐφαίνετο, ἐθαύμαζόν τε καὶ ἐς ἀλλήλους ἐπὶ πλεῖστον διηποροῦντο. [30] ξὺν ταύτῃ τε τῇ ἀμνηχία τὸ φρούριον περιόντες ἀνακεκλιμένην τὴν πυλίδα εὐρίσκουσιν ὅθεν δὴ οἱ Μαυρουσῖοι ὄχοντο φεύγοντες. [31] ἔς τε τὸ φρούριον ἐσελθόντες ἐν ἀρπαγῇ ἅπαντα ἐποίησαντο, διώκειν μέντοι ἥκιστα τοὺς πολεμίους διανοοῦντο, ἄνδρας κούφως τε ἐσταλμένους μένους καὶ τῶν ἐκείνῃ χωρίων ἐμπεύρους. [32] καὶ ἐπειδὴ ἅπαντα ἐλήρισαντο, φύλακας τοῦ φρουρίου καταστησάμενοι πεζῇ ἅπαντες ἐχώρουν πρόσω.

Ἐλθόντες δὲ ἐς τοῦμαρ τὸν χῶρον, οὗ δὴ καθείρξαντες σφᾶς αὐτοὺς ἡσύχαζον οἱ πολέμιοι, ἄγχι που ἐστρατοπεδεύσαντο ἐν δυσχωρίᾳ, ἔνθα οὔτε ὕδατος ὅτι μὴ ὀλίγου οὔτε ἄλλου του ἀναγκαίου ἐν εὐπορίᾳ ἔσσεσθαι ἔμελλον.

[2] χρόνου δὲ τριβομένου συχνοῦ τῶν τε βαρβάρων οὐδαμῶς σφίσιν ἐπεξιόντων, αὐτοὶ οὐδὲν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον, τῇ προσεδρεΐᾳ πιεζόμενοι ἡσχαλλόν.

[3] μάλιστα δὲ πάντων τῇ τοῦ ὕδατος ἀπορία ἤχθοντο, ὃ δὴ αὐτὸς Σολόμων ἐφύλασσε, καὶ ἄλλο οὐδὲν ἐς ἡμέραν ἐδίδου, πλὴν γε δὴ ὅτι κύλικα μίαν ἀνδρὶ ἐκάστω.

[4] ὥς δὲ αὐτοὺς εἶδε δυσανασχετοῦντάς τε ἐκ τοῦ ἐμφανοῦς καὶ τὰ παρόντα δυσχερῇ φέρειν οὐκέτι οἶους τε ὄντας, ἀποπειρᾶσθαι τε τοῦ χωρίου, καίπερ δυσπροσόδου ὄντος, διανοεῖτο καὶ ξυγκαλέσας ἅπαντας παρεκελεύσατο ὧδε:

[5] ‘Ἐπειδὴ δέδωκεν ὁ θεὸς Ῥωμαίοις ἐν Αὐρασίῳ Μαυρουσίους πολιορκεῖν, πρᾶγμα πρότερόν τε κρεῖσσον ἐλπίδος καὶ νῦν τοῖς γε οὐχ ὀρῶσι τὰ δρώμενα παντελῶς ἄπιστον, ἀναγκαῖον καὶ ἡμᾶς τῇ ἄνωθεν ὑπουργοῦντας ἐπικουρίᾳ ταύτην δὴ μὴ καταπροδιδόναι τὴν χάριν, ἀλλ’ ὑφισταμένους σὺν προθυμίᾳ τὸν κίνδυνον τῶν ἐκ τοῦ κατορθώσκειν εὐτυχημάτων ἐφίεσθαι.

[6] ὥς πᾶσα μὲν τῶν ἀνθρωπείων πραγμάτων ῥοπὴ ἐς τοῦ καιροῦ τὴν ἀκμὴν περιίσταται: ἦν δέ τις ἐθελοκακήσας προδιδοίη τὴν τύχην, οὐκ ἂν αὐτὴν αἰτιῶτο δικαίως, αὐτὸς ἐφ’ ἑαυτῷ τὴν αἰτίαν πεποιημένος.

[7] Μαυρουσίων μὲν τὴν ἀσθένειαν ὀρᾶτε δῆπου καὶ τὸ χωρίον οὗ δὴ πάντων ἀπολελειμμένοι τῶν ἀναγκαίων καθείρξαντες αὐτοὺς τηροῦσιν.

[8] ὑμᾶς δὲ δυοῖν ἀνάγκη τὸ ἕτερον, ἢ τῇ προσεδρεΐᾳ μηδαμῶς ἀχθομένους τὴν τῶν πολεμίων ὁμολογίαν προσδέχεσθαι, ἢ πρὸς ταύτην ὀλιγορῶντας τὴν μετὰ τοῦ κινδύνου προσίσθαι νίκην.

[9] μᾶλλον δὲ καὶ τὸ πολεμεῖν πρὸς τούσδε ἡμῖν τοὺς βαρβάρους ἀκίνδυνον ἔσται, οὓς δὴ τῷ λιμῷ μαχομένους ἤδη οὐποτε ἡμῖν οὐδὲ εἰς χειρὰς ἀφίξεσθαι οἶμαι. ἅπερ ἐν τῷ παρόντι ὑμᾶς ἐν νῷ ἔχοντας ἅπαντα προσήκει προθύμως τὰ παραγγελλόμενα ἐκτελεῖν.’

[10] Τοσαῦτα Σολόμων παρακελευσάμενος διεσκοπεῖτο ὅθεν ἂν σφίσι τοῦ χωρίου πειράσασθαι ἄμεινον εἴη, ἀπορουμένῳ τε ἐπὶ πλεῖστον ἐφύκει.

[11] λίαν γάρ οἱ ἄμαχος τις ἢ δυσχωρία ἐφαίνετο. ἐν ᾧ δὲ Σολόμων ταῦτα ἐν νῷ ἐποιεῖτο, ἢ τύχη ὁδὸν τινα τοῖς πράγμασιν ἐπορίσατο τήνδε.

[12] Γέζων ἦν τις ἐν τοῖς στρατιώταις πεζός, τοῦ καταλόγου ὀπτίων εἰς ὃν αὐτὸς ἀνεγέγραπτο: οὕτω γὰρ τὸν τῶν συντάξεων χορηγὸν καλοῦσι Ῥωμαῖοι.

[13] οὗτος ὁ Γέζων, εἴτε παίζων εἴτε θυμῷ χρώμενος, ἢ καὶ τι αὐτὸν θεῖον ἐκίνησεν, ἐπὶ τοὺς πολεμίους ἰέναι δοκῶν ἀνέβαινε μόνος καὶ αὐτοῦ μικρὸν ἄποθεν τῶν τινες ξυστρατιωτῶν ἦσαν, ἐν θαύματι πολλῷ ποιούμενοι τὰ γινόμενα.

[14] ὑποτοπήσαντες δὲ Μαυρουσίων τρεῖς οἱ ἐς τὸ φυλάσσειν τὴν εἰσοδὸν ἐτετάχατο ἐπὶ σφᾶς ἰέναι τὸν ἄνθρωπον, ἀπήντων δρόμῳ.

[15] ἅτε δὲ ἐν στενοχωρίᾳ οὐ ζυντεταγμένοι ἐβάδιζον, ἀλλὰ χωρὶς ἕκαστος ἦει.

[16] παίσας δὲ τὸν πρῶτόν οἱ ἐντυχόντα ὁ Γέζων ἐκτεινεν, οὕτω δὲ καὶ τῶν ἄλλων ἑκάτερον διειργάσατο.

[17] ὃ δὴ κατιδόντες οἱ ὀπισθεν ἰόντες πολλῷ θορύβῳ τε καὶ ταραχῇ ἐπὶ τοὺς πολεμίους ἐχώρουν.

[18] ὥς δὲ τὰ δρώμενα ἤκουσέ τε καὶ εἶδεν ἡ Ῥωμαίων στρατιὰ ξύμπασα, οὔτε τὸν στρατηγὸν ἀναμείναντες τῆς πορείας σφίσιν ἡγήσασθαι οὔτε τὰς σάλπιγγας τὴν ξυμβολὴν σημήναι, καθάπερ

εἵστο, οὐ μὴν οὐδὲ τὴν τάξιν φυλάσσοντες, ἀλλὰ πατάγῳ τε πολλῷ χρώμενοι καὶ ἀλλήλοις ἐγκελευόμενοι ἔθεον ἐπὶ τὸ τῶν πολεμίων στρατόπεδον. [19] ἐνταῦθα Ῥουφῖνός τε καὶ Λεόντιος, οἱ Ζαῦνα τοῦ Φαρεσμάνου, ἔργα ἐπεδείξαντο ἐς τοὺς πολεμίους ἀρετῆς ἄξια. [20] οἷς δὴ οἱ Μαυρούσιοι καταπεληγμένοι, ἐπειδὴ καὶ τοὺς φύλακας σφῶν ἀνηρῆσθαι ἔμαθον, αὐτίκα ἐς φυγὴν ὅπῃ ἕκαστος ἐδύνατο ἦσαν, καὶ αὐτῶν οἱ πλεῖστοι ἐν ταῖς δυσχωρίαις καταλαμβανόμενοι ἔθνησκον. [21] Ἰαύδας τε αὐτὸς ἀκοντίῳ πληγείς τὸν μηρὸν ὁμῶς διέφυγέ τε καὶ ἐς Μαυριτανοὺς ἀπεχώρησε. [22] Ῥωμαῖοι δὲ διαρπάσαντες τὸ τῶν πολεμίων στρατόπεδον οὐκέτι τὸ Αὐράσιον ἐκλείπειν ἔγνωσαν, ἀλλὰ Σολόμωνος ἐνταῦθα φρούρια οἰκοδομησαμένου φυλάσσειν, ὅπως μὴ αὐθις τοῦτο δὴ τὸ ὄρος Μαυρουσίῳ ἐσβατὸν ἔσται. [23] Ἔστι δέ τις ἐν Αὐρασίῳ πέτρα ἀπότομος κρημνῶν ἐς μέσον ἀνέχουσα: πέτραν αὐτὴν Γεμινιανοῦ καλοῦσιν οἱ ἐπιχώριοι: οὗ δὴ πύργον οἱ πάλαι ἄνθρωποι βραχὺν κομιδῇ ποιησάμενοι καταφυγὴν τινα ἰσχυράν τε καὶ ἀμήχανον τῆς τοῦ χωρίου φύσεως σφίσι ξυλλαμβανούσης ἐδείξαντο. [24] ἐνταῦθα ἐτύγχανεν Ἰαύδας τὰ τε χρήματα καὶ τὰς γυναῖκας ἡμέραις πρότερον ὀλίγαις ἐναποθέμενος, ἕνα τε γέροντα Μαυρούσιον φύλακα τῶν χρημάτων καταστησάμενος. [25] οὐ γὰρ ἂν ποτε ὑπετόπασεν οὔτε τοὺς πολεμίους ἐς τόνδε τὸν χώρον ἀφίξεσθαι οὐτ' ἂν βία ἐς τὸν ἅπαντα αἰῶνα τὸν πύργον ἐλεῖν. [26] ἀλλὰ Ῥωμαῖοι τότε τοῦ Αὐρασίου τὰς δυσχωρίας διερευνώμενοι ἐνταῦθα ἦκον, καὶ αὐτῶν τις ἀναβαίνειν εἰς τὸν πύργον ξὺν γέλῳτι ἐνεχείρησεν: αἱ δὲ γυναῖκες ἐτόθαζον, ἅτε δὴ τῶν ἀμήχανων ἐφιεμένου καταγελῶσαι: [27] τοῦτο δὲ καὶ ὁ πρεσβύτης ἀπὸ τοῦ πύργου διακύψας ἐποίει. ὁ δὲ Ῥωμαῖος στρατιώτης ἐπειδὴ χερσί τε καὶ ποσὶν ἀναβαίνων ἐγγὺς που ἐγεγόνει, σπασάμενος ἡσυχῇ τὸ ξίφος ἐξήλατό τε ὡς εἶχε τάχους καὶ τοῦ γέροντος εἰς τὸν αὐχένα ἐπιτυχὼν παίει, τεμεῖν τε αὐτὸν διαμπαῖς ἴσχυσεν. [28] ἥ τε κεφαλὴ ἐξέπεσεν εἰς τὸ ἔδαφος, καὶ οἱ στρατιῶται θαρσοῦντες ἤδη καὶ ἀλλήλων ἐχόμενοι εἰς τὸν πύργον ἀνέβαινον, καὶ τὰς τε γυναῖκας τὰ τε χρήματα, μεγάλα κομιδῇ ὄντα, ἐνθένδε ἐξεῖλον. [29] ἀφ' ὧν δὴ Σολόμων πολλὰς τῶν ἐν Λιβύῃ πόλεων περιέβαλε τείχεσι. [30] Καὶ ἐπειδὴ Μαυρούσιοι ἀνεχώρησαν ἐκ Νουμιδίας νικηθέντες, ὥσπερ ἐρρήθη, Ζάβην τε τὴν χώραν, ἣ ὑπὲρ ὁρος τὸ Αὐράσιόν ἐστι Μαυριτανία τε ἡ πρώτη καλεῖται μητρόπολιν Σίτιφιν ἔχουσα, τῇ Ῥωμαίων ἀρχῇ ἐς φόρου ἀπαγωγὴν προσεποίησε: [31] Μαυριτανίας γὰρ τῆς ἐτέρας πρώτης Καισάρειας τυγχάνει οὕσα, οὗ δὴ ὁ Μαστίγας ξὺν Μαυρουσίῳ τοῖς αὐτοῦ ἴδρυτο, ζῦμπαντα τὰ ἐκείνῃ χωρία κατήκοά τε καὶ φόρου ὑποτελῆ πλήν γε δὴ πόλεως Καισαρείας ἔχων. [32] ταύτην γὰρ Ῥωμαῖοις Βελισάριος τὸ πρότερον ἀνεσώσατο, ὥσπερ ἐν τοῖς ἔμπροσθέν μοι δεδηλωται λόγοις: ἐς ἣν Ῥωμαῖοι ναυσὶ μὲν εἰς αἰεὶ στέλλονται, περὶ δὲ ἰέναι οὐκ εἰσὶ δυνατοὶ Μαυρουσίῳ ἐν ταύτῃ ὥκημένων τῇ χώρᾳ. [33] καὶ ἀπ' αὐτοῦ Λίβυες ἅπαντες, οἱ Ῥωμαίων κατήκοοι ἦσαν, εἰρήνης ἀσφαλοὺς τυχόντες καὶ τῆς Σολόμωνος ἀρχῆς σῶφρονός τε καὶ λίαν μετρίας, ἔς τε τὸ λοιπὸν πολέμιον ἐν νῷ οὐδὲν ἔχοντες, ἔδοξαν εὐδαιμονέστατοι εἶναι ἀνθρώπων ἀπάντων.

Τετάρτῳ δὲ ὕστερον ἐνιαυτῷ ἅπαντα σφίσιν ἀγαθὰ ἐς τοῦναντίον γενέσθαι ξυνέπεσεν. ἔτος γὰρ ἑβδομὸν τε καὶ δέκατον Ἰουστινιανοῦ βασιλέως τὴν

αὐτοκράτορα ἀρχὴν ἔχοντος, Κῦρος τε καὶ Σέργιος, οἱ Βάκχου τοῦ Σολόμωνος ἀδελφοῦ παῖδες, πόλεων τῶν ἐν Λιβύῃ πρὸς βασιλέως ἄρχειν ἔλαχον, Πενταπόλεως μὲν Κῦρος ὁ πρεσβύτερος, [2] Τριπόλεως δὲ Σέργιος. Μαυρούσιοι δὲ οἱ Λευάθαι καλούμενοι στρατῷ μεγάλῳ ἐς Λεπτίμαγναν πόλιν παρ' αὐτὸν ἵκοντο, ἐπιθυρολλοῦντες ὅτι δὴ τοῦτου ἕνεκα ἦκοιεν, ὅπως ὁ Σέργιος δῶρά τε καὶ ξύμβολα σφίσι τὰ νομιζόμενα δοὺς τὴν εἰρήνην κρατύνηται. [3] Σέργιος δὲ Πουδεντίῳ ἀναπεισθείς, Τριπολίτῃ ἀνδρὶ, οὐπὲρ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην ἅτε κατ' ἀρχὰς τοῦ Βανδιλικοῦ πολέμου Ἰουστινιανῷ βασιλεῖ ἐπὶ Βανδίλους ὑπηρετήσαντος, ὀγδοήκοντα μὲν τῶν βαρβάρων τοὺς μάλιστα δοκίμους τῇ πόλει ἐδέξατο, ἅπαντα ἐπιτελέσειν ὑποσχόμενος τὰ αἰτούμενα, τοὺς δὲ ἄλλους ἐν τῷ προαστείῳ μένειν ἐκέλευσε. [4] τοῦτοις δὴ τοῖς ὀγδοήκοντα πίστει ἀμφὶ τῇ εἰρήνῃ παρασχόμενος, οὕτω δὴ αὐτοὺς ἐπὶ θοίνην ἐκάλεσε. τούτους δὲ λέγουσι τοὺς βαρβάρους νῦν δολερῶ ἐν τῇ πόλει γενέσθαι, ὅπως Σέργιον ἐνεδρεῦσαντες κτείνωσιν. [5] ἐπειδὴ τε αὐτῷ ἐς λόγους ἦλθον, ἄλλα τε Ῥωμαίοις ἐπεκάλουν ἐγκλήματα καὶ τὰ λήια σφίσιν οὐ δέον δηῖῶσαι. [6] ἅπερ ὁ Σέργιος ἐν ἀλογία πεποιημένος, ἐκ τοῦ βάθρου ἐξαναστὰς ἐφ' οὐπὲρ καθῆστο, ἐβούλετο ἀπαλλάσσεσθαι. [7] καὶ τις αὐτοῦ τῶν βαρβάρων τῆς ἐπωμίδος λαβόμενος ἐνεχέρι οἱ ἐμπόδιος εἶναι. [8] ἔς τε θόρυβον ἐνθένδε καταστάντες οἱ ἄλλοι ἀμφ' αὐτὸν ἤδη ξυνέρρεον. [9] τῶν δὲ τις Σεργίου δορυφόρων τὸ ξίφος σπασάμενος τοῦτον δὴ τὸν Μαυρούσιον διεχρήσατο. [10] καὶ ἀπ' αὐτοῦ ταραχῆς, ὥς τὸ εἰκός, γενομένης ἐν τῷ δωματίῳ μεγάλης, οἱ Σεργίου δορυφόροι τοὺς βαρβάρους ἅπαντας ἔκτειναν. [11] καὶ αὐτῶν εἷς, ἐπειδὴ κτεινομένου τοὺς ἄλλους εἶδε, τοῦ τε οἰκήματος ἵνα δὴ ταῦτ' ἐπράσσετο ἐκπεπήδηκε, λαθὼν ἅπαντας, ἔς τ' τοὺς ὁμοφύλους ἀφικόμενος τὰ σφίσι ξυμπεσόντ' ἐδήλου. [12] οἱ δὲ ταῦτα ἀκούσαντες ἔς τε τὸ οἰκεῖν στρατόπεδον κομίζονται δρόμῳ καὶ ξὺν τῷ ἄλλοις ἅπασιν ἐν ὅπλοις ἐπὶ Ῥωμαίους ἐγένοντο [13] οἷς δὴ ἀμφὶ πόλιν Λεπτίμαγναν ἀφικομένῳ Σέργιῳ τε καὶ Πουδέντιῳ παντὶ τῷ στρατῷ ὑπηντίαζον. [14] τῆς τε μάχης ἐκ χειρὸς γινομένην τὰ μὲν πρῶτα ἐνίκων Ῥωμαῖοι καὶ τῶν πολεμίων πολλοὺς ἔκτειναν, καὶ αὐτῶν τὸ στρατόπεδον ληισάμενοι τῶν τε χρημάτων ἐκράτησαν καὶ γυναικῶν τε καὶ παίδων ἐξηνδραπόδισαν μέγα τ' χρῆμα. [15] ὕστερον δὲ Πουδέντιος θράσει ἀπερισκέπτῳ ἐχόμενος θνήσκει. Σέργιος δὲ σὺν τ' Ῥωμαίων στρατῷ, ἥδη γὰρ καὶ συνεσκόταζεν, ἔξ Λεπτίμαγναν ἐσήλασε. [16] Χρόνῳ δὲ ὕστερον οἱ μὲν βάρβαροι μείζον παρασκευῇ ἐπὶ Ῥωμαίους ἐστράτευσαν. Σέργιο δὲ παρὰ Σολόμωνά τὸν θεῖον ἐστάλη, ἐφ' ᾧ καὶ αὐτὸς μείζονι στρατῷ ἐπὶ τοὺς πολεμίους ἴοι· ὃ δὴ καὶ Κῦρον τὸν ἀδελφὸν εὗρεν. [17] οἳ τε βάρβαρο ἐς Βυζάκιον ἀφικόμενοι πλεῖστα ἐξ ἐπιδρομῇ ἐλήισαντο τῶν ἐκείνη χωρίων· Ἀντάλας δ' οὐπὲρ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην ἅτ' Ῥωμαίοις πιστοῦ διαμεμενηκότος καὶ δι' αὐτ' ἴσου ἐν Βυζακίῳ Μαυρουσίων ἄρχοντος ἥδη Σολόμωνι ἐκπεπολεωμένος ἐτύγχανεν, ὅτι τε τῶν σιτήσεων αἷς αὐτὸν βασιλεὺς ἐτετιμῆκε Σολόμων ἀφείλετο καὶ τὸν ἀδελφὸν τὸν αὐτοῦ ἔκτεινε ταραχὴν τινα αὐτῷ ἐς Βυζακηνοὺς γινομένην ἐπενεγκών. [18] τότε οὖν τούτους Ἀντάλας τοῦ βαρβάρου ἄσμενός τε εἶδε καὶ ὁμαίχμιαν ποιησάμενος ἐπὶ Σολόμωνά τε καὶ Καρχηδόνά σφίσι ἡγήσατο. [19] Σολόμων δέ, ἐπεὶ ταῦτα

ἤκουσε, παντὶ τῷ στρατῷ ἄρας ἐπ' αὐτοὺς ἦει, καὶ καταλαβὼ ἀμφὶ πόλιν Τεβέστην, ἐξ ἡμερῶν ὁδῷ Καρχηδόνῳ διέχουσαν, ἐστρατοπεδεύσατο αὐτός τε καὶ ὁ Βάκχου τοῦ ἀδελφοῦ παῖδες Κῦρός τε καὶ Σέργιο καὶ Σολόμων ὁ νεώτατος. [20] δείσας τε τὸ τῷ βαρβάρων πλῆθος ἐπεμψε παρὰ τῶν Λευαθῶ τοὺς ἄρχοντας, μεμφόμενος μὲν ὅτι δὴ ἔνσπονδῷ Ῥωμαίων ὄντες εἶτα ἐν ὅπλοις γενόμενοι ἐπ' αὐτοὺς ἤκουσι, τὴν δὲ εἰρήνην ἀξιῶν ἐν σφίσι κρατύνασθαι, ὅρκους τε ὁμείσθαι τοὺς δεινοτάτου ὑπέσχετο, ἣ μὴν ἀμνηστία τῶν πεπραγμένων ἐξ αὐτοὺς χρήσεσθαι. [21] χλευάζοντες δὲ τὰ εἰρημέγ' οἱ βάρβαροι πάντως αὐτὸν ὁμείσθαι τὰ Χριστιανῶν λόγια ἔφασαν, ἅπερ καλεῖν εὐαγγέλι νενομίκασιν. [22] οὐκοῦν ἐπειδὴ Σέργιος ταῦτα ὁμόσα εἶτα τοὺς πιστεύσαντας ἔκτεινε, βουλομένοι σφίσιν αὐτοῖς εἶη ἐς μάχην ἰοῦσι τούτων δὴ τῷ λογίῳ ἀποπειρᾶσθαι, ὅποιαν τινὰ πρὸς τοῦ ἐπιόρκους δύναμιν ἔχουσιν, ὅπως αὐτοῖς βεβαίῳ τατα πιστεύσαντες οὕτω δὴ ἐπὶ τὰς ξυνθήκῃ καθιστῶνται. ταῦτα Σολόμων ἀκούσας τὰ ἐξ τὴν ξυμβολὴν ἐξηρτύετο. [23] Τῇ δὲ ὑστεραίᾳ μοίρᾳ τινὶ τῶν πολεμίων λείβ' ὅτι πλείστην ἀγούση ξυμβαλὼν καὶ μάχῃ νικήσας ἀφελὼν τε τὴν λείαν ἐφύλασσε πᾶσαν. [24] δυσανασχετοῦσι δὲ τοῖς στρατιώταις καὶ δεινὰ ποιουμένοις, ὅτι δὴ αὐτοῖς οὐκ ἐδίδου τὰ λάφυρα, ἔφασκεν ἀναμένειν τὸ τοῦ πολέμου πέρας, ὅπως δὴ ἅπαντα τηνικαῦτα διανείμονται, καθάπερ ἂν ἐς τὴν ἀξίαν ἐπιβάλλον ἐκάστω φαίνηται. [25] ἐπεὶ δὲ αὐθις οἱ βάρβαροι πάσῃ τῇ στρατιᾷ ἐς ξυμβολὴν ὥρμηντο, ἐνταῦθα Ῥωμαίων τέ τινες ἀπελείποντο καὶ οἱ ἄλλοι οὐ ξὺν προθυμίᾳ ἐς τὴν παράταξιν ἦσαν. [26] πρῶτα μὲν οὖν ἀγχώματος ἐγεγόνει ἡ μάχη, ὕστερον δὲ πλήθει πολλῷ ὑπερβαλλομένων τῶν Μαυρουσίων, Ῥωμαίων μὲν ὁ πολλοὶ ἔφευγον, Σολόμων δὲ καὶ ἀμφ' αὐτόν τινες χρόνον μὲν τινα βαλλόμενοι ἀντεῖχον, ὕστερον δὲ ὑπερβιαζομένων τῶν πολεμίων σπουδῇ ἔφευγον ἐς τε ρύακος ἐκείνῃ ρέοντος χαράδραν ἀφίκοντο [27] ἔνθα δὴ ὀκλάσαντός οἱ τοῦ ἵππου Σολόμων ἐκπίπτει ἐς ἔδαφος, καὶ αὐτὸν κατὰ τάχος ταῖς χερσὶν οἱ δορυφόροι ἀράμενοι ἐπὶ τοῦ ἵππου καθίζουσι. [28] περιώδυνον δὲ γεγονότα καὶ ἀδύνατον ἔτι τοῦ χαλινοῦ ἔχεσθαι καταλαβόντες οἱ βάρβαροι αὐτόν τε κτείνουσι καὶ τῶν δορυφόρων πολλοὺς. αὕτη τε τοῦ βίου τελευτὴ Σολόμων ἐγένετο.

Τελευτήσαντος δὲ Σολόμωνος, Σέργιος αὐτοῦ ὥσπερ εἴρηται, ἀδελφιδοῦς ὢν, δόντος βασιλέως παρέλαβε τὴν Λιβύης ἀρχήν. [2] ὃς δὴ φθορᾷ πολλῆς αἰτιώτατος τῷ Λιβύων γένει ἐγένετο ἅπαντές τε αὐτοῦ τῇ ἀρχῇ ἠχθοντο, ἄρχοντες μὲν, ὅτι ἀσύνητος ὢν κοιμῆ καὶ νέος τόν τε τρόπον καὶ τὴν ἡλικίαν ἀλαζονικώτατος γέγονεν ἀνθρώπων ἀπάντων, ὕβριζέ τε λόγῳ οὐδενὶ ἐς αὐτοὺς καὶ ὑπερέωρα, πλούτου τε δυνάμει καὶ τῇ τῆς ἀρχῆς ἐξουσίᾳ ἐς τοῦτο ἀεὶ ἐπιχρώμενος· οἱ δὲ στρατιῶται, ὅτι δὴ ἄνανδρός τε καὶ μαλθακὸς παντάπασιν ἦν· οἱ δὲ Λίβυες διὰ τε ταῦτα καὶ ὅτι γυναικῶν τε καὶ χρημάτων ἄλλοτριῶν ἄτοπός τις ἐραστὴς ἐγεγόνει. [3] μάλιστα δὲ πάντων Ἰωάννης ὁ Σισινιόλου τῇ Σεργίου δυνάμει χαλεπῶς εἶχεν. ἀγαθὸς γὰρ ὢν τὰ πολέμια καὶ διαφερόντως εὐδόκιμος, ἀχαρίστου τοῦ ἀνθρώπου ἀτεχνῶς ἔτυχε. [4] διὸ δὴ οὔτε αὐτὸς οὔτε ἄλλος τῶν πάντων οὐδεὶς ὅπλα ἀνταίρειν τοῖς πολεμίοις ἠβούλετο. [5] τῷ δὲ Ἀντάλα οἱ τε Μαυρούσιοι σχεδὸν τι ἅπαντες εἶποντο καὶ

Στότζας ἐκ Μαυριτανίας μετάπεμπτος ἦλθεν. [6] ἐπεὶ τε οὐδεὶς σφίσιν ἐπέξῃει τῶν πολέμιων, ἡγόν τε καὶ ἔφερον ληιζόμενοι ἀδεῶς ἅπαντα. τότε Ἀντάλας Ἰουστινιανῷ βασιλεῖ γράμματα ἔγραψεν. [7] ἐδήλου δὲ ἡ γραφὴ τάδε: ‘Δοῦλος μὲν εἶναι τῆς σῆς βασιλείας οὐκ ἂν οὐδὲ αὐτὸς ἀρνηθείην, Μαυρούσιοι δὲ πρὸς Σολόμωνος ἐν σπονδαῖς πεπονθότες ἀνόσια ἔργα, ἐν ὅλοις ὡς μάλιστα ἠναγκασμένοι γεγόνασιν, οὐ σοι ταῦτα ἀνταίροντες, ἀλλὰ τὸν ἐχθρὸν ἀμυνόμενοι, καὶ διαφερόντως ἐγώ. [8] οὐ γὰρ μόνον με τῶν σιτήσεων ἀποστερεῖν ἔγνω ἄσπερ μοι πολλῶ πρότερον χρόνῳ Βελισάριός τε διώρισε καὶ σὺ δέδωκας, ἀλλὰ καὶ τὸν ἀδελφὸν τὸν ἐμὸν ἔκτεινεν, οὐδὲν ἀδίκημα αὐτῷ ἐπενεγκεῖν ἔχων. [9] τὴν μὲν οὖν δίκην παρὰ τοῦ ἡδικοκότης ἡμᾶς λαβόντες ἔχομεν. εἰ δέ σοι βουλομένῳ ἐστὶ δουλεύειν τε Μαυρουσίους τῇ σῇ βασιλείᾳ καὶ πάντα ὑπηρετεῖν ἥπερ εἰώθασι, Σέργιον μὲν τὸν τοῦ Σολόμωνος ἀδελφιδοῦν ἐνθένδε ἀπαλλαγέντα ἐπανήκειν παρὰ σέ κέλευε, ἄλλον δὲ στρατηγὸν εἰς Λιβύην πέμπε. [10] οὐ γάρ σε ἐπιλείψουσιν ἄνδρες ξυνετοὶ τε καὶ Σεργίου τῷ παντὶ ἀξιώτεροι: ἔως γὰρ οὗτος τῷ σῷ ἐξηγεῖται στρατῷ, εἰρήνην ἔς τε Ῥωμαίους καὶ Μαυρουσίους ξυνίστασθαι ἀμήχανά ἐστιν.’ Ἀντάλας μὲν τοσαῦτα ἔγραψε. βασιλεὺς δὲ [11] ταῦτα ἀναλεξάμενος καὶ μαθὼν τὸ κοινὸν ἀπάντων ἐς Σέργιον ἔχθος, οὐδ’ ὥς παραλύειν αὐτὸν τῆς ἀρχῆς ἤθελε, Σολόμωνος τὴν τε ἄλλην ἀρετὴν καὶ τὴν τοῦ βίου καταστροφὴν αἰσχυρόμενος. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [12] Σολόμων δέ, ὁ Σεργίου ἀδελφός, δόξας ξὺν τῷ θεῷ Σολόμωνι ἐξ ἀνθρώπων ἀφανισθῆναι, πρὸς τε τῶν ἄλλων καὶ τοῦ ἀδελφοῦ ἡμελήθη: οὐ γάρ τις αὐτὸν περιόντα ἔγνω. [13] ἐτύγχανον δὲ ζωγρήσαντες αὐτὸν ἅτε νέον κομιδῇ ὄντα Μαυρούσιοι, [14] καὶ αὐτοῦ ἀνεπυνθάνοντο ὅστις ποτὲ εἶη. ὁ δὲ Βανδίλος μὲν γένος, Σολόμωνος δὲ δοῦλος ἔφασκεν εἶναι. φίλον μέντοι τῶν τινα ἱατρῶν, Πηγάσιον ὄνομα, εἶναι οἱ ἐν πόλει Λαρίβῳ, πλησίον που οὔσῃ, ὃς αὐτὸν ὠνήσαιο τὰ λύτρα διδοῦς. [15] οἱ μὲν οὖν Μαυρούσιοι ἄγχιστα τοῦ τῆς πόλεως περιβόλου γενόμενοι ἐκάλουν τε τὸν Πηγάσιον καὶ οἱ Σολόμονα ἐπεδείκνυν, ἡρώτων τε εἰ οἱ τοῦτον ὠνεῖσθαι πρὸς ἡδονῆς ἐστι. [16] καὶ ἐπεὶ ὡμολόγει ὠνήσεσθαι, πεντήκοντά οἱ χρυσῶν ἀπέδοντο τὸν Σολόμονα. [17] ἐντὸς δὲ τοῦ περιβόλου γενόμενος Σολόμων τοὺς Μαυρουσίους, ἅτε πρὸς αὐτοῦ μεираκίου ὄντος ἐξηπατημένους, ἐτόθῃζεν: αὐτὸς γὰρ Σολόμων ἔφασκεν, ὁ Βάκχου μὲν παῖς, [18] Σολόμωνος δὲ ἀδελφιδοῦς εἶναι. Μαυρούσιοι δὲ τοῖς τε ξυμπεσοῦσι περιαλοῦντες καὶ δεινὰ ποιοῦμενοι, ὅτι δὴ Σεργίου τε καὶ Ῥωμαίων ἐνέχυρον κρατερὸν ἔχοντες εἶτα οὕτω παρέργως ἀφῆκαν, ἐς Λάριβόν τε ἀφίκοντο καὶ αὐτῆς ἐς πολιορκίαν κατέστησαν, ὅπως τὸν Σολόμονα ξὺν τῇ πόλει αἰρήσουσιν. [19] οἱ δὲ πολιορκούμενοι τῶν βαρβάρων τὴν προσεδρεῖαν κατορρωδήσαντες, ἐπεὶ οὐδὲ τὰ ἐπιτήδεια ἐσκομισάμενοι ἔτυχον, τοῖς Μαυρουσίοις ἐς λόγους ἦλθον, ἐφ’ ᾧ χρήματα μεγάλα περιβαλλόμενοι τὴν προσεδρεῖαν εὐθὺς διαλύσωσιν. [20] οἱ δὲ οὐκ ἂν ἐλεῖν βίᾳ τὴν πόλιν οἴομενοι, ἐπεὶ Μαυρουσίους τειχομαχεῖν οὐδαμῇ ἡσκηται, σπανίζειν τε τὰ ἐπιτήδεια τοῖς πολιορκουμένοις ἥκιστα ἔγνωσαν, τοὺς τε λόγους ἐνεδέχοντο καὶ τρισχιλίους κεκομισμένοι χρυσοὺς τὴν πολιορκίαν διέλυσαν, καὶ οἱ Λευάθαι ἐπ’ οἴκου ξύμπαντες ἀνεχώρησαν.

Ἀντάλας δὲ καὶ ὁ τῶν Μαυρουσίων στρατὸς ξυνελέγοντο αὐθις ἐν Βυζακίῳ, καὶ αὐτοῖς Στότζας ξυνῆν, στρατιώτας τε ὀλίγους τινὰς καὶ Βανδύλους ἔχων. [2] Ἰωάννης δὲ ὁ Σισινιόλου, πολλὰ λιπαρούντων Λιβύων, στρατεύμα ἀγείρας ἐπ' αὐτοὺς ἦλθεν. [3] ἐτύγγανε δὲ Ἱμέριος Θραξ τῶν ἐν Βυζακίῳ καταλόγων ἄρχων, ὃν δὴ τότε Ἰωάννης ἐκέλευε πάντας ἐπαγόμενον τοὺς ταύτη καταλόγους ξὺν τοῖς ἐκάστῳ ἡγουμένοις ἐλθόντα ἐς χωρίον Μενεφέσση, ὃ ἐστὶν ἐν Βυζακίῳ, [4] σφίσι ξυμμιῖσαι. ὕστερον δὲ ἀκούσας ἐνταῦθα ἐνστρατοπεδεύεσθαι τοὺς πολεμίους, Ἱμερίῳ ἔγραφε τὰ τε ξυμπεσόντα δηλῶν καὶ σφίσιν ἐπαγγέλλων ἐτέρωθι ἀναμίγνυσθαι, ὅπως μὴ κατὰ μόνας, ἀλλὰ κοινῇ ἅπαντες ὑπαντιάσωσι τοῖς πολεμίους. [5] τύχη δέ τι οἱ ταῦτα τὰ γράμματα ἔχοντες ὁδῷ ἐτέρα χρησάμενοι τὸν Ἱμέριον εὗρεῖν οὐδαμῇ ἴσχυσαν, ἀλλὰ ξὺν τῷ στρατῷ ἐμπεπτωκὼς ἐς τὸ τῶν ἐναντίων στρατόπεδον γέγονεν ὑπὸ ταῖς ἐκείνων χερσίν. [6] ἦν δέ τις ἐν τούτῳ τῷ Ῥωμαίων στρατῷ νεανίας Σεβηριανός, Ἀσιατικοῦ παῖς, Φοῖνιξ, Ἑμεσηνὸς γένος, καταλόγου ἵππικοῦ ἄρχων. [7] ὃς δὴ μόνος ξὺν τοῖς ἀμφ' αὐτὸν στρατιώταις, πεντήκοντα οὖσι, τοῖς πολεμίους ἐς χεῖρας ἦλθε. [8] καὶ χρόνον μὲν ἀντειχόν τινα, ἔπειτα δὲ πλήθει πολλῶν βιαζόμενοι ἐς λόφον ἀνέδραμον ἐνταῦθα πη ὄντα, οὗ δὴ καὶ φρούριον οὐκ ἀσφαλὲς ἦν. [9] διὸ δὴ ὁμολογία σφᾶς αὐτοὺς τοῖς ἐναντίοις ἐνταῦθα ἐπ' αὐτοὺς ἀναβεβηκόσι παρέδωκαν. [10] οἱ δὲ οὔτε αὐτὸν οὔτε τῶν στρατιωτῶν τινα ἔκτειναν, ἀλλὰ ζωγρήσαντες ἅπαντας, Ἱμέριον μὲν ἐν φυλακῇ ἔσχον, τῷ δὲ Στότζᾳ τοὺς στρατιώτας παρέδοσαν, ὁμολογοῦντας σφίσι ξὺν προθυμίᾳ. πολλῇ ἐπὶ Ῥωμαίους στρατεύσεσθαι: τὸν μέντοι Ἱμέριον, ἦν μὴ τὰ ἐπαγγελλόμενα ποιῇ, κτείνειν ἠπειλοῦν. [11] ἐπήγγελλον δὲ πόλιν Ἀδραμητὸν ἐπιθαλασσίαν μηχανῇ τι σφίσιν ἐνδοῦναι. καὶ ἐπεὶ οἱ ἰσχυρίζετο βουλομένῳ εἶναι, ἐπὶ Ἀδραμητὸν ξὺν αὐτῷ ἦσαν. [12] τῆς τε πόλεως ἀγχοῦ γενόμενοι Ἱμέριον μὲν ὀλίγῳ ἔμπροσθεν ξὺν στρατιώταις τῶν Στότζᾳ ἐπομένων τισὶν ἔπεμψαν, Μαυρουσίους δεδεμένους δῆθεν ἐφέλκοντα, αὐτοὶ δὲ ὀπισθεν εἶποντο. [13] καὶ τῷ Ἱμερίῳ εἰπεῖν τοῖς ἐφεστώσι ταῖς τῆς πόλεως πύλαις ἐπέστελλον, ὥς νικῶν μὲν κατὰ κράτος ὁ βασιλέως στρατός, ἥξει δὲ Ἰωάννης αὐτίκα δὴ μάλα, πλῆθος Μαυρουσίων δορυαλώτων ἄγων ἀριθμοῦ κρεῖσσον: οὕτω τε τῶν πυλῶν σφίσιν ἀνοιγνυμένων, ἐντὸς τοῦ περιβόλου ξὺν τοῖς ἅμα αὐτῷ ἰοῦσι γενέσθαι. [14] καὶ ὁ μὲν κατὰ ταῦτα ἐποίει. Ἀδραμητηνοὶ δὲ οὕτως ἐξαπατηθέντες, οὐ γὰρ ἀπιστεῖν τῷ πάντων ἄρχοντι τῶν ἐν Βυζακίῳ στρατιωτῶν εἶχον, τὰς πύλας ἀναπετάσαντες τοὺς πολεμίους ἐδέχοντο. [15] τότε δὴ οἱ ξὺν τῷ Ἱμερίῳ ἐσβάντες σπασάμενοι τὰ ξίφη τὰς πύλας ἐπιτιθέναι τοὺς ταύτη φύλακας οὐκέτι εἶων, ἀλλὰ πάντα τῇ πόλει αὐτίκα ἐδέξαντο τὸν τῶν Μαυρουσίων στρατόν. [16] ληισάμενοί τε αὐτὴν οἱ βάρβαροι καὶ φύλακας καταστησάμενοι ὀλίγους τινὰς ἀπηλλάσσοντο. [17] Ῥωμαίων δὲ τῶν ζωγρηθέντων τινὲς μὲν φεύγοντες ἐς Καρχηδόνα ἦλθον, ἐν οἷς Σεβηριανός τε καὶ Ἱμέριος ἦν. ἐκ Μαυρουσίων γὰρ τοῖς φεύγειν ἐθέλουσιν οὐ χαλεπὸν ἦν. πολλοὶ δὲ καὶ ξὺν τῷ Στότζᾳ οὕτι ἄκοντες ἔμειναν. [18] Χρόνῳ δὲ οὐ πολλῷ ὕστερον τῶν τις ἱερέων, Παῦλος ὄνομα, ὃς δὴ ἐφεστήκει τῇ τῶν νοσούντων ἐπιμελείᾳ, κοινολογησάμενος τῶν λογίμων τισίν, 'Αὐτὸς μὲν,' ἔφη, 'ἐς Καρχηδόνα

σταλήσομαι καὶ κατὰ τάχος ξὺν στρατῷ ἐπανήξειν ἐλπίδα ἔχω, ὑμῖν δὲ μελήσει τῇ πόλει τὸ βασιλέως [19] στράτευμα δεῖξασθαι.’ οἱ μὲν οὖν αὐτὸν βρόχοις τισὶν ἀνάφαντες νύκτωρ ἀπὸ τοῦ περιβόλου καθῆκαν, ὁ δὲ παρὰ τῆς θαλάσσης τὴν ἡίονα γενόμενος, ὀλκάδος τε ἀλιέων ἐπιτυχὼν ἐνταυθὰ πη οὔσης χρήμασι πολλοῖς ἀναπείσας τοὺς ταύτης κυρίους ἐς Καρχηδόνα ἔπλει. [20] οὗ δὴ καταπλεύσας καὶ Σεργίῳ ἐς ὅψιν ἐλθὼν τὸν τε λόγον ἅπαντα ἔφρασε καὶ στράτευμα λόγου ἄξιον ὡς Ἀδραμητὸν ἀνασωσομένῳ διδόναι ἡξίου. [21] καὶ ἐπεὶ ταῦτα Σέργιον ἥκιστα ἥρεσκεν, ἅτε τοῦ ἐν Καρχηδόνι στρατοῦ οὐ πολλοῦ ὄντος, ὅδε ὀλίγους οἱ στρατιώτας τινὰς διδόναι ἐδεῖτο, λαβὼν τε ἄνδρας οὐ πλεον ὀγδοήκοντα, ἐπενοεῖ τοιαύδε. [22] νηῶν τε ἄθροισιν καὶ ἀκάτων συχνῶν ποιησάμενος ναύτας τε πολλοὺς ἐνταυθὰ ἐσεβίβασε καὶ Λίβυας ἄλλους, ἱμάτια περιβεβλημένους ἃ δὴ Ῥωμαίων οἱ στρατιῶται εἰώθασιν ἐνδιδύσκεσθαι. [23] ἄρας τε τῷ παντὶ στόλῳ εὐθὺς Ἀδραμητοῦ κατὰ τάχος ἔπλει. καὶ ἐπεὶ αὐτῆς ἄγχιστα ἐγεγόνει, πέμψας τινὰς λάθρα τοῖς τῆς πόλεως δοκίμοις ἐσήμαινεν ὡς Γερμανὸς ὁ βασιλέως ἀνεψιὸς ἐς Καρχηδόνα ἔναγχος ἦκων Ἀδραμητηνοῖς λόγοι πολλοῦ ἄξιον στράτευμα πέμψειεν. [24] οἷς δὴ θαρσύνοντας ἐκέλευε τὴν νύκτα ἐκείνην ἀνακλινᾶ' σφίσι πυλῖδα μίαν. [25] οἱ δὲ τὰ ἐπηγγελμένα ἐποίουν. οὕτω τε ὁ Παῦλος ξὺν τοῖς ἐπομένοις ἐντὸς τοῦ περιβόλου γενόμενος τοὺς τε πολεμίους ἅπαντας ἔκτεινε καὶ βασιλεῖ Ἀδραμητὸν ἀνέσώσατο: ἢ τε ἀμφὶ Γερμανῷ φήμη ἐνθένδε ἀρξαμένη ἄχρι ἐς Καρχηδόνα ἐχώρησεν. [26] οἱ δὲ Μαυρούσιοι καὶ ὁ Στότζας ξὺν τοῖς ἐπομένοις ταῦτα ἀκούσαντες κατ' ἀρχὰς μὲν κατωρρώδησάν τε καὶ ἐς τὰς Λιβύης ἐσχατιὰς φεύγοντες ὥχοντο, ἔπειτα δὲ γνόντες τὸν ἀληθῆ λόγον δεινὰ ἐποιοῦντο, ἥ αὐτοὶ Ἀδραμητηνῶν φεισάμενοι πάντων τοιαῦτα πρὸς ἐκείνων πεπόνθασι. [27] διὸ δὴ πανταχῇ ἐπισκῆψαντες ἀνόσια Λίβυας ἔργα εἰργάσαντο, οὐδεμιὰς ἡλικίας φεισάμενοι, γέγονέ τε τότε ἀνθρώπων ἔρημος ἐπὶ πλεῖστον ἡ χώρα. [28] Λιβύων γὰρ τῶν ἀπολελειμμένων οἱ μὲν ἐς τὰς πόλεις διέφευγον, οἱ δὲ ἔς τε Σικελίαν καὶ νήσους τὰς ἄλλας. [29] οἱ μέντοι λόγιμοι σχεδόν τι ἅπαντες ἐς Βυζάντιον ἦλθον, ἐν τοῖς καὶ Παῦλος ἦν, ὁ τὴν Ἀδραμητὸν ἀνασωσάμενος βασιλεῖ. [30] οἱ τε Μαυρούσιοι ἀδεέστερον, ἅτε οὐδενὸς σφίσιν ἐπεξιόντος, ἡγόν τε καὶ ἔφερον ἅπαντα καὶ ξὺν αὐτοῖς ὁ Στότζας ἐν δυνάμει ὢν ἤδη. [31] Ῥωμαῖοι γὰρ αὐτῷ στρατιῶται πολλοὶ εἶποντο, οἱ μὲν αὐτόμολοι ἦκοντες, οἱ δὲ κατ' ἀρχὰς μὲν αἰχμάλωτοι γεγεννημένοι, [32] ἐθελούσιοι δὲ αὐτοῦ μέιναντες. Ἰωάννης δέ, οὗ δὴ λόγος τις ἦν ἐν Μαυρουσίοις, Σεργίῳ προσκεκρουκῶς ἐς τὰ μάλιστα ἡσυχίαν ἤγεν.

Ἐν τούτοις δὲ βασιλεὺς ἄλλον ἐς Λιβύην στρατηγὸν Ἀρεόβινδον ξὺν στρατιώταις ὀλίγοις τισὶν ἐπεμψεν, ἄνδρα ἐκ βουλῆς μὲν καὶ εὖ γεγονότα, [2] ἔργων δὲ πολέμιων οὐδαμῶς ἔμπειρον. καὶ ξὺν αὐτῷ Ἀθανάσιον ἑπαρχον ἄρτι ἐξ Ἰταλίας ἦκοντα ἔστελλε καὶ Ἀρμενίους ὀλίγους τινάς, ὧν Ἀρταβάνης τε καὶ Ἰωάννης ἦρχον, Ἰωάννου παῖδες, Ἀρσακίδαι μὲν γένος, ἔναγχος δὲ ἀπολιπόντες τὸ Περσῶν στράτευμα, ἔς τε Ῥωμαίους αὖθις ξὺν τοῖς ἄλλοις Ἀρμενίοις αὐτόμολοι ἦκοντες. [3] συνῆν δὲ τῷ Ἀρεοβίνδῳ ἢ τε ἀδελφῇ καὶ Πρεϊέκτα ἡ γυνή, Βιγλεντίας θυγάτηρ τῆς βασιλέως Ἰουστινιανοῦ ἀδελφῆς. [4] οὐ μὴν οὐδὲ Σέργιον μετεπέμπετο, ἀλλ' αὐτόν τε καὶ Ἀρεόβινδον Λιβύης

στρατηγοὺς ἐκέλευεν εἶναι, τὴν τε χώραν καὶ τῶν στρατιωτῶν τοὺς καταλόγους διελομένους. [5] ἐπέβαλε δὲ Σεργίῳ μὲν τὸν πόλεμον διενεγκεῖν πρὸς τοὺς ἐν Νουμιδίᾳ βαρβάρους, Ἀρεοβίνδῳ δὲ τοῖς ἐν Βυζακίῳ Μαυρουσίοις αἰεὶ διαμάχεσθαι. [6] καταπλεύσαντός τε τοῦ στόλου τούτου ἐς Καρχηδόνα, Σέργιος μὲν ἐπὶ Νουμιδίας ξὺν τῷ οἰκείῳ στρατῷ ἀπιὼν ὥχετο, Ἀρεοβίνδος δὲ Ἀντάλαν τε καὶ Στότζαν ἐνστρατοπεδεύεσθαι μαθὼν ἀμφὶ πόλιν Σικκαβενερίαν, τριῶν ἡμερῶν ὁδῷ Καρχηδόνος διέχουσας, Ἰωάννην τὸν Σισινιόλου ἐπ' αὐτοὺς ἐκέλευεν ἰέναι τοῦ στρατοῦ ἀπολεξάμενον εἴ τι ἄριστον ἦν: [7] τῷ τε Σεργίῳ ἔγραφε τοῖς ἀμφὶ τὸν Ἰωάννην ἀναμίγνυσθαι, ἐφ' ᾧ κοινῇ ἅπαντες ὁμόσε τοῖς πολεμίοις χωρήσουσι. [8] Σέργιος μὲν οὖν τῶν τε γεγραμμένων καὶ τοῦ ἔργου τούτου ὀλιγωρεῖν ἔγνω, ὁ δὲ Ἰωάννης ξὺν ὀλίγῳ στρατῷ ἀμυθῆται ἡνάγκαστο πολεμίων πλήθει ἐς χεῖρας ἰέναι. [9] ἦν δὲ αὐτῷ τε καὶ Στότζᾳ μέγα τι αἰεὶ ἐς ἀλλήλους ἔχθος, ἐκάτερός τε αὐτοῖν ἠύχετο φονεὺς θατέρου γενόμενος οὕτω δὴ ἐξ ἀνθρώπων ἀφανισθῆναι. [10] τότε γοῦν, ἐπειδὴ τάχιστα ἡ μάχη ἐν χερσὶ γίνεσθαι ἔμελλεν, ἄμφω ἐκ τῶν στρατοπέδων ἐλαύνοντες ἐπ' ἀλλήλους ἦλθον. [11] ὁ μὲν οὖν Ἰωάννης ἐντείνας τὸ τόξον ἔτι προσιόντα τὸν Στότζαν κατὰ βουβῶνα τὸν δεξιὸν ἐπιτυχὼν βάλλει, ὁ δὲ καιρίαν πληγὴς αὐτοῦ ἔπεσεν, οὐπω μὲν τεθνεώς, χρόνον δέ τινα ὀλίγον ταύτῃ δὴ ἐπιβιωσόμενος τῇ πληγῇ. [12] ἐπελθόντες δὲ πάντες αὐτίκα, ὅσοι τε αὐτῷ εἶποντο καὶ ὁ τῶν Μαυρουσίων στρατὸς, Στότζαν μὲν ὀλιγοψυχοῦντα ἐπὶ δένδρου τινὸς ἔθεντο, αὐτοὶ δὲ θυμῷ πολλῷ ἐπὶ τοὺς πολεμίους χωρήσαντες τὸν τε Ἰωάννην καὶ Ῥωμαίους ἅπαντας, ἅτε πλήθει πολλῷ ὑπεραίροντες, οὐδενὶ πόνῳ ἐτρέψαντο. [13] τότε δὴ φασιν εἰπεῖν τὸν Ἰωάννην ὡς ἡδὺν τινα θάνατον θνήσκει, ἐπεὶ οἱ τὰ τῆς εὐχῆς ἀμφὶ τῷ Στότζᾳ ἐς πέρας ἀφίκται. χώρος δέ τις ἦν κατάντης ἐνταῦθα, οὗ δὴ αὐτὸν ἀποβάλλει ὀκλάσας ὁ ἵππος. [14] ἐφ' ὃν αὖθις αὐτὸν ἀναθρόσκειν πειρώμενον καταλαβόντες οἱ πολέμιοι κτείνουσιν, ἄνδρα γενόμενον δόξῃ τε καὶ ἀρετῇ μέγαν. ὅπερ ὁ Στότζας μαθὼν ἐτελεύτησε, τοσοῦτον εἰπὼν, ὡς ἥδιστα τὸ λοιπὸν θνήσκει. [15] ἐν ταύτῃ τῇ μάχῃ καὶ Ἰωάννης Ἀρμένιος Ἀρταβάνου ἀδελφὸς θνήσκει, ἔργα ἐς τοὺς πολεμίους ἐπιδειξάμενος ἀρετῆς ἄξια. [16] βασιλεὺς δὲ ταῦτα ἀκούσας περιώδυνός τε τῇ τοῦ Ἰωάννου ἀρετῇ γεγονώς μάλιστα, ἀξύμφορόν τε νομίσας εἶναι τοῖν δυοῖν στρατηγοῖν τὴν ἀρχὴν διέπειν, τὸν μὲν Σέργιον εὐθὺς μεταπεμψάμενος ἐς Ἰταλίαν ξὺν στρατῷ ἐπεμψεν, Ἀρεοβίνδῳ δὲ ἅπαν τὸ Λιβύης παρέδωκε κράτος.

Γόνθαρις δὲ δυοῖν μῆσιν ὕστερον ἢ Σέργιος ἐνθένδε ἀπιὼν ὥχετο, τυραννίδι ἐπέθετο τρόπῳ τοιῷδε. ἐτύγχανε μὲν αὐτὸς τῶν ἐν Νουμίδαις καταλόγων ἡγούμενος διατριβὴν τε διὰ τοῦτο ἐνταῦθα ἔχων, ἔπρασσε δὲ λάθρα ἐς Μαυρουσίους ὅπως ἐπὶ Καρχηδόνα χωρήσωσιν. [2] αὐτίκα τοίνυν ἔκ τε Νουμιδίας καὶ Βυζακίου πολεμίων στρατὸς ἐς ταὐτὸ ἀγηγερμένος ἐπὶ Καρχηδόνα σπουδῇ πολλῇ ἦεσαν. ἡγεῖτο δὲ Νουμιδῶν μὲν Κουτζίνας τε καὶ Ἰαύδας, Βυζακηνῶν δὲ Ἀντάλας. [3] ξυνῆν δὲ αὐτῷ καὶ Ἰωάννης ὁ τύραννος ξὺν τοῖς ἐπομένοις, ὃν δὴ οἱ στασιῶται, Στότζα τετελευτηκότος, ἄρχοντα σφίσιν αὐτοῖς κατεστήσαντο. [4] γνοὺς δὲ Ἀρεοβίνδος τὴν ἔφοδον ἄλλους τε τῶν ἀρχόντων ξὺν τοῖς ἐπομένοις ἐς Καρχηδόνα καὶ Γόνθαριν μετεπέμπετο.

παρῆν δὲ αὐτῷ ξὺν τοῖς Ἀρμενίοις καὶ Ἀρταβάνης. [5] ὁ μὲν οὖν Ἀρεόβινδος
Γόνθαριν ἐξηγεῖσθαι παντὶ τῷ στρατῷ ἐπὶ τοὺς πολεμίους ἐκέλευεν. [6] ὁ δὲ
προθύμως οἱ τὰ ἐς τὸν πόλεμον ὑπηρετήσιν ὑποσχόμενος ἐποίει τάδε. τῶν
οἰκετῶν ἓνα, Μαυρούσιον μὲν γένος, τέχνην δὲ μάγειρον, ἐς τὸ τῶν πολεμίων
στρατόπεδον ἐκέλευσεν ἰέναι, καὶ δόκησιν μὲν τοῖς ἄλλοις παρέχεσθαι ὅτι δὴ
τὸν δεσπότην ἀποδράς ὄχετο, λάθρα δὲ τῷ Ἀντάλα εἰπεῖν ὡς αὐτῷ Γόνθαρς
κοινωνεῖν βούλοιο τῆς Λιβύων ἀρχῆς. [7] ὁ μὲν οὖν μάγειρος κατὰ ταῦτα
ἐποίει, ὁ δὲ Ἀντάλας τὸν μὲν λόγον ἀσμένως ἤκουσε, τοσοῦτον δὲ
ἀπεκρίνατο, ὡς αἱ γενναῖαι τῶν πράξεων οὐ διὰ τῶν μαγείρων ἐπιγίνεσθαι
τοῖς ἀνθρώποις πεφύκασι. [8] ταῦτα ἐπεὶ Γόνθαρς ἤκουσε, τῶν δορυφόρων
ἓνα, Οὐλίθεον ὄνομα, ᾧ δὴ μάλιστα πιστοτάτῳ ἐχρήτο, παρὰ τὸν Ἀντάλαν
εὐθὺς ἔπεμψεν, ὡς ἀγγοτάτῳ Καρχηδόνος αὐτὸν παρακαλῶν ἰέναι. [9] οὕτω
γάρ οἱ τὸν Ἀρεόβινδον ἐξ ἀνθρώπων ἀφανιεῖν ἐπηγγέλλετο. [10] ὁ μὲν οὖν
Οὐλίθεος κρύφα τῶν ἄλλων βαρβάρων Ἀντάλα ξυμβαίνει, ἐφ' ᾧ Βυζακίου μὲν
Ἀντάλας ἄρχοι, τό τε ἡμισυ τῶν Ἀρεόβινδου χρημάτων ἔχων καὶ
πεντακοσίους τε καὶ χιλίους στρατιώτας Ῥωμαίους σὺν αὐτῷ ἐπαγόμενος,
Γόνθαρς δὲ τὸ βασιλέως ἀξίωμα λάβοι, Καρχηδόνος τε τὸ κράτος καὶ Λιβύης
τῆς ἄλλης ἔχων. [11] ταῦτά τε διαπεπραγμένοις ἐπανῆκεν ἐς τὸ Ῥωμαίων
στρατόπεδον, ὅπερ ἅπαν πρὸ τοῦ περιβόλου πεποίητο, ἐν σφίσιν αὐτοῖς τὰ
φυλακτήρια πύλης ἐκάστης νειμάμενοι. [12] οἱ δὲ βάρβαροι οὐ πολλῷ ὕστερον
εὐθὺς Καρχηδόνος σπουδῇ πολλῇ ἦσαν, ἔν τε χωρίῳ τῷ Δεκίμῳ καλουμένῳ
στρατοπεδευσάμενοι ἔμενον. ἐνθένδε τε ἄραντες τῇ ὑστεραίᾳ πρόσω
ἐχώρουν. [13] τινὲς δὲ ὑπαντιάσαντες τοῦ Ῥωμαίων στρατοῦ, ἐς χεῖρας τε
αὐτοῖς ἀπροσδόκητοι ἦλθον καὶ Μαυρουσίους οὐ συχνοὺς ἔκτειναν. [14] οὕς
δὴ ὁ Γόνθαρς εὐθὺς ἀνεκάλει κακίζων ἅτε ἀνεπισκέπτως τε θρασυνομένους
καὶ τὰ Ῥωμαίων πράγματα ἐθέλοντας ἐς προὔπτόν τινα ἐμβαλεῖν κίνδυνον. [15]
Ἐν τούτῳ δὲ Ἀρεόβινδος πέμψας παρὰ τὸν Κουτζίναν λάθρα ἔπρασσε
προδοσίας πέρι. καὶ οἱ ὁ Κουτζίνας ὡμολόγησεν, ἐπειδὴν ἐν τῷ ἔργῳ
γένωνται, ἐπὶ τε Ἀντάλαν καὶ Μαυρουσίους τοὺς ἐν Βυζακίῳ τραπέσθαι. [16]
Μαυρούσιοι γὰρ οὔτε πρὸς ἄλλων ἀνθρώπων τινὰς οὔτε πρὸς ἀλλήλους τὸ
πιστὸν ἔχουσι. ταῦτα ἐς Γόνθαριν Ἀρεόβινδος ἐξήνεγκεν. [17] ὁ δὲ
παρακρούεσθαι τε καὶ ἀναβάλλεσθαι τὴν πρᾶξιν ἐθέλων παρῆνει τῷ
Ἀρεόβινδῳ τὸ πιστὸν ἐς Κουτζίναν ὡς ἤκιστα ἔχειν, ἣν μὴ τοὺς παῖδας ἐν
ὁμήρων λόγῳ παρ' αὐτοῦ λάβοι. [18] Ἀρεόβινδος μὲν οὖν καὶ Κουτζίνας λάθρα
παρ' ἀλλήλους ἀεὶ πέμποντες ἀμφὶ τῇ ἐς Ἀντάλαν ἐπιβουλῇ διατριβὴν εἶχον.
[19] Γόνθαρς δὲ αὖθις τὸν Οὐλίθεον στείλας ἔκπυστα τῷ Ἀντάλα ἐποίησε τὰ
πρασσόμενα. [20] καὶ ὅς οὔτε τι τῷ Κουτζίνα ἐπικαλεῖν ἔγνω οὔτε ὅτι ἐπέπυστο
τὴν ἐπιβουλὴν ἐνδηλος αὐτῷ ἐγεγόνει, οὐ μὴν οὐδὲ τι ἐξήνεγκε τῶν αὐτῷ τε
καὶ Γονθάριδι ξυγκειμένων. [21] ἀλλήλοις δὲ ἄμφω πολέμοι τε καὶ δυσμενεῖς
ταῖς γνώμαις ὄντες νῶ τε πονηρῷ ξυνετάσσοντο, ἐπὶ τε τὸν οἰκεῖον ἑκάτερος
φίλον ἀλλήλοις ξυστρατεύοντες ἦσαν. [22] τοιαυτὴ μὲν γνώμη Κουτζίνας τε
καὶ Ἀντάλας ἐπὶ Καρχηδόνα τὸν Μαυρουσίῳ στρατὸν ἐπῆγον. Γόνθαρς δὲ
κτεῖναι μὲν τὸν Ἀρεόβινδον διανοεῖτο, τοῦ δὲ μὴ δοκεῖν τυραννίδος
ἐπιβατεύειν, ἐν παρατάξει λάθρα τοῦτο δρᾶν ἠθελεν, ὅπως πρὸς ἐτέρων μὲν ἢ

ἐπιβουλὴ ἐς τὸν στρατηγὸν γεγενῆσθαι δόξειεν, αὐτὸς δὲ ἀναγκασθεὶς τῷ Ῥωμαίων στρατῷ ἀνελεῖσθαι τὴν Λιβύης ἀρχήν. [23] ἀπάτη τοίνυν τὸν Ἀρεόβινδον περιελθὼν πείθει τοῖς πολεμίοις ἐπεξελθόντα ὁμόσε ἰέναι, ἥδη που Καρχηδόνος ἄγχιστα ἤκουσιν. [24] ἐδόκει γοῦν αὐτῷ τῇ ὕστεραίᾳ παντὶ τῷ στρατῷ ἐξηγήσεσθαι ἐπὶ τοὺς πολεμίους ἅμα ἡλίῳ ἀνίσχοντι. [25] ἀλλ' Ἀρεόβινδος ἀπείρως τε λίαν ἐς τὸ πρᾶγμα τοῦτο καὶ ὀκνηρῶς ἔχων μελλήσει ἐχρήτο οὐδενὶ λόγῳ. [26] μελετῶν τε γὰρ ὅπως ἐνδύσαιοτο τὴν τῶν ὅπλων σκευὴν καὶ τᾶλλα ἐξαρτυόμενος ἐς τὴν ἐξοδὸν τὸν πλεῖστον τῆς ἡμέρας ἀνάλωσε χρόνον. [27] διὸ δὴ τὴν παρατάξιν ἐς τὴν ἐπιούσαν ἀποθέμενος ἡσυχὴ ἔμενε. [28] Γόνθαρὶς δὲ αὐτὸν ἐξεπίτηδες τὴν μέλλῃσιν πεποιῆσθαι ὑποτοπῆσας ἅτε τῶν πρassoμένων αἰσθανόμενον, ἐκ τοῦ ἐμφανοῦς τὸν τε φόνον τοῦ στρατηγοῦ καὶ τῆς τυραννίδος τὴν ἐπίθεσιν ἐπιτελεῖν ἔγνω.

Ἡμέρα τε τῇ ἐπιγενομένη ἐποίει τάδε. τὰς πύλας ἀναπετάσας οὗ δὴ αὐτὸς φυλακὴν εἶχε, λίθους μὲν ὑπερφυεῖς ἔνερθεν ἔθηκεν, ὥς μὴ τις αὐτὰς ἐπιτιθέναι εὐπετῶς δύναίτο, ἄνδρας τε τεθωρακισμένους καὶ τὰ τόξα ἐν χερσὶν ἔχοντας ἀμφὶ τὰς ἐπάλξεις πολλοὺς ἔστησεν, αὐτὸς τε τὸν θώρακα ἐνδὺς εἰστήκει ἐν μέσαις ταῖς πύλαις. [2] ἐπενόει δὲ ταῦτα οὐ Μαυρουσίων ἔνεκα, ὅπως τῇ πόλει αὐτοὺς δέξεται ἄβεβαιοι γὰρ Μαυρούσιοι παντάπασιν ὄντες ὑπόπτως ἔχουσιν ἐς πάντας ἀνθρώπους. [3] τοῦτο τε αὐτοῖς οὐκ ἀπὸ τοῦ εἰκότος γενέσθαι ξυμβαίνει· ἐπεὶ ὅστις ἄπιστος ἐς τοὺς πέλας καθέστηκε φύσει, οὐδὲ αὐτὸς πιστεύειν ὅτῳδὺν δύναται, ἀλλ' ὑπόπτως ἔχειν ἀναγκάζεται ἐς πάντας ἀνθρώπους ἐκ τῆς αὐτοῦ γνώμης τὸν τοῦ πέλας σταθμώμενος τρόπον. [4] διὸ δὴ οὐδὲ Μαυρουσίους ἠλπίζε Γόνθαρὶς πιστεύσαντάς οἱ ἐντὸς τοῦ περιβόλου γενήσεσθαι, ἀλλ' ὅπως Ἀρεόβινδος ἐμπεσὼν ἐς μέγα τι δέος ἐς φυγὴν τε εὐθὺς ὀρμηθεῖ καὶ κατὰ τάχος Καρχηδόνα ἀπολιπὼν ἐπὶ Βυζαντίου κομίζοιτο. [5] καὶ ἔτυχέ γε τῆς ἀληθοῦς ἐννοίας, εἰ μὴ χειμῶν μεταξὺ ἐπιγεγόμενος διεκώλυσεν. [6] μαθὼν δὲ Ἀρεόβινδος τὰ ποιούμενα, τὸν τε Ἀθανάσιον καὶ τῶν δοκίμων τινὰς μετεπέμπετο. [7] παρὴν δὲ οἱ καὶ Ἀρταβάνης ἐκ τοῦ στρατοπέδου τρίτος αὐτός, τῷ τε Ἀρεοβινδῷ παρήνει μήτε ἀναπεπτωκέναι μήτε τόλμῃ τῇ Γονθάριδος ἐνδιδόναι, ἀλλ' αὐτίκα μάλα ἐπ' αὐτὸν ὁμοῦ ξὺν πᾶσι τοῖς οἱ ἐπομένους ἰόντα ἔργου ἔχεσθαι, πρὶν τι περαιτέρω γεγενῆσθαι κακόν. [8] τὰ μὲν οὖν πρῶτα πέμψας Ἀρεόβινδος παρὰ Γόνθαριν τῶν ἐπιτηδεῖων τινά, Φρέδαν ὄνομα, ἐκέλευεν ἀποπειρᾶσθαι τῆς αὐτοῦ γνώμης. [9] ἐπεὶ δὲ ὁ Φρέδας ἐπανήκων οὐδαμῇ ἀπαρνεῖσθαι Γόνθαριν τὴν τυραννίδα ἐσῆγγελλεν, ἥδη ἐπ' αὐτὸν ὥς ἐς μάχην ἰέναι διενοεῖτο. [10] Ἐν τούτῳ δὲ Γόνθαρὶς Ἀρεόβινδον εἰς τοὺς στρατιώτας διέβαλεν, ὥς ἀνανδρός τε εἶη καὶ ἅμα μὲν δέει ἐς τοὺς πολεμίους ἐχόμενος, ἅμα δὲ τὰς συντάξεις σφίσιν ὥς ἥκιστα ἐθέλων διδόναι, δρασμόν τε ξὺν Ἀθανασίῳ βουλεύεται καὶ αὐτίκα ἐκ Μανδρακίου ἀποπλεῖν μέλλουσιν, ὅπως οἱ στρατιῶται λιμῷ τε καὶ Μαυρουσίοις μαχόμενοι διαφθείρωνται, ἐπυνθάνετό τε εἶπερ αὐτοῖς βουλομένοις εἶη ἅμφω ξυλλαβοῦσιν ἐν φυλακῇ ἔχειν. [11] οὕτω γὰρ ἠλπίζεν Ἀρεόβινδον ἢ τοῦ θορύβου ἡσθημένον φυγῇ χρῆσεσθαι, ἢ καταληφθέντα πρὸς τῶν στρατιωτῶν διαφθαρῆσεσθαι οὐδενὶ λόγῳ. [12] χρήματα μέντοι αὐτὸς οἶκοθεν ὡμολόγει τοῖς στρατιώταις προῖεσθαι ὅσαπερ αὐτοῖς τὸ δημόσιον

ὄφλε. [13] καὶ οἱ μὲν τοὺς τε λόγους ἐπῆνουν καὶ θυμῷ ἐς τὸν Ἀρεόβινδον πολλῷ εἶχοντο, μεταξὺ δὲ Ἀρεόβινδος ζὺν τε Ἀρταβάνη καὶ τοῖς ἐπομένοις ἐνταῦθα ἀφίκεται. [14] καὶ γίνεται μάχη ἐν τε ταῖς ἐπάλξεσι καὶ κάτω ἀμφὶ τὰς πύλας οὗ Γόνθαρις εἰστήκει, ἐν ἧ οὐδέτεροι τὸ ἔλασσον ἔσχον. [15] ἔμελλόν τε ξυλλεγόμενοι ἐκ τῶν στρατοπέδων, ὅσοι βασιλεῖ εὐνοϊκῶς εἶχον, τοὺς στασιώτας κατὰ κράτος ἐλεῖν. οὐ γὰρ ἅπαντας ὁ Γόνθαρις πω ἐξηπατήκει, ἀλλ' οἱ πλεῖστοι ἔτι ταῖς γνώμαις ἀκραιβνεῖς ἔμενον. [16] Ἀρεόβινδος δὲ τότε πρῶτον ἄνδρας κτεινομένους ἰδὼν 'οὐ γὰρ πω ἐθὰς τοῦ θεάματος τούτου ἐτύγχανεν ὧν κατεπλάγη τε καὶ ἀποδειλιάσας οὐκ ἐνεγκών τε τὰ ὀρώμενα φεύγει. [17] Ἔστι δὲ τις ἐντὸς τοῦ Καρχηδόνης περιβόλου νεὼς πρὸς τῇ τῆς θαλάσσης ἀκτῇ, οὗ δὴ ἄνδρες οἰκοῦσιν οἷς τὰ ἐς τὸ θεῖον ἀκριβῶς ἡσκηται: μοναχοὺς καλεῖν τοὺς ἀνθρώπους ἀεὶ νενομίκαμεν: τοῦτον Σολόμων δειμάμενος τὸν νεῶν οὐ πολλῷ πρότερον τειχίσματί τε περιβαλὼν φρούριον ἐχυρώτατον κατεστήσατο. [18] ἐνταῦθα καταφυγὼν Ἀρεόβινδος ἐσεπῆδησεν, ἐνθα τὴν τε γυναῖκα καὶ τὴν ἀδελφὴν ἐτύγχανε πέμψας. [19] τότε καὶ Ἀρταβάνης ἀπιὼν ὥχετο, καὶ οἱ λοιποὶ ζύμπαντες ἐνθένδε ἀνεχώρουν ὡς ἕκαστός πη ἐδύνατο. [20] Γόνθαρις δὲ κατὰ κράτος νενικηκῶς ζὺν τοῖς στασιώταις τὸ Παλάτιον ἔσχε, καὶ τὰς τε πύλας τὸν τε λιμένα ἐνδεδεχέστατα ἤδη ἐφύλαττε. [21] πρῶτα μὲν οὖν τὸν Ἀθανάσιον μετεπέμπετο, καὶ ὃς αὐτῷ οὐδὲν μελλήσας ἦλθε, [22] θωπεῖα τε πολλῇ χρώμενος δόκησιν παρείχετο ὡς αὐτὸν ὅτι μάλιστα ἢ πρᾶξις ἀρέσκοι. [23] ἔπειτα δὲ τὸν τῆς πόλεως ἱερέα πέμψας Ἀρεόβινδον ἐκέλευε τὰ πιστὰ λαβόντα ἐς Παλάτιον ἦκειν, ἀπειλήσας πολιορκήσιν τε ἀπειθήσαντα καὶ μηκέτι αὐτῷ ὑπὲρ τῆς σωτηρίας τὰ πιστὰ δώσειν, ἀλλὰ πάσῃ μηχανῇ ἐξελὼν κτείνειν. [24] ὁ μὲν οὖν ἱερεὺς Ῥεπάρατος ἰσχυρίζετο Γονθάριδος γνώμη τῷ Ἀρεόβινδῳ ὁμείσθαι, μηδὲν αὐτῷ ἄχαρι πρὸς ἐκείνου ζυμβήσεσθαι, φράσας καὶ ὅσα μὴ πειθομένῳ τῷ ἀνθρώπῳ ἠπειλίησε. [25] δέισας δὲ Ἀρεόβινδος ὡμολόγησεν αὐτίκα τῷ ἱερεῖ ἔψεσθαι, ἦν τὸ θεῖον λουτρὸν ἱεουργήσας, ἥπερ εἴθισται, εἶτα πρὸς αὐτοῦ οἱ ἀπομοσάμενος ἀμφὶ τῇ σωτηρίᾳ τὰ πιστὰ δοίη. [26] ὁ μὲν οὖν ἱερεὺς κατὰ ταῦτα ἐποίει. Ἀρεόβινδος δὲ οὐδὲν τι μελλήσας αὐτῷ εἶπετο, ἱμάτιον ἀμπερόμενος οὔτε στρατηγῷ οὔτε ἄλλῳ στρατευομένῳ ἀνδρὶ ἐπιτηδεῖως ἔχον, ἀλλὰ δούλῳ ἢ ἰδιώτῃ παντάπασι πρέπον: κασοῦλαν αὐτὸ τῇ Λατίνων φωνῇ καλοῦσι Ῥωμαῖοι. [27] ἐπειδὴ τε ἀγχοῦ τοῦ Παλατίου ἐγένοντο, τὰ θεῖα ἐν χερσὶ λόγια παρὰ τοῦ ἱερέως λαβὼν τῷ Γονθάριδι ἐς ὧσιν ἦλθε. [28] πρηνῆς τε πεσὼν χρόνον πολὺν αὐτοῦ ἔκειτο, τὴν ἱκετηρίαν αὐτῷ τὰ τε θεῖα λόγια προτεινόμενος καὶ τὸ παιδίον ὅπερ τοῦ θεοῦ ἀζιωθὲν λουτροῦ ἔτυχεν, ἐφ' οὗ οἱ τὴν πίστιν ὁ ἱερεὺς, ὥσπερ μοι ἐρρήθη, παρέσχετο. [29] ἐπεὶ δὲ αὐτὸν ἐξανέστησεν ὁ Γόνθαρις μόλις, πρὸς τῶν ἱερῶν ἀπάντων ἀνεπνυθάνετο τοῦ Γονθάριδος, εἰ οἱ τὰ τῆς σωτηρίας ἐν ἀσφαλεῖ κεῖται. [30] καὶ ὃς θαρσεῖν αὐτὸν ἰσχυρότατα ἤδη ἐκέλευεν: οὐδὲν γὰρ ἄχαρι πρὸς αὐτοῦ πείσεσθαι, ἀλλὰ τῇ ὑστεραίᾳ ζὺν τε τῇ γυναικὶ καὶ τοῖς χρήμασιν ἐκ Καρχηδόνης οἰχήσεσθαι. [31] εἶτα τὸν ἱερέα Ῥεπάρατον ἀποπεμψάμενος, Ἀρεόβινδόν τε καὶ Ἀθανάσιον δειπνεῖν ζὺν αὐτῷ ἐν Παλατίῳ ἐκέλευε. [32] καὶ δειπνοῦντα μὲν τὸν Ἀρεόβινδον ἐτίμα: πρῶτον γὰρ αὐτὸν ἐπὶ τῆς στιβάδος κατέκλινε:

δειπνήσαντα δὲ οὐ μεθῆκεν, ἀλλὰ καθεύδειν ἐν κοιτῶνι μόνον ἠνάγκαζεν: οὗ δὴ τὸν Οὐλίθεον ξὺν ἑτέροις τισὶν ἐπ' αὐτὸν ἐπεμψεν. [33] οἵπερ αὐτὸν κωκύοντά τε καὶ ὀλολυγαῖς συχναῖς χρώμενον πολλά τε πρὸς ἔλεον ἐπαγωγὰ φθεγγόμενον ἐς αὐτοὺς κτείνουσιν. Ἀθανασίου μέντοι ἐφείσαντο, τὸ γήρας, οἶμαι, τοῦ ἀνθρώπου ὑπεριδόντες.

Τῇ δὲ ἐπιγενομένη ἡμέρᾳ τὴν μὲν Ἀρεοβίνδου κεφαλὴν παρὰ τὸν Ἀντάλαν ὁ Γόνθαρις ἐπεμψε, τὰ δὲ χρήματα καὶ τοὺς στρατιώτας αὐτὸν ἀποστερεῖν ἔγνω. [2] Ἀντάλας τοίνυν, ὅτι τέ οἱ τῶν ξυγκειμένων οὐδὲν ἐπετέλει, δεινὰ ἐποιεῖτο, καὶ τὰ τε ὁμωμοσμένα τὰ τε εἰργασμένα τῷ Γονθάριδι ἐς τὸν Ἀρεοβίνδον ἐννοῶν ἥσχαλλεν. [3] οὐ γάρ οἱ ἐδόκει ὁ τοιοῦτους ὅρκους ἡδικηκῶς οὔτε αὐτῷ ποτε οὔτε ἄλλῳ ὀτφοῦν πιστὸς ἔσσεσθαι. [4] πολλὰ γοῦν ἐν αὐτῷ λογισάμενος Ἰουστινιανῷ βασιλεῖ προσχωρεῖν ἤθελε: διὸ δὴ ὀπίσω ἀπήλαυνε. [5] γνούς τε Μαρκέντιον, ὃς τῶν ἐν Βυζακίῳ καταλόγων ἦρχεν, ἐς νῆσόν τινα τῶν ταύτῃ ἐπικειμένων καταφυγεῖν, πέμψας παρ' αὐτὸν φράσας τε τὸν πάντα λόγον καὶ τὰ πιστὰ δούς, τὸν ἄνθρωπον ἐπηγάγετο. [6] καὶ Μαρκέντιος μὲν ἔμενε ξὺν τῷ Ἀντάλᾳ ἐν τῷ στρατοπέδῳ, στρατιῶται δὲ ὅσοι ἐν Βυζακίῳ διατριβὴν εἶχον, εὐνοικῶς βασιλεῖ ἔχοντες, Ἀδραμητὸν πόλιν ἐφύλασσον. [7] οἱ δὲ τοῦ Στότζα στρατιῶται, οὐχ ἥσσους ἢ χίλιοι ὄντες, αἰσθόμενοι τῶν ποιουμένων, Ἰωάννου σφίσιν ἡγουμένου, παρὰ τὸν Γόνθαριν ἐχώρησαν δρόμῳ: [8] καὶ ὃς αὐτοὺς ἀσμένως τῇ πόλει ἐδέξατο. ἦσαν δὲ Ῥωμαῖοι μὲν πεντακόσιοι, Οὐννοὶ δὲ ὀγδοήκοντα μάλιστα, οἱ δὲ λοιποὶ Βανδίλοι ἅπαντες. [9] καὶ Ἀρταβάνης τὰ πιστὰ λαβὼν ἐς τε τὸ Παλάτιον ξὺν τοῖς Ἀρμενίοις ἀνέβη καὶ τῷ τυράννῳ ὑπηρετήσῃ ἐπιτάσσοντι ὡμολόγησε. [10] λάθρα δὲ ἀνελεῖν τὸν Γόνθαριν ἐβουλεύετο, Γρηγορίῳ τε τῷ ἀνεψίῳ καὶ Ἀρτασίρῃ τῷ δορυφόρῳ κοινολογησάμενος τὸ βούλευμα τοῦτο. [11] Γρηγόριος δὲ αὐτὸν ἐς τὴν πρᾶξιν ἐνάγων ἔλεξε τοιάδε: 'Ἀρταβάνη, νῦν σοι πάρεστι μόνῳ τὸ Βελισαρίου ἀναδήσασθαι κλέος, μᾶλλον δὲ αὐτὸ καὶ πολλῶ ἔτι ὑπερβαλέσθαι. [12] ὁ μὲν γὰρ στρατιὰν ἀξιολογωτάτην καὶ χρήματα μεγάλα παρὰ βασιλέως λαβὼν ἐνταῦθα ἦκεν, ἄρχοντας μὲν ἔχων τούς οἱ ἐπομένους καὶ ξυμβούλους πολλούς, στόλον δὲ νηῶν οἷον οὐπὼ ἡμεῖς ἀκοῇ ἴσμεν, ἵππον τε πολλὴν καὶ ὅπλα καὶ τὰ ἄλλα ἀπλῶς εἰπεῖν ἅπαντα ἐπαξίως οἱ παρεσκευασμένα τῆς Ῥωμαίων ἀρχῆς. [13] οὕτω τε πόνῳ πολλῷ ἀνεσώσατο Λιβύην Ῥωμαίοις. [14] ἅπερ ἅπαντα οὕτως ἀπόλωλεν ὥστε, εἰ μὴδὲ ἀρχὴν ἐγεγόνει, ἐν γε τῷ παρόντι ἐν ἴσῳ εἶναι: πλὴν γε δὴ ὅτι ἀποκέκριται Ῥωμαίοις τανῦν ἐκ τῆς Βελισαρίου νίκης τοῖς τε σώμασι καὶ τοῖς χρήμασιν ἐξημιῶσθαι, καὶ πρὸς γε τὸ μὴδὲ φυλάξαι τάγαθὰ δυνατοῖς γεγονέναι. [15] τὸ δὲ πάντα ταῦτα ἀνασώσασθαι τανῦν βασιλεῖ ἐν τῇ σῇ μόνῃ ψυχῇ τε καὶ γνώμῃ καὶ δεξιᾷ κεῖται. [16] οὐκοῦν ἐκλογίζου μὲν ὥς εἴ Ἀρσακίδης ἀνέκαθεν γένος, ἐνθυμοῦ δὲ ὥς τοῖς εὖ γεγονόσιν ἀνδραγαθίζεσθαι ἀεὶ τε καὶ πανταχῇ πρέπει. [17] πολλὰ γοῦν σοι ἔργα ὑπὲρ τῆς ἐλευθερίας θαυμαστὰ πέπρακται. Ἀκάκιον γάρ, νέος ὢν ἔτι, τὸν Ἀρμενίων ἄρχοντα, καὶ Σίτταν τὸν Ῥωμαίων στρατηγὸν ἐκτεινας, καὶ ἀπ' αὐτοῦ Χοσρόῃ βασιλεῖ γνώριμος γεγονώς ξὺν αὐτῷ ἐπὶ Ῥωμαίους ἐστράτευσας. [18] ἐπεὶ δὲ τηλικόσδε εἴ, ὥς σὸν εἶναι μὴ περιορᾶν τὴν Ῥωμαίων ἀρχὴν ὑπὸ κυνὶ μεθύοντι κεῖσθαι, ἐνδείκνυσο τανῦν ὥς

εὐγενεΐα τε καὶ ψυχῆς ἀρετῇ ἐκεῖνα, ὧ ἡγαθέ, τὰ πρόσθεν εἰργάσω· ἐγὼ δέ σοι καὶ Ἀρτασίρης ὅδε ἅπαντα ἐπιτάττοντι ὅση δύναμις ὑπουργήσομεν.’ [19] Γρηγόριος μὲν τοσαῦτα εἶπεν· Ἀρταβάνου δὲ τὴν διάνοιαν ἐπὶ τὸν τύραννον ἔτι μᾶλλον ὥρμησεν. [20] ὁ δὲ Γόνθαρς Ἀρεοβίνδου μὲν τὴν τε γυναικα καὶ τὴν ἀδελφὴν ἐκ τοῦ φρουρίου ἐξαγαγὼν ἐπὶ τινος οἰκίας ἡνάγκασε μένειν, οὔτε τι ὑβρίσας λόγῳ ἢ ἔργῳ ὅτῳ οὐκ ἐς αὐτάς οὔτε τὰ ἐπιτήδεια ἐνδεεστερώς ἢ κατὰ τὴν χρεῖαν ἐχούσας οὔτε τι ἄλλο βιασθεΐσας εἰπεῖν ἢ πρᾶξαι, πλὴν γε δὴ ὅτι γράψαι πρὸς τὸν θεῖον ἢ Πρεϊέκτα ἡνάγκαστο ὡς Γόνθαρς μὲν αὐτάς τε τιμῇ ἐς ἅγαν καὶ καθαρὸς εἶη παντάπασι τοῦ τάνδρὸς φόνου, Οὐλίθεω δὲ τὸ κακὸν ἐργασθεῖη, Γονθάριδος οὐδαμῇ ἐπαινοῦντος. [21] ἔπρασσε δὲ ταῦτα ὁ Γόνθαρς Πασιφίλῳ ἀναπεισθεῖς, ἀνδρὶ γεγονότι μὲν τῶν ἐν Βυζακίῳ στασιωτῶν πρώτῳ, ξυναραμένῳ δὲ αὐτῷ μάλιστα ἐς τὴν τῆς τυραννίδος ἐπίθεσιν. [22] ἰσχυρίζετο γὰρ ὁ Πασίφιλος, ἦν ταῦτα ποιοίη, ξυνοικεῖν τε αὐτῷ βασιλέα τὴν κόρην καὶ προῖκα κατὰ τὸ ξυγγενὲς ἐπιδώσειν χρημάτων μεγάλων. [23] Ἀρταβάνην τε τῷ στρατῷ ἐξηγεῖσθαι ἐπὶ τῇ Ἀντάλῃ καὶ Μαυρουσίους τοὺς ἐν Βυζακίῳ ἐκέλευε. [24] Κουτζίνας γάρ, ἅτε τῷ Ἀντάλῃ προσκεκρουκῶς, ἀπέστη τε αὐτοῦ ἐκ τοῦ ἐμφανοῦς καὶ Γονθάριδι προσεχώρησεν· ὃ δὴ τὸν τε παῖδα καὶ τὴν μητέρα ἐν ὁμήρων λόγῳ παρέσχετο. [25] τὸ μὲν οὖν στράτευμα ἡγουμένου Ἀρταβάνου εὐθὺς ἐπὶ τὸν Ἀντάλῃ ἐχώρει. ξυνηὴν δὲ αὐτῷ καὶ Ἰωάννης, ὁ τῶν Στότζα στασιωτῶν ἄρχων, καὶ Οὐλίθεος ὁ δορυφόρος· εἶποντο δὲ καὶ Μαυρούσιοι, [26] ὧν Κουτζίνας ἦρχε. πόλιν τε Ἀδραμητὸν διαμείψαντες καταλαμβάνουσι τοὺς ἐναντίους ἐνταῦθα πη ὄντας, καὶ στρατοπεδευσάμενοι ὀλίγῳ ἄποθεν τῶν πολεμίων ἠϋλίσαντο. [27] τῇ δὲ ὑστεραίᾳ Ἰωάννης μὲν καὶ Οὐλίθεος, μοῖρᾴν τινα τοῦ στρατοῦ ἔχοντες, αὐτοῦ ἔμειναν, Ἀρταβάνης δὲ καὶ Κουτζίνας ἐπὶ τοὺς ἐναντίους τὸ στράτευμα. [28] οὗς δὴ οὐ ξυνεγκόντες οἱ ξὺν τῷ Ἀντάλῃ Μαυρούσιοι ἐς φυγὴν ὥρμηντο. [29] ἀλλ’ ἐθελοκακήσας Ἀρταβάνης ἐκ τοῦ αἰφνιδίου στρέψας τε τὸ σημεῖον ὀπίσω ἀπῆλυνε. [30] διὸ δὴ Οὐλίθεος αὐτὸν ἐς τὸ στρατόπεδον ἦκοντα κτείνειν διανοεῖτο. [31] παραιτούμενος δὲ Ἀρταβάνης ἔφασκε δεῖσαι μὴ Μαρκέντιος ἐξ Ἀδραμητοῦ πόλεως ἐπιβοηθήσας τοῖς ἐναντίοις, ὅπῃ ἐνταῦθα ἐτύγχανεν ὧν, ἀνῆκεστα σφᾶς ἔργα ἐργάσθαι· [32] ἀλλὰ Γόνθαριν χρῆναι παντὶ τῷ στρατῷ ἐπὶ τοὺς πολεμίους ἰέναι. [33] καὶ τὰ μὲν πρῶτα ἐβουλευέτο ἐς Ἀδραμητὸν ἰὼν ξὺν τοῖς ἐπομένοις τῷ βασιλέει στρατῷ ἀναμίγνυσθαι. [34] ἄμεινον δὲ οἱ πολλὰ διαλογισαμένῳ ἔδοξεν εἶναι Γόνθαριν ἐξ ἀνθρώπων ἀφανίσαντι βασιλέα τε καὶ Λιβύην πραγμάτων ἀπαλλάξαι δυσκόλων. [35] ἀναστρέψας οὖν ἐς Καρχηδὸνα τῷ τυράννῳ ἀπήγγελλεν ὅτι δὴ στρατεύματος αὐτῷ πλείονος ἐπὶ τοὺς πολεμίους δεήσει. [36] ὁ δὲ Πασιφίλῳ κοινολογησάμενος ἅπαντα μὲν ἐξοπλίσαι τὸν στρατὸν ἤθελεν, αὐτὸς δὲ φυλακὴν ἐν Καρχηδόνι καταστήσάμενος ἐπὶ τοὺς πολεμίους τῷ στρατῷ ἐξηγήσασθαι. [37] πολλοὺς μὲν οὖν ἐς ἡμέραν ἐκάστην ἀνῆρει ἐς οὗς ὑποψία τινὶ καὶ λόγον οὐκ ἐχούσῃ ἐχρήτο. [38] τῷ δὲ Πασιφίλῳ ἐπέστελλεν, ὃν δὴ καταστήσεσθαι ἐπὶ Καρχηδόνοιο φυλακῇ ἔμελλε, τοὺς Γραικοὺς ἅπαντας οὐδὲν ὑπολογισαμένῳ κτείνειν.

Τὰ τε ἄλλα διοικησάμενος ὅπῃ οἱ ἐδόκει ὡς ἄριστα ἔχειν, τοὺς ἐπιτηδεῖους

ἑστιᾶν ἔγνω, ὥς ἡμέρᾳ τῇ ἐπιούσῃ τὴν ἔξοδον ποιησόμενος. [2] ἔν τε οἰκῇματι οὗ δὴ στιβάδες ἐν παρασκευῇ ἦσαν ἐκ παλαιοῦ τρεῖς, τὴν θοίνην ἐποίει. [3] αὐτὸς μὲν οὖν ἐπὶ στιβάδος κατεκλίνετο, ὥς τὸ εἰκός, τῆς πρώτης, ἔνθα δὴ καὶ Ἀθανάσιός τε καὶ Ἀρταβάνης ἦσαν, τῶν τε Γονθάριδι γνωρίμων τινές, καὶ Πέτρος Θρᾶξ μὲν γένος, δορυφόρος δὲ Σολόμωνος γενόμενος πρότερον. [4] ἐν ἀμφοτέραις δὲ ταῖς ἄλλαις στιβάσι Βανδύλων οἱ πρῶτοί τε καὶ ἄριστοι ἦσαν. [5] Ἰωάννην μέντοι, ὃς τῶν Στότζα στασιωτῶν ἦρχε, Πασίφιλος ἰδίᾳ εἰστία, καὶ τῶν ἄλλων ἕκαστον, ὅπῃ ἐκάστω τῶν Γονθάριδι ἐπιτηδεῖων φίλον ἔδοξεν εἶναι. [6] Ἀρταβάνης τοίνυν ἡνίκα ἐπὶ ταύτην δὴ τὴν θοίνην ἐκαλεῖτο, τοῦτόν οἱ τὸν καιρὸν ἐπιτηδεῖως ἔχειν ἐς τὸν τοῦ τυράννου φόνον οἰόμενος, τὸ βούλευμα ἐπιτελεῖν διενοεῖτο. [7] ἐς Γρηγόριον οὖν καὶ Ἀρτασίρην καὶ δορυφόρους ἑτέρους τρεῖς τὸ πρᾶγμα ἐξενεγκὼν τοὺς μὲν δορυφόρους ζῦν τοῖς ξίφεσιν ἐκέλευσεν εἶσω γενέσθαι: ἄρχόντων γὰρ ἑστιωμένων ὀπισθεν ἐστάναι τοὺς δορυφόρους νόμος· εἶσω δὲ γενομένους ἐγχειρεῖν ἄφνω, ἡνίκα ἂν σφίσι δοκῇ ὁ καιρὸς ὥς μάλιστα ἐπιτηδεῖως ἔχειν, πρῶτόν τε τὸν Ἀρτασίρην ἔργου ἔχεσθαι. [8] τῷ δὲ Γρηγορίῳ ἐπέστελλε τῶν Ἀρμενίων πολλοὺς τοὺς μάλιστα εὐτολμοτάτους ἀπολεξαμένῳ ἐς τὸ Παλάτιον ἐπαγαγέσθαι, τὰ ξίφη μόνα ἐν χερσὶ φέροντας: ἄλλῳ γὰρ οὐδενὶ τοὺς τοῖς ἄρχουσιν ἐν πόλει ἐπομένους ὀπλιζέσθαι θέμις· τούτους τε ἐν τῷ προστώῳ ἀπολιπόντι εἶσω ζῦν τοῖς δορυφόροις γενέσθαι, καὶ αὐτῶν τὸ μὲν βούλευμα μηδενὶ ἐξεπτεῖν, τοσοῦτον δὲ εἰπεῖν μόνον, ὥς ἐς τὸν Γόνθαριν ὑπόπτως ἔχοι, ἐπὶ πονηρῷ τῷ Ἀρταβάνους ἐς τὴν θοίνην αὐτὸν κεκληκέναι: [9] βούλεσθαι τοίνυν ἐστάναι μὲν αὐτοὺς παρὰ τοὺς Γονθάριδος φύλακας οἵπερ ἐνταῦθα ἐπὶ φυλακῇ ἐτετάχατο, τοῦ δὲ παίζειν δόκησιν τινα παρεχομένους τῶν μὲν ἀσπίδων ὥσπερ ἐκεῖνοι φέρουσιν ἄπτεσθαι, πάλλοντας δὲ αὐτὰς καὶ ἄλλως κινουντας ἄνω κάτω ἐς αἰεὶ στρέφειν: θορύβου δὲ ἢ κραυγῆς ἐντὸς γενομένης ἀραμένους τὰς ἀσπίδας αὐτὰς βοηθεῖν δρόμῳ. [10] Ἀρταβάνης μὲν ταῦτα ἐπηγγέλλεν, ὁ δὲ Γρηγόριος ἐπιτελῇ ἐποίει. ὃ τε Ἀρτασίρης ἐπενόει τάδε: τῶν βελῶν τινα διελὼν δίχα τῷ καρπῷ τῆς εὐωνύμου χειρὸς ἐπέθετο κατὰ τὰς τομὰς μέχρι ἐς τὸν ἀγκῶνα. ἱμασί τε αὐτὰ ἐς τὸ ἀκριβὲς σφίγξας ὑπερθε τὸ ταύτη τοῦ χιτωνίσκου μέρος ἐπέβαλλεν. [11] ἐποίει δὲ ταῦτα, ὅπως, ἦν τις αὐτῷ τὸ ξίφος ἐπανατεινόμενος ἐγχειρῇ παίειν, μηδὲν αὐτῷ δεινὸν πεπονθέναι ξυμβαίη, προβεβλημένῳ μὲν τὴν λαϊὰν χεῖρα, τοῦ δὲ σιδήρου ἀποκαυλιζομένου ἐν τῇ ἐς τὸ ξύλον ἐπιφορᾷ καὶ τοῦ σώματος ἄψασθαι οὐδαμῇ ἔχοντος. Τοιαύτη μὲν γνώμη Ἀρτασίρης, ὥσπερ μοι ἐρρήθη, ἐποίει. [12] τῷ δὲ Ἀρταβάνῃ ἔλεξεν ὧδε: Ἐγὼ τὸ μὲν ἐγχείρημα ὀκνήσει οὐδεμιᾷ ὑποστήσεσθαι καὶ ξίφει τῷδε τοῦ Γονθάριδος σώματος ψαύσειν ἐλπίδα ἔχω, τὸ δὲ ἐνθένδε οὐκ ἔχω εἰπεῖν, πότερα ὁ θεὸς τῷ τυράννῳ χαλεπῶς ἔχων ξυγκατεργάσεται μοι τὸ τόλμημα τοῦτο, ἢ τινα ἐμὴν ἁμαρτάδα τινύμενος ἐνταῦθα τε ἀπαντήσας ἐμπόδιος εἴη. [13] ἦν τοίνυν οὐκ ἐν καιρίῳ πληγέντα τὸν τύραννον ἰδῆς, σὺ δὴ με τῷ ξίφει τῷ ἐμῷ μηδὲν τι μελλήσας ἀπόκτεινον, ὅπως μὴ πρὸς αὐτοῦ αἰκίζόμενος γνώμη τε τῇ σῇ ἐς τὴν πρᾶξιν ὥρμηκέναι εἰπὼν αἰσχιστά τε αὐτὸς διαφθαρείην καὶ σε προσαπολεῖν ἀναγκασθεῖν ἀκούσιος.’ [14] τοσαῦτα καὶ Ἀρτασίρης εἰπὼν ζῦν τε Γρηγορίῳ καὶ τῶν δορυφόρων ἐν

παρὰ τὰς στιβάδας ἐλθὼν ὀπισθεν Ἀρταβάνου ἐστήκει. οἱ δὲ λοιποὶ παρὰ τοὺς φύλακας μένοντες τὰ σφίσιν ἐπηγγελμένα ἐποίουν. [15] Ὁ μὲν οὖν Ἀρτασίρης, ἄρξαμένης που τῆς θοίνης, ἔργου ἔχεσθαι διενοεῖτο, ἤδη τε τῆς τοῦ ἀκινάκου λαβῆς ἤπτετο. [16] ἀλλ' αὐτὸν ὁ Γρηγόριος διεκώλυσεν ἔτι τὸν Γόνθαριν ὅλον εἰπὼν τῇ Ἀρμενίων φωνῇ ἐν αὐτῷ εἶναι, οὐπω ἐκπεπωκότα τοῦ οἴνου τι μέγα. [17] ἀνοιμῶξας τοῖνυν Ἀρτασίρης, 'Ὡ ἄνθρωπε,' εἶπεν, 'ὡς καλὴν ἔχοντά με ψυχὴν οὐ δέον ἐν τῷ παρόντι κεκώλυκας.' [18] προϊόντος δὲ τοῦ πότου, ἤδη που καταβεβρεγμένος ὁ Γόνθαρς τοῖς δορυφόροις τῶν βρώσεων ἐδίδου, φιλοτιμία τινὶ χρώμενος. [19] οἱ δὲ ταύτας λαβόντες ἐσθίειν ἤδη τοῦ οἰκήματος ἔξω γενόμενοι ἔμελλον, μόνων ἀπολελειμμένων παρὰ τὸν Γόνθαριν δορυφόρων τριῶν, ὥνπερ Οὐλίθεος εἰς ἐτύγγανεν ὦν. [20] ἐξῆι δὲ καὶ Ἀρτασίρης, ὡς τῶν βρώσεων ζὺν τοῖς ἐτέροις γευσόμενος. [21] ἐνταῦθά τις αὐτῷ γέγονεν ἔννοια μή τί οἱ σπάσασθαι βουλομένῳ τὸν ἀκινάκην ἐμπόδιον εἴη. [22] ἔξω τοῖνυν γενόμενος ἔρριψε μὲν λάθρα τοῦ ξίφους τὴν θήκην, γυμνὸν τε αὐτὸ ὑπὸ μάλης λαβὼν πρὸς τῆς ἐπωμίδος κεκαλυμμένον παρὰ τὸν Γόνθαριν ἐσεπῆδυσεν, ὡς κρύφα τι τῶν ἄλλων ἐρῶν. [23] ὅπερ Ἀρταβάνης ἰδὼν τῷ τε θυμῷ ζέων καὶ τῇ τῆς ἀγωνίας ὑπερβολῇ ἐς βαθεῖάν τινα ἐμπεσὼν μέριμναν, κινεῖν τε τὴν κεφαλὴν ἤρξατο καὶ πολλὰς ἀμείβειν τοῦ προσώπου χροάς, ἔνθους τέ τις τῷ μεγέθει τῆς πράξεως γεγενῆσθαι παντελῶς ἔδοξεν. [24] ὅπερ ὁ Πέτρος ἰδὼν ξυνήκε τὸ ποιούμενον, οὐ μέντοι ἐξήνεγκεν ἐς τῶν ἄλλων τινά, ἐπεὶ αὐτὸν βασιλεῖ εὐνοϊκῶς ἔχοντα λίαν ἤρεσκε τὰ πρassoμένα. [25] τὸν δὲ Ἀρτασίρην, ἄγχιστά πη τοῦ τυράννου ἐλθόντα, τῶν τις οἰκετῶν ὤσε, μικρὸν τε ὀπισθεν ἀποκεχωρηκότος κατενόησε τὸ ξίφος γυμνὸν ἀνέκραγέ τε, 'Τί τοῦτο, βέλτιστε'; [26] λέγων. ὁ μὲν οὖν Γόνθαρς παρὰ τῶν ὧτων τὸ δεξιὸν τὴν χεῖρα ἐπιβαλὼν στρέψας τε τὸ πρόσωπον ἐς αὐτὸν ἔβλεπεν. [27] Ἀρτασίρης δὲ αὐτὸν τῷ ξίφει μεταξὺ ἔπαισε καὶ τοῦ βρέγματος μοῖράν τινα ζὺν τοῖς δακτύλοις ἀπέκοψε. [28] Πέτρος δὲ ἀναβοήσας ἐνεκελεύετο τῷ Ἀρτασίρῃ τὸν ἀνοσιώτατον κτείνειν ἀνθρώπων ἀπάντων. [29] ἀναθρώσκοντα δὲ Γόνθαριν Ἀρταβάνης ἰδὼν 'ἐγγύθι γὰρ κατεκλίνεται ὁ μάχαιραν ἀμφήκη σπασάμενος, ἢ οἱ παρὰ τὸν μηρὸν ἀπεκρέματο μεγάλη τις οὖσα, ἐς τὴν ἀριστερὰν τοῦ τυράννου πλευρὰν ἄχρι ἐς τὴν λαβὴν ζύμπασαν ὥσας ἐνταῦθα μεθήκε. [30] καὶ ὡς οὐδέν τι ἦσσαν ἀναθορεῖν ἐπεχείρησεν, ἅτε δὲ καιρίαν λαβὼν αὐτοῦ ἔπεσεν. [31] ὁ μὲν οὖν Οὐλίθεος τῷ Ἀρτασίρῃ τὸ ξίφος ὡς κατὰ κόρρης κατὰζων ἐπήνεγκεν: ὁ δὲ τῆς κεφαλῆς χεῖρα τὴν ἀριστερὰν προβαλλόμενος τῆς ἐννοίας τῆς αὐτοῦ ἐν τοῖς ἀναγκαιοτάτοις ἀπώνατο. [32] τοῦ ξίφους γὰρ οἱ τὴν ἀκμὴν ἀποθεμένου ἐν ταῖς ἐπὶ τῆς χειρὸς τῶν βελῶν ἐκτομαῖς, αὐτὸς ἀπαθὴς γεγονὼς ἔκτεινε τὸν Οὐλίθεον οὐδενὶ πόνῳ. [33] Πέτρος δὲ καὶ Ἀρταβάνης, ὁ μὲν τὸ Γονθάριδος ξίφος, ὁ δὲ τὸ τοῦ Οὐλίθεου πεπτωκότος ἀρπάσας, τῶν δορυφόρων τοὺς λειπομένους αὐτοῦ ἔκτειναν. [34] γέγονε τοῖνυν, ὡς τὸ εἰκός, κραυγῆς τε καὶ ταραχῆς μέγα τι χρῆμα. αἰσθόμενοι τε ταύτης ὅσοι τῶν Ἀρμενίων παρὰ τοὺς τοῦ τυράννου φύλακας ἴσταντο, τὰς ἀσπίδας εὐθὺς ἀνελόμενοι κατὰ τὰ σφίσι ξυγκείμενα ἐπὶ τὰς στιβάδας ἐχώρουν δρόμῳ, καὶ τοὺς τε Βανδίλους ζύμπαντας τοὺς τε Γονθάριδι ἐπιτηδεῖους ἀνεῖλον, οὐδενὸς σφίσιν ἀντιστατοῦντος. [35] Τότε

Ἀρταβάνης τὸν Ἀθανάσιον ἐμαρτύρατο ἐπιμελεῖσθαι τῶν ἐν Παλατίῳ χρημάτων: ὅσα γὰρ Ἀρεοβίνδῳ ἐλέλειπτο ἐνταῦθα εἶναι. [36] ἐπεὶ δὲ οἱ φύλακες τὴν Γονθάριδος τελευτὴν ἔμαθον, ζυνετάσσοντο τοῖς Ἀρμενίοις αὐτίκα πολλοί: τῆς γὰρ Ἀρεοβίνδου οἰκίας οἱ πλεῖστοι ἦσαν. ζυμφρονήσαντες τοίνυν Ἰουστινιανὸν ἀνεβόων καλλίνικον. [37] ἥ τε φωνὴ προῖοῦσα μὲν ἐκ πλήθους ἀνθρώπων, ἐξαισία δὲ ὑπερφυῶς οὖσα ἐς πόλιν ἐξικνεῖσθαι τὴν πολλὴν ἴσχυσεν. [38] ἐνθὲν δὲ οἱ τῷ βασιλεῖ εὐνοϊκῶς ἔχοντες ἐσπηδήσαντες ἐς τῶν στασιωτῶν τὰς οἰκίας τοὺς μὲν ὕπνον αἰρουμένους, τοὺς δὲ σιτία, ἐνίους δὲ θαμβήσαντάς τε τῷ δέει καὶ ἀπορίᾳ δεινῇ ἐχομένους εὐθὺς ἔκτειναν. [39] ἐν τοῖς καὶ Πασίφιλος ἦν. Ἰωάννης γὰρ ζὺν Βανδύλων τισὶν ἐς τὸ ἱερὸν καταφεύγει. [40] οἷς δὴ Ἀρταβάνης τὰ πιστὰ παρασχόμενος ἔνθεν τε ἐξαναστήσας ἐς Βυζάντιον ἔπεμψε καὶ τὴν πόλιν βασιλεῖ ἀνασώσάμενος διεφύλαξε. [41] γέγονε δὲ ὁ τοῦ τυράννου φόνος ἕκτη καὶ τριακοστῇ ἀπὸ τῆς τυραννίδος ἡμέρᾳ, ἑνατον καὶ δέκατον ἔτος Ἰουστινιανοῦ βασιλείᾳς τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [42] Ἀρταβάνης τε ἐκ τοῦ ἔργου τούτου κλέος περιεβάλετο μέγα ἐς πάντας ἀνθρώπους. [43] καὶ Πρεῖεκτα μὲν εὐθὺς ἡ Ἀρεοβίνδου γυνὴ μεγάλῳ αὐτὸν ἐδωρήσατο χρήμασι, βασιλεὺς δὲ στρατηγὸν αὐτὸν κατεστήσατο Λιβύης ἀπάσης. [44] οὐ πολλῶ δὲ ὕστερον Ἀρταβάνης μὲν ἔχρηζε βασιλείᾳς ὅπως αὐτὸν ἐς Βυζάντιον μεταπέμποιτο, [45] βασιλεὺς δὲ τὴν δέησιν ἐπιτελῇ ἐποιεῖτο. καὶ τὸν Ἀρταβάνην μεταπεμψάμενος, Ἰωάννην τὸν Πάππου ἀδελφὸν Λιβύης στρατηγὸν μόνον αὐτὸν κατεστήσατο. [46] οὗτος Ἰωάννης ἐπεὶ τάχιστα ἐν Λιβύῃ ἐγένετο, Ἀντάλα τε καὶ Μαυρουσίους τοῖς ἐν Βυζακίῳ ἐς χεῖρας ἐλθὼν καὶ μάχῃ νικήσας τῶν τε πολεμίων πολλοὺς ἔκτεινε καὶ σημεῖα πάντα τὰ Σολόμωνος τούτους δὴ τοὺς βαρβάρους ἀφελόμενος βασιλεῖ ἔπεμψεν, ἅπερ αὐτοὶ ληισάμενοι ἔτυχον ἡνίκα Σολόμων ἐξ ἀνθρώπων ἠφάνιστο. τοὺς δὲ λοιποὺς ὥς ἀπωτάτῳ ἐξήλασε τῆς Ῥωμαίων ἀρχῆς. [47] χρόνῳ δὲ ὕστερον οἱ Λευάθαι αὐθις στρατῶ μεγάλῳ ἐκ τῶν ἐπὶ Τριπόλεως χωρίων ἐς Βυζάκιον ἀφικόμενοι τοῖς ἀμφὶ τὸν Ἀντάλαν ζυνέμιζαν. [48] οἷσπερ Ἰωάννης ὑπαντιάσας ἡσσηθεῖς τε τῇ ζυμβολῇ καὶ πολλοὺς τῶν οἱ ἐπομένων ἀποβαλὼν ἐς Λαρίβους φεύγει. [49] καὶ τότε δὴ οἱ πολέμοι μέχρι ἐς Καρχηδόνα ζύμπαντα καταθέοντες τὰ ἐκεῖνη χωρία ἀνήκεστα ἔργα Λίβυας τοὺς παραπεπτωκότας εἰργάσαντο. [50] οὐ πολλῶ δὲ ὕστερον Ἰωάννης τῶν στρατιωτῶν τοὺς περιγενομένους ἀγείρας καὶ Μαυρουσίους ἄλλους τε καὶ τοὺς ἀμφὶ Κουτζίναν ἐς ζυμμαχίαν ἐπαγαγόμενος τοῖς πολεμίοις ἐς χεῖρας ἤλθε καὶ αὐτοὺς ἐκ τοῦ παραδόξου ἐτρέψατο. [51] Ῥωμαῖοί τε αὐτοῖς φεύγουσι κόσμῳ οὐδενὶ ἐπισπόμενοι μοῖραν μὲν αὐτῶν πολλὴν ἔκτεινον, οἱ δὲ λοιποὶ ἐς τῆς Λιβύης τὰς ἐσχατίας διέφυγον. [52] οὕτω τε Λιβύων τοῖς περιγενομένοις, ὀλίγοις τε καὶ λίαν πτωχοῖς οὖσιν, ὃν περ καὶ μόλις ἡσυχίαν τινὰ ζυνηνέχθη γενέσθαι.

BOOK V.

ΠΡΟΚΟΠΙΟΥ ΚΑΙΣΑΡΕΩΣ ΥΠΕΡ ΤΩΝ ΠΟΛΕΜΩΝ ΛΟΓΟΣ ΠΕΜΠΤΟΣ

Τὰ μὲν οὖν ἐν Λιβύῃ πράγματα τῆδε Ῥωμαίοις ἐχώρησεν. ἐγὼ δὲ ἐπὶ πόλεμον τὸν Γοθικὸν εἶμι, ἐπειπὼν πρότερον ὅσα Γόθοις τε καὶ Ἰταλιώταις πρὸ τοῦδε τοῦ πολέμου γενέσθαι ξυνέβη. [2] Ἐπὶ Ζήνωνος ἐν Βυζαντίῳ βασιλευόντος Αὐγουστος εἶχε τὸ ἐσπέριον κράτος, ὃν καὶ Αὐγουστούλον ὑποκοριζόμενοι ἐκάλουν Ῥωμαῖοι, ὅτι δὴ μεираκίον ὢν ἔτι τὴν βασιλείαν παρέλαβεν, ἣν οἱ Ὀρέστης ὁ πατὴρ διωκεῖτο ξυνετώτατος ὢν. [3] ἐτύγγανον δὲ Ῥωμαῖοι χρόνῳ τινὶ πρότερον Σκίρους τε καὶ Ἀλανοὺς καὶ ἄλλα ἅττα Γοθικὰ ἔθνη ἐς ξυμμαχίαν ἐπαγαγόμενοι: ἐξ οὗ δὴ αὐτοῖς πρὸς τε Ἀλαρίχου καὶ Ἀττίλα συνηνέχθη παθεῖν ἅπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [4] ὅσῳ τε τὰ τῶν βαρβάρων ἐν αὐτοῖς ἤκμαζε, τοσούτῳ τὸ τῶν Ῥωμαίων στρατιωτῶν ἀξίωμα ἤδη ὑπέλγηε, καὶ τῷ εὐπρεπεῖ τῆς ξυμμαχίας ὀνόματι πρὸς τῶν ἐπιηλύδων τυραννούμενοι ἐβιάζοντο: ὥστε αὐτοὺς ἀνέδην ἄλλα τε πολλὰ οὐ τι ἐκουσίους ἠνάγκαζον καὶ τελευτῶντες ξύμπαντας πρὸς αὐτοὺς νείμασθαι τοὺς ἐπὶ τῆς Ἰταλίας ἀγροὺς ἤξιουν. [5] ὢν δὴ τὸ τριτημόριον σφίσι διδόναι τὸν Ὀρέστην ἐκέλευον, ταῦτά τε ποιήσιν αὐτὸν ὡς ἥκιστα ὁμολογοῦντα εὐθὺς ἔκτειναν. [6] ἦν δέ τις ἐν αὐτοῖς Ὀδοάκρος ὄνομα, ἐς τοὺς βασιλέως δορυφόρους τελῶν: ὃς αὐτοῖς τότε ποιήσιν τὰ ἐπαγγελλόμενα ὠμολόγησεν, ἥνπερ αὐτὸν ἐπὶ τῆς ἀρχῆς καταστήσονται. [7] οὕτω τε τὴν τυραννίδα παραλαβὼν ἄλλο μὲν οὐδὲν τὸν βασιλέα κακὸν ἔδρασεν, ἐν ιδιώτῳ δὲ λόγῳ βιοτεύειν τὸ λοιπὸν εἶασε. [8] καὶ τοῖς βαρβάροις τὸ τριτημόριον τῶν ἀγρῶν παρασχόμενος τούτῳ τε τῷ τρόπῳ αὐτοὺς βεβαιότατα ἐταιρισάμενος τὴν τυραννίδα ἐς ἔτη ἐκρατύνετο δέκα. [9] Ὑπὸ δὲ τοὺς αὐτοὺς χρόνους καὶ Γόθοι, οἱ ἐπὶ Θράκης δόντος βασιλέως κατώκηντο, ὅπλα ἐπὶ Ῥωμαίους, Θεουδερύχου σφίσιν ἡγουμένου, ἀντήραν, ἀνδρὸς πατρικίου τε καὶ ἐς τὸν ὑπάτων δίφρον ἀναβεηκότος ἐν Βυζαντίῳ. [10] Ζήνων δὲ βασιλεὺς, τὰ παρόντα εὖ τίθεσθαι ἐπιστάμενος, Θεουδερύχῳ παρήνει ἐς Ἰταλίαν πορεύεσθαι καὶ Ὀδοάκρῳ ἐς χεῖρας ἰόντι τὴν ἐσπερίαν ἐπικράτησιν αὐτῷ τε καὶ Γόθοις πορίζεσθαι. [11] ἄμεινον γάρ οἱ εἶναι, ἄλλως τε καὶ ἐπ' ἀξίωμα βουλῆς ἥκοντι, τύραννον βιασαμένῳ Ῥωμαίων τε καὶ Ἰταλιωτῶν ἄρχειν ἀπάντων ἢ βασιλεῖ διαμαχομένῳ ἐς τόσον κινδύνου ἰέναι. [12] Θεουδέρυχος δὲ ἡσθεὶς τῇ ὑποθήκῃ ἐς Ἰταλίαν ἦει, καὶ αὐτῷ ὁ τῶν Γόθων λεῶς εἶπετο, παιδᾶς τε καὶ γυναῖκας ἐν ταῖς ἀμάξαις ἐνθέμενοι καὶ τὰ ἐπιπλά ὅσα φέρειν οἰοί τε ἦσαν. [13] ἐπειδὴ τε κόλπου ἄγχιστα τοῦ Ἰονίου ἐγένοντο, διαπορθμεύεσθαι, νηῶν σφίσιν οὐ παρουσῶν, ἥκιστα εἶχον: περιόντες δὲ τὴν τοῦ κόλπου περίοδον πρόσω ἐχώρουν διὰ τε Ταυλαντίων καὶ τῶν ταύτῃ ἐθνῶν. [14] τούτοις δὲ οἱ ἀμφὶ Ὀδοάκρον ὑπαντιάσαντες μάχαις τε ἡσσηθέντες πολλαῖς ἐν τε Ῥαβέννῃ σὺν τῷ ἡγεμόνι σφᾶς αὐτοὺς εἵρξαν καὶ ἐν τοῖς μάλιστα τῶν ἄλλων χωρίων ἰσχυροῖς οὔσι. [15] καθεστηκότες δὲ εἰς πολιορκίαν οἱ Γόθοι τὰ μὲν ἄλλα χωρία ξύμπαντα τρόπῳ δὴ ὅτῳ ἐκάστῳ τετύχηκεν εἶλον, Καισῆναν δὲ τὸ

φρούριον, ὅπερ σταδίοις τριακοσίοις Ραβέννης διέχει, Ράβενναν τε αὐτήν, ἔνθα καὶ Ὀδόακρον συμπέπτωκεν εἶναι, οὔτε ὁμολογία οὔτε βία ἐλεῖν ἴσχυον. [16] Ῥάβεννα γὰρ αὕτη ἐν πεδίῳ μὲν κεῖται ὑπὲρ ἐς τοῦ Ἰονίου κόλπου τὰ ἔσχατα, δυοῖν σταδίοις διειργομένη μέτρῳ τὸ μὴ ἐπιθαλάσσιος εἶναι, οὐκ εὐέφοδος δὲ οὔτε ναυσὶν οὔτε πεζῶν στρατῷ φαίνεται οὔσα. [17] αἱ τε γὰρ νῆες καταίρειν ἐς τὴν ἐκείνη ἀκτὴν ἥκιστα ἔχουσιν, ἐπεὶ αὕτη ἡ θάλασσα ἐμπόδιός ἐστι βράχος ποιουμένη οὐχ ἥσσαν ἢ κατὰ σταδίους τριάκοντα, καὶ ἀπ' αὐτοῦ τὴν ἡῖονα ταύτην, καίπερ τοῖς πλέουσιν ἄγχιστα ὀρωμένην, τῇ τοῦ βράχους περιουσία ἐκαστάτῳ ξυμβαίνει εἶναι. [18] καὶ τῷ πεζῷ στρατῷ ἐσβατὴ οὐδαμῇ γίνεταί· Πάδος τε γὰρ ὁ ποταμός, ὃν καὶ Ἡριδανὸν καλοῦσιν, ἐξ ὀρίων τῶν Κελτικῶν ταύτῃ φερόμενος καὶ ποταμοὶ ἄλλοι ναυσίποροι ξὺν λίμναις τισὶ πανταχόθεν αὐτὴν περιβάλλοντες ἀμφίρρυτον ποιοῦσι τὴν πόλιν. [19] ἐνταῦθα γίνεταί τι ἐς ἡμέραν ἐκάστην θαυμάσιον οἶον· ἡ θάλασσα πρῶτ' ἐκαστὴν σχῆμα ποταμοῦ ἡμέρας ὁδὸν εὐζώνῳ ἀνδρὶ ἐς γῆν ἀναβαίνει καὶ πλόϊμον αὐτὴν παρεχομένη ἐν μέσῃ ἡπείρῳ, αὐτὴς ἀναλύουσα τὸν πορθμὸν ἀναστρέφει ἀμφὶ δεξιὴν ὀψίαν, καὶ ἐφ' αὐτὴν ξυνάγει τὸ ῥεῦμα. [20] ὅσοι οὖν ἐς τὴν πόλιν ἐσκομίζεον τὰ ἐπιτήδεια ἢ ἐνθένδε ἐκφέρειν κατ' ἐμπορίαν ἢ κατ' ἄλλην ἔχουσιν αἰτίαν, τὰ φορτία ἐν τοῖς πλοίοις ἐνθέμενοι, κατασπᾶσαντές τε αὐτὰ ἐν τῷ χωρίῳ οὗ δὴ ὁ πορθμὸς γίνεσθαι εἶωθε, προσδέχονται τὴν ἐπιρροήν. [21] καὶ ἐπειδὴ αὕτη ἀφίκηται, τά τε πλοῖα κατὰ βραχὺ ἐκ γῆς ἐπαιρόμενα πλεῖ καὶ οἱ ἀμφὶ ναῦται ἔργου ἐχόμενοι ναυτῖλλονται ἤδη. [22] καὶ τοῦτο οὐκ ἐνταῦθα μόνον, ἀλλ' εἰς ἅπασαν τὴν ἐκείνη ἀκτὴν ἐς αἰὲ γίνεταί, ἄχρι ἐς Ἀκυληίαν πόλιν. [23] οὐ μέντοι κατὰ ταῦτα ἐς τὸν ἅπαντα χρόνον γίνεσθαι εἶωθεν, ἀλλ' ἡνίκα μὲν βραχὺ φαίνεται τῆς σελήνης τὸ φῶς, οὐδὲ ἡ τῆς θαλάσσης πρόοδος ἰσχυρὰ γίνεταί, μετὰ δὲ τὴν πρώτην διχότομον ἄχρι ἐς τὴν ἐτέραν καρτερὰ μᾶλλον ἢ ἐπιρροὴ γίνεσθαι ἐφύκε. ταῦτα μὲν οὖν ὧδέ πη ἔχει. [24] Ἐπεὶ δὲ τρίτον ἔτος Γότθοις τε καὶ Θεωδερίῳ Ῥάβενναν πολιορκοῦσιν ἐτέτριπτο ἤδη, οἱ τε Γότθοι ἀχθόμενοι τῇ προσεδρεΐᾳ καὶ οἱ ἀμφὶ Ὀδόακρον πιεζόμενοι τῶν ἀναγκαίων τῇ ἀπορίᾳ, ὑπὸ διαλλακτῇ τῷ Ῥαβέννης ἱερεῖ ἐς λόγους ἀλλήλοις ξυνίασιν, ἐφ' ᾧ Θεωδερίχός τε καὶ Ὀδόακρος ἐν Ῥαβέννῃ ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ δαίταν ἐξουσιν. [25] καὶ χρόνον μὲν τινα διεσώσαντο τὰ ξυγκείμενα, μετὰ δὲ Θεωδερίχος Ὀδόακρον λαβὼν, ὥς φασιν, ἐπιβουλῇ ἐς αὐτὸν χρώμενος, νῶ τε δολερῷ καλέσας ἐπὶ θοίνῃν, ἔκτεινε, καὶ ἀπ' αὐτοῦ βαρβάρων τῶν πολεμίων προσποιησάμενος ὅσους περιεΐναι ξυνέπεσεν αὐτὸς ἔσχε τὸ Γότθων τε καὶ Ἰταλιωτῶν κράτος. [26] καὶ βασιλέως μὲν τοῦ Ῥωμαίων οὔτε τοῦ σχήματος οὔτε τοῦ ὀνόματος ἐπιβατεῦσαι ἠξίωσεν, ἀλλὰ καὶ ῥῆξ διεβίου καλούμενος· οὕτω γὰρ σφῶν τοὺς ἡγεμόνας καλεῖν οἱ βάρβαροι νενομίκασι, τῶν μὲντοι κατηκόνων τῶν αὐτοῦ προὔστη ζύμπαντα περιβαλλόμενος ὅσα τῷ φύσει βασιλεῖ ἤρμοστοι. [27] δικαιοσύνης τε γὰρ ὑπερφυῶς ἐπεμελήσατο καὶ τοὺς νόμους ἐν τῷ βεβαίῳ διεσώσατο, ἐκ τε βαρβάρων τῶν περιοίκων τὴν χώραν ἀσφαλῶς διεφύλαξε, ξυνέσεώς τε καὶ ἀνδρίας ἐς ἄκρον ἐληλύθει ὥς μάλιστα. [28] καὶ ἀδίκημα σχεδὸν τι οὐδὲν οὔτε αὐτὸς ἐς τοὺς ἀρχομένους εἰργάζετο οὔτε τῷ ἄλλῳ τὰ τοιαῦτα ἐγκεχειρηκότι ἐπέτρεπε, πλὴν γε δὴ ὅτι τῶν χωρίων τὴν μοῖραν ἐν

σφίσιν αὐτοῖς Γότθοι ἐνείμαντο ἥνπερ Ὀδοάκρος τοῖς στασιώταις τοῖς αὐτοῦ ἔδωκεν. [29] ἦν τε ὁ Θευδέριχος λόγῳ μὲν τύραννος, ἔργῳ δὲ βασιλεὺς ἀληθῆς τῶν ἐν ταύτῃ τῇ τιμῇ τὸ ἐξ ἀρχῆς ηὑδοκιμηκότων οὐδενὸς ἦσσαν, ἔρως τε αὐτοῦ ἐν τε Γότθοις καὶ Ἰταλιώταις πολὺς ἤκμασε, καὶ ταῦτα ἀπὸ τοῦ ἀνθρωπείου τρόπου. [30] ἐτέρων γὰρ ἕτερα ἐν ταῖς πολιτείαις αἰεὶ αἰρουμένων τὴν ἐφεστῶσαν ἀρχὴν ξυμβαίνει ἀρέσκειν μὲν ἐν τῷ παραντίκῳ οἷς ἂν ἐν ἡδονῇ τὰ πρασσόμενα ᾗ, λυπεῖν δὲ ὧν τῆς γνώμης ἀπ' ἐναντίας χωρήσειεν. [31] ἔτη δὲ ἐπιβιούς ἐπτά καὶ τριάκοντα ἐτελεύτησε, φοβερὸς μὲν τοῖς πολέμοις γεγωνὸς ἅπασι, πόθον δὲ αὐτοῦ πολὺν τινα ἐς τοὺς ὑπηκόους ἀπολιπών. ἐτελεύτησε δὲ τρόπῳ τοιῷδε. [32] Σύμμαχος καὶ Βοέτιος, ὁ τούτου γαμβρός, εὐπατρίδαι μὲν τὸ ἀνέκαθεν ἦσθιν, πρῶτῳ δὲ βουλῆς τῆς Ῥωμαίων καὶ ὑπάτῳ ἐγενέσθην ἅμφω. [33] φιλοσοφίαν δὲ ἀσκήσαντε καὶ δικαιοσύνης ἐπιμελησαμένῳ οὐδενὸς ἦσσαν, πολλοῖς τε ἀστῶν καὶ ξένων χρήμασι τὴν ἀπορίαν ἰασαμένῳ καὶ δόξης ἐπὶ μέγα χωρήσαντε ἄνδρας ἐς φθόνον τοὺς πονηροτάτους ἐπηγαγέτην. [34] οἷς δὴ συκοφαντοῦσι Θευδέριχος ἀναπεισθεὶς ἅτε νεωτέροις πράγμασιν ἐγχειροῦντε τῷ ἄνδρῳ τούτῳ ἔκτεινε καὶ τὰ χρήματα ἐς τὸ δημόσιον ἀνάγραπτα ἐποιήσατο. [35] δειπνοῦντι δὲ οἱ ἡμέραις ὀλίγαις ὕστερον ἰχθύος μεγάλου κεφαλὴν οἱ θεράποντες παρετίθεσαν. αὕτη Θευδερίχῳ ἔδοξεν ἡ κεφαλὴ Συμμάχου νεοσφαγοῦς εἶναι. [36] καὶ τοῖς μὲν ὁδοῦσιν ἐς χεῖλος τὸ κάτω ἐμπεπηγόσι, τοῖς δὲ ὀφθαλμοῖς βλοσυρόν τι ἐς αὐτὸν καὶ μανικὸν ὀρώσιν, ἀπειλοῦντί οἱ ἐπὶ πλεῖστον ἐώκει. [37] περιδεὴς δὲ τῷ ὑπερβάλλοντι τοῦ τέρατος γεγωνὸς καὶ ῥιγώσας ἐκτόπως ἐς κοίτην τὴν αὐτοῦ ἀπεχώρησε δρόμῳ, τριβώνιά τε πολλὰ οἱ ἐπιθεῖναι κελεύσας ἡσύχαζε. [38] μετὰ δὲ ἅπαντα εἰς Ἑλπίδιον τὸν ἱατρὸν τὰ ξυμπεσόντα ἐξενεγκὼν τὴν ἐς Σύμμαχόν τε καὶ Βοέτιον ἀμαρτάδα ἔκλαιεν. [39] ἀποκλαύσας δὲ καὶ περιαλγήσας τῇ ξυμφορᾷ οὐ πολλῷ ὕστερον ἐτελεύτησεν, ἀδίκημα τοῦτο πρῶτόν τε καὶ τελευταῖον ἐς τοὺς ὑπηκόους τοὺς αὐτοῦ δράσας, ὅτι δὴ οὐ διερευνησάμενος, ὥσπερ εἰώθει, τὴν περὶ τοῖν ἀνδροῖν γνῶσιν ἤνεγκε.

Τελευτήσαντός τε αὐτοῦ παρέλαβε τὴν βασιλείαν Ἀταλάριχος, ὁ Θευδερίχου θυγατρίδοϋς, ὅκτῳ γεγωνὸς ἔτη καὶ ὑπὸ τῇ μητρὶ Ἀμαλασοῦνθη τρεφόμενος. [2] ὁ γάρ οἱ πατὴρ ἤδη ἐξ ἀνθρώπων ἠφάνιστο. χρόνῳ τε οὐ πολλῷ ὕστερον Ἰουστινιανὸς ἐν Βυζαντίῳ τὴν βασιλείαν παρέλαβεν. [3] Ἀμαλασοῦνθα δέ, ἅτε τοῦ παιδὸς ἐπίτροπος οὔσα, τὴν ἀρχὴν διωκεῖτο, ξυνέσεως μὲν καὶ δικαιοσύνης ἐπὶ πλεῖστον ἐλθοῦσα, τῆς δὲ φύσεως ἐς ἄγαν τὸ ἄρρενωπὸν ἐνδεικνυμένη. [4] ὅσον τε χρόνον τῆς πολιτείας προὔσθη, οὐδένα τῶν πάντων Ῥωμαίων ἐς τὸ σῶμα ἐκόλασεν ἢ χρήμασιν ἐξημίωσεν. [5] οὐ μὴν οὐδὲ Γότθοις ξυνεχώρησεν ἐς τὴν ἐς ἐκείνους ἀδικίαν ὀργῶσιν, ἀλλὰ καὶ τοῖς Συμμάχῳ τε καὶ Βοετίῳ παισὶ τὴν οὐσίαν ἀπέδωκεν. [6] ἡ μὲν οὖν Ἀμαλασοῦνθα τὸν παῖδα ἐβούλετο τοῖς Ῥωμαίων ἄρχουσι τὰ ἐς τὴν δίαitan ὁμότροπον καταστήσασθαι καὶ φοιτᾶν ἐς γραμματιστοῦ ἤδη ἠνάγκαζε. [7] τρεῖς τε ἀπολεξαμένη τῶν ἐν Γότθοις γερόντων οὗσπερ ἠπίστατο μᾶλλον ἀπάντων ξυνετούς τε καὶ ἐπιεικεῖς εἶναι, ξυνδιαιτᾶσθαι Ἀταλάριχῳ ἐκέλευε. [8] Γότθοις δὲ ταῦτα οὐδαμῇ ἥρσκε. τῆς γὰρ ἐς τοὺς ὑπηκόους ἀδικίας ἐπιθυμία βαρβαρικώτερον πρὸς αὐτοῦ ἄρχεσθαι ἤθελον. [9] καὶ ποτε ἡ μὲν μήτηρ

ἀμαρτάνοντά τι ἐν τῷ κοιτῶνι τὸν παῖδα λαβοῦσα ἐρράπισε· καὶ ὃς δεδακρυμένος ἐς τὴν ἀνδρωνίτιν ἐνθένδε ἀπῆλθε. [10] Γότθοι δὲ αὐτῷ ἐντυχόντες δεινὰ ἐποιοῦντο καὶ τῇ Ἀμαλασοῦνθῃ λοιδοροῦμενοι ἰσχυρίζοντο βούλεσθαι αὐτὴν τὸν παῖδα ἐξ ἀνθρώπων ἀφανιεῖν ὅτι τάχιστα, ὅπως αὐτὴ ἐτέρῳ ἀνδρὶ ἐς κοίτην ἐλθοῦσα Γότθων τε καὶ Ἰταλιωτῶν ζὺν αὐτῷ ἄρχῃ. [11] ξυλλεγέντες τε, ὅσοι δὴ ἐν αὐτοῖς λόγιμοι ἦσαν, καὶ παρὰ τὴν Ἀμαλασοῦνθαν ἐλθόντες ἡτιῶντο οὐκ ὀρθῶς σφίσιν οὐδὲ ἣ ξυμφέρει τὸν βασιλέα παιδεύεσθαι. [12] γράμματά τε γὰρ παρὰ πολὺ κεχωρίσθαι ἀνδρίας, καὶ διδασκαλίας γερόντων ἀνθρώπων ἐς τε τὸ δειλὸν καὶ ταπεινὸν ἀποκρίνεσθαι ἐκ τοῦ ἐπὶ πλείστον. [13] δεῖν τοίνυν τὸν ἐν τινὶ ἔργῳ τολμητὴν τε καὶ δόξῃ μέγαν ἐσόμενον, φόβου τοῦ ἐκ διδασκάλων ἀπαλλαγέντα, τὰς ἐν τοῖς ὅπλοις μελέτας ποιεῖσθαι. [14] ἔλεγον δὲ ὡς οὐδὲ Θευδέριχός ποτε Γότθων τινὰς τοὺς παῖδας ἐς γραμματιστοῦ πέμπειν ἐφῆ· [15] λέγειν γὰρ ἅπασιν ὡς, ἥνπερ αὐτοῖς τὸ ἀπὸ τοῦ σκύτους ἐπιγένηται δέος, οὐ μήποτε ξίφους ἢ δορατίου ὑπερφρονεῖν ἀξιώσουσιν. [16] ἐννοεῖν τε αὐτὴν ἐδικαίουν ὡς ἄρα οἱ ὁ πατὴρ Θευδέριχος χώρας τε τοσαύτης κύριος γεγονὼς καὶ βασιλείαν οὐδαμόθεν αὐτῷ προσήκουσαν περιβαλλόμενος τελευτήσῃ, καίπερ γραμμάτων οὐδὲ ὅσον ἀκοὴν ἔχων. [17] ‘Οὐκοῦν, ὦ δέσποινα,’ ἔφασαν, ‘παιδαγωγοὺς μὲν τούτους χαίρειν τανῦν ἔα, σὺ δὲ Ἀταλαρίχῳ ὁμοδιαιτούς ἡλικίας τινὰς δίδου, οἵπερ αὐτὸν τὰ ἐς τὴν ἡλικίαν ζυνακμάζοντες ἐς τὴν ἀρετὴν κατὰ γε τὸν βάρβαρον νόμον ὀρμήσουσι.’ [18] Ταῦτα ἐπεὶ ἤκουσεν Ἀμαλασοῦνθα, οὐκ ἐπήνεσε μὲν, δέισασα δὲ τὴν τῶν ἀνθρώπων ἐπιβουλὴν, δόκησιν τε παρείχετο ὡς πρὸς ἡδονῆς αὐτῇ οἱ λόγοι ἐγίνοντο, καὶ ξυνεχώρει ἅπαντα ὅσων οἱ βάρβαροι αὐτῆς ἔχρηζον. [19] τῶν τε γερόντων Ἀταλαρίχον ἐκλελοιπότων παῖδες αὐτῷ τινες ξυνῆσαν κοινωνοὶ τῆς διαίτης ἐσόμενοι, οὐπω μὲν ἡβηκότες, χρόνῳ δὲ οὐ πολλῷ προτερεύοντες, οἵπερ αὐτόν, ἐπειδὴ τάχιστα ἐς ἡβην ἦλθεν, ἐς τε μέθην καὶ γυναικῶν μίξεις παρακαλοῦντες, κακοήθη τε διαφερόντως εἶναι καὶ τῇ μητρὶ ὑπὸ ἀβελτερίας ἀπειθέστερον κατεστήσαντο. [20] ὥστε οὐδὲ μεταποιεῖσθαι αὐτῆς τὸ παράπαν ἡξίου, καίπερ τῶν βαρβάρων ἐκ τοῦ ἐμφανοῦς ἐπ’ αὐτὴν ἤδη ξυνισταμένων, οἳ γε καὶ τῶν βασιλείων ἀναχωρεῖν τὴν ἄνθρωπον ἀνέδην ἐκέλευον. [21] Ἀμαλασοῦνθα δὲ οὕτε κατωρρώδησε τὴν τῶν Γότθων ἐπιβουλὴν οὕτε οἷα γυνὴ ἐμαλθακίσθη, ἀλλ’ ἔτι τὸ βασιλικὸν ἀξίωμα ἐνδεικνυμένη, τρεῖς ἀπολέξασα τοὺς ἐν τοῖς βαρβάροις λογιμωτάτους τε καὶ αὐτῇ αἰτιωτάτους τῆς στάσεως, ἐκέλευεν ἐς τὰς τῆς Ἰταλίας ἐσχατίας ἰέναι, οὐχ ἅμα μέντοι, ἀλλ’ ὡς πορρωτάτω ἀλλήλων· τῷ δὲ λόγῳ ἐστέλλοντο ἐφ’ ᾧ τὴν χώραν φυλάξουσιν ἐκ τῆς τῶν πολεμίων ἐφόδου. [22] ἀλλ’ οὐδέν τι ἦσσαν οἱ ἄνδρες οὗτοι διὰ τε τῶν φίλων καὶ τῶν ξυγγενῶν ἔξυνῆσαν γὰρ ἔτι καὶ μακρὰν ὁδὸν πορευόμενοι ἐς αὐτοὺς ἅπαντες Ἀμαλασοῦνθῃ τὰ ἐς τὴν ἐπιβουλὴν ἐξηρτύνοντο. Ἄπερ οὐκέτι φέρειν ἢ γυνὴ οἷα τε οὕσα ἐπενόει τοιάδε. [23] πέμψασα ἐς Βυζάντιον Ἰουστινιανοῦ βασιλέως ἀνεπνυθάνετο εἴπερ αὐτῷ βουλομένῳ εἴῃ Ἀμαλασοῦνθαν τὴν Θευδέριχου παρ’ αὐτὸν ἦκειν· βούλεσθαι γὰρ αὐτὴν ἐξ Ἰταλίας ἀπαλλάσσεσθαι ὅτι τάχιστα. [24] βασιλεὺς δὲ τῷ λόγῳ ἡσθεὶς ἐλθεῖν τε τὴν γυναῖκα ἐκέλευε καὶ τῶν Ἐπιδάμνου οἰκῶν τὸν κάλλιστον ἐν παρασκευῇ ἐπέστελλε γενέσθαι, ὅπως

ἐπειδὴν Ἀμαλασοῦνθα ἐνταῦθα ἴοι, καταλύοι τε αὐτόσε καὶ χρόνον διατρίψασα ὅσον ἂν αὐτῇ βουλομένη εἴη, οὕτω δὴ κομίζηται ἐς Βυζάντιον. [25] ταῦτα ἐπεὶ Ἀμαλασοῦνθα ἔγνω, ἄνδρας ἀπολέξασα Γότθους, δραστηρίους τε καὶ αὐτῇ ἐς τὰ μάλιστα ἐπιτηδεῖους, ἔστελλεν ἐφ' ᾧ τοὺς τρεῖς ἀποκτενοῦσιν ὧν ἄρτι ἐμνήσθην, ἅτε τῆς στάσεως αἰτιωτάτους αὐτῇ γενομένους. [26] αὐτὴ δὲ ἄλλα τε χρήματα καὶ τετρακόσια Χρυσοῦ κεντηνάρια ἐν νηὶ μιᾷ ἐνθεμένη, ἐς ταύτην τε ἐμβιβάσασα τῶν οἱ πιστοτάτων τινάς, πλεῖν μὲν ἐκέλευσεν εἰς Ἐπίδαμνον, ἀφικομένους δὲ ὀρμίζεσθαι μὲν ἐν τῷ ταύτης λιμένι, τῶν δὲ φορτίων, ἕως αὐτῇ ἐπιστέλλοι, [27] μὴδ' ὅτιοις ἐκφορεῖν τῆς νεώς. ἔπρασσε δὲ ταῦτα, ὅπως, ἦν μὲν ἀπολωλέναι τοὺς τρεῖς πύθηται, μένοι τε αὐτοῦ καὶ τὴν ναῦν μεταπέμποιτο, οὐδὲν ἔτι ἔχουσα πρὸς τῶν ἐχθρῶν δέος· ἦν δὲ αὐτῶν τινα περιεῖναι ξυμβαίνειν, οὐδεμιᾶς οἱ ἀγαθῆς ἀπολελειμμένης ἐλπίδος, πλέοι τε κατὰ τάχος καὶ ἐς γῆν τὴν βασιλέως ζῆν τοῖς χρήμασι διασώζοιτο. [28] τοιαύτη μὲν γνώμη Ἀμαλασοῦνθα ἐς Ἐπίδαμνον τὴν ναῦν ἔπεμπε, καὶ ἐπεὶ ἀφίκετο ἐς τὸν Ἐπίδαμνίον λιμένα, οἱ τὰ χρήματα ἔχοντες τὰ ἐντεταλμένα ἐποίουν. [29] ὀλίγῳ δὲ ὕστερον Ἀμαλασοῦνθα, τῶν φόνων οἱ ἐξεργασμένων ἥπερ ἐβούλετο, τὴν τε ναῦν μετεπέμπετο καὶ μένουσα ἐπὶ Ῥαβέννης τὴν ἀρχὴν ὡς ἀσφαλέστατα ἐκρατύνατο.

Ἦν δὲ τις ἐν Γότθοις Θευδάτος ὄνομα, τῆς Θευδερίχου ἀδελφῆς Ἀμαλαφρίδης υἱός, πόρρω που ἤδη ἡλικίας ἦκων, λόγων μὲν Λατίνων μεταλαχὼν καὶ δογμάτων Πλατωνικῶν, πολέμων δὲ ἀμελετήτως παντάπασιν ἔχων, μακράν τε ἀπολελειμμένος τοῦ δραστηρίου, ἐς μέντοι φιλοχρηματίαν δαιμονίως ἐσπουδακώς. [2] οὗτος ὁ Θευδάτος πλείστον μὲν τῶν ἐν Τούσκοις χωρίων κύριος ἐγεγόνει, βιαζόμενος δὲ καὶ τὰ λειπόμενα τοὺς κεκτημένους ἀφαιρεῖσθαι ἐν σπουδῇ εἶχε. γείτονα γὰρ ἔχειν συμφορὰ τις Θευδάτῳ ἐδόκει εἶναι. [3] ταύτην αὐτῷ Ἀμαλασοῦνθα τὴν προθυμίαν ἀναστέλλειν ἠπειγέτο, καὶ ἀπ' αὐτοῦ ἤχθετό τε αὐτῇ ἐς αἰὶ καὶ χαλεπῶς εἶχεν. [4] ἐβουλεύετο οὖν Ἰουστινιανῷ βασιλεῖ Τουσκίαν ἐνδοῦναι, ἐφ' ᾧ χρήματά τε πολλὰ καὶ βουλῆς πρὸς αὐτοῦ ἀξίωμα κομισάμενος ἐν Βυζαντίῳ τὸ λοιπὸν διατρίβοι. [5] ταῦτα Θευδάτου βεβουλευμένου πρέσβεις ἐκ Βυζαντίου παρὰ τὸν Ῥώμης ἀρχιερέα ἦκον, ὃ τε τῆς Ἐφέσου ἱερεὺς Ὑπάτιος καὶ Δημήτριος ἐκ τῶν ἐν Μακεδόσι Φιλίππων, δόξης ἕνεκεν ἦν Χριστιανοὶ ἐν σφίσιν αὐτοῖς ἀντιλέγουσιν ἀμφιγνοοῦντες. [6] τὰ δὲ ἀντιλεγόμενα ἐγὼ ἐξεπιστάμενος ὡς ἥκιστα ἐπιμνήσομαι· ἀπονοίας γὰρ μανιώδους τινὸς ἡγοῦμαι εἶναι διερευνᾶσθαι τὴν τοῦ θεοῦ φύσιν, ὅποια ποτέ ἐστιν. [7] ἀνθρώπῳ γὰρ οὐδὲ τὰ ἀνθρώπεια ἐς τὸ ἀκριβὲς οἶμαι καταληπτὰ, μὴ τί γε δὴ τὰ εἰς θεοῦ φύσιν ἦκοντα. ἐμοὶ μὲν οὖν ταῦτα ἀκινδύνως σεσιωπῆσθω μόνῳ τῷ μὴ ἀπιστεῖσθαι τὰ τετιμημένα. [8] ἐγὼ γὰρ οὐκ ἂν οὐδὲν ἄλλο περὶ θεοῦ ὅτιοις εἶποιμι ἢ ὅτι ἀγαθός τε παντάπασιν εἴη καὶ ζύμπαντα ἐν τῇ ἐξουσίᾳ τῇ αὐτοῦ ἔχει. [9] λεγέτω δὲ ὥς πη ἕκαστος γινώσκειν ὑπὲρ αὐτῶν οἶται, καὶ ἱερεὺς καὶ ἰδιώτης. Θευδάτος δὲ ζυγγεγόμενος λάθρα τοῖς πρέσβεσι τούτοις ἀγγέλλειν ἐπέστελλεν Ἰουστινιανῷ βασιλεῖ ἅπερ αὐτῷ βεβουλευμένα εἴη, ἐξειπὼν ὅσα μοι ἄρτι δεδήλωται. [10] Ἐν τούτῳ δὲ Ἀταλάριχος ἐς κραιπάλην ἐμπεπτωκὸς ὄρον οὐκ ἔχουσαν νοσήματι μαρασμοῦ ἦλω. [11] διὸ δὴ Ἀμαλασοῦνθα διηπορεῖτο· οὔτε

γὰρ ἐπὶ τῇ τοῦ παιδὸς γνώμῃ τὸ θαρσεῖν εἶχεν, εἰς τοῦτο ἀτοπίας ἐλληλακότος, ἦν τε αὐτὸς Ἀταλάριχος ἐξ ἀνθρώπων ἀφανίζεται, οὐκ ᾤετο αὐτῇ τὸν βίον ἐν τῷ ἀσφαλῇ τὸ λοιπὸν ἔσσεσθαι, Γότθων τοῖς λογιμωτάτοις προσκεκρουκυῖα. [12] διὸ δὴ τὸ Γότθων τε καὶ Ἰταλιωτῶν κράτος ἐνδιδόναι Ἰουστινιανῷ βασιλεῖ, ὅπως αὐτῇ σώζοιτο, ἠθέλεν. [13] ἐτύγγανε δὲ Ἀλέξανδρος, ἀνὴρ ἐκ βουλῆς, σὺν τε Δημητρίῳ καὶ Ὑπατίῳ ἐνταῦθα ἦκων. [14] ἐπειδὴ γὰρ τὸ μὲν Ἀμαλασοῦνθης πλοῖον ἐν τῷ Ἐπιδάμνου λιμένι ὀρμίζεσθαι βασιλεὺς ἤκουσεν, αὐτὴν δὲ μέλλειν ἔτι, καίπερ χρόνου τριβέντος συχνοῦ, ἔπεμψε τὸν Ἀλέξανδρον, ἐφ' ᾧ κατασκευάμενος ἅπαντα τὰ ἀμφὶ τῇ Ἀμαλασοῦνθῃ ἀγγεῖλει: [15] τῷ δὲ λόγῳ πρεσβευτὴν τὸν Ἀλέξανδρον βασιλεὺς ἔπεμψε, τοῖς τε ἀμφὶ τῷ Λιλυβαίῳ ξυνταραχθεῖς ἅπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις δεδηλωταὶ καὶ ὅτι Οὐννοὶ δέκα ἐκ τοῦ ἐν Λιβύῃ στρατοπέδου, δρασμοῦ ἐχόμενοι, ἐς Καμπανίαν ἀφίκοντο, Οὐλίαρίς τε αὐτούς, ὃς Νεάπολιν ἐφύλασσεν, Ἀμαλασοῦνθης οὗτι ἀκουσίου ὑπεδέξατο, Γότθοι τε Γήπαισι τοῖς ἀμφὶ Σίρμιον πολεμοῦντες, πόλει Γρατιανῇ, ἐν τῇ Ἰλλυριῶν ἐσχατιᾷ κειμένη, ὡς πολεμῖα ἐχρήσαντο. [16] ἅπερ Ἀμαλασοῦνθῃ ἐπικαλῶν γράμματά τε γράψας τὸν Ἀλέξανδρον ἔπεμψεν. Ὅς ἐπειδὴ ἐν Ῥώμῃ ἐγένετο, τοὺς μὲν ἱερεῖς αὐτοῦ εἶασε πράσσοντας ὧν ἕνεκα ἦλθον, ἐς δὲ Ῥάβενναν αὐτὸς κομισθεὶς καὶ Ἀμαλασοῦνθῃ ἐς ὅψιν ἦκων, τοὺς τε βασιλέως λόγους ἀπήγγειλε λάθρα καὶ τὰ γράμματα ἐς τὸ ἐμφανὲς ἐνεχείρισεν. [17] ἐδήλου δὲ ἡ γραφὴ τάδε: 'Τὸ ἐν Λιλυβαίῳ φρούριον, ἡμέτερον ὄν, βία λαβοῦσα ἔχεις, καὶ βαρβάρους δραπέτας ἐμοὺς γεγενημένους δεξαμένη ἀποδοῦναι οὐπὼ καὶ νῦν ἔγνωκας, ἀλλὰ καὶ Γρατιανὴν τὴν ἐμὴν τὰ ἀνήκεστα, [18] οὐδὲν σοι προσῆκον, εἰργάσω. ὅθεν ὥρα σοι ἐκλογίζεσθαι ποῖα ποτὲ τούτοις τελευτῇ γένοιτο.' [19] ταῦτα ὡς ἀπενεχθέντα ἡ γυνὴ τὰ γράμματα ἀνελέξατο, ἀμείβεται τοῖσδε: 'Βασιλέα μέγαν τε καὶ ἀρετῆς μεταποιούμενον, ὀρφανῷ παιδί καὶ ὡς ἥκιστα τῶν πρασσομένων ἐπαισθανομένῳ μᾶλλον ξυλλαβέσθαι εἰκὸς ἢ ἐξ οὐδεμιᾶς αἰτίας διάφορον εἶναι. [20] ἀγὼν γάρ, ἦν μὴ ἐκ τοῦ ἀντιπάλου ξυσταίῃ, οὐδὲ τὴν νίκην εὐπρεπῇ φέρει. [21] σὺ δὲ τὸ Λιλυβαῖον Ἀταλάριχῳ ἐπανασεῖεις καὶ φυγάδας δέκα καὶ στρατιωτῶν ἐπὶ πολεμίους τοὺς σφετέρους ἰόντων ἀμαρτάδα ξυμπεσοῦσαν ἀγνοία τινὶ ἐς πόλιν φιλίαν. [22] μὴ δῆτα, μὴ σὺ γε, ὦ βασιλεῦ, ἀλλ' ἐνθυμοῦ μὲν ὡς, ἡνίκα ἐπὶ Βανδύλους ἐστράτευες, οὐχ ὅσον σοι ἐμποδὼν ἔστημεν, ἀλλὰ καὶ ὁδὸν ἐπὶ τοὺς πολεμίους καὶ ἀγορὰν τῶν ἀναγκαιοτάτων σὺν προθυμίᾳ πολλῇ ἔδομεν, ἄλλων τε καὶ ἵππων τοσοῦτων τὸ πλῆθος, ἀφ' ὧν σοὶ ἡ τῶν ἐχθρῶν ἐπικράτησις μάλιστα γέγονε. [23] καίτοι ξύμμαχος ἂν καὶ φίλος δικαίως καλοῖτο οὐχ ὃς ἂν τὴν ὁμαιχμίαν ἐς τοὺς πέλας προΐσχοιτο μόνον, ἀλλὰ καὶ ὃς ἂν τῷ ἐς πόλεμον ἑκαστον ὅτου ἂν δέοιτο ὑπουργῶν φαίνοιτο. [24] ἐκλογίζου δὲ ὡς τηνικαῦτα ὁ στόλος ὁ σὸς οὔτε ἀλλαχῇ ἐκ τοῦ πελάγους εἶχεν ὅτι μὴ Σικελία προσχεῖν οὔτε τῶν ἐνθένδε ὠνηθέντων χωρὶς εἰς Λιβύην ἰέναι. [25] ὥστε σοὶ τὸ τῆς νίκης κεφάλαιον ἐξ ἡμῶν ἐστίν: ὁ γὰρ τοῖς ἀπόροις τὴν λύσιν διδοὺς καὶ τὴν ἐντεῦθεν ἀπόβασιν φέρεσθαι δίκαιος. [26] τί δὲ ἀνθρώπῳ ἥδιον ἂν ἐχθρῶν ἐπικρατήσεως, ὦ βασιλεῦ, γένοιτο; καὶ μὴν ἐλασσοῦσθαι οὐκ ἐν μετρίοις ἡμῖν ξυμβαίνει, οἳ γε οὐχὶ κατὰ τὸν τοῦ πολέμου νόμον τὸ τῶν λαφύρων νεμόμεθα μέρος. [27] νῦν δὲ

καὶ τὸ Σικελίας Λιλύβαιον, ἄνωθεν Γότθοις προσήκον, ἀξιοῖς ἀφαιρεῖσθαι ἡμᾶς, πέτραν, ᾧ βασιλεῦ, μίαν ὅσον οὐδὲ ἀργυρίου ἀξίαν, ἦν ἀνθυπουργεῖν σε Ἀταλαρίχῳ εἰκὸς γε ἦν, ἐν τοῖς ἀναγκαιοτάτοις ξυναραμένῳ, εἴπερ ἄνωθεν τῆς [28] σῆς βασιλείας οὕσα ἐτύγχανε.’ ταῦτα μὲν ἐκ τοῦ ἐμφανοῦς Ἀμαλασοῦνθα βασιλεῖ ἔγραψε: λάθρα δὲ αὐτῷ ξύμπασαν Ἰταλίαν ἐγχειριεῖν ὡμολόγησεν. [29] οἱ δὲ πρέσβεις ἐς Βυζάντιον ἐπανήκοντες ἅπαντα Ἰουστινιανῷ βασιλεῖ ἠγγειλαν: Ἀλέξανδρος μὲν ἅπερ τῇ Ἀμαλασοῦνθῃ δοκοῦντα εἶη, Δημήτριος δὲ καὶ Ὑπάτιος ὅσα Θεωδάτου λέγοντος ἤκουσαν, καὶ ὡς δυνάμει μεγάλη ἐν Τούσκοις ὁ Θεωδάτος χρώμενος, χώρας τε ἐνταῦθα τῆς πολλῆς κύριος γεγονώς, πόνῳ ἂν οὐδενὶ τὰ ὡμολογημένα ἐπιτελεῖν οἶός τε εἶη. [30] οἷς δὴ περιχαρὴς γεγονώς βασιλεὺς Πέτρον, Ἰλλυριὸν γένος, ἐκ Θεσσαλονίκης ὁρμώμενον, ἐς τὴν Ἰταλίαν εὐθὺς ἔστελλεν, ἓνα μὲν ὄντα τῶν ἐν Βυζαντίῳ ῥητόρων, ἄλλως δὲ ξυνετόν τε καὶ πρᾶον καὶ ἐς τὸ πείθειν ἱκανῶς πεφυκότα.

Ἐν ᾧ δὲ ταῦτα ἐγίνετο τῆδε, ἐν τούτῳ Θεωδάτον Τοῦσκοι πολλοὶ Ἀμαλασοῦνθῃ διέβαλον βιάσασθαι ἅπαντας τοὺς ταύτῃ ἀνθρώπους καὶ τοὺς ἀγροὺς ἀφελέσθαι οὐδενὶ λόγῳ, τοὺς τε ἄλλους ἅπαντας καὶ οὐχ ἥκιστα γὰρ τὴν βασιλείον οἰκίαν αὐτήν, ἦν δὴ πατριμῶνιον Ῥωμαῖοι καλεῖν νενομίκασι. [2] διὸ δὴ ἐς τὰς εὐθύνas καλέσασα Θεωδάτον ἡ γυνὴ διαρρήδην τε πρὸς τῶν διαβαλόντων ἐληλεγμένον ἀποτινύναι πάντα ἠνάγκασεν ἅπερ οὐ δέον ἀφείλετο, οὕτω τε αὐτὸν ἀπεπέμψατο. [3] καὶ ἀπ’ αὐτοῦ ἐς ἅγαν τῷ ἀνθρώπῳ προσκεκρουκῖα διάφορος τὸ λοιπὸν ἐγεγονέει ἀνιωμένῳ ὑπὸ φιλοχρηματίας ὡς μάλιστα, ὅτι διαμαρτάνειν τε καὶ βιάζεσθαι ἀδύνατος ἦν. [4] Ὑπὸ τὸν χρόνον τοῦτον Ἀταλαρίχος μὲν τῇ νόσῳ καταμαρανθεὶς ἐτελεύτησεν, ὁκτὼ τῇ ἀρχῇ ἐπιβιούς ἔτη. Ἀμαλασοῦνθα δὲ ἔχρην γάρ οἱ γενέσθαι κακῶς ἐν οὐδενὶ λόγῳ φύσιν τὴν Θεωδάτου ποιησαμένη καὶ ὅσα αὐτὸν ἐναγχος δράσειεν, οὐδὲν πείσεσθαι ἄχαρι πρὸς αὐτοῦ ὑπετόπησεν, ἦν τι τὸν ἄνθρωπον ἀγαθὸν ἐργάσεται μεῖζον. [5] μεταπεμψαμένη τοίνυν αὐτόν, ἐπειδὴ ἦκε, τιθασσεύουσα ἔφασκε χρόνου ἐξεπίστασθαι ὥς οἱ ὁ παῖς ἐπίδοξος εἶη ὅτι δὴ ὀλίγῳ ὕστερον τελευτήσῃ: τῶν τε γὰρ ἱατρῶν πάντων ταῦτα γινωσκόντων ἀκηκοέναι καὶ αὐτὴ τοῦ Ἀταλαρίχου σώματος αἰεὶ μαραινομένου ἡσθῆσθαι. [6] ἐπεὶ τε ἀμφὶ αὐτῷ Θεωδάτῳ ἑώρα Γότθους τε καὶ Ἰταλιώτας δόξαν οὐκ ἀγαθὴν τινα ἔχοντας, ἐς ὃν περιεστήκει τὸ Θεωδερίχου γένος, τούτου δὴ αὐτὸν διακαθᾶραι τοῦ αἰσχροῦ ὀνόματος ἐν σπουδῇ οἱ γενέσθαι, ὅπως μὴ τι αὐτῷ καλουμένῳ ἐς τὴν βασιλείαν ἐμπόδιον εἶη. [7] ἅμα δὲ καὶ τὸ δίκαιον αὐτὴν ξυνταράξαι, εἴ γε περισταίῃ τοῖς ἡδίκησθαι πρὸς αὐτοῦ ἤδη αἰτιωμένοις οὐκ ἔχειν μὲν ὅτῳ τὰ ξυμπεσόντα σφίσιν ἀγγείλωσι, δεσπότην δὲ τὸν δυσμενῆ ἔχειν. [8] διὰ ταῦτα μὲν αὐτόν, οὕτω καθαρὸν γεγεννημένον, ἐς τὴν βασιλείαν παρακαλεῖν: δεῖν δὲ αὐτὸν ὄρκους δεινотάτοις καταληφθῆναι ὡς ἐς Θεωδάτον μὲν τὸ τῆς ἀρχῆς ὄνομα ἄγοιτο, αὐτὴ δὲ τῷ ἔργῳ τὸ κράτος οὐκ ἔλασσον ἢ πρότερον ἔχοι. [9] ταῦτα ἐπεὶ Θεωδάτος ἤκουσεν, ἅπαντα ὅσα ἦν βουλομένη Ἀμαλασοῦνθῃ ὁμωμοκῶς, ἐπὶ λόγῳ τῷ πονηρῷ ὡμολόγησεν, ἐν μνήμῃ ἔχων ὅσα δὴ ἐκείνη πρότερον ἐς αὐτὸν εἰργασμένη ἐτύγχανεν. [10] οὕτω μὲν Ἀμαλασοῦνθα πρὸς τὴν γνώμην τῆς οἰκείας καὶ τῶν Θεωδάτῳ ὁμωμοσμένων ἀπατηθεῖσα, ἐπὶ τῆς

ἀρχῆς αὐτὸν κατεστήσατο. [11] πρέσβεις τε πέμψασα ἐς Βυζάντιον ἄνδρας
Γότθους Ἰουστινιανῷ βασιλεῖ ταῦτα ἐδήλου. [12] Θεοδότος δὲ τὴν ἡγεμονίαν
παραλαβὼν, πάντα οἱ τάναντία ὧν ἐκείνη τε ἤλπισε καὶ αὐτὸς ὑπέσχετο
ἔπρασσε. [13] καὶ Γότθων τῶν πρὸς αὐτῆς ἀνηρημένων τοὺς ξυγγενεῖς
ἐπαγαγόμενος, πολλοὺς τε καὶ λίαν λογίμους ἐν Γότθοις ὄντας, τῶν τε
Ἀμαλασοῦνθη προσηκόντων ἐκ τοῦ αἰφνιδίου τινὰς ἔκτεινε καὶ αὐτὴν ἐν
φυλακῇ ἔσχεν, οὐπὼ τῶν πρέσβων ἐς Βυζάντιον ἀφικομένων. [14] ἔστι δὲ τις
λίμνη ἐν Τούσκοις, Βουλσίνη καλουμένη, ἥς δὴ ἐντὸς νῆσος ἀνέχει, βραχεῖα
μὲν κοιμίδι οὖσα, φρούριον δὲ ἐχυρὸν ἔχουσα. [15] ἐνταῦθα Θεοδότος τὴν
Ἀμαλασοῦνθαν καθεῖρξας ἐτήρει. δέισας δέ, ὅπερ ἐγένετο, μὴ βασιλεῖ ἀπὶ
αὐτοῦ προσκεκρουκῶς εἴη, ἄνδρας ἐκ τῆς Ῥωμαίων βουλῆς Λιβέριόν τε καὶ
Ὀπιλίωνα στείλας σὺν ἐτέροις τισί, παραιτεῖσθαι πάσῃ δυνάμει βασιλεῖα
ἐπήγγελλεν, ἰσχυριζομένους μηδὲν πρὸς αὐτοῦ ἄχαρι τῇ Ἀμαλασοῦνθη
ξυμβῆναι, καίπερ ἐς αὐτὸν ἀνήκεστα δεινὰ εἰργασμένη τὰ πρότερα. [16] καὶ
κατὰ ταῦτα αὐτὸς τε βασιλεῖ ἔγραψε καὶ τὴν Ἀμαλασοῦνθαν οὐτι ἐκουσίαν
ἠνάγκασε γράψαι. [17] Ταῦτα μὲν οὖν ἐφέρετο τῇδε. Πέτρος δὲ ἤδη ἐπὶ
πρεσβείᾳ ἐστέλλετο προειρημένον αὐτῷ πρὸς τοῦ βασιλέως ἐντυχεῖν μὲν
κρύφα τῶν ἄλλων ἀπάντων Θεοδᾶτῳ καὶ ὄρκῳ τὰ πιστὰ παρεχομένῳ ὥς
οὐδὲν ἂν τῶν πρassoμένων ἐκπυστον γένοιτο, οὕτω τε τὰ ἀμφὶ Τουσκίαν ἐν
τῷ ἀσφαλεῖ πρὸς αὐτὸν θέσθαι, [18] καὶ Ἀμαλασοῦνθη ξυγγενόμενον λάθρα
ξυμπάσης περὶ Ἰταλίας διοικήσασθαι, ὅπῃ ἑκατέρῳ ξυνοίσειν μέλλει. [19] ἐς δὲ
τὸ ἐμφανὲς ὑπὲρ τε τοῦ Λιλυβαίου καὶ τῶν ἄλλων ὧν ἑναγχος ἐμνήσθη
πρεσβεύσων ἦει. οὐπὼ γάρ τι περὶ τῆς Ἀταλαρίχου τελευτῆς ἢ τῆς Θεοδᾶτου
ἀρχῆς ἢ τῶν Ἀμαλασοῦνθη ξυμπεπτακότων βασιλεὺς ἠκηκόει. [20] Πέτρος δὲ
ὁδῷ πορευόμενος πρῶτον μὲν τοῖς Ἀμαλασοῦνθης πρέσβεσι ξυγγενόμενος τὰ
ἀμφὶ τῇ Θεοδᾶτου ἀρχῇ ἔμαθε· [21] γενόμενος δὲ ὀλίγῳ ὕστερον ἐν πόλει
Αὐλῶνι, ἢ πρὸς κόλπῳ τῷ Ἰονίῳ κεῖται, ἐνταῦθά τε τοῖς ἀμφὶ Λιβέριόν τε καὶ
Ὀπιλίωνα ἐντυχὼν τὰ ξυμπεσόντα ξύμπαντα ἔγνω, ἔς τε βασιλεῖα ταῦτα
ἀνενεγκὼν αὐτοῦ ἔμεινεν. [22] Ἐπεὶ δὲ ταῦτα Ἰουστινιανὸς βασιλεὺς ἤκουσε,
Γότθους τε καὶ Θεοδᾶτον ξυνταράξει διανοούμενος, πρὸς μὲν Ἀμαλασοῦνθαν
γράμματα ἔγραφε, δηλοῦντα ὅτι αὐτῆς ὥς ἐνι μάλιστα μεταποιεῖσθαι ἐν
σπουδῇ ἔχοι· τῷ δὲ Πέτρῳ ἐπέστελλε ταῦτα μηδαμῇ ἀποκρύψασθαι, ἀλλ' αὐτῷ
τε Θεοδᾶτῳ φανερὰ καὶ Γότθοις ἅπασι καταστήσασθαι. [23] πρέσβων δὲ τῶν
ἐξ Ἰταλίας οἱ μὲν ἄλλοι, ἐπεὶ δὲ ἐς Βυζάντιον ἐκομίσθησαν, τὸν πάντα λόγον
βασιλεῖ ἠγγείλαν, καὶ πάντων μάλιστα Λιβέριος· [24] ἦν γὰρ ὁ ἀνὴρ καλὸς τε
καὶ ἀγαθὸς διαφερόντως, λόγου τε τοῦ ἀληθοῦς ἐπιμελεῖσθαι ἐξεπιστάμενος·
[25] Ὀπιλίῳ δὲ μόνος ἐνδελεχέστατα ἰσχυρίζετο μηδὲν ἐς Ἀμαλασοῦνθαν
ἀμαρτεῖν Θεοδᾶτον. Πέτρου δὲ ἀφικομένου ἐς Ἰταλίαν Ἀμαλασοῦνθη ξυνέβη
ἐξ ἀνθρώπων ἀφανισθῆναι. [26] Γότθων γὰρ συγγενεῖς τῶν ὑπὲρ ἐκείνης
ἀνηρημένων Θεοδᾶτῳ προσελθόντες οὔτε αὐτῷ οὔτε σφίσι τὸν βίον ἐν τῷ
ἀσφαλεῖ ἰσχυρίζοντο εἶναι, ἦν γε μὴ αὐτοῖς Ἀμαλασοῦνθα ὅτι τάχιστα
ἐκποδὼν γένηται. [27] ξυγχωροῦντός τε αὐτοῖς, ἐν τῇ νήσῳ γενόμενοι τὴν
Ἀμαλασοῦνθαν εὐθὺς ἔκτειναν. [28] ὅπερ Ἰταλιώτας τε ὑπερφυδῶς ἅπαντας καὶ
Γότθους τοὺς ἄλλους ἠνίασεν. [29] ἀρετῆς γὰρ πάσης ἢ γυνὴ ἰσχυρότατα

ἐπεμελεῖτο, [30] ὅπερ μοι ὀλίγῳ ἔμπροσθεν εἴρηται. Πέτρος μὲν οὖν Θεωδᾶτος ἄντικρυς ἐμαρτύρετο καὶ Γότθοις τοῖς ἄλλοις ὅτι δὴ αὐτοῖς τοῦ δεινοῦ τούτου ἐξειργασμένον ἄσπονδος βασιλεῖ τε καὶ σφίσιν ὁ πόλεμος ἔσται. [31] Θεωδᾶτος δὲ ὑπὸ ἀβελτερίας τοὺς Ἀμαλασούνθης φονεῖς ἐν τιμῇ τε καὶ σπουδῇ ἔχων, Πέτρον τε καὶ βασιλέα πείθειν ἠθέλεν ὥς αὐτοῦ οὐδαμῇ ἐπαινοῦντος, ἀλλ' ὡς μάλιστα ἀκουσίῳ, Γότθοις ἐργασθεῖν τὸ μῖσος τοῦτο.

Ἐν τούτῳ δὲ Βελισάριον ἠδοκιμηκέναι κατὰ Γελίμερόν τε καὶ Βανδύλων τετύχηκε. βασιλεὺς δὲ τὰ ἀμφὶ Ἀμαλασούνθη ξυνενεχθέντα μαθὼν εὐθὺς καθίστατο ἐς τὸν πόλεμον, ἕνατον ἔτος τὴν βασιλείαν ἔχων. [2] καὶ Μοῦνδον μὲν τὸν Ἰλλυριῶν στρατηγὸν ἔς τε Δαλματίαν ἰέναι, τὴν Γότθων κατήκοον, καὶ Σαλῶνων ἀποπειράσασθαι ἐκέλευεν ἣν δὲ ὁ Μοῦνδος γένος μὲν βάρβαρος, διαφερόντως δὲ τοῖς τε βασιλέως πράγμασιν εὖνους καὶ ἀγαθὸς τὰ πολέμια, Βελισάριον δὲ ναυσὶν ἔστελλε, στρατιώτας ἐκ μὲν καταλόγων καὶ φοιδεράτων τετρακισχιλίου, ἐκ δὲ Ἰσαύρων τρισχιλίου μάλιστα ἔχοντα. [3] ἄρχοντες δὲ ἦσαν λόγμιοι μὲν Κωνσταντῖνός τε καὶ Βέσσας, ἐκ τῶν ἐπὶ Θράκης χωρίων, Περάνιος δὲ ἐξ Ἰβηρίας τῆς ἄγχιστα Μήδων, γενόμενος μὲν τῶν ἐκ βασιλέως Ἰβήρων, αὐτόμολος δὲ πρότερον ἐς Ῥωμαίους κατὰ ἔχθος τὸ Περσῶν ἦκων, καταλόγων δὲ ἱππικῶν μὲν Βαλεντῖνός τε καὶ Μάγνος καὶ Ἰννοκέντιος, πεζῶν δὲ Ἡρωδιανός τε καὶ Παῦλος καὶ Δημήτριος καὶ Οὐρσικῖνος, ἀρχηγὸς δὲ Ἰσαύρων Ἐννης. [4] εἶποντο δὲ καὶ Οὐννοὶ ξύμμαχοι διακόσιοι καὶ Μαυρούσιοι τριακόσιοι. στρατηγὸς δὲ αὐτοκράτωρ ἐφ' ἅπασιν Βελισάριος ἦν, δορυφόρους τε καὶ ὑπασπιστὰς πολλοὺς τε καὶ δοκίμους ἔχων. [5] εἶπετο δὲ αὐτῷ καὶ Φώτιος, ὁ τῆς γυναικὸς Ἀντωνίνης υἱὸς ἐκ γάμων προτέρων, νέος μὲν ὢν ἔτι καὶ πρῶτον ὑπηγῆτης, ξυνετώτατος δὲ καὶ φύσεως ἰσχύον ὑπὲρ τὴν ἡλικίαν δηλώσας. [6] βασιλεὺς τε Βελισαρίῳ ἐπέστελλεν ἐς Καρχηδόνα μὲν τῷ λόγῳ στέλλεσθαι, ἐπειδὴν δὲ ἐς Σικελίαν ἀφίκωνται, ὡς δὴ κατὰ χρεῖαν τινὰ ἐνταῦθα ἀποβάντας πειρᾶσθαι τῆς νήσου. [7] καὶ ἦν μὲν δυνατὰ ἢ ὑποχειρίαν αὐτὴν οὐδενὶ πόνῳ ποιήσασθαι, κατέχειν τε καὶ αὐτῆς μηκέτι μεθίσθαι: ἦν δὲ τι ἐμπόδιον ὑπαντιάσῃ, πλεῖν κατὰ τάχος ἐπὶ Λιβύης, οὐδενὶ αἰσθησὶν τῆς βουλήσεως παρεχομένου. [8] Πέμψας δὲ καὶ παρὰ Φράγγων τοὺς ἡγεμόνας ἔγραψε τάδε: ‘ Γότθοι Ἰταλίαν τὴν ἡμετέραν βία ἐλόντες οὐχ ὅσον αὐτὴν ἀποδιδόναι οὐδαμῇ ἔγνωσαν, ἀλλὰ καὶ προσηδικήκασιν ἡμᾶς οὔτε φορητὰ οὔτε μέτρια. [9] διόπερ ἡμεῖς μὲν στρατεύειν ἐπ’ αὐτοὺς ἠναγκάσμεθα, ὑμᾶς δὲ εἰκὸς ξυνδιαφέρειν ἡμῖν πόλεμον τόνδε, ὃν ἡμῖν κοινὸν εἶναι ποιεῖ δόξα τε ὀρθή, ἀποσειομένη τὴν Ἀρειανῶν γνώμην, καὶ τὸ ἐς Γότθους ἀμφοτέρων ἔχθος.’ [10] τοσαῦτα μὲν βασιλεὺς ἔγραψε: καὶ χρήμασιν αὐτοὺς δωρησάμενος, πλείονα δώσειν, ἐπειδὴν ἐν τῷ ἔργῳ γένωνται, ὡμολόγησεν. οἱ δὲ αὐτῷ ξὺν προθυμίᾳ πολλῇ ξυμμαχήσιν ὑπέσχοντο. [11] Μοῦνδος μὲν οὖν καὶ ἡ ξὺν αὐτῷ στρατιὰ ἐς Δαλματίαν ἀφικόμενοι καὶ Γότθοις τοῖς ἐκείνῃ ὑπαντίασαν ἐς χεῖρας ἐλθόντες, νικήσαντές τε τῇ ξυμβολῇ, Σάλωνα ἔσχον. [12] Βελισάριος δὲ καταπλεύσας ἐς Σικελίαν Κατάνην ἔλαβεν. ἔνθεν τε ὁρμώμενος Συρακούσας τε ὁμολογία καὶ πόλεις τὰς ἄλλας παρεστήσατο οὐδενὶ πόνῳ: πλὴν γε δὴ ὅτι Γότθοι οἱ ἐν Πανόρμῳ φυλακὴν εἶχον, θαρσοῦντες τῷ περιβόλῳ ἦν γὰρ

ἐχυρὸν τὸ χωρίον προσχωρεῖν τε Βελισαρίῳ ἥκιστα ἤθελον καὶ αὐτὸν ἐνθένδε ἀπάγειν τὸν στρατὸν κατὰ τάχος ἐκέλευον. [13] Βελισάριος δὲ λογισάμενος ἀμήχανον εἶναι διὰ τῆς ἡπείρου τὸ χωρίον ἐλεῖν ἐσπλεῖν τὸν στόλον ἐς τὸν λιμένα ἐκέλευεν ἄχρι ἐς τὸ τεῖχος διήκοντα. [14] ἦν γὰρ τοῦ τε περιβόλου ἐκτὸς καὶ παντάπασιν ἀνδρῶν ἔρημος. οὗ δὴ τῶν νηῶν ὀρμισσάμενων τοὺς ἰστούς ξυνέβαινε τῶν ἐπάλξεων καθυπερτέρους εἶναι. [15] αὐτίκα οὖν τοὺς λέμβους τῶν νηῶν ἅπαντας τοξοτῶν ἐμπλησάμενος ἀπεκρέμασεν ἄκρων ἰστών. [16] ὅθεν δὴ κατὰ κορυφὴν βαλλόμενοι οἱ πολέμιοι ἐς δέος τι ἄμαχον ἦλθον καὶ Πάνορμον εὐθὺς ὁμολογία Βελισαρίῳ παρέδοσαν. [17] βασιλεὺς τε ἐκ τοῦδε Σικελίαν ὅλην ἐς φόρου ἀπαγωγὴν κατήκοον εἶχε. τῷ δὲ Βελισαρίῳ τότε κρεῖσσον λόγου εὐτύχημα ξυνηνέχθη γενέσθαι. [18] τῆς γὰρ ὑπατείας λαβὼν τὸ ἀξίωμα ἐπὶ τῷ Βανδύλους νενικηκέναι, ταύτης ἔτι ἐχόμενος, ἐπειδὴ παρεστήσατο Σικελίαν ὅλην, τῇ τῆς ὑπατείας ὑστάτῃ ἡμέρᾳ ἐς τὰς Συρακούσας εἰσῆλθε, πρὸς τε τοῦ στρατοπέδου καὶ Σικελιωτῶν κροτούμενος ἐς τὰ μάλιστα καὶ νόμισμα χρυσοῦ ρίπτων ἅπασιν. [19] οὐκ ἐξεπίτηδες μέντοι αὐτῷ πεποιήται τοῦτο, ἀλλὰ τις τῷ ἀνθρώπῳ ξυνέβη τύχη πᾶσαν ἀνασσωσάμενῳ τὴν νῆσον Ῥωμαίοις ἐκείνῃ τῇ ἡμέρᾳ ἐς τὰς Συρακούσας ἐσεληλακέναι, τὴν τε τῶν ὑπάτων ἀρχήν, οὐχ ἥπερ εἰώθει ἐν τῷ Βυζαντίου βουλευτηρίῳ, ἀλλ' ἐνταῦθα καταθεμένῳ ἐξ ὑπάτων γενέσθαι. Βελισαρίῳ μὲν οὖν οὕτω δὴ εὐημερῆσαι ξυνέντυχεν.

Ἐπεὶ δὲ ταῦτα Πέτρος ἔμαθεν, ἐγκείμενος πολλῷ ἔτι μᾶλλον καὶ δεδισσόμενος Θευδάτον οὐκέτι ἀνίει. [2] καὶ ὃς ἀποδειλιάσας τε καὶ ἐς ἀφασίαν ἐμπεπτωκώς, οὐχ ἥσσον ἢ εἰ δορυάλωτος ξὺν τῷ Γελίμερι αὐτὸς ἐγεγόνει, ἐς λόγους τῷ Πέτρῳ κρύφα τῶν ἄλλων ἀπάντων ἦλθεν, ἐς τε ζύμβασιν ἐν σφίσιν ἦλθεν, ἐφ' ᾧ Θευδάτος Ἰουστινιανῷ βασιλεῖ Σικελίας ἐκστήσεται πάσης, πέμψει δὲ αὐτῷ καὶ στέφανον χρυσοῦν ἀνὰ πᾶν ἔτος κατὰ τριακοσίας ἔλκοντα λίτρας, Γότθους τε ἄνδρας μαχίμους ἐς τρισχιλίους, ἡνίκα ἂν αὐτῷ βουλομένῳ εἴη, Θευδάτῳ δὲ αὐτῷ ἐξουσίαν οὐδαμῇ ἔσεσθαι τῶν τινα ἱερέων ἢ βουλευτῶν ἀποκτινύναι, ἢ ἀνάγραπτον ἐς τὸ δημόσιον αὐτοῦ τὴν οὐσίαν ὅτι μὴ βασιλέως ποιεῖσθαι γνώμη· [3] ἦν δέ γε τῶν ὑπηκόων τινὰς ἐς τὸ τῶν πατρικίων ἢ ἄλλο βουλῆς ἀξίωμα Θευδάτος ἀγαγεῖν βούληται, τοῦτο δὲ οὐκ αὐτὸν δώσειν, ἀλλὰ βασιλέα αἰτήσιν διδόναι· [4] εὐφημοῦντα δὲ Ῥωμαίων τὸν δῆμον ἀναβοήσιν αἰεὶ βασιλέα πρῶτον, ἔπειτα Θευδάτον, ἐν τε θεάτροις καὶ ἵπποδρομίαις καὶ εἴ που ἄλλῃ τὸ τοιοῦτον δεήσει γενέσθαι. [5] εἰκόνα τε χαλκὴν ἢ ὕλης ἐτέρας μὴ ποτε Θευδάτῳ μόνῳ καθίστασθαι, ἀλλὰ γίνεσθαι μὲν αἰεὶ ἀμφοτέροις, στήσεσθαι δὲ οὕτως· ἐν δεξιᾷ μὲν τὴν βασιλέως, ἐπὶ θάτερα δὲ τὴν Θευδάτου. ἐπὶ ταύτῃ μὲν τῇ ζυμβάσει γράψας τὸν πρεσβευτὴν ὁ Θευδάτος ἀπεπέμψατο. [6] Ὀλίγῳ δὲ ὕστερον ψυχῆς ὀρρωδία περιλαβοῦσα τὸν ἄνθρωπον ἐς δειμάτα τε ἀπῆγεν ὅρον οὐκ ἔχοντα καὶ ἔστρεφεν αὐτοῦ τὴν διάνοιαν, δεδισσομένη τῷ τοῦ πολέμου ὀνόματι, καὶ ὥς, εἴ γε βασιλέα οὐδαμῇ ἀρέσκει τὰ τε αὐτῷ καὶ Πέτρῳ συγκεείμενα, ὁ πόλεμος εὐθὺς ἀπαντήσῃ. [7] αὖθις οὖν Πέτρον μεταπεμπάμενος ἐν Ἀλβανοῖς ἥδη γενόμενον ἅτε κοινολογούμενος λάθρα τοῦ ἀνθρώπου ἀνεπυνθάνετο, εἰ τὴν ζύμβασιν βασιλεῖ πρὸς ἡδονῆς ἔσεσθαι οἶεται. [8] καὶ ὃς οὕτω δὴ ὑποτοπάζειν

ἔφη. “Ὡς δὲ γε ταῦτα μηδαμῇ ἀρέσκει τὸν ἄνδρα, τί τὸ ἐντεῦθεν γενήσεται;”
[9] εἶπεν. ἀπεκρίνατο Πέτρος ‘Πολεμητέα σοι τὸ λοιπόν, ὦ γενναῖε.’ ‘Τί δέ;
δίκαια ταῦτα, ὦ φίλτατε πρεσβευτά;’ ἔφη. ὁ δὲ αὐτίκα ἔφη ὑπολαβὼν ‘Καὶ
πῶς οὐ δίκαιον, ὦ ἀγαθέ,’ εἶπε, ‘τὰ ἐπιτηδεύματα τῇ ψυχῇ ἐκάστου
φυλάσσεσθαι;’ ‘Τί δὴ τοῦτό ἐστιν;’ ὁ Θεοδότος ἡρώτα. [10] “Ὅτι σοὶ μὲν
σπουδὴ πολλὴ φιλοσοφεῖν,” ἔφη, “Ἰουστινιανῷ δὲ βασιλεῖ Ῥωμαίων γενναῖον
εἶναι. διαφέρει δέ, ὅτι τῷ μὲν φιλοσοφίαν ἀσκήσαντι θάνατον ἀνθρώποις
πορίζεσθαι, ἄλλως τε καὶ τοσοῦτοις τὸ πλῆθος, οὐ μήποτε εὐπρεπὲς εἶη, καὶ
ταῦτα ἀπὸ τῆς Πλάτωνος διατριβῆς, ἧς δηλονότι μετασχόντι σοι μὴ οὐχὶ
φόνου παντὸς ἐλευθέρῳ εἶναι οὐχ ὅσιον: ἐκεῖνον δὲ χώρας μεταποιήσασθαι
οὐδὲν ἀπεικὸς ἄνωθεν [11] τῇ ὑπαρχούσῃ αὐτῷ προσηκούσης ἀρχῇ.” ταύτῃ ὁ
Θεοδότος τῇ ὑποθήκῃ ἀναπεισθεὶς ὡμολόγησεν Ἰουστινιανῷ βασιλεῖ τῆς
ἡγεμονίας ἐκστήσεσθαι. [12] καὶ κατὰ ταῦτα αὐτὸς τε καὶ ἡ γυνὴ ὥμοσε: τὸν τε
Πέτρον ὄρκοις κατέλαβεν, ὡς οὐ πρότερον ἐκπυστα ταῦτα ποιήσεται, πρὶν ἂν
βασιλέα οὐκ ἐνδεχόμενον τὴν προτέραν ζυμβασιν ἴδοι. [13] καὶ Ῥουστικὸν τῶν
τινα ἱερέων καὶ αὐτῷ μάλιστα ἐπιτήδειον, ἄνδρα Ῥωμαῖον, ἐπὶ ταύτῃ τῇ
ὁμολογίᾳ ζὺν αὐτῷ ἔπεμψεν. οἷς δὴ καὶ γράμματα ἐνεχείρισε. [14] Πέτρος μὲν
οὖν καὶ Ῥουστικὸς ἐν Βυζαντίῳ γενόμενοι τὰ πρότερον δόξαντα βασιλεῖ
ἡγγεῖλαν, καθάπερ Θεοδότος σφίσιν ἐπέστελλεν. ἐπεὶ δὲ τοὺς λόγους
ἐνδέχεσθαι βασιλεὺς ἥκιστα ἤθελε, [15] τὰ ἐν ὑστέρω γεγραμμένα ἐπέδειξαν.
ἐδήλου δὲ ἡ γραφὴ τάδε: ‘Ὁ γέγονα μὲν βασιλικῆς αὐλῆς ἐπὶ πλῆτῃς,
τετύχηκε γάρ μοι τετέχθαι τε ἐν βασιλεύῳ θεοῦ καὶ τεθράφθαι τοῦ γένους
ἀξίως, πολέμων δὲ καὶ τῶν ἐν τούτοις θορύβων εἰμὶ οὐ παντελῶς ἔμπειρος. [16]
περὶ λόγων γὰρ ἀκοὴν ἄνωθεν ἐρωτικῶς ἐσχηκότι μοι καὶ διατριβὴν ἐς τοῦτο
ἀεὶ πεποιημένῳ ζυμβαίνει τῆς ἐν ταῖς μάχαις ταραχῆς ἐκαστάτῳ ἐς τὸδε εἶναι.
[17] ὥστε ἥκιστα με εἰκὸς τὰς ἐκ τῆς βασιλείας ζηλοῦντα τιμὰς τὸν μετὰ
κινδύνων διώκειν βίον, ἐξὸν ἀμφοῖν ἐκποδὼν ἵστασθαι. [18] τούτοις γάρ μοι
οὐδέτερον ἐν ἡδονῇ ἐστί: τὸ μὲν, ὅτι κόρῳ τετιμῆται, πλησμονὴ γὰρ ἡδέων
ἀπάντων, τὸ δέ, ὅτι τὸ μὴ ἐθισθῆναι ἐς ταραχὴν φέρει. [19] ἐγὼ δέ, εἴ μοι χωρία
γένηται οὐχ ἥσσον ἢ δώδεκα κεντηναρίων ἐπέτειον φέροντα πρόσοδον, περὶ
ἐλάχιστον ἂν αὐτῶν τὴν βασιλείαν ποιήσαιμι, καὶ σοὶ τὸ Γότθων τε καὶ
Ἰταλιωτῶν αὐτίκα μάλα ἐγχειρῶ κράτος. [20] ὡς ἔγωγε ἡδὶον ἂν ζὺν τῇ
ἀπραγμοσύνῃ γεωργὸς εἶην ἢ ἐν μερίμναις βασιλικαῖς βιῶν, κινδύνους ἐκ
κινδύνων παραπεμπούσαις. [21] ἀλλὰ πέμπε ἄνδρα ὡς τάχιστα, ὅτῳ με Ἰταλίαν
τε καὶ τὰ τῆς βασιλείας πράγματα παραδοῦναι προσήκει.’ [22] Θεοδότου μὲν ἡ
γραφὴ τοσαῦτα ἐδήλου. βασιλεὺς δὲ ὑπεράγαν ἡσθεὶς ἀμείβεται ὥδε: ‘Πάλαι
μὲν σε ζυνετὸν εἶναι ἀκοῇ εἶχον, νῦν δὲ καὶ τῇ πείρᾳ μεμαθηκὼς οἶδα οἷς οὐκ
ἔγνωκας τὸ τοῦ πολέμου καραδοκεῖν πέρας. [23] ὅπερ ἤδη πεπονθότες τινὲς ἐν
τοῖς μεγίστοις ἐσφάλησαν. καὶ σοὶ οὐ ποτε μεταμελήσει φίλους ἡμᾶς ἀντὶ
πολεμίων ποιησαμένῳ. [24] ἀλλὰ καὶ ταῦτα ἅπερ αἰτεῖς παρ’ ἡμῶν ἔξεις, καὶ
προσέσται σοὶ ἐν ταῖς πρώταις Ῥωμαίων τιμαῖς ἀναγράφω εἶναι. [25] νῦν μὲν
οὖν Ἀθανάσιόν τε καὶ Πέτρον ἀπέσταλκα, ὅπως ὁμολογίᾳ τινὶ ἐκατέρῳ τὸ
βέβαιον ἔσται. ἡξεῖ δὲ ὅσον οὐπω καὶ Βελισάριος παρὰ σέ, πέρας ἅπασιν [26]
ἐπιθήσων ὅσα ἂν ἐν ἡμῖν ζυγκείμενα ᾖ.’ ταῦτα βασιλεὺς γράψας Ἀθανάσιον

τε τὸν Ἀλεξάνδρου ἀδελφόν, ὃς πρῶν ἐς Ἀταλάρχον, ὥσπερ ἐρρήθη, ἐπρέσβευσε, καὶ Πέτρον αὐθις τὸν ῥήτορα ἔπεμψεν, οὗ πρόσθεν ἐμνήσθη, ἐντειλάμενος τὰ μὲν χωρία τῆς βασιλέως οἰκίας, ἣν πατριμῶνιον καλοῦσι, Θεοδάτῳ νεῖμαι, γράμματα δὲ καὶ ὄρκους ὀχύρωμα ταῖς ξυνθήκαις ποιησαμένους οὕτω δὴ ἐκ Σικελίας Βελισάριον μεταπέμψασθαι, ἐφ' ᾧ τὰ τε βασιλεία καὶ Ἰταλίαν παραλαβὼν ξύμπασαν ἐν φυλακῇ ἔχοι. [27] καὶ Βελισαρίῳ ἐπέστειλεν ὥστε αὐτοῖς, ἐπειδὰν μεταπέμψωνται, κατὰ τάχος ἥκειν.

Ἐν ᾧ δὲ ταῦτα τε βασιλεὺς ἔπρασσε καὶ οἱ πρέσβεις οὗτοι ἐς Ἰταλίαν ἐστέλλοντο, ἐν τούτῳ Γότθοι, ἄλλων τε καὶ Ἀσιναρίου καὶ Γρίπα σφίσιν ἡγουμένων, στρατῷ πολλῷ ἐς Δαλματίαν ἦκον. [2] ἐπειδὴ τε Σαλώνων ἄγχιστα ἦκοντο, Μαυρίκιος σφίσιν, ὁ Μούνδου υἱός, οὐκ ἐς παράταξιν, ἀλλ' ἐπὶ κατασκοπῇ ἦκων ξὺν ὀλίγοις τισὶν ὑπηντίαζε. [3] καρτερὰς δὲ γενομένης τῆς ξυμβολῆς Γόθων μὲν οἱ πρῶτοι καὶ ἄριστοι ἔπεσον, Ῥωμαῖοι δὲ σχεδὸν ἅπαντες καὶ Μαυρίκιος ὁ στρατηγός. [4] ἅπερ ἐπεὶ ἤκουσε Μούνδος περιώδυνός τε γενόμενος τῇ ξυμφορᾷ καὶ θυμῷ πολλῷ ἤδη ἐχόμενος, αὐτίκα μάλα ἐπὶ τοὺς πολεμίους οὐδενὶ κόσμῳ ἦει. [5] τῆς τε μάχης κρατερὰς γεγενημένης τὴν Καδμεῖαν νίκην Ῥωμαίοις νικῆσαι ξυνέπεσε. τῶν μὲν γὰρ πολεμίων ἐνταῦθα οἱ πλεῖστοι ἔπεσον καὶ ἡ τροπὴ λαμπρὰ ἐγεγόνει, Μούνδος δὲ κτείνων τε καὶ ὅπῃ παρατύχοι ἐπόμενος καὶ κατέχειν τὴν διάνοιαν τῇ τοῦ παιδὸς ξυμφορᾷ ὡς ἥκιστα ἔχων ὑφ' ὅτου δὴ τῶν φευγόντων πληγεῖς ἔπεσε, καὶ ἡ τε δίωξις ἐς τοῦτο ἐτελεύτα καὶ τὰ στρατόπεδα ἐκάτερα διελέλυτο. [6] τότε Ῥωμαῖοι ἀνεμνήσθησαν τοῦ Σιβύλλης ἔπους, ὅπερ ἄδόμενον ἐν τῷ πρὶν χρόνῳ τέρας αὐτοῖς ἔδοξεν εἶναι. ἔλεγε γὰρ τὸ λόγιον ἐκεῖνο ὥς, ἥνικα ἂν Ἀφρικὴ ἔχηται, ὁ κόσμος ξὺν τῷ γόνῳ ὀλεῖται. [7] τὸ μέντοι χρηστήριον οὐ τοῦτο ἐδήλου, ἀλλ' ὑπειπὼν ὅτι δὴ αὐθις ὑπὸ Ῥωμαίοις Λιβυὴ ἔσται καὶ τοῦτο ἐπεῖπεν, ὅτι τότε ξὺν τῷ παιδί ἀπολεῖται Μούνδος. λέγει γὰρ ὧδε: Αφριζα ξαπτα μυνδους ξυμ νατο περιβιτ. [8] ἐπεὶ δὲ κόσμον τῇ Λατίνων φωνῇ Μούνδος δύναται, ὧντο ἀμφὶ τῷ κόσμῳ τὸ λόγιον εἶναι. ταῦτα μὲν δὴ ὧδέ πη ἔσχεν. ἐς δὲ Σάλωνα εἰσῆλθεν οὐδεὶς. [9] οἱ τε γὰρ Ῥωμαῖοι ἐπ' οἴκου ἀνεχώρησαν, ἐπεὶ ἄναρχοι τὸ παράπαν ἐλείποντο, καὶ οἱ Γότθοι τῶν ἀρίστων οὐδενὸς σφίσιν ἀπολελειμμένου ἐς δέος ἐλθόντες τὰ ἐκείνῃ φρούρια ἔσχον: [10] οὐδὲ γὰρ Σαλώνων τῷ περιβόλῳ ἐπίστευον, ἄλλως τε καὶ οὐ λίαν αὐτοῖς εὐνοϊκῶς ἐχόντων Ῥωμαίων οἱ ταύτῃ ᾤκνητο. [11] Ταῦτα ἐπεὶ Θεοδάτος ἤκουσε, τοὺς πρέσβεις ἤδη παρ' αὐτὸν ἦκοντας ἐν οὐδενὶ ἐποιήσατο λόγῳ. ἐς γὰρ ἀπιστίαν ἱκανῶς ἐπεφύκει καὶ βέβαιον τὴν διάνοιαν οὐδαμῇ εἶχεν, ἀλλ' αἰεὶ αὐτὸν ἡ παρούσα τύχη ἀλόγως τε καὶ τῶν καθεστώτων οὐκ ἐπαξίως ἔς τε ὀρρωδίαν ἀπῆγε μέτρον οὐκ ἔχουσαν καὶ αὐθις ἐς ἄφατόν τι ἀντικαθίστη θράσος. [12] καὶ τότε γοῦν τοῦ θανάτου περὶ Μούνδου τε ἀκούσας καὶ Μαυρικίου ἐπῆρθη τε ὑπεράγαν καὶ οὐ κατὰ λόγον τῶν πεπραγμένων, καὶ τοὺς πρέσβεις ἤδη παρ' αὐτὸν ἦκοντας ἐρεσχελεῖν ἤξiou. [13] καὶ ἐπειδὴ αὐτῷ Πέτρος ποτὲ ἅτε ὑπερβάντι τὰ βασιλεῖ ὁμολογημένα ἐλοιδορεῖτο, ἄμφω Θεοδάτος δημοσίᾳ καλέσας ἔλεξε τοιάδε: [14] 'Σεμνὸν μὲν τὸ χρῆμα τῶν πρέσβεων καὶ ἄλλως ἐντιμον καθέστηκεν ἐς πάντας ἀνθρώπους, τοῦτο δὲ τὸ γέρας ἐς τόδε οἱ

πρέσβεις ἐν σφίσιν αὐτοῖς διασώζουσιν, ἐς ὃ τῇ σφετέρᾳ ἐπιεικεῖα φυλάξωσι τὸ τῆς πρεσβείας ἀξίωμα. [15] κτεῖναι γὰρ ἄνδρα πρεσβευτὴν ἐνδίκως νενομίκασιν ἄνθρωποι, ὅταν ἢ ἐς βασιλέα ὑβρίσας φαίνεται, ἢ γυναικὸς ἄλλῳ ξυνοικουσίᾳ ἐς [16] εὐνὴν ἔλθοι.’ Θεοδότος μὲν ταῦτα ἐς Πέτρον ἀπέρριπεν, οὐχ ὅτι γυναικὶ ἐπλησίασεν, ἀλλ’ ὅπως ἰσχυρίσῃται ἐγκλήματα, ὡς τὸ εἰκός, γίνεσθαι ἐς πρεσβευτοῦ θάνατον ἄγοντα. οἱ δὲ πρέσβεις ἀμείβονται τοῖσδε: [17] ‘Οὐτε ταῦτα, ὧ Γότθων ἀρχηγέ, ταύτῃ ἥπερ εἰρηκας ἔχει, οὐτ’ ἂν σὺ παραπετάσῃσιν οὐχ ὑγίεσιν ἀνόσια ἔργα ἐς ἀνθρώπους πρέσβεις ἐνδείξαιο. [18] μοιχῶ μὲν γὰρ οὐδὲ βουλομένῳ πρεσβευτῇ πάρεστι γίνεσθαι, ὧ γε οὐδὲ ὕδατος μεταλαγχάνειν ὅτι μὴ γνώμη τῶν φυλασσόντων ῥᾷδιόν ἐστι. [19] λόγους δέ, ὅσους ἂν ἐκ τοῦ πέμψαντος ἀκηκοὺς εἶπῃ, οὐκ αὐτὸς τὴν ἐντεῦθεν αἰτίαν, ἣν γε οὐκ ἀγαθοὶ τύχῳσιν ὄντες, εἰκότως ἂν λάβοι, ἀλλ’ ὁ μὲν κελεύσας φέροιτο ἂν δικαίως τὸ ἐγκλημα τοῦτο, τῷ δὲ πρεσβευτῇ τὸ τὴν ὑπουργίαν ἐκτελέσαι περίεστι μόνον. [20] ὥστε ἡμεῖς μὲν ἅπαντα ἐροῦμεν ὅσα ἀκούσαντες πρὸς βασιλέως ἐστάλημεν, σὺ δὲ ὅπως ἀκούσῃ πρῶως: ταρattoμένῳ γὰρ σοὶ ἀδικεῖν ἀνθρώπους πρέσβεις λελείμεται. [21] οὐκοῦν ὥρα σοὶ ἐκόντι ἐπιτελεῖν ὅσα βασιλεῖ ὠμολόγησας. ἐπ’ αὐτὸ γὰρ τοῦτο ἡμεῖς ἤκομεν. καὶ τὴν μὲν ἐπιστολὴν ἣν σοὶ ἔγραψεν ἤδη λαβὼν ἔχεις, τὰ δὲ γράμματα ἃ τοῖς Γότθων πρῶτοις ἔπεμψεν, οὐκ ἄλλοις τισὶν ἢ [22] αὐτοῖς δώσομεν.’ ταῦτα τῶν πρέσβεων εἰπόντων ἐπεὶ παρόντες οἱ τῶν βαρβάρων ἄρχοντες ἤκουσαν, Θεοδᾶτῳ ἐγχειρίσαι τὰ γεγραμμένα σφίσιν ἐπέστελλον. [23] εἶχε δὲ ὧδε: ‘Επιμελὲς γέγονεν ἡμῖν ἐς πολιτείαν ὑμᾶς ἀνελέσθαι τὴν ἡμετέραν, ὥπερ ὑμᾶς ἠσθῆναι εἰκός. οὐ γὰρ ἐπὶ τῷ ἐλασσοῦσθαι, ἀλλ’ ὅπως ἀξιώτεροι ἔσεσθε, ἐς ἡμᾶς ἦξετε. [24] ἄλλως τε οὐκ ἐς ἥθη ξένα ἢ ἀλλόγνῳτα Γότθους καλοῦμεν, ἀλλ’ ὧν ἡθάσι γενομένοις ὑμῖν εἴτα ἐπὶ καιροῦ διεστάναι τετύχηκε. διὰ ταῦτα νῦν Ἀθανάσιός τε καὶ Πέτρος ἐστάλησαν αὐτόσε, [25] οἷς ὑμᾶς ἐς ἅπαντα ξυλλαβέσθαι χρεών.’ τοσαῦτα μὲν ἡ γραφὴ ἐδήλου. Θεοδότος δὲ ἅπαντα ἀναλεξάμενος οὕτε τι ἔργῳ ἐπιτελεῖν ὧν βασιλεῖ ὑπέσχετο ἔγνω καὶ τοὺς πρέσβεις ἐν φυλακῇ οὐ μετρία εἶχε. [26] Βασιλεὺς δὲ Ἰουστινιανὸς ἐπεὶ ταῦτά τε καὶ τὰ ἐν Δαλματία ξυνενεχθέντα ἠκηκόει, Κωνσταντιανὸν μὲν, ὃς τῶν βασιλικῶν ἱποκόμων ἦρχεν, εἰς Ἰλλυριοὺς ἔπεμψε, στρατιὰν τε αὐτῷ ἐπιστείλας ἐνθένδε ἀγεῖραι καὶ Σαλῶνων ἀποπειραῖσθαι, ὅπῃ ἂν αὐτῷ δυνατὰ εἴη: Βελισάριον δὲ ἐς Ἰταλίαν τε κατὰ τάχος ἐκέλευσεν ἰέναι καὶ Γότθοις ὡς πολεμίοις χρῆσθαι. [27] Κωνσταντιανὸς μὲν οὖν ἐς Ἐπίδαμνον τε ἀφίκετο καὶ χρόνον τινὰ διατρίψας ἐνταῦθα στρατιὰν ἤγειρεν. ἐν τούτῳ δὲ Γότθοι, Γρίπα σφίσιν ἡγουμένου, στρατῷ ἐτέρῳ ἐς Δαλματίαν ἀφικόμενοι Σάλωνας ἔσχον: [28] Κωνσταντιανὸς τε, ἐπεὶ οἱ τὰ τῆς παρασκευῆς ὡς ἄριστα εἶχεν, ἄρας ἐξ Ἐπιδάμνου τῷ παντὶ στόλῳ ὀρμίζεται ἐς Ἐπίδαυρον, ἣ ἐστὶν ἐν δεξιᾷ ἐσπλέοντι τὸν Ἰόνιον κόλπον: ἔνθα δὴ ἄνδρας οὓς ἐπὶ κατασκοπῇ Γρίπας ἔπεμψε τετύχηκεν εἶναι. [29] καὶ αὐτοῖς τὰς τε ναὺς ἐπισκοποῦσι καὶ τὸ Κωνσταντιανοῦ στρατόπεδον ἔδοξε θάλασσά τε καὶ ἡ γῆ ξύμπασα στρατιωτῶν ἔμπλεως εἶναι, παρά τε τὸν Γρίπαν ἐπανήκοντες μυριάδας ἀνδρῶν οὐκ ὀλίγας Κωνσταντιανὸν ἐπάγεσθαι ἰσχυρίζοντο. [30] ὁ δὲ ἐς δέος μέγα τι ἐμπεσὼν ὑπαντιάζειν τε τοῖς ἐπιούσιν ἀξύνμορον ᾤετο εἶναι καὶ

πολιορκεῖσθαι πρὸς τοῦ βασιλέως στρατοῦ, οὕτω δὴ θαλασσοκρατοῦντος, ἥκιστα ἤθελε: [31] μάλιστα δὲ αὐτὸν ξυνετάρασσεν ὁ τε Σαλῶνων περιβόλος, ἐπεὶ αὐτοῦ τὰ πολλὰ ἤδη καταπεπτώκει, καὶ τῶν ταύτῃ ὥκημένων τὸ ἐς Γότθους κομιδῇ ὕποπτον. [32] καὶ διὰ τοῦτο ἐνθένδε παντὶ τῷ στρατῷ ἀπαλλαγεῖς ὅτι τάχιστα ἐν τῷ πεδίῳ στρατοπεδεύεται ὁ μεταξὺ Σαλῶνων τε καὶ Σκάρδωνος πόλεως ἐστὶ. Κωνσταντιανὸς δὲ ταῖς ναυσὶν ἀπάσαις πλέων ἐξ Ἐπιδαύρου, Λυσίνη προσέσχεν, ἥ ἐν τῷ κόλπῳ κεῖται. [33] ἐνθένδε τε τῶν ἐπομένων τινὰς ἐπεμψεν, ἐφ' ᾧ τὰ ἀμφὶ τῷ Γρίπα διερευνώμενοι ὁποῖα ποτε ἦ ἐσαγγείλωσιν. ἀφ' ὧν δὴ τὸν πάντα λόγον πυθόμενος εὐθὺς Σαλῶνων κατὰ τάχος ἔπλει. [34] καὶ ἐπειδὴ αὐτῆς ἄγχιστα ἐγεγόνει, ἀποβιβάσας τὸ στράτευμα ἐς τὴν ἡπειρον αὐτὸς μὲν ἐνταῦθα ἡσύχαζε, πεντακοσίους δὲ τοῦ στρατοῦ ἀπολέξας Σιφίλαν τε αὐτοῖς ἄρχοντα ἐπιστήσας, τῶν δορυφόρων τῶν αὐτοῦ ἓνα, ἐκέλευε τὴν στενοχωρίαν καταλαβεῖν ἣν δὴ ἐν τῷ τῆς πόλεως προαστείῳ ἐπύθετο εἶναι. καὶ Σιφίλας μὲν κατὰ ταῦτα ἐποίει. [35] Κωνσταντιανὸς δὲ καὶ ἡ στρατιὰ πᾶσα ἐς Σάλωνας τῇ ὑστεραίᾳ ἐσελάσαντες τῷ πεζῷ καὶ ταῖς ναυσὶ προσωρμίσαντο. [36] Κωνσταντιανὸς μὲν οὖν Σαλῶνων τοῦ περιβόλου ἐπεμελεῖτο, ἀνοικοδομούμενος σπουδῇ ἅπαντα ὅσα αὐτοῦ κατεπεπτώκει: Γρίπας δὲ καὶ ὁ τῶν Γότθων στρατός, ἐπειδὴ Ῥωμαῖοι Σάλωνας ἔσχον, ἐβδόμῃ ἡμέρᾳ ἐνθένδε ἀναστάντες ἐπὶ Ῥαβέννης ἀπεκομίσθησαν, οὕτω τε Κωνσταντιανὸς Δαλματίαν τε καὶ Λιβουρνίαν ζύμπασαν ἔσχε, Γότθους προσαγαγόμενος ἅπαντας οἱ ταύτῃ ἴδρυντο. [37] τὰ μὲν οὖν ἀμφὶ Δαλματίαν ταύτῃ πῃ ἔσχε. καὶ ὁ χειμὼν ἔληγε, καὶ πρῶτον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε ὃν Προκόπιος συνέγραψε.

Βελισάριος δὲ φύλακας ἐν τε Συρακούσῃ καὶ Πανόρμῳ ἀπολιπὼν τῷ ἄλλῳ στρατῷ ἐκ Μεσσηνίας διέβη ἐς Ῥήγιον ἔνθα δὴ οἱ ποιηταὶ τὴν τε Σκύλλαν γεγενῆσθαι μυθοποιοῦσι καὶ Χάρυβδιν, καὶ αὐτῷ προσεχώρουν ὁσημέραι οἱ ταύτῃ ἄνθρωποι. [2] τῶν τε γὰρ χωρίων ἀτειχίστων σφίσιν ἐκ παλαιοῦ ὄντων, φυλακὴν αὐτῶν οὐδαμῇ εἶχον καὶ κατὰ ἔχθος τὸ Γότθων μάλιστα τῇ παρουσίᾳ ἀρχῇ, ὥς τὸ εἰκός, ἤχθοντο. [3] ἐκ δὲ Γότθων αὐτόμολος παρὰ Βελισάριον Ἐβρίμους ξὺν πᾶσι τοῖς ἐπομένοις ἦλθεν, ὁ Θευδάτου γαμβρός, ὃς τῇ ἐκείνου θυγατρὶ Θευδενάνθῃ ξυνώκει. αὐτίκα τε παρὰ βασιλέα σταλείς, γερῶν τε ἄλλων ἔτυχε καὶ ἐς τὸ πατρικίων ἀξίωμα ἦλθε. [4] τὸ δὲ στράτευμα ἐκ Ῥηγίου πεζῇ διὰ Βριττίων τε καὶ Λευκανῶν ἦει, παρηκολούθει τε ἄγχιστα τῆς ἡπείρου ὁ τῶν νηῶν στόλος. [5] ἐπεὶ δὲ ἐς Καμπανίαν ἀφίκοντο, πόλει ἐνέτυχον ἐπιθαλασσίᾳ, Νεαπόλει ὄνομα, χωρίου τε φύσει ἐχυρὰ καὶ Γότθων πολλῶν φρουρὰν ἐχούσῃ. [6] καὶ τὰς μὲν ναῦς Βελισάριος ἐκέλευεν ἐν τῷ λιμένι ἔξω βελῶν ὄντι ὁρμίζεσθαι, αὐτὸς δὲ τῆς πόλεως ἐγγὺς στρατόπεδον ποιησάμενος πρῶτον μὲν τὸ φρούριον ὃ ἐν τῷ προαστείῳ ἐστὶν ὁμολογία εἶλεν, ἔπειτα δὲ καὶ τοῖς ἐν τῇ πόλει δεομένοις ἐπέτρεπε τῶν τινας λογίμων ἐς τὸ στρατόπεδον πέμψαι, ἐφ' ᾧ ἐπέιπώσι τε ὅσα αὐτοῖς βουλομένοις ἐστὶ καὶ τοὺς λόγους ἀκούσαντες τοὺς αὐτοῦ ἐς τὸ πᾶν ἀγγείλωσιν. [7] αὐτίκα οὖν οἱ Νεαπολῖται Στέφανον πέμπουσιν. ὃς ἐπεὶ παρὰ Βελισάριον ἦκεν, ἔλεξε τοιάδε: ‘Οὐ δίκαια ποιεῖς, ὃ στρατηγέ, ἐπ' ἄνδρας Ῥωμαίους τε καὶ οὐδὲν ἀδικοῦντας στρατεῦον, οἱ πόλιν τε μικρὰν οἰκοῦμεν καὶ βαρβάρων δεσποτῶν

φρουρὰν ἔχομεν, ὥστε οὐδ' ἀντιπράξαι, [8] ἢν ἐθέλωμεν, ἐφ' ἡμῖν εἶναι. ἀλλὰ καὶ φρουροῖς τοῖσδε ξυμβαίνει παῖδάς τε καὶ γυναῖκας καὶ τὰ τιμιώτατα ὑπὸ ταῖς Θευδάτου χερσὶν ἀπολιποῦσιν ἐπὶ τῇ ἡμετέρᾳ φυλακῇ ἤκειν. [9] οὐκοῦν, ἢν τι ἐς ὑμᾶς πράξωσιν, οὐ τὴν πόλιν, ἀλλὰ σφᾶς αὐτοὺς καταπροδιδόντες φανήσονται. [10] εἰ δὲ δεῖ τάληθές οὐδὲν ὑποστειλόμενον εἰπεῖν, οὐδὲ τὰ ξύμφορα ὑμῖν αὐτοῖς βουλευσάμενοι ἐφ' ἡμᾶς ἤκετε. Πρώμην μὲν γὰρ ἐλοῦσιν ὑμῖν καὶ Νεάπολις οὐδενὶ πόνῳ ὑποχειρία ἔσται, ἐκείνης δέ, ὥς τὸ εἰκός, ἀποκρουσθέντες οὐδὲ ταύτην ἀσφαλῶς ἔξετε. [11] ὥστε τινάλλως ὁ χρόνος ὑμῖν ἐν τῇ προσεδρεΐᾳ τετρίψεται ταύτῃ.' Τοσαῦτα μὲν Στέφανος εἶπε. Βελισάριος δὲ ἀμείβεται ὧδε: [12] 'Τὸ μὲν εὖ ἢ ἄλλως ἡμᾶς βουλευσαμένους ἐνθάδε ἤκειν οὐ Νεαπολίταις σκοπεῖν δώσομεν. ἃ δὲ ἐστὶ τῆς ὑμετέρας βουλῆς ἄξια, βουλόμεθα σκοπούμενους ὑμᾶς οὕτω δὴ πράσσειν ὅσα ἂν ξυνοίσειν ὑμῖν αὐτοῖς μέλλῃ. [13] δέξασθε τοίνυν τῇ πόλει τὸν βασιλέως στρατὸν ἐπὶ τῇ ἐλευθερίᾳ ὑμῶν τε καὶ τῶν ἄλλων Ἰταλιωτῶν ἤκοντα, καὶ μὴ τὰ πάντων ἀνιαρότατα ἐφ' ὑμῖν ἔλῃσθε. [14] ὅσοι μὲν γὰρ δουλείαν ἢ ἄλλο τι ἀναδύομενοι τῶν αἰσχυρῶν ἐς πόλεμον χωροῦσιν, οὗτοι δὴ ἐν γε τῷ ἀγῶνι εὐημεροῦντες εὐτυχήματα διπλᾶ ἔχουσι, ζῶν τῇ νίκῃ καὶ τὴν τῶν κακῶν ἐλευθερίαν κτησάμενοι, καὶ ἡσώμενοι φέρονται τι αὐτοῖς παραμύθιον, τὸ μὴ ἐκόντες τῇ χεীরωνι ἔπεσθαι τύχῃ. [15] οἷς δὲ παρὸν ἀμαχητὶ ἐλευθέρους εἶναι, οἱ δὲ ὅπως τὴν δουλείαν βέβαιον ἔξουσιν ἐς ἀγῶνα καθιστῶνται, οὗτοι δὴ καὶ νενικηκότες, ἂν οὕτω τύχοι, ἐν τοῖς ἀναγκαιοτάτοις ἐσφάλησαν, καὶ κατὰ τὴν μάχην ἐλασσόνως ἢ ἐβούλοντο ἀπαλλάξαντες ζῶν τῇ ἄλλῃ κακοδαιμονίᾳ καὶ τὴν ἀπὸ τῆς ἥσσης ξυμφορὰν ἔξουσι. πρὸς μὲν οὖν Νεαπολίτας ἡμῖν τοσαῦτα εἰρήσθω. [16] Γότθοις δὲ τοῖσδε τοῖς παροῦσιν αἵρεσιν δίδομεν, ἢ ζῶν ἡμῖν τοῦ λοιποῦ ὑπὸ βασιλεῖ τῷ μεγάλῳ τετάχθαι, ἢ κακῶν ἀπαθέσιν τὸ παράπαν οἴκαδε ἰέναι. [17] ὥς, ἢν τούτων ἀπάντων αὐτοὶ τε καὶ ὑμεῖς ἀμελήσαντες ὅπλα ἡμῖν ἀνταίρειν τολμήσητε, ἀνάγκη καὶ ἡμᾶς, ἢν θεὸς θέλῃ, τῷ προστυχόντι ὥς πολεμῖω χρήσθαι. [18] εἰ μέντοι βουλομένοις ἢ Νεαπολίταις τά τε βασιλέως ἐλέσθαι καὶ δουλείας οὕτω χαλεπῆς ἀπηλλάχθαι, ἐκεῖνα ὑμῖν ἀναδέχομαι τὰ πιστὰ διδοὺς ἔσεσθαι πρὸς ἡμῶν ἃ Σικελιώται πρώην ἐλπίσαντες ψευδορκίους ἡμᾶς οὐκ ἔσχον εἰπεῖν.' [19] Ταῦτα μὲν Στέφανον Βελισάριος ἐς τὸν δῆμον ἀπαγγέλλειν ἐκέλευεν. ἰδίᾳ δὲ οἱ μεγάλα ὑπέσχετο ἀγαθὰ ἔσεσθαι, Νεαπολίτας ἐς εὖνοιαν τὴν βασιλέως ὀρμήσονται. [20] Στέφανος δὲ ἐς τὴν πόλιν ἦκων τούς τε Βελισαρίου λόγους ἀπήγγελλε καὶ γνώμην αὐτὸς ἀπεφαίνετο βασιλεῖ μάχεσθαι ἀξύμφορον εἶναι. [21] καὶ οἱ ξυνέπρασσεν Ἀντίοχος, Σύρος μὲν ἀνὴρ, ἐκ παλαιοῦ δὲ ὤκημένος ἐν Νεαπόλει ἐπὶ τῇ κατὰ θάλασσαν ἐργασία καὶ δόξαν πολλὴν ἐπὶ τε ξυνέσει καὶ δικαιοσύνῃ ἐνταῦθα ἔχων. [22] Πάστῳρ δὲ καὶ Ἀσκληπιόδοτος ῥήτορε μὲν ἦσθιν καὶ λίαν ἐν γε Νεαπολίταις λογίμω, Γότθοις δὲ φίλῳ ἐς τὰ μάλιστα, καὶ τὰ παρόντα ὥς ἥκιστα βουλομένῳ μεταβάλλεσθαι. [23] τούτῳ τῷ ἀνδρὲ βουλευσαμένῳ ὅπως τὰ πρᾶσσόμενα ἐν κωλύμῃ ἔσται, πολλὰ τε καὶ μεγάλα τὸ πλῆθος ἐνηγέτην προῖσχεσθαι καὶ Βελισάριον ὅρκους καταλαμβάνειν ὅτι δὴ τούτων αὐτίκα μάλα πρὸς αὐτοῦ τεύζονται. [24] ἐν βιβλιδίῳ δὲ ἅπαντα γράψαντε ὅσα Βελισάριον οὐκ ἂν τις ἐνδέξασθαι ὑπετόπησε Στεφάνῳ ἔδοσαν. [25] ὅς, ἐπεὶ ἐς τὸ βασιλέως

στρατόπεδον αὐθις ἀφίκετο, τῷ στρατηγῷ ἐπιδείξας τὸ γραμματεῖον ἐπυνθάνετο εἰ οἱ πάντα τε ἐπιτελέσαι ὅσα Νεαπολίται προτείνονται καὶ περὶ τούτων ὁμείσθαι βουλομένῳ εἶη. ὁ δὲ αὐτόν, ἅπαντα σφίσιν ἐπιτελῇ ἔσσεσθαι ὑποσχόμενος, ἀπεπέμψατο. [26] ταῦτα Νεαπολίται ἀκούσαντες τοὺς τε λόγους ἐνεδέχοντο ἤδη καὶ κατὰ τάχος ἐκέλευον τῇ πόλει τὸ βασιλέως στρατεύμα δέχεσθαι. [27] ἀπαντήσιν γὰρ σφίσιν αὐτοῖς ἰσχυρίζετο οὐδὲν ἄχαρι, εἴ τῳ ἱκανοὶ Σικελιωταὶ τεκμηριῶσαι, οἷς δὴ τετύχηκεν ἔναγχος βαρβάρων τυράννων τὴν Ἰουστινιανοῦ βασιλείαν ἀλλαξαμένοις, ἐλευθέροις τε εἶναι καὶ ἀπαθέσι δυσκόλων ἀπάντων. [28] καὶ πολλῷ θορύβῳ ἐχόμενοι ἐπὶ τὰς πύλας ὡς δὴ αὐτὰς ἀνακλινούντες ἦσαν. Γότθοις δὲ οὐκ ἦν ἐν ἡδονῇ τὰ πρᾶσσόμενα, κωλύειν μέντοι οὐχ οἰοί τε ὄντες ἐκποδῶν ἴσαντο. [29] Πάστῳρ δὲ καὶ Ἀσκληπιόδοτος τὸν τε δῆμον καὶ Γότθους ἅπαντας ἐς ἓνα συγκαλέσαντες χῶρον ἔλεξαν τοιάδε: ‘Πόλεως μὲν πλῆθος ἑαυτοὺς τε καὶ τὴν ἑαυτῶν σωτηρίαν προΐεσθαι οὐδὲν ἀπεικός, ἄλλως τε ἦν καὶ μηδενὶ τῶν δοκίμων κοινώσαντες εἶτα αὐτόνομον τὴν περὶ τῶν ὅλων ποιήσονται γνῶσιν. [30] ἡμᾶς δὲ ἀνάγκη ξὺν ὑμῖν ὅσον οὐπῶ ἀπολουμένους ὕστατον ἔρανον τῇ: πατρίδι τήνδε παρέχεσθαι τὴν παραίνεσιν. [31] ὀρῶμεν τοῖνον ὑμᾶς, ἄνδρες πολῖται, καταπροδίδοναι Βελισαρίῳ ὑμᾶς τε αὐτοὺς καὶ τὴν πόλιν ἐπειγομένους, πολλὰ τε ὑμᾶς ἀγαθὰ ἐπαγγελιομένῳ ἐργάζεσθαι καὶ ὄρκους δεινότητος ὑπὲρ τούτων ὁμείσθαι. [32] εἰ μὲν οὖν καὶ τοῦτο ὑμῖν ἀναδέχεσθαι οἷός τέ ἐστιν ὡς ἐς αὐτόν ἤξει τὸ τοῦ πολέμου κράτος, οὐδεὶς ἂν ἀντείποι μὴ οὐχὶ ταῦτα ὑμῖν ξύμφορα εἶναι. [33] τῷ γὰρ κυρίῳ γενησομένῳ μὴ οὐχὶ πάντα χαρίζεσθαι πολλὴ ἄνοια. εἰ δὲ τοῦτο μὲν ἐν ἀδήλῳ κεῖται, ἀνθρώπων δὲ οὐδεὶς ἀξιώχρεως ἐστί τὴν τῆς τύχης ἀναδέχεσθαι γνώμην, σκέψασθε ὑπὲρ οἷων ὑμῖν συμφορῶν ἡ σπουδὴ γίνεται. [34] ἦν γὰρ τῷ πολέμῳ Γότθοι τῶν δυσμενῶν περιέσσονται, ὡς πολεμίους ὑμᾶς καὶ τὰ δεινότατα σφᾶς αὐτοὺς εἰργασμένους κολάσουσιν. [35] οὐ γὰρ ἀνάγκη βιαζόμενοι, ἀλλὰ γνώμῃ ἐθελokaκοῦντες ἐς τὴν προδοσίαν καθίστασθε. ὥστε καὶ Βελισαρίῳ κρατήσαντι τῶν πολεμίων ἴσως ἅπιστοί τε φανούμεθα καὶ τῶν ἡγουμένων προδότηι, καὶ ἅτε δραπέται γεγεννημένοι, ἐς πάντα τὸν αἰῶνα φρουρὰν πρὸς βασιλέως κατὰ τὸ εἶκος ἔξομεν. [36] ὁ γὰρ του προδότου τετυχηκῶς τῇ μὲν χάριτι ἐς τὸ παραντίκα νικήσας ἦσθη, ὑποψία δὲ ὕστερον τῇ ἐκ τῶν πεπραγμένων μισεῖ καὶ φοβεῖται τὸν εὐεργέτην, αὐτὸς ἐφ’ ἑαυτῷ τὰ τῆς ἀπιστίας γνωρίσματα ἔχων. [37] ἦν μέντοι πιστοὶ Γότθοις ἐν τῷ παρόντι γενώμεθα, γενναίως ὑποστάντες τὸν κίνδυνον, αὐτοὶ τε τῶν πολεμίων κρατήσαντες μεγάλα ἡμᾶς ἀγαθὰ δράσουσι καὶ Βελισάριος ἡμῖν νενικηκῶς, [38] ἂν οὕτω τύχη, συγγνώμων ἔσται. εὖνοια γὰρ ἀποτυχοῦσα πρὸς οὐδενὸς ἀνθρώπων ὅτι μὴ ἀξυνέτου κολάζεται. [39] τί δὲ καὶ παθόντες κατωρρωδήκατε τῶν πολεμίων τὴν προσεδρεΐαν, οἱ οὔτε τῶν ἐπιτηδείων σπανίζοντες οὔτε του ἀποκεκλεισμένοι τῶν ἀναγκαίων κάθησθε οἴκοι, τῷ τε περιβόλῳ καὶ φρουροῖς τοῖσδε τὸ θαρρεῖν ἔχοντες; οἰόμεθα δὲ οὐδ’ ἂν Βελισάριον ἐς τήνδε ξυμβῆναι τὴν ὁμολογίαν ἡμῖν, εἴ τινα βία τὴν πόλιν αἰρήσειν ἐλπίδα εἶχε. [40] καίτοι εἰ τὰ δίκαια καὶ ἡμῖν ξυνοίσοντα ποιεῖν ἤθελεν, οὐ Νεαπολίτας αὐτὸν δεδίσσεσθαι ἐχρῆν οὐδὲ τῇ παρ’ ἡμῶν ἐς Γότθους ἀδικία τὴν οἰκείαν βεβαιοῦν δύναμιν, ἀλλὰ Θευδάτῳ τε καὶ Γότθοις ἐς χεῖρας ἰέναι, ὅπως κινδύνου τε καὶ

προδοσίας ἡμετέρας χωρὶς ἢ πόλις ἐς τὸ τῶν νικῶντων χωρήσει κράτος.’ [41] Τοσαῦτα Πάστῳρ τε καὶ Ἀσκληπιόδοτος εἰπόντες τοὺς Ἰουδαίους παρήγον ἰσχυριζομένους τὴν πόλιν τῶν ἀναγκαίων οὐδενὸς ἐνδεᾶ ἔσσεσθαι, καὶ Γότθοι δὲ φυλάξειν ἀσφαλῶς τὸν περιβόλον ἰσχυρίζοντο. [42] οἷς δὴ Νεαπολίται ἡγμένοι ἐκέλευον Βελισάριον ἐνθένδε ὅτι τάχιστα ἀπαλλάσσεσθαι. [43] ὁ δὲ ἐς τὴν πολιορκίαν καθίστατο. πολλάκις τε τοῦ περιβόλου ἀποπειρασάμενος ἀπεκρούσθη, τῶν στρατιωτῶν ἀπολέσας πολλοὺς, καὶ μάλιστα οἷς δὴ ἀρετῆς τι μεταποιεῖσθαι ξυνέβαινε. [44] τὸ γὰρ Νεαπόλεως τεῖχος τὰ μὲν θαλάσσῃ, τὰ δὲ δυσχωρίαις τισὶν ἀπρόσοδόν τε ἦν καὶ τοῖς ἐπιβουλεύουσι τά τε ἄλλα καὶ διὰ τὸ ἀναντες εἶναι οὐδαμῇ ἐσβατόν. [45] καὶ τὸν ὀχετὸν μέντοι, ὃς ἐς τὴν πόλιν ἐσηγε τὸ ὕδωρ, διελὼν Βελισάριος, οὐ σφόδρα Νεαπολίτας ἐτάραξεν, ἐπεὶ φρέατα ἐντὸς τε ὄντα τοῦ περιβόλου καὶ τὴν χρεῖαν παρεχόμενα αἰσθησιν τούτου σφίσιν οὐ λίαν ἐδίδου.

Οἱ μὲν οὖν πολιορκούμενοι λανθάνοντες τοὺς πολεμίους ἔπεμπον ἐς Ῥώμην παρὰ Θευδάτον βοηθεῖν σφίσι κατὰ τάχος δεόμενοι. Θευδάτος δὲ πολέμου παρασκευὴν τινα ἤκιστα ἐποιεῖτο, ὦν μὲν καὶ φύσει ἀνανδρος, ὥσπερ μοι ἔμπροσθεν εἴρηται. [2] λέγουσι δὲ αὐτῷ καὶ ἕτερόν τι ξυμβῆναι, ὃ μάλιστα αὐτὸν ἐξέπληξέ τε καὶ ἐς ὀρρωδίαν μείζω ἀπήνεγκεν, ἐμοὶ μὲν οὐ πιστὰ λέγοντες: [3] καὶ ὥς δὲ εἰρήσεται. Θευδάτος καὶ πρότερον μὲν οὐκ ἀμελέτητος ἦν τῶν τι προλέγειν ἐπαγγελλομένων τὰς πύστεις ποιεῖσθαι, τότε δὲ τοῖς παροῦσιν ἀπορούμενος, ὃ δὴ μάλιστα τοὺς ἀνθρώπους ἐς μαντείας ὀρμᾶν εἴωθε, τῶν τινος Ἑβραίων, δόξαν ἐπὶ τούτῳ πολλὴν ἔχοντος, ἐπυνθάνετο ὁποῖόν ποτε τῷ πολέμῳ τῷδε τὸ πέρας ἔσται. [4] ὁ δὲ αὐτῷ ἐπήγγελλε χοίρων δεκάδας τρεῖς καθεύρξαντι ἐν οἰκίσκοις τρισὶ καὶ ὄνομα ποιησαμένῳ δεκάδι ἐκάστη, Γότθων τε καὶ Ῥωμαίων καὶ τῶν βασιλέως στρατιωτῶν, ἡμέρας ῥητὰς ἡσυχῇ μένειν. [5] Θευδάτος δὲ κατὰ ταῦτα ἐποίει. καὶ ἐπειδὴ παρὴν ἡ κυρία, ἐν τοῖς οἰκίσκοις ἄμφω γενόμενοι ἐθεῶντο τοὺς χοίρους, εὐρόν τε αὐτῶν οἷς μὲν τὸ Γότθων ἐπὶ ὄνομα δυοῖν ἀπολελειμμένοιιν νεκροὺς ἅπαντας, ζῶντας δὲ ὀλίγων χωρὶς ἅπαντας ἐς οὓς τὸ τῶν βασιλέως στρατιωτῶν ὄνομα ἦλθεν: ὅσοι μέντοι Ῥωμαῖοι ἐκλήθησαν, τούτοις δὲ ξυνέβη ἀπορρυῆναι μὲν τὰς τρίχας ἅπασι, περιεῖναι δὲ ἐς ἡμισὺ μάλιστα. [6] ταῦτα Θευδάτῳ θεασαμένῳ καὶ ξυμβαλλομένῳ τὴν τοῦ πολέμου ἀπόβασιν δέος φασὶν ἐπελθεῖν μέγα, εὖ εἰδοτὶ ὥς Ῥωμαῖοις μὲν ξυμπεσεῖται πάντως τεθνήξεσθαι τε κατὰ ἡμίσεας καὶ τῶν χρημάτων στερήσεσθαι, Γότθοις δὲ ἡσσωμένοις τὸ γένος ἐς ὀλίγους ἀποκεκρίσθαι, ἐς βασιλέα δέ, ὀλίγων οἱ στρατιωτῶν ἀπολουμένων, [7] τὸ τοῦ πολέμου ἀφίξεσθαι κράτος. καὶ διὰ τοῦτο Θευδάτῳ λέγουσιν οὐδεμίαν ὁρμὴν ἐπιπeseῖν ἐς ἀγῶνα Βελισαρίῳ καθίστασθαι. περὶ μὲν οὖν τούτων λεγέτω ἕκαστος ὥς πῃ ἐς αὐτὰ πίστεώς τε καὶ ἀπιστίας ἔχει. [8] Βελισάριος δὲ Νεαπολίτας κατὰ γῆν τε καὶ θάλατταν πολιορκῶν ἡσχαλλεν. οὐ γὰρ οἱ οὐδὲ προσχωρήσειν ποτὲ αὐτοὺς ᾤετο, οὐ μὴν οὐδὲ ἀλώσεσθαι ἠλπίζεν, ἐπεὶ τοῦ χωρίου τὴν δυσκολίαν ἀντιστατοῦσαν ὥς μάλιστα εἶχε. [9] καὶ ὁ χρόνος αὐτὸν τριβόμενος ἐνταῦθα ἡνία, λογιζόμενον ὅπως μὴ χειμῶνος ὥρα ἐπὶ Θευδάτον τε ἀναγκάζεται καὶ Ῥώμην ἰέναι. [10] ἥδη δὲ καὶ τῷ στρατῷ ἐπήγγειλε συσκευάζεσθαι, μέλλον ἐνθένδε ὅτι τάχιστα

ἀπαλλάσσεσθαι. καὶ οἱ ἐπὶ πλεῖστον ἀπορουμένῳ εὐτυχία τοιαῦδε ζυνηνέχθη
χρησθαι. [11] τῶν τινὰ Ἰσαύρων ἐπιθυμία ἔσχε τὴν τοῦ ὀχετοῦ οἰκοδομίαν
θεάσασθαι, καὶ ὄντινα τρόπον τῇ πόλει τὴν τοῦ ὕδατος χρεῖαν παρέιχετο. [12]
ἐσβάς τε τῆς πόλεως ἀποθεν, ὅθεν αὐτὸν διέρρηξε Βελισάριος, ἐβάδιζε πόνῳ
οὐδενί, ἐπεὶ τὸ ὕδωρ αὐτὸν ἅτε διερρωγότα ἐπελελοίπει. [13] ἐπεὶ δὲ ἄγχιστα
τοῦ περιβόλου ἐγένετο, πέτρα μεγάλη ἐνέτυχεν, οὐκ ἀνθρώπων χερσὶν
ἐνταῦθα, ἀλλὰ πρὸς τῆς φύσεως τοῦ χωρίου ἀποτεθείση. [14] ταύτῃ τῇ πέτρᾳ οἱ
τὸν ὀχετὸν δειμάμενοι πάσαι τὴν οἰκοδομίαν ἐνάψαντες διώρυχα ἐνθένδε
ἐποιοῦν, οὐκ ἐς δίοδον μέντοι ἀνθρώπου ἱκανῶς ἔχουσιν, [15] ἀλλ' ὅσον τῷ
ὕδατι τὴν πορείαν παρέχεσθαι. καὶ διὰ τοῦτο ζυνέβαινεν οὐκ εὖρος τὸ αὐτὸ
πανταχόσε τοῦ ὀχετοῦ εἶναι, ἀλλὰ στενοχωρία ἐν τῇ πέτρᾳ ἐκείνῃ ὑπηντίαζεν,
ἀνθρώπῳ, ἄλλως τε καὶ τεθωρακισμένῳ ἢ ἀσπίδα φέροντι, ἀπόρευτος οὖσα.
[16] ταῦτα τῷ Ἰσαύρῳ κατανοήσαντι οὐκ ἀμήχανα ἔδοξεν εἶναι τῷ στρατῷ ἐς
τὴν πόλιν ἰέναι, ἣν ὀλίγῳ μέτρῳ τὴν ἐκείνῃ διώρυχα εὐρυτέραν ποιήσονται.
[17] ἅτε δὲ αὐτὸς ἀφανὴς τε ὢν καὶ τῶν ἡγεμόνων οὐδενὶ πώποτε ἐς λόγους
ἦκων τὸ πρᾶγμα ἐς Παύκαριν ἤνεγκεν, ἄνδρα Ἰσαυρον, ἐν τοῖς Βελισαρίου
ὑπασπισταῖς εὐδοκιμοῦντα. ὁ μὲν οὖν Παύκαρις τὸν πάντα λόγον αὐτίκα τῷ
στρατηγῷ ἡγγεῖλε. [18] Βελισάριος δὲ τῇ τοῦ λόγου ἡδονῇ ἀναπνεύσας καὶ
χρήμασι μεγάλοις τὸν ἄνθρωπον δωρήσεσθαι ὑποσχόμενος ἐς τὴν πρᾶξιν
ἦγε, καὶ αὐτὸν ἐκέλευεν Ἰσαύρων τινὰς ἐταιρισάμενον ἐκτομῇν ὡς τάχιστα
τῆς πέτρας ποιεῖσθαι, φυλασσόμενον ὅπως τοῦ ἔργου μηδενὶ αἰσθησιν
δώσουσι. [19] Παύκαρις δέ, Ἰσαύρους ἀπολεξάμενος πρὸς τὸ ἔργον ἐπιτηδείως
πάντῃ ἔχοντας, ἐντὸς τοῦ ὀχετοῦ σὺν αὐτοῖς λάθρα ἐγένετο. [20] ἔς τε τὸν
χῶρον ἐλθόντες ἵνα δὴ τὴν στενοχωρίαν ἡ πέτρα ἐποίει, ἔργου εἶχοντο, οὐκ
ἀξίναις τὴν πέτραν οὐδὲ πελέκεσι τέμνοντες, ὅπως μὴ ἐνδηλὰ τῷ κτύπῳ τοῖς
πολεμίοις ποιήσωσι τὰ πρᾶσσόμενα, ἀλλὰ σιδηρίοις τισὶν ὀξέσιν αὐτὴν
ἐνδελεχέστατα ξέοντες. [21] καὶ χρόνῳ ὀλίγῳ κατείργαστο, ὥστε ἀνθρώπῳ
δυνατὰ εἶναι θώρακά τε ἀμπεχομένῳ καὶ ἀσπίδα φέροντι ταύτῃ ἰέναι. [22]
Ἐπειδὴ δὲ ἅπαντα ἤδη ὡς ἄριστα εἶχεν, ἔννοια Βελισαρίῳ ἐγένετο ὡς, ἣν
πολέμῳ ἐς Νεάπολιν τῷ στρατῷ ἐσιτητὰ εἶη, τοῖς τε ἀνθρώποις ἀπολωλέναι
ξυμβήσεται καὶ τᾶλλα ξυμπεσεῖν ἅπαντα, ὅσα πόλει πρὸς πολέμιον ἀλούσῃ
γίνεσθαι εἴωθε. [23] Στέφανόν τε εὐθὺς μεταπεμψάμενος ἔλαξε τοιαύδε:
‘Πολλάκις εἶδον πόλεις ἀλούσας καὶ τῶν τήνικαυτα γινομένων εἰμὶ ἔμπειρος.
[24] τοὺς μὲν γὰρ ἄνδρας ἀναιροῦσιν ἡβηδὸν ἅπαντας, γυναῖκας δὲ θνήσκουσιν
αἰτουμένας οὐκ ἀξιοῦσι κτείνειν, ἀλλ' ἐς ὕβριν ἀγόμεναι πάσχουσιν ἀνῆκεστά
τε καὶ ἐλέου πολλοῦ ἄξια. [25] παῖδας δὲ οὔτε τροφῆς οὔτε παιδείας οὕτω
μεταλαχόντας δουλεύειν ἀνάγκη, καὶ ταῦτα τοῖς πάντων ἐχθίστοις, ὧν ἐν ταῖς
χερσὶ τὸ τῶν πατέρων αἷμα θεάανται. [26] ἐγὼ γάρ, ὃ φίλε Στέφανε, λέγειν τὸ
πῦρ, ὃ τά τε ἄλλα χρήματα καὶ τὸ τῆς πόλεως ἀφανίζεται κάλλος. ταῦτα
Νεάπολιν τήνδε ὥσπερ ἐν κατόπτρῳ ταῖς πρότερον ἀλούσαις πόλεσιν ὀρῶν
πάσχουσιν, αὐτῆς τε καὶ ὑμῶν ἐς οἶκτον ἦκω. [27] μηχαναὶ γὰρ μοι πεποίηνται
νῦν ἐς αὐτήν, ἣν μὴ οὐχὶ ἁλῶναι ἀδύνατον. πόλιν δὲ ἀρχαίαν καὶ οἰκήτορας
Χριστιανούς τε καὶ Ῥωμαίους ἄνωθεν ἔχουσιν ἐς τοῦτο τύχης οὐκ ἂν
εὐξαίμην, ἄλλως τε καὶ ὑπ' ἐμοῦ Ῥωμαίων στρατηγούντος, ἐλθεῖν, μάλιστα

ἐπεὶ βάρβαροι πολλοὶ μοι τὸ πλῆθος ἐν τῷ στρατοπέδῳ εἰσίν, ἀδελφοὺς ἢ
ξυγγενεῖς πρὸ τοῦδε ἀπολωλεκότες τοῦ τείχους: ὧν δὴ κατέχειν τὸν θυμόν, ἦν
πολέμῳ τὴν πόλιν ἔλωσιν, οὐκ ἂν δυναίμην. [28] οὐκοῦν ἔως ἔτι τὸ τὰ
ξυνοίσοντα ἐλέσθαι τε καὶ πράσσειν ἐφ' ὑμῖν ἐστι, βουλευσάσθε μὲν τὰ
βελτίω, φύγετε δὲ ξυμφοράν: ἥς, ὡς τὸ εἰκός, ξυμπιπτούσης ὑμῖν οὐ τὴν τύχην
δικαίως, ἀλλὰ τὴν ὑμετέραν αἰτιάσεσθε γνώμην.' [29] τοσαῦτα εἰπὼν
Βελισάριος Στέφανον ἀπεπέμψατο. ὃς ἐς Νεαπολιτῶν τὸν δῆμον παρῆλθε
δεδακρυμένος τε καὶ πάντα ξὺν οἰμωγῇ ἀγγέλλων ὅσα Βελισαρίου λέγοντος
ἤκουσεν. [30] οἱ δὲ 'οὐδὲ γὰρ χρὴν Νεαπολίτας ἀθῶους βασιλεῖ κατηκόους
γενέσθαι οὔτε ἔδεισάν τι οὔτε Βελισαρίῳ προσχωρεῖν ἔγνωσαν.

Τότε δὴ καὶ αὐτὸς τὰ ἐς τὴν εἰσοδὸν κατεστήσατο ὧδε. ἄνδρας ἀμφὶ
τετρακοσίους ἀπολεξάμενος περὶ λύχνων ἀφὰς καὶ ἄρχοντε αὐτοῖς ἐπιστήσας
Μάγνον τε, ὃς ἱππικοῦ καταλόγου ἠγεῖτο, καὶ τὸν τῶν Ἰσαύρων ἀρχηγὸν
Ἐννης, θωρακίσασθαι τε ἅπαντας καὶ τάς τε ἀσπίδας τὰ τε ξίφη ἀνελομένους
ἡσυχάζειν, ἄχρι αὐτὸς σημήνῃ, ἐκέλευε. [2] καὶ Βέσσαν μεταπεμψάμενος
αὐτοῦ μένειν ἐπήγγειλε: βούλεσθαι γὰρ ξὺν αὐτῷ βουλὴν τινα περὶ τοῦ
στρατοπέδου ποιήσασθαι: [3] καὶ ἐπειδὴ πόρρω ἦν τῶν νυκτῶν, Μάγνῳ τε καὶ
Ἐννῇ τὰ σφίσι παρόντα εἰπὼν καὶ τὸ χωρίον ἐπιδείξας οὗ πρότερον διελὼν
τὸν ὄχετὸν ἔτυχε, τοῖς τετρακοσίοις ἐς τὴν πόλιν ἐξηγήσασθαι, [4] λύχνα
ἀνελομένους, ἐκέλευε. καὶ ἄνδρας δύο ταῖς σάλπιγξι χρησθαι ἐπισταμένους
ξὺν αὐτοῖς ἔπεμψεν, ὅπως, ἐπειδὴ τοῦ περιβόλου ἐντὸς γένωνται, τὴν τε
πόλιν ξυνταράξαι καὶ τὰ πρᾶσσόμενα σημήναι σφίσιν οἷοι τε ᾧσιν. [5] αὐτὸς δὲ
κλίμακας ὅτι πλείστας πρότερον πεποιημένας ἐν παρασκευῇ εἶχεν. Οἱ μὲν οὖν
ἐς τὸν ὄχετὸν ὑποδύντες ἐπὶ τὴν πόλιν ἐβάδιζον, αὐτὸς δὲ ξὺν τῷ Βέσσᾳ καὶ
Φωτίῳ αὐτοῦ ἔμενε καὶ ξὺν αὐτοῖς ἅπαντα ἔπρασσε. [6] πέμψας δὲ καὶ ἐς τὸ
στρατόπεδον, ἐγρηγορέναι τε καὶ τὰ ὅπλα ἐν χερσὶν ἔχειν ἐπέταττε. καὶ
πολλοὺς μέντοι ἀμφ' αὐτὸν εἶχεν οὓς δὴ εὐτολμοτάτους ᾤετο εἶναι. τῶν δὲ ἐπὶ
τὴν πόλιν ἰόντων οἱ ὑπὲρ ἡμῖς κατωρρωδηκότες τὸν κίνδυνον ὀπίσω
ἀπεκομίζοντο. [7] οὓς ἐπεὶ Μάγνος ἔπεσθαι οἱ, καίπερ πολλὰ παραινέσας, οὐκ
ἔπειθε, παρὰ τὸν στρατηγὸν ξὺν αὐτοῖς ἐπανῆκε. [8] τούτους δὲ Βελισάριος
κακίσας καὶ τῶν ἀμφ' αὐτὸν ἀπολέξας διακοσίους σὺν Μάγνῳ ἰέναι ἐκέλευεν.
ὧν δὴ καὶ Φώτιος ἠγεῖσθαι θέλων, ἐς τὴν διώρυχα ἐσεπήδησεν: ἀλλὰ
Βελισάριος αὐτὸν διεκώλυσεν. [9] αἰσχυνθέντες δὲ τοῦ τε στρατηγοῦ καὶ
Φωτίου τὴν λαιδορίαν καὶ ὅσοι τὸν κίνδυνον ἔφευγον, αἰθῆς αὐτὸν ὑποστήναι
τολμήσαντες ξὺν αὐτοῖς εἶποντο. [10] Βελισάριος δὲ δείσας μὴ τῶν πολεμίων
τισὶ τῶν πρᾶσσομένων αἰσθησις γένηται, οἱ δὴ ἐς τὸν πύργον φυλακὴν εἶχον
ὃς τοῦ ὄχετος ἄγχιστα ἐτύγγανεν ὧν, ἐνταῦθα τε ἦλθε καὶ Βέσσαν ἐκέλευε τῇ
Γότθων φωνῇ διαλέγεσθαι τοῖς ταύτῃ βαρβάροις, ὅπως δὴ μὴ τις αὐτοῖς ἐκ
τῶν ὅπλων πάταγος ἔναυλος εἴῃ. [11] καὶ Βέσσας μὲν αὐτοῖς ἀναβοήσας μέγα
προσχωρεῖν Βελισαρίῳ παρήνει, πολλὰ σφίσιν ἐπαγγελλόμενος ἀγαθὰ
ἔσεσθαι. [12] οἱ δὲ ἐτόθαζον, πολλὰ ἐς Βελισαρίον τε καὶ βασιλέα ὑβρίζοντες.
ταῦτα μὲν οὖν Βελισαρίῳ καὶ Βέσσᾳ ἐπράσσετο τῇδε. [13] Ὁ δὲ Νεαπόλεως
ὄχετος οὐκ ἄχρι ἐς τὸ τεῖχος καλύπτεται μόνον, ἀλλ' οὕτω τῆς πόλεως ἐπὶ
πλείστον διήκει, κύρτωμα ἐκ πλίνθου ὠπημένης ὑψηλὸν ἔχων, ὥστε

γενόμενοι ἐντὸς τοῦ περιβόλου οἱ ἀμφὶ Μάγνον τε καὶ Ἐννην ἅπαντες οὐδὲ ὅπου ποτὲ γῆς εἰσι ξυμβάλλεσθαι ἐδύναντο. [14] οὐ μὴν οὐδέ πη ἀποβαίνειν ἐνθένδε εἶχον, ἕως οἱ πρῶτοι ἐς χῶρον ἴκοντο οὗ τὸν ὀχετὸν ἀνώροφον ξυνέπεσεν εἶναι καὶ οἶκημα ἦν κοιμητὴ ἀπημελημένον. [15] ἐνταῦθα ἔσω γυνή τις ὄκει, μόνη τε οὖσα καὶ πενία πολλῇ ξυνοικοῦσα, καὶ δένδρον ἐλαίας καθύπερθεν τοῦ ὀχετοῦ ἐπεφύκει. [16] οὗτοι ἐπειδὴ τὸν τε οὐρανὸν εἶδον καὶ ἐν μέσῃ πόλει ἦσθοντο εἶναι, ἐκβαίνειν μὲν διανοοῦντο, μηχανὴν μέντοι οὐδεμίαν εἶχον, ἄλλως τε καὶ ξὺν τοῖς ὅπλοις, τοῦ ὀχετοῦ ἀπαλλάσσεσθαι. ὑψηλὴ γάρ τις ἐνταῦθα ἡ οἰκοδομία ἔτυχεν οὖσα καὶ οὐδὲ ἀνάβασιν τινα ἔχουσα. [17] τῶν δὲ στρατιωτῶν ἐπὶ πλεῖστον ἀπορουμένων καὶ ἐς στενοχωρίαν πολλὴν ξυνιόντων ἥδη γὰρ καὶ τῶν ὀπισθεν ιόντων πολὺς τις ξυνέρρει ὁμιλος, ἐγένετο αὐτῶν τινι ἔννοια τῆς ἀνόδου ἀποπειράσασθαι. [18] καταθέμενος οὖν αὐτίκα τὰ ὅπλα, ταῖς τε χερσὶ καὶ τοῖς ποσὶ τὴν ἀνάβασιν βιασάμενος, ἐς τὸ τῆς γυναικὸς οἶκημα ἦλθε. [19] καὶ αὐτὴν ἐνταῦθα ἰδὼν, ἦν μὴ σιωπῇ, κτείνειν ἠπειλήσεν. ἡ δὲ καταπλαγεῖσα ἄφωνος ἔμεινε. καὶ ὥς ἐκ τοῦ πρέμνου τῆς ἐλαίας ἱμάντα τινα ἰσχυρὸν ἀναψάμενος τὴν ἐτέραν τοῦ ἱμάντος ἀρχὴν ἐς τὸν ὀχετὸν ἔρριπεν. οὗ δὴ λαβόμενος τῶν στρατιωτῶν ἕκαστος ἀνέβαινε μόλις. [20] ἐπεὶ δὲ ἀναβέβηκεσαν ἅπαντες τῆς τε νυκτὸς τὸ τεταρτημόριον ἔτι ἐλείπετο, χωροῦσιν ἐπὶ τὸ τεῖχος· καὶ πύργων δύο τοὺς φύλακας, οὐδέν τι αἰσθανομένους τοῦ κακοῦ, κτείνουσιν ἀμφὶ τὰ πρὸς βορρᾶν τοῦ περιβόλου, ἔνθα Βελισάριος ξὺν τῷ Βέσσᾳ καὶ Φωτίῳ εἰστήκει, παραδοκῶν τὰ πρασσόμενα. [21] καὶ οἱ μὲν τὸ στράτευμα ἐπὶ τὸ τεῖχος ταῖς σάλπιγξιν ἐκάλουν, Βελισάριος δὲ τῷ περιβόλῳ τὰς κλίμακας ἐρείσας τοὺς στρατιώτας ἐνθένδε ἀναβαίνειν ἐκέλευε. [22] τῶν δὲ κλιμάκων οὐδεμίαν διήκειν ἄχρι ἐς τὰς ἐπάλξεις ξυνέβαινεν. ἅτε γὰρ αὐτὰς οὐκ ἐκ τοῦ ἐμφανοῦς οἱ τεχνῖται ποιούμενοι μέτρου τοῦ καθήκοντος οὐχ οἷοί τε ἐξικνεῖσθαι ἐγένοντο. [23] διόπερ δύο ἐς ἀλλήλας ξυνδέοντες καὶ ἐπ' ἀμφοῖν ἀναβαίνοντες οὕτω δὴ τῶν ἐπάλξεων καθυπέρτεροι οἱ στρατιῶται ἐγένοντο. ταῦτα μὲν οὖν Βελισαρίῳ ἐφέρετο τῇδε. [24] Ἐς δὲ τὰ πρὸς θάλασσαν τοῦ περιβόλου, ἔνθα οὐχ οἱ βάρβαροι, ἀλλὰ Ἰουδαῖοι φυλακὴν εἶχον, οὕτε ταῖς κλίμαξι χρῆσθαι οὕτε ἀναβαίνειν ἐς τὸ τεῖχος οἱ στρατιῶται ἐδύναντο. [25] οἱ γὰρ Ἰουδαῖοι τοῖς πολεμίοις ἥδη προσκεκρουκότες, ἐμπόδιοί τε γεγενημένοι ὅπως μὴ τὴν πόλιν ἀμαχητὶ ἔλωσι, καὶ ἀπ' αὐτοῦ ἐλπίδα οὐδεμίαν ἦν ὑπ' αὐτοῖς ὥσιν ἔχοντες, καρτερῶς τε, καίπερ αὐτοῖς τῆς πόλεως ἥδη ἀλούσης, ἐμάχοντο καὶ τῇ τῶν ἐναντίων προσβολῇ παρὰ δόξαν ἀντεῖχον. [26] ἐπεὶ δὲ ἡμέρα ἐγένετο καὶ τῶν ἀναβεβηκότων τινὲς ἐπ' αὐτοὺς ἦσαν, οὕτω δὴ καὶ αὐτοὶ ὀπισθεν βαλλόμενοι ἔφευγον, καὶ κατὰ κράτος Νεάπολις ἦλω. καὶ τῶν πυλῶν ἥδη ἀνακεκλιμένων ἅπας ὁ Ῥωμαίων στρατὸς εἰσῆει. [27] ὅσοι δὲ ἀμφὶ πύλας ἐτετάχατο τὰς πρὸς ἀνίσχοντα ἥλιον τετραμμένας, ἐπεὶ κλίμακες σφίσι παροῦσαι οὐδαμῇ ἔτυχον, ταύτας δὴ τὰς πύλας ἀφυλάκτους παντάπασιν οὖσας ἔκαυσαν. [28] ἔρημον γὰρ ἀνδρῶν τὸ ἐκεῖνη τεῖχος, ἅτε τῶν φυλάκων δρασμῶ χρησαμένων, [29] ἐγένετο. φόνος τε ἐνταῦθα πολὺς ἐγεγόνει. θυμῷ γὰρ ἐχόμενοι ἅπαντες, ἄλλως τε καὶ ὅσοις ἀδελφόν τινα ἢ ξυγγενὴ ἀποθανεῖν τειχομαχοῦντα τετύχηκε, τὸν ἐν ποσὶν ἀεὶ, οὐδεμιᾶς ἡλικίας φειδόμενοι, ἔκτεινον, ἔς τε τὰς οἰκίας

ἐσβάλλοντες παῖδας μὲν καὶ γυναῖκας ἡνδραπόδισαν, τὰ δὲ χρήματα ἐλήισαντο, καὶ πάντων μάλιστα οἱ Μασσαγέται, οἳ οὐδὲ τῶν ἱερῶν ἀπεχόμενοι πολλοὺς τῶν ἐς αὐτὰ φυγόντων ἀνεῖλον, ἕως Βελισάριος πανταχόσε περιῶν διεκώλυσέ τε καὶ ξυγκαλέσας ἅπαντας ἔλεξε τοιαύδε: [30] ‘Ἐπειδὴ νενικηκέναι τε ἡμῖν δέδωκεν ὁ θεὸς καὶ ἐπὶ πλεῖστον εὐδοξίας ἀφῖχθαι, πόλιν ἀνάλωτον πρότερον οὖσαν ὑποχειρίαν ἡμῖν ποιησάμενος, ἀναγκαῖον καὶ ἡμᾶς τὸ μὴ ἀναξίους εἶναι τῆς χάριτος, ἀλλὰ τῇ ἐς τοὺς ἡσσημένους φιланθρωπία τὸ δικαίως κεκρατηκέναι τούτων ἐνδείκνυσθαι. [31] μὴ τοίνυν ἀπέραντα Νεαπολίτας μισήσητε, μηδὲ ὑπερόριον τοῦ πολέμου τὸ ἐς αὐτοὺς ἔχθος ποιήσητε. τοὺς γὰρ ἡσσημένους οὐδεὶς τῶν νενικηκότων ἔτι μισεῖ. [32] κτείνοντές τε αὐτοὺς οὐ πολεμίων ἀπαλλαγῆσεσθε τὸ λοιπόν, ἀλλὰ θανάτῳ ζημιωθήσεσθε τῶν ὑπηκόων. οὐκοῦν ἀνθρώπους τοῦσδε μηδὲν ἐργάσησθε περαιτέρω κακόν, μηδὲ τῇ ὀργῇ πάντα χαρίζεσθε. [33] αἰσχρὸν γὰρ τῶν μὲν πολεμίων κρατεῖν, τοῦ δὲ θυμοῦ ἥσσους φαίνεσθαι. ὑμῖν δὲ χρήματα μὲν τὰ ἄλλα γινέσθω τῆς ἀρετῆς ἄθλα, γυναῖκες δὲ τοῖς ἀνδράσι ξὺν τοῖς παισὶν ἀποδιδόσθω. μανθανέτωσαν δὲ οἱ νενικημένοι τοῖς πράγμασιν ἡλικίων ἐξ ἀβουλίας ἐστέρηνται φίλων.’ [34] Τοσαῦτα εἰπὼν Βελισάριος τὰς τε γυναῖκας καὶ τὰ παιδιά καὶ τὰ ἄλλα ἀνδράποδα Νεαπολίταις πάντα ἀφήκεν, ὕβρεως οὐδεμιᾶς ἐς πείραν ἐλθόντα, καὶ αὐτοῖς τοὺς στρατιώτας διήλλαξεν. [35] οὕτω τε Νεαπολίταις ξυνηνέχθη ἐκείνῃ τῇ ἡμέρᾳ αἰχμαλώτοις τε γενέσθαι καὶ τὴν ἐλευθερίαν ἀνασώσασθαι καὶ τῶν χρημάτων τὰ τιμιώτατα ἀνακτήσασθαι. [36] ἐπεὶ αὐτῶν ὅσοι χρυσὸν ἢ ἄλλο τι τῶν τιμίων ἔχοντες ἔτυχον, οὗτοι δὴ τὰ πρότερα ἐς γῆν κατορύξαντες ἀπεκρύψαντο, καὶ ταύτη τοὺς πολεμίους λαθεῖν ἴσχυσαν αὐτοῖς χρήμασι τὰς οἰκίας ἀπολαβόντες. ἢ τε πολιορκία ἐς ἡμέρας μάλιστα εἴκοσι κατατείνασα ἐς τοῦτο ἐτελεύτα. [37] Γότθους δὲ τοὺς τῇδε ἀλόντας οὐχ ἥσσους ἢ ὀκτακοσίους ὄντας κακῶν ἀπαθεῖς Βελισάριος παντάπασι διαφυλάξας, οὐκ ἐλασσόνως ἢ τοὺς στρατιώτας τοὺς αὐτοῦ ἐν τιμῇ εἶχε. [38] Πάστῳρ δέ, ὃς ἐς ἀπόνειαν, ὡς πρότερόν μοι δεδήλωται, τὸν δῆμον ἐνήγεν, ἐπεὶ τὴν πόλιν ἀλίσκομένην εἶδεν, ἐς ἀποπληξίαν ἐξέπεσε καὶ ἐξαπίνης ἀπέθανεν, οὔτε νοσήσας πρότερον οὔτε ἄλλο τι πρὸς οὐδενὸς παθὼν ἄχαρι. [39] Ἀσκληπιόδοτος δέ, ὃς ξὺν αὐτῷ ταῦτα ἔπρασσε, ξὺν τῶν λογίμων τοῖς περιοῦσι παρὰ Βελισάριον ἦλθε. [40] καὶ αὐτῷ Στέφανος ἐπιτωθάζων ἐλοιδορεῖτο ὧδε: ‘Ὁρα, ὦ κάκιστε ἀνθρώπων ἀπάντων, οἷα κακὰ τὴν πατρίδα εἰργάσω, τῆς ἐς Γότθους εὐνοίας τὴν τῶν πολιτῶν ἀποδόμενος σωτηρίαν. [41] εἴτα εἰ μὲν τοῖς βαρβάροις εὖ ἐγεγόνει τὰ πράγματα, ἡξίωσας ἂν ἔμμισθός τε αὐτὸς πρὸς ἐκείνων εἶναι καὶ ἡμῶν ἕκαστον τῶν τὰ βελτίω βεβουλευμένων τῆς ἐς τοὺς Ῥωμαίους προδοσίας ὑπαγαγεῖν. [42] ἐπεὶ δὲ τὴν μὲν πόλιν βασιλεὺς εἶλε, σεσώσμεθα δὲ τῇ τοῦδε τοῦ ἀνδρὸς ἀρετῇ, οὕτω δὲ εἰσελθεῖν παρὰ τὸν στρατηγὸν ἀνεπισκέπτως ἐτόλμησας ἄτε οὐδὲν δεινὸν οὔτε Νεαπολίτας οὔτε τὸ βασιλέως διαπεπραγμένος στρατόπεδον, ἀξίας τίσεις δίκας.’ [43] Στέφανος μὲν τῇ ξυμφορᾷ περιώδυνος ὢν ἐς Ἀσκληπιόδοτον ταῦτα ἀπέρριπεν. ὁ δὲ αὐτὸν ἀμείβεται τοῖσδε: ‘Ἀέληθας σαντὸν ἐγκωμιάζων ἡμᾶς, ὦ γενναῖε, οἷς δὴ εὐνοίαν τὴν ἐς τοὺς Γότθους ἡμῖν ὀνειδίζεις. [44] εὖνους γάρ τις δεσπότηας

κινδυνεύουσιν, εἰ μὴ ἐκ τοῦ βεβαίου τῆς γνώμης, οὐκ ἂν ποτε εἴη. ἐμὲ μὲν οὖν οἱ κρατοῦντες τοιοῦτον τῆς πολιτείας φύλακα ἔξουσιν οἷον ἀρτίως πολέμιον εὔρον, ἐπεὶ ὁ τῇ φύσει τὸ πιστὸν ἔχων οὐ ξυμμεταβάλλει τῇ τύχῃ τὴν γνώμην. [45] σὺ δὲ τῶν πραγμάτων οὐχ ὁμοίως αὐτοῖς φερομένων ἐτοιμῶς ἂν τοὺς τῶν ἐπιόντων ἐνδέξαιο λόγους. ὁ γὰρ τὸ τῆς διανοίας νοσῶν ἄστατον ἅμα τε ἔδεισε καὶ τὴν ἐς τοὺς φιλάτους ἡρνήσατο πίστιν.’ [46] τοσαῦτα μὲν καὶ Ἀσκληπιόδοτος εἶπε. Νεαπολιτῶν δὲ ὁ δῆμος, ἐπεὶ αὐτὸν ἐνθένδε ἀναχωροῦντα εἶδον, ἀθρόοι γενόμενοι, ἅπαντα αὐτῷ ἐπεκάλουν τὰ παρόντα σφίσι. καὶ οὐ πρότερον ἀπέστησαν, πρὶν δὴ ἔκτεινάν τε καὶ τὸ σῶμα κατὰ βραχὺ διεσπᾶσαντο. [47] οὕτω τε ἐν τῇ Πάστῳ οἰκία γενόμενοι τὸν ἄνδρα ἐζήτουν. τοῖς τε οἰκέταις τεθνάναι Πάστῳρα ἰσχυρίζομένοις ἥκιστα πιστεῦειν ἠξίου, ἕως αὐτοῖς τὸν τοῦ ἀνθρώπου νεκρὸν ἔδειξαν. καὶ αὐτὸν Νεαπολίται ἐν τῷ προαστείῳ ἀνεσκολόπισαν. [48] οὕτω τε Βελισάριον παρητήσαντο ἐφ’ οἷς δικαίᾳ ὀργῇ ἐχόμενοι ἔδρασαν, τυχόντες τε αὐτοῦ συγγνώμονος διελύθησαν. οὕτω μὲν Νεαπολίται ἀπῆλλαξαν.

Γότθοι δὲ ὅσοις ἀμφὶ τὴν Ῥώμην καὶ τὰ ἐκείνη χωρία ξυνέπεσεν εἶναι, καὶ πρότερον τὴν Θευδάτου ἡσυχίαν ἐν θαύματι μεγάλῳ ποιούμενοι, ὅτι δὴ ἐν γειτόνων οὔσι τοῖς πολεμίοις οὐ βούλοιο διὰ μάχης ἰέναι, ἐν σφίσι τε αὐτοῖς ὑποψία πολλῇ ἐς αὐτὸν χρώμενοι, ὥς δὴ τὰ Γότθων πράγματα προδιδοῖ Ἰουστινιανῷ βασιλεῖ ἐθελουσίως, ἄλλο τέ οἱ οὐδὲν ἐπιμελὲς εἶη, πλὴν γε δὴ ὅπως αὐτὸς ἡσυχῇ βιοτεύοι, ὥς πλεῖστα περιβαλλόμενος χρήματα, ἐπειδὴ ἀλῶναι Νεάπολιν ἤκουσαν, ἅπαντά οἱ ταῦτα ἐκ τοῦ ἐμφανοῦς ἤδη ἐπικαλοῦντες ἐς χωρίον ξυνελέγησαν Ῥώμης ὀγδοήκοντα καὶ διακοσίους σταδίους διέχον, ὅπερ Ῥωμαῖοι καλοῦσι Ῥεγάτα: ἐνταῦθα ἐνστρατοπεδεύσασθαι σφίσιν ἔδοξεν ἄριστον εἶναι: πεδία γὰρ πολλὰ ἐνταῦθά ἐστιν ἱππόβοτα. [2] ρεῖ δὲ καὶ ποταμός, ὃν Δεκεννόβιον τῇ Λατίνων φωνῇ καλοῦσιν οἱ ἐπιχώριοι, ὅτι δὴ ἐννεακαίδεκα περιῶν σημεία, ὅπερ ξύνεισιν ἐς τρισκαίδεκα καὶ ἑκατὸν σταδίους, οὕτω δὴ ἐκβάλλει ἐς θάλασσαν ἀμφὶ πόλιν Ταρακίνην, ἧς ἄγχιστα ὄρος τὸ Κίρκαιόν ἐστιν, οὗ τὸν Ὀδυσσεά τῇ Κίρκῃ ξυγγενέσθαι φασίν, ἐμοὶ μὲν οὐ πιστὰ λέγοντες, ἐπεὶ ἐν νήσῳ Ὅμηρος τὰ τῆς Κίρκης οἰκία ἰσχυρίζεται εἶναι. [3] ἐκεῖνο μέντοι ἔχω εἰπεῖν, ὥς τὸ Κίρκαιον τοῦτο, ἐπὶ πολὺ τῆς θαλάσσης διήκον, νήσῳ ἐμφερές ἐστι, καὶ τοῖς τε πλεύουσιν ἄγχιστα τοῖς τε ἐς τὴν ἐκείνη ἡῖονα βαδίζουσι νήσος δοκεῖ ἐπὶ πλεῖστον εἶναι. καὶ ἐπειδὴν τις ἐν αὐτῷ γένηται, τότε δὴ μεταμανθάνει ψευσθῆναι τῆς δόξης τὰ πρότερα. [4] καὶ διὰ τοῦτο Ὅμηρος ἴσως νήσον τὸ χωρίον ὠνόμασεν. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἄνεμι. [5] Γότθοι, ἐπειδὴ ἐς Ῥεγάτα ξυνελέγησαν, βασιλέα σφίσι τε καὶ Ἰταλιώταις Οὐίττιγιν εἵλοντο, ἄνδρα οἰκίας μὲν οὐκ ἐπιφανοῦς ὄντα, ἐν μάχαις δὲ ταῖς ἀμφὶ Σίρμιον λίαν εὐδοκιμηκότα τὸ πρότερον, ἥνικα τὸν πρὸς Γήπαιδας πόλεμον Θευδέριχος διέφερε. [6] Θευδάτος μὲν οὖν ταῦτα ἀκούσας ἐς φυγὴν τε ὥρμητο καὶ τὴν ἐπὶ Ῥάβενναν ἤλαυνεν. Οὐίττιγίς δὲ κατὰ τάχος Ὀπταριν ἔπεμψεν, ἄνδρα Γότθον, ἐπιστείας αὐτῷ ἢ ζῶντα ἢ νεκρὸν ἀγαγεῖν Θευδάτον. [7] ἐτύγχανε δὲ τῷ Θευδάτῳ οὗτος ὁ Ὀπταρις χαλεπῶς ἔχων ἐξ αἰτίας τοιαύδε. κόρην τινὰ Ὀπταρις ἐπὶ κληρόν τε καὶ τὴν ὅσιν εὐπρεπῇ οὖσαν ἐμνηστεύετο. [8] ταύτην

Θευδάτος ἀφελόμενος τὸν μνηστήρα τοῦτον, χρήμασιν ἀναπεισθεὶς, ἐτέρῳ ἠγγύησε. διὸ δὴ τῷ τε θυμῷ καὶ Οὐιτιτίγιδι χαριζόμενος, πολλῇ Θευδάτον σπουδῇ τε καὶ προθυμίᾳ, οὔτε νύκτα ἀνεὶς οὔτε ἡμέραν, ἐδίωκε. [9] καὶ αὐτὸν ἐν ὁδῷ ἔτι πορευόμενον καταλαμβάνει, ἐς ἑδαφὸς τε ὑπτιον ἀνακλίνας ὥσπερ ἱερεῖόν τι ἔθυσεν. αὕτη τε Θευδάτῳ καταστροφή τοῦ τε βίου καὶ τῆς ἡγεμονίας, τρίτον ἐχούσης ἔτος, ἐγένετο. [10] Οὐίτιτιγίς δὲ ἅμα Γότθοις τοῖς παροῦσιν ἐς Ῥώμην ἐσῆλαινε. γνούς τε τὰ Θευδάτῳ ξυνενεχθέντα, ἥσθη τε καὶ αὐτοῦ τὸν παῖδα Θευδεύσκλον ἐν φυλακῇ ἐποίησατο. [11] καὶ ἐπειδὴ τὰ Γότθων πράγματα ἥκιστα οἱ ἐν παρασκευῇ ἔδοξεν εἶναι, βέλτιον ἐνόμισεν ἐς Ῥάβενναν πρῶτον ἰέναι, ἐνταυθα τε πάντα ἐξαρτυσαμένῳ ὡς ἄριστα οὕτω δὴ καθίστασθαι ἐς τὸν πόλεμον. ξυγκαλέσας οὖν ἅπαντας ἔλεξε τοιάδε: [12] ‘Αἰ μέγισται τῶν πράξεων, ἄνδρες συστρατιῶται, οὐ καιρῶν ὀξύτητι, ἀλλ’ εὐβουλία φιλοῦσιν ὀρθοῦσθαι. [13] πολλάκις γὰρ μέλλησίς τε εἰς τὸν καιρὸν ἐλθοῦσα μᾶλλον ὤνησε καὶ σπουδὴ οὐκ ἐν δέοντι ἐπιδειχθεῖσα πολλοῖς ἀνεχαίτισε τὴν τοῦ κατορθώσκειν ἐλπίδα. [14] ῥᾶον γὰρ οἱ πλείστοι ἀπαράσκευοι μὲν, ἐξ ἀντιπάλου δὲ τῆς δυνάμεως μαχόμενοι, ἡσσῶνται ἢ ὅσοι τὴν ἐλάσσῳ ἰσχὺν ὡς ἄριστα παρασκευασάμενοι ἐς τὸν ἀγῶνα κατέστησαν. [15] μὴ τοίνυν τῷ παραυτίκα φιλοτίμῳ ἐπαιρόμενοι τὰ ἀνήκεστα ἡμᾶς αὐτοὺς ἐργασώμεθα: κρεῖσσον γὰρ ἐν χρόνῳ βραχεῖ ἀισχυνομένους τὴν εὐκλειαν ἀπέραντον διασώσασθαι ἢ τὴν ἐν τῷ παραυτίκα φυγόντας ὕβριν ἐς ἅπαντα τὸν αἰῶνα, ὡς τὸ εἰκός, ἐγκαλύπτεσθαι. [16] καίτοι καὶ ὑμεῖς δὴ πού ἐπίστασθε ὡς τό τε Γότθων πλῆθος καὶ ξύμπασαν σχεδόν τι τὴν τῶν ὀπλῶν σκευὴν ἐν τε Γαλλίαις καὶ Βενετίαις καὶ χώραις ταῖς ἐκαστάτω ξυμβαίνει εἶναι. [17] καὶ μὴν καὶ πρὸς τὰ Φράγγων ἔθνη οὐχ ἥσσω τοῦδε πόλεμον διαφέρομεν, ὃν δὴ οὐκ εὖ διαθεμένους ἐφ’ ἑτερον χωρεῖν πολλὴ ἄνοια. τοὺς γὰρ ἐς ἀμφίβολόν τι καθισταμένους καὶ οὐ πρὸς ἓνα πολέμιον ὀρῶντας τῶν ἐναντίων ἡσσᾶσθαι εἰκός. [18] ἐγὼ δὲ φημι χρῆναι νῦν μὲν εὐθὺ Ῥαβέννης ἐνθένδε ἰέναι, τὸν δὲ πρὸς Φράγγους πόλεμον διαλύσαντας τᾶλλα τε διωκημένους ὡς ἄριστα οὕτω δὴ Βελισαρίῳ παντὶ τῷ Γότθων στρατῷ διαμάχεσθαι. [19] καὶ μοι τὴν ἀναχώρησιν τήνδε ὑμῶν ὑποστελλέσθω μηδεὶς, μηδὲ φυγὴν αὐτὴν ὀνομάζειν ὀκνεῖτω. [20] δειλιάς μὲν γὰρ προσηγορία ἐπιτηδείως προσπεσοῦσα πολλοὺς ὥρθωσεν, ἀνδρείας δὲ ὄνομα οὐκ ἐν τῷ καθήκοντι χρόνῳ τισὶν ἐγγενόμενον, εἴτα ἐς ἥτταν ἐχώρησεν. [21] οὐ γὰρ τοῖς τῶν πραγμάτων ὀνόμασιν, ἀλλὰ τῷ ξυμφόρῳ τῶν ἔργων ἔπασθαι ἄξιον. ἀνδρός τε γὰρ ἀρετὴν οὐκ ἀρχόμεναι δηλοῦσιν αἱ πράξεις, ἀλλὰ τελευτᾶσαι μηνύουσι. [22] φεύγουσι δὲ τοὺς πολεμίους οὐχ οἱ ἂν μετὰ μεζόνος τῆς παρασκευῆς αὐτίκα μάλα ἐπ’ αὐτοὺς ἤκοιεν, ἀλλ’ ὅσοι τὰ σφέτερα αὐτῶν σώματα ἐς αἰὶ διασώζειν βουλόμενοι ἐκποδῶν ἴστανται. πόλεώς τε τῆσδε ἀλώσεως περὶ μηδενὶ ὑμῶν γινέσθω τι δέος. [23] ἦν τε γὰρ Ῥωμαῖοι ἡμῖν εὐνοϊκῶς ἔχωσι, τὴν πόλιν ἐν βεβαίῳ Γότθοις φυλάξουσιν, ἀνάγκης τε πείραν οὐδεμιᾶς ἔξουσιν, [24] ἐπεὶ ἐν βραχεῖ αὐτοῖς ἐπανήξομεν χρόνῳ. καὶ ἦν τι ὑποπτον αὐτοῖς ἐς ἡμᾶς ἐστίν, ἐλάσσῳ βλάβουσι τῇ πόλει τοὺς πολεμίους δεξάμενοι: ἄμεινον γὰρ πρὸς δυσμενεῖς ἐκ τοῦ ἐμφανοῦς διαμάχεσθαι. [25] ὅπως μέντοι μηδὲν τι ξυμβήσεται τοιοῦτον, ἐγὼ προνοήσω. ἄνδρας τε γὰρ πολλοὺς καὶ ἄρχοντα ξυνετώτατον ἀπολείψομεν, οἱ

Ῥώμην φυλάξει ἱκανοὶ ἔσονται, ὥστε καὶ ταῦτα ἡμῖν ἐν καλῷ κείσεται καὶ οὐδὲν ἂν ἐκ τῆσδε ἡμῶν τῆς ἀναχωρήσεως γένοιτο βλάβος.’ [26] Οὐίτιγיס μὲν τοσαῦτα εἶπεν. ἐπαινέσαντες δὲ Γότθοι ἅπαντες παρεσκευάζοντο ἐς τὴν πορείαν. μετὰ δὲ Σιλβερῖο τε τῷ τῆς πόλεως ἱερεῖ καὶ Ῥωμαίων τοῖς τε ἐκ βουλῆς καὶ τῷ δήμῳ πολλὰ παραινέσας Οὐίτιγισ, καὶ τῆς Θεουδερίχου ἀρχῆς ὑπομνήσας, ἐνεκελεύετο ἅπασιν ἐς Γότθων τὸ ἔθνος εὐνοϊκῶς ἔχειν, ὄρκοις αὐτοὺς δεινοτάτοις ὑπὲρ τούτων καταλαβόν, ἄνδρας τε ἀπολέξας οὐχ ἥσσον ἢ τετρακισχιλίους, καὶ αὐτοῖς ἄρχοντα ἐπιστήσας Λεύδεριν, ἡλικίας τε πόρρω ἦκοντα καὶ δόξαν ἐπὶ ξυνέσει πολλὴν ἔχοντα, ἐφ’ ᾧ Ῥώμην φυλάξουσιν σφίσιν: οὕτω δὴ τῷ ἄλλῳ στρατῷ ἐς Ῥάβενναν ἦει, τῶν ἐκ βουλῆς πλείστους ἐν ὁμήρων λόγῳ ξὺν αὐτῷ ἔχων. [27] καὶ ἐπεὶ ἐνταῦθα ἀφίκετο, Ματασοῦνθαν τὴν Ἀμαλασοῦνθης θυγατέρα, παρθένον τε καὶ ὠραίαν ἤδη οὔσαν, γυναῖκα γαμετὴν οὔτι ἐθελούσιον ἐποιήσατο, ὅπως δὴ βεβαιωτέραν τὴν ἀρχὴν ἔξει τῇ ἐς γένος τὸ Θεουδερίχου ἐπιμιξία. [28] ἔπειτα δὲ ἅπαντας Γότθους πανταχόθεν ἀγείρας διεῖπέ τε καὶ διεκόσμει, ὅπλα τε καὶ ἵππους διανέμων κατὰ λόγον ἐκάστῳ, μόνους δὲ Γότθους οἱ ἐν Γαλλίαις φυλακὴν εἶχον, δέει τῶν Φράγγων οὐχ οἷός τε ἦν μεταπέμπεσθαι. [29] οἱ δὲ Φράγγοι οὗτοι Γερμανοὶ μὲν τὸ παλαιὸν ὠνομάζοντο. ὄντινα δὲ τρόπον τὸ ἐξ ἀρχῆς καὶ ὅπη ὥκημένοι Γαλλίας τε ἐπεβάτευσαν καὶ διάφοροι Γότθοις γεγένηνται, ἐρῶν ἔρχομαι.

Τὴν θάλασσαν ἐκ τε ὠκεανοῦ καὶ Γαδεῖρων ἐσπλέοντι χώρα μὲν ἡ ἐν ἀριστερᾷ, ὥσπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, Εὐρώπη ὠνόμασται, ἡ δὲ ἀντιπέρας αὐτῇ Λιβύη ἐκλήθη, ἣν δὴ προϊόντες Ἀσίαν καλοῦσι. [2] Λιβύης μὲν οὖν τὰ ἐπέκεινα ἐς τὸ ἀκριβὲς οὐκ ἔχω εἰπεῖν: ἔρημος γάρ ἐστιν ἐπὶ πλείστον ἀνθρώπων, καὶ ἀπ’ αὐτοῦ ἡ πρώτη τοῦ Νείλου ἐκροὴ οὐδαμῇ ἔγνωσται, ὃν δὴ ἐπ’ Αἰγύπτου ἐνθὲνδε φέρεσθαι λέγουσιν. [3] Εὐρώπη δὲ εὐθὺς ἀρχομένη Πελοποννήσῳ βεβαιότατα ἐμφερὴς ἐστὶ καὶ πρὸς θαλάσσην ἐκατέρωθι κεῖται. καὶ χώρα μὲν ἡ πρώτη ἀμφὶ τε τὸν ὠκεανὸν καὶ δύνοντα ἥλιόν ἐστιν Ἰσπανία ὠνόμασται, ἄχρι ἐς Ἀλπεις τὰς ἐν ὄρει τῷ Πυρηναίῳ οὔσας. [4] Ἀλπεις δὲ καλεῖν τὴν ἐν στενοχωρίᾳ δίοδον οἱ ταύτῃ ἄνθρωποι νενομίσασιν. τὸ δὲ ἐνθὲνδε μέχρι τῶν Λιγυρίας ὁρίων Γαλλία ἐκλήθη. ἐνθα δὴ καὶ Ἀλπεις ἕτεραι Γάλλους τε καὶ Λιγούρους διορίζουσι. [5] Γαλλία μέντοι Ἰσπανίας πολλῷ εὐρυτέρα, ὥς τὸ εἰκός, ἐστίν, ἐπεὶ ἐκ στενοῦ ἀρχομένη Εὐρώπῃ ἐς ἄφατόν τι εὖρος ἀεὶ προϊόντι κατὰ λόγον χωρεῖ. [6] χώρα δὲ αὕτη ἐκατέρωθεν μὲν πρὸς βορρᾶν ἄνεμον πρὸς τοῦ ὠκεανοῦ περιβάλλεται, τὰ δὲ πρὸς νότον θάλασσαν τὴν Τυρρηνικὴν καλουμένην ἔχει. [7] ἐν Γάλλοις δὲ ἄλλοι τε ποταμοὶ καὶ Ῥοδανός τε καὶ Ῥήνος ῥέουσι. τούτοις τὴν ὁδὸν τὴν ἐναντίαν ἀλλήλοισιν ἰόντοις ἄτερος μὲν ἐκδίδωσιν ἐς τὴν Τυρρηνικὴν θάλασσαν, Ῥήνος δὲ ἐς τὸν ὠκεανὸν τὰς ἐκβολὰς ποιεῖται. [8] λίμναι τε ἐνταῦθα πολλάι, οὓς δὴ Γερμανοὶ τὸ παλαιὸν ὥκηντο, βάρβαρον ἔθνος, οὐ πολλοῦ λόγου τὸ κατ’ ἀρχὰς ἄξιον, οἱ νῦν Φράγγοι καλοῦνται. [9] τούτων ἐχόμενοι Ἀρβόρυχοι ὥκουν, οἱ ξὺν πάσῃ τῇ ἄλλῃ Γαλλίᾳ καὶ μὴν καὶ Ἰσπανίᾳ Ῥωμαίων κατήκοοι ἐκ παλαιοῦ ἦσαν. [10] μετὰ δὲ αὐτοὺς ἐς τὰ πρὸς ἀνίσχοντα ἥλιον Θόριγγοι βάρβαροι, δόντος Αὐγούστου πρώτου βασιλέως, ἰδρύσαντο. [11] καὶ αὐτῶν Βουργουζῖωνες οὐ πολλῷ ἄποθεν πρὸς νότον ἄνεμον τετραμμένοι ὥκουν,

Σούβαοί τε ὑπὲρ Θορίγγων καὶ Ἀλαμανοί, ἰσχυρὰ ἔθνη. οὗτοι αὐτόνομοι ἅπαντες ταύτῃ τὸ ἀνέκαθεν ἴδρυντο. [12] Προϊόντος δὲ χρόνου Οὐισίγοτθοι τὴν Ῥωμαίων ἀρχὴν βιασάμενοι Ἰσπανίαν τε πᾶσαν καὶ Γαλλίας τὰ ἐκτὸς Ῥοδανοῦ ποταμοῦ κατήκοα σφίσιν ἐς φόρου ἀπαγωγὴν ποιησάμενοι ἔσχον. [13] ἐτύγχανον δὲ Ἀρβόρουχοι τότε Ῥωμαίων στρατιῶται γεγεννημένοι. οὓς δὴ Γερμανοὶ κατηκόους σφίσιν ἐθέλοντες, ἅτε ὁμόρους ὄντας καὶ πολιτείαν ἦν πάλοι εἶχον μεταβαλόντας, ποιήσασθαι, ἐληίζοντό τε καὶ πανδημεὶ πολεμησεῖοντες ἐπ' αὐτοὺς ἤεσαν. [14] Ἀρβόρουχοι δὲ ἀρετὴν τε καὶ εὐνοίαν ἐς Ῥωμαίους ἐνδεικνύμενοι ἄνδρες ἀγαθοὶ ἐν τῷδε τῷ πολέμῳ ἐγένοντο, καὶ ἐπεὶ βιάζεσθαι αὐτοὺς Γερμανοὶ οὐχ οἷοί τε ἦσαν, ἐταιρίζεσθαι τε ἠξίουσαν καὶ ἀλλήλοις κηδεσθαι γίνεσθαι. [15] ἃ δὴ Ἀρβόρουχοι οὕτι ἀκούσιοι ἐνεδέχοντο: Χριστιανοὶ γὰρ ἀμφοτέρω ὄντες ἐτύγχανον, οὕτω τε ἐς ἓνα λεὼν ξυνελθόντες δυνάμεως ἐπὶ μέγα ἐχώρησαν. [16] Καὶ στρατιῶται δὲ Ῥωμαίων ἕτεροι ἐς Γάλλων τὰς ἐσχατίας φυλακῆς ἔνεκα ἐτετάχато. [17] οἱ δὴ οὔτε ἐς Ῥώμην ὅπως ἐπανήξουσιν ἔχοντες οὐ μὴν οὔτε προσχωρεῖν Ἀρειανοῖς οὓσι τοῖς πολεμίοις βουλόμενοι, σφᾶς τε αὐτοὺς ξὺν τοῖς σημείοις καὶ χώραν ἦν πάλοι Ῥωμαίοις ἐφύλασσαν Ἀρβορύχοις τε καὶ Γερμανοῖς ἔδοσαν, ἐς τε ἀπογόνους τοὺς σφετέρους ξύμπαντα παραπέμπσαντες διεσώσαντο τὰ πάτρια ἥθη, ἃ δὴ σεβόμενοι καὶ ἐς ἐμὲ τηρεῖν ἀξιοῦσιν. [18] ἔκ τε γὰρ τῶν καταλόγων ἐς τόδε τοῦ χρόνου δηλοῦνται ἐς οὓς τὸ παλαιὸν τασσόμενοι ἐστρατεύοντο, καὶ σημεῖα τὰ σφέτερα ἐπαγόμενοι οὕτω δὴ ἐς μάχην καθίστανται, νόμοις τε τοῖς πατρίοις ἐς αἰὲ χρῶνται. [19] καὶ σχῆμα τῶν Ῥωμαίων ἐν τε τοῖς ἄλλοις ἅπασιν κὰν τοῖς ὑποδήμασι διασώζουσιν. [20] Ἐως μὲν οὖν πολιτεία Ῥωμαίοις ἡ αὐτὴ ἔμενε, Γαλλίας τὰ ἐντὸς Ῥοδανοῦ ποταμοῦ βασιλεὺς εἶχεν: ἐπεὶ δὲ αὐτὴν Ὀδοάκρος ἐς τυραννίδα μετέβαλε, τότε δὴ, τοῦ τυράννου σφίσιν ἐνδιδόντος, ξύμπασαν Γαλλίαν Οὐισίγοτθοι ἔσχον μέχρι Ἀλπεων αἱ τὰ Γάλλων τε ὄρια καὶ Λιγούρων διορίζουσι. [21] πεσόντος δὲ Ὀδοάκρου Θορίγγοι τε καὶ Οὐισίγοτθοι τὴν Γερμανῶν δύναμιν ἤδη αὐξομένην δειμαίνοντες ἰσχυρότατα ἐγγόνει καὶ τοὺς αἰὲ ἐν ποσὶν ὄντας ἐκ τοῦ ἐμφανοῦς ἐβιάζετό Γότθων δὴ καὶ Θεουδερίχου τὴν ξυμμαχίαν προσποιήσασθαι ἐν σπουδῇ εἶχον. οὓς δὴ ἐταιρίσασθαι Θεουδερίχος ἐθέλων ἐς κῆδος αὐτοῖς ἐπιμίγνυσθαι οὐκ ἀπηξίου. [22] τῷ μὲν οὖν τῆνικαῦτα Οὐισιγότθων ἡγουμένῳ Ἀλαρίχῳ τῷ νεωτέρῳ Θεουδερίχου τὴν αὐτοῦ θυγατέρα παρθένον ἡγγύησεν, Ἑρμενεφρίδῳ δὲ τῷ Θορίγγων ἄρχοντι Ἀμαλαβέργαν τὴν Ἀμαλαφρίδης τῆς ἀδελφῆς παῖδα. [23] καὶ ἀπ' αὐτοῦ Φράγγοι τῆς μὲν ἐς αὐτοὺς βίας δεῖαι τῷ Θεουδερίχῳ ἀπέσχοντο, [24] ἐπὶ Βουργουζίῳνας δὲ πολέμῳ ἤεσαν. ὕστερον δὲ Φράγγοις τε καὶ Γότθοις ξυμμαχία τε καὶ ξυνθήκαι ἐπὶ κακῷ τῷ Βουργουζιῳνῶν ἐγένοντο, ἐφ' ᾧ ἑκάτεροι μὲν στρατιὰν ἐπ' αὐτοὺς πέμψωσιν: [25] ἦν δὲ ὁποτέρων ἀπολελειμμένων, οἱ ἕτεροι στρατεύσαντες τὸ Βουργουζιῳνῶν καταστρέψονται γένος καὶ χώραν ἦν ἔχουσι παραστήσωσιν, ποινὴν οἱ νενικηκότες παρὰ τῶν οὐ ξυστρατεύσάντων ῥήτῳ τι χρυσίον κομίζονται, κοινὴν δὲ καὶ οὕτω χώραν τὴν δορυάλωτον ἀμφοτέρων εἶναι. [26] οἱ μὲν οὖν Γερμανοὶ πολλὰ στρατῶ ἐπὶ Βουργουζίῳνας κατὰ τὰ σφίσι τε καὶ Γότθοις ξυγκείμενα ἦκον, Θεουδερίχος δὲ παρεσκευάζετο

μὲν δῆθεν τῷ λόγῳ, ἐξέπιτηδες δὲ αἰεὶ ἐς τὴν ὑστεραίαν τῆς στρατιᾶς τὴν ἔξοδον ἀπετίθετο, καταδοκῶν τὰ ἐσόμενα. [27] μόλις δὲ πέμψας ἐπέστελλε τοῖς τοῦ στρατοῦ ἄρχουσι σχολαίτερον τὴν πορείαν ποιεῖσθαι, καὶ ἦν μὲν Φράγγους νενικηκέναι ἀκούσωσι τὸ λοιπὸν κατὰ τάχος ἰέναι, ἦν δέ τι ξύμβαμα ξυμπεπτοκέναι αὐτοῖς πύθονται, μηκέτι περαιτέρω πορεύεσθαι, ἀλλ' αὐτοῦ μένειν. [28] καὶ οἱ μὲν ἐποιοῦν ὅσα Θευδέριχος σφίσιν ἐπήγγελλε, Γερμανοὶ δὲ κατὰ μόνας Βουργουζίωσιν ἐς χεῖρας ἤλθον. [29] μάχης τε καρτερᾶς γενομένης φόνος μὲν ἑκατέρων πολὺς γίνεται: ἦν γὰρ ἀγχώματος ἐπὶ πλείστον ἡ ξυμβολή: [30] ἔπειτα δὲ Φράγγοι τρεψάμενοι τοὺς πολεμίους ἐς τὰ ἔσχατα χώρας ἧς τότε ᾤκουν ἐξήλασαν, ἔνθα σφίσι πολλὰ ὀχυρώματα ἦν, [31] αὐτοὶ δὲ τὴν λοιπὴν ξύμπασαν ἔσχον. ἅπερ Γότθοι ἀκούσαντες κατὰ τάχος παρήσαν. κακιζόμενοι τε πρὸς τῶν ξυμμάχων τὸ τῆς χώρας δύσοδον ἡτιῶντο, καὶ τὴν ποινὴν καταθέμενοι τὴν χώραν, καθάπερ ξυνέκειτο, ξὺν τοῖς νενικηκόσιν ἐνείμαντο. [32] οὕτω τε Θευδερίχου ἡ πρόνοια ἔτι μᾶλλον ἐγνώσθη, ὅς γε σὺδένα τῶν ὑπηκόων ἀποβαλὼν ὀλίγῳ χρυσῷ τὴν ἡμίσειαν τῶν πολεμίων ἐκτήσατο χώραν. οὕτω μὲν τὸ κατ' ἀρχὰς Γότθοι τε καὶ Γερμανοὶ μοῖραν τινα Γαλλίας ἔσχον. [33] Μετὰ δὲ Γερμανοὶ τῆς δυνάμεως σφίσιν ἐπιπροσθεν ἰούσης ἐν ὀλιγοφρίᾳ ποιησάμενοι Θευδέριχόν τε καὶ τὸ ἀπ' αὐτοῦ δέος ἐπὶ τε Ἀλάριχον καὶ Οὐισιγόθους ἐστράτευσαν. [34] ἃ δὲ Ἀλάριχος μαθὼν Θευδέριχον ὅτι τάχιστα μετεπέμπετο. καὶ ὁ μὲν ἐς τὴν ἐπικουρίαν στρατῷ πολλῷ ἦει. [35] ἐν τούτῳ δὲ Οὐισιγότθοι, ἐπεὶ Γερμανοὺς ἀμφὶ πόλιν Καρκασιανὴν στρατοπεδεύειν ἐπύθοντο, ὑπηντίαζόν τε καὶ στρατόπεδον ποιησάμενοι ἠρέμουν. [36] χρόνου δὲ σφίσιν ἐν ταύτῃ τῇ προσεδρεΐᾳ τριβομένου συχνοῦ ἡσχαλλόν τε καί, ἅτε τῆς χώρας πρὸς τῶν πολεμίων ληιζομένης, δεινὰ ἐποιοῦντο. [37] καὶ τελευτῶντες ἐς Ἀλάριχον πολλὰ ὕβριζον, αὐτόν τε διὰ τὸ τῶν πολεμίων δέος κακίζοντες καὶ τοῦ κηδεστοῦ τὴν μέλλησιν ὀνειδίζοντες. [38] ἀξιώμαχοι γὰρ αὐτοὶ ἰσχυρίζοντο εἶναι καὶ ῥᾶον κατὰ μόνας περιέσεσθαι Γερμανῶν τῷ πολέμῳ. [39] διὸ δὲ καὶ Γότθων σφίσιν οὐπω παρόντων Ἀλάριχος ἠνάγκαστο τοῖς πολεμίοις διὰ μάχης ἰέναι. [40] καθυπέρτεροι δὲ Γερμανοὶ ἐν τῇ ξυμβολῇ ταύτῃ γενόμενοι τῶν τε Οὐισιγόθων τοὺς πλείστους καὶ Ἀλάριχον τὸν ἄρχοντα κτείνουσι. [41] καὶ Γαλλίας μὲν καταλαβόντες τὰ πολλὰ ἔσχον, Καρκασιανὴν δὲ πολλῇ σπουδῇ ἐπολιόρκουν, ἐπεὶ τὸν βασιλικὸν πλοῦτον ἐνταῦθα ἐπύθοντο εἶναι, ὃν δὲ ἐν τοῖς ἄνω χρόνοις Ἀλάριχος ὁ πρεσβύτατος Ῥώμην ἐλὼν ἐλήισατο. [42] ἐν τοῖς ἦν καὶ τὰ Σολόμωνος τοῦ Ἑβραίων βασιλέως κειμήλια, ἀξιοθέατα ἐς ἅγαν ὄντα. πρᾶσι γὰρ λίθος αὐτῶν τὰ πολλὰ ἐκαλλώπιζεν, ἅπερ ἐξ Ἱεροσολύμων Ῥωμαῖοι τὸ παλαιὸν εἶλον. [43] Οὐισιγόθων δὲ οἱ περιόντες Γισέλιχον, νόθον Ἀλαρίχου υἱόν, ἄρχοντα σφίσιν ἀνεῖπον, Ἀμαλαρίχου τοῦ τῆς Θευδερίχου θυγατρὸς παιδὸς ἔτι κομιδῇ ὄντος. [44] ἔπειτα δὲ Θευδερίχου ξὺν τῷ Γότθων στρατῷ ἦκοντος δείσαντες Γερμανοὶ τὴν πολιορκίαν διέλυσαν. [45] ἐνθεν τε ἀναχωρήσαντες Γαλλίας τὰ ἐκτὸς Ῥοδανοῦ ποταμοῦ ἐς ὠκεανὸν τετραμμένα ἔσχον. ὅθεν αὐτοὺς ἐξελάσαι Θευδέριχος οὐχ οἷός τε ὦν ταῦτα μὲν σφᾶς ξυνεχώρει ἔχειν, αὐτὸς δὲ Γαλλίας τὰ λοιπὰ ἀνέσωσατο. [46] Γισελίχου τε ἐκποδὼν γενομένου ἐς τὸν θυγατρίδου Ἀμαλάριχον τὴν Οὐισιγόθων ἀρχὴν

ἤνεγκεν, οὗ δὴ αὐτὸς ἐπετρόπευε παιδὸς ἔτι ὄντος. [47] χρήματά τε λαβὼν
ξύμπαντα ὅσα ἐν πόλει Καρκασιανῇ ἔκειτο ἐς Ῥάβενναν κατὰ τάχος
ἀπήλαιυνεν, ἄρχοντάς τε αἰεὶ καὶ στρατιὰν Θευδέριχος ἐς τε Γαλλίαν καὶ
Ἰσπανίαν πέμπων αὐτὸς εἶχε τῷ ἔργῳ τὸ τῆς ἀρχῆς κράτος προνοήσας τε
ὅπως βέβαιον αὐτὸ ἐς αἰεὶ ἔξει φόρου ἀπαγωγὴν ἔταξεν οἱ αὐτῷ ἀποφέρειν
τοὺς ταύτη ἄρχοντας. [48] δεχόμενός τε αὐτὴν ἐς ἕκαστον ἔτος, τοῦ μὴ δοκεῖν
φιλοχρημάτως ἔχειν, τῷ Γότθῳ τε καὶ Οὐισιγότθῳ στρατῷ δῶρον ἐπέτειον
ἔπεμπε. [49] καὶ ἀπ' αὐτοῦ Γότθοι τε καὶ Οὐισιγότθοι προϊόντος τοῦ χρόνου ἄτε
ἀρχόμενοι τε πρὸς ἀνδρὸς ἐνὸς ἐνὸς καὶ χώραν τὴν αὐτὴν ἔχοντες παῖδας τοὺς
σφετέρους ἀλλήλοις ἐγγυῶντες ἐς ξυγγένειαν ἐπεμίνυντο. [50] Μετὰ δὲ
Θεῦδις, Γότθος ἀνὴρ, ὄνπερ Θευδέριχος τῷ στρατῷ ἄρχοντα ἔπεμψε, γυναῖκα
ἐξ Ἰσπανίας γαμετὴν ἐποίησατο, οὐ γένους μέντοι Οὐισιγότθων, ἀλλ' ἐξ οἰκίας
τῶν τινος ἐπιχωρίων εὐδαίμονος, ἄλλα τε περιβεβλημένην μεγάληα χρήματα
καὶ χώρας πολλῆς ἐν Ἰσπανίᾳ κυρίαν οὖσαν. [51] ὅθεν στρατιώτας ἀμφὶ
δισχιλίους ἀγείρας δορυφόρων τε περιβαλλόμενος δύναμιν, Γότθων μὲν
Θευδέριχου δόντος τῷ λόγῳ ἤρχεν, ἔργῳ δὲ τύραννος οὐκ ἀφανὴς ἦν. [52]
δείσας δὲ Θευδέριχος ἄτε ξυνέσεως ἐς ἄκρον καὶ ἐμπειρίας ἦκων, μὴ οἱ
πόλεμον πρὸς δοῦλον τὸν αὐτοῦ διαφέροντι οἱ Φράγγοι, ὥς τὸ εἰκός,
ἀπαντήσουσιν ἢ καὶ τι νεώτερον Οὐισιγότθοι ἐς αὐτὸν δράσουσιν, οὔτε
παρέλυε τῆς ἀρχῆς Θεῦδιν, ἀλλὰ καὶ τῷ στρατῷ ἐξηγεῖσθαι αἰεὶ ἐς πόλεμον
ἰόντι ἐκέλευε. [53] γράφειν μέντοι αὐτῷ Γότθων τοῖς πρώτοις ἐπήγγειλεν ὡς
δίκαιά τε ποιῶν καὶ ξυνέσεως τῆς αὐτοῦ ἄξια, ἣν Θευδέριχον ἐς Ῥάβενναν
ἦκων ἀσπάζοιτο. [54] Θεῦδις δὲ ἃ μὲν Θευδέριχος ἐκέλευεν ἅπαντα ἐπετέλει,
καὶ φόρον τὸν ἐπέτειον οὐποτε ἀποφέρων ἀνίει, ἐς Ῥάβενναν δὲ ἰέναι οὔτε
ἠθέλεν οὔτε τοῖς γράφουσιν ἐπηγγέλλετο.

Ἐπεὶ δὲ Θευδέριχος ἐξ ἀνθρώπων ἠφάνιστο, Φράγγοι, οὐδενὸς σφίσιν ἔτι
ἀντιστατοῦντος, ἐπὶ Θορίγγους ἐστράτευσαν, καὶ Ἑρμενέφριδόν τε τὸν αὐτῶν
ἄρχοντα κτείνουσι καὶ αὐτοὺς ἅπαντας ὑποχειρίους ποιησάμενοι ἔσχον. [2] ἡ
δὲ τοῦ Ἑρμενεφρίδου γυνὴ ξὺν τοῖς παισὶ λαθοῦσα παρὰ Θευδάτον τὸν
ἀδελφόν, Γότθων τῆνικαῦτα ἄρχοντα, [3] ἦλθε. μετὰ δὲ Γερμανοὶ
Βουργουζιώνων τε τοῖς περιοῦσιν ἐς χεῖρας ἦλθον καὶ μάχῃ νικήσαντες τὸν
μὲν αὐτῶν ἄρχοντα ἐς τι τῶν ἐκείνῃ φρουρίων καθεῖρξαντες ἐν φυλακῇ εἶχον,
αὐτοὺς δὲ κατηκόους ποιησάμενοι ξυστρατεύειν τὸ λοιπὸν σφίσιν ἐπὶ τοὺς
πολεμίους ἄτε δορυαλώτους ἠνάγκαζον, καὶ τὴν χώραν ξύμπασαν ἦν
Βουργουζιώνες τὰ πρότερα ὥκουν, ὑποχειρίαν ἐς ἀπαγωγὴν φόρου
ἐκτήσαντο. [4] Ἀμαλάριχος τε, ὃς ἤρχεν Οὐισιγότθων, ἐπεὶ ἐς ἀνδρὸς ἡλικίαν
ἦλθε, δύναμιν τὴν Γερμανῶν κατορρωδήσας τὴν Θευδιβέρτου ἀδελφὴν τοῦ
Γερμανῶν ἄρχοντος ἐν γαμετῆς ἐποίησατο λόγῳ, καὶ Γαλλίαν πρὸς τε
Γότθους καὶ τὸν ἀνεψιὸν Ἀταλάριχον ἐνείματο. [5] τὰ μὲν γὰρ ἐντὸς Ῥοδανοῦ
ποταμοῦ Γότθοι ἔλαχον, τὰ δὲ τούτου ἐκτὸς ἐς τὸ Οὐισιγότθων περιέστη
κράτος. [6] ξυνέκειτο δὲ φόρον ὃν Θευδέριχος ἔταξε μηκέτι ἐς Γότθους
κομίζεσθαι, καὶ χρήματα ὅσα ἐκεῖνος ἐκ Καρκασιανῆς πόλεως λαβὼν ἔτυχεν,
Ἀταλάριχος Ἀμαλάριχῳ ὀρθῶς καὶ δικαίως ἀπέδωκεν. [7] ἐπεὶ δὲ ἄμφω τὰ
ἔθνη ταῦτα ἐς τὸ κῆδος ἀλλήλοις ξυνελθόντα ἔτυχε, τὴν αἴρεσιν ἔδωσαν ἀνδρὶ

ἐκάστω, τὴν ἐγγύην ἐς θάτερον ἔθνος πεπονημένω, πότερον γυναικὶ ἔπεσθαι βούλοιο, ἢ ἐκείνην ἐς γένος τὸ αὐτοῦ ἄγεσθαι. [8] ἦσαν δὲ πολλοὶ καὶ οἱ τὰς γυναικας ὅπη ἐβούλοντο ἄγοντες καὶ οἱ πρὸς γυναικῶν τῶν σφετέρων ἀγόμενοι. [9] ὕστερον δὲ Ἀμαλάριχος, προσκεκρουκῶς τῷ τῆς γυναικὸς ἀδελφῷ, κακὸν μέγα ἔλαβε. [10] δόξης γὰρ ὀρθῆς τὴν γυναικα οὖσαν, αἴρεσιν αὐτὸς τὴν Ἀρείου ἔχων, οὐκ εἶα νομίμοις τοῖς εἰωθόσι χρῆσθαι οὐδὲ κατὰ τὰ ἔθη τὰ πάτρια τὰ ἐς τὸ θεῖον ἐξοσιοῦσθαι, ἀλλὰ καὶ προσχωρεῖν τοῖς αὐτοῦ ἤθεσιν οὐκ ἐθέλουσαν ἐν πολλῇ ἀτιμία εἶχεν. ἅπερ ἐπεὶ οὐχ οἷα τε ἦν ἡ γυνὴ φέρειν, ἐς τὸν ἀδελφὸν ἐξήνεγκεν ἅπαντα. [11] διὸ δὴ ἐς πόλεμον Γερμανοὶ τε καὶ Οὐισίγοτθοι πρὸς ἀλλήλους κατέστησαν. καὶ λίαν μὲν ἰσχυρὰ ἐγεγόνει ἐπὶ πλείστον ἡ μάχη, τέλος δὲ ἡσσηθείς Ἀμαλάριχος τῶν τε οἰκείων πολλοὺς ἀποβάλλει καὶ αὐτὸς θνήσκει. [12] Θευδίβερτος δὲ τὴν τε ἀδελφὴν ζὺν πᾶσι χρήμασιν ἔλαβε καὶ Γαλλίας ὁπόσον Οὐισίγοτθοι λαχόντες εἶχον. [13] τῶν δὲ ἡσσημένων οἱ περιόντες ἐκ Γαλλίας ζὺν γυναιξὶ τε καὶ παισὶν ἀναστάντες παρὰ Θεῦδιν ἐς Ἰσπανίαν ἤδη ἐκ τοῦ ἐμφανοῦς τυραννοῦντα ἐχώρησαν. οὕτω μὲν Γότθοι τε καὶ Γερμανοὶ Γαλλίας ἔσχον. [14] Χρόνω δὲ τῷ ὑστέρω Θευδάτος, ὁ τῶν Γόθων ἀρχηγός, ἐπειδὴ Βελισάριον εἰς Σικελίαν ἤκειν ἐπύθετο, ζυνθήκας πρὸς Γερμανοὺς ποιεῖται, ἐφ' ᾧ ἔχοντάς τε αὐτοὺς τὴν Γότθοις ἐπιβάλλουσιν ἐν Γάλλοις μοῖραν καὶ χρυσίου κεντηνάρια λαβόντας εἴκοσι πόλεμον τόνδε σφίσι ζυνάρασθαι. [15] οὕτω τε τὰ ζυγκείμενα ἔργα ἐπιτελέσας τὴν πεπρωμένην ἀνέπλησε. διὸ δὴ Γόθων πολλοὶ τε καὶ ἄριστοι ἐνταῦθα, ὧν Μαρκίας ἡγεῖτο, [16] φυλακὴν εἶχον. οὗς Οὐίτιγίς ἐνθὲνδε ἐξαναστῆσαι οὐχ οἷός τε ἦν, οὐ μὴν οὐδὲ Φράγγοις ἀντιτάξασθαι αὐτοὺς ᾤετο ἱκανοὺς ἔσεσθαι, Γαλλίαν τε καὶ Ἰταλίαν, ὥς τὸ εἰκός, καταθέουσιν, ἦν αὐτὸς τῷ παντὶ στρατῷ ἐς Ῥώμην ἐλάσῃ. [17] ζυγκαλέσας οὖν εἴ τι ἐν Γότθοις καθαρὸν ἦν, ἔλεξε τοιάδε: 'Οὐχ ἡδεῖαν μὲν, ἄνδρες ζυγγενεῖς, ἀναγκαίαν δὲ ὑμῖν παραίνεσιν ποιεῖσθαι βουλόμενος ἐνθάδε ὑμᾶς ἐν τῷ παρόντι συνήγαγον: ὅπως δὲ ἀκούσησθε μὲν πρῶως, βουλευήσησθε δὲ τῶν παρόντων ἡμῖν ἐπαξίως. [18] οἷς γὰρ αἱ πράξεις οὐ κατὰ νοῦν χωροῦσι, τὸ μὴ πειθομένους τῇ ἀνάγκῃ ἢ τύχῃ οὕτω τὰ παρόντα διοικεῖσθαι ἀξύμφορον. τὰ μὲν οὖν ἄλλα ἡμῖν ὥς ἄριστα ἐς τὸν πόλεμον παρασκευῆς ἔχει. [19] Φράγγοι δὲ ἡμῖν ἐμποδὼν ἴστανται, οἷς ἐκ παλαιοῦ πολεμίοις οὖσι, τοῖς τε σώμασι καὶ τοῖς χρήμασι δαπανώμενοι, ἀντέχουν ἐς τόδε ὅμως ἰσχύσαμεν, ἐπεὶ ἄλλο οὐδὲν ἡμῖν ἀπὴντα πολέμιον. [20] ἐφ' ἐτέρους δὲ νῦν ἡμᾶς ἀναγκαζομένους ἰέναι τὸν πρὸς αὐτοὺς πόλεμον καταλύειν δεήσει, πρῶτον μὲν ὅτι, ἦν δυσμενεῖς ἡμῖν διαμείνωσι, μετὰ Βελισαρίου ἐφ' ἡμᾶς τετάξονται πάντως. [21] τοὺς γὰρ ἐχθρὸν τὸν αὐτὸν ἔχοντας ἀλλήλοις ἐς εὐνοίαν τε καὶ ζυμμαχίαν συνάπτεσθαι ἢ τῶν πραγμάτων εἰσηγεῖται φύσις. [22] ἔπειτα, ἦν καὶ πρὸς ἐκάτερον στρατόπεδον χωρὶς τὸν πόλεμον διενέγκωμεν, λελείπεται ἡμῖν ἀμφοτέρων ἡσσησθαι. [23] ἅμεινον οὖν ὀλίγῳ ἡμᾶς ἐλασσομένους τὰ πλείστα τῆς ἀρχῆς διασώσασθαι, ἢ πάντα ἔχειν ἐφιεμένους ζὺν πάσῃ τῇ τῆς ἡγεμονίας δυνάμει πρὸς τῶν πολεμίων ἀπολωλέναι. [24] οἷμαι τοίνυν ὥς, ἦν Γαλλίας τὰς σφίσιν ὁμόρους Γερμανοῖς δώμεν, καὶ χρήματα ὅσα ζὺν τῇ χώρᾳ ταύτῃ Θευδάτος αὐτοῖς ὡμολόγησε δώσειν, οὐχ ὅσον ἀποτρέπονται τὸ ἐς ἡμᾶς ἔχθος, ἀλλὰ καὶ

πόλεμον ἡμῖν ξυλλήψονται τόνδε. [25] ὅπως δὲ αὖθις, εὖ φερομένων τῶν πραγμάτων ἡμῖν, Γαλλίας ἀνακτησώμεθα, ὑμῶν διαλογιζέσθω μηδεῖς. ἐμὲ γάρ τις παλαιὸς εἰσέρχεται λόγος, τὸ παρὸν εὖ τιθῆναι κελεύων.’ [26] Ταῦτα ἀκούσαντες οἱ Γότθων λόγιμοι, ξύμφορά τε οἰόμενοι αὐτὰ εἶναι, ἐπιτελῇ γενέσθαι ἤθελον. στέλλονται τοίνυν πρέσβεις αὐτίκα ἐς τὸ Γερμανῶν ἔθνος, ἐφ’ ᾧ Γαλλίας τε αὐτοῖς ξὺν τῷ χρυσῷ δώσουσι καὶ ὁμαιχμίαν ποιήσονται. [27] Φράγγων δὲ τότε ἡγεμόνες ἦσαν Ἰδρίβερτός τε καὶ Θευδρίβετος καὶ Κλοαδάριος, οἱ Γαλλίας τε καὶ τὰ χρήματα παραλαβόντες διενείμαντο μὲν κατὰ λόγον τῆς ἐκάστου ἀρχῆς, φίλοι δὲ ὠμολόγησαν Γότθοις ἐς τὰ μάλιστα ἔσεσθαι, καὶ λάθρα αὐτοῖς ἐπικούρους πέμψειν, οὐ Φράγγους μέντοι, [28] ἀλλ’ ἐκ τῶν σφίσι κατηκόων ἐθνῶν. ὁμαιχμίαν γὰρ αὐτοῖς ἐκ τοῦ ἐμφανοῦς ἐπὶ τῷ Ῥωμαίων κακῷ ποιήσασθαι οὐχ οἷοί τε ἦσαν, ἐπεὶ ὀλίγῳ πρότερον βασιλεῖ ἐς τόνδε τὸν πόλεμον ξυλλήψεσθαι ὠμολόγησαν. [29] οἱ μὲν οὖν πρέσβεις ἐφ’ οἷσπερ ἐστάλησαν διαπεπραγμένοι ἐπανῆκον ἐς Ῥάβενναν. τότε δὲ καὶ Μαρκίαν σὺν τοῖς ἐπομένοις Οὐίτιγις μετεπέμπετο.

Ἐν ᾧ δὲ ταῦτα Οὐίτιγις ἐπρασσεν, ἐν τούτῳ Βελισάριος ἐς Ῥώμην ἰέναι παρεσκευάζετο. ἀπολέξας οὖν ἄνδρας ἐκ καταλόγου πεζικοῦ τριακοσίου καὶ Ἡρωδιανὸν ἄρχοντα ἐπὶ τῇ Νεαπόλεως φυλακῇ κατεστήσατο. [2] ἐπεμψε δὲ καὶ ἐς Κύμην φρουρούς, ὅσους ᾤετο τῇ τοῦ ἐνταῦθα φρουρίου φυλακῇ ἱκανοὺς ἔσεσθαι. ἄλλο γάρ τι ὀχύρωμα ἐν Καμπανίᾳ, ὅτι μὴ ἐν Κύμῃ τε καὶ ἐν Νεαπόλει, οὐκ ἦν. [3] ἐν ταύτῃ τῇ Κύμῃ οἱ ἐπιχώριοι τὸ Σιβύλλης δεικνύουσι σπήλαιον ἔνθα δὴ αὐτῆς τὸ μαντεῖον γεγενῆσθαι φασιν· ἐπιθαλασσία δὲ ἡ Κύμη ἐστὶ, Νεαπόλεως ὀκτῶ καὶ εἴκοσι καὶ ἑκατὸν σταδίους διέχουσα. [4] Βελισάριος μὲν οὖν διεκόσμηε τὸ στράτευμα, Ῥωμαῖοι δέ, δείσαντες μὴ σφίσι ξυμβαίῃ ὅσα Νεαπολίταις ξυμπέπτωκε, λογισάμενοι ἔγνωσαν ἄμεινον εἶναι τῇ πόλει τὸν βασιλέως στρατὸν δέξασθαι. μάλιστα δὲ αὐτοὺς Σιλβέριος ἐς τοῦτο ἐνῆγεν, ὁ τῆς πόλεως ἀρχιερεὺς. [5] Φιδελίον τε πέμψαντες, ἄνδρα ἐκ Μεδιολάνου ὀρμώμενον, ἡ ἐν Λιγούροις κεῖται, ὃς δὴ Ἀταλαρίῳ παρήδρευε πρότερον· κοιαίστωρα δὲ τὴν ἀρχὴν ταύτην καλοῦσι Ῥωμαῖοι, Βελισάριον ἐς Ῥώμην ἐκάλουν, ἀμαχητὶ τὴν πόλιν παραδώσειν ὑποσχύμενοι. [6] ὁ δὲ διὰ τῆς Λατίνης ὁδοῦ ἀπῆγε τὸ στράτευμα, τὴν Αππίαν ὁδὸν ἀφείς ἐν ἀριστερᾷ, ἣν Ἄππιος ὁ Ῥωμαίων ὕπατος ἐννακοσίους ἐνιαυτοῖς πρότερον ἐποίησέ τε καὶ ἐπώνυμον ἔσχεν. Ἔστι δὲ ἡ Ἀππία ὁδὸς ἡμερῶν πέντε εὐζώνῳ ἀνδρὶ· ἐκ Ῥώμης γὰρ αὕτη ἐς Καπύην διήκει. [7] εὖρος δὲ ἐστὶ τῆς ὁδοῦ ταύτης ὅσον ἀμάξας δύο ἀντίας ἰέναι ἀλλήλαις, καὶ ἔστιν ἀξιοθέατος πάντων μάλιστα. [8] τὸν γὰρ λίθον ἅπαντα, μυλὴν τε ὄντα καὶ φύσει σκληρόν, ἐκ χώρας ἄλλης μακρὰν οὐσης τεμὼν Ἄππιος ἐνταῦθα ἐκόμισε· [9] ταύτης γὰρ δὴ τῆς γῆς οὐδαμῇ πέφυκε. λείους δὲ τοὺς λίθους καὶ ὁμαλοὺς ἐργασάμενος, ἐγγωνίους τε τῇ ἐντομῇ πεποιημένος, ἐς ἀλλήλους ξυνέδησεν, οὔτε χάλिका ἐντὸς οὔτε τι ἄλλο ἐμβεβλημένος. [10] οἱ δὲ ἀλλήλοις οὕτω τε ἀσφαλῶς συνδέδενται καὶ μεμύκασιν, ὥστε ὅτι δὴ οὐκ εἰσὶν ἡρμοσμένοι, ἀλλ’ ἐμπεφύκασιν ἀλλήλοις, δόξαν τοῖς ὀρῶσι παρέχονται· [11] καὶ χρόνου τριβέντος συχνοῦ δὴ οὕτως ἀμάξαις τε πολλαῖς καὶ ζώοις ἅπασι διαβατοὶ γινόμενοι ἐς ἡμέραν ἐκάστην οὔτε τῆς ἀρμονίας παντάπασι διακέκρινται οὔτε τινὶ αὐτῶν διαφθαρῆναι ἢ

μείονι γίνεσθαι ξυνέπεσεν, οὐ μὴν οὐδὲ τῆς ἀμαρυγῆς τι ἀποβαλέσθαι. τὰ μὲν οὖν τῆς Ἀππίας ὁδοῦ τοιαυτὰ ἐστὶ. [12] Γότθοι δὲ οἱ ἐν Ῥώμῃ φυλακὴν εἶχον, ἐπεὶ τοὺς τε πολεμίους ἄγχιστα πη εἶναι ἐπύθοντο καὶ Ῥωμαίων τῆς γνώμης ἦσθοντο, ἡσχαλλον τότε τῇ πόλει καὶ τοῖς ἐπιούσι διὰ μάχης ἰέναι οὐχ οἰοί τε ὄντες ἠπόρουν· [13] ἔπειτα δὲ Ῥωμαίων σφίσι ἐνδιδόντων ἐνθένδε ἀπαλλαγέντες ἐπὶ Ῥαβέννης ἐχώρησαν ἅπαντες, πλὴν γε δὴ ὅτι Λεῦδερὶς ὃς αὐτῶν ἦρχεν, αἰδεσθεὶς, οἶμαι, τύχην τὴν παροῦσαν, αὐτοῦ ἔμεινε. [14] ξυνέπεσέ τε ἐκείνῃ τῇ ἡμέρᾳ κατὰ τὸν αὐτὸν χρόνον Βελισάριον μὲν καὶ τὸν βασιλέως στρατὸν ἐς Ῥώμην εἰσιέναι διὰ πύλης ἣν καλοῦσιν Ἀσινარიάν, Γότθους δὲ ἀναχωρεῖν ἐνθένδε διὰ πύλης ἐτέρας ἣ Φλαμινία ἐπικαλεῖται, Ῥώμῃ τε αὖθις ἐξήκοντα ἔτεσιν ὕστερον ὑπὸ Ῥωμαίοις γέγονεν, ἐνάτῃ τοῦ τελευταίου, πρὸς δὲ Ῥωμαίων προσαγορευομένου Δεκεμβρίου μηνὸς ἐνδέκατον ἔτος Ἰουστινιανοῦ βασιλέως τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [15] Λεῦδερὶν μὲν οὖν τὸν Γότθων ἄρχοντα καὶ τῶν πυλῶν τὰς κλεῖς Βελισάριος βασιλεῖ ἐπεμψεν, αὐτὸς δὲ τοῦ περιβόλου πολλαχῇ διερρηγμένος ἐπεμελεῖτο· ἔπαλξιν δὲ ἐκάστην ἐγγώνιον ἐποίει, οἰκοδομίαν δὴ τινα ἐτέραν ἐκ πλαγίου τοῦ εὐωνύμου τιθέμενος, ὅπως οἱ ἐνθένδε τοῖς ἐπιούσι μαχόμενοι πρὸς τῶν ἐν ἀριστερᾷ σφίσι τειχομαχούντων ἥκιστα βάλλωνται, καὶ τάφρον ἀμφὶ τὸ τεῖχος βαθεῖάν τε καὶ λόγου ἀξίαν πολλοῦ ὥρυσσε. [16] Ῥωμαῖοι δὲ τὴν μὲν πρόνοιαν τοῦ στρατηγοῦ καὶ διαφερόντως τὴν ἐς τὰς ἐπάλξεις ἀποδεδειγμένην ἐμπειρίαν ἐπήνουν, ἐν θαύματι δὲ μεγάλῳ ποιοῦμενοι ἡσχαλλον, εἰ τινα ὡς πολιορκηθήσεται ἔννοιαν ἔχων ᾤθη ἐσιτητά οἱ ἐς Ῥώμην εἶναι, ἢ οὔτε πολιορκίαν οἷα τέ ἐστὶ φέρειν τῶν ἐπιτηδείων τῇ ἀπορίᾳ, διὰ τὸ μὴ ἐπιθαλάσσιος εἶναι, καὶ τεῖχους περιβαλλομένη τοσοῦτόν τι χρῆμα, ἄλλως τε καὶ ἐν πεδίῳ κειμένη ἐς ἄγαν ὑπὲρ τοῖς ἐπιούσιν εὐέφοδος, [17] ὡς τὸ εἰκός, ἔστιν. ὁ δὲ καὶ ταῦτα ἀκούων τὰ ἐς πολιορκίαν οὐδὲν τι ἥσσον ἅπαντα ἐξηρτύετο, καὶ τὸν σῆτον ὃν ταῖς ναυσὶν ἔχων ἐκ Σικελίας ἀφίκετο, ἐν οἰκήμασι καταθέμενος δημοσίοις ἐφύλασσε, καὶ Ῥωμαίους ἅπαντας, καίπερ δεινὰ ποιουμένους, ἠνάγκαζεν ἅπαντα σφίσι τὰ ἐπιτήδεια ἐκ τῶν ἀγρῶν ἐσκομίζεσθαι.

Τότε δὴ καὶ Πίτζας, Γότθος ἀνὴρ, ἐκ Σαμνίου ἦκων, αὐτόν τε καὶ Γότθους οἱ ἐκείνῃ ξὺν αὐτῷ ᾤκηοντο, καὶ Σαμνίου τοῦ ἐπιθαλασσίου μοῖραν τὴν ἡμίσειαν Βελισαρίῳ ἐνεχείρισεν, ἄχρι ἐς τὸν ποταμὸν ὃς τῆς χώρας μετὰξὺ φέρεται. [2] Γότθοι γὰρ ὅσοι ἐπὶ θάτερα τοῦ ποταμοῦ ἴδρυντο, οὔτε τῷ Πίτζᾳ ἐπεσθαι οὔτε βασιλεῖ κατήκοοι εἶναι ἠθελον. στρατιώτας τέ οἱ Βελισάριος οὐ πολλοὺς ἔδωκεν, ὅπως αὐτῷ ξυμφυλάξωσι τὰ ἐκείνῃ χωρία. [3] πρότερον δὲ Καλαβροὶ τε καὶ Αποῦλιοι, Γότθων σφίσι τῇ χώρᾳ οὐ παρόντων, Βελισαρίῳ ἐθελούσιοι προσεχώρησαν οἱ τε παράλιοι καὶ οἱ τὰ μεσόγεια ἔχοντες. [4] Ἐν τοῖς καὶ Βενεβεντός ἐστιν, ἣν πάλαι μὲν Μαλεβεντὸν ὀνόμασαν Ῥωμαῖοι, τανῦν δὲ Βενεβεντὸν καλοῦσι, τὴν ἀπὸ τοῦ προτέρου ὀνόματος διαφεύγοντες βλασφημίαν· βέντος γὰρ ἄνεμον τῇ Λατίνων φωνῇ δύναται. [5] ἐν Δαλματία γάρ, ἣ ταύτης καταντικρὺ ἐν τῇ ἀντιπέρας ἡπείρῳ κεῖται, ἀνέμου τι πνεῦμα σκληρόν τε καὶ ὑπερφυῶς ἄγριον ἐπισκίπτειν φιλεῖ, ὅπερ ἐπειδὰν ἐπιπνεῖν ἄρξῃται, ὁδῷ ἰόντα ἔτι ἄνθρωπον ἐνταῦθα εὐρεῖν οὐδεμία μηχανὴ ἐστίν, ἀλλ'

οἰκοὶ ἅπαντες καθείρξαντες ἑαυτοὺς τηροῦσι. [6] τοιαύτη γὰρ τις ἡ τοῦ πνεύματος ῥύμη τυγχάνει οὕσα ὥστε ἄνδρα ἱππέα ξὺν τῷ ἵπῳ ἀρπάσασα μετέωρον φέρει, ἐπὶ πλεῖστον τε περιαγαγοῦσα τῆς τοῦ ἀέρος χώρας εἴτα ὅπη παρατύχη ἀπορρίπτουσα κτείνει. [7] Βενεβεντόν δὲ ἅτε καταντικρὺ Δαλματίας οὕσαν, ὥσπερ μοι εἴρηται, ἐπὶ τε ὑψηλοῦ τινος χώρου κειμένην μοῖραν τινα φέρεσθαι τῆς τούτου δὴ τοῦ ἀνέμου δυσκολίας συμβαίνει. [8] ταύτην Διομήδης ποτὲ ὁ Τυδέως ἐδείματο, μετὰ Ἰλίου ἄλωσιν ἐκ τοῦ Ἄργους ἀποκρουσθεῖς. καὶ γνώρισμα τῇ πόλει τοὺς ὁδόντας συὸς τοῦ Καλυδωνίου ἐλείπετο, οὓς οἱ θεοὶ Μελέαγρος ἄθλα τοῦ κυνηγεσίου λαβὼν ἔτυχεν, οἱ καὶ εἰς ἐμὲ ἐνταυθὰ εἰσι, θέαμα λόγου πολλοῦ ἰδεῖν ἄξιον, περίμετρον οὐχ ἦσσαν ἢ τρισπίθαμον ἐν μνηοειδεῖ σχήματι ἔχοντες. [9] ἐνταῦθα καὶ ξυγγενέσθαι τὸν Διομήδην Αἰνεία τῷ Ἀγχίσου ἦκοντι ἐξ Ἰλίου φασὶ καὶ κατὰ τὸ λόγιον τὸ τῆς Ἀθήνης ἄγαλμα δοῦναι ὃ ξὺν τῷ Ὀδυσσεὶ ἀποσυλήσας ἔτυχεν, ὅτε κατασκόπῳ ἐς τὴν Ἰλίον ἦλθέτην ἄμφω πρότερον ἢ τήνδε ἀλώσιμον γενέσθαι τοῖς Ἕλλησι. [10] λέγουσι γὰρ αὐτῷ νοσήσαντί τε ὕστερον καὶ ὑπὲρ τῆς νόσου πυνθανομένῳ χρῆσαι τὸ μαντεῖον οὐ ποτὲ οἱ τοῦ κακοῦ ἀπαλλαγὴν ἔσεσθαι πλὴν εἰ μὴ ἀνδρὶ Τρωὶ τὸ ἄγαλμα τοῦτο διδοίη. [11] καὶ αὐτὸ μὲν ὅπου γῆς ἐστίν, οὐ φασὶ Ῥωμαῖοι εἰδέναι, εἰκόνα δὲ αὐτοῦ λίθῳ τινὶ ἐγκεκολλαμμένην δεικνύουσι καὶ ἐς ἐμὲ ἐν τῷ τῆς Τύχης ἱερῷ, οὗ δὴ πρὸ τοῦ χαλκοῦ τῆς Ἀθηνᾶς ἀγάλματος κεῖται, ὅπερ αἶθριον ἐς τὰ πρὸς ἕω τοῦ νεῶ ἴδρυται. [12] αὕτη δὲ ἡ ἐν τῷ λίθῳ εἰκὼν πολεμούσῃ τε καὶ τὸ δόρυ ἀνατεινούσῃ ἅτε ἐς ξυμβολὴν ἔοικε: ποδὴρη δὲ καὶ ὥς τὸν χιτῶνα ἔχει. [13] τὸ δὲ πρόσωπον οὐ τοῖς Ἕλληνικοῖς ἀγάλμασι τῆς Ἀθηνᾶς ἐμφερές ἐστιν, ἀλλ' οἷα παντάπασιν τὸ παλαιὸν Αἰγύπτῳ ἐποιοῦν. [14] Βυζάντιοι δὲ φασὶ τὸ ἄγαλμα τοῦτο Κωνσταντῖνον βασιλέα ἐν τῇ ἀγορᾷ ἢ αὐτοῦ ἐπώνυμός ἐστι κατορυζάντα θέσθαι. ταῦτα μὲν δὴ ὧδέ πη ἔσχεν. [15] Ἰταλίαν δὲ οὕτω ξύμπασαν ἢ ἐντὸς κόλπου τοῦ Ἰονίου ἐστίν, ἄχρι ἐς τε Ῥώμην καὶ Σάμνιον Βελισάριος παρεστήσατο, τοῦ δὲ κόλπου ἐκτὸς ἄχρι ἐς Λιβουρνίαν Κωνσταντιανός, ὥσπερ ἐρρήθη, [16] ἔσχεν. ὄντινα δὲ τρόπον Ἰταλίαν οἰκοῦσιν οἱ ταύτῃ ἄνθρωποι ἐρῶν ἔρχομαι. πέλαγος τὸ Ἀδριατικόν, ἐκροήν τινα πόρρω που τῆς ἡπείρου ἐκβάλλον, ποιεῖται τὸν Ἰόνιον κόλπον, οὐδὲν ὁμοίως τοῖς ἄλλοις χωρίοις ἔνθα δὴ τελευτῶσα τῆς θαλάσσης ἢ ἐς τὴν ἡπειρον ἀνάβασις ἰσθμὸν ποιεῖται. [17] ὃ τε γὰρ Κρισαῖος καλούμενος κόλπος, ἀπολήγων ἐς τὸ Λέχαιον, ἵνα δὴ Κορινθίων ἡ πόλις ἐστίν, ἐν μέτρῳ τεσσαράκοντα σταδίων μάλιστα, ποιεῖται τὸν ταύτης ἰσθμόν: [18] καὶ ὁ ἀφ' Ἑλλησπόντου κόλπος, ὃν Μέλανα καλοῦσιν, οὐ πλέον, ἀλλὰ κατὰ τοῦτο τὸ μέτρον ἀποτελεῖ τὸν ἐν Χερρονήσῳ ἰσθμόν. [19] ἐκ δὲ Ραβέννης πόλεως, οὗ δὴ τελευτᾷ ὁ Ἰόνιος κόλπος, ἐς θάλασσαν τὴν Τυρρηνικὴν οὐχ ἦσσαν ἢ ὀκτὼ ὁδὸς ἡμερῶν εὐζώνῳ ἀνδρὶ ἐστίν. [20] αἴτιον δὲ ὅτι προϊοῦσα ἡ τῆς θαλάσσης ἐπιρροή ἐν δεξιᾷ ἐπὶ πλεῖστον ἐς αἰὲ φέρεται. τούτου δὲ τοῦ κόλπου ἐντὸς πόλισμα πρῶτον ὁ Δρυοῦς οἰκεῖται, ὅπερ τανῦν Ὑδροῦς καλεῖται. [21] τούτου ἐν δεξιᾷ μὲν Καλαβροὶ τε καὶ Ἀπούλιοι καὶ Σαμνῖταί εἰσι, καὶ αὐτῶν ἐχόμενοι Πικηνοὶ ἄχρι ἐς Ράβενναν πόλιν ὤκηνται. [22] ἐπὶ θάτερα δὲ Καλαβρῶν τε μοῖρα ἢ λειπομένη ἐστὶ καὶ Βρίττιοί τε καὶ Λευκανοί, μεθ' οὓς Καμπανοὶ ἄχρι ἐς Ταρακίνην πόλιν οἰκοῦσιν, οὓς δὴ οἱ Ῥώμης ὄροι ἐκδέχονται. [23] ταῦτα τὰ

ἔθνη ἑκατέρας τε θαλάσσης τὴν ἡϊόνα καὶ τὰ ἐκείνη μεσόγεα ζύμπαντα ἔχουσιν. αὕτη τέ ἐστὶν ἡ μεγάλη Ἑλλὰς καλουμένη τὰ πρότερα. ἐν Βριττίοις γὰρ Λοκροὶ τέ εἰσιν οἱ Ἐπιζεφύριοι καὶ Κροτωνιάται καὶ Θούριοι. [24] τοῦ δὲ κόλπου ἐκτὸς πρῶτοι μὲν Ἑλληνές εἰσιν, Ἡπειρώται καλούμενοι, ἄχρι Ἐπιδάμνου πόλεως, ἥπερ ἐπιθαλασσία οἰκεῖται. [25] καὶ ταύτης μὲν ἔχομένη Πρέκαλις ἡ χώρα ἐστί, μεθ' ἣν Δαλματία ἐπικαλεῖται, καὶ τῷ τῆς ἐσπερίας λελόγισται κράτει. τὸ δὲ ἐντεῦθεν Λιβουρνία τε καὶ Ἰστρία καὶ Βενετίων ἡ χώρα ἐστὶ μέχρι ἐς Ῥάβενναν πόλιν διήκουσα. [26] οὗτοι μὲν ἐπιθαλάσσιοι ταύτη ὤκηνται. ὑπερθεν δὲ αὐτῶν Σίσκιοί τε καὶ Σούαβοι ὅυχ οἱ Φράγγων κατήκοοι, ἀλλὰ παρὰ τούτοις ἕτεροὶ χώραν τὴν μεσόγειον ἔχουσι. [27] καὶ ὑπὲρ τούτους Καρνίοι τε καὶ Νωρικοὶ ἴδρυνται. τούτων δὲ Δάκαί τε καὶ Παννόνες ἐν δεξιᾷ οἰκοῦσιν, οἱ ἄλλα τε χωρία καὶ Σιγγιδόνον καὶ Σίρμιον ἔχουσιν, ἄχρι ἐς ποταμὸν Ἰστρον διήκοντες. [28] τούτων μὲν δὴ τῶν ἐθνῶν Γότθοι κόλπου τοῦ Ἰονίου ἐκτὸς κατ' ἀρχὰς τοῦδε τοῦ πολέμου ἦρχον, ὑπὲρ δὲ Ῥαβέννης πόλεως Πάδου τοῦ ποταμοῦ ἐν ἀριστερᾷ Λιγούριοι ὤκηνται. [29] καὶ αὐτῶν τὰ μὲν πρὸς βορρᾶν ἄνεμον Ἀλβανοὶ ἐν χώρᾳ ὑπερφυῶς ἀγαθῇ Λαγγοῦβιλλα καλουμένη οἰκοῦσι, τούτων τε ὑπερθεν ἔθνη τὰ Φράγγοις κατήκοά ἐστι, τὰ δὲ πρὸς ἐσπέραν Γάλλοι τε καὶ μετ' ἐκείνους Ἰσπανοὶ ἔχουσι. [30] τοῦ δὲ Πάδου ἐν δεξιᾷ Αἰμιλία τέ ἐστί καὶ τὰ Τούσκων ἔθνη, ἄχρι καὶ ἐς τοὺς Ῥώμης ὅρους διήκοντα. ταῦτα μὲν δὴ ὧδέ πη ἔχει.

Βελισάριος δὲ τὰ Ῥώμης ὅρια κύκλῳ ἅπαντα μέχρι ἐς ποταμὸν Τίβεριν καταλαβὼν ἐκρατύνατο. καὶ ἐπειδὴ οἱ ἅπαντα ὡς ἄριστα εἶχε, πολλοὺς τῶν αὐτοῦ ὑπασπιστῶν ζὺν δορυφόροις ἄλλοις τε καὶ Ζαρτῆρι καὶ Χορσομάνῳ καὶ Αἰσχμάνῳ τοῖς Μασσαγέταις καὶ στρατιάν ἄλλην Κωνσταντίνῳ ἔδωκεν, ἐς τε Τουσκίαν ἐκέλευεν ἵεναι, ἐφ' ᾧ παραστήσεται τὰ ἐκείνη χωρία. [2] καὶ Βέσσαν ἐπήγγελλε καταλαβεῖν Ναρνίαν, πόλιν ἐχυρὰν μάλιστα ἐν Τούσκοις οὔσαν. ὁ δὲ Βέσσας οὗτος Γότθος μὲν ἦν γένος τῶν ἐκ παλαιοῦ ἐν Θράκῃ ὤκηντων, Θευδερίῳ τε οὐκ ἐπισπομένων, ἠνίκα ἐνθένδε ἐς Ἰταλίαν ἐπῆγε τὸν Γότθων λεών, δραστήριος δὲ καὶ ἀγαθὸς τὰ πολέμια. [3] στρατηγὸς τε γὰρ ἦν ἄριστος καὶ αὐτουργὸς δεξιός. καὶ Βέσσας μὲν οὔτι ἀκουσίων τῶν οἰκητόρων Ναρνίαν ἔσχε, Κωνσταντῖνος δὲ Σπολίτιόν τε καὶ Περυσίαν καὶ ἄλλα ἅττα πολίσματα παρεστήσατο οὐδενὶ πόνῳ. [4] ἐθελούσιοι γὰρ αὐτὸν ταῖς πόλεσι Τούσκοι ἐδέχοντο. φρουρὰν οὖν ἐν Σπολίτιῳ καταστησάμενος αὐτὸς ζὺν τῷ ἄλλῳ στρατῷ ἐν Περυσίᾳ τῇ Τούσκων πρώτη ἡσύχαζεν. [5] Οὐίτιγισ δὲ ταῦτα ἀκούσας στρατιάν τε καὶ ἄρχοντας Οὐνίλαν τε καὶ Πίσσαν ἐπ' αὐτοὺς ἐπεμπευ. [6] οἷς Κωνσταντῖνος ὑπαντίσας ἐν τῷ Περυσίας προαστείῳ ἐς χεῖρας ἤλθε. πλήθει δὲ τῶν βαρβάρων ὑπεραιρόντων ἀγχώματος μὲν τὰ πρῶτα ἐγεγόνει ἡ μάχη, μετὰ δὲ Ῥωμαῖοι τῇ σφῶν ἀρετῇ καθυπέρτεροι γεγενημένοι τοὺς πολεμίους ἐτρέψαντο, φεύγοντάς τε οὐδενὶ κόσμῳ σχεδόν τι ἅπαντας ἔκτεινον. [7] καὶ ζῶντας ἐλόντες τοὺς τῶν πολεμίων ἄρχοντας παρὰ Βελισάριον ἐπεμψαν. ἐπεὶ δὲ ταῦτα Οὐίτιγισ ἤκουσεν, ἡσυχάζειν ἐπὶ Ῥαβέννης οὐκέτι ἠθέλεν, οὗ δὴ αὐτῷ Μαρκίας τε καὶ οἱ ζὺν αὐτῷ οὕπῳ ἐκ Γαλλίων ἦκοντες ἐμπόδιοι ἦσαν. [8] ἐς μὲν οὖν Δαλματίαν στρατιάν τε πολλὴν καὶ ἄρχοντας Ἀσινάριόν τε καὶ Οὐλιγίσalon ἐπεμψεν, ἐφ' ᾧ Δαλματίαν τῇ

Γότθων ἀρχῇ ἀνασώσονται. [9] καὶ αὐτοῖς ἐπέστελλεν ἐκ τῶν ἀμφὶ Σουαβίαν χωρίων στράτευμα ἐταιρισσάμενους τῶν ταύτῃ βαρβάρων οὕτω δὴ εὐθὺς Δαλματίας τε καὶ Σαλῶνων ἰέναι. [10] ζὺν αὐτοῖς δὲ καὶ μακρὰ πλοῖα πολλὰ ἐπεμψεν, ὅπως Σάλωνας κατὰ γῆν τε καὶ θάλασσαν πολιορκεῖν οἷοι τε ᾧσιν. [11] αὐτὸς δὲ τῷ παντὶ στρατῷ ἐπὶ Βελισάριόν τε καὶ Ῥώμην ἰέναι ἠπείγετο, ἱππέας τε καὶ πεζοὺς οὐχ ἥσσον ἢ μυριάδας πεντεκαίδεκα ἐπαγόμενος, καὶ αὐτῶν θεωρακισμένοι ζὺν τοῖς ἵπποις οἱ πλεῖστοι ἦσαν. [12] Ἀσινάριος μὲν οὖν ἀμφὶ τὴν Σουαβίαν γενόμενος τὸ τῶν βαρβάρων στράτευμα ἤγειρε, μόνος δὲ Οὐλιγίσσαλος Γότθοις ἐς Λιβουρνίαν ἠγήσατο. [13] καὶ σφίσι Ῥωμαίων ἐν χωρίῳ Σκάρδωνι ἐς χεῖρας ἐλθόντων ἡσσηθέντες τῇ μάχῃ ἀνεχώρησαν ἐς Βοῦρνον πόλιν· ἐνταῦθά τε τὸν συνάρχοντα ἀνέμεινεν Οὐλιγίσσαλος. [14] Κωνσταντιανὸς δέ, ἐπεὶ τὴν Ἀσιναρίου παρασκευὴν ἤκουσε, δέισας περὶ Σάλωσι, τοὺς στρατιώτας μετεπέμψατο οἱ ζύμπαντα τὰ ἐκείνη φρούρια εἶχον. [15] καὶ τάφρον τε ἀμφὶ τὸν περίβολον ἅπαντα ὥρυσσε κύκλῳ καὶ τὰ ἄλλα ἐς τὴν πολιορκίαν ὡς ἄριστα ἐξηρτύετο. Ἀσινάριος δὲ πάμπολύ τι στράτευμα βαρβάρων ἀγείρας ἐς Βοῦρνον πόλιν ἀφίκετο. [16] ἐνθα δὴ Οὐλιγίσσαλος τε καὶ τῇ Γότθων στρατιᾷ ζυμμίξας ἐς Σάλωνας ἦλθε. καὶ χαράκωμα μὲν ἀμφὶ τὸν περίβολον ἐποιήσαντο, τὰ δὲ πλοῖα στρατιωτῶν ἐμπλησάμενοι τοῦ περιβόλου τὸ ἐπιθαλάσσιον μέρος ἐφρούρουν· οὕτω τε Σάλωνας κατὰ γῆν τε καὶ κατὰ θάλασσαν ἐπολιόρκουν. [17] Ῥωμαῖοι δὲ ταῖς τῶν πολεμίων ναυσὶν ἐξαπιναίως ἐπιθέμενοι ἐς φυγὴν τρέπουσι καὶ αὐτῶν πολλὰς μὲν αὐτοῖς ἀνδράσι καταδύουσι, πολλὰς δὲ ἀνδρῶν κενὰς εἶλον. [18] οὐ μέντοι τὴν προσεδρεῖαν Γότθοι διέλυσαν, ἀλλὰ καὶ μᾶλλον ἐν τῇ πόλει Ῥωμαίους κατὰ κράτος πολιορκοῦντες εἵρξαν. τὰ μὲν οὖν στρατόπεδα Ῥωμαίων τε καὶ Γότθων ἐν Δαλματίαις ἐφέρετο τῇδε. [19] Οὐίτιγιδι δὲ πρὸς τῶν ἐπιχωρίων ἐκ Ῥώμης ἠκόντων ἀκούσαντι τὸ ζὺν Βελισαρίῳ στράτευμα βραχύτατον εἶναι, Ῥώμης τε ὑποκεχωρηκότη μετέμελε καὶ μένειν ἐν τοῖς καθεστῶσιν οὐκέτι ἐδύνατο, ἀλλὰ θυμῷ ἤδη ἐχόμενος ἐπ' αὐτοὺς ἦει. [20] καὶ οἱ ἐν ταύτῃ τῇ πορείᾳ τῶν τις ἱερέων ἐκ Ῥώμης ἦκων ἐνέτυχεν. οὗ δὴ ζὺν θορύβῳ πολλῷ πυθέσθαι φασὶν Οὐίτιγιν εἰ Βελισάριος ἔτι ἐν Ῥώμῃ εἴη, ἅτε δέισαντα μὴ οὐχὶ αὐτὸν καταλαμβάνειν οἷός τε ἦ, ἀλλὰ φθάσῃ ἀποδρὰς ἐνθένδε. καὶ αὐτὸν εἰπεῖν ἠκιστὰ οἱ χρῆναι τοῦτο ἐν φροντίδι εἶναι· [21] καὶ αὐτὸν γάρ οἱ ἀναδέχεσθαι μήποτε Βελισάριον δρασμῷ χρήσασθαι, ἀλλ' αὐτοῦ μένειν. καὶ τὸν ἔτι ἐπείγεσθαι μᾶλλον ἢ πρότερον, εὐξάμενον ἐκ τοῦ ἐμφανοῦς τὸ Ῥώμης θεάσασθαι τεῖχος πρότερον ἢ Βελισάριον ἐνθένδε ἀποδρᾶναι.

Βελισάριος δέ, ἐπεὶ Γότθους πανδημεὶ στρατεύεσθαι ἐπ' αὐτὸν ἤκουσε, διηπορεῖτο. οὔτε γὰρ τοὺς ἀμφὶ Κωνσταντῖνόν τε καὶ Βέσσαν ἀπολείπεσθαι ἤθελεν, ἄλλως τε καὶ ὀλίγης οἱ τῆς στρατιᾶς παντάπασιν οὔσης, καὶ τὰ ἐν Τούσκοις ἐκλιπεῖν ὀχυρώματα ἐδόκει οἱ ἀξύμφορον εἶναι, ὅπως δὴ μὴ ταῦτα ἐπὶ Ῥωμαίοις Γότθοι ἐπιτειχίσματα ἔχοιεν. [2] λογισάμενος οὖν Κωνσταντίνῳ τε καὶ Βέσσᾳ ἐπέστειλε φρουρὰν μὲν ἐν τοῖς ἀναγκαιοτάτοις τῶν ἐκείνῃ ἀπολιπεῖν χωρίων, ὅση δὴ φυλάσσειν αὐτὰ ἱκανὴ εἴη, αὐτοὺς δὲ τῷ ἄλλῳ στρατῷ ἐς Ῥώμην κατὰ τάχος ἰέναι. [3] καὶ Κωνσταντῖνος μὲν κατὰ ταῦτα ἐποίει. ἐν τε γὰρ Περυσία καὶ Σπολιτίῳ φρουρὰν καταστησάμενος ζὺν τοῖς

ἄλλοις ἅπασιν ἐς Ῥώμην ἀπήλυνε. [4] Βέσσα δὲ σχολαίτερον τὰ ἐν Ναρνίᾳ καθισταμένου ξυνέπεσε τὴν δίοδον ἐνθένδε ποιουμένων τῶν πολεμίων ἔμπλεα Γότθων τὰ ἐν τῷ προαστείῳ πεδία εἶναι. [5] πρόδρομοι δὲ οὗτοι πρὸ τῆς ἄλλης στρατιᾶς ἦσαν· οἷς δὴ Βέσσας ἐς χεῖρας ἐλθὼν τοὺς τε κατ' αὐτὸν παρὰ δόξαν ἐτρέψατο καὶ πολλοὺς κτείνας, ἐπειδὴ τῷ πλήθει ἐβιάζετο, ἐς Ναρνίαν ἀνεχώρησεν. [6] ἐνταῦθα τε φρουροὺς ἀπολιπών, καθάπερ οἱ ἐπέστελλε Βελισάριος, ἐς Ῥώμην κατὰ τάχος ἦι παρέσεσθαι τε ὅσον οὐπω τοὺς πολεμίους ἀπήγγελλε. Ῥώμης γὰρ Ναρνία πεντήκοντα καὶ τριακοσίοις σταδίοις διέχει. [7] Οὐίτιγισ δὲ Περυσίας μὲν καὶ Σπολιτίου ἀποπειρᾶσθαι ἥκιστα ἐνεχείρει· τὰ γὰρ χωρία ἐχυρὰ ὡς μάλιστά ἐστι, καὶ τρίβεσθαι οἱ τὸν χρόνον ἐνταῦθα οὐδαμῇ ἤθελε· [8] μόνον γὰρ οἱ ἐν ἐπιθυμίᾳ ἐγένετο Βελισάριον οὐπω ἀποδράντα ἐν Ῥώμῃ εὐρέσθαι. ἀλλὰ καὶ Ναρνίαν ἔχεσθαι πρὸς τῶν πολεμίων μαθὼν οὐδὲν ἐνταῦθα κινεῖν ἤθελε, δυσπρόσοδόν τε καὶ ἄλλως ἄναντες ὃν τὸ χωρίον εἰδώς· κεῖται μὲν γὰρ ἐν ὑψηλῷ ὄρει. [9] ποταμοὺς δὲ Νάρνος τὸν τοῦ ὄρους παραρρεῖ πρόποδα, ὃς καὶ τὴν ἐπωνυμίαν τῇ πόλει παρέσχε· ἄνοδοί τε δύο ἐνταῦθα δὴ ἄγουσιν, ἡ μὲν πρὸς ἀνίσχοντα ἥλιον, ἡ δὲ πρὸς δύοντα. [10] ταῦταιν ἀτέρα μὲν στενοχωρίαν τινὰ δύσκολον ἐξ ἀποτόμων πετρῶν ἔλαχεν, ἐς δὲ τὴν ἐτέραν οὐκ ἔστιν ὅτι μὴ διὰ τῆς γεφύρας ἰέναι ἢ τὸν ποταμὸν ἐπικαλύπτουσα διάβασιν ταύτῃ ἐργάζεται. [11] ταύτην δὲ τὴν γέφυραν Καῖσαρ Αὐγουστος ἐν τοῖς ἄνω χρόνοις ἐδεῖματο, θέαμα λόγου πολλοῦ ἄξιον· τῶν γὰρ κυρτωμάτων πάντων ὑψηλότητόν ἐστιν ὧν ἡμεῖς ἴσμεν. [12] Οὐίτιγισ οὖν οὐκ ἀναμείνας τὸν χρόνον σφίσιν ἐνταῦθα τρίβεσθαι κατὰ τάχος ἐνθένδε ἀπαλλαγείς τῷ παντὶ στρατῷ ἐπὶ Ῥώμην ἦι, διὰ Σαβίνων τὴν πορείαν ποιούμενος. [13] καὶ ἐπειδὴ Ῥώμης ἀγχοῦ ἐγένετο, σταδίοις τε αὐτῆς οὐ μᾶλλον ἢ τέσσαρσι καὶ δέκα διεῖχε, Τιβερίδος τοῦ ποταμοῦ γεφύρα ἐνέτυχεν. [14] ἔνθα δὴ Βελισάριος ὀλίγῳ πρότερον πύργον τε δειμάμενος καὶ πύλας αὐτῷ ἐπιθέμενος στρατιωτῶν φρουρὰν κατεστήσατο, οὐχ ὅτι τοῖς πολεμίοις ταύτῃ μόνον ὁ Τίβερης διαβατὸς ἦν· νῆές τε γὰρ καὶ γέφυραι πολλαχόσε τοῦ ποταμοῦ τυγχάνουσιν οὔσαι, ἀλλ' ὅτι πλείονα χρόνον ἐν τῇ πορείᾳ τοῖς ἐναντίοις τρίβεσθαι ἤθελε, στράτευμά τε ἄλλο ἐκ βασιλέως καταδοκῶν, καὶ ὅπως ἔτι μᾶλλον Ῥωμαῖοι τὰ ἐπιτήδεια ἐσκομίζωνται. [15] ἦν τε γὰρ ἐνθένδε ἀποκρουσθέντες οἱ βάρβαροι διαβαίνειν ἐγχειρήσωσιν ἐπὶ γεφύρας ἐτέρωθί πη οὔσης, οὐχ ἥσσον ἢ εἴκοσιν ἡμέρας δαπανᾶσθαι σφίσιν ἐνόμιζε, καὶ πλοῖα βουλομένοις ἐς Τίβεριν κατασπάσαι τοσαῦτα τὸ πλῆθος πλείω αὐτοῖς, [16] ὥς τὸ εἰκός, τετρίψεσθαι χρόνον. ἃ δὲ ἐν νῷ ἔχων τὴν τῆδε φρουρὰν κατεστήσατο· ἔνθα οἱ Γότθοι ἐκείνῃ τῇ ἡμέρᾳ ηὐλίσαντο, ἀπορούμενοί τε καὶ πολεμητέα ἔσεσθαι σφίσιν ἐς τὸν πύργον τῇ ὑστεραίᾳ οἰόμενοι· [17] ἦλθον δὲ αὐτοῖς αὐτόμολοι δύο καὶ εἴκοσι, βάρβαροι μὲν γένος, στρατιῶται δὲ Ῥωμαῖοι, ἐκ καταλόγου ἱππικοῦ οὐπερ Ἰννοκέντιος ἦρχεν. [18] ἔννοια δὲ τότε Βελισαρίῳ ἐγένετο ἀμφὶ Τίβεριν ποταμὸν ἐνστρατοπεδεύσασθαι, ὅπως δὴ τῇ τε διαβάσει τῶν πολεμίων ἔτι μᾶλλον ἐμπόδιοι γένωνται καὶ θάρσους τοῦ σφετέρου ἐπίδειξιν τινα ἐς τοὺς ἐναντίους ποιήσωνται. [19] στρατιῶται μέντοι ὅσοι φρουρὰν, ὥσπερ ἐρρήθη, ἐν τῇ γεφύρᾳ εἶχον, καταπεπληγμένοι τὸν Γότθων ὄμιλον καὶ τοῦ κινδύνου

κατωρρωδικότες τὸ μέγεθος, νύκτωρ τὸν πύργον ἐκλιπόντες ὄνπερ ἐφύλασσαν, ἐς φυγὴν ὥρμητον. [20] ἐς Ῥώμην δὲ σφίσιν οὐκ οἰόμενοι εἰσιτητὰ εἶναι ἐπὶ Καμπανίας λάθρα ἐχώρησαν, ἢ τὴν ἐκ τοῦ στρατηγοῦ κόλασιν δεῖσαντες, ἢ τοὺς ἐταίρους ἐρυθριῶντες.

Τῇ δὲ ἐπιγενομένη ἡμέρᾳ οἱ μὲν Γότθοι τὰς τοῦ πύργου πύλας πόνῳ οὐδενὶ διαφθείραντες τὴν διάβασιν ἐποιήσαντο, οὐδενὸς σφίσιν ἐμποδὼν ἵσταμένου. [2] Βελισάριος δὲ οὐπω τι πεπυσμένος τῶν ἀμφὶ τῇ φρουρᾷ ξυμπεσόντων ἱππέας χιλίους ἐπαγόμενος ἐς τοῦ ποταμοῦ τὴν γέφυραν ἦει, τὸν χῶρον ἐπισκευόμενος οὐπερ ἂν σφίσιν ἐνστρατοπεδεύσασθαι ἄμεινον εἴη. [3] καὶ ἐπειδὴ ἐγγυτέρω ἐγένοντο, ἐντυγχάνουσι τοῖς πολεμίοις ἤδη τὸν ποταμὸν διαβάσιν, ἐς χεῖράς τε αὐτῶν τισιν οὐτι ἐθελούσιοι ἦλθον. ἐξ ἱππέων δὲ ξυνίστατο ἡ ξυμβολὴ ἐκατέρωθεν. [4] τότε Βελισάριος, καίπερ ἀσφαλῆς τὰ πρότερα ὦν, οὐκέτι τοῦ στρατηγοῦ τὴν τάξιν ἐφύλασσε, ἀλλ' ἐν τοῖς πρώτοις ἅτε στρατιώτης ἐμάχετο: [5] καὶ ἀπ' αὐτοῦ τὰ Ῥωμαίων πράγματα ξυνέβη ἐς κίνδυνον πολὺν ἐκπεπτωκέναι, ἐπεὶ ζύμπασα ἡ τοῦ πολέμου ῥοπὴ ἐπ' αὐτῷ ἔκειτο. [6] ἔτυχε δὲ ἱππῶ τῆνικαῦτα ὀχοῦμενος, πολέμων τε λῖαν ἐμπεῖρῳ καὶ διασώσασθαι τὸν ἐπιβάτην ἐπισταμένῳ, ὃς δὴ ὅλον μὲν τὸ σῶμα φαιὸς ἦν, τὸ μέτωπον δὲ ἅπαν ἐκ κεφαλῆς μέχρι ἐς ῥίνας λευκὸς μάλιστα. τοῦτον Ἕλληνες μὲν φαλιόν, βάρβαροι δὲ βάλαν καλοῦσι. καὶ ξυνέπεσε Γότθων τοὺς πλείστους βάλλειν ἐπ' αὐτόν τε καὶ Βελισάριον τὰ τε ἀκόντια καὶ τὰ ἄλλα βέλη ἐξ αἰτίας τοιαύδης. [7] αὐτόμολοι ὅσοι τῇ προτεραίᾳ ἐς Γότθους ἦκον, ἐπεὶ ἐν τοῖς πρώτοις μαχόμενον Βελισάριον εἶδον, ἐπιστάμενοι ὥς, ἦν αὐτὸς πέση, διαφθαρήσεται Ῥωμαίοις αὐτίκα δὴ μάλα τὰ πράγματα, κραυγὴ ἐχρῶντο, [8] βάλλειν ἐγκελευόμενοι ἐς ἵππον τὸν βάλαν. καὶ ἀπ' αὐτοῦ ἐς τὴν Γότθων στρατιὰν ζύμπασαν οὗτος δὴ περιφερόμενος ὁ λόγος ἦλθε, ζήτησιν μέντοι αὐτοῦ ἅτε ἐν θορύβῳ μεγάλῳ ἦκιστα ἐποιήσαντο, οὐδὲ ὅτι ἐς Βελισάριον ἔφερε σαφῶς ἔγνωσαν. [9] ἀλλὰ ξυμβάλλοντες οὐκ εἰκὴ τὸν λόγον ἐπιπολάζοντα ὥς πάντας ἰέναι, τῶν ἄλλων ἀφέμενοι πάντων, οἱ πλεῖστοι ἐπὶ Βελισάριον ἔβαλλον. [10] ἤδη δὲ αὐτῶν καὶ φιλοτιμία μεγάλῃ ἐχόμενοι ὅσοι ἀρετῆς τι μετεποιοῦντο, ὥς ἀγχοτάτῳ παραγενόμενοι, ἅπτεσθαί τε αὐτοῦ ἐνεχείρουν καὶ τοῖς δόρασι καὶ τοῖς ξίφεσι θυμῷ πολλῷ ἐχόμενοι ἔβαιον. [11] Βελισάριος δὲ αὐτὸς τε ἐπιστροφάδην τοὺς ἀεὶ ὑπαντιάζοντας ἔκτεινε καὶ τῶν αὐτοῦ δορυφόρων τε καὶ ὑπασπιστῶν τῆς εἰς αὐτὸν εὐνοίας ὥς μάλιστα δὴ ἐν τούτῳ τῷ κινδύνῳ ἀπῆλυνσε. [12] γενόμενοι γὰρ ἀμφ' αὐτὸν ἅπαντες ἀρετὴν ἐπεδείξαντο οἷαν πρὸς οὐδενὸς ἀνθρώπων ἐς τήνδε τὴν ἡμέραν δεδηλωσθαι οἷμαι: [13] τὰς γὰρ ἀσπίδας τοῦ τε στρατηγοῦ καὶ τοῦ ἵππου προβεβλημένοι, τὰ τε βέλη πάντα ἐδέχοντο καὶ τοὺς ἀεὶ ἐπιόντας ὠθισμῷ χρώμενοι ἀπεκρούοντο. οὕτω τε ἡ ξυμβολὴ πᾶσα ἐς σῶμα ἐνὸς ἀπεκρίθη ἀνδρός. [14] ἐν τούτῳ τῷ πόνῳ πίπτουσι μὲν Γότθοι οὐχ ἥσσους ἢ χίλιοι, καὶ αὐτοὶ ἄνδρες οἱ ἐν τοῖς πρώτοις ἐμάχοντο, θνήσκουσι δὲ τῆς Βελισαρίου οἰκίας πολλοὶ τε καὶ ἄριστοι, καὶ Μαξέντιος ὁ δορυφόρος, ἔργα μεγάλα ἐς τοὺς πολεμίους ἐπιδειξάμενος. [15] Βελισαρίῳ δὲ ξυνέβη τις τύχη ἐκείνῃ τῇ ἡμέρᾳ, μήτε τετρωσθαι μήτε βεβλησθαι, καίπερ ἀμφ' αὐτῷ μόνῳ γενομένης τῆς μάχης. [16] Τέλος δὲ ἀρετῇ τῇ σφετέρᾳ Ῥωμαῖοι τοὺς πολεμίους ἐτρέψαντο, ἔφευγέ τε

πάμπολύ τι βαρβάρων πλῆθος, ἕως ἐς στρατόπεδον τὸ αὐτῶν ἵκοντο. ἐνταῦθα γὰρ οἱ Γότθων πεζοὶ ἅτε ἀκμήτες ὄντες ὑπέστησαν τε τοὺς πολεμίους καὶ πόνῳ οὐδενὶ ἀπεῴσαντο. [17] βεβοηθηκότων τε αὖθις ἱππέων ἐτέρων κατὰ κράτος Ῥωμαῖοι ἔφυγον, ἕως ἀναβάντες ἔς τι γεώλοφον ἔστησαν. καταλαβόντων τε σφᾶς βαρβάρων ἱππέων, αὖθις ἵππομαχία ἐγένετο. [18] ἔνθα δὴ Βαλεντίνος, ὁ Φωτίου τοῦ Ἀντωνίνης παιδὸς ἱπποκόμος, ἀρετῆς δῆλωσιν ὥς μάλιστα ἐποιήσατο. μόνος γὰρ ἐσπιδήσας ἐς τῶν πολεμίων τὸν ὄμιλον ἐμπόδιός τε τῇ Γότθων ὀρμῇ ἐγεγόνει καὶ τοὺς ζὺν αὐτῷ διεσώσατο. [19] οὕτω τε διαφυγόντες ἐς τὸν Ῥώμης περίβολον: ἦλθον, διώκοντές τε οἱ βάρβαροι ἄχρι ἐς τὸ τεῖχος ἐνέκειντο ἀμφὶ τὴν πύλην ἣ Σαλαρία ὠνόμασται. [20] δείσαντες δὲ Ῥωμαῖοι μὴ τοῖς φεύγουσιν οἱ πολέμιοι ξυνεισβαλόντες τοῦ περιβόλου ἐντὸς γένωνται, ἀνακλίνειν τὰς πύλας ἤκιστα ἠθέλον, καίπερ Βελισαρίου πολλά τε σφίσιν ἐγκελευομένου καὶ ζὺν ἀπειλῇ ἀναβοῶντος. [21] οὔτε γὰρ τὸν ἄνδρα οἱ ἐκ τοῦ πύργου διακύπτοντες ἐπιγινώσκειν οἶοι τε ἦσαν, ἐπεὶ οἱ τό τε πρόσωπον καὶ ἡ κεφαλὴ ζύμπασα λύθρῳ τε καὶ κονιορτῷ ἐκαλύπτετο, ἅμα δὲ οὐδὲ καθορᾶν τις ἀκριβῶς εἶχεν: ἦν γὰρ τῆς ἡμέρας ἀμφὶ ἡλίου δύσιν. [22] οὐ μὴν οὐδὲ περιεῖναι τὸν στρατηγὸν Ῥωμαῖοι ᾤοντο: ὅσοι γὰρ ἐν τῇ πρότερον γενομένη τροπῇ φεύγοντες ἦκον, τεθνάναι Βελισάριον ἐν τοῖς πρώτοις ἀριστεύοντα ἠγγέλλον. [23] ὁ μὲν οὖν ὄμιλος τῶν πολεμίων ῥεύσας τε πολὺς καὶ θυμῷ μεγάλῳ ἐχόμενος, τὴν τε τάφρον εὐθὺς διαβῆναι καὶ τοῖς φεύγουσιν ἐνταῦθα ἐπιθέσθαι διεννοοῦντο, [24] Ῥωμαῖοι δὲ ἀμφὶ τὸ τεῖχος ἀθρόοι τῆς τάφρου ἐντὸς γεγενημένοι ἐν χρῷ τε ξυνιόντες ἀλλήλοις ἐς ὀλίγον συνήγοντο. [25] οἱ μέντοι τοῦ περιβόλου ἐντὸς ἅτε ἀστρατήγητοί τε καὶ ἀπαράσκευοι παντάπασιν ὄντες καὶ περὶ σφίσι τε αὐτοῖς καὶ τῇ πόλει πεφοβημένοι, ἀμύνειν τοῖς σφετέροις, καίπερ ἐς τοσοῦτον κινδύνου ἐλθοῦσιν, οὐδαμῇ εἶχον. [26] Τότε Βελισάριον ἔννοιά τε καὶ τόλμα εἰσηλθεν, ἡ Ῥωμαίοις ἐκ τοῦ ἀπροσδοκῆτου τὰ πράγματα διεσώσατο. ἐγκελευσάμενος γὰρ τοῖς ζὺν αὐτῷ πᾶσιν ἐξαπιναιῶς τοῖς ἐναντίοις ἐνέπεσεν. [27] οἱ δὲ καὶ πρότερον ἀκοσμία πολλῇ ἅτε ἐν σκότῳ καὶ διώξει χρώμενοι, ἐπεὶ σφίσιν ἐπιόντας παρὰ δόξαν τοὺς φεύγοντας εἶδον, ὑποτοπήσαντες καὶ ἄλλο βεβοηθηκέναι ἐκ τῆς πόλεως στράτευμα, ἐς φόβον τε πολὺν ἀπ' αὐτοῦ καταστάντες κατὰ κράτος ἤδη ἅπαντες ἔφευγον. [28] Βελισάριος δὲ ἤκιστα ἐκπεσὼν ἐς τὴν δίωξιν αὐτίκα ἐς τὸ τεῖχος ἀνέστρεψεν. οὕτω τε Ῥωμαῖοι θαρσέσαντες αὐτόν τε καὶ τοὺς ἀμφ' αὐτόν ἅπαντας τῇ πόλει ἐδέξαντο. [29] παρὰ τοσοῦτον μὲν κινδύνου Βελισάριός τε καὶ τὰ βασιλέως πράγματα ἦλθεν: ἡ τε μάχη πρῶτ' ἀρξαμένη ἐτελεύτα ἐς νύκτα. ἡρίστευσαν δὲ ἐν ταύτῃ τῇ μάχῃ Ῥωμαίων μὲν Βελισάριος, Γότθων δὲ Οὐίσανδος Βανδαλάριος, ὃς, ἠνίκα ἡ μάχη ἀμφὶ Βελισαρίῳ ἐγένετο, ἐπειδὴ αὐτῷ τὰ πρῶτα ἐπέπεσεν, οὐ πρότερον ἀπέστη ἕως τρισκαίδεκα πληγὰς λαβὼν τῷ σώματι ἔπεσε. [30] δόξας δὲ αὐτίκα τεθνάναι, ἡμελήθη τε πρὸς τῶν ἐταίρων, καίπερ νενικηκότων, καὶ ζὺν τοῖς νεκροῖς αὐτοῦ ἔκειτο. [31] τρίτῃ δὲ ἡμέρᾳ ἐπειδὴ στρατοπεδευσάμενοι ἄγχιστα τοῦ Ῥώμης περιβόλου οἱ βάρβαροι ἔπεμψάν τινας ἐφ' ᾧ νεκρούς τε τοὺς σφετέρους θάψουσι καὶ τὰ νόμιμα ἐπὶ ὅσιά τῃ ἐκείνων ποιήσονται, οἱ τὰ σώματα τῶν κειμένων διερευνώμενοι Οὐίσανδον Βανδαλάριον ἔτι ἔμπουν

εὐρίσκουσι, καὶ αὐτὸν τῶν τις ἐταίρων φωνήν τινά οἱ ἀφεῖναι ἤξιον. [32] ὁ δέ, οὐδὲ γὰρ ἐδύνατο, ἐπεὶ οἱ τὰ ἐντὸς τῷ τε λιμῷ καὶ τῷ ἐκ τῆς ἄλλης κακοπαθείας αὐχμῷ λίαν ἐκάετο, ὕδωρ οἱ ἔνευεν ἐς τὸ στόμα ἐμβάλλεσθαι. πίνοντα τε αὐτὸν καὶ ἐν αὐτῷ γεγονότα ἀράμενοι ἐς τὸ στρατόπεδον ἤνεγκαν. [33] μέγα τε ὄνομα Οὐίσανδος Βανδαλάριος ἐκ τοῦ ἔργου τούτου ἐν Γότθοις ἔσχε, καὶ τὰ μάλιστα εὐδοκιμῶν πάμπολόν τινα ἐπεβίω χρόνον. ταῦτα μὲν οὖν τρίτῃ ἀπὸ τῆς μάχης ἡμέρᾳ γεγενῆσθαι ξυνέπεσε. [34] Τότε δὲ Βελισάριος, ἐπεὶ ἐν τῷ ἀσφαλεῖ ξὺν τοῖς ἐπομένοις ἐγένετο, στρατιώτας τε καὶ τὸν Ῥωμαίων δῆμον σχεδόν τι ἅπαντα ἐς τὸ τεῖχος ἀγείρας, πυρά τε πολλὰ καίειν καὶ τὴν νύκτα ὅλην ἐγρηγορέναι ἐκέλευε. καὶ τὸν περίβολον περιῶν κύκλῳ τὰ τε ἄλλα διεῖπε καὶ πύλῃ ἐκάστη τῶν τινα ἀρχόντων ἐπέστησε. [35] Βέσσας δέ, ὃς ἐν πύλῃ τῇ καλουμένῃ Πραίνεστίνῃ φυλακὴν ἔσχεν, ἄγγελον παρὰ Βελισάριον πέμψας ἐκέλευε λέγειν ἔχσθαι πρὸς τῶν πολεμίων τὴν πόλιν, δι' ἄλλης πύλης ἐμβεβληκότων ἢ ὑπὲρ ποταμὸν Τίβεριν ἐστὶ Παγκρατίου ἀνδρὸς ἀγίου ἐπώνυμος οὖσα. [36] ταῦτα ἀκούσαντες ὅσοι ἀμφὶ Βελισάριον ἦσαν, σῶζεσθαι ὅτι τάχιστα διὰ πύλης ἐτέρας παρήνουν. αὐτὸς μέντοι οὔτε κατωρρώδησεν, οὔτε τὸν λόγον ὑγιᾶ ἰσχυρίζετο εἶναι. [37] ἔπεμψε δὲ καὶ τῶν ἱππέων τινὰς ὑπὲρ ποταμὸν Τίβεριν κατὰ τάχος, οἱ τὰ ἐκείνῃ ἐπισκευάμενοι οὐδὲν πολέμιον τῇ πόλει ἐνταῦθα ξυμβῆναι ἀπήγγελλον. [38] πέμψας οὖν εὐθύς ἐς πύλιν ἐκάστην ἄρχουσι τοῖς πανταχῇ οὖσιν ἐπέστελλεν ὥστε, ἐπειδὴν τοὺς πολεμίους ἀκούσωσι κατ' ἄλλην τινὰ τοῦ περιβόλου ἐσβεβληκέναι μοῖραν, μήτε ἀμύνειν μήτε φυλακὴν τὴν σφετέραν ἐκλιπεῖν, ἀλλ' ἡσυχῇ μένειν: αὐτῷ γὰρ ὑπὲρ τούτων μελήσειν. [39] ἔπρασσε δὲ ταῦτα, ὅπως μὴ ἐκ φήμης οὐκ ἀληθοῦς ἐς ταραχὴν αἰθίς καθιστῶνται. Οὐίτιγισ δέ, Ῥωμαίων ἔτι ἐν θορύβῳ πολλῷ καθεστῶτων, ἐς πύλιν Σαλαρίαν τῶν τινα ἀρχόντων, Οὔακιν ὄνομα, ἔπεμψεν, οὐκ ἀφανῆ ἄνδρα. [40] ὃς ἐνταῦθα ἐλθὼν καὶ Ῥωμαίους τῆς ἐς Γότθους ἀπιστίας κακίσας τὴν προδοσίαν ὠνείδιζεν ἣν αὐτοὺς ἐπὶ τε τῇ πατρίδι πεποιῆσθαι καὶ σφίσιν αὐτοῖς ἔλεγεν, οἱ τῆς Γότθων δυνάμεως Γραικοὺς τοὺς σφίσιν οὐχ οἴους τε ἀμύνειν ὄντας ἡλλάξαντο, ἐξ ὧν τὰ πρότερα οὐδένα ἐς Ἰταλίαν ἦκοντα εἶδον, ὅτι μὴ τραγωδοὺς τε καὶ μίμους καὶ ναύτας λωποδύτας. [41] ταῦτά τε καὶ πολλὰ τοιαῦτα Οὔακис εἰπὼν, ἐπεὶ οἱ οὐδεὶς ἀπεκρίνατο, [42] ἐς Γότθους τε καὶ Οὐίττιγιν ἀνεχώρησε. Βελισάριος δὲ γέλωτα πολὺν πρὸς Ῥωμαίων ὤφλεν, ἐπεὶ μόλις τοὺς πολεμίους διαφυγὼν θαρσεῖν τε ἤδη καὶ περιφρονεῖν τῶν βαρβάρων ἐκέλευεν: εὖ γὰρ εἰδέναι ὡς κατὰ κράτος αὐτοὺς νικήσει. ὅπως δὲ τοῦτο καταμαθὼν ἔγνω ἐν τοῖς ὀπισθεν λόγοις εἰρήσεται. [43] ἐπεὶ δὲ πόρρω ἦν τῶν νυκτῶν, νῆστιν ἔτι Βελισάριον ὄντα ἢ τε γυνὴ καὶ τῶν ἐπιτηδείων ὅσοι παρήσαν ἄρτου βραχέος κομιδῇ γεύσασθαι μόλις ἠνάγκασαν. ταύτην μὲν οὖν τὴν νύκτα οὕτως ἐκάτεροι διενυκτέρευσαν.

Τῇ δὲ ἐπιγενομένῃ ἡμέρᾳ Γότθοι μὲν Ῥώμην πολιορκίᾳ ἐλεῖν διὰ μέγεθος τῆς πόλεως οὐδενὶ πόνῳ οἰόμενοι, Ῥωμαῖοι δὲ αὐτῆς ἀμυνόμενοι ἐτάξαντο ὧδε. ἔχει μὲν τῆς πόλεως ὁ περίβολος δις ἑπτὰ πύλας καὶ πυλίδας τινάς. [2] Γότθοι δὲ οὐχ οἰοί τε ὄντες ὅλῳ τῷ στρατοπέδῳ τὸ τεῖχος περιλαβέσθαι κύκλῳ, ἐξ ποιησάμενοι χαρακώματα πέντε πυλῶν χῶρον ἠνώχλουν, ἐκ τῆς

Φλαμινίας ἄχρι ἐς τὴν καλουμένην Πραϊνεστίναν· ταῦτά τε αὐτοῖς τὰ χαρακώματα ξύμπαντα ἐντὸς Τιβέριδος τοῦ ποταμοῦ ἐπεποιήτο. [3] δεισάντες οὖν οἱ βάρβαροι μὴ τὴν γέφυραν διαφθεύραντες οἱ πολέμοι, ἡ Μολιβίου ἐπώνυμός ἐστιν, ἄβαρα σφίσι ποιήσωνται ἅπαντα ὅσα ἐκτὸς τοῦ ποταμοῦ ἐστὶ διήκοντα μέχρι ἐς θάλασσαν, καὶ ἀπ' αὐτοῦ αἰσθησιν τῶν ἐν πολιορκίᾳ κακῶν ἥκιστα ἔχοιεν, χαράκωμα ἔβδομον Τιβέριδος ἐκτὸς ἐν Νέρωνος πεδίοις ἐπήξαντο, ὅπως σφίσιν ἡ γέφυρα τῶν στρατοπέδων ἐν μέσῳ εἴη. [4] διὸ δὴ ἄλλας δύο τῆς πόλεως πύλας ἐνοχλεῖσθαι πρὸς τῶν πολεμίων ξυνέβαινε, τὴν τε Αὐρηλίαν ἣ νῦν Πέτρου τοῦ τῶν Χριστοῦ ἀποστόλων κορυφαίου ἅτε που πλησίον κειμένου ἐπώνυμός ἐστὶ καὶ τὴν ὑπὲρ ποταμὸν Τίβεριν. [5] οὕτω τε Γότθοι τῷ μὲν στρατοπέδῳ τὴν ἡμίσειαν μάλιστα περιεβάλλοντο τοῦ τείχους μοῖραν, ἅτε δὲ τῷ ποταμῷ οὐδαμῇ τὸ παράπαν εἰργόμενοι, ἐς ἅπαντα τὸν περίβολον κύκλῳ, ἡνίκα ἐβούλοντο, τῷ πολέμῳ ἦσαν. [6] Ὅντινα δὲ τρόπον Ῥωμαῖοι τοῦ ποταμοῦ ἐφ' ἐκάτερα τὸ τῆς πόλεως τεῖχος ἐδείμαντο ἐρῶν ἔρχομαι. πάλαι μὲν ὁ Τίβερις παραρρέων ἐπὶ πλεῖστον τοῦ περιβόλου ἐφέρετο τῇδε. [7] ὁ δὲ χῶρος οὗτος, ἐφ' οὗ ὁ περίβολος κατὰ τὸν ροῦν τοῦ ποταμοῦ ἀνέχει, ὑπτίως τε καὶ λίαν εὐέφοδός ἐστι. [8] τούτου τε ἀντικρὺ τοῦ χώρου, ἐκτὸς τοῦ Τιβέριδος, λόφον τινὰ μέγαν ξυμβαίνει εἶναι, ἐνθα δὴ οἱ τῆς πόλεως μύλωνες ἐκ παλαιοῦ πάντες πεποίηνται, ἅτε ὕδατος ἐνταῦθα πολλοῦ διὰ μὲν ὀχετοῦ ἀγομένου ἐς τὴν τοῦ λόφου ὑπερβολήν, ἐς τὸ κάταντες δὲ ξὺν ῥύμῃ μεγάλη ἐνθένδε ἰόντος. [9] διὸ δὴ οἱ πάλαι Ῥωμαῖοι τὸν τε λόφον καὶ τὴν κατ' αὐτὸν τοῦ ποταμοῦ ὄχθην τείχει περιβαλεῖν ἔγνωσαν, ὥς μήποτε τοῖς πολεμίοις δυνατὰ εἴη τοὺς τε μύλωνας διαφθεῖραι καὶ τὸν ποταμὸν διαβάσιν εὐπετῶς τῷ τῆς πόλεως περιβόλῳ ἐπιβουλεύειν. [10] ζεύξαντες οὖν ταύτη τὸν ποταμὸν γεφύρᾳ, ξυνάπτειν τε τὸ τεῖχος ἔδοξαν καὶ οἰκίας συχνὰς ἐν χωρίῳ τῷ ἀντιπέρας δειμάμενοι μέσον τῆς πόλεως τὸ τοῦ Τιβέριδος πεποίηνται ῥεῦμα. ταῦτα μὲν δὴ ὧδέ πη ἔσχε. [11] Γότθοι δὲ τάφρους τε βαθείας ἀμφὶ τὰ χαρακώματα ξύμπαντα ὠρυξαν, καὶ τὸν χεῖν ὃν ἐνθένδε ἀφείλοντο ξυννήσαντες ὑπὲρ τοίχου τοῦ ἔνδον, ὑψηλὸν τε αὐτὸν ὥς μάλιστα ποιησάμενοι καὶ σκολόπων ὀξέων καθύπερθεν ἀμπολύ τι χρῆμα πηξάμενοι, οὐδέν τι καταδεέστερον τῶν ἐν τοῖς φρουρίοις ὀχυρωμάτων τὰ στρατόπεδα πάντα εἰργάσαντο. [12] καὶ χαρακώματος μὲν τοῦ ἐν Νέρωνος πεδίῳ Μαρκίας ἦρχεν ἥδη γὰρ ἐκ Γαλλίων ξὺν τοῖς ἐπομένοις ἀφίκτο, ξὺν οἷς ἐνταῦθα ἐστρατοπέδευσε, τῶν δὲ δὴ ἄλλων Οὐίτιγῖς ἡγεῖτο ἐκτος αὐτός· ἄρχων γὰρ ἦν εἷς κατὰ χαράκωμα ἕκαστον. [13] Γότθοι μὲν οὖν οὕτω ταξάμενοι διεῖλον τοὺς ὀχετοὺς ἅπαντας, ὅπως δὴ ὕδωρ ὥς ἥκιστα ἐς τὴν πόλιν ἐνθένδε εἰσίοι. Ῥώμῃ δὲ ὀχετοὶ τεσσαρεσκαίδεκα μὲν τὸ πληθὸς εἰσιν, ἐκ πλίνθου δὲ ὀπημένῃς τοῖς πάλαι ἀνθρώποις πεποίηνται, ἐς τοσοῦτον εὖρους καὶ βάθους διήκοντες ὥστε ἀνθρώπῳ ἵππῳ ὀχουμένῳ ἐνταῦθα ἱπευεῖν δυνατὰ εἶναι. [14] Βελισάριος δὲ τὰ ἐς τὴν φυλακὴν τῆς πόλεως διεκόσμηκε ὧδε. πυλῖδα μὲν αὐτὸς τὴν Πιγκιανὴν καὶ πύλην τὴν ταύτης ἐν δεξιᾷ εἶχεν, [15] ἡ Σαλαρία ὀνόμασται. κατὰ ταύτας γὰρ ἐπίμαχος ἦν ὁ περίβολος, καὶ Ῥωμαίοις ἐξιτητὰ ἐπὶ τοὺς πολεμίους ὄντα ἐτύγχανε. Πραϊνεστίναν δὲ Βέσσα ἔδωκε. [16] καὶ τῇ Φλαμινίᾳ, ἡ Πιγκιανῆς ἐπὶ θάτερὰ ἐστὶ, Κωνσταντῖνον ἐπέστησε, τὰς τε πύλας

ἐπιθεῖς πρότερον, καὶ λίθων μεγάλων οἰκοδομία ἐνδοθεν αὐτὰς ἀποφράξας ὡς μάλιστα, ὅπως δὴ αὐτὰς μηδενὶ ἀνακλίνειν δυνατὰ εἶη. [17] τῶν γὰρ χαρακωμάτων ἐνὸς ἀγχοτάτω ὄντος ἔδεισε μὴ τις ἐπὶ τῇ πόλει ἐνέδρα πρὸς τῶν πολέμιων ἐνταῦθα ἔσται. [18] τὰς δὲ λειπομένας τῶν πεζικῶν καταλόγων τοὺς ἄρχοντας διαφυλάσσειν ἐκέλευε. τῶν τε ὀχετῶν ἕκαστον ὡς ἀσφαλέστατα οἰκοδομία ἐπὶ πλεῖστον κατέλαβε, μὴ τις ἔξωθεν κακουργήσων ἐνταῦθα ἴοι. [19] Ἐπεὶ δὲ τῶν ὀχετῶν, καθάπερ μοι εἴρηται, διαιρεθέντων οὐκέτι τὰς μύλας τὸ ὕδωρ ἐνήργει, ζώοις τέ τισιν ἐργάζεσθαι αὐτὰς οὐδαμῇ εἶχον, τροφῆς ἀπάσης ἅτε ἐν πολιορκίᾳ σπανίζοντες; οἱ γε καὶ ἵππων μόλις τῶν σφίσιν ἀναγκαίων ἐδύναντο ἐπιμελεῖσθαι, Βελισάριος ἐξεῦρε τόδε. [20] ἔμπροσθεν τῆς γεφύρας ἧς ἄρτι πρὸς τῷ περιβόλῳ οὔσης ἐμνήσθην, σχοίνους ἄρτήσας ἐξ ἑκατέρας τοῦ ποταμοῦ ὄχθης ὡς ἄριστα ἐντεταμένας, ταύταις τε λέμβους δύο παρ' ἀλλήλους ξυνδήσας, πόδας δύο ἀπ' ἀλλήλων διέχοντας, ἣ μάλιστα ἢ τῶν ὑδάτων ἐπιρροὴ ἐκ τοῦ τῆς γεφύρας κυρτώματος ἀκμάζουσα κατῆι, μύλας τε δύο ἐν λέμβῳ ἑκατέρῳ ἐνθήμενος ἐς τὸ μεταξὺ τὴν μηχανὴν ἀπεκρέμασεν ἢ τὰς μύλας στρέφειν εἰώθει. [21] ἐπέκεινα δὲ ἄλλας τε ἀκάτους ἐχομένας τῶν αἰὲ ὀπισθεν κατὰ λόγον ἐδέσμευε, καὶ τὰς μηχανὰς τρὸς τῷ αὐτῷ ἐπὶ πλεῖστον ἐνέβαλε. [22] προϊούσης οὖν τῆς τοῦ ὕδατος ρύμης αἱ μηχαναὶ ἐφεξῆς ἅπασαι ἐφ' ἑαυτὰς καλινδούμεναι ἐνήργουν τε τὰς κατ' αὐτὰς μύλας καὶ τῇ πόλει τὰ αὐτάρκη ἤλουν. ἃ δὴ οἱ πολέμοι πρὸς τῶν αὐτομόλων γνόντες ἀφανίζουσι τὰς μηχανὰς τρὸς τῷ τοιῷδε. [23] δένδρα μεγάλα καὶ σώματα Ῥωμαίων νεοσφαγῇ ἐς τὸν ποταμὸν συμφοροῦντες ἐρρίπτουν. [24] τούτων τε τὰ πλεῖστα ξὺν τῷ ρέματι ἐς μέσα τὰ σκάφη φερόμενα τὴν μηχανὴν ἀπεκαύλιζε. Βελισάριος δὲ κατιδὼν τὰ ποιούμενα προσεπετεχνήσατο τάδε. [25] ἀλύσεις μακρὰς σιδηρᾶς πρὸ τῆς γεφύρας ἤρτησεν, ἐξικνουμένας ἐς Τίβεριν ὅλον. αἷς δὴ προσπίπτοντα ξύμπαντα ὅσα ὁ ποταμὸς ἔφερε, ξυνίστατό τε καὶ οὐκέτι ἐς τὰ πρόσω ἐχώρει. [26] ταῦτά τε ἀνέλκοντες αἰὲ οἷς τὸ ἔργον τοῦτο ἐπέκειτο εἰς τὴν γῆν ἔφερον. ταῦτα δὲ Βελισάριος ἐποίει οὐ τοσοῦτον τῶν μυλῶν ἔνεκα ὅσον ὅτι ἐνθένδε ἐς δέος τε καὶ ἔννοιαν ἦλθε μὴ λάθωσιν ἀκάτοις πολλαῖς οἱ πολέμοι ἐντὸς τῆς γεφύρας καὶ ἐν μέσῃ πόλει γενόμενοι. [27] οὕτω τε οἱ βάρβαροι τῆς πείρας, ἐπεὶ οὐδὲν σφίσι ταύτῃ προὐχώρει, ἀπέσχοντο. καὶ τὸ λοιπὸν Ῥωμαῖοι τούτοις μὲν τοῖς μύλωσιν ἐχρῶντο, τῶν δὲ βαλανείων τοῦ ὕδατος τῇ ἀπορίᾳ παντάπασιν ἀπεκέκλειντο. [28] ὕδωρ μέντοι ὅσον πιεῖν διαρκὲς εἶχον, ἐπεὶ καὶ τοῖς τοῦ ποταμοῦ ἑκαστάτῳ οἰκοῦσι παρῇν ἐκ φρεάτων ὑδρεῦσθαι. [29] ἐς δὲ τοὺς ὑπονόμους, οἵπερ ἐκ τῆς πόλεως εἴ τι οὐ καθαρὸν ἐκβάλλουσιν ἔξω, ἀσφάλειαν ἐπινοεῖν οὐδεμίαν ἠνάγκαστο, ἐπεὶ ἐς ποταμὸν Τίβεριν τὰς ἐκβολὰς ἔχουσιν ἅπαντες, καὶ διὰ τοῦτο οὐδεμίαν οἷόν τε τῇ πόλει ἐνθένδε πρὸς τῶν πολέμιων ἐπιβουλὴν γενέσθαι.

Τὰ μὲν οὖν ἐς τὴν πολιορκίαν τῆδε Βελισάριος διωκῆσατο. Σαμνιτῶν δὲ παῖδες πολλοί, πρόβατα ἐν χώρᾳ τῇ σφετέρᾳ ποιμαίνοντες, δύο τοῦ σώματος ἐν σφίσιν εὖ ἦκοντας ἀπολέξαντες, καὶ αὐτῶν ἓνα μὲν καλέσαντες ἐπὶ τοῦ Βελισαρίου ὀνόματος, Οὐίτιγιν δὲ τὸν ἕτερον ὀνομάσαντες, [2] παλαίειν ἐκέλευον. ὣν δὴ ἰσχυρότατα ἐς τὸν ἀγῶνα καθισταμένων, τὸν Οὐίτιγιν δῆθεν ξυνηνέχθη πεσεῖν. καὶ αὐτὸν ὁ τῶν παίδων ὁμιλος παίζοντες ἐπὶ δένδρου ἐκρήμων. [3] λύκου δὲ τύχη τινὶ ἐνταῦθα φανέντος οἱ μὲν παῖδες ἔφυγον ἅπαντες, ὁ δὲ ἐπὶ τοῦ δένδρου ἡρτημένος Οὐίτιγιν χρόνου οἱ τριβέντος ἐν ταύτῃ δὴ τῇ τιμωρίᾳ θνήσκει. [4] καὶ ἐπεὶ ταῦτα ἐς Σαμνίτας ἔκπυστα ἐγεγόνει, οὔτε κόλασιν τινα ἐς τὰ παιδία ταῦτα ἐξήνεγκαν καὶ τὰ ξυμπεσόντα ξυμβalόντες νικήσειν κατὰ κράτος Βελισάριον ἰσχυρίζοντο. ταῦτα μὲν δὴ οὕτως ἐγένετο. [5] Ῥωμαίων δὲ ὁ δῆμος, τῶν ἐν πολέμῳ τε καὶ πολιορκίᾳ κακῶν ἀήθεις παντάπασιν ὄντες, ἐπειδὴ τῇ μὲν ἀλουσίᾳ ἐπέζοντο καὶ τῶν ἀναγκαίων τῇ ἀπορίᾳ, φυλάσσειν τε ἄϋπνοι τὸν περίβολον ἠναγκάζοντο, καὶ τὴν πόλιν ἀλώσεσθαι οὐκ εἰς μακρὰν ὑπετόπαζον, ἅμα δὲ καὶ τοὺς πολεμίους ἐώρων τοὺς τε ἀγροὺς καὶ τᾶλλα πάντα ληιζομένους, ἥσχαλλόν τε καὶ δεινὰ ἐποιοῦντο, εἰ αὐτοὶ οὐδὲν ἡδικηκότες πολιορκοῖντό τε καὶ ἐς τοσοῦτον κινδύνου μέγεθος ἤκειεν. [6] ἐν σφίσιν τε αὐτοῖς ξυνιστάμενοι Βελισαρίῳ ἐκ τοῦ ἐμφανοῦς ἐλοιδороῦντο, ὅς γε οὐκ ἀξιοχρεῶν πρὸς βασιλέως δύναμιν λαβὼν ἐτόλμησεν ἐπὶ Γότθους στρατεύεσθαι. [7] ταῦτα δὲ καὶ οἱ ἐκ βουλῆς ἦν σύγκλητον καλοῦσι Βελισαρίῳ ἐν παραβύστῳ ὠνείδιζον. ἅπερ Οὐίτιγιν πρὸς τῶν αὐτομόλων ἀκούσας συγκρούειν τε αὐτοὺς ἔτι μᾶλλον ἐθέλων καὶ ἐς πολλὴν ταραχὴν ἐμπεσεῖσθαι τὰ Ῥωμαίων πράγματα ταύτῃ οἰόμενος, πρέσβεις παρὰ Βελισάριον ἄλλους τε καὶ Ἀλβιν ἔπεμψεν. [8] οἱ, ἐπειδὴ ἐς ὅσιν τὴν Βελισαρίου ἀφίκοντο, παρόντων Ῥωμαίων τε τῶν ἐκ βουλῆς καὶ ὅσοι τοῦ στρατοῦ ἄρχοντες ἦσαν, ἔλεξαν τοιάδε: ‘Πάλαι, ὦ στρατηγέ, τοῖς ἀνθρώποις εὖ τε καὶ καλῶς διώρισται τὰ τῶν πραγμάτων ὀνόματα: ἐν οἷς ἐν τόδε ἐστί, θράσος κεχώρισται ἀνδρείας. [9] τὸ μὲν γὰρ αὐτῶν οἷς ἂν προσγένοιτο, ξὺν ἀτιμίᾳ ἐς κίνδυνον ἄγει, τὸ δὲ δόξαν ἀρετῆς ἱκανῶς φέρεται. [10] τούτων θάτερόν σε εἰς ἡμᾶς ἤνεγκεν, ὁπότερον μέντοι, αὐτίκα δηλώσεις. εἰ μὲν γὰρ ἀνδρεία πιστεύων ἐπὶ Γότθους ἐστράτευσας, ὀρθῶς γὰρ δήπου ἀπὸ τοῦ τείχους τὸ τῶν πολεμίων στρατόπεδον καὶ σοὶ ἀνδραγαθίζεσθαι, ὦ γενναῖε, διαρκῶς πάρεστιν: εἰ δὲ γε θράσει ἐχόμενος ἐφ’ ἡμᾶς ὥρμησαι, πάντως σοὶ καὶ μεταμέλει τῶν εἰκῇ πεπραγμένων. [11] τῶν γὰρ ἀπονενωμένων αἱ γνώμαι, ὅταν ἐν τοῖς ἀγῶσι γένωνται, μετανοεῖν φιλοῦσι. νῦν οὖν μήτε Ῥωμαίοις τοῖσδε περαιτέρω τὴν ταλαιπωρίαν μηκύνεσθαι ποίει, οὗς δὴ Θευδέριχος ἐν βίῳ τρυφερῷ τε καὶ ἄλλως ἐλευθέρῳ ἐξέθρεψε, μήτε τῷ Γότθῳ τε καὶ Ἰταλιωτῶν δεσπότη ἐμποδὼν ἴστασο. [12] πῶς γὰρ οὐκ ἄτοπον, σὲ μὲν οὕτω καθειργμένον τε καὶ τοὺς πολεμίους κατεπτηχότα ἐν Ῥώμῃ καθῆσθαι, τὸν δὲ ταύτης βασιλέα ἐν χαρακώματι διατρίβοντα τὰ τοῦ πολέμου κακὰ τοὺς αὐτοῦ κατηκόους ἐργάζεσθαι; [13] ἡμεῖς δὲ σοὶ τε καὶ τοῖς ἐπομένοις ποιεῖσθαι ἥδη τὴν ἄφοδον κατ’ ἐξουσίαν παρέξομεν, ἅπαντα τὰ ὑμέτερα αὐτῶν ἔχουσι. τὸ γὰρ ἐπεμβαίνειν τοῖς τὸ σῶφρον μεταματοῦσιν οὔτε ὅσιον οὔτε ἄξιον τρόπου τοῦ ἀνθρωπίνου εἶναι νομίζομεν. [14] ἡδέως δ’ ἂν καὶ Ῥωμαῖους ἔτι ἐροίμεθα

τούσδε, τί ποτε ἄρα Γότθοις ἐπικαλεῖν ἔχοντες ἡμᾶς τε αὐτὰ καὶ σφᾶς αὐτοὺς προὔδοσαν, οἳ γε τῆς μὲν ἡμετέρας ἐπιεικείας ἄχρι τοῦδε ἀπήλυσαν, νῦν δὲ καὶ τῆς παρ' ὑμῶν ἐπικουρίας εἰσὶν ἔμπειροι.' [15] Τοσαῦτα μὲν οἱ πρέσβεις εἶπον. Βελισάριος δὲ ἀμείβεται ὥδε: 'Ὁ μὲν τῆς ξυμβουλῆς καιρὸς οὐκ ἐφ' ὑμῖν κείσεται. γνώμη γὰρ τῶν πολεμίων ἤκιστα εἰώθασι πολεμεῖν ἄνθρωποι, ἀλλ' αὐτόν τινα τὰ οἰκεῖα διατίθεσθαι νόμος, ὅπῃ ἂν αὐτῷ δοκῇ ὡς ἄριστα ἔχειν. [16] φημί δὲ ὑμῖν ἀφίξεσθαι χρόνον ἡνίκα ὑπὸ ταῖς ἀκάνθαις βουλόμενοι τὰς κεφαλὰς κρύπτεσθαι οὐδαμῇ ἔξετε. [17] Ῥώμην μέντοι ἐλόντες ἡμεῖς τῶν ἀλλοτρίων οὐδὲν ἔχομεν, ἀλλ' ὑμεῖς ταύτης τὰ πρότερα ἐπιβατεύσαντες, οὐδὲν ὑμῖν προσῆκον, νῦν οὐχ ἐκόντες τοῖς πάλαι κεκτημένοις ἀπέδοτε. [18] ὅστις δὲ ὑμῶν Ῥώμης ἐλπίδα ἔχει ἀμαχητὶ ἐπιβήσεσθαι, γνώμης ἀμαρτάνει. ζῶντα γὰρ Βελισάριον μεθήσεσθαι ταύτης ἀδύνατον.' τοσαῦτα μὲν καὶ Βελισάριος εἶπε. [19] Ῥωμαῖοι δὲ ἐν δέει μεγάλῳ γενόμενοι ἡσυχῇ ἐκάθηντο, καὶ οὐδὲν τοῖς πρέσβεσιν ἀντιλέγειν ἐτόλμων, καίπερ ἐπὶ τῇ ἐς Γότθους προδοσίᾳ πολλὰ πρὸς αὐτῶν κακιζόμενοι, πλὴν γε δὴ ὅτι Φιδέλιος αὐτοὺς ἐρεσχελεῖν ἔγνω. [20] ὃς τότε τῆς αὐλῆς ὑπαρχος καταστάς πρὸς Βελισαρίου ἐτύγχανε, καὶ ἀπ' αὐτοῦ πάντων μάλιστα ἔδοξε βασιλεῖ εὐνοϊκῶς ἔχειν.

Οὕτω μὲν δὴ οἱ πρέσβεις ἐς τὸ σφέτερον στρατόπεδον ἐκομίζοντο. καὶ ἐπεὶ αὐτῶν Οὐίτιγίς ἐπυνθάνετο ὁποῖός τε ἀνὴρ Βελισάριος εἴη καὶ γνώμης ὅπως ποτὲ ἀμφὶ τῇ ἐνθένδε ἀναχωρήσει ἔχοι, ἀπεκρίναντο ὡς οὐκ εἰκότα Γότθοι ἐλπίζουσι, δεδίζεσθαι Βελισάριον ὅτῳ δὴ τρόπῳ οἰόμενοι. [2] Οὐίτιγίς δὲ ταῦτα ἀκούσας τειχομαχεῖν τε πολλῇ σπουδῇ ἐβουλεύετο καὶ τὰ ἐς τὴν τοῦ περιβόλου ἐπιβουλὴν ἐξηρτύετο ὥδε. [3] πύργους ξυλίνους ἐποίησατο ἴσους τῷ τείχει τῶν πολεμίων, καὶ ἔτυχέ γε τοῦ ἀληθοῦς μέτρου πολλάκις ξυμμετρησάμενος ταῖς τῶν λίθων ἐπιβολαῖς. [4] τούτοις δὲ τοῖς πύργοις τροχοὶ ἐς τὴν βάσιν ἐμβεβλημένοι πρὸς γωνία ἐκάστη ὑπέκιντο, οἳ δὴ αὐτοὺς κυλινδούμενοι ῥᾶστα περιάξουν ἔμελλον ὅπῃ οἱ τειχομαχοῦντες ἀεὶ βούλονται, καὶ βόες τοὺς πύργους ξυνδεδεμένοι εἴλκον. [5] ἔπειτα δὲ κλίμακας πολλὰς τε τὸ πλῆθος καὶ ἄχρι ἐς τὰς ἐπάλξεις ἐξικνουμένας ἡτοίμαζε καὶ μηχανὰς τέσσαρας αἱ κριοὶ καλοῦνται. [6] ἔστι δὲ ἡ μηχανὴ τοιαύτη. κίνες ὀρθοὶ ξύλινοι τέσσαρες ἀντίοι τε καὶ ἴσοι ἀλλήλοις ἐστᾶσι. τούτοις δὲ τοῖς κίοσι δοκοὺς ὀκτὼ ἐγκαρσίας ἐνείροντες τέσσαρας μὲν ἄνω, τοσαύτας δὲ πρὸς ταῖς βάσεσιν ἐναρμόζουσιν. [7] οἰκίσκου τε σχῆμα τετραγώνου ἐργαζόμενοι προκαλύμμα πανταχόθεν ἀντὶ τοίχων τε καὶ τείχους διφθέρας αὐτῷ περιβάλλουσιν, ὅπως ἢ τε μηχανὴ τοῖς ἔλκουσιν ἐλαφρὰ εἴη καὶ οἱ ἔνδον ἐν ἀσφαλεῖ ᾧσιν, ὡς πρὸς τῶν ἐναντίων ἤκιστα βάλλεσθαι. [8] ἐντὸς δὲ αὐτῆς δοκὸν ἐτέραν ἄνωθεν ἐγκαρσίαν ἀρτήσαντες χαλαραῖς ταῖς ἀλύσεσι κατὰ μέσσην μάλιστα τὴν μηχανὴν ἔχουσιν. ἥς δὴ ὀξεῖαν ποιούμενοι τὴν ἄκραν, σιδήρῳ πολλῷ καθάπερ ἀκίδα καλύπτουσι βέλους, ἢ καὶ τετράγωνον, ὥσπερ ἄκμονα, τὸν σίδηρον ποιοῦσι. [9] καὶ τροχοῖς μὲν ἡ μηχανὴ τέσσαρσι πρὸς κίονι ἐκάστῳ κειμένοις ἐπῆρται, ἄνδρες δὲ αὐτὴν οὐχ ἥσσον ἢ κατὰ πεντήκοντα κινουσιν ἔνδοθεν. [10] οἱ ἐπειδὰν αὐτὴν τῷ περιβόλῳ ἐρείσωσι, τὴν δοκὸν ἥς δὴ ἄρτι ἐμνήσθην μηχανῇ τινι στρέφοντες ὀπίσω ἀνέλκουσιν, αὐθὺς τε αὐτὴν ξὺν ῥύμῃ πολλῇ ἐπὶ τὸ τεῖχος ἀφιάσιν. [11] ἡ δὲ συχνὰ ἐμβαλλομένη

κατασεῖσαι τε ὅπη προσπίπτει καὶ διελεῖν ῥᾶστα οἷα τέ ἐστι, καὶ ἀπ' αὐτοῦ τὴν ἐπωνυμίαν ταύτην ἢ μηχανὴν ἔχει, ἐπεὶ τῆς δοκοῦ ταύτης ἢ ἐμβολὴ προὔχουσα πλήσσειν ὅπου παρατύχοι, καθάπερ τῶν προβάτων τὰ ἄρρενα, [12] εἶωθε. τῶν μὲν οὖν τειχομαχοῦντων οἱ κριοὶ τοιοῦδε εἰσὶ. [13] Γότθοι δὲ πάμπολύ τι φακέλλων χρῆμα ἔκ τε ξύλων καὶ καλάμων ποιησάμενοι ἐν παρασκευῇ εἶχον, ὅπως δὴ ἐς τὴν τάφρον ἐμβαλόντες ὁμαλόν τε τὸν χώρον ἐργάσωνται καὶ ταύτῃ διαβαίνειν αἱ μηχαναὶ ἤκιστα εἰργωνται. οὕτω μὲν δὴ Γότθοι παρασκευασάμενοι τειχομαχεῖν ὥρμητο. [14] Βελισάριος δὲ μηχανὰς μὲν ἐς τοὺς πύργους ἐτίθετο ἄς καλοῦσι βαλλίστρας. τόξου δὲ σχῆμα ἔχουσιν αἱ μηχαναὶ αὗται, ἔνερθεν τε αὐτοῦ κοίλῃ τις ξυλίνη κεραία προὔχει, αὐτὴ μὲν χαλαρὰ ἡρτημένη, σιδηρᾷ δὲ εὐθείᾳ τινὶ ἐπικειμένη. [15] ἐπειδὴν οὖν τοὺς πολεμίους ἐνθένδε βάλλειν ἐθέλουσιν ἄνθρωποι, βρόχου βραχέος ἐνέρσει τὰ ξύλα ἐς ἄλληλα νεύειν ποιοῦσιν ἃ δὴ τοῦ τόξου ἄκρα ξυμβαίνει εἶναι, τὸν τε ἄτρακτον ἐν τῇ κοίλῃ κεραίᾳ τίθενται, τῶν ἄλλων βελῶν, ἅπερ ἐκ τῶν τόξων ἀφίᾳσι, μήκος μὲν ἔχοντα ἥμισυ μάλιστα, εὖρος δὲ κατὰ τετραπλάσιον. [16] πτεροῖς μέντοι οὐ τοῖς εἰωθόσιν ἐνέχεται, ἀλλὰ ξύλα λεπτὰ ἐς τῶν πτερῶν τὴν χώραν ἐνείροντες ὅλον ἀπομιμοῦνται τοῦ βέλους τὸ σχῆμα, μεγάλην αὐτῷ λίαν καὶ τοῦ πάχους κατὰ λόγον τὴν ἀκίδα ἐμβάλλοντες. [17] σφίγγουσί τε σθένει πολλῷ οἱ ἀμφοτέρωθεν μηχαναῖς τισι, καὶ τότε ἡ κοίλῃ κεραία προῖοῦσα ἐκπίπτει μὲν, ξὺν ῥύμῃ δὲ τοσαύτῃ ἐκπίπτει τὸ βέλος ὥστε ἐξικνεῖται μὲν οὐχ ἥσσον ἢ κατὰ δύο τῆς τοξείας βολάς, δένδρου δὲ ἢ λίθου ἐπιτυχὸν τέμνει ῥαδίως. [18] τοιαύτη μὲν ἡ μηχανή ἐστιν ἐπὶ τοῦ ὀνόματος τούτου, ὅτι δὴ βάλλει ὡς μάλιστα, ἐπικληθεῖσα. ἐτέρας δὲ μηχανὰς ἐπήξαντο ἐν ταῖς τοῦ περιβόλου ἐπάλξεσιν ἐς λίθων βολὰς ἐπιτηδεῖας. [19] σφενδόνη δὲ αὐταὶ εἰσιν ἐμφορεῖς καὶ ὄναγροι ἐπικαλοῦνται. ἐν δὲ ταῖς πύλαις λύκους ἔξω ἐπετίθεντο, οὓς δὴ ποιοῦσι τρόπῳ τοιῷδε. [20] δοκοὺς δύο ἰσθᾶσιν ἐκ γῆς ἄχρι καὶ ἐς τὰς ἐπάλξεις ἐξικνουμένας, ξύλα τε εἰργασμένα ἐπ' ἄλληλα θέμενοι τὰ μὲν ὀρθά, τὰ δὲ ἐγκάρσια ἐναρμόζουσιν, ὡς τῶν ἐνέρσεων τὰ ἐν μέσῳ εἰς ἄλληλα τρυπήματα φαίνεσθαι. [21] ἐκάστης δὲ ἀρμονίας ἐμβολὴ τις προὔχει, κέντρῳ παχεὶ ἐς τὰ μάλιστα ἐμφορῆς οὖσα. καὶ τῶν ξύλων τὰ ἐγκάρσια ἐς δοκὸν ἐκατέραν πηξάμενοι, ἄνωθεν ἄχρι ἐς μοῖραν διήκοντα τὴν ἡμίσειαν, ὑπτίας τὰς δοκοὺς ἐπὶ τῶν πυλῶν ἀνακλίνουσι. [22] καὶ ἐπειδὴν αὐτῶν ἐγγυτέρω οἱ πολέμιοι ἴκωνται, οἱ δὲ ἄνωθεν ἄκρων δοκῶν ἀνάμενοι ὠθοῦσιν, αὗται δὲ ἐς τοὺς ἐπίνοντας ἐκ τοῦ αἰφνιδίου ἐμπίπτουσαι τοῖς προέχουσιν τῶν ἐμβολῶν, ὅσους ἂν λάβοιεν, εὐπετῶς κτείνουσι. Βελισάριος μὲν οὖν ταῦτα ἐποίει.

Γότθοι δὲ ὀκτωκαιδεκάτῃ ἀπὸ τῆς προσεδρείας ἡμέρα, Οὐιττίγιδος σφίσιν ἡγουμένου, ἀμφὶ ἡλίου ἀνατολὰς ὡς τειχομαχήσοντες ἐπὶ τὸν περίβολον ἦσαν, καὶ Ῥωμαίους ἅπαντας προῖοῦσα ἢ τῶν πύργων τε καὶ κριῶν ὄψις παντάπασί τε ἀήθης οὖσα ἐξέπλησσε. [2] Βελισάριος δὲ βαδίζουσιν ξὺν ταῖς μηχαναῖς ὁρῶν τὴν τῶν πολεμίων παράταξιν, ἐγέλα τε καὶ τοὺς στρατιώτας ἡσυχάζειν ἐκέλευε, καὶ τῶν χειρῶν μηδαμῶς ἄρχειν, ἕως αὐτὸς σημήνῃ. οὗτου δὲ ἔνεκα γελῶν, ἐν μὲν τῷ αὐτίκα ἤκιστα ἐδήλου, ὕστερον δὲ ἐγνώσθη. [3] Ῥωμαῖοι μέντοι αὐτὸν εἰρωνεύεσθαι ὑποτοπάσαντες ἐκάκιζόν τε καὶ ἀναιδῆ

ἐκάλουν, καὶ ὅτι ἐς τὰ πρόσω ἰόντας οὐκ ἀναστέλλοι τοὺς ἐναντίους, δεινὰ ἐποιοῦντο. [4] ἐπεὶ δὲ Γότθοι τῆς τάφρου ἐγγυτέρω ἵκοντο, πρῶτος ὁ στρατηγὸς τὸ τόξον ἐντείνας, τῶν τινα θεωρακισμένων τε καὶ τῆς στρατιᾶς ἡγουμένων εἰς τὸν αὐχένα ἐπιτυχὼν βάλλει. [5] καὶ ὁ μὲν καιρίαν πληγὴς ἔπεσεν ὕψτις, Ῥωμαίων δὲ ὁ λεῶς ἅπας ἀνέκραγον ἐξαίσιον τε καὶ ἀκοῆς κρεῖσσον, ἄριστον οἰωνὸν ξυνενεχθῆναι σφίσιν οἰόμενοι. [6] δις δὲ Βελισαρίου τὸ βέλος ἀφέντος, ταῦτο τοῦτο καὶ αὐθις ξυνέβη, καὶ ἡ τε κραυγὴ μείζων ἀπὸ τοῦ περιβόλου ἤρθη καὶ τοὺς πολεμίους ἡσῆσθαι ἤδη Ῥωμαῖοι ᾤοντο. [7] καὶ τότε μὲν Βελισάριος τῇ μὲν στρατιᾷ πάσῃ κινεῖν τὰ τοξεύματα πάντα ἐσήμαινε, τοὺς δὲ ἀμφ' αὐτὸν ἅπαντας ἐς μόνους τοὺς βόας ἐκέλευε βάλλειν. [8] πάντων τε τῶν βοῶν αὐτίκα πεσόντων, οὔτε τοὺς πύργους περαιτέρω κινεῖν οἱ πολέμιοι εἶχον οὔτε τι ἐπιτεχνήσασθαι ἀπορούμενοι ἐν αὐτῷ τῷ ἔργῳ οἶοί τε ἦσαν. [9] οὕτω δὲ Βελισαρίου τε ἡ πρόνοια ἐγνώσθη τοῦ μὴ ἐκαστάτω ὄντας τοὺς πολεμίους ἀναστέλλειν πειρᾶσθαι, καὶ ὅτι γελῶν τὴν τῶν βαρβάρων εὐήθειαν, οἱ δὲ βόας περιάξειν ἐς τῶν ἐναντίων τὸ τεῖχος οὕτως ἀνεπισκέπτως ἐλπίδα εἶχον. ταῦτα μὲν ἀμφὶ Σαλαρίαν πύλην ἐγένετο. [10] Οὐίττιγίς δὲ ταύτῃ ἀποκρουσθεὶς, Γότθων μὲν στρατιὰν πολλὴν αὐτοῦ εἶασε, φάλαγγα δὲ αὐτῶν βαθεῖαν κομιδῇ ποιησάμενος καὶ τοῖς ἄρχουσιν ἐπιστείλας προσβολὴν μὲν μηδαμῇ τοῦ περιβόλου ποιεῖσθαι, μένοντας δὲ ἐν τάξει βάλλειν τε συχνὰ ἐς τὰς ἐπάλξεις καὶ ὥς ἥκιστα Βελισαρίῳ καιρὸν ἐνδιδόναι ἐπιβοηθεῖν ἐτέρωσε τοῦ τείχους ὅπῃ ἂν αὐτὸς προσβάλλειν μέλλῃ στρατῷ πλείονι, οὕτω δὲ ἀμφὶ πύλην Πραίνεστίναν ἐπὶ μοῖραν τοῦ περιβόλου ἦν Ῥωμαῖοι Βιβάριον καλοῦσι, καὶ ἡ τὸ τεῖχος ἦν ἐπιμαχώτατον μάλιστα, [11] πολλῶν στρατῶν ἦν. ἐτύγγανον δὲ ἤδη καὶ μηχαναὶ ἄλλαι πύργων τε καὶ κριῶν καὶ κλίμακες πολλαὶ ἐνταῦθα οὔσαι. [12] Ἐν τούτῳ δὲ Γότθων προσβολῇ ἐτέρα ἐς πύλην Αὐρηλίαν ἐγένετο τρόπῳ τοιῷδε. Ἀδριανοῦ τοῦ Ῥωμαίων αυτοκράτορος τάφος ἔξω πύλης Αὐρηλίας ἐστίν, ἀπέχων τοῦ περιβόλου ὅσον λίθου βολήν, θέαμα λόγου πολλοῦ ἄξιον. [13] πεποιήται γὰρ ἐκ λίθου Παρίου καὶ οἱ λίθοι ἐπ' ἀλλήλοις μεμύκασιν, οὐδὲν ἄλλο ἐντὸς ἔχοντες. πλευραὶ τε αὐτοῦ τέσσαρές εἰσιν ἴσαι ἀλλήλαις, εὖρος μὲν σχεδόν τι ἐς λίθου βολὴν ἐκάστη ἔχουσα, μήκος δὲ ὑπὲρ τὸ τῆς πόλεως τεῖχος. [14] ἀγάλματά τε ἄνω ἐκ λίθου εἰσὶ τοῦ αὐτοῦ ἀνδρῶν τε καὶ ἵππων θαυμάσια οἷα. τοῦτον δὲ τὸν τάφον οἱ παλαιοὶ ἄνθρωποι ἐδόκει γὰρ τῇ πόλει ἐπιτείχισμα εἶναι τειχίσμασι δύο ἐς αὐτὸν ἀπὸ τοῦ περιβόλου διήκουσι περιβάλλουσι καὶ μέρος εἶναι τοῦ τείχους πεποιήναι. [15] ἔοικε γοῦν πύργῳ ὑψηλῷ πύλης τῆς ἐκείνῃ προβεβλημένῳ. ἦν μὲν οὖν τὸ ἐνταῦθα ὀχύρωμα ἰκανώτατον. τούτου δὲ τῷ φυλακτηρίῳ Κωνσταντῖνον ἐπιστήσας Βελισάριος ἔτυχεν. [16] ὃ δὲ ἐπέστειλε καὶ τῆς φυλακῆς τείχους τοῦ ἐχομένου ἐπιμελεῖσθαι, φαύλην τινὰ καὶ οὐκ ἀξιόλογον φρουρὰν ἔχοντος. ἥκιστα γὰρ ταύτῃ ἐπιμάχου ὄντος τοῦ περιβόλου, ἅτε τοῦ ποταμοῦ παραρρέοντος, οὐδεμίαν αὐτόθι προσβολὴν ἔσεσθαι ὑποτοπήσας, οὐκ ἀξιόλογον ἐνταῦθα φυλακτήριον κατεστήσατο, ἀλλ' ὀλίγων οἱ τῶν στρατιωτῶν ὄντων, τοῖς τῶν χωρίων ἀναγκαιοτάτοις τὸ πλῆθος ἐνεμεν. [17] ἐς πεντακισχιλίους γὰρ μάλιστα τὸ βασιλέως στράτευμα ἐν Ῥώμῃ κατ' ἀρχὰς τῆσδε τῆς πολιορκίας ξυνήει. [18] Κωνσταντῖνος δὲ καὶ γὰρ οἱ ἡγγέλλοντο οἱ πολέμιοι τῆς ἐς τὸν Τίβεριν

ἀποπειρώμενοι διαβάσεως ὁδεύοντας περὶ τῷ ἐκείνῳ τειχίσματι αὐτὸς μὲν κατὰ τάχος ἐκείσε ζὺν ὀλίγοις τισὶν ἐβοήθει, τοῖς δὲ πλείοσι τῆς ἐν τῇ πύλῃ τε καὶ τῷ τάφῳ φρουρᾶς ἐπιμελεῖσθαι παρήγγελλεν. [19] ἐν τούτῳ δὲ οἱ Γότθοι πύλῃ τῇ Αὐρηλιά καὶ τῷ Ἀδριανοῦ πύργῳ προσέβαλλον, μηχανὴν μὲν οὐδεμίαν ἔχοντες, κλιμάκων δὲ πάμπολύ τι ἐπαγόμενοι χρήμα καὶ τοξευμάτων πλήθει ῥᾶον ἔς τε ἀπορίαν καταστήσασθαι τοὺς πολεμίους οἰόμενοι καὶ τοῦ ἐνταῦθα φυλακτηρίου κρατῆσιν δι' ὀλιγανθρωπίαν οὐδενὶ πόνῳ. [20] θύρας δὲ προβεβλημένοι ἐβάδιζον, οὐδὲν ἐλασσουμένας τῶν ἐν Πέρσαις θυρεῶν, καὶ ἔλαθόν γε τοὺς ἐναντίους ἀγχοτάτω αὐτῶν ἦκοντες. [21] ὑπὸ γὰρ τῇ στοᾷ κρυπτόμενοι ἦλθον ἢ ἐς τὸν Πέτρου τοῦ ἀποστόλου νεῶν διήκει. ἐνθὲνδε φανέντες ἐξαπναιῶς ἔργου εἶχοντο, ὥς μήτε τῇ καλουμένῃ βαλλίστρᾳ χρῆσθαι τοὺς φύλακας οἷους τε εἶναι ὅτι γὰρ πέμπουσιν ὅτι μὴ ἐξ ἐναντίας αἱ μηχαναὶ αὐταὶ τὰ βέλη οὐ μὴν οὐδὲ τοῖς τοξεύμασι τοὺς ἐπιόντας ἀμύνεσθαι, τοῦ πράγματος σφίσι διὰ τὰς θύρας ἀντιστατοῦντος. [22] ἐπεὶ δὲ καρτερῶς τε οἱ Γότθοι ἐνέκειντο, βάλλοντες συχνὰ ἐς τὰς ἐπάλξεις, καὶ τὰς κλίμακας ἤδη προσθήσειν τῷ τειχίσματι ἔμελλον, κυκλώσαντες σχεδὸν τι τοὺς ἐκ τοῦ τάφου ἀμυνομένους, αἰεὶ γὰρ αὐτοῖς, εἰ χωρήσειαν, κατὰ νότου ἐκ τῶν πλαγίων ἐγίνοντο, χρόνον μὲν τινα ὀλίγον ἐκπληξίς τοῖς Ῥωμαίοις ἐγένετο οὐκ ἔχουσι καθ' ὃ τι χρὴ ἀμυνομένους σωθῆναι, μετὰ δὲ ξυμφρονήσαντες τῶν ἀγαλμάτων τὰ πλεῖστα, μεγάλα λίαν ὄντα, διέφθειρον, αἶροντές τε λίθους περιπληθεῖς ἐνθὲνδε χερσὶν ἀμφοτέραις κατὰ κορυφὴν ἐπὶ τοὺς πολεμίους ἐρρίπτουν, οἱ δὲ βαλλόμενοι ἐνεδίδουσιν. [23] κατὰ βραχὺ τε αὐτῶν ὑποχωρούντων, τὸ πλεόν ἤδη Ῥωμαῖοι ἔχοντες, ἐθάρσησάν τε καὶ ζὺν βοῇ μείζονι τόξοις τε καὶ λίθων βολαῖς τοὺς τειχομαχοῦντας ἡμύνοντο. [24] καὶ τῶν μηχανῶν ἀψάμενοι ἐς δέος μέγα τοὺς ἐναντίους ἦγον, ἢ τε προσβολὴ αὐτῶν δι' ὀλίγου ἐγένετο. [25] παρὴν δὲ ἤδη καὶ Κωνσταντῖνος δεδιζάμενός τε τοὺς τοῦ ποταμοῦ ἀποπειρασαμένους καὶ ῥαδίως ὠσάμενος, ἐπεὶ οὐ παντάπασιν ἀφύλακτον, ὥσπερ ᾤοντο, τὸ ἐκείνη τείχισμα εὗρον. οὕτω τε ἐν τῷ ἀσφαλεῖ τὰ ἀμφὶ πύλῃν Αὐρηλίαν ἐγένετο.

Ἐς μέντοι πύλῃν τὴν ὑπὲρ ποταμὸν Τίβεριν, ἢ Παγκρατιανὴ καλεῖται, δύναμις τῶν πολεμίων ἐλθοῦσα οὐδὲν ὅ τι καὶ ἄξιον λόγου ἔδρασε, χωρίου ἰσχυτοῦ: ἀνάντης τε γὰρ καὶ πρὸς τὰς ἐφόδους οὐκ εὐπετὴς ταύτη ὁ τῆς πόλεως περίβολός ἐστι. [2] Παῦλος ἐνταῦθα φυλακὴν εἶχε, ζὺν καταλόγῳ πεζικῷ οὗ αὐτὸς ἦρχεν. οὐ μὴν οὐδὲ πύλης Φλαμινίας ἀπεπειράσαντο, ἐπεὶ ἐν χώρῳ κρημνῶδε κειμένη οὐ λίαν ἐστὶν εὐπρόσοδος. [3] οἱ Ῥῆγες ἐνταῦθα, πεζικὸν τέλος, ἐφύλασσον καὶ Οὐρσικίνος, ὃς αὐτῶν ἦρχε. ταύτης δὲ μετὰ τῆς πύλης καὶ τῆς ἐν δεξιᾷ ἐχομένης πυλίδος, ἢ Πιγκιανὴ ὀνομάζεται, μοῖρά τις τοῦ περιβόλου δίχα τὸ παλαιὸν ἀπὸ ταυτομάτου διαιρεθεῖσα, οὐκ ἐξ ἐδάφους μέντοι, ἀλλ' ὅσον ἐκ μήκους τοῦ ἡμίσεος, οὐκ ἔπεσε μὲν οὐδὲ ἄλλως διεφθάρη, ἐκλίθη δὲ οὕτως ἐφ' ἑκάτερα, ὥς τὸ μὲν ἐκτὸς τοῦ ἄλλου τείχους, τὸ δὲ ἐντὸς φαίνεσθαι. [4] καὶ ἀπ' αὐτοῦ Περιβόλον Διερωγότα Ῥωμαῖοι τῇ σφετέρᾳ γλώσσει ἐκ παλαιοῦ καλοῦσι τὸν χῶρον. [5] τοῦτο δὲ τὸ μέρος καθελεῖν τε καὶ ἀνοικοδομήσασθαι Βελισάριον κατ' ἀρχὰς ἐγχειροῦντα ἐκώλυν Ῥωμαῖοι, Πέτρον σφίσι τὸν ἀπόστολον ὑποσχέσθαι ἰσχυριζόμενοι

αὐτῷ μελήσειν τοῦ ἐνταῦθα φυλακτηρίου. τοῦτον δὲ τὸν ἀπόστολον σέβονται Ῥωμαῖοι καὶ τεθήπασι πάντων μάλιστα. [6] ἀπέβη τε αὐτοῖς ἅπαντα ἐν τῷδε τῷ χωρίῳ ἧ διανοοῦντο καὶ προσεδόκων. οὐδὲ γὰρ τῇ ἡμέρᾳ ἐκείνῃ, οὐ μὴν οὐδὲ ἐς τὸν ἅπαντα χρόνον καθ' ὃν Γότθοι Ῥώμην ἐπολιόρκουν, οὔτε πολεμίων τις δύναμις ἐνταῦθα ἀφίκετο οὔτε τινὰ ταραχὴν γενέσθαι ξυνέβη. [7] καὶ ἐθαυμάζομέν γε ὅτι οὐδὲ ἐς μνήμην ἡμετέραν ἢ τῶν πολεμίων αὕτη τοῦ περιβόλου ἢ μοῖρα παρὰ πάντα τὸν χρόνον ἦλθεν, οὔτε τειχομαχοῦντων οὔτε νύκτωρ ἐπιβουλευόντων τῷ τείχει, οἷα πολλὰ ἐνεχείρισαν. [8] διὸ δὴ οὐδὲ ὕστερόν τις ἀνοικοδομήσασθαι τοῦτο ἐτόλμησεν, ἀλλ' ἐς ἡμέραν τήνδε οὕτω τὸ ἐκείνῃ διήρηται τείχος. ταῦτα μὲν οὖν ὧδέ πη ἔσχεν. [9] Ἐν δὲ Σαλαρίᾳ πύλῃ Γότθος ἀνὴρ εὐμήκης τε καὶ ἀγαθὸς τὰ πολέμια θώρακά τε ἐνδιδυσκόμενος καὶ κράνος ἐν τῇ κεφαλῇ ἔχων, ὧν τε οὐκ ἀφανὴς ἐν τῷ Γότθων ἔθνει, οὐκ ἐν τάξει ζῶν τοῖς ἄλλοις ἔμεινεν, ἀλλ' ἐπὶ δένδρου ἰστάμενος ἔβαλλε συχνὰ ἐς τὰς ἐπάλξεις. [10] τοῦτον δὲ τὸν ἄνδρα μηχανὴ ἐν πύργῳ κατὰ μέρος τὸ λαιὸν οὔσα τύχῃ τινὶ ἔβαλε. [11] διαβὰν δὲ τὸν τε θώρακα καὶ τὸ τοῦ ἀνθρώπου σῶμα τὸ βέλος ὑπὲρ ἡμισυ ἐς τὸ δένδρον ἔδω, ἐνέρσει τε αὐτοῦ τὸν ἄνδρα ξυνδήσαν νεκρὸν ἤρτησεν. [12] ὅπερ ἐπεὶ οἱ Γότθοι κατείδον, κατορρωδήσαντες καὶ βελῶν ἔξω γενόμενοι ἔμεινον μὲν ἔτι ἐν τάξει, τοὺς δὲ ἐν τῷ τείχει οὐκέτι ἐλύπουν. [13] Βέσσας δὲ καὶ Περάνιος, Οὐιτιγίδος ἐν Βιβαρίῳ ἰσχυρότατα ἐγκειμένου σφίσι, Βελισάριον μετεπέμποντο. ὁ δὲ δεῖσας περὶ τῷ ἐνταῦθα τείχει ἣν γὰρ ταύτη ἐπιμαχώτατον, ὥσπερ εἴρηται κατὰ τάχος ἐβοήθει αὐτός, τῶν τινα ἐπιτηδεῖων λιπὼν ἐν Σαλαρίᾳ. [14] καὶ τοὺς στρατιώτας εὐρὼν ἐν Βιβαρίῳ τὴν προσβολὴν τῶν ἐναντίων πεφοβημένους, μεγάλην τε οὔσαν καὶ πολυάνθρωπον, ὑπερφρονεῖν τε τῶν πολεμίων ἐκέλευε καὶ ἐπὶ τὸ θαρσεῖν ἀντικαθίστη. [15] ἦν δὲ ὁ ταύτῃ χῶρος ὁμαλὸς κομιδῇ καὶ ἀπ' αὐτοῦ ταῖς ἐφόδοις τῶν προσιόντων ἐκκείμενος. τύχῃ τέ τινι τὸ ἐκείνῃ τείχος οὕτως ἐπὶ πλεῖστον διερρυήκει ὥς τῶν πλίνθων μὴ λίαν τὴν ξυνθήκην ξυνίστασθαι. [16] τείχισμα δὲ ἄλλο βραχὺ περιέβαλλον ἔξωθεν αὐτῷ οἱ πάλοι Ῥωμαῖοι, οὐκ ἀσφαλείας τινὸς ἕνεκα ὅτι γὰρ οὖν οὐδὲ πύργων ὀχύρωμα εἶχεν, οὐ μὴν οὐδὲ ἐπάλξεις τινὲς ἐνταῦθα πεποίηντο οὐδέ τι ἄλλο ὅθεν ἂν καὶ ἀπώσασθαι οἷόν τε ἦν τὴν ἐς τὸν περιβόλον ἐπιβουλὴν τῶν πολεμίων, ἀλλὰ τρυφῆς τινος οὐκ εὐπρεποῦς χάριν, ὅπως δὴ λέοντάς τε καὶ τᾶλλα θηρία καθεῖρξαντες ἐνταῦθα τηροῖεν. [17] διὸ δὴ καὶ Βιβάριον τοῦτο ὠνόμασται: οὕτω γὰρ Ῥωμαῖοι καλοῦσι τὸν χῶρον οὗ ἂν τῶν ζώων τὰ μὴ χειροῆθη τρέφεσθαι εἴωθεν. Οὐίτιγίς μὲν οὖν μηχανάς τε ἄλλας ἄλλῃ τοῦ τείχους ἡτοίμαζε καὶ ὀρύσσειν τὸ ἔξω τείχισμα τοὺς Γότθους ἐκέλευεν, οἰόμενος, ἦν τούτου ἐντὸς γένωνται, πόνῳ οὐδενὶ τοῦ τείχους κρατήσιν, ὅπερ οὐδαμῇ ἐχυρὸν ξυνηπίστατο εἶναι. [18] Βελισάριος δὲ ὀρῶν τοὺς πολεμίους τό τε Βιβάριον διορύσσοντας καὶ πολλαχῇ τοῦ περιβόλου προσβάλλοντας, οὔτε ἀμύνειν τοὺς στρατιώτας οὔτε ἐν ταῖς ἐπάλξεσι μένειν, ὅτι μὴ λίαν ὀλίγους, εἶα, καίπερ ἅπαν ζῶν αὐτῷ ἔχων εἴ τι ἐν τῷ στρατοπέδῳ λόγιμον ἦν. [19] κάτω δὲ ἅπαντας ἀμφὶ τὰς πύλας ἐν παρασκευῇ εἶχε θεωρακισμένους τε καὶ ξίφη μόνον ἐν χερσὶ φέροντας. ἐπεὶ δὲ οἱ Γότθοι, διελόντες τὸν τοῖχον, ἐντὸς Βιβαρίου ἐγένοντο, Κυπριανὸν ζῶν ἄλλοις τισὶ κατὰ τάχος ἐπ' αὐτοὺς

ἐσθίβασας ἔργου ἐκέλευεν ἔχθου. [20] καὶ οἱ μὲν τοὺς ἐσπετωκότας ἅπαντας ἔκτεινον, οὐτε ἀμυνομένους καὶ ὑπὸ σφῶν αὐτῶν διαφθειρομένους ἐν τῇ ἐς τὴν ἔξοδον στενοχωρίᾳ. [21] τῶν δὲ πολεμίων τῷ ἀπροσδοκίῳ καταπλαγέντων καὶ οὐκ ἐν τάξει συντεταγμένων, ἀλλὰ ἄλλου ἄλλῃ φερομένου, τοῦ περιβόλου τὰς πύλας ἀνακλίνας ἐξαπινάϊως ἅπαν ἐπὶ τοὺς ἐναντίους ἤφειε τὸ στράτευμα. [22] καὶ οἱ μὲν Γότθοι ἐς ἀλκὴν ἤκιστα ἔβλεπον, ἀλλ' ἐς φυγὴν, ὅπῃ ἕκαστος ἔτυχεν, ὥρμητο: ἐπισπόμενοι δὲ Ῥωμαῖοι τοὺς αἰεὶ ἐν ποσὶ ῥᾶστα ἔκτεινον, ἥ τε διώξις πολλὴ γέγονεν, ἐπεὶ οἱ Γότθοι μακρὰν ἀπολελειμμένοι τῶν σφετέρων χαρακωμάτων τῇδε εἰτειχομάχουν. [23] Βελισάριος δὲ τὰς τῶν πολεμίων μηχανὰς καίειν ἐκέλευεν, ἐπὶ πλείστον τε ἡ φλόξ αἰρομένη μεῖζονα τὴν ἐκπληξιν, ὥς τὸ εἰκός, τοῖς φεύγουσιν ἐποίει. [24] Ἐν τούτῳ δὲ καὶ κατὰ πύλιν Σαλαρίαν ξυμπεσεῖν τὴν ὁμοίαν τύχην ξυνέβη. τὰς τε γὰρ πύλας ἐξαπινάϊως ἀνέφωγον καὶ ἐς τοὺς βαρβάρους ἐκ τοῦ ἀπροσδοκίτου ἐνέπιπτον, τούτους τε οὐκ ἀμυνομένους, ἀλλὰ τὰ νῶτα στρέψαντας ἔκτεινον, [25] καὶ τὰ κατ' αὐτοὺς μηχανήματα ἔκαιον. καὶ ἡ τε φλόξ πολλαχῇ τοῦ τείχους ἐπὶ μέγα ἤρθη ἢ τε τῶν Γότθων ὑπαγωγὴ κατὰ κράτος ἤδη ἐκ παντὸς τοῦ περιβόλου ἐγένετο, καὶ ἡ κραυγὴ ἀμφοτέρωθεν ὑπερφυῆς ἦν, τῶν μὲν ἐν τῷ τείχει τοῖς διώκουσιν ἐγκελευομένων, τῶν δὲ ἐν τοῖς χαρακώμασι τὴν τοῦ πάθους ὑπερβολὴν ὀδυρομένων. [26] ἀπέθανον δὲ Γότθων ἐκείνῃ τῇ ἡμέρᾳ τρισμῦριοι, ὥς αὐτῶν οἱ ἄρχοντες ἰσχυρίζοντο, καὶ τραυματίαι πλείους ἐγένοντο: ἅτε γὰρ ἐν πλήθει πολλῷ οἱ τε ἀπὸ τῶν ἐπάλξεων τὰ πλείστα ἐτύγχανον εἰς αὐτοὺς βάλλοντες καὶ οἱ τὰς ἐπεκδρομὰς ποιοῦμενοι ἀμύπολύ τι χρεῖμα καταπεπληγμένων τε καὶ φευγόντων ἀνθρώπων διέφθειρον. [27] ἢ τε τειχομαχίᾳ πρῶτ' ἀρξαμένη ἐτελεύτα ἐς δαίτην ὀψίαν. ταύτην μὲν οὖν τὴν νύκτα ἠλίσσαντο ἑκάτεροι, Ῥωμαῖοι μὲν ἐν τῷ περιβόλῳ παιανίζοντες καὶ Βελισάριον ἐν εὐφημίαις ποιοῦμενοι καὶ τὰ τῶν νεκρῶν σκυλεύματα ἔχοντες, Γότθοι δὲ τοὺς τε τραυματίας σφῶν θεραπεύοντες καὶ τοὺς τελευτήσαντας ὀδυρόμενοι.

Βελισάριος τε γράμματα βασιλεῖ ἔγραψεν: ἐδήλου δὲ ἡ γραφὴ τάδε: 'Ἀφίγμεθα εἰς τὴν Ἰταλίαν, ὥσπερ ἐκέλευες, χώραν τε αὐτῆς περιβεβλημένοι πολλὴν καὶ Ῥώμην κατελάβομεν, ἀπωσάμενοι τοὺς ταύτῃ βαρβάρους, ὥνπερ ἑναγχοὺς τὸν ἄρχοντα Λεούδερν ἐς ὑμᾶς ἔπεμψα. [2] συμβέβηκε δὲ ἡμῖν τῶν στρατιωτῶν πλῆθος ἐν τῇ Σικελίᾳ καὶ Ἰταλίᾳ ἐπὶ φυλακῇ τῶν ὀχυρωμάτων καταστησάμενοις ὥνπερ δυνατοὶ κατακεκρατηκέναι γεγόναμεν, τὸ στράτευμα ἐς πεντακισχιλίους ἀπολελειφθαι. [3] οἱ δὲ πολέμιοι ἤκουσιν ἐφ' ἡμᾶς ἐς μυριάδας πεντεκαίδεκα συνειλεγμένοι. καὶ πρῶτον μὲν ἡμῖν ἐπὶ κατασκοπῇ τῶν ἀνδρῶν γενομένοις παρὰ Τίβεριν ποταμόν, ἡναγκασμένοις τε παρὰ γνώμην αὐτοῖς ἐς χεῖρας ἐλθεῖν, μικροῦ κατακεχῶσθαι δοράτων συμβέβηκε πλήθει. [4] ἔπειτα δὲ τειχομαχίσαντες οἱ βάρβαροι παντὶ τῷ στρατῷ καὶ μηχαναῖς τισὶ προσβάλοντες πανταχόσε τοῦ τείχους, ὀλίγου ἐδέησαν ἡμᾶς τε αὐτοβοεῖ καὶ τὴν πόλιν ἐλεῖν, εἰ μὴ τις ἡμᾶς ἀνῆρπασε τύχῃ. [5] τὰ γὰρ τῶν πραγμάτων νικῶντα τὴν φύσιν οὐκ ἂν εἰκότως ἐς ἀνδρῶν ἀρετὴν, ἀλλ' ἐς τὸ κρεῖσσον, ἀναφέρεσθαι πρέπει. [6] τὰ μὲν οὖν ἄχρι τοῦδε ἡμῖν πεπραγμένα, εἴτε τύχῃ τινὶ εἴτε ἀρετῇ, ὥς ἄριστα ἔχει: τὰ δὲ ἐνθὲνδε βουλοίμην ἂν ἀμείνω

τοῖς πράγμασι τοῖς σοῖς ἔσσεσθαι. [7] ὅσα μέντοι προσήκει ἐμέ τε εἰπεῖν καὶ ὑμᾶς πρᾶξαι, οὐ μήποτε ἀποκρύψομαι, ἐκεῖνο εἰδώς, ὥς πρόεισι μὲν τὰ ἀνθρώπινα ὅπη ἂν βουλομένῳ τῷ θεῷ εἴη, οἱ δὲ τῶν ἔργων ἀπάντων προστάται ἐκ τῶν σφίσιν αὐτοῖς πεπραγμένων τὰς αἰτίας ἢ τοὺς ἐπαίνους ἐς αἰεὶ φέρονται. [8] οὐκοῦν ὅπλα τε καὶ στρατιῶται στελλέσθων ἐς ἡμᾶς τοσοῦτοι τὸ πλῆθος ὥστε τοῖς πολεμίοις ἡμᾶς τὸ λοιπὸν ἐξ ἀντιπάλου τῆς δυνάμεως ἐς πόλεμον τόνδε καθίστασθαι. [9] οὐ γὰρ ἅπαντα χρεὼν πιστεῦειν τῇ τύχῃ, ἐπεὶ οὐδὲ ὁμοίως ἐς πάντα τὸν χρόνον φέρεσθαι πέφυκεν. ἀλλὰ σέ, ὦ βασιλεῦ, ἐκεῖνο εἰσὶτώ, ὥς ἦν νῦν ἡμῶν οἱ βάρβαροι περιέσσονται, Ἰταλίας τε τῆς σῆς ἐκπεσούμεθα καὶ προσαποβαλοῦμεν τὸ στράτευμα, καὶ προσέσται ἡμῖν τοσαύτη τις οὐσα ἢ ὑπὲρ τῶν πεπραγμένων αἰσχύνῃ. [10] ἐὼ γὰρ λέγειν ὥς καὶ Ῥωμαίους ἀπολεῖν δόξαμεν, οἳ γε περὶ ἐλάσσοнос τὴν σωτηρίαν τῆς ἐς τὴν σὴν βασιλείαν πεποιήνται πίστεως. [11] ὥστε ἡμῖν καὶ τὴν ἄχρι τοῦδε γενομένην εὐημερίαν εἰς συμφορῶν ὑπόθεσιν τετελευτηκέναι ξυμβήσεται. [12] εἰ γὰρ Ῥώμης ἡμῖν καὶ Καμπανίας καὶ πολλῷ πρότερον Σικελίας ἀποκεκροῦσθαι τετύχηκε, τὸ πάντων ἂν ἡμᾶς κουφότατον τῶν κακῶν ἔδακνε τὸ μὴ τοῖς ἀλλοτρίοις δεδυνῆσθαι πλουτεῖν. [13] καὶ μὴν καὶ τοῦτο ἐκλογίζεσθαι ὑμᾶς ἄξιον, ὥς Ῥώμην πώποτε πλείω τινὰ χρόνον οὐδὲ μυριάσι πολλαῖς διαφυλάξαι δυνατόν γέγονε, χώραν τε περιβεβλημένην πολλὴν καὶ τῷ μὴ ἐπιθαλασσίαν εἶναι τῶν ἀναγκαίων ἀποκεκλεισμένην ἀπάντων. [14] καὶ Ῥωμαῖοι νῦν μὲν εὐνοϊκῶς ἡμῖν ἔχουσι, τῶν δὲ κακῶν αὐτοῖς, ὥς τὸ εἰκός, μηκνυμένων, οὐδὲν μελλήσουσιν ὑπὲρ αὐτῶν ἐλέσθαι τὰ κρεῖσσω. [15] οἱ γὰρ ἐξ ὑπογύου τισὶν ἐς εὐνοίαν καθιστάμενοι, οὐ κακοτυχοῦντες, ἀλλ' εὖ πάσχοντες, τὸ πιστὸν ἐς αὐτοὺς διασώζειν εἰώθασιν. [16] ἄλλως τε καὶ λιμῷ Ῥωμαῖοι ἀναγκασθήσονται πολλὰ ὧν οὐκ ἂν βούλοιντο πρᾶξαι. [17] ἐγὼ μὲν οὖν οἶδα θάνατον ὀφείλων τῇ σῇ βασιλείᾳ, καὶ διὰ τοῦτο ζῶντά με οὐδεὶς ἂν ἐνθένδε ἐξελᾷν δύναιτο: σκόπει δὲ ὁποῖαν ποτέ σοι δόξαν ἢ τοιαύτη Βελισαρίου τελευτὴ φέρει.' [18] Τοσαῦτα μὲν Βελισάριος ἔγραψε. βασιλεὺς δὲ λίαν ξυνταραχθεὶς στράτευμά τε καὶ ναῦς σπουδῇ ἤγειρε καὶ τοῖς ἀμφὶ Βαλεριανόν τε καὶ Μαρτῖνον ἐπέστελλε κατὰ τάχος ἰέναι. [19] σταλέντες γὰρ ζὺν στρατεύματι ἄλλῳ ἀμφὶ τὰς χειμερινὰς τροπὰς ἔτυχον, ἐφ' ᾧ πλεύσουσιν ἐς Ἰταλίαν. [20] οἱ δὲ καταπλεύσαντες ἐς τὴν Ἑλλάδα ἑπαιτέρῳ γὰρ βιάζεσθαι τὸν πλοῦν οὐχ οἷοι τε ἦσαν διεχεύμαζον ἐς τὰ ἐπὶ Αἰτωλίας τε καὶ Ἀκαρνανίας χωρία. [21] ταῦτά τε Βελισαρίῳ δηλώσας Ἰουστινιανὸς βασιλεὺς ἔτι μᾶλλον αὐτόν τε καὶ Ῥωμαίους ἅπαντας ἐς τὴν προθυμίαν ἐπέρρωσεν. [22] Ἐν τούτῳ δὲ ξυνηνέχθη ἐν Νεαπόλει τοιόνδε γενέσθαι. Θεωδερῖχου τοῦ Γότθων ἄρχοντος εἰκὼν ἐν τῇ ἀγορᾷ ἐτύγγανεν οὐσα, ἐκ ψηφίδων τινῶν ξυγκειμένη, μικρῶν μὲν ἐς ἄγαν, χροιαῖς δὲ βεβαμμένων σχεδόν τι ἀπάσαις. [23] ταύτης τῆς εἰκόνος ποτὲ τὴν κεφαλὴν διαρρυῆναι ζώντος Θεωδερῖχου ξυμβέβηκε, τῆς τῶν ψηφίδων ἐπιβολῆς ἐκ τοῦ αὐτομάτου ξυνταραχθείσης, καὶ Θεωδερῖχῳ ξυνηνέχθη τελευτῆσαι τὸν βίον αὐτίκα δὴ μάλα. [24] ἐνιαυτοῖς δὲ ὀκτὼ ὕστερον αἱ τὴν τῆς εἰκόνος γαστέρα ποιοῦσαι ψηφίδες διερρύησαν ἐξαπναιῶς, καὶ Ἀταλάριχος ὁ Θεωδερῖχου θυγατρίδου εὐθὺς ἐτελεύτα. [25] χρόνου τε τριβέντος ὀλίγου πίπτουσι μὲν ἐς γῆν αἱ περὶ τὰ αἰδοῖα ψηφίδες,

Ἀμαλασοῦνθα δὲ ἡ Θεουδερίχου παῖς ἐξ ἀνθρώπων ἠφάνιστο. ταῦτα μὲν οὖν
 τῇδε ἐχώρησε. [26] Γότθων δὲ Ῥώμης ἐς τὴν πολιορκίαν καθισταμένων τὰ ἐκ
 τῶν τῆς εἰκόνης μηρῶν ἄχρι ἐς ἄκρους πόδας διεφθάρθαι τετύχηκε, [27] ταύτη
 τε ἅπαντα ἐκ τοῦ τοίχου ἐξίτηλος ἡ εἰκὼν γέγονεν: οἱ τε Ῥωμαῖοι τὸ πρᾶγμα
 τοῦτο ξυμβalόντες περιέσεσθαι τῷ πολέμῳ ἰσχυρίζοντο τὸν τοῦ βασιλέως
 στρατόν, οὐκ ἄλλο οὐδὲν εἶναι τοὺς Θεουδερίχου πόδας ἢ τὸν Γότθων λεῶν ὧν
 ἐκεῖνος ἦρχεν οἰόμενοι, καὶ ἀπ' αὐτοῦ εὐέλπιδες ἔτι μᾶλλον ἐγένοντο. [28] Ἐν
 μέντοι Ῥώμῃ τῶν τινες πατρικίων τὰ Σιβύλλης λόγια προῦφερον,
 ἰσχυριζόμενοι τὸν κίνδυνον τῇ πόλει ἄχρι ἐς τὸν Ἰούλιον μῆνα γεγενῆσθαι
 μόνον. [29] χρῆναι γὰρ τότε βασιλέα Ῥωμαίοις καταστῆναί τινα, ἐξ οὗ δὴ
 Γετικὸν οὐδὲν Ῥώμῃ τὸ λοιπὸν δεῖσειε: [30] Γετικὸν γάρ φασιν ἔθνος τοὺς
 Γότθους εἶναι. εἶχε δὲ τὸ λόγιον ὧδε: θυντιλι μενσε ρεγε νηιλ γετιζυμ ιαμ. [31]
 πέμπτον δὲ μῆνα τὸν Ἰούλιον ἰσχυρίζοντο εἶναι, οἱ μὲν, ὅτι Μαρτίου
 ἵσταμένου ἡ πολιορκία κατ' ἀρχὰς γέγονεν, ἀπ' οὗ δὴ πέμπτον Ἰούλιον
 ξυμβαίνει εἶναι, οἱ δέ, ὅτι Μάρτιον πρῶτον πρὸ τῆς Νουμᾶ βασιλείας
 ἐνόμιζον μῆνα, ὅτε δὴ Ῥωμαίοις ἐς δέκα μῆνας ὁ τοῦ ἐνιαυτοῦ χρόνος ξυνῆι,
 Ἰουλίός τε ἀπ' αὐτοῦ Κυντιλίος ὠνομάζετο. ἀλλ' ἦν ἄρα τούτων οὐδὲν ὑγιές.
 [32] οὔτε γὰρ βασιλεὺς τότε Ῥωμαίοις κατέστη, καὶ ἡ πολιορκία ἐνιαυτῷ
 ὕστερον διαλυθῆσεσθαι ἔμελλε, καὶ αὐθις ἐπὶ Τουτίλα Γότθων ἄρχοντος ἐς
 τοὺς ὁμοίους Ῥώμῃ κινδύνους ἰέναι, ὥς μοι ἐν τοῖς ὀπισθε λελέξεται λόγοις.
 [33] δοκεῖ γάρ μοι οὐ ταύτην δὴ τὴν τῶν βαρβάρων ἔφοδον τὸ μαντεῖον
 δηλοῦν, ἀλλ' ἐτέραν τινὰ ἢ ἤδη ξυμβᾶσαν ἢ ὕστερόν ποτε ἐσομένην. [34] τῶν
 γὰρ Σιβύλλης λογίων τὴν διάνοιαν πρὸ τοῦ ἔργου ἐξευρεῖν ἀνθρώπῳ οἶμαι
 ἀδύνατον εἶναι. [35] αἴτιον δὲ ὅπερ ἐγὼ αὐτίκα δηλώσω ἐκεῖνα ἀναλεξάμενος
 ἅπαντα. ἡ Σίβυλλα οὐχ ἅπαντα ἐξῆς τὰ πράγματα λέγει οὐδὲ ἀρμονίαν τινὰ
 ποιουμένη τοῦ λόγου, ἀλλ' ἔπος εἰποῦσα ὅ τι δὴ ἀμφὶ τοῖς Λιβύης κακοῖς
 ἀπεπῆδησεν εὐθὺς ἐς τὰ Περσῶν ἦθη, [36] ἐνθὲνδε τε Ῥωμαίων ἐς μνήμην
 ἐλθοῦσα μεταβιβάζει ἐς τοὺς Ἀσσυρίους τὸν λόγον. καὶ πάλιν ἀμφὶ Ῥωμαίοις
 μαντευομένη προλέγει τὰ Βρεττανῶν πάθη. [37] ταύτη τε ἀδύνατά ἐστιν
 ἀνθρώπῳ ὁτῶσιν πρὸ τοῦ ἔργου τῶν Σιβύλλης λογίων ξυνεῖναι, ἦν μὴ ὁ
 χρόνος αὐτὸς ἐκβάντος ἤδη τοῦ πράγματος καὶ τοῦ λόγου ἐς πείραν ἐλθόντος
 ἀκριβῆς τοῦ ἔπους ἐρμηνεὺς γένοιτο. ἀλλὰ ταῦτα μὲν λογιζέσθω ἕκαστος ὅπη
 αὐτῷ φίλον. ἐγὼ δὲ ὅθενπερ ἐξέβην ἐπάνειμι.

Ἐπειδὴ Γότθοι ἀπεκρούσθησαν τειχομαχοῦντες, ηὔλisanτο τὴν νύκτα
 ἐκείνην οὕτως ὥσπερ ἐρρήθη ἐκάτεροι. [2] τῇ δὲ ὕστεραίᾳ Βελισάριος πάντας
 Ῥωμαίους ἐκέλευε παῖδάς τε καὶ γυναῖκας ἐς Νεάπολιν ὑπεκκομίζειν, καὶ τῶν
 οἰκετῶν ὅσους μὴ ἀναγκαίους σφίσιν ἐς τοῦ τείχους τὴν φυλακὴν ἔσεσθαι
 ὄντο, ὅπως δὴ μὴ ἐς ἀπορίαν τῶν ἐπιτηδείων καθιστῶνται. [3] ταῦτὸ δὲ τοῦτο
 ποιεῖν καὶ τοῖς στρατιώταις ἐπήγγελλεν, εἴ τινη οἰκέτης ἢ θεράπεινα ἦν. οὐ
 γὰρ ἔτι οἷός τε εἶναι τὰς σιτήσεις αὐτοῖς ἔφασκεν ἐν πολιορκίᾳ κατὰ τὰ
 εἰωθότα παρέχεσθαι, ἀλλ' αὐτοὺς τὸ μὲν ἡμισυ ἐς ἡμέραν ἐκάστην ἐν αὐτοῖς
 φέρεσθαι τοῖς ἐπιτηδείοις ἐπάναγκες εἶναι, τὸ δὲ λειπόμενον ἐν ἀργυρίῳ. [4] οἱ
 δὲ κατὰ ταῦτα ἐποίουν. καὶ πλῆθος πολὺ αὐτίκα ἐς Καμπανίαν ἦι. ἐκομίζοντο
 δὲ οἱ μὲν πλοίων ἐπιτυχόντες ἄπερ ἐν τῷ Ῥώμῃς λιμένι ὠρμίζετο, οἱ δὲ καὶ

πεξῆ ὁδῷ τῇ καλουμένῃ Ἀππία ἰόντες. [5] κίνδυνός τε οὐδεὶς ἢ δέος ἐκ τῶν πολιορκούντων ἐγένετο οὔτε τοῖς ταύτῃ βαδίζουσιν οὔτε τοῖς ἐπὶ τοῦ λιμένος ἰοῦσιν. [6] οἱ γὰρ πολέμιοι οὔτε Ῥώμην ξύμπασαν τοῖς χαρακώμασι περιβαλέσθαι διὰ μέγεθος τῆς πόλεως οἶοί τε ἦσαν οὔτε κατ' ὀλίγους ἐτόλμων μακρὰν ἀπολείπεσθαι τῶν στρατοπέδων, φοβούμενοι τὰς ἐπεκδρομὰς τῶν ἐναντίων. [7] καὶ δι' αὐτὸ τοῖς πολιορκουμένοις ἐπὶ χρόνον τινὰ πολλὴ ἐξουσία ἐγένετο τῆς τε πόλεως ἀπανίστασθαι καὶ τὰ ἐπιτήδεια ἔξωθεν ἐς αὐτὴν ἐσκομίζεσθαι. [8] μάλιστα δὲ νύκτωρ οἱ βάρβαροι ἐς δέος τε αἰεὶ μέγα καθίσταντο καὶ φυλακὰς ποιούμενοι ἐν τοῖς στρατοπέδοις ἡσύχαζον. [9] ἐπεὶ ἐκ τῆς πόλεως ἄλλοι τε καὶ Μαυρούσιοι συχνοὶ ἐξιόντες, ὅπῃ τοὺς πολεμίους ἢ καθεδύοντας ἢ ὁδῷ ἰόντας κατ' ὀλίγους εὐρήσειαν ὅτι πολλὰ ἐν στρατῷ μεγάλῳ γίνεσθαι εἶωθεν, ἄλλων τε ἀναγκαίων χρεῶν ἕνεκα καὶ τοῦ βόσκειν ἵππους τε καὶ ἡμιόνους καὶ ζῶα ὅσα ἐς βρῶσιν ἐπιτήδεια ἦν ἔκτεινόν τε καὶ κατὰ τάχος ἐσκυλευκότες, πλείονων σφίσιν, ἂν οὕτω τύχοι, πολεμίων ἐπείσπεσόντων ὑπεχώρουν δρόμῳ, ἄνδρες φύσει τε ποδώκεις καὶ κούφως ἐσκευασμένοι καὶ τῇ φυγῇ προλαμβάνοντες. [10] οὕτω μὲν ἐκ Ῥώμης ὑποχωρεῖν ὁ πολὺς ὄμιλος ἴσχυον, καὶ οἱ μὲν ἐπὶ Καμπανίας, οἱ δὲ ἐπὶ Σικελίας ἦσαν, οἱ δὲ ὅπῃ ῥᾶόν τε σφίσιν ἐνομίσθη καὶ βέλτιον εἶναι. [11] Βελισάριος δὲ ὁρῶν τὸν τε τῶν στρατιωτῶν ἀριθμὸν ἥκιστα ἐς τὴν τοῦ τείχους περίοδον ἐξικνούμενον, ὀλίγοι τε γὰρ ἦσαν, ὥσπερ μοι ἔμπροσθεν εἴρηται, καὶ οὐκ αἰεὶ φυλάσσειν οἱ αὐτοὶ αὔπνοι ἴσχυον, ἀλλ' οἱ μὲν ὕπνον, ὡς τὸ εἰκός, ἤροῦντο, οἱ δὲ ἐς τὴν φυλακὴν ἐτετάχατο, καὶ τοῦ δήμου τὸ πλεῖστον μέρος πενία τε πιεζομένους καὶ τῶν ἀναγκαίων σπανίζοντας, ἅτε γὰρ βαναύσοις ἀνθρώποις ἐφήμερά τε ἅπαντα ἔχουσι καὶ ἀργεῖν διὰ τὴν πολιορκίαν ἠναγκασμένοις πόρος οὐδεὶς τῶν ἐπιτηδείων ἐγένετο, στρατιώτας τε καὶ ἰδιώτας ξυνέμιξε καὶ φυλακτηρίῳ ἐκάστῳ ἔνειμε, ῥητόν τινα μισθὸν ἰδιώτῃ ἀνδρὶ τάξας ἐς ἡμέραν ἐκάστην. [12] ὧν δὴ ἐγίνοντο μὲν ξυμμορίαὶ ἐς τὴν φυλακὴν ἱκανῶς ἔχουσαι, νύκτα δὲ τακτὴν ἢ φυλακὴ τοῦ περιβόλου ἐπέκειτο ξυμμορία ἐκάστη, ἐφύλασσόν τε αὐτῶν ἐκ περιτροπῆς ἅπαντες. καὶ ταύτῃ Βελισάριος ἐκατέρων τὴν ἀπορίαν διέλυνεν. [13] Ὑποψίας δὲ ἐς Σιλβέριον τὸν τῆς πόλεως ἀρχιερέα γεγεννημένης, ὡς δὴ προδοσίαν ἐς Γότθους πράσσοι, αὐτὸν μὲν ἐς τὴν Ἑλλάδα ἔπεμψεν αὐτίκα, ἕτερον δὲ ἀρχιερέα ὀλίγῳ ὕστερον, Βιγίλιον ὄνομα, κατεστήσατο. [14] τινὰς δὲ καὶ τῶν ἐκ βουλῆς ἐπ' αἰτία τῇ αὐτῇ ἐνθένδε ἐξελάσας, ἐπειδὴ τὴν πολιορκίαν οἱ πολέμιοι διαλύσαντες ἀνεχώρησαν, ἐς τὰ οἰκεῖα κατήγαγεν αὐθις. [15] ἐν τοῖς καὶ Μάξιμος ἦν, οὗ δὴ ὁ προπάτωρ Μάξιμος τὸ ἐς Βαλεντινιανὸν βασιλεῖα πάθος εἵργαστο. δεῖσας δὲ μή τις πρὸς φυλάκων τῶν κατὰ πύλας ἐπιβουλὴ γένηται, καὶ τις ἔξωθεν χρήμασί τε αὐτοὺς κακουργήσων ἴοι, δις ἐκάστου μηνὸς τὰς τε κλεῖς ἀπάσας ἀφανίζων ἀνενεοῦτο αἰεὶ ἐς ἕτερον σχῆμα, καὶ τοὺς φύλακας ἐς φυλακτήριον ἄλλο μακρὰν ποῦ ἄποθεν τοῦ προτέρου ἀντικαθίστη, τοῖς τε ἐν τῷ περιβόλῳ φυλακὴν ἔχουσιν ἐς νύκτα ἐκάστην ἐτέρους ἐφίστη. [16] οἷς δὴ ἐπέκειτο μέτρον τι τοῦ τείχους περιοῦσιν ἐκ περιτροπῆς ἀναγράφεσθαι τὰ τῶν φυλάκων ὀνόματα, καὶ ἦν τις ἐνθένδε ἀπολειφθεῖη, ἕτερον μὲν ἀντ' αὐτοῦ καταστήσασθαι ἐν τῷ παραυτίκα, ἀναφέρειν δὲ τῇ ὑστεραίᾳ ἐφ' ἑαυτόν, ὅστις

ποτέ ὁ ἀπολειφθεὶς εἶη, ὅπως δὴ κόλασις ἢ προσήκουσα ἐς αὐτὸν γίνοιτο. [17] καὶ μουσικοῖς μὲν ὀργάνοις χρήσασθαι τοὺς τεχνίτας ἐν τῷ περιβόλῳ νύκτωρ ἐκέλευε, τῶν δὲ στρατιωτῶν τινὰς καὶ οὐχ ἥκιστα τῶν Μαυρουσίων ἕξω ἐπεμπεν, οἱ ἀμφὶ τὴν τάφρον διανυκτερεύσειν αἰεὶ ἔμελλον, καὶ ζῶν αὐτοῖς κύνας ἠφίει, ὅπως δὴ μὴδὲ ἀποθὲν τις ἐπὶ τὸν περίβολον ἰὼν διαλάθοι. [18] Τότε καὶ τοῦ Ἰάνου νεῶ τὰς θύρας τῶν τινες Ῥωμαίων βιασάμενοι ἀνακλῖναι λάθρα ἐπειράσαντο. [19] ὁ δὲ Ἰανὸς οὗτος πρῶτος μὲν ἦν τῶν ἀρχαίων θεῶν οὓς δὴ Ῥωμαῖοι γλώσση τῇ σφετέρᾳ Πένατες ἐκάλουν. ἔχει δὲ τὸν νεῶν ἐν τῇ ἀγορᾷ πρὸ τοῦ βουλευτηρίου ὀλίγον ὑπερβάντι τὰ Τρία Φᾶτα· [20] οὕτω γὰρ Ῥωμαῖοι τὰς Μοίρας νενομίκασι καλεῖν. ὁ τε νεῶς ἅπας χαλκοῦς ἐν τῷ τετραγώνῳ σχήματι ἔστηκε, τοσοῦτος μέντοι, ὅσον τὸ ἄγαλμα τοῦ Ἰάνου σκέπειν. [21] ἔστι δὲ χαλκοῦν οὐχ ἥσσον ἢ πηχῶν πέντε τὸ ἄγαλμα τοῦτο, τὰ μὲν ἄλλα πάντα ἐμφερὲς ἀνθρώπῳ, διπρόσωπον δὲ τὴν κεφαλὴν ἔχον, καὶ τοῖν προσώποιν θάτερον μὲν πρὸς ἀνίσχοντα, τὸ δὲ ἕτερον πρὸς δύνοντα ἥλιον τέτραπται. [22] θύραι τε χαλκαῖ ἐφ' ἐκατέρῳ προσώπῳ εἰσίν, ἃς δὴ ἐν μὲν εἰρήνῃ καὶ ἀγαθοῖς πράγμασιν ἐπιτίθεσθαι τὸ παλαιὸν Ῥωμαῖοι ἐνόμιζον, πολέμου δὲ σφίσις ὄντος ἀνέωγον. [23] ἐπεὶ δὲ τὸ Χριστιανῶν δόγμα, εἴπερ τινὲς ἄλλοι, Ῥωμαῖοι ἐτίμησαν, ταύτας δὴ τὰς θύρας οὐκέτι οὐδὲ πολεμοῦντες ἀνέκλινον. [24] ἀλλ' ἐν ταύτῃ δὴ τῇ πολιορκίᾳ τινὲς τὴν παλαιάν, οἶμαι, δόξαν ἐν νῷ ἔχοντες ἐγκεχειρήκασι μὲν αὐτὰς ἀνοιγνύναι λάθρα, οὐ μὲντοι παντάπασιν ἴσχυσαν, πλὴν γε δὴ ὅσον μὴ ἐς ἀλλήλας, ὥσπερ τὸ πρότερον, [25] μεμυκέναι τὰς θύρας. καὶ ἔλαθόν γε οἱ τοῦτο δρᾶν ἐγκεχειρηκότες· ζήτησις δὲ τοῦ ἔργου οὐδεμία ἄτε ἐν μεγάλῳ θορύβῳ ἐγεγόνει, ἐπεὶ οὕτε τοῖς ἄρχουσιν ἐγνώσθη, οὕτε ἐς τὸ πλῆθος, ὅτι μὴ ἐς ὀλίγους κοιμίδῃ, ἦλθεν.

Οὐίτιγίς δὲ τὰ μὲν πρῶτα θυμῷ τε καὶ ἀπορίᾳ ἐχόμενος τῶν δορυφόρων τινὰς ἐς Ῥάβενναν πέμψας, Ῥωμαίων τοὺς ἐκ βουλῆς ἅπαντας οὕσπερ κατ' ἀρχὰς τοῦδε τοῦ πολέμου ἐνταῦθα ἤγαγε κτείνειν ἐκέλευε. [2] καὶ αὐτῶν τινες μὲν προμαθόντες φυγεῖν ἴσχυσαν, ἐν οἷς Βηργεντίνος τε ἦν καὶ Ῥεπάρατος, Βιγιλίου ἀδελφός, τοῦ Ῥώμης ἀρχιερέως, οἵπερ ἄμφω ἐς Λιγούρους κοιμισθέντες αὐτοῦ ἔμενον· οἱ δὲ λοιποὶ ἅπαντες διεφθάρησαν. [3] μετὰ δὲ Οὐίτιγίς πολλὴν ἄδειαν ὀρῶν τοῖς πολεμίοις οὕσαν ἐκφορεῖν τε εἴ τι ἐκ τῆς πόλεως βούλονται, καὶ τὰ ἐπιτήδεια κατὰ τε γῆν καὶ θάλασσαν ἐσκομίζεσθαι, τὸν λιμένα, ὃν δὴ Πόρτον Ῥωμαῖοι καλοῦσι, καταλαβεῖν ἔγνω. [4] Ὅς δὴ ἀπέχει μὲν τῆς πόλεως ἕξ καὶ εἴκοσι καὶ ἑκατὸν σταδίους· μέτρῳ γὰρ τοσοῦτῳ τὸ μὴ ἐπιθαλασσία εἶναι διείργεται Ῥώμη· [5] ἔστι δὲ ἡ ὁ ποταμὸς Τίβερις τὰς ἐκβολὰς ἔχει, ὃς δὴ ἐκ Ῥώμης φερόμενος, ἐπειδὴν τῆς θαλάσσης ἐγγυτέρῳ γένηται ὅσον ἀπὸ σταδίων πεντεκαίδεκα, δίχα σχιζόμενος τὴν ἱερὰν νῆσον καλουμένην ἐνταῦθα ποιεῖ. [6] προϊόντος τε τοῦ ποταμοῦ εὐρυτέρα ἢ νῆσος γίνεται, ὥς τῷ μήκει τὸ τοῦ εὐρους μέτρον κατὰ λόγον εἶναι, σταδίους γὰρ πεντεκαίδεκα ρεῦμα ἐκάτερον ἐν μέσῳ ἔχει· [7] ναυσίπορος τε ὁ Τίβερις ἀμφοτέρωθι μένει. τὸ μὲν οὖν ἐν δεξιᾷ τοῦ ποταμοῦ μέρος ἐς τὸν λιμένα τὰς ἐκβολὰς ποιεῖται, ὧν ἐκτὸς πόλιν ἐκ παλαιοῦ Ῥωμαῖοι πρὸς τῇ ὄχθῃ ἐδείμαντο, τεῖχος περιβεβλημένην ἐχυρὸν μάλιστα, Πόρτον τε αὐτὴν τῷ λιμένι ὁμωνύμως καλοῦσιν. [8] ἐν ἀριστερᾷ δὲ πρὸς τῇ ἐτέρᾳ τοῦ Τιβέριδος ἐς

τὴν θάλασσαν ἐκβολῇ πόλιν Ὅστιά κεῖται, τῆς τοῦ ποταμοῦ ἡϊόνος ἐκτός, λόγου μὲν πολλοῦ τὸ παλαιὸν ἀξία, νῦν δὲ ἀτειχιστος παντάπασιν οὐσα. [9] ὁδὸν τοίνυν, ἥ ἐς Ῥώμην ἐκ τοῦ Πόρτου φέρει, ὁμαλήν τε καὶ ἐμπόδιον οὐδὲν ἔχουσιν τὸ ἐξ ἀρχῆς Ῥωμαῖοι πεποιήναι. [10] βάρεις τε ἀεὶ πολλὰ ἐξεπίτηδες ἐν τῷ λιμένι ὀρμίζονται, καὶ βόες οὐκ ὀλίγοι ἐν παρασκευῇ ἀγχοτάτω ἐστᾶσιν. [11] ἐπειδὴ οὖν οἱ ἔμποροι ταῖς ναυσὶν ἐς τὸν λιμένα ἀφίκωνται, ἄραντες τὰ φορτία ἐνθένδε καὶ ταῦτα ἐνθέμενοι ἐν ταῖς βάρεσι, πλέουσι διὰ τοῦ Τιβέριδος ἐπὶ τὴν Ῥώμην, ιστίοις μὲν ἢ κώπαις ἥκιστα χρώμενοι, ἐπεὶ οὔτε ἀνέμῳ τινὶ ἐνταῦθα οἶά τέ ἐστι τὰ πλοῖα ὠθεῖσθαι συχνὰ τε τοῦ ποταμοῦ ἐπὶ πλείστον ἐλισσομένου καὶ οὐκ ἐκ τοῦ εὐθέος ἰόντος, οὐδὲ τι ἐνεργεῖν αἱ κώπαι δύνανται, τῆς τοῦ ὕδατος ρύμης ἀπ' ἐναντίας αὐταῖς ἀεὶ φερομένης. [12] βρόχους δὲ ἀπὸ τῶν βάρεων ἐς τῶν βοῶν τοὺς αὐχένας ἀρτήσαντες ἔλκουσιν αὐτὰς ὥσπερ ἀμάξας ἄχρι ἐς Ῥώμην. [13] ἐτέρωθι δὲ τοῦ ποταμοῦ ἐκ πόλεως Ὅστιας ἐς Ῥώμην ἰόντι ὑλώδης τε ἡ ὁδὸς ἐστι καὶ ἄλλως ἀπημελημένη καὶ οὐδὲ τῆς τοῦ Τιβέριδος ἡϊόνος ἐγγύς, ἅτε τῆς τῶν βάρεων ἀνολκῆς ἐνταῦθα οὐκ οὔσης. [14] Αφύλακτον οὖν τὴν πρὸς τῷ λιμένι πόλιν εὐρόντες οἱ Γότθοι αὐτὴν τε αὐτοβοεὶ εἶλον καὶ Ῥωμαίων τῶν ταύτῃ ὤκημένων πολλοὺς ἔκτειναν, [15] καὶ τὸν λιμένα ξὺν αὐτῇ ἔσχον. χιλίους τε σφῶν ἐνταῦθα φρουροὺς καταστησάμενοι ἐς τὰ στρατόπεδα οἱ λοιποὶ ἀνεχώρησαν. [16] καὶ ἀπ' αὐτοῦ τοῖς πολιορκουμένοις τὰ ἐκ θαλάσσης ἐσκομίζεσθαι ἀδύνατα ἦν, ὅτι μὴ διὰ τῆς Ὅστιας πόνῳ τε, ὥς τὸ εἰκός, καὶ κινδύνῳ μεγάλῳ. [17] οὐδὲ γὰρ καταίρειν ἐνταῦθα Ῥωμαίων νῆες τὸ λοιπὸν εἶχον, ἀλλ' ἐν τῷ Ἀνθίῳ ὀρμίζοντο, ἡμέρας ὁδῷ τῆς Ὅστιας ἀπέχοντι. [18] ἐνθένδε τε τὰ φορτία αἰρόμενοι ἐκόμιζον μόλις· αἴτιον δὲ ἡ ὀλιγανθρωπία ἐγένετο. Βελισάριος γὰρ περὶ τῷ Ῥώμης περιβόλῳ δέισας τὸν λιμένα κρατύνασθαι οὐδεμιᾷ φυλακῇ ἴσχυεν. [19] οἶμαι γὰρ ἂν εἰ καὶ τριακόσιοι ἐνταῦθα ἐφύλασσον, οὐ ποτε τοὺς βαρβάρους ἀποπειρᾶσθαι τοῦ χωρίου, ἐχυροῦ ἐς τὰ μάλιστα ὄντος.

Ταῦτα μὲν οὖν, ἐπειδὴ τειχομαχοῦντες ἀπεκρούσθησαν, τρίτῃ ἡμέρᾳ οἱ Γότθοι ἔδρασαν. ἡμέραις δὲ ὕστερον εἴκοσιν ἢ ὁ Πόρτος ἢ τε πόλις καὶ ὁ λιμὴν ἐάλω, Μαρτίνος τε καὶ Βαλεριανὸς ἦκον, ἐξακοσίους τε καὶ χιλίους στρατιώτας ἱππεῖς ἐπαγομένῳ. [2] καὶ αὐτῶν οἱ πλείστοι Οὐννοὶ τε ἦσαν καὶ Σκλαβηνοὶ καὶ Ἄνται, οἱ ὑπὲρ ποταμὸν Ἰστρον οὐ μακρὰν τῆς ἐκεῖνι ὄχθης ἴδρυνται. [3] Βελισάριος δὲ ἦσθη τε αὐτῶν τῇ παρουσίᾳ καὶ πολεμητέα σφίσιν ἐπὶ τοὺς πολεμίους εἶναι τὸ λοιπὸν ᾤετο. [4] τῇ γοῦν ὑστεραίᾳ τῶν δορυφόρων τῶν αὐτοῦ ἓνα, θυμοειδῆ τε καὶ δραστήριον, Τραϊανὸν ὄνομα, τῶν ὑπασπιστῶν διακοσίους ἱππέας λαβόντα, ἐκέλευεν εὐθὺ τῶν βαρβάρων ἰέναι, καὶ ἐπειδὴ τῶν χαρακωμάτων ἐγγυτέρῳ ἴκωνται, ἀναβάντας ἐπὶ λόφου ὑψηλοῦ ἠσυχάζειν, δείξας τι χωρίον αὐτῷ. [5] ἦν δὲ οἱ πολέμοι ἐπ' αὐτοὺς ἴωσιν, ἐκ χειρὸς μὲν τὴν μάχην οὐκ εἶαν γενέσθαι, οὐδὲ ξίφους ἢ δορατίου τινὸς ἅπτεσθαι, χρῆσθαι δὲ μόνοις τοξεύμασιν, ἥνίκα τέ οἱ τὴν φαρέτρην οὐδὲν ἐντὸς ἔχουσιν ἴδῃ, φεύγειν τε κατὰ κράτος οὐδὲν αἰδεσθέντα καὶ ἐς τὸν περίβολον ἀναχωρεῖν δρόμῳ. [6] ταῦτα ἐπιστείλας, τῶν τε τοξευμάτων τὰς μηχανὰς καὶ τοὺς ἀμφὶ ταύταις τεχνίτας ἐν παρασκευῇ εἶχε. Τραϊανὸς δὲ ξὺν τοῖς διακοσίοις ἐκ πύλης Σαλαρίας ἦει ἐπὶ τὸ τῶν πολεμίων στρατόπεδον. [7]

καὶ οἱ μὲν. καταπεπληγμένοι τῷ αἰφνιδίῳ, ἐβοήθουν ἐκ τῶν χαρακωμάτων, ὡς ἐκάστῳ ἐκ τῶν δυνατῶν ἐσκευάσθαι τετύχηκεν. [8] οἱ δὲ ἀμφὶ Τραϊανὸν ἀναβάντες ἐπὶ τοῦ λόφου ὄνπερ αὐτοῖς Βελισάριος ἔδειξεν, ἐνθένδε τοὺς βαρβάρους ἡμύνοντο βάλλοντες. [9] καὶ αὐτῶν τοὺς ἀτράκτους ἅτε ἐς πολὺν ἐμπίπτοντας ὁμιλον ἀνθρώπου ἢ ἵπου ἐπὶ πλείστον ἐπιτυγχάνειν ξυνέβαιναν. ἐπεὶ δὲ ἅπαντα σφᾶς τὰ βέλη ἤδη ἐπελελοίπει, οἶδε κατὰ τάχος ὀπίσω ἀπήλαινον, διώκοντές τε οἱ Γότθοι ἐνέκειντο. [10] ὡς δὲ τοῦ περιβόλου ἐγγυτέρω ἴκοντο, τά τε ἐκ τῶν μηχανῶν τοξεύματα οἱ τεχνῖται ἐνήργουν, καὶ τῆς διώξεως οἱ βάρβαροι κατωρρωδηκότες ἀπέσχοντο. [11] λέγονται δὲ Γότθοι οὐχ ἥσσον ἢ χίλιοι ἐν τῷ ἔργῳ τούτῳ ἀποθανεῖν. ἡμέραις δὲ ὀλίγαις ὕστερον Βελισάριος Μουνδύλαν τῶν δορυφόρων τῶν αὐτοῦ ἕτερον, καὶ Διογένην, διαφερόντως ἀγαθοὺς τὰ πολέμια, ξὺν ὑπασπισταῖς τριακοσίοις στείλας, ταῦτο ποιεῖν τοῖς προτέροις ἐκέλευε. καὶ οἱ μὲν κατὰ ταῦτα ἐποίουν. [12] ὑπαντιασάντων δὲ τῶν πολεμίων ξυνηνέχθη αὐτῶν οὐχ ἥσσους, εἰ μὴ καὶ πλείους, ἢ ἐν τῷ προτέρῳ ἔργῳ τρόπῳ τῷ αὐτῷ ἀπολωλέναι. [13] πέμψας δὲ καὶ τρίτον ξὺν ἱππεῦσι τριακοσίοις Ὀύλαν τὸν δορυφόρον, ἐφ' ᾧ τὰ ὅμοια τοὺς πολεμίους ἐργάσσονται, ταῦτα ἔδρασε. [14] τρεῖς τε, καθάπερ μοι ἐρρήθη, ἐπεκδρομὰς ποιησάμενος τῶν ἐναντίων ἀμφὶ τετρακισχλίους διέφθειρεν. [15] Οὐίτιγיס δὲ 'οὐ γὰρ αὐτὸν εἰσῆει τὸ διαλλάσσον ἐν τοῖς στρατοπέδοις τῆς τε ὀπλίσεως καὶ τῆς ἐς τὰ πολέμια ἔργα μελέτης' ῥᾶστα καὶ αὐτὸς ᾤετο τὰ ἀνήκεστα τοὺς πολεμίους ἐργάσασθαι, ἦν γε στρατῷ ὀλίγῳ ἐπ' αὐτοὺς τὴν ἔφοδον ποιοίῃ. [16] ἔπεμψεν οὖν ἱππεῖς πεντακοσίους, ἄγχιστα τε τοῦ περιβόλου ἰέναι κελεύσας, καὶ ὅσα πρὸς ὀλίγων πολλακίς πολεμίων πεπόνθασι, ταῦτα δὴ ἐς ζύμπασαν τὴν ἐκείνων στρατιὰν ἐπιδειξάσθαι. [17] καὶ οἱ μὲν ἐν χωρίῳ ὑψηλῷ γενόμενοι τῆς πόλεως οὐ μακρὰν ἀποθεν, ἀλλ' ὅσον ἔξω βελῶν, ἴσταντο. [18] Βελισάριος δὲ ἄνδρας τε ἀπολέξας χιλίους καὶ Βέσσαν αὐτοῖς ἄρχοντα ἐπιστήσας ὁμόσε χωρεῖν ἐπὶ τοὺς πολεμίους ἐπέστελλεν. [19] οἱ δὲ κύκλωσιν τε τῶν βαρβάρων ποιησάμενοι καὶ κατὰ νότου αἰεὶ βάλλοντες κτείνουσί τε συχνοὺς καὶ τοὺς λοιποὺς βιασάμενοι κατελθεῖν ἐς τὸ πεδῖον ἠνάγκασαν. [20] ἔνθα δὴ τῆς μάχης οὐκ ἐξ ἀντιπάλου τῆς δυνάμεως ἐκ χειρὸς γενομένης, τῶν Γότθων οἱ μὲν πολλοὶ διεφθάρησαν, ὀλίγοι δὲ τινες μόλις διαφυγόντες εἰς τὸ σφέτερον στρατόπεδον ἀνεχώρησαν. [21] οὗς δὴ ὁ Οὐίτιγισ ἅτε τῷ ἀνάνδρῳ ἥσσημένους ἐκάκιζε, καὶ τὸ πάθος ἐτέροις τισὶν ἀνασώσασθαι οὐκ ἐς μακρὰν ὑποσχόμενος, ἐν μὲν τῷ παρόντι ἡσύχαζε, τρισὶ δὲ ὕστερον ἡμέραις ἐκ πάντων τῶν χαρακωμάτων ἄνδρας ἀπολεξάμενος πεντακοσίους ἔργα ἐς τοὺς πολεμίους ἐκέλευεν ἐπιδειξάσθαι ἀρετῆς ἄξια. [22] οὗς ἐπειδὴ Βελισάριος ἐγγυτέρω ἦκοντας εἶδε, πεντακοσίους τε καὶ χιλίους καὶ ἄρχοντας Μαρτίνον τε καὶ Βαλεριανὸν ἐπ' αὐτοὺς ἔστελλεν. [23] ἵππομαχίας τε ἐκ τοῦ εὐθέως γεγεννημένης, τῷ πλήθει Ῥωμαῖοι παρὰ πολὺ ὑπεραίροντες τῶν πολεμίων, τρέπουσί τε αὐτοὺς οὐδενὶ πόνῳ καὶ σχεδὸν τι ἅπαντας διαφθείρουσι. [24] Καὶ τοῖς μὲν πολεμίοις δεινὸν τε καὶ τύχης ἐναντίωμα παντάπασιν ἐδόκει εἶναι, εἰ πολλοὶ τε ὄντες πρὸς ὀλίγων πολεμίων ἐπιόντων σφίσιν ἡσῶνται καὶ κατ' ὀλίγους αὖθις ἰόντες ἐπ' αὐτοὺς διαφθείρονται. [25] Βελισάριον δὲ δημοσίᾳ μὲν τῆς ξυνέσεως Ῥωμαῖοι ἐπῆνουν, ἐν θαύματι

αὐτήν, ὥς τὸ εἰκός, μεγάλῳ ποιούμενοι, ἰδίᾳ δὲ αὐτὸν ἡρώτων οἱ ἐπιτήδευοι ὅτῳ ποτὲ τεκμαιρόμενος ἐκείνῃ τῇ ἡμέρᾳ ἢ τοὺς πολεμίους οὕτως ἡσσημένους διέφυγεν, εὐελπίς ἐγγέγονει τῷ πολέμῳ κατὰ κράτος αὐτῶν περιέσεσθαι. [26] καὶ αὐτὸς ἔλεγεν ὥς αὐτοῖς κατ' ἀρχὰς ζῆν ὀλίγοις τισὶν ἐς χεῖρας ἐλθὼν κατενόησεν ὅτι ποτὲ τὸ διαφέρον ἐν ἐκατέρᾳ στρατιᾷ εἴη, ὥστε ἦν κατὰ λόγον τῆς δυνάμεως τὰς ζυμβολὰς ποιοίη, οὐδὲν ἂν τῇ σφετέρᾳ ὀλιγανθρωπία τὸ τῶν πολεμίων λυμῆνασθαι πλήθος. [27] διαφέρειν δέ, ὅτι Ῥωμαῖοι μὲν σχεδόν τι ἅπαντες καὶ οἱ ζύμμαχοι Οὐννοὶ ἱπποτοξόται εἰσὶν ἀγαθοί, Γότθων δὲ τὸ ἔργον τοῦτο οὐδενὶ ἥσκηται, ἀλλ' οἱ μὲν ἱππεῖς αὐτοῖς μόνοις δορατίοις τε καὶ ξίφεσιν εἰώθασιν χρῆσθαι, οἱ δὲ τοξόται πεζοὶ τε ὄντες καὶ πρὸς τῶν ὀπλιτῶν καλυπτόμενοι ἐς μάχην καθίστανται. [28] οἱ τε οὖν ἱππεῖς, ἦν μὴ ἐκ χειρὸς ἢ ζυμβολῇ εἴη, οὐκ ἔχοντες καθ' ὃ τι ἀμυνοῦνται πρὸς τῶν ἐναντίων τοξεύμασι χρωμένων, εὐπετῶς ἂν βαλλόμενοι διαφθείρονται, καὶ οἱ πεζοὶ κατ' ἀνδρῶν ἱπέων ἐπεκδρομὰς ποιεῖσθαι οὐκ ἂν ποτε ἱκανοὶ εἶεν. [29] διὰ ταῦτα μὲν Βελισάριος ἰσχυρίζετο τοὺς βαρβάρους ἐν ταύταις δὴ ταῖς ζυμβολαῖς πρὸς Ῥωμαίων ἡσσησθαι. Γότθοι δὲ τῶν σφίσι ζυμβεβηκότων τὸ παράλογον ἐν νῷ ἔχοντες οὔτε κατ' ὀλίγους τὸ λοιπὸν ἐπὶ τὸν Ῥώμης περίβολον ἐχώρουν οὔτε τοὺς πολεμίους ἐνοχλοῦντας ἐδίωκον, πλήν γε δὴ ὅσον ἐκ τῶν χαρακωμάτων ἀπώσασθαι.

Ὑστερον δὲ Ῥωμαῖοι μὲν ἅπαντες, ἐπαρθέντες τοῖς φθάσασιν εὐτυχήμασι, παντὶ τε τῷ Γότθων στρατεύματι ὤργων διὰ μάχης ἰέναι καὶ πολεμητέα εἶναι ἐκ τοῦ ἐμφανοῦς σφίσιν ᾤοντο. [2] Βελισάριος δέ, πάμπαν ἔτι εἶναι τὸ διαφέρον ἐν ἀμφοτέροις οἰόμενος, ὥκνει τε ἀεὶ τῷ παντὶ διακινδυνεύειν στρατεύματι καὶ τὰς ἐπεκδρομὰς ἐσπούδαζέ τε ἔτι μᾶλλον καὶ ἐπενόει ἐπὶ τοὺς πολεμίους. [3] ἐπεὶ δὲ κακιζόμενος πρὸς τε τοῦ στρατοῦ καὶ Ῥωμαίων τῶν ἄλλων ἀπέειπε, παντὶ μὲν τῷ στρατῷ μάχεσθαι ἤθελε, τὴν δὲ ζυμβολὴν ἐξ ἐπιδρομῆς οὐδὲν τι ἡσσον ποιήσασθαι. [4] πολλάκις τε ἀπεκρούσθη ἐς τοῦτο ὀρμήσας, καὶ τὴν ἔφοδον ἐς τὴν ὑστεραίαν ἀποθέσθαι ἠνάγκαστο, ἐπεὶ προγνόντας τὰ ἐσόμενα πρὸς τῶν αὐτομόλων τοὺς πολεμίους ἐν παρασκευῇ παρὰ δόξαν εὔρε. [5] διὸ δὴ καὶ ἐκ τοῦ ἐμφανοῦς διαμαχήσασθαι τὸ λοιπὸν ἤθελε, καὶ οἱ βάρβαροι ἄσμενοι ἐς τὴν μάχην καθίσταντο. καὶ ἐπεὶ ἀμφοτέροις τὰ ἐς τὴν ζυμβολὴν ὥς ἄριστα ἥσκητο, Βελισάριος μὲν ἀγείρας τὸ στρατεύμα ὅλον τοιαύδε παρεκελεύσατο: [6] 'Οὐ μαλακίαν τινὰ καταγνοῦς ὑμῶν, ἄνδρες συστρατιῶται, οὐδὲ τῶν πολεμίων κατορρωδήσας τὴν δύναμιν τὴν πρὸς αὐτοὺς συμβολὴν ὥκνουν, ἀλλ' ἐπεὶ τὸν πόλεμον ἡμῖν ἐξ ἐπιδρομῆς διαφέρουσιν εὖ καθειστήκει τὰ πράγματα, διασώσασθαι ὥμην δεῖν ἐς ἀεὶ τὴν τῆς εὐπραξίας αἰτίαν. [7] οἷς γὰρ κατὰ νοῦν τὰ παρόντα χωρεῖ, ἐφ' ἑτερον μεταβάλλεσθαι ἀξυμφορὸν οἶμαι. ὀρῶν μέντοι ἐς τόνδε ὑμᾶς προθυμουμένους τὸν κίνδυνον, εὐελπίς τέ εἰμι καὶ οὐποτε ὑμῶν τῇ ὀρμῇ ἐμποδῶν στήσομαι. [8] οἶδα γὰρ ὥς τὸ πλεῖστον ἀεὶ τῆς ἐν τοῖς πολέμοις ῥοπῆς ἢ τῶν μαχομένων κεκλήρωται γνώμη καὶ τὰ πολλὰ τῇ τούτων προθυμίᾳ κατορθοῦσθαι φιλεῖ. [9] ὥς μὲν οὖν ὀλίγοι μετὰ τῆς ἀρετῆς τεταγμένοι πλήθους περιεῖναι οἰοί τέ εἰσι τῶν ἐναντίων ἐξεπίσταται ὑμῶν ἕκαστος, οὐκ ἀκοῇ λαβὼν, ἀλλ' ἐς πείραν ἀγῶνος τὴν καθ' ἡμέραν ἤκων. [10] ὅπως δὲ μὴ

καταισχύνητε μήτε τὴν προτέραν τῶν ἐμῶν στρατηγημάτων δόξαν μήτε τὴν ἐκ τῆσδε ὑμῶν τῆς προθυμίας ἐλπίδα, ἐφ' ὑμῖν κείσεται. [11] πάντα γὰρ ὅσα ἡμῖν ἐν τῷδε τῷ πολέμῳ πεπραῖχθαι ξυμβαίνει πρὸς τὴν ἀπόβασιν κρίνεσθαι τῆς παρουσίας ἡμέρας ἀνάγκη. [12] ὁρῶ δὲ καὶ τὸν παρόντα καιρὸν ἡμῖν ξυλλαμβάνοντα, ὃς ἡμῖν δεδουλωμένου τοῖς φθάσασι τοῦ τῶν πολεμίων φρονήματος ῥάδιον, ὥς τὸ εἰκός, τὴν ἐκείνων ἐπικράτησιν θήσεται. [13] τῶν γὰρ πολλάκις ἡτυχηκότων ἥκιστα ἀνδραγαθίζεσθαι φιλοῦσιν αἱ γυνῶμαι. ἵππου δὲ ἢ τόξου ἢ ἄλλου ὁτουοῦν ὅπλου ὑμῶν φειδέσθω μηδεῖς. [14] ἐγὼ γὰρ ὑμῖν ἐν τῷ παραυτίκα ὑπὲρ πάντων ἕτερα τῶν κατὰ τὴν μάχην διαφθειρομένων ἀνθυπουργήσω.' [15] Βελισάριος μὲν τοσαῦτα παρακελευσάμενος ἐξῆγε τὸ στράτευμα διὰ τε πυλίδος Πιγκιανῆς καὶ Σαλαρίας πύλης, ὀλίγους δὲ τινὰς διὰ πύλης Αὐρηλίας ἐς Νέρωνος πεδίον ἐκέλευεν ἰέναι. [16] οἷς δὴ Βαλεντῖνον ἐπέστησε καταλόγου ἱππικοῦ ἄρχοντα, καὶ αὐτῷ ἐπέστελλε μάχης μὲν μηδεμιᾶς ἄρχειν, μηδὲ τοῦ στρατοπέδου τῶν ἐναντίων ἐγγυτέρω ἰέναι, δόκησιν δὲ παρέχειν αἰεὶ τοῦ αὐτίκα προσβάλλειν, ὅπως μὴ τῶν ἐνταῦθα πολεμίων τινὲς τὴν ἐκείνη γέφυραν διαβαίνοντες ἐπιβοηθεῖν τοῖς ἐκ τῶν ἄλλων χαρακμάτων οἰοί τε ᾧσι. [17] πολλῶν γὰρ ὄντων, ὥσπερ μοι προδεδήλωται, τῶν ἐν Νέρωνος πεδίῳ στρατοπεδευομένων βαρβάρων ἱκανόν οἱ ἐφαίνετο τούτους δὴ ἅπαντας οὐ μεταλαχόντας τῆς ξυμβολῆς ἀπὸ τοῦ ἄλλου στρατοῦ κεχωρίσθαι. [18] καὶ ἐπειδὴ Ῥωμαίων τοῦ δήμου ἐθελούσιοί τινες ὅπλα ἀνελόμενοι εἶποντο, ἐς μὲν τὴν ξυμβολὴν αὐτοὺς ξυντετάχθαι σφίσιν οὐκ εἶασε, δέισας μὴ ἐν τῷ ἀγῶνι γενόμενοι κατορρωδήσωσί τε τὸν κίνδυνον καὶ τὸ στράτευμα ξυνταράξωσιν ὅλον, βάνανσοί τε ἄνδρες καὶ πολέμου ἀμελέτητοι παντάπασιν ὄντες. [19] ἐκτὸς δὲ πυλῶν Παγκρατιανῶν, αἱ ὑπὲρ Τίβεριν ποταμὸν εἰσι, φάλαγγα ποιησαμένους ἡσυχάζειν ἐκέλευεν ἕως αὐτὸς σημήνη, λογισάμενος, ὅπερ ἐγένετο, ὥς, εἴπερ αὐτοὺς τε καὶ τοὺς ἀμφὶ Βαλεντῖνον ἴδωσιν οἱ ἐν Νέρωνος πεδίῳ πολέμιοι, οὐ ποτε θαρσήσουσι τὸ σφέτερον ἀπολιπόντες χαράκωμα ἐπὶ σφᾶς ξὺν τῷ ἄλλῳ στρατῷ ἐς μάχην ἰέναι. [20] ἔρμαιον δὲ καὶ λόγου πολλοῦ ἄξιον εἶναι ἄνδρας τοσοῦτους τὸ πλῆθος τοῦ τῶν ἐναντίων στρατοπέδου ἀποκεκρίσθαι. [21] Οὕτως μὲν οὖν ἱπομαχίαν μόνον ἐκείνῃ τῇ ἡμέρᾳ ποιήσασθαι ἠθέλεν, καὶ τῶν ἄλλων πεζῶν οἱ πλεῖστοι ἤδη μένειν ἐν τοῖς καθεστῶσιν οὐκ ἀξιοῦντες, ἵππους τε τῶν πολεμίων ληϊσάμενοι καὶ τοῦ ἱππεύειν οὐκ ἀμελέτητοι γεγεννημένοι, [22] ἱππόται ἦσαν. τοὺς δὲ πεζοὺς, ὀλίγους τε ὄντας καὶ οὔτε φάλαγγα ἔχοντας λόγου ἀξίαν ποιήσασθαι οὔτε τοῖς βαρβάροις θαρσήσαντάς πω ἐς χεῖρας ἰέναι, ἀλλ' ἐς φυγὴν αἰεὶ ἐν τῇ πρώτῃ ὁρμῇ καθισταμένους, οὐκ ἀσφαλὲς ἐνόμιζεν εἶναι ἀποθεν τοῦ περιβόλου παρατάσσεσθαι, ἀλλ' αὐτοῦ ἄγχιστα τῆς τάφρου ἐν τάξει μένειν, ὅπως, εἴ γε σφῶν τοὺς ἱππέας τρέπεσθαι ξυμβαίνοι, δέχεσθαί τε οἰοί τε ᾧσι τοὺς φεύγοντας καὶ ξὺν αὐτοῖς ἅτε ἀκμῆτες τοὺς ἐναντίους ἀμύνεσθαι. [23] Πριγκίπιος δὲ τις ἐν τοῖς αὐτοῦ δορυφόροις, ἀνὴρ δόκιμος, Πισίδης γένος, καὶ Ταρμούτος Ἰσαυρος, Ἐννου τοῦ Ἰσαύρων ἀρχηγοῦ ἀδελφός, Βελισαρίῳ ἐς ὅσιν ἐλθόντες ἔλεξαν τοιάδε: [24] 'Στρατηγῶν ἄριστε, μήτε τὸ στράτευμά σοι, ὀλίγον τε ὃν καὶ πρὸς μυριάδας βαρβάρων πολλὰς μαχησόμενον, ἀποτέμεσθαι ἀξίου τῇ πεζῶν φάλαγγος, μήτε χρῆναι

τὸ Ῥωμαίων πεζικὸν ὑβρίζεσθαι οἶον, δι' οὗ τὴν ἀρχὴν τοῖς πάλοι Ῥωμαίοις ἐς τότε μεγέθους κεχωρηκέναι ἀκούομεν. [25] εἰ γάρ τι οὐκ ἀξιόλογον αὐτοῖς ἐν τῷδε τῷ πολέμῳ εἰργάσθαι ξυμβαίνει, οὐ τῆς τῶν στρατιωτῶν κακίας τεκμήριον τοῦτο, ἀλλ' οἱ τῶν πεζῶν ἄρχοντες τὴν αἰτίαν φέρεσθαι δίκαιοι, ἵπποις μὲν ἐν τῇ παρατάξει μόνοι ὀχοῦμενοι, κοινήν δὲ ἡγεῖσθαι οὐκ ἀξιούντες τὴν τοῦ πολέμου τύχην, ἀλλὰ φυγῇ αὐτῶν μόνος ἕκαστος καὶ πρὸ τῆς ἀγωνίας τὰ πολλὰ χρώμενοι. [26] σὺ δὲ πάντας μὲν τοὺς πεζῶν ἄρχοντας, ἱππέας γὰρ ὀρθῶς γεγενημένους ἥκιστα τε ξυντάττεσθαι τοῖς σφῶν ὑπηκόοις ἐθέλοντας, ξὺν τῷ ἄλλῳ τῶν ἱππέων στρατεύματι ἔχων ἐς τὴν ξυμβολὴν τήνδε καθίστασο, ἡμᾶς δὲ τοῖς πεζοῖς ἐς τὴν παράταξιν ἡγεῖσθαι ξυγχῶρει. [27] πεζοὶ γὰρ καὶ ἡμεῖς τὸ τῶν βαρβάρων πλῆθος ξὺν αὐτοῖς οἴσομεν, ἐλπίδα ἔχοντες ὅσα ἂν ὁ θεὸς διδῷ τοὺς πολεμίους ἐργάσασθαι.' [28] Ταῦτα ἀκούσας Βελισάριος κατ' ἀρχὰς μὲν οὐ ξυνεχώρησεν· αὐτὸν γὰρ ἄνδρε μαχίμῳ ἐς ἄγαν ὄντε ὑπερηγάπα καὶ πεζοὺς ὀλίγους διακινδυνεύειν οὐκ ἠθέλε. [29] τέλος δὲ τῇ τῶν ἀνδρῶν προθυμίᾳ βιαζόμενος ὀλίγους μὲν τινας ἐς τε τὰς πύλας καὶ ἄνω ἐς τὰς ἐπάλξεις ξὺν Ῥωμαίων τῷ δήμῳ ἀμφὶ τὰς μηχανὰς εἶασε, τοῖς δὲ ἄλλοις Πριγκίπιόν τε καὶ Ταρμουτὸν ἐπιστήσας ὀπισθεν αὐτοὺς ἵστασθαι ἐν τάξει ἐκέλευεν, ὅπως αὐτοὶ τε μὴ τὸν κίνδυνον κατορρωδήσαντες τὸ ἄλλο στράτευμα ξυνταράξωσι, καὶ τῶν ἱππέων ἦν τίς ποτε μοῖρα τρέποιτο, μὴ ὡς ἀπατάτῳ χωρήσαιεν, ἀλλ' ἐς τοὺς πεζοὺς καταφεύγοντες τοὺς διώκοντας οἰοί τε ὅσι ξὺν ἐκείνοις ἀμύνεσθαι.

Ῥωμαίοις μὲν τὰ ἐς τὴν ξυμβολὴν παρεσκεύαστο ὧδε. Οὐίττιγίς δὲ Γότθους ἐξώπλισεν ἅπαντας, οὐδένα ἐν τοῖς χαρακώμασιν, ὅτι μὴ τοὺς ἀπομάχους, ἀπολιπὼν. [2] καὶ τοὺς μὲν ἀμφὶ Μαρκίαν ἐν Νέρωνος πεδίῳ μένειν ἐκέλευε, φυλακῆς τε τῆς ἐν γεφύρᾳ ἐπιμελεῖσθαι, ὅπως δὴ μὴ ἐνθένδε οἱ πολέμιοι ἐπὶ σφᾶς ἴωσιν· αὐτὸς δὲ τὸ ἄλλο στράτευμα ξυγκαλέσας ἔλεξε τοιάδε· [3] 'Ἴσως ἂν ὑμῶν τισὶ περὶ τῇ ἀρχῇ δεδιέναι δοκοίη καὶ ἀπ' αὐτοῦ τὴν τε ἄλλην ἐς ὑμᾶς φιλοφροσύνην ἐνδείξασθαι καὶ τανῦν ὑπὲρ εὐτολμίας ὑμῖν ἐπαγωγὰ φθέγγεσθαι. [4] καὶ τοῦτο οὐκ ἀπὸ τοῦ ἀνθρωπείου τρόπου λογίζονται. εἰώθασι γὰρ ἀμαθεῖς ἄνθρωποι, ὧν μὲν ἂν δέοντο, πρῶτόν τι ἐς αὐτοὺς χρῆσθαι, κἂν πολλῷ τῷ διαλλάσσοντι καταδεέστεροι τύχωσιν ὄντες, ἐς δὲ τοὺς ἄλλους δυσπρόσοδοι εἶναι, ὧν τῆς ὑπουργίας οὐ χρῆζουσιν. [5] ἐμοὶ μέντοι οὔτε βίου καταστροφῆς οὔτε ἀρχῆς στερήσεως μέλει. εὐξαίμην γὰρ ἂν καὶ τὴν πορφυρίδα ταύτην ἀποδύσασθαι τήμερον, εἰ Γότθος ἀνὴρ αὐτὴν ἐνδιδύσκεσθαι μέλλοι. [6] καὶ τὸ Θευδάτου πέρας ὄλβιον ἐν τοῖς μάλιστα γεγενῆσθαι νενόμικα, ὃ γε ταῖς τῶν ὁμοφύλων χερσὶ τὴν τε ἀρχὴν ἀφεῖναι καὶ τὴν ψυχὴν ἅμα τετύχηκε. [7] συμφορὰ γὰρ ἰδίᾳ προσπίπτουσα μὴ συμφθειρομένου τοῦ γένους τοῖς γε οὐκ ἀνοήτοις παραψυχῆς οὐκ ἐστέρηται. [8] ἐννοοῦντά με δὲ τὸ τε Βανδύλων πάθος καὶ τὸ τοῦ Γελίμερος τέλος οὐδὲν εἰσέρχεται μέτριον, ἀλλὰ Γότθους μὲν ὁρᾶν μοι δοκῶ ξὺν τοῖς παισὶ δεδουλωμένους, γυναῖκας δὲ ὑμετέρας ἀνδράσιν ἐχθίστοις τὰ πάντων αἰσχιστα ὑπηρετούσας, ἐμαυτὸν δὲ ἀγόμενον καὶ τὴν τῆς Θευδερίχου θυγατρὸς παῖδα ὅπῃ ποτὲ τοὺς νῦν πολεμίους ἀρέσκει· ταῦτα βουλοίμην ἂν καὶ ὑμᾶς ὅπως μὴ προσπέσωσι δείσαντας ἐς μάχην τήνδε καθίστασθαι. [9]

οὕτω γὰρ ἂν ἐν τῷ τῆς ξυμβολῆς χωρίῳ τὴν τοῦ βίου καταστροφὴν περιπλείονος τῆς μετὰ τὴν ἦτταν σωτηρίας ποιήσαισθε. ἐνὶ γὰρ μόνῳ κακοτυχεῖν ἄνδρες γενναῖοι τῷ τῶν πολεμίων ἐλασσοῦσθαι νομίζουσι. [10] θάνατος δέ, ἄλλως τε καὶ ταχὺς ἦκων, εὐδαίμονας αἰετὸς πρόσθεν οὐκ εὐτυχοῦντας ἐργάζεται. [11] εὐδηλὸν τε ὥς, ἣν μετὰ τούτων ὑμεῖς τῶν λογισμῶν τήνδε τὴν ξυμβολὴν διενέγκητε, ῥᾶστα μὲν τοὺς ἐναντίους νικήσετε, ὀλίγους τε ὄντας καὶ Γραικοὺς, κολάσετε δὲ αὐτοὺς αὐτίκα δὴ μάλα τῆς τε ἀδικίας καὶ ὕβρεως ἧς ἐς ἡμᾶς ἦρξαν. [12] ἡμεῖς μὲν γὰρ αὐτῶν ἀρετῇ τε καὶ πλήθει καὶ τοῖς ἄλλοις ἅπασιν ὑπεραίρειν αὐχοῦμεν, οἱ δὲ θρασύνονται καθ' ἡμῶν τοῖς ἡμετέροις κακοῖς ἐπαρθέντες, καὶ μόνον ἐφόδιον ἔχοντες τὴν ἡμετέραν ὀλιγορίαν. βόσκει γὰρ αὐτῶν τὴν παρρησίαν τὸ παρὰ τὴν ἀξίαν εὐτύχημα. [13] Τοσαῦτα καὶ Οὐίτιγίς παρακελευσάμενος διεκόσμηε τὸ στράτευμα ἐς παράταξιν, πεζοὺς μὲν ἐς μέσον καταστησάμενος, τοὺς ἵππεας δὲ ἐς ἄμφω τὰ κέρατα. [14] οὐκ ἄποθεν μέντοι τῶν χαρακωμάτων τὴν φάλαγγα διέτασσαν, ἀλλ' αὐτοῦ ἄγχιστα, ὅπως, ἐπειδὴν τάχιστα ἡ τροπὴ γένηται, εὐπετῶς οἱ πολέμιοι καταλαμβανόμενοι διαφθείρωνται, ἐν χώρῳ πολλῷ τῆς διώξεως αὐτοῖς γινομένης. [15] ἥλπιζε γάρ, ἣν ἐν τῷ πεδίῳ ἡ μάχη συσταδὸν γένηται, αὐτοὺς οὐδὲ βραχύν τινα χρόνον ἀνθέξειν, τεκμαιρόμενος πολλῷ γε ὄντι τῷ παραλόγῳ ὅτι οὐκ ἀντίπαλον τῷ σφετέρῳ τὸ τῶν πολεμίων στράτευμα εἴη. [16] Οἱ μὲν οὖν στρατιῶται πρῶτ' ἀρξάμενοι ἔργου ἐκατέρωθεν εἶχοντο: Οὐίτιγίς δὲ καὶ Βελισάριος ὀπισθεν ἐγκελευόμενοι ἀμφοτέρους ἐς εὐψυχίαν ὥρων. [17] καὶ τὰ μὲν πρῶτα καθυπέρτερα ἦν τὰ Ῥωμαίων, οἱ τε βάρβαροι πρὸς τῶν τοξευμάτων συχνοὶ ἔπιπτον, διώξις μὲντοι αὐτῶν οὐδεμία ἐγένετο. [18] ἄτε γὰρ ἐν πλήθει μεγάλῳ οἱ Γότθοι καθεστῶτες ῥᾶστα δὴ ἐς τῶν διαφθειρομένων τὴν χώραν ἔτεροι ἴσταντο, αἴσθησίν τε οὐδεμίαν τῶν ἐν σφίσιν ἀπολλυμένων παρείχοντο. καὶ τοῖς Ῥωμαίοις ἱκανὸν ἐφαίνετο λίαν ὀλίγοις οὖσιν ἐς τόδε αὐτοῖς τὴν ἀγωνίαν ἀποκεκρίσθαι. [19] τὴν τε μάχην ἄχρι ἐς τὰ τῶν ἐναντίων στρατόπεδα διενεγκοῦσιν ἐς μέσσην ἡμέραν, καὶ πολλοὺς ἤδη διαφθείρασι τῶν πολεμίων βουλομένοις ἣν ἐς τὴν πόλιν ἐπανέναι, ἣν τις αὐτοῖς γένηται σκῆψις. [20] ἐν τούτῳ τῷ πόνῳ ἄνδρες Ῥωμαίων ἀγαθοὶ πάντων μάλιστα ἐγένοντο τρεῖς, Αθηνόδωρος τε, ἀνὴρ Ἰσαυρος, ἐν τοῖς Βελισαρίου δορυφόροις εὐδόκιμος, καὶ Θεοδωρίσκος τε καὶ Γεώργιος, [21] Μαρτίνου δορυφόροι, Καππαδόκαι γένος. αἰεὶ γὰρ τοῦ τῆς φάλαγγος ἐξιόντες μετώπου δόρασι διειργάζοντο τῶν βαρβάρων πολλοὺς. ταῦτα μὲν ἐφέρετο τῇδε. [22] Ἐν δὲ Νέρωνος πεδίῳ χρόνον μὲν συχνὸν ἀντεκάθηντο ἑκάτεροι ἀλλήλοις, καὶ οἱ Μαυρούσιοι ἐπεκδρομάς τε αἰεὶ ποιοῦμενοι καὶ τὰ δοράτια ἐσακοντίζοντες τοὺς Γότθους ἐλύπουν. [23] ἐπεξίεναι γὰρ αὐτοῖς ἥκιστα ἤθελον, δεδιότες τοὺς ἐκ τοῦ Ῥωμαίων δήμου οὐκ ἄποθεν ὄντας, οὓς δὴ στρατιώτας τε ᾤοντο εἶναι καὶ τινα ἐνέδραν ἐς σφᾶς ποιουμένους ἡσυχῇ μένειν, ὅπως κατὰ νότου ἰόντες ἀμφιβόλους τε ποιησάμενοι διαφθείρωσιν. [24] ἤδη δὲ τῆς ἡμέρας μεσοῦσης ὁρμᾷ μὲν τὸ Ῥωμαίων στράτευμα ἐκ τοῦ αἰφνιδίου ἐπὶ τοὺς πολέμιους, τρέπονται δὲ παρὰ δόξαν οἱ Γότθοι τῷ ἀπροσδοκῆτῳ καταπλαγέντες. [25] καὶ οὐδὲ ἐς τὸ χαράκωμα φυγεῖν ἴσχυσαν, ἀλλ' ἐς τοὺς ἐκείνη λόφους ἀναβάντες ἡσύχαζον. οἱ δὲ Ῥωμαῖοι πολλοὶ μὲν ἦσαν, οὐ στρατιῶται δὲ πάντες, [26] ἀλλ' οἱ

πλειστοι γυμνὸς ὁμιλος. ἄτε γὰρ τοῦ στρατηγοῦ ἐτέρωθι ὄντος πολλοὶ ἐν τῷ Ῥωμαίων στρατοπέδῳ ναῦται καὶ οἰκέται τοῦ πολέμου μεταλαχεῖν ἐφιεμένοι ἀνεμίγνυντο τῷ ταύτῃ στρατῷ. [27] καὶ πλήθει μὲν τοὺς βαρβάρους ἐκπλήξαντες, ὥσπερ ἐρρήθη, ἐς φυγὴν ἔτρεψαν, ἀκοσμία δὲ τὰ Ῥωμαίων πράγματα ἔσφηλαν. [28] ἐπιμιξία γὰρ τῇ ἐκείνων ἐς ἀταξίαν πολλὴν οἱ στρατιῶται ἐμπεπτωκότες, καίπερ σφίσι Βαλεντίνου πολλὰ ἐγκελευομένου, τῶν παραγγελλομένων ἥκιστα ἤκουον. [29] διόπερ οὐδὲ τοῖς φεύγουσιν ἐπιστόμενοί τινα ἔκτεινον, ἀλλ' ἐν τοῖς λόφοις ἡσυχάζοντας ἀδεῶς τὰ ποιούμενα θεᾶσθαι ξυνεχώρησαν. [30] οὐδὲ τὴν ἐκείνῃ διελεῖν γέφυραν ἐν νῷ ἐποίησαντο, ὅπως τὸ λοιπὸν ἢ πόλις μὴ ἐκατέρωθεν πολιορκοῖτο, τῶν βαρβάρων ἔτι ὑπὲρ ποταμὸν Τίβεριν ἐνστρατοπεδεύεσθαι οὐκ ἂν δυναμένων. [31] οὐ μὴν οὐδὲ τὴν γέφυραν διαβάντες κατὰ νότου τῶν ἐναντίων ἐγένοντο οἱ τοῖς ἀμφὶ Βελισάριον ταύτῃ ἐμάχοντο. ὅπερ εἰ ἐγεγόνει, οὐκ ἂν ἔτι, οἶμαι, οἱ Γότθοι πρὸς ἀλκὴν ἐβλεπον, ἀλλ' ἐς φυγὴν αὐτίκα μάλα ἐτράποντο, ὥς ἕκαστός πῃ ἐδύνατο. [32] νῦν δὲ καταλαβόντες τὸ τῶν πολεμίων χαράκωμα ἐς ἀρπαγὴν τῶν χρημάτων ἐτράποντο, καὶ πολλὰ μὲν ἐνθένδε ἀργυρώματα, πολλὰ δὲ ἄλλα χρήματα ἔφερον. [33] οἱ δὲ βάρβαροι χρόνον μὲν τινα θεώμενοι τὰ ποιούμενα ἡσύχαζόν τε καὶ αὐτοῦ ἔμενον, τέλος δὲ ξυμφρονήσαντες θυμῷ τε πολλῷ καὶ κραυγῇ ἐχόμενοι ἐπὶ τοὺς ἐναντίους ἐχώρησαν. [34] εὐρόντες δὲ ἀνθρώπους κόσμῳ οὐδενὶ τὰ σφέτερα ληϊζομένους ἔκτεινάν τε συχνούς καὶ τοὺς λοιπούς κατὰ τάχος ἐξήλασαν. ὅσοι γὰρ ἐγκαταληφθέντες αὐτῶν οὐ διεφθάρησαν, ἀπὸ τῶν ὤμων τὰ χρήματα ρίψαντες ἄσμενοι ἔφευγον. [35] Ἐν ᾧ δὲ ταῦτα ἐν Νέρωνος πεδίῳ ἐγίνετο, ἐν τούτῳ ὁ ἄλλος τῶν βαρβάρων στρατὸς ἄγχιστα τῶν σφετέρων στρατοπέδων ταῖς ἀσπίσι φραζάμενοι τοὺς ἐναντίους καρτερῶς ἡμύναντο, καὶ πολλοὺς μὲν ἄνδρας, ἵππους δὲ πολλῷ πλείους διέφθειρον. [36] ἐπεὶ δὲ Ῥωμαίων οἱ μὲν τραυματαῖα γεγεννημένοι, οἱ δὲ τῶν ἵππων σφίσι διαφθαρέντων ἐξέλιπον τὴν παράταξιν, ἐν ὀλίγῃ καὶ πρότερον τῇ στρατιᾷ οὔσῃ ἔτι μᾶλλον ἢ ὀλιγανθρωπία διαφανῆς ἦν, πολὺ τε τὸ διαλλάσσον τοῦ τῶν Γότθων ὁμίλου ἐφάνη. [37] ἅπερ ἐν νῷ λαβόντες οἱ τῶν βαρβάρων ἱππεῖς ἐκ τοῦ δεξιοῦ κέρως ἐπὶ τοὺς κατ' αὐτοὺς πολεμίους ἐχώρησαν δρόμῳ. ὧν δὴ τὰ δόρατα οὐκ ἐνεγκόντες οἱ ταύτῃ Ῥωμαῖοι ἐς φυγὴν ὥρμηντο καὶ ἐς τῶν πεζῶν τὴν φάλαγγα ἤκον. [38] οὐ μὴν οὐδὲ οἱ πεζοὶ τοὺς ἐπιόντας ὑφίσταντο, ἀλλὰ ξὺν τοῖς ἱππεῦσιν οἱ πολλοὶ ἔφευγον. αὐτίκα δὲ καὶ τὸ ἄλλο Ῥωμαίων στράτευμα ὑπεχώρει, ἐγκειμένων σφίσι τῶν πολεμίων, καὶ ἡ τροπὴ κατὰ κράτος ἐγίνετο. [39] Πριγκίπιος δὲ καὶ Ταρμούτος ξὺν ὀλίγοις τισὶ τῶν ἀμφ' αὐτοὺς πεζῶν ἔργα ἐπεδείξαντο ἀρετῆς ἄξια ἐς αὐτούς. [40] μαχομένους τε γὰρ καὶ τρέπεσθαι ξὺν τοῖς ἄλλοις ἥκιστα ἀξιοῦντας τῶν Γότθων οἱ πλειστοὶ ἐν θαύματι τοῦτο μεγάλῳ ποιοῦμενοι ἔστησαν. καὶ ἀπ' αὐτοῦ οἱ τε ἄλλοι πεζοὶ καὶ τῶν ἱππέων οἱ πλειστοὶ ἀδεέστερον διεσώθησαν. [41] Πριγκίπιος μὲν οὖν, κρεουργηθεὶς τὸ σῶμα ὅλον, αὐτοῦ ἔπεσε, καὶ πεζοὶ ἀμφ' αὐτὸν τεσσαράκοντα καὶ δύο. [42] Ταρμούτος δὲ δύο ἀκόντια Ἰσαυρικὰ ἐν ἀμφοτέραις ταῖς χερσὶν ἔχων, νύττων τε αἰεὶ τοὺς ἐπιόντας ἐπιστροφάδην, ἐπειδὴ κοπτόμενος τὸ σῶμα ἀπέειπεν, Ἐννου τὰδελοφὺ ξὺν ἱππεῦσιν οἱσιν ἐπιβεβοηθήκοτος, ἀνέπνευσέ τε καὶ δρόμῳ ὄξεϊ

λύθρου τε καὶ πληγῶν ἔμπλεως ἐπὶ τὸν περίβολον οὐδέτερον τῶν ἀκοντίων ἀποβαλὼν ἦει. [43] ποδώκης δὲ ὦν φύσει διαφυγεῖν ἴσχυσε, καίπερ οὕτω τοῦ σώματος ἔχων, παρ' αὐτάς τε τὰς Πιγκιανὰς πύλας ἐλθὼν ἔπεσε. καὶ αὐτὸν τετελευτηκέναι δόξαντα ὑπὲρ ἀσπίδος ἄραντες τῶν τινες ἐταίρων ἐκόμισαν. [44] ὁ δὲ ἡμέρας δύο ἐπιβίους ἐτελεύτησε, λόγον αὐτοῦ πολὺν ἐν τε Ἰσαύροις καὶ τῷ ἄλλῳ στρατοπέδῳ ἀπολιπών. [45] Πεφοβημένοι τε ἤδη Ῥωμαῖοι φρουρᾷς τῆς ἐν τῷ τείχει ἐπεμελοῦντο καὶ τὰς πύλας ἐπιθέντες ξὺν θορύβῳ πολλῷ τῇ πόλει τοὺς φεύγοντας οὐκ ἐδέχοντο, δεδιότες μὴ ξυνεισβάλλωσιν αὐτοῖς οἱ πολέμιοι. [46] καὶ αὐτῶν ὅσοι οὐκ ἔφθασαν τοῦ περιβόλου ἐντὸς γεγενημένοι, τὴν τάφρον διαβάντες καὶ τῷ τείχει τὰ νῶτα ἐρείσαντες, ἔτρεμόν τε καὶ πάσης ἀλκῆς ἐπιλεησμένοι εἰστήκεισαν, ἀμύνεσθαί τε τοὺς βαρβάρους ἥκιστα ἴσχυον, καίπερ ἐγκειμένους τε καὶ τὴν τάφρον ὑπερβῆναι ἐπ' αὐτοὺς μέλλοντας. [47] αἴτιον δὲ ἦν ὅτι τοῖς μὲν πολλοῖς τὰ δόρατα ἐν τε τῇ ξυμβολῇ καὶ τῇ φυγῇ κατεαγόντα ἐτύγχανε, τὰ δὲ τόξα ἐνεργεῖν στενοχωρία τῇ πρὸς ἀλλήλους οὐχ οἷοί τε ἦσαν. [48] ἕως μὲν οὖν οὐ πολλοὶ ἐν ταῖς ἐπάλξεσι καθεωρῶντο, οἱ Γότθοι ἐνέκειντο, ἐλπίδα ἔχοντες τοὺς τε ἀποκεκλεισμένους ἅπαντας διαφθεῖραι καὶ τοὺς ἐν τῷ περιβόλῳ βιάσασθαι. [49] ἐπεὶ δὲ στρατιωτῶν τε καὶ τοῦ Ῥωμαίων δήμου ἀμυνομένων πολὺ τι χρήμα ἐς τὰς ἐπάλξεις εἶδον, αὐτίκα δὴ ἀπογόντες ἐνθένδε ὀπίσω ἀπήλαυνον, πολλὰ τοὺς ἐναντίους κακίσαντες. [50] ἥ τε μάχη ἐν τοῖς τῶν βαρβάρων χαρακώμασιν ἀρξαμένη ἐν τε τῇ τάφρῳ καὶ τῷ τῆς πόλεως ἐτελεύτησε τείχει.

BOOK VI.

Μετὰ δὲ Ῥωμαῖοι παντὶ τῷ στρατῷ διακινδυνεύειν οὐκέτι ἐτόλμων· ἱππομαχίας δὲ ποιούμενοι ἐξ ἐπιδρομῆς τρόπῳ τῷ προτέρῳ τὰ πολλὰ τοὺς βαρβάρους ἐνίκων. [2] ἦσαν δὲ καὶ πεζοὶ ἐκατέρωθεν, οὐκ ἐς φάλαγγα ξυντεταγμένοι, [3] ἀλλὰ τοῖς ἱππεῦσιν ἐπόμενοι. καὶ ποτε Βέσσας ἐν πρώτῃ ὁρμῇ ἐς τοὺς πολεμίους ξὺν τῷ δόρατι ἐσπηδήσας τρεῖς τε τῶν ἀρίστων ἱππέων ἔκτεινε καὶ τοὺς ἄλλους ἐς φυγὴν ἔτρεψεν. [4] αὐθις δὲ Κωνσταντῖνος τοὺς Οὐννους ἐπαγόμενος ἐν Νέρωνος πεδίῳ ἀμφὶ δείλῃν ὀψίαν, ἐπειδὴ τῷ πλήθει ὑπερβιαζομένους τοὺς ἐναντίους εἶδεν, [5] ἐποίει τοιάδε. στάδιον μέγα ἐνταῦθα ἐκ παλαιοῦ ἐστίν, οὗ δὴ οἱ τῆς πόλεως μονομάχοι τὰ πρότερα ἡγωνίζοντο, πολλὰ τε ἄλλα οἱ πάλοι ἄνθρωποι ἀμφὶ τὸ στάδιον τοῦτο ἐδείμαντο, καὶ ἀπ' αὐτοῦ στενωπούς, ὥς τὸ εἰκός, πανταχόθι τοῦ χωρίου ξυμβαίνει εἶναι. [6] τότε οὖν Κωνσταντῖνος, ἐπεὶ οὔτε περιέσεσθαι τοῦ τῶν Γότθων ὁμίλου εἶχεν οὔτε κινδύνου μεγάλου ἐκτὸς φεύγειν οἷός τε ἦν, ἀπὸ τῶν ἵππων ἅπαντας τοὺς Οὐννους ἀποβιβάσας πεζὸς ξὺν αὐτοῖς ἐς τινα τῶν ἐκεῖνι στενωπῶν ἔστη. [7] ὅθεν δὴ βάλλοντες ἐκ τοῦ ἀσφαλοῦς τοὺς πολεμίους συχνοὺς ἔκτεινον. καὶ χρόνον μὲν τινα οἱ Γότθοι βαλλόμενοι ἀντείχον. [8] ἤλπιζον γάρ, ἐπειδὰν τάχιστα τῶν Οὐννων τὰς φαρέτρας ἐπιλείπῃ τὰ βέλη, κύκλωσίν τε αὐτῶν οὐδενὶ πόνῳ ποιήσασθαι καὶ δήσαντες ἐς στρατόπεδον αὐτοὺς τὸ σφέτερον ἄξειν. [9] ἐπεὶ δὲ οἱ Μασσαγέται, τοξόται μὲν ἀγαθοὶ ὄντες, ἐς πολὺν δὲ ὅμιλον βάλλοντες, τοξεύματι σχεδόν τι ἐκάστω πολεμίῳ ἀνδρὸς ἐπετύγχανον, ἦσθοντο μὲν ὑπὲρ ἡμισυ ἀπολωλότες, ἤδη δὲ καὶ ἐς δυσμὰς ἰόντος ἡλίου οὐκ ἔχοντες ὅ τι γένωνται ἐς φυγὴν ὥρμηντο. [10] ἔνθα δὴ αὐτῶν πολλοὶ ἔπεσον· ἐπισπόμενοι γὰρ οἱ Μασσαγέται, ἐπεὶ τοξεύειν ὡς ἄριστα καὶ πολλῶν χρώμενοι δρόμῳ ἐπίστανται, οὐδέν τι ἦσσαν ἐς νῶτα βάλλοντες ἔκτεινον. οὕτω τε ἐς Ῥώμην Κωνσταντῖνος ξὺν τοῖς Οὐννοις ἐς νύκτα ἦκε. [11] Περανίου δὲ ἡμέραις οὐ πολλαῖς ὕστερον Ῥωμαίων τισὶ διὰ πύλης Σαλαρίας ἐπὶ τοὺς πολεμίους ἡγησαμένου ἐφευγον μὲν κατὰ κράτος οἱ Γότθοι, παλινδιώξεως δὲ περὶ ἡλίου δυσμὰς ἐκ τοῦ αἰφνιδίου γεγενημένης, τῶν τις Ῥωμαίων πεζὸς ἐς μέγαν καταστάς θόρυβον ἐς βαθεῖαν τινα κατῶρυχα ἐμπίπτει, οἶαι πολλαὶ τοῖς πάλοι ἀνθρώποις πρὸς σίτου παρακαταθήκην ἐνταῦθα, [12] οἶμαι, πεποίηνται. οὔτε δὲ κραυγῇ χρῆσθαι τολμήσας, ἅτε που ἐγγὺς στρατοπεδευομένων τῶν πολεμίῳ, οὔτε τοῦ βόθρου τρόπῳ ὀφιοῦν ἀπαλλάσσεσθαι οἷός τε ὦν, ἐπεὶ ἀνάβασιν οὐδαμῇ εἶχεν, αὐτοῦ διανυκτερεῦειν ἠνάγκαστο. [13] τῇ δὲ ἐπιγενομένη ἡμέρᾳ, τροπῆς αὐθις τῶν βαρβάρων γεγενημένης, τῶν τις Γότθων ἐς τὴν αὐτὴν κατῶρυχα ἐμπίπτει. [14] ἔνθα δὴ ἄμφω ἐς τε φιλοφροσύνην καὶ εὖνοίαν ξυνηλθέτην ἀλλήλοιν, ξυναγοῦσης αὐτοὺς τῆς ἀνάγκης, τὰ τε πιστὰ ἔδοσαν, ἥ μὴν κατεσπονδασμένην ἐκατέρῳ τὴν θατέρου σωτηρίαν εἶναι, καὶ τότε δὴ μέγα καὶ ἐξαισίον ἄμφω ἐβόων. [15] Γότθοι μὲν οὖν τῇ τε φωνῇ ἐπισπόμενοι καὶ ὑπὲρ τῆς κατῶρυχος διακύψαντες ἐπυνθάνοντο ὅστις ποτὲ ὁ βοῶν εἴη. [16] οὕτω δὲ τοῖν ἀνδροῖν δεδογμένον, σιωπὴν μὲν ὁ Ῥωμαῖος εἶχεν, ἄτερος δὲ τῇ

πατρίῳ γλώσση ἑναγχος ἔφασκεν ἐν τῇ γενομένῃ τροπῇ ἐμπεπτωκέναι, βρόχον τε αὐτούς, ὅπως ἀναβαίνειν, ἡξίου καθεῖναι. [17] καὶ οἱ μὲν ὡς τάχιστα τῶν κάλων τὰς ἀρχὰς ἀπορρίψαντες τοῦ Γότθου ποιεῖσθαι τὴν ἀνολικὴν ᾤοντο, λαβόμενος δὲ ὁ Ῥωμαῖος τῶν βρόχων εἴλκετο ἄνω, τοιοῦτον εἰπὼν, ὡς, ἦν μὲν αὐτὸς ἀναβαίνειν πρῶτος, οὐποτε τοῦ ἐταίρου ἀμελήσειν τοὺς Γότθους, ἦν δέ γε τὸν πολέμιον πύθωνται μόνον ἐνταῦθα εἶναι, οὐδένα ἂν αὐτοῦ ποιοῖντο λόγον. [18] ταῦτα εἰπὼν ἀνέβη. καὶ αὐτὸν ἐπεὶ οἱ Γότθοι εἶδον, ἐθαύμαζον τε καὶ ἀμηχανία πολλῇ εἶχοντο, πάντα τε παρ' αὐτοῦ τὸν λόγον ἀκούσαντες ἐν δευτέρῳ τὸν ἐταῖρον ἀνεῖλκον, ὃς δὴ αὐτοῖς τὰ τε ξυγκείμενα σφίσι καὶ τὰ δεδομένα πρὸς ἀμφοτέρων πιστὰ ἔφρασε. [19] καὶ αὐτὸς μὲν ζὺν τοῖς ἐταίροις ἀπιὼν ᾤχετο, τὸν δὲ Ῥωμαῖον κακῶν ἀπαθὴ ἐς τὴν πόλιν ἀφῆκαν ἰέναι. [20] ἔπειτα δὲ ἱππεῖς μὲν πολλὰκις ἐκατέρωθεν οὐ πολλοὶ ὡς ἐς μάχην ὠπλίζοντο, ἐς μονομαχίαν δὲ αἰεὶ τὰ τῆς ἀγωνίας αὐτοῖς ἐτελεύτα καὶ πάσαις Ῥωμαῖοι ἐνίκων. ταῦτα μὲν δὴ ᾧδὲ πη ἔσχεν. [21] Ὀλίγῳ δὲ ὕστερον χρόνῳ ξυμβολῆς ἐν Νέρωνος γινομένης πεδίῳ, διώξεις τε ἄλλων ἄλλῃ κατ' ὀλίγους ἱππεῖς ποιουμένων, Χορσάμαντις, ἐν τοῖς Βελισαρίου δορυφόροις εὐδόκιμος, Μασσαγέτης γένος, ζὺν ἐτέροις τισὶν ἄνδρας ἐβδομήκοντα τῶν πολεμίων ἐδίωκεν. [22] ἐπειδὴ τε τοῦ πεδίου πόρρῳ ἐγένετο, οἱ μὲν ἄλλοι Ῥωμαῖοι ὀπίσω ἀπήλαινον, Χορσάμαντις δὲ μόνος ἔτι ἐδίωκεν. ὅπερ κατιδόντες οἱ Γότθοι στρέψαντες τοὺς ἵππους ἐπ' αὐτὸν ἦσαν. [23] καὶ ὁ μὲν ἐς μέσους χωρήσας, ἕνα τε τῶν ἀρίστων δόρατι κτείνας, ἐπὶ τοὺς ἄλλους ἦει, οἱ δὲ αὖθις τραπόμενοι ἐς φυγὴν ὥρμηντο. [24] αἰσχυρόμενοι δὲ τοὺς ἐν τῷ στρατοπέδῳ ἤδη γὰρ καὶ πρὸς αὐτῶν καθορᾶσθαι ὑπώπτευν ἄλλιν ἰέναι ἐπ' αὐτὸν ἠθέλον. [25] ταῦτ' οὖν παθόντες, ὅπερ καὶ πρότερον, ἕνα τε τῶν ἀρίστων ἀποβαλόντες, ἐς φυγὴν οὐδὲν ἦσσαν ἐτράποντο, μέχρι τε τοῦ χαρακώματος τὴν διώξιν ὁ Χορσάμαντις ποιησάμενος ἀνέστρεψε μόνος. [26] ὀλίγῳ δὲ ὕστερον ἐν μάχῃ ἐτέρᾳ κνήμην τὴν ἀριστερὰν βληθέντι τούτῳ ἐνομήσθη εἶναι ἄκρου ὁστέου τὸ βέλος ἀψάμενον. [27] ἀπόμαχος μέντοι ἡμέρας ὅσας δὴ ἐπὶ ταύτῃ γεγωνὼς τῇ πληγῇ ἅτε ἀνὴρ βάρβαρος οὐκ ἠνεγκε πρῶως, ἀλλ' ἠπειλῆσε τῆς ἐς τὸ σκέλος ὕβρεως τοὺς Γότθους ὅτι τάχιστα τίσασθαι. [28] ῥαῖσας οὖν οὐ πολλῷ ὕστερον ἔν τε ἀρίστῳ οἰνωμένος, ὥσπερ εἰώθει, μόνος ἐπὶ τοὺς πολεμίους ἐβούλευσεν ἰέναι καὶ τῆς ἐς τὸν πόδα ὕβρεως τίσασθαι, ἐν τε Πιγκιανῇ γενόμενος πηλιδί, στέλλεσθαι πρὸς Βελισαρίου ἔφασκεν ἐπὶ τῶν ἐναντίων στρατοπέδον. [29] οἱ δὲ ταύτῃ φρουροὶ 'οὐ γὰρ ἀπιστεῖν ἀνδρὶ τῶν Βελισαρίου δορυφόρων ἀρίστῳ εἶχόν τας τε πύλας ἀνέφξαν καὶ ὅπῃ βούλοιο ἀφῆκαν ἰέναι. [30] κατιδόντες τε αὐτὸν οἱ πολέμιοι, τὰ μὲν πρῶτα αὐτόμολον σφίσι τινὰ προσχωρεῖν ᾤοντο, ἐπεὶ δὲ ἀγχοῦ γενόμενος τοῦ τόξου εἶχετο, οὐκ εἰδότες ὅστις ποτὲ εἶη, χωροῦσιν ἐπ' αὐτὸν εἴκοσιν. [31] οὓς δὴ εὐπετῶς ἀπωσάμενος ἀπήλαινε βάδην, πλειόνων τε Γότθων ἐπ' αὐτὸν ἰόντων οὐκ ἔφυγεν. [32] ὡς δὲ πλήθους πολλοῦ ἐπιρρέοντος ἀμύνεσθαι ἡξίου, Ῥωμαῖοι ἐκ τῶν πύργων θεώμενοι μαίνεσθαι μὲν τὸν ἄνδρα ὑπώπτευν, ὡς δὲ Χορσάμαντις εἶη οὐπω ἠπίσταντο. [33] ἔργα μὲν ἐπιδειξάμενος μεγάλα τε καὶ λόγου πολλοῦ ἄξια, ἔς τε κύκλωσιν ἐμπεπτωκῶς τοῦ τῶν πολεμίων στρατεύματος, [34] ποινὰς ἀλόγου θράσους ἐξέτισεν. ἅπερ ἐπειδὴ Βελισαρίου

τε καὶ ὁ Ῥωμαίων στρατὸς ἔμαθον, ἐν πένθει μεγάλῳ γενόμενοι, ἅτε τῆς πάντων ἐλπίδος ἐπὶ τῷ ἀνθρώπῳ διαφθαρείσης, ὠδύροντο.

Εὐθάλιος δέ τις ἀμφὶ θερινὰς τροπὰς ἐς Ταρακίαν ἐκ Βυζαντίου ἦκε, χρήματα ἔχων ἅπερ τοῖς στρατιώταις βασιλεὺς ὄφλε. [2] δεισας τε μὴ κατὰ τὴν ὁδὸν ἐντυχόντες πολέμιοι τὰ χρήματά τε ἀφέλονται καὶ αὐτὸν κτείνωσι, γράφει πρὸς Βελισάριον ἀσφαλῆ οἱ ἐς Ῥώμην τὴν πορείαν ποιήσασθαι. [3] ὁ δὲ ἄνδρας μὲν ἑκατὸν τῶν αὐτοῦ ὑπασπιστῶν δοκίμους ἀπολεξάμενος ξὺν δορυφόροις δύο πέμπει ἐς Ταρακίαν οἵπερ αὐτῷ τὰ χρήματα ξυγκομίσαιεν. [4] δόκησιν δὲ αἰεὶ τοῖς βαρβάροις παρείχeto ὥς παντὶ τῷ στρατῷ μαχεσόμενος, ὅπως μὴ ἐνθένδε τῶν πολεμίων τινὲς ἢ τροφῶν ξυγκομιδῆς ἔνεκα ἢ ἄλλου ὁτουοῦν ἴωσιν. [5] ἐπεὶ δὲ τῇ ὑστεραίᾳ τοὺς ἀμφὶ Εὐθάλιον ἔγνω παρέσεσθαι, διεῖπέ τε καὶ διεκόσμει ὥς ἐς μάχην τὸ στράτευμα, καὶ οἱ βάρβαροι ἐν παρασκευῇ ἦσαν. [6] ὅλην μὲν οὖν δεύλην πρωίαν κατεῖχεν ἀμφὶ τὰς πύλας τοὺς στρατιώτας· ἦδει γὰρ Εὐθάλιόν τε καὶ τοὺς ξὺν αὐτῷ ἐς νύκτα ἀφίξεσθαι. [7] ἐς δὲ ἡμέραν μέσσην ἄριστον ἐκέλευε τὸ στράτευμα αἰρεῖσθαι, καὶ οἱ Γότθοι ταῦτο τοῦτο ἐποιοῦν, ἐς τὴν ὑστεραίαν αὐτὸν οἰόμενοι τὴν ξυμβολὴν ἀποτίθεσθαι. [8] ὀλίγῳ δὲ ὕστερον Μαρτίνον μὲν καὶ Βαλεριανὸν ξὺν τοῖς ἐπομένοις ἐς Νέρωνος πεδίων Βελισάριος ἔπεμψε, ξυνταράσσειν ὅτι μάλιστα ἐπιστεῖλας τὸ τῶν πολεμίων στρατόπεδον. [9] ἐκ δὲ πυλίδος Πιγκιανῆς ἱππέας ἑξακοσίους ἐπὶ τῶν βαρβάρων τὰ χαρακώματα ἔστελλεν· [10] οἷς δὴ τρεῖς τῶν αὐτοῦ δορυφόρων ἐπέστησεν, Ἀρτασίρην τε ἄνδρα Πέρσην καὶ Βώχαν Μασσαγέτην γένος καὶ Κουτίλαν Θρᾶκα. καὶ πολλοὶ μὲν αὐτοῖς τῶν ἐναντίων ἀπήντησαν. [11] χρόνον δὲ πολὺν ἡ μάχη ἐν χερσὶν οὐκ ἐγίνετο, ἀλλ' ἐπιουσί τε ὑπεχώρουν ἀλλήλοις καὶ τὰς διώξεις ἑκάτεροι ἀγχιστροφούς ποιοῦμενοι ἐφώκεισαν βουλομένοις ἐς τοῦτο σφίσι δαπανᾶσθαι τὸν τῆς ἡμέρας χρόνον. [12] προϊόντες μέντοι ὀργῇ ἐς ἀλλήλους εἶχοντο ἥδη· καρτερὰς τε γεγενημένης τῆς ξυμβολῆς, ἑκατέρων μὲν πολλοὶ καὶ ἄριστοι ἔπεσον, ἀμφοτέροις δὲ ἀπὸ τε τῆς πόλεως καὶ τῶν χαρακωμάτων ἐπίκουροι ἦλθον. [13] ὧν δὴ ἀναμιγνυμένων τοῖς μαχομένοις ἔτι μᾶλλον ὁ πόνος ἐπὶ μέγα ἦρετο. καὶ ἡ κραυγὴ τὴν τε πόλιν καὶ τὰ στρατόπεδα περιλαβοῦσα τοὺς μαχομένους ἐξέπλησσε. [14] τέλος δὲ Ῥωμαῖοι ἀρετῇ ὡσάμενοι τοὺς πολεμίους ἐτρέψαντο. Ἐν τούτῳ τῷ ἔργῳ Κουτίλας μέσσην τὴν κεφαλὴν ἀκοντίῳ πληγεὶς καὶ ταύτη τὸ δοράτιον ἐμπεπηγὸς ἔχων ἐδίωκε. [15] τῆς τε τροπῆς γενομένης ἅμα τοῖς περιούσιν ἐς τὴν πόλιν ἀμφὶ ἡλίου δύσιν ἐσήλασε, κραδαινομένου οἱ ἐν τῇ κεφαλῇ τοῦ ἀκοντίου, θέαμα λόγου πολλοῦ ἄξιον. [16] ἐν τούτῳ δὲ καὶ Ἀρζήν, τῶν Βελισαρίου ὑπασπιστῶν ἓνα, τῶν τις Γότθων τοξότης μεταξὺ τῆς τε ῥινὸς καὶ ὀφθαλμοῦ τοῦ δεξιοῦ βάλλει. [17] καὶ τοῦ μὲν τοξεύματος ἡ ἀκὴς ἄχρι ἐς τὸν αὐχένα ὀπίσω διήλθεν, οὐ μέντοι διεφάνη, τοῦ δὲ ἀτράκτου τὸ λειπόμενον ἐπὶν τε τῷ προσώπῳ καὶ ἱπνεομένου τοῦ ἀνθρώπου ἐσεῖετο. [18] ὃν δὴ ξὺν τῷ Κουτίλᾳ θεώμενοι ἐν θαύματι μεγάλῳ ἐποιοῦντο Ῥωμαῖοι ὅτι δὴ ἱπνεύοντο, οὐδεμίαν ἐπιστροφὴν τοῦ κακοῦ ἔχοντες. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [19] Ἐν δὲ Νέρωνος πεδίῳ τὰ βαρβάρων πράγματα καθυπέρτερα ἦν. οἱ τε ἀμφὶ Βαλεριανὸν καὶ Μαρτίνον, πλήθει πολλῷ πολεμίων μαχόμενοι, καρτερῶς μὲν ὑφίσταντο, ἔπασχον δὲ τὰ δεινότετα, καὶ κινδύνου ἐς μέγα τι

ἀφίκοντο χρῆμα. [20] καὶ τότε δὴ Βελισάριος Βώχαν ἐκέλευεν ἐπαγόμενον τοὺς
ξὺν αὐτῷ ἀκραιφνεσί σώμασί τε καὶ ἵπποις ἐκ τῆς ξυμβολῆς ἐπανάκοντας ἐς
Νέρωνος πεδίον ἰέναι. [21] ἥδη δὲ ἦν τῆς ἡμέρας ὄνέ. καὶ Ῥωμαίοις τῶν ἀμφὶ
Βώχαν ἐπιβεβοηγκότων ἐκ τοῦ αἰφνιδίου τροπῇ τῶν βαρβάρων ἐγίνετο, ἐς
ἣν ἐπὶ πλεῖστον Βώχας ἐμπεσὼν ἐς κύκλωσιν δυοκαίδεκα πολεμίων δόρατα
φερόντων ἀφίκετο. [22] καὶ αὐτὸν ἔπαισαν μὲν ὁμοῦ τοῖς δόρασιν ἅπαντες. τοῦ
δὲ θώρακος ὑφισταμένου αἱ μὲν ἄλλαι πληγαὶ οὐ σφόδρα ἐλύπουν, εἷς δὲ τῶν
Γότθων ἐξόπισθεν ὑπὲρ μασχάλην τὴν δεξιὰν γυμνοῦ τοῦ σώματος ἄγχιστα
τοῦ ὤμου ἐπιτυχὼν ἔπληξε τὸν νεανίαν, οὐ καιρίαν μέντοι, οὐδὲ ἐς θανάτου
κίνδυνον ἄγουσαν. [23] ἔμπροσθεν δὲ ἄλλος μηρὸν αὐτοῦ τὸν εὐώνυμον νύξας
τὸν ταύτῃ μυῶνα οὐκ εὐθείᾳ τινί, ἀλλ' ἐγκαρσίᾳ πληγῇ ἔτεμε. [24] Βαλεριανὸς
δὲ καὶ Μαρτίνος τὰ ποιούμενα κατεῖδόν τε καὶ οἱ ἐπιβεβοηθηκότες ὡς τάχιστα
ἔτρεψάν τε τοὺς πολεμίους καὶ τοῦ χαλινοῦ τοῦ Βώχα ἵππου ἄμφω λαβομένω
ἐς τὴν πόλιν ἀφίκοντο. νύξ τε ἐπεγένετο καὶ ξὺν τοῖς χρήμασιν Εὐθάλιος
ἦλθεν. [25] Ἐπεὶ δὲ ἅπαντες ἐν τῇ πόλει ἐγένοντο, τῶν τραυμάτων
ἐπεμελοῦντο. Ἀρζου μὲν οὖν τὸ βέλος ἀπὸ τοῦ προσώπου ἀφέλκεσθαι
βουλόμενοι οἱ ἱατροὶ χρόνον τινὰ ἥσχαλλον, οὐχ ὅτι τοῦ ὀφθαλμοῦ ἔνεκεν, ὃν
δὴ οὐκ ἂν ποτε σωθήσεσθαι ὑπετόπαζον, ἀλλ' ὅπως μὴ ὑμένων τε καὶ νεύρων
τρήσεσιν, οἷα πολλὰ ἐνταυθὰ ἐστίν, ἄνδρα τῆς Βελισαρίου οἰκίας ἄριστον
διαφθείρωσιν. [26] ἔπειτα δὲ τῶν τις ἱατρῶν, Θεόκτιστος ὄνομα, ὀπισθεν ἐς τὸν
αὐχένα ἐρείσας ἐπυνθάνετο τοῦ ἀνθρώπου εἰ λίαν ἀλγοίῃ. [27] τοῦ δὲ ἀλγεῖν
φήσαντος, 'Οὐκοῦν αὐτός τε σωθήσῃ,' εἶπε, 'καὶ τὴν ὄψιν οὐκ ἂν βλαθήσῃ.'
ταῦτα δὲ ἰσχυρίσατο τεκμηράμενος ὅτι τοῦ βέλους ἡ ἀκὴς τοῦ δέρματος οὐ
πόρρω δήκει. [28] τοῦ μὲν οὖν ἀτράκτου ὅσον ἔξω ἐφαίνετο ἐκτεμὼν ἔρριψε,
διελὼν δὲ τῶν ἰνίων τὸ δέρμα οὗ μάλιστα ὁ ἀνὴρ πολυώδυνος ἦν, ἐντεῦθεν
πόνῳ οὐδενὶ τὴν ἀκίδα ἐφεῖλκυσε, τρισὶ τε προῦχουσιν ὀπίσω ὀξείαις καὶ
μοῖραν τοῦ βέλους τὴν λειπομένην ξὺν αὐτῇ φέρουσιν. [29] οὕτω τε Ἀρζης
κακῶν τε παντάπασιν ἀπαθὴς ἔμεινε καὶ οὐδὲ ἵχνος αὐτοῦ τῆς πληγῆς ἐς τὸ
πρόσωπον ἀπελείπετο. [30] Κουτίλας δὲ βιαιότερον τοῦ δορατίου ἐκ τῆς
κεφαλῆς ἀφαιρεθέντος ἔπεπῆγει γὰρ ἐπὶ πλεῖστον ἐς λειποθυμίαν ἐξέπεσεν.
[31] ἐπεὶ δὲ οἱ φλεγμαίνειν αἱ τῆδε μήνιγγες ἤρξαντο, φρενίτιδι νόσῳ ἀλοὺς οὐ
πολλῷ ὕστερον ἐτελεύτησε. [32] Βώχαν μέντοι αὐτίκα αἱματός τε ρύσις ἄφατος
ἐκ τοῦ μηροῦ ἔσχε καὶ τεθηξομένῳ οὐκ ἐς μακρὰν ἐφέκει. αἴτιον δὲ τούτου
εἶναι ἱατροὶ ἔλεγον ὅτι οὐκ ἐπὶ εὐθείας, ἀλλ' ἐγκαρσίᾳ ἐντομῇ τὸν μυῶνα ἢ
πληγῇ ἔκοψεν. [33] ἡμέραις γοῦν ἀπέθανε τρισὶν ὕστερον. διὰ ταῦτα μὲν οὖν
Ῥωμαῖοι τὴν νύκτα ὅλην ἐκείνην ἐν πένθει μεγάλῳ ἐγένοντο: Γότθων δὲ
θρῆνοί τε πολλοὶ καὶ κωκυτοὶ μεγάλοι ἐκ τῶν χαρακωμάτων ἠκούοντο. [34] καὶ
ἐθαύμαζόν γε Ῥωμαῖοι, ἐπεὶ οὐδὲν ἐδόκει πάθος ξυμβῆναι τοῖς πολεμίοις
λόγου ἄξιον τῇ προτεραίᾳ, πλὴν γε δὴ ὅτι οὐκ ὀλίγοι αὐτῶν ἐν ταῖς ξυμβολαῖς
διεφθάρησαν. [35] ὅπερ καὶ πρότερον αὐτοῖς οὐδὲν τι ἦσσαν, εἰ μὴ καὶ μᾶλλον,
ξυνενεχθὲν οὐ λίαν γε αὐτοὺς διὰ τὴν πολυανθρωπίαν ἐτάραξεν. [36] ἐγνώσθη
μέντοι τῇ ὑστεραίᾳ ὡς ἄνδρας δοκίμους ἐς τὰ μάλιστα τοῦ ἐν Νέρωνος πεδίῳ
στρατοπέδου Γότθοι ἐθρήνουν, οὓς δὴ ὁ Βώχας ἐν τῇ πρώτῃ ὁρμῇ ἔκτεινεν.
[37] Ἐγένοντο δὲ καὶ ἄλλαι οὐκ ἀξίολογοὶ ξυμβολαί, ὥσπερ μοι συγγράψαι οὕτι

ἀναγκαῖον ἔδοξεν εἶναι. πάσας μέντοι ἑπτὰ καὶ ἐξήκοντα ἐν τῇδε τῇ πολιορκίᾳ
ξυνηνέχθη γενέσθαι, καὶ δύο δὴ ἄλλας ὑστάτας, αἱ μοι ἐν τοῖς ὀπισθεν λόγοις
εἰρήσονται. [38] τότε δὲ ὁ τε χειμῶν ἔληγε καὶ τὸ δεύτερον ἔτος ἐτελεύτα τῷ
πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψεν.

Ἦδη δὲ τῆς θερινῆς τροπῆς ἀρξαμένης λιμός τε ὁμοῦ καὶ λοιμὸς τοῖς ἐν τῇ
πόλει ἐπέπεσε. καὶ τοῖς στρατιώταις σῖτος μὲν ἔτι ἐλείπετο, ἄλλο δὲ τῶν
ἐπιτηδείων οὐδέν, Ῥωμαίους δὲ τοὺς ἄλλους ὁ τε σῖτος ἐπελελοιπεί καὶ ὁ
λιμός ἀκριβῶς ξὺν τῷ λοιμῷ ἐπέizen. [2] ὧν δὴ οἱ Γότθοι αἰσθόμενοι μάχῃ μὲν
διακινδυνεύειν πρὸς τοὺς πολεμίους οὐκέτι ἠθελον, ἐφύλασσον δὲ ὅπως
αὐτοῖς μηδὲν τοῦ λοιποῦ ἐσκομίζοιτο. [3] ἐστὸν δὲ ὕδατος ὀχετῷ δύο μεταξὺ
Λατίνης τε καὶ Ἀλπίας ὁδοῦ, ὑψηλῷ ἐς ἄγαν, κυρτώμασί τε ἐπὶ πλείστον
ἀνεχομένῳ. [4] τούτῳ δὴ τῷ ὀχετῷ ἐν χώρῳ διέχοντι Ῥώμης σταδίους
πεντήκοντα ξυμβάλλετον τε ἀλλήλοιν καὶ τὴν ἐναντίαν ὁδὸν δι' ὀλίγου
τρέπεσθον. [5] ὁ γὰρ ἔμπροσθεν χώραν λαχὼν τὴν ἐν δεξιᾷ τῆνικαῦτα χωρεῖ
φερόμενος τὰ εὐώνυμα. [6] πάλιν δὲ ξυνιόντε καὶ χώραν τὴν προτέραν
ἀπολαβόντε τὸ λοιπὸν διακέκρισθον, καὶ ἀπ' αὐτοῦ χώρον τὸν μεταξὺ
ὀχύρωμα ξυμβαίνει τῷ ἐκ τῶν ὀχετῶν περιβάλλεσθαι. [7] τούτων δὲ τὰ κάτω
κυρτώματα οἱ βάρβαροι λίθοις τε καὶ πηλῷ φράξαντες φρουρίου σχῆμα
πεποιήναι κἀναυῖθα οὐχ ἦσσαν ἢ ἐς ἑπτακισχιλίους ἐνστρατοπεδευσάμενοι
φυλακὴν εἶχον τοῦ μηκέτι τοὺς πολεμίους ἐς τὴν πόλιν τι τῶν ἐπιτηδείων
ἐσκομίζεσθαι. [8] Τότε δὴ Ῥωμαίους πᾶσα μὲν ἐλπίς ἀγαθοῦ ἐπελελοιπεί,
πᾶσα δὲ ἰδέα κακοῦ περιεστῆκει. τέως μὲν οὖν ὁ σῖτος ἤκμαζε, τῶν
στρατιωτῶν οἱ εὐτολμότατοι ἐναγούσης αὐτοὺς τῆς τῶν χρημάτων ἐπιθυμίας
τοῖς ἵπποις τε ὀχοῦμενοι καὶ ἄλλους ἐφέλκοντες ἐν τοῖς λῆϊσι ἐγίνοντο
νύκτωρ τῆς πόλεως οὐ μακρὰν ἄποθεν. [9] τέμνοντές τε τοὺς ἀστάχους καὶ τοῖς
ἵπποις οὓς αὐτοὶ ἐφείλκον ἐνθέμενοι, ἐς τὴν πόλιν λανθάνοντες τοὺς
πολεμίους ἐκόμιζον χρημάτων τε μεγάλων Ῥωμαίων τοῖς εὐδαίμοσιν
ἀπεδίδοντο. [10] οἱ μέντοι ἄλλοι βοτάναις τισὶν ἀπέζων, οἳ πολλὰ ἀμφὶ τε τὰ

πολιορκουμένους τετύχηκε. τινὲς δὲ καὶ ἐξ ἡμιόνων τῶν ἐν Ῥώμῃ

'Ἄλλ' ἔμοιγε καὶ λίαν προσδεχομένῳ τὰ παρ' ὑμῶν γεγένηται πάντα, ἐκβέβηκε
δὲ παρὰ δόξαν οὐδέν. [24] ἐγὼ γὰρ πάλαι οἶδα δῆμον ὅτι πρᾶγμα ἀβουλότατόν

Τούτοις μὲν Ῥωμαίων τὸν δῆμον παραθρασύνας Βελισάριος ἀπεπέμψατο,

Προκόπιον δέ, ὃς τὰδε ξυνέγραψεν, αὐτίκα ἐς Νεάπολιν ἐκέλευεν ἰέναι. φήμη γάρ τις περιήγγελλεν ὡς στρατεύμα ἐνταῦθα βασιλεὺς πέμψειε. [2] καὶ οἱ ἐπέστελλε ναῦς τε ὅτι πλείστας σίτου ἐμπλήσασθαι καὶ στρατιώτας ἀγείραι ἅπαντας ὅσους ἐν τῷ παρόντι ἐκ Βυζατίου ἦκειν τεύχην, ἢ ἵππων φυλακῆς ἕνεκα ἢ ἄλλου ὅτουσιν ἐνταῦθα λελεῖσθαι, οἷους δὴ πολλοὺς ἐς τὰ ἐν Καμπανίᾳ χωρία ἠκηκόει ἰέναι, τινὰς δὲ καὶ τῶν ταύτη φρουρῶν ἀφελέσθαι, ἤξειν τε ξὺν αὐτοῖς τὸν σῖτον παρακομίζοντι ἐς Ὀστίαν, ὅθι τὸ Ῥωμαίων ἐπίνειον. [3] καὶ ὁ μὲν ξὺν τῷ Μουνδίλᾳ τῷ δορυφόρῳ καὶ ὀλίγοις ἱππεῦσι διὰ πύλης ἡ Παύλου τοῦ ἀποστόλου ἐπώνυμός ἐστι, νύκτωρ διήλθε, λαθὼν τὸ τῶν πολεμίων στρατόπεδον ὅπερ ἄγχιστα ὁδοῦ τῆς Ἀππίας ἐφύλασσε. [4] ἐπειδὴ τε ἐς Ῥώμην οἱ ἀμφὶ Μουνδίλαν ἐπανήκοντες ἀφίχθαι ἤδη Προκόπιον ἐς Καμπανίαν οὐδενὶ ἐντυχόντα τῶν βαρβάρων ἀπήγγελλον, νύκτωρ γὰρ οὐποτε τοὺς πολεμίους ἔξω τοῦ στρατοπέδου πορεύεσθαι, εὐέλπιδες μὲν γεγένηται πάντες, Βελισάριος δὲ θαρσύνων ἤδη ἐπενόει τάδε. [5] τῶν ἱπέων πολλοὺς ἐς τὰ πλησίον ἐξέπεμπε ὀχυρώματα, ἐπιστείλας, ἦν τινες τῶν πολεμίων ταύτη ἴωσιν, ἐφ' ᾧ τὰ ἐπιτήδεια ἐς τὰ στρατόπεδα ἐσκομίσονται, ἔνθεν αὐτοῖς ἐπεκδρομάς τε καὶ ἐνέδρας πανταχόθι τῶν τῆδε χωρίων αἰεὶ ποιουμένους μὴ ἐπιτρέπειν, ἀλλὰ παντὶ σθένει ἀπείργειν, ὅπως ἢ τε πόλις ἐλασσόνως ἢ πρότερον τῇ ἀπορίᾳ πιέζοιτο καὶ οἱ βάρβαροι πολιορκεῖσθαι μᾶλλον ἢ αὐτοὶ πολιορκεῖν Ῥωμαίους δόξοιεν. [6] Μαρτῖνον μὲν οὖν καὶ Τραϊανὸν ξὺν χιλίοις ἐς Ταρακίαν ἐκέλευεν ἰέναι. οἷς δὴ καὶ Ἀντωνίναν τὴν γυναῖκα ξυνέπεμψε, ἐντειλάμενος ἕς τε Νεάπολιν αὐτὴν στέλλεσθαι ξὺν ὀλίγοις τισὶ καὶ τύχην ἐκ τοῦ ἀσφαλοῦς τὴν σφίσι ξυμβησομένην καταδοκεῖν. [7] Μάγνον δὲ καὶ Σινθούην τὸν δορυφόρον πεντακοσίους μάλιστα ἐπαγομένους ἐς Τίβουριν τὸ φρούριον ἔπεμψε, σταδίους τεσσαράκοντα καὶ ἑκατὸν Ῥώμης διέχον. [8] ἐς μέντοι τὸ Ἀλβανῶν πόλισμα, σταδίους μὲν τοσοῦτους ἀπέχον, ἐν δὲ τῇ Ἀππίᾳ ὁδῷ κείμενον, πρότερον ἤδη Γόνθαριν ξὺν Ἐρούλοις τισὶ πέμψας ἔτυχεν, οὗς δὴ οἱ Γότθοι βιασάμενοι ἐξήλασαν ἐνθένδε οὐ πολλῷ ὕστερον. [9] Ἔστι δέ τις νεὼς Παύλου τοῦ ἀποστόλου, Ῥώμης τοῦ περιβόλου τεσσαρεσκαίδεκα σταδίους ἀπέχων, ὃ τε ποταμὸς αὐτὸν παραρρεῖ Τίβερις. ἐνταῦθα ὀχύρωμα μὲν οὐδαμῇ ἐστὶ, στοὰ δὲ τις ἄχρι ἐς τὸν νεῶν διήκουσα ἐκ τῆς πόλεως, ἄλλαι τε πολλαὶ οἰκοδομίαι ἀμφ' αὐτὸν οὔσαι οὐκ εὐέφοδον ποιοῦσι τὸν χῶρον. [10] ἔστι δὲ τις καὶ αἰδῶς πρὸς ταῦτα διὰ τὰ ἱερὰ τοῖς Γότθοις, ἐς οὐδέτερον γοῦν τοῖν ἀποστόλοις νεῶν παρὰ πάντα τὸν τοῦ πολέμου καιρὸν ἄχαρι τι πρὸς αὐτῶν γέγονεν, ἀλλὰ πάντα τῆδε τοῖς ἱερεῦσιν, ἥπερ εἰώθει, ἐξοσιοῦσθαι ξυμβέβηκεν. [11] ἐν τούτῳ δὲ τῷ χωρίῳ Βαλεριανόν, τοὺς Οὐννοὺς ἅπαντας ἀπαγαγόντα, χαράκωμα παρὰ τοῦ Τιβέριδος τὴν ὄχθην ἐκέλευε ποιεῖσθαι, ὅπως ἂν αὐτοῖς τε ἀδεέστερον οἱ ἵπποι τρέφοιντο καὶ οἱ Γότθοι μᾶλλον ἔτι ἀναστέλλοιντο τοῦ κατ' ἐξουσίαν ὡς ἀπωτάτω τῶν στρατοπέδων τῶν σφετέρων ἰέναι. [12] ὁ δὲ κατὰ ταῦτα ἐποίει. ἐπειδὴ τε οἱ Οὐννοὶ ἐνταῦθα ἐστρατοπεδεύσαντο οὐπερ ὁ στρατηγὸς ἐνετέλλετο, ἐς τὴν πόλιν ἀπήλυνε. [13] Ταῦτα μὲν οὖν Βελισάριος διαπεπραγμένος ἡσύχαζε, μάχης μὲν οὐκ ἄρχων, ἐκ δὲ τοῦ τείχους ἀμύνεσθαι προθυμούμενος, ἦν τις ἐξῳθεν ἐπ' αὐτὸ κακουργήσων ἴοι. [14] καὶ σῖτον μέντοι τισὶ τοῦ Ῥωμαίων

δήμου παρείχεται. Μαρτῖνος δὲ καὶ Τραϊανὸς διελθόντες νύκτωρ τὰ τῶν πολεμίων στρατόπεδα, ἐπειδὴ ἐν Ταρακίῃ ἐγένοντο, Ἀντωνίαν μὲν ἐς Καμπανίαν ζὺν ὀλίγοις τισὶν ἔπεμψαν, αὐτοὶ δὲ τὰ ταύτη ὀχυρώματα καταλαβόντες, ἔνθεν τε ὁρμώμενοι καὶ τὰς ἐφόδους ἐκ τοῦ αἰφνιδίου ποιούμενοι, τῶν Γόθων τοὺς ἐς τὰ ἐκεῖνη χωρία περιιόντας ἀνέστελλον. [15] Μάγνος δὲ καὶ Σινθούης τοῦ τε φρουρίου ὅσα καταπεπτώκει ἐν βραχεῖ ἀνφοδομήσαντο χρόνῳ καὶ ἐπειδὴ ἐν τῷ ἀσφαλεῖ ἐγένοντο, ἤδη μᾶλλον ἐλύπουν τοὺς πολεμίους ἅτε αὐτῶν τὸ ἐπιτείχισμα οὐκ ἄποθεν ὄν συχνά τε καταθέοντες καὶ τῷ ἀπροσδοκῆτῳ ἐκπλήσσοντες ἀεὶ τῶν βαρβάρων τοὺς τὰ ἐπιτήδεια παραπέμποντας, ἕως Σινθούης ἐν μάχῃ δὴ τινι δόρατι πληγεῖς τὴν δεξιὰν χεῖρα τῶν τε νεύρων οἱ ἀποκοπέντων ἀπόμαχος τὸ λοιπὸν γέγονε. [16] καὶ Οὐννοι δὲ τὸ στρατόπεδον ἐν γειτόνων, ὥσπερ μοι ἐρρήθη, πεποιημένοι οὐκ ἐλάσσω κακὰ τοὺς Γόθους ἐποιοῦν, ὥστε καὶ αὐτοὶ τῷ λιμῷ ἐπιέζοντο ἤδη, οὐκέτι σφίσιν ἀδείας οὔσης τὰς τροφὰς ὥσπερ τὸ πρότερον ἐσκομίζεσθαι. [17] καὶ λοιμὸς δὲ αὐτοῖς ἐπεισπεσὼν πολλοὺς ἔφθειρε, καὶ μάλιστα ἐν τῷ στρατοπέδῳ ὅπερ αὐτοῖς ἀγχοῦ τῆς Ἀππίας ὁδοῦ ὕστατον, [18] ὥσπερ μοι προδεδήλωται, γεγονὸς ἔτυχε. καὶ αὐτῶν ὀλίγοι ἐνθένδε ὅσοι οὐ διεφθάρησαν ἐς τᾶλλα χαρακώματα ὑπεχώρησαν. ταῦτὸ δὲ τοῦτο καὶ Οὐννοι παθόντες ἐς Ῥώμην εἰσῆλθον. [19] ταῦτα μὲν οὖν ἐγίνετο τῇδε. Προκόπιος δέ, ἐπεὶ ἐν Καμπανίᾳ ἐγένετο, στρατιώτας τε οὐχ ἥσσον ἢ πεντακοσίους ἐνταῦθα ἤγειρε, καὶ νεῶν πολὺ τι χρήμα σίτου ἐμπλησάμενος ἐν παρασκευῇ εἶχε. [20] παρὴν δέ οἱ καὶ Ἀντωνίνα οὐ πολλῶ ὕστερον καὶ τοῦ στόλου ἤδη ζὺν αὐτῷ ἐπεμελεῖτο. [21] Τότε καὶ τὸ ὄρος ὁ Βέβιος ἐμυκήσατο μὲν, οὐ μέντοι ἠρεύξατο, καίτοι γε καὶ λίαν ἐπίδοξος ἀπ' αὐτοῦ ἐγεγόνει ὅτι ἐρεύξεται. διὸ δὴ καὶ τοῖς ἐπιχωρίοις ξυνέβη ἐς δέος μέγα ἐμπεπτωκέναι. [22] τὸ δὲ ὄρος τοῦτο Νεαπόλεως μὲν ἐβδομήκοντα σταδίοις διέχει, τετραμμένον αὐτῆς πρὸς βορρᾶν ἄνεμον, ἀπότομον δὲ ἀτεχνῶς ἐστί, τὰ κάτω μὲν ἀμφιλαφὲς κύκλῳ, τὰ δὲ ὑπερθεῖν κρημνῶδές τε καὶ δεινῶς ἄβατον. [23] ἐν δὲ τῇ τοῦ Βεβίου ὑπερβολῇ σπῆλαιον κατὰ μέσον μάλιστα βαθὺ φαίνεται, ὥστε εἰκάζειν αὐτὸ ἄχρι ἐς τὰ ἔσχατα τοῦ ὄρους διήκειν. [24] καὶ πῦρ ἐνταῦθα ὅρᾳν πάρεστιν, ἣν τις ὑπερκύπτειν τολμήσειε, καὶ χρόνῳ μὲν τῷ ἄλλῳ ἢ φλοξ ἐφ' ἑαυτὴν στρέφεται, πράγματα οὐδενὶ παρεχομένη τῶν ταύτη ἀνθρώπων, ἐπειδὴν δὲ κτύπον τινὰ μυκηθμῷ ἐμπερῇ τὸ ὄρος ἀφῇ, κόνεως μέγα τι χρήμα οὐ πολλῶ ὕστερον ἐκ τοῦ ἐπὶ πλείστον ἀνίησι. [25] καὶ ἦν μὲν τινα ὁδῷ τὸ κακὸν τοῦτο βαδίζοντα λάβῃ, τοῦτον δὴ τὸν ἄνθρωπον οὐδεμία μηχανὴ βιώσεσθαι ἐστίν, ἣν δὲ οἰκίαις τισὶν ἐπιπέσῃ, πίπτουσι καὶ αὐταὶ τῷ τῆς κόνεως πλῆθει ἀχθόμεναι. [26] ἀνέμου δὲ σκληροῦ, ἂν οὕτω τύχῃ, ἐπιπεσόντος, ἀνιέναι μὲν αὐτὴν ξυμβαίνει ἐς ὕψος μέγα, ὥς μηκέτι ἀνθρώπῳ ὁρατὴν εἶναι, φέρεσθαι δὲ ὅπῃ ἂν αὐτῇ τὸ πνεῦμα ἐπίφορον ἴοι, ἐμπίπτειν τε ἐς γῆν ἢ ὥς ἐκαστάτω τυγχάνει οὕσα. [27] καὶ ποτε μὲν φασιν ἐν Βυζαντίῳ ἐπιπεσοῦσαν οὕτως ἐκπλήξαι τοὺς ταύτη ἀνθρώπους ὥστε πανδημεῖ ἐξ ἐκείνου δὴ καὶ ἐς τόδε τοῦ χρόνου λιταῖς ἐνιαυσίοις ἐξιλιάσκεσθαι τὸν θεὸν ἔγνωσαν, ἐς Τρίπολιν δὲ τῆς Λιβύης χρόνῳ ἑτέρῳ ἐμπεπτωκέναι. [28] καὶ πρότερον μὲν ἐνιαυτῶν ἑκατὸν ἢ καὶ πλείονων τὸν μυκηθμὸν τοῦτόν φασι γενέσθαι, ὕστερον δὲ καὶ πολλῶ ἔτι

θάσσον ξυμβῆναι. [29] τοῦτο μέντοι ἀπισχυρισάμενοι λέγουσιν, ὅτι δὴ ἐπειδὴν τῷ Βεβίῳ ταύτην ἐρεύξασθαι τὴν κόνιν ξυμβαίη, εὐθηνεῖν ἀνάγκη τὴν ἐκείνην χώραν καρποῖς ἅπασιν. [30] ἤηρ δὲ λεπτότατός ἐστι καὶ πρὸς ὑγείαν ἱκανῶς πεφυκὼς ἐν τῷ ὄρει τούτῳ πάντων μάλιστα. ἐς τοῦτο ἀμέλει τοὺς φθόη ἀλόντας ἐκ τῶν ἄνωθεν χρόνων ἰατροὶ πέμπουσι. τὰ μὲν οὖν ἀμφὶ τῷ Βεβίῳ ταύτῃ πη ἔχει.

Ἐν τούτῳ δὲ καὶ ἄλλο στράτευμα ἐκ Βυζαντίου κατέπλευσεν, Ἰσαύρων μὲν ἐς τὸν Νεαπόλεως λιμένα τρισχίλιοι, ὧν Παῦλος καὶ Κόνων ἡγούντο, ἐς Δρυοῦντα δὲ Θρᾶκες ἱππεῖς ὀκτακόσιοι, ὧν Ἰωάννης ἦρχεν ὁ Βιταλιανοῦ τοῦ πρώην τετυραννηκότος ἀδελφιδοῦς καὶ ξὺν αὐτοῖς ἕτεροι στρατιῶται ἐκ καταλόγου ἱππικοῦ χίλιοι· ὧν ἄλλοι τε καὶ Ἀλέξανδρός τε καὶ Μαρκέντιος ἦρχον. [2] ἐτύγγανε δὲ ἤδη καὶ Ζήνων ξὺν τριακοσίοις ἱππεῦσιν ἐς Ῥώμην διὰ τε Σαμνίου καὶ Λατίνης ὁδοῦ ἀφικόμενος. ἐπεὶ δὲ καὶ Ἰωάννης ξὺν τοῖς ἄλλοις ἅπασιν ἐς Καμπανίαν ἦλθεν, ἀμάξας πολλὰς ἐκ Καλαβρῶν ἔχων, ἀνεμίγνυντο αὐτοῖς πεντακόσιοι ἡθροισμένοι ἐκ Καμπανίας, [3] ὥσπερ μοι εἴρηται. οὗτοι μὲν ὁδὸν τὴν παραλίαν ξὺν ταῖς ἀμάξαις ἤεσαν ἐν νῶ ἔχοντες, ἦν τι ἀπαντήση πολέμιον σφίσι, κύκλον τέ τινα καὶ χαρακώματος σχῆμα τὰς ἀμάξας ποιησάμενοι ἐνθένδε τοὺς ἐπιόντας ἀμύνασθαι, τοὺς δὲ ἀμφὶ Παῦλόν τε καὶ Κόνωνα πλεῖν κατὰ τάχος ἐκέλευον, καὶ σφίσιν ἐς Ὀστίαν συμμῖζαι τὸ Ῥωμαίων ἐπίνειον, σῖτον μὲν ἱκανὸν ἐν ταῖς ἀμάξαις ἐνθήμενοι, ναῦς δὲ ἀπάσας οὐ σίτου μόνον ἐμπλησάμενοι, ἀλλὰ καὶ οἴνου καὶ τῶν ἀναγκαίων ἀπάντων. [4] καὶ αὐτοὶ μὲν τοὺς ἀμφὶ Μαρτίνόν τε καὶ Τραϊανὸν ᾤοντο ἐς τὰ ἐπὶ Ταρακίνης χωρία εὐρήσειν καὶ ξὺν αὐτοῖς ἐνθένδε ἰέναι· γεγονότες δὲ ἄγχιστα ἔμαθον ὡς ὀλίγῳ πρότερον ἐς Ῥώμην μετάπεμپτοι ἀνεχώρησαν. [5] Βελισάριος δὲ τοὺς ἀμφὶ τὸν Ἰωάννην προσίεναι μαθὼν καὶ δέισας μὴ σφᾶς οἱ πολέμιοι πλήθει πολλῷ ἀπαντήσαντες διαφθείρωσιν ἐποίει τάδε. [6] πύλην τὴν Φλαμινίαν, οὗ δὴ αὐτῆς ἄγχιστα ἐνστρατοπεδεύσασθαι τοὺς πολεμίους τετύχηκε, λίθων οἰκοδομίαις αὐτὸς κατ' ἀρχὰς τοῦδε τοῦ πολέμου ἀπέφραξεν, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ὅπως δὴ μὴ ἐνθένδε οἱ πολέμιοι εὐπετῶς ἔχωσιν ἢ βιάζεσθαι ἢ τινα ἐπιβουλὴν ἐς τὴν πόλιν ποιεῖσθαι. [7] καὶ ἀπ' αὐτοῦ ξυμβολὴν οὐδεμίαν ἐν ταύτῃ γεγονέναι ξυμβέβηκεν, οὐδ' ἂν τι οἱ βάρβαροι ἔσεσθαι σφίσι πολέμιον ἐνθένδε ὑπώπτευν. [8] ταύτης τῆς πύλης νύκτωρ τὴν οἰκοδομίαν περιελών, οὐδενὶ τῶν πάντων προειρημένον, τὸ πλεῖστον τοῦ στρατοῦ ἐνταῦθα ἡτοίμαζεν. [9] ἅμα τε ἡμέρα διὰ πύλης Πιγκιανῆς Τραϊανόν τε καὶ Διογένην ξὺν ἱππεῦσι χιλίοις ἔπεμψεν, οὓς δὴ ἐν τε τοῖς χαρακώμασι βάλλειν ἐκέλευσε καί, ἐπειδὴν οἱ ἐναντίοι ἐπ' αὐτοὺς ἴωσι, φεύγειν τε ἥκιστα αἰδουμένους καὶ μέχρι ἐς τὸν περίβολον ἀπελαύνειν δρόμῳ. [10] τινὰς δὲ καὶ ταύτης ἐντὸς τῆς πυλίδος ἔστησεν. οἱ μὲν οὖν ἀμφὶ Τραϊανόν, καθάπερ σφίσιν ἐπέστελλε Βελισάριος, τοὺς βαρβάρους ἡρέθιζον, καὶ αὐτοὺς οἱ Γότθοι ἐκ πάντων ἀγειρόμενοι τῶν χαρακωμάτων ἡμύνοντο. [11] ἀμφοτέροί τε ὡς τάχιστα ἐπὶ τὸν τῆς πόλεως περίβολον ἤεσαν, οἱ μὲν ὅτι φεύγουσι δόξαν παρέχοντες, οἱ δὲ διώκειν τοὺς πολεμίους οἰόμενοι. [12] Βελισάριος δέ, ἐπειδὴ τάχιστα τοὺς ἐναντίους ἐς τὴν δίωξιν καθισταμένους εἶδε, πύλην τε τὴν Φλαμινίαν ἀνοίγνυσι καὶ τὸ στράτευμα ἐπὶ τοὺς βαρβάρους οὐ

προσδεχομένους ἀφήσιν. [13] ἔν δὲ τῶν Γότθων στρατόπεδον παρὰ τὴν ταύτην ὁδὸν ἐτύγγανεν ὄν, καὶ τις αὐτοῦ ἔμπροσθεν ἦν στενοχωρία κρημνώδης τε καὶ δεινῶς ἄβατος. [14] ἐνταῦθα τῶν τις βαρβάρων τεθωρακισμένος τε καὶ σώματος ἐς ἄγαν εὗ ἦκων, ἐπειδὴ εἶδε προϊόντας τοὺς πολεμίους, προτερήσας εἰστήκει καὶ τοὺς ἐταίρους ἐκάλει τε καὶ τὴν στενοχωρίαν ξυμφυλάσσειν ἡξίου. [15] Μουνδίλας δὲ φθάσας αὐτόν τε ἔκτεινε καὶ τῶν ἄλλων βαρβάρων οὐδένα ἐς τοῦτον διελθεῖν τὸν στενωπὸν ξυνεχώρησε. [16] διελθόντες οὖν, οὐδενὸς σφίσιν ἀντιστατούντος, ἔς τε τὸ πλησίον χαράκωμα ἵκοντο καὶ αὐτοῦ τινες δι' ὀλίγου ἀποπειρασάμενοι οὐκ ἔσχον ἐλεῖν ἰσχύϊ τοῦ χαράκωματος, καίπερ οὐ πολλῶν ἐνταῦθα ἐγκαταλελειμμένων βαρβάρων. [17] ἢ τε γὰρ τάφρος ἐς μέγα τι βάθους ὠρώρυκτο χρήμα καὶ χοῦς ὃς ἐνθένδε ἀφήρητο, ἐς τὴν ἐντὸς αἰεὶ ἐντιθέμενος μοῖραν ἐς ὕψος τε ἦρετο καὶ ἀντὶ τείχους ἐγίνετο, τοῖς τε σκόλοπι περιεσταύρωτο ὑπερφυῶς, ὃξέσι τε λίαν καὶ συχνοῖς οὗσιν. [18] οἷς δὴ θαρσοῦντες οἱ βάρβαροι καρτερῶς τοὺς πολεμίους ἡμύνοντο. εἷς δὲ τῶν Βελισαρίου ὑπασπιστῶν, Ἀκυλῖνος ὄνομα, δραστήριος ἀνὴρ ἐν τοῖς μάλιστα, λώρου λαβόμενος ἵππου, ἐνθένδε ξὺν τῷ ἵππῳ ἐς μέσον τὸ χαράκωμα ἤλατο, καὶ τινας τῶν ἐναντίων αὐτοῦ ἔκτεινε. [19] περιστάντων δὲ αὐτὸν συγχά τε ἀκοντιζόντων τῶν ἐναντίων ὁ μὲν ἵππος πληγεῖς ἔπεσεν, αὐτὸς δὲ παρὰ δόξαν διὰ μέσων τῶν πολεμίῳν διέφυγε. [20] πεζὸς δὲ ξὺν τοῖς ἐταίροις ἐπὶ πύλας Πιγκιανὰς ἦει. ἔτι τε διώκοντας τοὺς βαρβάρους καταλαβόντες καὶ κατὰ νότου βάλλοντες ἔκτειναν. [21] Ὅπερ δὴ οἱ ἅμφι Τραϊανὸν κατιδόντες, ἐπιβεβοηθηκότων σφίσι καὶ τῶν ταύτῃ ἐν παρασκευῇ καθεστῶτων ἱπέων, ἐπὶ τοὺς διώκοντας δρόμῳ ἐχώρουν. [22] τότε δὴ οἱ Γότθοι καταστρατηγηθέντες τε καὶ τῶν πολεμίῳν ἐν μέσῳ ἐκ τοῦ ἀπροσδοκίτου ἀπειλημμένοι, οὐδενὶ κόσμῳ ἔκτεινοντο. [23] πολὺς τε αὐτῶν γέγονε φόνος καὶ ὀλίγοι κομιδῇ ἐς τὰ στρατόπεδα διέφυγον μόλις, οἳ τε λοιποὶ περὶ πᾶσι τοῖς χαράκωμασι δείσαντες αὐτοῦ φραζάμενοι τὸ λοιπὸν ἔμενον, αὐτίκα δὴ μάλα ἐπιέναι σφίσι τοὺς Ῥωμαίους οἰόμενοι. [24] ἐν τούτῳ τῷ ἔργῳ τῶν τις βαρβάρων Τραϊανὸν βάλλει ἐς τὸ πρόσωπον, ὀφθαλμοῦ μὲν τοῦ δεξιοῦ ἄνωθεν, [25] ὀλίγῳ δὲ τῆς ῥινὸς ἄποθεν. καὶ σίδηρος μὲν ἅπας ἐντὸς τε ἐπάγῃ καὶ παντάπασιν ἀφανῆς γέγονε, καίπερ μεγάλην τε τὴν ἀκίδα ἔχων καὶ μακρὰν κομιδῇ. τοῦ δὲ βέλους τὸ λειπόμενον ἐς τὴν γῆν οὐδενὸς βιασαμένου εὐθὺς ἔπεσε: δοκεῖ γάρ μοι οὐδὲ ἀσφαλῶς ἐς αὐτὸν ὁ σίδηρός πῃ ἐρηρεῖσθαι. [26] Τραϊανῷ μέντοι αἴσθησις τούτου οὐδεμία ἐγένετο, ἀλλ' οὐδέν τι ἦσσαν κτείνων τε καὶ διώκων τοὺς πολεμίους διέμεινε. πέμπτῳ δὲ ὕστερον ἐνιαυτῷ αὐτόματον ἐν τῷ προσώπῳ προῦχον τὸ τοῦ σιδήρου ἄκρον ἐφάνη. [27] τρίτον τε τοῦτο ἔτος ἐξ οὗ κατὰ βραχὺ πρόεισιν ἔξω αἰεὶ. ἐπίδοξος οὖν ἐστὶ πολλῶν ὕστερον χρόνῳ ἔξω γενήσεσθαι ἢ ἀκὺς ζύμπασα. ἐμπόδιος δὲ τῷ ἀνθρώπῳ οὐδαμῇ γέγονε. ταῦτα μὲν δὴ οὕτως ἔσχεν.

Οἱ δὲ βάρβαροι εὐθὺς μὲν ἀπεγίνωσκόν τε τὸν πόλεμον καὶ ὅπως ἐνθένδε ἀναχωρήσωσιν ἐν βουλῇ εἶχον, πρὸς τε τοῦ λοιμοῦ καὶ τῶν πολεμίῳν διεφθαρμένοι, ἐς ὀλίγους τε ἤδη ἐκ μυριάδων περιεστηκότες πολλῶν, οὐχ ἥκιστα δὲ καὶ τῷ λιμῷ ἐπιέζοντο τῷ μὲν λόγῳ πολιορκοῦντες, ἔργῳ δὲ πολιορκούμενοι πρὸς τῶν ἐναντίων καὶ πάντων ἀποκεκλεισμένοι τῶν

ἀναγκαίων. [2] ἐπεὶ δὲ καὶ στράτευμα ἕτερον ἔλθειν τοῖς πολέμοις κατὰ γῆν τε καὶ θάλασσαν ἐκ Βυζαντίου ἐπύθοντο, οὐχ ὅσον ἐτύγγανεν ὄν, ἀλλ' ὅσον ἡ τῆς φήμης ἐξουσία ποιεῖν ἴσχυε, κατωρρωδικότες τὸν κίνδυνον τὴν ἀναχώρησιν ἐν βουλῇ ἐποιοῦντο. [3] ἔπεμψαν οὖν πρέσβεις ἐς Ῥώμην, Ῥωμαῖον ἄνδρα ἐν Γότθοις δόκιμον τρίτον αὐτόν, ὃς παρὰ Βελισάριον ἔλθων ἔλεξε τοιάδε: [4] ‘Ὡς μὲν οὐδετέροις ἡμῶν ἐς τὸ ζυμφέρον τὰ τοῦ πολέμου κεχώρηκεν ἐξεπίσταται ἡμῶν ἕκαστος ἐς αὐτὴν ἡκὼν τῶν ἐνθὲνδε δυσκόλων τὴν πείραν. [5] τί γὰρ ἂν τις ἐκατέρων ἀρνηθεῖ τῶν στρατοπέδων, ὧν γε οὐδετέροις ἐν ἀγνοίᾳ κεῖσθαι συμπεπτώκεν; [6] ὥς δὲ ἀξυνέτων ἐστὶν ἀνδρῶν ἀπέραντά τε τάλαιπωρεῖν βούλεσθαι, φιλονεικίας ἔνεκα τῆς αὐτίκα, καὶ λύσιν τῶν ἐνοχλοῦντων μηδεμίαν εὐρεῖν, οὐδεὶς ἂν, οἶμαι, τῶν γε οὐκ ὄντων ἀνοήτων ἀντίποι. [7] ὅταν δὲ ταῦτα οὕτως ἔχη, τοὺς ἐκατέρων ἡγουμένους προσήκει μὴ δόξης τῆς οἰκειάς τὴν τῶν ἀρχομένων σωτηρίαν προῖεσθαι, ἀλλὰ τὰ τε δίκαια καὶ τὰ ζυμφορα οὐ σφίσι αὐτοῖς μόνον, ἀλλὰ καὶ τοῖς σφῶν ἐναντίοις ἐλέσθαι, οὕτω τε τὴν διάλυσιν τῶν παρόντων ποιεῖσθαι δυσκόλων. [8] τὸ μὲν γὰρ τῶν μετρίων ἐφίεσθαι πᾶσι χαλεποῖς δίδωσι πόρον, τῷ δὲ φιλονεικῶ τὸ μηδὲν περαίνεσθαι τῶν δεόντων συμπέφυκεν. [9] ἡμεῖς μὲν οὖν καταστροφῆς περὶ τοῦδε βουλευσάμενοι τοῦ πολέμου τὰ ζυμφορα ἐκατέροις προτεινόμενοι, ἐν οἷς τι καὶ τῶν δικαίων ἐλασσοῦσθαι οἰόμεθα, παρ' ὑμᾶς ἤκομεν. [10] ὅπως δὲ καὶ ὑμεῖς μὴ φιλονεικίᾳ τινὶ πρὸς ἡμᾶς χρώμενοι ξυνδιαφθεῖρεσθαι μᾶλλον ἢ τὰ ξυνοίσοντα ὑμῖν αὐτοῖς ἐλέσθαι βουλευέσθε. [11] προσήκει δὲ μὴ ξυνεχεῖ ῥῆσει τοὺς λόγους ἀμφοτέρους ποιεῖσθαι, ἀλλ' ὑπολαμβάνοντας ἐκ τοῦ παραντίκα, [12] ἣν τι μὴ ἐπιτηδεῖως εἰρῆσθαι δοκῇ. οὕτω γὰρ ἐκατέροις εἰρηκέναι τε διὰ βραχέος ὅσα σφίσι κατὰ νοῦν ἐστὶ καὶ τὰ δέοντα πεπραχέναι ξυμβήσεται.’ ἀπεκρίνατο Βελισάριος: [13] ‘Οὕτω μὲν, ὅπως φατέ, προῖέναι τὸν διάλογον οὐδὲν κωλύσει, ὅπως δὲ εἰρηναιᾶ τε καὶ δίκαια πρὸς ὑμῶν λέγοιτο.’ [14] Αὐθις οὖν Γότθων οἱ πρέσβεις εἶπον: ‘Ἡδικήκατε ἡμᾶς, ἄνδρες Ῥωμαῖοι, ἐπὶ φίλους τε καὶ ζυμμάχους ὄντας ὅπλα οὐ δέον ἀράμενοι. ἐροῦμεν δὲ ἅπερ καὶ ὑμῶν ἕκαστον οἰόμεθα ξυνεπίστασθαι. [15] Γότθοι γὰρ οὐ βία Ῥωμαίους ἀφελόμενοι γῆν τὴν Ἰταλίας ἐκτήσαντο, ἀλλ' Ὀδοάκρος ποτε τὸν αὐτοκράτορα καθελὼν ἐς τυραννίδα τὴν τῆδε πολιτείαν μεταβαλὼν εἶχε. [16] Ζήνων δὲ τότε τῆς ἐφ᾽ αὐτὴν κρατῶν καὶ τιμωρεῖν μὲν τῷ ξυμβεβασιλευκότι βουλούμενος καὶ τοῦ τυράννου τήνδε τὴν χώραν ἐλευθεροῦν, Ὀδοάκρου δὲ καταλῦσαι τὴν δύναμιν οὐχ οἷός τε ὢν, Θεωδέρικον ἀναπεῖθει τὸν ἡμῶν ἄρχοντα, καίπερ αὐτόν τε καὶ Βυζάντιον πολιορκεῖν μέλλοντα, καταλῦσαι μὲν τὴν πρὸς αὐτόν ἐχθραν τιμῆς ἀναμνησθέντα πρὸς αὐτοῦ ἥς τετύχηκεν ἤδη, πατρίκιός τε καὶ Ῥωμαίων γεγωνὼς ὑπατος, Ὀδοάκρον δὲ ἀδικίας τῆς ἐς Αὐγούστουλον τίσασθαι, καὶ τῆς χώρας αὐτόν τε καὶ Γότθους τὸ λοιπὸν κρατεῖν ὀρθῶς καὶ δικαίως. [17] οὕτω τοίνυν παραλαβόντες τὴν τῆς Ἰταλίας ἀρχὴν τοὺς τε νόμους καὶ τὴν πολιτείαν διεσώσαμεθα τῶν πρόποτε βεβασιλευκότων οὐδενὸς ἥσσον, καὶ Θεωδέρικου μὲν ἢ ἄλλου ὁτουοῦν διαδεξαμένου τὸ Γότθων κράτος νόμος τὸ παράπαν οὐδεὶς οὐκ ἐν γράμμασιν, οὐκ ἄγραφός ἐστι. [18] τὰ δὲ τῆς εἰς θεὸν εὐσεβείας τε καὶ πίστεως οὕτω Ῥωμαῖοις ἐς τὸ ἀκριβὲς ἐφυλάξαμεν, ὥστε Ἰταλιωτῶν μὲν τὴν δόξαν οὐδεὶς

οὐχ ἐκὼν οὐκ ἀκούσιος ἐς τήνδε τὴν ἡμέραν μετέβαλε, Γότθων δὲ μεταβεβλημένων ἐπιστροφή τις οὐδαμῶς γέγονε. [19] καὶ μὴν καὶ τὰ Ῥωμαίων ἱερὰ τιμῆς παρ' ἡμῶν τῆς ἀνωτάτω τετύχηκεν: οὐ γὰρ οὐδεὶς εἰς τι τούτων καταφυγὼν πώποτε πρὸς οὐδενὸς ἀνθρώπων βεβίασται, ἀλλὰ καὶ πάσας τὰς τῆς πολιτείας ἀρχὰς αὐτοὶ μὲν διαγεγόνασιν ἔχοντες, [20] Γότθος δὲ αὐτῶν μετέσχευ οὐδεὶς. ἢ παρελθὼν τις ἡμᾶς ἐλεγχέτω, ἢ μὴ μετὰ τοῦ ἀληθοῦς ἡμῖν εἰρησθαι οἴηται. προσθεῖη δ' ἂν τις ὥς καὶ τὸ τῶν ὑπάτων ἀξίωμα Γότθοι ξυνεχώρουν Ῥωμαίοις πρὸς τοῦ τῶν ἐφ' ὧν βασιλέως ἐς ἕκαστον ἔτος κομίζεσθαι. [21] ὑμεῖς δέ, τούτων τοιοῦτων ὄντων, Ἰταλίας μὲν οὐ προσεποιεῖσθε κακουμένης ὑπὸ τῶν Ὀδοάκρου βαρβάρων, καίπερ οὐ δι' ὀλίγου, ἀλλ' ἐς δέκα ἐνιαυτοὺς τὰ δεινὰ εἰργασμένου, νῦν δὲ τοὺς δικαίως αὐτὴν κεκτημένους, οὐδὲν ὑμῖν προσήκον, βιάζεσθε. [22] οὐκοῦν ἐντεῦθεν ἡμῖν ἐκποδὼν ἴστασθε, τὰ τε ὑμέτερα αὐτῶν ἔχοντες καὶ ὅσα ληϊσάμενοι τετυχήκατε.' Καὶ ὁ Βελισάριος: 'Ἡ μὲν ὑπόσχεσις ὑμῶν βραχέα τε εἰρησθαι καὶ μέτρια προὔλεγεν, ἡ δὲ ῥῆσις μακρά τε καὶ οὐ πόρρω ἀλαζονείας ὑμῖν γέγονε. [23] Θεωδέρικον γὰρ βασιλεὺς Ζήνων Ὀδοάκρῳ πολεμήσοντα ἐπεμψεν, οὐκ ἐφ' ᾧ Ἰταλίας αὐτὸς τὴν ἀρχὴν ἔχοι: τί γὰρ ἂν καὶ τύραννον τυράννου διαλλάσσειν βασιλεῖ ἔμελεν; ἀλλ' ἐφ' ᾧ ἐλευθέρα τε καὶ βασιλεῖ κατήκοος ἔσται. [24] ὁ δὲ τὰ περὶ τὸν τύραννον εὖ διαθέμενος ἀγνωμοσύνη ἐς τᾶλλα οὐκ ἐν μετρίοις ἐχρήσατο: ἀποδιδόναι γὰρ τῷ κυρίῳ τὴν γῆν οὐδαμῇ ἔγνω. [25] οἷμαι δὲ ἔγωγε τὸν τε βιασάμενον καὶ ὃς ἂν τὰ τοῦ πέλας ἐκουσίως μὴ ἀποδιδῶ ἴσον γε εἶναι. ἐγὼ μὲν οὖν χώραν τὴν βασιλέως ἐτέρῳ τῷ οὐποτε οὐκ ἂν παραδοίην. [26] εἰ δέ του ἄλλου τυχεῖν βούλεσθε, λέγειν ἀφήμι.' [27] Οἱ δὲ βάρβαροι: 'Ὡς μὲν οὖν ἀληθῆ πάντα ἡμῖν εἴρηται οὐδὲ ὑμῶν τινα λέληθεν. ἡμεῖς δὲ ὅπως ἥκιστα φιλονεικεῖν δόξαιμεν, καὶ Σικελίας, τοσαύτης τε τὸ μέγεθος καὶ τοιαύτης τὸν πλοῦτον οὔσης, ὑμῖν ἐξιστάμεθα, ἥς δὴ ἐκτὸς Λιβύην ὑμᾶς ἀσφαλῶς κεκτηθῆναι οὐ δυνατόν.' [28] Καὶ ὁ Βελισάριος: 'Καὶ ἡμεῖς δὲ Γότθους Βρεττανίαν ὅλην συγχωροῦμεν ἔχειν, μεῖζον τε παρὰ πολὺ Σικελίας οὗσαν καὶ Ῥωμαίων κατήκοον τὸ ἀνέκαθεν γεγεννημένην. [29] τοὺς γὰρ εὐεργεσίας ἢ χάριτός τινος ἄρξαντας τοῖς ἴσοις ἀμείβεσθαι ἄξιον.' [30] Βάρβαροι: 'Οὐκοῦν, ἦν τι καὶ περὶ Καμπανίας ὑμῖν ἢ Νεαπόλεως αὐτῆς εἵπομεν, οὐκ ἂν δέξαισθε;' [31] Βελισάριος: 'Οὐ γὰρ ἐσμεν κύριοι τὰ βασιλέως πράγματα διοικήσασθαι οὐχ ὅτι αὐτῷ βουλομένῳ ἐστίν.' Βάρβαροι: 'Οὐδ' ἦν χρήματα ῥητὰ φέρειν βασιλεῖ ἐφ' ἕκαστον ἔτος ἡμᾶς αὐτοὺς τάξωμεν;' [32] Βελισάριος: 'Οὐ δῆτα. οὐ γὰρ ἄλλου τοῦ ἡμεῖς αὐτοκράτορες ἢ ὥστε τῷ κεκτημένῳ φυλάξαι τὴν χώραν.' [33] Βάρβαροι: 'Φέρε δὴ, στέλλεσθαι ἡμᾶς παρὰ βασιλέα ἀνάγκη καὶ πρὸς ἐκεῖνον τὰς ξυνθήκας περὶ τῶν ὅλων ποιήσασθαι. δεῖ δὲ καὶ τακτὸν τινα ὀρίζεσθαι χρόνον καθ' ὃν προσήκει τὰ στρατόπεδα ἐς ἐκεχειρίαν παρίστασθαι.' [34] Βελισάριος: 'Ἔστω: γινέσθω ταῦτα. οὐ γὰρ ποτε ὑμῖν εἰρηναῖα βουλευομένοις ἐμποδὼν στήσομαι.' [35] Τοσαῦτα εἰπόντες διελύθησάν τε ἐκ τῶν λόγων ἐκάτεροι καὶ οἱ πρέσβεις τῶν Γότθων ἐς τὸ σφέτερον στρατόπεδον ἀπεχώρησαν. [36] ἡμέραις δὲ ταῖς ἐπιγινομέναις συχνὰ παρ' ἀλλήλους φοιτῶντες τὰ τε ἀμφὶ τῇ ἐκεχειρίᾳ διετίθεντο καὶ ὅπως δὴ ἐπὶ ταύτῃ τῶν τινας ἐπισήμων ἐκάτεροι ἀλλήλοις ἐν

ὁμήρων λόγῳ παρέχονται.

Ἐν ᾧ δὲ ταῦτα ἐπράσσετο τῇδε, ἐν τούτῳ ὃ τε τῶν Ἰσαύρων στόλος τῷ Ῥωμαίων λιμένι προσέσχε καὶ οἱ ἀμφὶ τὸν Ἰωάννην ἐς Ὀστίαν ἦλθον, καὶ τῶν μὲν πολέμιων οὐδεὶς οὔτε καταίρουσιν οὔτε στρατοπεδευομένοις ἐμπόδιος σφίσιν ἐγένετο αὐτοῖς. [2] ὅπως δὲ ἐν τῷ ἀσφαλεῖ διανυκτερεύειν οἰοί τε ὥσιν ἐξ ἐπιδρομῆς τῆς πρὸς τῶν ἐναντίων, οἱ τε Ἰσαυροὶ τάφρον βαθεῖαν ἀγχιστα τοῦ λιμένος ὀρύξαντες φυλακὰς ἐκ περιτροπῆς ἀεὶ ἐποιοῦντο καὶ οἱ ξὺν τῷ Ἰωάννῃ ταῖς ἀμάξαις φραζάμενοι τὸ στρατόπεδον ἡσυχίαν εἶχον. [3] ἐπειδὴ τε νῦξ ἐπεγένετο, Βελισάριος ἐς Ὀστίαν ξὺν ἱππεῦσιν ἑκατὸν ἦλθε καὶ τὰ τε ξυμπεπτωκότα ἐν τῇ ξυμβολῇ τὰ τε ξυγκείμενα σφίσι τε καὶ Γότθοις εἰπὼν καὶ τὰ ἄλλα παραθαρσύνας, τὰ τε φορτία ἐμπειν ἐκέλευε καὶ ξὺν προθυμίᾳ ἐς Ῥώμην ἰέναι. “Ὅπως γάρ,” ἔφη, “ἄνευ [4] κινδύνου ἢ ὁδὸς ἔσται ἐγὼ προνοήσω.” αὐτὸς μὲν οὖν ὄρθρου βαθέος ἐς τὴν πόλιν ἀπήλαινε, Ἀντωνίνα δὲ ξὺν τοῖς ἄρχουσιν ἅμα ἡμέρᾳ τῶν φορτίων τὴν παρακομιδὴν ἐν βουλῇ ἐποιεῖτο. [5] ἐδόκει δὲ χαλεπὸν καὶ δεινῶς ἄπορον τὸ πρᾶγμα εἶναι. οἱ τε γὰρ βόες οὐκέτι ἀντεῖχον, ἀλλ’ ἡμιθνήτες ἅπαντες ἔκειντο, ἦν δὲ οὐδὲ ἀκίνδυνον στενὴν τινα ὁδὸν ξὺν ταῖς ἀμάξαις πορεύεσθαι, καὶ διὰ τοῦ ποταμοῦ τὰς βάρεις ἀνέλκειν, καθάπερ τὸ παλαιὸν εἶθιστο, ἀδύνατα ἦν. [6] ἡ μὲν γὰρ ὁδὸς ἡ τοῦ ποταμοῦ ἐν ἀριστερᾷ ἐστίν, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, πρὸς τῶν πολέμιων ἐχομένη Ῥωμαίοις τῆνικαῦτα ἀπόρευτος ἦν, ἡ δὲ αὐτοῦ ἐπὶ θάτερα, ὅσα γε παρ’ ὅχθην, ἀστίβητος παντάπασι τυγχάνει οὐσα. [7] διὸ δὴ τοὺς λέμβους νηῶν τῶν μειζόνων ἀπολεξάμενοι, σάνισι τε αὐτοὺς ὑψηλαῖς κύκλῳ τειχίσαντες, ὅπως οἱ πλέοντες πρὸς τῶν πολέμιων ἤκιστα βάλλωνται, τοξότας τε καὶ ναύτας ἐσεβίβασαν κατὰ λόγον ἐκάστου. [8] τῶν τε φορτίων ἐν αὐτοῖς ὅσα φέρειν οἰοί τε ἦσαν ἐνθέμενοι, διὰ τοῦ Τιβερίδος ἐς Ῥώμην πνεῦμα τηρήσαντες σφίσιν ἐπίφορον ἐναυτίλλοντο, καὶ τοῦ στρατοῦ μέρος ἐν δεξιᾷ τοῦ ποταμοῦ παρεβεβοηθήκει. [9] ἐλείποντο δὲ τῶν Ἰσαύρων συγχυοὺς τὰς ναῦς φυλάσσοντας. ἔνθα μὲν οὖν ἐκ τοῦ εὐθέος ὁ ποταμὸς ἦει, πόνῳ οὐδενὶ ἔπλεον, ἀράμενοι τὰ τῶν λέμβων ἰστία: ἡ δὲ ὁ ῥοῦς ἐλίσσόμενος ὁδὸν πλαγίαν ἐφέρετο, ἐνταῦθα ἐπεὶ τὰ ἰστία τῷ πνεύματι οὐδαμῇ ἐνηργεῖτο, ἐρέσσοντές τε καὶ τὸν ῥοῦν βιαζόμενοι πόνον οἱ ναῦται οὐ μέτριον εἶχον. [10] οἱ δὲ βάρβαροι ἐν τοῖς στρατοπέδοις καθημένοι ἐμπόδιοι γίνεσθαι τοῖς πολέμοις ἤκιστα ἤθελον, ἢ κατωρρωδηκότες τὸν κίνδυνον, ἢ οὐκ ἂν ποτε ταύτῃ Ῥωμαίους ἐσκομίζεσθαι τι τῶν ἀναγκαίων οἰόμενοι, αἰτία τε οὐ λόγου ἀξία διακωλύειν τὴν τῆς ἐκεχειρίας ἐλπίδα, ἣν ὑποσχέσει Βελισάριος ἐκρατύνατο, ἀξύμορον σφίσιν εἶναι ἡγούμενοι. [11] Γότθοι μέντοι ὅσοι ἐν Πόρτῳ ἦσαν, ἐν χρῶ ἀεὶ παραπλέοντας τοὺς πολέμιους θεώμενοι, οὐδαμῇ ἥπτοντο, ἀλλὰ τεθηπότες ἐκάθηντο τὴν αὐτῶν ἔννοιαν. [12] ἐπεὶ δὲ τρόπῳ τῷ αὐτῷ πολλάκις ἀναπλεύσαντες ἅπαντα κατ’ ἐξουσίαν ἐσεκομίσαντο τὰ φορτία, οἱ μὲν ναῦται ξὺν ταῖς ναυσὶν ἀνεχώρησαν κατὰ τάχος ἥδη γὰρ καὶ τοῦ ἔτους ἀμφὶ τροπὰς χειμερινὰς ἦν, τὸ δὲ λοιπὸν στράτευμα ἐς Ῥώμην ἐσηλθε, πλὴν γε δὴ ὅτι Παῦλος ἐν Ὀστίᾳ ξὺν τῶν Ἰσαύρων τισὶν ἔμεινε. [13] Μετὰ δὲ ἀλλήλοις ἐπὶ τῇ ἐκεχειρίᾳ ὁμήρους ἔδοσαν, Ζήνωνα μὲν Ῥωμαῖοι, Γότθοι δὲ Οὐλίαν, οὐκ ἀφανῆ ἄνδρα, ἐφ’ ᾧ δὴ ἐν τρισὶ μῆσι μηδεμιᾷ ἐς ἀλλήλους ἐφόδῳ

χρήσονται, ἕως οἱ πρέσβεις ἐκ Βυζαντίου ἐπανάγοντες γνώμην τὴν βασιλέως ἀγγείλωσιν. [14] ἦν δέ τινες καὶ ἀδικίας οἱ ἕτεροι ἐς τοὺς ἐναντίους ὑπάρξωσι, τοὺς πρέσβεις οὐδέν τι ἥσσον ἀποδοθήσεσθαι ἐς τὸ σφῶν ἔθνος. [15] τῶν μὲν οὖν βαρβάρων οἱ πρέσβεις Ῥωμαίων παραπεμπόντων ἐς Βυζάντιον ἦσαν, Ἰλδίγερ δέ, ὁ τῆς Ἀντωνίνης γαμβρός, ξὺν ἱππεῦσιν οὐκ ὀλίγοις ἐκ Λιβύης ἐς Ῥώμην ἦλθε. [16] Γότθοι τε οἱ τὸ ἐν Πόρτῳ φρούριον εἶχον, ἐπιλελοιπότην σφᾶς τῶν ἀναγκαίων ἐξέλιπόν τε αὐτὸ Οὐιττίγιδος γνώμη, καὶ ἐς τὸ στρατόπεδον μετάπεμπτοι ἦλθον: Παῦλος δὲ αὐτὸ ξὺν τοῖς Ἰσαύροις ἐξ Ὀστίας καταλαβὼν ἔσχεν. [17] αἵτιοι δὲ μάλιστα τούτοις δὴ τοῖς βαρβάροις τῶν ἐπιτηδείων τῆς ἀπορίας ἐγένοντο θαλασσοκρατοῦντες Ῥωμαῖοι, καὶ τι αὐτοῖς ἐσκομίζεσθαι τῶν ἀναγκαίων οὐ ξυγχωροῦντες. [18] διὸ δὴ καὶ πόλιν ἐπιθαλασσίαν, λόγου πολλοῦ ἀξίαν, Κεντουκέλλας ὄνομα, τῶν ἐπιτηδείων σπανίζοντες, ὑπὸ τὸν αὐτὸν χρόνον ἐξέλιπον. [19] ἔστι δὲ ἡ πόλις μεγάλη καὶ πολυάνθρωπος, ἐς τὰ Ῥώμης πρὸς ἐσπέραν ἐν Τούσκοις κειμένη, σταδίους αὐτῆς ὀγδοήκοντα καὶ διακοσίους ἀπέχουσα. [20] καὶ αὐτὴν Ῥωμαῖοι καταλαβόντες ἔτι μᾶλλον ἐπὶ μέγα δυνάμειος ἦλθον, ἐπεὶ καὶ τὸ Ἀλβανῶν πόλισμα ἔσχεον, Ῥώμης πρὸς ἀνίσχοντα ἥλιον κείμενον, ἀνακεχωρηκότων ἐνθένδε διὰ τὸν αὐτὸν λόγον τηνικαῦτα τῶν πολεμίων, πανταχόθεν δὲ ἤδη κυκλωσάμενοι τοὺς βαρβάρους ἐν μέσῳ εἶχον. [21] διὸ δὴ Γότθοι διαλύειν τε τὰ ξυγκείμενα καὶ τι ἐς Ῥωμαίους κακουργεῖν ὄρων. ἐμπνάντες οὖν παρὰ Βελισάριον πρέσβεις ἡδικῆσθαι σφᾶς ἐν σπονδαῖς ἔρασαν: [22] Οὐιττίγιδος γὰρ Γότθους τοὺς ἐν Πόρτῳ μεταπεμψαμένου κατὰ τινα χρεῖαν Παῦλόν τε καὶ Ἰσαύρους τὸ ταύτῃ φρούριον λόγῳ οὐδενὶ καταλαβόντας ἔχειν. [23] ταῦτό δὲ τοῦτο ἀμφὶ τε Ἀλβανῶ καὶ Κεντουκέλλαις δῆθεν τῷ λόγῳ ἡτιῶντο, ἠπειλοῦν τε, ἢ μὴ ταῦτα σφίσιν ἀποδιδῶ, οὐκ ἐπιτρέψειν. [24] Βελισάριος δὲ ξὺν γέλῳτι αὐτοὺς ἀπεπέμψατο, παραπέτασμα μὲν εἶναι ταύτην δὴ τὴν αἰτίαν εἰπὼν, ἀγνοεῖν δὲ οὐδένα ὅτου δὴ ἔνεκα τὰ χωρία ταῦτα Γότθοι ἐκλίποιν. [25] καὶ τὸ λοιπὸν ὑποψία τινὶ ἐς ἀλλήλους ἐχρῶντο. Ἐπειτα δὲ Βελισάριος, ἐπεὶ Ῥώμην εἶδε στρατιωτῶν πλήθει ἀκμάζουσιν, ἄλλους τε ἱππέας ἐς χωρία Ῥώμης μακρὰν ποῦ ἄποθεν περιέπεμπε καὶ Βιταλιανοῦ τὸν ἀδελφιδεὸν Ἰωάννην ἐκέλευε ξὺν τοῖς ἐπομένοις ἱππεῦσιν, ὀκτακοσίους οὖσιν, ἀμφὶ πόλιν Ἀλβαν διαχειμάζειν, ἐν Πικηνοῖς κειμένην: [26] καὶ οἱ τῶν τε Βαλεριανῶ ἐπομένων τετρακοσίους ξυνέπεμψεν, ὧν Δαμιανὸς ὁ Βαλεριανοῦ ἀδελφιδεὸς ἦρχε, καὶ τῶν αὐτοῦ ὑπασπιστῶν ὀκτακοσίους ἄνδρας, διαφερόντως ἀγαθοὺς τὰ πολέμια. [27] οἷς δὴ δορυφόρους δύο, Σοῦνταν τε καὶ Ἀδηνιν, ἐπέστησε, καὶ αὐτοὺς μὲν Ἰωάννην ἔπεσθαι, ὅπῃ ἂν αὐτὸς ἐξηγοῖτο, ἐκέλευε: τῷ δὲ Ἰωάννῃ ἐπήγγελλε, τέως μὲν τὰ ξυγκείμενα σφίσιν φυλάττοντας ὁρᾷ τοὺς πολεμίους, ἡσυχῇ μένειν: ὅταν δὲ οἱ τὴν ἐκεχειρίαν αὐτοῖς λελύσθαι ξυμβαίῃ, ποιεῖν κατὰ τάδε: [28] παντὶ μὲν τῷ στρατῷ ἄφνω τε καὶ ἐξ ἐπιδρομῆς καταθεῖν τὴν Πικηνῶν χώραν, ἅπαντά τε ἐξῆς περιούντα τὰ ἐκεῖνη χωρία καὶ αὐτοῖς πρὸ τῆς φήμης ἐπιδημοῦντα. [29] ταύτης γὰρ σχεδὸν τι ἀπάσης τῆς χώρας ἄνδρας μὲν οὐδαμῇ ἀπολελεῖσθαι, πάντων ἐπὶ Ῥώμην ὡς φαίνεται στρατευσαμένων, παῖδας δὲ καὶ γυναῖκας τῶν πολεμίων καὶ χρήματα πανταχῇ εἶναι. [30] ἐξανδραποδίζειν οὖν καὶ ληΐζεσθαι τὰ ἐν ποσὶν ἅπαντα φυλασσόμενον μὴ

ποτε Ῥωμαίων τινὶ τῶν ταύτῃ ὥκημένων λυμῆνται. [31] ἦν δέ πη χωρίῳ ἐντύχη, ἄνδρας τε καὶ ὀχύρωμα, ὡς τὸ εἰκός, ἔχοντι, πάσῃ αὐτοῦ δυνάμει ἀποπειράσασθαι. [32] καὶ ἦν μὲν ἐλεῖν δύνηται, ἐς τὰ πρόσω ἰέναι, τοῦ πράγματος δέ οἱ, ἂν οὕτω τύχοι, ἀντιστατοῦντος, ἀπελαύνειν ὀπίσω, ἢ αὐτοῦ μένειν. [33] προϊόντι γάρ οἱ καὶ τοῦτο δὴ τὸ ὀχύρωμα κατὰ νότου ἀπολιπόντι κίνδυνος πολὺς ἐπὶ πλεῖστον ἔσται, ἐπεὶ οὐποτ' ἀμύνειν σφίσιν εὐπετὸς ἔξουσιν, ἦν που ἐνοχλοῖντο πρὸς τῶν ἐναντίων. τὴν δὲ λείαν φυλάσσειν ἅπασαν, ὅπως ἂν αὐτὴν ὀρθῶς καὶ δικαίως ἡ στρατιὰ διανέμοιτο. [34] εἴτα ζὺν γέλωτι καὶ τοῦτο ἐπεῖπεν: 'Οὐ γὰρ δίκαιον ὑφ' ἐτέρων μὲν τοὺς κηφῆνας πόνῳ μεγάλῳ ἀπόλλυσθαι, ἄλλους δὲ τοῦ μέλιτος οὐδεμιᾷ ταλαιπωρίᾳ ὀνίνασθαι.' τοσαῦτα μὲν ἐπιστείλας Βελισάριος Ἰωάννην ζὺν τῷ στρατεύματι ἐπεμψεν. [35] Ὑπὸ δὲ τὸν αὐτὸν χρόνον ὃ τε Μεδιολάνων ἱερεὺς Δάτιος καὶ τῶν πολιτῶν ἄνδρες δόκιμοι ἐς Ῥώμην ἀφικόμενοι Βελισαρίου ἐδέοντο φρουροὺς ὀλίγους σφίσι ξυμπέμψαι. [36] αὐτοὶ γὰρ ἱκανοὶ ἰσχυρίζοντο εἶναι, οὐ Μεδιόλανον μόνην, ἀλλὰ καὶ Λιγουριάν ὅλην πόνῳ οὐδενὶ Γότθων τε ἀποστῆσαι καὶ βασιλεῖ ἀνασώσασθαι. [37] αὕτη δὲ ἡ πόλις ὥκισται μὲν ἐν Λιγούροις, μέση που μάλιστα Ῥαβέννης τε πόλεως καὶ Ἀλπεων τῶν ἐν Γάλλων ὀρίοις κειμένη: [38] ἐκατέρωθεν γὰρ ἐς αὐτὴν ὀκτὼ ἡμερῶν ὁδὸς ἀνδρὶ εὐζώνῳ ἐστί: πρώτη δὲ πόλεων τῶν ἐσπερίων μετὰ γε Ῥώμην μεγέθει τε καὶ πολυανθρωπία καὶ τῇ ἄλλῃ εὐδαιμονίᾳ ἐτύγχανεν οὕσα. καὶ αὐτοῖς Βελισάριος ὑποσχόμενος τὴν δέησιν ἐπιτελῆ ποιήσιν κατεῖχεν αὐτοῦ τὴν τοῦ χειμῶνος ὥραν.

Ταῦτα μὲν δὴ ὧδέ πη εἶχε. τῆς δὲ τύχης ὁ φθόνος ᾧδαιεν ἤδη ἐπὶ Ῥωμαίους, ἐπεὶ τὰ πράγματα εὖ τε καὶ καλῶς σφίσιν ἐπίπροσθεν προϊόντα ἑώρα, κακῶ τε κεραννύναι τινὶ ταῦτα ἐθέλουσα, ἔριν ἐξ οὐδεμιᾶς αἰτίας λόγου ἀξίας ἐπενόει Βελισαρίῳ τε καὶ Κωνσταντίνῳ, ἢ ὅπως τε ἔφω καὶ ἐς ὃ τι ἐτελεύτησεν, ἐρῶν ἔρχομαι. [2] Πρεσίδιος ἦν τις, ἀνὴρ Ῥωμαῖος, ὥκημένος μὲν ἐπὶ Ῥαβέννης, ὣν δὲ οὐκ ἀφανής. οὗτος ὁ Πρεσίδιος, ὅτι δὴ Γότθοις προσκεκρουκώς, ἡνίκα Οὐίτιγις ἐπὶ Ῥώμην στρατεύειν ἔμελλε, ζὺν ὀλίγοις τισὶ τῶν οἰκετῶν ἐπὶ κυνηγέσιον διῆθεν τῷ λόγῳ στελλόμενος φεύγει, οὔτε τῷ τὴν βουλήν κοινωσάμενος οὔτε τι τῶν χρημάτων ζὺν αὐτῷ ἔχων, πλήν γε δὴ ὅτι ξιφίδια δύο αὐτὸς ἔφερεν, ὣν τὴν κουλεῶν χρυσῶν τε πολλῶν καὶ λίθοις ἐντίμοις κεκαλλωπισμένῳ ἐτυχέτην. καὶ ἐπειδὴ ἐν Σπολιτίῳ ἐγένετο, ἐς νεῶν τινα ἔξω τοῦ περιβόλου κατέλυσεν. [3] ὃ δὴ Κωνσταντίνος ἀκούσας 'ἐτύγχανε γὰρ ἔτι ἐνταῦθα διατριβὴν ἔχων, τῶν τινα ὑπασπιστῶν Μαξεντίολον πέμψας ἅμωφ ἀφαιρεῖται λόγῳ οὐδενὶ τῷ ἀκινάκα. [4] περιαλγῆς δὲ γεγονὼς τοῖς ξυμπεσοῦσιν ὁ ἄνθρωπος ἐς Ῥώμην ὅτι τάχιστα παρὰ Βελισάριον στέλλεται, οὗ δὴ οὐκ εἰς μακρὰν καὶ Κωνσταντίνος ἀφίκετο: ἤδη γὰρ ὁ τῶν Γότθων στρατὸς οὐκ ἄποθεν εἶναι ἠγγέλλετο. [5] ἕως μὲν οὖν ἐν τε θορύβῳ καὶ κινδύνῳ Ῥωμαίοις καθειστήκει τὰ πράγματα, σιωπῇ ὁ Πρεσίδιος ἔμενεν: ὡς δὲ τὰ τε Ῥωμαίων καθυπέρτερα εἶδε καὶ Γότθων πρέσβεις παρὰ βασιλέα σταλέντας, καθάπερ μοι ἔμπροσθεν εἴρηται, Βελισαρίῳ συχνὰ προσιὼν τὴν τε ἀδίκιαν ἀπήγγελλε καὶ οἱ τὰ δίκαια βοηθεῖν ἠξίου. [6] ὁ δὲ Κωνσταντίνῳ πολλὰ μὲν αὐτός, πολλὰ δὲ δι' ἐτέρων μεμφόμενος, παρήνει ἔργου τε ἀδίκου καὶ δόξης αἰσχροῦς ἀπαλλάσσεσθαι. [7] ἀλλὰ Κωνσταντίνος 'χρὴν γὰρ οἱ γενέσθαι

κακῶς· τοὺς τε λόγους αἰεὶ ἐρεσχελὼν διεκρούετο καὶ τὸν ἡδικημένον ἐτόθαιζε. [8] Βελισαρίῳ δέ ποτε, ἵππῳ ἐν τῇ ἀγορᾷ ὀχουμένῳ, ἐντυχὼν ὁ Πρεσίδιος τοῦ τε χαλινοῦ τοῦ ἵππου ἐλάβετο καὶ μέγα ἀναβοῶν ἠρώτα εἰ ταῦτα λέγουσιν οἱ βασιλέως νόμοι, ἵνα ἐπειδάν τις τοὺς βαρβάρους φυγὼν ἰκέτης ἐς αὐτοὺς ἵκοιτο, οἶδε ἀφέλωνται βία ὅσα ἂν τύχῃ ἐν χερσὶν ἔχων. [9] πολλῶν δὲ περιεστηκότων ἀνθρώπων καὶ τοῦ χαλινοῦ ζὺν ἀπειλῇ κελευόντων μεθίσθαι, οὐ πρότερον ἀφῆκε, πρὶν δὴ αὐτῷ ὑπέσχετο Βελισάριος τὰ ξιφίδια δώσειν. [10] τῇ οὖν ὑστεραίᾳ Κωνσταντίνῳ τε καὶ τῶν ἀρχόντων πολλοὺς ἐς οἰκίσκον τινὰ ξυγκαλέσας Βελισάριος ἐν Παλατίῳ, τῶν μὲν τῇ προτεραίᾳ ζυμπεπτωκότων ὑέμνησε, παρῆνει δὲ ὅσπερ γοῦν τοῦ χρόνου τοὺς ἀκινάκας ἀποδιδόναι. [11] ὁ δὲ οὐκ ἔφη δώσειν· ἥδιον γὰρ ἂν αὐτοὺς ἐς τοῦ Τιβερίδος τὸ ὕδωρ ἐμβάλλοι ἢ τῷ Πρεσιδίῳ διδοίη. [12] θυμῷ τε ἥδη ἐχόμενος Βελισάριος ἐπυνθάνετο εἰ οὐκ οἶοιτο Κωνσταντίνος πρὸς αὐτοῦ ἄρχεσθαι. καὶ αὐτὸς τὰ μὲν ἄλλα οἱ ὠμολόγει ἅπαντα πείσεσθαι· βουλομένῳ γὰρ ταῦτα βασιλεῖ εἶναι· τότε μέντοι, ὃ ἐν τῷ παρόντι ἐπιτάττοι, οὐ μήποτε δράσειν. [13] Βελισάριος μὲν οὖν εἰσιέναι τοὺς δορυφόρους ἐκέλευε, Κωνσταντίνος δὲ “Ὅπως με δηλαδὴ ἀποκτενοῦσιν,” ἔφη. “Οὐδαμῶς γε,” ὁ Βελισάριος εἶπεν, “ἀλλ’ ἵνα τὸν σὸν ὑπάσπιστήν Μαξεντίολον, ὃς σοι τὰ ξιφίδια βιασάμενος ἤνεγκεν, ἀναγκάσωσι τῷ ἀνθρώπῳ ἀποδιδόναι ἅπερ αὐτοῦ [14] βία λαβὼν ἔτυχεν.” ἀλλὰ Κωνσταντίνος τεθνήξεσθαι παραντίκα οἰόμενος δρᾶσαι τι μέγα, πρὶν τι αὐτὸς πάθοι, ἐβούλετο. [15] διὸ δὴ τὸ ξιφίδιον εἶλκεν ὅπερ οἱ πρὸς τῷ μηρῷ ἀπεκρέματο, ἄφνω τε αὐτὸ ἐπὶ τὴν Βελισαρίου γαστέρα ὥσεν. ὁ δὲ καταπλαγείς ὀπίσω τε ἀπέστη καὶ Βέσσα ἐγγὺς που ἐστηκότι περιπλακεῖς διαφυγεῖν ἴσχυσε. [16] Κωνσταντίνος μὲν οὖν, ἔτι τῷ θυμῷ ζέων, ἐπῆει, κατιδόντες δὲ Ἰλδίγερ τε καὶ Βαλεριανὸς τὸ ποιούμενον ὁ μὲν τῆς δεξιᾶς, ὁ δὲ τῆς ἐτέρας αὐτοῦ χειρὸς λαμβανόμενος ὀπίσω ἀνθεῖλκον. [17] ἐν τούτῳ δὲ εἰσελθόντες οἱ δορυφόροι οὓς δὴ ὀλίγῳ πρότερον ἐκάλεσε Βελισάριος, Κωνσταντίνου τε τὸ ξιφίδιον ζὺν βία πολλῇ ἐκ χειρὸς αἱροῦσι, καὶ αὐτὸν πολλῷ θορύβῳ ἀρπάσαντες οὐδὲν μὲν ἄχαρι ἐν τῷ παραντίκα εἰργάσαντο, παρόντας αἰδούμενοι τοὺς ἄρχοντας, οἶμαι, ἐς οἴκημα δὲ ἄλλο ἀπαγαγόντες, Βελισαρίου κελεύσαντος, [18] χρόνῳ τινὶ ὕστερον ἔκτειναν. τοῦτο Βελισαρίῳ εἰργασται μόνον οὐχ ὅσιον ἔργον καὶ ἥθους τοῦ αὐτοῦ οὐδαμῶν ἄξιον· ἐπεικεῖα γὰρ πολλῇ ἐς πάντας τοὺς ἄλλους ἐχρήτο. ἀλλὰ ἔδει, ὅπερ ἐρρήθη, Κωνσταντίνῳ γενέσθαι κακῶς.

Γότθοι τε οὐ πολλῷ ὕστερον ἐς Ῥώμης τὸν περίβολον κακουργεῖν ἤθελον. καὶ πρῶτα μὲν τινες ἐς τῶν ὀχετῶν ἓνα νύκτωρ καθῆκαν, ὧν αὐτοὶ τὸ ὕδωρ κατ’ ἀρχὰς τοῦδε τοῦ πολέμου ἀφήρηντο. [2] οἱ δὲ λύχνα τε καὶ δᾶδας ἐν χερσὶν ἔχοντες ἀπεπειρῶντο τῆς ἐς τὴν πόλιν ἐνθένδε εἰσόδου. ἔτυχε δὲ τινα διώρυχα οὐ μακρὰν Πιγκιανῆς πυλίδος τοῦ ὀχετοῦ τούτου κύρτωμα ἔχον, [3] ὅθεν δὴ τῶν τις φυλάκων τὸ πῦρ κατιδὼν τοῖς ζυμφυλάσσουσιν ἔφρασεν· οἱ δὲ λύκον αὐτοῦ παριόντα ἰδεῖν ἔφασαν. [4] ταύτῃ γὰρ τὴν γῆν οὐχ ὑπερέχειν τὴν τοῦ ὀχετοῦ οἰκοδομίαν ξυνέβαινε, πυρὶ δὲ εἰκάζεσθαι τοὺς τοῦ λύκου ὀφθαλμοὺς ᾤοντο. [5] τῶν μὲν οὖν βαρβάρων ὅσοι τοῦ ὀχετοῦ ἀπεπειράσαντο, ἐπειδὴ ἐν μέσῃ πόλει ἐγένοντο, ἐνθα δὴ ἀνοδὸς τις ἦν ἐκ παλαιοῦ ἐς αὐτό που τὸ

Παλάτιον φέρονσα, οἰκοδομία τινι ἐνταῦθα ἐνέτυχον οὔτε πρόσω ἰέναι τὸ λοιπὸν συγχαρούση οὔτε τῇ ἀναβάσει τὸ παράπαν χρῆσθαι. [6] ταύτην δὲ τὴν οἰκοδομίαν Βελισάριος προμηθεῖα τινὶ κατ' ἀρχὰς τῆσδε τῆς πολιορκίας πεποιήται, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις δεδήλωται. [7] λίθον οὖν ἓνα βραχὺν ἐνθένδε ἀφελόντες ὀπίσω τε ἀναστρέφειν εὐθὺς ἔγνωσαν καὶ παρὰ τὸν Οὐίτιγιν ἐπανήκοντες τὸν τε λίθον ἐνδεικνύμενοι πάντα ἀπήγγελλον. [8] καὶ ὁ μὲν τὰ τῆς ἐπιβουλῆς ἅμα τοῖς Γότθων ἀρίστοις ἐν βουλῇ εἶχε, Ῥωμαίων δὲ ὅσοι φρουρὰν ἀμφὶ πυλίδα Πιγκιανὴν εἶχον, μνήμην τῆς τοῦ λύκου ὑποψίας ἐν σφίσιν αὐτοῖς ἐποιοῦντο τῇ ὑστεραίᾳ. [9] ἐπεὶ δὲ ὁ λόγος περιφερόμενος ἐς Βελισάριον ἦλθεν, οὐ παρέργως ὁ στρατηγὸς τὸ πρᾶγμα ἤκουσεν, ἀλλ' ἄνδρας τε αὐτίκα τῶν ἐν τῷ στρατοπέδῳ δοκίμων ξὺν Διογένει τῷ δορυφόρῳ ἐς τὸν ὀχετὸν καθῆκε καὶ διερευνήσασθαι ἅπαντα ξὺν πολλῷ τάχει ἐκέλευσεν. [10] οἱ δὲ τὰ λύχνα τῶν πολεμίων καὶ τῶν δάδων ὅσα διερρύνει πανταχοῦ τοῦ ὀχετοῦ εὗρον, καὶ τὴν οἰκοδομίαν ἣ ὁ λίθος πρὸς τῶν Γότθων ἀφήρητο κατανενοηκότες Βελισαρίῳ ἀπήγγελλον. [11] διὸ δὴ αὐτός τε τὸν ὀχετὸν ἐν μεγάλῃ φυλακῇ ἔσχε καὶ οἱ Γότθοι αἰσθόμενοι ταύτης δὴ τῆς πείρας ἀπέσχοντο. [12] Ἐπειτα δὲ καὶ ἐκ τοῦ ἐμφανοῦς ἔφοδον κατὰ τοῦ περιβόλου ἐμηχανῶντο οἱ βάρβαροι. τηρήσαντες οὖν τὸν τοῦ ἀρίστου καιρὸν κλίμακάς τε καὶ πῦρ ἐπαγόμενοι, ἥκιστα τῶν πολεμίων προσδεχομένων, ἐπὶ πυλίδα Πιγκιανὴν ἤεσαν, ἐλπίδι θαρροῦντες ἐξ ἐπιδρομῆς τὴν πόλιν αἰρήσειν, ἅτε οὐ πολλῶν στρατιωτῶν ἐνταῦθα λειφθέντων. [13] ἔτυχε δὲ Ἰλδίγερ τηνικαῦτα ξὺν τοῖς ἐπομένοις φυλακὴν ἔχων· ἕκαστοι γὰρ ἐκ περιτροπῆς ἐς τὴν φρουρὰν ἐτετάχατο. [14] ἐπεὶ οὖν εἶδε προσιόντας οὐκ ἐν τάξει τοὺς πολεμίους, ἀπήντησέ τε οὐ ξυντεταγμένοις ἐς παράταξιν, ἀλλὰ ξὺν πολλῇ ἀκοσμίᾳ ἰοῦσι, καὶ τοὺς κατ' αὐτὸν οὐδενὶ πόνῳ τρεψάμενος συχνοὺς ἔκτεινε. [15] κραυγῆς δὲ μεγάλης καὶ ταραχῆς ἀνὰ τὴν πόλιν, ὡς τὸ εἶκος, γεγενημένης Ῥωμαῖοι τε ὡς τάχιστα πανταχόσε τοῦ περιβόλου ξυνέρρεον καὶ οἱ βάρβαροι ἄπρακτοι ἐς τὰ στρατόπεδα οὐκ ἐς μακρὰν ἐχώρησαν. [16] Οὐίτιγίς δὲ αὐθις ἐς ἐπιβουλὴν τοῦ περιβόλου καθίστατο. καί, ἦν γάρ τις αὐτῷ ἐπιμαχωτάτη μάλιστα μοῖρα, ἣ τοῦ Τιβέριδος ἡ ὄχθη ἐστίν, ἐπεὶ ταύτῃ οἱ πάλοι Ῥωμαῖοι θαρσοῦντες τοῦ ὕδατος τῷ ὀχυρώματι τὸ τεῖχος ἀπημελημένως ἐδεΐμαντο, βραχὺ τε αὐτὸ καὶ πύργων ἔρημον παντάπασι ποιησάμενοι, ῥᾶον ἐνθένδε ἤλπιζε τὴν πόλιν αἰρήσειν. οὐδὲ γὰρ οὐδέ τι φυλακτήριον λόγου ἄξιον ἐνταῦθα τετύχηκεν εἶναι. [17] δύο οὖν Ῥωμαῖους ἀμφὶ τὸν Πέτρου τοῦ ἀποστόλου νεῶν ὤκημένους χρήμασιν ἀναπεῖθει οἶνου ἄσκον ἔχοντας παρὰ τοὺς ἐκείνη φρουροὺς ἰέναι περὶ λύχνων ἀφάς, καὶ αὐτοῖς τὸν οἶνον τρόπῳ ὅτῳ δὴ φιλοφροσύνην ἐνδεικνυμένους χαρίζεσθαι, εἴτα ξὺν αὐτοῖς πόρρῳ τῶν νυκτῶν καθημένους πίνειν, ἐκάστῳ τε ἐς τὴν κύλικα ὑπνωτικὸν ἐμβαλεῖν φάρμακον ὅπερ σφίσιν αὐτὸς ἐδεδώκει. [18] ἀκάτους δὲ λάθρα ἐν τῇ ἐτέρᾳ ὄχθῃ ἐν παρασκευῇ ποιησάμενος εἶχεν, αἷς δὴ τῶν βαρβάρων τινάς, ἐπειδὴν τάχιστα οἱ φύλακες ὑπνῷ ἔχοντο, ξὺν κλίμαξιν ἐκ σημείου ἐνὸς τὸν ποταμὸν διαβαίνοντας τὴν ἐπιθεσιν τῷ περιβόλῳ ποιήσασθαι. [19] τὸ τε στράτευμα ἐς τοῦτο ἡτοίμαζεν ὅλον, ὅπως ἅπασα κατὰ κράτος ἡ πόλις ἀλώη. [20] τούτων δὲ οὕτω ξυγκειμένων σφίσι· τοῖν ἀνδροῖν ἄτερος τοῖν Οὐίτιγίδι ἐς ταύτην δὴ

παρεσκευασμένοι τὴν ὑπουργίαν· οὗ γὰρ ἔδει Ῥωμαίους τοῦτω τῷ Γότθων στρατοπέδῳ ἀλῶναι· αὐτεπάγγελτος ἐλθὼν Βελισαρίῳ τε ἅπαντα φράζει καὶ τὸν ἕτερον ἐνδείκνυσιν. [21] ὃς δὴ αἰκίζόμενος ἐς φῶς τε ἅπαντα ἤνεγκεν ὅσα δρᾶν ἔμελλε καὶ τὸ φάρμακον ἐπεδείκνυνεν ὅπερ Οὐίτιγίς αὐτῷ ἐδεδόκει. [22] καὶ αὐτοῦ Βελισάριος τὴν τε ῥίνα καὶ τὰ ὦτα λωβησάμενος ἐς τῶν πολεμίων τὸ χαράκωμα ὄνῳ ὀχούμενον ἔπεμψε. [23] καὶ κατιδόντες αὐτὸν οἱ βάρβαροι ἔγνωσαν ὡς ὁ θεὸς οὐκ ἐφῆ σφῶν τὰ βουλευματα ὁδῷ ἰέναι, καὶ δι' αὐτὸ οὐκ ἂν ποτε ἡ πόλις σφίσιν ἀλώσιμος εἴη.

Ἐν ᾧ δὲ ταῦτα ἐγίνετο, ἐν τούτῳ Βελισάριος γράψας πρὸς Ἰωάννην ἔργου ἐκέλευεν ἔχεσθαι. ὁ δὲ ζὺν τοῖς δισχιλίῳις ἱππεῦσι τὴν Πικηνῶν περιῶν χώραν τὰ ἐν ποσὶν ἐληΐζετο πάντα, παῖδάς τε καὶ γυναῖκας τῶν πολεμίων ἐν ἀνδραπόδων ποιούμενος λόγῳ. [2] Οὐλίθεόν τε, τὸν Οὐιτιγίδος θεῖον, ζὺν Γότθων στρατῷ ὑπαντιάσαντα μάχῃ νικήσας αὐτόν τε κτείνει καὶ πάντα σχεδὸν τὸν τῶν πολεμίων στρατόν. [3] διὸ δὴ οὐδεὶς οἱ ἐτόλμα ἔτι ἐς χεῖρας ἰέναι. ἐπεὶ δὲ ἀφῖκτο ἐς Αὐξίμον πόλιν, Γότθων μὲν ἐνταῦθα φρουρὰν οὐκ ἀξιόχρεόν τινα ἔμαθεν εἶναι, ἄλλως δὲ ὀχυρόν τε καὶ ἀνάλωτον κατενόησε τὸ χωρίον. [4] καὶ ἀπ' αὐτοῦ προσεδρεύειν μὲν οὐδαμῇ ἤθελεν, ἀλλὰ ἀπαλλαγεῖς ἐνθένδε ὅτι τάχιστα πρόσω ἤλαυνε. [5] ταῦτ' οὖν καὶ Οὐρβίνον ἀμφὶ πόλιν ἐποίει, ἔς τε Ἀρίμινον Ῥωμαίων αὐτὸν ἐπαγαγομένων ἐσήλαυνεν, ἥπερ μιᾶς ἡμέρας ὁδῷ Ῥαβέννης διέχει. [6] οἱ μὲν οὖν βάρβαροι ὅσοι φρουρὰν ἐνταῦθα εἶχον, ὑποψία ἐς Ῥωμαίους τοὺς οἰκήτορας πολλῇ χρώμενοι, ἐπειδὴ προῖεναι τὸ στράτευμα τοῦτο ἐπύθοντο, ἀπεχώρησάν τε καὶ δρόμῳ ἰόντες ἐν Ῥαβέννῃ ἐγένοντο. [7] οὕτω δὲ Ἰωάννης Ἀρίμινον ἔσχε πολεμίων φρουρὰν ὀπισθεν ἔν τε Αὐξίμῳ καὶ Οὐρβίνῳ ἀπολιπὼν, οὐχ ὅτι τῶν Βελισαρίου ἐντολῶν ἐς λήθην ἦλθεν, οὐδὲ θράσει ἀλογίστῳ ἐχόμενος, ἐπεὶ ζὺν τῷ δραστηρίῳ τὸ ζυνητὸν εἶχεν, ἀλλὰ λογισάμενος, ὅπερ ἐγένετο, ὡς ἦν Γότθοι πύθονται τὸν Ῥωμαίων στρατὸν ἄγχιστά πη Ῥαβέννης εἶναι, αὐτίκα μάλα τὴν ἐν Ῥώμῃ διαλύσουσι προσεδρεῖαν, [8] ἀμφὶ τῷ χωρίῳ τούτῳ δείσαντες. καὶ ἔτυχέ γε τῆς ἀληθοῦς δόξης. ἐπειδὴ γὰρ Οὐίτιγίς τε καὶ ὁ Γότθων στρατὸς Ἀρίμινον ἔχουσιν πρὸς αὐτοῦ ἦκουσαν, ἐς μέγα δέος ἀμφὶ Ῥαβέννη ἐμπεπωκότες ἄλλο τε ὑπολογισάμενοι τῶν πάντων οὐδέν, εὐθυωρόν τὴν ἀναχώρησιν ἐποίησαντο, [9] ὥς μοι αὐτίκα λελέξεται. καὶ μέγα τι κλέος ἐκ τοῦ ἔργου τούτου Ἰωάννης ἔσχε, διαβόητος καὶ τὸ πρότερον ὢν. [10] τολμητὴς τε γὰρ ἦν καὶ αὐτουργὸς ἐν τοῖς μάλιστα, ἔς τε τοὺς κινδύνους ἄοκνος, δίαίτῃν τε σκληρὰν καὶ ταλαιπωρίαν τινα ἐς αἰεὶ εἶχε βαρβάρου ὀτουοῦν ἢ στρατιώτου οὐδενὸς ἦσσαν. ὁ μὲν οὖν Ἰωάννης τοιόσδε τις ἦν. [11] Ματασοῦνθα δέ, ἡ τοῦ Οὐιτιγίδος γυνή, δεινῶς τῷ ἀνδρὶ ἀχθομένη, ὅτι δὴ οἱ βία τὸ ἐξ ἀρχῆς ἐς κοίτην ἦλθεν, ἐπειδὴ τὸν Ἰωάννην ἐς Ἀρίμινον ἦκειν ἐπύθετο, περιχαρὴς τε ἀτεχνῶς γέγονε καὶ πέμψασα παρ' αὐτὸν λάθρα γάμου τε καὶ προδοσίας περὶ ἐς λόγους ἦλθε. [12] Καὶ οἱ μὲν πέμποντες αἰεὶ κρύφα τῶν ἄλλων ταῦτα ἔπρασσον. Γότθοι δὲ ἐπεὶ τὰ τε ἀμφὶ Ἀρίμινον ἔμαθον καὶ ἅμα ζύμπαντα σφᾶς τὰ ἀναγκαῖα ἐπελελοίπει, ὃ τε τῶν τριῶν μηνῶν χρόνος ἐξῆκεν ἤδη, τὴν ἀναχώρησιν ἐποιοῦντο, καίπερ οὐπω τι τῶν πρέσβειων ἕνεκα πεπυσμένοι. [13] τοῦ μὲν οὖν ἔτους ἀμφὶ τροπὰς ἑαρινὰς ἦν, τῇ δὲ πολιορκίᾳ ἐνιαυτὸς τε

ἐτέτριπτο καὶ πρὸς αὐτῷ ἡμέραι ἐννέα, ὅτε οἱ Γότθοι ἅπαντα σφῶν τὰ χαρακώματα καύσαντες, ἅμα ἡμέρᾳ ὁδοῦ εἶχοντο. [14] Ῥωμαῖοι δὲ φεύγοντας ὀρῶντες τοὺς ἐναντίους ἐν ἀπόρῳ εἶχον ἢ τὸ παρὸν θήσονται. τῶν τε γὰρ ἱππέων τὸ πλῆθος οὐ παρεῖναι τηνικαῦτα ξυνέβαινε, ἄλλων ἄλλη πη ἐσταλμένων, ὥσπερ μοι ἔμπροσθεν εἴρηται, αὐτοὶ τε ἀξιόμαχοι πρὸς τοσοῦτον πλῆθος πολεμίων οὐκ ᾔοντο εἶναι. ἅπαντας μέντοι πεζοὺς τε καὶ ἱππεάς Βελισάριος ὥπλισε. [15] καὶ ἐπεὶ τῶν πολεμίων ὑπὲρ ἡμῖς διαβάνας τὴν γέφυραν εἶδεν, ἐξῆγε διὰ Πιγκιανῆς πύλης τὸ στράτευμα, ἢ τε μάχῃ ἐκ χειρὸς γέγονε τῶν προτέρων οὐδεμιᾶς ἦσσαν. [16] καὶ κατ' ἀρχὰς μὲν καρτερῶς τῶν βαρβάρων τοὺς πολεμίους ὑφισταμένων, πολλοὶ ἐκατέρων ἐν τῇ πρώτῃ ξυμβολῇ ἔπεσον· ἔπειτα δὲ οἱ Γότθοι τραπόμενοι μέγα τε καὶ ὑπερφυῆς σφίσι αὐτοῖς τὸ πάθος ἐποίουν· [17] αὐτὸς γὰρ ἕκαστος τὴν γέφυραν διαβαίνειν ἠπείγετο πρῶτος. ἀφ' οὗ δὴ ἐς στενοχωρίαν πολλὴν ἀφικόμενοι τὰ χαλεπώτατα ἔπασχον· πρὸς τε γὰρ σφῶν αὐτῶν καὶ τῶν πολεμίων ἐκτείνοντο. [18] πολλοὶ δὲ καὶ τῆς γεφύρας ἐφ' ἐκάτερα ἐξέπιπτον ἐς τὸν Τίβεριν καὶ αὐτοῖς ὅπλοις καταδυνάμενοι ἔθνησκον. οὕτω δὲ τοὺς πλείστους ἀποβαλόντες οἱ λοιποὶ τοῖς πρότερον διαβάσι ξυνέμιζαν. [19] Λογγίνος δὲ Ἰσαυρος καὶ Μουνδύλας, οἱ Βελισαρίου δορυφόροι, διαφερόντως ἐν ταύτῃ τῇ μάχῃ ἠρίστευσαν. ἀλλὰ Μουνδύλας μὲν τέτρασι βαρβάροις καθ' ἕκαστον ἐς χεῖρας ἐλθὼν ἐκτείνε τε ἅπαντας καὶ αὐτὸς ἐσώθη· [20] Λογγίνος δὲ τῆς τῶν πολεμίων τροπῆς αἰτιώτατος γεγινὼς αὐτοῦ ἔπεσε πολὺν αὐτοῦ πόθον τῷ Ῥωμαίων στρατοπέδῳ ἀπολιπών.

Οὐτίγινι μὲν οὖν στρατῷ τῷ καταλοίπῳ ἐπὶ Ῥαβέννης ἰὼν τῶν χωρίων τὰ ὀχυρώματα πλήθει φρουρῶν ἐκρατύνατο, ἐν Κλουσίῳ μὲν τῇ Τούσκων πόλει χιλίους τε ἄνδρας καὶ ἄρχοντα Γιβίμερα ἀπολιπών, ἐν τε Οὐρβιβεντῷ τοσοῦτους, οἷς δὴ ἄρχοντα Ἀλβίλαν ἄνδρα Γότθον ἐπέστησε. καὶ Οὐλιγίσalon ἐν τῇ Τουδέρα ξὺν τετρακοσίοις κατέλιπε. [2] ἐν δὲ δὴ Πικηνῶν τῇ χώρᾳ τετρακοσίους μὲν ἐς Πέτραν τὸ φρούριον εἶασεν, οἱ καὶ πρότερον ταύτῃ ᾤκητο, ἐν Αὐξίμῳ δέ, ἢ πασῶν μεγίστη τῶν ἐκείνῃ πόλεων ἐστὶ, Γότθους τε ἀριστίνδην ξυνειλεγμένους τετρακισχιλίους κατέλιπε καὶ ἄρχοντα ἐς ἄγαν δραστήριον Οὐίσανδον ὄνομα, ξὺν τε τῷ Μώρᾳ διςχιλίους ἐν Οὐρβίνῳ τῇ πόλει. [3] ἐστὶ δὲ καὶ ἄλλα φρούρια δύο, Καισηνά τε καὶ Μοντεφέρετρα, ὧν δὴ ἐν ἐκατέρῳ φρουρὰν οὐχ ἦσσαν ἢ κατὰ πεντακοσίων ἀνδρῶν κατεστήσατο. αὐτὸς δὲ τῷ ἄλλῳ στρατῷ εὐθὺς Ἀρμίνου ὡς πολιορκήσων ἐχώρει. [4] Ἐτύγχανε δὲ Βελισάριος, ἐπειδὴ τάχιστα Γότθοι τὴν πολιορκίαν διέλυσαν, Ἰλδίγερά τε καὶ Μαρτίνον ξὺν ἱππεῦσι χιλίοις πέμψας, ἐφ' ᾧ δὴ ἐτέρας ὁδοῦ θάττον ἰόντες φθάσωσι τοὺς πολεμίους ἐς Ἀρίμινον ἀφικόμενοι, καὶ σφίσι ἐπέστελλεν Ἰωάννην μὲν καὶ τοὺς ξὺν αὐτῷ ἅπαντας ἐνθένδε ἐξαναστῆσαι ὡς τάχιστα, πολλοὺς δὲ ἀντ' αὐτῶν ἱκανοὺς μάλιστα ἐς τῆς πόλεως τὴν φυλακὴν καταστήσασθαι, ἐκ φρουρίου ἀφελομένους ὃ δὴ πρὸς κόλπῳ τῷ Ἰονίῳ ἐστίν, Ἀγκῶν ὄνομα, [5] δυοῖν ἡμέραιν ὁδὸν Ἀρμίνου διέχον. ἤδη γὰρ αὐτὸ οὐ πολλῷ πρότερον κατελήφει, Κόνωνα ξὺν τε Ἰσαύρων καὶ Θρακῶν στρατεύματι οὐκ ὀλίγῳ πέμψας. [6] ἤλπιζε γάρ, ἦν πεζοὶ τε καὶ μόνον ἀρχόντων οὐκ ἀξιολόγων σφίσι παρόντων Ἀρίμινον ἔχουσιν,

οὐποτε αὐτῆς ἐς πολιορκίαν Γόθων τὴν δύναμιν καταστήσεσθαι, ἀλλ' ὑπεριδόντας ἐπὶ Ῥαβέννης αὐτίκα ἰέναι, ἣν τε Ἀρίμινον πολιορκεῖν ἐθελήσωσι, τοῖς τε πεζοῖς τὰ ἐπιτήδεια ἐς πλεῖω τινὰ χρόνον ἀρκέσειν: [7] καὶ ὡς ἱππεῖς δισχίλιοι ἐξῴθεν ξὺν τῷ ἄλλῳ στρατῷ ἰόντες πολλὰ τε κακά, ὡς τὸ εἰκός, τοὺς πολεμίους ἐργάσσονται καὶ ῥᾶον ἐς τῆς προσεδρείας αὐτοὺς τὴν διάλυσιν ξυνελάσουσι. [8] τοιαύτη μὲν γνώμη Βελισάριος τοῖς ἀμφὶ Μαρτίνον τε καὶ Ἰλδίγερα ταῦτα ἐπήγγελλεν. οἱ δὲ διὰ Φλαμινίας ὁδοῦ πορευόμενοι λίαν τε τοὺς βαρβάρους προτερήσαντες ἦσαν. [9] ἅτε γὰρ ἐν πολλῷ ὁμίλῳ οἱ Γότθοι σχολαίτεροι ἐπορεύοντο, καὶ περιόδοις ἠναγκάζοντο μακραῖς τισι χρῆσθαι τῶν τε ἀναγκαίων τῇ ἀπορίᾳ καὶ τῶν ἐν Φλαμινίᾳ ὁδῷ ὀχυρωμάτων ἥκιστα ἐθέλοντες ἄγχιστά πη ἰέναι, ἐπεὶ αὐτὰ οἱ πολέμιοι, ὥσπερ μοι ἔμπροσθεν δεδήλωται, Ναρνίαν τε καὶ Σπολίτιον καὶ Περυσίαν εἶχον. [10] Ῥωμαίων δὲ τὸ στράτευμα, ἐπειδὴ τῇ Πέτρᾳ ἐνέτυχον, ὁδοῦ ποιούμενοι πάρεργον, ἀπεπειράσαντο τοῦ ταύτῃ φρουρίου. τοῦτο δὲ τὸ ὀχύρωμα οὐκ ἄνθρωποι ἐτεκτίναντο, ἀλλὰ τοῦ χωρίου ἡ φύσις ἐξεῦρεν: ὁδὸς γάρ ἐστιν ἐς ἄγαν κρημνώδης. [11] ταύτης δὲ τῆς ὁδοῦ ἐν δεξιᾷ μὲν ποταμός τις οὐδενὶ ἐσβατὸς ὀξύτητι τοῦ ῥοῦ κάτεισιν, ἐν ἀριστερᾷ δὲ οὐ πολλῷ ἄποθεν πέτρα ἀνέχει ἀπότομός τε καὶ ὕψους ἐς τόσον διήκουσα, ὥστε τοῖς κάτω οὗσι φαινόμενοι ἄνθρωποι, οἱ ἐν τῇ ἄκρᾳ, ἂν οὕτω τύχοι, ἐστήκασιν, ὄρνισι τοῖς μικροτάτοις μεγέθους πέρι εἰκάζονται. [12] προϊόντι τε διέξοδος οὐδεμία τὸ παλαιὸν ἦν. λήγουσα γὰρ ἡ πέτρα ἐς αὐτόν που μάλιστα τοῦ ποταμοῦ τὸν ῥοῦν διήκει, διάβασιν τοῖς ταύτῃ ἰοῦσιν οὐδεμίαν παρεχομένη. [13] διώρυχα τοίνυν ἐνταῦθα οἱ πάλαι ἄνθρωποι ἐργασάμενοι, πυλὶδα τῷ χωρίῳ ταύτῃ πεποιήνται. [14] φράζαντες δὲ καὶ τῆς ἐτέρας εἰσόδου τὸ πλεῖστον, πλήν γε δὴ ὅσον πυλὶδα κἀνταῦθα λελεῖφθαι, φρούριόν τε αὐτοφυὲς ἀπειργάσαντο καὶ Πέτραν αὐτὸ λόγῳ τῷ εἰκότι ἐκάλεσαν. [15] οἱ οὖν ἀμφὶ Μαρτίνον τε καὶ Ἰλδίγερα πρῶτον μὲν ἐς τῶν πυλίδων τὴν ἐτέραν μαχόμενοι τε καὶ πολλὰ βάλλοντες οὐδὲν ἦνυτον, καίπερ ἥκιστα σφᾶς ἀμυνομένων τῶν ταύτῃ βαρβάρων, ἔπειτα δὲ διὰ τοῦ κρημνώδους κατόπισθεν τὴν ἄνοδον βιασάμενοι κατὰ κορυφὴν λίθοις ἔβαλον ἐνθένδε τοὺς Γόθους. [16] οἱ δὲ ἐς τὰς οἰκίας δρόμῳ τε καὶ θορύβῳ πολλῷ ἐσελθόντες ἡσύχαζον. καὶ τότε Ῥωμαῖοι, ἐπεὶ τῶν πολεμίων οὐδενὸς ἐπιτυγχάνειν οἰοί τε ἦσαν ταῖς τῶν λίθων βολαῖς, ἐπενόουν τάδε. [17] τμήματα μεγάλα ἐκ τοῦ σκοπέλου ποιούμενοι πολλοὶ θ' ἅμα ὠθοῦντες αὐτὰ ἐπὶ τὰς οἰκίας σταθμώμενοι ἐρρίπτουν. [18] τὰ δὲ ὅπη ἂν τῆς οἰκοδομίας καὶ κατὰ βραχὺ προσπίπτοντα ψαυοί, κατέσειέ τε ἱκανῶς ἅπαντα καὶ τοὺς βαρβάρους ἐς μέγα τι δέος καθίστη. [19] διὸ δὴ χεῖράς τε οἱ Γότθοι τοῖς ἔτι ἀμφὶ τὴν πυλίδαν οὗσιν ὥρεγον καὶ ξὺν τῷ φρουρίῳ σφᾶς αὐτοὺς ὁμολογία παρέδοσαν, ἐφ' ᾧ κακῶν ἀπαθειῖς μείνωσι, βασιλέως τε δοῦλοι καὶ Βελισαρίου κατήκοοι ὄντες. [20] καὶ αὐτῶν Ἰλδίγερ τε καὶ Μαρτίνος τοὺς μὲν πλείστους ἀναστήσαντες ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ ξὺν αὐτοῖς ἦγον, ὀλίγους δὲ τινὰς ξὺν τοῖς παισὶ τε καὶ γυναιξίν αὐτοῦ εἴασαν. ἐλίποντο δὲ τινὰ καὶ Ῥωμαίων φρουράν. [21] ἐνθένδε τε ἐς Ἀγκῶνα ἐλθόντες καὶ πολλοὺς ἀπαγαγόμενοι τῶν ἐκεῖνη πεζῶν ἐς Ἀρίμινον τριταῖοι ἀφίκοντο, τὴν τε Βελισαρίου γνώμην ἀπήγγελλον. [22] Ἰωάννης δὲ οὔτε αὐτὸς ἐπεςθαι ἤθελε καὶ

Δαμιανὸν ξὺν τοῖς τετρακοσίοις κατεῖχεν. οἱ δὲ τοὺς πεζοὺς αὐτοῦ ἀπολιπόντες κατὰ τάχος ἐνθένδε ξὺν τοῖς Βελισαρίου δορυφόροις τε καὶ ὑπασπισταῖς ἀνεχώρησαν.

Καὶ Οὐίτιγισ οὐκ ἐς μακρὰν παντὶ τῷ στρατῷ ἐς Ἀρίμινον ἦλθεν, οὗ δὴ ἐνστρατοπεδευσάμενοι ἐπολιόρκουν. αὐτίκα τε πύργον ξύλινον τοῦ τῆς πόλεως περιβόλου καθυπέρτερον τεκτηνάμενοι τροχοῖς τέσσαρσιν ἀνεχόμενον ἐπὶ τὸ τεῖχος ἤγον, ἣ μάλιστα ἐπιμαχώτατον αὐτοῖς ἔδοξεν εἶναι. [2] ὅπως δὲ μὴ πάθωσιν ὅπερ αὐτοῖς πρὸ τοῦ Ῥώμης περιβόλου ξυνηνέχθη παθεῖν, οὐ διὰ τῶν βοῶν τὸν πύργον ἤγον, ἀλλ' αὐτοὶ ἔνδον κρυπτόμενοι ἐφεῖλκον. [3] κλίμαξ δὲ ἦν τις τοῦ πύργου ἐντὸς εὐρεῖα ἐς ἄγαν, δι' ἧς τὸ τῶν βαρβάρων πλῆθος ἀναβήσεσθαι εὐπετῶς ἔμελλον, ἐλπίδα ἔχοντες ὥς, ἐπειδὴν τάχιστα τὸν πύργον τῷ περιβόλῳ ἐρείσωσιν, ἐνθένδε πόνῳ οὐδενὶ ἐπιβήσονται κατὰ τὰς τοῦ τείχους ἐπάλξεις· οὕτω γὰρ αὐτοῖς ἢ τοῦ πύργου ὑπερβολὴ εἵργαστο. [4] ἐπειδὴ τοίνυν τοῦ περιβόλου ἄγχιστά πη ξὺν τῇ μηχανῇ ταύτῃ ἐγένοντο, τότε μὲν ἡσυχῇ ἔμενον, ἐπεὶ καὶ ξυνεσκόταζεν ἤδη, φύλακας δὲ ἀμφὶ τὸν πύργον καταστησάμενοι ἠϋλίσαντο ἅπαντες, ἐναντίωμα οὐδ' ὅτιοῦν ἔσεσθαι σφίσιν ἐν νῷ ἔχοντες. [5] οὐδὲ γὰρ οὐδέ τι ἄλλο ἐμπόδιον, οὐδὲ τάφρος ἐν μέσῳ ὅτι μὴ βραχεῖα παντάπασιν ἐτύγγανεν οὔσα. Οἱ τε Ῥωμαῖοι ξὺν δέει πολλῷ ὥς ἡμέρα τῇ ἐπιούσῃ ἀπολούμενοι ἐνυκτέρευσαν. [6] Ἰωάννης δὲ οὔτε ἀπογνοὺς πρὸς τὸν κίνδυνον οὔτε τῷ δέει ξυνταραχθεὶς ἐπενόει τάδε. τοὺς μὲν ἄλλους ἐν τοῖς φυλακτηρίοις ἀπολιπόν, αὐτὸς δὲ ξὺν τοῖς Ἰσαύροις δικέλλας τε καὶ ἄλλα ἄττα τοιαῦτα ὄργανα φέρουσιν, ἀφ' ὧν τῶν νυκτῶν, οὐδενὶ τῶν πάντων προειρημένον, ἔξω τοῦ περιβόλου γενόμενος ἐκέλευσε σιωπῇ τὴν τάφρον ὀρύσσειν. [7] οἱ δὲ κατὰ ταῦτα ἐποίουν, καὶ τὸν χοῦν ὄνπερ ἐνθένδε ἀνηροῦντο ἐπὶ θάτερα τῆς τάφρου ἐς τὰ πρὸς τῷ τείχει ἐς αἰεὶ ἐτίθεσαν, ὃς δὴ ἐνταῦθα αὐτοῖς ἀντὶ τοίχου ἐγίνετο. [8] λαθόντες τε ἐπὶ πλεῖστον τοὺς πολεμίους καθεύδοντας βαθεῖαν τε καὶ εὐρους ἱκανῶς ἔχουσιν τὴν τάφρον δι' ὀλίγου πεποιήνται, οὗ δὴ μάλιστα ἐπιμαχώτατός τε ὁ περίβολος ἦν καὶ προσβάλλειν ξὺν τῇ μηχανῇ οἱ βάρβαροι ἔμελλον. [9] οἱ δὲ πολέμιοι πόρρῳ που τῶν νυκτῶν αἰσθόμενοι τοῦ ποιουμένου ἐπὶ τοὺς ὀρύσσοντας ἐβόηθουν δρόμῳ, καὶ Ἰωάννης ξὺν τοῖς Ἰσαύροις, ἐπεὶ οἱ τὰ ἀμφὶ τῇ τάφρῳ ὥς ἄριστα εἶχεν, ἐντὸς τοῦ περιβόλου ἐγένετο. [10] Οὐίτιγισ δὲ ἅμα ἡμέρᾳ τὰ τε πεπραγμένα κατανοήσας καὶ περιαλήσας τοῖς ξυμπεσοῦσι διεχρήσατο μὲν τῶν φυλάκων τινάς, οὐδὲν δὲ ἥσσον ἐπάγειν τὴν μηχανὴν ἐν σπουδῇ ἔχων ἐκέλευε φακέλλων πλῆθος τοὺς Γότθους ἐν τῇ τάφρῳ κατὰ τάχος ρίπτειν, οὕτω τε τὸν πύργον ἐνταῦθα ἐφέλκοντας ἄγειν. [11] καὶ οἱ μὲν ταῦτα, ὥσπερ Οὐίτιγισ ἐπέτελλεν, ἔπρασσον προθυμίᾳ τῇ πάσῃ, καίπερ τῶν ἐναντίων καρτερώτατα ἐκ τοῦ τείχους ἀμυνομένων. οἱ δὲ φάκελλοι, ἐμπεσόντος σφίσι τοῦ πύργου, βαρυνόμενοι, ὥς τὸ εἰκός, ὑπεχώρουν κάτω. [12] διὸ δὴ οἱ βάρβαροι πρόσω ἰέναι ξὺν τῇ μηχανῇ οὐδαμῇ εἶχον, ἐπεὶ ἄναντες σφίσι πολλῷ ἔτι μᾶλλον ἐγίνετο, οὗ δὴ ξυνήσαντες τὸν χοῦν ἔτυχον, ὥσπερ μοι ἐρρήθη, [13] Ῥωμαῖοι. δέισαντες οὖν μὴ νυκτὸς ἐπιγινομένης ἐπεξεληθόντες οἱ πολέμιοι τὴν μηχανὴν καύσωσιν, [14] ὀπίσω αὐτὴν αὐθις ἐφεῖλκον. ὅπερ Ἰωάννης κωλύειν δυνάμει τῇ πάσῃ ἐν σπουδῇ ἔχων τοὺς τε στρατιώτας

ἐξώπλισε καὶ ξυγκαλέσας ἅπαντας τοιάδε παρεκελεύσατο: [15] “Ἄνδρες, οἷς τοῦδε τοῦ κινδύνου ξὺν ἡμῖν μέτεστιν, εἴ τῳ ὑμῶν πρὸς ἡδονὴν ἐστὶ βιώναι τε καὶ τοὺς οἶκοι ἀπολελειμμένους ἰδεῖν, μὴ ἐπ’ ἄλλῳ τῳ κεκτημένος τὴν τούτων ἐλπίδα ἢ ἐν ταῖς χερσὶ ταῖς αὐτοῦ γνῶτω. [16] ἡνῖκα μὲν γὰρ Βελισάριος ἡμᾶς τὸ ἐξ ἀρχῆς ἔστελλε, πολλῶν ἡμᾶς ἐλπίς τε καὶ ἔρως ἐς τὴν τοῦ ἔργου προθυμίαν ἐνήγον. [17] οὔτε γὰρ ἐν γῇ τῇ παραλία πολιορκηθῆσθαι ὑποπτεύομεν, οὕτω δὴ θαλασσοκρατούντων Ῥωμαίων, οὔτε τοσοῦτον ἡμῶν περιόψεσθαι τὸν βασιλέως στρατὸν ὑπετόπησεν ἄν τις. [18] χωρὶς δὲ τούτων τότε μὲν ἡμᾶς ἐς εὐτολμίαν ὥρμα ἐπίδειξις τε τῆς ἐς τὴν πολιτείαν εὐνοίας καὶ τὸ ἐκ τῶν ἀγώνων ἐσόμενον κλέος ἐς πάντας ἀνθρώπους. [19] νῦν δὲ οὔτε περιεῖναι ἡμᾶς, ὅτι μὴ διὰ τῆς εὐψυχίας, οἷόν τέ ἐστιν, ἐπάναγκές τε οὐκ ἄλλου του ἢ τοῦ βιώσεσθαι ἡμᾶς αὐτοὺς ἔνεκα τοῦτον ὑποστῆναι τὸν κίνδυνον. [20] ὥστε εἰ μὲν τισιν ὑμῶν ἀρετῆς τι μεταποιεῖσθαι ξυμβαίνει, πάρεστιν αὐτοῖς ἀνδραγαθίζομένοις, εἴπερ τισὶ καὶ ἄλλοις, ἐνδόξοις γενέσθαι. [21] κτῶνται γὰρ εὐκλειαν οὐχ οἱ τῶν καταδεεστέρων κρατήσαντες, ἀλλ’ οἱ ἂν τῇ παρασκευῇ ἐλασσοῦμενοι τῷ τῆς ψυχῆς μεγέθει νικῶεν. [22] οἷς δὲ τὸ φιλόψυχον ἐμπέφυκε μᾶλλον, τούτοις δὴ μάλιστα τὸ εὐτόλμοις εἶναι ξυνοίσει, ἐπεὶ ἅπαντες ἐκ τοῦ ἐπὶ πλεῖστον, οἷς τὰ πράγματα ἐπὶ ξυροῦ ἀκμῆς, ὥσπερ ἡμῖν τανῦν, ἴσταται, μόνῳ ἂν τῷ τῶν κινδύνων ὑπερφρονεῖν διασώζονται.” [23] Τοσαῦτα μὲν Ἰωάννης εἰπὼν ἐξῆγεν ἐπὶ τοὺς πολεμίους τὸ στράτευμα, ὀλίγους τινὰς ἐς τὰς ἐπάλξεις ἀπολιπών. [24] ἀνδρείως δὲ αὐτοὺς ὑφισταμένων τῶν πολεμίων γέγονε καρτερὰ ἐς ἅγαν ἡ μάχη. καὶ τὸν μὲν πύργον μόλις τε καὶ ὥπὲ τῆς ἡμέρας ἐς τὸ σφέτερον οἱ βάρβαροι στρατόπεδον ἐνεγκεῖν ἴσχυσαν. [25] τοσοῦτους μέντοι τὸ πλῆθος ἀπέβαλον τῶν ἐν σφίσι μαχίμων, ὥστε οὐκέτι τειχομαχεῖν τὸ λοιπὸν ἔγνωσαν, ἀλλ’ ἀπογνόντες ἡσυχῇ ἔμενον, λιμῷ πιεζομένους προσχωρήσειν αὐτοῖς τοὺς πολεμίους караδοκοῦντες. λίαν γὰρ αὐτοὺς ἅπαντα ἤδη τὰ ἐπιτήδεια ἐπελελοιπίει, ἐπεὶ οὐχ εὖρον ὅθεν αὐτὰ διαρκῶς ἐσκομίσονται. [26] Ταῦτα μὲν οὖν ἐγένετο τῇδε. Βελισάριος δὲ τοῖς ἐκ Μεδιολάνου ἤκουσι χιλίους ἐπεμψεν Ἰσαύρους τε καὶ Θρακας. [27] ἡγεῖτο δὲ τῶν Ἰσαύρων Ἐννης, τῶν δὲ Θρακῶν Παῦλος, Μουνδύλας τε ἅπασιν ἐφειστήκει καὶ αὐτὸς ἦρχεν ὀλίγους τινὰς τῶν Βελισαρίου ὑπάσπιστῶν ἔχων. ξυνην δὲ αὐτοῖς καὶ Φιδέλιος, ὃς ἐγεγόνει τῆς αὐλῆς ἑπαρχος. [28] ἐκ Μεδιολάνου γὰρ ὁρμώμενος ἐπιτήδειος τούτῳ ἔδοξε τῷ στρατῷ ἔπεσθαι ἅτε δυνάμιν τινα ἐν Λιγούροις ἔχων. [29] πλεύσαντες οὖν ἐκ τοῦ Ῥωμαίων λιμένος Γενούᾳ προσέσχον, ἣ Τουσκίας μὲν ἐστὶν ἐσχάτη, παράπλου δὲ καλῶς Γάλλων τε καὶ Ἰσπανῶν κεῖται. [30] ἐνθα δὴ τὰς τε ναῦς ἀπολιπόντες καὶ ὁδῷ πορευόμενοι πρόσω ἐχώρουν, τοὺς λέμβους τῶν νηῶν ἐν ταῖς ἀμάξαις ἐνθέμενοι, ὅπως ἂν Πάδον τὸν ποταμὸν διαβαίνουσι μηδὲν σφίσιν ἐμπόδιον εἴη. [31] οὕτω γοῦν τοῦ ποταμοῦ τὴν διάβασιν ἐποιήσαντο. ἐπεὶ δὲ τὸν Πάδον διαβάντες ἐς Τικηνὸν πόλιν ἀφίκοντο, Γότθοι αὐτοῖς ἀπαντήσαντες ἐς χεῖρας ἤλθον. [32] ἦσαν δὲ πολλοὶ τε καὶ ἄριστοι, ἐπεὶ τῶν χρημάτων τὰ τιμιώτατα βάρβαροι ἅπαντες οἱ ταύτῃ ὄκνητο ἐν Τικηνῷ καταθέμενοι ἅτε ἐν χωρίῳ ὀχύρωμα ἰσχυρὸν ἔχοντι, φρουρὰν ἐνταῦθα λόγου ἀξίαν ἐλίποντο. [33] μάχης οὖν καρτερὰς γενομένης ἐνίκων Ῥωμαῖοι, καὶ τοὺς ἐναντίους τρεψάμενοι

διέφθειράν τε συχνοὺς καὶ τὴν πόλιν ἐν τῇ διώξει ἐλεῖν παρ' ὀλίγον ἦλθον. μόλις γὰρ ἐπιθεῖναι τὰς πύλας οἱ βάρβαροι ἴσχυσαν, ἐγκειμένων σφίσι τῶν πολεμίων. [34] Ῥωμαίων δὲ ὀπίσω ἀπελυνόντων Φιδέλιος εὐξόμενος ἐς τινα τῶν ἐκείνῃ νεῶν ὕστατος ἔμεινε. τύχῃ δὲ τινι ὀκλάσαντός οἱ τοῦ ἵππου ἔπεσε. [35] καὶ αὐτὸν κατιδόντες Γότθοι, ἐπεὶ τοῦ περιβόλου ἄγχιστα ἐπεπτώκει, ἐπεξελθόντες ἔκτεινάν τε καὶ ἔλαθον τοὺς πολεμίους. οὗ δὴ ὕστερον Μουνδίλας τε καὶ Ῥωμαῖοι αἰσθόμενοι ἤσχαλλον. [36] Ἐνθεν τε ἐς Μεδιόλανον πόλιν ἀφίκοντο καὶ αὐτὴν ἀμαχητὶ ζὺν Λιγουρία τῇ ἄλλῃ ἔσχον. [37] ἅπερ ἐπειδὴ Οὐίτιγίς ἔμαθε, στράτευμά τε πολὺ κατὰ τάχος καὶ Οὐραΐαν ἄρχοντα, τὸν αὐτοῦ ἀδελφιδοῦν, ἔπεμψε. [38] καὶ Θεοδίβερτος δέ οἱ, ὁ Φράγγων ἀρχηγός, ἄνδρας μυρίους δεηθέντι ἐς ξυμμαχίαν ἀπέστειλεν, οὐ Φράγγων αὐτῶν, ἀλλὰ Βουργουζιῶνων, τοῦ μὴ δοκεῖν τὰ βασιλέως ἀδικεῖν πράγματα. [39] οἱ γὰρ Βουργουζιῶνες ἐθελούσιοι τε καὶ αὐτονόμῳ γνώμῃ, οὐ Θεοδιβέρτῳ κελεύοντι ἐπακούοντες δῆθεν τῷ λόγῳ ἐστέλλοντο. οἷς δὴ οἱ Γότθοι ἀναμιχθέντες ἐς τε Μεδιόλανον Ῥωμαίων ἥκιστα προσδεχομένων ἀφίκοντο καὶ ἐνστρατοπεδευσάμενοι ἐπολιόρκουν. ταύτῃ γοῦν οὐδὲ τι ἐσκομίσασθαι τῶν ἐπιτηδείων Ῥωμαῖοι ἔσχον, ἀλλ' εὐθὺς ἤχθοντο τῶν ἀναγκαίων τῇ ἀπορίᾳ. [40] οὐ μὴν οὐδὲ τοῦ περιβόλου τὴν φυλακὴν οἱ στρατιῶται εἶχον, ἐπεὶ ὁ Μουνδίλας πόλεις τε καταλαβὼν ἔτυχεν ὅσαι Μεδιολάνου ἄγχιστα οὔσαι ὀχυρώματα εἶχον, Βέργομόν τε καὶ Κῶμον καὶ Νοβαρίας καὶ ἄλλα ἅττα πολίσματα, καὶ φρουράς πανταχόθι λόγου ἀξίας καταστησάμενος, αὐτὸς δὲ τριακοσίους μάλιστα ἔχων ἐν Μεδιολάνῳ ἔμεινε, καὶ ζὺν αὐτῷ Ἐννης τε καὶ Παῦλος. [41] ὥστε ἀνάγκῃ οἱ τῆς πόλεως οἰκήτορες ἐκ περιτροπῆς αἰεὶ τὴν φυλακὴν εἶχον. τὰ μὲν οὖν ἐν Λιγούροις ἐφέρετο τῇδε καὶ ὁ χειμὼν ἔληγε, καὶ τρίτον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε ὃν Προκόπιος ζυνέγραψε.

Βελισάριος δὲ ἀμφὶ θερινὰς τροπὰς ἐπὶ τε Οὐίτιγιν καὶ τὸ Γότθων στρατόπεδον ἦει, ὀλίγους μὲν τινας φρουρὰς ἔνεκα ἐν Ῥώμῃ ἀπολιπὼν, τοὺς δὲ ἄλλους ζὺν αὐτῷ ἅπαντας ἐπαγόμενος. [2] πέμψας τέ τινας ἐς Τουδέραν τε καὶ Κλούσιον χαρακώματα ἐπήγγειλε ποιεῖσθαι, οἷς δὴ ἔψεσθαι τε ἔμελλε καὶ ξυμπολιορκήσιν τοὺς τῇδε βαρβάρους. [3] οἱ δέ, ἐπεὶ προσιόντα τὸν στρατὸν ἔμαθον, οὐχ ὑποστάντες τὸν κίνδυνον πρέσβεις τε παρὰ Βελισάριον ἔπεμψαν καὶ παραδώσειν ὁμολογία σφᾶς τε αὐτοὺς καὶ πόλιν ἑκατέραν ὑπέσχοντο, ἐφ' ᾧ κακῶν ἀπαθεῖς μείνωσι. παραγενομένῳ τέ οἱ ἐπιτελῇ τὴν ὑπόσχεσιν ἐποίησαντο. [4] ὁ δὲ Γότθους μὲν ἅπαντας ἐνθένδε ἀναστήσας ἐπὶ Σικελίας τε καὶ Νεαπόλεως ἔπεμψεν, ἐν δὲ Κλουσίῳ καὶ Τουδέρᾳ φρουρὰν καταστησάμενος πρόσω ἦγε τὸ στράτευμα. [5] Ἐν τούτῳ δὲ Οὐίτιγίς στρατιὰν ἄλλην καὶ ἄρχοντα Οὐάκιμον ἐς Αὐξιμον πέμψας τοῖς ἐκείνῃ Γότθοις ἐκέλευεν ἀναμίγνυσθαι, καὶ ζὺν αὐτοῖς ἐπὶ τοὺς ἐν Ἀγκῶν πολεμίους ἰόντας ἀποπειράσασθαι τοῦ ταύτῃ φρουρίου. [6] ὁ δὲ Ἀγκῶν οὗτος πέτρα τίς ἐστιν ἐγγώνιος, ἀφ' οὗ καὶ τὴν προσηγορίαν εἴληφε ταύτην: ἀγκῶν γὰρ ἐπὶ πλεῖστον ἐμφερὴς ἐστίν. [7] ἀπέχει δὲ σταδίους ὀγδοήκοντα πόλεως μάλιστα Αὐξίμου, ἧς δὴ ἐστὶν ἐπίνειον. καὶ τὸ μὲν τοῦ φρουρίου ὀχύρωμα ἐπὶ πέτρας τῆς ἐγγωνίου ἐν ἀσφαλεῖ κεῖται, τὰ δὲ ἐκτὸς ἅπαντα οἰκοδομήματα, καίπερ ὄντα

πολλά, [8] ἐκ παλαιοῦ ἀτείχιστα ἦν. Κόνων δέ, ὃς τῇ τοῦ χωρίου φυλακῇ ἐφειστήκει, ἐπειδὴ τάχιστα τοὺς ἀμφὶ τὸν Οὐάκιμον ἤκουσεν ἐπιέναι τε καὶ ἤδη που οὐκ ἄποθεν εἶναι, ἐπίδειξιν πεποιήται ἀλογίστου γνώμης. [9] παρὰ φαῦλον γὰρ ἡγησάμενος τό τε φρούριον καὶ τοὺς τοῦ φρουρίου οἰκήτορας ζὺν τοῖς στρατιώταις κακῶν ἀπαθεῖς διασώσασθαι, τὸ μὲν ὀχύρωμα εἶασε παντάπασι στρατιωτῶν ἔρημον, ἅπαντας δὲ ἀπαγαγὼν ὅσον ἀπὸ σταδίων πέντε ὡς ἐς παράταξιν διεκόσμησεν, οὐ βαθεῖάν τινα τὴν φάλαγγα ποιησάμενος, ἀλλ' ὥστε τὴν ὑπώρειαν ὅλην ὥσπερ ἐς κυνηγέσιον περιβάλλεσθαι. [10] οἷπερ ἐπειδὴ τοὺς πολεμίους πλήθει πολλῷ ὑπεραίροντας εἶδον, στρέψαντες τὰ νῶτα ἐπὶ τὸ φρούριον εὐθὺς ἔφυγον. [11] ἐπιδιώξαντές τε οἱ βάρβαροι πλείστους μὲν αὐτῶν, ὅσοι οὐκ ἔφθασαν ἐντὸς τοῦ περιβόλου εἰσέναι, αὐτοῦ ἔκτειναν, κλίμακας δὲ τῷ τείχει ἐρείσαντες, τῆς ἀνόδου ἀπεπειράσαντο. τινὲς δὲ τὰ ἐκτὸς τοῦ φρουρίου οἰκία ἔκαιον. [12] Ῥωμαῖοι δὲ οἱ καὶ πρότερον τὸ φρούριον ᾤκουν, τοῖς παροῦσιν ἐκπεληγμένοι, προανακλίναντες τὴν πυλίδα, κόσμῳ οὐδενὶ φεύγοντας τοὺς στρατιώτας ἐδέχοντο. [13] ἐπεὶ δὲ τοὺς βαρβάρους ἄγχιστα ἐγκειμένους τοῖς φεύγουσιν εἶδον, ὅπως μὴ συνεισβάλλωσι δείσαντες, τὰς μὲν πύλας κατὰ τάχος ἐπέθεντο, ἐκ δὲ τῶν ἐπάλξεων βρόχους καθέντες, ἄλλους τέ τινας καὶ Κόνωνα αὐτὸν ἀνέλκοντες διεσώσαντο. [14] ταῖς μέντοι κλίμαξιν ἀνιόντες οἱ βάρβαροι παρ' ὀλίγον ἦλθον τὸ φρούριον κατὰ κράτος ἐλεῖν, εἰ μὴ ἄνδρες δύο, ἔργα θαυμάσια ἐνδεικνύμενοι, ἤδη αὐτοὺς τοὺς ἐν ταῖς ἐπάλξεσι γενομένους ἀρετῇ ὥσαντο, ὧν ὁ μὲν Βελισαρίου δορυφόρος ἦν ἐκ Θράκης, Οὐλμοῦθ ὄνομα, ὁ δὲ Βαλεριανοῦ, Γουβουλγουνδοῦ, [15] Μασσαγέτης γένος. τούτῳ γὰρ τῷ ἄνδρῳ τύχῃ μὲν τι καταπεπλευκότε ὀλίγῳ πρότερον ἐς τὸν Ἀγκῶνα ἐτυχέτην: ἐν δὲ τῷ πόνῳ τούτῳ τοὺς ἀνιόντας τοῖς ξίφεσιν ἀμυνόμενοι τὸ μὲν φρούριον παρὰ δόξαν ἔσωσαν, αὐτοὶ δὲ ἡμιθνήτες καὶ τὸ σῶμα κρεουργηθέντες ὅλον ἐνθένδε ἀπεκομίσθησαν. [16] Τότε Βελισαρίῳ Ναρσῆς ζὺν πολλῇ στρατιᾷ ἐκ Βυζαντίου ἦκειν καὶ ἐν Πικηνοῖς εἶναι ἡγγέλλετο. ὁ δὲ Ναρσῆς οὗτος εὐνοῦχος μὲν ἦν καὶ τῶν βασιλικῶν χρημάτων ταμίας, ἄλλως δὲ ὀξὺς καὶ μᾶλλον ἢ κατ' εὐνοῦχον δραστήριος. [17] στρατιῶται δὲ αὐτῷ πεντακισχίλιοι εἶποντο, ὧν ἄλλοι τε κατὰ συμμορίας ἡγοῦντο καὶ Ἰουστίνος ὁ τῶν Ἰλλυριῶν στρατηγὸς καὶ Ναρσῆς ἕτερος, ἐξ Ἀρμενίων τῶν Πέρσαις κατηκόων αὐτόμολος ἐς τὰ Ῥωμαίων ἦθη πρότερον ζὺν Ἀρατίῳ τὰδελφῷ ἦκων, ὃς ὀλίγῳ ἔμπροσθεν ζὺν ἐτέρῳ στρατῷ παρὰ Βελισάριον ἐλθὼν ἔτυχεν. [18] εἶποντο δὲ οἱ καὶ τοῦ Ἐρουλῶν ἔθνους δισχίλιοι μάλιστα, ὧν Οὐίσανδός τε καὶ Ἀλουῖθ καὶ Φανίθεος ἦρχον.

Οἵτινες δὲ ἀνθρώπων εἰσὶν Ἑρουλοὶ καὶ ὅθεν Ῥωμαῖοις ἐς ξυμμαχίαν κατέστησαν ἐρῶν ἔρχομαι. ὑπὲρ μὲν Ἰστρον ποταμὸν ἐκ παλαιοῦ ᾤκουν πολὺν τινα νομίζοντες θεῶν ὄμιλον, οὓς δὴ καὶ ἀνθρώπων θυσίαις ἰλάσκεσθαι ὅσιον αὐτοῖς ἐδόκει εἶναι. [2] νόμοις δὲ πολλοῖς οὐ κατὰ ταῦτα τοῖς ἀνθρώπων ἐτέροις ἐχρῶντο. οὔτε γὰρ γηράσκουσιν οὔτε νοσοῦσιν αὐτοῖς βιοτεύειν ἐξῆν, ἀλλ' ἐπειδάν τις αὐτῶν ἢ γήρᾳ ἢ νόσῳ ἀλφῇ, ἐπάναγκές οἱ ἐγίνετο τοὺς συγγενεῖς αἰτεῖσθαι ὅτι τάχιστα ἐξ ἀνθρώπων αὐτὸν ἀφανίζειν. [3] οἱ δὲ ξύλα πολλὰ ἐς μέγα τι ὕψος ξυννήσαντες καθίσαντές τε τὸν ἄνθρωπον ἐν τῇ τῶν

ξύλων ὑπερβολῇ, τῶν τινα Ἑρούλων, ἀλλότριον μέντοι, ξὺν ξιφιδίῳ παρ' αὐτὸν ἔπεμπον· [4] ξυγγενῇ γὰρ αὐτῷ τὸν φονέα εἶναι οὐ θέμις. ἐπειδὴν δὲ αὐτοῖς ὁ τοῦ ξυγγενοῦς φονεὺς ἐπανήγει, ξύμπαντα ἕκαιον αὐτίκα τὰ ξύλα, ἐκ τῶν ἐσχάτων ἀρξάμενοι. [5] παυσαμένης τε αὐτοῖς τῆς φλογὸς ξυλλέξαντες τὰ ὀστᾶ ἐν τῷ παραυτίκα τῇ γῇ ἔκρυπτον. [6] Ἑρούλου δὲ ἀνδρὸς τελευτήσαντος ἐπάναγκες τῇ γυναικὶ ἀρετῆς τε μεταποιουμένη καὶ κλέος αὐτῇ ἐθελούσῃ λείπεσθαι βρόχον ἀναψαμένη παρὰ τὸν τοῦ ἀνδρὸς τάφον οὐκ εἰς μακρὰν θνήσκειν. [7] οὐ ποιοῦσα τε ταῦτα περιεστήκει τὸ λοιπὸν ἀδόξω τε εἶναι καὶ τοῖς τοῦ ἀνδρὸς συγγενέσι προσκεκρουκέναι. τοιοῦτοις μὲν ἐχρῶντο Ἑρουλοι τὸ παλαιὸν νόμοις. [8] Προϊόντος δὲ χρόνου δυνάμει τε καὶ πολυανθρωπία τῶν περιοίκων βαρβάρων ἀπάντων καθυπέρτεροι γεγεννημένοι, ἐπιόντες τε, ὥς τὸ εἰκός, [9] ἐκάστους ἐνίκων καὶ βιαζόμενοι ἐλητίζοντο. καὶ τελευτῶντες Λαγγοβάρδας τε Χριστιανοὺς ὄντας καὶ ἄλλα ἅττα ἔθνη ὑπήκοα σφίσιν ἐς ἀπαγωγὴν φόρου πεποιήνται, οὐκ εἰθισμένον τὸ πρᾶγμα τοῦτο τοῖς ἐκείνῃ βαρβάροις, ὑπὸ δὲ φιλοχρηματίας τε καὶ ἀλαζονείας ἐνταῦθα ἡγμένοι. [10] ἡνίκα μέντοι Ἀναστάσιος Ῥωμαίων τὴν βασιλείαν παρέλαβεν, οὐκ ἔχοντες Ἑρουλοι ἐφ' οὔστινας ἀνθρώπους τὸ λοιπὸν ἔλθοιεν, καταθέμενοι τὰ ὅπλα ἡσυχῇ ἔμενον, χρόνος τε αὐτοῖς ἐνιαυτῶν τριῶν ἐν ταύτῃ δὴ τῇ εἰρήνῃ ἐτρίβη. [11] καὶ αὐτοὶ ἐς ἄγαν ἀχθόμενοι Ῥοδοῦλφον ἀνέδην σφῶν τὸν ἡγεμόνα ἐκάκιζον, φοιτῶντές τε αἰεὶ παρ' αὐτὸν μαλθακὸν τε καὶ γυναικῶδῃ ἐκάλουν, ἄλλοις τέ τισιν αὐτὸν ἐρεσχελοῦντες ὀνόμασι κόσμῳ οὐδενὶ ἐλοιδοροῦντο. [12] Ῥοδοῦλφός τε τὴν ὕβριν ὥς ἥκιστα φέρων ἐπὶ Λαγγοβάρδας οὐδὲν ἀδικοῦντας ἐστράτευσεν, οὔτε τινὰ σφίσιν ἀμαρτάδα ἐπενεγκὼν οὔτε λύσιν τινὰ τῶν ξυγκειμένων σκηψάμενος, [13] ἀλλὰ πόλεμον ἐπιφέρων αἰτίαν οὐκ ἔχοντα. ὅπερ ἐπειδὴ Λαγγοβάρδαι ἀκοῇ ἔλαβον, πέμψαντες παρὰ τὸν Ῥοδοῦλφον ἀνεπυνθάνοντο καὶ τὴν αἰτίαν ἠξίουσαν εἰπεῖν ἥς δὴ ἔνεκα Ἑρουλοι ἐν ὅπλοις ἐπ' αὐτοὺς ἴοιεν, ὁμολογοῦντες, εἰ μὲν τι ἀπεστερήκασι τοῦ φόρου, ἀλλ' αὐτίκα μάλα ξὺν μεγάλῳ αὐτὸ ἀποτίσειν· εἰ δὲ μέμφονται μέτριον σφίσι τετάχθαι τὸν φόρον, ἀλλὰ μείζω ποιήσιν αὐτὸν οὐ μήποτε Λαγγοβάρδαι ὀκνηροὶ ἔσονται. [14] ταῦτα μὲν τοὺς πρέσβεις προτεινομένους ξὺν ἀπειλῇ ὁ Ῥοδοῦλφος ἀποπεμψάμενος πρόσω ἤλαυνεν. οἱ δὲ καὶ αὖθις πρέσβεις ἐτέρους πρὸς αὐτὸν στείλαντες περὶ τῶν αὐτῶν πολλὰ λιπαροῦντες ἰκέτευσαν. [15] οὕτω δὲ καὶ τῶν δευτέρων ἀπαλλαγέντων τρίτοι πρέσβεις παρ' αὐτὸν ἦκοντες ἀπεῖπον Ἑρούλους πόλεμον ἀπροφάσιστον μηδαμῶς σφίσιν ἐπενεγκεῖν. [16] ἦν γὰρ ἐκεῖνοι γνώμῃ τοιαύτῃ ἐπ' αὐτοὺς ἴωσι, καὶ αὐτοὶ οὐχ ἐκούσιοι, ἀλλ' ὥς μάλιστα ἠναγκασμένοι, ἀντιτάσσονται τοῖς ἐπιούσι, μαρτυράμενοι τὸν θεόν, οὔπερ τῆς ῥοπῆς καὶ βραχεΐα τις τὸ παράπαν ἱκμὰς πάσῃ τῇ ἀνθρώπων δυνάμει ἀντίξους ἔσται· αὐτόν τε εἰκὸς ταῖς τοῦ πολέμου αἰτίαις ἡγμένον ἀμφοτέροις πρυτανεῦσαι τῆς μάχης τὸ πέρας. [17] οἱ μὲν ταῦτα εἶπον, δεδίσσεσθαι ταύτῃ τοὺς ἐπιόντας οἴομενοι, Ἑρουλοι δέ, ὑποστειλάμενοι τῶν πάντων οὐδέν, Λαγγοβάρδαις ἐγνωσαν ἐς χεῖρας ἰέναι. [18] ἡνίκα δὲ ἀμφοτέροις ἄγχιστά πη ἀλλήλων ἐγένοντο, τὸν μὲν ὑπερθεν Λαγγοβαρδῶν ἀέρα ξυνέβαινε μελαίνῃ τινὶ νεφέλῃ καὶ ἐς ἄγαν παχεῖα καλύπτεσθαι, ὑπὲρ δὲ τοὺς Ἑρούλους αἰθρίαν ὑπερφυῶς εἶναι. [19] οἷς δὴ τεκμηριούμενος εἶκασεν ἂν τις

ἐπὶ τῷ σφῶν πονηρῷ ἐς τὴν ζυμβολὴν Ἑρούλους ἵεσαι: οὐ γάρ τι τούτου πικρότερον βαρβάρους τέρας εἰς μάχην καθισταμένοις οἶόν τε εἶναι. [20] οὐ μέντοι οὐδὲ τούτῳ Ἑρουλοι προσεῖχον τὸν νοῦν, ἀλλὰ παντάπασιν ἀφροντιστήσαντες πολλῷ τῷ καταφρονήματι ἐπὶ τοὺς πολεμίους ἐχώρουν, πλήθει ὁμίλου τὸ τοῦ πολέμου σταθμώμενοι πέρας. [21] ἐπεὶ δὲ ἡ μάχη ἐν χερσὶ γέγονε, θνήσκουσι μὲν τῶν Ἑρούλων πολλοί, θνήσκει δὲ καὶ Ῥοδοῦλφος αὐτός, οἱ τε ἄλλοι πάντες φεύγουσιν ἀνὰ κράτος, οὐδεμιᾶς ἀλκῆς μεμνημένοι. [22] καὶ τῶν πολεμίων σφίσιν ἐπισπομένων οἱ μὲν πλεῖστοι αὐτοῦ ἔπесον, ὀλίγοι δὲ τινες διεσώθησαν. [23] Διὸ δὴ ἐνδιατρίβειν ἤθεσι τοῖς πατρώοις οὐκέτι εἶχον, ἀλλ' ἐνθένδε ὅτι τάχιστα ἐξαναστάντες ἐπίπροσθεν αἰεὶ ἐχώρουν, τὴν γῆν ζύμπασαν ἢ ἐκτὸς Ἰστρου ποταμοῦ ἐστὶ ζύν τε παισὶ καὶ γυναιξὶ περιόντες. [24] ἐπεὶ δὲ ἀφίκοντο ἐς χώραν οὗ δὴ Ῥογοὶ τὸ παλαιὸν ᾤκηντο, οἱ τῷ Γότθων στρατῷ ἀναμιχθέντες ἐς Ἰταλίαν ἐχώρησαν, ἐνταῦθα ἰδρύσαντο. [25] ἀλλ' ἐπεὶ τῷ λιμῷ ἐπιέζοντο ἅτε ἐν χώρα ἐρήμῳ ἐνθένδε οὐ πολλῷ ὕστερον ἐξαναστάντες, ἄγχιστά που τῆς Γηπαίδων χώρας ἀφίκοντο. [26] καὶ αὐτοὺς Γηπαίδες τὰ μὲν πρῶτα ἱκέτας γενομένους ἐνοικίζεσθαι τε καὶ προσοίκους σφίσιν ξυνεχώρουν εἶναι. [27] ἔπειτα δὲ ἥρξαντο ἐξ αἰτίας οὐδεμιᾶς ἀνόσια ἔργα ἐς αὐτοὺς ἐνδείκνυσθαι. γυναικῶν τε γὰρ ἐβιάζοντο καὶ βοῦς τε καὶ ἄλλα χρήματα ἥρπαζον, καὶ ἀδικίας οὐδ' ὅτιοῦν ὑπελείποντο, καὶ τελευτῶντες ἀδίκων χειρῶν ἐς αὐτοὺς ἦρχον. [28] ἅπερ Ἑρουλοι φέρειν τὸ λοιπὸν οὐχ οἰοί τε ὄντες Ἰστρον τε ποταμὸν διαβαίνουσι καὶ τοῖς ἐκείνῃ Ῥωμαίοις προσοικεῖν ἔγνωσαν, Ἀναστασίου τὴν αὐτοκράτορα ἀρχὴν ἔχοντος, ὅσπερ αὐτοὺς πολλῇ φιλοφροσύνῃ δεξάμενος ἰδρύεσθαι αὐτοῦ εἶασε. [29] χρόνῳ δὲ οὐ πολλῷ ὕστερον προσκεκρούκασιν αὐτῷ οἱ βάρβαροι οὗτοι, ἀνόσια ἔργα ἐργασάμενοι τοὺς ταύτῃ Ῥωμαίους: διὸ δὴ στράτευμα ἐπ' αὐτοὺς ἔπεμψε. [30] νικήσαντες δὲ τῇ μάχῃ Ῥωμαῖοι πλείστους μὲν ἔκτειναν, ἐν ἐξουσίᾳ δὲ πολλῇ ζύμπαντας διαφθεῖραι γεγόνασιν. [31] ἀλλ' εἰς ἱκετείαν τῶν στρατηγῶν οἱ κατάλοιποι αὐτῶν γεγονότες ἐδέοντο διασώσασθαι τε αὐτοὺς καὶ ζυμμάχους τε καὶ βασιλέως ὑπηρέτας τὸ λοιπὸν ἔχειν. [32] ταῦτά τε μαθόντα τὸν Ἀναστάσιον ἤρεσκε, καὶ ἀπ' αὐτοῦ λειφθῆναι μὲν τισιν Ἑρούλων ζυνέβη, οὐ μέντοι οὔτε ζύμμαχοι Ῥωμαίοις γεγέννηται οὔτε τι εἰργάσαντο αὐτοὺς ἀγαθόν. [33] Ἐπεὶ δὲ Ἰουστινιανὸς τὴν βασιλείαν παρέλαβε, χώρα τε ἀγαθὴ καὶ ἄλλοις χρήμασιν αὐτοὺς δωρησάμενος, ἐταίριζεσθαι τε παντελῶς ἴσχυσε καὶ Χριστιανούς γενέσθαι ἅπαντας ἔπεισε. [34] διόπερ τὴν δαίταν ἐπὶ τὸ ἡμερώτερον μεταβαλόντες τοῖς Χριστιανῶν νόμοις ἐπὶ πλεῖστον προσχωρεῖν ἔγνωσαν, καὶ Ῥωμαίοις κατὰ τὸ ζυμμαχικὸν τὰ πολλὰ ἐπὶ τοὺς πολεμίους ζυντάσσονται. [35] ἔτι μέντοι αὐτοῖς εἰσιν ἄπιστοι καὶ πλεονεξία ἐχόμενοι βιάζεσθαι τοὺς πέλας ἐν σπουδῇ ἔχουσιν, [36] οὐ φέροντος αὐτοῖς αἰσχύνην τοῦ ἔργου. καὶ μίξεις οὐχ ὁσίας τελοῦσιν, ἄλλας τε καὶ ἀνδρῶν καὶ ὄνων, καὶ εἰσι πονηρότατοι ἀνθρώπων ἀπάντων καὶ κακοὶ κακῶς ἀπολούμενοι. [37] Ὑστερον δὲ αὐτῶν ὀλίγοι μὲν τινες ἔνσπονδοι Ῥωμαίοις διέμειναν, ὥσπερ μοι ἐν τοῖς ὀπισθεν λόγοις γεγράφεται: οἱ δὲ λοιποὶ ἅπαντες ἀπέστησαν ἐξ αἰτίας τοιαύσδε. [38] Ἑρουλοι τὸ τοῦ τρόπου θηριῶδές τε καὶ μανιῶδες ἐνδείξάμενοι ἐς τὸν αὐτῶν ῥήγα ἦν δὲ οὗτος ἀνὴρ Ὁχος ὄνομά, ἐξαπναιῶς τὸν ἄνθρωπον ἀπ'

οὐδεμιᾶς αἰτίας ἔκτειναν, ἄλλο οὐδὲν ἐπενεγκόντες ἢ ὅτι ἀβασίλευτο τὸ λοιπὸν βούλονται εἶναι. [39] καίτοι καὶ πρότερον ὄνομα μὲν αὐτοῖς ὁ βασιλεὺς εἶχεν, ιδιώτου δὲ ὅτουοῦν οὐδέν τι σχεδὸν ἐφέρετο πλέον. [40] ἀλλὰ καὶ ξυγκαθησθαι αὐτῷ ἅπαντες καὶ ζύσσιτοι εἶναι ἤξιουν, καὶ ἀνέδην ὅστις βούλοιο ἐς αὐτὸν ὕβριζεν: [41] ἀσυνθετώτεροι γὰρ ἢ ἀσταθμητότεροι Ἑρουλῶν εἰσὶν ἀνθρώπων οὐδένες. τοῦ δὲ κακοῦ σφίσιν ἐξειργασμένου μετέμελεν ἤδη. [42] ἔφασκον γὰρ ἄναρχοί τε καὶ ἀστρατήγητοι βιοτεύειν οὐχ οἷοί τε εἶναι: πολλὰ γοῦν σφίσι βουλευσαμένοις ἄμεινον τῷ παντὶ ἔδοξεν εἶναι τῶν τινα γένους τοῦ βασιλείου μεταπέμψασθαι ἐκ Θούλης τῆς νήσου. ὃ τι δὲ τοῦτό ἐστιν αὐτίκα δηλώσω.

Ἦνικα Ἑρουλοὶ Λαγγοβαρδῶν ἡσσηθέντες τῇ μάχῃ ἐξ ἡθῶν τῶν πατρίων ἀνέστησαν, οἱ μὲν αὐτῶν, ὥσπερ μοι ἔμπροσθεν δεδιήγηται, ᾠκίσαντο ἐς τὰ ἐν Ἰλλυριοῖς χωρία, οἱ δὲ δὴ ἄλλοι Ἰστρον ποταμὸν διαβαίνειν οὐδαμῇ ἔγνωσαν, ἀλλ' ἐς αὐτάς που τὰς ἐσχατίας τῆς οἰκουμένης ἰδρύσαντο: [2] οὗτοι γοῦν πολλῶν ἐκ τοῦ βασιλείου αἵματος ἡγουμένων σφίσιν ἡμειψαν μὲν τὰ Σκλαβηνῶν ἔθνη ἐφεξῆς ἅπαντα, ἔρημον δὲ χώραν διαβάντες ἐνθένδε πολλὴν ἐς τοὺς Οὐάρνους καλουμένους ἐχώρησαν. [3] μεθ' οὗς δὴ καὶ Δανῶν τὰ ἔθνη παρέδραμον οὐ βιαζομένων σφᾶς τῶν τῆδε βαρβάρων. [4] ἐνθένδε τε ἐς ὠκεανὸν ἀφικόμενοι ἐναυτίλλοντο, Θούλῃ τε προσχόντες τῇ νήσῳ αὐτοῦ ἔμειναν. Ἔστι δὲ ἡ Θούλη μεγίστη ἐς ἄγαν: Βρεττανίας γὰρ αὐτὴν πλέον ἢ δεκαπλασίαν ξυμβαίνει εἶναι. [5] κεῖται δὲ αὐτῆς πολλῷ ἄποθεν πρὸς βορρᾶν ἄνεμον. ἐν ταύτῃ τῇ νήσῳ γῇ μὲν ἔρημος ἐκ τοῦ ἐπὶ πλεῖστον τυγχάνει οὔσα, ἐν χώρᾳ δὲ τῇ οἰκουμένη ἔθνη τριακαίδεκα πολυανθρωπότατα ἵδρυται: βασιλεῖς τέ εἰσι κατὰ ἔθνος ἕκαστον. [6] ἐνταῦθα γίνεται τι ἀνὰ πᾶν ἔτος θαυμάσιον οἶον. ὁ γὰρ ἥλιος ἀμφὶ θερινὰς μὲν τροπὰς μάλιστα ἐς ἡμέρας τεσσαράκοντα οὐδαμῇ δύνει, ἀλλὰ διηνεκῶς πάντα τοῦτον τὸν χρόνον ὑπὲρ γῆς φαίνεται. [7] μηνὶ δὲ οὐχ ἥσσον ἢ ἐξ ὕστερον ἀμφὶ τὰς χειμερινὰς που τροπὰς ἥλιος μὲν ἐς ἡμέρας τεσσαράκοντα τῆς νήσου ταύτης οὐδαμῇ φαίνεται, νυξ δὲ αὐτῆς ἀπέραντος κατακέχυται: κατήφειά τε ἀπ' αὐτοῦ ἔχει πάντα τοῦτον τὸν χρόνον τοὺς τῆδε ἀνθρώπους, ἐπεὶ ἀλλήλοις ἐπιμίγνυσθαι μεταξὺ οὐδεμιᾶ μηχανῇ ἔχουσιν. [8] ἐμοὶ μὲν οὖν ἐς ταύτην ἰέναι τὴν νῆσον τῶν τε εἰρημένων αὐτόπτη γενέσθαι, καίπερ γλιχομένῳ, τρόπῳ οὐδενὶ ξυνηνέχθῃ. [9] τῶν μέντοι ἐς ἡμᾶς ἐνθένδε ἀφικομένων ἐπυνθανόμην ὅπη ποτὲ οἷοί τέ εἰσι τῶν ἡμερῶν λογίζεσθαι τὸ μέτρον οὔτε ἀνίσχοντος οὔτε δύνοντος τοῖς καθήκουσι χρόνοις ἐνταῦθα ἡλίου. οἵπερ ἐμοὶ λόγον ἀληθῆ τε καὶ πιστὸν ἔφρασαν. [10] τὸν γὰρ ἡλίον φασὶ τὰς τεσσαράκοντα ἡμέρας ἐκεῖνας οὐ δύνει μὲν, ὥσπερ εἴρηται, φαίνεσθαι δὲ τοῖς ταύτῃ ἀνθρώποις πῇ μὲν πρὸς ἔω, πῇ δὲ πρὸς ἐσπέραν. [11] ἐπειδὰν οὖν ἐπανὼν αἰθὴς ἀμφὶ τὸν ὀρίζοντά τε γινόμενος ἐς τὸν αὐτὸν ἀφίκεται χῶρον, οὔπερ αὐτὸν ἀνίσχοντα τὰ πρότερα ἐώρων, ἡμέραν οὕτω καὶ νύκτα μίαν παρῳχηκέναι διαριθμοῦνται. [12] καὶ ἡνίκα μέντοι ὁ τῶν νυκτῶν χρόνος ἀφίκεται, τῆς τε σελήνης τῶν τε ἄστρον αἰεὶ τοῖς δρόμοις τεκμηριούμενοι τὸ τῶν ἡμερῶν λογίζονται μέτρον. [13] ὀπηνίκα δὲ πέντε καὶ τριάκοντα ἡμερῶν χρόνος τῇ μακρᾷ ταύτῃ διαδράμοι νυκτί, στέλλονται τινες ἐς τῶν ὁρῶν τὰς ὑπερβολάς, εἰθισμένον αὐτοῖς τοῦτό γε, τὸν

τε ἥλιον ἀμῆγεπῃ ἐνθένδε ὁρῶντες ἀπαγγέλλουσι τοῖς κάτω ἀνθρώποις, ὅτι δὴ πέντε ἡμερῶν ἥλιος αὐτοὺς καταλάμψει. [14] οἱ δὲ πανδημεὶ πανηγυρίζουσιν εὐαγγέλια καὶ ταῦτα ἐν σκότῳ. αὕτη τε Θουλίταις ἡ μεγίστη τῶν ἐορτῶν ἐστὶ: [15] δοκοῦσι γάρ μοι περιδεεῖς ἀεὶ γίνεσθαι οἱ νησιῶται οὗτοι, καίπερ ταῦτὸ συμβαῖνον σφίσιν ἀνὰ πᾶν ἔτος, μὴ ποτε αὐτοὺς ἐπιλείποι τὸ παράπαν ὁ ἥλιος. [16] Τῶν δὲ ἰδρυμένων ἐν Θούλῃ βαρβάρων ἐν μόνον ἔθνος, οἱ Σκριθίφινοι ἐπικαλοῦνται, θηριώδη τινὰ βιοτὴν ἔχουσιν. οὔτε γὰρ ἱμάτια ἐνδιδύσκονται οὔτε ὑποδεδεμένοι βαδίζουσιν οὔτε οἶνον πίνουσιν οὔτε τι ἐδώδιμον ἐκ τῆς γῆς ἔχουσιν. [17] οὔτε γὰρ αὐτοὶ γῆν γεωργοῦσιν οὔτε τι αὐτοῖς αἱ γυναῖκες ἐργάζονται, ἀλλὰ ἄνδρες ἀεὶ ζὺν ταῖς γυναίξιν τὴν θήραν μόνῃν ἐπιτηδεύουσι. [18] θηρίων τε γὰρ καὶ ἄλλων ζώων μέγα τι χρῆμα αἱ τε ὕλαι αὐτοῖς φέρουσι, μεγάλαι ὑπερφυῶς οὔσαι, καὶ τὰ ὄρη αὐτῇ ἀνέχει. [19] καὶ κρέασι μὲν θηρίων ἀεὶ τῶν ἀλίσκομένων σιτίζονται, τὰ δέρματα δὲ ἀμφιέννυνται, ἐπεὶ τε αὐτοῖς οὔτε λίνον οὔτε ὄργανον ὅτῳ ράπτοιέν ἐστιν, οἱ δὲ τῶν θηρίων τοῖς νεύροις τὰ δέρματα ἐς ἄλληλα ταῦτα ζυνδέοντες οὕτω δὴ ἐς τὸ σῶμα ὅλον ἀμπίσχονται. [20] οὐ μὴν οὐδὲ τὰ βρέφη αὐτοῖς κατὰ ταῦτὰ τιθηνοῦνται τοῖς ἄλλοις ἀνθρώποις. [21] οὐ γὰρ σιτίζονται Σκριθιφίνων παιδία γυναικῶν γάλακτι οὐδὲ μητέρων ἄπτονται τιθοῦ, ἀλλὰ ζώων τῶν ἀλίσκομένων τοῖς μυελοῖς ἐκτρέφονται μόνοις. [22] ἐπειδὴν οὖν γυνὴ τάχιστα τέκοι, δέρματι τὸ βρέφος ἐμβαλομένη κρεμᾷ μὲν εὐθὺς ἐπὶ δένδρου τινός, μυελὸν δὲ οἱ ἐπὶ τοῦ στόματος ἐνθεμένη ζὺν τῷ ἀνδρὶ ἐπὶ τὴν εἰωθυῖαν στέλλεται θήραν. ἐπὶ κοινῇ γὰρ τὰ τε ἄλλα δρῶσι καὶ τὸ ἐπιτήδευμα μετίασι τοῦτο. [23] τοῦτοις μὲν οὖν δὴ τοῖς βαρβάροις τὰ ἐς τὴν δίαιταν αὕτη πη ἔχει. Οἱ μέντοι ἄλλοι Θουλίται ὥς εἰπεῖν ἅπαντες οὐδέν τι μέγα διαλλάσσουν τῶν ἄλλων ἀνθρώπων, θεοὺς μέντοι καὶ δαίμονας πολλοὺς σέβουσιν, οὐρανίους τε καὶ ἀερίους, ἐγγεῖους τε καὶ θαλασσίους, καὶ ἄλλα ἅττα δαιμόνια ἐν ὕδασι πηγῶν τε καὶ ποταμῶν εἶναι λεγόμενα. [24] θύουσι δὲ ἐνδελεχέστατα ἱερεῖα πάντα καὶ ἐναγίζουσι, τῶν δὲ ἱερείων σφίσι τὸ κάλλιστον ἀνθρωπός ἐστιν ὄνπερ δορυάλωτον ποιήσαιτο πρῶτον: [25] τοῦτον γὰρ τῷ Ἄρει θύουσιν, ἐπεὶ θεὸν αὐτὸν νομίζουσι μέγιστον εἶναι. ἱερεύονται δὲ τὸν αἰχμάλωτον οὐ θύοντες μόνον, ἀλλὰ καὶ ἀπὸ ξύλου κρεμῶντες, καὶ ἐς τὰς ἀκάνθας ῥιπτοῦντες, ταῖς ἄλλαις τε κτείνοντες θανάτου ιδέαις οἰκτίσταις. [26] οὕτω μὲν Θουλίται βιοῦσιν. ὢν ἔθνος ἐν πολυάνθρωπον οἱ Γαυτοὶ εἰσι, παρ' οὓς δὴ Ἑρούλων τότε οἱ ἐπὶλύται ἰδρύσαντο. [27] Νῦν δὲ Ἑρουλοὶ οἱ δὴ παρὰ Ῥωμαίοις ὤκηνται, φόνου σφίσι τοῦ βασιλέως ἐξειργασμένου, ἔπεμψαν τῶν λογίμων τινὰς ἐς Θούλην τὴν νῆσον, τοὺς διερευνησομένους τε καὶ κομιοῦντας, ἢν τινα ἐνταῦθα εὐρεῖν αἵματος τοῦ βασιλείου οἴοι τε ᾧσιν. [28] ἐπεὶ τε οἱ ἄνδρες οὗτοι ἐν τῇ νήσῳ ἐγένοντο, πολλοὺς μὲν ἐνταῦθα γένους τοῦ βασιλείου εὗρον, ἕνα μέντοι ἀπολέξαντες ὅσπερ αὐτοῖς μάλιστα ἤρεσκεν, ὀπίσω ἀναστρέφοντες ζὺν αὐτῷ ἦσαν. [29] ὃς δὴ ἐπεὶ ἐν Δανοῖς ἐγένετο, τελευτᾷ νόσῳ. διὸ δὴ αὖθις οἱ ἄνδρες οὗτοι ἐν τῇ νήσῳ γενόμενοι ἕτερον ἐπηγάγοντο Δάτιον ὄνομα. ᾧ δὴ ὁ τε ἀδελφὸς Ἀορδος εἶπετο καὶ τῶν ἐν Θούλῃ Ἑρούλων νεανία διακόσιοι. [30] χρόνον δὲ αὐτοῖς ἐν τῇ πορείᾳ αὕτη τριβέντος συχνοῦ Ἑρούλοις τοῖς ἀμφὶ Σιγγιδόνον ἔννοια γέγονεν ὥς οὐ τὰ

ξύμφορα σφίσιν αὐτοῖς ποιοῖεν ἐκ Θούλης ἀρχηγὸν ἐπαγόμενοι Ἰουστινιανοῦ βασιλέως οὗτι ἐθελουσίου. [31] πέμψαντες οὖν ἐς Βυζάντιον βασιλέως ἐδέοντο ἄρχοντα σφίσι πέμψαι, ὃν ἂν αὐτῷ βουλομένῳ εἴη. [32] ὁ δὲ αὐτοῖς τῶν τινα Ἑρουλῶν ἐκ παλαιοῦ διατριβὴν ἐνταῦθα ἔχοντα εὐθὺς ἔπεμψε, Σουαρτούαν ὄνομα. [33] ὃνπερ Ἑρουλοι εἶδον μὲν τὰ πρῶτα καὶ προσεκύνησαν ἄσμενοι ἐπιστέλλοντί τε τὰ εἰωθότα ἐπήκουον: ἡμέραις δὲ οὐ πολλαῖς ὕστερον ἤκε τις ἀγγέλλων τοὺς ἐκ Θούλης νήσου ἄγχιστά πη εἶναι. [34] καὶ Σουαρτούας μὲν ὡς ἀπολέσων αὐτοὺς ὑπαντιάζειν ἐκέλευεν, Ἑρουλοι δὲ τὸ βούλευμα ἐπαινέσαντες εὐθὺς εἶποντο. [35] ἐπεὶ δὲ ἡμέρας ὁδῷ ἀλλήλων διεῖχον, νύκτωρ μὲν ἀφέντες αὐτὸν ἅπαντες ἐς τοὺς ἐπηλύτας αὐτόμολοι ἦλθον, αὐτὸς δὲ μόνος ἐς Βυζάντιον ἀποδρὰς ὤχετο. [36] καὶ βασιλεὺς μὲν πάσῃ δυνάμει κατάγειν ἐς τὴν ἀρχὴν αὐτὸν ἐν σπουδῇ ἐποιεῖτο, Ἑρουλοι δὲ δύναιμι τῶν Ῥωμαίων δειμαίνοντες Γήπαισι προσχωρεῖν ἔγνωσαν. αὕτη μὲν Ἑρουλοῖς αἰτία τῆς ἀποστάσεως γέγονε.

Βελισάριος δὲ καὶ Ναρσῆς ζῶν ἀμφοτέροις στρατεύμασιν ἀλλήλοις ἀνεμίγνυντο ἀμφὶ πόλιν Φίρμον, ἥ κεῖται μὲν παρὰ τὴν ἡϊόνα τοῦ Ἰονίου κόλπου, ἀπέχει δὲ Αὐξίμου πόλεως ἡμέρας ὁδόν. [2] ἐνταῦθα δὲ ζῶν πᾶσι τοῖς τοῦ στρατοῦ ἄρχουσιν ἐν βουλῇ ἐποιοῦντο, ὅπη ποτὲ σφίσι πρότερον ἐπὶ τοὺς πολεμίους ἰοῦσι μᾶλλον ξυνοίσει. [3] ἦν τε γὰρ ἐπὶ τοὺς Ἀρίμινον πολιορκοῦντας χωρήσειαν, τοὺς ἐν Αὐξίμῳ ὑπώπτευνον μὴ κατὰ νότου ἰόντες σφᾶς τε καὶ Ῥωμαίους τοὺς ταύτῃ ὤκημένους τὰ ἀνήκεστα, ὡς τὸ εἰκός, δράσωσι, καὶ ἀμφὶ τοῖς πολιορκουμένοις ἐδείκναιον μὴ τῇ ἀπορίᾳ τῶν ἀναγκαίων δεινόν τι πάθωσιν. [4] οἱ μὲν οὖν πλεῖστοι Ἰωάννη χαλεπῶς ἔχοντες ἐποιοῦντο τοὺς λόγους. ἐπεκάλουν γάρ οἱ ὅτι θράσει τε ἀλογίστῳ καὶ χρημάτων πολλῶν ἔρωτι ἐς τόσον κινδύνου ἀφίκοιτο, καὶ οὐκ ἐν τάξει οὐδὲ ἢ Βελισάριος ἐξηγεῖτο ἐφῆ ταῦτο πολέμου περαίνεισθαι. [5] Ναρσῆς δὲ ἔκαστος οἱ φίλτατος ἦν Ἰωάννης ἀνθρώπων ἀπάντων δέισας μὴ Βελισάριος πρὸς τὰ τοῖς ἄρχουσιν εἰρημένα ἐνδοὺς ἐν δευτέρῳ τὰ ἐν Ἀριμίῳ πράγματα θῆται ἔλεξε τοιάδε: [6] Ὅτι ἐν τοῖς εἰωθόσι διαλογίζεσθε, ἄνδρες ἄρχοντες, οὐδὲ ὑπὲρ ὧν ἂν τις εἰκότως ἀμφιγνοήσειε τὴν βουλὴν ἔχετε, ἀλλ' ἐν οἷς ἀρεστί καὶ τοῖς ἐς πολέμου πείραν οὐδεμίαν ἐλθοῦσι τὴν αἵρεσιν αὐτοσχεδιάζουσιν ἐλέσθαι τὰ κρείσσω. [7] εἰ μὲν γὰρ ὅ τε κίνδυνος ἐν ἴσῳ εἶναι δοκεῖ καὶ βλάβος ἐκατέρωθεν τοῖς γε ἀποτυχοῦσιν ἀντίπαλον. βουλευέσθαι τε ἱκανῶς ἄξιον καὶ λογισμῶν ἐπὶ πλεῖστον ἰοῦσιν οὕτω ποιεῖσθαι τὴν ὑπὲρ τῶν παρόντων διάγνωσιν. [8] ἡμεῖς δὲ εἰ μὲν τὴν ἐς Αὐξίμον προσβολὴν ἐς ἄλλον τινὰ χρόνον ἀποθέσθαι βουλοίμεθα, τὴν ζημίαν ἐν τοῖς ἀναγκαίοις οὐδαμῶς ἔξομεν: τί γὰρ ἂν μεταξὺ τὸ διαλλάσσω εἴη; ἐν Ἀριμίῳ δέ, ὡς τὸ εἰκός, σφαλέντες, εἰ μὴ λίαν πικρὸν εἰπεῖν ἢ, τὴν Ῥωμαίων ἰσχὺν καταλύσομεν. [9] εἰ μὲν οὖν Ἰωάννης ἐς τὰς σὰς ἐντολὰς ὕβρισεν, ἄριστε Βελισάριε, πολλὴν γε τὴν δίκην ἔχεις παρ' ἐκείνου λαβὼν, ἐπεὶ σοι ἀρεστί σώζειν τε τὸν ἐπταικότα καὶ τοῖς πολεμίους προῖεσθαι. [10] σκόπει δὲ μὴ τὰς ποινὰς ὧν Ἰωάννης ἀγνοήσας ἡμαρτε παρὰ βασιλέως τε καὶ ἡμῶν λάβῃς. εἰ γὰρ νῦν Ἀρίμινον ἐξέλωσι Γότθοι, στρατηγὸν τε αὐτοῖς Ῥωμαίων δραστήριον καὶ στρατεύμα ὅλον καὶ πόλιν κατήκοον

βασιλεῖ δορυάλωτον πεποιοῖσθαι ξυμβήσεται. [11] καὶ οὐκ ἄχρι τούτου στήσεται τὸ δεινόν, ἀλλὰ καὶ ξύμπασαν καταστήσαι τὴν τοῦ πολέμου δυνήσεται τύχην. οὕτως γὰρ λογίζου περὶ τῶν πολεμίων, ὥς πλήθει μὲν στρατιωτῶν ἔτι καὶ νῦν ἡμῶν παρὰ πολὺ προὔχουσιν, ἐς ἀνανδρίαν δὲ οἷς πολλάκις ἐσφάλησαν ἐμπεπτώκασιν. εἰκότως· τὸ γὰρ τῆς τύχης ἐναντίωμα πᾶσαν αὐτῶν τὴν παρρησίαν ἀφείλετο. [12] ἦν τοίνυν ἐν τῷ παρόντι εὐημερήσωσι, τὸ τε φρόνημα οὐκ ἐς μακρὰν ἀπολήσονται καὶ τὸ λοιπὸν οὐκ ἐξ ἀντιπάλου μόνον ἡμῖν τῆς τόλμης, ἀλλὰ καὶ πολλῶ μειζόνως τὸν πόλεμον τόνδε διοίσουσι. [13] φιλοῦσι γὰρ οἱ τῶν δυσκόλων ἀπαλλασσόμενοι τῶν οὐπω δεδυστυχηκότων ἀμείνους ἀεὶ τὰς γνώμας εἶναι. Ναρσῆς μὲν τοσαῦτα εἶπε. [14] Στρατιώτης δέ τις ἐξ Ἀριμίνου λαθὼν τῶν βαρβάρων τὴν φυλακὴν ἐς τε τὸ στρατόπεδον ἦλθε καὶ Βελισαρίῳ γράμματα ἔδειξεν ἃ πρὸς αὐτὸν Ἰωάννης ἔγραψεν. [15] ἐδήλου δὲ ἡ γραφὴ τάδε: “Ἀπαντα ἡμᾶς τὰ ἐπιτήδεια χρόνου πολλοῦ ἐπιλελοιπέναι καὶ τὸ λοιπὸν μῆτε πρὸς τὸν δῆμον ἀντέχειν ἡμᾶς ἴσθι μῆτε τοὺς ἐπιόντας ἀμύνεσθαι οἷους τε εἶναι, ἀλλ’ ἐπτά ἡμερῶν ἀκουσίους ἡμᾶς τε αὐτοὺς καὶ πόλιν τήνδε τοῖς πολεμίοις ἐγχειριεῖν: [16] περαιτέρω γὰρ βιάζεσθαι τὴν παροῦσαν ἀνάγκην ἥκιστα ἔχομεν, ἥνπερ ἀπολογεῖσθαι ὑπὲρ ἡμῶν, ἦν τι οὐκ εὐπρεπὲς δράσωμεν, [17] ἀξιοχρεῶν οἶμαι.” Ἰωάννης μὲν ἔγραψεν ὧδε. Βελισάριος δὲ διηπορεῖτό τε καὶ ἐς ἀμηχανίαν ἐπὶ πλείστον ἐξέπιπτε. περὶ τε γὰρ τοῖς πολιορκουμένοις ἐδείκναινε καὶ τοὺς ἐν Αὐξίμῳ πολεμίους ὑπώπτευε δηώσειν μὲν ἀδεέστερον ἅπαντα περιύοντας τὰ ἐκείνῃ χωρία, σφῶν δὲ κατόπισθεν τὸ στρατόπεδον ἐνεδρεύοντας, ἄλλως τε καὶ ἡνίκα ἂν τοῖς ἐναντίοις προσμίζεσαν, πολλὰ τε κακὰ καὶ ἀνήκεστα, ὥς τὸ εἰκός, διεργάσεσθαι. [18] ἔπειτα μέντοι ἐποίει τάδε. Ἀράτιον μὲν ζὺν χιλίους ἀνδράσιν αὐτοῦ ἔλιπεν, ἐφ’ ᾧ πρὸς τῇ θαλάσῃ στρατόπεδον ποιήσονται, πόλεως Αὐξίμου σταδίους διακοσίους ἀπέχον. [19] οὓς δὴ ἐκέλευε μῆτε πη ἐξανισταμένους ἐνθένδε ἰέναι μῆτε διαμάχεσθαι τοῖς πολεμίοις, πλὴν γε δὴ ὅσα ἐκ τοῦ στρατοπέδου ἀμυνομένους, ἦν ἐκεῖνοί ποτε ἐπ’ αὐτοὺς ἴωσι. [20] ταύτῃ γὰρ τοὺς βαρβάρους μάλιστα ἤλπιζεν ἄγχιστά που στρατοπεδευομένων Ῥωμαίων ἐν τε Αὐξίμῳ ἡσυχῇ μενεῖν καὶ οὐποτε κακουργήσοντας σφίσιν ἔψεσθαι. [21] στρατιὰν δὲ ἀξιολογωτάτην ζὺν ναυσὶν ἔπεμψεν, ἧς Ἡρωδιανός τε καὶ Οὐλίαιρις καὶ Ναρσῆς Ἀρατίου ἀδελφὸς ἦρχον. [22] αὐτοκράτωρ δὲ τῷ στόλῳ Ἰλδίγερ ἐφειστήκει, ᾧ δὴ εὐθὺς Ἀριμίνου Βελισάριος ἐπέστελλε πλεῖν, φυλασσομένῳ ὅπως μὴ μακρὰν ἀπολελειμμένου τοῦ πεζοῦ στρατοῦ καταίρειν ἐς τὴν ἐκείνῃ ἀκτὴν ἐγχειρήσωσιν: ὁδῷ γὰρ αὐτοὺς πορεύεσθαι τῆς ἡϊόνος οὐ πολλῷ ἄποθεν. [23] καὶ στρατιὰν μὲν ἄλλην, ἧς Μαρτίνος ἦρχε, ταῖς ναυσὶ ταύταις παρακολουθοῦντας κατὰ τὴν παραλίαν ἐκέλευεν ἰέναι, ἐντειλάμενος, ἐπειδὴν ἄγχιστα τῶν πολεμίων ἴκωνται, πυρὰ πλείονα καὶ οὐ κατὰ λόγον τοῦ στρατοῦ καίειν, δόκησίν τε πλήθους πολλῷ πλείονος τοῖς ἐναντίοις παρέχεσθαι. [24] αὐτὸς δὲ ἄλλην ὁδὸν τῆς ἡϊόνος ἀπωτάτω οὖσαν ζὺν τε Ναρσῇ καὶ τῷ ἄλλῳ στρατῷ διὰ πόλεως Οὐρβισαλίας ἦει, ἦν δὴ ἐν τοῖς ἐμπροσθεν χρόνοις οὕτως Ἀλάριχος καθεῖλεν ὥστε ἄλλο γε αὐτῇ οὐδ’ ὅτι οὖν ἀπολέλειπται τοῦ πρότερον κόσμου, ὅτι μὴ πύλης μᾶς καὶ τῆς κατασκευῆς τοῦ ἐδάφους λείψανόν τι βραχύ.

Ἐνταῦθά μοι ἰδεῖν θέαμα ξυνηνέχθη τοιονόδε. ἡνίκα ὁ ξὺν τῷ Ἰωάννῃ στρατὸς ἐς Πικηνοὺς ἦλθε, γέγονεν, ὥς τὸ εἰκός, ταραχή τις πολλὴ τοῖς ταύτῃ ἀνθρώποις. [2] τῶν τε γυναικῶν αἱ μὲν ἔφευγον ἐξαπιναιῶς ὅπῃ αὐτῶν ἐκάστη δυνατὰ ἐγεγόνει, αἱ δὲ καταλαμβανόμεναι ἤγοντο κόσμῳ οὐδενὶ πρὸς τῶν ἐντυχόντων. [3] ἐν τούτῳ οὖν τῷ χωρίῳ μία τις γυνὴ ἀρτίως τεκοῦσα καὶ τὸ παιδίον ἀπολιποῦσα ἐν τοῖς σπαργάνοις ἔτυχε ἐπὶ γῆς κείμενον, καὶ εἴτε φευγουσα εἴτε ὑφ' ὅτουοῦν καταληφθεῖσα ἐνταῦθα ἐπανήκειν οὐκέτι ἔσχεν· ἀφανισθῆναι γὰρ αὐτῇ δηλονότι ἢ ἐξ ἀνθρώπων ἢ ἐξ Ἰταλίας ξυνέπεσε. [4] τὸ μὲν οὖν παιδίον ἐν ταύτῃ δὴ τῇ ἐρημίᾳ γεγονὸς ἔκλαιεν. αἷξ δὲ αὐτὸ μία ἰδοῦσα ὥκτιζέτο τε καὶ πλησίον ἀφικομένη ἔναγχος γὰρ τεκοῦσα καὶ αὐτῇ ἔτυχέ τὸν τιτθὸν ἐδίδου καὶ τὸ παιδίον ξὺν ἐπιμελείᾳ ἐφύλασσε, [5] μὴ κύων ἢ τι θηρίον αὐτὸ λυμάνηται. χρόνου τε τῇ ταραχῇ τριβέντος συχνοῦ τούτου δὴ τοῦ τιτθοῦ ἐπὶ πλείστον μεταλαχεῖν τὸ παιδίον ξυνέβη. [6] γνωσθὲν δὲ Πικηνοῖς ὕστερον ὅτι δὴ ὁ βασιλέως στρατὸς ἐπὶ Γότθων μὲν τῷ πονηρῷ ἐνταῦθα ἦκοι, Ῥωμαῖοι δὲ οὐ πείσονται οὐδὲν πρὸς αὐτοῦ ἄχαρι, [7] ἐπανήλθον εὐθὺς οἴκαδε ἅπαντες. ἐν τε Οὐρβισαλίᾳ ξὺν τοῖς ἀνδράσιν αἱ γυναῖκες γενόμεναι, ὅσαι γένος Ῥωμαῖαι ἦσαν, ἐπειδὴ τὸ παιδίον ἐν τοῖς σπαργάνοις περιὸν εἶδον, τὸ γεγονὸς ξυμβάλλειν οὐδαμῇ ἔχουσαι ἐν θαύματι μεγάλῳ ὅτι δὴ βίῃ πεποίηνται. [8] καὶ τὸν τιτθὸν ἐκάστη ἐδίδου αἱ δὴ πρὸς τοῦτο ἐπιτηδεῖως ἔχουσαι ἔτυχον. ἀλλ' οὔτε τὸ παιδίον ἀνθρώπειον γάλα ἔτι προσίετο καὶ ἡ αἷξ αὐτοῦ μεθίσσεται ἥκιστα ἤθελεν, ἀλλὰ μηκωμένη ἀμφὶ τὸ παιδίον ἐνδελεχέστατα, δεινὰ τοῖς παροῦσιν ἐδόκει ποιεῖσθαι, ὅτι τῷ παιδίῳ ἄγχιστα αἱ γυναῖκες ἰοῦσαι οὕτω δὴ αὐτὸ ἐνοχλοῖεν, τό τε ξύμπαν εἰπεῖν μεταποιεῖσθαι ὡς οἰκείου τοῦ βρέφους ἡξίου. [9] καὶ ἀπ' αὐτοῦ αἱ τε γυναῖκες τὸ παιδίον οὐκέτι ἠνώχλουν καὶ ἡ αἷξ ἀδεέστερον ἔτρεφέ τε καὶ τὰ ἄλλα ἐπιμελομένη ἐφύλαττε. διὸ δὴ Αἰγίσθον οἱ ἐπιχώριοι τοῦτο δὴ τὸ παιδίον ἐκάλουν. [10] καὶ ἡνίκα μοι ἐπιδημεῖν ἐνταῦθα ξυνέβη, ἐπίδειξιν τοῦ παραλόγου ποιούμενοι παρὰ τε τὸ παιδίον ἦγον καὶ αὐτὸ ἐξεπίτηδες, [11] ἵνα βοᾷ, ἐλύπουν. καὶ τὸ μὲν τοῖς λυποῦσιν ἀχθόμενον ἔκλαεν, ἀκούσασα δὲ ἡ αἷξ ἑδυστήκει γὰρ αὐτοῦ ὅσον λίθου βολὴν δρόμῳ τε καὶ μηκηθμῷ ἐχομένη πολλῷ παρ' αὐτὸ ἦει, ὑπερθέν τε αὐτοῦ ἐλθοῦσα ἔστη, ὥς μὴ τις αὐτὸ λυπεῖν τὸ λοιπὸν δύνηται. τὰ μὲν οὖν ἀμφὶ τῷ Αἰγίσθῳ τούτῳ τοιαῦτά ἐστι. [12] Βελισάριος δὲ διὰ τῶν ταύτῃ ὁρῶν ἐχώρει. πλήθει γὰρ παρὰ πολὺ ἐλασσούμενος τῶν ἐναντίων οὐκ ἤθελεν αὐτοῖς ἐκ τοῦ εὐθέος εἰς χεῖρας ἰέναι, ἐπεὶ καὶ θανατῶντας τοῖς ξυμπεσοῦσι τοὺς βαρβάρους ἐώρα· [13] ὥτετο δὲ αὐτοῦς, ἐπειδὰν τάχιστα πύθωνται πανταχόθεν σφίσι πολεμίων ἐπιέναι στρατόν, ἀλκῆς ἂν οὐδεμιᾶς μνησθῆναι, ἀλλ' αὐτίκα δὴ μάλα ἐς φυγὴν τρέψεσθαι. καὶ ἔτυχέ γε τῆς ἀληθοῦς δόξης, οὐκ ἔξω τοῦ ἐσομένου ὑποτοπήσας. [14] ἐπειδὴ γὰρ ἐν τοῖς ὅρεσιν ἐγένοντο, ὅσον Ἀριμίνου ἀπέχειν ἡμέρας ὁδόν, Γότθοις τισὶν ὀλίγοις κατὰ τινα χρειαίαν ὁδῷ πορευομένοις ἐνέτυχον. [15] οἱ δὲ ἐκ τοῦ ἀπροσδοκίτου πολεμίων περιπεπτωκότες στρατῷ ἐκτρέπεσθαι τῆς ὁδοῦ οὐδαμῇ ἴσχυσαν, ἕως παρὰ τῶν ἔμπροσθεν ἰόντων βαλλόμενοι οἱ μὲν αὐτοῦ ἔπεσον, οἱ δὲ τραυματῖαι γεγεννημένοι ἐπὶ τινος τῶν ἐκείνῃ σκοπέλων ἀναδραμόντες διέλαθον. [16] ὅθεν σκοπούμενοι τὸν Ῥωμαῖον

στρατὸν ἐς πάσας δυσχωρίας ξυρρέοντας, πολλῷ πλείονας τοῦ ἀληθοῦς μέτρου ὑπετόπαζον εἶναι. [17] ἔνθα δὴ καὶ τὰ Βελισαρίου σημεῖα ἰδόντες, αὐτὸν ἐξηγεῖσθαι ταύτῃ τῇ στρατιᾷ ἔγνωσαν. νύξ τε ἐπέλαβε, καὶ αὐτοῦ μὲν Ῥωμαῖοι ἠύλισαντο, τῶν δὲ Γότθων οἱ τραυματῖαι λάθρα ἐπὶ τὸ τοῦ Οὐιτιγίδος στρατοπέδον ἦσαν. [18] οὗ δὴ ἀμφὶ μέσσην ἡμέραν γενόμενοι τάς τε πληγὰς ἐπεδείκνυν καὶ Βελισάριον σφίσι ξὺν στρατῷ κρεῖσσονι ἢ ἀριθμεῖσθαι ὅσον οὕτω παρέσεσθαι ἰσχυρίζοντο. [19] οἱ δὲ παρεσκευάζοντο μὲν ὥς ἐς μάχην πρὸς βορρᾶν ἄνεμον Ἀριμίνου πόλεως τετραμμένοι· ταύτῃ γὰρ ὄντο τοὺς πολεμίους ἀφίξεσθαι, αἰεὶ τε ἐς τοῦ ὅρους τὰ ἄκρα ἔβλεπον ἅπαντες. [20] ἐπεὶ δέ, νυκτὸς σφίσι ἐπιγενομένης, καταθέμενοι τὰ ὅπλα ἡσυχάζον, πυρὰ πολλὰ ἐς τὰ πρὸς ἑω τῆς πόλεως ὅσον ἀπὸ σταδίων ἐξήκοντα εἶδον, ἅπερ τὸ ξὺν Μαρτίνῳ στρατεύμα ἔκαιεν, ἐς δέος τε ἀμήχανον ἦλθον: [21] κυκλωθῆσεσθαι γὰρ πρὸς τῶν πολεμίων ἅμα ἡμέρα ὑπώπτευν. ταύτην μὲν οὖν τὴν νύκτα ξὺν δέει τοιούτῳ ἠύλισαντο, τῇ δὲ ἐπιγενομένη ἡμέρᾳ ἅμα ἡλίῳ ἀνίσχοντι στόλον νηῶν ἐπὶ σφᾶς ἰόντα ὁρῶσιν ἐξαίσιον οἶον: ἐς τε ἀφασίαν ἐμπεπτωκότες ἐς φυγὴν ὥρμηντο. [22] ξυσκευαζόμενοι τε κατὰ τάχος τοσοῦτῳ θορύβῳ τε καὶ κραυγῇ εἶχοντο ὥστε οὔτε τῶν παραγγελλομένων κατήκουον οὔτε ἄλλο τι ἐν νῷ ἐποιοῦντο ἢ ὅπως ἂν αὐτὸς ἕκαστος πρῶτός τε ἀπαλλάσσοιτο τοῦ στρατοπέδου καὶ Ῥαβέννης τοῦ περιβόλου ἐντὸς γένοιτο. [23] καὶ εἰ μὲν τι ἰσχύος ἢ θάρρους περιεῖναι τοῖς πολιορκουμένοις τετύχηκε, πλείστους τε ἂν τῶν πολεμίων ἐπεξελθόντες αὐτοῦ ἔκτειναν καὶ ζύμπας ἐνταῦθα ἂν ὁ πόλεμος ἐτελεύτησε. [24] νῦν δὲ τοῦτο ἐκώλυσεν ὀρρωδία τε σφίσι μεγάλῃ τοῖς φθάσασιν ἐπιγενομένη καὶ ἀσθένεια τῶν ἀναγκαίων τῇ ἀπορίᾳ πολλοῖς ξυμπεσοῦσα. οἱ μὲν οὖν βάρβαροι θορύβου ὑπερβολῇ αὐτοῦ λειπόμενοι τῶν χρημάτων τινὰ δρόμῳ πολλῷ τὴν ἐπὶ Ῥάβενναν ἔθεον.

Πρῶτοι δὲ Ῥωμαίων Ἰλδίγερ τε καὶ οἱ ξὺν αὐτῷ ἀφικόμενοι ἐς τὸ τῶν πολεμίων χαράκωμα τῶν Γότθων ὅσοι νόσοις τισὶν ἐχόμενοι αὐτοῦ ἔμειναν ἐν ἀνδραπόδων ἐποιήσαντο λόγῳ, καὶ χρήματα πάντα ξυνέλεξαν ὅσα φεύγοντες Γότθοι ἐλίποντο. [2] καὶ Βελισάριος παντὶ τῷ στρατῷ ἦλθεν ἐς μέσσην ἡμέραν. καὶ ἐπεὶ ὠχριῶντάς τε καὶ δεινὸν αὐχμῶντας Ἰωάννην τε καὶ τοὺς ξὺν αὐτῷ εἶδε, τοῦ θράους ὑπαινιττόμενος τὸ ἀλόγιστον χάριτας αὐτὸν ἔφασκεν Ἰλδίγερὶ ὀφείλειν. [3] ὁ δὲ οὐκ Ἰλδίγερ, ἀλλὰ Ναρσῇ τῷ βασιλέως ταμίᾳ ὁμολογεῖν ἔφη, παραδηλῶν, οἶμαι, Βελισάριον οὐ σφόδρα ἐθελούσιον, ἀλλὰ Ναρσῇ ἀναπεισθέντα σφίσι ἀμῦναι. καὶ τὸ λοιπὸν ἅμφω ὑποψία πολλῇ ἐς ἀλλήλους ἐχρῶντο. [4] διὸ δὴ οὐδὲ Ναρσῇ εἶον οἱ ἐπιτηδείοι ξὺν Βελισαρίῳ στρατεύεσθαι, ἀλλ' ἀνέπειθον ὅσον αἰσχρὸν εἶη τῷ τῶν ἀπορρήτων βασιλεῖ κοινωνοῦντι μὴ οὐχὶ αὐτοκράτορι τοῦ στρατοῦ εἶναι, ἀλλὰ στρατηγῷ ἀνδρὶ ὑπακούειν. [5] οὐ γάρ ποτε Βελισάριον ἐπὶ τῇ ἴσῃ ἐκόντα εἶναι τῆς στρατιᾶς ξὺν αὐτῷ ἄρξειν ἀπεφαίνοντο, βουλομένῳ δέ οἱ καθ' αὐτὸν τῷ Ῥωμαίων στρατῷ ἐξηγεῖσθαι πλείους τε στρατιώτας καὶ πολλῷ ἀμείνους ξὺν τοῖς ἄρχουσιν ἔσσεσθαι. [6] τοὺς τε γὰρ Ἐρούλους καὶ τοὺς δορυφόρους τε καὶ ὑπασπιστάς τοὺς αὐτοῦ, καὶ ὦν Ἰουστῖνός τε καὶ αὐτὸς Ἰωάννης ἦρχον, ξὺν τοῖς Ἀρατίῳ τε καὶ Ναρσῇ ἐπομένους οὐχ ἥσσον ἢ μυρίους ἔφασκον εἶναι, ἀνδρείους τε ὄντας καὶ διαφερόντως ἀγαθοὺς τὰ πολέμια, βούλεσθαι τε τὴν

Ἰταλίας ἐπικράτησιν οὐ Βελισαρίῳ λογιζέσθαι μόνῳ, ἀλλὰ τὸ μέρος καὶ Ναρσῆν φέρεσθαι. [7] τὴν γὰρ βασιλέως αὐτὸν οἶεσθαι ὁμιλίαν ἀπολιπεῖν, οὐκ ἐφ' ᾧ κινδύνους ἰδίοις τὴν Βελισαρίου δόξαν κρατύνηται, ἀλλ' ἐφ' ᾧ ἔργα ξυνέσεώς τε καὶ ἀνδρείας ἐπιδειξάμενος διαβόητος ἀνθρώποις ἅπασιν, ὥς τὸ εἰκός, εἶη. [8] καίτοι οὐδὲ Βελισάριον ἔφασκον δυνήσεσθαι τι ἄνευ γε αὐτῶν τὸ λοιπὸν δρᾶσαι. [9] στρατιᾶς γὰρ ἥς ἐκεῖνος ἄρχοι τὸ πλεῖστον ἤδη ἐν τε φρουρίοις καὶ πόλεσιν ἀπολελεῖσθαι ἄσπερ αὐτὸς εἶλε, καὶ κατέλεγον ἀπὸ Σικελίας ἀρξάμενοι ἄχρι ἐς Πικηνοὺς ἐξῆς ἅπαντα. [10] Ναρσῆς τε ἐπεὶ ταῦτα ἤκουσεν, ἦσθη ἐς ἅγαν τῇ ὑποθήκῃ καὶ οὔτε κατέχειν τὴν διάνοιαν οὔτε μένειν ἐν τοῖς καθεστῶσιν ἔτι ἐδύνατο. [11] πολλάκις οὖν Βελισαρίου ἄλλου τοῦ ἔργου ἔχουσιν ἀξιοῦντος ἐς σκῆψεις τινὰς ἄλλοτε ἄλλας ἀναχωρῶν τὴν παρακέλευσιν ἀπεκρούετο. [12] ὧν δὴ αἰσθόμενος Βελισάριος ξυγκαλέσας τοὺς ἄρχοντας ἅπαντας ἔλεξε τοιάδε: 'Οὐ ταῦτά ὑμῖν, ἄνδρες ἄρχοντες, περὶ τοῦδε τοῦ πολέμου δοκῶ μοι γινώσκειν. [13] ὑμᾶς μὲν γὰρ ὁρῶ τῶν πολεμίων ἅτε παντάπασιν ἡσσημένων ὑπερφρονούντας. [14] ἐγὼ δὲ ταύτῃ ὑμῶν τῇ παρρησίᾳ ἐς προὔπτον ἡμᾶς ἐμπεσεῖσθαι κίνδυνον οἶμαι, ἐπεὶ τοὺς μὲν βαρβάρους οὔτε ἀνανδρία τινὶ οὔτε ὀλιγανθρωπία ἡσῆσθαι ἡμῶν, προνοία δὲ μόνη καὶ βουλὴ καταστρατηγηθέντας ἐς φυγὴν ἐνθένδε τετράφθαι οἶδα. [15] δέδοικα δὲ μὴ ταῦτα ὑμεῖς τῇ οὐκ ἀληθεῖ δόξῃ σφαλλόμενοι τὰ ἀνήκεστα ὑμᾶς τε αὐτοὺς καὶ τὰ Ῥωμαίων πράγματα δράσῃτε. [16] ῥᾶον γὰρ οἱ νενικηκέναι δοκοῦντες τοῖς πεπραγμένοις ἐπαιρόμενοι διαφθείρονται ἢ οἱ παρὰ δόξαν μὲν ἐπταικότες, δέει δὲ τὸ λοιπὸν καὶ φροντίδι πολλῇ ἐς τοὺς ἐναντίους ἐχόμενοι. [17] ῥαθυμία μὲν γὰρ τῶν εὖ καθεστῶτων τινὰς ἔφθειρε, πόνονος δὲ ξὺν μερίμνῃ τῶν δεδυστυχηκότων πολλοὺς ὤνησεν. [18] ἐπεὶ τῶν μὲν ὀλιγορῖα εἰκόντων ἡ δύναμις ὥς τὰ πολλὰ ἐλασσοῦσθαι φιλεῖ, μελέτη δὲ ἰσχὺν ἐντιθέναι ἱκανῶς πέφυκεν. [19] οὐκοῦν ἐνθυμείσθω ὑμῶν ἕκαστος ὥς ἐν Ῥαβέννῃ μὲν Οὐίττιγίς τέ ἐστι καὶ Γότθων μυριάδες πολλαί, Οὐραῖας δὲ Μεδιόλανόν τε πολιορκεῖ καὶ περιβέβληται Λιγουρίαν ὅλην, Αὐξίμος δὲ ἤδη στρατιᾶς πλήρης πολλῆς τε καὶ λόγου ἀξίας, ἄλλα τε χωρία πολλὰ πρὸς ἀξιομάχων ἡμῖν φρουρεῖται βαρβάρων μέχρι ἐς Οὐρβιβεντόν, ἢ Ῥώμης ἐν γειτόνων τυγχάνει οὔσα. [20] ὥστε νῦν μᾶλλον ἡμῖν ἢ πρότερον ἐν κινδύνῳ τὰ πράγματα κεῖται, ἐς κύκλωσίν τινα τῶν πολεμίων ἐμπεπτωκόσιν. [21] ἐγὼ γὰρ λέγειν ὥς καὶ Φράγγους αὐτοῖς ἐν Λιγουρίᾳ ξυντετάχθαι φασίν, ὅπερ οὐκ ἔξω δέους μεγάλου ἐς μνήμην ἰέναι πᾶσι Ῥωμαίοις ἱκανῶς ἄξιον. [22] φημὶ τοίνυν ἔγωγε χρῆναι μοῖραν μὲν τοῦ στρατοῦ ἐς Λιγουρίαν τε καὶ Μεδιόλανον στέλλεσθαι, τοὺς δὲ λοιποὺς ἐν μὲν τῷ παραυτίκα ἐπὶ τε Αὐξίμον καὶ τοὺς ἐκεῖνη πολεμίους χωρεῖν, ὅσα ἂν ὁ θεὸς διδῷ πράζοντας: ἔπειτα δὲ καὶ τᾶλλα τοῦ πολέμου ἔργα διαχειρίζειν ὅπῃ ἂν ἄριστά τε δοκῇ καὶ βέλτιστα εἶναι.' Βελισάριος μὲν τοσαῦτα εἶπε. [23] Ναρσῆς δὲ ἀμείβεται ὥδε: 'Τὰ μὲν ἄλλα, ὦ στρατηγέ, μὴ οὐχὶ ξὺν ἀληθείᾳ σοι πάντα εἰρησθαι οὐδεὶς ἂν ἀντίποι. [24] πάντα δὲ τουτονὶ τὸν βασιλέως στρατὸν ἐς Μεδιόλανόν τε καὶ Αὐξίμον ἀποκεκρίσθαι μόνον ἀζύμφορον εἶναι παντελῶς οἶμαι. [25] ἀλλὰ σὲ μὲν ἐπὶ ταῦτα Ῥωμαίων ἐξηγεῖσθαι οἷς ἂν αὐτὸς βούλοιο οὐδὲν ἀπαικός, ἡμεῖς δὲ βασιλεῖ τὴν Αἰμιλίων ἐπικτησόμεθα χώραν, ἣν μάλιστα Γότθους

προσποιεῖσθαι φασι, καὶ Ῥάβενναν ξυνταράζομεν οὕτως ὥστε τοὺς καθ' ὑμᾶς αὐτοὺς πολεμίους ὃ τι βούλεσθε διεργάσεσθε, πάσης ἀποκεκλεισμένους τῆς τῶν ἀμυνόντων ἐλπίδος. [26] ἦν γὰρ ξὺν ὑμῖν ἐν Αὐξίμῳ προσεδρεῦειν ἐλοίμεθα, δέδοικα μὴ τῶν ἐκ Ῥαβέννης ἐπιόντων βαρβάρων περιέσται ἡμῖν ἀμφιβόλοις τε γεγενῆσθαι πρὸς τῶν πολεμίων καὶ τῶν ἀναγκαίων ἀπολελειμμένοις αὐτοῦ διεφθάρθαι.’ καὶ Ναρσῆς μὲν τοσαῦτα ἔλεξε. [27] Βελισάριος δὲ δείσας μὴ ἐς πολλὰ Ῥωμαίων ιόντων καταρρεῖν τε τὰ βασιλέως ξυμβαίη πράγματα καὶ τῇ ἐνθὲνδε ἀκοσμίᾳ ξυγχεῖσθαι, γράμματα βασιλέως Ἰουστινιανοῦ ἔδειξεν ἃ πρὸς τοὺς στρατοπέδου ἄρχοντας ἔγραψεν. [28] ἐδήλου δὲ ἡ γραφὴ τάδε: ‘Ναρσῆν τὸν ἡμέτερον ταμίαν οὐκ ἐφ’ ᾧ ἄρξαι τοῦ στρατοπέδου ἐς Ἰταλίαν ἐπέμψαμεν: μόνον γὰρ Βελισάριον παντὶ τῷ στρατῷ ἐξηγεῖσθαι βουλόμεθα ὅπῃ ἂν αὐτῷ δοκῇ ὡς ἄριστα ἔχειν, αὐτῷ τε ὑμᾶς ἔπεσθαι ἅπαντας ἐπὶ τῷ συμφέροντι τῇ ἡμετέρα πολιτεία προσήκει.’ τὰ μὲν οὖν βασιλέως γράμματα ὧδέ πη εἶχε. [29] Ναρσῆς δὲ τῆς ἐπιστολῆς τοῦ ἀκροτελευτίου λαβόμενος ἀπ’ ἐναντίας Βελισάριον ἰσχυρίζετο ἐν τῷ παρόντι τοῦ τῆς πολιτείας ξυμφόρου βουλευέσθαι: διὸ δὴ σφίσιν οὐκ ἀναγκαῖον εἶναι αὐτῷ ἔπεσθαι.

Ταῦτα ἀκούσας Βελισάριος Περάνιον μὲν ἐς Οὐρβιβεντὸν ξὺν πολλῇ στρατιᾷ, ἐφ’ ᾧ πολιορκήσουσιν αὐτήν, ἐπεμψεν, αὐτὸς δὲ ἐπὶ Οὐρβῖνον τὸ στρατεύμα ἐπῆγε, πόλιν τε ἐχυρὰν καὶ Γόθων φρουρὰν διαρκῆ ἔχουσαν ‘ἀπέχει δὲ αὕτη Ἀρμίνου πόλεως ἡμέρας ὁδὸν εὐζώνῳ ἀνδρὶ, καὶ οἱ τῆς στρατιᾶς ἐξηγουμένῳ Ναρσῆς τε καὶ Ἰωάννης καὶ οἱ ἄλλοι ζύμπαντες εἶποντο. [2] τῆς τε πόλεως ἀγχοῦ ἐλθόντες παρὰ τοῦ λόφου τὸν πρόποδα ἐστρατοπέδευσαν δίχα: οὐ γὰρ πη ἀλλήλοις ξυνετετάχατο, ἀλλ’ οἱ μὲν ἀμφὶ Βελισάριον τὰ πρὸς ἔω τῆς πόλεως εἶχον, οἱ δὲ ἀμφὶ Ναρσῆν τὰ πρὸς ἐσπέραν. [3] κεῖται δὲ Οὐρβῖνος ἐπὶ λόφου περιφεροῦς τε καὶ ὑψηλοῦ λίαν. οὐ μέντοι ὁ λόφος οὔτε κρημνώδης οὔτε παντάπασιν ἀπόρευτός ἐστι, μόνον δὲ δύσσοδος τῷ ἀνάντης ἐς ἄγαν εἶναι, ἄλλως τε καὶ τῆς πόλεως ἀγχοτάτῳ ιόντι. [4] μίαν δὲ εἴσοδον ἐν τῷ ὁμαλεῖ ἔχει πρὸς βορρᾶν ἄνεμον. Ῥωμαῖοι μὲν οὖν ἐς τὴν πολιορκίαν ἐτετάχατο ὧδε. Βελισάριος δὲ ῥᾶον σφίσι προσχωρήσειν ὁμολογία τοὺς βαρβάρους οἰόμενος ἅτε κατωρρωδικότας τὸν κίνδυνον, πρέσβεις τε παρ’ αὐτοὺς ἐπεμψε καὶ πολλὰ ὑποσχόμενος αὐτοῖς ἀγαθὰ ἔσεσθαι κατηκόους βασιλέως γενέσθαι παρήνει. [5] οἱ μὲν οὖν πρέσβεις τῶν πυλῶν ἀγχοῦ γενόμενοι ‘οὐ γὰρ τῇ πόλει σφᾶς ἐδέξαντο οἱ πολέμιοι πολλά τε καὶ λίαν ἐπαγωγὰ εἶπον, οἱ δὲ Γόθοι χωρίου τε ἰσχυρὸν θαρροῦντες καὶ τῶν ἐπιτηδείων τῇ ἀφθονίᾳ τοὺς μὲν λόγους ἦκιστα ἐνεδέχοντο, κατὰ τάχος δὲ Ῥωμαίους ἐνθὲνδε ἐκέλευον ἀπαλλάσσεσθαι. [6] Βελισάριος οὖν ταῦτα ἀκούσας ῥάβδους παχείας τῷ στρατῷ ξυλλέγειν ἐπήγγελλε, στοάν τε ἀπ’ αὐτῶν ποιεῖσθαι μακράν. [7] ἥς δὴ ἐντὸς κρυπτόμενοι ἔμελλον τῶν τε πυλῶν ξὺν αὐτῇ ἀγχοτάτῳ ιέναι, ἥ μάλιστα ὁ χώρος ὁμαλός ἐστι, καὶ τῇ ἐς τὸ τεῖχος ἐπιβουλῇ χρῆσθαι. καὶ οἱ μὲν κατὰ ταῦτα ἐποίουν. [8] Ναρσῆ δὲ ξυγγενόμενοι τῶν ἐπιτηδείων τινές, ἀπέραντά τε ποιεῖν Βελισάριον καὶ τὰ ἀμήχανα ἐπινοεῖν ἔφασκον. ἥδη γὰρ Ἰωάννην τοῦ χωρίου ἀποπειρασάμενον, καὶ ταῦτα ὀλίγων τινῶν τηνικαῦτα φρουρὰν ἔχοντος, ἀνάλωτον αὐτὸ ἡσθῆσθαι παντάπασιν

εἶναι 'καὶ ἦν δὲ οὕτως', ἀλλ' αὐτὸν χρῆναι βασιλεῖ ἀνασώσασθαι τὰ ἐπὶ Αἰμιλίας χωρία. [9] ταύτῃ ὁ Ναρσῆς τῇ ὑποθήκῃ ἀναπεισθεὶς νύκτωρ τὴν προσεδρεῖαν διέλυσε, καίπερ Βελισαρίου πολλὰ λιπαροῦντος μένειν τε αὐτοῦ καὶ Οὐρβίνον πόλιν σφίσι ξυνελεῖν. [10] οὗτοι μὲν ἐς Ἀρίμινον κατὰ τάχος ζύν τῷ ἄλλῳ στρατῷ ἴκοντο. Μώρας δὲ καὶ οἱ βάρβαροι ἐπεὶ κατὰ ἡμῖς τοὺς πολεμίους ἀναχωρήσαντας ἅμα ἡμέρα εἶδον, ἐτόθαζον ἀπὸ τοῦ περιβόλου τοὺς μεμενηκότας ἐρεσχελοῦντες. [11] Βελισάριος δὲ τῇ λειπομένη στρατιᾷ τειχομαχεῖν ἤθελε. καὶ οἱ ταῦτα βουλευομένῳ εὐτύχημα γενέσθαι ξυνηγέθη θαυμάσιον οἶον. [12] μία τις ἦν ἐν Οὐρβίνῳ πηγὴ, ἐξ ἧς δὴ πάντες οἱ ταύτῃ οἰκοῦντες ὕδρευοντο. αὕτη κατὰ βραχὺ ἀπὸ ταῦτομάτου ἀποξηρανθεῖσα ὑπέληγεν. [13] ἔν τε ἡμέραις τρισὶν οὕτως αὐτὴν τὸ ὕδωρ ἀπέλιπεν ὥστε ζύν τῷ πηλῷ ἐνθένδε αὐτὸ οἱ βάρβαροι ἀρνύμενοι ἔπινον. διὸ δὴ Ῥωμαίοις προσχωρεῖν ἔγνωσαν. [14] Βελισάριος δὲ ταῦτα μὲν οὐδαμῇ πετυσμένους ἤθελεν ἀποπειράσασθαι τοῦ περιβόλου. καὶ τὸ μὲν ἄλλο στράτευμα ἐξοπλίσας κύκλῳ ἀμφὶ τὸν λόφον ἅπαντα ἔστησε, τινὰς δὲ ἐκέλευσεν ἐν τῷ ὁμαλεῖ τὴν ἀπὸ τῶν ῥάβδων ἐπάγειν στοάν· [15] οὕτω γὰρ καλεῖν τὴν μηχανὴν νενομίκασι ταύτην. οἱ δὲ αὐτῆς ἐντὸς ὑποδύντες ἐβάδιζόν τε καὶ τὴν στοάν ἐφεῖλκον τοὺς πολεμίους λανθάνοντες. [16] οἱ μὲν οὖν βάρβαροι χεῖρας τὰς δεξιὰς ἀπὸ τῶν ἐπάλξεων προτεινόμενοι ἐδέοντο τῆς εἰρήνης τυχεῖν. Ῥωμαῖοι δὲ οὐκ εἰδότες τι τῶν ἀμφὶ τῇ πηγῇ ξυμπεπτωκότων τὸν τε πόλεμον αὐτοὺς καὶ τὴν μηχανὴν δεδιέναι ὑπώπτευν. ἀμφοτέρω γοῦν τῆς μάχης ἄσμενοι ἀπέσχοντο. [17] καὶ Γότθοι Βελισαρίῳ σφᾶς τε αὐτοὺς καὶ τὴν πόλιν ὁμολογία παρέδοσαν, ἐφ' ᾧ κακῶν ἀπαθεῖς μείνωσι, βασιλέως κατήκοοι ζύν τῷ Ῥωμαίων στρατῷ ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ γεγεννημένοι. [18] Ναρσῆς δὲ ταῦτα ἀκούσας ἐν θαύματί τε καὶ ξυμφορᾷ τὸ πρᾶγμα ἐποιεῖτο. [19] καὶ αὐτὸς μὲν ἐν Ἀριμίνῳ ἔτι ἡσύχαζεν, Ἰωάννην δὲ τῷ παντὶ στρατῷ ἐπὶ Καισίναν ἐξηγεῖσθαι ἐκέλευεν. οἱ δὲ κλίμακας φέροντες ἦσαν. [20] ἐπεὶ δὲ ἄγχιστα τοῦ φρουρίου ἐγένοντο, προσέβαλλόν τε καὶ τοῦ περιβόλου ἀπεπειρῶντο. καρτερῶς δὲ τῶν βαρβάρων ἀμυνομένων ἄλλοι τε πολλοὶ αὐτοῦ ἔπεσον καὶ Φανίθεος ὁ τῶν Ἐρούλων ἡγούμενος. [21] Ἰωάννης δὲ Καισίνης τότε τοῦ φρουρίου ἀποτυχὼν ἀποπειρᾶσθαι οὐκέτι ἠξίου, ἐπεὶ οἱ ἀνάλωτον ἔδοξεν εἶναι, ζύν τε Ἰουστίνῳ καὶ τῷ ἄλλῳ στρατῷ πρόσω ἤλαυνε. [22] καὶ πόλιν μὲν ἀρχαίαν ἐκ τοῦ αἰφνιδίου κατέλαβεν ἡ Φοροκορνήλιος ὠνόμασται, τῶν δὲ βαρβάρων οἱ αἰεὶ τε ὑποχωρούντων καὶ οὐδαμῇ ἐς χεῖρας ἰόντων, ξύμπασαν βασιλεῖ τὴν Αἰμιλίαν ἀνέσώσατο. ταῦτα μὲν οὖν ἐφέρετο τῇδε.

Βελισάριος δέ, ἐπεὶ Οὐρβίνον ἀμφὶ τροπᾶς χειμερινὰς εἶλεν, ἐς μὲν Αὐξίμον ἐν τῷ παραντίκα ἰέναι ἀξύνφορον ᾤετο εἶναι· χρόνον γὰρ σφίσι τετρίψεσθαι πολὺν ἐν τῇ ἐς αὐτὴν προσεδρεῖᾳ ὑπώπτευε. [2] βία τε γὰρ τὸ χωρίον ἐλεῖν ἐρύματος ἰσχυρὸν ἀδύνατον ἦν, καὶ οἱ βάρβαροι πολλοὶ τε καὶ ἄριστοι ἐνταῦθα, ὥσπερ μοι προδεδήλωται, φυλακὴν ἔχοντες, πολλὴν τινα ληϊσάμενοι χώραν μέγα τι τῶν ἐπιτηδείων χρῆμα ἐσηνέγκαντο σφίσιν. [3] Ἀράτιον δὲ σὺν πολλῇ στρατιᾷ ἐν Φίρμῳ διαχειμάζειν ἐκέλευε φυλάσσειν τε ὅπως τὸ λοιπὸν μὴ κατ' ἐξουσίαν οἱ βάρβαροι τὰς ἐπεκδρομὰς ἐνθένδε ποιοῦμενοι ἀδεέστερον τὰ ἐκείνῃ χωρία βιάζωνται· αὐτὸς μὲντοι ἐπὶ

Οὐρβιβεντὸν ἐπῆγε τὸ στρατευμα. [4] Περάνιος γὰρ αὐτὸν ἐς τοῦτο ἐνήγην, ἐπεὶ τοὺς ταύτῃ Γότθους τῶν ἐπιτηδείων ὑποσπανίζειν ἠκηκόει πρὸς τῶν αὐτομόλων, ἤλπίζε τε, ἣν πρὸς τῇ ἀπορίᾳ τῶν ἀναγκαίων καὶ Βελισάριον παντὶ που παρόντα τῷ στρατῷ ἴδωσι, ῥᾶον ἐνδώσειν: [5] ὅπερ ἐγένετο. Βελισάριος γάρ, ἐπειδὴ τάχιστα ἐς Οὐρβιβεντὸν ἀφίκετο, ἅπαντας μὲν ἐνστρατοπεδεύσασθαι ἐν χώρῳ ἐπιτηδείως κειμένῳ ἐκέλευσεν, αὐτὸς δὲ κύκλῳ περιῶν διεσκοπεῖτο εἴ πως αὐτὴν βιάζεσθαι οὐκ ἀδύνατα ἦ. καὶ οἱ μηχανὴ μὲν οὐδεμία ἔδοξεν εἶναι ὥστε βία τινὶ τὸ χωρίον ἐλεῖν. [6] λάθρα δὲ αὐτοῦ ἐξ ἐπιβουλῆς οὐ παντάπασιν ἐδόκει ἀμήχανός οἱ ἡ ἐπικράτησις ἔσεσθαι. [7] Λόφος γάρ τις ἐκ κοίλης γῆς ἀνέχει μόνος, τὰ μὲν ὑπερθεὶν ὑπτιός τε καὶ ὁμαλός, τὰ δὲ κάτω κρημνώδης. ἀμφὶ δὲ τὸν λόφον ἰσομήκεις πέτραι κύκλωσιν αὐτοῦ ποιοῦνται τινα, οὐκ ἄγχιστα πη οὔσαι, ἀλλ' ὅσον βολὴν διέχουσαι λίθου. [8] ἐπὶ τούτου δὴ τοῦ λόφου οἱ πάλαι ἄνθρωποι τὴν πόλιν ἐδείμαντο, οὔτε τείχη περιβαλόντες οὔτ' ἄλλο τι ὀχύρωμα ποιησάμενοι, ἐπεὶ φύσει αὐτοῖς τὸ χωρίον ἀνάλωτον ἔδοξεν εἶναι. [9] μία γὰρ ἐς αὐτὴν ἐκ τῶν πετρῶν εἴσοδος τυγχάνει οὔσα, ἣν φυλασσομένοις τοῖς ταύτῃ ὤκημένοις οὐδεμίαν ἐτέρωθι πολεμίων προσβολὴν δεδιέναι ξυμβαίνει. [10] χωρὶς γὰρ τοῦ χωρίου ἢ τὴν εἴσοδον ἢ φύσις ἐς τὴν πόλιν ἐτεκτίνετο, ὥσπερ ἐρρήθη, ποταμὸς αἰεὶ μέγας τε καὶ ἀπόρευτος τὰ μεταξὺ ἔχει τοῦ τε λόφου καὶ τῶν πετρῶν ὧν ἄρτι ἐμνήσθην. [11] διὸ δὴ καὶ βραχεῖαν τινα οἰκοδομίαν ἐν ταύτῃ τῇ εἰσόδῳ πεποιήναι τὸ παλαιὸν Ῥωμαῖοι. καὶ πύλη τις ἐνταυθὰ ἐστίν, ἣν τότε Γότθοι ἐφύλασσον. τὰ μὲν οὖν ἀμφὶ Οὐρβιβεντῷ ταύτῃ πη ἔχει. [12] Βελισάριος δὲ τῷ παντὶ στρατῷ ἐς τὴν πολιορκίαν καθίστατο, ἣ διὰ τοῦ ποταμοῦ κακουργήσειν τὴν ἐλπίδα ἔχων ἢ λιμῷ παραστήσεσθαι τοὺς πολεμίους. [13] οἱ δὲ βάρβαροι τέως μὲν οὐ παντάπασιν τῶν ἀναγκαίων ἐσπάνιζον, καίπερ ἐνδεεστέρως ἢ κατὰ τὴν χρεῖαν αὐτὰ ἔχοντες, ὅμως τῇ ταλαιπωρίᾳ παρὰ δόξαν ἀντεῖχον, ἥκιστα μὲν ἐς τροφῆς κόρον ἐρχόμενοι, ὅσον δὲ μὴ λιμῷ ἀποθνήσκειν χρώμενοι σιτίοις ἐς ἡμέραν ἐκάστην. [14] ἐπεὶ δὲ ἅπαντα σφᾶς τὰ ἐπιτήδεια ἐπελελοιπίει, δέρρεις τε καὶ διφθέρας ὕδατι βρέχοντες πολὺν τινα χρόνον εἶτα ἦσθιον: Ἀλβίλας γὰρ ὃς αὐτῶν ἦρχεν, ἀνὴρ ἐν Γότθοις δόκιμος μάλιστα, ἐλπίσιν αὐτοὺς κεναῖς ἐβοσκεν. [15] Ἦνίκα τε αὐθις ἐπαιῶν ὁ χρόνος τὴν τοῦ θέρους ὥραν ἦνεγκεν, ὁ σῖτος ἤδη ἐν τοῖς ληϊτοῖς αὐτόματος ἤκμαζεν, οὐχὶ τοσοῦτος μέντοι ὅσος τὸ πρότερον, ἀλλὰ πολλῷ ἦσσαν. [16] ἐπεὶ γὰρ ἐν ταῖς αὐλαξίν οὐκ ἀρότροις οὐδὲ χερσὶν ἀνθρώπων ἐκέκρυπτο, ἀλλ' ἐπιπολῆς κείμενος ἔτυχε, μοῖραν αὐτοῦ τινα ὀλίγην ἢ γῇ ἐνεργεῖν ἴσχυεν. [17] οὐδενός τε αὐτὸν ἔτι ἀμήσαντος, πόρρῳ ἀκμῆς ἐλθὼν αὐθις ἔπεσε καὶ οὐδὲν τὸ λοιπὸν ἐνθὲνδε ἐφύη. ταῦτ' οὖν τοῦτο καὶ ἐν τῇ Αἰμιλία ξυμπεπτωκὸς ἔτυχε. [18] διὸ ἐκλιπόντες τὰ οἰκεῖα οἱ ταύτῃ ἄνθρωποι ἐς Πικηνὸν ἦλθον. οὐκ ἂν οἰόμενοι τὰ ἐκεῖνη χωρία διὰ τὸ ἐπιθαλάττια εἶναι παντάπασιν τῇ ἀπορίᾳ πιέζεσθαι. [19] καὶ Τούσκων δὲ οὐδὲν τι ἦσσαν ἐξ αἰτίας τῆς αὐτῆς ὁ λιμὸς ἦψατο, ἀλλ' αὐτῶν ὅσοι ἐν τοῖς ὄρεσιν ὤκηντο, τῶν δρυῶν τὰς βαλάνους ἀλοῦντες, ὥσπερ τὸν σῖτον, ἄρτους τε ἀπ' αὐτῶν ποιοῦμενοι ἦσθιον. [20] καὶ νόσοις μὲν παντοδαπαῖς, ὥς τὸ εἰκός, οἱ πλεῖστοι ἠλίσκοντο, [21] ἐνιοὶ δὲ καὶ περιγεγόμενοι διεσώζοντο. ἐν Πικηνῷ

μέντοι λέγονται Ῥωμαῖοι γεωργοὶ οὐχ ἥσους ἢ πέντε μυριάδες λαοῦ λιμῶ ἀπολωλέναι, καὶ πολλῶ ἔτι πλείους ἐκτὸς κόλπου τοῦ Ἰονίου. [22] Ὅποιοι δὲ τὸ εἶδος ἐγίνοντο καὶ ὅτῳ τρόπῳ ἔθνησκον αὐτὸς θεασάμενος ἐρῶν ἔρχομαι. [23] ἰσχυοὶ μὲν καὶ ὠχροὶ ἐγίνοντο πάντες· ἢ τε γὰρ σὰρξ ἀποροῦσα τροφῆς κατὰ γε τὸν παλαιὸν λόγον ἐαυτῆς ἤπτετο, καὶ ἡ χολὴ τῷ περιόντι τὸ κράτος τῶν σωμάτων ἦδη ἔχουσα οἰκειάν τινά εἰκασίαν ἐς ταῦτα ἡφίει. [24] προϊόντος δὲ τοῦ κακοῦ, πᾶσα τε αὐτοὺς ἰκμὰς ἐπελελοίπει καὶ τὸ δέρμα λίαν ἀπεσκληρὸς βύρση μάλιστα ἐμπερὲς ἦν, δόκησιν παρέχον ὥς ἄρα τοῖς ὀστέοις ἐμπεπηγὸς εἶη. τό τε πελιδνὸν ἐς τὸ μέλαν μεταβαλόντες δαδίους τισὶν ἐς ἄγαν καυθεῖσιν ἐώκεσαν. [25] καὶ αὐτοῖς μὲν ἀεὶ τὰ πρόσωπα ἐκθαμβὰ ἦν, ἀεὶ δὲ δεινῶς τι μανικὸν ἔβλεπον. ἔθνησκόν τε οἱ μὲν ἀπορία τροφῆς, οἱ δὲ καὶ λίαν αὐτῆς ἐς κόρον ἰόντες. [26] ἐπειδὴ γὰρ σφίσιν ἀποσβεσθὲν ἅπαν τὸ θερμὸν ἔτυχεν ὅπερ ἡ φύσις ἐντὸς ἔκαυσεν, εἴ τις ἐς κόρον αὐτούς, ἀλλὰ μὴ κατὰ βραχύ, θρέψειεν, ὥσπερ τὰ ἐπὶ καιροῦ τεχθέντα παιδιά, οἶδε καταπέσαι οὐκέτι τὰ σιτία ἔχοντες, πολλῶ διεφθείροντο θάσσον. [27] τινὲς δὲ τοῦ λιμοῦ ὑπερβιαζομένου ἀλλήλων ἐγεύσαντο. καὶ λέγονται γυναῖκες δύο ἐν ἀγρῷ τινι ὑπὲρ Ἀριμίνου πόλεως ἄνδρας ἑπτακαίδεκα ἐδηδοκέναι, ἄσπερ ἐν τῷ χωρίῳ μόνας περιεῖναι ξυνέπεσε. [28] διὸ δὴ τοὺς ἐκεῖνη πορευομένους ξένους εἰς τὸ δωμάτιον καταλύειν οὐπὲρ αὐταὶ ὄκουν ξυνέβαινεν· οὓς δὴ καθεύδοντας διαφθείρουσαι ἥσθιον. [29] λέγουσιν οὖν τὸν ὀκτωκαιδέκατον ξένον ἐξ ὕπνου ἀναστάντα, ἠνίκα αὐτῷ ταῦτα τὰ γύναια ἐγχειρεῖν ἔμελλον, μαθεῖν τε παρ' αὐτῶν ἀναθορόντα τὸν πάντα λόγον καὶ ἄμφω κτείνειν. [30] τοῦτο μὲν δὴ οὕτω γεγενῆσθαι φασιν. οἱ δὲ πλείστοι τῇ τοῦ λιμοῦ ἀνάγκῃ ἐχόμενοι, εἴ πού τις παρατύχη πόα, πολλῇ μὲν σπουδῇ ἐπ' αὐτὴν ἦσαν, ὀκλάσαντες δὲ ἀνέλκειν αὐτὴν ἐκ γῆς ἐπειῶντο. [31] εἶτα 'οὐ γὰρ ἠδύναντο, ἐπεὶ πᾶσα αὐτοὺς ἰσχὺς ἐπελελοίπει ὑπὲρ τε τῆς πόας καὶ τῆς χειρὸς πίπτοντες ἔθνησκον. [32] καὶ γῇ μὲν αὐτοὺς ἔκρυπτεν οὐδεὶς οὐδαμῶς· οὐ γὰρ ἦν τις ὅτῳ καὶ ταφῆς λόγος γένοιτο· ὄρνις μέντοι αὐτῶν οὐδεὶς ἤπτετο, οἷοι πολλοὶ σιτίζεσθαι πεφύκασιν νεκροῖς σώμασιν, [33] ἐπεὶ οὐκ εἶχον οὐδὲν ὅτου ἐφεῖντο. σάρκας γὰρ ἀπάσας, ὥσπερ μοι ἔμπροσθεν εἴρηται, προδεδαπανῆσθαι τῷ λιμῷ ἦδη τετύχηκε. τὰ μὲν δὴ ἀμφὶ τῷ λιμῷ ταύτῃ πη ἔσχε.

Βελισάριος δὲ ἐπειδὴ Οὐραϊὰν τε καὶ τοὺς βαρβάρους Μεδιόλανον πολιορκεῖν ἤκουσε, Μαρτίνον τε καὶ Οὐλίαιριν ξὺν πολλῷ στρατῷ ἐπὶ αὐτοὺς ἐπεμψεν. [2] οἱ δὲ ἀφικόμενοι ἐς ποταμὸν Πάδον, ὃς Μεδιολάνου ἀπέχει ἡμέρας ὁδόν, ἐνστρατοπεδευσάμενοι αὐτοῦ ἔμενον. χρόνος τε σφίσι πολὺς ἐνταῦθα ἐτρίβη, ἀμφὶ τῇ διαβάσει τοῦ ποταμοῦ βουλὴν ἔχουσιν. [3] ὅπερ ἐπεὶ Μουνδίλας ἤκουσε, τῶν τινα Ῥωμαίων, Παῦλον ὄνομα, παρ' αὐτοὺς ἐπεμψεν. [4] ὁ δὲ λαθὼν μὲν τοὺς πολεμίους ἐς τοῦ Πάδου τὴν ὄχθην ἤλθεν. ὁλκάδος δὲ οὐδεμιᾶς ἐν τῷ παραντίκῳ ἐπιτυχὼν ἀπεδύσατό τε καὶ νηχόμενος ξὺν μεγάλῳ κινδύνῳ τὴν διάβασιν ἐποίησατο. [5] κομισθεὶς οὖν ἐς τὸ Ῥωμαίων στρατόπεδον καὶ παρὰ τοὺς ἡγουμένους ἥκων ἔλεξε τοιαύδε: 'Μαρτίνε τε καὶ Οὐλίαιρι, οὐ δίκαια ποιεῖτε οὐδὲ δόξης τῆς ὑμῶν αὐτῶν ἄξια, λόγῳ μὲν ἐπὶ σωτηρίᾳ τῶν βασιλέως πραγμάτων ἤκοντες, ἔργῳ δὲ τὴν Γότθων δύναμιν αὔξοντες. [6] Μεδιόλανος γὰρ ἦδε, πόλεον τῶν ἐν Ἰταλίᾳ πασῶν μάλιστα μεγέθει τε καὶ πολυανθρωπία καὶ τῇ ἄλλῃ εὐδαιμονία παρὰ πολλὸν προὔχουσα, χωρὶς δὲ τούτων πρὸς τε Γερμανοὺς καὶ τοὺς ἄλλους βαρβάρους ἐπιτείχισμά τε οὖσα καὶ πάσης, ὡς εἰπεῖν, προβεβλημένη τῆς Ῥωμαίων ἀρχῆς, ἐς κίνδυνόν τινα ἐμπέπτωκε μέγαν ξὺν τε Μουνδίλᾳ καὶ τῷ βασιλέως στρατῷ, παρὰ μὲν τῶν πολεμίῳ ἐνοχλουμένη, παρὰ δὲ ὑμῶν ἀμελουμένη. [7] ἡλικία μὲν οὖν ἡδίκηται βασιλεὺς παρ' ὑμῶν ἐν τῷ παρόντι, λέγειν ἀφίημι. οὐ γάρ μοι πλείοσι λόγοις ὁ καιρὸς ἐνδίδωσι χρῆσθαι, ὁξεῖάν τινα τῇ πόλει τὴν ἐπικουρίαν ἐπιζητῶν, ἕως ἔτι λείπεται τις ἐλπίς. [8] ὑμᾶς δὲ φημι χρῆναι αὐτίκα δὴ μάλα κινδυνεύουσι Μεδιολανίταις ἀμύνειν. ἦν γάρ τινι μελλήσει ἔν γε τῷ παρόντι ἐς ἡμᾶς χρῆσθε, ἡμῖν μὲν τὰ πάντων πικρότατα πεπονθόσιν ἀπολωλέναι ξυμβήσεται, ὑμῖν δὲ τὸ τοῖς πολεμίῳ τὴν βασιλέως προσέσθαι δύναμιν. [9] προδόται γάρ, οἷμαι, καλεῖσθαι εἰσι δίκαιοι οὐχ οἱ ἂν τὰς πύλας τοῖς ἐναντίοις ἀνακλίνουσιν μόνον, ἀλλ' οὐδὲν τι ἤσπον, εἰ μὴ καὶ μᾶλλον, οἱ ἂν πολιορκουμένοις παρὸν τοῖς φιλτάτοις ἀμύνειν, οἱ δὲ τὴν ἀκίνδυνον ὀκνησιν πρὸ τῆς ἀγωνίας ἐλόμενοι, τὴν ἐκείνων, ὡς τὸ εἰκός, ἐπικράτησιν τοῖς πολεμίῳ δεδώκασι.' [10] Παῦλος μὲν τοσαῦτα εἶπε, Μαρτίνος δὲ καὶ Οὐλίαιρις ἔψεσθαι οἱ αὐτίκα δὴ μάλα ἐπαγγειάμενοι τὸν ἄνθρωπον ἀπεπέμψαντο. [11] ὃς δὴ καὶ αὐθις τοὺς βαρβάρους λαθὼν ἐς Μεδιόλανον νύκτωρ εἰσῆλθε, τοὺς τε στρατιώτας καὶ Ῥωμαίους ἅπαντας ἐλπίσιν ἐπάρας ἔτι μᾶλλον ἐς τὴν βασιλέως πίστιν ἐπέρρωσεν. [12] Οὐδὲν τι δὲ ἤσπον οἱ ἀμφοτέρω Μαρτίνον ὀκνῶν ἐχόμενοι αὐτοῦ ἔμενον, χρόνος τε πολὺς ταύτῃ δὴ τῇ μελλήσει ἐτρίβετο. [13] μετὰ δὲ Μαρτίνος ἀπολύεσθαι τὴν αἰτίαν ἐθέλων Βελισαρίῳ ἔγραψε τάδε: "Επεμψας ἡμᾶς ὧδε τοῖς ἐν Μεδιολάνῳ κινδυνεύουσιν ἐπαμυνούντας, καὶ ἡμεῖς πολλῇ σπουδῇ, ὥσπερ σὺ ἐκέλευες, ἄχρι ἐς Πάδον ποταμὸν ἤκομεν, ὃν διαβαίνειν ὁ στρατὸς δέδοικεν, ἐπεὶ δύναμίν τε Γότθων μεγάλῃν καὶ Βουργουζίωνων ἀμύπολυν τὴν ξὺν αὐτοῖς πλῆθος ἐν Λιγούροις εἶναι ἀκούομεν, πρὸς οὓς γε ἡμεῖς διαμάχεσθαι μόνοι οὐχ οἷοί τε οἰόμεθα εἶναι. [14] ἀλλὰ κέλευε Ἰωάννην τε καὶ Ἰουστίνον ὡς τάχιστα ἐν γειτόνων γὰρ ἡμῖν ἐν Αἰμιλίῳ τῇ χώρᾳ εἰσὶν ὁμοῦ τοῖς ἐπομένῳ κινδύνῳ ἡμῖν τοῦδε ξυνάρασθαι. [15] κοινῇ γὰρ ἐνθένδε ἰόντες αὐτοὶ τε σῶσι εἶναι καὶ δρᾶν τι κακὸν δυνησόμεθα τοὺς [16] πολεμίους.' Μαρτίνου μὲν ἡ ἐπιστολὴ τοσαῦτα ἐδήλου.

Βελισάριος δέ, ἐπεὶ αὐτὴν ἀνελέξατο, Ἰωάννην τε καὶ Ἰουστίνον ἐκέλευε ζῦν τοῖς ἀμφὶ Μαρτίνον ἐς Μεδιόλανον κατὰ τάχος ἰέναι. οἱ δὲ πράξειν οὐδὲν ἔφασκον, ὃ τι μὴ Ναρσῆς ἐπιστέλλοι σφίσι. [17] διὸ δὴ καὶ Ναρσῆ Βελισάριος ἔγραψε τάδε: “Ἐνσῶμα εἶναι πᾶσαν τὴν βασιλέως στρατιὰν νόμιζε, ἣν δὴ ἦν μὴ γνώμην ἐνδείκνυσθαι μίαν ὥσπερ ἀνθρώπου τὰ μέλη ξυμβαίνει, ἀλλὰ τι ἀλλήλων χωρὶς ἐνεργεῖν βούλεσθαι, λελείπεται ἡμῖν τῶν δεόντων οὐδὲν διαπεπραγμένοις ἀπολωλέναι. [18] οὐκοῦν Αἰμιλίαν μὲν ἔα, οὔτε τι ὀχύρωμα ἔχουσιν οὔτε τινὰ Ῥωμαίους ἔν γε τῷ παρόντι καιρῷ ῥοπὴν φέρουσιν. [19] σὺ δὲ Ἰωάννην τε καὶ Ἰουστίνον κέλευε αὐτίκα δὴ μάλα εὐθὺ τῶν ἐν Μεδιολάνῳ πολεμίων ζῦν τοῖς ἀμφὶ Μαρτίνον ἰέναι, ἐγγὺς τε ὄντας καὶ πρὸς τῶν βαρβάρων τὴν ἐπικράτησιν ἱκανῶς ἔχοντας. [20] ἐμοὶ γὰρ ἐνταῦθα στρατιᾶς πλῆθος, ὅπερ ἂν καὶ στέλλοιμι, οὐκ εἶναι ξυμβαίνει, ἄλλως τε καὶ στρατιώτας ἐς Μεδιόλανον ἐνθένδε ἰέναι ἀξύμφορον οἶομαι εἶναι. [21] χρόνου τε γὰρ τετρίψεται πλῆθος, ὥστε ὀπίσω τοῦ δέοντος καιροῦ ἐς αὐτὴν ἥξουσιν, καὶ τοῖς ἵπποις ἐπὶ τοῖς πολεμίοις χρῆσθαι διὰ μῆκος ὁδοῦ, ἥνίκα ἐς ἐκείνους ἀφίκωνται, οὐδαμῶς ἔξουσιν. [22] ἦν δέ γε ζῦν τε Μαρτίνῳ καὶ Οὐλίاري οἱ ἄνδρες οὗτοι ἐς Μεδιόλανον ἴωσι, κρατήσουσί τε, ὥς τὸ εἰκός, τῶν ταύτῃ βαρβάρων, καὶ τὴν Αἰμιλίαν καταλήψονται αὐθις, οὐδενὸς ἔτι ἀντιστατοῦντος.” [23] ταῦτα ἐπεὶ Ναρσῆς ἀπενεχθέντα εἶδε τὰ γράμματα, αὐτὸς μὲν Ἰωάννην τε καὶ Ἰουστίνῳ ἐπέστελλεν ἐς Μεδιόλανον ζῦν τῷ ἄλλῳ στρατῷ ἰέναι. [24] ὀλίγῳ δὲ ὕστερον Ἰωάννης μὲν ἐς τὴν παραλίαν ἐστάλη, ὅπως ἀκάτους ἐνθένδε κομίζοι, οὕτω τε διαβαίνειν τὸν ποταμὸν ὁ στρατὸς δύνηται. ἀλλὰ νόσος αὐτῷ ξυμβᾶσα τὰ πρασσόμενα διεκώλυσεν. [25] Ἐν ᾧ δὲ οἱ τε ἀμφὶ Μαρτίνον τῇ ἐς τὴν διάβασιν ὀκνήσει ἐχρῶντο καὶ οἱ ἀμφὶ τὸν Ἰωάννην τὰς Ναρσοῦ ἐντολὰς ἔμενον, ἐν τούτῳ χρόνῳ δαπανᾶσθαι πολὺ τι χρῆμα τῇ πολιορκίᾳ τετύχηκεν. [26] οἱ δὲ πολιορκούμενοι ἤδη ἐς ἄγαν τῷ λιμῷ πιεζόμενοι καὶ τοῦ κακοῦ ὑπερβιαζομένου κυνῶν τε καὶ μυῶν οἱ πλεῖστοι ἐγεύσαντο καὶ ζῶν ἄλλων ὅσα ἐς βρῶσιν ἀνθρώπου οὔποτε ἦλθον. [27] οἱ μὲν οὖν βάρβαροι πρέσβεις παρὰ Μουνδίαν πέμψαντες ἐνδοῦναι σφίσι τὴν πόλιν ἐκέλευον, ἐφ’ ᾧ ἀπαθεῖς αὐτὸς τε καὶ οἱ στρατιῶται κακῶν μείνωνσιν. [28] ὁ δὲ ταῦτα ὠμολόγησε πράξειν, ἦν ἐκείνοι ὑπὲρ τε αὐτῶν τὰ πιστὰ δώσουσι καὶ ὥς οὐδὲν ἄχαρι ἐς τῶν οἰκητόρων τινὰ δράσουσιν. [29] ὥς δὲ οἱ πολέμιοι Μουνδίᾳ τε καὶ τοῖς στρατιώταις τὰ πιστὰ ἔδοσαν, θυμῷ τε πολλῷ ἐς Λιγούρους ἐχόμενοι ἅπαντας ἀπολοῦντες ἐνδηλοι ἦσαν, συγκαλέσας Μουνδίᾳς τοὺς στρατιώτας ἅπαντας ἔλεξε τοιάδε: [30] ‘Εἴ τινες καὶ ἄλλοι πώποτε, παρὸν αἰσχυρῶς βιῶναι, οἱ δὲ μᾶλλον εὐκλεῶς ἀποθανεῖν εἵλοντο σωτηρίας τῆς παραυτίκα τὴν εὐπρεπὴ τοῦ βίου καταστροφὴν ἀλλαξάμενοι, τοιούτους δὴ τινες ἐν τῷ παρόντι βουλοίμην ἂν καὶ ὑμᾶς εἶναι καὶ μὴ τῷ φιλοψύχῳ τὸν μετὰ τῆς αἰσχύνῃς βίον διώκειν, καὶ ταῦτα ἀπὸ τῆς Βελισαρίου διδασκαλίας, ἥς ἐκ παλαιοῦ μετασχοῦσιν ὑμῖν μὴ οὐχὶ γενναίοις τε καὶ λίαν εὐτόλμοις εἶναι οὐχ ὅσιον. [31] τοῖς μὲν γὰρ εἰς φῶς ἤκουσι μία τις ἅπασι προέρχεται τύχη, τοῖς καθήκουσι τεθνήξεσθαι χρόνοις: τρόπῳ δὲ τῆς τελευτῆς ἄνθρωποι ἀλλήλων ὥς τὰ πολλὰ διαλλάσσουσιν. [32] διαφέρει δέ, ὅτι ἄνδρῳ μὲν, ὥς τὸ εἰκός, ἅπαντες ὕβριν τε καὶ γέλωτα ὀφείλοντες τοῖς ἐχθροῖς

πρότερον, εἴτα τοῖς ἄνωθεν διωρισμένοις καιροῖς οὐδὲν ἦσσαν ἀναπιμπλᾶσι τὴν πεπρωμένην, γενναίοις δὲ ἀνδράσι ξύν τε τῇ ἀρετῇ καὶ δόξης ἀγαθῆς περιουσίᾳ τοῦτο ξυμβαίνει πάσχειν. [33] ἄνευ δὲ τούτων εἰ μὲν ἀνθρώπους τοῦσδε ξυνδιασώζουσιν ἡμῖν δουλεύειν τοῖς βαρβάροις παρῆν, ἔφερεν ἂν τοῦτο γοῦν τινα τῆς αἰσχροῦς ταύτης ἡμῖν σωτηρίας συγγνώμην. [34] ἦν δέ γε Ῥωμαίους τοσοῦτους τὸ πλῆθος ἐπιδεῖν ἀνάγκη ταῖς τῶν πολεμίων διαφθειρομένους χερσίν, ὅτου τις ἂν εἴποι τοῦτο θανάτου πικρότερον ἔσται. [35] οὐ γὰρ ἄλλο οὐδὲν ἢ τοῖς βαρβάροις ξυγκατεργάζεσθαι τὸ δεινὸν δόξαιμεν. ἕως οὖν ἔτι ἐσμέν ἡμῶν αὐτῶν κύριοι ἀρετῇ τὴν ἀνάγκην κοσμήσασθαι, εὐδοξον τὴν προσπεσοῦσαν θώμεθα τύχην. [36] φημί δὲ χρῆναι ὥς ἄριστα ἐξοπλισμένους ἡμᾶς ἅπαντας ἐπὶ τοὺς πολεμίους οὐ προσδεχομένους χωρεῖν. [37] δυοῖν γὰρ ἡμῖν περιέσται θάτερον: ἢ τὴν τύχην ἐφ' ἡμῖν εἰργάσθαι τι κρεῖσσον ἐλπίδος ἢ τελευτῆς τετυχηκότας εὐδαίμονος εὐκλεῶς μάλιστα τῶν παρόντων ἀπηλλάχθαι κακῶν.' [38] Μουνδύλας μὲν τοσαῦτα εἶπε, τῶν δὲ στρατιωτῶν ὑποστῆναι τὸν κίνδυνον οὐδεὶς ἠθέλεν, ἀλλ' ἐφ' οἷς παρεκάλουν οἱ πολέμιοι σφᾶς τε αὐτοὺς καὶ τὴν πόλιν ἐνέδοσαν. [39] καὶ αὐτοὺς μὲν οἱ βάρβαροι οὐδὲν ἄχαρι ἐργασάμενοι ἐν φυλακῇ ξύν Μουνδύλᾳ εἶχον, τὴν δὲ πόλιν ἐς ἔδαφος καθεῖλον, ἄνδρας μὲν κτείναντες ἠβηδὸν ἅπαντας οὐχ ἦσσαν ἢ μυριάδας τριάκοντα, γυναῖκας δὲ ἐν ἀνδραπόδων ποιησάμενοι λόγῳ, αἷς δὴ Βουργουζίῳνας δεδώρηνται χάριν αὐτοῖς τῆς ξυμμαχίας ἐκτίνοντες. [40] Ῥεπάρατον δὲ εὐρόντες τὸν τῆς αὐλῆς ἔπαρχον, ἔκοψάν τε κατὰ βραχὺ καὶ αὐτοῦ τὰ κρέα τοῖς κυσὶν ἔρριψαν. [41] Βηργεντίνος δὲ 'καὶ γὰρ ἐντὸς ὧν Μεδιολάνου ἔτυχέ διὰ τε Βενετίων καὶ τῶν ταύτῃ ἐθνῶν ξύν τοῖς ἐπομένοις ἐς Δαλματίαν κομίζεται. καὶ παρὰ βασιλέα ἐνθὲνδε ἦλθε, πάθος ἀγγέλλων μέγα τοῦτο ὃ Ῥωμαίοις ξυνέπεσε γενέσθαι. [42] καὶ ἀπ' αὐτοῦ οἱ Γότθοι πόλεις τε τὰς ἄλλας ὁμολογία εἶλον αἱ Ῥωμαίων ἔτυχον φρουράς ἔχουσαι, καὶ Λιγουρίας αὐθις ὅλης ἐκράτησαν. Μαρτίνος δὲ καὶ Οὐλίαιρις ξύν τῷ στρατῷ ἐπὶ Ῥώμης ἀνέστρεφον.

Ταῦτα μὲν δὴ ὥδέ πη ἔσχε. Βελισάριος δὲ οὐπω τι πεπυσμένος τῶν ἐν Λιγουρίᾳ ξυμπεπτοκότων, ἐπειδὴ ὁ χειμὼν ἐτελεύτα ἤδη, τῷ παντὶ στρατῷ ἐς Πικηνὸν ἦει. [2] τὰ τε ἀμφὶ Μεδιολάνῳ τετυχηκότα ἐν ταύτῃ δὴ τῇ πορείᾳ μαθὼν ἐν μεγάλῳ ἐποίησατο πένθει. [3] καὶ Οὐλίαιριν μὲν ἐς ὄψιν οἱ ἐλθεῖν οὐκέτι τὸ λοιπὸν εἶασεν, ἅπαντα δὲ τὰ ξυμπεσόντα βασιλεῖ ἔγραψε. [4] βασιλεὺς δὲ τούτων μὲν ἔνεκα δεινὸν τι εἰργάσατο οὐδένα, τὴν δὲ Βελισαρίου τε καὶ Ναρσοῦ διαφορὰν ἀκούσας Ναρσῆν τε αὐτίκα μεταπεμψάμενος αὐτοκράτορα παντὸς τοῦ πολέμου Βελισάριον κατεστήσατο. [5] ὥδε μὲν ἐς Βυζάντιον Ναρσῆς ἐπανῆκε, τῶν στρατιωτῶν ὀλίγους τινὰς ἄγων. Ἐρουλοὶ δὲ μένειν ἐν Ἰταλίᾳ Ναρσοῦ ἐνθὲνδε ἀναχωροῦντος οὐκέτι ἠξίουσαν, καίτοι Βελισαρίου πολλὰ ὑποσχομένου σφίσι πρὸς τε αὐτοῦ καὶ βασιλέως ἀγαθὰ μένουσιν ἔσεσθαι, ἀλλὰ συσκευασάμενοι ἅπαντες τὰ μὲν πρῶτα ἐπὶ Λιγουρίας ἀπεχώρησαν. [6] οὐ δὴ ἐντυχόντες τῷ Οὐραῖᾳ στρατῷ, ἀνδράποδά τε καὶ ἄλλα ζῷα ὅσα ἐπῆγον τοῖς πολεμίοις ἀπέδοντο, καὶ χρήματα πολλὰ κεκομισμένοι ἀπώμοσαν, μήποτε Γότθοις ἀντιτάξεσθαι ἢ εἰς χεῖρας ἰέναι. [7] οὕτω τε εἰρηναίαν τὴν ἀναχώρησιν ποιησάμενοι ἐς τὰ ἐπὶ Βενετίας χωρία

ἦλθον. ἐνταῦθα αὐτοῖς Βιταλίῳ ξυγγενομένοις τῶν ἐς βασιλέα Ἰουστινιανὸν ἡμαρτημένων μετέμελεν. [8] ἀφοσιούμεοί τε τὸ ἔγκλημα Οὐίσανδον μὲν τῶν ἀρχόντων ἓνα ξὺν τοῖς ἐπομένοις αὐτοῦ εἶσαν, οἱ δὲ λοιποὶ ἐς Βυζάντιον ἀπεκομίσθησαν ἅπαντες, Αλουῖθ τε ἡγουμένου σφίσι καὶ Φιλμουθ, ὅσπερ Φανιθεοῦ τετελευτηκότος ἐν Καισίνῃ τὴν ἀρχὴν ἔσχεν. [9] Οὐίτιγισ δὲ καὶ οἱ ξὺν αὐτῷ Γότθοι Βελισάριον ἅμα ἦρι ἀρχομένῳ ἐπὶ σφᾶς τε καὶ Ῥάβενναν ἤξειν ἀκούοντες ἐν δέσματι μεγάλῳ καθίσταντο καὶ τὰ παρόντα σφίσιν ἐν βουλῇ ἐποιοῦντο· καὶ αὐτοῖς πολλὰ βουλευσαμένοις ὅτι γὰρ ἀξιώμαχοι τοῖς πολεμίοις κατὰ μόνας ὄντο εἶναι ἔδοξεν ἄλλων τινῶν βαρβάρων ἐπικουρίαν ἐπάγεσθαι. [10] Γερμανῶν μὲν οὖν τοῦ τε δολεροῦ καὶ ἀπίστου ἤδη ἐν πείρᾳ γεγενημένοι ἀπέσχοντο, ἀγαπῶντες, ἦν μὴ καὶ αὐτοὶ ξὺν Βελισαρίῳ ἐπὶ σφᾶς ἴωσιν, [11] ἀλλ' ἀμφοτέροις ἐκποδὼν στήσονται. ἐς δὲ Λαγγοβαρδῶν τὸν ἄρχοντα Οὐάκην πρέσβεις ἐπεμψαν, χρήματά τε μεγάλα προτεινόμενοι καὶ ἐς τὴν ὁμαιχιμίαν παρακαλοῦντες. [12] οἱ δὲ, ἐπεὶ βασιλεῖ φίλον τε καὶ ζῦμμαχον τὸν Οὐάκην ἔγνωσαν εἶναι, ἄπρακτοι ἀνεχώρησαν. [13] Οὐίτιγισ τοίνυν τοῖς παροῦσιν, ὥς τὸ εἶκός, ἀπορούμενος τῶν πρεσβυτέρων αἰεὶ ξυνεκάλει πολλούς. παρ' ὧν δὴ συχνὰ ἐπυνθάνετο ὅτι ποτὲ οἱ βουλευομένῳ τε καὶ πράσسونτι ἄμεινον τὰ πράγματα ἔξει. [14] γινῶμαι οὖν πολλοὶ πρὸς τῶν ἐς τὴν βουλὴν ξυνιόντων ἐλέγοντο, αἱ μὲν ἐπιτηδεῖς τοῖς παροῦσιν οὐδαμῇ ἔχουσαι, αἱ δὲ τι καὶ λόγου ἄξιον φέρουσαι. [15] ἐν αἷς καὶ τότε ἐς τὸν λόγον ἦλθεν, ὥς οὐ πρότερόν ποτε Ῥωμαίων βασιλεὺς τοῖς ἐν τῇ ἑσπερίᾳ βαρβάροις πολεμεῖν ἴσχυσε, πλὴν γε δὴ ὅτε αἱ σπονδαὶ ἐς Πέρσας γεγέννηται. [16] τοὺς τε γὰρ Βανδύλους καὶ Μαυρουσίους τηνικαῦτα ἀπολωλέναι καὶ Γότθοις τὰ παρόντα ξυμπεπωκέναι. ὥστε, ἦν τις καὶ νῦν Ἰουστινιανῷ αὐτοκράτορι τὸν Μήδων βασιλέα ξυγκρούῃ, οὐ μήποτε Ῥωμαῖοι, τούτου δὲ ἐκπεπολεμωμένου σφίσι τοῦ ἔθνους, πόλεμον ἄλλον διενεγκεῖν πρὸς οὐδένα ἀνθρώπων τὸ λοιπὸν ἔξουσι. [17] ταῦτα Οὐιττίγιδι τε αὐτῷ ἤρесе καὶ Γότθοις τοῖς ἄλλοις. Ἔδοξεν οὖν πρέσβεις παρὰ τὸν Μήδων βασιλέα Χοσρόην στέλλεσθαι, οὐ Γότθους μέντοι, ὅπως μὴ κατάδηλοι αὐτόθεν γινόμενοι ξυγχεῶσι τὰ πρασσόμενα, ἀλλὰ Ῥωμαίους, οἵπερ αὐτὸν Ἰουστινιανῷ βασιλεῖ πολέμιον καταστήσουσι. [18] διὸ δὴ τῶν ἐν Λιγούροις ἱερῶν δύο χρήμασι πολλοῖς ἐς ταύτην ἀναπειθουσι τὴν ὑπουργίαν. [19] ὧν ἕτερος μὲν, ὅσπερ ἀξιώτερος ἔδοξεν εἶναι, ἐπισκόπου δόκησιν τε καὶ ὄνομα περιβεβλημένος, οὐδὲν αὐτῷ προσῆκον, ἐς τὴν πρεσβείαν καθίστατο, ὁ δὲ ἕτερος αὐτῷ ὑπηρετῶν εἶπετο. [20] γράμματά τε αὐτοῖς ἐγχειρίσας πρὸς Χοσρόην γεγραμμένα Οὐίτιγισ ἐπεμψεν. οἷς δὴ Χοσρόης ἡγμένος ἀνήκεστα ἐν σπονδαῖς ἔργα Ῥωμαίους εἰργάσατο, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [21] ταῦτα δὲ ἐπεὶ Ἰουστινιανὸς βασιλεὺς Χοσρόην τε καὶ Πέρσας βουλευέσθαι ἤκουσε, καταλύειν μὲν τὸν ἐν τῇ ἑσπερίᾳ πόλεμον ὥς τάχιστα ἔγνω, Βελισάριον δὲ μεταπέμψασθαι ἐφ' ᾧ ἐπὶ Πέρσας στρατεύσειε. [22] τοὺς μὲν οὖν Οὐιττίγιδος πρέσβεις ἔτι γὰρ ὄντες ἐν Βυζαντίῳ ἐτύγχανον· αὐτίκα δὲ ἀπεπέμψατο, ἄνδρας παρ' αὐτοῦ ἐπὶ Ῥαβέννης σταλήσεσθαι ὑποσχόμενος, οἵπερ ἐς Γότθους τὰς σπονδὰς θήσονται ὅπῃ ἂν ἐκατέροις ξυνοίσειν μέλλῃ. [23] τούτους δὲ τοὺς πρέσβεις οὐ πρότερον μεθῆκε Βελισάριος τοῖς πολεμίοις ἕως καὶ αὐτοὶ τοὺς

ἀμφὶ Ἀθανάσιον τε καὶ Πέτρον ἀφῆκαν. [24] οὓς δὴ ἐς Βυζάντιον ἀφικομένους γερῶν βασιλεὺς τῶν μεγίστων ἡξίωσεν, Ἀθανάσιον μὲν ὑπαρχον τῶν ἐν Ἰταλία πραιτωρίων καταστησάμενος, Πέτρῳ δὲ τὴν τοῦ μαγίστρου καλουμένου ἀρχὴν παρασχόμενος. [25] καὶ ὁ χειμὼν ἔληγε καὶ τέταρτον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Βελισάριος δὲ Αὐξιμόν τε καὶ Φισούλαν ἐξελεῖν πρότερον ἤθελε, οὕτω τε ἐπὶ τε Οὐίτιγιν καὶ Ῥάβενναν ἰέναι, οὐδενὸς ἔτι τῶν πολεμίων οὔτε σφίσιν ἐμποδὼν ἴστασθαι δυναμένου, οὔτε τὰ ὀπισθε κακουργεῖν ἔχοντος. [2] Κυπριανὸν μὲν οὖν καὶ Ἰουστῖνον ξὺν τοῖς ἐπομένοις καὶ Ἰσαύρων τισὶν ἐς Φισούλαν ἐπεμψε, καὶ πεντακοσίους πεζοὺς ἐκ καταλόγου οὗ Δημήτριος ἦρχεν, οἱ δὴ τοὺς ἐκείνῃ βαρβάρους ἀμφὶ τὸ φρούριον στρατοπεδευσάμενοι ἐπολιόρκουν. [3] Μαρτῖνον δὲ καὶ Ἰωάννην ξὺν τοῖς ἐπομένοις καὶ στρατεύματι ἄλλῳ οὐπὲρ Ἰωάννης ἡγεῖτο ὃν καὶ Φαγὰν ἐκάλουν, ἀμφὶ Πάδον ποταμὸν ἔστελλεν. [4] οὓς δὴ φροντίδα ἔχειν ἐκέλευεν ὅπως μὴ Οὐραΐας τε καὶ οἱ ξὺν αὐτῷ ἐκ Μεδιολάνου ἐπὶ σφᾶς ἴωσιν, ἣν δὲ τῶν πολεμίων τὴν ἔφοδον ἀποκρούεσθαι οὐχ οἰοί τε ᾧσιν, ὀπισθεν αὐτοὺς λάθρα ἐπισπομένους κατὰ νότου ἰέναι. [5] καὶ οἱ μὲν πόλιν Δορθῶνα πρὸς τῷ ποταμῷ ἀτείχιστον οὔσαν καταλαβόντες, αὐτοῦ τε ἐνστρατοπεδευσάμενοι ἔμενον, αὐτὸς δὲ ἐς Αὐξιμον πόλιν χιλίους τε καὶ μυρίους ἔχων ἀφίκετο. [6] Αὐξιμος δὲ αὕτη πρώτη μὲν τῶν ἐν Πικηνοῖς πόλεων ἔστιν, ἣν δὴ μητρόπολιν καλεῖν νενομίκασι Ῥωμαῖοι. ἀπέχει δὲ ἀκτῆς μὲν κόλπου τοῦ Ἰονίου σταδίους τέσσαράς τε καὶ ὀγδοήκοντα μάλιστα, Ῥαβέννης δὲ πόλεως ὁδὸν τριῶν ἡμερῶν καὶ σταδίους ὀγδοήκοντα. [7] κεῖται δὲ ἐπὶ λόφου τινὸς ὑψηλοῦ, εἴσοδον ἐν τῷ ὁμαλεῖ οὐδαμῇ ἔχουσα, καὶ ἀπ' αὐτοῦ ἀπρόσδοτος τοῖς πολεμίοις παντάπασιν οὔσα. [8] ἐνταῦθα Γότθων εἴ τι δόκιμον ἦν, Οὐίτιγίς ἐς τὴν φρουρὰν κατεστήσατο, τεκμαιρόμενος ὅτι Ῥωμαῖοι, εἰ μὴ ταύτην ἐξέλῳσι πρότερον, ἐπὶ Ῥάβενναν οὐποτε στρατεύειν τολμήσωσιν. [9] Ἐπειδὴ δὲ ὁ Ῥωμαίων στρατὸς ἐς Αὐξιμον ἦλθεν, ἐκέλευε Βελισάριος παρὰ τοῦ λόφου τὰ ἔσχατα πάντα στρατοπεδεύεσθαι κύκλῳ. [10] καὶ οἱ μὲν κατὰ συμμορίας γενόμενοι καλύβας ἄλλος ἄλλῃ τοῦ χωρίου ἐπήγγυντο, κατιδόντες δὲ αὐτοὺς οἱ Γότθοι μακρὰν που ἀπολελειμμένους ἀλλήλων καὶ σφίσιν αὐτοῖς ἐπιβοηθεῖν ἅτε ἐν μεγάλῳ πεδίῳ οὐκ εὐπετῶς ἔχοντας, ἐκ τοῦ αἰφνιδίου ἀμφὶ δέιλῃν ὀψίαν χωροῦσιν ἐπὶ τοὺς πολεμίους, ἐς τὰ πρὸς ἑω τῆς πόλεως, ἣ Βελισάριος στρατόπεδον ἔτι ποιούμενος ξὺν τε δορυφόροις καὶ ὑπασπισταῖς τοῖς αὐτοῦ ἔτυχεν. [11] οἱ δὲ ἀράμενοι τὰ ὅπλα ἐκ τῶν παρόντων τοὺς ἐπιόντας ἡμύνοντο, ῥᾱστά τε αὐτοὺς ἀρετῇ ὡσάμενοι ἔτρεψαν, καὶ φεύγουσιν ἐπισπόμενοι κατὰ μέσον τοῦ λόφου ἐγίνοντο. [12] ἔνθα οἱ βάρβαροι ἐπιστραφέντες καὶ χωρίου ἰσχυρὸν πιστεύοντες ἀντίοι τοῖς διώκουσιν ἔστησαν, συγχούς τε αὐτῶν ἅτε κατὰ κορυφὴν βάλλοντες ἔκτειναν, ἕως νύξ ἐπιλαβοῦσα ἐκώλυσεν. οὕτω τε διαλυθέντες ἐκάτεροι τὴν νύκτα ἐκείνην ἠύλισαντο. [13] ἔτυχον δὲ τῇ προτεραίᾳ τοῦ ἔργου τούτου Γότθων τινὲς ὀρθρου βαθέος τροφῶν ξυγκομιδῆς ἕνεκα ἐς τὰ ἐκείνῃ σταλέντες χωρία. [14] οἱ δὴ οὐδὲν ἀμφὶ τῶν πολεμίων τῇ παρουσίᾳ πυθόμενοι ἐς νύκτα ἐπανῆκον. ἄφνω τε τὰ Ῥωμαίων πυρὰ κατιδόντες ἐν θαύματι τε καὶ δέει μεγάλῳ ἐγένοντο. [15] καὶ αὐτῶν πολλοὶ μὲν τὸν κίνδυνον ὑποστήναν

τολμήσαντες καὶ λαθόντες τοὺς πολεμίους ἐς Αὐξίμον ἐσῆλθον. ὅσοι δὲ κατορρωδήσαντες ἐν τῷ παραντίκα ἐς ὕλας τινὰς σφᾶς αὐτοὺς ἔκρυψαν, ἐφ' ᾧ ἐπὶ Ῥαβέννης χωρήσουσιν, οὗτοι δὴ οὐ πολλῷ ὕστερον ὑπὸ τοῖς ἐναντίοις γενόμενοι διεφθάρησαν. [16] Βελισάριος δὲ κατιδὼν τὴν Αὐξίμον ἰσχυροτάτην ἐν τῷ ἀσφαλεῖ οὖσαν, παντελῶς τέ οἱ ἀμήχανα εἶναι προσβολὴν τῷ περιβόλῳ ποιήσασθαι, βία μὲν τὸ χωρίον ἐλεῖν οὐκ ἂν ποτε ᾤετο, πολιορκία δὲ ἀκριβεῖ ἐς τε ἀπορίαν τῶν ἀναγκαίων καταστήσεσθαι τοὺς πολεμίους ἐλπίδα εἶχε καὶ τῷ χρόνῳ ὑποχειρίους ποιήσασθαι. [17] Τοῦ δὲ περιβόλου οὐ μακρὰν ἄποθεν πόαν τινὰ πολλὴν ἢ γῆ ἀνιῆσα ξυμβολῆς ἀφορμὴν ἐς ἡμέραν ἐκάστην Ῥωμαίοις τε καὶ Γότθοις ἔφερε. [18] ταύτην γὰρ ἀποτεμνομένους ἀεὶ τῶν ἵππων ἔνεκα τοὺς ἐναντίους ὀρῶντες Ῥωμαῖοι ἐν τε τῷ λόφῳ δρόμῳ πολλῶ ἀνιόντες ἐγίνοντο καὶ τοῖς πολεμίοις ἐς χεῖρας ἰόντες ἔργα τε ἀρετῆς ἄξια ἐνδεικνύμενοι, φέρεσθαι τὴν πόαν οὐδαμῇ εἶων, πολλοὺς τε ἀεὶ τῶν ἐναντίων ἐν τῷ χώρῳ τούτῳ διέφθειρον. [19] οἱ δὲ βάρβαροι ἀρετῇ τῶν πολεμίων ἡσσωμένοι ἐπενόουν τάδε. τῶν ἀμαξῶν τοὺς τροχοὺς ζὺν μόνοις τοῖς ἄρσοι ἀφελόμενοι ἐν παρασκευῇ εἶχον, τέμνειν τε τὴν πόαν ἀρξάμενοι, ἐπειδὴ ἀνιόντας ἤδη ἐς τοῦ λόφου τὰ μέσα τοὺς Ῥωμαίους εἶδον, τοὺς τροχοὺς ἀφῆκαν κατὰ κορυφὴν ἐπ' αὐτοὺς φέρεσθαι. [20] τύχη δέ τινι τούτους ξυνέπεσε τοὺς τροχοὺς ἄχρι ἐς τὸ ὁμαλὲς ἀνθρώπου οὐδενὸς ἀψαμένους ἐλθεῖν. ταύτης τε τῆς πείρας ἀποτυχόντες οἱ βάρβαροι, τότε μὲν φεύγοντες ἐντὸς τοῦ περιβόλου ἐγένοντο, ἔπειτα δὲ ἐποίουν τάδε. [21] τὰς φάραγγας, αἱ τοῦ περιβόλου εἰσὶν ἄγχιστα, ἐνέδραις τῶν ἐν σφίσι δοκίμων ἀνδρῶν προλοχίσαντες ὀλίγοι τοῖς πολεμίοις ἀμφὶ τὴν πόαν ἐφαίνοντο, ἥνίκα τε ἡ μάχη ἐν χερσὶ γένοιτο, ἐκπηδῶντες ἐκ τῶν ἐνεδρῶν οἱ κρυπτόμενοι, πλήθει τε τοὺς ἐναντίους παρὰ πολὺ υπεραίροντες καὶ αὐτοὺς τῷ μὴ προαισθῆσθαι ἐκπλήσσοντες πλείστους μὲν ἔκτεινον, τοὺς δὲ λοιποὺς ἀεὶ ἐς φυγὴν ἔτρεπον. [22] Ῥωμαίων δὲ ὅσοι ἐν τοῖς στρατοπέδοις εἰστήκεσαν ἔβλεπον μὲν ἐκ τῶν ἐνεδρῶν ὑπεξανισταμένους τοὺς πολεμίους, κραυγῇ δὲ πολλῇ τοὺς ἐταίρους ἀνακαλοῦντες οὐδὲν ἥνουν, ἐπεὶ οἱ μαχόμενοι τῆς ἐκείνων βοῆς ἥκιστα ἤκουον, μήκει τε τοῦ λόφου ἐπὶ πλείστον αὐτῶν διειργόμενοι καὶ τῶν βαρβάρων ἀεὶ ἐξεπίτηδες σφίσιν ἀντιπαταγούντων τοῖς ὅπλοις. [23] Βελισάριος δὲ τοῖς παροῦσιν ἀπορουμένῳ Προκόπιος, ὃς τάδε ξυνέγραψε, προσελθὼν εἶπεν: 'Οἱ ταῖς σάλπιγξιν, ᾧ στρατηγέ, τὸ παλαιὸν ἐν τῷ Ῥωμαίων στρατῷ χρώμενοι νόμους τινὰς ἠπίσταντο δύο, ὧν ἄτερος μὲν ἐγκελευομένῳ τε ἐπὶ πλείστον ἐφκει καὶ τοὺς στρατιώτας ἐς μάχην ὀρμῶντι, ὁ δὲ ἄλλος ἐπὶ τὸ στρατόπεδον ἀνεκάλει τοὺς μαχομένους, ἥνίκα ταῦτα ἐδόκει τῷ στρατηγῷ ὡς ἄριστα ἔχειν. [24] ταύτη τε ἀεὶ οἱ μὲν στρατηγοὶ τὰ καθήκοντα τοῖς στρατιώταις ἐκέλευον, ἐκεῖνοι δὲ τὰ παραγγελλόμενα ἔργα ἐπιτελεῖν ἴσχυον. [25] κραυγὴ γὰρ ἐν ταῖς ξυμβολαῖς σημεῖναι τι σαφὲς οὐδαμῶς πέφυκε, πατάγου τε, ὡς τὸ εἰκός, πανταχόσε ἀντικτυποῦντος καὶ τοῦ δέους ἐκπλήσσοντος τὰς τῶν μαχομένων αἰσθήσεις. [26] ἐπεὶ δὲ τανῦν ἀμαθία τε ἢ τοιαύτη τέχνη ἐξώλισθε καὶ μιᾷ σάλπιγγι ἅμωφ δηλῶσαι ἀμήχανον, αὐτὸς οὕτω τὸ λοιπὸν ποιεῖ. [27] σάλπιγξι μὲν ταῖς ἱππικαῖς ἐγκελεύου τοῖς στρατιώταις διαμάχεσθαι τοῖς πολεμίοις, ταῖς δὲ πεζικαῖς ἐπὶ τὴν ἀναχώρησιν ἀνακάλει τοὺς ἄνδρας. [28]

ἐκατέρου γὰρ αὐτοὺς τοῦ ἥχου μὴ οὐχὶ ξυνεῖναι ἀδύνατον, ἐπεὶ ὁ μὲν ἐκ βύρσης τε καὶ ξύλου ὑπεράγαγε λεπτοῦ, ὁ δὲ ἐκ παχέος τινὸς χαλκοῦ πρόεισι.’
[29] Προκόπιος μὲν τοσαῦτα εἶπε. Βελισάριος δὲ ἦσθη τε τῇ ὑποθήκῃ καὶ ἅπαν ξυγκαλέσας τὸ στράτευμα ἔλαξε τοιαύδε: ‘Προθυμίαν ἐς τὸδε ξυμφέρειν τε οἶμαι καὶ πολλοῦ ἐπαίνου ἀξίαν εἶναι, μέχρις ἂν μετρία τις οὕσα οὐδὲν τοῖς ἔχουσι προσποιῆται βλάβος. [30] τῷ γὰρ ὑπερβάλλοντι τὰ ἀγαθὰ πάντα πρὸς τὸ χειρὸν αἰετρίεσθαι εἴωθεν. ὑμεῖς οὖν μὴ τῷ φιλονείκῳ τὸ λοιπὸν σφάλλεσθε: φεύγειν γὰρ δὴ πού τὸν κακουργοῦντα οὐδεμία αἰσχύνῃ. [31] ἀλλ’ ὁ μὲν ἐς κακὸν προὔπτον ἀνεπισκέπτως ἰὼν καὶ σωθεὶς ἐνθένδε, ἂν οὕτω τύχῃ, ἄνοιαν ὀφλισκάνει: γενναῖος δὲ ὅς ἂν ἐν τοῖς ἀναγκαίοις ἀνδραγαθίζεται. [32] οἱ μὲν οὖν βάρβαροι, ἐπεὶ ἐκ τοῦ εὐθέος ἡμῖν οὐχ οἰοί τέ εἰσι διαμάχεσθαι, προλοχίζοντες διαφθεῖρουν ἡμᾶς ἐγχειροῦσιν. ἡμῖν δὲ τοῦ διαφυγεῖν τὴν αὐτῶν ἐνέδραν τὸν κίνδυνον ὑποστῆναι μεμπτότερον. [33] τοῦ γὰρ ἐνδιδόναι ταῖς τῶν ἐχθρῶν γνώμαις οὐδὲν αἴσχιον. ἐμοὶ μὲν οὖν ὅπως μὴ προσπεσεῖσθε ταῖς τῶν πολεμίων ἐνέδραις μελήσει. [34] ἔργον δ’ ἂν ὑμέτερον εἴη, ἐπειδὴν σημήνω, ἐς τὴν ἀναχώρησιν κατὰ τάχος ἰέναι. αὕτη δὲ ὑμῖν ἡ δῆλωσις ἐκ σάλπιγγος, ᾧ στρατιῶται, τῆς πεζικῆς ἔσται.’ Βελισάριος μὲν τοσαῦτα εἶπεν. [35] οἱ δὲ στρατιῶται ἀμφὶ τὴν πόαν κατιδόντες τοὺς πολεμίους, δρόμῳ ἐπ’ αὐτοὺς ἦσαν, τινὰς τε αὐτῶν ἐν τῇ πρώτῃ ὀρμῇ ἔκτεινον. [36] ἐν οἷς ἓνα χρυσοφοροῦντα τῶν τις Μαυρουσίων ἰδὼν λαβόμενός τε τῶν ἐν τῇ κεφαλῇ τριχῶν, ὅπως ἀποδύοι, τὸν νεκρὸν ἐφεῖλκε. [37] Γότθος δὲ τις αὐτὸν ἀκοντίῳ βαλὼν μυώνων τε, οἱ ὀπισθέν εἰσι τῶν κνημῶν, ἐκατέρων ἐπιτυχῶν, ἐνέρσει τοῦ ἀκοντίου ἄμφω τῷ πόδε ξυνέδησεν. [38] ἀλλ’ οὐδὲν τι ἦσσαν ὁ Μαυρούσιος τῶν τριχῶν ἐχόμενος τὸν νεκρὸν εἶλκεν. ἐν τούτῳ δὲ οἱ μὲν βάρβαροι τὰς ἐνέδρας ἐκίνουν, Βελισάριος δὲ ἀπὸ τοῦ στρατοπέδου ὄρων τὰ ποιούμενα, ταῖς σάλπιγξι τοὺς πεζοὺς οἷς τὸ ἔργον τοῦτο ἐπέκειτο ἡγεῖν κατὰ τάχος ἐκέλευεν. [39] οἱ τε Ῥωμαῖοι αἰσθόμενοι κατὰ βραχὺ ἤδη ὑπεχώρουν, τὸν Μαυρούσιον ξὺν τῷ ἀκοντίῳ ἀράμενοι. οἷς δὴ οἱ Γότθοι ἔπεσθαι οὐκέτι ἐτόλμων, ἀλλ’ ἄπρακτοι ἀνεχώρησαν.

Προϊόντος δὲ τοῦ χρόνου καὶ τῆς ἀπορίας οἱ βάρβαροι τῶν ἐπιτηδείων ἐπὶ μέγα χωρούσης, ἀνενεγκεῖν ἐς Οὐίτιγιν ἐβουλεύοντο τὰ παρόντα σφίσι. [2] καὶ ἐπεὶ αὐτῶν οὐδεὶς στέλλεσθαι ἐς ταύτην δὴ τὴν πρᾶξιν ἐτόλμα ἴλῃσειν γὰρ τοὺς πολιορκοῦντας οὐκ ἂν ποτε ᾤοντο, ἐπενόουν τάδε. [3] ἀσέλῃνον νύκτα τηρήσαντες καὶ τοὺς ἄνδρας ἐν παρασκευῇ ποιησάμενοι οὓς δὴ παρὰ τὸν Οὐίτιγιν πέμπειν διεννοοῦντο, γράμματά τε αὐτοῖς ἐν χερσὶ θέμενοι, ἐπειδὴ πόρρω ἦν τῶν νυκτῶν, ἐβόων ἅπαντες πολλαχῇ τοῦ περιβόλου ἐξαίσιον. [4] εἶκασεν ἂν τις ἐς ταραχὴν αὐτοὺς καταστῆναι λίαν τε σφίσιν ἐγκειμένων τῶν πολεμίων καὶ παρὰ δόξαν ἀλίσκομένης τῆς πόλεως: [5] οὐκ ἔχοντες δὲ παντάπασι Ῥωμαῖοι ξυμβαλεῖν τὸ γινόμενον, Βελισαρίου γνώμῃ ἐν τοῖς στρατοπέδοις ἡσυχῇ ἔμενον, ἔκ τε τῆς πόλεως ἐπιβουλήν τινα ὑποτοπάσαντες ἔσεσθαι καὶ στρατὸν ἐκ Ῥαβέννης ἐπιβεβοηθηκότα τοῖς πολεμίοις ἐπὶ σφᾶς ἥκειν. ἃ δὴ δεδιότες ᾤοντο ἄμεινον σφίσιν εἶναι ἐν τῷ ἀσφαλεῖ ἡσυχάζουσι διασωῆσθαι ἢ ἐς προὔπτον τινα κίνδυνον ἐν νυκτὶ ἀσελῇν χωρεῖν. [6] οὕτω γοῦν οἱ βάρβαροι λαθόντες τοὺς πολεμίους ἐπὶ

Ῥαβέννης τοὺς ἄνδρας ἔπεμψαν. οἱ οὐδενὸς πολεμίου ἄνδρὸς ἐς ὅσιν ἐλθόντες παρὰ τε Οὐίτιγιν τριταῖοι ἀφίκοντο καὶ τὰ γράμματα ἔδειξαν. [7] ἐδήλου δὲ ἡ γραφὴ τάδε: ‘Ἡνίκα ἡμᾶς, ὦ βασιλεῦ, ἐς τὴν ἐν Αὐξίμῳ φρουρὰν καθίστης, τὰς κλεῖς ἔφησθα παρακαταθέσθαι ἡμῖν Ῥαβέννης τε αὐτῆς καὶ τῆς βασιλείας τῆς σῆς. [8] διὸ δὴ ἐπήγγελλες ἡμῖν παντὶ σθένει φυλάσσεσθαι, ὅπως μὴ τὸ καθ’ ἡμᾶς μέρος παραδῶμεν τοῖς πολεμίοις τὸ Γότθων κράτος, ἰσχυρίζου τε δεομένοις ἡμῖν παντὶ τῷ στρατῷ παρέσεσθαι αὐτεπάγγελτος. [9] ἡμεῖς μὲν οὖν ἄχρι τοῦδε λιμῷ τε καὶ Βελισαρίῳ μαχόμενοι πιστοὶ φύλακες τῆς σῆς βασιλείας γεγόναμεν, σὺ δὲ οὐδὲ ὅπωςτιοῦν ἡμῖν βοηθεῖν ἔγνωκας. [10] λογίζου τοίνυν μὴ ποτε Αὐξιμον ἐλόντες Ῥωμαῖοι καὶ τὰς κλεῖς ἀνελόμενοι, ὧν αὐτὸς ἐνταῦθα κειμένων ὑπερορᾷς, οὐδενὸς τῶν σῶν ἀποκεκλεισμένοι τὸ λοιπὸν ὦσι.’ τὰ γράμματα μὲν τοσαῦτα ἐδήλου. [11] Ἐπεὶ δὲ αὐτὰ Οὐίτιγίς ἀπενεχθέντα εἶδεν, ἐν μὲν τῷ παραντίκα τοὺς ἄνδρας πάσῃ τῇ Γότθων στρατιᾷ βοηθήσειν Αὐξίμῳ ὑποσχόμενος ἀπεπέμψατο, μετὰ δὲ πολλὰ λογισάμενος ἡσυχίαν ἤγε. [12] τοὺς τε γὰρ ἀμφὶ τὸν Ἰωάννην ὑπώπτευε μὴ κατὰ νότου σφίσιν ἐπισπόμενοι ἐν ἀμφιβόλῳ ποιήσωνται, καὶ πολλὴν οἰόμενος ξὺν Βελισαρίῳ μαχίμων ἀνδρῶν δύναμιν εἶναι ἐς ἀμήχανόν τι δέος ἐξέπιπτε. [13] μάλιστα δὲ ἀπάντων ὁ λιμὸς αὐτὸν ξυνετάρασσεν, οὐκ ἔχοντα ὄθεν ἂν τὰ ἐπιτήδεια τῷ στρατοπέδῳ πορίζηται. [14] οἱ μὲν γὰρ Ῥωμαῖοι ἄτε θαλασσοκρατοῦντες καὶ τὸ ἐν Ἀγκῶνι φρούριον ἔχοντες, τὰ ἀναγκαῖα πάντα ἐκ τε Σικελίας καὶ Καλαβρίας ἐνταῦθα κατατιθέμενοι ἐς καιρὸν ἐνθένδε εὐπετῶς ἔφερον. [15] Γότθοις δὲ στρατεύουσιν ἐς Πικηνῶν τὴν χώραν πόρον οὐδένα τῶν ἐπιτηδείων ἐννοῶν ἔσεσθαι ἐς ἀμηχανίαν καθίστατο. [16] Οὐιτιγίδος μὲν οὖν τὴν ὑπόσχεσιν λαθόντες τοὺς πολεμίους ἐς Αὐξιμον ἤνεγκαν οἱ πρόων ἐς αὐτὸν ἐνθένδε σταλέντες καὶ βαρβάρους τοὺς ἐνταῦθα κεναῖς ἐλπίσιν ἐπέρρωσαν. [17] Βελισάριος δὲ ταῦτα πρὸς τῶν αὐτομόλων ἀκούσας ἔτι μᾶλλον ἐς τὸ ἀκριβὲς φυλακὴν ἐκέλευε ποιεῖσθαι, ὅπως μὴ τι συμβαίῃ καὶ αὐθις τοιοῦτο. ταῦτα μὲν ἐγένετο τῇδε. [18] Οἱ δὲ ἀμφὶ Κυπριανὸν καὶ Ἰουστῖνον Φισούλαν πολιορκοῦντες τῷ μὲν περιβόλῳ προσβάλλειν ἢ ἄγχιστά που αὐτοῦ ἰέναι οὐδαμῇ εἶχον: δυσπρόσοδον γὰρ τοῦτο πανταχόθεν τὸ φρούριον ἦν. τῶν δὲ βαρβάρων σφίσι συχνὰ ἐπεξιόντων μάχῃ τε μᾶλλον διακρίνεσθαι πρὸς αὐτοὺς ἐθελόντων ἢ τῶν ἀναγκαίων τῇ ἀπορίᾳ πύξεσθαι, ἀγχώμαλοι μὲν αἱ ξυμβολαὶ τὰ πρῶτα ἐγίνοντο, ἔπειτα δὲ πλέον ἤδη Ῥωμαῖοι ἔχοντες ἔς τε τὸ τεῖχος τοὺς πολεμίους κατέκλεισαν καὶ ἀσφαλῶς διεφύλασσον, [19] ὥστε μηδένα πῃ ἐνθένδε ἰέναι. οἱ μὲν οὖν βάρβαροι τῶν τε ἀναγκαίων σπανίζοντες καὶ τοῖς παροῦσιν ἀπορούμενοι, λαθόντες τοὺς πολεμίους παρὰ τὸν Οὐίτιγιν ἔπεμπον, βοηθεῖν σφίσιν αὐτοῖς κατὰ τάχος δεόμενοι, ὥς οὐκέτι πλείω τινὰ ἀνθέξουσι χρόνον. [20] Οὐίτιγίς δὲ Οὐραῖαν ἐκέλευε ξὺν τῷ ἐν Λιγούροις στρατῷ ἐς Τικινοὺς ἰέναι: οὕτω γὰρ καὶ αὐτὸς ἰσχυρίζετο πάσῃ τῇ Γότθων δυνάμει τοῖς πολιορκουμένοις παρέσεσθαι. [21] ὁ δὲ κατὰ ταῦτα ἐποίει καὶ ἅπαν κινήσας τὸ ξὺν αὐτῷ στράτευμα ἐς Τικινοὺς ἦει: Πάδον τε ποταμὸν διαβάντες ἐγγὺς που τοῦ τῶν Ῥωμαίων στρατοπέδου ἦλθον. [22] οὗ δὴ καὶ αὐτοὶ στρατοπεδευσάμενοι ἀντεκάθηντο τοῖς πολεμίοις, ἀπέχοντες αὐτῶν μάλιστα ὅσον σταδίους ἐξήκοντα. χειρῶν δὲ οὐδέτεροι

ἥρχον. [23] τοῖς τε γὰρ Ῥωμαίοις ἔδοξεν ἀποκρῆν, εἰ τοῖς ἐναντίοις ἐμποδῶν στήσονται, ὥστε μὴ ἐπὶ τοὺς πολιορκοῦντας πορεύεσθαι, καὶ οἱ βάρβαροι ἐνταῦθα ὥκνουν διαμάχεσθαι τοῖς πολεμίοις, λογιζόμενοι ὥς, ἣν ἐν ταύτῃ τῇ ξυμβολῇ ἀτυχήσωσιν, ἅπαντα Γότθων διαφθεροῦσι τὰ πράγματα. [24] οὐ γὰρ ἔτι τοῖς ἀμφὶ τὸν Οὐίττιγιν ἐπιμεινόμενοι ἀμύνειν τοῖς πολιορκουμένοις ξὺν αὐτῷ ἔξουσι. τοιαύτῃ μὲν γνώμῃ ἐκάτεροι ἡσυχίαν ἤγον.

Ἐν τούτῳ δὲ Φράγγοι κεκακῶσθαι τῷ πολέμῳ Γότθους τε καὶ Ῥωμαίους ἀκούσαντες καὶ δι' αὐτὸ ῥᾶστα ἂν οἰόμενοι Ἰταλίας τὰ πολλὰ σφίσιν αὐτοῖς προσποιήσασθαι, δεινὰ ἐποιοῦντο, εἰ πόλεμον μὲν ἕτεροι ἐς τοσόνδε χρόνον διαφέρουσι μῆκος περὶ χώρας ἀρχῇ οὕτω δὴ αὐτοῖς ἐν γειτόνων οὔσης, αὐτοὶ δὲ ἡσυχῇ μένοντες ἀμφοτέροις ἐκποδῶν στήσονται. [2] ὄρκων τοίνυν ἐν τῷ παραιτίῳ καὶ ξυνηκῶν ἐπιλελησμένοι, αἵπερ αὐτοῖς ὀλίγῳ πρότερον πρὸς τε Ῥωμαίους καὶ Γότθους ἐπεποιήντο ἔστι γὰρ τὸ ἔθνος τοῦτο τὰ ἐς πίστιν σφαλερώτατον ἀνθρώπων ἀπάντων ἐς μυριάδας δέκα εὐθὺς ξυλλεγνέτες, ἡγουμένου σφίσι Θεουδιβέρτου, ἐς Ἰταλίαν ἐστράτευσαν, ἱππέας μὲν ὀλίγους τινὰς ἀμφὶ τὸν ἡγούμενον ἔχοντες, [3] οἱ δὲ καὶ μόνοι δόρατα ἔφερον, οἱ λοιποὶ δὲ πεζοὶ ἅπαντες οὔτε τόξα οὔτε δόρατα ἔχοντες, ἀλλὰ ξίφος τε καὶ ἀσπίδα φέρων ἕκαστος καὶ ἐλέκυν ἓνα. οὗ δὲ ὁ μὲν σίδηρος ἀδρός τε καὶ ὀξὺς ἐκατέρωθι ἐς τὰ μάλιστα ἦν, ἡ λαβὴ δὲ τοῦ ξύλου βραχεῖα ἐς ἄγαν. [4] τοῦτον δὲ τὸν ἐλέκυν ρίπτοντες ἀεὶ ἐκ σημείου ἐνὸς εἰώθασιν ἐν τῇ πρώτῃ ὀρμῇ τάς τε ἀσπίδας διαρρηγνύναι τῶν πολεμίων καὶ αὐτοὺς κτείνειν. [5] Οὕτω μὲν Φράγγοι τὰς Ἀλπεῖς ἀμείναντες αἱ Γάλλους τε καὶ Ἰταλοὺς διορίζουσιν, ἐν Λιγούροις ἐγένοντο. [6] Γότθοι δὲ αὐτῶν πρότερον τῇ ἀγνωμοσύνῃ ἀχθόμενοι, ὅτι δὴ χώραν τε πολλὴν καὶ χρήματα ὑποσχομένοις μεγάλα πολλὰκις ὑπὲρ ξυμμαχίας προέσθαι τρόπῳ οὐδενὶ τὴν ὑπόσχεσιν ἐπιτελῇ ποιήσασθαι ἤθελον, ἐπεὶδὲ Θεουδιβέρτον παρεῖναι στρατῷ πολλῷ ἤκουσαν, ἔχαιρον ταῖς ἐλπίσιν ἐς τὰ μάλιστα ἐπαιρόμενοι καὶ τῶν πολεμίων ἀμαχητὶ περιέσεσθαι τὸ λοιπὸν ᾤοντο. [7] οἱ δὲ Γερμανοί, τέως μὲν ἐν Λιγούροις ἦσαν, οὐδὲν ἐς Γότθους ἄχαρι ἔπρασσον, ὅπως σφίσι μηδεμία κωλύμῃ ἐς τοῦ Πάδου τὴν διάβασιν πρὸς αὐτῶν γένηται. [8] ὥς δὲ ἴκοντο ἐς Τικινῶν πόλιν, ἵνα δὲ γέφυραν ἐς τὸν ποταμὸν τοῦτον ἐτεκτῆναντο οἱ πάλαι Ῥωμαῖοι, τὰ τε ἄλλα ὑπουργοῦν οἱ ταῦτα φυλάσσοντες καὶ τὸν Πάδον κατ' ἐξουσίαν διαβαίνειν εἶων. [9] ἐπιλαβόμενοι δὲ τῆς γεφύρας οἱ Φράγγοι παῖδάς τε καὶ γυναῖκας τῶν Γότθων οὐσπερ ἐνταῦθα εὖρον ἱερεῦόν τε καὶ αὐτῶν τὰ σώματα ἐς τὸν ποταμὸν ἀκροθίνια τοῦ πολέμου ἐρρίπτουν. [10] οἱ γὰρ βάρβαροι οὗτοι, Χριστιανοὶ γεγονότες, τὰ πολλὰ τῆς παλαιᾶς δόξης φυλάσσουσι, θυσίαις τε χρώμενοι ἀνθρώπων καὶ ἄλλα οὐχ ὅσια ἱερεύοντες, ταύτῃ τε τὰς μαντείας ποιοῦμενοι. [11] κατιδόντες δὲ Γότθοι τὰ ποιούμενα ἐς τε ἄμαχόν τι δέος κατέστησαν καὶ φυγῇ ἐχόμενοι ἐντὸς τοῦ περιβόλου ἐγένοντο. Οἱ μὲν οὖν Γερμανοὶ Πάδον ποταμὸν διαβάντες ἐς τὸ Γότθων στρατόπεδον ἦλθον, οἱ δὲ Γότθοι κατ' ἀρχὰς μὲν ἄσμενοι ἐθέωντο κατ' ὀλίγους αὐτοὺς ἐπὶ σφᾶς προσιόντας, ἐπὶ ξυμμαχία τῇ σφετέρᾳ τοὺς ἄνδρας ἤκειν οἰόμενοι. [12] ἐπεὶ δὲ ὁμιλος Γερμανῶν πολὺς ἐπιρρεύσας ἔργου τε εἶχοντο καὶ τοὺς πελέκους ἐσακοντίζοντες συγχονὺς ἤδη ἐσίνοντο, στρέψαντες τὰ νῶτα ἐς φυγὴν ὥρμηντο, καὶ διὰ τοῦ Ῥωμαίων

στρατοπέδου ἰόντες τὴν ἐπὶ Ῥάβενναν ἔθεον. [13] φεύγοντάς τε αὐτοὺς ἰδόντες Ῥωμαῖοι Βελισάριον ἐπιβεβοηθηκότα σφίσιν ᾤοντο ἐλεῖν τὸ τῶν πολεμίων στρατόπεδον, ἐνθὲνδε τε αὐτοὺς ἐξελάσαι μάχῃ νικήσαντα. ᾧ δὴ ξυμμίξαι βουλόμενοι ἄραντες τὰ ὄπλα κατὰ τάχος ἦσαν. [14] ἐντυχόντες δὲ παρὰ δόξαν πολεμίων στρατῷ οὗτι ἐθελοῦσι οἱ ἐς χεῖρας ἦλθον, παρὰ πολὺ τε ἡσσηθέντες τῇ μάχῃ ἐς μὲν τὸ στρατόπεδον ἀναστρέφειν οὐκέτι εἶχον, ἐπὶ Τουσκίαν δὲ ἅπαντες ἔφευγον. [15] ἐν τε τῷ ἀσφαλεῖ ἤδη γενόμενοι ἅπαντα ἐς Βελισάριον τὰ ξυμπεσόντα σφίσιν ἀνήνεγκαν. [16] Φράγγοι δὲ ἀμφοτέρους, ὥσπερ ἐρρήθη, νενικηκότες, τὰ τε στρατόπεδα ἐκάτερα ἐλόντες παντάπασιν ἀνδρῶν ἔρημα, ἐν μὲν τῷ παραντίκα τὰ ἐπιτήδεια ἐνταῦθα εὖρον, δι' ὀλίγου δὲ ἅπαντα διὰ πολυανθρωπίαν δαπανήσαντες, ἄλλο τι οὐδὲν ἐν χώρᾳ ἐρήμῳ ἀνθρώπων ὅτι μὴ βόας τε καὶ τοῦ Πάδου τὸ ὕδωρ προσφέρεσθαι εἶχον. [17] ταῦτα τὰ κρέα τῇ τοῦ ὕδατος περιουσίᾳ καταπέψαι οὐχ οἷοί τε ὄντες γαστρός τε ῥύσει καὶ δυσεντερίας νόσῳ οἱ πλεῖστοι ἡλίσκοντο, ὧν δὴ ἀπαλλάσσεσθαι ἀπορία τῶν ἐπιτηδείων ὥς ἥκιστα ἴσχυον. [18] φασὶ γοῦν τὸ τριτημόριον τοῦ Φράγγων στρατοῦ τῷ τρόπῳ τούτῳ ἀπολωλέναι. διὸ δὴ περαιτέρω ἰέναι οὐδαμῇ ἔχοντες αὐτοῦ ἔμενον. [19] Βελισάριος δὲ Φράγγων τε στρατὸν παρεῖναι ἀκούσας καὶ τοὺς ἀμφὶ Μαρτίνον τε καὶ Ἰωάννην μάχῃ ἡσσηθέντας φυγεῖν ἐς ἀμυχανίαν κατέστη, περὶ τε τῇ πάσῃ στρατιᾷ δείσας καὶ διαφερόντως περὶ τοῖς ἐν Φισούλῃ πολιορκουσιν, ἐπεὶ αὐτῶν μάλιστα ἐγγυτέρῳ τούτους δὴ τοὺς βαρβάρους ἐπύθετο εἶναι. αὐτίκα δὴ πρὸς Θευδίβερτον ἔγραψε τάδε: [20] “Ἄνδρα μὲν ἀρετῆς μεταποιούμενον μὴ οὐχὶ ἀψευδεῖν, ἄλλως τε καὶ ἄρχοντα ἔθνων τοσούτων τὸ πλῆθος, οἶμαι, ὃ γενναῖε Θευδίβερτε, [21] οὐκ εὐπρεπὲς εἶναι. τὸ δὲ καὶ ὄρκους ἀδικοῦντας ἐν γράμμασι κειμένους περιορᾶν τὰ ξυγκείμενα οὐδ' ἂν τοῖς τῶν ἀνθρώπων ἀτιμοτάτοις ἐπιτηδεύεις ἔχοι. ἅπερ αὐτὸς ἐν γε τῷ παρόντι ἐξαμαρτάνων οἶσθα, καίτοι ὁμολογήσας ἐναγχος πόλεμον ἡμῖν ἐπὶ Γότθους τόνδε ξυλλήψεσθαι. [22] νῦν δὲ οὐχ ὅσον ἀμφοτέροις ἐκποδὼν ἔστηκας, ἀλλὰ καὶ ὄπλα οὕτως ἀνεπισκέπτως ἀράμενος ἐφ' ἡμᾶς ἤκεις. μὴ σύ γε, ὃ βέλτιστε, καὶ ταῦτα ἐς βασιλέα μέγαν ὑβρίζων, ὃν δὴ πού τὴν ὕβριν μὴ λίαν ἐν τοῖς μεγίστοις ἀμείψεσθαι οὐκ εἰκὸς εἶη. [23] κρεῖσσον δὲ τὰ οἰκεῖα ἀσφαλῶς αὐτόν τινα ἔχειν ἢ τῶν οὐ προσηκόντων μεταποιούμενον ἐς κίνδυνόν τινα ὑπὲρ τῶν ἀναγκαιοτάτων καθίστασθαι.” [24] ταύτην ἐπεὶ Θευδίβερτος τὴν ἐπιστολὴν ἀνελέξατο, τοῖς τε παροῦσιν ἀπορούμενος ἤδη καὶ πρὸς Γερμανῶν κακιζόμενος, ὅτι δὴ ἐξ οὐδεμιᾶς προφάσεως θνήσκοιεν ἐν χώρᾳ ἐφήμῳ, ἄρας τοῖς περιουσί τῶν Φράγγων ἐπὶ οἴκου ξὺν τάχει πολλῷ ἀπεχώρησεν.

Οὕτῳ μὲν Θευδίβερτος στρατεύσας ἐς Ἰταλίαν τὴν ἄφοδον ἐποιήσατο. οἱ τε ἀμφὶ Μαρτίνον καὶ Ἰωάννην ἀνέστρεψαν οὐδὲν τι ἦσσαν, ὅπως μὴ τινα οἱ πολέμιοι ἔφοδον ἐπὶ σφῶν τοὺς πολιορκοῦντας ποιήσονται. [2] Γότθοι δὲ οἱ ἐν Αὐξίμῳ, Φράγγων μὲν ἀφίξεως πέρι οὐδὲν πεπυσμένοι, ἀπειρηκότες δὲ πρὸς τὴν ἐκ Ῥαβέννης ἐλπίδα οὕτῳ μέλλουσαν, αὐθις μὲν Οὐίτιγιν διανοοῦντο μαρτύρεσθαι, λαθεῖν δὲ τῶν πολεμίων τὴν φυλακὴν οὐχ οἷοί τε ὄντες ἐπένθουν. [3] μετὰ δὲ τῶν τινα Ῥωμαίων, Βέσον γένος Βουρκέντιον ὄνομα, ὑπὸ Ναρσῆ τεταγμένον τῷ Ἀρμενίῳ, μόνον ἰδόντες ἐς μέσσην ἡμέραν φυλακὴν

ἔχοντα, ὥς μή τις ἐκ τῆς πόλεως ἐπὶ τὴν πόαν ληψόμενος ἴοι, ἔς τε λόγους αὐτῷ ξυνήλθον ἐγγυτέρω ἦκοντες καὶ τὰ πιστὰ δόντες ὥς οὐδὲν ἐς αὐτὸν κακουργήσωσι ξυγγενέσθαι σφίσιν ἐκέλευον, ἔσεσθαι οἱ μεγάλα ἐπαγγειλαμένοις παρὰ σφῶν χρήματα. [4] καὶ ἐπειδὴ ἐν τῷ αὐτῷ ἐγένοντο, ἐδέοντο τοῦ ἀνθρώπου οἱ βάρβαροι ἐπιστολὴν τινα ἐς Ῥάβενναν διακομίσαι, τάξαντες μὲν οἱ ἐν τῷ παραυτίκα χρυσίον ῥητόν, πλέον δὲ ὑποσχόμενοι δώσειν, ἐπειδὴ σφίσιν Οὐιτιγίδος γράμματα ἐπανήκοι φέρων. [5] τοῖς δὲ χρήμασιν ὁ στρατιώτης ἀναπεισθεὶς ὑπουργήσῃν τε ὠμολόγησε ταῦτα καὶ ἐπιτελὴ ἐποίησε τὴν ὑπόσχεσιν. γράμματα γοῦν κατασσεσημασμένα λαβὼν ἐς Ῥάβενναν κατὰ τάχος ἀφίκετο. καὶ Οὐιτιγίδι ἐς ὄφιν ἔλθων τὴν ἐπιστολὴν ἐνεχείρισεν. [6] ἐδήλου δὲ τάδε: “Ὅπη μὲν ἡμῖν τὰ παρόντα ἔχει σαφῶς εἴσεσθε, πυνθανόμενοι ὅστις ποτὲ ὁ τῆς ἐπιστολῆς παραπομπὸς εἴη. [7] Γόθῳ γὰρ ἀνδρὶ ἔξω γενέσθαι τοῦ περιβόλου ἀμήχανά ἐστι. τῶν δὲ βρωμάτων ἡμῖν τὸ εὐπορώτατον ἢ παρὰ τὸ τεῖχος πόα τυγχάνει οὔσα, ἥς γε ἡμῖν οὐδὲ ὅσον ἄψασθαι τανῦν ἔξεστιν, ὅτι μὴ πολλοὺς ἀποβάλλουσιν ἐν τῷ ὑπὲρ ταύτης ἀγῶνι. ταῦτα ἐς ὃ τι ἡμῖν τελευτήσῃ σέ τε χρὴ καὶ Γόθους τοὺς ἐν Ῥαβέννῃ λογίζεσθαι.” [8] Ταῦτα ἐπεὶ ὁ Οὐιτιγὶς ἀνελέξατο, ἀμείβεται ὥδε: “Ἀναπεπτωκέναι δὲ ἡμᾶς, ὃ φίλτατοι ἀνθρώπων ἀπάντων, οἰέσθω μηδεὶς, μηδὲ ἐς κακίας τοσόνδε ἦκειν ὥστε ῥαθυμία τὰ Γόθων καταπροΐεσθαι πράγματα. [9] ἐμοὶ γὰρ ἔναγχος ἦ τε τῆς ἐξόδου παρασκευὴ ὥς ἐνὶ μάλιστα ἦσκητο καὶ Οὐραΐας παντὶ τῷ στρατῷ ἐκ Μεδιολάνου μετάπεμπος ἦλθεν. [10] ἀλλ’ ἡ Φράγγων ἔφοδος παραδόξως ἐπιτεσοῦσα πάντα ἡμῖν τὰ ἐν παρασκευῇ ἀνεχαίτισεν, ὧν ἔγωγε οὐκ ἂν τὴν αἰτίαν δικαίως φεροίμην. [11] ὅσα γὰρ μείζω ἢ κατὰ ἀνθρώπου δύναμιν ἐστὶ καὶ τοῖς ἐπτακόσι τοὺς ἀνεγκλήτοις εἶναι χαρίζεται, τῆς τύχης ἐφ’ αὐτὴν ἐπισπωμένης αἰεὶ τὰ ἐκ τῶν πεπραγμένων ἐγκλήματα. [12] νῦν μέντοι ‘καὶ γὰρ Θεουδιβερτον ἐκποδὼν ἡμῖν γεγενῆσθαι ἀκούομεν’ οὐκ ἐς μακρὰν ὑμῖν, ἂν θεὸς θέλῃ, πάσῃ τῇ Γόθων στρατιᾷ παρεσόμεθα. [13] χρὴ δὲ ὑμᾶς τὰ παραπίπτοντα φέρειν ἀνδρείως τε καὶ τῇ ἀνάγκῃ ἐπιτηδεύως, λογιζομένους μὲν τὴν ὑμετέραν ἀρετὴν, ἥς ἔνεκα ἐκ πάντων ἀπολέξας ὑμᾶς ἐν Αὐξίμῳ κατεστησάμην, αἰσχυνομένους δὲ τὴν δόξαν, ἣν Γόθοι ἅπαντες ἐφ’ ὑμῖν ἔχοντες Ῥαβέννης τε ὑμᾶς καὶ [14] τῆς σφῶν αὐτῶν σωτηρίας προβέβληνται.’ τοσαῦτα γράψας Οὐιτιγὶς καὶ χρήμασι πολλοῖς τὸν ἄνθρωπον δωρησάμενος ἀπεπέμψατο. ὃς δὴ ἐς Αὐξιμον ἀφικόμενος, παρὰ τε τοὺς ἐταίρους τοὺς αὐτοῦ ἦλθε καὶ ἀρρώστημα ὃ τι δὴ οἱ ξυμβεβηκέναι σκηψάμενος ἔς τε ἱερόν τι οὐκ ἄποθεν ὃν διὰ τοῦτο ἐσχολακέναι, κατέστη μὲν αὐθις ἐς τὴν φυλακὴν ἥπερ εἰώθει, λαθὼν δὲ ἅπαντας τοῖς πολεμίοις τὰ γράμματα ἔδωκεν: ἅπερ ἐς τὸ πλῆθος ἀναγνωσθέντα ἔτι μᾶλλον ἅπαντας, [15] καίπερ τῷ λιμῷ πιεζομένους, ἐπέρρωσε. διὸ δὴ προσχωρεῖν Βελισαρίῳ πολλὰ τιθασσεύοντι οὐδαμῇ ἠθέλον. αὐθις δὲ ‘οὐδὲ γὰρ σφίσι στράτευμα ἐκ Ῥαβέννης ἐξεληλυθὸς ἠγγέλλετο καὶ τῶν ἀναγκαίων τῇ ἀπορίᾳ ὑπερφυῶς ἦδη ἤχοντο Βουρκέντιον πάλιν πέμπουσι, τοῦτο ἐν γράμμασι δηλώσαντες μόνον, ὥς πέντε ἡμερῶν οὐκέτι τὸ λοιπὸν οἷοι τέ εἰσι τῷ λιμῷ μάχεσθαι. ὁ δὲ αὐτοῖς ἐπανήκεν αὐθις, Οὐιτιγίδος ἐπιστολὴν ἔχων ταῖς ὁμοίαις ἐλπίσιν αὐτοὺς ἀναρτῶσαν. [16]

Ῥωμαῖοι δὲ οὐδέν τι ἦσσαν ἀχθόμενοι, ὅτι δὴ ἐν χώρᾳ ἐρήμῳ μακρὰν οὕτω προσεδρεῖαν πεποιήνται, διηποροῦντο, οὐκ ἐνδιδόντας σφίσιν ἐν τοσοῦτοις κακοῖς τοὺς βαρβάρους ὀρῶντες. [17] διὸ δὴ Βελισάριος ἐν σπουδῇ ἐποιεῖτο ζῶντά τινα τῶν ἐν τοῖς πολεμίοις δοκίμων λαβεῖν, ὅπως ἂν γνοίῃ ὅτου δὴ ἔνεκα τὰ δεινὰ καρτεροῦσιν οἱ βάρβαροι, καὶ οἱ Βαλεριανὸς τὸ τοιοῦτον ὑπουργήσιν εὐπετῶς ὡμολόγει. [18] εἶναι γάρ τινας τῶν οἱ ἐπομένων ἐκ τοῦ Σκλαβηνῶν ἔθνους, οἱ κρύπτεσθαι τε ὑπὸ λίθῳ βραχεῖ ἢ φυτῷ τῷ παρατυχόντι εἰώθασιν καὶ ἀναρπάξαι ἀνδρα πολέμιον. [19] τοῦτό τε αἰεὶ παρὰ ποταμὸν Ἰστρον, ἔνθα ἴδρυνται, ἔς τε Ῥωμαίους καὶ τοὺς ἄλλους βαρβάρους ἐνδείκνυνται. ἦσθη τῷ λόγῳ Βελισάριος καὶ τοῦ ἔργου ἐπιμελεῖσθαι κατὰ τάχος ἐκέλευε. [20] Βαλεριανὸς οὖν ἀπολέξας τῶν Σκλαβηνῶν ἓνα σώματός τε μεγέθους περί εὗ ἦκοντα καὶ διαφερόντως δραστήριον, ἀνδρα πολέμιον ἄγειν ἐπέστελλε, χρήματά οἱ μεγάλα πρὸς Βελισαρίου ἰσχυρισάμενος ἔσσεσθαι. [21] δράσειν δὲ τοῦτο αὐτὸν ἐν τῷ χωρίῳ εὐπετῶς ἔφασκεν οὐπὲρ ἡ πόα τυγχάνει οὔσα: χρόνου γὰρ πολλοῦ ταύτῃ τοὺς Γότθους ἀπορία τῶν ἀναγκαίων σιτίζεσθαι. [22] ὁ μὲν οὖν Σκλαβηνὸς ὀρθρου βαθέος ἄγχιστα τοῦ περιβόλου γενόμενος, ἐν θάμνῳ τινὶ ἐγκαλυψάμενός τε καὶ τὸ σῶμα ἐς ὀλίγον ξυναγαγὼν ἀμφὶ τὴν πόαν ἐκρύπτετο. [23] ἅμα δὲ ἡμέρᾳ Γότθος ἀνὴρ ἐνταῦθα ἦκων τὰς βοτάνας κατὰ τάχος ξυνέλεγεν, ἐκ μὲν τοῦ θάμνου ὑποτοπάζων οὐδὲν ἄχαρι, συχνὰ δὲ περισκοπῶν ἐς τὸ τῶν ἐναντίων στρατόπεδον, μή τις ἐνθένδε ἐς αὐτὸν ἴοι. [24] καὶ οἱ ἐπιπεσὼν ὀπισθεν ὁ Σκλαβηνὸς ἐκ τοῦ αἰφνιδίου ἀνάρπαστον ἐποιήσατο, σφίγγων τε μέσον καρτερῶς χερσὶν ἀμφοτέραις τὸν ἄνθρωπον, ἔς τε τὸ στρατόπεδον ἦνεγκε καὶ φέρων Βαλεριανῷ ἐνεχείρισεν. [25] ὃ δὴ πυνθανομένῳ, ὅτῳ ποτὲ Γότθοι πιστεύοντες καὶ τί τὸ ἐχυρὸν ἔχοντες ἦκιστα ἐθέλουσι προσχωρεῖν σφίσιν, ἀλλ' ἐκούσιοι τὰ δεινότατα ἐγκαρτεροῦσι, τὸν πάντα λόγον ἀμφὶ τῷ Βουρκεντίῳ ὁ βάρβαρος ἔφρασε καὶ αὐτόν οἱ ἐς ὅσιν ἦκοντα ἤλεγχε. [26] ὁ δὲ Βουρκέντιος, ἐπεὶ ἔκπυστος ἤδη γεγονῶς ἦσθετο, οὐδὲν τῶν πεπραγμένων ἀπέκρυψε. διὸ δὴ Βελισάριος μὲν τοῖς ἐταίροις αὐτὸν ὅτι βούλονται παρέδωκε χρῆσθαι, οἱ δὲ αὐτὸν ζῶντα οὐκ ἐς μακρὰν ἔκαυσαν, θεωμένων τὰ ποιούμενα τῶν πολεμίων. Βουρκέντιος μὲν οὕτω τῆς φιλοχρηματίας ἀπέλαυσε.

Βελισάριος δὲ οὐδέν τι ἦσσαν ἀντέχοντας τῇ ταλαιπωρίᾳ τοὺς βαρβάρους ὀρῶν ἐς τοῦ ὕδατος καθίστασθαι τὴν ἐπιβουλὴν διενοεῖτο, ταύτῃ ῥᾶθιν τε καὶ εὐπωρότερον αἰρήσειν τοὺς πολεμίους οἰόμενος. [2] καί, ἦν γάρ τις κρήνη Αὐξίμου πρὸς βορρᾶν ἄνεμον ἐν χώρῳ κρημνῶδει, τοῦ περιβόλου ἀπέχουσα ὅσον λίθου βολήν, κατὰ βραχὺ μάλιστα τὸν ροῦν ἀφιεῖσα ἐς τινα δεξαμενὴν αὐτόθι ἐκ παλαιοῦ οὔσαν, ἣ τε δεξαμενὴ πλήρης γεγενημένη ἐκ ταύτης δὴ τῆς ὀλίγης ἐπιρροῆς παρείχετο πόνῳ οὐδενὶ τοῖς ἐν Αὐξίμῳ ὑδρεύεσθαι, ἐννοιά τις Βελισαρίῳ ἐγένετο ὥς, ἦν μὴ τὸ ὕδωρ ἐνταῦθα ξυσταίῃ, οὐ μὴ ποτε οἰοί τε ὅσιν οἱ βάρβαροι πρὸς τῶν πολεμίων βαλλόμενοι ἐν χρόνῳ πολλῷ ἀπὸ τῆς ἐπιρροῆς τοὺς ἀμφορέας ἐμπλήσασθαι. [3] διαφθεῖραι γοῦν ἐθέλων τὴν δεξαμενὴν ἐπενόει τάδε. ἐξοπλίσας τὸ στράτευμα ὅλον, κύκλῳ τε αὐτὸ ἀμφὶ τὸν περίβολον ὥς ἐς μάχην ταξάμενος, δόκησιν τοῖς ἐναντίοις παρείχετο ὥς τῷ τειχίσματι προσβαλεῖν αὐτίκα δὴ μάλα πανταχόθεν μέλλοι. [4] διὸ δὴ

κατωρρωδηκότες τὴν ἔφοδον οἱ Γότθοι ἐν ταῖς ἐπάλξεσιν ἡσυχῇ ἔμενον, ὡς ἐνθένδε ἀμυνόμενοι τοὺς πολεμίους. [5] ἐν τούτῳ δὲ Βελισάριος Ἰσαύρους πέντε τοὺς ἐς τὰς οἰκοδομίας ἐμπείρους ζῶν τε πελέκεσι καὶ ἄλλοις ὀργάνοις ἐς λίθων ἐκτομὰς ἐπιτηδείους ἐς τὴν δεξαμενὴν ἀσπίδων πλήθει κρυπτομένους ἐσήγαγε, διαφθεῖραί τε καὶ διελεῖν τοὺς τοίχους πάσῃ δυνάμει κατὰ τάχος ἐκέλευεν. [6] οἱ δὲ βάρβαροι τέως μὲν τοὺς ἄνδρας ἐπὶ τὸ τεῖχος ὑπώπτευον ἰέναι, ἡσυχίαν ἦγον, ὅπως ἂν ὡς ἀγχοτάτῳ γενομένους εὐπετῶς βάλλοιεν, ἐν νῷ τὸ ποιούμενον ἥκιστα ἔχοντες· ἐπεὶ δὲ τοὺς Ἰσαύρους ἐντὸς γενομένους τῆς δεξαμενῆς εἶδον, λίθους τε καὶ τοξεύματα πάντα ἐπ’ αὐτοὺς ἔβαλλον. [7] τότε δὴ οἱ μὲν ἄλλοι Ῥωμαῖοι ἅπαντες ὑπεχώρουν δρόμῳ, μόνοι δὲ οἱ πέντε Ἰσαυροὶ, ἐπεὶ ἐγένοντο ἐν τῷ ἀσφαλεῖ, ἔργου εἶχοντο· κύρτωμα γάρ τι ὑπὲρ τοῦ ὕδατος σκιᾶς ἔνεκα τοῖς πάλαι ἀνθρώποις τῇδε πεποιήται. [8] οὗ δὴ ἐντὸς γεγενημένοι ὡς ἥκιστα τῶν πολεμίων, καίπερ συχνὰ βαλλόντων, ἐφρόντιζον. [9] Διὸ δὴ οἱ Γότθοι ἐντὸς τοῦ περιβόλου μένειν οὐκέτι ἠνείχοντο, ἀλλὰ ἀνοίξαντες τὴν ταύτη πυλίδα ἐπὶ τοὺς Ἰσαύρους ἅπαντες θυμῷ τε πολλῷ καὶ θορύβῳ ἐχόμενοι ἦσαν. [10] καὶ οἱ Ῥωμαῖοι Βελισαρίου σφίσιν ἐγκελευομένου σπουδῇ πολλῇ ὑπηντίαζον. γίνεται μὲν οὖν μάχη καρτερὰ ἐν χρόνῳ πολλῷ ὠθισμὸν ἔχουσα καὶ φόνος ἐκατέρων πολὺς. [11] Ῥωμαίων δὲ μᾶλλον συχνοὶ ἔπιπτον. ἅτε γὰρ οἱ βάρβαροι ὑπερθεν ἀμυνόμενοι ὀλίγοι τε πολλοὺς ἐβιάζοντο καὶ τῷ ὠθισμῷ περιγενόμενοι πλείους ἔκτεινον ἢ αὐτοὶ ἔθνησκον. [12] ἐνδιδόναι μέντοι Ῥωμαῖοι οὐδαμῇ ἤθελον, παρόντα τε καὶ κραυγῇ ἐγκελευόμενον Βελισάριον αἰσχυνόμενοι. [13] τότε δὴ καὶ βέλος τι ἐπὶ τοῦ στρατηγοῦ τὴν γαστέρα ἦει ζὺν ροίζῳ πολλῷ, πρὸς τοῦ τῶν ἐναντίων, εἴτε τύχη τινὶ εἴτε προνοίᾳ ἐνταῦθα βληθέν. [14] ὅπερ Βελισάριος μὲν ὡς ἥκιστα εἶδεν. οὐ γὰρ οὖν οὔτε φυλάσσεσθαι οὔτε πη ἐκτρέπεσθαι ἴσχυσε. δορυφόρος δὲ τις Οὐνίγαστος ὄνομα παρ’ αὐτὸν ἐστηκὼς κατενόησέ τε οὐκ ἄποθεν ὃν τῆς Βελισαρίου γαστρός, καὶ χεῖρα τὴν δεξιὰν προβαλλόμενος ἔσωσε μὲν τὸν στρατηγὸν ἐκ τοῦ παραδόξου, αὐτὸς δὲ πληγὴς τῷ τοξεύματι εὐθὺς μὲν περιώδυνος γεγονὼς ἀνεχώρησε. [15] μετὰ δὲ τῶν νεύρων οἱ ἀποκοπέντων οὐκέτι τὴν χεῖρα ἐνεργεῖν ἴσχυσεν. ἥ τε μάχη πρῶι ἀρξαμένη ἐς μέσσην ἡμέραν ἀφίκετο. [16] Καὶ τῶν Ἀρμενίων ἄνδρες ἐπτὰ ὑπὸ τε Ναρσῇ καὶ Ἀρατίῳ τασσόμενοι ἔργα ἐπεδείξαντο ἀρετῆς ἄξια, ἔς τε τὴν δυσχωρίαν, ἣ μάλιστα ἀνάντης ἦν, ὥσπερ ἐν τῷ ὁμαλεῖ περιθέοντες καὶ κτείνοντες τῶν πολεμίων τοὺς ἀεὶ σφίσιν ἀντιστατοῦντας, ἕως διωσάμενοι τοὺς ἐκείνη βαρβάρους ἐτρέψαντο. [17] οἱ τε ἄλλοι Ῥωμαῖοι ἐνδιδόντας ὀρῶντες ἤδη τοὺς πολεμίους ἐδίωκον καὶ ἡ τροπὴ λαμπρὰ ἐγεγόνει, οἱ τε βάρβαροι αὐθις ἐντὸς τοῦ περιβόλου ἐγένοντο. [18] Ῥωμαῖοι μὲν οὖν τὴν τε δεξαμενὴν διεφθάρθαι καὶ τοῖς Ἰσαύροις ἅπαν ἐπιτετελέσθαι τὸ ἔργον ὦντο, οἱ δὲ οὐδὲ ὅσον χάλिका ἐνθένδε ἀφελέσθαι παντελὲς ἴσχυσαν. [19] οἱ γὰρ πάλαι τεχνῖται, ἀρετῆς ἐς τὰ ἔργα ἐπιμελούμενοι μάλιστα, οὕτω δὴ καὶ ταύτην τὴν οἰκοδομίαν εἰργάσαντο, ὥστε μήτε χρόνῳ μήτε ἀνθρώπων ἐπιβουλῇ εἵκειν. [20] ἄπρακτοι γοῦν οἱ Ἰσαυροὶ, ἐπεὶ τῶν Ῥωμαίων τοῦ χῶρου κρατήσαντας εἶδον, ἐκ τῆς δεξαμενῆς ἀπαλλαγέντες ἐς τὸ στρατόπεδον ἀπεχώρησαν. [21] διὸ δὴ Βελισάριος τῶν τε ζώων τὰ νεκρὰ καὶ βοτάνας ἐς ἀνθρώπου φθορὰν ἱκανῶς πεφυκυίας ρίπτειν

ἐν τῷ ὕδατι τοὺς στρατιώτας ἐκέλευε καὶ λίθον κατακεκαυμένην ἐνδελεχέστατα ἦν πάλαι μὲν τίτανον, τανῦν δὲ ἄσβεστον καλεῖν νενομίκασιν ἐμβαλόντας ἐνταῦθα σβεννύειν. [22] καὶ οἱ μὲν κατὰ ταῦτα ἐποίουν, οἱ δὲ βάρβαροι φρέατι ἐντὸς τοῦ περιβόλου ὕδωρ τι βραχὺ ὡς μάλιστα ἔχοντι ἐν τούτῳ δὴ τῷ χρόνῳ ἐλασσόνως ἢ κατὰ τὴν χρεῖαν ἐχρῶντο. [23] καὶ τὸ λοιπὸν Βελισάριος οὔτε βία τὸ χωρίον ἐλεῖν οὔτε τινα ἐπιβουλὴν ἐπιδείξασθαι ὕδατος πέρι ἢ ἄλλου ὁπουοῦν ἐν σπουδῇ ἐποιεῖτο, μόνῳ τῷ λιμῷ περιέσεσθαι τῶν πολεμίων ἐλπίδα ἔχων. [24] καὶ ἀπ' αὐτοῦ τῆς φυλακῆς ἰσχυρότατα ἐπεμελεῖτο. οἱ τε Γότθοι καταδοκοῦντες ἔτι τὸν ἐκ Ῥαβέννης στρατὸν ἐν πολλῇ ἀπορίᾳ τῶν ἀναγκαίων ἡσύχαζον. [25] Ἦδη δὲ οἱ ἐν Φισούλῃ πολιορκούμενοι ὡς μάλιστα τῷ λιμῷ ἐπιέζοντο, φέρειν τε τὸ κακὸν οὐχ οἷοί τε ὄντες, ἀπειπόντες δὲ καὶ πρὸς τὴν ἐκ Ῥαβέννης ἐλπίδα, τοῖς ἐναντίοις προσχωρεῖν ἔγνωσαν. [26] Κυπριανῷ τοίνυν καὶ Ἰουστίνῳ ἐς λόγους ἐλθόντες, τά τε πιστὰ ὑπὲρ τῶν σωμάτων λαβόντες, σφᾶς τε αὐτοὺς καὶ τὸ φρούριον ὁμολογία παρέδωκαν. καὶ αὐτοὺς οἱ ἀμφὶ Κυπριανὸν ζὺν τῷ Ῥωμαίων στρατῷ ἐπαγόμενοι, φρουράν τε αὐτάρκη ἐν Φισούλῃ καταστησάμενοι, ἐς Αὐξίμον ἦλθον. [27] Βελισάριος δὲ αὐτῶν τοὺς ἡγουμένους τοῖς ἐν Αὐξίμῳ βαρβάροις ἀεὶ ἐνδεικνύμενος ἐκέλευε τῆς ἀπονοίας μεθίεσθαι, τὴν ἐκ Ῥαβέννης ἀποσεισαμένους ἐλπίδα: ὄνησις γάρ τις οὐ μὴ ποτε οὐδὲ αὐτοῖς ἔσται, ἀλλ' ἐπὶ πλεῖστον τῇ ταλαιπωρίᾳ κεκακωμένοι οὐδὲν ἥσσον ἐς ταῦτόν τυχῆς τοῖς ἐν Φισούλῃ ἀφίζονται. [28] οἱ δὲ πολλὰ ἐν σφίσιν αὐτοῖς λογισάμενοι, ἐπειδὴ τῷ λιμῷ οὐκέτι ἀντεῖχον, τοὺς τε λόγους ἐνεδέχοντο καὶ παραδοῦναι τὴν πόλιν ἠξίου, ἐφ' ᾧ αὐτοὶ ἀπαθεῖς κακῶν ζὺν τοῖς χρήμασιν ἐπὶ Ῥαβέννης πορεύσονται. [29] διὸ δὴ Βελισάριος τοῖς παροῦσι διηπορεῖτο, πολεμίους μὲν τοιοῦτους τε τὴν ἀρετὴν καὶ τοσοῦτους τὸ πλῆθος τοῖς ἐν Ῥαβέννῃ ἀναμίγνυσθαι ἀζύμοφορον εἶναι οἰόμενος, τοῦ δὲ καιροῦ ὑστερήσαι ὡς ἥκιστα ἠθελεν, ἀλλ' ἐπὶ Ῥαβεννάν τε καὶ Οὐίττιγιν, ἠωρημένων ἔτι τῶν πραγμάτων, ἰέναι. [30] Φράγγοι γὰρ αὐτὸν ξυνετάρασσον, Γότθοις ἐς ἐπικουρίαν ἀφίξεσθαι αὐτίκα δὴ μάλα ἐπίδοξοι ὄντες. ὧν δὴ προτερῆσαι τὴν παρουσίαν ἐν σπουδῇ ἔχων διαλύειν τὴν προσεδρεῖαν μήπω Αὐξίμου ἀλούσης οὐχ οἷός τε ἦν. [31] οἱ τε στρατιῶται οὐκ εἶων συγχωρεῖν τοῖς βαρβάροις τὰ χρήματα, τραύματα μὲν πολλὰ ἐνδεικνύμενοι ὧνπερ ἐνταῦθα πρὸς αὐτῶν ἔτυχον, πόνους δὲ πάντα ἀπαριθμοῦντες τοὺς ἐν ταύτῃ σφίσι τῇ πολιορκίᾳ ξυμπεπτωκότας, ὧν δὴ ἅθλα εἶναι τῶν ἡσσημένων τὰ λάφυρα ἰσχυρίζοντο. [32] τέλος δὲ οἱ τε Ῥωμαῖοι καιροῦ ὀξύτητι ἀναγκασθέντες, καὶ Γότθοι τῷ λιμῷ βιαζόμενοι ξυνίασιν ἀλλήλοις, ἐφ' ᾧ τῶν μὲν χρημάτων τὰ ἡμίσεια Ῥωμαῖοι ἐν σφίσιν αὐτοῖς διανέμονται, τὰ δὲ λειπόμενα Γότθοι ἔχοντες βασιλέως κατήκοοι ᾤσιν. [33] ἑκάτεροι τοίνυν ὑπὲρ τούτων τὰ πιστὰ ἔδωκαν, Ῥωμαίων μὲν οἱ ἄρχοντες τὰ ξυγκείμενα κύρια εἶναι, Γότθοι δὲ τῶν χρημάτων οὐδ' ὅτιοῦν ἀποκρύψασθαι. [34] οὕτω τε δὴ τὰ χρήματα πάντα ἐνείμαντο καὶ Ῥωμαῖοι μὲν Αὐξίμον ἔσχον, οἱ δὲ βάρβαροι τῷ βασιλέως στρατεύματι ἀνεμίγνυντο.

Ἐπεὶ δὲ Βελισάριος Αὐξίμον εἶλε, Ῥαβενναν πολιορκεῖν ἐν σπουδῇ ἐποιεῖτο καὶ ἅπαν τὸ στράτευμα ἐνταῦθα ἐπῆγε. Μάγνον τε πέμψας ζὺν πλήθει πολλῷ ὑπὲρ Ῥαβέννης ἐκέλευε Πάδου τοῦ ποταμοῦ τὴν ὄχθην ἀεὶ

περιόντα φυλακὴν ἔχειν, ὅπως δὴ μὴ τὸ λοιπὸν ἐνθένδε οἱ Γότθοι τὰ ἐπιτήδεια ἐσκομίζωνται. [2] καὶ Βιτάλιος δέ οἱ ξὺν στρατῷ ἐκ Δαλματίας ἀφικόμενος ὄχθην τοῦ ποταμοῦ τὴν ἐτέραν ἐφύλασσε. ἐνταῦθα αὐτοῖς ξυνέβη τις τύχη, δήλωσιν ἀντικρυς ποιούμενη ὅτι δὴ αὐτὴ πρυτανεύει ἀμφοτέροις τὰ πράγματα. [3] συχνὰς γὰρ οἱ Γότθοι ἀκάτους πρότερον ἐν Λιγούροις συλλέξαντες ἐς τὸν Πάδον καθῆκαν, ὥσπερ ἐμπλησάμενοι σίτου τε καὶ τῶν ἄλλων ἐπιτηδίων πλεῖν ἐπὶ Ῥαβέννης διεννοοῦντο. [4] οὕτω δὲ τοῦ ποταμοῦ τούτου τὸ ὕδωρ ἐκείνῳ τῷ χρόνῳ ὑπέληγεν ὥστε αὐτοῦ ναυτίλλεσθαι τὸ παράπαν ἀδύνατα ἦν, ἕως ἐπελθόντες Ῥωμαῖοι τὰς ἀκάτους σὺν τοῖς φορτίοις ἅπασιν εἶλον. [5] ὁ τε ποταμὸς οὐ πολλῷ ὕστερον ἐς ροὴν ἐπανιών τὸν καθήκοντα ναυσίπορος τὸ λοιπὸν ἐγεγόνει. τοῦτο δὲ αὐτῷ ξυμβῆναι οὐ πώποτε πρότερον ἀκοῇ ἴσμεν. [6] ἥδη τε οἱ βάρβαροι ἤρξαντο τῶν ἐπιτηδίων ὑποσπανίζειν. οὔτε γὰρ διὰ κόλπου τι ἐσκομίζεσθαι τοῦ Ἰονίου εἶχον, θαλασσοκρατούντων πανταχῇ τῶν πολεμίων, καὶ τοῦ ποταμοῦ ἀπεκέκλειντο. [7] γνόντες δὲ οἱ Φράγγων ἄρχοντες τὰ ποιούμενα προσποιεῖσθαι τε τὴν Ἰταλίαν ἐθέλοντες, πρέσβεις παρὰ τὸν Οὐίτιγιν πέμπουσι, ξυμμαχίας ὑπόσχεσιν προτεινόμενοι, [8] ἐφ' ᾧ τῆς χώρας ξὺν αὐτῷ ἄρξουσιν. ὅπερ Βελισάριος ὡς ἤκουσε, πρέσβεις καὶ αὐτὸς ἀντεροῦντας Γερμανοῖς ἐπεμψεν ἄλλους τε καὶ Θεοδόσιον τὸν τῇ οἰκίᾳ τῇ αὐτοῦ ἐφεστῶτα. [9] Πρῶτοι μὲν οὖν οἱ Γερμανῶν πρέσβεις Οὐίτιγιδι ἐς ὅσιν ἐλθόντες ἔλεξαν τοιάδε: “Ἐπεμψαν ἡμᾶς οἱ Γερμανῶν ἄρχοντες, δυσχεραίνοντες μὲν ὅτι δὴ πρὸς Βελισαρίου πολιορκεῖσθαι ὑμᾶς ἤκουσαν, τιμωρεῖν δὲ ὑμῖν ὅτι τάχιστα κατὰ τὸ ξυμμαχικὸν ἐν σπουδῇ ἔχοντες. [10] τὸ μὲν οὖν στρατόπεδον ἀνδρῶν μαχίμων οὐχ ἦσσαν ἢ ἐς μυριάδας πεντήκοντα ἤδη που τὰς Ἀλπεῖς ὑπερβεβηκέναι οἴομεθα, οὐσπερ τοῖς πελέκεσι τὴν Ῥωμαίων στρατιὰν ξύμπασαν ἐν τῇ πρώτῃ ὁρμῇ καταχῶσιν αὐχοῦμεν. [11] ὑμᾶς δὲ οὐ τῶν δουλωσομένων τῇ γνώμῃ ἔπεσθαι ἄξιον, ἀλλὰ τῶν ἐς κίνδυνον πολέμου εὐνοία τῇ ἐς Γότθους καθισταμένῳ. [12] ἄλλως τε, ἢ μὲν τὰ ὅπλα ξὺν ἡμῖν ἔλησθε, οὐδεμία λελείπεται Ῥωμαίοις ἐλπίς ἀμφοτέροις τοῖς στρατεύμασιν ἐς χεῖρας ἰέναι, ἀλλ' αὐτόθεν πόνῳ οὐδενὶ ἀναδυσόμεθα τὸ τοῦ πολέμου κράτος. [13] ἢν δέ γε ξὺν Ῥωμαίοις τετάξονται Γότθοι, οὐδ' ὡς τῷ Φράγγῳ ἔθνη ἀνθεξουσιν· οὐ γὰρ ἐξ ἀντιπάλου τῆς δυνάμεως ὁ ἀγὼν ἔσται, ἀλλὰ περιέσται ὑμῖν τὸ ξὺν τοῖς πάντων πολεμιωτάτοις ἡσσησθαι. [14] ἐς προὔπτον δὲ κακὸν ἰέναι, παρὸν κινδύνου ἐκτὸς σώζεσθαι, πολλὴ ἄνοια. ὅλως δὲ ἄπιστον πᾶσι βαρβάροις τὸ Ῥωμαίων καθέστηκεν γένος, ἐπεὶ καὶ φύσει πολεμίων ἐστίν. [15] ἡμεῖς μὲν οὖν ξυνάροξομέν τε βουλομένοις ὑμῖν Ἰταλίας ἀπάσης καὶ τὴν χώραν διοικησόμεθα ὅπῃ ἂν δοκῇ ὡς ἄριστα ἔχειν. σὲ δὲ καὶ Γότθους ἐλέσθαι εἰκὸς ὅτι ἂν ὑμῖν ξυνοίσειν μέλλῃ.” Φράγγοι μὲν τοσαῦτα εἶπον. [16] Παρελθόντες δὲ καὶ οἱ Βελισαρίου πρέσβεις ἔλεξαν ὥδε: “Ὡς μὲν οὐδὲν ἂν τῷ βασιλέως στρατῷ λυμανεῖται τὸ Γερμανῶν πλήθος, ὅπερ οὗτοι δεδίττεσθαι ὑμᾶς ἀξιοῦσι, τί ἂν τις ἐν ὑμῖν μακρολογίῃ, οἷς γε διὰ μακρὰν ἐμπειρίαν ἅπασαν ἐξεπίστασθαι τὴν τοῦ πολέμου ροτὴν ξυμβαίνει, καὶ ὡς ἥκιστα ἀρετὴ ἀνθρώπων ὁμίλῳ φιλεῖ ἐλασσοῦσθαι; [17] ἐῷμεν γὰρ λέγειν ὡς καὶ πάντων μάλιστα βασιλεῖ πάρεστι πλήθει στρατιωτῶν περιεῖναι τῶν

πολεμίων. τὸ δὲ δὴ τούτων πιστόν, ᾧ χρησθαι αὐχοῦσιν ἐς πάντας βαρβάρους, μετὰ γε Θορίγγους καὶ τὸ Βουργουζιάνων ἔθνος, καὶ ἐς τοὺς ξυμμάχους ὑμᾶς παρὰ τῶν ἀνδρῶν ἐπιδέδεικται. [18] ὥς ἡμεῖς γε ἡδέως ἂν Φράγγους ἐροίμεθα τίνα ποτὲ μέλλοντες ὁμείσθαι θεὸν τὸ τῆς πίστεως ὑμῖν ἐχυρὸν ἰσχυρίζονται δώσειν. [19] τὸν γὰρ ἤδη αὐτοῖς ὁμωμοσμένον ὄντινα τετιμήκασι τρόπον ἐπίστασθε δὴ που: οἱ γε χρήματα μὲν τοσαῦτα τὸ πλῆθος, Γαλλίας δὲ ὅλας παρ' ὑμῶν ἐπὶ ξυμμαχία κεκομισμένοι οὐχ ὅσον ὑμῖν τοῦ κινδύνου συνάρασθαι οὐδαμῶς ἔγνωσαν, ἀλλὰ καὶ ὅπλα οὕτως ἀνέδην καθ' ὑμῶν εἶλοντο, εἴ τις ἐν ὑμῖν τῶν πρὸς τῷ Πάδῳ ξυμπεπτωκότων διασώζεται λόγος. [20] καὶ τί δεῖ τὰ φθάσαντα λέγοντας ἐλέγχειν τὸ τῶν Φράγγων ἀσέβημα; τῆς παρούσης αὐτῶν πρεσβείας οὐδὲν ἂν γένοιτο μιαιώτερον. [21] ὥσπερ γὰρ ἐπιλεησμένοι τῶν σφίσιν αὐτοῖς ὡμολογημένων τε καὶ ταῖς ξυνθήκαις ὁμωμοσμένων κοινωνεῖν τῶν πάντων ὑμῖν ἀξιοῦσιν. [22] ἦν δὲ καὶ τούτου παρ' ὑμῶν τύχωσιν, εἰς τί ποτε αὐτοῖς τελευτήσῃ τὸ τῶν χρημάτων ἀκόρεστον σκοπεῖσθαι προσήκει.' [23] Τοσαῦτα μὲν καὶ οἱ Βελισαρίου πρέσβεις ἔλεξαν. Οὐίτιγίς δὲ ξὺν Γότθων τοῖς ἀρίστοις πολλὰ κοινολογησάμενος τὰς τε πρὸς βασιλέα ξυνθήκας εἴλετο καὶ ἀπράκτους ἀπεπέμψατο τοὺς Γερμανῶν πρέσβεις. καὶ τὸ λοιπὸν Γότθοι μὲν καὶ Ῥωμαῖοι πρὸς ἀλλήλους ἐπεκηρυκεύοντο ἤδη, Βελισάριος δὲ οὐδέν τι ἥσσον ἐφύλασσε τοῦ μὴ τοὺς βαρβάρους τὰ ἐπιτήδεια ἐσκομίζεσθαι. [24] καὶ Βιτάλιον μὲν ἐς Βενετίους ἰόντα ὥς πλεῖστα ἐπάγεσθαι τῶν ἐκείνη χωρίων ἐκέλευεν, αὐτὸς δὲ Ἰλδίγερα πέμψας τὸν Πάδον ἐφύλασσε κατέρωθεν, ὅπως τε οἱ βάρβαροι μᾶλλον ἀπορία τῶν ἀναγκαίων ἐνδώσουσι καὶ τὰς ξυνθήκας ποιήσονται ἢ αὐτὸς βούλεται. [25] καὶ ἐπεὶ σῖτον πολλὸν ἐν δημοσίοις οἰκήμασιν ἔτι ἐντὸς Ῥαβέννης ἀποκεῖσθαι ἔγνω, τῶν τινα ταύτῃ ὤκημένων ἀνέπεισε χρήμασι ταῦτα δὴ τὰ οἰκήματα ξὺν τῷ σίτῳ λάθρα ἐμπρῆσαι. [26] φασὶ δὲ καὶ γνώμη Ματασοῦνθης, τῆς Οὐιτιγίδος γυναικός, ταῦτα ἀπολωλέναι. ἐπειδὴ τε ὁ σῖτος ἐκ τοῦ αἰφνιδίου ἐκέκαυτο, οἱ μὲν τινες ἐξ ἐπιβουλῆς γεγενῆσθαι τὸ ἔργον ὑπετόπαζον, οἱ δὲ κεραυνῷ τὸν χῶρον βεβλήσθαι ὑπόπτευνον. [27] ἐκάτερα δὲ λογιζόμενοι Γότθοι τε καὶ Οὐίτιγίς ἐς ἀμηχανίαν ἔτι μᾶλλον ἐνέπιπτον, οὐδὲ σφίσιν αὐτοῖς πιστεῦειν τὸ λοιπὸν ἔχοντες καὶ πρὸς τοῦ θεοῦ πολεμείσθαι οἰόμενοι. ταῦτα μὲν οὖν ταύτῃ ἐπράσσετο. [28] Ἐν δὲ Ἄλπεσιν αἱ Γάλλους τε καὶ Λιγούρους διορίζουσιν, ὥσπερ Ἄλπεις Κουτίας καλοῦσι Ῥωμαῖοι, φρουρία συχνὰ ξυμβαίνει εἶναι. [29] οὗ δὴ Γότθοι ἐκ παλαιοῦ πολλοὶ τε καὶ ἄριστοι, ξὺν τε γυναιξὶ καὶ παισὶ τοῖς αὐτῶν ὤκημένοι, φυλακὴν εἶχον, οὕσπερ ἐπεὶ οἱ βούλεσθαι Βελισάριος προσχωρεῖν ἤκουσε, τῶν οἱ ἐπομένων τινά, Θωμᾶν ὄνομα, ξὺν ὀλίγοις τισὶ παρ' αὐτοὺς ἐπεμψεν, ἐφ' ᾧ τὰ πιστὰ δόντες παραστήσονται ὁμολογίᾳ τοὺς ταύτῃ βαρβάρους. [30] καὶ αὐτοὺς ἐς τὰς Ἄλπεις ἀφικομένους Σίσιγίς, ὃς τῶν ἐνταῦθα φυλακτηρίων ἦρχεν, ἐνὶ τῶν φρουρίων δεξάμενος, αὐτὸς τε προσεχώρησε καὶ τῶν ἄλλων ἐκάστους εἰς τοῦτο ἐνήγεν. [31] ἐν τούτῳ δὲ Οὐραΐας τετρακισχιλίους Λιγούρους τε καὶ τῶν ἐν ταῖς Ἄλπεσι φρουρίων ἀπολεξάμενος, ἐπὶ Ῥάβενναν ὥς βοηθήσων κατὰ τάχος ἦει. [32] οὔτερ ἐπειδὴ τὰ Σισίγιδι πεπραγμένα ἐπίθοντο, ἀμφὶ τοῖς οἰκείοις δεδιότες, [33] ἐνταῦθα πρῶτον ἠξίουσαν ἰέναι. διὸ δὴ Οὐραΐας παντὶ τῷ

στρατῶ ἐς τὰς Ἀλπεῖς Κουτίας ἦλθε καὶ τὸν Σίσιγιν ζὺν τοῖς ἀμφὶ τὸν Θωμᾶν ἐπολιόρκει. ταῦτα Ἰωάννης τε, ὁ Βιταλιανοῦ ἀδελφιδοῦς, καὶ Μαρτίνος πυθόμενοι ἄγχοτάτω γὰρ Πάδου ποταμοῦ ὄντες ἐτύγγανον κατὰ τάχος ἐβοήθουν παντὶ τῷ στρατῷ καὶ τῶν ἐν ταῖς Ἀλπεσι φρουρίων τισὶν ἐξ ἐπιδρομῆς ἐπισκήψαντες εἶλον, καὶ τοὺς ἐνταῦθα ὤκημένους ἠνδραποδίσαντο, ἐν οἷς παῖδάς τε συχνοὺς καὶ γυναῖκας τῶν ὑπὸ τῷ Οὐραῖα στρατευομένων ξυνεπεσεν εἶναι. [34] πλεῖστοι γὰρ αὐτῶν ἐκ τούτων δὴ τῶν φρουρίων ὀρμώμενοι εἶποντο. [35] οἵπερ, ἐπεὶ ἀλῶναι τὰ σφέτερα αὐτῶν ἔμαθον, ἀποταξάμενοι τοῦ Γότθων στρατοπέδου ἐκ τοῦ αἰφνιδίου, τοῖς ἀμφὶ τὸν Ἰωάννην προσχωρεῖν ἔγνωσαν, καὶ ἀπ' αὐτοῦ Οὐραῖας οὔτε τι ἐνταῦθα ἀνύτειν οὔτε τοῖς ἐν Ῥαβέννη κινδυνεύουσι Γότθοις βοηθεῖν ἰσχυσεν, ἀλλὰ ἄπρακτος ἐς Λιγουρίαν ζὺν ὀλίγοις ἐλθὼν ἡσυχῇ ἔμενε. καὶ Βελισάριος κατ' ἐξουσίαν Οὐίτιγιν τε καὶ Γότθων τοὺς δοκίμους ἐν Ῥαβέννη καθεῖρξε.

Τότε δὲ καὶ πρέσβεις ἐκ βασιλέως ἀφίκοντο, Δόμνικός τε καὶ Μαξιμῖνος, ἐκ βουλῆς ἄμφω, ἐφ' ᾗ τὴν εἰρήνην κατὰ τάδε ποιήσονται: [2] Οὐίτιγιν μὲν πλούτου τὸ ἥμισυ τοῦ βασιλικοῦ φέρεσθαι, χώρας τε ἄρχειν ἢ ἐκτὸς Πάδου ποταμοῦ ἐστί: τῶν δὲ δὴ χρημάτων τὸ ἥμισυ βασιλέως εἶναι, καὶ αὐτὸν ὅσα ἐντὸς Πάδου ποταμοῦ ἐστὶν ὑπήκοα ἐς ἀπαγωγὴν φόρου ποιήσασθαι. [3] Βελισαρίῳ τε οἱ πρέσβεις τὰ βασιλέως γράμματα δειξάντες ἐς Ῥάβενναν ἐκομίσθησαν. μαθόντες δὲ Γότθοι καὶ Οὐίτιγίς ἐφ' ᾗ ἤκοιεν, ἄσμενοι κατὰ ταῦτα ὠμολόγησαν τὰς σπονδὰς θήσεσθαι. [4] ἅπερ ἀκούσας Βελισάριος ἡσχαλλεν, ἐν ξυμφορᾷ μεγάλῃ ποιούμενος, εἰ μὴ τις αὐτὸν ἐφῆ, παρὸν οὐδενὶ πόνῳ, τό τε κράτος τοῦ πολέμου παντὸς φέρεσθαι καὶ δορυάλωτον Οὐίτιγιν ἐς Βυζάντιον ἀγαγεῖν. [5] ἐπειδὴ τε οἱ πρέσβεις ἐκ Ῥαβέννης πρὸς αὐτὸν ἴκοντο, γράμμασιν οἰκείοις ἐπιρρῶσαι τὰς ξυνθήκας ἤκιστα ἠθέλεν. [6] ὥνπερ οἱ Γότθοι αἰσθόμενοι νῷ τε δολερῷ τὴν εἰρήνην σφίσι Ῥωμαίους προτείνεσθαι ὑπετόπαζον, καὶ ὑπονίᾳ ἐς αὐτοὺς μεγάλῃ ἐχρῶντο, ἄντικρὺς τε ἤδη ἔφασκον ἄνευ τῶν Βελισαρίου γραμμάτων τε καὶ ὄρκων οὔποτε ξυνθήκας πρὸς αὐτοὺς θήσεσθαι. [7] Ἀκούσας δὲ βελισάριος λοιδορεῖσθαι οἱ τῶν ἀρχόντων τινάς, ὡς δὴ ἐπιβουλεύων τοῖς βασιλέως πράγμασι τὸν πόλεμον καταλύειν οὐδαμῶς Βούλοίτο, ξυγκαλέσας ἅπαντας, Δομνίκου τε καὶ Μαξιμίνου παρόντων, ἔλεξε τοιάδε: [8] Ἐπὶ τὴν μὲν τοῦ πολέμου τύχην ἐν τῷ ἀσφαλεῖ ὡς ἤκιστα ἐστάναι αὐτός τε οἶδα καὶ ὑμῶν ἕκαστον ταυτά μοι γινώσκειν ὑπὲρ αὐτῆς οἶμαι. [9] πολλοὺς τε γὰρ ἐπίδοξος, ὅτι δὴ ἐς αὐτοὺς ἀφίξεται, οὔσα ἢ τῆς νίκης ἐλπίς ἔσφηλε, καὶ τοῖς ἡτυχηκένοι δοκοῦσι τῶν ἐχθρῶν ἤδη παρὰ δόξαν περιεῖναι ξυνέβη. [10] διὸ δὴ φημι χρῆναι τοὺς ὑπὲρ τῆς εἰρήνης βουλευομένους οὐ τὴν ἀγαθὴν ἐλπίδα προβάλλεσθαι μόνον, ἐφ' ἐκάτερα δὲ τὴν ἀπόβασιν ἔσσεσθαι σφίσιν ἐν νῷ ἔχοντας, οὕτω τὴν αἵρεσιν ποιεῖσθαι τῆς γνώμης. [11] τούτων δὲ τοιούτων ὄντων, ὑμᾶς τε τοὺς ξυνάρχοντας καὶ τοὺςδε τοὺς βασιλέως πρέσβεις ξυνεισάγειν ἔδοξεν ἔμοιγε, ὅπως ἐν τῷ παρόντι κατ' ἐξουσίαν ἐλόμενοι ὃ τι ἂν βασιλεῖ ξυνοίσειν δοκῇ, μήποτε τινα ὀπίσω τῶν πραγμάτων κατ' ἐμοῦ ποιήσῃσθε μέμψιν. [12] τῶν γὰρ ἀτοπωτάτων ἂν εἴη σιωπᾶν μὲν ἕως ἔξῃσιν ἐξελέσθαι τὰ κρείσσω, σκοπούμενοι δὲ τὴν ἀπὸ τῆς τύχης ἀπόβασιν τὰς αἰτίας ποιεῖσθαι. [13] ὅσα μὲν

οὖν ἐς τὴν τοῦ πολέμου διάλυσιν βασιλεῖ τε δέδοκται καὶ Οὐιτιγίδι βουλομένῃ ἐστίν, ἐπίστασθε δὴ πού. [14] εἰ δὲ καὶ ὑμῖν ξύμφορα ταῦτα εἶναι δοκεῖ, λεγέτω παρελθὼν ἕκαστος. εἰ μέντοι πᾶσάν τε Ἰταλίαν οἴεσθε Ῥωμαίοις ἀνασώσασθαι οἷοί τε εἶναι καὶ τῶν πολεμίων τὴν ἐπικράτησιν ποιήσασθαι, οὐδὲν κωλύσει μηδὲν ὑποστειλαμένους εἰπεῖν.’ ταῦτα ἐπεὶ Βελισάριος εἶπεν, [15] ἅπαντες ἄντικρυς ἀπεφώνησαν τὰ βασιλέως βουλευόμενα βέλτιστα εἶναι, καὶ οὐδὲν αὐτοὺς οἷους τε ἔσεσθαι περαιτέρω τοὺς πολεμίους ἐργάζεσθαι. [16] Βελισάριος δὲ ἡσθεὶς τῶν ἀρχόντων τῇ γνώμῃ γράμμασιν αὐτὴν ἠξίου δηλῶσαι, ὥς μήποτε αὐτὴν ἀρνηθεῖεν. οἱ δὲ καὶ γράψαντες ἐν βιβλιδίῳ ἐδήλουν οὐχ οἷοί τε εἶναι περιέσεσθαι τῷ πολέμῳ τῶν ἐναντίων. [17] Ταῦτα μὲν ἐν τῷ Ῥωμαίων στρατοπέδῳ ἐγένετο. Γότθοι δὲ τῷ λιμῷ πιεζόμενοι οὐκέτι τε ἀντέχειν τῇ ταλαιπωρίᾳ δυνάμενοι Οὐιτιγίδος μὲν τῇ ἀρχῇ ἠχθοντο ἅτε ὡς μάλιστα δεδυστυχηκότος, βασιλεῖ δὲ προσχωρεῖν ὤκνουν, δεδιότες ἄλλο μὲν οὐδέν, ὅπως δὲ μὴ δοῦλοι βασιλέως γενόμενοι ἔκ τε Ἰταλίας ἀνίστασθαι ἀναγκάζονται καὶ ἐς Βυζάντιον ἰόντες ἐνταῦθα ἰδρύσεσθαι. [18] ἐν σφίσιν οὖν αὐτοῖς βουλευσάμενοι, εἴ τι ἐν Γότθοις καθαρὸν ἦν, βασιλέα τῆς ἐσπερίας βελισάριον ἀνειπεῖν ἔγνωσαν. πέμψαντες δὲ παρ’ αὐτὸν λάθρα ἐδέοντο ἐς τὴν βασιλείαν καθίστασθαι: ταύτῃ γὰρ αὐτῷ ἄσμενοι ἔψεσθαι ἰσχυρίζοντο. [19] Βελισάριος δὲ καταστῆναι μὲν ἐς τὴν ἀρχὴν οὐχ ἐκόντος βασιλέως ἥκιστα ἠθέλει: [20] τῷ τε γὰρ τοῦ τυράννου ὀνόματι ὑπερφυῶς ἤχθετο καὶ ὄρκους δεινотάτοις πρὸς βασιλέως καταληφθεὶς πρότερον ἔτυχε, μήποτε αὐτοῦ περιόντος νεωτεριεῖν: ὅπως δὲ τὰ παρόντα ὡς ἄριστα διοικήσεται, ἀσμένως ἔδοξε τοὺς τῶν βαρβάρων λόγους ἐνδέχεσθαι. [21] ὣν δὴ αἰσθόμενος Οὐιτιγὶς ἔδεισέ τε καὶ Γότθους ὡς βέλτιστα βεβουλευσθαι εἰπὼν Βελισαρίῳ καὶ αὐτὸς λάθρα παρήνει ἐς τὴν βασιλείαν ἰέναι: [22] οὐδένα γάρ οἱ ἐμποδὼν στήσεσθαι. καὶ τότε δὴ Βελισάριος αὐθις τοὺς τε βασιλέως πρέσβεις καὶ πάντας ξυγκαλέσας τοὺς ἄρχοντας ἡρώτα, εἰ αὐτοῖς λόγου πολλοῦ ἄξιον εἶναι δοκεῖ Γότθους τε ἅπαντας ξὺν Οὐιτιγίδι δορυαλώτους ποιήσασθαι, καὶ χρήματα μὲν πάντα ληΐσασθαι, [23] Ἰταλίαν δὲ Ῥωμαίοις ξύμψασαν ἀνασώσασθαι. οἱ δὲ ὑψηλὸν τε καὶ ὑπέρογκον τοῦτο Ῥωμαίοις εὐτύχημα ἔφασκον ἔσεσθαι, καὶ πράσσειν αὐτὸν ὅπῃ ἂν δύνηται τι ὡς τάχιστα ἠξίου. [24] αὐτίκα γοῦν παρὰ τε Οὐιτιγίν καὶ Γότθων τοὺς δοκίμους Βελισάριος τῶν ἐπιτηδείων τινὰς ἔπεμψε, κελεύων ἐπιτελῇ ποιήσῃν ὅσα ὑπέσχοντο. [25] οὐδὲ γὰρ αὐτοὺς ἐς ἄλλον τινὰ χρόνον τὴν πρᾶξιν ἀποτίθεσθαι ὁ λιμὸς ξυνεχώρει, ἀλλ’ ἔτι μᾶλλον ἐγκείμενος ἐς ταύτην ἐνήγε. [26] διὸ καὶ πρέσβεις ἐς τὸ Ῥωμαίων στρατόπεδον στέλλουσιν αὐθις, ἄλλο μὲν ὅτι δὴ ἐς τὸ πλῆθος ἐροῦντας, ἐν παραβύστῳ δὲ πρὸς Βελισαρίου τὰ πιστὰ ληψομένους, ὡς ἄχαρί τε αὐτῶν ἐργάσεται οὐδένα καὶ βασιλεὺς τὸ λοιπὸν Ἰταλιωτῶν αὐτὸς καὶ Γότθων εἴη, οὕτω τε ξὺν αὐτῷ καὶ τῷ Ῥωμαίων στρατῷ ἐς Ῥάβενναν ἤξοντας. [27] Βελισάριος δὲ τὰ μὲν ἄλλα ὤμοσεν ἅπαντα, καθάπερ οἱ πρέσβεις ἠξίου, ὑπὲρ δὲ τῆς βασιλείας αὐτῷ Οὐιτιγίδι καὶ Γότθων τοῖς ἄρχουσιν ὁμείσθαι ἔφη. [28] καὶ αὐτὸν οἱ πρέσβεις οὐκ ἂν ποτε ἀποσεῖσθαι τὴν βασιλείαν οἰόμενοι, ἀλλ’ ἐφίεσθαι αὐτῇς πάντων μάλιστα, αὐτίκα δὴ μάλα ἐς Ῥάβενναν ξὺν αὐτοῖς ἐκέλευον ἰέναι. [29] καὶ τότε δὴ Βελισάριος Βέσσαν τε καὶ Ἰωάννην

καὶ Ναρσῆν καὶ Ἀράτιον· τούτους γάρ οἱ ὥς μάλιστα δύσνους εἶναι ὑπόπτευν· ἄλλον ἀλλαχόσε ζῆν τοῖς ἐπομένοις ἐκέλευεν ἰέναι τὰ τε ἀναγκαῖα σφίσι πορίζεσθαι· αὐτῷ γὰρ οὐκέτι ἔφασκε δυνατὰ εἶναι ἐς τοῦτο δὴ τὸ χωρίον παντὶ τῷ στρατῷ τὰ ἐπιτήδεια ἐσκομίζεσθαι. [30] καὶ οἱ μὲν κατὰ ταῦτα ἐποιοῦν, ζῆν Ἀθανασίῳ τῷ τῶν πραιτωρίων ὑπάρχῳ, ἄρτι ἦκοντι ἐκ Βυζαντίου, αὐτὸς δὲ τῷ ἄλλῳ στρατεύματι σὺν Γότθων τοῖς πρέσβεισιν ἐς Ῥάβενναν ἦει. [31] καὶ νηῶν στόλον ἐμπλησάμενος σίτου καὶ τῶν ἄλλων ἐπιτηδείων ἐκέλευε κατὰ τάχος ἐς Κλάσσεσς τὸν λιμένα ἐσπλεῖν· οὕτω γὰρ Ῥωμαῖοι τὸ Ῥαβέννης προάστειον καλοῦσιν οὗ ὁ λιμὴν ἐστίν. [32] Ἐμοὶ δὲ τότε διασκοπούμενῳ τὴν ἐς Ῥάβενναν εἰσοδὸν τοῦ Ῥωμαίων στρατοῦ ἔννοιά τις ἐγένετο, ἀνθρώπων μὲν ζυνέσει ἢ τῇ ἄλλῃ ἀρετῇ ὥς ἥκιστα περαίνεσθαι τὰ πρασσόμενα, εἶναι δὲ τι δαιμόνιον, ὅπερ αὐτῶν ἀεὶ στρέφον τὰς διανοίας ἐνταῦθα ἄγει οὗ δὴ κωλύμη τις τοῖς περαινομένοις οὐδεμία ἔσται. [33] τοὺς γὰρ ἐναντίους οἱ Γότθοι πλήθει καὶ δυνάμει παρὰ πολὺν ὑπεραίροντες καὶ οὔτε μάχῃ διακριθέντες, ἐπεὶ ἐν Ῥαβέννῃ ἐγένοντο, οὔτε ἄλλῳ ὁτφοῦν δεδουλωμένοι τὸ φρόνημα, δορυάλωτοί τε πρὸς τῶν ἐλασσόνων ἐγίνοντο καὶ τὸ τῆς δουλείας ὄνομα ἐν ὕβρει οὐδεμιᾷ ἦγον. [34] αἱ δὲ γυναῖκες ἐτύγγανον γὰρ πρὸς τῶν ἀνδρῶν ἀκηκουῖαι μεγάλους τε τὰ σώματα καὶ ἀριθμοῦ κρείσσους τοὺς πολεμίους εἶναι ἐπειδὴ ἅπαντας ἐπὶ τῆς πύλης καθήμεναι εἶδον, ἔς τε τὰ πρόσωπα τῶν ἀνδρῶν πᾶσαι ἀπέπτυν, καὶ ταῖς χερσὶν ἐνδεικνύμεναι τοὺς νενικηκότας τὴν ἀνανδρίαν ὠνείδιζον. [35] Βελισάριος δὲ Οὐίτιγιν μὲν οὐ ζῆν ἀτιμία ἐν φυλακῇ εἶχε, τῶν δὲ βαρβάρων ὅσοι ἐντὸς Πάδου ποταμοῦ ὤκνητο, ἐς ἀγροὺς τοὺς σφετέρους ἰόντας, [36] ἐκέλευεν αὐτῶν κατ' ἐξουσίαν ἐπιμελεῖσθαι. πολέμιον γὰρ οἱ οὐδὲν ἐνταῦθα ὑπόπτευν ἐσεσθαι, οὐδὲ Γότθους ποτὲ ταύτῃ ξυστήσεσθαι, ἐπεὶ πολλοὺς πρότερον τοῦ Ῥωμαίων στρατοῦ ἐς τὰ ἐκεῖνῃ χωρία καταστησάμενος ἔτυχεν. οἱ δὲ κατὰ τάχος ἄσμενοι ἦσαν. [37] οὕτω τε Ῥωμαῖοι ἐν τῷ ἀσφαλεῖ ἤδη ἐγίνοντο· οὐ γὰρ ἔτι Γότθων ἐν γε Ῥαβέννῃ πλήθει ἡσθῶντο. μετὰ δὲ τὰ ἐν Παλατίῳ χρήματα ἔλαβεν, ἅπερ διακομίζειν βασιλεῖ ἐμελλε. [38] Γότθων γὰρ οὐδένα οὔτε αὐτὸς ἐληΐσατο οὔτε ἄλλῳ τῷ ληΐσασθαι ξυνεχώρησεν, ἀλλ' αὐτῶν ἕκαστος τὴν οὐσίαν κατὰ τὰ ξυγκείμενα διεσώσατο. [39] ἐπεὶ δὲ τῶν βαρβάρων ὅσοι ἐς τῶν χωρίων τὰ ἐχυρώτατα φυλακὴν εἶχον Ῥαβεννάν τε καὶ Οὐίτιγιν πρὸς Ῥωμαίων ἔχουσιν, πρέσβεις παρὰ Βελισάριον ἔπεμπον, σφᾶς τε αὐτοὺς ὁμολογία παραδιδόναι καὶ ἅπερ ἐφύλασσαν ἀξιοῦντες. [40] καὶ ὅς, ἅπασι τὰ πιστὰ προθυμώτατα παρασχόμενος, Ταρβήσιόν τε καὶ εἴ τι ἄλλο ἐν Βενετίοις ὀχύρωμα ἦν παρεστήσατο. Καισὴνα γὰρ ἐν Αἰμιλία μόνῃ ἐλέλειπτο, ἣν δὴ πρότερον ζῆν Ῥαβέννῃ παραστησάμενος ἔτυχε. [41] καὶ Γότθοι μὲν ἅπαντες ὅσοι τούτων δὴ τῶν χωρίων ἦρχον, ἐπειδὴ τάχιστα τὰ πιστὰ ἔλαβον, παρὰ Βελισάριον ἦκοντες αὐτοῦ ἔμενον· Ἰλδίβαδος δέ, ἀνὴρ δόκιμος, ὅσπερ φρουρᾶς τῆς ἐν Βερώνῃ ἦρχε, πρέσβεις μὲν ἐς Βελισάριον ἐφ' οἷσπερ οἱ ἄλλοι καὶ αὐτὸς ἔπεμψεν, ἐπεὶ καὶ τοὺς παῖδας τοὺς αὐτοῦ ἐν Ῥαβέννῃ εὐρὼν Βελισάριος ἔσχεν, οὐ μὴν οὔτε ἐς Ῥάβενναν ἦλθεν οὔτε Βελισαρίῳ ὑποχείριος γέγονε. τύχῃ γάρ τις αὐτῷ ζυνέβη ἣν δὴ ἐγὼ αὐτίκα δηλώσω.

Τινὲς τοῦ Ῥωμαίων στρατοῦ ἄρχοντες βασκανίαν ἐς Βελισάριον ἔχοντες

διέβαλλον αὐτὸν βασιλεῖ, τυραννίδα οὐδαμόθεν αὐτῷ προσήκουσαν ἐπενεγκόντες. [2] βασιλεὺς δὲ οὐχ ὅσον ταῖς διαβολαῖς ταύταις ἀναπεισθεῖς, ἀλλ' ὅτι οἱ ὁ Μηδικὸς πόλεμος ἐνέκειτο ἤδη, Βελισάριον μὲν ὡς τάχιστα μετεπέμψατο, ὅπως ἐπὶ Πέρσας στρατεύσειεν· ἐπιμελεῖσθαι δὲ Ἰταλίας Βέσσαν τε καὶ Ἰωάννην ζὺν τοῖς ἄλλοις ἐκέλευε, καὶ Κωνσταντιανῷ ἐς Ῥάβενναν ἐκ Δαλματίας ἐπέστελλεν ἰέναι. [3] Γότθοι δὲ οἱ Πάδου τε ποταμοῦ καὶ Ῥαβέννης ἐκτὸς ἴδρυντο, ἀκούσαντες ὡς Βελισάριον βασιλεὺς μεταπέμποιτο, τὰ μὲν πρῶτα ἐν ἀλογίᾳ τὸ πρᾶγμα εἶχον, οὐκ ἂν ποτε οἰόμενοι Βελισάριον τῆς ἐς Ἰουστινιανὸν πίστεως περὶ ἐλάσσονος τὴν Ἰταλίας βασιλείαν ποιήσασθαι. [4] ἐπεὶ δὲ αὐτοῦ πολλὴν τῆς ἀφόδου τὴν παρασκευὴν ἐπύθοντο εἶναι, ξυμφρονήσαντες, εἴ τι αὐτῶν καθαρὸν ἐνταῦθα ἔτι ἐλέλειπτο, ἐς Τικινὸν παρὰ Οὐραΐαν τὸν Οὐιττίγιδος ἀδελφιδοῦν ἦλθον, πολλὰ τε πρότερον ζὺν αὐτῷ κλαύσαντες ἔλεξαν τοιαύδε· [5] 'Οὐκ ἄλλος οὐδεὶς τῷ Γότθων γένει αἰτιώτατος τῶν παρόντων κακῶν ἢ σὺ γέγονας. ἡμεῖς γάρ τὸν θεῖον τὸν σόν, οὕτως ἀνάνδρως τε καὶ ἀτυχῶς ἐξηγοῦμενον, πάλαι ἂν τῆς ἀρχῆς παρελύσαμεν, ὥσπερ Θευδάτον τὸν Θευδερίχου ἀδελφιδοῦν, εἰ μὴ σου τὸ δοκοῦν δραστήριον αἰσχυρόμενοι Οὐιττίγιδι μὲν τὸ τῆς βασιλείας ὄνομα ξυγχωρεῖν ἔγνωμεν, ἔργῳ δὲ σοὶ μόνῳ παραδιδόναι τὴν Γότθων ἀρχήν. [6] ἀλλὰ περιέστηκεν ἡ τότε δοκοῦσα ἡμῶν εὐγνωμοσύνη, νῦν ἄνοιά τε φαινομένη καὶ τῶνδε ἡμῖν τῶν ξυμφορῶν αἰτία. [7] Γότθων γάρ, ὥσπερ οἴσθα, ὦ φίλε Οὐραΐα, τεθνάναι μὲν ἐν τῷ πολέμῳ πλείστους τε καὶ ἀρίστους ξυμβαίνει, τῶν δὲ περιόντων, εἴ τι μὲν ἀριστον ἀπολέλειπται, ζὺν τε Οὐιττίγιδι καὶ χρήμασι πᾶσι Βελισάριος ἄγων οἰχήσεται. [8] ταῦτό δὲ τοῦτο μὴ οὐχὶ καὶ ἡμᾶς ὀλίγῳ ὕστερον πείσεσθαι, ὀλίγους τε καὶ λίαν οἰκτροὺς καθεστῶτας, οὐδεὶς ἂν ἀντείποι. [9] τοιούτων τοίνυν περιεστηκότων δεινῶν, τὸ ζὺν εὐκλείᾳ τεθνάναι μᾶλλον ξυνοίσει ἢ παιδᾶς τε καὶ γυναῖκας πρὸς τῶν πολεμίων ἐς τῆς γῆς τὰς ἐσχατίας ἀγομένους ἰδεῖν. [10] πράξομεν δέ τι, ὡς τὸ εἰκός, ἀρετῆς ἄξιον, ἣν γέ σε τῶν ἔργων ἀρχηγὸν ἔξομεν.' Γότθοι μὲν τοσαῦτα εἶπον. [11] Οὐραΐας δὲ ἀμείβεται ὧδε· 'Ὡς μὲν δεῖ ἐν τοῖς παροῦσι δεινοῖς πρὸ τῆς δουλείας ἡμᾶς τὸν κίνδυνον αἰρεῖσθαι, ταῦτά με ὑμῖν γινώσκειν ξυμβαίνει. [12] ἐς Γότθων δέ με τὴν βασιλείαν καθίστασθαι παντάπασιν οἶμαι ἀξύμφορον εἶναι· πρῶτα μὲν, ὅτι Οὐιττίγιδος ἀδελφιδοῦς ὢν, ἀνδρὸς οὕτως ἡτυχηκότος, εὐκαταφρόνητος ἂν τοῖς πολεμίοις εἶναι δοκοίη, ἐπεὶ ἐς τοὺς συγγενεὰς ἀεὶ τὰς ὁμοίας τύχας παραπέμπεσθαι οἴονται ἄνθρωποι. [13] ἔπειτα δὲ οὐδὲ ὅσια ποιεῖν δόξαιμι, ἐπιβατεύων τῆς τοῦ θεοῦ ἀρχῆς, καὶ ἀπ' αὐτοῦ μοι ἀχθομένους ὑμῶν τοὺς πλείστους, ὡς τὸ εἰκός, ἔξω. [14] ἐγὼ δέ φημι χρῆναι Γότθων ἄρχοντα ἐς κίνδυνον τόνδε Ἰλδίβαδον καθίστασθαι, ἄνδρα ἐς ἄκρον ἀρετῆς ἥκοντα καὶ διαφερόντως δραστήριον. [15] ὃ δὴ καὶ Θεῶδιν θεῖόν γε ὄντα τὸν τῶν Οὐισιγόθων ἡγούμενον ξυνάρασθαι τοῦ πολέμου διὰ τὸ ξυγγενὲς οὐδὲν ἀπεικός. διὸ δὴ καὶ τὸν ἀγῶνα ζὺν ἐλπίδι ἀμείνوني πρὸς τοὺς ἐναντίους διοίσομεν.' [16] Τοσαῦτα καὶ Οὐραΐας εἰπὼν τὰ ξύμφορα Γότθοις ἅπασι λέγειν ἔδοξε. καὶ αὐτοῖς Ἰλδίβαδος ἐκ Βερώνης αὐτίκα μετὰπεμπος ἦλθεν. [17] ὃ δὴ τὴν πορφύραν περιβαλόντες, βασιλέα τε Γότθων ἀνεῖπον καὶ σφίσιν εὖ θέσθαι τὰ παρόντα ἐδέοντο. ὧδε μὲν ἐς τὴν

ἀρχὴν Ἰλδὶβαδος κατέστη. [18] ὀλίγῳ δὲ ὕστερον Γότθους ἅπαντας ξυγκαλέσας ἔλεξε τοιάδε: “Ἀπαντας ὑμᾶς, ἄνδρες ξυστρατιῶται, πολλῶν ξυνεπίσταμαι εἶναι πολέμων ἐμπείρους, ὥστε οὐποτε εἰκότως εἰς τὸ πολεμεῖν ἐκ τοῦ εὐθέως χωρήσομεν. ἐμπειρία γὰρ λογισμὸν φέρουσα θρασύνεσθαι ἥκιστα εἴωθεν. [19] ἄξιον δὲ ἀναμνησθέντας πάντων ὑμᾶς τῶν πρότερον ξυμπεπτωκότων, οὕτω τανῦν ὑπὲρ τῶν παρόντων βουλευέσθαι. [20] λήθη γὰρ πολλοῖς τισιν ἐπιγενομένη τῶν ἤδη φθασάντων ἐπῆρε μὲν αὐτῶν οὐκ ἐν δέοντι ὑπὸ ἀμαθίας τὰς γνώμας, [21] ἐν δὲ τοῖς μεγίστοις ἱκανῶς ἔσφηλεν. Οὐτίγινις τοίνυν οὐκ ἀκόντων γε οὐδὲ ἀντιτεινόντων ὑμῶν ἐς τῶν πολεμίων αὐτὸν καθήκε τὰς χεῖρας, ἀλλ’ ἀπειπόντες τότε πρὸς τὰ τῆς τύχης ἐναντιώματα ξυμφορώτατον ἡμῖν αὐτοῖς ἡγήσασθε εἶναι Βελισαρίῳ οἴκοι καθήμενοι ἐπακούειν μᾶλλον ἢ τοῖς σώμασι διακινδυνεύειν ἀπέραντα. [22] νῦν μέντοι αὐτὸν ἀκηκοότες ἐς Βυζάντιον στέλλεσθαι, νεωτέροις πράγμασιν ἐγχειρεῖν ἔγνωτε. καίτοι ἐχρῆν ἐκλογίζεσθαι ὑμῶν ἕκαστον ὡς οὐχ ἅπαντα τοῖς ἀνθρώποις ἢ δοκεῖ γίνεσθαι, ἀλλὰ τῶν δεδογμένων παρὰ δόξαν πολλάκις ἢ τῶν πραγμάτων ἀπόβασις ἀπ’ ἐναντίας ἐχώρησε. [23] τύχη γὰρ καὶ μετὰμελος τὰ πολλὰ κατορθοῦν ἐκ τοῦ ἀπροσδοκίτου πεφύκασιν: ὅπερ καὶ νῦν Βελισαρίῳ ξυμβῆσεσθαι οὐδὲν ἀπεικός. [24] ἄμεινον τοίνυν πυθέσθαι μὲν αὐτοῦ πρότερον, πειρᾶσθαι δὲ ἀντικαθιστάναι τὸν ἄνθρωπον ἐπὶ τὰ πρόην ξυγκείμενα, οὕτω τε ὑμᾶς ἐπὶ τῶν πράξεων τὰ δεύτερα ιέναι.” [25] Ταῦτα Ἰλδὶβαδος εἰπὼν εὖ τε βεβουλευθεῖσθαι Γότθοις ἔδοξε καὶ πρέσβεις ἐς Ῥάβενναν κατὰ τάχος ἔπεμψεν. οἱ δὲ Βελισαρίῳ ἐς ὅσιν ἐλθόντες τῶν τε ξυγκειμένων σφίσιν ὑπέμνησαν καὶ ἅτε διαλυτὴν τῶν ὁμολογημένων ἐκάκιζον, αὐθαίρετον μὲν ἀποκαλοῦντες ἀνδράποδον, ὀνειδίζοντες δὲ ὅτι δὴ οὐκ ἐρυθριῶη πρὸ τῆς βασιλείας τὴν δουλείαν αἰρούμενος, ἄλλα τε τοιαῦτα πολλὰ λέγοντες ἐπὶ τὴν ἀρχὴν παρεκάλουν. [26] οὕτω γὰρ καὶ Ἰλδὶβαδὸν ἐθελοῦσιον ἀφίξεσθαι ἰσχυρίζοντο, τὴν τε πορφυρίδα καταθησόμενον ἐς τοὺς αὐτοῦ πόδας καὶ βασιλέα Βελισάριον Γότθων τε καὶ Ἰταλιωτῶν προσκυνήσοντα. [27] οἱ μὲν πρέσβεις ταῦτα ἔλεγον, οἰόμενοι τὸν ἄνδρα τὸ τῆς βασιλείας ὄνομα οὐδὲν μελλήσαντα ἐπισπάσασθαι αὐτίκα δὴ μάλα. [28] ὁ δὲ οὐ προσδεχομένους αὐτοῖς ἀντικρὺς ἀπεῖπεν, ὡς οὐκ ἂν ποτε ζῶντος Ἰουστινιανοῦ βασιλέως Βελισάριος ἐπιβατεύοι τοῦ τῆς βασιλείας ὀνόματος. [29] καὶ οἱ μὲν ταῦτα ἀκούσαντες ἀπηλλάσσοντό τε ὡς τάχιστα καὶ Ἰλδὶβάδῳ τὸν πάντα λόγον ἀπήγγελλον. [30] Βελισάριος δὲ τὴν ἐπὶ τὸ Βυζάντιον ἦει καὶ ὁ χεიმὼν ἔληγε, καὶ τὸ πέμπτον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψεν.

BOOK VII.

ΠΡΟΚΟΠΙΟΥ ΚΑΙΣΑΡΕΩΣ ΥΠΕΡ ΤΩΝ ΠΟΛΕΜΩΝ ΛΟΓΟΣ ΕΒΔΟΜΟΣ

Οὕτω μὲν Βελισάριος, ἔτι τῶν πραγμάτων ἠωρημένων, ζύν τε Οὐιττίγιδι καὶ Γότθων τοῖς δοκίμοις καὶ τοῖς Ἰλδιβάδου παισὶ τὰ χρήματα πάντα ἐπαγόμενος ἐς Βυζάντιον ἦκε, καὶ οἱ Ἰλδιγέρ τε καὶ Βαλεριανὸς καὶ Μαρτίνος ζύν Ἡρωδιανῷ εἶποντο μόνοι. [2] βασιλεὺς δὲ Ἰουστινιανὸς Οὐίττιγιν μὲν ζύν τῇ γυναικὶ ἀσμένως εἶδε, καὶ τῶν βαρβάρων τὸν ὁμιλον κάλλους τε σώματος καὶ μεγέθους πέρι ἐθαύμασε. [3] τὸν δὲ Θεουδερύχου πλοῦτον ἀξιοθέατον ὄντα δεξάμενος ἐν Παλατίῳ τοῖς μὲν ἐκ βουλῆς ἐν παραβύστῳ θέαμα προϋθῆκεν, ἐπὶ τῷ ὄγκῳ τῶν πεπραγμένων φιλοτιμούμενος, οὔτε δὲ ἐς τὸν δῆμον ἐξήνεγκεν οὔτε τὸν θρίαμβον Βελισαρίῳ παρέσχετο, ὥσπερ ἡνίκα Γελίμερά τε καὶ Βανδίλους νενικηκὼς ἦλθε. [4] πᾶσι μέντοι ἐν διηγήμασι Βελισάριος ἦν, νίκας τε δύο ἀναδησάμενος, οἷας οὐπὼ πρότερον ἀνθρώπων οὐδενὶ διαπεπρᾶχθαι ξυνέπεσε, καὶ βασιλεῖς μὲν ἀγαγὼν αἰχμαλώτους ἐς Βυζάντιον δύο, Γιζερίχου δὲ καὶ Θεουδερύχου τό τε γένος καὶ τὰ χρήματα λάφυρον Ῥωμαίοις παρὰ δόξαν πεποιημένος, ὧν δὴ ἐπιφανέστερος ἔν γε βαρβάροις οὐδεὶς πώποτε γεγωνὼς ἔτυχε, καὶ τὸν μὲν πλοῦτον ἐκ τῶν πολεμίων αὐθις ἐς τὴν πολιτείαν ἀποκομίσας, γῆς τε καὶ θαλάσσης τὴν ἡμίσειαν μάλιστα μοῖραν τῇ βασιλείᾳ ἐν χρόνῳ ὀλίγῳ ἀνασώσάμενος. [5] ἦν τε Βυζαντίοις πρὸς ἡδονὴν Βελισάριον ἐπὶ τῆς ἀγορᾶς ἐς ἡμέραν ἐκάστην ἐκ τῆς οἰκίας προϊόντα ἰδεῖν, ἢ ἐς αὐτὴν ἐπανήκοντα, κόρον τε αὐτῶν τοῦ θεάματος τούτου οὐδεὶς ἔλαβε. [6] πομπὴ γὰρ αὐτοῦ ἰσχυροτάτῃ ἢ πρόοδος ἐφέκει, ἐπεὶ οἱ Βανδύλων τε πλῆθος καὶ Γότθων τε καὶ Μαυρουσίων ἀεὶ εἶπετο. ἦν δὲ καὶ τὸ σῶμα καλὸς τε καὶ μέγας καὶ εὐπρόσωπος πάντων μάλιστα. [7] οὕτω δὲ πρᾶν τε καὶ εὐπρόσοδον παρείχεν ἑαυτὸν τοῖς ἐντυγχάνουσιν ὥστε ἀνθρώπῳ πένητί τε λίαν καὶ ἀδόξῳ ἐμφορῆς εἶναι. [8] Ἔρωσ δὲ αὐτοῦ τῆς ἀρχῆς πρὸς τε στρατιωτῶν ἀεὶ καὶ ἀγροίκων ἄμαχος τις ἐγένετο, ὅτι δὴ ἐς μὲν τοὺς στρατιώτας φιλοδορώτατος ἐγεγόνει ἀνθρώπων ἀπάντων: τῶν τε γὰρ ἐν ξυμβολῇ ἡτυχηκότων χρήμασι μεγάλοις παρεμυθεῖτο τὰ πρότερα τραύματα καὶ τοῖς εὐδοκμήμασι ψέλλιά τε καὶ στρεπτοὺς ἔχειν ἄθλα παρείχεν, ἵππου δὲ ἢ τόξου ἢ ἄλλου ὅτουοῦν στρατιώτου ἐν τῇ μάχῃ ἀπολωλὸτος ἕτερον ἀντ' αὐτοῦ πρὸς Βελισαρίου αὐτίκα ὑπῆρχεν: ἐς δὲ τοὺς ἀγροίκους ὅτι δὴ τοσαύτῃ φειδοῖ τε καὶ προνοίᾳ ἐχρήτο ὥστε βιασθῆναι μὲν αὐτοῖς οὐδὲν πώποτε στρατηγούντος Βελισαρίου τετύχηκε, πλουτεῖν δὲ παρὰ δόξαν ξυνέβαινε πᾶσιν οἷς ἂν αὐτοῦ ἐπιδημοίῃ στρατιᾶς πλῆθος. [9] ἀπεδίδοντο γὰρ αὐτοῖς κατὰ γνώμην τὰ ὄνια πάντα. καὶ ἡνίκα μὲν ἀκμάζοι τὰ λῆτα, ἐς τὸ ἀκριβὲς διεφύλασσε μὴ τι παριούσα ἢ ἵππος λυμῆνται. [10] τῶν δὲ ὠραίων ἐν τοῖς δένδροις ὄντων ἄσασθαι αὐτῶν οὐδενὶ τὸ παράπαν ἐξουσία ἐγένετο. [11] καὶ μὴν καὶ σωφροσύνης ὑπερφυῶς μετεποιεῖτο: οὐδὲ γὰρ οὖν οὐδὲ ἄλλης ὅτι μὴ τῆς γεγαμημένης γυναικὸς ἥπτετο. [12] αἰχμαλώτους οὖν ἐκ τε Βανδύλων καὶ Γότθων ἐλὼν τοσαύτας τε τὸ πλῆθος καὶ τοιαύτας τὰ πρόσωπα, οἷας οὐδεὶς πού ἀνθρώπων εἶδεν, οὔτε οἱ ἐς

ὄψιν αὐτῶν τινα ἤκειν οὔτε ἄλλως ἐντυχεῖν εἶασεν. [13] ἦν δὲ πρὸς τοῖς ἄλλοις ἅπασιν ἀγχίνους τε διαφερόντως κἀν τοῖς ἀπόροις ἐπινοῆσαι τὰ βέλτιστα ἱκανώτατος. [14] ἐν μέντοι κινδύνοις πολέμου εὐψυχός τε ἦν ζὺν τῷ ἀσφαλεῖ καὶ ζὺν λογισμῷ εὐτολμώτατος, ὁζὺς τε καὶ μελλητῆς ἐν τῇ ἐπὶ τοὺς πολεμίους ἀεὶ ἐγχειρήσει, [15] κατὰ τὴν χρεῖαν ἐκάτερον. ἄνευ δὲ τούτων ἐν μέν τοῖς δεινοῖς εὐελπὶν τε τὴν διάνοιαν καὶ ταραχῆς παρείχeto κρείσσω, εὐημερῶν δὲ οὔτε ἐπῆρτο οὔτε ἐτρύφα: μεθύοντα γοῦν Βελισάριον οὐδεὶς ποτε εἶδεν. [16] Ὅσον μὲν οὖν χρόνον τοῦ Ῥωμαίων στρατοῦ ἐν τε Λιβύῃ καὶ Ἰταλίᾳ προὔστη, νικῶν τε διετέλει καὶ τὰ ἐν ποσὶν ἀεὶ κτώμενος. [17] ἐπεὶ δὲ ἐς Βυζάντιον μετάπεμπος ἦλθεν, ἔτι μᾶλλον ἢ πρότερον αὐτοῦ ἡ ἀρετὴ ἐπὶ πλεῖστον ἐγνώσθη. [18] αὐτὸς τε γὰρ πάσῃ ἀρετῇ προὔχων καὶ πλούτου μὲν πολλοῦ ἐξουσία, δυνάμει δὲ ὑπασπιστῶν τε καὶ δορυφόρων τοὺς πώποτε στρατηγούς ὑπεραίρων, φοβερός, ὥς τὸ εἰκός, ἄρχουσί τε πᾶσι καὶ στρατιώταις ἐγένετο. [19] ἀντιτείνειν τε γὰρ ἐπιτάττοντι, οἶμαι, οὐδεὶς ἐτόλμα, ἐπιτελῇ τε πράσσειν ὅσα ἐπιτάττοι οὐδαμοῦ ἀπηξίου, τὴν τε ἀρετὴν αἰσχυρόμενοι καὶ δεδιότες τὴν δύναμιν. [20] ἐπτακισχιλίους γὰρ ἱππέας ἐκ τῆς οἰκίας παρείχeto: ὧν δὴ ἀπόβλητος μὲν οὐδεὶς ἐγεγόνει, αὐτῶν δὲ ἕκαστος πρῶτός τε ἐν τῇ παρατάξει ἐστάναι καὶ προκαλεῖσθαι τοὺς τῶν πολεμίων ἀρίστους ἤξιουν. [21] Ῥωμαίων δὲ οἱ πρεσβύτεροι, ἠνίκα πρὸς Γότθων πολιορκούμενοι τὰ ποιούμενα ἐν ταῖς τοῦ πολέμου ξυμβολαῖς ἔβλεπον, ἐν θαύματι μεγάλῳ ποιούμενοι ἀνεφθέγγοντο ὥς οἰκία μία τὴν Θεωδερίχου δύναμιν καταλύει. [22] Βελισάριος μὲν οὖν τῷ τε ἀξιώματι καὶ τῇ γνώμῃ, ὥσπερ ἐρρήθη, δυνατὸς γεγονὼς τὰ τε ζυνοίσοντα τοῖς βασιλέως πράγμασιν ἐβουλεύετο καὶ τὰ δεδογμένα ἔπρασεν ἀεὶ αὐτονόμῳ γνώμῃ. [23] οἱ δὲ ἄλλοι ἄρχοντες, ἴσοι μᾶλλον αὐτοὶ πρὸς ἀλλήλους ὄντες καὶ οὐδὲν ὅτι μὴ κέρδη οἰκεῖα ἐν νῷ ἔχοντες διαπράσσεσθαι, τοὺς τε Ῥωμαίους ληΐζεσθαι καὶ τοῖς στρατιώταις ἐνδιδόναι τοὺς κατηκόους ἤδη ἤρξαντο, καὶ οὔτε αὐτοὶ ἐφρόνουν τὰ δέοντα ἔτι οὔτε τοὺς στρατιώτας τῶν παραγγελλομένων ἐπακούοντας εἶχον. [24] διὸ δὴ πολλὰ τε αὐτοῖς ἡμαρτήθη καὶ τὰ πράγματα διεφθάρη Ῥωμαίοις ζύμπαντα ἐν χρόνῳ ὀλίγῳ. ἅπερ ἐγὼ ὅτῳ δὴ τρόπῳ ἐρῶν ἔρχομαι. [25] Ἐπειδὴ Βελισάριον ἐκ Ῥαβέννης ἀναστάντα ὁδῷ ἰέναι Ἰλδίβαδος ἐπύθετο, τοὺς τε βαρβάρους ζυνηγεν ἀμφ' αὐτὸν ἅπαντας καὶ τῶν Ῥωμαίων στρατιωτῶν ὅσους νεώτερα πράγματα ἤρεσκε. [26] καὶ τῆς μὲν ἀρχῆς ὥς μάλιστα ἐπεμελεῖτο, ἀνασώσασθαι δὲ Γότθων τῷ γένει τὸ Ἰταλιωτῶν κράτος ἐν σπουδῇ ἐποίειτο. [27] κατ' ἀρχὰς μὲν οὖν οὐ πλέον ἢ χίλιοι αὐτῷ εἶποντο καὶ πόλιν μίαν Τικινὸν εἶχον, κατὰ βραχὺ δὲ προσεχώρησαν αὐτῷ ἅπαντες ὅσοι ἐν τῇ Λιγουριά καὶ Βενεταίᾳ ἦσαν. [28] Ἦν δὲ Ἀλέξανδρός τις ἐν Βυζαντίῳ τοῖς δημοσίοις ἐφεστὼς λογισμοῖς: λογοθέτην τὴν τιμὴν ταύτην ἐλληνίζοντες καλοῦσι Ῥωμαῖοι. [29] οὗτος ἀεὶ τοῖς στρατιώταις τὴν εἰς τὸ δημόσιον ἐπεκάλει ζημίαν. τοιούτων δὲ ἀδικημάτων αὐτοὺς ὑπάγων, αὐτὸς μὲν ἔνδοξος ἐξ ἀδόξων ταχὺ γέγονεν, ἐκ πενήτων ἀτεχνῶς πλούσιος, ἀλλὰ καὶ βασιλεῖ χρήματα μεγάλα, εἴπερ τις ἄλλος, ἐπράξατο, τοὺς δὲ στρατιώτας ὀλίγους τε καὶ πτωχοὺς εἶναι καὶ ὀκνηρῶς εἰς τοὺς κινδύνους ἔχειν αἰτιώτατος ἐγένετο ἀνθρώπων ἀπάντων. [30] Βυζάντιοι δὲ αὐτὸν καὶ Ψαλίδιον ἐπὶ κλησιν ἐκάλουν,

ὅτι δὴ αὐτῷ ῥάδιον ἦν ἀποτεμονομένῳ κύκλῳ τὸ χρυσοῦν νόμισμα ἔλασσον μὲν αὐτὸ ἐς ὅσον βούλοιο ἐξεργάζεσθαι, φυλάσσειν δὲ καὶ ὥς τὸ κυκλοτερές σχῆμα ἐφ' οὗπερ τὸ πρότερον ἦν. [31] ψαλίδιον γὰρ τοῦτο καλοῦσι τὸ ὄργανον, ὅτῳ τις τὰ τοιαῦτα ἐργάζεται. τοῦτον βασιλεὺς τὸν Ἀλέξανδρον, ἐπειδὴ Βελισάριον μετεπέμψατο, [32] ἐς Ἰταλίαν πέμπει. ὁ δὲ γεγωνὸς ἐν Ῥαβέννῃ λογισμοὺς προὔθηκε λόγον οὐκ ἔχοντας. τοὺς μὲν γὰρ Ἰταλιώτας οὔτε τῶν βασιλέως ἀψαμένους χρημάτων οὔτε τι ἄτοπον εἰς τὸ δημόσιον ὑπουργήσαντας ἐπὶ τὰς εὐθύνas ἐκάλει, τὴν ἐς Θευδέρικον καὶ τοὺς ἄλλους Γότθων ἄρχοντας ἀδικίαν ἐπικαλῶν, ἀναγκάζων τε ἀποτινύνναι, εἴ τι ἐκείνους ἐξαπατήσαντες, ὥσπερ αὐτὸς ἔφασκεν, [33] ἐκέρδαινον. τῶν δὲ στρατιωτῶν τὰ τε τραύματα καὶ τοὺς κινδύνους τῇ τῶν λογισμῶν μικρολογίᾳ παρὰ δόξαν ἡμίβετο. διὸ δὴ οἱ τε Ἰταλιῶται Ἰουστινιανῷ βασιλεῖ δύσνοι ἐγένοντο καὶ τῶν στρατιωτῶν οὐδεὶς ἔτι ἐς κίνδυνον πολέμου καθίστασθαι ἤθελεν, ἀλλ' ἐθελοκακοῦντες ἐπὶ μέγα χωρεῖν ἐποίουν ἀεὶ τοῖς πολεμίοις τὰ πράγματα. [34] Οἱ μὲν οὖν ἄλλοι ἄρχοντες διὰ ταῦτα ἡσυχῇ ἔμενον, Βιτάλιος δὲ μόνος ἔτυχε γὰρ ἐν Βενετίοις ἄλλο τε πλῆθος στρατιᾶς ἔχων καὶ βαρβάρων Ἑρουλῶν πολὺν τινα ὄμιλον διὰ μάχης ἐλθεῖν Ἰδιβάδῳ ἐτόλμησε, δείσας, ὅπερ ἐγένετο, μὴ ἐπὶ μέγα δυνάμεως χρόνῳ τῷ ὑστέρῳ αὐτὸν ἦκοντα οὐκέτι ἀναστέλλειν οἷοί τε ᾧσι. [35] μάχης δὲ καρτερᾶς ἀμφὶ πόλιν Ταρβήσιον γενομένης Βιτάλιος παρὰ πολὺ ἡσσηθεὶς ἔφυγεν, ὀλίγους μὲν τινὰς σώσας, τοὺς δὲ πολλοὺς αὐτοῦ ἀπολέσας. ἐν ταύτῃ τῇ μάχῃ Ἑρουλοὶ τε πολλοὶ πίπτουσι καὶ Οὐίσανδος ὁ τῶν Ἑρουλῶν ἀρχηγὸς θνήσκει. [36] Θευδιμουῖνδος δὲ ὁ Μαυρικίου τοῦ Μούνδου υἱός, μειράκιον ὢν ἔτι, ἐς κίνδυνον μὲν θανάτου ἦλθεν, ὅμως δὲ ζῶν Βιταλίῳ διέφυγεν. Ἰδιβάδου τε ὄνομα ἐκ τοῦ ἔργου τούτου παρὰ τε βασιλέα ἦλθε καὶ πάντας ἀνθρώπους. [37] Ὑστερον δὲ Οὐραῖαν Ἰδιβάδῳ προσκεκρουκέναι ξυνέπεσεν ἀπ' αἰτίας τοιαύσδε. ἦν τῷ Οὐραῖᾳ γυνὴ πλούτῳ τε καὶ σώματος κάλλει τὰ πρωτεῖα φερομένη ἐν τούτοις δὴ τοῖς βαρβάροις πασῶν μάλιστα. [38] αὕτη ἐς τὸ βαλανεῖον κατήλθέ ποτε, κόσμου τε περιβεβλημένη πολὺ τι χρῆμα καὶ θεραπείαν ἐπαγομένη λόγου πολλοῦ ἀξίαν. [39] τὴν τε Ἰδιβάδου γυναῖκα ἐν ἱματίοις λιτοῖς ἐνταῦθα ἰδοῦσα, οὔτε ὡς ξυνοικοῦσαν βασιλεῖ προσεκύνησεν, ἀλλὰ καὶ ἄλλως ὑπεριδοῦσα ἐς αὐτὴν ὕβρισεν. ἔτι γὰρ Ἰδιβάδος πενία ξυνῆν ὡς ἥκιστα βασιλικοῖς ἐντυχὼν χρήμασι. [40] περιαλγῆς δὲ γενομένη τῆς ὕβρεως τῇ ἀτοπίᾳ τοῦ Ἰδιβάδου γυνή, παρὰ τε τὸν ἄνδρα δεδακρυμένη ἦλθε καὶ οἱ ἀμύναι τὰ ἀνήκεστα πρὸς τῆς Οὐραῖου γυναικὸς παθούσῃ ἠξίου. [41] διὸ δὴ τὰ μὲν πρῶτα Ἰδιβάδος Οὐραῖαν ἐς τοὺς βαρβάρους διέβαλεν, ὡς δὴ ἐς τοὺς πολεμίους αὐτομολεῖν μέλλοι, ὀλίγῳ δὲ ὕστερον δόλῳ ἔκτεινε καὶ ἀπ' αὐτοῦ ἐς τὸ Γότθων ἐχθος ἐνέπεσε. [42] βουλομένοις γὰρ αὐτοῖς ὡς ἥκιστα ἦν οὕτως ἀνεπισκέπτως Οὐραῖαν ἐξ ἀνθρώπων ἀφανισθῆναι. πολλοὶ τε ἤδη ἐν σφίσιν αὐτοῖς ξυνιστάμενοι Ἰδιβάδῳ ἅτε ἀνόσια εἰργασμένων ἐλοιδοροῦντο. τίσασθαι μέντοι τούτου δὴ τοῦ φόνου αὐτὸν οὐδεὶς ἤθελεν. [43] Ἦν δὲ τις ἐν αὐτοῖς Οὐέλας, Γήπαις μὲν γένος, ἐς δὲ τὸ τῶν βασιλέως δορυφόρων ἀξίωμα ἦκων. [44] οὗτος ἀνὴρ, μνησθεὶς γυναικὸς εὐπρεποῦς τὴν ὄψιν, ἐξαισίον τινα ἔρωτα ἦρα, ἐσταλμένον δὲ αὐτοῦ ἐπὶ τοὺς πολεμίους, ἐφ' ᾧ τινα ποιοίῃ ζῶν ἐτέροις

τισιν ἐπ' αὐτοὺς ἔφοδον, τὴν μνηστὴν ἑτέρῳ τῶν βαρβάρων τινὶ Ἰδιβάδος, εἴτε ἀγνοία εἴτε τῷ ἄλλῳ ἡγμένος, ξυνώκισεν. [45] ὥς δὲ ταῦτα ἐκ τοῦ στρατοπέδου ἐπανήκων Οὐέλας ἤκουσε, θυμοειδὴς ὢν φύσει, τὴν ἐκ τοῦ ἔργου ὕβριν οὐκ ἤνεγκεν, ἀλλὰ αὐτίκα κτείνειν Ἰδιβάδον ἔγνω, [46] χαριεῖσθαι Γότθοις ἅπασιν ταύτῃ οἰόμενος. καὶ ποτε αὐτὸν Γότθων τοὺς ἀρίστους ἐστιῶντα τηρήσας τῇ ἐπιβουλῇ ἐπεχείρησεν. [47] ἀριστῶντα γὰρ τὸν βασιλέα πολλοὺς τε ἄλλους καὶ τοὺς δορυφόρους περιίστασθαι νόμος. ὁ μὲν οὖν τὴν χεῖρα ἐπιβαλὼν ἐς τὰ βρώματα ἐπὶ τῆς στιβάδος πρηνὴς ἔκειτο, Οὐέλας δὲ αὐτοῦ ἄφνω τῷ ξίφει τὸν τράχηλον παiei. [48] ὥστε, τῶν βρωμάτων ἐτι ἐχομένων ἐν τοῖς τοῦ ἀνθρώπου δακτύλοις, ἡ κεφαλὴ εἰς τὴν τράπεζαν καταρραγεῖσα ἐξέπληξέ τε καὶ ἐς θάμβος τι μέγα τοὺς παρόντας ἤνεγκεν ἅπαντας. [49] αὕτη μὲν τίσις Ἰδιβάδον περιήλθε τοῦ Οὐραῖα φόνου. καὶ ὁ χειμῶν ἔλγηε, καὶ τὸ ἕκτον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψεν.

Ἐράριχος δὲ ἦν τις ἐν τῷ Γότθων στρατῷ Ῥογὸς μὲν γένος, δύναμιν δὲ περιβεβλημένος ἐν τούτοις δὴ τοῖς βαρβάροις μεγάλην. οἱ δὲ Ῥογοὶ οὗτοι ἔθνος μὲν εἰσι Γοτθικόν, αὐτόνομοί τε τὸ παλαιὸν ἐβίου. [2] Θευδερίχου δὲ αὐτοὺς τὸ κατ' ἀρχὰς ἐταιρισσάμενον σὺν ἄλλοις τισιν ἔθνεσιν, ἔς τε τὸ Γότθων ἀπεκέκριντο γένος καὶ ξὺν αὐτοῖς ἐς τοὺς πολεμίους ἅπαντα ἔπρασσον. [3] γυναιξὶ μέντοι ὥς ἥκιστα ἐπιμινύμενοι ἀλλοτρίαις, ἀκραιφνέσι παίδων διαδοχαῖς τὸ τοῦ ἔθνους ὄνομα ἐν σφίσιν αὐτοῖς διεσώσαντο. [4] τοῦτον Ἐράριχον, ἐπεὶ ἐς ταραχὴν ἐπὶ τῷ Ἰδιβάδου φόνῳ καθεστῆκει τὰ πράγματα, βασιλέα ἐκ τοῦ αἰφνιδίου οἱ Ῥογοὶ ἀνείπον. [5] ὅπερ τοῖς Γότθοις οὐδαμῶς ἥρεσκεν, ἀλλὰ καὶ εἰς πολλὴν οἱ πλεῖστοι ἀθυμίαν κατέστησαν ἅτε τῶν ἐλπίδων σφίσι διεφθαρμένων ἄσπερ ἐπὶ Ἰδιβάδῳ τὰ πρότερα ἔσχον, ὃς δὴ τὴν τε ἀρχὴν καὶ τὸ Ἰταλίας κράτος Γότθοις ἀνασώσασθαι ἱκανὸς ἦν. [6] Ἐράριχος μέντοι οὐδὲν ὅ τι καὶ λόγου ἄξιον ἔδρασε: μῆνας γὰρ πέντε ἐπιβιούς ἐτελεύτησε τρόπῳ τοιῷδε. [7] Τουτίλας ἦν τις, Ἰδιβάδου ἀνεψιός, ἐπὶ πλεῖστον ξυνέσεως ἦκων καὶ τὸ δραστήριον ὥς μάλιστα ἔχων καὶ λόγου ἐν Γότθοις πολλοῦ ἄξιος. οὗτος ὁ Τουτίλας Γότθων μὲν τήνικαυτα τῶν ἐν Ταρβησίῳ ἄρχων ἐτύγγανεν. [8] ἐπεὶ δὲ ἐξ ἀνθρώπων ἀφανισθῆναι Ἰδιβάδον οὕτως, ὥσπερ ἐρρήθη, ἐπύθετο, πέμπας πρὸς Κωνσταντιανὸν ἐς Ῥάβενναν, τὰ πιστὰ οἱ δοθῆναι ὑπὲρ τῆς σωτηρίας ἐδεῖτο, ἐφ' ᾧ αὐτὸν τε καὶ Γότθους, ὢν ἦρχε, ξὺν Ταρβησίῳ παραδώσει Ῥωμαίοις. [9] ἅπερ Κωνσταντιανὸς ἀσμένως ἀκούσας ὡμοσεν ἅπαντα καθάπερ ὁ Τουτίλας ἤτησε, τακτὴ τε ἡμέρα ἐς τὸ ἔργον ἀμφοτέροις ξυνέκειτο, ἐν ᾗ ἔμελλε Τουτίλας τε καὶ Γότθοι οἱ ἐν Ταρβησίῳ φρουρὰν ἔχοντες δέξασθαι τῇ πόλει τινὰς τῶν Κωνσταντιανῶ ἐπιτηδείων καὶ σφᾶς γε αὐτοὺς ξὺν αὐτῇ ἐγχειρίσαι. [10] Ἦδη δὲ Γότθοι τῇ Ἐραρίχου ἀρχῇ ἦχοντο, οὐκ ἀξιώχρεων τὸν ἄνδρα ὀρῶντες τὸν πόλεμον πρὸς Ῥωμαίους διενεγκεῖν, καὶ αὐτὸν ἐκ τοῦ ἐμφανοῦς οἱ πλεῖστοι ἐκάκιζον ἅτε μεγάλων ἔργων ἐμπόδιον γεγονότα σφίσιν, ὅτι δὴ ἐκποδὼν Ἰδιβάδον πεποιήται. [11] τέλος δὲ συμφρονήσαντες πέμπουσι παρὰ Τουτίλαν ἐς Ταρβήσιον, ἐπὶ τὴν ἀρχὴν παρακαλοῦτες. πολὺν γὰρ ἤδη πόθον τῆς Ἰδιβάδου ἀρχῆς ἐν αὐτοῖς ἔχοντες τὴν ἐλπίδα τῆς νίκης ἐπὶ Τουτίλαν τὸν

ἐκεῖνου ξυγγενῇ ἔτρεπον, εὐέλπιδες ἐπὶ τῷ ἀνθρώπῳ γενόμενοι τῷ βούλεσθαι ταῦτά. [12] ὁ δὲ τοῖς παρ' αὐτὸν ἤκουσιν ἀντικρυς τὴν ἐς Ῥωμαίους ὁμολογίαν ἀποκαλύψας ἔφασκεν ὥς, ἦν Γότθοι Ἑράριχον τῆς κυρίας ἐντὸς κτείνουσιν, ἔσεται τε αὐτοῖς καὶ πάντα ἐπιτελῇ ποιήσει ἢ αὐτοὶ βούλονται. [13] ταῦτα ἐπεὶ οἱ βάρβαροι ἤκουσαν, ἐπιβουλῇ ἐς τὴν Ἑραρίχου καταστροφὴν εἶχοντο. ταῦτα μὲν ἐν τῷ Γότθων στρατοπέδῳ ἐγίνοντο. [14] Ἐν τούτῳ δὲ ὁ Ῥωμαίων στρατὸς ἐν τῷ ἀσφαλεῖ τῆς τῶν πολεμίων ἀπολαύοντες ἀσχολίας οὔτε ξυνίσταντο οὔτε τι δρᾶν ἐς τοὺς βαρβάρους διεννοοῦντο. [15] Ἑράριχος δὲ Γότθους ἅπαντας συγκαλέσας πρέσβεις ἀνέπεισε πρὸς Ἰουστινιανὸν βασιλέα πέμψαι, δεησομένους ἐφ' ᾧ εἰρήνην πρὸς αὐτοὺς θήσεται, ἐφ' οἷσπερ Οὐιτιγίδι τὰ πρότερα σπένδενσθαι ἠθέλεν: ὥστε τὰ ἐκτὸς Πάδου ποταμοῦ Γότθους ἔχοντας ἀπαλλάσσεσθαι Ἰταλίας τῆς ἄλλης. [16] καὶ ἐπεὶ Γότθοι ταῦτα ἐπήνεσαν, ἀπολέξας τινὰς τῶν οἱ ἐς τὰ μάλιστα ἐπιτηδείων, πρέσβεις ἔπεμψεν ἄλλους τε καὶ Καβαλλάριον ὄνομα. [17] οἱ δὲ πρὸς βασιλέα ταῦτα δὴθεν τῷ λόγῳ πράξιν ἐμελλον ἅπερ μοι ἐμπροσθεν εἴρηται, λάθρα δὲ αὐτοῖς ἄλλο μὴδὲν πρὸς βασιλέα πράσσειν ἐπέστελλε, πλὴν γε δὴ ὅπως χρήματά τε αὐτὸς πολλὰ λήψεται καὶ ἐς πατρικίους ἀνάγραφτος εἴη ἐφ' ᾧ Ἰταλίαν παραδοὺς ζύμπασαν τὸ τῆς ἀρχῆς κατάθοιτο σχῆμα. [18] οἱ μὲν οὖν πρέσβεις ἐπειδὴ ἐν Βυζαντίῳ ἐγένοντο, κατὰ ταῦτα ἔπρασσον. ἐν τούτῳ Γότθοι Ἑράριχον κτείνουσι δόλῳ. τελευτήσαντος δὲ αὐτοῦ παρέλαβε κατὰ τὰ ζυγκείμενα σφίσι τὴν ἀρχὴν Τουτίλας.

Ἐπεὶ δὲ Ἰουστινιανὸς βασιλεὺς ἔμαθε τά τε ἀμφὶ Ἑραρίχῳ ξυνενεχθέντα καὶ ὅτι Γότθοι Τουτίλαν σφίσιν ἐς τὴν ἀρχὴν κατεστήσαντο, κακίζων τε καὶ ἔρεσχελῶν τοὺς ἐνταῦθα τοῦ στρατοῦ ἄρχοντας οὐκέτι ἀνίει. [2] διὸ δὴ φυλακτῆρια καταστησάμενοι ἐν πόλει ἐκάστη Ἰωάννης τε ὁ Βιταλιανοῦ ἀδελφιδοῦς καὶ Βέσσας καὶ Βιτάλιος καὶ οἱ ἄλλοι ζύμπαντες ἐς Ῥάβενναν ξυνελέγοντο, οὗ δὴ Κωνσταντιανὸς καὶ Ἀλέξανδρος, οὗ πρόσθεν ἐμνήσθην, διατριβὴν εἶχον. [3] ἐπειδὴ τε ἅπαντες ξυνελέγησαν, ἔδοξε σφίσιν ἄμεινον εἶναι πρῶτον ἐπὶ Βερώνῃ, ἢ ἐν Βενεταίᾳ ἐστί, στρατεῦσθαι, καὶ ἐπειδὴν αὐτὴν τε καὶ Γότθους τοὺς ἐνταῦθα ἐξέλωσιν, οὕτω δὴ ἐπὶ τε Τουτίλαν καὶ Τικινούς ἰέναι. [4] οὗτος μὲν οὖν ὁ Ῥωμαίων στρατὸς εἰς δισχιλίους τε καὶ μυρίους ξυνεἵλεκτο, ἄρχοντες δὲ αὐτῶν ἑνδεκα ἦσαν, ὧν οἱ πρῶτοι ἐτύγγανον Κωνσταντινιανὸς τε καὶ Ἀλέξανδρος, οἱ καὶ εὐθὺ πόλεως Βερώνης ἐχώρουν. [5] γενόμενοι δὲ αὐτῆς ἄγχιστα, ὅσον ἀπὸ σταδίων ἐξήκοντα, ἐστρατοπεδεύσαντο ἐν τῷ ταύτῃ πεδίῳ. τούτου γὰρ πανταχόσε τοῦ χωρίου πεδία ἱππῆλατά ἐστι, διήκοντα ἐς Μάντουαν πόλιν, ἥπερ διέχει πόλεως Βερώνης ἡμέρας ὁδῷ. [6] Ἦν δέ τις ἐν Βενέτοις ἀνὴρ λόγιμος, Μαρκιανὸς ὄνομα, ὅσπερ ἐν φρουρίῳ μὲν κατῴκητο πόλεως Βερώνης οὐ πολλῷ ἄποθεν, εὐνοϊκῶς δὲ βασιλεῖ ἐς τὰ μάλιστα ἔχων τὴν πόλιν παραδοῦναι τῷ Ῥωμαίων στρατῷ ἐν σπουδῇ ἐποιεῖτο. [7] καί, ἦν γὰρ οἱ τῶν τις φυλάκων ἐκ παιδὸς γνῶριμος, πέμψας παρ' αὐτὸν τῶν οἱ ἐπιτηδείων τινὰς χρήμασιν ἀναπεῖθει τὸν ἄνθρωπον τῇ πόλει τὸ βασιλέως στράτευμα δεῖξασθαι. [8] καὶ ἐπεὶ ταῦτα ὁμολόγει ὁ τῶν πωλῶν φύλαξ, πέμπει τοὺς πρὸς αὐτὸν πράξαντας ὁ Μαρκιανὸς παρὰ τοὺς τοῦ Ῥωμαίων στρατοῦ ἄρχοντας, ἐφ' ᾧ τά τε

ξυγκείμενα ἐσαγγείλωσι καὶ ξὺν αὐτοῖς ἐς τὴν πόλιν εἰσβάλλωσι νύκτωρ. [9] ἔδοξε δὲ τοῖς ἄρχουσι ξύμφορον εἶναι προτερῆσαι μὲν αὐτῶν ἓνα ξὺν ὀλίγοις τισίν· ἦν δέ γε ὁ φύλαξ αὐτοῖς ἀνακλίνη τὰς πύλας, ἔχεσθαι τε αὐτῶν καὶ τῇ πόλει ξὺν τῷ ἀσφαλεῖ τὸν στρατὸν δέξασθαι. [10] τῶν μὲν οὖν ἄλλων ὑποστῆναι τὸν κίνδυνον οὐδεὶς ἠθέλεν, Ἀρταβάξης δὲ μόνος Ἀρμένιος μὲν γένος, διαφερόντως δὲ ἀγαθὸς τὰ πολέμια, ἐς τὴν πρᾶξιν οὗτι ἀκουσίως καθῆκεν αὐτόν. [11] οὗτος ὁ ἀνὴρ Περσῶν μὲν ἡγεῖτο, οὓς Βελισάριος ἐς Βυζάντιον ἐκ τῆς Περσῶν γῆς σὺν τῷ Βλησχάμῃ ὀλίγῳ ἔμπροσθεν ἐτύγχανε πέμψας, τὸ Σισαυράνων ἐξελὼν φρούριον. [12] τότε δὲ ἄνδρας ἑκατὸν ἐκ τοῦ παντὸς στρατοπέδου ἀπολεξάμενος ἁπὸ τῶν νυκτῶν ἄγχιστα τοῦ περιβόλου ἐγένετο. [13] καὶ ἐπεὶ ὁ φύλαξ ἥπερ ξυνέκειτο ἀνεπέτασε σφίσι τὰς πύλας, οἱ μὲν τινες ἐνταῦθα ἐστῶτες τὸ στράτευμα μετεπέμποντο, οἱ δὲ ἀναβάντες ἐπὶ τὸ τεῖχος τοὺς ταύτη φυλάσσοντας ἔκτειναν ἀπροσδόκητοι ἐπιπεσόντες. [14] ἐπεὶ δὲ Γότθοι ἅπαντες ἦσθοντο τοῦ κακοῦ, διὰ πυλῶν ἐτέρων φεύγοντες ὤχοντο. Πέτρα δὲ τις ἐς ἄγαν ὕψηλὴ πρὸ τοῦ περιβόλου ἀνέχει, ὅθεν ἅπαντα κατανοεῖν πάρεστι τὰ ἐν Βερῶνῃ πρᾶσσόμενα καὶ ἀπαριθμεῖσθαι τοὺς ταύτη ἀνθρώπους, καὶ μὴν καὶ τοῦ πεδίου ἐπὶ πλεῖστον ὁρᾶν. [15] ἐνταῦθα οἱ Γότθοι καταφυγόντες τὴν νύκτα ὅλην ἠσύχαζον. ὁ δὲ Ῥωμαίων στρατὸς ἀπὸ σταδίων τεσσαράκοντα τῆς πόλεως ἦκον οὐκέτι ἐπίπροσθεν ἦει, τῶν ἐν τῇ πόλει χρημάτων ἀλλήλοις ἀμφισβητούντων τῶν στρατηγῶν. [16] ἔτι τε αὐτῶν ἀμφὶ ταύτῃ διαμαχομένων τῇ λείᾳ ἡμέρᾳ τε ἤδη διαφανῶς γέγονε καὶ οἱ Γότθοι ἀπὸ τῆς ἄκρας ἐς τὸ ἀκριβὲς κατανεοηκότες τῶν τε ἀνὰ τὴν πόλιν πολεμίων καὶ ὅσον Βερῶνῃς τὸ ἄλλο στράτευμα διέχον εἰστήκει, δρόμῳ ἐπὶ τὴν πόλιν ἐχώρουν δι' αὐτῶν τῶν πυλῶν ὅθεν ἀπαλλαγέντες πρότερον ἔτυχον· οὐδὲ γὰρ αὐτῶν οἱ ἐσεληλυθότες ἔχεσθαι ἴσχυσαν. [17] Ῥωμαῖοι μὲν οὖν ξυμφορονήσαντες τοῦ περιβόλου ἀμφὶ τὰς ἐπάλξεις κατέφυγον, τῶν δὲ βαρβάρων αὐτοῖς πλήθει πολλῷ ἐς χεῖρας ἰόντων οἱ τε ἄλλοι καὶ Ἀρταβάξης πάντων μάλιστα ἔργα θαυμαστὰ ἐνδεικνύμενοι καρτερώτατα τοὺς ἐπιόντας ἡμύοντο. [18] Καὶ τότε δὴ οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες τὰ ὑπὲρ τῶν ἐν Βερῶνῃ χρημάτων πρὸς ἀλλήλους διοικησάμενοι παντὶ τῷ ἄλλῳ στρατῷ ἐπὶ τὴν πόλιν χωρεῖν ἔγνωσαν. [19] ἀποκεκλεισμένας δὲ σφίσι τὰς πύλας εὐρόντες ἰσχυρότατά τε τοὺς πολεμίους ἀμυνομένους ὀπίσω κατὰ τάχος ἀπήλαινον, καίπερ μαχομένους ἐντὸς τοῦ περιβόλου τοὺς ἐτέρους θεώμενοι καὶ δεομένους μὴ σφᾶς ἀπολιπεῖν, ἀλλ' αὐτοῦ μένειν, ἕως ἂν καταφυγόντες ἐς αὐτοὺς σώζοιντο. [20] διὸ δὴ οἱ ἀμφὶ τὸν Ἀρταβάξην τῷ τε πλήθει βιαζόμενοι τῶν πολεμίων καὶ ἀπογνόντες τὴν ἀπὸ τῶν οἰκείων ἐπικουρίαν, ἀπὸ τοῦ τεύχους ἔξω ἤλαντο ἅπαντες. [21] οἷς μὲν οὖν καταπεσεῖν ἐφ' ὁμαλοῦ χωρίου ξυνέβη, οὗτοι δὴ ἀθῶοι ἐς τὸ Ῥωμαίων στρατόπεδον ἐκομίσθησαν, ἐν οἷς καὶ Ἀρταβάξης ἦν· ὅσοι μέντοι ἐς δυσχωρίας κατέπεσον, αὐτοῦ ἅπαντες διεφθάρησαν. [22] ἐπεὶ τε Ἀρταβάξης ἐς τὸ Ῥωμαίων στρατόπεδον ἦλθε, πολλὰ τε ὀνειδίσας καὶ λοιδορησάμενος ἅπασιν ξὺν αὐτοῖς ἦει, τὸν τε Ἡριδανὸν διαβάντες ἐν Φαβεντία πόλει ἐγένοντο, ἡ χώρας μὲν τῆς Αἰμιλίας ἐστὶ, σταδίου δὲ εἴκοσι καὶ ἑκατὸν Ῥαβέννης διέχει.

Τουτίλας δὲ τὰ ἐν Βερῶνῃ ξυμπεσόντα μαθὼν Γότθων τε τῶν ἐκ Βερῶνῃς

πολλοὺς μετεπέμπετο, καὶ ἐπεὶ παρήσαν, παντὶ τῷ στρατῷ, ἐς πεντακισχιλίους ὄντι, ἐπὶ τοὺς ἐναντίους ἦει. ὁ δὲ μαθόντες οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες τὰ παρόντα σφίσιν ἐν βουλῇ ἐποιοῦντο. [2] καὶ παρελθὼν Ἀρταβάξης ἔλεξε τοιάδε: ‘Μηδεὶς ὑμῶν, ἄνδρες ἄρχοντες, ὑπερφρονεῖν τῶν πολεμίων ἅτε ἡμῶν τῷ πλήθει ἐλασσομένων τανῦν ἀξιούτω, μηδέ, ὅτι πρὸς τοὺς Βελισαρίῳ δεδουλωμένους ἀγωνίζεται, λογισμῷ ἀναπεπτωκότι ἐπ’ αὐτοὺς ἴτω. [3] πολλοὶ γὰρ δόξῃ οὐκ ἀληθεῖ ἐξηπατημένοι σφᾶς αὐτοὺς ἔσφηλαν, καὶ καταφρόνημά τισιν οὐκ ἐν δέοντι γινόμενον τὴν ὑπάρχουσαν αὐτοῖς καταλῦσαι δύναμιν ἴσχυσεν, ἐπεὶ καὶ ἄλλως ἢ προλαβοῦσα κακοπραγία τοῦσδε τοὺς ἄνδρας ἐς εὐτυχίαν παρακαλεῖ. [4] τύχη γὰρ εἰς ἀπόγνωσιν ἀγαθῶν ἐλπίδων ἐλθοῦσα ἐς εὐτολμίας ὑπερβολὴν περιέσταται. [5] καὶ ταῦτα οὐχ ὑποψία τανῦν ἡγμένος ἐν ὑμῖν εἴρηκα, ἀλλ’ οἷς διακινδυνεύσας πρὸς αὐτοὺς ἑναγχος ἐκμεμάθηκα τὴν τῶν ἀνδρῶν τόλμαν. [6] καὶ με νομιζέτω μηδεὶς ζῆν ὀλίγους τισὶν ἡσσηθέντα τῶν πολεμίων θαυμάσαι τὴν δύναμιν. ἐπεὶ ἀνδρῶν ἀρετὴ καὶ πλήθει ὑπεραιρόντων καὶ τούτῳ ἐλασσομένων τοῖς γε πρὸς αὐτοὺς διαμαχισομένοις ἐνδηλος γίνεται. [7] οἶμαι τοίνυν ἡμῖν μᾶλλον ξυνοίσειν τοῦ ποταμοῦ τηρήσασι τὴν διάβασιν τοῖς βαρβάροις, ἐπειδὴν ἐς ἡμῖς διαβαίνουσιν, ἐς χεῖρας ἰέναί ἢ πᾶσιν ἀθρόοις ἤδη γεγεννημένοις. [8] μηδενὶ τε ἄδοξος εἶναι ἢ τοιαύτη δεδόχθω νίκη. δόξαν τε γὰρ καὶ ἄδοξιν ἢ τῶν πραγμάτων ἀπόβασιν ὀνομάζειν φιλεῖ, καὶ τοὺς νενικηκότας εἰώθασιν ἐπαινεῖν ἄνθρωποι, οὐ διερευνώμενοι τῆς [9] νίκης τὸν τρόπον.’ Ἀρταβάξης μὲν τοσαῦτα εἶπεν. οἱ δὲ δὴ ἄρχοντες τῷ διαμαχομένῳ τῆς γνώμης τῶν δεόντων οὐδὲν ἔπρασσον, ἀλλ’ αὐτοῦ μένοντες τὸν καιρὸν ἔτριβον. [10] Ἦδη δὲ ὁ τῶν Γότθων στρατὸς ἄγχιστα ἐγγέγονει, καὶ ἐπεὶ διαβαίνειν τὸν ποταμὸν ἔμελλον, ξυγκαλέσας Τουτίλας ἅπαντας τοιαῦτα παρεκελεύσατο: ‘Αἱ μὲν ἄλλαι ζύμπασαι μάχαι, ὧ ἄνδρες ξυγγενεῖς, ὁμοίαν τινὰ μάχην ἐκ τοῦ ἐπὶ πλείστον ἐπαγγελλούμεναι τοῖς στρατοπέδοις ἐς τὴν ἀγωνίαν ὀρμῶσιν, ἡμεῖς δὲ τοῖς πολεμίοις οὐκ ἐξ ἀντιπάλου τῆς τύχης, ἀλλὰ πολλῷ τῷ διαλλάσσουντι χρώμενοι ἐς τὸν ἀγῶνα καθιστάμεθα τόνδε. [11] οἱ μὲν γὰρ ἡσσηθέντες, ἂν οὕτω τύχοι, οὐκ ἐς μακρὰν ἀναμάχεσθαι πρὸς ἡμᾶς ἔξουσιν. ἐν τε γὰρ τοῖς ὀχυρώμασιν Ἰταλίας ἀπάσης πλῆθος αὐτοῖς στρατιωτῶν ἀπολέλειπται καὶ ἄλλο στράτευμα ἐκ Βυζαντίου αὐτίκα δὴ μάλα ἐπιβοηθήσειν οὐδὲν ἀπείκός. ἡμῶν δὲ ταῦτο τοῦτο παθόντων τὸ Γότθων ὄνομα μετὰ τῆς ἐλπίδος ἀπολωλέναι λελείπεται. [12] ἐκ μυριάδων γὰρ εἴκοσιν ἐς πεντακισχιλίους ἡμᾶς ἀποκεκρίσθαι ξυμβέβηκε. τοσαῦτα ὑπειπὼν κάκεῖνο ὑμᾶς ὑπομνησαι οὐκ ἀπὸ τρόπου οἶομαι εἶναι, ὥς ἡνίκα μὲν ζῆν Ἰλδιβάδῳ ὅπλα ἀνταῖρειν βασιλεῖ ἔγνωτε, τὸ μὲν πλῆθος ὑμῖν οὐ πλέον ἢ ἐς χιλίους ξυμβιοῦν ἔτυχεν, ἡ δὲ χώρα περίστατο ζύμπασα ἐς Τικινὸν πόλιν. [13] ἐπεὶ δὲ τῇ ξυμβολῇ γεγόνατε κρείσσους, ἐπίπροσθεν ἡμῖν τά τε τῆς στρατιᾶς καὶ τῆς χώρας κεχώρηκεν. ὥστε ἦν καὶ νῦν ἀνδραγαθίζεσθαι ἢ βουλομένοις ὑμῖν, προϊόντος, ὥς τὸ εἰκός, τοῦ πολέμου πάμπαν κρατήσιν τῶν ἐναντίων ἐλπίδα ἔχω. [14] τοῖς γὰρ νενικηκόσιν αἰεὶ τὸ πλείοσί τε καὶ δυνατωτέροις γεγονέναι ξυμβαίνει. προθυμείσθω τοίνυν ὑμῶν ἕκαστος παντὶ σθένει τοῖς πολεμίοις ὁμόσε χωρεῖν τὴν μάχην ἐξεπιστάμενος τὴν νῦν οὐκ εὐδοκιμηκόσιν ἡμῖν ἀναμάχεσθαι πρὸς

τοὺς ἐναντίους ἀμήχανον. [15] ἄξιον δὲ ἡμᾶς μετὰ τῆς ἀγαθῆς ἐλπίδος τοῖς πολεμίοις ἐς χεῖρας ἰέναι, τῇ τῶν ἀνδρῶν ἀδικία θαρροῦντας. [16] οὕτω γὰρ αὐτοῖς τὰ ἐς τοὺς κατηκούς βεβίωται ὥστε Ἰταλιώταις τανῦν τῆς τετολμημένης οὐ δέον αὐτοῖς ἐς Γότθους προδοσίας κολάσεως οὐδεμιᾶς ἐτέρας προσδεῖ. οὕτω ξυλλήβδην εἰπεῖν ξύμπαντα αὐτοῖς τὰ κακὰ πρὸς τῶν ὑποδεχθέντων γενέσθαι ξυνέβη. [17] τί δ' ἂν πολεμίων εὐαλωτότερον γένοιτο οἷς γε τὰ ἐκ θεοῦ διῆτα πεπραγμένα οὐχ ὕγιως ἔχει; καὶ μὴν καὶ τῷ ἐξ ἡμῶν ἐς αὐτοὺς δέει εὐέλπιδας ἂν ἡμᾶς ἐς τὸν ἀγῶνα γίνεσθαι πρέποι. [18] οὐ γὰρ ἐπ' ἄλλους τινὰς ἀνθρώπων χωροῦμεν ἢ ὅσοι ἔναγχος ἐν μέσῃ Βερώνῃ γενόμενοι μεθέντες τε οὐδενὶ λόγῳ, καίπερ διώκοντος τῶν πάντων αὐτοὺς οὐδενός, οὕτω δὴ αἰσχυρῶς ἐς φυγὴν ὥρμηντο.' [19] Τοσαῦτα ὁ Τουτίλας παρακελευσάμενος τῶν οἱ ἐπομένων τριακοσίους ἐκέλευεν, ὅσον ἀπὸ σταδίων εἴκοσι τὸν ποταμὸν διαβαίνοντας, κατόπισθεν τοῦ τῶν πολεμίων στρατοπέδου γενέσθαι, καὶ ἐπειδὴν ἡ μάχη ἐν χερσὶ γένηται, κατὰ νότου αὐτῶν ἰόντας βάλλειν τε καὶ ἐνοχλεῖν δυνάμει τῇ πάσῃ, ὅπως ἐκείνοι ξυνταραχθέντες οὐδεμιᾶς ἀλκῆς μνήσονται. [20] αὐτὸς δὲ παντὶ τῷ ἄλλῳ στρατῷ αὐτίκα τὸν ποταμὸν διαβάς εὐθὺ τῶν ἐναντίων ἐχώρει: [21] οἱ δὲ Ῥωμαῖοι εὐθὺς ὑπηντίαζον. ἐπειδὴ τε ἀμφοτέρω ὁδῷ ἰόντες ἐγγυτέρω ἀλλήλων ἐγένοντο, Γότθος ἀνὴρ, Οὐάλαρις ὄνομα, μέγας τε τὸ σῶμα καὶ τὸ εἶδος φοβερὸς ἄγαν, ἔτι μέντοι δραστήριός τε καὶ ἀγαθὸς τὰ πολέμια, τὸν ἵππον ἐξελάσας πρὸ τοῦ ἄλλου στρατοῦ ἐν μεταίχμῳ ἔστη, τεθωρακισμένος τε καὶ κράνος ἐν τῇ κεφαλῇ ἔχων, καὶ Ῥωμαίους ἅπαντας προὔκαλεῖτο, εἴ τίς οἱ βούλοιο ἐς χεῖρας ἰέναι. [22] οἱ μὲν οὖν ἄλλοι κατωρρωδικοτέρες ἡσυχῇ ἔμενον, Ἀρταβάζης δὲ αὐτῷ ἐς ἀγῶνα κατέστη μόνος. [23] ἄμφω τοῖνυν τῷ ἵπῳ κατ' ἀλλήλοιον ἐλάσαντε, ἐπειδὴ ἄγχιστα ἴκοντο, τὰ δόρατα ὥθουν, Ἀρταβάζης δὲ προτερήσας ἐφθασε τὸν Οὐάλαριν ἐς πλευράν τὴν δεξιὰν παίσας. [24] ὁ δὲ βάρβαρος καιρίαν τυπεὶς ὕπιος ἐς τὴν γῆν πεσεῖν ἔμελλεν, ἀλλὰ οἱ τὸ δόρυ ἐξόπισθεν ἐπὶ τὸ ἔδαφος ἐπὶ πέτρας τινὸς ἐρεισθὲν πεσεῖν αὐτὸν οὐδαμῇ εἶα. [25] ὁ δὲ Ἀρταβάζης ἐνέκειτο ἔτι μᾶλλον τὸ δόρυ ἐς τὰ τοῦ ἀνδρὸς ὠθῶν ἔγκατα. οὕτω γὰρ αὐτὸν ἤδη ἀλῶναι καιρίᾳ πληγῇ ὑπετόπαζεν. [26] οὕτω τε ξυνέβη Οὐαλάριδος τὸ τοῦ δόρατος ἄκρον σιδήριον σχεδόν τι ὀρθὸν γεγεννημένον τοῦ Ἀρταβάζου θώρακος ἅπτεσθαι, κατὰ βραχὺ τε προῖον διελθεῖν μὲν τὸν θώρακα ὅλον, ὀλισθῆσαν δὲ τοῦ δέρματος ἀμφὶ τὸν Ἀρταβάζου ἀνχένα ψαῦσαι. [27] τύχῃ τέ τινι ἀρτηριάν ἐνταῦθά πη οὖσαν ἐπίπροσθεν ἰὼν ὁ σίδηρος τέμνει, καὶ ῥύσις αὐτίκα πολλοῦ αἵματος ἦν. [28] αἰσθησὶς δὲ ὀδύνης οὐδεμία τῷ ἀνθρώπῳ ἐγένετο, ἀλλ' αὐτὸς μὲν ἐς τὸ Ῥωμαίων στράτευμα τὸν ἵππον ἀπήλαυνεν, [29] Οὐάλαρις δὲ νεκρὸς αὐτοῦ ἔπεσε. καὶ Ἀρταβάζης δέ, τοῦ αἵματος οὐκέτι λωφῆσαντος, τρίτῃ ὕστερον ἡμέρᾳ ἐξ ἀνθρώπων ἠφάνιστο, Ῥωμαίοις τε κατέσεισε τὴν πᾶσαν ἐλπίδα, ἐπεὶ καὶ τότε ἀπόμαχος ἐν τῇ ξυμβολῇ ταύτῃ γενόμενος οὐκ ἐπὶ μικροῖς τὰ πράγματα αὐτὸς ἔσφηλεν. [30] ὁ μὲν γὰρ ἔξω βελῶν γεγωνὼς τοῦ τραύματος ἐπεμελεῖτο, τὰ δὲ στρατεύματα ἄμφω ἐς χεῖρας ἦλθον. [31] Καρτερᾶς δὲ γενομένης τῆς ξυμβολῆς οἱ τριακόσιοι βάρβαροι κατόπισθεν τοῦ Ῥωμαίων στρατοῦ ὁδῷ ἰόντες ἐκ τοῦ αἰφνιδίου ἐφάνησαν, οὓς δὴ κατιδόντες Ῥωμαῖοι

καὶ πολὺ πλῆθος εἶναι τῶν σφίσι μαχομένων οἰόμενοι ἕς τε ὀρρωδίαν ἔπесον καὶ αὐτίκα ἕς φυγὴν ὥρμητο, [32] ὥσπερ ἐκάστῳ δυνατὰ γέγονε. φεύγοντάς τε οἱ βάρβαροι οὐδενὶ κόσμῳ Ῥωμαίους ἔκτεινον, καὶ πολλοὺς μὲν αὐτῶν ζωγρήσαντες ἐν φυλακῇ εἶχον, τὰ δὲ σημεῖα ξύμπαντα ἔλαβον, ὅπερ οὐπω πρότερον Ῥωμαίοις ξυνέπεσε. τῶν τε ἀρχόντων ὡς ἕκαστός πη ἐδύνατο ξὺν ὀλίγοις τισὶν ἔφευγε, καὶ τὰς πόλεις ὅπῃ ἔτυχον διασωθέντες ἐφύλασσον.

Χρόνῳ δὲ Τουτίλας οὐ πολλῷ ὕστερον στράτευμα ἐπὶ τε Ἰουστίνον καὶ Φλωρεντίαν ἔπεμψεν, οἷς δὴ ἄρχοντας Γότθων τοὺς μαχιμωτάτους ἐπέστῃσε, Βλέδαν καὶ Ρουδέριχον καὶ Οὐλίαριν. οἷπερ ἐπειδὴ ἕς Φλωρεντίαν ἦλθον, ἐγκαθεζόμενοι ἀμφὶ τὸ τεῖχος ἕς πολιορκίαν καθίσταντο. [2] Ἰουστίνος δὲ ξυνταραχθεὶς ἐπεὶ τῶν ἐπιτηδείων ἐσκομισάμενος οὐδὲν ἔτυχεν, ἔπεμψεν ἕς Ῥάβενναν πρὸς τοὺς τοῦ Ῥωμαίων στρατοῦ ἄρχοντας, [3] βοηθεῖν σφίσι κατὰ τάχος δεόμενος. νύκτωρ τε ὁ σταλεις τοὺς πολεμίους λαθὼν ἕς Ῥάβεννάν τε ἀφίκετο καὶ τὰ παρόντα σφίσιν ἀπήγγειλε. [4] διὸ δὴ στράτευμα Ῥωμαίων λόγῳ ἄξυν εὐθὺς ἕς Φλωρεντίαν ἦει, ὧν δὴ Βέσσας τε καὶ Κυπριανὸς καὶ Ἰωάννης ὁ Βιταλιανοῦ ἀδελφιδοὺς ἡγοῦντο ὅπερ ἐπεὶ Γότθοι πρὸς τῶν κατασκόπων ἐπύθοντο, [5] λύσαντες τὴν προσεδρείαν, ἀνεχώρησαν εἰς χωρίον Μουκέλλιν ὄνομα, Φλωρεντίας διέχον ἡμέρας ὁδόν. [6] ἐπεὶ δὲ ὁ Ῥωμαίων στρατὸς Ἰουστίνῳ ξυνέμιξεν, ὀλίγους μὲν τινὰς τῶν αὐτῷ ἐπομένων ἐπὶ φυλακῇ τῆς πόλεως αὐτοῦ εἶασαν, αὐτοὶ δὲ τοὺς ἄλλους ἐπαγόμενοι ἐπὶ τοὺς πολεμίους ἐχώρουν. [7] Καὶ αὐτοῖς ὁδῷ πορευομένοις ξυμφορώτατον ἔδοξεν εἶναι τῶν ἀρχόντων ἓνα παντὸς τοῦ στρατοῦ τοὺς λογιμωτάτους ἀπολεξάμενον πρόσω ἰέναι καὶ αὐτὸν μὲν ἕξ ἐπιδρομῇς τοῖς πολεμίους ἀπροσδόκητον ἕς χειρας ἔλθειν, τὸ δὲ ἄλλο στράτευμα σχολῇ βαδίζον ἐνταῦθα ἰέναι. κλήρους τε ἐπὶ τούτοις ἐμβεβλημένοι τὴν τῆς τύχης ἐκαραδόκουν ἕς τοῦτο γνώμην. [8] ὁ μὲν οὖν κληρὸς ἐκπεπήδηκεν ἕς Ἰωάννην, οὐκέτι δὲ βουλομένοις τοῖς ἄρχουσιν ἦν ἐπιτελεῖν τὰ ξυγκείμενα. [9] διὸ δὴ ξὺν τοῖς ἐπομένοις Ἰωάννης ἠνάγκαστο ἐπίπροσθεν ἰὼν ἐπὶ τοὺς πολεμίους χωρεῖν. οἱ δὲ βάρβαροι τὴν τῶν ἐναντίων ἔφοδον γνόντες τὸ μὲν πεδῖον, οὗ δὴ ἐνστρατοπεδευσάμενοι ἐτύγχανον, δέει πολλῷ ἀπολιπεῖν ἔγνωσαν, ἕς λόφον δὲ μέγαν τινὰ ὃς ταύτῃ ἀνέχει ξὺν θορύβῳ ἀνέδραμον. [10] ἐπεὶ δὲ οἱ ἀμφὶ τὸν Ἰωάννην ἐνταῦθα ἐγένοντο, ἀναδραμόντες καὶ αὐτοὶ ἐπὶ τοὺς πολεμίους ἔργου εἶχοντο. [11] καρτερῶς δὲ τῶν βαρβάρων ἀμυνομένων ὠθισμός τε πολὺς γέγονε καὶ πολλοὶ ἐκατέρωθεν ἔργα ἐνδεικνύμενοι θαυμαστὰ ἔπιπτον. [12] Ἰωάννου δὲ κραυγῇ τε καὶ ταραχῇ πολλῇ ἐπὶ τοὺς κατ' αὐτὸν πολεμίους ὀρμήσαντος ξυνέβη τῶν δορυφόρων τῶν αὐτοῦ ἓνα πρὸς τοὺς πολεμίους ἀκοντίῳ βληθέντα πεσεῖν: ἀπ' αὐτοῦ τε Ῥωμαῖοι ἀποκρουσθέντες ὀπίσω ἐχώρουν. [13] Ἦδη δὲ καὶ ὁ λοιπὸς τῶν Ῥωμαίων στρατὸς ἕς τὸ πεδῖον ἀφικόμενοι φάλαγγά τε ποιησάμενοι ἴσαντο. καὶ εἰ μὲν φυγόντας τοὺς ἀμφὶ τὸν Ἰωάννην ἐδέξαντο, ξὺν αὐτοῖς ἂν ὁμόσε τοῖς πολεμίους χωρήσαντες ἐνίκησάν τε τῇ ξυμβολῇ καὶ σχεδόν τι ἅπαντας ἐλεῖν ἴσχυσαν. [14] ἀλλὰ τύχη τινὶ ξυνέβη ἕς τὸ Ῥωμαίων στρατόπεδον φήμην οὐκ ἀληθῆ περιφέρεισθαι, ὡς δὴ Ἰωάννης πρὸς τοὺς αὐτοῦ δορυφόρους ἐν τῷ ἔργῳ τούτῳ ἕξ ἀνθρώπων ἀφανισθεῖη. [15] ἐπεὶ τε ὁ λόγος ἕς τοὺς ἄρχοντας ἦλθε, μένειν ἐνταῦθα οὐκέτι

ἡξίουσαν, ἀλλ' ἐς ὑπαγωγὴν αἰσχροῦ τινος ζυμπαντες ἦσαν. [16] οὐδὲ γὰρ ζυντεταγμένοι οὐδὲ κατὰ ζυμμορίας τινάς, ἀλλ' αὐτοὺς ἕκαστος ὡς πῃ ἐδύνατο ἐς φυγὴν ὤρμητο. καὶ πολλοὶ μὲν ἐν τῇ φυγῇ ταύτῃ ἀπώλοντο, ὅσοι μὲντοι διεσώθησαν ἡμέρας πολλὰς οὐδαμῇ διωκόμενοι ἔφευγον. [17] χρόνῳ τε ὕστερον ὡς ἐκάστῳ ἔτυχεν ἐς ὄχυρά τινὰ ἐσελθόντες ἄλλο οὐδὲν ἀπήγγελλον τοῖς ἐντυγχάνουσιν ἢ ὅτι τεθνεῶς Ἰωάννης εἶη. [18] καὶ ἀπ' αὐτοῦ οὔτε ζυνεμίγνυντο ἔτι ἀλλήλοις οὔτε ζυνίστασθαι τὸ λοιπὸν ἐπὶ τοὺς πολεμίους διανοοῦντο, ἀλλ' ἕκαστος τοῦ κατ' αὐτὸν περιβόλου ἐντὸς ἔμενε καὶ τὰ ἐς πολιορκίαν ἡτοίμαζε, δειδῶς μὴ οἱ βάρβαροι ἐπ' αὐτὸν ἴωσι. [19] Τουτίλας δὲ φιλοφροσύνην ἐς τοὺς αἰχμαλώτους πολλὴν ἐνδεικνύμενος, προσποιεῖσθαι τε αὐτοὺς ἴσχυσε καὶ τὸ λοιπὸν ἐθελούσιοι ζῆν αὐτῷ οἱ πλείστοι ἐπὶ Ῥωμαίους ἐστράτευσαν. καὶ ὁ χειμὼν ἔλγη, καὶ ἑβδομον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ζυνέγραψεν.

Ἐπειτα δὲ ὁ Τουτίλας Καισιανὴν τε καὶ Πέτρην τὰ φρούρια εἶλεν. ὀλίγον τε ὕστερον ἐς Τουσκίαν ἀφίκετο, καὶ τῶν ἐνταῦθα χωρίων ἀποπειρασάμενος, ἐπεὶ οἱ προσχωρεῖν οὐδεὶς ἠθέλε, Τίβεριν ποταμὸν διαβάς, ἐς μὲν τὰ Ῥώμης ὅρια οὐδαμῇ ἦλθεν, ἐς Καμπανοὺς δὲ καὶ Σαμνίτας αὐτίκα ἤκων Βενεβεντὸν πόλιν ἐχυρὰν παρεστήσατο οὐδενὶ πόνῳ, καὶ αὐτῆς τὰ τεῖχη ἐς ἔδαφος καθεῖλεν, ὅπως μὴ στράτευμα ἐκ Βυζαντίου ἦκον ἐκ τε ὄχυροῦ ὁρμώμενον πράγματα Γότθοις παρέχειν δύνηται. [2] μετὰ δὲ Νεαπολίτας πολιορκεῖν ἔγνω, ἐπεὶ αὐτὸν δέχεσθαι τῇ πόλει, καίπερ ἐπαγωγὰ πολλὰ λέγοντα, ὡς ἥκιστα ἠθέλον. Κόνων γὰρ ἐνταῦθα ἐφύλασσε, Ῥωμαίων τε καὶ Ἰσαύρων χιλίους ἔχων. [3] καὶ αὐτὸς μὲν τῷ πλείονι τοῦ στρατοῦ ἐνστρατοπεδευσάμενος οὐ πολλῷ ἄποθεν τοῦ περιβόλου ἡσύχαζε, πέμψας δὲ τῆς στρατιᾶς μοῖραν, Κύμην τε τὸ φρούριον καὶ ἄλλα ἅττα ὄχυρά τινὰ εἶλε, χρήματά τε ἐνθένδε περιβαλέσθαι μεγάλη ἴσχυσε. [4] καὶ γυναῖκας τῶν ἐκ βουλῆς ἐνταῦθα εὐρῶν οὔτε ὕβρισε καὶ ζῆν πολλῇ φιλοφροσύνῃ ἐλευθέρας ἀφῆκε, μέγα τε ἀπ' αὐτοῦ ὄνομα ἐπὶ τε ζυνέσει καὶ φιλανθρωπία ἐς Ῥωμαίους ἅπαντας ἔσχε. Καὶ ἐπεὶ οἱ πολέμιον οὐδὲν ὑπηντίαζαν, ὀλίγους αἰὲ τοῦ στρατοῦ περιπέμπων ἔργα λόγου πολλοῦ ἄξια ἔπρασσε. [5] Βριττίους μὲν καὶ Λευκανοὺς παρεστήσατο, καὶ Ἀπουλίαν ζῆν Καλαβρία ἔσχε, τοὺς τε δημοσίους φόρους αὐτὸς ἔπρασσε, καὶ τὰς τῶν χρημάτων προσόδους ἀντὶ τῶν τὰ χωρία κεκτημένων ἐφέρετο, καὶ τὰλλα καθίστη ἅτε τῆς Ἰταλίας γεγωνὸς κύριος. [6] διὸ δὴ τῇ Ῥωμαίων στρατιᾷ χρόνοις τοῖς καθήκουσιν οὐ κομιζομένη τὰς συνειθισμένας συντάξεις χρήματα μεγάλα βασιλεὺς ὤφειλε. [7] καὶ ἀπ' αὐτοῦ οἱ μὲν Ἰταλιῶται τῶν τε προσηκόντων ἐκπεπτωκότες καὶ ἐς κινδύνου μέγεθος αὐθις ἐληλακότες ἐν πένθει μεγάλῳ ἐγίνοντο. οἱ δὲ στρατιῶται ἀπειθεστέρους αὐτοὺς τοῖς ἄρχουσιν ἔτι μᾶλλον παρεῖχον, ἔν τε ταῖς πόλεσιν ἄσμενοι ἔμενον. [8] Κωνσταντιανὸς μὲν οὖν Ῥάβενναν εἶχεν, Ἰωάννης δὲ Ῥώμην, Σπολίτιον δὲ Βέσσας, καὶ Ἰουστίνος Φλωρεντιαν, Κυπριανὸς δὲ Περυσίαν, καὶ τῶν ἄλλων ἕκαστος ὅπῃ φυγὼν τε καὶ διασωθεὶς κατ' ἀρχὰς ἔτυχε. [9] Ταῦτα βασιλεὺς μαθὼν τε καὶ ἐν ζυμφορᾷ πεποιημένος τῶν Ἰταλίας πραιτωρίων ἐπαρχὸν Μαξιμίον ὡς τάχιστα κατεστήσατο, ἐφ' ᾧ τοῖς τε ἄρχουσιν ἐς τὸν πόλεμον ἐπιστάτης εἶη καὶ τοῖς στρατιώταις τὰ ἐπιτήδεια κατὰ τὴν χρεῖαν πορίζηται. [10]

καὶ οἱ νεῶν ξυνέπεμψε στόλον, Θρακῶν τε καὶ Ἀρμενίων στρατιωτῶν ἐμπλησάμενος. ἤγειτο δὲ τῶν μὲν Θρακῶν Ἡρωδιανός, τῶν δὲ Ἀρμενίων Φάζας Ἴβηρ, Περανίου ἀδελφιδοῦς· ξυνέπλεον δὲ αὐτοῖς καὶ Οὐννοι ὀλίγοι.

[11] Μαξιμῖνος μὲν οὖν ἄρας ἐκ Βυζαντίου παντὶ τῷ στόλῳ τῆς Ἑλλάδος ἐς τὴν Ἥπειρον ἦλθεν· ἔνθα δὴ τὸν καιρὸν κατατρίβων ἐκάθητο οὐδενὶ λόγῳ. [12] ἦν γὰρ πολεμίων ἔργων οὐδαμῶς ἔμπειρος καὶ ἀπ' αὐτοῦ δειλός τε καὶ μελλητῆς ἐς τὰ μάλιστα. [13] Μετὰ δὲ καὶ Δημήτριον στρατηγὸν βασιλεὺς ἐπεμψεν, ὃς δὴ τὰ πρότερα ξὺν Βελισαρίῳ ἐστράτευε καταλόγου πεζικοῦ ἄρχων. [14] καταπλεύσας οὖν ὁ Δημήτριος ἐς Σικελίαν, ἐπεὶ Κόνωνά τε καὶ Νεαπολίτας πικρότατα πολιορκεῖσθαι τῶν ἐπιτηδείων παντάπασι σπανίζοντας ἤκουσε, βοηθεῖν μὲν κατὰ τάχος ἤθελεν, ἀδύνατος δὲ ὢν, ἐπεὶ οἱ στρατεύματα βραχύ τε καὶ οὐκ ἀξιόλογον εἶπετο, [15] ἐπενόει τοιάδε. ναῦς ὅτι πλείστας ἐκ Σικελίας ἀπάσης ἀγείρας σίτου τε αὐτὰς ἐμπλησάμενος καὶ τῶν ἄλλων ἐπιτηδείων ἔπλει, δόκησιν παρέχων τοῖς ἐναντίοις πάμπολύ τι στρατεύμα ἐν ταῖς ναυσὶν εἶναι. [16] καὶ ἔτυχέ γε τῆς τῶν πολεμίων ἐννοίας. μέγαν γὰρ σφίσιν ἐπιέναι στρατὸν ᾧοντο, τεκμαιρόμενοι ὅτι δὴ στόλου πολὺ τι χρῆμα πλεῖν ἐκ Σικελίας ἐπύθοντο. [17] καὶ εἰ μὲν κατ' ἀρχὰς εὐθὺς Νεαπόλεως ἰέναι Δημήτριος ἤθελεν, οἷμαι ἂν αὐτὸν ἐκπληξάι τε τοὺς πολεμίους καὶ τὴν πόλιν διασώσασθαι, οὐδενός οἱ ἀντιστατοῦντος. [18] νῦν δὲ κατορρωδήσας τὸν κίνδυνον καταίρειν μὲν ἐς Νεάπολιν ἥκιστα ἔγνω, ἐς δὲ τὸν Ῥώμης καταπλεύσας λιμένα, στρατιώτας ἐνθένδε ἀγείρειν ἐν σπουδῇ ἐποιεῖτο. [19] οἱ δὲ ἅτε πρὸς τῶν βαρβάρων ἡσσημένοι τε καὶ μέγα δέος ἔτι ἀπ' αὐτῶν ἔχοντες, ἔπεσθαι Δημητρίῳ ἐπὶ Τουτίλαν τε καὶ Γότθους οὐδαμῇ ἤθελον. διὸ δὴ μόνοις τοῖς ἐκ Βυζαντίου ξὺν αὐτῷ ἤκουσιν ἐς Νεάπολιν ἰέναι ἠνάγκαστο. [20] Ἦν δὲ τις Δημήτριος ἕτερος, Κεφαληνὸς γένος, ναύτης μὲν τὸ παλαιὸν καὶ τῶν κατὰ θάλασσαν ἔργων τε καὶ κινδύνων ἀκριβῶς ἔμπειρος, πλεύσας δὲ ξὺν Βελισαρίῳ ἔς τε Λιβύην καὶ Ἰταλίαν ἐγένετο ἐς ταύτην δὴ τὴν ἐμπειρίαν δόκιμος, καὶ ἀπ' αὐτοῦ ἐπίτροπον βασιλεὺς αὐτὸν Νεαπόλεως κατεστήσατο.

[21] ἐπειδὴ τε οἱ βάρβαροι τὸ χωρίον πολιορκεῖν ἤρξαντο, ἀσελγείᾳ πολλῇ ἐχόμενος ἐς τὸν Τουτίλαν συχνὰ ὕβριζε, λίαν τε ἀθυρόγλωσσος ἐν τούτῳ τῷ πόνῳ ὁ ἀνὴρ ᾧφθη. [22] Προϊόντος δὲ τοῦ κακοῦ καὶ τῆς ἀπωλείας Κόνωνος ἐς λέμβον τινὰ λάθρα ἐσβάς ἐτόλμησε παρὰ τὸν στρατηγὸν Δημήτριον ἰέναι μόνος. [23] ἐκ δὲ τοῦ παραδόξου σωθεὶς τε καὶ ξυγγενόμενος τῷ Δημητρίῳ ἐθάρσυνέ τε μάλιστα καὶ ἐς ταύτην δὴ τὴν πρᾶξιν ἐνήγε. [24] Τουτίλας δὲ τὸν πάντα λόγον ἀμφὶ τῷ στόλῳ τούτῳ ἀκούσας δρόμωνας μὲν πολλοὺς ἄριστα πλέοντας ἐν παρασκευῇ εἶχεν, ἐπειδὴ δὲ κατήραν ἐς τὴν ἐκείνη ἀκτὴν οἱ πολέμιοι Νεαπόλεως οὐ μακρὰν ἄποθεν, ἐλθὼν ἐκ τοῦ ἀπροσδοκῆτου κατέπληξέ τε καὶ ἐς φυγὴν ἅπαντας ἔτρεψε. [25] καὶ αὐτῶν πολλοὺς μὲν ἔκτεινεν, ἐζώγρησε δὲ πλείστους, διέφυγον δὲ ὅσοι ἐς τῶν νεῶν τοὺς λέμβους ἐσπηδῆσαι κατ' ἀρχὰς ἴσχυσαν, ἐν τοῖς καὶ Δημήτριος ὁ στρατηγὸς ἦν. τὰς γὰρ ναῦς ἀπάσας σὺν αὐτοῖς φορτίοις, αὐτοῖς ἀνδράσιν, [26] οἱ βάρβαροι εἶλον. οὗ δὴ καὶ Δημήτριον τὸν Νεαπόλεως ἐπίτροπον εὔρον. γλῶσσάν τε καὶ χεῖρας ἄμφω ἀποτεμόντες οὐκ ἔκτειναν μὲν, οὕτω δὲ λωβησάμενοι ὅπη βούλοιντο ἀφῆκαν ἰέναι. ταύτην τε Τουτίλα τὴν δίκην Δημήτριος γλώσσης ἀκολάστο

ἐξέτισεν.

Ὑστερον δὲ καὶ Μαξιμίνος πάσαις ταῖς ναυσὶ Σικελίᾳ προσέσχεν, ἕς τε τὰς Συρακούσας ἀφικόμενος ἡσυχῇ ἔμενε, κατορρωδῶν τὰ πολέμια. [2] ἃ δὴ μαθόντες οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες σπουδῇ πολλῇ ἐς αὐτὸν ἔπεμπον, βοηθεῖν κατὰ τάχος δεόμενοι οἳ τε ἄλλοι καὶ Κόνων ἐκ Νεαπόλεως ἰσχυρότατα πρὸς τῶν βαρβάρων πολιορκούμενοι· ἤδη γὰρ ἅπαντα σφᾶς τὰ ἐπιτήδεια ἐπελελοιπεί. [3] ὁ δὲ τὸν καιρὸν ἅπαντα ἐν ταύτῃ δὴ κατατρίψας τῇ ὀρρωδίᾳ, ἐπειδὴ τὰς τε βασιλέως ἀπειλὰς ἔδεισε καὶ κακιζόμενος πρὸς τῶν ἄλλων ἀπεῖπεν, αὐτὸς μὲν οὐδέν τι ἥσσον αὐτοῦ ἔμεινε, τὸν δὲ στρατὸν ἅπαντα ξὺν τε Ἡρωδιανῷ καὶ Δημητρίῳ καὶ Φάζῃ ἐς Νεάπολιν ἔπεμψε, σφοδρότατα ἐγκειμένης ἤδη τῆς τοῦ χειμῶνος ὥρας. [4] Ἐπεὶ δὲ Νεαπόλεως ὁ Ῥωμαίων στόλος ἀγχοῦ ἐγένετο, κατέβαινε σκληρὸς ἄνεμος, ἐξαίσιον τινα χειμῶνα ἐγείρων. [5] καὶ ὁ μὲν ζόφος ἅπαντα ἐνδίδου, ὁ δὲ κλύδων τὰς κόπας ἀνασπᾶν ἢ ἄλλο τι ἐνεργεῖν τοὺς ναύτας οὐκ εἶα. διὰ τε τῶν ῥοθίων τὸν κτύπον ἔτι ἀλλήλων κατακούειν οὐκ ἦν, ἀλλὰ ζύγχυσίς τε λαμπρῶς ἐκράτει καὶ ἡ τοῦ πνεύματος ἐπρυτάνευε βία, ἥπερ αὐτοὺς ὥς ἡκιστα ἐθελουσίους ἐς τὴν ἀκτὴν ἤνεγκεν οὗ δὴ ἐστρατοπεδεύοντο οἱ πολέμιοι. [6] ἐπιβαίνοντες οὖν κατ' ἐξουσίαν οἱ βάρβαροι τοῖς σκάφεσι τῶν ἐναντίων, ἔκτεινόν τε καὶ κατέδουν οὐδενὸς σφίσιν ἀντιστατοῦντος. ἐζώγησαν δὲ ἄλλους τε πολλοὺς καὶ Δημήτριον τὸν στρατηγόν. [7] Ἡρωδιανὸς δὲ καὶ Φάζας ξὺν ὀλίγοις τισὶ διαφυγεῖν ἴσχυσαν, ἐπεὶ αὐτῶν αἱ νῆες οὐ λίαν που ἄγχιστα τοῦ τῶν πολεμίων στρατοπέδου ἦλθον. τὰ μὲν οὖν ἀμφὶ τῷ Ῥωμαίων στόλῳ ταύτῃ πη ἔσχε. [8] Τουτίλας δὲ καλῶδιον ἀναψάμενος ἐς τὸν Δημητρίου αὐχένα, ἕς τε τὸν Νεαπόλεως περίβολον εἴλκε καὶ παραινεῖν τοῖς πολιορκουμένοις ἐκέλευε μηκέτι ἀνονήτοις ἐλπίσι πιστεύοντας διαφθεῖρεσθαι, ἀλλὰ τὴν πόλιν ὅτι τάχιστα Γότθοις ἐνδιδόντας μεγάλων ἀπηλλάχθαι κακῶν. [9] ἀδύνατον γὰρ βασιλέα τὸ λοιπὸν ἄλλην σφίσιν ἐπικουρίαν πέμψαι, ἀλλ' ἐπὶ τῷ στόλῳ τούτῳ πᾶσαν αὐτοῖς τὴν τε δύναμιν καὶ τὴν ἐλπίδα διολωλέναι. Δημήτριος μὲν τοσαῦτα εἶπεν, ὅσα Τουτίλας ἐκέλευεν. [10] οἱ δὲ πολιορκούμενοι τῷ τε λιμῷ ἤδη καὶ τῇ ἄλλῃ ἀπορίᾳ ὑπερφυῶς πιεζόμενοι, ἐπεὶ τό τε πάθος Δημητρίου εἶδον καὶ τοὺς λόγους ἅπαντας ἤκουσαν, ἀπογνόντες ἐλπίδος ἀπάσης ἕς τε οἰμωγὰς καὶ ἀμηχανίαν ἐνέπιπτον, ἦν τε ἡ πόλις θορύβου πολλοῦ καὶ κωκυτοῦ ἔμπλεως. [11] Μετὰ δὲ καὶ Τουτίλας αὐτοὺς ζυγκαλέσας ἐς τὰς ἐπάλξεις ἔλεξε τοιάδε: Ὅυδεμίαν αἰτίαν ἢ μέμψιν ἐς ὑμᾶς ἔχοντες, ἄνδρες Νεαπολῖται, τανῦν ἐς πολιορκίαν τήνδε κατέστημεν, ἀλλ' ὅπως ἐχθίστων ὑμᾶς ἀπαλλάξαντες δεσποτῶν οἰοί τε ὦμεν τὰς τε χάριτας ὑμῖν ἐκτινύναι, ὥνπερ ἡμᾶς δεδρακότες ἐν τῷδε τῷ πολέμῳ τὰ χαλεπώτατα πρὸς τῶν πολεμίων πεπόνθατε. [12] μόνους γὰρ Ἰταλιωτῶν ὑμᾶς ἀπάντων εὐνοιάν τε τὴν μεγίστην ἐς Γότθων τὸ ἔθνος ἐπιδεδεῖχθαι καὶ ἀκουσίους μάλιστα ὑπὸ τοῖς ἐναντίοις γεγενῆσθαι ζυμβέβηκεν. [13] ὥστε καὶ νῦν πολιορκεῖν ὑμᾶς ξὺν ἐκείνοις ἠναγκασμένοι τὸ πιστὸν ὑμῶν, ὥς τὸ εἰκός, αἰσχυνόμεθα, καίπερ οὐκ ἐπὶ τῷ πονηρῷ Νεαπολιτῶν τὴν προσεδρεῖαν ποιούμενοι. [14] μὴ τοίνυν ἀχθόμενοι τοῖς ἐκ τῆς πολιορκίας δεινοῖς Γότθοις οἴεσθε δεῖν δι' ὀργῆς ἔχειν. οἱ γὰρ τοὺς φίλους εὐεργετεῖν ἐπειγόμενοι οὐδεμίαν αἰτίαν εἰσὶν ἄξιοι πρὸς αὐτῶν

φέρεσθαι, κἂν μὴ διὰ τῶν πρὸς ἡδονὴν ἀναγκάζονται τὴν πρὸς αὐτοὺς διαπράσσεσθαι χάριν. [15] τῶν δὲ πολεμίων ὥς ἤκιστα ὑμᾶς δέος εἰσίτω, μηδὲ τοῖς προλαβοῦσιν ἡγμένοι κρατήσιν αὐτοὺς ἡμῶν οἴεσθε: τὰ γὰρ τοῦ βίου παράλογα τύχη τινὶ παρὰ δόξαν ἐλθόντα τῷ χρόνῳ αὐθις καταρρεῖν εἶωθεν. [16] οὕτω δὲ ὑμῖν εὖνοι καθέσταμεν ὥστε καὶ Κόνωνα καὶ πάντας στρατιώτας κακῶν ἀπαθεῖς ὅπῃ βούλοιντο συγχωροῦμεν ἰέναι, ἣν γε τὴν πόλιν ἐνδόντες ἡμῖν ἐνθὲνδε ἀπαλλάσσοιντο, πάντα τὰ σφέτερα αὐτῶν ἔχοντας: καὶ ὑπὲρ τούτων ἡμᾶς καὶ τῆς Νεαπολιτῶν σωτηρίας ὁμείσθαι οὐδὲν κωλύσει.’ [17] Τουτίλας μὲν τοσαῦτα εἶπεν, ἐπήνεσαν δὲ οἱ τε Νεαπολῖται καὶ οἱ ξὺν τῷ Κόνωνι στρατιῶται πάντες. πολλὴ γὰρ αὐτοὺς ἀνάγκη τοῦ λιμοῦ ἐπίεξε. [18] πίστιν μέντοι ἐς βασιλέα φυλάσσοντες καὶ βοήθειάν τινα ἔτι παρέσεσθαι σφίσι παραδοκοῦντες τριάκοντα ἡμερῶν ὠμολόγουν ἐνδώσειν τὴν πόλιν. [19] Τουτίλας δὲ πᾶσαν αὐτοῖς ἐκ βασιλέως ἀνασοβεῖν ἐλπίδα ἐθέλων τριῶν μηνῶν ἔταξε χρόνον, ἐφ’ ᾧ δὴ μετὰ τοῦτον τὰ ὠμολογημένα ποιήσωσι. πρότερον δὲ οὐ προσβολὴν τινα κατὰ τοῦ περιβόλου ποιήσεσθαι ἰσχυρίζετο, οὐδὲ ἄλλῃ τινὶ ἐπιβουλῇ ἐς αὐτοὺς χρῆσθαι. [20] ταῦτα μὲν οὖν οὕτως ἐδέδοκτο. οἱ δὲ πολιορκούμενοι οὐκ ἀναμείναντες τὴν κυρίαν ἴλιαν γὰρ ἐβιάζοντο τῶν ἀναγκαίων τῇ ἀπορίᾳ ὀλίγῳ ὕστερον τῇ πόλει Τουτίλαν τε καὶ τοὺς βαρβάρους ἐδέξαντο. καὶ ὁ χειμὼν ἔληγε, καὶ ὄγδοον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραπεν.

Ἐπειδὴ δὲ Νεάπολιν Τουτίλας εἶλε, φιланθρωπίαν ἐς τοὺς ἡλωκότας ἐπεδείξατο οὔτε πολεμῶ οὔτε βαρβάρῳ ἀνδρὶ πρέπουσαν. [2] τοὺς μὲν γὰρ Ῥωμαίους λιμῷ νενοσηκότας λαβὼν, οἷς δὴ ὑπ’ αὐτοῦ καὶ ἡ τοῦ σώματος ἰσχὺς ὀπίσω ἦδη ἐκεχωρήκει, δείσας μὴ βρώσεως ἐκ τοῦ αἰφνιδίου ἐς κόρον ἐλθόντες, ὥς τὸ εἶκος, [3] ἀποπνιγείεν, ἐπενόει τάδε. φυλακὰς ἔν τε τῷ λιμένι καὶ ταῖς πύλαις καταστησάμενος ἐκέλευε μηδένα πῃ ἐνθὲνδε ἰέναι. [4] αὐτὸς δὲ ἅπασι μικρολογία τινὶ προμηθεὶ ἐνδεεστέρως ἢ κατὰ τὴν ἐπιθυμίαν τὰ σιτία παρείχετο, προσεπιβάλλων ἡμέρᾳ ἐκάστη τοσοῦτον τοῦ μέτρου ὅσον οὐ δοκεῖν αἰσθῆσιν τινα τῶν ἐντιθεμένων ἐς αἰεὶ γίνεσθαι. [5] οὕτω τε αὐτοῖς ἐπιρρώσας τὴν δύναμιν καὶ τὰς πύλας ἀναπετάσας ἕκαστον ὅπῃ βούλοιο ἀφῆκεν ἰέναι. [6] Κόνωνα δὲ καὶ τοὺς ξὺν αὐτῷ στρατιώτας, ὅσους δὴ αὐτοῦ μένειν ἤκιστα ἤρεσκεν, ἐς ναῦς ἐμβιβάσας πλεῖν κατ’ ἐξουσίαν ἐκέλευε. καὶ οἱ μὲν αἰσχύνῃ σφίσι φέρειν οἰόμενοι τὴν ἐς Βυζάντιον ἀναχώρησιν, πλεῖν κατὰ τάχος ἐπὶ Ῥώμῃς διανοοῦντο. [7] τοῦ δὲ ἀνέμου σφίσιν ἀντιστατοῦντος ἀπαίρειν ἐνθὲνδε οὐδαμῇ ἔχοντες διηποροῦντο, δεδιότες μὴ τι Τουτίλαν τῶν ὠμολογημένων ὀλιγωρεῖν διὰ τὸ κεκρατηκέναι ξυμβαίῃ, καὶ κακόν τι μέγα πρὸς αὐτοῦ λάβωσιν. [8] ὥνπερ ἐπεὶ ὁ Τουτίλας ἦσθετο, ξυγκαλέσας ἅπαντας παρηγόρει τε καὶ τὰ πιστὰ ἔτι μᾶλλον αὐτοῖς ἐπιρρώσας, θαρσεῖν μὲν ἦδη ἐκέλευε καὶ τῷ Γότθων στρατῷ φόβῳ οὐδενὶ ἀναμίγνυσθαι, τά τε ἐπιτήδεια ἐνθὲνδε ὠνεῖσθαι καὶ εἴ του ἄλλου δέοιντο, ἅτε παρὰ φίλων κομίζεσθαι. [9] ἐπεὶ δὲ τὸ πνεῦμα ἔτι σφίσιν ἀπ’ ἐναντίας ἐφέρετο καὶ χρόνος ἐτρίβη συχνός, ἵππους τε καὶ ὑποζύγια παρασχόμενος, ἐφοδίους τε αὐτοὺς δωρησάμενος, ἐς Ῥώμην ἐκέλευεν ὁδῷ ἰόντας πορεύεσθαι, πομποὺς τινας τῶν ἐν Γότθοις δοκίμων σφίσι ξυμπέμψας. [10] Τὸ δὲ Νεαπόλεως τεῖχος καθελεῖν ἐς ἔδαφος

ἐνεχείρισεν, ὅπως αὐτὴν μὴ καταλαβόντες αὐτῆς Ῥωμαῖοι ἔκ τε ἐχυροῦ ὀρμώμενοι πράγματα Γοτθοῖς παράσχωσιν. [11] ἐν πεδίῳ γὰρ μᾶλλον ἐκ τοῦ εὐθέως διακρίνεσθαι μάχη πρὸς αὐτοὺς ἤθελεν ἢ τέχναις τισὶ καὶ σοφίσμασι διαμάχεσθαι. μοῖραν μέντοι αὐτοῦ καθελὼν πολλὴν τὸ λοιπὸν εἶασεν. [12] Ὑπὸ τοῦτον τὸν χρόνον Ῥωμαῖός τις αὐτῷ προσελθὼν, Κῆλαβρος γένος, ἡτιᾶτο τῶν δορυφορῶν τῶν αὐτοῦ τίνα τὴν παῖδα παρθένον οὖσαν οὐτὶ ἐκουσίαν βιάσασθαι. [13] καὶ ὃς τὸν ἄνθρωπον οὐκ ἀπαρνηθέντα τὸ ἐγκλημα τίσασθαι τῆς ἀμαρτάδος ἐν σπουδῇ ἔχων ἐν δεσμοτηρίῳ καθεῖρξε. [14] δεῖσαντες δὲ ἀμφοτέρωθεν τῶν βαρβάρων οἱ δοκιμώτατοι ἄρσενος γὰρ τις ἀνὴρ ἐτύγχανεν ὢν καὶ ἀγαθὸς τὰ πολέμια ξυλλεγόντες εὐθὺς καὶ Τουτίλα ἐς ὄψιν ἐλθόντες ἐδέοντο τῷ ἀνθρώπῳ τὴν αἰτίαν ἀφείναι. [15] Ὁ δὲ πρῶτος τε καὶ ταραχῇ οὐδεμιᾷ τῶν λεγομένων τὴν μάθησιν ποιησάμενος ἔλεξε τοιάδε: ‘Οὐκ ἀπανθρωπίας ὑπερβολὴ εἶκον οὐδὲ ξυγγενῶν ὑπερηρόμενος ξυμφοραῖς, ἀλλ’ ὥς ἐνὶ μάλιστα δεδιὼς μή τι Γότθοις ξυμβήσεται φλαῦρον, ἐς λόγους τούσδε, ὧς ξυστρατιῶται, [16] καθίσταμαι. ἐγὼ μὲν οὖν τοῦτο οἶδα, ὡς τῶν ἀνθρώπων ὁ πολὺς ὄμιλος τὰ τῶν πραγμάτων ὀνόματα μεταβάλλουσιν ἐπὶ τοῦναντίον. [17] φιλοφροσύναν μὲν γὰρ καλεῖν τὴν παρανομίαν εἰώθασιν, ἐξ ἧς διεφθάρθαι τε τὰ χρηστὰ πάντα καὶ ξυντεταράχθαι ξυμβαίνει, σκαιὸν δὲ καὶ ἀτεχνῶς δύσκολον, ὃς ἂν τὰ νόμιμα περιστέλλειν ἐς τὸ ἀκριβὲς βούληται, ὅπως δὴ τοῖς ὀνόμασι τούτοις παραπετάσασιν ἐς τὴν ἀσέλγειαν χρώμενοι ἀδεέστερον ἐξαμαρτάνειν τε ἱκανοὶ εἶεν καὶ τὴν μοχθηρίαν ἐνδείκνυσθαι. [18] ὑμῖν δὲ παραινῶ μὴ τῆς ὑμῶν αὐτῶν σωτηρίας ἀμαρτάδα ἐνὸς ἀνδρὸς ἀνταλλάξασθαι, μηδὲ τοῦ μιάσματος τοῦδε αὐτοὶ τὸ μέρος οὐδὲν ἀδικοῦντες μεταλαχεῖν. τό τε γὰρ ἐξαμαρτεῖν καὶ τὸ διακωλύειν τὴν ἐς τοὺς ἐξημαρτηκότας τιμωρίαν, οἶμαι, ἐν ἴσῳ ἐστί. [19] βούλομαι τοίνυν οὕτως σκοπούμενους ὑμᾶς ποιήσασθαι τὴν ὑπὲρ τῶν παρόντων διάγνωσιν, ὡς νῦν αἵρεσις ὑμῖν δυοῖν πρόκειται, ἢ τὸν ἄνδρα τοῦτον ὦν ἡδίκηκε μὴ δοῦναι τὴν δίκην, ἢ τὸ Γότθων γένος σεσῶσθαι τε καὶ τὸ τοῦ πολέμου κεκτῆσθαι κράτος. [20] σκέψασθε γάρ: ἦν ἡμῖν κατ’ ἀρχὰς τοῦδε τοῦ πολέμου στρατιωτῶν μὲν πλῆθος δόξη τε καὶ τῇ ἐς τοὺς κινδύνους ἐμπειρίᾳ λαμπρόν, χρήματα δὲ ξυνελόντα εἰπεῖν ἀριθμοῦ κρεῖσσω, ἵππων δὲ καὶ ὄπλων περιουσίας ὑπερβολὴ τις, καὶ πάντα ὅσα ἐν γε Ἰταλιώταις ὀχυρώματά ἐστιν. καὶ ταῦτα γὰρ οὐκ ἀχρεῖα παντάπασιν εἶναι δοκεῖ τοῖς ἐς πόλεμον καθισταμένοις ἐφόδια. [21] ἐπεὶ δὲ ὑπὸ Θεοδᾶτῳ ταπτόμενοι, ἀνδρὶ τὸ δίκαιον περὶ ἐλάσσονος τῆς ἐς τὸ πλουτεῖν ἐπιθυμίας πεποιημένῳ, ἴλεον ἡμῖν αὐτοῖς τὸν θεὸν παρανομία τῇ ἐς τὴν δίκαιαν ὡς ἡκιστα κατεστήσαμεν, ὅπῃ ποτὲ κεχώρηκεν ἡμῖν ἡ τύχη ἐπίστασθε δὴ πού, ὑφ’ οἷων τε καὶ ὁπόσων ἡσημένιοι ἀνδρῶν. [22] νῦν δὲ τὴν δίκην παρ’ ἡμῶν ὁ θεὸς ὢν ἐξημάρτομεν ἱκανῶς ἔχων αὐτῆς ἡμῖν κατὰ τὸ βούλημα ῥυθμίζει τὸν βίον καὶ τὸ ξύμπαν εἰπεῖν ἄμεινον ἡμῖν ἢ κατ’ ἐλπίδα τὰ πράγματα ἄγει, οἷς γε ὑπὲρ τὴν ὑπάρχουσαν δύναμιν νενικηκέναι τοὺς πολεμίους τετύχηκε. [23] περιστέλλειν οὖν τὴν τῆς νίκης πρόφασιν τῷ τὰ δίκαια πράσσειν ξυνοίσει μᾶλλον ἢ ἀπ’ ἐναντίας αὐτῇ ἰόντας φθονερούς ἡμᾶς ἐφ’ ἡμῖν αὐτοῖς γεγενῆσθαι δοκεῖν. [24] οὐ γὰρ ἔστιν, οὐκ ἔστι, τὸν ἀδικοῦντα καὶ βιαζόμενον ἐν τοῖς ἀγῶσιν εὐδοκμεῖν, ἀλλὰ πρὸς τὸν βίον ἐκάστου ἢ τοῦ

πολέμου πρυτανεύεται τύχη.’ Τουτίλας μὲν τοσαῦτα εἶπεν. [25] ἐπαινέσαντες δὲ τὰ εἰρημένα οἱ Γότθων λόγιμοι τὸν δορυφόρον οὐκέτι ἐξητοῦντο, ἀλλ’ εἶων ὅπως ποτὲ αὐτῷ πράσσειν δοκοίη. καὶ ὃς τὸν μὲν ἄνθρωπον οὐκ ἐς μακρὰν διεχρήσατο, τὰ δὲ χρήματα, ὅσα δὴ αὐτοῦ ἐτύγχανεν ὄντα, τῇ βιασθείῃ παρέσχετο.

Ἐν ᾧ δὲ ταῦτα Τουτίλας ἔπρασεν, ἐν τούτῳ οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες ξὺν τοῖς στρατιώταις τὰ τῶν κατηκόων χρήματα ἥρπαζον, καὶ ὕβρεώς τε καὶ ἀσελγείας οὐδ’ ὅτιοῦν ὑπελίποντο, ἀλλ’ οἱ μὲν ἄρχοντες ἐν τοῖς ὀχυρώμασιν ἔχοντες ἐρωμένας ἐκώμαζον, οἱ δὲ στρατιῶται ἀπειθεστέρους αὐτοὺς τοῖς ἄρχουσι παρεχόμενοι εἰς πᾶσαν ιδέαν ἀτοπίας ἐνέπιπτον. [2] τοῖς τε Ἰταλιώταις περιῆν ἅπασιν πάσχειν τὰ χαλεπώτατα πρὸς ἐκατέρων τῶν στρατοπέδων. [3] τοὺς μὲν γὰρ ἀγροὺς ἐστέρηντο πρὸς τῶν πολεμίων, ὑπὸ δὲ τοῦ βασιλέως στρατοῦ ἐπιπλα πάντα. καὶ προσῆν αὐτοῖς αἰκίζεσθαι τε καὶ οὐδενὶ λόγῳ διαφθεῖρεσθαι, τῶν ἀναγκαίων τῇ ἀπορίᾳ πιεζομένοις. [4] οἱ γὰρ στρατιῶται ἀμύνειν σφίσι κακουμένοις πρὸς τῶν πολεμίων οὐδαμῇ ἔχοντες οὐχ ὅσον ἐρυθριᾶν ὥς ἥκιστα ἐπὶ τοῖς παροῦσιν ἐγίνωσκον, ἀλλὰ καὶ τοὺς βαρβάρους ποθεινοὺς αὐτοῖς εἶναι οἷς ἐξημάρτανον ἀπειργάζοντο. [5] οἷς δὴ Κωνσταντιανὸς ἀπορούμενος γράμματα Ἰουστινιανῷ βασιλεῖ ἔπεμψεν, ἄντικρυς ἀποφαίνων ὅτι δὴ Γότθων τῷ πολέμῳ ἀντέχειν ἀδύνατος εἴη. [6] οἱ τε ἄλλοι ἄρχοντες, ὥσπερ τὴν γνώμην ἐπιψηφίζοντες, ἐν τούτῳ δὴ τῷ γραμματεῖ τὴν ὁμολογίαν ἐσήμαινον τῆς ἐς τὴν ἀγωνίαν ὀκνήσεως. Ἰταλιώταις μὲν τὰ πράγματα ἐφέρετο τῇδε. Τουτίλας δὲ Ῥωμαίων τῇ βουλῇ ἐπιστολὴν ἔπεμψεν. [7] ἐδήλου δὲ ἡ γραφὴ τάδε: “Ὅσοι μὲν ἀδικοῦσι τοὺς πέλας ἢ προλαβούσης ἀγνοίας ἴσως ἢ λήθης ἐπιγενομένης τινός, τούτοις ἄξιον τοὺς τὰ δεινὰ πεπονθότας συγγνώμονας εἶναι. τὸ γὰρ τῆς ἀμαρτάδος ξυμπεσὸν αἴτιον τῶν ἐγκλημάτων αὐτοῖς παραιτεῖται τὸ πλεῖστον. [8] ἦν δέ τις ἐκ προνοίας ἀδικῇ μόνῃς, τούτῳ δὲ μηδὲ ἀντιλέγειν ποτὲ περὶ τῶν πεπραγμένων λελείπεται. [9] οὐ γὰρ τοῦ ἔργου μόνον, ἀλλὰ καὶ τῆς γνώμης αὐτὸς φέρεσθαι τὴν αἰτίαν δίκαιος ἂν εἴη. [10] οὐκοῦν, ἐπειδὴ ταῦτα οὕτως ἔχει, λογίζεσθε ἤδη τί ποτε ἄρα ὑμῖν ἀπολελογῆσθαι πρὸς τὰ ἐς Γότθους εἰργασμένα ξυμβήσεται: πότερα ὑμᾶς ἀγνοεῖν τὰς Θεουδερύχου τε καὶ Ἀμαλασούνθης εὐεργεσίας τετύχηκεν, ἢ χρόνῳ τε αὐτὰς καὶ λήθῃ ἐν ὑμῖν ἐξιτήλους εἶναι; [11] καίτοι οὐκ ἔστι τούτων οὐδέτερον. οὐ γὰρ ἐπὶ φαύλοις τισὶν οὐδὲ εἰς τοὺς ὑμετέρους τὰς χάριτας αὐτοῦς, κατὰ δὴ τὸν παλαιὸν χρόνον, ἐπιδεδείχθαι ξυνέβη, ἀλλ’ ἐν τοῖς ἀναγκαιοτάτοις ἔς γε ὑμᾶς αὐτοὺς ἔναγχός τε καὶ ἐξ ὑπογυίου, ὧ φίλοι Ῥωμαῖοι. [12] ἀλλὰ τὴν Γραικῶν ἐς τὸ ὑπήκοον ἀρετὴν ἢ ἀκοῇ λαβόντες ἢ πείρᾳ μαθόντες οὕτω δὴ προήσεσθαι αὐτοῖς τὰ Γότθων τε καὶ Ἰταλιωτῶν πράγματα ἔγνωτε; [13] καίτοι ἐξεναγεῖσθε μὲν ὑμεῖς αὐτοὺς, οἶμαι, ἄριστα, ὁποῖων δὲ αὐτῶν ἐτύχετε ξένων καὶ φίλων ἐπίστασθε δὴ πού, εἴ τι τῶν Ἀλεξάνδρου μέμνησθε λογισμῶν. [14] ἐὼ γὰρ λέγειν τοὺς τε στρατιώτας καὶ τοὺς στρατιωτῶν ἄρχοντας, ὧν τῆς τε φιλοφροσύνης καὶ μεγαλοψυχίας ἀπώνασθε: ὧν δὴ αὐτοῖς ἔνεκα ἐς τοῦτο τύχης τὰ πράγματα ἤκει. [15] ὑμῶν δὲ οἰέσθω μηδεὶς μήτε ὑπὸ νέου φιλοτιμίας τὰ ὀνειδῇ ταῦτα ἐς αὐτοὺς φέρεσθαι μήτε με ἅτε βαρβάρων ἄρχοντα

κομπωδεστέρους ποιεῖσθαι τοὺς λόγους. [16] οὐ γὰρ ἡμετέρας ἀρετῆς ἔργον εἶναι φημι τὴν τῶν ἀνδρῶν ἐπικράτησιν, ἀλλὰ τίσιν τινὰ ἰσχυρίζομαι τῆς εἰς ὑμᾶς ἀδικίας αὐτοὺς μετελθεῖν. [17] καίτοι πῶς οὐκ ἂν τῶν ἀτοπωτάτων δόξειεν εἶναι τὸν μὲν θεὸν ὑπὲρ ὑμῶν αὐτοὺς τίνυσθαι, ὑμᾶς δὲ τῇ τοῦτων ἐμφιλοχωρεῖν ἀτοπία καὶ τῶν ἐντεῦθεν οὐκ ἐθέλιν ἀπηλλάχθαι κακῶν; δότε τοίνυν τινὰ πρόφασιν ὑμῖν μὲν αὐτοῖς τῆς ἐς τοὺς Γόθους ἀπολογίας, [18] ἡμῖν δὲ τῆς ἐς ὑμᾶς συγγνώμης. δώσετε δέ, ἢν γε μὴ ἀναμενοῦντες τὸ τοῦ πολέμου πέρας, ἀλλ' ἔτι βραχείας τινὸς καὶ ταύτης ἀνονήτου ὑμῖν ἀπολελειμμένης ἐλπίδος ἔλῃσθε μὲν τὰ κρείσσω, ἐπανορθώσητε δὲ τὰ ἐς ἡμᾶς οὐ δέον ὑμῖν πεπραγμένα.' [19] Τοσαῦτα μὲν ἡ γραφὴ ἐδήλου. ἐγχειρίσας δὲ αὐτὴν τῶν τισιν αἰχμαλώτων ὁ Τουτίλας ἐπὶ Ῥώμης ἐκέλευεν ἰόντας τοῖς ἐκ βουλῆς δίδοναι. [20] καὶ οἱ μὲν κατὰ ταῦτα ἐποίουν. Ἰωάννης δὲ τοὺς τὸ γράμμα τοῦτο ἰδόντας ἀποκρίνασθαι τι πρὸς Τουτίλαν διεκώλυσε. διὸ δὴ αὖθις ὁ Τουτίλας γράψας γραμμάτια πολλά, ὄρκους τε αὐτοῖς τοὺς δεινοτάτους ἐνθέμενος διαρρήδην ἀπώμοσε μήποτε Ῥωμαίων τινὰ κακὸν τι ἐργάσασθαι Γόθους. [21] οἵτινες μὲν οὖν ἀνθρώπων ἐς Ῥώμην τὰ βιβλίδια ταῦτα ἐκόμισαν οὐκ ἔχω εἰπεῖν. ἅπαντα γὰρ ἄωρὶ τῶν νυκτῶν ἐν τοῖς διαφανέσι τῆς πόλεως χωρίοις παγέντα, ἐπεὶ ἐγένετο ἡμέρα, ἐγνώσθη: οἱ δὲ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες ὑποψία πολλῇ ἐς τῶν Ἀρειανῶν τοὺς ἱερέας ἐχόμενοι ἔξω τῆς πόλεως κατεστήσαντο εὐθὺς ἅπαντας. [22] Τουτίλας δὲ ταῦτα ἀκούσας μοῖραν μὲν τινὰ τοῦ στρατοῦ πέμψας ἐς Καλαβρίαν ἀποπειράσασθαι τοῦ ἐν Δρυοῦντι φρουρίου ἐπέστελλεν. ἐπεὶ δὲ ὥς ἥκιστα οἱ προσχωρεῖν ἤθελον οἱ φυλακτῆριον ταύτη ἔχοντες, τοὺς μὲν ἐνταῦθα ἐσταλμένους ἐκέλευεν ἐς πολιορκίαν καθίστασθαι, αὐτὸς δὲ τῷ πλείονι τοῦ στρατοῦ ἐς τὰ ἐπὶ Ῥώμης χωρία ἦει. [23] ταῦτα ἐπεὶ βασιλεὺς ἔμαθεν, ἔς τε ἀμνηχανίαν ἐμπέπτωκε καὶ Βελισάριον ἐπὶ Τουτίλαν πέμψαι, καίπερ ἔτι Περσῶν ἰσχυρότατα ἐγκειμένων, ἠνάγκαστο. καὶ ὁ χειμῶν ἔλῃγε, καὶ τὸ ἔνατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραπεν.

Οὕτω μὲν Βελισάριος τὸ δεύτερον ἐς Ἰταλίαν ἦει. ἐπεὶ δὲ στρατιώτας ὡς μάλιστα ὀλίγους εἶχε 'τοὺς γὰρ οἱ ἐπομένους τοῦ ἐν Μήδοις στρατοπέδου ἀποστῆσαι οὐδαμῇ ἴσχυσε Θράκην ὅλην περιῶν χρήματά τε προϊέμενος, ξυνῆγε νέους ἐθελουσίους. [2] ξυνῆν δὲ αὐτῷ βασιλέως γνώμη καὶ Βιτάλιος ὁ τῶν Ἰλλυριῶν στρατηγός, ἄρτι ἐπανάκων ἐξ Ἰταλίας, οὗ δὴ τοὺς Ἰλλυριοὺς στρατιώτας ἀπολιπὼν ἔτυχεν. [3] ἄμφω γοῦν ἐς τετρακισχιλίους ἀγείραντες ἐν Σάλλωσιν ἐγένοντο, γνώμην ἔχοντες ἐπὶ Ῥαβέννης τὰ πρῶτα ἰέναι, τὸν δὲ πόλεμον ἐνθένδε ὅπῃ ἂν δυνατόν εἴη διενεγκεῖν. [4] τὸ γὰρ ἐπὶ τὰ Ῥώμης χωρία ἀποβαίνειν οὐδαμῇ ἴσχυον, οὔτε τοὺς πολεμίους λανθάνοντες 'ἐπεὶ αὐτοὺς ἐν τε Καλαβροῖς στρατοπεδεύεσθαι καὶ Καμπανοῖς ἤκουσαν' οὔτε αὐτοὺς τρόπῳ ὀτφοῦν βιαζόμενοι. οὐ γὰρ ἐξ ἀντιπάλου τῆς δυνάμεως ἐπ' αὐτοὺς ἦεσαν. [5] Ἐν τούτῳ δὲ οἱ ἐν Δρυοῦντι πολιορκούμενοι τῶν ἀναγκαίων σφᾶς παντάπασιν ἐκλειοιπώτων βαρβάροις τοῖς πολιορκουσιν ἐς λόγους ξυνῆλθον. ἐφ' ᾧ τὸ φρούριον ὁμολογία ἐνδώσουσι, τακτὴ τε ἀμφοτέροις ἐν τούτῳ ἡμέρα ξυνέκειτο. [6] Βελισάριος δὲ τὰ ἐπιτήδεια ἐς ἐνιαυτοῦ μήκος πλοίοις ἐνθέμενος Βαλεντίνον ξὺν αὐτοῖς πλεῖν εἰς Δρυοῦντα ἐκέλευε, καὶ τοὺς μὲν προτέρους

φυλάκας τοῦ φρουρίου ἐνθὲνδε ὑπεξαγαγεῖν ὅτι τάχιστα, οὓς δὴ νόσῳ τε
ξυντετηκέναι καὶ λιμῷ ἔμαθε, τῶν δὲ ξυμπλεόντων τινὰς ἐπὶ τῷ φυλακτηρίῳ

οὐδενὸς τῶν ἀναγκαίων σπανίζοντας τὸ φρούριον ξὺν τῷ ἀσφαλεῖ

ἐπιτυχὼν ἐς τὸν Δρυοῦντα κατέπλευσε τέτρασι πρότερον τῆς κυρίας ἡμέραις,
ἀφύλακτόν τε τὸν λιμένα εὐρὼν αὐτοῦ τε ἐκράτησε καὶ πόνῳ οὐδενὶ ἐς τὸ
φρούριον εἰσελθεῖν ἴσχυσε. [8] τοῖς γὰρ ὁμολογημένοις οἱ Γότθοι θαρσοῦντες
οὐδέν τε μεταξὺ ἐναντίωμα ὑποτοπάζοντες σφίσιν ἔσεσθαι, ὀλιγώρως ἤδη τὰ
ἐς τὸν Δρυοῦντα διαθέμενοι ἡσυχῇ ἔμενον. [9] τότε μέντοι καταπλέοντα ἐκ τοῦ
αἰφνιδίου τὸν στόλον ἰδόντες ἔδεισάν τε καὶ τὴν προσεδρεΐαν διέλυσαν,
μακρὰν τε ἄποθεν τοῦ χωρίου γενόμενοι ἐστρατοπεδεύσαντο καὶ πάντα ἐς
Τουτίλαν τὰ ξυμβεβηκότα σφίσιν ἀνήνεγκαν. παρὰ τοσοῦτον μὲν Δρυοῦντος
τὸ φρούριον κινδύνου ἦλθε. [10] τῶν δὲ ξὺν Βαλεντίνῳ τινὲς λήϊσασθαι
βουλόμενοι τὰ ἐκεῖνι χωρία ἐπεκδρομὰς ἐποιήσαντο, τοῖς τε πολεμίοις τύχη

πολὺ ἡσσηθέντες τῇ μάχῃ ἐς τὸ τῆς θαλάσσης ὕδωρ οἱ πολλοὶ ἔφυγον, ἵνα δὴ
ἑβδομηκοντα καὶ ἑκατὸν ἀποβαλόντες ἐς τὸ φρούριον οἱ λοιποὶ ἀνεχώρησαν.
[12] Βαλεντίνος δὲ τοὺς μὲν πάλοι φρουροὺς ἐνθὲνδε ἡμιθνήτας εὐρὼν

τῷ στόλῳ ἐνθὲνδε ἄρας Πόλῃ προσέσχεν. οὗ δὴ τὸ στράτευμα διέπων χρόνον

ἐθέλων γνῶναι ἦνπερ ἐπήγετο, ἐποίει τὰδε. Βόνος ἦν τις Ἰωάννου ἀνεψιὸς
φρουρᾶς ἄρχων τῆς ἐν Γενούᾳ. [15] τούτου δὲ τῷ ὀνόματι χρησάμενος
γράμματα διῆθεν τῷ λόγῳ παρ' αὐτοῦ πρὸς Βελισάριον ἔγραψεν ἅτε
παρακαλοῦντος αὐτὸν ὅτι τάχιστα παραγενέσθαι σφίσιν ἐν κινδύνοις τισὶ

ἐπέστελλεν, ἐνδεικνυμένους ὅτι δὴ ἀπὸ Βόνου σταλεῖεν. [17] Βελισάριος μὲν
οὖν τοὺς ἄνδρας οἱ ἐς ὅψιν ἐλθόντας ξὺν φιλοφροσύνῃ πολλῇ, ὥσπερ εἴωθει,
εἶδεν. [18] ἀναλεξάμενός τε τὰ γράμματα Βόνῳ ἀπαγγέλλειν ἐκέλευεν ὅτι δὴ
παντὶ τῷ στρατῷ οὐκ εἰς μακρὰν ἤξει. οἱ δὲ περισκοπήσαντες ἅπαντα,
καθάπερ σφίσιν ἐπέστελλε Τουτίλας, ἔς τε τὸ Γόθων στρατόπεδον ἐπανῆκον

ἀλίσκομένης τῆς πόλεως σχεδόν τι ἅπαντες διαφυγεῖν ἴσχυσαν. [22] τῶν δὲ
οἰκητόρων οὐδενὸς οἱ Γότθοι ἐφείσαντο, ἀλλὰ ξὺν τῷ τῆς πόλεως ἱερεῖ
ἅπαντας ἔκτειναν τρόπῳ δὴ ὄνπερ ἐξεπιστάμενος ἔγωγε ὥς ἥκιστα

ἐπιμνήσομαι, ὥς μὴ ἀπανθρωπίας ἀπολείπω μνημεῖα τῷ ὀπισθεν χρόνῳ: ἐν οἷς καὶ Κάτελλος ἀπώλετο ἐν γε Ἰταλιώταις ἀνὴρ δόκιμος. [23] καὶ οἱ μὲν βάρβαροι Τίβουριν ἔσχον, Ῥωμαῖοι δὲ οὐκέτι ἠδύναντο ἐκ Τούσκων τὰ ἐπιτήδεια διὰ τοῦ Τιβέριδος ἐσκομίζεσθαι. πρὸς γὰρ τῷ ποταμῷ ἡ πόλις κειμένη Ῥώμης ὑπερθεν ὥς ἀπὸ σταδίων εἴκοσι καὶ ἑκατὸν ἐπιτείχισμα τὸ λοιπὸν τοῖς ἐνταῦθα εἰσπλεῖν βουλομένοις ἐγίνετο.

Τὰ μὲν οὖν ἀμφὶ Τιβούρει οὕτω γενέσθαι ξυνέπεσε. Βελισάριος δὲ παντὶ τῷ στόλῳ ἐς Ῥάβενναν ἀφικόμενος Γότθους τε τοὺς παρόντας καὶ Ῥωμαίων στρατιώτας ξυναγαγὼν ἔλεξε τοιαύδε: ‘Οὐ νῦν πρῶτον, ὦ ἄνδρες, τὰ τῆς ἀρετῆς ἔργα πρὸς τῆς κακίας διερρηκέναι ξυμβέβηκεν. [2] ἄνωθεν γὰρ τοῦτο τοῖς ἀνθρωπίνους ἐμπέφυκεν ἀτεχνῶς πράγμασι, πολλὰς τε ἀνδρῶν ἀγαθῶν πράξεις μοχθηρία τῶν πονηροτάτων ἀναχαιτίζειν τε καὶ διαφθείρειν ἱκανῶς ἴσχυσεν. ὅπερ καὶ νῦν τὰ βασιλέως πράγματα ἔσφηλεν. [3] ᾧ δὴ τοσοῦτον τὰ ἡμαρτημένα ἐπανορθοῦν μέλει, ὥστε τὴν Περσῶν ἐπικράτησιν περὶ ἐλάσσοнос τοῦτων ποιούμενος ἀποστεῖλαί με τανῦν εἰς ὑμᾶς ἐγνώκεν, ὅπως ἐπανορθώσω καὶ ἰάσωμαι εἴ τι τοῖς ἄρχουσι μὴ ὀρθῶς ἢ ἐς τοὺς στρατιώτας τοὺς αὐτοῦ ἢ εἰς Γότθους εἵργασται. [4] τὸ μὲν οὖν μηδὲν ὑφ’ ὅτου οὖν ἀμαρτάνεσθαι οὔτε ἀνθρώπινον καὶ τῆς τῶν πραγμάτων φύσεως ἔξω, τὸ δὲ τὰ ἡμαρτημένα ἐπανορθοῦν βασιλεῖ τε διαρκῶς πρέπον καὶ παραπυλῆς τοῖς ἡγαπημένοις ἱκανῶς ἄξιον. [5] οὐ γὰρ ὅσον ὑμῖν τῶν δυσκόλων ἀπαλλαγῆναι ξυμβήσεται, ἀλλὰ καὶ τῆς βασιλέως εἰς ὑμᾶς εὐνοίας ξυνεῖναι τε καὶ ἀπολαύειν αὐτίκα προσέσται: οὗ τί ἂν ἀξιώτερον γένοιτο ἀνθρώπῳ τῶν πάντων χρημάτων; [6] ἐπειδὴ τοίνυν ἐπ’ αὐτῷ τούτῳ ὑμῖν πάρειμι, προσήκει καὶ ὑμῶν ἕκαστον πάσῃ δυνάμει χρήσασθαι, [7] ὅπως ἂν τῆς ἐντεῦθεν ὠφελείας ἀπόναισθε. ὅτῳ τε ὑμῶν ξυγγενεῖς ἢ φίλοι παρὰ Τουτίλᾳ τῷ τυράννῳ τυγχάνουσιν ὄντες, μεταπεμψάσθω τούτους ὅτι τάχιστα τὴν βασιλέως δηλώσας γνώμην. [8] οὕτω γὰρ ἂν ὑμῖν τὰ τε ἐκ τῆς εἰρήνης καὶ τὰ ἐκ τοῦ μεγάλου βασιλέως ἀγαθὰ γένοιτο. ὥς ἔγωγε οὔτε τῷ πολεμῆσειων ἐνθάδε ἀφῆγμαι οὐτ’ ἂν ἐκὼν ποτε τοῖς βασιλέως κατηκόοις πολέμιος εἴην. [9] εἰ μέντοι καὶ νῦν παρὰ φαῦλον ἡγησάμενοι τὸ τὰ βελτίῳ σφίσιν αὐτοῖς ἐλέσθαι οἶδε ἀπ’ ἐναντίας ἡμῖν ἴωσιν, ἀνάγκη καὶ ἡμᾶς αὐτοῖς ὥς μάλιστα ἀκουσίους ὥς πολεμίοις χρῆσθαι.’ [10] Τοσαῦτα μὲν Βελισάριος εἶπε. προσεχώρει δὲ οἱ τῶν ἐναντίων οὐδείς οὔτε Γότθος οὔτε Ῥωμαῖος. ἔπειτα δὲ Θουριμουθ τε τὸν δορυφόρον καὶ τῶν [11] ἐπομένων τινὰς ξύν τε Βιταλίῳ καὶ τοῖς Ἰλλυριοῖς στρατιώταις ἐς Αἰμιλίαν πέμψας, ἐκέλευεν ἀποπειρᾶσθαι τῶν ταύτῃ χωρίων. [12] Βιτάλιος οὖν ξύν τῷ στρατῷ τούτῳ ἀμφὶ πόλιν Βονώνειαν γενόμενός τινά τε τῶν ἐνταῦθα φρουρίων ὁμολογία ἐλὼν ἐν Βονωνείᾳ πόλει ἡσύχαζε. [13] χρόνῳ δὲ οὐ πολλῷ ὕστερον Ἰλλυριοὶ ξύμπαντες, ὅσοι ξύν αὐτῷ ἐστρατεύοντο, ἐκ τοῦ αἰφνιδίου, κακὸν οὐδὲν οὔτε παθόντες οὔτε ἀκούσαντες, λάθρα ἐνθὲνδε ἀναχωρήσαντες ἐπ’ οἴκου ἀπεκομίσθησαν. [14] πρέσβεις τε παρὰ βασιλέα πέμψαντες συγγνώμην διδόναι σφίσιν ἐδέοντο, οὐκ ἄλλου του ἔνεκα εἰς τὰ οἰκεῖα τῷ τρόπῳ τούτῳ ἀφικομένοις ἢ ὅτι συχνὸν σφίσι χρόνον ἐν Ἰταλίᾳ στρατευομένοις τάς τε συντάξεις ὥς ἥκιστα κομιζομένοις χρήματα δὴ πολλὰ τὸ δημόσιον ὤφειλε. [15] στρατεύματος δὲ

Οὐννικοῦ τοῖς Ἰλλυριοῖς ἐπισκήψαντος παῖδᾶς τε καὶ γυναῖκας ἐξηνδραποδίσθαι τετύχηκεν. [16] ἃ δὴ πυθόμενοι καὶ τῶν ἀναγκαίων ἐν γε Ἰταλιώταις σπανίζοντες ἀνεχώρησαν. οἷς δὴ βασιλεὺς τὰ πρῶτα χαλεπήνας, εἶτα συγγνώμων ἐγένετο. Γνοὺς δὲ ὁ Τουτίλας τὴν τῶν Ἰλλυριῶν ἀναχώρησιν στρατεύμα ἐπὶ Βονώνειαν ἐπεμψεν, ὥς Βιτάλιον καὶ τοὺς ξὺν αὐτῷ ἀναρπάσσοντας. [17] ἀλλὰ Βιτάλιός τε καὶ Θουριμούθ προλοχίσαντες ἐνέδραις τισὶ τοὺς ἐπιόντας πολλοὺς μὲν διέφθειραν, [18] τοὺς δὲ λοιποὺς ἐς φυγὴν ἔτρεψαν. ἔνθα Ναζάρης, ἀνὴρ λόγιμος, Ἰλλυριὸς γένος, στρατιωτῶν τε τῶν ἐν Ἰλλυριοῖς ἄρχων, ἔργα θαυμαστὰ ἐς τοὺς πολεμίους πάντων μάλιστα ἐπεδείξατο. οὕτω τε ὁ Θουριμούθ παρὰ Βελισάριον ἐς Ῥάβενναν ἦλθε. [19] Τότε δὴ Βελισάριον τρεῖς τῶν δορυφόρων τῶν αὐτοῦ, Θουριμούθ τε καὶ Ῥικίλαν καὶ Σαβινιανόν, ἔστειλε ξὺν χιλίοις στρατιώταις ἐς Αὐξίμον πόλιν, Μάγνῳ τε καὶ Ῥωμαίοις ἐνταῦθα πολιορκουμένοις ἐπαμνουῦντας. [20] οἱ δὲ Τουτίλαν τε λαθόντες καὶ τὸ τῶν πολεμίων στρατόπεδον νύκτωρ ἐν Αὐξίμῳ ἐγένοντο, ἐπεκδρομάς τέ τινας ποιεῖσθαι ἐπὶ τοὺς ἐναντίους διανοοῦντο. [21] τῇ δὲ ὑστεραίᾳ πυθόμενοι ἀμφὶ ἡμέραν μέσσην τῶν πολεμίων τινὰς ἄγχιστά πη εἶναι ἐξήλθον μὲν ὥς ὑπαντιάσσοντες, κατασκόπους δὲ πέμψαι πρότερον ἐπ' αὐτοὺς ἔγνωσαν, κατασκευομένους τὴν δύναμιν, ὥς μὴ ἀνεπισκέπτως ἐπ' αὐτοὺς ἴωσι. [22] Ῥικίλας δὲ ὁ Βελισαρίου δορυφόρος οἰνωμένος γὰρ τηνικαῦτα ἐτύγγανεν ἄλλους μὲν ἐπὶ κατασκοπῇ οὐκ εἶα ἰέναι, μόνος δὲ αὐτὸς τὸν ἵππον ἐξελάσας κατὰ τάχος ἦει. [23] Γότθοις τε τρισὶν ἐντυχὼν ἐν χώρῳ κρημνῶδει τὰ μὲν πρῶτα ὥς ἀντιταξόμενος ἔστη· ἐπὶ πλεῖστον γὰρ ἀνδρίας ἐτύγγανεν ἥκων· πολλοὺς δὲ πανταχόθεν ἰδὼν ἐπ' αὐτὸν ἐπιρρέοντας ἐς φυγὴν ὥρμητο. [24] τοῦ δὲ οἱ ἵππου ἐν δυσχωρίᾳ ὀκλάσαντος, κραυγὴ τε πολλὴ τῶν πολεμίων γέγονε καὶ τὰ δοράτια ἠκόντιζον ἐπ' αὐτὸν ἅπαντες. ὧν δὴ Ῥωμαῖοι αἰσθόμενοι ἐβοήθουν δρόμῳ. [25] καὶ Ῥικίλας μὲν δόρασι πολλοῖς κεκαλυμμένος θνήσκει, τρέψαντες δὲ τοὺς ἐναντίους οἱ ἀμφὶ Θουριμούθ, ἄραντές τε τὸν νεκρόν, ἐς Αὐξίμον πόλιν ἐκόμισαν, οὐκ ἐπαξίως τῆς ἀρετῆς τὴν τοῦ βίου καταστροφὴν κληρωσάμενον. [26] Ἔπειτα Σαβινιανός τε καὶ Θουριμούθ Μάγνῳ κοινολογησάμενοι ἀξύμφορον σφίσιν εὕρισκον εἶναι περαιτέρω διατριβὴν τινα ἐνταῦθα ποιεῖσθαι, λογισάμενοι ὅτι δὴ οὔτε τοῖς πολεμίοις πολλοῖς γε οὐσὶν ἀξίόμαχοί ποτε γένοιτο καὶ τὰς τῶν πολιορκουμένων καταδαπανῶντες τροφὰς ἀλώσιμον ἔτι θάσσον τὴν πόλιν τοῖς ἐναντίοις ποιήσονται. [27] καὶ ἐπεὶ ταῦτα ἐδέδοκτο, αὐτοὶ μὲν καὶ οἱ χίλιοι παρεσκευάζοντο εἰς τὴν ἄφοδον, ὥς νύκτωρ τῆς ἀποπορείας ἀρξόμενοι· αὐτίκα δὲ τῶν τις στρατιωτῶν αὐτομολήσας λάθρα ἐς τὸ τῶν πολεμίων στρατόπεδον ἔκπυστα ἐποίησε τὰ πρασσόμενα. [28] Τουτίλας τοίνυν ἄνδρας δισχιλίους ἀριστίνδην ἀπολεξάμενος νυκτὸς ἐπιλαβούσης ἐφύλασσε τὰς ὁδοὺς ἀπὸ σταδίων Αὐξίμου τριάκοντα, οὐδενὶ αἰσθησὶν παρεχόμενος. [29] οἱ ἐπεὶ παρίοντες ἀμφὶ νύκτα μέσσην τοὺς πολεμίους εἶδον, σπασάμενοι τὰ ξίφη ἔργου εἶχοντο. [30] καὶ αὐτῶν διακοσίους μὲν ἔκτειναν, Σαβινιανὸς δὲ καὶ Θουριμούθ ξὺν τοῖς λοιποῖς ἅτε ἐν σκότῳ λαθεῖν τε καὶ φυγεῖν ἐς τὴν Ἀρίμινον ἴσχυσαν. [31] τῶν μέντοι ὑποζυγίων ἀπάντων Γότθοι ἐκράτησαν, ἃ τῶν στρατιωτῶν τὴν τε θεραπείαν καὶ τὰ ὄπλα καὶ τὰ ἱμάτια ἔφερον. [32] Ἔστι

δὲ πολίσματα δύο πρὸς τῇ Ἀκτῇ τοῦ Ἰονίου κόλπου, Πίσαιρος τε καὶ Φανός, μεταξὺ τῆς τε Αὐξίμου καὶ Ἀριμίνου πόλεως κείμενα. ὦν δὴ τὰς οἰκίας τοῦδε τοῦ πολέμου κατ' ἀρχὰς Οὐίτιγίς ἐμπήσας τὰ τεῖχη καθεῖλεν ἄχρι ἐς ἡμισυ μάλιστα, ὅπως μὴ καταλαβόντες αὐτὰ Ῥωμαῖοι πράγματα Γότθοις παρέξωσι. [33] τούτων θάτερον, Πίσαιρον, Βελισάριος καταλαβεῖν ἐγγω: ἔδοξε γάρ οἱ ἐς ἵππων νομὰς ἐπιτηδεῖως τὸ χωρίον κεῖσθαι. πέμψας οὖν νύκτωρ τῶν οἱ ἐπιτηδεῖων τινὰς ἐς τὸ ἀκριβὲς εὐρὸς τε καὶ μῆκος πύλης ἐκάστης ξυνεμετρήσατο λάθρα. [34] τὰς τε πύλας τεκτηνάμενος καὶ σιδήρῳ περιβαλὼν εἵτά τισιν ἀκατίοις ἐνθήμενος ἔπεμψεν, ἃς δὴ ἐκέλευε τοὺς ἀμφὶ Σαβινιανόν τε καὶ Θουριμουῖθ κατὰ τάχος τοῖς τείχεσιν ἐναρμόσαντας ἐντὸς τοῦ περιβόλου μένειν, ἐν τε τῷ ἀσφαλεῖ γενομένους ὅσα τοῦ περιβόλου κατεπεπτώκει, ὅτῳ δὴ ἀνοικοδομήσασθαι τρόπῳ, λίθους τε καὶ πηλὸν καὶ ἄλλο ὅτιοῦν ἐμβαλλομένους. οἱ μὲν οὖν κατὰ ταῦτα ἐποίουν. [35] Τουτίλας δὲ μαθὼν τὰ πρασσόμενα στρατῷ πολλῷ ἐπ' αὐτοὺς ἦλθε. [36] καὶ ἀποπειρασάμενος χρόνον τε ἐνταῦθα διατρίψας τινά, ἐπεὶ ἐξελεῖν οὐχ οἷός τε ἦν, ἄπρακτος ἐν Αὐξίμῳ εἰς τὸ στρατόπεδον ἀνεχώρησεν. [37] Ἐπεξῆει δὲ Ῥωμαίων ἔτι τοῖς πολεμίοις οὐδεῖς, ἀλλ' ἐντὸς τειχῶν ἕκαστοι ἔμενον. ἀλλὰ καὶ τῶν δορυφόρων τῶν αὐτοῦ δύο Βελισάριος ἐς Ῥώμην στείλας, Ἀρτασίρην τε, ἄνδρα Πέρσην, καὶ Βαρβατίωνα Θρᾶκα, ὡς ξυμφυλάζοντας Βέσσα τὴν πόλιν ὥς ἐνταῦθα ἐτύγχανεν ὦν, ἐπέστελλε τοῖς πολεμίοις ὡς ἥκιστα ἐπεξιέναι. [38] Τουτίλας δὲ καὶ ὁ Γότθων στρατός, ἐπεὶ οὐκ ἀξιόχρεων ἀντιτάξασθαι σφίσι τὴν Βελισαρίου δύναμιν ἦσθοντο οὖσαν, τῶν χωρίων τὰ ἐχυρώτατα ἐνοχλεῖν ἔγνωσαν. [39] διὸ δὴ ἐν Πικηνοῖς ἀμφὶ τε Φίρμον καὶ Ἀσκούλον ἐνστρατοπεδευσάμενοι ἐς πολιορκίαν καθίσταντο. καὶ ὁ χειμὼν ἔλγη, καὶ δέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Βελισάριος δὲ ἀμύνειν τοῖς πολιορκουμένοις οὐδαμῇ ἔχων Ἰωάννην τὸν Βιταλιανοῦ ἀνεψιὸν ἐς Βυζάντιον ἔπεμψεν, ὅρκους αὐτὸν δεινотάτοις καταλαβὼν ὡς ἐπανάκειν ὅτι τάχιστα ἐν σπουδῇ θήσεται, βασιλέως δεησόμενον στρατιάν τε πολλὴν σφίσι καὶ χρήματα μεγάλα πέμψαι, καὶ μέντοι καὶ ὅπλα καὶ ἵππους. [2] οἱ γὰρ στρατιῶται ὀλίγοι λίαν ὄντες οὐδὲ αὐτοὶ μάχεσθαι ἤθελον, χρήματά τε πολλὰ φάσκοντες τὸ δημόσιον σφίσιν ὀφείλειν καὶ αὐτοὶ ἀπάντων ἐνδεεῖς εἶναι. [3] καὶ ἦν δὲ οὕτως. καὶ γράμματα ὑπὲρ τούτων βασιλεῖ ἔγραψεν. ἐδήλου δὲ ἡ γραφὴ τάδε: Ἀφίγμεθα εἰς τὴν Ἰταλίαν, ὃ βασιλεῦ κράτιστε, ἀνδρῶν τε καὶ ἵππων καὶ ὅπλων καὶ χρημάτων χωρίς. ὦν οὐδ' ἂν τις μὴ διαρκῶς ἔχων πόλεμον, οἶμαι, διενεγκεῖν οὐ μὴ ποτε ἱκανὸς εἴη. [4] Θρᾶκας μὲν γὰρ καὶ Ἰλλυριοὺς ἐνδελεχέστατα περιελθόντες στρατιώτας ξυνήγομεν κομιδῇ ὀλίγους οἰκτροὺς οὐδέ τι ὅπλων ἐν χερσὶν ἔχοντας καὶ μάχης ὄντας παντάπασιν ἀμελετήτους. [5] ὁρῶμεν δὲ καὶ τοὺς ἀπολελειμμένους ἐνταῦθα οὔτε αὐτάρκεις ὄντας καὶ κατεπτηχότας τοὺς πολεμίους δεδουλωμένους τε τὸ φρόνημα τῷ πρὸς ἐκείνων πολλάκις ἡσσησθαι, οἱ γε οὐδὲ εἰκὴ τοὺς ἐναντίους διέφυγον, ἀλλὰ τοὺς τε ἵππους ἀφέντες καὶ τὰ ὅπλα ἐς τὴν γῆν ρίψαντες. [6] χρημάτων δὲ πρόσδοτον ἐξ Ἰταλίας πορίζεσθαι ἡμῖν ἀδύνατά ἐστι, πάλιν πρὸς τῶν πολεμίων κατελιγμένης. [7] διὸ δὴ καὶ ὑπερήμεροι γεγεννημένοι ἐς τῶν στρατιωτῶν τὰς

συντάξεις ἐπιτάττειν αὐτοῖς ἥκιστα ἔχομεν: ἀφείλετο γὰρ ἡμῶν τὴν παρρησίαν τὸ ὄφλημα. [8] εὖ δὲ καὶ τοῦτο, ᾧ δέσποτα, ἴσθι, ὥς τῶν ὑπὸ σοὶ στρατευομένων οἱ πλείους πρὸς τοὺς πολεμίους ἡτομοληκότες τυγχάνουσιν ὄντες. [9] εἰ μὲν οὖν ἔδει Βελισάριον ἐς Ἰταλίαν στέλλεσθαι μόνον, ἄριστα σοὶ τὰ ἐς τὸν πόλεμον παρεσκεύασται: εἰμὶ γὰρ ἐν Ἰταλίωταις ἥδη πού μέσοις: εἰ δὲ περιεῖναι βούλει τῷ πολέμῳ τῶν δυσμενῶν, καὶ τὰ ἄλλα ἐξαρτῦεσθαι δεῖ. [10] στρατηγὸς γάρ τις, οἶμαι, τῶν ὑπουργούντων χωρὶς οὐκ ἂν γένοιτο. δορυφόρους τοίνυν καὶ ὑπασπιστὰς τοὺς ἐμοὺς μάλιστα μοι πάντων σταλῆναι προσήκει, ἔπειτα πάμπολύ τι πλῆθος Οὐννων τε καὶ ἄλλων βαρβάρων, οἷς καὶ χρήματα ἥδη δοτέον.’ [11] Τοσαῦτα μὲν Βελισάριος ἔγραψεν. Ἰωάννης δὲ χρόνον ἐν Βυζαντίῳ διατρίψας πολὺν οὐδὲν μὲν διεπράξατο ὧν ἕνεκα ἦλθεν, ἔγχε δὲ τοῦ Γερμανοῦ βασιλέως ἀνεψιοῦ παῖδα. [12] ἐν τούτῳ δὲ Τουτίλας Φίρμον τε καὶ Ἀσκουλον ὁμολογία εἶλεν: ἐς Τούσκους τε ἀφικόμενος Σπολίτιόν τε καὶ Ἀσίσην ἐπολιόρκει. ἦρχε δὲ τοῦ μὲν ἐν Σπολίτῳ φυλακτηρίου Ἡρωδιανός, τοῦ δὲ ἐν Ἀσίσῃ Σισίφριδος, Γότθος μὲν γένος, εὐνοϊκῶς δὲ λίαν ἔς τε Ῥωμαίους καὶ τὰ βασιλέως πράγματα ἔχων. [13] Ἡρωδιανὸς μὲν οὖν τοῖς πολεμίῳ ἐς λόγους ἦλθεν, ἐφ’ ᾧ τριάκοντα ἡμέρας ἡσυχῇ μέινωσιν. [14] ὧν ἦν μὴ ἐπικουρία τις αὐτοῖς ἐπιγένηται, αὐτόν τε καὶ τὴν πόλιν ζύν τε τοῖς στρατιώταις καὶ τοῖς ἐνοικοῦσι Γότθοις ἐνδῶσειν. τόν τε παῖδα ὁμηρον ἐπὶ ταύτῃ τῇ ὁμολογίᾳ παρέσχετο. [15] ἐπεὶ δὲ παρὴν μὲν ἡ κυρία, στράτευμα δὲ οὐδαμῶθεν Ῥωμαίων ἦλθεν, Ἡρωδιανός τε καὶ ὅσοι φρουρὰν ἐνταῦθα εἶχον κατὰ τὰ ξυγκείμενα Τουτίλα καὶ Γότθοις σφᾶς τε αὐτοὺς καὶ Σπολίτιον ἐνεχείρισαν. [16] φασὶ δὲ Ἡρωδιανὸν κατὰ τὸ ἐς Βελισάριον ἔχθος αὐτόν τε καὶ Σπολίτιον Γότθοις ἐνδοῦναι: λογισμοὺς γὰρ αὐτόν Βελισάριος τῶν βεβιωμένων ἠπέλιψε πράξειν. Τὰ μὲν οὖν ἀμφὶ Σπολίτῳ ταύτῃ ἐχώρησε. [17] Σισίφριδος δὲ ζὺν τοῖς ἐπομένοις ἐπεκδρομὴν ποιησάμενος, τῶν τε ζὺν αὐτῷ πλείστους ἀποβάλλει καὶ αὐτὸς θνήσκει. [18] Ἀσίσηνοί τε τοῖς παροῦσιν ἀπορούμενοι, αὐτίκα τὴν πόλιν τοῖς πολεμίῳ ἐνέδοσαν. πέμψας δὲ καὶ παρὰ Κυπριανὸν εὐθὺς Τουτίλας, ἐνδοῦναι οἱ αὐτῷ Περυσίαν ἡξίου, δεδιττόμενος μὲν ἦν ἀπειθήσῃ, χρήμασι δὲ αὐτόν δωρήσασθαι μεγάλοις ἐπαγγελλόμενος, [19] ἦν γε ταῦτα ἐπιτελοίῃ. ἐπεὶ τέ οἱ πρὸς Κυπριανοῦ οὐδὲν προὔχῳρει, τῶν ἐκείνου δορυφόρων ἓνα, Οὐλίφον ὄνομα, χρήμασιν ἀναπειθεὶ δόλῳ τὸν ἄνθρωπον διαχρήσασθαι. [20] Οὐλίφος μὲν οὖν μόνῳ τῷ Κυπριανῷ ἐντυχὼν ἔκτεινέ τε αὐτόν καὶ παρὰ Τουτίλαν φεύγων ὤχετο. οὐδὲν δὲ ἦσσαν οἱ Κυπριανοὶ στρατιῶται βασιλεῖ τὴν πόλιν ἐφύλασσαν: διὸ δὴ Γότθοι ἐνθένδε ἀναχωρεῖν ἔγνωσαν.

Μετὰ δὲ Τουτίλας ἐπὶ Ῥώμῃν ἦει, καὶ ἐπεὶ ἀγγχοῦ ἐγένετο, ἐς πολιορκίαν καθίστατο: τοὺς μέντοι γεωργοὺς οὐδὲν ἄχαρι ἀνὰ πᾶσαν τὴν Ἰταλίαν εἰργάσατο, ἀλλὰ τὴν γῆν ἀδεῶς ἐκέλευεν, ἥπερ εἰώθασιν, ἐς αἰὶ γεωργεῖν, τοὺς φόρους αὐτῷ ἀποφέροντας ὅσους τὸ πρότερον ἔς τε τὸ δημόσιον καὶ ἐς τοὺς κεκτημένους ἀποφέρειν ἡξίου. [2] Γότθων δὲ τινῶν ἄγχιστα τοῦ Ῥώμης περιβάλλου ἀφικόμενων Ἀρτασίρης τε καὶ Βαρβατίων, πολλοὺς τε τῶν ἐπομένων ἐπαγαγόμενοι, Βέσσα ὥς ἡκιστα ἐπαινοῦντος, ἐπεκδρομὴν ἐπ’ αὐτοὺς ἐποίησαντο. [3] καὶ πολλοὺς μὲν εὐθὺς ἔκτειναν, τοὺς δὲ λοιποὺς ἐς

φυγὴν ἔτρεψαν. οἷς δὴ ἐπισπόμενοι, ἕς τε τὴν δίωξιν ἐπὶ πλείστον ἐκπεπωκότες ἐνέδραις ὑπὸ τῶν πολεμίων ἐνέτυχον. [4] οὗ δὴ τοὺς πλείστους ἀποβαλόντες αὐτοὶ ζὺν ὀλίγοις τισὶ διέφυγον μόλις, καὶ τὸ λοιπὸν ἐπεξίεναι τοῖς ἐναντίοις, καίπερ ἐγκειμένοις, οὐκέτι ἐτόλμων. [5] Καὶ ἀπ' αὐτοῦ λιμός τις ἀκριβὴς τοὺς Ῥωμαίους ἐπέβλεπεν, οὐκέτι δυναμένους τι τῶν ἀναγκαίων ἐκ τῶν ἀγρῶν εἰσκομίζεσθαι, καὶ τῶν ἐκ θαλάσσης ἀποκεκλεισμένων φορτίων. [6] ἐπειδὴ γὰρ Γότθοι Νεάπολιν εἶλον, ναυτικὸν ἐνταῦθα καταστησάμενοι ἀκάτων πολλῶν κὰν ταῖς νήσοις ταῖς Αἰόλου καλουμέναις καὶ ὅσαι ἄλλαι τῇδε ἐπὶκείνται, ἕς τὸ ἀκριβὲς τὸν διάπλουν ἐφύλασσον. [7] ὅσαι οὖν νῆες ἐκ Σικελίας ἀναγόμεναι ἔπλεον ἐπὶ τὸν Ῥωμαίων λιμένα, πᾶσαι γεγόνασιν αὐτοῖς ἀνδράσιν ὑπὸ ταῖς ἐκείνων χερσὶ. [8] Τουτίλας δὲ στρατεύμα ἐς Αἰμιλίαν πέμψας, πόλιν Πλακεντίαν ἐξελεῖν ἢ βίᾳ ἢ ὁμολογίᾳ ἐκέλευεν. [9] αὕτη δὲ πρώτη μὲν ἐστὶν Αἰμιλίῳ τῆς χώρας, ὀχύρωμα ἰσχυρὸν ἔχουσα. πρὸς δὲ τῷ ποταμῷ Ἡριδανῷ κεῖται καὶ μόνῃ τῶν τῇδε χωρίων Ῥωμαίων κατήκοος οὖσα ἔτι ἐλέλειπτο. [10] ἐπεὶ δὲ ὁ στρατὸς οὗτος Πλακεντίας ἀγχοῦ ἐγένοντο, λόγους προὔφερον τοῖς ἐνταῦθα φρουροῖς, ὅπως τὴν πόλιν ὁμολογίᾳ Τουτίλας τε καὶ Γότθοις ἐνδοῖεν. [11] ὥς δὲ οὐδὲν σφίσι προὔχῳρει, αὐτοῦ ἐνστρατοπεδευσάμενοι ἐς πολιορκίαν καθίσταντο, τῶν ἐπιτηδείων ἐνδεῖν τοὺς ἐν τῇ πόλει αἰσθόμενοι. [12] Τότε τοῖς ἐν Ῥώμῃ τοῦ βασιλέως στρατοῦ ἄρχουσιν ὑποψία προδοσίας περὶ ἐγένετο ἐς Κέθηγον, πατρίκιον ἄνδρα καὶ πρῶτον τῆς Ῥωμαίων βουλῆς. διὸ δὴ ἐς Κεντουκέλλας ἀπιὼν ὤχετο. [13] Βελισάριος δὲ περὶ τῇ Ῥώμῃ καὶ τοῖς ὅλοις πράγμασι δέσας, ἐπεὶ ἐκ Ῥαβέννης ἀμύνειν ἄλλως τε καὶ στρατῷ ὀλίγῳ ἀδύνατα ἦν, ἀπανίστασθαι τε ἐνθένδε καὶ τὰ ἐπὶ Ῥώμης χωρία καταλαβεῖν ἔγνω, ὅπως δὴ ἀγχοῦ γενόμενος τοῖς ταύτῃ κάμνουσιν ἐπιβοηθεῖν οἷός τε εἴη. [14] καὶ οἱ τὸ κατ' ἀρχᾶς ἐς Ῥαβένναν ἀφικομένῳ μετέμελεν, ἃ δὴ Βιταλίῳ ἀναπεισθεὶς ἔδρασε πρότερον οὐκ ἐπὶ τῷ τῶν βασιλέως πραγμάτων ξυμφόρῳ, ἐπεὶ ἐνταῦθα καθεῖρξας αὐτὸν ἐδεδώκει τοῖς πολεμίοις κατ' ἐξουσίαν τὴν τοῦ πολέμου διοικεῖσθαι ῥοπήν. [15] καὶ μοι ἔδοξεν ἢ Βελισάριον ἐλῆσθαι τὰ χεῖρω, ἐπεὶ χρῆν τότε Ῥωμαίοις γενέσθαι κακῶς, ἢ βεβουλεῦσθαι μὲν αὐτὸν τὰ βελτίω, ἐμπόδιον δὲ τὸν θεὸν γεγονέναι, Τουτίλας τε καὶ Γότθοις ἐπικουρεῖν ἐν νῷ ἔχοντα, καὶ ἀπ' αὐτοῦ τῶν βουλευμάτων τὰ βέλτιστα ἐς πᾶν τὸνναντίον Βελισαρίῳ ἀποκεκρίσθαι. [16] οἷς μὲν γὰρ ἐπιπνεῖ ἐξ οὐρίας τὸ πνεῦμα τῆς τύχης καὶ τὰ χεῖριστα βουλευομένοις οὐδὲν ἀπαντιάσει δεινόν, ἀντιπεριάγοντος αὐτὰ τοῦ δαιμονίου ἐς πᾶν ζυμφορον. [17] ἀνδρὶ δέ, οἶμαι, κακοτυχοῦντι εὐβουλία οὐδαμῇ πάρεστι, παραιρουμένου αὐτὸν ἐπιστήμην τε καὶ ἀληθὴ δόξαν τοῦ χρῆναι παθεῖν. [18] ἦν δέ τι καὶ βουλευσῆταί ποτε τῶν δεόντων, ἀλλὰ πνέουσα τῷ βουλευσάντι ἀπ' ἐναντίας εὐθὺς ἢ τύχῃ ἀντιστρέφει αὐτῷ τὴν εὐβουλίαν ἐπὶ τὰ πονηρότατα τῶν ἀποβάσεων. [19] ἀλλὰ ταῦτα μὲν εἴτε ταύτῃ εἴτε ἐκείνῃ ἔχει οὐκ ἔχω εἰπεῖν. Βελισάριος δὲ Ἰουστίνον ἐπὶ τῇ Ῥαβέννης φυλακῇ καταστησάμενος ζὺν ὀλίγοις τισὶν αὐτὸς ἐνθένδε διὰ τε Δαλματίας καὶ τῶν ταύτῃ χωρίων κομίζεται ἐς Ἐπίδαμνον, ἵνα δὴ στρατεύμα ἐκ Βυζαντίου караδοκῶν ἡσυχῇ ἔμενε. γράψας τε βασιλεῖ γράμματα, τύχας τὰς παρούσας ἐσήγγελλεν. [20] ὁ δὲ οἱ οὐ πολλῷ ὕστερον Ἰωάννην τε τὸν Βιταλιανοῦ ἀνεψιὸν καὶ Ἰσαάκην

Ἀρμένιον Ἀρατίου τε καὶ Ναρσοῦ ἀδελφὸν ζὺν στρατῷ ἐπεμψε βαρβάρων τε καὶ Ῥωμαίων στρατιωτῶν. [21] οἱ δὴ ἐς Ἐπίδαμνον ἀφικόμενοι Βελισαρίῳ ξυνέμιξαν. Καὶ Ναρσῆν δὲ τὸν εὐνοῦχον παρὰ τῶν Ἐρούλων τοὺς ἄρχοντας ἐπεμψεν, ἐφ' ᾧ δὴ αὐτῶν τοὺς πολλοὺς πείσει ἐς Ἱταλίαν στρατεύεσθαι. [22] καὶ αὐτῷ τῶν Ἐρούλων πολλοὶ εἶποντο, ὧν ἄλλοι τε καὶ Φιλημουθ ἦρχον καὶ ζὺν αὐτῷ ἐς τὰ ἐπὶ Θράκης χωρία ἤλθον. ἐνταῦθα γὰρ διαχειμάσαντες ἔμελλον ἅμα ἦρι ἀρχομένῳ παρὰ Βελισάριον στέλλεσθαι. [23] ζυνῆν δὲ αὐτοῖς καὶ Ἰωάννης, ὃν ἐπὶ κλήσιν ἐκάλουν Φαγᾶν. καὶ αὐτοῖς ἐν ταύτῃ τῇ πορείᾳ ζυνέβη τις τύχη μεγάλη Ῥωμαίους ἀγαθὰ ἐκ τοῦ ἀπροσδοκῆτου ἐργάσασθαι. [24] βαρβάρων γὰρ Σκλαβηνῶν πολὺς ὅμιλος ἔτυχον ἑναγχος διαβάντες μὲν ποταμὸν Ἰστρον, ληϊσάμενοι δὲ τὰ ἐκείνῃ χωρία καὶ Ῥωμαίων ἐξανδραποδίσαντες πάμπολυ πλῆθος. [25] οἷς δὴ Ἐρουλοι ἐκ τοῦ αἰφνιδίου ἐς χεῖρας ἐλθόντες, νικήσαντές τε παρὰ δόξαν μέτρῳ σφᾶς πολλῶ ὑπεραίροντας, αὐτοὺς τε κτείνουσι καὶ τοὺς αἰχμαλώτους ἐς τὰ οἰκεῖα ζύμπαντας ἀφῆκαν ἰέναι. [26] τότε δὲ ὁ Ναρσῆς καὶ τινα εὐρὼν ἐπιβατεύοντα τοῦ Χιλβουδίου ὀνόματος, ἀνδρὸς ἐπιφανοῦς καὶ Ῥωμαίων ποτὲ στρατηγῆσαντος, διελέγξαι τὴν ἐπιβουλήν ῥαδίως ἔσχε. τοῦτο δὲ ὅ τί ποτε ἦν αὐτίκα δηλώσω.

Χιλβούδιος ἦν τις ἐκ τῆς Ἰουστινιανοῦ βασιλέως οἰκίας ἐσάγαν μὲν δραστήριος τὰ πολέμια, ἐς τόσον δὲ χρημάτων κρείσσων ὥστε ἀντὶ μεγίστου κτήματος ἐν τῇ οὐσίᾳ τῇ αὐτοῦ εἶχε τὸ κεκτηθῆναι μηδέν. [2] τοῦτον βασιλεὺς τὸν Χιλβούδιον, ὅτε δὴ τέταρτον ἔτος τὴν αὐτοκράτορα εἶχεν ἀρχήν, Θράκης στρατηγὸν ἀνειπών, ἐπὶ τῇ τοῦ Ἰστροῦ ποταμοῦ φυλακῇ κατεστήσατο, φυλάσσειν κελεύσας ὅπως μηκέτι τοῖς ταύτῃ βαρβάροις ὁ ποταμὸς διαβατὸς ἔσται, ἐπεὶ αὐτοῦ τὴν διάβασιν πολλάκις ἤδη Οὐννοὶ τε καὶ Ἄνται καὶ Σκλαβηνοὶ πεπονημένοι ἀνῆκεστα Ῥωμαίους ἔργα εἰργάσαντο. [3] Χιλβούδιος δὲ οὕτω τοῖς βαρβάροις φοβερὸς γέγονεν ὥστε ἐς τριῶν ἐνιαυτῶν χρόνον, ὅσον ζὺν ταύτῃ δὴ τῇ τιμῇ τὴν διατριβὴν ἐνταῦθα εἶχεν, οὐχ ὅσον διαβῆναι τὸν Ἰστρον ἐπὶ τοὺς Ῥωμαίους οὐδεὶς ἴσχυσεν, ἀλλὰ καὶ Ῥωμαῖοι ἐς ἡπειρον τὴν ἀντιπέραν σὺν Χιλβουδίῳ πολλάκις ἰόντες ἔκτεινάν τε καὶ ἠνδραπόδισαν τοὺς ταύτῃ βαρβάρους. [4] ἐνιαυτοῖς δὲ τρισὶν ὕστερον διέβη μὲν ὁ Χιλβούδιος τὸν ποταμὸν ἥπερ εἰώθει ζὺν ὀλίγῳ στρατῷ, Σκλαβηνοὶ δὲ πανδημεὶ ὑπηντίαζον. [5] μάχης τε καρτερᾶς γενομένης Ῥωμαίων τε πολλοὶ ἔπεσον καὶ Χιλβούδιος ὁ στρατηγός. [6] καὶ τὸ λοιπὸν ὃ τε ποταμὸς ἐσβατὸς αἰεὶ τοῖς βαρβάροις κατ' ἐξουσίαν καὶ τὰ Ῥωμαίων πράγματα εὐέφοδα γέγονε, ζύμπασά τε ἡ Ῥωμαίων ἀρχὴ ἀνδρὸς ἐνὸς ἀρετῇ ἀντίρροπος γενέσθαι ἐν τῷ ἔργῳ τούτῳ οὐδαμῇ ἴσχυσε. [7] Χρόνῳ δὲ ὕστερον Ἄνται καὶ Σκλαβηνοὶ διάφοροι ἀλλήλοις γενόμενοι ἐς χεῖρας ἤλθον, ἔνθα δὴ τοῖς Ἄνταις ἡσσηθῆναι τῶν ἐναντίων τετύχηκεν. [8] ἐν ταύτῃ δὲ τῇ μάχῃ Σκλαβηνὸς ἀνὴρ τῶν τινα πολεμίων ἄρτι γενειάσκοντα, Χιλβούδιον ὄνομα, αἰχμάλωτον εἶλεν, ἔς τε τὰ οἰκεῖα λαβὼν ὥχετο. [9] οὗτος ὁ Χιλβούδιος προϊόντος τοῦ χρόνου εὖνους τε ὡς ἐνὶ μάλιστα τῷ κεκτημένῳ ἐγένετο καὶ τὰ ἐς τοὺς πολεμίους δραστήριος. [10] πολλάκις τε τοῦ δεσπότη προκινδυνεύσας ἡρίστευσέ τε διαφερόντως καὶ κλέος ἴσχυσε περιβαλέσθαι ἀπ' αὐτοῦ μέγα. [11] ὑπὸ δὲ τὸν χρόνον τοῦτον Ἄνται ἐπισκῆψαντες εἰς τὰ ἐπὶ Θράκης χωρία πολλοὺς ἐληΐσαντο καὶ

ἡνδραπόδισαν τῶν ἐκείνῃ Ῥωμαίων. οὕπερ ἐπαγόμενοι ἀπεκομίσθησαν εἰς τὰ πάτρια ἡθῇ. [12] Τούτων δὲ ἓνα τῶν αἰχμαλώτων εἰς φιλάνθρωπόν τινα ἤγαγεν ἡ τύχη καὶ πρᾶον δεσπότην. ἦν δὲ οὗτος ἀνὴρ κακοῦργός τε λίαν καὶ οἶος ἀπάτη τοὺς ἐντυχόντας περιελθεῖν. [13] ἐπειδὴ τε βουλόμενος ἐπανάκειν ἐς Ῥωμαίων τὴν γῆν οὐδεμιᾶ μηχανῇ εἶχεν, ἐπενόει τοιάδε. τῷ κεκτημένῳ ἐς ὄψιν ἦκων τῆς τε φιλανθρωπίας ἐπήνεσε καὶ πολλὰ μὲν οἱ διὰ τοῦτο πρὸς τοῦ θεοῦ ἰσχυρίσατο τάγαθὰ ἔσσεσθαι, καὶ αὐτὸν δὲ οὐδαμῇ ἀχάριστον δεσπότη φιλανθρωποτάτῳ φανήσεσθαι, ἀλλ', ἦν γε αὐτῷ τὰ βέλτιστα εἰσηγουμένῳ ἐπακούειν ἐθέλλῃ, κύριον αὐτὸν οὐκ εἰς μακρὰν καταστήσεσθαι χρημάτων μεγάλων. [14] εἶναι γὰρ ἐν τῷ Σκλαβηνῶν ἔθνῃ Χιλβούδιον, τὸν Ῥωμαίων στρατηγῆσαντα, ἐν ἀνδραπόδων λόγῳ, πάντας βαρβάρους λανθάνοντα ὅστις ποτέ ἐστιν. [15] ἦν τοίνυν αὐτῷ βουλομένῳ εἴη προέσθαι τε τὰς τοῦ Χιλβουδίου τιμὰς καὶ διακομίζειν τὸν ἄνθρωπον ἐς Ῥωμαίων τὴν γῆν, δόξαν τε ἀγαθὴν καὶ πλούτου αὐτὸν πάμπλουτο χρῆμα περιβαλέσθαι πρὸς βασιλέως οὐκ ἀπαικὸς εἶναι. [16] ταῦτα ὁ Ῥωμαῖος εἰπὼν τὸν κεκτημένον εὐθὺς ἔπεισε, καὶ ζῆν αὐτῷ γίνεται ἐν Σκλαβηνοῖς μέσοις: ἐπεκηρυκεύοντο γὰρ ἤδη καὶ ἀλλήλοις ἀνεμίγνυντο ἀδεδῶς οἱ βάρβαροι οὗτοι. χρήματα γοῦν πολλὰ τῷ Χιλβούδιον κεκτημένῳ προέμενοι τὸν ἄνδρα ὠνοῦντο καὶ ζῆν αὐτῷ ἀπιόντες εὐθὺς ὥχοντο. [17] ἐπεὶ τε ἐν ἡθεσι τοῖς σφετέροις ἐγένοντο, ἀνεπνυθάνετο τοῦ ἀνθρώπου ὁ πριάμενος, εἰ Χιλβούδιος αὐτὸς ὁ Ῥωμαίων στρατηγὸς εἴη. [18] καὶ ὃς οὐκ ἀπηξίου τὰ ὄντα καταλέγειν ζῆν τῷ ἀληθεῖ λόγῳ ἐφεξῆς ἅπαντα, ὥς εἴη μὲν καὶ αὐτὸς Ἀντῆς τὸ γένος, μαχόμενος δὲ ζῆν τοῖς ὁμογενέσι πρὸς Σκλαβηνοὺς, τότε πολεμίους σφίσιν ὄντας, πρὸς τοὺς τῶν ἐναντίων ἀλώῃ, τανῦν δέ, ἐπεὶ ἀφίκετο ἐς τὰ πάτρια ἡθῇ, ἐλεύθερος τὸ λοιπὸν κατὰ γε τὸν νόμον καὶ αὐτὸς ἔσται. [19] Ὁ μὲν οὖν ὑπὲρ αὐτοῦ χρυσίον προέμενος εἰς ἀφασίαν ἐμπεπτωκὸς ἡσχαλλεν, ἐλπίδος ἀποτυχὼν οὐ μετρίως τινός. [20] ὁ δὲ Ῥωμαῖος τὸν τε ἄνθρωπον παρηγορεῖν τὴν τε ἀλήθειαν ἐκκρούειν ἐθέλων, ὥς μή τι αὐτῷ τῆς ἐς τὴν οἰκειάν ἐπανόδου χαλεπὸν εἴη, Χιλβούδιον μὲν ἐκείνον ἔτι τοῦτον δὴ τὸν ἄνδρα ἰσχυρίζετο εἶναι, δεδιότα δὲ ἅτε δὴ ὄντα ἐν μέσοις βαρβάροις ὥς ἥκιστα ἐθέλειν ἀποκαλύψαι τὸν πάντα λόγον, ἦν μέντοι γένηται ἐν γῇ τῇ Ῥωμαίων, οὐχ ὅσον οὐκ ἀποκρύβεσθαι τὸν ἀληθεῖ λόγον, ἀλλὰ καὶ φιλοτιμήσεσθαι, ὥς τὸ εἰκός, ἐπὶ τούτῳ δὴ τῷ ὀνόματι. τὰ μὲν οὖν πρῶτα κρύφα ταῦτα ἐπράσσετο τῶν ἄλλων βαρβάρων. [21] Ἐπεὶ δὲ ὁ λόγος περιφερόμενος ἐς ἅπαντας ἦλθεν, ἡγείροντο μὲν ἐπὶ τούτῳ Ἄνται σχεδὸν ἅπαντες, κοινὴν δὲ εἶναι τὴν πρᾶξιν ἡξίουσαν, μεγάλα σφίσιν οἰόμενοι ἀγαθὰ ἔσσεσθαι, κυρίως ἡδὴ τοῦ Ῥωμαίων στρατηγοῦ Χιλβουδίου γεγενημένοις. [22] τὰ γὰρ ἔθνη ταῦτα, Σκλαβηνοὶ τε καὶ Ἄνται, οὐκ ἄρχονται πρὸς ἀνδρὸς ἐνός, ἀλλ' ἐν δημοκρατίᾳ ἐκ παλαιοῦ βιοτεύουσιν, καὶ διὰ τοῦτο αὐτοῖς τῶν πραγμάτων αἰεὶ τά τε ζυμφορα καὶ τὰ δύσκολα ἐς κοινὸν ἄγεται. ὁμοίως δὲ καὶ τὰ ἄλλα ὥς εἰπεῖν ἅπαντα ἐκατέροις ἐστὶ τε καὶ νενόμισται τούτοις ἄνωθεν τοῖς βαρβάροις. [23] θεὸν μὲν γὰρ ἓνα τὸν τῆς ἀστραπῆς δημιουργὸν ἁπάντων κύριον μόνον αὐτὸν νομίζουσιν εἶναι, καὶ θύουσιν αὐτῷ βόας τε καὶ ἱερεῖα πάντα: εἰμαρμένην δὲ οὔτε ἴσασιν οὔτε ἄλλως ὁμολογοῦσιν ἔν γε ἀνθρώποις ροπήν τινα ἔχειν, ἀλλ' ἐπειδὴν αὐτοῖς ἐν ποσὶν ἡδὴ ὁ θάνατος εἴη, ἡ νόσφ

[24] σέβουσι μέντοι καὶ ποταμούς τε καὶ νύμφας καὶ ἄλλα ἅττα δαιμόνια, καὶ θύουσι καὶ αὐτοῖς ἅπασι, τάς τε μαντείας ἐν ταύταις δὴ ταῖς θυσίαις ποιοῦνται. οἰκοῦσι δὲ ἐν καλύβαις οἰκτραῖς διεσκηνημένοι πολλῷ μὲν ἀπ' ἀλλήλων, ἀμείβοντες δὲ ὡς τὰ πολλὰ τὸν τῆς ἐνοικίσεως ἕκαστοι χῶρον. [25] ἐς μάχην δὲ καθιστάμενοι πεζῇ μὲν ἐπὶ τοὺς πολεμίους οἱ πολλοὶ ἴασιν ἀσπίδια καὶ ἀκόντια ἐν χερσὶν ἔχοντες, θώρακα δὲ οὐδαμῇ ἐνδιδύσκονται. [26] τινὲς δὲ οὐδὲ χιτῶνα οὐδὲ τριβώνιον ἔχουσιν, ἀλλὰ μόνας τὰς ἀναξυρίδας ἐναρμοσάμενοι μέχρι ἐς τὰ αἰδοῖα, οὕτω δὲ ἐς ξυμβολὴν τοῖς ἐναντίοις καθίστανται. ἔστι δὲ καὶ μία ἐκατέρους φωνὴ ἀτεχνῶς βάρβαρος. [27] οὐ μὴν οὐδὲ τὸ εἶδος ἐς ἀλλήλους τι διαλλάσσουσιν. εὐμήκεις τε γὰρ καὶ ἄλκιμοι διαφερόντως εἰσὶν ἅπαντες, τὰ δὲ σώματα καὶ τὰς κόμας οὔτε λευκοὶ ἐσάγαν ἢ ξανθοὶ εἰσὶν οὔτε πη ἐς τὸ μέλαν αὐτοῖς παντελῶς τέτραπται, ἀλλ' ὑπέρυθροὶ εἰσὶν ἅπαντες. [28] δίαίταν δὲ σκληρὰν τε καὶ ἀπημελημένην, ὥσπερ οἱ Μασσαγέται, καὶ αὐτοὶ ἔχουσι, καὶ ῥύπου ἥπερ ἐκεῖνοι ἐνδελεχέστατα γέμουσι, πονηροὶ μέντοι ἢ κακοῦργοι ὡς ἥκιστα τυγχάνουσιν ὄντες, ἀλλὰ κὰν τῷ ἀφελεῖ διασώζουσι τὸ Οὐννικὸν ἦθος. [29] καὶ μὴν καὶ ὄνομα Σκλαβηνοῖς τε καὶ Ἄνταις ἐν τῷ ἀνέκαθεν ἦν: Σπόρους γὰρ τὸ παλαιὸν ἀμφοτέρους ἐκάλουν, ὅτι δὴ σποράδην, οἶμαι, διεσκηνημένοι τὴν χώραν οἰκοῦσι. [30] διὸ δὴ καὶ γῆν τινα πολλὴν ἔχουσι: τὸ γὰρ πλεῖστον τῆς ἐτέρας τοῦ Ἰστροῦ ὄχθης αὐτοὶ νέμονται. τὰ μὲν οὖν ἀμφὶ τὸν λεῶν τοῦτον ταύτη πη ἔχει. [31] Ἄνται δὲ τότε ἀγειρόμενοι, ὥσπερ ἐρρήθη, τὸν ἄνδρα τοῦτον ἠνάγκαζον ὁμολογεῖν σφίσι ὅτι Χιλβούδιος αὐτὸς ὁ Ῥωμαίων στρατηγὸς εἶη. [32] ἀρνηθέντα τε κολάζειν ἠπειλοῦν. ἐν ᾧ δὲ ταῦτα ἐπράσσετο τῇδε, ἐν τούτῳ βασιλεὺς Ἰουστινιανὸς πρέσβεις τινὰς παρὰ τούτους δὴ τοὺς βαρβάρους στείλας ἡξίου ξυνοικίεσθαι ἅπαντας εἰς πόλιν ἀρχαίαν, Τούρριν ὄνομα, ἣ κεῖται μὲν ὑπὲρ ποταμὸν Ἰστρον, Τραϊανοῦ τοῦ Ῥωμαίων αυτοκράτορος ἐν τοῖς ἄνω χρόνοις αὐτὴν δειμαμένου, ἔρημος δὲ ἐκ παλαιοῦ ἐτύγχανεν οὔσα, ληΐσασμένων αὐτὴν τῶν ταύτη βαρβάρων. [33] ταύτη γὰρ αὐτοὺς καὶ τῇ ἀμφ' αὐτὴν χώρᾳ Ἰουστινιανὸς βασιλεὺς ἅτε προσηκούσῃ τὸ ἐξ ἀρχῆς Ῥωμαίοις ὁμολόγει δεδωρῆσεσθαι καὶ σφίσι ξυνοικεῖν μὲν δυνάμει τῇ πάσῃ, χρήματα δὲ μεγάλα σφίσι προῖεσθαι, ἐφ' ᾧ οἱ ἔνσπονδοι τὸ λοιπὸν ὄντες Οὐννοις ἐμπόδιοι ἐς αἰὲ γένωνται, καταθεῖν βουλομένοις τὴν Ῥωμαίων ἀρχήν. [34] Ταῦτα ἐπεὶ οἱ βάρβαροι ἤκουσαν, ἐπήνεσάν τε καὶ πράξιν ἅπαντα ὑπέσχοντο, εἵπερ αὐτοῖς τὸν Χιλβούδιον στρατηγὸν Ῥωμαίων αὐθις καταστησάμενος ξυνοικιστὴν δοίῃ, αὐτὸν ἐκεῖνον ἰσχυρίζόμενοι, ἥπερ ἠβούλοντο, Χιλβούδιον εἶναι. [35] ταύταις δὲ ὁ ἄνθρωπος ἐπαρθεὶς ταῖς ἐλπίσιν ἤδη καὶ αὐτὸς ἠθέλε' τε καὶ ἔφασκε Χιλβούδιος ὁ Ῥωμαίων στρατηγὸς εἶναι. ἐφ' οἷς δὴ αὐτὸν στελλόμενον ἐς Βυζάντιον Ναρσῆς ἐν ταύτῃ τῇ πορείᾳ καταλαμβάνει. [36] καὶ συγγενόμενος, ἐπεὶ φενακίζοντα τὸν ἄνθρωπον εἶρε 'καίπερ τὴν τε Λατίνων ἀφιέντα φωνὴν καὶ τῶν Χιλβουδίου γνωρισμάτων πολλὰ ἐκμαθόντα τε ἤδη καὶ προσποιεῖσθαι ἱκανῶς ἔχοντά ἐν τε δεσμοτηρίῳ καθεῖρξε καὶ τὸν πάντα

ἐξείπειν λόγον ἡνάγκασεν, οὕτω τε ἐς Βυζάντιον ζὺν αὐτῷ ἤγαγεν. ἐγὼ δὲ ὅθενπερ ἐξέβην ἐπάνειμι.

Βασιλεὺς μὲν ταῦτα ἅπερ μοι δεδήλωται ἔπρασσεν. ἐν τούτῳ δὲ Βελισάριος Βαλεντίνον τε καὶ τῶν δορυφόρων τῶν αὐτοῦ ἓνα, Φωκᾶν ὄνομα, διαφερόντως ἀγαθὸν τὰ πολέμια, ζὺν στρατεύματι ἐς τὸν Ῥωμαίων λιμένα ἔπεμψεν, ἐφ' ᾧ τό τε ἐν Πόρτῳ φρούριον ζυμφυλάξουσιν τοῖς ἐνταῦθα φρουροῖς, ὥνπερ Ἰννοκέντιος ἦρχε, καὶ ὅπη ἂν σφίσι δυνατὰ ἦ ἐπεκδρομὰς ποιούμενοι ζυνταράξουσιν τὸ τῶν πολεμίων στρατόπεδον. [2] οἱ μὲν οὖν ἀμφὶ Βαλεντίνον τε καὶ Φωκᾶν πέμψαντες λάθρα ἐς Ῥώμην σημαίνουνσι Βέσσα ὡς αὐτίκα δὴ ἐπιέναι τῶν ἐναντίων τῷ χαρακώματι ἐκ τοῦ αἰφνιδίου μέλλουσι· δεήσει οὖν καὶ αὐτὸν τῶν ἐν Ῥώμῃ στρατιωτῶν τοὺς μαχιμωτάτους ἀπολεξάμενον, ἡνίκα αἰσθηται τῆς ἐπιδρομῆς, βοηθεῖν δρόμῳ, ὅπως τι καὶ δρᾶν τοὺς βαρβάρους ἐκάτεροι δυνήσονται μέγα. [3] Βέσσα δὲ ταῦτα οὐδαμῇ ἤρεσκε, καίπερ ἐς τρισχιλίους στρατιώτας ζὺν αὐτῷ ἔχοντι. διὸ δὴ καὶ Βαλεντίνος τε καὶ Φωκᾶς ζὺν πεντακοσίοις ἐκ τοῦ ἀπροσδοκίτου ἐπισκήψαντες τῷ τῶν πολεμίων στρατοπέδῳ ὀλίγους μὲν τινὰς ἔκτειναν, αἰσθησίς τε τοῦ ἐνθὲνδε θορύβου τοῖς πολιορκουμένοις ταχὺ γέγονεν. [4] ὡς δὲ οὐδεὶς ἐκ τῆς πόλεως ἐπεξῆει, κατὰ τάχος ἐς τὸν λιμένα κακῶν παντάπασιν ἀπαθεῖς ἀνεχώρησαν. [5] Πέμψαντές τε παρὰ Βέσσαν αὐθις ἡτιῶντο μὲν ὁκνησὶν τινα οὐ δέον αὐτῷ ἐμπεπτωκεναί, ἰσχυριζόμενοι δὲ ὡς ὀλίγῳ ὕστερον ἑτέραν ἐπεκδρομὴν ἐς τοὺς πολεμίους ποιήσονται παρεκάλουν καὶ αὐτὸν ἐς καιρὸν τοῖς βαρβάροις ἐπιθέσθαι δυνάμει τῇ πάσῃ. [6] ὁ δὲ οὐδέν τι ἥσσον τὸ μὴ τοῖς ἐναντίοις ἐπεξιόντα διακινδυνεύειν ἀπεῖπεν. οἱ μὲντοι ἀμφὶ Βαλεντίνον τε καὶ Φωκᾶν ζὺν στρατῷ πλείονι τοῖς πολεμίοις ἐμπεσεῖσθαι διανοοῦντο καὶ ἐν παρασκευῇ ἤδη ἐγένοντο. [7] στρατιώτης δὲ τις ὑπὸ Ἰννοκεντίῳ ταττόμενος αὐτόμολος παρὰ Τουτίλαν ἡκὼν ἀγγέλλει ὡς ἡμέρα τῇ ἐπιγενησομένῃ ἔφοδος ἐκ τοῦ Πόρτου ἐπ' αὐτοὺς ἔσται. [8] καὶ ὃς τῶν χωρίων ὅσα ἐπιτηδεῖως ἐς τοῦτο εἶχεν ἐνέδραις ἔγνω προλοχίζειν ἀνδρῶν μαχίμων. οὗ δὴ τῇ ὕστεραίᾳ Βαλεντίνος τε καὶ Φωκᾶς ζὺν τοῖς ἐπομένοις ἐμπεπτωκότες τοὺς τε πλείστους ἀποβάλλουσι καὶ αὐτοὶ θνήσκουσιν. ὀλίγοι δὲ τινες μόλις διαφυγόντες ἐς τὸν Πόρτον κομίζονται. [9] Τότε καὶ Βιγίλιος, ὁ τῆς Ῥώμης ἀρχιερεὺς, ἐν Σικελίᾳ διατριβὴν ἔχων ναῦς ὅτι πλείστας σίτου ἐμπλησάμενος ἔπεμψεν, οἰόμενος ὅτῳ δὴ τρόπῳ τοῖς τὰ φορτία παραπέμπουσιν ἐς τὴν Ῥώμην ἐσιτητὰ εἶναι. [10] αἱ μὲν οὖν νῆες αὗται ἔπλεον ἐπὶ τὸν Ῥωμαίων λιμένα, αἰσθόμενοι δὲ οἱ πολέμοι χρόνῳ τε βραχεῖ προτερήσαντες ἐν τῷ λιμένι ἐγένοντο καὶ τῶν τειχῶν ἐντὸς σφᾶς αὐτοὺς ἔκρυσαν, ὅπως, ἐπειδὴν τάχιστα αἱ νῆες ἐνταῦθα κατάρωσι, κρατήσωσιν αὐτῶν οὐδενὶ πόνῳ. [11] ὅπερ κατιδόντες ὅσοι φρουρὰν ἐν Πόρτῳ εἶχον, ἔς τε τὰς ἐπάλξεις ἀνέβαινον ἅπαντες καὶ τὰ ἱμάτια σείοντες τοῖς ἐν ταῖς ναυσὶ σημαίνειν ἐβούλοντο μὴ πρόσω ἰέναι, ἀλλ' ἑτερωσε, ὅπη παρατύχη, [12] ἐκτρέπεσθαι. οἱ δὲ τῶν ποιουμένων οὐ ζυιέντες, ἀλλὰ χαίρειν τε τοὺς ἐν τῷ Πόρτῳ Ῥωμαίους οἰόμενοι καὶ σφᾶς ἐπὶ τὸν λιμένα παρακαλεῖν, τοῦ πνεύματος αὐτοῖς ἐπιφόρου ὄντος, ἐντὸς τοῦ λιμένος κατὰ τάχος ἐγένοντο. [13] ἔπλεον δὲ ταῖς ναυσὶν ἄλλοι τε Ῥωμαίων πολλοὶ καὶ τις ἐπίσκοπος Βαλεντίνος

ὄνομα. ἔκ τε τῶν ἐνεδρῶν ἀναστάντες οἱ βάρβαροι τῶν πλοίων ἀπάντων οὐδενὸς ἀμυνομένου ἐκράτησαν. [14] καὶ τὸν μὲν ἐπίσκοπον ζωγρήσαντες παρὰ τὸν Τουτίλαν ἤγαγον, τοὺς δὲ ἄλλους ἅπαντας ἔκτειναν, καὶ τὰς ναῦς σὺν τοῖς φορτίοις ἐφέλκοντες ὥχοντο. [15] τοῦτου ὁ Τουτίλας ἀνεπυνθάνετο τοῦ ἱερέως ὅσα ἐβούλετο, ἐπενεγκὼν τε αὐτῷ, ὅτι δὴ ὡς ἡκιστα ἀληθίζεται, ἄμφω τῷ χεῖρι ἀπέκοψε. [16] ταῦτα μὲν δὴ οὕτω γενέσθαι τετύχηκε. καὶ ὁ χειμὼν ἔλγηε, καὶ τὸ ἐνδέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Βιγίλιος δέ, ὁ τῆς Ῥώμης ἀρχιερεὺς, βασιλεῖ ἐς Βυζάντιον ἐκ Σικελίας μετὰπεμπτος ἦλθεν. ἐτύγγανε γὰρ πολὺν τινα χρόνον διὰ τοῦτο ἐν Σικελία διατριβὴν ἔχων. [2] Ὑπὸ τοῦτον τὸν χρόνον Ῥωμαῖοι ἐν Πλακεντία πολιορκούμενοι ἀπάντων ἤδη σφᾶς τῶν ἀναγκαίων παντάπασιν ἐπιλιπόντων ἐς βρώσεις οὐχ ὁσίας τινάς, βιαζόμενοι τῷ λιμῷ, ἦλθον. [3] καὶ μὴν καὶ ἀλλήλων ἐγεύσαντο. καὶ διὰ τοῦτο σφᾶς τε αὐτοὺς καὶ Πλακεντίαν ὁμολογία Γότθοις παρέδωκαν. [4] Ταῦτα μὲν οὖν τῇδε ἐχώρησε καὶ Ῥώμην πρὸς Τουτίλα πολιορκουμένην ἅπαντα ἤδη τὰ ἀναγκαῖα ἐπελελοιπεί. [5] ἦν δέ τις ἐν τοῖς Ῥώμης ἱερεῦσιν, ὄνομα μὲν Πελάγιος, διάκονος δὲ τὴν τιμὴν, ὃς δὴ ἐν Βυζαντίῳ χρόνον διατρίψας συχνὸν φίλος μὲν ἐς τὰ μάλιστα Ἰουστινιανῷ βασιλεῖ γέγονε, χρήματα δὲ περιβεβλημένος μεγάλα ἐς Ῥώμην ὀλίγῳ ἔμπροσθεν ἐτύγγανεν ἀφικόμενος. [6] ἐν ταύτῃ τε τῇ πολιορκίᾳ τοῖς τῶν ἀναγκαίων ἀπορουμένοις πλεῖστα τῶν χρημάτων προέμενος, ὧν καὶ πρότερον ἔν γε Ἰταλιώταις ἅπασι δόκιμος, μεῖζον, ὥς τὸ εἰκός, ἐπὶ φιланθρωπία κλέος ἀπῆνεγκε. [7] τοῦτον Ῥωμαῖοι τὸν Πελάγιον, ἐπειδὴ τὰ ἀμύχανα τῷ λιμῷ ἔπασχον, πείθουσι παρὰ Τουτίλαν τε ἰέναι καὶ ἡμερῶν ὀλίγων τινῶν ἐκεχειρίαν διαπράξασθαι σφίσιν, ἐφ' ᾧ, ἦν μὴ τις αὐτοῖς ἐπικουρία ταύτης δὴ ἐντὸς τῆς ἐκεχειρίας ἐκ Βυζαντίου ἀφίκηται, σφᾶς τε αὐτοὺς ὁμολογία καὶ τὴν πόλιν Γότθοις ἐνδώσουσιν. [8] ἐπὶ ταύτῃ δὴ τῇ πρεσβείᾳ Πελάγιος παρὰ Τουτίλαν ἦλθεν. ἤκοντά τε αὐτὸν ὁ Τουτίλας ἀσπασάμενος αἰδοῖ τε καὶ φιλοφροσύνῃ πολλῇ πρῶτος ἔλεξεν ὥδε: [9] 'Πᾶσι μὲν, ὡς ἐπὶ πλεῖστον εἰπεῖν, νόμος βαρβάροις τὸ χρήμα τῶν πρέσβων σέβειν, ἐμοὶ δὲ τοὺς τῆς ἀρετῆς τι μεταποιουμένους, οἷός αὐτὸς εἶ, καὶ ἄλλως τιμὰν ἐν σπουδῇ ἄνωθεν γέγονε. [10] τιμὴν δὲ καὶ ὕβριν ἐς ἄνδρα πρεσβευτὴν οὐ πραότῃ προσώπων οὐδὲ ῥημάτων ὄγκῳ τῶν ὑποδεξαμένων διακεκρίσθαι οἶμαι, ἀλλ' ἔν γε τῷ ἀληθίζεσθαι ἢ λόγοις οὐχ ὑγιαίνουσιν ἐς αὐτὸν χρῆσθαι. [11] τετιμῆσθαι μὲν γὰρ διαφερόντως ἐκείνῳ ξυμβαίνει, ὅτῳ ἂν ἐκ τοῦ εὐθέως ἀποκαλύψαντες τὸν ἀληθῆ λόγον, οὕτω τὸν ἄνθρωπον ἀποπέμπωιντο, περιυβρίσθαι δὲ πάντων μάλιστα τῷ πρεσβευτῇ τούτῳ, ὃς ἂν ὑπούλων τε καὶ ξυμπεπλασμένων ἀκούσας ῥημάτων ἀπιὼν οἴχοιτο. [12] τριῶν τοίνυν ἐκτός, ὃ Πελάγιε, τῶν ἄλλων ἀπάντων, ὅτου ἂν δεηθείης, οὐ μὴ ποτε πρὸς ἡμῶν ἀτυχήσεις. [13] ἂ δὴ φυλασσόμενόν σε σιωπᾶν ἄμεινον, ὅπως μὴ σαυτῷ αἰτιώτατος γεγωνῶς τοῦ μηδὲν ἀνύειν ὧν ἔνεκα ἦλθες τὴν ὑπὲρ αὐτῶν μέμψιν ἡμῖν ἀναθήσεις. [14] τῷ γὰρ μὴ ἐπιτηδεῖως τοῖς παροῦσιν αἰτεῖσθαι τὸ μηδὲν κατορθοῦν ἐκ τοῦ ἐπὶ πλεῖστον ἐμπέφυκε. λέγω δὲ ὅπως μήτε Σικελιωτῶν τινος ἔνεκα μήτε τῶν Ῥώμης περιβόλων, ἢ τῶν προσκεχωρηκότων ἡμῖν οἰκετῶν, τοὺς λόγους

ποιήσεις. [15] οὐ γὰρ οἶόν τέ ἐστιν ἢ Γότθους φειδοῖ ἐς Σικελιωτῶν τινα χρήσεσθαι, ἢ τόδε τὸ τεῖχος ἐστάναι, ἢ δούλους τοὺς ξὺν ἡμῖν στρατευσαμένους τοῖς πάλαι κεκτημένοις δουλεύειν. τοῦ δὲ μὴ δοκεῖν ἀλογίστῳ ταῦτα προτείνεσθαι γνώμη τῷ τὰς αἰτίας αὐτίκα ἐξευπεῖν τὴν ὑποψίαν ἐκλύσομεν.’ [16] “Ἦν μὲν ἡ νῆσος εὐδαίμων ἐκ παλαιοῦ χρημάτων προσόδῳ καὶ καρπῶν ἀφθονία τῶν ἐκεῖ φυομένων πασῶν μάλιστα, ὥστε οὐ τοῖς αὐτὴν ἐνοικοῦσιν ἐπαρκεῖν μόνον, ἀλλὰ καὶ τοὺς Ῥωμαίους ὑμᾶς ἐνθένδε εἰσκομιζομένους ἀνὰ πᾶν ἔτος τὴν τῶν ἐπιτηδείων φορὰν διαρκῶς ἔχειν. [17] διόπερ κατ’ ἀρχὰς ἐδέοντο Θεουδερῖχου Ῥωμαῖοι μὴ πολλῶν ἐνταῦθα Γότθων καταστῆναι φρουράν, ὥς μηδὲν αὐτῶν τῇ ἐλευθερίᾳ ἢ τῇ ἄλλῃ εὐδαιμονίᾳ ἐμπόδιον εἶη. [18] τούτων δὲ τοιούτων ὄντων κατέπλευσεν ἐς Σικελίαν ὁ τῶν πολεμίων στρατός, οὔτε ἀνδρῶν πλήθει οὔτε ἄλλῳ τῶν πάντων οὐδενὶ ἀξιώμαχοι πρὸς ἡμᾶς ὄντες. [19] Σικελιῶται δὲ τὸν στόλον ἰδόντες οὐκ ἐς Γότθους ταῦτα ἀνήνεγκαν, οὐκ ἐν τοῖς ὀχυρώμασι καθεῖρξαν αὐτούς, οὐκ ἄλλο προσκρούειν τοῖς ἐναντίοις οὐδὲν ἔγνωσαν, ἀλλ’ ἀναπετάσαντες προθυμία τῇ πάσῃ τὰς τῶν πόλεων πύλας ἐδέξαντο ὑπτίαις χερσὶ τὸν τῶν πολεμίων στρατόν, ὥσπερ, οἶμαι, τὰ τῶν ἀνδραπόδων ἀπιστότατα, ἐκ χρόνου καιροφυλακοῦντες πολλοῦ δραπετεῦσαι μὲν τῆς τῶν κεκτημένων χειρός, νέους δὲ τινὰς καὶ ἀγνώτας αὐτοῖς δεσπότας εὐρεῖν. [20] ἐντεῦθεν τε ὀρμώμενοι καθάπερ ἐξ ἐπιτειχίσματος οἱ πολέμοι τὴν τε ἄλλην Ἰταλίαν ἀπονητὶ ἔσχον καὶ Ῥώμην τήνδε κατέλαβον, σίτον ἐκ Σικελίας ἐπαγαγόμενοι τοσοῦτον τὸ πλῆθος, ὥστε πολιορκουμένοις ἐς ἐνιαυτοῦ μῆκος ἀντέχειν ξύμπασι Ῥωμαίοις. [21] τὰ μὲν οὖν Σικελιωτῶν τοιαῦτά ἐστιν, ὧν περ αὐτοῖς Γότθους συγγνώμονας εἶναι οὐδεμία μηχανὴ ἔσται, τοῦ τῶν ἐγκλημάτων ὄγκου παραιρουμένου τοῖς ἡδικοῦσι τὸν ἔλεον. [22] Τούτων δὲ τῶν περιβόλων ἐντὸς καθεῖρξαντες αὐτοὺς οἱ πολέμοι ἐς μὲν τὸ πεδίον καταβαίνοντες παρατάσσεσθαι ἡμῖν οὐδαμῇ ἔγνωσαν, σοφίσμασι δὲ καὶ παραγωγαῖς ἀεί τε καὶ καθ’ ἡμέραν Γότθους ἐκκρούοντες κύριοι τῶν ἡμετέρων ἐκ τοῦ παραλόγου γεγένηται. [23] ὅπως τοίνυν καὶ ὕστερον μὴ ταῦτα πάθοιμεν προνοεῖν ἄξιον. τοὺς γὰρ ἅπαξ ἀγνοία σφαλέντας ἐς τὴν αὐτὴν αὐθις ἐκπεπτωκέναι κακοπραγίαν οὐ προειδομένους τὴν ἀπὸ τῆς πείρας ἤδη συνειθισμένην αὐτοῖς συμφοράν, οὐ τύχης ἐναντίωμα γεγενῆσθαι δοκεῖ, ἀλλ’ ἐς ἄνοιαν τῶν ἐπταικότων, ὥς τὸ εἰκός, [24] περιίστασθαι. προσθεῖη δ’ ἂν τις ὥς καὶ τὸν Ῥώμης καθαιρεθῆναι περίβολον μάλιστα πάντων ὑμῖν ξυνοίσει. οὐδὲ μεθ’ ἐτέρων γὰρ τὸ λοιπὸν καθειργμένοι πάντων τε ἀποκεκλεισμένοι τῶν ἀναγκαίων, πολιορκηθήσεσθε πρὸς τῶν ἐπιόντων, ἀλλὰ κινδυνεύσουσι μὲν τῇ μάχῃ πρὸς ἀλλήλους ἐκάτεροι, ἄθλον δὲ τῶν νικῶντων ὑμεῖς οὐ μετὰ κινδύνων ὑμετέρων γενήσεσθε. [25] τῶν μέντοι προσκεχωρηκότων ἡμῖν οἰκετῶν ἔνεκα τοσαῦτα ἐροῦμεν, ὥς, ἢ περ ἐκείνους συνταξαμένους τε ἡμῖν ἐπὶ τοὺς ἐναντίους καὶ παρ’ ἡμῶν τὴν ὁμολογίαν κεκομισμένους τοῦ μὴ ποτε αὐτοὺς τοῖς πάλαι κεκτημένοις προήσεσθαι τανῦν ἐγχειρίσειν ὑμῖν γνοίημεν, οὐδὲ πρὸς ὑμᾶς τὸ πιστὸν ἔξομεν. [26] οὐ γὰρ ἔστιν, οὐκ ἔστι, τὸν τῶν ξυγκειμένων ἐς τοὺς ἀπάντων οἰκτροτάτους ὀλιγοροῦντα βέβαιον ἐς τῶν ἄλλων τινὰ τὴν αὐτοῦ γνώμην ἐνδείκνυσθαι, ἀλλ’ ὥσπερ τῆς φύσεως ἄλλο τι

γνώρισμα ἐς πάντας τοὺς αὐτῷ ξυμβάλλοντας τὴν ἀπιστίαν αἰεὶ περιφέρειν φιλεῖ.’ [27] Τουτίλας μὲν τοσαῦτα εἶπε, Πελάγιος δὲ ἀμείβεται ὥδε: ‘Κατεσπουδάσθαι σοι μάλιστα πάντων ἐμέ τε, ὃ γενναῖε, καὶ τὸ τῆς πρεσβείας ὑπειπὼν ὄνομα ἐν μοίρᾳ ἡμᾶς τῇ ἀτιμοτάτῃ ξυνέταξας. [28] ὑβρίζειν γὰρ εἰς ἄνδρα φίλον τε καὶ πρεσβευτὴν ἐγωγε οἶμαι οὐχ ὅς ἂν κατὰ κόρρης πατάξαι καὶ τῇ ἄλλῃ ἀσελγείᾳ ἐς αὐτὸν χρήσαιτο, ἀλλ’ ὅς ἂν ἄπρακτον ἀποπέμψασθαι τὸν ἐς αὐτὸν ἦκοντα γνοίῃ. [29] οὐ γὰρ ὅπως τιμῆς πρὸς τῶν ὑποδεξαμένων τινὸς τύχῳσι, καθεῖναι αὐτοὺς ἐς τὴν πρεσβείαν εἰώθασιν ἄνθρωποι, ἀλλ’ ὅπως τι ἀγαθὸν διαπεπραγμένοι τοῖς ἐσταλκόσιν ἐς αὐτοὺς ἐπανάξωσιν. [30] ὥστε προπηλακισθέντας ξυνοίσει μᾶλλον διαπεπράχθαι τι ὧν ἔνεκα ἤλθον ἢ λόγων ἐπιεικεστέρων ἀκούσαντας τῆς ἐλπίδος ἀποτυχόντας ἐπανελθεῖν. παραιτεῖσθαι μὲν οὖν οὐκ οἶδα ὃ τι δεῖ περὶ τούτων ὧν αὐτὸς εἴρηκας. [31] τί γὰρ ἂν τις ἐνοχλοίῃ τὸν γε πρὸ τῆς ἀπολογίας ἀπειπόντα τὴν ξύμβασιν ; ἐκεῖνο δὲ οὐκ ἂν σιωπῶην, ὡς ἐνδιηλός εἰ ὀπόσῃ ἐς Ῥωμαίους τοὺς σοὶ ὅπλα ἀντάραντας φιλανθρωπίαν ἐνδείκνυσθαι μέλλεις, ὅς ἐς Σικελιώτας τοὺς οὐδαμῇ σοι ἀπηντηκότας ἀκήρυκτον τὸ ἔχθος ἐξενεγκεῖν ἐγnows. [32] ἀλλ’ ἐγωγε μεθεὶς τὴν πρὸς σὲ δέησιν τὴν πρεσβείαν ἐς τὸν θεὸν μεταθήσομαι, ὅς δὴ τοῖς τὰς ἱκεσίας ὑπερφρονοῦσι νεμεσᾶν εἴωθε.’

Τοσαῦτα εἰπὼν ὁ Πελάγιος ἀπηλλάσσετο. καὶ αὐτὸν Ῥωμαῖοι ἐπεὶ ἄπρακτον ἐπανάηκοντα εἶδον, ἐν πολλῇ ἀμηχανίᾳ ἐγένοντο. ἔτι τε μᾶλλον ἀκμάζων ὁ λιμὸς ἡμέρᾳ ἐκάστη ἀνήμεστα αὐτοὺς ἔργα εἰργάζετο. τοὺς μέντοι στρατιώτας οὐπω τὰ ἀναγκαῖα ἐπελελοίπει, ἀλλ’ ἔτι ἀντείχον. [2] διὸ δὴ ἄθρόοι Ῥωμαῖοι γενόμενοι καὶ τοῖς τοῦ βασιλέως στρατοῦ ἄρχουσι, Βέσσα τε καὶ Κόνωνι, προσελθόντες, δεδακρυμένοι ξὺν οἰμωγῇ πολλῇ ἔλεξαν τοιαύδε: ‘Τοιαύτας μὲν οὕσας, ὃ στρατηγοί, τύχας ἡμῖν τὰς παρούσας ὁρῶμεν, ὥστε εἰ καὶ τι δρᾶν ὑμᾶς ἀνόσιον ἔργον ἰσχύομεν, οὐκ ἂν τινα ἡμῖν τὸ ἐγκλημα τοῦτο μέμψιν ἐπήνεγκεν. [3] ἢ γὰρ τῆς ἀνάγκης ὑπερβολὴ τὴν ἀπολογίαν ἐφ’ ἑαυτῆς ἔχει. νῦν δὲ ἀμύνειν ἔργῳ ἡμῖν αὐτοῖς οὐχ οἷοί τε ὄντες, δηλώσοντές τε λόγῳ καὶ ἀποκλαύσοντες τὴν ξυμφορὰν παρ’ ὑμᾶς ἤκομεν. ὅπως δὲ ἀκούσησθε πράως, οὐ ξυνταρασσόμενοι τῷ τῶν λόγων θράσει, ἀλλὰ τῇ τοῦ πάθους ἀκμῇ τοῦτο σταθμώμενοι. [4] ὁ γὰρ ἀπογνῶναι τὴν σωτηρίαν ἠναγκασμένος οὐκ ἔργοις, οὐ ρήμασι τὴν εὐκοσμίαν διασώσασθαι τὸ λοιπὸν δύναται. [5] ἡμᾶς, ὃ στρατηγοί, μήτε Ῥωμαίους μήτε ξυγγενεῖς ὑμῖν νομίζετε εἶναι, μήτε ὁμοτρόπους τοῖς τῆς πολιτείας ἡθεσι γεγονέναι, μήτε ἀρχὴν ἐκόντας τῇ πόλει τὸν βασιλέως δέχεσθαι στρατόν, ἀλλὰ πολεμίους τὸ ἐξ ἀρχῆς ὄντας καὶ ὅπλα ἐφ’ ὑμῖν ἀραμένους, εἴτα ἡσσηθέντας τῇ μάχῃ, ἀνδράποδα δορυάλωτα ὑμῶν αὐτῶν κατὰ γε τὸν τοῦ πολέμου γενέσθαι νόμον. [6] καὶ χορηγεῖτε τοῖς ὑμετέροις αἰχμαλώτοις τροφὴν οὐ κατὰ τὴν χρεῖαν ἡμῖν ἀποχρῶσαν, ἀλλ’ ὥστε ἀποζῆν διαρκῶς ἔχουσιν, ὅπως δὴ καὶ ἡμεῖς περιόντες ἀνθυπουργήσωμεν ὑμῖν ὅσα τοὺς οἰκέτας τοῖς κεκτημένοις ὑπηρετεῖν ἄξιον. [7] εἰ δὲ τοῦτο οὐ ράδιον ἢ βουλομένοις ὑμῖν, ἀλλ’ ἀφεῖναι ἡμᾶς τῆς ὑμετέρας δικαιοῦτε χειρός, ἐκεῖνο κερδανοῦντες, τὸ μὴ περὶ τὰς τῶν δούλων πονεῖσθαι ταφάς: ἦν δὲ μὴδὲ τοῦτο ἡμῖν ἀπολέλειπται, ἀποκτινύναι ἡμᾶς ἀξιοῦτε καὶ μὴ ἀποστερήσητε τελευτῆς σῶφρονος μὴδὲ θανάτου φθονήσητε τοῦ πάντων

ἡδίστου, ἀλλὰ πράξει μῖα μυρίων ἀπαλλάξατε Ῥωμαίους [8] δυσκόλων.’ ταῦτα οἱ ἀμφὶ Βέσσαν ἀκούσαντες τὸ μὲν τὰ ἐπιτήδεια χορηγεῖν σφίσιν ἀδύνατον, τὸ δὲ ἀποκτινύναι ἀνόσιον ἔφασαν εἶναι, οὐ μέντοι οὐδὲ τὸ ἀφεῖναι ἀκίνδυνον. Βελισάριον δὲ καὶ τὸν ἐκ Βυζαντίου στρατὸν αὐτίκα δὴ μάλα παρέσεσθαι ἰσχυρίσαντο, ταύτῃ τε αὐτοὺς παρηγορήσαντες ἀπεπέμψαντο. [9] Ὁ δὲ λιμὸς ἔτι μᾶλλον ἀκμάζων τε καὶ μηκυνόμενος ἐπὶ μέγα κακοῦ ἦρετο, βρώσεις ὑποβάλλων ἐκτόπους τε καὶ τῆς φύσεως ὑπερορίους. [10] τὰ μὲν οὖν πρῶτα Βέσσας τε καὶ Κόνων, οἵπερ τοῦ ἐν Ῥώμῃ φυλακτηρίου ἦρχον· σίτου γὰρ πολὺ τι μέτρον ἐντὸς τοῦ Ῥώμης περιβόλου ἐναποθέμενοι σφίσιν ἔτυχον, καὶ οἱ στρατιῶται χρείας τῆς οἰκείας ἀποτεμνόμενοι ἀπεδίδοντο Ῥωμαίων τοῖς εὖ πράσσουσι χρημάτων μεγάλων· μεδίμνου μὲν γὰρ τιμὴ ἑπτὰ ἐγγέγονει χρυσοῖ. [11] οἷς μέντοι οὐχ οὕτω τὰ κατὰ τὴν οἰκίαν ἐφέρετο, ὥστε βρώσεως ἐς τόσον ἀξιοτέρας μεταλαγχάνειν ἱκανοῖς εἶναι, οἱ δὲ τῆς τιμῆς τὸ τεταρτημόριον κατατιθέντες πιτύρων τε τὸ μέδιμνον ἐμπλησάμενοι ἦσθιον, τῆς ἀνάγκης αὐτοῖς ἡδίστην τε καὶ τρυφερωτάτην ποιούσης τὴν βρωσιν. [12] καὶ βοῦν δέ, ὃν ἂν ἐπεξιόντες οἱ Βέσσα ὑπασπισται λάβοιεν, ἀπεδίδοντο κατὰ πεντήκοντα χρυσῶν. ὅτῳ δὲ ἵππος τεθνεῶς ἢ ἄλλο τι τοιοῦτον ὑπῆρχεν, ἐν τοῖς ἄγαν εὐδαίμοσιν ὁ Ῥωμαῖος οὗτος ἐτάσσετο, ὅτι δὴ κρέαςι ζώου τεθνηκότος ἐντρυφᾶν εἶχεν. [13] ὁ δὲ δὴ ἄλλος ἅπας ὄμιλος τὰς ἀκαλήφας μόνας ἦσθιον, οἷαι πολλαὶ ἀμφὶ τὸν περίβολον κἂν τοῖς ἐρειπίοις πανταχῇ τῆς πόλεως φύονται. [14] ὅπως δὲ αὐτοῖς μὴ τὸ τῆς πόας δριμύν τὰ τε χεῖλη καὶ τὰ ἀμφὶ τὴν φάρυγγα δάκνη οὐ παρέργως αὐτὰς ἔψοντες ἦσθιον. [15] Τέως μὲν οὖν Ῥωμαῖοι τὸ τοῦ χρυσοῦ νόμισμα εἶχον, οὕτως, ὥσπερ ἐρρήθη, τὸν σίτον καὶ τὰ πίτυρα ὠνούμενοι ἀπηλλάσσοντο· ἐπεὶ δὲ τοῦτο αὐτοὺς ἤδη ἐπελελοίπει, οἱ δὲ φέροντες ἐς τὴν ἀγορὰν τὰ ἐπιπλα πάντα βίον αὐτῶν τὸν ἐφήμερον ἀντηλλάσσοντο. [16] τελευτῶντες δέ, ἐπεὶ οἱ τοῦ βασιλέως στρατιῶται σίτον οὐκ εἶχον, ὄνπερ καὶ Ῥωμαῖοι ἀπόδονται, πλήν γε δὴ ὅτι τῷ Βέσσᾳ ὀλίγος ἔτι ἐλέλειπτο, οὕτε Ῥωμαῖοι ὅτου ὠνοῖντο, ἐς τὰς ἀκαλήφας ἅπαντες ἔβλεπον. [17] ταύτης δὲ αὐτοῖς οὐ διαρκούσης τῆς βρώσεως, οἱ γε οὐδὲ αὐτῆς ἐς κόρον ἰέναι παντάπασιν εἶχον, ἐξίτηλοι μὲν αἱ σάρκες ἐκ τοῦ ἐπὶ πλεῖστον ἐγίνοντο, τὸ δὲ χρῶμα ἐς τὸ πελιδνὸν κατὰ βραχὺ ἦκον εἰδῶλοις αὐτοὺς ἐμφερεστάτους εἰργάζετο. [18] πολλοὶ τε βαδίζοντες ἔτι καὶ τῶν ὀδόντων αὐτοῖς μασσομένων τὰς ἀκαλήφας, ἔθνησκόν τε ἐκ τοῦ αἰφνιδίου καὶ ἐς γῆν ἐπιπτον. [19] ἤδη δὲ καὶ ἀλλήλων τὴν κόπρον ἦσθιον. πολλοὶ τε σφᾶς αὐτοὺς τῷ λιμῷ πιεζόμενοι διεχρήσαντο, ἐπεὶ οὐκέτι οὔτε κύνας οὔτε μῦς εὔρισκον οὔτε ἄλλο τι ζῶον νεκρὸν ὅτῳ σιτίζοιντο. [20] Ἦν δέ τις ἐνταῦθα Ῥωμαῖος ἀνὴρ, πέντε παίδων πατήρ, ὃν δὴ περιστάντες οἱ παῖδες καὶ τῆς ἐσθῆτος ἀπτόμενοι τροφὴν ἔπραττον· [21] ὁ δὲ οὔτε ἀνοιμώζας οὔτε ὅτι ξυνεταράχθη ἐνδηλος γεγονώς, ἀλλ’ ἰσχυρότατα ἐν τῇ διανοίᾳ τὸ πάθος ὅλον ἀποκρυσάμενος, ἐπεσθαὶ οἱ τοὺς παῖδας ὥς δὴ τροφὴν ληψομένους ἐκέλευεν. [22] ἐπεὶ δὲ ἐς τοῦ Τιβέριδος τὴν γέφυραν ἦλθε, δήσας ἐπὶ τῷ προσώπῳ θοιμάτιον, τούτῳ τε τοὺς ὀφθαλμοὺς καλυπτόμενος ἤλατο ἀπὸ τῆς γεφύρας ἐς τὸ τοῦ Τιβέριδος ὕδωρ, θεωμένων τὰ δρώμενα τῶν τε παίδων καὶ πάντων Ῥωμαίων οἱ ταύτῃ ἦσαν. [23] Καὶ τὸ λοιπὸν οἱ τοῦ βασιλέως ἄρχοντες

λαμβάνοντες χρήματα ἕτερα μετῆκαν Ῥωμαίους ὅσοις ἐνθένδε βουλομένοις ἦν ἀπαλλάσσεσθαι. [24] ὀλίγων τε ἀπολελειμμένων ἐνταῦθα οἱ ἄλλοι ἅπαντες ὥχοντο φεύγοντες ὥς πη ἕκαστος δυνατὸς ἐγγέγονει. καὶ αὐτῶν οἱ πλεῖστοι τῆς δυνάμεως καταμαρανθείσης αὐτοῖς τῷ λιμῷ ἢ δὴ πλέοντες ἢ ὁδῷ ἰόντες ἀπέθανον. [25] πολλοὶ δὲ καὶ καταληφθέντες πρὸς τῶν πολεμίων ἐν τῇ ὁδῷ διεφθάρησαν. Ῥωμαίων μὲν τῇ τε βουλῇ καὶ τῷ δήμῳ ἐκεχωρήκει ἐς τοῦτο ἡ τύχη.

Ἐπεὶ δὲ τὸ ξὺν τῷ Ἰωάννῃ καὶ Ἰσαάκῃ στράτευμα ἐς Ἐπίδαμόν τε ἀφίκετο καὶ Βελισαρίῳ ξυνέμιξεν, Ἰωάννης μὲν ἅπαντας διαπορθμευσάμενους ἤξιον τὸν κόλπον πεζῇ ἰόντας παντὶ τῷ στρατῷ κοινῇ τὰ προσπίπτοντα φέρειν, Βελισαρίῳ δὲ ἀξύμφορον τοῦτο ἔδοξεν εἶναι, ἀλλὰ πλέουσι μὲν αὐτοῖς ἐς τὰ ἀμφὶ Ῥώμην χωρία μᾶλλον ξυνοίσειν: [2] πεζῇ γὰρ ἰοῦσι χρόνον τε σφίσι τετρίψεσθαι πλείω καὶ τι ὑπαντιάσειν ἴσως ἐμπόδιον: Ἰωάννην δὲ διὰ τε Καλαβρῶν καὶ τῶν ταύτῃ ἐθνῶν ἰόντα ἐξελάσαι μὲν ὀλίγους κομιδῇ τοὺς ἐνταῦθα βαρβάρους ὄντας, ὑποχείρια δὲ ποιησάμενον τὰ ἐντὸς κόλπου τοῦ Ἰονίου ξυμμιῶσαι σφίσιν ἤκοντα ἐς τὰ ἀμφὶ Ῥώμην χωρία. [3] οὗ δὴ καὶ αὐτὸς καταίρειν τῷ ἄλλῳ στρατῷ διενοεῖτο. ὤφειτο γὰρ πικρότατα πολιορκουμένων Ῥωμαίων, καὶ τινα, ὥς γε τὸ εἶκος, βραχυτάτην τριβὴν τὰ ἀνήκεστα λυμανεῖσθαι τοῖς πράγμασι. [4] καὶ πλέουσι μὲν ἀνέμου τε σφίσιν ἐπιφόρου ἐπιπεσόντος πεμπταίοις ἐς τὸν Ῥωμαίων λιμένα καταίρειν δυνατὰ ἔσεσθαι, στρατῷ δὲ ἐκ Δρυοῦντος πεζῇ ἰοῦσιν οὐδ' ἂν τεσσαράκοντα ἡμερῶν ἐν Ῥώμῃ γενέσθαι. [5] Ταῦτα βελισάριος Ἰωάννῃ ἐπιστείλας παντὶ τῷ στόλῳ ἐνθένδε ἀπῆρε: πνεύματος δὲ σκληροῦ σφίσιν ἐπιπεσόντος Δρυοῦντι προσέσχον. [6] οὗπερ οἱ Γότθοι αἰσθόμενοι, ὅσοι δὴ ἐτετάχατο ἐπὶ τῇ πολιορκίᾳ τοῦ ἐνταῦθα φρουρίου, διαλύσαντες τὴν προσεδρεῖαν εὐθύς κομίζονται ἀμφὶ πόλιν Βρεντέσιον, δυοῖν μὲν ἡμέραιν ὁδῷ Δρυοῦντος διέχουσαν, πρὸς δὲ τῇ ἀκτῇ τοῦ κόλπου κειμένην, ἀτείχιστον οὔσαν, ὑποτοπάζοντες Βελισάριον αὐτίκα δὴ διαβήσεσθαι τὸν ἐκείνην πορθμόν, ἔς τε Τουτίλαν τὰ παρόντα σφίσιν ἀνήνεγκαν. [7] ὁ δὲ πάντα τε τὸν στρατὸν ὡς ὑπαντιάσων ἐν παρασκευῇ ἐποίησατο καὶ Γότθους τοὺς ἐν Καλαβρίᾳ ἐκέλευεν, ὅπῃ ἂν σφίσι δυνατὰ εἴη, τὴν δίοδον ἐν φυλακῇ ἔχειν. [8] Ἐπεὶ δὲ Βελισάριος πνεύματος ἐπιφόρου ἐπιπνεύσαντος ἐκ Δρυοῦντος ἀπέπλευσεν, οἱ τε Γότθοι ἀφροντιστήσαντες δίαιταν οὐ κατεσπουδασμένην ἐν Καλαβροῖς εἶχον καὶ ὁ Τουτίλας ἡσυχῇ μένων ἔτι μᾶλλον ἐφύλασσε τὰς ἐς Ῥώμην εἰσόδους, ὥς μή τι ἐσκομιζέσθαι τῶν ἐπιτηδείων δυνατὰ εἴη. [9] ἐν τε τῷ Τιβέριδι ἐπενόει τάδε. χῶρον κατανοήσας ἢ μάλιστα ὁ ποταμὸς ἐν στενῷ κάτεισιν, ὅσον ἀπὸ σταδίων τῆς πόλεως ἐνενήκοντα, δοκοὺς ἐσάγαν μακρὰς ἐκ τῆς ἐτέρας ὄχθης ἄχρι ἐς τὴν ἐτέραν ἐξικνουμένας ἐνταῦθα ἐς γεφύρας κατέθετο σχῆμα. [10] πύργους τε δύο ξυλίνους παρ' ἐκατέραν ὄχθην τεκτηνάμενος φυλακτήριον κατεστήσατο μαχίμων ἀνδρῶν, ὥς μηκέτι ἀκάτοις τισὶν ἢ πλοίοις ἄλλοις ἐκ τοῦ Πόρτου ἀναγομένοις ἐς τὴν πόλιν ἐσιτητὰ εἴη. [11] Ἐν τούτῳ δὲ Βελισάριος μὲν ἐς τὸν τῶν Ῥωμαίων λιμένα κατήρε, καὶ τὸ ξὺν τῷ Ἰωάννῃ στράτευμα ἔμενεν. Ἰωάννης δὲ ἐς Καλαβρίαν διαπορθμεύεται, Γότθων ἥκιστα αἰσθόμενων, οἱ δὲ ἀμφὶ τὸ Βρεντέσιον, ὥσπερ ἐρρήθη,

διατριβὴν εἶχον. [12] δύο τε τῶν πολεμίῳ λαβῶν ἐπὶ κατασκοπῇ ὁδῷ ἰόντας τὸν μὲν ἕνα εὐθὺς ἔκτεινεν, ἄτερος δὲ αὐτοῦ τῶν γονάτων λαβόμενος ζωγραῖσθαι ἤξiou. [13] ‘Οὐ γὰρ ἀχρεῖός σοι,’ ἔφη, ‘καὶ τῇ Ῥωμαίων στρατῷ ἔσομαι.’ ἐρομένου δὲ αὐτὸν Ἰωάννου, τί δὲ οὐκ ἀπολούμενος συνοίσειν ποτὲ Ῥωμαίοις τε καὶ αὐτῷ μέλλει, Γότθοις ὁ ἄνθρωπος ὡς ἥκιστα προσδεχομένοις ἐπιστήσιν αὐτὸν ὑπέσχετο. [14] καὶ ὃς ἀτυχῆσιν μὲν αὐτὸν τῆς δεήσεως οὐδαμῇ ἔφασκε, χρῆναι δὲ οἱ πρῶτα τὰς τῶν ἵππων νομὰς ἐνδεικνύναι. ἐπεὶ οὖν ὠμολόγει καὶ ταῦτα ὁ βάρβαρος σὺν αὐτῷ ἦι. [15] καὶ πρῶτα μὲν τῶν πολεμίῳ τοὺς ἵππους νεμομένους καταλαβόντες ἀναθρώκουσιν ἐς αὐτοὺς ἅπαντες, ὅσοι πεζοὶ ὄντες ἐτύγγανον: οἱ δὲ πολλοὶ τε καὶ ἄριστοι ἦσαν. ἔπειτα δὲ χωροῦσι δρόμῳ ἐπὶ τὸ τῶν ἐναντίων στρατόπεδον. [16] οἱ δὲ βάρβαροι ἄνοπλοι τε καὶ ἀπαράσκευοι παντάπασιν ὄντες καὶ τῷ ἀπροσδοκῆτῳ καταπλαγέντες αὐτοῦ μὲν οἱ πολλοὶ διεφθάρησαν, οὐδεμιᾶς ἀλκῆς μεμνημένοι, ὀλίγοι δὲ τινες διαφυγόντες παρὰ Τουτίλαν ἐκομίσθησαν. [17] Ἰωάννης δὲ Καλαβροὺς ἅπαντας παρηγορῶν τε καὶ τιθασσεύων ἐς εὐνοίαν τοῦ βασιλέως ἐπηγάγετο, πολλὰ σφίσιν ὑποσχόμενος πρὸς τε βασιλέως καὶ τοῦ Ῥωμαίων στρατοῦ ἀγαθὰ ἔσσεσθαι. [18] ἄρας τε ὡς εἶχε τάχους ἐκ τοῦ Βρεντεσίου, πόλιν καταλαμβάνει Κανουσίον ὄνομα, ἥ κεῖται μὲν ἐν Ἀπουλίοις που μέσοις, πέντε δὲ ἡμερῶν ὁδῷ Βρεντεσίου διέχει ἐς τὰ πρὸς ἐσπέραν τε καὶ Ῥώμην ἰόντι. [19] τούτου Κανουσίου πέντε καὶ εἴκοσι σταδίου ἀπέχουσι Κάνναι, ἵνα δὲ λέγουσι Λιβύων στρατηγούντος ἐν τοῖς ἄνω χρόνοις Ἀννίβαλος τὸ μέγα πάθος ξυμβῆναι Ῥωμαίοις. [20] Ἐνταῦθα Τουλλιανὸς τις, Βεναντίου παῖς, ἀνὴρ Ῥωμαῖος, δύναμιν πολλὴν ἐν τε Βριττίοις καὶ Λευκανοῖς ἔχων, Ἰωάννη ἐς ὅψιν ἦκων ἡττάτω μὲν τὸν βασιλέως στρατὸν τῶν πρόσθεν ἐς Ἰταλιώτας αὐτοῖς εἰργασμένων, ὠμολόγει δέ, ἦν τι τὸ λοιπὸν ἐπιεικεία ἐς αὐτοὺς χρήσονται, Βριττίους τε καὶ Λευκανοὺς ἐγχειριεῖν σφίσι, κατηκόους βασιλεῖ αὐτῆς ἐς φόρου ἀπαγωγὴν ἐσομένους οὐδὲν τι ἦσσαν ἢ πρότερον ἦσαν. [21] οὐδὲ γὰρ ἐκόντας αὐτοὺς προσκεχωρηκέναι βαρβάροις τε καὶ Ἀρειανοῖς οὖσιν, ἀλλ’ ὡς μάλιστα πρὸς μὲν τῶν ἐναντίων βιαζομένους, πρὸς δὲ τῶν βασιλέως στρατιωτῶν ἀδικουμένους. [22] Ἰωάννου δὲ πάντα ἰσχυριζομένου πρὸς αὐτῶν τὸ λοιπὸν Ἰταλιώταις τάγαθὰ ἔσσεσθαι, ξὺν αὐτῷ ὁ Τουλλιανὸς ἦι. [23] καὶ ἀπ’ αὐτοῦ ὑποψία οἱ στρατιῶται οὐδεμιᾶ ἐς Ἰταλιώτας ἔτι εἶχοντο, ἀλλὰ τὰ πλεῖστα τῶν ἐντὸς κόλπου τοῦ Ἰονίου φίλιά τε αὐτοῖς καὶ βασιλεῖ ἐγεγόνει κατήκοα. [24] Ἐπεὶ δὲ ταῦτα Τουτίλας ἤκουσε, Γόθων τριακοσίους ἀπολεξάμενος ἐς Καπύην πέμπει. οἷς δὲ ἐπέστελλεν, ἐπειδὴν τὸ ξὺν τῷ Ἰωάννῃ στράτευμα ἐνθένδε ἴδοιεν ἐς Ῥώμην ἰόντας, ἔπεσθαι σφίσι αἰσθησιν αὐτοῖς οὐδεμίαν παρεχομένους: [25] αὐτῷ γὰρ τὰ ἄλλα μελήσειν. δείσας τε διὰ ταῦτα Ἰωάννης μὴ ἐς κύκλωσιν τῶν πολεμίῳ τινὰ ἐμπέσῃ, παρὰ Βελισάριον μὲν οὐκέτι ἦι, ἐς δὲ Βριττίους καὶ Λευκανοὺς ἐχώρει. [26] Ἦν δὲ τις ἐν Γότθοις Ῥεκιμούνδος, ἀνὴρ δόκιμος, ὃνπερ ὁ Τουτίλας ἐπὶ τῇ Βριττίων φρουρᾷ καταστησάμενος ἔτυχε, Γόθων τε καὶ Ῥωμαίων στρατιωτῶν καὶ Μαυρουσίων αὐτομόλων τινὰς ἔχοντα, ἐφ’ ᾧ ξὺν αὐτοῖς τὸν τε κατὰ Σκύλλαν φυλάξει πορθμὸν καὶ τὴν ταύτην ἡϊόνα, ὡς μήτε ἐνθένδε τινὲς ἀπαίρειν ἐς Σικελίαν μήτε ἐκ τῆς νήσου ἐνταῦθα καταπλεῖν ἀδεέστερον

οἱοί τε ὥσι. [27] τούτῳ τῷ στρατῷ μεταξύ Ῥηγίου τε καὶ Βέβωνος ἀπροσδόκητος καὶ αὐτάγγελος Ἰωάννης ἐπιπεσὼν κατέπληξέ τε ἐκ τοῦ αἰφνιδίου οὐδεμιᾶς ἀλκῆς αὐτοὺς μεμνημένους, καὶ αὐτίκα ἐς φυγὴν ἔτρεψε. [28] καὶ οἱ μὲν ἐς τὸ ὄρος ὃ ταύτῃ ἀνέχει, δύσβατόν τε ὄν καὶ ἄλλως κρημνῶδες, κατέφυγον, Ἰωάννης δὲ διώξας τε καὶ ζὺν τοῖς πολεμίοις ἐν τῷ ἀνάντει γενόμενος, οὕπῳ τε σφᾶς αὐτοὺς ἐν ταῖς δυσχωρίαις κρατυναμένοις ἐς χεῖρας ἐλθὼν, πλείστους μὲν τῶν τε Μαυρουσίων καὶ Ῥωμαίων στρατιωτῶν ἔκτεινεν, ἰσχυρότατα ἀμυνομένους, Ῥεκμοῦνδον δὲ καὶ Γότθους ζὺν τοῖς λοιποῖς ἅπασιν ὁμολογία εἶλεν. [29] Ἰωάννης μὲν ταῦτα διαπεπραγμένος αὐτοῦ ἔμενε, Βελισάριος δὲ Ἰωάννην ἐς αἰὶ καραδοκῶν ἡσυχῇ ἔμενεν. ἐμέμφετό τε ὅτι δὴ οὐ διακινδυνεύσας τε καὶ τοῖς ἐν Καπύῃ φυλάσσουσι τριακοσίοις οὗσιν ἐς χεῖρας ἦκων ποιεῖσθαι τὴν δίοδον ἐνεχείρῃσε, καίπερ βαρβάρους ἀριστίνδην ζυνειλεγμένους ζὺν αὐτῷ ἔχων. Ἰωάννης δὲ τὴν δίοδον ἀπογνοὺς ἐπὶ Ἀπουλίας ἐχώρησεν, ἐν τε χωρίῳ Κερβαρίῳ καλουμένῳ ἡσύχαζε.

Δείσας οὖν Βελισάριος ἀμφὶ τοῖς πολιορκούμενοις, μὴ τι ἀνήκεστον δράσωσι τῶν ἀναγκαίων τῇ ἀπορίᾳ, ὅτῳ δὴ τρόπῳ τὰ ἐπιτήδεια ἐς Ῥώμην εἰσκομίζειν διενοεῖτο. [2] καὶ ἐπεὶ δύναμιν ἀξιόμαχον πρὸς γε τοὺς πολεμίους οὐδαμῇ εἶχεν, ὥστε μάχῃ ἐν τῷ πεδίῳ πρὸς αὐτοὺς διακρίνεσθαι, πρότερον ἐπενόει τάδε. [3] ἀκάτους δύο ἐσάγαν εὐρείας ζεύξας τε καὶ λίαν ἐς ἀλλήλας ζυνδήσας, πύργον ξύλινον ἐπ' αὐταῖς ἐτεκτῆνατο, πολλῷ καθυπέρτερον τῶν τοῖς πολεμίοις ἐν τῇ γεφύρᾳ πεποιημένων. [4] ζυμμετρησάμενος γὰρ αὐτοὺς ἐς τὸ ἀκριβὲς ἔτυχε πρότερον, πέμψας τῶν οἱ ἐπομένων τινάς, οἵπερ εἰς τοὺς βαρβάρους αὐτόμολοι δῆθεν τῷ λόγῳ ἐστέλλοντο. [5] δρόμωνάς τε διακοσίους τείχεσι ξυλίνους περιβαλὼν ἐς Τίβεριν καθήκε, πανταχόθι τῶν ξυλίνων τειχῶν τρυπήματα ποιησάμενος, ὅπως δὴ βάλλειν τοὺς πολεμίους ἐνθὲνδε σφίσι δυνατὰ εἴη. σῆτόν τε οὖν καὶ ἄλλα τῶν ἐπιτηδείων πολλὰ τοῖς δρόμῳσι τούτοις ἐνθήμενος στρατιωτῶν αὐτοὺς τῶν μαχιμωτάτων ἐπλήρου. [6] στρατιώτας δὲ ἄλλους πεζοὺς τε καὶ ἵππεῖς ἐκατέρωθεν ἐν χωρίοις ἐχυροῖς τισιν ἀμφὶ τὰς τοῦ Τιβέριδος ἐκβολὰς ἔστησεν, οὓς δὴ ἐκέλευσε μένειν τε αὐτοῦ καί, ἣν τῶν πολεμίων τινὲς ἐπὶ τὸν Πόρτον ἴωσι, διακωλύειν δυνάμει τῇ πάσῃ. [7] τὸν δὲ Ἰσαάκην ἐς τὸν Πόρτον ἐσαγαγὼν τὴν τε πόλιν καὶ τὴν γυναῖκα παρέδωκε καὶ εἴ τι ἄλλο ἐνταῦθα ἔχων ἐτύγχανε. καὶ οἱ ἐπέστελλε μηδεμιᾶ ἐνθὲνδε μηχανῇ ἀπαλλάσσεσθαι, μηδ' ἣν Βελισάριον πύθηται πρὸς τῶν πολεμίων ἀπολλοῦναι, ἀλλὰ τῆς φυλακῆς ἐς αἰὶ ἔχεσθαι, ὅπως, ἣν τι σφίσιν ἐναντίωμα ὑπαντιάσῃ, ἔξουσιν ὅπῃ διαφυγόντες σωθήσονται. [8] ὀχύρωμα γὰρ ἄλλο ταύτης δὴ τῆς χώρας οὐδαμῇ εἶχον, ἀλλὰ πάντα σφίσι πανταχόσε πολέμια ἦν. [9] Αὐτὸς δὲ ἐς ἓνα τῶν δρομῶνων ἐσβὰς τοῦ τε στόλου ἡγεῖτο καὶ τὰς ἀκάτους ἐφέλκειν ἐκέλευεν, [10] οὗ δὴ τὸν πύργον ἐτύγχανε τεκτινάμενος. τοῦ δὲ πύργου ὑπερθεὶν λέμβον τινὰ ἔθετο, πίσης τε καὶ θείου καὶ ῥητίνης αὐτὸν ἐμπλησάμενος καὶ τῶν ἄλλων ἀπάντων ὅσα δὴ τοῦ πυρὸς βρῶσις ὀξυτάτῃ γίνεσθαι πέφυκε. [11] κατὰ δὲ τὴν ἐτέραν τοῦ ποταμοῦ ὄχθην, ἣ ἐστὶν ἐκ τοῦ Πόρτου ἐς Ῥώμην ἰόντι ἐν δεξιᾷ, καὶ πεζὸς παραβεβηθήκει στρατός. [12] πέμψας δὲ καὶ παρὰ Βέσσαν τῇ προτεραίᾳ

ἐκέλευε τῇ ἐπιγενησομένῃ ἡμέρᾳ πολλῶ στρατῷ ἐπεξιόντα ξυνταράξαι τὰ τῶν πολεμίων στρατόπεδα, ὅπερ οἱ καὶ πρότερον ἐπιστείλας πολλάκις ἤδη ἐτύγχανεν. [13] ἀλλὰ Βέσσας οὔτε πρότερον οὔτε ἐν ταύτῃ τῇ μάχῃ ἐπιτελῇ ποιεῖν τὰ ἐπαγγελλόμενα ἔγνω. [14] ἔτι γάρ οἱ μόνῳ τι τοῦ σίτου ἐλέλειπτο, ἐπεὶ ὅσον ἐς Ῥώμην οἱ Σικελίας ἄρχοντες πρότερον ἔπεμψαν τοῖς τε στρατιώταις ἐπαρκέσοντα καὶ τῷ δήμῳ παντί, αὐτὸς ὀλίγον μὲν κομιδῇ τῷ δήμῳ ἀφῆκε, τὸν δὲ πλεῖστον κεκομισμένος ἐπὶ τῷ τῶν στρατιωτῶν λόγῳ ἀπέκρυσεν, ὥνπερ τοῖς ἐκ βουλῆς ἀποδιδόμενος χρημάτων μεγάλων διαλύεσθαι τὴν πολιορκίαν ἥκιστα ἤθελε. [15] Βελισάριος μὲν οὖν καὶ ὁ Ῥωμαίων στόλος πόνῳ ἀναπλέοντες ἅτε τοῦ ρεύματος σφίσιν ἀντιστατοῦντος ἦσαν. Γότθοι δὲ οὐδαμῇ ὑπηντίαζον, ἀλλ' ἐν τοῖς χαρακώμασιν ἡσυχῇ ἔμενον. [16] ἤδη δὲ Ῥωμαῖοι ἄγχιστα τῆς γεφύρας γενόμενοι φρουρᾷ πολεμίων ἐνέτυχον, οἱ δὲ ἐφ' ἐκάτερα τοῦ ποταμοῦ σειρᾶς σιδηρᾶς ἐπὶ τῇ φυλακῇ ἐτετάχατο, ἣν οὐ πολλῶ πρότερον ἐνταῦθα ἐναποθέμενος Τουτίλας ἔτυχεν, ἐκ τῆς ἐτέρας τοῦ Τιβέριδος ὄχθης ἄχρι ἐς τὴν ἐτέραν ἐξικνουμένην, ὅπως δὴ μηδὲ ὅσον ἐς τὴν γέφυραν ἰέναι οἱ ἐναντίοι εὐπετῶς δύνωνται. [17] καὶ αὐτῶν βάλλοντες τοὺς μὲν ἔκτειναν, τοὺς δὲ τρεψάμενοι καὶ τὴν ἄλυσιν ἀνελόμενοι εὐθὺ τῆς γεφύρας ἐχώρησαν. ἐπειδὴ τε τάχιστα ἐς αὐτὴν ἦλθον, ἔργου εἶχοντο, οἱ τε βάρβαροι ἐκ τῶν πύργων ἡμύνοντο καρτερώτατα. [18] ἤδη δὲ καὶ ἐκ τῶν χαρακωμάτων ἐξαναστάντες ἐπὶ τὴν γέφυραν δρόμῳ ἐχώρουν. Τότε δὲ Βελισάριος τὰς ἀκάτους, ἐφ' ὧν οἱ ὁ πύργος πεποίηται, ὡς ἀγχοτάτῳ ἀγαθῶν θατέρου τῶν πολεμίων πύργου, ὃς δὲ ἐπὶ τῆς κατὰ τὸν Πόρτον ὁδοῦ ἐπ' αὐτοῦ τοῦ ποταμοῦ τὸ ὕδωρ εἰστήκει, ἐκέλευε τὸν λέμβον ὑφάψαντας ὑπερθεῖν τῶν πολεμίων τοῦ πύργου ρίπτειν. [19] καὶ Ῥωμαῖοι μὲν κατὰ ταῦτα ἐποίουν. ἐμπεσὼν δὲ τῷ πύργῳ ὁ λέμβος αὐτόν τε αὐτίκα μάλα ἐνέπρησε καὶ ξὺν αὐτῷ Γότθους ἅπαντας, ἐς διακοσίους μάλιστα ὄντας. [20] ἐκαύθη δὲ καὶ Ὅσδας σὺν αὐτοῖς, ὃς αὐτῶν ἦρχε, Γότθων ἀπάντων μαχιμώτατος ὢν. θαρσύναντες δὲ ἤδη Ῥωμαῖοι τοὺς ἐκ τῶν χαρακωμάτων ἐπιβεβοηθηκότας βαρβάρους ἔτι μᾶλλον ἢ πρότερον ἔβαλλον. [21] οἱ δὲ καταπεπληγμένοι τοῖς ξυμπεσοῦσι στρέψαντες τὰ νῶτα, ὡς ἕκαστός πῃ ἡδύνατο, ἐς φυγὴν ὥρμητο: τῆς τε γεφύρας Ῥωμαῖοι ἤπτοντο καὶ αὐτὴν ἔμελλον αὐτίκα μάλα διαφθείραντες πρόσω ἰέναι, ἔς τε Ῥώμην κομίζεσθαι οὐδενὸς ἔτι ἀντιστατοῦντος. [22] ἀλλ' ἐπεὶ οὐκ ἦν ταῦτα βουλομένη τῇ τύχῃ, τῶν τινος φθονερῶν δαιμόνων μηχανὴ γέγονεν, ἣ τὰ Ῥωμαίων πράγματα ἐφθειρε τρόπῳ τοιῷδε. [23] Ἐν ᾧ τὰ στρατόπεδα τῆδε, ἥπερ ἐρρήθη, ἐφέρετο, ἐν τούτῳ τις φήμῃ ἐπὶ πονηρῷ τῷ Ῥωμαίων ἐς Πόρτον ἐλθοῦσα περιήγγελλεν, ὡς νικῶν μὲν Βελισάριος, ἀνέλοιτο δὲ τὴν ἄλυσιν, διαφθείρας τοὺς ταύτῃ βαρβάρους, καὶ τὰ ἄλλα, ἅπερ μοι ἔμπροσθεν εἴρηται. [24] Ἰσαάκης δὲ ταῦτα ἀκούσας οὐκέτι οἷός τε ἦν ἐν αὐτῷ μένειν, ἀλλὰ κλέους τοῦδε μεταλαχεῖν ἐν σπουδῇ εἶχε. τὰς τε Βελισαρίου ἐντολὰς ἀλογήσας, ὅτι τάχιστα ἐς τὴν ἐτέραν τοῦ ποταμοῦ ὄχθην ἀπιὼν ὄχθετο. [25] καὶ τῶν στρατιωτῶν, οὔσπερ ἐνταῦθα Βελισάριος καταστησάμενος ἔτυχεν, ἵππεῖς ἐπαγόμενος ἑκατὸν ἐπὶ τὸ τῶν πολεμίων χαρακῶμα ἤλαυνεν, οὗ Ῥουδέριχος ἦρχεν, ἀνὴρ ἀγαθὸς τὰ πολέμια. [26] ἐπελθὼν τε ἐκ τοῦ αἰφνιδίου τοῖς ἐκείνῃ βαρβάροις ἄλλους τέ τινας καὶ

Ῥουδέριχον ὑπαντιάσαντα ἔπληξεν. [27] οἱ δὲ Γότθοι εὐθὺς λιπόντες τὸ στρατόπεδον ὑπεχώρησαν, ἢ πληθος πολεμίων ὑποτοπήσαντες ἀμφὶ τὸν Ἰσαάκην ὀπισθεν εἶναι, ἢ τοὺς ἐναντίους ἐξαπατῶντες, ὅπως δὴ αὐτούς, ὅπερ ἐγένετο, ἐλεῖν δύνωνται. [28] Οἱ μὲν οὖν ξὺν τῷ Ἰσαάκῃ εἰσδύσαντες ἐς τὸ τῶν πολεμίων χαράκωμα τὸν τε ἄργυρον ὅσπερ ἐνταῦθα ἔκειτο καὶ τὰ ἄλλα χρήματα ἤρπαζον. [29] ἀναστρέψαντες δὲ αὐτίκα οἱ Γότθοι πολλοὺς μὲν κτείνουσι τῶν ἐναντίων, ζῶντα δὲ Ἰσαάκην ξὺν ἑτέροις τισὶν οὐ πολλοῖς εἶλον. ἤκοντές τε ἱππεῖς παρὰ Βελισάριον δρόμῳ ἀγγέλλουσιν ὅτι δὴ ἔχοιτο πρὸς τῶν πολεμίων Ἰσαάκης. [30] Βελισάριος δὲ καταπλαγείς οἷς ἠκηκόει καὶ οὐ διερευνησάμενος ὅποιά ποτὲ μηχανῇ Ἰσαάκης ἀλώῃ, ἀλλ' οἰόμενος τὸν τε Πόρτον καὶ τὴν γυναῖκα ἀπολωλέναι καὶ ἅπαντα διεφθάρθαι σφίσι τὰ πράγματα ἄλλο τε οὐδὲν ἀπολελεῖσθαι ὀχύρωμα, ὅποι ἂν καταφυγόντες τὸ λοιπὸν σῴζοντο, ἐς ἀφασίαν ἐμπέπτωκεν οὐ γεγονὸς αὐτῷ πρότερον τοῦτο γε. [31] διὸ δὴ κατὰ τάχος ὀπίσω ὑπῆγε τὸ στράτευμα, ὡς ἐπιθησόμενος μὲν ἀτάκτοις ἔτι τοῖς πολεμίοις οὖσιν, ἀνασωσόμενος δὲ πάσῃ μηχανῇ τὸ χωρίον. Οὕτω μὲν ὁ Ῥωμαῖον στρατὸς ἐνθένδε ἄπρακτοι ἀνεχώρησαν. [32] ἐν δὲ τῷ Πόρτῳ γενόμενος Βελισάριος, τὴν τε Ἰσαάκου manίαν ἔγνω καὶ τῆς οὐ δέον οἱ αὐτῷ ξυμβάσης ταραχῆς ἦσθετο, τῷ τε τῆς τύχης ἐναντιώματι περιώδυνος γεγωνὸς ἐνόσει τὸ σῶμα. [33] πυρετὸς γὰρ ἐπιγενόμενος ἐς χρόνου μῆκος ὑπερφυῶς τε αὐτὸν ἠνία καὶ ἐς κίνδυνον θανάτου ἤγεν. [34] ἡμέραιν δὲ δυοῖν ὕστερον Ῥουδερῖχῳ τε ξυνέβη τελευτῆσαι τὸν βίον καὶ ὁ Τουτίλας περιαλγῆσας τῇ ξυμφορᾷ τὸν Ἰσαάκην διέφθειρε.

Βέσσας τε τὸν σῖτον ἔτι μᾶλλον ἀπεμπολῶν ἐπλούτει, πρυτανευούσης αὐτῷ τὰς τιμὰς τῆς τῶν δεομένων ἀνάγκης. καὶ ὅλος εἰς μέριμναν τὴν περὶ ταῦτα ἐσπουδακῶς οὔτε φυλακῆς τοῦ περιβόλου οὔτε ἄλλου ὅτουσιν ἀσφαλείας πέρι ἐπεμελεῖτο, ἀλλὰ ἀναπεπτωκέναι μὲν τῶν στρατιωτῶν τοῖς γε βουλομένοις ἐξῆν, φυλακτῆριον δὲ ὀλίγων τινῶν ἐν τοῖς τείχεσιν ἦν, καὶ τοῦτο δὲ ἀπημελημένον ὡς μάλιστα. [2] οἷς γὰρ αἰετὴν τὴν φυλακὴν ἐπικεῖσθαι ξυνέβαινε, πολλὴ ἐξουσία τοῦ καθεύδειν ἐγένετο, ἐπεὶ οὐδεὶς αὐτοῖς ἐφειστήκει, ὅστις ἂν καὶ λόγον τινὰ τοῦ τοιούτου ποιοῖτο: οὐδὲ περιιώντες τινὲς κύκλῳ τῶν περιβόλων, ἥπερ εἰώθει, διερευνᾶσθαι τοὺς φύλακας ὃ τί ποτε ποιοῦσιν ἠξίου, οὐ μὴν οὐδέ τις τῶν οἰκητόρων αὐτοῖς ξυμφυλάσσειν ἠδύνατο. [3] ὀλίγοι τε γὰρ κομιδῇ ἐνταῦθα, ὥσπερ μοι ἐρρήθη, ἐλείποντο καὶ αὐτοὶ τῷ λιμῷ ὑπερφυῶς κεκακωμένοι. [4] Τέσσαρες οὖν Ἰσαυροὶ, ἀμφὶ πύλην Ἀσιναρίαν φυλακὴν ἔχοντες, τηρήσαντες τῆς νυκτὸς τὸν καιρὸν ἐν ᾧ τοῖς μὲν αὐτῶν ἐχομένοις καθεύδειν ἐπέβαλλεν, αὐτοῖς δὲ ἡ φυλακὴ τοῦ ἐκείνῃ τείχους ἐπέκειτο, κάλως τε ἐκ τῶν ἐπάλξεων ἀναρτήσαντες ἄχρι ἐς τὸ ἔδαφος ἐξικνουμένους, καὶ τούτων χερσὶν ἀμφοτέραις λαβόμενοι ἔξω τοῦ περιβόλου ἐγένοντο καὶ παρὰ Τουτίλαν ἀφικόμενοι δέξασθαι τῇ πόλει αὐτόν τε ὠμολόγουν καὶ τὸν Γότθον στρατὸν: δυνατοὶ γὰρ εἶναι τοῦτο ποιεῖν ἰσχυρίζοντο οὐδενὶ πόνῳ. [5] καὶ ὃς χάριτας σφίσιν ἀδράς ἔξιν ὁμολογήσας, ἥνπερ ἐπιτελῇ ταῦτα ποιήσωσι, κυρίους τε αὐτοὺς καταστήσεσθαι χρημάτων μεγάλων, δύο τῶν ἐπομένων ξὺν αὐτοῖς ἔπεμψε κατασκευομένους τὸν χῶρον ὅθεν οἱ ἄνθρωποι Γότθοις ἔφασκον ἐς τὴν πόλιν εἰσιτητὰ εἶναι. [6] οἷπερ ἐπειδὴ

παρὰ τὸ τεῖχος ἀφίκοντο, τῶν καλωδίων λαβόμενοι ἀνέβαινον ἐς τὰς ἐπάλξεις, οὐδενὸς ἐνταῦθα ἢ φθεγγομένου ἢ τῶν ποιουμένων αἰσθησιν ἔχοντος. [7] ἐπειδὴ τε ἐνταῦθα ἐγένοντο, τοῖς βαρβάροις οἱ Ἰσαυροὶ πάντα ἐδείκνυν, ὥς ἀνίεναι μὲν βουλομένοις οὐδὲν ἂν ἐμπόδιον εἴη, ἀνελθοῦσι δὲ πολλὴ ἂν ἐξουσία γένοιτο σφίσιν, οὐδενὸς τὸ παράπαν ἀντιστατοῦντος, ταῦτά τε αὐτοὺς ἀπαγγέλλειν Τουτίλα κελεύσαντες ἀπεπέμψαντο. [8] Ἄπερ ἐπεὶ ὁ Τουτίλας ἤκουσεν, ἤσθη μὲν πως τῇ ἀγγελίᾳ, ὑποψία δὲ καὶ ὥς ἐς τοὺς Ἰσαύρους ἐχόμενος οὐ λίαν αὐτοῖς πιστεύειν ἤξιον. [9] ἡμέραις τε οὐ πολλαῖς ὕστερον αὖθις οἱ ἄνθρωποι παρ' αὐτὸν ἦκον, ἐπὶ τὴν πρᾶξιν παρακαλοῦντες. καὶ ὅς ἐτέρους δύο ζὺν αὐτοῖς ἐπεμψεν, ἐφ' ᾧ καὶ αὐτοὶ ἐς τὸ ἀκριβὲς ἅπαντα διερευνησάμενοι ἀπαγγείλωσιν. [10] οἱ δὲ ἐς αὐτὸν ἐπανήκοντες ἅπαντα ὁμοίως τοῖς προτέροις ἠγγέλλον. ἐν τούτῳ δὲ Ῥωμαῖοι στρατιῶται πολλοὶ ἐπὶ κατασκοπῇ στελλόμενοι τῆς πόλεως οὐ πολλῶ ἄποθεν Γότθοις δέκα ὁδῶ ἰοῦσιν ἐνέτυχον, οὓς δὴ ἐλόντες παρὰ τὸν Βέσσαν εὐθὺς ἄγουσι. [11] καὶ ὁ μὲν ἀνεπυνθάνετο τούτων δὴ τῶν βαρβάρων ὃ τί ποτε ὁ Τουτίλας διανοοῖτο, οἱ δὲ Γότθοι ἐν ἐλπίδι ἔφασαν εἶναι τῶν τινὰς σφίσιν Ἰσαύρων ἐνδώσειν τὴν πόλιν: ἤδη γὰρ ἔκπυστος ὁ λόγος ἐς τῶν βαρβάρων πολλοὺς ἐγεγόνει. [12] ἀλλὰ καὶ ταῦτα Βέσσας τε καὶ Κόνων ἀκούσαντες ἐν τε πολλῇ ὀλιγωρίᾳ ἔσχον καὶ αὐτῶν ἐντροπὴν οὐδεμίαν πεποιήντο. καὶ τρίτον οἱ Ἰσαυροὶ Τουτίλα ἐς ὅψιν ἐλθόντες ἐς τὸ ἔργον τὸν ἄνδρα ἐνήγον. [13] ὁ δὲ ἄλλους τε ζὺν αὐτοῖς ἐπεμψε καὶ τῶν αὐτῷ κατὰ γένος προσηκόντων τινά, οἵπερ ἐς αὐτὸν ἐπανήκοντες καὶ τὸν πάντα λόγον ἀγγείλαντες ἐς τὴν πρᾶξιν ἐπέρρωσαν. [14] Τουτίλας δέ, ἐπειδὴ τάχιστα νῦξ ἐγεγόνει, ἅπαν ἡσυχῇ ἐξοπλίσας τὸ στράτευμα ἐπῆγεν ἀμφὶ πύλην Ἀσιναρίαν. καὶ τέσσαρας τῶν ἐν Γότθοις ἀνδρίας τε καὶ ἰσχύος πέρι εὖ ἠκόντων ζὺν τοῖς Ἰσαύροις διὰ τῶν βρόχων ἀναβαίνειν ἐς τὰς ἐπάλξεις ἐκέλευεν, ἐς ἐκεῖνον δηλονότι τῆς νυκτὸς τὸν καιρὸν ἐς ὃν τούτοις δὴ τοῖς Ἰσαύροις ἡ φυλακὴ τοῦ ταύτη τείχους ὕπνον ἐκ περιτροπῆς τῶν ἄλλων αἰρουμένων ἐπέβαλεν. [15] οἵπερ, ἐπειδὴ ἐντὸς τοῦ περιβόλου ἐγένοντο, καταβαίνουνσι μὲν ἐς πύλας τὰς Ἀσιναρίας, οὐδενὸς σφίσιν ἀντιστατοῦντος, καὶ τό τε ξύλον πελέκεσι διαφθεύουσιν ὥπερ ἐνέρσει τοίχου ἐκατέρου ἐναρμοσθέντι τὰς πύλας ἐπιζευγνύναι εἰώθεσαν, τά τε σιδηρία ξύμπαντα οἷς δὴ τὰς κλεῖς αἰεὶ οἱ φύλακες ἐμβαλλόμενοι ἔκλειόν τε τὰς πύλας καὶ κατὰ τὴν χρεῖαν ἀνέωγον. [16] οὕτω δὲ τὰς πύλας ἀναπετάσαντες, ἥπερ ἐβούλοντο, τῇ πόλει Τουτίλαν τε καὶ τὸν Γότθων στρατὸν οὐδενὶ πόνῳ ἐδέξαντο. Τουτίλας δὲ αὐτοὺς ἐνταῦθα ἐς ἓνα χῶρον ξυναγαγὼν σκεδάννυσθαι οὐδαμῇ εἶασεν: ἔδεισε γὰρ μή τις ἐνέδρα πρὸς τῶν πολεμίων σφίσι ξυμβαίῃν ταραχῆς δέ, [17] ὥς τὸ εἰκός, τῇ πόλει καὶ θορύβου ἐπιπεσόντος οἱ μὲν πλεῖστοι τῶν Ῥωμαίων στρατιωτῶν διὰ πύλης ἐτέρας ζὺν τοῖς ἄρχουσιν ἔφευγον, ὥς πη ἐκάστῳ εὐπετές γέγονεν, ὀλίγοι δέ τινες ζὺν Ῥωμαῖοις τοῖς ἄλλοις ἐς τὰ ἱερὰ καταφεύγουσι. [18] τῶν δὲ πατρικίων Δέκιος καὶ Βασίλειος ζὺν ἐτέροις τισὶν ἵπποι γὰρ σφίσι παρόντες ἔτυχον ζὺν τῷ Βέσσᾳ φυγεῖν ἰσχυσαν. [19] Μάξιμος δὲ καὶ Ὀλύβριος καὶ Ὀρέστης καὶ τινες ἄλλοι ἐς τὸν Πέτρου τοῦ ἀποστόλου νεῶν ἔφυγον. τοῦ μέντοι δήμου πεντακοσίους ἄνδρας ἀνὰ πᾶσαν τὴν πόλιν ἀπολελεῖσθαι ξυνέπεσεν, οἵπερ ἐς τὰ ἱερὰ κατέφυγον μόλις. [20] τῶν γὰρ

ἄλλων ἀπάντων οἱ μὲν ἀπιόντες ἤδη πρότερον ἐς ἐτέρας ὥχοντο χώρας, οἱ δὲ τῷ λιμῷ διεφθάρησαν, ὥσπερ μοι ἔμπροσθεν εἴρηται. πολλοὶ μὲν οὖν Τουτίλα νύκτωρ ἠγγελλον ὅτι δὴ Βέσσας τε καὶ οἱ πολέμιοι φεύγουσιν. ὁ δὲ χαρίεντα τὸν λόγον αὐτοὺς εἰρηκέναι εἰπὼν οὐκ εἶα διώκειν. [21] τί γὰρ ἂν ἥδιον ἀνθρώπῳ γένοιτο, ἔφη, πολεμίων φευγόντων; [22] Ἐπειδὴ δὲ ἡμέρα τε ἦν ἥδη καὶ οὐδεμία ἐτι ἐνέδρας τινὸς ὑποψία ἐλέλειπτο, Τουτίλας μὲν ἐς τὸν Πέτρου νεῶν τοῦ ἀποστόλου εὐξόμενος ἦει, Γότθοι δὲ τοὺς παραπεπτωκότας διέφθειρον. [23] ἀπέθανόν τε τούτῳ τῷ τρόπῳ τῶν μὲν στρατιωτῶν ἑξ καὶ εἴκοσι, τοῦ δὲ δήμου ἐξήκοντα. ἐπεὶ δὲ ὁ Τουτίλας ἀφίκετο ἐς τὸ ἱερόν, Πελάγιος αὐτῷ ἐς ὅσιν ἤλθε τὰ Χριστιανῶν λόγια ἐν ταῖς χερσὶ φέρων, παντί τε τρόπῳ τὴν ἱκεσίαν προτεινόμενος ‘Φείδου τῶν σῶν, ὦ δέσποτα’ εἶπε. [24] καὶ ὡς ἐπιτωθάζων τε καὶ ἐνδιαθρυπτόμενος ἔφη ‘Νῦν με, ὦ Πελάγιε, ἱκετεύσων ἐλήλυθας.’ ‘Ὅτε με’ ὁ Πελάγιος ἀπεκρίνατο ‘δοῦλον σὸν ὁ θεὸς εἶναι πεποίηκεν. [25] ἀλλὰ δούλων τῶν σῶν τὸ λοιπόν, ὦ δέσποτα, φείδου.’ ταύτην ὁ Τουτίλας τὴν ἱκεσίαν δεξάμενος ἀπεῖπε Γότθοις μηδένα τὸ λοιπὸν ἀποκτινύναι τῶν πάντων Ῥωμαίων, ἀλλὰ τῶν χρημάτων αὐτῷ μὲν τὰ τιμώτατα ἐξελεῖν, τὰ δὲ ἄλλα σφίσιν αὐτοῖς κατ’ ἐξουσίαν ληΐζεσθαι. [26] Πολλὰ μὲν οὖν ἐν ταῖς πατρικίων οἰκίαις εὗρε, πάντων δὲ μάλιστα οὐπὲρ ὁ Βέσσας κατέλυε. τὰς γὰρ ἀνοσίας, ὡς γε δεδήλωται, τοῦ σίτου τιμὰς ὁ κακοδαίμων Τουτίλα ἤθροιζεν. [27] οὕτω τε περιέστη τοῖς τε ἄλλοις Ῥωμαίοις καὶ τοῖς ἐκ τῆς συγκλήτου βουλῆς καὶ οὐχ ἥκιστα Ῥουστικιανῇ, τῇ Βοετίου μὲν γαμετῇ γενομένη, παιδί δὲ Συμμάχου, καὶ τὴν οὐσίαν ἀεὶ τοῖς δεομένοις προῖεμένη, δούλων τε καὶ ἀγροίκων ἀμπεχομένοις ἱμάτια, πρὸς τῶν πολεμίων ἄρτον ἢ ἄλλο τι τῶν ἀναγκαίων αἰτουμένοις βιοῦν. [28] ἔς τε τὰς οἰκίας περιόντες καὶ τὰς θύρας ἐς ἀεὶ κόπτοντες τροφὴν διδόναι σφίσιν ἐδέοντο, οὐ φέροντος αὐτοῖς αἰσχύνην τοῦ ἔργου. [29] Καὶ Γότθοι μὲν Ῥουστικιανὴν κτείνειν ἐν σπουδῇ ἐποιοῦντο, ἐπικαλοῦντες ὅτι δὴ χρήματα προῖεμένη τοῖς τοῦ Ῥωμαίων στρατοῦ ἄρχουσι τὰς Θευδερίχου εἰκόνας διαφθείρειε, τοὺς φόνους ἀμυνομένη Συμμάχου τε τοῦ πατρὸς καὶ Βοετίου τοῦ ξυνοικήσαντος. [30] Τουτίλας δὲ οὐδὲν ἄχαρι παθεῖν αὐτὴν ξυνεχώρησεν, ἀλλ’ αὐτὴν τε καὶ τὰς ἄλλας ἀπάσας ὕβρεως ἐκτὸς διεφύλαξε, καίπερ Γότθων ἐς κοίτην ὡς μάλιστα ἐφιεμένων αὐταῖς ξυνελθεῖν. [31] διόπερ αὐτῶν οὐδεμιᾷ ἐς τὸ σῶμα ὑβρίσθαι ξυνέβη οὔτε ἀνδρὶ ξυνοικούσῃ οὔτε παρθένῳ ἢ χήρᾳ οὔσῃ, μέγα τε κλέος ἐπὶ σωφροσύνῃ ἐκ τούτου τοῦ ἔργου Τουτίλας ἔσχε.

Τῇ δὲ ὑστεραίᾳ Γότθους ἅπαντας ξυγκαλέσας ὁ Τουτίλας ἔλεξε τοιαύδε: ‘Οὐ καινὴν τινα οὐδὲ ἀγνώτα ὑμῖν παραίνεσιν ποιησόμενος ἐνθάδε ὑμᾶς, ἄνδρες ξυστρατιῶται, ξυνήγαγον, ἀλλ’ ἐκεῖνα ἐρῶν, ἅπερ ἐγὼ μὲν πολλάκις ἐς ὑμᾶς εἶπον, ὑμῖν δὲ αὐτὰ ἐνδεξαμένοις τὰ μέγιστα τῶν ἀγαθῶν ξυνηνέχθῃ γενέσθαι. [2] μὴ τοίνυν τινὶ ὀλιγωρία διὰ τοῦτο ἐς τὴν παραίνεσιν τανῶν χρήσῃσθε. [3] λόγων γὰρ τῶν ἐς εὐδαιμονίαν ἀγόντων κόρον οὐκ εἰκὸς ἀνθρώπῳ γενέσθαι, κὰν τῇ πολυλογίᾳ τις ἀποκναίειν δοκῇ: ἐπεὶ οὐδὲ πρὸς τὴν ἐξ αὐτῶν εὐεργεσίαν ἀπειπεῖν ἄξιον. [4] λέγω δὲ ὅτι πρῶην μὲν ἐς μυριάδας εἴκοσι μαχιμωτάτων ξυνιόντες στρατιωτῶν πλούτῳ τε ὑπερφυεῖ χρώμενοι καὶ ἵππων τε καὶ ὀπλων περιουσίαν τινά, ὡς ἐνὶ μάλιστα, ἐνδεικνύμενοι, καὶ

γερόντων ξυνητωτάτων πολλὸν ὁμιλον, ὅπερ τοῖς ἐς ἀγῶνας καθισταμένοις
ξυμφορώτατον εἶναι δοκεῖ, πρὸς ἀνδρῶν ἐπτακισχιλίων Γραικῶν ἡσσηθέντες,
τὴν τε ἀρχὴν καὶ τὰ ἄλλα ξύμπαντα λόγῳ οὐδενὶ ἀφηρήμεθα. [5] νῦν δ' ἡμῖν ἐς
ὀλίγους ἀπολειφθεῖσι γυμνοὺς τε καὶ οἰκτροὺς καὶ οὐδ' ὅτουοῦν τῶν πάντων
ἐμπείρους κρατεῖν τῶν πολεμίων πλέον ἢ δισμυρίων ὄντων τετύχηκε. [6] τὰ
μὲν οὖν πεπραγμένα συλλήβδην εἰπεῖν τοιαυτὰ ἐστὶ: τὰς δὲ τῶν οὕτω
ξυμβαινόντων αἰτίας ἐν εἰδόσιν ὑμῖν αὐτίκα δηλώσω: ὅτι Γότθοι μὲν
πρότερον τῶν ἄλλων ἀπάντων περὶ ἐλάσσονος πεποιημένοι τὸ δίκαιον,
ἔπρασσον ἔς τε ἀλλήλους καὶ τοὺς κατηκόους Ῥωμαίους ἀνόσια ἔργα, οἷς δὴ,
ὥς τὸ εἰκός, ἡγμένος ὁ θεὸς ἐπ' αὐτοὺς τότε ξὺν τοῖς πολεμίοις ἐστράτευσε. [7]
καὶ διὰ ταῦτα πλήθει τε καὶ ἀρετῇ καὶ τῇ ἄλλῃ τοῦ πολέμου παρασκευῇ τῶν
ἐναντίων παρὰ πολλὸν ὑπεραίροντες δυνάμει τινὶ ἀφανεῖ τε καὶ ὥς ἥκιστα
γινωσκομένη ἡσσηθήμεν. [8] οὐκοῦν τὸ φυλάξαι τὰ ἀγαθὰ ἐφ' ὑμῖν κείσεται,
διασώζουσι δηλονότι τὸ δίκαιον. μεταβαλλομένοις γὰρ καὶ τὰ παρὰ τοῦ θεοῦ
αὐτίκα δὴ μάλα πολέμια ἔσται. [9] οὐ γὰρ ἀνθρώπων γένει οὐδὲ φύσει ἐθνῶν
ξυμμαχεῖν εἴωθεν, ἀλλ' οἷς ἂν μᾶλλον ὁ τοῦ δικαίου λόγος τιμῶτο. πόνος τε
οὐδεὶς αὐτῷ τάγαθὰ ἐφ' ἐτέρους μετενεγκεῖν. [10] ἀνθρώπῳ μὲν γὰρ τὸ μὴ
ἀδικεῖν μόνον ἐν γνώμῃ ἐστί, θεῷ δὲ ξύμπαντα ἐν τῇ ἐξουσίᾳ ἐφέυκε κεῖσθαι.
[11] φημὶ τοίνυν ὑμᾶς χρῆναι τὴν δικαιοσύνην ἔς τε ἀλλήλους καὶ τοὺς
κατηκόους τηρεῖν. ταῦτόν γὰρ ἂν εἴη λέγειν τὴν εὐημερίαν ἐς αἰὶ
διασώζεσθαι.' [12] Τοσαῦτα ὁ Τουτίλας ἐς τοὺς Γότθους εἰπὼν καὶ τοὺς ἐκ τῆς
Ῥωμαίων βουλῆς ξυγκαλέσας πολλὰ ὠνείδισέ τε καὶ ἐκάκισεν, οἱ δὴ πολλὰ
πρὸς τε Θευδερίχου καὶ Ἀταλαρίχου ἀγαθὰ πεπονθότες, ἐπὶ τε τῆς ἀρχῆς
ἀπάσης αὐτοὶ ἐς αἰὶ καταστάντες καὶ τὴν τε πολιτείαν διοικησάμενοι,
πλούτου τε περιβεβλημένοι μέγα τι χρῆμα, εἴτα ἐς Γότθους τοὺς εὐεργέτας
πολλῇ ἀγνωμοσύνῃ ἐχόμενοι, ἐς ἀπόστασίν τε οὐ δέον ἐπὶ τῷ σφετέρῳ
πονηρῷ ἴδοιεν καὶ τοὺς Γραικοὺς ἐπὶ τῇ πατρίδι ἐπαγάγοιντο, προδόται σφῶν
αὐτῶν ἐκ τοῦ αἰφνιδίου γεγεννημένοι. [13] καὶ ἀνεπυνθάνετο μὲν εἴ τι πρὸς
Γότθων πάθοιεν αὐτοὶ κακὸν πώποτε. [14] λέγειν δὲ ἠνάγκαζεν, εἴ τι ἀγαθὸν
σφίσι πρὸς Ἰουστινιανοῦ βασιλέως ξυμβαίνει, καταλέγων ἐφεξῆς ἅπαντα, ὅτι
δὴ τὰς μὲν ἀρχὰς ἀφήρηντο σχεδὸν τι ἀπάσας, πρὸς δὲ τῶν καλουμένων
λογοθετῶν αἰκίζόμενοι λογισμοὺς ἐκτίνειν τῶν σφίσιν ἐς Γότθους
πεπολιτευμένων ἀναγκασθεῖεν καὶ τῷ πολέμῳ κεκακωμένοι φόρους τοὺς
δημοσίους οὐδέν τι ἐνδεέστερον ἢ ἐν τῇ εἰρήνῃ τοῖς Γραικοῖς φέροιεν: ἄλλα
τε πολλὰ ἐνετίθει τῷ λόγῳ, ὅσα δεσπότην δυσμενῇ τοὺς δεδουλωμένους
ὠνείδίζειν εἰκός. [15] Ἡρωδιανόν τε αὐτοῖς ἐνδεικνύμενος καὶ τοὺς τὴν πόλιν
αὐτῷ παραδόντας Ἰσαύρους “Ὑμεῖς μὲν” ἔφη “ζύντροφοι Γότθοις γεγεννημένοι
οὐδὲ χῶρόν τινα ἔρημον ἐς τήνδε ἡμῖν ἐνδιδόναι τὴν ἡμέραν ἐγνώκατε, οἶδε
δὲ ἡμᾶς Ῥώμῃ τε αὐτῇ καὶ Σπολιτίῳ ἐδέξαντο. [16] διόπερ ὑμεῖς μὲν ἐν οἰκετῶν
λόγῳ γεγέννησθε, οὗτοι δὲ Γότθοις φίλοι τε, ὥς τὸ εἰκός, καὶ ξυγγενεῖς
γεγεννημένοι τὰς ὑμετέρας [17] ἀρχὰς τὸ λοιπὸν ἔξουσιν.” οἱ μὲν οὖν πατρίκιοι
ταῦτα ἀκούοντες σιωπῇ εἶχοντο. Πελάγιος δὲ Τουτίλαν ὑπὲρ ἀνδρῶν
ἐπτακίτων τε καὶ δεδυστυχηκῶτων παραιτούμενος οὐκέτι ἀνίει, ἕως αὐτοὺς
φιλανθρωπίας ὑπόσχεσιν ποιησάμενος ἀπεπέμψατο. [18] Ἐπειτα δὲ Πελάγιον

τε καὶ τῶν ἐν Ῥώμῃ ῥητόρων ἓνα, Θεόδωρον ὄνομα, πρέσβεις ἐς βασιλέα Ἰουστινιανὸν ἔστειλεν, ὅρκοις αὐτοὺς δεινотάτοις καταλαβὼν, ὅτι τε εὐνοία ἐς αὐτὸν χρήσονται καὶ ἀναστρέφειν ὅτι τάχιστα ἐς τὴν Ἰταλίαν ἐν σπουδῇ ἔξουσιν. [19] ἐπέστελλέ τε αὐτοῖς τὴν εἰρήνην οἱ παντὶ σθένει παρὰ βασιλέως πορίζεσθαι, ὅπως δὴ μὴ αὐτὸς ἀναγκάζεται Ῥώμην ἐς ἔδαφος καθελὼν ζύμπασαν καὶ τοὺς ἐκ τῆς συγκλήτου διαφθείρας βουλῆς ἐς Ἰλλυριοὺς τὸν πόλεμον ἄγειν. καὶ γράμματα δὲ Ἰουστινιανῷ βασιλεῖ ἔγραψεν. [20] ἤδη μὲν οὖν βασιλεὺς ἠκηκόει τὰ ἐν Ἰταλίᾳ ζυμπεπτωκότα. ἐπεὶ δὲ καὶ οἱ πρέσβεις παρ' αὐτὸν ἦλθον, ἀπήγγειλάν τε ὅσα ὁ Τουτίλας σφίσιν ἐπέστελλε καὶ τὴν ἐπιστολὴν ἐνεχείρισαν. [21] Ἐδήλου δὲ ἡ γραφὴ τάδε: “Ὅσα μὲν ἐν Ῥωμαίων τῇ πόλει γενέσθαι ξυνέβη, ἐπεὶ μεμαθηκέναι σε ἅπαντα οἶμαι, σιωπᾶν ἔγνωκα. [22] ὦν δὲ ἔνεκα τοὺς πρέσβεις ἀπέσταλκα τούσδε αὐτίκα εἶση. αἰτούμεθα τὰ ἐκ τῆς εἰρήνης καλὰ σέ τε προσίεσθαι αὐτὸν καὶ ἡμῖν συγχωρεῖν. [23] ὥνπερ μνημεῖά τε καὶ παραδείγματα κάλλιστα ἔχομεν Ἀναστάσιόν τε καὶ Θεωδέριχον, οἳ βεβασιεύκασιν μὲν οὐ πολλῷ πρότερον, εἰρήνης δὲ καὶ ἀγαθῶν πραγμάτων ἅπαντα ἐνεπλήσαντο τὸν κατ' αὐτοὺς χρόνον. [24] ἦν γάρ σοι ταῦτά ποτε βουλομένῳ εἶη, πατήρ τε ἂν ἐμὸς εἰκότως καλοῖο καὶ ζυμμάχους [25] ἡμᾶς ἐφ' οὓς ἂν βούλοιο τὸ λοιπὸν ἔξεις.” ταῦτα ἐπεὶ βασιλεὺς Ἰουστινιανὸς ἀπενεχθέντα εἶδε, καὶ τοὺς λόγους τῶν πρέσβεων ἅπαντας ἤκουσεν, ἀπεπέμψατο αὐτοὺς αὐτίκα δὴ μάλα, τοῦτό τε μόνον αὐτοῖς ἀποκρινόμενος καὶ Τουτίλᾳ γράψας, ὅτι δὴ αὐτοκράτορα τοῦ πολέμου πεποιήται Βελισάριον, κύριός τε διὰ τοῦτο ἐκεῖνος εἶη τὰ πρὸς Τουτίλαν ὅπως βούλοιτο διοικήσασθαι.

Ἐν ᾧ δὲ οἱ πρέσβεις οὗτοι ἐς Βυζάντιον καὶ αὐθις ἐς Ἰταλίαν ἐστέλλοντο, ἐν τούτῳ ἐν Λευκανοῖς τάδε ξυνηνέχθη γενέσθαι. [2] Τουλλιανὸς τοὺς ἐκεῖνι ἀγροίκους ἀγείρας τὴν εἴσοδον στενοτάτην οὔσαν ἐφύλασσεν, ὅπως μὴ οἱ πολέμιοι κακουργήσοντες ἴοιεν ἐς τὰ ἐπὶ Λευκανίας χωρία. [3] καὶ Ἄνται δὲ αὐτοῖς τριακόσιοι ξυμφύλασσον, οὕσπερ Ἰωάννης ἐνταῦθα δεηθέντι Τουλλιανῷ ἀπολιπὼν πρότερον ἔτυχεν: ἀγαθοὶ γὰρ οἱ βάρβαροι οὗτοι μάχεσθαι ἐν δυσχωρίαις πάντων μάλιστα. [4] ἅπερ ἐπεὶ ὁ Τουτίλας ἔμαθε, Γότθους μὲν ἐς τὸ ἔργον καθεῖναι ἀξύνμορον ὤετο εἶναι, ἀγροίκων δὲ πλῆθος ἀγείρας, Γότθων τε ξυμπέμψας αὐτοῖς ὀλίγους τινάς, ἐκέλευε τῆς εἰσόδου σθένει παντὶ ἀποπειρᾶσθαι. [5] οἷπερ ἐπειδὴ ἀλλήλοις ξυνέμιζαν, ὠθισμὸς μὲν ἀμφοτέρων πολὺς ἐγεγόνει, Ἄνται δὲ τῇ σφετέρᾳ ἀρετῇ, ἅμα δὲ καὶ τῆς δυσχωρίας σφίσι ξυλλαμβανούσης, ξὺν τοῖς ἀμφὶ Τουλλιανὸν ἀγροίκους τοὺς ἐναντίους ἐτρέψαντο. [6] φόνος τε αὐτῶν ἐγεγόνει πολὺς. Γνοὺς δὲ ταῦτα ὁ Τουτίλας ἔγνω Ῥώμην μὲν καθελεῖν ἐς ἔδαφος, τοῦ δὲ στρατοῦ τὸ μὲν πλεῖστον ἐνταῦθά πη ἀπολιπεῖν, τῷ δὲ ἄλλῳ ἐπὶ τε Ἰωάννην καὶ Λευκανοὺς ἰέναι. [7] τοῦ μὲν οὖν περιβόλου ἐν χώροις πολλοῖς τοσοῦτον καθεῖλεν ὅσον ἐς τριτημόριον τοῦ παντός μάλιστα. ἐμπιπρᾶν δὲ καὶ τῶν οἰκοδομιῶν τὰ κάλλιστα τε καὶ ἀξιολογώτατα ἔμελλε, Ῥώμην τε μηλόβοτον καταστήσεσθαι, ἀλλὰ Βελισάριος μαθὼν πρέσβεις τε καὶ γράμματα παρ' αὐτὸν ἔπεμψεν. [8] οἷπερ ἐπειδὴ Τουτίλας ἐς ὅσιν ἦλθον, εἰπόν τε ὧν ἔνεκα ἦκοιεν καὶ τὰ γράμματα ἐνεχείρισαν. ἐδήλου δὲ ἡ γραφὴ τάδε: 'Πόλεως μὲν κάλλη οὐκ ὄντα ἐργάζεσθαι ἀνθρώπων ἂν φρονίμων εὐρήματα εἶεν καὶ πολιτικῶς βιοτεύειν ἐπισταμένων, ὄντα δὲ ἀφανίζειν τοὺς γε ἀξυνέτους εἰκὸς καὶ γνώρισμα τοῦτο τῆς αὐτῶν φύσεως οὐκ αἰσχυνομένους χρόνῳ τῷ ὑστέρῳ ἀπολιπεῖν. [9] Ῥώμη μέντοι πόλεων ἀπασῶν, ὅσαι ὑφ' ἡλίῳ τυγχάνουσιν οὔσαι, μεγίστη τε καὶ ἀξιολογωτάτη ὠμολόγηται εἶναι. [10] οὐ γὰρ ἀνδρὸς ἐνὸς ἀρετῇ εἵργασται οὐδὲ χρόνου βραχείας δυνάμει ἐς τόσον μεγέθους τε καὶ κάλλους ἀφίκται, ἀλλὰ βασιλέων μὲν πλῆθος, ἀνδρῶν δὲ ἀρίστων συμμορίαὶ πολλάί, χρόνου τε μῆκος καὶ πλούτου ἐξουσίας ὑπερβολὴ τά τε ἄλλα πάντα ἐκ πάσης τῆς γῆς καὶ τεχνίτας ἀνθρώπους ἐνταῦθα ξυναγαγεῖν ἴσχυσαν. [11] οὕτω τε τὴν πόλιν τοιαύτην, οἷανπερ ὀρᾷς, κατὰ βραχὺ τεκτηνήμενοι, μνημεῖα τῆς πάντων ἀρετῆς τοῖς ἐπιγενησομένοις ἀπέλιπον, ὥστε ἡ ἐς ταῦτα ἐπήρεια εἰκότως ἂν ἀδίκημα μέγα ἐς τοὺς ἀνθρώπους τοῦ παντός αἰῶνος δόξειεν εἶναι: [12] ἀφαιρεῖται γὰρ τοὺς μὲν προγεγεννημένους τὴν τῆς ἀρετῆς μνήμην, τοὺς δὲ ὕστερον ἐπιγενησομένους τῶν ἔργων τὴν θεάν. [13] τούτων δὲ τοιούτων ὄντων ἐκεῖνο εὖ ἴσθι, ὥς δυοῖν ἀνάγκη τὸ ἕτερον εἶναι. ἡ γὰρ ἡσσηθήσῃ βασιλέως ἐν τῷδε τῷ πόνῳ, ἡ περιέσῃ, ἂν οὕτω τύχοι. [14] ἦν μὲν οὖν νικῶνς, Ῥώμην τε καθελὼν, οὐ τὴν ἐτέρου του, ἀλλὰ τὴν σαυτοῦ ἀπολωλεκῶς ἂν, ᾧ βέλτιστε, εἴης, καὶ διαφυλάξας, κτήματι, ὥς τὸ εἰκὸς, τῶν πάντων καλλίστῳ πλουτήσεις: ἦν δέ γε τὴν χεῖρῳ σοι τύχην πληροῦσθαι ξυμβαίῃ, σώσαντι μὲν Ῥώμην χάρις ἂν σώζοιτο παρὰ τῷ νενικηκότι πολλή, διαφθείραντι δὲ φιланθρωπίας τε οὐδεὶς ἐτι λελείπεται λόγος καὶ προσέσται τὸ μηδὲν τοῦ ἔργου ἀπόνασθαι. [15] καταλήψεται δέ σε καὶ δόξα τῆς πράξεως ἀξία πρὸς πάντων ἀνθρώπων, ἥπερ ἐφ' ἐκάτερά σοι τῆς γνώμης ἐτοίμως ἔσθηκεν, [16] ὅποια γὰρ ἂν τῶν ἀρχόντων

τὰ ἔργα εἶη, τοιοῦτον ἀνάγκη καὶ ὑπὲρ αὐτῶν ὄνομα φέρεσθαι.’ τοσαῦτα μὲν Βελισάριος ἔγραψε. [17] Τουτίλας δὲ πολλάκις ἀναλεξάμενος τὴν ἐπιστολὴν καὶ τῆς παραινέσεως ἐς τὸ ἀκριβὲς πεπονημένος τὴν μάθησιν, ἐπείσθη τε καὶ Ῥώμην εἰργάσατο ἄχαρι περαιτέρω οὐδέν. σημήνας τε Βελισαρίῳ τὴν αὐτοῦ γνώμην τοὺς πρέσβεις εὐθὺς ἀπεπέμψατο. [18] καὶ τοῦ μὲν στρατοῦ τὸ πλεῖστον μέρος Ῥώμης οὐ πολλῷ ἄποθεν, ἀλλ’ ὅσον ἀπὸ σταδίων εἴκοσι καὶ ἑκατὸν ἐς τὰ πρὸς δύοντα ἥλιον ἐνστρατοπεδευσασμένους ἐν χωρίῳ Ἀληθδόνι ἐκέλευεν ἡσυχῇ μένειν, ὅπως δὴ μηδεμία ἐξουσία τοῖς ἀμφὶ Βελισάριον εἶη ἔξω πη τοῦ Πόρτου ἰέναι: αὐτὸς δὲ ζὺν τῷ ἄλλῳ στρατῷ ἐπὶ τε Ἰωάννην καὶ Λευκανοὺς ἦει. [19] Ῥωμαίων μέντοι τοὺς μὲν ἐκ τῆς συγκλήτου βουλῆς ζὺν αὐτῷ εἶχε, τοὺς δὲ ἄλλους ἅπαντας ζὺν τε γυναιξὶ καὶ παισὶν ἔστειλεν ἐς τὰ ἐπὶ Καμπανίας χωρία, ἐν Ῥώμῃ ἄνθρωπον οὐδένα ἐάσας, ἀλλ’ ἔρημον αὐτὴν τὸ παράπαν ἀπολιπών. [20] Ἰωάννης δὲ Τουτίλαν οἱ ἐπιέναι μαθὼν, μένειν ἐπὶ τῆς Ἀπουλίας οὐκέτι ἤξιου, ἀλλ’ ἐς τὸν Δρυοῦντα δρόμῳ ἀφίκετο. τῶν τε πατρικίων οἱ ἐς Καμπανίαν ἀγόμενοι ἐς Λευκανοὺς πέμψαντες τῶν οἰκείων τινάς, Τουτίλα γνώμῃ, τοὺς σφετέρους ἀγροίκους ἐκέλευον μεθίεσθαι μὲν τῶν πρασσομένων, τοὺς δὲ ἀγροὺς γεωργεῖν ἥπερ εἰώθεσαν: ἔσεσθαι γὰρ αὐτοῖς τάγαθὰ ἀπήγγελλον τῶν κεκτημένων. [21] οἱ δὲ ἀπετάξαντο μὲν τοῦ Ῥωμαίων στρατοῦ, ἐν δὲ τοῖς ἀγροῖς ἡσυχῇ ἔμενον: Τουλλιανὸς δὲ φυγὼν ὄχρετο, καὶ οἱ τριακόσιοι Ἄνται παρὰ τὸν Ἰωάννην ἀναχωρεῖν ἔγνωσαν. [22] οὕτω μὲν ἅπαντα τὰ ἐντὸς κόλπου τοῦ Ἰονίου, πλην τοῦ Δρυοῦντος, αὐτῷ ὑποχείρια Γότθοις τε καὶ Τουτίλα γέγονε. θαρσοῦντες δὲ ἤδη οἱ βάρβαροι καὶ κατὰ συμμορίας σκεδαννύμενοι περιήεσαν κύκλῳ ἅπαντα. [23] ὅπερ Ἰωάννης μαθὼν τῶν οἱ ἐπομένων πολλοὺς ἐπ’ αὐτοὺς ἐπεμψεν. οἱ δὲ τοῖς πολεμίοις ἀπροσδόκητοι ἐπιπεσόντες πολλοὺς ἔκτειναν. [24] καὶ ἀπ’ αὐτοῦ δείσας ὁ Τουτίλας, ἅπαντάς τε τοὺς ζὺν αὐτῷ ἀγείρας, ἀμφὶ ὅρος τὸ Γάργανον, ὅπερ ἐν Ἀπουλίῳις πού μέσοις ἀνέχει, ἐν τῷ Ἀννίβαλος τοῦ Λίβυος χαρακώματι στρατοπεδευσάμενος ἡσυχῇ ἔμενον.

Ἐν τούτῳ δὲ τῶν τις ζὺν τῷ Κόνωνι ἐκ Ῥώμης φυγόντων, ἡνίκα ἡ πόλις ἤλίσκετο, Μαρτινιανὸς ὄνομα, Βυζάντιος γενος, Βελισαρίῳ προσελθὼν στέλλεσθαι αὐτόμολος διῆθεν τῷ λόγῳ παρὰ τοὺς πολεμίους ἤξιου, μεγάλη Ῥωμαίους ἐπαγγελλόμενος ἀγαθὰ δράσειν: δόξαν τε τοῦτο Βελισαίῳ, ἀπιὼν ὄχρετο. καὶ αὐτὸν ὁ Τουτίλας ἰδὼν ὑπερφυνῶς ἦσθη. [2] εὐδοκίμουντα γὰρ ἐν μονομαχίαις τὸν νεανίαν ἤκουσέ τε καὶ εἶδε πολλάκις. ὄντων δὲ αὐτῷ παίδων τε δύο καὶ τῆς γυναικὸς ἐν τοῖς αἰχμαλώτοις, τὴν μὲν γυναῖκα καὶ τῶν παίδων τὸν ἕτερον εὐθὺς τῷ ἀνθρώπῳ ἀπέδωκε, τὸν δὲ ἕτερον ἐν ὁμήρου λόγῳ ἐφύλασσε, ἔς τε Σπολίτιον ζὺν ἑτέροις τισὶν ἐπεμψεν. [3] Ἐτύγχανον δὲ Γότθοι, ἡνίκα Ἡρωδιανοῦ ἐνδιδόντος Σπολίτιον εἶλον, τῆς μὲν πόλεως τὸν περίβολον ἐς τὸ ἔδαφος καθελόντες, τοῦ δὲ πρὸ τῆς πόλεως κυνηγεσίῳ, ὅπερ καλεῖν ἀμφιθέατρον νενομίκασι, τάς τε εἰσόδους ἐς τὸ ἀκριβὲς ἀποφράξαντες καὶ φρουρὰν ἐνταῦθα καταστησάμενοι Γότθων τε καὶ Ῥωμαίων τῶν αὐτομόλων, [4] ἐφ’ ᾧ φυλάξωσι τὰ ἐκείνη χωρία. Μαρτινιανὸς οὖν ἐπειδὴ εἰς Σπολίτιον ἦλθε, στρατιώτας πεντεκαίδεκα ἐταίρिसασθαι ἴσχυσεν, οὗσπερ ἀνέπειθε δράσαντάς τι ἐς τοὺς βαρβάρους μέγα οὕτω δὴ ἐπανάκειν ἐς τὸ

Ῥωμαίων στρατόπεδον. [5] στείλας δέ τινας καὶ παρὰ τὸν ἄρχοντα τοῦ ἐν Περυσία φυλακτηρίου ἐκέλευεν οἱ στρατεύματα ὅτι τάχιστα ἐς Σπολίτιον πέμψαι, τοῦ παντὸς λόγου τὴν δῆλωσιν ποιησάμενος. [6] Ὅδοιγὰν δὲ Οὐννος ἦρχε τότε τῆς ἐν Περυσία φρουρᾶς, Κυπριανοῦ πρὸς τοῦ τῶν αὐτοῦ δορυφόρων, ὥς μοι ἔμπροσθεν εἴρηται, δόλω ἐξ ἀνθρώπων ἀφανισθέντος. ὅσπερ ξὺν στρατεύματι ἐπὶ τὸ Σπολίτιον ἦει. [7] Μαρτινιανὸς δὲ ἄγχιστα πη εἶναι τὸ στρατεύμα τοῦτο αἰσθόμενος, ἅμα τοῖς πεντεκαίδεκα στρατιώταις τοῦ τε φυλακτηρίου τὸν ἄρχοντα ἐκ τοῦ αἰφνιδίου διέφθειρε καὶ τὰς πύλας ἀναπετάσας Ῥωμαίους ἅπαντας τῷ φρουρίῳ ἐδέξατο. οἱ δὲ κτείνουσι μὲν τῶν πολεμίων πλείστους, τινὰς δὲ ζωγρήσαντες παρὰ Βελισάριον ἤγον. [8] Ὀλίγω δὲ ὕστερον Βελισαρίῳ ἔννοια γέγονεν ἐς Ῥώμην τε ἀναβῆναι καὶ ἐς ὃ τι τύχης ἐληλύθει θεάσασθαι. τῶν στρατιωτῶν οὖν χιλίους ἀπολεξάμενος ἐνταῦθα ἦει. [9] Ῥωμαῖος δὲ ἀνὴρ ἀφικόμενος δρόμῳ ἐς τοὺς πολεμίους, οἵπερ ἐστρατοπεδεύοντο ἐν Ἀλγηδόνι, τὸ Βελισαρίου στρατεύμα ἤγγειλεν. [10] οἱ δὲ βάρβαροι προλοχίσαντες ἐνέδραις τισὶ τὰ πρὸ τῆς Ῥώμης χωρία, ἐπειδὴ ἄγχιστα πη ἀφικομένους τοὺς ἀμφὶ Βελισάριον εἶδον, ἐκ τῶν ἐνεδρῶν ἀναστάντες ἐπ' αὐτοὺς ἤεσαν. [11] μάχης τε καρτερᾶς γενομένης, τῇ σφετέρᾳ ἀρετῇ Ῥωμαῖοι τοὺς πολεμίους τρεψάμενοι, πλείστους τε διαφθείραντες ἐς τὸν Πόρτον εὐθὺς ἀνεχώρησαν. ταῦτα μὲν οὖν τῇδε ἐχώρησεν. [12] Ἔστι δὲ Καλαβρῶν ἐπιθαλασσία πόλις ὁ Τάρας, δυοῖν σχεδὸν τι ἡμέραιν ὁδὸν Δρυοῦντος διέχουσα, ἐπὶ τε Θουρίους καὶ Ῥηγίνους ἐνθένδε ἰόντι. [13] ἐνταῦθα Ἰωάννης ξὺν ὀλίγοις τισί, Ταραντηνῶν αὐτὸν ἐπαγαγομένων, ἀφίκετο, τοὺς λοιποὺς ἐπὶ τῇ τοῦ Δρυοῦντος φυλακῇ καταστησάμενος. [14] καὶ ἐπεὶ τὴν πόλιν εἶδε μεγίστην τε ὑπερφυῶς καὶ παντάπασιν ἀτείχιστον οὖσαν, πᾶσαν μὲν φυλάξαι οἷός τε ἔσεσθαι οὐδεμιᾷ μηχανῇ ὤφετο, ἰδὼν δὲ τὴν θάλασσαν τῆς πόλεως ἐς τὰ πρὸς βορρᾶν ἄνεμον ἀμφὶ τινα χῶρον στενὸν μάλιστα ἐκατέρωθεν ἐς κόλπον ἰοῦσαν, οὗ δὴ Ταραντηνῶν ὁ λιμὴν ἐστίν, ἰσθμὸν τε, ὥς τὸ εἰκός, τὸν ἐν μέσῳ χῶρον οὐχ ἦσσαν ἢ σταδίων εἴκοσιν ὄντα, ἐπενόει τάδε. [15] ἀποτεμῶν ἀπὸ τῆς ἄλλης πόλεως τὴν τοῦ ἰσθμοῦ μοῖραν τειχίσματί τε αὐτὴν περιέβαλεν ἐκ θατέρου θαλάσσης μέρους ἄχρι ἐς ἕτερον καὶ τάφρον βαθεῖαν ἀμφὶ τὸ τεῖχος ὥρυσεν. [16] ἐνταῦθ' αὖτε οὐ Ταραντηνοὺς μόνον, ἀλλὰ καὶ ὅσοι τὰ ἐκείνῃ χωρία ὄκουν συνήγαγε, καὶ φυλακὴν αὐτοῖς λόγου ἀξίαν ἐλίπετο. [17] ταῦτη τε Καλαβροὶ ἅπαντες ἐν τῷ ἀσφαλεῖ ἤδη γενόμενοι Γότθων ἐς ἀπόστασιν εἶδον. ταῦτα μὲν ἐφέρετο τῇδε. [18] Τουτίλας δὲ φρούριον ἐν Λευκανοῖς καταλαβὼν ἐχυρώτατον ἄγχιστα πη τῶν Καλαβρίας ὀρίων κείμενον, ὅπερ Ἀχεροντίδα καλοῦσι Ῥωμαῖοι, ἐνταῦθ' αὖτε φυλακῆριον ἀνδρῶν οὐχ ἦσσαν ἢ τετρακοσίων καταστησάμενος αὐτὸς ξὺν τῷ ἄλλῳ στρατῷ ἐπὶ Ῥάβενναν ἦει, τῶν βαρβάρων τινὰς ἀπολιπὼν ἐς τὰ ἐπὶ Καμπανίας χωρία, οἵπερ ἢ Ῥωμαίων ἐπέκειτο φυλακῇ, τῶν ἐκ τῆς συγκλήτου βουλῆς ἐνταῦθα ὄντων.

Βελισαρίῳ δὲ τόλμα προμηθῆς γέγονε τότε ἀρχὴν μὲν μανιώδης δόξασα εἶναι τοῖς τε ὁρῶσι καὶ ἀκούουσι πρῶτον, ἐκβᾶσα δὲ ἐς ἀρετῆς ἔργον ὑψηλὸν τε καὶ δαιμονίως ὑπέρογκον. [2] τῶν γὰρ στρατιωτῶν ὀλίγους τινὰς φρουρᾶς ἕνεκα τῆς ἐν Πόρτῳ ἀπολιπὼν αὐτὸς ξὺν τῷ ἄλλῳ στρατῷ ἐς Ῥώμην ἦλθε,

προσποιεῖσθαι τε αὐτὴν σθένει παντὶ ἤθελεν. [3] ἐπεὶ δὲ οὐχ οἷός τε ἦν ὅσα καθελὼν τοῦ περιβόλου Τουτίλας ἔτυχε βραχεῖ ἀνοικοδομήσασθαι χρόνῳ, ἐποίει τάδε. [4] λίθους ἀγχιστὰ πη ὄντας ξυναγαγὼν ἐπ' ἀλλήλους οὐδενὶ κόσμῳ ξυνέβαλεν, οὐδὲν τὸ παράπαν ἐντὸς ἔχοντας, ἐπεὶ οὔτε τίτανον εἶχεν οὔτε τι ἄλλο τοιοῦτον, ἀλλ' ὅπως μόνον τὸ τῆς οἰκοδομίας σώζοιτο πρόσωπον, σκολόπων τε μέγα τι χρῆμα ἔξωθεν ἴστη. [5] ἐτύγγανε δὲ καὶ τάφρους βαθείας ἀμφὶ τὸν περιβόλον ὅλον ὀρύξας πρότερον, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [6] παντὸς δὲ τοῦ στρατοῦ προθυμία τῇ πάσῃ ταῦτα ἐργαζομένου πέντε καὶ εἴκοσιν ἡμερῶν ὅσα τοῦ περιβόλου καθήρητο τῷ τρόπῳ τούτῳ τετέλεστο. [7] τῶν τε Ῥωμαίων ὅσοι ἀμφὶ τὰ ἐκείνη χωρία ὤκνητο ἐνταῦθα ἠγείροντο, τῆς τε ἐν Ῥώμῃ οἰκήσεως ἐπιθυμία καὶ ὅτι τῶν ἐπιτηδείων τέως σπανίζοντες ἀφθονίαν ἐνταῦθα εὔρον, ἥνπερ Βελισάριος ποιεῖν ἴσχυσε, ναῦς ὅτι πλείστας πάντων ἐμπλησάμενος τῶν ἀναγκαίων, ἔς τε Ῥώμην διὰ τοῦ ποταμοῦ ἐσκομίσας. [8] Ταῦτα ἐπεὶ Τουτίλας ἤκουσεν, ἄρας αὐτίκα παντὶ τῷ στρατῷ ἐπὶ Βελισάριόν τε καὶ Ῥώμην ἦλθεν, οὐπω Βελισαρίου τὰς πύλας ἐναρμόσασθαι τῷ περιβόλῳ ἰσχύσαντος. [9] πάσας γὰρ διαφθείρας Τουτίλας ἔτυχεν, ὥσπερ οὐκ ἔφθη τεχνιτῶν ἀπορία Βελισάριος τεκτινάμενος. [10] ἐπεὶ δὲ ὁ τῶν βαρβάρων στρατὸς ἀγχοῦ ἐγένοντο, τότε μὲν ἐνστρατοπεδευσάμενοι ἠλίσσαντο παρὰ Τίβεριν ποταμόν, ἡμέρα τε τῇ ἐπιγενομένη ἅμα ἡλίῳ ἀνίσχοντι θυμῷ τε πολλῷ καὶ θυρόβῳ ἐχόμενοι ἀμφὶ τὸ τεῖχος ἦεσαν. [11] Βελισάριος δὲ τῶν μὲν στρατιωτῶν τοὺς μαχιμωτάτους ἀπολεξάμενος ἐς τὴν χώραν τῶν πυλῶν ἔστησε, τοὺς δὲ λοιποὺς ἄνωθεν ἀπὸ τῶν περιβόλων ἀμύνεσθαι τοὺς ἐπionτας πάσῃ δυνάμει ἐκέλευε. [12] γέγονε τοῖνυν καρτερὰ μάχη. οἱ γὰρ βάρβαροι τὰ μὲν πρῶτα ἐλπίδα εἶχον αὐτοβοεῖ τὴν πόλιν αἰρήσειν, τοῦ δὲ πράγματος σφίσιν ἀντιστατοῦντος, καὶ τῶν Ῥωμαίων ἰσχυρότατα ἀμυνομένων, ὀργῇ χρώμενοι τοῖς πολεμίοις ἐπέκειντο, τοῦ θυμοῦ σφᾶς παρὰ δύναμιν ἐς τὴν εὐτολμίαν ὀρμώντος. [13] οἱ τε Ῥωμαῖοι παρὰ δόξαν ἀντείχοντο, τοῦ κινδύνου, ὥς τὸ εἰκός, ἐς τὴν εὐψυχίαν ἐνάγοντος. [14] γέγονεν οὖν φόνος τῶν βαρβάρων ἅτε ἀφ' ὑψηλοῦ βαλλομένων πολὺς, κόπῳ τε πολλῷ καὶ ταλαιπωρίᾳ ἐκότεροι εἶχοντο καὶ ἡ μάχη πρῶτ' ἀρξαμένη ἐτελεύτα ἐς νύκτα. [15] ἔπειτα οἱ μὲν βάρβαροι ἐν τοῖς στρατοπέδοις γενόμενοι ἐνυκτέρευσαν, τῶν ἐν σφίσιν τραυματιῶν ἐπιμελούμενοι, Ῥωμαῖον δὲ οἱ μὲν ἄλλοι ἐν τῷ περιβόλῳ φυλακὴν εἶχον, οἱ δὲ ἀνδρίας πέρι μάλιστα πάντων εὖ ἤκοντες ἐν περιτροπῇ τὰς τῶν πυλῶν χώρας ἐφύλασσον, τριβόλους ἔμπροσθεν πολλοὺς θέμενοι, ὅπως μὴ ἐξ ἐπιδρομῆς οἱ πολέμιοι ἐπὶ σφᾶς ἴωσιν. [16] Οἱ δὲ τριβόλοι τοιοῦδε εἰσί. σκολόπων τεττάρων ἰσομήκων μάλιστα τὰ ὀπισθε πρὸς ἄλληλα ἐναρμολογούμενοι τριγώνου σχῆμα τὰς αὐτῶν εὐθείας πανταχόθεν ἐργάζονται, καὶ αὐτοὺς ἐς τὴν γῆν ὅπου παρατύχη ρίπτουσι. [17] ταύτῃ τε τῶν σκολόπων οἱ μὲν τρεῖς ἐς τὸ ἔδαφος ἰσχυρότατα ἐστήκασιν πάντες, ὁ δὲ λειπόμενος ἀνέχων μόνος ἐμπόδιον ἀνδράσι τε καὶ ἵπποις ἐς αἰὲ γίγνεται. [18] ὁσάκις δὲ τις τοῦτον δὴ κυλινδεῖ τὸν τρίβολον, ὁ μὲν τέως ἐκ τῶν σκολόπων τὴν τοῦ ἀέρος ὀρθιον κληρωσάμενος χώραν ἐς τὸ ἔδαφος ἔστηκεν, ἄλλος δὲ ἀντ' αὐτοῦ γιγνόμενος ἄνω τοῖς ἐπιέναι βουλομένοις ἐμπόδιόν ἐστιν. οἱ μὲν τρίβολοι τοιοῦδε εἰσίν. ἐκότεροι δὲ οὕτω μετὰ τὴν μάχην ἠλίσσαντο. [19]

Τῇ δὲ ὕστεραίᾳ Τουτίλᾳ αὖθις παντὶ τῷ στρατῷ τειχομαχεῖν ἔγνω, οἱ δὲ Ῥωμαῖοι τρόπῳ τῷ εἰρημένῳ ἡμύνοντο. καθυπέρτεροί τε τῇ ξυμβολῇ γεγενημένοι ἐπέξελθεῖν τοῖς πολεμίοις ἐθάρσησαν. [20] καὶ τῶν βαρβάρων ὑποχωρούντων διώκοντες τῶν Ῥωμαίων τινὲς πόρρῳ πού τοῦ περιβόλου ἐγένοντο. οὓς δὴ κυκλώσεσθαι οἱ βάρβαροι ἔμελλον, ὥς μὴ ἀναστρέφειν ἐς τὴν πόλιν δυνατοὶ εἶεν. ἀλλὰ Βελισάριος ἑκατένοιθε γὰρ τὰ ποιούμενά τῶν ἀμφ' αὐτὸν πολλοὺς ἐνταῦθα στείλας διασώσασθαι τοὺς ἄνδρας ἴσχυσεν. [21] οὕτω τε ἀποκρουσθέντες οἱ βάρβαροι ἀνεχώρησαν, πολλοὺς μὲν ἀποβεβληκότες τῶν ἐν σφίσι μαχίμων, πλείστους δὲ τραυματίας ἐς τὸ στρατόπεδον ἐπαγόμενοι. [22] ἐνταῦθ' αὖτε ἡσυχῇ ἔμενον, τὰ τε τραύματα θεραπεύοντες καὶ τῶν ὀπλῶν ἐπιμελούμενοι ἅμα γὰρ σφίσι διέφθαρτο ἤδη καὶ τὰ ἄλλα ἐν παρασκευῇ πάσῃ ποιούμενοι. Ἡμέραις δὲ πολλαῖς ὕστερον ἐπὶ τὸν περίβολον ὥς τειχομαχήσαντες ἦσαν. [23] Ῥωμαῖοι δὲ σφίσιν ὑπαντίασαντες ἐς χεῖρας ἦλθον. τύχῃ τέ τινα ὁ τὸ Τουτίλα σημεῖον φέρων καιρίαν πληγὴν αὐτὸς τε ἐκ τοῦ ἵππου ἐκπίπτει καὶ τὸ σημεῖον ἐς τὴν γῆν ἔρριψε. [24] καὶ Ῥωμαίων μὲν ὅσοι ἐς τὰ πρῶτα ἐμάχοντο, ὥρμησαν ὥστε τὸ σημεῖον καὶ τὸν νεκρὸν ἀρπασόμενοι. φθάσαντες δὲ τῶν βαρβάρων οἱ εὐτολμότατοι τό τε σημεῖον ἀρπάζουσι καὶ τοῦ νεκροῦ χεῖρα τὴν λαιὰν ἀποτεμόντες ξὺν αὐτοῖς ἔλαβον. [25] ψέλλιον γὰρ χρυσοῦν ἐπὶ ταύτης ὁ πεπτωκὼς φορῶν ἔτυχε λόγου ἄξιον, ὅπερ ἐναβρύνεσθαι τοὺς ἐναντίους ἤκιστα ἤθελον, φεύγοντες δηλονότι τὴν ἀπὸ τοῦ ἔργου αἰσχύνῃ. [26] καὶ ὁ μὲν τῶν βαρβάρων στρατὸς ἐς ὑπαγωγὴν ἐτρέποντο οὐδενὶ κόσμῳ, Ῥωμαῖοι δὲ τὸ μὲν ἄλλο τοῦ νεκροῦ σῶμα ἐσκύλευσαν, τοὺς δὲ πολεμίους ἐπὶ πλείστον διώκοντες πολλοὺς ἔκτειναν, ἔς τε τὴν πόλιν κακῶν παντάπασιν ἀπαθεῖς ἦλθον. [27] Τότε δὲ ὅσοι ἐν Γότθοις λόγιμοι ἦσαν Τουτίλᾳ προσελθόντες ἐλοιδοροῦντό τε καὶ ἀνέδην αὐτῷ τὴν ἀβουλίαν ὠνείδιζον, ὅτι δὴ Ῥώμην ἐλὼν οὔτε ξύμπασαν ἐς ἔδαφος καθεῖλεν, ὅπως μηκέτι τοῖς πολεμίοις καταληπτὴ εἴη, οὔτε αὐτὸς ἔσχεν, ἀλλ' ὅπερ πόνῳ τε καὶ χρόνῳ πολλῷ αὐτοῖς ἐργασθὲν ἔτυχε, τοῦτο λόγῳ αὐτὸς οὐδενὶ διαφθεῖρειν. [28] οὕτω τοῖς ἀνθρώποις ἐμπέφυκε πρὸς τῶν πραγμάτων τὰς ἀποβάσεις αἰεὶ τὴν γνώμην ρυθμίζειν καὶ τὴν διάνοιαν τῷ τῆς τύχης ῥεύματι προσχωρεῖν, ἀγχιστρόφους τε ἀπ' αὐτοῦ τὰς μεταστάσεις ποιεῖσθαι τῆς δόξης. [29] διὸ δὴ καὶ Γότθοι εὐημεροῦντα μὲν τοῖς ἐγχειρήμασι Τουτίλαν ἐτεθήπεσαν ἴσα θεῷ, ἁμαχόν τινα καὶ ἀήττητον ἀποκαλοῦντες, ἥνικα πόλεων τῶν ἀλίσκομένων ἐκ μοίρας τινὸς τὰ τεῖχη διαφθεῖρειν εἶα, σφαλέντι δέ, ὥπερ ἐρρήθη, λοιδορεῖσθαι οὐκ ἀπηξίουν τῶν ἑναγχοῦ σφίσιν ἀμφ' αὐτὸν εἰρημένων ἀμνημονοῦντες, ἀπ' ἐναντίας τε αὐτῶν οὐδεμιᾷ ὀκνήσει ἰόντες. [30] ἀλλὰ ταῦτα μὲν καὶ τὰ τοιαῦτα οὐχ οἷον τέ ἐστὶ μὴ οὐχὶ τοῖς ἀνθρώποις ἐς αἰεὶ ἀμαρτάνεσθαι, ἐπεὶ καὶ φύσει γίνεσθαι εἴωθε. [31] Τουτίλας δὲ καὶ οἱ βάρβαροι λύσαντες τὴν προσεδρεῖαν ἐς Τίβουριν πόλιν ἀφίκοντο, πάσας σχεδὸν τι τὰς τοῦ Τιβέριδος γεφύρας διελόντες, ὅπως μὴ Ῥωμαῖοι εὐπετῶς σφίσιν ἐπιέναι οἴοι τε ᾧσι. [32] γέφυραν μέντοι μίαν, ἣ Μολιβίου ἐπώνυμός ἐστι, διαφθεῖραι οὐδαμῇ ἴσχυσαν, ἐπεὶ ἀγχιστα τῆς πόλεως ἐτύγχανεν οὕσα. τό τε ἐν Τιβούρει φρούριον ἀνοικοδομήσασθαι σθένει παντὶ ἔγνωσαν. [33] καθελόντες γὰρ αὐτὸ πρότερον

ἔτυχον: τὰ τε χρήματα ἐνταῦθα καταθέμενοι ἅπαντα ἡσυχῇ ἔμενον. [34] καὶ Βελισάριος ἀδεέστερον ἤδη τὰς πύλας τοῦ Ῥώμης περιβόλου πανταχόθι ἐφαρμοσάμενος σιδήρῳ τε αὐτὰς περιβαλὼν αὐθις βασιλεῖ τὰς κλεῖς ἔπεμψε. καὶ ὁ χειμὼν ἔληγε, καὶ τὸ δωδέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψεν.

Ἐτύγχανε δὲ πολλῷ πρότερον στράτευμα ἐπὶ Περυσίαν ὁ Τουτίλας στείλας, οἵπερ ἀμφὶ τὸν τῆς πόλεως περίβολον ἐνστρατοπεδευσάμενοι ἐπολιόρκουν ἐς τὸ ἀκριβὲς τοὺς ταύτη Ῥωμαίους. [2] καὶ ἐπεὶ τῶν ἐπιτηδείων αὐτοὺς σπανίζοντας ἦσθοντο ἤδη, πέμπαντες παρὰ Τουτίλαν ἐδέοντο παντὶ τῷ στρατῷ ἐνταῦθα ἰέναι, ῥᾶον ἂν οὕτω καὶ ἀπονώτερον ἐξελεῖν Περυσίαν τε καὶ τοὺς ἐνταῦθα Ῥωμαίους οἰόμενοι. [3] Τουτίλας δὲ οὐ λίαν ἐς τὰ ἐπαγγελλόμενα προθυμουμένους τοὺς βαρβάρους ὁρῶν παραίνεσιν τινα ποιῆσθαι ἐς αὐτοὺς ἠθέλε. [4] διὸ δὴ ζυγκαλέσας ἅπαντας ἔλεξε τοιάδε: “Ὅρων ὑμᾶς, ἄνδρες ζυστρατιῶται, ἐμὲ μὲν οὐκ ὀρθῶς δι’ ὀργῆς ἔχοντας, ἀγανακτοῦντας δὲ πρὸς τὸ τῆς τύχης ζυμπεπτωκὸς ἐναντίωμα, ζυναγαγεῖν τανῦν ἔγνωκα, ὅπως ὑμῶν δόξαν ὥς ἡκιστα ὀρθὴν ἀφελὼν ἀντικαθιστάναι τὴν γνώμην ἐπὶ τὰ βελτίω δυνήσωμαι, καὶ μήτε ἀχαριστεῖν οὐδὲν ὑμῖν προσῆκον ἐς ἐμὲ δόξητε μήτε ἀγνωμοσύνη εἰς τὸ θεῖον ὑπὸ ἀβελτερίας χρῆσθαι. [5] τὰ γὰρ ἀνθρώπεια καὶ σφάλλεσθαι ποτε πέφυκεν, ὅστις τε ἄνθρωπος ὢν εἴτα δυσχερῶς ἔχων ἐς τὰ προσπίπτοντα φαίνεται, αὐτὸς μὲν ἀμαθίας, ὥς τὸ εἰκός, ἀποίσεται δόξαν, οὐδὲν δὲ ὑπεκστήσεται τὴν ἀπὸ τῆς τύχης ἀνάγκην. [6] βούλομαι δὲ τῶν πρότερον πεπραγμένων ὑμᾶς ὑπομνησαι, οὐχ ὅσον ἔνεκα τοῦ τὰς αἰτίας τῶν ζυμβεβηκότων ἐκλύσασθαι, ἀλλὰ καὶ τοῦ δικαιότερον ἂν ταύτας ὑμῖν προσῆκειν ἐνδείκνυσθαι. [7] Οὐίτιγίς γάρ τὸ ἐξ ἀρχῆς καθιστάμενος ἐς πόλεμον τόνδε Φανοῦ μὲν καὶ Πισαύρου τῶν ἐπιθαλασσίων πόλεων τὰ τεῖχη καθεῖλε, Ῥώμην δὲ καὶ τὰς ἄλλας Ἰταλίας πόλεις ἀπάσας ἀφῆκεν οὐδ’ ὅτιοῦν λυμηνάμενος. [8] ἐκ μὲν οὖν Φανοῦ καὶ Πισαύρου φλαῦρον οὐδὲν Γότθοις ζυμβέβηκεν, ἐκ δὲ τοῦ Ῥώμης περιβόλου καὶ τῶν ἄλλων ὀχυρωμάτων ταύτῃ, ἥπερ ὑμεῖς ἴστε, Γότθοις καὶ Οὐιττίγιδι ἐκεχωρήκει τὰ πράγματα. [9] Ἐγὼ τοίνυν ἐπειδὴ διδόντων ὑμῶν τὴν ἀρχὴν ἔλαβον, ἐλογισάμην τῶν ἔργων τοῖς ἀμείνοσι δόξασιν εἶναι μᾶλλον ἔπεσθαι ἢ ἐκ τῶν λυμηνάμενων τοῖς πράγμασι διδόναι βλάβος. [10] φύσει μὲν γὰρ ἄνθρωποι οὐδὲν τι μέγα διαφέρειν ἀλλήλων δοκοῦσιν, ἢ δὲ πείρά τισι γινομένη διδάσκαλος κρεῖσσω τὸν ἐκμαθόντα τῶν οὐ τετυχηκότων τῆς διδασκαλίας τῷ παντὶ τίθῃσιν. [11] ἐπειδὴ τοίνυν Βενεβεντὸν εἵλομεν, τὰ τεῖχη καθελόντες τῶν ἄλλων εὐθὺς ἐκρατοῦμεν, ὥνπερ ὁμοίως τοὺς περιβόλους καθελεῖν ἔγνωμεν, ὅπως μὴ ἐξ ἐχυροῦ τινος ὁρμώμενος ὁ τῶν πολεμίων στρατὸς σοφίζεσθαι τὸν πόλεμον δυνατὸς εἴη, ἀλλ’ ἐκ τοῦ εὐθέος ἀναγκάζεται ἡμῖν ἐς πεδῖον κατιῶν ἐς χεῖρας ἰέναι. [12] καὶ οἱ μὲν ἔφευγον, ἐγὼ δὲ καθαιρεῖν τῶν πόλεων τὰς ἀλισκομένας ἐκέλευον. [13] ὑμεῖς δὲ τὴν εὐβουλίαν θαυμάζοντες ὑπουργεῖτε τῇ γνώμῃ ταύτῃ, τὸ ἔργον, ὥς τὸ εἰκός, οἰκειούμενοι. ὁ γὰρ ἐπαινέσας τὸν δράσαντα οὐδὲν τι ἦσσαν τῶν πεπραγμένων αὐτουργὸς γίνεται. [14] νῦν δὲ μεταβέβλησθε, ὧ φίλτατοι Γότθοι, ἐπειδὴ ξυνέβη Βελισάριον κρεῖσσον λόγου θράσος ἐλόμενον τῶν ἐγκεχειρημένων αὐτῷ

παρὰ δόξαν κρατεῖν, καὶ ἀπ' αὐτοῦ καταπεπλήχθαι τὸν ἄνθρωπον ἅτε ἀνδρεῖον ὑμῖν ξυμβαίνει. [15] ῥᾶον γὰρ οἱ θρασεῖς εὐτολμοὶ κέκληνται ἢ οἱ προμηθεῖς ἀσφαλεῖς. ὁ μὲν γὰρ παρὰ τὰ καθεστῶτα τολμήσας ἐννοία τοῦ δοκοῦντος δραστηρίου τετίμηται, ὁ δὲ προμηθεὶ γνώμη ἀποκνήσας τὸν κίνδυνον ἀποτυχὼν τε τὴν αἰτίαν ἐπισπᾶται τῶν ξυμπιπτόντων καὶ πράξας κατὰ νοῦν οὐδὲν αὐτὸς τοῖς γε ἀμαθέσιν ἐργάσασθαι δοκεῖ. [16] Χωρὶς δὲ τούτων οὐκ ἐκλογίζεσθε ὅτι ἐμοὶ χαλεπαίνετε, δι' ὧν ὑμῖν ἀγανακτεῖν ξυμβαίνει τανῦν. Ἡ Βελισάριον εὐδοκιμηκέναι καθ' ὑμῶν οἴεσθε, οἵπερ δορυάλωτοι ὄντες καὶ δραπέται γεγενημένοι ὑπ' ἐμοί τε στρατηγοῦντι ὅπλα ἀντάραντες ὑπερβαλέσθαι πολλάκις αὐτὸν τῷ πολέμῳ δεδύνησθε; [17] καίτοι εἰ μὲν ἐμῇ ἀρετῇ ἐκεῖνα ὑμᾶς εἰργάσθαι ξυνέβη, ταύτην ὑμᾶς αἰσχυνομένους χρήσιωπᾶν, ἐν τοῖς πταίσμασι δὴ τῶν ἀνθρώπων ἐνθυμουμένους ὥς οὐδὲν πέφυκεν ἐφ' ἑαυτοῦ μένειν: εἰ δέ τις ὑμῖν τύχῃ ἐκεῖνο τὸ κράτος ἐβράβευσε, σέβειν μᾶλλον ἢ δυσκόλως πρὸς αὐτὴν ἔχειν ὑμῖν ξυνοίσει, ὥς μὴ προσκεκρουκότες τὴν εὐγνωμοσύνην μεταμαθεῖν βιάζησθε. [18] καίτοι πῶς οὐκ ἂν ἀπὸ τοῦ σώφρονος τρόπου φανεῖη τοὺς πολλὰ τε καὶ μεγάλα περιβεβλημένους εὐτυχήματα οὐ πολλῷ ἔμπροσθεν ἐν βραχεῖ τε τανῦν πταίσαντας οὕτω δεδουλωσθαι τὸ φρόνημα; οὐ γὰρ ἄλλο οὐδὲν τὸ τοιοῦτόν ἐστιν ἢ ἀπαξιοῦν τε καὶ ἀπαρνεῖσθαι ἀνθρώπους εἶναι. [19] τὸ γὰρ ἐν οὐδενὶ σφάλλεσθαι χρόνῳ θεοῦ ἂν ἴδιον γένοιτο. τούτων τοίνυν φημὶ χρῆναι ἀφεμένους ὑμᾶς προθυμία τῇ πάσῃ ὁμόσε τοῖς ἐν Περυσίᾳ πολεμίοις ἰέναι. ἦν γὰρ ἐκείνους ἐξελεῖν δυνήσησθε, αὐθις ὑμῖν τὰ τῆς τύχης ἐν καλῷ κείσεται. [20] τὸ μὲν γὰρ ξυμπεσὼν οὐδ' ἂν ὁ πᾶς αἰὼν ἀποίητον τίθεσθαι δύναίτο, εὐτυχημάτων δὲ ἄλλων ἐπιγινομένων τοῖς ἐπταικόσι λελωφηκέναι ξυμβαίνει τὴν τῶν κακῶν μνήμην. [21] Ἔσται δὲ ὑμῖν ἡ Περυσίας ἐπικράτης οὐδενὶ πόνῳ. Κυπριανὸς γὰρ ὅς τῶν ἐνταῦθα Ῥωμαίων ἦρχε, τύχῃ τε καὶ βουλαῖς ἡμετέραις ἐκποδὼν γέγονε, πλήθος δὲ ἄναρχον ἄλλως τε καὶ τῶν ἀναγκαίων ὑποσπανίζον ἀνδραγαθίζεσθαι ἥκιστα πέφυκεν. [22] οὐ μὴν οὐδὲ ὀπισθὲν τις ἐς ἡμᾶς κακουργήσει: τάς τε γὰρ τοῦ ποταμοῦ γεφύρας τούτου ἔνεκα καθελεῖν ἔγνωκα, ὥς μὴ τι πάθοιμεν ἐξ ἐπιδρομῆς ἀπροσδόκητον, καὶ ὑπόπτους ξυμβαίνει Βελισάριόν τε καὶ Ἰωάννην ἀλλήλοις εἶναι, ὅπερ διὰ τῶν πεπραγμένων ὁρᾶν ἄρεστι. [23] γινῶμαι γὰρ ἀλλήλαις μαχόμεναι διὰ τῶν ἔργων ἐλέγχονται. οὐκοῦν οὐδέ πῃ ἀλλήλοις ἐπιμίγνυσθαι ἐς τότε τοῦ χρόνου δεδύνηνται. ἀναχαιτίζει γὰρ ἑκάτερον ἢ ἐς ἀλλήλους ἀμφοῖν ὑποψία. οἷς δ' ἂν αὕτη ἐγγένηται, φθόνον τε καὶ ἔχθος ἐπάναγκες ξυνοικίζεσθαι. [24] ὧν δὴ μεταξὺ ἐπιτεσόντων γενέσθαι τι τῶν δεόντων ἀδύνατον.' τοσαῦτα ὁ Τουτίλας εἰπὼν ἐπὶ Περυσίαν ἐξῆγε τὸ στράτευμα, ἐνταῦθά τε ἀφικόμενοι ἄγχιστα τοῦ περιβόλου ἐστρατοπεδεύσαντο καὶ ἐγκαθεζόμενοι ἐς πολιορκίαν καθίσταντο.

Ἐν ᾧ δὲ ταῦτα ἐγένετο τῇδε, ἐν τούτῳ Ἰωάννη Ἀχεροντίδα τὸ φρούριον πολιορκοῦντι, ἐπεὶ οὐδὲν προὔχῳρει, ἐννοία τις καὶ τόλμα γέγονεν, ἡ Ῥωμαίων μὲν τὴν βουλήν διασώσασθαι, αὐτῷ δὲ κλέος περιβαλέσθαι μέγα τε καὶ ὑπερφυῆς ἐς ἀνθρώπους ἅπαντας ἴσχυσε. [2] Τουτίλαν γὰρ καὶ τὸν Γότθων στρατὸν τειχομαχεῖν ἀκούσας ἀμφὶ τὸν Ῥώμης περίβολον, τῶν ἱπέων τοὺς δοκιμωτάτους ἀπολεξάμενος, τῶν πάντων οὐδενὶ προρρηθέν, ἐς Καμπανούς,

οὔτε νύκτα ἀνιείς οὔτε ἡμέραν, ἥει ἔνταυθα γὰρ αὐτοὺς ἀπολιπὼν Τουτίλας ἔτυχεν, ὅπως ἐπιπεσὼν ἀπροσδόκητος ἀναρπάσαι τε καὶ διασώσασθαι τοὺς ἀπὸ τῆς συγκλήτου βουλῆς οἴος τε εἶη ἅτε τῶν ἐνταυθα χωρίων ἀτειχίστων παντάπασιν ὄντων. [3] Ξυνηνέχθη δὲ ὑπὸ τὸν χρόνον τοῦτον Τουτίλαν δείσαντα, ὅπερ ἐγένετο, μὴ τις τῶν πολεμίων ἐς τοὺς αἰχμαλώτους κακουργήσων ἴοι, στράτευμα ἐπὶ Καμπανίας ἱππέων στείλαι. [4] οἱ δὲ ἐπεὶ ἐν Μεντούρῃ πόλει ἐγένοντο, ἄμεινον σφίσιν ἔδοξεν εἶναι τοὺς μὲν πλείστους ἐνταυθα ἡσυχῇ μένειν τῶν τε ἵππων ἐπιμελεῖσθαι ἵκω γὰρ πολλῶ ἐν ταύτῃ τῇ πορείᾳ σφίσιν ὁμιλῆσαι ξυνέβη, στείλαι δὲ τινας τὰ ἐν Καπύῃ τε κατασκευομένους καὶ τοῖς ταύτῃ χωρίοις. χώραν δὲ ξυμβαίνει εἶναι τὴν μεταξὺ οὐ πλεόν ἢ σταδίους τριακοσίου. [5] τετρακοσίου οὖν, οὔσπερ δὴ ἵπποις τε καὶ σώμασιν ἀκραιφνέσι χρῆσθαι ξυνέτυχε, ἐπὶ κατασκοπῇ ἔπεμψαν. [6] τύχῃ τέ τινι ξυνηνέχθη ἐκείνῃ τῇ ἡμέρᾳ ὑπὸ τὸν αὐτὸν χρόνον τὸν τε ξὺν τῷ Ἰωάννῃ στρατὸν καὶ τούτους δὴ τοὺς τετρακοσίους βαρβάρους ἐν Καπύῃ γενέσθαι, οὐδετέρους τι πρότερον τῶν ἐναντίων πέρι ἀκούσαντας. [7] καὶ μάχῃ μὲν ἐκ τοῦ αἰφνιδίου ἰσχυρὰ γίνεται· ἅμα γὰρ τῇ ὄψει ἐς χεῖρας ἦλθον· νικῶσι δὲ κατὰ κράτος Ῥωμαῖοι καὶ τοὺς πλείστους τῶν πολεμίων εὐθὺς ἔκτειναν. [8] ὀλίγοι τε τῶν βαρβάρων τινὲς φυγεῖν ἴσχυσαν, καὶ δρόμῳ ἐχόμενοι ἐς Μεντοῦρναν ἀφίκοντο. οὔσπερ ἐπεὶ οἱ ἄλλοι εἶδον τοὺς μὲν αἵματι περιρρεομένους, τοὺς δὲ καὶ τὰ βέλη ἐν τοῖς σώμασιν ἔτι φέροντας, ἄλλους δὲ οὔτε τι φθεγγομένους οὔτε τι ἀπαγγέλλοντας τῶν ξυμπεσόντων, ἀλλ' ἔτι τῆς ὑπαγωγῆς ἐχομένους καὶ τὸ ἐν σφίσιν αὐτοῖς δέος ἐνδεικνύντας, αὐτίκα ἐς τοὺς ἵππους ἀναθορόντες ξὺν αὐτοῖς ἔφευγον. [9] καὶ παρὰ Τουτίλαν ἐλθόντες πλῆθος ἀμύθητον εἶναι τῶν πολεμίων ἐσήγγελλον, ταύτῃ δηλονότι τὴν ἐκ τῆς φυγῆς αἰσχύνῃν ἰώμενοι. [10] Ἐτύγχανον δὲ στρατιῶται Ῥωμαῖοι οὐχ ἦσσαν ἢ ἑβδομήκοντα τῶν εἰς Γότθους ἡτομοληκότων τὸ πρότερον ἐς τὰ ἐπὶ Καμπανίας χωρία ἰόντες, [11] οἷπερ Ἰωάννῃ προσχωρεῖν ἔγνωσαν. Ἰωάννης δὲ ἄνδρας μὲν τῶν ἐκ βουλῆς ὀλίγους τινὰς ἐνταυθα εὔρε, γυναῖκας δὲ σχεδόν τι ἀπάσας. [12] Ῥώμης γὰρ ἀλισκομένης πολλοὶ μὲν ἄνδρες φεύγουσι τοῖς στρατιώταις ἐπισπόμενοι ἐς τὸν Πόρτον ἀφίκοντο, ταῖς δὲ γυναιξὶ πάσαις ἀλῶναι ξυνέβη. [13] Κλημεντῖνος μέντοι, πατρίκιος ἀνὴρ, καταφυγὼν ἔς τινα τῶν ἐκείνῃ νεῶν, τῷ Ῥωμαίων στρατῷ ἔπεσθαι οὐδαμῇ ἠθέλεν, ἐπεὶ φρούριον ὃ Νεαπόλεως ἀγχιστά ἐστι Τουτίλα τε καὶ Γότθοις ἐνδοὺς πρότερον, τὴν βασιλέως, ὡς τὸ εἰκός, ὀργὴν ἐδεδίει· Ὁρέστης τε, ὁ Ῥωμαίων γεγωνὼς ὑπατος, ἀγχιστα μὲν πῃ ἐτύγχανεν ὢν, ἵππων δὲ ἀπορία ὡς ἥκιστα ἐθέλων αὐτοῦ ἔμενε. [14] τοὺς μὲν οὖν ἐκ τῆς συγκλήτου βουλῆς ξὺν τοῖς προσκεχωρηκόσιν ἑβδομήκοντα στρατιώταις ἐς Σικελίαν εὐθὺς ἔστειλεν ὁ Ἰωάννης. [15] Τουτίλας δὲ ταῦτα ἀκούσας ἐν πένθει ἐποιεῖτο μεγάλῳ καὶ τίσασθαι Ἰωάννην τοῦ ἔργου τούτου ἡπείγετο. διὸ δὲ ξὺν τῷ πλείονι τοῦ στρατοῦ ἐπ' αὐτὸν ἤλαυνε, τῶν οἱ ἐπομένων μοῖραν τινα φρουρᾶς ἕνεκα ἐνταυθα ἀπολιπὼν. [16] ἐτύγχανε δὲ Ἰωάννης ξὺν τοῖς ἀμφ' αὐτόν, χιλίοις οὖσιν, ἐν Λευκανοῖς στρατόπεδον ποιησάμενος κατασκόπους τε πρότερον πέμψας, οἱ δὲ ἀπάσας διερευνώμενοι τὰς ὁδοὺς ἐφύλασσον μὴ πολεμίων στρατὸς κακουργήσων ἐπ' αὐτοὺς ἦν. [17] ἐν νῶ τε τὸ τοιοῦτον Τουτίλας ἔχων, ὅτι δὴ

οὐχ οἶόν τέ ἐστι κατασκόπων χωρὶς τοὺς ἀμφὶ τὸν Ἰωάννην ἐν τῷ στρατοπέδῳ καθῆσθαι, τὰς συνειθισμένας ὁδοὺς ἐκλιπὼν διὰ τῶν ὁρῶν, ἅπερ ἐνταῦθα πολλὰ κρημνώδη τε καὶ ὑψηλὰ λίαν ἀνέχει, ἐπ' αὐτοὺς ἤλαυνεν, ὅπερ οὐκ ἂν τις ὑποτοπάζειν ἔσχεν, ἐπεὶ καὶ ἄβατα τὰ ὄρη ταῦτα νομίζεται εἶναι. [18] οἱ μέντοι ἐπὶ ταύτῃ δὴ τῇ κατασκοπῇ πρὸς τοῦ Ἰωάννου σταλέντες αἰσθόμενοι μὲν πολεμίων στρατὸν ἀμφὶ τὰ ἐκεῖνη χωρία γενέσθαι, οὐδὲν δὲ τούτου δὴ ἔνεκα σαφὲς πεπυσμένοι, ἀλλ' ὅπερ ἐγένετο δείσαντες ἤλαυνον καὶ αὐτοὶ ἐπὶ τὸ Ῥωμαίων στρατόπεδον. [19] καὶ ξυνηνέχθη ὁμοῦ τοῖς βαρβάροις ἐνταῦθα γενέσθαι νύκτωρ. ὀργῇ δὲ πολλῇ καὶ οὐ προμηθεῖ γνώμῃ ὁ Τουτίλας ἤδη ἐχόμενος τῆς ἐκ τοῦ θυμοῦ ἀβελτερίας ἀπώνατο. [20] στράτευμα γὰρ δεκαπλάσιον ἢ τὸ τῶν ἐναντίων ἦν ξὺν αὐτῷ ἔχων εὐδηλὸν τε ὄν ὅτι δὴ στρατῷ κρείσσονι ξύμφορόν ἐστιν ἐκ τοῦ ἐμφανοῦς διαμάχεσθαι, δέον τε μᾶλλον αὐτὸν ὀρθρου τοῖς πολεμίοις ἐς χεῖρας ἰέναι, ὥς μὴ ἐν σκότῳ διαλαθεῖν δυνατοὶ εἶεν, τοῦτο μὲν ὥς ἤκιστα ἐφυλάξατο· ἦ γὰρ ἅπαντας σαγηνεύσας εὐθὺς ἂν τοὺς ἐναντίους εἶλεν· ἀλλὰ τῷ θυμῷ χαριζόμενος ἄωρὶ τῶν νυκτῶν ἐπέστη τῷ τῶν πολεμίων στρατῷ. [21] καὶ αὐτῶν οὐδεὶς μὲν τὸ παράπαν ἐς ἀλκὴν εἶδεν, ἐπεὶ καὶ οἱ πλεῖστοι ἔτι ἐκαθευδον, οὐ μέντοι ἀνελεῖν πολλοὺς δεδύνηνται Γότθοι, ἀλλὰ ἀναστάντες οἱ πλεῖστοι ἅτε ἐν σκότῳ διαλαθεῖν ἴσχυσαν. [22] ἔξω δὲ τοῦ στρατοπέδου γενόμενοι ἐς τὰ ὄρη, ἅπερ ἄγχιστά πη πολλὰ ἀνέχει, ἀναδραμόντες ἐσώθησαν. [23] ἐν οἷς Ἰωάννης τε αὐτὸς ἦν καὶ Ἄρουφος ὁ τῶν Ἐρούλων ἡγούμενος. ἀπέθανον δὲ Ῥωμαῖοι ἐς ἑκατὸν μάλιστα. [24] Ἦν δέ τις ξὺν τῷ Ἰωάννῃ Γιλάκιος ὄνομα, Ἀρμένιος γένος, ὀλίγων τινῶν Ἀρμενίων ἄρχων. οὗτος ὁ Γιλάκιος οὔτε ἐλληνίζειν ἠπίστατο οὔτε Λατίνην ἢ Γοτθικὴν ἢ ἄλλην τινα ἢ Ἀρμενίαν μόνην ἀφεῖναι φωνήν. [25] τούτῳ δὴ Γότθοι ἐντυχόντες τινὲς ἐπυνθάνοντο ὅστις ποτὲ εἴη. κτεῖναι γὰρ τὸν παραπίπτοντα οὐδαμῇ ἠθελον, ὥς μὴ ἀλλήλους διαφθεῖρουν ἐν νυκτομαχίᾳ, ὥς τὸ εἰκός, [26] ἀναγκάζοντο. ὁ δὲ αὐτοῖς ἄλλο οὐδὲν ἀποκρίνασθαι ἴσχυσε πλὴν γε δὴ ὅτι Γιλάκιος στρατηγὸς εἴη. τὸ γὰρ ἀξίωμα, ὃ δὴ πρὸς βασιλέως λαβὼν ἔτυχε, πολλάκις ἀκούσας ἐκμαθεῖν ἴσχυσε. [27] ταύτῃ τοίνυν οἱ βάρβαροι αἰσθόμενοι ὅτι δὴ πολέμιος εἴη, ἐν μὲν τῷ παρόντι ἐξώγησαν, οὐ πολλῷ δὲ ὕστερον τὸν ἄνθρωπον διεχρήσαντο. [28] Ἰωάννης μὲν οὖν καὶ Ἄρουφος ξὺν τοῖς ἐπομένοις ἔφευγόν τε πάσῃ δυνάμει καὶ ἐς τὸν Δρυοῦντα δρόμῳ ἀφίκοντο, Γότθοι δὲ τὸ Ῥωμαίων στρατόπεδον ληϊσάμενοι ἀπεχώρησαν.

Τὰ μὲν οὖν ἐν Ἰταλιώταις στρατόπεδα τῇδε ἐφέρετο. βασιλεὺς δὲ Ἰουστινιανὸς στράτευμα πέμπειν ἄλλο ἐπὶ Γότθους καὶ Τουτίλαν ἔγνω, γράμμασι τοῖς Βελισαρίου ἡγμένος, ἐπεὶ αὐτὸν ἐς τοῦτο ἐνήγε, τὰ παρόντα σφίσι πολλάκις σημῆνας. [2] πρῶτα μὲν οὖν Πακούριόν τε τὸν Περανίου καὶ Σέργιον τὸν Σολόμωνος ἀδελφιδοῦν ξὺν ὀλίγοις τισὶν ἔπεμψεν. οἱ δὲ εἰς Ἰταλίαν ἀφικόμενοι τῷ ἄλλῳ στρατῷ αὐτίκα ξυνέμιζαν. [3] μετὰ δὲ Βῆρόν τε ξὺν Ἐρούλοις τριακοσίοις καὶ Οὐαράζην Ἀρμένιον γένος ξὺν ὀκτακοσίοις Ἀρμενίοις στέλλει, Βαλεριανόν τε τὸν τῶν Ἀρμενίων στρατηγὸν ἐνθένδε ἀναστήσας ξὺν τοῖς ἐπομένοις δορυφόροις τε καὶ ὑπασπισταῖς πλέον ἢ χιλίοις οὗσιν ἐς Ἰταλίαν ἐκέλευεν ἰέναι. [4] Βῆρος οὖν πρῶτος Δρυοῦντι προσχὼν καὶ

τὰς ναῦς ἐνταῦθα ἀφείς μένειν μὲν αὐτοῦ οὐδαμῇ ᾗθελεν, οὗ δὴ καὶ τὸ Ἰωάννου στρατόπεδον ἦν, ἰππεύων δὲ ξὺν τοῖς ἀμφ' αὐτὸν πρόσθεν ἦει. [5] ἦν γὰρ οὗτος ἀνὴρ οὐ κατεσπουδασμένος, ἀλλὰ μέθης νόσῳ ἀνειμένος ἐκ τοῦ ἐπὶ πλεῖστον, καὶ ἀπ' αὐτοῦ θράσει ἀπερισκέπτῳ ἐς αἰεὶ εἶχετο. [6] ἐπεὶ δὲ ἄγχιστα πη πόλεως Βρεντεσίου ἀφίκοντο, αὐτοῦ ἐνστρατοπεδευσάμενοι ἔμενον. Ἄπερ ὁ Τουτίλας μαθὼν 'Ὁ Βῆρος δυοῖν' ἔφη 'τὸ ἕτερον: ἡ δυνάμει μεγάλη χρηται, ἡ ἀνοία πολλῇ ἔχεται. [7] ἴωμεν τοίνυν ἐπ' αὐτὸν αὐτίκα δὴ μάλα, ὅπως ἡ τῆς δυνάμεως ἀποπειρασώμεθα τοῦ ἀνθρώπου, ἡ τῆς ἀνοίας ἐκεῖνος τῆς αὐτοῦ [8] αἰσθηται.' ὁ μὲν οὖν Τουτίλας ταῦτα εἰπὼν στρατῷ πολλῷ ἐπ' αὐτὸν ἦει, Ἑρουλοὶ δὲ παρόντας ἤδη κατιδόντες τοὺς πολεμίους κατέφυγον ἐς ὕλην τινὰ ἐγγὺς πη οὖσαν. [9] κυκλώσαντές τε αὐτοὺς οἱ πολέμιοι πλέον μὲν ἢ διακοσίους διέφθειραν, ἔμελλον δὲ Βῆρόν τε αὐτὸν καὶ τοὺς λειπομένους ἐς τὰς ἀκάνθας κρυπτομένους χειρώσασθαι, ἀλλὰ τύχη τις αὐτοῖς ξυμβᾶσα διεσώσατο ἐκ τοῦ παραδόξου. [10] νῆες γὰρ ἐν αἷς ὃ τε Οὐαράζης καὶ οἱ ξὺν αὐτῷ Ἀρμένιοι ἐπλεον, ἄφνω ἐς τὴν ἐκείνην ἀκτὴν κατήραν. ὅπερ ἐπεὶ ὁ Τουτίλας εἶδε, πλείονα ἤπερ ἦν ὑποτοπάζων εἶναι τὸν τῶν πολεμίων στρατὸν ἄρας αὐτίκα ἐνθένδε ἀπήλυνεν, οἱ τε ἀμφὶ τὸν Βῆρον ἄσμενοι ἐς τὰς ναῦς δρόμῳ ἀφίκοντο. [11] ὃ τε Οὐαράζης πλεῖν μὲν ἐπίπροσθεν οὐκέτι ἔγνω, ἐς δὲ τὸν Τάραντα ξὺν αὐτοῖς ἦλθεν, οὗ δὴ καὶ Ἰωάννης ὁ Βιταλιανοῦ παντὶ τῷ στρατῷ ἀφίκετο οὐ πολλῷ ὕστερον. ταῦτα μὲν οὖν τῇδε ἐχώρησε. [12] Βελισαρίῳ δὲ βασιλεὺς ἔγραψεν ὅτι δὴ πολλὴν αὐτῷ στρατιὰν πέμψειεν, οἷσπερ αὐτὸν δεῖν ἐν Καλαβρίᾳ ξυμίζαντα τοῖς πολεμίοις ὁμοσεῖναι. [13] ἥδη δὲ καὶ Βαλεριανὸς ἄγχιστα κόλπου τοῦ Ἰονίου ἦκων διαπορθευέσασθαι μὲν ᾤετο οἱ ἔν γε τῷ παρόντι ἀξύμφορον εἶναι. [14] στρατιώταις τε γὰρ καὶ ἵπποις ἐς ἐκεῖνο τοῦ καιροῦ τὰ ἐπιτήδεια οὐκ ἂν ἐπαρκέσειν, ἐπεὶ ἀμφὶ τροπὰς χειμερινὰς ἦν. [15] τριακοσίους δὲ τῶν αὐτῷ ἐπομένων Ἰωάννη πέμψας ὡμολόγησε διαχειμάσας ἅμα ἦρι ἀρχομένῳ καὶ αὐτὸς ἦξειν. [16] Βελισάριος οὖν ἐπειδὴ τὰ βασιλέως ἀνελέξατο γράμματα, ἐνακοσίους ἀριστίνδην ἀπολεξάμενος, ἱππεῖς μὲν ἑπτακοσίους, πεζοὺς δὲ διακοσίους, τοὺς τε λοιποὺς ἅπαντας ἐς φυλακὴν τῆς ἐκείνη χώρας καταστησάμενος, ἄρχοντά τε αὐτοῖς Κόνωνα ἐπιστήσας ἐπὶ Σικελίας αὐτίκα ἔπλει. [17] ἐνθεν τε ἀνηγάγετο. καταίρειν διανοούμενος ἐς τὸν Ταραντηνῶν λιμένα, ἐν ἀριστερᾷ ἔχων τὸν Σκύλαιον καλούμενον χῶρον, ἐφ' οὗ δὴ τὴν Σκύλλαν οἱ ποιηταὶ γεγενῆσθαι φασιν, οὐχ ὅτι ταύτῃ πη τὸ θηριῶδες γύναιον, ὥσπερ ἐκεῖνοι λέγουσιν, ἦν, ἀλλ' ὅτι σκυλάκων μέγα τι χρῆμα, οὗσπερ κυνίσκους τανῶν καλοῦσιν, ἐνταῦθα τοῦ πορθμοῦ ἐκ παλαιοῦ τε καὶ ἐς ἐμὲ ξυμβαίνει εἶναι. [18] τὰ γὰρ ὀνόματα τοῖς πράγμασιν ἀρχὴν μὲν εἰκότα ἐς αἰεὶ γίνεται, ἡ δὲ φήμη αὐτὰ περιαγαγοῦσα ἐς ἄλλους ἀνθρώπους τινὰς δόξας οὐκ ὀρθὰς ἀγνοία τῶν ἀληθινῶν ἐνταῦθα ποιεῖται. [19] καὶ προϊὼν οὕτως ὁ χρόνος ἰσχυρὸς μὲν τις δημιουργὸς αὐτίκα τοῦ μύθου καθίσταται, μάρτυρας δὲ τῶν οὐ γεγονότων τοὺς ποιητὰς ἐξουσία τῆς τέχνης, ὥς τὸ εἰκός, ἐταιρίζεται. ταῦτά τοι ἐκ παλαιοῦ μὲν ὠνόμασαν ἐπιχώριοι Κυνὸς Κεφαλὴν ἄκραν τὴν μίαν Κερκύρας τῆς νήσου ἢ πρὸς ἀνίσχοντα ἡλιόν ἐστιν, ἄλλοι δὲ ἀπ' αὐτοῦ κυνοκεφάλους τινὰς εἶναι βούλονται τοὺς τῇδε ἀνθρώπους. [20] ἀλλὰ καὶ

Λυκοκρανίτας καλοῦσι τῶν Πισιδῶν τινας, οὐχ ὅτι λύκων κεφαλὰς ἔχουσιν, ἀλλ' ὅτι Λύκου Κράνος τὸ ὄρος ἐκλήθη ὃ ταύτῃ ἀνέχει. ἀλλὰ ταῦτα μὲν ὅπη ἐκάστω βουλομένῳ εἴη ταύτῃ δοκεῖτω τε καὶ λεγέσθω. ἐγὼ δὲ ὅθενπερ ἐξέβην ἐπάνειμι.

Βελισάριος μὲν οὖν εὐθὺς ἰέναι τοῦ Τάραντος ἐν σπουδῇ εἶχεν. ἔστι δέ τις ἀκτὴ μνηοειδὴς ἐνταῦθα, οὗ δὴ τῆς ἡϊόνος ὑποχωρούσης ἢ θάλασσα ὥσπερ ἐν κόλπῳ ἐπὶ πλεῖστον τῆς γῆς ἀναβαίνει. [2] καὶ ὁ μὲν τῆς ἀκτῆς ταύτης διάπλους ἅπας ἐς χιλίους σταδίους διήκει, ἐκατέρωθι δὲ παρὰ τοῦ ρεύματος τὴν ἐκβολὴν κεῖται πολίσματα δύο: θάτερον μὲν ὁ Κρότων πρὸς δύνοντά που τὸν ἥλιον, ὁ Τάρας δὲ πρὸς ἀνίσχοντα. [3] κατὰ δὲ τὸ μέσον τῆς ἡϊόνος Θουρίων ἢ πόλις οἰκεῖται. τοῦ δὲ χειμῶνος ἀντιστατοῦντος καὶ τοῦ πνεύματος σὺν πολλῷ ῥοθίῳ βιαζομένου, περαιτέρω δὲ τὰς ναῦς ἰέναι οὐδαμῇ ἐφίεντος, τῷ Κροτωνιατῶν λιμένι προσέσχε. [4] Βελισάριος οὖν, ἐπεὶ οὔτε τι ὀχύρωμα ἐνταῦθα εὔρεν οὔτε τοῖς στρατιώταις ὅθεν ἂν τὰ ἐπιτήδεια ἐσκομίζοντο εἶχεν, αὐτὸς μὲν ζύν τε τῇ γυναικὶ καὶ τοῖς πεζοῖς αὐτοῦ ἔμεινεν, ὅπως ἐνθὲνδε μεταπέμπεσθαι τε καὶ διέπειν τὸ ζὺν τῷ Ἰωάννῃ στρατεύμα δύνηται: [5] τοὺς δὲ ἵππεῖς ἅπαντας ἐπίπροσθεν ἐκέλευεν ἰόντας στρατοπεδεύεσθαι παρὰ τὰς τῆς χώρας εἰσόδους, Φάζαν τε τὸν Ἰβηρα καὶ Βαρβατίωνα τὸν δορυφόρον αὐτοῖς ἐπιστήσας. [6] οὕτω γὰρ αὐτοὺς ῥᾶστα ᾤετο σφίσι μὲν καὶ ἵπποις τοῖς σφετέροις τὰ ἐπιτήδεια πάντα πορίζεσθαι, τοὺς δὲ πολεμίους ἐν στενοχωρίᾳ, ὥς τὸ εἰκός, ἀποκρούεσθαι δυνατοὺς ἔσεσθαι. [7] τὰ γὰρ Λευκανῶν ὄρη μέχρι ἐς Βριττίους διήκοντα καὶ πρὸς ἄλληλα ἐν στενῷ ξυνιόντα δύο μόνας εἰσόδους στενὰς μάλιστα ἐνταῦθα ποιεῖται, ὧν ἀτέρα μὲν Πέτρα Αἵματος τῇ Λατίνων φωνῇ κέκληται, Λαβοῦλαν δὲ τὴν ἐτέραν καλεῖν οἱ ἐπιχώριοι νενομίκασιν. [8] ἐνταῦθα μὲν παρὰ τὴν ἀκτὴν Ῥουσκιανὴ ἐστὶ τὸ Θουρίων ἐπίνειον, ὑπερθεν δὲ αὐτοῦ ὅσον ἀπὸ σταδίων ἐξήκοντα φρούριον ἐχυρώτατον ἐδείμαντο οἱ πάλαι Ῥωμαῖοι. ὅπερ Ἰωάννης πολλῷ πρότερον καταλαβὼν ἔτυχε φρουρὰν τε λόγου ἀξίαν ἐκείνη καταστησάμενος. [9] Οἱ μὲν οὖν Βελισαρίου στρατιῶται ἐνταῦθά πη ἰόντες πολεμίων στρατεύματι ἐντυγχάνουσιν, οὔσπερ ὁ Τουτίλας ἔπεμψεν, ἐφ' ᾧ ἀποπειράσονται τοῦ τῆδε φρουρίου. [10] ἐς χεῖρας δὲ αὐτοῖς αὐτίκα ἐλθόντες ἀρετῇ τε οὐδενὶ πόνῳ ἔτρεψαν, καίπερ αὐτῶν τῷ πλήθει παρὰ πολὺ ἐλασσούμενοι, καὶ πλεόν ἢ διακοσίους διέφθειραν. [11] οἱ δὲ λοιποὶ φεύγοντες παρὰ Τουτίλαν τε ἀφίκοντο καὶ τὰ ξυμπεσόντα πάντα ἐσήγγελλον: οἳ τε Ῥωμαῖοι αὐτοῦ ἐνστρατοπεδευσάμενοι ἔμεινον, ἅτε δὲ ἀναρχοὶ καὶ νενικηκότες ἀδεέστερον τῇ διαίτῃ ἐχρῶντο. [12] οὔτε γὰρ ἀγηγεμένοι ἡσύχαζον οὔτε ἄγχιστα τῆς στενοχωρίας ἐγκαθεζόμενοι τὰς εἰσόδους ἐφύλασσον, ἀλλ' ἐς ὀλιγορίαν τραπόμενοι νύκτωρ μὲν ὥς ἀπωτάτω ἀλλήλων διεσκηνημένοι ἐκάθευδον, ἐν δὲ δὴ τῇ ἡμέρᾳ τὰ ἐπιτήδεια διερευνώμενοι περιήρχοντο, οὔτε τινὰς ἐπὶ κατασκοπῇ στείλαντες οὔτε ἄλλο ὅτιοῦν ἀσφαλείας ἐπὶ βεβουλευμένοι. [13] Τουτίλας οὖν, ἐπεὶ ἐπύθετο ἅπαντα, ἐς τρισχιλίους ἵππεῖς τοῦ παντός στρατοπέδου ἀπολεξάμενος ἐπὶ τοὺς πολεμίους ἦει. [14] καὶ αὐτοῖς ἐπιπεσὼν ἀπροσδοκῆτως οὐ ξυντεταγμένοις, ἀλλ' οὕτω περιουσίαν ὥσπερ εἴρηται, [15] κατέπληξέ τε καὶ συνετάραξεν ἅπαντας. ἐνταῦθα Φάζας ἄγχιστα γάρ πη

ἔσκηνημένος ἐτύγχανεν ὑπαντιάσας τοῖς πολεμίοις ἔργα τε ἀρετῆς ἄξια ἐνδειξάμενος, τισὶ μὲν τοῦ διαφυγεῖν αἴτιος γέγονεν, αὐτὸς δὲ ζὺν τοῖς ἀμφ' αὐτὸν ἅπασι θνήσκει. [16] μέγα τε πάθος τοῦτο Ῥωμαίοις ζυνέβη, ἐπεὶ ἐς αὐτοὺς ἅτε διαφέροντας τὰ πολέμια τὴν ἐλπίδα ζύμπαντες εἶχον. [17] ὅσοι μέντοι φυγεῖν ἴσχυσαν, ὥς πη ἐκάστω δυνατὰ γέγονε διεσώθησαν. πρῶτός τε Βαρβατίων ὁ Βελισαρίου δορυφόρος ζὺν ἐτέροις δυοῖν φεύγων ἀνὰ κράτος ἐς τὸν Κρότωνα ἦλθε. καὶ τύχην τὴν παροῦσαν ἀπαγγέλλων ἐπεῖπεν οἶεσθαι αὐτίκα δὴ μάλα καὶ τοὺς βαρβάρους παρέσεσθαι. [18] Βελισάριος δὲ ταῦτα ἀκούσας ἔν τε μεγάλῳ πένθει ἐγένετο καὶ ἐς τὰς ναῦς ἐσεπήδησεν. ἔνθεν τε ἄραντες καὶ πνεύματος ἐπιτυχόντες ἐκείνῃ τῇ ἡμέρᾳ τῇ Σικελίας Μεσήνῃ προσέσχον, ἣ τοῦ μὲν Κρότωνος ἐπτακοσίους σταδίου διεχεί, Ῥηγίνων δὲ καταντικρὺ κεῖται.

Ὑπὸ τοῦτον τὸν χρόνον Σκλαβηνῶν στράτευμα διαβάντες ποταμὸν Ἰστρον Ἰλλυριοὺς ἅπαντας ἄχρι Ἐπιδαμνίων ἔδρασαν ἀνήκεστα ἔργα, κτείνοντες καὶ ἀνδραποδίζοντες τοὺς ἐν ποσὶν ἡβηδὸν ἅπαντας καὶ τὰ χρήματα ληϊζόμενοι. [2] ἤδη δὲ καὶ φρούρια ἐνταῦθα πολλὰ τε καὶ δοκοῦντα ἐχυρὰ τὰ πρότερα εἶναι οὐδενὸς ἀμυνομένου ἐξελεῖν ἴσχυσαν, καὶ περιήρχοντο ζύμπαντα κατ' ἐξουσίαν διερευνώμενοι. [3] οἱ δὲ τῶν Ἰλλυριῶν ἄρχοντες στράτευμα πεντακισχιλίων τε καὶ μυρίων ἔχοντες εἶποντο, ἄγχιστα μέντοι τῶν πολεμίων οὐδαμῇ ἐτόλμων ἰέναι. [4] Τότε δὲ καὶ σεισμοὶ πολλάκις χειμῶνος ὥρα σκληροὶ τε λίαν καὶ ὑπερφυεῖς ἔν τε Βυζαντίῳ καὶ χωρίοις ἄλλοις ἐγένοντο, νύκτωρ ἅπαντες. [5] καὶ οἱ μὲν ταύτῃ ὥκημένοι καταχωσθήσεσθαι ὑποτοπήσαντες ἐν δέει μεγάλῳ ἐγένοντο, οὐδὲν μέντοι ἐνθένδε φλαῦρον αὐτοῖς ζυνηνέχθη παθεῖν. [6] Τότε καὶ Νεῖλος ὁ ποταμὸς ὑπὲρ ὀκτωκαίδεκα πήχους ἀναβάς ἐπέκλυσε μὲν τὴν Αἴγυπτον καὶ ἥρδευσε πᾶσαν, ἀλλὰ ἐν μὲν Θηβαΐδι τῇ ὑπερθεῖν οὔσῃ ὑφίζανοντά τε καὶ ἀποχωροῦντα τοῖς καθήκουσι χρόνοις τὰ ὕδατα παρείχετο τοῖς τῇδε ὥκημένοις σπεῖρειν τε τὴν γῆν καὶ τῶν ἄλλων ἐπιμελεῖσθαι ἥπερ εἴωθει. [7] χώρας δὲ τῆς ἔνερθεν ἐπειδὴ πρῶτον ἐπεπόλασεν, οὐκέτι ἀπέβη, ἀλλ' ἐνοχλῶν αὐτῇ ζύμπαντα διαγέγονε τὸν τοῦ σπεῖρειν καιρὸν, οὐ ζυμπεσὸν τοῦτό γε πρότερον ἐκ τοῦ παντὸς αἰῶνος, ἔστι δὲ οὐ καὶ ἀπολωφῆσαν τὸ ὕδωρ ἐπέκλυσε αὐθις οὐ πολλῷ ὕστερον. [8] ταύτῃ τε ἅπαντα ἐσεσήπει τὰ σπέρματα, ὅσα δὴ μεταξὺ καταβεβλημένα ἐς τὴν γῆν ἔτυχε. καὶ οἱ μὲν ἄνθρωποι τῷ παραλόγῳ τῆς ζυμφορᾶς ἀμηχανία πολλῇ εἶχοντο, τῶν δὲ ἄλλων ζῶων ἀπορία τροφῆς τὰ πλεῖστα ἐφθάρη. [9] Τότε καὶ τὸ κῆτος, ὃ δὴ Βυζάντιοι Πορφύριον ἐκάλουν, ἐάλω. τοῦτό τε τὸ κῆτος πλεόν μὲν ἢ ἐς πεντήκοντα ἐνιαυτοὺς τό τε Βυζάντιον καὶ τὰ ἀμφ' αὐτὸ χωρία ἠνώχλει, οὐκ ἐφεξῆς μέντοι, ἀλλὰ διαλείπον, ἂν οὕτω τύχῃ, πολὺν τινα μεταξὺ χρόνον. [10] καὶ πολλὰ μὲν κατέδυσε πλοῖα, πολλῶν δὲ τοὺς ἐπιβατας ζυνταράττον τε καὶ βιαζόμενον ὥς ἀπωτάτω ἀπήνεγκεν. ἐπιμελὲς μὲν οὖν Ἰουστινιανῷ βασιλεῖ ἐγεγόνει τὸ θηρίον τοῦτο χειρώσασθαι. ἐπιτελέσαι δὲ τὸ βούλευμα οὐδεμιᾷ μηχανῇ ἔσχεν. ὅπως δὲ αὐτῷ τανῦν ἀλῶναι ζυνέπεσεν. [11] ἐγὼ δηλώσω. ἐτύγχανε μὲν γαλήνῃ τὴν θάλασσαν πολλὴ ἔχουσα, δελφίνων δὲ πάμπολύ τι πλῆθος ἄγχιστά πη τοῦ στόματος Πόντου τοῦ Εὐξείνου ζυνέρρεον. [12] οἵπερ ἐκ τοῦ αἰφνιδίου τὸ κῆτος ἰδόντες ἔφρευγον ὥς πη ἐκάστω

δυνατὰ γέγονεν, οἱ δὲ πλεῖστοι ἀμφὶ τοῦ Σαγάριδος τὰς ἐκβολὰς ἤλθον. τινὰς μὲν οὖν αὐτῶν καταλαβὼν τὸ κῆτος καταπιεῖν εὐθὺς ἴσχυσεν. [13] εἴτε δὲ πείνη εἴτε φιλονεικία ἔτι ἐχόμενον οὐδέν τι ἦσσαν ἐδίωκεν, ἕως δὴ αὐτὸ ἄγχιστά πη τῆς γῆς ἐκπεσὼν ἔλαθεν. [14] ἐνταῦθ' αὖτε ἰλύϊ βαθείᾳ κομιδῇ ἐντυχὼν ἐβιάζετο μὲν καὶ πάντα ἐκίνει, ὅπως δὴ ἐνθένδε ὅτι τάχιστα ἀπαλλάσσοιτο, διαφυγεῖν δὲ τὸ τέναγος τοῦτο οὐδαμῇ εἶχεν, ἀλλ' ὑπὸ τῷ πηλῷ ἔτι μᾶλλον ἐγίνετο. [15] ἐπεὶ δὲ τοῦτο ἐς τοὺς περιοίκους ἅπαντας ἤλθε, δρόμῳ εὐθὺς ἐπ' αὐτὸ ἦσαν, ἀζίναις τε πανταχόθεν ἐνδεδεχέστατα κόψαντες οὐδ' ὥς ἔκτειναν, ἀλλὰ σχοίνοις ἀδραῖς τισιν εἵλκον. [16] ἐν τε ἀμάξαις ἐνθέμενοι εὕρισκον μῆκος μὲν πηχῶν μάλιστα τριάκοντα ὄν, εὖρος δὲ δέκα. ἐνταῦθ' αὖτε κατὰ συμμορίας τινὰς διασπασάμενοι οἱ μὲν τινες αὐτοῦ ἐν τῷ παρόντι ἐγεύσαντο, οἱ δὲ καὶ μοῖραν ταριχεῦσαι τὴν ἐπιβάλλουσιν σφίσιν ἐγνώσαν. [17] Βυζάντιοι δέ, ἐπειδὴ τῶν τε σεισμῶν ἦσθοντο καὶ τὰ ζυμπεσόντα ἀμφὶ τε τῷ Νεῖλῳ καὶ τῷ κήτει τούτῳ ἐγνώσαν, προὔλεγον αὐτίκα ζυμβήσεσθαι ὅσα δὴ αὐτῶν ἐκάστω ἦρεσκε. [18] φιλοῦσι γὰρ ἄνθρωποι τοῖς παροῦσι διαπορούμενοι τὰ ἐσόμενα τερατεύεσθαι, καὶ τοῖς ἐνοχλοῦσιν ἀποκναιόμενοι τὰ ζυμβησόμενα λόγῳ οὐδενὶ τεκμηριοῦσθαι. [19] ἐγὼ δὲ μαντείας τε καὶ τεράτων δηλώσεις ἄλλοις ἀφιεῖς ἐκεῖνο εὖ οἶδα, ὥς ἡ μὲν τοῦ Νείλου ἐπὶ τῆς χώρας διατριβὴ μεγάλων αἰτία ἐν γε τῷ παρόντι συμφορῶν γέγονε, τὸ δὲ κῆτος ἀφανισθὲν πολλῶν ἀπαλλαγὴ κακῶν διαδείκνυται οὕσα. [20] τινὲς δὲ φασιν οὐ τὸ κῆτος τοῦτο, οὐπὲρ ἐμνήσθην, ἀλλ' ἕτερον εἶναι, ὃ δὴ ἀλῶναι ξυνέπεσεν. ἐγὼ δὲ ὅθεν τὴν ἐκβολὴν τοῦ λόγου ἐποίησάμην ἐπάνειμι. [21] Τουτίλας οὖν ταῦτα διαπεπραγμένος ἃ προδεδήλωται, ἐπεὶ Ῥωμαίους τοὺς ἐν τῷ ἐπὶ Ῥουσκιανῆς φρουρίῳ τῶν ἀναγκαίων ὑποσπανίζειν ἐπύθετο, ἐξαιρήσειν αὐτοὺς οἰόμενος ὅτι τάχιστα, ἢν μή τι ἐσκομίζεσθαι τῶν ἐπιτηδείων οἰοί τε ὦσιν, ἐστρατοπεδεύσατό τε ὥς ἀγχοτάτῳ καὶ ἐγκαθεζόμενος ἐς πολιορκίαν καθίστατο. καὶ ὁ χειμὼν ἔληγε, καὶ τρισκαιδέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Βασιλεὺς δὲ Τουσινιανὸς πεζοὺς στρατιώτας οὐχ ἦσσαν ἢ δισχιλίους ἐς Σικελίαν ναυσὶν ἐπεμψε καὶ Βαλεριανὸν οὐδεμιᾷ μελλήσει παρὰ Βελισάριον ἐκέλευεν ἰέναι. [2] καὶ ὃς διαπορθμευσάμενος ἐς τὸν Δρυοῦντα κατέπλευσεν, οὗ δὴ καὶ Βελισάριον ξὺν τῇ γυναικὶ εὔρεν. [3] ὑπὸ τοῦτον τὸν χρόνον Ἀντωνίνα μὲν ἡ Βελισαρίου γυνὴ ἐς Βυζαντιὸν στέλλεται, τῆς βασιλίδος δεησομένη μείζονι παρασκευῇ τὸν πόλεμον ἐξαρτύεσθαι. [4] ἡ δὲ βασιλὶς Θεοδώρα νοσήσασα ἐξ ἀνθρώπων ἠφάνιστο, ἐνιαυτοὺς ἕνα τε καὶ εἴκοσι τῇ βασιλείᾳ ἐπιβιοῦσα καὶ μῆνας τρεῖς. [5] Ἐν τούτῳ δὲ οἱ ἐν τῷ ἐπὶ Ῥουσκιανῆς φρουρίῳ πολιορκούμενοι πιεζόμενοι τῶν ἀναγκαίων τῇ ἀπορίᾳ ἐς λόγους τοῖς πολεμίοις ξυνίασιν, ὠμολόγησάν τε μεσοῦσης μάλιστα τῆς τοῦ θέρους ὥρας τὸ φρούριον ἐνδώσειν, ἢν μή τις ἐπιγένηται μεταξὺ βοήθεια σφίσιν, ἐφ' ᾧ μέντοι ἀπαθεῖς κακῶν ἅπαντες μείνωσιν. [6] ἦσαν δὲ Ἰταλῶν μὲν ἐν τῷ φρουρίῳ τούτῳ πολλοὶ τε καὶ λόγιμοι, καὶ Δεοφέρων ὁ Τουλλιανοῦ ἀδελφός, τοῦ δὲ Ῥωμαίων στρατοῦ ἱππεῖς μὲν Ἰλλυριοὶ τριακόσιοι, οὐσπερ Ἰωάννης ἐνταῦθα καταστησάμενος ἔτυχε, Χαλαζάρ τε αὐτοῖς τὸν δορυφόρον ἐπιστήσας, Μασσαγέτην γένος, διαφερόντως ἀγαθὸν τὰ πολέμια, καὶ

Γουδίλαν Θραῦκα, καὶ πεζοὶ ἑκατὸν πρὸς Βελισαρίου ἐπὶ τῇ φυλακῇ τοῦ φρουρίου σταλέντες. [7] Τότε καὶ ὅσοι στρατιῶται πρὸς Βελισαρίου ἐπὶ τῇ Ῥώμῃ φρουρᾷ ἐτετάχατο τὸν σφῶν ἄρχοντα Κόνωνα κτείνουνσιν, ἐμπορίαν αὐτῷ τοῦ τε σίτου καὶ τῶν ἄλλων ἐπιτηδείων ἐπὶ πονηρῷ τῷ σφετέρῳ ἐπενεγκόντες. [8] πρέσβεις τε τῶν ἱερέων τινὰς πέμπουσιν, ἀπισχυριζόμενοι ὥς, ἣν μὴ βασιλεὺς τούτου δὴ τοῦ ἐγκλήματος ἀμνηστίαν σφίσι διδοίη χρόνου τε ῥητοῦ τὰς συντάξεις ἐκτίσοι ὅσας δὴ αὐτοῖς τὸ δημόσιον ὠφειλε, Τουτίλα τε καὶ Γότθοις οὐδὲν μελλήσαντες προσχωρήσουσι. βασιλεὺς τε αὐτοῖς τὴν δέησιν ἐπιτελῆ ἐποίει. [9] Βελισάριος δὲ τὸν Ἰωάννην ἐς τὸν Δρυοῦντα μεταπεμψάμενος ξύν τε αὐτῷ καὶ Βαλεριανῷ καὶ ἄλλοις ἄρχουσι στόλον πολὺν ἀγείρας εὐθὺ Ῥουσκιανῆς κατὰ τάχος ἔπλει, τοῖς πολιορκουμένοις ἐπαμύνειν ἐν σπουδῇ ἔχων. [10] οἱ τε ἐν τῷ φρουρίῳ τὸν στόλον τοῦτον ἅτε ἀφ' ὑψηλοῦ κατιδόντες εὐέλπιδές τε γενόμενοι οὐκέτι τοῖς πολεμίοις προσχωρεῖν ἔγνωσαν, καίπερ ἐνισταμένης ἤδη τῆς σφίσι ξυγκειμένης ἡμέρας. [11] καὶ τὰ μὲν πρῶτα χειμῶνος ἐξαισίου ἐπιπεσόντος, ἄλλως τε καὶ τῆς ἐκεῖνῃ ἀκτῆς ἀλμμένου παντάπασιν οὔσης, ταῖς ναυσὶν ἀπάσαις ὥς ἀπωτάτῳ ἀλλήλων ξυνηνέχθη διασκεδάννυσθαι. [12] ταύτῃ τε χρόνου μῆκος σφίσι τριβῆναι ξυνέβη. αὐθὶς τε ἀγῆγερμένοι ἐν τῷ Κροτωνιατῶν λιμένι ἐπὶ Ῥουσκιανὴν ἀνήγοντο. οὗπερ ἐπεὶ οἱ βάρβαροι εἶδον, ἐπὶ τοὺς ἵππους ἀναθορόντες ἀμφὶ τὴν ἡῖονα ἐγένοντο τὴν ἀπόβασιν τοῖς πολεμίοις ἀναστέλλειν διανοούμενοι. [13] Τουτίλας τε αὐτοὺς ἐπὶ πλεῖστον τῆς ἀκτῆς ἀντιμετώπους ἔστησε ταῖς τῶν νηῶν πύρραις. τοὺς μὲν δόρατα ἔχοντας, τοὺς δὲ τὰ τόξα ἐντειναμένους. [14] ὅπερ ἐπεὶ Ῥωμαῖοι εἶδον, καταρρώδησάν τε καὶ ἄγχιστα οὐδαμῇ ἐτόλμων ἰέναι, ἀλλὰ χρόνον μὲν τινα τὰς ναῦς ἐκαστάτῳ ἀνακωχεύσαντες ἡσυχῇ ἔμενον, ὕστερον δὲ ἀπογνόντες τὴν ἀπόβασιν πρύμναν τε πάντες ἐκρούοντο καὶ ἀναχθέντες τῷ Κροτωνιατῶν αὐθὶς λιμένι προσέσχον. [15] Οὗ δὴ ἐπὶ κοινῆς βουλευσαμένοις ἔδοξε σφίσιν ἄμεινον εἶναι Βελισάριον μὲν ἐς Ῥώμην ἰόντα τὰ ταύτῃ τε ὥς ἄριστα διοικήσασθαι καὶ τὰ ἐπιτήδεια ἐσκομίσασθαι, Ἰωάννην δὲ καὶ Βαλεριανὸν τοὺς τε ἄνδρας ἐς γῆν καὶ τοὺς ἵππους ἀποβιβάσαντας ὁδῷ τε πορευομένους ἐς Πικηνοὺς ἰέναι, ξυνταράζοντας τῶν πολεμίων τοὺς τὰ ἐκεῖνῃ πολιορκοῦντας πολίσματα. [16] οὕτῳ γὰρ ἂν αὐτοῖς Τουτίλαν διαλύσαντα τὴν προσεδρεῖαν ἐπισπέσθαι ἐλπίδα εἶχον. [17] Ἰωάννης μὲν οὖν ξύν τοῖς ἐπομένοις χιλίοις οὗσι κατὰ ταῦτα ἐποίει: Βαλεριανὸς δὲ τὸν κίνδυνον δείσας ταῖς ναυσὶ κόλπον περιῶν τὸν Ἰόνιον ἔπλει τοῦ Ἀγκῶνος εὐθύ. ταύτῃ γὰρ ἐν Πικηνοῖς τε γενήσεσθαι ξύν τῷ ἀσφαλεῖ ᾧετο καὶ τῷ Ἰωάννῃ ξυμμίξαι. [18] ἀλλὰ Τουτίλας διαλύσαι τὴν προσεδρεῖαν οὐδ' ὥς ἠθέλεν, ἀλλ' αὐτὸς μὲν ἐνταῦθα καθῆστο, δισχιλίους δὲ ἱππεῖς τοῦ στρατοπέδου ἀπολεξάμενος ἐς Πικηνοὺς στέλλει, ἐφ' ᾧ τοῖς ἐνταῦθα βαρβάροις ξυμμιζαντες τοὺς ἀμφὶ τε Ἰωάννην καὶ Βαλεριανὸν ἀποκρούονται. [19] Οἱ δὲ πολιορκούμενοι ἐν τῷ ἐπὶ Ῥουσκιανῆς φρουρίῳ, ἐπεὶ σφᾶς τὰ τε ἀναγκαῖα ἤδη παντάπασιν ἐπελελοιπεί καὶ οὐδεμίαν ἔτι ἀπὸ Ῥωμαίων ἐπικουρίας ἐλπίδα εἶχον, Γουδίλαν τε τὸν δορυφόρον καὶ Δεοφέροντα τὸν Ἰταλιώτην παρὰ Τουτίλαν πέμψαντες ἐπρεσβεύοντο ἀμφὶ τῇ σωτηρίᾳ, δεόμενοι σφίσιν αὐτοῖς τῶν πεπραγμένων ξυγγνώμονα εἶναι. [20] ὁ δὲ

Τουτίλας ἐς ἄλλον οὐδένα ὅτι μὴ ἐς τὸν Χαλαζάρ ἐπιτελέσειν τὴν κόλασιν ἐπηγγέλλετο ἅτε τὰ πρόσθεν ξυγκείμενα ἡλογηκότα, τοῖς δὲ ἄλλοις τὸ ἐγκλημα ἐπιχωρεῖν πᾶσιν. [21] οὕτω τοῖνυν αὐτὸς τὸ φρούριον ἐδέξατο. καὶ τὸν μὲν Χαλαζάρ ἄμφω τε τῷ χειρε ἀποτεμὼν καὶ τὰ αἰδοῖα εὐθὺς ἔκτεινε, τῶν δὲ στρατιωτῶν τοὺς μὲν βουλομένους μένειν ἐκέλευε τὰ σφέτερα αὐτῶν ἔχοντας, ἐφ' ᾧ τὸ λοιπὸν ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ Γόθοις ξυντάζονται: ὅπερ κὰν τοῖς ἄλλοις ὀχυρώμασι τοῖς ἀλικομένοις πράσσειν εἴωθει: [22] οἷς δὲ τὸ μένειν ἐν ἡδονῇ ὡς ἥκιστα ἦν, τούτους δὴ γυμνοὺς ὅπη βούλιντο ἐκέλευεν ἀπαλλάσσεσθαι, τοῦ μὴ τινὰ οἱ τῶν ἀπάντων ἀνθρώπων ἀκούσιον ξυστρατεύεσθαι. [23] ὀγδοήκοντα μὲν οὖν τοῦ Ῥωμαίων στρατοῦ τῶν χρημάτων ἀπολελειμμένων ἐς τὸν Κρότωνα ἦλθον, οἱ δὲ ἄλλοι ξὺν τοῖς χρήμασιν αὐτοῦ ἔμειναν. [24] τῶν μέντοι Ἰταλῶν τὰ μὲν χρήματα πάντα ἀφείλετο, τὰ δέ γε σώματα κακῶν παντάπασιν ἀπαθῇ εἶασεν. [25] Ἀντωνίνα δὲ ἡ τοῦ Βελισαρίου γυνὴ τῆς βασιλίδος ἀπογενομένης ἐς Βυζάντιον ἀφικομένη ἐδέετο βασιλέως μετὰπεμπτόν οἱ τὸν ἄνδρα ἐνταῦθα ἐλθεῖν. ῥᾶστά τε διεπράξατο τοῦτο. ἦδη γὰρ καὶ ὁ Μηδικὸς πόλεμος ἐπικείμενος ἰσχυρότατα βασιλέα Ἰουστινιανὸν ἐς τοῦτο ἐνήγεν.

Ἐν τούτῳ δέ τινες ἐπίθεσιν ἐπὶ βασιλέα Ἰουστινιανὸν ἐβουλεύσαντο. οἵπερ ὅπως τε ἐς τὸ βούλευμα τοῦτο κατέστησαν καὶ τρόπῳ δὴ ὅτῳ ἀποκρουσθέντες οὐδαμῇ ἐς τὸ ἔργον ἀφίκοντο, [2] αὐτίκα δηλώσω. Ἀρταβάνη Γόνθαριν καθελόντι τὸν τύραννον, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ἐξαισία τις ἐπιθυμία ἐγένετο Πρεϊέκταν τὴν βασιλέως ἀδελφιδῆν, ἣν εἶχεν ἐγγυητήν, [3] γυναῖκα ποιήσασθαι. ὅπερ καὶ αὐτῇ βουλομένη ὡς μάλιστα ἦν, οὐκ ἔρωτι τοῦ ἀνθρώπου ἐνταῦθα ἡγμένη, ἀλλ' ὅτι οἱ χάριτας ὡμολόγει πολλὰς ἅτε τισαμένῳ μὲν τὸν Ἀρεοβίνδου τοῦ ἀνδρὸς φόνον, αὐτὴν δὲ ἀνασωσαμένῳ καὶ ἀναρπάσαντι, αἰχμάλωτόν τε οὔσαν καὶ οὐκ ἐς μακρὰν τῷ τυράννῳ Γονθάριδι μέλλουσιν οὔτι ἐκουσίαν ἐς εὐνὴν ξυνελθεῖν. [4] ἐπεὶ τε ἄμφω ταῦτα ἤρεσκε, Πρεϊέκταν μὲν Ἀρταβάνης βασιλεῖ ἐπεμψεν, αὐτὸς δέ, καίπερ Λιβύης ὅλης στρατηγὸς καταστάς, ἔχρηζε βασιλέως, ἀναπλάσας τινὰς οὐχ ὕγιεις σκήψεις, [5] ὅπως αὐτὸν ἐς Βυζάντιον μεταπέμποιτο. ἐνήγε γὰρ ἐς τοῦτο αὐτὸν ἡ τοῦ γάμου ἐλπίς, ἄλλα τε πολλὰ ἐνθένδε ἀγαθὰ ὑποφαίνουσα καὶ τῆς βασιλείας οὐ πόρρῳ αὐτὸν τὸ λοιπὸν ἔσεσθαι. [6] οἱ γὰρ ἄνθρωποι εὐημερίας ἐκ τοῦ παραλόγου ἐπιλαβόμενοι οὐ δύνανται τὴν διάνοιαν ἐνταῦθα ἐστάναι, ἀλλὰ παραδοκοῦσι τὰ πρόσω, καὶ ταῖς ἐλπίσιν ἐπίπροσθεν ἀεὶ χωροῦσιν, ἕως καὶ τῆς οὐ δέον ὑπαρξάσης αὐτοῖς εὐδαιμονίας στερήσονται. Βασιλεὺς μέντοι τὴν δέησιν ἐπιτελῇ ἐποίει καὶ τὸν Ἀρταβάνην ἐς Βυζάντιον μετεπέμπετο, [7] ἕτερον ἀντικαταστήσας Λιβύης στρατηγόν, ἧπέρ μοι δεδιήγεται. [8] γενόμενον δὲ τὸν Ἀρταβάνην ἐν Βυζαντίῳ ὁ μὲν δῆμος τῶν πεπραγμένων ἐθαύμαζε καὶ ἄλλως ἡγάπα. [9] ἦν γὰρ εὐμήκης τε το σῶμα καὶ καλός, τό τε ἦθος ἐλευθέριος καὶ ὀλίγα ἅττα φθεγγόμενος. βασιλεὺς δὲ αὐτὸν ἐν τοῖς μάλιστα ἐτετιμῆκει. [10] στρατηγόν τε γὰρ τῶν ἐν Βυζαντίῳ στρατιωτῶν καὶ ἄρχοντα φοιδεράτων καταστησάμενος ἐς τῶν ὑπάτων ἀνεγράφατο τὸ ἀξίωμα. [11] τῇ μέντοι Πρεϊέκτα ξυνοικίζεσθαι οὐδαμῇ ἴσχυσεν. ἦν γὰρ αὐτῷ γυνὴ πρότερον ξυγγενῆς τε οὔσα καὶ ἐκ παιδὸς αὐτῷ ἐς γάμον ἐλθοῦσα. [12] ἦν

δὴ πολλῶ ἔμπροσθεν ἀποσεισάμενος αὐτὸς ἔτυχε τῶν τινος ἴσως παραπεπτωκυίας αἰτίας, ὧν δὴ ἔνεκα γυναῖκας ἀνδράσι προσκροῦειν ξυμβαίνει. [13] αὕτη, τέως μὲν τῷ Ἀρταβάνῃ οὐκ εὖ καθεστήκει τὰ πράγματα, οἴκοι καθήστο ἐν πάσῃ ἀπραγμοσύνῃ, τὰ παρόντα σιωπῇ φέρουσα. ἐπεὶ δὲ Ἀρταβάνης ἤδη λαμπρὸς τε τοῖς ἔργοις καὶ μέγας ἐγεγόνει ταῖς τύχαις, οὐκ ἐνεγκοῦσα ἡ γυνὴ ἔτι τὴν ἀτιμίαν ἐς Βυζάντιον ἤλθεν. ἰκέτις τε γενομένη τῆς βασιλίδος ἀπολαβεῖν τὸν ἄνδρα ἡξίου. [14] ἡ δὲ βασιλὶς ἔπεφύκει γὰρ αἰὲν δυστυχοῦσαις γυναῖξιν προσχωρεῖν ἀκουσίῳ αὐτὴν τῷ Ἀρταβάνῃ ὡς μάλιστα ξυνοικεῖν ἔγνω, τὴν τε Πρεῖέκταν Ἰωάννης ὁ Πομπηίου τοῦ Ὑπατίου γυναῖκα γαμετὴν ἐποίησατο. [15] ταύτην Ἀρταβάνης τὴν ξυμφορὰν οὐκ ἤνεγκε πρῶως, ἀλλ' ἡγριαίνετό τε καὶ ἀγαθὰ εἰργασμένον Ῥωμαίους ἔλεγε τόσα... γυναῖκα μὲν τὴν οἱ αὐτῷ κατηγγυημένην ἐκόντα ἐκοῦσαν ἀγαγέσθαι οὐδεὶς ἐφῆ, τῇ δὲ πάντων αὐτῷ δυσμενεστάτῃ οὔσῃ πλησιάζειν ἀναγκάζεται τὸν ἅπαντα χρόνον· ὃ δὴ μάλιστα ἀνθρώπου ψυχὴν ἀνιᾶν πέφυκεν. [16] ὥστε ἀμέλει οὐ πολλῶ ὕστερον ἐπειδὴ τάχιστα ἡ βασιλὶς ἐξ ἀνθρώπων ἠφάνιστο, ταύτην ἀσμένως ἀπεπέμψατο τὴν γυναῖκα εὐθύς. [17] Ἐτυγχανε δὲ βασιλεῖ τὸν Γερμανὸν ἀνεσιὸν ὄντα Βοραῖδην ἀδελφὸν ἔχειν. οὗτος οὖν Βοραΐδης ὁ Γερμανοῦ ἀδελφὸς ἐναγχος ἐτετελευτήκει, τῶν χρημάτων τὰ πλεῖστα τῷ τε ἀδελφῷ καὶ παισὶ τοῖς ἐκείνου ἀπολιπών. [18] οὔσης δὲ αὐτῷ γυναικὸς τε καὶ παιδὸς μιᾶς, τοσαῦτα τὴν παῖδα ἐκέλευεν ἔχειν ὅσα ὁ νόμος ἠνάγκαζε. διὸ δὴ βασιλεὺς τῇ παιδί μᾶλλον ἀμύνειν ἡξίου· ὅπερ ἐν τοῖς μάλιστα Γερμανὸν ἔδακνε.

Βασιλεῖ μὲν οὖν τά τε ἀμφὶ Ἀρταβάνῃ καὶ Γερμανῷ ταύτη πη εἶχεν. ἦν δέ τις Ἀρσάκης ὄνομα ἐν Βυζαντίῳ, Ἀρμένιος γένος, Ἀρσακίδης ἀνὴρ, τῷ Ἀρταβάνῃ κατὰ γένος προσήκων. [2] ὃς δὴ κακουργῶν ἐς τὴν πολιτείαν οὐ πολλῶ ἔμπροσθεν ἐφωράθη καὶ προδοσίας διαφανῶς ἐάλω ἅτε δὴ ἐς Χοσρόην τὸν Περσῶν βασιλέα πράγματα ἐπὶ Ῥωμαίοις νεώτερα πράσσων. [3] βασιλεὺς τε αὐτὸν ἄλλο μὲν εἰργάσατο οὐδὲν ἄχαρι, ξάνας δὲ οὐ πολλὰς κατὰ νότου ἐπόμπευσε καμὴλῳ ἀνὰ τὴν πόλιν ὀχούμενον, οὐδὲν μέντοι αὐτὸν οὔτε τοῦ σώματος οὔτε τῆς οὐσίας ἀφείλετο, [4] οὐ μὴν οὐδὲ φυγῇ ἐξημίωσε. δυσφορούμενος δὲ ὅμως τοῖς ξυμπεπτωκόσιν Ἀρσάκης δολώσεις ἐπὶ τῷ Ἰουστινιανῷ καὶ τῇ πολιτείᾳ ἐπινόειν ἤρξατο. [5] ἐπειδὴ τε ξυναχθόμενόν οἱ τὸν Ἀρταβάνην ἅτε ξυγγενὴ εἶδεν, ἔτι μᾶλλον ἠρέθιζε τε καὶ λόγων ἐνέδραις τὸν ἄνθρωπον καταλαβὼν ἐκάκιζεν, οὔτε νύκτα οὔτε ἡμέραν τινὰ ἀνιείς, ἀνδρεῖόν τε καὶ ἀνδρόγυνον ἀπὸ καιροῦ γεγονότα ὠνείδιζεν. [6] ἐπὶ μὲν γὰρ κακοῖς ἄλλοτρίοις γενναῖόν τε καὶ τῆς τυραννίδος διαλυτὴν αὐτὸν γεγονέναι, φίλον τε ὄντα καὶ ἐστιάτορα Γόνθαριν αὐτοχειρὶ λαβόντα κτεῖναι οὐδενὶ λόγῳ. [7] ἐν δέ γε τῷ παρόντι ἀποδειλιάσαντα οὕτως ἀνάνδρως ἐνταῦθα καθῆσθαι, τῆς μὲν πατρίδος οἱ φρουρουμένης τε ἐνδεδεχέστατα καὶ δασμοῖς ἐκτετηκυίας ἀήθεσι, τοῦ δὲ πατρὸς ἀνηρημένου ἐπὶ ξυνθηκῶν τε καὶ ξυμβάσεως λόγῳ, παντὸς δὲ τοῦ ξυγγενοῦς δεδουλωμένου τε καὶ σκεδαννυμένου αἰὲν πανταχόσε τῆς Ῥωμαίων ἀρχῆς. [8] ἀλλὰ τούτων τοιούτων ὄντων αὐτῷ Ἀρταβάνης ἀποχρῆν οἶται, εἰ στρατηγὸς τε Ῥωμαίων εἴη καὶ ὑπατος καλοῖτο μόνον. ‘Καὶ σὺ μὲν’ ἔφη ‘ξυγγενεῖ τέ μοι ὄντι καὶ πεπονθότε

[24] ὃς δὴ τότε οὐκ εἶα τὸν λόγον ἐς βασιλέα φέρεσθαι. ‘Σὲ μὲν γάρ τούτου’ ἔφη ‘μηνυτὴν γενέσθαι ἀξύμφορον. ἦν γάρ τι λάθρα ἐρεῖν βασιλεῖ βούλοιο, ὑποτοπήσουσί τε εὐθὺς οἱ ἀμφὶ Ἀρταβάνην αὐτὸ μεμνηνύσθαι, καὶ ἦν που Ἀρσάκης διαφυγὼν λαθεῖν δύνηται, ἀνεξέλεγκτον τὸ ἔγκλημα μενεῖ. [25] ἐγὼ δέ τι μὴ λίαν ἀκριβολογησάμενος ἢ πιστεύειν αὐτὸς ἢ βασιλεῖ ἐσαγγέλλειν οὐδαμῇ εἴωθα. [26] βούλομαι τοίνυν ἢ τῶν λόγων αὐτήκοος γενέσθαι ἢ τῶν μοι ἐπιτηδείων τινὰ ἐκ παρασκευῆς ὑμετέρας ἀκοῦσαι τοῦ ἀνθρώπου λέγοντός τι ὑπὲρ τούτων διαφανές.’ [27] Ταῦτα ὁ Γερμανὸς ἀκούσας Ἰουστίνον τὸν παῖδα ἐκέλευε πράσσειν ὅπως ἡ Μαρκέλλου ἐπίταξις ἐπιτελῆς εἴη. [28] ὁ δὲ Ἀρσάκη μὲν τι ὑπὲρ τούτου εἰπεῖν οὐκέτι εἶχεν, ἐπεὶ ἄντικρυς αὐτῷ, ὥσπερ μοι ἐρρήθη, ἀπειπὼν ἔτυχε. [29] τοῦ δὲ Χαναράγγου ἀνεπυνθάνετο εἰ Ἀρταβάνου γνώμη ἑναγχος Ἀρσάκης παρ’ αὐτὸν ἦκοι. ‘Εγὼ μὲν γάρ οὐκ ἂν ποτε’ ἔφη ‘τῶν τι ἀπορρήτων ἐθάρσησα ἐπ’ ἐκείνῳ τοιῷδε ὄντι καταλιπεῖν. [30] ἀλλ’ εἰ μοι βούλοιό τι αὐτὸς τῶν προὔργου εἰπεῖν, ἐπὶ κοινῆς βουλευσάμενοι τάχα [31] ἂν τι καὶ ἀγαθὸν πράξαιμεν.’ ὑπὲρ τούτων ὁ Χαναράγγης τῷ Ἀρταβάνῃ κοινολογησάμενος ἅπαντα ἐς τὸν Ἰουστίνον ἐξήνεγκεν, ὅσα δὴ πρότερον Ἀρσάκης αὐτῷ εἰπὼν ἔτυχεν. [32] Ἐπεὶ δὲ Ἰουστίνος αὐτὸς τε ἅπαντα ἐπιτελέσειν καὶ τὸν πατέρα ὡμολόγει ὁμογνωμονοῦντα παρέξεσθαι, ἐδόκει τῷ Γερμανῷ τὸν Χαναράγγην ἐς λόγους συμμιῆσαι, τακτὴ τε ἡμέρα τῷ διαλόγῳ ξυνέκειτο. [33] ταῦτα ὁ Γερμανὸς Μαρκέλλῳ σημήνας ἡξίου τῶν τινά οἱ ἐπιτηδείων παρέχεσθαι σφίσιν, [34] αὐτήκοον τῶν Χαναράγγου λόγων ἐσόμενον. ὁ δὲ Λεόντιον παρείχετο, τὸν Ἀθανασίου γαμβρόν, ἄνδρα λόγου τε τοῦ δικαίου μεταποιοούμενον καὶ ἀληθίζεσθαι ἐξεπιστάμενον μάλιστα. [35] ὃν δὴ ὁ Γερμανὸς ἐς τὴν οἰκίαν ἐσαγαγὼν ἐν δωματίῳ ἐκάθισεν, ἵνα δὴ ἀπεκρέματό τις παχεῖα σινδὼν παραπέτασμα τῆς στιβάδος οὔσα, ἐφ’ ἧς ἐστιᾶσθαι εἰώθει. [36] ταύτης τε τῆς σινδόνης τὸν μὲν Λεόντιον ἐντὸς ἔκρυψεν, αὐτὸς δὲ ξὺν Ἰουστίνῳ τῷ παιδί ἐκτὸς ἔμενον. [37] ἐνταῦθα τοῦ Χαναράγγου ἀφικομένου ἤκουσε σαφῶς ὁ Λεόντιος ἅπαντα λέγοντος, ἅπερ αὐτῷ τε καὶ Ἀρταβάνῃ καὶ τῷ Ἀρσάκῃ ἐν βουλῇ ἐγεγόνει. [38] ἐν τοῖς καὶ τότε ἐς τὸν λόγον ἦλθεν, ὥς, ἦν βασιλέα κτείνωσι Βελισαρίου ἔτι ἐς Βυζάντιον ὁδῷ ἰόντος, οὐδὲν ἂν τῶν βεβουλευμένων προχωρήσειε σφίσιν: εἴπερ αὐτοῖς μὲν βασιλέα Γερμανὸν καταστήσεσθαι βουλομένοις εἶη, Βελισάριον δὲ πλῆθος στρατιᾶς ἀθροίσειν εἰκὸς ἐκ τῶν ἐπὶ Θράκης χωρίων, οὕτω τε σφίσιν ἐπιόντα τὸν ἄνθρωπον οὐδεμιᾷ μηχανῇ ἀπωθεῖσθαι ἱκανοὶ ἔσονται. [39] δεήσει γοῦν ἐς μὲν τὴν Βελισαρίου παρουσίαν ἀποθέσθαι τὴν πρᾶξιν, ἐπειδὰν δὲ ὁ ἀνὴρ τάχιστα ἐς Βυζάντιόν τε ἀφίκηται καὶ παρὰ βασιλέα ἐν Παλατίῳ εἴη, τότε δὴ, ἐσπέρας βαθείας που οὔσης, ἐγχειρίδια φέροντας ἀπροσδοκίτους ἐνταῦθα γενέσθαι, καὶ Μάρκελλόν τε καὶ Βελισάριον ξὺν βασιλεῖ κτείνειν. [40] οὕτω γάρ τὸ ἐνθένδε ἀδεέστερον ἢ βούλονται διοικήσονται. Ταῦτα Μάρκελλος πρὸς Λεοντίου μαθὼν οὐδ’ ὥς ἐς βασιλέα τὸν λόγον ἀνενεγκεῖν ἔγνω, ἀλλ’ ἔτι

ὀκνήσει πολλῇ εἶχeto, τοῦ μὴ τὸν Ἀρταβάνην σπουδῇ πολλῇ κατεργάσασθαι ἀπερισκέπτως. [41] ὁ μέντοι Γερμανὸς ἅπαντα ἕς τε Βούζην καὶ Κωνσταντιανὸν ἐξήνεγκε, δέισας, ὅπερ ἐγένετο, μὴ τινα ἐκ τῆς μελλήσεως ὑποψίαν λάβῃ. [42] Ἡμέραις δὲ πολλαῖς ὕστερον, ἐπειδὴ παρὼν Βελισάριος ἄγχιστά του ἤδη ἠγγέλλετο, Μάρκελλος μὲν ἕς βασιλέα τὸν πάντα λόγον ἀνήνεγκεν, ὁ δὲ αὐτίκα ἕς τὴν εἰρκτὴν ἀπαχθῆναι τοὺς ἀμφὶ Ἀρταβάνην ἐκέλευε, τῶν τε ἀρχόντων τισὶ τὴν ἐπ' αὐτοῖς ἐπέτρεπε βάσανον. [43] ἐπεὶ δὲ ἡ ἐπιβουλὴ ξύμπασα ἕς φῶς τε ἤδη ἐληλύθει καὶ διαρρήδην ἐν γράμμασιν ἦν, ἅπαντας βασιλεὺς τοὺς ἐκ τῆς συγκλήτου βουλῆς ἐν Παλατίῳ ἐκάθισεν, οὗπερ εἰώθασι τὰς ἀμφὶ τοῖς ἀντιλεγομένοις ποιεῖσθαι γνώσεις. [44] οἵπερ ἀναλεξάμενοι ἅπαντα ὅσα τοῖς εὐθυνομένοις δεδιγῆσθαι τετύχηκεν, οὐδέν τι ἦσσαν ἕς Γερμανόν τε καὶ Ἰουστίνον τὸν αὐτοῦ παῖδα τὸ ἐγκλημα ἦγον, ἕως ὃ Γερμανὸς Μαρκέλλου τε καὶ Λεοντίου τὴν μαρτυρίαν παρασχόμενος ἐκλύειν τὴν ὑποψίαν ἔσχεν. [45] αὐτοὶ τε γὰρ καὶ Κωνσταντιανὸς καὶ Βούζης διώμοτοι ἰσχυρίσαντο μὴδ' ὅτιοῦν σφᾶς τούτων δὴ ἔνεκα τὸν Γερμανὸν ἀποκρύψασθαι, ἀλλὰ ταύτη πάντα ξυνενεχθῆναι ἥπερ μοι ἔναγχος δεδιῆγεται. [46] οἱ μὲν οὖν ἐκ τῆς συγκλήτου εὐθὺς αὐτοῦ τε καὶ τοῦ παιδὸς ἀπεψηφίσαντο ἅπαντες ἅτε οὐδὲν εἰς τὴν πολιτείαν ἡμαρτηκότων. [47] Ἐπεὶ δὲ εἴσω πάντες ἐν βασιλέως ἐγένοντο, αὐτὸς μὲν ὅξυ θυμωθεὶς βασιλεὺς ἠγανάκτει τε καὶ ὑπερφυῶς ἐπὶ τὸν Γερμανὸν ἠγριαίνεται τὴν βραδυτῆτα τῆς δηλώσεως αἰτιώμενος, τῶν τε ἀρχόντων δύο μὲν τινες θεραπεύοντες αὐτὸν ὠμολόγουν τὴν γνώμην, καὶ ξὺν αὐτῷ δυσφορούμενοις ἐώκεσαν· ταύτη τε τὸν βασιλέως θυμὸν ἐπὶ μέγα ἐξῆρον, ἄλλοτριάς αὐτῷ χαριεῖσθαι συμφορὰς ἐν σπουδῇ ἔχοντες. [48] οἱ δὲ ἄλλοι κατεπτηχότες σιωπῇ εἶχοντο, τῷ μὴ ἀντιστατεῖν ἂ βούλοιτο ἐγχωροῦντες αὐτῷ· Μάρκελλος δὲ μόνος ὀρθοστομήσας διασώσασθαι τὸν ἄνθρωπον ἵσχυσε. [49] τὴν γὰρ αἰτίαν ἐφ' ἑαυτὸν ἔλκων τε καὶ βιαζόμενος δυνάμει τῇ πάσῃ Γερμανὸν μὲν οἱ ἐπικαιρότατα ἔφη τὰ πρασσόμενα ἐξεπεῖν, αὐτὸν δὲ περιέργως ἀκριβολογούμενον σχολαιότερον αὐτὰ μεμνηνυκέναι. [50] καὶ τὴν βασιλέως ὀργὴν οὕτω κατέπαυσε. μέγα τε ἀπ' αὐτοῦ κλέος οὗτος ὁ Μάρκελλος περιεβάλετο ἕς πάντας ἀνθρώπους ἅτε ἀρετῆς ἐν τοῖς ἀναγκαιοτάτοις μεταποιούμενος. [51] βασιλεὺς δὲ Ἰουστινιανὸς παρέλυσεν τὸν Ἀρταβάνην ἧς εἶχεν ἀρχῆς, ἄλλο δὲ αὐτὸν εἰργάσατο οὐδὲν ἄχαρι, οὐ μὴν οὐδὲ τῶν ἄλλων οὐδένα, πλὴν γε δὴ ὅτι ἅπαντας οὐ ξὺν ἀτιμίᾳ ἐν φυλακῇ ἔσχεν, ἐν Παλατίῳ μέντοι, οὐκ ἐν τῷ δημοσίῳ οἰκίῳ.

Ὑπὸ δὲ τὸν χρόνον τοῦ πολέμου τόνδε κύριοι τῆς ἐσπερίας οἱ βάρβαροι διαρρήδην ἐγένοντο πάσης. τοῖς τε Ῥωμαίοις ὁ Γοτθικὸς πόλεμος, καίπερ τὰ πρῶτα κατὰ κράτος νενικηκόσιν, ὥσπερ μοι ἔμπροσθεν εἴρηται, ἕς τοῦτο ἀπεκρίθη, ὥστε οὐχ ὅσον σφίσι χρήματα καὶ σώματα ἐπ' οὐδεμιᾷ ὀνήσει διεφθάρθαι πολλά, ἀλλὰ καὶ Ἰταλίαν προσαπολέσθαι, καὶ Ἰλλυριὸς τε καὶ Θράκας σχεδόν τι ξύμπαντας ἐπιδεῖν πρὸς τῶν βαρβάρων ἅτε ὁμόρων γεγεννημένων δημιουμένους τε καὶ διαφθειρομένους οὐδενὶ κόσμῳ. ἐγένετο δὲ ὧδε. [2] Γαλλίας μὲν ὅλας τὰς σφίσι κατηκόους κατ' ἀρχὰς τοῦδε τοῦ πολέμου Γερμανοῖς ἔδοσαν Γότθοι, οὐκ ἂν οἰόμενοι πρὸς ἑκατέρους ἀντιτάξασθαι οἷοί τε εἶναι, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [3] ταύτην τε τὴν πρᾶξιν

οὐχ ὅπως οὐ διακαλύειν Ῥωμαῖοι ἔσχον, ἀλλὰ καὶ βασιλεὺς Ἰουστινιανὸς ἐπέρρωσε σφίσι, τοῦ μή τί οἱ ἐναντίωμα τούτων δὴ τῶν βαρβάρων ἐκπεπολεωμένων ὑπαντίασαι. [4] οὐ γάρ ποτε ᾤοντο Γαλλίας ζῆν τῷ ἀσφαλεῖ κεκτῆσθαι Φράγγοι, μὴ τοῦ αὐτοκράτορος τὸ ἔργον ἐπισφραγίσαντος τοῦτο γε. καὶ ἀπ' αὐτοῦ οἱ Γερμανῶν ἄρχοντες Μασαλίαν τε τὴν Φωκαέων ἀποικίαν καὶ ζύμπαντα τὰ ἐπιθαλάσσια χωρία ἔσχον, θαλάσσης τε τῆς ἐκείνῃ ἐκράτησαν. [5] καὶ κáθηνται μὲν ἐν τῇ Ἀρελάτῳ τὸν ἱππικὸν ἀγῶνα θεώμενοι, νόμισμα δὲ χρυσοῦν ἐκ τῶν ἐν Γάλλοις μετάλλων πεποιήνται, οὐ τοῦ Ῥωμαίων αὐτοκράτορος, ἥπερ εἴθισται, χαρακτηῖρα ἐνθέμενοι τῷ στατήρι τούτῳ, [6] ἀλλὰ τὴν σφετέραν αὐτῶν εἰκόνα. καίτοι νόμισμα μὲν ἀργυροῦν ὁ Περσῶν βασιλεὺς ἦ βούλοιο ποιεῖν εἴωθε, χαρακτηῖρα δὲ ἴδιον ἐμβαλέσθαι στατήρι χρυσῷ οὔτε αὐτὸν θέμις οὔτε δὲ ἄλλον ὄντιναοῦν βασιλέα τῶν πάντων βαρβάρων, καὶ ταῦτα μᾶλλον ὄντα χρυσοῦ κύριον, ἐπεὶ οὐδὲ τοῖς ξυμβάλλουσι προῖεσθαι τὸ νόμισμα τοῦτο οἷοι τέ εἰσιν, εἰ καὶ βαρβάρους τοὺς ξυμβάλλοντας εἶναι ξυμβαίνει. ταῦτα μὲν οὖν τῇδε Φράγγοις ἐχώρησεν. [7] Ἐπεὶ δὲ τὰ Γότθων τε καὶ Τουτίλα καθυπέρτερα τῷ πολέμῳ ἐγένετο, Φράγγοι Βενετίων τὰ πλεῖστα σφίσι προσεποιήσαντο οὐδενὶ λόγῳ, οὔτε Ῥωμαίων δυναμένων ἔτι ἀμύνεσθαι οὔτε Γότθων οἶων τε ὄντων τὸν πόλεμον πρὸς ἑκατέρους διενεγκεῖν. [8] Γήπαιδες δὲ πόλιν τε Σίρμιον καὶ Δακίας ἐκ τοῦ ἐπὶ πλεῖστον ἀπάσας καταλαβόντες ἔσχον, ἐπειδὴ τάχιστα βασιλεὺς αὐτὰς Ἰουστινιανὸς ἀφείλετο Γότθους· ἐξηνδραπόδισάν τε τοὺς ταύτῃ Ῥωμαίους, ἔτι μέντοι ἐπίπροσθεν αἰεὶ ὁδῷ ἰόντες ἐληΐζοντο βιαζόμενοι τὴν Ῥωμαίων ἀρχήν. [9] διὸ δὴ βασιλεὺς αὐτοῖς τὰς συντάξεις οὐκέτι ἐδίδου, ὥσπερ εἴθιστο σφᾶς ἀνέκαθεν πρὸς Ῥωμαίων κομίζεσθαι. [10] Λαγγοβάρδας δὲ βασιλεὺς Ἰουστινιανὸς ἐδωρήσατο Νωρικῷ τε πόλει καὶ τοῖς ἐπὶ Παννονίας ὀχυρώμασί τε καὶ ἄλλοις χωρίοις πολλοῖς καὶ χρήμασι μεγάλοις ἄγαν. [11] διὰ τοι τοῦτο ἐξ ἡθῶν τῶν πατρίων Λαγγοβάρδαι ἐξαναστάντες ἐνθένδε ποταμοῦ Ἰστρου ἰδρύσαντο, [12] Γηπαίδων οὐ πολλῷ ἄποθεν. καὶ αὐτοὶ μὲν Δαλμάτας τε καὶ Ἰλλυριοὺς μέχρι τῶν Ἐπιδάμνου ὁρίων ληϊσάμενοι ἡνδραπόδισαν, ἐπειδὴ τε τῶν τινες αἰχμαλώτων ἐνθένδε φυγόντες οἵκαδε ἀποκομίζεσθαι ἴσχυσαν, περιόντες τὴν Ῥωμαίων ἀρχὴν οἱ βάρβαροι οὗτοι ἅτε Ῥωμαίοις ἔνσπονδοι ὄντες ἦν τινὰς τῶν ἀποδράντων ἐπιγνοῖεν ἐνταῦθα, ὥσπερ ἀνδραπόδων οἰκείων δεδραπετευκότων ἐπελαμβάνοντο, τῶν τε γειναμένων ἀφέλκοντες ἐς τὰ οἰκεῖα ζῆν αὐτοῖς ἐκομίζοντο, οὐδενὸς σφίσιν ἀντιστατοῦντος. [13] καὶ ἄλλα μέντοι Δακίας χωρία δόντος βασιλέως Ἐρουλοὶ ἔσχον ἀμφὶ πόλιν Σιγγιδόνον, οὗ δὴ ἱδρυνται νῦν, Ἰλλυριοὺς τε καὶ τὰ ἐπὶ Θράκης χωρία καταθέοντες καὶ ληϊζόμενοι ἐκ τοῦ ἐπὶ πλεῖστον. τινὲς δὲ αὐτῶν καὶ Ῥωμαίων στρατιῶται γεγένηται ἐν τοῖς φοιδεράτοις καλουμένοις ταττόμενοι. [14] ἡνίκα οὖν Ἐρούλων ἐς Βυζάντιον πρέσβεις σταλεῖεν, τούτων δὴ τῶν ἀνδρῶν, οἱ τοὺς Ῥωμαίων κατηκόους ληϊζονται, τὰς συντάξεις ἀπάσας πρὸς βασιλέως κεκομισμένοι πόνῳ οὐδενὶ ἀπαλλάσσονται.

Οὕτῳ μὲν οἱ βάρβαροι διεδάσαντο τὴν Ῥωμαίων ἀρχήν. χρόνῳ δὲ ὕστερον Γήπαιδές τε καὶ Λαγγοβάρδαι ἅτε δὴ ἐν γειτόνων πῃ ᾤκημένοι ἀλλήλοις διάφοροι γεγένηται ἐς τὰ μάλιστα. [2] πολεμῆσιόντές τε προθυμία τῇ πάσῃ ἐς

ἀλλήλους ἑκάτεροι ὥρων τοῖς πολεμίοις διὰ μάχης ἰέναι, χρόνος τε τῇ
ξυμβολῇ τακτὸς ὤριστο. [3] Λαγγοβάρδαι δὲ οὐκ ἂν οἰόμενοι Γήπαισιν
ἀξιόμαχοι κατὰ μόνας αὐτοὶ ἔσσεσθαι ἵπληθι γὰρ αὐτοὺς ἐλασσοῦσθαι τῶν
πολεμίων ξυνέβαινέ Ῥωμαίους ἔγνωσαν ἐς ξυμμαχίαν ἐπαγαγέσθαι. [4]
πέμψαντες οὖν παρὰ βασιλέα Ἰουστινιανὸν πρέσβεις στράτευμα σφίσιν
ἐδέοντο πέμψαι. ὅπερ ἐπεὶ Γήπαιδες ἔγνωσαν, πέμπουσι καὶ αὐτοὶ ἐς
Βυζάντιον πρέσβεις ὑπὲρ τῶν αὐτῶν δεησομένους. ἦρχε δὲ τότε Γηπαίδων
μὲν Θορισὶν ὄνομα, τῶν δὲ ἐτέρων Αὐδοῦν. [5] βασιλεὺς δὲ Ἰουστινιανὸς
λόγους μὲν τοὺς πρὸς ἀμφοτέρων ἀκούειν ἔγνω, οὐχ ἅμα μέντοι ξυνιόντων,
ἀλλὰ καὶ χωρὶς παρ' αὐτὸν γινομένων. [6] ἐν τοῖς πρῶτοι οὖν Λαγγοβάρδαι
βασιλεῖ ἐς ὅψιν ἐλθόντες ἔλεξαν τοιάδε: 'Ἡμῖν μὲν, ὦ βασιλεῦ,
καταπεπληγῆσθαι τῇ Γηπαίδων ἀτοπία ξυμβαίνει, οἳ γε τοσαῦτά τε τὸ πλῆθος
καὶ τοιαῦτα τὸ μέγεθος ἐς τὴν ὑμετέραν παρανενομηκότες ἀρχὴν νῦν καὶ τὴν
μεγίστην τῶν ὕβρεων ὑμῖν κομιοῦντες ἐφ' ὑμᾶς ἤκουσιν. [7] οὗτοι γὰρ ἂν μόνοι
τὰ ἔσχατα ἐς τοὺς πέλας ὑβρίζοιεν, οἳ λίαν αὐτοὺς εὐπετεῖς εἰς τὸ
ἐξαπατᾶσθαι οἰόμενοι τῆς τῶν ἡδικομένων ἀπολαύσοντες εὐηθείας παρ'
αὐτοὺς ἤκοιεν. [8] ὑμᾶς δὲ διασκοπεῖσθαι τοσοῦτον αἰτοῦμεν, ὅπη ποτὲ
γνώμης τὰ ἐς φιλίαν Γήπαισιν ἔχει. οὕτω γὰρ ἂν τὰ ξυνοίσοντα ὡς
ἀσφαλέστατα ἐξεργάσαισθε τῇ Ῥωμαίων ἀρχῇ, ἐπεὶ τοῖς αἰεὶ προγεγεννημένοις
τεκμηριοῦσθαι τὰ ἐσόμενα ξὺν τῷ ἀσφαλεῖ δύνανται ἄνθρωποι. [9] εἰ μὲν οὖν
ἐς ἐτέρους τινὰς τὴν ἀγνωμοσύνην ἐπιδεδεῖχθαι μόνον τὸ Γηπαίδων ἔθνος
ξυνέβαινε, πολλοῦ λόγου τε ἂν ἡμῖν καὶ χρόνου καὶ τῆς ἔξωθεν μαρτυρίας
ἐδέησε, διελέγχειν ἐφιεμένοις τὸν τῶν ἀνδρῶν τρόπον: νῦν δὲ τὸ παράδειγμα
ἐγγύθεν παρ' ὑμῶν αὐτῶν λαβεῖν πάρεστι.' [10] 'Σκέψασθε γάρ: Γότθοι μὲν τὴν
Δακῶν χώραν ἐς φόρου ἀπαγωγὴν τὰ πρότερα εἶχον, Γήπαιδες δὲ τοῦ Ἰστρου
ἐπὶ θάτερα τὸ ἐξ ἀρχῆς ὥκνητο ἅπαντες, Γότθων μὲν οὕτω κατεπτηχότες τὴν
δύναμιν ὥστε τὸν ποταμὸν διαπορθευέσθαι οὐδὲ ὅσον ἀποπειράσασθαι
πώποτε ἴσχυσαν, ἔνσπονδοι δὲ καὶ φίλοι Ῥωμαίοις τὰ μάλιστα ὄντες καὶ δῶρα
πολλὰ τῷ τῆς φιλίας ὀνόματι κομιζόμενοι ἀνὰ πᾶν ἔτος πρὸς τε τῶν
ἔμπροσθεν βεβασιλευκότων, [11] καὶ παρὰ σοῦ μέντοι οὐδέν τι ἦσσαν. ἡδέως
ἂν οὖν πυθοίμεθα τούτων δὴ τῶν ἀνδρῶν τί ποτε ὑπὲρ τούτων αὐτοῖς ἐς
Ῥωμαίους ἀγαθὸν εἵργασται. ἀλλ' οὐκ ἂν ἔχοιεν οὐ μικρὸν ἢ μέγα εἰπεῖν: [12]
ἔως μὲν οὖν οὐκ εἶχον ἐφ' ὅτῳ ἂν ὑμᾶς ἀδικοῖεν, οὐ γνώμη τινί, ἀλλ' ἀπορία
ἠναγκασμένοι ἡσυχῇ ἔμενον. [13] τοῦ μὲν γὰρ Ἰστρου ἐπέκεινα προσποιεῖσθαι
ὑμεῖς οὐδὲν ἠξιοῦτε, τὸ δὲ ἐνθένδε τὸ ἐκ Γότθων αὐτοὺς ἀνεσόβει δέος. [14] τίς
δ' ἂν εὐγνωμοσύνην ποτὲ τὴν ἀδυναμίαν καλοίη; ποία δὲ φιλίας βεβαίωσις ἐν
τῇ τοῦ ἐξαμαρτάνειν ἀμηχανία γενήσεται; οὐκ ἔστιν, ὦ βασιλεῦ, ταῦτα, οὐκ
ἔστι. δύναμις γὰρ ἀνθρώπου φύσιν ἐνδείκνυται μόνη, ἐξάγουσα πᾶσιν ἐν
δημοσίῳ τῇ τοῦ δρᾶν ἐξουσίᾳ τὸν τρόπον. [15] ἰδοὺ γάρ, ἐπειδὴ τάχιστα
Γήπαιδες εἶδον Γότθους μὲν ἐκ Δακίας ἀπεληλαμένους ἀπάσης, ὑμᾶς δὲ
ἀσχολία τῇ πρὸς τοὺς πολεμίους ἐχομένους, πανταχόθι τῆς γῆς ἐπιβατεῦσαι
τῆς ὑμετέρας οἱ μαιρώτατοι τετολμήκασι.' [16] 'Πῶς ἂν τις ἐφικέσθαι δύναιτο
λόγῳ τῆς τοῦ πράγματος ἀτοπίας; οὐ κατεφρόνησαν τῆς Ῥωμαίων ἀρχῆς; οὐκ
ἔλυσαν σπονδῶν τε καὶ συμμάχων θεσμούς; [17] οὐχ ὕβρισαν εἰς οὓς ἥκιστα

[19] καίτοι τῆς παρουσίας αὐτῶν πρεσβείας οὐ γέγονε πρᾶξις μιαιωτέρα ἐκ τοῦ παντὸς χρόνου. ἐπειδὴ γὰρ ἡμᾶς πολεμῆσειντας ἐπ' αὐτοὺς εἶδον, ἐς Βυζάντιόν τε θαρσοῦσιν ἀφῆχθαι καὶ βασιλεῖ ἐς τοσόνδε περιωρισμένῳ ἐς ὅψιν ἤκειν. [20] ἴσως που καὶ ἀναιδεΐας περιουσία ἐς ξυμμαχίαν παρακαλέσουσιν ἐφ' ἡμῖν τοῖς οὕτω κατεσπουδασμένοις ὑμῖν. [21] καὶ μὴν εἰ μὲν ἀποδωσειόντες ἤκουσιν ὥνπερ ἐπεβάτευσαν οὐδὲν σφίσι προσῆκον, Λαγγοβάρδας αἰτιωτάτους τῆς ἐνθένδε ὠφελείας λογιστέον Ῥωμαῖοις, ὥνπερ τῷ δέει ἀναγκασθέντες τὴν ἀκούσιον εὐγνωμοσύνην ὡπὲ τοῦ καιροῦ μεταμπίσχονται. [22] τῷ γὰρ τὴν ἀνάγκην πεποιημένῳ τὴν χάριν εἰκότως ὁ τῆς εὐεργεσίας τυχὼν εἴσεται. εἰ δέ γε μὴδὲ νῦν ἐκστῆναι τῶν οὐ προσηκόντων βεβούληνται, τίς ἂν εἴη ταύτης δὴ τῆς κακοτροπίας ὑπερβολή; [23] 'Ταῦτα μὲν οὖν ἡμῖν ἀφελεία βαρβαρικῇ, λόγων σπανιζούσῃ, τῶν πραγμάτων οὐδαμῇ ἐπαξίως εἰρήσθω. [24] σὺ δέ, ὧ βασιλεῦ, διασκοπούμενος ὅσα ἐνδεεστέως ἢ κατὰ τὴν χρεῖαν ἡμῖν εἴρηται, τὰ Ῥωμαῖοις τε καὶ Λαγγοβάρδαις τοῖς σοῖς ξυνοίσοντα πρᾶσσε, τοῦτο πρὸς τοῖς ἄλλοις ἅπασιν ἐννοῶν, ὥς ἡμῖν μὲν ἀμφὶ τῷ θεῷ ὁμογνωμονοῦσι τὸ ἐξ ἀρχῆς συντετάξονται Ῥωμαῖοι δικαίως, τοῖς δὲ Ἀρειανοῖς οὗσι καὶ δι' αὐτὸ τοῦτο ἀπ' ἐναντίας χωρήσουσι.' [25] Λαγγοβάρδαι μὲν τοσαῦτα εἶπον. γενόμενοι δὲ τῇ ὑστεραίᾳ παρὰ βασιλέα καὶ οἱ Γηπαίδων πρέσβεις ἔλεξαν ὥδε: 'Δίκαιον, ὧ βασιλεῦ, τοὺς ἐπὶ ξυμμαχίας αἰτήσῃ παρὰ τοὺς πέλας ἀφικομένους ἀναδιδάξαι πρῶτον, ὥς δίκαιά τε δεησόμενοι πάρεσι καὶ ξύμφορα τοῖς ξυμμαχήσουσιν, οὕτω τε τοὺς λόγους ὥνπερ ἔνεκα πρεσβεύουσι ποιεῖσθαι. [26] ὥς μὲν οὖν ἡδικήμεθα πρὸς Λαγγοβαρδῶν, αὐτόθεν δῆλον: δίκη γὰρ διαλύειν τὰ διάφορα ἐν σπουδῇ ἔχομεν, [27] δικάζεσθαι δὲ οἷς ἂν σπουδάζεταιται βιάζεσθαι οὐδαμῇ πρόσσεστιν. [28] ὥς δὲ πολυανθρωπία τε καὶ ἀρετὴ Γήπαιδες παρὰ πολὺ Λαγγοβαρδῶν κρείσσους τυγχάνουσιν ὄντες, [29] τί ἂν τις ἐν εἰδόσι μακρολογοίῃ; τὸ δὲ ζῦν τοῖς καταδεεστέροις ἐς τὴν ἀγωνίαν καθισταμένους ἐς κακόν τι προὔπτον ἰέναι, παρὸν τὴν νίκην ζῦν τοῖς δυνατωτέροις ταπτομένους ἀκίνδυνον ἔχειν, οὐκ ἂν τινας οἰόμεθα τῶν καὶ κατὰ βραχὺ σωφρονούντων ἐλέσθαι. [32] φιλία δὲ χρόνου μήκει ξυμπλεκόμενη τὴν διάλυσιν οὐκ εὐπετὴ ἔχει. ὥστε ξυμμάχους οὐ δυνατοὺς μόνον, ἀλλὰ καὶ βεβαίους κεκτήσεσθε. [33] δικαίωμα μὲν οὖν πρὸς ὑμᾶς ἐς τὴν ξυμμαχίαν ἐπαγωγὰ ταῦτά ἐστιν ἡμῖν.' 'Θεάσασθε δὲ ὅποιοι Λαγγοβάρδαι τοὺς τρόπους εἰσὶ. [34] δίκη μὲν τὰ διάφορα

διαλῦσαι, καίπερ πολλὰ προκαλουμένων ἡμῶν, οὐδαμῇ ἔγνωσαν, θράσει ἀλογίστῳ ἐχόμενοι: ἐπεὶ δὲ ὁ πόλεμος ἤδη πού ἐν χερσὶ γέγονεν, οἱ δὲ ὀπίσω τῶν πραγμάτων ἀναποδίζοντες τῷ τὴν οἰκείαν ἀσθένειαν ξυνεπίστασθαι παρ' ὑμᾶς ἤκουσιν, ἀξιοῦντες Ῥωμαίους ἀνελέσθαι τὸν ὑπὲρ αὐτῶν οὐ δέον ἀγῶνα. [35] πάντως δὲ οἱ κλῶπες οὗτοι τό τε Σίρμιον καὶ ἄλλα ἐπὶ Δακίας ἄττα χωρία ὑπόθεσιν ὑμῖν τοῦ πολέμου τοῦδε προΐσχονται εἶναι. [36] καίτοι πόλεων τε καὶ χώρας τοσοῦτον τῇ σῇ βασιλείᾳ περίεστιν ὥστε καὶ διερευνᾶσθαι τῶν ἀνθρώπων τινας, οἷς ἂν καὶ δόις μοῖραν τινα πρὸς ἐνοίκησιν. [37] Φράγγους ἀμέλει καὶ τὸ Ἐρούλων ἔθνος καὶ τούτους Λαγγοβάρδας τοσούτοις ἐδωρήσω πόλεώς τε καὶ χώρας, ὃ βασιλεῦ, [38] μέτροις, ὅποσα οὐκ ἂν τις διαριθμήσαιτο. ἡμεῖς δὲ τῇ φιλίᾳ τῇ σῇ τὸ θαρσεῖν ἔχοντες, τοῦτο, ὅπερ ἐβούλου, διαπεπράγμεθα: ὁ δὲ τι προΐεσθαι τῶν ὑπαρχόντων βεβουλευμένος κρείσσω παρὰ πολὺ τοῦ πρὸς αὐτοῦ τετυχηκότος τῆς χάριτος τὸν προτερήσαντά τε καὶ γνώμη τὸ δῶρον αὐτονόμῳ ἐλόμενον οἶεται εἶναι, ἣν μὴ ἐς τὸν κεκτημένον ὑβρίζων, ἀλλὰ τῷ φίλος οἱ ἐς τὰ μάλιστα εἶναι θαρσῶν, τὴν τοῦ πράγματος ἀξίωσιν πεποιῆσθαι δοκεῖ, ὅπερ καὶ Γήπαισιν ἐς Ῥωμαίους τετύχηκεν εἶναι. [39] ὧν ἐνθυμουμένους ὑμᾶς μάλιστα μὲν κατὰ τὸ ξυμμαχικὸν αἰτοῦμεν σὺν ἡμῖν ἐπὶ Λαγγοβάρδας ἰέναι δυνάμει τῇ πάσῃ: εἰ δὲ μή, ἐκποδῶν ἀμφοτέροις στήναι. ταῦτα γὰρ βουλευόμενοι δίκαιά τε ποιεῖτε καὶ λίαν ἐπιτηδεῖως τῇ Ῥωμαίων ἀρχῇ.' [40] Καὶ Γήπαιδες μὲν τοσαῦτα εἶπον. βουλευσάμενος δὲ πολλὰ Ἰουστινιανὸς βασιλεὺς αὐτοὺς μὲν ἀποπέμψασθαι ἀπράκτους ἔγνω, ὁμαιοῦσαν δὲ πρὸς Λαγγοβάρδας διώμοτον πεποιημένους πλέον αὐτοῖς ἢ ἐς μυρίους ἱππεῖς ἐπεμψεν, ὧν δὴ Κωνσταντιανὸς καὶ Βούζης καὶ Ἀράτιος ἦρχον. [41] ξυνῆν δὲ αὐτοῖς καὶ Ἰωάννης, ὁ Βιταλιανοῦ ἀδελφιδοῦς, προρρηθὲν αὐτῷ ἐκ βασιλείας, ἐπειδὴν τάχιστα διαμαχήσωνται πρὸς τὸ Γηπαίδων ἔθνος, ἐνθένδε σπουδῇ ἐς τὴν Ἰταλίαν ξὺν τοῖς ἐπομένοις ἰέναι. ἐτύγχανε γὰρ ἐξ Ἰταλίας καὶ αὐτὸς ἦκων. [42] ξύμμαχοι δὲ αὐτοῖς Ἐρουλοι πεντακόσιοί τε καὶ χίλιοι εἶποντο, ὧν ἄλλοι τε καὶ Φιλημουθ ἦρχον. [43] οἱ γὰρ ἄλλοι ξύμπαντες Ἐρουλοι ἐς τρισχιλίους ὄντες ξὺν τοῖς Γήπαισιν ἐτετάχατο, ἐπεὶ Ῥωμαίων ἀποστάντες οὐ πολλῷ ἔμπροσθεν ἔτυχον ἐξ αἰτίας ἢ μοι ἐν τοῖς ἔμπροσθεν ἐρρήθη. [44] Μοῖρα δὲ Ῥωμαίων τῶν παρὰ Λαγγοβάρδας ἐπὶ ξυμμαχίᾳ ἰόντων Ἐρούλων τισὶ ξὺν Ἀόρδῳ τῷ τοῦ ἄρχοντος ἀδελφῷ ἐξαπιναιῶς ἐπιτυχάνουσι. [45] μάχης τε καρτερᾶς γενομένης νικῶσι Ῥωμαῖοι, καὶ τὸν τε Ἀορδὸν τῶν τε Ἐρούλων πολλοὺς ἔκτειναν. γνόντες δὲ Γήπαιδες ἄγχιστά πη εἶναι τὸν Ῥωμαίων στρατόν, τὰ διάφορα εὐθὺς Λαγγοβάρδαις διέλυσαν, ἔς τε σπονδὰς οἱ βάρβαροι οὗτοι ξυνέβησαν ἀλλήλοις, ἀκόντων Ῥωμαίων. [46] ταῦτα ἐπεὶ ὁ Ῥωμαίων στρατὸς ἔμαθον, ἐν πολλῇ ἀμηχανίᾳ ἐγένοντο. οὔτε γὰρ ἔτι ἐδύναντο πρόσω ἰέναι οὔτε ἀναστρέφειν ὀπίσω εἶχον δειμαίνοντες οἱ στρατηγοὶ μὴ Γήπαιδές τε καὶ Ἐρουλοι καταθέοντες τὴν Ἰλλυριῶν ληΐσωνται χώραν. [47] αὐτοῦ γοῦν μείναντες ἐς βασιλέα τὰ παρόντα σφίσιν ἀνήνεγκαν. ταῦτα μὲν οὖν ἐπράσσετο τῇδε. ἐγὼ δὲ ὅθεν τὴν ἐκβολὴν τοῦ λόγου ἐποιησάμην ἐπάνειμι.

Βελισάριος μὲν τὴν ἐπὶ τὸ Βυζάντιον οὐδενὶ κόσμῳ ἦει, γῆς μὲν τῆς Ἰταλῶν πενταετὲς οὐδαμῇ ἀποβάς, οὐδέ πη ὁδῷ ἰέναι ἐνταῦθα ἰσχύσας, ἀλλὰ

φυγῇ κεκρυμμένη ἐχόμενος πάντα τοῦτον τὸν χρόνον. ἔκ τε ὀχυρώματος αἰεὶ ἐπιθαλασσίῳ τινὸς ἐς ἄλλο ἐπὶ τῆς παραλίας ὀχύρωμα διηνεκὲς [2] ναυτιλλόμενος καὶ ἀπ' αὐτοῦ ἀδεέστερον τοὺς πολεμίους τετύχηκε Ῥώμην τε ἀνδραποδίσαι καὶ τᾶλλα ὡς εἰπεῖν ἅπαντα. τότε δὲ καὶ Περυσίαν πόλιν. ἡ πρώτη ἐν Τούσκοις οὖσα ἐτύγχανε. πικρότατα πολιορκουμένην ἀπέλιπεν, ἥπερ αὐτοῦ ἐτι ὁδῷ ἰόντος κατ' ἄκρας ἐάλω. [3] ἐς Βυζάντιον δὲ ἀφικόμενος διατριβὴν τὸ λοιπὸν ἐνταῦθα εἶχε, πλούτου μὲν ἐξουσίαν περιβεβλημένος πολλήν. εὐτυχήμασι δὲ τοῖς ἔμπροσθεν αὐτῷ ξυμβεβηκόσιν ἀπόβλεπτος ὢν, ἅπερ οἱ πρότερον ἢ ἐς Λιβύην ἐστράτευσε ξυμβόλῳ προὔλεγε τινὶ οὐκ ἀφανεῖ τὸ δαιμόνιον. [4] Ὅδὲ ξύμβολος ἐγένετο ὧδε. ἦν τις Βελισαρίῳ κλῆρος ἐν Βυζαντίῳ τῷ προαστείῳ ὃ δὴ Παντεῖχιον μὲν ὀνομάζεται, κεῖται δὲ ἐν τῇ ἀντιπέρας ἡπεῖρῳ. ἐνταῦθα ὀλίγῳ ἔμπροσθεν ἡ ἔμελλε Βελισάριος ἐπὶ τε Γελίμερα καὶ Λιβύην ἐξηγήσασθαι τῷ Ῥωμαίων στρατῷ, ἐνδεδεχέστατα πλήθειν οἱ τὰς ἀμπέλους ξυνέβη. [5] οἴνου τε ὃς ἐνθένδε γεγωνὸς ἔτυχε πίθων οἱ θεράποντες ἐμπλησάμενοι μέγα τι χρῆμα, καὶ αὐτῶν τὰ μὲν ἔνερθεν κατορύξαντες, τὰ δὲ ὑπερθεν πηλῷ ἐς τὸ ἀκριβὲς ἐπιβύσαντες, ἐν τῷ οἴνῳ κατέθεντο. [6] μῆσι δὲ ὀκτῶ ὕστερον ἐν πίθῳ τισὶν ἀναβράσσω ὁ οἶνος διεσπάσατο μὲν τὸν πηλὸν ὥπερ ἐπέφρακτο αὐτῶν ἕκαστος, ὑπερβλύσας δὲ καὶ ρεύσας πολὺς ἐς τοσόνδε γῆν τὴν ἐχομένην ἐπέκλυσεν ὥστε καὶ τέλμα ἐν τούτῳ τῷ ἐδάφει ἐργάσασθαι μέγα. [7] ὅπερ ἐπεὶ οἱ θεράποντες εἶδον, ἐν θάμβει μεγάλῳ γενόμενοι πολλοὺς μὲν ἐνθένδε ἀμφορέας ἐμπλήσασθαι ἔσχον, αὖθις δὲ τούτους δὴ τοὺς πίθους τῷ πηλῷ ἀποφράξαντες τὰ παρόντα ἐν σιωπῇ εἶχον. [8] ἐπεὶ δὲ τοῦτο πολλὰκις ὑπὸ τὸν αὐτὸν χρόνον γεγωνὸς εἶδον, αὐτοὶ μὲν ἐπὶ τὸν κεκτημένον τὸ πρᾶγμα ἤγον, ὃ δὲ τῶν ἐπιτηδείων πολλοὺς ἐνταῦθα ἀγείρας ἐπέδειξε τὰ ποιούμενα: οἷπερ τῷ ξυμβόλῳ τεκμηριούμενοι ἐς ταύτην δὴ τὴν οἰκίαν μεγάλην προὔλεγον ἀγαθὰ ἔσεσθαι. [9] Ταῦτα μὲν οὖν τῇδε Βελισαρίῳ ἐχώρησε. Βιγίλιος δέ, ὁ τῆς Ῥώμης ἀρχιερεὺς, ξὺν Ἰταλοῖς τοῖς ἐνταῦθα τῆνικάδε παροῦσι, πολλοῖς τε καὶ λογιμωτάτοις ἐσάγαν οὖσιν, οὐκέτι ἀνίει, ἀλλ' ἔχρηζε βασιλέως Ἰταλίας μεταποιεῖσθαι δυνάμει τῇ πάσῃ. [10] μάλιστα δὲ πάντων αὐτὸν Γόθιγος ἐνήγε, πατρίκιος ἀνὴρ, ἐς τῶν ὑπᾶτων τὸν δίφρον ἀναβεβηκὼς πολλῷ πρότερον: ἐπεὶ καὶ αὐτὸς τούτων δὴ ἔνεκεν ἐς Βυζάντιον ἀφικόμενος ἔτυχεν ἔναγχος. [11] βασιλεὺς δὲ Ἰταλίας μὲν ἐπηγγέλλετο προνοήσῃν αὐτὸς, ἀμφὶ δὲ τὰ Χριστιανῶν δόγματα ἐκ τοῦ ἐπὶ πλεῖστον διατριβὴν εἶχεν, εὖ διαθέσθαι τὰ ἐν σφίσιν ἀντιλεγόμενα σπουδάζων τε καὶ διατεινόμενος μάλιστα. [12] Ταῦτα μὲν ἐν Βυζαντίῳ ἐπράσσετο. ἐτύγχανε δὲ Λαγγοβάρδης ἀνὴρ ἐς Γήπαιδας φεύγων ἐξ αἰτίας τοιαύσδε. [13] ἡνίκα Λαγγοβαρδῶν Οὐάκης ἦρχεν, ἦν τίς οἱ ἀνεψιὸς Ῥισιούλφος ὄνομα. ὃν δὴ ὁ νόμος, ἐπειδὰν Οὐάκης τελευτήσῃεν, ἐπὶ τὴν ἡγεμονίαν ἐκάλει. [14] προνοήσας οὖν Οὐάκης ὅπως εἰς τὸν παῖδα τὸν αὐτοῦ ἢ ἀρχὴ ἄγοιτο, ἔγκλημα Ῥισιούλφῳ ἐπενεγκὼν αἰτίαν οὐκ ἔχον φυγῇ τὸν ἄνθρωπον ἐξημίωσεν. [15] ὃς δὴ ἐξ ἡθῶν ἀναστὰς τῶν πατρίων ξὺν ὀλίγοις τισὶν ἐς τοὺς Οὐάρνους αὐτίκα φεύγει, παίδων οἱ ἀπολελειμμένων ἐνταῦθα δυοῖν. [16] χρήμασι δὲ Οὐάκης τοὺς βαρβάρους τούτους ἀνέπεισε τὸν Ῥισιούλφον κτείνειν. τῶν δὲ Ῥισιούλφου παίδων ὁ μὲν εἷς ἐτελεύτησε νόσῳ, ὁ δὲ δὴ ἕτερος, Ἰλδίγης

ὄνομα, ἐς Σκλαβηνοὺς φεύγει. [17] Οὐ πολλῶ μὲν οὖν ὕστερον ὁ μὲν Οὐάκης νοσήσας ἐξ ἀνθρώπων ἠφάνιστο, ἐς δὲ Οὐάλδαρον, τὸν Οὐάκου υἱόν, ἡ Λαγγοβαρδῶν ἦλθεν ἀρχή. ὧ δὴ παιδὶ κομιδῇ ὄντι ἐπίτροπος καταστάς Αὐδοῦν τὴν ἀρχὴν διωκεῖτο. [18] δυνάμει τε πολλῇ ἀπ' αὐτοῦ χρώμενος αὐτὸς τὴν ἀρχὴν οὐκ ἐς μακρὰν ἔσχε, τοῦ παιδὸς τούτου νόσῳ αὐτίκα ἐξ ἀνθρώπων ἀφανισθέντος. [19] ἡνίκα τοῖνυν Γήπαισί τε καὶ Λαγγοβάρδαις ὁ πόλεμος κατέστη, ὥσπερ μοι εἴρηται, Ἰλδίγης εὐθὺς Λαγγοβαρδῶν τε τοὺς οἱ ἐπισπομένους καὶ Σκλαβηνῶν πολλοὺς ἐπαγαγόμενος ἐς Γήπαιδας ἦλθε, καὶ αὐτὸν Γήπαιδες κατάξιν ἐπὶ τὴν ἀρχὴν ἐλπίδα εἶχον. [20] γενομένων δὲ τῶν ἐν τῷ παρόντι πρὸς Λαγγοβάρδας σπονδῶν ἕνεκα ὁ μὲν Αὐδοῦν τὸν Ἰλδίγην εὐθὺς ἅτε πρὸς φίλων ἐξητεῖτο Γηπαίδων, οἱ δὲ τὸν μὲν ἄνθρωπον ἐκδοῦναι οὐδαμῇ ἔγνωσαν, ἐκέλευον δὲ αὐτὸν ἐνθένδε ἀπαλλαγέντα ὅπη βούλοιο διασώσασθαι. [21] καὶ ὅς μελλήσῃ οὐδεμιᾷ ξὺν τοῖς ἐπομένοις καὶ Γηπαίδων τισὶν ἐθελουσίοις ἐς Σκλαβηνοὺς αὐθὺς ἀφίκετο. [22] ἔνθεν τε ἀναστὰς παρὰ Τουτίλαν τε καὶ Γότθους ἦει, στράτευμα οὐχ ἦσσαν ἢ ἐς ἑξακισχιλίους ξὺν αὐτῷ ἔχων, ἔς τε Βενετίας ἀφικόμενος Ῥωμαίοις τισὶν ὑπαντήσας, ὧν Λάζαρος ἠγεῖτο, ἐς χεῖρας ἦλθε, τρεψάμενός τε αὐτοὺς πολλοὺς ἔκτεινεν. οὐ μέντοι Γότθοις ξυνέμιξεν, ἀλλ' Ἰστρον ποταμὸν διαβάς αὐθὺς ἐς Σκλαβηνοὺς ἀπεχώρησεν. [23] Ἐν ᾧ δὲ ταῦτα ἐπράσσετο τῇδε ἡπέρ μοι εἴρηται, ἐν τούτῳ τῶν τις Βελισαρίου δορυφόρων, Ἰνδούλφ ὄνομα, βάρβαρος γένος, θυμοειδὴς τε καὶ δραστήριος, ὃς δὴ ἐν Ἰταλίᾳ λειφθεὶς ἔτυχε, Τουτίλα τε καὶ Γότθοις προσεχώρησεν οὐδενὶ λόγῳ. [24] καὶ αὐτὸν ὁ Τουτίλας εὐθὺς ξὺν στρατῷ πολλῷ καὶ ναυσὶν ἔπεμψεν ἐς τὰ ἐπὶ Δαλματίας χωρία. [25] ὃς δὴ ἐν χωρίῳ Μουικούρῳ καλουμένῳ γενόμενος, ὅπερ ἐπιθαλάσσιον ἀγχιστά πη Σαλῶνων ἐστί, τὰ μὲν πρῶτα ξυνέμισγε τοῖς ταύτῃ ἀνθρώποις ἅτε Ῥωμαῖός τε ὧν καὶ Βελισαρίῳ προσήκων, ἔπειτα δὲ αὐτός τε τὸ ξίφος ἀράμενος καὶ τοῖς ἐπισπομένοις ἐγκελευσάμενος ἑξαπιναιῶς ἅπαντας ἔκτεινε. [26] ληϊσάμενός τε τὰ χρήματα πάντα ἐνθένδε ἀπιὼν ὥχετο, ἐπέσκηψε δὲ ἄλλῳ ἐν τῇ παραλία κειμένῳ φρουρίῳ, ὅπερ Λαυρεάτην καλοῦσι Ῥωμαῖοι. [27] οὗ δὴ ἐπιβὰς τοὺς παραπετωκότας ἀνήρει. Ἄπερ ἐπεὶ Κλαυδιανὸς ἔγνω, ὅσπερ τότε Σαλῶνων ἦρχε, στράτευμα ἐπὶ τῶν καλουμένων δρομώνων ἐπ' αὐτὸν ἔπεμψεν. [28] οἱ δὴ ἐπεὶ ἐν Λαυρεάτῃ ἐγένοντο, τοῖς πολεμίοις ἐς χεῖρας ἦλθον. παρὰ πολὺ τε ἡσσηθέντες τῇ μάχῃ ἔφυγον ὅπη ἐκάστῳ δυνατὰ γέγονε, τοὺς δρόμοντας ἐν τῷ λιμένι ἀπολιπόντες. οὗ δὴ καὶ τὰ ἄλλα πλοῖα ἐμπλεα σίτου τε καὶ τῶν ἄλλων ἐπιτηδείων ὄντα ἐτύγγανεν. [29] ἅπερ ἅπαντα Ἰνδούλφ τε καὶ Γότθοι ἐλόντες κτείναντές τε τοὺς ἐν ποσὶν ἅπαντας καὶ τὰ χρήματα ληϊσάμενοι παρὰ Τουτίλαν ἦλθον. [30] καὶ ὁ χεიმὼν ἔληγε, καὶ τέταρτον καὶ δέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Μετὰ δὲ Τουτίλας ἅπαν ἐπὶ Ῥώμην τὸ στράτευμα ἦγε, καὶ ἐγκαθεζόμενος εἰς πολιορκίαν καθίστατο. ἐτύγγανε δὲ Βελισάριος τρισχιλίους ἀριστίνδην ἀπολεξάμενος, οὗσπερ ἐπὶ τῷ Ῥώμης φυλακτηρίῳ καταστησάμενος Διογένην αὐτοῖς ἄρχοντα, τῶν δορυφόρων τῶν αὐτοῦ ἓνα, ἐπέστησεν, ἄνδρα ξυνετόν τε διαφερόντως καὶ ἀγαθὸν τὰ πολέμια. [2] διὸ δὴ χρόνου μῆκος τῇ προσεδρεῖα

ταύτη ἐτίριβετο. οἱ τε γὰρ πολιορκούμενοι ἀρετῆς περιουσίᾳ πρὸς ἅπαντα τὸν
Γότθων στρατὸν ἀξιόμαχοι ὄντες ἐφαίνοντο καὶ Διογένης ἕς τε τὸ ἀκριβὲς τῇ

πόλεως σίτον ἐντὸς τοῦ περιβόλου σπεύρας ἐνδεῖν σφίσι τὰ ἐπιτήδεια ὥς
ἥκιστα ἐποίει. [3] πολλάκις δὲ οἱ βάρβαροι τειχομαχεῖν ἐγχειρήσαντες καὶ τοῦ
περιβόλου ἀποπειράσασθαι ἀπεκρούσθησαν, ἀρετῇ σφᾶς ἀπωσαμένων
ἐνθένδε Ῥωμαίων. τοῦ μέντοι Πόρτου κρατήσαντες Ῥώμην κατὰ κράτος
ἐπολιόρκουν. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [4] Βασιλεὺς δὲ Ἰουστινιανὸς
ἐπειδὴ Βελισάριον ἐς Βυζάντιον ἤκοντα εἶδεν, ἄρχοντα πέμπειν ζὺν στρατῷ
ἄλλον ἐπὶ Γότθους τε διενοεῖτο καὶ Τουτίλαν. [5] καὶ εἰ μὲν ἐπιτελῇ ταύτην δὴ

παρασκευῇ ἐκέλευε γενέσθαι, μετὰ δὲ ἀσχολίας οἱ ἴσως ἐπιγενομένης ἐτέρας
τινὸς τὴν προθυμίαν κατέπαυσε. [7] Χρόνου δὲ τῇ Ῥώμης πολιορκία τριβέντος
πολλοῦ, τῶν τινὲς Ἰσαύρων, οἱ ἄμφι πύλην ἢ Παύλου τοῦ ἀποστόλου

παραδόντας Ῥώμην τὰ πρότερα Γότθοις κεκομψευμένους ἐπὶ μεγάλων τινῶν
χρημάτων ὄγκῳ, Τουτίλᾳ λαθραιότατα ἐς λόγους ἐλθόντες ὡμολογησαν τὴν
πόλιν ἐνδώσειν, [8] τακτὴ τε ξυνέκειτο ἡμέρα τῇ πράξει. καὶ ἐπεὶ παρὴν ἡ
κυρία, Τουτίλας μηχανᾶται τοιάδε. ἐς ποταμὸν Τίβεριν ἐν πρώτῃ τῶν νυκτῶν

ἐπισταμένους ἐνθέμενος. [9] οἷς δὴ ἐπέστελλε διὰ μὲν τοῦ Τιβέριδος
ἐρέσσοντας ἐπίπροσθεν ἰέναι, ἐπειδὴ δὲ τοῦ περιβόλου ἄγχιστα ἤκωσι ταῖς
σάλπιγξιν ἐνταῦθα ἡχεῖν δυνάμει τῇ πάσῃ. [10] αὐτὸς δὲ τὸν Γότθων στρατὸν
ἄγχιστα πύλης τῆς εἰρημένης, ἢ Παύλου τοῦ ἀποστόλου ἐπώνυμός ἐστι,
λανθάνων τοὺς πολεμίους ἐν παρασκευῇ εἶχε. [11] λογισάμενός τε ὥς ἦν τινες
τοῦ Ῥωμαίων στρατοῦ ἅτε ἐν σκότῳ διαλαθόντες ἐκ τῆς πόλεως διαδρᾶναι

οὐδαμῇ σφίσιν ἐλέλειπτο, ἀνδρῶν μαχίμων ἐνέδραις τισὶ προλοχίζειν ἔγνω
τὴν ἐνταῦθα ὁδὸν φέρουσαν, οἷς δὴ ἐπήγγελλε τοὺς φεύγοντας διαχρήσασθαι.
[12] οἱ μὲν οὖν ἐν τοῖς πλοίοις ὄντες, ἐπεὶ τῆς πόλεως ἄγχι ἐγένοντο, ἐχρῶντο
ἤδη κατὰ τὰ σφίσιν ἐπηγγελμένα ταῖς σάλπιγξι. [13] Ῥωμαῖοι δὲ καταπλαγέντες
ἐς μέγα τε δέος καὶ θόρυβον καταστάντες ἐξαπινάϊως ἀπολιπόντες οὐδενὶ
λόγῳ τὰ σφέτερα φυλακτήρια ἐβοήθουν ἐνταῦθα δρόμῳ, τὴν ἐπιβουλὴν ἐς τὸ
ἐκείνη τεῖχος εἶναι οἰόμενοι. [14] μόνοι τε οἱ προδιδόντες Ἰσαυροὶ ἐπὶ τῇ αὐτῶν
φυλακῇ μέιναντες τάς τε πύλας κατ' ἐξουσίαν ἀνέωγον καὶ τῇ πόλει τοὺς
πολεμίους ἐδέξαντο. [15] καὶ πολὺς μὲν τῶν παραπεπτωκότων ἐνταῦθα

Κεντουκέλλας ἰόντες ὑπὸ τε τοῖς ἐνεδρεύουσι γενόμενοι διεφθάρησαν. ὀλίγοι
μέντοι αὐτῶν διέφυγον μόλις, ἐν οἷς καὶ Διογένην πληγέντα φασὶ
διασεσῶσθαι. [16] Ἦν δὲ τις ἐν τῷ Ῥωμαίων στρατῷ Παῦλος μὲν ὄνομα, Κίλιξ

δὲ γένος, ὃς τὰ μὲν πρῶτα ἐφειστήκει τῇ Βελισαρίου οἰκίᾳ, ὕστερον δὲ καταλόγου ἱππικοῦ ἄρχων ἕς τε Ἰταλίαν ἐστράτευσε καὶ ξὺν τῷ Διογένει ἐπὶ τῷ Ῥώμῃς φυλακτηρίῳ ἐτέτακτο. [17] οὗτος ὁ Παῦλος, ἀλίσκομένης τότε τῆς πόλεως, ξὺν ἱππεῦσι τετρακοσίοις ἕς τε τὸν Ἀδριανοῦ τάφον ἀνέδραμε καὶ τὴν γέφυραν ἔσχε τὴν ἕς Πέτρου τοῦ ἀποστόλου τὸν νεὼν φέρουσιν. [18] τοῦ δὲ Γότθων στρατοῦ, ὀρθρου τε ὄντος καὶ μέλλοντός τι ὑποφαίνειν ἡμέρας, τοῦτοις δὴ τοῖς ἀνδράσιν ἕς χεῖρας ἐλθόντος, ἐνταῦθα ἰσχυρότατα τοὺς πολεμίους ὑφιστάμενοι τὸ πλεόν ἔσχον· τῶν τε βαρβάρων ἅτε πλήθους τε μεγάλου καὶ στενοχωρίας ἐν αὐτοῖς οὔσης πολλοὺς ἔκτειναν. [19] ὅπερ ἐπεὶ ὁ Τουτίλας εἶδε, κατέπαυσε μὲν αὐτίκα τὴν μάχην, Γότθους δὲ τοῖς πολεμίοις ἀντικαθεζομένους ἡσυχάζειν ἐκέλευεν, οἰόμενος λιμῷ τοὺς ἄνδρας αἰρήσειν. [20] ταύτην μὲν οὖν τὴν ἡμέραν Παῦλος τε καὶ οἱ τετρακόσιοι ἀπόσιτοι διαγεγόνασιν, τὴν τε νύκτα οὕτως ἠύλίσαντο· τῇ δὲ ἐπιγενομένη ἐβουλεύσαντο μὲν σιτίζεσθαι τῶν ἵππων τισίν, ὁκνησὶς δὲ αὐτοὺς τῷ τῆς ἐδωδῆς οὐ ξυνειθισμένῳ διεκρούσατο μέχρι ἕς δεῖλιν ὀψίαν, καίπερ πιεζομένους τῷ λιμῷ ἕς τὰ μάλιστα. [21] τότε δὲ πολλὰ λογισάμενοι ἐν σφίσιν αὐτοῖς, καὶ ἀλλήλους ἕς εὐτολμίαν παρακαλέσαντες, ἐβουλεύσαντο ἄμεινον σφίσιν εἶναι εὐπρεπεῖ θανάτῳ αὐτίκα δὴ μάλα καταλῦσαι τὸν βίον. [22] ὀρμησαὶ μὲν γὰρ ἔγνωσαν ἐπὶ τοὺς πολεμίους ἐκ τοῦ αἰφνιδίου κτεῖναι δὲ αὐτῶν ὅσους ἂν ἐκάστω δυνατὰ εἴη οὕτω τε ἀνδρείως τῆς τελευτῆς τυχεῖν ἅπαντες. [23] ἀλλήλους τοίνυν ἐξαπιναιῶς περιπλακέντες καὶ τῶν προσώπων καταφιλήσαντες τὴν ἐπὶ θανάτῳ ἡσπάζοντο, ὥς ἀπολούμενοι εὐθὺς ἅπαντες. [24] Ὅπερ κατανοήσας ὁ Τουτίλας ἔδεισε μὴ θανατῶντες ἄνθρωποι καὶ σωτηρίας πέρι ἐλπίδα οὐδεμίαν τὸ λοιπὸν ἔχοντες ἀνήκεστα ἔργα Γότθους δράσωσι. [25] πέμψας οὖν παρ' αὐτοὺς δυοῖν προϋτείνετο αὐτοῖς αἵρεσιν, ὅπως ἢ τοὺς ἵππους ἀφέντες ἐνταῦθα καὶ τὰ ὄπλα καταθέμενοι, ἀπομόσαντές τε μηκέτι ἐπὶ Γότθους στρατεύεσθαι, κακῶν ἀπαθεῖς ἕς Βυζάντιον ἀπαλλάσσωνται, ἢ τὰ σφέτερα αὐτῶν ἔχοντες ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ Γότθοις τὸ λοιπὸν ξυστρατεύσωσι. [26] τούτους Ῥωμαῖοι τοὺς λόγους ἄσμενοι ἤκουσαν. καὶ τὰ μὲν πρῶτα τὴν ἐπὶ τὸ Βυζάντιον εἵλοντο ἅπαντες, ἔπειτα δὲ πεζοὶ μὲν ποιεῖσθαι καὶ ἄνοπλοι τὴν ἀναχώρησιν αἰσχυρόμενοι, δειμαίνοντες δὲ μὴ τισιν ἐνέδραις ἐν τῇ ἀποπορείᾳ περιπεπωκότες διαφθαρεῖν, ἅμα δὲ καὶ μεμφόμενοι, ὅτι δὴ σφίσι χρόνου τὰς συντάξεις πολλοῦ τὸ Ῥωμαίων δημόσιον ὤφειλεν, ἅπαντες ἐθελούσιοι τῷ Γότθων στρατῷ ἀνemiγνυντο, πλήν γε δὴ ὅτι Παῦλος τε καὶ τῶν τις Ἰσαύρων, Μίνδης ὄνομα, Τουτίλα ἕς ὅσιν ἐλθόντες ἕς Βυζάντιον σφᾶς ἐδέοντο στεῖλαι. [27] παῖδάς τε γὰρ καὶ γυναῖκας σφίσιν ἐν γῇ τῇ πατρῴᾳ ἔφασκον εἶναι, ὧν περ χωρὶς βιοτεῦειν οὐχ οἰοί τε εἶναι. [28] οὕσπερ ὁ Τουτίλας ἅτε ἀληθιζομένους ἀποδεξάμενος, ἐφοδίοις τε δωρησάμενος καὶ παραπομπὰς ξυμπέμψας ἀφῆκε. καὶ ἄλλοι μέντοι τοῦ Ῥωμαίων στρατοῦ, ὅσοι καταφυγόντες ἕς τὰ τῆς πόλεως ἱερὰ ἔτυχον, ἕς τριακοσίους ὄντες, τὰ πιστὰ λαβόντες Τουτίλα προσεχώρησαν. [29] Ῥώμην δὲ οὔτε καθελεῖν οὔτε ἀπολιπεῖν τὸ λοιπὸν Τουτίλας ἠθέλεν, ἀλλὰ Γότθους τε καὶ Ῥωμαίους τοὺς ἐκ τῆς συγκλήτου βουλῆς καὶ τοὺς ἄλλους ἅπαντας ξυνοικίζειν ἐνταῦθα ἔγνω ἐξ αἰτίας τοιαύσδε.

Τουτίλας οὐ πολλῶν πρότερον παρὰ τῶν Φράγγων τὸν ἄρχοντα πέμψας, τὴν παῖδά οἱ γυναῖκα ἐδέιτο γαμετὴν δοῦναι. [2] ὁ δὲ τὴν αἴτησιν ἀπεσεῖσατο, Ἰταλίας αὐτὸν οὔτε εἶναι οὔτε ἔσσεσθαι ποτε βασιλέα φάσκων, ὅς γε Ῥώμην ἔλῶν ἔχεσθαι μὲν αὐτῆς οὐδαμῇ ἴσχυσε, μοῖραν δὲ αὐτῆς καθελὼν τοῖς πολέμοις μεθῆκεν αὐθις. [3] διὸ δὴ τὰ ἐπιτήδεια ἐν τῷ παρόντι ἐς αὐτὴν ἐσκομίζεσθαι διὰ σπουδῆς εἶχε καὶ ἀνοικοδομεῖσθαι ὅτι ταχιστα πάντα ἐκέλευεν, ὅσα καθελὼν τε καὶ πυρπολήσας αὐτὸς ἔτυχε, ἥνικα Ῥώμην τὸ πρότερον εἶλε: τῶν τε Ῥωμαίων τοὺς ἐκ τῆς συγκλήτου βουλῆς καὶ τοὺς ἄλλους ἅπαντας οὕσπερ ἐπὶ Καμπανίας ἐφύλασσε μετεπέμπετο. [4] ἐνταῦθα τε ἀγῶνα τὸν ἱππικὸν θεασάμενος, τὴν στρατιὰν ἡτοίμαζε πᾶσαν, ὥς ἐπὶ Σικελίαν στρατεύσων. [5] ἅμα δὲ καὶ τὰ μακρὰ πλοῖα τετρακόσια ὥς ἐς ναυμαχίαν ἐν παρασκευῇ ἐποιεῖτο, καὶ στόλον νεῶν μεγάλων τε καὶ πολλῶν ἄγαν, ὥσπερ ἐκ βασιλέως ἐκ τῆς ἐφῶς ἐνταῦθα σταλείσας αὐτοῖς ἀνδράσι τε καὶ φορτίοις πάντα τοῦτον τὸν χρόνον ἔλῶν ἔτυχε. [6] Στέφανόν τε ἄνδρα Ῥωμαῖον παρὰ βασιλέα πρεσβευτὴν ἐπέμψε, τὸν μὲν πόλεμον τόνδε καταλύειν αἰτῶν, ἐνσπόνδους δὲ Γότθους ποιεῖσθαι, ἐφ' ᾧ δὴ αὐτῷ ξυμμαχήσουσιν ἐπὶ πολέμους τοὺς ἄλλους ἰόντι. [7] βασιλεὺς δὲ Ἰουστινιανὸς οὔτε τὸν πρεσβευτὴν οἱ ἐς ὅσιν ἐλθεῖν ξυνεχώρησεν οὔτε τινὰ τῶν λεγομένων ἐντροπὴν τὸ παράπαν πεποιήται. [8] Ἄπερ ἐπεὶ Τουτίλας ἤκουσεν, αὐθις τὰ ἐς τὸν πόλεμον ἐν παρασκευῇ ἐποιεῖτο. ζύμφορον δὲ οἱ ἔδοξεν εἶναι, Κεντουκελλῶν ἀποπειρασμένῳ πρότερον οὕτῳ δὴ ἐπὶ Σικελίαν ἰέναι. [9] ἦρχε δὲ τότε τοῦ ἐνταῦθα φυλακτηρίου Διογένης, ὁ Βελισαρίου δορυφόρος, δύναμιν ἀξίόχρεων ζὺν αὐτῷ ἔχων. [10] καὶ ὁ μὲν Γότθων στρατός, ἐπειδὴ ἐς Κεντουκέλλας ἀφίκοντο, ἄγχιστα τοῦ περιβόλου ἐνστρατοπεδευσάμενοι ἐς πολιορκίαν καθίσταντο. [11] πρέσβεις δὲ πέμψας παρὰ Διογένην ὁ Τουτίλας αὐτόν τε προὔκαλεῖτο καὶ τοὺς ἀμφ' αὐτὸν στρατιώτας, ἦν μὲν σφίσι βουλομένοις ἢ μάχῃ πρὸς αὐτοὺς διακρίνεσθαι, ἔργου ἔχεσθαι αὐτίκα δὴ μάλα. [12] ἐν ἐλπίδι τε παρῆναι μηδεμιᾷ ἔχειν, δύναμιν ἐτέραν τινὰ ἐκ βασιλέως σφίσιν ἀφίξεσθαι: [13] ἀδύνατον γὰρ Ἰουστινιανὸν τὸ λοιπὸν εἶναι πόλεμον πρὸς Γότθους τόνδε διενεγκεῖν, εἰ τῷ ἱκανὰ τεκμηριῶσαι τὰ χρόνου τοσοῦτου ἐπὶ τῆς Ῥώμης ξυμβάντα. [14] αἵρεσιν οὖν προὔτεινέτο ἐλέσθαι ὅποτέραν ἂν αὐτοὶ βούλοιντο, ἢ ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ τῷ Γότθων στρατῷ ἀναμίγνυσθαι, ἢ κακῶν ἀπαθέσιν ἐνθένδε ἀπαλλασσομένοις ἐπὶ Βυζαντίου κομίζεσθαι. [15] Ῥωμαῖοι δὲ καὶ Διογένης οὔτε μάχῃ διακρίνεσθαι βουλομένοις σφίσιν αὐτοῖς ἔφασκον εἶναι οὔτε μέντοι ἀναμίγνυσθαι τῷ Γότθων στρατῷ, ἐπεὶ παίδων τε καὶ γυναικῶν τῶν σφετέρων χωρὶς βιοτεύειν οὐκ ἂν δύναιντο. [16] πόλιν δέ, ἥσπερ φυλακὴν ἔχουσιν, ἐν μὲν τῷ παρόντι λόγῳ τινὶ εὐπρεπεῖ ἐνδοῦναι οὐδαμῇ ἔχειν, ἐπεὶ οὐδέ τις σκῆψις αὐτοῖς, ἄλλως τε καὶ παρὰ βασιλέα στέλλεσθαι βουλομένοις, τανῶν πάρεστιν: [17] ἐς χρόνον δὲ ἀναβαλέσθαι τινὰ τὴν πρᾶξιν ἐδέοντο, ἐφ' ᾧ βασιλεῖ μὲν ἐν τούτῳ τὰ σφίσι παρόντα σημήνωσιν, οὐδεμιᾶς δὲ μεταξὺ βοηθείας ἐκ βασιλέως ἐνταῦθα ἰούσης οὕτῳ δὴ ἀπαλλάσσονται, Γότθοις μὲν τὴν πόλιν ἐνδόντες, οὐκ ἀπροφάσιστον δὲ αὐτοὶ τὴν ἀναχώρησιν ποιησάμενοι. [18] ταῦτα ἐπεὶ Τουτίλαν ἤρεσκε, τακτὴ ἡμέρα ξυνέκειτο, ἄνδρες δὲ τριάκοντα ἐκατέρωθεν ἐν ὁμήρων λόγῳ ἐπὶ τῇ ὁμολογίᾳ

δέδονται ταύτη καὶ Γότθοι τὴν προσεδρείαν διαλύσαντες ἐπὶ Σικελίας ἐχώρησαν. [19] Ἐπεὶ δὲ ἀφίκοντο ἐς τὸ Ῥήγιον, οὐ πρότερον διέβησαν τὸν τῆδε πορθμόν, ἕως φρουρίου τοῦ ἐν Ῥηγίῳ ἀπεπειράσαντο. [20] ἦρχον δὲ τοῦ ἐνταῦθα φυλακτηρίου Θουριμούθ τε καὶ Ἰμέριος, οὗσπερ Βελισάριος ἐνταῦθα καταστησάμενος ἔτυχεν. [21] οἷπερ ἐπεὶ πολλοὺς τε καὶ ἀρίστους ξὺν αὐτοῖς εἶχον, τειχομαχοῦντάς τε ἀπεκρούσαντο τοὺς πολεμίους καὶ ἐπεξελθόντες τὸ πλεόν ἐν ξυμβολῇ ἔσχον. [22] ὕστερον μέντοι πλήθει τῶν ἐναντίων παρὰ πολὺ ἐλασσούμενοι ἐντὸς τοῦ περιβόλου κατακλεισθέντες ἡσύχαζον. [23] Τουτίλας δὲ μοῖραν μὲν τοῦ Γότθων στρατοῦ αὐτοῦ εἶασε φρουρᾶς ἕνεκα, τῶν ἐπιτηδείων τῇ ἀπορίᾳ χρόνῳ ὑστέρῳ ἐξαίρῃσειν καρδοκῶν τοὺς ταύτη Ῥωμαίους, ἐς δὲ Ταραντηνοὺς στράτευμα πέμψας τὸ ἐκείνη φρούριον παρεστήσατο οὐδενὶ πόνῳ· καὶ Γότθοι δὲ οὗσπερ ἐλίπετο ἐν Πικηνῶν τῇ χώρᾳ πόλιν Ἀρίμινον τηνικάδε προδοσίᾳ εἶλον. [24] Ταῦτα ἀκούσας Ἰουστινιανὸς βασιλεὺς Γερμανὸν τὸν ἀνεψιὸν τὸν αὐτοῦ αὐτοκράτορα ἐβούλευσε πολέμου τοῦ πρὸς Γότθους τε καὶ Τουτίλαν καταστήσασθαι, καὶ οἱ ἐν παρασκευῇ ἐπέστελλεν εἶναι. ἐπεὶ τε ὁ περὶ τούτου λόγος ἐς Ἰταλίαν ἦλθε, Γότθοι μὲν ἐν φροντίδι μεγάλῃ ἐγένοντο· δεξιὰ γάρ τις ἢ ἀμφὶ Γερμανῷ δόξα ἐς πάντας ἀνθρώπους οὕσα ἐτύγχανεν. [25] εὐέλπιδες δὲ Ῥωμαῖοί τε γεγενημένοι εὐθὺς ἅπαντες καὶ οἱ τοῦ βασιλέως στρατοῦ τῷ τε κινδύνῳ καὶ τῇ τάλαιπωρίᾳ πολλῷ ἔτι μᾶλλον ἀντεῖχον. [26] ἀλλὰ βασιλεὺς οὐκ οἶδα ὅπως μεταμαθὼν Λιβέριον ἄνδρα Ῥωμαῖον, οὗπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην, ἐς τὸ ἔργον καταστήσασθαι ἀντὶ Γερμανοῦ ἔγνω. [27] καὶ ὁ μὲν παρασκευασάμενος ὡς τάχιστα, ὅτι δὴ αὐτίκα ξὺν στρατῷ ἀποπλεύσει ἐπίδοξος ἦν. ἀλλ' ἐπεὶ βασιλεῖ μετέμελεν αὐθις, ἡσυχῇ καὶ αὐτὸς ἔμενε. [28] τότε δὴ Βῆρος ξὺν ἀνδράσιν οὓς ἀγείρας μαχιμωτάτους ἀμφ' αὐτὸν ἔτυχε Γότθοις τοῖς ἐν Πικηνῷ οὓσιν ἐς χεῖρας ἐλθὼν πόλεως Ῥαβέννης οὐ πολλῷ ἄποθεν, τῶν τε ἐπομένων πολλοὺς ἀποβάλλει καὶ αὐτὸς θνήσκει, ἀνὴρ ἀγαθὸς ἐν τῷ πόνῳ τούτῳ γενόμενος.

Ὑπὸ τοῦτον τὸν χρόνον στράτευμα Σκλαβηνῶν οὐ πλεόν ἢ ἐς τρισχιλίους ἀγγεγερμένοι, ποταμόν τε Ἰστρον, οὐδενὸς σφίσιν ἀντιστατοῦντος, διέβησαν, καὶ πόνῳ οὐδενὶ ποταμόν Εὐρον εὐθὺς διαβάντες δίχα ἐγένοντο. [2] εἶχε δὲ αὐτῶν ἀτέρα μὲν συμμορία ὀκτακοσίους τε καὶ χιλίους, ἡ δὲ δὴ ἑτέρα τοὺς καταλοίπους. [3] ἑκατέροις μὲν οὖν καίπερ ἀλλήλων ἀπολελειμμένοις ἐς χεῖρας ἐλθόντες οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες ἐν τε Ἰλλυριοῖς καὶ Θραξίν, ἡσσήθησάν τε ἐκ τοῦ ἀπροσδοκῆτου καὶ οἱ μὲν αὐτοῦ διεφθάρησαν, οἱ δὲ κόσμῳ οὐδενὶ διαφυγόντες ἐσώθησαν. [4] ἐπεὶ δὲ οἱ στρατηγοὶ πάντες οὕτω παρ' ἑκατέρων τῶν βαρβαρικῶν στρατοπέδων, καίπερ ἐλασσόνων παρὰ πολὺ ὄντων, ἀπήλλαξαν, Ἀσβάδῳ ἡ ἑτέρα τῶν πολεμίων ξυμμορία ξυνέμιξεν. [5] ἦν δὲ οὗτος ἀνὴρ βασιλέως μὲν Ἰουστινιανοῦ δορυφόρος, ἐπεὶ ἐς τοὺς Κανδιδάτους καλουμένους τελῶν ἔτυχε, τῶν δὲ ἱπικῶν καταλόγων ἦρχεν οἱ ἐν Τζουρουλῷ τῷ ἐν Θράκῃ φρουρίῳ ἐκ παλαιοῦ ἴδρυνται, [6] πολλοὶ τε καὶ ἄριστοι ὄντες. καὶ αὐτοὺς οἱ Σκλαβηνοὶ τρεψάμενοι οὐδενὶ πόνῳ πλείστους μὲν αἰσχροτάτα φεύγοντας ἔκτειναν, Ἀσβαδὸν δὲ καταλαβόντες ἐν μὲν τῷ παραυτίκα ἐζώγρησαν, ὕστερον δὲ αὐτὸν ἐς πυρὸς ἐμβεβλημένον φλόγα

ἔκαυσαν, ἱμάντας πρότερον ἐκ τοῦ νότου τοῦ ἀνθρώπου ἐκδείραντες. [7] ταῦτα διαπεπραγμένοι τὰ χωρία ξύμπαντα, τὰ τε Θρακῶν καὶ Ἰλλυριῶν, ἀδεέστερον ἐλπίζοντο, καὶ φρούρια πολλὰ πολιορκία ἐκάτεροι εἶλον, οὔτε τειχομαχῆσαντες πρότερον, οὔτε ἐς τὸ πεδῖον καταβῆναι τολμήσαντες, ἐπεὶ οὐδὲ γῆν τὴν Ῥωμαίων καταθεῖν ἐγκεχειρήκασιν αἱ βάρβαροι οὗτοι πώποτε. [8] οὐ μὴν οὐδὲ στρατῷ ποταμὸν Ἰστρον φαίνονται διαβεβηκότες ἐκ τοῦ παντός χρόνου, πλὴν γε δὴ ἐξ ὅτου μοι ἔμπροσθεν εἴρηται. [9] Οὗτοι δὲ οἱ τὸν Ἀσβαδὸν νενικηκότες μέχρι ἐς θάλασσαν ληϊσάμενοι ἐφεξῆς ἅπαντα καὶ πόλιν ἐπιθαλασσίαν τειχομαχῆσαντες εἶλον, καίπερ στρατιωτῶν φρουρὰν ἔχουσιν, Τόπηρον ὄνομα· ἡ πρώτη μὲν Θρακῶν τῶν παραλίῳν ἐστί, τοῦ δὲ Βυζαντίου διέχει ὁδῷ ἡμερῶν δυοκαίδεκα. [10] εἶλον δὲ αὐτὴν τρόπῳ τοιῷδε. οἱ μὲν πλείστοι ἐν δυσχωρίαις πρὸ τοῦ περιβόλου σφᾶς αὐτοὺς ἔκρυψαν, ὀλίγοι δὲ τινες ἀμφὶ τὰς πύλας γενόμενοι αἱ πρὸς ἀνίσχοντά εἰσιν ἥλιον, τοὺς ἐν ταῖς ἐπάλξεσι Ῥωμαίους ἠνώχλουν. [11] ὑποτοπήσαντες δὲ οἱ στρατιῶται ὅσοι τὸ ἐνταῦθα φυλακτήριον εἶχον οὐ πλείους αὐτοὺς ἢ ὅσοι καθεωρῶντο εἶναι, ἀνελόμενοι αὐτίκα τὰ ὅπλα ἐξίσαν ἐπ' αὐτοὺς ἅπαντες. [12] οἱ δὲ βάρβαροι ὀπίσω ἀνέστρεφον, δόκησιν παρεχόμενοι τοῖς ἐπιούσιν ὅτι δὴ αὐτοὺς κατωρρωδικότες ἐς ὑπαγωγὴν χωροῦσι· καὶ οἱ Ῥωμαῖοι ἐς τὴν διώξιν ἐκπεπτοκότες πόρρῳ πρὸ τοῦ περιβόλου ἐγένοντο. [13] ἀναστάντες οὖν οἱ ἐκ τῶν ἐνεδρῶν κατόπισθέν τε τῶν διωκόντων γενόμενοι ἐσιτητὰ σφίσιν ἐς τὴν πόλιν οὐκέτι ἐποιοῦν. [14] ἀναστρέψαντες δὲ καὶ οἱ φεύγειν δοκοῦντες ἀμφιβόλους ἤδη τοὺς Ῥωμαίους πεποίηται. οὗς δὴ ἅπαντας οἱ βάρβαροι διαφθείραντες τῷ περιβόλῳ προσέβαλον. [15] οἱ δὲ τῆς πόλεως οἰκήτορες τῶν στρατιωτῶν τῆς δυνάμεως ἐστερημένοι, γίνονται μὲν ἐν ἀμνηχανίᾳ πολλῇ, καὶ ὥς δὲ τοὺς ἐπιόντας ἐκ τῶν παρόντων ἡμύνοντο. [16] καὶ πρῶτα μὲν ἔλαιόν τε καὶ πίσσαν ἐπὶ πλείστον θερμήναντες τῶν τειχομαχοῦντων κατέχεον, καὶ λίθων βολαῖς πανδημεὶ ἐς αὐτοὺς χρώμενοι τοῦ ἀπεῶσθαι τὸν κίνδυνον οὐ μακράν πρὸς ἐγένοντο. [17] ἔπειτα δὲ αὐτοὺς πλήθει βελῶν οἱ βάρβαροι βιασάμενοι ἐκλιπεῖν τε τὰς ἐπάλξεις ἠνάγκασαν καὶ κλίμακας τῷ περιβόλῳ ἐρείσαντες κατὰ κράτος τὴν πόλιν εἶλον. [18] ἄνδρας μὲν οὖν ἐς πεντακισχιλίους τε καὶ μυρίους εὐθὺς ἅπαντας ἔκτειναν καὶ πάντα τὰ χρήματα ἐλπίσαντο, παῖδας δὲ καὶ γυναῖκας ἐν ἀνδραπόδων πεποίηται λόγῳ. [19] καίτοι τὰ πρότερα οὐδεμιᾶς ἡλικίας ἐφείσαντο, ἀλλ' αὐτοὶ τε καὶ ἡ συμμορία ἡ ἑτέρα, ἐξ ὅτου δὴ τῇ Ῥωμαίων ἐπέσκησαν χώρα, τοὺς παραπίπτοντας ἠβηδὸν ἅπαντας ἔκτεινον. ὥστε γῆν ἅπασαν, ἥπερ Ἰλλυριῶν τε καὶ Θρακῶν ἐστί, νεκρῶν ἔμπλεον ἐπὶ πλείστον ἀτάφων γενέσθαι. [20] Ἐκτεινον δὲ τοὺς παραπίπτοντας οὔτε ζῖφει οὔτε δόρατι οὔτε τῷ ἄλλῳ εἰωθότι τρόπῳ, ἀλλὰ σκόλοπας ἐπὶ τῆς γῆς πηξάμενοι ἰσχυρότατα, ὅζεῖς τε αὐτοὺς ἐς τὰ μάλιστα ποιησάμενοι, ἐπὶ τούτων ζῖν βία πολλῇ τοὺς δευαίους ἐκάθιζον, τὴν τε σκολόπων ἀκμὴν γλουτῶν κατὰ μέσον ἐνείροντες ὠθοῦντές τε ἄχρι ἐς τῶν ἀνθρώπων τὰ ἔγκατα, οὕτω δὴ αὐτοὺς διαχρήσασθαι ἠξίου. [21] καὶ ξύλα δὲ παχέα τέτταρα ἐπὶ πλείστον ἐς γῆν κατορύξαντες οἱ βάρβαροι οὗτοι, ἐπ' αὐτῶν τε χεῖράς τε καὶ πόδας τῶν ἡλωκότων δεσμεύοντες, εἶτα ῥοπάλοις αὐτοὺς κατὰ κόρρης ἐνδελεχέστατα παίοντες, ὥς δὴ κύνας ἢ ὄφεις ἢ ἄλλο τι θηρίον

διέφθειρον. [22] ἄλλους δὲ ζύν τε βουσί καὶ προβάτοις, ὅσα δὴ ἐπάγεσθαι ἐς τὰ πάτρια ἦθη ὡς ἥκιστα εἶχον, ἐν τοῖς δωματίοις καθεύδαντες, οὐδεμιᾷ φειδοῖ ἐνεπίμπρασαν. οὕτω μὲν Σκλαβηνοὶ τοὺς ἐντυχόντας ἀεὶ ἀνῆρουν. [23] ἀλλὰ νῦν αὐτοῖ τε καὶ οἱ τῆς ἐτέρας συμμορίας, ὥσπερ τῷ τῶν αἱμάτων μεθύοντες πλήθει, ζωγρεῖν τὸ ἐνθὲνδε ἡξίουσαν τῶν παραπεπτωκότων τινάς, καὶ ἀπ' αὐτοῦ μυριάδας αἰχμαλώτων ἐπαγόμενοι ἀριθμοῦ κρείσσους ἐπ' οἴκου ἀπεκομίσθησαν ἅπαντες.

Ὑστερον δὲ Γότθοι τῷ Ῥηγίνων προσέβαλον ὀχυρώματι, οἱ δὲ πολιορκούμενοι καρτερώτατα σφᾶς ἀμυνόμενοι ἀπεκρούοντο, ἔργα τε ὁ Θουριμούθ ἐπεδείκνυτο ἀεὶ ἐς αὐτοὺς ἀρετῆς ἄξια. [2] γνοὺς δὲ ὁ Τουτίλας ἐνδεῖν τοῖς πολιορκουμένοις τὰ ἐπιτήδεια, μοῖραν μὲν τοῦ στρατοῦ αὐτοῦ εἶασε φυλακῆς ἕνεκα, ὅπως δὴ οἱ πολέμιοι μηδὲν μὲν τοῦ λοιποῦ ἐσκομίζωνται, ἀπορία δὲ τῶν ἀναγκαίων σφᾶς τε αὐτοὺς καὶ τὸ φρούριον Γότθοις ἐνδώσουσιν: αὐτὸς δὲ τῷ ἄλλῳ στρατῷ ἐς Σικελίαν διαπορθμευσάμενος τῷ Μεσηνῶν προσέβαλε τείχει. [3] καὶ οἱ Δομνεντίολος ὁ Βούζου ἀδελφιδοῦς, ὅσπερ τῶν τῆδε Ῥωμαίων ἦρχεν, ὑπαντιάσας τε πρὸ τοῦ περιβόλου καὶ ἐς χεῖρας ἐλθὼν οὐκ ἔλασπον ἔσχεν. [4] αὐθις δὲ ἐν τῇ πόλει γενόμενος φυλακῆς τε τῆς ἐνταῦθα ἐπιμελούμενος ἡσυχίαν ἦγε. Γότθοι δέ, μηδενὸς σφίσιν ἐπεξιόντος, ἐλῆψαντο Σικελίαν σχεδὸν τι ὅλην. [5] Ῥωμαῖοι δὲ οἱ ἐν Ῥηγίῳ πολιορκούμενοι, ὧν δὴ Θουριμούθ τε καὶ Ἰμέριος ἦρχον, ὥσπερ μοι εἴρηται, τὰ γὰρ ἀναγκαῖα σφᾶς παντάπασιν ἐπελελοίπει, αὐτοὺς τε καὶ τὸ φρούριον ὁμολογία τοῖς πολεμίοις ἐνέδοσαν. [6] Ἄπερ ἐπεὶ βασιλεὺς ἤκουσε, στόλον τε ἀγείρας νηῶν καὶ στράτευμα λόγου ἄξιον ἐκ καταλόγων πεζῶν ἐν τῷ στόλῳ τούτῳ ἐνθέμενος, ἄρχοντά τε Λιβέριον αὐτοῖς ἐπιστήσας, πλεῖν κατὰ τάχος ἐπὶ Σικελίας ἐκέλευσε, καὶ τὴν νῆσον διασώσασθαι δυνάμει τῇ πάσῃ. [7] ἀλλὰ οἱ ἄρχοντα τοῦ στόλου καταστησάμενῳ Λιβέριον αὐτίκα δὴ μάλα μετέμελεν: ἦν γὰρ ἐσχατογέρων τε ὁ ἀνὴρ μάλιστα καὶ ἀμελέτητος πολεμέων ἔργων. [8] Ἀρταβάνη τε ἀφείς τὰ ἐς αὐτὸν ἐγκλήματα πάντα καὶ στρατηγὸν καταλόγων τῶν ἐπὶ Θράκης καταστησάμενος ἐς Σικελίαν εὐθὺς ἐπεμψε, στράτευμα μὲν οὐ πολὺ παρασχόμενος, ἐπιστείλας δὲ τὸν ζὺν τῷ Λιβεριῷ παραλαβεῖν στόλον, ἐπεὶ Λιβέριον ἐς Βυζάντιον μετεπέμπετο. [9] αὐτοκράτορα δὲ τοῦ πρὸς Τουτίλαν τε καὶ Γότθους πολέμου Γερμανὸν κατεστήσατο τὸν αὐτοῦ ἀνεψιόν. ὃ δὴ στράτευμα μὲν οὐ πολὺ ἔδωκε, χρήματα δὲ λόγου ἄξια παρασχόμενος στρατιὰν ἐπέστελλεν ἐκ τε Θρακῶν καὶ Ἰλλυριῶν ἀξιολογωτάτην ἀγείραντι οὕτω δὴ στέλλεσθαι σπουδῇ ἐς τὴν Ἰταλίαν πολλῇ. [10] καὶ οἱ Φιλημούθ τε τὸν Ἑρουλον ζὺν τοῖς ἐπομένοις καὶ Ἰωάννην τὸν αὐτοῦ μὲν Γερμανοῦ κηδεστήν, Βιταλιανοῦ δὲ ἀδελφιδοῦν ἑστρατηγὸς γὰρ ὧν τῶν ἐν Ἰλλυριοῖς καταλόγων διατριβὴν ἐνταῦθα εἶχε ζὺν αὐτῷ ἐς τὴν Ἰταλίαν ἐπαγαγέσθαι ἐπήγγελλε. [11] Τότε δὴ Γερμανὸν φιλοτιμία πολλή τις ἔσχε Γότθων τὴν ἐπικράτησιν ἀναδήσασθαι, ὅπως οἱ Λιβύην τε καὶ Ἰταλίαν ἀνασώσασθαι περιέσται τῇ Ῥωμαίων ἀρχῇ. [12] Στότζα γὰρ τετυραννηκὸς ἐν γε Λιβύῃ τὰ πρότερα καὶ τὸ Λιβύης κράτος βεβαιοτάτα ἤδη ἔχοντας αὐτὸς ἐκ βασιλέως σταλεις καὶ μάχῃ τοὺς στασιώτας παρὰ δόξαν νικήσας τὴν τε τυραννίδα κατέπαυσε καὶ Λιβύην αὐθις ἀνεσώσατο τῇ

Ῥωμαίων ἀρχῇ, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [13] καὶ νῦν δὲ τῶν Ἰταλίας πραγμάτων ἐς τοῦτο τύχης ἐληλακότων ἐς ὃ μοι ἔναγχος δεδιήγηται, μέγα δὴ ἐνθένδε περιβαλέσθαι κλέος ἐβούλετο ἅτε δὴ καὶ αὐτὴν ἰσχύσας βασιλεῖ ἀνασώσασθαι. [14] καὶ πρῶτα μὲν ἔτετελευτήκει γάρ οἱ πολλῷ πρότερον ἢ γυνὴ Πασσάρα ὄνομά Ματασοῦνθαν ἐν γαμετῆς ἐποιήσατο λόγῳ, τὴν Ἀμαλασοῦνθης τῆς Θευδερίχου θυγατρὸς παῖδα, Οὐιτιτίγιδος ἥδη ἐξ ἀνθρώπων ἀφανισθέντος. [15] ἤλπιζε γάρ, ἦν ζὺν αὐτῷ ἐν τῷ στρατοπέδῳ ἢ γυνὴ εἶη, αἰσχύνεσθαι, ὥς τὸ εἰκός, Γότθους ὄπλα ἐπ' αὐτὴν ἀνελέσθαι, ἀναμνησθέντας τῆς Θευδερίχου τε καὶ Ἀταλαρίχου ἀρχῆς. [16] ἔπειτα δὲ χρήματα μεγάλα τὰ μὲν ἐκ βασιλέως, τὰ δὲ πλείω οἴκοθεν οὐδεμιᾷ φειδοῖ προῖεμενος στρατιάν ἐκ τοῦ ἀπροσδοκίτου πολλὴν ἀνδρῶν μαχιμωτάτων ἀγεῖραι δι' ὀλίγου εὐπετῶς ἴσχυσε. [17] Ῥωμαῖοί τε γάρ, ἄνδρες ἀγαθοὶ τὰ πολέμια, τῶν ἀρχόντων πολλοὺς ὧν δὴ δορυφόροι τε καὶ ὑπασπισταὶ ἦσαν, ἐν ὀλιγωρίᾳ πεποιημένοι, Γερμανῶ εἶποντο, ἔκ τε Βυζαντίου καὶ τῶν ἐπὶ Θράκης χωρίων καὶ Ἰλλυριῶν οὐδέν τι ἦσσαν, Ἰουστίνου τε καὶ Ἰουστινιανοῦ, τῶν αὐτοῦ παιδῶν, πολλὴν ἐνδειξαμένων περὶ ταῦτα σπουδὴν, [18] ἐπεὶ καὶ αὐτοὺς ἐπαγαγόμενος ἀπὼν ὥχετο. τινὰς δὲ καὶ ἐκ καταλόγων ἱππικῶν οἱ ἐπὶ τῆς Θράκης ἴδρυντο, δόντος βασιλέως, ξυνέλεξε. [19] καὶ βάρβαροι πολλοὶ οἵπερ ἀμφὶ ποταμὸν Ἰστρον διατριβὴν εἶχον, κατὰ κλέος τοῦ Γερμανοῦ ἦκοντες καὶ χρήματα πολλὰ κεκομισμένοι, [20] ἀνεμίγνυντο τῷ Ῥωμαίων στρατῷ. ἄλλοι τε βάρβαροι ἐκ πάσης ἀγειρόμενοι ξυνέρρεον γῆς. καὶ ὁ τῶν Λαγγοβαρδῶν ἡγούμενος ὀπλίτας χιλίους ἐν παρασκευῇ πεποιημένους αὐτίκα δὴ μάλα ὑπέσχετο πέμψειν. [21] Τούτων δὴ καὶ πλειοτέρων ἐς τὴν Ἰταλίαν ἀγγελλομένων, οἷα δὴ ἐξεργάζεσθαι εἶωθεν ἐς τὰ ἀνθρώπεια προοῖοντα ἢ φήμη, Γότθοι ἅμα μὲν ἔδεισαν, ἅμα δὲ καὶ ἐν ἀπόρῳ ἐγένοντο, εἰ σφίσιν ἐς γένος τὸ Θευδερίχου πολεμητέα εἶη. [22] στρατιῶται δὲ Ῥωμαίων, ὅσοι Γότθοις ἐτύγχανον ἀκούσιοι ξυστρατεύοντες, ἄγγελον πέμψαντες Γερμανῶ σημαίνειν ἐκέλευον ὥς, ἐπειδὴν τάχιστα ἐν Ἰταλίᾳ γενόμενον αὐτὸν ἴδοιεν, ἐνστρατοπεδευομένην τε τὴν αὐτοῦ στρατιάν, καὶ αὐτοὶ οὐδέν τι μελλήσαντες ζὺν ἐκείνοις τετάζονται πάντως. [23] οἷς δὴ ἅπασι θαρσῆσαντες οἱ τοῦ βασιλέως στρατοῦ ἔν τε Ῥαβέννη καὶ εἴ που ἄλλη πόλις σφίσι λελειφθαι τετύχηκεν, εὐέλπιδες ἰσχυρότατα γεγενημένοι, τὰ χωρία βασιλεῖ ἐς τὸ ἀκριβὲς φυλάσσειν ἤξιον. [24] ἀλλὰ καὶ ὅσοι ζὺν τῷ Βήρῳ τὰ πρότερα ἢ ἄλλοις τισὶ τοῖς πολεμίοις ἐς χεῖρας ἐλθόντες ἦσσημένοι τε τῶν ἐναντίων ἐν τῇ ξυμβολῇ διέφυγόν τε καὶ σκεδαννύμενοι περιήεσαν, ὅπη ἐκάστῳ τετύχηκεν, ἐπειδὴ ὁδῷ ἰέναι Γερμανὸν ἤκουσαν, ἀθρόοι ἐν Ἰστρίᾳ γεγενημένοι, ἐνταυθα τε τὸ στράτευμα τοῦτο προσδεχόμενοι, ἡσυχῇ ἔμενον. [25] Τότε δὴ ὁ Τουτίλας, ἡμέρα γὰρ ἢ ξυγκειμένη αὐτῷ τε καὶ Διογένει ἀμφὶ Κεντουκέλλαις εἰστήκει, πέμψας παρ' αὐτὸν ἐκέλευέν οἱ κατὰ τὰ ξυγκείμενα τὴν πόλιν ἐνδοῦναι. [26] Διογένης δὲ τούτου δὴ κύριος ἔφασκεν αὐτὸς οὐκέτι εἶναι: ἀκκοεῖν γὰρ αὐτοκράτορα τοῦδε τοῦ πολέμου τὸν Γερμανὸν καταστῆναι τε καὶ ζὺν τῷ στρατῷ οὐκ ἄποθεν εἶναι. [27] τῶν δὲ ὁμήρων βουλομένων οἱ αὐτῷ εἶναι τοὺς μὲν σφετέρους ἀπολαβεῖν, τοὺς δὲ πρὸς Γότθων σφίσι δεδομένους ἀποτινύναι. [28] τοὺς τε

σταλέντας ἀποπεμφάμενος τοῦ τῆς πόλεως φυλακτηρίου ἐπεμελεῖτο, Γερμανόν τε καὶ τὸ ξὺν αὐτῷ караδοκῶν στράτευμα. [29] ταῦτα μὲν οὖν ἐπράσσετο τῇδε, καὶ ὁ χειμῶν ἔληγε, καὶ τὸ πέμπτον καὶ δέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε.

Γερμανοῦ δὲ τὸ στράτευμα ἐν Σαρδικῇ, τῇ Ἰλλυριῶν πόλει, ἀγείραντός τε καὶ διέποντος, ἅπαντά τε ἰσχυρότατα ἐξαρτυομένου τὰ ἐς τὴν τοῦ πολέμου παρασκευήν, Σκλαβηγῶν ὅμιλος ὅσος οὐπω πρότερον ἀφίκετο ἐς Ῥωμαίων τὴν γῆν: Ἰστρον τε ποταμὸν διαβάντες ἀμφὶ Νάϊσον ἤλθον. [2] ὧν δὴ ὀλίγους τινὰς ἀποσκεδασθέντας μὲν τοῦ στρατοπέδου, πλανωμένους δὲ καὶ κατὰ μόνας περιούοντας τὰ ἐκείνῃ χωρία τῶν τινὲς Ῥωμαίων καταλαβόντες τε καὶ ξυνδήσαντες ἀνεπυνθάνοντο ὅτου δὴ ἔνεκα οὗτος δὴ ὁ τῶν Σκλαβηγῶν στρατὸς καὶ ὃ τι κατεργασόμενοι διέβησαν ποταμὸν Ἰστρον. [3] οἱ δὲ ἰσχυρίσαντο ὡς Θεσσαλονίκην τε αὐτὴν καὶ πόλεις τὰς ἀμφ' αὐτὴν πολιορκία ἐξαίρησοντες ἤκοιεν. ἅπερ ἐπεὶ βασιλεὺς ἤκουσεν, ἄγαν τε ξυνεταράχθη καὶ πρὸς Γερμανὸν εὐθὺς ἔγραψεν, ὁδὸν μὲν ἐν τῷ παραυτίκα τὴν ἐπὶ Ἰταλίαν ἀναβαλέσθαι, Θεσσαλονίκη δὲ καὶ πόλεσι ταῖς ἄλλαις ἀμῦναι, καὶ τὴν Σκλαβηγῶν ἔφοδον ὅση δύναμις ἀποκρούσασθαι. καὶ Γερμανὸς μὲν ἀμφὶ ταῦτα διατριβὴν εἶχε. [4] Σκλαβηγοὶ δὲ γνόντες διαρρήδην πρὸς τῶν αἰχμαλώτων Γερμανὸν ἐν Σαρδικῇ εἶναι ἐς δέος ἤλθον: [5] μέγα γὰρ ὄνομα ἐς τούτους δὴ τοὺς βαρβάρους ὁ Γερμανὸς εἶχεν ἐξ αἰτίας τοιαύδε. ἥνικα Ἰουστινιανὸς ὁ Γερμανοῦ θεῖος τὴν βασι: λείαν εἶχεν, Ἄνται, οἱ Σκλαβηγῶν ἄγχιστα ᾤκηται, Ἰστρον ποταμὸν διαβάντες στρατῷ μεγάλῳ ἐσέβαλον ἐς Ῥωμαίων τὴν γῆν. [6] ἐτύγχανε δὲ Γερμανὸν βασιλεὺς Θράκης ὅλης στρατηγὸν καταστησάμενος οὐ πολλῷ πρότερον. ὃς δὴ ἐς χεῖρας ἔλθων τῷ τῶν πολεμίων στρατῷ κατὰ κράτος τε μάχῃ νικήσας σχεδὸν τι ἅπαντας ἔκτεινε, κλέος τε μέγα ἐκ τοῦ ἔργου τούτου ὁ Γερμανὸς ἐς πάντας ἀνθρώπους καὶ διαφερόντως ἐς τούτους δὴ τοὺς βαρβάρους περιεβάλετο. [7] δειμαίνοντες οὖν αὐτόν, ὥσπερ μοι εἶρηται, Σκλαβηγοί, ἅμα δὲ καὶ δύναμιν ἀξιολογώτατην αὐτόν ἐπάγεσθαι οἰόμενοι ἅτε πρὸς βασιλέως στελλόμενον ἐπὶ Τουτίλαν τε καὶ Γότθους, ὁδοῦ μὲν εὐθὺς τῆς ἐπὶ Θεσσαλονίκην ἀπέσχοντο, ἐς δὲ τὸ πεδῖον καταβῆναι οὐκέτι ἐτόλμων, ἀλλὰ ξύμπαντα τὰ ὄρη τὰ Ἰλλυριῶν διαμείψαντες ἐν Δαλματία ἐγένοντο. [8] ὧν δὴ ὁ Γερμανὸς ἀφροντιστήσας πάσῃ ἐπήγγελλε τῇ στρατιᾷ ξυσκευάζεσθαι, ὡς ἡμέραιν δυοῖν ὕστερον ὁδοῦ ἐνθένδε τῆς ἐπὶ τὴν Ἰταλίαν ἀρξόμενος. [9] Ἀλλὰ τις αὐτῷ ξυνέπεσε τύχῃ νοσήσαντι ἐξαπναιῶς τὸν βίον διαμετρήσασθαι. εὐθυωρόν τε ὁ Γερμανὸς ἐξ ἀνθρώπων ἠφάνιστο, ἀνὴρ ἀνδρείος τε καὶ δραστήριος ἐς τὰ μάλιστα, ἐν μὲν τῷ πολέμῳ στρατηγός τε ἄριστος καὶ αὐτουργὸς δεξιός, ἐν δὲ εἰρήνῃ καὶ ἀγαθοῖς πράγμασι τὰ τε νόμιμα καὶ τὸν τῆς πολιτείας κόσμον βεβαιοτάτα φυλάσσειν ἐξεπιστάμενος, δικάσας μὲν ὀρθότατα πάντων μάλιστα, χρήματα δὲ τοῖς δεομένοις ἅπασι δεδανεικῶς μεγάλα καὶ τόκον οὐδ' ὅσον λόγῳ κεκομισμένος πρὸς αὐτῶν πώποτε, ἐν Παλατίῳ μὲν καὶ τῇ ἀγορᾷ ἐμβριθέστατός τε καὶ σοβαρὸς ἄγαν, ἐστιάτωρ δὲ καθ' ἡμέραν οἶκοι ἡδύς τε καὶ ἐλευθέριος καὶ ἐπίχαρις, οὐδέ τι ἐν Παλατίῳ ἀμαρτάνεσθαι παρὰ τὰ εἰωθότα ὅση δύναμις ξυγχωρῶν, οὐδὲ στασιώταις τοῖς ἐν Βυζαντίῳ τῆς βουλήσεως ἢ τῆς ὁμιλίας μεταλαχῶν

πώποτε, καίπερ καὶ τῶν ἐν δυνάμει πολλῶν ἐς τοῦτο ἀτοπίας ἐληλακότων. ταῦτα μὲν οὖν τῇδε κεχώρηκε. [10] Βασιλεὺς δὲ τοῖς ξυμπεσοῦσι περιώδυνος γεγωνὼς Ἰωάννην ἐκέλευε, τὸν Βιταλιανοῦ μὲν ἀδελφιδοῦν. Γερμανοῦ δὲ γαμβρόν, ξὺν Ἰουστινιανῷ θατέρῳ τοῖν Γερμανοῦ παίδοιν τῷ στρατῷ τούτῳ ἐς τὴν Ἰταλίαν ἡγήσασθαι. [11] καὶ οἱ μὲν τὴν ἐπὶ Δαλματίας ἦσαν, ὥς ἐν Σάλωσι διαχειμάσοντες, ἐπεὶ ἀδύνατα σφίσιν ᾤοντο εἶναι τηνικάδε τοῦ καιροῦ περιουσι τὴν τοῦ κόλπου περίοδον ἐς Ἰταλίαν κομίζεσθαι: διαπορθμεύεσθαι γὰρ νηῶν σφίσιν οὐ παρουσῶν ἀμήχανα ἦν. [12] Λιβέριος δέ, οὐπω τι πεπυσμένος ὥνπερ βασιλεῖ ἀμφὶ τῷ στόλῳ τούτῳ μετέμελε, Συρακούσαις προσέσχε πολιορκουμέναις πρὸς τῶν πολεμίων. [13] βιασάμενός τε τοὺς ταύτῃ βαρβάρους ἐς τε τὸν λιμένα κατήρε καὶ παντὶ τῷ στόλῳ ἐντὸς τοῦ περιβόλου ἐγένετο. καὶ [14] Ἀρταβάνης δὲ οὐ πολλῷ ὕστερον ἐν Κεφαλωνία γενόμενος, ἐπειδὴ τοὺς ἀμφὶ Λιβέριον ἤδη ἐνθένδε ἀναχθέντας ἐπὶ Σικελίας κεχωρηκέναι ἔγνω, ἄρας ἐνθένδε πέλαγος αὐτίκα τὸ Ἀδριατικὸν καλούμενον διέβη. [15] ἐπεὶ δὲ Καλαβρῶν ἀγχοῦ ἐγένετο, χεμιῶνός οἱ ἐξαισίου ἐπιτεσόντος καὶ τοῦ πνεύματος σκληροῦ τε ὑπεράγαν ὄντος καὶ ἀπ' ἐναντίας σφίσιν ἰόντος, οὕτως ἀπάσας διασκεδάννυσθαι τὰς ναῦς ξυνηνέχθη, ὥς δοκεῖν ὅτι δὴ αἱ πολλαὶ ἐς τὴν Καλαβρίαν ἐξενεχθεῖσαι ὑπὸ τοῖς πολεμίοις ἐγένοντο. [16] οὐκ ἦν δὲ οὕτως, ἀλλὰ πρὸς τοῦ πνεύματος ξὺν βίᾳ πολλῇ διωθόμεναι ἀνέστρεφόν τε βιαζόμεναι ὑπερφυῶς καὶ αὖθις ἐν Πελοποννήσῳ ἐγένοντο. καὶ ταῖς ἄλλαις δέ, ὅπῃ παρατύχη, ἢ διεφθάρθαι ἢ διασεσῶσθαι τετύχηκε. [17] ναῦς δὲ μία, ἐν ἣ ἔπλει Ἀρταβάνης αὐτός, τοῦ ἰστοῦ οἱ ἐν τῷ σάλῳ τούτῳ ἀποκοπέντος, ἐς τοσόνδε κινδύνου ἐλθοῦσα, πρὸς τε τοῦ ροθίου φερομένη καὶ τῷ κλύδωνι ἐπισπομένη Μελίτῃ προσέσχε τῇ νήσῳ. οὕτω μὲν Ἀρταβάνην διασεσῶσθαι ἐκ τοῦ ἀπροσδοκήτου ξυνέπεσε. [18] Λιβέριος δὲ οὔτε τοῖς πολιορκοῦσιν ἐπεξιέναι ἢ μάχῃ πρὸς αὐτοὺς οἶός τε ὦν διακρίνεσθαι, καὶ τῶν ἐπιτηδείων σφίσιν ἅτε πολλοῖς οὖσιν ἐς πλείω χρόνον οὐδαμῇ διαρκούντων, ἄρας ἐνθένδε ξὺν τοῖς ἐπομένοις καὶ τοὺς πολεμίους λαθὼν ἐς Πάνορμον ἀπεχώρησε. [19] Τουτίλας δὲ καὶ Γότθοι σχεδόν τι ἅπαντα ληϊσάμενοι τὰ ἐπὶ Σικελίας χωρία ἵππων μὲν ἐπαγόμενοι καὶ ζώων ἄλλων μέγα τι χρήμα, σῖτον δὲ καὶ τοὺς ἄλλους καρπούς ἅπαντας ἐκ τῆς νήσου μετενεγκόντες καὶ πάντα τὰ χρήματα, μεγάλα κομιδῇ ὄντα, ἐν τοῖς πλοίοις ἐνθέμενοι, τὴν τε νῆσον ἐξαπιναιῶς ἐξέλιπον καὶ ἐς τὴν Ἰταλίαν ἀνέστρεφον, τρόπῳ ὁρμώμενοι τοιῷδε. [20] τῶν τινὰ Ῥωμαίων, Σπῖνον ὄνομα, ἐκ Σπολιτίου ὁρμώμενόν οἱ αὐτῷ παρέδρον οὐ πολλῷ πρότερον καταστησάμενος Τουτίλας ἔτυχεν. [21] οὗτος ἀνὴρ ἐν πόλει Κατάνῃ, ἀτειχίστῳ οὔσῃ, διατριβὴν εἶχε. τύχη τέ τις αὐτῷ ξυνέβη ὑπὸ τοῖς πολεμίοις ἐνταῦθα γενέσθαι. [22] ὃν δὴ ρύεσθαι ὁ Τουτίλας ἐπείγόμενος τῶν τινὰ ἐπιφανῶν γυναῖκα, αἰχμάλωτον οὔσαν, ἀφεῖναι Ῥωμαίοις ἀντ' αὐτοῦ ἤθελε. [23] γυναῖκα δὲ Ῥωμαῖοι οὐδαμῇ ἐδικαίουσαν ἀνταλλάξασθαι ἀνδρὸς τὴν τοῦ καλουμένου κοιαιίστωρος ἀρχὴν ἔχοντος. [24] δείσας οὖν ὁ ἀνὴρ μὴ παρὰ τοῖς πολεμίοις διαφθαρεῖν, ὡμολόγησε Ῥωμαίοις αὐτίκα Τουτίλαν ἀναπεῖσειν Σικελίας μὲν ἀπανίστασθαι, παντὶ δὲ τῷ Γότθων στρατῷ ἐς Ἰταλίαν διαπορθμεύσασθαι. [25] καὶ οἱ μὲν ὄρκοις αὐτὸν σφίσιν ἀμφὶ ταύτῃ τῇ ὁμολογίᾳ καταληφθέντα Γότθοις ἀπέσσαν, ἀντ' αὐτοῦ τὴν

γυναῖκα κεκομισμένοι. [26] ὁ δὲ Τουτίλα ἐς ὄψιν ἦκων οὐκ ἐπὶ τῷ σφετέρῳ
ξυμφῶρῳ Γότθους ἔφασκε Σικελίαν ληϊσαμένους σχεδόν τι ὅλην ὀλίγων τινῶν
φρουρίων διατριβὴν ἐνταῦθα ἔχειν. [27] ἔναγχος γὰρ ἰσχυρίζετο ἀκηκοέναι,
ἡνίκα παρὰ τοῖς πολεμίοις ἐτύγγανεν ὢν, Γερμανὸν μὲν τὸν βασιλέως ἀνεψιὸν
ἐξ ἀνθρώπων ἀφανισθῆναι, Ἰωάννην δὲ τὸν αὐτοῦ κηδεστὴν καὶ Ἰουστινιανὸν
τὸν αὐτοῦ παῖδα παντὶ τῷ πρὸς Γερμανοῦ συλλεγέντι στρατῷ εἶναι μὲν ἤδη ἐν
Δαλματία, εὐθὺ δὲ Λιγουρίας αὐτίκα δὴ μάλα ξυσκευαζομένους ἐνθὲνδε
χωρήσειν, ἐφ' ᾧ δὴ Γότθων ἐξ ἐπιδρομῆς παιδᾶς τε καὶ γυναῖκας
ἀνδραποδίσουσι καὶ χρήματα ληϊσονται πάντα, οἷσπερ ἡμᾶς ὑπαντιάζειν
ἄμεινον ἂν εἴη ἐν τῷ ἀσφαλεῖ ξὺν τοῖς οἰκείοις διαχειμάζοντας. [28] ἦν γὰρ
ἐκείνων περιεσόμεθα, Σικελίας αὖθις ἅμα ἦρι ἀρχομένῳ παρέσται ἡμῖν
ἀδεέστερον ἐπιβήσεσθαι πολέμιον οὐδὲν ἐν νῷ ἔχουσι. [29] ταύτῃ ὁ Τουτίλας
τῇ ὑποθήκῃ ἀναπεισθεὶς φρουροὺς μὲν ἐν ὀχυρώμασι τέτρασιν εἶασεν, αὐτὸς
δὲ ξύμπασαν τὴν λείαν ἐπαγόμενος παντὶ τῷ ἄλλῳ στρατῷ ἐς Ἰταλίαν
διεπορθμεύσατο. ταῦτα μὲν οὖν ἐπράσσετο τῇδε. [30] Ἰωάννης δὲ καὶ ὁ
βασιλέως στρατὸς ἀφικόμενοι ἐς Δαλματίαν ἐν Σάλωσι διαχειμάζειν ἐγνωσαν,
ἐνθὲνδε μετὰ τὴν τοῦ χειμῶνος ὥραν εὐθὺ Ῥαβέννης ὁδῷ ἵεναι διανοούμενοι.
[31] Σκλαβηνοὶ δέ, οἳ τε τὰ πρότερα ἐν γῇ τῇ βασιλέως γενόμενοι, ὥσπερ μοι
ἔναγχος δεδιῆγται, καὶ ἄλλοι οὐ πολλῷ ὕστερον Ἴστρον ποταμὸν διαβάντες
καὶ τοῖς προτέροις ἀναμιχθέντες, κατέθεον ἐν πολλῇ ἐξουσίᾳ τὴν Ῥωμαίων
ἀρχήν. [32] καὶ τινες μὲν ἐν ὑποψίᾳ εἶχον ὥς Τουτίλας τούτους δὴ τοὺς
βαρβάρους χρήμασι πολλοῖς ἀναπείσας ἐπιπέμψειε τοῖς ταύτῃ Ῥωμαίοις,
ὅπως δὴ βασιλεῖ ἀδύνατα εἴη τὸν πρὸς Γότθους πόλεμον ἀσχολία τῇ ἐς
τούτους δὴ τοὺς βαρβάρους εὖ διοικήσασθαι. [33] εἴτε δὲ Τουτίλα χαριζόμενοι
εἴτε ἄκλητοι Σκλαβηνοὶ ἐνταῦθα ἦλθον οὐκ ἔχω εἰπεῖν. ἐς τρία μέντοι τέλη
σφᾶς αὐτοὺς διελόντες οἱ βάρβαροι οὗτοι ἀνῆκεστα ἐν Εὐρώπῃ τῇ ὅλῃ ἔργα
εἰργάσαντο, οὐκ ἐξ ἐπιδρομῆς ληϊζόμενοι τὰ ἐκεῖνη χωρία, ἀλλ' ὥσπερ ἐν
χώρᾳ οἰκεῖα διαχειμάζοντες οὐδὲν τε δεδιότες πολέμιον. [34] ὕστερον δὲ
Ἰουστινιανὸς βασιλεὺς στρατιὰν ἀξιολογωτάτην ἐπ' αὐτοὺς ἔπεμψεν, ἧς ἄλλοι
τε καὶ Κωνσταντιανὸς καὶ Ἀράτιος καὶ Ναζάρης ἡγοῦντο καὶ Ἰουστίνος ὁ
Γερμανοῦ παῖς καὶ Ἰωάννης, ὃνπερ ἐπὶ κλησὶν ἐκάλουν Φαγᾶν. [35] ἐπιστάτην
δὲ Σχολαστικὸν ἐφ' ἅπασιν κατεστήσατο, τῶν ἐν Παλατίῳ εὐνούχων ἕνα. [36]
Οὗτος ὁ στρατὸς μοῖραν τῶν βαρβάρων καταλαμβάνουσιν ἀμφὶ
Ἀδριανούπολιν, ἥπερ ἐπὶ Θράκης ἐν μεσογείοις κεῖται, πέντε ἡμερῶν ὁδὸν
Βυζαντίου διέχουσα. [37] καὶ πρόσω μὲν χωρεῖν οἱ βάρβαροι οὐκέτι εἶχον·
λείαν γὰρ ἐπήγοντο ἀνθρώπων τε καὶ ζώων ἄλλων καὶ πάντων χρημάτων
ἀριθμοῦ κρείσσονα. [38] μένοντες δὲ αὐτοῦ ἠπείγοντο τοῖς πολεμίοις ἐς χεῖρας
ἵεναι, τούτου δὴ αὐτοῖς αἰσθησιν ὥς ἦκιστα παρεχόμενοι. καὶ οἱ μὲν
Σκλαβηνοὶ ἐστρατοπεδεύοντο ἐς τὸ ὄρος ὃ ταύτῃ ἀνέχει, Ῥωμαῖοι δὲ ἐν τῷ
πεδίῳ οὐ πολλῷ ἄποθεν. [39] χρόνου δὲ σφίσιν ἐν ταύτῃ τῇ προσεδρεΐᾳ
τριβομένου συγχοῦ ἡσχαλλόν τε οἱ στρατιῶται καὶ δεινὰ ἐποιοῦντο, τοῖς
στρατηγοῖς ἐπικαλοῦντες ὅτι δὴ αὐτοὶ τὰ ἐπιτήδεια ξύμπαντα εὐπορα ἔχοντες
ἅτε τοῦ Ῥωμαίων στρατοῦ ἄρχοντες τοὺς στρατιώτας περιορῶσι τῶν
ἀναγκαίων τῇ ἀπορίᾳ πιεζομένους καὶ οὐ βούλονται τοῖς πολεμίοις ἐς χεῖρας

ιέναι. [40] οἷς δὴ οἱ στρατηγοὶ ἀναγκασθέντες τοῖς ἐναντίοις ξυνέμιζαν. καὶ γίνεται μὲν καρτερὰ μάχη, ἡσσωδῶνται δὲ κατὰ κράτος Ῥωμαῖοι. [41] ἔνθα δὴ στρατιῶνται μὲν πολλοὶ τε καὶ ἄριστοι θνήσκουσιν, οἱ δὲ στρατηγοὶ παρ' ὀλίγον ἐλθόντες ὑπὸ τοῖς πολεμίοις γενέσθαι ξὺν τοῖς καταλοιποῖς μόλις διαφυγόντες ἐσώθησαν, [42] ὥς πη ἐκάστῳ δυνατὰ γέγονε. καὶ Κωνσταντιανοῦ δὲ τὸ σημεῖον οἱ βάρβαροι εἶλον, τοῦ τε Ῥωμαίων στρατοῦ ἐς ὀλιγορίαν τραπόμενοι πρόσω ἐχώρουν. [43] καὶ χώραν τὴν Ἀστικὴν καλουμένην ἐληΐζοντο κατ' ἐξουσίαν, ἀδήωτον ἐκ παλαιοῦ οὔσαν, καὶ ἀπ' αὐτοῦ λείαν αὐτοὺς πολλὴν τινα ἐνταῦθα εὐρεῖν ξυνηνέχθη: οὕτω δὲ χώραν πολλὴν ληΐζόμενοι ἄχρι ἐς τὰ μακρὰ τεῖχη ἀφίκοντο, ἅπερ ὀλίγῳ πλεον ἢ ἡμέρας ὁδὸν Βυζαντίου διέχει. [44] οὐ πολλῶ δὲ ὕστερον ὁ Ῥωμαίων στρατὸς τούτοις δὴ ἐπισπόμενοι τοῖς βαρβάροις, μοῖρα τε αὐτῶν ἐντυχόντες τινὶ καὶ ἐξαπινάως ἐς χεῖρας ἐλθόντες ἐτρέψαντο. [45] καὶ τῶν μὲν πολεμίων πολλοὺς ἔκτειναν, Ῥωμαίων δὲ τῶν αἰχμαλώτων μέγα τι διεσώσαντο χρήμα, τό τε Κωνσταντιανοῦ σημεῖον εὐρόντες ἀνείλοντο. οἱ δὲ λοιποὶ βάρβαροι ξὺν τῇ ἄλλῃ λείᾳ ἐπ' οἴκου ἀπεκομίσθησαν.

BOOK VIII.

Ὅσα μὲν ἄχρι τοῦδε μοι δεδιήγηται, τῇδε ξυγγέγραπται ἥπερ δυνατὰ ἐγεγόνει ἐπὶ χωρίων ἐφ' ὧν δὴ ἔργα τὰ πολέμια ξυνηνέχθη γενέσθαι διελόντι τε καὶ ἀρμοσαμένῳ τοὺς λόγους, οἵπερ ἤδη ἐξενεχθέντες πανταχόθι δεδήλωνται τῆς Ῥωμαίων ἀρχῆς. τὸ δὲ ἐνθένδε οὐκέτι μοι τρόπῳ τῷ εἰρημένῳ ξυγκίεσται. [2] γράμμασι γὰρ τοῖς ἐς τὸ πᾶν δεδηλωμένοις οὐκέτι εἶχον τὰ ἐπιγινόμενα ἐναρμόζεσθαι, ἀλλ' ὅσα κατὰ τοὺς πολέμους τοῦσδε γεγονέναι ξυνέβη, ἔτι μέντοι καὶ ἐς τὸ Μῆδων γένος, ἐπειδὴ τοὺς ἔμπροσθεν λόγους ἐξήνεγκα, ἐν τῷδὲ μοι τῷ λόγῳ πάντα γεγράφεται, ἱστορίαν τε αὐτῶν ἐπάναγκες ποικίλῃν ξυγκίεσθαι. [3] Ἦδη μὲν οὖν ὅσα ξυνέβη ἄχρι ἐς τὸ τέταρτον ἔτος τῆς πενταετηρίδος ἐκεχειρίας ἢ Ῥωμαίοις ἐγεγόνει καὶ Πέρσαις, ἐν τοῖς ἔμπροσθέν μοι δεδιήγηται λόγοις: τῷ δὲ ἐπιγινομένῳ ἐνιαντῷ Μηδικῇ στρατιᾷ πολὺς ὄμιλος ἐς γῆν τὴν Κολχίδα ἐσέβαλον. [4] οἷσπερ ἐφειστήκει Πέρσης ἀνὴρ, Χοριάνης ὄνομα, πολέμων ἐσάγαν πολλῶν ἔμπειρος, καὶ αὐτῷ ξύμμαχοι βάρβαροι τοῦ Ἀλανῶν γένους πολλοὶ εἵποντο. [5] οὗτος ὁ στρατὸς ἐπειδὴ ἀφίκοντο ἐς χώραν τῆς Λαζικῆς ἢ ἐπικαλεῖται Μοχρήσις, ἐν ἐπιτηδείῳ στρατοπεδευσάμενοι ἔμενον. [6] ρεῖ δέ πη ἐνταῦθα ποταμὸς Ἴππις, οὐ μέγας οὐδὲ ναυσίπορος. ἀλλὰ καὶ ἱππεῦσι καὶ ἀνδράσι πεζοῖς ἐσβατός, οὗ δὴ ἐν δεξιᾷ τὸν χάρακα ἐποιήσαντο, οὐ παρὰ τὴν ὄχθην, ἀλλὰ κατὰ πολὺ ἄποθεν. [7] Ὅπως δὲ τοῖς τάδε ἀναλεγομένοις ἔκδηλα τὰ ἐπὶ Λαζικῇ χωρία ἔσται ὅσα τε γένη ἀνθρώπων ἀμφ' αὐτὴν ἴδρυνται, καὶ μὴ ὑπὲρ τῶν ἀφανῶν σφίσιν ὥσπερ οἱ σκιαμαχοῦντες διαλέγεσθαι ἀναγκάζονται, οὗ μοι ἀπὸ καιροῦ ἔδοξεν εἶναι ἀναγράψασθαι ἐνταῦθα τοῦ λόγου ὄντινα δὴ τρόπον ἄνθρωποι οἰκοῦσι τὸν Εὐξείνιον καλούμενον Πόντον, οὐκ ἀγνοοῦντι μὲν ὥς καὶ τῶν παλαιότερων τισὶ γέγραπται ταῦτα, οἰομένῳ δὲ οὐκ ἐς τὸ ἀκριβὲς αὐτοῖς πάντα εἰρῆσθαι: [8] ὧν γέ τινες Τραπεζουντίων ὁμόρους ἢ Σάνους ἔφασαν, οἱ τανῦν Τζάνοι ἐπικαλοῦνται, ἢ Κόλχους εἶναι, Λαζοὺς ἐτέρους καλέσαντες οἱ καὶ νῦν ἐπὶ τούτου προσαγορεύονται τοῦ ὀνόματος. [9] καίτοι ἔστι τούτων οὐδέτερον. Τζάνοι μὲν γὰρ τῆς παραλίας ὥς ἀπωτάτω ὄντες προσοικοῦσι τοὺς Ἀρμενίους ἐν τῇ μεσογείᾳ καὶ ὄρη πολλὰ μεταξὺ ἀποκρέμαται, λίαν τε ἄβατα καὶ ὅλως κρημνῶδη, χώρα τε πολλὴ ἔρημος ἀνθρώπων ἐς αἰεὶ οὕσα καὶ χαράδραι ἀνέκβατοι καὶ λόφοι ὑλῶδεις καὶ σήραγγες ἀδιέξοδοι, οἷς δὴ ἅπασι μὴ ἐπιθαλάσσιοι εἶναι διείργονται Τζάνοι. [10] Κόλχους δὲ οὐχ οἷόν τέ ἐστι μὴ τοὺς Λαζοὺς εἶναι, ἐπεὶ παρὰ Φᾶσιν ποταμὸν ὥκηνται: τὸ δὲ ὄνομα μόνον οἱ Κόλχοι, ὥσπερ ἀνθρώπων ἔθνη καὶ πολλὰ ἕτερα, τανῦν ἐς τὸ Λαζῶν μεταβέβληνται. [11] χωρὶς δὲ τούτων καὶ μέγας αἰὼν μετὰ τοὺς ἐκεῖνα ἀναγραψαμένους ἐπιγενόμενος αἰεὶ τε συννεωτερίζων τοῖς πράγμασι τὰ πολλὰ τῶν καθεστώτων τὰ πρότερα νεοχμῶσαι ἴσχυσεν, ἐθνῶν τε μεταστάσεις καὶ ἀρχόντων καὶ ὀνομάτων διαδοχαῖς. [12] ἄπερ μοι διαμετρήσασθαι ἀναγκαιότατον ἔδοξεν εἶναι, οὐ τὰ μυθώδη περὶ αὐτῶν ἀπαγγέλλοντι ἢ ἄλλως ἀρχαῖα, οὐδὲ ὅπῃ ποτὲ Πόντου τοῦ Εὐξείνου δεθῆναι τὸν Προμηθεᾶ ποιηταὶ λέγουσι: [13] μύθου γὰρ ἱστορίαν

παρὰ πολὺ κεχωρίσθαι οἶμαι· ἀλλ' ἐς τὸ ἀκριβὲς διεξιόντι τὰ τε ὀνόματα καὶ τὰ πράγματα, ὅσα δὴ τανῦν ἐπιχωριάζει τῶν τόπων ἐκείνων ἐκάστω.

Οὗτος τοίνυν ὁ Πόντος ἄρχεται μὲν ἐκ Βυζαντίου καὶ Καλχηδόνος, τελευτᾷ δὲ ἐς Κόλχων τὴν γῆν. [2] καὶ αὐτὸν ἐν δεξιᾷ ἐσπλέοντι Βιθυνοὶ τε καὶ οἱ αὐτῶν ἐχόμενοι Ὀνωριάται καὶ Παφλαγόνες ὤκηνται, οἱ δὴ ἄλλα τε χωρία καὶ Ἡράκλειάν τε καὶ Ἄμαστρον ἐπιθαλασσίας πόλεις ἔχουσι, καὶ μετ' αὐτοῦς οἱ Ποντικοὶ ἐπικαλούμενοι μέχρι ἐς Τραπεζοῦντα πόλιν καὶ τὰ ταύτης ὄρια. ἐνταῦθα πολίσματά τε ἄλλα ἐπιθαλασσίδια καὶ Σινώπη τε καὶ Ἀμισὸς οἰκεῖται, Ἀμισοῦ δὲ ἄγχιστα τό τε Θεμίσκουρον καλούμενον καὶ Θερμῶδων ποταμὸς ἐστίν, οὗ δὴ τὸ τῶν Ἀμαζόνων στρατόπεδον γεγενῆσθαι φασιν. ἀλλὰ περὶ μὲν Ἀμαζόνων γεγράψεται μοι οὐ πολλῶ ὀπισθεν. [3] Τραπεζουντίων δὲ τὰ ὄρια διήκει ἕξ τε κόμην Σουσούρμενα καὶ τὸ Ῥιζαῖον καλούμενον χωρίον, ὅπερ Τραπεζουντίων διέχει δυοῖν ἡμέραιν ὁδὸν διὰ τῆς παραλίας ἐς Λαζικὴν ἰόντι. [4] Τραπεζοῦντος δὲ μοι ἐπιμνησθέντι οὐ παριτέον τὸ πλείστω παραλόγῳ τῇδε ξυμβαῖνον. τὸ γὰρ μέλι ἐν ἅπασιν τοῖς περὶ Τραπεζοῦντα χωρίοις πικρὸν γίνεται, ἐνταῦθα μόνον στασιαζομένης τῆς ἀμφ' αὐτὸ δόξης. [5] τούτων δὲ δὴ τῶν χωρίων ἐν δεξιᾷ τὰ Τζανικῆς ὄρη πάντα ἀνέχει, ἐπέκεινά τε αὐτῶν Ἀρμένιοι Ῥωμαίων κατήκοοι ὤκηνται. [6] Ἐκ τούτων δὲ τῶν Τζανικῶν ὁρῶν κάτεισι ποταμὸς Βόας ὄνομα, ὃς δὴ ἕξ τε λόχμας παμπληθεῖς ἰὼν καὶ χώραν λοφώδη περιερχόμενος φέρεται μὲν ἄγχιστα τῶν Λαζικῆς χωρίων, ποιεῖται δὲ τὰς ἐκβολὰς ἐς τὸν Εὐξείνιον καλούμενον Πόντον, οὐ μέντοι Βόας καλούμενος. [7] ἐπειδὴν γὰρ τῆς θαλάσσης ἐγγὺς ἵκηται, τὸ μὲν ὄνομα μετήσῃ τοῦτο, ἑτέρας δὲ τὸ ἐνθένδε προσηγορίας μεταλαγχάνει, ἐκ τῶν οἱ ἐπιγινομένων ὄνομα κτῶμενος. [8] Ἀκαμψιν γὰρ αὐτὸν τὸ λοιπὸν καλοῦσιν οἱ ἐπιχώριοι, τούτου δὲ ἕνεκα, ὅτι δὴ κάμψαι αὐτὸν τῇ θαλάσσει ἀναμιχθέντα ἀμῆχανά ἐστιν, ἐπεὶ ξὺν ρύμῃ τοσαύτῃ καὶ ὀξύτῃ τοῦ ῥοῦ τὰς ἐκβολὰς ποιεῖται, ταραχὴν τοῦ ῥοθίου πολλὴν ἐπίπροσθεν ἐργαζόμενος, ὥστε ὡς πορρωτάτῳ τῆς θαλάσσης ἰὼν ἄπορον ποιεῖται τὸν ταύτῃ διάπλουν· οἱ τε ναυτιλλόμενοι ἐνταῦθα τοῦ Πόντου, εἴτε Λαζικῆς εὐθὺ πλέοντες εἴτε καὶ ἐνθένδε ἀπάραντες, οὐκέτι ἐξῆς διαπλεῖν δύνανται. [18] Ἐπὶ τούτου δὲ Ἰουστινιανοῦ βασιλεύοντος ἅπαντα Ἀβασγοὶς ἐπὶ τὸ ἡμερώτερον τετύχηκε μεταμπίσχεσθαι. [19] τὰ τε γὰρ Χριστιανῶν δόγματα εἵλοντο καὶ αὐτοῖς Ἰουστινιανὸς βασιλεὺς τῶν τινὰ ἐκ Παλατίου εὐνούχων στείλας, Ἀβασγὸν γένος, Εὐφρατᾶν ὄνομα, τοῖς αὐτῶν βασιλεῦσι διαρρήδην ἀπέιπε μηδένα τὸ λοιπὸν ἐν τούτῳ τῷ ἔθνει τὴν ἀρρενωπίαν ἀποψιλοῦσθαι, σιδήρῳ βιαζομένης τῆς φύσεως. ὁ δὴ ἄσμενοι Ἀβασγοὶ ἤκουσαν, [20] καὶ τῇ τοῦ Ῥωμαίων βασιλείᾳ ἐπιτάξει θαρροῦντες ἦδη τὸ ἔργον τοῦτο σθένει παντὶ διεκώλυν.

ἐδεδίει γὰρ αὐτῶν ἕκαστος μὴ ποτε παιδίου πατὴρ εὐπρεποῦς γένηται. [3] οὔτε, ἐπειδὴ αὐτοῖν ὁ πατὴρ τὸν βίον συνεμετρήσατο, τὴν τε ἀρχὴν ἄμφω ἐν σφίσιν αὐτοῖς διεδάσαντο καὶ τὴν ἐπωνυμίαν τοῖς ἀρχομένοις αὐτοῖς ἔδωκαν: [4] οἱ μὲν γὰρ Οὐτίγουροι, οἱ δὲ Κουτρίγουροι καὶ ἐς ἐμὲ ὀνομάζονται. οὗτοι μὲν ἅπαντες τῇδε ὤκηντο, κοινὰ μὲν τὰ ἐπιτηδεύματα ζύμπαντα ἔχοντες, οὐκ ἐπιμιγνύμενοι δὲ ἀνθρώποις οἱ δὴ τῆς τε Λίμνης καὶ τῆς ἐνθὲνδε ἐκροῆς ἐς τὰ ἐπὶ θάτερα ἴδρυντο, ἐπεὶ οὔτε διέβαινόν ποτε τὰ ὕδατα ταῦτα οὔτε διαβατὰ εἶναι ὑπόπτευον, πρὸς τὰ εὐκολώτατα περίφοβοι ὄντες, τῷ μὴδὲ ἀποπειράσασθαι αὐτῶν πώποτε, ἀλλ' ἀμελέητοι τῆς διαβάσεως παντάπασιν εἶναι. [5] Λίμνην δὲ τὴν Μαῖωτιν καὶ τὴν ἐξ αὐτῆς ἐκβολὴν ὑπερβάντι εὐθὺς μὲν ἐς αὐτὴν πρὸς τὴν ταύτης ἀκτὴν οἱ Τετραζῖται καλούμενοι Γότθοι τὸ παλαιὸν ὤκηντο, ὧν ἐπεμνήσθην ἄρτίως: πολλῷ δὲ αὐτῶν ἄποθεν Γότθοι τε καὶ Οὐισίγοτθοι καὶ Βανδίλοι καὶ τὰ ἄλλα Γοτθικὰ γένη ζύμπαντα ἴδρυντο. [6] οἱ δὴ καὶ Σκύθαι ἐν τοῖς ἄνω χρόνοις ἐπεκαλοῦντο, ἐπεὶ πάντα τὰ ἔθνη ἅπερ τὰ ἐκείνη χωρία εἶχον, Σκυθικὰ μὲν ἐπὶ κοινῆς ὀνομάζεται, ἔνιοι δὲ αὐτῶν Σαυρομάται ἢ Μελάγχλαινοι, ἢ ἄλλο τι ἐπεκαλοῦντο. [7] Προϊόντος δὲ τοῦ χρόνου, φασίν, εἴπερ ὁ λόγος ὑγιής ἐστι, τῶν μὲν Κιμμερίων νεανίας τινὰς ἐν κυνηγεσίῳ διατριβὴν ἔχειν, ἔλαφον δὲ μίαν πρὸς αὐτῶν φεύγουσαν ἐς τὰ ὕδατα ἐσπηδῆσαι ταῦτα. [8] τοὺς τε νεανίας, εἴτε φιλοτιμία εἴτε φιλονεικία τινὶ ἔχομένους, ἢ καὶ τι δαιμόνιον αὐτοὺς κατηνάγκασε, τῇ ἐλάφῳ ἐπισπέσθαι ταύτῃ, μηχανῇ τε μεθίσθαι αὐτῆς οὐδεμιᾷ, ἕως ζῆν αὐτῇ ἐς τὴν ἀντιπέραν ἀκτὴν ἴκοντο. [9] καὶ τὸ μὲν διωκόμενον ὃ τι ποτ' ἦν εὐθὺς ἀφανισθῆναι: ἴδοκεῖν γάρ μοι οὐδὲ ἄλλου του ἔνεκα ἐνταῦθα ἐφάνη, ὅτι μὴ τοῦ γενέσθαι κακῶς τοῖς τῇδε ὤκημένοις βαρβάροις τοὺς δὲ νεανίας τοῦ μὲν κυνηγεσίου ἀποτυχεῖν, μάχης δὲ ἀφορμὴν καὶ λείας εὐρέσθαι. [10] ἐς ἣθ' ἔτι γὰρ τὰ πάτρια ὅτι τάχιστα ἐπανήκοντες ἐνδηλα πᾶσι Κιμμερίοις πεποιήνται ὅτι δὴ ταῦτα βατὰ σφίσι τὰ ὕδατα εἶη. ἀνελόμενοι οὖν αὐτίκα τὰ ὅπλα πανδημεῖ τε διαβάντες ἐγένοντο μελλήσει οὐδεμιᾷ ἐν τῇ ἀντιπέραν ἠπειρῷ, Βανδίων μὲν ἤδη ἐνθὲνδε ἀναστάντων ἐπὶ τε Λιβύης ἰδρυσαμένων, ἐν Ἰσπανίᾳ δὲ Οὐισιγόθων οἰκησαμένων. [11] Γότθοις οὖν τοῖς ἐς τὰ τῇδε ὤκημένοις πεδία ἐξαπιναιῶς ἐπιτεσόντες πολλοὺς μὲν ἔκτειναν,

τοὺς δὲ λοιποὺς ἐτρέψαντο ἅπαντας. [12] ὅσοι τε αὐτοὺς διαφυγεῖν ἴσχυσαν, ξὺν παισὶ τε καὶ γυναῖξιν ἐνθένδε ἀναστάντες ἀπέλιπον μὲν τὰ πάτρια ἤθη, διαπορθμευσάμενοι δὲ ποταμὸν Ἰστρον ἐν γῇ τῇ Ῥωμαίων ἐγένοντο. [13] Καὶ πολλὰ μὲν τοὺς ταύτῃ ὤκημένους δεινὰ ἔδρασαν, μετὰ δὲ δόντος βασιλέως ὤκῃσαντο ἐς τὰ ἐπὶ Θράκης χωρία, καὶ τὰ μὲν ξυνεμάχουν Ῥωμαίοις, τάς τε συντάξεις ὥσπερ οἱ ἄλλοι στρατιῶται πρὸς βασιλέως κομιζόμενοι ἀνὰ πᾶν ἔτος καὶ φοιδεῖσθαι ἐπικληθέντες· οὕτω γὰρ αὐτοὺς τότε Λατίνων φωνῇ ἐκάλεσαν Ῥωμαῖοι, ἐκεῖνο, οἶμαι, παραδηλοῦντες, ὅτι δὴ οὐχ ἡσσημένοι αὐτῶν τῷ πολέμῳ Γότθοι, ἀλλ' ἐπὶ ξυνθήκαις τισὶν ἔνσπονδοι· [14] ἐγένοντο σφίσι· φοῖδερα γὰρ Λατῖνοι τὰς ἐν πολέμῳ καλοῦσι ξυνθήκας, ἥπερ μοι ἐν τοῖς ἔμπροσθεν δεδήλωται λόγοις· τὰ δὲ καὶ πόλεμον πρὸς αὐτοὺς διέφερον οὐδενὶ λόγῳ, ἕως ὅχοντο ἀπίοντες ἐς Ἰταλίαν, Θεουδερίχου ἡγουμένου σφίσι. τὰ μὲν οὖν τῶν Γότθων τῇδε κεχώρηκεν. [15] Οὕννοι δὲ αὐτῶν τοὺς μὲν κτείναντες, τοὺς δέ, ὥσπερ ἐρρήθη, ἐξαναστήσαντες τὴν χώραν ἔσχον. καὶ αὐτῶν Κουτρίγουροι μὲν παιδὰς τε καὶ γυναῖκας μεταπεμψάμενοι ἐνταῦθα ἰδρύσαντο, [16] οὗ δὴ καὶ ἐς ἐμὲ ὄκνηται. καὶ δῶρα μὲν πολλὰ πρὸς βασιλέως ἀνὰ πᾶν ἔτος κομίζονται, καὶ ὥς δὲ διαβαίνοντες ποταμὸν Ἰστρον καταθέουσιν ἐσαεὶ τὴν βασιλέως χώραν, [17] ἔνσπονδοὶ τε καὶ πολέμιοι Ῥωμαίοις ὄντες. Οὐτίγουροι δὲ ξὺν τῷ ἡγουμένῳ ἐπ' οἴκου ἀπεκομίζοντο, μόνοι τὸ λοιπὸν ἐνταῦθα καθιζήσόμενοι. [18] οἵπερ ἐπειδὴ Λίμνης τῆς Μαιώτιδος ἀγχοῦ ἐγένοντο, Γότθοις ἐνταῦθα τοῖς Τετραζίταις καλουμένοις ἐνέτυχον. [19] καὶ τὰ μὲν πρῶτα φραζάμενοι ταῖς ἀσπίσιν οἱ Γότθοι ἀντικρὺ τοῖς ἐπιούσιν ὡς ἀμυνόμενοι ἔστησαν, σθένει τε τῷ σφετέρῳ καὶ χωρίου ἰσχυΐ θαρσοῦντες· αὐτοὶ γὰρ ἀλκιμώτατοι ἀπάντων εἰσὶ τῶν τῇδε βαρβάρων. [20] καὶ ἡ πρώτη τῆς Μαιώτιδος ἐκροή, οὗ δὴ τότε οἱ Τετραζίται Γότθοι ἴδρυντο, ἐν κόλπῳ ξυνιοῦσα μνηοειδεῖ, περιβαλοῦσά τε αὐτοὺς ἐκ τοῦ ἐπὶ πλεῖστον, μίαν ἐπ' αὐτοὺς εἰσοδὸν οὐ λίαν εὐρεῖαν τοῖς ἐπιούσι παρείχετο. [21] ὕστερον δὲ οὔτε γὰρ Οὕννοι χρόνον τινὰ τριβεσθαι σφίσιν ἐνταῦθα ἤθελον, οἱ τε Γότθοι τῷ τῶν πολεμίων ὁμίλῳ ἐπὶ πολὺ ἀνθέξιν οὐδαμῇ ἡλπιζόν' ἐς λόγους ἀλλήλοις ξυνίασιν, ἐφ' ᾧ ἀναμιχθέντες κοινῇ ποιήσονται τὴν διάβασιν, καὶ οἱ Γότθοι ἰδρύσονται μὲν ἐν τῇ ἀντιπέρασ ἡλείρῳ παρ' αὐτὴν τῆς ἐκβολῆς μάλιστα τὴν ἀκτὴν, ἵνα δὴ καὶ τανῦν ἴδρυνται, φίλοι δὲ καὶ ξύμμαχοι τὸ λοιπὸν Οὐτιγούροις ὄντες ἐπὶ τῇ ἴσῃ καὶ ὁμοίᾳ σφίσιν ἐνταῦθα βιώσονται τὸν πάντα αἰῶνα. [22] οὕτω μὲν οὖν οἶδε οἱ Γότθοι τῇδε ἰδρύσαντο καὶ τῶν Κουτριγούρων, ὥσπερ μοι εἴρηται, ἀπολελειμμένων ἐν γῇ τῇ ἐπὶ θάτερα τῆς Λίμνης οὔσῃ μόνοι Οὐτίγουροι τὴν χώραν ἔσχον, πράγματα Ῥωμαίοις ὡς ἥκιστα παρεχόμενοι, ἐπεὶ οὐδὲ αὐτῶν ἄγχιστα ὄκνηται, ἀλλ' ἔθνεσι πολλοῖς διειργόμενοι μετὰξὺ οὓσιν ἀκουσίῳ ἀπραγμοσύνη ἐς αὐτοὺς ἔχονται. [23] Ὑπερβάντι δὲ Λίμνην τε τὴν Μαιώτιδα καὶ ποταμὸν Τάναϊν ἐπὶ πλεῖστον μὲν τῶν τῇδε πεδίων Κουτρίγουροι Οὕννοι, ἥπερ μοι ἐρρήθη, ὤκῃσαντο· μετὰ δὲ αὐτοὺς Σκύθαι τε καὶ Ταῦροι ξύμπασαν ἔχουσι τὴν ταύτῃ χώραν, ἥσπερ μοιρά τις Ταυρικὴ καὶ νῦν ἐπικαλεῖται, ἵνα δὴ καὶ τῆς Ἀρτέμιδος τὸν νεῶν γεγονέναι φασίν, οὐπὲρ ποτε ἡ τοῦ Ἀγαμέμνονος Ἰφιγένεια προὔστη. [24] καίτοι Ἀρμένιοι ἐν τῇ παρ' αὐτοῖς Κελεσηνῇ καλουμένῃ χώρᾳ τὸν νεῶν τοῦτον γεγονέναι φασὶ

Σκύθας τε τηνικάδε ξύμπαντας καλεῖσθαι τοὺς ἐνταῦθα ἀνθρώπους, τεκμηριούμενοι τοῖς ἀμφὶ τε Ὀρέστη καὶ πόλει Κομάνη δεδιηγημένοις μοι ἐς ἐκεῖνο τοῦ λόγου. [25] ἀλλὰ περὶ μὲν τούτων λεγέτω ἕκαστος ὡς πη αὐτῷ βουλομένῳ ἐστί· πολλὰ γὰρ τῶν ἐτέρωθι γεγενημένων, ἴσως δὲ καὶ οὐδαμῇ ξυμπεπτωκότων, ἄνθρωποι προσποιεῖσθαι φιλοῦσιν ὡς πάτρια ἦθη, ἀγανακτοῦντες, ἢν μὴ τῇ δοκῇσιν τῇ αὐτῶν ἅπαντες ἔπωνται. [26] Μετὰ δὲ τὰ ἔθνη ταῦτα πόλις θαλασσία οἰκεῖται, Βόσπορος ὄνομα, Ῥωμαίων κατήκοος γενομένη οὐ πολλῷ πρότερον. [27] ἐκ δὲ Βοσπόρου πόλεως ἐς πόλιν Χερσῶνα ἰόντι, ἡ κεῖται μὲν ἐν τῇ παραλίᾳ, Ῥωμαίων δὲ καὶ αὐτὴ κατήκοος ἐκ παλαιοῦ ἐστί, βάρβαροι, Οὐννικὰ ἔθνη, τὰ μεταξὺ ἅπαντα ἔχουσι. [28] καὶ ἄλλα δὲ πολίσματα δύο ἀγχοῦ Χερσῶνος, Κῆποι τε καὶ Φανάγουρις καλούμενα, Ῥωμαίων κατήκοα ἐκ παλαιοῦ τε καὶ ἐς ἐμὲ ἦν. ἅπερ οὐ πολλῷ ἔμπροσθεν βαρβάρων τῶν πλησιοχώρων ἐλόντες τινὲς ἐς ἔδαφος καθεῖλον. [29] ἐκ δὲ Χερσῶνος πόλεως ἐς τὰς ἐκβολὰς ποταμοῦ Ἰστρου, ὃν καὶ Δανούβιον καλοῦσιν, ὁδὸς μὲν ἐστὶν ἡμερῶν δέκα, βάρβαροι δὲ τὰ ἐκεῖνη ξύμπαντα ἔχουσιν. [30] Ἰστρος δὲ ποταμὸς ἐξ ὁρέων μὲν τῶν Κελτικῶν ρεῖ, περιῶν δὲ τὰς Ἰταλίας ἐσχατίας, φερόμενός τε ἐπὶ τὰ Δακῶν καὶ Ἰλλυριῶν καὶ τὰ ἐπὶ Θράκης χωρία, ἐκβάλλει ἐς τὸν Εὐξείνιον Πόντον. τὰ δὲ ἐνθένδε ἅπαντα μέχρι ἐς Βυζάντιον τοῦ Ῥωμαίων βασιλέως τυγχάνει ὄντα. [31] Ἡ μὲν οὖν τοῦ Εὐξείνου Πόντου περίοδος ἐκ Καλχηδόνας μέχρι ἐς Βυζάντιον ταύτη πη ἔχει. [32] ἐς ὅσον δὲ ἡ περίοδος ἦδε διήκει, ἅπαντα μὲν ἐς τὸ ἀκριβὲς οὐκ ἔχω εἰπεῖν, βαρβάρων, ὥσπερ μοι ἐρρήθη, ῥημένων ἐνταῦθα τοσοῦτων τὸ πλῆθος, ἐπιμυξίας τε Ῥωμαίοις παρ' αὐτῶν τινάς, ὅτι μὴ ὅσα κατὰ πρεσβείαν, ἴσως οὐδεμιᾶς οὔσης· ἐπεὶ οὐδὲ τοῖς πρότερον ταῦτα ἐγκεχειρηκόσι διαμετρήσασθαι ἐς τὸ ἀκριβὲς τι ξυμβαίνει εἰρησθαι. [33] ἐκεῖνο μέντοι διαφανὲς ἐστίν, ὡς Πόντου τοῦ Εὐξείνου τὰ ἐν δεξιᾷ, εἴη δ' ἂν ἐκ Καλχηδόνας ἐς ποταμὸν Φᾶσιν, δυοῖν καὶ πεντήκοντα ὁδὸς ἡμερῶν ἐστὶν εὐζώνῳ ἀνδρὶ· ὃ δὴ οὐκ ἀπὸ τρόπου τεκμηριούμενος φαίη ἂν τις καὶ τὴν ἐτέραν τοῦ Πόντου μοῖραν μέτρου τοῦδε εἶναι οὐ πολλῷ ἄποθεν.

Ἐπεὶ δὲ ἀφικόμεθα ἐνταῦθα τοῦ λόγου, ἀναγράψασθαι οὐ μοι ἀπὸ καιροῦ ἔδοξεν εἶναι ὅσα δὴ ἀμφὶ τοῖς ὁρίοις τῆς τε Ἀσίας καὶ τῆς Εὐρώπης διαμάχονται πρὸς ἀλλήλους οἱ ταῦτα δεινοί. [2] λέγουσι μὲν γὰρ τινες αὐτῶν τὰ ἡπείρω ταῦτα διορίζειν ποταμὸν Τάναϊν, ἀπισχυρίζομενοι μὲν χρῆναι τὰς τομὰς φυσικὰς εἶναι, τεκμηριούμενοι δὲ ὡς ἡ μὲν θάλασσα προϊοῦσα ἐκ τῶν ἐσπερίων ἐπὶ τὴν ἑῴαν φέρεται μοῖραν, ποταμὸς δὲ Τάναις ἐκ τῶν ἀρκτῶν φερόμενος ἐς ἄνεμον νότον μεταξὺ ταῖν ἡπείρων χωρεῖ· ἔμπαλιν δὲ τὸν Αἰγύπτιον Νεῖλον ἐκ μεσημβρίας ἰόντα πρὸς βορρᾶν ἄνεμον Ἀσίας τε καὶ Λιβύης μεταξὺ φέρεσθαι. [3] ἄλλοι δὲ ἀπ' ἐναντίας αὐτοῖς ἰόντες οὐχ ὑγιᾶ τὸν λόγον ἰσχυρίζονται εἶναι. λέγουσι γὰρ ὡς τὰ μὲν ἡπείρω ταῦτα τὸ ἐξ ἀρχῆς ὃ τε ἐν Γαδεΐροις διορίζει πορθμὸς ἀπ' Ὠκεανοῦ ἐξίων καὶ ἡ προϊοῦσα ἐνθένδε θάλασσα, καὶ τὰ μὲν τοῦ πορθμοῦ καὶ τῆς θαλάσσης ἐν δεξιᾷ Λιβύη τε καὶ Ἀσία ὠνόμασται, τὰ δὲ ἐν ἀριστερᾷ πάντα Εὐρώπη ἐκλήθη μέχρι που ἐς λήγοντα τὸν Εὐξείνιον καλούμενον Πόντον. [4] Τούτων δὲ δὴ τοιούτων ὄντων ὁ μὲν Τάναϊς ποταμὸς ἐν γῇ τῆς Εὐρώπης τικτόμενος ἐκβάλλει ἐς Λίμνην τὴν

Μαιώτιδα, ἡ δὲ Λίμνη ἐς τὸν Εὐξείνιον Πόντον τὰς ἐκβολὰς ποιεῖται οὕτε λήγοντα οὐτε μὴν κατὰ μέσον, ἀλλ' ἐπὶ πρόσω. [5] τὰ δὲ εὐώνυμα τούτου δὴ τοῦ Πόντου τῇ τῆς Ἀσίας λογίζεται μοῖρα. χωρὶς δὲ τούτων ποταμὸς Τάναϊς ἐξ ὁρέων τῶν Ῥιπαίων καλουμένων ἔξεισιν, ἅπερ ἐν γῇ τῇ Εὐρώπῃ ἐστίν, ὥσπερ καὶ αὐτοὶ οἱ ταῦτα ἐκ παλαιοῦ ἀναγραφάμενοι ὁμολογοῦσι. [6] τούτων δὲ τῶν Ῥιπαίων ὁρῶν τὸν Ὁκεανὸν ὡς ἀπωτάτῳ ζυμβαίνει εἶναι. τὰ τοίνυν αὐτῶν τε καὶ Ταναΐδος ποταμοῦ ὀπισθεν ζύμπαντα Εὐρωπαϊα ἐφ' ἐκάτερα ἐπάναγκες εἶναι. [7] πόθεν οὖν ἄρα ποτὲ ἄρχεται ἡπειρον ἐκατέραν διορίζειν ὁ Τάναϊς οὐ ῥάδιον εἶναι εἰπεῖν. ἦν δὲ τινα ποταμὸν διορίζειν ἄμφω τὰ ἡπεῖρω λεκτέον, [8] οὗτος δὴ ἐκεῖνος ὁ Φᾶσις ἂν εἴη. καταντικρὺ γὰρ πορθμοῦ τοῦ ἐν Γαδεῖροις φερόμενος ταῖν ἡπεῖροιν κατὰ μέσον χωρεῖ, ἐπεὶ ὁ μὲν πορθμὸς ἐξ Ὁκεανοῦ ἐξιὼν θάλασσαν τήνδε ἀπεργαζόμενος τὰ ἡπεῖρω ταῦτα ἐφ' ἐκάτερα ἔχει, ὁ δὲ Φᾶσις κατ' αὐτόν που λήγοντα μάλιστα ἰὼν τὸν Εὐξείνιον Πόντον ἐς τοῦ μνηοειδοῦς τὰ μέσα ἐκβάλλει, τὴν τῆς γῆς ἐκτομὴν ἀπὸ τῆς θαλάσσης διαφανῶς ἐκδεχόμενος. [9] ταῦτα μὲν οὖν ἐκάτεροι προτεινόμενοι διαμάχονται. Ὡς δὲ οὐ μόνος ὁ πρότερος λόγος, ἀλλὰ καὶ οὗτος, ὄνπερ ἀρτίως ἐλέγομεν, μήκει τε χρόνου κεκόμψενται καὶ ἀνδρῶν τινῶν παλαιωτάτων δόξη, ἐγὼ δηλώσω, ἐκεῖνο εἰδὼς ὡς ἐκ τοῦ ἐπὶ πλεῖστον ἄνθρωποι ἅπαντες, ἦν τινος φθάσῃσι λόγου ἀρχαίου πεποιημένοι τὴν μάθησιν, οὐκέτι ἐθέλουσι τῇ τῆς ἀληθείας ζητήσῃ ἐμφιλοχωροῦντες ταλαιπωρεῖν, οὐδὲ νεωτέραν τινὰ μεταμαθεῖν ἀμφ' αὐτῷ δόξαν, ἀλλὰ ἀεὶ αὐτοῖς τὸ μὲν παλαιότερον ὑγιές τε δοκεῖ καὶ ἐντιμον εἶναι, τὸ δὲ κατ' αὐτοὺς εὐκαταφρόνητον νομίζεται εἶναι καὶ ἐπὶ τὸ γελοῖον χωρεῖ. [10] πρὸς δὲ τούτοις τανῦν οὐ περὶ νοερῶν ἢ νοητῶν τινὸς ἢ ἀφανῶν ἄλλως γίνεταί τις ζητήσις, ἀλλὰ περὶ ποταμοῦ τε καὶ χώρας: ἅπερ ὁ χρόνος οὐτε ἀμείβειν οὐτε πῇ ἀποκρῦψασθαι ἴσχυσεν. [11] ἢ τε γὰρ πείρα ἐγγὺς καὶ ἡ ὄψις ἐς μαρτυρίαν ἱκανωτάτη, οὐδὲν τε παρεμποδισθῆσθαι οἶμαι τοῖς τὸ ἀληθὲς εὐρέσθαι ἐν σπουδῇ ἔχουσιν. [12] ὁ τοίνυν Ἀλικαρνασεὺς Ἡρόδοτος ἐν τῇ τῶν ἱστοριῶν τετάρτῃ φησὶ μίαν μὲν εἶναι τὴν γῆν ζύμπασαν, νομίζεσθαι δὲ εἰς μοῖρας τε καὶ προσηγορίας τρεῖς διαιρεῖσθαι, Λιβύην τε καὶ Ἀσίαν καὶ Εὐρώπην. [13] καὶ αὐτῶν Λιβύης μὲν καὶ τῆς Ἀσίας Νεῖλον τὸν Αἰγύπτιον ποταμὸν μεταξὺ φέρεσθαι, τὴν δὲ δὴ Ἀσίαν τε καὶ Εὐρώπην διορίζειν τὸν Κόλχον Φᾶσιν. εἰδὼς δὲ τινὰς ἀμφὶ Ταναΐδι ποταμῷ ταῦτα οἶεσθαι, καὶ τοῦτο ἐν ὑστέρω ἐπέειπε. [14] καὶ μοι οὐκ ἀπὸ καιροῦ ἔδοξεν εἶναι αὐτὰ τοῦ Ἡροδότου τὰ γράμματα τῷ λόγῳ ἐνθεῖναι ὧδέ πῃ ἔχοντα: 'Οὐδὲ ἔχω συμβαλέσθαι ἀπὸ τοῦ μὴ εὐούση γῇ ὀνόματα τριφάσια κέεται, ἐπωνυμίην ἔχοντα γυναικῶν, καὶ ὀρίσματα αὐτῇ Νεῖλός τε ὁ Αἰγύπιος ποταμὸς ἐτέθη καὶ Φᾶσις ὁ Κόλχος. [15] οἱ δὲ Ταναῖν ποταμὸν τὸν Μαίτην καὶ πορθμῖα τὰ Κιμμέρια λέγουσιν.' ἀλλὰ καὶ ὁ τραγωδοποιὸς Αἰσχύλος ἐν Προμηθεῖ τῷ Λυομένῳ εὐθὺς ἀρχόμενος τῆς τραγωδίας τὸν ποταμὸν Φᾶσιν τέρμονα καλεῖ γῆς τε τῆς Ἀσίας καὶ τῆς Εὐρώπης. [16] Κάκεινο δὲ μοι ἐν τῷ παρόντι εἰρήσεται, ὡς τούτων δὴ τῶν τὰ τοιαῦτα σοφῶν οἱ μὲν τὴν Μαιωτίν οἶοντα Λίμνην ἀπεργάζεσθαι τὸν Εὐξείνιον Πόντον, καὶ αὐτοῦ τὸ μὲν ἐν ἀριστερᾷ, τὸ δὲ ἐν δεξιᾷ τῆς Λίμνης χωρεῖν, μητέρα τε διὰ τοῦτο τοῦ Πόντου καλεῖσθαι τὴν Λίμνην. [17] ταῦτά τέ φασι τεκμηριούμενοι, ὅτι δὴ

ἐκ τοῦ καλουμένου Ἰεροῦ ἢ τούτου δὴ τοῦ Πόντου ἐκροῇ ἐπὶ Βυζαντίου καθάπερ τις ποταμὸς κάτεισι, καὶ ἀπ' αὐτοῦ πέρας εἶναι τοῦτο τοῦ Πόντου οἶονται [18] οἱ δὲ τοῦ λόγου κατηγοροῦντες ἀποφαίνουσιν ὅτι δὴ μία τις ἐξ Ὠκεανοῦ ξύμπασα ἢ θάλασσα οὕσα καὶ οὐδαμῇ ἐτέρωθι ἀπολήγουσα ἐς γῆν τὴν Λαζῶν κατατείνει, πλὴν γε εἰ μὴ τις, φασί, τὸ ἐν τοῖς ὀνόμασι διάλλασσον ἐτερότητα εἶπῃ, ὅτι δὴ τὸ ἐνθένδε ἢ θάλασσα Πόντος ὠνόμασται. [19] Εἰ δὲ τὰ ρεύματα ἐκ τοῦ Ἰεροῦ καλουμένου κάτεισιν ἐς Βυζάντιον, οὐδὲν τοῦτο πρᾶγμα. τὰ γὰρ ἐν πορθμοῖς ἅπασι ξυμπίπτοντα πάθῃ οὐδενὶ λόγῳ φαίνεται εἶκοντα, οὐδέ τις αὐτὰ φράσαι πώποτε ἱκανὸς γέγονεν. [20] ἀλλὰ καὶ ὁ Σταγειρίτης Ἀριστοτέλης, σοφὸς ἀνὴρ ἐν τοῖς μάλιστα, ἐν Χαλκίδι τῇ τῆς Εὐβοίας τούτου δὴ ἔνεκα γεγωνώς, κατανοῶν τε τὸν ταύτῃ πορθμόν, ὄνπερ Εὐριπον ὀνομάζουσι, καὶ λόγον τὸν φυσικὸν ἐς τὸ ἀκριβὲς διερευνᾶσθαι βουλόμενος, ὅπως δὴ καὶ ὄντινα τρόπον ἐνίστε μὲν τὰ τοῦ πορθμοῦ τούτου ρεύματα ἐκ δυσμῶν φέρεται, ἐνίστε δὲ ἐξ ἡλίου ἀνατολῶν, καὶ κατὰ ταῦτα πλεῖν τὰ πλοῖα ξύμπαντα ἐνταῦθα ξυμβαίνει. ἦν δέ ποτε τοῦ ροῦ ἐξ ἀνίσχοντος ἡλίου ἰόντος, ἀρξαμένων τε τῶν ναυτῶν ἐνθένδε ξὺν τῇ τοῦ ροθίου ἐπιρροῇ ναυτίλλεσθαι, ἥπερ εἰώθει, ἀπ' ἐναντίας αὐτοῦ τὸ ρεῦμα ἦν, ὅπερ πολλάκις ἐνταῦθα φιλεῖ γίνεσθαι, ἀναστρέφει μὲν τὰ πλοῖα ταῦτα εὐθὺς ἐνθεν ὥρμηται, τὰ δὲ ἄλλα ἐκ δυσμῶν ἐπὶ θάτερα πλεῖ, καίπερ αὐτοῖς τῶν ἀνέμων τινὸς ὡς ἥκιστα ἐπιπνεύσαντος, ἀλλὰ γαλήνης τε βαθείας τινὸς καὶ νηνεμίας ἐνταῦθα οὔσης, ταῦτα ὁ Σταγειρίτης ἐννοῶν τε καὶ ἀνακυκλῶν ἐπὶ χρόνου μῆκος, δυσθανατῶν ἐπὶ ξυννοίᾳ ἀφίκετο ἐς τὸ μέτρον τοῦ βίου. [21] οὐ μὴν ἀλλὰ καὶ τῇ τὴν Ἰταλίαν τε καὶ Σικελίαν διείργοντι πορθμῷ πολλὰ τῷ παραλόγῳ γίνεσθαι πέφυκε. δοκεῖ γὰρ ἐκ τοῦ Ἀδριατικοῦ καλουμένου πελάγους τὸ ρεῦμα ἐκεῖσε ἰέναι. [22] καίτοι ἐξ Ὠκεανοῦ καὶ Γαδεῖρων ἢ τῆς θαλάσσης πρόοδος γίνεται. ἀλλὰ καὶ ὕλιγγοι ἐξαπιναιῶς ἐνταῦθα συχνοὶ ἀπ' οὐδεμιᾶς ἡμῖν φαινομένης αἰτίας τὰς ναῦς διαχρῶνται. [23] καὶ διὰ τοῦτο οἱ ποιηταὶ λέγουσι πρὸς τῆς Χαρύβδews ῥοφεῖσθαι τὰ πλοῖα, ὅσα ἂν τύχῃ τηνικάδε ὄντα ἐν τῷ πορθμῷ τούτῳ. [24] οὗτοι δὲ ταῦτα δὴ ἅπαντα οἶονται τὰ πλείστῳ παραλόγῳ ἐν πᾶσι ξυμβαίνοντα τοῖς πορθμοῖς, ἐκ τῆς ἄγχιστα οὔσης ἐκατέρωθεν ἡπείρου ξυμβαίνειν: βιαζόμενον γὰρ φασὶ τῇ στενοχωρίᾳ τὸ ρόθιον ἐς ἀτόπους τινὰς καὶ λόγον οὐκ ἐχούσας ἀνάγκας χωρεῖν. [25] Ὡστε εἰ καὶ ὁ ροῦς ἐκ τοῦ Ἰεροῦ καλουμένου ἐς Βυζάντιον δοκεῖ φέρεσθαι, οὐκ ἂν τις τὴν τε θάλασσαν καὶ τὸν Εὐξείνιον Πόντον ἀπολήγειν ἰσχυρίσαιο ἐνταῦθα εἰκότως. [26] οὐ γὰρ ἐπὶ στερρᾷς τινὸς ὁ λόγος ὁδε φύσεως ἔστηκεν, ἀλλ' ἢ στενοχωρία κἀνταῦθα νικάτω. οὐ μὴν οὐδὲ παντάπασιν τὸ τοιοῦτον ταύτῃ πῃ ἔχει. [27] λέγουσι γὰρ οἱ ἀσπαλιεῖς τῶν τῇδε χωρίων ὡς οὐχ ὅλος δὴ εὐθὺς τοῦ Βυζαντίου ὁ ροῦς κάτεισιν, ἀλλ' αὐτοῦ τὰ μὲν ἄνω, ἅπερ ἡμῖν διαφανὴ ἐστί, κατὰ ταῦτα ἰέναι ξυμβαίνει, τὰ μέντοι ἔνερθεν, ἵνα δὴ ἄβυσσός ἐστί τε καὶ ὠνόμασται, τὴν ἐναντίαν τοῖς ἄνω διαρρήδην χωρεῖν, ἔμπαλιν τε τοῦ φαινομένου ἐσαεὶ φέρεσθαι. [28] ταῦτά τοι, ἐπειδὴν ἄγραν μετιόντες ἰχθύων τὰ λῖνα ἐνταῦθά πῃ ἀπορρίψωσι, ταῦτα δὲ αἰεὶ τῷ ρεύματι βιαζόμενα τὴν ἐπὶ τὸ Ἰερὸν φέρεσθαι. [29] Ἐν δὲ Λαζικῇ πανταχόθεν ἢ γῇ τῆς θαλάσσης ἀποκρουομένη τὴν πρόοδον καὶ ἀναχαιτίζουσα τὸν αὐτῆς δρόμον, πρῶτόν τε

καὶ μόνον ἀπολήγειν αὐτὴν ἐνταῦθα ποιεῖ, τοῦ δημιουργοῦ δηλονότι τὰ ὅρια σφίσι τῇδε θεμένον. [30] ἀπτομένη γὰρ ἡ θάλασσα τῆς ταύτης ἡϊόνος οὔτε πρόσω χωρεῖ οὔτε πη ἐς ὕψος ἐπαίρεται μεῖζον, καίπερ πανταχόθεν αἰεὶ περιρρομένη ποταμῶν ἐκβολαῖς ἀναρίθμων τε καὶ ὑπερφυῶν ἄγαν, ἀλλ' ἀναποδίζουσα ὀπίσω ἐπάνεισιν αὐθις καὶ μέτρον διαριθμουμένη τὸ ταύτης ἴδιον, διασώζει τὸν ἐξ αὐτῆς ὅρον, ὥσπερ τινὰ δειμαίνουσα νόμον, ἀνάγκη τε τῇ ἀπ' αὐτοῦ ἐς τὸ ἀκριβὲς σφιγγομένη μὴ τι τῶν ξυγκειμένων ἐκβᾶσα φανεῖη. [31] τὰς γὰρ ἄλλας ἀπάσας τῆς θαλάσσης ἀκτὰς οὐκ ἀπ' ἐναντίας αὐτῇ, ἀλλ' ἐκ πλαγίου ξυμβαίνειν κεῖσθαι. ἀλλὰ περὶ μὲν τούτων γινωσκέτω τε καὶ λεγέτω ἕκαστος ὅπῃ αὐτῷ δ φίλον.

Ὅτου δὲ ὁ Χοσρόης ἔνεκα Λαζικῆς μεταποιεῖσθαι διὰ σπουδῆς εἶχεν ἤδη μὲν πρόσθεν μοι ἐρρήθη: ὁ δὲ δὴ αὐτόν τε καὶ Πέρσας μάλιστα πάντων ἐς τοῦτο ἤνεγκεν, ἐνταῦθα δηλώσω, ὅτι δὴ καὶ χώραν τήνδε περιηγησάμενος ξύμπασαν σαφῇ τὸν περὶ τούτου πεποίηκα λόγον. [2] πολλάκις οἱ βάρβαροι οὗτοι, Χοσρόου σφίσιν ἡγουμένου, στρατῷ μεγάλῳ ἐμβαλόντες ἐς Ῥωμαίων τὴν γῆν οὐκ εὐδιήγητα μὲν τοῖς πολεμίοις ἐπήνεγκαν πάθη, ἅπερ μοι ἐν τοῖς ὑπὲρ αὐτῶν λόγοις ἐρρήθη, αὐτοῖς δὲ ὄφελος οὐδ' ὅτιοῦν ἀπενεγκαμένοις ἐνθένδε τοῖς τε χρήμασι καὶ τοῖς σώμασι προσκεκακῶσθαι ξυνέπεσε: πολλοὺς γὰρ ἀποβεβληκότες αἰεὶ ἀπηλλάσσοντο ἐκ Ῥωμαίων τῆς γῆς. [3] διὸ δὴ ἐς ἥθη ἐπανιόντες τὰ πάτρια Χοσρόῃ ὡς λαθραιότατα ἐλοιδοροῦντο καὶ διαφθορέα τοῦ Περσῶν γένους αὐτὸν ἀπεκάλουν. [4] καὶ ποτε καὶ ἐκ Λαζικῆς ἐπανήκοντες, ἐπειδὴ ἐνταῦθα πάθεσιν ἔτυχον ὠμилηκότες ἀνηκέστοις τισί, ξυστήσεσθαι τε ἐκ τοῦ ἐμφανοῦς ἐπ' αὐτὸν ἔμελλον καὶ διαχρήσεσθαι θανάτῳ οἰκτίστῳ, εἰ μὴ προμαθὼν ἐφυλάξατο, θωπεῖα πολλῇ τοὺς ἐν σφίσι λογιμωτάτους περιελθὼν. [5] καὶ ἀπ' αὐτοῦ ἀπολογεῖσθαι τὴν κατηγορίαν ἐθέλων μέγα τι ὄφελος Περσῶν τῇ ἀρχῇ ἐκπορίζεσθαι διὰ σπουδῆς εἶχε. Πόλει γοῦν Δάρας αὐτίκα ἐγκεχειρηκῶς ἀπεκρούσθη ἐνθένδε, ὥσπερ μοι εἴρηται, ἐς ἀπὸγνωσίν τε τῆς τοῦ χωρίου ἐπικρατήσεως παντάπασιν ἦλθεν. [6] οὐδὲ γὰρ αὐτὸ ἐξ ἐπιδρομῆς ἐξαίρῃσιν τὸ λοιπὸν εἶχεν, οὕτω φυλασσομένων τῶν ἐκείνῃ φρουρῶν, οὐ μὴν οὐδὲ πολιορκῶν μηχανῇ τινὶ περιέσεσθαι αὐτῶν ἤλπιζε. [7] τὰ τε γὰρ ἄλλα τῶν ἐπιτηδείων ἐσαι ἐν πόλει Δάρας διαρκῶς ἐστὶν ἐξεπίτηδες ἀποκείμενα, ὅπως δὴ ἐς μέγα τι χρόνου διαρκέσειε μῆκος, καὶ πηγὴ ἄγχιστά πη φυομένη ἐν χώρῳ κρημνῶδει ποταμὸν ἀπεργάζεται μέγαν ὥσπερ τῆς πόλεως εὐθὺ φέρεται, οὐ δυναμένων τῶν ἐπιβουλεύειν ἐφιεμένων ἐτέρωσέ πη αὐτὸν ἀποτρέπειν ἢ τρόπῳ τῷ ἄλλῳ διὰ τὴν δυσχωρίαν βιάζεσθαι. [8] ἐπειδὴ δὲ τοῦ περιβόλου ἐντὸς γένηται, τὴν τε πόλιν περιῶν ξύμπασαν καὶ τὰς ταύτης δεξαμενὰς ἐμπλησάμενος εἴτα ἔξεισιν, ὡς ἀγχοτάτω τε τοῦ περιβόλου ἐς χάος ἐμπεσὼν ἀφανίζεται. καὶ ὅπῃ [9] ποτὲ τὸ ἐνθένδε ἐκδίδωσιν οὐδενὶ γέγονε φανερόν ἐς τόδε τοῦ χρόνου. τοῦτο δὲ τὸ χάος οὐκ ἐπὶ παλαιοῦ γεγονὸς ἔτυχεν, ἀλλὰ χρόνῳ πολλῷ ὕστερον ἢ τὴν πόλιν Ἀναστάσιος βασιλεὺς ἐδείματο ταύτην ἢ φύσις αὐτὸ τοῦ χωρίου ἀπαντοματίσασα ἔθετο, καὶ διὰ τοῦτο ξυμβαίνει τοῖς προσεδρεύειν ἐθέλουσιν ἀμφὶ πόλιν Δάρας πιάζεσθαι ὕδατος ἀπορίᾳ πολλῇ. [10] Ταύτης οὖν, ὥσπερ μοι εἴρηται, ἀποτυχὼν ὁ Χοσρόης τῆς πείρας ἐς ἐννοίαν ἦλθεν ὥς, ἣν καὶ πόλιν οἱ

Ῥωμαίων ἐτέραν τινὰ παραστήσασθαι δυνατὰ εἶη, ἀλλὰ καθίζεσθαι οὐ μή ποτε οἷός τε εἶη ἐν μέσῳ Ῥωμαίων, ὀχυρωμάτων τοῖς πολεμίοις ἀπολελειμμένων ὀπίσω πολλῶν. [11] καὶ Ἀντιόχειαν γὰρ τούτου δὴ εἵνεκα ἐς ἔδαφος καθελὼν ἡνίκα ἐξεῖλεν, ἀπηλλάγη ἐκ Ῥωμαίων τῆς γῆς. διὸ δὴ μετεωρισθεὶς τὴν διάνοιαν ἐπὶ μακροτέρας ἐλπίδος ὤχεϊτο, διερευνώμενος ἀμήχανα ἔργα. [12] ἀκοῇ γὰρ ἔχων ὄντινα τρόπον ἐπ' ἀριστερᾷ Πόντου τοῦ Εὐξείνου οὗτοι δὴ βάρβαροι οἱ ἀμφὶ τὴν Μαιῶτιν ὥκηνται Λίμνην ἀδεῶς κατατρέχουσι Ῥωμαίων τὴν γῆν, οὕτω καὶ Πέρσαις Λαζικὴν ἔχουσι πόνῳ οὐδενὶ δυνατὰ ἔσεσθαι ἔλεγεν, ἡνίκα ἂν βουλομένοις ἦ, εὐθὺς Βυζαντίου ἰέναι, οὐδαμῇ διαπορθμευομένοις τὴν θάλασσαν, ὥσπερ καὶ τὰ ἄλλα βαρβαρικὰ ἔθνη ἃ ταύτῃ ἰδρυταὶ ἔσαι δρῶσι. [13] διὰ ταῦτα μὲν Λαζικῆς Πέρσαι μεταποιοῦνται. ἐγὼ δὲ ὅθεν τὴν ἐκβολὴν τοῦ λόγου ἐποίησάμην ἐπάνειμι.

Χοριάνης μὲν οὖν καὶ ὁ Μήδων στρατὸς ἐστρατοπεδεύσαντο ἀμφὶ ποταμὸν Ἰππιν. ἐπεὶ δὲ ταῦτα Γουβάζης τε, ὁ Κόλχων βασιλεὺς, ἔμαθε καὶ Δαγισθαῖος, ὅσπερ ἠγεῖτο τοῦ Ῥωμαίων στρατοῦ, ἐπείκοινα βουλευσάμενοι ἦγον ἐπὶ τοὺς πολεμίους τὸ Ῥωμαίων καὶ Λαζῶν στράτευμα. [2] γενόμενοί τε Ἰππιδος τοῦ ποταμοῦ ἐπὶ θάτερα καὶ αὐτοῦ ἐνστρατοπεδευσάμενοι τὰ παρόντα ἐν βουλῇ εἶχον, πότερα μένουσί τε αὐτοῖς καὶ δεχομένοις ἐπιόντας τοὺς πολεμίους ξυνοίσει μᾶλλον ἢ ἐπὶ τοὺς πολεμίους σφίσιν ἰτέον, ὅπως δὴ θάρσους τοῦ σφετέρου ποιησάμενοι ἐπίδειξιν Πέρσαις, ἐνδηλά τε τοῖς ἐναντίοις καταστησάμενοι ὥς καταφρονήματι ἐπ' αὐτοὺς ἴωσι, τῆς τε ξυμβολῆς αὐτῆς ἄρχοντες δουλωσάτω τῶν ἀνθισταμένων τὸ φρόνημα ἱκανοὶ εἶεν. ἐπεὶ δὲ τε ἡ γνώμη ἐνίκα τῶν ἐπὶ τοὺς πολεμίους παρακαλούντων, [3] ὥρμητο ἐπ' αὐτοὺς εὐθὺς ἅπαντες. ἐνταῦθα Λαζοὶ Ῥωμαίοις ξυντάσσεσθαι οὐκέτι ἤξιουν, προτεινόμενοι ὅτι δὴ Ῥωμαῖοι μὲν οὔτε πατρίδος οὔτε τῶν ἀναγκαιοτάτων προκινδυνεύοντες ἐς τὸν ἀγῶνα καθίστανται, αὐτοῖς δὲ ὑπὲρ τε παίδων καὶ γυναικῶν καὶ γῆς τῆς πατρώας ὁ κίνδυνός ἐστιν: ὥστε κἂν γυναῖκας τὰς σφετέρας ἐρυθριῶεν, [4] εἰ σφίσι πρὸς τῶν ἐναντίων ξυμβαίῃ κρατεῖσθαι. ταύτῃ δὲ τῇ ἀνάγκῃ τὴν οὐκ οὔσαν αὐτοῖς ἀρετὴν αὐτοσχεδιάσειν ὑπώπτευν. [5] πρῶτοί τε αὐτοὶ κατὰ μόνας ὥργων τοῖς πολεμίοις ὁμοσε ἰέναι, ὅπως αὐτοὺς μὴ ξυνταράξωσιν ἐν τῷ ἔργῳ Ῥωμαῖοι, οὐχ ὅμοια σφίσιν ἐς τὸν κίνδυνον προθυμούμενοι. [6] ταῦτα νεανιευσαμένον Λαζῶν περιχαρὴς ὁ Γουβάζης γενόμενος μικρὸν τε ἄποθεν Ῥωμαίων αὐτοὺς ξυγκαλέσας τοιάδε παρεκελεύσατο. [7] Ἐπαραινέσιν μὲν ἐς εὐψυχίαν ὁρμῶσαν οὐκ οἶδα εἴ τινα δεῖ πρὸς ὑμᾶς, ὧ ἄνδρες, ποιεῖσθαι. οἷς γὰρ ἡ τῶν πραγμάτων ἀνάγκη τὴν προθυμίαν ἀνίστησι, παρακελεύσεως ἂν οὐδεμιᾶς προσδεῖν οἶομαι, ὅπερ καὶ ἡμῖν ἔν γε τῷ παρόντι τετύχηκεν. [8] ὑπὲρ γυναικῶν γὰρ καὶ παίδων καὶ γῆς τῆς πατρώας καὶ ἀπλῶς εἰπεῖν ὑπὲρ τῶν ὅλων ὁ κίνδυνός ἐστιν, ὑπὲρ ὧν ἡμῖν ἐπίας Πέρσαι. [9] τοῖς δὲ τι ἀφαιρεῖσθαι τῶν ὑπαρχόντων βιαζομένοις οὐδεὶς τῶν πάντων παραχωρεῖ, ὑπερμάχεσθαι τῶν προσηκόντων ἀναγκαζούσης τῆς φύσεως. [10] οὐκ ἀγνοεῖτε δὲ ὡς Πέρσαις τὴν πλεονεξίαν οὐδὲν ἴστησιν, ἐν ἐξουσίᾳ γεγονόσι τοῦ δύνασθαι, οὐδὲ ἄρξουσιν μόνον ἡμῶν ἢ τάξουσιν φόρους ἢ τὰ ἄλλα κατηκόους ποιήσονται, εἴ τι μὴ ἐπιλελήσμεθα ὧν Χοσρόης ἐγκεχείρηκεν ἐφ' ἡμῖν οὐ πολλῷ πρότερον, ἣν νῦν περιέσσονται ἡμῶν

τῷ πολέμῳ. [11] ἀλλὰ μὴδὲ ἄχρι τοῦ λόγου προῖέτω μοι τὰ τῆς Περσῶν πείρας, μὴδὲ διαλιπέτω τὸ Λαζῶν ὄνομα. οὐ χαλεπὸς δέ, ὧ ἄνδρες, ἡμῖν ὁ πρὸς Μήδους ἀγὼν, πολλάκις αὐτοῖς καὶ ἐς χεῖρας ἐλθοῦσι καὶ ὑπερβαλλομένοις τῇ μάχῃ. [12] τῷ γὰρ ξυνειθισμένῳ τὸ δύσκολον οὐδαμῇ πάρεστι, προδαπανηθείσης τῆς τοῦ ἔργου ταλαιπωρίας μελέτη καὶ πείρα. ὥστε διὰ τοῦτο καὶ καταφρονεῖν τῶν πολεμίων ἅτε νενικημένων ἐν ξυμβολαῖς καὶ οὐχ ὁμοίως θρασυνομένων ἡμᾶς δεήσει. [13] φρόνημα γὰρ δουλωθὲν ἅπαξ παλινδρομεῖν ἥκιστα εἴωθε. ταῦτα τοίνυν ἐκλογιζόμενοι μετὰ τῆς ἀγαθῆς ἐλπίδος τοῖς ἐναντίοις ὁμόσε χωρεῖτε.’ [14] Τοσαῦτα Γουβάξης εἰπὼν ἐξῆγε τὸ Λαζῶν στράτευμα, καὶ ἐτάξαντο ὧδε. πρῶτοι μὲν οἱ Λαζῶν ἵππεις τεταγμένοι ἀπ’ ἐναντίας ἦσαν, ὀπισθεν δὲ οὐκ ἄγχιστα πη, ἀλλ’ ὡς ἀπωτάτω, [15] ἡ Ῥωμαίων ἵππος αὐτοῖς εἴπετο. τούτων δὲ δὴ τῶν Ῥωμαίων ἡγούντο Φιλήγαγός τε, Γήπαις γένος, δραστήριος ἀνὴρ, καὶ Ἰωάννης Ἀρμένιος, διαφερόντως ἀγαθὸς τὰ πολέμια, Θωμᾶ υἱός, ὄνπερ ἐπὶ κλησιν ἐκάλουν Γούζην, οὗ δὴ κὰν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην. [16] ἐν ὑστέρῳ δὲ Γουβάξης τε ὁ Λαζῶν βασιλεὺς καὶ Δαγισθαῖος ὁ Ῥωμαίων στρατηγὸς ξὺν τοῖς ἀμφοτέρων πεζοῖς εἶποντο, λογισάμενοι ὥς, εἰ τοῖς ἵππευσι τραπήναι ξυμβαίη, ἐς αὐτοὺς ῥᾶστα σωθήσονται. [17] Ῥωμαῖοι μὲν οὖν καὶ Λαζοὶ τῷ τρόπῳ τούτῳ ἐτάξαντο, Χοριάνης δὲ ἄνδρας μὲν χιλίους τῶν οἱ ἐπομένων ἀπολεξάμενος τεθωρακισμένους τε καὶ τὰ ἄλλα ἐξωπλισμένους ὡς ἄριστα, πρόσω ἐπὶ κατασκοπῇ ἔπεμψεν, αὐτὸς δὲ παντὶ τῷ ἄλλῳ στρατῷ ὀπισθεν ἦει, φυλακτῆριον ὀλίγων τινῶν ἐν τῷ στρατοπέδῳ ἀπολιπών. [18] προτερήσασα δὲ ἡ Λαζῶν ἵππος ἀτιμάζει τὰς ἐπαγγελίας οἷς ἔδρασεν, ἐπὶ τῶν ἔργων διαβαλοῦσα τὰς πρόσθεν ἐλπίδας. [19] τοῖς γὰρ τῶν πολεμίων προδρόμοις ἐντετυχηκότες ἐξαπινάϊως οὐκ ἐνεγκόντες τε τὴν αὐτῶν ὄψιν, τρέψαντες αὐτίκα τοὺς ἵππους, κόσμῳ οὐδενὶ ὀπίσω ἀνέστρεφον, τοῖς τε Ῥωμαίοις ἐπείγόμενοι ἀνεμίγνυντο, ἐς αὐτοὺς οὐκ ἀπαξιοῦντες καταφυγεῖν οἷς δὴ ξυντάσσεσθαι τὰ πρότερα ὥκνουν. [20] ἐπειδὴ δὲ ἀμφοτέροι ἀλλήλων. ἄγχιστα ἴκοντο, χειρῶν μὲν τὰ πρότερα οὐδέτεροι ἦρχον οὐδὲ ξυνέμισγον, ἀλλὰ τῶν ἐναντίων ἐκάτεροι ἐπιόντων μὲν ἀνεπόδιζον, ὑποχωρούντων δὲ ἐπεβάτευν, ἔς τε ὑπαγωγὰς καὶ παλινδιώξεις καὶ ἀγχιστρόφους μεταβολὰς πολὺν τινα κατέτριψαν χρόνον. [21] Ἦν δέ τις Ἀρταβάνης ὄνομα ἐν τούτῳ τῷ Ῥωμαίων στρατῷ, Περσαρμένιος γένος, ὅσπερ ἐς Ἀρμένιους τοὺς Ῥωμαίων κατηκόους πολλῷ πρότερον ἀπηντομοληκὼς ἔτυχεν, οὐχ ἀπλῶς, ἀλλὰ φόνῳ Περσῶν εἴκοσι καὶ ἑκατὸν ἀνδρῶν μαχίμων Ῥωμαίοις τὴν ἐς αὐτοὺς πίστιν πεποιημένος ἐχέγγυν. [22] Βαλεριανῷ γὰρ τότε στρατηγοῦντι ἐν Ἀρμενίοις ἐς ὄψιν ἐλθὼν ἄνδρας πεντήκοντα Ῥωμαίους οἱ αὐτῷ διδόναι ἐδεῖτο: τυχόν τε ὧνπερ ἐβούλετο, ἐς φρουρίον ἐν Περσαρμένιοις κείμενον ἦει. [23] οὗ δὴ ἑκατὸν τε καὶ εἴκοσι Περσῶν φυλακτῆριον ὑπὸ τῷ φρουρίῳ αὐτὸν ξὺν τοῖς ἐπομένοις ἐδέξαντο, οὕπῳ ἐνδηλον ὄντα ὅτι δὴ μεταπορευθεὶς τὴν πολιτείαν νεωτερίζει. [24] ὁ δὲ τοὺς τε εἴκοσι καὶ ἑκατὸν κτείνας καὶ ζύμπαντα ληισάμενος τὰ ἐν τῷ φρουρίῳ χρήματα, μεγάλα ὑπερφυῶς ὄντα, παρὰ Βαλεριανὸν καὶ τὸ Ῥωμαίων στράτευμα ἤλθε, πιστός τε σφίσιν ἀπ’ αὐτοῦ φανεῖς Ῥωμαίοις τὸ λοιπὸν ξυνεστράτευν. [25] οὗτος Ἀρταβάνης ἐν ταύτῃ τῇ

μάχη δύο ξὺν αὐτῷ τῶν Ῥωμαίων στρατιωτῶν ἐπαγόμενος ἐν μεταίχμιῳ ἐγένετο, οὗ δὴ ἀφίκοντο καὶ τῶν πολεμίων τινές. [26] ἐφ' οὓς Ἀρταβάνης ὀρμήσας, τῶν Περσῶν ἕνα, ψυχῆς τε ἀρετῇ καὶ σώματος ἀλκῇ ἐπεικῶς μέγαν, τῷ δόρατι εὐθὺς ἔκτεινεν, ἕκ τε τοῦ ἵππου ρίψας προσουδίζει χαμαί. [27] τῶν δέ τις βαρβάρων παρὰ τῷ πεπτωκότι ἐστὼς ξίφει κατὰ κόρρης τὸν Ἀρταβάνην ἐπάταξεν οὐ καιρίαν πληγὴν. ἄτερός τε τῶν τῷ Ἀρταβάνη ἐπισπομένων, Γότθος γένος, τοῦτον δὴ τὸν ἄνδρα, τὴν χεῖρα ἔτι ἐν τῇ τοῦ Ἀρταβάνου κεφαλῇ ἔχοντα, κατὰ λαγόνᾳ ἐπιτυχὼν τὴν εὐώνυμον διεχρήσατο. [28] καὶ οἱ χίλιοι τοῖς ξυμπεπτωκόσιν ἐκπεπληγμένοι ὀπίσω ἐχώρουν, τὸν τε Χοριάνην σὺν τῷ ἄλλῳ Περσῶν τε καὶ Ἀλανῶν στρατῷ ἔμενον καὶ οὐκ ἐς μακρὰν ἀνεμίγνυντο σφίσιν. [29] Ἦδη δὲ καὶ οἱ ἀμφὶ Γουβάζην καὶ Δαγισθαῖον πεζοὶ ἐς ἱππεῖς τοὺς σφετέρους ἀφίκοντο καὶ ἡ μάχη ἐν χερσὶν ἀμφοτέρωθεν ἦν. [30] τότε δὴ Φιλίγαγός τε καὶ Ἰωάννης, ἐλάσσους εἶναι ἢ ἐνεγκεῖν ἐπιούσαν τὴν τῶν βαρβάρων ἵππον οἴομενοι, μάλιστα ἐπεὶ ἀπέγνωσαν τὴν Λαζῶν δύναμιν, ἀπὸ τῶν ἵππων ἀποθορόντες ταῦτό ποιεῖν ἀναγκάζουσι Ῥωμαίους τε καὶ Λαζοὺς ἅπαντας. [31] ἐς φάλαγγά τε ὡς βαθυτάτην ταξάμενοι πεζοὶ μετωπηδὸν ἀντίοι τοῖς πολεμίοις ἔστησαν ἅπαντες, τὰ δόρατα ἐπανατεινόμενοι σφίσιν. [32] οἱ δὲ βάρβαροι οὐκ ἔχοντες ὅ τι γένωνται 'οὔτε γὰρ ἐπιδραμεῖν πεζοῖς γε οὔσι τοῖς ἐναντίοις ἐδύναντο οὔτε αὐτῶν ξυνταράξαι τὴν φάλαγγα οἷοί τε ἦσαν ἐπεὶ αὐτοῖς οἱ ἵπποι ταῖς τε τῶν δοράτων αἰχμαῖς καὶ τῷ τῶν ἀσπίδων πατάγῳ ἀχθόμενοι ἀνεχαίτιζον, ἐπὶ τὰ τόξα ἔβλεπον ἅπαντες, ἐλπίδι θαρσοῦντες ὡς πλήθει βελῶν ῥᾶστα τοὺς πολεμίους ἐς φυγὴν τρέφονται. [33] καὶ Ῥωμαῖοι ξὺν Λαζοῖς ἅπασιν ταῦτό τοῦτο ἐποίουν. ἐκατέρωθεν τε συχνὰ ἐς ἀλλήλους τοξεύματα ἦει, ἕκ τε ἀμφοτέρων πολλοὶ ἐπιπτον. [34] Πέρσαι μὲν οὖν καὶ Ἀλανοὶ μάλιστα συνεχῇ τὰ βέλη πολλῶ ἔτι μᾶλλον ἢ οἱ ἐναντίοι ἀφίεσαν. ἀλλ' αὐτῶν τὰ πολλὰ τὰς ἀσπίδας ξυνέβαινεν ἀποκρούεσθαι. Ἐν τούτῳ δὲ τῷ πολέμῳ Χοριάνη τῷ Περσῶν ἄρχοντι βεβλήσθαι ξυνέβη. [35] ὑφ' ὅτου μέντοι οὗτος ἀνὴρ βληθείη, φανερόν οὐδενὶ γέγονε: τύχη γάρ τινι ἐκ τοῦ ὀμίλου ἰὼν ὁ ἄτρακτος ἐς τε τοῦ ἀνθρώπου τὸν αὐχένα παγείς εὐθυωρὸν αὐτὸν διεχρήσατο, ἐνός τε θανάτῳ ἀνδρὸς ἢ τε μάχῃ ἐκλίθη καὶ πρὸς τοὺς Ῥωμαίους ἡ νίκη ἐχώρει. [36] ὁ μὲν γὰρ ἐκ τοῦ ἵππου ἐς τὸ ἔδαφος ἐπὶ στόμα πεσὼν ἔκειτο, δρόμῳ δὲ πολλῷ ἐπὶ τὸ χαράκωμα οἱ βάρβαροι ἦσαν, οἳ τε Ῥωμαῖοι ξὺν τοῖς Λαζοῖς ἐπιστόμενοι πολλοὺς ἔκτεινον, ἐλπίδα ἔχοντες αἰρήσειν αὐτοβοεῖ τὸ τῶν ἐναντίων στρατόπεδον. [37] ἀλλὰ τις τῶν Ἀλανῶν εὐψυχίας πέρι καὶ σώματος ἰσχύος εὖ ἦκων, τοξεύειν τε συχνὰ ἐφ' ἐκάτερα διαφερόντως ἐξεπιστάμενος, ἐς τοῦ χάρακος τὴν εἴσοδον στενοτάτην οὔσαν εἰστήκει, ἐμπόδιός τε τοῖς ἐπιούσι παρὰ δόξαν ἐπὶ πλεῖστον ἐγένετο. [38] Ἰωάννης δέ, ὁ τοῦ Θωμᾶ παῖς, μόνος ὡς ἀγχοτάτῳ παρ' αὐτὸν ἦκων ἐξαπινάίως τὸν ἀνθρωπον δόρατι ἔκτεινεν, οὕτω τε Ῥωμαῖοι καὶ Λαζοὶ τοῦ στρατοπέδου ἐκράτησαν. καὶ τῶν βαρβάρων πλεῖστοι μὲν αὐτοῦ διεφθάρησαν, οἱ δὲ λοιποὶ ἀπεκομίσθησαν ἐς τὰ πάτρια ἦθη, ὡς ἐκάστῳ δυνατὰ γέγονεν. [39] αὕτη μὲν οὖν ἡ Περσῶν ἐσβολὴ ἐς γῆν τὴν Κολχίδα γενομένη ἐς τοῦτο ἐτελεύτα. καὶ ἄλλη δὲ Περσῶν στρατιὰ τοὺς ἐν Πέτρῳ φρουροὺς τῷ τε τῶν ἐπιτηδείων πλήθει καὶ πᾶσι τοῖς ἄλλοις ἐπιρρώσαντες

ἀνεχώρησαν.

Ἐν τούτῳ δὲ τάδε ξυνηνέχθη γενέσθαι. Λαῖοι Δαγισθαῖον ἐς βασιλέα διέβαλλον, ἐς Βυζάντιον ἦκοντες, προδοσίαν τε καὶ μηδισμόν ἐπιφέροντες. [2] Πέρσαις γὰρ αὐτὸν ἰσχυρίζοντο ἀναπεισθέντα οὐ βεβουλησθαι καταπεπτοκότος τοῦ Πέτρας περιβόλου ἐπιβατεῦσαι, τοὺς τε πολεμίους θυλάκους μεταξὺ ψάμμου ἐμπλησμένους καὶ αὐτῶν τὰς ἐπιβολὰς ἀντὶ λίθων ποιησάμενους τοῦ περιβόλου ὅσα καταπεπτώσει ταύτῃ κρατύνασθαι. [3] ἔλεγόν τε ὡς Δαγισθαῖος, εἴτε χρήμασιν εἴτε ὀλιγοῖα ἐς τοῦτο ἡγμένος, τὴν ἐπίθεσιν ἐς ἑτερόν τινα χρόνον ἀπέθετο, καὶ τοῦ καιροῦ τὴν ἀκμὴν ἐν τῷ παραυτίκα μεθῆκεν, ἥς γε οὐκέτι ἀντιλαβέσθαι οἷός τε ἐγεγόνει. [4] αὐτὸν οὖν βασιλεὺς ἐν τῷ οἰκήματι καθείρξας ἐτήρει: Βέσσαν δέ, ἐξ Ἰταλίας οὐ πολλῶ ἔμπροσθεν ἦκοντα, στρατηγὸν Ἀρμενίων καταστησάμενος ἐς Λαζικὴν πέμπει, ἄρχειν ἐπαγγείλας τοῦ ἐνταῦθα Ῥωμαίων στρατοῦ. [5] οὗ δὴ καὶ Βενῖλος, ὁ Βούζου ἀδελφός, ξὺν στρατῷ ἤδη σταλὲις ἔτυχε καὶ Ὀδόναχος τε καὶ ὁ Βάβας ἐκ Θράκης καὶ Οὐλίγαγος Ἑρουλος γένος. [6] Ὁ τε Ναβέδης ἐσβαλὼν ἐς Λαζικὴν στρατῷ ἄλλο μὲν τι λόγου ἄξιον οὐδὲν ἔδρασεν, Ἀβασγοῖς δὲ ἀποστᾶσιν ἀπὸ τοῦ Ῥωμαίων καὶ Λαζῶν ἐπιχωριάσας τῇ στρατιᾷ ταύτῃ, παῖδας τῶν ἐν σφίσι λογίμων ἐξήκοντα ἐν ὁμήρων λόγῳ πρὸς αὐτῶν ἔλαβε. [7] τότε δὲ ποιούμενος ὁ Ναβέδης ὁδοῦ πάρεργον, καὶ Θεοδώραν Ὀψίτη ξυνοικήσασαν ὅς ἐγεγόνει Γουβάζου μὲν θεῖος, Λαζῶν δὲ βασιλεὺς εὐρῶν ἐν Ἀψιλίοις εἶλεν, ἔς τε τὰ Περσῶν ἦθη ἀπήνεγκε. [8] Ῥωμαῖα δὲ γένος ἡ γυνὴ ἐτύγχανεν οὕσα, ἐπεὶ ἐκ παλαιοῦ οἱ Λαζῶν βασιλεῖς ἐς Βυζάντιον πέμποντες βασιλέως τε γνώμῃ ξυνιόντες ἐς κηδός τιςι τῶν ἀπὸ τῆς συγκλήτου βουλῆς γυναικας ἐνθένδε γαμετὰς ἐκομίζοντο. [9] καὶ Γουβάζης ἀμέλει Ῥωμαῖας γυναικὸς ἐγεγόνει γένος. ὅτου δὲ ἔνεκα οἱ Ἀβασγοὶ οὗτοι ἐς ἀπόστασιν εἶδον, ἐγὼ δηλώσω. [10] Ἐπειδὴ βασιλεῖς τοὺς σφετέρους καθεῖλον, ἥπερ μοι ἔναγχος δεδιγῆται, στρατιῶται Ῥωμαίων πρὸς βασιλέως στελλόμενοι ἐπεχωριάζον τε αὐτοῖς ἐκ τοῦ ἐπὶ πλεῖστον καὶ προσποιεῖσθαι τῇ Ῥωμαίων ἀρχῇ τὴν χώραν ἡξίουσαν, καινὰ τε αὐτοῖς ἄττα ἐπέταττον. [11] οἷσπερ Ἀβασγοὶ βιαιοτέροις οὖσιν ἀτεχνῶς ἦχοντο. δέισαντες οὖν μὴ Ῥωμαίων δοῦλοι τὸ λοιπὸν ἔσονται, τοὺς ἄρχοντας αὐθις κατεστήσαντο σφίσι Ὀψίτην μὲν ὄνομα ἐς τῆς χώρας τὰ πρὸς ἀνίσχοντα ἥλιον, [12] Σκεπαρνᾶν δὲ ἐς τὰ πρὸς ἐσπέραν. ἐς ἀγαθῶν γὰρ ἐκπεπτοκότες ἀπόγνωσιν τὰ πρότερον δόξαντα σφίσι μοχθηρὰ εἶναι τῶν ἐπιγενομένων ἅτε πονηροτέρων ὄντων, ὡς τὸ εἶκος, ἀντηλλάσσοντο, δυνάμιν τε ἀπὸ αὐτοῦ τὴν Ῥωμαίων δειμαίνοντες Πέρσαις ὡς λαθραϊότατα προσεχώρησαν. ἅπερ ἐπεὶ βασιλεὺς Ἰουστινιανὸς ἤκουσε, Βέσσαν ἐκέλευε στρατεύμα λόγου ἄξιον ἐπὶ αὐτοὺς στείλαι. [13] ὁ δὲ πολλοὺς ἀπολεξάμενος τοῦ Ῥωμαίων στρατοῦ, καὶ ἄρχοντας ἐπιστήσας αὐτοῖς Οὐλίγαγόν τε καὶ Ἰωάννην τὸν Θωμᾶ υἱόν, αὐτίκα ἐπὶ τοὺς Ἀβασγοὺς ναυσὶν ἔπεμψεν. ἐτύγχανε δὲ ἄτερος μὲν τῶν ἐν Ἀβασγοῖς ἡγουμένων, Σκεπαρνᾶς ὄνομα, ἐν Πέρσαις τινὰ διατριβὴν ἔχων: [14] μετὰπεμπτος γὰρ ὀλίγῳ πρότερον παρὰ Χοσρόην ἀφῆκτο. ὁ δὲ δὴ ἕτερος, τὴν Ῥωμαίων μαθὼν ἔφοδον, τοὺς τε Ἀβασγοὺς ἅπαντας ἡγείρε καὶ ὑπαντιάζειν διὰ σπουδῆς εἶχεν. [15] Ἔστι δὲ χῶρος μετὰ τοὺς Ἀψιλίας ὄρους ἐν τῇ ἐς τὴν Ἀβασγίαν εἰσόδῳ τοιούσδε: ὁρος ὑψηλὸν ἐκ τῶν

Καυκασίων ἀρχόμενον καὶ κατὰ βραχὺ ἐλασσοῦμένον τε καὶ ὑπολήγον ὥσπερ τις κλίμαξ κατατείνει καὶ τελευτᾷ ἐς τὸν Εὐξείνιον Πόντον. [16] καὶ φρούριον μὲν ἐχυρώτατόν τε καὶ μεγέθους περὶ ἀξιολογώτατον ἐκ παλαιοῦ Ἀβασγοὶ ἐν τῇ ὑπωρεΐᾳ τοῦ ὄρους τούτου ἐδείξαντο. [17] οὗ δὴ καταφεύγοντες ἐκκρούουσιν αἰεὶ τὰς τῶν πολεμίων ἐφόδους, οὐδαμῇ ἐχόντων τὴν δυσχωρίαν βιάζεσθαι. μία δὲ εἰσοδος εἰσάγουσά ἐστιν ἐς τε τὸ φρούριον τοῦτο καὶ ἐς τὴν ἄλλην Ἀβασγῶν χώραν, ἥπερ ἀνδράσι σύνδου ἐρχομένοις ἀπόρευτος τυγχάνει οὔσα. [18] μηχανὴ γὰρ οὐδεμία ἐστὶν ὅτι μὴ κατ' ἄνδρα καὶ μόλις πεζεύοντα ἐνθένδε ἰέναι. τῆς τε ἀτραποῦ ταύτης ὑπέρκειται φάραγξ ἐσάγαν σκληρὰ ἐκ τοῦ φρουρίου διήκουσα μέχρι ἐς τὴν θάλασσαν. [19] φέρεται δὲ καὶ προσηγορίαν τῆς φάραγδος ἀξίαν ὁ χῶρος, ἐπεὶ αὐτὸν ἐλληνίζοντες οἱ τῆδε ἄνθρωποι τὰ Τραχέα καλοῦσιν. [20] Ὁ μὲν οὖν Ῥωμαίων στόλος μεταξὺ ὁρίων τῶν τε Ἀβασγῶν καὶ Ἀσιλίων κατέπλευσεν, Ἰωάννης δὲ καὶ Οὐλίγαγος ἐς τὴν γῆν τοὺς στρατιώτας ἀποβιβάσαντες περὶ ἐχώρουν, οἱ τε ναῦται ταῖς ἀκάτοις ἀπάσαις παρὰ τὴν ἡϊόνα τῷ στρατῷ εἶποντο. [21] ἐπειδὴ δὲ τῶν Τραχέων ὡς ἀγχοτάτῳ ἐγένοντο, ἐξωπλισμένους τε ὀρῶσιν Ἀβασγοὺς ἅπαντας καὶ τῆς ἀτραποῦ ὑπερθεῖν ἧς ἄρτι ἐμνήσθην κατὰ τὴν φάραγγα ὅλην ἐν τάξει ἐστῶτας, ἀμηχανία τε πολλὴ εἶχοντο θέσθαι τὰ σφίσι παρόντα οὐδαμῇ ἔχοντες, ἕως ἐν αὐτῷ πολλὰ λογισάμενος Ἰωάννης ἄκεσιν τινα τοῦ κακοῦ εὔρε. [22] τὸν γὰρ Οὐλίγαγον ζὺν τῷ ἡμίσει τοῦ στρατοῦ ἐνταῦθα ἐάσας αὐτὸς τοὺς ἄλλους ἐπαγόμενος τὰς ἀκάτους ἐπλήρου. ἐρέσσοντές τε χῶρον τὸν τῶν Τραχέων περιήλθον τε καὶ διέβησαν ὅλον καὶ κατὰ νότου τῶν πολεμίων ταύτη ἐγένοντο. [23] ἄραντες οὖν τὰ σημεῖα ἐς αὐτοὺς ἦσαν. Ἀβασγοὶ δὲ τοὺς πολεμίους σφίσιν ἐκατέρωθεν ἐγκειμένους ἰδόντες ἐς ἀλκὴν μὲν οὐκέτι ἔβλεπον, οὐδὲ τὴν τάξιν ἐφύλασσον, ἐς ὑπαγωγὴν δὲ ζὺν πολλὴ ἀκοσμία τραπόμενοι πρόσω ἐχώρουν, οὕτω τῷ δέει καὶ τῇ ἀπ' αὐτοῦ ἀμηχανία συμποδιζόμενοι ὥστε οὔτε τὴν πατρίαν σφίσι δυσχωρίαν ἔτι διαγινώσκειν ἐδύναντο οὔτε πη εὐπετῶς ἐνθένδε ἰέναι. [24] Ῥωμαῖοι δὲ αὐτοῖς ἐκατέρωθεν ἐπισπόμενοί τε καὶ καταλαβόντες πολλοὺς ἔκτειναν. δρόμῳ τε ζὺν τοῖς φεύγουσιν ἐς τὸ φρούριον ἀφικόμενοι ἀνακεκλιμένης ἔτι ἐπιτυγχάνουσι τῆς ταύτης πυλίδος· οἱ γὰρ φύλακες ἐπιθεῖναι τὰς θύρας οὐδαμῇ εἶχον, ἀλλὰ τοὺς φεύγοντας ἔτι ἐδέχοντο. [25] τῶν τε φυγόντων τοῖς διώκουσιν ἀναμιχθέντων ἐπὶ τὰς πύλας ἵενται ἅπαντες, οἱ μὲν ἐπιθυμία τοῦ σώζεσθαι, [26] οἱ δὲ τοῦ τὸ φρούριον ἐξελεῖν. ἀνακεκλιμένας οὖν τὰς πύλας εὐρόντες συνεισέβαλον ἐς ταύτας ἀλλήλοις. οἱ γὰρ πυλωροὶ οὔτε διακρίνειν ἀπὸ τῶν πολεμίων τοὺς Ἀβασγοὺς εἶχον οὔτε τὰς πύλας ὑπερβιαζομένου τοῦ ὁμίλου ἐπιτιθεῖναι. [27] Καὶ οἱ μὲν Ἀβασγοὶ ἄσμενοι ἐντὸς τοῦ περιβόλου γενόμενοι ζὺν τῷ φρουρίῳ ἠλίσκοντο, Ῥωμαῖοι δὲ τῶν ἐναντίων κεκρατηκέναι οἰόμενοι πόνῳ δυσκολωτέρῳ ἐνταῦθα ὠμίλουν. [28] τῶν γὰρ οἰκῶν συχνῶν τε οὐσῶν καὶ οὐ λίαν διεχουσῶν ἀλλήλων, ἀλλὰ καὶ τρόπον τεύχους πανταχόθεν συμπεφραγμένων, Ἀβασγοὶ ἐς αὐτὰς ἀναβάντες καὶ σθένει παντὶ ἀμυνόμενοι, τοὺς πολεμίους κατὰ κορυφὴν ἐβαλλον, πόνῳ καὶ φόβῳ καὶ τῷ ἐς παῖδάς τε καὶ γυναῖκας ἐλέφ καὶ τῇ ἐνθένδε ἀπορία ἐχόμενοι, ἕως Ῥωμαίοις ἐμπρῆσαι τὰς οἰκίας ἐς ἔννοιαν ἦλθε. [29] πῦρ τοίνυν αὐταῖς πανταχόθεν ἀνάψαντες τοῦ

ἀγῶνος παντάπασι τούτου ἐκράτησαν. Ὀπίτης μὲν οὖν, ὁ τῶν Ἀβασγῶν ἄρχων, ξὺν ὀλίγοις τισὶ φυγεῖν ἰσχυσεν, ἐς τε Οὐννους τοὺς πλησιοχώρους καὶ ὄρος τὸ Καυκάσιον ἀνεχώρησε. [30] τοῖς δὲ δὴ ἄλλοις ἢ ξὺν ταῖς οἰκίαις ἐξηνθρακωμένοις τετεφρῶσθαι ξυνέβη, ἢ ὑπὸ ταῖς τῶν πολεμίων γεγονέναι χερσίν. ἐξώγησαν δὲ Ῥωμαῖοι καὶ τὰς τῶν ἀρχόντων γυναῖκας ξὺν γόνῳ παντί, τοῦ τε φρουρίου τὸν περίβολον ἐς ἔδαφος καθεῖλον καὶ τὴν χώραν ἔρημον κατεστήσαντο ἐκ τοῦ ἐπὶ πλεῖστον. Ἀβασγοῖς μὲν οὖν τὰ τῆς ἀποστάσεως ἐς τοῦτο ἐτελεύτα: ἐν δὲ Ἀψιλίοις ἐγένετο τάδε.

Ἀψίλιοι μὲν ἐκ παλαιοῦ κατήκοοι Λαζῶν τυγχάνουσιν ὄντες. ἔστι δέ τι φρούριον ἐν ταύτῃ τῇ χώρᾳ ἐχυρὸν μάλιστα: Τζιβιλὴν αὐτὸ καλοῦσιν οἱ ἐπιχώριοι. [2] τῶν δὲ τις ἐν Λαζοῖς λογίμων, Τερδέτης ὄνομα, ὅσπερ εἶχε τὴν τοῦ καλουμένου μαγίστρου ἀρχὴν ἐν τούτῳ τῷ ἔθνει, Γουβάζη τῷ τῶν Λαζῶν βασιλεῖ προσκεκρουκῶς τε καὶ χαλεπῶς ἔχων, Πέρσαις ὠμολόγησε λάθρα τοῦτο δὴ ἐνδῶσειν τὸ φρούριον, στρατεύμα τε Περσῶν ἐπαγόμενος ἐπὶ ταύτῃ τῇ πράξει ἐς Ἀψιλίαν ἦει. [3] καὶ ἐπεὶ ἄγχιστα τοῦ φρουρίου ἐγένοντο, προτερήσας αὐτὸς ξὺν τοῖς ἐπομένοις οἱ Λαζοῖς ἐντὸς τοῦ περιβόλου ἐγένετο, ἐπεὶ οἱ τὸ φυλακτήριον ταύτῃ ἔχοντες ἀπιστεῖν τῷ Λαζῶν ἄρχοντι οὐδαμῇ εἶχον, οὐδεμιᾷ ἐς αὐτὸν ὑποψία ἐχόμενοι. οὕτω τε ἀφικόμενον τὸ Περσῶν στρατεύμα τῷ φρουρίῳ ὁ Τερδέτης ἐδέξατο. [4] καὶ ἀπ' αὐτοῦ Μῆδοι οὐ Λαζικὴν μόνον, ἀλλὰ καὶ Ἀψιλίαν ἔχεσθαι τότε πρὸς αὐτῶν ᾤοντο. οὕτε δὲ Ῥωμαῖοι οὕτε Λαζοὶ ἀσχολία τῇ ἀμφὶ Πέτρα τε καὶ τῷ Μήδων στρατῷ πιεζόμενοι Ἀψιλίοις ἐπαμύνειν ἔσχον. [5] Ἦν δὲ τις γυνὴ τῷ ἄρχοντι τοῦ ἐνταῦθα φυλακτηρίου, Ἀψιλία γένος, τὴν ὧσιν εὐπρεπὴς μάλιστα. ταύτης δὴ τῆς γυναικὸς ἐκτόπως ἐρασθεὶς ἐξαπινάϊως ὁ τοῦ Περσῶν στρατεύματος ἄρχων τὰ μὲν πρῶτα πειρᾶν ἤρξατο, ἔπειτα δέ, ἐπεὶ οἱ πρὸς τῆς γυναικὸς οὐδὲν προὔχῳρει, βιάζεσθαι μελλήσει αὐτὴν οὐδεμιᾷ ἐνεχείρησεν. [6] οἷς δὴ ὀξυθυμῳθεὶς ὁ τῆς γυναικὸς ἀνὴρ, αὐτόν τε νύκτωρ καὶ τοὺς ξὺν αὐτῷ ἐς τὸ φρούριον εἰσεληλυθότας ἅπαντας ἔκτεινε, παρανάλωμα τῆς τοῦ ἄρχοντος ἐπιθυμίας γεγενημένους, καὶ τὸ φρούριον ἔσχεν αὐτός. Ἀψίλιοί τε Κόλχων διὰ τοῦτο ἀπέστησαν, ἐπικαλοῦντες ὅτι δὴ σφᾶς πρὸς Περσῶν κακουμένους προσποιεῖσθαι οὐδαμῇ ἤθελον. [7] ἀλλὰ Γουβάζης Ῥωμαίων χιλίους καὶ Ἰωάννην τὸν Θωμᾶ υἱόν, οὐπὲρ ἑναγχος ἐπεμνήσθην, ἐπ' αὐτοὺς ἐπεμψεν: ὅσπερ αὐτοὺς πολλὰ τιθασσεύων ἐπαγαγέσθαι ἀμαχητὶ ἔσχε καὶ Λαζῶν κατηκόους κατεστήσατο αὖθις. τὰ μὲν οὖν ἀμφὶ τε Ἀψιλίοις καὶ Τζιβιλῇ τῷ φρουρίῳ τῇδε ἐχώρησεν. [8] Ὑπὸ τοῦτον δὲ τὸν χρόνον Χοσρόῃ ξυνέβη μηδὲ τὸν γόνον τῇ ἀπανθρωπιά τῇ αὐτοῦ ἀνέπαφον μείναι. τῶν γάρ οἱ παίδων ὁ πρεσβύτατος Ἀνασῶζαδος ὄνομα ἔδυνатаι δὲ τοῦτο τῇ Περσῶν φωνῇ ἀθανατίζων προσκεκρουκῶς αὐτῷ ἔτυχεν, ἄλλα τε πολλὰ τῇ ἐς τὴν δίαιταν παρανομία ἐξαμαρτῶν καὶ ταῖς γυναιξὶ τοῦ πατρὸς ὀκνήσει οὐδεμιᾷ ἐς εὐνὴν συνιών. τὰ μὲν οὖν πρῶτα φυγῇ τὸν παῖδα τοῦτον ὁ Χοσρόης ἐξημίωσεν. [9] ἔστι δὲ τις ἐν Πέρσαις Οὐαζαῖνη χώρα, ἀγαθὴ μάλιστα, οὗ δὴ πόλις Βηλαπατῶν καλουμένη οἰκεῖται, ἑπτὰ ἡμερῶν ὁδῷ Κτησιφῶντος διέχουσα. [10] ἐνταῦθα τοῦ πατρὸς ἐπαγγείλαντος Ἀνασῶζαδος οὗτος διατριβὴν εἶχε. Τότε δὲ τῷ Χοσρόῃ χαλεπώτατα νοσῆσαι ξυνέβη, ὥστε καὶ ἐλέχθη ἐξ ἀνθρώπων

ἀφανισθῆναι· νωσώδης γὰρ ἦν ὁ Χοσρόης φύσει. [11] ἀμέλει καὶ τοὺς ἱατροὺς πανταχόθεν πολλάκις ἀμφ' αὐτὸν ἡγειρεν, ἐν τοῖς καὶ Τριβούνος ὁ ἱατρὸς ἦν, Παλαιστίνος γένος. [12] ὁ δὲ Τριβούνος οὗτος λόγιος μὲν ἦν καὶ τὰ ἐς τέχνην τὴν ἱατρικὴν οὐδενὸς ἥσσω, ἄλλως δὲ σώφρων τε καὶ θεοφιλὴς καὶ τῆς ἐπιεικειᾶς ἐς ἄκρον ἦκων. [13] καὶ ποτε Χοσρόην κακῶς τοῦ σώματος ἔχοντα ἰασάμενος ἀπηλλάγη ἐκ τῆς Περσῶν χώρας, δῶρα πολλά τε καὶ λόγου ἄξια πρὸς τοῦ ἀνθρώπου κεκομισμένους. [14] ἡνίκα τοίνυν ἡ ταύτης προτέρα ἐκεχειρία ἐγένετο, Ἰουστινιανὸν βασιλέα Χοσρόης τὸν ἱατρὸν τοῦτον συνδιαιτησόμενον αὐτῷ ἐς ἐνιαυτὸν ἤτησε δοῦναι. τῆς τέ οἱ αἰτήσεως ἐπιτελεσθεῖσης, ὥσπερ μοι ἔμπροσθεν εἴρηται, ἐκέλευσε τὸν Τριβούνον ὁ Χοσρόης αἰτεῖσθαι ὅτου ἂν δέηται. [15] ὁ δὲ ἄλλο οὐδὲν ἤτει τῶν πάντων χρημάτων ἢ ὥστε οἱ Ῥωμαίων τῶν αἰχμαλώτων τινὰς Χοσρόην ἀφεῖναι. [16] ὁ δὲ οἱ ἄλλους τε τρισχιλίους ἀφήκε καὶ ὅσους πρὸς ὄνομα ἐξητήσατο ἐν τοῖς αἰχμαλώτοις λογίμους ὄντας, κλέος τε μέγα ἐκ τοῦ ἔργου τούτου ἐς πάντας ἀνθρώπους ὁ Τριβούνος ἔσχε. ταῦτα μὲν οὖν τῇδε ξυνηνέχθη γενέσθαι. [17] Ἐπειδὴ δὲ Ἀνασώζαδος τὰ Χοσρόῃ τῷ πατρὶ ἀμφὶ τῇ νόσῳ ξυμπεσόντα ἔγνω, τῆς βασιλείας ἐπιβατεύων, νεώτερα πράγματα ἔπρασσε. [18] τοῦ τε πατρός οἱ ῥαῖσαντος, οὐδέν τι ἥσσον τὴν τε πόλιν αὐτὸς ἀποστήσας καὶ ὄπλα ἀντάρας ἐς τὸν πόλεμον ἀκμάζων ἦει. [19] ταῦτα ὁ Χοσρόης ἀκούσας στρατιάν τε καὶ στρατηγὸν Φάβριζον ἐπ' αὐτὸν ἔπεμψε. νικήσας οὖν τῇ μάχῃ ὁ Φάβριζος ὑποχείριόν τε τὸν Ἀνασώζαδον πεποιημένος παρὰ Χοσρόην οὐ πολλῷ ὕστερον ἦνεγκε. [20] καὶ ὃς τοὺς τοῦ παιδὸς ὀφθαλμοὺς ἐλωβήσατο, οὐ τὰς ὄψεις ἀφελόμενος, ἀλλὰ βλέφαρά τε ἄνω καὶ κάτω ἀκοσμία πολλῇ ἀντιστρέψας. [21] περόνην γὰρ σιδηρὰν πυρακτώσας τινὰ καὶ ταύτῃ μόνον τοῖν τοῦ παιδὸς ὀφθαλμοῖν τὰ ἔξω χρίσας, οὕτω δὴ τῶν βλεφάρων τὸν κόσμον λωβήσασθαι ἔσχε. [22] ταῦτα δὲ Χοσρόης τούτου δὴ ἔνεκα ἐποίει μόνον, ὅπως ἂν τῷ παιδί ἀναστέλληται ἢ ἐπὶ τῇ βασιλείᾳ ἐλπίς. ἄνδρα γὰρ λώβῃ ἐχόμενον οὐκέτι ὁ νόμος ἐφήσει βασιλέα καθίστασθαι Πέρσαις, ὥσπερ κὰν τοῖς ἔμπροσθεν λόγοις ἐρρήθη.

Τῷ μὲν οὖν Ἀνασώζαδῳ τὰ τε τῆς τύχης καὶ τοῦ τρόπου ἐς τοῦτο ἐτελεύτα· τὸ δὲ ἐέμπτον ἔτος τῆς ἐκεχειρίας διήνυστο. [2] καὶ Πέτρον μὲν ἄνδρα πατρίκιον, τὴν τοῦ μαγίστρου ἀρχὴν ἔχοντα, παρὰ Χοσρόην Ἰουστινιανὸς βασιλεὺς ἔστελλεν, ἐφ' ᾧ τὰς σπονδὰς ἀμφὶ τῇ ἐῷ παντάπασι διοικήσονται. [3] ὁ δὲ αὐτὸν ἀπεπέμψατο, ἔψεσθαι οἱ ἄνδρα οὐκ ἐς μακρὰν ὑποσχόμενος τὸν ταῦτα διαθησόμενον, ὅπῃ ἑκατέρους ξυνοίσειν μέλλει. [4] Ἰσδιγούσαναν τε αὖθις οὐ πολλῷ ὕστερον ἔπεμψεν, ὀφρυάζοντά τε καὶ ἀλαζονείᾳ τινὶ ἀμυθήτῳ ἐχόμενον, οὗ δὴ ὁ τε τύφος καὶ τὸ φύσημα φορητὸν εἶναι Ῥωμαίων οὐδενὶ ἔδοξεν. [5] ἐπήγετο δὲ τὴν τε γυναῖκα καὶ τὰς παῖδας καὶ τὸν ἀδελφόν, ἐπομένων τε καὶ θεραπευόντων πάμπλου πληθος. εἶκασεν ἂν τις ἐς παράταξιν τοὺς ἄνδρας ἰέναι. [6] εἶποντο δὲ αὐτῷ καὶ δύο τῶν ἐν Πέρσαις λογιμωτάτων, οἱ δὴ καὶ διαδήματα ἐπὶ τῶν κεφαλῶν χρυσᾷ ἐφόρου. [7] ἔδακνέ τε τοὺς ἐν Βυζαντίῳ ἀνθρώπους, ὅτι δὴ αὐτὸν Ἰουστινιανὸς βασιλεὺς οὐ κατὰ πρεσβευτήν, ἀλλὰ πολλῷ ἔτι μᾶλλον φιλοφροσύνης τε καὶ μεγαλοπρεπείας ἡζώισε. [8] Βραδούκιος μέντοι ξὺν αὐτῷ ἐς Βυζάντιον οὐκέτι ἦλθεν, ἐπεὶ

Χοσρόην φασίν αὐτὸν ἐξ ἀνθρώπων ἀφανίσαι, ἄλλο οὐδὲν τῷ ἀνθρώπῳ ἐπενεγκόντα, πλὴν γε δὴ ὅτι ὁμοτράπεζος τῷ Ῥωμαίων βασιλεῖ γέγονεν. [9] ‘οὐ γὰρ ἂν,’ ἔφη, ‘ἐρμηνεύς γε ὢν ἐς τοῦτο ἀξιώματος πρὸς βασιλέως ἀφίκετο, εἰ μὴ καταπροδοὺς ἔτυχε τὰ Περσῶν πράγματα.’ τινὲς δὲ τὸν Ἰσδιγούσαν αὐτὸν διαβαλεῖν φασίν, ὥς λάθρα Ῥωμαίοις ἐς λόγους ἔλθοι. [10] τὰ δὲ πρῶτα ὁ πρεσβευτὴς οὗτος βασιλεῖ ἐντυχὼν οὐ μικρὸν ἀμφὶ τῇ εἰρήνῃ, οὐ μέγα εἶπεν, ἀλλ’ ἡτιάτο Ῥωμαίους ἐς τὴν ἐκεχειρίαν ἡδικηκέναι, Ἀρέθαν τε καὶ Σαρακηνοὺς τοὺς Ῥωμαίων ἐνσπόνδους Ἀλαμουνδάρῳ ἐν σπονδαῖς λυμήνασθαι φάσκων, ἄλλα τε οὐκ ἀξιόλογα ἐπιφέρων ἐγκλήματα, ὧν ἐπερ μοι ἐπιμνησθῆναι οὔτι ἀναγκαῖον ἔδοξεν εἶναι. [11] Ἐν μὲν οὖν Βυζαντίῳ ταῦτα ἐπράσσετο. Βέσσας δὲ παντὶ τῷ Ῥωμαίων στρατῷ Πέτρας ἐς πολιορκίαν καθίστατο. Ῥωμαῖοι μὲν οὖν ἀμφὶ τὸ τεῖχος διώρυσσον, ἵνα δὴ καὶ Δαγισθαῖος τὰ πρότερα τὴν διώρυχα πεπονημένος τὸν περίβολον ταύτῃ καθεῖλεν. οὗτου δὲ δὴ ἔνεκα ἐς τὸν αὐτὸν χώρον ὥρυσσον, ἐγὼ δηλώσω. [12] οἱ τὴν πόλιν τὸ ἐξ ἀρχῆς ταύτην δειμάμενοι, ἐπὶ πέτρας μὲν ἔθεντο ἐκ τοῦ ἐπὶ πλεῖστον τὰ τοῦ περιβόλου θεμέλια, ἐνιαχῇ δὲ καὶ ὑπὲρ χώματος αὐτὰ ξυνέβαινε κεῖσθαι. [13] ἦν δὲ τις τοῦ τείχους μοῖρα ἐς τῆς πόλεως τὰ πρὸς ἐσπέραν οὐ λίαν εὐρεῖα, ἧς δὴ ἐκατέρωθεν ἐπὶ πέτρας τινὸς σκληρᾶς τε καὶ ἀμυχάνου τοῦ περιβόλου τὰ θεμέλια ἐτεκτίναντο. [14] ταύτην τοίνυν τὴν μοῖραν Δαγισθαῖος τε τὰ πρότερα καὶ τανῦν Βέσσας διώρυσσον ὁμοίως, οὐκ ἐφείσης τῆς τοῦ χωρίου φύσεως σφίσι περαιτέρω ἵεναι, ἀλλὰ τὸ τῆς διώρυχος μήκος συμμετρούσης τε αὐτοῖς καὶ πρυτανευούσης εἰκότως. [15] Ἦνίκα οὖν Πέρσαι μετὰ τὴν Δαγισθαίου ὑπαγωγὴν τὸ καταπεπτωκὸς τοῦτο τοῦ τείχους ἀνοικοδομήσασθαι ἤθελον, οὐ κατὰ τὰ πρότερα τὴν οἰκοδομίαν πεποιήνται, ἀλλὰ τρόπῳ τοιῷδε. [16] κάχληκος τὸν κενωθέντα ἐμπλησάμενοι χώρον δοκοὺς παχείας αὐτοῦ ὑπερθεῖν ἔθεντο, ὥσπερ ἐνδελεχέστατα ζύσαντες ὁμαλὰς τε παντάπασι καταστησάμενοι ἔξευξαν μὲν ἐς ἀλλήλας ἐς μέγα τι εὖρος, κρητῖδα δὲ αὐτὰς ἀντὶ θεμελίων ποιησάμενοι τοῦ περιβόλου καθύπερθεν αὐτῶν ἐτεκτίναντο τὴν οἰκοδομίαν ἐμπείρως. ὅπερ οὐ ζυνέντες Ῥωμαῖοι ἔνερθεν τῶν θεμελίων ποιῆσθαι τὴν διώρυχα ᾔφοντο. [17] καὶ τὸν χώρον κενώσαντες ὅλον ἐκ τῶν δοκῶν ὧν περ ἐπεμνήσθην ἀρτίως ἐπὶ πλεῖστον τῆς γῆς τὸν μὲν περίβολον κατασεῖσαι κατὰ πολὺ ἰσχυσαν, μοῖρά τε αὐτοῦ ἐξαπιναίως κατεπεπτῶκει, οὐ μέντοι οὔτε πῃ ἐπὶ θάτερα τὸ πεπτωκὸς τοῦτο ἐκλίθη οὔτε τις αὐτῷ τῶν λίθων ἐπιβολὴ ξυνεταράχθη, ἀλλ’ ἀκραίφνης ὅλον εὐθείᾳ τινὶ καταβάσει, ὥσπερ ἐκ μηχανῆς, ἐς τὸν κενωθέντα χώρον καταβὰν ἔστη, καὶ τὴν οἰκεῖαν ἐφύλασσε χώραν, οὐκ ἐς ὕψος ὅσον τὰ πρότερα, ἀλλ’ ἐς τι ἦσσαν. [18] κενωθέντος οὖν παντὸς τοῦ τῶν δοκῶν ἔνερθεν χώρου ὑφίζανεν αὐτὰς ἐνταῦθα ζὺν τῇ ὑπὲρ αὐτὰς οἰκοδομίᾳ πάσῃ ζυνέβη. [19] Τοῖς δὲ Ῥωμαίοις οὐδ’ ὥς ἐσβατὸν ἐγγέγονει τὸ τεῖχος. ὁ γὰρ τῶν Περσῶν ὄμιλος, ἡνίκα πολὺς ζὺν τῷ Μερμερόῃ ἐνταῦθα ἦλθε, μέγα τι χρῆμα τῇ πρόσθεν οἰκοδομίᾳ ἐνθέμενοι ὑψηλὸν ἐσάγαν τὸν περίβολον ἐτεκτίναντο. [20] Ῥωμαῖοι μὲν οὖν, ἐπειδὴ τοῦ περιβόλου τὸ κατασεισθὲν αὐθις ἐστηκὸς εἶδον, διηποροῦντό τε καὶ ἀμυχανίᾳ πολλῇ εἶχοντο. [21] οὔτε γὰρ διορύσσειν ἔτι ἠδύναντο, ἐς τοῦτο ἀποκεκριμένης τῆς κατώρυχος σφίσι, κριῶ τε χρῆσθαι οὐδαμῇ εἶχον, ἐπεὶ ἐν μὲν τῷ ἀνάντει ἐτειχομάχουν, ἢ δὲ

μηχανὴ αὕτη ἐφέλκεσθαι οὐχ οἷα τέ ἐστιν ὅτι μὴ ἐν χωρίῳ ὁμαλῷ τε καὶ λίαν ὑπτίῳ. [22] Τύχη δέ τινα ξυνεκύρησεν ἐν τούτῳ τῷ Ῥωμαίων στρατῷ εἶναι βαρβάρων τῶν Σαβείρων ὀλίγους τινὰς ἐξ αἰτίας τοιαύσδε. [23] οἱ Σάβειροι ἔθνος μὲν ἐστὶν Οὐννικόν, ὥκηνται δὲ ἀμφὶ τὰ Καυκάσια ὄρη, πάμπολυ πλῆθος μὲν ἐσάγαν ὄντες, ἐς ἀρχὰς δὲ πολλὰς ἐπικεικῶς διηρημένοι. [24] τούτων δὲ τῶν ἀρχόντων οἱ μὲν τινὲς εἰσι τῷ Ῥωμαίων αὐτοκράτορι, οἱ δὲ τῷ Περσῶν βασιλεῖ ἐκ παλαιοῦ γινώριμοι. τοῖν τε βασιλέοιν ἐκάτερος χρυσίον εἰώθει τακτὸν τοῖς αὐτοῦ ἐνσπόνδοις προῖεσθαι, οὐκ ἐπέτειον μέντοι, ἀλλ' ἡνίκα ἂν ἐς τοῦτο αὐτὸν ἡ χρεία ἐνάγοι. [25] τότε οὖν Ἰουστινιανὸς βασιλεὺς τῶν Σαβείρων τοὺς οἱ ἐπιτηδεῖους ἐς τὴν ὁμαιχμίαν παρακαλῶν ἔστειλέ τινα τὸν τὰ χρήματα παρ' αὐτοὺς κομιοῦντα. [26] ὁ δὲ ἑπολεμίων γὰρ μεταξὺ ὄντων ἐς ὄρη τὰ Καυκάσια ἰέναι ξὺν τῷ ἀσφαλεῖ ἄλλως τε καὶ χρήματα ἐπαγόμενος οὐδαμῇ εἶχεν ἀφικνεῖται μὲν παρά τε τὸν Βέσσαν καὶ τὸ Ῥωμαίων στρατόπεδον, ὅπερ ἐς τὴν Πέτρας πολιορκίαν καθίστατο, παρὰ δὲ τοὺς Σαβείρους πέμψας ἐκέλευσεν αὐτῶν τινὰς ὅτι τάχιστα τοὺς τὰ χρήματα ληψομένους παρ' αὐτὸν ἦκειν, οἳ τε βάρβαροι τρεῖς ἀπολεξάμενοι τῶν ἐν σφίσιν ἀρχόντων, ξὺν ὀλίγοις τισὶν ἐς Λαζικήν εὐθὺς ἐπεμψαν: οἳ δὴ ἐνταῦθα γενόμενοι ξὺν τῷ Ῥωμαίων στρατῷ ἐς τήνδε τὴν τειχομαχίαν κατέστησαν. [27] Οὗτοι ἐπειδὴ Ῥωμαίους εἶδον ἀπογνόντας τε καὶ ἀπορουμένους τὸ παρὸν θέσθαι, μηχανὴν τινα ἐπετεχνήσαντο, οἷα οὔτε Ῥωμαίων οὔτε Περσῶν τινί, ἐξ οὗ γεγόνασιν ἄνθρωποι, ἐς ἔννοιαν ἦλθε: καίτοι τεχνιτῶν μὲν πολλὸς ὁμιλος ἐν ἐκατέρᾳ πολιτείᾳ γέγονε τε αἰεὶ καὶ τανῦν ἐστιν. [28] ἐς χρείαν δὲ πολλὰκις ἐς τὸν πάντα αἰῶνα κατέστησαν τῆς μηχανῆς ἐκάτεροι ταύτης, ἐς ἐρύματα τειχομαχοῦντες ἐν χωρίοις σκληροῖς καὶ δυσβάτοις τισὶ κείμενα: ἀλλ' αὐτῶν οὐδενὶ τὸ ἐνθύμημα τοῦτο γεγένηται ὅπερ τούτοις δὴ τοῖς βαρβάροις τανῦν γέγονεν: οὕτως αἰεὶ προϊόντι τῷ χρόνῳ συννεωτερίζειν τῶν πραγμάτων τὰς ἐπινοίας φιλεῖ τῶν ἀνθρώπων ἡ φύσις. [29] κριὸν γὰρ αὐτοσχεδιάζουσιν οἱ Σάβειροι οὗτοι, οὐχ ἥπερ εἰώθει, [30] ἀλλὰ καινουργήσαντες ἐτέρῳ τῷ τρόπῳ. οὐ γὰρ δοκοὺς ἐς τὴν μηχανὴν ταύτην, οὐκ ὀρθὰς, οὐκ ἐγκαρσίας ἐμβέβληνται, ἀλλὰ ῥάβδους παχείας τινὰς ἐς ἀλλήλας ξυνδέοντες, καὶ αὐτὰς ἀντὶ τῶν δοκῶν πανταχόθι ἐναρμοσάμενοι, βύρσαις τε τὴν μηχανὴν καλύψαντες ὅλην τὸ τοῦ κριοῦ διεσώσαντο σχῆμα, μίαν δοκὸν μόνην, ἥπερ εἴθισται, κατὰ μέσσην τὴν μηχανὴν ἀλύσεσιν ἀναρτήσαντες χαλαραῖς τισίν, ἥπερ τὸ ἄκρον ὀξὺ γεγεννημένον καὶ σιδήρῳ περικαλυφθὲν ὥσπερ βέλους ἀκίς ἐμελλε συχνὰ κατὰ τοῦ περιβόλου ἐμβάλλεσθαι. [31] οὕτω δὲ κούφην τὴν μηχανὴν ἀπειργάσαντο, ὥστε οὐκέτι αὐτὴν πρὸς ἀνδρῶν τῶν ἔνδον ὄντων ἐφέλκεσθαι ἢ διωθεῖσθαι ἀναγκαῖον ἐγένετο, ἀλλ' ἄνδρες τεσσαράκοντα, οἳ καὶ τὴν δοκὸν ἀνασύρειν τε καὶ κατὰ τοῦ περιβόλου ἐμβάλλεσθαι ἐμελλον, ἔνδον τῆς μηχανῆς ὄντες καὶ ὑπὸ τῶν βυρσῶν καλυπτόμενοι ἔφερον τὸν κριὸν ἐπὶ τῶν ὤμων οὐδενὶ πόνῳ. [32] Τρεῖς μὲν οὗτοι οἱ βάρβαροι μηχανὰς τοιαύτας εἰργάσαντο, τὰς δοκοὺς ξὺν τῷ σιδήρῳ ἐκ τῶν κριῶν ἀφελόμενοι, οὓς δὴ Ῥωμαῖοι ἐν παρασκευῇ ἔχοντες οὐχ οἷοι τε ἦσαν ἐς τὸ τεῖχος ἐφέλκειν: ὑποδύντες δὲ αὐτῶν ἐκάστην οὐχ ἥσσους ἢ κατὰ τεσσαράκοντα στρατιῶται Ῥωμαῖοι ἀριστίνδην ἀπολεχθέντες ὥς ἀγχοτάτω τοῦ τεύχους ἔθεντο. [33]

ἐκατέρωθεν δὲ μηχανῆς ἐκάστης ἕτεροι ἴσταντο, τεθωρακισμένοι τε καὶ κράνεσι τὰς κεφαλὰς ἐς τὸ ἀκριβὲς κεκαλυμμένοι καὶ κοντοὺς ἔχοντες, ὥνπερ τὰ ἄκρα σιδηρίοις ἀγκιστροειδέσιν ἐρήρειστο, τούτου δὴ παρεσκευασμένων αὐτοῖς ἔνεκα, ὅπως, ἐπειδὴν ἡ τοῦ κριοῦ ἐς τὸν περίβολον ἐμβολὴ ξυγχῆρῃ τὰς τῶν λίθων ἐπιβολάς, τούτοις δὴ τοῖς κοντοῖς περιαιρεῖν τε τοὺς ξυγχεομένους τῶν λίθων καὶ ἀπορρίπτειν δυνατοὶ εἶεν. [34] Ῥωμαῖοι μὲν οὖν ἔργου εἶχοντο καὶ τὸ τεῖχος ἤδη συχναῖς ταῖς ἐμβολαῖς κατεσεῖετο, οἱ δὲ τῶν μηχανῶν ἐφ' ἐκάτερα ὄντες τοῖς ἀγκιστροειδέσι κοντοῖς τῶν λίθων τοὺς ξυνταρασσομένους ἀπὸ τῆς κατὰ τὴν οἰκοδομίαν ξυνθήκης ἐρρίπτουν, ἀλώσεσθαι τε ἡ πόλις αὐτίκα δὴ μάλα ἐπίδοξος ἦν. [35] Οἱ δὲ Πέρσαι ἐπενόουν τάδε. ξύλινον πύργον, ὅσπερ αὐτοῖς ἐκ παλαιοῦ παρεσκεύαστο, καθύπερθεν τοῦ περιβόλου ἐτίθεντο, ἀνδρῶν ἐμπλεων τῶν ἐν σφίσι μαχιωτάτων, ἥλοις τε σιδηροῖς καὶ θώραξι τὰς τε κεφαλὰς καὶ τὸ ἄλλο σῶμα περιβαλόντων. [36] ἀγγεῖα δὲ θεοῦ τε καὶ ἀσφάλτου ἐμπλησάμενοι καὶ φαρμάκου ὅπερ Μῆδοι μὲν νάφθαν καλοῦσιν, Ἕλληνες δὲ Μηδείας ἔλαιον, πυρί τε ταῦτα ὑφάψαντες ἐπὶ τὰς μηχανὰς τῶν κριῶν ἔβαλλον, ὥσπερ ὀλίγου ἐμπιπράναι πάσας ἐδέησαν. [37] ἀλλ' οἱ παρὰ ταύτας, ὥσπερ μοι ἐρρήθη, ἐστῶτες, τοῖς κοντοῖς, ὥνπερ ἐπεμνήσθην ἀρτίως, ἐνδελεχέστατα περιαιροῦντες τὰ βαλλόμενα καὶ περικαθαίροντες, ἅπαντα ἐς τὸ ἔδαφος ἐκ τῶν μηχανῶν εὐθὺς ἐρρίπτουν. [38] οὐκ ἐπὶ πολὺ δὲ πρὸς τὸ ἔργον τοῦτο ἀνθέξειν ὑπόπτειον: τὸ γὰρ πῦρ οὗ προσψάυσειεν ἐνεπίμπρα αὐτίκα, εἰ μὴ εὐθυωρὸν ἀποβληθεῖη. ταῦτα μὲν οὖν ἐπράσσετο τῇδε. [39] Βέσσας δὲ αὐτὸς τεθωρακισμένος καὶ ἅπαν ἐξοπλίσας τὸ στρατεύμα κλίμακας πολλὰς ἐς τὸ πεπτωκὸς τοῦ τείχους προῆγε. [40] καὶ λόγῳ τοσοῦτον παραθαρρύνας, ὅσον μὴ ἀμβλῦναι τοῦ καιροῦ τὴν ἀκμήν, ἔργοις τῆς παρακελεύσεως τὰ λοιπὰ ἔνειμεν. ἀνὴρ γὰρ πλέον ἢ ἐβδόμηκοντα γεγωνὸς ἐτῶν καὶ παντάπασιν ἔξωρος ὢν ἤδη πρῶτος ἐπέβη τῆς κλίμακος. [41] ἐνταῦθα μάχη καὶ ἀρετῆς ἐπίδειξις γίνεται Ῥωμαίοις τε καὶ Πέρσαις οἷαν ἔγωγε κατὰ τοῦτον τὸν χρόνον οὐδαμῇ οἶμαι ξυνενεχθῆναι. [42] τὸ μὲν γὰρ βαρβάρων πλῆθος εἰς δισχιλίους καὶ τριακοσίους ξυνήει, Ῥωμαῖοι δὲ ἐς ἑξακισχιλίους ἐτύγχανον ὄντες. [43] καὶ αὐτῶν ἐκατέρωθεν ὅσοι οὐ διεφθάρησαν τραυματίαι σχεδὸν τι γεγόνاسι πάντες, ὀλίγοις τε λίαν ἐπ' ἀθώοις τοῖς σώμασι περιεῖναι ξυνέβη. Ῥωμαῖοι μὲν οὖν τὴν ἀνάβασιν ἐβιάζοντο δυνάμει τῇ πάσῃ, Πέρσαι δὲ αὐτοὺς πόνῳ πολλῷ ἀπεκρούοντο. [44] ἀμφοτέρωθεν δὲ κτεινομένων πολλῶν οὐ μακράν που ἐγένοντο τοῦ ἀπεῶσθαι τὸν κίνδυνον Πέρσαι: ὠτισμοῦ γὰρ πολλοῦ ἐν τῇ τῶν κλιμάκων ὑπερβολῇ γεγενημένου ἄλλοι τε Ῥωμαίων συχνοὶ ἅτε πολεμίους καθύπερθεν οὔσι μαχόμενοι ἔθνησκον καὶ Βέσσας ὁ στρατηγὸς ἐς τὸ ἔδαφος πεσὼν ἔκειτο. [45] καὶ τότε δὴ κραυγῆς ἐξαισίας πρὸς ἀμφοτέρων γεγενημένης οἱ μὲν βάρβαροι πανταχόθεν ξυρρέοντες ἐπ' αὐτὸν ἔβαλον, οἱ δὲ δορυφόροι ξυνέστησάν τε σπουδῇ ἀμφ' αὐτὸν καὶ κράνη μὲν ἐν ταῖς κεφαλαῖς ἔχοντες, θώρακας δὲ ἀμπερόμενοι πάντες, ἔτι μέντοι καθύπερθεν ταῖς ἀσπίσι φραζάμενοι καὶ ἐν χρῶ ξυνιόντες ἀλλήλοις, ὀροφῆς αὐτῷ σχῆμα ἐποιοῦν καὶ τὸν τε στρατηγὸν ὥς ἀσφαλέστατα ἔκρυψαν καὶ τὰ βαλλόμενα παντὶ σθένει ἀπεκρούοντο. [46] καὶ πάταγος μὲν τῶν αἰετῶν πεμπομένων κἀν ταῖς ἀσπίσιν τε καὶ τοῖς ἄλλοις

ὄπλοις ἀποκαυλιζομένων πολλὺς ἐγεγόνει, κραυγῇ δὲ καὶ ἄσθητι καὶ
ταλαιπωρίᾳ ἕκαστος εἶχετο. [47] Ῥωμαῖοι τε ἅπαντες τῷ στρατηγῷ ἀμύνειν ἐν
σπουδῇ ἔχοντες ἔβαλλον ἐς τὸ τεῖχος, οὐδένα ἀνιέντες καιρὸν, καὶ ταύτῃ τοὺς
πολεμίους ἀνέστελλον. [48] Τότε δὴ ὁ Βέσσας ὁὐδὲ γὰρ ἐξανίστασθαι εἶχε, τῆς
ὀπλίσεως ἀντιστατούσης, ἄλλως τε καὶ τοῦ σώματός οἱ οὐκ εὐσταλοῦς ὄντος,
ἦν γὰρ οὗτος ἀνὴρ εὐσαρκός τε καί, ὅπερ ἐρρήθη, ἐσχατογέρων οὐκ ἐς
ἀμυχανίαν ἐξέπεσε, καίπερ ἐς τοσοῦτον κινδύνου ἦκων, ἀλλὰ βουλευεταί τι
ἐκ τοῦ αἰφνιδίου ὥπερ αὐτόν τε καὶ τὰ Ῥωμαίων πράγματα διασώσασθαι
ἔσχε. [49] τοῖς γὰρ δορυφόροις ἐπέστελλε σύρειν τε αὐτόν ἐκ ποδὸς καὶ ὥς
ἀπωτάτω τοῦ τείχους ἐφέλκειν. [50] οἱ δὲ κατὰ ταῦτα ἐποίουν. καὶ αὐτόν οἱ μὲν
ἔσυρον, οἱ δὲ ξὺν αὐτῷ ὑπεχώρουν, τὰς μὲν ἀσπίδας ὑπερθεν ἐπὶ ἀλλήλους
ἔχοντες, τοσαύτην δὲ ποιούμενοι βάδισιν ὅσον ἐκεῖνος ἐσύρετο, ὥς μὴ
ἀπαρακάλυπτος γεγωνὼς πρὸς τῶν πολεμίων βληθεῖη. [51] ἐπειδὴ δὲ ὁ Βέσσας
ἐν τῷ ἀσφαλεῖ ἐγεγόνει, ἐξανίστατό τε καὶ παρακελευσάμενος ἐπὶ τὸ τεῖχος
ἦει, τῆς τε κλίμακος ἐπιβατεύσας αὐθις ἐπὶ τὴν ἀνάβασιν ὥρμητο. [52]
ἐπισπόμενοι δὲ Ῥωμαῖοι πάντες ἔργα ἐς τοὺς πολεμίους ἐπεδείκνυντο ἀρετῆς
ἄξια. περίφοβοί τε γινόμενοι Πέρσαι καιρὸν σφίσι τινὰ τοὺς ἐναντίους
διδόναί ἤτουν, ὅπως συσκευασάμενοι ἀπαλλάσσωνται τὴν πόλιν ἐνδόντες. [53]
Βέσσας δὲ δολώσεις αὐτοὺς ἐπιτεχνάσασθαι ὑποτοπάζων, ὅπως μεταξὺ
κρατύνωνται τὸ τοῦ περιβόλου ὀχύρωμα, τὴν μὲν ξυμβολὴν καταπαύειν ἔφη
οὐχ οἷός τε εἶναι, τοὺς δὲ ἀμφὶ τῇ ὁμολογίᾳ βουλομένους αὐτῷ ξυγγενέσθαι,
τῶν στρατοπέδων μαχομένων, οὐδέν τι ἦσσαν εἰς ἑτέραν τινὰ ξὺν αὐτῷ ἰέναι
τοῦ τείχους μοῖραν, δείξας τι χωρίον αὐτοῖς. [54] Τῶν δὲ οὐκ ἐνδεχομένων τὸν
λόγον γίνεται μὲν αὐθις καρτερὰ τις μάχη καὶ ὠθισμὸς πολλός, ἔτι δὲ
ἀγχωμάλου τῆς ξυμβολῆς οὔσης ξυνηνέχθη τὸ τεῖχος ἐτέρωθι, οὐπερ
διορύξαντες Ῥωμαῖοι πρότερον ἔτυχον, ἐξαπιναιῶς καταπεσεῖν. ἐνταῦθα οὖν
πολλοὶ ἐξ ἀμφοτέρων ξυνέρρεον. [55] καὶ Ῥωμαῖοι μὲν πλήθει τοὺς πολεμίους
παρὰ πολὺ ὑπεραίροντες, καίπερ δίχα διηρημένοι, πολλῶ ἔτι μᾶλλον
βάλλοντές τε καὶ ὠθοῦντες καρτερώτατα τοῖς ἐναντίοις ἐνέκειντο. [56] Πέρσαι
δὲ οὐκέτι ὁμοίως ἀντεῖχον, ἐκατέρωθι βιαζόμενοι, ἀλλὰ διαιρεθεῖσα ἡ
ὀλιγανθρωπία ἐς ἄμφω τὰ μέρη διαφανῆς ἦν. [57] οὕτω δὲ πονουμένων
ἀμφοτέρων ἔτι τῶν στρατευμάτων καὶ οὔτε Περσῶν ἀποκρούεσθαι
δυναμένων ἐγκειμένους σφίσι τοὺς πολεμίους οὔτε Ῥωμαίων βιάζεσθαι
παντάπασι τὴν εἴσοδον οἶων τε ὄντων, νεανίας ἀνὴρ, Ἀρμένιος γένος,
Ἰωάννης ὄνομα, Θωμᾶ υἱὸς ὄνπερ ἐπὶ κλησιν ἐκάλουν Γούζην, τὰ μὲν
καταπεπτοκότα τοῦ περιβόλου καὶ τοὺς ἐνταῦθα ὠθισμοὺς εἶασεν, Ἀρμενίων
δὲ τῶν οἱ ἐπομένων ἐπαγαγόμενος ὀλίγους τινὰς διὰ τοῦ κρημνωδους, ἥπερ
ἅπαντες τὴν πόλιν ἀνάλωτον εἶναι ὑπόπτειον, βιασάμενος ἀνέβη τοὺς ταύτῃ
φρουρούς. [58] κατὰ τε τὰς ἐπάλξεις γενόμενος ἓνα Περσῶν τῶν τῆδε
ἀμυνομένων, ὅπερ μαχιμώτατος ἐδόκει εἶναι, δόρατι ἔκτεινεν. ἐσβατόν τε
Ῥωμαίοις ξυνηνέχθη τρόπῳ τοιῷδε. [59] Πέρσαι οἱ ἐν πύργῳ τῷ ξυλίνῳ
ἐστήκεσαν μέγα τι χρῆμα τῶν πυρφόρων ἀγγείων ὑψηλῶν, ὅπως τῶν
βαλλομένων τῷ περιόντι καταφλέξαι αὐτοῖς ἀνδράσι τὰς μηχανὰς οἷοί τε
ᾧσιν, οὐ δυναμένων τῶν ἀμυνομένων ἅπαντα τοῖς κοντοῖς διωθεῖσθαι. [60]

πνεῦμα δὲ νότου σκληρόν τε καὶ ὑπερφυῆς ἄγαν ἐξαπινάϊως ἐξ ἐναντίας αὐτοῖς ζὼν πολλῶ πατάγῳ ἐπιπεσόν, τῶν τοῦ πύργου σανίδων ἀμηγέπη μιᾷ ἦπατο. [61] οὐ ζυνιέντων δὲ αὐτίκα τῶν ἐνταῦθα Περσῶν ἴκοντο γὰρ καὶ θορύβῳ καὶ δέει καὶ ταραχῇ ἀμέτρῳ εἶχοντο ἅπαντες, ἥ τε ἀνάγκη αὐτοῖς παρηρεῖτο τὴν αἴσθησιν ἢ φλόξ κατὰ βραχὺ αἰρομένη τῷ τε τῆς Μηδείας ἐπωνύμῳ ἐλαίῳ καὶ οἷσπερ ἄλλοις ἐξήρτυτο τὸν πύργον ὅλον καὶ Πέρσας τοὺς ἐνταῦθα ἐνέπρησεν. [62] ἐξηνθακωμένοι τε ἅπαντες ἔπεσον, οἱ μὲν ἐντὸς τοῦ περιβόλου, οἱ δὲ τούτου ἐκτός, ἵνα δὴ αἱ τε μηχαναὶ καὶ οἱ ἀμφ' αὐτὰς Ῥωμαῖοι ἐστήκεσαν: οὕτω δὲ καὶ οἱ ἄλλοι Ῥωμαῖοι, ὅσοι δὴ ἐς τοῦ περιβόλου τὰ καταπεπτοκότα ἐμάχοντο, ἐνδιδόντων σφίσι τῶν πολεμίων ἐς τε ὀλιγορίαν ἐμπεπτοκότων, ἐντὸς τοῦ περιβόλου ἐγένοντο, καὶ κατ' ἄκρας ἢ Πέτρα ἐάλω. [63] Τῶν μὲν οὖν Περσῶν ἐς πεντακοσίους ἐς τὴν ἀκρόπολιν ἀναδραμόντες καὶ τὸ ἐκεῖνη καταλαβόντες ὀχύρωμα ἡσυχῇ ἔμενον, τοὺς δὲ ἄλλους Ῥωμαῖοι, ὅσους οὐκ ἔκτειναν ἐν τῇ ξυμβολῇ, ἐζώγρησαν ἅπαντας ἐς τριάκοντα καὶ ἑπτακοσίους μάλιστα ὄντας. [64] καὶ αὐτῶν ὀκτὼ μὲν καὶ δέκα ἀκραιφνεῖς εὖρον, οἱ δὲ λοιποὶ ἅπαντες τραυματῖαι ὄντες ἐτύγχανον. ἔπεσον δὲ καὶ Ῥωμαίων πολλοὶ τε καὶ ἄριστοι, καὶ Ἰωάννης ὁ Θωμᾶ υἱός, λίθῳ τὴν κεφαλὴν ἐν τῇ ἐς τὴν πόλιν εἰσόδῳ πρὸς τοὺς τῶν βαρβάρων βληθεὶς ἔργα τε θαυμαστὰ ἐς τοὺς πολεμίους ἐπιδειξάμενος.

Τῇ δὲ ἐπιγενομένῃ ἡμέρᾳ Ῥωμαῖοι τῶν βαρβάρων τοὺς τὴν ἀκρόπολιν καταλαβόντας πολιορκοῦντες λόγους προὔφερον, τὴν τε σωτηρίαν αὐτοῖς προτεινόμενοι καὶ τὰ πιστὰ δώσειν ὑπὲρ τούτων ὁμολογοῦντες, ταύτῃ Πέρσας παραδοκοῦντες σφᾶς αὐτοὺς ἐγχειριεῖν σφίσιν. [2] οἱ δὲ αὐτῶν οὐκ ἐνδεχόμενοι τοὺς λόγους ἐς ἀντίστασιν εἶδον, καίπερ οὐκ ἐπὶ πολὺ ἀνθέξειν τῇ ταλαιπωρίᾳ οἰόμενοι, ἀλλὰ δι' ἀρετὴν θανατῶντες. [3] Βέσσας δὲ αὐτοὺς ἀποστήσαι τῆς γνώμης ἐθέλων ἀντικαταστήσαι τε ἐς τὴν τῆς σωτηρίας ἐπιθυμίαν, τῶν τινὰ Ῥωμαίων στρατιωτῶν ὡς πλησιαιτάτα αὐτοῖς ἰέναι κελεύει παραίνεσίν τέ τινα ἐς τοὺς ἀνθρώπους ποιήσασθαι, δηλώσας ὅσα δὴ ἐς αὐτοὺς εἶπεῖν βούλοιο. [4] Καὶ ὃς ἀγχοτάτῳ γενόμενος ἔλεξε τοιάδε: 'Τί πεπονθότες ἐφ' ὑμῖν αὐτοῖς, ὧ βέλτιστοι Πέρσαι, τὸν ὀλεθρον διατείνεσθε τοῦτον, ἐπιτηδεύοντες τὰ θανάσιμα σπουδῇ ἀλογίστῳ καὶ τῆς ἀρετῆς τὰ ἐπιτηδεύματα διαφανῶς ἀτιμάζοντες; οὐ γάρ ἐστιν ἀνδρεῖον τὸ τοῖς ἀμηχάνοις ἀντιστατεῖν, οὐδὲ ζυνετὸν τὸ μὴ βούλεσθαι τοῖς κεκρατηκόσιν ὑπέκειν: οὐδὲ μὴν ἄδοξόν τ' οὐδὲ τύχη τῇ παρούσῃ [5] ἐπομένους βιώναι.' ἀνάγκη γὰρ οὐδὲ ἀγαθῆς τινὸς ἐλπίδος τυχοῦσα τὴν ἀτιμίαν ἐκφεύγει δικαίως, ἣν καὶ τῶν ἔργων περιβάλλεται τὰ αἰσχροτάτα: κακῷ γὰρ τῷ ἀμηχάνῳ τὸ σύγγνωμον ἔπεσθαι πέφυκε. [6] μὴ τοίνυν τὴν ἀπόνοιαν ἐν προὔπτῳ ζηλοῦτε κινδύνῳ, μηδὲ τῆς σωτηρίας τὴν ἀλαζονεῖαν ἀλλάξασθε, ἀλλ' ἐνθυμεῖσθε ὡς ἀναβιώσεσθαι μὲν τοὺς τετελευτηκότας ἀδύνατον, οἱ δὲ περιόντες καὶ χρόνῳ διαχρήσονται σφᾶς αὐτοὺς ὕστερον, ἣν γε τοῦτο κρεῖσσον εἶναι δοκῇ. [7] βουλεύσασθε οὖν τὴν ὑστάτην βουλήν καὶ περισκοπεῖσθε τὰ ζύμφορα, ἐκεῖνο εἰδότες, ὡς ταῦτα ἂν τῶν βουλευμάτων τὰ βέλτιστα εἴη ἐν οἷς τὸ μεταμέλειν τοῖς βουλευσαμένοις ἐν ἐξουσίᾳ ἔσται. [8] ὡς ἡμεῖς γε ὑμᾶς καὶ ζυγομαχοῦντας οἰκτείρομεν καὶ θανατῶντων φειδόμεθα καὶ πρὸς τὸν βίον ἐνδιαθρυπτομένους

τε καὶ βλακεύοντας ἔλεειν ἀξιοῦμεν, ἥ Ῥωμαίοις Χριστιανοῖς νόμος. [9] ἄλλο τε ὑμῖν περιέσται οὐδέν, πλήν γε δὴ ὅτι τὴν πολιτείαν ἐπὶ τὰ βελτίω μεταβαλόντες Ἰουστινιανὸν ἀντὶ Χοσρόου κύριον ἔξετε: ὑπὲρ γὰρ τούτων ὑμῖν καὶ τὰ πιστὰ δώσιν ὁμολογοῦμεν. [10] μὴ τοίνυν ὑμᾶς αὐτοὺς διαχρήσησθε, παρὸν σώζεσθαι. οὐ γὰρ εὐτυχὲς ἐμφιλοχωρεῖν τοῖς δεινοῖς ἐπὶ οὐδεμιᾷ τὸ παράπαν ὀνήσει, ἐπεὶ οὐκ ἀνδραγαθίζεσθαι, ἀλλὰ θανατᾶν τοῦτό γε. [11] γενναῖος δὲ ὃς ἂν ἐγκατερῇ τὰ δεινότατα, ἡνίκα τι προσδοκᾷ ἀπ' αὐτοῦ χρήσιμον. οὐ γὰρ ἐπαινοῦσι τὴν ἐκούσιον τελευτὴν ἄνθρωποι, ἔνθα δὴ τις ἐπίκειται κρείσσων τῷ κατ' αὐτὴν κινδύνῳ ἐλπίς, ἀλλὰ βίου μὲν καταστροφή ἄχρηστος ἄνοια προπετής, τὸ δὲ εἰς θάνατον ἀνόητον θράσος τοῦ δραστηρίου πρόσχημα οὐκ εὐπρεπὲς τοῖς γε σώφροσιν εἶναι δοκεῖ. [12] καίτοι καὶ τοῦτο ἐκλογίζεσθαι χρή, μὴ τι δόξητε καὶ εἰς τὸ θεῖον ἀγνωμονεῖν. εἰ γὰρ ἀπολεῖν ἐβούλετο, ὃ ἄνδρες, ὑμᾶς, οὐκ ἂν, οἶμαι, παραδεδώκει τοῖς διασώζειν ἐφιεμένους. [13] τὰ μὲν οὖν παρ' ἡμῶν τοιαῦτά ἐστι, βουλευσέσθε δὲ ὑμεῖς δηλονότι ὧν περ ἀξίοις ὑμῖν ζυμβαίνει εἶναι.' [14] Ἡ μὲν παραίνεσις ταύτῃ πῃ εἶχε. Πέρσαι δὲ τοὺς λόγους οὐδὲ ὅσον ἀκοῇ δέχεσθαι ἤθελον, ἀλλ' ἐθελοκωφοῦντες ὅτι δὴ οὐκ ἐπαῖοιεν προσεποιοῦντο. [15] καὶ τότε, τοῦ στρατηγοῦ ἐγκελευσαμένου, Ῥωμαῖοι πῦρ τῇ ἀκροπόλει ἐμβέβληνται, τῷ τρόπῳ τούτῳ ἐνδῶσιν τὰ σώματα σφίσι τοὺς πολεμίους οἰόμενοι. [16] τῆς δὲ φλογὸς ἐπὶ μέγα χωρούσης οἱ βάρβαροι, τοῦ πάθους αὐτοῖς ἐν ὀφθαλμοῖς ὄντος, ἐξεπιστάμενοι ὅτι δὴ σφίσιν αὐτίκα δὴ μάλα τετεφρῶσθαι ζυμβήσεται, ἐλπίδα οὐδεμίαν ἔχοντες, οὐδὲ εἰδότες καθ' ὃ τι σωθήσονται ἀμυνόμενοι, οὐδ' ὥς ὑποχείριοι τοῖς πολέμοις γενέσθαι ἤθελον, ἀλλὰ ζὺν τῇ ἀκροπόλει εὐθὺς ἅπαντες, θαυμάζοντες τὰ ποιούμενα τοῦ Ῥωμαίων στρατοῦ, καταφλεγόμενοι διεφθάρησαν. [17] δι' ὅσης τε σπουδῆς ὁ Χοσρόης Λαζικήν ἤγε τῆνικαδε φανερόν γεγονεν: ὃς γε στρατιώτας μὲν τοὺς πάντων λογιμωτάτους ἀπολεξάμενος ἐν τῷ τῆς Πέτρας κατεστήσατο φυλακτηρίῳ, ὅπλα δὲ κατέθετο τοσαῦτα τὸ πλῆθος, ὥστε ληϊσμένων αὐτὰ Ῥωμαίων στρατιώτῃ ἐκάστω πέντε ἀνδρῶν ἐπιβαλεῖν σκευήν, καίτοι κὰν τῇ ἀκροπόλει πολλὰ καυθῆναι ζυνέβη. [18] εὗρηται δὲ καὶ σίτου καὶ τεταριγευμένων κρεῶν μέγα τι χρῆμα καὶ τῶν ἄλλων ἐπιτηδείων, ὅσα δὴ ἔμελλε πενταετὲς τοῖς πολιορκουμένοις πᾶσιν ἐπαρκέσειν. [19] οἶνον δὲ οὐκ ἔτυχον ἐνταῦθα καταθέμενοι Πέρσαι, πλήν γε ὅτι τὸν τε ὀξίνην καὶ διαρκὴ κύαμον. [20] ἐπεὶ δὲ καὶ ὕδωρ ἐκ τοῦ ὀχετοῦ ἐπύρρεον ἐνταῦθα Ῥωμαῖοι εὔρον, ἐν θαύματι μεγάλῳ γενόμενοι διηποροῦντο, ὥς τὸν πάντα λόγον ἀμφὶ τοῖς κρυφίοις ὀχετοῖς ἔμαθον. ὃ τι δὲ τοῦτό ἐστιν αὐτίκα δηλώσω. [21] Ἡνίκα Πέτραν ὁ Χοσρόης ἐλὼν τῇδε τὸ φυλακτήριον κατεστήσατο, εὖ εἰδὼς ὥς Ῥωμαῖοι προσεδρεύσουσι μὲν αὐτῇ μηχανῇ πάσῃ, εὐθὺς δὲ διελεῖν τὴν ὀχεταγωγίαν μελλήσει οὐδεμιᾷ ἐγχειρήσουσιν, ἐπενόει τοιάδε. [22] τοῦτο δὴ τὸ ὕδωρ ὅπερ ἐς τὴν πόλιν εἰσήγετο ἐς τρεῖς διελὼν μοίρας κατὰ ῥυχά τε βαθεῖαν κοιμίδι ποιησάμενος, ὀχετοὺς ἐτεκτῆνατο τρεῖς, τὸν ἕνα μὲν κάτω ἐς τῆς κατὰ ῥυχος ταύτης τὰ ἔσχατα, κόπρῳ καὶ λίθοις καλύψας ἄχρι ἐς τὰ τῆς κατὰ ῥυχος μέσα: ἐνταῦθ' αὖτε κρύψας τὸν δεύτερον, ὑπερθεὶν τὸν τρίτον ἐδείματο, ὑπὲρ γῆς τε ὄντα καὶ ὀρατὸν πᾶσιν: ὥστε τριώροφον κεκρυμμένως τὸν ὀχετὸν εἶναι. [23] ὧν περ οὐ ζυνέντες κατ' ἀρχὰς

τῆς πολιορκίας Ῥωμαῖοι τοῦτον δὴ τὸν διαφανῆ ὀχετὸν διελόντες, ἐπίπροσθέν τε οὐκ ἐπεξαγαγόντες τὸν ἐπὶ διώρυγι πόνον, ἀλλὰ τοῦ ἔργου πρὸ τῆς ἐνθένδε ἀπωλείας ἀποπαυσάμενοι, ὥντο ἐνδεῖν τοῖς πολιορκουμένοις τὸ ὕδωρ, σφαλλούσης αὐτοῖς τὴν διάνοιαν τῆς παρὰ τὸ πονεῖσθαι ὀλιγωρίας. [24] τῆς δὲ προσεδρείας μηκυνομένης, τῶν τινὰς πολεμίων λαβόντες Ῥωμαῖοι ἔμαθον ἐκ τοῦ ὀχετοῦ τοὺς πολιορκουμένους ὑδρεῦεσθαι. [25] κατορύξαντες τοῖνον τὸν χῶρον εὐρίσκουσι τὸν δεῦτερον ὀχετὸν ἐνταυθὰ πη ὄντα, καὶ τοῦτον διελόντες αὐτίκα ὥντο ταύτῃ πᾶσαν κατειργάσθαι τῶν πολεμίων τὴν δύναμιν, οὐδὲ τοῖς δευτέροις ἐν τῇ ἀπ' αὐτῶν διδασκαλίᾳ παιδευθέντες τὰ πρότερα. [26] ἐπεὶ δὲ καὶ τὴν πόλιν ἐλόντες ἐπίρρεον, ὥσπερ μοι ἐρρήθη, ἐκ τοῦ ὀχετοῦ τὸ ὕδωρ εἶδον, ἐθαύμαζόν τε καὶ ἀπορίᾳ πολλῇ εἶχοντο. [27] τὸ δὲ γεγονὸς παρὰ τῶν αἰχμαλώτων ἀκούσαντες, τῆς τε τῶν πολεμίων ἐς τὰ ἔργα ἐπιμελείας καὶ τῆς σφετέρας παρὰ τοὺς πόνους ὀλιγωρίας ὀπίσω τῶν πραγμάτων ἡσθάνοντο. [28] Τοὺς μὲν οὖν αἰχμαλώτους ἅπαντας ὁ Βέσσας εὐθὺς βασιλεῖ ἔπεμψε, τὸν δὲ Πέτρας περίβολον ἐς ἔδαφος καθεῖλεν, ὥς μὴ πράγματα οἱ πολέμοι σφίσιν αὐθις παρέχωνται. [29] καὶ αὐτὸν βασιλεὺς ἀποδεδειγμένης τῆς ἀρετῆς ἐπήνεσεν ἐς τὰ μάλιστα καὶ τῆς εὐβουλίας, ὅτι δὴ ὅλον καθεῖλε τὸ τεῖχος. [30] γέγονεν οὖν ὁ Βέσσας αὐθις οἷς τε εὐημέρησεν οἷς τε ἀρετῆς πεποιῆται δήλωσιν ἀπόβλεπτος ἐς πάντας ἀνθρώπους. [31] ἥνίκα μὲν γὰρ ἐπὶ τῷ Ῥώμῃ φυλακτηρίῳ ἐτέτακτο, ἐλπίδα Ῥωμαῖοι πολλὴν ἐπ' αὐτῷ εἶχον ἅτε ἀνδρειοτάτῳ διαγεγονότι τὰ πρότερα. [32] ἐπεὶ δὲ αὐτῷ ἐνταυθα δεδυστυχηκέναι ξυνέπεσε, Ῥώμῃς τε οὕτω τοῖς Γότθοις ἀλούσης, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, καὶ διεφθαρμένου ἐκ τοῦ ἐπὶ πλεῖστον Ῥωμαίων τοῦ γένους, βασιλεὺς μὲν Ἰουστινιανὸς οὕτω δὴ ἐς Βυζάντιον ἀναστρέψαντα στρατηγὸν κατεστήσατο ἐπὶ Πέρσας αὐτόν. [33] διέσυρον δὲ τὴν πρᾶξιν ὥς εἰπεῖν ἅπαντες καὶ τὰ βασιλεῖ βεβουλευμένα ἐχλευάζον, εἰ τῷ Βέσσῃ τούτῳ, Γότθων τε ἡσσηθέντι κατὰ κράτος καὶ τυμβογέροντι γεγενημένῳ, πόλεμον τὸν Μηδικὸν ἐγχειρίσειεν ἐπὶ δυσμαῖς βίου. [34] ἀλλὰ τούτων σχεδὸν τι ἅπασι δεδογμένων, εὐτυχία τε καὶ ἀρετὴ τοιαῦδε τῷ στρατηγῷ τῷδε ξυνηνέχθη χρῆσθαι. οὕτως ἄρα οὐχ ἥπερ τοῖς ἀνθρώποις δοκεῖ, ἀλλὰ τῇ ἐκ θεοῦ ροπῇ πρυτανεύεται τὰ ἀνθρώπεια, ὃ δὴ τύχην εἰώθασι καλεῖν ἄνθρωποι, οὐκ εἰδότες ὅτου δὴ ἔνεκα ταύτῃ πρόεισι τὰ ξυμβαίνοντα ἥπερ αὐτοῖς ἐνδὴλα γίνεται. [35] τῷ γὰρ παραλόγῳ δοκοῦντι εἶναι φιλεῖ τὸ τῆς τύχης ὄνομα προσχωρεῖν. ἀλλὰ ταῦτα μὲν ὥς πη ἐκάστῳ φίλον, ταύτῃ δοκεῖτω.

Μερμερόης δέ, δείσας μὴ τι Πέτρα τε καὶ Πέρσαις τοῖς τῇδε ἀπολελειμμένοις φλαῦρον διὰ χρόνου μῆκος ξυμβαίῃ, ἄρας παντὶ τῷ στρατῷ ἐνταυθα ἦει, ἐπεὶ αὐτὸν ὁ καιρὸς μετὰ τὴν τοῦ χειμῶνος ὥραν ἐς τοῦτο ἐνήγγε. [2] μεταξὺ δὲ τὰ ξυμπεσόντα μαθὼν ἅπαντα τῆς μὲν ὁδοῦ ταύτης τὸ παράπαν ἀπέσχετο, εὖ εἰδὼς ὅτι δὴ ἐκτὸς ποταμοῦ Φάσιδος ἄλλο τι χωρίον Λαζοῖς ὅτι μὴ τὸ ἐν Πέτρᾳ οὐκ ἦν. [3] ἀναστρέψας δὲ καὶ καταλαβὼν τὰς ἐξ Ἰβηρίας ἐπὶ γῆν τὴν Κολχίδα εἰσόδους, ἵνα δὴ ὁ Φᾶσις διαβατός ἐστιν, αὐτόν τε πεζῇ διαμείψας καὶ οὐχ ἥκιστα ποταμόν, Ῥέοντα ὄνομα, οὐδὲ αὐτὸν ἐκείνῃ νουσίπορον ὄντα, τοῦ τε Φάσιδος ἐν δεξιᾷ ταύτῃ γενόμενος ἐπὶ πόλιν,

Ἀρχαιοπόλιν ὄνομα, ἥ πρώτη τε καὶ μεγίστη ἐν Λαζοῖς ἐστίν, ἐπῆγε τὸ στρατεύμα. [4] ἦσαν δὲ ὀλίγων χωρὶς ἵππεῖς ἅπαντες, καὶ αὐτοῖς ἐλέφαντες ὁκτὼ εἶποντο. ἐφ' ὧν δὴ ἐμελλόν ἰστάμενοι Πέρσαι τοὺς πολεμίους ὥσπερ ἐκ πύργων κατὰ κορυφῆς ἐνθένδε βάλλειν. [5] ὥστε εἰκότως ἂν τις Περσῶν τὴν ἐς τοὺς πολέμους ταλαιπωρίαν τε καὶ ἐπιτέχνησιν ἀγασθεῖη, οἳ γε τὴν ἐξ Ἰβηρίας ἐς τὴν Κολχίδα ὁδὸν φέρουσιν, κρημνώδεσιν τε νάπαις καὶ δυσχωρίαις λοχμώδεσιν πανταχόθι ξυνεχομένην, ὕλαις τε οὕτως ἀμφιλαφέσιν καλυπτομένην, ὥς καὶ ἀνδρὶ εὐζώνῳ δοκεῖν ἀπόρευτον τὰ πρότερα εἶναι, οὕτως ὁμαλῇ κατεστήσαντο ὥστε οὐχ ὅσον τὴν ἵππον αὐτῶν ὅλην πόνῳ οὐδενὶ ἐνθένδε ἰέναι, ἀλλὰ καὶ τῶν ἐλεφάντων ὅσους βούλοιντο ἐπαγομένους ταύτῃ στρατεύειν. [6] ἦλθον δὲ αὐτοῖς καὶ σύμμαχοι Οὐννοὶ ἐκ τῶν Σαβείρων καλουμένων δισχιλίοι τε καὶ μύριοι. [7] ἀλλὰ δέσας ὁ Μερμερόης μὴ ἐς πλῆθος τοσοῦτον ὄντες οἱ βάρβαροι οὗτοι μήτε τι αὐτῷ ὑπακούειν ἐπαγγέλλοντι ἐβελήσωσιν, ἀλλὰ καὶ τι ἀνῆκεστον ἐς τὸ Περσῶν στρατεύμα δράσωσι, τετρακισχιλίους μὲν ξυστρατεύεσθαι σφίσιν εἶασε, τοὺς δὲ λοιποὺς χρήμασι πολλοῖς δωρησάμενος ἐς τὰ πάτρια ἦθη ἀφῆκεν ἰέναι. [8] Ὁ δὲ Ῥωμαίων στρατὸς δισχιλίοι μὲν καὶ μύριοι ἦσαν, οὐ μὴν ἀγγεγερμένοι ἐς ταῦτο ἅπαντες, ἀλλ' ἐν μὲν τῷ ἐν Ἀρχαιοπόλει φυλακτηρίῳ τρισχιλίοι ἦσαν, ὧν Ὀδόναχος τε καὶ Βάβας ἦρχον, ἄμφω ἀγαθοὶ τὰ πολέμια· [9] οἱ δὲ δὴ ἄλλοι ἐντὸς τῶν ἐκβολῶν ποταμοῦ Φάσιδος ἐνστρατοπεδευσάμενοι ἔμενον, ἐκεῖνο διανοοῦμενοι, ὥστε ἦν πῃ ἐπισκῆπη ὁ τῶν πολεμίων στρατός, αὐτοὶ ἐνθένδε ἐξανιστάμενοι βοηθοῖεν δυνάμει τῇ πάσῃ. [10] ἦρχον δὲ αὐτῶν Βενίλος τε καὶ Οὐλίγαρος· ξυνῆν δὲ αὐτοῖς καὶ Οὐαράζης ὁ Περσαρμένιος, ἄρτι ἐξ Ἰταλίας ἦκων, ᾧ δὴ Τζάνοι ὀκτακόσιοι εἶποντο. [11] Βέσσας γάρ, ἐπειδὴ τάχιστα τὴν Πέτραν εἶλε, πονεῖν μὲν ἔτι οὐδαμῇ ἠθέλεν, ἐς δὲ Ποντικούς καὶ Ἀρμενίους ἀποχωρήσας ἐπεμελεῖτο ὥς ἐνὶ μάλιστα τῶν ἀπὸ τῆς ἀρχῆς αὐτοῦ πόρων, ταύτῃ τε τῇ σμικρολογία τὰ Ῥωμαίων αὐθις πράγματα ἔσφηλεν. [12] εἰ γὰρ εὐθὺς τότε νενικηκώς, ἥπερ μοι εἴρηται, καὶ τὴν Πέτραν ἐλὼν ἐς τὰ Λαζῶν τε καὶ Ἰβήρων ὅρια ἦλθε καὶ τὰς ἐκεῖνῃ δυσχωρίας ἐφράξατο, οὐκ ἂν, μοι δοκεῖ, ἔτι Περσῶν στρατεύμα ἐς Λαζικὴν ἦει. [13] νῦν δὲ ὁ στρατηγὸς οὗτος τοῦ πόνου τούτου ὀλιγορήσας μόνον οὐχὶ τοῖς πολεμίοις Λαζικὴν αὐτοχειρὶ παραδέδωκε, τῆς ἐκ βασιλέως ὀργῆς ὀλίγα φροντίσας. [14] εἰώθει γὰρ Ἰουστινιανὸς βασιλεὺς ἐπιχωρεῖν τὰ πολλὰ τοῖς ἄρχουσιν ἀμαρτάνουσι, καὶ ἀπ' αὐτοῦ ἕς τε τὴν δίαitan καὶ τὴν πολιτείαν ἐκ τοῦ ἐπὶ πλεῖστον παρανομοῦντες ἠλίσκοντο. [15] Ἦν δὲ Λαζῶν φρούρια δύο πρὸς αὐτοῖς μάλιστα τοῖς Ἰβηρίας ὁρίοις, Σκάνδα τε καὶ Σαραπανίς. ἅπερ ἐν δυσχωρίαις κείμενα χαλεπαῖς τισὶ καὶ ὅλως δυσκόλοις δυσπρόσοδα ὑπερφυῶς ὄντα ἐτύγγανε. [16] ταῦτα Λαζοὶ μὲν τὸ παλαιὸν πόνῳ πολλῷ ἐφρούρουν, ἐπεὶ ἐνταῦθα τῶν ἐδωδύμων τὸ παράπαν οὐδὲν φύεται, ἀλλὰ φέροντες ἄνθρωποι ἐπὶ τῶν ὤμων τὰ ἐπιτήδεια ἐσεκομίζοντο. [17] βασιλεὺς δὲ Ἰουστινιανὸς κατ' ἀρχὰς τοῦδε τοῦ πολέμου Λαζοὺς ἀναστήσας ἐνθένδε Ῥωμαίων φρουρὰν στρατιωτῶν κατεστήσατο. [18] οἳ δὴ οὐ πολλῷ ὕστερον, πιεζόμενοι τῶν ἀναγκαίων τῇ ἀπορίᾳ, τὰ φρούρια ταῦτα ἐξέλιπον, ἐπεὶ αὐτοὶ μὲν ἐλύμοις ἀποζῆν ὥσπερ οἱ Κόλχοι ἐς πλείω χρόνον, οὐκ εἰωθὸς σφίσιν, ὥς ἥκιστα

εἶχον, Λαζοὶ δὲ αὐτοῖς μακρὰν ὁδὸν πορευόμενοι φέροντές τε τὰ ἐπιτήδεια πάντα οὐκέτι ἀντεῖχον. [19] Πέρσαι δὲ αὐτὰ καταλαβόντες ἔσχον, ἔν τε ταῖς σπονδαῖς αὐτὰ Ῥωμαῖοι ἀπέλαβον τὰς ἀντιδόσεις Βώλου τε τοῦ φρουρίου καὶ τοῦ Φαραγγίου πεπονημένοι, ὥσπερ μοι ταῦτα ἐν τοῖς ἔμπροσθεν λόγοις πάντα ἐρρήθη. [20] Λαζοὶ μὲν οὖν ταῦτα τὰ φρούρια ἐς ἔδαφος καθεῖλον, ὥς μὴ αὐτὰ Πέρσαι ἐπιτειχίσματα κατὰ σφῶν ἔχοιεν. Πέρσαι δὲ αὐτοῖν θάτερον, ὅπερ Σκάνδα καλοῦσιν, αὐθις οἰκοδομησάμενοι ἔσχον, ὃ τε Μερμερόης ἐπίπροσθεν ἦγε τὸν Μήδων στρατόν. [21] Ἦν δὲ πόλις ἐν τῷ πεδίῳ, Ῥοδόπολις ὄνομα, ἥπερ ὑπηντίαζε πρώτη τοῖς ἐς τὴν Κολχίδα ἐξ Ἰβηρίας ἐσβάλλουσιν, εὐέφοδός τε καὶ ἐπιμαχωτάτη ἐς τὰ μάλιστα. [22] διὸ δὴ αὐτὴν πολλῷ πρότερον δείσαντες Λαζοὶ τὴν Περσῶν ἔφοδον ἐς ἔδαφος καθεῖλον. ὅπερ ἐπεὶ οἱ Πέρσαι ἔμαθον, [23] εὐθὺ Ἀρχαιοπόλεως ἦσαν. γνούς δὲ ὁ Μερμερόης τοὺς πολεμίους ἀμφὶ τὰς ἐκβολὰς ἐνστρατοπεδεύεσθαι ποταμοῦ Φάσιδος ἐπὶ αὐτοὺς ἤλαυνεν. [24] ἄμεινον γάρ οἱ ἔδοξεν εἶναι τούτους πρότερον ἐξελόντι οὕτω δὴ ἐς τῆς Αρχαιοπόλεως τὴν πολιορκίαν καθίστασθαι, ὥς μὴ ὀπισθεν αὐτοὶ ἰόντες κακουργήσωσι τὸ Περσῶν στράτευμα. [25] ὥς ἀγχοτάτω δὲ τοῦ Αρχαιοπόλεως περιβόλου γενόμενος ἡσπάσατο ἐρεσχελῶν τε τοὺς ταύτη Ῥωμαίους, καὶ τι νεανιευσάμενος ὥς αὐτίκα δὴ μάλα ἐπανήξει σφίσι. [26] βουλομένῳ γάρ οἱ αὐτῷ ἔφασκεν εἶναι Ῥωμαίους τοὺς ἄλλους προσειπεῖν πρότερον, οἳ δὴ ἐνστρατοπεδεύονται ἀμφὶ ποταμὸν Φᾶσιν. [27] οἳ δὲ ἀποκρινάμενοι ἰέναι μὲν αὐτὸν ἐκέλευον ὅπῃ βούλοιο, ἰσχυρίσαντο μέντοι ὥς, ἦν τοῖς ἐκείνη Ῥωμαίοις ἐντύχη, οὐ μὴ ποτε αὐτοῖς ἐπανήξει. [28] ταῦτα ἐπεὶ οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες ἔμαθον, κατωρρώδησάν τε καὶ ἥσους οἰόμενοι εἶναι ἢ φέρειν τῶν ἐπιόντων τὴν δύναμιν ἐς τὰς σφίσι παρεσκευασμένας ἀκάτους ἐμβάντες ποταμὸν Φᾶσιν διεπορθεύσαντο ἅπαντες, τῶν σφίσι παρόντων ἐπιτηδείων, ὅσα μὲν διακομίζειν οἷοί τε ἦσαν, ἐν ταῖς ἀκάτοις ἐνθέμενοι, τὰ δὲ ἄλλα ἐς τὸν ποταμὸν ἐμβεβλημένοι, ὅπως μὴ αὐτοῖς οἱ πολέμιοι τρυφᾶν δύνωνται. [29] γενόμενος οὖν ἐνταῦθα παντὶ τῷ στρατῷ ὁ Μερμερόης οὐ πολλῷ ὕστερον, ἔρημόν τε παντάπασιν ἰδὼν τὸ τῶν πολεμίων στρατόπεδον ἥσχαλλέ τε καὶ ἀπορούμενος ἐδυσφορεῖτο. [30] καύσας τε τὸ Ῥωμαίων χαράκωμα καὶ τῷ θυμῷ ζέων ἀνέστρεφεν αὐτίκα καὶ τὸ στράτευμα ἐπὶ τὴν Αρχαιοπόλιν ἦγε.

Κεῖται δὲ Αρχαιοπόλις ἐπὶ λόφου τινὸς σκληροῦ ἐσάγαν, καὶ ποταμὸς αὐτὴν παραρρεῖ ἐξ ὁρῶν κατιῶν ἄπερ τῆς πόλεως καθύπερθέν ἐστι. [2] πύλαι δὲ αὐτῇ αἱ μὲν κάτω εἰσὶ, φέρουσαι παρὰ τοῦ λόφου τὴν ὑπώρειαν, οὐκ ἀπρόσοδοι μέντοι, ἀλλ' ὅσον ἄνοδον ἐκ τοῦ πεδίου τινὰ ἐς αὐτὰς οὐχ ὁμαλῇ εἶναι: αἱ δὲ ἄνω ἐς τὸ κρημνῶδες ἐξάγουσαι δυσπρόσοδοι ἐσάγαν εἰσὶ: χῶροι γὰρ λοχμῶδεις πρὸ τούτων τῶν πυλῶν εἰσίν, ἐπὶ πλεῖστον διήκοντες. [3] ἐπεὶ τε ὕδατος ἄλλου τοῖς τῇδε ὥκημένοις οὐδαμῇ μέτεστι, τεῖχη δύο ἐνθένδε οἱ τὴν πόλιν δειμάμενοι ἄχρι ἐς τὸν ποταμὸν ἐτεκτήναντο, ὅπως ἂν σφίσις ἐν τῷ ἀσφαλεῖ τὸ τοῦ ποταμοῦ ὕδωρ ἀρύεσθαι δυνατὰ εἴη. Μερμερόης οὖν παντὶ σθένει τειχομαχεῖν ἐνταῦθα σπουδάζων τε καὶ διατεινόμενος ἐποίει τάδε. [4] πρῶτα μὲν τοῖς Σαβείροις ἐπήγγειλε κριοὺς παμπληθεῖς ἐργάζεσθαι, οἷους ἂν φέρειν ἄνθρωποι ἐπὶ τῶν ὤμων δυνατοὶ εἶεν, ἐπεὶ μηχανὰς μὲν τὰς

συνειθισμένας τρόπῳ οὐδενὶ ἐς Ἀρχαιοπόλεως τὸν περιβόλον ἐπάγεσθαι εἶχε, κατὰ τὸν τοῦ ὄρους πρόποδα κείμενον, ἡκηκόει δὲ ὅσα τοῖς Ῥωμαίων ἐνσπόνδοις Σαβείροις ἀμφὶ τὸ Πέτρας τεῖχος ἐργασθεῖη οὐ πολλῶ ἔμπροσθεν, καὶ τοῖς ἐπινενοημένοις ἐπόμενος τὴν ἐκ τῆς πείρας ὠφέλειαν μετῆι. οἱ δὲ τὰ ἐπαγγελλλόμενα ἐποίουν. [5] κριοὺς τε αὐτίκα συχνοὺς ἐτεκτῆναντο, ἥπερ μοι ἔναγχος Ῥωμαίοις εἰργάσθαι Σαβείρους ἐρρήθη. ἔπειτα δὲ τοὺς μὲν Δολομίτας καλουμένους κατὰ τῆς πόλεως τὰ κρημνώδη στέλλει ἐνοχλεῖν ἐπιστείλας τοὺς ταύτη πολεμίους δυνάμει τῇ πάσῃ. [6] οἱ δὲ Δολομίται οὗτοι βάρβαροι μὲν εἰσιν, ὥκημένοι ἐν Πέρσαις μέσοις, οὐ μὴν κατήκοοι γεγόνασιν βασιλέως τοῦ Περσῶν πρόποτε. [7] ἰδρυμένοι γὰρ ἐν ὄρεσιν ἀποτόμοις τε καὶ ὅλως ἀβάτοις αὐτόνομοι ὄντες ἐκ παλαιοῦ διαγεγόνασιν ἐς τὸδε τοῦ χρόνου: μισθαρνοῦντες δὲ αἰεὶ συστρατεύουσι Πέρσαις ἐπὶ πολεμίους τοὺς σφετέρους ἰοῦσι. [8] καὶ πεζοὶ μὲν εἰσιν ἅπαντες, ξίφος τε καὶ ἀσπίδα φέρων ἕκαστος καὶ ἀκόντια ἐν ταῖς χερσὶ τρία. [9] θεῖν δὲ λίαν ἐν τε τοῖς κρημνοῖς καὶ τῶν ὁρῶν ταῖς ὑπερβολαῖς ἐξεπίστανται, ὥσπερ ἐν πεδίῳ ὑπτίῳ. [10] καὶ διὰ τοῦτο Μερμερόης αὐτοὺς τῇδε τειχομαχεῖν ἔταξεν, αὐτὸς δὲ παντὶ τῷ ἄλλῳ στρατῷ ἐπὶ πύλας τὰς κάτω τοὺς τε κριοὺς καὶ τοὺς ἐλέφαντας ἐπαγόμενος ἦι. [11] οἱ μὲν οὖν Πέρσαις ξὺν τοῖς Σαβείροις ἐς τὸ τεῖχος συχνὰ βάλλοντες, τοῖς τε τοξεύμασι καλύψαντες τὸν ταύτη ἀέρα, οὐ μακράν που ἐγένοντο ἀναγκάσαι τοὺς ἐνταῦθα Ῥωμαίους ἐκλιπεῖν τὰς ἐπάλξεις. [12] οἱ δὲ Δολομίται τὰ δοράτια ἐκ τῶν κρημνῶν ἐκτὸς τοῦ περιβόλου ἐσακοντίζοντες πολλῶ ἔτι μᾶλλον τοὺς κατ' αὐτοὺς πολεμίους ἐλύπουν. [13] πανταχόθι τε Ῥωμαίοις τὰ πράγματα πονηρά τε καὶ κινδύνων ἔμπλεα ἐγεγόνει, ἔσχατα ἐσχάτων κακὰ πάσχουσι. [14] Τότε δὴ Ὀδόναχός τε καὶ Βάβας, εἴτε ἀρετὴν ἐνδεικνύμενοι εἴτε τῶν στρατιωτῶν ἀποπειρᾶσθαι βουλόμενοι, ἢ καὶ τι αὐτοὺς θεῖον ἐκίνησεν, εἶασαν μὲν τῶν στρατιωτῶν ὀλίγους τινάς, οἷς δὴ ἐπέστελλον ἀπὸ τῶν ἐπάλξεων τοὺς τειχομαχοῦντας ἀμύνασθαι, τοὺς πλείστον δὲ ξυγκαλέσαντες βραχεῖάν τινα παρακέλευσιν ἐποίησαντο καὶ ἔλεξαν τάδε: 'Τὸν μὲν παρόντα κίνδυνον, ἄνδρες συστρατιῶται, καὶ τὴν περιλαβοῦσαν ἡμᾶς ἀνάγκην ὁρᾶτε. [15] δεῖ δὲ ἡμᾶς τούτοις δὴ τοῖς κακοῖς ὡς ἡκιστα εἶκειν. τοὺς γὰρ εἰς ἀπόγνωσιν σωτηρίας ἐλθόντας τοῦτο ἂν διασώσασθαι δύναίτο μόνον, τὸ μὴ τῆς σωτηρίας ἐφίεσθαι: ἐπεὶ τῷ φιλοψύχῳ τὸ διαφθεῖρεσθαι ἐκ τοῦ ἐπὶ πλείστον ἔπεσθαι πέφυκε. [16] καὶ τὸδε δὲ ὑμᾶς ἐννοεῖν ἐν τοῖς παροῦσι δεινοῖς δεήσει, ὥς ἐκ τῶν ἐπάλξεων τῶνδε ἀμυνομένοις τοὺς πολεμίους οὐκ ἐν βεβαίῳ τὰ τῆς σωτηρίας ἡμῖν κείσεται, ἣν καὶ τὴν ἀγωνίαν ὡς προθυμότητα διενέγκωμεν. [17] μάχη γὰρ ἐκ διεστηκότων ξυνισταμένη ἀνδραγαθίζεσθαι οὐδενὶ ξυγχωρεῖ, ἀλλ' ἐς τὸ τῆς τύχης ὡς τὰ πολλὰ περίσταται κράτος. [18] ἣν μέντοι ἢ ξυμβολὴ ξυσταδὸν γένηται, τά τε τῆς προθυμίας ἐκ τοῦ ἐπὶ πλείστον κρατήσῃ καὶ μετὰ τῆς ἀνδρίας ἢ νίκη χωρήσῃ. [19] ἄνευ δὲ τούτων εὐημερήσαντες μὲν ἐν τῇ ξυμβολῇ οἱ ἀπὸ τοῦ περιβόλου μαχόμενοι οὐδὲν ἄν τι τῆς εὐημερίας ἀπόναινο μέγα, ἐπεὶ ἐν μὲν τῷ παραντίκῳ τοὺς πολεμίους σφίσιν ἀπεῶσθαι ξυμβαίνει, ἐς δὲ τὴν ὑστεραίαν ὁ κίνδυνος αὐθις ἐν ἀκμῇ γίνεται, καὶ κατὰ μικρὸν δὲ σφαλέντες αὐτοῖς, ὡς τὸ εἶκος, [20] συνδιαφθείρονται τοῖς ὀχυρώμασιν. ἐκ χειρὸς δὲ τοὺς ἐναντίους νενικηκότες

ἐν τῷ ἀσφαλεῖ τὴν σωτηρίαν τὸ λοιπὸν ἔξουσιν. ὧν ἐνθυμηθέντες ἴωμεν ἐπὶ τοὺς πολεμίους προθυμία τῇ πάσῃ, τὴν ἄνωθεν ἐπικουρίαν ἐπαγαγόμενοι, εὐέλπιδες τε τῇ προσπεσούσῃ τανῶν ἀπογνώσει γεγενημένοι. [21] τοὺς γὰρ ἐλπίδα σωτηρίας τινὸς ἐν σφίσιν αὐτοῖς οὐδαμῇ ἔχοντας τὸ θεῖον ἀεὶ διασώζεσθαι μάλιστα εἶωθε.’ [22] Τοσαῦτα Ὀδόναχός τε καὶ Βάβας παρακελευσάμενοι τάς τε πύλας ἀνέωγον καὶ τὸ στράτευμα δρόμῳ ἐξήγον, ὀλίγων ἀπολελειμμένων ἐνταῦθά τινων ἐξ αἰτίας τοιαύσδε. [23] τῶν τις Λαζῶν τῇ προτεραίᾳ, λόγιμος μὲν ὢν ἐν τούτῳ τῷ ἔθνει, ἐν Ἀρχαιοπόλει δὲ ὀκνημένος, ἔπρασσε πρὸς Μερμερόνῃ ἐπὶ τῇ πατρίδι προδοσίας πέρι. [24] ὁ δὲ οἱ ἄλλο οὐδὲν ἐπήγγελλε χαρίζεσθαι Πέρσαις, πλὴν γε δὴ ὅπως, ἥνικα ἐς τειχομαχίαν καθιστῶνται, τὰ οἰκία ἐμπρήσῃ λάθρα, ἔνθα ὃ τε σίτος καὶ τὰ λοιπὰ τῶν ἐπιτηδείων ἀπέκειτο. [25] ἐπέστελλε δὲ ταῦτα, δυοῖν γενήσεσθαι τὸ ἕτερον λογισάμενος: ἥ γὰρ Ῥωμαίους περὶ τὸ πῦρ τοῦτο σπουδάζοντάς τε καὶ διατριβὴν ποιουμένους ἐνδῶσειν σφίσι κατ’ ἐξουσίαν ἐπιβατεύειν τοῦ περιβόλου, ἢ τειχομαχοῦντας ἀποκρούεσθαι βουλομένους Πέρσας ταῦτα δὴ τὰ οἰκία ἐν ὀλιγορῖα ποιήσεσθαι: [26] καιομένων δὲ τῷ τρόπῳ τούτῳ τοῦ τε σίτου καὶ τῶν ἄλλων ἐπιτηδείων πόνῳ σφᾶς οὐδενὶ πολιορκία ἐν χρόνῳ ὀλίγῳ Ἀρχαιοπόλιν ἐξαιρήσειν. [27] τοιαύτῃ μὲν γνώμῃ ὁ Μερμερόνης τούτῳ δὴ τῷ Λαζῷ ταῦτα ἐπέστελλεν: ὁ δὲ οἱ τὴν ἐπίταξιν ὡμολόγει ἐπιτελῆ δράσειν, ἥνικα τὴν τειχομαχίαν ἀκμάζουσιν ἴδῃ, πῦρ ὡς λαθραϊότατα τοῖς δωματίοις τούτοις ἐνάψας. [28] αἰρομένην δὲ τὴν φλόγα ἐξαπινάϊως Ῥωμαῖοι ἰδόντες ὀλίγοι μὲν τινες ἐβόηθουν ἐνταῦθα, καὶ πόνῳ πολλῷ τὸ πῦρ ἔσβεσαν ἀμηγέτη λυμηνάμενον, οἱ δὲ λοιποὶ ἅπαντες, ὥσπερ ἐρρήθη, ἐπὶ τοὺς πολεμίους ἐχώρησαν. [29] Ἐμπεσόντες δὲ αὐτοῖς ἐκ τοῦ αἰφνιδίου καὶ τῷ ἀπροσδοκῆτῳ ἐκπλήξαντες πολλοὺς ἔκτεινον, οὔτε ἀμυνομένους οὔτε χεῖρας αὐτοῖς ἀνταίρειν τολμῶντας. [30] Πέρσαι γὰρ ὀλίγους κομιδῇ τοὺς πολεμίους ὄντας ἐπεξιέναι σφίσιν ἐν ἐλπίδι οὐδεμιᾷ ἔχοντες ἀλλήλων διεστηκότες ὡς ἐς τειχομαχίαν ἐτετάχατο ξὺν ἀκοσμίᾳ. [31] καὶ οἱ μὲν ἐπὶ τῶν ὤμων τοὺς κριοὺς φέροντες ἄνοπλοί τε καὶ τὰ ἐς μάχην ἀπαράσκευοι, ὡς τὸ εἶκός, ἦσαν, οἱ δὲ δὴ ἄλλοι τὰ τόξα ἐντεταμένα ἐν χερσὶν ἔχοντες συσταδὸν ἐγκειμένους τοὺς πολεμίους ἀμύνεσθαι μηχανῇ οὐδεμιᾷ εἶχον. [32] οὕτω δὴ κόπτοντες Ῥωμαῖοι ἐπιστροφάδην αὐτοὺς διεχρῶντο. ξυνέβη δὲ τότε καὶ τῶν ἐλεφάντων ἓνα πληγέντα, ὡς ἐνιοὶ φασιν, ἢ ἀπὸ ταῦτομάτου ξυνταραχθέντα, περιστρέφεσθαι τε οὐδενὶ κόσμῳ καὶ ἀναχαιτίζειν, καὶ τοὺς μὲν ἐπιβάτας ρίπτειν, τῶν δὲ δὴ ἄλλων τὴν τάξιν ἐκλύειν. [33] καὶ ἀπ’ αὐτοῦ οἱ μὲν βάρβαροι ἀνεπὸδιζον, Ῥωμαῖοι δὲ ἀδεέστερον τοὺς ἐν ποσὶν ἀεὶ διεχρῶντο. [34] θαυμάσειε δ’ ἂν τις ἐνταῦθα δικαίως, εἰ Ῥωμαῖοι μὲν, ἐξεπιστάμενοι καθ’ ὃ τι χρὴ ἀποκρούεσθαι τῶν πολεμίων τὴν διὰ τῶν ἐλεφάντων ἐπίθεσιν, τῶν δεόντων οὐδὲν ἔδρασαν, τοῖς παροῦσι δηλονότι ξυνταραχθέντες, ἀπὸ ταῦτομάτου δὲ τὸ τοιοῦτον σφίσι ξυνηνέχθη γενέσθαι. ὃ τι δὲ τοῦτό ἐστιν, αὐτίκα δηλώσω. [35] Ἦνικα Χοσρόης τε καὶ ὁ Μῆδων στρατὸς ἐτειχομάχουν ἀμφὶ τὸν Ἐδέσσης περίβολον, τῶν τις ἐλεφάντων, ἐπιβεβηκότος οἱ ὀμίλου πολλοῦ τῶν ἐν Πέρσαις μαχιμωτάτων, ἀγχοῦ τοῦ περιβόλου γενόμενος ἐπίδοξος ἦν ὅτι δὴ δι’ ὀλίγου βιασάμενος τοὺς ἀπὸ τοῦ ἐκείνῃ πύργου ἀμυνομένους ἅτε κατὰ κορυφὴν συχνὰ βαλλομένους

τὴν πόλιν αἰρήσει. [36] ἐδόκει γάρ τις μηχανὴ τὸ τοιοῦτον ἐλέπολις εἶναι. ἀλλὰ Ῥωμαῖοι χοῖρον ἐκ τοῦ πύργου ἐπικρεμάσαντες τὸν κίνδυνον τοῦτον διέφυγον. [37] κραυγμὸν γάρ τινα, ὦν, ὡς τὸ εἰκός, ἤρτημένος, ὁ χοῖρος ἐνθένδε ἤφει, ὥνπερ ὁ ἐλέφας ἀχθόμενος ἀνεχαίτιζε καὶ κατὰ βραχὺ ἀναποδίζων ὀπίσω ἐχώρει. ἐκεῖνο μὲν οὖν ταύτῃ ἐχώρησε. [38] νῦν δὲ τὸ παρειμένον τῇ Ῥωμαίων ὀλιγωρίᾳ ἢ τύχῃ ἐπλήρου. ἀλλ' ἐπειδὴ Ἑδέσσης ἐμνήσθην, οὐ σιωπήσομαι τὸ ἐκείνῃ τέρας πρὸ τοῦδε τοῦ πολέμου ξυνεγεθέν. [39] ἡνίκα γὰρ ὁ Χοσρόης λύειν ἔμελλε τὰς ἀπεράντους καλουμένας σπονδάς, γυνή τις ἐν πόλει βρέφος ἐκούει τὰ μὲν ἄλλα ἐπιεικῶς ἀνθρωπόμορφον, δύο δέ τοι κεφαλὰς ἔχον. ὁ δὴ τοῖς ἀποβεβηκόσι φανερόν γεγονεν. [40] Ἑδεσσά τε γὰρ καὶ ἡ ἑῷα σχεδὸν τι πᾶσα καὶ πρὸς βορρᾶν ἄνεμον ἢ πολλὴ Ῥωμαίων ἀρχὴ βασιλεῦσι περιμάχητος δυοῖν γέγονε. ταῦτα μὲν οὖν τῇδε ξυνέπεσεν. ἐγὼ δὲ ὅθενπερ ἐξέβην ἐπάνειμι. [41] Τῆς δὲ ταραχῆς οὕτως ἐπιπεσοῦσης τῷ Μήδων στρατῷ, ὅσοι δὴ αὐτῶν ὀπισθεν ἐτετάχατο, τὴν μὲν ταραχὴν τῶν ἔμπροσθεν ὄντων θεώμενοι, τὸ δὲ ξυμβεβηκὸς οὐδαμῇ πεπυσμένοι, κατωρρώδησαν, ἔς τε ὑπαγωγὴν ζῶν πολλῇ ἀκοσμίᾳ ἐτράποντο. [42] ταῦτό δὲ τοῦτο καὶ οἱ Δολομίται παθόντες ἔξ ὑπερδεξίων γὰρ μαχόμενοι τὰ ποιούμενα πάντα ἐώρων αἰσχροὺς τινα φυγὴν ἔφενον, ἢ τε τροπὴ λαμπρὰ ἐγεγονέη. [43] καὶ τετρακισχίλιοι μὲν τῶν βαρβάρων αὐτοῦ ἔπεσον, ἐν τοῖς καὶ τῶν ἀρχόντων τρεῖς τετύχηκεν εἶναι, τέσσαρα δὲ τῶν Περσικῶν σημείων Ῥωμαῖοι εἶλον, ἅπερ εὐθὺς ἐς Βυζάντιον βασιλεῖ ἔπεμψαν. [44] ἵππους δὲ φασιν αὐτῶν οὐχ ἥσσους ἢ ἐς δισμυρίους ἀπολωλέναι, οὐ βληθέντας οὐδὲ πληγέντας πρὸς τῶν πολεμίων, ἀλλὰ μακρὰν μὲν ὁδὸν πορευθέντας, κόπῳ δὲ ὠμιληκότας ἐν ταύτῃ πολλῷ, τροφῶν δέ, ἐπεὶ ἐν Λαζικῇ ἐγένοντο, ὡς ἥκιστα ἐς κόρον ἐλθόντας, οὕτω τε λιμῷ καὶ ἀσθενείᾳ πιεζομένους πολλῇ διεφθάρθαι. [45] Ταύτης δὲ τῆς πείρας ὁ Μερμερόης ἀποτυχὼν παντὶ τῷ στρατῷ ἐς Μοχήρησιν ἀπεχώρησεν, ἐπεὶ καὶ Ἀρχαιοπόλεως ἀποτυχόντες, Λαζικῆς τῆς ἄλλης τὴν ἐπικράτησιν ἐκ τοῦ ἐπὶ πλείστον οἱ Πέρσαι εἶχον. [46] Ἀρχαιοπόλεως δὲ ἡ Μοχήρησις ἡμέρας μίᾳς ὁδῷ ἀπέχει, πολλὰς καὶ πολυανθρώπους κόμας ἔχουσα — καὶ γῆς τῆς Κολχίδος αὕτη μάλιστα ἢ ἀρίστη ἐστίν· ἐπεὶ καὶ οἶνος ἐνταῦθα καὶ οἱ ἄλλοι καρποὶ ἀγαθοὶ φύονται, καίτοι τά γε ἄλλα τῆς Λαζικῆς οὐ ταύτῃ ἔχει. [47] ταύτην παραρρεῖ τὴν χώραν ποταμός, Ῥέων ὄνομα, οὗ δὴ καὶ φρούριον ὠκοδομήσαντο ἐκ παλαιοῦ Κόλχοι, ὥνπερ ὕστερον αὐτοὶ τὸ πλεῖστον ἐς ἔδαφος καθεῖλον, ἐπεὶ ἐν πεδίῳ κείμενον ἐσάγαν ὑπὶ εὐέφοδον σφίσιν ἔδοξεν εἶναι. [48] Κοτιάϊον δὲ τότε τὸ φρούριον ὠνομάζετο τῇ Ἑλλήνων φωνῇ, νῦν μέντοι Κόταῖς αὐτὸ καλοῦσι Λαζοὶ τῇ τῆς φωνῆς ἀγνοίᾳ τὴν τοῦ ὀνόματος διαφθείροντες ἀρμονίαν. ταῦτα μὲν Ἀριανὸς οὕτως ἱστορήσεν. [49] ἕτεροι δὲ φασὶ πόλιν τε γεγονέναι ἐν τοῖς ἄνω χρόνοις τὸ χωρίον καὶ Κοίταιον καλεῖσθαι· ἐνθεν τε τὸν Αἰήτην ὠρμῆσθαι, καὶ ἀπ' αὐτοῦ τοὺς ποιητὰς αὐτόν τε Κοιταῖα καὶ γῆν τὴν Κολχίδα Κοιταῖδα καλεῖν. [50] Τοῦτο Μερμερόης τανῦν ἀνοικοδομήσασθαι ἐν σπουδῇ ἔχων, ἐπεὶ οὐδεμίαν παρασκευὴν τοῦ ἔργου εἶχεν, ἅμα δὲ καὶ ὁ χειμὼν ἦδη ἐνέκειτο, ξύλινα τοῦ φρουρίου ὅσα καταεπτῶκει ὡς τάχιστα ποιησάμενος αὐτοῦ ἔμενε. [51] τοῦ δὲ Κόταῖς ἄγχιστα φρούριον ἐχυρώτατόν ἐστιν,

Οὐθιμέρεος ὄνομα: ἐν ᾧ δὴ φυλακτήριον ἐς τὸ ἀκριβὲς οἱ Λαῖοι εἶχον. [52] μετεῖχον δὲ σφίσι τῆς τοῦ φρουρίου φυλακῆς καὶ Ῥωμαῖοι στρατιῶται ὀλίγοι τινές. [53] ὁ μὲν οὖν Μερμερόης τῷ παντὶ στρατῷ ἐνταῦθα καθῆστο, γῆς τε τῆς Κολχίδος τὰ κάλλιστα ἔχων, ἐμπόδιός τε τοῖς ἐναντίοις γινόμενος ἐς τὸ Οὐθιμέρεος φρούριον τῶν ἐπιτηδείων τι ἐσκομίζεσθαι, ἢ ἐς χώραν τὴν τε Σουανίαν καὶ τὴν Σκυμνίαν καλουμένην ἰέναι, [54] καίπερ σφίσιν αὐτῆς κατηκόου οὔσης. πολεμίων γὰρ ἐν Μοχηρήσιδι ὄντων, Λαῖοις τε καὶ Ῥωμαίοις ὁδοῦ ἀποκεκλειῆσθαι τῆς εἰς τὰ ταῦτη χωρία ζυμβαίνει. τὰ μὲν οὖν στρατόπεδα ἐπὶ Λαζικῆς ἐφέρετο τῇδε.

Ἐν δὲ Βυζαντίῳ ὁ Χοσρόου πρεσβευτῆς Ἰσδιγούσνας ἀμφὶ τῇ εἰρήνῃ ἐς λόγους Ἰουστινιανῷ βασιλεῖ ξυνίων πολὺ τι χρόνου κατέτριψε μῆκος. [2] πολλὰ τε διαφιλονεικήσαντες ἐν ὑστάτῳ ξυνέβησαν, ἐφ' ᾧ πενταετὴ μὲν τὴν ἐκεχειρίαν ἐν τῇ ἐκατέρου βασιλείᾳ ἐπικρατεία εἶναι, φοιτῶντας δὲ παρ' ἀλλήλους ἐκατέρωθεν καὶ ἀδεῶς ἐπικηρυκευομένους ἐν τούτῳ τῷ χρόνῳ τὰ τε ἀμφὶ Λαζικῇ καὶ Σαρακηνοῖς διάφορα διοικήσασθαι. [3] ξυνέκειτο δὲ Πέρσας πρὸς Ῥωμαίων λαβεῖν ὑπὲρ μὲν τῆς ἐκεχειρίας τῶν πέντε τούτων ἐνιαυτῶν κεντηνάρια χρυσοῦ εἴκοσιν, ὑπὲρ δὲ μηνῶν ὀκτωκαίδεκα, οὓς δὴ μετὰ τὴν προτέραν ἐκεχειρίαν ἐς ταύτην διαδραμεῖν μεταξὺ ἔτυχεν, ἕως ἐκάτεροι παρ' ἀλλήλους ἐπρέσβευον, ἕτερα κεντηνάρια ἔξ. [4] ἐπὶ τούτῳ γὰρ ἔφασκον Πέρσαι καὶ τοὺς ὑπὲρ τῶν σπονδῶν λόγους ζυγκεχωρηκένας γενέσθαι. [5] ταῦτα δὲ τὰ εἴκοσι κεντηνάρια Ἰσδιγούσνας μὲν αὐτόθεν ἡξίου κομίζεσθαι, βασιλεὺς δὲ ἤθελεν ἐς ἕκαστον ἔτος τέτταρα δοῦναι, τούτου δὴ ἔνεκα, τοῦ μὴ παραβῆναι τὰς ξυνθήκας Χοσρόην ἐνέχυρον ἔχειν. [6] ὕστερον μέντοι τὸ ζυγκείμενον ἅπαν χρυσίον Ῥωμαῖοι Πέρσαις εὐθὺς ἔδοσαν, τοῦ μὴ δοκεῖν δασμοὺς ἀνὰ πᾶν ἔτος αὐτοῖς ἀποφέρειν. [7] τὰ γὰρ αἰσχρὰ ὀνόματα, οὐ τὰ πράγματα, εἰώθασιν ἄνθρωποι ἐκ τοῦ ἐπὶ πλεῖστον αἰσχύνεσθαι. [8] Ἦν δέ τις ἐν Πέρσαις Βερσαβοὺς ὄνομα, λόγιμός τε διαφερόντως καὶ Χοσρόη βασιλεῖ ἐς τὰ μάλιστα φίλος. [9] ὅνπερ ποτὲ Βαλεριανὸς ἐν Ἀρμενίοις παραπετωκότα ἐν ξυμβολῇ δορυάλωτον εἶλεν, ἔς τε Βυζάντιον αὐτίκα βασιλεῖ ἔπεμψε. [10] καὶ αὐτῷ χρόνος πολὺς φυλασσομένῳ ἐνταῦθα ἐτρίβη. βουλομένῳ τε ἦν τῷ Χοσρόῃ χρημάτων ὑπὲρ αὐτοῦ προῖεσθαι πλῆθος, ὅπως τὸν Βερσαβοῦν ἐπανήκοντα ἴδῃ ἐς τὰ Περσῶν ἦθη. [11] ἀλλὰ νῦν ἐξαιτησαμένου αὐτὸν Ἰσδιγούσνα Ἰουστινιανὸς βασιλεὺς τὸν ἄνδρα ἀφήκεν: ἐπηγγέλλετο γὰρ βασιλεῖ ὁ πρεσβευτῆς οὗτος ἀναπείσειν Χοσρόην ἐκ τῆς Λαζικῆς ἀναστῆσαι τὸ Περσῶν στράτευμα. [12] ἐγένετο δὲ ἡ ἐκεχειρία ἥδε Ῥωμαίοις τε καὶ Πέρσαις, πέμπτον τε καὶ εἰκοστὸν ἐνιαυτὸν Ἰουστινιανοῦ βασιλείᾳ τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [13] ταύταις δὲ ταῖς σπονδαῖς Ῥωμαίων οἱ πλεῖστοι ἐπιεικῶς ἤχθοντο. καὶ εἰ μὲν δικαίαν τινὰ ἢ ἀλόγιστον ἐποιοῦντο τὴν μέμψιν, οἷά γε τὰ τῶν ἀρχομένων, οὐκ ἔχω εἰπεῖν. [14] Ἔλεγον δὲ ὅτι δὴ Λαζικῆς βεβαιότατα πρὸς Περσῶν ἀρχομένης αἱ ξυνθήκαι αὗται γεγόνασιν, ὥς μὴ τις πενταετὲς αὐτοὺς ἐνοχλήσῃ, ἀλλ' ἀδεέστερόν τε καὶ ἀπονώτερον γῆς τῆς Κολχίδος τὰ κάλλιστα πάντα τοῦτον τὸν χρόνον ἐνοικεῖν δύνωνται. [15] ὅθεν αὐτοὺς τὸ λοιπὸν ἐξελάσαι οὐδεμιᾷ Ῥωμαῖοι ἐς ἅπαντα τὸν αἰῶνα μηχανῇ ἔξουσιν, ἀλλὰ καὶ τὸ Βυζάντιον ἐνθὲνδε Πέρσαις εὐέφοδον τὸ

λοιπὸν ἔσται. ταῦτα οὖν ἀποσκοποῦντες οἱ πολλοὶ ἥσχαλλον καὶ δυσφοροῦμενοι διηποροῦντο: [16] καὶ ὅτι Πέρσαι τὸ ἐκ παλαιοῦ μὲν σφίσιν ἐν σπουδῇ γεγονός, δόξαν δὲ οὔτε πολέμῳ κρατήσιν οὔτε τῷ ἄλλῳ τρόπῳ δυνατὸν ἔσεσθαι, λέγω δέ, ὅπως ἐς δασμοῦ ἀπαγωγὴν ὑπόφοροι αὐτῶν Ῥωμαῖοι ἔσονται, ἰσχυρότατα ἐν τῷ παρόντι τῷ τῆς ἐκεχειρίας ὀνόματι ἐκρατύναντο. [17] τάξας γὰρ ὁ Χοσρόης Ῥωμαίοις κεντηναρίων ἐπέτειον τεσσάρων δασμόν, οὐπερ γλιχόμενος τὸ ἐξ ἀρχῆς διαφανὴς ἦν, ἐς ἑνδεκα ἔτη τανῦν καὶ μῆνας ἑξ εὐπρεπεῖ λόγῳ ἑξ καὶ τεσσαράκοντα κεντηνάρια τῇ τῆς ἐκεχειρίας κεκόμισται σκῆψει, ὄνομα τῷ δασμῷ τὰς σπονδὰς θέμενος, καίπερ ἐπὶ Λαζικῇ μεταξὺ βιαζόμενός τε καὶ πολεμῶν, ἥπερ ἐρρήθη. [18] ὥνπερ Ῥωμαῖοι σφᾶς αὐτοὺς ρύσασθαι ἐς τὸν ἔπειτα χρόνον ἐν ἐλπίδι τὸ λοιπὸν οὐδεμιᾷ εἶχον, ἀλλὰ φόρου ὑποτελεῖς Πέρσαις ἥσθοντο οὐ κεκρυμμένως γεγενημένοι. [19] ταῦτα μὲν οὖν ταύτῃ ἐπέπρακτο. Ἰσδιγούσνας δὲ χρήματά τε περιβαλλόμενος ὅσα οὐδεὶς πρέσβειων πώποτε, καὶ πάντων, οἶμαι, πλουσιώτατος Περσῶν γεγονώς ἐπ' οἴκου ἀπεκομίσθη, ἐπεὶ αὐτὸν Ἰουστινιανὸς βασιλεὺς ἐτετιμῆκει τε ἐν τοῖς μάλιστα καὶ χρήμασι μεγάλοις δωρησάμενος ἀπεπέμψατο. [20] μόνος δὲ πρέσβειων ἀπάντων οὗτος ἐς πείραν φυλακῆς οὐδεμιᾶς ἦλθεν, ἀλλ' αὐτός τε καὶ ὅσοι αὐτῷ βάρβαροι εἶποντο πολλοὶ ἐσάγαν ὄντες ἐν πολλῇ ἐξουσίᾳ ἐγένοντο ἐπὶ χρόνου μῆκος ἐντυγχάνειν τε καὶ ξυγγίνεσθαι οἷς ἂν βούλοιντο, καὶ τῆς πόλεως πανταχόσε περιπάτους ποιεῖσθαι, ὠνεῖσθαι τε καὶ ἀποδίδοσθαι ὅσα ἦν βουλομένοις σφίσι, καὶ ξυμβόλαια ποιεῖσθαι πάντα ἐργασίᾳ τε τῇ περὶ ταῦτα ἐνδιατρίβειν ξὺν πάσῃ ἀδείᾳ, καθάπερ ἐν πόλει αὐτῶν ἰδίᾳ, Ῥωμαίων αὐτοῖς οὐδενὸς ἐπομένου ἢ ξυνόντος ὅλως ἢ τηρεῖν ἀξιοῦντος, ἥπερ εἰώθει. [21] Ἐν τούτῳ τῷ χρόνῳ τετύχηκέ τι τῶν οὐπὼ πρότερον, ὅσα γε ἡμᾶς εἰδέναι, γεγονότων ξυνενεχθῆναι. τοῦ μὲν γὰρ ἔτους μετόπωρον ἦν, αὐχμὸς δὲ καὶ πνιγμὸς ὥσπερ θέρους μέσου ἐγένετο θαυμαστὸν ὅσον: ὥστε ἀμέλει ρόδων μὲν πλῆθος ἄτε ἥρος ὄντος ἐφύη, τῶν εἰωθότων οὐδενὶ τὸ παράπαν διαλασσόντων. [22] καρποὺς δὲ τὰ δένδρα σχεδὸν τι ἅπαντα νέους τινὰς αὐθις ἤνεγκε, κὰν ταῖς ἀμπέλαις οὐδέν τι ἦσσαν ἐγένοντο βότρυες, καίπερ τοῦ τρυγῆτου γεγενημένου ἡμέραις ἤδη οὐ πολλαῖς ἔμπροσθεν. [23] οἷς δὴ οἱ ταῦτα δεινοὶ τεκμηριούμενοι προὔλεγον ἀπροσδόκητον μέγα τι ἔσεσθαι, οἱ μὲν ἀγαθόν, οἱ δὲ τοῦναντίον. [24] ἐγὼ δὲ ταῦτα μὲν κατὰ τι ξυμβεβηκὸς γεγονέναι οἶμαι, νότων ἐπὶ πλεῖστον ἀνέμων, ἥπερ εἰώθει, ἐπιτεσόντων καὶ θέρμης ἐνθὲνδε παρὰ τὰ ξυνειθισμένα πολλῆς τε καὶ οὐ κατὰ φύσιν τῆς ὥρας ἐπιγενομένης τῇ χώρᾳ. [25] εἰ δέ τι, ὥσπερ οὗτοί φασι, καὶ σημαίνει παρὰ δόξαν ἐσόμενον, βεβαίότατα ἐκ τῶν ἀποβησομένων εἰσόμεθα.

Ἐν ᾧ δὲ τάδε ἀμφὶ ταῖς σπονδαῖς Ῥωμαίοις τε καὶ Πέρσαις ἐν Βυζαντίῳ ἐπράσσετο, ἐν τούτῳ ἐπὶ Λαζικῇ τάδε ξυνηνέχθη γενέσθαι. [2] Γουβάξης ὁ Λαζῶν βασιλεὺς Ῥωμαίοις εὐνοϊκῶς ἔσχεν, ἐπεὶ οἱ Χοσρόην, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ἐπιβουλεύειν θάνατον ἥσθετο. [3] τῶν δὲ ἄλλων Λαζῶν οἱ πλεῖστοι ἀνήκεστα πρὸς τῶν Ῥωμαίων στρατιωτῶν δεινὰ πάσχοντες καὶ διαφερόντως τοῖς ἄρχουσι τοῦ στρατοῦ ἀχθόμενοι ἐμῆδιζον ἐκ τοῦ ἐπὶ πλεῖστον, οὐ τὰ Περσῶν ἀσπαζόμενοι, ἀλλ' ἀπαλλαξέοντες τῆς

Ῥωμαίων ἀρχῆς καὶ τῶν δυσχερῶν τὰ τέως μὴ παρόντα αἰρούμενοι. [4] ἦν δέ τις ἐν Λαζοῖς οὐκ ἀφανὴς ἀνὴρ Θεοφόβιος ὄνομα, ὅσπερ τῷ Μερμερόῃ λαθραϊότατα ἐς λόγους ξυμμίξας φρούριον ἐνδώσειν τὸ Οὐθιμέρεος ὠμολόγησεν. [5] ὁ δὲ αὐτὸν ἐλπίσι μεγάλαις ἐπάρας ἐς τὴν πρᾶξιν ὥρμησε ταύτην, φίλον μὲν αὐτὸν ἐν τοῖς μάλιστα Χοσρόῃ βασιλεῖ ἐκ τοῦ ἔργου τούτου ἰσχυρισάμενος ἔσσεσθαι, Πέρσαις δὲ ἀνάγραφτον ἐπὶ εὐεργεσίᾳ ἐς τὸν πάντα αἰῶνα, καὶ ἀπ' αὐτοῦ δόξῃ τε καὶ πλούτῳ καὶ δυνάμει αὐτὸν γενήσεσθαι μέγαν. οἷς δὴ Θεοφόβιος ἐπαρθεὶς πολλῶ ἔτι μᾶλλον εἰς τὸ ἔργον ἠπείγετο. [6] Καὶ ἦν γὰρ οὐδεμία ἐπιμιξία Ῥωμαίοις τε καὶ Λαζοῖς τότε, ἀλλ' οἱ μὲν Πέρσαις πολλῇ ἐξουσίᾳ πανταχόσε περιήρχοντο τῶν ταύτῃ χωρίων, Ῥωμαίων δὲ καὶ Λαζῶν οἱ μὲν παρὰ ποταμὸν Φάσιν ἐλάνθανον, οἱ δὲ Ἀρχαϊόπολιν ἢ ἄλλο τι τῶν ἐκεῖνι ὀχυρωμάτων καταλαβόντες ἐκρύπτοντο: καὶ Γουβάξης αὐτός, ὁ Λαζῶν βασιλεύς, ἐς τῶν ὁρῶν τὰς ὑπερβολὰς ἡσυχῇ ἔμενε. [7] πόνῳ γοῦν ὁ Θεοφόβιος οὐδενὶ ἴσχυσε τὴν ὑπόσχεσιν τῷ Μερμερόῃ ἐπιτελέσαι. ἐν γὰρ τῷ φρουρίῳ γενόμενος ἔφασκε Λαζοῖς τε καὶ Ῥωμαίοις οἳ τὸ ἐνταῦθα φυλακτῆριον εἶχον ὥς ἅπας μὲν ὁ Ῥωμαίων στρατὸς ἀπολώλει, Γουβάξῃ δὲ βασιλεῖ καὶ Λαζοῖς τοῖς ἀμφ' αὐτὸν ἅπασι διαφθαρεῖν τὰ πράγματα, Κολχίς δὲ ζύμπασα πρὸς Περσῶν ἔχοιτο, καὶ οὐδέ τις ἐλπίς Ῥωμαίοις ποτὲ ἢ τῷ Γουβάξῃ ἀνασωθήσεσθαι τῆς χώρας τὸ κράτος. [8] τὰ μὲν γὰρ πρότερα κατὰ μόνας ταῦτα τὸν Μερμερόην διαπεπράχθαι, μυριάδας τε πλέον ἐπτά ἐπαγαγόμενον Περσῶν μαχίμων ἀνδρῶν καὶ βαρβάρους Σαβείρους παμπληθεῖς: νῦν δὲ καὶ βασιλέα Χοσρόην στρατῷ ἀμυθῆτῳ ἐνθάδε ἤκοντα ἐξαπιναιῶς αὐτοῖς ἀναμείχθαι καὶ οὐκ ἂν τὸ λοιπὸν οὐδὲ αὐτὴν Κόλχων τῇ στρατιᾷ ταύτῃ τὴν γῆν ἐπαρκέσειν. [9] ταῦτα τερατευσάμενος Θεοφόβιος ἐς δέος μέγα καὶ ἀμηχανίαν κατεστήσατο τοὺς ἐνταῦθα φρουροὺς. [10] καὶ αὐτὸν ἐλιπάρουν πρὸς θεοῦ τοῦ πατρῴου ἰκετεύοντες τὰ παρόντα ὅση δύναμις εὖ θέσθαι σφίσι. [11] καὶ ὃς αὐτοῖς ὠμολόγει πρὸς τοῦ Χοσρόου ἀμφὶ τῇ σωτηρίᾳ τὰ πιστὰ οἴσειν, ἐφ' ᾧ τὸ φρούριον ἐνδώσουσι Πέρσαις. Ἐπεὶ τε τοὺς ἀνθρώπους ταῦτα ἤρεσκεν, αὐτίκα ἐνθένδε ἀπαλλαγείς αὐθὶς τε τῷ Μερμερόῃ ἐς ὅπιν ἦκων ἅπαντα ἔφραζεν. [12] ὁ δὲ Περσῶν ἄνδρας τοὺς δοκιμωτάτους ἀπολεξάμενος ξὺν αὐτῷ ἐς τὸ Οὐθιμέρεος ἐπεμψε, τά τε πιστὰ παρεξομένους ἀμφὶ τε τοῖς χρήμασι καὶ τῇ σωτηρίᾳ τοῖς τῇδε φρουροῖς καὶ τὸ φρούριον τοῦτο καθέξοντας. [13] οὕτω μὲν Πέρσαις τὸ Οὐθιμέρεος φρούριον ἔσχον καὶ Λαζικῇ τὴν ἐπικράτησιν ἰσχυρότατα ἐκρατύναντο. [14] οὐ μόνην δὲ Λαζικὴν ταύτην οἱ Πέρσαις ὑποχειρίαν πεποιήνται, ἀλλὰ καὶ Σκυμνίαν τε καὶ Σουανίαν, ἐκ δὲ Μοχηρήσιδος ἄχρι ἐς Ἰβηρίαν ἄβατα Ῥωμαίοις τε καὶ τῷ Λαζῶν βασιλεῖ ζύμπαντα τὰ ἐκεῖνι χωρία τῷ τρόπῳ τούτῳ ἐγένετο. [15] ἀμύνεσθαι δὲ τοὺς πολεμίους οὔτε Ῥωμαῖοι οὔτε Λαζοὶ εἶχον, ἐπεὶ οὐδὲ καταβαίνειν ἐκ τῶν ὁρῶν ἢ τῶν ὀχυρωμάτων ἐτόλμων οὐδέ πη τοῖς πολεμίους ἐπεζεῖναι. [16] Μερμερόης δὲ τῆς τοῦ χειμῶνος ἐγκειμένης ὥρας ζύλινον μὲν τεῖχος ἐν Κόταϊς ἐτεκτῆνατο, φρουράν τε Περσῶν τῶν μαχίμων οὐχ ἦσσαν ἢ τρισχιλίων ἐνταῦθα καταστησάμενος, ἐν τε τῷ Οὐθιμέρεος ἄνδρας αὐτάρκεις ἀπολιπών. [17] οἰκοδομησάμενος δὲ καὶ τὸ ἄλλο Λαζῶν φρούριον, ὃ δὴ καλοῦσι Σαραπανίν, πρὸς αὐτοῖς μάλιστα τοῖς ἐσχάτοις ὁρίοις Λαζικῇς

κειμένον, αὐτοῦ ἔμενεν. [18] ἔπειτα δὲ Ῥωμαίους τε καὶ Λαζοὺς ἀγείρεσθαι τε μαθὼν καὶ ἀμφὶ τὰς ἐκβολὰς ἐνστρατοπεδεύεσθαι ποταμοῦ Φάσιδος, παντὶ τῷ στρατῷ ἐπ' αὐτοὺς ἦει. [19] ὅπερ ἐπεὶ Γουβάζης τε καὶ οἱ τοῦ Ῥωμαίων στρατοῦ ἄρχοντες ἔμαθον, οὐχ ὑποστάντες τῶν πολεμίων τὴν ἔφοδον διελύθησάν τε καὶ διεσώθησαν ὥς πη ἐκάστω δυνατὰ γέγονεν. [20] ὁ τε Γουβάζης ἀναδραμὼν ἐς τῶν ὁρῶν τὰς ὑπερβολὰς διεχειμάζε ξύν τε τοῖς παισὶ καὶ τῇ γυναικὶ καὶ τοῖς ἐς τὰ μάλιστα ἐπιτηδείοις, τῇ μὲν ἀμηχανία τῶν παρόντων κακῶν διαμαχόμενος πρὸς τὴν ἀπὸ τῆς ὥρας ἀνάγκην, ἐλπίδι δὲ τοῦ Βυζαντίου ἐς τὸν μέλλοντα χρόνον θαρσῶν, ταύτῃ τε τὴν τύχην παρηγορῶν τὴν τότε παροῦσαν, οἷα γε τὰ ἀνθρώπεια, [21] καὶ караδοκῶν τὰ βελτίω. καὶ οἱ ἄλλοι δὲ Λαζοὶ τῇ πρὸς βασιλέα Γουβάζην αἰδοὶ τὴν τοῦ χειμῶνος ὥραν οὐδέν τι ἥσσον ἐν τοῖς σκοπέλοις κατέτριβον, δύσκολον μὲν ἐνταῦθα οὐδέν πρὸς τῶν πολεμίων δειμαίνοντες, ἐπεὶ τοῖς ἐπιβουλεύουσιν, ἄλλως τε καὶ κατὰ τὸν χειμῶνα, ταῦτα τὰ ὄρη ἀμηχανὰ τε καὶ ὅλως ἀπρόσδοκα ξυμβαίνει εἶναι, λιμῶ δὲ καὶ ψύχει καὶ τῇ ἄλλῃ κακοπαθείᾳ δυσθανατῶντες. [22] Ὁ δὲ Μερμερόης οἰκία τε πολλὰ κατ' ἐξουσίαν ὠκοδομήσατο ἐν ταῖς κατὰ τὴν Μοχήρησιν κόμαις καὶ τὰ ἐπιτήδεια πανταχόθι καταστησάμενος τῶν τῆδε χωρίων, τῶν τε αὐτομόλων περιπέμπων τινὰς ἐς τῶν ὁρῶν τὰς ἀκρωρείας καὶ τὰ πιστὰ παρεχόμενος ἐπαγαγέσθαι πολλοὺς ἴσχυσεν: οἷς δὴ καὶ τῶν ἀναγκαίων ἀπορουμένοις ἐχορήγει συχνὰ καὶ ὥς οἰκείων ἐπεμελεῖτο, τὰ τε ἄλλα διφκεῖτο ξύν ἀδείᾳ πολλῇ ἅτε τῆς χώρας γεγονῶς κύριος. [23] καὶ πρὸς Γουβάζην ἔγραψε τάδε: 'Δύο ταῦτα ρυθμίζει τοῖς ἀνθρώποις τὸν βίον, δύναμις τε καὶ φρόνησις. οἱ μὲν γὰρ τῷ δυνατῷ περιόντες τῶν πέλας αὐτοὶ τε βιοτεύουσι κατ' ἐξουσίαν καὶ ὅπῃ βούλονται τοὺς καταδεεστεροὺς ἐσαι ἄγουσιν, οἱ δὲ διὰ τὴν ἀσθένειαν δεδουλωμένοι τοῖς κρείττοσι, τῷ ξυνετῷ τὴν ἀδυναμίαν ἰώμενοι, θωπεῖα τοὺς κρατοῦντας μετίασι καὶ οὐδέν τι ἥσσον ἐν τοῖς οἰκείοις βιοῦν δύνανται, πάντων ἀπολαύοντες τῇ κολακείᾳ ὥνπερ αὐτοῖς διὰ τὴν ἀσθένειαν στερεῖσθαι ξυμβαίνει. [24] καὶ ταῦτα οὐ παρὰ μὲν τῶν ἐθνῶν τισὶ σφίσι φέρεται οὕτως, παρὰ δὲ τοῖς ἄλλοις οὐ ταύτῃ πη ἔχει, ἀλλὰ ἀνθρώποις ὥς εἰπεῖν ἅπασιν πανταχόθι γῆς τῆς οἰκουμένης ὥσπερ ἄλλο τι ἐμπέπηγε φύσει. [25] καὶ σὺ τοίνυν, ὦ φίλε Γουβάζη, ἦν μὲν οἶμι περιέσεσθαι Περσῶν τῷ πολέμῳ, μήτε μέλλε μήτε σοι ἐμπόδιον γινέσθω μηδέν. [26] εὐρήσεις γὰρ ἡμᾶς τῆς Λαζικῆς ἔνθα ἂν βούλοιο ὑφισταμένους τε τὴν σὴν ἔφοδον καὶ ἀντιπαραταττομένους ὑπὲρ χώρας τῆσδε ὅση δύναμις: ὥστε παρέσται σοι διαγωνιζομένῳ ἀνδραγαθίζεσθαι πρὸς ἡμᾶς. [27] εἰ μέντοι ἀδύνατος ὢν Περσῶν τῇ δυνάμει ἀντιτάσσεσθαι καὶ αὐτὸς οἶδας, σὺ δέ, ὦ ἄγαθέ, τὸ δεύτερον διαχειρίζε, τὸ γνῶθι σαυτόν, καὶ προσκύνει τὸν σαυτοῦ δεσπότην Χοσρόην ἅτε βασιλέα καὶ νενικηκότα καὶ κύριον. [28] αἶτει τέ σοι τῶν πεπραγμένων ἴλεων εἶναι, ὅπως ἂν τὸ λοιπὸν δυνατὸς εἴης τῶν ἐνοχλούντων ἀπηλλάχθαι κακῶν. [29] ὥς ἔγωγε ἀναδέχομαι βασιλέα Χοσρόην ἴλεων τέ σοι γενήσεσθαι καὶ τὰ πιστὰ δώσειν, ὁμήρους σοι παρεχόμενον παῖδας τῶν ἐν Πέρσαις λογίμων ἀρχόντων, ὥς τὰ τε ἄλλα καὶ τὴν σωτηρίαν καὶ τὴν βασιλείαν τὴν σὴν τὸν πάντα αἰῶνα ἐν ἀσφαλείᾳ ἔξεις. [30] εἰ δέ σοι τούτων οὐδέτερον βουλομένῳ ἐστίν, ἀλλὰ σὺ ἐξ τινος ἐτέραν ἀπιὼν χώραν δὸς τοῖς διὰ

τὴν σὴν ἀβουλίαν τάλαιπῶροις γενομένοις Λαζοῖς ἀναπνεύσαι ποτε καὶ ἀπὸ δυσκόλων τῶν αὐτοῖς ἐγκειμένων ἀνενεγκεῖν μηδὲ αὐτοῖς ἀπέραντον ὄλεθρον τόνδε προστρίβεσθαι βούλου ἐπὶ σφαλερᾷ τῆς ἐλπίδος ὀχούμενος· λέγω δὲ τῆς Ῥωμαίων ἐπικουρίας. [31] οὐ γάρ σοι τιμωρεῖν ποτὲ δυνατοὶ ἔσονται, ὥσπερ οὐδὲ ἄχρι ἐς τὴν ἡμέραν δεδύνηται τήνδε.’ Μερμερόης μὲν ταῦτα ἔγραψε. [32] Γουβάζην δὲ οὐδ’ ὥς ἔπειθεν, ἀλλ’ ἐν τοῖς τῶν ὀρῶν κολωνοῖς ἔμενε, караδοκῶν τὴν ἐκ Ῥωμαίων ἐπικουρίαν καὶ τῷ ἐς τὸν Χοσρόην ἔχθαι ὥς ἥκιστα ἐς τὴν Ῥωμαίων ἀπόγνωσιν ἐγκλίνειν ἐθέλων. [33] οἱ γὰρ ἄνθρωποι τὴν διάνοιαν ἐκ τοῦ ἐπὶ πλεῖστον πρὸς τὴν τοῦ βουλήματος ἀρμόζονται χρεῖαν, καὶ λόγῳ μὲν τῷ ἀρέσκοντι αὐτοὺς αἰὶ προσχωροῦσι, καὶ προσίενται τὰ ἐξ αὐτοῦ πάντα, οὐ διασκοπούμενοι μὴ ψευδῆς εἶη, τῷ δὲ λυποῦντι χαλεπῶς ἔχοντες ἀπιστοῦσιν, οὐ διερευνώμενοι μὴ ἀληθὲς εἶη.

Ὑπὸ τοῦτον τὸν χρόνον τῶν τινὲς μοναχῶν ἐξ Ἰνδῶν ἦκοντες, γνόντες τε ὡς Ἰουστινιανῷ βασιλεῖ διὰ σπουδῆς εἶη μηκέτι πρὸς Περσῶν τὴν μέταξαν ὠνεῖσθαι Ῥωμαίους, ἐς βασιλέα γενόμενοι οὕτω δὴ τὰ ἀμφὶ τῇ μετᾴξει διοικήσεσθαι ὡμολόγουν, ὡς μηκέτι Ῥωμαῖοι ἐκ Περσῶν τῶν σφίσι πολεμίων ἢ ἄλλου του ἔθνους τὸ ἐμπόλημα τοῦτο ποιήσωνται· [2] χρόνου γὰρ κατατριῖσαι μῆκος ἐν χώρᾳ ὑπὲρ Ἰνδῶν ἔθνη τὰ πολλὰ οὔση, ἥπερ Σηρίνδα ὀνομάζεται, ταύτη τε ἐς τὸ ἀκριβὲς ἐκμεμαθηκέναι ὅποια ποτὲ μηχανῇ γίνεσθαι τὴν μέταξαν ἐν γῇ τῇ Ῥωμαίων δυνατὰ εἶη. [3] ἐνδελεχέστατα δὲ διερευνωμένῳ τῷ βασιλεῖ καὶ ἀναπυθνομένῳ εἰ ὁ λόγος ἀληθὲς εἶη ἔφασκον οἱ μοναχοὶ σκώληκάς τινας τῆς μετᾴξης δημιουργοὺς εἶναι, τῆς φύσεως αὐτοῖς διδασκάλου τε οὔσης καὶ διηνεκῶς ἀναγκαζούσης ἐργάζεσθαι. [4] ἀλλὰ τοὺς μὲν σκώληκας ἐνθάδε ζῶντας διακομίζειν ἀμήχανα εἶναι, τὸν δὲ αὐτῶν γόνον εὐπορόν τε καὶ ῥάδιον ὅλως. εἶναι δὲ τῶν σκωλήκων τῶνδε τὸν γόνον ᾧ ἐκάστου ἀνάριθμα. [5] ταῦτα δὲ τὰ ᾧ χρόνῳ πολλῷ τῆς γονῆς ὕστερον κόπρῳ καλύψαντες ἄνθρωποι ταύτη τε διαρκῇ θερμήναντες χρόνον ζῶα ποιοῦσι. [6] ταῦτα εἰπόντας ὁ βασιλεὺς μεγάλοις τοὺς ἄνδρας ἀγαθοῖς δωρήσασθαι ὁμολογήσας τῷ ἔργῳ πείθει ἐπιρρῶσαι τὸν λόγον. [7] οἱ δὲ γενόμενοι ἐν Σηρίνδῃ αὐθις τὰ τε ᾧ μετήνεγκαν ἐς Βυζάντιον, ἐς σκώληκάς τε αὐτὰ τρόπῳ ᾧπερ ἐρρήθη μεταπεφυκέναι διαπραζάμενοι τρέφουσιν τε συκαμίνου φύλλοις, καὶ ἀπ’ αὐτοῦ γίνεσθαι μέταξαν τὸ λοιπὸν κατεστήσαντο ἐν Ῥωμαίων τῇ γῇ. [8] τότε μὲν οὖν τὰ τε κατὰ τὸν πόλεμον πράγματα Ῥωμαίοις τε καὶ Πέρσαις καὶ τὰ ἀμφὶ μετᾴξει ταύτῃ πη ἔσχε. [9] Μετὰ δὲ τὴν τοῦ χειμῶνος ὥραν ἀφικόμενος παρὰ Χοσρόην σὺν τοῖς χρήμασιν Ἰσδιγούσνας τὰ ξυγκείμενα σφίσιν ἐσήγγελλε. καὶ ὅς τὰ μὲν χρήματα κεκομισμένος τὴν ἐκεχειρίαν μελλήσει οὐδεμιᾷ ἐπεσφράγισε, Λαζικῆς δὲ μεθίεσθαι οὐδαμῇ ἤθελεν. [10] ἀλλὰ καὶ τοῖς χρήμασι τούτοις Οὐννων τῶν Σαβείρων ἐταιρισάμενος μέγα τι χρῆμα ξὺν Πέρσαις τισὶ τῷ Μερμερόῃ εὐθὺς ἐπεμψεν. ᾧ δὴ ἐπέστελλεν ἔργου ἔχεσθαι δυνάμει τῇ πάσῃ, καὶ μὴν καὶ ἐλέφαντάς οἱ πολλοὺς ἔστειλε. [11] Μερμερόης δὲ παντὶ τῷ Περσῶν τε καὶ Οὐννων στρατῷ ἐκ Μοχρησίδος ἀναστὰς ἐπὶ τὰ Λαζῶν ὀχυρώματα ἦει, τοὺς ἐλέφαντας ἐπαγόμενος. [12] Ῥωμαῖοι δὲ οὐδαμῇ ὑπηντίαζον, ἀλλ’ ἀμφὶ τὰς ἐκβολὰς Φάσιδος ποταμοῦ, Μαρτίνου ἡγουμένου σφίσι, χωρίου ἰσχύι σφᾶς

αὐτοὺς ὡς ἀσφαλέστατα κρατυνάμενοι ἡσυχῇ ἔμενον. [13] ξυνήν δὲ αὐτοῖς καὶ Γουβάζης ὁ Λαζῶν βασιλεὺς. οὗτος δὲ ὁ Μήδων στρατός, τύχης αὐτῷ ξυμβάσης τινός, οὐδὲν ἄχαρι οὔτε Ῥωμαίων οὔτε Λαζῶν τινὰ ἔδρασε. [14] τὰ μὲν γὰρ πρῶτα ὁ Μερμερόης ἐν φρουρίῳ τῷ μαθὼν τὴν Γουβάζου ἀδελφὴν εἶναι ἐπ' αὐτὸ ἐπῆγε τὸ στράτευμα ὡς ἐξαίρησων μηχανῇ πάσῃ. [15] καρτερώτατα δὲ ἀμυνομένων τῶν ταύτῃ φρουρῶν καὶ χωρίου σφίσι ξυλλαμβανούσης τῆς φύσεως ὀχυρότητι ἄπρακτοι ἐνθένδε ἀποκρουσθέντες οἱ βάρβαροι ἀνεχώρησαν· ἔπειτα ἐπὶ Ἀβασγούς σπουδῇ ἵεντο. [16] Ῥωμαῖοι δὲ οἱ ἐν Τζιβιλῇ φρουρὰν ἔχοντες τὴν διόδον καταλαμβάνοντες στενοτάτῃν τε καὶ κρημνώδῃ οὖσαν, ἥπερ μοι ἔμπροσθεν εἴρηται, τὸ παράπαν τε ἀδιέξοδον, ἐμπόδιοι σφίσιν ἐγένοντο. [17] διὸ δὴ οὐκ ἔχων ὁ Μερμερόης καθ' ὃ τι τοὺς ἀνθισταμένους βιάζεται, ὑπῆγεν ὀπίσω τὸ στράτευμα ἐπὶ τε Ἀρχαιοπόλιν ὡς πολιορκήσων αὐτίκα ἦει. τοῦ τε περιβόλου ἀποπειρασάμενος, ἐπεὶ οὐδὲν προὐχώρει, ἀνέστρεφεν αὐθις. [18] Ῥωμαῖοι δὲ ἀναχωροῦσιν ἐπισπόμενοι τοῖς πολεμίοις ἐν δυσχωρίᾳ πολλοὺς ἔκτεινον, ἐν τοῖς καὶ τῶν Σαβείρων τὸν ἄρχοντα ξυνηνέχθη πεσεῖν. [19] μάχης τε καρτερᾶς ἀμφὶ τῷ νεκρῷ γενομένης ὕστερον Πέρσαι περὶ λύχνων ἀφὰς βιασάμενοι τοὺς ἐναντίους ἐτρέψαντο, ἐπὶ τε Κόταις καὶ Μοχίρησιν ἀπεχώρησαν. ταῦτα μὲν οὖν Ῥωμαίοις τε καὶ Πέρσαις ἐπέπρακτο τῇδε. [20] Τὰ μέντοι ἐπὶ Λιβύης ἅπαντα Ῥωμαίοις εὖ τε καὶ καλῶς καθεστήκει. τῷ γὰρ Ἰωάννῃ, ὃν περ ἐνταῦθα βασιλεὺς Ἰουστινιανὸς στρατηγὸν κατεστήσατο, εὐτυχήματα λόγου τε καὶ ἀκοῆς κρείσσω ξυνηνέχθη γενέσθαι. [21] ὃς δὴ ἓνα τῶν ἐν Μαυρουσίοις ἀρχόντων ἐταιρಿಸάμενος, Κουτζίναν ὄνομα, τὰ τε πρότερα μάχῃ τοὺς ἄλλους ἐνίκησε καὶ οὐ πολλῷ ὕστερον Ἀντάλαν τε καὶ Ἰαύδαν, οἱ Μαυρουσίων τῶν ἐν Βυζακίῳ τε καὶ Νουμιδίᾳ τὸ κράτος εἶχον, ὑποχειρίους πεποίηται, εἰποντό τε αὐτῷ ἐν ἀνδραπόδων λόγῳ. [22] καὶ ἀπ' αὐτοῦ πολέμιον Ῥωμαίοις οὐδὲν ὑπὸ τοῦτον τὸν χρόνον ἔν γε Λιβύῃ ἐγένετο. τοῖς μέντοι φθάσασι πολέμοις τε καὶ στάσεσιν ἔρημος ἀνθρώπων ἡ χώρα ἐκ τοῦ ἐπὶ πλεῖστον οὔσα διέμεινεν.

Ἐν ᾧ δὲ ταῦτα ἐπράσσετο τῇδε, ἐν τούτῳ τάδε ξυνηνέχθη ἐν Εὐρώπῃ γενέσθαι. Γήπαιδες μὲν, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, τὰς σπονδὰς θέμενοι πρὸς Λαγγοβάρδας τοὺς σφίσι πολεμίους ὄντας ἐτύγχανον. [2] παντάπασι δὲ οὐχ οἰοί τε ὄντες τὰ διάφορα πρὸς αὐτοὺς διαλύσαι πολεμητέα σφίσιν οὐ πολλῷ ὕστερον ᾤοντο εἶναι. [3] Γήπαιδες μὲν οὖν καὶ Λαγγοβάρδαι πανδημεῖ ἐπὶ ἀλλήλους τῷ πολέμῳ ἀκμάζοντες ἦσαν. [4] ἡγεῖτο δὲ τῶν μὲν Γηπαίδων Θορισίν, τῶν δὲ Λαγγοβαρδῶν Αὐδοῦν ὄνομα, καὶ αὐτῶν ἑκατέρῳ ἀνδρῶν μυριάδες πολλαὶ εἶποντο. ἤδη μὲν οὖν ἄγχιστά πη ἀμφοτέρω ἦλθον, οὐπω δὲ τὰ στρατόπεδα πρὸς ἀλλήλων καθεωρῶντο. [5] δείματα δὲ τὰ πανικὰ καλούμενα ἐξαπιναιῶς ἑκατέροις ἐπιτεσόντα φεύγοντας ἀπ' αἰτίας οὐδεμιᾶς ἅπαντας ὀπίσω ἀπήνεγκε, μόνων τῶν ἀρχόντων αὐτοῦ ἀπολελειμμένων ξὺν ὀλίγοις τισίν. [6] οἵπερ αὐτοὺς ἀνθέλκειν τε καὶ τῆς ὑπαγωγῆς ἀναχατίζειν ἀποπειρασάμενοι οὐδὲν ἦνουν οὔτε θωπεΐαις οἰκτραῖς οὔτε ἀπειλαῖς φοβεραῖς χρώμενοι. [7] Περιδεῆς οὖν γεγονῶς Αὐδοῦν ὁρῶν διασκεδαννυμένους ἀκόσμως οὕτως· οὐ γὰρ ἦδει τοὺς πολεμίους τὴν ὁμοίαν κεκληρῶσθαι τύχην τῶν οἱ ἐπομένων τινὰς ἐπὶ πρεσβείᾳ παρὰ τοὺς ἐναντίους

εὐθὺς ἔπεμψε τὴν εἰρήνην αἰτησομένους. [8] οἵπερ, ἐπεὶ παρὰ τὸν ἄρχοντα τῶν Γηπαίδων Θορισὶν ἀφικόμενοι τὰ πρᾶσσόμενα εἶδον, ἔκ τε τῶν ἐν σφίσιν αὐτοῖς τετυχηκότων κατενόησαν τὰ τοῖς πολεμίοις ξυνενεχθέντα καὶ τῷ Θορισὶν ἐς ὅσιν ἐλθόντες ἀνεπνύοντο αὐτοῦ ὅπη ποτέ οἱ γῆς τῶν ἀρχομένων τὸ πλῆθος εἶη. [9] καὶ ὃς τῶν ξυμπεπτοκότων οὐδὲν ἀρνηθεὶς ‘Φεύγουσιν οὐδενὸς διώκοντος’ ἔφη. οἱ δὲ ὑπολαβόντες ‘Ταὐτὸ τοῦτο,’ φασί, ‘Λαγγοβάρδαι πεπόνθασιν. ἀληθίζομένῳ γάρ σοι, ὦ βασιλεῦ, οὐδέν τι τῶν ἡμετέρων ἀποκρυσόμεθα. [10] οὐκοῦν ἐπειδὴ τὰ γένη ταῦτα διολωλέναι ὥς ἥκιστα βουλομένῳ τῷ θεῷ ἐστὶ καὶ ἀπ’ αὐτοῦ διέλυσε τὴν παράταξιν, σωτήριον ἀμφοτέροις ἐπιβαλὼν δέος, φέρε δὴ καὶ ἡμεῖς ἐπιχωρήσωμεν τῇ τοῦ θεοῦ γνώμῃ, τὸν πόλεμον καταλύοντες.’ “Ἐστω, γινέσθω ταῦτα,” ὁ Θορισὶν ἔφη. δυοῖν τε οὕτως ἐνιαυτοῖν ἐκεχειρίαν πεποιήνται, [11] ὅπως μεταξὺ ἐπικηρυκεύομενοί τε καὶ παρ’ ἀλλήλους ἀεὶ φοιτῶντες ἅπαντα ἐς τὸ ἀκριβὲς τὰ διάφορα διαλύσωσι. τότε μὲν οὖν οὕτως ἐκάτεροι ἀνεχώρησαν. [12] Ἐν δὲ τῇ ἐκεχειρίᾳ ταύτῃ οὐχ οἱοί τε γεγεννημένοι ἐς τῶν ἀντιλεγομένων τὴν διάλυσιν ἀλλήλοις ξυμβῆναι, αὐθὺς ἐπὶ τὰ πολέμια ἔργα χωρεῖν ἐμελλον. [13] δειμαίνοντές τε Γήπαιδες τὴν Ῥωμαίων ἀρχὴν ἐπίδοξοι γὰρ ἦσαν ὥς Λαγγοβάρδαις ξυντάσσονται τῶν τινὰς Οὐννων ἐς τὴν ὁμαιχμίαν ἐπάγεσθαι διεννοοῦντο. [14] ἔπεμψαν οὖν παρὰ τῶν Κουτριγούρων τοὺς ἄρχοντας, οἱ δὴ ἐνθένδε ὤκνηται Λίμνης τῆς Μαιώτιδος, καὶ αὐτῶν ἐδέοντο πόλεμον τὸν πρὸς Λαγγοβάρδας ξυνδιενεγκεῖν σφίσιν. [15] οἱ δὲ αὐτοῖς δισχιλίους τε καὶ μυρίους εὐθὺς ἔπεμψαν, ὧν ἄλλοι τε ἡγοῦντο καὶ Χινιαλὼν, ἀνὴρ διαφερόντως ἀγαθὸς τὰ πολέμια. [16] Γήπαιδες δὲ τούτων δὴ τῶν βαρβάρων τῇ παρουσίᾳ ἐν τῷ παρόντι ἀχθόμενοι, ἐπεὶ οὕπω ὁ τῆς μάχης ἐνειστήκει καιρὸς, ἀλλ’ ἐνιαυτὸς ταῖς ξυνθήκαις ἔτι ἐλέλειπτο, πείθουσιν αὐτοὺς καταθεῖν μεταξὺ τὴν βασιλέως γῆν, πάρεργον τῆς σφετέρας ἀκαιρίας πεποιημένοι τὴν ἐς Ῥωμαίους ἐπιβουλήν. [17] ἐπεὶ δὲ Ῥωμαῖοι τὴν διάβασιν ποταμοῦ Ἰστρου ἐς τὸ ἀκριβὲς ἐν τε Ἰλλυριοῖς καὶ τοῖς ἐπὶ Θράκης χωρίοις ἐφρούρουν, αὐτοὶ τούτους δὴ τοὺς Οὐννους ἐν χώρᾳ τῇ κατ’ αὐτοὺς διαπορθμεύσαντες ποταμὸν Ἰστρον ἐς τὰ Ῥωμαίων ἦθη ἀφίεσαν. [18] Καὶ οἱ μὲν πάντα σχεδὸν τι ἐληΐσαντο τὰ ἐκείνῃ χωρία, βασιλεὺς δὲ Ἰουστινιανὸς ἐπενόει τάδε. πέμψας παρὰ Οὐννων τῶν Οὐτιγούρων τοὺς ἄρχοντας, οἱ δὴ ἐπέκεινα Λίμνης ὤκνηται τῆς Μαιώτιδος, ἐμέμφετό τε καὶ ἄδικον αὐτῶν ἀπεκάλει τὴν ἐς Κουτριγούρους ἀπραγμοσύνην, εἵπερ τὸ τοὺς φίλους διαφθειρομένους περιορᾷ ἐν τοῖς τῶν ἔργων ἀδικωτάτοις καταλέγειν δεήσει. αὐτῶν γὰρ Κουτριγούροι, [19] ἔφη, πλησιοχώρων ὄντων ἀφροντιστήσαντες, καὶ ταῦτα ἐκ Βυζαντίου χρήματα μεγάλα κομιζόμενοι ἀνὰ πᾶν ἔτος, τρόπῳ οὐδενὶ τῆς ἐς Ῥωμαίους ἀδικίας οὐ θέλουσιν ἀποπαύεσθαι, ἀλλ’ ὁσημέραι καταθέουσὶ τε καὶ ληΐζονται αὐτοὺς οὐδενὶ λόγῳ. [20] τούτων δὲ αὐτοὶ οὐδὲν τὸ μέρος κερδαίνοντες, οὐδὲ τῆς λείας Κουτριγούροις διαλαγχάνοντες, οὐ προσποιοῦνται κακουμένους Ῥωμαίους, καίπερ αὐτοῖς φίλοι ἐκ παλαιοῦ ἐς τὰ μάλιστα ὄντες. [21] ταῦτα σημῆνας τοῖς Οὐτιγούροις Ἰουστινιανὸς βασιλεὺς καὶ χρήμασι μὲν αὐτοὺς δωρησάμενος, ὑπομνήσας δὲ ὅσων δώρων καὶ προτερον πολλάκις πρὸς αὐτοῦ ἔτυχον, ἀναπεῖθει σφᾶς ἔφοδον αὐτίκα ἐς τῶν Κουτριγούρων τοὺς ὑπολελειμμένους

ποιήσασθαι. [22] Οἱ δὲ Γότθων τῶν σφίσι προσοίκων, οἳ δὴ Τετραξῖται καλοῦνται, δισχιλίους ἐς ξυμμαχίαν ἐπαγόμενοι διέβησαν πανδημεὶ ποταμὸν Τάναϊν. [23] ἦρχε δὲ αὐτῶν Σανδὶλ, ἀνὴρ ξυνετώτατος μὲν καὶ πολέμων πολλῶν ἔμπειρος, ἐς ἀλκὴν δὲ καὶ ἀνδρίαν ἱκανῶς πεφυκώς. [24] ἐπεὶ δὲ τοῦ ποταμοῦ τὴν διάβασιν ἐποίησαντο, τῶν Κουτριγούρων πολλοῖς ὑπαντιάσασιν ἐς χεῖρας ἦλθον. ὥνπερ ἰσχυρότατα τοὺς ἐπιόντας ἀμυνομένων ἐπὶ μακρότατον μὲν ἡ μάχη ἐγεγόνει, μετὰ δὲ Οὐτίγουροι τρεψάμενοι τοὺς ἐναντίους πολλοὺς ἔκτειναν. ὀλίγοι δὲ τινες φεύγοντες, ὅπη αὐτῶν ἐκάστω δυνατὰ γέγονε, διεσώθησαν. καὶ αὐτῶν οἱ πολέμιοι παῖδάς τε καὶ γυναῖκας ἀνδραποδίσαντες ἐπ' οἴκου ἀπεκομίσθησαν.

Τούτων δὲ τῶν βαρβάρων τότε πρὸς ἀλλήλους διαμαχομένων ἥπερ μοι εἴρηται, τοῦ τε κινδύνου σφίσι κατὰ τὴν ἀγωνίαν ἀκμάζοντος, εὐτυχία χρησθαι Ῥωμαίοις ξυνηνέχθη πολλῇ. [2] ὅσοι γὰρ αὐτῶν ὑπὸ Κουτρίγούροις ἐν αἰχμαλώτων λόγῳ ὄντες ἐτύγχανον, ἐς μυριάδας, ὥς φασι, ξυνιόντες πολλὰς, ἐν τῷ πόνῳ τούτῳ διαλαθόντες ἐνθένδε τε κατὰ τάχος ἐξαναστάντες οὐδενὸς σφίσιν ἐπισπομένου ἐς τὰ πατρία ἦθη ἀφίκοντο, καὶ νίκης ἀλλοτρίας ἐν τοῖς ἀναγκαιοτάτοις ἀπώναντο. [3] βασιλεὺς δὲ Ἰουστινιανὸς Ἀράτιον στρατηγὸν στείλας παρά τε Χινιαλὼν καὶ Οὐννους τοὺς ἄλλους, ἀγγεῖλαι μὲν ἐκέλευε τὰ σφίσιν ἐν γῇ τῇ σφετέρᾳ αὐτῶν ξυνενεχθέντα, χρήματα δὲ αὐτοῖς προϊέμενον πείσαι ἀπαλλάσσεσθαι ὅτι τάχιστα ἐκ Ῥωμαίων τῆς γῆς. [4] οἱ δὲ τῶν Οὐτιγούρων τὴν ἐφοδὸν γνόντες καὶ χρήματα μεγάλα πρὸς τοῦ Ἀρατίου κεκομισμένοι ξυνέβησαν μήτε φόνον ἐτι ἐργάσεσθαι μήτε ἀνδραποδεῖν Ῥωμαίων μηδένα μήτε τι ἄλλο ἄχαρι δράσειν, ἀλλὰ τὴν ἀναχώρησιν ἅτε διὰ φίλων ποιήσεσθαι τῶν τῇδε ἀνθρώπων. [5] ξυνέκειτο δὲ καὶ τοῦτο, ὥστε, εἰ μὲν δυνατοὶ εἶεν οἱ βάρβαροι οὗτοι ἐν γῇ τῇ πατρῷᾳ ἐπανιόντες ἰδρύεσθαι, μένειν τε αὐτοῦ καὶ πίστεως τῆς ἐς Ῥωμαίους τὸ λοιπὸν ἔχεσθαι: ἦν δέ γε αὐτοῖς ἐν ταύτῃ μένειν ἀδύνατα ἦ, ἐπανίεναι μὲν αὐθις αὐτοὺς ἐς γῆν τὴν Ῥωμαίων, βασιλέα δὲ σφᾶς δωρήσασθαι τισι τῶν ἐπὶ Θράκης χωρίων, ἐφ' ᾧ ἐνταῦθα ἐνοικησάμενοι ἔνσπονδοί τε τὸν πάντα αἰῶνα Ῥωμαίοις ἔσονται καὶ τὴν χώραν ἐς τὸ ἀκριβὲς ξυμφυλάξουσιν ἐκ πάντων βαρβάρων. [6] Ἦδη δὲ καὶ Οὐννων τῶν ἡσημένων ἐν τῇ ξυμβολῇ καὶ διαφυγόντων τοὺς Οὐτιγούρους δισχίλιοι ἦλθον ἐς Ῥωμαίων τὴν γῆν, παῖδάς τε καὶ γυναῖκας ἐπαγόμενοι: [7] ἡγοῦντο δὲ αὐτῶν ἄλλοι τε καὶ Σιννίων, ὅσπερ ξὺν Βελισαρίῳ πολλῶ πρότερον ἐπὶ τε Γελίμερα καὶ Βανδύλους ἐστράτευσε: γίνονται τε Ἰουστινιανοῦ βασιλέως ἰκέται. καὶ ὃς αὐτοὺς ὑπεδέξατο προθυμία τῇ πάσῃ, ἐν τε χωρίοις ἰδρύσασθαι τοῖς ἐπὶ Θράκης ἐκέλευσεν. [8] ἅπερ ἐπεὶ Σανδὶλ, ὁ τῶν Οὐτιγούρων βασιλεὺς, ἔμαθε, παρωξυσμένος τε καὶ περιωργισμένος, εἰ αὐτὸς μὲν Κουτρίγούρους ὁμογενεῖς ὄντας ἀδικίας τῆς ἐς Ῥωμαίους τινύμενος ἐξ ἡθῶν ἀναστήσειεν αὐτοὺς τῶν πατρίων, οἱ δὲ βασιλέως σφᾶς ἐνδεξαμένου ἐνοικησάμενοι ἐν Ῥωμαίων τῇ γῇ πολλῶ ἄμεινον βιοτεύσουσιν, ἔπεμψε πρέσβεις ἐς βασιλέα τὰ πεπραγμένα ὀνειδιζόντας, οὐκ ἐπιστολὴν αὐτοῖς τινὰ ἐγχειρίσας 'ἐπεὶ γραμμάτων παντάπασιν Οὐννοι ἀνήκοοί τε καὶ ἀμελέτητοι ἐς τότε εἰσὶ καὶ οὔτε γραμματιστὴν τινὰ ἔχουσιν οὔτε τῷ περὶ τὰ γράμματα πόνῳ συναύξεται αὐτοῖς τὰ παιδιὰ, βαρβαρικώτερον δὲ ἅπαντα ἀποστοματιοῦντας ὅσα δὴ αὐτὸς ἐπιστεῖλαιε σφίσιν. [9] Ἀφικόμενοι οὖν οἱ πρέσβεις ἐς ὧσιν Ἰουστινιανῷ βασιλεῖ λέγειν οἱ ἔφασαν δι' αὐτῶν ὡς ἐν ἐπιστολῇ τάδε βασιλέα Σανδὶλ: 'Παροιμίαν τινὰ ἐκ παιδὸς ἀκηκοὼς οἶδα, καὶ εἴ τι μὴ αὐτῆς ἐπιλέλῃσμαι, [10] τοιαύτη τις ἡ παροιμία τυγχάνει οὔσα. τὸ θηρίον ὁ λύκος τῆς μὲν τριχὸς, φασίν, ἴσως ἂν τι καὶ παραλλάξαι οὐκ ἀδύνατος εἴη, τὴν μέντοι γνώμην οὐ μεταστρέφει, οὐκ ἀφιεῖσθαι αὐτῷ μεθαρμοσαμένῳ ταύτην τῆς φύσεως. [11] ταῦτα μὲν,' παροιμιαζόμενός φησιν ὁ Σανδὶλ, 'τῶν πρεσβυτέρων ἀκήκοα, πλαγίῳ τινὶ παραδηλούντων τὰ ἀνθρώπινα λόγῳ. οἶδα δέ τι καὶ ἀπὸ τῆς πείρας μαθὼν, οἷα εἰκὸς ἦν ἀγροικιζόμενον βάρβαρον ἐκμαθεῖν: [12] τοὺς κύνas οἱ ποιμένες ἐπιτιτθίους ὄντας ἀναιρούμενοι οὐκ ἀπημελημένους οἶκοι

[13] τεθέαται γὰρ τῶν πάντων οὐδεὶς οὔτε ποιμνὴ κύνας ἐπιβουλεύσαντας οὔτε λύκους ἀμυνομένους αὐτῆς πώποτε, ἀλλ' ὥσπερ τινὰ τοῦτον ἡ φύσις θεσμὸν κυσί τε καὶ προβάτοις καὶ λύκοις νομοθετήσασα ἔθετο. [14] οἶμαι δὲ κὰν τῇ βασιλείᾳ τῇ σῇ, οὗ δὴ πραγμάτων ἐκ τοῦ ἐπὶ πλεῖστον ἀπάντων, τάχα δέ που καὶ τῶν ἀμυγνάνων, περιουσίαν ξυμβαίνει εἶναι, παράλλαξιν τούτων τινὰ οὐδαμῇ γίνεσθαι. [15] ἡ γοῦν τοῖς πρέσβεσι τοῖς ἑμοῖς δεῖξατε ὅπως ἂν τι καὶ τῶν οὐκ εἰωθότων ἐπὶ γήραος οὐδ' ἄ μάθοιμεν: εἰ δὲ ἀραρότως ταῦτα πανταχῇ πέφυκεν, οὐ καλὸν σοί ἐστι Κουτρίγούρων τὸ γένος ξεναγεῖσθαι, οἶμαι, τεθολωμένον ἐπαγαγομένῳ γειτόνημα, καὶ οὕς ὄντας ὑπερορίους οὐκ ἤνεγκας, τανῦν ἐνδήμους πεπονημένῳ. [16] αὐτοὶ τε γὰρ τρόπον ἐς Ῥωμαίους τὸν οἰκεῖον ἐνδείζονται οὐ πολλῷ ὕστερον, καὶ τούτου χωρὶς οὔτε πολέμιος ἐπιλείπει διαφθείρων τὴν Ῥωμαίων ἀρχήν, ἐλπίδι τοῦ ἡσσηθείς ἀμείνων ἔσσεσθαι παρὰ σοί, οὔτε φίλος περιέσται Ῥωμαίοις, ἐμπόδιός ποτε τοῖς καταθέουσι γῆν τὴν ὑμετέραν ἐσόμενος, δέει τοῦ μή, ἐπειδὰν φέρεται παρὰ τῆς τύχης τὰ κράτιστα, τοὺς ἡσσημένους ἐπιδεῖν ἐπιφανέστερον αὐτοῦ παρ' ὑμῖν πράσσοντας, εἴ γε ἡμεῖς μὲν ἐν χώρᾳ ἐρήμῳ τε καὶ ἄλλως ἀγόνῳ τὰ διαιτητήρια ἔχομεν, τοῖς δὲ Κουτρίγούροις σιτώνειν τε καὶ τοῖς οἰνῶσι κατακραίπαλὰν ἐν ἐξουσίᾳ ἐστὶ καὶ παρονίδας αἰρεῖσθαι πάσας. [17] πάντως δέ πη καὶ βαλανείων αὐτοῖς μέτεστι, καὶ χρυσοφοροῦσιν οἱ πλανῆται καὶ ἱματίων οὐκ ἀμοιροῦσι λεπτῶν τε καὶ πεποικιλμένων καὶ καταληλειμμένων χρυσῶ. καίτοι Κουτρίγουροι μὲν Ῥωμαίων [18] ἀνάρθμα πλήθῃ ἐξηνδραποδικότες τὰ πρότερα μετήνεγκαν ἐς γῆν τὴν σφετέραν. [19] οἷς δὴ τὰ ἀνδραποδώδη πάντα ἐπέχειν οὐ πάρεργον τοῖς καταράτοις ἐγίνετο, ἀλλὰ καὶ μάλιστα οὐχ ἡμαρτηκόσιν ἐντεῖναι καὶ θανατοῦν ἴσως πρόχειρον ἦν, καὶ ὅσα ἄλλα δεσπότη βαρβάρῳ ὃ τε τρόπος καὶ ἡ ἐξουσία ἐφήσιν. [21] ὣν δὴ τὰς ἀμοιβὰς πρὸς ὑμῶν ἀπ' ἐναντίας ἐκάτεροι κεκομίσμεθα, εἴ γε ἡμεῖς μὲν ἀπολαύομεν ἔτι τῶν πατρίων κακῶν, οἱ δὲ τοῖς δι' ἀρετὴν ἡμετέραν ἀποφυγοῦσι τὴν αὐτῶν δουλώσιν χώρας τῆς ἐκείνων ἰσομοιροῦντες [22] διαλαγχάνουσι.' τοσαῦτα μὲν Οὐτιγούρων οἱ πρέσβεις εἶπον. βασιλεὺς δὲ αὐτοὺς πολλὰ τιθασσεύσας καὶ δώρων πλήθει παρηγορήσας οὐκ ἐς μακρὰν ἀπεπέμψατο. ταῦτα μὲν οὖν τῇδε ξυνηνέχθη γενέσθαι.

Κατὰ δὲ τὸν χρόνον τούτον τῷ τε Οὐάρνων ἔθνεϊ καὶ στρατιώταις νησιώταις οἱ δὴ ἐν νήσῳ τῇ Βριττία καλουμένῃ ὤκηνται, πόλεμος καὶ μάχη ἐγένετο ἐξ αἰτίας τοιαύτης. [2] Οὐάρνοι μὲν ὑπὲρ Ἰστρον ποταμὸν ἵδρυνται, διήκουσι δὲ ἄχρι ἐς Ὠκεανὸν τὸν ἀρκτῶν καὶ ποταμὸν Ῥῆνον, ὅσπερ αὐτοὺς τε διορίζει καὶ Φράγγους καὶ τὰ ἄλλα ἔθνη ἃ ταύτῃ ἵδρυνται. [3] οὗτοι ἅπαντες, ὅσοι τὸ παλαιὸν ἀμφὶ Ῥῆνον ἐκατέρωθεν ποταμὸν ὤκηντο, ἰδίου μὲν τινος

ὀνόματος ἕκαστοι μετελάγχανον, ἐπὶ κοινῆς δὲ Γερμανοὶ ἐκαλοῦντο ἅπαντες. [4] Βριττία δὲ ἡ νῆσος ἐπὶ τούτου μὲν Ὤκεανοῦ κεῖται, τῆς ἡϊόνος οὐ πολλῶ ἄποθεν, ἀλλ' ὅσον ἀπὸ σταδίων διακοσίων καταντικρὺ τῶν τοῦ Ῥήνου ἐκβολῶν μάλιστα, Βρεττανίας δὲ καὶ Θούλης τῆς νήσου μεταξύ ἐστίν. [5] ἐπεὶ Βρεττανία μὲν πρὸς δύοντά που κεῖται ἥλιον κατὰ τῆς Ἰσπανῶν τὰ ἔσχατα χώρας, ἀμφὶ σταδίου οὐχ ἦσσαν ἢ ἐς τετρακισχιλίους τῆς ἡπείρου διέχουσα, Βριττία δὲ ἐς τῆς Γαλλίας τὰ ὀπισθεν, ἃ δὴ πρὸς Ὤκεανὸν τετραμμένα, Ἰσπανίας δηλονότι καὶ Βρεττανίας πρὸς βορρᾶν ἄνεμον. [6] Θούλη δέ, ὅσα γε ἀνθρώπους εἰδέναι, ἐς Ὤκεανοῦ τοῦ πρὸς τῇ ἄρκτῳ τὰ ἔσχατα κεῖται. ἀλλὰ τὰ μὲν ἀμφὶ Βρεττανία καὶ Θούλη ἐν τοῖς ἔμπροσθέν μοι λόγοις ἐρρήθη· Βριττίαν δὲ τὴν νῆσον ἔθνη τρία πολυανθρωπότατα ἔχουσι, βασιλεὺς τε εἷς αὐτῶν ἐκάστῳ ἐφέστηκε. [7] καὶ ὀνόματα κεῖται τοῖς ἔθνεσι τούτοις Ἀγγίλοι τε καὶ Φρίσσονες καὶ οἱ τῇ νήσῳ ὁμώνυμοι Βρίττωνες. [8] τοσαύτη δὲ ἡ τῶνδε τῶν ἐθνῶν πολυανθρωπία φαίνεται οὕσα, ὥστε ἀνὰ πᾶν ἔτος κατὰ πολλοὺς ἐνθένδε μετανιστάμενοι ξὺν γυναιξὶ καὶ παισὶν ἐς Φράγγους χωροῦσιν. [9] οἱ δὲ αὐτοὺς ἐνοικίζουσιν ἐς γῆς τῆς σφετέρας τὴν ἐρημοτέραν δοκοῦσαν εἶναι, καὶ ἀπ' αὐτοῦ τὴν νῆσον προσποιεῖσθαι φασιν. [10] ὥστε ἀμέλει οὐ πολλῶ πρότερον ὁ Φράγγων βασιλεὺς ἐπὶ πρεσβείᾳ τῶν οἱ ἐπιτηδεῖων τινὰς παρὰ βασιλέα Ἰουστινιανὸν ἐς Βυζάντιον στείλας ἄνδρας αὐτοῖς ἐκ τῶν Ἀγγίλων ξυνέπεμψε, φιλοτιμούμενος ὥς καὶ ἡ νῆσος ἥδε πρὸς αὐτοῦ ἄρχεται. τὰ μὲν οὖν κατὰ τὴν Βριττίαν καλουμένην νῆσον τοιαυτὰ ἐστί. [11] Τῶν δὲ Οὐάρνων ἀνὴρ τις οὐ πολλῶ πρότερον, Ἑρμεγίσκλος ὄνομα, ἦρχεν. ὅσπερ τὴν βασιλείαν κρατύνασθαι διὰ σπουδῆς ἔχων, τὴν Θεοδιβέρτου ἀδελφὴν τοῦ Φράγγων ἄρχοντος γυναῖκα γαμετὴν ἐποίησατο. [12] τετελευτήκει γὰρ αὐτῷ ἔναγχος ἢ πρότερον ξυνοικοῦσα γυνή, παιδὸς ἐνὸς γενομένη μήτηρ ὃν καὶ ἀπέλιπε τῷ πατρὶ Ῥάδιγιν ὄνομα, ᾧ δὴ ὁ πατὴρ παρθένου κόρης, γένους Βριττίας, ἐμνήστευσε γάμον, ἥσπερ ἀδελφὸς βασιλεὺς ἦν τότε Ἀγγίλων τοῦ ἔθνους, χρήματα μεγάλα τῷ τῆς μνηστείας αὐτῇ δεδωκὼς λόγῳ. [13] οὗτος ἀνὴρ ξὺν Οὐάρνων τοῖς λογιμωτάτοις ἐν χωρίῳ τῷ ἱπευόμενος ὄρνιν τινὰ ἐπὶ δένδρου τε καθήμενον εἶδε καὶ πολλὰ κρώζοντα. [14] εἶτε δὲ τοῦ ὄρνιθος τῆς φωνῆς ξυνεῖς εἶτε ἄλλο μὲν τι ἐξεπιστάμενος, ξυνεῖναι δὲ τοῦ ὄρνιθος μαντευομένου τερατευσάμενος, τοῖς παροῦσιν εὐθὺς ἔφασκεν ὥς τεθνήξεται τεσσαράκοντα ἡμέραις ὕστερον. [15] τοῦτο γὰρ αὐτῷ τὴν τοῦ ὄρνιθος δηλοῦν πρόρρησιν. “Εγὼ μὲν οὖν προορώμενος” ἔφη “ὅπως δὴ ὥς ἀσφαλέστατα ξὺν τῇ ἀπραγμοσύνῃ βιώσεσθε, τοῖς τε Φράγγοις ἐς κῆδος συνῆλθον, γυναῖκα ἐνθένδε τὴν ἐμοὶ ξυνοικοῦσαν ἐπαγαγόμενος, καὶ τῷ παιδί τῷ μὲν περιβέβλημαι τὴν Βριττίαν μνηστήν. [16] ἀλλὰ νῦν, ἐπεὶ ἐγὼ μὲν τεθνήξεσθαι ὑποτοπάζω αὐτίκα δὴ μάλα, εἰμὶ δὲ ἅπαις ἄρσενός τε καὶ θήλεος γόνου, ὅσα γε τὰ γυναικὸς τῆσδε, πρὸς δὲ καὶ ὁ παῖς ἀνυμέναιός τε καὶ ἀνυμφος ἔτι νῦν ἐστί, φέρε ὑμῖν ἐπικοινωνοῦμαι τὴν ἐμὴν διάνοιαν, καὶ εἴ τι ὑμῖν οὐκ ἀσύμφορον δόξειεν εἶναι, ὑμεῖς δὲ αὐτήν, ἐπειδὴν ἀφίκωμαι τάχιστα ἐς τὸ μέτρον τοῦ βίου, τύχῃ ἀγαθῇ κατακυροῦντες διαπεραίνετε. [58] ταῦτα μὲν οὖν οἱ τῆδε ἄνθρωποι ξυμβαίνειν φασίν. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἐπάνειμι.

Οὕτω μὲν οὖν τὰ κατὰ τοὺς πολέμους ἐν χώρᾳ ἐκάστη ξυνηνέχθη γενέσθαι. ὁ δὲ Γοτθικὸς πόλεμος ἐφέρετο ὧδε. Βελισάριον μὲν ἐς Βυζάντιον μεταπεμψάμενος βασιλεὺς, ἥπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, διὰ

τιμῆς ἦγε, καὶ οὐδὲ Γερμανοῦ τετελευτηκότος πέμπειν αὐτὸν ἐς τὴν Ἰταλίαν διενοεῖτο, ἀλλὰ καὶ στρατηγὸν τῆς ἐφ᾽ αὐτὴν ὄντα, τῶν βασιλικῶν σωματοφυλάκων ἄρχοντα καταστησάμενος, αὐτοῦ κατεῖχεν. [2] ἦν τε τῷ ἀξιώματι πρῶτος ὁ Βελισάριος Ῥωμαίων ἀπάντων, καίτοι τινὲς αὐτῶν πρότεροι ἀνάγραπτοί τε ἐς πατρικίους γενόμενοι καὶ ἐς αὐτὸν ἀναβεβήκεσαν τῶν ὑπάτων τὸν δίφρον. [3] ἀλλὰ καὶ ὥς αὐτῷ τῶν πρωτείων ἐξίσταντο πάντες, αἰσχυρόμενοι κατὰ τῆς ἀρετῆς τῷ νόμῳ χρῆσθαι καὶ τὸ ἀπ' αὐτοῦ δικαίωμα περιβάλλεσθαι. [4] ταῦτά τε βασιλέα κομιδῇ ἤρεσκεν. Ἰωάννης δὲ ὁ Βιταλιανοῦ διεχεύμαζεν ἐν Σάλωσι. προσδεχόμενοί τε αὐτὸν ἐν Ἰταλίᾳ τοῦτον δὴ τὸν χρόνον οἱ τοῦ Ῥωμαίων στρατοῦ ἄπρακτοι ἔμενον. καὶ ὁ χειμὼν ἔληγε, καὶ τὸ ἑκατιδέκατον ἔτος ἐτελεύτα τῷ Γοθικῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψε. [5] Τῷ δὲ ἐπιγενομένῳ ἐνιαυτῷ Ἰωάννης μὲν διενοεῖτο ἐκ Σαλῶνων τε ἐξανίστασθαι καὶ τῷ στρατῷ ἐξηγεῖσθαι ὅτι τάχιστα ἐπὶ Τουτίλαν τε καὶ Γότθους. [6] βασιλεὺς δὲ αὐτὸν διεκώλυεν, αὐτοῦ τε μένειν ἐπέστελλεν, ἕως Ναρσῆς ὁ εὐνοῦχος ἀφίκηται. αὐτὸν γὰρ τοῦδε αὐτοκράτορα καταστήσασθαι τοῦ πολέμου ἐβούλευσεν. [7] ὅτου δὲ δὴ ἔνεκα ταῦτα βουλομένη βασιλεῖ εἶη διαρρήδην μὲν τῶν πάντων οὐδενὶ φανερόν γέγονε: βασιλέως γὰρ βούλευμα ἔκπυστον ὅτι μὴ αὐτοῦ ἐθελουσίου ἀμήχανά ἐστιν: ἃ δὲ ὑποπτεύοντες ἄνθρωποι ἔλεγον, ἐγὼ δηλώσω. [8] ἔννοια Ἰουστινιανῷ βασιλεῖ γέγονεν ὥς οἱ ἄλλοι τοῦ Ῥωμαίων στρατοῦ ἄρχοντες Ἰωάννου ἐπακούειν ὥς ἥκιστα ἐθελήσουσιν, οὐκ ἀξιοῦντες καταδεέστεροί τι αὐτοῦ τὸ ἀξίωμα εἶναι. [9] καὶ ἀπ' αὐτοῦ ἔδισε μὴ διχοστατοῦντες τῇ γνώμῃ ἢ ἐθελοκακοῦντες τῷ φθόνῳ συγγέωσι τὰ πρασσόμενα. [10] Ἦκουσα δὲ καὶ τόνδε τὸν λόγον ἀπαγγέλλοντος Ῥωμαίου ἀνδρός, ἡνίκα ἐπὶ Ῥώμης διατριβὴν εἶχον: ἦν δὲ οὗτος ἀνὴρ τῶν ἀπὸ τῆς συγκλήτου βουλῆς. [11] ἔλεγεν οὖν ὁ Ῥωμαῖος οὗτος ὥς ἄρχοι μὲν Ἰταλίας ποτὲ Ἀταλάριχος ὁ Θεουδερίχου θυγατρίδους, βοῶν δὲ τις ἀγέλη ἐς Ῥώμην ὑπὸ τοῦτον τὸν χρόνον ἀμφὶ δεῖλιν ὀψίαν ἐξ ἀγροῦ ἦκει διὰ τῆς ἀγορᾶς ἦν Φόρον Εἰρήνης καλοῦσι Ῥωμαῖοι: [12] ἐνταῦθα γὰρ πῃ ὁ τῆς Εἰρήνης νεὸς κεραυνόβλητος γενόμενος ἐκ παλαιοῦ κεῖται. ἔστι δὲ τις ἀρχαία πρὸ ταύτης δὴ τῆς ἀγορᾶς κρήνη, καὶ βοῦς ἐπὶ ταύτης χαλκοῦς ἔστηκε, Φειδίου, οἶμαι, τοῦ Ἀθηναίου ἢ Λυσίππου ἔργον. [13] ἀγάλματα γὰρ ἐν χώρῳ τούτῳ πολλὰ τούτοις δὴ τοῖν ἀνδρῶν ποιήματά ἐστιν. οὗ δὴ καὶ Φειδίου ἔργον ἕτερον: τοῦτο γὰρ λέγει τὰ ἐν τῷ ἀγάλματι γράμματα. [14] ἐνταῦθα καὶ τὸ τοῦ Μύρωνος βοῖδιον. ἐπιμελὲς γὰρ ἐγεγόνει τοῖς πάλαι Ῥωμαίοις τῆς Ἑλλάδος τὰ κάλλιστα πάντα ἐγκαλλωπίσματα Ῥώμης ποιήσασθαι. [15] ἓνα δὲ ταῦρον ἔφη τῶν τῆνικαδε παριόντων εὐνοῦχον τῆς τε ἀγέλης ἀπολειπόμενον καὶ ταύτης δὴ τῆς κρήνης ἐπιβατεύσαντα καθύπερθεν βοῶς τοῦ χαλκοῦ στήναι. [16] τύχῃ δὲ τινι παριόντα τινά, Τοῦσκον γένος, κομιδῇ ἄγροικον δόξαντα εἶναι, ξυμβάλλοντα τὸ ποιούμενον φάναι ἑῖσι γὰρ μαντικοί καὶ ἐς ἐμὲ Τοῦσκοί ὥς εὐνοῦχός ποτε καταλύσει τὸν ἄρχοντα Ῥώμης. [17] καὶ τῆνικαδε μὲν ὃ τε Τοῦσκος ἐκεῖνος καὶ ὁ παρ' αὐτοῦ λόγος γέλωτα ὦφλε. πρὸ γὰρ τῆς πείρας αἰεὶ ἄνθρωποι τὰς προρρήσεις φιλοῦσι χλευάζειν, οὐκ ἀναχαιτίζοντες αὐτοὺς τοῦ ἐλέγχου, τῷ μῆτε ἀποβεβηκέναι τὰ πράγματα μῆτε τὸν περὶ αὐτῶν λόγον εἶναι πιστόν, ἀλλὰ

μῦθος τινὶ γελοιώδει ἐμπερὴ φαίνεσθαι. [18] Νῦν δὲ δὴ ἅπαντες τὸ ζῦμβολον τοῦτο 'τοῖς ἀποβεηκόσιν ὑποχωροῦντες' θαυμάζουσι. [19] καὶ διὰ τοῦτο ἴσως ἐπὶ Τουτίλαν ἐστρατήγει Ναρσῆς, ἡ στοχαζομένης τοῦ ἐσομένου τῆς βασιλέως γνώμης, ἡ πρυτανευούσης τὸ δέον τῆς τύχης. [20] ὁ μὲν οὖν Ναρσῆς στρατεύμα τε λόγου ἄξιον καὶ χρήματα μεγάλα πρὸς βασιλέως κεκομισμένους ἐστέλλετο. [21] ἐπειδὴ δὲ ξὺν τοῖς ἐπομένοις ἐν μέσῃ Θράκῃ ἐγένετο, χρόνον τινὰ ἐν Φιλιππουπόλει ἀποκεκλεισμένος τῆς ὁδοῦ ἔμεινε. [22] στρατεύμα γὰρ Οὐννικὸν ἐπισκῆψαν τῇ Ῥωμαίων ἀρχῇ ἅπαντα ἡγόν τε καὶ ἔφερον, οὐδενὸς σφίσι ἀντιστατοῦντος. ἐπειδὴ δὲ αὐτῶν οἱ μὲν τινες ἐπὶ Θεσσαλονίκην, οἱ δὲ τὴν ἐπὶ τὸ Βυζάντιον ἦσαν, μόλις ἐνθένδε ἀπαλλαγείς ἐπίπροσθεν ἦει.

Ἐν ᾧ δὲ ὁ μὲν Ἰωάννης ἐπὶ Σαλόνων Ναρσῆν ἔμενε, Ναρσῆς δὲ Οὐννων τῇ ἐφόδῳ συμποδιζόμενος σχολαίτερον ἦει, ἐν τούτῳ ὁ Τουτίλας προσδεχόμενος τὴν Ναρσοῦ στρατιὰν ἐποίει τάδε. [2] ἄλλους τε Ῥωμαίους καὶ τινὰς τῶν ἀπὸ τῆς συγκλήτου βουλῆς ἐν Ῥώμῃ καθίστη, τοὺς λοιποὺς ἐπὶ Καμπανίας ἐάσας. [3] καὶ αὐτοὺς ἐκέλευεν ὅση δύναμις ἐπιμελεῖσθαι τῆς πόλεως, ἐνδεικνύμενος ὅτι δὴ αὐτῷ μεταμέλει τῶν οἱ ἐς Ῥώμην εἰργασμένων τὰ πρότερα, ἐπεὶ ἐμπρήσας αὐτῆς πολλὰ ἔτυχεν, ἄλλως τε καὶ ὑπὲρ Τίβεριν ποταμόν. [4] οἱ δὲ καθεστῶτες ἐν αἰχμαλώτων λόγῳ καὶ περιηρημένοι χρήματα πάντα, μὴ ὅτι τῶν κοινῶν, ἀλλ' οὐδὲ τῶν ἰδίᾳ σφίσι προσηκόντων δυνατοὶ ἦσαν μεταποιεῖσθαι. [5] Καίτοι ἀνθρώπων μάλιστα πάντων ὧν ἡμεῖς ἴσμεν φιλοπόλιδες Ῥωμαῖοι τυγχάνουσιν ὄντες, περιστέλλειν τε τὰ πάτρια πάντα καὶ διασώζεσθαι ἐν σπουδῇ ἔχουσιν, ὅπως δὴ μηδὲν ἀφανίζεται Ῥώμῃ τοῦ παλαιοῦ κόσμου. [6] οἱ γὰρ καὶ πολὺν τινα βεβαρβαρωμένοι αἰῶνα τάς τε πόλεως διεσώσαντο οἰκοδομίας καὶ τῶν ἐγκαλλωπισμάτων τὰ πλεῖστα, ὅσα οἷόν τε ἦν χρόνῳ τε τοσοῦτ' ὁ μῆκος καὶ τῷ ἀπαμελεῖσθαι δι' ἀρετὴν τῶν πεποιημένων ἀντέχειν. [7] ἔτι μέντοι καὶ ὅσα μνημεῖα τοῦ γένους ἐλέλειπτο ἔτι, ἐν τοῖς καὶ ἡ ναῦς Αἰνείου, τοῦ τῆς πόλεως οἰκιστοῦ, καὶ εἰς τόδε κεῖται, θέαμα παντελῶς ἄπιστον. [8] νεώσοικον γὰρ ποιησάμενοι ἐν μέσῃ τῇ πόλει, παρὰ τὴν τοῦ Τιβέριδος ὄχθην, ἐνταυθα τε αὐτὴν καταθέμενοι, ἐξ ἐκείνου τηροῦσιν. ἥπερ ὁποῖα ποτὲ ἐστὶν αὐτὸς θεασάμενος ἐρῶν ἔρχομαι. [9] Μονήρης τε ἡ ναῦς ἥδε καὶ περιμήκης ἄγαν τυγχάνει οὖσα, μῆκος μὲν ποδῶν εἴκοσι καὶ ἑκατόν, εὖρος δὲ πέντε καὶ εἴκοσι, τὸ δὲ γὰρ ὕψος τοσαύτη ἐστὶν ὅσον αὐτὴν ἐρέσσεσθαι μὴ ἀδύνατα εἶναι. [10] ξύλων δὲ κόλλημα οὐδὲ ἐν τὸ παράπαν ἐνταυθα ἐστὶν οὐδὲ σιδήρων ἄλλη τινὶ μηχανῇ τὰ ξύλα τοῦ πλοίου εἰς ἄλληλά πη ἐρήρεισται, ἀλλὰ μονοειδῇ ξύμπαντ' ἐστὶ λόγου τε καὶ ἀκοῆς κρείσσω καὶ μόνῳ γεγονότα, ὅσα γὰρ ἡμᾶς εἰδέναι, ἐν τῷδε τῷ πλοίῳ. [11] ἡ τε γὰρ τρόπις μονοφυῆς οὖσα ἐκ πρύμνης ἄκρας ἄχρι ἐς τὴν πρῶραν διήκει, κατὰ βραχὺ μὲν θαυμασίως ἐπὶ τὸ κοῖλον ὑποχωροῦσα, καὶ αὖ πάλιν ἐνθένδε κατὰ λόγον εὖ μάλα ἐπὶ τὸ ὀρθόν τε καὶ διατεταμένον ἐπανιοῦσα. [12] τά τε παχέα ξύμπαντα ξύλα ἐς τὴν τρόπιν ἐναρμοσθέντα ἅπερ οἱ μὲν ποιηταὶ δρυόχους καλοῦσιν, ἕτεροι δὲ νομέας' ἐκ τοίχου μὲν ἕκαστον θατέρου ἄχρι ἐς τῆς νεῶς διήκει τὸν ἕτερον τοῖχον. [13] ὑφίζανοντα δὲ καὶ αὐτὰ ἐξ ἑκατέρας ἄκρας καμπὴν ποιεῖται διαφερόντως εὐπρόσωπον, ὅπως ἂν τὴν νῆα μάλιστα κοίλῃν ἀποτετορνεῦσθαι ξυμβαίῃ, εἴτε τῆς φύσεως κατὰ τὴν τῆς χρείας

ἀνάγκην τὰ τε ξύλα διακοψάσης καὶ ξυναρμοσασμένης τὰ πρότερα τὸ κύρτωμα τοῦτο εἴτε χειροποιήτῳ τέχνῃ τε καὶ μηχανῇ ἄλλῃ τῆς τῶν νομέων ἀνωμαλίας ἐν ἐπιτηδείῳ γεγενημένης. [14] σάνις τε πρὸς ἐπὶ τούτοις ἐκάστη ἐκ πρύμνης ἄκρας ἐς τῆς νηὸς ἐξικνεῖται τὴν ἐτέραν ἀρχήν, μονοειδῆς οὖσα καὶ κέντρα σιδηρὰ τοῦτου ἔνεκα προσλαβοῦσα μόνον, ὅπως δὴ ταῖς δοκοῖς ἐναρμοσθεῖσα τὸν τοῖχον ποιῇ. [15] οὕτω μὲν ἡ ναῦς ἥδε πεποιημένη κρείσσω παρέχεται τοῦ λόγου τὴν ὄψιν, ἐπεὶ τῶν ἔργων τὰ πλείστῳ παραλόγῳ ξυμβαίνοντα οὐκ εὐδιήγητα τίθεται τοῖς ἀνθρώποις αἰὶ τῶν πραγμάτων ἢ φύσις, ἀλλὰ ταῖς ἐπινοίαις τὰ ξυνειθισμένα νικῶσα καὶ τοῦ λόγου κρατεῖ. [16] τούτων δὲ δὴ τῶν ξύλων οὐδὲν οὔτε σέσηπεν οὔτε τι ὑποφαίνει ὥς σαπρὸν εἶη, ἀλλ' ἀκραιφνῆς πανταχόθι οὖσα ἡ ναῦς, ὥσπερ ὑπόγυον τῷ τεχνίτῃ τῷ αὐτῆς, ὅστις ποτ' ἦν, νεναιπηγημένη, ἔρρωται καὶ ἐς ἐμὲ θαυμαστὸν ὅσον. τὰ μὲν οὖν ἀμφὶ τῇ τοῦ Αἰνείου νηὶ ταύτῃ ἔχει. [17] Τουτίλας δὲ πλοῖα μακρὰ ἐς τριακόσια Γότθων πληρώσας ἐς τὴν Ἑλλάδα ἐκέλευεν ἰέναι, ληΐζεσθαι τοὺς παραπίπτοντας ἐπιστεῖλας δυνάμει τῇ πάσῃ. [18] οὗτος δὲ ὁ στόλος ἄχρι ἐς τὴν Φαιάκων χώραν, ἣ νῦν Κέρκυρα ἐπικαλεῖται, οὐδὲν ἄχαρι ἐργάζεσθαι ἔσχε. [19] νῆσον γὰρ οὐδεμίαν ἐν τῷδε τῷ διάπλῳ οἰκουμένην ξυμβαίνει εἶναι ἐκ τοῦ κατὰ τὴν Χάρυβδιν πορθμοῦ μέχρι ἐς τὴν Κέρκυραν, ὥστε πολλάκις ἐγὼ ἐνταῦθα γενόμενος διηπορούμην ὅπῃ ποτὲ ἄρα τῆς Καλυψοῦς ἡ νῆσος εἶη. [20] ταύτης γὰρ τῆς θαλάσσης οὐδαμῇ νῆσον τεθέαμαι, ὅτι μὴ τρεῖς, οὐ πολλῶ ἀποθεν τῆς Φαιακίδος, ἀλλ' ὅσον ἀπὸ σταδίων τριακοσίων, ἄγχιστά πῃ ἀλλήλων οὖσας, βραχείας κομιδῇ καὶ οὐδὲ ἀνθρώπων οἰκία ἐχούσας οὔτε ζῶων οὔτε ἄλλων τὸ παράπαν οὐδέν. Ὅθονοι δὲ καλοῦνται τανῦν αἱ νῆσοι αὗται. [21] καὶ φαίη ἂν τις τὴν Καλυψὼ ἐνταῦθα γενέσθαι, καὶ ἀπ' αὐτοῦ τὸν Ὀδυσσέα γῆς τῆς Φαιακίδος ὄντα οὐ πολλῶ ἀποθεν ἢ σχεδία, ὥς φησιν Ὅμηρος, ἢ ἄλλῳ τῷ τρόπῳ νεὼς τινος χωρὶς ἐνθένδε διαπορθμεύσασθαι. ἀλλὰ ταῦτα ἡμῖν ὅσον τεκμηριουῖσθαι εἰρήσθω. [22] τοῖς γὰρ παλαιοτάτοις ἐς τὸ ἀκριβὲς ἐναρμόσασθαι τὸν ἀληθῆ λόγον οὐ ῥάδιον, ἐπεὶ ὁ πολὺς χρόνος τὰ τε τῶν χωρίων ὀνόματα καὶ τὴν ἀμφοῖς αὐτοῖς δόξαν ἐκ τοῦ ἐπὶ πλείστον μεταβάλλειν φιλεῖ. [23] Τὸ πλοῖον ἀμέλει ὅπερ ἐν γῇ τῇ Φαιάκων ἐκ λίθου λευκοῦ πεποιημένον παρὰ τὴν ταύτης ἀκτὴν ἔστηκεν, ἐκεῖνό τινες οἰοῦνται εἶναι ὃ τὸν Ὀδυσσέα ἐς τὴν Ἰθάκην ἐκόμισεν, ἥνικα ξεναγεῖσθαι αὐτὸν ἐνταῦθα ξυνέβη. [24] καίτοι οὐ μονοειδὲς τὸ πλοῖον τοῦτο ἐστίν, ἀλλὰ ἐκ λίθων ὅτι μάλιστα πολλῶν ζύγκειται. [25] καὶ γράμματα ἐν αὐτῷ ἐγκεκόλαπται καὶ διαρρήδην βοᾷ τῶν τινὰ ἐμπόρων ἐν τοῖς ἄνω χρόνοις ἰδρύσασθαι τὸ ἀνάθημα τοῦτο Διὶ τῷ Κασίῳ. [26] Δία γὰρ Κάσιον ἐτίμων ποτὲ οἱ τῆδε ἄνθρωποι, ἐπεὶ καὶ ἡ πόλις ἐν ἣ τὸ πλοῖον τοῦτο ἔστηκεν ἐς τόνδε τὸν χρόνον Κασώπῃ ἐπικαλεῖται. [27] τοῦτον δὲ τὸν τρόπον ἐκ λίθων πολλῶν καὶ ἡ ναῦς ἐκεῖνη πεποιήται ἦν Ἀγαμέμνων ὁ τοῦ Ἀτρέως τῆς Εὐβοίας ἐν Γεραιστῷ ἀνέθηκε τῇ Ἀρτέμιδι, ἀφοσιούμενος κὰν τούτῳ τὴν ἐς αὐτὴν ὕβριν, ἥνικα διὰ τὸ τῆς Ἰφιγενείας πάθος τὸν ἀπόπλουν ἢ Ἄρτεμις ξυνεχώρει τοῖς Ἑλλήσιν. [28] ἃ δὴ γράμματα ἐν πλοίῳ τούτῳ ἢ θηνικάδε ἢ ὕστερον ξυσθέντα δηλοῖ ἐν ἐξαμέτρῳ. ὦν τὰ μὲν πλείστα ἐξίτηλα χρόνῳ τῷ μακρῷ γέγονε, τὰ δὲ πρῶτα καὶ ἐς τότε διαφαίνεται λέγοντα ὧδε: Νῆά με λαϊνέην ἰδρύσατο τῇδ' Ἀγαμέμνων, Ἑλλήνων στρατιῆς σῆμα πλοῖζομένης. [29]

καὶ ἐν ἀρχῇ ἔχει· ‘Τύννιχος ἐποίει Ἀρτέμιδι Βολοσίᾳ.’ οὕτω γὰρ τὴν Εἰλειθυιαν ἐν τοῖς ἅνω χρόνοις ἐκάλουν, ἐπεὶ καὶ βολὰς τὰς ὠδῖνας ὠνόμαζον. ἐμοὶ δὲ αὐτὸς ὄθεν περ ἐξέβην ἰτέον. [30] Ἐπειδὴ ἐς τὴν Κέρκυραν οὗτος ὁ Γότθων στόλος ἀφίκετο, αὐτὴν τε ἦγον καὶ ἔφερον ἐξ ἐπιδρομῆς καὶ ὅσαι ἄλλαι αὐτῇ νῆσοι ἐπίκεινται, [31] αἱ Συβόται καλοῦνται· διαβάντες δὲ καὶ εἰς τὴν ἡπειρον ἐξαπιναιῶς ἅπαντα ἐληΐζοντο τὰ ἀμφὶ Δωδώνην χωρία καὶ διαφερόντως Νικόπολιν τε καὶ Ἀγχίαλον, οὗ δὴ Ἀγχίσην, τὸν Αἰνείου πατέρα, ἐξ Ἰλίου ἀλούσης ξὺν τῷ παιδί πλέοντά φασιν οἱ ἐπιχώριοι ἐξ ἀνθρώπων ἀφανισθῆναι καὶ τὴν ἐπωνυμίαν τῷ χωρίῳ δοῦναι. [32] περιόντες δὲ τὴν παραλίαν ὅλην καὶ ναυσὶ Ῥωμαίων ἐντυχόντες πολλαῖς αὐτοῖς φορτίοις ἀπάσας εἶλον. ἐν ταῖς εἶναι ξυνέβη καὶ τῶν νηῶν τινὰς αἱ τῇ Ναρσοῦ στρατιᾷ ἐκ τῆς Ἑλλάδος τὰ ἐπιτήδεια ἔφερον. ταῦτα μὲν οὖν τῇδε ξυνηνέχθη γενέσθαι.

Τουτίλας δὲ πολλῷ πρότερον Γότθων στρατεύμα ἐς Πικηνούς ἐτύγγανε πέμψας, ἐφ’ ᾧ δὴ τὸν Ἀγκῶνα ἐξελοῦσιν· οἷς δὴ ἄρχοντας τοὺς ἐν Γότθοις δοκιμωτάτους ἐπέστησε, Σκιποῦάρ τε καὶ Γίβαλ καὶ Γουνδούλφ, ὅσπερ Βελισαρίου δορυφόρος ἐγεγόνει ποτέ. [2] τινὲς δὲ αὐτὸν Ἰνδοῦλφ ἐκάλουν. οἷς δὴ καὶ πλοῖα μακρὰ ἑπτὰ καὶ τεσσαράκοντα ἔδωκεν, ὅπως τὸ φρούριον κατὰ γῆν τε καὶ θάλασσαν πολιορκοῦντες ῥᾶόν τε καὶ ἀπονώτερον τὴν αὐτοῦ ἐπικράτειαν θήσονται. [3] χρόνου δὲ ταύτῃ τῇ προσεδρεῖα τριβέντος συχνοῦ, συνέβαινε τοὺς πολιορκουμένους τῇ τῶν ἀναγκαίων ἀπορίᾳ πιέζεσθαι. [4] Ἄπερ ἐπεὶ Βαλεριανὸς ἔμαθεν, ἐπὶ Ῥαβέννης διατριβὴν ἔχων, ἀμύνειν τε κατὰ μόνας τοῖς ἐν τῷ Ἀγκῶνι Ῥωμαίοις οὐχ οἷός τε ὢν, πέμψας πρὸς Ἰωάννην τὸν Βιταλιανοῦ ἀδελφιδοῦν ἐπὶ Σαλῶνων ὄντα ἔγραψε τάδε· ‘Μόνος ὁ Ἀγκῶν ἡμῖν τοῦ κόλπου ἐντὸς ἀπολέλειπται, ὥς αὐτὸς οἶσθα, εἴπερ ἔτι νῦν ἀπολέλειπται. [5] οὕτω γὰρ τοῖς ἐν τούτῳ Ῥωμαίοις πικρότατα πολιορκουμένοις τὰ πράγματα ἔχει ὥστε δέδοικα μὴ βοηθοῦντες ἔξωροι ὦμεν, ὀπίσω τοῦ καιροῦ τὴν σπουδὴν ἔχοντες, ἑωλόν τε τὴν ὑπὲρ αὐτοῦ προθυμίαν ποιοῦμενοι. [6] ἀλλὰ παύσομαι. ἡ γὰρ τῶν πολιορκουμένων ἀνάγκη μακροτέραν τὴν ἐπιστολὴν οὐκ ἔῃ γίνεσθαι, τὸν χρόνον ἐφ’ ἑαυτὴν ἀκριβῶς σφίγγουσα καὶ ὁ κίνδυνος ὀξυτέραν τοῦ [7] λόγου τὴν ἐπικουρίαν ζητῶν.’ ταύτην Ἰωάννης ἀναλεξάμενος τὴν ἐπιστολὴν, καίπερ αὐτῷ πρὸς βασιλέως ἀπορρηθέν, αὐτοκέλευστος ἐτόλμα ἰέναι, τῶν οἱ πρὸς αὐτοκράτορος ἐπηγγελημένων προὔργιαίτεραν τὴν ἀπὸ τῆς τύχης στενοχωρίαν πεποιημένους. [8] ἄνδρας τε ἀπολεξάμενος οὓς μάλιστα πάντων ἀγαθοὺς τὰ πολέμια ὤρετο εἶναι, καὶ αὐτῶν ὀκτὼ καὶ τριάκοντα πλοῖα μακρὰ ἐμπλησάμενος πλέοντά τε ὥς τάχιστα καὶ πρὸς πόλεμον τὸν ἐν θαλάσῃ ὥς ἄριστα πεποιημένα, ἐνία τε αὐτοῖς τῶν ἐπιτηδείων ἐνθήμενος, ἄρας ἐκ Σαλῶνων τῷ Σκάρδωνι προσέσχεν. οὗ δὴ καὶ Βαλεριανὸς ξὺν ναυσὶ δώδεκα οὐκ ἐς μακρὰν ἦλθεν. [9] Ἐπειδὴ δὲ ἀλλήλοις ξυνέμιζαν, κοινολογησάμενοί τε καὶ τὰ σφίσι ξύμφορα δόξαντα εἶναι βεβουλευμένοι, ἐνθένδε μὲν ἀποπλεύουσιν, ἐς δὲ ἡπειρον τὴν ἀντιπέραν κατάραντες ἐς χωρίον ὁρμίζονται ὃ δὴ Σενογαλλίαν Ῥωμαῖοι καλοῦσι, [10] τοῦ Ἀγκῶνος οὐ πολλῷ ἄποθεν. ὅπερ ἐπεὶ οἱ Γότθων στρατηγοὶ ἔμαθον, πλοῖα μακρὰ καὶ αὐτοὶ τὰ σφίσι παρόντα, ἑπτὰ καὶ τεσσαράκοντα ὄντα, Γότθων τῶν

λογίμων αὐτίκα ἐπλήρουν. [11] τὸ δὲ ἄλλο στράτευμα ἐπὶ τῇ προσεδρεΐᾳ τοῦ φρουρίου ἀπολιπόντες εὐθὺς τῶν πολεμίων ἐχώρουν. [12] ἤγεῖτο δὲ τῶν μὲν ἐπὶ τῇ πολιορκίᾳ μεμενηκότων ὁ Σκιποῦαρ, τῶν δὲ δὴ ἐν ταῖς ναυσὶν ὄντων Γίβαλ τε καὶ Γουνδούλφ. [13] ἐπειδὴ τε ἄγχιστα ἀλλήλων ἐγένοντο, τὰς τε ναὺς ἑκάτεροι ἀνεκώχουν καὶ ξυναγαγόντες αὐτὰς ἐς ὀλίγον παραίνεσιν ἐς τοὺς στρατιώτας ἐποιοῦντό τινα. [14] Πρῶτοί τε Ἰωάννης καὶ Βαλεριανὸς ἔλεξαν τοιάδε: ‘Μηδεὶς ὑμῶν, ὃ ξυστρατιῶται, ὑπὲρ τοῦ Ἀγκῶνος μόνου τούτου καὶ τῶν ἐν αὐτῷ πολιορκουμένων Ῥωμαίων ἀγωνιεῖσθαι τανῦν οἰέσθω, μηδὲ ἄχρι τοῦδε ἀποκριθῆσθαι ἡμῖν τὴν ξυμβολὴν τήνδε, ἀλλὰ ζύμπαν, ὥς συνελόντας εἰπεῖν, τὸ τοῦ πολέμου κεφάλαιον ἐνταῦθα ἐστάναι, ἐνθα τε ἂν ἀποκλῖναι ξυμβαίῃ τὴν μάχην, συγκληροῦσθαι αὐτῇ καὶ τῆς τύχης τὸ πέρας. [15] οὕτωσι γὰρ περὶ τῶν παρόντων σκοπεῖσθε: πολλή τις ἐπὶ ταῖς δαπάναις ἀπόκειται τοῦ πολέμου ῥοπή, τοὺς τε τῶν ἐπιτηδείων σπανίζοντας ἡττάσθαι τῶν πολεμίων ἐπάναγκες. [16] λιμῷ γὰρ οὐκ οἶδεν ἡ ἀρετὴ ξυνοικίζεσθαι, πεινῆν τε καὶ ἀνδραγαθίζεσθαι οὐκ ἀνεχομένης τῆς φύσεως. [17] τούτων δὲ τοιούτων ὄντων ἄλλο μὲν οὐδὲν ὀχύρωμα ἡμῖν ἐκ τοῦ Δρυοῦντος ἐς Ῥάβενναν ἀπολέλειπται, ὅπῃ ἂν τὰ ἐδώδιμα ἡμῖν τε καὶ ἵπποις τοῖς ἡμετέροις ἀποκεῖσθαι δεῖσῃ, οὕτω τε οἱ πολέμοι κρατοῦσι τῆς χώρας ὥστε φίλιον οὐδὲν μεμένηκεν ἡμῖν ἐνταῦθα χωρίον, ὅθεν ἂν καὶ κατὰ βραχὺ τῶν τι ἐπιτηδείων ἐκπορίζεσθαι χρή. [18] ἐς δὲ τὸν Ἀγκῶνα ἡμῖν ἡ προσδοκία μεμένηκε πᾶσα τοῦ καὶ τοῖς ἐξ ἡπείρου τῆς ἀντιπέρας καταίρουσιν ἐνταῦθα προσχεῖν δυνατοῖς εἶναι καὶ ἀσφάλειαν ἔχειν. [19] οὐκοῦν εὐήμερήσαντες ἐν τῇ ξυμβολῇ τήμερον καὶ βασιλεῖ τὸν Ἀγκῶνα, ὥς τὸ εἰκός, κρατυνάμενοι τάχα ἂν καὶ τὰ ἄλλα τοῦ πρὸς Γότθους πολέμου ἐν ἐλπίσιν ἀγαθαῖς τὸ λοιπὸν ἔξομεν. [20] σφαλέντες δὲ ἐν ταύτῃ τῇ μάχῃ, ἄλλο μέντοι πικρὸν οὐκ ἂν εἵπομεν, ἀλλὰ δοίῃ τὴν Ἰταλίας ἐπικράτησιν ὁ θεὸς Ῥωμαίοις διηνεκῇ εἶναι. κάκεῖνο δὲ λογίζεσθαι ἡμῖν ἄξιον, ὥς κακοῖς ἐν τῷ ἔργῳ γινομένοις ἡμῖν οὐδὲ ἀποφεύγειν ἐξόν. [21] οὔτε γὰρ τὴν γῆν ἔξετε πρὸς τῶν ἐναντίων κατελιγμένην οὔτε τὴν θάλασσαν πλώϊμον, οὔτω θαλασσοκρατούντων τῶν πολεμίων, ἀλλὰ περιέστηκεν ἡμῖν ἡ τῆς σωτηρίας ἐλπίς ἐν ταῖς χερσὶν οὖσα καὶ ξυμμεταβαλλομένη τοῖς κατὰ τὴν ἀγώνισιν ἔργοις. [22] ἀνδραγαθίζεσθε τοίνυν ὅση δύναμις, τοῦτο ἐκεῖνο ἐκλογιζόμενοι, ὥς ἡσσηθέντες μὲν ἐν τῷ παρόντι τὴν ὑστάτην ἤτταν κληρώσεσθε, νενικηκότες δὲ μετὰ τῶν ἄγαν εὐδαιμόνων ξὺν τῇ εὐκλείᾳ τετάξεσθε.’ [23] Ἰωάννης μὲν καὶ Βαλεριανὸς τοσαῦτα εἶπον. καὶ οἱ Γότθων δὲ ἄρχοντες τοιάνδε τὴν παράκλησιν ἐποίησαντο: ‘Ἐπειδὴ πάσης ἀπεληλαμένοι τῆς Ἰταλίας καὶ πολὺν τινα χρόνον οὐκ ἴσμεν ἐν ὁποίοις ποτὲ μυχοῖς οἶδε οἱ κατάραιοι τῆς γῆς ἢ τῆς θαλάσσης διαλαθόντες τανῦν ἡμῖν τετολμήκασιν ἐς χεῖρας ἰέναι, καὶ ὥς ἀναμαχοῦμενοι ἐφ’ ἡμᾶς ἤκουσιν, ἐπάναγκες αὐτοῖς τὸ ἐκ τῆς ἀβουλίας ἐγγενόμενον θράσος ἀναχαιτίζειν προθυμία τῇ πάσῃ, ὥς μὴ ἐνδιδόντων ἡμῶν τὰ τῆς ἀπονοίας αὐτοῖς ἐς μέγα χωροῖη. [24] ἀμαθία γὰρ οὐ κατ’ ἀρχὰς ἀναστελλομένη ἀναβαίνει μὲν ἐπ’ ἄπειρον τόλμαν, ἐς ἀνηκέστους δὲ τῶν παραπιπτόντων τελευτᾷ συμφοράς. [25] δεῖξατε τοίνυν αὐτοῖς ὅτι τάχιστα ὥς Γραικοὶ τέ εἰσι καὶ ἄνδρροι φύσει καὶ ἡσσημένοι θρασύνονται, μηδὲ συγχωρήσητε τὴν

διάπειραν αὐτοῖς πρόσω ἰέναι. [26] ἀνανδρία γὰρ καταφρονηθεῖσα ἐπὶ παρρησίαν ἐξάγεται μείζω, [27] ἐπεὶ τῷ προΐέναι τὸ θάρσος ἄοκνον γίνεται. ἐπὶ πολὺ δὲ ἀνθέξιν αὐτοὺς ἀνδραγαθιζομένοις ὑμῖν μηδαμῶς οἶεσθε. φρόνημα γὰρ τῇ δυνάμει τῶν αὐτῷ χρωμένων μὴ συμμετρούμενον πρὸ μὲν τοῦ ἔργου ἐπαιρόμενον ἐν ἀκμῇ φαίνεται, ἀρξαμένης δὲ τῆς ξυμβολῆς καταρρεῖν εἴωθεν. [28] ὅτε τοῖνυν ταῦτα οὕτως ἔχει, ἀναμνήσθητε μὲν ὄντινα τρόπον οἱ πολέμιοι πολλακίς ἀποπειρασάμενοι τῆς ἀρετῆς τῆς ὑμετέρας ἀπῆλλαξαν, ἐκλογίξεσθε δὲ ὡς οὐκ ἀμείνους ἐκ τοῦ αἰφνιδίου γεγενημένοι ἐφ' ἡμᾶς ὥρμηται, ἀλλὰ τὰ παραπλήσια τοῖς προλαβοῦσι τετολμηκότες, τὴν ὁμοίαν καὶ νῦν κληρώσονται τύχην.' [29] Τοσαῦτα καὶ οἱ τῶν Γόθων ἄρχοντες παρακελευσάμενοι καὶ τοῖς πολεμίοις ὑπαντιάσαντες μελλήσει οὐδεμιᾷ ἐς χεῖρας ἦλθον. ἦν τε ἡ ναυμαχία ἐσάγαν ἰσχυρά, πεζομαχία ἐμφερῆς οὔσα. [30] τὰς τε γὰρ ναῦς μετωπηδὸν ἀντιπρώρους ταῖς τῶν ἐναντίων ἐκάτεροι στήσαντες τὰ τοξεύματα ἐς ἀλλήλους ἀφίεσαν, καὶ αὐτῶν ὅσοι ἀρετῆς τι μετεποιοῦντο, ἄγχιστα πῇ ἀλλήλων γινόμενοι ἐν χρῶ τε ξυνιόντες ἀπὸ τῶν καταστρωμάτων ξυνέμιγον, ξίφεσὶ τε καὶ δόρασιν, ὥσπερ ἐν πεδίῳ, μαχόμενοι. [31] καὶ τὰ μὲν προοίμια τοῦ ἀγῶνος τοῦδε τοιαῦτα ἐγεγόνει. Ὑστερον δὲ οἱ βάρβαροι ἀπειρία τοῦ ναυμαχεῖν ξὺν πολλῇ ἀταξία τὴν ξυμβολὴν τήνδε διέφερον: οἱ μὲν γὰρ αὐτῶν οὕτως ἀπ' ἀλλήλων δίσταντο ὥστε διδόναι τοῖς πολεμίοις αὐτοὺς κατὰ μόνας ἐμβάλλειν, οἱ δὲ συχνοὶ ἐς ταὐτὸ ξυνιόντες πρὸς ἀλλήλων ἀεὶ τῇ τῶν πλοίων στενοχωρία ξυνεποδίζοντο. [32] εἵκασεν ἄν τις φορημδὸν αὐτοῖς τὰ τῶν πλοίων ἱκρία ξυγκεῖσθαι. καὶ οὐδὲ τοξεύειν ἐς τῶν ἐναντίων τοὺς διεστῶτας ἠδύναντο, ὅτι μὴ ὄψε τε καὶ μόλις, οὐδὲ ξίφεσιν ἢ δόρασι χρῆσθαι, ἡνίκα ἂν σφίσιν ἐγκειμένους αὐτοὺς ἴδοιεν, ἀλλὰ κραυγῇ τε καὶ ὠθισμῷ ἐν σφίσιν αὐτοῖς διηνεκῶς εἶχοντο, ξυγκρούοντές τε ἀεὶ ἐς ἀλλήλους καὶ τοῖς κοντοῖς αὐθὶς διωθόμενοι οὐδενὶ κόσμῳ, καὶ πῇ μὲν συμφύροντες τῇ στενοχωρίᾳ τὸ μέτωπον, πῇ δὲ ἀποφοιτῶντες πολλῷ ἄποθεν ἐπὶ πονηρῷ τῶν σφετέρων ἐκάτεροι. [33] τὰς τε παρακελεύσεις αὐτῶν ἕκαστος ἐς τοὺς ἄγχιστα ὄντας ξὺν ὀλολυγῇ πολλῇ ἐποιοῦντο, οὐκ ἐπὶ τοὺς πολεμίους, ἀλλ' ὅπως τὰς διαστάσεις αὐτοὶ ἀπ' ἀλλήλων ἐργάζωνται. [34] ἡσυχολημένοι τε τῇ ἐς ἀλλήλους ἀμηχανίᾳ τῆς κατὰ σφῶν νίκης αἰτιώτατοι τοῖς πολεμίοις ἐγίνοντο. Οἱ δὲ Ῥωμαῖοι ἀνδρείως μὲν τὰ ἐς τὴν ξυμβολήν, ἐμπείρως δὲ τὰ ἐς τὴν ναυμαχίαν διαχειρίζοντες, τὰ τε πλοῖα μετωπηδὸν στήσαντες, καὶ οὔτε κατὰ πολὺ διεστῶτες ἀλλήλων οὔτε μὴν ἄγχιστα ξυνιόντες περαιτέρω τῆς χρείας, ἀλλὰ συμμέτρους ἀεὶ τὰς τε ξυνόδους καὶ διαστάσεις ποιοῦμενοι, ἦν μὲν ναῦν πολεμίαν ἀποσκεδαννυμένην τῶν ἄλλων θεῶντο, κατέδουν ἐμβάλλοντες οὐδενὶ πόνῳ, εἰ δέ που ξύγχυσιν ἐς τῶν πολεμίων τινὰς ἴδοιεν, ἐνταῦθα τὰ τε τοξεύματα συχνὰ ἔπεμπον καὶ ἡνίκα σφίσιν ἐπιπέσοιεν, ἀτάκτοις οὔσι καὶ συντριβέσι γεγενημένοις τῷ τῆς ἀταξίας καμάτῳ, [35] ἐκ χειρὸς αὐτοὺς διεχρῶντο. ἀπειρηκότες οὖν οἱ βάρβαροι πρὸς τε τὰ τῆς τύχης ἐναντιώματα καὶ τὰς κατὰ τὴν μάχην ἀμαρτάδας ξυμπεπτωκυίας, οὐκ εἶχον καθ' ὃ τι μαχέσονται, οὐδὲ ναυμαχοῦντες, οὐ μέντοι οὐδὲ καθάπερ ἐν πεζομαχίᾳ ἐπὶ τῶν καταστρωμάτων ἐστῶτες, ἀλλὰ ῥίψαντες τὴν ἀγώνισιν ἐπικινδύνως ἠτρέμιζον, ἐπὶ τῇ τύχῃ καταλιπόντες. [36] διὸ δὴ ἐς ὑπαγωγὴν οἱ Γόθοι

αἰσχροῦν ζῖν πολλῇ ἀκοσμία ἐτράποντο, καὶ οὔτε ἀλκῆς οὔτε φυγῆς τινὸς εὐπρεποῦς οὔτε τοῦ ἄλλου ἐς σωτηρίαν αὐτοὺς ἄγοντος ἐμέμνηντο ἔτι, ἀλλὰ μετὰ πλοίων τῶν πολεμίων ὥς τὰ πολλὰ σκεδαννόμενοι διηποροῦντο. [37] καὶ αὐτῶν τινὲς ναυσὶν ἑνδεκα διέφυγον καὶ λαθόντες ἐσώθησαν, οἱ δὲ λοιποὶ ἅπαντες ὑπὸ τοῖς πολεμίοις ἐγένοντο. [38] ὧν δὴ πολλοὺς μὲν αὐτοχειρὶ Ῥωμαῖοι διέφθειρον, πολλοὺς δὲ αὐταῖς ναυσὶ καταδύοντες ἔκτεινον: τῶν δὲ στρατηγῶν Γουνδοῦλφ μὲν ζῖν ταῖς ἑνδεκα ναυσὶ λαθὼν ἔφυγε, τὸν δὲ δὴ ἕτερον ἐξώγρησαν Ῥωμαῖοι. [39] Καὶ ἔπειτα οἱ ἐν ταῖς ἑνδεκα ναυσὶν ἐς τὴν γῆν ἀποβάντες τὰ μὲν πλοῖα εὐθὺς ἔκαυσαν, ὥς μὴ ὑπὸ τῶν πολεμίων ταῖς χερσὶ γένωνται, αὐτοὶ δὲ περὶ ἐς τὸ στρατόπεδον ἐκομίσθησαν ὁ τοὺς ἐν Ἀγκῶνι ἐπολιόρκουν. [40] φράσαντές τε αὐτοῖς τὰ ξυμπεσόντα εὐθυωρὸν ζῖν αὐτοῖς τὴν ἀναχώρησιν ἐποίησαντο, τὸ στρατόπεδον τοῖς πολεμίοις ἀπολιπόντες, καὶ δρόμῳ τε καὶ θορύβῳ πολλῷ ἐς Αὐξίμον πόλιν ἐγγὺς πη οὖσαν ἀνέδραμον. [41] Ῥωμαῖοι δὲ ἀφικόμενοι ἐς τὸν Ἀγκῶνα οὐ πολλῷ ὕστερον τό τε στρατόπεδον τῶν πολεμίων ἀνδρῶν ἔρημον αἰροῦσι καὶ τὰ ἐπιτήδεια τοῖς ἐν τῷ φρουρίῳ ἐσκομίσαντες ἀπέπλευσαν ἐνθένδε. [42] καὶ Βαλεριανὸς μὲν ἐπὶ Ῥαβέννης ἐχώρησεν, Ἰωάννης δὲ ἐς Σάλωνας ἀνέστρεψεν. αὕτη διαφερόντως ἡ μάχη τό τε φρόνημα καὶ τὴν δύναμιν Τουτίλα καὶ Γότθων κατέλυσεν.

Ὑπὸ δὲ τὸν αὐτὸν χρόνον τῇδε Ῥωμαίοις τὰ πράγματα εἶχεν ἐν Σικελίᾳ. Λιβέριος μὲν ἐνθένδε βασιλεῖ ἐς Βυζάντιον μετὰπεμπος ἦλθεν, Ἀρταβάνης δέ, τοῦτο βασιλεῖ δεδογμένον, παντὸς ἦρχε τοῦ ἐν Σικελίᾳ Ῥωμαίων στρατοῦ. [2] ὃς δὴ Γότθους τοὺς ἐν τοῖς ἐκείνῃ φρουρίοις ἀπολελειμμένους, ὀλίγους κομιδῇ ὄντας, πολιορκῶν, μάχῃ τε αὐτῶν τοὺς ἐπεξιόντας νικῆσας ἐς πᾶσαν τε ἀπορίαν τῶν ἀναγκαίων καταστησάμενος ὕστερον ὁμολογίᾳ ζύμπαντας εἶλεν. [3] οἷς οἱ Γότθοι περίφοβοι τε γεγεννημένοι καὶ τοῖς κατὰ τὴν ναυμαχίαν ξυμπεπτωκόσι περιαλοῦντες τὸν πόλεμον ἀπεγίνωσκον, ἤδη δυσέλπιδες τὸ παράπαν γεγεννημένοι, λογιζόμενοι τε ὥς ἐν τῷ παρόντι δὴ αἰσχροῦς ἡσσημένοι τῶν πολεμίων καὶ παντάπασι διεφθαρμένοι, ἦν τις Ῥωμαίοις βοήθεια καὶ κατὰ βραχὺ ἐπιγένηται, τρόπῳ οὐδενὶ ἀντέχειν αὐτοῖς οὐδὲ χρόνου ῥοπήν τινα ἱκανοὶ ἔσονται ἢ ἐπὶ τῆς Ἰταλίας ἐστήξουσιν. οὐ μὴν οὐδὲ κατὰ πρεσβείαν διαπράξασθαι τι ἐκ βασιλέως ἐν ἐλπίδι εἶχον. Σκλαβηγῶν δὲ πολλὸς ὄμιλος Ἰλλυριοῖς ἐπισκῆψαντες πάθη ἐνταῦθα οὐκ εὐδιήγητα εἰργάσαντο. βασιλεὺς δὲ Ἰουστινιανὸς στράτευμα ἐπ' αὐτοὺς ἐπεμψεν, οὗ δὴ ἄλλοι τε καὶ οἱ Γερμανοῦ παῖδες ἡγούντο. οἵπερ τῷ πλήθει τῶν [2] πολέμιων παρὰ πολὺ ἐλασσούμενοι χωρῆσαι μὲν αὐτοῖς ὁμόσε οὐδαμῇ ἴσχυσαν, ὅπισθεν δὲ αἰεὶ μένοντες τῶν βαρβάρων τοὺς ἀπολειπομένους ἐσίνοντο, [3] καὶ πολλοὺς μὲν αὐτῶν ἔκτεινον, τινὰς δὲ καὶ ζωγρήσαντες βασιλεῖ ἐπεμψαν. οὐδὲν μέντοι ἦσσαν οἱ βάρβαροι οὗτοι τὰ δεινὰ ἔδρασαν. [4] ἐν ταύτῃ τε τῇ λεηλασίᾳ χρόνου τι μέγα κατατρίψαντες μῆκος τὰς μὲν ὁδοὺς νεκρῶν ἀνέπλησαν ἀπάσας, ἐξανδραποδίσαντες δὲ ἀνάριθμα πλήθη καὶ ληϊσάμενοι ξύμπαντα, οὐδενὸς σφίσιν ἀντιστατοῦντος, ἐπ' οἴκου ἀπεκομίσθησαν σὺν πάσῃ τῇ λείᾳ. [5] οὐδὲ γὰρ διαπορθμευομένους ποταμὸν Ἰστρον ἴσχυσαν σφᾶς ἐνεδρεῦσαι Ῥωμαῖοι ἢ ἄλλῳ τῷ βιάσασθαι τρόπῳ, ἐπεὶ Γῆπαιδες αὐτοὺς μισθαρνήσαντες ὑπεδέξαντο καὶ διεπόρθμευσαν μακρόμισθοι γεγενημένοι. ἐπὶ κεφαλῇ γὰρ ἐκάστη κατὰ στατήρα χρυσοῦν ἢ μίσθωσις ἦν. [7] Ἐν τούτῳ δὲ Γῆπαιδὲς τε καὶ Λαγγοβάρδαι αὐθις πολεμῆσιόντες ἐπ' ἀλλήλους ἦσαν. Γῆπαιδὲς τε τὴν Ῥωμαίων δειμαίνοντες δύναμιν ἀνήκοοι γὰρ οὐδαμῇ ἦσαν ὥς Ἰουστινιανὸς βασιλεὺς ὁμαιχμίαν διωμότως πρὸς Λαγγοβάρδας πεποίηται φίλοι καὶ ξύμμαχοι Ῥωμαίοις γενέσθαι ἐν σπουδῇ ἔσχον. [8] πρέσβεις οὖν ἐς Βυζάντιον εὐθὺς πέμπουσι, βασιλέα καὶ αὐτοὶ ἐς τὴν ὁμαιχμίαν παρακαλοῦντες. καὶ ὅς αὐτοῖς μελλήσει οὐδεμιᾶ ἐπὶ τῇ ξυμμαχίᾳ τὰ πιστὰ ἔδωκε. [9] δεηθέντων δὲ τῶν πρέσβεων τῶνδε καὶ τῶν ἀπὸ τῆς συγκλήτου βουλῆς ἄνδρες δυοκαίδεκα ὅρκια δόντες, ταύτας αὐτοῖς τὰς συνθήκας ἐπέρρωσαν. [10] οὐ πολλῶ δὲ ὕστερον Λαγγοβάρδαις κατὰ τὸ ξυμμαχικὸν δεομένοις στρατιὰν ἐς ξυμμαχίαν ἐπὶ Γῆπαιδας Ἰουστινιανὸς βασιλεὺς ἐπεμψεν, ἐπενεγκὼν Γῆπαισι Σκλαβηγῶν τινας ἐπὶ πονηρῶ τῶν Ῥωμαίων μετὰ τὰς ξυνθήκας διαβιβάσαι ποταμὸν Ἰστρον. [11] Ἠγούντο δὲ τῆς στρατιᾶς ταύτης Ἰουστίνος τε καὶ Ἰουστινιανὸς οἱ Γερμανοῦ παῖδες Ἀράτιός τε καὶ Σουαρτούας, ὃς πρὸς Ἰουστινιανοῦ μὲν ἄρχων Ἐρούλοις κατέστη πρότερον, ἐπαναστάντων δὲ οἱ τῶν ἀπὸ Θούλης τῆς νήσου ἡκόντων, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ἐς βασιλέα τε ἀφίκετο φεύγων καὶ Ῥωμαίοις στρατηγὸς τῶν ἐν Βυζαντίῳ καταλόγων εὐθὺς γέγονε, καὶ Ἀμαλαφρίδας, Γότθος ἀνὴρ, Ἀμαλαφρίδης μὲν θυγατριδοῦς, τῆς Θεοδερίχου

τοῦ Γότθων βασιλέως ἀδελφῆς, Ἑρμενεφρίδου δὲ υἱὸς τοῦ Θορίγγων ἡγησάμενον. [12] ὄνπερ Βελισάριος μὲν σὺν Οὐιττίγιδι ἐς Βυζάντιον ἤγαγε, βασιλεὺς δὲ Ῥωμαίων ἄρχοντα κατεστήσατο, καὶ τὴν αὐτοῦ ἀδελφὴν Αὐδουὴν τῷ Λαγγοβαρδῶν ἄρχοντι κατηγγύησε. [13] τοῦ δὲ στρατοῦ τούτου οὐδεὶς παρὰ Λαγγοβάρδας ἀφίκετο, ὅτι μὴ οὗτος Ἀμαλαφρίδας σὺν τοῖς ἐπομένοις. οἱ γὰρ ἄλλοι ἐν Ἰλλυριοῖς ἀμφὶ πόλιν Οὐλπίαναν βασιλέως ἐπαγγεῖλαντος διατριβὴν ἔσχον, στάσεως ἐνταῦθα πρὸς τῶν οἰκητόρων γεγενημένης, ὥνπερ ἕνεκα σφίσιν αὐτοῖς οἱ Χριστιανοὶ διαμάχονται, ἥπερ μοι ἐν λόγοις τοῖς ὑπὲρ τούτων γεγράφεται. [14] Οἱ μὲν οὖν Λαγγοβάρδαι πανδημεὶ σὺν τῷ Ἀμαλαφρίδᾳ ἐς τὰ Γηπαίδων ἦθη ἀφίκοντο, ὑπαντίαςάντων δὲ τῶν Γηπαίδων σφίσι καὶ μάχης καρτερὰς γενομένης ἡσώσονται Γήπαιδες, καὶ αὐτῶν παμπληθεὶς φασὶν ἐν τῷ πόνῳ τούτῳ ἀποθανεῖν. [15] Αὐδουὴν τε, ὁ τῶν Λαγγοβαρδῶν βασιλεὺς, τῶν οἱ ἐπομένων τινὰς ἐς Βυζάντιον πέμψας εὐαγγέλια μὲν Ἰουστινιανῷ βασιλεῖ ἐδήλου, νενικημένων τῶν πολεμίων, ἐμέμφετο δὲ οὐ παραγενέσθαι οἱ κατὰ τὸ ξυμμαχικὸν τὸν τοῦ βασιλέως στρατόν, καίπερ Λαγγοβαρδῶν τοσούτων τὸ πλῆθος ἔναγχος ἐσταλμένων ἐφ' ᾧ Ναρσῆ ξυστρατεύσωσιν ἐπὶ Τουτίλαν τε καὶ Γότθους. ταῦτα μὲν οὖν ἐφέρετο τῇδε. [16] Ἐν τούτῳ δὲ τῷ χρόνῳ σεισμοὶ κατὰ τὴν Ἑλλάδα ἐπιτεσόντες ἐξάισιοι τὴν τε Βοιωτίαν καὶ Ἀχαίαν καὶ τὰ περὶ κόλπον τὸν Κρισαῖον κατέσεισαν. [17] καὶ χωρία μὲν ἀνάριθμα, πόλεις δὲ ὀκτὼ ἐς ἑδαφος καθεῖλον, ἐν ταῖς Χαιρώνειά τε καὶ Κορώνεια ἦν καὶ Πάτραι καὶ Ναύπακτος ὅλη, ἔνθα δὴ καὶ φόνος γέγονεν ἀνθρώπων πολὺς. [18] καὶ χάος δὲ τῆς γῆς πολλαχῇ ἀποσχισθείσης γεγένηται. τὰ δὲ διαιρεθέντα ἔνια μὲν αὐθὺς ἐς ταὐτὸ ξυνιόντα τὸ πρότερον τῇ γῇ σχῆμά τε καὶ εἶδος ἀπέδωκεν, ἔστι δὲ οὗ καὶ διεστηκότα μεμένηκεν: ὥστε οὐδὲ ἀλλήλοις ἐπιμίγνυσθαι οἱ τῇδε ἄνθρωποι εἰσι δυνατοὶ ὅτι μὴ περιόδοις πολλαῖς χρώμενοι. [19] ἐν δὲ γε τῷ πορθμῷ ὄνπερ μεταξὺ Θεσσαλίας τε καὶ Βοιωτίας ξυμβαίνει εἶναι, γέγονέ τις ἐκ τοῦ αἰφνιδίου τῆς θαλάσσης ἐπιρροὴ ἀμφὶ τε πόλιν τὴν Ἐχιναιῶν καλουμένην καὶ τὴν ἐν Βοιωτοῖς Σκάρφειαν. [20] πόρρω τε τῆς ἡπείρου ἀναβᾶσα καὶ κατακλύσασα τὰ ἐκείνη χωρία ἐς ἑδαφος καθεῖλεν εὐθύς. χρόνος τε τῇ θαλάσσῃ πολὺς ἐπιχωριαζούσῃ τῇ ἡπείρῳ ἐτρίβη, ὥστε τοῖς ἀνθρώποις πεζῇ ἰοῦσι βατὰς ἐπὶ πλεῖστον γενέσθαι τὰς νήσους αἵπερ ἔντοσθεν τοῦ πορθμοῦ τούτου τυγχάνουσιν οὔσαι, τοῦ τῆς θαλάσσης δηλονότι ῥοθίου ἐκλιπόντος μὲν τὴν αὐτοῦ χώραν, ἐπιπολάζοντος δὲ παρὰ δόξαν τὴν γῆν ἄχρι ἐς τὰ ὄρη ἃ ταύτῃ ἀνέχει. [21] ἡνίκα δὲ τῇ θαλάσσῃ ἐς τὰ οἰκεῖα ἐπανιέναι ξυνέπεσεν, ἰχθύες ἐν τῇ γῇ ἀπελείποντο, ὥνπερ ἡ ὄψις ἀήθης παντάπασιν οὔσα τοῖς τῇδε ἀνθρώποις τερατώδης τις ἔδοξεν εἶναι. [22] οὗς δὴ ἐδωδύμους εἶναι οἰόμενοι ἀνεῖλοντο μὲν ὡς ἐπήσοντες, θερμῆς δὲ αὐτῶν τῆς ἐκ τοῦ πυρὸς ἀψαμένης ἐς ἰχθῶράς τε καὶ σηπεδόνας οὐ φορητὰς τὸ σῶμα ὅλον ἀποκεκρίσθαι ξυνέπεσεν. [24] Ἐν δὲ Ἰταλίᾳ τάδε ξυνέπεσε. Κροτωνιάται καὶ στρατιῶται οἱ τὸ φυλακτήριον ταύτῃ ἔχοντες, ὧν Παλλάδιος ἦρχε, πικρότατα πρὸς Γότθων

πολιορκούμενοι καὶ πιεζόμενοι τῶν ἀναγκαίων τῇ ἀπορίᾳ, πολλάκις μὲν λαθόντες τοὺς πολεμίους ἔπεμψαν ἐν Σικελίᾳ, μαρτυρόμενοι τοὺς ἐνταῦθα τοῦ Ῥωμαίων στρατοῦ ἄρχοντας καὶ διαφερόντως τὸν Ἀρταβάνην, ὥς εἰ μὴ βοηθοῖεν ὅτι τάχιστα σφίσιν, [25] οὗτι ἐθελουσίως σφᾶς τε αὐτοὺς καὶ τὴν πόλιν οὐ πολλῶ ὕστερον τοῖς πολεμίοις ἐνδώσουσιν. οὐδεὶς δὲ ἐνθένθε αὐτοῖς ἐπικουρήσων ἦλθε. καὶ ὁ χειμὼν ἔληγε, καὶ τὸ ἑπτακαιδέκατον ἔτος ἐτελεύτα τῷ πολέμῳ τῷδε ὃν Προκόπιος ξυνέγραψε.

Βασιλεὺς δὲ μαθὼν τὰ ἐν Κρότωνι πρασσόμενα πέμψας ἐς τὴν Ἑλλάδα ἐκέλευε τοὺς ἐν Θερμοπύλαις φρουροὺς ἐξ τε τὴν Ἰταλίαν πλεῖν κατὰ τάχος καὶ τοῖς ἐν Κρότωνι πολιορκουμένοις βοηθεῖν δυνάμει τῇ πάσῃ. [2] οἱ δὲ κατὰ ταῦτα ἐποιοῦν: ἄραντές τε σπουδῇ πολλῇ καὶ πνεύματος ἐπιφόρου ἐπιτυχόντες ἀπροσδόκητοι τῷ Κροτωνιατῶν λιμένι προσέσχον. οἱ τε βάρβαροι ἐξαπιναιῶς τὸν στόλον ἰδόντες αὐτίκα δὴ μάλα ἐς δέος μέγα ἐμπεπτωκότες θορόβῳ πολλῶ τὴν πολιορκίαν διέλυσαν. [3] καὶ αὐτῶν οἱ μὲν τινες ναυσὶν ἐς τὸν Ταραντηνῶν λιμένα διέφυγον, οἱ δὲ πεζῇ ἰόντες ἐς ὄρος τὸ Σκύλαιον ἀνεχώρησαν. ἃ δὴ ξυνενεχθέντα πολλῶ ἔτι μᾶλλον ἐδόυλωσε Γότθων τὸ φρόνημα. [4] καὶ ἀπ' αὐτοῦ Ῥάγναρις τε, Γότθος ἀνὴρ δόκιμος μάλιστα, ὃς τοῦ ἐν Ταραντηνοῖς φυλακτηρίου ἦρχε, καὶ Μόρας, ὅσπερ ἐφειστήκει τοῖς ἐν Ἀχεροντία φρουροῖς, Πακουρίῳ τῷ Περανίου τῶν ἐν Δρυοῦντι Ῥωμαίων ἄρχοντι, γνώμῃ τῶν σφίσιν ἐπομένων, ἐς λόγους ἦλθον, ἐφ' ᾧ δὴ ἀμφὶ τῇ σωτηρίᾳ τὰ πιστὰ πρὸς Ἰουστινιανοῦ βασιλέως λαβόντες Ῥωμαίοις σφᾶς αὐτοὺς ἐγχειρίσουσι ξὺν τοῖς ἐπομένοις καὶ τὰ ὀχυρώματα ὧν περ ἐπὶ τῇ φυλακῇ καταστάντες ἐτύγγανον. ἐπὶ ταύτῃ μὲν οὖν τῇ ὁμολογίᾳ Πακούριος ἐπὶ Βυζαντίου κομίζεται. [5] Ναρσῆς δὲ ἐκ Σαλόνων ἄρας ἐπὶ Τουτίλαν τε καὶ Γότθους ἦει παντὶ τῷ Ῥωμαίων στρατῷ, μεγάλῳ ὑπερφυῶς ὄντι: χρήματα γὰρ κεκομισμένος ἐπιεικῶς μεγάλα πρὸς βασιλέως ἐτύγγανεν. [6] ἀφ' ὧν δὴ ἔμελλε στρατιάν τε ἀξιολογωτάτην ἀγεῖραι καὶ ταῖς ἄλλαις ἐπαρκέσειν τοῦ πολέμου ἀνάγκαις, τοῖς δὲ δὴ ἐπὶ τῆς Ἰταλίας στρατιώταις ἐκλῦσαι τὰ πρόσθεν ὀφλήματα πάντα, ἐφ' οἷσπερ αὐτοῖς ὑπερήμερος χρόνου πολλοῦ βασιλεὺς ἐγεγόνει, οὐ κομιζόμενοις ἐκ τοῦ δημοσίου, ἥπερ εἴθισται, τὰς σφίσι τεταγμένας συντάξεις: ἔτι μέντοι καὶ αὐτῶν βιάσασθαι τῶν παρὰ Τουτίλαν ἀπηυτομοληκότων τὰς γνώμας, ὥστε δὴ αὐτοὺς τοῖς χρήμασι τούτοις χειροθήεις γεγεννημένους τὴν ἐπὶ τῇ πολιτείᾳ μεταγνῶναι προαίρεσιν. [7] Λίαν γὰρ τὰ πρότερα πόλεμον τόνδε ἀπημελημένως διαφέρων Ἰουστινιανὸς βασιλεὺς ἀξιολογωτάτην αὐτοῦ πεποίηται τὴν παρασκευὴν ἐν ὑστάτῳ. [8] ἐπειδὴ γὰρ αὐτόν οἱ ὁ Ναρσῆς ἐγκείμενον εἶδεν, ἐφ' ᾧ ἐς Ἰταλίαν στρατεύοι, φιλοτιμίαν ἐνδέδεικται στρατηγῷ πρέπουσαν, οὐκ ἄλλως βασιλεῖ ἐπαγγέλλονται ὑπηρετήσιν ὁμολογήσας, ἢ μὴ τὰς δυνάμεις ἀξιωμαχους ἐπάγεσθαι μέλλῃ. [9] χρήματά τε οὖν καὶ σώματα καὶ ὅπλα τῷ τρόπῳ τούτῳ ἐπαξίως πρὸς τοῦ βασιλέως κεκόμισται τῆς Ῥωμαίων ἀρχῆς, καὶ προθυμίαν αὐτὸς ἀοκνοτάτην ἐπιδειξάμενος ἀξιόχρεων στρατιὰν ἐξήγειρεν. [10] ἐκ τε γὰρ Βυζαντίου ἐπηγάγετο Ῥωμαίων στρατιωτῶν μέγα τι χρῆμα κάκ τῶν ἐπὶ Θράκης χωρίων ἐκ τε Ἰλλυριῶν πολλοὺς ἤθροισε. [11] καὶ Ἰωάννης δὲ ξὺν τε τῷ οἰκείῳ στρατεύματι καὶ τῷ πρὸς Γερμανοῦ τοῦ κηδεστοῦ ἀπολελειμμένῳ

ζὺν αὐτῷ ἦει. [12] καὶ Αὐδοῦνι, ὁ Λαγγοβαρδῶν ἡγούμενος, χρήμασι πολλοῖς ἀναπεισθεὶς Ἰουστινιανῷ βασιλεῖ καὶ τῇ τῆς ὁμαιχμίας ξυνθήκη, πεντακοσίους τε καὶ δισχιλίους τῶν οἱ ἐπομένων ἀπολεξάμενος ἄνδρας ἀγαθοὺς τὰ πολέμια ἐς ξυμμαχίαν αὐτῷ ἐπεμψεν, οἷς δὴ καὶ θεραπεία εἶπετο μαχίμων ἀνδρῶν πλεόν ἢ τρισχιλίων. [13] εἶποντο δὲ αὐτῷ καὶ τοῦ Ἑρούλων ἔθνους πλεόν ἢ τρισχιλίοι, ἱππεῖς ἅπαντες, ὧν ἄλλοι τε καὶ Φιλημουθ ἦρχον, καὶ Οὐννοὶ τε παμπληθεῖς καὶ Δαγισθαῖος ζὺν τοῖς ἐπομένοις ἐκ τοῦ δεσποτηρίου διὰ τοῦτο ἀπαλλαγείς, καὶ Καβάδης, Πέρσας ἔχων αὐτομόλους πολλοὺς, ὁ Ζάμου μὲν υἱός, Καβάδου δὲ τοῦ Περσῶν βασιλέως υἱωνός, οὐπερ ἐν τοῖς ἐμπροσθεν λόγοις ἐμνήσθην ἅτε τοῦ χαναράγγου σπουδῇ διαφυγόντος τε Χοσρόην τὸν θεῖον καὶ πολλῷ πρότερον ἀφικομένου ἐς τὰ Ῥωμαίων ἥθη: καὶ Ἀσβαδος, νεανίας τις, Γήπαις γένος, διαφερόντως δραστήριος, ὁμογενεῖς τετρακοσίους ζὺν αὐτῷ ἔχων, ἄνδρας ἀγαθοὺς τὰ πολέμια: καὶ Ἀρούθ, Ἑρουλος μὲν τὸ γένος, ἐκ παιδὸς δὲ Ῥωμαίων τὴν δίαιταν στέρζας καὶ τὴν Μαυρικίου τοῦ Μούνδου γυναῖκα γαμετὴν ποιησάμενος, αὐτός τε μαχιμώτατος ὢν καὶ πολλοὺς τοῦ Ἑρούλων ἔθνους ἐπομένους ἔχων ἐν πολέμου κινδύνοις ὡς μάλιστα δοκιμωτάτους: Ἰωάννης τε, ὁ Φαγᾶς τὴν ἐπὶ κλησιν, οὐπερ ἐν τοῖς ἐμπροσθεν λόγοις ἐμνήσθην, Ῥωμαίων ἐπαγαγόμενος ὁμιλον ἀνδρῶν μαχίμων. [14] Ἦν οὖν μεγαλοδωρότατος ὁ Ναρσῆς καὶ πρὸς τὸ εὖ ποιεῖν τοὺς δεομένους ὁζὺς ἐσάγαν, δύναμιν τε πολλὴν περιβεβλημένος ἐκ βασιλέως ἀδεέστερον ἐς τὰ σπουδαζόμενα ἐχρήτο τῇ γνώμῃ. [15] καὶ ἀπ' αὐτοῦ πολλοὶ ἐν τοῖς ἐμπροσθεν χρόνοις ἄρχοντές τε καὶ στρατιῶται εὐεργέτου αὐτοῦ ἔτυχον. [16] ἐπεὶ οὖν ἀποδέδεικτο στρατηγὸς ἐπὶ Τουτίλαν τε καὶ Γότθους, ὡς ἀσμενέστατα ἕκαστοι στρατεύεσθαι ὑπ' αὐτῷ ἤθελον, οἱ μὲν ἐκτίνειν οἱ ἐθέλοντες παλαιὰς χάριτας, οἱ δὲ καταδοκοῦντες, ὡς τὸ εἰκός, μεγάλων ἀγαθῶν παρ' αὐτοῦ τεύξεσθαι. [17] μάλιστα δὲ αὐτῷ Ἑρουλοὶ τε καὶ οἱ ἄλλοι βάρβαροι εὐνοϊκῶς εἶχον, διαφερόντως πρὸς τοῦ ἀνθρώπου εὖ πεπονθότες. [18] Ἐπειδὴ δὲ Βενετίων ὡς ἀγχοτάτω ἐγένοντο, παρὰ τῶν Φράγγων τοὺς ἡγεμόνας, οἱ τῶν ἐκείνῃ φυλακτηρίων ἦρχον, ἄγγελον στείλας ἤτεῖτο τὴν δίοδον σφίσιν ἅτε φίλοις οὕσι παρέχεσθαι. [19] οἱ δὲ τοῦτο Ναρσῇ ἐπιτρέψειν οὐδεμιᾷ μηχανῇ ἔφασαν, ἐς μὲν τὸ ἐμφανὲς τὴν αἰτίαν οὐκ ἐξενεγκόντες, ἀλλ' ὡς ἐνὶ μάλιστα κατακρυσψάμενοι, τοῦ Φράγγων ἔνεκα ξυμφόρου ἢ τῆς ἐς τοὺς Γότθους εὐνοίας τὴν κωλύμην ποιεῖσθαι, σκῆψιν δὲ τινα οὐ λίαν εὐπρόσωπον δόξασαν εἶναι προβεβλημένοι, ὅτι δὴ Λαγγοβάρδας τοὺς σφίσι πολεμιωτάτους οὗτος ἐπαγόμενος ἦκει. [20] ἐπὶ τούτοις διαπορουμένῳ τὴν ἀρχὴν τῷ Ναρσῇ καὶ Ἰταλῶν τῶν οἱ παρόντων ἀμφὶ τῷ πρακτέῳ πυνθανομένῳ ἐσήγγλόν τινες ὡς εἰ καὶ Φράγγοι παρήσουσι σφᾶς τήνδε τὴν δίοδον ποιεῖσθαι, ἀλλ' ἐς Ῥάβενναν ἐνθένδε κομίζεσθαι οὐδαμῇ ἔξουσιν, οὐδὲ τὴν πορείαν ταύτην ποιεῖσθαι ὅτι μὴ ἄχρι ἐς πόλιν Βερώνην. [21] Τουτίλαν γὰρ ἀπολεξάμενον εἴ τι δόκιμον ἦν ἐν τῷ Γότθων στρατῷ, στρατηγὸν τε αὐτοῖς καταστησάμενον Τεῖαν τὸν Γότθον, ἄνδρα διαφερόντως ἀγαθὸν τὰ πολέμια, στείλει ἐς πόλιν Βερώνην Γότθων κατήκοον οὖσαν, ἐφ' ᾗ τῷ Ῥωμαίων στρατῷ διακωλύοι τὴν πάροδον, ὅσα γε δυνατά. καὶ ἦν δὲ οὕτως. [22] Ἐπειδὴ τε ὁ Τεῖας ἐγένετο ἐν πόλει Βερώνῃ, τὴν ἐκείνῃ

δίοδον τοῖς πολεμίοις ἀπέφραξε πᾶσαν, ἀδιέξοδά τε καὶ ὅλως ἄπορα πανταχόσε ἀμφὶ ποταμὸν Πάδον τὰ χωρία εἶναι ἀνάγκη χειροποιήτων σκευωρησάμενος, καὶ πῇ μὲν λόχμας τε καὶ τάφρους καὶ φάραγγας τεκτινάμενος, πῇ δὲ τέλμινάς τε ὡς βαθυτάτας καὶ χώρους τεναγώδεις τινὰς αὐτὸς τῷ Γότθων στρατῷ ἐφύλασσε ἐς τὸ ἀκριβές, ὡς ὁμόσε χωρῆσαι Ῥωμαίοις, ἣν τι ἀποπειρῶνται τῆς ἐνθένδε ὁδοῦ. [23] ταῦτα δὲ Τουτίλας ἐμψυχάζων, οἰόμενος διὰ μὲν τῆς παραλίας κόλπου τοῦ Ἰονίου Ῥωμαίοις μήποτε δυνατὰ ἔσσεσθαι τὴν πορείαν ποιεῖσθαι, ἐπεὶ ναυσίποροι ποταμοὶ παμπληθεῖς ἐνταῦθα ἐκβολὰς ἔχοντες ἀπόρευτα παντάπασιν παρέχονται εἶναι τὰ ἐκείνη χωρία: ναῦς δὲ αὐτοὺς τοσαύτας τὸ πλῆθος ὡς ἥκιστα ἔχειν, ὥστε δὴ ἀθρόους παντὶ τῷ στρατῷ διαπορθμεύεσθαι τὸν Ἰόνιον κόλπον, ἣν δέ γε κατ' ὀλίγους ναυτίλλωνται, αὐτὸς ἂν τῷ καταλοίπῳ στρατῷ τῶν Γότθων τοὺς ἐκάστοτε ἀποβαίνοντας πόνῳ οὐδενὶ ἀναστεύειε. [24] τοιαύτη μὲν οὖν γνώμη ὃ τε Τουτίλας ἐπήγγελλε ταῦτα καὶ ὁ Τεΐας ἐποίει. Ναρσῆ δὲ λίαν ἀμυχανοῦντι Ἰωαννης ὁ Βιταλιανοῦ, τῶν τῇδε χωρίων ἐμπείρως ἔχων, παρήνει παντὶ τῷ στρατῷ μὲν κατὰ τὴν παραλίαν ἰέναι, κατηκόων σφίσιν ὄντων, ὡς προδεδήλωται, τῶν τῇδε ἀνθρώπων, παρακολουθεῖν δὲ τῶν νηῶν τινὰς καὶ ἀκάτους πολλὰς. [25] ἐπειδὴν γὰρ ὁ στρατὸς ἐπὶ ταῖς τῶν ποταμῶν ἐκβολαῖς γένωνται, γέφυραν ἐκ τῶν ἀκάτων τούτων τῷ τοῦ ποταμοῦ ῥοθίῳ ἐναρμοσάμενοι, ῥᾶον ἂν καὶ ἀπονώτερον ποιήσαιντο τὴν διάβασιν. ὁ μὲν Ἰωάννης ταῦτα παρήνει, πείθεται δὲ Ναρσῆς, καὶ τῷ τρόπῳ τούτῳ παντὶ τῷ στρατῷ ἐπὶ Ραβέννης κομίζεται.

Ἐν ᾧ δὲ ταῦτα ἐπράσσετο τῇδε, ἐν τούτῳ τάδε ξυνηνέχθη γενέσθαι. Ἰλδιγισὰλ Λαγγοβάρδας ἀνὴρ, οὐπὲρ ἐν τοῖς ἐμπροσθεν λόγοις ἐμνήσθην ἅτε τοῦ Αὐδουίν ὄντος ἐχθροῦ, ὃς τούτων δὴ τῶν βαρβάρων ἡγεῖτο· αὐτῷ γὰρ τὴν ἀρχὴν κατὰ γένος προσήκουσαν Αὐδουίν βιασάμενος ἔσχεν· ἐξ ἡθῶν ἀποδράς τῶν πατρίων ἐπὶ Βυζαντίου κομίζεται. [2] οὗ δὴ αὐτὸν ἀφικόμενον Ἰουστινιανὸς βασιλεὺς ἐν τοῖς μάλιστα φιλοφροσύνης ἡξίωσεν, ἄρχοντά τε κατεστήσατο ἐνὸς τῶν ἐπὶ τοῦ Παλατίου φυλακῆς τεταγμένων λόχων, οὐσπερ σχολὰς ὀνομάζουσιν. [3] εἶποντο δὲ αὐτῷ τοῦ Λαγγοβαρδῶν ἔθνους ἄνδρες ἀγαθοὶ τὰ πολέμια οὐχ ἥσσους ἢ τριακόσιοι, οἱ δὴ μίαν πρῶτον ἐπὶ Θράκης δίαιταν εἶχον. [4] τὸν Ἰλδιγισὰλ οὖν Αὐδουίν μὲν πρὸς βασιλέως Ἰουστινιανοῦ ἐξητεῖτο ἅτε φίλος τε Ῥωμαίοις καὶ ξύμμαχος ὢν, μισθὸν τῆς φιλίας τὴν προδοσίαν αὐτῷ τοῦ ἱκέτου εἰσπραττόμενος, ὃ δὲ τρόπῳ οὐδενὶ ἐδίδου. [5] Χρόνῳ δὲ ὕστερον Ἰλδιγισὰλ, ἐνδεέστερον ἢ κατὰ τὴν ἀξίαν αὐτοῦ καὶ τὴν Ῥωμαίων δόξαν ἐπικαλῶν οἱ αὐτῷ τὴν τε τιμὴν καὶ τὰ ἐπιτήδεια εἶναι, δυσφορομένῳ ἐπὶ πλεῖστον ἐφώκει. ὃ δὴ Γόαρ κατενόησε, Γότθος ἀνὴρ, πάλαι τε δορυάλωτος ἐν τῇδε τῷ πολέμῳ ἐκ Δαλματίας ἐνταῦθα ἦκων, ἡνίκα τὸν πόλεμον Οὐίτιγισ ὁ Γότθων βασιλεὺς πρὸς Ῥωμαίους διέφερε: [6] θυμοειδὴς δὲ ὢν καὶ δραστήριος ἄγαν πρὸς τύχην τὴν παροῦσαν ζυγομαχῶν διαέγονεν. ἐπειδὴ δὲ Γότθοι μετὰ τὴν Οὐίτιγιδος ἐπικράτησιν ἐς ἀπόστασιν εἶδον, βασιλεῖ ὅπλα ἀντάραντες, κακουργῶν ἐπὶ τῇ πολιτείᾳ διαφανῶς ἦλθον. φυγῇ δὲ ζημιωθείς τῆς Αἰγύπτου ἐς τὴν Ἀντινόου κομίζεται, καὶ χρόνος αὐτῷ πολὺς ἐν τῇ ποινῇ ταύτῃ ἐτρίβη. [7] ἀλλ' ὕστερον οἰκτισάμενος βασιλεὺς

κατήγαγεν ἐς Βυζάντιον. οὗτος ὁ Γόαρ τὸν Ἰλδιγισάλ ἰδὼν ἀσχάλλοντα, ἥπερ μοι εἴρηται, ἐνδελεχέστατα νουθετῶν ἀναπεῖθει δρασμῷ χρῆσασθαι, ξὺν αὐτῷ ὁμολογήσας ἐκ Βυζαντίου ἀπαλλαγῆσθαι. [8] ἐπειδὴ δὲ αὐτοῖς ἡ βουλὴ ἤρεσκε, φεύγουσι μὲν ἐξαπιναίως ξὺν ὀλίγοις τισίν, ἐς δὲ Ἄπρων ἀφικόμενοι τὴν Θρακῶν πόλιν ἀναμίννυνται Λαγγοβάρδαις τοῖς τῆδε οὔσι. τοῖς τε βασιλικοῖς ἵπποφορβίοις κατατυχόντες μέγα τι χρήμα ἵππων ἐνθένδε ἐπαγόμενοι πρόσω ἐχώρουν. [9] Ὡνπερ ἐπειδὴ βασιλεὺς ἦσθετο, ἐς τε Θράκην ὅλην καὶ Ἰλλυριοὺς στεῖλας ἄρχουσί τε πᾶσι καὶ στρατιώταις ἐπέστελλε τοῖς δραπεταῖς τούτοις σθένει παντὶ ὑπαντιάσαι. [10] καὶ πρῶτα μὲν Οὕνων τῶν Κουτριγούρων καλουμένων ὀλίγοι τινὲς οἳ δὴ ἐξ ἡθῶν τῶν πατρίων ἐξαναστάντες, ἥπερ μοι οὐ πολλῷ ἔμπροσθεν δεδιήγεται, δόντος βασιλέως ἐπὶ τῆς Θράκης ἰδρύσαντό τοῖς φεύγουσι τούτοις ἐς χεῖρας ἦλθον. [11] ἡσσηθέντες δὲ μάχῃ τινὲς μὲν πίπτουσιν, οἳ δὲ λοιποὶ τραπόμενοι οὐκέτι ἐδίωκον, ἀλλ' αὐτοῦ ἔμενον. οὕτω τε Θράκην ὅλην διεληλύθασιν Ἰλδιγισάλ τε καὶ Γόαρ ξὺν τοῖς ἐπομένοις, οὐδενὸς ἐνοχλοῦντος. [12] ἐν Ἰλλυριοῖς δὲ γενόμενοι Ῥωμαίων στρατὸν εὗρον ἐπὶ τῷ σφῶν πονηρῷ ξὺν ἐπιμελείᾳ ξυνειλεγμένον. [13] τοῦ δὲ στρατοῦ τούτου ἄλλοι τέ τινες καὶ Ἀράτιός τε καὶ Ῥεκίθαγος καὶ Λεωνιανὸς καὶ Ἀριμουθ ἦρχον, οἳ δὴ ἐτύγχανον τὴν ἡμέραν ἱπεύσαντες ὅλην. [14] ἐς τε χῶρον ὑλῶδη ἀφικόμενοι περὶ λύχων ἀφὰς ἔστησαν, ὥς αὐλισόμενοί τε καὶ διανυκτερεύσοντες ἐνταῦθα τὴν νύκτα ἐκείνην. [15] τοῖς μὲν οὖν στρατιώταις ἐπέστελλον οἳ ἄρχοντες οὗτοι τὰ τε ἄλλα καὶ ἵππων τῶν σφετέρων ἐπιμελεῖσθαι καὶ παρὰ τὸν ταύτη ρέοντα ποταμὸν αὐτοὺς ἀναψύχειν, παρηγοροῦντας τὸν τῆς ὁδοῦ κόπον. [16] αὐτοὶ τε κατὰ τρεῖς ἢ τέτταρας ἕκαστος δορυφόρους ἐπαγόμενοι ἀποκεκρυμμένως τοῦ ποταμοῦ ἔπινον· δίψει γάρ, ὥς τὸ εἰκός, χαλεπῇ εἶχοντο. [17] οἳ δὲ ἀμφὶ Γόαρ καὶ Ἰλδιγισάλ ἀγχοῦ που ὄντες καὶ σκοποὺς πέμψαντες ταῦτα ἐγνώσαν. ἀπροσδόκητοί τε πίνουσιν αὐτοῖς ἐπιστάντες ἅπαντας ἔκτειναν, καὶ τὸ λοιπὸν ἀδεέστερον σφίσιν αὐτοῖς τὰ ἐς τὴν πορείαν ἦπερ ἐβούλοντο διωκῆσαντο. [18] ἄναρχοι γὰρ οἳ στρατιῶται γενόμενοι διηποροῦντό τε καὶ παντάπασιν ἀμηχανοῦντες ὀπίσω ἀπῆλυνον. Γόαρ μὲν οὖν καὶ Ἰλδιγισάλ οὕτω διαφυγόντες ἐς Γήπαιδας ἦλθον. [19] Ἐτύγχανε δὲ καὶ τις ἐκ Γηπαίδων, Οὐστρίγοτθος ὄνομα, ἐς Λαγγοβάρδας φυγὼν τρόπῳ τοιῷδε. Ἐλεμοῦνδος μὲν ὁ Γηπαίδων γεγωνὺς βασιλεὺς οὐ πολλῷ ἔμπροσθεν ἐξ ἀνθρώπων ἠφάνιστο νόσφ, τούτου δὴ οἱ μόνου τοῦ Οὐστρίγοτθου ἀπολελειμμένου παιδός, ὄνπερ ὁ Θορισὶν βιασάμενος ἡμεῖς γὰρ ἦν ἐπὶ τὴν ἀρχὴν ἔσχε. [20] διὸ δὴ ὁ παῖς οὐκ ἔχων τὸν ἡδίκηκότα καθ' ὃ τι ἀμύνηται, ἐξ ἡθῶν ἀναστὰς τῶν πατρίων ἐς Λαγγοβάρδας Γήπαισι πολεμίους ὄντας ἀπιὼν ὤχετο. [21] ἐγένοντο δὲ Γήπαισιν ὀλίγῳ ὕστερον πρὸς τε βασιλέα Ἰουστινιανὸν καὶ τὸ Λαγγοβαρδῶν ἔθνος διαλλαγῇ, ὁρκίοις τε ἀλλήλους δεινοτάτοις κατέλαβον ἥ μὴν τὸ λοιπὸν φιλίαν τὴν ἐς ἀλλήλους ἀπέραντον διασώσασθαι. [22] ἐπειδὴ τε αὐτοῖς τὰ ἐς τὰς διαλλαγὰς βεβαιότατα ξυντελεσθή, βασιλεὺς τε Ἰουστινιανὸς καὶ Αὐδούιν ὁ τῶν Λαγγοβαρδῶν ἡγούμενος παρὰ Θορισὶν τὸν Γηπαίδων ἄρχοντα πέμψαντες τὸν Ἰλδιγισάλ ἅτε κοινὸν ἐχθρὸν ἐξητοῦντο, τὴν ἐς τὸν ἱκέτην τὸν αὐτοῦ προδοσίαν δεόμενοι δῆλωσιν τῆς ἐς αὐτοὺς φιλίας

ποιήσασθαι πρώτην. [23] Καὶ ὃς τοῖς Γηπαίδων λογίοις κοινολογησάμενος τὰ παρόντα σπουδῇ ἀνεπυνθάνετο εἰ ποιητέα οἱ τὰ πρὸς τοῖν βασιλείῳν αἰτμένα εἶη. [24] οἱ δὲ ἄντικρυς μὴ ποιήσῃν ἀπεῖπον, κρεῖσσον ἀπισχυρισάμενοι εἶναι Γηπαίδων τῷ ἔθνει αὐταῖς τε γυναιξὶ καὶ γόνῳ παντὶ διολωλέναι αὐτίκα δὴ μάλα ἢ ἄνοσίοις ἐπ' ἀσεβήματι γενέσθαι τοιούτῳ. [25] ταῦτα ἀκούσας ὁ Θορῖσιν ἐς ἀμυχανίαν ἐξέπιπτεν. οὔτε γὰρ ἀκουσίων τῶν ἀρχομένων ἐπιτελέσαι τὸ ἔργον εἶχεν οὔτε ἀνακυκλεῖν πόλεμον, πόνῳ τε καὶ χρόνῳ πεπαυμένον πολλῷ, πρὸς τε Ῥωμαίους καὶ Λαγγοβάρδας ἔτι ἤθελεν. ὕστερον μέντοι ἐπενόει τάδε. [26] πέμψας παρὰ τὸν Αὐδοῦν ἐζητεῖτο τὸν Ἐλεμούνδου υἱὸν Οὐστρίγοτθον, ἐπὶ τὴν ὁμοίαν αὐτῷ ἁμαρτάδα ὁρμῶν, τῶν τε ἱκετῶν ἀνταλλάσσεσθαι τὴν προδοσίαν παρακαλῶν. [27] τῇ γὰρ τῆς ἐμφεροῦς ἀτοπίας ὀκνήσει τὴν ἐπίταξιν αὐτῶν ἀναχαιτίσειν ἐλπίδα εἶχεν, ἀλλ' Αὐδοῦν αὐτὸν μηδεμιᾷ μελλήσει τῇ παρανομίᾳ καὶ ὁμολογίᾳ λήψεσθαι. [28] τούτων τε αὐτοῖς δεδογμένων ἐξεπιστάμενοι ὥς οὔτε Λαγγοβάρδα οὔτε Γήπαιδες ἐθέλουσι τοῦ μιάσματος μεταλαχεῖν σφίσιν, ἐς μὲν τὸ ἐμφανὲς οὐδὲν ἔδρασαν, ἑκάτερος δὲ δόλῳ τὸν θατέρου ἐχθρὸν ἔκτεινεν. [29] ὄντινα μέντοι τρόπον, ἀφίημι λέγειν: οὐ γὰρ ὁμολογοῦσιν ἀλλήλοις οἱ ἀμφοῖν λόγοι, ἀλλὰ κατὰ πολὺ διαλλάσσουσιν οἷά γε τῶν πραγμάτων τὰ λαθραιότατα. τὰ μὲν οὖν κατὰ Ἰλδιγισὰ καὶ Οὐστρίγοτθον ἐς τοῦτο ἐτελεύτα.

Τοῖς δὲ ἀμφὶ Ναρσῆν ἀφικομένοις ἐς Ῥάβενναν πόλιν ἀνემίγνυντο Βαλεριανὸς καὶ Ἰουστίνος οἱ στρατηγοί, καὶ εἴ τι ἄλλο στράτευμα Ῥωμαίων ταύτῃ ἐλέλειπτο. [2] ἐπειδὴ δὲ αὐτοῖς ἐννέα ἡμερῶν χρόνος ἐς Ῥάβενναν ἐτέτριπτο, Οὐσδρίλας, Γότθος ἀνὴρ, διαφερόντως ἀγαθὸς τὰ πολέμια, τοῦ ἐν Ἀρμίνῳ φυλακτηρίου ἄρχων, πρὸς Βαλεριανὸν ἔγραψε τάδε: [3] 'Πάντα ταῖς φήμαις καταλαβόντες, τοῖς τε φάσμασιν ἤδη ξύμπασαν Ἰταλίαν συσχόντες καὶ ὀφρυάσαντες οὐχ ὅσα γε τὰ ἀνθρώπεια, ταύτῃ τε Γότθους, ὥσπερ οἶσθε, δεδιζάμενοι, εἴτα κάθησθε νῦν ἐν Ῥαβέννῃ τῷ μὲν ἀποκεκρύφθαι ὥς ἤκιστα τοῖς πολεμίοις ἐνδηλοῖ, οἶμαι, ξυμφουροῦντες ἔτι τὸ φρόνημα τοῦτο, βαρβάρων δὲ παμμίκτῳ ὁμίλῳ τὴν οὐδαμόθεν προσήκουσαν ὑμῖν κατατρίβοντες χώραν. ἀλλ' ἀνάστητε ὅτι τάχιστα καὶ πολεμίων ἔργων τὸ λοιπὸν ἄπτεσθε, δεῖξατέ τε ὑμᾶς αὐτοὺς Γότθοις, μηδὲ ἀναρτήσητε μακροτέραις ἐλπίσιν ἡμᾶς, [4] προσδεχομένους ἐκ παλαιοῦ τὸ θέαρα.' ἡ μὲν γραφὴ τοσαῦτα ἐδήλου. Ἐπειδὴ δὲ ταῦτα Ναρσῆς ἀπενεχθέντα εἶδε, Γότθων τῆς ἀλαζονείας γελάσας, καθίστατο εὐθὺς παντὶ τῷ στρατῷ ἐς τὴν ἐξοδον, φρουρὰν ζὺν Ἰουστίνῳ ἐν Ῥαβέννῃ ἀπολιπών. [5] γενόμενοι τε πόλεως Ἀρμίνου ἄγχιστα, εὗρον οὐκ εὐπετὴ σφίσι τὸ ἐνθένδε τὴν δίοδον οὔσαν, Γότθων περιηρηκώτων τὴν ἐκεῖν γέφυραν οὐ πολλῷ πρότερον. [6] ὁ γὰρ ποταμὸς ὁ τὴν Ἀρίμινον παραρρέων ἀνδρὶ μὲν ἀόπλῳ ἐνὶ πεζῇ ἰόντι μόλις διαβατὸς γίνεται διὰ τῆς γεφύρας πόνῳ τε καὶ ταλαιπωρίᾳ πολλῇ, καὶ ταῦτα μηδενὸς ἐνοχλοῦντος ἢ τὴν δίοδον ἀναστέλλοντος: πλήθει δὲ ἀνθρώπων καὶ διαφερόντως ἐξωπλισμένων, ἄλλως τε καὶ πολεμίων ἀντιστατούντων, τρόπῳ ὅτῳ οὖν ἐνταῦθα διαπορθμεύσασθαι ἀδύνατά ἐστι. [7] διόπερ ὁ Ναρσῆς ἐν τῷ γεφύρας χώρῳ γενόμενος ζὺν ὀλίγοις τισὶν ἀπορούμενος ἐπὶ πλεῖστον διεσκοπεῖτο ὁπόθεν ἂν ποτε πόρον τινὰ τῷ πράγματι εὔροι. [8] οὗ δὴ καὶ

Οὐσδρίλας τινὰς ἐπαγαγόμενος ἰπέων ἦλθε, μὴ τι τῶν πρασσομένων αὐτὸν διαλάβοι. τῶν δὲ τις Ναρσῆ ἐπισπομένων τὸ τόξον ἐντείνας ἐπ' αὐτοὺς ἔβαλλεν, ἐνὶ τε τῶν ἵππων κατατυχὼν εὐθὺς ἔκτεινεν. [9] οἱ τε ἀμφὶ τὸν Οὐσδρίλαν τότε μὲν ἐνθὲνδε κατὰ τάχος ἀπαλλαγέντες ἐντὸς τοῦ περιβόλου ἐγένοντο, αὐτίκα δὲ καὶ ἄλλους ἐπαγαγόμενοι τῶν σφίσι μαχιμωτάτων διὰ πύλης ἐτέρας ἐπ' αὐτοὺς ἵεντο, ὥς ἀπροσδόκητοὶ τε αὐτοῖς ἐπιπεσόντες καὶ τὸν Ναρσῆν διαχρησόμενοι αὐτίκα δὴ μάλα. [10] ἐπὶ θατερα γὰρ τοῦ ποταμοῦ διερευνώμενος τῇ στρατιᾷ τὴν διάβασιν ἤδη ἀφίκτο. ἀλλὰ τῶν τινὲς Ἑρούλων τύχη αὐτοῖς τινὶ ἐνταῦθα ὑπαντιάσαντες κτείνουσί τε τὸν Οὐσδρίλαν, καὶ ὅστις ποτὲ ἦν ἐπιγνωσθέντα παρὰ Ῥωμαίου ἀνδρὸς τὴν κεφαλὴν ἀφαιρούμενοι, ἐς τὸ Ῥωμαίων στρατόπεδον ἦλθον, καὶ Ναρσῆ ἐπιδείξαντες τῇ προθυμίᾳ ἐπέρρωσαν πάντας, τεκμηριουμένους τῷ ξυμβεβηκότι τὰ ἐκ τοῦ θεοῦ Γόθοις πολέμια εἶναι: οἱ γε τῶν πολεμίων τῷ στρατηγῷ ἐνεδρεύσαντες αὐτοὶ οὐκ ἐξ ἐπιβουλῆς ἢ προνοίας τινὸς τὸν ἄρχοντα σφῶν ἐξαπιναιῶς ἀφῆρηντο. [11] Ναρσῆς δέ, καίπερ Οὐσδρίλα πεπτωκότος, ὃς τοῦ ἐν Ἀριμίνῳ φυλακτηρίου ἦρχε, πρόσω ἠπείγε τὸ στράτευμα. οὔτε γὰρ Ἀρίμνην οὔτε ἄλλο τι χωρίον πρὸς τῶν πολεμίων ἐχόμενον ἐνοχλεῖν ἠθέλεν, ὥς μὴ τις αὐτῷ τρίβοιτο χρόνος, μηδὲ τῷ παρέργῳ τῆς χρείας ἢ σπουδαιοτάτῃ διείργοιτο πρᾶξις. [12] τῶν δὲ πολεμίων ἄτε πεπτωκότος σφίσι τοῦ ἄρχοντος ἡσυχάζοντων τε καὶ οὐκέτι ἐμποδίων καθισταμένων ὁ Ναρσῆς ἀδεέστερον γεφύρα τὸν ποταμὸν ζευξας διεβίβασε πόνῳ οὐδενὶ τὸν στρατὸν ἅπαντα. [13] ὁδοῦ δὲ τῆς Φλαμηνίας ἐνθὲνδε ἀφόμενος ἐν ἀριστερᾷ ἦει. Πέτρας γὰρ τῆς Περτούσης καλουμένης, ἥσπερ μοι τὸ τοῦ ὀχυρώματος καρτερὸν χωρίου φύσει ἐν τοῖς ἔμπροσθεν δεδιήγεται λόγοις, κατειλημμένης τοῖς ἐναντίοις πολλῷ πρότερον, ἀπόρευτα Ῥωμαίοις καὶ παντάπασιν ἀδιέξοδα, ὅσα γε κατὰ τὴν Φλαμηνίαν ὁδόν, ὄντα ἐτύγγανεν. ὁδὸν οὖν ὁ Ναρσῆς διὰ ταῦτα τὴν ἐπιτομωτέραν ἀφείς τὴν βάσιμον ἦει.

Τῷ μὲν οὖν Ῥωμαίων στρατῷ τά γε ἀμφὶ τῇ πορείᾳ ταύτῃ πη εἶχε. Τουτίλας δὲ πεπτυσμένος ἤδη τὰ ἐν Βενεταίαις ξυνενεχθέντα Τεϊαν μὲν τὰ πρῶτα καὶ τὴν ξὺν αὐτῷ στρατιὰν προσδεχόμενος ἐν τοῖς ἐπὶ Ῥώμης χωρίοις ἡσυχῇ ἔμενεν. [2] ἐπειδὴ δὲ παρήσαν, μόνον τε δισχίλιοι ἱππεῖς ἐλείποντο ἔτι, τούτους δὴ οὐκ ἀναμείνας ὁ Τουτίλας, ἀλλὰ παντὶ ἄρας τῷ ἄλλῳ στρατῷ ὥς τοῖς πολεμίοις ἐν ἐπιτηδείῳ ὑπαντίαςων ἦει. [3] ἐν δὲ τῇ ὁδῷ ταύτῃ τά τε τῷ Οὐσδρίλᾳ συμπεπτωκότα καὶ Ἀρίμνην τοὺς πολεμίους διαβεβηκέναι μαθὼν, ὅλην μὲν Τουσκίαν ἀμείψας, ἐν ὅρῳ δὲ τῷ Ἀπεννίνῳ καλουμένῳ γενόμενος, αὐτοῦ ἐνστρατοπεδευσάμενος, ἔμενεν ἄγχιστα κώμης ἥνπερ οἱ ἐπιχώριοι Ταγίνας καλοῦσιν. [4] ἥ τε Ῥωμαίων στρατιὰ Ναρσοῦ ἡγουμένου οὐ πολλῷ ὕστερον ἐν τῷ ὅρῳ καὶ αὐτοὶ τῷ Ἀπεννίνῳ ἐνστρατοπεδευσάμενοι ἔμενον, σταδίους ἑκατὸν μάλιστα τοῦ τῶν ἐναντίων στρατοπέδου διέχοντες, ἐν χωρίῳ ὁμαλῷ μὲν, λόφους δὲ ἄγχιστά πη περιβεβλημένῳ πολλούς, ἵνα δὴ ποτε στρατηγοῦντα Ῥωμαίων Κάμιλλον τῶν Γάλλων ὁμίλον διαφθεῖραι μάχῃ νενικηκότα φασί. [5] φέρει δὲ καὶ εἰς ἐμὲ μαρτύριον τοῦ ἔργου τούτου τὴν προσηγορίαν ὁ χῶρος καὶ διασώζει τῇ μνήμῃ τῶν Γάλλων τὸ πάθος, Βουσταγαλλῶρων καλούμενος. βοῦστα γὰρ Λατῖνοι τὰ ἐκ τῆς πυρᾶς καλοῦσι

λείψανα. [6] τύμβοι τε τῇδε γεώλοφοι τῶν νεκρῶν ἐκείνων παμπληθεῖς εἰσίν. Αὐτίκα δὲ στείλας ἐνθένδε Ναρσῆς τῶν οἱ ἐπιτηδείων τινὰς παραίνεσιν ἐπήγγελλε ποιεῖσθαι τῷ Τουτίλᾳ καταθέσθαι μὲν τὰ πολέμια, βουλευέσθαι δὲ εἰρηναῖά ποτε, διαριθμουμένῳ ὅτι δὴ αὐτός, ἀνθρώπων ἄρχων ὀλίγων τέ τινων καὶ ὑπόγουον νόμῳ οὐδενὶ ξυνειλεγμένων, πάσῃ τῇ Ῥωμαίων ἀρχῇ ἐπὶ πλεῖστον διαμάχεσθαι οὐκ ἂν δύναιτο. [7] ἔφη δὲ αὐτοῖς καὶ τοῦτο, ὥστε δὴ αὐτόν, εἰ πολεμησεῖοντα ἴδοιεν, μελλήσει οὐδεμιᾷ ἐγκελεύεσθαι τακτὴν διορίσαι τινὰ ἡμέραν τῇ μάχῃ. [8] ἐπειδὴ γοῦν οἱ πρέσβεις οὗτοι τῷ Τουτίλᾳ ἐς ὄψιν ἦλθον, τὰ ἐπιτεταγμένα ἐποίουν. καὶ ὁ μὲν νεανιευόμενος ἐκομπνεύετο ὡς τρόπῳ αὐτοῖς παντὶ πολεμητέον εἶη, οἱ δὲ ὑπολαβόντες ‘Ἄλλ’, ὦ γενναῖε’ ἔφασαν ‘ῥητόν τινα καιρὸν τῇ ξυμβολῇ τίθει.’ καὶ ὃς αὐτίκα ‘ὀκτὼ ἡμερῶν ξυμμίξωμεν’ ἔφη. [9] οἱ μὲν οὖν πρέσβεις παρὰ τὸν Ναρσῆν ἐπανάκοντες τὰ ξυγκείμενα σφίσιν ἐπήγγελλον, ὁ δὲ Τουτίλαν δολώσεις ὑποτοπάζων ἐπινοεῖν παρεσκευάζετο ὡς τῇ ὑστεραία μαχούμενος. [10] καὶ ἔτυχέ γε τῆς τῶν πολεμίων ἐννοίας. ἡμέρᾳ γὰρ τῇ ἐπιγενομένη αὐτάγγελος παντὶ τῷ στρατῷ παρῆν ὁ Τουτίλας. ἥδη δὲ ἀλλήλοις ἑκατεροὶ ἀντεκάθηντο, οὐ πλεον ἢ δυοῖν διέχοντες τοξευμάτων βολαῖν. [11] Ἦν γέ τι γεώλοφον ἐνταῦθα βραχύ, ὃ δὴ καταλαβεῖν ἀμφοτέρω διὰ σπουδῆς εἶχον, ἐν ἐπιτηδείῳ σφίσιν οἰόμενοι κεῖσθαι, ὅπως τε βάλλειν τοὺς ἐναντίους ἐξ ὑπερδεξίων ἔχοιεν καὶ ὅτι χῶροι λοφώδεις, ἥπέρ μοι δεδήλωται, ἐνταῦθά πη ἦσαν, ταύτῃ τοι κυκλώσασθαι τινὰς τὸ Ῥωμαίων στρατόπεδον κατὰ νότου ἰόντας ἀμήχανον ἦν, ὅτι μὴ διὰ μιᾶς τινὸς ἀτραποῦ, [12] ἢ παρὰ τὸ γεώλοφον ἐτύγγανεν οὐσα. διὸ δὴ περὶ πλείονος αὐτὸ ποιεῖσθαι ἀμφοτέροις ἐπ’ ἀνάγκης ἦν, Γότθοις μὲν, ὅπως ἐν τῇ ξυμβολῇ κυκλωσάμενοι τοὺς πολεμίους ἐν ἀμφιβόλῳ ποιήσονται, Ῥωμαίοις δέ, ὅπως δὴ ταῦτα μὴ πάθοιεν. [13] ἀλλὰ προτερήσας Ναρσῆς πεντήκοντα ἐκ καταλόγου πεζοὺς ἀπολέξας ἁωρὶ νύκτωρ ὡς καταληψομένους τε καὶ καθέξοντας αὐτὸ ἔστειλε. [14] καὶ οἱ μὲν οὐδενὸς σφίσι τῶν πολεμίων ἐμποδῶν ἰσταμένου ἐνταῦθα γενόμενοι ἡσυχῇ ἔμενον. [15] ἔστι δὲ τις χειμάρρους τοῦ γεωλόφου ἐπίπροσθεν, παρὰ μὲν τὴν ἀτραπὸν ἧς ἄρτι ἐμνήσθην, τοῦ δὲ χώρου καταντικρὺ οὗ ἐστρατοπεδεύσαντο Γότθοι, οὗ δὴ οἱ πεντήκοντα ἔστησαν, ἐν χρῷ μὲν ξυνιόντες ἀλλήλοις, ἐς φάλαγγα δὲ ὡς ἐν στενοχωρίᾳ ξυντεταγμένοι. [16] Μεθ’ ἡμέραν δὲ τὸ γεγονὸς ἰδὼν Τουτίλας ἀπώσασθαι αὐτοὺς ἐν σπουδῇ εἶχεν. Ἰλην τε ἱπέων εὐθὺς ἐπ’ αὐτοὺς ἔπεμψεν, ἐξελᾶν ὅτι τάχιστα ἐνθένδε αὐτοὺς ἐπιστείλας. [17] οἱ μὲν οὖν ἱππεῖς θορόβῳ τε πολλῷ καὶ κραυγῇ ἐπ’ αὐτοὺς ἴεντο, ὡς αὐτοβοεῖ ἐξαιρήσοντες, οἱ δὲ εἰς ὀλίγον ξυντεταγμένοι καὶ ταῖς μὲν ἀσπίσι φραζάμενοι, [18] τὰ δὲ δοράτια ἐπανατεινόμενοι ἔστησαν. εἶτα οἱ μὲν Γότθοι σπουδῇ ἐπιόντες ξυνταράξαντες αὐτοὺς ἤλαυνον, οἱ δὲ πεντήκοντα, τῶν τε ἀσπίδων τῷ ὠθισμῷ καὶ τῶν δορατίων τῇ ἐπιβολῇ πυκνοτάτῃ οὔσῃ καὶ οὐδαμῇ ξυγκεχυμένη ὡς καρτερώτατα τοὺς ἐπιόντας ἡμύνοντο, ἐξεπίτηδές τε πάταγον ταῖς ἀσπίσιν ἐποίουν, ταύτῃ μὲν τοὺς ἵππους ἀεὶ δεδισσόμενοι, τοὺς δὲ ἄνδρας ταῖς τῶν δορατίων αἰχμαῖς. [19] καὶ οἱ τε ἵπποι ἀνεχαιτίζοντο τῇ τε δυσχωρίᾳ καὶ τῶν ἀσπίδων τῷ πατάγῳ λίαν ἀχθόμενοι καὶ διέξοδον οὐδαμῇ ἔχοντες, οἱ τε ἄνδρες ἀπεκναίνοντο, ἀνθρώποις τε οὕτω ξυμφραζαμένοις μαχόμενοι καὶ

τρόπῳ οὐδενὶ εἴκουσι, καὶ ἵπποις ἐγκελευόμενοι ὥς ἤκιστα ἐπαΐουσιν. ἀποκρουσθέντες τε τὴν πρώτην ὀπίσω ἐχώρουν. [20] καὶ αὖθις ἀποπειρασάμενοι καὶ ταῦτὰ πάσχοντες ἀνεπὸδιζον. πολλάκις τε οὕτως ἀπαλλάξαντες οὐκέτι ἠνώχλουν, ἀλλ' ἐτέραν ἵλην Τουτίλας ἐς τὸ ἔργον τοῦτο ἀντικαθίστη. [21] ὥνπερ ὁμοίως τοῖς προτέροις ἀπαλλαγέντων ἕτεροι ἐς τὴν πρᾶξιν καθίσταντο. πολλὰς τε ἵλας ὁ Τουτίλας οὕτως ἀμείψας ἐπὶ πάσαις τε ἄπρακτος γεγονὼς εἶτα ἀπεῖπεν. [22] Οἱ μὲν οὖν πεντήκοντα κλέος ὑπὲρ ἀρετῆς ἀπήνεγκαν μέγα, δύο δὲ αὐτῶν διαφερόντως ἐν τῷ πόνῳ τούτῳ ἡρίστευσαν, Παῦλός τε καὶ Ἀνσίλας, οἱ δὲ ἐκπεπηδηκότες τῆς φάλαγγος δῆλωσιν ἀρετῆς μάλιστα πάντων πεποίηται. [23] τοὺς μὲν γὰρ ἀκινάκας σπασάμενοι κατέθεντο εἰς τὸ ἔδαφος, τὰ δὲ τόξα ἐντεινάμενοι ἔβαλλον ἐπικαιριώτατα στοχαζόμενοι τῶν πολεμίων. [24] καὶ πολλοὺς μὲν ἄνδρας, πολλοὺς δὲ ἵππους διεχρήσαντο, ἕως ἔτι εἶχον τοὺς ἀτράκτους αὐτοῖς αἱ φαρέτραι. ἐπειδὴ δὲ ἅπαντα αὐτοὺς τὰ βέλη ἤδη ἐπιλελοίπει, οἱ δὲ τὰ τε ξίφη ἀνελόμενοι καὶ τὰς ἀσπίδας προβεβλημένοι κατὰ μόνας τοὺς ἐπιόντας ἡμύνοντο. [25] ἐπειδὴν τε ἱππευόμενοι τῶν ἐναντίων τινὲς ξὺν τοῖς δόρασιν ἐπ' αὐτοὺς ἴοιεν, οἱ δὲ τοῖς ξίφεσι παίοντες ἀπεκαύλιζον τῶν δοράτων εὐθὺς τὰς αἰχμὰς. [26] πολλάκις δὲ αὐτῶν οὕτω δὴ ἀναστελλόντων τὰς τῶν πολεμίων ἐπιδρομὰς ξυνηνέχθη τὸ θατέρου ξίφος ἣν δὲ οὗτος ἀνὴρ Παῦλος ὀνόματι συγκεκάμφθαι τῇ ἐς τὰ ξύλα συνεχεῖ τομῇ καὶ τὸ παράπαν ἀχρεῖον εἶναι. ὅπερ αὐτίκα μὲν προσουδίζει χαμαί, [27] χερσὶ δὲ ἀμφοτέραις ἐπιλαβόμενος τῶν δοράτων ἀφηρεῖτο τοὺς ἐπιόντας. τέτταρά τε δόρατα οὕτω τοὺς πολεμίους διαφανῶς ἀφελόμενος αἰτιώτατος γέγονε τοῦ τὴν πρᾶξιν αὐτοὺς ἀπογνῶναι. [28] διὸ δὴ αὐτὸν ὑπασπιστὴν αὐτοῦ ἴδιον ἀπὸ τοῦ ἔργου τούτου Ναρσῆς τὸ λοιπὸν κατεστήσατο.

Ταῦτα μὲν οὖν τῇδε κεχώρηκεν. ἐκάτεροι δὲ παρεσκευάζοντο εἰς παράταξιν. καὶ Ναρσῆς τὸ στράτευμα ἐν χώρῳ ὀλίγῳ ξυναγαγὼν τοιάδε παρεκελεύσατο: 'Τοῖς μὲν ἐξ ἀντιπάλου τῆς δυνάμεως ἐς ἀγωνίαν τοῖς πολεμίοις καθισταμένοις παρακελεύσεώς τε ἂν ἴσως δεήσειε πολλῆς καὶ παραινέσεως ἐς τὴν προθυμίαν ὁρμώσης, ὅπως δὴ ταύτῃ τῶν ἐναντίων πλεονεκτοῦντες κατὰ νοῦν μάλιστα τῆς παρατάξεως ἀπαλλάξωσιν: ὑμῖν δέ, ὦ ἄνδρες, οἷς καὶ τῇ ἀρετῇ καὶ τῷ πλήθει καὶ τῇ ἄλλῃ παρασκευῇ πάσῃ πολλῷ τῷ διαλλάσσοντι πρὸς καταδεεστεροὺς ἢ μάχῃ ἐστίν, οὐδὲν ἄλλο προσδεῖν οἶομαι ἢ τῷ θεῷ Ἰλεφ ἐς ξυμβολὴν τήνδε καθίστασθαι. [2] εὐχῇ τοίνυν αὐτὸν ἐνδελεχέστατα ἐς ξυμμαχίαν ἐπαγόμενοι πολλῷ τῷ καταφρονήματι ἐπὶ τούτων δὴ τῶν ληστῶν τὴν ἐπικράτησιν ἴεσθε, οἱ γε δοῦλοι βασιλέως τοῦ μεγάλου τὸ ἐξ ἀρχῆς ὄντες καὶ δραπεταὶ γεγεννημένοι τύραννόν τε αὐτοῖς ἀγελαῖόν τινα ἐκ τοῦ συρφετοῦ προστησάμενοι ἐπικλοπώτερον συνταράξαι τὴν Ῥωμαίων ἀρχὴν ἐπὶ καιροῦ τινὸς ἴσχυσαν. [3] καίτοι τούτους γε ἡμῖν οὐδὲ ἀντιπαρατάσσεσθαι νῦν τὰ εἰκότα λογιζομένους ὑπώπτευσεν ἂν τις. [4] οἱ δὲ θράσει θανατῶντες ἀλογίστῳ τινὶ καὶ μανιώδῃ προπέτειαν ἐνδεικνύμενοι προὔπτον αὐτοῖς θάνατον ἀναιρεῖσθαι τολμῶσιν, οὐ προβεβλημένοι τὴν ἀγαθὴν ἐλπίδα, οὐδὲ τί ἐπιγενήσεται σφίσιν αὐτοῖς ἐκ τοῦ παραλόγου καὶ τοῦ παραδόξου караδοκοῦντες, ἀλλὰ πρὸς τοῦ θεοῦ διαρρήδην ἐπὶ τὰς ποινὰς τῶν

πεπολιτευμένων ἀγόμενοι. ὧν γὰρ ἄνωθέν τι κατεγνώσθη παθεῖν, χωροῦσιν ἐπὶ τὰς τιμωρίας αὐτόματοι. [5] χωρὶς δὲ τούτων ὑμεῖς μὲν πολιτείας εὐνόμου προκινδυνεύοντες καθίστασθε εἰς ξυμβολὴν τήνδε, οἱ δὲ νεωτερίζουσιν ἐπὶ τοῖς νόμοις ζυγομαχοῦντες, οὐ παραπέμψειν τι τῶν ὑπαρχόντων ἐς διαδόχους προσδοκῶντές τινας, ἀλλ' εὖ εἰδότες ὡς συναπολεῖται αὐτοῖς ἅπαντα καὶ μετ' ἐφημέρου βιοτεύουσι τῆς ἐλπίδος. [6] ὥστε καταφρονεῖσθαι τὰ μάλιστά εἰσιν ἄξιοι. τῶν γὰρ οὐ νόμῳ καὶ ἀγαθῇ πολιτεῖᾳ ξυνισταμένων ἀπολέλειπται μὲν ἀρετὴ πᾶσα, διακέκριται δέ, ὡς τὸ εἰκός, ἡ νίκη, οὐκ εἰωθυῖα [7] ταῖς ἀρεταῖς ἀντιτάσσεσθαι.' τοιαύτην μὲν ὁ Ναρσῆς τὴν παρακέλευσιν ἐποιήσατο. Καὶ Τουτίλας δὲ τεθηπότας. τὴν Ῥωμαίων στρατιὰν τοὺς οἱ ἐπομένους ὀρῶν ξυγκαλέσας καὶ αὐτὸς ἅπαντας ἔλεξε τάδε. 'Υστάτην ὑμῖν παραίνεσιν ποιησόμενος ἐνταῦθα ὑμᾶς, ἄνδρες ξυστρατιῶται, ξυνήγαγον. [8] ἄλλης γάρ, οἶμαι, παρακελεύσεως μετὰ τήνδε τὴν ξυμβολὴν οὐκέτι δεήσει, ἀλλὰ τὸν πόλεμον ἐς ἡμέραν μίαν ἀποκεκρίσθαι ξυμβήσεται πάντως. [9] οὕτω γὰρ ἡμᾶς τε καὶ βασιλέα Ἰουστινιανὸν ἐκνευρίσθαι τετύχηκε καὶ περιηρῆσθαι δυνάμεις ἀπάσας, πόνοις τε καὶ μάχαις καὶ ταλαιπωρίας ὠμิลηκότας ἐπὶ χρόνου παμμέγεθες μῆκος, ἀπειρηκέναι τε πρὸς τὰς τοῦ πολέμου ἀνάγκας, ὥστε, ἢν τῇ ξυμβολῇ τῇ νῦν τῶν ἐναντίων περιεσόμεθα, οὐδαμῶς ἀναποδιεῖν τὸ λοιπὸν ἔξουσιν, ἢν δὲ ἡμεῖς τι προσπταίσωμεν ἐν ταύτῃ τῇ μάχῃ, ἐλπίς οὐδεμία εἰς τὸ ἀναμαχήσεσθαι λελείπεται Γότθοις, ἀλλὰ τὴν ἦσαν ἐκατέρους σκῆψιν ἐς τὴν ἡσυχίαν εὐπρόσωπον διαρκῶς ἔξομεν. [10] ἀπολέγοντες γὰρ ἄνθρωποι πρὸς τῶν πραγμάτων τὰ πονηρότατα ἐς αὐτὰ ἐπανιέναι οὐκέτι τολμῶσιν, ἀλλὰ καὶ σφόδρα ἴσως διωθουμένης αὐτοὺς ἐπὶ ταῦτα τῆς χρείας ταῖς γνώμαις ἀναχαιτίζονται, δεδισσομένης αὐτοῖς τὰς ψυχὰς τῆς τῶν κακῶν μνήμης. [11] τοσαῦτα, ὦ ἄνδρες, ἀκηκοότες ἀνδραγαθίζεσθε μὲν τῷ παντὶ σθένει, μηδεμίαν ἐς ἄλλον τινὰ χρόνον ἀποτιθέμενοι τῆς ψυχῆς ἀρετὴν, ταλαιπωρεῖσθε δὲ ἀλκῇ τῇ πάσῃ, μηδὲ τὸ σῶμα ταμιευόμενοι ἐς κίνδυνον ἄλλον. [12] ὅπλων δὲ ὑμῖν γινέσθω καὶ ἵππων μηδεμία φειδῶ, ὡς οὐκέτι χρησίμων ἐσομένων ὑμῖν. ἅπαντα γὰρ προκατατρίψασα τὰ ἄλλα ἡ τύχη, μόνην τῆς ἐλπίδος τὴν κεφαλὴν εἰς τὴν ἡμέραν ἐφύλαξε ταύτην. [13] τὴν εὐψυχίαν τοίνυν ἀσκεῖτε καὶ πρὸς εὐτολμίαν παρασκευάζεσθε. οἷς γὰρ ἐπὶ τριχὸς ἡ ἐλπίς, ὥσπερ τανῦν ὑμῖν, ἔστηκεν, οὐδὲ χρόνου τινὰ βραχυτάτην ῥοπὴν ἀναπεπτωκέναι ξυνοίσει. [14] παρεληλυθίας γὰρ τῆς ἀκμῆς τοῦ καιροῦ ἀνόνητος ἡ σποδὴ τὸ λοιπὸν γίνεται, κἂν διαφερόντως ὑπέρογκος ᾖ, οὐκ ἐνδεχομένης τῶν πραγμάτων τῆς φύσεως ἀρετὴν ἔωλον, ἐπεὶ παρελθούσης τῆς χρείας ἔξωρα καὶ τὰ ἐπιγινόμενα ἐπάναγκες εἶναι. [15] οἶμαι τοίνυν προσήκειν ὑμᾶς ἐπικαιριώτατα ἐν ἔργῳ λαβεῖν τὴν ἀγώνισιν, ὡς ἂν δυνήσεσθε καὶ τοῖς αὐτῆς ἀγαθοῖς χρῆσθαι. ἐξεπίστασθέ τε ὡς ἐν τῷ παρόντι ἀξιώλεθρος μάλιστα ἡ φυγὴ γίνεται. [16] φεύγουσι γὰρ ἄνθρωποι λιπόντες τὴν τάξιν οὐκ ἄλλου του ἔνεκα ἢ ὅπως βιώσονται: ἢν δὲ θάνατον ἡ φυγὴ προὔπτον ἐπάγεσθαι μέλλῃ, ὁ τὸν κίνδυνον ὑποστὰς τοῦ φυγόντος πολλῶ ἔτι μᾶλλον ἐν ἀσφαλεῖ ἔσται. [17] τοῦ δὲ τῶν πολεμίων ὁμίλου ὑπερφρονεῖν ἄξιον, ἐξ ἐθνῶν ξυνειλεγμένων ὅτι μάλιστα πλείστων. ξυμμαχία γὰρ πολλαχόθεν ἐρανισθεῖσα οὔτε τὴν πίστιν οὔτε τὴν δύναμιν ἀσφαλῇ φέρεται, ἀλλὰ

σχοζομένη τοῖς γένεσι μερίζεται καὶ ταῖς γνώμαις εἰκότως. [18] μὴδὲ γὰρ οἶσθε Οὐννους τε καὶ Λαγγοβάρδας καὶ Ἑρούλους ποτέ, χρημάτων αὐτοῖς μεμισθωμένους οὐκ οἶδα ὁπόσων, προκινδυνεύουσιν αὐτῶν ἄχρι ἐς θάνατον. [19] οὐ γὰρ οὕτως αὐτοῖς ἡ ψυχὴ ἄτιμος ὥστε καὶ ἀργυρίου τὰ δευτερεῖα παρ' αὐτοῖς φέρεσθαι, ἀλλ' εὖ οἶδα ὥς μάχεσθαι τὰ ἐς τὴν ὄψιν ποιούμενοι ἐθελοκακήσουσιν αὐτίκα δὴ μάλα, ἢ κεκομισμένοι τὴν μίσθωσιν, ἢ τὴν ἐπίταξιν ὑποτετελεκότες τῶν ἐν σφίσιν ἀρχόντων. [20] τοῖς γὰρ ἀνθρώποις καὶ τὰ τῶν πραγμάτων τερπνότατα δοκοῦντα εἶναι μὴ ὅτι πολέμια, ἢ μὴ κατὰ γνώμην αὐτοῖς πράσσεται, ἀλλὰ βιασθεῖσιν ἢ μισθαρνήσασιν ἢ ἄλλῳ τῷ ἀναγκασθεῖσιν, οὐκέτι αὐτοῖς ἐπὶ τὸ καταθύμιον ἀποκεκρίσθαι ξυμβήσεται, ἀλλὰ τῷ ἀναγκαιῷ μοχθηρὰ φαίνεται. ὧν ἐνθυμηθέντες προθυμία τῇ πάσῃ ὁμόσε τοῖς πολεμίοις χωρήσωμεν.'

Τοσαῦτα μὲν οὖν καὶ ὁ Τουτίλας εἶπε. τὰ δὲ στρατεύματα ἐς μάχην ξυνήει καὶ ἐτάξαντο ὧδε. μετωπηδὸν μὲν ἀμφοτέρωθεν ἅπαντες ἔστησαν, ὡς βαθύτατόν τε καὶ περίμηκες τῆς φάλαγγος τὸ μέτωπον ποιησόμενοι. [2] τῶν δὲ Ῥωμαίων κέρας μὲν τὸ ἀριστερόν Ναρσῆς τε καὶ Ἰωάννης ἀμφὶ τὸ γεώλοφον εἶχον καὶ ξὺν αὐτοῖς εἴ τι ἄριστον ἐν τῷ Ῥωμαίων στρατῷ ἐτύγγανεν ὄν: [3] ἑκατέρῳ γὰρ τῶν ἄλλων χωρὶς στρατιωτῶν, δορυφόρων τε καὶ ὑπασπιστῶν καὶ βαρβάρων Οὐννων εἶπετο πλῆθος ἀριστίνδην συνειλεγμένων: [4] κατὰ δὲ δεξιὸν Βαλεριανὸς τε καὶ Ἰωάννης ὁ Φαγᾶς σὺν τῷ Δαγισθαίῳ καὶ οἱ κατάλοιποι Ῥωμαῖοι ἐτάξαντο πάντες. [5] πεζοὺς μέντοι τοξότας ἐκ τῶν καταλόγου στρατιωτῶν ὀκτακισχιλίους μάλιστα ἔστησαν ἐς ἄμφω τὰ κέρα. κατὰ δὲ τὰ μέσα τῆς φάλαγγος τοὺς τε Λαγγοβάρδας καὶ τὸ Ἑρούλων ἔθνος καὶ πάντας τοὺς ἄλλους βαρβάρους ὁ Ναρσῆς ἔταξεν, ἕκ τε τῶν ἵππων ἀποβιβάσας καὶ πεζοὺς εἶναι καταστησάμενος, ὅπως ἂν μὴ κακοὶ ἐν τῷ ἔργῳ γενόμενοι ἢ ἐθελοκακοῦντες, ἂν οὕτω τύχη, ἐς ὑπαγωγὴν ὀξύτεροι εἶεν. [6] τὸ μέντοι πέρας κέρως τοῦ εὐωνύμου τῶν Ῥωμαίων μετώπου Ναρσῆς ἐγγώνιον κατεστήσατο, πεντακοσίους τε καὶ χιλίους ἱππεῖς ἐνταῦθα στήσας. [7] προεῖρητο δὲ τοῖς μὲν πεντακοσίοις, ἐπειδὰν τάχιστα τῶν Ῥωμαίων τισὶ τραπῆναι ξυμβαίῃ, ἐπιβοηθεῖν αὐτοῖς ἐν σπουδῇ, τοῖς δὲ χιλίοις, ὀπηνίκα οἱ τῶν πολεμίων πεζοὶ ἔργου ἄρχωνται, κατόπισθ' ἐν αὐτῶν αὐτίκα γενέσθαι καὶ ἀμφιβόλους ποιήσασθαι. [8] καὶ ὁ Τουτίλας δὲ τῷ τρόπῳ τῷ αὐτῷ τοῖς πολεμίοις ἀντίαν τὴν στρατιὰν ξύμπασαν ἔστησε. καὶ περιῶν τὴν οἰκείαν παράταξιν τοὺς στρατιώτας παρεθράσυνε τε καὶ παρεκάλει ἐς εὐτολμίαν προσώπῳ καὶ λόγῳ. [9] καὶ ὁ Ναρσῆς δὲ ταῦτό τοῦτο ἐποίει, ψέλλιά τε καὶ στρεπτοὺς καὶ χαλινοὺς χρυσοὺς ἐπὶ κοντῶν μετεωρίσας καὶ ἄλλα ἅττα τῆς ἐς τὸν κίνδυνον προθυμίας ὑπεκκαύματα ἐνδεικνύμενος. [10] χρόνον δὲ τινα μάχης οὐδέτεροι ἦρχον, ἀλλ' ἡσυχῇ ἀμφοτέρω ἐμμενον, προσδεχόμενοι τὴν τῶν ἐναντίων ἐπίθεσιν. [11] Μετὰ δὲ εἰς ἐκ τοῦ Γότθων στρατοῦ, Κόκκας ὄνομα, δόξαν ἐπὶ τῷ δραστηρίῳ διαρκῶς ἔχων, τὸν ἵππον ἐξελάσας, ἄγχιστα ἦλθε τοῦ Ῥωμαίων στρατοῦ, προῦκαλεῖτό τε, εἴ τίς οἱ βούλοιο πρὸς μονομαχίαν ἐπεξίεναι. [12] ὁ δὲ Κόκκας οὗτος εἰς τῶν Ῥωμαίων στρατιωτῶν ἐτύγγανεν ὧν τῶν παρὰ Τουτίλαν ἀπητυτομοληκότων τὰ πρότερα. [13] καὶ οἱ αὐτίκα τῶν τῆς Ναρσοῦ δορυφόρων ἀντίος ἔσθη, Ἀρμένιος γένος, Ἀνζαλᾶς

ὄνομα, καὶ αὐτὸς ἵππῳ ὀχούμενος. [14] ὁ μὲν οὖν Κόκκας ὀρμήσας πρῶτος ὡς τῷ δόρατι παίσων ἐπὶ τὸν πολέμιον ἴετο, καταστοχαζόμενος τῆς ἐκείνου γαστροῦ. [15] ὁ δ' Ἀνζαλᾶς ἐξαπιναιῶς τὸν ἵππον ἐκκλίνας ἀνόνητον αὐτὸν κατεστήσατο γενέσθαι τῆς οἰκείας ὀρμῆς. ταύτη τε αὐτὸς ἐκ πλαγίου τοῦ πολεμίου γενόμενος ἐς πλευρὰν αὐτοῦ τὴν ἄριστερὰν τὸ δόρυ ὤσε. [16] καὶ ὁ μὲν ἐκ τοῦ ἵππου πεσὼν ἐς τὸ ἔδαφος νεκρὸς ἔκειτο· κραυγὴ δὲ ἀπὸ τοῦ Ῥωμαίων στρατοῦ ὑπερφυῆς ἦρθη, οὐδ' ὡς μέντοι μάχης τινὸς οὐδέτεροι ἦρξαν. [17] Τουτίλας δὲ μόνος ἐν μεταιχμίῳ ἐγένετο, οὐ μονομαχήσων, ἀλλὰ τὸν καιρὸν τοῖς ἐναντίοις τοῦτον ἐκκρούσων. Γόθων γὰρ τοὺς ἀπολειπομένους δισχιλίους ἄγχιστά πη προσιέναι μαθὼν ἀπετίθετο ἐς τὴν αὐτῶν παρουσίαν τὴν ξυμβολήν, ἐποίει δὲ τάδε. [18] πρῶτα μὲν οὐκ ἀπηξίου τοῖς πολεμίοις ἐνδείκνυσθαι ὅστις ποτὲ εἶη. τὴν τε γὰρ τῶν ὅπλων σκευὴν κατακόρως τῷ χρυσῷ κατελιημμένην ἡμίπσχετο καὶ τῶν οἱ φαλάρων ὁ κόσμος ἔκ τε τοῦ πύλου καὶ τοῦ δόρατος ἀλουργός τε καὶ ἄλλως βασιλικὸς ἀπεκρέματο θαυμαστος ὅσος. [19] καὶ αὐτὸς ὑπερφυεῖ ὀχούμενος ἵππῳ παιδιὰν ἐν μεταιχμίῳ ἐπαιζε τὴν ἐνόπλιον ἐπισταμένως. τὸν τε γὰρ ἵππον ἐν κύκλῳ περιελίσσων, ἐπὶ θάτερὰ τε ἀναστρέφων αὐθις κυκλοτερεῖς πεποιήτο δρόμους. [20] καὶ ἵππευόμενος μεθίει ταῖς αὖραις τὸ δόρυ, ἀπ' αὐτῶν τε κραδαινόμενον ἀρπασάμενος εἶτα ἐκ χειρὸς ἐς χεῖρα παραπέμπων συχνὰ ἐφ' ἐκάτερα, καὶ μεταβιβάζων ἐμπίρως, ἐφιλοτιμεῖτο τῇ ἐς τὰ τοιαῦτα μελέτῃ, ὑπτιάζων καὶ ἰσχύάζων καὶ πρὸς ἐκάτερα ἐγκλινόμενος, ὥσπερ ἐκ παιδὸς ἀκριβῶς τὰ ἐς τὴν ὀρχήστραν δεδιδαγμένος. [21] ταῦτά τε ποιῶν πᾶσαν κατέτριψε τὴν δειλὴν πρωϊάν. ἐπὶ πλεῖστον δὲ τὴν τῆς μάχης ἀναβολὴν μηκύνειν ἐθέλων ἐπεμψεν ἐς τὸ Ῥωμαίων στρατόπεδον, φάσκων ἐθέλειν αὐτοῖς ἐς λόγους ξυμμιῆσαι. Ναρσῆς δὲ φενακίζειν αὐτὸν ἰσχυρίζετο, εἴ γε πολεμῆσειον τὰ πρότερα, ἥνικα τοῦ προτείνεσθαι λόγους ἐξουσία εἶη, νῦν ἐν μεταιχμίῳ γενόμενος ἐς τοὺς διαλόγους χωροίη.

Ἐν τούτῳ δὲ Γόθοις καὶ οἱ δισχιλίοι ἦκον· οὐσπερ ἐς τὸ χαράκωμα Τουτίλας ἀφικέσθαι μαθὼν, ἐπειδὴ καὶ ὁ καιρὸς ἐς ἄριστον ἦγεν, αὐτὸς τε ἐς σκηνὴν τὴν οἰκείαν ἐχώρησε καὶ Γόθοι διαλύσαντες τὴν παράταξιν ὀπίσω ἀνέστρεφον. [2] ἐν δὲ τῇ καταλύσει τῇ αὐτοῦ γεγονῶς Τουτίλας τοὺς δισχιλίους ἤδη παρόντας εὔρε. το τε ἄριστον ἅπαντας αἰρεῖσθαι κελεύσας καὶ τὴν τῶν ὅπλων σκευὴν μεταμφιασάμενος ἅπασαν ἐξῶπλίσατο μὲν ἐς τὸ ἀκριβὲς ἐν στρατιωτῶν λόγῳ, εὐθὺς δὲ τὴν στρατιὰν ἐπὶ τοὺς πολεμίους ἐξῆγεν, ἀπροσδόκητος αὐτοῖς ἐπιπεσεῖσθαι οἰόμενος καὶ ταύτη αἰρήσειν. [3] ἀλλ' οὐδ' ὡς ἀπαρασκεύους Ῥωμαίους εὔρε. δείσας γὰρ ὁ Ναρσῆς, ὅπερ ἐγένετο, μὴ σφίσιν ἀπροσδοκήτοις ἐπιπέσοιεν οἱ πολέμιοι, ἀπέειπεν ἅπασι μῆτε ἄριστον αἰρεῖσθαι μῆτε ἀποδαρθεῖν μῆτε μὴν ἀποθωρακίσασθαι τῶν πάντων μηδένα μῆτε τοῦ χαλινοῦ μεθεῖναι τὸν ἵππον. [4] οὐ μέντοι οὐδὲ ἀποσίτους τὸ παράπαν αὐτοὺς εἶασεν, ἀλλ' ἐν τῇ τάξει καὶ τῇ τῶν ὅπλων σκευῇ ἀκρατισαμένους ἐκέλευσε διηνεκὲς οὕτως ἀποσκοποῦντας караδοκεῖν τῶν πολεμίων τὴν ἔφοδον. [5] τρόπῳ μὲντοι τῷ αὐτῷ οὐκέτι ἐτάξαντο, ἀλλὰ Ῥωμαίοις μὲν τὰ κέρα, ἐν οἷς κατὰ τετρακισχιλίους οἱ πεζοὶ τοξόται εἰστήκεισαν, ἐπὶ τὸ μνηοειδὲς τοῦ Ναρσοῦ γνώμῃ ἐτράπετο. [6] Γόθοι δὲ οἱ πεζοὶ ἅπαντες ὀπισθεν

τῶν ἱππέων ἀθρόοι ἴσταντο, ἐφ' ᾧ, ἣν τοῖς ἱππεῦσι τραπήναι ξυμβῆ, ἀναστρέφοντες μὲν ἐπ' αὐτοὺς οἱ φεύγοντες σώζονται, ἐπίκοινα δὲ ἀμφοτέροι εὐθὺς χωρήσαιεν. Προεῖρητο δὲ Γότθοις ἅπασι μήτε τοξεύματι μήτε ἄλλῳ ὁτῶν ἐς συμβολὴν τήνδε ὅτι μὴ τοῖς δόρασι χρῆσθαι. [7] διὸ δὴ Τουτίλαν πρὸς τῆς ἀβουλίας καταστρατηγηθῆναι τῆς αὐτοῦ ξυνηνέχθη: ὅς γε καθιστάμενος ἐς τήνδε τὴν μάχην οὐκ οἶδα ὅτῳ ἀναπεισθεὶς παρείχετο τοῖς ἐναντίοις τὴν αὐτοῦ στρατιὰν οὔτε τῇ ὀπλίσει ἀντίξουν οὔτε τῇ τάξει ἀντίρροπον οὔτε τῷ ἄλλῳ ἀντίπαλον, ἐπεὶ Ῥωμαῖοι μὲν ἐκάστοις ὡς ἐπικαιρότατα ἦν ἐν τῷ ἔργῳ ἐχρῶντο, ἢ τοξεύοντες, ἢ δόρατα ὠθοῦντες, ἢ ξίφῃ διαχειρίζοντες, ἢ ἄλλο τι ἐνεργοῦντες τῶν σφίσι προχείρων κὰν τῷ παρόντι ἐπιτηδεῖων, οἱ μὲν ἱππευόμενοι, οἱ δὲ καὶ πεζῇ ἐς τὴν παράταξιν καθιστάμενοι, κατὰ τὸ τῇ χρεῖα ξυνοῖσον, καὶ πῇ μὲν κύκλωσιν τῶν πολεμίων διαπρασσόμενοι, πῇ δὲ προσιόντας δεχόμενοι καὶ ταῖς ἀσπίσιν ἀποκρουόμενοι τὴν ἐπίθεσιν. [8] οἱ δὲ τῶν Γότθων ἱππεῖς, τῶν πεζῶν σφίσιν ἀπολελειμμένων ὀπίσω, μόνοις θαρσοῦντες τοῖς δόρασιν ὀρμῇ ἀνεπισκέπτῳ ἐπήεσαν, ἐν τε τῷ πόνῳ γενόμενοι τῆς σφετέρας ἀβουλίας ἀπώναντο. [9] ἐπὶ μέσους γὰρ τοὺς πολεμίους ὀρμήσαντες ἔλαθον σφᾶς αὐτοὺς ἐν μέσῳ πεζῶν τῶν ὀκτακισχιλίων γενόμενοι, τοῖς τε τοξεύμασι πρὸς αὐτῶν βαλλόμενοι ἐκατέρωθεν ἀπεῖπον εὐθὺς, ἐπεὶ οἱ τοξόται ἄμφω τοῦ μετώπου τὰ κέρα ἐπὶ τὸ μνηοειδὲς κατὰ βραχὺ ἔτρεπον, ἥπερ μοι ἔμπροσθεν εἴρηται. [10] πολλοὺς μὲν οὖν ἄνδρας, πολλοὺς δὲ ἵππους ἐν τῷ πόνῳ τούτῳ Γότθοι ἀπέβαλον, οὕτω τοῖς ἐναντίοις ξυμμιζάντες, πολλῶν τε ἀνηκέστων κακῶν ἐς πεῖραν ἐλθόντες ὄνέ τε καὶ μόλις ἐς τῶν πολεμίων ἀφίκοντο τὴν παράταξιν. [11] Ἐνταῦθα τῶν Ῥωμαίων τινὰς ἢ τῶν σφίσι ξυμμάχων βαρβάρων μᾶλλον τῶν ἄλλων θαυμάζειν οὐκ ἔχω. [12] μία γὰρ ἀπάντων προθυμία τε καὶ ἀρετὴ καὶ ἐναγώνισις ἦν, ἕκαστοί τε τῶν ἐναντίων ἐπιόντων σφίσιν ὡς καρτερώτατα δεξάμενοι τὴν ἐπιδρομὴν ἀπεώσαντο. [13] ἤδη δὲ ἀμφὶ τὰ πρὸς ἐσπέραν ἦν καὶ τὰ στρατόπεδα ἐξαπινάως ἐκινήθη ἐκάτερα, Γότθων μὲν ἐς ὑπαγωγὴν, Ῥωμαίων δὲ ἐς τὴν δίωξιν. [14] ὠρμημένοις γὰρ ἐς αὐτοὺς Γότθοι οὐκ ἀντεῖχον τοῖς πολεμίοις, ἀλλ' ἐνεδίδοσαν ἐπιόντων αὐτῶν καὶ προτροπάδην ἀνέστρεφον, καταπεπληγμένοι αὐτῶν τῷ τε ὀμίλῳ καὶ τῇ εὐκοσμῇ. [15] ἐς ἀλκὴν τε οὐδαμῇ ἔβλεπον, ὥσπερ φάσματα ἐπιτεσόντα σφίσι δειμαίνοντες ἢ ἐξ οὐρανοῦ πολεμοῦμενοι. [16] δι' ὀλίγου δὲ εἰς πεζοὺς αὐτοῖς τοὺς σφετέρους ἀφικομένους πολλῶν ἔτι μᾶλλον τὸ κακὸν ἤρετο καὶ πρόσω ἐχώρει. [17] οὐ γὰρ ἐν κόσμῳ τὴν ἀναχώρησιν ποιησάμενοι ἐς αὐτοὺς ἦλθον, ὥς ἀναπνεύσοντές τε καὶ ξὺν αὐτοῖς ἀναμαχοῦμενοι, ἥπερ εἴθισται, ἢ ὠθισμῷ τοὺς διώκοντας ἀπωσόμενοι ἢ παλιώξιν ἐγχειρίσοντες ἢ ἄλλην τινὰ πολέμου ἰδέαν, ἄλλ' οὕτως ἀτάκτως ὥστε αὐτῶν τισὶ καὶ διεφθάρθαι τῆς ἵππου ἐπιτεσοῦσης ξυνέπεσε. [18] διόπερ αὐτοὺς οἱ πεζοὶ οὔτε διαστάντες ἐδέξαντο οὔτε διασωσόμενοι ἔστησαν, ἀλλὰ ξὺν αὐτοῖς προτροπάδην ἅπαντες ἔφευγον, ἔνθα δὴ καὶ ἀλλήλους ὥσπερ ἐν νυκτομαχίᾳ διέφθειρον. [19] ὃ τε τῶν Ῥωμαίων στρατός, τῆς ἐκείνων ἀπολαύοντες ὀρρωδίας, φειδοῖ οὐδεμιᾶ τοὺς ἐν ποσὶν αἰεὶ ἔκτεινον, οὔτε ἀμυνομένους οὔτε ἀντιβλέπειν τολμῶντας, ἀλλὰ σφᾶς αὐτοὺς τοῖς πολεμίοις παρεχομένους ὅ τι βούλονται χρῆσθαι: οὕτω δὴ αὐτοῖς

τὰ τε δείματα ἐπεκάθιζε καὶ ὁ φόβος ἐκράτει. [20] Καὶ αὐτῶν ἐξακισχίλιοι μὲν ἐν τῷ ἔργῳ τούτῳ ἀπέθανον, πολλοὶ δὲ σφᾶς αὐτοὺς ἐνεχείρισαν τοῖς ἐναντίοις. οἱ δὲ αὐτοὺς ἐν μὲν τῷ παρόντι ἐξώγρησαν, οὐ πολλῶ δὲ ὕστερον ἐκτείναν. οὐ μόνον δὲ Γότθοι ἀνήρηντο, ἀλλὰ καὶ τῶν πάλαι Ῥωμαίων στρατιωτῶν πλεῖστοι, τῶν τὸ πρότερον ἀποταξαμένων μὲν τῇ Ῥωμαίων στρατιᾷ, ἀπηυτομοληκότων δέ, ἡπέρ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, παρὰ Τουτίλαν τε καὶ Γότθους. [21] ὅσοις δὲ διὰ τοῦ Γότθων στρατοῦ μήτε ἀπολωλέναι μήτε ὑπὸ τῶν πολεμίων ταῖς χερσὶ ξυνηνέχθη γενέσθαι, οὗτοι διαλαθεῖν τε καὶ φυγεῖν ἴσχυσαν, ὥς αὐτῶν ἕκαστος ἵππου ἢ ποδῶν ἢ τύχης ἔσχενην καιροῦ ἢ χώρου φέροντος ἐς τοῦτο ἐπιτυχεῖν. [22] Ἦδε μὲν οὖν ἡ μάχη ἐς τοῦτο ἐτελεύτα καὶ ξυνεσκόταζε παντάπασι νῆδη. Τουτίλαν δὲ φεύγοντα ἐν σκότῳ σὺν ἀνδράσιν οὐ πλέον ἢ πέντε οὖσιν, ὥνπερ ὁ Σκιποῦαρ εἰς ἐτύγγανεν ὢν, τῶν τινὲς Ῥωμαίων ἐδίωκον, οὐκ εἰδότες ὥς Τουτίλας εἶη: ἐν τοῖς καὶ Ἀσβαδὸν τὸν Γήπαιδα ξυνέβαιναν εἶναι. [23] ὅσπερ ἐπεὶ Τουτίλα ἀγχοτάτω ἐγένετο, ὥς τῷ δόρατι αὐτὸν κατὰ τῶν νώτων παίσων ἐπῆει. [24] Γοτθικὸν δὲ τι μειράκιον ἐκ τῆς Τουτίλα οἰκίας φεύγοντι τῷ δεσπότη ἐπόμενον, τύχην τε ἀπαξιοῦν τὴν τότε παροῦσαν, ἀνέκραγε μέγα: ‘Τί τοῦτο, ὦ κύων, τὸν δεσπότην τὸν σαυτοῦ πλήξων ὥρμηκας;’ ὁ μὲν οὖν Ἀσβαδὸς ἐπὶ Τουτίλαν τὸ δόρυ σθένει παντὶ ὥσεν, αὐτὸς δὲ πρὸς τοῦ Σκιποῦαρ τὸν πόδα πληγείς αὐτοῦ ἔμεινε. [25] καὶ αὐτὸς δὲ Σκιποῦαρ πρὸς τοῦ τῶν διωκόντων πληγεὶς ἔσθη, οἱ τε ξὺν Ἀσβάδῳ πεποιημένοι τὴν δίωξιν, τέτταρες ὄντες, ὅπως αὐτὸν διασώσوينτο, οὐκέτι ἐδίωκον, [26] ἀλλὰ ξὺν αὐτῷ ὀπίσω ἀνέστρεφον. οἱ δὲ τῷ Τουτίλα ἐπισπόμενοι, διώκειν σφᾶς ἔτι τοὺς πολεμίους οἰόμενοι, οὐδὲν τι ἦσσαν πρόσω ἤλαυνον, καίπερ αὐτὸν καιρίαν πληγέντα καὶ λειποψυχοῦντα βεβαιότατα ἐπαγόμενοι, πρυτανευούσης αὐτοῖς τῆς ἀνάγκης τὸν βίαιον δρόμον. [27] σταδίους δὲ ἀνύσαντες τέσσαράς τε καὶ ὀγδοήκοντα ἐς χωρίον ἀφίκοντο Κάπρας ὄνομα. οὗ δὲ τὸ λοιπὸν ἡσυχάζοντες Τουτίλα τὴν πληγὴν ἐθεράπευον, ὅσπερ οὐ πολλῶ ὕστερον τὸν βίον ἐξεμέτρησεν. [28] ἐνταῦθά τε αὐτὸν οἱ ἐπισπόμενοι κρύψαντες τῇ γῇ ἀνεχώρησαν. Αὕτη γέγονε Τουτίλα τῆς τε ἀρχῆς καὶ τοῦ βίου καταστροφή, ἔτη ἑνδεκα Γότθων ἄρξαντι, οὐκ ἐπαξίως ἐπιγενομένη τῶν ἔμπροσθεν αὐτῷ πεπραγμένων, ἐπεὶ καὶ τὰ πράγματα πρότερον τῷ ἀνθρώπῳ ἐχώρησε, καὶ τοῖς ἔργοις οὐ κατὰ λόγον ἢ τελευτῇ ἐπεγένετο. [29] ἀλλὰ καὶ νῦν ἡ τύχη ὠραῖζομένη τε διαφανῶς καὶ διασύρουσα τὰ ἀνθρωπεῖα τό τε παράλογον τὸ αὐτῆς ἴδιον καὶ τὸ τοῦ βουλήματος ἀπροφάσιστον ἐπιδέδεικται, Τουτίλα μὲν τὴν εὐδαιμονίαν ἐξ αἰτίας οὐδεμιᾶς ἐπὶ χρόνου μῆκος αὐτοματίσασα, δειλίαν δὲ οὕτω τῷ ἀνθρώπῳ καὶ καταστροφὴν ἀπαυθαδισαμένη. [30] ἐξ οὐ προσηκόντων ἐν τῷ παρόντι. ἀλλὰ ταῦτα μὲν ἀνθρώπῳ, οἶμαι, καταληπτὰ οὔτε γέγονε πώποτε οὔτε μήποτε ὕστερον ἔσται: λέγεται δὲ αἰεὶ καὶ δοξάζεται διαψιθυριζόμενα ἐς τὸν πάντα αἰῶνα, ὥς πῃ ἐκάστῳ φίλον, λόγῳ τῷ εἰκότι δοκοῦντι εἶναι παρηγοροῦντι τὴν ἄνοιαν. ἐγὼ δὲ ἐπὶ τὸν πρότερον λόγον ἐπάνειμι. [31] Τουτίλαν γοῦν Ῥωμαῖοι οὕτως ἐξ ἀνθρώπων ἀφανισθῆναι οὐκ ἔγνωσαν, ἕως αὐτοῖς γυνὴ μία, Γότθα γένος, ἔφρασε τε καὶ τὸν τάφον ἐπέδειξεν. [32] οἱ τε ἀκηκοότες οὐχ ὑγιᾶ τὸν λόγον εἶναι οἰόμενοι, ἐν τῷ χωρίῳ ἐγένοντο, καὶ τὴν θήκην ὀκνήσει οὐδεμιᾷ

διορύξαντες ἐξήνεγκαν μὲν τὸν Τουτίλαν ἐνθὲνδε νεκρόν, ἐπιγνόντες δὲ αὐτόν, ὥς φασι, καὶ τούτου δὴ τοῦ θαύματος ἐμπλησάμενοι τὴν σφετέραν ἐπιθυμίαν αὐθις αὐτὸν τῇ γῇ ἔκρυψαν, ἔς τε Ναρσῆν αὐτίκα τὸν πάντα λόγον ἀνήνεγκαν. [33] Τινὲς δὲ οὐχ οὕτω τά γε κατὰ Τουτίλαν καὶ τήνδε τὴν μάχην ξυμβῆναι, ἀλλὰ τρὸς τῷ ἐτέρῳ φασίν: ὄνπερ μοι ἀναγράψασθαι οὐ τοι ἀπὸ τρόπου ἔδοξεν εἶναι. [34] λέγουσι γὰρ οὐκ ἀπροφάσιστον οὐδὲ παράλογον τὴν ὑπαγωγὴν ξυνεχθῆναι τῷ Γότθων στρατῷ, ἀλλὰ Ῥωμαίων ἀκροβολιζομένων τινῶν βέλος ἐκ τοξεύματος τῷ Τουτίλᾳ ἐξαπιναίως ἐπιπτεσεῖν, οὐκ ἐκ προνοίας τοῦ πέμψαντος, ἐπεὶ Τουτίλας ἐν στρατιώτου λόγῳ ὥπλισμένος τε καὶ παρατεταγμένος ὅπου δὴ τῆς φάλαγγος ἀπημελημένος εἰστήκει, οὐ βουλόμενος τοῖς πολεμίοις ἐνδηλος εἶναι, οὐδὲ πᾶν αὐτὸν ἐς ἐπιβουλὴν παρεχόμενος, ἀλλὰ τύχης τούτῳ ταῦτα σκευωρουμένης τινὸς καὶ ἰθυνάσης ἐπὶ τὸ τοῦ ἀνθρώπου σῶμα τὸν ἄτρακτον: καὶ αὐτὸν μὲν καιρίαν βληθέντα, ὥς ἐνὶ μάλιστα, περιώδυνον γεγεννημένον ἔξω γενέσθαι τῆς φάλαγγος ζῦν τε ὀλίγοις κατὰ βραχὺ ὀπίσω ἰέναι. [35] καὶ μέχρι μὲν ἐς Κάπρας ἀντέχοντα τῇ ταλαιπωρίᾳ τὸν ἵππον ἑλάν, ἐνταῦθα δὲ λειποψυχήσαντα τὸ λοιπὸν μεῖναι τὴν πληγὴν θεραπεύσοντα, οὐ πολλῷ τε ὕστερον αὐτῷ ἐπιγενέσθαι τὴν τέλειον ἡμέραν τοῦ βίου. [36] τὴν δὲ Γότθων στρατιὰν οὕτε ἄλλως ἀξιόμαχον τοῖς ἐναντίοις οὔσαν, ἀλλὰ καὶ ἀπομάχου σφίσι παρὰ δόξαν γεγεννημένου τοῦ ἄρχοντος, ἐν θάμβει γενέσθαι, εἰ μόνος αὐτοῖς οὐκ ἐξ ἐπιβουλῆς τῶν πολεμίων ὁ Τουτίλας καιρίαν βληθείη, καὶ ἀπ' αὐτοῦ περιφόβους τε καὶ ἀθύμους γεγεννημένους ἔς τε ὀρρωδίαν ὅρον οὐκ ἔχουσιν καὶ ὑπαγωγὴν οὕτως αἰσχροῦ ἐμπεπτωκέναι. ἀλλὰ περὶ μὲν τούτων λεγέτω ἕκαστος ὅπῃ γινώσκει.

Ναρσῆς δὲ περιχαρὴς τοῖς ξυμπεπτωκόσι γενόμενος ἐπαναφέρων οὐκ ἀνίει ἐς τὸν θεὸν ἅπαντα, ὅπερ καὶ ὁ ἀληθὴς λόγος ἐγένετο, τά τε ἐν ποσὶ διωκεῖτο. [2] καὶ πρῶτα μὲν τῶν οἱ ἐπισπομένων Λαγγοβαρδῶν ἀπαλλαξείων τῆς ἀτοπίας ὅς γε πρὸς τῇ ἄλλῃ ἐς τὴν δίαιταν παρανομία τάς τε οἰκοδομίας, αἷς ἂν ἐντόχοιεν, ἐνεπίμπρασιν καὶ γυναιξὶ ταῖς ἐς τὰ ἱερὰ καταφευγούσαις βιαζόμενοι ἐπλησίαζον χρήμασι μεγάλοις αὐτοὺς δεξιωσάμενος ἐς τὰ πάτρια ἦθη ἀφῆκεν ἰέναι, Βαλεριανόν τε καὶ Δαμιανόν, τὸν αὐτοῦ ἀδελφιδοῦν, ζῦν τοῖς ἐπομένοις ἐξηγεῖσθαι τῆς ὁδοῦ ἄχρι ἐς τὰ Ῥωμαίων ὅρια σφίσι κελεύσας, ὅπως μηδενὶ ἐν τῇ ἀποπορείᾳ λυμῆνωνται. [3] ἐπεὶ δὲ Λαγγοβαρδαὶ ἀπηλλάγησαν ἐκ Ῥωμαίων τῆς γῆς, Βαλεριανὸς ἐστρατοπεδεύσατο ἀμφὶ πόλιν Βερώναν, ὡς πολιορκήσων τε καὶ παραστησόμενος αὐτὴν βασιλεῖ. [4] δεισάντες τε οἱ τὸ φυλακτήριον ταύτῃ ἔχοντες Βαλεριανῷ ἐς λόγους ἦλθον, ὡς σφᾶς τε αὐτοὺς καὶ τὴν πόλιν ὁμολογία ἐνδώσαντες. [5] ἃ δὲ Φράγγοι μαθόντες, ὅσοι φρουρὰν ἐς τὰ ἐπὶ Βενετίας χωρία εἶχον, διεκώλυον προθυμία τῇ πάσῃ τῆς χώρας ἅτε αὐτοῖς προσηκούσης ἀξιοῦντες μεταποιεῖσθαι. καὶ ἀπ' αὐτοῦ ἄπρακτος ἐνθὲνδε παντὶ τῷ στρατεύματι Βαλεριανὸς ἀνεχώρησε. [6] Γότθοι δέ, ὅσοι ἀποφυγόντες ἐκ τῆς ξυμβολῆς διεσώθησαν, διαβάντες ποταμὸν Πάδον, πόλιν τε Τικινὸν καὶ τὰ ἐκείνη χωρία ἔσχον, ἄρχοντά τε τὸν Τεῖαν κατεστήσαντο σφίσιν. [7] ὃς δὲ τὰ χρήματα εὐρὼν ἅπαντα ὅσα Τουτίλας ἔτυχεν ἐν Τικινῷ καταθέμενος, Φράγγους ἐς ξυμμαχίαν ἐπαγαγέσθαι

διενοεῖτο, Γότθους δὲ ὥς ἐκ τῶν παρόντων διεῖπε τε καὶ διεκόσμη, ξυλλέγων σπουδῇ ἀμφ' αὐτὸν ἅπαντας. [8] ταῦτα ὁ Ναρσῆς ἀκούσας Βαλεριανὸν μὲν ἐκέλευσε πᾶσι τοῖς ἐπομένοις ἀμφὶ Πάδον ποταμὸν φυλακὴν ἔχειν, ὅπως μὴ Γότθοι ἀδεέστερον ξυστήσεσθαι δυνατοὶ εἶεν, αὐτὸς δὲ παντὶ τῷ ἄλλῳ στρατῷ ἐπὶ Ῥώμην ἦει. [9] ἐν Τούσκοις τε γενόμενος Ναρνίαν μὲν ὁμολογία εἶλε, καὶ Σπολιτινοῖς ἀτειχίστοις οὓσι φρουρὰν ἔλιπεν, ἀνοικοδομήσασθαι ὅτι τάχιστα ἐπιστείλας ὅσα τοῦ περιβόλου καθελόντες ἐτύγγανον Γότθοι. [10] ἔπεμψε δὲ καὶ τινὰς ἀποπειρασομένους τοῦ ἐν Περυσία φυλακτηρίου. ἡγοῦντο δὲ τῶν ἐν Περυσία φρουρῶν αὐτόμολοι γεγονότες Ῥωμαῖοι δύο, Μελιγῆδιός τε καὶ Οὐλριφος, ὅσπερ Κυπριανοῦ δορυφόρος γεγονὼς πρότερον, Τουτίλα πολλά οἱ ἐπαγγειλαμένῳ ἀναπεισθεὶς Κυπριανὸν τότε ἄρχοντα τοῦ ἐνταῦθα φυλακτηρίου δόλῳ ἔκτεινεν. [11] ὁ μὲν οὖν Μελιγῆδιος λόγους τοῦ Ναρσοῦ ἐνδεξάμενος ἐβουλεύετο ζῆν τοῖς οἱ ἐπομένοις Ῥωμαίοις τὴν πόλιν ἐνδοῦναι, οἱ δὲ ἀμφὶ τὸν Οὐλριφον τῶν πρᾶσσομένων αἰσθόμενοι ξυνίσταντο ἐπ' αὐτοὺς ἐκ τοῦ ἐμφανοῦς. [12] καὶ Οὐλριφος μὲν ζῆν τοῖς οἱ ὁμογνωμονοῦσιν αὐτοῦ διεφθάρη, Μελιγῆδιος δὲ παρέδωκε Περυσίαν Ῥωμαίοις αὐτίκα. τῷ μέντοι Οὐλίφῳ ξυνέβη τίσις ἐκ τοῦ θεοῦ δηλονότι ἐπιπεσοῦσα, ἐν αὐτῷ μάλιστα διεφθάρθαι τῷ χώρῳ, ἵνα δὴ αὐτὸς τὸν Κυπριανὸν διεχρήσατο. ταῦτα μὲν δὴ οὕτω κεχώρηκε. [13] Γότθοι δὲ οἱ ἐν Ῥώμῃ φυλακὴν ἔχοντες ἐπειδὴ Ναρσῆν τε καὶ τὸν Ῥωμαίων στρατὸν ἐπὶ σφᾶς ἰόντας ἄγχιστά πη ἐπύθοντο εἶναι, παρεσκευάζοντο ὥς τὰ δυνατὰ σφίσιν ὑπαντιάσοντες. [14] ἐτύγγανε δὲ Τουτίλας πολλὰς μὲν ἐμπρησάμενος τῆς πόλεως οἰκοδομίας, ἥνικα δὴ αὐτὴν τὸ πρῶτον ἐξεῖλεν. ... ἐν ὑστάτῳ δὲ λογισάμενος, ὥς ἐς ὀλίγους ἀποκεκριμένοι οὐχ οἷοί τε εἶσι τὸ λοιπὸν Γότθοι ἅπαντα τὸν περίβολον Ῥώμης διαφυλάξαι, τειχίσματι βραχεῖ ὀλίγην τινα τῆς πόλεως μοῖραν ἀμφὶ τὸν Ἀδριανοῦ περιβάλων τάφον καὶ αὐτὸ τῷ προτέρῳ τείχει ἐνάψας φρουρίου κατεστήσατο σχῆμα. [15] ἐνταῦθά τε τὰ σφίσιν αὐτοῖς τιμιώτατα καταθέμενοι Γότθοι ἐς μὲν τὸ ἀκριβὲς τὸ φρούριον τοῦτο ἐφύλασσον, τὸ δὲ ἄλλο τῆς πόλεως τείχος ἀπημελημένον ὑπερεώρων. [16] φρουροὺς τοίνυν σφῶν ἐν τούτῳ τῷ χωρίῳ τηνικάδε ἀπολιπόντες ὀλίγους τινὰς οἱ λοιποὶ ἅπαντες ἀμφὶ τὰς ἐπάλξεις τοῦ τῆς πόλεως γενόμενοι τείχους τῶν πολεμίων ἀποπειράσασθαι τειχομαχοῦντων ἐν σπουδῇ εἶχον. [17] Ὅλον μὲν οὖν τὸν Ῥώμης περίβολον διὰ μεγέθους ὑπερβολὴν οὔτε Ῥωμαῖοι ἐπιόντες περιβάλλεσθαι εἶχον οὔτε Γότθοι φρουρεῖν. [18] διασκεδαννύμενοι δὲ οἱ μὲν ὅπῃ παρατύχοι προσέβαλλον, οἱ δὲ ὥς ἐκ τῶν παρόντων ἡμύνοντο. καὶ Ναρσῆς μὲν τοξοτῶν ἐπαγόμενος μέγα τι χρῆμα ἐς μοῖράν τινα τοῦ περιβόλου ἐπέσκηπτεν, ἐτέρωθι δὲ Ἰωάννης ὁ Βιταλιανοῦ ζῆν τοῖς οἱ ἐπομένοις προσέβαλλε. [19] Φιλημουθ δὲ καὶ οἱ Ἑρουλοὶ κατ' ἄλλο τι μέρος ἠνώχλουν, ἐκαστάτω τε αὐτῶν οἱ λοιποὶ εἵποντο. ἐτειχομάχουν δὲ ἅπαντες ὥς ἀπωτάτῳ ἀλλήλων ὄντες. [20] καὶ κατ' αὐτοὺς οἱ βάρβαροι ξυνιστάμενοι ἐδέχοντο τὴν ἐπίθεσιν. τὰ μέντοι ἄλλα τοῦ περιβόλου, ἵνα δὴ Ῥωμαίων οὐκ ἐγένετο προσβολή, ἀνδρῶν ἔρημα παντάπασιν ἦν, Γότθων ἀπάντων ὅπῃ ἂν οἱ πολέμοι ἐπισκήψαιεν ἀγειρομένων, ἥτέρ μοι εἴρηται. [21] ἐν τούτῳ δὲ γνώμῃ Ναρσοῦ ὁ Δαγισθαῖος στρατιώτας τε παμπληθεῖς ἔχων καὶ τό τε Ναρσοῦ καὶ τὸ Ἰωάννου σημεῖον καὶ κλίμακας

πολλὰς ἐπαγόμενος μοῖρα τινὶ τοῦ περιβόλου ἐξαπναιῶς ἐπέσκηψε, φρουρὰς τὸ παράπαν ἐρήμῳ οὕσῃ. [22] τὰς τε κλίμακας εὐθὺς ἀπάσας οὐδενὸς ἀμυνομένου τῷ τείχει ἐρείσας πόνῳ οὐδενὶ ζῶν τοῖς ἐπομένοις ἐντὸς τοῦ περιβόλου ἐγένετο, τὰς τε πύλας κατ' ἐξουσίαν ἀνέωγον. [23] ὥνπερ αὐτίκα Γότθοι αἰσθόμενοι οὐκέτι ἐς ἀλκὴν ἐβλεπον, ἀλλ' ἔφευγον ἅπαντες ὅπῃ αὐτῶν ἐκάστῳ δυνατὰ ἐγεγόνει. καὶ οἱ μὲν εἰς τὸ φρούριον εἰσεπήδησαν, οἱ δὲ δὴ ἐς τὸν Πόρτον ἐχώρησαν δρόμῳ. [24] Ἐνταῦθα μοι τοῦ λόγου ἔννοια γέγονεν ὄντινα ἡ τύχη διαχλευάζει τὰ ἀνθρώπεια τρόπον, οὐκ ἀεὶ κατὰ ταῦτα παρὰ τοὺς ἀνθρώπους ἰοῦσα οὐδὲ ἴσοις αὐτοὺς ὀφθαλμοῖς βλέπουσα, ἀλλὰ ξυμμεταβαλλομένη χρόνῳ καὶ τόπῳ, καὶ παίζει ἐς αὐτοὺς παιδίαν τινα παρὰ τὸν καιρὸν ἢ τὸν χώρον ἢ τὸν τρόπον διαλλάσσουσα τὴν τῶν τालαιπῶρων ἀξίαν, εἴ γε ὁ Ῥώμην μὲν ἀπολωλεκῶς τὰ πρότερα Βέσσας οὐ πολλῷ ὕστερον ἀνεσώσατο Ῥωμαίοις τῆς Λαζικῆς Πέτραν, ἔμπαλιν δὲ ὁ Δαγισθαῖος Πέτραν τοῖς πολεμίοις μεθεὶς ἀνεκτήσατο ἐν χρόνῳ ὀλίγῳ βασιλεῖ Ῥώμην. [25] ἀλλὰ ταῦτα μὲν γέγονέ τε τὸ ἐξ ἀρχῆς καὶ ἀεὶ ἔσται, ἕως ἂν ἡ αὕτη τύχη ἀνθρώποις ᾖ. Ναρσῆς δὲ τότε παντὶ τῷ στρατῷ ἐπὶ τὸ φρούριον πολεμῶν ἦει. [26] κατορρωδήσαντές τε οἱ βάρβαροι καὶ τὰ πιστὰ ὑπὲρ τῶν σωμάτων κεκομισμένοι σφᾶς τε αὐτοὺς καὶ τὸ φρούριόν οἱ αὐτίκα δὴ μάλα παρέδοσαν, ἔκτον τε καὶ εἰκοστὸν ἔτος Ἰουστινιανοῦ βασιλέως τὴν αὐτοκράτορα ἀρχὴν ἔχοντος. [27] οὕτω τε Ῥώμῃ ἐπὶ τούτου βασιλεύοντος τὸ πέμπτον ἑάλω, ἥσπερ εὐθύς ὁ Ναρσῆς τῶν πυλῶν τὰς κλεῖς βασιλεῖ ἐπεμψε.

Τότε δὴ τοῖς ἀνθρώποις διαφανέστατα ἐπιδέδεικται ὥς ἅπασιν, οἷσπερ ἔδει γενέσθαι κακῶς, καὶ τὰ εὐτυχήματα δοκοῦντα εἶναι εἰς ὄλεθρον ἀποκέκριται, κατὰ νοῦν τε ἀπαλλάξαντες ἴσως τῇ τοιαύτῃ εὐημερίᾳ ξυνδιαφθείρονται. [2] Ῥωμαίων γὰρ τῇ τε ξυγκλήτῳ βουλῇ καὶ τῷ δήμῳ τὴν νίκην τήνδε πολλῷ ἔτι μᾶλλον φθόρου αἰτίαν ξυνηνέχθη γενέσθαι τρόπῳ τοιῷδε. [3] Γότθοι μὲν φεύγοντες καὶ τὴν Ἰταλίας ἐπικράτησιν ἀπογνόντες, ὁδοῦ ποιούμενοι πάρεργον, τοὺς παρατυχόντας σφίσι Ῥωμαίους οὐδεμιᾷ διεχρῶντο φειδοῖ. [4] οἱ δὲ βάρβαροι τοῦ Ῥωμαίων στρατοῦ ὥς πολεμίοις ἐχρῶντο πᾶσιν οἷς ἂν ἐντύχοιεν ἐν τῇ ἐς τὴν πόλιν εἰσόδῳ. [5] πρὸς δὲ καὶ τότε αὐτοῖς ξυνηνέχθη γενέσθαι. πολλοὶ τῶν ἀπὸ τῆς ξυγκλήτου βουλῆς, τοῦτο Τουτίλα δεδογμένον, τὰ πρότερα ἔμενον ἐς τὰ ἐπὶ Καμπανίας χωρία. [6] ὥνπερ τινες, ἐπεὶ Ῥώμην ἔχεσθαι πρὸς τοῦ βασιλέως στρατοῦ ἔγνωσαν, ἐκ Καμπανίας ἐξαναστάντες ἐς αὐτὴν ἦσαν. ὁ δὲ Γότθοι μαθόντες, ὅσοι ἐν τοῖς ταύτῃ ὀχυρώμασιν ἐτύγχανον ὄντες, ἅπαντα διερευνώμενοι τὰ ἐκεῖνη χωρία τοὺς πατρικίους ἅπαντας ἔκτειναν. ἐν τοῖς καὶ Μάξιμος ἦν, οὐπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην. [7] ἐτύγχανε δὲ καὶ Τουτίλας, ἡνίκα Ναρσῆ ὑπαντιάσων ἐνθένδε ἦει, τῶν ἐκ πόλεως ἐκάστης δοκίμων Ῥωμαίων τοὺς παῖδας ἀγείρας καὶ αὐτῶν ἐς τριακοσίους ἀπολεξάμενος, οὐσπερ μάλιστα τὸ σῶμα καλοὺς ᾤετο εἶναι, τοῖς μὲν γειναμένοις ὅτι δὴ αὐτῷ ξυνδιαιτήσονται ὑπειπών, [8] ὁμήρους δὲ οἱ λόγῳ τῷ ἀληθεῖ ἐσομένους. καὶ αὐτοὺς Τουτίλας μὲν τότε ὑπὲρ ποταμὸν Πάδον ἐκέλευσεν εἶναι, Τεῖας δὲ τανῦν ἐνταῦθα εὐρὼν ἅπαντας ἔκτεινε. [9] Ῥάγναρις τε, Γότθος ἀνὴρ, ὅσπερ ἡγεῖτο τοῦ ἐν Ταραντηνοῖς φυλακτηρίου, καίπερ τὰ πιστὰ γνώμη βασιλέως πρὸς τοῦ Πακουρίου κεκομισμένος, Ῥωμαίοις τε

προσχωρήσειν ὁμολογήσας, ἥπερ μοι ἔμπροσθεν εἴρηται, παρασχόμενος δὲ καὶ Γότθους ἕξ ἐν ὁμήρων λόγῳ ἐπὶ ταύτῃ δὴ τῇ ὁμολογίᾳ Ῥωμαίοις, ἐπειδὴ Τεῖαν ἤκουσε βασιλέα καταστάντα Γότθοις τοὺς τε Φράγγους ἕς ἐπικουρίαν ἐπαγαγέσθαι καὶ παντὶ τῷ στρατῷ τοῖς πολεμίοις ἐθέλειν ὁμόσε ἰέναι, μεταπορευθεὶς τὴν βουλὴν ἐπιτελεῖν τὰ ὁμολογημένα οὐδαμῇ ἤθελε. [10] σπουδάζων δὲ καὶ διατεινόμενος τοὺς ὁμήρους ἀπολαβεῖν ἐπενόει τάδε. πέμπας παρὰ τὸν Πακούριον ἤτει σταλῆναι οἱ τῶν Ῥωμαίων στρατιωτῶν ὀλίγους τινάς, ἐφ' ᾧ ἔξιν τῷ ἀσφαλεῖ ἕς τε τὸν Δρυοῦντα ἰέναι σφίσι δυνατὰ εἶη ἐνθένδε τε διαπορθμευσάμενοις τὸν Ἴόνιον κόλπον ἐπὶ Βυζαντίου κομίζεσθαι. [11] ὁ μὲν οὖν Πακούριος μακρὰν ἀπολελειμμένος τῶν τῷ ἀνθρώπῳ βεβουλευμένων τῶν οἱ ἐπομένων πεντήκοντα στέλλει. [12] ὁ δὲ αὐτοὺς τῷ φρουρίῳ δεξάμενος καθεῖρξεν εὐθύς, τῷ τε Πακουρίῳ ἐσήμαινεν ὥς, εἴπερ αὐτῷ τοὺς στρατιώτας βουλομένῳ εἶη τοὺς αὐτοῦ ῥύεσθαι, ἀποδιδόναι δεήσει τοὺς Γότθων ὁμήρους. [13] ταῦτα ἀκούσας Πακούριος ὀλίγους μὲν τινας ἐπὶ τῇ τοῦ Δρυοῦντος φυλακῇ εἵασε, παντὶ δὲ τῷ ἄλλῳ στρατῷ ἐπὶ τοὺς πολεμίους αὐτίκα ἤει. [14] Ῥάγναρις δὲ τοὺς μὲν πεντήκοντα μελλήσει οὐδεμιᾷ ἔκτεινεν, ὥς ὑπαντιάσων δὲ τοῖς πολεμίοις ἐκ τοῦ Τάραντος τοὺς Γότθους ἐξῆγεν. ἐπειδὴ τε ἀλλήλοις ξυνέμιζαν, ἡσσῶνται Γότθοι. [15] Ῥάγναρίς τε αὐτοῦ ἀποβαλὼν πλείστους ἔξιν τοῖς καταλοιπίοις δρασμῷ εἶχετο. ἕς μέντοι τὸν Τάραντα εἰσελθεῖν οὐδαμῇ ἴσχυσε, πανταχόθεν αὐτὸν περιβεβλημένων Ῥωμαίων, ἀλλ' ἕς Ἀχεροντίδα ἐλθὼν ἔμεινε. [16] ταῦτα μὲν οὖν τοιαύτη ἐγεγόνει. Ῥωμαῖοι δὲ οὐ πολλῷ ὕστερον τὸν τε Πόρτον πολιορκήσαντες ὁμολογίᾳ εἶλον καὶ φρούριον ἐν Τούσκοις, ὃ δὴ Νέπα καλοῦσι, καὶ τὸ ἐν Πέτρᾳ τῇ Περτούσῃ ὀνομαζομένη ὀχύρωμα. [17] Τεῖας δὲ 'οὐ γὰρ ἀξιωμαχοὺς τῷ Ῥωμαίων στρατῷ Γότθους κατὰ μόνας ᾤετο εἶναι παρὰ Θευδίβαλδον τὸν Φράγγων ἄρχοντα ἐπεμψε, χρήματα πολλὰ προτεινόμενος ἐπὶ τε ξυμμαχίαν παρακαλῶν. [18] ἀλλὰ Φράγγοι τὰ ξύμφορα, οἶμαι, βεβουλευμένοι οὔτε ὑπὲρ τῆς Γότθων οὔτε ὑπὲρ τῆς τῶν Ῥωμαίων ὠφελείας ἐβούλοντο θνήσκειν, ἀλλὰ σφίσιν αὐτοῖς προσποιεῖν Ἰταλίαν ἐν σπουδῇ εἶχον, καὶ τούτου δὴ ἔνεκα τοὺς ἐν πολέμῳ κινδύνους ὑφίστασθαι ἤθελον. ἐτύγχανε [19] δὲ Τουτίλας ἕνια μὲν τῶν χρημάτων ἐν Τικινῷ καταθέμενος, ἥπερ μοι ἔμπροσθεν εἴρηται, τὰ δὲ πλεῖστα ἐν φρουρίῳ ἐχυρῷ μάλιστα, ὅπερ ἐν Κύμῃ τῇ ἐπὶ Καμπανίας ξυμβαίνει εἶναι, καὶ φρουροὺς ἐνταῦθα καταστησάμενος, ἄρχοντά τε αὐτοῖς τὸν ἀδελφὸν τὸν αὐτοῦ ἔξιν Ἡρωδιανῷ ἐπιστήσας. [20] τούτους δὲ βουλόμενος ὁ Ναρσῆς ἐξελεῖν ἐς Κύμην τινὰς τοὺς τὸ φρούριον πολιορκήσοντας ἐπεμψεν, αὐτὸς δὲ Ῥώμην διακοσμῶν αὐτοῦ ἔμεινε. καὶ ἄλλους στείλας ἐκέλευε Κεντουκέλλας πολιορκεῖν. [21] Τεῖας δὲ ἀμφὶ τοὺς ἐν Κύμῃ φρουροὺς καὶ τὰ χρήματα δέισας, ἀπογνοὺς τε τὴν ἀπὸ τῶν Φράγγων ἐλπίδα, τοὺς οἱ ἐπομένους διέτασσε ὥς τοῖς πολεμίοις ὁμόσε χωρήσων. [22] Ὡνπερ αἰσθόμενος ὁ Ναρσῆς Ἰωάννην τε τὸν Βιταλιανοῦ ἀδελφιδοῦν καὶ Φιλημουθὸν ἔξιν τῷ οἰκείῳ στρατεύματι ἕς τὰ ἐπὶ Τουσκίας χωρία ἰέναι κελεύει, ἐνταῦθά τε καθίσηςομένους καὶ τοῖς ἐναντίοις ἀναχαιτίσοντας τὴν ἐπὶ Καμπανίας ὁδόν, ὅπως οἱ Κύμην πολιορκοῦντες ἀδεέστερον αὐτὴν ἢ βία ἢ ὁμολογίᾳ ἐξελεῖν δύναιτο. [23] ἀλλὰ

Τεῖας ὁδοὺς μὲν ἐν δεξιᾷ τὰς ἐπιτομωτάτας ἐπὶ τὸ πλεῖστον ἀφείς, περιόδους δὲ πολλὰς καὶ μακροτάτας περιβαλλόμενος, διὰ τε τῆς παραλίας κόλπου τοῦ Ἰονίου ἰόν, ἐς Καμπανίαν ἀφίκετο, [24] τοὺς πολεμίους λαθὼν ἅπαντας. ὅπερ ἐπεὶ Ναρσῆς ἔμαθε, τοὺς τε ἀμφὶ τὸν Ἰωάννην καὶ Φιλημουθ μετεπέμπετο, οἱ τὴν δίοδον ἐν Τούσκοις ἐφρούρουν, καὶ Βαλεριανὸν ἄρτι Πέτρην ἐξαιροῦντα τὴν Περτοῦσαν καλουμένην μετεκάλει ζὺν τοῖς ἐπομένοις, τὰς τε δυνάμεις ξυνήγειρε, παντὶ τε καὶ αὐτὸς τῷ στρατῷ ὥς ἐς μάχην ξυντεταγμένος ἐς Καμπανοὺς ἦει.

Ἔστι δὲ τι ὅρος ἐπὶ Καμπανίας ὁ Βέβιος, οὗπερ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην, ὅτι δὴ πολλάκις ἀφίησιν ἤχον μυκηθμῷ ἐμφερῇ. καὶ ἐπειδὴ αὐτῷ τοῦτο ξυμβαίη, ὁ δὲ καὶ κόνεως ἐπὶ τούτῳ ξεούσης μέγα τι χρῆμα ἐρευνεῖται. ταῦτα μὲν ἐς ἐκεῖνό μοι τοῦ λόγου ἐρρήθη. [2] τούτου δὴ τοῦ ὅρους, ἥπερ καὶ τῆς κατὰ τὴν Σικελίαν Αἵτνης, κενὰ τὰ ἐν μέσῳ ἐκ τῶν ἐσχάτων ἄχρι ἐς τὴν ὑπερβολὴν ἀπὸ ταυτομάτου τετύχηκεν εἶναι, οὗ δὴ ἔνερθεν διηνεκὲς τὸ πῦρ καίεται. [3] ἐς τόσον δὲ βάθος τοῦτο δὴ τὸ κενὸν διήκειν ξυμβαίνει ὥστε δὴ ἀνθρώπῳ ἐν τῇ ἀκρωρεῖᾳ ἐστῶτι ὑπερκύπτειν τε τολμῶντι ἐνθένδε οὐ ῥαδίως ἢ φλόξ ὁρατὴ γίνεται. [4] ὁπνίκα δὲ ξυνενεχθεῖ τῷ ὄρει τῷδε τὴν κόνιν, ἥπερ μοι ἐρρήθη, ἐρεύγεσθαι, καὶ πέτρας ἀποτεμνομένη ἀπὸ τῶν τοῦ Βεβίου ἐσχάτων ἢ φλόξ ὑπὲρ τὴν κορυφὴν τοῦ ὄρους τούτου μετεωρίζει, τὰς μὲν βραχείας, τὰς δὲ καὶ μεγάλας κομιδῇ οὔσας, ἐνθένδε τε αὐτὰς ἀποπεμπομένη ὅπη παρατύχοι διασκεδάννυσι. [5] ῥέει δὲ καὶ ῥύαξ ἐνταῦθα πυρὸς ἐκ τῆς ἀκρωρείας κατατείνων ἄχρι ἐς τοῦ ὄρους τὸν πρόποδα καὶ ἔτι πρόσω, ἅπερ ἅπαντα καὶ κατὰ τὴν Αἵτην γίνεσθαι πέφυκεν. ὄχθας δὲ ποιεῖται ὑψηλὰς ἐκατέρωθεν ὁ τοῦ πυρὸς ῥύαξ, τὰ ἔνερθεν τέμνων. [6] καὶ φερομένη μὲν ἐπὶ τοῦ ῥύακος τὰ πρῶτα ἢ φλόξ καιομένη εἰκάζεται ὕδατος ἐκροῇ: ἐπεὶ δὲ αὐτῇ ἀποσβεσθῆναι ξυμβαίη, ἀναστέλλεται μὲν τῷ ῥύακι ὁ δρόμος εὐθύς, ἐπίπροσθὲν τε ὁ ῥοὺς οὐδαμῇ πρόεισι, τὸ δὲ ὑφίζανον τούτου δὴ τοῦ πυρὸς πηλὸς φαίνεται σποδιᾷ ἐμφερής. [7] Κατὰ τούτου δὴ τοῦ Βεβίου τὸν πρόποδα ὕδατος πηγαὶ ποτίμου εἰσί. καὶ ποταμὸς ἀπ' αὐτῶν πρόεισι Δράκων ὄνομα, ὃς δὴ ἄγχιστά πη τῆς Νουκερίας πόλεως φέρεται. τούτου τοῦ ποταμοῦ ἐκατέρωθεν ἐστρατοπεδεύσαντο ἀμφοτέρωι τότε. [8] ἔστι δὲ ὁ Δράκων τὸ μὲν ῥεῦμα βραχύς, οὐ μέντοι ἐσβατὸς οὔτε ἱππεῦσιν οὔτε πεζοῖς, ἐπεὶ ἐν στενῷ ξυνάγων τὸν ῥοῦν τὴν τε γῆν ἀποτεμνόμενος ὥς βαθύτατα ἐκατέρωθεν ὥσπερ ἀποκρεμαμένας ποιεῖται τὰς ὄχθας. [9] πότερα δὲ τῆς γῆς ἢ τοῦ ὕδατος φέρεται τὴν αἰτίαν ἢ φύσιν οὐκ ἔχω εἰδέναι. καταλαβόντες δὲ τοῦ ποταμοῦ τὴν γέφυραν Γότθοι, ἐπεὶ αὐτῆς ἐστρατοπεδεύσαντο ἄγχιστα, πύργους τε ξυλίνους ταύτῃ ἐνθέμενοι μηχανάς τε ἄλλας καὶ τὰς βαλλίστρας καλουμένας ἐνταῦθα πεποιήνται, ὅπως ἐνθένδε κατὰ κορυφὴν τῶν πολεμίων ἐνοχλοῦντας δύνωνται βάλλειν. [10] ἐκ χειρὸς μὲν οὖν γίνεσθαι τινα ξυμβολὴν ἀμήχανα ἦν, τοῦ ποταμοῦ, ἥπερ μοι εἴρηται, μετὰξὺ ὄντος: ἀμφοτέρωι δὲ ὥς ἀγχοτάτῳ τῆς κατ' αὐτὸν ὄχθης γενόμενοι τοξεύμασι τὰ πολλὰ ἐς ἀλλήλους ἐχρῶντο. [11] ἐγίνοντο δὲ καὶ μονομαχίαι τινές, Γότθου ἀνδρός, ἂν οὕτω τύχοι, ἐκ προκλήσεως τὴν γέφυραν διαβαίνοντος. χρόνος τε μηνῶν δυοῖν τοῖν στρατοπέδοις ἐς τοῦτο ἐτρίβη. [12] ἕως μὲν οὖν ἐθαλασσοκράτουν ἐνταῦθα οἱ Γότθοι, ἐσκομιζόμενοι

τὰ ἐπιτήδεια ναυσὶν ἀντεῖχον, ἐπεὶ τῆς θαλάσσης ἐστρατοπεδεύοντο οὐ πολλῷ ἄποθεν. [13] ὕστερον δὲ Ῥωμαῖοι τὰ τε πλοῖα τῶν πολεμίων προδοσίᾳ Γότθου ἀνδρὸς εἶλον ὃς δὴ ταῖς ναυσὶν ἐφειστήκει πάσαις, καὶ αὐτοῖς νῆες ἀνάρητοι ἦλθον ἐκ τε Σικελίας καὶ τῆς ἄλλης ἀρχῆς. [14] ἅμα δὲ καὶ ὁ Ναρσῆς πύργους ξυλίνους ἐπὶ τοῦ ποταμοῦ τῇ ὄχθῃ καταστησάμενος δουλώσαι τῶν ἐναντίων τὸ φρόνημα παντελῶς ἴσχυσεν. [15] Οἷς δὴ οἱ Γότθοι περίφοβοι γεγενημένοι καὶ πιεζόμενοι τῶν ἀναγκαίων τῇ ἀπορίᾳ ἐς ὄρος ἄγχιστα ὃν καταφεύγουσιν, ὅπερ Ῥωμαῖοι Γάλακτος Ὅρος τῇ Λατίνων καλοῦσι φωνῇ: οὗ δὴ αὐτοῖς Ῥωμαῖοι ἐπισπένθαι οὐδαμῇ εἶχον, τῆς δυσχωρίας ἀντιστατούσης. [16] ἀλλὰ τοῖς βαρβάροις αὐτίκα ἐνταῦθα ἀναβεβηκόσι μετέμελεν, ἐπεὶ τῶν ἐπιτηδείων πολλῷ ἔτι μᾶλλον ἐσπάνιζον, σφίσι τε αὐτοῖς καὶ τοῖς ἵπποις ἐκπορίζεσθαι αὐτὰ οὐδεμιᾷ μηχανῇ ἔχοντες. [17] διὸ δὴ τὴν ἐν ξυμβολῇ τοῦ βίου καταστροφὴν αἰρετωτέραν τῆς πρὸς τοῦ λιμοῦ εἶναι οἰόμενοι ὁμόσε τοῖς πολεμίοις παρὰ δόξαν ἐχώρουν, ἀπροσδόκητοί τε αὐτοῖς ἐξαπιναιῶς ἐπέπεσον. [18] Ῥωμαῖοι δὲ αὐτοὺς ὥς ἐκ τῶν παρόντων ἀμυνοῦμενοι ἔστησαν, οὐ κατὰ ἄρχοντας ἢ λόχους ἢ καταλόγους τὴν τάξιν καταστησάμενοι, οὐδὲ τρόπῳ τῷ ἄλλῳ διακεκριμένοι ἀλλήλων, οὐδὲ τῶν σφίσι παραγγελλομένων ἐν τῇ ξυμβολῇ ἀκουσόμενοι, ἀλλ' ἀλκῇ τῇ πάσῃ, ὅπῃ ποτὲ παρατύχη, τοῖς πολεμίοις ἀντιταξόμενοι. [19] Γότθοι μὲν οὖν τῶν ἵππων ἀφέμενοι πρῶτοι πεζῇ μετωπιδὸν εἰς βαθεῖαν φάλαγγα ἔστησαν ἅπαντες, καὶ Ῥωμαῖοι δὲ ταῦτα ἰδόντες τοὺς ἵππους ἀφῆκαν, καὶ τρόπῳ τῷ αὐτῷ ἐτάξαντο πάντες. [20] Ἐνταῦθ' αἱ μάχαι τε πολλοῦ λόγου ἀξία καὶ ἀνδρὸς ἀρετὴ οὐδὲ τῶν τινὸς λεγομένων ἡρώων, οἷμαι, καταδεεστέρα γεγράψεται, ἥς δὴ ὁ Τεῖας δήλωσιν ἐν τῷ παρόντι πεποιήται. [21] Γότθους μὲν ἐς εὐτολμίαν ἢ τῶν παρόντων ἀπόγνωσις ὥρμα, Ῥωμαῖοι δὲ αὐτοὺς, καίπερ ἀπονεινομένους ὀρῶντες, ὑφίσταντο δυνάμει τῇ πάσῃ, τοῖς καταδεεστέροις ἐρυθριῶντες ὑποχωρεῖν, ἀμφοτέρω τε θυμῷ ἐπὶ τοὺς πέλας πολλῷ ἔεντο, οἱ μὲν θανατῶντες, [22] οἱ δὲ ἀρετῶντες. καὶ ἡ μὲν μάχη πρῶτ' ἡρξάτο, Τεῖας δὲ πᾶσιν ἐνδηλος γεγενημένος καὶ τὴν μὲν ἀσπίδα προβεβλημένος, ἐπανατεινόμενος δὲ τὸ δόρυ, πρῶτος ξὺν ὀλίγοις τισὶ τῆς φάλαγγος ἔσθη. [23] Ῥωμαῖοι δὲ αὐτὸν ἰδόντες, οἰόμενοί τε, ἦν αὐτὸς πέσῃ, διαλυθήσεσθαι τὴν ξυμβολὴν σφίσιν αὐτίκα δὴ μάλα, ξυνίσταντο ἐπ' αὐτὸν ὅσοι ἀρετῆς μετεποιοῦντο, παμπληθεῖς ὄντες, καὶ τὰ δόρατα ἐς αὐτὸν ἅπαντες οἱ μὲν ὥθουν, οἱ δὲ ἐσηκόντιζον. [24] αὐτὸς δὲ ὑπὸ τῇ ἀσπίδι κεκαλυμμένος ταύτῃ μὲν τὰ δόρατα ἐδέχετο πάντα, ἐμπίπτων δὲ αὐτοὺς ἐκ τοῦ αἰφνιδίου πολλοὺς διεχρήτο. [25] καὶ ὁπνίκα οἱ τὴν ἀσπίδα ἐμπλεων οὖσαν πεπηγόντων δοράτων θεῶτο, τῶν τινὶ ὑπασπιστῶν ταύτην παραδιδούς ἐτέραν ἡρεῖτο. [26] οὕτω μαχόμενος ἐς τῆς ἡμέρας τὸ τριτημόριον διαγέγονε, καὶ τότε δὴ δώδεκα μὲν αὐτῷ δόρατα ἐμπεπηγότα ἢ ἀσπίς εἶχε, κινεῖν δὲ αὐτὴν ὅπῃ βούλοιο καὶ ἀποκρούεσθαι τοὺς ἐπιόντας οὐκέτι ἴσχυε. [27] τῶν δὲ τινα ὑπασπιστῶν μετεκάλει σπουδῇ, οὐ τὴν τάξιν λιπὼν οὐδὲ ὅσον ἄχρι ἐς δάκτυλον ἓνα οὐδὲ ἀναποδίσας, ἢ τοὺς πολεμίους ἐπὶ τὰ πρόσω ἐπαγαγόμενος, οὐδὲ ἐπιστραφεὶς, οὐδὲ τὰ νῶτα τῇ ἀσπίδι ἐρείσας, οὐ μὴν οὐδὲ πλάγιος γεγινώς, ἀλλ' ὥσπερ τῷ ἐδάφει ἐρηρυσμένος αὐτοῦ μετὰ τῆς ἀσπίδος εἰστήκει, κτείνων τε τῇ δεξιᾷ χειρὶ καὶ ἀποκρούμενος τῇ λαίᾳ καὶ

ἀνακαλῶν τὸ τοῦ ὑπασπιστοῦ ὄνομα. [28] καὶ ὁ μὲν αὐτῷ μετὰ τῆς ἀσπίδος παρήν, ὁ δὲ ταύτην εὐθὺς τῆς βαρυνομένης τοῖς δόρασιν ἀντηλλάσσετο. [29] ἐν τούτῳ δὲ οἱ χρόνου τινὰ βραχεῖαν στιγμήν γυνῶ γενέσθαι τὰ στέρνα ξυνέβη, τύχη τέ οἱ ξυνέπεσε τότε ἀκοντίῳ βεβλήσθαι καὶ ἀπ' αὐτοῦ εὐθυωρὸν θνήσκει. [30] καὶ αὐτοῦ τὴν κεφαλὴν ἐπὶ κοντοῦ μετεωρίσαντες τῶν Ῥωμαίων τινὲς στρατιᾷ ἐκατέρᾳ περιόντες ἐδείκνουν, Ῥωμαίοις μὲν, ὅπως δὴ θαρσῆσωσι μᾶλλον, Γότθοις δέ, ὅπως ἀπογνόντες τὸν πόλεμον καταλύσωσιν. [31] Οὐ μὴν οὐδ' ὥς τὴν ξυμβολὴν κατέλυσαν Γότθοι, ἀλλ' ἄχρι ἐς νύκτα ἐμάχοντο, καίπερ ἐξεπιστάμενοι τὸν βασιλέα τεθνάναι σφίσιν. ἐπειδὴ δὲ ξυνεσκόταζεν, αὐτοῦ ἐκάτεροι διαλυθέντες ἐν τῇ τῶν ὄπλων σκευῇ ἐνυκτέρευσαν. [32] ἡμέρᾳ δὲ τῇ ἐπιγενομένη ἀναστάντες ὀρθρου τρόπῳ τῷ αὐτῷ αὐθις ἐτάξαντο καὶ μέχρι ἐς νύκτα ἐμάχοντο, καὶ οὔτε ὑπεχώρουν ἀλλήλοις οὔτε πη ἐτρέποντο ἢ ἀνεπὸδιζον, καίπερ ἀμφοτέρωθεν κτεινομένων πολλῶν, ἀλλ' ἀπηγριωμένοι τῷ ἐς ἀλλήλους ἀπηνεῖ ἔργου εἶχοντο, Γότθοι μὲν εὖ εἰδότες ὅτι δὴ τὴν ὑστάτην διαφέρουσι μάχην, Ῥωμαῖοι δὲ αὐτῶν ἐλασσοῦσθαι ἀπαξιούντες. [33] ἐν ὑστάτῳ δὲ οἱ βάρβαροι παρὰ τὸν Ναρσὴν πέμψαντες τῶν λογίμων τινὰς μεμαθηκέναι μὲν ἔλεγον ὥς πρὸς τὸν θεὸν σφίσιν ὁ ἀγὼν γένοιτο: αἰσθάνεσθαι γὰρ τὴν ἀντιταχθεῖσαν αὐτοῖς δύναμιν: καὶ τοῖς ξυμπεσοῦσι ξυμβάλλοντες τὴν τῶν πραγμάτων ἀλήθειαν γνωσιμαχεῖν τὸ λοιπὸν βούλεσθαι καὶ ἀπολιπεῖν τὴν ἀγώνισιν, οὐ μέντοι βασιλεῖ ἐπακούσοντας, ἀλλὰ ξὺν τῶν ἄλλων βαρβάρων τισὶν αὐτόνομοι βιοτεύουσιν, ἐδέοντό τε εἰρηναίαν σφίσι τὴν ἀναχώρησιν ἐνδοῦναι Ῥωμαίους, οὐ φθονοῦντας αὐτοῖς λογισμοῦ σώφρονος, ἀλλὰ καὶ χρήμασι τοῖς αὐτῶν ὥσπερ ἐφοδίοις αὐτοῦς δωρουμένους, ὅσα δὴ ἐν τοῖς ἐπὶ τῆς Ἰταλίας φρουρίοις αὐτῶν ἕκαστος ἐναποθέμενος ἔτυχε πρότερον. [34] ταῦτα ὁ μὲν Ναρσὴς ἐν βουλῇ ἐποιεῖτο. Ἰωάννης δὲ ὁ Βιταλιανοῦ παρήνει δέησιν ἐνδέχεσθαι τήνδε, καὶ μὴ περαιτέρω θανατῶσιν ἀνθρώποις διὰ μάχης ἰέναι, μηδὲ ἀποπειράσασθαι τόλμης ἐν ἀπογνώσει φυομένης τοῦ βίου, ἥ καὶ τοῖς αὐτῆς ἐχομένοις καὶ τοῖς ὑπαντιάζουσι χαλεπὴ γίνεται. [35] 'Ἄρκεϊ γάρ,' ἔφη, 'τοῖς γε σώφροσι τὸ νικᾶν, τὸ δὲ ὑπεράγαν ἐθέλιν ἴσως ἂν τῷ καὶ ἐς τὸ ἀξύμφορον τρέποιτο.' [36] Πείθεται τῇ ὑποθήκῃ Ναρσὴς, καὶ ξυνέβησαν ἐφ' ᾧ τῶν βαρβάρων οἱ ἀπολελειμμένοι χρήματα κεκομισμένοι τὰ αὐτῶν ἴδια ἐκ πάσης ἀπαλλάσσονται Ἰταλίας εὐθύς, πόλεμόν τε μηχανῇ οὐδεμιᾷ πρὸς Ῥωμαίους διοίσουσιν ἔτι. [37] Γότθοι μὲν οὖν μεταξὺ χίλιοι τοῦ στρατοπέδου ἐξαναστάντες ἐς Τικινόν τε πόλιν καὶ χωρία τὰ ὑπὲρ ποταμὸν Πάδον ἐχώρησαν, ὧν ἄλλοι τε ἡγοῦντο καὶ Ἰνδούλφ, οὐπὲρ πρότερον ἐπεμνήσθη. [38] οἱ δὲ λοιποὶ ἅπαντες ὄρκια δόντες τὰ ξυγκείμενα πάντα ἐπέρρωσαν. οὕτω τε καὶ Κύμην καὶ τὰ λοιπὰ πάντα ἐξεῖλον Ῥωμαῖοι, καὶ τὸ ὀκτωκαίδέκατον ἔτος ξυνετελεύτα τῷ Γοτθικῷ πολέμῳ τῷδε, ὃν Προκόπιος ξυνέγραψεν.

[2] αἴτιον δὲ, ὅτι δὴ οὐχ οἷόν τε ἦν περιόντων ἔτι τῶν αὐτὰ εἰργασμένων ὅτῳ δεῖ ἀναγράφεσθαι τρόπῳ. οὔτε γὰρ διαλαθεῖν πλήθη κατασκόπων οἷόν τε ἦν οὔτε φωραθέντα μὴ ἀπολωλέναι θανάτῳ οἰκτίστῳ: οὐδὲ γὰρ ἐπὶ τῶν συγγενῶν τοῖς γε οἰκειοτάτοις τὸ θαρρεῖν εἶχον. [3] ἀλλὰ καὶ πολλῶν τῶν ἐν τοῖς ἔμπροσθεν λόγοις εἰρημένων ἀποκρύψασθαι τὰς αἰτίας ἠναγκάσθην. τὰ τό τε δ' οὖν τέως ἄρρητα μέιναντα καὶ τῶν ἔμπροσθεν δεδηλωμένων ἐνταῦθά μοι τοῦ λόγου τὰς αἰτίας σημῆναι δεήσει. [4] Ἀλλὰ μοι ἐς ἀγώνισιν ἐτέραν ἰόντι χαλεπὴν τινα καὶ δεινῶς ἄμαχον τῶν Ἰουστινιανῷ τε καὶ Θεοδώρῳ βεβιωμένων βαμβαίνειν τε καὶ ἀναποδίζειν ἐπὶ πλεῖστον ἐκεῖνο διαριθμουμένῳ ξυμβαίνει, ὅτι δὴ μοι ταῦτα ἐν τῷ παρόντι γεγράφεται τὰ μήτε πιστὰ μήτε εἰκότα φανησόμενα τοῖς ὀπισθεν γενησομένοις, ἄλλως τε ὀπηνίκα ἐπὶ μέγα ρεύσας ὁ χρόνος παλαιότεραν τὴν ἀκοὴν ἀπεργάζεται, δέδοικα μὴ καὶ μυθολογίας ἀποίσομαι δόξαν κὰν τοῖς τραγωδοδιδασκάλοις τετάξομαι. [5] ἐκεῖνῳ μέντοι τὸ θαρρεῖν ἔχον οὐκ ἀποδειλιάσω τὸν ὄγκον τοῦ ἔργου, ὥς μοι οὐκ ἁμαρτύρητος ὁ λόγος ἐστίν. οἱ γὰρ νῦν ἄνθρωποι δαημονέστατοι μάρτυρες τῶν πράξεων ὄντες ἀξιώχρεω παραπομποὶ ἐς τὸν ἔπειτα χρόνον τῆς ὑπὲρ αὐτῶν πίστεως ἔσονται. [6] Καίτοι με καὶ ἄλλο τι ἐς λόγον τόνδε ὀργῶντα πολλάκις ἐπὶ πλεῖστον ἀνεχάιτισε χρόνον. ἐδόξαζον γὰρ τοῖς ἐς τὸ ἔπειτα γενησομένοις ἀξύμφορον ἔσσεσθαι τοῦτό γε, ἐπεὶ τῶν ἔργων τὰ πονηρότατα μάλιστα ξυνοίσει ἄγνωστα χρόνῳ τῷ ὑστέρῳ εἶναι, ἢ τοῖς τυράννοις ἐς ἀκοὴν ἥκοντα ζηλωτὰ γίνεσθαι. [7] τῶν γὰρ κρατούντων αἰεὶ τοῖς πλείστοις εὐπορος ὑπὸ ἀμαθίας ἢ ἐς τῶν προγεγεννημένων τὰ κακὰ μίμησις, καὶ πρὸς τὰ ἡμαρτημένα τοῖς παλαιότεροις ῥᾶόν τε καὶ ἀπονώτερον ἐς αἰεὶ τρέπονται. [8] ἀλλὰ με ὕστερον ἐς τῶνδε τῶν ἔργων τὴν ἱστορίαν τοῦτο ἠνεγκεν, ὅτι δὴ τοῖς ἐς τὸ ἔπειτα τυραννήσουσιν ἔνδηλον ἔσται ὥς μάλιστα μὲν καὶ τὴν τίσιν αὐτοὺς τῶν ἁμαρτανομένων περιελθεῖν οὐκ ἀπεικὸς εἶη, ὅπερ καὶ τοῖσδε τοῖς ἀνθρώποις ξυνηνέχθη παθεῖν: ἔπειτα δὲ καὶ ἀνάγραπτοι αὐτῶν αἱ πράξεις καὶ οἱ τρόποι ἐς αἰεὶ ἔσονται, ἀπ' αὐτοῦ τε ἴσως ὀκνηρότερον παρανομήσουσι. [9] τίς γὰρ ἂν τὸν Σεμιράμιδος ἀκόλαστον βίον ἢ τὴν Σαρδαναπάλου καὶ Νέρωνος μανίαν τῶν ἐπιγενομένων ἀνθρώπων ἔγνω, εἰ μὴ τοῖς τότε γεγραφόσι τὰ μνημεῖα ταῦτα ἐλέλειπτο; ἄλλως τε καὶ τοῖς τὰ ὅμοια πεισομένοις, ἂν οὕτω τύχοι, πρὸς τῶν τυράννων οὐκ ἀκερδὴς αὕτη παντάπασιν ἢ ἀκοὴ ἔσται. [10] παραμυθεῖσθαι γὰρ οἱ δυστυχοῦντες εἰώθασιν τῷ μὴ μόνοις σφίσι τὰ δεινὰ ξυμπεσεῖν. διὰ τοι ταῦτα πρῶτα μὲν ὅσα Βελισαρίῳ μοχθηρὰ εἵργασται ἐρῶν ἔρχομαι: ὕστερον δὲ καὶ ὅσα Ἰουστινιανῷ καὶ Θεοδώρῳ μοχθηρὰ εἵργασται ἐγὼ δηλώσω. [11] Ἦν τῷ Βελισαρίῳ γυνή, ἥς δὴ

ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθην, πάππου μὲν καὶ πατρὸς ἡνιόχων, ἐν τε Βυζαντίῳ καὶ Θεσσαλονίκῃ τὸ ἔργον τοῦτο ἐνδείξαμένων, μητρὸς δὲ τῶν τινος ἐν θυμέλῃ πεπορνευμένων. [12] αὕτη τὰ πρότερα μάχλον τινὰ βιώσασα βίον καὶ τὸν τρόπον ἐξεργωγῖα, φαρμακευσί τε πατράοις πολλὰ ὠμληκυῖα, καὶ τὴν μάθησιν τῶν οἱ ἀναγκαίων ποιησαμένη, ἐγγυητὴ ὕστερον Βελισαρίῳ γυνὴ γέγονε, [13] μήτηρ ἤδη παίδων γενομένη πολλῶν. εὐθύς μὲν οὖν ἡξίου μοιχεῦτρια τὸ ἐξ ἀρχῆς εἶναι, ξυγκαλύπτειν μέντοι τοῦργον τοῦτο ἐν σπουδῇ εἶχεν, οὐ καταδυομένη τοῖς οἰκείοις ἐπιτηδεύμασιν, οὐδέ τι πρὸς τοῦ ξυνοικοῦντος δειμαίνουσα δέος· οὔτε γὰρ αἰδῶ τινα ἔργου ὅτουοῦν ἔλαβε πώποτε καὶ τὸν ἄνδρα μαγγανείαις πολλαῖς κατεῖλθεν, ἀλλὰ τὴν ἐκ τῆς βασιλίδος ὑποπεύουσα τίσιν. λίαν γὰρ ἐς αὐτὴν ἡ Θεοδώρα ἡγριαίνετο τε καὶ ἐσεσῆρει. [14] ἐπεὶ δὲ αὐτὴν ἐν τοῖς ἀναγκαιοτάτοις ὑπουργήσασα χειροήθη πεποιήται, πρῶτα μὲν Σιλβέριον διαχρησαμένη τρώπῳ ᾧπερ ἐν τοῖς ὀπισθεν λόγοις εἰρήσεται, ὕστερον δὲ Ἰωάννην κατεργασαμένη τὸν Καππαδόκην, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ἐνταῦθα δὴ ἀδεέστερόν τε καὶ οὐκέτι ἀποκρυπτομένη ἅπαντα ἐξαμαρτάνειν οὐδαμῇ ἀπηξίου. [15] Ἦν δέ τις νεανίας ἐκ Θράκης ἐν τῇ Βελισαρίου οἰκίᾳ, Θεοδόσιος τοῦνομα, δόξης γεγωνὸς ἐκ πατέρων Εὐνομιανῶν καλουμένων. [16] τοῦτον, ἡνίκα ἐς Λιβύην ἀποπλεῖν ἔμελλεν, ἔλουσε μὲν ὁ Βελισάριος τὸ θεῖον λουτρὸν καὶ χερσὶν ἀνελόμενος ἐνθένδε οἰκείαις εἰσποιητὸν ἐποίησατο ξὺν τῇ γυναικὶ παῖδα, ἥπερ εἰσποιεῖσθαι Χριστιανοῖς νόμος, καὶ ἀπ' αὐτοῦ ἡ Ἀντωνίνα τὸν Θεοδόσιον ἄτε παῖδα ὄντα ἱερῷ λόγῳ ἡγάπα τε ὥς τὸ εἰκὸς κὰν τοῖς μάλιστα ἐπιμελομένη ἀμφ' αὐτὴν εἶχεν. [17] εὐθύς τε ἐρασθεῖσα αὐτοῦ ἐκτόπως ἐν τῷ διάπλῳ τούτῳ καὶ κατακορῆς γεγωνῖα τῷ πάθει ἀπεσεῖσατο μὲν θεῖον τε καὶ ἀνθρωπίνων πραγμάτων δέος τε καὶ αἰδῶ ξύμπασαν, ἐμίγνυτο δὲ αὐτῷ τὰ μὲν πρῶτα ἐν παραβύστῳ, τελευτῶσα δὲ καὶ οἰκετῶν καὶ θεραπαινίδων παρόντων. [18] κάτοχος γὰρ ἤδη τῷ πόθῳ τούτῳ γεγεννημένη καὶ διαφανῶς ἐρωτόληπτος οὔσα οὐδὲν ἔτι τοῦ ἔργου κώλυμα ἔβλεπε. καί ποτε ὁ Βελισάριος ἐπ' αὐτοφῶρῳ τὴν πρᾶξιν λαβὼν ἐν Καρχηδόνι ἐξηπάτητο πρὸς τῆς γυναικὸς ἐκὼν γε εἶναι. [19] ὁ μὲν γὰρ ἄμφω ἐν δωματίῳ καταγείῳ εὐρὼν ἐμεμήνει, ἡ δὲ οὔτε ἀποδειλιάσασα οὔτε καταδυσαμένη τῷ ἔργῳ τούτῳ, 'Ἐνταῦθα', ἔφη, 'τῶν λαφύρων τὰ τιμιώτατα σὺν τῷ νεανίᾳ κρύψουσα ἤλθον, ὥς μὴ ἐς βασιλέα ἔκπυστα γένηται'. [20] ἡ μὲν οὖν ταῦτα σκηπτομένη εἶπεν, ὁ δὲ ἀναπεισθῆναι δόξας ἀφῆκε, καίπερ τῷ Θεοδοσίῳ ἐκκελυμένον τὸν ἱμάντα ὀρῶν τὸν ἀμφὶ τὰ αἰδοῖα τὰς ἀναξυρίδας ξυνδέοντα, ἔρωτι γὰρ τῆς ἀνθρώπου ἀναγκασθεὶς ἐβούλετό οἱ τὴν τῶν οἰκείων ὀφθαλμῶν θεάν ὥς ἥκιστα ἀληθίζεσθαι. [21] τῆς δὲ μαχλοσύνης ἀεὶ προϊούσης ἐς κακὸν ἄφατον οἱ μὲν ἄλλοι θεώμενοι τὰ πραττόμενα ἐν σιωπῇ εἶχον, δούλη δὲ τις Μακεδονία ὄνομα ἐν Συρακούσαις, ἡνίκα Σικελίας ἐκράτησε Βελισάριος, ὄρκοις δεινοτάτοις τὸν δεσπότην καταλαβοῦσα, μὴ ποτε αὐτὴν τῇ κεκτημένη καταπροήσσεσθαι, τὸν πάντα αὐτῷ λόγον ἐξήνεγκε, δύο παιδάρια πρὸς μαρτυρίαν παρασχομένη, οἷς δὴ τὰ ἀμφὶ τὸν κοιτῶνα ὑπηρετεῖν ἐπιμελὲς ἦν. [22] ταῦτα μαθὼν Βελισάριος τῶν οἱ ἐπομένων τινὰς τὸν Θεοδόσιον ἐκέλευσε διαχειρίσασθαι. [23] ὁ δὲ προμαθὼν εἰς Ἐφεσον φεύγει. τῶν γὰρ ἐπομένων οἱ

πλείστοι τῷ ἀβεβαίῳ τῆς τοῦ ἀνθρώπου γνώμης ἡγμένοι ἀρέσκουν τὴν γυναῖκα μᾶλλον ἐν σπουδῇ εἶχον ἢ τῷ ἀνδρὶ δοκεῖν εὐνοϊκῶς ἔχειν, οἳ γε καὶ τὰ σφίσιν ἐπικείμενα τότε ἀμφ' αὐτῷ προῦδοσαν. [24] Κωνσταντῖνος δὲ Βελισάριον ὁρῶν περιώδυνον γεγονότα τοῖς ξυμπεσοῦσι, τὰ τε ἄλλα ξυνήλγει καὶ τοῦτο ἐπέειπεν ὡς “Ἐγὼγε θᾶσσον ἂν τὴν γυναῖκα ἢ τὸν νεανίαν κατειργασάμην”. [25] ὅπερ Ἀντωνίνα μαθοῦσα, κεκρυμμένως αὐτῷ ἐχαλέπαινε, ὅπως ἔγκοτα ἐνδείξεται [26] τὸ εἰς αὐτὸν ἔχθος. ἦν γὰρ σκορπιώδης τε καὶ ὀργὴν σκοτεινὴ. οὐ πολλῷ δὲ ὕστερον ἢ μαγγανεύσασα ἢ θωπεύσασα πείθει τὸν ἄνδρα ὡς οὐχ ὑγιὲς τὸ κατηγορήμα τὸ ταύτης γένοιτο: καὶ ὃς Θεοδόσιον μὲν μελλήσει οὐδεμιᾷ μετεπέμψατο, Μακεδονίαν δὲ καὶ τὰ παιδία τῇ γυναικὶ ἐκδοῦναι ὑπέστη. [27] οὗς δὴ ἅπαντας πρῶτα τὰς γλώττας, ὥσπερ λέγουσιν, ἀποτεμοῦσα, εἴτα κατὰ βραχὺ κρεουργήσασα καὶ θυλακίους ἐμβεβλημένη ἐς τὴν θάλατταν ὀκνήσει οὐδεμιᾷ ἔρριψε, τῶν τινος οἰκετῶν Εὐγενίου ὄνομα ὑπουργήσαντός οἱ ἐς ἅπαν τὸ ἄγος, ᾧ δὴ καὶ τὸ ἐς Σιλβέριον εἵργασται μίasma. [28] καὶ Κωνσταντῖνον δὲ οὐ πολλῷ ὕστερον Βελισάριος τῇ γυναικὶ ἀναπεισθεὶς κτείνει. τὰ γὰρ ἀμφὶ τῷ Πραισιδίῳ καὶ τοῖς ξιφιδίοις τηνικάδε ξυνηνέχθη γενέσθαι ἅπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις δεδήλωται. [29] μέλλοντος γὰρ τοῦ ἀνθρώπου ἀφίεσθαι, οὐ πρότερον ἀνῆκεν ἢ Ἀντωνίνα, ἕως αὐτὸν τοῦ λόγου [30] ἐτίσατο, οὐτὲρ ἐγὼ ἀρτίως ἐμνήσθην. καὶ ἀπ' αὐτοῦ ἔχθος μέγα περιεβάλλετο ὁ Βελισάριος ἐκ τε βασιλέως καὶ τῶν ἐν Ῥωμαίοις λογίμων ἀπάντων. [31] Ταῦτα μὲν οὖν τῇδε κεχώρηκε. Θεοδόσιος δὲ οὐκ ἔφη ἐς Ἰταλίαν ἀρῖζεσθαι οἷός τε εἶναι, ἵνα δὴ τότε διατριβὴν εἶχον Βελισάριός τε καὶ Ἀντωνίνα, ἣν μὴ Φώτιος ἐκποδὼν γένηται. [32] ὁ γὰρ Φώτιος πρόχειρος μὲν φύσει ἐς τὸ δάκνεσθαι ἦν, ἦν τις αὐτοῦ παρ' ὄψου ἀυτῇ δύνηται μᾶλλον, ἐν μέντοι τοῖς ἀμφὶ Θεοδοσίῳ καὶ δικαίως ἀποπνίγεσθαι οἱ ξυνέβαινε, ὅτι δὴ αὐτὸς μὲν καίπερ υἱὸς ὢν ἐν οὐδενὶ ἐγίγνετο λόγῳ, ὁ δὲ δυνάμει τε πολλῇ ἐχρήτο καὶ χρήματα μεγάλα περιεβάλλετο. [33] λέγουσι γὰρ αὐτὸν ἐκ Καρχηδόνης τε καὶ Ῥαβέννης ἐς ἑκατὸν κεντηνάρια ἐξ ἀμφοῖν Παλατίοις συλήσαντα ἔχειν, ἐπεὶ καὶ μόνῳ κατ' ἐξουσίαν διαχειρίσαι ταῦτα ξυνέβη. [34] ἡ δὲ Ἀντωνίνα ἐπεὶ τὴν Θεοδοσίου γνώμην ἔμαθεν, οὐ πρότερον ἀνῆκεν ἐνεδρεῦσά τε τὸν παῖδα καὶ φονίους τισὶν ἐπιβουλαῖς αὐτὸν μετιοῦσα, ἕως καταπράξασθαι ἰσχυρὸν αὐτὸν μὲν ἐνθὲνδε ἀπαλλαγέντα ἐς Βυζάντιον ὁδῷ ἰέναι, οὐκέτι φέρειν τὰς ἐνέδρας οἷόν τε ὄντα, τὸν δὲ Θεοδόσιον ἐς τὴν Ἰταλίαν παρ' αὐτὴν ἦκεν. [35] οὗ δὴ κατακόρως τῆς τε τοῦ ἐρωμένου διατριβῆς καὶ τῆς τοῦ ἀνδρὸς εὐηθείας ἀποναμένη χρόνῳ ὕστερον ξὺν ἀμφοῖν ἐς Βυζάντιον ἦκεν. [36] ἔνθα δὴ Θεοδόσιον ἐδεδίσσετο τὸ συνειδέναι καὶ ἔστρεφεν αὐτοῦ τὴν διάνοιαν. λήσειν γὰρ ἐς τὸ παντελὲς οὐδαμῇ ᾤετο, ἐπεὶ τὴν γυναῖκα ἐώρα οὐκέτι τὸ πάθος ἐγκρυφιάζειν οἶαν τε οὔσαν, οὐδὲ κεκρυμμένως ἐξερρωγένη, ἀλλὰ διαρρήδην μοιχαλίδα εἶναί τε καὶ ὀνομάζεσθαι ὡς ἥκιστα ἀπαξιούσαν. [37] διὸ δὴ αὐθις ἐς τὴν Ἐφεσον ἀφικόμενος καὶ ἀποθριζάμενος ἥπερ εἴθισται ἐνέγραψεν εἰς τοὺς μοναχοὺς καλουμένους αὐτόν. [38] τότε δὴ κατ' ἄκρας ἐμάνη καὶ τὴν ἐσθῆτα ξὺν τῇ διαίτῃ ἐς τρόπον μεταβαλοῦσα τὸν πένθιμον περιήει συχνὰ κατὰ τὴν οἰκίαν κωκύουσα, ὀλολυγῇ τε κεκρημένη ὠλοφύρετο οὐκ ἀπολελειμμένου τάνδρως,

ὅποιον αὐτῇ ἀγαθὸν ὠλόλῃ, ὥς πιστὸν, ὥς εὐχαριν, ὥς εὐνοϊκὸν, ὥς δραστήριον. [39] τελευτῶσα δὲ καὶ τὸν ἄνδρα ἐς ταύτας δὴ ἐπαγαγομένη τὰς ὀλοφύρσεις ἐκάθισεν. ἔκλαε γοῦν ὁ ταλαίπωρος τὸν ποθεινὸν ἀνακαλῶν Θεοδόσιον. [40] ὕστερον δὲ καὶ εἰς βασιλέα ἐλθὼν, αὐτόν τε καὶ τὴν βασιλίδα ἰκετεύων, ἀνέπεισε Θεοδόσιον μεταπέμψασθαι ἅτε ἀναγκαῖον αὐτῷ κατὰ τὴν οἰκίαν ὄντα τε καὶ ἐσόμενον. [41] ἀλλὰ Θεοδόσιος ἀπεῖπε μηδαμῇ ἐνθένδε ἰέναι, ὥς ἀσφαλέστατα ἐμπεδώσειν ἰσχυρισάμενος τὸ τῶν μοναχῶν ἐπιτήδευμα. [42] ἦν δὲ ἄρα ὁ λόγος κατάπλαστος, ὅπως ἐπειδὴν τάχιστα Βελισάριος ἐκ Βυζαντίου ἀποδημοίῃ, αὐτὸς παρὰ τὴν Ἀντωνίναν ἀφίκηται λάθρα. ὅπερ οὖν καὶ ἐγένετο.

II

Αὐτίκα γὰρ Βελισάριος μὲν ὡς Χοσρόη πολεμήσων ξὺν τῷ Φωτίῳ ἐστέλλετο, Ἀντωνίνα δὲ αὐτοῦ ἔμεινεν, οὐκ εἰωθὸς αὐτῇ πρότερον τοῦτο γε. [2] τοῦ γὰρ μὴ κατὰ μόνας τὸν ἄνθρωπον καθιστάμενον ἐν αὐτῷ τε γενέσθαι καὶ τῶν ἐκείνης μαγγανευμάτων ὀλιγοροῦντα φρονῆσαι τι ἀμφ' αὐτῇ τῶν δεόντων, πανταχόσε τῆς γῆς ξὺν αὐτῷ στέλλεσθαι ἐπιμελὲς οἱ ἐγίνετο. [3] ὅπως δὲ καὶ αὐτῆς Θεοδοσίῳ παρὰ Ἀντωνίναν ἐσιτητὰ εἶη, Φώτιον ἐκποδὼν οἱ γενέσθαι ἐν σπουδῇ ἐποιεῖτο. [4] πείθει τοίνυν τῶν Βελισαρίῳ ἐπομένων τινὰς ἐρεσχελεῖν τε αὐτὸν ἐς αἰεὶ καὶ προπηλακίζειν, οὐδένα ἀνιέντας καιρόν· αὐτὴ τε γὰρ γράφουσα ἐς ἡμέραν σχεδὸν τι ἐκάστην διέβαλλε τε διηνεκὲς καὶ ἐπὶ τῷ παιδί πάντα ἐκίνει. [5] οἷς δὴ ὁ νεανίας ἀναγκασθεὶς διαβόλως ἔγνω τῇ μητρὶ χρῆσθαι, ἤκοντά τέ τινα ἐκ Βυζαντίου, ὃς δὴ ἀπήγγελλε Θεοδοσίον λάθρα ξὺν Ἀντωνίνῃ διατριβὴν ἔχειν, παρὰ Βελισάριον εὐθὺς εἰσάγει, φράζειν ἐπιστείλας τὸν πάντα λόγον. [6] ἅπερ ἐπεὶ ὁ Βελισάριος ἔγνω, ὀξυθυμωθεὶς ὑπερφυῶς ὡς παρὰ τοὺς Φωτίου πόδας ἐπὶ στόμα πίπτει, καὶ αὐτοῦ ἐδεῖτο τιμωρεῖν οἱ αὐτῷ πάσχοντι ὑφ' ὧν ἤκιστα χρῆν ἀνόσια ἔργα. 'Ὡ παῖ' λέγων 'γλυκύτατε, πατέρα μὲν τὸν σὸν ὅστις ποτὲ ἦν οὐδαμῇ οἴσθα, ἐπεὶ σε ὑπὸ τιτθοῦ τρεφόμενον ἔτι καταλιπὼν ξυνεμετρήσατο τὸν ἑαυτοῦ βίον, οὐ μὴν οὐδέ του τῶν αὐτοῦ ὦνησαι. ἦν γὰρ τὰ ἐς τὴν οὐσίαν οὐ λίαν εὐδαίμων. [7] ὑπ' ἐμοὶ δὲ καίπερ ὄντι πατρὶ τραπεῖς, τὴν τε ἡλικίαν τηλικόσδε εἶ, ὡς σὸν εἶναι ἀμύνειν ἀδικουμένῳ μοι ἐς τὰ μάλιστα, ἔς τε ὑπάτων ἀξίωμα ἤκεις καὶ πλούτου περιβέβλησαι τοσόνδε χρῆμα, ὥστε πατὴρ τε καὶ μήτηρ καὶ τὸ ξυγγενὲς ἅπαν ἔγωγε καλοίμην ἂν, ὃ γενναῖε, καὶ εἶην δικαίως. [8] οὐχ αἵματι γὰρ, ἀλλὰ τοῖς ἔργοις εἰώθασι δῆτα σταθμᾶσθαι τὴν ἐς ἀλλήλους στοργὴν [9] ἄνθρωποι. ὥρα σοι τοίνυν μὴ περιδεῖν ἐμὲ μὲν πρὸς τῇ τῆς οἰκίας διαφθορᾷ καὶ χρημάτων ἐστερημένον τοσούτων τὸ πλῆθος, τὴν δὲ μητέρα τὴν σὴν αἰσχος ἀναδουμένην οὕτω δὴ μέγα πρὸς πάντων ἀνθρώπων. [10] ἐνθυμοῦ τε ὡς αἱ τῶν γυναικῶν ἀμαρτάδες οὐκ ἐπὶ τοὺς ἄνδρας ἵενται μόνον, ἀλλὰ καὶ παίδων ἄπτονται μᾶλλον, οὓς γε καὶ δόξαν τινὰ φέρεσθαι ἐκ τοῦ ἐπὶ πλεῖστον συμβήσεται, ὡς φύσει τὸν τρόπον ταῖς γειναμέναις εὐόικασιν. [11] οὕτωςί τε λογίζου περὶ ἐμοῦ, ὡς ἐγὼ τὴν γυναῖκα τὴν ἑμαυτοῦ πάνυ μὲν φιλῶ, καὶ ἦν μοι τίσασθαι τὸν διαφθορέα τῆς οἰκίας ἐξῆ, οὐδὲν αὐτὴν ἐργάσομαι φαῦλον, περιόντος δὲ Θεοδοσίου ταύτῃ τὸ ἐγκλημα ἐπιχωρεῖν οὐκ ἂν δυναίμην.' [12] Ταῦτα ἀκούσας ὁ Φώτιος ὑπηρετήσιν μὲν ὡμολόγει ἐς ἅπαντα, δεδιέναι δὲ μή τι λάβοι ἐνθένδε κακὸν, τὸ θαρσεῖν ἐπὶ τῷ ἀβεβαίῳ τῆς Βελισαρίου γνώμης τά γε ἐς τὴν γυναῖκα οὐ σφόδρα ἔχων· ἄλλα τε γὰρ αὐτὸν πολλὰ καὶ τὸ Μακεδονίας δυσωπεῖν πάθος. [13] διὸ δὴ ἄμφω ἅπαντας ἀλλήλοις ὡμοσάτην ὅσοι δὴ ἐν Χριστιανοῖς δεινότατοι ὄρκοι εἰσὶ τε καὶ ὀνομάζονται, μήποτε ἀλλήλῳ καταπρόσῃσθαι ἄχρι τῶν ἐς τὸν ὄλεθρον φερόντων κινδύνων. [14] ἐν μὲν οὖν τῷ παρόντι τῷ ἔργῳ ἐγχειρεῖν ἔδοξε σφίσιν ἀξύμφορον εἶναι, ὁπνῆκα δὲ Ἀντωνίνα ἐκ Βυζαντίου ἀφίκεται, ἐς δὲ τὴν Ἐφεσον Θεοδόσιος ἴοι, τηνικάδε τοῦ χρόνου Φώτιον ἐν τῇ Ἐφέσῳ γενόμενον

Θεοδόσιον τε καὶ τὰ χρήματα οὐδενὶ πόνῳ χειρώσασθαι. [15] τότε μὲν οὖν αὐτοὶ τε τὴν ἐσβολὴν παντὶ τῷ στρατῷ ἐς τὴν Περσίδα πεποίηνται χώραν, ἀμφὶ τε Ἰωάννη τῷ Καππαδόκῃ ἐν Βυζαντίῳ ξυνηνέχθη γενέσθαι ἅπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις δεδῆλωται. [16] ἔνθα δὴ τοῦτό μοι τῷ δέει σεσιώπηται μόνον, ὅτι γε οὐκ εἰκὴ τὸν τε Ἰωάννην καὶ τὴν αὐτοῦ παῖδα ἢ Ἀντωνίνα ἐξηπατήκει, ἀλλ' ὅρκων αὐτοὺς πλήθει, ὥνπερ οὐδὲν φοβερώτερον ἔν γε Χριστιανοῖς εἶναι δοκεῖ, πιστωσαμένη, μηδεμιᾷ δολερᾷ γνώμῃ ἐς αὐτοὺς χρῆσθαι. [17] ταῦτά τε διαπεπραγμένη καὶ πολλῶ ἔτι μᾶλλον ἐπὶ τῇ τῆς βασιλίδος θαρροῦσα φιλίᾳ Θεοδόσιον μὲν ἐς Ἑφεσον στέλλει, αὐτὴ δὲ μηδὲν ὑποτοπάζουσα ἐναντίῳμα ἐπὶ τὴν ἔω κομίζεται. [18] ἄρτι δὲ Βελισαρίῳ τὸ Σισαυράνων φρούριον ἐλόντι ὁδῷ ἰοῦσα πρὸς τοῦ ἀγγέλλεται. καὶ ὅς τᾶλλα πάντα ἐν οὐδενὶ λόγῳ πεποιημένος ὀπίσω ὑπῆγε τὸ στράτευμα. [19] ξυνηνέχθη γάρ, ἥπερ μοι τὰ πρότερα δεδιήγηται, καὶ ἕτερα ἅττα ἐν τῷ στρατοπέδῳ γενέσθαι, ἅπερ αὐτὸν ἐς τὴν ἀναχώρησιν ὥρμα. τοῦτο μέντοι πολλῶ ἔτι θάσσον ἐνταῦθα ἀνῆγεν. [20] ἀλλ' ὅπερ τοῦδε τοῦ λόγου ἀρχόμενος εἶπον, οὐ μοι ἀκίνδυνον τῆνικάδε τοῦ χρόνου ἔδοξεν εἶναι τὰς αἰτίας τῶν πεπραγμένων ἀπάσας εἰπεῖν. [21] ἔγκλημά τε ἀπ' αὐτοῦ ἐγένετο Βελισαρίῳ πρὸς πάντων Ῥωμαίων, ὅτι δὴ τῆς πολιτείας τὰ καιριώτατα αὐτὸς περὶ ἐλάσσονος πραγμάτων τῶν κατὰ τὴν οἰκίαν πεποιήται. [22] ἀρχὴν μὲν γάρ τῃ τῆς γυναικὸς πάθει ἐχόμενος, ὥς ἀπωτάτω γενέσθαι τῆς γῆς Ῥωμαίων οὐδαμῇ ἤθελεν, ὅπως ἐπειδὴν τάχιστα πύθηται τὴν γυναῖκα ἐκ Βυζαντίου ἤκειν, ἀναστρέψας αὐτίκα δὴ μάλα καταλαβεῖν τε καὶ τίσασθαι οἷός τε εἶη. [23] διὸ δὴ τοὺς μὲν ἀμφὶ Ἀρέθαν Τίγριν ποταμὸν διαβαίνειν ἐκέλευσεν, οἳ γε οὐδὲν ὅ τι καὶ λόγου ἄξιον διαπεπραγμένοι ἐπ' οἴκου ἀπεκομίσθησαν, αὐτὸς δὲ οὐδὲ ἡμέρας ὁδῷ ἀπολελεῖσθαι [24] ὄρων τῶν Ῥωμαίων ἐν σπουδῇ εἶχε. φρούριον γάρ τὸ Σισαυράνων διὰ μὲν πόλεως Νισιβίδος ἰόντι πλέον ἢ ὁδῷ ἡμέρας εὐζώνῳ ἀνδρὶ τῶν Ῥωμαϊκῶν ὀρίων διέχει, ἐτέρωθι δὲ τούτου δὴ τοῦ μέτρου ξυμβαίνει τὸ μεταξὺ εἶναι. [25] καίτοι εἰ παντὶ τῷ στρατῷ Τίγριν ποταμὸν διαβῆναι κατ' ἀρχὰς ἤθελεν, οἷμαι ἂν αὐτὸν ξύμπαντα ληΐσασθαι τὰ ἐπὶ Ἀσσυρίας χωρία, καὶ μέχρι ἐς Κτησιφῶντα πόλιν οὐδενὸς τὸ παράπαν ἀντιστατοῦντος σφίσιν ἀφῆχθαι, καὶ τοὺς τε Ἀντιοχέων αἰχμαλώτους, ὅσοι τε Ῥωμαίων ἄλλοι ἐνταῦθα ὄντες ἐτύγχανον, διασωσάμενον ἐπανήκειν ἐς τὰ πάτρια ἦθη. ἔπειτα δὲ καὶ Χοσρόῃ αἰτιώτατος γέγονεν ἀδεέστερον ἐπ' οἴκου ἀποκομίζεσθαι ἐκ τῆς Κολχίδος. ὄντινα δὲ τρόπον τετύχηκε τοῦτο αὐτίκα δηλώσω. [26] Ἦνίκα Χοσρόης ὁ Καβάδου εἰς γῆν ἐμβαλὼν τὴν Κολχίδα τά τε ἄλλα διεπράξατο, ἅπερ μοι ἔμπροσθεν δεδιήγηται, καὶ Πέτρην εἴλε, πολλοὺς τοῦ Μῆδων στρατοῦ διεφθάρθαι ξυνέβη τῷ τε πολέμῳ καὶ ταῖς δυσχωρίαις. δύσοδος τε γάρ, ὥσπερ μοι εἴρηται, ἡ Λαζική ἐστὶ καὶ ὅλως κρημνώδης. [27] καὶ μὴν καὶ λοιμοὶ ἐπιτεσόντος σφίσι τὸ πλεῖστον τοῦ στρατοῦ ἀπολωλέναι ξυνέπεσε, πολλοὺς δὲ αὐτῶν καὶ τῶν ἀναγκαίων τῇ ἀπορίᾳ διεφθάρθαι ξυνέβη. [28] ἐν τούτῳ δὲ καὶ τινες ἐκ γῆς τῆς Περσίδος ἐνταῦθα ἐπιχωριάζοντες ἡγγελλον ὥς Ναβέδην μὲν Βελισάριος ἀμφὶ πόλιν Νίσιβιν μάχῃ νικήσας πρόσω χωροῖη, πολιορκία δὲ τὸ Σισαυράνων ἐλὼν φρούριον Βλησχάμην τε καὶ Περσῶν ἱππεῖς ὀκτακοσίους δορυαλώτους πεποιήται, στράτευμα δὲ ἄλλο

Ῥωμαίων ζύν γε Ἀρέθα τῷ Σαρακηνῶν ἄρχοντι πέμπειεν, ὅπερ διαβὰν ποταμὸν Τίγγριν ξύμπαντα λεηλατήσσειε τὰ ἐκείνη χωρία, πρότερον ἀδήωτα ὄντα. [29] ἐτύγγανε δὲ καὶ στράτευμα Οὐννων ἐπὶ Ἀρμενίους τοὺς Ῥωμαίων κατηκόους ὁ Χοσρόης στείλας, ὅπως τῇ ἐς αὐτοὺς ἀσχολίᾳ μηδεμία τοῖς ταύτῃ Ῥωμαίοις τῶν ἐν Λαζικῇ πρassoμένων αἰσθησις γένηται. [30] τούτους τε τοὺς βαρβάρους ἀπήγγελλον ἕτεροι Βαλεριανῷ καὶ Ῥωμαίοις ὑπαντιάσασιν ἐς χεῖρας ἐλθόντας παρὰ πολὺ αὐτῶν ἡσσηθέντας τῇ μάχῃ ἐκ τοῦ ἐπὶ πλείστον ἀπολωλέναι. [31] ἅπερ οἱ Πέρσαι ἀκούσαντες καὶ κακοπαθείᾳ μὲν τῇ ἐν Λαζοῖς κεκακωμένοι, δεδιότες δὲ μή τι ἐν τῇ ἀποπορείᾳ ἐντυχόντες πολεμίων στρατῷ ἐν κρημνοῖς καὶ χωρίοις λοχμώδεσιν ἅπαντες οὐδενὶ κόσμῳ διαφθαρεῖεν, περιδεεῖς ἀμφὶ τε παισὶ καὶ γυναιξὶ καὶ τῇ πατρίδι γεγεννημένοι, εἴ τι καθαρὸν ἦν ἐν τῷ Μήδων στρατῷ, Χοσρόῃ ἐλοιδοροῦντο ἐπικαλοῦντες ὥς ἔς τε τοὺς ὄρκους ἡσέβηκώς καὶ τὰ κοινὰ νόμιμα πάντων ἀνθρώπων ἐσβάλοι μὲν ἐν σπονδαῖς ἐς Ῥωμαίων τὴν γῆν οὐδὲν προσῆκον, ἀδικοῖη δὲ πολιτείαν ἀρχαίαν τε καὶ ἀξιωτάτην πασῶν μάλιστα, ἥς τῷ πολέμῳ περιεῖναι οὐκ ἂν δύναίτο· ἐμελλον δὲ νεωτέροις ἐγχειρεῖν πράγμασιν. [32] οἷς δὴ ὁ Χοσρόης ξυνταραχθεὶς εὔρετο τοῦ κακοῦ ἴασιν τήνδε. γράμματα γὰρ αὐτοῖς ἀνελέξατο, ἅπερ ἑναγχος ἡ βασιλὶς τῷ Ζαβεργάνῃ ἐτύγγανε γράψασα. [33] ἐδήλου δὲ ἡ γραφὴ τάδε “Ὅπως σε, ὦ Ζαβεργάνη, διὰ σπουδῆς ἔχω, εὖνουν σε οἰομένη τοῖς ἡμετέροις πράγμασιν εἶναι, οἶσθα ἐπὶ πρεσβείᾳ οὐ πολλῷ πρότερον ἐς ἡμᾶς ἀφιγμένος. [34] οὐκοῦν πράττοις ἂν εἰκότα τῇ δόξῃ, ἣν ἐπὶ σοὶ ἔχω, εἴ γε βασιλέα Χοσρόην εἰρηναῖα πείθοις ἐς πολιτείαν τὴν ἡμετέραν βουλεύεσθαι. [35] οὕτω γάρ σοι ἀγαθὰ μεγάλα πρὸς ἀνδρὸς ἀναδέχομαι τοῦμοῦ ἔσεσθαι, ὅς γε οὐδὲν [36] ἂν ὅ τι καὶ ἄνευ γνώμης τῆς ἐμῆς πράξειεν.” ταῦτα ὁ Χοσρόης ἀναλεξάμενος, ὄνειδίσας τε Περσῶν τοῖς λογίμοις εἰ πολιτεῖαν οἶονται εἶναι, ἣν γυνὴ διοικεῖται, [37] τὴν τῶν ἀνδρῶν ὁρμὴν ἀναστέλλειν ἔσχεν. ἀλλὰ καὶ ὥς ζὺν δέει πολλῷ ἐνθένδε ἀπῆει, τοὺς ἀμφὶ Βελισάριον οἰόμενος σφίσιν ἐμποδὼν στήσεσθαι. οὐδενὸς δὲ οἱ τῶν πολεμίων ὑπαντιάσαντος ἄσμενος ἐς γῆν τὴν οἰκείαν ἀπεκομίσθη.

III

Γενόμενος δὲ ὁ Βελισάριος ἐς γῆν τὴν Ῥωμαίων εὐρίσκει τὴν γυναῖκα ἐκ Βυζαντίου ἀφικομένην. καὶ αὐτὴν μὲν ἐν ἀτιμίᾳ ἐφύλασσε, πολλάκις τε διαχειρίσασθαι αὐτὴν ἐγγχειρήσας ἐμαλθακίσθη, ἐμοὶ μὲν δοκεῖ, [2] ἔρωτος ἡσσηθεὶς διαπύρου τινός. φασὶ δὲ αὐτὸν καὶ μαγγανείαις πρὸς τῆς γυναικὸς καταλαμβανόμενον ἐν τῷ παραυτίκα ἐκλύεσθαι. Φώτιος δὲ κατὰ τάχος ἐς τὴν Ἑφεσον στέλλεται, τῶν τινα εὐνούχων, Καλλίγονον ὄνομα, προαγωγὸν τῆς κεκτημένης ὄντα δεσμεύσας τε καὶ ζὺν αὐτῷ ἔχων, ὅσπερ αὐτῷ αἰκιζόμενος ἐν τῇ ὁδῷ ταύτῃ ἅπαντα ἐξήνεγκε τὰ ἀπόρρητα. [3] καὶ Θεοδόσιος μὲν προμαθὼν ἐς τὸ ἱερὸν Ἰωάννου καταφεύγει τοῦ ἀποστόλου, ὅπερ ἐνταῦθα ἀγιώτατόν ἐστι καὶ ἐπιεικῶς ἐντιμον. [4] Ἀνδρέας δὲ ὁ τῆς Ἑφέσου ἀρχιερεὺς χρήμασιν οἱ ἀναπεισθεὶς τὸν ἄνθρωπον ἐνεχείρισεν. ἐν τούτῳ ἡ Θεοδώρα ἀμφὶ τῇ Ἀντωνίνῃ δειμαίνουσα, ἡκηκόει γὰρ ὅσα δὴ αὐτῇ ξυνεπεπτόκει, Βελισάριον ζὺν αὐτῇ ἐς Βυζάντιον μεταπέμπεται. [5] Φώτιος δὲ ταῦτα ἀκούσας Θεοδόσιον μὲν ἐς Κίλικας πέμπει, οὗ δὴ οἱ δορυφόροι τε καὶ ὑπασπισταὶ διαχειμάζοντες ἔτυχον, τοῖς παραπομποῖς ἐπιστείλας λαθραιότατα μὲν τὸν ἄνδρα τοῦτον διακομίζειν, ἐς Κίλικας δὲ ἀφικομένοις κεκρυμμένως ἐς τὰ μάλιστα ἐν φυλακῇ ἔχειν, μηδενὶ αἰσθῆσιν παρεχομένοις ὅποι γῆς εἴη. αὐτὸς δὲ ζὺν τε Καλλιγόνῳ καὶ τοῖς Θεοδοσίου χρήμασιν ἄδροις τισιν οὗσιν ἐς Βυζάντιον ἦλθεν. [6] ἐνταῦθα ἡ βασιλὶς ἐπίδειξιν πεποίηται ἐς πάντα ἀνθρώπους, ὅτι δὴ χάριτας φονίους εἰδείη μείζοσί τε καὶ μιαιωτέροις ἀμείβεσθαι δώροις. [7] Ἀντωνίνα μὲν γὰρ ἓνα οἱ ἔναγχος τὸν Καππαδόκην ἐχθρὸν ἐνεδρεύσασα προὔδωκεν, αὐτὴ δὲ πλῆθος ἐκείνῃ ἐγγχειρίσασα ἀνδρῶν ἀνεγκλήτως ἀνῆρκε. [8] τῶν γὰρ Βελισαρίῳ καὶ Φωτίῳ ἐπιτηδεῖων τινῶν μὲν τὰ σώματα αἰκισαμένα, καὶ τοῦτο μόνον ἐπικαλέσασα, ὅτι ἐς τὸ ἄνδρε τούτῳ εὐνοϊκῶς ἔχοιεν, οὕτω διέθετο ὥστε αὐτοῖς ἐς ὃ τί ποτε ἡ τύχη ἐτελεύτα οὕτω νῦν ἴσμεν: ἄλλους δὲ φυγῇ ἐξημίωσε, ταῦτο τοῦτο ἐπενεγκοῦσα. [9] ἓνα μέντοι τῶν Φωτίῳ ἐς τὴν Ἑφεσον ἐπισπομένων, Θεοδόσιον ὄνομα, καίπερ ἐς ἀξίωμα βουλῆς ἦκοντα, τὴν οὐσίαν ἀφελομένη ἐν δωματίῳ καταγείῳ τε καὶ ὅλως ζοφώδει ἔστησεν ἐπὶ φάτνης τινὸς βρόχον οἱ τοῦ τραχήλου ἀναψαμένη ἐς τοσόνδε βραχὺν, ὥστε αὐτῷ δὴ ἐντετάσθαι καὶ χαλαρὸν μηδαμῇ εἶναι. [10] ἐστηκὼς ἀμέλει διηνεκὲς ἐπὶ ταύτης δὴ τῆς φάτνης ὁ τάλας ἡσθιέ τε καὶ ὕπνον ἡρεῖτο, καὶ τὰς ἄλλας ἤνυσεν ἀπάσας τῆς φύσεως χρείας, ἄλλο τέ οἱ οὐδὲν ἐς τὸ τοῖς [11] ὄνοις εἰκάζεσθαι ὃ τι μὴ βρωμασθαι ἐλέλειπτο. χρόνος δὲ τῷ ἀνθρώπῳ οὐχ ἦσσαν ἢ μηνῶν τεσσάρων ἐν ταύτῃ τῇ διαίτῃ ἐτρίβη, ἕως μελαγχολίας νόσῳ ἁλοὺς μανεῖς τε ἐκτόπως καὶ οὕτω δὴ ταύτης τῆς εἰρκτῆς ἀφεθεὶς εἶτα ἀπέθανε. [12] καὶ Βελισάριον οὐτὶ ἐκούσιον Ἀντωνίνῃ τῇ γυναικὶ καταλλαγῆναι ἠνάγκασε. Φώτιον δὲ αἰκισμοῖς τε ἄλλοις ἀνδραποδώδεσι περιβαλοῦσα καὶ ξάνασα κατὰ τε τοῦ νότου καὶ τῶν ὤμων πολλὰς, ἐκλέγειν ἐκέλευεν ὅποι ποτὲ γῆς Θεοδόσιός τε καὶ ὁ προαγωγὸς εἴη. [13] ὁ δὲ καίπερ ὑπὸ τῆς βασάνου κατατεινόμενος τὰ ὁμωμοσμένα ἐμπεδοῦν ἔγνω, ἀνὴρ νοσώδης μὲν καὶ ἀνειμένος γεγονῶς πρότερον, ἐς δὲ τὴν ἀμφὶ τὸ σῶμα

θεραπείαν ἐσπουδακῶς, ὕβρεώς τε γενόμενος ἢ ταλαιπωρίας τινὸς ἄπειρος. [14] οὐδὲν γοῦν αὐτὸς τῶν Βελισαρίου κεκρυμμένων ἐξείπεν. ὕστερον μέντοι ἅπαντα τὰ τέως ἀπόρρητα ἐς φῶς ἐληλούθει. [15] καὶ Καλλίγονον μὲν ἡδ' ἐνταῦθα εὐροῦσα τῇδε παρέδωκε, τὸν δὲ Θεοδόσιον μετακαλέσασα ἐς Βυζάντιον, ἐπειδὴ ἀφίκετο, εὐθὺς μὲν κρύπτει ἐν Παλατίῳ, τῇ δὲ ὑστεραία μεταπεμψαμένη Ἀντωνίαν, [16] 'Ὡ φιλότατή πατρικία' ἔφη 'μάργαρον ἐς χεῖρας τὰς ἐμὰς τῇ προτεραίᾳ ἐμπέπτωκεν, οἷον οὐδεὶς ποτ' ἀνθρώπων εἶδε. καὶ σοι βουλομένη οὐκ ἂν φθονήσαιμι τοῦ θεάματος τούτου, [17] ἀλλὰ ἐπιδειξῶ.' καὶ ἡ μὲν οὐ ξυνιῖσα τοῦ πρασσομένου τὸν μάργαρόν οἱ ἐπιδειξάι πολλὰ ἐλιπάρει. ἡ δὲ τὸν Θεοδόσιον ἐξ οἰκιδίου τῶν τινος εὐνούχων [18] ἐξαγαγοῦσα ἐπέδειξεν. Ἀντωνίαν δὲ τὰ μὲν πρῶτα περιχαρὴς ἄγαν γεγонуῖα ὑφ' ἡδονῆς ἀχανὲς ἔμεινε, χάριτάς τε οἱ δεδρακέναι ὠμολόγει πολλὰς, σῴτειράν τε καὶ εὐεργέτιν ἀποκαλοῦσα καὶ δέσποιναν ὄντως. [19] τοῦτον δὲ τὸν Θεοδόσιον ἡ βασιλὶς κατασχοῦσα ἐν Παλατίῳ τρυφῆς τε καὶ τῆς ἄλλης εὐπαθείας ἡξίου, στρατηγόν τε ἠπέιλησε Ῥωμαίοις αὐτὸν οὐκ εἰς μακρὰν καταστήσεσθαι. [20] ἀλλὰ τις προτερήσασα δίκη νόσφ' ἀλόντα δυσεντερίας ἐξ ἀνθρώπων αὐτὸν ἀφανίζει. [21] ἦν δὲ οἰκίδια τῇ Θεοδώρᾳ ἀπόκρυφα μὲν καὶ ὅλως λεληθότα ζοφώδη τε καὶ ἀγείτονα, ἔνθα δὴ οὔτε νυκτὸς οὔτε ἡμέρας δῆλως γίνεται. [22] ἐνταῦθα τὸν Φώτιον ἐπὶ χρόνου μῆκος καθεῖρξασα ἐτήρει. ὅθεν δὴ αὐτῷ ξυνέβη τις τύχη οὐχ ἅπαξ μόνον, ἀλλὰ καὶ δις διαφυγόντι ἀπαλλαγῆναι. [23] καὶ τὰ μὲν πρῶτα καταφυγὼν εἰς τὸν ναὸν τῆς θεοτόκου, ὅσπερ ἐν Βυζαντίοις ἀγιώτατός ἐστί τε καὶ ὠνομάσθη, παρὰ τὴν ἱερὰν τράπεζαν ἱκέτης καθῆστο. ἐντεῦθεν τε αὐτὸν ἀναστήσασα βία τῇ πάσῃ καθεῖρξεν αὐτίς. [24] τὸ δὲ δὴ δευτερον ἐς τῆς Σοφίας τὸ ἱερὸν ἦκων, ἐς αὐτὴν που τὴν θείαν δεξαμενὴν ἐξαπιναίως ἐκάθισεν, ἥνπερ μάλιστα πάντων νενομίκασι Χριστιανοὶ σέβειν. [25] ἀλλὰ κἀνθένδε ἀφέλκειν αὐτὸν ἡ γυνὴ ἴσχυσε. χωρίον γὰρ ἀβέβηλον πώποτε ἀνέφαπτον αὐτῇ οὐδὲν γέγονεν, ἀλλ' αὐτῇ βιάζεσθαι τὰ ἱερὰ ζύμπαντα οὐδὲν πρᾶγμα ἐδόκει εἶναι. [26] καὶ ζὺν τῷ δήμῳ οἱ τῶν Χριστιανῶν ἱερεῖς καταπεπληγμένοι τῷ δέει ἐξίσταντο καὶ ἐνεχώρουν αὐτῇ ἅπαντα. [27] τριῶν μὲν οὖν αὐτῷ ἐνιαυτῶν χρόνος ἐν ταύτῃ τῇ διαίτῃ ἐτρίβη, ὕστερον δὲ ὁ προφήτης αὐτῷ Ζαχαρίας ἐπιστάς ὄναρ ὄρκους, φασὶν, ἐκέλευσε φεύγειν, συλλήψεσθαι οἱ ἐν τῷ ἔργῳ τῷδε ὁμολογήσας. [28] ταύτῃ τε τῇ ὄψει ἀναπεισθεὶς ἀνέστη τε ἐνθένδε καὶ διαλαθὼν εἰς τὰ Ἱεροσόλυμα ἦλθε, μυρίων μὲν αὐτὸν διερευνωμένων ἀνθρώπων, οὐδενὸς δὲ τὸν νεανίαν, καίπερ ἐντυχόντα ὀρῶντος. [29] οὗ δὴ ἀποθριξάμενός τε καὶ τῶν μοναχῶν καλουμένων τὸ σχῆμα περιβαλλόμενος τὴν ἐκ Θεοδώρας κόλασιν διαφυγεῖν ἔσχε. [30] Βελισάριος δὲ τὰ ὁμωμοσμένα ἡλογηκῶς, τιμωρεῖν τε οὐδαμῇ τούτῳ ἐλόμενος πάσχοντι, ὥσπερ ἐρρήθη, ἀνόσια ἔργα, ἐς πάντα οἱ λοιποὶ τὰ ἐπιτηδεύματα πολέμια τὰ πρὸς τοῦ θεοῦ ὡς τὸ εἰκὸς εὗρεν: εὐθὺς γὰρ ἐπὶ τε Μήδους καὶ Χοσρόην σταλεις τὸ τρίτον ἐσβαλόντας ἐς Ῥωμαίων τὴν γῆν κακότητα ὥφλε. [31] καίτοι ἐδόκει τι λόγου ἄξιον διαπεπράχθαι, τὸν πόλεμον ἐνθένδε ἀποσεισάμενος. ἀλλ' ἐπεὶ Χοσρόης Εὐφράτην διαβάς ποταμὸν Καλλίνικον πόλιν πολυάνθρωπον οὐδενὸς ἀμυνομένου εἴλε καὶ μυριάδας ἠνδραπόδισε Ῥωμαίων πολλὰς, Βελισάριος δὲ οὐδὲ ὅσον

ἐπισπένθαι τοῖς πολεμίοις ἐν σπουδῇ ἔσχε, δόξαν ἀπήνεγκεν ὥς δυοῖν
θάτερον, ἢ ἐθελοκακήσας ἢ ἀποδειλιάσας, αὐτοῦ ἔμεινεν.

IV

Ὑπὸ τοῦτον τὸν χρόνον καὶ τι ἕτερον αὐτῷ ἐπιπεσεῖν ξυνηρέθη τοιόνδε. ὁ μὲν λοιμὸς, οὐπὲρ ἐν τοῖς ἔμπροσθεν λόγοις ἐμνήσθη, ἐπενέμετο τοὺς ἐν Βυζαντίῳ ἀνθρώπους. βασιλεῖ δὲ Ἰουστινιανῷ χαλεπώτατα νοσῆσαι ξυνέβη, ὥστε καὶ ἐλέγετο ὅτι ἀπολώλει. [2] τοῦτον δὲ τὸν λόγον περιαγαγοῦσα ἡ φήμη διεκόμισεν ἄχρι ἐς τὸ Ῥωμαίων στρατόπεδον. ἐνταῦθα ἔλεγον τῶν ἀρχόντων τινὲς ὡς, ἦν βασιλέα Ῥωμαῖοι ἕτερόν τινα ἐν Βυζαντίῳ καταστήσωνται σφίσιν, οὐ μήποτε αὐτοὶ ἐπιτρέψωσιν. [3] ὀλίγῳ δὲ ὕστερον βασιλεῖ μὲν ράϊσαι ξυνέβη, τοῖς δὲ τοῦ Ῥωμαίων στρατοῦ ἄρχουσι διαβόλοις ἐπ' ἀλλήλοις γενέσθαι. [4] Πέτρος τε γὰρ ὁ στρατηγὸς καὶ Ἰωάννης, ὃνπὲρ ἐπὶ κλησιν Φαγᾶν ἐκάλουν, Βελισαρίου τε καὶ Βούζου ἐκεῖνα λεγόντων ἰσχυρίζοντο ἀκηκοέναι ἅπερ μοι ἀρτίως δεδήλωται. [5] ταῦτά γε ἡ βασιλὶς Θεοδώρα ἐπικαλέσασα ἐφ' ἑαυτῇ τοῖς ἀνθρώποις εἰρηῇσθαι μεστὴ ἐγεγόνει. [6] ἅπαντας οὖν εὐθὺς μετακάλεσασα ἐς Βυζάντιον, ζήτησίν τε τοῦ λόγου τούτου ποιησαμένη, τὸν Βούζην μετεπέμψατο εἰς τὴν γυναικωνῖτιν ἐξαπινάως, ὡς τι αὐτῷ κοινολογησομένη τῶν ἄγαν σπουδαίων. [7] ἦν δέ τι οἶκημα ἐν Παλατίῳ κατάγειον, ἀσφαλὲς τε καὶ λαβυρινθῶδες καὶ οἶον Ταρτάρῳ εἰκάζεσθαι, ἵνα δὴ τοὺς προσκεκρουκότας ὡς τὰ πολλὰ καθεῖρξασα ἐτήρει. [8] καὶ ὁ Βούζης οὖν εἰς τὸ βάραθρον τοῦτο ἐμβέβληται, ἐνταῦθα τε ἀνὴρ ἐξ ὑπάτων γενόμενος ἄγνωστος αἰὶ τοῦ παρόντος καιροῦ ἔμεινεν. [9] οὕτε γὰρ αὐτὸς ἐν σκότῳ κατήμενος διαγινώσκειν οἶός τε ἐγεγόνει πότερον ἡμέρα ἢ νύκτωρ [10] εἶη οὐτε ἄλλῳ τῷ ἐντυχεῖν εἶχεν. ἄνθρωπος γὰρ, ὅσπερ οἱ ἐς ἡμέραν ἐκάστην τὰ σιτία ἐρρίπτει, ὥσπερ τι θηρίον θηρίῳ ἄφωνος ἀφῶν ὠμίλει. [11] καὶ πᾶσι μὲν τετελευτηκέναι εὐθὺς ἔδοξε, λόγον μέντοι ἡ μνήμην ποιεῖσθαι αὐτοῦ τινα ἐτόλμα οὐδεὶς. ἐνιαιυτῶν δὲ δυοῖν ὕστερον πρὸς μισὶ τέσσαρσιν οἰκτισαμένη τὸν ἄνδρα ἀφῆκε. [12] καὶ ὃς ὥσπερ ἀναβεβιωκὼς ἅπασιν ὤφθη. ξυνέβη τε τῷ ἀνθρώπῳ ἐνθένδε αἰὶ ἀμβλυώττειν τε καὶ τὸ ἄλλο σῶμα νοσῶδει εἶναι. [13] Τὰ μὲν οὖν ἀμφὶ τῷ Βούζῃ τῇδε ἐχώρησε. Βελισάριον δὲ βασιλεὺς, καίπερ οὐδενὸς τῶν κατηγορουμένων ἀλόντα, ἐγκειμένης τῆς βασιλίδος παραλύσας ἥς εἶχεν ἀρχῆς Μαρτίνον ἀντ' αὐτοῦ τῆς ἐφῶς στρατηγὸν κατεστήσατο, τοὺς τε Βελισαρίου δορυφόρους τε καὶ ὑπασπιστάς, καὶ τῶν οἰκετῶν εἴ τι ἐν πολέμῳ δόκιμον ἦν, τῶν τε ἀρχόντων καὶ τῶν ἐν Παλατίῳ εὐνούχων τισὶν ἐπέστειλε διαδάσασθαι. [14] οἱ δὲ κλήρους ἐπ' ἐκείνοις ἐμβεβλημένοι αὐτοῖς ὅπλοις ἅπαντας ἐν σφίσιν αὐτοῖς διενείμαντο, ὡς πῃ κατατυχεῖν ἐκάστῳ συνέβη. [15] καὶ τῶν φίλων δὲ καὶ ἄλλως αὐτῷ τὰ πρότερα ὑπουργηκῶτων πολλοῖς ἀπέιπε παρὰ Βελισάριον μηκέτι ἰέναι. [16] καὶ περιήρχετο πικρὸν θέαμα καὶ ἄπιστος ὄψις, Βελισάριος ἰδιώτης ἐν Βυζαντίῳ, σχεδὸν τι μόνος, σύννους αἰὶ καὶ σκυθρωπὸς καὶ τὸν ἐξ ἐπιβουλῆς ὀρρωδῶν θάνατον. [17] μαθοῦσα δὲ ἡ βασιλὶς πολλὰ οἱ ἐπὶ τῆς ἔω χρήματα εἶναι, πέμψασα τῶν ἐν Παλατίῳ εὐνούχων τινὰ κεκόμισται πάντα. [18] ἐτόγγανε δὲ ἡ Ἀντωνίνα, ὡς μοι εἴρηται, τῷ μὲν ἀνδρὶ διάφορος γεγεννημένη, τῇ δὲ βασιλίδι φιλάτῃ καὶ ἀναγκαιοτάτῃ οὕσα ἐν τοῖς μάλιστα ἅτε Ἰωάννην ἐναγχος κατεργασαμένη τὸν

Καπαδόκην. [19] διὸ δὴ χαρίσασθαι ἡ βασιλὶς τῇ Ἀντωνίνῃ βουλευσαμένη, ἅπαντα ἔπραττεν ὅπως ἐξαιτήσασθαι τε τὸν ἄνδρα ἢ γυνή καὶ ἀπὸ ξυμφορῶν τηλικῶνδε ρύσασθαι δόξειε, ταύτῃ τε οὐ μόνον τῷ τάλαιπῶρῳ ἐς τὸ παντελὲς καταλλαγῆναι συμβήσεται, ἀλλὰ καὶ διαρρήδην αὐτὸν ἄτε πρὸς αὐτῆς διασεσωσμένον αἰχμάλωτον ἀναρπάσασθαι. [20] ἐγένετο δὲ ὧδε. ἦλθε μὲν ποτε Βελισάριος πρῶτ' ἐς Παλάτιον, ἥπερ εἰώθει, ζῖν ἀνθρώποις οἰκτροῖς τε καὶ ὀλίγοις τισίν. [21] οὐκ εὖμενδ' οὐδὲ πειρασάμενος βασιλέως τε καὶ τῆς βασιλίδος, ἀλλὰ καὶ περιυβρισμένος ἐνταῦθα ὑπ' ἀνδρῶν μοχθηρῶν τε καὶ ἀγελαίων, οἵκαδε ἀμφὶ δείλῃν ὀψίαν ἀπὼν ὥχετο, συχνὰ τε περιστρεφόμενος ἐν τῇ ἀναχωρήσει ταύτῃ καὶ πανταχόσε περισκοπούμενος, ὁπόθεν ποτὲ προσιόντας αὐτῷ τοὺς ἀπολλύντας ἴδοι. [22] ζῖν ταύτῃ τε τῇ ὀρρωδίᾳ εἰς τὸ δωμάτιον ἀναβὰς ἐπὶ τῆς στιβάδος καθῆστο μόνος, γενναῖον μὲν οὐδὲν ἐννοῶν, οὐδὲ ὅτι ἀνὴρ ἐγεγόνει ἐν μνήμῃ ἔχων, ἰδρῶν δὲ ἀεὶ καὶ ἰλιγγίων καὶ ζῖν τρόμφ' πολλῶ ἀπορούμενος, φόβοις τε ἀνδραποδῶδεσι καὶ μερίμναις ἀποκναιόμενος φιλοψύχοις τε καὶ ὅλως ἀνάνδροις. [23] Ἀντωνίνα δὲ ἄτε οὔτε τὰ πρᾶσσόμενα ὅλως ἐπισταμένη οὔτε τι τῶν ἐσομένων καταδοκοῦσα περιπάτους ἐνταῦθα ἐποιεῖτο συχνοὺς ὀδυρεγμίαν σκῆπτομένη· [24] ἔτι γὰρ εἰς ἀλλήλους ὑπόπτως εἶχον. μετὰ δὲ τις ἐκ Παλατίου, Κουαδράτος ὄνομα, ἦκεν ἥδη δεδουκότος ἡλίου, τὴν τε αὐλειὸν ὑπερβὰς ἐξαπινάϊως παρὰ τὴν ἀνδρωνίτιδα ἔστη θύραν, φάσκων πρὸς τῆς βασιλίδος ἐνταῦθα ἐστάλθαι. [25] ὅπερ ἐπεὶ Βελισάριος ἤκουσε, χεῖρας καὶ πόδας ἐπὶ τῆς στιβάδος ἐλκύσας ὑπτίως ἔκειτο, πρὸς τὴν ἀναίρεσιν ἐτοιμότατος· οὕτως ἅπαν αὐτὸν τὸ ἄρρενωπὸν ἀπελελοίπει. [26] οὐπω τοῖνον ὁ Κουαδράτος παρ' αὐτὸν εἰσελθὼν γράμματά οἱ τῆς βασιλίδος ἐπέδειξεν. [27] ἐδήλου δὲ ἡ γραφή τάδε· “Ἄ μὲν εἰργάσω ἡμᾶς, ὦ βέλτιστε, οἶσθα. ἐγὼ δὲ τὰ πολλὰ ὀφείλουσα τῇ σῇ γυναικί, ταῦτα δὴ τὰ ἐγκλήματά σοι ἀφεῖναι ζῦμπαντα ἔγνωκα, ἐκείνη τὴν σὴν δωρουμένη ψυχὴν. [28] τὸ μὲν οὖν ἐνθεν σοὶ τὸ θαρσεῖν ὑπὲρ τε τῆς σωτηρίας καὶ τῶν χρημάτων περίεστιν· ὁποῖος δὲ σὺ πρὸς αὐτὴν ἔση διὰ τῶν πραχθησομένων εισόμεθα.” [29] ταῦτα ἐπεὶ Βελισάριος ἀνελέξατο, ἅμα μὲν ὑφ' ἡδονῆς ἐπὶ μέγα ἄρθεις, ἅμα δὲ καὶ τῷ παρόντι ἐπίδειξιν ἐθέλων ποιεῖσθαι τῆς γνώμης, ἀναστὰς εὐθὺς παρὰ τῆς γυναικὸς τοὺς πόδας ἐπὶ στόμα πίπτει. [30] καὶ χειρὶ μὲν ἐκατέρᾳ περιλαβὼν αὐτῆς ἅμφω τὰς κνήμας, τὴν δὲ γλῶσσαν ἀεὶ τῶν ταρσῶν τῆς γυναικὸς μεταβιβάζων, τοῦ μὲν βίου καὶ τῆς σωτηρίας αἰτίαν ἐκάλει, ἀνδράποδον δὲ αὐτῆς τὸ ἐνθένδε πιστὸν ὁμολόγει καὶ οὐκ ἀνὴρ ἔσεσθαι. [31] καὶ τῶν χρημάτων δὲ ἡ βασιλὶς ἐς τριάκοντα χρυσοῦ κεντηνάρια τῷ βασιλεῖ δοῦσα, τᾶλλα Βελισαρίῳ ἀπέδοτο. [32] Τὰ μὲν οὖν ἀμφὶ Βελισαρίῳ τῷ στρατηγῷ τῇδε κεχωρήκει, ὥπερ ἡ τύχη οὐ πολλῶ πρότερον Γελίμερά τε καὶ Οὐίτιγιν δορυαλώτους παρεδεδώκει. [33] ἐκ παλαιοῦ δὲ Ἰουστινιανόν τε καὶ Θεοδῶραν πλοῦτος ὁ τοῦτου τοῦ ἀνδρὸς ἀκριβῶς ἔκνιζεν, ὑπέρογκός τε ὢν καὶ βασιλικῆς αὐλῆς ἄξιος. [34] ἔφασκόν τε ὡς τῶν δημοσίων χρημάτων Γελίμερός τε καὶ Οὐίτιγιδος τὸ πλεῖστον ἀποκρυσάμενος λάθρα ἔτυχε, μοῖραν δὲ αὐτῶν βραχεῖαν τέ τινα καὶ οὐδαμῇ ἀξιόλογον βασιλεῖ ἔδωκε. [35] πόνους δὲ τοὺς τοῦ ἀνθρώπου καὶ τῶν ἔξωθεν τὴν βλασφημίαν διαριθμούμενοι, ἅμα δὲ καὶ σκῆψιν ἀξιοχρεῶν ἐπ' αὐτῷ οὐδεμίαν

κεκομισμένοι ἡσυχῇ ἔμενον. [36] τότε δὲ ἡ βασιλις αὐτοῦ λαβομένη κατωρρωδηκότος τε καὶ ἀποδειλιάσαντος ὅλως πράξει μιᾷ διεπράξατο ξυμπάσης αὐτοῦ τῆς οὐσίας κυρία γενέσθαι. [37] ἐς κῆδος γὰρ ἀλλήλοις ξυνηλθέτην εὐθὺς, Ἰωαννίνα τε ἡ Βελισαρίου θυγάτηρ, ἥσπερ μόνης ἐγεγόνει πατὴρ, Ἀναστασίῳ τῷ τῆς βασιλίδος θυγατρίδῳ μνηστὴ γέγονε. [38] Βελισάριος μὲν οὖν ἀρχὴν τε ἀπολαβεῖν τὴν οἰκειάν ἡξίου καὶ στρατηγὸς τῆς ἐφ᾽ ἑαυτὸν ἀποδειχθεὶς πάλιν ἐπὶ Χοσρόην καὶ Μήδους ἐξηγήσεσθαι τῷ Ῥωμαίων στρατῷ, Ἀντωνίνα δὲ οὐδαμῶς εἶα: περιυβρίσθαι γὰρ ἐν τοῖς ἐκείνῃ χωρίοις πρὸς αὐτοῦ ἔφασκεν, ἅπερ οὐκέτι τὸ λοιπὸν ὄψεσθαι. [39] Διὸ δὲ Βελισάριος ἀρχὼν τῶν βασιλικῶν καταστάς ἱποκόμων ἐς τὴν Ἰταλίαν τὸ δευτέρον ἐστάλη, ὁμολογήσας βασιλεῖ, ὥς φασι, χρήματα μήποτε αὐτὸν ἐν τῷδε τῷ πολέμῳ αἰτήσιν, ἀλλὰ ξύμπασαν αὐτὸς τὴν τοῦ πολέμου παρασκευὴν χρήμασιν οἰκείοις ποιήσεσθαι. [40] πάντες μὲν οὖν ὑπετόπαζον τὰ τε ἀμφὶ τῇ γυναικὶ ταύτῃ, ἥπερ ἐρρήθη, Βελισάριον διοικήσασθαι καὶ βασιλεῖ ταῦτα ὁμολογήσαι ἀμφὶ τῷ πολέμῳ ἃ δεδιήγεται, ἀπαλλαξείοντα τῆς ἐν Βυζαντίῳ διατριβῆς, ἐπειδὴν τε τάχιστα τοῦ τῆς πόλεως περιβόλου ἐκτὸς γένηται, ἀρπάσεσθαι τε αὐτίκα τὰ ὄπλα καὶ τι γενναῖον καὶ ἀνδρὶ πρέπον ἐπὶ τε τῇ γυναικὶ καὶ τοῖς βιασαμένοις φρονήσιν. [41] αὐτὸς δὲ πάντα τὰ ξυμπεσόντα ἐν ἀλογίᾳ πεποιημένος ὄρκων τε τῶν Φωτίῳ καὶ τοῖς ἄλλοις ἐπιτηδείοις ὁμωμοσμένων ἐν λήθῃ τε πολλῇ καὶ ὀλιγοῖα γενόμενος εἶπετο τῇ γυναικὶ, καταστάς ἐκτόπως εἰς αὐτὴν ἐρωτόληπτος, καὶ ταῦτα ἐξήκοντα ἤδη γεγонуῖαν ἔτη. [42] ἐπειδὴ μέντοι ἐν Ἰταλίᾳ ἐγένετο, εἰς ἡμέραν ἐκάστην ἀπ' ἐναντίας αὐτῷ τὰ πράγματα ἐχῶρει, ἐπεὶ οἱ διαρρήδην τὰ ἐκ θεοῦ πολέμια ἦν. [43] πρῶτον μὲν γε τὰ τῷ στρατηγῷ τούτῳ ἐν τοῖς ξυμπίπτουσιν ἐπὶ τε Θευδάτον καὶ Οὐίτιγιν βουλευόμενα, καίπερ οὐκ ἐπιτηδείως τοῖς πρασσομένοις δοκοῦντα ἔχειν, ἐς ξύμφορον ἐκ τοῦ ἐπὶ πλεῖστον ἐτελεύτα τέλος: ἐν δὲ τῷ ὑστέρῳ δόξαν μὲν ἀπήνεγκεν ὅτι δὴ τὰ βελτίω βεβούλευται ἅτε καὶ τῶν κατὰ τὸν πόλεμον τόνδε πραγμάτων γεγονῶς ἔμπειρος, ἀλλ' ἐν τοῖς ἀποβαίνουσι κακοτυχοῦντι τὰ πολλὰ ἐς ἀβουλίας δόκησιν αὐτῷ ἀπεκρίθη. [44] οὕτως ἄρα οὐκ ἀνθρώπων βουλαῖς, ἀλλὰ τῇ ἐκ θεοῦ ῥοπῇ πρυτανεύεται τὰ ἀνθρώπεια, ὃ δὴ τύχην εἰώθασι καλεῖν ἄνθρωποι, οὐκ εἰδότες ὅτου δὴ ἔνεκα ταύτῃ πρόεισι τὰ ξυμβαίνοντα, [45] ἥπερ αὐτοῖς ἐνδηλα γίνεται. τῷ γὰρ ἀλόγῳ δοκοῦντι εἶναι φιλεῖ τὸ τῆς τύχης ὄνομα προσχωρεῖν. ἀλλὰ ταῦτα μὲν ὥς περ ἐκάστῳ φίλον, ταύτῃ δοκεῖτω.

Βελισάριος δὲ τὸ δεύτερον ἐν Ἰταλίᾳ γενόμενος αἰσχιστα ἐνθένδε ἀπήλλαξε: τῆς μὲν γὰρ γῆς ἐς πεντάετες ἀποβῆναι οὐδαμῇ ἴσχυσεν, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, ὅτι μὴ ἔνθα τι ὀχύρωμα ἦν. ναυτιλλόμενος δὲ πάντα τοῦτον τὸν χρόνον τὰ ἐπιθαλάσσια [2] περιήει. Τουτίλας δὲ λυσσῶν ἦν αὐτὸν ἔξω τείχους λαβεῖν, οὐ μέντοι εὗρεν, ἐπεὶ ὀρρωδίᾳ πολλῇ αὐτός τε καὶ ξύμπας ὁ Ῥωμαίων στρατὸς εἶχετο. [3] διὸ δὴ οὔτε τῶν ἀπολωλότων τι ἀνεσώσατο, ἀλλὰ καὶ Ῥώμην προσαπώλεσε καὶ τᾶλλα ὡς εἰπεῖν ἅπαντα. [4] ἐγένετο δὲ φιλοχρήματος ἐν τούτῳ τῷ χρόνῳ πάντων μάλιστα καὶ κέρδους αἰσχροῦ ἐπιμελητῆς ἀκριβέστατος ἅτε οὐδὲν ἐκ βασιλέως κεκομισμένος, Ἰταλοὺς ἀμέλει σχεδὸν πάντας, οἵπερ ὥκνητο ἐπὶ τε Ῥαβέννης καὶ Σικελίας, καὶ εἴ του ἄλλου κατατυχεῖν ἐν ἐξουσίᾳ ἔσχεν, ἐληΐσατο οὐδενὶ κόσμῳ, λογισμοὺς δῆθεν τῶν βεβιωμένων καταπραττόμενος. [5] οὕτω γοῦν καὶ Ἡρωδιανὸν μετιῶν χρήματα ἦτει, ἅπαντα τῷ ἀνθρώπῳ ἐπανασείων. [6] οἷς δὴ ἐκεῖνος ἀχθόμενος ἀπετάξατο μὲν τῷ Ῥωμαίων στρατῷ, αὐτὸν δὲ εὐθὺς ζύν τε τοῖς ἐπομένοις καὶ τῷ Σπολιτίῳ Τουτίλᾳ καὶ Γότθοις ἐνέδωκεν. [7] ὅπως δὲ αὐτῷ τε καὶ Ἰωάννῃ τῷ Βιταλιανοῦ ἀδελφιδῷ διχοστατῆσαι συνέβη, ὅπερ τὰ Ῥωμαίων πράγματα μάλιστα ἐσφρηλεν, αὐτίκα δηλώσω. [8] Ἐς τοῦτο ἀπεχθείας Γερμανῷ ἡ βασιλὶς ἦλθεν ἐπιδηλότατόν τε ἅπασι τὸ ἐχθος ἐποίει, ὥστε αὐτῷ κηδεύειν, καίπερ βασιλέως ἀνεπιῶν ὄντι, ἐτόλμα οὐδεὶς, ἄνυμοί τε αὐτῷ οἱ παῖδες διαγεγόνασι, μέχρις αὐτῇ ἀπελύθη τοῦ βίου. ἢ τε θυγάτηρ αὐτῷ Ἰουστίνᾳ ἐπὶ ὀκτωκαίδεκα ἔτη ἠβήσασα ἔτι ἀνυμέναιος ἦν. [9] διὰ τοι τοῦτο ἡνίκα Ἰωάννης πρὸς Βελισαρίου σταλὲς ἀφίκετο ἐς Βυζάντιον, ἐς λόγους αὐτῷ καταστῆναι ὁ Γερμανὸς ἀμφὶ τῇ κηδεῖᾳ ἠνάγκαστο, καὶ ταῦτα λίαν ἀπὸ τῆς ἀξίας τῆς αὐτοῦ ὄντι. [10] ἐπεὶ τε τὸ πρᾶγμα ἤρεσκεν ἄμφω, ὅρκοις ἀλλήλους ἐγνώσαν δεινотάτοις καταλαβεῖν ἢ μὴν τὸ κῆδος ἐπιτελέσειν δυνάμει τῇ πάσῃ, ἐπεὶ αὐτοῖν ἐκάτερος τὸ θαρσεῖν ἐπὶ θατέρῳ ὡς ἥκιστα εἶχεν, ὁ μὲν τῷ ξυνειδέναί ὅτι δὴ τῶν ὑπὲρ τὴν ἀξίαν ὀρέγοιτο, ὁ δὲ κηδεστοῦ ἀπορούμενος. [11] ἡ δὲ οὐκ ἔχουσα τίς γένηται διὰ πάσης ὁδοῦ ἰοῦσα ἐκάτερον μετιέναι μηχανῇ πάσῃ οὐκ ἀπηξίου, ὅπως ἂν τὰ πραττόμενα διακωλύοι. [12] ἐπεὶ δὲ αὐτοῖν καίπερ πολλὰ δεδιξαμένη ἀναπειθῆναι οὐδέτερον ἔσχε, διαρρήδην ἀπολεῖν τὸν Ἰωάννην ἠπειλήσε. [13] καὶ ἀπ' αὐτοῦ Ἰωάννης αὐθὺς ἐς Ἰταλίαν σταλὲς οὐδαμῇ ξυμμίξαι Βελισαρίῳ ἐτόλμησε, τὴν ἐξ Ἀντωνίνης ἐπιβουλήν δείσας, ἕως Ἀντωνίνα ἐς Βυζάντιον ἦλθε. [14] τὴν τε γὰρ βασιλίδᾳ ταύτῃ ἐπιστεῖλαι τὸν αὐτοῦ φόνον οὐκ ἄπο τοῦ εἰκότος ἂν τις ὑπώπτευσε, καὶ τὸν Ἀντωνίνης σταθμωμένῳ τρόπον ἅπαντά τε Βελισάριον ἐνδιδόναι τῇ γυναικὶ ἐπισταμένῳ δέος ἐγένετο μέγα καὶ τὸν ἐσῆει. [15] τοῦτο γοῦν Ῥωμαῖοις τὰ πράγματα καὶ πρότερον ἐπὶ θατέρου σκέλους ἐστῶτα προσουδίξει χαμαί. [16] Βελισαρίῳ μὲν οὖν ὁ Γοτθικὸς πόλεμος τῇδε ἐχώρησεν. ἀπογνοὺς δὲ βασιλέως ἐδεῖτο ὅπως οἱ ἐξῆ ἔνθενδε ὅτι τάχιστα ἀπαλλαγῆναι. [17] καὶ ἐπεὶ ἐνδεχόμενον βασιλέᾳ τὴν δέησιν ἐγνώ, ἄσμενος εὐθὺς ἀπιὼν ὥχετο, χαίρειν πολλὰ τῷ τε Ῥωμαίων στρατῷ καὶ τοῖς Ἰταλοῖς φράσας, καὶ τὰ μὲν πλείστα

ὕποχρεια τοῖς πολεμίοις ἀπολιπών, Περυσίαν δὲ πικρότατα πολιορκία πιεζομένην, ἥπερ ἔτι αὐτοῦ ὁδῶ ἰόντος κατ' ἄκρας ἀλουσα ἐς πᾶσαν κακοῦ ἰδέαν ἤλθεν, ἥπερ μοι πρότερον δεδιήγηται. ζυνηνέχθη δὲ καὶ κατὰ τὴν οἰκίαν τύχης ἐναντίωμα ζυμπεσεῖν τοιόνδε. [18] Θεοδώρα ἡ βασιλὶς τῆς Βελισαρίου παιδὸς ἐξεργάζεσθαι τὴν ἐγγύην ἐπειγομένη τῷ θυγατριδῷ, συχνὰ γράφουσα τοὺς γειναμένους τὴν κόρην ἠνώχλει. [19] οἱ δὲ τὸ κῆδος ἀναδύομενοι ἀπετίθεντο μὲν ἐς παρουσίαν τὴν σφετέραν τὸν γάμον, μεταπεμπομένης δὲ αὐτοὺς ἐς Βυζάντιον τῆς βασιλίδος, ἀδύνατοι εἶναι ἀπαλλάσσεσθαι τανὺν ἐξ Ἰταλίας ἐσκήπτοντο. [20] ἡ δὲ γλιχομένη μὲν κύριον τὸν θυγατρίδου τοῦ Βελισαρίου καταστήσεσθαι πλούτου, ἥδει γὰρ ἐπὶ κληρὸν ἐσομένην τὴν παῖδα, οὐκ ὄντος Βελισαρίῳ ἐτέρου τοῦ γόνου, ἐπὶ μέντοι τῇ Ἀντωνίνης γνώμῃ θαρσεῖν οὐδαμῇ ἔχουσα, δειμαίνουσα τε μὴ μετὰ τὴν τοῦ βίου καταστροφὴν οὐ φανεῖσα πιστὴ ἐς τὸν αὐτῆς οἶκον, καίπερ αὐτῆς οὕτω φιλανθρώπου ἐν τοῖς ἀναγκαιοτάτοις τυχοῦσα, διασπάσῃται τὰ ζυγκείμενα, ἐργάζεται ἀνόσιον ἔργον. [21] τῷ γὰρ μεираκίῳ τὴν παιδίσκην ζυνοικίζει οὐδενὶ νόμῳ. φασὶ δὲ ὡς καὶ πλησιάσαι οὐτὶ ἐκουσίαν ἠνάγκασε κρύβδην, οὕτω τε διαπεπαρθενευμένη τὸν ὑμέναιον τῇ κόρῃ ζυστῆναι, τοῦ μὴ βασιλέα τὰ πρασσόμενα διακωλύσαι. [22] τοῦ μέντοι ἔργου ἐξεργασμένου ἔρωτι ἀλλήλοιον διαπύρῳ τινὶ ὃ τε Ἀναστάσιος καὶ ἡ παῖς εἶχοντο, καὶ χρόνος σφίσιν οὐχ ἥσσω ἢ ὀκτὼ μηνῶν ἐν ταύτῃ τῇ διαίτῃ ἐτίρβη. [23] ἠνίκα δὲ Ἀντωνίνα τῆς βασιλίδος ἀπογενομένης ἐς Βυζάντιον ἤλθεν, ἐπελάθετο μὲν ἐθελουσία ὧν ἐκείνη ἔναγχος εἰς αὐτὴν εἵργαστο, ὡς ἥκιστα δὲ ὑπολογισαμένη ὡς, ἦν τῷ ἐτέρῳ ἡ παῖς αὐτῇ ζυνοικίζοιτο, πεπορνευμένη τὰ πρότερα ἔσται, τὸν Θεοδώρας ἔκγονον κηδεστὴν ἀτιμάζει, τὴν τε παῖδα ὡς μάλιστα ἀκουσίαν βιασαμένη ἀνδρὸς τοῦ ἐρωμένου ἀπέστησε. [24] μεγάλην τε ἀγνωμοσύνης ἐκ τοῦ ἔργου τούτου ἀπηνέγκατο δόξαν εἰς πάντας ἀνθρώπους, ἥκοντά τε οὐδενὶ πόνῳ ἀναπεῖθει τὸν ἄνδρα τοῦ ἄγους αὐτῇ μεταλαχεῖν τοῦδε. ὥστε διαρρήδην τηνικάδε ὁ τοῦ ἀνθρώπου τρόπος ἐλήλεγκται. [25] καίτοι διομοσάμενος Φωτίῳ τε καὶ τῶν ἐπιτηδείων τισὶ πρότερον καὶ τὰ ὁμωμοσμένα οὐδαμῇ ἐμπεδώσας συγγνώμης ἐτύγχανε πρὸς πάντων ἀνθρώπων. [26] αἴτιον γὰρ τοῦ ἀπίστου τάνδρῳ οὐ τὴν γυναικοκράτειαν, ἀλλὰ δέος τὸ ἐκ τῆς βασιλίδος ὑπώπτειον εἶναι. [27] ἐπεὶ δὲ καὶ Θεοδώρας ἀπογενομένης, ὥσπερ μοι εἴρηται, οὔτε Φωτίου οὔτε ἄλλου τοῦ τῶν οἱ ἀναγκαίων λόγος γεγένητο, ἀλλ' αὐτῷ δέσποινα μὲν ἡ γυνὴ ἐφαίνετο οὔσα, κύριος δὲ Καλλίγονος ὁ προαγωγὸς ἦν, τότε δὴ ἀπογόνοντες αὐτοῦ ἅπαντες ἐχλεύάζον τε διαθρυλλοῦντες καὶ ἄτε ἄνοιαν ὀφλισκάνοντι ἐλοιδοροῦντο. τὰ μὲν οὖν ἡμαρτημένα Βελισαρίῳ ἀπαρακαλύπτως εἰπεῖν ταύτῃ πῃ ἔχει. [28] Τὰ δὲ Σεργίῳ τῷ Βάκχου παιδὶ ἐπὶ Λιβύης ἡμαρτημένα διαρκῶς μὲν ἐν λόγοις μοι τοῖς ἐπιτηδείοις δεδήλωται, ὃς δὴ αἰτιώτατος γέγονε Ῥωμαίοις ἐνταῦθα διαφθαρῆναι τὰ πράγματα, τὰ τε πρὸς Λευάθας αὐτῷ πρὸς τῶν εὐαγγελίων ὁμωμοσμένα ἐν ἀλογίᾳ πεποιημένος καὶ τοὺς ὀδοήκοντα πρέσβεις οὐδενὶ λόγῳ διαχρησάμενος, τοσοῦτον δὲ μοι τανὺν ἐντιθέναι τῷ λόγῳ δεήσει, ὡς οὔτε νῶ ὁλοερῶ οἱ ἄνδρες οὔτοι παρὰ Σέργιον ἤλθον οὔτε τινὰ σκῆψιν ὁ Σέργιος ὑπονίας περὶ αὐτοὺς εἶχεν, ἀλλὰ διώμοτος ἐπὶ θοίνῃν καλέσας τοὺς ἄνδρας διεχρήσατο

οὐδενὶ κόσμῳ. [29] ἀφ' οὗ δὴ Σολόμωνι καὶ τῷ Ῥωμαίων στρατῷ καὶ Λίβυσι
πᾶσι διεφθάρθαι ξυνέβη. [30] δι' αὐτὸν γὰρ, ἄλλως τε καὶ Σολόμωνος
τετελευτηκότος, ὥσπερ μοι εἴρηται, οὔτε τις ἄρχων οὔτε τις στρατιώτης ἐς
πολέμου κίνδυνον ἰέναι ἤξιον. [31] μάλιστα δὲ πάντων Ἰωάννης ὁ Σισιννιόλου
τῷ ἐς αὐτὸν ἔχθει ἀπόμαχος ἦν, ἕως Ἀρεόβινδος ἐς Λιβύην ἀφίκετο. [32] ἦν
γὰρ ὁ Σέργιος μαλθακὸς μὲν καὶ ἀπόλεμος, τὸ δὲ ἦθος καὶ τὴν ἡλικίαν κομιδῇ
νέος, φθόνῳ τε καὶ ἀλαζονείᾳ ἐς ὑπερβολὴν ἐχόμενος ἐς πάντας ἀνθρώπους,
τεθρυμμένος τε τὴν δίαίταν καὶ τὰς γνάθους φυσῶν. [33] ἀλλ' ἐπεὶ τῆς
Ἀντωνίνης τῆς Βελισαρίου γυναικὸς ἐγγόνης ἐτύγχανε μνηστήρ γεγωνὼς,
τίσιν τινὰ ἐς αὐτὸν ἡ βασιλὶς ἐξενεγκεῖν ἢ παραλῦειν τῆς ἀρχῆς οὐδαμῇ
ἤθελε, καίπερ ἐνδελεχέστατα διαφθειρομένην Λιβύην ὀρώσα, ἐπεὶ καὶ
Σολόμωνα τὸν Σεργίου ἀδελφὸν τοῦ Πηγασίου φόνου αὐτῇ τε καὶ βασιλεὺς
ἀθῶον ἀφῆκεν. ὅ τι δὲ τοῦτό ἐστιν αὐτίκα δηλώσω. [34] Ἐπειδὴ ὁ Πηγάσιος
τὸν Σολόμωνα πρὸς τῶν Λευαθῶν ὠνήσατο καὶ οἱ βάρβαροι ἐπ' οἴκου
ἀπεκομίσθησαν, ὁ μὲν Σολόμων ζύν τε Πηγασίῳ τῷ ἐωνημένῳ καὶ
στρατιώταις ὀλίγοις τισὶν εἰς Καρχηδόνα ἐστέλλετο, ἐν δὲ τῇ ὁδῷ ταύτη
λαβὼν ὁ Πηγάσιος ὅ τι δὴ ἀδικοῦντα Σολόμωνα χρῆναί οἱ ἔφασκεν ἐν μνήμῃ
εἶναι ὡς αὐτὸν ἔναγχος ἐκ τῶν πολεμίων ὁ θεὸς ρύσαιτο. [35] ὁ δὲ χαλεπήνας,
ὅτι δὴ οἱ ἄτε δορυαλώτῳ ὠνείδισε, τὸν Πηγάσιον εὐθύς ἔκτεινε, ταῦτά τε
σῶστρα τῷ ἀνθρώπῳ ἀπέδωκεν. [36] ἐπειδὴ τε ὁ Σολόμων ἐς Βυζάντιον ἦλθε,
καθαρὸν αὐτὸν βασιλεὺς τοῦ φόνου ἐποίει ἅτε προδότην ἀνελόντα τῆς
Ῥωμαίων ἀρχῆς. [37] γράμματά τε αὐτῷ ἐδίδου τὴν ὑπὲρ τούτων ἀσφάλειαν
παρεχόμενος. καὶ ὁ μὲν Σολόμων οὕτω τὴν τίσιν διαφυγὼν ἐπὶ τὴν ἐφάν
ἄσμενος ἦει, τὴν τε πατρίδα καὶ γένος τὸ κατὰ τὴν οἰκίαν ὀψόμενος. [38] ἡ δὲ
ἀπὸ τοῦ θεοῦ τίσις ἐν ταύτῃ τῇ ὁδῷ καταλαβοῦσα ἐξ ἀνθρώπων αὐτὸν
ἀφανίζει. τὰ μὲν οὖν ἀμφὶ Σολόμωνι τε καὶ Πηγασίῳ τῇδε ἐχώρησεν.

VI

Οἵτινες δὲ ἀνθρώπων Ἰουστινιανός τε καὶ Θεοδώρα ἤστην τρόπον τε ὅτῳ διεσπάσαντο τὰ Ῥωμαίων [2] πράγματα ἐρῶν ἔρχομαι. Λέοντος ἐν Βυζαντίῳ τὴν αὐτοκράτορα ἀρχὴν ἔχοντος, γεωργοὶ νεανῖαι τρεῖς, Ἰλλυριοὶ γένος, Ζίμαρχος τε καὶ Διτύβιστος καὶ Ἰουστίνος ὁ ἐκ Βεδεριάνης, πράγμασιν ἐνδελεχέστερα τοῖς ἀπὸ τῆς πενίας οἰκοὶ μαχόμενοι τούτων τε ἀπαλλαξείοντες ἐπὶ τὸ στρατεῦσθαι ὥρμησαν. [3] καὶ περὶ βαδίζοντες ἐς Βυζάντιον ἦσαν, σισύρας ἐπὶ τῶν ὤμων αὐτοὶ φέροντες, ἐν αἷς δὴ ἄλλο οὐδὲν ὅτι μὴ διπύρους ἄρτους οἴκοθεν ἐμβεβλημένοι ἀφίκοντο, ταχθέντας τε ἐν τοῖς στρατιωτικοῖς καταλόγοις βασιλεὺς αὐτοὺς ἐς τοῦ Παλατίου τὴν φυλακὴν ἐπελέξατο. κάλλιστοι γὰρ ἅπαντες τὰ σώματα ἦσαν. [4] χρόνον δὲ ὕστερον Ἀναστασίῳ τὴν βασιλείαν παραλαβόντι πόλεμος πρὸς τὸ Ἰσαύρων ἔθνος ὅπλα ἐπ' αὐτὸν ἀραμένους κατέστη. [5] στρατιάν τε λόγου ἀξίαν ἐπ' αὐτοὺς ἔπεμψεν, ἥσπερ Ἰωάννης ἡγεῖτο, ἐπὶ κλησιν Κυρτός. οὗτος Ἰωάννης τὸν Ἰουστίνον ἀμαρτάδος τινὸς ἕνεκα ἐν δεσμοτηρίῳ καθείρξεν, ἡμέρα τε τῇ ἐπιούσῃ ἐξ ἀνθρώπων αὐτὸν ἀφανιεῖν ἔμελλεν, εἰ μὴ τις μετὰ τὸ ἐπιγενομένη ὄψις ὄνειρου ἐκώλυσεν. [6] ἔφη γὰρ οἱ ἐν ὄνειρῳ ὁ στρατηγὸς ἐντυχεῖν τινα παμμεγέθη τε τὸ σῶμα καὶ τᾶλλα κρείσσω ἢ ἀνθρώπῳ εἰκάζεσθαι. [7] καὶ τὸν μὲν οἱ ἐπισκῆψαι μεθεῖναι τὸν ἄνδρα, ὃνπερ καθείρξας ἐκείνῃ τῇ ἡμέρᾳ ἐτύγχανεν· αὐτὸν δὲ τοῦ ὕπνου ἐξαναστάντα ἐν ἀλογία τὴν τοῦ ὄνειρου ὄψιν ποιήσασθαι. [8] ἐπιλαβούσης δὲ καὶ ἐτέρας νυκτὸς ἐδόκει μὲν οἱ ἐν τῷ ὄνειρῳ καὶ αὐθις τῶν λόγων ἀκοῦειν ὥνπερ ἡκηκόει τὸ πρότερον, ἐπιτελέσαι δὲ τὰ ἐπιτεταγμένα οὐδ' ὥς [9] βεβουλησθαι. τρίτον τέ οἱ ἐπιστάσαν τὴν τοῦ ὄνειρου ὄψιν ἀπειλῆσαι μὲν τὰ ἀνήκεστα, ἢ μὴ τὰ ἐπηγγελμένα ποιοίῃ, ἐπειτεῖν τε ὡς αὐτοῦ τε τοῦ ἀνθρώπου καὶ τῆς συγγενείας χρέος οἱ μέγα ὀργισθησομένῳ ἐς χρόνον τὸν ὀπισθεν εἶη. [10] Τότε μὲν οὖν οὕτως Ἰουστίνῳ περιεῖναι ξυνέβη, προϊόντος δὲ τοῦ χρόνου ἐς μέγα δυνάμεως οὗτος Ἰουστίνος ἐχώρησεν. [11] ἄρχοντα γὰρ αὐτὸν Ἀναστάσιος βασιλεὺς κατεστήσατο τῶν ἐν Παλατίῳ φυλάκων. ἐπειδὴ τε ὁ βασιλεὺς ἐξ ἀνθρώπων ἠφάνιστο, αὐτὸς τῇ τῆς ἀρχῆς δυνάμει τὴν βασιλείαν παρέλαβε, τυμβογέρων μὲν γεγονὼς ἤδη, ἀμάθητος δὲ γραμμάτων ἀπάντων καὶ τὸ δὴ λεγόμενον ἀναλφάβητος ὢν, οὐ γεγονὼς ἔν γε Ῥωμαίοις πρότερον τοῦτό γε. [12] εἰθισμένον δὲ γράμματα οἰκεῖα τοῖς βιβλίοις ἐντιθέναι τὸν βασιλέα, ὅσα ἂν ἐπαγγέλλοντος αὐτοῦ γίνοντο, αὐτὸς μέντοι οὔτε ἐπηγγείλεν οὔτε τοῖς πρασσομένοις συνηντίστασθαι οἷός τε ἦν. [13] ὃς δὲ παρεδρεύειν αὐτῷ ἔλαχεν, ἀρχὴν ἔχων τὴν τοῦ καλουμένου κοιαίστωρος Πρόκλος ὄνομα, [14] αὐτὸς δὴ αὐτονόμῳ γνώμῃ ἅπαντα ἔπρασεν. ὅπως δὲ μαρτυρίαν τῆς βασιλέως χειρὸς ἔχοιεν, οἷς δὴ ἐπίκειται τὸ ἔργον τοῦτο, ἐπενοήθη τάδε. [15] ξύλῳ εἰργασμένῳ βραχεὶ ἐγκολάψαντες μορφήν τινα γραμμάτων τεττάρων, ἅπερ ἀναγνῶναι τῇ Λατίνων φωνῇ δύναται, γραφίδα τε βαφῇ βάψαντες, ἣ βασιλεῖς γράφειν εἰώθασιν, [16] ἐνεχειρίζοντο τῷ βασιλεῖ τούτῳ. καὶ τὸ ξύλον, οὗπερ ἐμνήσθη, τῷ βιβλίῳ ἐνθέμενοι, λαβόμενοι τε τῆς βασιλέως χειρὸς, περιῆγον μὲν ζῆν τῇ γραφίδι ἐς τῶν τεττάρων γραμμάτων

τὸν τύπον, ἐς πάσας τε τὰς τοῦ ξύλου αὐτὴν περιελίξαντες ἐντομὰς οὕτω δὴ ἀπηλλάσσοντο, τοιαῦτα βασιλέως γράμματα φέροντες. [17] Τὰ μὲν ἀμφὶ τῷ Ἰουστίνῳ ταύτῃ Ῥωμαίοις εἶχε. γυναικὶ δὲ ὄνομα Λουπικίνῃ ξυνέκει. αὕτη δὲ δούλῃ τε καὶ βάρβαρος οὖσα τοῦ πρόσθεν αὐτὴν ἐωνημένου παλλακὴ γέγονε. καὶ αὕτῃ μὲν ξὺν Ἰουστίνῳ ἐπὶ βίου δυσμαῖς τὴν βασιλείαν ἔσχεν. [18] Ἰουστίνος μὲν οὖν οὔτε τι πονηρὸν τοὺς ὑπηκόους ἐργάζεσθαι οὔτε ἀγαθὸν ἴσχυεν. εὐηθεία γὰρ πολλῇ εἶχετο, ἄγλωττός τε παντάπασιν ὦν καὶ ἀγροικιζόμενος μάλιστα. [19] ἀδελφιδοῦς δὲ αὐτῷ Ἰουστινιανὸς νέος ὦν ἔτι διωκεῖτο τὴν ἀρχὴν ξύμπασαν καὶ γέγονε Ῥωμαίοις ξυμφορῶν αἴτιος, οἷας τε καὶ ὅσας ἐς τὸν ἅπαντα αἰῶνα οὐδεὶς που πρότερον ἀκοῇ ἔλαβεν. [20] ἐς τε γὰρ ἀνθρώπων ἄδικον φόνον καὶ χρημάτων ἀρπαγὴν ἀλλοτρίων ῥᾶστα ἐχώρει, καὶ οὐδὲν ἦν αὐτῷ μυριάδας πολλὰς ἐξ ἀνθρώπων ἀφανισθῆναι, καίπερ αὐτῷ αἰτίαν οὐδεμίαν παρασχομένων. [21] καὶ φυλάσσειν μὲν τῶν καθεσταμένων οὐδὲν ἠξίου, ἅπαντα δὲ νεοχμοῦν ἐς αἰεὶ ἤθελε, καὶ τὸ ξύμπαν εἰπεῖν, μέγιστος δὴ οὗτος ἦν [22] διαφθορεὺς τῶν εὖ καθεστώτων. τὸν μὲν οὖν λοιμὸν, ὅσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, καίπερ ἐπισκήψαντα εἰς τὴν γῆν ξύμπασαν, διέφυγον ἄνθρωποι οὐχ ἥσσους ἢ ὅσοις διαφθαρῆναι τετύχηκεν, ἢ οὐδαμῇ τῇ νόσῳ ἀλόντες ἢ περιγενόμενοι, ἐπειδὴ σφίσις ἀλῶναι ξυνέβη. [23] ἄνδρα δὲ τοῦτον διαφυγεῖν ἀνθρώπῳ γε ὄντι Ῥωμαίῳ τῶν πάντων οὐδενὶ ξυνηνέχθη, ἀλλ' ὥσπερ τι ἄλλο ἐξ οὐρανοῦ πάθος ὅλῳ τῷ γένει ἐπεισπεσὼν ἀνέπαφον οὐδένα παντελῶς εἶασε. [24] τοὺς μὲν γὰρ ἔκτεινεν οὐδενὶ λόγῳ, τοὺς δὲ πενία μαχομένους ἀφείξαι ἀθλιωτέρους τῶν τετελευτηκότων εἰργάζετο, εὐχομένους τὰ παρόντα σφίσι διαλυῖσαι θανάτῳ οἰκτίστῳ. τινῶν μέντοι ξὺν τοῖς χρήμασι καὶ τὰς ψυχὰς εἶλεν. [25] ἐπεὶ δὲ οὐδὲν ἦν αὐτῷ μόνην καταλυῖσαι τὴν Ῥωμαίων ἀρχὴν, Λιβύης τε καὶ Ἰταλίας οὐκ ἄλλου τοῦ ἔνεκα πεποιῆσθαι τὴν ἐπικράτησιν ἴσχυσεν ἢ ὥστε ξὺν τοῖς πρότερον ὑφ' αὐτῷ οὕσι διολέσαι [26] τοὺς ταύτῃ ἀνθρώπους. οὕτω γοῦν δεκαταῖος εἰς τὴν δύναμιν γεγωνὼς Ἀμάντιον τῶν ἐν Παλατίῳ εὐνούχων ἄρχοντα ξὺν ἐτέροις τισὶν ἐξ αἰτίας οὐδεμιᾶς ἔκτεινεν, ἄλλο οὐδὲν τῷ ἀνθρώπῳ ἐπενεγκὼν, πλην γε δὴ ὅτι ἐς Ἰωάννην τὸν τῆς πόλεως ἀρχιερέα λόγον τινὰ προπετὴ εἶποι. [27] καὶ ἀπ' αὐτοῦ φοβερώτατος γέγονεν ἀνθρώπων ἀπάντων. αὐτίκα δὲ καὶ Βιταλιανὸν τὸν τύραννον μετεπέμψατο, ᾧ δὴ τὰ πιστὰ πρότερον ὑπὲρ τῆς ἀσφαλείας παρέσχετο, διαλαχὼν αὐτῷ τῶν ἐν Χριστιανοῖς μυστηρίων. [28] ὀλίγῳ τε ὕστερον ἐξ ὑποψίας αὐτῷ προσκεκρουκὸτα ξὺν τοῖς ἐπιτηδεύουσιν ἐν Παλατίῳ λόγῳ οὐδενὶ διεχρήσατο, πίστει οὕτω δεινοτάτας ἐμπεδῶσαι οὐδαμῇ ἀξιώσας.

VII

Τοῦ δὲ δήμου ἐκ παλαιοῦ ἐς μοίρας δύο διεστηκότος, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, μίαν αὐτὸς τὴν Βενέτων ἐταιρισάμενος, ἣ οἱ καὶ τὸ πρότερον κατεσπουδασμένη ἐτύγχανε, ξυγγεῖν τε καὶ ξυνταράξαι ἅπαντα ἴσχυσε. καὶ ἀπ' αὐτοῦ ἐς γόνυ ἐλθεῖν Ῥωμαίους τὴν πολιτείαν πεποίηκεν. [2] οὐχ ἅπαντες δὲ οἱ Βένετοι ἐπισπένθαι τῇ τοῦδε τοῦ ἀνδρὸς γνώμῃ ἔγνωσαν, ἀλλ' ὅσοι στασιῶται ὄντες ἐτύγχανον. [3] καὶ αὐτοὶ μέντοι προϊόντος ἤδη τοῦ δεινοῦ σωφρονέστατοι ἔδοξαν εἶναι ἀνθρώπων ἀπάντων. [4] ἐνδεεστέως γὰρ ἢ κατὰ τὴν ἐξουσίαν ἡμάρτανον. οὐ μὴν οὐδὲ τῶν Πρασίνων οἱ στασιῶται ἡσυχῇ ἔμενον, ἀλλὰ καὶ αὐτοὶ ἔπρασσον ἀεὶ τὰ ἐγκλήματα ἐς ὅσον σφίσι δυνατὰ ἐγεγόνει, καίπερ κατὰ μόνας διηνεκὲς κολαζόμενοι. [5] ὅπερ αὐτοὺς ἐς τὸ θρασύνεσθαι πολλῶ ἔτι μᾶλλον ἐς ἀεὶ ἤγεν. ἀδικούμενοι γὰρ εἰώθασιν ἐς ἀπόνοιαν τρέπεσθαι ἄνθρωποι. [6] τότε οὖν τοὺς Βενέτους αὐτοῦ ῥιπίζοντός τε καὶ διαφανῶς ἐρεθίζοντος ἅπανα κατ' ἄκρας ἡ Ῥωμαίων ἀρχὴ ἐκινήθη ὥσπερ σεισμοῦ ἢ κατακλυσμοῦ ἐπιπεσόντος ἢ πόλεως ἐκάστης πρὸς τῶν πολεμίων ἀλούσης. [7] πάντα γὰρ ἐν ἅπασι ξυνεταράχθη καὶ οὐδὲν ἐφ' ἑαυτοῦ τὸ λοιπὸν ἔμεινεν, ἀλλ' οἱ τε νόμοι καὶ ὁ τῆς πολιτείας κόσμος ξυγχύσεως ἐπιγενομένης ἐς πᾶν τουναντίον ἐχώρησαν. [8] Καὶ πρῶτα μὲν τοῖς στασιώταις τὰ ἐς τὴν κόμην ἐς νεώτερόν τινα μετεβέβλητο τρόπον. ἀπεκείροντο γὰρ αὐτὴν οὐδὲν ὁμοίως τοῖς ἄλλοις Ῥωμαίοις. [9] τοῦ μὲν γὰρ μύστακος καὶ τοῦ γενείου οὐδαμῇ ἤπτοντο, ἀλλ' αὐτοῖς κατακομᾶν ἐπὶ πλεῖστον ὥσπερ οἱ Πέρσαι ἐς ἀεὶ ἤθελον. [10] τῶν δὲ ἐν τῇ κεφαλῇ τριχῶν τὰ ἔμπροσθεν ἄχρι ἐς τοὺς κροτάφους ἀποτεμόμενοι τὰ ὀπισθεν ἀποκρέμασθαι σφίσιν ἐπὶ μακρότατον λόγῳ οὐδενὶ εἶων, ὥσπερ οἱ Μασσαγέται. διὸ δὴ καὶ Οὐννικὸν τὸ τοιοῦτον εἶδος ἐκάλουν. [11] Ἐπειτα δὲ τὰ ἐς τὰ ἱμάτια εὐπάρυφοι ἠξίουσαν ἅπαντες εἶναι, κομπωδεστέραν ἢ κατὰ τὴν ἐκάστου ἀξίαν ἐνδιδυσκόμενοι τὴν ἐσθῆτα. [12] κτᾶσθαι γὰρ αὐτοῖς τὰ τοιαῦτα ἐξ οὐ προσηκόντων παρῆν. τοῦ δὲ χιτῶνος τὸ ἀμφὶ τῷ χεῖρε μέρος αὐτοῖς τὰ μὲν ἐς τὸν καρπὸν ξυνῆει σφίσιν ἐν στενῷ μάλιστα, τὰ δὲ ἐνθένδε ἄχρι ἐς ὅμον ἐκάτερον ἐς ἄφατόν τι εὖρους διεκέχυτο χρῆμα. [13] ὡσάκεις τε ἡ χεῖρ αὐτοῖς σείοιτο ἀναβοῶσιν ἐν τοῖς θεάτροις τε καὶ ἵπποδρομίαις, ἢ ἐγκελευομένοις, ἥπερ εἰώθει, ἐς ὕψος αὐτοῖς τοῦτο τὸ μέρος ἀτεχνῶς ἤρετο, αἰσθησιν παρεχόμενον τοῖς ἀνοήτοις, ὅτι δὴ αὐτοῖς οὕτω καλόν τε τὸ σῶμα καὶ ἀδρὸν εἶη ἂν, ὥστε δεῖν γε αὐτοῖς πρὸς τῶν τοιούτων ἱματίων καλύπτεσθαι, οὐκ ἐννοοῦσιν ὅτι δὴ αὐτοῖς τῷ τῆς ἐσθῆτος ἡραιωμένῳ τε καὶ κενῷ πολλῶ ἔτι μᾶλλον τὸ τοῦ σώματος ἐξίτηλον διελεγχθεῖη. [14] αἱ ἐπωμίδες δὲ καὶ ἀναξυρίδες καὶ τῶν ὑποδημάτων τὰ πλεῖστα ἐς τῶν Οὐννων τό τε ὄνομα καὶ τὸν τρόπον ἀπεκέκριτο σφίσιν. [15] Ἐσιδηροφόρου δὲ νύκτωρ μὲν τὰ πρῶτα ἐκ τοῦ ἐμφανοῦς ἅπαντες σχεδόν, ἐν δέ γε ἡμέρᾳ ξιφίδια παρὰ τὸν μηρὸν δίστομα ὑπὸ τῷ ἱματίῳ ἀποκρυψάμενοι, ξυνιστάμενοί τε κατὰ συμμορίας, ἐπειδὰν ξυσκοτάζοι, ἐλωποδύτουν τοὺς ἐπιεικεστέρους ἐν τε ὅλῃ ἀγορᾷ καὶ τοῖς στενωποῖς, ἀφαιρούμενοι τοὺς παραπεπτωκότας τὰ τε ἱμάτια καὶ ζώνας τε καὶ περόνας

χρυσᾶς καὶ εἴ τι ἄλλο ἐν χερσὶν ἔχοιεν. [16] τινὰς δὲ πρὸς τῇ ἀρπαγῇ καὶ κτείνειν ἤξιουν, ὅπως μηδενὶ τὰ ξυμπεσόντα σφίσιν ἀναγγείλωσιν. [17] οἷς δὴ ἅπαντες καὶ τῶν Βενέτων οἱ μὴ στασιῶται μάλιστα ἤχθοντο, ἐπεὶ οὐδὲ αὐτοὶ ἀπαθεῖς ἔμενον. [18] καὶ ἀπ' αὐτοῦ χαλκαῖς τὸ λοιπὸν ζῶναις τε καὶ περόναις καὶ ἱματίοις πολλῶ ἐλασσόνως ἢ κατὰ τὴν ἀξίαν ὡς πλείστοι ἐχρῶντο, ὅπως δὴ μὴ τῷ φιλοκάλῳ ἀπόλωνται, καὶ οὐπὼ δεδουκότος ἡλίου ἐς τὰς οἰκίας ἀναχωροῦντες ἐκρύπτοντο. [19] μηχανομένου δὲ τοῦ κακοῦ καὶ οὐδεμιᾶς ἐπιστροφῆς ἐς τοὺς ἡμαρτηκότας πρὸς τῆς τῷ δήμῳ ἐφεστώσης ἀρχῆς γινομένης ἐπὶ μέγα τὸ τῶν ἀνδρῶν θράσος ἐς αἰεὶ ἦρετο. [20] ἁμαρτία γὰρ παρρησίας ἀξιοθεῖσα ἐπ' ἄπειρον φέρεσθαι πέφυκεν, ἐπεὶ καὶ κολαζόμενα τὰ ἐγκλήματα φιλεῖ οὐκ ἐς τὸ παντελὲς ἀποκόπτεσθαι. [21] φύσει γὰρ οἱ πλείστοι ἐς τὸ ἁμαρτάνειν εὐπετῶς τρέπονται. [22] Τὰ μὲν οὖν τῶν Βενέτων ἐφέρετο τῇδε. τῶν δὲ ἀντιστασιωτῶν οἱ μὲν ἐς τὴν ἐκείνων ἀπέκλινον μοῖραν, ἐπιθυμία τοῦ ξυναμαρτάνειν τε καὶ μὴ δοῦναι τὴν δίκην, οἱ δὲ φυγῇ ἐχόμενοι ἐς ἐτέρας τινὰς ἐλάνθανον χώρας: πολλοὶ δὲ καὶ αὐτοῦ καταλαμβανόμενοι διεφθείροντο πρὸς τῶν ἐναντίων ἢ πρὸς τῆς ἀρχῆς κολαζόμενοι. [23] καὶ ἄλλοι δὲ νεανία πολλοὶ ἐς ταύτην δὴ τὴν ἐταιρίαν ξυνέρρεον οὐδεπώποτε πρότερον περὶ ταῦτα ἐσπουδακότες, ἀλλὰ δυνάμεώς τε καὶ ὕβρεως ἐξουσία ἐνταῦθα ἡγμένοι. [24] οὐ γάρ ἐστιν οὐδὲν μίasma ὑπὸ ἀνθρώπων ὠνομασμένον, ὅπερ οὐχ ἡμαρτήθη τε ἐν τούτῳ τῷ χρόνῳ καὶ τιμωρίας ἐκτὸς ἔμεινε. [25] πρῶτον μὲν οὖν σφῶν τοὺς ἀντιστασιώτας διεφθείρον, προϊόντες δὲ καὶ τοὺς οὐδὲν προσκεκρουκότας αὐτοῖς ἔκτεινον. [26] πολλοὶ δὲ καὶ χρήμασιν αὐτοὺς ἀναπείσαντες ἀπεδείκνυν τοὺς σφετέρους ἐχθροὺς, οὐσπερ ἐκεῖνοι διεχρῶντο εὐθὺς ὄνομα μὲν Πρασίνων αὐτοῖς ἐπενεγκόντες, [27] ἀγνῶτας δὲ σφίσι παντάπασιν ὄντας. καὶ ταῦτα οὐκ ἐν σκότῳ ἔτι οὐδ' ἐν παραβύστῳ ἐγένετο, ἀλλ' ἐν ἅπασιν μὲν τῆς ἡμέρας καιροῖς, ἐν ἐκάστῳ δὲ τῆς πόλεως χώρῳ, ἀνδράσι τοῖς λογιμωτάτοις τῶν πρασσομένων, ἂν οὕτω τύχοι, ἐν ὀφθαλμοῖς ὄντων. [28] οὐδὲν γὰρ ἐπικαλύπτειν ἐδέοντο τὰ ἐγκλήματα, ἐπεὶ τοι αὐτοῖς οὐκ ἐπέκειτο κολάσεως δέος, ἀλλὰ τις προσῆν καὶ φιλοτιμίας ἀξίωσις, ἰσχύος τε καὶ ἀνδρείας ἐμποιοιμένοις ἐπίδειξιν, ὅτι δὴ πληγῇ μιᾷ τῶν τινα παραπετωκότων γυμνὸν ἔκτεινον, ἐλπίς τε οὐδενὶ τοῦ ἔτι βιώσεσθαι ἐν τῷ τῆς διαίτης σφαλερῷ ἔμενε. [29] πάντες γὰρ ἐγκεῖσθαι σφίσι τὸν θάνατον τῷ περιδεεῖς εἶναι ὑπόπτεον, καὶ οὔτε τόπος τις ὄχυρός οὔτε καιρὸς ἐχέγγυός τινι ἐς τὴν σωτηρίαν ἔδοξεν εἶναι, ἐπεὶ κὰν τοῖς τῶν ἱερῶν τιμωτάτοις κὰν ταῖς πανηγύρεσι λόγῳ οὐδενὶ διεφθείροντο, πίστις τε οὐδεμία πρὸς τε τῶν φίλων καὶ τῶν συγγενῶν ἔτι ἐλέλειπτο. πολλοὶ γὰρ καὶ τῇ τῶν οἰκειοτάτων ἐπιβουλῇ ἔθνησκον. [30] Ζήτησις μέντοι οὐδεμία τῶν πεπραγμένων ἐγίνετο. ἀλλὰ τὰ πάθη ἀπροσδόκητα πᾶσιν ἔπιπτε καὶ τοῖς πεπτωκόσιν οὐδεὶς ἦμυνε. [31] νόμου δέ τινος ἢ συμβολαίου δύναμις τις ἐν τῷ βεβαίῳ τῆς τάξεως οὐκέτι ἐλέλειπτο, ἀλλ' ἐπὶ τὸ βιαιότερον ἅπαντα τετραμμένα ξυνεταράχθη, τυραννίδι τε ἦν ἡ πολιτεία ἐμπερὴς μάλιστα, οὐ καθεστῶση μέντοι γε, ἀλλὰ καθ' ἐκάστην τε ἀμειβομένη καὶ αἰεὶ ἀρχομένη. [32] τῶν τε ἀρχόντων αἱ γνώμαι ὥσπερ ἐκπεπληγμέναις ἐώκεσαν, ἐνὸς ἀνδρὸς φόβῳ δεδουλωμένων τὸ φρόνημα, οἱ τε δικάζοντες τὰς ὑπὲρ τῶν ἀντιλεγομένων ποιούμενοι γνώσεις

τὰς ψήφους ἐδίδουσαν, οὐχ ἥπερ αὐτοῖς ἐδόκει δίκαιά τε καὶ νόμιμα ἔναι, ἀλλ' ὥσπερ τῶν διαφερομένων ἐκάστῳ τὰ ἐκ τῶν στασιωτῶν δυσμενῆ τε καὶ φίλα ἐτύγγανεν ὄντα. δικαστῇ γὰρ ὀλιγορηκότι τῆς ἐκείνων προρρήσεως θάνατος ἢ ζημία ἐπέκειτο. [33] Καὶ πολλοὶ μὲν δανεισταὶ τὰ γραμματεῖα τοῖς ὠφληκόσι ζῆν βίᾳ πολλῇ οὐδὲν τοῦ ὀφλήματος κεκομισμένοι ἀπέδοντο, πολλοὶ δὲ οὔτι ἐκούσιοι ἐλευθέρους τοὺς οἰκέτας ἀφῆκαν. [34] φασὶ δὲ καὶ γυναῖκάς τινας πολλὰ ὦν οὐκ ἐβούλοντο τοῖς αὐτῶν δούλοις ἀναγκασθῆναι. [35] ἤδη δὲ καὶ παῖδες οὐκ ἀφανῶν ἀνδρῶν τούτοις διὰ τοῖς νεανίαις ἀναμιχθέντες τοὺς πατέρας ἠνάγκαζον ἄλλα τε πολλὰ οὔτι ἐθελουσίους ποιεῖν καὶ τὰ χρήματα σφίσι προῖεσθαι. [36] πολλοὶ δὲ καὶ ἀκούσιοι παῖδες τοῖς στασιώταις ἐς κοίτην ἀνοσίαν οὐκ ἀγνοούντων ἠναγκάσθησαν τῶν πατέρων ἐλθεῖν. [37] καὶ γυναῖξι μέντοι ἀνδράσι ξυνοικούσαις ταῦτόν τοῦτο ξυνέβη παθεῖν. καὶ λέγεται γυνὴ μία κόσμον περιβεβλημένη πολὺν πλεῖν μὲν ζῆν τῷ ἀνδρὶ ἐπὶ τι προάστειον τῶν ἐν τῇ ἀντιπέρᾳ ἡπεῖρῳ, ἐντυχόντων δὲ σφίσιν ἐν τῷ διάπλῳ τούτῳ τῶν στασιωτῶν, καὶ τοῦ μὲν ἀνδρὸς αὐτὴν ζῆν ἀπειλῇ ἀφαιρουμένων, ἐς δὲ ἄκατον τὴν οἰκείαν ἐμβιβασάντων, ἐσελθεῖν μὲν ἐς τὴν ἄκατον ζῆν τοῖς νεανίαις, ἐγκελευσαμένη τῷ ἀνδρὶ λάθρα ἀλλὰ θαρσεῖν τε καὶ μηδὲν ἐπ' αὐτῇ δεδιέναι φαῦλον· [38] οὐ γάρ τι ξυμβήσεσθαι ἐς τὸ σῶμα αὐτῇ ὕβρισθῆναι· ἔτι δὲ τοῦ ἀνδρὸς ζῆν πένθει μεγάλα ἐς αὐτὴν βλέποντος ἐς τε τὴν θάλασσαν καθεῖναι τὸ σῶμα καὶ αὐτίκα μάλα ἐξ ἀνθρώπων ἀφανισθῆναι. [39] Τοιαῦτα μὲν ἦν τὰ τούτοις διὰ τότε τοῖς στασιώταις ἐν Βυζαντίῳ τετολμημένα. ἥσσον δὲ ταῦτα τοὺς παραπεπτωκότας ἡνία ἢ τὰ πρὸς Ἰουστινιανοῦ ἐς τὴν πολιτείαν ἀμαρτηθέντα, ἐπεὶ τοῖς παρὰ τῶν κακούργων πεπονθόσι τὰ χαλεπώτατα μέρος ἀφαιρεῖται τὸ πλεῖστον τῆς δι' ἀταξίας ἐμβάσης ἀνίας τὸ προσδοκᾶν αἰεὶ τὴν πρὸς τῶν νόμων τε καὶ τῆς ἀρχῆς τίσιν. [40] ἐν γὰρ τῷ πρὸς τὰ μέλλοντα εὐέλπιδες εἶναι ῥᾶόν τε καὶ ἀπονώτερον τὰ παρόντα σφίσι φέρουσιν ἄνθρωποι, βιαζόμενοι δὲ πρὸς τῆς τῇ πολιτεία ἐφεστώσης ἀρχῆς τοῖς τε ξυμπεσοῦσιν ἔτι μᾶλλον, ὥς τὸ εἰκὸς, περιαλγοῦσι καὶ ἐς τὴν ἀπόγνωσιν τῷ ἀπροσδοκίῳ τῆς τιμωρίας ἐς αἰεὶ τρέπονται. [41] ἡμάρτανε δὲ οὐχ ὅτι μόνον προσποιεῖσθαι τοὺς κακουμένους ἥκιστα ἠθέλεν, ἀλλ' ὅτι προστάτης τῶν στασιωτῶν ἐκ τοῦ ἐμφανοῦς καθίστασθαι οὐδαμῇ ἀπηξίου· [42] χρήματά τε γὰρ μεγάλα τοῖς νεανίαις τούτοις προῖετο, καὶ πολλοὺς μὲν ἀμφ' αὐτὸν εἶχε, τινὰς δὲ αὐτῶν ἔς τε τὰς ἀρχὰς καὶ τὰ ἄλλα ἀξιώματα καλεῖν ἐδικαίου.

VIII

Ταῦτα μὲν οὖν ἐν τε Βυζαντίῳ ἐπράττετο καὶ πόλει ἐκάστη. ὥσπερ γὰρ ἄλλο τι νόσημα ἐνθένδε ἀρξάμενον τὸ κακὸν πανταχῇ ἐπέσκηψε τῆς Ῥωμαίων ἀρχῆς. [2] βασιλεῖ δὲ τῶν πρασσομένων ἡκιστα ἔμελεν, ἐπεὶ οὐδέ τις αἰσθησις τῷ ἀνθρώπῳ ἐγένετο, καίπερ αὐτόπτη τῶν δρωμένων ἐν τοῖς ἵπποδρομίῳις ἀεὶ γινομένων. [3] ἡλίθιός τε γὰρ ὑπερφυῶς ἦν καὶ νωθεὶ ὄνῳ ἐμφερῆς μάλιστα καὶ οἷος τῷ τὸν χαλινὸν ἔλκοντι ἔπεσθαι, συχνὰ οἱ σειομένων τῶν ὧτων. [4] Ἰουστινιανὸς ταῦτά τε ἔπρασσε καὶ ξύμπαντα τᾶλλα ἐκύκα. ὅσπερ ἐπειδὴ τάχιστα ἐπελάβετο τῆς τοῦ θεοῦ ἀρχῆς, χρήματα μὲν τὰ δημόσια εὐθὺς καταναλοῦν κόσμῳ οὐδενὶ ἐν σπουδῇ εἶχεν ἅτε αὐτῶν κύριος γεγονώς. [5] Οὕννων γὰρ τοῖς ἀεὶ προστυγχάνουσι πλείστα ἐπὶ τῇ πολιτείᾳ προΐετο: ἐξ οὗ δὴ ἐφόδοις ἀποκεῖσθαι συχναῖς ξυνέβαινε [6] Ῥωμαίων τὴν γῆν. ἀπογευσάμενοι γὰρ οἱ βάρβαροι οὗτοι Ῥωμαίων πλούτου μεθίεσθαι οὐκέτι ἠνείχοντο τῆς ἐνταῦθα φερούσης ὁδοῦ. [7] Πολλὰ δὲ ρίπτειν καὶ ἐς θαλαττίους οἰκοδομίας τινὰς ἡξίου, βιαζόμενος τὸ τῶν κυμάτων ἐς ἀεὶ ρόθιον. [8] ἐκ γὰρ τῆς ἡόνος ταῖς τῶν λίθων ἐπιβολαῖς ἐπίπροσθεν ἦει φιλονείκως ταῖς ἐκ τοῦ πόντου ἐπιρροαῖς ἔχων καὶ καθάπερ ἐξουσία πλούτου πρὸς τὴν τῆς θαλάσσης ἀντιφιλοτιμούμενος δύναμιν. [9] τὰς τε τῶν Ῥωμαίων ἰδίας ἐκάστων οὐσίας ἐκ πάσης γῆς ἐς αὐτὸν ἤγειρε, τοῖς μὲν ὃ τι δὴ ἐγκλημα οὐχ ἁμαρτηθὲν ἐπικαλέσας, τῶν δὲ καὶ τὴν γνώμην ἅτε αὐτὸν δεδωρημένων τερατευσάμενος. [10] πολλοὶ δὲ φόνων τε καὶ ἄλλων ἐγκλημάτων τοιούτων ἀλόντες, εἴτα ἐξιστάμενοι αὐτῷ τῶν πάντων χρημάτων διέφυγον ὧν ἥμαρτον μὴ δοῦναι τὴν δίκην: [11] ἕτεροι δὲ χωρίων, οὐ δέον, τοῖς πέλας τινῶν, ἂν οὕτω τύχοι, ἀμφισβητοῦντες, ἐπεὶ καταδικαιτήσασθαι τῶν ἀντιδίκων οὐδαμῇ εἶχον τοῦ νόμου σφίσιν ἀντιστατοῦντος, οἱ δὲ τούτοις δὴ τοῖς ἀντιλεγόμενοις αὐτὸν δωρησάμενοι ἀπηλλάσσοντο, αὐτοὶ μὲν χάριτι ἀζημίῳ κερδάναντες τὸ γνῶριμοι γεγονέναι τῷ ἀνδρὶ τούτῳ, τρόπῳ δὲ παρανομωτάτῳ καταδικάσασθαι τῶν ἀντιδίκων ἰσχύσαντες. [12] Οὐκ ἄπο δὲ καιροῦ ἡγοῦμαι εἶναι καὶ τὸ εἶδος τούτου δὴ τοῦ ἀνθρώπου σημῆναι. τὸ μὲν οὖν σῶμα οὔτε μακρὸς οὔτε κολοβὸς ἄγαν, ἀλλὰ μέτριος ἦν, οὐ μέντοι ἰσχνός, ἀλλὰ κατὰ βραχὺ εὖσαρκος, τὴν δὲ δὴ ὄψιν στρογγύλος τε καὶ οὐκ ἄμορφος: ἐπυρρία γὰρ καὶ δυοῖν ἡμέραιν ἀπόσιτος ὢν. [13] ὅπως δὲ ἅπαν αὐτοῦ τὸ εἶδος συλλήβδην σημῆνω, Δομετιανῷ τῷ Οὐεσπασιανοῦ παιδὶ ἐκ τοῦ ἐπὶ πλείστον ἐμφερέστερος ἦν, οὐπερ Ῥωμαῖοι τῆς κακοτροπίας ἐς τοσόνδε ἀπώναντο ὥστε οὐδὲ κρεουργήσαντες ὅλον ἐκλῦσαι τὴν ἐς αὐτὸν ὀργὴν ἔγνωσαν, ἀλλὰ δόγμα ἐγεγόνει τῆς συγκλήτου βουλῆς μηδὲ ὄνομα τοῦ βασιλέως τούτου ἐν γράμμασιν εἶναι μηδ' εἰκόνα ἠντιναοῦν αὐτοῦ διασώζεσθαι. [14] τό τε γοῦν ὄνομα τοῦτο πανταχόσε ἐπὶ τῶν τῆς Ῥώμης γραμμάτων καὶ εἴ που ἄλλη τοῦτο γεγράφθαι ξυνέβη ἐκκεκολαμμένον ἰδεῖν μεταξὺ τῶν ἄλλων πάρεστι μόνον, καὶ τις αὐτοῦ εἰκὼν οὐδαμῇ φαίνεται οὔσα τῆς Ῥωμαίων ἀρχῆς, ὅτι μὴ χαλκῇ μία ἐξ αἰτίας τοιαύδε. [15] ἦν τῷ Δομετιανῷ γυνὴ ἐλευθέριος καὶ ἄλλως κοσμία, καὶ οὔτε αὐτὴ κακὸν τι οὐδένα εἰργάσατο πώποτε τῶν πάντων

ἀνθρώπων, οὔτε τις αὐτῇ τῶν τοῦ ἀνδρὸς πράξεων ἤρεσκε. [16] διόπερ αὐτὴν ἄγαν ἀγαπωμένην ἢ βουλή τότε μεταπεμψαμένη αἰτεῖσθαι ὃ τι ἂν αὐτῇ βουλομένη εἴη ἐκέλευεν. [17] ἡ δὲ τοῦτο μόνον ἰκέτευε, τό τε Δομετιανοῦ σῶμα λαβοῦσα θάψαι καὶ μίαν αὐτῷ ἀναθεῖναι εἰκόνα χαλκῇν, ὅποι ἂν ἐθέλοι. [18] καὶ ἡ μὲν βουλή ξυνεχώρει ταῦτα: ἡ δὲ γυνὴ τῆς ἀπανθρωπίας τῶν τὸν ἄνδρα κρεουργησάντων ἀπολεῖναι βουλομένη [19] μνημεῖα τῷ ὀπισθεν χρόνῳ ἐπενόει τάδε. τὰ Δομετιανοῦ ξυλλεξαμένη κρέα, ξυνθεῖσά τε αὐτὰ ἐς τὸ ἀκριβὲς καὶ ἐναρμوسαμένη ἐς ἄλληλα κατέρραψε μὲν τὸ σῶμα ὅλον, τοῖς δὲ πλάσταις ἐνδειξαμένη ἐν εἰκόνι χαλκῇ τὸ πάθος ἀπομιμεῖσθαι τοῦτο ἐκέλευεν. [20] οἱ μὲν οὖν τεχνῖται τὴν εἰκόνα εὐθὺς ἐποίουν. λαβοῦσα δὲ ἡ γυνὴ ἔστησεν ἐπὶ τῆς ἐς τὸ Καπιτώλιον φεροῦσης ἀνόδου ἐν δεξιᾷ ἐκ τῆς ἀγορᾶς ἐνταῦθα ἰόντι, εἰδὸς τε τὸ Δομετιανοῦ καὶ τὸ πάθος δηλοῦσαν ἐς τόδε τοῦ χρόνου. [21] εἰκάσειεν ἂν τις τό τε ἄλλο Ἰουστινιανοῦ σῶμα καὶ τὴν ὄψιν αὐτὴν καὶ τὰ τοῦ προσώπου ἅπαντα ἦθι ἐν ταύτῃ τῇ εἰκόνι διαφανῶς εἶναι. [22] Τὸ μὲν οὖν εἶδος τοιοῦτός τις ἦν: τὸν δὲ τρόπον ἐς μὲν τὸ ἀκριβὲς οὐκ ἂν φράσαιμι. ἦν γὰρ οὗτος ἀνὴρ κακοῦργός τε καὶ εὐπαράγωγος, ὃν δὴ μωροκακοήθη καλοῦσιν, οὔτε αὐτὸς ἀληθιζόμενος τοῖς ἐντυγχάνουσιν, ἀλλὰ νῶ δολερῶ ἅπαντα ἐς αἰεὶ καὶ λέγων καὶ πράττων, καὶ τοῖς ἐξαπατᾶν ἐθέλουσιν ἀποκείμενος οὐδενὶ πόνῳ. [23] καὶ τις ἀήθης κρᾶσις ἐν αὐτῷ ἐπεφύκει ἐκ τε ἀνοίας καὶ κακοτροπίας ξυγκεκραμένη. καὶ τάχα τοῦτο ἦν ὅπερ ἐν τοῖς ἄνω χρόνοις τῶν τις ἐκ τοῦ περιπάτου φιλοσόφων ἀπεφθέγγατο, ὥς καὶ τὰ ἐναντιώτατα ἐν ἀνθρώπου φύσει ξυμβαίνει εἶναι, ὥσπερ ἐν τῶν χρωμάτων τῇ μίξει. [24] γράφω μέντοι ὧν μοι ἐφικέσθαι οὐ δυνατὸν γέγονεν. ἦν τοίνυν ὁ βασιλεὺς οὗτος εἴρων, δολερὸς, κατάπλαστος, σκότιος ὀργὴν, διπλοῦς, ἀνθρωπος δεινὸς, ὑποκρίνασθαι γνώμην τελεώτατος, καὶ δάκρυα οὐχ ὑφ' ἡδονῆς τινος ἢ πάθους ἐκφέρων, ἀλλὰ τεχνάζων ἐπὶ καιροῦ κατὰ τὸ τῆς χρείας παρὸν, ψευδόμενος ἐς αἰεὶ, οὐκ εἰκὴ μέντοι, ἀλλὰ καὶ γράμματα καὶ ὅρκους δεινοτάτους ἐπὶ τοῖς ξυγκειμένοις πεποιημένος, καὶ ταῦτα πρὸς τοὺς κατηκόους τοὺς αὐτοῦ. [25] ἀνεχώρει δὲ τῶν τε ὁμολογημένων καὶ ὁμωσομένων εὐθὺς, ὥσπερ τῶν ἀνδραπόδων τὰ χεῖριστα, δέει τῶν ἐγκειμένων σφίσι βασάνων διώμοτα εἰς τὴν ὁμολογίαν ἡγμένα. [26] φίλος ἀβέβαιος, ἐχθρὸς ἄσπονδος, φόνων τε καὶ χρημάτων διάπυρος ἐραστής, δύσερίς τε καὶ νεωτεροποιὸς μάλιστα, ἐς μὲν τὰ κακὰ εὐπαράγωγος, ἐς δὲ τὰ ἀγαθὰ οὐδεμιᾷ ξυμβουλῇ ἦκων, ἐπινοῆσαι μὲν τὰ φαῦλα καὶ ἐπιτελέσαι ὀξὺς, τῶν δὲ δὴ ἀγαθῶν καὶ αὐτὴν που τὴν ἀκοὴν ἀλμυρὰν εἶναι οἰόμενος. [27] πῶς ἂν τις τῶν Ἰουστινιανοῦ τρόπων ἐφικέσθαι τῷ λόγῳ δυνατὸς εἴη; ταῦτα τε καὶ πολλὰ ἔτι μείζω κακὰ οὐ κατὰ ἄνθρωπον ἔχων ἐφαίνετο, ἀλλὰ πᾶσαν ἢ φύσις ἐδόκει τὴν κακοτροπίαν ἀφελομένη τοὺς ἄλλους ἀνθρώπους ἐν τῇ τοῦδε τοῦ ἀνδρὸς καταθέσθαι ψυχῇ. [28] ἦν δὲ πρὸς τοῖς ἄλλοις ἐς μὲν τὰς διαβολὰς εὐκολὸς ἄγαν, ἐς δὲ τὰς τιμωρίας ὀξὺς. οὐ γάρ τι πώποτε διερευνησάμενος ἔκρινεν, ἀλλ' ἀκούσας τοῦ διαβάλλοντος τὴν γνώσιν εὐθὺς ἐξενεγκεῖν ἔγνω. [29] ἔγραφέ τε γράμματα οὐδεμιᾷ ὀκνήσει, χωρίων τε ἀλώσεις καὶ πόλεων ἐμπρησμούς καὶ ὅλων ἐθνῶν ἀνδραποδισμούς ἐξ αἰτίας οὐδεμιᾶς ἔχοντα. [30] ὥστε εἴ τις ἄνωθεν ἅπαντα τὰ Ῥωμαίους ξυνεγεχθέντα σταθμώμενος

ἀντισηκοῦν αὐτὰ τούτοις ἐθέλοι, δοκεῖ μοι ἂν πλείω φόνον εὐρέσθαι ἀνθρώπων πρὸς τοῦ ἀνδρὸς τοῦδε ξυμβάντα ἢ ἐν τῷ ἄλλῳ παντὶ αἰῶνι γεγενῆσθαι τετύχηκε. ^[31] τῶν δὲ ἄλλων χρημάτων ἐς μὲν τὴν ἀναίσθητον κτῆσιν ἀοκνότατος ἦν· οὐδὲ γὰρ οὐδὲ σκῆψιν ἡξίου τινὰ παραπέτασμα τοῦ δικαίου προβεβλημένος τῶν οὐ προσηκόντων ἐπιβατεύειν· γενομένων δὲ οἰκείων ἐτοιμότατος ἦν ἀλογίστῳ φιλοτιμίᾳ περιφρονεῖν τε καὶ τοῖς βαρβάροις προῖεσθαι οὐδενὶ λόγῳ. ^[32] καὶ τὸ ξύμπαν εἰπεῖν, χρήματα οὔτε αὐτὸς εἶχεν οὔτε ἄλλον τινὰ ἔχειν τῶν ἀπάντων εἶα, ὥσπερ οὐ φιλοχρηματίας ἡσώμενος, ἀλλὰ φθόνῳ ἐς τοὺς ταῦτα κεκτημένους ἐχόμενος. ^[33] ἐξοικίσας οὖν ῥᾶστα τὸν πλοῦτον ἐκ Ῥωμαίων τῆς γῆς πενίας δημιουργὸς ἅπασι γέγονεν.

IX

Ἰουστινιανῷ μὲν οὖν τὰ ἐς τὸν τρόπον ὅσα γε ἡμᾶς δύνασθαι φράσαι τῇδέ
πι εἶχεν. ἔγχε δὲ γυναῖκα, ἡ ὄντινα τρόπον γενομένη τε καὶ τραφεῖσα καὶ
τῷδε τῷ ἀνθρώπῳ ἐς γάμον ξυναφθεῖσα πρόρριζον Ῥωμαίους τὴν πολιτείαν
ἐξέτριπεν, ἐγὼ δηλώσω. [2] Ἀκάκιος ἦν τις ἐν Βυζαντίῳ θηριοκόμος τῶν ἐν
κυνηγεσίῳ θηρίων μοίρας Πρασίνων, ὃνπερ ἀρκοτρόφον καλοῦσιν. [3] οὗτος ὁ
ἀνὴρ Αναστασίου τὴν αὐτοκράτορα ἀρχὴν ἔχοντος ἐτελεύτησε νόσῳ παίδων
οἱ ἀπολελειμμένων τριῶν θήλεος γένους, Κομιτοῦς τε καὶ Θεοδώρας καὶ
Ἀναστασίας, ὃνπερ ἡ πρεσβυτάτη οὕπῳ ἐπταετὴς γεγονυῖα ἐτύγγανεν. [4] ἡ δὲ
γυνὴ ἐκπεσοῦσα ἐτέρῳ ἀνδρὶ ἐς κοίτην ἦλθεν, ὃς δὴ ζὺν αὐτῇ τῶν τε κατὰ τὴν
οἰκίαν καὶ τοῦ ἔργου τούτου ἐπιμελήσεσθαι τὸ λοιπὸν ἔμελλεν. [5] ὁ δὲ τῶν
Πρασίνων ὀρχηστῆς Ἀστέριος ὄνομα χρήμασι πρὸς ἐτέρου ἀναπεισθεὶς
τούτους μὲν τῆς τιμῆς ταύτης ἀπέστησε, τὸν δὲ οἱ τὰ χρήματα δόντα ἐς αὐτὴν
ἀντεκατέστησεν οὐδενὶ πόνῳ. τοῖς γὰρ ὀρχησταῖς τὰ τοιαῦτα ἐξῆν διοικεῖσθαι
κατ' ἐξουσίαν ἢ βούλονται. [6] ἐπεὶ δὲ τὸν δῆμον ζύμπαντα ἡ γυνὴ ἐν
κυνηγεσίῳ ἀγηγεμένον εἶδε, στέμματα ταῖς παισὶν ἐν τε τῇ κεφαλῇ καὶ
ἀμφοτέραις ταῖς χερσὶν ἐνθεμένη ἐς τὴν ἱκετείαν ἐκάθισεν. [7] ἀλλ' οἱ Πράσινοι
μὲν προσίσθαι τὴν ἱκετείαν οὐδαμῇ ἔγνωσαν, Βένετοι δὲ αὐτὰς ἐπὶ ταύτης δὴ
κατεστήσαντο τῆς τιμῆς, ἐπεὶ ὁ θηριοκόμος ἐτετελευτήκει καὶ αὐτοῖς ἔναγχος.
[8] ἐπεὶ δὲ τὰ παιδία ταῦτα ἐς ἥβην ἦλθε, καθῆκεν αὐτὰ ἐπὶ τῆς ἐνταῦθα
σκηνῆς αὐτίκα ἡ μήτηρ, ἐπεὶ εὐπρεπεῖς τὴν ὄψιν ἦσαν, οὐ μέντοι ὑπὸ χρόνον
τὸν αὐτὸν ἀπάσας, ἀλλ' ὥς ἐκάστη ἔδοξεν οἱ ἐς τὸ ἔργον τοῦτο ὠραία εἶναι. [9]
ἡ μὲν οὖν πρώτη Κομιτὴ ἤδη ἐν ταῖς καθ' αὐτὴν ἐταίραις λαμπρὰ ἐγεγόνει·
Θεοδώρα δὲ ἡ μετ' ἐκείνην χιτωνίσκον χειριδωτὸν ἀμπεχομένη δούλῳ παιδὶ
πρέποντα τὰ τε ἄλλα ὑπηρετοῦσα εἶπετο καὶ τὸ βάθρον ἐπὶ τῶν ὤμων ἀεὶ
ἔφερεν, ἐφ' οὗπερ ἐκείνη ἐν τοῖς ξυλλόγοις καθῆσθαι εἴωθε. [10] τέως μὲν οὖν
ἄωρος οὖσα ἡ Θεοδώρα ἐς κοίτην ἀνδρὶ ξυνιέναι οὐδαμῇ εἶχεν, οὐδὲ οἷα γυνὴ
μίγνυσθαι· ἡ δὲ τοῖς κακοδαιμονοῦσιν ἀνδρείαν τινὰ μισητίαν ἀνεμίσγετο, καὶ
ταῦτα δούλοις, ὅσοι τοῖς κεκτημένοις ἐπόμενοι ἐς τὸ θέατρον πάρεργον τῆς
οὔσης αὐτοῖς εὐκαιρίας τὸν ὄλεθρον τοῦτον εἰργάζοντο, ἔν τε μαστροπείῳ
πολὺν τινα χρόνον ἐπὶ ταύτῃ δὴ τῇ παρὰ φύσιν ἐργασίᾳ τοῦ σώματος
διατριβὴν εἶχεν. [11] ἐπειδὴ δὲ τάχιστα ἔς τε τὴν ἥβην ἀφίκετο καὶ ὠραία ἦν
ἤδη, εἰς τὰς ἐπὶ σκηνῆς καθῆκεν αὐτὴν, ἐταῖρα τε εὐθὺς ἐγεγόνει, οἷανπερ οἱ
πάλοι ἄνθρωποι ἐκάλουν πεζήν. [12] οὐ γὰρ αὐλήτρια οὐδὲ ψάλτρια ἦν, οὐ μὴν
οὐδὲ τὰ ἐς τὴν ὀρχήστραν αὐτῇ ἥσκητο, ἀλλὰ τὴν ὥραν τοῖς ἀεὶ
περιπίπτουσιν ἀπεδίδοτο μόνον ἐκ παντὸς ἐργαζομένη τοῦ σώματος. [13] εἴτα
τοῖς μίμοις τὰ ἐς τὸ θέατρον πάντα ὠμίλει καὶ τῶν ἐνταῦθα ἐπιτηδευμάτων
μετεῖχεν αὐτοῖς, γελωτοποιοῖς τισὶ βωμολοχίαις ὑπηρετοῦσα. ἦν γὰρ ἀστεία
διαφερόντως καὶ σκώπτρια, ἀπόβλεπτός τε ἐκ τοῦ ἔργου εὐθὺς ἐγεγόνει. [14] οὐ
γὰρ τινος αἰδοῦς τῇ ἀνθρώπῳ μετὴν ἢ διατραπεῖσάν τις αὐτὴν πώποτε εἶδεν,
ἀλλ' ἐς ἀναισχύντους ὑπουργίας οὐδεμιᾷ ὀκνήσει ἐχώρει, καὶ τοιαύτη τις ἦν
οἷα ραπιζομένη μὲν καὶ κατὰ κόρρης πατασσομένη χαριεντίζειν τε καὶ

μέγιστα ἀνακαγχάζειν, ἀποδυσασμένη τε τὰ τε πρόσω καὶ τὰ ὀπίσω τοῖς ἐντυγχάνουσι γυμνὰ ἐπιδείξει, ἃ τοῖς ἀνδράσι θέμις ἄδηλά τε καὶ ἀφανῆ εἶναι. [15] Ἐς δὲ τοὺς ἐραστὰς ἐχλεύαζε τε βλακεύουσα καὶ νεωτέραις ἀεὶ τῶν μίξεων ἐνδιαθρυπτομένη ἐπιτεχνήσεται παραστήσασθαι τὰς τῶν ἀκολάστων ψυχὰς ἐς ἀεὶ ἴσχυεν, ἐπεὶ οὐδὲ πειρᾶσθαι πρὸς τοὺς ἐντυγχανόντων ἡξίου, ἀλλ' ἀνάπαλιν αὐτὴ γελοιάζουσα τε καὶ βομολόχως ἰσχιάζουσα τοὺς παραπεπτωκότας ἅπαντας, ἄλλως τε καὶ ἀγενεῖους ὄντας ἐπέειρα. [16] ἦσσαν γάρ τις οὕτως ἡδονῆς ἀπάσης οὐδαμῇ γέγονεν, ἐπεὶ καὶ ἐς ξυναγώγιμον δεῖπνον πολλάκις ἐλθοῦσα ξὺν νεανίαις δέκα, ἢ τούτων πλείοσιν, ἰσχύι τε σώματος ἀκμάζουσι λίαν καὶ τὸ λαγνεῦειν πεποιημένοις ἔργον, ξυνεκοιτάζετο μὲν τοῖς συνδείπνοις ἅπασι τὴν νύκτα ὅλην, ἐπειδὴν δὲ πρὸς τὸ ἔργον τοῦτο πάντες ἀπέπειοιεν, ἦδε παρὰ τοὺς ἐκείνων οἰκέτας ἰοῦσα τριάκοντα ὄντας, ἂν οὕτω τύχοι, ξυνεδυάζετο μὲν αὐτῶν ἐκάστω, κόρον δὲ οὐδ' ὥς ταύτης δὴ τῆς μισητίας ἐλάμβανε. [17] Καί ποτε ἐς τῶν τινος ἐπιφανῶν οἰκίαν ἐλθοῦσα μεταξὺ τοῦ πότου θεωμένων αὐτὴν, ὥς φασι, τῶν ξυμποτῶν ἀπάντων, ἐς τὸ προὔχον ἀναβᾶσα τῆς κλίνης ἀμφὶ τὰ πρὸς ποδῶν ἀνασύρασα τε τὰ ἱμάτια οὐδενὶ κόσμῳ ἐνταῦθα οὐκ ἀπηξίωσε τὴν ἀκολασίαν ἐνδείκνυσθαι. [18] ἢ δὲ κάκ τριῶν τρυπημάτων ἐργαζομένη ἐνεκάλει τῇ φύσει, δυσφορομένη ὅτι δὴ μὴ καὶ τοὺς τιθοὺς αὐτῇ εὐρύτερον ἢ νῦν εἰσι τρυπῶν, ὅπως καὶ ἄλλην ἐνταῦθα μίξιν ἐπιτεχνᾶσθαι δυνατὴ εἴη. [19] καὶ συχνὰ μὲν ἐκῦει, πάντα δὲ σχεδὸν τεχνάζουσα ἐξαμβλίσκειν εὐθὺς ἴσχυε. [20] Πολλάκις δὲ κὰν τῷ θεάτρῳ ὑπὸ θεατῇ παντὶ τῷ δήμῳ ἀπεδύσατό τε καὶ γυμνὴ διὰ μέσου ἐγένετο, ἀμφὶ τὰ αἰδοῖα καὶ τοὺς βουβῶνας διάζωμα ἔχουσα μόνον, οὐχ ὅτι μέντοι ἡσχύνετο καὶ ταῦτα τῷ δήμῳ δεικνύναι, ἀλλ' ὅτι ἐνταῦθα γυμνῷ παντάπασι παριέναι οὐδενὶ ἔξεστιν ὅτι μὴ τῷ ἀμφὶ τοὺς βουβῶνας διάζωμα ἔχοντι. οὕτω μέντοι τοῦ σχήματος ἔχουσα, [21] ἀναπεπτωκυῖα τε ἐν τῷ ἐδάφει ὑπτία ἔκειτο. θῆτες δὲ τινες, οἷς δὴ τὸ ἔργον τόδε ἐνέκειτο, κριθὰς αὐτῇ ὑπερθεῖν τῶν αἰδοίων ἐρρίπτουν, ἃς δὴ οἱ χῆνες, οἱ ἐς τοῦτο παρεσκευασμένοι ἐτύγγανον, τοῖς στόμασιν ἐνθένδε κατὰ μίαν ἀνελόμενοι ἦσθιον. [22] ἢ δὲ οὐχ ὅτι οὐκ ἐρυθριῶσα ἐξανίστατο, ἀλλὰ καὶ φιλοτιμουμένη ἐπὶ ταύτῃ δὴ τῇ πράξει ἐώκει. ἦν γὰρ οὐκ ἀναισχυντος μόνον, ἀλλὰ καὶ ἀναισχυντοποιὸς πάντων μάλιστα. [23] πολλάκις δὲ καὶ ἀποδυσασμένη ξὺν τοῖς μίμοις ἐν μέσῳ εἰστήκει ἐπὶ τῆς σκηνῆς λорδουμένη τε καὶ τὰ ὀπίσω ἀποκεντῶσα τοῖς τε διάπειραν αὐτῆς ἔχουσι καὶ τοῖς οὐπῶ πεπλησιακόσι τὰ ἐκ παλαιστρας τῆς αὐτῇ εἰωθυίας βρενθυομένη. [24] οὕτω δὲ ἀκολάστως ἐς τὸ σῶμα τὸ αὐτῆς ὕβριζεν, ὥστε τὴν αἰδῶ οὐκ ἐν τῇ τῆς φύσεως χώρα κατὰ ταῦτα ταῖς ἄλλαις γυναιξίν, ἀλλ' ἐν τῷ προσώπῳ ἔχειν ἐδόκει. [25] οἱ μὲν οὖν αὐτῇ πλησιάζοντες ἐνδηλοὶ εὐθὺς ἀπ' αὐτοῦ ἦσαν, ὅτι δὴ οὐ κατὰ νόμον τῆς φύσεως τὰς μίξεις ποιοῦνται: ὅσοι δὲ αὐτῇ ἐν ἀγορᾷ τῶν ἐπιεικεστέρων ἐντύχοιεν, ἀποκλινόμενοι σπουδῇ ὑπεχώρουν, μή του τῶν ἱματίων τῆς ἀνθρώπου ἀψάμενοι μεταλαχεῖν τοῦ μιάσματος τούτου δόξειαν. [26] ἦν γὰρ τοῖς ὀρῶσιν ἄλλως τε καὶ ἀρχομένης ἡμέρας βλάσφημος οἰωνός. ἐς μέντοι τὰς συνθεατρίας ἀγριώτατα εἰώθει ἐς ἀεὶ σκορπιαίνεσθαι: βασκανία γὰρ πολλῇ εἶχετο. [27] Ἐκηβόλῳ δὲ ὕστερον Τυρίῳ ἀνδρὶ τὴν ἀρχὴν παραλαβόντι Πενταπόλεως ἐς τὰ αἰσχιστα

ὕπηρετήσουσα εἶπετο, ἀλλὰ τι τῷ ἀνθρώπῳ προσκεκρουκυῖα ἐνθένδε ὅτι τάχιστα ἀπηλαύνετο: διὸ δὴ αὐτῇ ἀπορεῖσθαι τῶν ἀναγκαιῶν ξυνέπεσεν, ἅπερ τὸ λοιπὸν ἐπορίζετο τὴν ἐς τὸ σῶμα παρανομίαν, ἥπερ εἶηστο, ἐργαζομένη.

[28] ἐς μὲν οὖν Ἀλεξάνδρειαν τὰ πρῶτα ἦκεν. ἔπειτα δὲ πᾶσαν τὴν ἕω περιελθοῦσα ἐς Βυζάντιον ἐπανῆκεν, ἐργασία χρωμένη ἐν πόλει ἐκάστη, ἣν γε ὀνομάζοντι, οἶμαι, ἀνθρώπῳ οὐκ ἂν ποτε ἴλεως ὁ θεὸς εἴη, ὥσπερ οὐκ ἀνεχομένου τοῦ δαίμονος χῶρόν τινα τῆς Θεοδώρας ἀκολασίας ἀγνῶτα εἶναι.

[29] Οὕτω μὲν οὖν τετέχθαι τε τῇδε τῇ γυναικὶ καὶ τετράφθαι ξυνέβη καὶ ἐς δημοσίους πολλὰς διαβοήτῳ γεγενῆσθαι καὶ ἐς πάντας ἀνθρώπους. [30] ἐπεὶ δὲ ἀφίκετο ἐς Βυζάντιον αὐθις, ἡράσθη αὐτῆς Ἰουστινιανὸς ἔρωτα ἐξαισίον οἶον, καὶ τὰ πρῶτα ἐπλησίαζεν ὡς ἐρωμένη, καίπερ αὐτὴν ἀναγαγὼν ἐς τὸ τῶν πατρικίων ἀξίωμα. [31] δύναμιν τοίνυν ἐξαισίαν τινὰ καὶ χρήματα ἐπεικῶς μεγάλα περιβαλέσθαι ἡ Θεοδώρα εὐθὺς ἴσχυσε. πάντων γὰρ ἥδιστον τῷ ἀνθρώπῳ ἐφαίνετο, ὃ δὴ ξυμβαίνειν τοῖς ἐκτόπως ἐρῶσι φιλεῖ, χάριτάς τε πάσας καὶ χρήματα πάντα τῇ ἐρωμένη χαρίζεσθαι. [32] ἐγένετό τε ἡ πολιτεία τοῦ ἔρωτος τοῦδε ὑπέκκαυμα. ξὺν αὐτῇ τοίνυν πολλῶ ἔτι μᾶλλον τὸν δῆμον διέφθειρεν οὐκ ἐνταῦθα μόνον, ἀλλ' ἀνὰ πᾶσαν τὴν Ῥωμαίων ἀρχὴν. [33] ἄμφω γὰρ μοίρας τῆς Βενέτων ἐκ παλαιοῦ ὄντες ἐν πολλῇ ἐξουσίᾳ τούτοις δὴ τοῖς στασιώταις τὰ ἐς τὴν πολιτείαν πράγματα ἔθεντο. [34] χρόνῳ δὲ πολλῷ ὕστερον τὸ πλεῖστον τοῦ κακοῦ ἐλελωφῆκει τρόπῳ τοιῷδε. [35] Ἰουστινιανῷ ἐν ἡμέραις πολλαῖς νοσῆσαι ξυνέβη, ἐν δὲ τῇ νόσῳ ταύτῃ ἐς τόσον κινδύνου ἀφίκετο ὥστε καὶ ἐλέχθη ὅτι δὴ ἀποθάνοι: οἱ μέντοι στασιῶται ταῦτα ἅπερ ἐρρήθη ἡμάρτανον, καὶ τινα Ὑπάτιον οὐκ ἀφανῆ ἄνδρα δι' ἡμέρας ἐν τῷ τῆς Σοφίας ἱερῷ διεχρήσαντο. [36] ἐξεργασμένου δὲ τοῦ κακοῦ ἢ τοῦ ἔργου ταραχῇ ἐς βασιλέα ἦλθε, τῶν τε ἁμφ' αὐτὸν ἕκαστος, ἐπεὶ τῆς Ἰουστινιανοῦ ἀπουσίας ἐλάβετο, τὴν τῶν πεπραγμένων ἀτοπίαν ἐπὶ μέγα αἶρειν ἐν σπουδῇ ἐποιεῖτο, καταλέγων ἐξ ἀρχῆς ἅπαντα, ὅσα δὴ γενέσθαι τετύχηκε. [37] τότε δὴ ὁ βασιλεὺς τῷ τῆς πόλεως ἐπάρχῳ ἐπέστελλε τῶν πεπραγμένων ἀπάντων ποιεῖσθαι τὰς τίσεις. ἦν δὲ οὗτος ὁ ἀνὴρ Θεόδοτος ὄνομα, ὃνπερ Κολοκύνθιον ἐπὶ κλησιν ἐκάλουν. [38] καὶ ὃς διερευνώμενος ἅπαντα πολλοὺς μὲν τῶν κακούργων ἐλεῖν τε καὶ διαχρήσασθαι νόμῳ ἴσχυσε, πολλοὶ δὲ καὶ διαλαθόντες [39] ἐσώθησαν. μετὰ γὰρ ἐπιαπολέσθαι αὐτοὺς πράγμασι Ῥωμαίων ἔδει. ὁ δὲ παράδοξον διασωθεὶς ἐξάπινα σωτηρίαν καὶ τὸν Θεόδοτον κτείνειν ἅτε φαρμακέα καὶ μάγον εὐθὺς ἐνεχείρει. [40] ἐπεὶ δὲ οὐκ εἶχεν ὅτῳ ποτὲ προσχήματι χρώμενος τὸν ἄνθρωπον διαφθείρειε, τῶν οἱ ἐπιτηδεῖων τινὰς πικρότατα αἰκισάμενος ἠνάγκαζε λόγους ὡς ἥκιστα ὑγιεῖς ἐπὶ αὐτῷ φθέγγεσθαι. [41] πάντων δὲ οἱ ἐκποδῶν ἰσταμένων καὶ σιωπῇ τὴν ἐς τὸν Θεόδοτον ὀδυρομένων ἐπιβουλήν, μόνος ὁ Πρόκλος τὴν τοῦ καλουμένου κοιαιστωρος ἔχων ἀρχὴν καθαρὸν ἀπέφαινε τοῦ ἐγκλήματος εἶναι τὸν ἄνθρωπον καὶ θανάτου οὐδαμῇ ἄξιον. [42] διὸ δὴ ὁ Θεόδοτος ἐς τὰ Ἱεροσόλυμα βασιλέως κομίζεται γνώμη. γνοὺς δὲ ἦκειν τινὰς ἐνταῦθα, οἵπερ αὐτὸν διαφθεροῦσιν, ἐν τῷ ἱερῷ ἦν κρυπτόμενος τὸν ἅπαντα χρόνον, οὕτω τε διαβιὸς ἐτελεύτησε. [43] Τὰ μὲν οὖν ἁμφὶ Θεοδότῳ ταύτῃ πη ἔσχεν. οἱ δὲ στασιῶται σωφρονέστατοι τὸ ἐντεῦθεν ἐγένοντο ἀνθρώπων ἀπάντων. [44] οὐ

γάρ ἔτι τὰ τοιαῦτα ἐξαμαρτάνειν ἠνεύχοντο, καίπερ σφίσι παρὸν ἀδεέστερον
τῇ ἐς τὴν δίκαιαν παρανομία χρηῖσθαι. [45] τεκμήριον δέ: ὀλίγων γάρ τινων
ὑστερον τόλμαν τὴν ὁμοίαν ἐνδειξαμένων τίσις οὐδεμία ἐς αὐτοὺς γέγονεν. [46]
οἱ γὰρ τοῦ κολάζειν τὴν ἐξουσίαν ἀεὶ ἔχοντες παρρησίαν τοῦ διαλανθάνειν
τοῖσδε τὰ δεινὰ εἰργασμένοις παρείχοντο, ταύτῃ αὐτοὺς τῇ ξυγχωρήσει ἐς τὸ
τοῖς νόμοις ἐπεμβαίνειν ἐνάγοντες. [47] Ἔως μὲν οὖν ἡ βασιλὶς περιῆν ἔτι,
γυναῖκα ἐγγυητὴν Ἰουστινιανὸς τὴν Θεοδώραν ποιήσασθαι οὐδεμιᾷ μηχανῇ
εἶχεν. ἐν τούτῳ γὰρ μόνον ἀπ' ἐναντίας αὐτῷ ἐχώρει, καίπερ ἀντιστατοῦσα
τῶν ἄλλων οὐδέν. [48] πονηρίας μὲν γὰρ ἡ γυνὴ ἀπωτάτω οὕσα ἐτύγχανεν,
ἄγροικος δὲ ἦν κοιμῶν καὶ βάρβαρος γένος, ὥσπερ μοι εἴρηται. [49]
ἀντιλαβέσθαι τε ἀρετῆς οὐδαμῇ ἴσχυσεν, ἀλλ' ἀπειροτάτῃ οὕσα διατετέλεκε
τῶν κατὰ τὴν πολιτείαν πραγμάτων, ἥ γε οὐδὲ ξὺν τῷ ὀνόματι τῷ αὐτῆς ἰδίῳ
ἄτε καταγελάστῳ ὄντι ἐς Παλάτιον ἦλθεν, ἀλλ' Εὐφημία ἐπικληθεῖσα. χρόνῳ
δὲ ὑστερον τῇ βασιλίδι μὲν ἀπογενέσθαι ξυνέπεσεν. [50] ὁ δὲ ἡλιθιάζων τε καὶ
κοιμῶν ἐσχατογέρων γενόμενος, πρὸς τῶν ἀρχομένων γέλωτα ὤφλεν,
ὀλιγοψία τε πολλῇ ἐς αὐτὸν ἐχόμενοι ἅπαντες ἄτε τῶν πρασσομένων οὐ
ξυνιέντος, ὑπερεώρων, Ἰουστινιανὸν δὲ ξὺν δέει πολλῷ ἐθεράπευον. κυκῶν
γὰρ ἀεὶ καὶ ξυνταράσσων ἀνεσόβει ἐφεξῆς ἅπαντα. [51] τότε δὴ τὴν ἐγγύην
πρὸς τὴν Θεοδώραν ἐνεχέειν ποιεῖν. ἀδύνατον δὲ ὄν ἄνδρα ἐς ἀξίωμα βουλῆς
ἦκοντα ἐταίρα γυναικὶ ξυνοικίζεσθαι, νόμοις ἄνωθεν τοῖς παλαιότατοις
ἀπορρηθὲν, λῦσαί τε τοὺς νόμους τὸν βασιλέα νόμῳ ἐτέρῳ ἠνάγκασε καὶ τὸ
ἐνθένδε ἄτε γαμετῇ τῇ Θεοδώρα ξυνώκησε, καὶ τοῖς ἄλλοις ἅπασιν βάσιμον
κατεστήσατο τὴν πρὸς τὰς ἐταίρας ἐγγύην, τυραννῶν τε αὐτίκα ἐπεβάτευε τῆς
τοῦ αὐτοκράτορος τιμῆς προσχήματι συμπεπλασμένῳ τῆς πράξεως
ἐπικαλύπτων τὸ βίαιον. [52] ἀνείπον γὰρ αὐτὸν βασιλέα ξὺν τῷ θεῷ τῶν
Ῥωμαίων, εἴ τι δόκιμον ἦν, δειμάτων περιουσίᾳ ἐπὶ ταύτην ἡγμένοι τὴν
ψηφον. [53] παρέλαβον τοίνυν τὴν βασιλείαν Ἰουστινιανὸς τε καὶ Θεοδώρα
πρότερον τῆς Πασχαλίας ἑορτῆς ἡμέραις τρισίν, ὅτε δὴ οὔτε ἀσπάσασθαι τῶν
φίλων τινὰ οὔτε εἰρηναῖα προσεῖπεῖν ἔξεστιν. [54] ἡμέραις δὲ οὐ πολλαῖς
ὑστερον Ἰουστίνος μὲν ἐτελεύτησε νόσῳ, τῇ ἀρχῇ ἐπιβιούς ἔτη ἐννέα, μόνος
δὲ Ἰουστινιανὸς ξὺν Θεοδώρα τὴν βασιλείαν ἔσχεν.

Οὕτω γοῦν ἡ Θεοδώρα, ὥσπερ ἐρρήθη, τεχθεῖσά τε καὶ τεθραμμένη καὶ
 παιδευθεῖσα ἐς βασιλείας ἀξίωμα τρόπῳ οὐδενὶ ἐμποδισθεῖσα ἦλθεν. [2] οὐδὲ
 γὰρ τῷ γήμαντι ὕβρεώς τις οἴησις γέγονεν, εἴ οἱ παρὸν ἐκ πάσης
 ἀπολεξαμένῃ τῆς Ῥωμαίων ἀρχῆς γαμετὴν γυναικὰ ποιήσασθαι τὴν πασῶν
 γυναικῶν μάλιστα εὖ τε γεγυῖαν καὶ τροφῆς κρυφαίου μεταλαχοῦσαν, τοῦ
 τε αἰδεῖσθαι οὐκ ἀμελέτητον γεγεννημένην, καὶ σωφροσύνη ξυμφικισμένην,
 πρὸς δὲ τῷ κάλλει ὑπερφυᾷ καὶ παρθένον τινὰ καὶ τὸ δὴ λεγόμενον
 ὀρθότιτθον οὔσαν. [3] ὁ δὲ τὸ κοινὸν ἄγος ἀπάντων ἀνθρώπων αὐτοῦ ἴδιον
 πεποιῆσθαι οὐκ ἀπηξίου, ἐπὶ οὐδενὶ τῶν προδεδηλωμένων καταδύμενος, καὶ
 γυναικὶ πλησιάζειν ἄλλα τε περιβεβλημένη μεγάλα μιάσματα καὶ
 παιδοκτονίας πολλὰς ἐθελουσίῳ ἀμβλώσεων. ἄλλο τέ μοι ἐνδεῖν ἦθους πέρι

 τῆς ψυχῆς πάθη οὗτος ἂν ἀξιοχρεῶς ὁ γάμος σημῆναι διαρκῶς εἶη, ἐρμηνεύς
 τε καὶ μάρτυς τοῦ τρόπου καὶ λογογράφος γινόμενος. [5] ἐπεὶ ὅστις ἀλογήσας
 τὴν ὑπὲρ τῶν πεπραγμένων αἰσχύνην οὐκ ἀπαξιοῖ τοῖς ἐντυγχάνουσι βδελυρὸς
 φαίνεσθαι, τούτῳ δὴ οὐδεμία παρανομίας ἀτραπὸς ἄβατος, ἀλλὰ τὴν
 ἀναίδειαν ἀεὶ τοῦ μετώπου προβεβλημένος ῥᾶστά τε καὶ οὐδενὶ πόνῳ ἐς τῶν
 πράξεων τὰς μιαιωτάτας χωρεῖ. [6] οὐ μὴν οὐδέ τις ἐκ τῆς συγκλήτου βουλῆς
 τὸ αἷσχος τοῦτο ἀναδουμένην τὴν πολιτείαν ὀρῶν δυσφορεῖσθαι τε καὶ τὴν
 πρᾶξιν ἀπειπεῖν ἔγνω, καίπερ αὐτὴν ἅπαντες ἴσα θεῷ προσκυνήσοντες. [7] ἀλλ'
 οὐδέ τις ἱερεὺς δεινοπαθῶν ἐνδηλος γέγονε, καὶ ταῦτα δέσποιναν αὐτὴν
 προσερεῖν μέλλοντες. [8] καὶ ὁ πρότερον αὐτῆς θεατῆς δῆμος δοῦλος εὐθύς
 οὐδενὶ κόσμῳ αὐτῆς εἶναι τε καὶ ὀνομάζεσθαι ὑπτίαις ἐδικαίου χερσίν. [9] οὐδέ
 τις στρατιώτης ἡγρίωτο, εἰ τοὺς ἐν τοῖς στρατοπέδοις κινδύνους ὑπὲρ τῶν τῆς
 Θεοδώρας πραγμάτων ὑφίστασθαι μέλλοι οὐδέ τις αὐτῇ ἄλλος ἀπῆντησε τῶν
 ἀπάντων ἀνθρώπων, ἀλλὰ πάντες, οἶμαι, τῷ ταῦτα οὕτω δεδόσθαι κεκλιμένοι
 ἐνεχώρησαν ξυμπεραίνεσθαι τὸ μίasma τοῦτο, ὥσπερ τῆς τύχης ἐπίδειξιν τῆς
 δυνάμεως πεποιημένης, ἥ δὴ ἅπαντα πρυτανευοῦση τὰ ἀνθρώπεια ὥς ἥκιστα
 μέλει οὔτε ὅπως ἂν τὰ πραττόμενα εἰκότα εἶη οὔτε ὅπως ἂν ταῦτα κατὰ λόγον
 τοῖς ἀνθρώποις γεγενῆσθαι δοκῇ. [10] ἐπαίρει γοῦν τινα ἐξαπινάϊως ἀλογίστῳ
 τινὶ ἐξουσίᾳ ἐς ὕψος μέγα, ὥπερ ἐναντιώματα μὲν πολλὰ ξυμπεπλέχθαι δοκεῖ,
 ἀντιστατῇ δὲ παρὰ τι ἔργον τῶν πάντων οὐδὲν, ἀλλὰ ἄγεται μηχανῇ πάσῃ ὅπῃ
 ποτὲ αὐτῇ διατέτακται, ἀπάντων ἐτοίμως ἐξισταμένων τε καὶ ὑποχωρούντων
 προΐούσῃ τῇ τύχῃ. ἀλλὰ ταῦτα μὲν ὅπῃ τῷ θεῷ φίλον, ταύτῃ ἐχέτω τε καὶ
 λεγέσθω. [11] Ἡ δὲ Θεοδώρα εὐπρόσωπος μὲν ἦν καὶ εὐχαρις ἄλλως, κολοβὸς
 δὲ καὶ ὠρακιῶσα οὐ παντάπασιν μὲν, ἀλλ' ὅσον ὑπόχλωρος εἶναι, γοργόν τε καὶ
 συνεστραμμένον ἀεὶ βλέπουσα. [12] τῶν δὲ δὴ αὐτῇ βεβιωμένων ἐν τῇ θυμέλῃ
 τὰ μὲν πλεῖστα λέγοντι οὐκ ἂν ὁ πᾶς αἰὼν ἐπαρκέσαι, ὀλίγα δὲ ἅττα ἐν τοῖς
 ἔμπροσθεν λόγοις ἀπολεξάμενος τοῦ τῆς γυναικὸς τρόπου τοῖς
 ἐπιγεννησομένοις ὅλην ἂν πεποιῆσθαι τὴν δήλωσιν ἱκανὸς εἶην. [13] νῦν δὲ
 αὐτῆς καὶ τάνδρὸς τὰ πεπραγμένα ἐν ὀλίγῳ δηλωτέον ἡμῖν, ἐπεὶ οὐδέ τι

ἀλλήλοιν χωρὶς ἐς τὴν δαίταν ἐπραξάτην. [14] χρόνον μὲν γὰρ πολὺν ἔδοξαν ἅπανι ταῖς τε γνώμαις ἀεὶ καὶ τοῖς ἐπιτηδεύμασι καταντικρὺ ἀλλήλοιν ἰέναι, ὕστερον μὲντοι ἐξεπίτηδες αὐτοῖν ξυμπεπλάσθαι ἡ δόκησις αὕτη ἐγνώσθη, τοῦ μὴ ξυμφρονήσαντας τοὺς κατηκόους σφίσιν ἐπαναστῆναι, ἀλλὰ διεστάναι τὰς γνώμας ἐπ' αὐτοὺς ἅπασι. [15] Πρῶτα μὲν οὖν τοὺς Χριστιανοὺς διαναστήσαντε καὶ τὴν ἐναντίαν ἔν γε τοῖς ἀντιλεγομένοις σκηπτομένῳ ἀλλήλοιν ἰέναι διεσπᾶσαντο οὕτως ἅπαντας, ὥσπερ μοι λελέξεται οὐ πολλῶ ὕστερον. ἔπειτα δὲ τοὺς στασιώτας διείλοντο. [16] καὶ ἡ μὲν δυνάμει τῇ πάσῃ μεταποιεῖσθαι τῶν Βενέτων ἐπλάσσετο καὶ τὴν ἐξουσίαν αὐτοῖς ἐπὶ τοὺς ἀντιστασιώτας ἀναπετάσασα ἐνεδίδου κόσμῳ ἐν οὐδενὶ ἐξαμαρτάνειν τε καὶ βιάζεσθαι τὰ ἀνήκεστα. [17] ὁ δὲ ὥσπερ ἀγανακτοῦντι μὲν καὶ ἀποσκύζοντι λάθρα ἐφάκει, κελεύθῳ δὲ τῇ γυναικὶ ἀντιστατεῖν οὐχ οἶφ' τε ὄντι, πολλάκις δὲ καὶ μεταμπισχόμενοι τὴν τοῦ δύνασθαι δόξαν σφίσιν αὐτοῖς τὴν ἐναντίαν ἦσαν. [18] ὁ μὲν γὰρ τοὺς Βενέτους οἷα ἐξαμαρτάνοντας κολάζειν ἠξίου, ἡ δὲ τῷ λόγῳ χαλεπαίνουσα ἐδυσφορεῖτο ὅτι δὴ οὐχ ἔκοῦσα τάνδρὸς ἡσσηθείη. [19] Τῶν μὲντοι Βενέτων οἱ στασιῶται, ὥσπερ μοι εἴρηται, σωφρονέστατοι ἔδοξαν εἶναι. τοὺς γὰρ πέλας βιάζεσθαι ὅσα ἐξῆν οὐδαμῇ ἐδικαίουν, ἐν τε ταῖς περὶ τὰς δίκας φιλονεικίαις ἐδόκει μὲν ἑκάτερος ἐνὶ τῶν διαφόρων ἀμύνειν, νικᾶν δὲ αὐτοῖν τὸν λόγῳ τῷ ἀδίκῳ ξυνιστάμενον ἐπάναγκες ἦν: οὕτω δὲ τὰ πλεῖστα χρημάτων αὐτοὺς τῶν ἀντιλεγομένων ληΐζεσθαι. [20] πολλοὺς μὲν οὖν ὁδε ὁ αὐτοκράτωρ ἐν τοῖς αὐτῷ καταλέγων ἐπιτηδεύοις ἐς τὴν ἐξουσίαν ἐνεβίβαζε τοῦ βιάζεσθαι τε καὶ εἰς τὴν πολιτείαν ἐξαμαρτάνειν ἃ βούλοιντο, ἐπειδὴν δὲ πλούτου τι μέγα χρῆμα περιβεβλημένοι φανεῖεν, εὐθύς τι προσκεκρουκότες τῇ γυναικὶ διάφοροι ἦσαν. [21] ὣν δὴ κατ' ἀρχὰς μεταποιεῖσθαι πάσῃ προθυμίᾳ οὐδαμῇ ἀπηξίου, ὕστερον δὲ τὴν ἐς τοὺς ἀνθρώπους μεθεῖς εὖνοιαν τὰ ἐς τὴν σπουδὴν τάραχος ἐκ τοῦ αἰφνιδίου ἐγίνετο. [22] καὶ ἡ μὲν αὐτίκα εἰργάζετο αὐτοὺς ἀνήκεστα ἔργα, ὁ δὲ διῆθεν οὐκ ἐπαισθανόμενος τῶν πραττομένων σύμπασαν αὐτῶν τὴν οὐσίαν κτήσει ἀναισχύντῳ ἡσπάζετο. [23] τούτοις τε ἀεὶ τοῖς μηχανήμασιν ἐν σφίσι μὲν αὐτοῖς ξυμφρονοῦντες, ἐς δὲ τὸ ἐμφανὲς στασιάζειν ποιοῦμενοι, διαστήσασθαι τε τοὺς ὑπηκόους καὶ τὴν τυραννίδα βεβαιοτάτα κρατύνεσθαι ἔσχον.

XI

Ἐπειδὴ οὖν Ἰουστινιανὸς τὴν βασιλείαν παρέλαβε, συγχεῖν ἅπαντα εὐθὺς ἴσχυσεν. ἃ γὰρ ἔμπροσθεν νόμῳ ἀπορρηθέντα ἐτύγχανεν, ἐς τὴν πολιτείαν εἰσηγε, τὰ τε ὄντα καὶ ξυνειθισμένα καθελὼν ζύμπαντα, ὥσπερ ἐπὶ τούτῳ κεκομισμένοις τὸ τῆς βασιλείας σχῆμα, ἐφ' ᾧ ἅπαντα μεταλλάσσοι ἐφ' ἑτερον σχῆμα. [2] ἀρχάς τε γὰρ τὰς μὲν οὐσας ἀνῆρει, τὰς δὲ οὐκ οὐσας ἐφίστη τοῖς πράγμασι: τοὺς τε νόμους καὶ τῶν στρατιωτῶν τοὺς καταλόγους ταῦτο τοῦτο ἐποίει, οὐ τῷ δικαίῳ εἰκὼν οὐδὲ τῷ ζυμφορῷ ἐς τοῦτο ἡγμένος, ἀλλ' ὅπως δὴ ἅπαντα νεώτερά τε καὶ αὐτοῦ ἐπώνυμα εἶη. ἦν δέ τι καὶ μεταβαλεῖν ἐν τῷ παρατύτῳ ἡκιστα ἴσχυσεν, ἀλλὰ τούτῳ γε τὴν ἐπωνυμίαν τὴν αὐτοῦ ἔθετο. [3] Χρημάτων δὲ ἀρπαγῆς ἢ φόνου ἀνθρώπων κόρος αὐτὸν οὐδεὶς ἔλαβε πώποτε, ἀλλ' οἰκίας μὲν παμπληθεῖς ληϊσάμενος εὐδαιμόνων ἀνδρῶν ἐτέρας ἐξίτηι, προέμενος εὐθὺς τῶν βαρβάρων τισιν, ἢ ἀνοήτοις οἰκοδομίαις λείας τῆς προτέρας τὰ χρήματα. [4] καὶ μυρίους δὲ ἴσως λόγῳ οὐδενὶ ἀνελὼν ἐς πλείονων ἄλλων ἐπιβουλήν αὐτίκα μάλα καθίστατο. [5] εἰρήνης τοίνυν Ῥωμαίοις οὔσης ἐς πάντας ἀνθρώπους οὐκ ἔχων ὅστις γένηται τῶν φόνων ἐπιθυμία πάντας βαρβάρους πρὸς τε ἀλλήλους ξυνέκρουε, τῶν δὲ Οὐννων τοὺς ἡγουμένους ἐξ αἰτίας οὐδεμιᾶς μετακαλῶν χρήματα μεγάλα σφίσιν ἀτόπῳ φιλοτιμίᾳ προῖετο, φιλίας ἐνέχυρα δῆθεν τῷ λόγῳ ταῦτα ποιούμενος: ὅπερ αὐτὸν ἐρρήθη καὶ ὑπὸ τὸν χρόνον τῆς Ἰουστίνου βασιλείας πεποιηκέναι. [6] οἱ δὲ καὶ χρήματα κεκομισμένοι τῶν ξυναρχόντων τινὰς ζῶν τοῖς ἐπομένοις τοῖς αὐτῶν ἔπεμπον, καταθέειν ἐξ ἐπιδρομῆς γῆν τὴν βασιλέως κελεύοντες, ὅπως καὶ αὐτοὶ τὴν εἰρήνην ἀπεμπολεῖν τῷ ταύτην ὠνεῖσθαι λόγῳ οὐδενὶ βουλομένῳ δυνατοὶ εἶεν. [7] καὶ οἱ μὲν αὐτίκα ἠνδραπόδιζόν τε τὴν Ῥωμαίων ἀρχὴν καὶ οὐδέν τι ἥσσαν ἔμμισθοι πρὸς τοῦ βασιλέως ἐγίνοντο: ἕτεροι δὲ μετ' ἐκείνους εὐθὺς ἐς τὸ ληΐζεσθαι τοὺς τάλαιπῶρους Ῥωμαίους καθίσταντο, καὶ μετὰ τὴν λείαν ἄθλα τῆς ἐφόδου τὴν βασιλέως φιλοτιμίαν ἐδέχοντο. [8] οὕτω τε ἅπαντες ξυλλήβδην εἰπεῖν οὐδένα ἀνιέντες καιρὸν ἐκ περιτροπῆς ἡγόν τε καὶ ἔφερον ἀπαξάπαντα. [9] ἀρχόντων γὰρ εἰσι τοῖς βαρβάροις τούτοις ξυμμορίαὶ πολλαὶ καὶ περιήρχετο πόλεμος τὴν μὲν αἰτίαν ἐκ φιλοτιμίας ἀλογίστου λαβὼν, τὸ δὲ πέρας εὐρέσθαι οὐδαμῇ ἔχων, ἀλλ' ἐφ' ἑαυτὸν ἀνακυκλούμενος τὸν [10] πάντα αἰῶνα. διὸ δὴ χῶρος μὲν τις ἢ ὅρος ἢ σπήλαιον ἢ ἄλλο τι τῆς Ῥωμαίων γῆς ὑπὸ τὸν χρόνον τοῦτον ἀδήωτον οὐδαμῇ ἔμεινε, χώραις δὲ πολλαῖς πλέον ἢ πεντάκις ἀλῶναι συνέβη. [11] καὶ ταῦτα μέντοι καὶ ὅσα πρὸς Μήδων τε καὶ Σαρακηνῶν καὶ Σκλαβηνῶν καὶ Ἀντῶν καὶ τῶν ἄλλων βαρβάρων ξυνηνέχθη γενέσθαι ἐν τοῖς ἔμπροσθέν μοι δεδιήγεται λόγοις: ἀλλ' ὅπερ τοῦδε ἀρχόμενος τοῦ λόγου ὑπεῖπον, τὴν αἰτίαν τῶν ξυμπεπτωκότων ἐνταυθὰ μοι ἦν ἀναγκαῖον εἰπεῖν. [12] Καὶ Χοσρόῃ μὲν κεντηναρίων πλῆθος ὑπὲρ τῆς εἰρήνης προέμενος, αὐτογνωμονήσας δὲ οὐδενὶ λόγῳ αἰτιώτατος τοῦ λελῦσθαι τὰς σπονδὰς γέγονεν, Ἀλαμούνδαρόν τε καὶ Οὐννους τοὺς Πέρσαις ἐνσπόνδους σπουδάζων τε καὶ διατεινόμενος ἐταιρίζεσθαι, ὅπερ μοι ἐν λόγοις τοῖς ὑπὲρ αὐτῶν οὐκ ἀπαρακαλύπτως

εἰρησθαι δοκεῖ. [13] ἐν ᾧ δὲ τὰ ἐκ τῶν στάσεων τε καὶ πολέμων κακὰ Ῥωμαῖοις ἀνήγειρε καὶ ἐρρίπιζεν, ἐν τούτῳ βουλευσάμενος, αἵματος ἀνθρωπείου τὴν γῆν πολλαῖς μηχαναῖς ἐμπλεων γίνεσθαι καὶ χρήματα ληΐζεσθαι πλεῖω, φόνον καὶ ἄλλον τῶν ὑπηκόων ἐπενόει πολὺν τρόπῳ τοιῶδε. [14] Χριστιανῶν δόξαι ἀπόβλητοι πολλαὶ εἰσιν ἐν πάσῃ τῇ Ῥωμαίων ἀρχῇ, ὥσπερ αἰρέσεις καλεῖν νενομίκασι, Μοντανῶν τε καὶ Σαββατιανῶν καὶ ὅσαις ἄλλαις πλανᾶσθαι αἱ τῶν ἀνθρώπων εἰώθασι γινώμει. [15] τούτους ἅπαντας δόξαν τὴν παλαιὰν ἐκέλευε μετατίθεσθαι, ἄλλα τε ἀπειλήσας ἀπειθοῦσι πολλὰ καὶ τὰς οὐσίας ἐς τοὺς παῖδας ἢ ξυγγενεῖς μηκέτι παραπέμπειν οἷόν τε εἶναι. [16] τούτων δὲ τὰ ἱερὰ τῶν αἰρετικῶν καλουμένων, καὶ διαφερόντως οἷσπερ ἡ τοῦ Ἀρείου ἡσκητο δόξα, πλουτόν τινα εἶχεν ἀκοῆς κρείττω. [17] οὔτε γὰρ ἡ σύγκλητος βουλή ξύμπασα οὔτε τις ἄλλη μεγίστη μοῖρα τῆς Ῥωμαίων ἀρχῆς τὰ γε εἰς τὴν οὐσίαν εἰκάζεσθαι τούτοις δὴ τοῖς ἱεροῖς ἔσχε. [18] κειμήλιά τε γὰρ αὐτοῖς χρυσᾶ τε καὶ ἀργυρᾶ καὶ ξυγκείμενα ἐκ λίθων ἐντίμων ἀμύθητά τε καὶ ἀναρίθμητα ἦν, οἰκίαι τε καὶ κῶμαι παμπληθεῖς, καὶ χώρα πολλὴ πανταχόθι τῆς γῆς, καὶ ὅση ἄλλη πλούτου ἰδέα ἐστὶ τε καὶ ὀνομάζεται ἐν πᾶσιν ἀνθρώποις ἅτε οὐδενὸς αὐτὰ τῶν πώποτε βεβασιλευκότων ὀχλήσαντος. [19] πολλοὶ τε ἄνθρωποι, καὶ ταῦτα δόξης ὄντες ὀρθῆς, τῇ τῶν σφετέρων ἐπιτηδευμάτων προφάσει ἐνθένδε αἰεὶ τοῦ βίου τὰς ἀφορμὰς εἶχον. [20] τούτων μὲν οὖν τῶν ἱερῶν πρῶτον τὰς οὐσίας δημοσιώσας Ἰουστινιανὸς βασιλεὺς ἀφείλετο ἐξαπιναίως τὰ χρήματα πάντα. ἐξ οὗ τοῖς πολλοῖς ἀποκεκλεισθαι τὸ λοιπὸν τοῦ βίου συνέβη. [21] Πολλοὶ δὲ εὐθὺς πανταχόσε περιόντες δόξης τῆς πατρίου τοὺς παραπίπτοντας ἠνάγκαζον μεταβάλλεσθαι. [22] ἅπερ ἐπεὶ ἀνθρώποις ἀγροίκους οὐχ ὅσια ἔδοξεν εἶναι, τοῖς ταῦτα ἐπαγγέλλουσιν ἀντιστατεῖν ἅπαντες ἔγνωσαν. [23] πολλοὶ μὲν οὖν πρὸς τῶν στρατιωτῶν διεφθείροντο, πολλοὶ δὲ καὶ σφᾶς αὐτοὺς διεχρήσαντο εὐσεβεῖν μάλιστα ὑπὸ ἀβελτερίας οἰόμενοι, καὶ αὐτῶν ὁ μὲν πλεῖστος ὁμιλος γῆς τῆς πατρῴας ἐξιστάμενοι ἔφευγον, Μοντανοὶ δὲ, οἱ ἐν Φρυγίᾳ κατόκηντο, σφᾶς αὐτοὺς ἐν ἱεροῖς τοῖς σφετέροις καθερίζαντες τούτους τε τοὺς νεῶς αὐτίκα ἐμπρήσαντες ξυνδιεφθάρησαν οὐδενὶ λόγῳ, πᾶσά τε ἀπ' αὐτοῦ ἡ Ῥωμαίων ἀρχὴ φόνου τε ἦν καὶ φυγῆς ἐμπλεως. [24] Νόμου δὲ τοῦ τοιούτου καὶ ἀμφὶ τοῖς Σαμαρείταις αὐτίκα θεθέντος ταραχὴ ἄκριτος τὴν Παλαιστίνην κατέλαβεν. [25] ὅσοι μὲν οὖν ἐν τε Καισαρείᾳ τῇ ἐμῇ καὶ ταῖς ἄλλαις πόλεσιν ὄκουν, παρὰ φαῦλον ἡγήσάμενοι κακοπάθειάν τινα ὑπὲρ ἀνοήτου φέρεσθαι δόγματος, ὄνομα Χριστιανῶν τοῦ σφίσι παρόντος ἀνταλλαζάμενοι τῷ προσχήματι τούτῳ τὸν ἐκ τοῦ νόμου ἀποσείσασθαι κίνδυνον ἴσχυσαν. [26] καὶ αὐτῶν ὅσοις μὲν τι λογισμοῦ καὶ ἐπιεικείας μετῆν, πιστοὶ εἶναι τὰ ἐς δόξαν τήνδε οὐδαμῇ ἀπηξίου, οἱ μέντοι πλεῖστοι ὥσπερ ἀγανακτοῦντες, ὅτι δὴ οὐχ ἐκούσιοι, ἀλλὰ τῷ νόμῳ ἠναγκασμένοι δόγμα τὸ πάτριον μετεβάλοντο, αὐτίκα δὴ μάλα ἐπὶ τε Μανιχαίους καὶ τοὺς καλουμένους Πολυθέους ἀπέκλιναν. [27] οἱ δὲ γεωργοὶ ξύμπαντες ἄθροοι γεγεννημένοι ὅπλα ἀνταίρειν βασιλεῖ ἔγνωσαν, βασιλέα σφίσι τῶν τινα ληστῶν προβεβλημένοι, Ἰουλιανὸν ὄνομα, Σαβάρου υἱόν. [28] καὶ χρόνον μὲν τινα τοῖς στρατιώταις ἐς χεῖρας ἐλθόντες ἀντεῖχον, ἔπειτα δὲ ἡττηθέντες τῇ μάχῃ διεφθάρησαν ξὺν τῷ ἡγεμόνι. [29] καὶ λέγονται μυριάδες

ἀνθρώπων δέκα ἐν τῷ πόνῳ τούτῳ ἀπολωλέναι, καὶ χώρα ἡ πάσης γῆς ἀγαθὴ
μάλιστα ἔρημος γεωργῶν ἀπ' αὐτοῦ γέγονε. [30] τοῖς τε τῶν χωρίων κυρίοις
Χριστιανοῖς οὗσι τὸ πρᾶγμα τοῦτο ἐς μέγα κακὸν ἐτελεύτησεν. ἀναγκαῖον
γὰρ γέγονε σφίσιν οὐδὲν ἐνθένδε μετακομιζομένοις φόρον τὸν ἐπέτειον ἄδρὸν
τινα ὄντα ἐς τὸν ἅπαντα αἰῶνα βασιλεῖ φέρειν, ἐπεὶ οὐδεμιᾷ φειδοῖ ἡ τοῦ
ἔργου τούτου ἐντροπὴ γέγονεν. [31] Ἐντεῦθεν ἐπὶ τοὺς Ἑλληνας καλουμένους
τὴν δῶξιν ἦγεν αἰκίζόμενός τε τὰ σώματα καὶ τὰ χρήματα ληϊζόμενος. [32]
ἀλλὰ καὶ αὐτῶν ὅσοι τοῦ Χριστιανῶν ὀνόματος δῆθην μεταλαχεῖν ἔγνωσαν
τῷ λόγῳ τὰ παρόντα σφίσιν ἐκκρούοντες, οὗτοι δὴ οὐ πολλῷ ὕστερον ἐπὶ ταῖς
σπονδαῖς καὶ θυσίαις καὶ ἄλλοις οὐχ ὁσίοις ἔργοις ἐκ τοῦ ἐπὶ πλεῖστον
ἠλίσκοντο. [33] τὰ γὰρ ἀμφὶ τοῖς Χριστιανοῖς εἰργασμένα ἐν τοῖς ὀπισθέν μοι
λόγοις λελέξεται. [34] Μετὰ δὲ καὶ τὸ παιδεραστεῖν νόμῳ ἀπεῖργεν, οὐ τὰ μετὰ
τὸν νόμον διερευνώμενος, ἀλλὰ τοὺς πάλαι ποτὲ ταύτῃ δὴ τῇ νόσῳ ἀλόντας.
[35] ἐγένετό τε ἡ ἐς αὐτοὺς ἐπιστροφή οὐδενὶ κόσμῳ, ἐπεὶ καὶ κατηγόρου χωρὶς
ἐπράσσετο ἡ ἐς αὐτοὺς τίσις, ἐνός τε ἀνδρὸς ἡ παιδὸς λόγος, καὶ τούτου
δούλου, ἂν οὕτω τύχοι, καὶ ἀκουσίου μαρτυρεῖν ἐπὶ τὸν κεκτημένον
ἀναγκασθέντος, [36] ἔδοξεν εἶναι ἀκριβῆς ἔλεγχος. τοὺς τε οὕτως ἀλίσκομένους
τὰ αἰδοῖα περιηρημένους ἐπόμεπεν. οὐκ ἐς πάντας μέντοι κατ' ἀρχὰς τὸ
κακὸν ἦγετο, ἀλλ' ὅσοι ἢ Πράσινοι εἶναι ἢ μεγάλα περιβεβλησθαι χρήματα
ἔδοξαν ἢ ἄλλο τι τοῖς τυραννοῦσι προσκεκρουκότες ἐτύγχανον. [37] Καὶ μὴν
καὶ τοῖς μετεωρολόγοις χαλεπῶς εἶχον. διὸ δὴ αὐτοὺς ἡ ἐπὶ τοῖς κλέπταις
τεταγμένη ἀρχὴ ἠκίζετο τε ἀπ' οὐδεμιᾶς ἄλλης αἰτίας καὶ ξαίνουσα κατὰ τοῦ
νότου πολλὰς ἐπὶ καμήλων φερομένους ἐπόμεπεν ἀνὰ πᾶσαν τὴν πόλιν
γέροντάς τε καὶ ἄλλως ἐπιεικεῖς ὄντας, ἄλλο αὐτοῖς ἐπικαλεῖν οὐδὲν ἔχουσα,
πλὴν γε δὴ ὅτι σοφοὶ τὰ περὶ τοὺς ἀστέρας [38] ἐν τοιούτῳ χώρῳ ἐβούλοντο
εἶναι. ἔφευγον τοίνυν ἀνθρώπων διηνεκὲς πολλὺς ὄμιλος οὐκ ἐς βαρβάρους
μόνον, ἀλλὰ καὶ ἐς τοὺς μακρὰν ὤκισμένους Ῥωμαίους, ἦν τε ἰδεῖν ἐν χώρᾳ
τε ἀεὶ καὶ πόλει ἐκάστη τοὺς πλείστους ξένους. [39] τοῦ γὰρ διαλαθεῖν ἕνεκα
γῆς τῆς πατρῴας τὴν ἀλλοτρίαν ἠλλάξαντο εὐπετῶς ἕκαστοι, [40] ὥσπερ τῆς
πατρίδος αὐτοῖς ὑπὸ πολεμίων ἀλούσης. τὸν μὲν οὖν πλοῦτον τῶν
εὐδαιμόνων εἶναι δοκούντων ἐν τε Βυζαντίῳ καὶ πόλει ἐκάστη μετὰ γε τοὺς
ἐκ τῆς συγκλήτου βουλῆς, τρόποις οἷσπερ εἴρηται Ἰουστινιανός τε καὶ
Θεοδώρα ληϊσάμενοι ἔσχον. [41] ὅπως δὲ καὶ τοὺς ἐκ βουλῆς ἀφαιρεῖσθαι τὰ
χρήματα ξύμπαντα ἴσχυσαν, αὐτίκα δηλώσω.

Ἦν τις ἐν Βυζαντίῳ Ζήνων ὄνομα, ἐκείνου Ἀνθεμίου υἱὸνός, ὅσπερ ἐν τῇ ἐσπερίᾳ τὴν βασιλείαν τὰ πρότερα ἔσχε. τοῦτον δὴ ἐξεπίτηδες ἄρχοντα ἐπ' Αἰγύπτου καταστησάμενοι ἔστελλον. [2] ἀλλ' ὁ μὲν χρημάτων τὸ πλοῖον τῶν τιμιωτάτων ἐμπλησάμενος τὰ ἐς τὴν ἀναγωγὴν διέθετο: ἦσαν γὰρ αὐτῷ σταθμός τε ἀργύρου ἀναρίθμητος καὶ χρυσώματα μαργάροις τε καὶ σμαράγδοις καλλωπισθέντα καὶ λίθοις ἄλλοις τοιούτοις ἐντίμοις: οἱ δὲ τινὰς ἀναπείσαντες τῶν οἱ πιστοτάτων εἶναι δοκούντων τὰ μὲν χρήματα ἐνθένδε ὅτι τάχιστα ἐκφορήσαντες, πῦρ δὲ ἐν κοίλῃ νηὶ ἐμβεβλημένοι τῷ Ζήνωνι ἀπαγγέλλειν ἐκέλευον ἀπὸ ταυτομάτου τὴν τε φλόγα ἐν τῷ πλοίῳ ξυνηνέχθαι καὶ διολωλέναι τὰ χρήματα. [3] χρόνῳ δὲ ὕστερον Ζήνωνι μὲν ἐξαπιναιῶς ἀπογενέσθαι ξυνέπεσεν, αὐτοὶ δὲ κύριοι τῆς οὐσίας εὐθὺς ἄτε κληρονόμοι γεγόνασι. [4] διαθήκην γάρ τινα προῦφερον, ἥνπερ οὐ παρ' ἐκείνου ξυγκεῖσθαι διατεθρύλληται. [5] Καὶ Τατιανοῦ τε καὶ Δημοσθένους καὶ τῆς Ἰλαρᾶς τρόπῳ τῷ ὁμοίῳ σφᾶς αὐτοὺς κληρονόμους πεποίηται, οἵπερ τά τε ἄλλα καὶ τὸ ἀξίωμα πρῶτοι ἔν γε Ῥωμαίων τῇ βουλῇ ἦσαν. τινῶν δὲ οὐ διαθήκας, ἀλλ' ἐπιστολὰς διεσκευασμένοι τὴν οὐσίαν ἔσχον. [6] οὕτω γὰρ Διονυσίου τε κληρονόμοι γεγόνασιν, ὃς ἐν Λιβάνῳ ᾤκει, καὶ Ἰωάννου τοῦ Βασιλείου παῖδός, ὃς δὴ ἐπιφανέστατος μὲν Ἑδεσσηνῶν ἐγεγόνει πάντων, βία δὲ πρὸς Βελισαρίου ἐν ὁμήρων λόγῳ ἐκδέδοται τοῖς Πέρσαις, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη. [7] τοῦτον γὰρ τὸν Ἰωάννην ὁ μὲν Χοσρόης οὐκέτι ἠφίει, ἐπικαλὼν Ῥωμαίοις ἠλογηκέναι τὰ ξυγκείμενα πάντα, ἐφ' οἷς αὐτῷ πρὸς Βελισαρίου δοθεὶς ἐτύγχανεν ἀποδίδοσθαι μέντοι ἄτε δορυάλωτον γεγονότα ἤξιον. [8] ἡ δὲ τοῦ ἀνδρὸς μάμμη ἑπιοῦσα γὰρ ἔτι ἐτύγχανε τὰ λύτρα παρεχομένη οὐχ ἥσσον ἢ δισχιλίας λίτρας ἀργύρου τὸν υἱὸν ὠνήσεσθαι ἐπίδοξος ἦν. [9] ἀλλ' ἐπεὶ τὰ λύτρα ταῦτα ἐς Δάρας ἦλθε, μαθὼν ὁ βασιλεὺς τὸ συμβόλαιον γενέσθαι οὐκ εἶα, ὥς μὴ ἐς τοὺς βαρβάρους, [10] εἰπὼν, ὁ Ῥωμαίων κομίζεται πλοῦτος. οὐ πολλῶν δὲ ὕστερον τῷ μὲν Ἰωάννῃ νοσήσαντι ξυνέβη ἐξ ἀνθρώπων ἀφανισθῆναι, ὁ δὲ τὴν πόλιν ἐπιτροπεύων ἐπιστολὴν ἀναπλάσας τινὰ ἔφη πρὸς αὐτὸν ἄτε φίλον οὐ πολλῶν ἔμπροσθεν τὸν Ἰωάννην γράψαι ὥς οἱ αὐτῷ βουλομένῳ εἴη εἰς τὸν βασιλέα τὴν οὐσίαν ἐλθεῖν. [11] πάντων δὲ τῶν ἄλλων τὰ ὀνόματα καταλέγειν οὐκ ἂν δυναίμην ὥνπερ αὐτόματοι κληρονόμοι γεγέννηται. [12] Ἀλλὰ μέχρι μὲν οὖν ἡ τοῦ Νίκα καλουμένη στάσις ἐγένετο, κατὰ μίαν διαλέγεσθαι τὰς τῶν εὐδαιμόνων οὐσίας ἤξιον: ἐπεὶ δὲ ταύτην, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, γενέσθαι ξυνέβη, τότε δὴ ἀθρόας σχεδὸν τι εἰπεῖν ἀπάντων τῶν ἀπὸ τῆς συγκλήτου βουλῆς τὰς οὐσίας δημοσιώσαντες, τὰ μὲν ἔπιπλα πάντα καὶ τῶν χωρίων ὅσα κάλλιστα ἦν ἥπερ ἐβούλοντο διεχείρισαν, ἀπολέξαντες δὲ τὰ φόρου πικροῦ τε καὶ βαρυτάτου ὑποτελῆ ὄντα, φιλανθρωπίας προσχίματι τοῖς πάλαι κεκτημένοις ἀπέδοντο. [13] διὸ δὴ πρὸς τε τῶν φορολόγων ἀγχόμενοι καὶ ἀποκναιόμενοι τόκοις ὀφλημάτων ἀειρρῦτοις τισὶ δυσθανατοῦντες ἀκούσιοι διεβίωσαν. [14] διὸ δὴ ἐμοί τε καὶ τοῖς πολλοῖς ἡμῶν

οὐδὲ πώποτε ἔδοξαν οὗτοι ἄνθρωποι εἶναι, ἀλλὰ δαίμονες παλαμναῖοι τινες καὶ ὥσπερ οἱ ποιηταὶ λέγουσι βροτολογιῶ ἦσθιν, οἳ δὴ ἐπὶ κοινῆς βουλευσάμενοι ὅπως ἅπαντα ἀνθρώπεια γένη τε καὶ ἔργα ὡς ῥᾶστα καὶ τάχιστα διαφθεῖρουν ἱκανοὶ εἶναι, ἀνθρώπειόν τε ἡμπύσχοντο σχῆμα καὶ ἀνθρωποδαίμονες γεγενημένοι τῷ τρόπῳ τούτῳ ζύμπασαν τὴν οἰκουμένην κατέσεισαν. [15] τεκμηριώσαι ὃ ἂν τις τὸ τοιοῦτο πολλοῖς τε καὶ ἄλλοις καὶ τῇ τῶν πεπραγμένων δυνάμει. τὰ γὰρ δαιμόνια τῶν ἀνθρωπείων ζυμβαίνει πολλῷ τῷ διαλλάσσοντι διακεκρίσθαι. [16] πολλῶν ἀμέλει γεγονότων ἐκ τοῦ παντὸς αἰῶνος ἀνθρώπων τύχῃ ἢ φύσει φοβερῶν ἐς τὰ μάλιστα, οἳ μὲν πόλεις, οἳ δὲ χώρας, ἢ ἄλλο τι τοιοῦτο καθ' αὐτοὺς ἔσφηλαν, ὄλεθρον δὲ ζυμπάντων ἀνθρώπων ζυμφοράς τε γῆς τῆς οἰκουμένης ἀπάσης οὐδεὶς ὅτι μὴ οὗτοι ἄνθρωποι ἐργάζεσθαι ἱκανῶς ἔσχον, ὧν δὴ καὶ ἡ τύχη ὑπουργεῖ τῇ γνώμῃ συγκατεργαζομένη τῶν ἀνθρώπων διαφθοράν [17] σεισμοῖς τε γὰρ καὶ λοιμοῖς καὶ ὑδάτων ποταμίων ἐπιρροαῖς ὑπὸ τὸν χρόνον τοῦτον πλεῖστα διολωλέναι τετύχηκεν, ὥς μοι αὐτίκα λελέξεται. οὕτως οὐκ ἀνθρωπεῖω, ἀλλ' ἐτέρῳ σθένει. τὰ δεινὰ ἔπρασσον. [18] Λέγουσι δὲ αὐτοῦ καὶ τὴν μητέρα φάναι τῶν ἐπιτηδεῖων τισὶν ὡς οὐ Σαββατίου τοῦ αὐτῆς ἀνδρὸς οὐδὲ ἀνθρώπων τινὸς υἱὸς εἶναι. [19] ἡνίκα γὰρ αὐτὸν κύειν ἔμελλεν, ἐπιφοιτᾷ αὐτῇ δαιμόνιον οὐχ ὀρώμενον, ἀλλ' αἰσθῆσίν τινα ὅτι δὴ πάρεστιν αὐτῇ παρασχὼν ἅτε ἄνδρα γυναικὶ πλησιάσαντα, καθάπερ ἐν ὄνειρῳ ἀφανισθῆναι. [20] Τινὲς δὲ τῶν αὐτῷ παρόντων τε πόρρῳ που τῶν νυκτῶν καὶ ζυγγινομένων ἐν Παλατίῳ δηλονότι, οἷσπερ ἐν καθαρῷ ἢ ψυχῇ ἦν, φάντασμα τι θεάσασθαι δαιμόνιον ἄηθες σφίσιν ἀντ' αὐτοῦ ἔδοξαν. [21] ὁ μὲν γὰρ ἔφασκεν ἄφνω μὲν αὐτὸν θρόνου τοῦ βασιλείου ἐξαναστάντα περιπάτους ἐνταῦθα ποιεῖν: συχνὸν γὰρ καθῆσθαι οὐδαμῇ εἴθιστο: τῆς δὲ κεφαλῆς ἐν τῷ παραντίκῳ τῷ Ἰουστινιανῷ ἀφανισθείσης τὸ ἄλλο οἱ σῶμα τούτους δὴ τοὺς μακροὺς διαύλους ποιεῖν δοκεῖν, αὐτόν τε ἅτε οἱ τῶν ὁμμάτων περὶ τὴν θεάν ὡς ἥκιστα ὑγαινόντων, ἀσχάλλοντα καὶ διαπορούμενον ἐπὶ πλεῖστον ἐστάναι. [22] ὕστερον μέντοι τῆς κεφαλῆς τῷ σώματι ἐπανηκούσης τὰ τέως λειπόμενα οἶεσθαι [23] παρὰ δόξαν ἀναπιμπλάναι. ἄλλος δὲ παρεστάναι οἱ καθημένῳ ἔφη, ἐκ δὲ τοῦ αἰφνιδίου τὸ πρόσωπόν οἱ κρέατι ἀσήμῳ ἰδεῖν ἐμπερὲς γεγονός: οὔτε γὰρ ὀφρὺς οὔτε ὀφθαλμοὺς ἐπὶ χώρας τῆς αὐτῶν ὄντας οὔτε ἄλλο τι τὸ παράπαν ἔφερε γνῶρισμα: χρόνου μέντοι αὐτῷ τὸ σχῆμα τῆς ὄψεως ἐπανήκον ἰδεῖν. ταῦτα οὐκ αὐτὸς θεασάμενος γράφω, ἀλλὰ τῶν τότε θεάσασθαι ἰσχυριζομένων ἀκούσας. [24] Λέγουσι δὲ καὶ μοναχόν τινα τῷ θεῷ ἐς τὰ μάλιστα φίλον πρὸς τῶν αὐτῷ γῆν τὴν ἔρημον ζυνοικούντων ἀναπεισθέντα σταλῆναι μὲν ἐς Βυζάντιον τοῖς ἄγχιστα σφίσιν ἐνφικημένοις ἐπαμυνούντα, βιαζομένοις τε καὶ ἀδικουμένοις ἀνύποιστα, ἐνταῦθα δὲ ἀφικόμενον αὐτίκα εἰσόδου τῆς παρὰ τὸν βασιλέα τυχεῖν: [25] μέλλοντα δὲ εἶσω παρ' αὐτὸν γενέσθαι, ἀμείψαι μὲν τὸν ἐκείνῃ οὐδὸν θατέρῳ τοῖν ποδοῖν, ἐξαπιναιῶς δὲ ἀναποδίζοντα ὀπίσω ἰέναι. [26] εὐνοῦχον μὲν οὖν τὸν εἰσαγωγέα καὶ τοὺς τῇδε παρόντας πολλὰ τὸν ἄνθρωπον λιπαρεῖν ἐπίπροσθεν βαίνειν, τὸν δὲ οὐδέν τι ἀποκρινάμενον, ἀλλὰ καὶ παραπληγὶ εοικότα ἐνθένδε ἀπαλλαγῆναι ἐς τὸ δωμάτιον, οὗ δὴ κατέλυε, γεγονότα: τῶν τέ οἱ ἐπομένων ἀναπνυθανομένων ὅτου ἔνεκα ταῦτα ποιοίῃ,

φάναι λέγουσιν αὐτὸν ἄντικρυς ὡς τῶν δαιμόνων τὸν ἄρχοντα ἐν τῷ Παλατίῳ ἐπὶ τοῦ θρόνου καθήμενον ἴδοι, ᾧ δὴ ξυγγενέσθαι ἢ τι παρ' αὐτοῦ αἰτεῖσθαι οὐκ ἂν ἀξιοίῃ. [27] πῶς δὲ οὐκ ἔμελλεν ὅδε ὁ ἀνὴρ δαίμων τις ἀλιτήριος εἶναι, ὅς γε ποτοῦ ἢ σιτίων ἢ ὕπνου εἰς κόρον οὐδέποτε ἤλθεν, ἀλλ' ἀμηγέπη τῶν παρατεθέντων ἀπογευσάμενος ἁπρὶ νύκτωρ περιήρχετο τὰ βασίλεια, καίπερ ἐς τὰ ἀφροδίσια δαιμονίως ἐσπουδακώς. [28] Λέγουσι δὲ καὶ τῶν Θεοδώρας ἐραστῶν τινες, ἡνίκα ἐπὶ τῆς σκηνῆς ἦν, νύκτωρ τι αὐτοῖς ἐπισκῆψαν δαιμόνιον ἐξελάσαι τοῦ δωματίου, ἵνα δὴ σὺν αὐτῇ ἐνυκτέρευον: ὀρχηστρίς δέ τις Μακεδονία ὄνομα ἐγεγόνει τοῖς ἐν Ἀντιοχεῦσι Βενέτοις, δύναμιν περιβεβλημένη πολλήν. [29] γράμματα γὰρ Ἰουστινιανῷ γράφουσα ἔτι τοῦ Ἰουστίνου διοικουμένῳ τὴν βασιλείαν, οὕς ἂν βούλοιτο τῶν ἐν τοῖς ἐφῷσι λογίμων ἀνήρει οὐδενὶ πόνῳ, καὶ αὐτῶν τὰ χρήματα ἐποίει ἀνάγραπτα ἐς τὸ δημόσιον γίνεσθαι. [30] ταύτην τὴν Μακεδονίαν φασὶν ἐξ Αἰγύπτου τε καὶ Λιβύης ποτὲ ἤκουσαν τὴν Θεοδώραν ἀσπαζομένην, ἐπειδὴ λίαν δυσφορουμένην τε αὐτὴν καὶ ἀσχάλλουσαν εἶδεν οἷς δὴ περιύβριστό τε πρὸς τοῦ Ἐκηβολίου καὶ χρήματά οἱ ἐν τῇ ὁδῷ ταύτῃ ἀπολώλει, πολλὰ παρηγορεῖν τε καὶ παραθρασύνειν τὴν ἄνθρωπον ἅτε τῆς τύχης οἴας τε οὔσης καὶ αὐθις αὐτῇ χορηγοῦ γενέσθαι χρημάτων μεγάλων. [31] τότε λέγουσι τὴν Θεοδώραν εἰπεῖν ὡς καὶ ὄναρ αὐτῇ ἐπισκῆψαν τὴν νύκτα ἐκείνην πλούτου ἕνεκα μηδεμίαν κελεύσαι ποιεῖσθαι φροντίδα. [32] ἐπειδὴν γὰρ εἰς Βυζάντιον ἵκοιτο, τῷ τῶν δαιμόνων ἄρχοντι ἐς εὐνὴν ἤξειν, τούτῳ τε ἅτε γαμετὴν γυναῖκα ξυνοικήσεσθαι μηχανῇ πάσῃ, καὶ ἀπ' αὐτοῦ κυρίαν αὐτὴν πάντων χρημάτων γενήσεσθαι.

Ἀλλὰ ταῦτα μὲν οὕτω δὴ δόξης τοῖς πλείστοις εἶχεν. Ἰουστινιανὸς δὲ τοιοῦτος μὲν ἦν τὸ ἄλλο ἦθος οἷος δεδήλωται, εὐπρόσιτον δὲ παρείχεν αὐτὸν καὶ πρᾶγον τοῖς ἐντυγχάνουσιν, οὐδενί τε τῶν πάντων ἀποκεκλείσθαι τῆς εἰς αὐτὸν εἰσόδου συνέβαινε, ἀλλὰ καὶ τοῖς οὐκ ἐν κόσμῳ παρ' αὐτῷ ἐστῶσιν ἢ φθεγγομένοις οὐδεπώποτε χαλεπῶς ἔσχεν. [2] οὐ μέντοι διὰ ταῦτα ἡρυθρία τινὰ τῶν πρὸς αὐτοῦ ἀπολουμένων. οὐ μὴν οὐδὲ ὀργῆς πώποτε ἢ ἀκροχολίας τι ὑποφαίνων ἐς τοὺς προσκεκρουκότας ἔνδηλος γέγονεν, ἀλλὰ πρᾶος μὲν τῷ προσώπῳ, καθειμέναις δὲ ταῖς ὀφρυσίν, ὑφειμένη δὲ τῇ φωνῇ ἐκέλευε μυριάδας μὲν διαφθεῖραι μηδὲν ἡδικηκότων ἀνθρώπων, πόλεις δὲ καθελεῖν, χρήματά τε ἀνάγραπτα ἐς τὸ δημόσιον πάντα ποιεῖσθαι. [3] εἶκασεν ἂν τις ἐκ τοῦδε τοῦ ἦθους προβατίου γνώμην τὸν ἄνθρωπον ἔχειν. ἦν μέντοι τις αὐτὸν ἰλεούμενος τοὺς παραπεπτωκότας ἱκεσίους λιταῖς παραιτεῖσθαι πειρῶτο, ἐνταῦθα ἡγριωμένος τε καὶ σεσηρῶς μεστοῦσθαι ἐδόκει, ὥς μὴ τινι τῶν οἱ ἐπιτηδεῖων δοκούντων εἶναι ἐξατεῖσθαι ἐν ἐλπίδι τὸ λοιπὸν εἶη. [4] Δόξαν δὲ βέβαιον ἀμφὶ τῷ Χριστῷ ἔχειν ἐδόκει, ἀλλὰ καὶ τοῦτο ἐπὶ φθόρῳ τῶν κατηκόων. τοῖς τε γὰρ ἱερεῦσιν ἀδεέστερον τοὺς πέλας ξυνεχώρει βιάζεσθαι καὶ ληΐζομένοις τὰ τῶν ὁμόρων συνέχαιρεν, εὐσεβεῖν ταύτῃ ἀμφὶ τὸ θεῖον οἰόμενος. [5] δίκας τε τοιαύτας δικάζων τὰ ὅσια ποιεῖν ᾤετο, ἦν τις ἱερῶν λόγῳ τῶν τι οὐ προσηκόντων ἀρπάσας νενικηκώς τε ἀπιὼν οἴχοιτο. τὸ γὰρ δίκαιον ἐν τῷ περιεῖναι τοὺς ἱερέας τῶν ἐναντίων ᾤετο εἶναι. [6] καὶ αὐτὸς δὲ κτῶμενος ἐξ οὐ προσηκόντων τὰς τῶν περιόντων ἢ τετελευτηκότων οὐσίας, καὶ ταύτας τῶν τινι νεῶν εὐθὺς ἀνατιθεῖς τῷ τῆς εὐσεβείας ἐφιλοτιμεῖτο παραπετάσματι, ὥς μὴ ἐς [7] τοὺς βιασθέντας ἢ τούτων αὐθις ἐπανίοι κτήσις. ἀλλὰ καὶ φόνων ἀριθμὸν ἄκριτον διὰ ταῦτα εἰργάζετο. ἐς μίαν γὰρ ἀμφὶ τῷ Χριστῷ δόξαν συναγαγεῖν ἅπαντας ἐν σπουδῇ ἔχων λόγῳ οὐδενὶ τοὺς ἄλλους ἀνθρώπους διέφθειρε, καὶ ταῦτα ἐν τῷ τῆς εὐσεβείας προσχήματι πράσπων· οὐ γὰρ οἱ ἐδόκει φόνος ἀνθρώπων εἶναι, ἦν γε μὴ τῆς αὐτοῦ δόξης οἱ τελευτῶντες τύχοιεν ὄντες. [8] οὕτως ἦν αὐτῷ κατεσπουδασμένος ὁ τῶν ἀνθρώπων ἐς αἰὲ φθόρος, ἐπινοῶν τε ζῆν τῇ γαμετῇ οὐποτε ἀνίει τὰς ἐς τοῦτον φερούσας αἰτίας. [9] ἄμφω γὰρ τῷδε τῷ ἀνθρώπῳ τὰς μὲν ἐπιθυμίας ἐκ τοῦ ἐπὶ πλείστον ἀδελφὰς εἶχον, οὗ δὲ αὐτοῖς καὶ διαλλάσσειν τὸν τρόπον ξυνέβη, πονηρὸς μὲν ἑκάτερος ἦν, τὰ μέντοι ἐναντιώτατα ἐνδεικνύμενοι τοὺς ὑπηκόους διέφθειρον. [10] ὁ μὲν γὰρ κονιορτοῦ τὰ ἐς τὴν γνώμην κουφότερος ἦν, ὑποκείμενος τοῖς αἰὲ παράγειν ὅποι ποτ' ἐδόκει βουλομένοις αὐτὸν, ἦν μὴ τὸ πρᾶγμα ἐς φιланθρωπίαν ἢ ἀκερδίαν ἄγοι, θῶπας τε λόγους ἐνδεδεχέστατα προσιέμενος. [11] ἔπειθον γὰρ αὐτὸν οἱ κολακεύοντες οὐδενὶ πόνῳ ὅτι μετέωρος ἀρθείη καὶ ἀεροβατοίῃ. [12] Καί ποτε αὐτῷ παρεδρεύων Τριβωνιανὸς ἔφη περιδεῆς ἀτεχνῶς εἶναι μὴ ποτε αὐτὸν ὑπὸ εὐσεβείας ἐς τὸν οὐρανὸν ἀναληφθεὶς λάθοι ταῦτα. τοιοῦτους δὲ τοὺς ἐπαίνους ἦτοι σκώμματα ἐν τῷ τῆς διανοίας ἐποιεῖτο βεβαίῳ. [13] ἀλλὰ καὶ τοῦ θαυμάσας, ἂν οὕτω τύχοι, τὴν ἀρετὴν, ὀλίγῳ ὕστερον ἅτε πονηρῷ ἐλοιδορεῖτο. καὶ κακίσας τῶν τινα

ὕπηκῶν αὖθις αὐτοῦ ἐπαινέτης ἐγίνετο λόγῳ, ἐξ οὐδεμιᾶς μεταβεβλημένος αἰτίας. [14] τὰ γὰρ τῆς γνώμης αὐτῷ ἐξ ἐναντίας ἦει ὧν τε αὐτὸς ἔλεγε καὶ ἐβούλετο ἔνδηλος εἶναι. [15] ὅπως μέντοι ὁ τρόπος αὐτῷ τὰ ἐς φιλίαν τε καὶ ἔχθος εἶχεν, ὑπεῖπον ἤδη, τοῖς τῷ ἀνθρώπῳ ἐκ τοῦ ἐπὶ πλεῖστον εἰργασμένοις τεκμηριώσας. [16] ἐχθρὸς μὲν γὰρ ἀσφαλῆς τε καὶ ἄτρεπτος ἦν, ἐς δὲ τοὺς φίλους ἄγαν ἀβέβαιος. ὥστε ἀμέλει τῶν μὲν οἱ ἐσπουδασμένων κατειργάσατο πλείστους, φίλος δὲ τῶν πώποτε μισουμένων οὐδενὶ γέγονεν. [17] οὓς δὲ μάλιστα γνωρίμους καὶ ἐπιτηδεῖους ἔδοξεν ἔχειν, τούτους τῇ ὁμόζυγι ἢ ἄλλῳ ὁτῶν χαριζόμενος ἀπολουμένους οὐκ ἐς μακρὰν προῦδῳκε, καίπερ εὖ εἰδὼς ὅτι δὴ τῆς ἐς αὐτὸν εὐνοίας ἔνεκα τεθνήξονται μόνῃς. [18] ἄπιστος γὰρ ἐν πᾶσι πλὴν γε δὴ τῆς τε ἀπανθρωπίας καὶ φιλοχρηματίας διαφανῶς ἦν. ταύτης γὰρ αὐτὸν ἀποστῆσαι δυνατόν οὐδενὶ γέγονεν. [19] ἀλλὰ καὶ ἐς ἃ πείθειν αὐτὸν ἢ γαμετὴ οὐκ εἶχε, χρημάτων αὐτῷ μεγάλων ἐλπίδας ἐκ τοῦ ἔργου ἐσομένων ἐμβαλομένη ἐς τὴν πρᾶξιν ἦν περ ἐβούλετο οὕτι ἐθελούσιον τὸν ἄνδρα ἐφεῖλκε. [20] κέρδους γὰρ οὐκ εὐπρεποὺς ἔνεκα καὶ νόμους τιθέναι καὶ αὐτὸν πάλιν αὐτοὺς καθελεῖν οὐδαμῇ ἀπηξίου. [21] Ἐδίκασέ τε οὐ κατὰ τοὺς νόμους, οὓς αὐτὸς ἔγραψεν, ἀλλ' ἐνθα ἂν αὐτὸν μείζων τε ὀφθεῖσα καὶ μεγαλοπρεπεστέρα ἢ τῶν χρημάτων ὑπόσχεσις ἄγοι. [22] καὶ κατὰ μικρὸν γὰρ κλέπτοντι ἀφαιρεῖσθαι τὰς τῶν ὑπηκόων οὐσίας αἰσχύνῃν αὐτῷ φέρειν τινὰ οὐδαμῇ ᾤετο, ἥνίκα δὴ οὐχ ἀπαξάπαντα ἀφελέσθαι λόγῳ τινὶ εἶχεν ἢ ἐγκλημα ἐπενεγκῶν ἀπροσδόκητον, ἢ διαθήκης οὐ γεγεννημένης προσχήματι. [23] ἔμεινέ τε αὐτοῦ Ῥωμαίων ἄρχοντας, οὐ πίστις ἢ δόξα πρὸς θεὸν ἀσφαλῆς, οὐ νόμος ὀχυρὸς, οὐ πρᾶξις βεβαία, οὐ συμβόλαιον οὐδέν. [24] στελλομένων δὲ πρὸς αὐτοῦ τῶν οἱ ἐπιτηδεῖων ἐπὶ τινὰ πρᾶξιν, εἰ μὲν δὴ αὐτοῖς ἀπολωλεκέναι ξυνέβη τῶν σφίσι παραπεπτωκότων πολλοὺς καὶ χρημάτων τι ληῖσασθαι πλῆθος, οὗτοι δὴ εὐθὺς εὐδόκιμοι τῷ αὐτοκράτορι ἐδόκουν τε εἶναι καὶ ὀνομάζεσθαι ἅτε δὴ ἅπαντα ἐς τὸ ἀκριβὲς τὰ ἐπηγγελμένα ἐπιτελέσαντες· εἰ δὲ φειδοῖ τινι ἐς ἀνθρώπους χρησάμενοι παρ' αὐτὸν ἴκοντο, δύσνους τε αὐτοῖς τὸ λοιπὸν καὶ πολέμιος ἦν. [25] ἀπογνοὺς τε, ὥσπερ ἀρχαιότροπὸν τινὰ τὴν τῶν ἀνδρῶν φύσιν, ἐς τὴν ὑπουργίαν οὐκέτι ἐκάλει. ὥστε καὶ πολλοὶ ἐν σπουδῇ ἐποιοῦντο ἐνδείκνυσθαι αὐτῷ ὡς πονηροὶ εἶεν, καίπερ σφίσι τῶν ἐπιτηδευμάτων οὐ ταύτῃ ἐχόντων. [26] ὑποσχόμενος δὲ τισι πολλάκις καὶ ὄρκῳ ἢ γράμμασι τὴν ὑπόσχεσιν ὀχυρωτέραν πεποιημένος, εὐθὺς ἐθελούσιος ἐς λήθην ἀφῖκτο, δόξης τι φέρειν αὐτῷ τὸ ἔργον τοῦτο οἰόμενος. [27] καὶ ταῦτα ὁ Ἰουστινιανὸς οὐ μόνον ἐς τοὺς ὑπηκόους ἔπρασεν, ἀλλὰ καὶ ἐς τῶν πολεμίων πολλοὺς, ὥσπερ μοι εἴρηται ἔμπροσθεν. [28] Ἦν τε ἄυπνός τε ὡς ἐπὶ πλεῖστον εἰπεῖν καὶ σιτίοις μὲν ἢ ποτῷ κατακορῆς οὐδαμῇ γέγονεν, ἀλλὰ σχεδόν τι ἄκρῳ δακτύλῳ ἀπογευσάμενος ἀπηλλάσσετο. [29] ὥσπερ γὰρ τι αὐτῷ πάρεργον τῆς φύσεως αὐτὸν ἀγγαρευομένης τὰ τοιαῦτα ἐφαίνετο εἶναι, ἐπεὶ καὶ ἀπόσιτος ἡμέρας τε καὶ νύκτας δύο τὰ πολλὰ ἔμενεν, ἄλλως τε ἥνίκα ὁ πρὸ τῆς Πασχαλίας καλουμένης ἑορτῆς χρόνος ἐνταῦθα ἄγοι. [30] τότε γὰρ πολλάκις ἡμέραιν δυοῖν, ὥσπερ εἴρηται, γεγονὼς ἄσιτος ὕδατί τε βραχεῖ ἀποζῆν ἐπηξίου καὶ βοτάναις ἀγρίαις τισὶν, ὥραν τε, ἂν οὕτω τύχοι, καταδαρθὼν μίαν, εἴτα περιπάτους ἀεὶ [31] ποιούμενος τὸν ἄλλον κατέτριβε

χρόνον. καίτοι εἰ τοῦτον αὐτὸν καιρὸν ἐς πράξεις δαπανᾶν ἀγαθὰς ἤθελεν, ἐπὶ μέγα ἂν τι εὐδαιμονίας ἐκεχωρήκει τὰ πράγματα. [32] νῦν δὲ τῇ φύσεως ἰσχύϊ ἐπὶ τῷ Ῥωμαίων πονηρῷ χρώμενος ξύμπασαν αὐτῶν τὴν πολιτείαν ἐς τὸ ἔδαφος καθελεῖν ἴσχυσεν. ἐγρηγορέναι τε γὰρ διηνεκὲς καὶ τάλαιπωρεῖν καὶ πονεῖσθαι οὐκ ἄλλου του ἔνεκα ἔργον πεποιήται ἢ ὥστε κομπωδεστέρας ἀεὶ καθ' ἑκάστην τοῖς ὑπηκόοις ἐπιτεχνᾶσθαι τὰς συμφοράς. [33] ἦν γὰρ ὅπερ εἴρηται, διαφορόντως ὀξὺς ἐπινοῆσαι τε καὶ ταχὺς ἀποτελέσαι ἀνόσια ἔργα, ὥστε αὐτῷ καὶ τὰ τῆς φύσεως ἀγαθὰ ἐπὶ λύμῃ τῶν ὑπηκόων ἀποκεκρίσθαι ξυνέβαινε.

Πραγμάτων γὰρ ἦν ἁωρία πολλή καὶ τῶν εἰωθότων οὐδὲν ἔμεινεν, ὥνπερ μοι ὀλίγων ἐπιμνησθέντι σιωπῇ δοτέον τὰ λοιπὰ ξύμπαντα, ὡς μὴ ὁ λόγος ἀπέραντος εἴη. [2] πρῶτα μὲν γὰρ οὐδὲν ἐς βασιλικὸν ἀξίωμα ἐπιτηδεῖως ἔχον οὔτε αὐτὸς εἶχεν οὔτε ξυμφυλάσσειν ἡξίου, ἀλλὰ τὴν τε γλῶτταν καὶ τὸ σχῆμα καὶ τὴν [3] διάνοιαν ἐβαρβάριζεν. ὅσα τε γράφεσθαι πρὸς αὐτοῦ βούλοιτο, οὐ τῷ τὴν κοιαίστωρος ἔχοντι τιμῇ, ἤπερ εἰώθει, ἐπέστελλε διοικεῖσθαι, ἀλλ' αὐτὸς τε τὰ πλεῖστα, καίπερ οὕτω τῆς γλώττης ἔχων, ἐκφέρειν ἡξίου καὶ τῶν παρατυχόντων πολὺς ὅμιλος, ὥστε τοὺς ἐνθένδε ἡδικημένους οὐκ ἔχειν ὅτῳ ἐπικαλοῖεν. [4] τοῖς δὲ ἀσηκρῆτις καλουμένοις οὐκ ἀπεκέκριτο τὸ ἀξίωμα ἐς τὸ τὰ βασιλέως ἀπόρρητα γράφειν, ἐφ' ᾧπερ τὸ ἀνέκαθεν ἐτετάχατο, ἀλλὰ τὰ τε ἄλλα ἔγραφεν αὐτὸς ὡς εἰπεῖν ἅπαντα καὶ εἴ που διατάσσειν τοὺς διαιτῶντας ἐν πόλει δεήσειεν, ὅπη ποτὲ αὐτοῖς τὰ ἐς τὴν γνῶσιν ἰτέον εἴη. [5] οὐ γὰρ εἶα τινα ἔν γε τῇ Ῥωμαίων ἀρχῇ γνώμη αὐτονόμῳ τὰς ψήφους διδόναι, ἀλλὰ αὐθαδιζόμενος ἀλογίστῳ τινὶ παρρησίᾳ κρίσεις τε αὐτὸς τὰς ἐσομένας ἐρρῦθμιζεν ἀκοῆς λόγον πρὸς τοὺς τῶν διαφορομένων λαβὼν καὶ ἀνάδικα εὐθὺς ἀβασανίστως τὰ δεδικασμένα ἐποίει οὐ νόμῳ τινὶ ἢ δικαίῳ ἡγμένος, [6] ἀλλ' ἀπαρακαλύπτως αἰσχροκερδεῖα ἡσώμενος. δωροδοκῶν γὰρ ὁ βασιλεὺς οὐκ ἡσχύνετο, πᾶσαν αὐτοῦ τὴν αἰδῶ τῆς ἀπληστίας ἀφελομένης. [7] Πολλάκις δὲ τὰ τε τῇ συγκλήτῳ βουλῇ καὶ τῷ αὐτοκράτορι δεδοκιμασμένα ἐς ἑτέραν τινα ἐτελεύτησε κρίσιν. [8] ἡ μὲν γὰρ βουλή ὥσπερ ἐν εἰκόνι ἐκάθητο, οὔτε τῆς ψήφου οὔτε τοῦ καλοῦ κυρία οὔσα, σχήματος δὲ μόνου καὶ νόμου ξυνειλεγμένη παλαίου εἵνεκα, ἐπεὶ οὐδὲ φωνὴν ἀφεῖναι τινα ὁτῶν τῶν ἐνταῦθα ξυνειλεγμένων τὸ παράπαν ἐξῆν, ἀλλ' ὁ τε βασιλεὺς καὶ ἡ σύννοκος ἐκ τοῦ ἐπὶ πλεῖστον διαλαγχάνειν μὲν ἀλλήλοιν τῶν διαφορομένων ἐσκήπτοντο, ἐνῖκα δὲ τὰ ἐν σφίσιν αὐτοῖς ὑπὲρ τούτων ξυγκείμενα. [9] ἦν δὲ τῷ δόξειεν οὐκ ἐν ἀσφαλεῖ εἶναι παρανενομηκότι νενικηκέναι, ὅδε καὶ ἄλλο τι χρυσίον τῷ βασιλεῖ τούτῳ προέμενος νόμον εὐθὺς διεπράττετο ἀπ' ἐναντίας ἀπάντων ἐλθόντα τῶν πρόσθεν κειμένων. [10] ἦν δὲ καὶ τις ἕτερος τοῦτον δὴ τὸν νόμον τὸν ἀπολωλότα ἐπιζητοίη, αἷθις αὐτὸν μετακαλεῖν τε καὶ ἀντικαθιστάναι αὐτοκράτωρ οὐδαμῇ ἀπηξίου, οὐδὲν τε ἐν τῷ τῆς δυνάμεως βεβαίῳ εἰστήκει, ἀλλ' ἐπλανᾶτο περιφερομένη πανταχόσε ἢ τῆς δίκης ῥοπὴ ὅπη ἂν αὐτὴν βαρῆσας ὁ πλείων χρυσὸς ἀνθέλκειν ἰσχύει ἔκειτό τε ἐν τῷ δημοσίῳ τῆς ἀγορᾶς καὶ ταῦτα ἐκ Παλατίου καὶ προϋτίθετο οὐ δικαστικῆς μόνον, ἀλλὰ καὶ νομοθετικῆς πωλητήρια. [11] Τοῖς δὲ ῥεφερενδαρίοις καλουμένοις οὐκέτι ἀπέχρη ἀνενεγκεῖν εἰς τὸν βασιλέα τὰς τῶν ἰκετευόντων δεήσεις, ἐς δὲ τὰς ἀρχὰς ἀναγγεῖλαι μόνον, ἤπερ εἰώθει, ὅ τι ἂν αὐτῷ ἀμφὶ τῷ ἰκέτῃ δοκῇ, ἀλλὰ ξυμφορήσαντες ἐκ πάντων ἀνθρώπων τὸν ἄδικον λόγον, φενακισμοῖς μὲν τὸν Ἰουστινιανὸν καὶ παραγωγαῖς τισιν ἐξηπάτων, τοῖς ταῦτα ἐπιτηδεύουσιν ὑποκείμενον φύσει. [12] ἔξω δὲ αὐτίκα γενόμενοι καὶ τῶν σφίσιν ὠμιληκότων τοὺς ἀντιδίκους καθεῖρξαντες χρήματα οὐδενὸς ἀμυνομένου ἀνεξελέγκτως ἐπράσσοντο ὅσα

ἀν αὐτοῖς διαρκῇ εἴῃ. [13] καὶ στρατιῶται οἱ τὴν ἐν Παλατίῳ φρουρὰν ἔχοντες ἐν τῇ βασιλείῳ στοᾷ παρὰ τοὺς διαιτῶντας γενόμενοι βιαίῃ χειρὶ τὰς δίκας ἐσῆγον. [14] πάντες τε ὡς εἶπεῖν τὴν αὐτῶν ἐκλιπόντες τάξιν ὁδοὺς τότε κατ' ἐξουσίαν ἐβάδιζον ἀπόρους τε καὶ ἀστιβήτους σφίσι τὰ πρότερα οὐσας, καὶ τὰ πράγματα πλημμελῶς πάντα ἐφέρετο, οὐδὲ ὀνόματός τινος ἰδίου μεταλαχόντα, ἐφκει τε ἡ πολιτεία βασιλίδι παιζόντων παιδίων. [15] ἀλλὰ τὰ μὲν ἄλλα μοι παριτέον, ὥσπερ τοῦδε ἀρχόμενος τοῦ λόγου ὑπεῖπον. λελέξεται δὲ ὅστις ἀνὴρ πρῶτος δικάζοντα δωροδοκεῖν τὸν βασιλέα τοῦτον ἀνέπεισε. [16] Λέων ἦν τις, Κίλιξ μὲν γένος, ἐς δὲ φιλοχρηματίαν δαιμονίως ἐσπουδακώς. οὗτος ὁ Λέων κράτιστος ἐγένετο κολάκων ἀπάντων, καὶ οἷος ταῖς τῶν ἀμαθῶν διανοαῖς τὸ δόξαν ὑποβαλέσθαι. [17] πειθὼ γάρ οἱ τινα ξυναιρομένην ἐς τοῦ τυράννου τὴν ἀβελτερίαν ἐπὶ φθόρῳ τῶν ἀνθρώπων εἶχεν. οὗτος ἀνὴρ πρῶτος Ἰουστινιανὸν ἀναπεῖθει ἀπεμπολεῖν χρημάτων τὰς δίκας. [18] ἐπειδὴ τε κλέπτειν ὁδε ὁ ἀνὴρ τρόπῳ τῷ εἰρημένῳ ἔγνω, οὐκέτι ἀνίει, ἀλλ' ὁδῷ προῖον τὸ κακὸν τοῦτο ἐπὶ μέγα ἐχώρει, ὅστις τε δίκην λαχεῖν ἄδικον τῶν τινι ἐπιεικῶν ἐν σπουδῇ εἶχεν, εὐθὺς παρὰ τὸν Λέοντα ἦει, καὶ μοῖραν τῶν ἀντιλεγομένων τινα ὁμολογήσας τῷ τε τυράννῳ καὶ αὐτῷ κείσεσθαι, αὐτίκα νενικηκώς, οὐ δέον, ἀπηλλάσσετο ἐκ τοῦ Παλατίου. [19] καὶ Λέων μὲν χρήματα ἐνθένδε περιβαλέσθαι μεγάλα κομιδῇ ἴσχυσε, χώρας τε πολλῆς κύριος γέγονε, Ῥωμαίοις δὲ τὴν πολιτείαν αἰτιώτατος γέγονεν ἐς γόνυ ἐλθεῖν. [20] ἦν τε οὐδὲν τοῖς ξυμβεβηκόσιν ὀχύρωμα, οὐ νόμος, οὐχ ὄρκος, οὐ γράμματα, οὐ ποινὴ ξυγκειμένη, οὐκ ἄλλο τῶν πάντων οὐδὲν, ὅτι μὴ Λέοντι καὶ βασιλεῖ χρήματα προέσθαι. [21] οὐ μὴν οὐδὲ τοῦτο ἐν τῷ βεβαίῳ τῆς γνώμης τῆς τοῦ Λέοντος ἔμενεν, ἀλλὰ μισθαρνεῖν καὶ πρὸς τῶν ἐναντίων ἡξίου. [22] κλέπτων γὰρ ἀεὶ ἐφ' ἐκάτερα τῶν ἐπ' αὐτῷ προστεθαρρηκότων ὀλιγωρεῖν τε καὶ ἀπ' ἐναντίας ἰέναι οὐδαμῇ αἰσχύνην ὑπώπτευεν εἶναι. [23] οὐδὲν γὰρ αἰσχρὸν, εἰ μόνον τὸ κερδαίνειν προσῇ, ἐδόξαζεν οἱ αὐτῷ ἐπαμφοτερίζοντι ἔσεσθαι.

Ὁ μὲν οὖν Ἰουστινιανὸς τοιοῦτός τις ἦν. Θεοδώρα δὲ ἐν τῷ βεβαίῳ τῆς ἀπανθρωπίας ἐνδεδεχέστατα ἐπεπῆγει τὴν γνώμην. [2] ἄλλω μὲν γὰρ ἀναπαισθεῖσα ἢ ἀναγκασθεῖσα εἰργάζετο οὐδὲν πώποτε, αὐτὴ δὲ τὰ δόξαντα ἐπετέλει αὐθαδιαζομένη δυνάμει τῇ πάσῃ, οὐδενὸς ἐξαιτεῖσθαι τὸν παραπεπτωκότα τολμῶντος. [3] οὐδὲ γὰρ χρόνου μῆκος, οὐ κολάσεως πλησμονή, οὐχ ἰκετείας τις μηχανή, οὐ θανάτου ἀπειλή, ὅτι δὴ ἐξ οὐρανοῦ πεσεῖται τῷ παντὶ γένει ἐπίδοξος οὐσα, καταθέσθαι αὐτὴν τι τῆς ὀργῆς ἔπειθε. [4] καὶ συλλήβδην Θεοδώραν τῷ προσκεκρουκότι καταλλαγεῖσαν οὐδεὶς ποτε εἶδεν οὐδὲ ἐξ ἀνθρώπων ἀφανισθέντι, ἀλλὰ τοῦ τετελευτηκότος ὁ παῖς διαδεξάμενος τὸ τῆς βασιλίδος ἔχθος ὥσπερ ἄλλο τι τοῦ πατρὸς ἐς τριγένειαν παρέπεμπε. [5] ὁ γὰρ θυμὸς αὐτῇ κινεῖσθαι μὲν εἰς ἀνθρώπων φθορὰν ἐτοιμώτατος ἦν, ἐς δὲ τὸ λωφῆσαι ἀμήχανος. [6] Τὸ μέντοι σῶμα ἐθεράπευε μειζρόνως μὲν ἢ κατὰ τὴν χρεῖαν, ἐλασσόνως δὲ ἢ κατὰ τὴν αὐτῆς ἐπιθυμίαν. [7] ταχύτατα μὲν γὰρ ἐς τὸ βαλανεῖον, ἐς τὸ ἀκρατίζεσθαι ἐνθένδε ἐχώρει. [8] ἀκρατισαμένη δὲ ἡσυχίαν ἤγεν. ἀριστῶσα μέντοι καὶ δεῖπνον αἰρουμένη ἐς πᾶσαν ιδεάν ἐδωδίμων τε καὶ ποτῶν ἤρχετο, ὕπνοι τε αὐτῆς αἰεὶ μακρότατοι ἀντελαμβάνοντο, ἡμερινοὶ μὲν ἄχρι πρώτων νυκτῶν, νυκτερινοὶ δὲ ἄχρις ἡλίου ἀνίσχοντος. [9] εἰς πᾶσάν τε οὕτως ἀκρασίας ἐκπεπτωκυῖα τρίβον ἐς τόσον ἡμέρας καιρὸν ἅπασαν διοικεῖσθαι ἤξιον τὴν Ῥωμαίων ἀρχήν. [10] καὶ ἦν τῷ ἐπιστεῖλλε πρᾶξιν τινα ὁ βασιλεὺς οὐκ αὐτῆς γνώμη, ἐς τοῦτο τύχης περιειστῆκει τούτῳ δὴ τῷ ἀνθρώπῳ τὰ πράγματα, ὥστε οὐ πολλῷ ὕστερον τῆς τε τιμῆς παραλυθῆναι ξὺν ὕβρει μεγάλῃ καὶ ἀπολωλέναι θανάτῳ αἰσχίστῳ. [11] Τῷ μὲν οὖν Ἰουστινιανῷ ἅπαντα πράσσειν ῥάδιον ἦν, οὐχ ὅσον τῷ τῆς διανοίας εὐκόλῳ, ἀλλ' ὅτι καὶ ἄυπνος ἦν ἐπὶ πλεῖστον, ὥσπερ εἴρηται, καὶ εὐπρόσοδος πάντων μάλιστα. [12] πολλὴ γὰρ ἀνθρώποις ἐξουσία ἐγένετο, καίτοι ἀδόξοις τε καὶ ἀφανέσι παντάπασιν οὖσιν, οὐχ ὅτι ἐντυχεῖν τῷ τυράννῳ τούτῳ, ἀλλὰ καὶ κοινολογεῖσθαι καὶ ἐξ ἀπορρήτων συγγίνεσθαι. [13] παρὰ δὲ τὴν βασιλίδαν οὐδὲ τῶν ἀρχόντων τινὶ ὅτι μὴ χρόνῳ τε καὶ πόνῳ πολλῷ εἰσιτητὰ ἦν, ἀλλὰ προσήδρευον μὲν ἐς αἰεὶ ἅπαντες ἀνδραποδώδη τινὰ προσεδρέϊαν ἐν δωματίῳ στενῷ τε καὶ πνιγνῷ τὸν ἅπαντα χρόνον. κίνδυνος γὰρ ἀπολελειφθαι τῶν ἀρχόντων τινὶ ἀνύποιστος ἦν. [14] ἴσταντο δὲ διηνεκὲς ἐπ' ἄκρων δακτύλων, αὐτὸς καθυπέρτερον ἕκαστος τῶν πέλας διατεινόμενος τὸ πρόσωπον ἔχειν, ὅπως αὐτὸν ἐνδοθεν ἐξιόντες εὐνοῦχοι ὀρῶεν. [15] ἐκαλοῦντο δὲ αὐτῶν τινες μόλις τε καὶ ἡμέραις πολλαῖς ὕστερον, ἐσιόντες δὲ παρ' αὐτὴν ξὺν δέει πολλῷ ὅτι τάχιστα ἀπηλλάσσοντο, προσκυνήσαντες μόνον καὶ ταρσοῦ ἐκατέρου ποδὸς ἄκρῳ χεῖλει ἀψάμενοι. [16] φθέγγεσθαι γὰρ ἢ αἰτεῖσθαι τι μὴ ἐκείνης ἐγκελευομένης οὐδεμία παρρησία ἐγένετο. ἐς δουλοπρέπειαν γὰρ ἡ πολιτεία ἦλθε, δουλοδιδάσκαλον αὐτὴν ἔχουσα. [17] οὕτω τε Ῥωμαίοις τὰ πράγματα διεφθείρετο τοῦ μὲν τυράννου τῷ ἄγαν εὐήθει δοκοῦντι εἶναι, [18] Θεοδώρας δὲ τῷ χαλεπῷ καὶ λίαν δυσκόλῳ. ἐν μὲν γὰρ τῷ εὐήθει τὸ ἀβέβαιον ἦν, ἐν δὲ τῷ δυσκόλῳ τὸ ἄπρακτον. [19] Ἐν τοῖς μὲν οὖν

τῆς τε γνώμης αὐτοῖς καὶ τῆς διαίτης τὸ διαλλάσσον ἐφαίνετο, κοινὰ δὲ ἦν αὐτοῖς ἢ τε φιλοχρηματία καὶ ἡ τῶν φόνων ἐπιθυμία καὶ τὸ μηδενὶ ἀληθίζεσθαι. [20] ἄμφοι γὰρ ἐπιτηδεύουσιν ἐς τὰ μάλιστα ψεύδεσθαι εἶχον, καὶ ἦν μὲν τις τῶν Θεοδώρα προσκεκρουκότων ἀμαρτάνειν λέγοιτό τι βραχὺ τε καὶ λόγου οὐδαμῇ ἄξιον, αἰτίας εὐθὺς ἀναπλάσσουσα τῷ ἀνθρώπῳ οὐδὲν προσηκούσας, ἐς μέγα τι κακοῦ τὸ πρᾶγμα ἦρεν. [21] ἐγκλημάτων τε ἠκούετο πλῆθος καὶ καταλύσεως περὶ τῶν καθεστώτων ληΐζεσθαι δικαστήριον ἦν, καὶ δικασταὶ ξυνελέγοντο πρὸς αὐτῆς ἀγειρόμενοι, οἱ δὲ ἔμελλον διαμαχέσασθαι πρὸς ἀλλήλους, ὅστις ἂν αὐτῶν μᾶλλον τῶν ἄλλων ἀρέσκειν τῇ ἐς τὴν γνῶσιν ἀπανθρωπία τῇ βασιλίδι τὸ βούλημα [22] ἱκανὸς γένοιτο. οὕτω τε τοῦ παραπετωκότος τὴν μὲν οὐσίαν αὐτίκα ἐς τὸ δημόσιον ἀνάγραφτον ἐποίει, πικρότατα δὲ αὐτὸν αἰκισαμένη, καίπερ ἴσως εὐπατρίδην τὸ ἀνέκαθεν ὄντα, ἢ φυγῇ ζημιῶν ἢ θανάτῳ οὐδαμῇ ἀπηξίου. [23] ἦν δὲ γε τῶν αὐτῇ ἐσπουδασμένων τινὶ ἐπὶ φόνοις ἀδίκους ἢ ἐτέρῳ τῷ τῶν μεγίστων ἀδικημάτων ἁλῶναι ξυμβαίνειν, διασύρουσα καὶ χλευάζουσα τὴν τῶν κατηγορῶν ὁρμὴν σιωπᾶν τὰ προσπεσόντα οὐτι ἐθελουσίους ἠνάγκαζεν. [24] Ἀλλὰ καὶ τῶν πραγμάτων τὰ σπουδαιότατα εἰς γελοιοποιίαν μεταβάλλειν, ὅταν αὐτῇ δοκῇ, ὥσπερ ἐν σκηνῇ καὶ θεάτρῳ ἔργον πεποίηται. [25] καὶ ποτε ἦν τις τῶν πατρικίων γέρων τε καὶ χρόνον πολὺν ἐν ἀρχῇ γεγονώς, οὗπερ ἐγὼ τὸ ὄνομα ἐξεπιστάμενος ὥς ἦκιστα ἐπιμνήσομαι, ὥς μὴ ἀπέραντον τὴν ἐς αὐτὸν ὕβριν ποιήσωμαι, τῶν αὐτῇ ὑπηρετούντων τινὰ ὀφείλοντά οἱ χρήματα μεγάλα εἰσπράξασθαι οὐχ οἷός τε ὦν ἐσῆλθε παρ' αὐτὴν, τὸν τε συμβαλόντα αἰτιασόμενος καὶ δεηθησόμενος αὐτῷ βοηθῆσαι τὰ δίκαια. [26] ὅπερ ἡ Θεοδώρα προμαθοῦσα τοῖς εὐνούχοις ἐπέστελλεν, ἐπειδὴν ὁ πατρίκιος πρὸς αὐτὴν ἴκοιτο, κυκλώσασθαι μὲν αὐτὸν ἅπαντας, ἐπακοῦειν δὲ αὐτῇ φθεγγομένη, ὑπειποῦσα ὅτι αὐτοὺς ἀντιφθέγγεσθαι δεῖ. [27] ἐπεὶ δὲ ὁ πατρίκιος ἐς τὴν γυναικωνίτιν ἦλθε, προσεκύνησε μὲν ὥσπερ αὐτὴν προσκυνεῖν εἴθιστο, δεδακρυσμένη δὲ εὐκρίως 'ὦ δέσποινα', ἔφη, 'χαλεπὸν πατρικίῳ ἀνδρὶ χρημάτων δεῖσθαι. [28] ἃ γὰρ τοῖς ἄλλοις συγγνώμην τε καὶ ἔλεον φέρει, ταῦτα ἐς ὕβριν τῷδε ξυμβαίνει τῷ ἀξιώματι ἀποκεκρίσθαι. [29] ἄλλῳ μὲν γὰρ ὄφθουν ἀπορουμένῳ τὰ ἔσχατα πάρεστιν αὐτὸ τοῦτο εἰπόντι τοῖς χρήταις ὄχλου τοῦ ἐνθένδε εὐθὺς ἀπηλλάχθαι, πατρίκιος δὲ ἀνὴρ οὐκ ἔχων ὅθεν ἂν ἐκτίσαι τοῖς χρήταις τὰ ὀφλήματα ἱκανὸς εἴη μάλιστα μὲν τοῦτο ἂν εἰπεῖν αἰσχυρθείη, εἰπὼν δὲ οὐκ ἂν ποτε πείσαι ὥς οὐχ οἷόν τε ὅν τῷδε πενίαν τῷ τάγματι ξυνοικίζεσθαι. [30] ἦν δὲ γε καὶ πείσῃ, τὰ πάντων αὐτῷ αἰσχυστά τε καὶ ἀνιαρότατα πεπονθέναι ξυμβήσεται. [31] οὐκοῦν, ὦ δέσποινα, εἰσὶ μοι χρήσται, οἱ μὲν δανείσαντες τὰ σφέτερα αὐτῶν, οἱ δὲ παρ' ἐμοῦ δεδανεισμένοι. [32] καὶ τοὺς μὲν δανείσαντας ἐνδελεχέστατα ἐγκειμένους οὐχ οἷός τέ εἰμι αἰδοῖ τοῦ ἀξιώματος ἀποκρούσασθαι, οἱ δὲ γε ὀφείλοντες, οὐ γὰρ πατρικίοι τυγχάνουσιν ὄντες, εἰς σκῆψεις τινὰς ἀπανθρώπους χωροῦσιν. [33] ἀντιβολῶ τοίνυν καὶ ἰκετεύω καὶ δέομαι βοηθησαί τέ μοι τὰ δίκαια [34] καὶ τῶν παρόντων ἀπαλλάξαι κακῶν.' ὁ μὲν ταῦτα εἶπεν. ἡ δὲ γυνὴ ἀπεκρίνατο ἐμμελῶς, 'πατρικίε ὁ δεῖνα', καὶ ὁ τῶν εὐνούχων χορὸς ὑπολαβὼν ἀντεφθέγγατο, [35] 'μεγάλην κήλην ἔχεις'. αὐτῆς δὲ τοῦ ἀνθρώπου

ἵκετεύσαντός τε καὶ ῥῆσιν τινα ἐμπερῇ τοῖς ἔμπροσθεν εἰρημένοις εἰπόντος κατὰ ταῦτα πάλιν ἢ τε γυνὴ ἀπεκρίνατο καὶ ὁ χορὸς ἀντεφθέγγετο, ἕως ἂν ἀπειπὼν ὁ ταλαίπωρος προσεκύνησέ τε ἥπερ εἰώθει καὶ ἀπιὼν οἴκαδε ὥχετο. [36] ἐν προαστείοις δὲ τοῖς ἐπιθαλαττίοις τὸ πλεῖστον τοῦ ἔτους καὶ οὐχ ἥκιστα ἐν τῷ ἐπικαλουμένῳ Ἡρίῳ διατριβὴν εἶχε, καὶ ἀπ' αὐτοῦ τῶν ἐπομένων ὁ πολὺς ὄμιλος κακοπαθείᾳ πολλῇ εἶχετο. [37] τῶν τε ἀναγκαίων γὰρ ἐσπάνιζον καὶ θαλαττίοις ὠμίλουν κινδύνους, ἄλλως τε καὶ χειμῶνος, ἂν οὕτω τύχη, ἐπιπεσόντος, ἢ τοῦ κήτους ἐνταῦθά ποι ἐπισκήψαντος. [38] ἀλλ' αὐτοὶ τὰ πάντων ἀνθρώπων κακὰ οὐδὲν πρᾶγμα ὦντο εἶναι, ὅσον ἦν γε μόνον αὐτοῖς τρυφᾶν ἐξεῖν. [39] ὁποῖος δὲ ὁ Θεοδώρας πρὸς τοὺς προσκεκρουκώτας ἐφαίνετο τρόπος, αὐτίκα δηλώσω, ὀλίγων δηλονότι ἐπιμνησθεῖς, ὥς μὴ ἀτελεύτητα πονεῖν δόξαιμι.

Ἦνίκα Ἀμαλασοῦνθα τῆς Γόθοις ἀπαλλαξείουσα διατριβῆς μεταπίσχεσθαι τε τὸν βίον ἔγνω, καὶ τὴν ἐπὶ τὸ Βυζάντιον διενεοῖτο πορεύεσθαι, ὥσπερ μοι ἐν τοῖς ἔμπροσθεν λόγοις ἐρρήθη, λογισαμένη ἡ Θεοδώρα ὡς εὐπατρίδης τε ἡ γυνὴ καὶ βασιλὶς εἴη, καὶ ἰδεῖν μὲν εὐπρεπῆς ἄγαν, ἐπινοεῖν δὲ ὅ τι ἂν βούλοιο γοργὸς μάλιστα, ὑποπτον δὲ αὐτῆς ποιησαμένη τό τε μεγαλοπρεπὲς καὶ διαφερόντως ἄρρενωπὸν, ἅμα δὲ καὶ τὸ τοῦ ἀνδρὸς ἐλαφρὸν δείσασα, οὐκ ἐπὶ μικροῖς τὴν ζηλοτυπίαν ἐξήνεγκεν, ἀλλ' ἐνεδρεῦειν τὴν γυναῖκα μέχρις ἐς θάνατον ἐν βουλῇ ἔσχεν. [2] αὐτίκα τοίνυν ἀναπεῖθει τὸν ἄνδρα, Πέτρον μόνον αὐτὸν ἅτε πρεσβεύσοντα ἐς Ἰταλίαν πέμψαι. [3] ὃ δὴ στελλομένῳ βασιλεὺς μὲν ἐπέστελλεν ἅπερ μοι ἐν τοῖς ἐγκαίροις δεδιγῆται λόγοις, ἵνα δὴ μοι τῶν πεπραγμένων ἐκπύστους ποιῆσθαι τὰς ἀληθείας δέει τῆς βασιλίδος ἀδύνατα ἦν. [4] αὐτὴ δὲ τοῦτο ἐπηγγέλλε μόνον, ὅτι τάχιστα τὴν γυναῖκα ἐξ ἀνθρώπων ἀφανιεῖν, ἐπ' ἐλπίδος ὀχεῖσθαι μεγάλων ἀγαθῶν, ἣν τὰ ἐπηγγελμένα ποιοίη, [5] καταστησαμένη τὸν ἄνθρωπον. καὶ ὅς ἐν Ἰταλίᾳ γενόμενος 'οὐ γὰρ οἶδεν ἀνθρώπου φύσις ὀκνηρῶς ἐς ἄδικον φόνον ἰέναι, ἀρχῆς τιнос ἴσως ἢ χρημάτων ἐν ἐλπίδι κειμένων μεγάλων' οὐκ οἶδα ἦντινα Θευδάτῳ παραίνεσιν ποιησάμενος διαχρήσασθαι τὴν Ἀμαλασοῦνθαν ἀνέπεισε. καὶ ἀπ' αὐτοῦ ἔς τε τὸ τοῦ μαγίστρου ἀξίωμα ἦλθε καὶ ἐπὶ πλεῖστον δυνάμεώς τε καὶ μάλιστα πάντων ἔχθους. [6] Τὰ μὲν οὖν κατὰ τὴν Ἀμαλασοῦνθαν ἐς τοῦτο ἐτελεύτα. [7] ἦν δέ τις Ἰουστινιανῷ ἐπιστολογράφος, Πρίσκος ὀνόματι, ἄγαν πονηρὸς μὲν καὶ Παφλαγῶν καὶ πρέπων τῷ προστάτῃ τὸν τρόπον ἀρέσκειν, λίαν δὲ πρὸς αὐτὸν εὐνοϊκῶς ἔχων καὶ πρὸς αὐτοῦ τυγχάνειν τῶν ὁμοίων οἰόμενος· διὸ δὴ καὶ χρημάτων μεγάλων ὧν κύριος ὑπῆρχεν οὐκ ἐν δίκῃ τάχιστα γέγονε. [8] τοῦτον δὴ ἅτε ὀφρυάζοντά τε καὶ οἱ ἀντιτείνειν πειρώμενον ἡ Θεοδώρα ἐς τὸν ἄνδρα διέβαλε. [9] καὶ τὰ μὲν πρῶτα οὐδὲν ἤνυσεν, οὐ πολλῷ δὲ ὕστερον αὐτὴ μὲν τὸν ἄνθρωπον χειμῶνος μέσου εἰς ναῦν ἐμβιβάσασα ὅπῃ ἐβούλετο ἔπεμψε καὶ ἀποθρίζασα ἱερέα οὐτὶ ἐκούσιον ἠνάγκασεν εἶναι. [10] αὐτὸς δὲ δόκησιν παρεχόμενος ὅτι δὴ τῶν ποιουμένων οὐδὲν εἰδείη Πρίσκον μὲν οὐ διηρευνᾶτο ὅπῃ γῆς εἴη οὐδὲ ἐν μνήμῃ τὸ λοιπὸν εἶχεν, ἀλλὰ σιωπῇ ὥσπερ ληθάρῳ ἀλοὺς καθῆστο, τὰ μέντοι χρήματα ὀλίγων οἱ ἀπολελειμμένων [11] ἐλήϊσατο πάντα. ὑποψίας δὲ συμπεσούσης αὐτῇ ἐρωτολήπτῳ εἶναι εἰς τῶν οἰκετῶν ἓνα, Ἀρεόβινδον ὄνομα, βάρβαρον μὲν γένος, εὐπρεπῇ δὲ καὶ νεανίαν, ὄνπερ ταμίαν αὐτὴ καταστησαμένη ἐτύγχανεν, ἀπολύσασθαι βουλομένη τὸ ἐγκλημα, καίπερ, ὥς φασι, τοῦ ἀνθρώπου δαιμονίως ἐρῶσα, ἐν μὲν τῷ παρόντι πικρότατα αὐτὸν ἀπ' οὐδεμιᾶς αἰτίας αἰκίζεσθαι ἔγνω, τὸ δὲ λοιπὸν οὐδὲν τι ἀμφ' αὐτῷ ἔγνωμεν, οὐδέ τις αὐτὸν ἄχρι νῦν εἶδεν. [12] ἦν γάρ τι τῶν πρassoμένων ἀποκρύπτεσθαι αὐτῇ βουλομένη εἶη, τοῦτο δὴ ἄρρητόν τε καὶ ἀμνημόνευτον ἅπασιν ἔμεινε, καὶ οὕτε τῷ ἐπισταμένῳ ἀγγεῖλαι τῶν τινι ἀναγκαίων ἔτι ἐξῆν οὕτε τῷ μανθάνειν βουλομένῳ πυνθάνεσθαι, κἂν πάνυ τις περίεργος ἦν. [13] τοιοῦτο γὰρ δέος ἐξ οὗ γεγόνασιν ἄνθρωποι ἐκ τυράννων

οὐδενὸς γέγονεν, ἐπεὶ οὐδὲ λαθεῖν τινα τῶν προσκεκρουκότων οἶόν τε ἦν. [14] πλῆθος γὰρ κατασκόπων αὐτῇ τὰ λεγόμενα καὶ πρασσόμενα ἔν τε τῇ ἀγορᾷ καὶ ταῖς οἰκίαις ἐσήγγελλον. [15] ἡνίκα τοίνυν τοῦ παραπεπτωκότος τὴν κόλασιν ἐκφέρεσθαι οὐδαμῇ ἤθελεν, ἐποίει τάδε. [16] τὸν ἄνθρωπον μετακαλεσαμένη, ἦν τις τῶν λογίμων ἐτύγχανεν ὢν, μόνη τε αὐτῇ τῶν ὑπουργούντων τινὶ παραδοῦσα μόνῳ ἐπήγγελλεν εἰς τὰς ἐσχατίας αὐτὸν μετακομίσει τῆς Ῥωμαίων ἀρχῆς. [17] καὶ ὃς ἄωρὶ τῶν νυκτῶν κατακεκαλυμμένον αὐτὸν καὶ δεθέντα εἰς τὴν ναῦν ἐμβιβάσας καὶ σὺν αὐτῷ γεγωνῶς, οὗ οἱ πρὸς τῆς γυναικὸς ἐπετέτακτο, ἐνταῦθα παρεδίδου λαθραιότερον τῷ ἐς ταύτην τὴν ὑπουργίαν ἱκανῶς ἔχοντι, φυλάσσειν τε ὡς ἀσφαλέστατα ἐπιστεῖλας τὸν ἄνθρωπον καὶ ἀπειπὼν μηδενὶ φράζειν, ἕως ἂν ἡ τὸν ταλαίπωρον ἢ βασιλὶς οἰκτίζηται ἢ χρόνον πολὺν τῇ ἐνταῦθα κακοπαθείᾳ δυσθανατήσας τε καὶ καταμαρανθεὶς τελευτήσκειν, ἀπὴλλάσσετο. [18] Καὶ Βασιανὸν δὲ τινα Πράσινον, οὐκ ἀφανῆ νέον ὄντα, αὐτῇ διαλοιδωρησάμενον δι' ὀργῆς ἔσχε. διὸ δὴ ὁ Βασιανὸς 'οὐ γὰρ ἀνήκοος ταύτης δὴ τῆς ὀργῆς ἐγεγόνει ἐς τοῦ ἀρχαγγέλου τὸν νεὼν φεύγει. [19] ἡ δὲ οἱ ἐπέστησεν αὐτίκα τὴν τῷ δήμῳ ἐφεστῶσαν ἀρχὴν, οὐδὲν μὲν τῆς λοιδορίας ἐπικαλεῖν ἐπαγγείλασα, ὅτι δὲ παιδεραστοίῃ ἐπενεγκοῦσα. [20] καὶ ἡ μὲν ἀρχὴ ἐκ τοῦ ἱεροῦ τὸν ἄνθρωπον ἀναστήσασα ἠκίζετο ἀνυποίστω τινὶ κολάσει, ὁ δὲ δῆμος ἅπας ἐπεὶ ἐν τοιαύταις συμφοραῖς εἶδε σῶμα ἐλευθερίον τε καὶ ἀνειμένη ἄνωθεν διαίτη ἐντραφέν, ἀπῆλγησάν τε τὸ πάθος εὐθύς καὶ ξὺν οἰμωγῇ ἀνέκραγον οὐράνιον ὅσον ἐξαιτούμενοι τὸν νεανίαν. [21] ἡ δὲ αὐτὸν ἔτι μᾶλλον κολάσασα καὶ τὸ αἰδοῖον ἀποτεμομένη διέφθειρεν ἀνεξελέγκτως, καὶ τὴν οὐσίαν ἐς τὸ δημόσιον ἀνεγράψατο. [22] οὕτως ἡνίκα ὀργῇ τὸ γύναιον τοῦτο, οὔτε ἱερὸν ὀχυρὸν ἐγεγόνει οὔτε νόμου τοῦ ἀπαγόρευσις οὔτε πόλεως ἀντιβόλησις ἐξελέσθαι τὸν παραπεπτωκότα ἱκανὴ ἐφαίνετο οὔσα, οὔτε ἄλλο αὐτῇ ἀπῆντα τῶν πάντων οὐδέν. [23] καὶ Διογένην δὲ τινα οἶα Πράσινον ὄντα δι' ὀργῆς ἔχουσα, ἄνδρα ἀστεῖον καὶ ποθεινὸν ἅπασί τε καὶ αὐτῷ τῷ βασιλεῖ, οὐδέν τι ἦσσαν γάμων ἀνδρείων συκοφαντεῖν ἐν σπουδῇ εἶχε. [24] δύο γοῦν ἀναπέισασα τῶν αὐτοῦ οἰκετῶν κατηγόρους τε καὶ μάρτυρας τῷ κεκτημένῳ ἐπέστησε. [25] τοῦ δὲ οὐ κρύβδην ἐξεταζομένου καὶ λαθραιότατα, ἥπερ εἰώθει, ἀλλ' ἐν δημοσίῳ, δικαστῶν ἡρημένων πολλῶν τε καὶ οὐκ ἀδόξων, διὰ τὴν Διογένηος δόξαν, ἐπεὶ οὐκ ἐδόκουν ἀκριβολογουμένοις τοῖς δικασταῖς οἱ τῶν οἰκετῶν λόγοι ἀξίόχρεοι ἐς τὴν κρίσιν εἶναι, ἄλλως τε καὶ παιδαρίων ὄντων, Θεόδωρον τῶν Διογένηι ἀναγκαίων τινὰ ἐν τοῖς εἰωθόσιν οἰκιδίῳις καθεῖρξεν. [26] ἐνταῦθα πολλαῖς μὲν θωπείαις, πολλοῖς δὲ τὸν ἄνθρωπον αἰκισμοῖς περιῆλθεν. ἐπεὶ τέ οἱ οὐδὲν προὔχῳρει, νευρὰν βοείαν ἐς τοῦ ἀνθρώπου τὴν κεφαλὴν ἀμφοῖ τὰ ὦτα περιελίζοντας τὴν νευρὰν στρέφειν τε καὶ σφίγγειν ἐκέλευε. [27] καὶ τοὺς μὲν οἱ ὀφθαλμοὺς Θεόδωρος ἐκπεπηδηκέναι τὴν οἰκεῖαν λιπόντας χώραν ὑπώπτευεν, οὐδὲν μέντοι τῶν οὐ γεγονότων ἀναπλάσσειν ἔγνω. [28] διὸ δὴ οἱ μὲν δικασταὶ ἅτε ἀμαρτυρήτου δίκης Διογένηος ἀπέγνωσαν, ἡ δὲ πόλις ἑορτὴν ἀπ' αὐτοῦ πανδημεῖ ἦγεν.

Ἀλλὰ τοῦτο μὲν τῇδε ἐχώρησεν. ἐρρήθη δὲ ἀρχομένῳ μοι τοῦδε τοῦ λόγου
 καὶ ὅσα Βελισάριόν τε καὶ Φώτιον καὶ Βούζην αὐτῇ ἐργασθείη. [2] στασιῶται
 δὲ Βένετοι δύο Κίλικες γένος Καλλινίκῳ τῷ Κιλικίας Δευτέρως ἄρχοντι σὺν
 θορύβῳ πολλῷ ἐπιστάντες χειρῶν ἀδίκων ἐπ' αὐτὸν ἦρξαν, τὸν τε αὐτοῦ
 ἱποκόμον ἄγχιστά που ἐστώτα καὶ ἀμύνειν τῷ κεκτημένῳ πειρώμενον
 ἔκτειναν, τοῦ τε ἄρχοντος καὶ τοῦ δήμου θεωμένου παντός. [3] καὶ ὁ μὲν τοὺς
 στασιώτας ἄλλων τε πολλῶν καὶ τοῦδε ἀλόντας τοῦ φόνου ἐν δίκη ἀνεῖλεν, ἡ
 δὲ μαθοῦσα καὶ ὅτι τοὺς Βενέτους προσποιεῖται ἐνδεικνυμένη, ἔτι αὐτὸν τὴν
 ἀρχὴν ἔχοντα ἐν τῷ τῶν φονέων τάφῳ ἀνεσκολόπισεν οὐδενὶ λόγῳ. [4]
 βασιλεὺς δὲ κλάειν τε καὶ ὀδυρεσθαι τὸν ἀπολωλότα σκηπτόμενος καθῆστο
 γρυλλίζων, πολλὰ τε τοῖς ἐς τὴν πρᾶξιν ὑπουργηκόσιν ἀνατεινόμενος οὐδὲν
 ἔδρασε, τὰ μέντοι χρήματα τοῦ τετελευτηκότος ληΐζεσθαι ὥς ἥκιστα
 ἀπηξίωσεν. [5] Ἀλλὰ καὶ ὑπὲρ ἀμαρτάδων τῶν ἐς τὸ σῶμα κολάσεις τῇ
 Θεοδώρα ἐπινοεῖν ἐπιμελὲς ἦν. πόρνας ἀμέλει πλέον ἢ πεντακοσίας ἀγείρασα
 ἐν ἀγορᾷ μέσῃ ἐς τριώβολον, ὅσον ἀποζῆν μισθαρνούσας, ἔς τε τὴν ἀντιπέραν
 ἤπειρον στείλασα ἐν τῷ καλουμένῳ Μετανοίᾳ μοναστηρίῳ καθεῖρξε τὸν βίον
 μεταμφιέσασθαι ἀναγκάζουσα. [6] ὧν δὴ τινες ἐρρίπτουν αὐτὰς ἀφ' ὕψηλοῦ
 νύκτωρ, ταύτη τε τῆς ἀκουσίῳ μεταβολῇ ἀπηλλάσσοντο. [7] Δύο δὲ κόραι ἐν
 Βυζαντίῳ ἀδελφαὶ ἦτην, οὐκ ἐκ πατρός τε καὶ τριγωνίας ὑπάτων μόνον, ἀλλ'
 ἀνέκαθεν αἵματος τοῦ πρώτου ἔν γε τῇ συγκλήτῳ βουλῇ γεγονυῖαι. [8] ταῦταις
 ἤδη ἐς γάμον ἐλθούσαις ἀπολωλότων τῶν ἀνδρῶν χήραις γεγονέναι
 ξυνέπεσεν. αὐτίκα δὲ ἄνδρας ἡ Θεοδώρα δύο ἀγελαίους τε καὶ βδελυροὺς
 ἀπολέξασα συνοικίζειν αὐταῖς ἐν σπουδῇ εἶχεν, ἐπικαλοῦσα μὴ σωφρόνως
 βιοῦν. [9] ὅπερ ἵνα μὴ γένηται δεῖσασαι, ἐς τὸ τῆς Σοφίας ἱερὸν φεύγουσιν, ἔς
 τε τὸν θεῖον λουτρῶνα ἐλθοῦσαι τῆς ἐνταῦθα κολυμβήθρας ἀπρίξ εἶχοντο. [10]
 ἀλλὰ τοσαύτην αὐταῖς ἀνάγκην τε καὶ κακοπάθειαν προσετρίψατο ἡ
 βασίλισσα ὥστε αὐταῖς ἀπαλλαξιούσαις τῶν ἐνθὲνδε κακῶν τὸν γάμον
 αὐτῶν ἀνταλλάξασθαι ἐν σπουδῇ γέγονεν. οὕτως αὐτῇ ἄχραντος οὐδεὶς ἢ
 ἄσυλος μεμένηκε χῶρος. [11] αὐταὶ μὲν οὖν ἀνδράσι πτωχοῖς τε καὶ
 ἀπερριμμένοις πολλῷ ἀπὸ τῆς σφετέρας ἀξίας ἀκούσiai ξυνωκίσθησαν,
 καίπερ εὐπατριδῶν σφίσι παρόντων μνηστήρων. [12] ἡ δὲ μήτηρ αὐταῖς χήρα
 καὶ αὐτῇ γεγονυῖα οὔτε ἀνομιῶξαι οὔτε [13] ἀποκλαῦσαι τολμῶσα τὸ πάθος
 παρῆν τῇ ἐγγυῇ. ὕστερον δὲ ἀφοσιουμένη ἡ Θεοδώρα τὸ μίasma, δημοσίαις
 αὐτὰς παρηγορήσαι ξυμφοραῖς ἔγνω. [14] ἄρχοντα γὰρ ἐκάτερον κατεστήσατο.
 καὶ ταῖς μὲν κόραις παραψυχὴ οὐδ' ὥς γέγονε, πάθη δὲ ἀνήκεστα καὶ
 ἀνύποιστα τοῖς ὑπὸ τοῖς σχεδόν τι ἅπασι πρὸς τῶν ἀνδρῶν τούτων ξυνηνέχθη
 παθεῖν, ἅπερ μοι ἐν τοῖς ὀπισθεν λόγοις λελέγεται. [15] Θεοδώρα γὰρ οὔτε
 ἀρχῆς οὔτε πολιτείας ἀξίωσις οὔτε τι ἄλλο ἐπιμελὲς ἦν, εἰ τὸ βούλημα
 περανεῖται μόνον. [16] Ἐτύγχανε δὲ ὑπὸ τοῦ κυήσασα τῶν ἐραστῶν, ἡνίκα ἔτι
 ἐπὶ σκηνῇς ἦν, τοῦ δὲ κακοῦ ὅπῃ τοῦ καιροῦ αἰσθημένη πάντα μὲν ἐς τὸ
 ἀμβλύσκειν, ὥσπερ εἰώθει, ἐποίει, ἄωρον δὲ ἀποκτινύναι τὸ βρέφος οὐδεμιᾷ

μηχανῇ εἶχεν, ἐπεὶ οὐ πολλῶ ἀπελέλειπτο τοῦ ἀνθρωποειδὲς γένος γεγενῆσθαι.
[17] διὸ δὴ ἐπεὶ οὐδὲν προϋχῶρει, τῆς πείρας ἀφεμένη τίκτειν ἠνάγκαστο. ὁρῶν
δὲ αὐτὴν ὁ τοῦ τεχθέντος πατὴρ ἀπορουμένην τε καὶ ἀσχάλλουσιν, ὅτι μήτηρ
γενομένη τῷ σώματι ὁμοίως ἐργάζεσθαι οὐκέτι ἂν δυνατὴ εἴη, ἐπεὶ καὶ
